Ground Broken for New West Bend Clinic

Groundbreaking ceremonies for the new West Bend Clinic which is being constructed on the north side of Kewaskum on the corner of Fond du Lac Avenue and Hwy. 28, were held last Friday. Blueprints of the proposed interior of the building include 12 examining rooms, two nurses stations, areas for offices, staff and administration, Xray, labs and blood work rooms, a reception area, medical records and a large waiting room with a designated play area for children. The medical office building will accommodate four physicians and will be expandable should the need arise. Dr. David Brown, Family Practice, will be joining Dr. Cesar Sison in the new facilities upon completion which is expected to be sometime this fall. Shown breaking ground in the photo to the left are, left to right: Pat O'Connor of Bank One, State Representative Glenn Grothman, Jerry Mehring, representing the West Bend Chamber of Commerce, an unidentified representative from General Contractor C.D. Smith, Dr. Todd Hammer, a general partner of the Paradise Development Group (West Bend Clinic), Village Administrator Daniel Schmidt, Village President Robert Wagner, an unidentified West Bend Chamber of Commerce Ambassador, Keith Koth, an architect representing FLAD, and Gerald Stoffel. The area of land for the new clinic was purchased from the Stoffels.

KHS Junior Prom on Saturday

The 1996 Kewaskum High School Junior Prom will be held this Saturday, May 4, from 8 to 11:30 p.m. The dance will be held in Rose Hall and the Grand March will be at 9:30 p.m.

Parents are welcome to attend this year's Prom. So come and enjoy this magical time of year. Enjoy the Castle theme and the music, which will be provided by Jimmer's Juke Box.

Members of the 1996 Prom Court, pictured to the right are: First row, left to right - Joel Dziedzic and Kim Junk, Jeff Buechel and Nichole Heinecke. Second row: Andy Palmer and Sarah Bonlender MCs, Dan Jeserig and Nadalie Reindl. Row three: Eric Kopecky and Heather Downs, Brad Oelhafen and Jeni Keller. Row four - Josh Christopherson and Misty Luedtke, Mike Bauer and Julie Thull. Row five: Nathan Judnic and Jodi Klesmith (not pictured), Eric Van Demark and Michelle

Jackson, Kevin Martin and Marni Lynn.

Post Prom Party

As the Prom date approaches, the Post-Prom party plans are in full swing. This is the weekend of both of the above events, and the Student Council of KHS is still looking for help in the following areas: food, especially baked goods.

The students at the party need all the sugar they can get in order to keep going

until 4 a.m. They are also still looking for prizes or money to purchase prizes.

If you can help in either of the two areas, please contact Larry Ammel at the high school, 626-2166. The Post Prom Party will run from midnight this Saturday until 4 a.m. this Sunday morning. A bus will be provided for those in need of a ride.

Town of Auburn 'Up in Arms' About Special Exception Permit

By Sharon Callaway Roznik

Town of Auburn residents made it clear to their Plan Commission at Monday night's Public Hearing they want James Hammes to continue to sell firearms within the township.

The request to grant Hammes a special exception permit came after new federal laws, beginning January 1, require each municipality let residents have a say in whether guns and ammunition should be bought and sold within their neighborhoods, by holding mandatory public hearings followed by approval at a local government level.

This is the first time Hammes, who's been selling guns out of his home for over 25 years, was notified by the Bureau of Alcohol, Tobacco and Firearms, that renewal of his federal license now required a permit from the town. Hammes received a 90 day letter of extension from the Bureau on his dealer class

Federal Firearms License, while he seeks approval from the community and the Plan Commission.

Hammes supporters were angered last month when the Plan Commission put the special exception request on hold, while they sought legal counsel from their attorney, John St. Peter. Supporters also expressed their disapproval of inappropriate and offensive remarks made by Town Chairman Harry Knoelke at the March meeting.

In turn, Auburn officials attacked statements printed in the Campbellsport News, claiming what was printed was misinformation, as well as mislabeling of the Plan Commission as the Town Board.

"Contrary to what's been printed, we are not issuing a license," chair-man Mel Furlong emphasized, pointing out that only the BATF has the power to issue firearms licensing at a federal level. "We are addressing

the land use for the purpose of selling guns, ammunition, and sporting goods."

The major concern of the Plan Commission was the connection and close proximity between Hammes' residence and the Boars Nest, the tavern he owns and operates on Highway 45. "The concern that the board has is in mixing the tavern business with the gun business -- and they don't mix," attorney St. Peter told Hammes and the audience.

Hammes, who is also a truck driver, said that 98% of his sales are to people he already knows, and includes purchases by several wildlife organizations and shooting clubs. He presented the Plan Commission with letters from these various organizations showing their support. "I keep this totally separate from the tavern," Hammes repeated several times throughout the meeting. "I've been doing this for a number of years, and they (the gun sales) don't go through the tavern.

Jim's daughter,

Becky Hammes, related that she, and other mem-bers of the community, were upset by alleged remarks made by the town board about the clientele that frequents the Boars Nest. When asked by town board member Dennis Froneck, where she had heard this, she answered, "I read something in the Campbellsport News about it.

"That's right," Froneck retorted. "The town board did not have anything to do with that, and I want that clarified right now. Every time there's an article in the Campbellsport News, it's got the town board, the town board. The town board is getting stereo-typed, and I've had it up to here with that.'

Previous to the meeting, Furlong had talked with the Fond du Lac County Sheriff, who reported Hammes had a clean record, and the department had never received a complaint about his operation, although, Furlong said, the sheriff told him he personally did not like the idea.

A large group of audience members stepped up to support Hammes and attest to his character, many questioning why approval was held up by

Thursday, May 2, 1996

another meeting, and why Auburn officials were "passing the buck" onto the federal government, when in fact town zoning ordinances have been set up to require special approval for special conditions, and may be stricter than other townships, using Osceola as a comparison.

"Every township may have different types of ordinances," Furlong answered. "We have to obey ours." Employees of the Boars Nest also verified that guns were never displayed, examined, or sold through the bar, and all guns leaving the premises were contained in boxes. Employees were only involved to the extent of taking messages for Jim when he was on the road truck driving.

In trying to work out the big issue of separating the tavern hours from the hours Hammes is allowed to sell guns out of his home, members of the Plan Commission felt it was Hammes' responsibility to set the hours for his gun shop, providing the tavern is not open at the same time.

We, as a board, have the responsibility to the town, to look out for the town's interest," Furlong stressed. A member of (Continued on Page 3)

STAYING!

(Continued from Page 1)

the audience pointed out that certain trap shooting clubs mix drinking and shooting at special functions open to the public, but attorney St. Peter explained that these clubs also have to apply for a special use permit to hold these activities.

The only individual at the public hearing against the issuance of the special exception permit was Plan Commission member Harry Knoelke. "The sheriff's department can't enforce it (regulations); only the state and federal level can enforce it," he stated. "Since 1989 Jim's been in violation, because he doesn't have a special exception. That's how far the violation goes back. Who's gonna enforce this? You're gonna, not me," he pointed to chairman Furlong, who had to ask Knoelke to watch his language during the meeting.

"We're going to cross that bridge when we come to it, Harry," Furlong told Knoelke.

The Plan Commission approved the special exception permit with a 4-1 vote, and will sign the special exception if Hammes meets a compliance list of nine items. These include written proof of liability insurance coverage, and indemnification papers releasing the town from any claim or lawsuit arising out of the sale or use of firearms sold by the applicant, or an agent of the applicant. The permit will be limited to a one year term, after which time it can be renewed after review by the commission, for a longer period of time, or it may be terminated if any evidence is found of violations of state or federal laws.

Hammes told the Auburn officials that he could comply to this list of items, and planned to add on a separate entrance for his weapons business in the very near future.

Lead Screening Tests Available

Special FREE Sumer Lead Screening Clinics are being offered by Washington County Health Nursing Services for children, up to age six, at the same time as immunization clinics are being held.

Recipe of the Month

This recipe, along with many others can be found in the new Kewaskum Junior Woman's Club red cookbook. You can find them for sale at Kewaskum Pharmacy, Kewaskum Frozen Foods, Regal Ware Outlet or by calling Karen Kletti at 334-0227.

APPLE PIE IN A BAG 4 to 5 large cooking apples 1/2 c. +2 Tbsp. flour 1/2 tsp. cinnamon 1 unbaked 9-inch pie crust 1 c. sugar 2 Tbsp. lemon juice

1/2 c. butter

You also need a large heavy brown paper bag.

Wash, pare and quarter apples; cut each quarter into four pieces. In large bowl, toss apple chunks with mixture of 1/2 cup sugar, 2 tablespoons flour and cinnamon until each piece is coated. Fill pie shell with chunks, piling high. In center of shell, sprinkle with lemon juice. Mix 1/2 cup sugar,flour and butter into soft paste; spread over top of apples. Place pie in bag, closing open end with clips or stapler. Place on center rack in oven and bake 1 hour at 400 degrees. Remove carefully from oven and let cook 5 to 10 minutes before removing from bag. Bag may be cut away with scissors. Serve warm with ice cream. Cindy Knoebel

A guest towel is what often persuades people that their hands don't need washing after all.

Board Votes to Hire WASB To Conduct 'Super' Search

By Lana Harbeck Kuehl

The final discussion and selection of the consulting firm for the School District's superintendent search came at the April 22 Re-Organizational Meeting of the Kewaskum Board of Education.

A motion was made to accept the WASB as the consulting firm. New board member Jon Downs, who was unable to attend the interview session of the consulting firms, was not comfortable with abstaining on the vote, so took it upon himself to do extensive research on the firms.

Downs studied the profiles of the two top firms and consulted the references given by both the Emerald Group and the WASB. Downs attempted to contact nearly all the references listed by both firms.

Downs went on, saying, "Obviously there were two philosophical differences the other night. In a sense the two consulting firms were on one side or the other of that

philosophy. For that reason one of my questions in particular to all the references of the WASB was to see if they thought that they were given a substantial and qualified list."

Downs added after making the calls he came up with a few general comments.

He stated in each case, everyone he spoke to was very happy with the group they had selected in the end, and the professionalism of each firm was excellent. All references felt they were given a substantial list of candidates that were highly qualified.

One difference between the two firms, according to Downs, was the WASB seemed it could be tailored however you wanted it to go and the Emerald Group was basically the way they stated it.

Downs added he had been able to contact each one of the references the WASB gave him with the numbers they listed, whereas there was only two listed with the Emerald Group where he was able to get through.

For the Emerald Group, both clients were very happy with their professionalism and were impressed that they were helped every step of the way. One specifically mentioned they liked the 800 number idea and the other liked the fact they kept on track and on schedule.

Downs went on to say with the WASB, again, everyone was "very happy with the services that they obtained." A comment that was made specifically, stated, "If you hire the WASB, deal with Pam Rewey." Downs related that everyone of them said that.

Downs asked if the board went with the WASB, would it go that route (with Rewey). Downs added all the Boards were able to tailor their individual needs with the WASB, some extensively, some marginally, but in all cases, "they turned out to be very happy with Pam Rewey regardless of how they tailored it."

Downs said where the

WASB.

Downs was reluctant to go on, but decided in favor of it, stating an item he had discovered, that there was one school board association that was very unhappy with one gentleman who is currently employed as a consultant with the Emerald Group. That board ended up terminating that gentleman and went on to hire the WASB.

In conclusion, Downs stated, "My point is when the vote is taken, I just don't think it's the case where one is going to be great and the other is going to be inadequate. However the vote goes, I think either way we're going to get a good consultant.

Former Board President Neal Weare stated he had been in contact with Pam Rewey and if the WASB was chosen, she would be the contact person for the district.

President Jean Goeden reiterated she had participated in a workshop where Pam Rewey was in charge. Goeden said she was "very impressed with her (Pam Rewey). She was very effective and efficient."

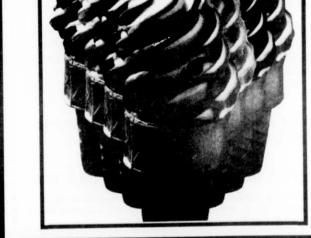

New board member Larry Fechter, added that he also did some research and found the WASB does an excellent job and also heard the comment that Pam Rewey is the number one person for the job. Fechter added Plymouth is currently working with the WASB and he did some snooping and found out they are very satisfied at this point with the WASB.

Tom Timblin, another newly-elected board member, stated his position probably would not be popular with the people in attendance, adding, "When I ran for this position, my job was to represent the constituents that voted for me. Out of the vast majority of the people that I've talked to, I'm going to be abstaining from the vote tonight because I feel although both firms are probably fine, I feel both of them are going to waste \$10,000 of our taxpayers' money because I feel we've got the best superintendent that we could get right here. I think we've got the best man for the job that's probably been here in the last twenty years and this is who I think should be superintendent."

President Goeden asked if there were any further comments from the board or the audience. There being none, the board proceeded to vote, 5 to 1 in favor of hiring the WASB as the consulting firm in charge of the "Super" Search. John Schulte voted no and Tom Timblin abstained from voting.

Martin to Participate in Teen Leadership Program

Karla Martin

Karla Martin, a student at Kewaskum High School, will be one of 200 participants from throughout the State involved in the 1996 Wisconsin Teen Leadership Program.

This Program recognizes outstanding young men and women in the areas of Scholastics, Athletics, Community Service, and Extra-Curricular School Activities. Less than 5% of Wisconsin's teens are invited to apply and only 40% of the applicants become participants.

Karla is the daughter of Mrs. Anne Martin. She was selected to represent Kewaskum because of her academic excellence and community service record.

During the Program these achievers will participate in a variety of social and recreational activities, educational seminars and leadership events. The three-day event culminates with the naming of Wisconsin's Outstanding Teen Leaders for 1996. The young man and woman designated as Wisconsin's Outstanding Leaders will each receive a \$1,000 cash award.

Karla is sponsored for this event by the Kewaskum Statesman, Video Post, Sentry, Jim and Sue Wessing Properties, Dairyland Delights, Herriges Oil, Inc., Miller Funeral Home, Shefond Oil, Inc., Jan Bartelt and Gavin's Homes.

Tornado Safety Precautions Can Save Lives, Property

SECOND IN A SERIES

When a tornado approaches... your immediate action may mean life or death, according to the Wisconsin Division of Emergency Government.

Wisconsin's tornado activity occurs mainly from April through September. The months of June and July have the highest tornado frequency. However, tornadoes have occurred in every month in Wisconsin with the exception of February.

There is little that can be done to avoid the property destruction tornadoes bring; but tornadoes do not have to be killers. You can take precautions when a storm threatens and thereby save lives, reduce threat of injury and lessen property damage.

Tornadoes are the most devastating local storms that occur in the world. The National Weather Service has documented 1072 tornadoes in Wisconsin since 1844, causing 510 deaths and more than 2900 injuries.

Wisconsin has averaged about 22 tornadoes per year over the past 30 years. In 1995, the state reported seven documented tornadoes, which was significantly below the total of 35 tornadoes in 1994 and 37 tornadoes in 1933. Although tornadoes caused no fatalities last year, there were four tornado related deaths in 1994.

The winds in a tornado turn counter-clockwise with speeds that can reach 300 miles an hour. As an illustration of the horrifying power of these killer storms, it's reported a Kansas tornado demolished a pickup truck such that the steering column, wheels, and parts of the frame were all that was ever found. The same tornado took posts of a chain-link fence anchored in concrete and dragged them nearly 20 feet through the ground, leaving a narrow trench. While most tornado damage is caused by the violent winds, most injuries and deaths result from flying debris. Most tornadoes move from southwest to northeast. Generally, tornadoes occur in the spring in the late afternoon on a hot day. But remember, tornadoes can happen any time.

trouble recognizing an actual tornado! It is a funnel-shaped cloud extending down from the base of a thunder cloud. As it touches earth, it writhes and twists throwing up debris in all directions. It is usually accompanied by hail, violent thunderstorms and wind. Its noise is so loud it can blot out the sound of crashing building and falling trees.

When the skies look threatening, listen to the radio. The National Weather Service and the National Severe Storm Forecast Center track all weather systems with sophisticated radar and are usually able to give adequate advance warning of violent weather conditions.

A <u>TORNADO WATCH</u> means the atmospheric conditions are such that tornadoes could develop. A <u>TORNADO WARNING</u> means an actual funnel has been sighted in your area. Warnings are usually accompanied with a description of the speed and direction of travel of the funnel. Learn the warning signals used in your community.

When a watch is issued, listen to broadcast advisories, and be ready to take cover. It is wise to collect a batterypowered light and radio and have family members within earshot under watch conditions. Also, take your car keys, should a tornado hit your area, your car still may be operable -- but the keys could be lost in the rubble.

IMMEDIATE ACTION SAVES LIVES. When a tornado threatens, immediate action can save lives. Stay away from windows, doors, outside walls and protect your head.

IN HOMES OR OTH-ER SMALL BUILDINGS go to the basement or a place in the middle of the house on the lowest floor, like a closet, bathroom, or interior wall. Get under something sturdy.

parking lot.

IN MOBILE HOMES OR CARS, leave them and find shelter in a safe structure. If there is not shelter nearby, lie down in a low area with your hands covering the back of your head and neck. If you're in a ditch or ravine, be alert for flash floods that often accompany tornadoes.

Conservancy Offers Plants for Sale

If you're thinking of buying flowers for Mother's Day, the Lac Lawrann Conservancy of West Bend asks you to consider theirs.

Thousands of native perennial plants from area gardens go on sale at the conservancy from 9 a.m. Saturday, May 11, until 1 p.m., or until the plants are gone. The conservance is located less than a mile north of Highway 33 at 300 Schmidt Road (just east of the Washington County Courthouse).

The plants, trillium, ginger, liatris, columbine, ferns and more, were donated by volunteers and other gardeners, private woodlots and even rescued from construction sites. Many of the 3,000-plus plants will sell for \$1 or \$2. Also for sale will be native wildflower and prairie grass seed, shrubs and herbs.

Dedicated volunteers will be on hand to assist you. All proceeds will be used for the preservation and expansion of the Lac Lawrann Conservancy and its educational programs.

Wear a Memorial Poppy And Honor a Veteran

This is the message of American Legion Auxiliary Unit #384 of Kewaskum who will be on the streets Friday, May 17, distributing the red paper memorial flower made by hospitalized veterans.

Unit Poppy Co-Chairladies Vange Teeselink and Marjorie Radtke said volunteers will be on the streets, at grocery stores, at local restaurants and the Post Office offering the Poppy in exhange for a contribution to help veterans and their families.

Each nine-piece petal

MPTC Offers Child Care Program

Moraine Park Technical Colleges, West Bend campus is offering a Child Care, Program Director 1, course on Monday and Wednesday evenings, May 13 through June 19, from 5:30 to 9:30 p.m. (There will be no class on Monday, May 27).

This course will discuss a variety of topics pertinent to running a child care center including: roles and responsibilities of the program director; defining quality in early childhood programs; managing the curriculum; health, safety and nutrition; and staffing. Text book for the course is "Developing and Adminstering a Child Care Center," by Dorothy Sciarra and Anne G. Dorsey. Eighty hours of early childhood education is a prerequisite for this course.

Cost of Child Care, Program Director 1, course number 307-403-001, is \$54.10.

To register for this course call the West Bend Campus at (414) 335-5700 or 1-800-221-6430 outside the West Bend area. Registration deadline is May 6. flower is painstakingly hand-crafted by a veteran in Auxiliary sponsored Poppy Shops that supplement physical and psychological therapy needed by hospitalized and disabled veterans.

The Poppy program has been part of the American Legion Auxiliary's programming for more than 70 years. Twenty-five million Americans will be wearing Poppies to honor America's war dead and all veterans, contributing \$2 million nationwide for rehabilitation and welfare programs.

Kettle Country District Planning Meeting May 16

Just Say No Club Awards Scholarship

On behalf of the Just Say No Club members of Kewaskum, Farmington and Wayne Elementary Schools, Jenny Harter, left, Captain of the KES Club, presents Katrina Gilles, KHS senior, with a \$200 scholarship.

Katrina Gilles was awarded the 1996 Just Say No Scholarship last Wednesday during the April 23 club meeting at **Kewaskum Elementary** School. Katrina, the daughter of Jerry and Kathleen Gilles, has been a Teen Leader of the Just Say No Club for three years at KES.

The scholarship, according to Club Leader Alberta Clements and School Counselor Cheryl Taylor, is well deserved.

'Katrina's dedication to the Club has been very much appreciated. She is a remarkable person and very well liked among the members," Taylor said.

'Katrina helps us on all projects and works hard. She has never missed one meeting, so we thank her with a \$200 scholarship," said fourth grader Amanda Smolinski

Erin Rammer, also in fourth grade, agreed, adding, "If you have a problem with something she will listen. She is

somebody you would want to be friends with."

The Just Say No Club encourages children to participate in school and community activities. It seeks to provide a positive way for children to interact with each other and impact their communities, while reinforcing their resolve to remain drug free.

Katrina, agree all Club members, has personified all of these Just Say No Club goals.

"She doesn't smoke like other kids at school. She is a good role model, Crystal Oberst, fourth grade, pointed out.

At Kewaskum High School, Katrina's achievements have been many: editor-in-chief of the school newspaper Smoke Signals, secretary of the National Honor Society, participant in and FLAGS (the international club), HOPE (the earth club), Peers 4 Peers, Cross Country, and forensics.

She has also received

several honors and awards: Kiwanis Student of the Month, United States Achievement Academy (USAA) All-American Scholar (1993 and 1996), USAA Foreign Language National Award winner, USAA National Leadership and Service Award winner, State Solo and Ensemble Music Competition gold medalist, State Forensics silver medalist, and Homecoming Court member.

A swimming instructor at the West Bend YMCA and at the Kewaskum Community Pool, Katrina enjoys camping, hiking, swimming, and running. She plans to Occupational study Therapy at the University of Wisconsin-Milwaukee.

In an essay she wrote for Club members, she stated, "To best deal with the challenges of life, to overcome problems and achieve goals, to love, and to enjoy life to its very fullest, it is important to maintain a drug free lifestyle."

"Katrina," said Crys-tal Oberst, "is a great friend to the kids of Kewaskum."

The Just Say No Clubs of Kewaskum, Farmington and Wayne Elementary Schools have awarded \$600 in scholarships to Kewaskum High School seniors since 1993. Money is earned through sucker and candy sales.

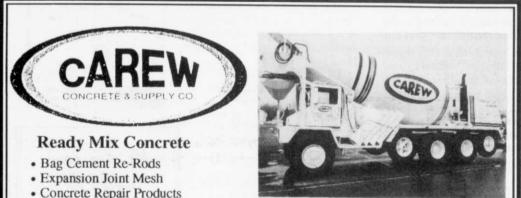

The Just Say No Scholarship gives elementary students a chance to recognize the older student who has remained drug free. It also lets the high school students see how important they are as role models to younger children,' Cheryl Taylor said.

Wildgoose Pinewood **Derby Winners**

The boys Pioneer group from St. Lucas Lutheran Church, Kewaskum, had eight boys represent them at the Wildgoose District Pinewood Derby race held in Fond du Lac on March 16. David Gust, left, received first place and Lee Schacht, right, received second place, out of over 100 participants. David and Lee received trophies and recently raced in the Lutheran Pioneer International Pinecar Derby Race in South Haven, Michigan.

SHEEPSHEAD: June Kneifl, Edna Engelmann, Norbert Broecker, Meta Heimermann and Florin Jakubowski.

Physician to Speak **On Osteoporosis**

Osteoporosis, a disease that weakens bones and makes them brittle, is the focus of a free program sponsored by St. Joseph's Community Hospital of West Bend on Monday, May 13, from 7 to 8 p.m. in the hospital's fourth floor east conference room.

Dr. Robert Bodensteiner, a Family Practice physician with the West Bend Clinic, will present the program, "Osteo-porosis: A Bone-Thinning Disease," and will discuss the prevention, diagnosis and treatment of osteoporosis.

Osteoporosis is caused by loss of bone mass and strength and is more common in women after menopause, when they lose calcium from their bones more quickly than before. Bones weakened by osteoporosis are easily broken. The disease develops slowly; there may be no symptoms until a bone breaks and the condition is recognized after X-rays.

Registration for the program is requested by May 6 and may be made by calling the hospital's Health Promotion Services Department at 334-8268.

During World War II, the United States produced 250,000 aircraft.

Class Offered on Child, Infant CPR

St. Joseph's Community Hospital of West Bend is offering an infant and child CPR class on Wednesday, May 15 from 5:30 to 9:30 p.m. in the hospital's fourth floor classroom.

Learn what emergency steps to take if an infant or child stops breathing. CPR and obstructed airway techniques for a choking infant are addressed. Participants can earn American Heart Association recognition.

The fee is \$20. Registration is requested by May 8 and may be made by calling the hospital's Health Promotion Services Department at 334-8268.

Graduate From Moraine Park

Erik L. Laatsch, N362 Hwy. S, and Tory Richard Laubach, 1133 Fond du Lac Avenue, both of Kewaskum, recently graduated from Moraine Park Technical College.

Laatsch received a diploma in the Machine Tooling Technics program at the West Bend campus.

Laubach also received a diploma in the Machine Tooling Technics program at the West

The Sixth Annual Appreciation Luncheon and Style Show, sponsored by the Kewaskum Area Chamber of Commerce, was held last Wednesday, April 24, at Hon-E-Kor Country Club and again received rave reviews from the over 175 people in attendance.

A delicious luncheon, lots of door prizes, numerous raffles, a flower and a goodie bag were a few of the highlights of the annual luncheon that many area ladies (and gentlemen) refuse to miss. During both seatings at 11 a.m. and at 1 p.m., all enjoyed the stylish fashion show, demonstrating what's hot in clothing from those who know at Kohl's Dept. Store, Prima Bridal and Formal Wear, West Bend Elevator Western Wear, Woolen Mills and Hon-E-Kor Country Club.

Models included Janine Schmidt representing B.C. Ziegler, Ann Enright representing Westgrove Realty, Dan Truog also representing Westgrove Realty, Lois Zingsheim representing Amber Hotel, Diane Schickert representing My Little Friends Day Care, Debbie Kannenberg representing Pony Express, Annie Soehner representing Bar-N Annex, Lynn Schicker representing West Bend Mutual, Kathy Rohlinger representing Regal Ware, Bev Rohlinger, Jean Goeden and Megan Dreher.

Coordinator Wendi Dreher, who was assisted by fellow committee personnel, Jane Korth, Debbie Timblin, Ruthie Butler, Carol Laatsch, and Charleen Barutha, is busily making plans to make next year's event another spectacular success. They're even discussing the possibility of adding an extra seating in the evening for those who cannot sneak away during lunch hour.

Congratulations to Wendi, the committee and the staff of Hon-E-Kor for making this event another tremendous success for all involved.

Janine Schmidt of B.C. Ziegler, models formal wear.

Appreciation Luncheon/Style Show

Luncheon/Style Show coordinator Wendi Dreher also served as Master (Mistress) of Ceremonies and did all the fashion show "broadcasting."

Ann Enright of Westgrove Realty shows coordinating pieces that go with her outfit.

IN MEMORY

In loving memory of WILLIAM BRAUN, who passed away two years ago, May 5, 1994:

Though your smile is

gone And your hands we cannot touch.

Still we have so many memories,

Of one we loved so much; Your memory is our

keepsake, With which we'll never

part, God has you in his keeping,

We have you in our hearts.

Sadly missed by his wife, Sandy and children, Scott, Sarah and Melissa and families.

THANKS EXPRESSED

A big "Thank You" to all our relatives and friends who shared in celebrating our "Golden Anniversary." Thanks for all the cards, gifts and good wishes. Also a sincere thanks to our family for making this a very great and memorable

FRANK H. BACKHAUS

Frank H. Backhaus, 89, of Dundee, died Wednesday, April 24, 1996, at the Fond du Lac Lutheran Home.

He was born in New Fane on February 3, 1907, to the late Frank H. and Anna (nee Kuehl) Backhaus, and married Leona Roehl on December 23, 1933, at Trinity Lutheran Church, Dundee.

He was employed at Pick's Mfg. in West Bend, until retiring in December, 1973, and was a member of its 25-Year-Club and Trinity Lutheran Church, Dundee.

Survivors include his wife: three children, Eugene (Marilyn) and Janice (Earl) Morenzien, both of Kewaskum, and Donald (Beverly) of Campbellsport; five grandchildren; 17 greatgrandchildren; one greatgreat grandchild; a sister-in-law, Frances Schneider of Kewaskum, other relatives and friends.

Preceding him in death were two sisters. three brothers and a grandson, Randy, and his wife, Cheri.

Funeral services were held Saturday, April 27, at 1:30 p.m. at Trinity Lutheran Church, Dundee. Rev. Richard Schliewe officated and burial followed in Ledgeview Memorial Park in Fond du Lac.

Visitation at the church only was on Saturday, from 11 a.m. until the time of services.

Memorials to Trinity Lutheran Church are appreciated.

The Twohig Funeral Home in Campbellsport handled arrangements.

ROBERT J. O'REILLY Robert J. O'Reilly, 78, of Cascade, died unexpectedly Sunday, April 28, 1996, at Valley View Medical Center, Plymouth, after suffering an

apparent heart attack at

his residence.

Church, Calumet County, the couple lived in Cascade for five years, moving to the contry in 1952. He continued to farm the family homestead until retiring in 1980

He was a member of St. Mary's Catholic Church, Cascade.

Survivors include his wife; three sons, Phil (Diane) and William, both of Plymouth, and Thomas "Rooster" (friend, Lynn Morgan) of Boltonville; a daughter, Kathryn (William) O'Reilly Arndt of Black River Falls; nine grandchildren; a brother, Alois "Pat" (Joan) of Cascade; a sister, Bernadine (Calvin) Bartelt of Campbellsport; and other relatives and friends.

Preceding him in death were three sisters, Eldora Thuemmler, Mary Werbeckes and Valeria Dippel.

A Funeral Mass will be held Thursday, May 2, at 11 a.m., at St. Mary's Catholic Church, Cascade. Rev. Harold Ide will be the celebrant, and burial will be in the parish cemetery.

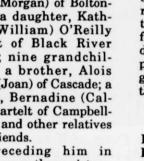

Visitation at the Wittkopp Funeral Home, Plymouth, was Wednesday from 4 to 9 p.m. and Thursday at the church from 10 a.m. until the time of services.

A memorial fund has been established in Mr. O'Reilly's name.

He who loses money, loses much; he who loses a friend, loses more; but he who loses courage, loses all!

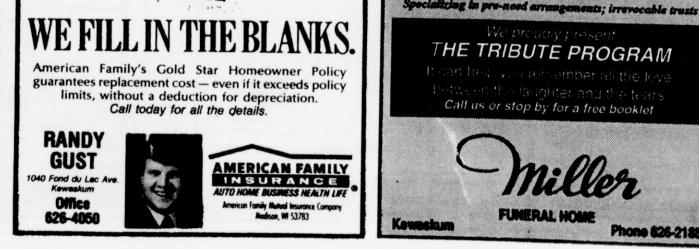

R.B.

He was born on February 25, 1918, in the town of Mitchell, to the late Philip and Mary (nee Michaels) O'Reilly, attended country schools and graduated from Waldo High School.

After graduation, he farmed the family homestead until July of 1941. when he entered the U.S. Army, serving until 1943. Following his marriage on November 23. 1946, to Margaret Smith at St. Anna Catholic

Program Offered On Back Problems

A four-session program offered by St. Joseph's Community Hospital of West Bend aims to help people with back problems get "back into action." The program is held on Tuesdays and Thursdays and participants may choose either a morning or evening program.

"Getting BACK in Action" will be held May 7, 9, 14 and 16 from 9 to 10:30 a.m., and May 21, 23, 28 and 30 from 4:30 to 6 p.m. A physician's prescription is required.

The back school is conducted by Pat Waters, occupational therapist, and Susan Knuth, physical therapist, of St. Joseph's Community Hospital's Rehabilitation Services Department.

Participants will learn, through instruction and practice, the proper use of body KEWASKUM STATESMAN

mechanics, how to prevent injury and decrease the risk of injury. They will also learn about lifetyle changes following back injury, nutrition factors that affect the body and the emotional responses resulting from back discomfort. The program cost is \$55.

For more information on the program, call St. Joseph's Rehabilitation Services Department at 334-8237.

Letters to the Editor

big government and high

April 24, 1996

To The Editor:

This letter is written in order to inform Kewaskum School District residents of a staffing plan for the 1996-97 school year. The district intends to hire three interns to perform instructional duties next year. One intern would be placed in the third grade at Kewaskum Elementary, one in the fifth grade at Farmington, and one would be split between the high school and elementary schools as an art instruc-

The interns are college students who would have classes of 10 to 12 students. They would work in their own classroom and be supervised by a teacher. Each in-tern would be paid \$3,000 for a semester. After one semester a different intern would be placed in each class with the same students. The reason that the district is proposing (application forms have already been sent to participating colleges) to do this is to alleviate classrom crowding.

I am writing this letter to neither condone or condemn this proposal. I do feel strongly that a staffing issue that affects the welfare of the students, and, therefore their parents, must be discussed openly at a Board meeting. This enables all who care to speak on the issue a chance to be heard. No action should be taken on an issue like this until the Board hears from those who might be affected by it and how they feel about such a proposal. To do otherwise is disrespectful to the residents of this distict and does them a disservice.

......

To the Editor:

I just received my copy of Representative Sensenbrenner's newsletter and feel it is impor-

taxes. The reality is that United States citizens pay some of the lowest taxes relative to GDP among developed countries of the world. The rate paid by our wealthiest citizens is more than 11% below that of the average of 24 industrialized countries. In total tax burden, we pay 9% less than the average of those 24 countries, and we rank below France, Germany, Canada, United Kingdom, Switzerland and Japan. It is also true that a smaller percentage of our population is employed in government than is true in most industrialized countries.

If we are to make deci-

sions about taxes and government, let's begin with the facts. Rep. Sensenbrenner blasts "President Clinton's" tax increase on our highest-earning citizens as dampening the economy. But Saturday's newspapers carried the story that the bond market is weakening because the brokers are afraid that the latest employment report shows too many jobs being created and therefore, the chances of lower interest rates aren't too good. If you are an American worker, there is no way that it is possible that too many jobs can be created. During this "weakening" of the economy, investment has gone up, savings have gone up as a share of the American economy, 1.2 million new businesses have begun, six million jobs have been created and treasury revenues have gone up 13%, bringing the deficit to its lowest level in years.

In contrast, Representative Sensenbrenner cites the 13% growth in personal income in the Reagan years of 1982-89 as "solid expansion." For some it was, but 99% of that growth went to the highest-paid 20% of our population and over 60% to the wealthiest 1%. If we place our citizens into five equal population down 3%, the next lowest group down 7% and the poorest of our people saw their income average go down 15%.

Is this economic justice? Is this being fair to all concerned? And the Republican leadership continues to propose programs which would make these situations even worse for most of us who aren't in the upper income brackets!

Floyd Brenholt 9th District Candidate For Congress. West Bend

Museum **Re-Opens**

The Washington **County Historical Society** officially re-opened the Old County Jailhouse Museum, 340 South 5th Avenue, West Bend, for guided, public tours as of April 2, 1996.

The Society is still completing renovations to the Old County Courthouse Museum, 320 South 5th Avenue, West Bend, but expects to open its first exhibit galleries there this fall.

The Old Jailhouse Museum's 1996 tour season, days and times are as follows: April 2 through December 19, Tuesdays and Thursdays, from 1 to 4 p.m. and the second Sunday of each month from 1 to 4 p.m.

Admission is FREE, but donations are appreciated. Groups are welcome anytime for scheduled tours. For reservations, call (414) 335-4678.

The Society's "Genealogical and Research Library," located on the third floor of the Old County Courthouse Museum, is also currently open to the public on the following days and times: **Tuesdays and Thursdays** from 1 to 4 p.m. and appointments are appreciated.

KHS Jayvee Boys Second At Mayville Invitational

The Kewaskum JV boys track team placed second at the Mayville Track and Field Invitational on Monday, April 23.

Host Mayville scored 181 points, followed by 151 points for Kewaskum. Waupun Christian was third with 119 points, Random Lake and Horicon tied for fourth with 74 points and Randolph was sixth with 21 points.

Highlights for Kewaskum were three first places, three second places, five third places, and seven fourth place finishes.

In the pole vault, Kewaskum took first, second and third. Troy Staehler and Brad Hermann both cleared 9'6", with Troy taking first on less misses. Travis Luedtke took third with a personal best of 8'. This is the best the vaulters have looked this season.

"Both Troy and Brad came very close to making 10'. I think it is only a question of time before they will make it," commented Coach Jerry Gosa.

Matt Gundrum took first place in the shot put with a personal best of 41' 8 1/2". Matt was leading with a 39' throw until Sovoly of Mayville threw 41'0". Matt then threw over two feet better than his previous best on his last attempt to win the competition. "This should be a confidence booster for Matt," remarked Coach Gosa.

Kewaskum's other first place was registered in the last event, the 1600m relay. The foursome of Nathan Weiss, Josh Dieringer, Jeremy Clark and Sean Cotter were victorious with a time of 4:03.9.

Troy Staehler was second in the triple jump with a distance of 33'7" and Sean Cotter was second in the high jump with a leap of 5'6".

Placing third for Ke-

waskum were Matt Gundrum in the discus with a toss of 110' 5 1/2", Greg Holub in the 100m dash with a time of 12.54, Jay Krolnik in the 300m hurdles with a time of 47.7 and Sean Cotter in the 200m dash with a time of 26.4.

Other Kewaskum places, events, times or distances were:

100m dash - 5th, Jeremy Clark, 12.8 and 6th, Jim Kopecky, 12.86. 1600m run - 4th, Bob

LeMay 5:25. 400m dash - 4th, Sean Cotter, 59.8 and 5th, Jim Kopecky 1:01.5.

400m relay - 4th place in 54.19 was the team of Jim Kopecky, Jeremy Clark, Josh Dieringer and Greg Holub.

300m hurdles - 7th Matt Hammen 54.03.

800m run - 4th, Nathan Weiss, 2:18.4; 5th, Troy Staehler 2:20.6, and 6th, Jeremy Clark 2:23.1.

200m dash - 4th Greg Holub, 26.5.

Triple jump - 4th place, Josh Reider 30' 8 3/4" and 8th, Danny Wall 26' 9 3/4".

Discus - 8th Jeremy Hawig, 83' 1/2".

Shot put - 8th Jeremy Hawig 28' 11 1/2".

High Jump - 4th place, Matt Hammen, 5' 2".

AHA Horsin' Around for Heart Event Set for May 18

Mark your calendars! The American Heart Association of Washington County's second annual Horsin' Around for Heart will be held on Saturday, May 18 at the Kettle Moraine State Forest-North Unit at New Prospect.

May 21, 1995 marked the first time in the nation that the American Heart Association held a trail ride fund raiser. Although other organizations have held similar fund raising events, the American Heart Association had not previously ventured into the saddle. Last year was a great success!

Twenty-six riders raised over \$3,500 while enjoying the ten mile route on a cool, breezy early spring day. The ride took less than two hours and riders and horses were rewarded with refreshments at the end of the trail. Prizes were awarded based on money raised, and Bonnie Liepert of Adell won the grand prize Tex-Tan show saddle provided by West Bend Elevator for her \$1,200 in pledges.

This year, the ride will follow the same route through the Kettle Moraine, starting at New Prospect. Each rider must furnish his or her own horse, and each horse must have proof of a 1996 negative Coggins test. All riders with \$35 in pledges will receive a T-shirt and lunch.

Prizes will again be awarded based on money raised, with this year's grand prize being a Circle-Y Roping Saddle, furnished by West Bend Elevator and Ajusta Manufacturing, Inc. The event will begin at 9:30 a.m. and pre-registration may be completed by telephone. Pre-registration, registration forms and pledge sheets are available from Mike Press, American Heart Association at 1-800-242-9236.

The American Heart Association welcomes riding clubs, 4-H clubs and all other interested riders to come out for a day of fun.

Boaters Urged to Practice Safety Measures Near Dams

MADISON -- Anglers headed for state rivers and flowages for the May 4 fishing season opener are being urged to exercise extra caution around dams. Officials warn an accidental fall into the water at this time of the year can be particularly treacherous since cold water temperatures can quickly lead to hypothermia.

High water conditions through much of the state are creating swift currents on rivers and streams, and state officials are warning anglers to give dams wide berth and to watch for warning signs associated with rapidly changing water conditions.

Gov. Tommy G. Thompson has proclaimed May 4 through 10 Dam Safety Awareness Week in Wisconsin. The Department of Natural Resources and dam owners within the Midwest Hydro Users Group, or HUG, are asking people who boat, fish or participate in other activities on or near the water to use common sense and follow basic safety practices around dams.

The following tips can help boaters and anglers remain safe around dams:

*Obey all warning signs, barriers, flashing lights, horns and sirens that may signal sudden releases of water associated with hydro power generation.

* Wear a life jacket on the water, and on shorelines and embankments near dams.

*When fishing in your boat near a dam, leave the motor running to provide maneuvering

power.

*Stay clear of spillways since the currents associated with these can make boat control difficult.

* Never anchor a boat below a dam since water levels can change rapidly.

*Be cautious of reverse currents and the back-roller effect caused by water exiting a dam since these can pull a boat back into a spillway and capsize it.

Immunization Clinics Offered

All recommended immunizations are available to children and adults of Washington County at the immunization clinics offered by Washington County Community Health Service. The clinics are:

MAY 7 - 2 to 6 p.m. -Public Agency Center lower level, Rm. 1145 at 333 E. Washington Street and Indiana Avenue, West Bend.

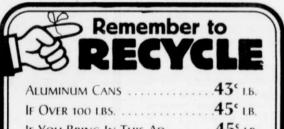

MAY 14 - 3 to 5:30 p.m. - Germantown Senior Center, W162 N11960 Park Avenue, Germantown.

MAY 21 - 2 to 5 p.m. - Hartford City Hall, Community Room, 109 N. Main Street, Hartford.

MAY 28 - 9 to 11 a.m. and 2 to 5 p.m. - Public Agency Center, Lower Level, Rm. 1145 at 333 E. Washington Street and Indiana Avenue, West Bend.

Parents must bring their records of each child's past immunizations to the clinics. Immunizations will <u>not</u> be given without a record card.

For further information, call 335-4462, 644-5204, or 342-2929.

Minutes of Village Plan Commission

Village of Kewaskum Plan Commission March 26, 1996 7:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Robert H. Wagner called the meeting to order. Members present were John Stephani, Frank Beesten, Paul Ziebert, Zoning Administrator Richard Zarling and Administrator Daniel Schmidt. Charles Waala was absent. David Goeden and Richard Schmidt asked to be excused and were absent. A quorum was not present.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by Frank Beesten, seconded by John Stephani and unanimously carried by voice vote, the Commission approved the minutes as printed for January 30, 1996 and February 27, 1996.

Mr. Michael Long and Mr. James Klas from Sprint Spectrum, L.P. were present to explain the request for a Conditional Use Permit for permission to mount Personal Communication Service (PCS) antenna on the Village's water tower located at 1525 Reigle Drive. Along with the placement of the antenna they will also be proposing to place electronic communications equipment on the same property. This property is known by tax key no. V4-0283. Several questions were asked regarding the size and shape of the antenna, visual appearance, power (watts) and health affects. Several points regarding these concerns and many more will be addressed in the lease if the Conditional Use Permit is granted. It was felt the Commission was not in a position to recommend or to not recommend the Conditional Use Permit. On a motion by John Stephani, seconded by Paul Ziebert and unanimously carried by voice vote, the Commission sent the request for the Conditional Use Permit to the Village Board for public hearing without any recommendation.

Mr. Rick Kania from SEWRPC was present for discussion on the Master Plan. Mr. Kania reviewed potential neighborhood delineations in the Kewaskum Planning area. The informal discussion was held on land/lot and street layouts.

The Commission reviewed the State Park Boundary to the SINGER Sewing Machine. \$44 Equipped to Zig-zag, darn, mend, and more. Reconditioned & guaranteed. Free operator instructions. Trade ins welcome.

West Bend, continues their Sunday Afternoon Family Series with "Turtles and Snakes," at 2 p.m. with conservancy staff and volunteer naturalists.

Are snakes lovable? Would they make good pets? Are turtles endangered in Wisconsin? What's the difference between a land turtle and an aquatic turtle?

Come to Lac Law-

rann Conservancy's Sunday Afternoon Family series at 2 p.m. Everyone will have an opportunity to touch a live ornate box turtle and participate in a safe snake hunt.

Bring all your questions about "Turtles and Snakes." Discover the answers during a nature talk, a nature walk, and while doing a nature craft.

NEWS NOTES VILLAGE of KEWASKUM WOOD CHIPPING SERVICES

The Department of Public Works has resumed curb side chipping of wood branches on Mondays. Service will continue each week through late fall for those living in the Village of Kewaskum.

To be eligible for chipping services follow these requirements:

- 1. Place large (butt) end toward the street, at the curb.
- 2. Pile branches no more than 2 feet high; a long low pile is best for feeding the chipper.
- 3. For small brush, TIE IN BUNDLES with string or twine. NO boxes, bags or cans of branches will be chipped. The reason for this is if a stone, gravel, wire, metal or other material is in a bag, can etc. and gets into the chipper it will destroy the knife edges on the chipper, delaying our chipping until the knife is replaced and resharpened.

4. No roots of any kind, or material with any dirt on it.

5. Corn Stalks and Sun Flower stalks will NOT be chipped. Note: Yard waste, garden plant waste, corn stalks, Sun Flower stalks, leaves, grass and materials that will rot down in a compost pile can be brought to the DPW yard and placed in the yard waste compost bin. Hours 7 AM to 3:30 PM Monday-Friday.

The wood chipper can take up to about a 3" diameter tree branch. It is recommended larger pieces be cut up for fire wood, or given to someone with a wood burning fireplace etc. 4-18 & 5-2

two relay units."

5-2-21

Places were few and far between for the KHS boys track team at the Washington County Outdoor Track and Field Meet on Tuesday, April 23, held at Germantown High School.

West Bend West won the meet with 143 points, edging Germantown's 130 points. West Bend East finished third with 85 points, one point ahead of Slinger. Kettle Moraine had 32 points, Hartford had 31 and Kewaskum earned 23 points.

The KHS boys scored in the top three places in only two events; the 400m relay and the 1600m relay. The 1600m relay team of Andy Rix, Joe Rettler, Aaron Kurth and Ryan Herman ran a season best time of 3:36.3 for first place against the best competition in the county.

The Kewaskum unit ran a very determined race in their attempt to make a statement at what had been a below average showing for the rest of the team. The 1600m relay team remains unbeaten during the outdoor season. "They definitely wanted to win that event. These athletes had something to prove and ran with a lot of intensity to win," remarked Coach Jerry Gosa.

The Indian 400m relay team placed third with their season's best time of 46.3. "They have been running well," commented Coach Gosa, adding, "They put forth 100% effort when they run." The 400m relay team consists of seniors Andy Rix, Aaron Kurth, Brian Butschlick and Ryan Herman. They hope to see their time drop down under 46 as the weather improves this spring.

In the 400m dash, Joe Rettler just missed placing, while Matt Tonn, who had been out with mononucleosis, placed sixth with a good time of 53.2. "Matt was only able to run one race tonight. He struggled the last 50 meters of the 400 and it will take some time to get him back to where he was before," reported his coach. "One good thing is that Matt has been working harder than ever since he came back,' added Coach Gosa. Brian Butschlick's name did not show up on the results, but his jump of 18'4" should have placed him fourth in the

didn't have anyone competing. "We're disappointed,

but not discouraged. This was very tough competition for us. Our athletes can hold their own in some events, but not all 17. We will bounce back," commented Coach Gosa.

KEWASKUM TOWN BOARD MEETING May 4, 1996

The Kewaskum Town Board will meet at the Kewaskum Town Hall, 9019 Kettle Moraine Drive, Kewaskum, on May 4, 1996, 9 a.m. The board will take a road survey, checking for needed repairs.

Dated this 26th day of April, 1996.

Barbara L. Wenzlaff, Town Clerk

by the VILLAGE OF KEWASKUM

Notice is hereby served that pursuant to Wisc. Stats. 66.96(4) that every person is required by law to destroy all **noxious weeds**, as defined in this section, on lands in the municipality which the person owns, occupies or controls.

The term "**noxious weeds**" as used in this chapter includes the following: Canada thistle, leafy spurge and field bindweed (creeping Jenny) and any other such weeds as defined by the governing body of any municipality.

KHS Girls Track Team, Minus Six Win Sixth Pewaukee Invitational

By P. Koth

Competing in an eightteam invitational without six of your regular athletes usually would mean that the team is not going to finish high in the final standings. The KHS girls, however, have made a habit of using team strength to overcome the odds.

So when the Indians won their sixth consecutive Pewaukee Invitational it really was no surprise to the coaching staff. Not competing for the Kewaskum girls were Heather Downs, Kenzie Downs, Erin Stock-hausen, Laura Weiss, Sarah Bausch, and Marni Lynn, all of whom have been major contributors thus far this season.

Kewaskum easily beat second place Elkhorn by 26 1/2 points (126-99.5). Kewaskum dominated in the hurdles and throwing events scoring 60 points in these events. The hurdle crew of Carrie Wiesner, JoAnne Thull, and Jackie Michaels put on quite a show taking first (Wiesner), third (Thull), and fourth (Michaels) in the 100m high hurdles and first (Wiesner) and fourth (Michaels) in the 300m low hurdles.

Sophomore Carrie Wiesner almost did not make the finals in the 100's, as she fell going over the second-last hurdle in the preliminaries, but managed to get up and finish in third place which was good enough to qualify for finals. Wiesner's performance in the 100's (16.18) was nearly two seconds faster than her previous best time of 18.1 a week ago.

It was decided to change the lead leg she was using over the first hurdle for this meet, and the change paid big dividends. Meanwhile, sophomore JoAnne Thull, who has been nursing a pulled hamstring, ran a person-al best (17.16) which is over 1 1/2 seconds faster than her previous personal best (18.8). Like Wiesner, Thull is also trying something new in

tinued to also be a very productive event. Rachel Nysse and Katie Yogerst combined for a first (Nysse) and fourth (Yogerst) in the shot put and a second (Yogerst) and fifth (Nysse) in the discus. Nysse, who has been nursing a sore back threw 34'5" in the shot and 95'9" in the discus.

Yogerst meanwhile, continued to have big throws in the discus, throwing 116'9" in the discus only to finish second to Elkhorn's Jessica Reeves, who has one of the best throws in the State.

The 100m dash was also well represented with Jenny Jagielski and Jenny Strobel taking first (13.43) and third (13.82) respectively. Jagielski also won the 200 (27.95) by almost a full second over Jamie Rasmussen (28.85) of Pewaukee.

The other first place finish for Kewaskum came from freshman Carol Neumann in the 1600m run, in a time of 5:51.5. Neumann also placed third in the 800m run with a personal best time of 2:37.9. After taking 16 seconds off her 1600m time last Tuesday, it was thought there would be a let down in her performance Friday, but she is such a competitor that she came back with another outstanding performance.

Other places for the Indians were: 800m relay team (third) Jenny Strobel, Carrie Wiesner, Ann Bodden, Bridget Baum; 3200m relay (fifth) Erin Judnic, Emma Chambers, Jenny Immel, Becky Repovsch; 400m relay (fourth)

Auto Service -

Jenny Strobel, JoAnne Thull, Ann Bodden, Amy Barrett; Triple Jump (fifth) Jill Wichtoski; 1600m relay (fifth) Jamie Gaffke, Ann Bodden, Kelly Schreffler, Jessica Repovsch.

All in all, it was another typical girls track team win with all the athletes contributing to the victory.

Next Thursday, May 9, Kewaskum will try to defend its' EW conference championship as it hosts the conference meet. Field events start at 3 p.m.

TEAM RESULTS: Kewaskum - 126; Elkhorn - 99.5; Westosha Central - 93; Pewaukee -81.5; Thomas Moore - 51; Cedar Grove - 51; Union Grove - 18.

Save When You Swing Into Spring

UNIROYAL

Girls Track Team Comes in Third in County Invitational

By P. Koth

To win the Washington County Indoor Invitational, you need to have a good team and you need to have everyone healthy. The Kewaskum girls track team is good, but it wasn't healthy which resulted in a third place finish last Tuesday at Germantown.

West Bend East finished first (120 points), Germantown second (109 points) while Kewaskum managed 103 points. Kewaskum was led by juniors Katie Yogerst and Rachel Nysse in the shot and discus, with Yogerst winning both events and Nysse finishing second in the shot and third in the discus.

Both of Yogerst's throws were her best of the season as she threw 116'5" in the discus and 34'11" in the shot put. Both girls help to form one of the cornerstones of a very good track team this year.

The hurdle event was also a strong event as sophomore Carrie won the 300m hurdles in a time of 50.5, with freshman Jackie Michaels finishing fifth in a time of 54.5.

In the 100m high hurdles junior Heather Downs finished in second place (17.7) and sophomore Carrie Wiesner finished in fourth (17.9). Wiesner and Michaels also had a double place in the long jump with Wiesner finishing third (14'3") and Michaels sixth (13'9").

Freshman Carol Neumann raised her level of competition by running nearly 16 seconds faster (5:43.3) than she had ever run in the 1600m run to finish second, and also placed third in the 800m run with a time of 2:39. Neumann is a rising star for the Kewaskum track squad and appears to have a great future.

The 800m relay team ran its best time of the year with a 1:53.3, which was good enough for second place. Seniors Jenny Strobel, Erin Stockhausen, junior Jenny Jagielski, and sophomore Carrie Wiesner ran this race well once again.

Other Kewaskum athletes who placed were: 3200m relay, fourth, 12:23.3; 100m dash, fourth, 13.4, Jenny Jagielski; 400m dash, sixth, 1:07.3, Laura Weiss; 400m relay, Ann Bodden, Bridget Baum, Jenny Strobel, Kenzie Downs, 55.2; 200m dash, sixth, 29.2, Erin Stockhausen; 1600m relay, fifth, 4:39.4 Ann Bodden, Laura Weiss, Jamie Gaffke, Jessica Repovsch.

TEAM SCORES:

West Bend East - 120; Germantown - 109.5; Kewaskum - 103; Hartford -87: West Bend West - 65: Slinger - 37.5; Kettle Moraine Lutheran - 4.

Approximately 850 native and naturalized species of trees are grown in the U.S.

her technique this year.

The third hurdler, freshman Jackie Michaels likewise ran a personal best 17.58 which was more than a second faster than her best mark of 18.8. Not a bad showing considering the number one hurdler up until this point was junior Heather Downs, who did not compete in this meet. While the hurdlers were scoring big points, the throwing events con-
