1997 KHS Junior Prom Court

The 1997 Kewaskum High School Junior Prom will be held this Saturday, May 4, from 8 to 11:30 p.m. The dance will be held in Rose Hall, with the Grand March taking place at 9:30 p.m.

Parents are welcome to attend this year's prom, so come and enjoy this magical event. Paradise Island will be the setting for the event, with the theme song, "Fade Into You," being chosen by the juniors. Music is being provided by Royal Entertainment.

This year's court, includes, first row, left to right: Joshua Dieringer and Michelle Westphal, Rhett Engelking and Sharon Albrecht. Second row: Tim Briettag and JoAnne Thull, Nathan Fellenz and Kenzie Downs, Travis Luedtke and Bridget Baum. Third row: Matt Ogi and Brooke Waala, Clint Bindrich and Julie Buddenhagen, Bruce Fellenz and Sarah Bausch. Fourth row: Kasey Brath and Kelly Knoebel, Matt Gundrum and Erin Krueger, Ryan Rammer and Tricia Krebs.

The king and queen were voted on by the juniors and will be announced during the dance.

School Board Officers Elected; Facilities Study Group Selected

New school board members/officers for the 1997-98 year include, front row, left to right: John Schulte, Larry Fechter and Vice President Tom Timblin. Back row: Treasurer Jon Downs, newly-elected Lisa Maul, Clerk Mary Andera and President Jean Goeden.

New officers were voted in during the Kewaskum school board's reorganizational meeting this past Monday evening.

Jean Goeden will begin her second year as board president, receiving the nomination from Tom Timblin, and retains the

office by a 6-1 vote, defeating Jon Downs. Downs, nominated by fellow member John Schulte, received one vote. All other offices received unanimous votes, and include vice president - Tom Timblin, treasurer - Jon Downs, and clerk - Mary Andera.

Selection of members to the new Community Facilities Study Group was announced and given the final OK by the board. The group was formed for the purpose of studying long range building plans, and the development of grade levels for each facility.

Senior Citizens Prom

Have you heard about the Senior Prom? Well if you haven't, please read on.

The Student Council of Kewaskum High School is sponsoring their fourth annual Senior Prom this Sunday. That's right, Sunday, May 4, 1997 in Rose Hall. The dance will go from 1:00 to 4:00 p.m., with the Grand March at 3:00 P.M.

The Julida Boys will provide the music and the Student Council will provide refreshments. Cost for the dance is \$2.00 per person. The decorations from the Junior Prom will be the setting for the afternoon. We hope to see you all at the dance.

The Student council also wishes to invite all high school parents and adults from the district to attend the Senior Prom. All of the above information applies to you also.

Post-Prom Party

As the Prom date approaches, the Post-Prom Party plans are in full swing. This is the weekend of both of the above events, and the student Council of KHS is still looking for help in the following areas; food, especially baked goods.

The students at the party need all the sugar they can get in order to keep going until 4:00 a.m. We are also still looking for prizes or money to purchase prizes. If you can help in either of the two areas, please contact Larry Ammel at the high school, 626-2166.

The Post-Prom Party will run from Midnight this Saturday until 4:00 a.m. this Sunday morning. A bus will be provided for those who need a ride.

The group will be comprised of the following residents of the Kewaskum school district: Lester Benzschawel, Bill Brace, Cindy Cartwright, Gerald Gosa, Dan Kerlin, Mike Strobel, Rick Welch, Dan Beske, Laurie Brock, Christine Dehler, Mark Heise, Bill Krug, Harvey Ramthun, Jan Uhlman, Ann Wickland, Ken Bonlender, Ruth Butler, Debbie Donath, Mike Kardos, Amy

Pamperin, Scott Waranius and Renee Lawrence. Letters have also been sent to Jim Schaub, Larry Martin, Dan Marx, John Tassar and Lloyd Koch.

Within the makeup of the study group, each township and the village are represented by individuals, as well as teachers from each school, although they are

(Continued on Page 2)

Body of Missing West Bend Woman Found

After eight months of pain, the family of Bonnie Spykstra can finally be at peace following the discovery of her body by a person walking on the Glacier Trail near West Bend, on Thursday, April 24.

The body of Bonnie M. Spykstra, who was reported missing on the evening of August 24, 1996 by her husband, John, was found less than two miles from her home located on Rustic Road in West Bend.

The Washington County Sheriff's Department received the call on April 24 from a person who stated he had been walking on the

Glacier Trail south of Beaver Dam Road, east of CTH B and that in a wooded area to the west of the trail he observed what appeared to be a decomposed body.

Investigators from the Sheriff's Department responded to the scene and located the remains of the body.

An investigation into the circumstances surrounding the death was being conducted and an autopsy was performed, however the Sheriff's Department reported foul play was not suspected.

Offering Childbirth Preparation Class

St. Joseph's Community Hospital of West Bend is holding a prepared childbirth class Saturdays, May 3 and 10 from 9 a.m. to 1 p.m. and Tuesdays, May 6, 13, 20 and 27, from 7 to 9:30 p.m. in the hospital's fourth floor east conference room.

Classes provide information to help parents make informed decisions for

the last trimester of pregnancy, labor and childbirth. Topics discussed include nutrition, common discomforts of late pregnancy, labor and delivery, cesarean birth, what to expect in the hospital, emotional aspects, newborn characteristics and basic infant care. Each class includes practice in relaxation and breathing patterns that are helpful for

labor and delivery. Expectant parents also tour the New Life Center.

The fee is \$20 per couple. To register or for more information, please call the hospital's New Life Center at 334-8361.

School Board

(Continued from Page 1)

still seeking a representative for KES.

Board members suggested topics the group should discuss to aid its progress, such as bussing and routes, possible boundary changes, a per student cost analysis for each school, along with assessments of the various models, with and without reopening Beechwood School, including a K-8 plan. "I want it made clear they aren't limited to just facility models that have already been developed," Mary Andera stated.

Larry Fechter remarked he would like the committee to prioritize the various models, and present "the

best option on down" to the board, which as set an October 15th deadline, although this date is not written in stone. "We want good decisions, well thought out, not rushed," Andera emphasized. Jon Downs agreed, adding, "personally, I'd like to see more than one model come back."

At this point in time, no dollar limit has been put on the study group, as all avenues need to be discussed thoroughly. Although its mission is two-tiered (facilities planning

and K-?), the two issues may not be separable from the plans until the group is further along in the development of future proposals. The board will be kept up to date with monthly reports from the facilities study group.

John Schulte stressed the need to keep a strong educational objective in mind, and the social well being of the children.

We make a living by what we get, but we make a life by what we give.

NOTICE HYDRANT FLUSHING

The Village of Kewaskum Water Utility will be flushing hydrants for routine flushing of water mains and the exercising of fire hydrants Tuesday, May 6, beginning at 11:00 p.m. and Wednesday, May 7, beginning at 11:00 p.m. with completion of flushing scheduled for Thursday May 8 in the am.

Village of Kewaskum water users may need to exercise caution washing white clothing or other activities where possible iron content could cause stains.

Farmington Sesquicentennial Needs Volunteers for Memorial Day Event

The Farmington Sesquicentennial Committee is currently looking for volunteers to help with the Memorial Day celebration being held at the Turner Hall in Fillmore on Monday, May 26.

Events planned for the day include a walking parade and

ceremony, a past tradition on Decoration Day to honor the town's war dead.

The first walking parade which included the village children carrying wreaths and flags which they placed on each veteran's grave, began shortly after the Civil War. The Boltonville and Fillmore tradi-

tion, which included teachers, students and Farmington residents continued until the 1960's.

This year's tribute and program will be part of the celebration commemorating the Town of Farmington's 150th birthday.

For more information on how you can help, please contact Lisa Lickel at 692-2135 or write the Sesquicentennial Committee at 8805 Hwy. 144, Kewaskum, WI 53040.

A. PESCH

Pictured above is newly-elected Village Board Trustee Andy Pesch, who officially took over David Goeden's seat at the April 21 meeting of the Kewaskum Village Board. Goeden chose not to seek re-election. Coverage on the meeting will be published in next week's edition.

THANK YOU

to the Voters of the Kewaskum School District for your support and confidence in my performance as a Kewaskum School Board Member.

I know this board will continue to make progressive strides in educational excellence and be physically responsible to the taxpayer.

A sincere thank you
JEAN GOEDEN

Grothman Schedules Town Hall Meetings

Rep. Glenn Grothman has announced a series of "town hall meetings to take place throughout the 59th Assembly District over the next several weeks.

The meetings which will occur at well-known central locations in each part of the three-county assembly district, are conveniently scheduled on weekend days. This will provide the greatest number of people an opportunity to discuss their general and specific concerns about the conduct of government with Rep. Grothman.

"I hope that as many people as possible can make it to the town hall meetings," Grothman stated. "While I get to see many people on a daily basis as I travel around the district, these meetings should allow folks who I might not see as often a chance to let me know how they feel."

Rep. Grothman will be holding one of these meetings at the Kewaskum Village Hall, 204 First Street, on Saturday, May 3, from 11:30 a.m. to 12:30 p.m.

POPPY DAY Friday, May 16

American Legion Auxiliary volunteers will distribute the familiar red, handcrafted poppies honoring America's war dead on Friday, May 16, designated as Poppy Day by Auxiliary Unit # 384 in Kewaskum.

Planned to coincide with the Memorial Day holiday, the annual event pays tribute to those veterans who have died in the last 75 years. It also honors the millions of Americans who have willingly served their country in seven decades.

It serves as well as honors the veteran with all proceeds from the distribution invested in local programs for the benefit of the veteran and his/her family.

Each nine-piece poppy is made by veterans for veterans in Auxiliary-sponsored Poppy Shops that supplement physi-

cal and psychological therapy needed by hospitalized and disabled veterans. The Auxiliary provides the materials and the volunteers. The veteran makes the poppy and is paid a small amount for each painstakingly-made flower. For some it is their only income.

No matter what the cost of maintaining and supplying the Poppy Shops, the memorial poppy is never sold, but given in exchange for a contribution.

The Poppy program has been part of Auxiliary programming for more than 70 years. It has been estimated that approximately 25 million Americans wear the poppy to honor America's war dead and all veterans, contributing over \$2 million for rehabilitation and welfare programs.

Vange Teeselink is Chairman of this year's event.

Kuechler - Oppermann

Melissa Ann Kuechler and Shane Jason Oppermann exchanged wedding vows on Saturday, February 1, 1997, at St. John Lutheran Church in New Fane. Pastor Mark Eckert officiated.

Music for the wedding ceremony was performed by Karen Schneider, organist and Renee Wegner, soloist.

Parents of the couple are Dennis and Janet Kuechler of Kewaskum and Leander and Janis Oppermann of Campbellsport.

The bride chose her sister, Cindy Kuechler, as her maid of honor. The bridesmaids were Sara Nysse, Green Bay, friend of the bride, Dina Heckel of

Kewaskum, a friend of the bride, and Bette Carleton, Kingston, Georgia, a friend of the groom. The miniature bride was Brittany Carleton of Kingston.

Sheldon Oppermann, brother of the groom, was chosen as best man. Corey Oppermann, Campbellsport, brother of the groom, Brian Skrentny, Jackson, cousin of the groom, and Adam Carleton, Kingston, friend of the groom, were the groomsmen.

Ushering duties were performed by Donald Kuechler, uncle of the bride and Wayne Roesel, friend of the groom.

The reception, dinner and dance were held at

Amerahn in Kewaskum.

The bride and groom are both 1992 graduates of Kewaskum High School. The bride is a 1996 graduate of the University of Wisconsin-Whitewater with a BBA degree in Accounting. She is employed as a staff accountant at Acucobol, Inc. in San Diego, California.

The groom is an Aviation Electronics Technician-Second Class in the U.S. Navy and is stationed at NAS North Island, California.

The newlyweds are residing at 1628 Hilton Head Ct. #2238, Rancho San Diego, California 92019.

HOT TUNA SURPRISE ROLLS

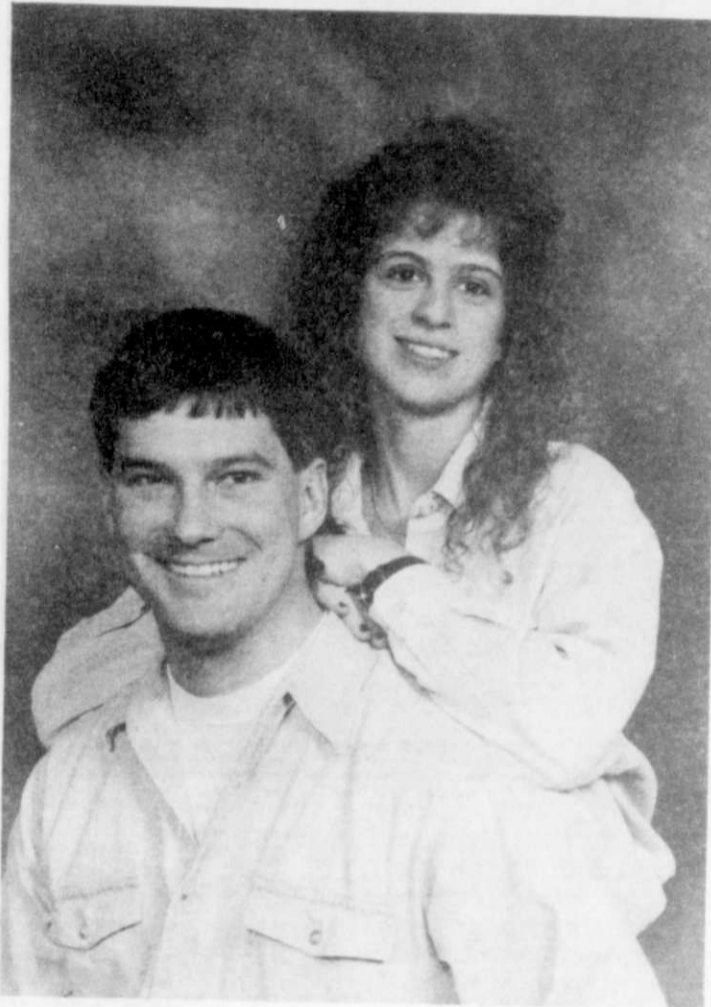

- 1/4 lb. processed American cheese, cubed
- 3 eggs, hard-cooked and diced
- 1 (7 oz.) can tuna, rinsed, drained and flaked
- 2 Tbsp. green pepper, chopped
- 1 Tbsp. green olive, chopped
- 1 Tbsp. onion, chopped
- 1/2 c. mayonnaise
- 3/4 tsp. salt
- 4 hamburger buns, cut in half

Combine all ingredients and spread on cut surface of rolls. Place on baking sheet and bake in moderate oven until cheese melts or broil until cheese melts.

Kathie Ramthun

A flower believed to be 120 million years old was identified from a fossil found in Melbourne, Australia in 1989. It is called the Koonwarra plant and resembles a modern black pepper plant.

Bartelt - Durand

Richard and Janice Bartelt are pleased to announce the engagement of their daughter, Kelly, to Sean Durand. He is the son of James and Patricia Durand of Campbellsport.

The bride to be is a 1993 graduate of Winnebago Lutheran Academy in Fond du Lac, and is employed with Northwestern Mutual Life Insurance Company. The future groom graduated from Campbellsport High School in 1990, and is employed with

Sysco Food Service.

An August, 1998 wedding is being planned by the couple.

ABC SKAT RESULTS

The winner at skat played at the Town of Scott hall on Tuesday, April 22nd was: Ralph Laux, 17-3--14 net.

Bereavement Support Group to Meet May 1

St. Joseph's Community Hospital of West Bend is sponsoring a bereavement support group Thursday, May 1, to help individuals and families who have lost a baby during pregnancy or the first year of the baby's life. The free support group is meeting from 7 to 9 p.m. in the hospital's conference room A.

Jennifer Klug, RN-MSM, is the lead facilitator for the group and Kathy Valind, R.N., is a facilitator and trained bereavement support counselor. Both are nurses at St. Joseph's Community Hospital's New Life Center.

The purpose of the group is to offer encouragement and support; friends and family members are invited to attend the meetings.

The group meets on the first Thursday of each month. More information about the support group is available by calling the New Life Center at 334-8361.

KHS Students to Visit Menominee Tribal School

Jazz band members practice at 6:30 a.m., under the direction of Larry Ammel, in preparation for their April 30 visit to the Menominee Tribal School in Neopit, Wisconsin. The KHS Jazz Band and Swing Choirs planned to perform for students there, to reciprocate for a Traditional Native American dance presentation by MTS students at Kewaskum High School earlier in the year.

25 Years Ago

Back by popular demand...

I surrender...

April 28, 1972

King Jeff Koth and Queen Debbie Strack will reign over the 1972 Junior Prom at Kewaskum High School. On Saturday evening, May 6, from 9 p.m. to midnight, the theme, "Imagine," (based on a contemporary song by John Lennon) will be highlighted by the music of Dick and Sue Thomas. The Thomases, from Milwaukee, entertain with folk-rock music. The juniors plan to approach the event in a more casual manner. Members of the court are Jim Gaffke, escorting Barb Boettcher; Dale Luedtke, escorting Maggie Roeder; Dana Acker, escorting Rose Bodden; Mike Nigh, escorting Marian Braun; Tom Behnke, escorting Jenny Johann; Jack Tessar, escorting Jayne Fischer, and Rich Lehnerz, escorting Judy Schaub.

A new bridge will be constructed on County Trunk Highway S over the east branch of the Milwaukee River immediately south of New Fane in Fond du Lac County. The work started April 24, and should be completed prior to July 4. The new structure will provide for the full roadway and six-foot shoulders which are typical of the new road.

Yvonne June Vetter, daughter of Mr. and Mrs. Ruben Vetter, Route 1, Adell, became the bride of David Wieter, son of Mr. and Mrs. Cyril Wieter, Kewaskum, in a 3 p.m. nuptial service at Holy Trinity Catholic Church, Kewaskum, on Friday, April 14.

A Nuptial Mass celebrated on March 11 in the chapel of Shalom on the Whitewater campus, united Miss Joan M. Schoofs, daughter of Mr. and Mrs. Francis Schoofs of Kewaskum, and William C. Thompson, son of Mr. and Mrs. Edward Thompson of

Janesville, in matrimony.

Dodgeland, of the Flyway Conference, won a triangular meet from Kewaskum and Kettle Moraine Boys School last Thursday by taking eight first and eight second places. The final scores were Dodgeland 79, Kewaskum 71 and Kettle Moraine 11. For the Indians, it was again the distance runners who delivered. Jeff Ketter and Randy Backhaus won the mile and two mile respectively. Ketter also took a third in the

pole vault for a seven-point day. Chuck Buss won the high hurdles in 17.0 flat. Kewaskum's other first came in the pole vault, 880 relay and high jump, where the Indians took first, second and third. Tom Theusch won the event with a 5'8" jump.

Twin daughters were born to Mr. and Mrs. Mark Schaefer, Kewaskum, on April 20. A son was born to Mr. and Mrs. David Coulter, Kewaskum, on April 22.

COMMUNITY CALENDAR

-MAY-

10 - CEDAR RIDGE SPRING ANNIVERSARY FESTIVAL - Sat., May 10, 11:00 a.m. to 4:00 p.m. Cedar Ridge Retirement Apartments 113 Cedar Ridge Drive, West Bend. SPRING HAS FINALLY ARRIVED! Bubbles, bubbles everywhere... in the trees, in the air... The Y.M.C.A. Tot Time class moved outdoors in the

sunshine early last week to blow bubbles into the breeze. Children and bubbles... NOW spring is officially here.

Part II Board Members Share Ideas

As a means of continuing to improve lines of communication between the Kewaskum School District and the residents and taxpayers of the district, we asked school board members to address the issue of future facility planning for the district on a more personal level, using the Statesman as a voice through which board members can informally discuss these pressing topics, where no one was faced with an audience.

The board members each put in a considerable amount of time, careful thought and deliberation into their opinions and solutions.

Last week we featured the responses of Board President Jean Goeden, former board member Neal Weare and board members Mary Andera and Tom Timblin.

This week we are printing the comments of board members John Schulte, Jon Downs and newly-elected Lisa Maul.

All these committed individuals who graciously took their valuable time to respond must be commended for agreeing to discuss their thoughts and ideas through the press.

Following the publication of these comments by the board members, any School District residents and/or our readers with constructive opinions or innovative ideas of their own on how to accommodate the overcrowding issue in our district are encouraged to submit the same.

Taxpayers are invited to "Speak Out" on what they feel are the pros and cons of the ideas presented by school board members. To open the lines of communication, PLEASE ask the board members the ques-

tions no one seems to ask at meetings, but yet discusses freely with their relatives, neighbors and friends, along the proverbial back fence.

How can we ask these board members to solve the issues unless we tell them **WHY** the last referendum was defeated? **Every** voter owes them at least that much consideration!

In spite of the fact it is against the policy of this newspaper to publish anonymous "letters" and comments, for these school issues alone, for the next few weeks only, we have agreed voters can comment anonymously. However, we do ask that when you submit your comments, suggestions, opinions and ideas, you include your name and phone number (for verification purposes only). If you **DO NOT** want your name printed, just write **WITH-HOLD NAME** at the bottom of your comments, and your comments **WILL** remain anonymous.

We also ask that you keep your comments as brief as possible, and address the issues at hand without any name-calling or back-stabbing. Comments that contain any statements deemed libelous will **not** be printed.

As we have stated previously, it is our sincere hope that through this effort we can open the lines of communication between voters and the board of education and together resolve the overcrowding issues and problems our school district faces now and in the very near future.

At this printing, the paper has not yet received a single comment or question regarding the referendum issues. Is it voter apathy... or are we content to just sit back and keep complaining

about what we feel is wrong only to our neighbors? Are we so disgruntled with "the system," that we don't care if our elected officials are groping in the dark for answers? The overcrowding issues and problems belong to **EVERY** resident of this school district, not just the problem of board members.

What message are we sending our board members? That we would just as soon sit back and let them make all the decisions and not bother consulting us through referendums?

It's time now to open those lines of communication and work **JOINTLY** to come up with solutions. And please remember, unless **YOU** are willing to take the time to send in your comments and questions, this effort to open those lines of communication will have been futile. Will we remain complacent and just sit back and complain to our neighbors about what is wrong instead of working together to make it right? Please... address your comments to:

VOTERS' COMMENTS
% Kewaskum Statesman
P.O. Box 98
Kewaskum, WI 53040

Thank you.

The following are the commentaries of school board members:

JOHN SCHULTE:

Thank you for the five questions you faxed to me for my input.

As for question number one, feelings about referendum outcome and why I think it was voted down?

While I supported the land purchase and would have preferred a different parcel or two separate parcels, I am neither surprised

nor disappointed by the referendum defeat. I also support the means we proposed for the financing.

While I think many people look for reasons not to support the purchase, I believe the main reason is because the board didn't take action on a comprehensive detailed long range plan. We had facts, numbers, excellent help from administration and the results from a study committee. If we didn't have all the information, we could get it.

I was and still am a strong supporter of doing a comprehensive, detailed, long range plan that preserves the concept of a "neighborhood school" philosophy.

In response to your second question: What direction do I think facility planning should take in the future to take care of district needs? I will combine with your third question: What issues need to be addressed first and foremost?

First of all, we put the errors of the past behind us, taking along what we've learned. We cannot go back and repair; we must move forward with a new approach with all eyes open this time. The committee of community members (the course we are on now) is the right alternative. It will work if the members are diverse, (geographically, walks of life, age, etc.) objective, sincere and make up their own minds. They must base their decisions on facts, the best estimates regarding growth, accomplishing education of children and the social and economical health of the whole district.

The facility planning should attempt a minimum of 15 years into the future, especially regarding land. Two parcels should be purchased separate from each other. One smaller, for a

new elementary now, the other large enough to support an elementary, middle and high school, as the need arises.

Beechwood (BES) should be opened now for the '97-98 year (little late now) or for sure by the '98-99 year. Statistically and with the time element (we can't do a plan, pass a referendum and build fast enough, no matter what) it is the right thing to do. According to administration, it would alleviate KES and FES sufficiently. This would buy us the time to do a proper long range plan. It is not the only reason to open BES. Current numbers (not speculative) and projected populations, as well as for the social impact, warrant the opening of BES. Don't take "social impact" lightly. It has a multi-faceted value that must not be overlooked. Also there are other concepts such as "multi-age classrooms (considered successful in Plymouth) and "sustained learning units" that could be employed.

Just a few quick numbers for you to consider. By the year 2006, BES with a K-6 plan would have 206 students, a K-5, 174, and K-4, 135 students; virtually the same as WES. If BES opened for '97-98 in a K-4 (current facilities and classroom structure scenario) it would have 95 students, K-5 would have 122. This would sufficiently reduce KES and FES temporarily.

I should also point out to you that district-wide, we had several years of decreasing enrollments until about three years ago. The trend leveled off and reversed to increasing enrollments. I don't believe we'll level off in the near future. Also, the fastest growing population in our K-12 system is in the middle school.

As for #4, What model am I most in favor of and why? I favor the K-6 model. Initially, I didn't like the two-year, seventh and eighth, middle school idea and preferred a 7-9 instead. However, I spoke to a variety of people who changed my thinking. Some had children who experienced a seven and eight middle school, but, most I talked to, who are now in their upper 30's and experienced it themselves, indicated no problem at all. Where I thought there would be adjustment difficulties, seems to be unwarranted. Of course, this can't be true for 100% but it alleviated my concerns.

The main part about a K-6 plan that I find educationally sound is that we pick up a whole year of parental involvement. A K-4, we lose a whole year.

In case you are wondering what I mean, it is this. Like it or not, it's a cold hard fact that when students move on to middle school, the parents drop off. I'm not blaming anyone -- it's just the way it is. Gaining a year in the life of a child is huge. I also believe that parents are the

(Continued on next page)

single most positive contributing factor in the life and education of a child.

I already mentioned my preference for a 7-9 middle school. This is not feasible. I also mentioned the fast growth we have of middle school students. That being the case, reducing the middle school to two years also alleviates sure to follow overcrowding.

I have not looked into a K-8 yet, but I would be open to such considerations, just as I have been to the K-4 or staying K-5.

Besides my belief that the proposed K-6 plan will be best for education in our circumstances, it is also the least taxing so far. It will also allow us to spread out some of the building projects such as the new Kewaskum Elementary School and a new middle school fairly soon. Although possible, I don't recommend building the new Kewaskum Elementary School on the old ball diamond. That area should be preserved for High School usage such as a practice field. If we can't buy any land -- ok. It still is not good for traffic reasons. The old Kewaskum Elementary School should be used as best possible -- storage, move administration into the newer part, additional parking, etc.

I am not closed to other ideas. These are mine and in order to have discussion, one must put their ideas up for acceptance or criticism.

Question number five asks, Any alternative solutions seen as feasible if referendum ideas don't pass? Beechwood could be opened as a temporary solution. Otherwise? No. Thank you Statesman.

JON DOWNS:

The Statesman has asked the school board members to answer a variety of questions pertaining to our recently defeated referendum and future planning. The first question dealt with our feelings about the referendum. Basically, I was disappointed that it was defeated. I remain convinced that the purchase of land is crucial to any long range solution to our continued growth. Obviously, there are many school district residents who disagree at this point in time. The board must now discover if the voters oppose the purchase of land under any circumstances, or they are telling us they need more information.

The second question dealt with our perception of future planning. In part, any future planning depends on whether we purchase land. To the board's credit (as well as the administration), we have already decided on a new direction for dealing with our future planning. We are forming a new committee, made up solely school district residents to revisit all aspects of this issue.

The committee will be larger than the previous committee, and will include no board members. All townships will be represent-

ed. Hopefully, some of the concerns espoused by many voters will be specifically dealt with by this committee's findings.

Another question dealt with the model we favored. Our board is currently divided on this issue at this time. For the time being, this will be one of the primary issues dealt with by the committee.

Personally, I am in favor of the K-6 Model. When we were studying the various models (K-4, K-5, and K-6), I sorted through our various informational resources and attempted to separate the data according to which model it identified with. I then listed the strengths and weaknesses of each. Finally, I categorized these pros and cons in terms of the basic issues they dealt with: cost, potential, disruption (curriculum and facilities), use of current facilities, parking, safety, district philosophy, public perception, and effect on student population. I should mention that all of my analysis assumed we would be purchasing land.

I favor the K-6 model for the following reasons. First, with the information we were given, the K-6 model was the most cost effective. To be fair, not everyone agreed with this assessment. Second, this model appeared to be the least disruptive. A new KES would be built but the Middle School and the High School would remain (with the exception of sixth grade returning to the various grade schools).

The various elementary schools would be expanded, but this would occur under all models. The result of this would be expanded life for all current facilities with minimal disruption of student populations, thereby optimizing use of existing facilities. Our curriculum coordinator has advised that this model poses no problem with our curriculum.

By returning the sixth grade students to elementary schools, we not only extend the life of the Middle School facility, but we follow our strategic plan philosophy of keeping our students closer to home for a longer time. Furthermore, our information indicated that parental involvement diminishes after elementary grade levels. This model adds a year of greater parent involvement. My reasons involving parking and safety issues were based on a new KES built elsewhere and may or may not apply in the future.

In addition to researching this model, I had the benefit of participating in it as a student. My experience was very favorable, which enhances my support for the K-6 model.

A fourth question dealt with our perception of the primary issues for our school district. Dealing with our present and future growth are certainly primary issues. We have immediate needs at the elementary level; and despite our recent expansion, will have need of

more space at the middle school soon.

Raising our students' achievement capacity is another primary issue. Our current administration and teaching staff are already making great strides in this area.

In general, I would restate our school district mission as my final response to this question. All of us -- school board, administration, teaching staff, parents, students, and residents -- need to work together "to create a learning environment, reflective of the community, where students want to learn, teachers want to teach, and that parents will support.

LISA MAUL

The Statesman has asked us a few questions on the direction the district should take and our personal views.

I really don't know why the referendum was voted down, other than, the voters needed more answers than they were given. I also feel the choice of land wasn't to their liking. It really is a great idea, that the board is looking to the future needs at Kewaskum. They are not trying to slip anything past the voters. They have all worked very hard in keeping the lines of communication open to everyone. There has been such a distrust of the School Board as a whole, in the past, but that was in the past and we have a lot of new school board members that are working very hard to get Kewaskum schools back in shape.

The Community Committee group is a wonderful idea, having direct community involvement in deciding the future expansion of Kewaskum schools, is what we need right now. Let's give the parents, teachers, businessmen and voters the right to choose what model they feel would best serve the districts needs. Why should we decide, after all, the voters will be paying for the plan they pick.

The issue that needs to be addressed first and foremost is the Beechwood School and what to do with it. Before anything else is decided we have to know if BES will be included in the districts future. Whether the board decides or the community committee group decides, it has to be finalized once and for all.

The model I'm most in favor of is the K-6 model but not building a new Kewaskum Elementary School. There is enough land behind the school to add on to, especially after you tear down the old High School portion. The K-6 model would give you plenty of classrooms, to take you 10-15 years down the road. I would also like to see the sixth grade kept at the middle school level as long as possible, till the overcrowding would force the sixth grade to stay at the elementary level. But having that many rooms added on at one time would save money in the long run and not piece-meal the schools like we have in the past.

Adding on to the existing schools we now have, I feel, would be plenty. I'm really not sure if the

Beechwood area would have enough students to fill the school and keep it full, that would have to be looked into. I would not be in favor of bussing kids from Kewaskum just to fill the school. Adding the new gym and auditorium to the high school would make the high school wonderful especially after the recent remodeling project, and turning Rose Hall into classrooms, I feel would take the high school quite a few years down the road.

The land is still a good idea. Who knows what the future will bring and having a parcel of land in our back pockets for the future will be in our favor in the long run. We can always sell it if we don't use it.

I'm also in total favor of small schools. I would not want to see us consolidate all of our little schools into one large centrally-located one.

Whatever the outcome, we have to take this slow and make sure we look into everything possible before a decision is made. We also need community involvement. We need your input, your views and your ideas. So please, make your voices heard and this will truly be a district we can all be proud of. One that shows that the parents care about their children and their education.

Folk Fair Brings World to Middle School

Dressed in African-styled dress, sixth graders perform the rhythmic "Kye Kye Kule" dance.

For an afternoon, the world came to Kewaskum Middle School. Capacity crowds filled the KMS gym to sample the sights, sounds, and even tastes, from countries around the globe in the annual Sixth Grade Folk Fair.

From Tanzania to Thailand, from Lithuania to Liechtenstein, dozens of countries were represented in elaborate graphics, informative and interactive displays, brightly-colored traditional dress, games, dances and music, all created or performed through the hard work of the sixth grade class.

The variety and the careful attention to detail truly made the Folk Fair an international experience!

Winding around the gym floor was a traditional "Chinese Dragon."

Colorful and informative displays lined the walls of the KMS gym, some providing traditional foods or flags from the represented country for visitors to enjoy.

Tinkling dancing from the Phillipines involves stepping between and over poles that are slapped rhythmically together. Here, Brooke Dreher, Jamie Imler, Stacey Imler and Stephanie Maul keep a beat ahead of the bamboo.

Burning Questions of the Week...

Will the Thiemerdome Be Re-Opened?

HAVE THE GLORY DAYS RETURNED?

We need men, age 40 and over, and a couple more teams to make the re-opening of the Thiemerdome a reality.

Is Tom Bartelt Insurance Agency coming back with all his comrades... Clark Pearson, Rollie Maul, and Dennis Reha, just to name a few?

Is the Amerahn ready? Earl says he needs just a couple of more men over 40... give him a call at 626-4031.

Is Thiemer's team really over 40 years? (only the Grecian Formula people

know for sure!) It seems like yesterday when they fielded a young and aggressive team. (rumor has it that now they're getting old and submissive...)

Commercial Plumbing under the leadership of Steve Stern also needs a few 40 and over men. Give him a call at 626-4629 after 6 p.m.

(I find it real hard to believe there is a shortage of men over 40... or is it true that they all turned to spectator sports? Couch potatoes!)

If you have a team inter-

ested and Wednesday nights are free for you, and you feel a burning desire to get up off the couch and meet some of your forgotten friends, call 626-2437 after 6 p.m. The Kewaskum area men, 40 and over, need a fun night! (Yeah... right!)

Rumors have been surfacing that Dr. Sison and Larry Martin are secretly backing this venture!

Tot-Saver Class Offered

St. Joseph's Community Hospital of West Bend is holding a tot-saver class Thursdays, May 8 and 15, from 6:30 to 9:30 p.m. in the hospital's fourth floor east conference room.

This is an important class for all who provide care for infants and children. Learn about injury

prevention and how to respond to an emergency until professional help arrives. Participants earn American Heart Association recognition in infant/child CPR and obstructed airway techniques.

The fee is \$35. Please register before May 1 by calling the hospital's Health Promotion Services Department at 334-8268.

Kindergarten BABES Program

Students in Mrs. Stradtman's morning kindergarten at Kewaskum Elementary School sport the puppets used in the recently begun BABES program.

Kindergarten BABES Program

Kindergartners in all three district elementary schools will soon be learning valuable lessons from the colorful and lovable BABES puppets. BABES, which stands for Beginning Alcohol/Addictions Basic Education Series, is taught by School Counselors Cheryl Taylor (KES) and Jody Mundigler (FES and WES).

BABES is a primary prevention program designed to give children a lifetime of protection from substance abuse. This is the eighth year it has been taught in the Kewaskum School District.

The purpose of BABES is to enable children to learn and practice living/caring skills and make positive early decisions about alcohol and other drugs. Utilizing seven colorful, cuddly puppets and seven story lessons, this is accomplished in a fun and non-threatening manner.

The important information is presented in a manner designed to gain the attention of

children and to enable them to develop a desire for healthful living. It gives children the ability to better understand how to protect themselves from alcohol and chemical dependency situations, along with other forms of abuse or risk behaviors, among their peers and within the family structure.

The delightful animal puppets are Bows and Buttons McKitty, a squirrel called Myth Mary, Early Bird, the wise owl Donavon Dignity, a dog named Reggie, and a surprise new puppet presented during the final lesson. Children remember the puppets years later and often wish they could hear the lessons again. Ask your older children if they remember the BABES puppets!

The seven lessons cover the topics of: feelings, decision making and peer pressure, coping skills, alcohol and other drug information, and getting help. At the end of the program, children receive a special certificate making them official BABES club members.

The colors of chicken eggs comes from the pigment in the outer layer of the shell and may range from an almost pure white to a deep brown, with many shades in between.

RESOLUTION NO. 97-6

OVERDRAFTS ON ACCOUNTS YEAR ENDING DECEMBER 31, 1996

BE IT RESOLVED, that a transfer of funds in the amount of Twenty Thousand Thirty-Eight Dollars and Seventy-Six Cents (\$20,038.76) be made from those accounts showing a remaining balance to those accounts showing an overdraft to cover all such deficits for the year ending December 31, 1996. The accounts showing overdrafts and the amount of the deficit are as follows:

#510000-#510090	Village Board	\$1,785.15
#512200-#512290	Municipal Building	3,213.62
#514090	Assessor	203.88
#519790	Unclassified	20.86
#519990	Printing & Publishing	71.70
#524110	Building Inspection	582.08
#540000-#540090	Machinery & Equipment	3,662.70
#541000-#541090	Village Garage	2,824.90
#541600-#541690	Recycling	2,261.73
#541700-#541790	Landfill	27.97
#547000-#547090	Street Lighting	946.83
#548000-#548090	Sidewalk Repair	444.44
#549000-#549090	Storm Sewer	1,446.18
#551590	Cablevision	777.83
#552300-#552390	Swimming Pool	895.75
#563110	Plan Commission	859.84
#581390	Health Insurance	13.30
		\$20,038.76

BE IT FURTHER RESOLVED, that a transfer of funds in the amount of Five Thousand Seven Hundred Eighty-Seven Dollars and Fifty-Two Cents (\$5,787.52) be made from Account #100150, Designated Funds, from the following sub-accounts to cover those amounts exceeding the 1996 budgeted amount:

#540495	Curb & Gutter Outlay	\$ 274.00
#540500-#540595	Storm Sewer Outlay	98.76
#540695	Street Light Outlay	442.29
#540800-#540895	*Sidewalk Outlay	196.06
	*Interest Eamed	3,132.00
#552200-#552295	Parks & Playground Outlay	1,644.41
		\$ 5,787.52

ADOPTED AND APPROVED this 21st day of April, 1997 by the Kewaskum Village Board.

School of the Arts Program at Rhinelander

The UW-Madison School of the Arts at Rhinelander, a multidisciplinary summer arts program, will hold its 34th annual session, July 21-25, in Rhinelander. About 80 beginning to advanced workshops will be offered for adult students with an interest in creative writing, theatre and drama, dance, photography, music, art and folk arts.

Featured artists this summer include Larry Watson, fiction and poetry; David Phoenix, creative drama and improvisation; and guest artist, Raymond Gloeckler, relief printmaking.

The School is sponsored by the UW-Madison Department of Continuing Education in the Arts, with support from the Northern Arts Council. Financial assistance is available for instructional fees only. Eligibility is based on Wisconsin residency and financial need.

University credit, Continuing Education Units (CEUs) and Department of Public Instruction clock hours are offered for teachers and others who want to earn professional development units.

For more information contact your local county extension office, the public library or the UW-Madison School of the

Arts at Rhinelander, Kathy Berigan, administrative coordinator, 715N Lowell Hall, 610 Langdon St., Madison, WI, 53703, (608) 263-3494.

Don't exceed the amount of detergent recommended on the box. Excessive suds actually prevent effective washing and require extra rinsing.

DID YOU KNOW?

- EACH DAY 8 children age 14 and under die and close to 1000 are injured in motor vehicle crashes.
- More than half of the children age 14 and under who died or were injured in a crash in 1995 were unbuckled.
- 34 of the 38 children who died in an air bag related death were improperly or completely unbuckled.
- Safety seats for infants should NEVER be placed in the front seat of a vehicle equipped with a passenger side air bag.
- The best way to protect a child in an automobile is to properly restrain them in the back seat.

Obituaries

ESTHER BRANDT

Mrs. Esther Brandt, 87, of West Bend, passed away on Saturday, April 26, 1997 at St. Joseph's Community Hospital in West Bend.

She was born on November 8, 1909 in Dodge County, the daughter of the late Philip and Rosalia (Lilla) Steger and on July 5, 1935 she was united in marriage to Ewald Krahn. He preceded her in death on April 26, 1971. She was united in marriage to George Brandt on December 30, 1972. He preceded her in death on March 13, 1980.

Mrs. Brandt was a member of St. Lucas Evangelical Lutheran Church in Kewaskum.

Survivors include a brother, Arnold Steger of Eden; many nieces and nephews, other relatives and friends.

She was preceded in death by a brother, Clarence; two sisters, Loretta Steger and Leona Kell; two brothers-in-law, Lawrence Steger and Clarence Kell and a sister-in-law, Violet Steger.

Funeral services were held at 8 p.m. on Tuesday, April 29, at the Miller Funeral Home in Kewaskum with Rev. Timothy Henning officiating. Burial was at 10 a.m. on Wednesday at the Emmanuel Lutheran Church Cemetery in the Town of Herman.

Friends called from 5 p.m. until the time of services at the funeral home on Tuesday.

WAYNE F. COCHRAN

Wayne F. Cochran, 63, of Kewaskum, died Friday, April 25, 1997, at the Cedar Lake Home Campus in West Bend.

He was born November 7, 1933, in Robinsdale, Minnesota, to the late Frederick and Mae (Brunette) Cochran, and was raised in Milwaukee where he graduated from Lincoln High School in 1952 and attended the Layton Art School of Milwaukee.

He was employed at Derse Sign Company and Weidig Display of Milwaukee. Later he owned and operated Colorama Sign Company of Milwaukee, and in 1982 co-founded Cochran Sign Company of West Bend.

He married Marie L. Tschurwald on May 21, 1955, at St. Thomas Aquinas Catholic Church, Milwaukee.

Survivors include his wife; six children, Stephen and Anthony, both of Milwaukee, Rev. Vincent (Rebecca) of Sussex, Chris (Sally) of West Bend, Andrew (Joan) of Kewaskum and Paul (Melissa) of Fond du Lac; ten grandchildren, Jessica, Meredith and Melissa of Sussex, Kurtis, Krystal and Jacob of West Bend, Timothy, Ashley, Austin and Mitchell of Kewaskum; a sister, Shirley

Mena of Texas; a brother, Robert "Lynn" (Margaret) of Milwaukee; nieces, nephews, other relatives and friends.

Preceding him in death were a brother, Jerry, and a sister, Gloria.

He was a member of the Kewaskum Living Waters Pentecostal Church and past member of the Choraliars of Greendale.

Funeral services were held Tuesday, April 29, at 6 p.m. at the Phillip Funeral Home, West Bend. Rev. Joseph Brath officiated and burial was at 3 p.m. Wednesday in Washington County Memorial Park, West Bend.

Visitation at the funeral home was Tuesday from 4 to 6 p.m. Memorials are appreciated.

ADELE B. SCHOOF

Adele B. Schoofs, 92, of West Bend, passed away on Friday, April 25, 1997 at St. Joseph's Community Hospital in West Bend.

She was born February 15, 1905 in West Bend, the daughter of the late Henry W. and Catherine (Dricken) Schoofs. She earned her registered nursing degree from Mt. Sinai School of Nursing in Milwaukee in 1927 and was employed in the nursing profession in industrial nursing, teaching and head nursing for 42 years.

During those years, she served on the American Cancer Board in Long Prairie, Minnesota and was a member of the Business and Professional Woman's Club of Sauk Centre, Minnesota, the Industrial Nurses Association of Wisconsin and the American Nurses Association. At the time of her death, she was a member of St. Matthias Catholic Church in Nabob.

Survivors include a dear

cousin, William O'Meara of West Bend, other relatives and many friends.

In addition to her parents, she was preceded in death by her brother, Raymond Schoofs.

A Mass of Christian Burial was held at 10:30 a.m. on Tuesday, April 29, at St. Matthias Catholic Church in Nabob with Father Alois Van Beek and Father Thomas Trepanier co-officiating. Burial followed at Holy Angels Cemetery in West Bend.

Friends called from 4 to 8 p.m. at the Miller Funeral Home in Kewaskum on Monday where a prayer vigil was held at 7 p.m. and at the church on Tuesday from 9 a.m. until the time of services.

BONNIE SPYKSTRA

Bonnie M. Spykstra (nee Engelhardt) of West Bend, died at the age of 50 years.

She was born on May 4, 1946, in West Bend, to Roland and Lorraine (nee Ackerman) Engelhardt and she married John C. Spykstra on August 20, 1966. She was employed at West Bend Mutual Insurance Company for 15 years.

She is survived by her husband, John; two sons, Terry (Lisa) Spykstra of West Bend, and Todd (Jaci) Spykstra of Jackson; a grandson, Austin; her parents, Roland and Lorraine Engelhardt of West Bend; two brothers, Jim (Holly) Engelhardt of West Bend, and Mark Engelhardt of Campbellsport; two sisters, Barb (Warren) Janz of Kewaskum, and Linda (Ted Set) Engelhardt of Fairbanks, Alaska; her step-grandmother, Eloise Ackerman of Milwaukee, other relatives and friends.

A memorial service was held on Tuesday, April 29, at 7 p.m. at Immanuel United Church of Christ, West Bend. Visitation was at the church on Tuesday from 4 p.m. until the time of services.

The Myrhum-Patten Funeral Home in West Bend served the family.

FRANCIS C. 'FRAN' DREIFUERST

Francis C. "Fran" Dreifuerst, 78, of West Bend, died Tuesday, April 22, 1997, at his residence.

He was born Oct. 10, 1918, in Milwaukee, to the late Julius and Minnie (nee Sippel) Dreifuerst and graduated from Custer High School in 1936.

During World War II he served in the U.S. Army in the Pacific Theater, and married La Verne I. Gaulke on May 24, 1947 in Milwaukee.

He was employed at Miller Brewery of Milwaukee as a laborer for over 25 years, retiring in 1976 when they moved to West Bend.

Survivors include his wife; a niece, Judy (Dennis) Cyris of Crate, Ill.; a nephew, Mr. and Mrs. Robert Clark of Crate, Ill.; a dear aunt, Laura Dreifuerst of Milwaukee; and other relatives and friends.

Preceding him in death was a sister, June Clark.

He was a manager for Little League baseball in Milwaukee, past commander of Wauwatosa American Legion Post, member of Kewaskum American Legion Post 384, West Bend Moose Lodge 1398 and Pilgrim Lutheran Church of West Bend.

Funeral services were held Friday, April 25, at 7 p.m. at Pilgrim Lutheran Church, 462 Meadowcreek Drive. Rev. Joseph M. Fisher officiated and entombment was in Pinelawn Cemetery, Milwaukee, on Monday at 1 p.m.

Visitation at the church only was Friday from 3 p.m. until the time of services.

Memorials may be made to Pilgrim Lutheran Church or St. Andrew Lutheran Church of West Bend.

The Phillip Funeral Home, West Bend, served the family.

THANK YOU

Thank you St. Jude for favors received.

K.H.

The largest lake in the world forms part of Wisconsin's boundary and the nation's longest river forms most of our western boundary.

IN MEMORY

In loving memory of my husband, our dad, son and brother, WILLIAM BRAUN, who passed away three years ago, May 5, 1994:

A million times we've thought of you.

A million times we've cried.

If love alone would have saved you.

You never would have died.

In life we loved you dearly.

In death we love you still.

In our hearts you hold a place.

No one else can ever fill.

It broke our hearts to lose you.

But you didn't go alone.

For part of us went with you.

The day God called you home.

Deeply missed by wife Sandy, children Scott, Sarah and Melissa and families.

Kewaskum Fire and Rescue Squad Calls

Wednesday, April 23 - The Kewaskum Rescue Squad, responded to a call at 9:34 a.m. in the village of Kewaskum for a female patient who had collapsed. The patient was transported to St. Joseph's Community Hospital, West Bend.

**CHICKEN
BROCCOLI BAKE**

- 2 (10 oz.) pkg. frozen broccoli spears
- 3 c. cubed, cooked chicken
- 1 (4 oz.) can mushroom pieces
- 2 cans cream of chicken soup
- 1/2 c. chicken broth
- 1/2 c. Sauterne wine
- 3/4 c. dry bread crumbs
- 1/4 c. butter

Cook broccoli according to directions on package. Cut spears into bite size pieces. Arrange in the bottom of buttered 8 x 12-inch glass baking dish or in 8 individual casseroles. Place chicken and mushrooms on broccoli. Blend soup, broth and wine until smooth. Pour over chicken. Brown bread crumbs lightly in butter. Sprinkle over top. Bake at 350 degrees for 30 to 40 minutes, depending on size of casserole. Makes 8 servings.

Village Board Meeting Minutes

**Regular Meeting
April 7, 1997
8:00 p.m.**

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. Trustee Harry Roecker asked to be excused and was absent. All other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Gary Gavin, and unanimously carried by voice vote, the minutes of the March 17, 1997 meeting were approved as printed.

Discussion was held on the request to limit parking on the parade route for the Firemen Legion Parade scheduled for July 13, 1997. It was noted that if parking was eliminated on both sides of Fond du Lac Avenue from Second Street to Main Street, 25 stalls would be lost and if both sides of Main Street from Fond du Lac Avenue to the Railroad tracks another 26 stalls would be lost. In the discussion it was noted by Trustee David Goeden that maybe only one side should be eliminated. Another alternative was to eliminate the parking for the entire parade route on one side. Police Chief Richard Knoebel asked the Board how they wanted whatever parking ban implemented, enforced. No direction was given as to towing of vehicles or citations.

On a motion by Trustee Gary Gavin, seconded by Trustee John Kenworthy and carried by the majority voice vote, the Board approved limiting the parking on Fond du Lac Avenue to the Railroad tracks both sides, for a one year trial period. Trustee David Goeden voting against.

A public hearing was held on the application of the Kewaskum Athletic Club, Kewaskum Kiwanis Community Park, Kewaskum, WI for a Class "B" Fermented Malt Beverage License for the period commencing April 12, 1997 to October 12, 1997. On a motion by Trustee Robert Stoltzmann, seconded by Trustee Gary Gavin and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

The bids were reviewed for the proposed asphalt resurfacing work for 1997. Two bids were received as follows:

Payne/Donlan - est. \$39,120.00; Scott Construction - est. \$42,049.45.

It was noted the budget estimate is \$43,669.00. It was further noted that the south end of Parkview Drive is breaking up quite badly and should be considered for repair in 1997.

The bids were reviewed for the proposed remodeling work and the Main Lift Station. Four bids were received as follows:

Heberer Bros. Construction - \$16,439.00; Bunkelman Builders - \$14,200.00; Gitter Construction - \$11,400.00; Eagle Construction - No Bid.

Assistant Fire Chief Mark Herges had nothing to report to the board.

Chief of Police Richard L. Knoebel reported that the Police Clerk had resigned, seeking full time employment. On a motion by Trustee Robert Stoltzmann, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board authorized the advertising for a Police Clerk and to proceed with the replacement process.

Director of Public Works, Jerry Gilles asked for permission to prepare bidding information and to advertise for the construction of a salt shed. It was noted the salt shed

is to be 24' x 32'. On a motion by Trustee David Goeden, seconded by Trustee Warren Dums and unanimously carried by voice vote, the Board authorized proceeding with advertising, bidding, etc.

Director of Public Works, Jerry Gilles also informed the Board that Water Tower #1 has been placed back in service the end of last month after being taken out of service for the winter months.

On a motion by Trustee Gary Gavin, seconded by Trustee Warren Dums and unanimously carried by voice vote, the Board approved the issuance of an Operators License to Kelly J. Boneck, Campbellsport, WI upon proper payment of fees and documentation.

Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Informed the Board that the Assessor will be holding an Open Book on April 15, 1997 from 1:30 p.m. to 6:30 p.m. and the Board of Review will be meeting on Monday, May 12, 1997 from 12:30 p.m. to 4:30 p.m.

2) Review of Taxpayer and League Bulletins.

3) Review of correspondence.

On a motion by Trustee Warren Dums, seconded by Trustee John Kenworthy and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	115,323.63
Sewer	7,556.49
Water	7,232.89
Payroll	43,042.41
TOTAL	173,155.42
A/P Ck. #12272 - #12424	
P/R/Ck #7323 - #7393	

On a motion by Trustee Gary Gavin, seconded by Trustee David Goeden and unanimously carried by voice vote, the Board authorized the sale price of recycling bins to \$7.00 as reviewed and recommended by the Administrative Committee, effective immediately.

Chairman of the Park and Recreation Committee, Gary Gavin informed the Board of a scheduled Park & Recreation meeting for April 21, 1997 at 6:30 p.m. at KKCP with the meeting then continuing at the Municipal Building around 7 p.m.

Board Representative for the Plan Commission, Trustee David Goeden reported to the Board that the Commission granted a sign permit to Allen Butler for 1801 Wildlife Drive and adjusted the April meeting date to April 29, 1997. Mr. Rick Kania was in attendance regarding the Land Use Plan as well.

Board Representative for the Library Board, Trustee John Kenworthy informed the Board of the Library Board's recommendation to hire Shellie Anderson as the new Library Director at \$10.58 per hour. On a motion by Trustee Gary Gavin, seconded by Trustee Warren Dums and unanimously carried by voice vote, the Board approved the hiring of Shellie Anderson with an effective date of April 9, 1997.

Discussion was held on the possibility of acquiring a used outdoor book drop at a cost of \$150. The consensus was to try it to see if in fact it will be workable.

President Robert Wagner thanked the Library Board for all of their work within the Library and during the hiring of the Director. A letter of appreciation will be sent to them on behalf of the Board.

Board Representative for the County-Wide Library Board, Mr. Frank Beesten informed the Board of the negotiations underway in reference to the County-Wide System. The dollars being discussed would be an improvement over the next five years.

Board Representative for the Mid-Moraine Municipal Association, Legislative Committee, Trustee Robert Stoltzmann informed the Board of a Legislative Committee meeting scheduled for Wednesday, April 9, 1997 in West Bend, WI.

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the Board authorized the adjustment and installation of street lights on Edgewood Road between Knights Avenue and Forest Avenue.

Administrator Daniel S. Schmidt updated the Board as to the status of the CMAQ proposed park & ride lot. Alternate means of access are being looked at versus the need of an easement from the Dairy Queen.

Administrator Daniel S. Schmidt reported on his conversations and meeting with the railroad regarding the Main Street relief sanitary sewer main project. It was noted progress is being made and that it is hopeful an agreement will come back to the Board this summer.

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Stoltzmann and carried by the majority roll call vote, the Board approved the application of the Kewaskum Athletic Club, Kiwanis Community Park for a Class "B" Fermented Malt Beverage License for the period commencing April 12, 1997 to October 12, 1997. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Warren Dums and unanimously carried by voice vote, the Board approved David Donath as the agent for the aforementioned.

On a motion by Trustee Gary Gavin, seconded by Trustee Warren Dums and carried by the majority roll call vote, the Board approved the applications for the Kewaskum Fire Department, River Hill Park for a Temporary Class "B" Fermented Malt Beverage License for July 3, 1997 (rain date July 4, 1997) and July 12 & 13, 1997. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

On a motion by Trustee Gary Gavin, seconded by Trustee John Kenworthy and unanimously carried by voice vote, the Board approved Larry Rauch as the agent for the aforementioned.

On a motion by Trustee John Kenworthy, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the Board approved a contract to Payne & Dolan for the resurfacing and asphalt work for 1997 as bid and did include the south end of Parkview Drive as an addition thereto. The estimated cost excluding the Parkview Drive work is \$39,120.00.

On a motion by Trustee Warren Dums, seconded by Trustee John Kenworthy and unanimously carried by voice vote, the Board approved a contract with Gitter Construction, the low bidder, for the remodeling work as bid on the Main Lift Station at a projected cost of \$11,400.

Action was taken on Resolution No. 97-4 A Resolution Opposing Assembly Bill 75 Prohibiting Towns, Villages, Cities, Counties, and School Districts From Requiring Residency for Its Employees as attached hereto:

Action was taken on Resolution No. 97-5 A Resolution Accepting by Dedication Improvements Installed by Marx Food Mkt., Inc. as attached hereto:

On a motion by Trustee Warren Dums, seconded by Trustee John Kenworthy and carried by majority voice vote, the Board authorized the signing of the Developers Agreement between the Meilahns and Village.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee John Kenworthy and unanimously carried by voice vote, the Board established a Spring Clean Up for Saturday, April 26, 1997 from 8:00 a.m. to 2:00 p.m.

Administrator Daniel S. Schmidt reviewed the Recycling grant final payment request for 1996. It was noted an estimated \$4,097.44 is still due. The ratio of recovery is at 28%, down by .4% from 1995. It was noted that a 25% recovery rate is needed or a volume

base refuse fee is mandated by the State. On a motion by Trustee Warren Dums, seconded by Trustee Gary Gavin and unanimously carried by voice vote, the Board authorized the signing of the Grant Final Payment Request as reviewed.

Action was taken on a Proclamation in reference to Alcohol Awareness Month - April 1997 as attached hereto:

President Robert Wagner presented Trustee David Goeden with an award from the Mid-Moraine Municipal Association for his service as a Village Trustee as well as thanking him on behalf of the Village of Kewaskum.

President Robert Wagner also recognized Andrew Pesch, the newly elected Trustee, and welcomed him to the Board.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Gary Gavin and carried by the majority roll call vote, to adjourn. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

MAY JOYFULNESS

by AMi

Once again we are being blessed with warming days and earth pulsing nights! Father and mother frogs have been awakened after a long winter's sleep and the red robins have returned to build their homey nests in one of the old orchard apple trees.

In greening meadows on the farm across the way a bay mare proudly displays her graceful foal after eleven months of pregnancy and once again rubber-footed lambs play touch and go with their sisters and brothers. Indeed, spring has sprung thanks to golden sunshine and those miraculous showers shared by April's love of flowers!

The cold blast of winter's snows and blows quickly are erased from mind and body as we replace blowers for mowers. Garden plots now need tending and appetites draw us to calendars to check "just when will be the time" for those delectable morel mushrooms to pop up their rich brown heads!

The Lord again has proven faithful to His Promise that new growth always will follow for those who trust in His goodness and caring. From times which seem impossible to bear...dormancy beyond human comprehension...to the sprouting of tiny plants which in a matter of days unfurl colorful blossoms... we and the wild life of the forests have their spirits lifted by beauty beyond imagination and a wholesomeness beyond description.

How exciting to come upon not only the muddy imprint of an adult doe, but close by, the tiny imprint of her spring offspring! And as the red-wing black birds trill their familiar songs, muskrats frolic with their babes sending silvery splashes of spring water sky-high.

The riches of creation never fail to enrich a host of the created. And this has been the melody of springtime for literally billions of earthly years. Taste it NOW FOR THIS IS the month of inspirational opportunity for you and for me. This is what the oldtimers quoted as MAY JOYFULNESS!

WASHINGTON COUNTY NUTRITION PROGRAM
For the Elderly Menu

TOWN OF KEWASKUM NOTICE OF PUBLIC HEARING FOR REZONING

NOTICE IS HEREBY GIVEN that a public hearing will be held before the Town Board at the Kewaskum Town Hall, 9019 Kettle Moraine Drive, in the Town of Kewaskum, 8 p.m. on May 18, 1997, to consider the application of James and Kimberly Engel, 4986 Lake Drive, West Bend, regarding property owned at 3715 Badger Road, Kewaskum, to amend the Town Zoning Map by rezoning from Agricultural/Open Space District (A-1) to Park District (P-1), the following described property:

Parcel T8-422, 21.80 acres, as follows: Part of the Northeast Quarter of the Northeast Quarter as described in Volume 1494 page 688 + Volume 1563 Page 636 of Records, Section 21-12-19.

Approval of the rezoning would allow owners to operate a snow tubing and sliding hill adjoining the Sunburst Ski Area. All interested persons wishing to comment on the appeal should appear at the hearing.

Dated this 28th day of April, 1997.

Barbara L. Wenzlaff,
Town Clerk
Town of Kewaskum

Hospital Offers Sibling Class

Children who will soon have a new baby brother or sister are invited to participate with their parents in the "I'm Getting a New Baby" sibling class sponsored by St. Joseph's Community Hospital of West Bend. The class will be held Thursdays, May 1 or 8 from, from 6 to 8 p.m. in the hospital's meeting room three.

Designed for children between the ages of 2 1/2 and 10, the class includes a video presentation, a tour of the New Life Center and activities to help a child express his or her feelings about the birth of a new baby and mother's hospitalization. Children also learn age-appropriate skills they can use to help parents care for the baby.

The fee is \$5 per child. Pre-registration is needed. For more information, please call St. Joseph's Community Hospital's New Life Center at 334-8361.

KHS Girls Track Beats Plymouth

After Tuesday's loss to New Holstein, the Kewaskum High School girls' track team bounced back with a 74-60 win over host Plymouth Thursday. Kewaskum won ten of the 17 events -- two relays, five running and three field events. Double winners for Kewaskum were seniors Marni Lynn, Katie Yogerst and Ann Bodden; and junior, Mackenzie Downs.

Marnie Lynn led the distance corp of runners by winning both the 1600m and 800m runs. Lynn led from start to finish in the 1600m run, finishing in 5:40.2. The 800m was an exciting race with K. Born of Plymouth leading until 200 meters to go. Then Lynn passed and outsprinted her foe to the finish line with a fine time of 2:29.8.

Katie Yogerst was also a double individual event winner for Kewaskum. Yogerst won her specialty, the discus with a toss of 112'5" and the shot put with a personal best put of 35'11 1/4", just edging Steinpreis of Plymouth by less than 2". Teammate Rachel Nysse finished third in the shot put with a toss of 35' 2 1/4". Junior Sara Dedert took third in the discus for Kewaskum with a personal best of 92'5".

Another double winner, junior Mackenzie Downs, again won the triple jump with a personal best of 32'4" and helped the 800m relay team edge Plymouth 1:57.3 to 1:57.5. Downs also took third place in the 100m dash earlier in the meet.

Sophomore Jackie Michaels won the 300m hurdles in 53.2 and took second to a Plymouth hurdler in the 100m hurdles earlier in 17.4 just ahead of teammate Carrie Wiesner (17.6). Wiesner, who experienced a slight quad pull in the hurdles, did not run in the 800m relay or compete in the 300m hurdles.

The other double winner, senior Ann Bodden, won the 100m dash and also ran a leg on the winning 800m relay team along with Mackenzie Downs, Jenny Fettig and Jenny Jagielski.

Sophomore Carol Neumann came from seven seconds behind in the 3200m relay to give Kewaskum the win by running a 2:31 split. Neumann teamed with Emma Chambers, Michelle Sager and Jenny Immel in the 3200m relay.

Neumann, not 100% after the 3200m relay, also later took second place in the 1600m run with a time of 6:21.7.

Chambers ran the 3200m run in 14:20.8 to finish first and secure her first KHS win in this event.

Jamie Gaffke took second in the 400m dash with a time of 1:10.5. Other seconds were Jessica Repovsch 4'4" in the high jump, Jill Wichtoski 12' 11 3/4" in the long jump, and Jenny

Jagielski 29.8 in the 200m dash.

Michelle Zingsheim ran 1:13.7 in the 400m dash for third and Wichtoski jumped 27'0" in the triple jump also for third place.

On Tuesday, April 29, both the girls and boys track teams competed in the Washington County Outdoor Championships at Slinger and then on Friday, May 2 at the Pewaukee Invitational.

TOWN OF FARMINGTON MONTHLY TOWN MEETING

The Town Board of the Town of Farmington will hold their regular monthly meeting on Tuesday, May 6, 1997 at 8 p.m. in the Town Hall, 9422 Hwy. 144, Kewaskum.

KHS Girls Track Team Defeated by New Holstein

The visiting New Holstein girls track team served notice that they are going to be a force in the Eastern Wisconsin Conference this year as they defeated Kewaskum by the score of 82-53 on Tuesday, April 22.

New Holstein won all four relay events (3200m, 800m, 400m and 1600m) and thus scored 20 points to zero for Kewaskum. Besides the four relay wins, New Holstein also won six individual events and placed second nine times. Kewaskum won seven individual events and placed second four times but could not overcome the speed and depth of New Holstein.

Highlights for Kewaskum include the first place by Katie Yogerst in the discus with a fine toss of 117'9" and second place by Rachel Nysse in the shot put with a toss of 34' 6 1/2". Yogerst took third in the shot with a put of 33' 6". Kohlman of New Holstein set the standard with a throw of 37' 1 1/2" in the shot put. Sara Dedert threw 90'1", good for third place in the discus.

Mackenzie Downs won the triple jump with a jump of 31' 7", while teammate Jill Wichtoski took third with 28' 8 3/4".

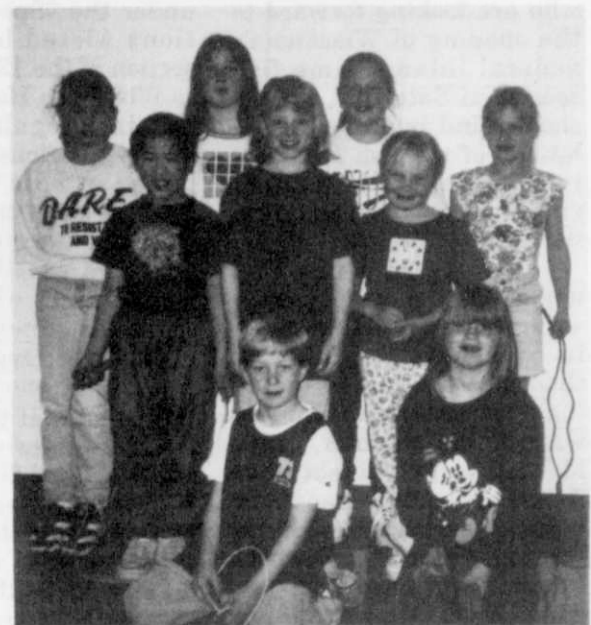

Carrie Wiesner won the 100m hurdles in a good time of 17.1 and Joanne Thull took third in 17.6. Wiesner also won the 300m hurdles in 51.3 and Thull rallied to take second in 56.3.

Carol Neumann, running the 1600m run without teammate Marni Lynn, won the metric mile with a time of 6:02.0. Lynn was switched to the open 400m dash, where she placed second with a good time of 1:06.4.

District Speed Jump Rope Contest Finalists

Practicing for the District Speed Jump Rope finals are fifth grader Melissa McKee, right, and third grader Liz Harris, both from Farmington.

Finalists in this year's Speed Jump Rope Contest in the Kewaskum Elementary Schools were, front, left to right: Ben Butler (KES - Grade 1); Tina Gutjahr (WES - Grade 1); middle row: Brianna Rahoy (FES - Grade 1); Jessica Butler (FES - Grade 4); Bridget Dreher (KES - Grade 2); back row: Melissa McKee (FES - Grade 5); Liz Harris (FES - Grade 3); Nicole Sabish (WES - Grade 5), Caytlin Sprinkman (WES - Grade 3).

KHS Boys Track Team Defeated by Plymouth

The Kewaskum High School boys' track team needed more numbers, more speed, more strength and like Tim the Toolman Taylor, more power to compete with the likes of Plymouth's boys track team. Final score of the dual track meet was Plymouth 124 - Kewaskum 17.

ger Dave Donath smacked a three-run homer to give the A's the lead by a 4-2 margin. Plymouth plated a run in the eighth to tie the score at five. It stayed that way until the bottom of the tenth.

Tim Schroeder led off with a triple. Erik Kraemer hit a single through the infield to score the winning run for Kewaskum. Last season's mound mainstays Shawn Schneider, Bob Bothe and Ryan Hall each pitched three innings while Kenny Immel worked the tenth to pick up the victory.

The weekend split left the A's with a 2-1 mark to close the exhibition portion of their season. League play begins this weekend. On Saturday, May 3, the Athletics travel to Clymen to open 1997 Tri-County Nite League Play.

The Pardeeville Braves provide the opposition on Sunday as the A's open Rock River League play at the Kiwanis Park in Kewaskum. Both games start at 1:30 p.m.

Highlights for Kewaskum included a first place by junior Matt Hammen who received 5'10" in the high jump and third place by Brian Liegl in the discus with a personal best toss of 142'.

Junior Aaron Nelson, new to track as a junior, placed third in the 3200m run with a personal best time of 13:06.1. Other places for Kewaskum were thirds by Josh Rieder in the 100m dash (13.2) and 400m dash (1:06.8), Sean Cotter in the high jump (5'6") and Eric Schoedel in the 1600m run with a personal best 5:26.7.

The KHS boys' track team were busy preparing for the tough Washington County Outdoor Championships at Slinger on Tuesday, April 29, and then for the Pewaukee Invitational being held on Friday, May 2.

If you suspect you have a gas leak, do not light a match to try to spot it. Instead, lather the suspected area with soapy water so that the escaping gas will cause bubbles and pinpoint the danger area.

Athletics Split Exhibition Pair

The Kewaskum Athletics split a pair of exhibition games over the weekend. Forest beat the A's soundly by a 10-1 score on Saturday. Mike Seible held the home team in check after the A's scored a run in the bottom of the first inning to tie the score. After that it was all Forest as they steadily built their lead to the final 10-1 tally.

Sunday was a different story with a happier ending. Kewaskum upended former Land-O-Lakes rival Plymouth by a 6-5 score in a ten-inning thriller. The lead switched back and forth several times. The Flames scored twice in the top of the third to take a 2-1 lead. The lead was short-lived however.

With Doug Gonring and Terry Koth on base, Mana-

Anglers Should Enjoy Improved Walleye, Bass Fishing When Season Opens May 3

MADISON -- Anglers who are looking forward to the opening of Wisconsin's general inland game fish season on Saturday, May 3, should find improved populations of walleye and bass in many state lakes and rivers, according to state fisheries specialists.

"The outlook for walleye anglers is very good because we had strong year classes in both 1994 and 95, and those fish will just be reaching a catchable size in many waters this summer," says Mike Staggs, director of fisheries management and habitat protection for the Department of Natural Resources.

Walleye anglers need to be aware of new size and bag limits that are in effect on 207 of the state's 1,500 walleye lakes and rivers. The new regulations are aimed at matching bag and size limits to varying walleye growth patterns and population densities found in different types of water bodies in the state. Anglers in the north must also check for reduced daily bag limits on specific waters due to Chippewa spearfishing declarations. The daily possession limit remains at five walleye.

While most waters in Wisconsin will retain the 15-inch minimum length and daily bag limit of five, there are several new categories of size and bag limits. The waters that have spe-

cial regulations are listed under the "Special Regulations Listed by County," section of the 1997-98 Guide to Wisconsin Hook and Line Fishing Regulations. The new regulations will also be posted at boat landings on affected lakes and rivers.

Bass anglers should also find excellent fishing opportunities when the season opens statewide on May 3. However, anglers fishing the northern zone are reminded that the season is catch-and-release only through June 20.

"Our research keeps showing that the bass fishery continues to improve. As a result of the minimum size limits adopted several years back, bass populations just keep getting better and better. We expect that people will see very good bass fishing throughout the state this year," Staggs says.

Spring weather is cooperating better than it did last year when many of the northern lakes were still locked in ice for the season opener. Lakes in northwestern Wisconsin began to open within the past week, and lakes in the north central and northeast tend to open up a week to 10 days after lakes in the northwest.

"While there is a good likelihood lakes will be open, a drop in temperatures up north could prolong the thaw. Anglers

should call ahead to northern destinations as the season approaches to make sure their favorite waters have opened up," Staggs says.

DNR recreational safety specialists remind boaters that cold water temperatures are a good reason for all boaters to consider wearing life jackets, or Personal Flotation Devices (PFD). While boaters are only required to have one wearable life jacket for each person on board, safety specialists point out that wearing a life jacket will help insulate the body from cold water should an angler go overboard.

The new early catch-and-release trout season that opened statewide on March 1 should help pressure on trout streams on May 3, when trout anglers may begin keeping fish.

"One of the primary objectives of the early catch-and-release season was to help reduce fishing pressure on opening day," Staggs says. "Many trout anglers have already had a couple months of fishing, so we expect there will be less fishing pressure May 3 on many streams."

Fibromyalgia Support Group to Meet

The Fibromyalgia Support Group sponsored by St. Joseph's Community Hospital of West Bend is meeting Monday, May 5 from 7 to 8:30 p.m. in the hospital's fourth floor east conference room. There is no charge.

Psychologist Dr. George R. Jacobson of the Medical College of Wisconsin will speak on relaxation techniques and pain control through hypnosis.

Fibromyalgia is discomfort and pain surrounding the muscles. Some of its
