High Speed Chase Travels Through Village

A semi-high speed chase which originated in Menomonee Falls, raced through the Village of Kewaskum late Monday evening, June 17, and finally came to an abrupt end nearly sixteen miles north of here in Eden.

In pursuit of the errant vehicle were squad cars from the Menomonee Falls police department, four Washington County Sheriff's Department squads and the Fond du Lac County sheriff's department, who put a stop to the chase fifteen miles into their county.

Kewaskum Police Officer Mark Steiner was alerted to the impending pursuit by the Washington County Sheriff's Department at 10:21 p.m. and did assist with traffic control as the chase traveled through the village.

According to Fond du Lac County police officer Rick E. Olig, they were informed by the Washington County Sheriff's Department that the Village of Menomonee Falls Police Department had been trying to apprehend the suspect vehicle in Menomonee Falls and were in pursuit of said vehicle.

The vehicle was north-

bound on Highway 45 and Washington County requested Fond du Lac County to work towards the southern end of their county to assist in this pursuit.

Officer Olig began monitoring the pursuit on both the Washington County channel and whisper and learned that Washington County was going to drop out of the chase once it entered Fond du Lac County, however the Menomonee Falls Police Department would continue the pursuit into Fond du Lac County.

Officer Olig met up with the pursuit at Highway 45 and Old Bridge Road and followed the two marked Village of Menomonee Falls Police squads northbound on 45.

He noted at the time that the speed of the 1981 Mazda vehicle being pursued was approximately 55 miles per hour. The pursuit continued with speeds varying from 35 miles per hour to no more than 60 miles per hour northbound on 45. Officer Olig stated the vehicle was not being driven in an erratic manner, nor did it travel left of the center line during

any of this portion of the pursuit.

Menomonee Falls Police Officer Michael E. Douglas, who had initiated the pursuit, stated that the apprehension of the vehicle was for traffic violations only at the time.

As the chase neared Waucousta, Fond du Lac County Officer Steve Born joined in to assist and as the entourage neared the Village of Eden, Menomonee Falls officers stated they were looking for an area to get in front of the suspect vehicle, in the event it would have to slow down, and thus attempt to stop it.

Officer Olig informed the Menomonee Falls police of the layout ahead and just prior to entering Eden the suspect vehicle slowed down to approximately 30 to 35 miles per hour.

Making their move, one of the Menomonee Falls officers passed the vehicle being pursued and slowed down. Officer Olig observed the suspect vehicle did make some type of maneuver where it appeared he was attempting to pass the Menomonee Falls squad,

but for whatever reason, he did not.

Just as the suspect vehicle was coming to a stop, Officer Olig pulled his squad to the left of the pursued to protect the scene and help contain the vehicle. There was no contact between any of the vehicles during

the pursuit and subsequent apprehension.

The driver of the suspect vehicle, Allen A. Jessel, whose last known address was 1575 Stonebridge Road, West Bend, was taken into custody without incident. He was later transported back to

(Continued on Page 4)

Holy Trinity School Will Offer First Kindergarten

By Sharon Callaway Roznik

For the first time in its 116 year history as a church school, Holy Trinity in Kewaskum will be offering parochial kindergarten for the 1996-97 school year.

Traditionally, parish members sent their children to the public school system to attend their first year of school. "People get into a school, and for a variety of reasons, they don't want to change. They are just not as likely to move to another school," states Holy Trinity principal June Gauvin.

Recently, she points out, first, second and third grade classes have been experiencing all time low enrollment fig-

ures, with only twelve first graders at the school this past year.

The drop in student enrollment was an eye opener to church members, and though the need to offer kindergarten was there for several years, "sometimes it takes a crisis before change can happen," Mrs. Gauvin points out. "In the past it was just not seen as a necessity, but it's unusual for a school not to have one."

A survey was completed by the congregation to poll interest in the additional class, since the Archdiocese prefers a study be made before further steps are taken. With school board recommendations, the kindergarten was approved by both the Finance Committee and the Parish Council.

Doreen Kowalczyk of Kewaskum has been hired to teach the new kindergarten class, which is scheduled to run from 9 a.m. to 2:40 p.m. on Tuesdays, Wednesdays and Thursdays. "We chose the full day format because we felt half days were too rushed," Mrs. Gauvin explains. Parents will have the option of sending their child to school earlier if they have older children at Holy Trinity who begin their day at 7:40 a.m.

There are 22 students already enrolled in the new kindergarten program with only three openings left. Parents interested in enrolling their child should call the school at 626-2603.

Plan to Reduce Long Term Debt Proposed

School District's Preliminary Budget Figures Indicate 23% Drop in Total Tax Levy, Rate

By Sharon Callaway Roznik

The Kewaskum School Board approved the district's 1996-97 preliminary budget plan this month, and figures indicate a 23% drop in the total tax levy and rate, because of an expected increase in state aid.

The approval of the \$11,867,795 budget includes a projected tax levy of \$5,119,006, compared to last year's figure of \$6,624,306. Taking into account the increase in state aid by \$2,045,087 over last year, the school

district will be asking its taxpayers to review a plan to reduce its long term debt, by using part of the mill rate reduction.

As it stands now, a 7% increase in the district equalized value, (the actual figure will not be available until October 1) will reflect a tax rate of \$10.42 per thousand dollars of equalized value, compared to the present rate of \$14.42.

If the district taxpayers agreed to increase this levy by \$1.00 per \$1,000 of equalized value, the savings on the long

term principal debt, reflected over 13 years would be \$1,575,885, or approximately \$459,000 annually. A greater increase in the debt levy would constitute a greater savings to the district in the long run.

According to George Allmann, the district's business manager, if none of the tax savings are utilized for debt reduction, the anticipated savings for a median home value for district property owners would be estimated as follows: Barton, \$2,051, compared

to the present \$2,496; Farmington \$2,149, from \$2,551; Town of Kewaskum \$2,584 from \$2,980; Village of Kewaskum \$2,234 from \$2,559, and Wayne \$2,020 from \$2,377.

This issue of the Statesman includes the school district's news release on page 14, reviewing in detail their plan to reduce the long term debt. Discussion and questions from district residents will take place at the annual meeting scheduled for Monday, July 22.

School Board Addresses Lengthy Agenda

By Sharon Callaway Roznik

Before the start of this month's school board meeting, Board President Jean Goeden announced that the public would only be allowed to address the board during the "Audience to Visitors" segment of the agenda.

Goeden stated that this rule was part of open meeting requirements, and should have been enforced since 1993. The public may give their input on agenda and non-agenda items at this time, and they were encouraged to look over the 30 item agenda before the start of the meeting, so they would have time to form any questions or concerns.

In his synopsis of the agenda, interim Superintendent Charles Johnson told board members that large agendas can be accomplished only if questions (among board members) are resolved before the meeting. He also stated a time limit should be placed on the total input from visitors (district taxpayers), and the board president, may at any time cut off an individual's remarks if they are excessive, or become inappropriate. Further discussion from the public can be allowed during other portions of the meeting, only if Board President Jean Goeden permits them to do so.

In this setting, the meeting moved along quickly, covering a large variety of topics with little discussion, with the exception of a 35 minute dialog addressing the district Mission Statement, Beliefs and Goals. The wording of some of the statements was evaluated and fine tuned to meet long lasting approval, and to take into consideration public input some board members received. The board approved the draft as amended, and Dr. Johnson stated that the plan was to now develop five action committees to "attack" each one of the district goals.

The last agenda item was also of major importance to the district, as the school board voted to extend Dr. Johnson's contract while the search for a permanent superintendent remains incomplete. Johnson, who has been serving the district for the past seven months, is also a candidate for the position. The short term contract will remain in effect until the search is completed.

There were mixed opinions regarding the success of the Kewaskum

High School Open Campus policy allowed during exam week. Both Dr. Johnson and high school principal Larry Wilson gave the students a glowing report, but Board President Goeden stated she had received some complaints from village residents that some students were littering in yards, and walking down the middle of the road, to cite some examples. She indicated that in the future, she may consider allowing only juniors and seniors the privilege of taking part in Open Campus.

Under recommendation of the Finance-Transportation-Building and Grounds Committee, board approvals included the hiring of a .4 shared art teacher for KHS/

WES, the addition of a classroom intern for KES third grade, and the establishing of a full-time K-5 guidance position, beginning January, 1997. A large auction of district property also met with board approval, and is scheduled to take place on August 3 with Bast Auction Service.

Board member Mary Andera questioned the Committee's request to purchase a top of the line lap top computer for Kieth Kriewaldt, the newly appointed Director of Elementary Education, at a cost not to exceed \$4,629. Andera stated she was waiting for information on the use of this item, and told the board, "This is the hottest, the best, right now (laptop), and that makes it the

wrong time to buy it." After listening to her knowledge on computers, and other alternatives, the board agreed to table the item until more information was received.

A contract was accepted for district-wide septic system assessment, from Baudin Inc., on the condition and capacity of present district septic systems, relative to any future building expansion plans, at a cost of \$5,306.

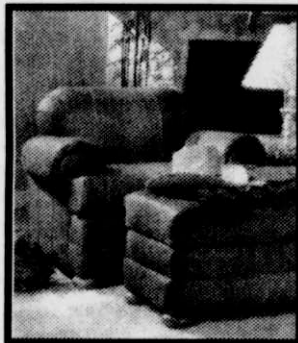

The K-3 Language Arts Curriculum has been developed over the last six months, and was the subject of a special board work session. Board member Jon Downs pointed out that the curriculum was outstanding in his mind, and it was accepted by the teachers, the community, administrative staff, and the board. "I commend

everybody that put time and effort into this," he stated. Resource materials selected to support this curriculum, along with the curriculum itself, was approved, with the cost not to exceed \$40,000.

Under new business, a lengthy list of items met with board approval with little discussion. Some of the highlights included the Special Education Contract (\$17,511), additional teacher-in-charge and compensation (total \$5,000 for each TIC), the hiring of Kristine Dreher as an eighth grade instructor, Lisa Baumann as an eighth grade instructor to replace retiring teacher Dale Squier, Shary Witte as first grade teacher at FES, Joe Harlow as KHS girls'

Don Sedgwick of Village Bootery to Retire

A familiar face in the community, shoe repairman Don Sedgwick will be retiring soon.

By Sharon Callaway Roznik

In just a couple weeks, Kewaskum businessman Donald Sedgwick will be officially retired, after 49 years in the profession of selling and repairing shoes.

Sedgwick has been busy clearing out his inventory at the Village Bootery on Main Street, a location he has enjoyed for the past 13 years. Originally from Menomonee Falls, he previously owned Wiskow Shoes on 36th and Villard in Milwaukee, which he purchased from Les Wiskow in 1953, after returning from two years of military service in the Army.

Don's interest in the business began in 1947. "I was in high school, bought a car, and needed money for gas," he explains, "so I went to work with a shoe business and repair, and I've been there ever since."

Through the years, Sedgwick points out, shoe styles have come and gone, but like most things, seem to make a full circle. "Spikes, lower heels, wider pumps, styles go out and then come back again years later," he relates. Also, beginning in the late '50s, early '60s, the quality of shoes began to slowly deteriorate, until many of the products offered today are comprised mainly of paper and plastic. "It's a part of what's getting to be a throw-away society," Don maintains.

where she works at the University Hospital; Craig is employed with Regal Ware, Inc., and he and his wife, Margaret, have two children, Emily and Nathan. Brian is an engineer in Lansing, Michigan, married to Tracy.

Don has been an active participant in the community, serving in the Kewaskum Area Chamber of Commerce, the Lion's Club, and the Robert G. Romaine Post #384, American Legion. The couple owns a hobby farm on Highway W, south of St. Kilian, and Don is looking forward to tinkering around the farm, with his dogs, cats and chickens, and plans to spend a lot of time traveling, and playing with his two grandchildren.

"We'll still be active in the community," he maintains, and Kewaskum expresses their appreciation for Don and Carol's dedication and years of support, and wishes them the best of luck in their future.

Gone are the days of shoe repair, a trade that has almost met extinction, along with the days a tailor shop could be found on every street corner. Behind the counter at Village Bootery stands some dinosaurs Sedgwick has worked with for years, the stitch machine, patch machine, and finisher, which polishes, sands, grinds and trims. "I've replaced a lot of heels in my time," he asserts, and also spent many years working with orthopedic shoes, meeting individual's special needs. His machinery, still in great working order, as well as his building, are presently up for sale, and inquiries have been numerous, although no plans have been finalized at this time.

Carol, his wife, has always helped him with the business through the years, and together they raised three children. Julie lives in Madison,

Campus Notes

SHEBOYGAN -- The Lakeland College Combined Choirs held their final concert of the year on Sunday, May 12. It featured Wolfgang Amadeus Mozart's "Requiem." The choir was accompanied by a 22-piece orchestra including Lakeland students, alumni and the principal players of the Sheboygan Symphony orchestra.

The "Requiem" is considered to be one of the most significant pieces of choral literature in the history of mankind. Lakeland's director of choral music, Janet L. Herrick, noted that the students lobbied her to be allowed to perform this difficult work.

In addition to the soloists, other student participants included Anne Mertz from Kewaskum, singing alto.

Biers to Celebrate 40th Anniversary

Leroy and Donna Bier of Kewaskum will be celebrating their 40th Wedding Anniversary on Sunday, June 23.

The wedding of Leroy Bier and Donna Ferber took place on the former Bier farm on Kettle Moraine Drive on June 23, 1956. Attendants were Louie and Beverly Luedtke and Pastor Gerhard Kaniess officiated.

The couple have owned and operated Bier's Jewelry of Kewaskum for over 35 years. Donna is also employed at Regal Ware, Inc.

The Biers are long time members of St. Lucas Evangelical Lutheran Church in Kewaskum and members of the Kewaskum Area Chamber of Commerce. Leroy is also currently president of the Kewaskum Lions Club.

The Biers have raised three children: Robin (Ken) Wilson of Stillwater, Minnesota; Julaine (Mark) Miller of San Diego, California, and Jeri Lynne (Steve) Lusk of Ramstein, Germany.

The couple also enjoy five grandchildren.

School Board

(Continued from Page 2)

golf coach, Wendy Fidiler as KHS girls' gymnastics coach, Bruce Pearson as KHS math instructor (to replace Joe Harlow following his retirement), Nicole Brooks as full time speech and language clinician, Martha Marten as KHS LD instructor, and Julie Wenzlaff for a long term sub contract to replace Jackie Beal, who has requested a leave of absence. Resignations were accepted from KHS FACE teacher Robin Jasinske and KMS FACE instructor Gloria Kjer.

The board also OK'd the development of a Director of Pupil Services position contract, which was part of the district's staffing goals. Interviews were completed June 8, and a candidate may or may not be presented to the board at their next meeting.

Yvonne Markwardt, building secretary at KES, was chosen as Kewaskum's Support Person of the Quarter.

Kewaskum Fire and Rescue Squad Calls

Friday, June 14 - The Kewaskum Rescue Squad responded to a call in the Town of Kewaskum for a female patient who was suffering complications from a fall. The patient was transported to St. Joseph's Community Hospital, West Bend.

Sunday, June 16 - The Kewaskum Rescue Squad, the Jaws of Life and the Boltonville Fire Department were dispatched at 12:46 a.m. to the Town of Farmington for a motor vehicle accident. A male patient was extricated from the vehicle by the Jaws and transported to St. Joseph's Community Hospital, West Bend for treatment of injuries he received.

Sunday, June 16 - The Kewaskum Rescue Squad was summoned at 4:37 p.m. to the Town of Kewaskum for a male patient who was choking. No transport was made.

It was two Algonquin tribes, the Michi Gama and the Michi Sepe, that gave the names to the states of Michigan and Mississippi.

Historical Society Selling Centennial Post Cards

The Kewaskum Historical Society has put together a 1996 series of four postcards from the Village of Kewaskum's Centennial photo display. These post cards (a real bargain) are on sale for 25c each at a variety of local businesses as well as at the Museum and the Municipal Building. It is hopeful that additional series can be released on an annual basis. The Historical Society would like to thank those individuals who worked on putting together this first series which includes the above photo of the former Corner Drug Store, a landmark in the Village of Kewaskum. For many years, the Corner Drug Store was owned and operated by the Ray Skrentny family. Members of the Skrentny family still reside on the property.

Chase

(Continued from Page 1)

the Menomonee Falls Police Department.

Following the apprehension, Menomonee Falls Officer Michael Douglas stated he had initiated the pursuit for a registration violation and then additionally, failure to yield. He was assisted by Menomonee Falls

Officer Joseph W. Nichols. Both stated that the pursuit never exceeded 70 miles per hour and the suspect vehicle did not exceed the speed limit through any villages or towns, and was not driven in an erratic manner at any time. The driver just refused to pull over.

According to Officer Olig, one of the Menomonee Falls officers believes that something may have been thrown from the suspect vehicle in the area of Highway 45 and Christy Lane. An officer searched the area and walked the ditch line, but was unable to locate anything at the time. Officers were not sure that something had been thrown from the vehicle, but stated they saw movement that led them to believe something may have been thrown from the suspect vehicle.

Campus Notes

WAUKESHA -- Nancy Neumann of Waukesha was recently inducted into Delta Sigma Nu, the honorary scholastic society of Carroll College. Students in the upper 10 percent of the senior class and members of the junior class with outstanding academic achievements are eligible for election each year.

Becky Yogerst of Ke-

waskum recently received the Ann Hardy Award, which is presented to the outstanding incoming freshman or freshmen majoring in art and is based on their portfolios.

Carroll College, a four-year liberal arts institution, is Wisconsin's first college, chartered in 1846.

Campus Notes

WHITEWATER -- The University of Wisconsin-Whitewater named 1,917 undergraduate students to its honor roll list for the 1996 spring semester.

To be eligible for the honor list, a student must have a 3.4 semester grade point average for 12 semester credits or more, with no grade lower than a "C."

UW-Whitewater is a premier regional university, serving 10,500 students with 43 undergraduate and 13 master's degree programs in the Colleges of Arts and Communication, Business and Economics, Education and Letters and Science.

Area students included on the honor roll are: Sabrina Maul, 9332 Skyline Drive, Allenton; Melissa Kuechler, 8408 Boltonville Rd., Kewaskum, and Joanne Lemke, N172 County S, Kewaskum.

Graduate of St. Norbert

Michelle L. Wietor, daughter of Mr. and Mrs. David Wietor, 651 S. Silverbrook Drive, West Bend, was among the 476 candidates participating in commencement ceremonies at St. Norbert College in De Pere.

Michelle graduated Cum Laude with a BA degree.

Alfred A. Checchi, St. Paul, Minnesota, Co-Chairman of Northwest Airlines, delivered the commencement address.

THANK YOU

We wish to express our sincere appreciation and thanks to our children, grandchildren, relatives and all of our friends who helped us celebrate our 50th wedding anniversary.

And to all who remembered us with cards, phone calls and gifts.

We can be left with many happy memories. Thank You.

God Bless You All
Elroy and Betty Schrauth

Year Ends For Tot Time

The Tot Time preschool, which is sponsored by the Kettle Moraine YMCA, has completed another year. We would like to thank all the parents for their help and support. We would also like to thank the following people:

Gretchen Smith, who volunteers her time and patience with our three-year-old program; Dr. Steve Van Ess, for caring about our teeth and showing wonderful movies on dental hygiene; Schoofs Apple Orchard for a wonderful tour; Trooper Joan German and the highway patrol for their wonderful presentation on seat belt safety; Officer Tom Bauer and the Kewaskum Police Department for the tour of the station, movie and car; and to the Kewaskum Fire Department for the tour of the truck, station and the great ride back in the equipment truck.

All of this support and community help really made our program a success.

Mrs. Vicki Fenrick
and Mrs. Joy Thorn,
Kettle Moraine YMCA

XYZ CARD RESULTS

Area Flooded by Deluge of Rain

Nearly four inches of rain fell on the Village of Kewaskum early in the week and contributed to flooded basements and property, overworked sump pumps and brought the work of area farmers to a near standstill. The problems area residents experienced were relatively minor in comparison to the people of Port Washington where eleven inches of rain, most coming on Tuesday, contributed to massive flooding and washouts. God again smiled on Kewaskum, as he just gave us a little hint of how bad things really COULD be. Weathermen promise bright skies and sunshine and a halt to rain at the close of this week... but I don't know... an ark doesn't seem as bizarre as it sounds lately. Above, Best Trailer Corporation, located just south of Kewaskum, experienced huge ponds of water on their landscape, however, officials of the company stated there was no damage to the interior or exterior of the building.

The area in front of the Kurt and Debbie Schmidt home on Highway 45 on the south village limits looked a little more like Long Lake instead of the familiar green ditch. Expanding on the pond in the back yard guys? Hopefully, the fish Kurt planted in the ditch will survive the summer, but that means more rain for the rest of us... nothing doing, Kurt! Bad idea.

Low-lying areas of the Hon-E-Kor golf course experienced much flooding as shown on #7 of the blue course, a large portion of which was under water. The course was completely shut down by the massive rainfall. Owner Jane Korth said she wasn't sure when the course would be able to reopen, stating, "It all depends on the weather." Exactly... anyone want to chip in to start a fund to bribe area weathermen?

Busy village workers Craig Gruber, left, and Brad Rodenkirch, right, were kept occupied cleaning out a storm sewer on First Street. Director of Public Works Jerry Gilles urges residents to refrain from blowing grass clippings and other debris onto the roadway. This debris builds up and contributes toward clogging up the storm sewers and catch basins during heavy rains like we experienced this week.

Statesman Photos by Andrew Kuehl

WELCOME TO THE KEWASKUM COMMUNITY

Would you like to learn more about the area you have chosen to live? Our Welcome to Kewaskum bags contain valuable information including guides, maps, phone book, free gifts and offers, discounts and more from area businesses.

This bag is yours at no charge to welcome you to our community. If you are a newcomer and haven't as yet received your bag, pick one up at the Kewaskum Municipal Building or the Kewaskum Statesman or call the Chamber of Commerce at 626-3336 and we'll drop one off at your home.

Felix - Grueneberg

Deborah H. Felix and Bevan D. Grueneberg were married September 16, 1995 at David's Star Evangelical Lutheran Church, Jackson. Pastor Richard Gurgel officiated at the 2 p.m. ceremony.

Parents of the couple are David and Joyce Felix of West Bend and Bevan and Diane Grueneberg of Cedarburg.

The bride chose her sister, Karen Felix, as

her maid of honor. The bridesmaids were Dawn Felix, Doreen Zellmer, Kris Kyler, Sandy Stollenwert and Julie Griswold.

The groom chose his brother Jason Grueneberg as his best man. Groomsmen were Aaron Grueneberg, Steve Semmann, Mark Felix, David Miller and Randy Zimdars.

Ushering duties were shared by Kevin Miller,

Shawn Miller, Todd Zellmer and Cletus Kirschbaum.

A wedding reception was held at Memories, Port Washington.

The bride is a 1988 graduate of Kewaskum High School and a 1991 graduate of UW-Stevens Point.

Bevan is a 1987 graduate of Cedarburg High School.

Bevan and Deb own and operate Cabinet Craft of West Bend.

MARRIAGE LICENSES

Bert P. Falak, Baroda, Mich. and Beth A. Schaefer, Kewaskum. Wedding June 15.

James Arthur Bavin and Joanne Marie Giese, both Town of Ashford.

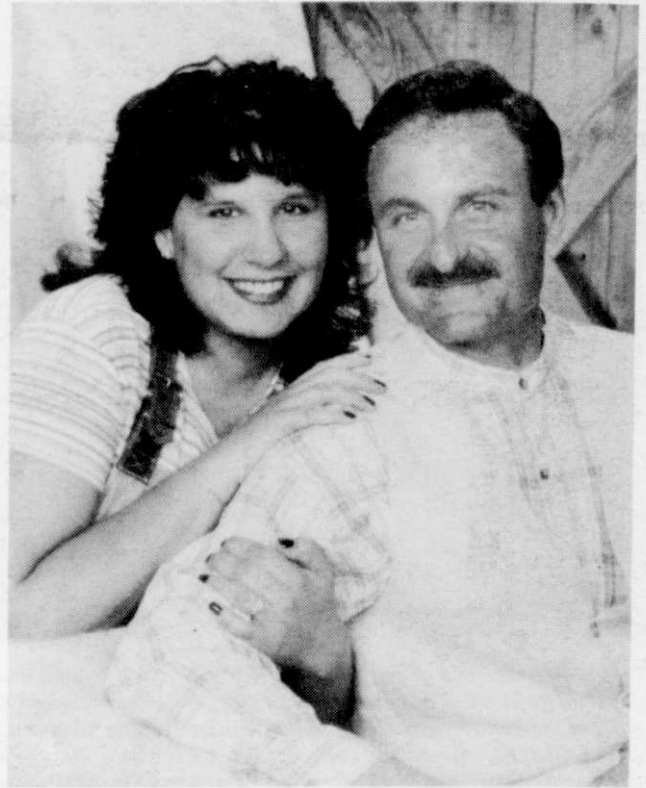

Jason J. Sivula, West Bend and Terry L. Roe, town of Kewaskum. Wedding June 22.

Michael L. Amerling, town of Wayne, and Carrie A. Peters, town of Wayne. Wedding July 6.

ABC SKAT RESULTS

The winner at skat played by the ABC Senior Citizens at Beechwood Hall on Tuesday, June 11th was: Elroy Egerer, 21- 3--18 net.

Spurlock - Richardson

Mr. and Mrs. Bruce Spurlock of Norwalk, Iowa, are pleased to announce the engagement of their daughter, Pamela Michele, to Scott Richardson of Clive, Iowa.

Pamela is an administrative assistant at WCX Corp. of Urbandale, Iowa, and Scott works as

a plumber for Bill Rhiner Plumbing and Heating of Des Moines.

Pamela's mother is the former Jean Schaefer of Kewaskum. Pamela is also the granddaughter of Marcella Schaefer and the late Marvin Schaefer.

The couple will be married on September 21, 1996 in Des Moines.

Swenarski - Millikin

Paul and Ellen Swenarski of the Town of Farmington announce the engagement of their daughter, Juli Anne Swenarski to Gary Allen Millikin, son of Ralph and Shirley Millikin of Neosho.

Juli is a 1988 graduate of Kewaskum High School and a 1993 graduate of UW-Whitewater. She is employed as the Merchandise Manager of Snyder Drug Store at Fort Atkinson.

Gary is a 1988 graduate of Hartford Union High School. He is employed by the family business, R.E. Millikin Construction, LTD. as a

mason and concrete finisher.

A wedding date has not been set by the couple.

Young - Bauer

Bruce Bauer and Mary Young were married on Sunday, June 9, 1996. The service was held at the Centennial Gazebo in Regner Park in

West Bend, followed by an elegant reception in West Bend.

A wedding day, a storybook memory... unfortunately not this wedding

day. They had trouble all week misplacing things... shoes, decorations, paperwork. But on their wedding day, this went one step further... the couple misplaced their Reverend.

Saving their day, a little late, but better than never, Judge Schwalbach graciously agreed to come to the park and officiate at the wedding service. The couple's self-written wedding vows were unique and true to the heart. The groom's family chipped in to pay the judge.

Just wait... their day isn't over! The food was a bit questionable... the wedding couple hopes to see a lot of green on their wedding day... but not on the cheese tray!

When all else fails... try dancing. A big hand for the newlywed's band, "Night in the City."

Following the reception, a jump in a beautiful pool and a couple of days in a fantasy suite was the perfect beginning for the Bauer's eternity together.

Capt. Jack Theusch Will Run for Sheriff

Capt. Jack Theusch, currently serving as Under Sheriff of the Washington County Sheriff's Department, formally announced his candidacy for the Republican nomination for Sheriff.

Current Sheriff Robert Schulties is retiring after serving eight years as head of the department.

Theusch is circulating nomination papers for the September 10th Primary Election and is assembling a volunteer campaign staff. His campaign manager is retiring Sheriff Schulties.

"I've known Jack for nearly 25 years," Schulties said. "For the past seven years he's been my Under Sheriff, assisting me in managing the day-to-day operations of the department. Over the years, Jack has supervised nearly every unit in the Sheriff's Department. With such in-depth knowledge of law enforcement in Washington County, I can think of no one else more qualified or more ready to become the next Sheriff than Jack Theusch. He has my full support, and I'm proud to be his campaign manager for this election."

During a recent gathering of friends and supporters at the home of Jerry and Karen Butz in West Bend, Theusch formally announced his run for the Republican nomination as Sheriff. He thanked the many county residents who have already enthusiastically endorsed his bid for Sheriff.

"A modern law enforcement department needs a leader with experience, someone who is thoroughly familiar with managing every area of department operations," Theusch said. "I have been supervisor of nearly every unit in the department, from Patrol to the Communications Center to Vehicle Purchase and Maintenance. The last few years I've worked as Sheriff Schulties's Under Sheriff, helping him run the department, prepare budgets and manage personnel. I'm ready to be this county's next Sheriff."

Theusch, 51, was born and raised in the Town of Farmington, where he resides today with his wife Marcia, and their two children, Ryan, 19, and Erin, 15. Marcia Theusch is Director of Economic Development for Washington County.

His background includes two years of military service as a Surgical Technician and two years as a patrol officer for the Whitewater Police Department before he joined the Washington County Sheriff's Department more than 24 years ago.

Over the ensuing years, Theusch rapidly rose in rank from patrol officer to his current standing of Captain of Operations and Under Sheriff. At various times, he has served as Supervisor of Patrol, Investigation (the Detective Bureau), the Drug Unit, Vehicle Maintenance and the Communications Center.

For 18 years, Theusch served on the Farmington Town Board, for most of that time as Chairperson. He's been a lifelong member of St. John of God Church, and been a member of the Boltonville Fire Department and Boltonville Sportsmen's Club for the past 25 years.

He has also served on several Kewaskum School Board committees and was a member of the committee that ran the recent, highly successful, Farm Progress Days here in Washington County.

Also running for the Republican nomination for Sheriff is John Grover, a sergeant in the Washington County Sheriff's Department.

The primary will be held on September 10 with the final election for Sheriff being held November 5.

Campus Notes

OSHKOSH -- Dina Heckel has been elected treasurer of Webster Hall, one of 11 residence halls at the University of Wisconsin-Oshkosh.

Heckel is the daughter of William and Nancy Heckel of Kewaskum. She is majoring in marketing and management information systems.

National Exchange Bank, Mercury Marine To Host Milwaukee Symphony Orchestra

National Exchange Bank & Trust, along with Mercury Marine will co-sponsor a performance by the Milwaukee Symphony Orchestra on Wednesday, June 26, at 7:15 p.m.

This performance will mark the fifth consecutive year that the Milwaukee Symphony Orchestra will perform in Fond du Lac. The concert will be held at the Buttermilk Performance Center in Buttermilk Creek Park. The performance will be completely free of charge.

Assistant Conductor Andrew Sill will lead the performance. Sill has been acclaimed as "a gifted young conductor at home in a variety of styles." Since 1994, Sill has been the associate conductor of the Virginia Symphony, and he previously served in a similar post with the Florida Symphony Orchestra. The National Symphony Orchestra, the New York City Ballet at Lincoln Center and the orchestras of Delaware, Charleston and Anchorage have all seen Sill as a guest conductor.

A concession stand will serve brats, hamburgers and hot dogs, along with non-alcoholic beverages starting at 5 p.m. Persons planning on attending are encouraged to bring along lawn chairs and/or blankets. In the event of inclement weather, the performance will be moved to the Recreation Building at the Fond du Lac County Fairgrounds.

The event is part of the Buttermilk Festival,

a series of 10 concerts that will highlight the eighth season of music and entertainment at the Buttermilk Performance Center.

The 1996 Buttermilk Festival included a performance by the award-winning country band Ida Red, which was held on June 12, the swinging sounds of the Winnebago Band which will be held on July 3, the Chicago-style jazz sounds of Ivory Dreams on July 31 and a return engagement by the Kids From Wisconsin on August 14.

The schedule will also include four more performances by the Festival's resident ensemble, the Fond du Lac Symphonic Band, on July 10 and 24, and August 7 and 21. One performance was held on June 19.

The series will also

Thanks Extended

We would like to thank Eccentrics by Kimetha owners Kimetha and Bob Sparks.

Weddings are very special occasions and when something goes wrong, it is a catastrophe. Unfortunately our wedding had a lot of catastrophes.

Your kindness, social grace and professional skill was a precious hand in a time of need.

Bob and Kimetha, we are very grateful.

Love,
The Bauers

feature the Original Aischal Express from Southern Germany, performing at the Symphonic Band's Gemutlichkeit Night on July 24.

Farmers Market At Campbellsport

The Campbellsport community will be hosting a farmers market at ADD Auto and Industrial Supply in Campbellsport on June 22, July 20, August 10 and August 31.

The market will be open from 7 to 11 a.m. and is open to any local vendors of farm products and homemade crafts. There will be no charge for vendors.

Vendors may contact Bob Panzer at Campbellsport High School to reserve a vendor lot. The phone number at the high school is 533-4811. This project is a community service of the Campbellsport FFA and ADD Auto and Industrial Supply.

THANK YOU

I wish to thank my family, grandchildren, friends and neighbors for your concern.

Thank you also for your prayers, cards and letters during my stay at St. Nicholas and St. Luke's Hospitals, and while I was recovering at my daughter's home.

Best wishes to all. Your kindness is appreciated. God bless.

Dorothy Etta

Holy Trinity's Social Fest Early Bird Special

By Louise Martin

Advance tickets are available for Holy Trinity Catholic School Home and School Association's second annual Social Fest set for Saturday, August 24th at River Hill Park in Kewaskum.

As an incentive to purchase tickets early, an Early Bird Special Drawing is being offered. Those who purchase a ticket by June 30 will be eligible for an added drawing to win \$1,000 in cool cash!

Tickets are available in Kewaskum at Sentry Foods, Kewaskum Frozen Foods, Video Post, after weekend masses from those selling Scrip or by contacting Jackie at 626-4963.

The \$50 ticket entitles two people to an evening of fun, two deli-

cious grilled chicken dinners, all your soda, beer and/or wine coolers for the entire night, music and great prizes, including entry into a \$5,000 cash drawing.

This drawing and additional cash drawings will be based on the sale of only 500 tickets. What odds! You do not need to be present to win the cash prizes. Don't delay! This summer event is like no other in the area.

Tickets will still be available after June 30 from the aforementioned places but those tickets will not be eligible for the Early Bird Special drawing.

The Home and School Association is the parent organization for Holy Trinity Catholic School. Proceeds from the event are for the benefit of the school.

United Way Campaign Chair, Theme Announced for 1996

Mark Nielsen

MARK NIELSEN, President and Chief Executive Officer of Wesbar Corporation, West Bend, has been named Campaign Chair of the 1996 United Way of Washington County fund drive.

Born and raised in West Bend, Nielsen graduated from West Bend West High School and is a graduate of Valparaiso University. After graduation, Nielsen started with a CPA firm in Milwaukee. He joined Wesbar Corporation in 1978, a firm founded by his grandfather, C.I. Nielsen in 1934. Mark was elected President in 1990. He and his wife Cindi have three children: Nick, Betsy and Scott.

Nielsen is a past president of the West Bend Area Chamber of Commerce, and serves on the United Way Board, St. Joseph's Community Hospital Board where he chairs the planning committee, on the M & I National Bank Board of Directors, and is on the Board and is Treasurer of the state Chapter of the Young President's Organization (YPO). He is also active at Our Savior's Lutheran Church.

Being integrally involved in the Washington County community, Nielsen is pleased to be leading this year's United Way drive. "Truly, I am very excited... I know it will be fun, hard work and a challenge," he said.

The 1996 campaign theme is: **60 years of Caring and Sharing.** United Way volunteers chose this theme to commemorate the beginning of United Way in Washington County in 1936.

"Our history is rich with generosity, and caring and sharing are two words that describe the role of United Way -- and

the positive impact contributed dollars have in the Washington County community," commented Nielsen.

The campaign officially begins in late August, and will cover the ten communities of Hartford, Kewaskum, Jackson, Slinger, Allenton, Newburg, Hubertus, Richfield, Colgate and West Bend. The 1995 campaign surpassed its goal by raising more than \$910,000.

"I'd like to thank the Washington County community for its continued generosity in supporting health and human service needs. We're looking for success again in 1996. Agency needs are increasing, and our giving levels need to increase as well.

"United Way funded programs and services reach 1 in 4 people in our County. I see the involvement of people as the key to our continued success.

"Right now, we're in the process of reviewing our past campaign successes, looking at agency needs for the coming year and recruiting approximately 160 volunteers who will be involved in this year's campaign," said Nielsen.

Sharon Ziegler, board president of the United Way of Washington County, gives Nielsen high marks for his leadership, dedication, and can-do-spirit. "His positive track record of community involvement speaks well of the commitment and leadership he'll bring to the Campaign," said Ziegler. "His enthusiasm is infectious!"

Recipient agencies have prepared their 1997 budgets and are currently meeting with United Way fund distribution panels, made up of volunteers from around the County. The panels will make 1997 funding recommendations to the United Way Board later this summer.

Agency needs and the local United Way operating budget will be combined with the giving history of businesses and individuals to determine the 1996 Campaign Goal. This will then be submitted for approval to the United Way Board in late July.

Funds collected in the upcoming campaign will benefit 25 agencies throughout Washington County. These agencies are:

American Heart Association, American

Red Cross - Kettle Moraine Region, American Red Cross - West Bend Chapter, Big Brothers/Big Sisters of Washington County, Bay Lakes Boy Scout Council, Catholic Social Services.

Child's Place, Citizen Advocacy of Washington County, Council on Alcohol and Other Drug Abuse, Family Center of Washington County, Friends of Abused Families, Full Shelf Food Pantry, Great Blue Heron Girl Scouts, Manitou Girl Scouts, Hartford Area Blood Donors, Kettle Moraine CPR Committee.

Kettle Moraine Support Services, Lutheran Social Services, Nova Services, Salvation Army, Senior Citizens Activities, Senior Friends, The Threshold, Volunteer Center of Washington County, and The Youth and Family Project.

Tornado Watch/Warning

Do you know the difference between a tornado watch and a tornado warning? These terms are used by the National Weather Service and knowing what they mean can save your life.

A watch is issued when conditions are favorable for the development of tornadoes. If a tornado watch is issued for this area, you should get ready to take emergency action. When a tornado warning is issued, it means that a tornado has actually been spotted or seen on radar. The warning will tell you where the tornado is and the direction it is moving. If you are in or near its path, you should take shelter immediately.

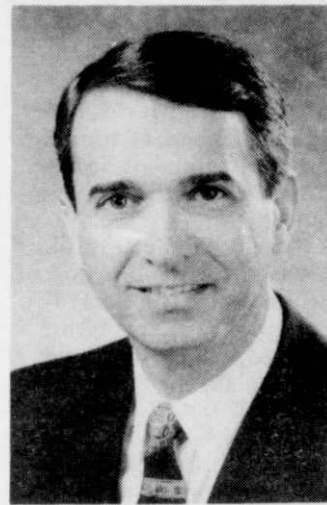

REMEMBER: A tornado watch means that tornadoes are possible. A tornado warning means that a tornado has been spotted and may be heading your way. There may not be a tornado in your future, but don't bet your life on it.

Bast Joins B.C. Ziegler

David S. Bast

WEST BEND - B. C. Ziegler and Company announces that David S. Bast, vice president, has joined the staff of Ziegler's West Bend retail investment office as a full-service investment broker.

A West Bend native, Bast began employment with B.C. Ziegler and Company in 1976, and he had spent the past 16 years in Ziegler's Orlando and Fort Myers, Florida, offices, serving Ziegler's Florida investment clients.

As a member of the West Bend staff, Bast will assist area residents with a variety of investments. In addition to Ziegler's well-known church, healthcare and long-term care bonds, the company also provides independent research reports on a selection of growth, value and yield stocks. Mutual funds, annuities, IRAs, and unit investment trusts, as well as an array of high-quality corporate and municipal investments from the secondary market can also be purchased through Bast.

B.C. Ziegler and Company is an investment banking and brokerage

firm headquartered in West Bend, Wisconsin. Widely known for underwriting church, health care and long term care debt, Ziegler has retail investment offices nationwide, including 12 in Wisconsin cities. Member SIPC.

Seeking Volunteers

The Manitou Girl Scout Council is seeking volunteer staff for their two week Wider Opportunity entitled, "We Found Waldo." This event will take place July 13-17.

Volunteers will be housed at Lakeland College, along with 60 national and international girl scout participants, ages 14-18. The event will introduce the participants to life in Northeast Wisconsin.

WALDO is an acronym for Wisconsin: Arts - Lakes - Dairy - Outdoors. They will be visiting and experiencing many of Wisconsin's unique sites, attractions, and cultures during this two week event.

The adventures will be focused in the different areas of Manitou Girl Scout Council's jurisdiction which ranges from Cedarburg (south), Manitowoc (north), to Fond du Lac (west).

Qualifications include being 18 years of age or older, and persons must be mature, responsible, willing and able to work with teenage girls and other adults. No prior Girl Scout or program counselor experience is necessary, for all training will be provided.

All housing, meals and program fees for the volunteers are provided by the Manitou Girl Scout Council. For more information and/or an application please contact Jennifer at 459-8428 or Denise at 565-4575.

A Walking, Talking History Lesson

Greentree Elementary School students practiced interviewing skills and shared historical memories of West Bend with Cordelia Skuldt, a Cedar Campuses Village Home resident. Cedar Lake Health Care Center residents Walter Ohmann and Walter Klemke also shared an old Sears catalog, a scrapbook of newspaper clippings, and Valentine's Day cards from the early 1900s. As part of the project, the students also prepared an art mural and creative compositions reflecting their ideas about living in West Bend. The project is currently on display at Cedar Ridge Retirement Campus in honor of Older American's Month.

Beechwood Summer Library Program

Dear Parents:

This year marks the 15th year the Beechwood Concerned Citizens group has sponsored the summer library program for the children of the Beechwood area. We operate this in conjunction with the Random Lake Public Library. "Razzle Dazzle Read" is our slogan for 1996, and we have lots of fun planned around our circus theme.

For the first time, this year's program has a family reading component. All members of your family are invited to participate by playing "Razzle Dazzle Read Family Fun Bingo." Drop by the library to pick up your Bingo sheet and simple game instructions. The game will guide you to a variety of books, cassettes, videos, and activities that your family can enjoy together.

Reading aloud to young children is a very important way to help them become acquainted with the whole process of reading, a skill that is

essential for their success in school and in life. Reading aloud to older children, and having them read aloud to you, is a valuable investment, too.

Our summer library program will be held on Tuesday mornings from 9 till 10:30 a.m. starting June 25th and running every Tuesday through July 30. We will have a story time at approximately 9:45 a.m. Kids who read for a total of 90 minutes during the summer will be awarded a free pass to Circus World Museum located in Baraboo, Wisconsin.

Don't miss out! Don't clown around! Join in the "Razzle Dazzle Read" program at the Beechwood Community Library located in the Beechwood School building.

Any questions, feel free to call Sue Buechel at 626-4418. See you all there!

Karen Anne Junk, daughter of Ken and Linda Junk, P.O. Box 120, Kewaskum, has been honored by the School of Communicative Disorders at the University of Wisconsin-Stevens Point.

She was among 13 individuals honored at a spring recognition ban-

quet for top students in the UWSP program, which prepares professional speech pathologists and audiologists for careers in clinics, hospitals, schools, and private practice.

Junk was named Outstanding Senior Student in the School of Communicative Disorders. She received the award for excellence in all aspects of the communicative disorders program.

A graduate of Kewaskum High School, Junk was named to Who's Who Among Students in American Universities and Colleges, nominated for the Chancellor's Leadership Award, received the Van Riper Award, and was also on the Dean's List. She is a lifestyle assistant with the UWSP Health Service, a volunteer for Community Partners Program, and a member of Phi Kappa Phi Honor Society.

Campus Notes

With the end of the 1995-96 school year, Marian College of Fond du Lac wishes to recognize Jean Stoffel, a student-athlete from Kewaskum.

Stoffel, a junior, is a

Kewaskum High School graduate. She was a member of Marian's womens tennis team. She played at number five or six singles and number three doubles for Marian, which finished in fourth place in the Lake Michigan Conference this past season.

Campus Notes

Marian College of Fond du Lac has announced the names of students whose spring-semester academic standing has qualified them for the Dean's List.

Three times each year the Dean's List is published with the names of all full-time students who have earned at least a 3.5 grade point average in at least 12 credits which count toward computation of the overall GPA.

Area students named to the Spring 1996 Dean's List at Marian College include Kelly L. Berres, Kewaskum; Carrie A. Fellenz, Kewaskum; Amy L. Justman, Theresa; Laurie A. Brock, West Bend, and Carrie A. Warnecke, West Bend.

Kewaskum School District Reviews Plans to Reduce Long Term Debt

With an estimated 46 per cent increase in State aids to the Kewaskum District for 1996-97 school year, the School Board is reviewing a possible plan to reduce its long term debt obligation by utilizing a portion of the mill rate decrease.

Based on the preliminary figures from the Legislative Fiscal Bureau in Madison, the District should receive a \$2,045,087.00 increase in State financial aid next year, which will result in a sizable drop in the mill rate for taxing purposes. By using part of that mill rate reduction to reduce the long term debt, the District could save dramatically in financing charges over the next 13 years.

Paying off a portion of the long term debt is similar to reducing the principal on a home mortgage. The lower the prin-

cipal amount the smaller the required annual payment plus interest to eventually retire the debt.

If no action is taken, it is anticipated that the levy will drop by 4.00 dollars per thousand for the 1996-97 school year. By repaying the principal sooner, the mill rate will be reduced as well as the length of the debt. For example, if the District were to limit the levy decrease to 3.00 dollars per thousand in 1997-98, the District would save \$1,575,885.00 over the 13 years. If the debt levy were to decrease to \$2.50 per thousand the savings would be \$2,279,129.00, and if it decreased to \$2.00 per thousand the savings would be \$2,910,082.00.

At a board work session in May the District's financial advisor from Robert W. Baird &

Company indicated that debt reduction may be a prudent action to seriously consider.

Based on estimates from the Fiscal Bureau the tax bill for school purposes on a median priced home would drop 15.8% in the Town of Farmington; 13.3% in Town of Kewaskum; 15.0% in Town of Wayne; 12.7% in Village of Kewaskum; 17.8% in Town of Barton; 12.6% in Town of Auburn; and 16.7% in Town of Scott.

Residents are encouraged to provide input and criticisms by contacting School Board members. In addition, the District Financial Committee will hold an open meeting that includes reviewing this issue of long term debt reduction on June 27, 1996 at 6:30 in the District Office.

The oldest living tree, 4,700-year-old "Methuselah," grows in White Mountains, Calif.

Riding the Wave of Healthcare Reform

Cedar Crossings Subacute Care staff pictured in the above photo, are, left to right: Wendy Vorphal (rehabilitation aide), Darcy Heberer (activity therapy aide), Sandy Hoffman (dietician), Mari Prah (nurse manager), Erika Wolnik (social worker) and Mary Jo Wirth (subacute director).

Cedar Crossings, the first subacute care unit in Washington County, is celebrating its grand opening.

The public is invited to attend the event on Wednesday, June 26, from 2 to 4 p.m. Free blood pressure screenings, hors d'oeuvres, tours and a ribbon cutting ceremony will introduce the community to a new concept in health care.

Cedar Crossings is a bridge between hospitalization and returning home. Providing a supportive environment for total recovery, Cedar

individual's needs. Primary nursing care, complete rehabilitation services, a hearing clinic, an eyecare center, and a dental clinic are among the services offered on the premises. Planned activities, a patient support group and chaplaincy services are also available. Careful discharge planning linking patients with resources insures a safe return home.

Anyone interested in attending Cedar Crossings grand opening may call the cashier's office at 334-9487 in the West Bend area or 276-4370 in the Milwaukee area.

Crossings is an answer to the increasing concern over meeting a patient's need for complete recovery from an accident or illness.

"There is a real need in Washington County for this type of service. So many people are sent home from the hospital before they are actually capable of taking care of themselves. We can provide a cost-effective way to help people fully recover," says Subacute Program Director Mary Jo Wirth.

Services are available to adults 18 years of age and older. Wellness services are tailored to each

Kettle Moraine Kids 4-H Club

President Jackie Briggs opened the June 13th meeting at 7 p.m. Christine Schmidt led the Pledge of Allegiance and Holli Haack led the 4-H Pledge.

Angie Prost reported on the outing to Noah's Ark. Seven members from the club went. We joined fifty other 4-H club members, at the Kohlsville Fire Department, from where we took a bus. Everyone had a good time.

Holli Haack reported on the Highway 28 cleanup. David Cibulka will be organizing another cleanup day. Please say yes, when you are called.

A thank you was read from the Food Pantry. Two hundred sixty-five families benefit from this contribution each month.

Christine Schmidt reported on the Day Camp near Holy Hill, where she was involved as a counselor. This is where five-to-ten year olds participated in nature crafts, flowers and many other activities.

Mrs. Jean Briggs spoke on the "4-H Action Center," that we can be involved in. This is to promote 4-H activities at the Washington County Fair. Demonstrations include making vegetable prints, making cookies, cake decorating, drawing or painting, making flower arrangements and lots more.

Also, help is needed on July 18, to help set up tables, put paper on tables, washing chairs and many other jobs in getting the fairgrounds ready. Sign up for two to four hour shifts. Free sandwiches, chips and soda will be available to all who help.

Mrs. Joan Stoffel spoke on the activity "Anything Goes," to be held on Sunday, July 28 at the Fair. We need four people for a team.

Early fair judging

takes place on July 23, on Tuesday evening from 4:30 to 7:30 p.m. Only entries that will be in the Main Exhibit Building are judged at this time. Help is needed for the judges -- this includes putting the ribbons on and placing the exhibits in the proper places. If you can come and help for a few hours, call the 4-H office or Mrs. Briggs.

Help is needed for the "refreshment stand" on Tuesday, July 23, from 12 noon to 3:30 p.m. and from 3:30 to 7 p.m.

Jackie and Aileen Chambers will plan the summer picnic. Call them, if you would like to be on the committee.

We will send Mrs. Jack Trzebiatowski, a "We Care Check." She is undergoing a bone marrow transplant.

David Cibulka, chairperson for the 4-H float committee needs more help decorating the float for the Firemen's parade. Jackie and Aileen Chambers and Christine Schmidt have volunteered so far. Call David at 626-2364 if you too would like to help. We will again decorate at the Lloyd Etta farm.

Christine Schmidt is running for the "Fairest of the Fair" contest. Final judging is at 7:30 p.m. on Wednesday, July 24. Everyone should be there to support her.

This is the last meeting for the summer.

David Cibulka, Reporter

Obituaries

DENNIS FRONEK

Dennis E. Fronek, 54, of W1277 Lake Drive, Campbellsport, died Thursday, June 13, 1996, at his home.

He was born April 18, 1942, a son of Edward and Lorein Fischer Fronek. He married Fran Solin at St. Wensel Church in Neval on May 30, 1964. He worked for the Gehl Company for 35 years in West Bend.

Mr. Fronek was a member of St. Matthew's Catholic Church in Campbellsport and the Moose Lodge in Campbellsport. He was active in the affairs of the Township of Auburn, serving for many years as supervisor and building inspector. He was also an avid outdoorsman.

He is survived by his wife; one son, Michael and his wife Debbie of Wabeno; two daughters, Debbie Fronek and Dora Fronek, both of Milwaukee; his father and stepmother, Ida, of Antigo; his mother Lorein of West Bend; one granddaughter, Breanna; two brothers, Philip and his wife Carol of Bryant and Paul and his wife Nancy of Antigo; one sister, Donna Mietzel and her husband Bob of West Bend; two half-brothers, Steve and his wife Amy of Rothschild and Victor and his wife Cathy of Kewaskum; a step-brother Bill Lambert and his wife Cindy of Elam; and other relatives and friends.

Preceding him in death was an infant brother.

Funeral services were held at 3 p.m. Sunday at St. Wensel Catholic Church in Neval. The Rev. Jeremiah Worman officiated. Burial followed in the parish cemetery.

Friends and family called from 4 to 8 p.m. Saturday at Twohig Funeral Home in Campbellsport and on Sunday from 2 p.m. to the time of services at the church.

In lieu of flowers, a memorial has been established.

WANDA M. ELLIS

Wanda M. Ellis, nee Hemmy, of Slinger, died Tuesday, June 18, 1996 at Hartford Memorial Hospital, at the age of 82.

She was born May 9, 1914, in Juneau, to the late Arthur and Hilda (nee Roeseler) Hemmy, and was raised in Colby, where she attended Colby High School. Prior to

her marriage to Vernon L. Ellis on November 4, 1939 in Dubuque, Iowa, she was employed at Midland Mutual Insurance Company of Juneau.

She was a member of St. Peter's Catholic Church in Slinger and a past member of the Christian Mother's Society.

Her husband passed away in April of 1972.

Survivors include three children, Robert (Annette) Ellis of Tulsa, Oklahoma, Richard (Gail) Ellis of Kewaskum, and Paula (Richard) Dwyer of Wauwatosa; nine grandchildren; three great-grandchildren; two sisters-in-law, Alys Hills of Beaver Dam and Evelyn Hemmy of Butternut; nieces, nephews, other relatives and friends.

She was preceded in death by her husband, her parents, two brothers and two grandsons.

Funeral services will be held on Saturday, June 22, at 10 a.m. at the Phillip Funeral Home Chapel, West Bend, with Father Robert J. Bales officiating. Burial will be in Immaculate Conception Cemetery, Juneau, following the service.

Visitation at the funeral home will be Saturday, June 22, from 9 to 10 a.m.

The Phillip Funeral Home of West Bend is assisting the family.

WALTER W. TRUEBENBACH

Walter W. Truebenbach, 84, of West Bend, formerly of Random Lake, died Monday, June 10, 1996, at St. Joseph's Community Hospital.

He was born June 10, 1912, in the town of Fredonia, to the late Michael and Ella (nee Nohl) Truebenbach, and on June 5, 1937, married Arline Goedde in Milwaukee. She passed away April 26, 1984. On Aug. 3, 1985, he married Ruth L. Dobratz at St. Paul's UCC, Waubeka.

Mr. Truebenbach farmed in Washington County until 1972, and then worked as a mason in the Random Lake area for many years.

He was a member of Immanuel UCC in West Bend and the West Bend Moose Lodge. He loved to dance and was known by many for his sense of humor.

Survivors include his wife; two daughters, Judy (Vernon) Rheingans of Random Lake and

Shirley (Paul) Liermann of West Bend; five grandchildren; three great-grandchildren; a sister, Leona (Henry) Stahl of Newburg; and other relatives and friends.

Preceding him in death were three brothers.

Funeral services were held on Friday, June 14 at 7 p.m. at Immanuel UCC, West Bend. Pastor James Eckblad officiated and burial was in Waubeka Union Cemetery.

Visitation at the church was on Friday from 4 p.m. until the time of services.

A memorial fund has been established in his name for Immanuel UCC and the West Bend Rescue Squad.

The Wilk Funeral Home, Random Lake, served the family.

ST. JUDE NOVENA

May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever, Sacred Heart of Jesus, pray for us; St. Jude, Worker of miracles, pray for us; St. Jude, Help of the hopeless, pray for us. (Say this prayer 9 times a day, by the 8th day your prayers will be answered. It has never been known to fail., (Publication must be promised). Thank you St. Jude.

Degrees Conferred

SHEBOYGAN -- Lakeland College conferred degrees on 544 graduates, the largest graduating class in its 134 year history, on Saturday, May 18, at its commencement ceremonies. This year's graduating class included 109 more students than last year.

Thirteen received Master of Education degrees with 531 receiving Bachelor of Arts degrees in a wide variety of majors. Of those receiving bachelor degrees, 158 studied in the main campus day program and 373 completed their studies through the college's William R. Kellett School of Lifelong Learning's evening program.

The Rev. Dr. Frederick Trost, in delivering the commencement address, suggested to the graduates, that, "of all you have learned during the course of your studies, nothing may be more important for the survival and flourishing of democracy than what the

What's New at the Public Library?

"Razzle Dazzle Read," the summer library program for kids preschool through sixth grade, is now under way! If you would still like to sign up, please inquire at the front desk.

Congratulations to the winner of the Razzle Dazzle peanut-guessing contest. The winner of the jar of peanuts was Mike Gutjahr, with a guess of 360 peanuts. The actual number of peanuts in the jar was 378. The highest guess was 4,163 and the lowest guess was 20. Good guessing, Mike!

The Razzle Dazzle Readers of the Week from week one were Jason Sabel and Sammy Schoofs. They each win a canvas Razzle Dazzle bookbag, and will have their pictures put up in the library. Congratulations! Kids... be sure to enter each week for your chance to become a reader of the week.

Razzle Dazzle participants, don't forget that the Razzle Dazzle Shop

(located in the library) is open from 10 a.m. to noon and 4:30 to 6:30 on Mondays and Wednesdays, and 1 to 4 p.m. on Fridays. During these times you can come in and spend your Razzle Dazzle Reader Dollars. There is so much to choose from!

School-age Razzle Dazzle participants -- don't forget to bring in your circus wagon entry on Wednesday, June 26, between 10 a.m. and 5 p.m. We will be painting faces for all who bring in entries. The circus train made from the wagons will be on display in the library.

A big thank you to all parents who have donated prizes for the Razzle Dazzle Shop. Thanks to you, the kids are having a great time spending their reader dollars. If you have not contributed and would still like to do so, just bring your contributions in any time the library is open.

Just a note... the Monday morning storytime at 10 a.m. has plenty of room for more kids. Therefore, we are opening it to all ages (mom and dad can come too). Come and join the fun as we share stories about the circus!

prophet had to say long ago... that the meaning of human life has to do with loving kindness, seeking justice, walking humbly with our Creator."

Included among those receiving Bachelor of Arts degrees were:

Barbara R. Kamrath of Kewaskum, who majored in secondary education/mathematics/computer science. Kamrath's college honors include American Association of University Women's Scholarships, Dean's List, National Dean's List, and Lakeland's Outstanding Student in Computer

Science. Kamrath graduated summa cum laude, which recognizes students who graduate with a grade point average from 3.8 to 4.0.

Linda J. Guelig of Kewaskum, who majored in computer science, graduated summa cum laude and will continue to work at St. Agnes Hospital as a systems analyst.

School Board Meeting Minutes

School District Of Kewaskum Regular Meeting May 13, 1996

President Goeden called the meeting to order at 7:00 p.m. Board members present: Larry Fechter, Neal Weare, Tom Timblin, Jon Downs, Mary Andera, John Schulte, Jean Goeden.

Clerk Andera led the Pledge of Allegiance.

Weare/Andera motion to approve the agenda. Motion passed 6-0.

Kewaskum Students of the Quarter: Recognition was given to Beth Vogt (WES), Jenna Wolfenber (FES), Jenny Harter (KES), Joshua Kropp (KMS), and Justin Andera (KHS).

Student Representative Report - Prom was held May 4th. Brad Oelhafen and Jodi Klesmith were King and Queen. Post prom was a huge success with over 220 students attending. The Student Council will sponsor a Blood Drive on May 17th.

Audience to Visitors; Receiving of Delegations:

Kieth Kriewaldt reported that the Spring Presentation at FES which included a flag ceremony, songs and dances, was a rewarding experience for all who attended. A Spring Carnival will be held at WES which will coincide with Technology Night.

Jon Downs congratulated the track teams and their coaches for a successful season and invited everyone to attend the upcoming regionals.

Jean Goeden extended sympathy to Dr. Johnson on the loss of his father-in-law, and to the family of David Van Assche.

Connie Schulist questioned the validity of the reported results of the district survey.

Weare/Goeden motion to approve the April 8, 1996 Regular Meeting minutes as amended. Motion passed 3-0-4 with Larry Fechter, Tom Timblin, Jon Downs and Mary Andera abstaining.

Schulte/Fechter motion to approve the April 22, 1996 Reorganizational Meeting minutes. Motion passed 6-0.

Weare/Schulte motion to approve the April 22, 1996 Closed Session minutes. Motion passed 6-0.

The next FTBG Committee meeting is scheduled for May 20, 1996 at 7:30 p.m.

Schulte/Andera motion to approve the second reading of the following policies: 461-Wisconsin Academic Excellence Higher Education Scholarship Award Criteria, and 831.2-Bear Sales on School Property (delete). Motion passed 6-0.

The next Policy Committee meeting is scheduled for June 3, 1996.

Downs/Andera motion to approve the payroll and accounts payable in the amount of \$943,924.98. Motion passed 6-0.

Jean Goeden announced committee assignments for the 96-97 term.

John Schulte was appointed as delegate to the WASB and Neal Weare was appointed as alternate.

Schulte/Weare motion to approve open campus for juniors and seniors for end of the year exams. Motion failed 3-3 with Tom Timblin, Jon Downs and Mary Andera voting no.

Downs/Timblin motion to approve open campus for all grades at KHS for the end of the year exams. Motion passed 4-3 with Larry Fechter, Neal Weare and John Schulte voting no.

Timblin/Andera motion to approve the issuance of a contract to Larry Wilson to assume the position of Principal of Kewaskum High School beginning July 1, 1996. Motion passed 7-0.

Weare/Fechter motion to approve the position of Director of Elementary Education and to approve the issuance of a contract to Kieth Kriewaldt to assume that position beginning July 1, 1996. Motion passed 7-0.

Schulte/Timblin motion to approve the position of Curriculum/Business Manager, to approve the issuance of a contract to George Allmann to assume that position beginning July 1, 1996. Motion passed 7-0.

Schulte/Andera motion to approve the district staffing goals for the 1996-97 school year as presented by Dr. Johnson. Motion passed 7-0.

Downs/Fechter motion to approve charging a fee of \$5.00 for the KMS industrial arts class. Motion passed 6-0.

Dr. Johnson and Jim Westphal led discussion regarding athletic conference realignment and available options.

Schulte/Andera motion to approve a student trip to Mexico in March of 1997. Motion passed 6-0.

Schulte/Fechter motion to approve the resignation of Judy Stippich from her position of speech/language clinician. Motion passed 6-0.

Schulte/Timblin motion to approve the resignation of Yvonne Markwardt as building secretary at KES. Motion passed 6-0.

Weare/Schulte motion to approve the retirement request, with regret, from Dale Squier without penalty for missing the February 1 deadline. Motion passed 6-0.

Timblin/Andera motion to approve two years of paid supplemental health insurance for Mr. Zarling beginning July 1, 1996. Motion passed 6-1 with John Schulte voting no.

Tom Timblin and Jon Downs will do the honors of handing out diplomas at the high school graduation ceremony.

Schulte/Downs motion to approve the post secondary enrollment request submitted by Kevin Pamperin. Motion passed 6-0.

Weare/Andera motion to adjourn. Motion passed 6-0. The meeting adjourned at 9:50 p.m.

KEWASKUM TOWN BOARD MEETING JUNE 13, 1996

The Kewaskum Town Board will meet Thursday, June 13, 1996, at 4 p.m. at the property of Janet Volm, 8860 Hickory Drive, Kewaskum, WI. The Board will meet with the Town Engineer and property owner regarding the water problem from the Shagbark Hickory subdivision.

Dated this 1th day of June, 1996.

Barbara L. Wenzlaff, Town Clerk

Wayne Crusaders 4-H Club News

The annual meeting of the Wayne Crusaders 4-H Club started at 7:08 p.m. Pledges were led by Tara and Tammy Pusch. The secretary's and treasurer's reports were read and approved.

We had 12 people that went to the Bowl-A-Thon and did very well. Many awards were won by people in the poster contest. Brad O. tied in first place in the senior speaking division. Tricia Brath, Missy V. Wendy and Kristen K. reported on Try the Arts.

Seven kids from our club received campership awards for 4-H camp. Nat reported on the beef showmanship show. Tricia Brath reported on the young lock-in, along with Wendy and Kristen K. Chris and Jeanna H. were on the front page of the new food newsletter.

June Dairy Month is when our club puts a window display in a B.C. Ziegler window. Our club will also go to a local school and give away free dairy promotional items.

On June 12, Noah's Ark will be having a 4-H day. The demonstration contest deadline is June 1, 1996. Call Mary Koch if you have any questions. Workers are needed for Breakfast on the Farm June 8, 1996. Day camp will be June 10-12 and 18. They may need more counselors.

Let's Do the Fair is Monday, June 17 or 24. May 18 in Eden is rabbit fun day. Wendy, Becky H. and Jeanna H. and Chris H went to a rabbit showmanship and did a wonderful job. Paula Peterson next gave a demonstration on sign language. Fair entries are due June 30. For the career project, we took an object and listed all of the people who helped to make that object.

It's fair time again. Don't forget to use the fair book for the fair forms. If you are in the animal projects remember to put the money in an envelope with the form. If the form isn't into Carls at the June meeting, you can mail them to Kandi at the 4-H office.

We will also be running the 4-H refreshment stand at the fair. The fair setup is July 18 from 7:30 to 11:30 p.m. Refreshments will be provided. We will also be needing people for Anything Goes. Remember forms must be in by June 7. There will be a drawing and painting meeting May 16, 6:30 to 8 p.m. The meeting adjourned at 8:21 p.m.

Hunter Education Course Graduates

Hunter Education graduates, first row, left to right: Ty Wietor, Ben Schoofs, Tim Olmsted, Nick Krieser and Amy Straub. Row two: Jon Lendved, Adam Beck, Vickie Broecker and Tyler Steinhardt. Row three: Laurie Fechter, David Lettow and Chad Schoofs. Row four: Mike Paul, New Fane Sportsman's Club representative, Nathan Fechter, Gary Straub and Mark Steinhardt.

Fifteen hunters recently completed the Wisconsin Hunter Education course sponsored by the Kewaskum Police Department, the Kettle Moraine Sportsman Association and the Wisconsin Department of Natural Resources. The instructor was Richard Knoebel, a certified DNR Hunter Education instructor.

Students who successfully completed the basic course received a distinctive embroidered emblem attached to a blaze orange hunting hat and a lifetime Hunter Education Certificate. They are: Adam Beck,

Vicki Broecker, Laurie Fechter, Nathan Fechter, Nick Krieser, Jon Lendved, David Lettow, Tim Olmsted, Ben Schoofs, Mark Steinhardt, Tyler Steinhardt, Amy Straub, Gary Straub and Ty Wietor.

The course included lessons on hunter responsibilities, firearms safety in the home and afield, knowledge of firearms and hunting equipment, wildlife identification and management, marksmanship and other outdoor skills.

All graduates were given the opportunity to fire rifles and shotguns at the New Fane Sportsman Clubgrounds. The range and facilities were donated by the New Fane Sportsman Club.

Campus Notes

RIPON -- A number of Ripon College students have been named to the institution's 1996 spring semester Dean's List, which recognizes academic excellence.

To qualify for the Dean's List at Ripon College, students must achieve a 3.4 grade point average on a 4.0 scale while registered for at least 12 hours of course work.

Ripon College, founded in 1851, is an independent, residential liberal arts college with an enrollment of nearly 800 students from 39 states and 15 foreign countries. Ripon is nationally recognized for its quality undergraduate education.

Among the students named to the college's spring 1996 Dean's List is William B. Rochon, son of Mr. and Mrs. William H. Rochon of West Bend, a junior biology major.

In the Service

Air Force Captain Steven R. Lusk has arrived for duty at Kapaun Air Station, Germany.

Lusk, a commander, is the son of Donald R. and Shirley A. Lusk of 2170 Woodway Drive, Greenwood, Indiana.

His wife, Jeri, is the daughter of Leroy and Donna Bier of 3408 Highway H, Kewaskum.

Capt. Lusk is a 1977 graduate of Grant Community High School, Fox Lake, Illinois. He received a bachelor's degree in 1984 from the University of Wisconsin, Oshkosh, and in 1995 earned a master's degree from Southern Illinois University, Edwardsville.

JV Team Loses Two

By Jenny Immel

Although there were three canceled games, the Kewaskum Indians' JV baseball team finally managed to get their first two conference games played, each one being very close, but nevertheless losses for the team.

After losing three non-conference games against West Bend West, Pewaukee and West Bend East, with the closest score being within four runs, the Indians are finally playing some competitive games.

They traveled to Two Rivers last Tuesday, to face the Raiders.

The game started out with the Raiders taking the lead 2-0, and adding a couple more in the third inning. The Indians wore their defense down and in the third inning, with a couple of RBI's from Ryan Rammer and Joe Thull, scored a couple of runs.

Both teams added a couple of more runs throughout the game. However, the Indians ended up one run short, with the game ending 7-6 in favor of Two Rivers.

Friday brought the Indians home again, for a game against the Sheboygan Royals.

In the first inning, the Royals' Jeff Dean stole home, starting Sheboygan off in the lead, 1-0. They then managed to score two more in the second, and three more in the third, upping the score to 6-0.

The Indian defense then began to pick up. Centerfielder Ryan Rammer made some outstanding plays, catching five of the eight pop flies hit by Sheboygan that night, and threw from centerfield to third base for an out.

Adding to the efforts were plays by second baseman Rhett Engeling, shortstop John Immel, third baseman Adam Donath, and several pop flies were also caught by first baseman

Joe Thull and pitcher Bruce Groholski.

Offensively the Indians didn't have success fighting back until the sixth inning, when they scored their four runs of the game.

Starting off was Scott Mueller, who hit a pop fly to the first baseman who dropped it, allowing Mueller on first. Mueller ended up stealing home for the Indians' first run. Rammer then hit a fly to centerfield that got stuck in the fence, resulting in a double. Rammer then was batted in.

Joe Thull walked, stole second and was batted in by Andy Luedtke. Troy Staehler replaced Luedtke as a courtesy runner. Staehler stole second and was batted home by Adam Donath.

In the seventh, the Indians kept the Royals from scoring, but were unable to score themselves, with the game ending 6-4 in favor of Sheboygan.

Kewaskum will travel to Chilton, Monday, June 24, and host Random Lake Thursday, June 27. Both games will begin at 5:50 p.m.

 - A. Correspondence
 - B. Information items
- VII Adjournment
Dated this 11th day of June, 1996

Barbara L. Wenzlaff,
Town Clerk

EWSCA NEWS

(PLYMOUTH, WI) Point leader Pete Ostrowski of Milwaukee used the high groove to execute a thrilling final lap pass of Billy Kruetz of Kiel on the way to his second Eastern Wisconsin Stock Association 30 lap Modified feature victory of the season Saturday night at Sheboygan County Fair Park.

Jim DePagter of Sheboygan Falls paced the opening nine laps from the pole position. Ostrowski moved up from the fourth starting spot to secure second place on lap 6. The race was slowed on lap 10 when Jay Schneider of West Bend stalled after spinning in turn three. Ostrowski, who captured the 1994 EWSCA Modified title, worked the high line to power around Depagter on the restart.

Red flags on lap 13 and 15 for separate single car incidents involving West Bend's Paul Pokorski and Steve Walsh of Sheboygan Falls kept the field tightly bunched through the first half of the event.

Ostrowski maintained solid control of the top spot until lap 20 when Kruetz rode the outside lane into third place from his outside third row starting position. Kruetz bolted around Depagter and Ostrowski on lap 23 to assume command of the race.

However, Ostrowski and Depagter battled back to set up a dramatic three way duel for the lead over the final seven laps. Kruetz fended off all challenges until the last lap when Ostrowski jetted up to the high groove and maneuvered his way into the top spot entering turn one.

The 14 year Sprint Car and Modified veteran held off Kruetz by a half car length to earn his seventh career EWSCA Modified feature victory. Depagter wound up third, fast qualifier Gret Otte of Sheboygan Falls ventured to the high groove en route to a fourth place showing and 15th year Modified driver Randy Tracy of Plymouth rounded out the top five.

Second year driver Dave Enders of Kiel returned from a three week absence to collect his first career 25 lap Sportsman feature victory.

After an aborted start for a spin involving Sheboygan's Roy Dahmer, rookie Dan Dippel of Plymouth jumped into the lead from his outside front row starting perch. The second red flag of the race flew on lap 2 when Sheboygan's Dave Herr, Fillmore's Jim Rychtik and Steve Hoffmann of Plymouth made contact in turn four. All three drivers were able to continue in the race.

Following two unsuccessful restart attempts, Dippel retained command of the top spot. On lap 7, Jeff Fechter of West Bend worked his way up from the ninth starting spot to challenge Dippel. Fechter ran the outside groove while Dippel stuck to the low line over the next four circuits. The fifth and

final red flag of the event came out on lap 11 for a two car incident involving Howie Weiss of Glenbeulah and Dave Herr.

On the restart, Enders began to mount his charge to the front from the sixteenth starting position. Enders, who had missed the last three weeks of action recovering from hand surgery, moved into second place on lap 18 and slipped past Dippel on the outside line two laps later.

The current Sportsman point leader went on to post his initial feature triumph by a five car length margin over second place Dippel. Tim Carman of Sheboygan was third, two-time Hobby Stock champion Chad Kistner of Kiel came up from the thirteenth starting position to finish fourth and Fredonia's Dave Jessen finished fifth after starting fourteenth.

Mike Anderson of Sheboygan picked up his second career feature victory in the 20 lap Hobby Stock main event.

Chad Schlenvogt of Port Washington led the opening lap from the pole. On the second circuit, Howards Grove driver Mark Brass worked around Schlenvogt in turn four. Brass held the lead until lap 4 when he lost control and spun in turn two. Schlenvogt reassumed the top spot when Brass fell from contention.

The eleventh starting Anderson began to pressure Schlenvogt on lap 12 before pulling off the winning move one lap later in turn two. Anderson notched his first feature victory of the season by two car lengths over a hard charging Tim Thompson of Campbellsport.

Thompson, who started fifteenth, was second, Schlenvogt had to settle for third, Rick Thompson of Campbellsport came up from the ninth row to place fourth and Jeremy Walvoord of Oostburg took fifth.

Plymouth's Ken Schulz captured the 15 lap Modified B semi-feature. Brad Swendrowski of Milwaukee won the 10 lap Modified C semi-feature. Scott Haugstad of Plymouth took the checkered flag in

the 15 lap Sportsman semi-feature. Greg Ruh of Elkhart Lake won the 15 lap Hobby Stock semi-feature while Brian Genske of Sheboygan took home the victory in the 10 lap Hobby Stock consolation race.

QUAD/GRAPHICS IS GROWING

KHS Wins Four in a Row

By Tom Menger

After getting off to a slow start, the KHS varsity baseball team powered their way into contention in the Eastern Wisconsin Conference last week, by knocking off four EWC opponents in five days.

Down 1-0 in Monday's contest versus Plymouth, Joe Rettler smashed a two-run homer to put the host Indians ahead in the fourth inning, and Andy Rix doubled in Jason Bartelt later in the inning to give the Indians a 3-1 edge.

A blister on his right hand caused starting pitcher Tim Gundrum to have control problems in the fifth inning, and after giving up a solo homer to Plymouth's Nathan Struve, then a single to Kyle Raeder, followed by a wild pitch that allowed Raeder to advance to third base, Gundrum was lifted in favor of Rettler.

Rettler started off with a lack of control as well, tossing another wild pitch that allowed Raeder, the tying run, to score. The new Indian hurler adjusted quickly however, as he struck out the next batter to end the inning.

The young Indians showed poise in the next inning, when a two-out walk by Rix was followed by a single off of Erik Kopecky's bat. Younger brother Jim Kopecky then hit a line drive to left, collecting a game-winning RBI when Rix crossed the plate on the play. The 4-3 victory was the Indians first in the EW.

Tuesday saw the Indians traveling to Two Rivers to face the Purple Raiders, where the Kopecky brothers, along with Rettler, again provided the firepower for Kewaskum in a 4-1 victory.

Rettler hit his second homer of the week, this one a solo shot that gave the Indians a 1-0 lead in the second inning. Jim Kopecky went 3x4 in the contest, with his RBI single in the third giving Kewaskum a 2-1 advantage. Brother Erik drove in a pair of runs in the sixth to give the Indians the 4-1 lead.

Pitcher Dan Jeserig was spectacular, going the distance and striking out seven while walking one to pick up his first conference victory.

After a day off on Wednesday, Kewaskum was back in action on Thursday, hosting Hilbert, who was looking to pick up their first win in

the EW. The Indians would have nothing to do with it, however, and jumped out to a 5-2 lead after three innings, on key hits by both Bruce and Tim Gundrum, coupled with errant pitching by Hilbert.

Kewaskum starter Josh Christopherson left with arm trouble in the second, after giving up two runs on three hits and two wild pitches. Reliever Erik Kopecky went the rest of the way, striking out four, while walking three and giving up two hits. The performance lowered Kopecky's ERA to 1.40.

Hilbert scored a single in the fifth inning, but Kewaskum answered with three runs in the bottom of the inning to secure the 8-3 victory,

and pull above .500 in the EW with a 3-2 record.

On Friday, the Indians traveled to Campbellsport to face the Cougars, who were undefeated in conference play.

Tim Gundrum remained hot at the plate, going 2x4 with three RBI, while Jeserig had another fine performance on the hill, going 6-1/3 innings and giving up two runs (one earned) lowering his ERA to a team best 1.09.

Gundrum's first RBI came in the opening frame, when he singled in Erik Kopecky who had reached on an error and stole second.

After the Cougars tied the game on a walk, a single and an error, Kewaskum grabbed the lead again when Indian third baseman Luke Chesak doubled and was driven in by Jim Kopecky

in the fifth inning.

With the score still at 2-1 in the seventh, Gundrum added some insurance runs for the Indians when he singled in Chesak and Erik Kopecky, both who walked.

Campbellsport was looking to rally in the bottom of the seventh after scoring a run and putting runners on second and third with one out, and number three hitter David Bothe at the plate with a 3-0 count,

when Rettler came on in relief for the Indians.

With the batter representing the tying run, Rettler calmly struck out Bothe on three straight pitches, and then got the Cougars' number four hitter, Dave Doyle, to pop up and end the game. The 4-2 win was the fourth straight for the red hot Indians, and improved their record to 4-2 in EW play.

We are not Picasso . . .

(Thank goodness)

Our drawings and plans are precise, simple to read, and easy to understand.

These drawings will allow you, your contractor, and your building inspector to bridge the communication gap that often exists in building projects. Plans help to reduce most "headaches" and allow you to concentrate on what is important - a new construction project that you will be proud of for years to come.

We are available to draw and design plans to fit your needs for:

- New Home Construction
- Decks and Additions
- Kitchens - now drawn in 3-D
- Pole Barns and Garages
