## Four Killed in Multiple Vehicle Accident

By Sharon Callaway Roznik

A tragic, six vehicle accident in the Town of Wayne left four victims dead, including well known Kewaskum resident Ruben Oppermann, and hospitalized three additional persons.

The accident occurred Sunday, February 25, around 3:47 p.m., on Highway 28, west of Lake Bernice Road. According to a report from the Washington County Sheriff's Department, a pickup truck driven by 17 year old Jason Wernicke of Campbellsport, was

traveling west on Highway 28, when the vehicle crossed the centerline, side-swiped another truck, then crashed head on into the pickup truck traveling eastbound, driven by Ruben Oppermann.

Both drivers were killed, along with two passengers riding in the Oppermann vehicle, Shirley and Edward Zastrow of Sheboygan, Ruben's mother-in-law and father-in-law.

Three other occupants of the truck, Ruben's wife Patricia, his son, Ruben Jr., both of

Kewaskum, and a friend, Christine Leeson of West Bend, were transported to St. Joseph's Community Hospital, West Bend, for injuries they suffered in the accident.

The Wernicke vehicle burst into flames upon impact.

Four cars traveling behind Oppermann's vehicle were unable to avoid the accident, creating a chain reaction collision. Jessica Zimmel of Kewaskum was eastbound, immediately behind the Oppermann truck, when her car was hit from the rear by a

vehicle driven by Randy Kostick of Port Washington, causing Zimmel to collide into the Wernicke vehicle. Another vehicle, driven by Jason Judnice of Grafton, struck Kostick from behind. Kostick's car then collided with Wernicke's truck and started on fire. A total of 14 persons were in the six vehicles involved in the accident, but no other injuries were reported.

Patricia Oppermann and her son, Ruben Jr., were listed in fair condition, according to a hospital spokesperson.

Patricia had surgery performed Sunday to repair a broken femur. Christine Leeson was treated for injuries and released from St. Joseph's.

Responding to the accident call, were rescue workers and firefighters from Kewaskum, Kohlsville and Campbellsport. A team from the Washington County Sheriff's Department remained on the scene for over four hours, trying to reconstruct events that caused the fatal accident, which is still under investigation.

## Golfview Apartments Are Latest Addition Being Built in Village

Story and photo by Sharon Callaway Roznik

The second phase of the Golfview Apartment complex is nearing completion, and construction of the third building should be finished sometime this summer.

Located adjacent to the Hon-E-Kor Country Club's golf course, the complex will add 32 apartment units to the village on the east end of town. The RTKM Company, comprised of Randy, Tim, Kris and Mike Heberer, came up with the idea after they had the opportunity to purchase the two and a half acres of land, already zoned multi-family residential.

The first phase began last summer, with a twelve unit building, offering both upper and lower residence. Each comes with it's own one car garage, a private entrance, large bathroom, private laundry room, dishwasher, air conditioning, and deck. The interior of the apartments are 1,100 square feet, with cathedral ceilings highlighting the upper units, plus a scenic view of the golf course and surrounding wooded land.

The additional parking lots provide ample parking spots for guests, and extra space for tenants.

The second building will contain eight apartments, and plans for the third show another twelve are scheduled as part of the Golfview complex. There are still some rentals available, and more information can be obtained by contacting Randy at 335-9787 or Kris at 626-4440.

## KHS Musicians Preparing For March Dinner Concert

The menu has been finalized, the musical groups are busy practicing, the date and time is set, tickets are printed and available to the public and the musicians are looking forward to the concert.

The food selected, catered by Country Catering, includes baked ham, chicken, mashed potatoes with gravy, vegetables tossed lettuce salad, fresh fruit platter, chicken dumpling soup, desserts, coffee, milk and rolls.

The ticket price is \$9.00 and are available

from band and choir students or by calling Kewaskum High School at 616-2166, to reserve your tickets. The final day to purchase tickets is Thursday, March 7.

The Concert Band, Concert Choir, Treble Choir and Symphonic Band will all perform at the concert. The dinner begins at 6 p.m. with the concert starting at 7 p.m. If you wish to attend the concert and not the dinner, there will be no charge. So, we hope to see you on Thursday, March 14, in Rose Hall at Kewaskum High School.

## Reception for Joel Dziedzic

A reception in honor of Joel Dziedzic and his runnerup finish at the State Wrestling Championships last weekend at Madison will be held Monday evening at 7 p.m. in the high school cafeteria.

The community is invited to attend this reception to meet and congratulate Joel on his excellent finish and representation of Kewaskum High School and our community at state. A video of the tournament will also be shown.

## Softball Back In Kewaskum

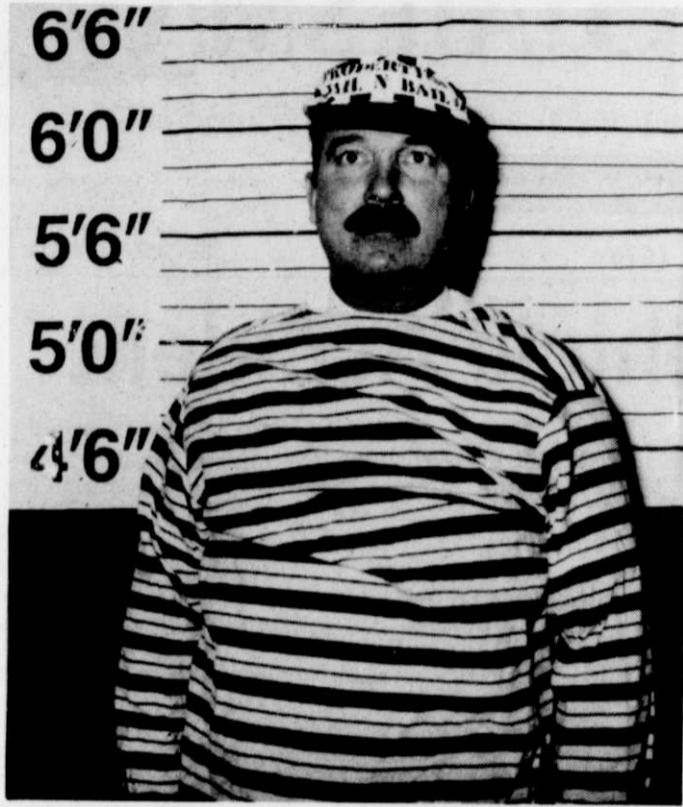

The Kewaskum Athletic Association is once again going to be running a mens' softball league this summer.

The league is scheduled for Thursday evenings at the Kiwanis Park in Kewaskum. However, we are still in need of more teams.

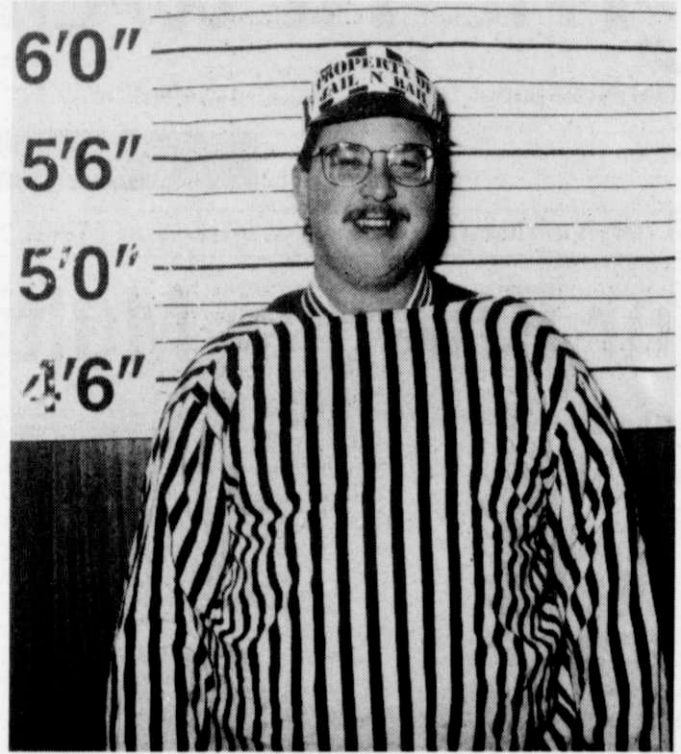

Anyone interested in playing or umpiring, please call Dennis Butz at 626-3377 or Kevin Stautz at 626-2995.

Kewaskum is hosting their second Jail and Bail Fund Raiser for the American Cancer Society on Wednesday and Thursday, March 20 and 21, from 9 a.m. to 5 p.m.

The Jail and Bail is a good humored, fund raising event in which volunteer jailbirds are arrested, sentenced and put behind bars to call friends, relatives and associates in order to

raise their bail, which is then donated to the American Cancer Society.

A makeshift jail located in the lobby of Bank Wisconsin will house the jailbirds. Those arrested will be given a phone book, phone and allotted a certain length of time to raise their bail. Willing participants will be picked up at their home or workplace by a real off-duty police officer and "hailed off" to jail. For a \$10 donation you

can have someone arrested and sentenced. For more information, or to set up an arrest, you can call committee member Jackie Herriges at 626-2171.

In addition to those who are turned in by local citizens, the American Cancer Society will post a ten "Most Wanted" list including several prominent community and business leaders who are wanted for a variety of charges.

The "Wanted" posters will begin appearing around the village soon.

Featured here are four from the "Most Wanted" list of ten. Look for the other six to be published in the next two weeks.

Funds raised will support programs of the American Cancer Society which include research, public and professional education, and service to cancer patients and their families in the Kewas-

kum area. Committee members are looking forward to a fun time and successful event.

The earliest recorded international cross-country race took place outside Paris on March 20, 1898 between England and France. England won.

## Blood Drive Wednesday

By Louise Martin

What good is a blood donor? A blood donor is good for people who go through windshields and red lights. For someone with cancer, hemophilia or anemia. Or hepatitis. Or ulcers. For people being operated on... for people who are almost out of life because they're almost out of blood.

For the little girl who doesn't know that leukemia has happened to her or why. For a little boy who needs something revved up that wound down... like energy. For people who have open-heart surgery... for people feudin' and fightin'. For people burned pretty bad... for daredevils... tree climbers... for people in the wrong place at the wrong time. A blood donor is good for people who are in a lot worse shape than most people you know. For someone who needs a little of your blood... or a lot.

On Wednesday, March 6th, the Kewaskum Community Blood Drive will be held at the Kewaskum High School Choir Room from 1 to 6 p.m. Please park and enter in the back of the

### Auburn Charities Collect \$971.00

Taxpayers of the Town of Auburn donated \$971.00 to four charities in 1996.

American Express money orders from Bank One were sent to Wisconsin Affiliate of American Heart Association \$208.60, American Red Cross, \$194.60; American Cancer Society \$295.60, and Arthritis Foundation Wisconsin Chapter, \$217.60. Cost of envelopes and printing was \$54.60.

Chairpersons for the fund drive, Alice Marchant and Marie Mathieu thank all who donated so generously, and extend a special thanks to Susan Millonig, Auburn Treasurer.

building. This will be your opportunity to help others who might find themselves in need.

More than 450 pints of blood are needed every day to meet the needs of patients in 29 southeastern Wisconsin hospitals. All this blood must come from volunteer donors.

Donors must be 17 years old or older, weigh at least 110 pounds, be free of symptoms of a cold, sore throat, flu or allergies on the day you donate and not have had hepatitis.

All donors will be asked to provide their social security number and must present some form of identification when making their blood donation. Acceptable forms of identification are a picture I.D. with a signature or blood donor I.D.

The actual donation of a pint of blood takes approximately seven minutes. Plan 20 minutes prior to the donation to give medical history and to have your temperature and blood pressure taken and 10-15 minutes after the donation for some refreshments.

Please seriously consider donating with a special appeal for first time donors. You may help a total stranger or someone here in our community. Reserve an hour on Wednesday, March 6th. Those you help will be grateful that you took the time and gave such a generous gift.

### Sign Up for Washington D.C. Tours

An eight day/seven night motorcoach tour of Gettysburg/Washington D.C. from Otte Bus Service of Cedar Grove will again be offered this summer, June 15-22.

The tour is open to all community residents. It will be guided and chaperoned by Mr. Kenneth Soerens. Mr. Soerens has been teaching United States History for the past twenty years in Kewaskum High School.

Anyone interested in

more information on the historic tour may sign up or call for more information with Mr. Soerens at the high school (626-2166) or at home (668-6272). It really can be a trip to be remembered for a long time.

### Offering Basics of Babysitting Class

St. Joseph's Community Hospital of West Bend is offering a "Basics of Babysitting" class on Saturdays, March 9 and 16, from 9 a.m. to noon, in the hospital's fourth floor east conference room.

In two fun-filled mornings, the babysitting workshop teaches sitters, age 11 and up, about home safety, first aid and fire emergencies. Diapering, feeding, bathing and bedtime are also covered.

The fee is \$25. The registration deadline is March 1. For more information, please contact the hospital's Health Promotion Services Department at 334-8268.

## Accident

(Continued from Page 1)

Lt. Jack Theusch reported that drugs, including alcohol, were not a factor in the incident, and stated it would be difficult to ever determine why the Wernicke truck crossed the center line.

The community of Kewaskum is mourning the loss of a well-loved citizen. Ruben Oppermann attended Kewaskum High School, was a former member of the village's Police Department, and served in the National Guard, as well as the local Jaycees. He was an active member of St. John's Lutheran Church in New Fane, enjoying their dartball league, and also belonged to several pool leagues. He was a family man with many friends and he spent time with them snowmobiling, hunting, and playing softball. He was 44 at the time of his death.

Funeral arrangements are being handled by the Miller Funeral Home in Kewaskum, and a complete obituary can be found on page 14.

## GUEST EDITORIAL...

### Your Right to Know: Public Records are Everybody's Business

By TERRY RINDFLEISCH

Newspaper editors get the calls all the time.

Someone arrested for speeding or drunken driving wants to know why the public needs to know about his arrest. Someone who just sold a piece of property wants to know why the public needs to know how much he paid for it. Someone else wants to know why the whole world needs to know that she is divorced.

Each editor has his or her own way of dealing with the calls. But the two words most often stressed are "public record." And a public record exists for the benefit of the public.

People really don't understand "public record" when it personally affects them. They think their divorce, real-estate transaction or lawsuit is their personal business. When it's someone else's divorce or court case, they find it interesting as a reader.

"Public record" is any information collected by a public agency that anyone can see. The media have no special privileges here: You can walk over to your local courthouse and get the same information as the newspaper reporter.

Since the beginning of newspapers, the public record has been a news staple, an integral part of what the print media covers. It's not that the public record is the most important news, but it is news. And hence newspapers have an obligation to report it.

Over the years, I've heard law-enforcement types say that publishing court cases and lists of drunken drivers can act as a deterrent. Perhaps. Publishing this information can also inform readers that someone they know is a drunken driver; maybe they'll think twice before letting their daughter ride home with that person again.

Readers might discover in the newspaper that their neighbor is a sexual offender or a burglar, and be put on alert. Wives and girlfriends can find whether that special someone has been arrested for soliciting a prostitute.

Some businessmen favor publishing the names of shoplifters as a means of punishment. While many people may be ashamed of crimes they commit, newspapers don't print to punish. They print to inform.

Most readers enjoy and value the public record because they're curious, even nosy, about their neighbors. They want to know who is committing crimes and who is buying up property around them.

Most weekly newspapers still publish a complete list of the public record. Most daily newspapers publish only parts of the public record because the list would otherwise take up too much space. (This may change as more information gets put on web sites accessible by computer.)

The next time you hear about the media fighting to keep a public record accessible, understand that this is a record some public official is trying to keep you from seeing. The public record is not the media's record; it is the public's record. It is your news.

"Your Right to Know" is a monthly column produced by the Wisconsin Freedom of Information Council, a statewide media group devoted to protecting Wisconsin's open records and open meeting laws. Terry Rindfleisch is a reporter for The LaCrosse Tribune.

## U.S. Senator Feingold Visits Kewaskum High School

U.S. Senator Russ Feingold spoke at a scheduled visit to Kewaskum High School on Wednesday, February 14. The appearance was part of a series of listening sessions the Senator makes to fulfill a campaign promise that he would visit each of the state's counties at least once a year.

Senator Feingold's opening statements outlined some major initiatives aimed at helping the small business community work with federal regulators and making significant reforms in the health insurance system which would directly benefit small businesses.

The Senator also answered questions from the audience and students in attendance. Shown above, left to right, is Cecelia Smith Robertson, a staff aide from the Senator's Milwaukee office, Senator Feingold (standing), Representative Glenn Grothman and Village President Robert Wagner. Shown in the photo below is KHS student Brad Oelhafen asking Senator Feingold a question.

### Campus Notes

4.0 scale.

The students are: Nicole Renee Gaffke, 8601 Forest View Road, Kewaskum, Elementary Education; Rhonda Jo Ann Klesmith, 4600 Ridge Road, Kewaskum, Occupational Therapy, and Steven Richard Kuphal, 1209 Riverview Drive, Kewaskum, Physical Therapy.

## Our Apologies to The Candidates

Due to an early printing deadline, we were forced to postpone the beginning of the feature, "Ask the Candidates" in this week's issue. Our sincere apologies to all the candidates who all promptly and efficiently answered the two questions that were submitted to them by readers of the Statesman.

The first two questions, and any additional questions will be printed in their entirety in next week's issue, without fail.

**WE NEED YOUR QUESTIONS!** The response to our request for questions to ask the candidates the past two weeks was minimal. There are only two more weeks before the election. If you have unanswered questions, or are still unsure who to vote for, please, send your questions to the Kewaskum Statesman, P.O. Box 98, Kewaskum, WI 53040, or drop them off at our office at 250 Main Street.

We ask you to sign the questions and add your phone number but this information will NOT be seen by the candidates. This information is for our records ONLY.

Thank you for your patience.

The couple had three children; Mary Ellen, the late Mrs. Paul Behring of Kewaskum; Patricia (Gerald) Geidel of Kewaskum; Gregor Jr. (Leslie) of Middleton; and step-daughter Susan Harter, the late Mrs. Robert Beisbier of Kewaskum. They have eight grandchildren and five great-grandchildren.

In 1988 they moved to the Nigh homestead in the Town of Auburn where they are enjoying their retirement.

### W.P.P.A. Does Not Represent County Deputy Sheriffs

Sheriff Robert H. Schulteis and Deputy Sheriff Association President Detective Gary Carpenter have advised that the Washington County Sheriff's Department is receiving calls that the W.P.P.A. (Wisconsin Professional Police Association) is soliciting funds on behalf of law enforcement.

The Sheriff advises that the W.P.P.A. does not represent the deputy sheriffs in Washington County. Detective Gary Carpenter advises that deputy sheriffs represent themselves through their association, and do not solicit funds.

Consistency requires you to be as ignorant today as you were a year ago.

### AISE Seeking Host Families

As Americans, we are fortunate to live in a country which people from around the world are eager to visit.

The American Intercultural Student Exchange, a non-profit educational foundation, is seeking host families for high school foreign exchange students for the 1996-97 school year.

AISE exchange students live with American families and attend local high schools during their ten-month cultural exchange experiences. Host families provide students with room and board, and a loving, family atmosphere in which to live.

Students learn about our government, our history, our customs and our language, as well as leaving a lasting impression

of their cultures in the minds and hearts of their American host families and peers. AISE seeks to shorten the perceived distance between countries around the world, while at the same time showing foreign teens why the American people cherish their country so.

Call AISE at 1-800-SIBLING for more information on hosting a foreign exchange student. A world of adventure awaits you!

## Members of St. Joseph's Hospital Auxiliary Honored

St. Joseph's Community Hospital Auxiliary members were honored recently for their service to the hospital. In 1995, auxiliaries donated a total of 17,432 volunteer hours to the hospital.

At a luncheon held at the Top of the Ridge restaurant at Cedar Ridge, outgoing Auxiliary President Marie Pitz presented a check for \$16,556 from the auxiliary to Executive Director Greg Burns. The money, which was raised by the auxiliary, is being used for the purchase of hospital equipment and represents a portion of the auxiliary's 1996 pledge.

The auxiliary awarded recognition pins to various members for their hours of service. Those honored were:

**For 100 hours:** Pauline Baum, Jean Behnke, Carol Cler, Betty Coughlin, Mary Dalle Nogare, Carol Frings, Jane Haug, Joann Sponholz and Janice Weninger.

**For 500 hours:** Herb Aspen, Marion Bartelt, Sandy Bazalak, Jane Harker, Jean Hopp, Jinny O'Meara, Ruth Ramel, Carol Schaefer, Pat Thorin and Lynn Voeks.

**For 1,000 hours:** Jane Aubrey, Marion Carpenter, Jean Harrison, Florence Jaycox and Audrey Vandenberg.

**For 1,500 hours:** Lucille Peters.

**For 2,000 hours:** Phyllis Gonring and Gerry Ward.

**For 2,500 hours:** Mary Renzaglia and Sharon Ziegler.

**For 3,000 hours:** Sylvia Belunes, Audrey Mayer, Blanche Schuelke and Elie Trester.

**For 4,000 hours:** Alice Benike and Marlene Listwan.

**For 5,500 hours:** Irene Foth.

**For 8,000 hours:**

Helen Mueller.

Burns also presented special recognition awards from St. Joseph's Community Hospital to Phyllis Gonring, Gerry Ward, Alice Benike, Marlene Listwan and Helen Mueller for reaching designated high levels of volunteer hours.

Installation of officers was also held at the luncheon meeting. Sharon Ziegler, Wisconsin Hospital Auxiliary Association, Inc., Southeastern District Chairman, officiated at the installation. Officers include Virginia O'Meara, president; Mary Renzaglia, president-elect; Mary Weaver, secretary; and Audrey Mayer, treasurer. Lois Seidensticker was installed as a director.

In remarks to the auxiliaries, Burns expressed his deep appreciation for their efforts in serving hospital patients and staff and raising funds for needed equipment.

## Cedar Campuses Honors Employees

More than 650 Cedar Campuses employees, retirees and guests attended the annual Staff Appreciation Dinner and Program in December at the Cedar Ridge Retirement Campus in West Bend.

The theme of this year's dinner was Heroes in the Hallways in recognition of those employed at Cedar Lake Health Care Center, Cedar Bay Residential Facility, Cedar Ridge Retirement Center, Cedar Haven Rehabilitation Agency and Cedar Valley Center.

The staff enjoyed French, Italian and German cuisine, an award ceremony and entertainment. Over 135 employees were recognized for

reaching increments of 5,000 hours of employment. Marilyn Luedtke was honored for the longest service at 60,000 hours, equivalent to 30 years of full-time service. Employees received United States Savings Bonds in varying denominations depending on years of service.

The Hedy Gumm Scholarship was awarded to Sue DeLong, who will use the funds to further her education in the health care profession. The \$500 scholarship was established in 1993 in honor of Hedy Gumm, retired assistant executive director from Cedar Campuses.

Cedar Campuses employs over 800 people from West Bend and the surrounding communities. Cedar Campuses provides health care services for the elderly, a variety of living situations for seniors, and retreat and conference facilities for the public. Cedar Haven Rehabilitation Agency, a division of Cedar Campuses, provides rehabilitation for people of all ages in West Bend at Cedar Lake Health Care Center, Horicon, Grafton, Germantown and Fond du Lac.

## FIREMEN TO MEET

## Jody Schmidt Selected to Participate on American All-Stars Cheerleading Team

Jody Schmidt has been selected to participate on the American All-Stars Cheerleading Team. Jody, daughter of Dean and Laurie Schmidt of New Fane, is presently active as captain of the JV basketball cheerleading squad at Kewaskum High School. She has also lettered in forensics and has received awards for being captain of freshman basketball and JV football cheerleading squads.

At home, Jody has shown Draft horses for several years and has received the 1995 State Grand Champion Junior Cart Driver and Junior and Senior Showmanship for 1994 and 1995.

Jody, and other selected cheerleaders from the state, will be accompanying the American All-Stars High School Football Team, which will be traveling to New Zealand this coming June. These teams from across America, will be participating in the 8th annual "Down Under Bowl" in Australia and New Zealand, where they will scrimmage and play against teams from these two countries.

Jody is actively seeking donations in any amount to help defray the cost of the trip. Anyone donating will be eligible for a drawing to win an all-expenses paid trip for two to attend the 1996 "Down Under Bowl." For information on donating please contact Jody Schmidt at 626-4883 or at N612 Forest View Rd., Kewaskum, WI 53040.

## Rep. Owens States Good Friday Ruling Ridiculous

The recent ruling declaring unconstitutional the four hours that state employees are given as vacation time on Good Friday is absolutely ridiculous according to State Representative Carol Owens (R-Oshkosh).

U.S. District Judge John Shabaz ruled Saturday that the Good Friday holiday violates the First Amendment.

"In no way does the vacation time violate the establishment clause of the First Amendment," Owens said. "No one is forced to worship. They can do whatever they want with their time off."

"This is simply another assault by extremist far-left groups that want to rid society of religion

altogether. How preventing state employees from taking vacation time is going to accomplish that end is questionable at best," she stated.

Owens argued that the only effect of the ruling was to make it harder for families to get together and celebrate the Easter weekend.

"With the aid of liberal judges that would rather legislate from the bench than interpret the law, these extremist groups have been able to successfully mess up many of our family traditions," stated Owens.

Owens plans to work with others to come up with a way to restore the lost vacation time for state employees.

## Seeking Support For Fireworks

The Village of Kewaskum's Centennial Celebration was a large success, because of the people, organizations and businesses of the community working together and giving financial support.

The fireworks last year on June 10, and July 3, were just one such example of such community support. It has been suggested to try and carry on and rally to have bigger and better fireworks each and every year. With this in mind, we are asking for everyone's support.

Please consider a donation to go towards the annual Village of Kewaskum and area's fireworks. If a specific display or ground display is desired, just ask and the Village will be happy to work with you. You may either contact the Village of Kewaskum, 204 First Street, P.O. Box 38, Kewaskum, WI 53040-0038 (phone 414-626-8484) or the Kewaskum Statesman, 250 Main Street, P.O. Box 98, Kewaskum, WI 53040-0098 (phone 414-626-2626).

Names of all who donated towards the fireworks will be published in a future edition of the Statesman.

Also, if an organization or an individual desires to provide music in the shelter or base of the hill prior to the fireworks also contact the Village or the Statesman.

Thank you!

## Trees for Tomorrow Northwoods Almanac

by Ced Vig

Nature's Little Stinkers are Active -- Male skunks are generally on prowl in late February. If the weather is warm, they may emerge from their dens earlier. A skunk is polygamous, and mating takes place in the den. The five or six skunklets are born in May or early June. A few weeks after birth, skunklets are subject to having a male skunk enter the den and kill a number of them, frequently his very own offspring.

**Loons Getting New Feathers** -- It is believed that the Northwoods loons winter along the shores of the Atlantic Ocean in southeastern United States and along the Gulf Coast. Currently they are replacing their gray, brown and white winter feathers with black-white breeding plumage. Flying is not possible until the feathers are replaced. Not all loons return to the Northwoods in April. One, two and three-year loons remain in the wintering area until they are sexually mature.

## County Included in Outstanding Construction Awards by DOT

Wisconsin's first traffic circle, the only new airport built in the past quarter-century, a new longer-lasting, high-tech asphalt surfacing project, a new bridge designed to look like an old one, and a grading project that moved some 2 million yards of rock and dirt were selected as the top highway projects built last year.

The outstanding construction projects were selected by a team of federal and state engineers based on construction quality, project complexity, innovation, and ability of the contractor to complete construction schedule.

"We were really impressed with the outstanding projects, and believe that the care and workmanship that went into them will continue to please highway users for decades to come," said Gary Whited, director of the office of construction.

Included in the project was an 8.3 mile asphalt paving project on US 41 in Washington County, built of a new European-style stone matrix design

that has been described as an asphalt Rice Krispie bar, was selected as the best asphalt paving job in the state. The contractor was Payne and Dolan, Inc., of Waukesha. Project engineer was David Buschkopf of the Waukesha DOT District.

## Local Insurance Agency Honored

Kettle Moraine Agency, Inc. in Kewaskum, was recently honored by West Bend Mutual Insurance Company for outstanding performance in the company's agency incentive program, Partners In Excellence.

Partners in Excellence is a program that measures seven areas of agency performance including profitability, premium volume, underwriting, and agency management. Over the years, Kettle Moraine Agency, Inc. has consistently been one of West Bend Mutual's top agencies in their Partners In Excellence program.

Kettle Moraine Agency, Inc. has been providing insurance products and services to the local community and surrounding areas since

1953. It is a part of the "Independent Agency System" representing not one, but many fine, quality insurance carriers.

"It is a pleasure and an honor to represent such a fine quality insurance carrier, such as the West Bend Mutual Insurance Company and to be honored in this manner," stated Mitchell Ogi, President of the Kettle Moraine Agency. "We are proud to represent the West Bend Mutual and deeply honored to again be recognized as one of their top agencies."

Approximately 600 independent agencies represent West Bend Mutual. The agencies are located throughout Wisconsin, Illinois, Iowa, Minnesota and Indiana.

## Kettle Country Scout District Roundtables

Kettle Country District, of the Bay-Lakes Council of the Boy Scouts of America, will conduct their monthly adult Scouter Roundtables Thursday, March 7, at 7:30 p.m., at Central Middle School, 1100 Cedar Street (across from the golf course), in Hartford.

All Scoutmasters, Cubmasters, Den Leaders, members of Troop and Pack Committees and Unit Commissioners from Dodge, Ozaukee and Washington Counties and the Random Lake community are invited.

Cub Roundtable participants are asked to come 15 minutes earlier to dress a feather for their headdress, view the Cub Scout Indian costumes and review their "Akela's Council" packet.

Bob Van Dyck and Steve Pokrandt will conduct an opening, closing and advancement ceremony. The agenda will also include simple dance steps, a game, skit, legend and explanation of physical arrangements.

The Boy Scout Roundtable will feature John Heyer, Scoutmaster of Troop 830, Cedarburg, who will narrate slides of his troop's camping trip to the Boundry Waters. The organizational elements of High Adventure trips will be covered and handouts will be distributed.

District and Council

announcements will be given by District Executive, Kurt Knowski, at both Roundtables. Refreshments will be served.

### Campus Notes

Laura Christine Strancke, 4966 Sunset Drive, Kewaskum, Rural Sociology, is among College of Agricultural and Life Sciences students recognized for outstanding scholastic performance during the past semester at the University of Wisconsin-Madison. Only full-time students with "B" or better are eligible for recognition on the Dean's List.

Dean Roger E. Wyse says the college's new curriculum attracts some 2,000 undergraduates who major in basic sciences, environmental sciences and food sciences, as well as agricultural sciences.

## St. Agnes Hospital to Sponsor Suicide Survivors Program, Support Group

When someone commits suicide, their loved ones are often left with painful emotions, unanswerable questions and a grief experience that needs special attention and understanding.

"Surviving the Suicide of a Loved One," a special community presentation offered by St. Agnes Hospital, Fond du Lac, on Wednesday, February 28, will address some of the unique issues survivors face. The free program will be held in the hospital's 4-West Conference Room from 7 to 8:30 p.m. and is open to the public.

"Survivors experience a very painful type of bereavement -- one that is often complicated by agonizing periods of questioning and anxiety that sometimes leads to physical symptoms," according to guest speaker Carol Van Dongen, RN, PhD. "They often struggle with guilt and anger, and wonder what others think of them and their family."

Van Dongen says

that many people experience a tremendously prolonged period of shock; they spend three to six months functioning in a daze. But, she adds, people are resilient.

"After conducting many in-depth interviews, I've learned that, in time, survivors learn to cope. Their lives will never be the same, but they eventually laugh again and experience good times in their lives."

Van Dongen is an associate professor at the University of Wisconsin-Oshkosh College of Nursing where she teaches courses in community mental health. In addition, she has published numerous articles on post-suicide grief and counseling.

She became interested in helping survivors of a loved one's suicide after years of providing mental

health nursing and recognizing that the needs of the family and survivors were often not met.

"Surviving the Suicide of a Loved One" will be an introduction to a Survivors of Suicide Support Group, which will meet every Tuesday in March from 7 to 8:30 p.m. at St. Agnes Hospital. The group will be led by Susan Griffiths, RN, MSE, a therapist with St. Agnes Hospital's Behavioral Health Services, and the Rev. Byron Bunge, M.Div, the director of St. Agnes Hospital Pastoral Care.

For more information on either the presentation or support group, call Bunge at (414) 929-1840.

## Great Season for KMS Eighth Grade Boys Basketball Team

By Perry Koth

At the half way point of the season, the Kewaskum eighth grade boys basketball team is having a great season. They are all alone in first place with a 5-1 record and have won their first two games of the second half, including a 45-40 win over Hartford who had beaten them the first time they played.

Their only loss came in the second game of the season against Hartford, when one player was missing and another was still recovering from the flu. They shot only 19% from the field during that contest and scored a season low 26 points in the 29-26 loss.

The second time around KMS traveled to Hartford and in a much higher scoring contest, defeated them by a score of 45-40. The Indians were in control of the game the entire way as they hit several three point bombs early and never trailed the rest of the way.

With four games remaining, Kewaskum has a one game lead over the Slinger I team, which they defeated last week by a score of 48-35. The team has relied on strong defense and solid passing in posting its' impressive first half record.

The team has 28 players on the roster and 20 players participate in each game. Because of the high numbers, players are forced to rotate which games they are able to suit up for. The second quarter of each game is reserved for non-starters.

The teams play three three-minute periods in the second quarter, so all 15 non-starter players each get a full period of playing time. Some teams however, only bring 10 players, so the fourth group of KMS players end up playing the second string from the other team.

This has not stopped the Indians however, as each group of players has contributed and worked hard to get the team into first place. It truly has been a team effort by all 28 players and Coach Clark Pearson this season. The game scores and individual player scoring totals follow.

### Nest Box Workshop At Lac Lawrann

Flashes of blue will be seen very soon along roadsides and in many backyards. The Eastern bluebirds are due to return to Washington County... a sure sign of spring!

Construction of nesting boxes and requirements for their proper placement are the topic of a nest box workshop sponsored by Lac Lawrann Conservancy on Saturday, March 9 at 9 a.m. Washington County B.R.A.W. Coordinators Mary Holleback and Sherry Ullius will be the guest presenters.

For many years, the Eastern bluebirds were on the decline here in Wisconsin due to the loss of habitat, introduction of the non-native house sparrows and starlings, and use of pesticides. B.R.A.W. (Bluebird Restoration Association of Wisconsin) is a volunteer organization who's mission is "to increase the production of the Eastern bluebirds and other native cavity-nesting birds through a coordinated statewide nest box construction and monitoring program.

The workshop offers a slide program on how to monitor your next box, samples of a variety of nest box styles, and ample time for discussion. The workshop is offered free of charge.

For those interested in subscribing to the B.R.A.W.'s quarterly newsletter, this is a good time to sign-up. New members will be given a one time offer of a free Hill Lake style nest box. Hill Lake boxes will also

## Indians Defeat Cedar Grove In Nonconference Game

By Perry Koth

If Coach Dave Shaw could change one thing about how his team played so far this season, it might be that they execute better on offense and score more points. Well last Tuesday night, that wish came true, as the Indians traveled to Cedar Grove to play a nonconference game against the Rockets.

Kewaskum scored 66 points including 40 in the first half, enroute to a 66-59 victory. It was Kewaskum's first road game of the year and their second win of the season.

Both teams came out swinging as Cedar Grove led after the first quarter, 24-19. Jeb Jungwirth tallied eight points in the quarter including two three-pointers, while Kevin Martin added six in the quarter.

The Indians, who have a tendency to be inconsistent following a good quarter, came out with even a better second quarter, as they outscored the Rockets, 21-10 in the stanza. Dan Jeserig had three three-pointers and Kevin Martin scored 10 of his 22 points in the quarter.

The Indians hit on six three-pointers in the first half including four by Jeserig and two by Jungwirth, to take a 40-34 half time lead.

Both teams obviously talked about defense at

halftime, as the third quarter produced only 19 total points between the two teams as the Rockets outscored the Indians, 12-7, and cut the lead to one point (47-46).

Kewaskum got its' offense going again in the fourth quarter as they outscored the Rockets, 19-13, to seal the victory. Dan Jeserig scored 13 of his game high 29 points in the quarter, including 7 of 7 free throws shooting down the stretch.

Shaw had high praise for both Martin and Jeserig who "were very active offensively for us which we need to be effective." Shaw also felt that sophomore Jeb Jungwirth played a solid game making very sound decisions and senior Kevin Dobke played a very hard determined game, especially in the fourth quarter, when they needed him.

The win gives the Indians a 2-17 record for the year, with one game left.

## About Those Snowstorms!

Now that the snowdrifts and severe weather are (hopefully) behind us, we'd like to clarify a Memories caption that ran in our February 8th edition.

Perhaps all big snowstorms look alike, and while memories of them stay in our minds, dates and times fade into one another, and that's what happened to the Senn twins.

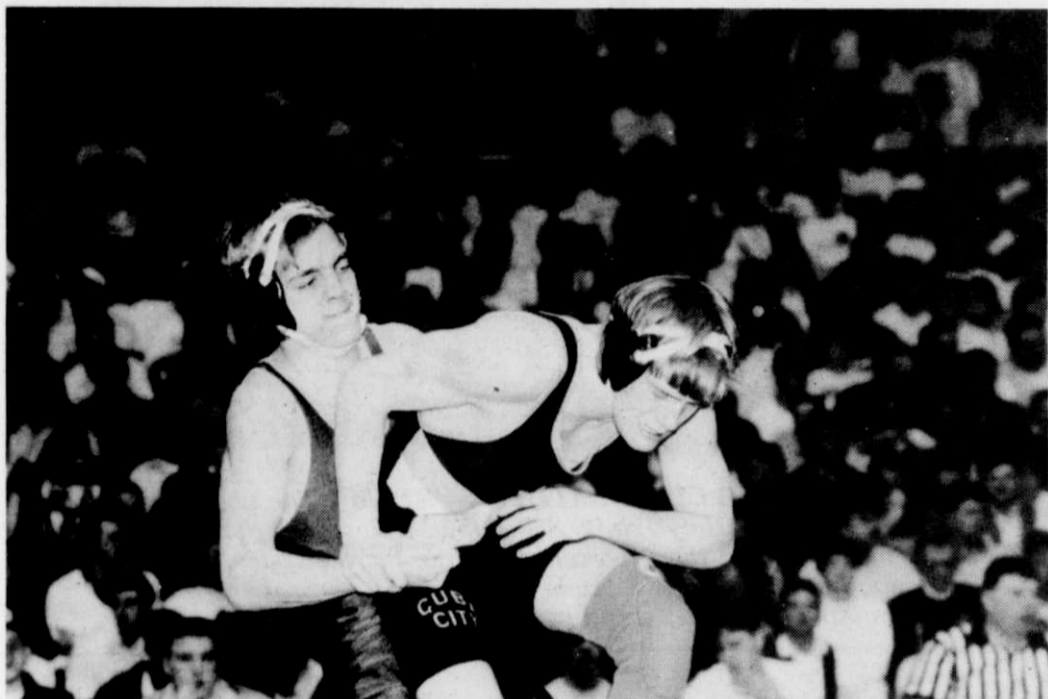

Dr. and Mrs. R.G. Edwards of Kewaskum, traveled with snowshoes to the Rolland Senn country home during the two day blizzard of 1947, not 1936, to deliver the Senn twins.

1947 headlines read, "City, County Fight Way Out of Storm's Strangulation Hold." According to the article, tons and tons of the wet sticky snow fell all Tuesday night, Jan. 28th, not abating until late Thursday. Raging winds, 12 foot drifts, caused hours of back-breaking snow shoveling (no snowblowers in '47!), stalled autos, disrupted electrical service, isolated farms and houses, and drifted roads distinguishable only by their borders of telephone and light poles.

That same week, fight fighters struggled in vain in 11 degrees below zero weather to save the manufacturing plant of the West Bend Woolen Mills. The plant was completely destroyed, the fire fanned by high northwest winds. The fire's reflection was seen for miles and quickly drew crowds of spectators at 1 a.m., despite the intense cold.

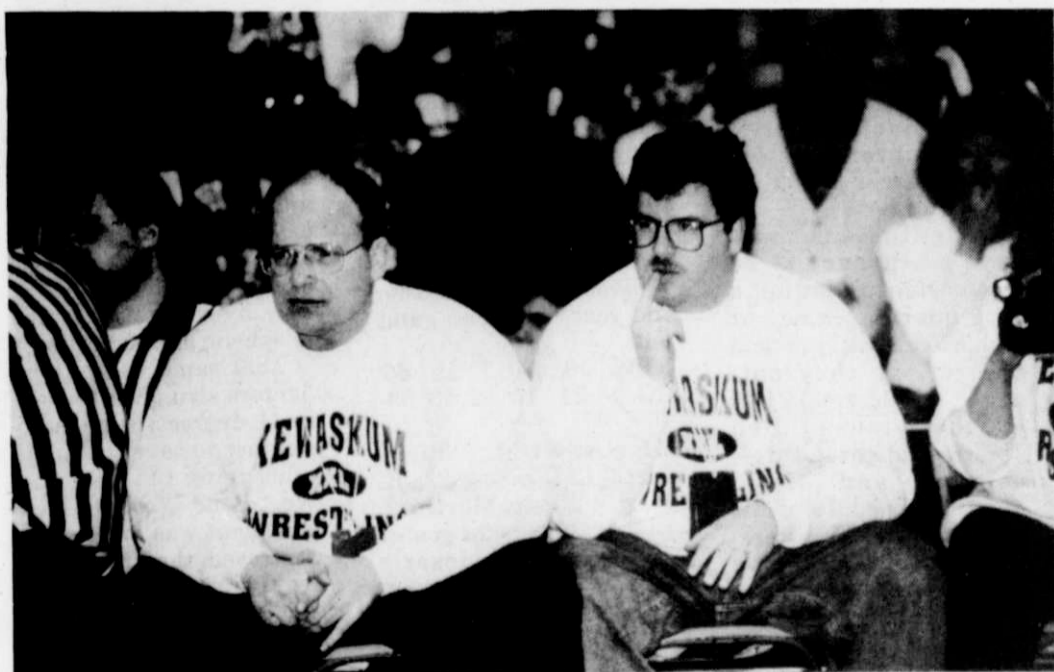

# Dziedzic Runnerup at State Wres

In the finals, Joel, left, puts a move on opponent, Matt Olson of Cuba City.

Winner in the semi-finals at the state wrestling championships, KHS junior Joel Dziedzic.

The faces of KHS wrestling coaches John Nell, left, and Kevin Chambers, right, show the intensity of the competition at the state tournament.

Last weekend at the WIAA State Wrestling Tournament, Joel Dziedzic became the third wrestler in Kewaskum High School history to advance to the finals.

In Joel's quarter final match he paired up against Chad Fritzl from Stanely-Boyd. After leading the match by the score of 15-3, late in the third period, Joel pinned Fritzl with eight seconds remaining in the match. Fritzl qualified with a record of 19-4 and ended the tournament in sixth place.

Joel's next opponent in the semi-finals was Chas Trembl of Luxembour-Casco. Earlier in the 40 team Oshkosh On The Water Tournament, Joel defeated Trembl in a hard fought finals match, 2-1. In this rematch, Joel controlled Trembl and decided him by the score of 4-1. Trembl came into the tournament with a 29-3 record and ended the tournament with a third place finish.

In the finals, Joel faced Matt Olson of Cuba City. Matt had been in the state finals for his third time. As a freshman, Matt lost to Craig Underwood who became one of three four-time state champions.

During his sophomore year, Matt placed third, while as a junior and senior, Matt was a state champion in division one as a junior and division two as a senior.

Joel wrestled a tight 5-4 match in the finals. Matt started the match with a quick takedown before Joel reversed him to even the score at the end of the first period.

At the beginning of the

second period Joel scored a reversal while Matt escaped with seconds left. Entering the third period, both wrestlers started on their feet when Matt did a nice ankle pick takedown to take the lead. With seconds remaining, Joel tried desperately to escape while the last few seconds ticked away. The remaining score ended 5-4 in a fantastic 125 pound final match.

"I felt Joel had a great tournament and a fantastic year. Joel jumped up two weight classes this year and wrestled more intense than ever," stated coach John Nell. Nell went on to say, "Joel Dziedzic is the kind of kid that would do well at any weight class he wrestled. He's determined, dedicated, willing to work hard and improve, and a true sportsman. Joel is a great representative of Kewaskum High School, the community of Kewaskum and the sport of wrestling."

Joel finished the season with a mark of 32 and 2. His combined record for three years of high school is now 96-10. The 1995-96 high school wrestling season is now officially over. Next season should begin sometime in October, and Joel will be back!

A reception in honor of Joel's fantastic finish at the state wrestling tournament will be held in the high school cafeteria on Monday, March 4, at 7 p.m. A video of the state tournament will be shown and everyone is invited to attend.

## Red Cross Chapters To Observe Emergency Preparedness Day

Across the nation, Red Cross chapters will observe "Emergency Preparedness Day" on March 2.

The West Bend Chapter of the American Red Cross will participate in this annual event. The mock disaster exercise will be held at the Shopko parking lot on South Main Street from 10 a.m. to 2 p.m. on

Saturday, March 2. Volunteers trained in First Aid and CPR will respond to a call to action for disaster "victims," demonstrating Red Cross bandaging techniques. Other volunteers will be on hand to answer questions about Red Cross services, and distribute informational materials.

March is Red Cross Month, and the Red Cross is asking for your time and your support because "Help Can't Wait."

"I'm never sure which fork I'm supposed to start with."

## RUBEN A. OPPERMANN

Ruben A. Oppermann, age 44, of Kewaskum, passed away on Sunday, February 25, 1996 from injuries he received in an automobile accident.

He was born on April 28, 1951 in West Bend, the son of Ruben and Virginia (Schmidt) Oppermann and on September 18, 1971 he was united in marriage to Patricia Ertel at St. John Lutheran Church in New Fane.

Mr. Oppermann was a member of St. John Lutheran Church in New Fane, where he had served as president and elder, the church dartball league, the Kewaskum Jaycees, served in the National Guard and was a part-time member of the Kewaskum Police Department from 1976 to 1979. He belonged to several pool leagues and was an avid deer hunter. At the time of his death, he was employed by Wesbar Corporation in West Bend and was previously employed by Gehl Company in West Bend.

Survivors include his wife, Pat, of Kewaskum; a daughter, Nicole, at home and her fiancé, Doug Hiatt; a son, Ruben "Buddy" of Kewaskum; his mother, Virginia Oppermann of Kewaskum; a sister, Mae Oppermann; his maternal grandmother, Eleanore Schmidt of Kewaskum; his brother-in-law, Steve (Teri) Ertel of Sheboygan; two nephews, Matthew and Andrew Ertel, other relatives and many friends.

He was preceded in death by his father, Ruben, his maternal grandfather and paternal grandparents.

Funeral services will be held at 2 p.m. on Saturday, March 2, at St. John Lutheran Church in New Fane with Rev. Mark Eckert officiating. Burial will follow in the church cemetery.

Friends may call after 4 p.m. on Friday, March 1, at the Miller Funeral Home in Kewaskum and from noon until the time of services at the church on Saturday.

Memorials to St. John Lutheran Church Building Fund are preferred.

## SHIRLEY A. ZASTROW

Mrs. Shirley A. Zastrow, 62, of 124 N. Bluebird Lane, Sheboygan Falls, died Sunday afternoon, February 24, 1996, following an automobile accident in Washington County. Her husband, Edward F. Zastrow, died with her in the accident.

Shirley was born February 15, 1934 in Sheboygan, to Martin and Molly Gall. She graduated from Central High School, Class of 1951.

She was married to Richard R. Ertel. Shirley was a receptionist for Dr. Dave K. Bolgert, DDS.

On August 13, 1987, she married Edward F. Zastrow.

Mrs. Zastrow was a member of the Lutheran Church of Our Redeemer where she served as Sunday School teacher for 49 years and was a former member of the church choir.

Survivors include a daughter, Patricia A. Oppermann of Kewaskum; a son and daughter-in-law, Steven J. and Teresa Ertel of Sheboygan, four grandchildren, Nicole and her fiancé, Douglas Hiatt, Ruben Jr., Matthew, and Andrew; three brothers, Martin (Pam) Gall of Tampa, Florida, Robert (Nancy) Gall and Jerry (Shirley) Gall, all of Sheboygan, and two sisters, Betty (Allan) Bowdoin of Fairhope, Alabama and Margie (Stanley) Gerwitz of New York, New York.

Her son-in-law, Ruben Oppermann of Kewaskum, also died in the accident. She was also preceded in death by her parents.

Funeral services for Shirley and her husband, Edward, will be held Friday at 10:30 a.m. at the Lutheran Church of Our Redeemer. Rev. Robert Maschke, Interim Pastor and Vicar David Cecil, will officiate.

Entombment will take place in the Gardens of Peace Mausoleum.

A time of visitation and support will be held at the Ballhorn Funeral Chapels, Sheboygan, on Thursday from 4 to 9 p.m. and at the church on Friday from 9:30 a.m. until the time of service.

A memorial fund has been established in her name.

**Wildcats Win Makeup Game**

It was a cold start to for the Holy Trinity "B" team boys makeup basketball game against Eden on Wednesday, February 14.

The first quarter started and ended with very low scoring, but with Holy Trinity in the lead, seven to four. But the scores didn't stay low for very long. By half-time, Holy Trinity had made five baskets and one free throw.

Eden's Knights followed the exact same scoring pattern to bring up the points to 18-15, with the Wildcats still ahead.

The third quarter got quite exciting when Eden started catching up. Holy Trinity tried to hold them, but at the buzzer, the score was 32-27. Unfortunately, the Knights were ahead. That didn't stop the Wildcats. They kept pushing for more points and ended up winning the game, 44 to 41.

Josh Repesch was the top scorer, making 15 points, with Nick Thorn adding 14, Adam Hubacek, five points, Anthony Laatsch made four, Justin Wessing and John Neumann each scored two points, and Bryan Kraft and Noah Koch both made one point in free throws.

## Village Board Meeting Minutes

Regular Meeting  
February 5, 1996  
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. Trustee Gary Gavin asked to be excused and was absent, all other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee John Borland, seconded by Trustee William Kulas and unanimously carried by voice vote, the minutes of the January 22, 1996 meeting were approved as printed.

Fire Chief Mark Groeschel was not present, but the Board was informed the bids for the proposed new tank truck would be opened on March 7, 1996 at 7:30 p.m. at the Fire House.

Chief of Police Richard L. Knoebel informed the Board all was going well.

Director of Public Works, Jerry Gilles reviewed the following:

1) That over the last week the Village encountered three water main breaks, all of which have been fixed. (Fond du Lac Avenue, Roseland Drive & Stark Street)

2) That extra time and work needed to be spent on the water towers due to freezing.

3) It was noted the amount of time that was required of the men to take care of the problems was above and beyond and under adverse conditions.

President Robert Wagner publicly thanked the Department of Public Works for a job well done.

Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Informed the Board that the tax collection process went well and that as of this date 3.5% of the personal property (7) and real property (28) went delinquent. This number is similar to that of the last several years.

2) Review of Taxpayer and League bulletins.

3) Review of the January 1996 building permit report.

4) Review of a confidence survey by Gallup International Organization on dealing with problems that face communities. It was noted that local governments improved by 1% since 1990 the only classification to do so out of 10.

5) Review of correspondence.

On a motion by Trustee David Goeden, seconded by Trustee John Borland and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	300,037.27
Sewer	17,287.72
Water	6,499.31
Payroll	35,623.01

TOTAL 359,447.31

A/P Ck #10333 - #10461  
P/R Ck #6411 - #6470

Chairman of the Park and Recreation Committee, Gary Gavin asked that the announcement of a Committee meeting scheduled for February 19, 1996 at 7:00 p.m. be so noted.

Board Representative for the Plan Commission, Trustee David Goeden informed that the two rezoning requests have been sent to the Village Board with a favorable recommendation from the Plan Commission. The first is for Paradise Development (West Bend Clinic) and the second for Kewaskum Frozen Foods. Mr. Rick Kania was also present and began the street review layout process for the land use plan.

Board Representative for the Library Board, Trustee Harry Roecker reviewed the Committee meeting which was held February 5, 1996. It was noted that circulation for January 1996 was at 3,370 and that our first quarter payment would be at \$8,869.00.

Board Representative for the County-Wide Library Board, Frank Beesten reported that a

committee meeting is scheduled for February 7, 1996 at 9:00 a.m.

Board Representative for the Mid-Moraine Municipal Association, Legislative Committee, Trustee Robert Stoltzmann informed the Board of a meeting scheduled for February 14, 1996 at 7:30 p.m.

Administrator Daniel S. Schmidt reviewed a notice from the Department of Transportation. A public information meeting has been scheduled for Highway 45 (CTH D to CTH H west) for February 21, 1996 from 4:00 p.m. to 6:00 p.m. in the Village's Community Room. It was further noted the schedule is to bid and let the project December 8, 1998, with the construction to follow in 1999.

On a motion by Trustee William Kulas, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board authorized Banc One & Mr. Paul Thompson to continue to work with the Village to close out TIF #1 this year - 1996.

Action was taken on

Resolution No. 96-5 A Cable Franchise Agreement Extension Resolution as attached hereto:

Action was taken on Resolution No. 96-6 A Preliminary Resolution Declaring Intent to Exercise Special Assessment Police Powers Under Section 66.60 WI Stats. regarding the 1/2 block completion of Timblin Drive as attached hereto:

Administrator Daniel S. Schmidt advised the Board that the Village had received a request for a lease to place a cellular antenna on water tower #1. The pros and cons were briefly reviewed with the consensus of the Board being that the Village Attorney work on a proposed lease and bringing the matter back to the Board.

On a motion by Trustee John Borland, seconded by Trustee Robert Stoltzmann and carried by the majority roll call vote, to adjourn to closed session under Chapter 19.85(1) (c) of the statutes to consider employment compensation and performance of public employees over which the governmental body has jurisdiction and Chapter 19.85(1) (e)

of the statutes to deliberate and negotiate the disposition of public lands. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

## CONDITIONAL USE PERMIT

\$100.00

NO. 96 - CUP.01

State of Wisconsin  
Village of Kewaskum

WHEREAS, Kewaskum Frozen Foods has paid the sum of One Hundred Dollars to the Treasurer of said Municipality, as required by ordinances of said Municipality and complied with all the requirements necessary for obtaining this Permit.

NOW THEREFORE, By order of the Village Board of the Village of Kewaskum, Washington County, Wisconsin and by virtue hereof, the said applicant for a Conditional Use Permit, for the continuance of nonconforming residential structures in a B-4 General Business and Warehouse District. This is for the area located on the north side The Forest Avenue address being 130 and 124 Forest Avenue. The property is known tax key no. V4-0103, V4-0102 and 0101. The property is zoned B-4 General Business and Warehouse District.

It is noted that the conditional use permit would reflect the following points as recommended by the Plan Commission:

- 1) This Conditional Use Permit does not take affect until such time as the property is recorded as one parcel (CSM) and the Ordinance No. 96-2 a ordinance rezoning parcel V4-0103 has been acted on affirmatively.
- 2) No additions would be allowed to be added to the exterior of either building. (130 Forest Avenue and 124 Forest Avenue)
- 3) Adequate parking must be provided by the owner of said dwellings on premise for the residents and also adequate parking must be provided for the employees. The dwelling on premise parking at a minimum needs to be gravel in nature.
- 4) That it is known that the two dwellings are non-conforming and eventually planned to be torn down (razed). That the continuance of the two residential structures is conditional/temporary. It was further noted that the value used to establish the existing value of the two structures is that of the latest assessment dated 1/1/95. That assessment for the dwellings is as follows:
  - a) 124 Forest Avenue \$32,400 (V4-0102)
  - b) 130 Forest Avenue \$27,800 (V4-0103)
- 5) That said properties remain in good order/appearance or may be ordered for removal.
- 6) That a natural living buffer be installed on the west side of said property, with minimum plantings of 3 feet in height.
- 7) That an annual review of this conditional use permit occurs for at least the first two years with future consideration on follow-up reviews to be at the discretion of the Village Board.

Given under my hand and the Corporate Seal of said Village of Kewaskum, affixed this 19th day of February 1996.

# School Children to Learn About Electric, Natural Gas Safety

Area grade school children are learning about the importance of electric and natural gas safety through presentations by Small Change this month. The presentations are made by possible by Wisconsin Electric Power Co.

**MILWAUKEE** -- Kewaskum-area grade school students will learn about electrical and natural gas safety through an exciting program coming to their schools, thanks to Wisconsin Electric Power Co.

"We're pleased to present the Small Change Theater's presentation of

'The Legend of Mongoose Mountain,' which provides a lively and informative safety education message," says Susan Edwards, Wisconsin Electric manager, Community Relations.

The Small Change Theater is a national education theater troupe based in Minneapolis, Minn. Wisconsin Electric partnered with Small Change to develop the program that will educate elementary students on electrical and natural gas safety.

"It is very important that all of our customers, including children,

known and understand ways to be safe around electricity and natural gas," says Edwards. "The Small Change presentations will help educate students on this important subject in a fun, entertaining style. We plan to offer this message to children at all elementary schools in and near our service area."

Wisconsin Electric also offers elementary schools the opportunity to obtain safety brochures in classroom quantities. The safety play and literature are free of charge. If you would like to know when Small Change theater will visit a school near you, call Small Change at 1-800-858-3999 for scheduling information.

Wisconsin Electric

Power Co., a subsidiary of Wisconsin Energy Corp., provides electricity, natural gas and/or steam service to about 2.3 million people in southeastern Wisconsin (including the Milwaukee area), the Appleton area, the Prairie du Chien area, and in northeastern Wisconsin and Michigan's Upper Peninsula.

# Letters to the Editor

**EDITOR'S NOTE:** The following three letters and assorted other news articles were received in our office prior to our deadline last week, but on Tuesday, we were informed of an earlier printing deadline. Unfortunately, there simply was not adequate time for us to get all the letters and articles set on time. We apologize to the letter writers and those who submitted articles that did not get in last week's edition.

To the few who in no uncertain terms, expressed their displeasure, we have repeatedly stressed that ALL articles submitted are published on a time and space availability basis. Realistically, it is our hope that our readers will come to understand economically, we cannot continuously run pages of news that are not sponsored by advertising. We are not a big city owned conglomerate with an unlimited number of employees. We are just a small town BUSINESS, trying to do the best we can for the community.

Again, we repeat, if there is something you absolutely, positively, MUST have published in the paper by a certain date, please consider running it as advertising. That is the ONLY guaranteed way to make sure it will get published. And, please, patronize the advertisers who support this newspaper, for without their support, your news could not be published. Thank you.

## Dear Editor:

I would like to comment on a letter written by someone in the February 8, 1996 issue of the Statesman.

This person seems to try to defend the teaching of a perverted lifestyle which is promoted by the National Education Association, "Teachers Union."

Yes, the Bible teaches us that we are all sinners, and not to judge others, but it also teaches us that perversion is a sin.

Do we need to be teaching a sinful time-consuming practice in our public schools when we have a professional teacher telling us that time is so valuable that

15 seconds a day shouldn't be wasted on the Pledge of Allegiance.

Now we have the N.E.A. promoting acceptance of this perverted lifestyle in our schools while the United States has fallen to 32nd place in the world in learning skills. The N.E.A. is also insisting on sexual orientation training programs for all teachers while the D.P.I. and W.E.A.C. has opposed "Bill AB237" requiring all teachers to be trained, certified and proficient in teaching phonics. What's wrong with this picture?

Mr. Johnson, the majority of the school board, and all the new candidates do have an agenda like focusing on some things like reading, writing, spelling, science, math, real history, and language.

Then there is a minority who favors the outcome based curriculum where basically the students need to show up in class, put something on paper, say anything and get a passing grade. And if it's wrong, it's still OK because they don't want to damage their self-esteem.

The fancy labels are there only to deceive the public, like creative spelling, creative math, critical thinking, school-to-work, and etc. where the student need only participate, and have some kind of answer. Take school-to-work for example, it "sounds great" but let's leave it up to the local school boards and keep the long arm of the D.P.I. and its expensive mandates out of it.

So with these two types of agendas it will be up to the voters to decide on March 19, 1996 to stop the in-fighting and let the very qualified Mr. Johnson do his job.

Also, to say someone is guilty of something "in print" before all the facts are known is very libelous, and after this is all over, with alot of expense to the taxpayers, there will be some apologizing in order to Mr. Weare.

And... Mr. Harris Cayce, if you are for real and want to respond, you will need a hand-signed letter with an address and phone number this time.

Tom Thompson  
Campbellsport

\*\*\*\*\*

## Editor:

I would like to respond to Tom Thompson's letter of

February 1 about the supposed implementation of "resolutions passed at a recent... (N.E.A.) conference" concerning sexual orientation, sexual stereotypes, and homosexuality. It's interesting to find out a Kewaskum school board member is opposed to this implementation. Does he know anyone in Kewaskum School District who is indoctrinating students with these ideas? Or is this a situation of someone making an issue again where there is no issue in the first place -- the very thing Mr. Thompson is condemning?

I contacted the W.E.A.C., Wisconsin Education Association Council in Madison to find out what resolution Mr. Thompson was referring to. One of 300 resolutions acted on in July 1995, item B-9 Sexual Orientation Education does not direct schools or N.E.A. members to observe a Gay and Lesbian History Month. Neither the W.E.A.C. nor the N.E.A. is urging or promoting curriculum changes regarding this issue -- it is entirely up to local districts and associations as what action, if any, they want to take. Does Mr. Thompson know something the people of Kewaskum don't know?

The resolution does not encourage or promote homosexuality. Quoting W.E.A.C. President Terry Craney, "It's intent is simply to support tolerance and respect and to help improve the self-esteem of youngsters who may be troubled about their sexual identity. School counselors and teachers have been concerned for years about a high rate of suicide among gay and lesbian teenagers."

Kewaskum teachers have not been asked or told to celebrate Gay and Lesbian Month, have not developed or distributed curriculums that encourage a gay or lesbian lifestyle, and have not publicized this issue. It's noteworthy that someone from a different district brings up this issue in the name of one of Kewaskum's school board members on the eve of the board primary.

Over recent years, teachers have been asked to -- required to -- teach values on an ever-increasing scale. Part of a public school teacher's job is to teach the American values of citizenship, honesty, respect for oth-

ers, and tolerance. I would hope it's a part of every teacher's job, public or private.

Where would you have the line drawn as to who deserves respect and tolerance and who does not? Perhaps this issue should be debated by the six remaining school board candidates in another public forum, so the Kewaskum community can hear the views from the candidates rather than from a board member's friend in Campbellsport.

## Attention Editor:

The State Life Insurance Fund is a state-sponsored life insurance program for the benefit of Wisconsin residents. The State Life Fund has been selling the lowest net cost life insurance policies available anywhere in the United States since 1911. This low cost occurs because this company is the only truly mutual life insurance company in the country. Under Wisconsin Law, all State Life Insurance Fund profits must be returned to this mutual insurance company's policy holders in the form of dividends.

Chief Sponsor Assembly Majority Leader, Scott Jenson, and the life insurance lobby has proposed Assembly Bill 588 to stop the State Life Insurance Fund from selling any new policies. Obviously, the Life Insurance Industry does not like this competition. The lucrative, unconscionable profits earned in the life insurance industry stand out like a "sore thumb" when net cost comparisons are made with the State Life Insurance Fund. The Life Insurance Industry wants to put this "sore thumb" out of business.

My wife and I, our children, our relatives and friends have owned State Life Fund Policies

upon my recommendation for many years. All have been gratefully satisfied.

I strongly suggest your readers call or write their State Senators and Representatives asking them to oppose passage of Assembly Bill 588. Tell their Senators and Representatives they are opposed to the Life Insurance Industry trying to eliminate it's competition.

Sincerely,  
Jerome E. Becker

## FES 4th Grade Student Interviews With Beechwood Rest Home Residents Continued

On Tuesday, December 19, Mrs. Radey's fourth grade class from Farmington Elementary School went to visit the Beechwood Rest Home.

The following is the continuation from last week of the interviews of the residents the students wrote.

### INTERVIEW WITH JAMES MARTIN AND FRANK GLUCK

By Adam Hickman

On Tuesday, December 19, 1995, Mrs. Henkel, my group and I went to the Beechwood Rest Home. We went there to visit the residents and talk to them about their lives. Each one of us gave pictures and a card to the people we talked with.

The first person I talked with was James Martin. James is from West Allis, Wisconsin. He has lived at Beechwood Nursing Home for two years. He is doing well but does not like living there. James gets very bored and says he can't do as much there as he could if he was at home. He watches a lot of television and listens to music. He also writes a lot of stories.

James grew up in West Allis. He went to school there and said he was naughty and got into a lot of trouble. He grew fast and very tall. James has six brothers and sisters. He did not say where they are or what they are doing. He also has two grandchildren. They are both boys. James does not get to see them very often. He doesn't see much of his family except on some holidays they take him home. James' favorite food is duck. His favorite music he listens to is classical music. His favorite ani-

mals are dogs and tigers. He loves the fall because of the colorful leaves. James favorite colors are black and blue. He was wearing blue that day.

James and I had fun. He was a nice man. I felt sorry for him because he had to be there. He smiled when I gave him his Christmas card. He liked my pictures.

The next person I talked with was Frank Gluck. He is 80 years old. Frank is from Sheboygan, Wisconsin. He says it's okay living in a nursing home. He's doing fine but had the flu. He does some activities with the other people.

Frank went to school in Random Lake. He got into trouble. He said he was loose and naughty. When he was bigger he was an oil trucker. Frank has two children, one boy and one girl. He also has seven grandchildren. He gets many, many visitors from his family and friends.

Frank loves the spring and summer times of the year. Even though I didn't talk to Frank as much as I wanted to, Frank seemed happy. I was glad to hear he had many visitors and friends.

Going to Beechwood Nursing Home showed me what it is like to get old. Maybe I'll go back some day.

### INTERVIEW WITH SALLY GLUCK

By Kevin Lemke

Mrs. Radey's class, the fourth-graders, went to Beechwood Nursing Home. We had a partner to ask some of the people questions. Justin and I had Frank and Sally Gluck. We were all in

groups. Justin and I were in the last group, number three. Avan came and picked group three up to go. It wasn't long before we got there. We walked in and there were people sitting down.

We were the last group to be escorted to the rooms. When we got there, there were more than two people in the room. Mr. Gluck was sleeping so we interviewed Mrs. Gluck. We asked her to answer the questions about her husband, Frank, also.

Sally and Frank are both 80 years old. They were born in Sheboygan, Wisconsin. They both went to a Catholic school. They have been married for 57 years. They have been living at the Beechwood Nursing Home for about one and a half years.

They went to the nursing home because there home had a little fire. Everything had been scorched and stained. Frank and Sally owned a tavern together for 37 years. Frank was also a truck driver and drove an oil truck sometimes.

They went to Mexico for a vacation once. Sally was feeling fair, but had the flu. They went to the Bahamas for another vacation too.

When they lived in their own home, they had a big garden. They like to can their own food they grew from the garden they grew. They don't play any musical instruments. They like to watch television. They also like football and baseball. Their favorite football team is the GREEN BAY PACKERS.

Their favorite baseball team is the MILWAUKEE BREWERS.

Frank likes books by Tomie de Paola. He enjoyed fishing but can't go anymore because his fingers are sore. He likes chocolate covered peanuts and oranges. His favorite food is brats.

His favorite color is blue. His favorite singer is Bing Crosby. His favorite seasons are summer and spring. Frank can still drive a car even though his side is paralyzed. Frank loves animals. They had a pet dog when they lived in their own home. Frank collects quarters.

Sally had strokes that affected her left arm. She likes to go for car rides and she likes pineapple. Frank and

Sally have two children, a boy and a girl. One is 55 years old and the other one is 42 years old. They have eight grandchildren and five great-grandchildren. They get to see most of their family on the holidays. They get to be taken home on holidays as well. They get a lot of visitors at the nursing home, and Sally got about 30 Christmas cards so far. After our talk with Sally Gluck, we left to go back to school. When we got to school, we packed to go home.

I liked the visit to the Beechwood Nursing Home. It gives you someone to talk to and everyone is friendly to you and no one is mean.

## Holy Trinity 'A' Girls Win Hartford Championship

The Wildcats from Holy Trinity brought home the championship trophy from the 24th Annual St. Kilian Invitational Tournament on Sunday, February 25. The girls used pressure defense and timely shooting to power their way past three larger schools on the way to the title.

The team opened with a match-up versus Erin Elementary on Saturday the 17th. Using a smothering full court press and alternating zone defenses, the girls were able to create numerous turnovers and totally confused the offense from Erin.

The Wildcats jumped out to a 16-4 halftime lead and never looked back. From there the girls coasted to a 26-13 victory and a second round game against Central Middle School from Hartford.

The game against Central was an opportunity for the eighth graders to avenge a defeat in this tournament last season. It was also special to forward Jenny Kraft, who moved to the Kewaskum area from Hartford and knew many of the Central players.

Again full court pressure was the key to the game. The Wildcats' tenacious defense took its toll on the taller Hartford team. On several occasions the hands of the quicker Kewaskum squad became evident, which in turn resulted in Wildcat layups.

Even when Hartford did get off shots, excellent box out position by Holy Trinity's front line players Amber King, Katie Kopecky, Bridget Polzean, and Becky Bohn

### Trees for Tomorrow Northwoods Almanac by Ced Vig

**Porkies Help the Deer** -- Deer and porcupines have one thing in common-hemlock trees. During winter the porcupines feed in the bushy hemlock trees. Because they're sloppy eaters, many of the twigs and needles that the porcupines clip off fall to the ground. Deer relish these fallen goodies. Not so much for the quantity of browse, but for a change in their diet-something green and nutritious-a salad. Deer will travel long distances to feed and rest in the hemlock groves.

limited them to one shot.

The Wildcats held Central to only three first half points in jumping out to a 15-3 lead. The girls kept up the pressure in the second half and Hartford continued to have trouble with the press. The end result was a 31-13 win and a date in the finals.

The final game was played against the Raiders from Richfield. The team found themselves in for a battle this time. Richfield came in to the game well prepared and quickly jumped out to a 6-2 lead in the first quarter.

Playing against a diamond and one zone defense, the girls seemed unsure of themselves. With some instructions from the coaches to where to attack that zone, point guard Amy Piwoni started to penetrate and create havoc. Eventually, the zone started to break down and the offense started to take control.

The halftime score ended at 11-9, Wildcats, and the girls gained more confidence by the minute. The confidence was evident in the second half as the team exploded for 24 second half points, led by the eighth grade tandem of Kraft and Piwoni.

Meanwhile, the defense remained constant in denying open looks at the basket and the rebounders did the job on the boards. The result was a 35-24 victory and the championship trophy.

Tournament scoring for the Wildcats were Piwoni with 31, Kraft with 28, King with 12, Lynn Wiesner with 11, Kopecky with nine, and Bohn with two. All that's left for the girls is the prestigious Padre Serra Tournament made up of all conference champions from the Milwaukee Archdiocese. That will be held during the month of March.

## HT Girls 'B' Team Finishes Perfect

The Holy Trinity Wildcats may have come into the last regular season game last Friday night too overconfident or Lomira CCLT came in with their defense fired up.

Kewaskum had a close contest going with both teams scoring only six points by the half.

By the third period the team seemed to fire up a bit with Jenny Kopecky and Bridget Teofilo combining for seven points to take a 13 to nine lead.

The fourth period was all Kewaskum with Dani Nass and Candi Heberer getting into the scoring act for six and Jenny getting four more. Strong defensive play was seen in the fourth by Roberta Rinzel and Bridget Teofilo.

The final score of the game was Kewaskum 23, Lomira 9. This victory gives Kewaskum a regular season record of 10 wins and no losses for the league championship.

Scoring totals were Jenny Kopecky 15, Dani Nass had four, Bridget Teofilo and Candi Heberer each had two.

## Wildcats 'B' Team Wins Number Nine

The Holy Trinity fifth and sixth grade girls improved their league record to nine wins and no losses when they defeated Eden at Kewaskum recently.

Starters for Kewaskum were Bridget Teofilo, Becky Kober, Breyan Donath, Dani Nass and Jenny Kopecky.

Kewaskum having a slow start, found themselves behind after the first period, three to four, but turned it around by halftime, with a nine to two scoring run which included a three-pointer by Roberta Rinzel to take a 12 to six lead.

Eden was able to pick up the pace with the Wildcats for the remain-

der of the game but fell short and the Kewaskum girls won with a final score of 23-16.

Kewaskum's scoring was led by Jenny Kopecky with eight points, Roberta Rinzel with seven, Bridget Teofilo with six and Dani Nass with two.

## KMS Defeats Holy Trinity

By Perry Koth

Two local basketball teams played each other last week as the eighth grade boys from the Middle School took on the seventh and eighth grade team from Holy Trinity School.

The bleachers were full as both teams are having outstanding seasons and the anticipation from both squads was high. Many of the players know each other and are good friends which added to the intensity of the game.

The first quarter saw Holy Trinity's half court trap cause several turnovers but it also gave up some easy baskets when the Indians did break the press. The score at the end of the first quarter was KMS 16, HT 9.

The second quarter belonged to the reserves as both coaches cleared

their benches. The Wildcats outscored the Indians 15-10 to cut the lead to 26-24. Jason Gruber led the second quarter scorers with six points as both teams played with a lot of intensity.

The third quarter saw the return of the starters to the lineup and the KMS pressure defense was too much for the Wildcats as the Indians outscored Holy Trinity 23-6.

Tim Bonlender was pretty much unstoppable in the quarter as he led the Indians with eight points on 4 of 4 shooting while Curt Koth chipped in with six. Jason Strobel accounted for all of Holy Trinity's third quarter points with six.

KMS had built a 49-30 lead at the end of the third quarter and the game was pretty much decided at that point. Both teams used the bench freely in the fourth quarter which saw Holy Trinity outscore KMS 13-10 for a final score of

KMS 59 to HT 45.

Jason Strobel played very well for the Wildcats as he had a game high 15 points while Mitch Strobel chipped in with 12. Other scorers for Holy Trinity were Jason Gruber with eight, Jesse Boegel with four, Chris Bodden with two, and Tim Branta with four.

KMS was led in scoring by Curt Koth with 12, while twin brother Chris Koth and Tim Bonlender each chipped in with 10 apiece. Other scorers for KMS were Brian Prost with five, Bill Cook with six, David Lettow with six, Adam Beck with six, Ryan Koefler with two and Keith Heberer with two.

With the players from these two teams combining next year to form the freshmen team at the high school, most of the people at the game would have to agree the outlook for next year looks pretty good as both teams played very good basketball.

## Indians Soundly Defeat Sheboygan Falls, 79-63

By Perry Koth

After playing 18 games and having only one win, you would expect that winning two in a row was not very likely, but that's what happened as the Kewaskum boys basketball team won their last two regular season games last week to finish the regular season at 3-17.

After turning in a strong performance in defeating Cedar Grove last Tuesday, the Indians traveled to Sheboygan Falls on Friday for their last conference game. Kewaskum once again put together a strong first quarter offensively, only this time, they also did it defensively, as they took an early first quarter lead at 15-7, which included three three-pointers.

In the second quarter, with their confidence growing, they played even better, outscoring the Falcons, 19-9, enroute to an 18 point half-time lead (34-16).

Five players scored for the Indians in the second quarter, but it was the defense that made the difference, as the Indians held Sheboygan Falls to just 16 first half points.

In the third quarter, both teams played even, scoring 18 points each for a 52-34 score. In the fourth quarter, the Indians scored 27 points on only two baskets, as they went to the free throw line 30 times, converting on 23 of them.

Dan Jeserig (8 for 8) and Ryan Martin (6 for 6) converted a perfect 14 of 14 free throws down the stretch to preserve the victory. Kewaskum made 29 of 38 free throws (76%) for the game.

Coach Shaw was very pleased once again with Kevin Dobke for his great effort during the seniors final regular season game. For the second game in a row, Dan Jeserig scored more than 25 points (29 last Tuesday vs. Cedar Grove) scoring a game high 26 points while Kevin Martin and Jeb Jungwirth added 15 and 13 respectively.

Tonight (Thursday) Kewaskum will host the semi-final regional game of the state playoffs and will be playing the winner of the Campbellsport-Waupun game which was held Tuesday.

### Trees for Tomorrow Northwoods Almanac by Ced Vig

**Horned Owls are Vocal** -- Today I skied through a patch of conifers. Heard the owls hooting during the middle of the afternoon-hoots that were deep, soft and resonant. Although soft, hoots have great carrying power. Owls will respond to imitations of their calls by humans. Eggs are laid in mid-February. The two or three eggs are roundish and white. Seldom do owls build their own nests. They

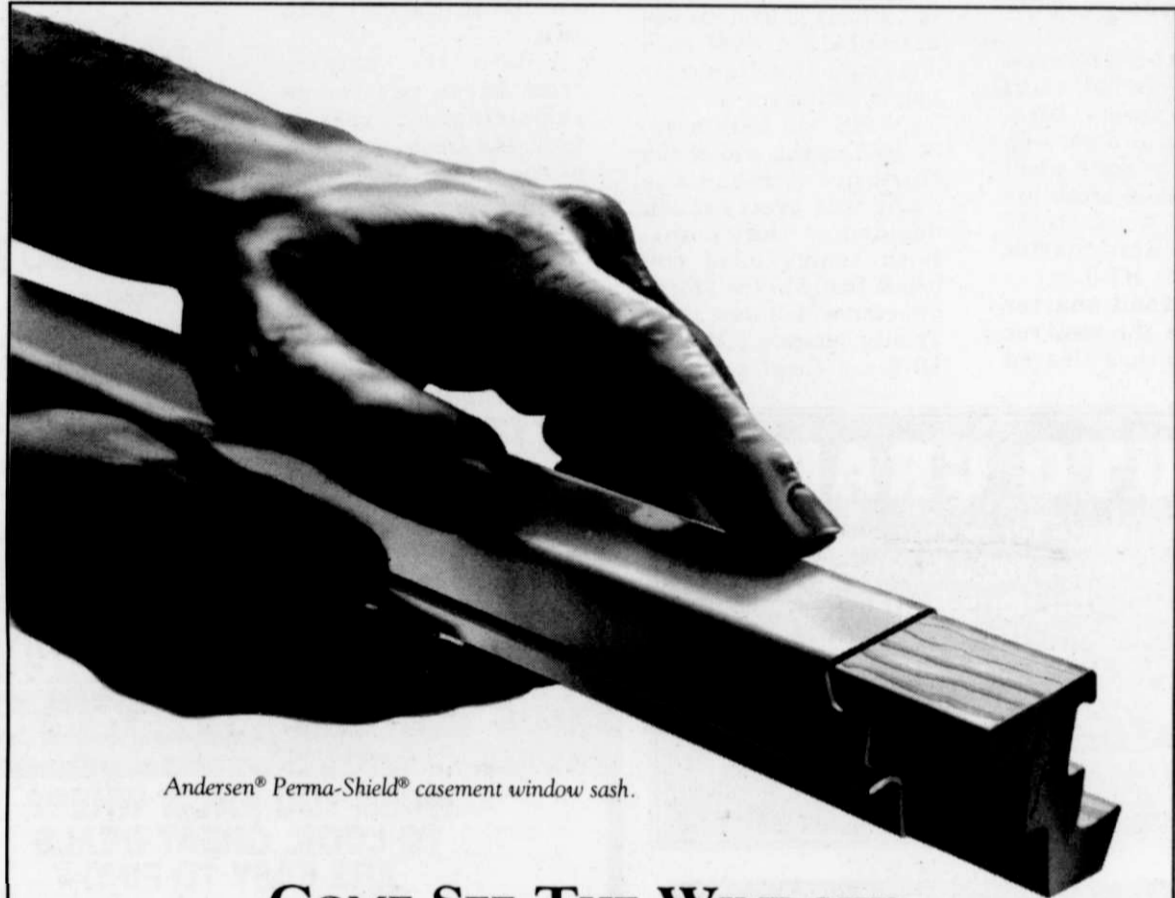

prefer the abandoned nests of red-tailed hawks.

Owls are messy eaters, frequently swallowing their prey in its entirety or tearing it into large chunks before gulping it down-fur, bones and feathers and flesh. Since much of this roughage cannot pass through the digestive system, eight hours after eating, the owls regurgitate pellets of the indigestible materials. Many times the pellets resemble discarded cigar butts. Pellets are found under the trees where the owls roost and nest.
