## Legion Places Flags in Every Classroom

Representatives from the Robert G. Romaine American Legion Post #384 presented the Kewaskum School District with flags for every classroom. At Monday night's school board meeting, the Legion was thanked for their patriotic service to the district, which included classroom instruction to students on the origin of the Pledge of Allegiance and why we honor the flag. Pictured left to right are Kewaskum School Board President Jean Goeden, Legionnaire Elmer Hallen, District Administrator Dr. Charles Johnson, Legionnaire Clayton Stautz and Elementary Principal Kieth Kriewaldt.

## 'Showdown' is Featured Band at HT Social Fest

By Louise Martin

Holy Trinity Catholic School Home and School Association members are actively making final preparations for their second annual social fest set for Saturday, August 24, at River Hill Park in Kewaskum from 4 p.m. until midnight.

Musical entertainment for the evening will be provided by the popular country rock band, "Showdown" from Milwaukee. "Showdown" has played at Summerfest and State Fair Park in Milwaukee and has been featured as an opening band for many concerts.

Area businesses have generously donated many outstanding raffle prizes, for which tickets will be sold that evening, including a central air conditioning unit (installation not included), a Huffy portable basketball hoop, a tool package valued at \$400, a \$300 shopping spree at Paradise Mall in West Bend and a \$300 shopping spree at Gander Mountain.

Advance entry tickets for the event are \$50 and are available in Kewaskum at Sentry Foods, Kewaskum Frozen Foods, Video Post, Holy Trinity School Office or by contacting Jackie at 626-

4963.

The ticket entitles two people to an unforgettable evening of fun, two delicious grilled chicken dinners, beverages for the evening, live music and great prizes, including entry into a \$5,000 cash drawing. This entry and additional cash drawings are based on the sale of 500 tickets.

Proceeds are for the direct benefit of Holy Trinity School. The event is co-sponsored by Kathy Ramthun of Catholic Knights Insurance Society Branch 113.

## Police Officer Tom Bauer Receives State Award

Kewaskum Police Chief Richard Knoebel has announced Officer Tom Bauer of the Kewaskum Police Department received a statewide award from the Wisconsin Chiefs of Police Association this past week at their Annual Training Conference. Bauer was one of only four selected statewide in only two incidents to receive this prestigious award.

The award recognizes Officer Bauer for his quick action "above and beyond the call of duty" during an incident last spring when he heroically rescued a five-year-old boy who was trapped beneath a vehicle.

The boy had somehow become wedged under-

neath the moving vehicle with his legs up over his head, cutting off all circulation. According to the boy's mother, Kathy Tangeman, Officer Bauer responded within a minute and with the help of three neighbor women, lifted the car off the boy.

The child was blue and unresponsive, but was administered mouth-to-mouth resuscitation by his mother and was transported to the hospital by Kewaskum Rescue Squad to St. Joseph's Hospital where he was treated with oxygen. Further testing found no injuries.

The mother credits the quick response and clear thinking of Officer Bauer in saving her son's life.

## Fire Destroys Barn

Fire engulfed and destroyed a barn on the David and Mary Beck farm, 9179 Highway W, located in the Town of Wayne, Monday evening at 8:10 p.m.

The Kohlsville Fire Department was paged out first and immediately requested the Kewaskum and Allenton departments to remain on standby. Minutes later, Kohlsville asked for full mutual aid from Kewaskum and tanker and manpower assistance from Allenton.

Eight other fire departments, Campbell-

sport, Cedar Lake, Theresa, Slinger, Boltonville, Fillmore, St. Lawrence, and West Bend, were called on for assistance in getting as much water as possible quickly on to the fire scene.

Three calves perished in the fire, but the rest of the approximately 20 cows that were in the barn were rescued by Mrs. Beck.

As of Tuesday, according to the Washington County Sheriff's Department, the cause of the fire was still under investigation.

## Chamber Seeking Input on the Promotion of the Kettle Moraine

Only nine of the 82 members of the Kewaskum Area Chamber of Commerce were in attendance at last month's meeting.

Those members included President John Meisser of Secretarial Office Services, Vice President Lana Kuehl of the Kewaskum Statesman, Secretary Sharon Miller of Miller's Furniture, Treasurer Lisa Stockhausen of Mapledale Manor, Mike Desterhoft of Parkview General Store, Judy and Mike Berger of Main Street Crafts, Dan Nauman of Big Horn Forge, Bill Geidel of Sentry Foods, and Gwen Dreher of Doctors Inn Bed and Breakfast.

Members of the Chamber's newly formed Kettle Moraine Tourism Committee enthusiastically shared information on what has been transpiring at the past three meetings scheduled with Debbie Skinner of the Wisconsin Department of Tourism.

Committee members agreed there is an excitement and "electricity" that has generated from these meetings that has snowballed and become contagious with chamber members on the committee and Kettle Moraine businesses who also currently serve on the Tourism Committee.

Ms. Skinner was extremely impressed with our Kettle Moraine area and helped the committee appreciate and see our "treasure" in a whole new light. Committee members are equally impressed with Ms. Skinner and her enthusiasm, her vast amount of knowledge of the tourism industry and her capability of channeling the committee's direction.

The consensus of the Tourism Committee is to concentrate on the preservation of what we already have plus find ways and means to pro-

mote the Kettle Moraine to statewide prominence with tourists who are eager to find new areas to explore. It is also hoped to draw additional tourist related businesses into the Kettle Moraine area.

Co-Chairmen of the Tourism Committee are Joyce Kral and Dan Nauman. Subcommittees were formed recently to address the three areas that were prioritized from the short-term goals.

The first sub-committee formed was the Theme Committee. Their goal is to discover a theme which they feel will best represent and depict the promotion of the Kettle Moraine.

The job of the second sub-committee is to develop a "Hospitality Booklet." This booklet will contain various assorted listings, but more importantly will also share ideas and suggestions on how to make your customers and/or tourist trade feel welcome and appreciated in your place of business. Additionally, it will include tips on training your employees on special treatment of your customers so they will want to return to your place of business again and again.

The last, but certainly not least, of the priorities will be addressed by the third sub-committee, and that will be the gathering and printing of promotional maps and brochures. The brochures will feature a Kettle Moraine business directory listing retail stores, specialty shops, restaurants, lodging facilities, churches, maps, calendar of events, and much more.

ALL Kettle Moraine and Kewaskum businesses will be invited to the next tourism meeting, which is scheduled for November 7. Please mark your calendars as this is a very important meeting and is extremely pertinent to the promotion of businesses located through-

out the Kettle Moraine. More information on this meeting will be announced as the date draws closer.

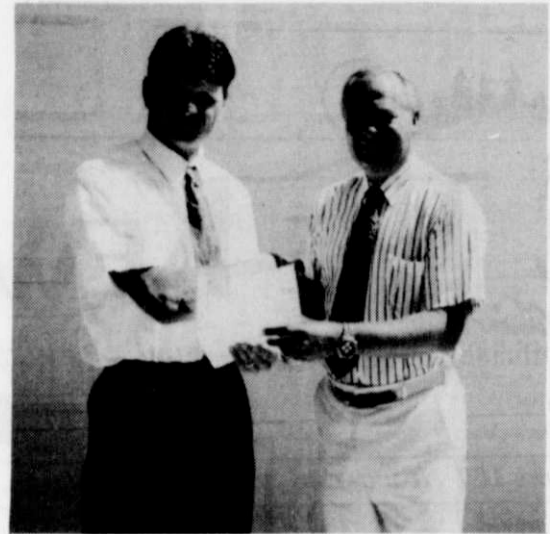

Discussion was held on the Welcome to Kewaskum bags that are distributed to village newcomers. The bags are available at the Toning Shoppe and the Kewaskum Statesman. Contact Linda at the Toning Shoppe or Lana at the Kewaskum Statesman if there are promotional items you would like placed in the bags, or if you have the name of someone who is new to the community.

The tourist information racks were brought up in order to come up with some decision on size, cost, quantity, what material they should be made of, and which tourist related businesses should display the racks.

Dan Nauman suggested building the racks ourselves according to the exact specification we need. He added it might be fun to have a member's work session in which

## Grover Endorsed

Brian Rahn, left, of the Wisconsin Troopers Association, presents Jim Grover, right, candidate for Washington County Sheriff, with their formal endorsement. This is the first time in the history of the Troopers Association that they have ever endorsed a candidate for Sheriff. In a news release issued on August 9, the members of the Washington County Deputy Sheriff's Association have also voted to endorse Jim Grover for the office of Sheriff of Washington County in the September 10, 1996 election.

## Kiwanis Club Turkey Shoot Announced for Sept. 8th

KIWANIS CLUB OF KEWASKUM has announced its Turkey Shoot will be held on September 8th. It will be at the New Fane Sportsman's Club grounds, four miles north of Kewaskum on County Trunk G, in the beautiful Kettle Moraine.

This year's event will feature a firing line, trout pond, golf shoot, trap shooting, archery, compound bow shoot, dart games. Hot and cold beverages and food will be available. Cookware closeouts will be on sale.

Raffles will be held throughout the day for turkeys and sausage.

In addition to advance sales tickets being accepted at all events, cash prizes will be awarded at a drawing to be held September 16th. Ticket holders will not have to be present to win.

Advance sale tickets will cost \$3.00 for four shots and may be purchased by mailing your check, payable to Kiwanis Club of Kewaskum, P.O. Box 68, Kewaskum, WI 53040.

Proceeds will benefit area youth activities.

## Kewaskum School District to Welcome Students Aug. 26

*A message from the District Administrator to all parents of students in the Kewaskum School District:*

Please review the coordinating instructions below for information on general school procedures for the coming year.

No significant changes in operations from last year are planned. However, with hard work and commitment, the learning atmosphere of the district will be reinvigorated and will produce more positive results for the students.

As we begin this year, we again ask for your support and involvement in the educational experience of your children. Please take the time to talk with your teachers so that what happens in the classroom is known in the home. We have truly dedicated teachers and my objective is to support their efforts for your children in any way possible. You have a vital part in helping to develop a "desire to learn" attitude in your children.

Sometimes mistakes are made and we should not pretend otherwise. But, I hope you always find that our intention is good and focused to help your children. We are striving to improve what we teach, how we teach, and what our students learn. "What our students learn" remains the key reference to real growth and we ask for your support and help in this important endeavor.

Our entire staff looks forward to welcoming the children to a new school year and toward working with you to make it a year of valuable memories.

### School Coordinating Instructions

1. Monday, August 26th is the first day of school for new and returning students of the Kewaskum School District.

2. Johnson Bus Company will soon be sending out information on bus rules and pick-up times. If you have not received this information by August 23rd, please call Johnson Bus at 626-4414 to complete arrangements. We ask that families take time to review the bus riding rules and safe boarding, riding, and unloading procedures. If this is your child's first experience riding on a

bus, why not take some time to accompany him/her or arrange for someone else to accompany him/her for their first pick-up and drop-off? Also, please be aware of the times crossing guards are present on village street corners and utilize them accordingly. Do not send or drop your children off at school before the school doors open because they will be unsupervised.

3. Information for those interested and eligible for the free and reduced hot lunch program was published in last week's edition of the Kewaskum Statesman. During registration the forms were available to those interested. If you did not receive a form and would like one sent to you, or wish to review the qualifying criteria, please call the business office at 626-8427.

4. Hot lunch prices will remain the same as last year and are as follows: elementary schools \$1.25 per day or \$5.50 per week; middle school and high school \$1.40 per day or \$6.25 per week. School on Monday is a full day and hot lunch will be served.

5. The school district does not carry accident insurance for students. We therefore urge parents/guardians to review their own policies to be certain coverage is adequate. Particularly in the case of athletics, this is a necessity. The schools do have insurance forms provided by Student Assurance Company of Stillwater, Minnesota, available to parents who would like to purchase additional insurance or insurance for their children. The parents purchase the insurance on their own -- the district is not involved in the sale of insurance.

this project could be completed.

A cookout or pot luck could be combined with the work session, mixing work with a social intervention. A decision could be made at the next meeting of the Chamber on whether to make the racks or purchase this rather expensive item.

Lengthy discussion was also held on promoting better attendance at meetings and making the membership

## Chamber of Commerce Extends Welcome to Balloons by Brenda

Kewaskum Area Chamber of Commerce members recently extended a warm welcome to one of the Kewaskum area's new businesses, "Balloons by Brenda" located at 4369 Badger Road, just a short distance southwest of the village. Shown in the above photo, left to right, are: Kewaskum Area Chamber of Commerce Ambassadors Dan Nauman and Gwen Dreher, Balloons by Brenda Owner Brenda Kirchner, and Chamber Ambassadors Kimetha Sparks and Sharron Miller. For unique decorations or a very memorable gift, give Brenda a call at 626-2304.

more aware of the new and exciting things the Chamber is becoming involved with lately. It was determined by attendance at the past few meetings that many members obviously aren't reading the monthly newsletter.

It was suggested publishing the monthly meeting proceedings in the paper might be a good option, and then following up with a postcard reminding members of the upcoming meeting.

Someone else in attendance asked to have a list of all Chamber members with their current addresses. This will be made and any members may pick up a copy of this listing at the next meeting.

The Chamber is currently sponsoring two jewelry raffles and one cash raffle with all proceeds helping to underwrite the cost of producing Kettle Country Kolors. The cash raffle tickets are available at any chamber business.

One jewelry raffle is for a beautiful diamond and ruby cocktail ring and the other jewelry raffle is for an exquisite opal and garnet ring. The jewelry raffle tickets are available at the Kewaskum Statesman, Eccentrics by Kimetha, Doctors Inn Bed and Breakfast and Main Street Crafts.

The Tourism Committee is also sponsoring a raffle for a matted and framed Terry Redlin print. Tickets are available and the print is on

display at the Kewaskum Statesman. Proceeds of this raffle will go towards the printing of the promotional brochure of the Kettle Moraine.

Only a limited amount of tickets were printed for all of the raffles in order to make your chances of winning more lucrative.

The next meeting of the Kewaskum Area Chamber of Commerce will be held on

Wednesday, August 21 (the third Wednesday of every month) at 7 p.m. in the Community Room. The Chamber would like to assist you in promoting your business, but please keep in mind this is YOUR community... this is YOUR business... it is your responsibility to become actively involved in the promotion of both.

## 'Wabbits' With Personality

Sue Teschendorf has been creating her character "Wabbits" since 1992.

There are 65 different characters in Sue Teschendorf's line of "Country Rags" one of a kind rabbits. Pictured above (L to R) a baker, violinist, and golfer.

By Sharon Callaway Roznik

Visitors to the Mauthe Lake area have reported sighting an abundance of rabbits in the vicinity recently, dressed as a variety of whimsical characters. These appealing creatures are the creation of Sue Teschendorf, who displays her original "Country Rags" Character Wabbits inside the Parkview General Store's gift shop.

Since 1992, her award winning rabbits have been stealing the hearts of collectors who happen upon her little known art form, and Sue's workshop fills orders coming in from across the country. "I've made everything from Minnie Pearl to Gorbachev," Sue ex-

claims, whose sewing experience lends to the original clothing designs that personalize each rabbit.

The idea came to her when she saw a simple lop-eared cloth rabbit in the pages of a magazine, and drew up a pattern of her own, including a weighted body so they sit by themselves. Sue had previously been successful with her Country rags sweatshirt designs, sewing panels of coordinating fabric underneath the shirt, then cutting out designs on the sleeve or front to expose the hidden layer. In the mood for something new, her talents tempted her to play "dress-up" with her rabbit design, and the

results gave birth to 65 different characters, all dressed for the part.

Her rabbits were first featured in Sue's Country Rags Gift Shop, located in West Bend from 1993-94. When the building was sold, she closed her store and continued to travel the show circuit from Illinois to Door County, and although she's since retired from the craft fair scene, the word continued to spread about her character wabbits. "I always had a good time at the shows," she recalls. "Even if they didn't buy one, I'd always crack up from the look on people's faces when they saw them. Even the men who were dragged along to the shows, really got

This "Harley" dude is one of her latest originals, dressed in hand sewn leathers.

into the male characters."

When the shows proved too expensive and time consuming Sue rented a spot at Parkview General Store, across from Mauthe Lake, where she's been enjoying the tourist's reaction to rabbits with "personality." On shelves throughout the store sit golfers with knickers and saddle shoes, an Amish couple donned in wool coats with fur collars, a Victorian ice-skater with a velvet dress, a photographer, baker, fisherman, bride, violinist, a skier equipped with skis and a stocking hat, a German couple, a Mexican ready for a siesta, and a blush-

ing bride.

Each character Wabbit has a story, a name, and a carrot. "The carrots are symbolic of my bunnies," she points out, "and you'll most often find one hidden somewhere on them." Sue signs each one personally on the leg, and each creation is a one of a kind original.

Some of her favorites? "Carol Burnett, she was really a stitch! Charlie Chaplain was fun too." Some of her special orders have included a pilot, rock star, cowboy and Indian, country western singer, and a chimney sweep, ordered by a man from Missouri who

landed a plane in West Bend and stopped by her store.

Speaking of men, there's nothing that isn't masculine about her line of handsome heman wabbits; the athletic baseball player, the crafty carpenter, and an array of sports enthusiasts, including the pheasant, moose, and deer hunters, adorned in their respective camouflage outfits." I usually have a variety on hand," Sue points out, "but I also do requests for special orders, which take about two weeks."

The time put into each keepsake rabbit depends on how elaborate and detailed their costumes are. As an example, stop in and checkout the "Harley" dude, equipped with black leather jacket and hat, and matching saddle bags, all hand sewed. So far, there hasn't been a character she couldn't do. "May not Dolly Parton," Sue quips. "I don't know how that would look on a rabbit."

Sue and her husband Richard live in Kewaskum, and enjoy spending time with their 11 grown children and 20 grandchildren. Richard, a postal carrier and talented carpenter, also displays his woodworking talents at the Parkview General Store, offering for sale wooden benches, doll beds, and his favorite, handmade clocks carved out of firewood in a medley of shapes and patterns.

To purchase a Character Wabbit of your own or for a gift, stop by the store, or contact her by phone at 414-626-4894.

## Receive Degrees

Area students were among the 813 candidates to receive degrees at the 87th annual spring commencement ceremonies held in May at the University of Wisconsin-La Crosse.

UW-La Crosse, founded in 1909, is one of the 13 four-year comprehensive institutions in the University of Wisconsin

System. UW-L has around 8,700 students enrolled in nearly 80 undergraduate and 18 graduate academic programs, many with special accreditation. It was named one of the top 30 colleges and universities in the Midwest by U.S. News and World Report's 1995 College Guide.

Area graduates included Rebecca A. Beimborn, 124 Congress Drive, West Bend, who received a bachelor of

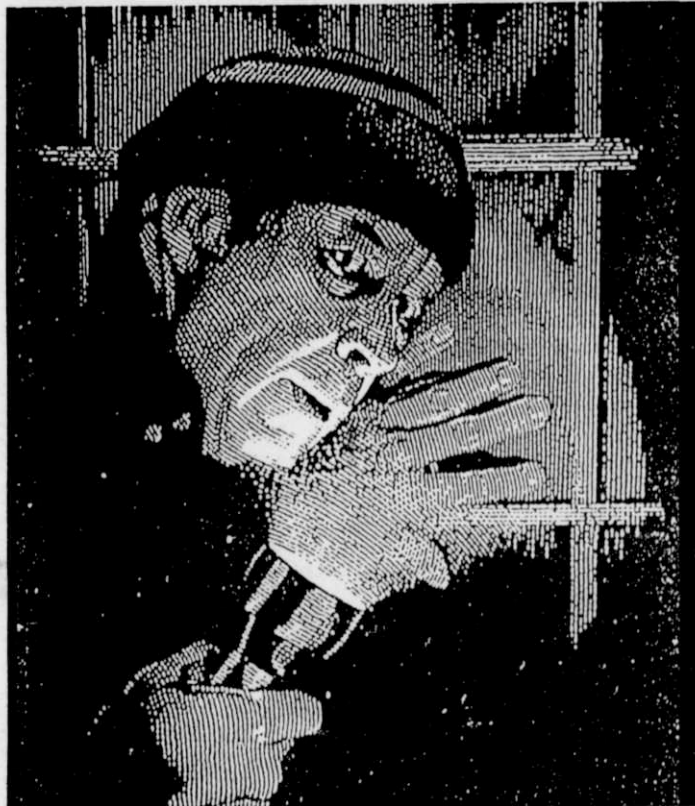

arts degree in psychology; Kristin A. Gremminger, 263 E. Main Street, Campbellsport, who received a bachelor of science degree in therapeutic recreation; Ann C. Kutschera, 1232 Hawthorn Drive, West Bend, who received a bachelor of science degree in exercise and sport science-teaching, and Mark K. Pieper, 532 S. 18th Avenue, West Bend, who received a bachelor of science degree in biology.

# Barton Products to Celebrate 50th Year

Barton Products Corporation, a family owned company, will celebrate its 50th year in business on Monday, August 19, 1996.

It will host its employees and their families from 10 a.m. to 1 p.m. for a plant tour, program and buffet luncheon.

From 3 to 6 p.m., customers, government officials and West Bend area friends will be provided with a tour, program and reception.

Barton Products Corporation is a manufacturer of precision machined parts serving the needs of customers primarily based in Wisconsin and Illinois. The company of 100 employees exemplifies the traditional work ethic celebrated in Wisconsin.

The company was founded in 1946 as a partnership by Sylvester W. Hron and Edmund A. Labiskey. The business operated under the name of H & L Products until its incorporation on April 1, 1948, when the name was changed to Barton Products Corporation.

In 1975, the family assumed full control of the corporation. During its 50 years of business, the company has operated out of four different locations, survived a devastating fire and weathered numerous economic ups and downs.

# Hinz - Butzlaff

Deborah Sue Hinz and Brian Keith Butzlaff exchanged marriage vows during a wedding ceremony held on April 20, 1996.

Parents of the couple are Leo and Jeanne Hinz, 3330 River Bluff Dr., Sheboygan, and Carol and Bill Butzlaff Sr., 8439 Cty. Trk. B, Kewaskum.

The bride chose Amy Schmitz of Random Lake as her maid of honor. The bridesmaids were Lori Larson, Green Bay, Lisa Wilson, Omro, Jodi Franke, Oshkosh, Lisa Schraufnagel, Lomira, Carrie Hinz, Sheboygan and Nicole Hinz, also of Sheboygan.

Dave Bowser, Allenton, served as best man.

Groomsmen included Rob Hinz, Sheboygan, Willie Kreis, St. Michaels, Bill Butzlaff Jr., Kewaskum, Tim Schraufnagel, Lomira, Jim Butzlaff, Allenton, and David Lettow of Kewaskum.

Chantal Voss of Waukesha was the flower girl and Mitchel Schraufnagel of Lomira was the ring bearer.

The bride graduated from the University of Wisconsin Center - Sheboygan County in May of 1995, and is employed by The Sunday Post, Grafton.

Her husband works on the family farm, raising beef cattle, in Kewaskum.

# Dundee Mill Park Day Set for Aug. 18

Time stands still but yet moves on at the old mill and park in Dundee. You can attend and enjoy the Dundee Mill Park's annual fall fund raiser on Sunday, August 18, from 11 a.m. to 7 p.m.

Take that walk back in time with a special appearance by the Wisconsin Civil War Veterans Reserve Corps who will be re-enacting camp life during the Civil War era. They will be camped just north of the upper pond, where you will see their officers' tents and small tents, wives in period dress making soldiers' uniforms and bandages for the wounded using 1860's sewing machines, camp cooking of beef and beans, cleaning of weapons, black powder pistol firing and occasional scenarios of the Civil War situation.

President Lincoln will make his appearance to give his famous Gettysburg Address at 1 and 3:30 p.m. Stop to see the authentic reproductions of Wisconsin Civil War uniforms and ask questions about our state's role in the history connected to that time.

Many local townspeople and committee members will be wearing clothing dating back to the 1850s. All are invited to join in. Get into your attics, dust off your bonnets or hats and join in on the fun.

Other areas around the old mill will feature demonstrations by blacksmiths, quilters, candle makers and many other craft artisans from that era. Be sure to check out the Civil War photos and artifacts on exhibit in the mill plus see how an old mill worked and how it works today. Join in an old fashioned sing-along that will begin around noon.

You may park in any of the free parking areas

and take the horse drawn buckboard to and from the festivities. Stop by and check out the huge craft tent. These crafters offer up their unique talents on gifts for your home.

Games for the young and old will be provided by the Long Lake Fishing Club. Free hay rides and stagecoach rides will be available all afternoon.

Top this all off with live country music by Wisconsin's #1 country band, "Ida Red," who will be entertaining for your dancing and listening pleasure from 2 to 6 p.m. in the beer tent. For those of you not familiar with country music, this band appears all over the state with top name headliners and the Mill Park Committee is extremely proud to have secured this popular band.

Karen Hartman, local author of three books on Indian Lore will again be on hand this year. Every year there is a circle of young and old around Karen's tent, listening to her stories and checking out her crafts.

Cold beer and soda, will be available, plus the best food in Fond du Lac County (the cooks made sure this had to be said). Raffles galore will also contribute to the makings of a great day for the entire family.

Mark the date on your calendar and be sure to attend Dundee Mill Park Day on Sunday, August 18.

## WANTED!!

Men or women who are young or old, married or single, tall or short, big or small, who are fun loving, adventurous, and willing to try new things.

Do you have what it takes to be a friend to a child or young adolescent in the Kewaskum area?

\*All it takes is a willingness to be a friend and have a child become an important part of your life.

\*You don't have to have a lot of money or time and you don't need to be a trained expert in working with children.

\*You will receive friendship and the satisfaction of making a difference in a child's life.

\*You will be giving back to your community by helping a child in your community grow in a positive direction.

\*You will meet new people. There are over 100 people involved who you can get to know.

\*You will gain a sense of belonging to something larger than yourself and experience the rewards of helping others.

If you fit this description and want to give and receive, please call Big Brothers and Big Sisters of Washington County, 334-7896.

# KHS Students Visit Germany

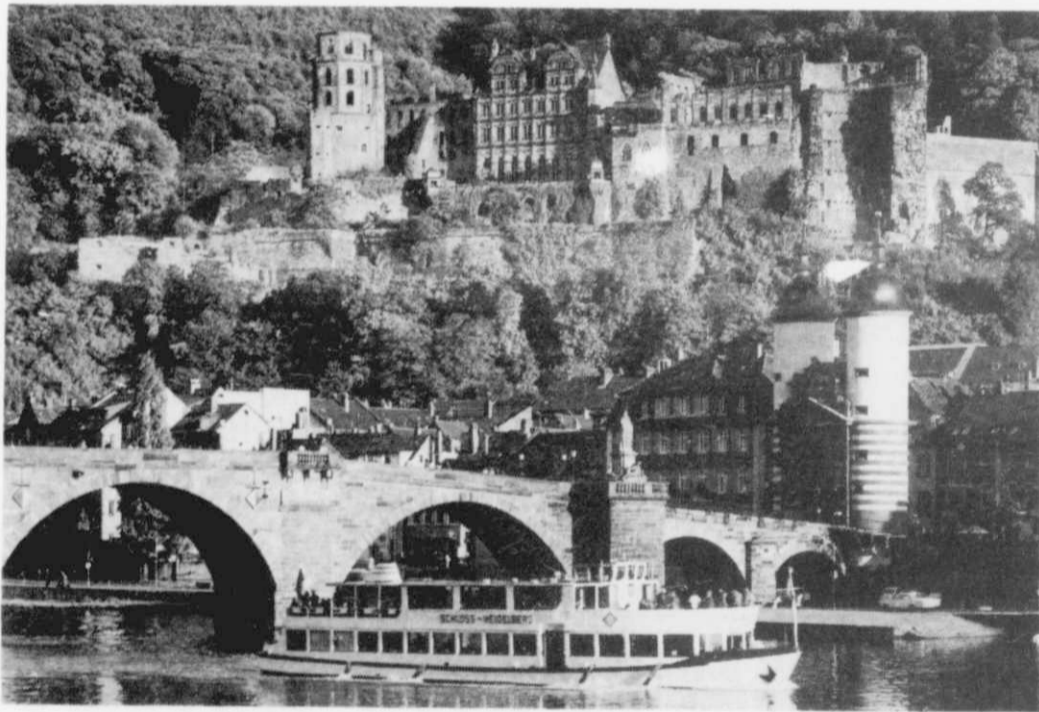

For three weeks in the month of June, eleven Kewaskum High School students and their chaperones lived with German families in, or near, Lagenselbold, Germany. The Americans were able to improve their language skills and learn a great deal about the German culture.

The travelers attended classes at Kathe Kollwitz Gesamtschule. Activities were planned with the German host families and the German host school. The German students will do an exchange visit to Kewaskum in October.

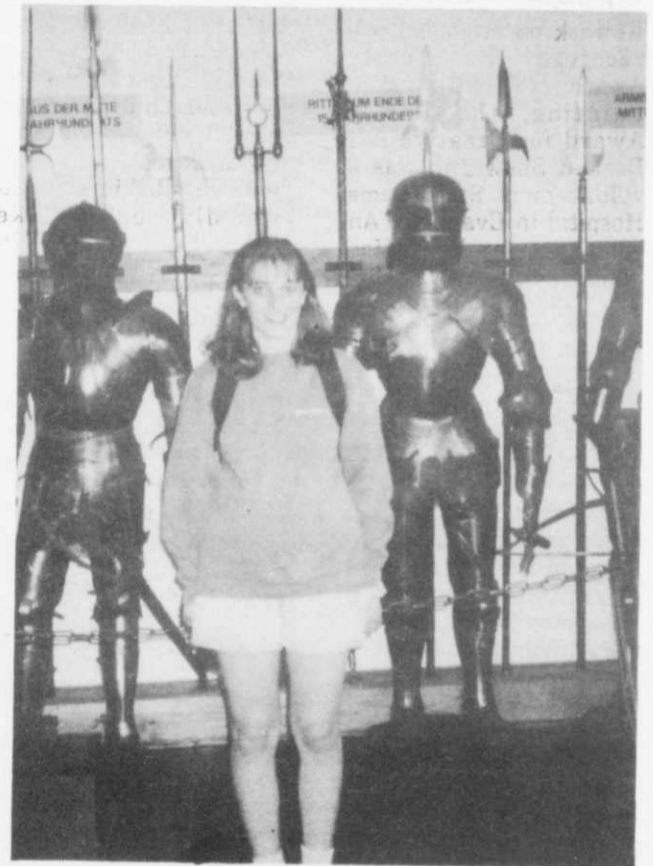

If you would like to know more details about the trip, please contact Therese Rosenthal at Kewaskum High School.

The Kewaskum High School travel group is shown in the Merkers Potassium Mine in former East Germany. Left to right, kneeling: Chaperone David Stradtman, Missy Theusch, Christa Melzark, Lisa Opperman, Jessica Gruber, Jessica Repovsch. Standing: Kristi Gundrum, Chaperone Irene Stradtman, Kevin Pamperin, Shannon Stockhausen, Kelli McFarland, Dan Zuehlke, Katie Yogerst.

## What's New at the Public Library?

Have you noticed?... Barcodes are appearing on the backs of many books! The library staff and a team of dedicated volunteers are working hard on the library's automation project.

There are approximately 17,000 bar codes to match up with the proper item! Besides the books, bar-codes need to be put on videos, magazines, audio cassettes -- every item in the library, before we can issue (and use) the new plastic library cards (which also get barcodes - assigned to each patron). This is a

very large-scale project, indeed. The staff is hoping to issue the new cards before the end of 1996.

A note of thanks -- The Kewaskum Woman's Club was accidentally omitted from the THANK YOU list from the summer reading program. We thank them for their donation! The Woman's Club also donates annually toward the purchase of new encyclopedias and have always been a willing supporter of library services. We appreciate their help!

## Rohrer Receives Degree

Jessica Rohrer

EVANSTON, ILL -- Jessica Rohrer, daughter of Sue and Jeff Rohrer of Kewaskum, received a bachelor of arts degree from Northwestern University's College of Arts and Sciences at the University's 138th annual commencement exercises June 14.

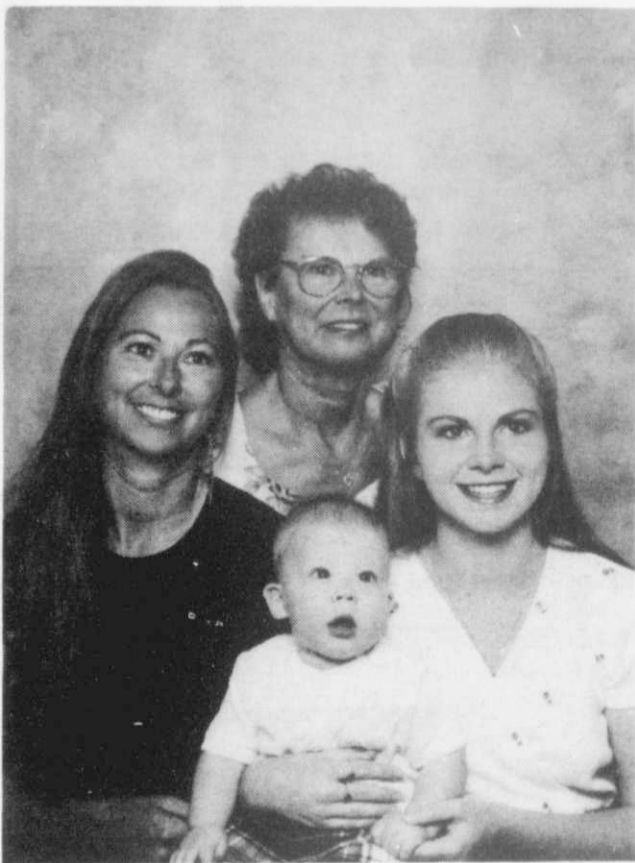

Rohrer, a graduate of Kewaskum High School, received the Faricy Award for Creative art in Painting, the Faricy Award for Creative Art Best in Show and was a volunteer at St. Francis Hospital in Evanston. An art theory and practice major, Rohrer was on the

dean's list.

University President Henry S. Bienen conferred 3,763 degrees, diplomas and certificates during the ceremony, and Provost David H. Cohen presented honorary degrees to 10 people in higher education, the arts, science and business.

Northwestern University is one of the nation's leading teaching and research institutions, with 17,500 undergraduate and graduate students enrolled in 12 academic divisions at lake front campuses in Evanston and Chicago.

## St. Joseph's Hospital Hosts Baby Reunion

St. Joseph's Community Hospital of West Bend is expecting hundreds of toddlers and their families Sunday, August 18, when the hospital hosts its annual Baby Reunion.

The reunion will be held on the east lawn of St. Joseph's from 12:30 to 3 p.m. Reunion guests will be treated to cookies and ice cream, a petting zoo, pony cart rides, temporary tattoos, a clown, complimentary T-shirts and children's games.

Children born in 1993 and their families have been invited to the event. In 1993, there were 671 babies born at St. Joseph's.

This is the ninth annual Baby Reunion for the hospital.

Families who have a child born in 1993 at the hospital, but who have not received an invitation, should call the New Life Center at 334-8361.

## Kewaskum Fire and Rescue Squad Calls

Monday, August 5 - The Kewaskum Rescue Squad responded to a call at 4:30 p.m. at a Village of Kewaskum business for a male patient who suffered a hand injury. The patient was transported to St. Joseph's Community Hospital, West Bend.

Monday, August 5 - The Kewaskum Rescue Squad was dispatched at 7:49 p.m. in the Town of Kewaskum for a male patient who was injured in a golf cart accident. The patient was transported to St. Joseph's Community Hospital, West Bend.

Saturday, August 10 - The Kewaskum Rescue Squad was summoned at 3:45 p.m. in the Town of Farmington for a male patient who was injured in a farm accident. The patient was transported to St. Joseph's Community Hospital, West Bend.

When the site of the original Olympic Games was discovered in 1875, it inspired Baron Pierre de Coubertin, a French educator to organize a modern Olympics. He believed such an international competition would promote world peace. The first modern Olympic games took place in 1896.

## CHICKEN DELIGHT!

Kewaskum Lions Club members Roger Groeschel, left, and Paul Behring, right, keep a watchful eye on the business of grilling the chicken at the 25th Annual Lions Club Chicken BBQ held last Sunday. The Lions served over 600 halves of chicken, complete with all the trimmings. Results and photos of the three Kettle 20 races, held in conjunction with the BBQ, will be published in next week's edition, due to the absence of Dale Squier, race coordinator, who is on a well-deserved vacation.

## Local Teacher Attends John Muir Academy

Elizabeth Helmers

The third annual John Muir Academy, for math, science and technology, was attended by Elizabeth Helmers, Kewaskum teacher, during the weeks of July 22 thru August 2. This years academy was hosted by Verona High School, Verona, Wisconsin. The teachers were presented with a certificate upon completion of this academy, where the goal is to increase the quality of classroom experience for their students.

This summer's academy is part of a statewide staff development program, partially funded by the National Science Foundation, and area businesses to improve science, mathematics and technology education. Programs offered are characterized by critical thinking, problem solving approaches, integration and application. These workshops provide teacher participants, with teaching tools to engage their students in hands-on activities in these critical subject areas. Each weekly acad-

emy session includes discussions and tours with business and industry officials to help teachers understand ways in which math, science and technology are actually applied in the work place. This academy demonstrates an effective regional business partnership with education.

### Message for Sun Enthusiasts: Think Zinc

(NU) - Sun worshippers are being encouraged these days to think zinc. Most sunscreens are blends of liquid chemical ingredients that may be absorbed into the skin. They provide only UVB protection and can cause allergic reactions.

UVA protection is important. Unfortunately, many products labeled as providing broad-spectrum protection really do not. Sunscreens lacking zinc oxide usually don't provide adequate protection against UVA rays.

Zinc oxide is now available in a transparent, micro-fine form, so when you wear it, it doesn't make you stand out like a sore thumb — or a sunburned nose. All it does is lay safely on your skin, blocking out those dangerous UVA and UVB rays.

Because zinc oxide isn't absorbed by the skin, it's nontoxic, hypoallergenic and nonirritating.

So don't count on that "base tan" or white cotton T-shirt for protection.

Thomas Edison, who changed the lives of millions of people with such inventions as the electric light and the phonograph, only had three months of formal schooling.

### THANK YOU

We would like to sincerely thank all the individuals who helped us in our recent car accident. We would like to thank the jogger who stopped and called for help, the Kewaskum rescue squad personnel for their quick response and assistance, Sheriff Robert Schulteis and Captain Jack Theusch for their assistance, the efficient, compassionate ER staff at St. Joseph's Hospital, 2nd and 3rd floor nurses and any other individuals that made our stay there easier. Thanks also to Drs. Knuth, Reineck and Sison, our parents, families, and relatives for all their cards, flowers, visits, prayers and care, our friends for all their support and kind words, and last but not least the Good Lord for watching over us and protecting us from further harm.

## Japanese Youth Visit County 4-H Families

Nine families from Washington County are hosting Japanese students as part of a 4-H cultural exchange program from July 24 to August 22, 1996. The Japanese students are part of a 76 member delegation visiting Wisconsin this summer.

The program, coordinated through the University of Wisconsin Cooperative Extension, brings Japanese youth to Wisconsin 4-H homes and sends 4-Hers to Japan on a yearly basis. Labo, the widespread national cooperating organization in Japan, teaches English and other languages to Japanese youth in small groups which meet weekly after school. During the meetings or Labo parties, the students acquire language skills and learn to appreciate cultural differences. Through homestays with residents of various countries, the youth increase their cultural understanding.

After an orientation and a farm/safety tour, the Japanese youth go their separate ways to homes located throughout Wisconsin. Each will return to Japan with a unique experience to relate. The program has the additional benefit of fostering long term friendships. Many families and exchangees continue to write long after the homestay ends and Wisconsin 4-Hers have the opportunity to experience a reciprocal visit with their host-sister or brother in Japan.

The Washington County families and the Japanese youth who are visiting them are: Curtis and Karen Erdmann, Kewaskum, hosting Yoshie Ishida, a 13 year old female; Howard and Geri Hackbarth, Adell, hosting Saori Hatanaka, a 13 year old female; Ron and Sandi Held, Richfield, hosting Taiki Aoi, a 13 year old male; Luke and Mary Koch, Barton, hosting Aiki Shiokawa, a 12 year old

male; Jim and Judy Krudwig, Kohlsville, hosting Yuki Akase, a 12 year old female; Paul and Diane Lemke, Kewaskum, hosting Keiko Sakurai, a 19 year old female chaperon; Charles and Chris Pamperin, West Bend, hosting Kenaro Aoi, a 14 year old male; David and Cathy Schimmels, West Bend, hosting Mari Kishima, a 13 year old female; and Darryl and Bonnie Zanow, Kewaskum, hosting Junko Kuwano, a 13 year old female.

If you are interested in hosting or traveling with this or any other international 4-H exchange with Norway, Finland, Russia, Australia or many other countries, please contact the state extension representative, Kay Hobler, by calling (608) 262-1557.

## PRAYER OF THE BLESSED VIRGIN

(Never known to fail).  
Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (Make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Holy Mary, I place this prayer for your hands (three times). Say this prayer for three consecutive days and then you must publish and it will be granted to you.

Grateful thanks!

M.

## Preliminary Report on County 'Clean Sweep'

On August 2 and 3, Washington County sponsored its second county-wide Household "Clean Sweep" Program for residents to dispose of their hazardous wastes at drop-off sites in West Bend and Slinger.

In addition, the first Agricultural "Clean Sweep" program was held in Slinger for farmers to dispose of their unused, damaged, canceled, banned or otherwise unwanted agricultural chemicals.

The amount of publicity done was a small amount compared to municipal newsletters, private industry newsletters, notices mailed with municipal services billings, radio, cable TV, newspaper articles, promotions through non-profit organizations and others not as yet known.

As people arrived, they were handed a sheet which explained the "Rules of The Day" and explained "What Happens to the Waste That is Collected."

Volunteers then filled out a survey sheet. After items were removed from vehicles, participants were given two pamphlets. One pamphlet explained "How to Dispose of Latex and Oil Based Paint," and the other gave "Alternatives to Hazardous Household Products."

Farmers were also given fact sheets from the University of Wisconsin-Extension entitled "Pesticide Container Disposal" and "Pesticide Waste Reduction Guidelines."

The Wisconsin Fertilizer and Chemical Association had a representative on site that collected triple rinsed plastic containers. These containers will be chipped into small pieces and the plastic will be recycled.

Agricultural small businesses which meet certain requirements were also eligible to participate in the Agricultural Clean Sweep. Seven such businesses did participate, including Washington County.

When people filled out the survey sheet, 29 stated they brought waste from more than just their own household. If each person brought waste from just one more household, the total would be 453. This compares to 879 vehicles plus some walk-ins in 1992.

Vehicles coming through the sites were 219 at the West Bend

site; 131 at the Slinger site, and 74 at the Agricultural site.

Both sites on both days had a back up of 15 to 20 vehicles at the beginning of the day. This created about a 20 minute initial rush. After the initial rush was over, the pace was about one vehicle every five minutes.

A total of one 85-gallon drum, one hundred three 55-gallon drums, five 30-gallon drums, seven 14-gallon drums, and fourteen 5-gallon pails of material were collected.

AETS chemists and technicians worked a total of 156 hours. Assisting them were 42 volunteers, including amateur radio operators. Both sites were cleaned up at about 6:30 p.m. on Friday, and about 7 p.m. on Saturday.

Overall, the program went very well. A lot of material was removed from Washington County residences, but it is believed there is still more that was not brought in. The exclusion of latex and oil based paint made the totals substantially lower than 1992. The costs therefore, are also substantially lower.

## CARD OF THANKS

A sincere thank you to my family, relatives, friends and neighbors who helped me during the hospital stay, and upon the death of my dear wife RUTH E. SCHMITT. Thanks also to the staff of Millers, Fr. Kemmer, Fr. Barta, St. Kilian Ladies Sodality, the organist & choir, donors of memorials, flowers, food, and any help given to me. I deeply appreciate it.

## 422,000 Apply for Antlerless Deer Permits

MADISON -- Early estimates indicate that 335,000 hunters applied for Hunter's Choice and Bonus Antlerless Deer Permits for the 1996 deer season by the July 20 deadline. In addition, 87,000 hunters applied for free antlerless permits for use in the new special Zone T deer management units, bringing the total number of applications to over 422,000.

Hunter's Choice permits allow hunters to shoot an antlerless deer in a designated deer management unit. A bonus permit allows a hunter to take an additional antlerless deer in the unit for which the permit was issued.

For the first time, free "special antlerless" permits will be issued in 19 deer management units, designated as Zone T, where deer numbers are well above population goals. Hunters in Zone T will be required to harvest an antlerless deer

prior to shooting a buck, and can tag their antlerless deer with the free permit or bonus permit.

The number of Hunter's Choice applications fell from 414,000 applications received in 1995. "That was expected, so we're not surprised by the reduction," says Kevin Wallenfang, Assistant Deer and Bear Ecologist for the Department of Natural Resources. "The availability of free permits in the Zone T units made it unnecessary for many hunters to apply with a Hunter's Choice application."

Lower deer numbers in the north due to last winter's severe weather may also have discouraged some hunters from applying, Wallenfang said.

"We've been putting out information about the new application date for over a year now, so we're glad to see that so many people have seen the information," he said.

There were a total of 534,860 antlerless permits available statewide for the 1996 season, which will be issued through a drawing process in early August. The total number of Zone T permits was not established, and hunters are entitled to one free special permit each for their bow license and gun license.

If hunters missed the July 20 deadline, they will still have opportunities to obtain antlerless permits for many units. Beginning Monday, September 16, hunters may go to selected DNR offices throughout the state and purchase leftover bonus antlerless deer permits for those units that didn't sell out during the mail-in application process.

Permits cost \$12 each for residents and \$20 each for nonresidents. Hunters may purchase up to two permits per day in southern farmland

units, and one per day in the Northern Forest Region. Leftover permits will continue to be sold through the end of the year, or until the unit sells out.

Free Zone T permits may also be obtained over the counter at DNR offices starting September 16, or they may still submit an application to receive their permit through the mail. Hunt-

ers can apply for the free permits any time throughout the fall.

In addition to the free permits, a limited number of bonus permits have been made available for sale in these Zone T units and leftovers will be sold at a rate of two permits for the price of one. All antlerless permits are valid only in the unit for which they are issued.

## Excerpts From Menagerie

The following poem was taken from the 1996 Edition of Menagerie, an All Conference Writers magazine, that includes the work of KHS students.

### For Me

Cradle my heart  
as if made from glass.  
Caress my emotions  
as would you my breast.  
Embrace my passion.  
Let a rain of ecstasy  
drench me.  
Make me clear of your  
adoration.  
Worship me.

**EWSCA NEWS**

(PLYMOUTH, WI) Jim DePagter of Sheboygan Falls outdueled point leader Pete Ostrowski of Milwaukee in the closing laps to post his first 30 lap Eastern Wisconsin Stock Car Association Modified feature victory of the year Saturday night at Sheboygan County Fair Park.

Inside second row starter Tim Melis of Plymouth steered Randy Tracy's Lightning Motorsports entry past polesitter Jay Schneider of West Bend entering turn three to lead the opening lap of the Modified main event. Melis worked the low groove to build up a quarter-straightaway advantage in the early stages of the race.

Over the next 15 laps, the sixth starting Ostrowski used the high line to real in the leader. On lap 16, the 1994 Modified champion powered around Melis in turn four as the leaders began to work their way through heavy lapped traffic.

Ostrowski moved out to a comfortable 15 car length lead over Melis until lap 23 when the 15 year veteran lost the entire left side panel of his wing. The red flag flew one lap later when the detached portion of Ostrowski's wing came to rest in turn one.

Following the restart, DePagter charged up from the ninth starting spot to duck under Melis and pressure Ostrowski for the lead. DePagter hooked up to the inside lane to move underneath Ostrowski's wounded machine on lap 27. The fifth year driver held off Melis and Ostrowski over the final three laps to earn his second career EWSCA Modified feature triumph.

Tim Melis was second, Ostrowski nursed his partially winged car to a third place showing, defending track champion K.J. Skelton of Cascade charged up from the fourth row to finish fourth and Plymouth's Chuck Melis rounded out the top five finishers.

Twenty-five year veteran Henry Dickmann of Sheboygan led every lap on the way to his first 25 lap Sportsman feature victory of the 1996 season.

Plymouth's Donny Kulow collected his first career feature triumph in the 20 Hobby Stock main event.

Lomira's Troy Wondra won the 15 lap Modified B semi-feature. Tommy Johnson of Slinger cap-

ured the 10 lap Modified C semi-feature. Jay Schneider of West Bend as the victor in the five lap Modified dash. Dale Bauer of Sheboygan Falls collected a 15 lap Sportsman semi-feature victory in his first appearance of the season.

Elkhart Lake's Brian Gilles drove Bruce Holz's car to victory in the 15 lap Hobby Stock semi-feature. Jeff Leonhard of Sheboygan steered the car normally driven by Kevin Humphrey to a win in the 10 lap Hobby Stock consolation race.

## A's Defeat Hustisford

The Kewaskum Athletics beat the first place Hustisford Astros in a showdown with playoff implications for the A's. The final score was 15-10.

After a scoreless first inning for Hustisford, Barry Wenzlaff got the A's off to a fast start by blasting a three-run homer scoring Terry Koth and Scott Donath ahead of him. With the home team leading by a 6-3 score, Hustisford rallied to tie the score in the top of the sixth inning on the strength of a solo homer by Andy Klein and a two-run homer by Bob Heinz.

The Athletics sealed the game by scoring five runs in the seventh and four in the eighth. Ryan Hall provided the big blow in the seventh with a long grand slam to straightaway centerfield. Terry Koth hammered a two-run homer to key the rally in the eighth.

Hitting stars were plentiful for the A's. Ryan Hall collected a two-run double to go with his grand slam. Barry Wenzlaff had a homer among his two hits, as well as three runs batted in and four scored. Terry

Koth contributed three hits (including a homer), two RBIs and three runs scored. Greg Rinn had two hits, drove in two runs and scored two.

Shawn Schneider pitched five strong innings before tiring some in the sixth. Jason Wiedemeyer pitched out of bases loaded jams in the sixth and the eighth, going 3 1/3 innings in relief to pick up the victory. Bob Bothe came in to put out the fire in the ninth, registering the final two outs of the game after the Astros scored three runs and loaded the bases to put the home crowd on the edge of their seats.

The win left Kewaskum with an 11-6 record, good for at least a tie for third place in the Rock River League's Northern Division. The top four teams in each division advance to the playoffs.

With one regular season game remaining and depending upon the results of other games played this past week, the A's travel to Oakfield to meet the team with whom they are tied for third. The winner will guarantee themselves of finishing in third with a

shot at second place, depending on the results of other games.

While Hustisford's record dropped to 13-4 with the loss, they remained solidly in first place. They need only a victory Sunday at Oshkosh or a Rubicon loss to win the Northern Division championship.

The Athletics wrapped up play in the Tri-County Nite League with a 7-5 record. The A's are 4-2 in non-league play depending on the results of games to have been played in the finals of the Southeastern Wisconsin Amateur Baseball Association (SWABA) during the week of August 11-18. The A's are 22-13 overall for the season.

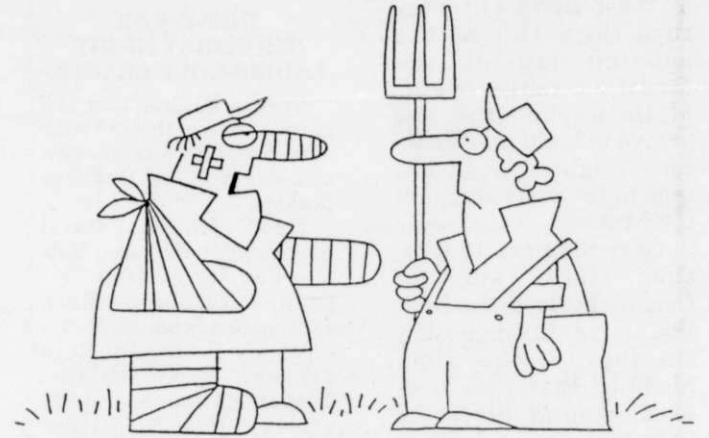

Your last chance to see the A's in 1996 regular season action will be this Sunday, August 18, at Oakfield at 1:30 p.m. A victory could assure the A's of hosting a playoff game.

The diamond fields of South Africa were discovered about 1866, when a Boer farmer's children found "a pretty pebble" in the sandy bed of the Vaal River. The pebble proved to be a diamond worth \$2,500.
