Further Comparison Study Recommended Before Erecting Memorial Drive Stop Sign

By Lana Harbeck Kuehl

Police Chief Richard Knoebel and the Kewaskum Village Board members agreed at last Monday's meeting, that a comparison study of a street with a similar situation would be the next step on making a decision on whether or not to place a stop sign at the

intersection of Memorial Drive and Lazy Lane.

The issue came up at the August 5th meeting when area residents appeared before the board requesting any ideas on how to alleviate a growing traffic problem in that area.

The residents have become aware and increasingly alarmed at

the amount of traffic in the area since Timblin Drive opened up onto Memorial Drive. One resident stated there were 18 to 40 children living there, with 29 of those being under the age of 12.

They were concerned because they felt the area "was an accident waiting to happen," with the additional traffic flow.

Residents added there has also been an increase in "cruising" on the street and they were becoming more and more concerned about the safety of the children in that particular area.

It was decided at that meeting to do a traffic count on the street and to have police officers monitor the situation at various times.

Chief Knoebel brought the results of this traffic survey to the August 19th meeting. Knoebel stated he had officers in that area for six different intervals for an hour at a time. According to his survey, most of the traffic

(Continued on Page 3)

Yes! There Are Lights

Volunteers and members of the Kewaskum Indian Booster Club put the finishing touches on the completion of the new lights that now will shine over the High School football field through the donations and efforts of the entire community. The lights will be turned on for the first time during a special pre-game lighting ceremony Friday evening and will then be utilized at the Indian/Cougar non-conference football game. (Additional photos on page 5)

Annual Early Farm Days Set for Sept. 8

By Sharon Callaway Roznik

As the years race by, sometimes we yearn for the "good old days" when life was simpler, or so it seemed, and members of the Kewaskum Historical Society invite you to reminisce along with them at their 22nd Annual Early Farm Days on Sunday, September 8.

The Society's 1847 award winning museum and reconstructed log cabin will play host to a variety of old time displays, set up along the banks of the Milwaukee River at River Hill Park.

Gas, steam, and miniature engines, antiques, farm equipment, old time craft demonstrations, and tours of the museum are just some of the old fashioned highlights that can be enjoyed throughout the day.

The Kettle Moraine Squares will be demonstrating their fancy footwork, beginning at 3 p.m. Free horse drawn wagon

rides will be available throughout the day... just the thing for a leisurely Sunday tour through the park.

Members of the Historical Society will be serving their famous harvest stew, cooked outdoors in a big, black caldron. Roast beef sandwiches, hot dogs, a variety of mouth watering homemade desserts and refreshments will also be available, as well as carryouts and fresh baked whole pies.

Commemorative collector buttons will be on sale for a \$1 donation, and the money will be used to support the operation and maintenance of the museum and log cabin.

Admission is free for all! The event will be open from 10 a.m. to 6 p.m. at River Hill Park. Exhibitors are always welcome, and anyone interested in participating can contact Jake Schmidt at 338-1568 or Syl Schmidt at 626-2653.

Kiwanis Club Turkey Shoot Sept. 8th

KIWANIS CLUB OF KEWASKUM has announced its Turkey Shoot will be held on September 8th. It will be at the New Fane Sportsman's Club grounds, four miles north of Kewaskum on County Trunk G, in the beautiful Kettle Moraine.

This year's event will feature a firing line, trout pond, golf shoot, trap

shooting, archery, compound bow shoot, dart shoot and children's games. Hot and cold beverages and food will be available. Cookware closeouts will be on sale. Raffles will be held throughout the day for turkeys and sausage.

In addition to advance sales tickets being accepted at all events,

cash prizes will be awarded at a drawing to be held September 16th. Ticket holders will not have to be present to win.

Advance sale tickets will cost \$3.00 for four shots and may be purchased by mailing your check, payable to Kiwanis Club of Kewaskum, P.O. Box 68, Kewaskum, WI 53040.

Memorial Drive

(Continued from Page 1)

was northbound.

Knoebel stated, "The average speed was 26.3 miles per hour. We did issue four citations during the time we were up there."

When asked about the speed of the violators by a board member, Knoebel stated all four were cited for 37 miles per hour.

He added, "There's definitely a lot of traffic there. The traffic's picking up."

Director of Public Works Jerry Gilles had his men set up the traffic counter on the street for a 24 hour period. Gilles stated, "Southbound going into the subdivision, one lane only, was 283 cars. Going northbound, exiting the subdivision, was 365 cars. Then we set up on a Friday at 8 a.m. and ran through until Saturday morning and that was both lanes, we had 712 cars."

Trustee Gary Gavin asked, "What do we have to compare it to?"

Chief Knoebel stated, "We don't know. We've never run a traffic study there before. I know there wasn't that many cars going through there before they had that road through. We haven't got any other figures to compare it to because we never had the road before."

Knoebel said the average speed is over the normal speed of 25, saying it's not excessively over, but it is over. Trustee Gavin asked, "Wouldn't you probably find that on every street?" to which Knoebel added, "You possibly could. The stop sign definitely would slow them down."

Trustee David Goeden added, "I personally would like to see a stop sign before something happens."

President Robert Wagner asked what effect a slow children sign might have, to which Knoebel stated, "it might help some, but most of the people who drive through there aren't going to even notice that sign. The only sign that does any good is a stop sign."

Trustee Gavin asked the Police Chief, "What's your recommendation?"

Knoebel said, "The time you gave us to check it isn't a real long time. You should probably check some other streets in the village and see what they're doing. This is a new traffic area and traffic patterns have to be established."

Trustee Gavin asked what areas should be

used to compare to which Knoebel answered he felt Roseland Drive would have a similar situation, where the street is used as a bypass.

Gavin added, "I guess for future reference, I don't think it would hurt to have a count on traffic on some of these other streets. When you say 712, that doesn't mean anything when you have nothing to compare it to."

Knoebel reiterated, "Definitely there was not that much traffic before the road (Timblin Drive) was there."

Trustee Robert Stoltzmann asked if Timblin Drive would ever go further west, saying that would help bust up some of that traffic.

Village Administrator Daniel Schmidt stated according to the Land Use Plan, it was supposed to (extend west).

Chief Knoebel added, "When you're looking at putting up stop signs, what you're looking at is the number of accidents you've had at that corner.

At this point, it hasn't been a problem. You use accident data to figure out where you're going to put your signs and how you're going to control your traffic. And we haven't had that up to this point. You could say that at every corner in town. It's just something waiting to happen, because every corner is. You're taking a chance."

Director of Public Works Gilles and Chief Knoebel agreed they would make a comparison study of Roseland Drive and possibly other streets, so they would have figures to work with to further study the Memorial Drive problem. This new data would be presented to the board at the September 9th meeting.

Trustee Gavin also asked the Police Chief if the school system had worked with his department regarding the new pickup and dropoff rules at Kewaskum Elementary School.

Knoebel stated they

had, saying parents would still "be able to drop their kids off in front of school, but that means, stop the car, they get out and you leave." He added Elementary Principal Kriewaldt had sent letters to all kindergarten parents telling them, if they want to go into school with their child, they would have to park on a different side street.

Knoebel said Krie-

waldt had picked up no parking signs which were placed in front of school to remind parents this was a pickup/dropoff zone only and there would be no parking allowed.

Knoebel said, "they're cooperating as far as efforts to take care of the problems."

In other matters, Administrator Dan Schmidt shared with the board the Department of Administration Demographic Service has stated as of January 1, 1996, the village has a population of 3,031 people.

KHS Class of 1966 Celebrates Reunion

Members of the Kewaskum High School Class of 1966 pause from the reunion-festivities for a group picture.

Forty-one members of the KHS Class of 1966 met on Saturday afternoon, August 17, to reunite 30 years after graduation.

Festivities began with a tour of the high school. For some class members, it was the first time they had come back to the school since walking out the door on graduation night.

Old grads noted the size of the facility increased quite a bit since 1966. Strolling down the dimly lit halls, looking at Rose Hall, talking to former teachers Maude Rose and Ernest Mitchell, all brought back many fond memories.

Then it was on to the Beer Garden at Kewaskum's River Hill Park for food, fun, and favorite old friends. Memorabilia

such as an old Chieftain, Smoke Signals, graduation program and graduation pictures were on display.

The Julida Boys entertained with a variety of music, including prom theme, "The Old Lamplighter." After a rousing rendition of the school fight song, a delicious picnic style meal was provided by C & R Catering. The fun-loving group then proceeded to party and dance into the night.

The Class of '66 wishes to thank the committee, especially chairperson Diane Gruber Rindt, for organizing an event

which was truly memorable for all who attended.

SHEEPSHEAD WINNERS

5 handed winners on Wednesday, Aug. 21st were: Whitey Heisler, 73-5--68, 76-4--72; Edward Knuth, 58-15--43, 21-10--11; Elton Ludwig, 48-7--41, 24-4--20; Andy Bonlender, 42-5--37, 15-3--12; Royal Carey 44-8--36, 19-5--14.

The next 5 handed will be Thursday, Aug. 29th and Wednesday, Sept. 4th at 8:00 p.m. sharp. Cash prizes, lunch, Schmitt Never Inn.

Joyce Bruessel Kral, left, and Peg Rodenkirch Lyons with booklets in hand, remember way back when...

Teacher Roy Esser, left, talked to former students Russell Reysen and Joe Egerer.

WDI Teacher Training Seminar

The Wisconsin Dyslexia Institute (WDI) will present a three-week Level One Teacher Training Seminar from September 16 - October 7. The classes will be held from 4 to 8 p.m. Monday and Wednesday and from 8 a.m. to 12 noon on Saturday at UWWC in West Bend.

The Seminar is designed primarily for persons interested in becoming instructors for the Institute, and teachers (general and special education) who wish to increase their effectiveness in working with students who exhibit characteristics of dyslexia.

This seminar consists

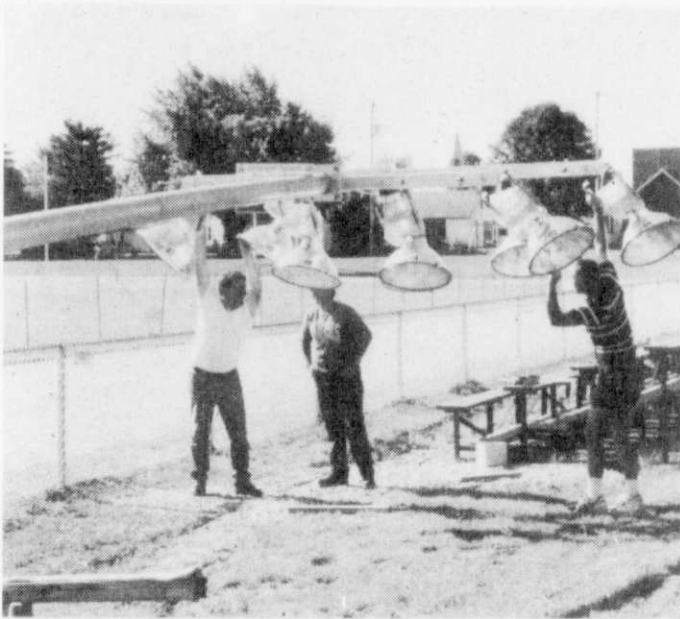

of class lectures, demonstrations, observation, and a supervised practicum. The content of the seminar reflects the curriculum criteria established by the Academy of Orton-Gillingham Practitioners and Educators, a national certification and accreditation body incorporated under New York State Education Law.

Persons completing the seminar will be able to begin teaching students and can expand their knowledge to include additional applied linguistics, comprehension

and composition techniques needed to work with dyslexic students at more advanced levels.

WDI is a not-for-profit educational corporation and is committed to bringing about a new world for children and adults with dyslexia. In addition to teacher training seminars, the Institute provides language evaluations, tutorial services, and informative programs for organizations and the public.

For more information on fees, qualifications and registration, call the Institute at 414-334-8005 or toll free at 1-888-334-8005.

Volunteers and members of the Kewaskum Indian Booster Club are shown above officially raising the light poles up to be placed on the concrete bases. Below, manpower is used to line up the poles to fit on the bases. A special pre-game lighting ceremony is planned for just prior to the Indian/Cougar football game, when the lights will be utilized for the first time.

Legion to Host Packer Sundays

Want to watch the Packer games with your friends in a neighborly setting, away from roaring crowds and noisy kids?

The American Legion Robert G. Romaine Post #384 invites the public to enjoy packer Sundays at the Legion Post, for an afternoon of casual fun in a relaxed atmosphere.

The Legion Hall will open at 11 a.m. for all away games. Snacks and refreshments will be available, as well as games for your enjoyment.

The scheduled away games include Sept. 22 (Minnesota), Sept. 29 (Seattle), Oct. 6 (Chicago), Nov. 10 (Kansas City), Nov. 18 - Monday (Dallas), Nov. 24 (St. Louis), and Dec. 15 (Detroit).

Bring your friends and join the Packer backers at the Legion Hall this fall.

Ramthun - Zillmer

Sharyl Ramthun and David Zillmer exchanged wedding vows during a 2 p.m. ceremony at Holy Trinity Catholic Church on Saturday, July 27. Father John Brophy officiated.

The organist was Karen Schneider and the soloist was Jeannie Marchant.

Parents of the couple are Harvey and Kathie Ramthun, 9175 N. Mill Road, Kewaskum, and Manly and Dora Zillmer, 5128 Alpine Court, West Bend.

The bride chose her sister, Megan Ramthun of Kewaskum, as her maid of honor. The bridesmaids were Sarah Schiek, cousin of the bride, Dawn Schicker, sister of the groom, Jackie Ramthun, sister-in-law of the bride, Danielle Bollinger, friend of the couple, Montana Schicker, niece of the groom.

David Kolosso, Madison, a friend of the couple, served as best man. The groomsmen were Jim Zillmer, brother of the groom, Steve and Dan Ramthun, brothers of the bride, Tom Zillmer, brother of the groom, and Matthew Schicker, nephew of the groom.

The miniature bride was Kendra Ramthun, Kewaskum, niece of the bride, and the ring bearer was Michael Schicker, Allenton, nephew of the groom. Brooke Ramthun, niece of the bride, was the flower girl and Chayce and Blade Ramthun, nephews of the bride, served as minia-

ture grooms.

Ushering duties were shared by Kevin Ramthun of Kewaskum, brother of the bride, and Steve Zillmer, West Bend, brother of the groom.

A reception, dinner and dance followed the ceremony at Country Side Entertainment Center.

The bride is a 1994 graduate of Kewaskum High School and also graduated from Martin's School of Hair Design. She is employed as a cosmetologist at Westside Haircutters in West Bend.

The groom graduated from Slinger High School in 1991. He is employed as a grounds maintenance crew leader with Unique Service, Inc. of West Bend.

The newlyweds spent one week of their honeymoon in Colorado and a second week in northern Wisconsin. They are residing at 200 Knights Avenue in Kewaskum.

Girl Scout Registration

Spread the news about the Girl Scout registration being held on Sept. 4, from 6:30 to 8:30 p.m. at the Kewaskum Legion Hall.

Any girl, age five to 18, in kindergarten through 12th grade in the Kewaskum School District (or home schooled) are welcome. Adults are also invited.

If you have any questions, please call Sharon Shaw at 626-2214.

Thank You

We would like to thank Homeplate for sponsoring our rubberball team. We would also like to give the kids a big thank you. They showed good sportsmanship and played really well as a team.

Thanks to all the parents for coming to the games and cheering your kids on. We appreciate all the time and effort everyone put into making this a fun and rewarding season for the kids.

Coach Joe Theisen and Steve Rieden

Michaels - Krahn

Bruce and Patricia Michaels are pleased to announce the engagement of their daughter, Carrie Elizabeth Michaels, to Chad Jeremy Krahn, son of Spencer and Debbie

Krahn.

Carrie is a 1996 graduate of Kewaskum High School and is enrolled in the Paralegal program at Lakeshore Technical College.

Chad is a 1990 graduate of Kewaskum High School and is currently employed at Baker's Cheese.

The couple is planning an October 10, 1998 wedding.

Marriage Licenses

Lee R. Kurth, town of Wayne, and Wendy L. Williams, town of Polk. Wedding Sept. 7.

Matthew N. Perkins, West Bend, and Lisa J. Donath, town of Kewaskum. Wedding Aug. 24.

William H. Ehr, town of Barton, and Sharon A. Griger, town of Barton. Wedding Sept. 14.

My Little Friends Hoppers Raise \$633 for MDA

Jared Seefeldt - Top Hopper

My Little Friends Day Care of Kewaskum raised \$633.26 for the Muscular Dystrophy Association by holding a Hop-A-Thon.

With pledges from their family and friends they hopped their little legs until they couldn't anymore. The children knew they would be helping other children with weak muscles and this really got them going.

All the little hoppers included Ross Cain, Kayla Goslinowski, Jerod Heberer, Mitchell Heberer, Andrew Haugen, John Haugen, Nicole Herriges, Brenda Jaycox, Adrina Karoses, Michael Korth, Alex Kuehl, Tyler McElhatton, Brent Parish, Cole Roberts, Rachel Rieden, Jared Seefeldt, Karla Stoffel, Jacob Theusch and Jennie Wickland.

The top hopper for 1996 was Jared Seefeldt of Campbellsport. He will appear on the TV 6 MDA

Registration deadline: Sept. 11, 1996

Schultz - Wilson

Richard and Sandy Schultz of Kewaskum and Robert and Shelley Wilson of West Bend are pleased to announce the engagement of their children, Tricia and Rob.

The bride to be is a 1992 graduate of Kewaskum High School, and also attended UW-Oshkosh. She is presently employed with the

West Bend Savings Bank.

The future groom is a 1992 graduate of Kettle Moraine Lutheran High School, and a 1994 graduate of ITT Technical Institute. He is employed at Sensor Devices in Waukesha.

An October 4, 1997 wedding is being planned by the couple.

Bike-A-Thon Reminder

Members of the Kewaskum Junior Woman's Club invite children, students and adults to participate in a fund-raising bike-a-thon for St. Jude Children's Research Hospital on Saturday, September 14, from 9 a.m. to noon at the Kewaskum High School track for younger participants.

A road course is being developed for older participants. In case of rain, the event will be held Saturday, September 21.

St. Jude Hospital is the largest childhood cancer research center in the world. The hospital is open to children meeting medical requirements without regard to race,

religion or financial status. It is a haven of healing for stricken children, a source of hope for despairing parents and a bright beacon of light shining on the darkest of medical mysteries -- illnesses that kill or cripple helpless children. It is supported primarily by fund-raising efforts, grants, insurance and investments.

Watch your Kewaskum Statesman for further details or contact Carol Sabel at 626-4659. Sponsor sheets are available from Carol. More information will also be sent home through school.

At Bartoli's, We're All Ears! (of Sweet Corn, that is!)

Bill Lehmann Experiences a Year of Life in the Fast Lane

By Sharon Callaway Roznik

A racing fan all his life, Bill Lehmann III has spent the past year touring the country to promote the role Mercedes Benz plays as sponsors of IndyCar drivers.

Lehmann, who was raised in Kewaskum, landed a job with Motorsports International, a division of the Penske Corp., while he was vacationing in Michigan with his wife, Nicole. "I went into the job with a sort of gentleman's agreement that I would try it for a year. I took the gamble because I have always loved racing," he explains, remembering the summers he spent as a kid watching the competition at Slinger Speedway.

The IndyCar schedule includes 16 races, beginning in March and running through September, and Bill's role in the events entails driving a Mercedes Benz custom built silver Marathon coach to each race.

As clients of Motorsports International, Mercedes Benz supplies engines for eight IndyCar drivers, like Al Unser, Emerson Fittipaldi and Bobby Rahal, and the big silver coach acts as a traveling office for the race car drivers and company officials. About 26 drivers compete for the coveted checkered flags and big cash prizes, and Mercedes Benz is one of four manufacturers building engines to outfit the powerful machines, along with Honda, Ford, and Toyota.

Built in Eugene, Oregon, the vehicle is divided into three sections. The fully equipped office area includes a copy and fax machine, computer, printers, basically everything you need to issue press releases and other printed materials needed for publicity and communication between Mercedes Benz and the IndyCar scene.

The second section holds a large meeting room with a hospitality area, and the back is a garage capable of hauling two race cars. While the IndyCar drivers haul their own racing cars, the Mercedes coach acts as one of many support vehicles brought to the racing series, and needs to be ready to travel "anywhere Mercedes Benz is involved in racing."

Although the IndyCar races is the primary goal for Lehmann and

Bill Lehmann III, a native of Kewaskum, poses with the Mercedes Benz custom built silver Marathon coach he drives to IndyCar races and promotional events. Bill, who is employed by Motorsports International (a division of Penske Corp.), stopped in Kewaskum on his way to the Texaco Havoline 200 held recently in Elkhart Lake.

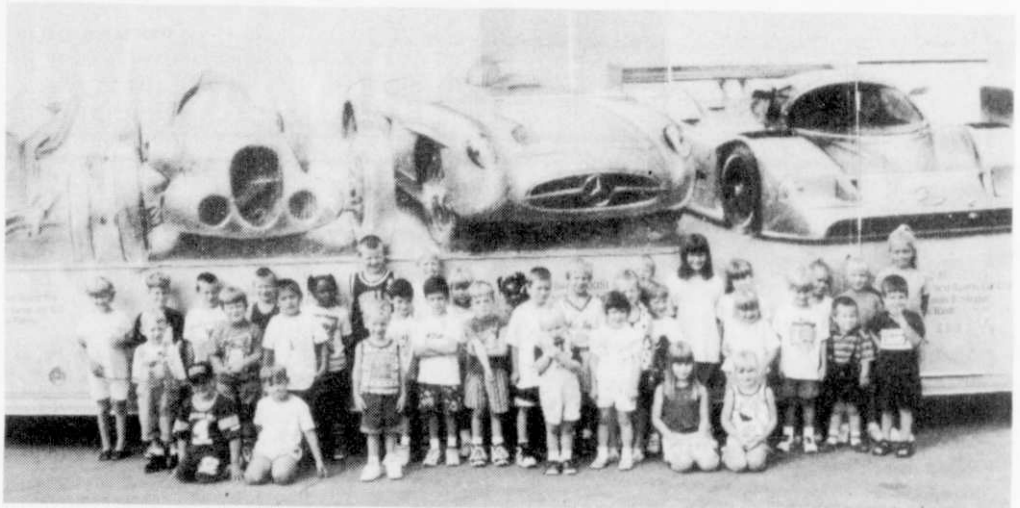

the coach, he also hauls show cars for special promotions, putting them on display at golf and tennis tournaments, like the Mercedes Championship Golfing Tournament. "I've hauled the 1995 Al Unser Jr. show car, and the International Touring Car, along with other company made equipment," he mentions, adding that next year Mercedes is coming out with its own line of mountain bikes.

During Lehmann's visit to the area last week for the Texaco Havoline 200, held at Road America in Elkhart Lake, he and Nicole spent a few days in Kewaskum with Bill's parents, Claire and Bill Jr., and treated the kids at My Little Friends Day Care Center to an inside view of the impressive coach.

From there, he headed out to Vancouver, British Columbia, and then on for another stop in Monterey, California. Sounds like the ideal life.

Sometimes, however, good things must come to an end, especially if there's even better things ahead. Bill and his wife are expecting their first child this summer, and the on the road job will be coming to an end. "It was a great experience for me. Not many people have the chance I did to enjoy the excitement, and I've seen a lot of things I would've never seen," he relates. "And it's not that I don't enjoy it, but I'm not able to do anything else."

The couple are thinking about moving from Michigan back to the

The mini-residents of My Little Friends Day Care Center in Kewaskum received a special field trip treat last week when they got to view the Mercedes Benz custom built coach driven by former resident Bill Lehmann. The children posed in front of the beautifully painted silver trailer.

Bill showed the children of My Little Friends Day Care one of the promotional Indy race cars he hauls in his job with Motorsports International.

Kewaskum area some time in the near future, where Bill will remain an avid race fan, with fond memories of the year he got to travel in the fast lane.

Theusch For Sheriff

Experienced & Principled

AN OPEN LETTER TO THE CITIZENS OF WASHINGTON COUNTY:

I have chosen to be a candidate for Sheriff of Washington County. Law enforcement has been my lifetime career and I have 24 years invested in the Sheriff's Department, including the past seven years as Undersheriff. I am proud of this service and the recognition I have received.

Throughout this campaign for Sheriff, I have not asked for an endorsement from any law enforcement agency. I considered it early in the campaign, but decided against it for the following reasons:

- I believe pressing for political endorsements creates divisions and barriers to cooperative law enforcement in this County
- I believe it is not in the best interests of the citizens of Washington County to promote divisions within individual departments or between our many law enforcement agencies

I care about keeping the citizens of Washington County safe. If elected Sheriff, I promise to provide good law enforcement that includes cooperation and communication among all our police departments.

As we approach the September 10 primary, I ask that you make an informed decision in electing your next Sheriff. I have the background and experience for the job. Respectfully, I ask for your vote in the September 10 primary and November 5 general election.

Sincerely,

Jack Theusch

"Jack Theusch has been a leader for Washington County in attempting to control costs with the addition of new technology in the Sheriff's Dept. Jack is a leader with solutions we can afford."

Don Lieven - Hartford

"After 80 years I have learned to think before I speak. Jack Theusch takes his responsibilities very seriously. He has demonstrated his qualifications which make him the logical next sheriff."

Dr. James Albrecht

"As Germantown DARE officer, I feel a kinship with how Jack sees the future for Washington County. His willingness to improve all areas of our county's efficiency of law enforcement is the key."

Jeff Smith - DARE Officer

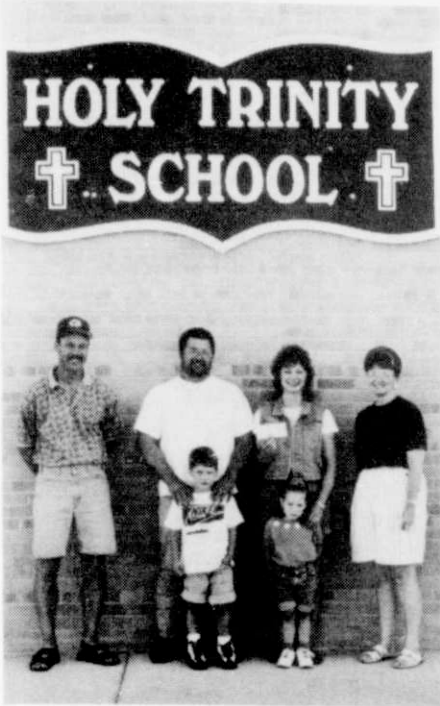

"Jack has a tremendous track record of advancement and accomplishments in the Sheriff's Dept. Common sense and integrity come to mind when I think of Jack."

Kevin Volm - Hartford

Obituaries

L.W. 'LARRY' KELLY

L. W. "Larry" Kelly, of Campbellsport was called to eternal rest on Tuesday, Aug. 20, 1996, after a courageous battle with cancer at the age of 69.

He was born on July 28, 1927, in Minneapolis, Minn., to the late John D. and Ann E. (nee McGrath) Kelly. After growing up in Whitefish Bay until his teen years, he and his family returned to Minneapolis. In 1953 he moved to West Bend and then to Campbellsport in March of 1994.

He served with the U.S. Navy in World War II, and later attended St. Thomas College in Minnesota and received specialized training in radio school. After serving several years as a radio announcer, he was engaged in the direct sale of cookware, a career which evolved into a managerial post in the direct sales division of Regal Ware Inc., in Kewaskum, and later in the company's premium division, a position he held until the time of his retirement in 1982.

Kelly was active politically on local, state and national levels and was successful in overturning legislation that negatively impacted premium sales. He was active in direct sales and premium sales organizations and served on the boards of several trade groups.

While being an accomplished public speaker, his motivational and inspirational talks were valued by business associates as well as by area Boy Scouts where he served as a mentor and teacher. He earned the respect of neighborhood children through his years of service as a volunteer tutor. His love of music inspired him to learn to play the organ in mid-life, a talent reserved exclusively for family and dear friends.

He was a lifetime member of the Loyal Order of the Moose and a past state president, and also a former member of the VFW and the American Legion.

Survivors include his loving sister, Denise Ann Kelly of Manchester, Iowa; two brothers, Donald (Edith) of Alexandria, Minn. and Abbot Timothy of St. John's Abbey and University in Collegeville, Minn., and a sister-

in-law, Clara Kelly of Eden Prairie, Minn. He was a role model to, and loved by, 17 nieces and nephews, and 36 great-nieces and great-nephews. He will also be greatly missed by two kind and caring friends, Cecelia Martin of Fond du Lac and Florence Ann Timm of West Bend.

His parents, two brothers, John and Robert (and his wife, Mary) preceded him in death.

Funeral services were held Friday, Aug. 23, with a Mass of Christian Burial at 2 p.m. at St. Frances Cabrini Church, West Bend. Interment followed in Washington County Memorial Park, West Bend.

Visitation at the church was Thursday from 7 to 9 p.m., with a prayer service at 8:45 p.m., and also on Friday from noon until the time of Mass.

Memorials may be made to St. Agnes Hospice Hope in Fond du Lac or to St. Frances Cabrini Church, West Bend.

The Schmidt Funeral Home, West Bend, served the family.

PEARL M. KRAL

Pearl M. Kral, nee Boesewetter, 90, formerly of West Bend, and more recently in Green Bay with her son, Ronald, died Tuesday, Aug. 20, 1996, at a Green Bay nursing home.

She was born Nov. 19, 1905, in West Bend, to the late Dr. Edward and Anna (nee Bingenheimer) Boesewetter. She married Kilian Kral Jan. 19, 1925, and they enjoyed 52 years together. He preceded her in death.

She greatly enjoyed spending her free time crocheting and sharing time with the children in the neighborhood. Pearl loved children, and children loved her.

Survivors include three sons, Lloyd (Lenore) of Arizona, Ronald of Green Bay, and Dennis of Appleton; four grandchildren, Kenneth Kral, Kevin (Diana) Kral, Kathryn (Jim Pollock) Kral and Kurt Kral; two great-grandchildren, Kimberly and Michael Kral; two sisters, Rose Schaefer of West Bend and "Bebs" Morris of Dallas, Texas; three sisters-in-law, "Bebs" Kral, Esther Boesewetter and Gertrude Kral; many nieces, nephews, other

relatives and close friends.

Preceding her in death were a brother, Ralph and a sister Thecla Gonnering.

Funeral services were held Friday at 7 p.m. at the Proko-Wall Funeral Home, 1630 E. Mason St., Green Bay. Rev. Robert Laubenstein officiated, and graveside services were at 11 a.m. Saturday in Washington County Memorial Park, West Bend.

Visitation at the funeral home was Friday from 4 to 8 p.m.

In lieu of flowers, a memorial fund is being established for the Salvation Army.

Kewaskum Fire and Rescue Squad Calls

Wednesday, August 21 - The Kewaskum Rescue Squad responded to a call at 10:53 a.m. to a Town of Barton business for a male patient experiencing chest pain. The patient was transported to St. Joseph's Community Hospital, West Bend.

Thursday, August 22 - The Kewaskum Rescue Squad was dispatched at 7:04 p.m. to the Town of Farmington for a male patient suffering a possible heart attack. The patient was transported to St. Joseph's Community Hospital, West Bend.

Friday, August 23 - The Kewaskum Rescue Squad was summoned at 5:51 a.m. in the Village of Kewaskum for a female patient who injured her leg. The patient was transported to St. Joseph's Community Hospital, West Bend.

Friday, August 23 - The Kewaskum Rescue Squad and Kohlsville First Responders were dispatched at 9:11 a.m. in the Town of Wayne who was injured in a fall. The patient was transported to St. Joseph's Community Hospital, West Bend.

Saturday, August 24 - The Kewaskum Rescue Squad responded to a call in the Village of Kewaskum at 6:50 p.m. for a female child who was injured in a fall. The patient was transported to St. Joseph's Commu-

nity Hospital, West Bend.

Saturday, August 24 - The Kewaskum Rescue Squad was called to assist Batavia First Responders and Random Lake Rescue at 10:14 p.m. in the Town of Scott for a motorcycle accident. A male patient was transported to Valley View Medical Center, Plymouth, for treatment of injuries received.

Monday, August 26 - The Kewaskum Rescue Squad and Kohlsville First Responders were summoned at 2:15 a.m. in the Town of Wayne for an unconscious male patient. No transport was made.

Recipe of the Month

This recipe, along with many others can be found in the new Kewaskum Junior Woman's Club red cookbook. You can find them for sale at Kewaskum Pharmacy, Kewaskum Frozen Foods, Regal Ware Outlet or by calling Karen Kletti at 334-0227.

CHERRY COFFEE CAKE

1 1/4 c. flour
1 1/2 c. sugar
1 1/2 tsp. baking powder
1/4 tsp. salt
4 Tbsp. butter
1 egg
3 tsp. milk
1 tsp. vanilla
1/2 c. flour
1/4 c. brown sugar
1/2 tsp. cinnamon
4 Tbsp. margarine
1 (21 oz.) can cherry pie filling

Combine 1 1/4 cups flour, 1 1/2 cups sugar, baking powder, salt, 4 teaspoons butter, the egg, vanilla and milk. Spread in 11 x 7-inch greased pan. Spoon cherry filling. Combine 1/2 cup flour, brown sugar and cinnamon; cut in butter. Sprinkle on top of cake. Bake at 350... for 45 to 50 minutes.

Athletics Win In Playoffs

The Kewaskum Athletics posted back to back victories over the weekend to move to the next round of the Rock River League playoffs.

The A's beat Oakfield by an 8-5 score on Saturday in a game played at Kewaskum Kiwanis Park. They followed that with a 17-10 thrashing of second place Rubicon. Kewaskum advances, along with Northern Division regular season champion Hustisford, to the double elimination round. The Southern Division representatives will be first place Watertown and playoff winner Madison LT.

A strong mound performance by Shawn Schneider, solid defense and a potent offense eliminated the Oakfield Oaks on Saturday. Schneider held the Oaks in check for eight innings before handing the ball to Ryan Hall who shut them down to notch the save.

Offensively, the Athletics were led by Curt Schroeder, Doug Gonring and Manager Dave Donath. Schroeder collected three hits (including a double and a triple), two RBI and two runs scored.

Gonring also had three hits and Donath pounded a solo homer and scored two runs. Barry Wenzlaff blasted a mammoth shot into the swimming pool for a long home run.

Kewaskum rode 18 hits and four home runs to a rousing win which ended Rubicon's Red Sox playoff hopes. Schroeder topped a red hot weekend with a five for five plate performance good for four runs scored and three RBIs. He was on base in each of his six appearances and provided an excellent defensive effort at shortstop.

Schroeder had plenty of help as Terry Koth ripped three hits including a home run good for five RBIs. Barry Wenzlaff hit a homer among his two hits to drive in three runs and score two. Doug Gonring and Greg Rinn each had two hits, two runs scored and an RBI. Ryan Hall hammered a home run and scored three times.

Jason Wiedemeyer continued an impressive string of late-season pitching performances with a strong seven-inning stint. Wiedemeyer allowed only six hits while striking out eight. In the past three weeks, Jason has picked up victories against first place

Hustisford, fourth place Oakfield, and second place Rubicon. Ryan Hall once again came in to shut the door, pitching the last two innings.

The Kewaskum A's host Southern Division champion Watertown on Saturday, August 31, at 1:30 p.m. at Kiwanis Park. On Sunday, the Athletics will travel to Madison to play Laurel Tavern. These teams, along with Hustisford, will play in a double elimination format until a grand champion is crowned.

25 Years Ago

July 23, 1971

The ninth annual Crazy Daze sidewalk sale and fun event sponsored by the Kewaskum Business Association will be held next Tuesday, July 27, from 9 a.m. to 9 p.m., with the merriment continuing well after that hour. More than 50 merchants and business places are participating in sponsoring the event, which is one of the major sales promotions and fun days in the village each year. This is the "day of daze" when special, unusual bargains galore are offered on the streets and in the stores by coop-

erating business establishments and organizations. Just about every type of merchandise will be available at reduced prices and many items at ridiculous prices. Live music will be provided, including organ music during the day with two bands playing in the evening. Brats, hamburgers, hot beef, cold sandwiches, sweet corn, popcorn and other foods and refreshments will be served all day. There will be entertainment, crazy costumes and outdoor dancing on the streets. Various churches, clubs, scouts, and organizations will operate booths and refreshment stands featuring bake sales, ice cream, homemade cakes, bread and other goodies.

The school district elections and referenda, to be voted on July 26, will provide persons of this area, between the ages of 18 and 21, with their first voting opportunity. The recent change in the U.S. Constitution makes this change possible, since that Constitutional Amendment changed the minimum voting age from 21 years to 18 years. Voting takes place between 1 and 8 p.m. in the high school cafeteria. Since voter registration is not required in any parts of our school district, 18, 19 and 20-

year-old residents, who are otherwise qualified, are automatically able to cast their ballots at the school district elections. There are a number of items to be voted on at this election, which should be of interest to all residents.

A daughter was born to Mr. and Mrs. James Hammes, Kewaskum, on July 17, at St. Nicholas Hospital, Sheboygan. They have one other daughter. A daughter was also born to Mr. and Mrs. Edward Groh, Route 3, Campbellsport, on July 20.

It was an old custom in England to draw lots for sweethearts on Valentine's Day, the person drawn being given a present, sometimes of an expensive kind, but more often a pair of gloves. The custom is said to have had its origin in a pagan practice connected with the worship of Juno on or about this day.

Resolution No. 96-18**Resolution/Policy/Procedure****ENGINEERING SERVICES FOR PUBLIC WORKS PROJECTS**

RESOLVED that the Village of Kewaskum in order to assure proper compliance with Village and State standards for sewer, water, streets, sidewalk, curb and gutter and other public works projects, and to place control of all engineering functions with the Village, a resolution/policy is to be enacted which describes the functions and responsibilities of personnel involved in these projects.

1. Effective immediately, procedures regarding sewer, water, streets, sidewalk, curb and gutter and other public works projects will be followed as stated herein, concerning methods of implementing design and construction phase of engineering services. It will be the responsibility of the Director of Public Works to carry out these procedures within the framework of this resolution/policy and be subject to the review of the Village Administrator.

2. Any deviation from this policy will be reviewed by the Village Board on a case-by-case basis, subject to their approval or rejection.

BE IT RESOLVED that the procedure for the design engineering services is as follows:

1. **Private Developments on Public Projects.** A. All public works projects constructed in conjunction with developments that are undertaken by a private developer are subject to the design standards and practices set forth by the Village. All design work associated with any public works project will be developed by a suitable design engineering firm hired by the developer and approved by the Village Board. In approving the design engineering firm the Village Board shall give first consideration to the engineering firms designated by the developer.

B. Upon completion of the design engineering work, two sets of plans and specifications will be sent to the Director of Public Works to be forwarded to the Village Engineer for review, comment and approval. A minimum of two copies need to be provided, plus a compatible computer disk upon completion of said work to be used to integrate the plans into the Village overall system. (The disk shall be in a format acceptable to the Village's computer system). Proposed changes to these documents can be presented to the design engineer and developer. If the design engineer or developer wish to appeal said suggested changes they may contact the approving Village Engineer directly. If said change is not agreed to, the design engineer and/or developer may appeal the matter to the Village Board. Where such change is not in compliance with the Village and State standards the matter will be considered irregular, and will not be considered by the Village.

2. **Village Funded Projects.** A. All public works projects constructed for or by the Village, with Village funds are subject to design standards and practices set forth by the Village and State Standards.

B. The design work associated with such a project should be accomplished by the Villages Engineer authorized and hired to perform said work.

BE IT RESOLVED that construction related engineering services shall be provided as follows:

1. All public works projects, privately financed, will require complete construction phase engineering services as set forth by the Village. These services will include, but aren't limited to project administration, full time resident engineering inspection, utility coordination and providing complete and accurate "as built" drawings of all work. Full time resident engineering inspection is defined to be placement, alignment, testing, back filling as required by State Statutes or other applicable laws, or any other task determined by the Director of Public Works

and/or Village Engineers to be required.

The resident inspector will have complete authority over the project and will preside over all project meetings as directed by the Director of Public Works.

BE IT RESOLVED that the coordination of services is as follows:

1. Design Engineering. All design engineering work shall be carried out with complete study and reference to other existing and planned utilities and street patterns. Particular attention shall be paid to coordination with Village of Kewaskum Water and Waste Water Pollution Utilities to accommodate existing and proposed water and sewer mains, structures and other improvements.

Upon completion of utility work plans and specifications, copies shall be sent/provided to the Water and Water Pollution Utilities for review and comment.

2. Construction Related Engineering. In cases where concurrent construction with the Village's Utilities construction occurs, coordination with the Village Utilities shall be required. Where practical, the resident inspector shall work with the utilities to provide reciprocal assistance and avoid redundancy of efforts. Where conflicts arise, both private and public managers and the Director of Public Works shall be informed immediately.

BE IT RESOLVED that payment for services is as follows:

1. For those projects undertaken by a private developer, all engineering related costs, including review, comment, inspections and approval performed by a private engineering firm will be paid by the developer. When the Village Engineer is used as reviewing agent, the engineering firm will bill the Village and the Village will in turn bill the developer, plus an amount equal to one (1%) percent of the engineering bill to cover coordination and other related costs incurred by the Village with respect to the project. Individual payments by the developer to the Villages Engineering Firm will not be allowed. All engineering related documents, plans, specifications, etc., will become the property of the Village. Request for copies of the documents should be made through the Director of Public Works and/or the Village Administrator.

PASSED, ADOPTED AND APPROVED this 19th day of August, 1996, by the Kewaskum Village Board.

RESOLUTION 96-19

BE IT RESOLVED, by the Village Board of the Village of Kewaskum, Washington County, Wisconsin, that the Clerk/Treasurer shall place upon the present (1996) tax roll for collection, all accounts of all departments of the Village of Kewaskum which are delinquent on October 1, 1996.

Dated this 19th day of August, 1996.

Village Board Meeting Minutes

Regular Meeting
August 5, 1996
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. All Trustee Members were present. (Trustee John Kenworthy arrived at 8:12 p.m. directly from the Library Board meeting.) A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee David Goeden and unanimously carried by voice vote, the minutes of the July 15, 1996 meeting were approved as printed.

President Robert Wagner opened and read the bids received for the small utility truck, with a dump box as follows:

Bob Fish GMC, Inc., West

Bend, WI - \$21,600.

Kewaskum Chevrolet-Geo, Inc., Kewaskum, WI - \$22,850.
Abhold's Garage, Inc., Mt. Calvary, WI - \$23,575.

On a motion by Trustee Warren Dums, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the Board turned the bids over to the Director of Public Works for review and a recommendation.

One bid was received for the removal of the building located at 140 Main Street from Fleischman Excavating, Inc., Lomira, WI at a cost of \$11,328. On a motion by Trustee Harry Roecker, seconded by Trustee Warren Dums, and unanimously carried by voice vote, the Board turned the bid over to the Director of Public Works for review and recommendation.

Assistant Fire Chief Mark Herring presented the June 1996 monthly report:

Fire calls - 1, Year to date - 16; Jaws of life - 3, Year to date - 15; Rescue calls - 18.

Rescue of Police Richard L. Knoebel presented the June 1996

monthly report:

Criminal arrests - 35,
Criminal investigations - 69;

Traffic warnings - 134,
Traffic citations - 41;

Adult arrests - 21, Juvenile arrests - 22;

Property stolen - \$537,
Property recovered - \$3;

Parking warnings - 15,
Parking tags - 5.

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the Board authorized the use of the VALUE bid program for the purchase of the replacement squad car for 1997.

Chief of Police Richard L. Knoebel informed the Board that at the Wisconsin Chief's Conference in Waukesha, WI, Police Officer Thomas Bauer will be recognized and be one of three officers statewide to receive an award. This action is in reference to Officer Bauer assisting a young child pinned under a vehicle.

Director of Public Works, Jerry Gilles introduced Mr. Timothy Cummens, P.E. of CTW Corporation. Mr. Cummens explained what has been completed in reference to well #3 to gain the lost volume of water. Alternatives for future work on the well were reviewed as well as cost estimates. The Board has a few options as follows:

1) Do nothing additional with the well and have our flow remain at 180 to 200 gallons per minute. (no cost).

2) If option one is used then a new water supply will be needed for more volume which would require a new well, pump house and equipment. (cost estimated to be \$500,000).

3) To redrill closed 60 feet of well and install a screen type liner. (cost estimate \$10,000 to \$12,000)

4) To redrill and install smaller steel casing, which would reduce flow from original 400 gallons per minute, but hopefully improve from declined amount. (cost estimate in excess of \$50,000).

On a motion by Trustee Gary Gavin, seconded by Trustee John Kenworthy and unanimously carried by voice vote, the Board authorized proceeding with option #3 with CTW, evaluating the situation after each step.

Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Review of budget control sheet for June 30, 1996. The time for receipt of the different revenue funds was again explained to the Board.

2) Review of Taxpayer and League bulletins.

3) Announcement of the Mid Moraine Municipal Association meeting of August 28, 1996.

4) A review of the Village of Kewaskum's property tax status in comparison to the rest of the Villages and other municipalities from the state. It was noted that the Village was 303 of 394 Villages in the state that the state average for villages was \$27.06 while the Village of Kewaskum was at \$24.34 and the state per capita for just the municipal tax was \$257.50 while the Village of Kewaskum was at \$165.71.

Administrator Daniel S. Schmidt reviewed the Administrative (Continued on Page 16)

Minutes

(Continued from Page 15)

Committee. The first was for Land and Control Survey - Digital Topographic Mapping as requested in 1993. The total cost of the project was \$94,929.00. The Village applied for and received grants to cover a portion of said work as follows: Wisconsin Land Information Board Grant \$40,000 and Register of Deeds \$27,464.50. This left a balance of \$27,464.50 being owed by the Village.

On a motion by Trustee David Goeden, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	163,297.95
Sewer	51,176.16
Water	48,418.75
Payroll	<u>38,761.58</u>

TOTAL 301,654.44

P/R Ck. #6783 - #6868
A/P Ck. #11119 - #11276

Administrator Daniel S. Schmidt reviewed the proposed Mid-Moraine Municipal Court budget for 1997. The budget as proposed reflects an increase of 3,767 or 2.6%. The Village of Kewaskum's portion increased \$161 or 2.4%. The Court system was explained to the Board.

Chairman of the Protection and Public Safety Committee, Trustee Harry Roecker brought up for discussion the request to place a stop sign at the intersection of Lazy Lane and Memorial Drive. (traffic signs to be placed on Memorial Drive). The alternative was the placement of "Slow Children" signs. Four area residents were in attendance and shared their feelings with the Board, that being in favor of stop signs on Memorial Drive. It was noted that 40 children from 0 to 18 live on Memorial Drive or 29 children under 12 years old. The Board directed the Police Department to review the matter and ask to place the topic on the August 19, 1996 agenda.

Chairman of the Park and Recreation Committee, Gary Gavin announced a committee meeting for August 19, 1996 at 7:00 p.m. to begin work on the 1997 budget.

Chairman of the Park and Recreation Committee, Gary Gavin also gave a report on swim activity at the KKCP as follows:

1) Swim lessons were down from 141 in 1995 to 132 in 1996 or down by 6.3%.

2) Tennis lessons were down from 18 in 1995 to 13 in 1996 or down by 27.7%.

3) Swim pass sales are down from 553 in 1995 to 438 in 1996 or down by 20.7%.

4) Swimming attendance for June was down from 4,211 in 1995 to 2,348 in 1996 or down by 44.2%.

5) Swimming attendance for July was down from 4,024 in 1995 to 2,136 in 1996 or 46.9%.

Board Representative for the Plan Commission, Trustee David Goeden reported that a Commission meeting was held on July 30, 1996 and that the new Commissioner Theodore Meilahn was welcomed. Also Rick Kania of SEWRPC was present to continue discussion on the Land Use Plan.

Board Representative for

the Library Board, Trustee John Kenworthy reported that the circulation for the month of July was the second highest ever at 5,200. He also shared a letter complimenting the Library on their summer program, "Razzle Dazzle Read."

Administrator Daniel S. Schmidt informed the Board that an ongoing problem with the new Sludge Storage Facility has led to an impasse and that the Village is more than likely at the point when the Boards needs to consider hiring an Attorney to pursue legal action in reference to corrective matters and the performance bond. The Board agreed and the Administrator is to include such action on the next agenda. (the main problem is leakage in reference to the liner)

On a motion by Trustee Gary Gavin, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board authorized the purchase of the small utility truck with dump box as bid to the low bidder Bob Fish GMC, Inc., West Bend for \$21,600. This was recommended by the Director of Public Works after review. It was noted that the bids came in \$5,700 under what was budgeted.

On a motion by Trustee Warren Dums, seconded by Trustee John Kenworthy and unanimously carried by voice vote, the Board authorized issuing the contract for the removal of the building at 140 Main Street as bid to Fleischman Excavating, Inc., Lomira, WI at \$11,328. This is as recommended by the Director of Public Works.

Discussion regarding a storm water/drainage area concern, both financial and liability

concerns took place. Options to an alternative of the placement of sidewalk versus a bridge along with the fencing of the area were discussed. Three different types of fencing have been looked at with varying cost. On a motion by Trustee Robert Stoltzmann, seconded by Trustee Warren Dums and carried by the majority voice vote, the Board authorized the installation of sidewalk around the open area with fencing. It was further noted that an easement would be needed and the Administrator should discuss the type of fencing with the neighbors. The estimated cost of said project is \$3,400. Trustee David Goeden voting "Nay."

The consensus of the Board was to place for consideration on the agenda a resolution on engineering services for public works construction projects. It was noted the Administrator should include something in reference to the over sizing of mains and the use of the Village Engineers.

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the Board changed the September meeting dates to September 9 and 23, 1996 because of Labor Day falling on Monday, September 2, 1996.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee David Goeden and carried by the majority roll call vote, to adjourn. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent."

TOWN OF WAYNE ORDINANCE NO. 96-9

AN ORDINANCE TO REPEAL AND RECREATE PROVISIONS OF THE TOWN ZONING ORDINANCE

Ordinance to repeal and recreate Zoning language of the TOWN OF WAYNE, Washington County, Wisconsin.

WHEREAS, the Town Board initiated the within changes to the language of the Town Zoning Ordinance; and

WHEREAS, a public hearing was duly held; and

WHEREAS, the Town Planning Commission made its recommendation on said Zoning language changes; now therefore

THE TOWN BOARD OF THE TOWN OF WAYNE, WASHINGTON COUNTY, WISCONSIN, DOES ORDAIN THAT THE ZONING ORDINANCE BE CHANGED IN THE FOLLOWING RESPECTS:

Section 1. Section 1.10(b) is repealed and recreated to read:

1.10 (b) Farms operated for the raising of crops, for the keeping and raising of livestock, for dairying, fish farming, fish hatcheries, wholesale greenhouses, nurseries, orchards, truck farms, poultry raising (with or without egg production) under 1,000 birds and live stock operations under 300 head.

Keeping and raising of livestock and poultry shall further be limited as follows on lots which are 10 acres or less in area:

(1) No more than one (1) horse, cow, sheep, or goat, over six (6) months of age, shall be kept for each one & one-half (1 1/2) acres; or

(2) No more than five (5) chickens, ducks, turkeys, or geese, over two (2) months of age, shall be kept for each acre; or

(3) No more than eight (8) rabbits, over two (2) months of age, shall be kept for each acre.

(4) The keeping of raising of hogs or fur-bearing animals, except rabbits, is prohibited.

(5) Combination of the above shall be apportioned to the total acreage and the Zoning Administrator shall determine the total number of animals allowed.

All other animals that are not defined as livestock pursuant to Section 1.48(46) shall be considered a Conditional Use under the provisions of Section 1.26.

Section 2. Section 1.48(46) is repealed and recreated to read:

Livestock: Domestic farm animals defined as cows, horses, sheep, hogs, goats, or rabbits; and poultry defined as chickens, turkeys, geese, or ducks.

Section 3. This Ordinance shall become effective the day after publication as provided by Wisc. Stats, Sec. 60.80.

Passed and adopted by the Town of Wayne, Washington County, Wisconsin, this 21st day of August, 1996.

TOWN OF WAYNE ORDINANCE NO. 96-11

AN ORDINANCE TO REPEAL AND RECREATE PROVISIONS OF THE TOWN MINOR LAND DIVISION ORDINANCE

Ordinance to repeal and recreate Minor Land Division language of the TOWN OF WAYNE, Washington County, Wisconsin.

WHEREAS, the Town Board initiated the within changes to the language of the Town Minor Land Division Ordinance; and

WHEREAS, a public hearing was duly held; and

WHEREAS, the Town Planning Commission made its recommendation on said Minor Land Division language changes; now therefore

THE TOWN BOARD OF THE TOWN OF WAYNE, WASHINGTON COUNTY, WISCONSIN, DOES ORDAIN THAT THE TOWN LAND DIVISION ORDINANCE BE CHANGED IN THE FOLLOWING RESPECTS:

Section 1. Section 3.03 is repealed and recreated to read:

3.03 MINOR LAND DIVISION NOT REQUIRING A CERTIFIED SURVEY MAP Divisions of land creating lots of parcels greater than ten (10) acres in area shall be required to submit a plat of survey completed by a registered surveyor to the Town for review and approval.

The plat shall include the entire parcel from which the lot division(s) is extracted. This section does not apply to sales or exchanges of parcels of land between owners of adjoining property which do not create additional lots or result in the reduction of any lot below the minimum size required by these regulations, the zoning ordinance or other applicable laws, codes, or ordinances. Divisions of land that are not reviewed and approved shall be voided and the deed resulting from the division shall not be eligible for recording. The subdivider shall prepare the Plat of Survey in accordance with this ordinance and shall file twelve (12) copies of the map and the letter of application with the Town Zoning Administrator at least seven (7) days prior to the meeting of the Town Plan Commission at which first consideration is desired.

- A. A Pre-application Conference as suggested in Section 3.01 of this Ordinance is recommended
- B. The Town Zoning Administrator shall receive the formal filing of a Plat of Survey and transmit copies of the map to the Town Plan Commission.
- C. The Town Plan Commission shall review the map for conformance with this Ordinance and all Ordinances, rules, regulations, comprehensive plans, comprehensive plan components, neighborhood plans and other planning tools.
- D. The Town Plan Commission shall, within 60 days from the date of filing of the Plat of Survey, recommend approval, conditional approval or rejection of the Plat of Survey, and shall transmit the Plat of Survey along with its recommendations to the Town Board.
- E. The Town Board shall approve, conditionally approve (and thereby require resubmission of a correct plat) or reject such Plat of Survey within 90 days from the date of filing of the Plat of Survey unless the time is extended by mutual written agreement with the subdivider. If the Plat of Survey is rejected, the reason shall be stated in the minutes of the meeting and a written statement forwarded to the subdivider. If the Plat of survey is approved, the Town Board shall cause the Town Clerk to so certify on the face of the original Plat of Survey.
- F. All fees applicable to Minor Land Divisions requiring a Certified Survey map shall be incorporated by reference.

Section 2. The provision of Section 1 hereof shall not apply to:

(A) Such minor land divisions which were submitted to and considered at a Plan Commission meeting prior to August 30, 1996.

Article 3. This Ordinance shall take effect the day after publication as provided by Wisc. Stats. Sec. 60.80.

Passed and adopted by the Town of Wayne, Washington County, Wisconsin, this 21st day of August, 1996.

Mark Strobel, Chairman
Leander Herriges, Supervisor
Mark Pamperin, Supervisor

Double Notification Sent to Some Hunters!

Early last week, a large number of area hunters received their Bonus Antlerless Permit Notification and their Hunters Choice Permit.

It arrived as a tri-fold piece of heavy paper, 8-1/2 by 11 inches. A good number of hunters received two of these pieces of paper. This was an error! The printer accidentally printed up duplicate Bonus Notifications and Hunters Choice Permits.

If you are one of those that received duplicates all you need to do is to toss one out. The two are identical so it does not matter which one you toss. After that, follow the instructions for a Bonus Antlerless Permit, if wanted, and hold onto your Hunters Choice Permit. If this did happen to you and you already sent in both of the Bonus Notifications give the Mauthe Lake DNR Office a call and they will advise how to take care of it.

Another problem that has showed up for some archery hunters that did not apply for a Bonus Tag with a gun license number. Those archery hunters have received their notice to purchase a Bonus Antlerless Permit along with a Hunters Choice Permit.

A Hunters Choice

HON-E-KOR C.C. TUESDAY NITE MEN'S LEAGUE 8-20-96

TOP TEAMS THIS WEEK: Northern Moraine Auto Body-5; Rookies - 5; Regal Ware 2 - 5; Regal Ware 1 - 5; Sentry Mixers - 5; Berndt's Inn - 5; LR Divot Diggers -3; Driving Range -3; Prime Time Pub -3.

LOW GROSS: Craig Anderson & Tom Neal - 35; Jim Korth & Jim Dean - 36; Clark Pearson & Tim Taylor - 37; Pete Kostelac & Tom Timblin - 38.

LOW NET: Carl Kircher - 28; Ed Miller, Jim Dean, Rich Schuetz, Marvin Schmidt & Tom Neal - 30. Scott Leitheiser, Dave Boyd, Tim Taylor, Ron Wilcox, Clark Pearson & Jim Korth - 31.

LOW TEAM NET: Sentry Mixers - 129.

HIGHLIGHTS: Cy Wietor and Gary Curreri won the special events. Birdies: Craig Anderson - (2); Tim Taylor - (2) & Clark Pearson - (2).

Permit is not needed to take a deer of either sex with the bow. So those archery hunters who applied for a Bonus Tag and received a Hunters Choice Permit should just toss the Hunters Choice Permit out for it is not needed and does not allow you to shoot an extra deer.

So far I have received about 50 calls from area hunters you have recognized a problem with their notification. If you have any questions on this topic or any other feel free to contact me.

The Electoral College system of electing U.S. presidents has allowed three candidates to become president whose closest opponents received more popular votes—John Quincy Adams in 1824, Rutherford B. Hayes in 1876 and Benjamin Harrison in 1888.

Flag Football Begins 8th Season

The Kewaskum Youth Athletic Association will be once again sponsoring for the 8th year, flag football for Kewaskum's area youth.

If you are in the 6th, 7th, or 8th grades you are eligible to play.

Sign up sheets will be available at Kewaskum Middle School, Holy Trinity and at St. Lucas on the first day of school.

Anyone interested must attend a required organizational meeting on August 29th at 6:30 behind the elementary school on the old football field. This meeting is to select teams and the coaches set practice schedules. Please attend.

A \$5 sign up fee is required and all proceeds go to supporting youth programs.

The Kewaskum Youth

Athletic Association will be looking for volunteers to work the concession stand, referee, help coach, and even run the down markers. We need these volunteers to help continue to make this program grow and to be successful.

Any questions please contact Dean Scheel at 414-626-4600.

See everyone on August 29th.

Thomas Kudek, owner

New Head Coach Perry Koth Opens Non-Conference KHS Football Season Here Friday Under New Lights

New head football coach Perry Koth welcomed 115 players for the first day of summer football practice, including 35 juniors and seniors.

Koth is replacing Clark Pearson who resigned to take the principal job at the Kewaskum Middle School. While it looks like there will be plenty of players to choose from, the number of experienced players will be minimal.

Ten of the eleven starters on offense were lost to graduation and eight of the eleven on defense. On offense, lone starter senior Jeff Heller returns at his left tackle spot, while seniors Eric Kopecky (strong safety), Brian Prom (defensive line), and Tim Bunkelman (defensive line) return on the defensive side of the ball.

Kevin Martin is returning after having started at quarterback for two games last year when Brian Butschlick was injured. With the open positions you would think that there would be a lot of competition for the spots, but according to Koth, he just hasn't seen it happening thus far.

"The biggest disappointment so far has been the lack of competitiveness in practice," said Koth. Koth is particularly disappointed in the juniors who seem to have conceded the starting spots to the seniors. "I really thought that there would be five or six juniors starting for us this year. The talent is there, but they haven't stepped forward and earned those spots yet," he added.

On Friday, August 30, the Indians will open their season with a home nonconference game at 7:30 p.m. against Campbellsport. This will mark the first time the Indians will play a home night game since 1994, thanks to the Indian Booster Club, which raised enough money to purchase the lights for the field.

Although at the time of the writing of this article, the starting lineup for Friday's contest was not determined, the following players seem to have the edge at this point in time. It looks like Jason Barrett, Dan Jeserig, and junior Ryan Rammer are fighting it out for the two wide receiver spots.

On the offensive line,

seniors Jeff Heller (LT), Brian Prom (LG), Bruce Gundrum (C), Tim Bunkelman (RG) and Mike Danielson (RT) have been working with the first group, but Kasey Brath, Jon Eckes, Matt Gundrum, Mike Smith and Joe Thull did some good things in the scrimmage last Friday against West Bend East and West.

It will be junior Ryan Martin starting at the tight end spot. "Ryan has had some very good practices and I am impressed with the way he can catch the ball," said Koth. Martin, who stands 6'3" and weighs 220 pounds, not only catches the ball well, but should be an excellent blocker.

Sean Cotter made a real nice catch during the scrimmage and may be used in two tight end situations. At the running back spot, senior Eric Kopecky will start at one of the spots, while juniors Jim Kopecky and Tim Vetter will be fighting for the other spot.

Koth was particularly impressed with Vetter's all-around play in the scrimmage and he may have the edge for the second spot.

At quarterback, strong-armed Kevin Martin will be starting while senior Dan Jeserig has moved into the number two quarterback spot after an impressive outing in the scrimmage with the second offense.

The defensive players starting in Friday's contest will be greatly affected by who is starting on the offensive side of the ball, so it is too early to name any starters.

Some players who have the best chance of starting are: juniors Kasey Brath (DL), Sean Cotter (DE), Jon Eckes (LB), Jim Kopecky (LB), Ryan Rammer (CB), Tim Vetter (SS), and Troy Staehler (FS).

Seniors who may start are: Jason Barrett (CB), Chad Homuth (DE), Dan Jeserig (CB), Nate Judnic (LB), Erik Kopecky (SS), Mike Smith (DL), Dan Zuehlke (DL), and Adam Sweder (DB).

The Indians will be using a different offense than what they have used in the past. They will be using a "pro set" and may mix in a little of the I formation from time to time. Defensively, they will be in either a 5-2 or 4-4 defense.

While the Indians will have a lot of changes in player personnel, they

also will have some new looks from the coaching staff. After having coached the defensive unit for 16 years, Coach Koth has decided to become the offensive coordinator. While he expects the first few games to be a learning experience for himself, he feels that his experience coaching on the defensive side of the ball will be a positive asset when he plans his offensive strategies.

"I understand what defenses are trying to do and the responsibilities of each player. If I take that knowledge and transfer it to the offensive side, we could be successful," said Koth.

Moving into the defensive coordinator's spot will be Randy Westerman who was one of the freshman coaches last year. Dave Rockhill will remain with the JV team and will be the receivers coach for varsity. Joining Rockhill will be Joe Kinney, moving up from the frosh team. Joe will be the linebackers coach

at the varsity level.

The freshmen will have three new coaches this year, led by Rick Schlehlein. Rick has been the West Bend East varsity head coach for the last seven years. Rick will also coach the quarterbacks and will be in the pressbox helping Koth with the offense.

The other two coaches are former KHS graduates and football players who played together on the championship team that went to State in 1983. Chris Harlow and John Swanson will be working with the freshmen, as well as being the

running backs and line coaches.

Having each of the coaches in the program be responsible for a position is something new this year and according to Coach Koth it is working out very well. "I have been impressed with the enthusiasm and knowledge of all the coaches this year," said Koth. Any way you look at it, there are a lot of changes going on with the KHS football team this year.

According to Koth, the expectations are very high this year, but there are a lot of things to fix before the first game.

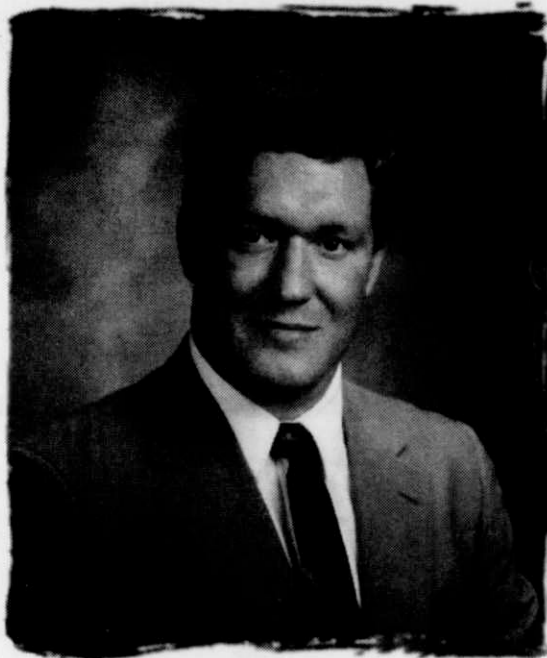

Thank You
