## Kewaskum Native Works Her Way Up To Become VP/GM of Eldorado Casino

Judy Campbell

By Sharon Callaway Roznik

Kewaskum native Judy Campbell has been busy making a name for herself in the big city of Las Vegas, in an industry that up until a few years ago was run exclusively by men.

She has worked her way up through the ranks of Nevada's high profit gaming business, starting off as a blackjack dealer in 1978, and today Campbell carries the title of vice president and general manager of the Eldorado Casino in Henderson, just outside the Las Vegas city limits.

The daughter of Ruth Campbell, Judy left behind her life in a small town, and traveled out west seeking a warmer climate. She signed up for dealers school in Las Vegas, because she didn't know the first thing about the industry." It took six, maybe twelve months to formulate my goals," she states, and with hard work and some extensive research into

the gaming business, worked her way up to floorperson.

Employed with the Boyd Gaming Corporation since her arrival in '78, Judy worked as floor supervisor and back-up pit boss at Boyd's Sam's Town and the California, until the company acquired the Fremont in 1986. She worked there in the same capacity, until 1989, when Campbell took over the position of shift supervisor for the Eldorado.

After one year, she was promoted to Casino Manager, and later moved again when Boyd purchased the Joker's Wild Casino-Campbell took over there as assistant general manager. A year later, she returned to the Eldorado, as vice president and general manager, overseeing the entire property and its day to day operations.

Judy's employer, Boyd Gaming Corporation, owns eleven gaming facil-

ities throughout the country, and the Eldorado is highly respected as a training ground for the company's top executives," allowing up and coming key executives to experience all aspects of casino operations hands-on, with barely a bureaucracy to rely upon," states the Casino Journal, in their February, 1996 article on Women Defying the Odds, with Campbell as one of their featured professionals.

Her job is not an easy one, the article points out, but one that commands tremendous respect within the industry, and most notably, within the corporation itself, and Campbell has nothing but good words to say about her employer, and the 18 years she's spent moving through their ranks. "They're very business oriented, and you have to prove yourself capable of doing the job," she points out. "Since the day I started, I understood that personal-ity is a very important part of the business to them. They want to know how to talk and be friendly to the customers."

When she started out in the business, dealers weren't even allowed to talk with the customers, and Boyd was one of the pioneers in making gambling fun and friendly.

She states that the qualities she felt have helped her succeed in this competitive field are dependability, a strong work ethic, leadership, liking what you do, and a talkative, friendly, and outgoing personality. "You can take all the volcanoes and theme parks you want, but if that change person isn't genuinely friendly, if she doesn't wish you good luck, then you haven't accomplished anything. It's that simple," she emphasizes.

Since Campbell has

## Outgoing School Board Members Commended For Service to District

By Lana Harbeck Kuehl

Kewaskum School Board President Neal Weare opened last Monday evening's meeting by recognizing and commending outgoing board members Karen Sparks, Ruth Schmitt and Ron Beimbom.

Weare presented certificates of commendation from the Wisconsin Association of School Boards and plaques from the School District applauding the efforts of these three board members.

Weare added Karen, Ruth and Ron have given countless hours of their time unselfishly in serving the Kewaskum School District. He also thanked all three for their efforts and stated he hoped they would remain an active part of the school district.

Weare then presented the plaques which read, "Presented to... for your dedicated service in promoting Wisconsin Public Education, School District of Kewaskum, April, 1996."

Karen Sparks addressed the audience and board stating the past 26 months has been very interesting and

said, "I'm very optimistic about the future of the district and I want to thank my fellow board members for the hours that they've put in as well." She added, "I think that if this board has done one thing, it has been to promote public awareness of the issues that we face and to promote public involvement and parental involvement in the education of our children and if I've been a part of that in some small way, it's been worth it."

Ron Beimbom stated he echoed Karen's sentiments, and urged the three new incoming board members, "to take advantage of the Wisconsin Association of School Board's in-service to new board members, because if you don't, you're going to be lost."

Weare then introduced the newly elected board members Jon Downs, Larry Fechter and Tom Timblin, who will be serving officially at the April 22 meeting.

Student representatives appeared before the board informing them of the annual

## Kindergarten Registration

This year's annual "round-up" for the parents/guardians of all prospective kindergarten pupils in the Kewaskum School District will be held on Monday, April 22, from 9 a.m. to 4 p.m. and 4:30 to 7:30 p.m. to accommodate those unable to come during the day. Registration will again be held on Tuesday, April 23, from 9 a.m. to 3 p.m. **ONLY.**

All registrations will take place in the Farmington, Kewaskum, and Wayne school offices. Please register your child at the school in your area on one of the above days. It is not necessary to bring the child while registering.

To be eligible for enrollment in kindergarten, children must have attained their fifth birthday on or before

September 1, 1996. Evidence of date of birth, either a birth certificate or a baptismal certificate, must be brought to the office at the time of enrolling. Parents will need their child's social security number as well.

Parents will register their children for next year's term and be given the necessary health forms. If you know of any new families in this district, please pass this information on to them.

Richard E. Zarling, Principal/Director of Special Education would like to impress upon you the importance of registering your child on either of these two days so that the Kewaskum Community Schools may plan for them and know staff requirements for next year. 2t

The old Stoffel barn with fieldstone foundation was leveled two weeks ago to make room for the new West Bend Clinic location on Fond du Lac Avenue and Hwy. 28 west. Crews have been busy leveling the land, a retaining wall is up in preparation for the installment of footings. Construction will begin soon on the complex designed to include a pharmacy.

post-prom party and asking the board to consider an open campus for exam week. Dr. Charles Johnson stated a trial open campus day was held previously and it went extremely well and added he endorsed the recommendation.

Weare said the issue would be put on the agenda for the May 13th board meeting.

In the audience to visitors; receiving of delegations segment of the meeting, newly elected board member Tom Timblin addressed the board, asking for their prayers for Jodi Klesmith, a junior at Kewaskum High School who had been seriously injured in a motor vehicle accident that morning and faces a tough road back to recovery.

Timblin also stated he had read an article in the Milwaukee Journal/Sentinel in regards to WIAA conference reorganization. Kewaskum is not yet involved in those talks and Timblin wondered if anyone else was interested in conference realignment for Kewaskum.

Dr. Johnson commented he had been in contact with the WIAA and was told a formal request would have to be filed to become part of that discussion which Kewaskum has not as yet done.

Timblin felt now was the time for some discussion to take place regarding Kewaskum being placed in a conference that contained smaller schools in a closer proximity to our schools.

Dr. Johnson stated he felt it was a board item and could be placed on the April 22 agenda. He added, "Change conferences, you change alot. But just to get your name in the hat to get this discussion going... what's been happening here in two weeks has been going on for a couple of years in the Milwaukee area. They've been working on this

for quite awhile."

Timblin added, "I think all these schools are all within 45 minutes of us where now we're driving two hours up to Two Rivers and I think this is a dialogue we should enter into."

President Weare directed Dr. Johnson to check into it and report back to the Board.

Under Finance-Transportation-Building and Grounds, the Board approved Fund 45 Building and Equipment projects including roofing for the high school and middle school; the Kewaskum High School and Middle School sidewalk; carpeting for the middle school; lockers for the high school; an auxiliary gym floor for the high school; wrestling mats; a three sport athletic net; a student play audio system and textbooks, totaling \$189,283.

The Board also approved Fund 10 Building and Equipment projects including the Kewaskum Elementary School roof; Wayne Element-

tary School driveway seal; student desks at Farmington Elementary School; a shampooer for Kewaskum Elementary; Wayne Elementary School light covers; a floor scrubber for Farmington school; athletic football uniforms; Kewaskum High School cheerleaders uniforms and having the gym at Farmington Elementary painted.

The cost of these Fund 10 projects came to \$40,139. Fund 45 revenues came from referendum monies and were used only for the high school and the middle school. Fund 10 allocations come directly from the budget.

Due to this month's lengthy agenda, an article regarding discussion held on the Central Village Complex (which was scheduled to be visited Monday evening, April 15), much discussion on the choice of a consulting firm for the superintendent search and other items on the last half of the agenda brought before the board will be published in next week's issue. Stay tuned.

gotten where she is without an administrative background, the transition to her new job was a big one. She credits the company for standing behind her, and being accessible with a great support team of corporate officers, that are easy to talk to, and ask questions of. Her job entails all aspects of the facility that supports the casino, including food and beverage and marketing.

Campbell makes no big deal that she's a woman at the top, and feels that it all boils down to what a person's strong and weak points are. It takes setting reasonable goals, standing tough, gaining additional knowledge, being a self starter, and a good listener. "You have to be aware of how to get where you want to go, and you can't be afraid to ask questions," she asserts.

Long hours also command priority, but she doesn't see it as a sacrifice. She enjoys the people and the work, and tries to balance her time as best she can. Right now the Eldorado takes up most of her life, but she wouldn't trade it for the world.

## Earth Day Cleanup In Kettle Moraine

The Friends of the Kettle Moraine State Forest will hold their Earth Day Cleanup on Saturday, April 20, starting at 8:30 to 12 noon. This annually held event targets clean up along the Kettle Moraine Scenic Drive. Organizations are especially invited to support this community service project.

Those interested in volunteering for this worthwhile event should RSVP through the DNR Headquarters at 414-626-2116. Bright colored clothing and gloves should be worn. An organizational meeting will take place at the Mauthe Lake DNR Headquarters on Hwy. G at 8:30 a.m.

The Friends of the Kettle Moraine will provide snacks and beverages at a reception to follow the Clean Up. Special thanks to the Wisconsin DNR and the Waste Management Company for their support.

### Campus Notes

The University of Wisconsin Washington County recently initiated some new members into the Phi Theta Kappa Honor Society.

Phi Theta Kappa is the international honor society for two-year colleges offering associate programs. Founded in 1918 by two-year college presidents in Missouri, Phi Theta Kappa celebrated its 75th anniversary in 1993. In 75 years, Phi Theta Kappa has grown from a small organization serving private women's colleges in one state, to an international scholastic society, with chapters in more than 900 two-year colleges, inducting more than 50,000 students annually.

PTK awards scholarships every year to continuing or transferring (full or part time) UWWC students. PTK is very active in raising funds to support the PTK scholarships awarded at UWWC.

The criteria for Regular Membership are students enrolled in 12 or more credits at UWWC during the semester they qualify must earn at least a 3.3 semester GPA and a 3.0 cumulative GPA and students enrolled in less than 12 credits at UWWC during the semester they qualify must earn a 3.3 cumulative GPA and must have completed at least 12 total (cumulative) credits at UWWC.

The newest regular members from this area are Lynn DeWane, Shannon Fauster, Robert Gibson, Blaine Kueh-michel, Sandy McGrath and Scott Poole from West Bend; Kathryn Fronck of Kewaskum, and Cheryl Hofschulte of Fredonia.

The criteria for Guest Membership are graduation from high school in the top 25% of your class and Guest Membership is valid for one semester only. Qualified guest members must join as regular members at the end of their first semester to continue participation in Phi Theta Kappa.

The newest area guest members are Pamela Bruesch, Heather Deiss, Laura Gillitzer, Donielle Ruege, Marie Viscuso and Michele Webb of West Bend; Julie Froemming and Cindy Kuechler of Kewaskum, and Amie Janz of Adell.

## C.C. Luncheon/Style Show Set for April 24

The Kewaskum Area Chamber of Commerce is pleased to announce they will once again be sponsoring their Sixth Annual Secretaries/Appreciation Luncheon and Style Show on Wednesday, April 24th, at Hon-E-Kor Country Club, 1141 Riverview Drive in Kewaskum.

There will be two seatings with one being held from 11 a.m. to 12:15 p.m., and the second running from 1 p.m. to 2:15 p.m. First arrivals will be given their choice of seating.

The \$13.00/per person fee includes a delicious salad, appetizing meals, beverage, dessert, tax and tip, and of course, the style show and some special surprises. There will also be raffle tickets available for sale and some very special prizes and gifts.

This year, make it a point to treat that hard working employee, a good friend, your Mom, your boss-anyone you want to show appreciation toward. This special, once a

year event is held in Kewaskum in honor of Secretaries Day.

Ladies, if your boss, or husband just can't be cajoled into picking up the tab, take the day off, spring for the ticket yourself, relax, and enjoy! You owe it to yourself!

The Annual Luncheon/Style Show is coordinated by Wendi Dreher, with a little help from her friends. For more information, call Wendi, or better yet send in your reservations with your check, to Wendi Dreher, P.O. Box 209, Kewaskum, WI 53040.

### THANK YOU

I wish to thank all my relatives and friends for the visits, cards and phone calls, while I was a patient at St. Joseph's Community Hospital, West Bend. Special thanks to Rev. Bettin for his prayers, the nurses and doctors on the third floor, and most of all their concern for my recovery. Again, thank you all.

## Local Students Included in Who's Who

Many students from this area are included in the 29th Annual Edition of *Who's Who Among American High School Students*, 1994-95.

*Who's Who*, published by Educational Communications, Inc., Lake Forest, Illinois, is the largest high school recognition publication in the country. Students are nominated by high school principals and guidance counselors, national youth groups, churches and educational organizations based upon students' academic achievement and involvement in extracurricular activities. Traditionally, 99% of *Who's Who* students have a grade point average of 'B' or better and 97% are college bound.

The 29th edition of *Who's Who*, published in 18 regional volumes, features almost 750,000 students or just 6% of the nation's 12,000,000 high school students. They represent approximately 18,000 of the 22,000 public, private and parochial high schools in the coun-

try. *Who's Who* students also compete for \$150,000 in scholarship awards and participate in the publication's annual opinion poll of teen attitudes. The book is distributed to up to 15,000 high schools, colleges, universities and public libraries throughout the country.

Local students selected include:

## New County Fair Site Coming Closer to Reality

John B. Kohl, Washington County Supervisor and Chairperson of the County Fair Sub-Committee recently announced that the county has obtained options to purchase a future site for the Washington County Junior Fair.

The site is located north and east of the intersection of U.S. Highway 45 and County Trunk Highway PP in the Town of Polk. The parcel consists of approximately 136 acres.

The price and terms of the acquisition are not yet fully resolved. The county is in the process of obtaining an agricultural impact statement. Under Wisconsin Law, the terms cannot be finalized until that process is complete.

If all proceeds as planned, the county will obtain title to the site later this summer. The Fair Sub-Committee and county officials have already begun planning for the site in anticipation of the 1997 budget

## 'Parents of Teens' Support Group

The Youth and Family Project, Inc. of Washington County will be sponsoring an ongoing parent support group geared specifically for parents of pre-adolescents and teens.

The group will begin on April 25, Thursdays, from 6:30 to 8 p.m. The group will address such issues as coping with runaway youth, teen pregnancy prevention, and helping kids remain drug and alcohol free.

A regular speaker forum will run once a month in conjunction with the support group. Anyone interested in registering for this free support group or locating sources of help should contact Joy Breese at The Youth and Family Project, Inc., phone 338-1661.

year.

The site was selected from a list of several other sites which the committee found suitable for fair purposes. If the county is unable to obtain this particular site, it will begin the process of evaluating other sites on the original list.

Because of competitive reasons and at the express request of the owners, the names of the property owners and tenants are not being released at this time. The committee intends to release full details when State Law permits disclosure of the price and other terms. The County Board will be requested to approve the acquisition in May or June of this year.

Summer camping dates are June 26-29 at Upham Woods, Wisconsin Dells. The junior group includes ages 9-12 and the senior group includes ages 13-14. Registrations are due April 30, at the 4-H office.

June Dairy Month Window Display committee members are David Cibulka, Chairman. His

committee members include Aileen and Jacqueline Chambers and Kyra Meyer. Rita Etta was asked to be the adult leader for this project.

Breakfast on the Farm will be held at the Bill Thull farm in June, and more will be announced about this at the next meeting.

For the next meeting, each member is asked to bring an item for the Food Pantry.

We will go to Noah's Ark in Wisconsin Dells on Wednesday, June 12. The cost is \$13.95. Part of the cost will be paid for by the Club. We have to have 15 people to get this price.

Refreshments and bars were served by the

Mertz family.

Our next meeting will be on May 9 at 7 p.m. See you there!

# Taking Care of Business

Outgoing Village Board Trustees Bill Kulas, left, and John Borland, center, discuss last minute decisions with Village Administrator Dan Schmidt at their last official meeting Monday night. Village President Bob Wagner commended them and thanked them for their involvement in the community. Turning the tables, Bill Kulas praised Village Administrator Dan Schmidt, stating he was never aware of how much work was involved for the Administrator in running the village smoothly until he became a member of the board. Kulas and Borland will be replaced by newly elected trustees Warren Dums and John Kenworthy at the next meeting scheduled for April 29. Trustee Robert Stoltzmann was re-elected to his position on the board.

Toni Kreif

KEWASKUM -- Regal Ware, Inc. has promoted Toni Kreif to Supervisor of MIS Network Administration.

In this new position, Kreif will assume supervisory responsibility for all aspects of the company's personal computers (PCs) and associated networks, PC and network hardware and software acquisitions and installation and corporate PCF skills training. She will also assist with application development projects using other system platforms.

Kreif joined Regal Ware in 1973 and has held a variety of posts in several departments, most recently in MIS. She and Albert III, her husband, live in Random Lake.

Regal Ware, Inc., is a major manufacturer of cookware and kitchen electrics with headquarters in Kewaskum.

## Stress Reducing Tips For Busy Parents

Juggling the demands of family and working life is one of the leading causes of stress today. Parents who try to do it all often feel irritable, tired, anxious and tense. A family stress test that will assess your family's stress level is available free from the IOF Foresters by calling 1-800-922-4-IOF.

Here are some quick stress reducing tips from the experts at IOF Foresters, one of the world's largest not-for-profit fraternal benefit societies with well over one million members in the United States, Canada and the United Kingdom.

\* Know when to quit. Don't feel you have to live up to a superhuman model who can do anything and everything.

\* Plan for special times together with your family and make sure you set aside time for yourself. Try yoga and meditation to relax.

\* Delegate, even if

you have concerns about whether things will get done correctly.

\* Ask yourself what is the worst thing that can happen if you cut back.

\* Stand back and draw out a time budget. Find out where your time is going and whether you are managing your time efficiently.

\* If you make a change, stay with it for at least three weeks to give yourself time to adjust.

\* Dwell on your successes rather than your failures. Don't worry if you can't do it all.

## LETTER TO THE EDITOR

Dear Editor,

Your article "Officer's Quick Action Saves Local Boys Life" warmed my heart and soul as I read it. I am overwhelmed with joy for the Tange-man family!

I'm sure Officer Bauer probably feels he was just doing his job, but I feel he was truly doing God's work as well.

I would like to applaud him and the three women whose names were not mentioned in their heroic actions.

Our world needs to recognize who our real heroes and role models are. Are they sports figures, our celebrated actors, actresses, our politicians or other celebrities? Or are they our police officers, just doing their jobs?

Yes, angels do walk among us. And sometimes they wear the uniform of a police officer!

Sincerely,  
Kathie Ramthun

## Former Kewaskum District Administrator to Run for Congress

Floyd Brenholt

WEST BEND -- Pledging to base his decisions on the "fairness test," Floyd Brenholt, a retired teacher and school administrator, has announced he will run for Congress in the Ninth District. Brenholt served as Kewaskum's District Administrator from 1971 through the 81-82 school year.

"The question I will continually ask myself is a question all elected officials should be asking: Is it fair to all concerned?" Brenholt said.

Brenholt is a member of his local Rotary and said the question is from a test all Rotarians are expected to apply when dealing with others. He feels fairness is an idea that is currently missing when political decisions are made.

A West Bend Democrat, Brenholt said he is particularly disturbed by the positions of the new Republican leadership, which are being supported by James Sensenbrenner, the current representative from the Ninth District.

"I believe the policies being championed by the conservative Republican leaders are a disaster for the vast majority of people in this country," Brenholt said. "I see no sign that they have any real concern for those of us who do not rank in, at least, the top 20% in terms of personal wealth."

The United States today has the widest income gap between rich and poor since the census bureau began keeping track of statistics, he noted. Currently, 14.5% of American families live below the poverty line. The hardest hit are children and the elderly; 22% of children and 13% of those over 65 fall into the poverty range. Between 1979 and 1992, income has dropped for everyone except the top 20% of society. Despite these facts, Republicans continue to push for tax cuts for

the wealthy, Brenholt said.

Instead, "we need to more fairly pay the workers, creating more purchasing power, and, as a result, profit for businesses," Brenholt stated. "Let these profits percolate up from the workers instead of expecting they will trickle down from those who make decisions for corporations."

The first step toward solving our problems is to develop an attitude of fairness, according to Brenholt. We can't expect our poorest and most powerless citizens to bear the brunt of the bad times, he said.

"The money is there for a multitude of programs from business, but when it comes to health care for the poor and elderly, for example, we are told we simply don't have the money," he added.

Noting that the President and Congress have tentatively agreed to balance the budget by the year 2002, Brenholt outlined other goals that should be accomplished by that time as well.

By 2002, Brenholt said we should have the following items in place:

Universal health care for all citizens; educational availability through college or technical school for everyone; a program that guarantees everyone who is able to work the opportunity of a living-wage job; a comprehensive campaign finance reform plan, and a balanced budget, not only at the federal level, but at all levels of government.

However, the government cannot be expected to solve all our problems, Brenholt said. The private sector must become a partner in strengthen-

ing our society. He challenged the private sector to return to the income distribution levels of 1979 by the year 2002.

"Secondly, I challenge the private sector to end the obsession with downsizing and begin to create jobs, and, as a result, serve workers, families and customers better," he said. "We can do this, and it's fair."

### Visually Impaired Support Group to Meet April 24

The next Visually Impaired Support Group meeting will be held on Wednesday, April 24. The group will meet at 1:30 p.m. in the second floor conference room at the Cedar Ridge Retirement Campus, 113 Cedar Ridge Drive, West Bend.

## FES 4th Grade Student Interviews With Beechwood Rest Home Residents Continued

Mrs. Radey's fourth grade class from Farmington Elementary School went to visit the Beechwood Rest Home.

The following is the continuation of the interviews of the residents the students wrote.

### INTERVIEW WITH PEARL PATELSKI AND CECILIA GENGLER By Michelle Weber

We went to the Beechwood Rest Home on Tuesday, December 19, 1995. We went to find some interesting facts about the people in the Beechwood Rest Home. I would have taken my partner, Sara T., but I didn't go. My person for the Beechwood Rest Home was going to be Pearl. Mrs. Henckel drove them to the Beechwood Rest Home.

Pearl is not very talkative. Pearl likes to play games, such as cards. The people at the rest home call her Polly. My partner, Sara Taylor, had a lady named Cecilia that was very talkative.

Cecilia gets visitors most of the time. Cecilia tells stories when she feels up to it. Cecilia makes things, like cards, out of yarn. Cecilia said she likes it at the Beechwood Rest Home. This is the only place she can possibly live. Cecilia doesn't get bored at all.

Cecilia sometimes sees her cousins and sometimes her friends. Her brother was involved in a war. Cecilia lived in Saukville when she was still a little child. Now she has been at the Beechwood Rest Home for a couple of years. Cecilia never, never ever got in trouble with her parents. Can you imagine living your whole life without getting in trouble? Cecilia's favorite pet is a dog. It felt good for Cecilia to grow up because she wasn't scared to grow up and it was very, very easy for her at that time. Back then, it was fairly easy to grow up. When she was growing up, they would run around and keep healthy. They could really do almost whatever they pleased, however, they still had to help out around the house.

Pearl never had anybody she was related to fight in the war, but she knew some friends that were in the war. Pearl doesn't sleep a lot, she mostly stays awake. Pearl always had her hair in a braid. Pearl never played a musical

instrument, but she wanted to play one. Pearl likes to play cards. She doesn't like it at the rest home at all. Geese are her favorite animals. Purple is her favorite color. Pearl likes soup. Math and spelling are her hobbies.

I feel that this would be a good experience for all children. I feel that talking to old people is very interesting. They have interesting facts to tell you. I think that when Sara was with Pearl and Cecilia, Sara was happy and so were Pearl and Cecilia. They appreciate everything you do for them.

I think that Cecilia and Pearl felt very good and comfortable that people come to visit the rest home. I think that all the people at the rest home want to feel needed in some sort of way. I feel very sorry for the people there. Some are very happy, some are very sad, some don't care at all. I hope they stay healthy and feel safe.

### INTERVIEW WITH KATIE SCHMITT AND FLORENCE RICHTER By Brandon Prom

I went to the nursing home with Mrs. Henckel at 1:40.

Katie grew up on a farm with her mom and her dad. She liked helping in the barn with her mom and dad.

At the rest home, she gets lots of company. They are mostly relatives. I was almost the first one to see her that was a child.

Katie likes the rest home. She has been there so long she calls it her home.

She has lots of activities. One of them is playing bingo and when she wants to play she signs a sheet and she can play.

She has one hobby

and that is helping in the kitchen. She likes to peel the carrots and the potatoes.

Her favorite food is mashed potatoes. Her favorite singer is her daughter and her favorite animal is a cow. Her favorite season is fall and her favorite color is light blue.

She does play an instrument. It is the piano.

This is a story about the other person I reviewed. Her name is Florence Richter. Florence said she grew up with five brothers and eating the right food.

She grew up in Greenbush with her mom and dad. Her town was peaceful. None of the people ever got robbed. Wow.

The town had a nickname. It was called dog town because every body had to have a dog.

### INTERVIEW WITH LUCINDA BACKHAUS AND MILDRED BIRKHANS By Rachel Harris

Our class went to the nursing home for a field trip. We went on Tuesday, December 19. We went there because we went to see people from the Beechwood Rest Home for Christmas. I went with Mandy, Sarah, Kristina, Juliet, Billy Adam, Arthur, Crystal, Brett and me. Mrs. Henckel drove us. She took her daughter Heather with her.

I think the people I visited liked me and Mandy. I think they had fun and they liked us and the stuff Mandy and I gave them. I felt real happy to give them their stuff and I felt sad for them to be alone on some holidays. I'd like to visit the nursing home again. I'd liked giving them their cards. I made them

God's eyes and a picture.

I am going to tell you about my person, Lucinda, but first, I will tell you about Mandy's person, Mildred. Lucinda was in no wars or events. She never got in trouble when she was little. She was kind. Her favorite food is sauerkraut and dumplings.

She does have a favorite animal, which was her pet dog and her four kittens and her collie dog too.

She likes living with a partner. She is doing good at the nursing home. She is from the Town of Scott. She has a nice home, parents who she got along with, and she had two brothers. She had a son James. James lives in the Town of Scott too. He lives in Lucinda's old house.

She lived in the nursing home for six months. She gets visits from her son. He takes her to eat and takes her to his home.

She had four grandchildren and five great-grandchildren. She sees the kids a lot.

Her favorite kind of music is polkas and waltzes. She likes to dance.

Her best friends are her son, her grandchildren, and her great-grandchildren. Her favorite month of the year is June, because it is nice and warm.

The nursing home gets things from Santa also. She really likes Christmas.

### MILDRED

Mildred was not in any war or events. She got in trouble when she was little, for climbing over some fence posts.

She doesn't have any hobbies, because she just had surgery on her eye last week. She can't see very well right now.

Her favorite food is ice cream. She had a cat

and a dog for a pet. She likes all different types of animals.

She likes to play her record player. She also likes living at the nursing home. She is going to be there for two years, in March. She says, "I am doing pretty good, I guess."

She has Goldy, her roommate for a friend. Mildred used to live in Random Lake. Her daughter still lives in Random Lake.

She had a story about her life that she was going to tell me, but she said it was too long, so she decided not to start the story. I hope she tells me her story when I see her this spring.

Mildred has one kid. She has two grandchildren (Lorey and Dale) and six great-grandchildren. She sometimes sees her family. She doesn't ever leave the nursing home, because she is in a wheel chair.

Her favorite kind of candy is gum. Her favorite kind of gum is Freudent.

I liked going to the Nursing Home. I like meeting two new people, Mildred and Lucinda. I learned that it doesn't matter how old they are, how they look, if they're in a wheel chair, or in a nursing home. All that matters is that you be nice to them and maybe someone will be nice to you. So, what really matters in life is to be nice to people.

I hope you liked my report. The end.

**PRAYER OF THE BLESSED VIRGIN**

(Never known to fail). Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (Make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Say this prayer for three consecutive days and then you must publish and it will be granted to you. Grateful thanks

**IN MEMORY**

In memory of **ALFRED C. VOIGT**, 1/5/1935 - 3/18/1996.

While we cannot understand why certain things should be, Remember God will behold what we cannot see...Because in the past few years we did not see eye-to-eye, We didn't get a chance to say goodbye. Please know that we have always cared, and will keep the memories we once shared close to our hearts forever.

**IN MEMORY**

In memory of **SAM LAWRENZ**, who passed away two years ago, April 18th, 1994:

I am home in heaven

dear ones  
Oh so happy and so bright  
There is perfect joy and beauty  
In this everlasting light  
All the pain and grief is over  
Ever restless tossing passed  
I am now at peace forever  
Safely home in heaven at last.

**IN MEMORY**

In loving memory of **ROBERT WESENBURG**, who died April 22, 1994:

It's hard to believe it's been two years since God has called you home.

But now you're resting in His place without any more pain or suffering.

It was like yesteryear I could hear your voice, laughing and crying together, sharing your time with me.

You were always there for me when I needed you.

It's been a long two years since you left me and us all, but I have learned to live with it.

I have learned life is too short and I had to

learn the hard way.

You're always on my mind and in our hearts. Your memory will be here with me always and you will never be forgotten because you were my best friend, my companion, my loving husband.

## 25 Years Ago

March 26, 1971

Warrant Officer James W. Manthei, 20, son of Mr. and Mrs. Willard Manthei of Kewaskum, was killed in action in Vietnam on Sunday, March 21, his parents were informed by the Defense Department on Wednesday of this week. Manthei, a helicopter co-pilot and gunner was believed to have been aboard a helicopter when he was killed. He was sent to Vietnam only last month. Manthei entered the service on Sept. 17, 1969. He completed a helicopter pilot course at the Army Primary Helicopter School, Ft. Wolters, Texas, following which he underwent advanced flight training at the Army Aviation School at Fort Rucker, Alabama, where he graduated as a warrant officer Nov. 18, 1970 and received his wings and bars. He was transferred to Savannah, Georgia, after which he spent a 30-day leave with his parents, brothers, and sister here. Manthei left only five weeks ago, on Feb. 13, 1971 for Vietnam. Manthei was the first Kewaskum young man officially reported as killed in action in Vietnam, although one other young man, James Fickler, was reported missing in action.

Thirty-three members of the Kewaskum Chapter were inducted into the National Honor Society in a ceremony held in the multi-purpose room at Kewaskum High School on Tuesday, March 9 at 8 p.m. New members include Doris Beimborn, Carolyn Degnitz, Karen Bade, Lisa Waters, Beth Staehler, Elizabeth Lohrer, Linda Schneider, Sue Donath, Perry Nigh, Gail Krueger, Catherine Ciha, Steve Schoofs, Darla Fellenz, Sandy Schleif, Deb Behnke, Dennis Smith, Ivan Andrade, Sue Schleif, Laurie Moore, Charlotte Schall, Mary Edwards, Alice Weddig, Jackie Justman, June Scannell, Debbie Bilgo, Julie Thull, Kris Honeck, Sandra Lund, Sandra Pamperin, Doreen Rumsey, Timothy Ryan, Edward Sleger and Mike Stern.

This year's Kewaskum High School Junior Prom will be held on Saturday, May 8. The junior class has selected "Magic Carpet Ride" with an Arabian atmosphere as its theme. Court elec-

tions were held on Tuesday of this week. Glenn Eichstedt will be this year's prom king, with Craig Carr, Jeff Czerwonka, Perry Nigh, Kim Rodenkirch, Doug Schacht and Steve Schoofs as fellow court members. Mark Reindl will be master of ceremonies.

Sunday, March 21 was officially the first day of Spring but one would never know it from the weather the past week. The worst storm of the entire winter season buried this area under as much as 14 inches of snow last Thursday and Friday. The storm was accompanied by high winds which piled the snow into huge drifts.

A daughter was born to Mr. and Mrs. Edward Wedding, 660 Fair St., West Bend, on Saturday, March 20. A son was born to Mr. and Mrs. Curtis Kissinger, Route 1, Campbellsport, on Sunday, March 21.

## 51 Years Ago

March 2, 1945

Mr. and Mrs. Peter Becker of this village received a letter on Wednesday of this week from their son, Pfc. Linus Becker who is with the army engineers in the Phillipine Islands, informing them that he was wounded in combat at the outset of the Phillipine invasion. He received shrapnell wounds in the chest and stomach, from an exploded mortar shell. Mr. and Mrs. Becker were not informed of their son's wounds by the war department and did not

learn that he was wounded until they received his letter. Pfc. Becker writes that he has been released from the hospital and is back in action driving a bulldozer. He was awarded the Purple Heart for his wounds on Feb. 15 which he says he will send to his wife in Milwaukee. His wife is the former Violet Schmidt, daughter of the Henry Schmidts of the town of West Bend, former residents of Kewaskum. Pfc. Becker left for service in November, 1942. Since going overseas in July, 1943, he has served at Kiska, Alaska, the Aleutian, Marshall, Hawaiian, Marianas, and Phillipine Islands.

In their final conference game, the Kewaskum high cagers trounced Brandon, 30 to 19, on their home floor. Winning their final game left Kewaskum in a tie for second place with Lomira. Rosendale and Oakfield are tied for first and Campbellsport and Brandon are tied for last place. Koth of Kewaskum was high scorer in the Brandon game with eight points.

Last week's graduation ceremonies at the navel training school (radio) on the campus of the University of Wisconsin, Madison, qualified Bluejacket Donald N. Koerble, 18, son of Mr. and Mrs. Norton A. Koerble, Kewaskum, as a radio operator with the fleet.

Charlotte Romaine, SK 2/c, U.S.N.R. of the WAVES arrived here Sunday from the naval air station at San Diego, California, to spend a 15-day leave with her parents, Mr. and Mrs. Elwyn

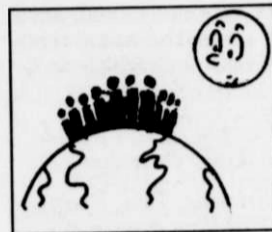

M. Romaine and son and her sister, Mrs. Herbert Hopkins and children.

Mr. and Mrs. George W. Forester of Wayne are the parents of an eight pound baby boy, born on Saturday, February 24, at the maternity home of Mrs. Ed. Spoerl in Campbellsport. The baby was born on the birthday of the Forester's other son, Dallas, who was three years old that day.

Mr. and Mrs. Delbert Petermann of this village announce the arrival of a six pound, four ounce baby girl, Karen Kay, born at St. Agnes Hospital, Fond du Lac, on Feb. 11.

Mr. and Mrs. Oliver Diener of Batavia are the parents of a son born Sunday, Feb. 25. at the Memorial Hospital, She-

boygan. Mrs. Diener is the former Miss Frances Bunkelmann, daughter of Mr. and Mrs. William Bunkelmann, of this village, who are grandparents for the first time. The new arrival has four uncles serving in the armed forces overseas, three of them, sons of the Bunkelmanns.

There are about 57 million children under 15 in the United States. That's about 22 percent of the population.

## VILLAGE OF KEWASKUM'S VILLAGE SPRING CLEAN UP

### Join The Kewaskum Clean-Up Spring Into Action!

The Village of Kewaskum would like to promote Saturday, April 20th as a day to clean up and improve the appearance of the Village of Kewaskum. Residents are encouraged to clean up trash and debris left around the Village and your home by "Old Man Winter." A large bin for the refuse from last winter will be available to village residents at the Department of Public Works yard from 9:00 AM to 1:00 PM on Saturday, April 20, 1996. Items from the Spring Clean Up and items normally placed at the curb for pick up can be placed in the bin for disposal.

Also available is the leaf, grass and garden waste bin. Items that decompose in a compost pile can be laced in this bin. Please empty contents into the bin; a garbage can is provided for plastic bag disposal. The grass and leaf bin is also available to those living in the Village of Kewaskum from 8 AM to 3 PM Monday-Friday.

## NEWS NOTES VILLAGE of KEWASKUM WOOD CHIPPING SERVICES

The Department of Public Works has resumed curb side chipping of wood branches on Mondays. Service will continue each week through late fall for those living in the Village of Kewaskum.

To be eligible for chipping services follow these requirements:

1. Place large (butt) end toward the street, at the curb.
2. Pile branches no more than 2 feet high; a long low pile is best for feeding the chipper.
3. For small brush, TIE IN BUNDLES with string or twine. NO boxes, bags or cans of branches will be chipped. The reason for this is if a stone, gravel, wire, metal or other material is in a bag, can etc. and gets into the chipper it will destroy the knife edges on the chipper, delaying our chipping until the knife is replaced and resharpened.
4. No roots of any kind, or material with any dirt on it.
5. Corn Stalks and Sun Flower stalks will NOT be chipped. Note: Yard waste, garden plant waste, corn stalks, Sun Flower stalks, leaves, grass and materials that will rot down in a compost pile can be brought to the DPW yard and placed in the yard waste compost bin. Hours 7 AM to 3:30 PM Monday-Friday.

The wood chipper can take up to about a 3" diameter tree branch. It is recommended larger pieces be cut up for fire wood, or given to someone with a wood burning fireplace etc.

## School Board Meeting Minutes

School District  
Of Kewaskum  
Regular Meeting  
March 11, 1996

The meeting was called to order at 7:05 p.m. by President Weare.

Board Members present: Mary Andera, John Schulte, Neal Weare, Ron Beimbom, Karen Sparks, Ruth Schmitt.

Board members absent: Jean Goeden.

A moment of silence was observed. Clerk Andera led the Pledge of Allegiance.

Andera/Schulte motion to approve the agenda. Motion passed 6-0.

Mrs. Sally Schultz was honored as the Kewaskum School District Support Person of the Quarter. Mrs. Marilyn Terlinden, who was not able to be present, was also chosen for recognition.

The Student Representative reported on upcoming events sponsored by the Student Council at Kewaskum High School.

Each building administrator summarized various activities taking place in the schools.

Audience to Visitors: Receiving of Delegations:

Ray Engelking inquired about the location of the plaque that was donated to the District listing the names of volunteers who were instrumental in passing the referendum. Mr. Weare will reply to Mr. Engelking's inquiry in 30 days or less.

Carol Zoerb updated the Board on OM activities.

Mary Andera reported that she and Jean Goeden recently visited Mrs. Dallmann's kindergarten class at FES where they observed Mrs. Olsen working with the students on sounds. They were impressed with the early intervention process being used.

Mrs. Andera announced that the Kewaskum Pride Show Team Baton Twirlers took first place in a recent competition.

Ron Beimbom related that he attended the OM Competition in New Holstein and had an enjoyable time. Mr. Beimbom asked for an explanation with regard to newspaper and radio reports that the District was pursuing a license for a business manager. Dr. Johnson replied that the decision to apply for a license was an administrative decision to fill a void in the business office utilizing present staff who may qualify.

Sparks/Schmitt motion to approve the February 12, 1996 Regular Meeting minutes. Motion passed 5-0.

Andera/Schmitt motion to approve an increase in substitute janitor pay from \$5.80 per hour to \$6.50 per hour, and an increase for substitute maintenance technician from \$7.75 to \$8.45 per hour. Motion passed 5-0.

Andera/Schulte motion to approve the bid from Byco, Inc. of \$8,418 for tile replacement in the hallway and gym at FES.

Motion passed 5-0.

The next FTBG Committee meeting is scheduled for March 18, 1996 at 7:00 p.m. in the District Office.

Schulte/Schmitt motion to approve the second reading of Policy 751.3-Extra Curricular Transportation and Policy 751.6-Alternative Student Transportation. (Regarding Policy 751.3 there should be a change made to #7 - \$150,000 of insurance coverage should be changed to \$100,000). Motion passed 5-0.

The following policies were read for the first time: 751.1-Bus Routing, Scheduling and Discipline; 852.1-Distribution of Materials to Students; 443.4-Student Alcohol/Drug Abuse; 761.2-Lunch Tickets (delete); 763-Vending Machines (delete).

The next Policy Meeting is scheduled for March 25, 1996 beginning at 7:00 p.m. in the District Office.

Sparks/Andera motion to approve the payroll and accounts payable in the amount of \$981,206.68. Motion passed 5-0.

Sparks/Schmitt motion to hire Entre P.C. Solutions, Inc. to assess the District's technology needs, at a cost not to exceed \$10,000. Motion passed 5-0.

Sparks/Andera motion that the third snow day be made up 1/2 day at the discretion of the building principal and 1/2 day on the afternoon of June 7, 1996. Motion passed 5-0.

Schulte/Andera motion to change the Board Sub-Committee to an Advisory Study Group and to re-define the group's mission, having them review and screen gathered research on strategic plans and then report their observations to the full board. Motion passed 4-1 with Ron Beimbom voting no.

Schmitt/Sparks motion to approve Dr. Anthony Evers as the Strategic Planning Facilitator, to commit to April 26 and 27, 1996 as the strategic planning session dates, and approve the composition of the planning group. Motion passed 5-0.

Administrative Notes:

Dr. Johnson noted that a staffing update will be presented at the April Regular Meeting. The development of the 1996-97 budget is progressing and will be presented to the FTBG Committee in April, and to the full Board at a worksession on May 8th. A listing of upcoming Board events was distributed.

Schulte/Andera motion to send a letter of inquiry to the Village Administrator regarding the District's possible use of the CVC. Motion passed 5-0.

Sparks/Schmitt motion to approve the 1996 summer school plan as presented by Mr. Wilson. Motion passed 5-0.

Dr. Johnson and Mr. Allmann presented the School Performance Report and the results of the Fall 1995 test scores for the District. Discussion ensued.

Mr. Allmann briefed the Board on this year's progress on the School to Work Program and projections for 1996-97.

Sparks/Andera motion to approve 3 hours per day of additional aide time at FES. Motion

passed 5-0.

Andera/Weare motion to approve a full-time remedial reading teacher position for the 1996-97 school year. Motion passed 3-1-1 with John Schulte voting no and Ruth Schmitt abstaining.

Schmitt/Schulte motion to approve an extension of child care leave through the remainder of the 1995-96 school year to Marilyn Krantz. Motion passed 5-0.

Andera/Sparks motion to approve Clark Pearson's resignation as head high school football coach. Motion passed 5-0.

Andera/Sparks motion to approve the resignation of Chuck Heidner as high school principal, with regret. Motion passed 5-0.

Andera/Sparks motion to adjourn. Motion passed 5-0. The meeting adjourned at 9:50 p.m.

Special Meeting

### MINUTES

President Weare called the meeting to order at 6:05 p.m.

Board members present: Ruth Schmitt, Karen Sparks, Neal Weare, John Schulte, Jean Goeden, Mary Andera.

Board member absent: Ron Beimbom.

Also present: Newly elected board member Larry Fechter.

President Weare informed the Board that four consulting firms had previously replied to the board's invitation to make a presentation regarding services they would provide for the superintendent search.

The Board interviewed representatives from Hazard, Young, Bickert and Associates, Ltd.

The Board interviewed a representative from the WASB.

Mrs. Schmitt left the meeting at 7:30 p.m.

The Board interviewed a representative from The Emerald Group.

The Board interviewed a representative from Buntrock and Associates, Inc.

Following the interviews, discussion ensued with regard to which firm should be selected to conduct the superintendent search for the district.

The majority of the board felt that the services of the WASB would best fit the needs of the District at this time.

The Board will discuss the matter further at the April 8th Regular Board Meeting and make a decision at that time.

The meeting adjourned at 9:25 p.m.

## Cookbook to Benefit MS

The year of 1995 initiated a cookbook entitled, "COOKING FOR FRIENDS AND FAMILY" with profits to benefit the MULTIPLE SCLEROSIS SOCIETY. We are proud to announce that in September of last year a donation of \$1000.00 was directed to the Wisconsin Chapter's Diamond Research Honor Roll Fund. It will be used to support the research work of Dr. John Fleming at the University of Wisconsin in Madison, Wisconsin.

The private donated monies, time and effort by volunteers made the cookbooks debut a success. However, we can not stop here. Multiple Sclerosis is a central nervous system disease that strikes our young adults between the ages of 20-40. It runs the gamut from blurred vision, numbness in extremities, absence of balance and co-ordination to complete paralyzation. MS strikes 1 out of 1000 young people. These young adults are people who have a career, studying to further their education or parents of young families. Their lives are stopped short!! The research is long and tedious because of the difficulty in diagnosing due to the different degrees and variable symptoms.

The cookbook fundraiser needs to keep

going for all MS people and some day there will be a cure.

The cookbook is a 400 recipe, hard cover, spiral bound book. We have had many compliments on the versatile cover design as well as the recipe contents. It makes an excellent gift for wedding showers, birthdays, teachers, thank you gifts, anniversaries, or just a special gift for friend or co-workers. The cookbook can be obtained by writing to R & G Leavens, P.O. Box 87, Kewaskum, WI 53040. The book sells for \$9.00 plus \$2.00 shipping.

If you want to know more about Multiple Sclerosis or need assistance, the National Multiple Sclerosis Society, Wisconsin Chapter is always available to help. You may reach them at 1-800-242-3358. You may also reach the National Multiple Sclerosis Society at 1-800-FIGHT MS.

Two toads of central and southwestern Europe are called midwife or obstetrical toads because the male helps care for the eggs. The male fastens them to his legs and carries them until they hatch. He usually hides under a stone or some other place while carrying them, but comes out after dark to bathe the eggs in a pond or stream.

## SPECIAL MEETING NOTICE

## OFFICIAL NOTICE

The Kewaskum School District's Strategic Planning Group will meet Friday, April 26, 1996 beginning at 6:00 p.m., and Saturday, April 27, 1996 beginning at 8:00 a.m. at the Town of Kewaskum Town Hall, Hwy. 28 East. The proceedings are open to the public.

## Increased Walleye Length Limits Would Benefit Stocked Lakes

MADISON - About 270 Wisconsin lakes and rivers would be subject to special walleye regulations that would allow anglers to keep only certain size fish, under changes to fishing regulations that are being proposed as part of a major revision of the state's walleye management plan.

The proposed changes were to be voted on by the public on April 8, at the Department of Natural Resources Spring Fish and Wildlife Hearings and Annual Conservation Congress County Meetings that are held in every county of the state.

The proposed rule changes would establish a category system that would match the regulations to type of walleye population found in the water body, explains Tim Simonson, a regulations specialist with the Department of Natural Resources Bureau of Fisheries Management.

The most restrictive category size being proposed is an 18-inch minimum length limit with a daily bag limit of three fish. It is being proposed for only 28 of the 270 waters that would be subject to category regulations. Many of the lakes affected are located in southern Wisconsin and have walleye populations that are totally dependant on stocking.

The waters that would be subject to an 18-inch minimum, Simonson says, generally have one of two types of walleye fisheries: waters with a low density of naturally reproducing walleye and waters in which the walleye population is maintained entirely through stocking.

In waters that have a low density of naturally reproducing walleye, the objective of this strategy is to increase the number of fish that are large enough to spawn. In waters where walleye populations are main-

tained entirely through stocking, the objective is to increase the overall numbers of walleyes to improve fishing opportunities, Simonson says.

In some waters where the walleye fishery is maintained by stocking, walleye densities are so low that very few anglers catch fish, Simonson notes. "Since the walleye fishing in these waters is currently poor because of the shortage of walleye, the short-term effect on anglers will be minimal. However, the long-term benefit to anglers should be better fishing," he says.

Lake Mendota near Madison in southern Wisconsin offers an example of how this approach can improve fishing, says Mike Vogelsang, DNR fisheries biologist for Madison area lakes. Prior to 1991, intensive stocking of Lake Mendota did not greatly improve the density of walleye because heavy fishing pressure removed up to 70% of the stocked fish annually, Vogelsang says.

Beginning in 1991, the state set an 18-inch length limit with a daily bag limit of three fish for walleye.

"Prior to the length limit, it took the average angler about 50 hours to catch a walleye. Now it takes about five hours, which is better than average times for Lake Tomahawk in Oneida County and Minocqua Lake in Vilas County," he says.

Studies show that Lake Mendota now has more large walleyes available to anglers than it had before the new regulations. "Prior to the length limit, most walleye in the population

were 12 to 13 inches, with very few fish larger than 19 inches. Now, the most common size is 17 inches, and the number of fish 19 inches and larger has increased threefold," Vogelsang says.

Simonson says that many anglers believe that "this type of regulation will greatly reduce the number of fish they can keep for the frying pan. But we are proposing to apply this regulation on stocked lakes where harvest rates are generally poor to begin with."

While harvest rates on lakes like Mendota will probably never equal those on lakes with better natural walleye fisheries, harvest rates did increase on Lake Mendota under the 18-inch length limit.

"Today, it's worthwhile to fish Mendota for walleye. We wouldn't have said that five years ago," Simonson says. "Your chances of taking home a meal are better than they were prior to the 18-inch length limit, and you'll catch a lot more fish in the process."

## Alfalfa Researcher, Dr. Paul Sun, Recognized

WEST BEND -- Dr. Paul Sun, vice-president of research for Dairyland Seed Company, Inc., has been recognized by the Certified Alfalfa Seed Council for "excellence in alfalfa genetic improvement." Sun, the Alfalfa Industry Award winner, received the commendation during the 26th National Alfalfa Symposium, held recently in East Lansing, Michigan.

Dr. Sun's research contributions focused on improving alfalfa yield, persistence and new technology. Most recently was the author Dairyland's Sequential Maturity TM Alfalfa patent application. This new technology assures that these alfalfas have distinctly different maturities, thus enabling farmers to harvest a continual flow of

high quality bud stage hay.

During his 14 years with Dairyland Seed, Dr. Sun has been the primary speaker at more than 100 alfalfa management clinics and shared his knowledge with thousands of farmers. His thrust at these clinics has been to teach farmers how to manage their fields properly to maximize their return on alfalfa. He received his education at the University of Wisconsin-Madison.

## Sue Daggett Leads Illinois Redbirds With Impressive Track and Field Performances

By Sharon Callaway Roznik

Sue Daggett, a junior distance runner at Illinois State University, has been leading the way for her team, the Redbirds, as they experience a fantastic track and field season.

The daughter of Wally and Joan Daggett of Kewaskum, Sue has made a national name for herself in the world of college athletics. Her impressive track and field resume only gets better each year, and Daggett's dependability out on the track provides a strong nucleus for the team.

A 1994 academic All-American, Sue has earned herself four conference titles in the 5,000 and 10,000 meter runs, and presently holds league records in both events, as the defending league champion. This past fall, she won Missouri Valley Conference and NCAA (National Collegiate Athletic Association) District V cross country titles, making her the 1995 MVC and District V cross country champion.

Daggett was named academic all-American last season by the United States Women's Cross Country Coaches Association, and is also a two time academic all conference pick. Last fall, she ran to league and district cross country titles, advanced to the finals in the '94 NCAA outdoor championship, and was conference champion in the indoor 5,000 meter run, and the outdoor 10,000.

Sue owns the school's third best times in the indoor 3,000 and 5,000 and the outdoor 5,000 and 10,000. Head Coach John Coughlan says of his star performer, "After a fantastic cross country season, we think Sue will have a fantastic track season. It's conceivable she'll qualify nationally in cross country, the indoor 3,000 and 5,000 and the outdoor 3,000, 5,000 and 10,000."

Illinois State's 1995 cross country team was ranked as high as fourth in the 27 team District V, while last year's indoor track and field squad ascended to a national ranking of sixth. Led by Daggett's individual titles, the team roared to a fifth place finish in the NCAA District V meet in Stillwater, Oklahoma. Daggett's victory, the first district title for a

Redbird in 13 years, highlighted an incredible season for the Random Lake native, who has evolved into the MVC's most dominant runner over the course of the year.

Beginning the '95 season with wins at both the Bradley and Illinois State invitationals, Sue earned the MVC's athlete of the week award on both occasions. A fourth place finish at the Notre Dame invitational was followed by a 27th place showing at the Iowa State Memorial Classic. At the conference meet two weeks later, Daggett turned in a career best 17:20 to win the individual crown, Illinois State's first such title in 11 years.

The junior proved to be the team's lone representative at the NCAA championships, where she battled strep throat, a 104 degree temperature, and a rugged Iowa State course to finish 80th.

On March 8 and 9, Sue took 11th place at the NCAA Championship in Indianapolis, missing 10th place by 1/400 of a second, which would have made her All-American in Division One, comprised of the top schools across the country.

Last week, on April 12 and 13, Daggett traveled to Knoxville, TN, for

the Sea Ray Relays, competing against 35 other Division One runners. She took home a second in the 5,000 meter, with a time of 16.29 seconds, qualifying her for the Division One National Championships, being held May 27 through June 1 in Eugene, Oregon. "I intend to improve on this time," she told her Dad, Wally, during a phone conversation after the meet.

Her next big competition will take her to the Drake Relays in Des Moines, Iowa, on April 26 and 27, which is one of the biggest outdoor track meets in the United States.

Sue Daggett's goal is to improve her personal record to 16.20 seconds, which would allow her the honor of trying out for the Olympics. With her record, determination and love of the sport, anything is possible.

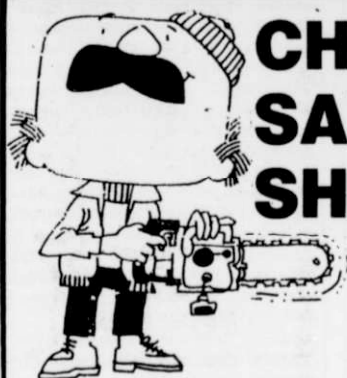

Marsh Mallow is a plant that grows in meadows and marshes of eastern Europe. It is now grown in the U.S. During famines, people have eaten the roots. The root was once used as an ingredient in the candy called marshmallow.

## Assembly Amends, Passes Woman's Right to Know Bill

MADISON -- The "Woman's Right to Know Act" was repaired by the Assembly on March 14, and sent back to the State Senate for concurrence on a bi-partisan vote of 64-34.

Requiring informed consent before an abortion, the bill was introduced in the Assembly by Representative Glenn Grothman (R-West Bend) and in the Senate by Sen. Gary Drzewiecki (R-Pulaski). Assembly Bill 441 ensures that a woman, seeking an abortion would receive detailed and accurate information at least 24-hours prior to the abortion.

When the bill came before the Senate on March 7, an amendment was added that would

have allowed any woman who asserts she was a victim of sexual assault to be denied complete and accurate information about the risks of abortion, fetal development and alternatives to abortion, as well as waiving the 24-hour reflection period. The Assembly changed the bill so that it now allows a woman who has reported her sexual assault to the police to waive the 24-hour reflection period, but she will still receive all the pertinent information that all abortion patients do.

Assembly Bill 441 will return to the Senate for final approval. It will then be sent to Governor Tommy Thompson who is expected to sign it.

# KHS Boys Third at Kiel

The Kewaskum boys track team scored 50 points to place third behind host Kiel who scored 76 points, followed by Chilton with 62 points and ahead of Sheboygan Lutheran with 26 points on Tuesday, April 9.

The Indians, backed by four firsts and three seconds, showed that their sprinters and relay teams are going to be a strong point this season.

Joe Rettler, running as the lone entry in the 400m dash, posted his first win of the season with a time of 54.76. "Joe ran an exceptional race building up a sizable lead and then holding off Kiel's ace Jamie Arenz," reported Coach Jerry Gosa. Usually Rettler and Matt Tonn run the 400m dash, but Matt Tonn, who recently broke the school indoor record at Oshkosh, could be out at least two to three weeks with mononucleosis.

The 400m relay team of Andy Rix, Brian Butschlick, Aaron Kurth and Ryan Herman ran well and won with a time of 47.11. "Brian Butschlick ran very well filling in for Jason Barrett who was on vacation," commented Coach Gosa.

In the closest race of the night, Ryan Herman ran a blistering 200m dash in 24.52 to beat Rhines of Kiel who was timed in 24.54. Andy Rix of Kewaskum was close behind and placed third in 25.3.

Kewaskum's 1600m relay team of Andy Rix, Joe Rettler, Aaron Kurth and Ryan Herman won the last event of the evening with an impressive early outdoor time of 3:40.78. Ryan Herman, filling in for Tonn, ran on the relay team for the first time. Herman's anchoring leg split of 54.5 was greatly appreciated by members of the relay team.

"Ryan had never run a 400 before, so it took some reassurance from his coach to convince him that he definitely could do it. Anyone who can run nine 600s in practice, can run one 400 in a

meet," commented Coach Gosa to Herman.

In the 100m dash, Herman took second in 12.1 and Aaron Kurth third in 12.4. Erik Kopecky, who had previously ran only the 1600m, placed second in the 800m with a time of 2:18.7. Brian Liegl placed second in the shot put with a toss of 41'7" and Nate Judnic placed fourth with 34'4".

When asked about the team, Gosa commented that he was pleased with the work ethic displayed early in the season and hoped that the team would continue working hard.

Newcomer Bob LeMay, placed third in the

1600m run with a time of 5:09.3. The 3200m relay of Alex Weber, Travis Luedtke, Nathan Weiss, and Sean Cotter also took third in 9:47.3.

Nathan Weiss, a freshman, ran a 2:18 split and continues to improve. In the long jump, Brian Butschlick continues to struggle with scratching and placed fourth with a jump of 17' 8 1/2".

The addition of 10-12 members to the track team and especially seniors Joe Rettler and Ryan Herman have provided a nice boost to the team. With 17 different events in track, a track team probably never has enough athletes. You definitely need talented athletes to compete in the Eastern Wisconsin Conference.

# KHS Girls Track Team First in Triangular

By Perry Koth

After experiencing a great deal of success indoors, it was time for the Kewaskum girls track team to turn its attention to the great outdoors.

With several varsity athletes missing due to vacations, it would be a test of how deep this year's squad is. Competing in a quadrangular meet in Kewaskum, the Lady Indians started the outdoor season in great style by outscoring second place Chilton 86-68.

The Indians were led by sophomore Carrie Wiesner who won three events, 100m hurdles (17.9), 300m hurdles (54.9), and the long jump (13'11"). The hurdle event looked very strong

as Kewaskum finished first, second and third (Wiesner, JoAnne Thull, Heather Downs) in the 100's and first and second (Wiesner, Jackie Michaels) in the 300's.

Michaels is a freshman, Wiesner and Thull are sophomores and Downs a junior, so it looks like the hurdle events are going to be strong for KHS for the next few years.

Michaels also placed second in the long jump. Jackie is another young competitor who has shown real potential for the Indians. Jenny Jagielski won her two events, 100m dash (12.4) and 200m dash (28.6) while Rachel Nysse won the shot put with a throw of 34'6".

The discuss was canceled due to wet grounds

along with the high jump or Kewaskum's margin of victory may have been even larger.

Freshman Carol Neumann ran very well for KHS as she won the 1600m run (5:58) and finished second in the 800m run (2:42). Carol is one of the team's hardest workers and is showing great potential.

Kewaskum's other first place came in the 1600m relay (4:46.7) with Jamie Gaffke, Ann Bodden, Carrie Wiesner and Laura Weiss winning the final event.

## KHS Boys Tie for Second at Campbellsport Invitational

The Kewaskum boys track team scored 72 points to tie for second with Winnebago Lutheran Academy at the Campbellsport Track and Field Invitational on Friday, April 12.

Winning the invite was Saint Mary's Springs with 118 points. Host Campbellsport scored 45 points, three points ahead of Laconia. The track meet was held on a cold, windy, foggy and miserable night with the last event of the meet, the 1600m relay, finishing at about 9:45 p.m.

Highlights for Kewaskum were the four first places, five second places and two third places. Once again the two relays won first place. The 400m relay team of Brian Rix, Aaron Kurth, Andy Butschlick, and Ryan Herman ran close to their best time in 47.2.

Kewaskum was in third place overall before the running of the 1600m relay, but their first place finish in this event pushed Kewaskum into a tie for second place in the final medal standings.

Again it was Andy Rix, Joe Rettler, Aaron Kurth and Ryan Herman running a solid 3:43.1. "Ryan Herman again did a nice job anchoring with a 54.5 split and filling in for Matt Tonn, who is out with mononucleosis. Aaron Kurth and Andy Rix, who have been running this event on varsity for three years, along with Joe Rettler this season, continue to be very steady performers," commented coach Jerry Gosa.

In the 800m run, junior Eric Kopecky and sophomore Troy Staehler

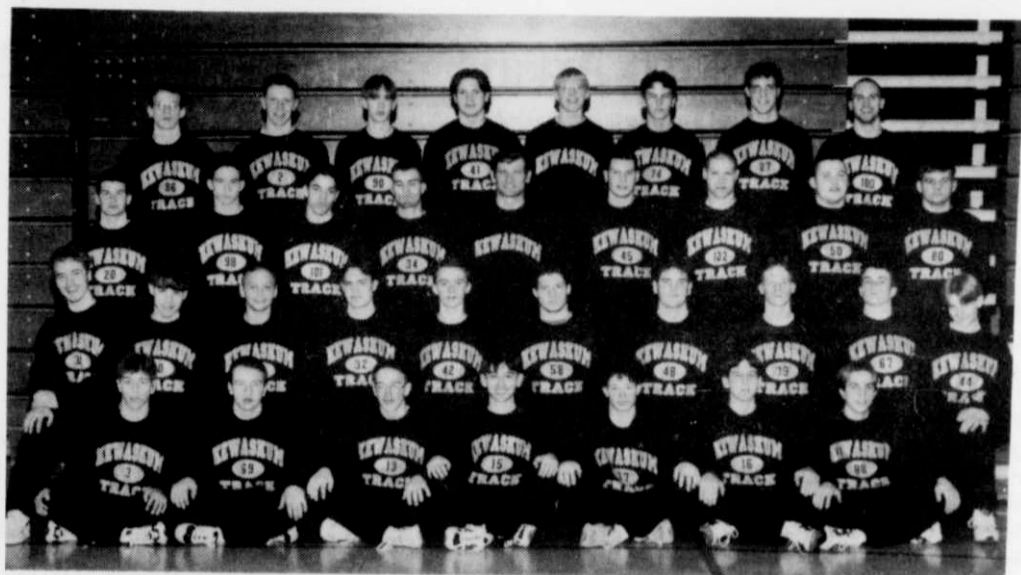

battled it out exchanging leads on the last lap, with Eric finishing first in 2:17.3 and Troy second in 2:17.7.

The pole vault proved to be a pleasant surprise for Kewaskum, as the Indians three participants were the only contestants. Brad Luterbach, Troy Staehler, and Jason Froemming all cleared nine feet. Luterbach and Staehler tied for first place based on misses. Jason Froemming's height was a personal best.

In the discus, Brian Liegl's personal best throw of 138'1" was good for second place. "The discus is Brian's favorite event. That's a good throw for his first competition of the season," stated the throwing coach, Dave Rizzardi. Brian has set a goal of breaking Jeff Taylor's record of 147'9" set in 1989.

Joe Rettler took second in the 400m dash with a time of 55.6, while Andy Rix also took a second in the 200m dash with a time of 25.5. Ryan Herman did not run in the finals of the 200m dash due to a costly false start in the preliminaries.

Sean Cotter took third place in the high jump with a leap of 5'6" and Brian Butschlick took fifth in the long jump with a jump of 16'11 1/2". "I was very pleased that our athletes didn't let the weather interfere with their concentration or efforts on such a miserable night. It also was nice to see the boys team finish in second place -- definitely a highlight for the team,"

### KHS BOYS TRACK TEAM

First row, left to right: Damien Doherty, Greg Holub, Jeremy Hawig, Alex Weber, Troy Staehler, Nathan Weiss, Bob LeMay. Second row: Brad Hermann, Josh Reider, Brandon Hanson, Eric Schoedel, Danny Wall, Jeremy Clark, Nate Judnic, Andrew Palmer, Brad Luterbach, Josh Dieringer. Third row: Andy Rix, Jim Kopecky, Aaron Kurth, Matthew Tonn, Coach Gerald Gosa, Jason Froemming, Jason Barrett, Matt Gundrum, Mike Smith. Back row: Brian Liegl, Ryan Hermann, Jay Krolnik, Sean Cotter, Matt Hammen, Jeff Wilson, Joe Rettler, Brian Butschlick.

commented Coach Gosa.

The boys' team does not have a track meet the week of April 15th, but will be gearing up for the Washington County Outdoor Track and Field Meet Tuesday, April 23. Field events will start at 4 p.m. and running events at 4:15 p.m. at Germantown High School.

The name for the sixth day of the week—Friday—comes from the Anglo-Saxon word Friggedæg, which means Frigg's day. Frigg is the goddess of love in Norse mythology.

## Klug Enrolls in Accelerated Genetics' PACE Program

WESTBY -- Floyd Klug, Kewaskum, has recently enrolled in Accelerated Genetics' PACE Program. PACE -- Progressive Action Through Cooperative Efforts, is Accelerated Genetics' Young Sire Sampling Program. Through the use of young sires, dairy producers obtain the newest genetics in the A.I. industry and help prove the sires in the A.I. industry.

Additional PACE benefits include young sire semen available at a lower cost, a \$5.00 credit on calving ease informa-

tion submitted for each heifer or bull born within 15 months of the date of the semen allocation, a 50% discount on Accelerated Genetics' GEM program, and a \$25 credit for a PACE sire's daughter who appears on the bulls' second USDA Sire Summary, depending on the type of DHI test, and length of lactation.

# KHS Girls 'Run Away' With Cougar Invitational

By Perry Koth

It's just a short jog to Campbellsport High School, but the Kewaskum girls track team ran away with the Cougar Invitational held last Friday. Missing several girls due to illness, did not slow down the strong Kewaskum squad, as they won by outscoring second place Campbellsport by 49 points, 120-71.

While the wind and cold hampered several events, it didn't stop the discuss throwers from having some fine performances. Katie Yogerst's outstanding throw of 113 feet was good for first place, while Rachel Nysse (second place) and Angie Brietag (fourth place) threw for 98'4" and 83'8" respectively.

The Indians also took first and second place in the shot put as Yogerst and Nysse reversed positions with Nysse throwing 34' 1/2" and Yogerst close behind at 32'11 1/2".

The hurdles continued to be a strong event as Carrie Wiesner took first in the 100m hurdles (18.1) and second in the 300m hurdles (51.9) while junior Heather Downs placed fourth (18.5) as she continues her comeback.

Jenny Jagielski continued her winning ways,

winning the 100m dash (13.6) and the 200m dash (28.4) both times edging out LAC's Sandy De Vries.

Freshman Carol Neumann, replacing Marni Lynn, who was ill, won both 1600m run (6:04) and the 800m run (2:43.5). Carol has really been a bright spot in the distance events so far this year.

In the 400m relay, Kenzie Downs, Jenny Strobel, Bridget Baum, and Kelly Schreffler ran a 56.5 good enough for first place. The Cougars got first four places with Jenny Walta leading the way by winning the Long (14'6 1/2) and Triple (29'3 1/2") jumps.

Campbellsport's outstanding 3200 relay team (Berres, Tibbits, Walloch, Feucht) won their event in 10:51, while the 800m relay team of Klein, Baltz, Walta, and Feucht edged out Kewaskum for first place with both teams having identical times (1:56.8).
