Outgoing Board Addresses CVC and Consultant Firm

By Lana Harbeck Kuehl

The Kewaskum School Board addressed various issues under new business at their April meeting.

Following an update on 1996-97 staffing and the Strategic Planning Workshop, Dr. Johnson brought up the fact the Village of Kewaskum has recently put

up for sale the CVC (Central Village Complex) on Main Street for \$200,000.

Dr. Johnson stated he believed the issue should be left to the Building and Grounds Committee to initiate a review to see if that does fit any need of the district in the future. He added he was also pursuing any other options such as lease with option to buy, etc.

Dr. Johnson had prepared data on the costs of upgrading the building and longer term issues on accessibility, stating, "There's no obstacle that couldn't be overcome, even in accessibility, if the board viewed that as a building that could be of use to the district in the future."

When asked about parking, Dr. Johnson stated there would be an easement with eight parking spaces and it was his understanding the whole area was going to be utilized as a parking area.

Board member Ron Beimborn reminded his fellow board members about the sidewalk issue and urged Dr. Johnson, however the decision ends up, to get in writing any options needed for parking access.

President Weare stated, "I will ask the Building and Grounds Committee to make sure those questions are answered to your satisfaction before they bring a recommendation back to the board."

Newly-elected board member Tom Timblin stated he had talked to Village Administrator Dan Schmidt and stated, "When all the dust settles, I don't think parking is going to be an issue. We'll just have to go into it with our eyes open." Timblin then asked, being a new board member and a little naive, what the process would be if the board would have an interest in purchasing the building.

Dr. Johnson stated the board is restricted and cannot simply buy a property without notifying the public and it being put on the annual meeting agenda. Johnson added, "I don't want to talk out of school, but I suspect that if the school district if we saw that it fit so that we could free up the current district office for what it was intended for... which we will have a need next year for another classroom. I would think if the district made its intention clear at some point, then perhaps the village would take into account that our particular situation that until July 22 there could be no real decision at all. It's only theory until then."

In answering Timblin's

question, President Weare added the Building and Grounds Committee would look at it, review it and see, along with the Feasibility Study Group, if it does fit into the plans. If it would, it would be announced properly to get it onto the Annual Meeting agenda and ask the voters to either give permission to purchase the property or vote it down.

Board member Ruth Schmitt stated if there was enough money within the budget to purchase it, then that decision could be made without a special meeting. Schmitt also asked if there were any plans to put any classes of students in the building or if it was going to be utilized strictly for administrative.

Dr. Johnson answered he believed this could be used as a future training/education building, stating, "There is a lot of potential in that building for both training and education. There's classroom space downstairs; there's a large meeting room; there's separate access... you can lock up the administration area and still use the building. It's set up to have functions going at the same time. My hope is that this would be a complex that could include classrooms, or could include professional development, or could include night classes for the community... I think it should be a building that is really used."

When asked about utilizing the building for staff

School Board Officers Elected

Election of officers was the first order of business at Monday evening's Kewaskum School Board Re-Organizational Meeting. Former Board President Neal Weare was nominated but in a surprise announcement, said he had decided to decline the nomination. Shown above are the 1996-97 School Board Officers. Front row, left to right: newly-elected Board President Jean Goeden and re-elected Clerk Mary Andera. In the back row are new board members Jon Downs, Treasurer, and Tom Timblin, Vice President. It was the first "official" meeting for the new board members. Clerk Andera commented, "I would like to take this opportunity on behalf of Mrs. Goeden, Mr. Schulte and myself to thank you Mr. Weare for your past year as president of the Kewaskum School Board. In representing our views you professionally and vigilantly navigated the board through some very turbulent waters this year. You displayed exemplary integrity and leadership by taking the responsibility for the entire board on controversial matters handling adversity with dignity and courage and never losing your cool. The good of the Kewaskum School District was in focus at all times and you never changed that focus. We believe that our district is on the right course to not only achieving excellence in education but to setting the standards for excellence in accountability as well. Your efforts are imbedded deeply into this action and for that we are grateful. Thank you."

KHS Forensics Team Excels at State

Two groups and three individuals brought home gold medals from State forensics competition at Madison, Friday night, April 19. These accomplishments marked some of the best scores ever achieved by Kewaskum High School speakers. Both group presentations were composed of seniors. The play acting team of Carrie Stoffel, Tina Kamrath, Tammy Theisen, and Sarah Ritger, doing "The Silver Girls," earned a perfect score of 25 points, as did the group interpretive selection "Traffic Infraction" done by Jenny Schulte, Heather Amerling, Jenny Ebert, and Jill Weiss. Also receiving top honors were senior Carrie Krell, a three-year veteran in prose, sophomore Troy Staehler in his first attempt at radio speaking, and freshman Lisa Dehler in her first performance of solo acting humorous.

Receiving silver medals for scores of 23 or 24 points were seniors Laura Fleischman and Jenny Goodsell in play acting, junior Renee Dahman in poetry, sophomores Bridget Baum in story telling and Sarah Bausch in four minute, and freshman Emma

Chambers in solo acting humorous.

Bronze medals were awarded to the following participants for achieving scores of 20, 21, or 22: seniors Katrina Gilles, Brian Kleinke, Gregg Serwe, and Jennie Theisen in group interpretive, John Hahn in poetry, and Jennifer Schmidt in demonstration; juniors Brad Luterbach in radio speaking and Marnie Winninghoff in four minute; sophomores Matt Fehlhaber in moments in history, Jenny Immel in Farrago, Amy Liepert in poetry, and Jody Schmidt in prose; and freshmen Coral Choinski in prose and Jackie Wendegatz in poetry.

No students received fewer than 20 out of a possible 25 points. Of special significance are the accomplishments of Jennifer Goodsell, the MVP of the season. Jenny is a four-year veteran whose talent has earned her great success in the highest point total of all participants. Coaches Judith Jacak and Elizabeth Rydzik thank the students for their hard work and dedication. They are proud of all their team's accomplishments.

Outgoing Board

(Continued from Page 1)

development, Johnson stated, "It has just unlimited potential. If you let a few minds go on this thing, within the faculty, I think we could develop all kinds of ideas. I clearly think it's a building worthy of your look... your critical review."

(When the Building and Grounds Committee visited the CVC Building on Monday evening, April 15, it was recommended to consult an architectural firm to get a cost estimate on exactly how much it would cost the district to upgrade the building to suit their needs. The firm will also be taking a look at the outlying schools to give a recommendation on whether or not these schools could be expanded to accommodate growing enrollment if necessary and what these costs would be.)

The Board approved a post remedial reading teacher contract, the appointment of Patricia Lato as KMS assistant volleyball coach, named Perry Koth as head football coach, and the resignation of an OM coach.

The Board also moved to accept with regret the retirement notice of Kewaskum Elementary School Principal and Director of Special Education Richard Zarlino who will retire effective July 1, 1996. Principal Zarlino has served the Kewaskum School District for 36 years.

The last item on the agenda concerned the approval of a consulting firm for the School District Superintendent Search. President Weare stated, "At the interviews that were conducted on March 26, it was the consensus of the majority of the board at that time, to recommend WASB as the consulting firm."

Board member Karen Sparks addressed the board, saying, "Not all the board members were at that whole meeting, and I would say that there was not a consensus, a consensus means everyone agrees. Three people felt that we should accept the WASB process and I felt that we should go with the Emerald Group."

Sparks stated the difference in the presentations made by the two groups were fairly substantial. She said, "The WASB search process has a policy not to actively recruit current sitting superintendents. The process that they use involves advertising, word of mouth and inside knowledge. They will not take our profile and go out and seek that particular person." Sparks added, "The WASB representative said that the pool of candidates from their perspective was very narrow and very shallow, meaning that there isn't a lot of experience or high quality in that pool. Their

pool is narrow and shallow because they will not go out and actively recruit their members. That's their policy. The Emerald Group will actively recruit. I personally like the process the Emerald Group uses in getting community input into the profile. They have an 800 phone number that's assigned to our district where anyone in the community can call and leave a recorded message about their feelings or their opinions as to what qualities would be appropriate for the candidate."

Sparks added she felt going with the WASB would definitely limit the pool of candidates. She stressed that her feelings do not indicate that Dr. Johnson would not be a viable candidate for the position.

She stated, "I believe if we go through a real to real search and Dr. Johnson comes out to be the best candidate that will validate him in his role and empower him where if we do a search that is half-hearted, we will simply continue with divisiveness. If we just go through the motions, it will do more harm than good."

Sparks added the difference in the cost she felt was really very minimal... \$6,000 as compared to \$9,000 or \$10,000.

Jean Goeden stated she had attended a workshop for WASB and they would also come to the district and take a profile. They would also visit the staff, the community and interview the board members and go from there. Goeden said, "They do a very thorough search and come to the community to talk to them about it. I also believe that the Emerald Group is

very good... they are very thorough... Mr. Richert was very forthright and also a very good salesman. I guess I just question the word headhunter when he did so state that." For that reason Goeden stated she was sticking to her recommendation to go with the WASB.

A member of the audience, Mike Miller, stated he felt the community needs to be openly involved in setting the profile. Another member of the audience, Laura Wachler, added she was very impressed with the Emerald Group and as a community member she would like to see the board go with the Emerald Group.

Future board member Larry Fechter stated he was concerned about the Emerald Group because they do go out and seek people themselves without advertising and soliciting. Fechter added he thought community involvement was important "but the thing to keep in mind is that there is a faction in the community that don't even want us to do a search."

The board then voted on Goeden's motion to go with WASB. It became a mute issue, with the vote going three to three, Goeden, Schulte and Weare voting yes, and Schmitt, Sparks and Beimborn voting no.

Karen Sparks then made a motion to go with the Emerald Group which also died on a three to three vote with Goeden, Schulte and Weare voting no and Schmitt, Sparks and Beimborn voting yes.

President Weare stated because the vote on the consultant search became a mute issue it would have to be taken up at a later date. If there were no objections, he asked if it could be placed on the next agenda.

Student Council, Others Sponsoring Post-Prom Party

The Kewaskum High School Student Council, along with The Council on Alcohol and Other Drug Abuse of Washington County, United Way of Washington County and the Kewaskum Indian Booster Club is planning a Post-Prom Party for the students of KHS.

Students going to the Y.M.C.A. in West Bend will either board school buses at 11:30 p.m., on May 4, right after the dance, or drive themselves on this short trip to the "Y."

The party will run from 12:00 midnight until 4:00 a.m., May 5, at which time the students who rode the buses will load up and return to Kewaskum High School by 4:15 a.m. Students who drove to the "Y" will

also be able to leave at 4:00 a.m.

Activities for the evening include swimming, racquetball, basketball, volleyball, table tennis, movies, Karaoke, Bunge Run, as well as lots of food and soda for the students.

Help is still needed in the form of cash donations, prizes for the students, baked goods and volunteers to help chaperone the many areas and events that are being planned. If you can help in any way, please contact Larry Ammel, Student Council Advisor at 626-2166-school, or 626-4731-home, by Wednesday, May 1, 1996.

The Student Council members wishes to thank you for your interest and help in the Post-Prom Party.

Senior Citizens Prom May 5

The Kewaskum High School Student Council wishes to invite all Senior Citizens in the Kewaskum area to the 4th Annual Senior Citizens Prom.

This dance will be held on Sunday, May 5, in Rose Hall at the high school, and will go from 1:00 to 4:00 p.m. There will be an admission cost of \$3.00 to help pay for the cost of the event. Refreshments will be served throughout the afternoon by the members of the Student Council.

The music will be pro-

vided by the Goodtime Dutchmen. A king and queen will be selected and the Grand March will take place at 3:00 p.m. Please tell your friends about the Senior Prom.

Hope to see all of you in Rose Hall for an afternoon of music, dance and food.

KES Career Cafes Continue...

Do you know what the most popular item in the Dairy Queen menu is?? Patrick Mehring, owner of the Kewaskum Dairy Queen shared that information and much more when he was a noon hour "Career Cafe" speaker at Farmington and Wayne Elementary Schools. Mr. Mehring talked to the students about running a franchised Dairy Queen business, how property is chosen for a location of a new Dairy Queen, and how important good customer service is in running successful business. Patrick's parents, Nancy and Jerry Mehring, have been in the Dairy Queen business for over 40 years and Patrick and his wife recently moved to Wisconsin to carry on the successful family Dairy Queen tradition in this area. (If you chose Blizzard as the most popular item sold at Dairy Queen, you are correct!).

Kim Engel, owner of Sunburst Ski Hill, talks to 3rd, 4th and 5th graders at Kewaskum Elementary School during noon hour "Career Cafe." She is pictured on her snow board explaining the underground pipe lines that allow the ski hill to "make" snow in the winter using snow making cannons that mist the water at freezing temperatures. In order for the hill to open, there has to be a base of 18" of snow and the ski hill uses millions of gallons of water to make skiing possible for 50,000 people each season. Sunburst employs 300 people and offers a variety of skiing opportunities. According to Mrs. Engel, their youngest skier is 18 months old and a regular on the hill is 77!

Funeral services for Warrant Officer 1 James W. Manthei, 20, son of Mr. and Mrs. Willard Manthei, Kewaskum, who was killed in action in Vietnam, were held March 30 at Peace United Church of Christ, Kewaskum. Burial was in the parish cemetery and graveside rites were conducted by the military. WO Manthei was the co-pilot and gunner on a military aircraft (helicopter) shot down over Southeast Asia on Sunday, March 21, when he was killed.

Senior Clark Eichstedt, 6-3 Kewaskum High School standout, received Honorable Mention on the 1971 Associated Press All-Wisconsin basketball squad announced last Thursday, as selected by a panel of sports writers. Eichstedt, who starred for the Indians the past three seasons, was a unanimous choice on the 1971 Scenic Moraine All-Conference team. He led the conference in rebounds with 190, an average of better than 14-1/2 per game. He was second high-scorer in the conference with 283 points, an average of better than 20 points per game, as well as being the top scorer for the Indians. Clark missed setting a new school scoring record by just three points, although he missed the last five games of his junior year because of an injury.

A daughter was born to Mr. and Mrs. Jerome Bergdorf, Route 2, Kewaskum, on Friday, March 26.

On Wednesday evening of last week Mrs. Wilbert Schlosser of West Bend received a telegram from the war department stating that her husband

Sgt. Wilbert M. Schlosser was wounded in action somewhere in France on Feb. 17. Mrs. Schlosser is the former Ruth Runte of this village. Schlosser, who was promoted to sergeant Feb. 1, was fighting with General Patch's seventh army in France.

Mr. and Mrs. Robert Dettmann of Boltonville received a telegram from the war department on Saturday morning informing them that their son, Pvt. Vernon, was wounded in action in Germany.

Local forensic contestants will compete Friday, March 16, to determine which members of the forensics team shall progress to North Fond du Lac to participate in the Tri-County forensic contest there on Friday, March 30. This year's contestants are: Orators - Rachel Brauchle and Beatrice Hafemann, seniors; Adeline Doms, junior; Dick Edwards, John McElhatton and Ken Pierce, freshmen. Readers - Valeria Koerble and Gerald Liepert, juniors; Vernella Schacht, sophomore; Eugene Foy and Gladys Weddig, freshmen. Speakers - Lois Koch, senior, and Betty Jane Winters, junior. Declamers - Humorous - Ruth Birkholz, senior; Jean Rosenheimer, sophomore; Betty Ann Rose, freshman. Serious - Marjorie Schmidt, senior; Doris Mae Stahl, junior; Barbara Schaefer and Rita Schmidt, freshmen.

A.J. "Tony" Fellenz of this village received a surprise telephone call on Tuesday evening from his brother, Pfc. Arnold Fellenz, wounded in action in Germany last Dec. 15, who phoned to tell him that he was back in the states, having arrived in New York on Monday from England. Pfc. Fellenz was wounded in the head and neck from enemy gunfire while fighting in Germany with the 378th Infantry, 95th Division, near Metz, France. After being

wounded he was removed to a base hospital in France and later was moved to the 4151 base hospital and plant in England where he was confined until leaving for the states.

Kewaskum Frozen Foods Adds Two New Meat Cutters

Kewaskum Frozen Foods features a new and improved fresh cut meat counter, and two new employees, meat cutters Mark Demmon (Sausage Plus location), and Bill Perry, in Kewaskum. Pictured behind the counter is owner Robert Beisbier.

By Sharon Callaway Roznik

Kewaskum Frozen Foods announces the addition of two new meat cutters to their growing business, as demand for their fresh cut meats and award winning sausages continues to increase.

Both Bill Perry and Mark Demmon have previous experience in the field of meat cutting, working together at the House of Prime Meats in Thiensville. Mark has ten years under his belt, and originally began his career in the meat department at the age of 15. He has been hired to run the new fresh cut meat counter at Sausage Plus in West Bend.

Bill Perry brings with him five years of experience from Thiensville, and is in charge of the Kewaskum Frozen Foods meat counter. "Both are a welcome addition," states owner Robert Beisbier, and much needed now that both stores offer a

full line of fresh cut meats in their expanded departments.

Kewaskum Frozen Foods offers a variety of bulk orders, all aged choice beef, lean and tender pork, fresh chicken available in all cuts and styles, and special orders, if there's something the customer wants and doesn't see out front.

"We're more capable of furnishing customers with what they need and want," Beisbier points out. "Now we're into the specialty cuts, as well as special occasion orders."

Construction has also begun on their 2,500 square foot expansion, which will be connected to the main building. Footings and subwalls are up, and this past week crews were busy backfilling and adding insulation. "We're almost on schedule," Beisbier relates. "I'd say that we're hoping to be completed by mid-June."

Come Be a Part of Our Future

Boltonville Volunteer Fire Dept.

In December of last year the **BOLTONVILLE VOLUNTEER FIRE DEPT.** began construction of a 7500 sq. ft. addition. The facility was designed and is being constructed in a manner which will allow the department to grow with the Town of Farmington well into the 21st century.

In conjunction with the construction project, the department has been seeking funds from local citizens and businesses to help offset the cost of this great undertaking. As of this time these fund raising efforts have netted more than \$9000.

The members of the **BOLTONVILLE VOLUNTEER FIRE DEPT.** would like to thank the following people and businesses for their support as of April 4, 1996.

If you too would like to join this list of caring supporters there is still time. Send your tax deductible contributions to: **BOLTONVILLE VOLUNTEER FIRE DEPT., 9336 BOLTON DRIVE, KEWASKUM, WI 53040.**

For those individuals who contribute \$50 or more, a name tag will be engraved and placed on a plaque, which will be on display in the new facility. Once again thank-you for all your support.

Reigle - Rose

Jacqueline Jean Reigle and Jeffrey Don Rose were united in marriage on Saturday, September 30, 1995, during a 4:30 p.m. ceremony at Whispering Hills, Shreve, Ohio.

The outdoor nuptial setting overlooked a pond with a backdrop of trees with slightly turning leaves.

Parents of the bride are Sue and John Barcus of Wooster, Ohio, and Gary and Verna Reigle of Austin, Arkansas. The groom is the son of Jack and Neva Rose of Wooster.

A reception attended by 150 guests followed the ceremony.

The bride and groom are both graduates of Triway High School.

Jacqueline attended Akron University, is currently a full-time accounting and business student at Wayne County Career Center and is also employed at Mr. Ed's Buffet and Pizzeria.

The groom is also a graduate of AMI, Daytona, Florida, and is employed by Scott Hypo-

nex as a maintenance supervisor.

Maternal grandparents are Syl and Alice Bales and Clarence and Marie Reigle, all of Kewaskum.

Take Time to Thank Leaders

Who in your community is helping young women of today become leaders of tomorrow? Girl Scout Leaders!

April 22 was National Girl Scout Leader's Day. Girl Scouts, their parents, and the community should take this opportunity to join the Manitou Girl Scout Council in expressing their thanks to the volunteer leaders.

The rewards of being a Girl Scout leader are many. Leaders have the opportunity to share their knowledge, experience and skills, give direction to the future through working with girls, and experience a sense of accomplishment that comes from doing something great for the community.

For more information about Girl Scouting, please contact the Manitou Girl Scout Council at 414-565-4575.

Ammel, Sarauer Receive Degrees

Two area students are among those who received bachelor's degrees after completing their work at the University of Wisconsin-Madison in December.

The students are Curtis H. Ammel, 1127 Edgewood, Kewaskum, Psychology, Sociology, and Kelly Kay Sarauer, 130 Forest Avenue, Kewaskum, Communication Arts, Psychology.

Pesch - Entringer

Richard and Shari Pesch of Kewaskum are pleased to announce the engagement of their daughter, Lori, to Ben Entringer of St. Cloud. He is the son of Sharon Entringer of Fond du Lac and Joseph Entringer of Plymouth.

The bride to be is a Kewaskum High School

graduate, and is employed with Graphic Communication Specialists in West Bend.

The future groom graduated from Campbellsport High School, and works with Baker Cheese in St. Cloud.

A May 17th, 1997 wedding is being planned by the couple.

Guest Speaker Featured At Women's Guild Meeting

Pictured, left to right: Betty Hallen, co-chairperson of Guild, Dr. Perry Bell of the Wisconsin UCC Conference Staff, Paster James Bettin of Peace UCC Church in Kewaskum, and Gretchen Smith, co-chairperson of Guild.

(Photo and story by Betty A. Bettin)

"Loving Our Planet Earth as Christian Stewards," was the theme of the Thursday, April 11 meeting of the Peace UCC Church of Kewaskum Women's Guild and friends.

Dr. Perry Bell, the featured speaker, is a staff member of the Wisconsin Conference of the United Church of Christ at DeForest, Wisconsin, in the area of stewardship.

He attended an international conference (the first ever held) on ecology in Brazil in 1992 and a United Nations conference addressing problems of world population in Egypt in 1994. He travels statewide to present urgent messages concerning the wiser use of our natural resources to both religious and secular groups, having contact with many private and public school classes.

Following a devotional period led by Betty Bettin, Pastor James Bettin of Peace Church introduced Dr. Bell. His message included startling facts concerning the 35,000 people in the world who die of starvation each day of the year; the problems of secular and government aid distribution, waste, and fraud; the amazingly effi-

tion of resources on our Planet home.

This includes national, private, public and individual choices affecting rain forests, wetlands, and natural living species of mammals, fish and fowl. Humans alone can make choices so monumental. Each listener was commissioned to be a steward to God's creation so that there might indeed be a future habitat for all.

Gretchen Smith and Betty Hallen are co-chairpersons of the Peace UCC Guild. The group was praised by Dr. Bell for its use of ceramic cups and glass beverage containers (all reusable) as examples of stewardship conservation. Marion Erdmann and Marion Merwin were refreshment hostesses for the meeting.

Free Cardiac Rehabilitation Support Group

St. Joseph's Community Hospital of West Bend is sponsoring a free cardiac rehabilitation support group on Tuesday, April 30, from 7 to 8:30 p.m. at the Cedar Ridge Retirement Campus, 113 Cedar Ridge Drive, West Bend.

"What's New in the Supermarket?" will be the program topic.

The cardiac rehabilitation support group is designed to educate and provide support for people who have had a heart attack, bypass surgery, angioplasty or other heart problems. Family members are welcome. Topics vary.

To register or for more information, contact Maggie Seideman in the Rehabilitation Services Department at 334-8237 or 334-8595.

Kewaskum Middle School To Present Musical May 10

The Kewaskum Middle School Music Department presents "KRAZY KAMP" at 7:30 p.m. on Friday, May 10 in the auxiliary gym of Kewaskum High School.

Tickets are \$2 for adults and \$1 for children, students and senior citizens and may be purchased at the door or from any cast member.

Eve Hunnicut (played by Lauren Steinhardt) along with her assistant Alva (Jessica Parrent) are the leaders of Camp Pocahontas, the all-female summer camp on Lake Lookeeloo.

They run a reputable camp with the help of Hildegard (Nicole Averill), Smudge (Brooke Zanow) and George, the greasy cook (Chris Koth). The campers range from a runaway (Brittney Neidhardt) to a snob (Sara Bauer) to a foodaholic (Rebecca Cartwright) to a would-be child bride (Tashina Meyer) to a couple of nor-

mal (?) campers (Sara Westerman and Melanie Farley). Mr. Terwilliter (David Lettow) and Mrs. Thistlemist (Jessica Schmidt) are two interested administrators.

Across the lake is the not-so-successful Camp John Smith, headed by Adam Apple (Adam Beck) and Willard (Brendan Weinhold). Its camp members include Joe (Josh Stangl), Larry (Josh Krahn), and Ivan the Terrible (Dustin Melzark). Other cast members include a confused cop (Scott Schrefler) and several unsavory mobster types: Elmer (Matt Schroeder), Cleopatra (Carrie Gayan), Clams (Matt Seymour), and Dixie (Cassandra Steffen).

Musical numbers include the enthusiastic "Krazy Kamp Theme Song," the calypso "Gentlemen of John Smith," the "Poison Ivy Blues," and the "Junk-Food Junkie Rap."

Blaze a trail.

What's New at the Public Library

Congratulations to the winners of the "Track Down a Good Book" poster contest, sponsored by the "Friends of the Library" for National Library Week.

The posters reflect the favorite books of our Kewaskum young people. The winners are: Kindergarten - Jamie Wiedmeyer; First Grade - Ashley Corey; Second Grade - Katie Schroeder; Third Grade - Katie Uelmen; Fourth Grade - Jamie Krueger; Fifth Grade - Katie Espitia, and Grand Prize - Garrett Donath. The posters are still hanging in the library, so if you didn't get a chance to see them yet, be sure to stop in!

Congratulations also go to the winners of the "Love My Library" mugs, Jacky Geidel, Maurice Hovland, and Sherry McElhatton.

New adult fiction includes: *Spring Collection* by Judith Krantz, *The Enemy Within* by Larry Bond, *What Matters Most* by Cynthia Victor, *Pentecost Alley* by Anne Perry, *Nurses* by Marcia Rose, *The Gris* by Philip Kerr, *Dark Horse* by Bill Shoemaker, *Notorious* by Janet Dailey, *Grand Jury* by Philip Friedman, and *Justice* by Larry Watson.

New adult non-fiction includes: *The Book of Baseball Literacy* by David Martinez, *Play Equipment for Kids* by Mike Lawrence, *The Ultimate Fishing Guide* by Steven Price, *The Rock and Roll Almanac* by Mark Bego, *The Cooking Light Cookbook 1996*, *Drawing Expressive Portraits* by Paul Leveille, *Dog Heraldry: the Official Collection of Coats of Arms of Canines* by Mia Martin, and *You're Grounded Till You're Thirty!* by Judith Craig.

Garrett Donath models the T-shirt he won in the "Track Down a Good Book" poster contest at the Kewaskum Public Library. The contest was sponsored by "Friends of the Library" for National Library Week. His grand prize winning poster features one of his favorite books, *Time Flies*, by Eric Rohmann.

Winners of the "Track Down a Good Book" poster contest at the Kewaskum Public Library were: front row, left to right, Ashley Corey (first grade); Jamie Wiedmeyer (kindergarten); and Katie Schroeder (second grade). Back row: Katie Uelmen (third grade); Katie Espitia (fifth grade), and Garrett Donath (grand prize). Not pictured: Jamie Krueger (fourth grade).

In the Service

Marine Capt. Erik L. Christensen, a 1986 graduate of Campbell-sport High School, has returned to Beaufort, South Carolina, after completing a six-month overseas deployment to the Adriatic Sea near Bosnia and to the Persian Gulf near Iraq serving with Marine All Weather Fighter Attack Squadron 251 embarked aboard the aircraft carrier USS America.

Christensen is one of 300 squadron members who completed the 51,000-mile voyage aboard the carrier.

Christensen first traveled to the Adriatic Sea near Bosnia, where the 1,047-foot-long aircraft carrier and its nine aircraft squadrons participated in three days of NATO air strikes against Bosnian-Serb military targets in support of U.S. initiatives in Bosnia.

Aircraft in Christensen's squadron flew 10 missions in support of the air strikes over Bosnia, which targeted military storage and ammunition depots, anti-aircraft missile defense systems, command and control facilities, and military communications systems.

Christensen also

traveled into the Persian Gulf to help enforce the international no-fly zone over southern Iraq. While in the Persian Gulf, Christensen was ordered back to the Adriatic Sea near Bosnia. Traveling more than 4,200 miles in just nine days, Christensen and fellow Marines were back in the Adriatic before the peace implementation forces began to pour into Bosnia from around the world.

During the six-month deployment, aircraft from Christensen's squadron flew more than 1,900 missions and completed 1,954 arrested landings aboard the carrier. In all, Christensen's squadron

logged in more than 3,700 flight hours during the deployment.

Christensen's squadron, home based at Marine Corps Air Station Beaufort, South Carolina, flies the F/A-18C Hornet, a twin-engine supersonic strike fighter capable of providing protection against enemy aircraft, delivering ordnance on targets ashore and at sea, and providing close air support for troops on the ground.

While spending 151 days at sea, Christensen also visited Greece, Italy and Malta and had an opportunity to visit local sites.

Christensen's involvement in the deployment is an example of

how U.S. men and women are serving in the Navy and Marine Corps around the world in support of U.S. interests. These highly trained naval forces provide a unique forward presence and crisis-response option, which can be withdrawn quickly when no longer needed.

He joined the Marine Corps in December 1990. Christensen is a graduate of Ohio State University, Columbus, Ohio, with a BS degree.

Tornado Awareness Week April 22-28
Statewide Tornado Safety Campaign Planned

FIRST IN A SERIES

Wisconsin lies on the northern fringe of the famed path of tornado destruction, aptly named "Tornado Alley." Many Wisconsin communities and people have felt the strength of a tornado -- one of nature's most violent phenomena.

No one can stop a tornado, but there are precautions you can take to protect your life and your property. That's why the Wisconsin Division of Emergency Government, the National Weather Service, and County Emergency Government Directors have joined forces to make sure this tornado season is not remembered as one of the worst to hit our state.

Governor Tommy G. Thompson has proclaimed April 22 through 28, 1996 "Tornado Awareness Week." A number of activities are planned to inform all citizens of the dangers involved -- and safety precautions necessary -- in the event of a tornado. On Thursday, April 25, a simulated tornado drill will be conducted statewide. Schools, office buildings, industries, nursing homes, and hospitals are encouraged to take part.

Time after time, the biggest tragedies occur in areas where tornados have never been reported and have no precedent in most people's memories.

To find out more about tornado safety, contact your county emergency government director and watch for the second part of this series, entitled, "Tornado Safety Precautions Can Save Lives, Property."

Tornado Watch/Warning

Do you know the difference between a tornado watch and a tornado warning? These terms are used by the National Weather Service and knowing what they mean can save your life.

A watch is issued when conditions are favorable for the development of tornadoes. If a watch is issued for this area, you should get ready to take emergency action. When a warning is issued, it means that a tornado has actually been spotted or seen on radar. The warning will tell you where the tornado is and the direction it is moving. If you are in or near its path, you should take shelter immediately.

REMEMBER: A tornado watch means that tornados are possible. A tornado warning means that a tornado has been spotted and may be heading your way. There may not be a tornado in your future, but don't bet your life on it.

Town of Scott Will Seek Bids for 1996 Road Work

By Bernadette Mondloch

The Town of Scott's road committee is preparing specifications prior to advertising the 1996 road work. Bids will be sought for an overlay of 1-1/2 miles of North Maple Tree Road and one mile of Riverview Road. Plans are also made to apply ash seal to 1.2 miles of another road in the town.

At the April meeting, the board discussed the possibility of denying building permits requested for construction of a house on 35 acres A-1 land if the applicant is not involved in a farming operation. No action was taken.

Dan and Barbara Morin reported that they are involved in picking up a large amount of garbage as they take their evening walk. They

requested that the town provide them with garbage bags so they will not be charged at the transfer station.

The town requires users of the transfer station to purchase Town of Scott bags from the town as a means of finances the garbage operation. The board agreed to the plan.

Permits were approved for 17 sludge dumping sites, the same number as in 1995.

A holding tank permit was approved for B&B Enterprises and operators licenses were approved for Gary Immel and Denise Riley Larson.

The balance of the meeting was held in reviewing town insurance coverage proposals with representatives from Wausau Insurance and the Laub Group.

Visitation at the funeral home was on Friday from 4 to 7 p.m.

IN MEMORY

In memory of Lloyd Keller...called to Eternal life April 26, 1991:

Behind my smiles,
there are still some
tears;
For the one I lost and
loved so dear;
Five years have passed,
and my heart now is
lighter;
For my life once again is
so much brighter;
I send this message with
a loving kiss
For everlasting rest and
happiness.

IN MEMORY

In memory of Mathilda Stern, who passed away one year ago, April 30, 1995:

We can't forget, we'll
always care.
It hurts to see your
vacant chair.
Oh, what we would give
to say,
Hello Ma, in the same old
way.
To hear your voice, see
your smile,
To sit with you and chat
awhile.
Life goes on we know
that's true,
But it's not the same
since we lost you.

NOVENA TO ST. JUDE

O holy St. Jude Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who involve your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg of whom God has given such great power to come to my assistance.

Help me in my present urgent petition. In return, I promise to make your name known and cause you to be invoked, say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen.

This Novena has never been known to fail. This Novena must be said 9 consecutive days, and publication must be promised.

E.M.

PRAYER OF THE BLESSED VIRGIN

(Never known to fail). Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (Make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Say this prayer for three consecutive days and then you must publish and it will be granted to you. Grateful thanks

Resolution No. 96-13

Village of Kewaskum Washington County, Wisconsin

A RESOLUTION OPPOSING ASSEMBLY BILL 893

WHEREAS, this Assembly Bill gives towns additional zoning authority; and

WHEREAS, local officials oppose this bill because it allows a town to withdraw from county zoning and grants towns the same zoning authority as cities and villages. Also, a town with its own zoning ordinance would not be subject to the extraterritorial plat approval authority of neighboring cities and villages; and

WHEREAS, towns should have a comprehensive land use plan, adopted by the town after holding public hearings, and approved at an annual town meeting. The comprehensive land use plan should be filed with the respective county. The comprehensive land use plan should be updated at least every ten years and refiled with the county; and

WHEREAS, once a land use plan is adopted and filed with the county, the town can create its own zoning ordinance, which would also require approval through public hearing and town meeting process. The newly created town zoning ordinance would also need approval from the county before the town could opt out of county zoning. Each specific update of a town zoning code should also be approved by the county. This procedure would assure that the zoning code follows the town comprehensive land use plan. It is our understanding that most towns that presently have their own zoning are required to get county approval of their zoning ordinances or any amendments; and

WHEREAS, extraterritorial zoning as is currently provided by the Statutes must be maintained. Existing towns within the state who have their own zoning are still subject to extraterritorial zoning by neighboring municipalities. The proposed legislation would undo the existing extraterritorial zoning Statutes. We must uphold the integrity of the existing legislative zoning approach and the overall long range planning activities of cities and villages which are the major economical development districts of Wisconsin. The legitimate interest of municipalities, in the

development along their borders, does not change simply because the town, rather than the county, is making decisions which directly affect them; and

WHEREAS, this bill would give town government additional powers of zoning without requiring them to take on additional responsibility for providing services to residents of the towns. It exacerbates current problems with urban sprawl.

NOW THEREFORE BE IT RESOLVED, that the Village Board of the Village of Kewaskum, Washington County, Wisconsin, opposes Assembly Bill 893;

BE IT FURTHER RESOLVED, that a copy of this resolution be sent to each State legislative member and delegation.

Adopted and approved this 15th day of April, 1996, by the Kewaskum Village Board.

Tree Delivery Dates Delayed

Unseasonably cold weather has forced the Washington County Land Conservation Department to delay their annual tree sale. The lower Michigan tree saplings can not be removed from the partially frozen ground safely.

According to Land Conservation Department secretary Fay Fitts, "the pick up dates have been rescheduled for May 2, from 12:30 to 7 p.m. and May 3, from 8 a.m. to 12:30 p.m. at the County

Fair Grounds in Slinger."

The Land Conservation Department Tree Program encourages local planting of native woodland and prairie species while meeting the demand for low priced seed and planting stock. This year over 430 people in and around Washington County have ordered conifers, hardwoods, prairie seed, bittersweet and tree shelters.

For more information about the Tree Program please call the Land Conservation Department at 414-335-4800.

OUR JOBS ARE KILLING US

Twenty three years ago Congress enacted the Occupational Safety and Health Act, which promised a safe job for every American worker.

Since that time, nearly two million American workers have been killed by workplace hazards. Every 5 seconds another worker is killed, injured, or made sick on the job - seven million workers each year.

It's time to stop the carnage in America's work place.

On April 28, the unions of the AFL-CIO observe Workers Memorial Day to remember workers who have suffered and died on the job and to renew our commitment to preventing these tragedies in the future. April 28th was chosen because it is the anniversary of the Occupational Safety and Health Act, and the day the Canadian Labor Congress organizes a similar day in Canada. This year marks the AFL-CIO's sixth observance of Workers Memorial Day.

In addition to paying tribute to workers who have been the victims of unsafe working conditions, this year on Workers Memorial Day unions have a real opportunity to win changes in the OSHA law that will give workers greater rights and protections. For 12 years the Reagan and Bush Administrations neglected work place safety and workers paid the price. The United States now has the highest rate of job injuries and illnesses in more than a decade. On Workers Memorial Day, trade unionists can take action to raise public awareness about the epidemic of workplace injuries and illnesses and organize support for passage of comprehensive OSHA Reform legislation now pending the Congress

Harlow Cast In Three Plays

Chad J. Harlow, Kewaskum, will be cast in all three plays based on Shakespeare's "Hamlet" staged in rotating repertory at the University of Wisconsin-Stevens Point.

About 50 students and faculty involved with the productions had no spring break this semester because the extra time was needed to prepare.

Harlow is a musical theatre and dance major at UWSP and is the son of Joe and Judy Harlow, 1015 Hillside Drive, Kewaskum.

He will appear as Osrice and Lucianus in Shakespeare's "Hamlet" (remaining performances April 27, May 4, 10), directed by Arthur Hopper, and he will be a player in Tom Stoppard's "Rosencrantz and Guildenstern Are Dead" (remaining performances April 26, 28, May 2, 4, 11), directed by Carolyn Blackinton. He will also appear as Gary in the third play, Paul Runick's "I Hate Hamlet" (remaining performances April 27, May 3, 5, 9, 11), directed by Thomas F. Nevins.

"Hamlet" is Shakespeare's most frequently staged classic tragedy; "Rosencrantz and Guildenstern Are Dead" is a contemporary drama seen through the eyes of two minor characters from "Hamlet"; and "I Hate Hamlet" is a modern comedy about a soap opera actor cast in the role of the Prince of Denmark.

Previously at UWSP, Harlow played in "Assassins," "Weird Romance," "Peter Pan," "The Taming of the Shrew," and "Marvin's Room." He also performed in "Danstage '95" and "Afterimages '93."

Curtain times and ticket information regarding these "Hamlet-based" plays are available through the Arts and Athletics Ticket Office, (715) 346-3100 or 1-800-838-3378.

Resolution No. 96-14

RESOLUTION AUTHORIZING THE DISSOLUTION OF TAX INCREMENTAL DISTRICT NUMBER ONE OF THE VILLAGE OF KEWASKUM AND PROVIDING FOR THE DEFEASANCE OF CERTAIN OUTSTANDING OBLIGATIONS

WHEREAS, the Village Board of the Village of Kewaskum, Washington and Fond du Lac Counties, Wisconsin (the "Village") established its Tax Incremental District No. 1 ("TID No. 1") pursuant to Section 66.46, Wisconsin Statutes;

WHEREAS, the Village issued and currently has outstanding the following obligations the proceeds of which were used in part to pay the costs of projects included in the Project Plan for TID No. 1 ("Project Costs") or to refund other obligations issued for such purposes (the "Outstanding Obligations");

\$1,075,000 Village of Kewaskum, Fond du Lac and Washington Counties, Wisconsin, General Obligation Corporate Purpose (Refunding) Bonds, Series 1990;

WHEREAS, all of the public improvements specified in the Project Plan for TID No. 1 now have been completed;

WHEREAS, the Village has received aggregate tax increments with respect to TID No. 1 in an amount which is sufficient to pay the portion of the principal of and interest on the Outstanding Obligations issued to pay Project Costs when invested as provided herein;

WHEREAS, the Village Board hereby finds and determines that it is desirable and in the best interests of the Village and beneficial to the school districts, vocational, technical and adult education district, the county and other taxing units in which TID No. 1 is located to dissolve TID No. 1 at this time.

WHEREAS, the Village Board further finds that it is desirable and in the best interest of the Village and beneficial to the school districts, vocational, technical and adult education district, the county and other taxing units in which TID No. 1 is located to dissolve TID No. 1 at this time.

NOW, THEREFORE BE IT RESOLVED, by the Village Board of the Village of Kewaskum, Washington and Fond du Lac Counties, Wisconsin, that:

Section 1. Dissolution of District. Tax Incremental District No. 1 of the Village of Kewaskum is hereby dissolved. The Village Administrator/Clerk/Treasurer is directed to give the State of Wisconsin Department of Revenue written notice of the dissolution of TID No. 1 pursuant to Section 66.46(8), Wisconsin Statutes, in substantially the form attached hereto as Exhibit A within 10 days of the adoption of the Resolution.

Section 2. Appointment of Escrow Agent. Bank One Wisconsin Trust Company, National Association, Milwaukee, Wisconsin is hereby appointed Escrow Agent for the Village for the purpose of assuring the payment of the principal of and interest on the portion of the Outstanding Obligations issued to pay Project Costs.

Section 3. Creation of Escrow Fund. There is hereby created by the Village and established with the Escrow Agent a fund designated "Village of Kewaskum Escrow Fund for Outstanding TID No. 1 Obligations" (the "Escrow Fund").

Section 4. Deposit Into Escrow Fund. There shall be deposited in the Escrow Fund from monies on deposit in the Tax Incremental Fund, together with certain other available Village funds, an amount which, together with investment earnings thereon, will be sufficient to pay the principal of and interest on the portion of the Outstanding Obligations issued to pay Project Costs.

Section 5. Investment of Escrow Fund; No Arbitrage. Said monies shall be deposited in the Escrow Fund with the Escrow Agent, pursuant to the Escrow Agreement (reference below) for the purpose of retaining the required amount of cash, if any, and acquiring the U.S. Obligations provided for in said Escrow Agreement. The Village covenants and agrees that no investment of monies on deposit in the Escrow Fund shall be made in a manner that would cause any of the Outstanding Obligations to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended or any income tax regulations promulgated or proposed thereunder.

Section 6. Debt Service Fund Account. The Escrow Fund shall hereinafter serve as a portion of the Debt Service Fund Accounts, or Interest and Principal Accounts of the Special Redemption Funds, as applicable, for the Outstanding Obligations. The Escrow Agent shall serve as custodian of said portion of the Debt Service Fund Accounts or Interest and Principal Accounts.

Upon the deposit into the Escrow Fund, any taxes heretofore levied to pay debt service on the general obligation Outstanding Obligations shall be abated to the extent such deposit, together with investment earnings thereon, is sufficient to pay the principal of and interest on those Outstanding Obligations, but such abatement shall not affect the Village's pledge of its full faith, credit and resources to make such payments. The Escrow Fund created by the Escrow Agreement shall hereinafter serve as a portion of the Debt Service (or sinking) Fund Accounts, or Interest and Principal Accounts, as applicable, for the Outstanding Obligations. The Escrow Agent shall serve as custodian of said Debt Service (or sinking) Fund Accounts or Interest and Principal Accounts.

Section 7. Escrow Agreement. The President and the Village Clerk are hereby authorized and directed to execute an escrow agreement substantially in the form attached hereto as Exhibit B (the "Escrow Agreement") (such form may be modified by said officers, the execution of such agreement by such officers to constitute full approval of this Village Board of such modifications), with the Escrow Agent for the purpose of effectuating the provisions of this Resolution.

Section 8. Distribution of Tax Incremental Fund. Any money

remaining in the Tax Incremental Fund after the deposit of monies into the Escrow Fund, shall be paid over to the treasurers of the county, the school districts, the vocational, technical and adult education district or other tax levying municipality or to the general fund of the Village in such amounts as belong to each respectively, having due regard for what portion of such monies, and what portion thereof, if any, represents voluntary deposits of the Village into the Tax Incremental Fund.

Section 9. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the Village or any parts thereof in conflict with the provisions hereof shall be and the same are hereby rescinded insofar as they may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

Adopted, approved and recorded this 15th day of April, 1996 by the Kewaskum Village Board.

3) Quarterly payments versus one annual payment.

4) Improved Customer Service Standards, with pay backs.

5) Explanation of the Capital Grant clause.

6) The upgrade to fiber optics.

Mr. Guell also informed the Board on the following:

1) Explained the Customer Service Standard and how Marcus is working to expand to 24 hour coverage.

2) That the 5% will cost the customers all a little more in the long run versus the 3%. (estimate 40c)

3) That competition is in the horizon with the changes in rules.

4) Hopeful that billing will be improved to eliminate concern, regarding late payments.

On a motion by Trustee Gary Gavin, seconded by Trustee Harry Roecker and carried by the majority roll call vote, the Board suspended the rules to take action on new business items A. Cable Ordinance Amendment and B. Cable Franchise Agreement Resolution. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

Action was taken on Ordinance No. 96-4 an Ordinance Amending Chapter 22, Cable Television as attached hereto:

Action was taken on Resolution No. 96-8 a Resolution Implementing an Agreement between the Village of Kewaskum and Marcus Cable Partners as attached hereto:

Assistant Fire Chief

Mark Herriges informed the Board that the chassis for the new Fire Tank Truck was delivered and that some detailing in reference to the paint job had to be completed.

Chief of Police Richard L. Knoebel had nothing for the Board.

Director of Public Works, Jerry Gilles informed the Board that a forced sewer main break occurred and was repaired, the sand barrels are being picked up, the new lawn mower has been delivered and that Spring Cleanup is scheduled for April 20, 1996.

Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Review of Taxpayer and League bulletins.

2) Review of Open Book and Board of Review dates and times. Open Book, April 16, 1996 - 1:30 p.m. to 6:30 p.m.; Board of Review, May 13, 1996 - 12:30 p.m. to 4:30 p.m.

3) Update on Assembly Bill 893.

4) Review of miscellaneous correspondence.

On a motion by Trustee John Borland, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	136,814.20
Sewer	16,824.00
Water	57,860.85
Payroll	27,634.13
TOTAL	239,133.18

P/R CK #6519 - #6568
A/P CK #10583 - #10712

Chairman of the Park and Recreation Committee, Gary Gavin reviewed the quotes received for the installation of the Kewaskum Athletic Clubs fencing on the SW diamond and the fencing for the T-Ball diamonds. The low supplier was Century Fence Company at a cost of \$5,620.00 for the SW diamond and \$1,223 for the T-Ball. On a motion by Trustee Robert Stoltzmann, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board approved the work by Century Fence Company.

Chairman of the Park and Recreation Committee, Gary Gavin informed the Board of a committee meeting scheduled for April 15, 1996 at 7:00 p.m.

Board Representative for the Plan Commission, Trustee David Goeden reviewed with the Board the action taken at the Commission meeting of March 26, 1996. It was noted that the Commission reviewed the request of Sprint Spectrum L.P. to place an antenna on the water tower adjacent to Reigle Drive. To accomplish this a Conditional Use Permit is needed. The Commission sent the matter to the Board without any recommendation for public hearing. It was also noted that Mr. Rick Kania was present to discuss progress on the Village's Land Use Plan.

Board Representative for the Library Board, Trustee Harry Roecker informed the Board that circulation is up from last year by 18 for the month of March to 3,275. For the first quarter circulation is up by an estimated 200.

Administrator Daniel S. Schmidt shared information with the Board on the new rules regarding street signs. The rules are to be published within about two years and the rules call for 6" signs, to be reflective, green in color with white letters. It was further noted that a 7 year implementation period will accompany the rule. By consensus the Board felt that the Department of Public Works could proceed with the upgrade of signs as well as replacement of posts used for the signs. This matter is to be considered in future budgets as well.

Administrator Daniel S. Schmidt informed the Board that the Commissioner of Railroads has scheduled a meeting to review the Village of Kewaskum's request for a signal upgrade on Main Street and the placement of signals on Old Fond du Lac Road. The matter of upgrading the Second Street crossing is also progressing with work to possibly be completed in 1996 if the Village can come up with the money.

It was noted that the public hearing on the Timblin Drive project is scheduled for April 15, 1996.

Action was taken on Resolution No. 96-9 a Resolution Accepting By Dedication Improvements Relating to RTKM LLC as Requested by RTKM LLC as attached hereto:

Action was taken on Resolution No. 96-7 a Resolution Opposing Tax Exempt Status as it Relates to Aurora Health Care, Inc. and Similar Health Care Providers as attached hereto:

On a motion by Trustee David Goeden, seconded by Trustee John Borland and carried by the majority voice vote, the Board authorized the Developer of Sunset PUD to use the Village Engineers, Ruckert & Mielke Inc. Trustee Gary Gavin abstained from voting.

Action was taken on Resolution No. 96-11 A Resolution to Borrow Funds to Finance the Purchase of Fire Department Equipment and to Finance the Purchase of Public Lands as attached hereto:

Action was taken on Resolution No. 96-12 a Resolution to Transfer Funds to Finance the Purchase of Fire Department Equipment and to Finance the Purchase of Public Lands as attached hereto:

President Robert Wagner explained that the Village Board has made a commitment to work to achieve additional parking in the downtown area and to hopefully provide a site for a future Library and/or Community/Senior Center. With this in mind, the Board has worked on acquiring the property known by tax key

no. V4-0245A (140 Main Street) and also known as the old Sentry Store. Trustee David Goeden voiced his objection to the purchase. On a motion by Trustee John Borland, seconded by Trustee Robert Stoltzmann and carried by the majority voice vote, the Board authorized the purchase of the property known by tax key no. V4-0245A at a cost of \$200,000.00. Trustee David Goeden voting "Nay."

President Robert Wagner explained that the Village at this point in time did not have a viable use for the Central Village Complex known by tax key no. V4-0248 (114 Main Street) and wish to sell said property. It was further noted that the Village would retain ownership of the vacant lot adjacent to 114 Main Street known by tax key no. V4-0249. Trustee David Goeden again voiced his objection to the sale of said property and suggested the possible razing of the building for downtown parking in lieu of purchasing the property at 140 Main Street or if sold to ask a higher price. On a motion by Trustee Gary Gavin, seconded by Trustee John Borland and carried by the majority voice vote, the Board authorized the advertising for sale of the CVC, 114 Main Street at a price of \$200,000.00. Trustee David Goeden voting "Nay."

On a motion by Trustee John Borland, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the Board authorized the advertising for the removal of improvements on the property known by tax key no. V4-0245A (140 Main

Street).

It was noted that with the scheduled painting etc. within the Municipal Building, it would be advisable to reschedule the meeting of May 6, 1996 to April 29, 1996. On a motion by Trustee John Borland, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board rescheduled the meeting of May 6, 1996 to April 29, 1996 at 7:00 p.m.

On a motion by Trustee John Borland, seconded by Trustee David Goeden and carried by the majority roll call vote, to adjourn. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

Up, Up and Away for Holy Trinity Seventh Graders

This past March, the seventh grade students at Holy Trinity School spent an educational morning at the EAA Air Adventure Museum, in Oshkosh. They had studied the diversity of airplane designs in science class this year. This field trip gave them the opportunity to see the diversity of plane design first hand.

Michelle Thull Honored As DAR Good Citizen

The Joseph Marest Chapter of the Daughters of the American Revolution honored six area high school seniors chosen as DAR Good Citizens.

The annual Good Citizens awards program, the highlight of the chapter's year, was held Thursday, April 18, at 7 p.m. in the circuit courtroom of the Old Courthouse Museum, 340 S. Fifth Avenue.

Each Good Citizen is chosen from the senior class at his or her high

school on the basis of dependability, service, leadership and patriotism.

This year's Good Citizens include Michelle Thull, representing Kewaskum High School.

A Message From Bonnie

Hello Kewaskum Statesman readers and how are you all doing today? I have an interesting topic to relate to you so let us get right to it okay?

It happens every day. Thousands of people are notified by mail that they have won a free prize. Usually, it is a postcard notice that says your prize will be one of the four or five VALUABLE items--a new car, a vacation, a color television or a \$1,000 savings bond. Major companies sometimes give away expensive items in special promotions, but they usually don't notify winners with a postcard. Typically, these notices are mailed by con artists whose sole purpose is to RIP YOU OFF.

If you contact the company by phone, as the postcard will tell you to do, your FREE prize could end up costing you hundreds of dollars. The following examples illustrate the point. A man in San Mateo, CA paid \$398 for "shipping charges" to receive a FREE 1988 Pontiac automobile. Needless to say, he got NOTHING. A Bergen County, New Jersey resident paid a \$69 "shipping and handling charge" to get his FREE \$1000 savings bond (with maturity of some 30 years) He could have bought the same from the U.S. government for only \$50.

Often you never get a prize. If you do get one, it typically is an inferior, overpriced or grossly misrepresented piece of merchandise. For example, an "all terrain vehicle" turned out to be a LAWN CHAIR WITH WHEELS, a "sport fishing boat" was an INFLATABLE RAFT and a "genuine fur coat" was a DYED RABBIT PELT worth about \$30. BEWARE of the notice lists nice-sounding prizes like "designer" or "Diamond" watches. They are likely to be cheap or practically worthless JUNK.

Further, the scam artists makes you pay for your FREE items, either by requiring you to order merchandise or by charging a shipping, handling charges, or processing fee. You can almost be certain that the fees required to get the prize will EXCEED the TRUE monetary value of the prize itself. And the merchandise you are required to buy will be GROSSLY overpriced, as has been the case with the water filters and purifiers and the vita-

mins that are often marked to the LUCKY WINNERS.

EVERY DAY, consumers throughout the United States lose many thousands of dollars to these unscrupulous FREE prize promoters. Their operations, known as the "boiler rooms" are staffed with high pressure sales people armed with sophisticated selling techniques designed to get YOU to send them some money. DON'T be swayed by their carefully scripted sales pitches and pressure tactics. Even better, arm yourself in the best possible way against falling victim to these kinds of frauds--by KNOWING how these con men operate and being prepared to IGNORE their COME-ONS!!!

If you receive a mailing promising you a free prize, or if you have been VICTIMIZED in a free prize promotion through

the mail. PLEASE contact me and I will do my utmost to assist you. THIS is a very important issue and I know that many of you receive these type of mailings day by day. Hospital Offers Weight Loss Class, Body Fat Analysis

St. Joseph's Community Hospital, West Bend, is offering a weight loss class on Wednesdays, May 8 through July 10, from 4 to 5 p.m. in the hospital's fourth floor east conference room.

This 10-week weight loss program provides participants with a safe and practical method of losing weight. Emphasis is on diet, exercise, behavior modification and support. Prior to the class, participants must schedule an individual session with the dietitian to receive a body-fat analysis and to determine an optimal nutrition and exercise program for the 10 weeks. Upon completion of the

program, another body-fat analysis will be given.

The fee is \$80, and the registration deadline is May 1. For more information, contact the hospital's clinical dietitians at 334-8302.

The most successful songwriters in terms of number-one singles are John Lennon and Paul McCartney, formerly of The Beatles. McCartney is credited as writer on 32 number-one hits in the U.S. to Lennon's 26 (with 23-co-written), whereas Lennon authored 29 Great Britain number-ones to McCartney's 28 (25 co-written).

Governor Approves Hwy. 33 Project in West Bend

Governor Tommy Thompson has approved a \$4.5 million contract to reconstruct and widen about one mile of Washington Street (WIS 33) between Seventh and 18th Avenues in West Bend.

The contractor, James Cape & Sons Co., of Racine, was scheduled to begin the work that is expected to be finished in the fall of 1997, said Project Manager Dave Buschkopf of the Wisconsin Department of Transportation.

Buschkopf said work started on the west end of the project and proceed east. About half the project, 18th Avenue to Silverbrook Drive, is to be finished in 1996.

One lane in both directions will be kept open to traffic. Access to properties will be maintained as much as possible, although occasional short term closures will be necessary, Buschkopf said.

The existing roadway, nearly 40 years old, is deteriorated and severely congested with an accident rate 2.3 times higher than that for comparable streets. Washington Street will be rebuilt and widened by 22 feet, accommodating two through lanes in both directions and adding a fifth lane in the center for two-way left turns.

The project also will include new concrete pavement, sidewalks, storm and sanitary sewers, new water mains, replacement of some traffic signals and addition of other signals.

The additional lane for turns, improved signals and elimination of parking along Washington Street, along with the

new surface, will enhance traffic flow and safety, Buschkopf said.

The project originally had been planned for 1993, but was delayed three years because soil contaminated by gasoline, oil and dry cleaning materials had to be removed from seven sites along the route.

Washington Street, a major east-west arterial serving West Bend's main business district, carries an average daily traffic volume of 21,420 vehicles in the area. The number is expected to reach 28,768 in 20 years.

West Bend is to pay for lighting, signals, sanitary sewers and water mains. The rest of the cost sharing will be 76% by the federal government and 24% by the state.

Special Olympics Athletes Attend State Tourney

Athletes from the Kewaskum S.O. Special Olympics program joined more than 800 participants for a weekend of fast breaks, jumps and tumbles at the 1996 Wisconsin Special Olympics State Indoor Sports Tournament, April 12-14.

The event, held on the University of Wisconsin-Oshkosh campus since 1979, featured state championship competition in Artistic and Rhythmic Gymnastics, Basketball Skills and Team Basketball. Premier sponsor of the event was Hillshire Farm and Kahn's. Athlete awards were sponsored by the Patrick and Anna M. Cudahy Fund.

Wisconsin Special Olympics provides year-round sports training and competition opportunities for more than 7,700 children and adults with cognitive disabilities. For more information, please call the local Special Olympics office or the Chapter office at (608) 222-1324.

Local athletes and their place finishes are as follows:

Joshua Dreher, 8-11 male, Individual Skills I, Division Five, placed third.

Justin Petermann, 16-21 male, Individual Skills II, Division Four, placed first.

Jeff Puestow, 12-15 male, Individual Skills I, Division Three, placed third.

Lac Lawrann Family Program Begins Sunday

Lac Lawrann Conservancy in West Bend will offer a series of Sunday Afternoon Guided Walks and Programs for families.

The series begins Sunday, April 28, and continues through June 9. The program topics will include many animals and plants of wetlands and forest.

Families should come dressed for sudden changes in weather. Springtime in Wisconsin is capricious, one afternoon could include warm, then chilly temperatures, rainy then sunny skies. Be prepared.

The paths and trails of Lac Lawrann are not suitable for strollers or baby buggies. Be prepared to carry children under the age of three if you bring them to the walks or programs.

Reservations are requested. Please call 335-5080.

APRIL 28, 1996

Lac Lawrann Conservancy at 300 Schmidt Road, West Bend, will begin their Sunday Afternoon Family Series

with "Fur, Feathers and Feet," at 2 p.m. with Suzanne Bateman, volunteer naturalist.

Why don't birds wear boots? Why do animals look fatter in winter when food is scarce? Do you know the difference between a hare's winter coat and the one it wears in summer? An animal's survival depends on the food supply and the "clothes" it wears. Find out about animal adaptations at "Fur, Feathers, and Feet" on Sunday, April 28, at 2 p.m. at the Lac Lawrann Conservancy.

Seventh and Eighth Graders Participate in BB Tourney

Bottom row, left to right: Coach Dave Shaw, Billy Cook, Curtis Koth, Coach Perry Koth. Second row: Jason Strobel, Tim Bonlender, Chris Koth, Aaron Seiser. Top row: Brian Prost, Josh Stangl, Adam Beck, Adam Sauer.

The Kewaskum seventh and eighth grade basketball team recently participated in the COCA COLA CLASSICS basketball tournament held in Chilton and Brillion.

The tournament this year had 122 teams entered of which 20 were in the seventh and eighth grade division. Kewaskum's seventh and eighth grade team did very well finishing in third place.

The first game Kewaskum defeated Apothecary from Chilton by a score of 53-24. The team got off to a quick start and led at one point in the first half by the score 32-8.

The second game was more of a defensive battle as Kewaskum held on to beat Brigham Realty, 33-22. In game three the Indians played well but came up on the short end of a 31-41 score, to the eventual champions, Fondy.

In the playoff game for third place, Kewaskum regained their form by beating Cedarburg, a team they had lost to earlier in the year, by 10 points, outscoring their foes 39-33.

The team has been sponsoring itself in tournaments but recently PBBS Equipment of Butler, bought and donated uniforms for the team to wear in future tournaments. The team would like to thank PBBS Equipment for their generous donation.
