Village Board Breezes Through Light Agenda

By Lana Harbeck Kuehl

Village Board President Robert Wagner breezed through an extremely light agenda Monday evening before the dust even had a chance to settle and the seats got warmed up.

A report by department heads opened the meeting. In the absence of Assistant Fire Chief Mark Herriges who was called to a minor fire just prior to the meeting, Police Chief Richard Knoebel stated he also had nothing to report.

Director of Public Works Jerry Gilles reported on water main breaks on Riverview Drive, Clinton Street and Meadow Lane. Curb stops were also repaired on Forest Avenue and at Clinton Street with another on Hillside Road scheduled for repair this week.

Gilles also reported on the 18th of January the street lights on the east side of Fond du Lac Avenue failed and his crew was able to restore all but four lights. These four lights of the village, from the fire house north to the Sylvester Keller residence aren't operating.

Gilles added this past Saturday two lights that had been restored failed, but they (his crew) had replaced a connector and these lights are now back on.

Trustee Bob Stoltzmann asked Director Gilles if the water main breaks on the corner of Meadow and Clinton were a trouble spot that the Village should look into replacing.

Gilles explained during repair his crew found a concrete block six inches away from where it had broke the pipe. He assumed the block was used to block it up when the pipe was installed and was never taken away. They removed it but Gilles stated from what he understands, that's been a bad pipe even after installation and he definitely felt it was a good candidate for replacement.

Trustee Stoltzmann asked, "Are there any water mains scheduled for replacement?"

Gilles stated, "The one that is probably the worst in my opinion in town would be Riverview Drive. There's been numerous breaks along the entire length of that over the years and portion of that pipe are thin. I'd say that's the worst

piece. It's got real bad soil conditions out there and it has a history of alot of breaks. I guess it depends on how the community grows."

Gilles added, however, "At this point in time, we do not have any water main replacements scheduled."

Village Administrator Dan Schmidt gave an update on tax collection, stating, "Out of our 1,086 real estate tax bills that we sent out, all of them have made a payment, with the exception of 35, as of this afternoon, but we'll probably still get a couple of them in the mail. So that's down to about 3.2%."

Schmidt added dollar wise, the village is about 1/2% better than last year in dollars and cents and he felt that was attributable to the fact the village had lowered their tax rate substantially.

In reference to the personal property tax, Schmidt stated the village had 99 of those, of which only seven were delinquent as of Monday afternoon. Those seven will receive a letter from the Village, and after that process they would be brought back to the board who would turn them over to the village attorney.

During Committee Reports, under Protection and Public Safety, Police Chief Richard Knoebel brought up that a drug sweep was held at the high school last Thursday at the request of the school. It was coordinated by the Kewaskum Police Department with assistance from the Washington County Multijurisdictional Drug Unit and the canine units from West Bend and Ozaukee County.

Knoebel stated, "We did the high school and the parking lots. We didn't find any drugs. Not saying they weren't there, but where we looked, they didn't come up with anything."

President Wagner asked, "Is that in lieu of recent problems up there?"

Chief Knoebel answered, "No, we had been planning this before that already."

Trustee John Kenworthy asked, "Have you done this sort of thing before up there?"

Knoebel stated, "Since I've been in, this is the fourth time I've done it. It's more or less to let them realize that we are keeping an eye on them."

During the Library

Board Committee Report, Trustee Kenworthy made notice that librarian Nancy Bauer had submitted her resignation effective February 19.

Trustee Kenworthy stated discussion was held on what would be done to search for a new candidate and what would be done in the interim. He said, "It's unfortunate timing, with the automation being right around the corner and now we'll have to put that on hold for awhile." Kenworthy added all the projects they had going on "would be pretty much in limbo."

Trustee Kenworthy said ads would be placed in various newspapers in search of a qualified candidate but the chance of getting someone in before the 19th was pretty slim.

The meeting adjourned at 8:27 with board members stating this was probably a new record.

Food Donor Wins TV

WEST BEND -- During the month of December, West Bend Savings Bank locations collected over 1250 pounds of food for area full shelf food pantries. All donated non-perishable food items were then distributed to each branch location's local food pantry.

As part of their collection of food items, West Bend Savings Bank offered their customers who donated, the opportunity to register to win a 19" colored television.

Mrs. Marion Muckerheide of Kewaskum was the name drawn from the over 1,800 who participated.

A special thank you to all West Bend Savings Bank customers who donated food items. It is their generosity and thoughtfulness that makes Washington County such a great place to live.

Town of Farmington to Celebrate 150th Birthday

St. John's Catholic Church located just east of the intersection of Highways 28 and 144, is just one of the historical and cultural landmarks in the Township of Farmington now celebrating their 150th birthday

Happy birthday to Farmington Township!

On February 11, the township of Farmington, which at one time was also called Clarence, turns 150 years old. To begin the sesquicentennial year, community members are planning a birthday party at Farmington Elementary School on February 11.

Students and staff members will enjoy a birthday cake and receive "birthday cards" with a brief history of the township. It will build on last November's slide show which introduced students to the wonderful history of the township.

Additional commemorations of the township's 150th birthday will take place throughout the year.

One of the means of funding the celebration is through a sale of the award-winning book, A Walk Down Memory Lane, a warm, delightful look at the township's rich heritage. The book is available at Main Street Crafts, the Kewaskum Veterinary Clinic, and Marshall's Country Corner in Boltonville.

For more information, or to help with any of the celebrations, call Mrs. Lisa Lickel at 692-2135.

Kindergarten Registration

This year's annual "round-up" for the parents/guardians of all prospective kindergarten pupils in the Kewaskum School District will be held on Monday, February 24, from 8:30 a.m. to 4 p.m. and 4:30 to 7:30 p.m. to accommodate those unable to come during the day. Registration will again be held on Tuesday, February 25, from 9 a.m. to 3 p.m. only.

All registration will take place in the Farmington, Kewaskum and Wayne school offices. Please register your child at the school in your area on one of the above days. It is not necessary to bring the child while registering.

To be eligible for enrollment in kindergarten, children must have attained their fifth birthday on or

before September 1, 1997. Evidence of date of birth, either a birth certificate or baptismal certificate, must be brought to the office at the time of enrolling. Parents will need their child's social security number as well.

Parents will register their children for next year's term and be given the necessary health forms. If you know of any new families in this district, please pass this information on to them.

Director of Elementary Education Kieth Kriewaldt stated, "I should like to impress upon you the importance of registering your child on either of these two days, so that we may plan for them and know staff requirements for next year."

Kewaskum Police Dept. Supports Bank's Efforts to Reduce Robberies

The Kewaskum Police Department is pleased to announce its support for the Wisconsin Bankers Association's (WBA) Robbery Reward Program. The reward fund offers up to \$1,000 to anyone for the identification, arrest and charging of a person wanted in connection with a bank robbery or other crime committed at a bank location, including automatic teller machine (ATM) sites.

"We applaud the WBA and its establishment of this program," says Chief Richard Knoebel. "It's an important signal that banks are taking the necessary steps to fight these crimes and to ensure the safety of their customers and staff."

Harry J. Argue, Executive Vice President of the WBA, says reward programs have proven to be both an effective crime deterrent and excellent incentive for someone with pertinent information to come forward. "With 127 bank robberies, 1996 was a record year for bank robberies in Wisconsin," Argue says. "We hope this program will help reduce those numbers in 1997."

With more than 80% of

all bank robberies apprehended, Argue noted that Wisconsin law enforcement and the FBI should be commended for doing an excellent job putting these criminals behind bars. "The WBA works in close cooperation with law enforcement to reduce the likelihood of injury during a robbery or

other bank crime," he says.

"Banks have a strong commitment to the safety of their customers and employees," says Argue. "With the help of the FBI and other law enforcement agencies, the reward fund has been a great success."

In the Service

Marine Pfc. Ben M. Matthies, son of Howard H. Matthies of Adell, recently completed basic training at Marine Corps Recruit Depot, San Diego, California.

Matthies successfully completed 11 weeks of training designed to challenge new Marine recruits both physically and mentally.

Matthies and fellow recruits began their training at 5 a.m., by running three miles and performing calisthenics. In addition to the physical conditioning program, Matthies spent numerous hours in classroom and field assignments which included learning first aid, uniform regulations, combat water survival, marksmanship, hand-to-hand combat and assorted weapons training.

Matthies and fellow recruits worked as a team to solve a number of tactical problems during the program. They performed close order drill and operated as a Marine small infantry unit on the field.

Matthies and fellow recruits also received instruction on the Marine Corps' core values -- honor, courage and commitment, and what the words mean in guiding personal and professional conduct.

Matthies joins 41,000 men and women who will enter the Marine Corps this year from all over the country.

He is a 1996 graduate of Kewaskum High School of Kewaskum.

Wayne Art Class Makes Quilt of Township History

In front of the finished quilt they helped create are fifth graders (from left) Kristi Asmondy, Shannon Dwyer and Brittany Burdick.

Before students started on their actual quilt squares, they drew up the design. Here, third grader Luke Artymiuk holds up his "horse-drawn cutter."

Fourth grader Kaitlyn Ogi looks up from stitching her square about "blacksmith tools."

When the Art Enrichment class at Wayne Elementary School started, it was an accomplishment for the students to just thread a needle.

By the time they were done, however, that was just one of the many accomplishments in the creation of a beautiful quilt to commemorate the Township of Wayne's 150th birthday.

As the class project in the "Art Enrichment" program at Wayne Elementary, the twelve students created a quilt for the township's 150th birthday (in 1998), based on the history, the features, and the lore of the Township of Wayne.

The idea was presented by Town of Wayne official, and longtime resident, Orville Kern. Mr. Kern inquired if Wayne Elementary might like to prepare a banner of some sort to com-

memorate the important occasion. He envisioned a piece able to be included in Town celebrations and possibly displayed at the Town Hall at 6030 County Trunk H.

After Mr. Kern spoke to the class, the ideas for what to depict on the quilt squares literally poured from the students.

Ideas ranged from one-standing buildings like the post office and a sawmill to features of the Township, including farming and the Theresa Marsh to the lore that a large gold nugget was once found within the township. Each of the twelve students designed and adorned a square of their choosing -- through painting, ironing applique and stitching in the words depicting the square's fea-

ture.

Under the guidance of Mrs. Peggy Henke, art instructor/advisor for the Art Enrichment Class, and with an enormous amount of help from Wayne Elementary parent, Mrs. Nancy Stoffel, the quilt/banner began to take shape. It was completed recently as the group's fifth graders finished the quilt's tying.

Plans are for the quilt/banner to be officially presented to the Township of Wayne at the next community meeting, February 19, at 8 p.m. From then on, it will, indeed, partake in community celebrations as well as be displayed at the Town Hall.

The quilt, then, will be able to educate and share with others, the Township

of Wayne's history.

And when the twelve students come back years from now to look at the quilt they made, the history they have recorded for future generations, they may realize that in telling Wayne's story, they, too, have become a part of the township's history.

And that... that will be the most exciting accomplishment of all!

Michelle Jackson Captures 'Gold Key' Top Art Award

Hands, two clay hands -- dirtied as though by digging, ripping through the canvas of blacks and browns, reaching out, away from the sticks and branches that mark its borders, towards whom? Towards whom?

KHS Art Student Michelle Jackson has posed that experience in a piece entitled, "Yours is Prettier Than Mine," which recently captured the Gold Key, a top honor in the Scholastic Art and Writing Awards. The juried competition, judged by top art professionals, included entries of works by scholar/artists from throughout Wisconsin.

"(These works are) the creme de la creme, the very best," said Ms. Deborah Stone, KHS Art Instructor. "As far as I know, this is the first time we've even had an entry into the competition."

"And to get this award," she continued, "is BIG."

Michelle's piece was entered in the mixed-media category, meaning art work that uses more than one material in its creation (Michelle's included paints, clay, and branches). After brief display at the Milwaukee Art Museum, it will be juried in New York to determine if it will advance into the national juried competition later this year.

The creation of the piece didn't just "happen," however. Michelle had been thinking about working on it for some time.

"Sometimes I work with no plan or outline," Michelle said, explaining her process, "just let (the piece) take shape."

"This one, though, I got the idea for last year, and now that I'm in Art 4 (at KHS), I was really able to start into it."

To create the hands that reach out from the canvas, Michelle made plaster molds of her own hands, eventually filling them with poured clay. The ripped browns and blacks, mostly the canvas border of sticks and branches, along with the title, will mean different things to different viewers, according to Michelle. The meaning to her, she mentioned, is something exclusive to the artist.

This year at KHS, Michelle has also painted canvasses, created functional -- as well as aesthetically -- and collage. She cites Edvard Munch (best known for "The Scream"), as a favorite artist, and, in Michelle's works, one can perhaps see some of Munch's fluid lines and love of form. She plans to pursue her art studies next year at Minneapolis Art and Design.

Meanwhile, the hands from her award-winning piece will continually reach out to challenge the viewer. Likewise, Michelle will continually reach out to express her artistic vision.

KHS senior Michelle Jackson, right, accepts the "Gold Key" of the Scholastic Art and Writing Awards from KHS art instructor Deborah Stone.

Hands reach out from Michelle Jackson's award-winning piece: "Yours is Prettier Than Mine."

Summer Exchange Host Needed

Host families are needed for a summer cultural exchange program in which Black children from rural and small towns in Mississippi spend two and a half weeks with Wisconsin families.

This yearly exchange began in 1968 and is organized by Project Self-Help & Awareness (PSA), a Wisconsin non-profit, non-denominational organization.

The Mississippi children, ages 6-16, come from an economic cross-section, although most come from economically disadvantaged homes. Wisconsin host families are allowed to choose the age and sex of the children. The cost to Wisconsin families is \$35 per child to help cover the transportation from Mississippi to Fond du Lac and insurance during their stay. The dates for this summer's exchange are June 1-19, June 15-July 7, June 29-July 21, July 15-31 and July 24-August 6.

Each year, over one hundred children return to Northeastern Wisconsin as the exchange is a chance for them to live in an environment more free of prejudice.

Many Mississippi children hope to come to Wisconsin this summer, but have no family to host them. You and your family, or someone you know, may be able to make that wish a reality.

Interested families can obtain an information packet by calling Diane Lipman at 338-0968 or Sue Allard at 788-4260.

Receives Insurance Industry Designation

Howard Schneider

MILWAUKEE -- Howard H. Schneider has completed the courses necessary to earn his Chartered Life Underwriter (CLU) professional designation.

Howard is an agent with Schlesinger Agency of The Equitable Life Assurance Society of the U.S. He is responsible for the consultative sale and service of the products and services offered by the Equitable, EQ Financial Consultants Inc. and its brokerage affiliates.

"Completing the work for the CLU designation shows an agent's commitment to his customers and to continuing education," said James A. Schlesinger, Agency Manager for The Equitable in Milwaukee. "By keeping up with the latest insurance products and trends, Howard can provide the best possible service for his clients."

The CLU professional designation is granted by the American College, Bryn Mawr, PA, after an extensive program of advanced professional study and examinations in life insurance and related subjects, such as finance, taxation and law.

Schneider has more than 12 years experience in the financial services industry. He is active in his community and professional orga-

nizations; and lives in Kewaskum with his wife, Janet and four children.

Howard is housed in the Kewaskum branch office, at P.O. Box 556 in Kewaskum. The Schlesinger Agency is located at 111 East Kilbourn Avenue and has offices throughout the Milwaukee metro area.

Doctors recommend you have your eyes tested at least once every two years if you are over 40.

Farm Business Arrangements Programs Announced for Area

West Bend -- Farm families are invited to attend a program on Farm Business Arrangements And Transfers. The program will be held at the Public Agency Center in West Bend on Monday, Feb. 10; the Sheboygan County UW-Extension Office in Sheboygan Falls on Wednesday, Feb. 12, and at the Ozaukee County Administration Center, in Port Washington on Thursday, Feb. 13. The same information will be presented at all sessions, starting at 1:00 p.m.

This program is designed to help farm families develop a successful business arrangement to transfer the farm to the next generation. It

will also be useful to families that may wish to develop arrangements with non-related persons.

Developing a workable and successful business arrangement and transfer involves considering both the people and financial side of the arrangement. Workable arrangements attempt to meet the needs of the people involved and have a sound financial plan.

Topics to be covered

include; Transferring the Farm to the Next Generation, Developing Business and Personal Goals, Types of Business Arrangements, Financial Feasibility of Your Arrangement, and Developing and Using Your Transition Team.

Further information and registration materials are available from the Washington, Ozaukee or Sheboygan County UW-Extension Offices. Registration is \$3.00 per family unit and should be completed three days before the date of the session.

Glassman Named Manager Of Subacute Care Unit

Karen Glassman

St. Joseph's Community Hospital of West Bend announces the addition of Karen Glassman, RN, BSN, as nurse manager of the new subacute care unit.

A resident of West Bend, Glassman is a graduate of West Bend West High School and received her bachelor of science degree in nursing from Marian Col-

lege in Fond du Lac.

Most recently, she was assistant director of nursing at Mercy Rehabilitation Center in Milwaukee, a long-term care facility where she had worked since 1994 and where she had also served as director of subacute care. Her nursing experience also includes work at acute care hospitals including Holy Family Hospital in Manitowoc and Theda Clark Memorial Hospital in Neenah.

Opening in early February, the subacute care unit at St. Joseph's Community Hospital will provide transitional care between hospital and home or nursing home. The unit is a cooperative effort of the hospital and Samaritan Health Center - Washington County.

In the Service

Marine 1st Lt. Scott A. Payne, whose wife, Susan, is the daughter of Jack and Marie Lemke of 7792 Salisbury Road, West Bend, has departed on a six-month deployment to the Mediterranean Sea with the 26th Marine Expeditionary Unit (MEU), embarked aboard the ships of the USS Nassau Amphibious Readiness Group (ARG).

Payne is one of more than 2,000 Marines and Sailors, who departed Norfolk, Virginia, aboard the amphibious assault ship USS Nassau, the amphibious transport dock USS Nashville and the dock landing ship USS Pensacola.

Equipped with the 26th MEU landing force, helicopters, Harrier attack jets, high-speed assault hovercraft, landing craft, tanks and armored and amphibious assault vehicles, the USS Nassau ARG provides theater commanders in the Mediterranean Sea a wide range of capabilities.

The 26th MEU can evacuate civilians, rescue downed pilots, conduct reconnaissance and serve as an initial landing force ashore.

Payne and his fellow Marines and Sailors spent the past year training for a wide range of conventional and special operations they might be tasked with during the deployment. As part of the preparations, USS Nassau ARG participated in exercises involving air, naval and ground operations. The exercise also included surveillance, rescue, humanitarian assistance, maritime interdiction, embassy support and non-combat evacuations.

The 1984 graduate of Random Lake High School of Random Lake, joined the Marine Corps in June 1984. Payne is a graduate of the University of Wisconsin-Oshkosh, with a BA degree.

A good Guernsey cow will produce more than one thousand gallons of whole milk and cream a year. This is enough to feed a family of two adults and three children, left over to feed a veal calf, a pig, and a flock of chickens. An additional bonus is more than fourteen tons of manure for the spreading.

Our Team Effort Brings Strength For You!

1966 marked our 70th year in business and we celebrated by having our most productive sales year ever. Our improvement in sales production came as no surprise to our staff. Several years ago the management of the bank set forth on a planned course of growth and expansion in our marketplace. While the banking industry as a whole is shrinking through mergers and acquisitions, we're proud to report that West Bend Savings Bank is one of Wisconsin's fastest growing banks.

As a true community bank, we believe that our primary emphasis should always be to create value for our customers. We continue to provide our customers with more options for checking and savings than most financial institutions in Wisconsin. Our *Totally Free Checking* program has grown in popularity as today, over 25% of all Washington County households consider West Bend Savings Bank to be their primary financial institution.

Our eight checking account programs including *Totally Free*, where enhanced this past year through the introduction of the *MasterMoney Card*. The *MasterMoney Card* acts like a checking account, credit card and ATM card all in one. The *MasterMoney Card* allows you to purchase goods and services at over 9 million merchants *worldwide*. After just 6 months, over one third of our checking account customer base has enjoyed the benefits of the *MasterMoney Card*.

A few years ago, the bank invested in the development of a 24 hour telephone banking system. This system allows customers to transfer money between checking and savings accounts, deposit funds, and review account balances. This past year we expanded our systems capabilities and saw usage increase to over 240,000 customer calls by year end. With 24 hour telephone banking, our customers can do their banking whenever it's convenient for them, regardless of traditional banking hours.

Service to our customers was further enhanced in 1996 by the expansion of Sunday banking. West Bend Savings Bank is the *only* financial institution in Washington County that offers banking services on Sundays. Our two supermarket offices in West Bend and Hartford are open from 10:00 a.m. until 2:00 p.m. every Sunday. This makes West Bend Savings Bank the *only* seven day a week financial institution available to the Washington County consumer. The response from our customers for this value added service has been tremendous.

Lending money has always been a core business for our bank. As our deposits have grown, so has our ability to reinvest that money into the local communities which we serve. Loan activity was very strong in 1996 as we made available over \$75 million dollars for the purchase of new and used vehicles, home improvements, college educations, home purchases or refinance and home equity loans.

As a recognized leader in the community banking industry for southeastern Wisconsin, West Bend Savings Bank remains committed to providing its customers with the highest quality of service and value. We appreciate your business and value your loyalty.

Sincerely,

Raymond F Lipman

Ryan Hesprich as Former President George Bush

Special guests, the students, their parents and the faculty of Holy Trinity Catholic School in Kewaskum, held a special Post-Inaugural Celebration on Friday, January 24, beginning at 1 p.m. in the lower level of the church.

The ceremonies began with an introduction of special guests including Rep. Glenn Grothman, Village President Robert Wagner, Sister Carol Ann of St. Michael's Parish, Father John Brophy, Brian Kober and Lana Kuehl.

Those in attendance watched a taped version of the Inauguration of the President and the Vice President of the United States and then the guests

got to choose their favorite historical figure. Students were dressed up representing famous American citizens of the past.

Students selected gave a brief synopsis of the history of the famous American citizen they had chosen and why they personally chose that particular historical figure.

The short "speeches" were followed by the "inaugural ball" complete with dancing and refreshments.

The celebration was coordinated by physical education teacher Gail Filzen with help from the teachers and staff at Holy Trinity.

It was a perfect idea to have the students touch a piece of history and still have a good time learning.

Holy Trinity Student Wins Junior Achievement Contest

Elise Tobin

Elise Tobin, a student in Paul Gundrum's class at Holy Trinity School recently became one of the winners of a contest sponsored by the Junior Achievement of Wisconsin, Inc. and The Milwaukee Admirals hockey team.

In this contest students from various schools in the Four County Region of Southeast Wisconsin, were to write a one page letter describing their personal, school year or career goals. Letters were then judged on grammar, punctuation, spelling and overall appearance. It was then sent to an Admirals player, Steve Tuttle.

There were only two winners per grade and Elise was one of the winners for the seventh grade class. Elise won four tickets to the Admirals game, an introduction and appearance on the ice, a personal letter from Steve Tuttle, a shirt and hat and an appearance by Admirals player Steve Tuttle at Holy Trinity School. When Steve Tuttle comes to Holy Trinity, he will also present Elise with a mini hockey stick and an authentic game puck.

Elise's class was also able to attend the Admirals game, thanks to the gen-

WINONA, MN -- The Dean's List for fall quarter 1996 at Winona State University has been announced by Vice President for Academic Affairs, Dr. Dennis Nielsen. To be named to the Dean's List, a student must be an undergraduate enrolled full-time (at least 12 credit hours for a grade) and achieve a minimum grade point average of 3.5.

Amy Baumhardt, Campbellsport, and James Rix, West Bend, have qualified for the Dean's List.

erosity of Steve Strachota, President of Dairyland Seed of Kewaskum. Steve had volunteered his time to present an in-school program for the seventh graders through Junior Achievement. They met one day per week for an eight-to-ten week period with a theme of Personal Economics.

Many thanks to Steve Strachota from Dairyland Seed for his community involvement and our congratulations to Elise for a fine job.

United Way: Over the Top at \$960,000!

United Way of Washington County agencies, volunteers and donors and agencies have something to cheer about: raising \$960,000 in the 60th year of United Way's presence in Washington County.

According to Mark Nielsen, Chair of the 1996 Campaign, the fund drive is officially "over the top" with a finish of \$960,000, about \$20,000 over the goal of \$930,060, and \$50,000 more than 1995. "I am so very proud of the hundreds of volunteers who put their hearts into the campaign, and really personified the '60 Years of Caring and Sharing' campaign theme," said Nielsen.

The agency reported about \$941,000 in early December. "The generosity and 'keep at it spirit' of donors and volunteers is so very humbling and heart-warming," he said. "Once again, the businesses and individual donors in Washington County came through and showed that our community is truly committed to meeting needs and ensuring necessary services for friends, neighbors and co-workers. United Way helps residents right here in Washington County," he stated.

In addition to finishing the campaign at 5.5 percent over the previous year's total, this is the highest amount of money ever raised by United Way in the organization's 60-year history.

"When you first begin a campaign, you are optimistic that you'll reach your goal," said Nielsen. "Along the way

we faced challenges, but we were also reminded of people's generosity, and that we can help those who really need help. Going over the top is just great news for the thousands of people in 25 agencies who will benefit in the coming year!"

Board President Sharon Ziegler commented, "On behalf of the United Way Board of Directors and the United Way agencies, I would like to compliment the hard work and ongoing efforts of all our campaign volunteers who kept working to bring help and hope to our community. These volunteers saw first-hand what the needs were; they rolled up their sleeves and kept working until the job was finished -- and then just kept going. I'd like to congratulate Mark Nielsen and the Division Leaders, Loaned Executives and Solicitors. We couldn't have done it without the countless hours all of them put in," she said.

"Nineteen of our divisions met and exceeded their goals," said Nielsen. "The bottom line is that when you add up ALL the numbers, we're over the top!"

United Way Executive Director Barbara Hurula complimented the efforts of the volunteers. "'Caring' and 'sharing' aren't just nice words -- they are action words that come to life with the United Way campaign in Washington County each year. The majority of our donors help people they will never see or meet personally. The efficiency of United helps assure that dollars go

where they are most needed," she said.

Fund distribution volunteers are currently reviewing 1997 funding requests of the agencies and determining how best to use the excess dollars to benefit the county as a whole. "It's more work for staff and volunteers in distributing the extra funds, but this kind of challenge is most welcome," said Hurula.

Dollars raised and percentages of the division goals are: Accountants & Business Services - \$4,508, 113 percent; Attorneys - \$8,312, 104 percent; Clergy - \$1,390, 111 percent; Contractors - \$6,448, 87 percent; Dentists - \$3,300, 107 percent.

Nonprofits - \$25,501, 91 percent; Physicians - \$22,479, 120 percent; Real Estate - \$3,070, 90 percent; Other Professionals - \$1,600, 107 percent; Washington County Employees - \$8,505, 106 percent; Allenton - \$14,715, 138 percent; Hartford - \$170,988, 99 percent; Jackson - \$24,690, 106 percent; Kewaskum - \$37,689, 110 percent; Newburg - \$1,252, 89 percent; Richfield, Hubertus & Colgate - \$4,550, 114 percent; Slinger - \$17,611, 122 percent.

Letters to the Editor

Dear Editor:

Recently, the Milwaukee Journal-Sentinel ran an article titled, "Service fees absorb funds for shelter," on the front page of their paper. While I would argue that the article could have taken many different slants, the journalist, Mr. Richard Jones, did in fact touch upon an issue that has divided banks these past two years.

Several years ago, the State of Wisconsin determined that all financial institutions must begin paying interest on a real estate company's escrow accounts. The money paid on interest would not go to the real estate company, nor the homebuyer whose money was invested, but rather back to the State of Wisconsin for assisting in the funding of homeless shelters throughout the state. Our legislators did add a provision in which a financial institution could charge a service fee to help offset the added cost of administering their imposed changes.

In Mr. Jones' article, he pointed out that in Milwaukee County over \$250,000 could have been made available for the homeless, yet \$169,424 was charged for services leaving just over \$80,000 to be sent back to Madison. His article, of which a copy has

been provided to you, lists many well known financial institutions. Several of these institutions do business here in our communities. On behalf of West Bend Savings Bank, I would like to point out that our institution must also comply with this state mandate. We on the other hand, turned over \$4,922.65 to the State of Wisconsin over the past 23 months without charging a single penny in service charges.

Mr. Harry Argue, Executive Vice President of the Wisconsin Bankers Association was quoted as saying, "some smaller banks might not be aware that they can charge a fee" in answer to why some charged and others did not. Mr. Argue is simply wrong. Smaller banks fully understand the mandated rules and in the case of West Bend Savings Bank, have chosen to be a part of the solution.

All too many of your readers, perhaps through apathy, are under the misunderstanding that "all banks are alike." In fact, as presented by Mr. Jones, they are not. I hope that your respective newspapers may find this topic of importance to your readers and their community. As community bankers, we realize that the public is not always aware of the corporate goodwill we provide. I cannot

criticize the Mr. Jones' of the world for reporting a story from their vantage point, I can however, encourage other journalists to see another side to a story and to point out that all banks are not the same.

Thank you for your consideration.

Sincerely,
Richard A. Larson, Jr.

Vice President/
Chief Operating Officer

Letter to the Editor:

Get in on the Action!
February is American Heart Month, when four million American Heart Association volunteers distribute health information to their neighbors and ask them to support AHA research, education and community programs.

Each year since 1963, the U.S. President has proclaimed February as American Heart Month to encourage us all to help fight heart disease and stroke. This year's theme, "Get in on the Action," urges people to make physical activity a part of their daily lives. Our Heart of Winter Mall Walk, sponsored by St. Joseph's Community Hospital, allows you to "Get in on the Action" at the Paradise Mall in West Bend on February 8, 1997

at 7:30 a.m.

Lack of physical activity has been clearly shown to be a risk factor for coronary heart disease -- along with cigarette smoke, high blood pressure and high blood cholesterol levels.

But 78% of American adults don't get enough exercise to achieve cardiovascular fitness. Rates of inactivity are greatest for women, older individuals, African-Americans and Hispanics.

Even modest levels of physical activity are beneficial. People who do some activity, as opposed to those who do nothing, significantly decrease their overall mortality and cardiovascular mortality. Simple activities like walking, gardening, housework, and dancing offer long-term health benefits if done at least 30 minutes a day.

As president of the

AHA's Washington County Division, I am proud to be associated with the largest voluntary health organization fighting heart disease and stroke. We have many excellent health education materials and local programs for adults and children.

I encourage your readers to call the AHA office at 1-800-242-9236 or 1-800-AHA-USA1 for free heart health information and to respond generously when a local AHA volunteer asks for your financial support.

Sincerely,
John Knaack
President,
Washington County
Division of the
American Heart
Association

Subacute Nursing Care

A special kind of medical care in a place like home.

After a hospital stay, some patients need a special kind of nursing care to help them reach their greatest potential. St. Joseph's Community Hospital and Samaritan Health Center have teamed up to offer that special care, called subacute care.

The new Subacute Care Unit located at St. Joseph's provides transitional care to patients before they return home, or go to a nursing home or other residential facility. Subacute care helps patients recover by providing personalized medical, rehabilitation and therapy services. These services are less intense than those provided in an acute care hospital, but more intense than skilled nursing home care.

Because it's located in the hospital, the Subacute Care Unit has access to the same advanced medical technology and staff that is available to patients in other areas of the hospital. The hospital location in the heart of the community is convenient for physicians, family and friends.

The Subacute Care Unit at St. Joseph's is a place where you can receive medical services for recovery and independence in a place like home.

Preceding her in death were a son, John; a daughter, Elaine Boettcher; a son-in-law, Robert Garner; and two sisters, Esther Zumlach and Viola Gutjahr.

Funeral services were held Saturday, February 1, at 10:30 a.m. at the Schmidt Funeral Home, West Bend. Pastor Daniel Kelm officiated and burial followed in Washington County Memorial Park, West Bend.

Visitation at the funeral home was on Saturday from 9:30 a.m. until the time of services.

The words of the hymn, America the Beautiful, were written by Katherine Lee Bates.

IN MEMORY

In loving memory of my best friend, husband, dad and grandpa WALLACE MARTIN who passed away Feb. 6, 1996.

This month brings with sad regret, the day, the hour we will not forget.

God wanted you, so you took His hand and left, leaving us with beautiful memories to hold and cherish.

To us you were someone very special, to see your loving smile and gentle face, to sit and talk awhile would be our greatest wish today.

When families and friends gather and you're not there, no one knows the sorrow and tears we hold.

You are not forgotten loved one, nor will you ever be, no one can ever fill your vacant place.

Sadly missed and loved by your wife, children and grandchildren.

CARD OF THANKS

We would like to express our sincere thanks to relatives, friends, and neighbors for all the kindness shown at the loss of our dear husband, father, grandfather and great-grandfather, LESLIE ENGELMANN.

Special thanks to Rev. Robinson, organist, pallbearers, the Ladies Guild, Miller Funeral Home, Kewaskum Floral, St. Joseph Hospital Cedar Crossings and Samaritan staff and the Rescue Squad.

Also thanks for the memorials, flowers, food donors, and those who sent cards. Your acts of kindness will always be remembered.

The family of Leslie Engelmann

Kettle Moraine Kids 4-H Club

President Stephanie Briggs opened the January 23 meeting. Because of the weather our meeting had been canceled twice. Sandra Schlaefer led the Pledge of Allegiance and Kyra Meyer led the 4-H Pledge. Those who have not paid their dues yet, are asked to do so next month. Two more new members are Tashina Meyer and Jeanne Techtman.

Holli Haack talked about the Admirals game. We can get a discount if we have 20 people going. Parents and guests are invited. Sign up at the next meeting.

Kyra Meyer reported on the Winter Outing. Instead of sledding, she talked about indoor ice skating or swimming.

We will be collecting food for the Food Pantry. Members can bring their donations to the February and March meetings.

We are all to be involved in the Drama and Poster Contest. Contact Mrs. Briggs for the Poster Contest. And Mrs. Chambers, if interested in being in the play.

Mrs. Briggs went through the corrections in the Constitution. The

President and Secretary signed the Constitution and it will be handed into the 4-H County Office.

The Bowl-a-Thon will be held Sunday, March 16, at the Lighthouse Lanes. We decided to bowl earlier this year, from 12:30 to 2:30 p.m. The pledge sheets were passed out.

We will again participate in hosting the "Feed the Elderly" program at Meadowbrook. Rita Etta will announce the date and time at our next meeting.

Tashina Meyer explained the "Friends Helping Friends" program, that she attended. She learned self-esteem, to be cooperative, different ways to communicate and all kinds of games. She demonstrated the knot game, which we played after the meeting. Sandra Schlaefer also had a game for the members.

Our next meeting will be February 13, at 7 p.m. at the Kewaskum Town Hall.

Rule Changes Made for Sturgeon Spearing Season

The 1997 Sturgeon Spearing Season is just a few weeks away and at this point it looks as if conditions will be excellent! Ice conditions on Lake Winnebago are good with not only thick ice, but also smooth ice. Reports are that the water clarity is also good at the present.

There has been some rule changes for this season which I thought I would review with the spearers. First, the legal size limit on a sturgeon has been lowered from 45 inches down to 36 inches. This has been done to try and protect some of the larger fish in the population, which are the spawning females.

In recent years there has been an increase in the percentage of large fish being taken compared to smaller fish. This along with a decrease in the average size of large fish taken, has created a concern that too many large fish have been taken over the years.

This will reduce the number of spawning fish and eventually cause the population to drop. A sturgeon does not spawn until it is almost 25 years old, so it is important to protect the larger spawning fish from over harvest. It is hoped that the size limit reduction will also take some of the pressure off of the harvest of larger fish.

The spearing season has also been set at a 16 day season beginning on February 8, and continuing through February 23. This will provide fishermen with an extra seven days to spear compared to the nine day season we had in 1996.

The registration of a

sturgeon has also been changed to require a person to register their fish before removing the fish from the highway boundaries as shown in the Spearing and Netting Regulation Pamphlet.

In the past, a person could transport a speared sturgeon any place in the state as long as it was brought back and registered by 7 p.m. the same day that it was speared. Registration must now be done by 6 p.m. on the day the sturgeon is taken.

Sturgeon spearing licenses are available at license vendors only in the Lake Winnebago area for \$10 and must be purchased prior to the start of the season.

If you have any further questions on this topic, feel free to contact me.

Conservation Warden

Was Lombardi There?

*The tension is heavy, could cut with a knife,
As two teams line up for the game of their life.
Now the SUPERDOME roars, the game has begun!
They will play heads up ball and hit like a ton.*

*On a plane ride from Dallas, the Pack made a vow
To play in New Orleans, forget bygones now.
They buried the hatchet, then all played as one,
Winning game after game, and had lots of good fun.*

*The Pats told reporters, "Why make so much fuss?
No halfback named Desmond could penetrate us!"
Time to put up or shut up! Button your lip!
Then prior to the kick-off the Pats won the flip.*

*When the first quarter ended, Pats led the attack,
But before the dust settled, the Packers were back.
Farve hit Andre Rison, who's hard to defend,
Antonio Freeman made yards end to end.*

*Three hundred pound Reggie, three quarterback sacks,
Set a Superbowl record. Now take that you Pats!
Robinson and Butler gave poor Bledsoe fits
Levens and Bennett proved immune to the blitz.*

*Howard snared the football then flew through the Pats
And raced to their end zone in ten seconds flat.
The second half surge caused Holmgren to grin,
But Ron Wolf and Harlan held feelings within.*

*A haze seemed to rise from the Dome's Astroturf,
Folks recalled that they heard the faint sound of the
surf.
Green and gold vapor swirled -- as in silent prayer.
I dared to assume Vince Lombardi was there.*

HT Boys 'A' Team On a Roll

The Holy Trinity boys 'A' team kept up their hot winning streak by beating St. Mary's of Barton by a score of 40 to 25 on Friday, January 31, at the Kewaskum Middle School.

The first quarter saw the Wildcats score 13 points while they held their opponents to only two. The strong Holy Trinity defense then allowed the Crusaders only five more additional points in the first half. The half-time score was 20 to 7. Holy Trinity then added 20 more points in the second half. The Crusaders kept pace with them by scoring 18, but again it was too late.

Holy Trinity continues to improve in their steal category. St. Mary's relinquished the ball 23 times to the Wildcats on steals alone. This benefited the offense in their drives for the basket.

Those scoring for the Wildcats were: Mitch Strobel - 10 points; Jake Stoffel and Jon Boedeker - six points; Bryan Kraft - five points; Paul Mertz - four points; Luke Piwoni, Mark Schrauth and Josh Repovsch - two points, and Anthony Laatsch, John Neuman and Nick Thorn - one point.

Holy Trinity's next game will be with St. Mary's of Mayville on Saturday afternoon, Feb. 8, in Mayville.

WBKV Announces Contest Winners

"Both luck and football smarts had something to do with it," according to WBKV's Bob Bonenfant. "Maybe a little more luck than smarts."

Bonenfant was talking about the Grand Prize winners in the WBKV's Morning Show, "Packer Prediction" contest. Rita Ciriacks won the \$300 top cash prize, supplied by Community Memorial Hospital's Sports Care division.

Dave Krautkramer won the \$100 second prize, donated in memory of Nancy Trainor Roskopf.

Ciriacks and Krautkramer were among 19 weekly winners who received over \$80 each in gift certificates since the regular season started. All weekly winners qualified for the grand prize random drawing.

"Once again, the response to the contest was phenomenal," according to Bonenfant. "Next year's will be even more fun."

Varsity Wrestlers Beat Undefeated Plymouth

KHS Varsity Wrestling team for 1997 season. First row: Mike Kertscher, Joshua Dieringer, Troy Staehler, John Immel, Steve Gundrum. Middle row: Joel Dzedzic, Andrew Palmer, Erik Kopecky, Glen Schnabel, Jeremy Hawig, Adam Schileny. Top row: Asst. Coach Kevin Chambers, Bruce Gundrum, Sabish, Mike Farchione, Coach John Nell.

By Sally Cochran

Steve Gundrum led the way Friday night pinning Plymouth's Justin Helmer in 2:47.

"Steve hasn't had much varsity wrestling experience," said Coach Nell. Wrestling in the 103 pound division, Steve experienced his first varsity victory.

Other Kewaskum wrestlers pinning their opponents were John Immel (119 pounds) in 4:58 and Glen Schnabel (160 pounds) in 2:48.

Winning by decision

were Troy Staehler (130 pounds), winning 6-3; Joel Dzedzic defeating Brian Pool, 7-1, at 135 pounds; Eric Kopecky won, 11-8, in the 152 weight class, and Mike Farchione won 6-4 at 171 pounds.

Winning by forfeit were Mike Kertscher at 112, and Josh Dieringer at 125.

"The matchup with Dzedzic and Pool was really good," commented Coach Nell. Dzedzic was Division II runnerup at state last year and Pool ended up fourth at the Division I tournament last year.

Plymouth was undefeated up until they suffered

their first loss at the hands of the Indian wrestlers, 42-18.

On Wednesday, the Indians go up against Kiel and on Saturday they travel to Two Rivers for the conference tournament. Wrestling begins at 10:30 a.m. Come and join the excitement.

JV Wrestlers Winding Down

By Sally Cochran

The Kewaskum JV wrestlers had a very light week last week. They were up against Plymouth on Friday, but only two of the Indians had matches.

Billy Vrana and Dan Sabish, both wrestling in the heavyweight division, met a Plymouth wrestler on the mat.

Billy ended up getting pinned in the first period of his match. "I'm very proud of Billy, despite his loss. He has an excellent attitude when he wrestles," Coach Kevin Chambers said of the first year wrestler.

Dan was victorious in his match, pinning his opposition in the first period. "Another fine wrestler," commented Coach Chambers.

The team faces Kiel on Wednesday for the last JV match of the season.

Indian Gymnasts Record First Win

By Sally Cochran

The girls gymnastics team can put a big "V" for victory in their scorebooks now. They tumbled, swung, balanced and vaulted their way ahead of Beaver Dam on Monday, giving the team their first win of the season.

Team scores for the evening were Kewaskum 97, and Beaver Dam 85.

Kathy Deshotels placed first on the uneven bars for the Indians with a score of 7.15. Nadalie Reindl had a 6.1 which gave her a third place. Nadalie took first on the floor exercise and the balance beam, scoring 8.7 and 8.25 respectively.

Eileen Kohlwey came in second on the floor and

beam with scores of 6.55 and 7.15. Steffanie Carlson received a 5.75 on the floor tying with Beaver Dam's Gina Cruz for third place. Jo Anne Thull placed fourth on the beam with a 5.65.

"The girls have been very busy for the past weeks with various meets. There has been little time in between for practicing new skills and brushing up on old ones," commented Coach Wendy Fideler. "Now we finally have a longer break to work on our routines," she added.

The gymnasts will travel to Kaukauna on Saturday for a ten team tournament. Their next home meet is on Thursday, February 13, against Hartland Arrowhead.

Girls BB Team Suffers Two Non-Conference Losses

The Kewaskum girls basketball team suffered two losses this week, on Tuesday at the hands of Campbellsport, 34-54, and on Thursday against Kettle Moraine Lutheran, 43-57.

"The girls started out strong. They had a good first half," Coach Dave Rizzardi said of Tuesday's game.

The score was tied up at halftime, 19-19. But enthusiasm drained in the second half and the lady Indians never recovered. Campbellsport was shooting much better in the second half, gaining 25 points to Kewaskum's six in the third quarter and 15 to nine in the fourth.

Leading scorer for the Indians was Tiffany Laubach with eight points followed by Carrie Wiesner with seven points.

Thursday's game had very similar results. The Kewaskum girls had a strong fourth quarter, scoring 15 points to Campbell-

sport's 13. But it wasn't enough to catch up.

"Missy Thull was doing a great job stealing," commented Rizzardi. Thull shot 100% at the free throw line for the night.

Tiffany Laubach was high scorer with 11 points and Jenny Kraft was right behind her with ten.

The girls have five games left, three at home and two road games. This week the girls play at home Tuesday against Chilton and Thursday they face Two Rivers.

"If our defense comes through we should have a good game," Rizzardi said about Thursday's game with Two Rivers, who is undefeated.
