Village Board OK's Purchase of Sentry Lot

By Lana Harbeck Kuehl

In a surprise move near the end of Monday evening's agenda, the Kewaskum Village Board members brought up for discussion their intention to sell the Central Village Complex (former West Bend Savings Bank building).

The asking price will be \$200,000 on the property the village purchased for \$100,000 which is now assessed at

ehl \$199,000.

In turn, the board also announced their plan to purchase the former Sentry store building and property at 140 Main Street at a cost of \$200,000.

In opening comments, President Robert Wagner stated, "Some of the board members that have been on the board for quite awhile, know that we had our sights set on this piece of land for quite awhile. It will

revitalize downtown area a little bit by adding municipal parking area to help out the businesses in town. As we all know, for years we've been losing alot of parking in town. This is something the village feels real strongly about. I'm quite excited about it and happy to see that it's coming about. I think it really shows that the village board is concerned about keeping downtown Kewaskum alive.

Trustee Gavin added that the acquisition is, "also being looked at a possible future site for the library."

Week's Wit

Money talks, but a credit card uses sign lan-

guage.

Trustee Goeden asked, "The direction that the Village Board wants to go in is basically purchase that parcel, tear the building down for now and put a parking lot there. Long and short of it, turn around, sell the Savings and Loan Building for the same amount and have a bigger parcel of property for better parking. We're looking to sell the Savings and Loan Building for a minimal over assessed value."

A d m i n i s t r a t o r Schmidt explained, "The whole property, the two lots and building, are assessed at roughly \$199,000, and what we'd be doing is retaining ownership of the single lot."

Trustee Gavin added, "Originally, the village bought the CVC building for \$100,000. It was their intent to create parking or at least lock up an area for parking downtown, future library or whatever it might be. At the time the Sentry building wasn't for sale. Since that period of time, the cost of fixing up the CVC building is gotten to be alot more money than the village had originally anticipated. So by selling it for \$200,000 you're still looking at a \$100,000 gain. And it was never the intent of the village to buy that building and try to make money off of it. The intent was to have the building there, to have parking, secondly, to keep it to have businesses in there, a future library in there, whatever. The opportunity was there for the village to buy it. That's why it was (Continued on Page 6)

in River Hill Park at 1:00 p.m. on Saturday, April 6.

All area children are invited to participate in this annual scramble for colored eggs. This year as in the past, Mr. and Mrs. Easter Bunny will stop by to visit with the kid-

Groundbreaking Held for New Expansion

Groundbreaking ceremonies were held Tuesday afternoon at the site of the expansion of Kewaskum Frozen Foods on Forest Avenue.

The 2,500 square foot

northwest of the existing building will house a cooler and freezer and a work-storage area.

The addition is needed to accommodate Kewaskum Frozen Food's growment. Owner Bob Beisbier has stated, weren't really equipped for that when the place was built." According to Beisbier, the new expansion will ease the whole flow of the work an 'ea 101 his 40 employees. Shown above assisting Bob in the groundbreaking are, left to right, Tony Holschbach of Horizon Construction, Inc. of Campbellsport; Dave Runge of Runge Excavating of Campbellsport; **Kewaskum Frozen Foods** Owner Bob Beisbier; Kewaskum Village President Robert Wagner; Village Administrator Dan Schmidt; Kewaskum

Daylight Savings to Begin!

Easter Egg Hunt Saturday

The Kewaskum American Legion, Robert G. Romaine Post 384, and the Women's Auxiliary will hold its annual Easter Egg Hunt for Children dies, courtesy of the Kewaskum Junior Women's Club.

Children age five and under will "hunt" eggs on the west side of the river and those age six and over will do their hunting on the east side of the river. The limit is six eggs per basket.

In case of inclement weather, Legion members and Mr. and Mrs. Bunny will be on hand at both places to hand out eggs and candy to the kiddies.

Boltonville Fire Department Expanding Headquarters

The Boltonville Fire Department is welcoming their new \$400,000 expansion, which is scheduled for completion in time for including space for a future Aerial truck.

By Sharon Callaway Roznik

Residents of Boltonville have recently been witnessing the biggest construction project in the history of their community, with the expansion of the Boltonville Fire Department, and it's 7,500 square foot addition.

The project was begun last October on the 41 year old building that's been home to Boltonville's all volunteer fire department since 1955. The original firefighters organized their forces in 1917, to serve the emergency needs of residents in and around the area, and their faithful service throughout the decades has not gone unnoticed.

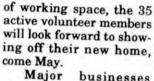

Presently, citizens of the town have donated \$9,000 toward the \$400,000 expansion and remodeling project, which will comply with the needs of the community and the fire department for the next 40 years. "The fire department was running very short on space," points out Rick Wischnefski, project manager from Wiscontech. In fact, two out of the department's six fire trucks were being stored in the town hall for lack of space.

54 foot, two story concrete addition, with space upstairs for four fire trucks. Bay space has also been put in to hold an aerial truck in the future, so seven overhead doors now stand in line across the front of the building.

The upper level holds a unisex bathroom, maintenance room, drench shower, and SCBA room for filling air tanks. All the new construction has been designed to adhere to ADA requirements, making it handicapped accessible

The lower level contains larger meeting rooms, bathrooms, and a training area for fire department volunteers. Boltonville hopes to host the Badger State Firemens Association's annual meetings, now that they have the facilities for this type of event, which would draw hundreds of people into the area

Completion of the project is expected in time for the Boltonville Fire Department's annual Rain Days picnic, held Memorial Day weekend. With 12,000 square feet

businesses working on the project headed by Wiscontech included Borland Builders, Jim Berres - HVAC contractor, Bilt Rite Masonry and Dwayne Moser Plumbing.

Holiday Hours For Municipal Building

The Municipal Building will be closed April 5, 1996 in observance of the Good Friday holiday. Regular hours will resume on Monday, April 8, 1996.

Have a blessed Easter Holiday.

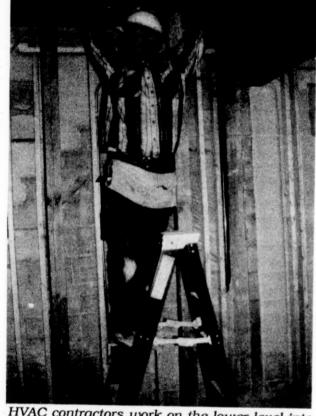

County Offices to Close Good Friday

The Washington County offices will close at 12 noon on Friday, April 5 for the Good Friday holiday.

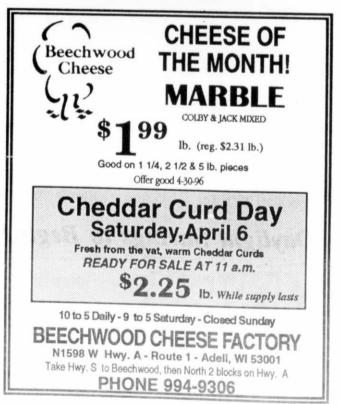

The offices will be open for business as usual at 8 a.m. on Monday morning, April 8.

Four additional bays create room to house seven fire trucks,

HVAC contractors work on the lower level interior of the fire house in Boltonville.

The fire department purchased land next door to the building to put up the addition, and burned down an old bar located on the land as part of a practice session. In the future, they hope to be able to obtain more property across the street from the fire department, to add more parking space.

Approximately 75% of the project is completed, and includes the 70 x

WES Students Visit Maple Dale

A special class from Wayne Elementary School has made some "old friends." They began writing monthly letters to residents of Maple Dale Manor a few years ago, and are continuing to enjoy and learn from their "pen pal" experiences.

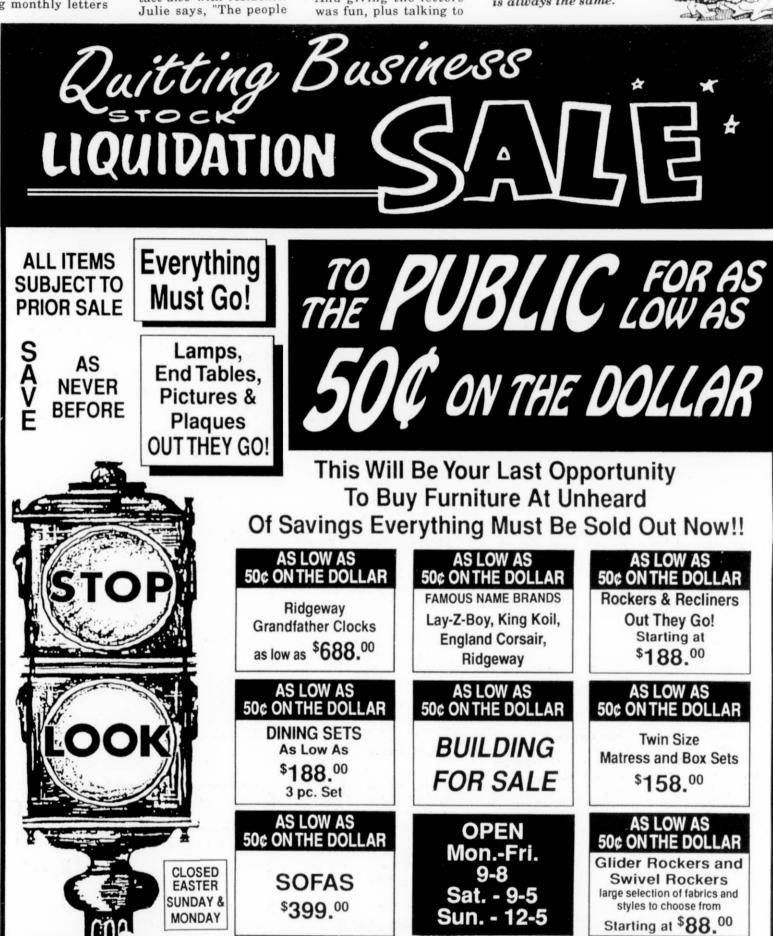

Some of the students have made personal contact also with residents. Julie says, "The people are nice. Rose gave us advice about paying attention in school. We met a little, talkative and cute 104 year old lady."

KEWASKUM STATESMAN

Tricia says, "We met a cute little puppy who belongs to my pen pal. And giving the letters was fun, plus talking to the people, because I think it cheered some of them up!"

There are many paths to the top of the mountain, but the view is always the same.

Village Board Gives OK to Cable Franchise Agreement

By Lana Harbeck Kuehl

Al Abramson, University of Wisconsin, Madison, and Bob Guell of Marcus Cable were present at Monday evening's Village Board meeting to discuss the proposed cable ordinance and an agreement for the franchise renewal. Gerald Kiefer, attorney for the village, was also in attendance.

Mr. Abramson proceeded to explain the terms for renewal for the cable franchise for Kewaskum. He stated because the village was looking for an upgraded system, a 12 year franchise was in his opinion, more or less in order to enable Marcus an adequate amount of time to recoup their money. However, it would be possible to renegotiate at any time. According to Abramson, "As long as you're doing something that Marcus agrees with, you have full authority to go back and revisit this.

Abramson explained the language in the existing ordinance has been updated, saying one of the biggest changes was in customer service standards. He stated, "These are set up to be, quite frankly, stricter than the standards set up by the state and federal government, but we think it's important that subscribers be well protected."

The village had previously been receiving a 3% franchise fee, but Abramson recommended a 5% fee, which is the maximum franchise fee allowed by federal law.

Bob Guell of Marcus Cable addressed the board, stating, "We have some very big things planned for Kewaskum.

KEWASKUM STATESMAN 250 Main St., P.O. Box 98 Kewaskum, WI 53040 Phone 414-626-2626 WEEKLY NEWSPAPER Volume 100 Number 17 April 4, 1996 It comes at a good time for us to get this contract signed. This year we want to have the improved cable system here in Kewaskum. Fiber optics will be coming here to serve the village."

Guell further explained Marcus will also be offering pay per view which should be up and running this year, additional channels, and multi-plexing on HBO and Showtime.

Village Attorney Gerald Kiefer was asked his opinion of the new franchise agreement and he stated, "There's some good upgrades in it from the last time, especially in customer service. It's a good ordinance from the village's standpoint."

The board then voted four to two in favor of the Resolution implementing the agreement between the Village and Marcus Cable, with Trustee Goeden and Trustee Borland voting no.

In other matters brought before the board, Assistant Fire Chief Mark Herriges announced that the contract has been signed for the new tanker and delivery can be expected in 180 working days.

Director of Public Works Jerry Gilles reminded the board that the Spring Clean Up Day has been scheduled for Saturday, April 20.

Administrator Daniel Schmidt stated the date for the Assessor's Open Book has been scheduled for Tuesday, April 16, from 10 a.m. to noon and again from 1 to 3:30 p.m. The Board of Review will be held on Monday, May 13, from 12:30 to 4:30.

Trustee Gavin suggested extended hours to accommodate people who were working during the day. Administrator Schmidt stated he would talk to the assessor and get back to the board on scheduling late afternoon/early evening hours.

Parks and Recreation Chairman Gary Gavin was given authorization to purchase the fencing in Kiwanis Park for the Kewaskum Athletic Association hardball diamond and fencing for the Little League, T-ball, rubberball area.

Discussion was held regarding the request of the Village to upgrade the Main Street Railroad Crossing signals, install signals on Old Fond du Lac Road and to upgrade the Second Street crossing.

A d m i n i s t r a t o r Schmidt reported there was a meeting set up with the Commissioner of Railroads scheduled for May 9. It is Schmidt's opinion, in talking to the Railroad Commissioner's office, that chances on having an upgrade on Main Street are likely, but Old Fond du Lac Road doesn't sound real promising. In reference to the Second Street crossing, it looks like something may be accomplished by the end of this summer.

It was also announced that the meeting date set for May 6, has been rescheduled for April 29, at 7 p.m. to allow for painting and other minor renovations in the Municipal Building.

Deadline Approaching For Ordering Fireworks

All residents were genuinely impressed with the skyburst explosion our village displayed at the Centennial and the Fourth of July holiday fireworks last year.

But therein, lies a problem. We, as a captive audience, want MORE-MORE-MORE! We have now been spoiled by the excitement of last year's fireworks and are naturally looking forward to a bigger and better aerial fantasy this year.

Therein is where the problem lies. As adults, we have come to the realization that bigger and better ALWAYS goes hand in hand with "additional expense."

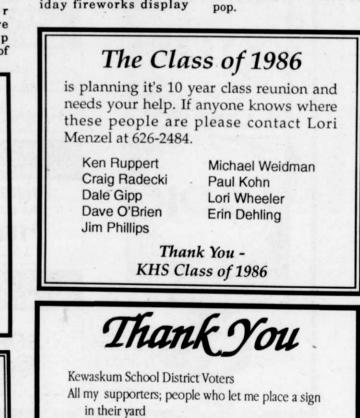

The question is, are we, as adults, willing to contribute a few extra dollars to insure this holiday fireworks display will again be memorable for young and old alike?

Anyone who even vaguely recalls last year's breathtaking fireworks finale has got to WANT to kick in a few dollars (or more) to witness a repeat performance this year.

If you would like to contribute, please fill out the coupon on page 8 and mail it along with your contribution to: Fireworks, P.O. Box 98, Kewaskum, WI 53040 or drop your donation off at the Statesman or the Village Municipal Building.

All names of contributors will be published in a future edition of this newspaper and we all will be extremely grateful on July 3 at dark when the fireworks start to pop.

Kewaskum FFA to Host Annual Rabies Clinic

It's that time of year again when your loving pets need to be vaccinated against rabies. The Kewaskum FFA is concerned for pets and pet owners. They are hosting their annual Rabies Clinic in the agriculture room at the high school on April 17, 1996. Vaccinations will begin at 6:00 p.m. and continue until 8:00 p.m. They will be administered at a reduced price of \$10.00 per animal. Proceeds are going to a scholarship fund for the FFA students.

Administering the vaccinations will be Dr. Charles and Dr. Greg Ogi. They enjoy keeping man's best friend happy

Letter to The Editor

March 30, 1996

LETTER TO THE EDITOR,

I would like to thank all those voters who supported my candidacy for school board. The good will extended to me throughout the campaign was much appreciated.

I would also like to congratulate all candidates for being willing to offer their time and talents for the service of their community. Although this was an admittedly contentious race, I believe there were at least a few common threads. All candidates wanted the best for the children of our district. All candidates were willing to participate in sometimes difficult forums. And again all candidates were willing to sacrifice a good deal of their free time to offer their services.

Now it's time to put that part behind us and move forward. There are a number of exciting programs already in process; including the JET Committee, which is studying our technology needs; K-5 Feasibility Group, which is studying options for dealing with student population growth; and the upcoming Strategic Planning Committee, which will be planning for our future. All of these groups include board members, school staff, and members of the public. This type of community involvement is a positive step. Hopefully we can use this positive development to build a strong team effort to improve all aspects of our school district.

and healthy.

Rabies is a virus which is passed through saliva of animals. The first sign is a loss of appetite and behavior change. The second sign is known as the paralytic form, where paralyzation becomes very irrational and viciously aggressive. Dogs rarely live more than ten days after the first sign.

Knowing these signs, its a good idea to have all pets vaccinated against Rabies. If you are unsure about your animals health contact your local veterinary clinic.

Cong. Sensenbrenner to Hold Office Hours Here

BROOKFIELD --Ninth District Congressman Jim Sensenbrenner will hold a series of open office hours in Kewaskum, Howards Grove, Kohler, Oostburg, Adell, Random Lake, Cedar Grove, Belgium, Fredonia, Saukville, and Mequon on Thursday, April 11.

At these nine locations, Congressman Sensenbrenner will be available to meet with residents on an individual basis to discuss problems with federal agencies, to hear the views to residents on issues of concern and to receive requests for information or copies of government publications.

The schedule is as follows listing starting times: Howards Grove at 8:30 a.m.; Kohler Village Hall at 9:15 a.m.; Oostburg State Bank at 10 a.m.; Cedar Grove Library at 10:45 a.m.; Adell Senior Center at 11:30 a.m.; Random Lake Library at 12:45 p.m.; Kewaskum Village Hall at 1:30 p.m.; Theresa Village Hall at 2:15 p.m. and Kekoskee Village Hall at 3 p.m.

The public is invited and Sensenbrenner encourages area residents to attend. No appointments are necessary, and everyone will be seen on a first come, first served basis as time permits.

Sentry Lot

(Continued from Page 1)

purchased. The reason it is being sold right now, the village is about to acquire the land next door, which was what the initial goal was to begin with, to have parking downtown and also to create a future site for the public library, as this library is too small. You have the site, it might be five years, it might be 20 years, but you have the parking. To say we're giving the building away, you don't know if \$200,000 is too much or too low. You won't know that until you find buyers. The market will prove what the building is worth.

Goeden was visibly upset by the fact the village was willing to pay \$200,000 for a property assessed at \$145,000, and in turn, was selling a property assessed at \$199,000 for \$200,000.

President Wagner asked Goeden what his solution was, stating What are we supposed to do with that building?"

Goeden replied, "Sell it. For another 5 or 10% above the assessed value.'

Gavin and Schmidt told Goeden that commercial assessment in the village went down considerably.

Schmidt reiterated, "If you follow what properties are selling for, it's based on supply and demand. If somebody is interested in a property because of the location, and so forth, you're going to pay premium dollars

for that property in comparison to what its assessed."

Gavin added, "If somebody else bought the old Sentry property, there's nothing to stop them from putting a fence up and they don't have to allow any parking in there. If you don't buy it when its available... five years from now... when somebody else owns it, we'll be out kicking ourselves saying we wish we would have bought that property and now that guy's got a Century fence there. We can't park there. Then what do you do?

Goeden replied, "You cross that bridge when you get there.'

President Wagner stated, "We're looking ahead down the road, for the welfare of the downtown area.'

Gavin repeated, "If there's no parking downtown, how long do you think those businesses are going to stay in business?

Goeden said, "I couldn't tell you." To which Gavin replied, "Not very long, I'll tell you that.'

Following more discussion, President Wagner asked for a motion to go ahead with the purchase of the property at 140 Main Street, which was made by Trustee John Borland and seconded by Trustee Stoltzmann. The board voted in favor of the acquisition, five to one, with David Goeden voting no.

Discussion was also held in regards to financing the property acquisition and the purchase of the fire department's new tanker. Administrator Schmidt stated if the village would go through the State Trust Fund for the financing package, the interest rate would be 5-3/4% with prepayment penalties and substantial limitations.

Schmidt stated, "We looked at other vendors, one being Bank Wisconsin, our local bank. They were able to match the interest rate at 5-3/4%. It's a very good loan. They were good to work with. It's the same interest rate and no prepayment penalties. They were just tremendous in putting this together.

The board voted five to one in favor of the Bank Wisconsin financing package with David Goeden casting the negative vote.

Following the meeting, President Robert Wagner stated, "In the long run, we're saving the taxpayers money. We bought the CVC cheaper than market value. If we sell it for around \$200,000, that money will be used to offset the purchase of the Sentry lot. That was part of our intention when we started this whole land deal." Wagner added, "We're also looking towards the future. Eventually, we realize we will outgrow ourselves and will need property in close proximity to the Municipal Building for expansion purposes. Until that time we will be helping alleviate the parking bottleneck downtown.

Kathi Jo Wondra, 17, of Campbellsport, is pictured above with her brand new Geo Metro, she won March 12 through an employee incentive and recognition program at her place of employment. Kathy works for the McDonald's in Lomira, which is one of eleven owned by Valley Management Restaurants. Wondra's name was drawn from a pool of more than 500 employees eligible to win the car.

Installation of Gas a Possibility For Portion of the Town of Scott

By Bernadette Mondloch

The Town of Scott has entered into an agreement with the Wisconsin Gas Company to allow installation of gas facilities in a portion of the town providing the Public Service Commission agrees. If approval is obtained, possibly by December of 1996, the project should be ready for construction in the Spring of 1997.

Where will the service be available? From Adell along County A to Cherry Hill Road, on to Upland Springs Floral at the intersection of Cherry Hill and Trout Spring Road and from Cherry Hill Road at Highway 28, south through Batavia, west on County A, then north to County SS. It will also extend on a short portion of County S both east and west of Beechwood.

A gas company representative explained that approximately 17 residents per mile are required to consider instalCooley's Inc. of West Bend, who will be equipping it with snow blade, wing, salt spreader and all necessary winter equipment costing \$24,423 from Olson Tractor and Body, Green Bay.

All contracts were awarded at the march meeting of the Scott Town Board. Although Cooley's bid was not the lowest one submitted, the trade in for the old truck was higher bringing the overall cost lower than if they had accepted the low truck bid price. The committee felt it important to look at the total picture instead of each unit individually.

Action was taken to agree to a name change for the Random Lake Community Library to Lakeview Library. The Village of Adell and the Town of Sherman passed similar resolutions at the February meetings. Random Lake was expected to do so on March 18.

A conditional use perit was approved for Schober was appointed to fill the unexpired term of Betty Mileager who recently resigned. Her term expires in June of 1998.

Volunteers who have been assisting in manning the recycling center will be treated to a Brat Fry on Saturday, May 18, from 2 to 6 p.m.

Board of Review members were selected. They are Lester Benzschawel, Clarence Janz, Marie Edeler and Lynes Fellenz. The Board of Review is scheduled for May 23 at 6 p.m. with Open Book preceding it on April 9 from 1 to 4 p.m., all at the town hall.

Johnson Bus Co. Awarded 3-Year Contract at Fond du Lac

The Fond du Lac Board of Education has approved a three-year transportation contract with Johnson Bus Co. that is worth about \$1 million per year.

Although the administrators said the bidding procedure was routine and not a reflection of complaints against Nicholas Bus Co., board member Craig Castle expressed disenchantment with that carrier:

The district issued request for proposals (RFPs) to nine busing companies. Three responded.

George Anderson, the director of business services, said the district sends out RFPs routinely.

Nichols Bus of Fond du Lac has provided the district with bus service since 1988. Johnson was the carrier prior to Nichols.

"Johnson is a very strong company," Anderson said. "Johnson ranked the highest overall on our criteria."

The busing companies responded to questions about costs, safety, equipment, facilities, safety, training programs, expe-

rience and references.

Administrators scored the companies in each category and added up the figures. Out of a possible total of 100 points, Johnson received 92, Lamers 80 and Nichols 67.

Announces Candidacy

Kristine M. Deiss announced recently that she would seek the position of Clerk of Circuit Court for Washington County.

Ms. Deiss is a graduate of the University of Wisconsin-Oshkosh and has been employed with Washington County for 15 years. She has served as Senior Court Assistant in the Clerk of Courts office for nine years clerking for the Hon. J. Tom Merriam and the Hon. Richard T. Becker. In 1989 she was appointed by the four judges of Washington County to the position she presently holds as Register in Probate and Clerk of Juvenile Court.

Ms. Deiss currently serves as president of the Wisconsin Register in Probate Association and the Wisconsin Juvenile Court Clerks Association. In 1992 she was appointed to the Wisconsin Court Records Management Committee for the Director of State Courts office.

Ms. Deiss feels her years of experience in the court system and her working knowledge as a department head in the Probate and Juvenile Court office fully qualifies her for the position of Clerk of Circuit Court for Washington County.

lation.

Trustee Richard Bemis, thinking about the longetivity of the gas supply asked, "Once the gas runs out, what will you put in the pot?" He did not receive an answer, only a quick smile.

Come next winter, the Town of Scott Highway Department will be driving a new truck and snow plow. A \$43,834 International Harvetor is being purchased from Ann Scott to operate a small craft shop in her residence on Crooked Lake Drive.

Ron Rezell was appointed to a three year term on the Appeals Board and Terry Weber will replace Floyd Klug. Both terms will expire in 1999. Glyndon Soehner, Gerhard Held, Jean Linton and Marshall Reysen make up the remainder of the board. Elizabeth "Betty"

Senior Kevin Dobke, son of Roger and Suzanne Dobke, is the first Student of the Month for January. Currently he is taking, business education seminar, organic chemistry, senior phy. ed., college prep literature, pre-calculus, and great issues in American history. Kevin's extracurricular activities include four years in basketball (JV Co-captain-1 year. Varsity Co-captain-1 year) and two years in football and Who's Who Among American High

Carrie Krell

School Students. He has advanced placement also spent one year in Future Business Leaders of America (treasurer), National Honor Society and represented KHS at Badger Boys State. Outside of school, Mr. Dobke has been a volunteer with the Junior Indians basketball program for 4th, 5th and 6th grade boys. The second January

Student of the Month is senior Carrie Krell, daughter of Ron and Mary Krell. Her classes include college physics, English, advanced placement United States history, inorganic chemistry, concert choir, German 5, and calculus. Outside of class, Carrie has been active for four years in German Club, solo & ensemble, Future Homemakers of America, and FLAGS (treasurer & photographer-1 year each). For three years she has been in forensics and the school musical. Ms. Krell has also been in the National Honor Society for two years.

COMMUNITY CALENDAR - APRIL -

6 -- TURKEY PATTERNING CLINIC from 10 a.m. to 2 p.m. at the West Bend - Barton Sportsman's Clubgrounds located north of West Bend on Trapshoot Lane. Sponsored by Gateway Gobblers and the West Bend - Barton Sportsman's Club.

16 -- ARC of Washington County - West Bend - Meeting with ICE CREAM SOCIAL- 7 p.m. at the Threshold, 600 Rolfs Road (Hwy. 33 E), West Bend. Meetings are held on the 3rd Tues. of the month. Call Cindy Weigelt, president 334-0369 if you have any questions.

17 -- KEWASKUM AREA CHAMBER OF COMMERCE monthly meeting at 7 p.m. in the Community Room. Anyone interested in the promotion of Kewaskum and the Kettle Moraine area is invited to become involved. 3-28-3t

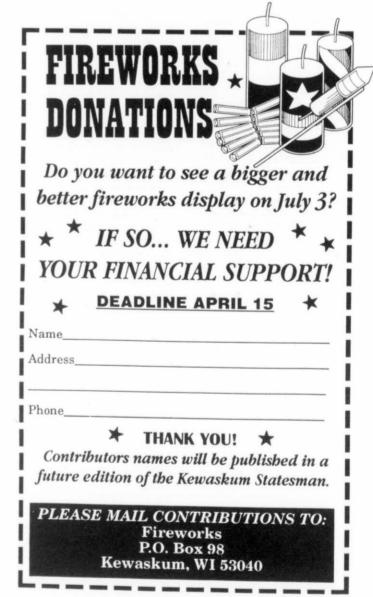

17 -- KETTLE KOUNTRY KOLORS organizational work session at 8 p.m. in the Community Room. Organizations involved or wishing to become involved are encouraged to send a representative. ANYONE interested in helping with Kewaskum's annual family fun festival in any way, is more than welcome to join us. You do not have to be a Chamber member. WE NEED YOUR HELP! 3-28-2p

There is a 3.00 (pre-paid) charge for publishing your event up to three times in the Community Calendar column.

Hares are often mistaken for rabbits, but they are larger and have longer legs and ears.

RIF Program at Holy Trinity

Emily Dickenson impersonated by Kathryn Buss - from Midwest Children's Theatre in Racine, was the guest speaker at Holy Trinity's Rif program on Feb. 14th. She acquainted the students with Dickenson's life and poems during her presentation, then spent the remainder of the day visiting the classrooms, attempting to give students a friendly approach toward writing poetry.

Certificates and awards were presented to students who participated in READ FOR PLEA-SURE - READ FOR RIF which took place Jan. 29 - Feb. 12. Participants were: Gr. 1 - Emily Boden, Karissa Dums, Kowalczyk, Allison Lindsay Krautkramer Katie Schoofs, Rachel Tuszynski, Elisa Schoofs. Gr. 2 - Amanda Bunkelman, Brian Herriges, Katelyn Korth, Chad Piwoni, Kyle Rieden, Bryan Sable*, Call Kewaskum Statesman for your **Advertising Needs** V. 626-2626

Peter Marx.

A total of 223 hours were read by these students. (* indicates the student reading the most hours in each grade).

Amanda Bunkelman is Holy Trinity's RIF Reader selected at random from all participants. Her form was sent to RIF headquarters to participate in the national drawing.

The program was ended on the usual happy note- each student chose a free book to call their own and enjoyed a snack prepared by our RIF volunteers.

Ben Schickert, Ashley Cochran. David Timmers, Jeff Thull Lora Christie, Matt Rinzel.

Gr. 3 - Rachel Dums, Amanda Herriges, Noah Schoofs*, Jason Tuszynski, Todd Warnecke, Katie Uelmen, Alex Herriges, Andrea Theisen, Michael Neumann.

Gr. 4 Rebecca Herriges*. Katie Kowalczyk, Margaret Reindl, Kevin Schickert, Samantha Schoofs. Joseph Fay. Gr. 5 - Lisa Boden*,

Keith Boegel. Gr. 6 - Scott Herman*,

Harmony in the Arts

Huge solar system displays made by fifth graders attract attention at Harmony in the Arts.

P.J. Peterson, left, (standing) from Farmington Elementary and his family look at kindergarten big books.

As part of a celebration of Youth Art Month, "Harmony in the Arts," a display of elementary classroom creativity and performance demonstrations, was presented on Monday, March 25, in the cafeteria and Rose Hall at Kewaskum High School.

The cafeteria was filled with examples of how teachers incorporate art with academics. Kewaskum, Wayne and Farmington Schools participated in a choir under the direction of Gary Gerhartz and the Farmington Odyssey of the Mind team presented "The Tall Tales of John Jivery," a presentation that awarded them the "Outstanding OMer" award at regional competition.

"Harmony in the Arts," was presented by Gifted and Talented Education with the help of 25 teachers who volunteered to participate. It was a well attended event and a very creative way to celebrate the arts!

Kettle Moraine Kids 4-H Club

The March 15 meeting was called to order by President Jackie Briggs.

The Pledge of Allegiance was led by Stephanie Briggs and the 4-H Pledge was led by David Mertz.

The secretary's report was given by Holly Haack. David Mertz gave the treasurer's report. Dues are due by the end of March. If you haven't paid yet, send \$2.50 to David Mertz, 705 Pleasantwood Dr., Kewaskum. Our club received \$92.48 from Pick and Save for saving receipts. Thanks to Mrs. Haack for doing the work.

Kyra Meyer reported on the play, "The Cross Princess," presented at the Cedar Lake Theatre on February 24 and March 10. Those performing in the play were Stephanie Briggs, Aileen and Jacqueline Chambers, David Cibulka, David Mertz, Holly Haack, Kyra Meyer, Emily and Linda Theine. A big thank you to Mrs. Mary Mertz for all the time and effot she put into organizing the play.

Those taking part in the music festival performing these same days were Sandra Schaefer, Aileen and Jacqueline Chambers. A thank you to Anne Mertz for helping on the piano.

Remember to call Mrs. Stoffel at 626-4577 if you can't come to the meeting.

Feed the Elderly program was scheduled for Friday, March 16 at 4 p.m. We will present the play, have a potluck supper and play bingo.

The 4-H Bowl-A-Thon is scheduled for Sunday, March 24 at 2:30 p.m. at the Lighthouse Lanes. Bring your pledge sheets along. Nick Bailey reported on the 4-H lock-in on April 19 and 20 at St. John's School in Newburg. We will have basketball and volleyball tournaments. We can make crafts and movies will be shown. There will be food, and all this is for only \$1.00. Sign up at the next meeting and your friend's name.

Aileen Chambers, along with Kyra Meyer and Jacqueline Chambers will be planning a Springtime Celebration. More on this will be at our next meeting on April 11 at 7 p.m. at the Kewaskum Town Hall. David Cibulka,

Reporter

Retired Educators To Meet April 16

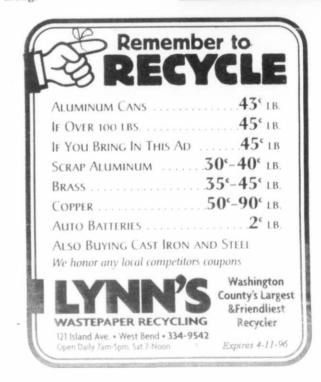

The Washington County Retired Education Association will meet on Tuesday, April 16, 1996 at Hon-E-Kor Golf and Country Club, River View Drive, Kewaskum.

A 9:00 a.m. coffee hour will be followed by a business meeting at 9:30. Patricia C. Roby, assistant professor of English at UWWC will present a program "Indian Myths and Story Telling.

Luncheon will be served at 11:30, cost \$7.50 per person. Reservations are to be sent to June Kranz, 126 S University Dr., West Bend, WI 53095 by Tuesday, April 9.

All retired educators are invited to attend. For further information call 338-3090.

There were science projects to reinforce lessons on the planets and solar systems, rocket and moon bound structures to teach about space travel and exploration, numerous books written and illustrated by children, and Take Home Totes, activity bags that promote and reinforce learning at home and school, to mention a few.

Area Red Cross Nearing End of Campaign

Photo Courtesy of William Stonecipher

During March, the West Bend Chapter of the Red Cross has been conducting a campaign to increase its volunteers and financial contributions. Across the nation, other chapters have also been participating. "Help Can't Wait" has been a statement that points out the mission of the Red Cross in emergency prevention, assistance and preparedness.

The West Bend Chapter serves the larger area, including this com-

Art Museum Closed for Holiday

The West Bend Art Museum will be open from 10 a.m. to 12 noon only on Good Friday, April 5. They will also be closed on Easter Sunday, April 7.

The West Bend Art Museum is located at 300 South 6th Avenue in downtown West Bend. Normal hours are Wednesday through Saturday from 10 a.m. to 4:30 p.m. and Sunday from 1 to 4:30 p.m. There is no admission charge.

munity. In 1995 alone, over 6,000 area individuals received help from the chapter. For more than 80

years, the national Red Cross has provided health and safety services to communities across the nation. Its mission includes emergency prevention and preparedness.

Every year, 300,000 to 400,000 Americans collapse in their homes, in workplaces, or on the streets as a result of cardiac arrest. Every year, over two million Americans are hospital ed because of injuries and

over 142,000 die. Jackie Wicklund, West Bend Chapter's Executive Director, states that the Red Cross promotes knowing what to do in a life-threatening situation so that help can save lives. The chapter provides on-going classes in such areas as CPR, first aid, life-saving and babysitting skills.

In combination with local assistance, the Red Cross also reaches out around the world, often

GENERAL PRACTICE

to military personnel for their families. Members of the armed forces and their families that have had to cope with family emergencies know from personal experience that, "Help Can't Wait."

Nationally, the Red Cross handles some 4,000 emergency messages every day. In the chapter's previous year, 30 area families of military personnel received help from the West Bend Chapter.

To become a volunteer or to provide a financial contribution, the Red Cross office is located at 2410-B S. Main Street, West Bend. The phone number is 334-5687.

Public Hearing Will Determine Fate of PSC Antenna Agreement

By Sharon Callaway Roznik

A public hearing on April 29th will determine whether the Village of Kewaskum allows Sprint Spectrum L.P. to mount a PCS antenna on the village's water tower on Reigle Drive.

J. Michael long and Jim Claus of Sprint, met with members of the village Plan Commission on March 26th, to propose that the village enter into an agreement with their company, to lease space on the water tower and an area of land beneath the tower, for a Personal Communication Services antenna, and electronic communications equipment.

The requested 25 year lease, would be renewable every five years, and bring in an annual income of \$8,000 for the village. "We have not been turned down by a single community yet," Spring Zoning Coordinator Mike Long told members of the Plan Commission.

Since 1995, Sprint has been in the process of acquiring telecommunication sites on rooftops, towers, and municipal water tanks in towns and villages to secure a larger service area for their customers. "Consumers will benefit by more players in the market," Long pointed out. Sprint recently acquired similar sites in Cudahy and Wauwatosa, with others proposed for West Allis, Mukwonago, and Muskego, and locations around West Bend.

The antenna is approximately 4 feet x 6 inches x 4 inches, and would be mounted in a group of three along the cat walk of the water tank. An 8×16 foot piece of land beneath the tower would also be leased by Sprint for the placement of the base transreceiver, and would be fenced in for security purposes.

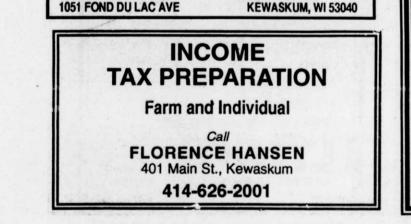

Some of the members expressed concern over health risks as well as any possible interference the PCS antenna may cause with televisions or radios. Village Administrator Dan Schmidt told the Plan Commission that he had contacted other communities that have leased space to Sprint for their cellular phone services, and none of them have indicated any problems occurring.

Long also explained that current research has shown no health risks have been found that were linked to an energy source emitting megaherz as low as 100 watts per sector, and related that he could provide a letter from a physician involved in the research, to back up this information. In comparison, radio stations emit 57,000 watts while broadcasting.

Director of Public Works Jerry Gilles commented that the lease between the village and Sprint should contain a clause that states Sprint is responsible for any extra maintenance costs, although Gilles doesn't foresee any problems, since the base of the water tower will be left clear.

Dan Schmidt indicated that he was checking with village engineers regarding any unforeseen problems they might be concerned about, and it was the consensus of the Plan Commission to send the idea to the board for a public hearing, with neither a favorable or unfavorable recommendation, since none of them had enough information about this nationwide wireless communications network, to make any kind of informed decision at this time.

FATHER NICHOLAS J. FEYEREISEN

Father Nicholas J. Feyereisen, 75, of Kewaskum, died Saturday, March 23, 1996, at St. Joseph's Hospice, Milwaukee, where he had been a patient.

He was born Sept. 14, 1920, in the town of Belgium, to the late Nicholas and Lena (nee Birenbaum) Feyereisen, attended St. Lawrence and St. Francis Seminary and was ordained Sept. 29, 1945.

Rev. Feyereisen served various parishes in the Madison Archdiocese before retiring in 1993.

Survivors include two brothers, Lawrence (Rosalie) of Cedar Grove and Herman (Rosemary) of Belgium; three sisters, Elizabeth Biever and Leona Rupp, both of Port Washington, and Genevieve Polenska of Waupun; and other relatives and friends.

Funeral services were held Wednesday, March 27, at 11 a.m. at St. Nicholas Catholic Church, Dacada. Most Rev. William H. Bullock, bishop of Madison, was the main celebrant, and burial was in the parish cemetery.

Visitation at the church was on Tuesday from 4 to 8 p.m., with a rosary service at 5 and 7:30 p.m.

The Eernisse Funeral Home, Dacada assisted the family.

VIOLA KUDEK

Mrs. Viola Kudek, 77, formerly of St. Kilian in the Town of Wayne, passed away on Saturday, March 30, 1996 at the All About Life Rehabilitation Center in Fond du Lac.

She was born on June 11, 1918, in the Town of Ashford, the daughter of the late Kilian and Mary (German) Ruplinger and on April 25, 1939 she was united in marriage to Wilmer Kudek at St. Kilian Catholic Church in St. Kilian. Her husband Jeanette (Robert) Thelen of Fond du Lac and Christine Bergseth of Hubertus; a special friend, Romand Kuehl of St. Kilian; six grandchildren; seven great-grandchildren; a brother, John (Edna) Ruplinger of Kewaskum; four sisters, Bernice Fleischman and Madeline Zehren, both of St. Kilian, Helen Zettler of West Bend, and Mary Ann (Donald) Lichtensteiger of Campbellsport; three sisters-in-law, Martha Kudek and Malinda Kudek, both of Kewaskum and Audrey Ruplinger of St. Kilian; a brother-in-law, Arnold Amerling of Kewaskum, other relatives and

friends. In addition to her husband and parents, she was preceded in death by three brothers, Ralph, Orlando and Leander, a sister, Cordell Amerling and her son-in-law, Edward Bergseth.

Funeral services were held at 10:30 a.m. on Tuesday, April 2, at the Miller Funeral Home in Kewaskum with a Mass of Christian Burial at 11 a.m. at St. Kilian Catholic Church in St. Kilian with Father Victor Kemmer officiating. Burial followed in the church cemetery.

Friends called after 4 p.m. on Monday, April 1, at the Miller Funeral Home, Kewaskum, where a parish vigil was held at 8 p.m.

EMMET M. ROSSOW

Emmet M. "Em" Rossow, of Slinger, formerly of the West Bend area, died Tuesday, March 26, 1996, at Hartford Memorial Hospital, at the age of 78. He was born Nov. 14,

He was born Nov. 14, 1917, in Lakefield, Minn., to the late Fredrick and Hattie (nee Hohstein) Rossow, and at an early age helped with his family's dairy farm for over 25 years. He also served in the U.S. Army during World War II.

Mr. Rossow married Lucille L. Hochstein on

KEWASKUM STATESMAN

and Robert (Susan), both of West Bend and Linda (Joel) Nehrbass of Kewaskum; 12 grandchildren, Michael Hall, Douglas (Lisa) Hall, Scott (Darlene) Hall, Mark Hall, Tracy (Tracy) Malissa Weseman, Kistanmacher, Daryl Kistanmacher, Kristin Rossow, Megan Rossow, Jeffrey (Cindy) Nehrbass, Jamie Nehrbass and Joelle (Corey) Gerlach; two great-grandchildren, Sarah Nehrbass and Derek Hall a sister, Agnes Radke of Hartford; a special companion, Teddy, the family pet; nieces; nephews; and other relatives and friends.

Preceding him in death were a daughter and son-in-law, Brinda and Todd Kistanmacher, two sisters and six brothers.

He was a member of St. Paul's Ev. Lutheran Church of Slinger and the American Legion Post No. 36 of West Bend.

Funeral services were held Friday, March 29, at 7 p.m., at St. Paul's Ev. Lutheran Church, Slinger. Rev. David J. Cooper officiated, and burial was in Washington County Memorial Park, West Bend, on Saturday, March 30 at 10 a.m.

Visitation at the church only was on Friday from 4 p.m. until the time of services.

Memorials are appreciated.

The Phillip Funeral Home, Slinger, assisted the family.

HEDWIG M. REINKE

Hedwig M. Reinke, nee Langer, of West Bend, died Sunday, March 31, 1996, at the Cedar Lake Home Campus, at the age of 87.

She was born January 19, 1909, in Milwaukee, to the late Victor and Anna (nee Kressin) Langer, and graduated from Cedarburg High School.

Following her marriage to Francis O. Reinke on July 31, 1937, at Lutheran Emmaus Church, Milwaukee, the couple lived in West Bend where she helped her husband with the operation of Reinke Texaco. Later she was a sales clerk for Jaeger Gift Shop of West Bend for over five years, retiring in the early 1970s. Survivors include her husband; a son-in-law, Robert (Kimetha and son, Jesse) Sparks of Kewaskum; two grandchildren, David (Karen) Sparks of West Bend and Courtney Sparks of Kewaskum; a sister, Lydia Meyer of Milwaukee; a sister-in-

Thursday, April 4, 1996

law, Erna Langer of Port Washington; nieces; nephews; and other relatives and friends.

Preceding her in death were a daughter, Barbara Sparks, and a brother, Edwin.

She was a member of St. John's Ev. Lutheran Church, West Bend.

Funeral services were held Tuesday, April 2, at 7:30 p.m. at St. John's Ev. Lutheran Church. Rev. George Mumm officiated and burial was in Washington County Memorial Park at 10 a.m. on Wednesday.

Visitation at the Phillip Funeral Home, West Bend, was on Tuesday from 4 to 7 p.m.

Memorials to St. John's Lutheran Church are appreciated.

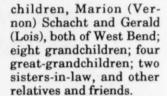

HERBERT H. JUNG

Herbert H. Jung, of West Bend, died Saturday, March 30, 1996, at the Samaritan Health Center, at the age of 96.

He was born December 5, 1899, in the Town of Ashford, to the late Philip and Mary (nee Ohrmund) Jung, and married Floral E. Basler on May 7, 1924, at Zion Ev. Lutheran Church, Town of Wayne. She passed away on April 1, 1983.

Mr. Jung was employed at Barton Corp. for over 30 years, and then worked at Barton Products until retiring in 1965. He was an active member of St. John's Ev. Lutheran Church, West Bend, and was a 25-year member of the Barton Fire Department.

Survivors include two

Preceding him in death were three sisters and four brothers.

Funeral services were held Wednesday, April 3, at 7 p.m., at St. John's Ev. Lutheran Church, West Bend. Rev. George Mumm and Rev. Daniel Kelm officiated and burial was in Washington County Memorial Park, West Bend, at 10 a.m. Thursday.

Visitation at the church only was Wednesday from 4 p.m. until the time of services.

The Myrhum Funeral Home, West Bend, served the family.

IN MEMORY

In memory of KATHRYN (Tudy) Warner, who passed away 10 years ago, April 7, 1986:

Ten years have passed and gone,

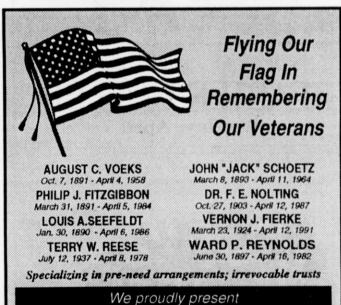

Since the one we loved so well

Was taken from her home on earth

With Jesus Christ to

dwell. The flowers we placed upon her grave May wither and decay, But the love for her who sleeps beneath, Shall never fade away.

Lovingly remembered by Bret, Jenny, Bret, Brad, Jessie & Katie Warner.

preceded her in death on February 1, 1980.

Mrs. Kudek was a member of St. Kilian Catholic Church in St. Kilian, St. Kilian Choir and St. Mary's Altar Sodality. She was employed by Fireside Restaurant in Allenton as a waitress until her retirement in 1986.

Survivors include two sons, Robert (Verna) and Dan (Joy), both of West Bend; two daughters, Sept. 16, 1938, in Fairmont, Minn., and in the early 1950s the couple moved to the West Bend area; settling in Slinger in 1972.

He farmed until later in life when he became an auto repair mechanic at various shops in the West Bend and Kewaskum area, retiring in 1979.

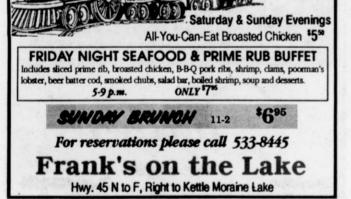

Survivors include his wife; three children, Connie (Stanley) Hall

Be 'EGG' Static About Food Safety

MADISON -- Egg decorating is a sure sign that spring is near. This holiday season enjoy colorful, safe, and nutritious egg eating.

According to Jay Tucker, Food Safety Specialist with the Wisconsin Department of Agriculture, trade and Consumer Protection, "Bacteria, which can cause salmonella food poisoning, can be present on the outside as well as on the inside of raw eggs. To be safe, make sure eggs are thoroughly cooked before eating. Eating undercooked eggs is especially dangerous for young children, pregnant women, and the elderly."

Egg handling and cooking safety tips:

* Begin with clean hands and utensils.

* For thoroughly cooked, hard-boiled eggs: Place a single layer of eggs in a pan filled with cool tap water. Place on stove with high heat until water comes to a full, rapid boil. Remove from heat, cover the pan and let stand for 20 minutes.

After cooking - safe cooling and storage tips.

1) Decorative display -- hard boiled eggs in shells: For display of decorated eggs without refrigeration use the air cooled method -hard boiled eggs with intact shells will not BE require refrigeration for up to 72 hours. Within 72 hours, refrigerate or discard remaining eggs.

How to air-cool eggs:

Remove the hard boiled eggs from the hot cooking water after the 20 minute cooking time. Place eggs on a rack and air cool.

2) Eggs to be eaten immediately:

Directly after cooking, cool eggs to below room temperature by running a slow, but steady stream of cool tap water directly into the pan. Immediately refrigerate eggs. This rapid cooling method requires egg refrigeration until eaten or served. Additional Easter

egg safety tips:

* Avoid hiding eggs in places with potential contact with pets, wild animals, birds, or lawn chemicals. in half. Verify before eating that eggs have been properly cooked, cooled or refrigerated.

For more information about egg safety call the USDA's Meat and Poultry Hotline: 1(800) 535-4555.

FreshStart Program Offered at MPTC

FreshStart, a smoking cessation program designed by the American Cancer Society will be offered at Moraine Park Technical College's West Bend Campus beginning April 9. The four, one-hour sessions will be held Tuesday evenings through April 30 from 6:30 to 7:30 p.m.

FreshStart is a straightforward, no-nonsense program that will help you learn everything you need to know to be successful both in stopping smoking and staying off cigarettes. The focus is on the task at hand: making your stopping smoking a positive and successful experience. Diane Ball, Moraine Park's college health nurse, will be the class facilitator. Handout materials will be provided.

This program is open to the public at a cost of \$10. Class size is limited to 10 individuals. For more information or to sign up, call (414) 335-5744.

Be Our Guest For

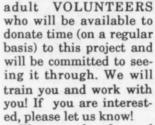

What's New at the Public Library?

It's time for spring story hour! Children aged four and older may register NOW for a six-week session, beginning April 10. The story times will be held at 1:00 p.m. in the Community Room. We will share books, music, and special activities, including a Mother's Day craft project.

Did you know...April is National Library Card Sign-up Month? If you haven't registered yet for a new Kewaskum Library plastic library card, now is the time to do it! We will begin to enter patrons in our new computer system, and hope to be up and running in the fall.

Speaking of our automation project, we have experienced some delays, but are now ready to begin the process of entering information into our new system. As soon as we have bar codes on our approximately 20,000 items (and all the records for these items entered into the computer), we'll be all set! This, of course, will take some time and patience. We are now looking for some serious

he live .

I am the resurrection and the life: he that

DNR Spring Rules Hearing April 8

MADISON -- Establishing a trial, catch-andrelease early trout season, allowing the state to modify deer seasons in farmland areas to control deer populations, and adopting a category system for walleye fishing are among the proposals that will be discussed and voted on at the 1996 Department of Natural **Resources Spring Fish** and Wildlife Rules Hearings.

The annual hearings are held simultaneously in each of the state's 72 counties in conjunction with the Wisconsin Conservation Congress county meetings. All hearings will be held Monday, April 8, beginning at 7 p.m. and are open to the public.

"Questions identified as having statewide significance will be addressed first and then local rule changes will be discussed in the counties affected or in any county where someone in attendance brings it up for discussion and comments," explains Al Phelan, who coordinates the hearings for the DNR.

Among the statewide questions being considered is one to establish a new early trout season that would run from 1997 through 1999 and include all inland streams statewide, excluding some sensitive waters and Great Lakes tributaries. The season would run from March 1 until the first Saturday in May with a daily bag limit of zero (catch and release). Anglers would be required to use artificial lures and barbless hooks

only. "This question is in response to suggestions from the public to expand trout fishing opportunities while protecting the trout fishery," said Lee Kernen, director of fisheries management for the DNR. The state had an early trout season in eight southern counties for nearly 20 years. The season was closed after the majority of people attending the 1994 spring rules hearings voted in favor of the cloeliminate fishing pressure problems by opening waters statewide. The early season would automatically end in three years without further action at future rules hearings.

Another proposed rule would allow the DNR to modify the deer seasons, deer registration and procedures for issuing permits for deer management units in some farmland regions where deer populations are well above well-established goals and where high deer numbers are causing agricultural damage and transportation safety problems.

"These large herds cause substantial crop damage and are a safety hazard for vehicles on roads and highways," said Tom Hauge, director of wildlife management for the DNR.

If the herd within a management unit cannot be controlled within the normal hunting season framework, the proposed rule would allow the DNR to do one or more of the following: increase length of seasons; increase the bag and possesion limits; establish either-sex or antlerlessonly deer seasons; or authorize and encourage, by issuing special permits, the harvest and donation of antlerless

Auto Service —

deer to charitable food distribution programs.

Prior to implementing any change the DNR would be required to hold informational meetings in the affected areas and consult with the Conservation Congress. All modifications would have to be enacted by May 1 of each year to provide advance notice to hunters and allow changes to be printed in the annual hunting regulations. The Natural Resources Board would have to give final approval to the changes before the modifications would take effect.

Another major statewide rule proposal would establish a category system for fishing walleye, sauger and their hybrids.

A state Walleye Management Committee made up of DNR biologists, wardens and many citizens representing walleye fishing interests developed a category system as part of a major revision of the state's walleye management plan. "The proposal is aimed at improving the quality of walleye fishing by matching regulations to the characteristics of individual waters," Kernen said.

The following categories are being proposed to manage walleye waters:

* No minimum length

Spring ?

limit, but only one fish in the daily bag limit could be over 14 inches. The objective is to improve growth rates in waters that have a high density of slow-growing walleyes, protect mature walleyes, and allocate younger walleyes among more anglers on waters with high densities of slow growing fish.

* No minimum length limit, a 14- to 18- inch protected slot length limit, and only one fish over 18 inches. In this category, anglers could not keep fish between 14 and 18 inches and only one fish in the daily bag could be longer than 18 inches. The proposal is aimed at protecting spawning adults, allowing for the harvest of abundant smaller fish, and increasing the number of fish longer than 18 inches in waters with moderate to high densities of small fish, low densities of adults and moderate growth rates.

* 15-inch minimum length limit. This is the current statewide walleye regulation under which any kept fish must be 15 inches or longer. The aim is to increase walleye numbers in lakes with moderate to good reproduction, while allowing the harvest of fish longer than 15 inches in waters with moderate density populations and average growth.

* 18-inch minimum length limit, three daily bag limit. Three fish could be kept daily, but none could be shorter than 18 inches. The aim is to increase walleye numbers in waters with low numbers of fastgrowing walleyes and in waters that are stocked or have low levels of natural reproduction.

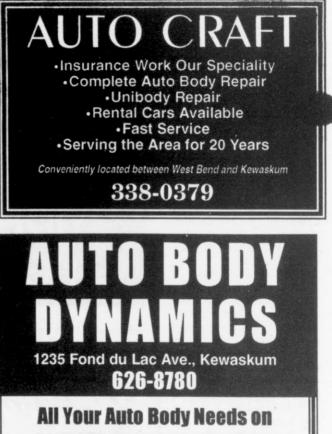

* Special Regulations -Unique regulations tailored to specific waters that are not broadly applicable to other waters.

Among the other rule changes that will be discussed and voted on at the hearings are proposals to:

* Reduce the walleye and sauger daily bag limit from five to three on most inland waters;

* Increase the minimum length for largemouth and smallmouth bass from 14 inches to 18 inches and reduce the daily bag limit from five to one daily on Lake Mendota, Dane County; Fox Lake, Dodge County; and Big Muskego Lake, including Bass Bay, Waukesha County; * Change the bound-

Enrichment and Exploration Day For Kewaskum Middle Schoolers

Left, Nicole Averill, center, Jeanna Gehl and Cassie Patterson right, work on their balloon artistry at the gifted and talented Enrichment and Exploration day.

Students participated in an interactive leadership activity with Mrs. Mary Jane Burge from the USS Leadership Company. They participated in a Ringling Brothers Circus activity with Ms. Peggy Williams which included juggling, balloon animal making and Alexander Calder sculpture building. In addition, students were involved in a hands-on chemistry activity with S.P.I.C.E. Students participating in Chemistry Education, from the University of Wisconsin; an art activity with Ms. Sandra Butz Siebers a teacher from Hartford High School; a Creative Problem Solving seminar facilitated by Mr. Roger Thorson from Germantown, and a Communication session presented by Ms. Debbie Swoboda. This day was an educational and exciting experience.

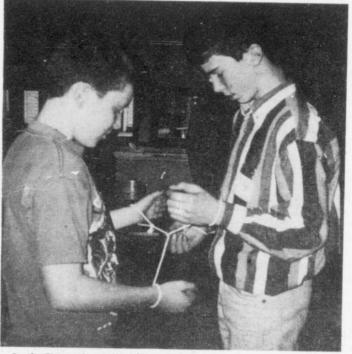

Lori Petuschek tries her hand at juggling scarves during the Ringling Bros. Circus session

Kathleen Bridget Weiss, 408 River Road, Fredonia, recently graduated from Moraine Park Technical College's West Bend campus.

Weiss received an associate degree with honors in the Supervisory Management program.

Josh Stangl, right, from KMS tries to get out of a tie up with a student from Horicon at the chemistry problem solving session.

Love is blind, but marriage restores its sight.

If you're 65 or over and don't have a Part B Medicare coverage, you'll have a chance to sign up for the Part B medical insurance coverage during the 1996 annual enrollment period.

Every year, the government offers a threemonth open enrollment period from January 1 to March 31. This period is to give you a second chance if you didn't enroll when you were first eligible or you dropped your coverage in the interim.

If you enroll during the current sign-up period, your coverage will begin July 1, 1996. For 1996, the cost for Part B

Patron Licenses Taking Awhile To Come Back

As so often happens Patron License holders may have forgot to send their renewal back in to the DNR when it was first received.

Now that it is April and a new license is required to fish and turkey hunting is just around the corner, some of you maybe getting nervous. Especially when I tell you it may take up to four weeks to get it back if mailed in now. What to do? If you have already mailed it in sit tight, relax, and see if you can find your check book to show that you mailed it, carry it along with you until your new license arrives.

If you paid with a credit card, explain it to the Warden that checks you and at the worst he or she will have you send the license to them, when you do receive it.

If you are one of these that have not yet mailed it in, take your renewal application out to the Mauthe Lake DNR station, or a DNR station of your choosing, along with your check book. They will collect your \$100 fee for a renewal and provide you with a temporary Patron License which you can carry with you until the new license is issued. The delay is longer than normal for the return of a new Patron License this year. Why? I don't know, but please be patient. If you have any questions or problems because of this delay feel free to contact me.

helps pay for inpatient hospital care and certain other services. People who want to sign up for Part B

sign up for Part B Medical coverage should call the local Social Security office or call Social Security's toll-free number, 1-800-772-1213, between 7 a.m. and 7 p.m. on any business day.

Females of the roundworm species Ascaris lumbricoides each lay about 200,000 eggs per day for at least 10 months.

Games at Holy Trinity School

As part of the seventh grade curriculum, the students designed and constructed games. The games were designed to fit the interest and ability level of first graders. The first graders had an exciting time trying out their new games.

DNR

(Continued from Page 14)

ary between the northern pike zones from county lines to U.S. Highway 10;

* Change the daily bag limit for panfish on the Chippewa Flowage, Sawyer County, from 50 in total to 50 in total of which only 15 may be crappie from the first Saturday in May to November 30, and open the Chippewa Flowage to ice fishing for panfish with a daily bag limit of 50 in total none of which may be crappie from December 1 to March 1;

* Increase the minimum length limit for muskellunge on the Wisconsin-Minnesota boundary waters and connected waters in Douglas County from 36 to 40 inches;

* Lengthen the southern zone beaver season;

* Allow trapping and possession of otter during the latter portions of the current beaver trapping season in the North Zone;

* Allow hunting of small game with handguns larger than a .22 caliber.

The Natural Resources Board has also placed an advisory question on the questionnaire asking

A World With a Lid

The sixth graders from Holy Trinity School had the opportunity to take the lid off a pond at the Riveredge Nature Center near Newburg. Through a hole in the ice, the students collected scientific data, which allowed them to study the limiting factors that affect life beneath the ice. This was a unique experience for the students.

Brettingen Named U.S. National Award Winner

The United States Achievement Academy announced that the Nicholas Brettingen has been named a United States National Award winner in Foreign Language.

This award is a prestigious honor very few students can ever hope to attain. In fact, the academy recognizes less than 10% of all American high school students.

Nicholas Brettingen, who attends Kewaskum High, was nominated for this national award by Senora Olsen, a Spanish teacher at the school.

Nicholas Brettingen will appear in the United States Achievement Academy Official Collegiate Yearbook, which is published nationally.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors, and other qualified sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

Nicholas Brettingen is the son of Mr. and Mrs. Jeffrey Brettingen. The grandparents are Mr. and Mrs. Allen Brettingen of Greenfield, and Mr. and Mrs. Vern Lorbieki of Colgate, and Lawrence Wergin of Menomonee Falls.

Kewaskum Fire and Rescue Squad Calls

Friday, March 29 -The Kewaskum Rescue Squad and the Jaws of Life responded to a call in the Village of Kewaskum at 2:28 p.m. for a male child pinned under a car. The child was transported to St. Joseph's Community Hospital, West Bend. The Jaws was not used.

Friday, March 29 - The Kewaskum Rescue Squad and Kohlsville First Responders were summoned at 7:47 p.m. for a male patient experiencing chest pain. No transport was made.

whether the board should hold special public hearings this summer to determine public support for reducing the statewide daily bag limit of panfish from 50 to 25 in total. A public opinion survey conducted during 1991 indicated 63 percent of panfish anglers supported a 25 daily panfish bag limit.

The Wisconsin Conservation Congress will also sory questions during the meeting, including: a proposal to give first-time hunters who successfully complete hunters' safety courses a hunters' choice tag; questions to determine the support for split waterfowl seasons; and questions on whether the state should adopt a second early Canada goose subzone.

The spring hearing questionnaire is available

clerk offices and at most public libraries. Copies of the questionnaire are available in advance of the hearing from DNR district and area offices. The hearings will be held on Monday, April 8, at 7 p.m. The Washington County hearing will be held at UW-Washington County Campus, Room 201 (Big Lecture Hall), in West Bend.

25 Pears Ago

March 12, 1971

In a recent transaction, Joe Schneider, Jr., builder from Random Lake, purchased the remaining 15 lots in Country View Estates in Kewaskum from Bill Ruth Realty. Conventional homes will be constructed on these lots for resale. They will range from 1,350 to 1,700 square feet of living area and will be priced from \$24,000 to \$26,000. These three to five bedroom homes, including lot, with two-car garage, will feature floor covering, carpeting and vinyl, a family room, 1-1/2 ceramic baths with shower in the main bathroom, built-in oven and range, garbage disposal, plus other extras. Model homes can be seen by calling Bill Ruth Realty and all sales will be handled exclusively by him.

The Scenic Moraine Conference forensics contest held at Slinger recently was won by Kewaskum High School in a close race, with host Slinger placing second and Kettle Moraine third. Kewaskum's champions were awarded a trophy, which was awarded to the winner for the first time this year. "A" ratings were awarded to the following Kewaskum students: Glennis Beduhn, Prose; Jackie Justman and Alice Wedding, poetry; Steve Bremser and Kathy O'Reilly, fourminute speeches; Doris Beimborn, significant speech; Rick Edwards, public address; Kathy Knoeck and Sharon Michaels, play acting.

When they needed to be at their best, the Kewaskum Indians played one of their worst games of the season and as a result were abruptly eliminated from further competition when an underdog Cedar Grove team upset them in their opening game of the Regional Tournament at Beaver Dam Friday night, 73-51.

Five teams are represented on the Scenic Moraine All-Conference team selected by the coaches Tuesday night at the winter sports coaches' dinner held at the Linden Inn on Big Cedar Lake. Champion Mayville had the best representation by having three players selected on the first and second teams, but the Eichstedt brothers, runner-up Clark and Glenn of Kewaskum had the best family representa-tion. Clark Eichstedt, along with Rod Barbera of Hartland Arrowhead and Gary Thomas of

KEWASKUM STATESMAN

Pewaukee, were unanimous choices on the first team. The three unanimous choices were the conference's leading scorers with Barbera's 291 points setting the pace followed by Eichstedt with 283 and Thomas with 237. Eichstedt, in addition to being Kewaskum's top scorer, led the conference in rebounds with 190, an average of better than 14 1/2 per game.

SPE 4 Dean Martin, son of Mr. and Mrs. Marvin Martin of Kewaskum has received an honorable discharge from the army after completing two years of service. He received his basic training at Fort Campbell, Kentucky. At Fort Belvoir, Virginia he received special training in generator maintenance and power plant operator. SPE 5 Martin served one year in Vietnam with the 11th Armored Cavalry, known as the Blackhorse Regiment. He was stationed at Bien Hoa in the Fishook. He received the Army Commendation Medal for exceptional meritorious service and commendable performance in support of military operations against Communist aggression in Vietnam.

A daughter was born to Mr. and Mrs. James Laufer, Kewaskum, on Friday, March 5. Mrs. Laufer is the former Donna Darmody, daughter of Mr. and Mrs. Jerry Darmody, Allenton.

A daughter, Staci Noel, was born to Mr. and Mrs. Donald Baldikowski, Milwaukee, on Tuesday, March 9. Mrs. Baldikowski is the former Sheri Harbeck, daughter of Mr. and Mrs. William Harbeck of Kewaskum.

A son, George Frederick, was born to Mr. and Mrs. Norman Walz, Kewaskum, on Wednesday, March 3. He is the son of Mr. and Mrs. Gottlieb Walz, Kewaskum.

A son was born to Mr. and Mrs. Norman Heberer, Kewaskum, on Monday, March 1.

A daughter was also born to Mr. and Mrs. Gerald Stern, Route 3, Campbellsport, on Sunday, March 7.

51 Dears Ago February 16, 1945

A telegram from the war department at Washington D.C., was received by Mr. and Mrs. Elmer Boettcher of Wayne on Friday, informing them that their son, Pvt. Earl, was seriously wounded. The message, which was delivered to Pvt. Boettcher's brother, a student at the Kewaskum High School, read: "Regret to inform you your son, Pvt. Earl H. Boettcher, was seriously wounded in action four January in France. Mail address follows direct from hospital with details. J.A. Ulio, the adjutant general. Pvt. Boettcher was serving with the infantry. Entering service in May of 1944, he left for overseas duty on December 6, 1944, only a month before he was wounded.

Schrauth's Tavern at Lake Bernice, formerly known as Schrauth's Pond, near Elmore, a landmark in the vicinity, has finally changed ownership after being operated by the Schrauth family for more than 80 years. The tavern was originally built by Albert Schrauth some 80 years ago and the business has always been conducted by some member of the family. A deal was completed last week in which John Schrauth sold the tavern to Henry Drefahl of Milwaukee. The new owner will take over the tavern about March 15.

Home and Farm junior accident prevention certificates were awarded by the Red Cross to 11 eighth grade pupils at Holy Trinity School, Kewaskum, on Monday. These students have pur-(Continued on Page 19)

sued the regular accident prevention course as outlined by the American Red Cross. These eighth graders who will be alert to preventing accidents, are as follows: Harold Bath, Joan Dreher, Marie Ketter, Shirley Kohler, Mary Ann Miller, Leo Nigh, Rita Rohlinger, Mary Gay Searles, Dorothy Schoofs, Adeline Vorpahl and Anthony Vorpahl.

The Kewaskum High cagers were defeated last Friday by their traditional rivals, Campbellsport. This is the first time in five years that Campbellsport has defeated Kewaskum in basketball. Glen Backhaus of Kewaskum was high scorer all around with 10 points, followed by Kippenhan of Campbellsport with nine.

Mr. and Mrs. D.D. Korth received word the past week that their son, Pfc. Gilbert "Bud" Korth, who left for an unknown destination recently, has arrived somewhere in France where he is serving with an infantry regiment.

Pfc. Wesley Kuehl, husband of Mrs. Adeline Kuehl of Route 2, Kewaskum, and son of the Albert Kuehls of Route 3, Kewaskum, recently was sent back to the Vaughan General Hospital at Hines, Illinois, after spending six weeks at Percy Jones Convalescent Center, Battle Creek, Michigan. Pfc. has been hospitalized ever since suffering a leg injury while stationed in England. The reason for his return to the Vaughan hospital is because his leg did not improve and another operation on his knee is necessary.

The army, navy and air force are represented by three sons of Mr. and Mrs. Jacob Schladweiler of St. Michaels. Staff Sgt. Aloys, inducted into the army in April, 1941, is serving with army ordinance somewhere in Belgium. He is married to Mrs. Naomi Schladweiler of Batavia. Seaman Second Class Clemens Schladweiler is stationed at Port Huemene, California. He finished his boot training at the Great Lakes, Illinois naval training center shortly before Christmas and was home on a nineday leave at that time. He volunteered and was inducted into the Navy in October, 1941. Pfc. Arnold Schladweiler, in the army air force, was inducted in March, 1942. Stationed in Cochran Field, Georgia, for a time, he was transferred on January 13, to Scott Field, Illinois, for six

months schooling as a radio technician. He has a wife, Mary Schladweiler, and a baby son.

Minutes of Village Plan Commission

Village of Kewaskum **Plan** Commission January 30, 1996 7:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Robert H. Wagner called the meeting to order. Members present were John Stephani, Richard Schmidt, Charles Waala, Frank Beesten, and Paul Ziebert, Zoning Administrator Richard Zarling and Administrator Daniel Schmidt. David Goeden asked to be excused and was absent. A quorum was present.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by Frank Beesten, seconded by Paul Ziebert and unanimously carried by voice vote, the Commission approved the minutes as printed for October 31, 1995.

Mr. Bruce Steinhardt was present to review with the Plan Commission the request for rezoning of 10 plus acres of land off Tax Key No. V4-0003. The land is located on the southwest corner of Fond du Lac Avenue (USH "45") and STH "28" west. The request is to change the zoning from AG-1 Exclusive Agricultural District to B-2 General Retail and Service District. It was noted during the review that Paradise Development be made aware of the fact that the southwest corner of the 10 acre parcel may need to be used for road/street improvements or even considered for residential usage at the time when the balance of land from tax key no. V4-0003 is further developed. It was further noted that at that point in time a rezoning would be needed for said corner. Motion by Richard Schmidt, seconded by John Stephani and unanimously carried by voice vote, the Plan Commission sent the rezoning of the 10 plus acres on the southwest corner of Fond du Lac Avenue and

> LOW INCOME FAMILIES 2-3-4 BEDROOMS

STH "28" west to the Village Board for public hearing with a favorable recommendation. The rezoning from AG-1 to B-2 would be to accommodate the construction of a Medical Clinic and related type facilities.

On a motion by Richard Schmidt, seconded by Frank Beesten and unanimously carried by voice vote, the Plan Commission recommended and sent the Certified Survey Map for the aforementioned 10 plus acres to the Village Board for action.

Mr. Robert Beisbier and Mr. Tony Holschbach were present to discuss with the Commission the request of Kewaskum Frozen Foods for the rezoning of 130 Forest Avenue and a conditional use permit for the same property. A plant expansion is being designed for the rear yard. After considerable discussion, as it would pertain to the non-conforming use of two dwellings remaining on a portion of the lot(s), it was noted that the conditional use permit would reflect the following points as recommended by the Plan Commission:

1) No additions would be allowed to be added to the exterior of either building. (130 Forest Avenue and 124 Forest Avenue)

2) Adequate parking must be provided by the owner of said dwellings, not only for the residents, but employees.

3) That it is known that the two dwellings are nonconforming and eventually planned to be torn down (razed). That the continuance of the two residential structures is conditional /temporary. It was further noted that the value used to

Manos

KEWASKUM STATESMAN

establish the existing value of the two structures is that of the latest assessment dated 1/1/95. That assessment for the dwellings is as follows:

a) 124 Forest Avenue \$32,400 (VA-0102)

b) 130 Forest Avenue \$27,800 (VA-0103)

On a motion by Charles Waala, seconded by John Stephani and unanimously carried by voice vote, the Plan Commission sent the rezoning request to the Village Board for public hearing with a favorable recommendation.

On a motion by K chard Schmidt, seconded by Frank Beesten and unanimously carried by voice vote, the Plan Commission sent the request for a conditional use permit to the Village Board with a favorable recommendation, listing the points as previously discussed.

On a motion by Paul Ziebert, seconded by Charles Waala and unanimously carried by voice vote the Plan Commission recommended and sent the Certified Survey Map for the combining of all three of Kewaskum Frozen Foods lots to the Village Board.

Mr. Rick Kania of SEWRPC was present for discussion on the Master Plan. Mr. Kania reviewed potential neighborhood delineations in the Kewaskum planning area. It was noted that six such neighborhoods have been established with the potential of one being split into two. By consensus the Commission directed Mr. Kania to retain one neighborhood for the central portion of the Village keeping the delineation at Kewaskum Center. Also that a neighborhood of

opening for a full-time second shift computer Operator (to be

trained on first shift.) Responsibilities include operating pro-

grams; inputting data and magnetic tapes to process regularly

Meadow Land be created for Section 17 just as a point of reference.

Discussion was held on the proposed land uses for the entire area of the Village and Sewer Service Area. Mr. Kania explained that topographic maps are used to establish drainage, proper traffic flow as well as a number of reasons. The area first looked at was the area adjacent to the proposed medical clinic. The consensus of the Commission was to have Mr. Kania proceed with street and lot layouts as determined after a review of a variety of alternatives.

On a motion by Paul Ziebert, seconded by Richard Schmidt and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

FFA Alumni 'Kicks' Out a Successful Donkey Ball

Shown above and below are some "live, action" photos of the Kewaskum FFA Alumni's Donkey Basketball game played last Sunday in the KHS fieldhouse. Above, Dave Steger of the Kohlsville Fire Department, tries to show his little furry friend the way to the basket. Haven't you ever heard the old saying, "you can lead a donkey to water but you can't make him move." Below, Keith Herman of the Kohlsville Fire Department, top, and Ryan Dehling of the Fillmore Fire Department, scramble for possession of the elusive basketball. Isn't there some type of rule in donkey ball that says you have to stay on top the animal? The intense action of the games found the Kewaskum FFA victorious in the final elimination during sudden death overtime over the Kohlsville Fire Department by a score of 6-4. Was this donkey basketball or donkey hockey?

Kewaskum Athletic Club Offering Youth Hardball, Rubberball and T-Ball Leagues

As the baseball season closer, the kum Athletic gets Kewaskum Division Club/Youth members are once again making preparations for the upcoming baseball season.

As in years past, the KAC/YD will be sponsoring youth hardball for three different leagues. There will be Midget (ages 9-11), Little (ages 12-13) and Pony (ages 14-15). Those eligible for pony league will be for anyone who is not involved in a WIAA sanctioned program through their respective high schools.

These leagues are a traveling league with games played in Kewaskum as well as surrounding communities. Any questions about any of these leagues, you can contact Dean Scheel (626-4600) or Gary Schweder (338-0814).

This year will also be the third year of sponsoring the Youth T-Ball and Youth Rubberball Programs. The required ages for these programs are (5-7) for T-Ball and (8-10) for Rubberball. All games will be played at the Kiwanis Community Park. Any questions about these two leagues can be directed towards Connie Schulist (626-4253) or to Karen Kletti (334-0227).

Sign up for all leagues will be held at the Kewaskum Community Building on Tues., evening, April 9, from 6 to 8 p.m. and also on Saturday, afternoon, April 13 from 1 to 3 p.m. No late sign ups accepted after April 13.

All forms for sign up will be handed out at all local schools or in the Kewaskum Statesman. If you are unable to sign your child up on the above dates, all forms can be mailed to Dean Scheel, 1122 Edgewood, Kewaskum, WI. 53040. Cost for sign up will be \$6.00 for T-Ball and Rubberball; \$15.00 for Midget and Little Leagues, and \$20.00 for Pony League.

The Kewaskum Athletic Club/Youth Division is an organization that handles the summer youth baseball

leagues as well as the fall flag football season. It is an organization directed at providing the Kewaskum area youth with an opportunity to work together to learn sportsmanship, teamwork and the basic fundamentals of baseball as well as football. We are constantly looking for new members, volunteers, coaches and umpires.

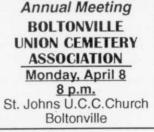

This organization also is accepting any money, donations, which will go towards providing our area youth with the proper equipment for their safety and protection. Checks can be made out

3-28-21

3-28-21

to Kewaskum Athletic Club/Youth Division and mailed to 1122 Edgewood Dr., Kewaskum, 53040. All past and future contributions are greatly appreciated.

Good luck to all players on their upcoming baseball season. 3-28-2t

Badger Team Charges Boston

Badger Packaging Corporation is sponsoring a team made up of five members of the Badgerland Striders. The team will join a field of 35,000 participants in the 100th running of the prestigious Boston Marathon. All members of the team qualified for Boston with times of 2:38 or better.

What began as euphoric post-Lakefront Marathon banter became an obsession as Ron Erhardt, Rudy Estrada, Rick Stefanovic, Bruce Holmes and Peter Sell joined forces. Together they began soliciting sponsorship, planning and training in preparation to compete against what they knew would be some of the best runners in the world.

Erhardt, 46, a force in the Masters Division, acts as team strategist, calculating splits, monitoring progress, and advising team members on technical aspects of their programs. In his spare time, Ron applies these skills as the Strategic Projects Department Manager at Miller Brewing Company, which makes him a popular host for team meetings.

Estrada, 39, who is gearing up for a P.R. (personal record) at his 8th Boston Marathon, has been running since the age of eight. "I respectively claim my dedication to running, but my greater successes only came after my wife, Corinne, put me on a healthier diet. I am grateful for that!"

Stefanovic, 33, who is employed by Badger Packaging Corporation, the team's major sponsor, is team captain. He earned a distinguished 95th place in Boston last year, with a time of 2:35:07. Although original reports indicated that Rick would run wearing a Badger corrugated box, **Badger CEO Thurman** Anderson later relented. Instead, Rick agreed to wear it only during train-Says runs. ing Stefanovic, "It'll be the easiest five pounds I'll ever take off!"

the Badgerland Striders Racing Team, has posted the fastest marathon time of any team member -- 2:29:38. This will be Peter's first Boston Marathon. The team is confident that Pete will be a quick study. They have provided him with diagrams and films of the course (Heartbreak Hill footage edited). "My teammates have provided

me with helpful advice about the course. I look forward to the challenge,' says Sell.

Best of luck to this team and all Badgerland Strider participants.

In golf, lifting the elbow is said to be the cause of many erratic drives and wild swings, especially when the elbow lifting starts in the clubhouse.

Tonn, 800m Relay Team Set New KHS Records

Two school records for the Kewaskum boys track team highlighted the results for Kewaskum at the 25th Annual Oshkosh High School Invitational held at the Kolf Sports Center at the University of Wisconsin -Oshkosh on March 29.

Senior Matt Tonn, who had been ill the previous couple of days, ran a determined and inspired 400m dash in a school record breaking time of 54.76. The old record of 55.0 had been held by Joel Herriges and was set in 1980. "Matt has been working hard this season. He knew it was now or never for this indoor record," commented head coach Jerry Gosa. Tonn finished in sixth place out of 84 participants.

The 800m relay team of seniors Andy Rix, Aaron Kurth, Matt Tonn and Ryan Herman also set a school record with a time of 1:39.65, but not without giving their coach and themselves a little scare.

The team on the inside lane of Kewaskum, got disqualified in the exchange zone by running outside their lane and thus slowed down the handoff between Rix and Kurth. Kewaskum still managed to finish in sixth place out of 46 teams, but with only a tenth of a second separating third through sixth place, the Kewaskum unit could have easily finished higher in the results. "All of the seniors have been working hard. It was their goal to set this record. This should give them extra incentive to keep working hard," remarked Coach Gosa.

The old 800m record of 1:40.0 was set in 1981 by Perry Kempf, Mike Paul, Jim Geldreich and Jeff Decker.

The 1600m relay team of Andy Rix, Joe Rettler, Aaron Kurth and Matt Tonn also finished in sixth place out of 43 relay teams and just missed setting a school record. The Kewaskum unit ran their indoor best time of 3:45.48, just missing the

ran 7.09 and Aaron Kurth 7.27 in the 55m dash with Herman almost making the finals

out of 96 athletes. Joe Rettler ran the 400m dash in 57.34. Troy Staehler ran 2:19 and Jeremy Clark 2:23 in the 800m run. Erik Kopecky ran a personal best of 5:15 in the 1600m run and newcomer Bob Le-May ran the 3200m run in 11:51.

In order to speed up such a large meet the opening heights in the pole vault and high jump were set high. Sophomore

KEWASKUM STATESMAN

Matt Hammen did not make the opening height of 5'6" in the high jump. Both Brad Luterbach and Troy Staehler also had difficulty making the opening height of 11' in the pole yault. These three will have the opportunity next year to compete. Seniors Brian Butschlick and Ryan Herman also both had difficulty in the long jump with scratches.

The next track meet for Kewaskum is a coed meet Tuesday, April 9th at Kiel with Chilton at 4 p.m. Then on Friday, April 12, Kewaskum travels to Campbellsport for the Campbellsport Invitational coed track meet at 4 p.m.

Koth Named KHS Head Football Coach

Perry L. Koth has been named Head Football Coach at Kewaskum High School pending Board of Education approval at its April 8th meeting. The 17-year veteran teacher at KHS replaces Clark A. Pearson, who's resignation was approved last month.

Koth played four years of football at Kewaskum High School, earning all-conference honors as a senior. After playing one year at UW-La Crosse, he earned a BS in K-12 physical education from UW-Oshkosh in 1977. In 1994, Koth received a MS in computer science from Cardinal Stritch College.

For the past 15 years, Perry has coached football at KHS, 14 as the varsity defensive coordinator. He has also coached baseball, basketball and track, as well as serving as Athletic Director for three years.

old record of 3:45.20 set in 1992. "I think if Matt had been at 100% they could have also broken that record, but I guess it wasn't meant to be," reported their coach.

Even though Kewaskum athletes did not place in any other events, many of the athletes recorded personal bests. In the shot put, Brian Liegl threw 42' 1/2", a personal best by almost wo feet. Ryan Herman superior insulator.
