School Board Decides to Stay In-House To Fill Three Administrative Positions

By Sharon Callaway Roznik

Three administrative positions within the Kewaskum School District are being filled in house, but it looks like the community is once again questioning board decisions, and the effect these decisions may have on the students.

Of major concern was the consolidation of the principal positions at the three elementary schools into one position -- that of Director of Elementary Education. The board approved newcomer Kieth Kriewaldt for the job, a former elementary teacher who was hired last November to fill the principal vacancy at Wayne and Farmington schools.

The creation of this new position was discussed previously at district work sessions, and

Kriewaldt was recommended for the job by Dr. Johnson, who felt he could provide consistent leadership at the K-5 level. Johnson went on to explain the two elements he felt were needed to assure the Director's job would run smoothly: a superb faculty, and the right person for the position.

District resident Kathy Charland, who had attended the work session, asked the board for clarification as to how this position went from being just an idea, to the sudden hiring of an individual who will be required to oversee 800 elementary students and 41 staff members. "That's an incredible number of students for one principal in my view, and not even under one roof," she stated.

Johnson explained

that the hiring of individuals for restructured positions is just a part of the 96/97 district staffing goals, which was also an agenda item that met approval at this month's school board meeting. This confused some members of the audience, who understood the three administrative positions would be approved as part of the district's staffing package, and not as individuals.

Concerned parents then expressed their displeasure at having one individual oversee all three schools, and only having an assigned number of "teachers in charge" in each building.

Board Approves First Draft Of Strategic Plan Element

By Sharon Callaway Roznik

The Kewaskum School Board approved the first draft of their Strategic Plan Element, including their mission statement of beliefs and goals for the district, at this month's school board meeting.

Their mission statement is a call to "develop an educational environment that is reflective of the community, where students want to learn, teachers want to teach, and parents want to support." The draft is the result of work done at two planning sessions held in April, and Dr. Johnson asked the board to now offer these plan elements for review to the residents of the com-

munity, for discussion at the June school board meeting.

DISTRICT BELIEF

* All decisions should benefit the children in the long run.

* The District should foster an atmosphere of dignity and respect for all individuals as we emphasize what we have in common and celebrate differences.

* Open and honest communication is essential between student, family, school, community and a key for good decision making.

* Children should like to go to school to learn.

* Students should master basic skills, be

'A Summer Memory' Simulation To Be Demonstrated Thursday

Presentation by the Kewaskum Fire Department and Rescue Squad

The Kewaskum Fire Department and Rescue Squad personnel will present, "A Summer Memory," on Thursday, May 23.

The Fire Department will team up with the Kewaskum School District to demonstrate first hand, so all will be able to witness the possible tragic results of mixing alcohol, drugs and driving as high school students, firefighters and emergency medical technicians create a scene that is all too familiar on the television news.

Everyone is welcome to attend and view this demonstration. It will be held at the Kewaskum High School track and will begin at 6:30 p.m. sharp.

Parents are advised that this demonstration may be too graphic for younger children, so caution and discretion

should be considered.

This presentation is being held in conjunction with National EMS Week, May 19-25.

Friday Deadline

Due to the Memorial Day holiday, please be aware the deadline for ALL advertising and news is 5 p.m. on Friday, May 24. Our normal deadline is NOON ON MONDAY.

When you ask us to accept copy after our deadline, we truly would like to accommodate you, however, every late item, every late ad, backs us up considerably, and consequently, we cannot devote the proper time to other photos and articles submitted on time. Your cooperation is appreciated greatly.

Memorial Day Parade, Program Here

On Monday, May 27, the Robert G. Romaine Post No. 384 of the American Legion will hold their annual Memorial Day Parade and ceremony.

The parade to honor those who gave their all will be held at 9 a.m. beginning at the Kewaskum High School and proceeding to the American Legion on Fond du Lac Avenue in Kewaskum. A short memorial service will be held there.

All Legionnaires, fire department members, Boy Scouts, Girl Scouts, 4-H youth groups, etc., are invited to march in the parade honoring our war dead. Participants are asked to meet in front of the Kewaskum High School at 8:45 a.m.

The parade route is from the high school to Third Street, south along Parkview to Main Street, west on Main Street to Fond du Lac Avenue and north to the Legion grounds, where the ceremony will then be held.

In case of rain, the program will be held in the high school auditorium at 9:30 a.m. Marching groups will assemble in the halls and

march into the auditorium.

The Memorial Day address will be delivered by Petty Officer Foldes.

One parent stated that it was defeating the purpose if the intention was to create greater continuity with only one Director, when the new role requires the hiring of several "in charge" individuals at each school.

Also, many audience members have been impressed with the work Mr. Kriewaldt has been doing, and the supportive relationship that has developed between himself, parents, and his staff, and they feared the new position might cause him to "burn out" from an overload of responsibility.

Marilyn Terlinden told the board that perhaps the real problem isn't the position itself, but the fact that the community, as well as the teachers, would have liked to know a little more about what's going on.

At her request, Mr. Kriewaldt addressed the board, stating that he will be consistently working with his staff as a team, and that he feels capable of assuming the responsibility. "We are growing, and this is a transition, and it's uncomfortable because it's change," he pointed out. "I think I'm up to the job. I'll share with you if I'm not -- you will hear it. The last thing I want to do is hurt these kids, hurt these parents, the community, my staff." The new title will increase his yearly salary from \$52,000 to \$61,200.

After Kriewaldt's approval as Director of Elementary Education, Dr. Johnson requested the board next approve George Allmann for the position of Curriculum/Business Manager. A big concern within the district is continuity of curriculum, and since great strides have been made recently to alleviate previous problems, some parents felt that the two-fold position would take away from Allman's focus on curriculum. Third grade test scores just in, placed our district above the state average and surrounding districts, and fourth graders also tested a full grade above the state average.

Johnson stressed that the business aspect of the district is run as a team effort, with the bookkeeper, the secretary, and the district administrator, and the addition of Mr. Allmann would help formalize the business functions. The board unanimously approved this appointment, as well as the hiring of Larry

Wilson as new KHS principal. Wilson was hired in July, 1995, as assistant high school principal, replacing Dave Dillman. Wilson is now replacing Charles Heidner, who is leaving the district to accept a position in Sturgeon Bay.

The 1996/97 staffing goals will also include hiring a new assistant high school principal, and a Director of Pupil Services. In some cases, the governing factor of these goals is the number of special needs students served within the district, and in other areas it will reduce class sizes and faculty overloads.

The concept of adding interns to the school district is also being discussed, at the third and fifth grade level, as well as an art intern to be shared between the high school and the elementary school. A meeting was held May 20, at KES with Mr. Kriewaldt, and

parents whose children would be involved in proposed classes using interns, under the strict guidance of a certified teacher. "It's hard to get interns, because we're not the only ones that thought of this," Dr. Johnson related, adding that he knows there's also been a lot of concern about the use of interns.

A parent at the board meeting expressed her displeasure with the proposed intern program, citing the inexperience of college students as her main concern, especially when working with lower grade children, still in their formative years. As a strong supporter of the public school system, and employed within it, she told board members she would remove her child from the school district, if the use of interns was initiated.

The list of staffing goals is an ongoing project that includes all

grade levels, the administration, and support staff, and some modifications may occur as the new school year approaches.

Tickets Available For Social Fest

Tickets are now on sale for Holy Trinity's second annual Social Fest. Something new for the ticket buyers is an Early Bird Special Drawing. Those who purchase a ticket by June 30 will be in the special drawing to win \$1,000 cash.

The tickets sell for \$50 and include a chicken dinner for two, free beer, soda and wine coolers, along with an evening of music by the band *Alamo*. There will also be continuous games and raffles all evening.

The additional cash prizes will be \$5,000 for

first prize, second through eleventh prizes are \$500, and 12th through 21st prizes are \$50. There will be only 500 tickets available for sale.

After May 31, tickets will be made available to the public. They can be purchased at Holy Trinity School or you may contact Jackie Herriges at 626-4963.

Area businesses and private donations make this all possible for the parish. If you have any hand crafted item, or a donation of any kind, please contact Jean Kopecky at 626-2734.

Be ready for another fun-filled night, with old friends and new. Thank you to all who supported the Social Fest last year, and it is hoped the committee can count on you again this year.

School District Shopping For a New Conference

By Sharon Callaway Roznik

Kewaskum High School coaches have been discussing the future of athletics within the district with administrators this month, to weigh conference options for the future, and decide how Kewaskum should proceed.

Realignment of high school athletic conferences is a big topic these days, KHS athletic director James Westphal told the school board this month, especially with the recent announcement from WISA (conferences of independent schools) that they will be disbanding by the year 2000, and looking to join up with WIAA conferences at that time, or sooner.

Westphal stated that the WIAA first wanted to assimilate these schools into already existing conferences, without realigning the whole state, but it looks like other schools are also out shopping for a conference that better fits their needs.

What sent Kewaskum shopping was the admission of Manitowoc's Roncalli Wisconsin Conference during a 5-2 vote (Two Rivers and Kewaskum voting no), to take effect the 97/98 school

year. During a recent meeting with district coaches and inter-district superintendent Dr. Johnson, it was clear there was no support for staying within the conference, citing geography and length of traveling distance as the main problem. Westphal assured the board there was never any problem with the EWC, other than the distance factor.

The realigning of conferences is presently in a state of confusion, with the WIAA recommending the formation of new conferences, then proposed conferences end up falling through, and the restructuring of presently existing conferences, makes it very difficult to make any decisions at

this time.

Westphal said that the coaches recommended applying to the Flyway conference, comprised of schools closer to our area, like Campbellsport, Lomira, North Fond du Lac and Oakfield, but again, everything is still up in the air. "I have the sincere feeling that there's going to be a lot more switching around before anything is actually finalized, which makes it a bit difficult for us to know where we might fit in," he pointed out.

Dr. Johnson suggested a committee could be formed to formalize a

PROCLAMATION

TO DESIGNATE THE WEEK OF MAY 19-25, 1996 AS EMERGENCY MEDICAL SERVICES WEEK

Whereas, the members of emergency medical services teams are ready to provide lifesaving care to those in need 24 hours a day, seven days a week; and

Whereas, access to quality emergency care dramatically improves the survival and recovery rate of those who experience sudden illness or injury; and

Whereas, emergency medical services providers have traditionally served as the safety net of America's health care system; and

Whereas, emergency medical services teams consist of emergency physicians, emergency nurses, emergency medical technicians, paramedics, firefighters, educators, administrators, and others; and

Whereas, approximately two-thirds of all emergency medical services providers are volunteers; and

Whereas, the members of emergency medical service teams, whether career or volunteers, engage in thousands of hours of specialized training and continuing education to enhance their lifesaving skills; and

Whereas, Americans benefit daily from the knowledge and skills of these highly trained individuals; and

Whereas, it is appropriate to recognize the value and the accomplishments of emergency medical services providers by designating Emergency Medical Services Week; and

Whereas, injury prevention and the appropriate use of the EMS system will help reduce national health care costs;

Now, therefore, I, Robert Wanger, President of the Village of Kewaskum, in partnership with Dan Burns, Flight For Life Program Director, of EMS teams in Kewaskum do hereby proclaim the week of May 19-25, 1996 as

EMERGENCY MEDICAL SERVICES WEEK

and encourage the community to observe this week with appropriate programs, ceremonies, and activities.

1,000 Balloons Carrying Just Say No Message to Be Launched June 1

Wayne Elementary School Just Say No Club Members

The sky will be dotted with purple on Saturday, June 1, when Just Say No Club mem-

bers from Kewaskum, Farmington and Wayne Elementary Schools will launch 1,000 balloons in a celebratory effort to spread their drug free lifestyle message. The balloons, from Balloons by Brenda, are biodegradable and specially printed with the Clubs' slogan, Just Say No.

Each balloon will carry the first name of a student or staff member at the schools, as well as a challenge to finders to pledge no to illegal drugs and send that pledge back to Kewaskum.

The event will begin with a special recognition of the Clubs' officers and graduating fifth graders. After reciting the Just Say No Pledge, the balloons will be launched. Refreshments will be served following the ceremony.

All elementary students, their families, and community members are invited to attend the launch, scheduled for 1 p.m. at the Kewaskum High School football/track field.

Strategic Plan

(Continued from Page 1)

able to think critically and solve problems.

* Parents are an integral part of the educational process and the primary influence on a child's life.

* Schools should reflect ethics, values, and the educational philosophies of the community and elected representatives.

* Staff at all levels must be qualified and given well defined responsibilities and be held responsible for measurable quality performance.

* High expectations encourage high performance.

* Children, through their families, and with the help of our schools, should learn morals, integrity, responsibility, and self discipline.

DISTRICT GOALS

1. We will foster an environment of mutual respect to improve communication and decision making between all parties of the district.

2. We will develop a fiscally responsible academic curriculum anchored in basics and containing high standards with continuity and with periodic evaluation.

3. We will establish detailed expectations and standards of job performance for all district positions and hold employees accountable.

4. We will develop a maintenance and capital

improvement plan to provide a safe, clean comfortable and attractive physical plant for all students.

Once the board agrees on all these elements, after hearing from district residents, study groups will be created for each goal, to develop an action and implementation plan for achieving these goals.

Other highlights of the meeting included recognition of the students of the quarter from each school: WES - Beth Vogt, FES - Jenna Wolfenberg, KES - Jenny Harter, KMS - Joshua Kropp, and KHS - Justin Andera.

Audience member Connie Schulist approached the board to question the results of a recent survey sent to district residents regarding building and maintenance. She stated that results published in newspapers were inaccurate, according to her own review of 893 surveys. It was reported that

48% of the surveys indicated a support for "back to basics" education, and the greatest percentage she could come up with, giving leeway for any indication from comments that basics were preferred, was 22 1/2%. She was also disturbed by a comment in the newspaper that quoted a Kewaskum school board member as stating they felt "vindicated" by the results, and that this was a message to the district.

Dr. Johnson explained that this survey was the result of the K-5 Feasibility Committee, to get a sense of how the district felt about future options for handling growth. The surveys were mailed to Madison Opportunity Center in Madison, who handled the data recording. "The hard thing is to group responses," Dr. Johnson explained. "This is what they do. This is what they come up with. It's a difficult process to group words together like that into common themes, but

I trust this group. They've done a lot of work for different townships. We never touched the surveys until they came back," he emphasized.

Due to the lack of funding for the Industrial Arts class at KMS, the board approved the assessment of a \$5 fee for materials to complete necessary projects. The KHS trip to Mexico also received the board's OK, and is scheduled for March 28-April 3, 1997, during spring break. Only one day of school will be missed, according to Spanish teacher, Patricia Alvarado.

Resignations were accepted from Yvonne Markwardt, elementary school secretary, and Judith Stippich as the Speech and Language Clinician. Dale Squier's letter of retirement from Kewaskum Middle School was accepted with regret, after his many years of service to the district.

Mr. Zarling's request that the district pay his

supplemental health insurance costs to Medicare was also approved, after a lengthy discussion. Board member John Schulte voted no, for reasons he could not voice, since they were part of closed session discussions, but he did indicate insurance coverage was part of the negotiated contract built in to encourage early retirement. Schulte also felt this agenda item should not have been talked about at this board meeting, but rather discussed in a closed session, if it involves personnel. "You're setting a precedence here tonight," he told other board members. The consensus was, that after Mr. Zarling's 36 years of service to the district, he has earned this for his dedication to Kewaskum.

Tom Timblin and Jon Downs volunteered to hand out diplomas at this year's graduation ceremony with commencement to begin on Thursday, June 6, at 8 p.m.

Wisconsin Vietnam Vets Tell Their Stories In New Book Published on Memorial Day

Wisconsin Vietnam veterans tell their version of a war that divided America in a new book published this Memorial Day by the State Historical Society of Wisconsin.

Edited by State Historian Michael E. Stevens, "Voices from Vietnam" contains 174 letters and diary entries from 92 Wisconsin Vietnam veterans, both men and women. It is illustrated with 44 photographs.

This volume differs from other books published about Vietnam because it tells the story of the war from the perspective of the Wisconsin men and women whose wartime writings appear here. These young Americans vividly describe their experiences, from the shock of basic training through boarding a "freedom bird" to take them back to "the World." In between, their letters and diaries illustrate both the tedium of daily life and the terror of combat.

The book is the result of a two-year project to collect the letters and diaries of the state's Vietnam veterans. Stevens and the project staff selected the letters from more than 12,000 items contributed by more than 230 veterans and their families.

"Voices From Vietnam" contains letters from those who served in a wide range of capacities: pilots and infantrymen, medics and chaplains, nurses and Red Cross workers. Letters from two recipients of the Congressional Medal of Honor - Gary Wetzels and Lance Sijan - appear in the book, as does the only known diary to have been smuggled out of the Hanoi Hilton by a prisoner of war.

The writings include GIs' thoughts about antiwar protests, media coverage of the war, and loved ones back home. They express a variety of feelings, from good-natured banter and philosophical musings to searing tales of anguish. Although the attitudes of individual servicemen varied widely, their writings reveal the depth of emotion the war extracted from those who participated in it - voluntarily or not. Soldiers from Wisconsin struggled to put into words their powerful emotions about being caught in an impossible situation while wanting to do their best

for themselves and their buddies.

George Kulas of Fond du Lac resented characterizations of his generation as "a bunch of hippies, draft card burners and bums," but asked, "who's dying over here every day!" GIs included both supporters of the war who criticized antiwar demonstrators as well as opponents of the war who put McGovern-for-president bumper stickers on jeeps and helicopters.

Regardless of their position on the war, Wisconsin GIs thought that apathy was the worst choice of all. Bob Rock, a platoon leader living in Dodgeville prior to the war, wrote in his journal that people must take a stand on the war: "If they're dying in vain then do your best to put an end to the war. If the cause is justified then let him know he's fighting for something worth dying for."

The letters tell tales of anguish and of men trying to make sense of terrifying conditions in a time of upheaval and uncertainty. John Abrams, a helicopter pilot from Milwaukee who died during the war, expressed frustration at fighting a guerrilla war in which he couldn't "decide which ones are the bad guys and which ones are the good guys."

Some of the most poignant letters were written by young men who saw their friends die. Fort Atkinson native Steve Plue told of how he and his colleagues watched a buddy "dying and we couldn't do a damn thing to help."

The book also contains letters written by young men who never made it home, such as Green Bay native John Marshall's haunting account of "a dream last night that some VC were coming towards me and I got shot pretty bad" -- written three days before he died.

Others wrote about suppressing feelings over what they saw and experienced. Tony Paulson of Madison wrote, "When I get home I think I am going to let go with a whole year's worth of emotions."

The writers of these letters and diaries are as varied as the people of Wisconsin, but the themes of adaptability, courage, and deep feeling run throughout their

writings. "Voices From Vietnam" provides both an emotionally intense view of the war and an unforgettable look at one of the most turbulent eras in American history.

"Voices From Vietnam" is available in both clothbound (\$24.95) and paperback (\$12.95) versions at the State Historical Museum on Madison's Capitol Square and at many local bookstores. It may also be purchased by mail order (clothbound add \$6.75, paperback add \$5.45 for shipping, handling and tax) from: Publication Orders; State Historical Society of Wisconsin; 816 State Street; Madison, Wis 53706-1488 or by telephone at (608) 264-6428.

Wisconsin Tourism Presentation Held Here

The Kewaskum Area Chamber of Commerce and their Tourism Committee invited Kewaskum and the Kettle Moraine Area businesses to a Wisconsin Tourism Presentation on Tuesday, May 14 at the Kewaskum Town Hall.

Debbie Skinner, Representative Consultant of the Wisconsin Department of Tourism, graciously presented an overview of the Wisconsin Tourism Department's programs available to promote this area and the beautiful Kettle Moraine.

She also spoke on the benefits of the tourism industry and announced facts and figures on how much revenue is generated in this county by tourism and what that

adds up to in tax dollars.

Following the presentation, those in attendance were invited to join Chamber members for refreshments and interaction on how we all can best utilize our most attractive natural resource, the Kettle Moraine.

Discussion was also held on how businesses in Kewaskum and the Kettle Moraine can work together to help promote each other, to the benefit of everyone located in the surrounding area.

Ms. Skinner will be addressing the newly formed tourism committee three more times in the coming months to help find a common goal on promotion of this area.

Following the presentation, those in attendance were invited to "stay after" and do a little brainstorming on how to help promote the Kettle Moraine. An assortment of snacks and refreshments, courtesy of the Chamber of Commerce, were available. Shown above are, left to right: Leon Schultz of the Bar-N Ranch Stables, Hwy. GGG in the Kettle Moraine; Kewaskum Area Chamber of Commerce President John Meisser (back to camera); Wayne Kannenberg of Pony Express in New Prospect; Julia and Mike Desterhoft of Parkview General Store, located at the entrance to Mauthe Lake; Mike Berger (back to camera) of Main Street Crafts in Kewaskum, and Deb Kannenberg of Pony Express.

Joyce Kral, left, Chairman of the Kewaskum Area Chamber of Commerce Tourism Committee, introduces Debbie Skinner, Representative Consultant for the Wisconsin Department of Tourism.

Chamber of Commerce members Mike Berger, Dan Nauman of Big Horn Forge, Judy Berger and President John Meisser, were all in agreement that the presentation by Ms. Skinner was very informative and a definite step in the right direction for businesses in this area.

Letter to the Editor

To Kewaskum Area Businesses:

On Tuesday, May 14, the Kewaskum Area Chamber of Commerce presented Ms. Debbie Skinner, a consultant for the Wisconsin Department of Tourism. This "direct line" of communication via Ms. Skinner starts our initial step to the development of TOURISM and economics for our SPECIAL AREA, the Gateway to the Kettle Moraine.

This POSITIVE approach was enthusiastically accepted by the small group attending this Chamber invitation. Wisconsin offers various assistance programs to help communities and businesses FREE.

The Chamber members and business persons will meet with Ms. Skinner as a consultant at three separate MARKETING meetings to develop tourism ideals for the Kettle Moraine area.

Upon completion of these meetings, the Kewaskum Area Chamber of Commerce will again present Ms. Debbie Skinner to YOU the businesses of this area with a Tourism Portfolio and a PRIME OBJECTIVE to benefit ALL of us. We wish that ALL of you will attend and help create this NEW HOPE for the Kettle Moraine.

Kewaskum Chamber
Committee Member

Melis Drives to EWSCA Victory

By Jeff Pederson

PLYMOUTH -- Following a three year hiatus from active competition, veteran driver Tim Melis of Plymouth strapped into the car normally driven by older brother Chuck and drove it to victory in the 30 lap Eastern Wisconsin Stock Car Association Modified feature event Saturday night at Sheboygan County Fair Park.

Polesitter Brad Dahmer of Sheboygan took the early lead as the green flag fell to start the Modified headliner. Second row starter Tim McMullen of Plymouth slipped past Dahmer to seize the top spot in turn four of the opening lap.

McMullen then proceeded to build up a quarter-straightaway advantage over the next nine laps. As McMullen began to encounter heavy lapped traffic, Juneau's Randy Butler raced in from his outside second row starting position to challenge for the lead on lap 12.

Five laps later Butler tried to duck under McMullen in turn one, but the two leaders made contact and spun into the infield to bring out the first red flag of the race. The incident forced both drivers into the pits to make repairs.

After the departure of McMullen and Butler, the sixth starting Melis inherited the lead. With brother Chuck on the sidelines recovering from a lacerated kidney suffered in an opening night flip, Tim displayed the strength of the Team Melis machine as he promptly bolted away from the pack following the red flag restart.

The 14 year veteran went on to score his first feature victory since the 1990 season by a half lap margin over Ken Jay Fiedler of Sheboygan Falls, who came up from the 7th starting spot to finish second.

Melis, who stepped away from weekly EWSCA Modified competition after the 1992 season, gave credit to the crew members of the Chuck Melis Racing Team for putting the car back in victory lane.

"It's a great feeling to come back and win a feature," Melis said. "Chuck sure has put together a strong racing team. The crew did an outstanding job tonight. It was a privilege to come in and drive such a well prepared car."

Randy Tracy of Plymouth charged up from

the fifth row to place third, 25 year veteran Chuck Tuschl of Cato was fourth and 1994 Modified track champion and opening night feature winner Pete Ostrowski of Milwaukee was fifth after starting ninth.

Mark Zimmerman of Kohler held off a late charge from nine-time track champion Gary Laack of Glenbeulah to earn his first career 25-lap Sportsman feature victory in thrilling fashion.

Zimmerman, who started second, out-dragged polesitter Jim Rychtik of Fillmore on the drop of the green flag to take the lead in turn one of the opening circuit. The first red flag of the race appeared on lap three for debris in turn one.

After the restart, Zimmermann opened up a quarter-straightaway cushion over rookie contender Roy Dahmer of Sheboygan. The race was slowed again on lap nine for a four car incident in turn one involving 1993 Sportsman track champion Randy Markwardt of Sheboygan, Dave Herr of Sheboygan, Plymouth's Dan Dippel and Brian Schmidt of Cedar Grove.

Laack, who was substituting for Dave Enders of Kiel, moved up from his sixth row starting spot to pressure Zimmermann for the lead on lap 19. One lap later, Laack used the outside groove to pull alongside Zimmermann. The two veteran drivers dueled side by side, over the next three laps to the delight of the capacity crowd.

On the white flag lap, Zimmermann finally surged ahead to notch the victory by three car lengths over Laack, who was making his first appearance in the

Sportsman's division since 1993.

Dahmer was third, Rychtik placed fourth and Plymouth's Darrell Wright rounded out the top five.

In the Hobby Stock division, second year driver Jeremy Walvoord of Oostburg picked up his first over 20 lap feature triumph.

Doug Teunissen of Oostburg paced the opening circuit from the pole position before Walvoord bolted in from his inside third row starting spot to take control of the race on lap two.

Walvoord worked skillfully through lapped traffic over the final 18 laps to post a convincing half-lap victory over two-time Hobby Stock champion Rick Hed of Cleveland, who started 18th. Kiel's Dan Gierke came up from the sixth row to place third, 1995 co-champion Tim Thompson of Campbellsport finished fourth after starting 16th and Teunissen held on to finish fifth.

Kewaskum's Bill Wenninger won the 15 lap Sportsman semi-feature while Rich Wondra was victorious in the ten lap Modified C semi-feature. Henry Dickmann of Sheboygan took the checkered flag in the Sportman 15 lap semi-feature. Bob Otte of Plymouth captured the 15 lap Hobby Stock semi-feature and Campbellsport's Rick Thompson won the ten lap Hobby Stock consolation race.

Jay Schneider of West Bend flipped hard during the Modified B semi-feature. He was not seriously injured.

Next week the EWSCA will conduct the 12th annual Etchie Biertzer Memorial Night of Racing. The special event honors the late West Bend driver who

won four consecutive EWSCA Modified titles between 1977-1980. Cascade's K.J. Skelton won the 1995 Etchie Biertzer Memorial Race en route his first career EWSCA Modified championship. Frank Geiger of Two Rivers won the Sportsman feature while 1995 co-track champion Tim Thompson of Campbellsport took home the Hobby Stock feature victory last season. Qualifying is set to start at 6 p.m. with racing to follow at 7.

Dyslexia Training Seminar June 17-28

The Wisconsin Dyslexia Institute (WDI) will present a two week Level I Instructor Training Seminar from June 17-28. The classes will be held from 1 to 5 p.m. Monday through Friday at the University of Wisconsin-Washington County Campus.

The Level I Seminar is designed for special and general education teachers and for persons interested in teaching for the Institute. The curriculum is based on Orton-Gillingham philosophy and current phonological coding research. This well designed approach is appropriate for individuals with a language-based learning disorder.

Persons completing a Level I Seminar successfully will be able to begin teaching students and are eligible to begin working on requirements for Level I certification through the Institute. Certification require-

ments extend over the course of a minimum of one year of supervised teaching.

WDI is a not-for-profit educational corporation dedicated to providing services in reading and communication skills to dyslexic children and adults. In addition to instructor training seminars, the Institute provides language evaluations, tutorial services, and informative programs for organizations and the public.

For more information on fees, qualifications and registration, call the Institute at 414-334-8005 or toll free at 1-888-334-8005.

NOVENA TO ST. JUDE

O Holy St. Jude, Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need. To you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance.

Help me in my present urgent petition, in return I promise to make your name known and cause you to be invoked. Say three Our Fathers, three hail Marys and three Glorias. St. Jude pray for us and all who invoke your name.

This Novena must be said for 9 consecutive days, and publication must be promised.

Thank you St. Jude, for all favors from you.

KHS Senior Ted Kuehn Attends Talent Search Honors Day Program

Shown above, left to right, at the 32nd Annual Wisconsin Mathematics, Engineering and Science Talent Search Honors Day Program held recently in Madison are KHS calculus teacher Clark Pearson, senior Ted Kuehn, and Dr. Young, Professor of Math Emeritus.

On Tuesday, May 8, Ted Kuehn, a senior at Kewaskum High School, attended the 32nd Annual Wisconsin Mathematics, Engineering and Science Talent Search Honors Day Program at the University of Wisconsin-Madison.

Ted was one of 21

students statewide who was invited. Students are picked on their abilities to solve very difficult math problems that are sent out by the University of Wisconsin-Madison.

This is the third year in a row Ted has been invited, which is indeed a

high honor!

Ted is the son of Mr. and Mrs. Christian Kuehn of 5874 Beaver Dam Road. He was accompanied to Madison by his Calculus teacher, Clark A. Pearson.

Test Results Show District Third, Fourth Graders Score Well Above State Average

The Kewaskum School District has just received its test score results for the third and fourth grade and both are very encouraging to District teachers and parents alike, according to George Allmann, district curriculum resource director.

On the third grade reading test, District students scored a 95.9%, well above the state average of 89.4%. This score also reflects favorably with other schools in the surrounding area. Only 1.6% of the students in the District scored below the state standard which is exceptional, according to Allmann.

The Kewaskum District participated in the voluntary testing of all fourth graders under the Wisconsin State Assessment System program.

According to Allmann, the District average composite score was 6.3 which puts the District's students one full grade level year above the state average of 5.3. Both Wayne and Farmington Elementary School students scored an average composite score of 7.3 while Kewaskum

Elementary scored a 5.4.

After reviewing the test results, Mrs. Jean Goeden, Board President, credited the superior district faculty and the concerned efforts of parents as the key factors in the progress of the third and fourth grade students.

PRAYER OF THE BLESSED VIRGIN

(Never known to fail). Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (Make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Say this prayer for three consecutive days and then you must publish and it will be granted to you. Grateful thanks

J.S.

"The District is on its way to providing an excellent foundation for our students to meet the challenges ahead," she said.

DAD

We lost you 10 months ago.
I will never forgive God for that,
You were and always will be our Dad.
I cry about happy days;
About sad days, but will never forget you.
You're in our heart, in the eyes and hearts of your children and your wife, in the eyes and hearts of your grandchildren.
In everyone's hearts you have helped and been there for.
I wish more people could have felt the love you save your wife and children everyday.
We love and miss you.
You will always be in our heart.

To us, you will always be our Dad.
Sadly missed by wife Joyce, and family.

IN MEMORY

In loving memory of GERALDINE (GERI) GAVIN, who passed away six years ago, May 28, 1990:

There is a road called remembrance
Where thoughts and wishes meet;
We take that road in thought today to one we can not meet;
You filled our life with happiness and you gave us all your love.
For the time we shared together, we thank the Lord above;
To your resting place we visit and place flowers there with care,
But only "God knows the heartache."
When we turn and leave you there.

Sadly missed by Mom and family.

TRIBUTE

In loving memory of EVALINE NIGH, who passed away May 31, 1979:

I did not see the love of God,
as you carefully removed peas from the pod.
I did not see the love of God,
when you labored to turn over the sod.
I did not see the love of God,
when you would threaten me with a rod.
I did not see the love of God,
when after a hard day, your head would nod.
Now you are gone and I plainly see,
the love that God has for me....
For He created billions and billions of others, but He chose you alone to be my mother.
And as I reflect on the days gone by,
with laughter, a tear, sometimes a sigh.
I thank and praise my God on high,
because He gave me you, "mama" Nigh.
Missed and remembered by her children.

Eighth Graders Visit Kewaskum High School

Kewaskum High School seniors Jenny Goodsell and "Alice Trebeck," Laura Fleischman hosted a game of "Jeopardy" for eighth graders during their orientation to high school on May 16. Categories included Teachers, First Day Antics, Rules and Regulations, Excuses and Potpourri. "Jeopardy" participants and winners included, first row, left to right: host "Alice Trebeck" Laura Fleischman, and "sophomore" contestant Dan Zuehlke. Middle row: "Teacher" contestant Jessica Schulist, and "Silly Frosh" Heather Maas. Back row: "Junior" contestant Jenny Weston, "Super Senior" contestant Brad Oelhafen, and co-host "Vanna" Jenny Goodsell, who talked to the 180 visiting eighth graders about what to expect as freshmen at Kewaskum High School.

Sunday Programs At Lac Lawrann

Lac Lawrann Conservancy in West Bend will offer a series of Sunday Afternoon Guided Walks and Programs for families.

The series began Sunday, April 28, and continues through June 9. The program topics will include many animals and plants of wetlands and forest.

Families should come dressed for sudden changes in weather.

Springtime in Wisconsin is capricious, one afternoon could include warm, then chilly temperatures, rainy then sunny skies. Be prepared.

The paths and trails of Lac Lawrann are not suitable for strollers or baby buggies. Be prepared to carry children under the age of three if you bring them to the walks or programs.

Reservations are requested. Please call 335-5080.

JUNE 2, 1996
Lac Lawrann volun-

teer naturalists will take you "Rompin in the Swamp" at 2 p.m. at Lac Lawrann Conservancy, 300 Schmidt Road, West Bend, as part of another segment of their Sunday Afternoon Family Series.

Families are invited to participate in the "Swamp scrounge" while "Rompin' in the Swamp" at the conservancy. You may want to try out "pond dippin' and critter countin' or take the "Birds of the Wetlands Walk."

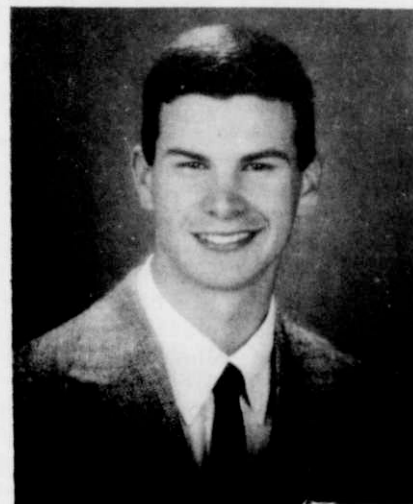

Fashions fade—style is eternal.

All KHS Students to Be 'Tested' On New Open Campus Policy

By Sharon Callaway Roznik

Kewaskum high school students will have the chance to experience an "open campus" policy during their three days of exams, scheduled for June 4-6.

Two student representatives from the high school Leadership Class appeared before the school board at this month's regular meeting to report that a previous "Trial Day" in which juniors and seniors were allowed to leave the campus during their lunch period, had gone well, and requested that all students have the opportunity to participate in open campus.

Board member John Schulte made the motion to include only juniors and seniors, stating that he considered only the upper classmen, due to the immaturity level of ninth and tenth graders, and their inability to leave with a car. "I don't really think they need this type of freedom on exam day," he stated.

Dr. Johnson argued that it would free up the students to focus on their exams, and that the consequences are clear enough. "To assume that they're not able, I don't believe that that has been proven out this year. I don't know about eight years ago, but I know about this year," he stated.

Some concerned

members of the community had reservations about open campus, relating what had happened in previous years. Mrs. Schlieff, who lives down the street from the school, told the board, "I can speak from experience, when we had to go with open campus, and had nothing but an alley full of kids, running through our yard, you name it. I see no reason why the kids have to leave and run."

Board member Larry Fechter said he had to agree with Schulte, because the juniors and seniors had already succeeded in proving themselves responsible during the Trial Day, yet the whole concept could be jeopardized if students from the lower grades were irresponsible. "I guess I thought all along this had been for the four classes," board member Jon Downs stated, taking a stand in favor of the proposal. He felt that the upper classmen had already agreed and expected everyone to be included, and that the level of maturity varies with each individual.

Dr. Johnson's faith in the students remained consistent, and he urged the board to assume a positive outcome can be possible. "This is not a reward, it's just a regular, reasonable opportunity. This is not a present for the students. I think we ought to continue to

offer opportunities as long as people prove themselves worthy," he stated.

School district resident Marcia Theusch pointed out that perhaps there was a flaw in scheduling exams with large periods of time in-between. "The concern is, you've got a group of kids jumping in a car, going somewhere, or going to someone's house, where there are no parents home, and I, as a parent, think my kids at school," she voiced. "Where does it say that we have to have this schedule to begin with, that leaves two hour blocks of time, and problems managing the kids?" High school principal Wilson said that they do have a faculty committee looking into this very issue.

The first motion died in a 3-3 vote, and Downs made a new motion to include all four high school grade levels. Board member Tom Timblin interjected his opinion. "I think we'd be selling our young people short. Life is about tests, and I'm willing to give our young kids the benefit of the doubt. We're trying to do things that change our test scores in this school district, and I think this would be a positive step," he stated.

The new motion passed on a 4-3 vote, with Fechter, Schulte and Weare voting no.

addition to other homes and apartments being built in other parts of the village. It was reported this week that one other family, Mr. and Mrs. James Miller and children, also moved into one of the new homes in the subdivision, not built by Schulz Realty.

Miss Beth Buswell, daughter of Mr. and Mrs. Earl Buswell of Kewaskum, has been chosen to receive the 1971 Clifford M. Rose Memorial Scholarship. Miss Buswell, who will graduate from Kewaskum High School in June, is a student of outstanding ability and has held positions of leadership in many of the high school organizations of which she is a member.

The undefeated Kewaskum High School golf squad ran their winning streak to three straight the past week with impressive victories over Lomira and Grafton. Previously they had won their own invitational

meet in a field of seven teams. The Indians hosted Lomira in a non-conference match at Hon-E-Kor Friday afternoon and easily disposed of the Lions, 171 to 206. Jeff Koth, only a sophomore, led the Indians with a red hot round, shooting an excellent score of 39, just three over par for the course. Steady senior ace Clark Eichstedt was close behind Koth with a five over par 41. The other two Indians whose score counted in the top four were Dennis Smith with a 45 and Art Buss with a 46.

The Kewaskum High School golf team began Scenic Moraine Conference action by defeating Grafton Monday, 177 to 194. Clark Eichstedt was medalist in this match by shooting a 42. Another sophomore on the Indian squad, Jim Gaffke, was right on Clark's heels with a 43. The other two top golfers were Dennis Smith with a 45 and Jeff

Koth, who slipped to a 47 after his sizzling round on Friday.

The Kewaskum Indians track team scored two easy victories the past week, beating Slinger last Wednesday, 81 to 45, and trouncing Pewaukee Friday, 78 to 49, but was trimmed at Germantown Tuesday, 97 to 30. In the victory over Slinger, the Indians took seven first places and two wins in the relays, plus numerous seconds and thirds, to run up their score. John Milewski was a triple winner, copping the long jump, the 100 yard dash and was a member of the victorious 880 yard relay team. Steve Bremser was a double winner in the 440 and the mile relay.

51 Years Ago

March 30, 1945

Kewaskum's first businessman and the first family man of this community has been added to the long list of World War II dead. He is Technician Fifth Grade Sylvester N. Harter, who was killed at Moselle, France, March 5, while in the line of duty, when he hit an enemy mine which exploded. News of his death was received by his wife, Mrs. Anna Harter, here Monday morning, in a letter from Captain Velmer A. Turnham, commanding officer of T5 Harter's company in France. Harter, owner of the Kewaskum Frozen Foods locker plant, was a son of Mr. and Mrs. Jacob Harter of the Town of Auburn, with whom his young wife and daughter reside. He would have been 25 years old next Monday, April 2.

A War Department telegram was received by Alfred Kral of this village on Saturday, informing him that his brother, Sgt. Arnold Kral, was slightly wounded in action in Germany on March 5. Kral, a son of John Kral, was employed in Milwaukee before entering service. He was a member of the 95th infantry, serving with General Patton's third army in Germany. Sgt. Kral entered the service in July of 1942, and was sent overseas two years later. He served in England and France before seeing action in Germany.

Mr. and Mrs. John Roden of Route 2, Kewaskum, received a letter from their son-in-law, T5 William Otten, on Monday, in which he states that he again is confined to a hospital in Italy, having been shot through the ankle, when a pistol

in the hands of a companion accidentally discharged with the bullet passing through his ankle and breaking a bone. He writes that he is getting along all right. Otten is with the 5th army in Italy and it will be a year in April that he is overseas. T/5 Otten is a son of Mrs. Elsie Otten of Barton.

Pfc. Arnold Fellenz, who arrived back in the states March 5 from England, having been confined at hospitals there and in France after being wounded in the forehead and neck by shrapnel while fighting with the infantry in a small village in Germany last December 15, arrived here Wednesday evening from McCloskey General Hospital, Temple, Texas, to spend a 30-day convalescent furlough at his home on Route 2, Kewaskum, and with his brother Tony in Kewaskum. Pfc. Fellenz's wounds are almost completely healed, although he is still bothered by a sore shoulder, as the result of the shrapnel having pierced a cord in his neck. He wears the combat infantryman's badge, Purple Heart, European theater and good conduct ribbons. Pfc. Fellenz was wounded in a vacant building. He had to remain in the building a long time after being wounded because the Germans were right across the street. He says that fortunately his wounds didn't bleed much. Pfc. Fellenz stated that no one over here can realize how tough and terrible the going at the front is with the infantry. He says that most of the company he was in wiped out and one fights with the constant feeling and expectation that you will be next to get it. One of his close buddies was killed a few feet away from him.

Kewaskum high school's forensic team received two "A" ratings and took one first place at the Tri-County contest at North Fond du Lac last Friday. Barbara Schaefer, a freshman, won first place with an "A" for her performance of a cutting from "Dark Victory" in the field of dramatic declamatory. Rachel Brauchle, a senior, placed second in oratory and received an "A" for her delivery of "Shall the Next Peace Also Fail?" These girls will represent Kewaskum at the district contest at De Pere Saturday, April 7.

25 Years Ago

May 7, 1971

Three students of Kewaskum High School were awarded A ratings at the State Forensics Meet held at the University of Wisconsin Campus in Madison, on April 24. The three who received A ratings and the coveted gold medal are Rick Edwards in public address, Welda Kleinke in original oratory and Margaret Roeder in extemporaneous speaking. Welda is a senior, while Rick and Margaret are underclassmen.

The first family will move in this weekend into the first home sold by Schulz Realty in the new Bel Ric Acres subdivision at the south village limits. The home was completed this week. Plans call for the building of 50 or more homes in this subdivision of our growing little city, in

Kewaskum Fire and Rescue Squad Calls

Tuesday, May 14 - The Kewaskum Rescue Squad and Kohlsville First Responders were summoned at 7:40 p.m. in the Town of Wayne for a male patient who was injured in a fall. The patient was transported to St. Joseph's Community Hospital, West Bend. Saturday, May 18 -

The Kewaskum Rescue Squad was dispatched at 2:57 a.m. in the Village of Kewaskum for a male patient who was experiencing difficulty breathing. The patient was transported to St. Joseph's Community Hospital, West Bend.

Sunday, May 19 - The Kewaskum Rescue Squad responded to a call at 11:48 a.m. in the Town of Farmington for a motor vehicle accident. A fe-

male patient was transported to St. Joseph's Community Hospital, West Bend, for treatment of injuries received.

School Board Meeting Minutes

School District Of Kewaskum Regular Meeting April 8, 1996

The meeting was called to order at 7:00 p.m. by President Weare.

Current Board members present: Jean Goeden, John Schulte, Karen Sparks, Ruth Schmitt, Ron Beimborn, Neal Weare.

Newly elected Board members present: Tom Timblin, Jon Downs, Larry Fechter.

Board members absent: Mary Andera.

President Weare led the Pledge of Allegiance.

Ron Beimborn asked that agenda item B.1.g. (Athletic field electrical upgrade) be voted on separately. Dr. Johnson deleted item B.2.i. (Textbook Resources K-5 music). Schulte/Sparks motion to approve the agenda with corrections. Motion passed 5-0.

Board members Ruth Schmitt, Karen Sparks and Ron Beimborn were thanked for their years of service and dedication to the students and community while serving on the Board. President Weare presented each one of them with a plaque and certificate of appreciation.

New Board members were introduced: Tom Timblin, Jon Downs and Larry Fechter. Election of officers will take place at the Reorganizational Meeting scheduled for April 22.

Student Representative Report - The Prom is May 4th with Post Prom following at the YMCA. May 5th is Senior Citizen Prom. The student body is asking for open campus during exam week. The Board will vote on this request at the May 13th meeting.

Audience to Visitors - Tom Timblin advised the Board of a serious car accident involving a district high school student. Tom Timblin also informed the Board of an article in the Milwaukee Journal Sentinel with regard to conference realignment. Dr. Johnson will speak with the WIAA President to obtain more information.

Mr. Beimborn was concerned that only one bid was obtained for the athletic field upgrade.

Schmitt/Schulte motion to approve the Regular Meeting minutes from March 11, 1996 with one correction. (Page 4, Andera/Sparks motion to approve resignation, rather than Sparks/Schmitt.) Motion passed 4-0-1 with Jean Goeden abstaining.

Administrative Notes

1996-97 Staffing: At a future meeting the Board will be asked to approve a staffing model which includes the hiring of personnel to fill the positions of Director of Elementary Education, Curriculum/Business Manager, and High School Principal. We have posted for the positions of instructors in Grade 8, Grade 1, High School LD, Math, and Director of Pupil Services. Job descriptions are being formulated for all positions. The use of interns and teachers-in-charge is being considered. The change of duties will be discussed with the KEA before being brought to the Board.

Strategic Planning: The session will take place April 26-27 at the Kewaskum Town Hall. Dr. Tony Evers will be the facilitator.

CVC Update: The Village Board offered the CVC for sale. At this time it is unknown if they will consider any other options. The FTBG Committee will be looking into the matter further.

KMS Students Participate In Drama Mini-Course

Kres Peckham coaches Brendan Weinhold, left, and Michelle Broughton, right, as they work on their dialog in a mini-course held at Kewaskum Middle School.

Sixteen creative eighth graders surround Kres Peckham at Kewaskum Middle School. Front row: Adam Beck, Luke Weber, Nicole Averill, Katie Muth. Second row: Lauren Steinhardt, Jenny Vanderboom, Katie Gosa. Last row: Jessica Parrent, Melanie Farley, Sarah Westerman, Brendan Weinhold, Krestin Peckham, Jenny Shirkey, Tammy Gundrum, Jamie Peterson, Heather Brown, Michelle Broughton.

For the second consecutive year, eighth graders at Kewaskum Middle School participated in a drama mini-course with Krestin Peckham from Milwaukee.

Peckham, a graduate of UW-Stevens Point drama program, is a seasoned actor and has worked in professional theater and the movie industry.

This year he had the students working in pairs to develop and memorize scenes. Their work was video taped and then critiqued. They worked on voice inflection, body language, expression and character development.

This program is designed to give students an opportunity to express themselves through creative dramatics and is

part of the gifted and talented education program in the district.

As an added bonus, David Koepp, a screen

writer for the hit movie, "Jurassic Park" and the soon to be released "Mission Impossible," is personal friend of Peckham, and he donated autographed posters from "Mission Impossible" that two lucky students won in a drawing.

STATE OF WISCONSIN
DEPARTMENT OF NATURAL RESOURCES
PUBLIC NOTICE OF INTENT TO REISSUE
WISCONSIN POLLUTANT DISCHARGE
ELIMINATION SYSTEM (WPDES) PERMIT
#WI-0056677-2

Proposed Expiration Date: March 31, 2001
Permittee: EGGS-R-US
Discharge Facility Location: SECTION 7, T12N,
R20E, 9249 WESTCOTT ROAD, KEWASKUM,
WISCONSIN 53040
Receiving Water: MILWAUKEE RIVER BASIN,
WASHINGTON AND SHEBOYGAN COUNTIES
Brief Facility Description: Eggs-R-Us, formerly
known as Brookside Poultry, operates an egg laying
operation. The facility has the capacity to house
234,000 chickens (approximately 2,340 animal
units). A maximum of 8,000 tons of manure is pro-
duced annually. Manure is stored under the build-
ings or on roofed concrete slabs prior to being
landspread. Approximately 4,200 acres are avail-
able for landspreading. Conventional equipment is
used to landspread the manure. The proposed
permit requires Eggs-R-Us to submit an updated
Manure Management Plan and maintain the avail-
able storage to prevent negative impacts to
groundwater, wetlands and surface water. In addi-
tion, a compliance schedule for runoff control
measures has been included in the draft permit.

WHY A PERMIT IS NEEDED: Since the size of
this operation exceeds 1,000 animal units as de-
fined in Ch. NR 243, Wis. Adm. Code, an applica-
tion has been submitted for issuance of a Wiscon-
sin Pollutant Discharge Elimination System
(WPDES) permit. The permit will contain lan-
guage which specifies minimum standards for
storage and spreading of manure in accordance
with Natural Resources Conservation Service
specifications. These permits can be issued for a
maximum of five years.

The Department has tentatively decided that
the WPDES permit for EGGS-R-US shall be re-
issued. Limitations and conditions which the De-
partment believes adequately protect the receiv-
ing water are included in the proposed permit.

Persons wishing to comment on or object to the
proposed permit, or to request a public hearing,
are invited to do so in writing to Doris Thiele,
WW/2, 101 S. Webster, PO Box 7921, Madison,
WI, 53707. All comments or suggestions received
no later than 30 days after the publication date of
this notice will be considered along with other in-
formation on file in making a final decision regard-
ing the permit. Where designated as a reviewable
surface water discharge permit, the U.S. Environ-
mental Protection Agency is allowed up to 90 days
to submit comments or objections regarding this
permit determination.

A public informational hearing may be held if re-
sponse to this notice indicates significant public
interest pursuant to sec. 147.13, Wis. Stats., or if a
petition requesting a hearing is received from 5 or
more persons. Requests for public informational
hearings shall state the following: the name and
address of the person(s) requesting the hearing;
the interest in the proposed permit of the
person(s) requesting the hearing; the reasons for
the request; and the issues proposed to be con-
sidered at the hearing.

Information on file for this permit may be inspect-
ed and copied at the address above, or at the follow-
ing address: Southeast District Headquarters, 2300
N. Dr. Martin Luther King Jr. Dr., PO Box 12436, Mil-
waukee, WI, 53212, Monday through Friday (except
holidays), between 9:00 a.m. and 3:30 p.m. Informa-
tion on this permit may also be obtained by calling
(608) 266-3906 or by writing the Department. Reason-
able costs (usually 10 cents per page) will be
charged for copies of information in the file other
than the public notice and fact sheet. This informa-
tion is also available for downloading from the inter-
net using a world wide web browser at: gopher://go-
pher.dnr.state.wi.us:70. Pursuant to the Americans
with Disabilities Act, reasonable accommodation, in-
cluding the provision of informational material in an
alternative format, will be made available to qualified
individuals upon request.

TOWN OF WAYNE ORDINANCE NO. 96-8

ORDINANCE TO AMEND AND REPEAL AND RECREATE ORDINANCE NO. 87-1 ESTABLISHING UNIFORM CITATION METHOD FOR ENFORCEMENT ORDINANCE VIOLATIONS

THE TOWN BOARD OF THE TOWN OF WAYNE, WASHINGTON COUNTY, WISCONSIN, DOES ORDAIN AS FOLLOWS:

Article 1. That Ordinance No. 87-1 of the Town of Wayne be repealed and recreated as follows:

Section 1. UNIFORM CITATION ORDINANCE CREATION. Pursuant to Section 66.119, Wisconsin Statutes, the Town of Wayne hereby elects to use the citation method of enforcement of ordinance other than those for which a statutory counterpart exists.

Section 2. CITATION. The citation shall contain the following:

- (1) The name and address of the alleged violator.
- (2) Factual allegations describing the alleged violation
- (3) The time and place of the offense.
- (4) The section of the ordinance violated.
- (5) The designation of the offense in such manner as can be readily understood by a person making a reasonable effort to do so.
- (6) The time at which the alleged violator may appear in court.
- (7) A statement which essentially informs the alleged violator:
 - (a) That a cash deposit based on the schedule established by this ordinance may be made which shall be delivered or mailed to the clerk of courts prior to the time of the scheduled court appearance.
 - (b) That if such a deposit is made, the alleged violator need not appear in court unless he or she is subsequently summoned.
 - (c) That if a cash deposit is made and the alleged violator does not appear in court, he or she will be deemed to have tendered a plea of no contest and submitted to a forfeiture and penalty assessment imposed by statute not to exceed the amount of the deposit or, if the court does not accept the plea of no contest, a summons will be issued demanding him or her to appear in court to answer the complaint.
 - (d) That if no cash deposit is made and the alleged violator does not appear in court at the time specified, an action may be commenced to collect the forfeiture and the penalty assessment imposed by statute.
- (8) A direction that if the alleged violator elects to make a cash deposit, the statement which accompanies the citation shall be signed to indicate that the statement required under sub. (7) above has been read. Such signed statement shall be sent or brought with the cash deposit.
- (9) Such other information as the Town Board deems necessary.

Section 3. SCHEDULE OF DEPOSITS. (1) The following schedule of cash deposits is established for use with citations issued under this ordinance:

Ordinance	Offense	Deposit
Building Code	All Violations	\$100.00
Garbage & Refuse Disposal	All Violations	\$ 50.00
Zoning Code	All Violations	\$100.00

*The current penalty assessment and the current court costs must be added to these amounts.

(2) Deposits shall be made in cash, money order or certified check to the Washington County Clerk of Courts who shall provide a receipt therefor.

(3) The penalty assessment required by secs. 66.119 and 165.87, Wis. Stats., and current court costs shall be added to all deposits or penalties hereunder.

(4) The deposit including costs pertaining to any minor receiving a citation under this ordinance, shall in no event exceed \$25.00 plus the penalty assessment as computed pursuant to sub. (3) above, except that costs and penalties shall not be assessed against minors unless Wisconsin law so provides.

Section 4. ISSUANCE OF CITATION. The Town Constable, Town Building Inspector and Town Zoning Administrator may issue citations authorized under this ordinance.

Section 5. PROCEDURE. Sec. 66.119(3), Wis. Stats., relating to a violator's options and procedure on default, is hereby adopted and incorporated herein by reference.

Section 6. NONEXCLUSIVITY. (1) **Other Ordinances.** Adoption of this ordinance does not preclude the Town Board from adopting any other ordinances providing for the enforcement of any other law or ordinance relating to the same or other matter.

(2) **Other Remedies.** The issuance of a citation hereunder shall not preclude the Town or any authorized officer from proceeding under any other ordinance or law or by any other enforcement method to enforce any ordinance, regulation or order.

Section 7. SEVERABILITY. If any provision of this ordinance is determined to be invalid or unconstitutional, or if the application of this ordinance to any person or circumstance is invalid or unconstitutional, such invalidity or unconstitutionality will not affect the other provisions or applications of this ordinance which can be given effect aside from the invalid or unconstitutional provision or application.

Article 2. This Ordinance shall take effect upon passage and publication as provided by law.

Passed and adopted by the Town of Wayne, Washington County, Wisconsin, this 15th day of May, 1996.

Over a fleeting four day period, fawn lilies bloomed as far as the eye could see in every direction at Faith Haven, located on Highway D, just outside of Kohlsville. The carpet of wildflowers numbered in the "millions," says Rev. Riesch, owner and caretaker of the wildlife sanctuary he's created for the public to enjoy. The flowers are just a part of Faith Haven's proof of the miracle of life blooming all around us.

What to Do When a Tornado Hits

FOURTH IN A SERIES

If a tornado should hit, remain calm -- panic never helps. Most tornadoes are short-lived, lasting only four or five minutes, on the average, according to the Wisconsin Division of Emergency Government.

Closely inspect your property, including automobiles, for damage. Check immediately for electrical problems and gas leaks and report to utilities or the fire department if danger is imminent.

If you have extensive damage, contact your insurance company immediately. In the meantime, secure your property from further damage or theft. Heavy rains often follow a tornado.

Take an inventory of the damage to speed your insurance settlement. Your policy may provide coverage for additional living expenses should you not be able to stay in your home. There is also a policy provision for paying the expense of debris removal.

If you have not suffered damage, be a good neighbor and help those who need it. But, do not telephone directly into or visit a disaster area. Reports will be broadcast, so let the rescue work proceed unhampered by spectators and curiosity seekers.

Do not enter a building damaged by a tornado until you are sure it is

safe and will not collapse.

Use only approved or chlorinated supplies of drinking water.

Check food supplies. Food may contain particles of glass or slivers of other debris. Discard canned goods with broken seams.

Get food, clothing, medical care or shelter at Red Cross Stations or from local communities if

necessary.

Notify your relatives of your safety. Local authorities may waste time trying to locate you if you don't send word. Do not tie up phone lines if they are needed for emergency calls.

Cooperate in the general clean-up of debris. You are responsible for cleaning debris from your own property.

During repairs and clean-up wear shoes and gloves. Glass, including

fiberglass insulation, can injure unprotected hands and feet.

WHAT IF YOU ARE A VICTIM? Do your best to protect yourself, your family and your neighbors from further damage.

Make sure authorities are notified that you are a tornado victim. Be prepared to cooperate with trained and authorized officers and volunteers who will arrive to give you aid.

Do not sign contracts for repair work, removal of rubble, or new insurance without consulting authorities.

Tornado Watch/Warning

Do you know the difference between a **tornado watch** and a **tornado warning**? These terms are used by the National Weather Service and knowing what they mean can save your life.

A **watch** is issued when conditions are favorable for the development of tornadoes. If a **tornado watch** is issued for this area, you should get ready to take emergency action. When a **tornado warning** is issued, it means that a tornado has actually been spotted or seen on radar. The warning will tell you where the tornado is and the direction it is moving. If

you are in or near its path, you should take shelter immediately.

REMEMBER: A tornado watch means that tornadoes are possible. A tornado warning means that a tornado has been spotted and may be heading your way. There may not be a tornado in your future, but don't bet your life on it.

Be the **LIFE** of the Party

During this holiday season... be a responsible party host. See that your guests have a good time and arrive home safely.

Girls First in EW Frosh/Soph Meet

By P. Koth

The conference meet each year determines who has the best team in the conference, and for the last two years, that team has been the Kewaskum girls track team.

There is another conference meet however, that predicts who might have a championship team in the future. The meet is the freshman/sophomore EW conference meet.

The Kewaskum girls won the meet last year and were no less determined this year, as they followed the varsity lead and successfully defended their title last Monday at Chilton.

In typical fashion, the girls used depth and multiple placings to edge out second place Chilton by six points, 109-103. Knowing the strengths and depth of this year's freshmen and sophomore squad, the team was put together with the thought of having as many athletes participate as possible while still trying to be competitive as a team.

While several events had double placings, the hurdles was a dominant event for the young Indians. In the 300m low hurdles, Kewaskum took first (Carrie Wiesner - 49.7), second (Jackie Michaels - 52.9), and third (Jamie Froemming - 53.6) for a whopping 24 team points.

Kewaskum also won the 100m high hurdles (Jackie Michaels - 17.1) while Alicia Herrmann placed sixth (19.8). Carrie Wiesner, the varsity conference champion in the 100m high hurdles, did not run in this event so that other hurdlers could compete, and JoAnne Thull, a sixth place finisher at the varsity meet was out with a pulled hamstring.

Another first place finish came from the 800m relay team of Kenzie Downs, Bridget Baum, Jamie Froemming, and Wiesner, in a time of 1:55.7. Sarah Dedert had some good success, placing second in the discus (87'1") and fifth in the shot put (28' 10 3/4") with both being personal bests for her.

Carol Neumann placed second in the 800m run (2:34.4) and third in the 1600m run (5:31). Carol has been a pleasant surprise in the distance events this season.

Third places were

also recorded by the 400m (Kenzie Downs, Amy Barrett, Jackie Michaels and Jamie Froemming - 53.7) and 1600m (Jessie Repovsch, Jill Wichtoski, Laura Weiss, and Carrie Wiesner - 4:33.3) relay teams. The 3200m relay (Jill Wichtoski, Becky Repovsch, Emma Chambers, Jenny Immel) placed fourth with a time of 11:58.

Another double place came in the triple jump with Jill Wichtoski (29'6" - third) and Kenzie Downs (27'6" - fifth). Laura Weiss placed fifth in the 400m run (66.6) while Jessica Repovsch managed a fifth in the high jump (4'6") and Jackie Michaels, a third in the long jump (14'2 1/2").

While not everyone placed, the 30 girls who participated in the meet had a strong sense of being a team as they cheered each other on in their events. That enthusiasm paid off with another Conference Championship. With Kewaskum winning both the EW Conference Championship and the Frosh/Soph Conference Championship the last two years, the outlook for the future is as bright as it can be. Certainly the Kewaskum girls track team is the team to beat for the next several years.

KHS Boys Last in Frosh/Soph Meet

The Kewaskum boys track team finished a disappointing seventh at the Freshman and Sophomore Conference Championships at Chilton on Monday, May 13. With athletes out because of sickness, academic problems, and injury, Kewaskum was without the services of six performers. The meet did however, have some highlights.

Sophomore Matt Hammen took first place in the high jump with a personal best of 5'10". "He has been working hard and at times has struggled, but he is jumping very well right now. I'm happy for him," commented the boys head coach Jerry Gosa.

The only other finisher in the top three was sophomore Troy Staehler, who finished third in the 800m run with a time of 2:13.8. Staehler also finished in fourth place in the pole vault with a jump of 9'6".

Sean Cotter placed fourth in the high jump with a height of 5'6". The 400m relay team of Greg Holub, Brad Hermann, Jim Kopecky and Sean Cotter finished in fourth place. The 1600m relay team of Josh Dieringer, Troy Staehler, Greg Holub and Joe Hawig, also finished in fourth place. Sophomore Brad Hermann finished in fifth place in the pole vault with a jump of 9'0".

"Collectively, this was definitely not one of their better performances. The team missed the athletes who were unable to compete. People will need to continue to improve in order

to help the varsity next season," concluded Gosa.

New Holstein won the meet with 140 points. Two Rivers finished in second with 94 points and Plymouth followed with 75 points. Placing fourth was Kiel with 64 points, then Chilton with 56 points, Sheboygan Falls with 52 points, and Kewaskum with 32 points.

In a remote mountainous region of Indonesia, researchers found another member of the marsupial family in 1994, a new species of tree kangaroo. The animal has black and white panda-like patterns in its thick fur and is about the size of a medium dog.

Indian Girls Record Another Win

By P. Koth

The Kewaskum girls track team has won just about everything they have been in this year, so it should be no surprise that they won the Conference Relays last Thursday night in Plymouth.

By winning the meet the Lady Indians made it a clean sweep of the Conference meets by winning the Conference Championship, the Frosh/Soph Conference Championship and now the Conference Relays.

While the coaches expected a little bit of a letdown after winning the Conference Championship the week before, the girls did what they always do, they found a way to win. In this meet, all field event individual results are added up to create a relay score. The total of the three individuals from each school are then compared to determine where they place in the event. All running events are relays.

The field events came through in typical fashion for Kewaskum, as they took first in the shot put (Rachel Nysse 37'3 1/2", Katie Yogerst 35'2 1/2", Sarah Dedert 29'9 1/2"), first in the discus (Yogerst 117', Nysse 97', Dedert 87') and first in the long jump (Jill Wichtoski 14'4", Jackie Michaels 13'10", Carrie Wiesner 13'7 1/2").

The other first place finish came from the 900m low hurdles (Jamie Froemming 53.4, Jackie Michaels 52.9, Carrie Wiesner 49.6) where each girls run the 300m low hurdles and then their times are added up. These hurdlers just missed the Conference record in this event by 65/100s of a second. The record is currently held by Jessica Rohrer, Missy Rohrer and Christa Schmidt of Kewaskum.

The other places for Kewaskum were: 4800m relay, fourth (Emma Chambers, Carol Neumann, Marni Lynn), 300m high hurdle shuttle, third (Jamie Froemming, Jackie Michaels, Carrie Wiesner), high jump tied third (Kelly Schreffler, Jessica Repovsch, Tina Petushek), sprint medley 200-100-100-400, third (Jenny Jagielski, Jenny Strobel, Erin Stockhausen, Laura Weiss), 3200m relay, fourth (Carol Neumann, Laura Weiss, Becky Repovsch, Marni Lynn), Distance Medley 400-200-200-800, fifth (Jamie Gaffke, Kenzie Downs,

Nicki Vetter, Jenny Immel), 400m relay, second (Jenny Strobel, Erin Stockhausen, Ann Bodden, Jenny Jagielski), 800m relay, fourth (Strobel, Stockhausen, Kelly Schreffler, Jagielski), Triple Jump, third (Kathy Deshotels, Jill Wichtoski, Kenzie Downs), and 1600m relay, fifth (Bridget Baum, Ann Bodden, Kelly Schreffler, Carrie Wiesner).

The Conference Relays was the last regular season meet for the Indians. It was a fitting way for the girls to finish off a great season. These talented athletes pulled together and have created a program that other schools are trying to emulate. Highlights of the season include:

40 Team Oshkosh Invite - third; Washington County Indoor - first; Washington County Outdoor - second; New Holstein Relays - second; Pewaukee Invite - first; Cougar Invite - first; VanderPan Invite - first; Mayville Fresh/Soph Invite - second; EWC Meet - first; EWC Fresh/Soph meet - first; EWC Relays - first.

Kewaskum participated in the Regionals on Monday, May 20, and then will compete at Sectionals held at Watford High School on Thursday, May 23.

Motivation is what gets you started. Habit is what keeps you going.

KHS Boys 1600m Relay Team Breaks Own Record

The Kewaskum boys 1600m relay team set a new school record for the third time in as many meets at the Eastern Wisconsin Conference Track Relays Thursday night, May 17. The new record of 3:29.3 is exactly two seconds faster than the time they ran at the Conference Championships at Kewaskum one week earlier.

The unit of Ryan Herman, Joe Rettler, Aaron Kurth and Matt Tonn have now lowered the school record a total of 4.2 seconds since the Vanderpan Invitational on May 3. Thursday night at Plymouth, Ryan Herman got the team started with a fast opening split of 51.9 and then handed off to Joe Rettler who then kept the lead against Tyler Schueffner, the conference champion in the 400m dash from Sheboygan Falls.

Both Aaron Kurth and Matt Tonn widened the lead, which resulted in Kewaskum finishing five seconds ahead of Sheboygan Falls with a new school record in the process. "Again they ran fantastic," commented their coach Jerry Gosa, who missed the meet because of sickness.

"They will need to run this well or better with Regionals this Monday," added their coach. Mayville's relay team ran 3:27.3 the same night at the Flyway Conference Championships at Horicon. Mayville was hosting the W.I.A.A. Regional Track and Field Meet on Monday.

As of May 19, Kewaskum's 1600m relay time of 3:29.3 ranked 9th (tie) overall and tied for second in Division Two on the Wisconsin's Public High School Track and Field Honor Roll.

Even though the KHS boys did not have the depth to challenge for a championship at the relay meet, Kewaskum did manage a total of two firsts, two seconds, and one third. The other first place won by Kewaskum was in the 800m relay. Seniors Ryan Herman, Andy Rix, Aaron Kurth and Matt Tonn teamed up to run a time of 1:34.8 against very good competition. The Two Rivers sprinters finished in second with a time of 1:36.1. "Beating Two Rivers in the 800m relay is a good accomplishment. They have some tough sprint-

ers," commented their coach.

In the spring medley relay (200-100-100-400m) the results were just reversed this time with the powerful Two Rivers team taking first place in 1:38.8. The Kewaskum unit of Matt Tonn, Brian Butschlick, Andy Rix and Joe Rettler took second place in 1:41.5.

The other second place finish was taken by the KHS discus team of Brian Liegl, Matt Gundrum, and Nate Judnic. Each of their best tosses were added up for a team distance of 363'3". Matt Gundrum had a personal best throw of 131'. The Plymouth team set a new meet record with a total of 455'.

The shot put team of Liegl, Gundrum, and

Judnic took third place with a combined total of 121' 0". "All three of our throwers did a very good job. I was pleased that they threw well and got points for the team," reported Coach Gosa.

The high jump relay team of Matt Hammen, Sean Cotter, and Brad Hermann took fourth place with a total height of 15' 8" and the pole vault team of Travis Luedtke, Brad Luterbach and Brad Hermann combined heights took fifth place.

Kewaskum lost a chance to place higher in the team standings when the KHS 400m relay team was disqualified on a dropped baton during an exchange. Kewaskum was also without the services of Troy Staehler,

one of their best pole vaulters and their best 800m runner, due to illness.

Plymouth edged Two Rivers in the final team standings, 93 to 89. New Holstein placed third with 76.5 points, followed by Sheboygan Falls with 67.5 points. Chilton was fifth with 57 points, Kewaskum was sixth with 55 points and Kiel finished with 54 points.

On Monday, May 20, Kewaskum began qualification for the W.I.A.A. State Track and Field Meet with Regionals at Mayville. The top three individuals and relays will advance to Sectionals on Thursday, May 23, at Waterford.

Participating in the state meet on May 31-June 1 at UW La Crosse will be the first two finishers in each event and any individual or relay team whose performances in sectional rank among the eight best of all sectional performances in Division Two.

Boys Basketball Camp Offered

Kewaskum High School will host the Kewaskum Boys' Basketball Camps again this summer. Each camp will stress the individual and team skills designed to allow each camper to improve as a basketball player.

Competitive drills and contests will be incorporated into each session. The dates of the two week camp are as follows: July 8 thru 12 and July 15 thru 19.

There is a morning session for sixth, seventh, eighth and ninth graders from 8:30 to 11 a.m. and an afternoon session for fourth and fifth graders from 2 to 3:20 p.m.

Please pick up a registration form from the Kewaskum High School Office or Kewaskum Middle School Office. If you have any questions, feel free to contact Coach Shaw at 626-3397. 5-23-2t
