**Children to Lead Historic Decoration Day Parade
Farmington Sesquicentennial
Celebration on Memorial Day**

Farmington Township is celebrating its Sesquicentennial throughout 1997. A special event is planned with lots of family activities on Memorial Day, Monday, May 26, 1997.

The day will begin at noon with a Sesquicentennial Program inside Turner Hall in Fillmore. The guest speaker is former town chairman, Norbie Dettmann.

During the program, the newly designed Farmington Flag will be presented to the current Town Chairman. The Kewaskum High School Band will participate by playing patriotic songs.

Following the program, everyone is invited to participate in a once-in-a-generation reenactment of the historic Decoration Day Walking Parade. Students

from Farmington Elementary School will lead everyone to the Fillmore Union Cemetery, carrying flags and homemade wreaths to honor war veterans.

The Waubeka Flag Day Post #7037 will participate in the cemetery tribute. The Decoration Day parade was a tradition that began shortly after the Civil War, in both Boltonville and Fillmore and continued every year on Memorial Day until the 1960's.

During the production of a special school project on collecting and publishing oral histories, a collaboration between the Farmington Landmarks Commission and Kewaskum High School, resulting in the award-winning book, *A Walk Down Memory Lane*, it was noted by editors that a popular reoccurring memory of residents and former residents was that of the Memorial, or Decoration Day Walking Parade to township cemeteries to honor war veterans.

This precious memory

was the catalyst in determining the course of the Sesquicentennial Celebration. A committee was formed and sanctioned by the town government to go ahead with plans to commemorate the town with a special once-in-a-generation reenactment of the traditional walking parade.

With these memories, we not only capture the days of not-so-long-ago, but share them with the next generation as a means of not only preserving a tradition, but also encouraging our children and grandchildren to carry with them a link connecting the past to the future in hopes they will continue to seek out and pass on traditions of their own.

Other special memories of residents and former residents were the softball games, picnics and dances to which townspeople would gather to visit. The grand picnic celebration will take place at the grounds of Turner Hall immediately

**The Gateway Supper Club
And Lounge Opens Here**

By Sharon Callaway Roznik

You won't recognize the place. After extensive remodeling of one of Kewaskum's most treasured landmarks, the Gateway Supper Club and Lounge opened its doors for business last Wednesday, and the former Glacier Inn is once again a key player in the community, promising great fun, excellent food and an atmosphere that rivals the best restaurants in Washington County.

Owners Gary and Linda Gavin, and Scott and Annette Erickson, can now breathe a sigh of relief, as massive efforts to complete the remodeling of both levels of the brick building, which began in February, met the deadline of reaching completion before Memorial Day.

The community, playing the role of spectators in the progress, watched with interest as mountains of old interior were carted away to make room for two levels of dining, an expanded bar area, and banquet facilities. If those old walls could talk, they'd reveal a history dating back to the beginnings of the village of Kewaskum, when daily life centered around a growing business population.

According to the History of Washington and Ozaukee Counties, published by the Chicago Western Historical Co. in 1888, the village of Kewaskum was a thriving trade center by 1881, with a population exceeding 500. Listed as one of six hotels, S. Witzig's Hotel, located on the corner of Main Street

and Fond du Lac Avenue, was one of the most popular meeting places in town. Although much of its early history has not been recorded, the building became the Republican House near the turn of the century.

Sebastian Witzig sold his hotel to John Strobel, and it later changed hands and was owned and operated by Mr. and Mrs. William Schultz. Mrs. Schultz's brother, Art Schaefer (who was also part owner of the Kewaskum Statesman) had a room upstairs in the hotel.

One of Kewaskum's longtime residents, Dorothy Martin, remembers her days as a waitress at the Republican House in 1939, when she was 17 years old.

"It was one of the big meeting places in town, and men liked to come there to play pool, and there were big wooden tables set up where they gathered to play cards. There weren't many jobs for women in those days, and being a waitress meant you did everything, cleaned the restaurant and the rooms, helped with the cooking, made the beds, and did all the laundry. Chickens were purchased live by Mrs. Schultz and they had to be butchered and cleaned. Ten rooms were located upstairs and rented out to boarders at that time, mostly men, a few young couples, and teachers, including Mr. Furlong, and high school principal Mr. Skaliskey. At that time, the second floor was attached to the building next door, which housed a barber shop. When Mrs. Schultz

Memorial Day Parade, Program Here

On Monday, May 26, the Robert G. Romaine Post No. 384 of the American Legion will hold their annual Memorial Day Parade and ceremony.

The parade to honor those who gave their all will be held at 9 a.m. beginning at the Kewaskum High School and proceeding to the American Legion on Fond du Lac Avenue in Kewaskum. A short memorial service will be held there.

All Legionnaires, fire department members, Boy Scouts, Girl Scouts, 4-H youth groups, etc., are invited to march in the parade honoring our war dead. Participants are asked to meet in front of the Kewaskum High School at 8:45 a.m.

The parade route is from the high school to Third Street, south along Parkview to Main Street, west on Main Street to Fond du Lac Avenue and north to the Legion grounds, where the ceremony will then be held.

In case of rain, the program will be held in the high school auditorium at 9:30 a.m. Marching groups will assemble in the halls and march into the auditorium.

The Memorial Day address will be delivered by SSG

David J. Irwin, whose 14 year military career includes participation in operation Just Cause, the invasion of Panama and Operation Desert Storm (Kuwait). His service to his country has earned SSG Irwin several awards and decorations. He is currently assigned to United States Recruiting command.

**Kettle Kountry
Kolers Meeting**

Kettle Kountry Kolers committee chairmen and committee members are reminded that a planning/organizational meeting has been scheduled for 7 p.m. Thursday, May 22, at the Kewaskum Statesman office, 250 Main Street.

All committee members are encouraged to attend, as much still remains to be accomplished. Anyone wishing to become involved that is willing to help or just has a few ideas to share is welcomed to attend.

**Plan Village
Rummage Sale
For June 28**

The annual Kewaskum Village Wide Rummage Sale will be held on Saturday, June 28 from 8:00 to 4:00 p.m. Hopefully by then we will have warmer weather.

We intend to advertise in seven area newspapers to insure a large crowd. Cost to sign up will be \$3.00 which will cover all the advertising, and printing and distribution of maps. Please call 626-4369 after 4:00 p.m. to sign up.

The deadline for being included on the maps will be June 18th. Don't delay sign up now.

**Friday
Deadline**

Due to the Memorial Day holiday, please be aware the deadline for **ALL** advertising and news is 12 noon on Friday, May 23. Our normal deadline is **NOON ON MONDAY.**

When you ask us to accept copy after our deadline, we truly would like to accommodate you, however, every late item, every late ad, backs us up considerably, and consequently, we cannot devote the proper time to other photos and articles submitted on time. Your cooperation is appreciated greatly.

Open House at Legion On Memorial Day

The Kewaskum American Legion Post #384 will be hosting an open house on Memorial Day, Monday, May 26th.

The open house offers the public an opportunity to view the newly remodeled Legion hall. Both the main floor and the lower level have been completely renovated, and the hall is now available for large groups, birthdays, anniversaries, reunions and small weddings, with a seating

capacity of up to 150 people.

Food and refreshments will be available on the grounds, with Legionaries serving a brat fry, immediately following the annual Memorial Day parade and ceremonies, which begins at 9 a.m. at Kewaskum High School, and proceeds to the American Legion Hall on Fond du Lac Ave., where a short Memorial service takes place.

** NOTICE **

The Village of Kewaskum Municipal Building will be closed on Monday, May 26, 1997, in observance of the Memorial Day Holiday. Regular business hours will resume on Tuesday, May 27.

Normal recycling and garbage collection will also be adjusted. Recycling and garbage collection will be held on Thursday, May 29. Please place recycling and garbage items out before 7 a.m. on May 29. Thank you in advance for your cooperation.

Have a safe Memorial Day!

County Offices Closed for Holiday

The Washington County Offices will be closed on Monday, May 26, in observance of the Memorial Day Holiday.

They will be open for business as usual at 8 a.m. on Tuesday morning, May 27.

Thank you.

Kindergarten Screening

The Kewaskum School District will conduct a screening of children who will enter kindergarten in September, 1998. This screening provides the staff with valuable information in the area of speech, language, vocabulary, vision, hearing, and readiness skills.

While the screening is voluntary, parents are urged to have their children participate. This year the screening will be held June 12, 13 and 14th at Kewaskum Elementary School. If your child is four years old, on or before September 1, 1997, please call the administrative office at 626-8427 between 6:30 a.m. and 2:30 p.m., extension 8001, to schedule an appointment.

This is the only screening administered by the District for students prior to entering kindergarten. Based on the screening results, some students may qualify for the First Steps program for four year olds.

Once the screening is completed, results will be mailed to parents and they may contact the District office with any questions on the results.

Kewaskum Girls Scouts Earn Gold Award

Girl Scouts from Troop 625, Kewaskum, have earned their Girl Scout Gold Award. The Girl Scout Gold Award is the highest achievement for girls in Girl Scouting. Requirements to earn this award demand efficient organizational, time management, and leadership skills.

For their Gold Award Project, the girls planned and recruited the help of volunteers to construct two orienteering trails at Manitou Girl Scout Council properties, Camp Evelyn and Camp Manitou.

The girls also developed and printed, *how to manuals*. The girls each logged more than 70 hours on this

project. The more than 2,000 Girl Scouts who use these camps will have the opportunity to learn new skills of orienteering by using these trails and the instruction manuals provided.

The Girl Scouts from Troop 625 of Kewaskum who earned their Gold Award include Brenda Yogerst, Kimberly West and Lynelle West, Nicole Enright, Melissa Theusch and Katie Meloy.

The Manitou Girl Scout Council serves more than 5,500 girls and 1,500 adult volunteers in Calumet, Dodge, Fond du Lac, Manitowoc, Ozaukee, Sheboygan and Washington Counties.

Gateway

(Continued from Page 1)

sold the place, the new owners separated the two buildings.

Mrs. Schultz had a reputation for being an outstanding cook. There was no menu, one meal was prepared each day, and served to the boarders, and the public, which often included transient workers such as salesmen, and telephone and railroad crews. Often breakfast was served before 7 a.m., so workers could leave early to get to their jobs.

Her cooking was so well known, that groups of people used to drive up from Chicago by the carload on Sundays just to eat her family style chicken dinner, including homemade rolls and desserts. There was also a demand for her heart shaped wedding cakes, intricately decorated with flowers to match the colors of the bridesmaids dresses. After her husband died, Mrs. Schultz ran the place for several years before it got to be too much for her.

Another of Kewaskum's senior citizens, Isabelle Muckerheide, recalls working at the Republican House during the 1940's as a cook. Al Bruhn owned the hotel, his brother, Werner, served as bartender, and sister Elsie, managed the business, since Mr. Bruhn was living in South America, employed as an engineer for the Panama Canal project. "We served three meals a day, worked hard, but had fun at the same time," Isabelle relates, adding there used to be a veranda with captain's chairs where patrons could sit and visit with each other.

In 1963, Willard and Marge Lynn purchased the Republican House from the Bruhn estate, and changed the name to "The Glacier Inn," because of "the natural terrain for which our Kettle Moraine Forest is famous." The new proprietors did some extensive remodeling and redecorating, and continued to operate the restaurant until it was sold to William Kulas in 1977.

It again changed hands in 1994, to Marlene and Bob

Nagel, which brings us up to the present, when the Gavins purchased the building this past February, after the Nagels decided to retire from the business.

The new Gateway Supper Club and Lounge presents contemporary dining in a relaxed setting, where rich oak woodwork mingles with earth tones of forest green and burgundy, highlighted with brass accents and chandeliers.

A fireplace warms the main dining room, accompanying tables dressed in linens and walls decorated with wildlife prints. With room to seat sixty, this area offers a non-smoking environment for Gateway diners.

A large, oval shaped oak bar is the centerpiece of the restaurant's casual dining spot, with a black marble

bar counter that matches the tabletops circling the brightly windowed room. Ceiling fans, green plants and flowers, and historical photographs depicting Kewaskum's early years, enhance the eating experience.

Scott and Annette Erickson bring a combined 38 years of experience in the restaurant business to the Gateway Supper Club. As the former manager of Dick's Pizzeria in West Bend, Scott created a menu that offers a wide variety of entrees.

"I'll be doing most of the cooking, until we get somebody trained that we feel comfortable with," he states. Annette, who waited for ten years at

Benikes/Walden's Supper Club, will serve as hostess and oversee the waitressing staff. The couple have worked diligently alongside Gavin's crew to complete renovations according to schedule, and decorate the interior, which reflects an eye for fine detail and an atmosphere that lends to the character of the historic landmark.

The restaurant is now handicapped accessible from the south side, and equipped with an elevator to reach the second floor, which offers an upper level for overflow dining, along with rooms for banquets and meetings. Ceilings have been opened up to their original height of ten feet, and the exterior of the old

brick building is brightened with new windows, green trim, a relocated entrance-way, colorful signs, and torch-like lanterns to complete the picture.

The Gateway Supper Club and Lounge will be open for dining Monday, Wednesday and Thursday, 4:30 to 10 p.m.; Fridays and Saturdays, 4:30 to 10:30 p.m. and Sundays from 4:30 to 9 p.m. The restaurant is closed on Tuesday. Future plans include expanding the hours to offer noon lunches sometime this fall. Customers are welcomed on a first come, first served basis Friday nights, except for large groups. Reservations are appreciated the rest of the days.

Memories

The above photograph captures a scene from Kewaskum's past in a view looking east down Main Street. The year is unknown, but a parade, well underway, has drawn a large crowd, and horse drawn carriages line the side streets. This new support group will be having something fun this month. Remember, there isn't any membership, or any fee. Any, and all are welcome. "GARDEN BEGINNINGS: is the theme.

An exterior designer, Sue Steinhafel, will be giving Perennial Advice to inspire and educate. Sue will show us the top 10. A free perennial will be given to the first 20 enthusiasts. Come enjoy a night of fun and friendship, on Tuesday, May 27, at 7:00 p.m.

It will be held at the Community Room in the Municipal Building, at 204 First Street. Any questions please call Jean Kopecky at 626-2734. See you there!

AAL Scholarship Awarded To Eileen Kohlwey

Eileen Kohlwey

Edgar A. Roehrborn, District Representative for Aid Association for Lutherans (AAL), is pleased to congratulate Eileen Kohlwey, daughter of William and Susan Kohlwey, as a recipient of an AAL All-College Scholarship. From over 6,300 applicants, Eileen was one of the 1,000 chosen to receive a scholarship.

AAL is a fraternal benefit society -- an organization of Lutherans and their families that combines financial security with opportunities for members to help themselves and their communities.

As part of its commitment, AAL maintains one of

the country's largest privately funded scholarship programs, awarding \$4.75 million annually to over 3,000 members. It is an honor for Eileen to be among those AAL scholarship recipients.

Program standards are high. AAL scholarship recipients are chosen by an independent panel of college admissions directors. The panel carefully reviews each student's academic record, leadership qualities, church and community involvement, participation in extracurricular activities, references of school counselors and the student's own statements.

30th Anniversary

Nancy Marton (Lord) and Leonard Andrew Malvick will be celebrating their 30th Wedding Anniversary on June 3rd, 1997. In honor of the occasion a celebration is being held on Sunday, June 1st, from 12:30 to 5:30 p.m. for family and friends at "The Threshold" Pavilion.

Nanc and Len have two daughters, Allison at the University of Stevens Point with a double major in Natural Resources and Biology going for her masters degree; and Blythe, a junior at West Bend West.

Len is a Quality Control Inspector at Wisconsin Machine Tool, in Milwaukee, full time. Nanc is employed as a Secretary for Fran Wajer Realty and S.F. Labs in Milwaukee as a Lab Technician.

The family volunteers for the ARC of Washington County, Lac Lawrann Nature Conservancy, Washington County Humane Society, Easter Seal Society, Environmental Earth Week Clean-up, are members of St. Johns UCC in Boltonville and the West Bend Moose Club, plus they have traveled throughout the United States.

Before moving to West Bend the family lived in Kewaskum and Milwaukee.

May Kiwanis Students of the Month

Misty Luedtke

Katie Yogerst

Kewaskum High School seniors Misty Luedtke and Katie Yogerst have been named May's "Kiwanis Students of the Month."

Misty Luedtke has been quite active during her years at KHS. Artistically, Misty has participated in band, choir and art, each for two years. Athletically, she has been involved in volleyball (two years), soccer (two years), and fastpitch softball (four years). Misty is also a three-year member of FHA and in her second year as a member of the National Honor Society.

Misty's enjoyment of softball will extend to the summer, as well. She has played in Beechwood summer baseball for much of her life, and this year, may play for a team in West Bend. Last year's team even travelled to South Carolina for a world softball tournament.

Summer has also found Misty on outreach programs with her church, West Bend Community Church. Last year she went to Charlotte, North Carolina to work with inner city children. This summer, she may visit Mexico on another outreach.

Misty also manages to squeeze in time for work at a number of different jobs. She works at Beechwood Cheese, Tweber's ("They make bug barns"), on the family dairy farm, and at the family's Luedtke Tree Planting.

Next year Misty plans on attending Concordia College in Mequon to pursue a career in Elementary

Education.

Katie Yogerst also has an extensive list of activities at KHS. Katie has played her contrabass clarinet in Honors Band, was Lady Rowena in this year's KHS musical, presided as president of the German Club, played basketball for four years, and for two years, has been a member of the National Honor Society.

Additionally, Katie was in cheerleading for four years (once being named MVP of the squad), and track for four (she even captured second in State with a school-record discus toss of 128'9"). Recently, she has travelled with the Swing Choir on trips to Florida and the Menomonie Tribal School in northern Wisconsin.

Away from school, Katie enjoys the outdoors. She plays baseball with the Allenton AYO team in the summer months, and she also likes family gatherings at the family cottage up north, where she can fish, hunt and water ski. She even holds part time jobs at Fleet Farm and Dairy Queen (she recommends the "peanut butter cup with strawberry" Blizzard).

This coming fall, Katie will attend Concordia College in Mequon to study radiologic technology.

ABC SKAT RESULTS

The winner at skat played at the Town of Scott Hall on Tuesday, May 13th was: Francis Gilboy, 15-1-14 net.

School District's Third Grade Reading Results Highest in Washington County

By Sharon Callaway Roznik

The test results are in, and administrators of the Kewaskum School District had reason to boast at this month's school board meeting after a review of how students performed in assessment tests indicated third grade reading results may be the highest in Washington County.

Beginning in October of 1996, students were administered a battery of assessment tests as part of a mandatory state testing program designed to show student understanding of language arts, mathematics, science and social studies.

The Wisconsin Student Assessment System (WSAS) program examinations were given to students in fourth, eighth and tenth grade, with third graders participating in the reading test this past March. According to George Allmann, district assessment coordinator, these tests give parents a chance to see how students are achieving and how well that achievement compares to the state and national levels.

"We really tried this year. We did everything we could to create the proper testing environment, and I think our results show we really did well as a district," Allmann told the school board. All students who scored below the 25 percentile were retested, and only three students failed to meet the 25% ranking on the retest.

Kewaskum third graders scored 97.1% in the WSAS reading test, well

above the statewide performance standard of 87.1%. No students in Kewaskum achieved below the standard, compared to the state's 6.2% that tested below the performance standard. Examples of how other surrounding districts compared include West Bend - 89.7% above, 3.2% below; Kiel - 79.6% above, 6.5% below; Plymouth - 84.6% above, 8.0% below; Sheboygan Falls - 95.9% above, 1.0% below, and Milwaukee - 67.8% above, 20.1% below.

"The teachers have to be credited here," Allmann emphasized. "They're the ones that put the effort forth, and we worked together as a team. Now we'll do the same things in the other areas as well."

District Administrator Dr. Charles Johnson stated that the test results of the fourth, eighth and tenth graders are difficult to reference, since this year's WSAS assessment tests were completely different tests and were reported differently. "What is hard for us to say is we went from this point to this point. Next year we can because it will be the same test."

The following results indicate the percentage of students from each grade who ranked in the top quarter (75-100%); with the WSAS categorizing mastery of a subject at 75% and above. **10th Grade** - Total students tested (164). Reading - 40.9% in top quarter; Language - 40.2%, Math - 48.8%, Science - 38.4%, Social Studies - 40.9%. **Eighth Grade** - Total

Students Tested (141). Reading - 44% in top quarter, Language Arts - 41.8%, Math - 49.6%, Science - 39.7%, Social Studies - 38.3%. **Fourth Grade**. Wayne Elementary - Total Students Tested (20). Reading - 60% in top quarter, Language Arts - 50%, Math - 45%, Science 45%, Social Studies - 65%. Farmington - Total Students Tested (49). Reading - 59.2% in top quarter, Language Arts - 42.9%, Math - 44.9%, Science - 63.3%, Social Studies - 57.1%. KES - Total Students Tested (58). Reading 17.2% in top quarter, Language Arts - 12.1%, Math - 12.1%, Science - 12.1%, Social Studies - 24.1%.

When asked by board member Mary Andera why Kewaskum Elementary scored consistently lower than the two outlying elementary schools, Allmann maintained that the Village of Kewaskum has a more transient population, more apartment buildings, which indicate people on the move. "There's a bond at Wayne and Farmington that's very, very strong. I think there's more ownership there, and as a result, you probably see a greater parental commitment that's coming through." In general, the longer a child remains at the same school, the higher the test results will be.

Mr. Allmann indicated that students falling below the 50% rank were recommended for summer school, which offers a program specifically designed to help students reach their goals in this area.

following the cemetery tribute.

The Turner Hall and grounds are located at 523 Highway H in Fillmore. The Farmington Turner Society originally known as the Farmington Turn Verein has owned the property, which includes the hall and picnic grounds since 1867.

Softball games will take place at 1:30 and 2:30 at the ball diamond on the grounds. The Farmington girls softball teams play at 1:30 and the Old Timer's game with participants, age 40 and over from Boltonville and Fillmore team up to play ball at 2:30 p.m.

Available for children attending the picnic will be some hands-on crafts and kids games.

Landmarks and historic places will be identified as the horse-drawn wagon and carriage rides tour visitors through the Fillmore area. Across the road from Turner Park, St. Martin's 1891 Church will be open for tours, with other Farmington churches offering displays there as well.

Historic reproduction postcards, commemorative T-shirts, magnets, walking sticks, mugs and shot glasses, all with the Farmington Sesquicentennial logo of flag design will be available for sale.

The concession stands located near the ball diamond will be open offering grilled burgers and brats. For the dessert lovers, The Backerei (German word for bakery), will be featuring area homemaker's favorite

desserts.

Inside Turner Hall, you can learn about the past with the Historic Displays that will be offered. The Video Corner will give residents and former residents a chance to document their oral history. A pictorial display of Sesquicentennial Oak Trees will be on exhibit and owners of trees will be recognized at 4 p.m. with Historic Property Recognitions. The day's activities will end with a dance from 3:30 p.m. until 6:30 p.m. with music from The Wayne Ohm Band, Art Emig on the concertina.

The Sesquicentennial Committee invites everyone to Farmington to experience the past in celebrating Farmington's 150th birthday. There will be free admission and parking. For more information, contact Lisa Lickel at 692-2135.

"Your Trusted Partner for Life-Long Health"

Generations of Schleifs trust St. Joseph's Community Hospital as a partner in their family's health. It's where their babies were born. Where they came to get ankles mended, and where six-year-old Kelsey had her tonsils out. The staff made Kelsey so comfortable, she didn't even cry, said her mother Gayl.

"The care was excellent and the people were wonderful," said Ella of the caring attention her husband Philip received before his death in 1994.

Area communities are getting bigger, but St. Joseph's still has a hometown feeling that means so much, the Schleifs say.

From stepping stones to milestones in a family's life, we're the community hospital you count on.

'Learn Not to Burn' Will Be Part of School Curriculum

By Sharon Callaway Roznik

As part of next year's curriculum, Kewaskum students in grades kindergarten through third will be participating in a program sponsored by the Washington County Fire Chiefs entitled, "Learn Not to Burn."

Boltonville Fire Chief Joe Enright, president of the Fire Chiefs Association, along with representatives from the Kewaskum, Kohlsville, and Boltonville Fire Departments spoke to the school board about adopting the National Fire Protection Association's curriculum designed specifically for the classroom to help children act more safely through instruction and reinforcement.

"If everything goes right, Kewaskum School District would be the first school district to be 100% involved," stated Mark Hupfer, Boltonville's Fire Inspector. All costs will be covered by the Fire Chiefs Association, and the various fire departments will be available to help answer any questions teachers may have regarding the prepared curriculum.

The Board in unanimous action approved a resolution authorizing the establishment of an escrow account with respect to the general obligation bonds the district issued in 1994.

Funds for the account were derived from the district setting aside \$1.00 per thousand of tax revenue from the 1996 levy.

According to John Mehan of Robert W. Baird and Company, the district will save nearly \$350,000 in interest on the long term debt obligations and reduce by one year the debt payment.

According to Mehan, the total debt reduction will amount to \$844,704.00 over the life time of the loan.

A curriculum change in the district's 6-12 grade social studies program was adopted after Curriculum Resource Specialist George Allmann presented a new outline developed by administration and staff at the middle and high school.

"I think this is an example of teachers working together, making sure that what's happening at the middle school is being built on at the high school," district administrator Dr. Charles Johnson related.

Allmann explained the rationale for the requested change is to provide better continuity between the courses taught at both schools. Implementation will take place at the middle school level next year, and the high school for the 1998-99 school year.

Much discussion centered around a proposed full-time secretarial position that would split duties between the maintenance and athletic departments. Board member Larry

Fechter stated he could not support the half time maintenance end of the position at this time, based on the description of the needs, and his personal experience.

"We've looked at this over the last three months, and we believe this would be a very good move for both areas," Johnson told the board. After the motion for approval failed 6-1, with Tom Timblin voicing his support, board member John Schulte offered a new motion to reduce the position to half time, but still serve both departments.

This motion was withdrawn, after comments indicated the work load would be an enormous weight for one person, and another new motion was introduced by Larry Fechter, for a full year, half time athletic secretary, which passed 5-2, with Goeden and Schulte voting no.

Other recommendations coming to the board from the Finance-Transportation-Building and Grounds committee gaining authorization included upgrading two janitorial positions from school year to full year, promoting the Wayne Elementary custodian to a lead custodian position, and the district groundskeeper position from part time to full time, as well as adding CDB teaching position at the elementary level to meet the needs created by increased enrollment, and expanding the current speech and language position by 10%.

KHS parking permits were also upped to \$10, effective for the 1997-98 school year. High School principal Larry Wilson told the board it will cost about \$150,000 to resurface the parking lot. Board president Jean Goeden asked if students are continuing to park along the side streets, and was told no matter what the fee, there are always students from all grade levels that chose not to park in the lot.

The new chairpersons and members for the vari-

ous board and/or district committees were announced at the meeting, and are as follows: Negotiations/Personnel - Larry Fechter; Finance-Transportation-Building and Grounds - Tom Timblin; Policy-Legislation-Bylaw - Jon Downs; Athletic - Tom Timblin; JET - Mary Andera; SEC (curriculum) - Mary Andera and John Schulte; Human Growth and Development - John Schulte and Lisa Maul (alternate); Special Education - Tom Timblin and Jon Downs (alternate). John Schulte has also been chosen as the CESA representative, and the WASB delegate, with Mary Andera as alternate.

Students of the quarter were announced by their principals as follows: KES - Samantha Duenkel; Wayne - Aaron Breit; KMS - Colleen Gosa, and KHS Peter Jaecks.

Payroll and accounts payable were approved for an amount totaling \$874,992.52.

CHICKEN CORDON BLEU

- 4 chicken breasts, boned, skinned and halved
- 4 large slices ham, cut in half
- 4 large slices Swiss cheese
- 1/2 c. butter
- 2 c. seasoned bread crumbs
- 1 c. cream soup

Melt butter and mix with croutons. In a 9 x 13-inch baking dish, layer ham, cheese and chicken. Top with soup, blended with 1/4 cup water. Top with buttered croutons. Bake at 350 degrees for 1 hour, uncovered.

Civil War Coming to Town

Don't be concerned to find Civil War soldiers marching through the streets of Kewaskum. On Friday, May 23, the eighth grade students and staff of Kewaskum Middle School, along with a group of Civil War reenactors, will participate in the third annual reenactment of a Civil War battle as an exciting educational happening.

This year's reenactment will commemorate the battle at Gettysburg, Pennsylvania, and will take place at Kiwanis Park, but will also include a march -- in formation through the village -- as well as the regimental drilling of students at KMS. The public is encouraged to come out to view this spectacular event.

The day will start at 8:30, when students will be drilled to march in formation (even using wooden guns) as regiments from the Union or the Confederate Army. From there, students will march in their regiments from KMS to Kiwanis Park, where the battle reenactment and other Civil War learning activities will take place.

At Kiwanis Park, student regiments will meet with reenactors to learn more about soldier's camp life, military weapons and uniforms, camp cooking, and civilian life during the Civil War. The battle reenactment and commemorative ceremonies will begin around 12:45 p.m.

The planned schedule for the day, rain or shine, is as follows (all times are approximate):

8:30 - Students divide into North and South regiments.

8:30 to 10 - Student regimental marching drills (at KMS)

10 - March in formation from KMS to Kiwanis Park
10:45 to 12:15 -

Regimental meetings (about Civil War topics)

12:45 - Battle reenactment

1:15 - Dedication ceremony (Taps, reading of the dead, Gettysburg Address, visiting dignitaries)

2 - March back to Kewaskum Middle School.

It promises to be a day full of unique and exciting activities, so come on out to see what the Civil War -- education -- and Memorial Day -- is all about.

Avoid hurry: always do it yesterday.

"In Flanders' Fields, the poppies grow..."

So begins a poem which describes the flower-filled field in France where many U.S. soldiers fought and died during World War I.

Since that time, poppies have been made by hospitalized veterans to commemorate all those who served in the U.S. Armed Forces.

Members of the Ameri-

can Legion Auxiliary Post 384 of Kewaskum explained the history and significance of the poppies during recent visits to second grade schools throughout the area. Each child received a poppy to take home to share, along with the memory of a story about those who served at Flanders' Field.

Nigh's to Return Overseas

Former residents, Dave and Barbara Nigh are preparing for another year overseas with the CoMission. The CoMission is an independent venture growing out of the co-operative efforts of more than eighty Christian organizations, and mission agencies. Included in this group are Focus on the Family, Walk Thru the Bible, The Navigators, Moody Bible Institute, and Campus Crusade for Christ, with whom the Nigh's are associated.

The objective of CoMission is to take the gospel of Jesus Christ to parts of the former Soviet Union focusing on the public school teachers. In 1991, as a result of viewing the "Jesus" film, the Russian Ministry of Education requested the CoMission to introduce teachers to a program implementing spiritual values. From this challenge, the "Christian Morals and Ethics Curriculum" as a biblical foundation for society was developed. Because the Bible had been banned for many years, biblical knowledge is very limited and biblical concepts are foreign to many people. The "M & E Curriculum" covers both primary and secondary grade levels introducing the student to God as the Creator and showing how God can and will make a difference in their own life, their family's life, their community and country.

The Nigh's have lived and worked in Kaliningrad, Russia since July 1996. Kaliningrad, a city of 500,000 is the western most part of Russia and is situated on the Baltic Sea bordering Poland and Lithuania. The Kaliningrad region is separated from the rest of Russia and prior to 1946, was part of Germany known as Konigsberg. The city was heavily damaged during WWII and because of its strategic location has been very important militarily through the years.

Even though the population

is over one-half million, Kaliningrad is not a large geographical area because almost all housing is comprised of apartment buildings from 5 to 10 stories. Kaliningrad perhaps has more European influence than the rest of Russia because of its location and German influence prior to the end of the War.

According to the Nighs, they were prepared quite well for the culture shock. Other than not being able to carry on a meaningful conversation with local people, read a newspaper, or listen to a news broadcast, adjusting to life across the ocean was a matter of realizing, "we are here, not at home." Through the help of language tapes and a local teacher, the Nighs were able to learn enough of the difficult Russian language to comfortably shop, use the transportation system as well as other aspects of everyday life. The times spent in the classroom and other functions with teachers, Dave and Barbara had the use of an interpreter.

The Nighs have worked in eight schools, plus the Teacher Retraining Institute with Kaliningrad and in 3 villages 15-20 miles outside the city. Introducing a spiritual aspect to teaching, as well as a spiritual aspect to all of life can be very challenging. "We were warmly received," says Dave. Some of the warmth was no doubt curiosity on the part of teachers as we were the first Americans some of them had ever met and had an opportunity to interact with. As relationships were built, the trust level rose on the part of the teachers, and genuine sharing beneath the surface took place. Small group Bible studies were formed for those who wished to know more about Scripture. The Nighs hosted three different groups in their flat each week. Two groups on Thursday evening and one on

Friday. Barbara tried to prepare a different snack or dessert (all American) each week. They loved it, even the men asked for the recipes.

For the Russian teacher to participate in these programs requires a desire and a high level of commitment. They attended these classes on their own time which is very limited. Most Russian schools operate on a six day week with double shifts - one group of children attends 8-1 and the 2nd group from 2-7. A large number of teachers work both shifts, which makes scheduling very difficult. Most teachers earn around \$100 per month and their salary is usually received 2-3 months after the work is done.

Both Dave and Barbara know their year in Kaliningrad has made a difference in some people's lives, not only for time, but for eternity. Thus, the main reason to return is to impact lives, and to make a difference especially in the spiritual destiny of people who had been denied the truth of Jesus Christ for over 7 decades.

If you would like to know more about the Nigh's work, they will be in the area during the last two weeks of May and could be reached at 334-4860. The purpose of this event is to visit current supporters and to raise support for the upcoming year. During June, the Nighs will be in Florida, visiting supporters there and they'll be speaking in various churches and sharing how God is working in Russia. They then will return to Wisconsin in July to visit family and friends before departing overseas for another year.

If you desire to send a support gift, please make your tax-deductible check payable to Campus Crusade for Christ and mail to: Dave Nigh, 3005 Canoe Creek Rd., St. Cloud, FL 34772.

GENERAL LOGAN'S MEMORIAL ORDER

General Order No. 11

Headquarters, Grand Army of the Republic
Washington, D.C., May 5, 1868

I. The 30th day of May, 1868, is designated for the purpose of strewing with flowers or otherwise decorating the graves of comrades who died in defense of their country during the late rebellion, and whose bodies now lie in almost every city, village, and hamlet churchyard in the land. In this observance no form or ceremony is prescribed, but posts and comrades will in their own way arrange such fitting services and testimonials of respect as circumstances may permit.

We are organized, comrades, as our regulations tell us, for the purpose, among other things, "of preserving and strengthening those kind and fraternal feelings which have bound together the soldiers, sailors and marines who united to suppress the late rebellion." What can aid more to assure this result than by cherishing tenderly the memory of our heroic dead, who made their breasts a barricade between our country and its foe? Their soldier lives were the reveille of freedom to a race in chains, and their death a tattoo of rebellious tyranny in arms. We should guard their graves with sacred vigilance. All that the consecrated wealth and taste of the Nation can add to their adornment and security is but a fitting tribute to the memory of her slain defenders. Let no wanton foot tread rudely on such hallowed grounds. Let pleasant paths invite the coming and going of reverent visitors and found mourners. Let no vandalism of avarice or neglect, no ravages of time, testify to the present or to the coming generations that we have forgotten, as a people, the cost of free and undivided republic.

If other eyes grow dull and other hands slack, and other hearts cold in the solemn trust, ours shall keep it well as long as the light and warmth of life remain in us.

Let us then, at the time appointed, gather around their sacred remains and garland the passionless mounds above them with choicest flowers of springtime; let us raise above them the dear old flag they saved from dishonor; let us in this solemn presence renew our pledges to aid and assist those whom they have left among us as sacred charges upon the Nation's gratitude, -- the soldier's and sailor's widow and orphan.

II. It is the purpose of the Commander-in-Chief to inaugurate this observance with the hope it will be kept up from year to year, while a survivor of the war remains to honor the memory of his departed comrades. He earnestly desires the public press to call attention to this Order, and lend its friendly aid in bringing it to the notice of comrades in all parts of the country in time for simultaneous compliance therewith.

III. Department commanders will use every effort to make this order effective.

By command of:
JOHN A. LOGAN,
Commander-in-Chief

N.P. Chipman
Adjutant-General

KHS Is Searching for Past Reunion Organizers

If you were an organizer for any past Kewaskum High School class reunion, KHS could use your help.

As part of compiling a comprehensive KHS graduate directory, KHS is seeking lists of the most recent information available on all past students, as far back as the 1930s. Any persons with such lists are asked to contact the high school.

Each person found on the list will be contacted through the mail to give their consent to be included. Those grads can also add any updated information to share with former classmates (for example: address, phone, names of fam-

ily members).

The directories are being published at no cost to the school through an agreement with the Harris Graduate Connection, an organization which has developed similar directories for over 700 high schools nationwide. Once updated lists have been obtained by KHS, directories will take about 14 months to complete.

If you have access to such lists of names and addresses, please call the high school at 626-2166. The opportunity to provide a thorough directory of Kewaskum High School graduates is calling.

Big/Little Buddies Sale Proceeds to Beautify KES

Brandon Gitter, left, is just one of the Big Buddies from Mrs. Beal's 5th grade selling brownies and Rice Krispie Treats to purchase flowers and assorted items to help beautify the grounds at Kewaskum Elementary School. Mrs. Beal's students have teamed with Little Buddies from Mrs. Kasten's first grade in a variety of activities throughout the school year.

War Memorial Exhibit Opens Memorial Day in West Bend

On Memorial Day, Monday, May 26, immediately following the West Bend parade and festivities on the steps of the Old Courthouse, the Washington County Historical Society, Inc. will open its second exhibit of 1997 entitled, "Heroes Remembered: Honoring 150 Years of Wartime Service in Washington County."

This special, temporary exhibit will run through the end of 1997 and will commemorate and honor local soldiers, sailors, marines and airmen who lost their lives during U.S. wars.

One of the highlights of the exhibit is a Civil War flag. "Because of the fragile state of this precious artifact, a special display case had to be designed and built," says curator Dan Smith. "Fibers are easily destroyed by ultra-violet light and easily soiled by common things like the natural oils and dirt on anyone's hand. Even though it is already deteriorating, we had to show this piece, but we had to take the necessary precautions too." The flag was made by hand in 1861 by Mrs. Mary Ann Clark Gages Jones, wife of William L. Jones of Jackson, Wisconsin.

Their son, George, was enlisted into Company G, 26th Wisconsin Infantry of the Union Army. According to tradition, Mrs. Jones flew the flag on the occasion of every Union victory.

Other highlights include a World War I nurse's dress uniform, several unique scrapbooks from different war eras, photos and posters, and much more. Society Director, Dave Tanner, indicates that local response to the initial call for loans and donations has been tremendous.

"In fact, there have been so many responses that the staff and volunteers have

not been able to keep up to date with all the contacts." With the exhibit just a short time away, they are now in the final stages of installation.

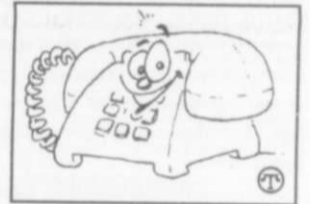

Refreshments will be served at the Old Courthouse, and visitors will have a chance to also tour the Norm Colby Interpretive Center Gallery that opened in April, as well as the renovated Circuit Courtroom, Judge's Chambers and Attorney's Room. The Treasurer's Vault Gift Shop will also be open and features new Memorial Day toys and mementos in addition to other new summer merchandise.

The Society is regularly open for tours and shopping on Tuesdays through Thursdays, 10 a.m. to 4 p.m. and every Sunday from 1 to 4 p.m. Research appointments are available by appointment. For more information, call (414) 335-4678.

DECORATION DAY

The Farmington Sesquicentennial Committee would like to share Melva Birkholz's story about Decoration Day with the Statesman readers. Melva currently lives in Wauwatosa. She was born in Fillmore in 1911 and has written other historical accounts of growing up in the village of Fillmore, one of which is included in the book, "A Walk Down Memory Lane," a documented oral history of the Town of Farmington. It is our hope that your readers will find our Decoration Day tribute interesting and will gain better insight on the true meaning of Memorial Day.

Farmington Sesquicentennial Committee

We called it Decoration Day in the Village of Fillmore where I grew up. We took seriously the day set aside to honor the veterans buried in our three cemeteries. There was the upper, the lower and the old cemetery. Although they had other names, no one ever used them. The teachers and children of our two room school rehearsed for weeks in preparation for the parade and program. The Farmington Turner Society sponsored the ceremonies by providing money for the band and the use of the Turner Hall.

Our village was astir early in the morning of the big day. Still wet with dew, papa cut tulips, lilacs, bleeding heart and other spring flowers and carried them into the cellar to rest in buckets of water until it was time to make a wreath for me to carry in the parade.

After breakfast, papa hitched our sleekly groomed Buster to the wagon loaded with a lawn mower (no perpetual care then), pots of geraniums, and a sprinkling can with enough water to prime the pump. After gently slapping the reins across Buster's back we were off to the cemetery to tidy up the family plots. Neighbors and friends were already there, busily planting, mowing or just visiting.

Shortly after noon, the children gathered on the school grounds. The girls came in white dresses over stiffly starched petticoats, white shoes and stockings, and straw hats held in place by a plastic band tucked under the chin, each carrying a wreath of spring flowers. The boys showed up in knickers, fresh haircuts and smartly polished shoes. Flags were passed out to the boys with instructions on how to carry them.

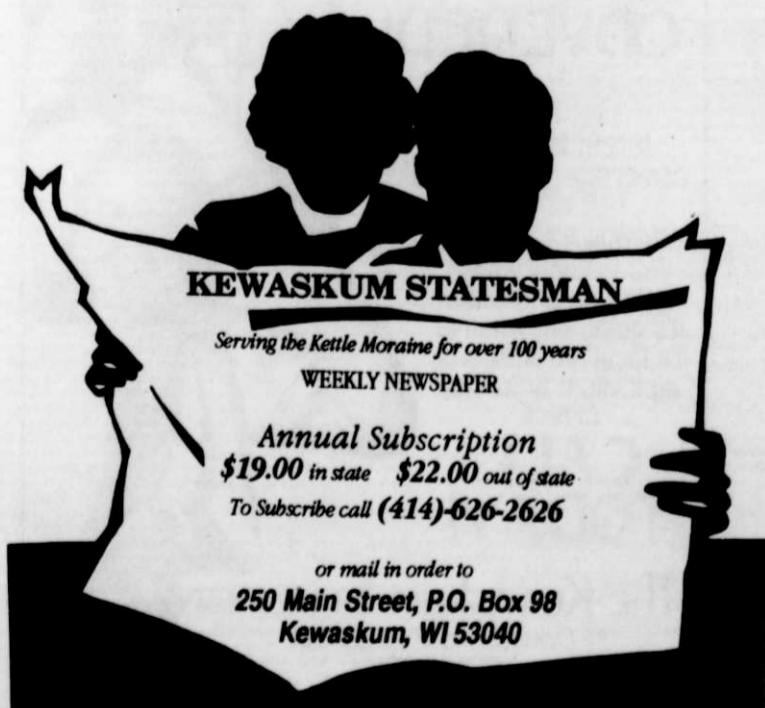

The band assembled in the shade of the box elder trees as the teachers steered the children to their proper place in line. Civil War veterans came first. Most of them very old, but determined to march one more time. Next came newly discharged World War I veterans. At the roll of the drums, we were off. No one ever led a parade more proudly and with more aplomb than Julius Geidel astride his prancing schimmel. What we children lacked in precision marching we made up for in enthusiasm as we kicked up the dust on the unpaved road that led to the Turner Hall.

Sheltered by ancient pines, the hall was cool and shadowy as we made our way down the aisle to our seats. We all stood up to sing America and after the band played a few rousing marches that shook the rafters, it was time for the recitations. With pounding hearts, lest we forget our lines, we waited for our names to be called. In Flanders Field, Barbara Fritchie, and the Blue and the Grey were repeated year after year.

After the program we marched down the hill to the cemeteries. Following a brief eulogy, a flag and a wreath was placed on each veterans' grave. When the Fillmore school closed in 1967, the parade and ceremonies were discontinued. Now the Turner Hall stands empty and silent on Decoration Day. The flags fluttering on the graves of veterans are put there by a member of the Turner Society without fanfare, without music, without a wreath of spring flowers.

I understand the Fillmore Decoration Day ceremonies as I knew them began shortly after the Civil War. I hope the community will revive this worthy tradition.

ELMER G. ZUEHLKE

Elmer G. Zuehlke, 90, of Kewaskum, passed away on Wednesday, May 14, 1997, at St. Joseph's Community Hospital, West Bend.

He was born on December 28, 1906 in the Town of Wayne, the son of the late August and Pauline (Schaub) Zuehlke, and on November 11, 1933, he was united in marriage to Marcella Steiner in Medford.

Mr. Zuehlke farmed all of his life in the Town of Kewaskum, and was an avid fisherman and hunter. He was a member of St. Lucas Evangelical Lutheran Church in Kewaskum.

Survivors include his wife of 63 years, Marcella, of Kewaskum; a son, Norman (Helen) Zuehlke of Kewaskum; a daughter, Marlene Jennings of Slinger; a sister, Ruth Klein, of Kewaskum; six grandchildren; four great-grandchildren, other relatives and friends.

He was preceded in death by a brother, Roy, and an infant sister, Gertrude.

Funeral services were held at 4 p.m. Sunday, May 18, at St. Lucas Evangelical Lutheran Church in Kewaskum with Rev. Edwin Friedrich officiating. Burial followed in Lutheran Memorial Park in Kewaskum.

Friends called from 1 p.m. until the time of services at the church only on Sunday.

Memorials may be donated to St. Lucas Lutheran Church and School.

The Miller Funeral Home in Kewaskum served the family.

LESTER W. EHNERT

Lester W. Ehnert, 81, of New Fane, passed away on Wednesday, May 14, 1997, at his home.

He was born on August 6, 1915 in the Town of Auburn, the son of the late Frank and Emma (Staeger) Ehnert and on August 28, 1937 he was united in marriage to Esther Rosenthal at Immanuel Lutheran Church in the Town of Scott.

Mr. Ehnert was a life-

long member of St. John Lutheran Church in New Fane where he served as treasurer, trustee, financial secretary, was a member of the Men's Club and participated on the church dart ball team. In his earlier years, he was a member of the Rainbow Valley Baseball League. He was a lifetime farmer in the Town of Auburn and was employed by the Fond du Lac County Highway Department as a maintenance patrolman for 25 years, retiring in 1980.

Survivors include his wife of 59 years, Esther, of New Fane; a son, Richard (Joan) of Campbellsport; three daughters, Barbara (Homer) Justman of West Bend, Cheryl (Harry) Beall of New Haven, Connecticut and Pam (Dennis) Jacak of New Fane; two sisters, Sylvia Keller of West Bend and Irene Bruesewitz of New Holstein; six grandchildren; a great-grandson, other relatives and many friends.

He was preceded in death by four brothers, Glenway, Harry, Milton and Franklin and two grandsons, Michael and Barry Ehnert.

Funeral services were held at 2 p.m. on Sunday, May 18, at St. John Lutheran Church in New Fane with Rev. Mark Eckert officiating. Burial followed in the church cemetery.

Friends called from 4 to 8 p.m. on Saturday at the Miller Funeral Home in Kewaskum and from 1 p.m. until the time of services at the church on Sunday.

Memorials may be directed to St. John Lutheran Church "New" Building Fund.

VERNON A. RHEINGANS

Vernon A. Rheingans, 55, of rural Random Lake, passed away Sunday, May 18, 1997, at his residence.

He was born July 20, 1941, to Halbert and Loretta (nee Thill) Rheingans, and married Judy Truebenbach on Jan. 4, 1964, at St. Martin's UCC, Fillmore.

Vernon was employed and

co-owner of Am-TRACC Inc., Milwaukee, and his favorite hobby was restoring collector cars.

Survivors include his wife; two sons, Kurt (Nancy) of Oshkosh and Steven (special friend Deborah Hendricks) of Sun Prairie; a daughter, Dawn (Aaron) Frank of Oregon, Wis.; three grandchildren, Kara and Jenna Rheingans and Caitlin Frank; his father, Halbert of Random Lake; a sister, Mary Jane (Robert) Kirst of Kewaskum; and other relatives and friends.

Preceding him in death was his mother.

Funeral services were held at 6:30 p.m. on Tuesday, May 20, at St. John's UCC, Random Lake.

Rev. Earl Kruse and David Jerger co-officiated and burial followed in Random Lake Union Cemetery.

Visitation at the church only was Tuesday from 3:30 p.m. until the time of services.

A memorial fund has been established in his name.

The Wilk Funeral Home, Random Lake, served the family.

GARY G. HANSEN

Gary G. Hansen, 40, of Augusta, Ga., formerly of West Bend, died Saturday, May 17, 1997, at Clark Hills Lake, S.C., due to an accidental drowning.

He was born June 11, 1958, in West Bend, to Gene A. and Juanita J. (nee Winget) Hansen.

He attended west Bend West High School, after which he enlisted in the U.S. Army. Following his discharge, he moved to Tampa, Fla. and later settled in Augusta.

Survivors include his parents, Gene and Juanita Hansen of West Bend; four brothers, Jeffrey (Bev) of Kewaskum, Ronnie (Kathy) of Port Washington, Michael (Debbie) of San Antonio, Texas and Brian; a sister, Mary (Jeffrey) Retzlaff of Slinger; aunts; uncles; nieces; nephews; and other relatives and friends.

Preceding him in death were his paternal grandparents, Norma and Arnold Hansen; maternal grandparents, Mary and Alvin Winget; and his maternal step-grandmother, Calista Winget.

Funeral services will be held Thursday, May 22 at 10 a.m. at the Schmidt Funeral Home, West Bend. Pastor

Terry Berg will officiate, and burial will follow in Washington County Memorial Park, West Bend.

Visitation at the funeral home was Wednesday from 5 to 8 p.m., and also on Thursday from 9 a.m. until the time of services.

Those who wish may give memorials to Trinity Lutheran Church, or as family wishes.

Card of Thanks

Thanks to all our neighbors and friends for their many kindnesses to us when our mother and grandmother, Mabel Schmidt passed away. Your expressions of sympathy and caring meant so much to us.

To the Rescue Squad for their prompt and kind response; to Rev. James Eckblad of Immanuel UCC Church of West Bend for his comforting service, Greg Ogi for his singing and Sherry McElhatton for her organ music, and Kewaskum Floral for the beautiful flowers. A special thank you to Larry and Louise Martin of Miller's Funeral Home for their great kindness and help in our time of sorrow.

IN MEMORY

In loving memory of GERALDINE (Geri) GAVIN who passed away seven years ago. May 28, 1990:

In our hearts your memory lingers.
Sweetly, tender fond and true.
There is not a day, dear sister,
that we do not think of you.
The little things you used to do.
The smiles upon your face:
Are memories written in our hearts.
That nothing can erase.

Sadly missed by mom & family.

In Memory Of Zachary

Happy First Birthday Sweetheart...

I wish we could be together.
I wish you were near.
There are so many things I wanted to show you.
And share with you,
Thoughts so dear.
Someday we'll be together Zachary.
Until then, I'll think of you every day,
And keep looking at the pictures of you and daddy and me.

Celebrity Readers Visit KES

Reading to the current second graders is former Kewaskum Elementary School second grade teacher, Mrs. Jeanne Moe.

Paul Pokorski, who races a winged modified stock car, came in his racing suit to read. Here, he chats with School Board President Jean Goeden, and fourth grade teacher (and his wife) Mrs. Pokorski, far right.

Community members came to Kewaskum Elementary to share their love for reading with students recently. As part of the bi-annual "Celebrity Readers Day" at KES, guest readers came to read some of their favorite books.

Some readers brought props (like school secretary Mrs. Fait's real rabbit to enhance *The Velveteen*

Rabbit), some asked students questions about what a story meant to them (like the District Administrator Dr. Johnson's reading of *The Giving Tree*), and others read with the enthusiasm for their book choice evident.

Students were treated to readers as diverse as local business leaders (such as

Charleen Barutha from West Bend Savings Bank) to a stock car racer (fourth grade teacher Mrs. Pokorski's husband) to former teacher Mrs. Jeanne Moe to Bob Bonenfant, the morning man from WBKV radio in West Bend.

Mr. Bonenfant even extended the adventure to the following day's morning

radio program as well. He read names from the class he read to at 7:30 Friday morning, and the first student to call in (Dylan Kenworthy) received a *Pocahontas* video.

Staff and students extend a BIG thank you to all who came to read!

Weekly Meeting of Separated, Divorced

The Washington County separated and divorced support group for men and women meets weekly every Friday from 7:30 to 9:30 p.m. at Sacred Heart Church in Allenton.

Their purpose is to provide a means to share ideas, concerns, support, fellowship and love from a Christian perspective. There are guest speakers, panel discussions, small group sharing and other activities.

The group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

The meeting on May 23 will feature the topic, "Looking for Love in the Right Places" with speaker Debbie Lalau.

"Relationships, Etiquette and Dating," with Paul Sanderson, will be featured at the May 30th meeting.

Regal Ware Inc. has announced that Doris Beimborn and Tim Ryan have been chosen as recipients of the J.O. Reigle Scholarships for 1972. The awards, offered each year to the graduating class of Kewaskum Community High School, have a value of \$2,000 and will provide each student \$500 per year during a four year college course. Doris, the daughter of Mr. and Mrs. Reinhard Beimborn, Route 6, West Bend, will be graduating with high honors. Her ambition is to become a nurse or a doctor after studying at the University of Wisconsin in Madison. Tim Ryan, Route 1, Kewaskum, is the son of Mr. and Mrs. Robert Ryan and was also an outstanding high school student. He plans to attend Rensselaer Polytechnic, Troy, New York. His course of study will be architecture.

The Board of Education voted Monday night to move the two portable classrooms from Kewaskum to the Wayne Elementary School to ease overcrowding there. The cost of moving, hooking them up, and getting them set, is about \$7,000. The portable buildings are now used here for kindergarten classes. According to present plans, the Kewaskum kindergarten classes will move into the lower portion of the present junior high building when junior high moves to

an 8,000 square foot open concept building addition now under construction at the Kewaskum High School.

George Martin, 1199 Kewaskum Street, son of Mr. and Mrs. Marvin Martin, graduated Magna Cum Laude, from Carroll College, Waukesha, with a Bachelor of Science degree. Commencement exercises were held Sunday, May 14. George received a scholarship to Michigan State University at East Lansing, Michigan, where he will continue his studies for a master's degree. Linda Wulff, daughter of Mr. and Mrs. Eldon Wulff, Route 2, Kewaskum, also received a Bachelor of Arts degree at the commencement exercises.

Nineteen eighth grade

boys and girls will be confirmed at the 10:15 a.m. worship service Sunday at St. Lucas Lutheran Church. The members of this Confirmation class are Rita Bergin, James Bilgo, Dawn Boettcher, Terry Buswell, Melodie Dorn, Steven Ebert, Thomas Edwards, Beverly Ehnert, Shirley Gudex, Randall Justman, Maureen Koch, Carl Marquardt, Dale Marquardt, Carol Muench, Nancy Ostrander, Carl Raether, Diane Strack, David Tolonen and Charles Tuttle. Mark Hackbarth will also be received as a communicant member on Sunday. He was confirmed earlier this year as a member of the eighth grade class of Good Shepherd Lutheran Church in West Bend.

From the Past . . . As Kewaskum Watches, Three Cracksmen Flee

The following article from *The Milwaukee Journal*, dated Sunday, May 17, 1936 was brought into the Statesman office by Augie Koch. It just goes to show, this town has always been an exciting place to live.

As Kewaskum Watches, Three Cracksmen Flee

Main Street Crowd Sees Casual Burglar Attack Postoffice Safe, Then Escape Amid Shots

Kewaskum, Wis. -- Kewaskum's "main street" buzzed Saturday night with the tale of three brazen safe crackers who might have been caught but weren't.

Just why they weren't is likely to remain a subject of speculation for several generations, for many townsmen saw the yeggs work diligently on the postoffice safe and even the village's two sturdy officers of the law were on hand with guns drawn.

"I guess everybody was just too damn excited," explained the local editor, Don Harbeck. "Everybody can think of a lot of things now that they should've done but didn't. I think it was that wild shot that hit the building instead of the burglars that let 'the bird out

of the cage."

It Started at 2:30 A.M.

The excitement started about 2:30 a.m. Saturday. August E. Koch, who lives across the street from the postoffice, which is in his father's building, heard strange sounds. He peered through his bedroom window and saw "a tall, skinny guy and two shorties" conversing with each other.

The yeggs didn't converse long. They jimmied the front door and then crawled through the postmaster's window - the one at which he customarily stands each morning with greetings for his daily patrons. Koch went into action, too. He telephoned Postmaster Frank Heppe.

"Hey, Frank," he cried excitedly, "they're robbing your postoffice!"

Heppe telephoned Marshall George F. Brandt and Special Deputy Sheriff George Kippenhan, who runs a garage here. Brandt telephoned Sheriff Joe Kirsch and Deputy Ed Groth at West Bend. They all started dashing for the scene.

Casual Cracksmen

Meanwhile, the cracksmen set a charge of nitroglycerin in the door of the postoffice vault. The citizens who had gathered by this time could

plainly see the men working under the night light, which they had not bothered to turn off.

In a moment or two the safe blowers walked out in front of the building. They were so casual they apparently did not even notice the crowd gathering across the street. They waited until the nitroglycerin exploded, then went back into the building.

Probably 12 to 15 citizens were standing across the street at that time, watching progress of the crime. They didn't know what to do. Everybody waited for someone else to make the first move, and Officers Brandt and Kippenhan talked about "laying a trap" and awaited the sheriff's arrival.

But then Edward C. Miller woke up. He, too, lives just across from the postoffice. Quickly he jumped into a few clothes-just enough so he'd be within the limits of modesty. Then he grabbed a rifle and came up to the crowd of baffled spectators on the run.

"I'll get 'em," he shouted.

Shots Go Astray

He fired at the cracksmen but hit the building, knocking a hole in the brick. Then he fired again, with the same result.

The shooting tipped off the burglars to what was happening. Everybody saw the "skinny guy and the two shorties" duck to the floor to hide.

Brandt and Kippenhan moved up toward the front of the building. They meant to close in--and the devil with the consequences. The marshal's son, George Brandt, Jr., started driving his car around to the rear, to cut off escape in that direction.

They Used a Car

But the desperadoes had had enough. They dashed to the back door, tore it open and ran through the alleys and up a back street. Young Brandt's two pistol shots at them hit a shed. Nobody saw any car leave. All anybody saw was the darkness. But when Sheriff Kirsch arrived and couldn't find the men he said positively that they must have used a car.

The sheriff also found a 15-pound sledge at the back door of the postoffice. He concluded that the cracksmen had tried to get in there first and failing,

went around to the front.

Missing from the postoffice were \$15 cash and a few stamps, which had been left in a cash drawer, and the handle to the vault. The robbers apparently had just knocked the handle off the partly blasted open vault when Miller started shooting. Postal authorities were notified and they said the gang was the same one that recently robbed postoffices at Barneveld and Random Lake.

"We might have caught that desperate gang right here," Editor Harbeck observed Saturday night. "I think it could have been done if Miller hadn't started shooting quite so soon. He's a photographer, you know, and I'm sorry he didn't take a flashlight shot at them instead. Then at least we would have had a good picture!"

Brettingen Selected U.S. National Award Winner

Nicholas Brettingen

The United States Achievement Academy announced recently that Nicholas Brettingen has been named a United States National Award winner in Leadership.

The award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 10% of all American high school students.

Nicholas, who attends Kewaskum High School, was nominated for this

national award by the United States Achievement Academy.

Nicholas will appear in the United States Achievement Academy Official Yearbook, which is published nationally. This is the second time he has won this award. He also won in 1995.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors, and other qualified sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability and recommendation from a teacher or director.

Nicholas is the son of Mr. and Mrs. Jeffrey Brettingen. His grandparents are Mr. and Mrs. Allen Brettingen of Greenfield and Mr. and Mrs. Vern Lorbiecki of Colgate and Lawrence Wergin of Menomonee Falls.

Boys Tennis Team Competing While Still Having Fun Playing

By Scarlett Spagna

The Kewaskum High School boys' tennis team has been working hard this season to achieve individual and team goals while remaining loyal to their good sportsmanship. Whether the outcome is won or lose, each member is dedicated to their overall contribution.

The goals of Coach Jaime Jastrab this season were to motivate each player to improve their returns, ground strokes and serves, and be more aggressive on the court. He has noted an impressive change in the abilities of each student as the season progressed.

Coach Jastrab realizes that this has been a "building year," enforcing the opportunity for future successes. Although the team only has ten varsity and two junior varsity players, their growing strength and determination has rewarded them in big ways.

The positions classified for the team are as follows: No. 1 Singles - Tim Breitag, No. 2 Singles - Josh Gaffke, No. 3 Singles - Josh Seymour, No. 4 Singles - Henrik Lorenz, No. 1 Doubles - Keith Novotny and Robert Feind, No. 2 Doubles - Dave Mertz and Matt Fehlhaber, No. 3 Doubles - Paul Higgins and Jeff Noren, and JV - John Ratzel and Leroy Wilson.

The team's conference dual meet record was 1-7 and their overall season record was 1-9.

At the Eastern Wisconsin Conference tennis tourna-

ment in Sheboygan Falls on May 17, Josh Gaffke placed second for the No. 2 Singles and Henrik Lorenz finished fourth for No. 4 Singles. Keith Novotny and Robert Feind placed fourth for No. 1 Doubles, Dave Mertz and Matt Fehlhaber finished second for No. 2 Doubles, and Paul Higgins and Jeff Noren placed second for No. 3 Doubles.

Inconsistency has been one of the team's greatest weaknesses this year, since the team is young and limited. However, their team-play served to fill any unattended gaps in their performance.

Additionally, positive attitudes of the players have contributed to a unifying effect. Henrik Lorenz

Stern Experience Life in Poland

Jim Stern has found that living in a Polish family as a foreign exchange student provides opportunities not available to tourists coming to, or college students studying in, the country.

A few weeks ago he accompanied his host father on a business trip to Koln, Germany to pick up a new machine for one of the four bakeries his father owns. Since Jim has an understanding of German from his studies at Kettle Moraine Lutheran High School and Polish learned during his six months in Bydgoszcz, I teased him about going along on the trip to translate. Although he said that wasn't the reason he went along, he did understand most of what was spoken in both languages. That trip provided a valuable lesson for Jim: he knows more than he thinks he does. What the Lord has blessed Jim with, the Lord will use.

The last week in April Jim travelled with 60 fellow classmates to London, England. The 28 hour one-way bus trip included a ferry ride across the English Channel. Contrary to what was expected, their whole stay in London was blessed with sunshine and temperatures in the 70's. Better than Wisconsin! The entire group stayed at a 'bed and breakfast' while in London. Can you imagine 60 people at

a bed and breakfast establishment?!

In the US we haven't heard much about the recent incidents of terrorism, mainly attributed to the Irish Republican Army, revolving around the elections for Prime Minister at the end of April. Such incidents were fairly common prior to the election and during the time Jim's group was in England. On their trip in, one of the free-ways they travelled had the traffic diverted due to a bomb on the roadway.

Jim was able to sightsee all the traditional tourist places in London - Buckingham Palace for the changing of the guard; Trafalgar Square with its many pigeons; the National Art Gallery with an extensive Monet exhibit; the Wax Museum where the likeness of der Fuhrer is behind glass and Jim had his picture taken with Benny Hill's likeness (famous British comedian); Piccadilly Circus which is the city center; and St. Paul's Cathedral. He bought a "Wallace and Grommit" (Brit claymation TV series stars) T-shirt and a "Red Dwarf" (Brit sci-fi TV series) poster while wandering the shops of London.

Jim learned that the prices at McDonald's and other fast

food places in London are exactly the same as in America. If the price in US is 69c, in London it's 69 pence. Same price, but about 60% more in cost in London - about \$1.10 US.

One disappointing note about his trip to London, is that Jim lost his camera at the Museum of Natural History. What seems strangely peculiar is that someone who has a photographic memory would lose his camera in the memory sector of the Human Anatomy exhibit of the museum!!

If you are interested in learning more about the exchange program Jim is privileged to participate in, you can contact the District 6270 Rotary Outboard Coordinator, Chris Schellinger, at 644-0052 or me, Jim's Mom (Darlene Stern), at 692-2586.

explained that, "We want to play good tennis, while having fun. It's always a challenge to play the game; to bring the ball back to the right spot. We have to have good strategies and techniques to win the game. It all has to fit together."

Tim Breitag agreed, stating, "We play more for fun. We don't care if we win or lose."

Each member feels that as long as they put forth their desired effort, the outcome will be worthwhile. The opportunity to compete while getting along with each other is important to each participant. As stated by Matt Fehlhaber, "If you try your best, and play as a team, you can have fun in any sport."

Indians to Embark On New Baseball Season

The 1997 Kewaskum High School baseball team will again have a busy season.

With the beginning of a new season comes the enthusiasm of a winning team. The Indians will not be taking the easy road. They start the season on Friday, May 23, with a home game against Sheboygan Lutheran at 5:30 p.m.

On Saturday, they will travel to the Germantown tournament where they will play Germantown in the first game at 8 a.m. Pre-season polls pick the Germantown team as No. 4 in the state. The tournament has eight teams from Southeastern Wisconsin participating.

Next week, the Indians will play on the road on Tuesday, Wednesday and Thursday. On Tuesday, they will travel to Slinger to play the Owls at 5:30. Wednesday, the 28th, the Indians will take a trip to Waukesha to battle Waukesha North, the No. 1 rated team in the Coach's Summer Baseball Poll. The contest will begin at 7 p.m. Thursday, May 29, when they meet up with West Bend East at Regner Park in West Bend for a 5 p.m. dual. The Suns are the tenth-rated team in the preseason poll.

Coach Mark Heise will be starting his fourth year as Head Coach and feels this tough non-conference schedule will be a good test for his veteran team.

Heise said the Indians will need this experience to prepare for a tough Conference schedule which will see a lot of returning talent. "The pitching in our conference will be extremely tough this year. All three All-Conference pitchers from last year are returning. Kyle Raeder from Plymouth was only a sophomore as was Jim Olafson from Sheboygan Falls. Jon Karls, the other First Team, All-Conference player, from New Holstein, will be a senior. Second Team All-Conference pitcher Ken Immel will be returning to the Campbellsport team.

Kewaskum will have a talented group of returning lettermen as well. The Kewaskum pitching duties should be in the

capable hands of seniors Dan Jesserig, Erik Kopecky and Josh Christopherson. (Erik Kopecky was also last year's Second team All-Conference centerfielder).

Other returning seniors, Jason Bartelt (shortstop), Bruce Gundrum (catcher), Mike Danielson (first base), and Kevin Martin (outfield) will be the backbone of the team. Junior Jim Kopecky will play second or the outfield.

Newcomers Jim Broughton, Nathan Mueller, Andy Luedtke, Joe Thull, and Todd Wolfenber will have to step up and fill the remaining positions.

The Eastern Wisconsin Conference will have nine teams participating as Hilbert High School has discontinued its program. Plymouth, Sheboygan Falls, and New Holstein are picked as the top three teams to contend for the conference championship. Campbellsport is entering this season after ending last season as the runner-up to the State Champion South Milwaukee.

Kewaskum is picked fifth in the Conference Coach's Poll. "This is a good incentive for our team," says Coach Heise. "After finishing fourth last year with an 11-7 conference (15-13 overall) record my players don't want a fifth-place finish. They're working very hard to prove the critics wrong."

This year's Junior Varsity will be coached by Rick Schlelein, who will be in his first year at Kewaskum. Schlelein brings eight years of coaching experience to the program. The J.V.'s will play a 16-game schedule in a newly created Conference J.V. program.

When an American says that he loves his country, he means not only that he loves the New England hills, the prairies glistening in the sun, the wide and rising plains, the great mountains, and the sea. He means that he loves an inner air, an inner light in which freedom lives and in which a man can draw the breath of self-respect.

Athletics Sweep

The Kewaskum Athletics swept a pair of well played games over the weekend. The A's beat Tri-County Nite League rival West Bend Barons by an 8-5 score in a game played at the Kiwanis Park in Kewaskum. Sunday they travelled to Brownsville where they scored a 4-1 Rock River League win over the Brownies.

Kewaskum's win over the Barons was keyed by a strong pitching performance by Matt Schneider. Schneider pitched six innings, allowing only two runs on five hits. He struck out two while walking only one.

He received the offensive support he needed as Matt Sternig, Doug Gonring, Tim Gundrum and Dane Dorn each collected two hits. Gundrum also knocked in three runs. Dorn turned in two solid innings in relief of Schneider to go along with his offensive contributions. Doug "Goose" Gonring pitched the ninth to pick up the save. The victory ran the A's Nite League record to 2-0.

The A's received another stellar mound effort on Sunday in their hard fought win at Brownsville. Ryan Hall pitched a complete game. The Brownies managed only four hits good for one run off of Hall. He struck out five and walked eight.

The top of the Kewaskum lineup did all the work with the bats. The first five hitters went 10-21 collectively, scoring all the runs and driving in all the runs. Once again, Doug Gonring did

the heaviest damage. Gonring was three for four including a home run. He scored three times and drove in a run. Scott Donath also came up with three hits in four at bats, good for two rbi. Leadoff hitter Kevin Klahn rapped a pair of singles and scored a run. Ryan Hall completed a big day by getting a pair of hits and an rbi.

Sunday's win improved Kewaskum's record in the Northern Division of the Rock River League to 1-2. Overall the A's have a 5-3 record for the season. The Athletics will next see action Saturday, May 24, when they entertain the Hartford Hawks in a Tri-County Nite League game at 1:30 p.m. at the Kiwanis Park. Kewaskum has a bye on Sunday, but will travel to Hustisford on Memorial Day for a Rock River League contest. That game will also start at 1:30 p.m.

EWSCA NEWS

(PLYMOUTH, WI) Paul Pokorski of West Bend rode the outside groove to his third career Eastern Wisconsin Stock Car Winged Super Modified feature victory in the 30 lap headliner at Sheboygan County Fair Park Saturday night.

Polesitter Craig Schueffner of Sheboygan Falls bolted into the lead on the drop of the green flag. The lone red flag of the event appeared on lap 3 when second year driver Steve Bricker of Two Rivers flipped in turn three.

After the restart, the fifth starting Pokorski used the high line to work his way into the runner-up position on lap 6. Pokorski, who has now won three of the 1st four EWSC Winged Super modified feature races dating back to last season, moved in to challenge for the top spot on lap 11 as Schueffner began to negotiate slower traffic.

Two laps later, Pokorski charged around Schueffner high in turn two to take command of the race. The fifth year competitor maneuvered his way through heavy lapped traffic over the remaining 17 circuits as two-time and defending EWSC Winged Super Modified track champion Pete Ostrowski of Milwaukee raced to the front of the field from his inside fifth row starting spot.

Pokorski went on to take the checkered flag a quarter straightaway ahead of the hard charging Ostrowski, who pulled off a last lap pass of Schueffner to secure second place.

Schueffner finished third, Ken Jay Fiedler of Sheboygan Falls finished fourth after start-

ing seventh and second row starter Billy Kreutz of Kiel placed fifth.

Former track champion Dick Hed of Plymouth claimed a wire-to-wire victory in the 25 lap Limited Late Model feature event.

The 1969 EWSC Winged Super Modified champ cruised over the final five laps to notch his first feature victory of the 1997 season in the non-stop event.

Veldmann placed second, Jeff Fechter of West Bend moved up from the ninth starting slot to finish third, Kohler's Mark Zimmermann finished fourth after starting eighth and Paul Dingel of Sheboygan came from inside the fourth row to finish fifth.

Tim Thompson of Campbellsport earned his second career triumph in the 20 lap Super Stock feature race.

The sixth year Super Stock racer held off Brian Gilles and Dave Horneck over the final three laps to post his first feature win of the new season. Gilles was second, Horneck finished third, Jim Bailey wound up fourth and Kevin Kenealy of Hubertus placed fifth.

Randy Butler of Juneau captured the 15 lap Winged Super Modified B semi-feature. Sheboygan's Steve Ziegelbauer won the 15 lap Limited Late Model semi-feature while Doug Teunissen of Oostburg collected the victory in the 15 lap Super Stock semi-feature.

This Saturday night the EWSC will hold the 13th annual Etchie Bierterz Memorial Night of Racing with extended feature faces in

all three divisions. The special event honors the late West Bend Winged Super Modified champion who won four straight track titles between 1977 and 1980. Time Trials start at 6 p.m. with racing to follow at 7 p.m.

Fishing Season Is Upon Us!

The fisherman who hopes to catch more than occasional straggling bass or walleye will begin by learning something about the lake.

Step one, is the lake map - hydrographic chart - showing the depths of the lake bottom. More than 2500 Wisconsin inland lakes have been surveyed to date. Mapping agencies include the Wisconsin Department of Natural Resources, U.S. Forest Service, C.C.C. and various electric power companies. The complete alphabetical index for these lakes is available.

The listing can be obtained at no charge by sending a self-addressed, stamped (55¢) No. 10 business envelope to Lake Map Section, P.O. Box 5096, Madison, Wisconsin 53705-0096.

Girls Track Team Second at EWC Championships

Kewaskum hurdlers, left to right, Jackie Michaels, Carrie Wiesner and Joanne Thull compete in the 100m high hurdles at the Eastern Wisconsin Conference Track Meet at Chilton. Wiesner won and Joanne Thull placed third and Jackie Michaels came on sixth.

The Kewaskum High School girls' track team finished second at the Eastern Wisconsin Conference Track Championships at Chilton on Thursday, May 15th.

Host Chilton proved that their earlier dual meet win over Kewaskum was no fluke as they outscored the Kewaskum girls, 142-129. Two Rivers finished in third with 112 points, New Holstein was fourth with 99, Plymouth finished with 64, Sheboygan Falls with 58.5 and Kiel with 54.5 points.

As has been the case all season, the KHS girls' team scored big points in the distance races, hurdles, throwing events and jumping events. Without the services of sprinter Jenny Jagielski, who missed the meet due to illness, Kewaskum did not score points in the 200m dash and lost points in the 100m dash and the 800m relay.

Senior distance star Marni Lynn completed a rare individual triple in the 1600m, 800, and 3200m run and scored 26 points for the team.

In the 1600m run, Lynn ran a very good race and led until 50 meters to go, when Brianna Dahm of Two Rivers, who had matched Lynn stride for stride, out-kicked Lynn to win in 5:20.0 to 5:21.4 for Lynn.

"Knowing that she was going to triple, Marni didn't put the competition away

like she normally does," commented distance coach Jerry Gosa. Teammate, sophomore Carol Neumann, finished an impressive third with a good time of 5:36.4.

Before running the 800m run, Lynn and her coach discussed strategy that took into account the finishing ability of the Two Rivers runner. Lynn opened a 30 meter lead on the first lap, while Dahm dropped back into fourth or fifth only to come on strong at the end to finish second to Lynn. This time, Lynn prevailed, 2:25.3 to 2:27.3 for the win.

Carol Neumann finished fifth with a time of 2:31.7. The field was extremely tough in the 800m run with all top eight competitors finishing within nine seconds of each other. "I'm very proud of how Marni handled taking second in the 1600m run. She put that disappointment behind her and came back and ran great in the 800m run and won it," reported Coach Gosa.

With just the finals of the 200m dash after the 800m run, Lynn again stepped out on the track to compete in the 3200m run. With only 10-15 minutes to rest, Lynn came back and ran within one second of her personal best time of 12:10.2. Lynn and Neumann teamed up for 36 Kewaskum points.

Lynn was the only athlete, male or female, who not only tripled in these

three difficult events but placed first in one event and second in the other two. "Marni, as always, gave it everything she had tonight. She is definitely one very talented and tough competitor," commented Coach Gosa.

Junior Carrie Wiesner was Kewaskum's only double winner by winning both the 100m high hurdles in 17.0 and the 300m low hurdles in 50.0. Teaming with Wiesner in the 110m hurdles was junior Joanne Thull who took third in 17.8 and sophomore Jackie

Michaels who took sixth in 18.2. In the 300m low hurdles, Michaels also took fourth in 53.1. These two events gave Kewaskum an additional 34 points.

In the discus, Kohlman of New Holstein edged Katie Yogerst of Kewaskum in a very close contest, 121' 1.5" to 119' 0". Teammate Rachel Nysse placed fourth in 111' 8".

In the shot put, Kohlmann again won the event with a put of 37' 4.5", which came as no surprise to her competitors. Rachel Nysse had a very good night with a season's best 37' 0" throw. The surprise was that Pingel of Chilton threw 37' 1 3/4" for second place and Nysse had to settle for third. Yogerst finished with a throw of 34' 10 3/4" for fifth place. Together Yogerst and Nysse teamed up for 23 points for Kewaskum.

Mackenzie Downs won the triple jump with a personal best jump of 32' 5 1/2". "I know she can jump even farther than this personal best. She has great technique," commented jumping coach Keith Amundson comparing her to school record holder, Ingrid Ankerson.

Jill Wichtoski took second place in the long jump with a good jump of 14' 0" just 2" out of first place.

Ann Bodden took fifth in the 100m dash in 14.1. Senior Jenny Jagielski, runner-up in the 100m dash at

the state meet last year, was definitely missed as she would have competed in not only the 100m dash, but the 200m dash and the 800m relay.

Jessie Repovsch placed sixth in the high jump with a 4' 6" effort.

The 800m relay team of Nicki Schinker, Ann Bodden, Carrie Wiesner and Heather Downs, filling in for Jagielski, finished fifth with a time of 1:59.2.

The 400m relay team of Jenny Fettig, Ann Bodden, Joanne Thull and Jackie Michaels finished sixth in 56.4.

The 3200m relay team of Emma Chambers, Jenny Immel, Michelle Sager and Lauren Steinhardt took seventh in 11:42.6 and the 1600m relay team of Lauren Steinhardt, Jamie Gaffke, Jessie Repovsch and Carol Neumann also placed seventh in 4:41.1.

The only two events that Kewaskum failed to score any points were the 400m dash and the 200m dash, where Jagielski was definitely missed.

"As a team I think we all were a bit disappointed with the second place finish. We were shooting for a 3-pete, however, Chilton, came out strong and ended up on top. We have to give them credit. They generated 142 points, which is a lot at a conference meet in the EWC. I'm still very proud of

Boys Finish Seventh in Conference Championships

Brian Liegl Breaks School Discus Record

Brian Liegl of Kewaskum High School is shown above, throwing the discus to break the school record with a toss of 153' 4" at the Eastern Wisconsin Conference meet at Chilton on Thursday, May 15.

As has been the case all season, the Kewaskum High School boys track team had difficulty competing against the Eastern Wisconsin Conference powers at the conference championships at Chilton on Thursday, May 15.

New Holstein and Plymouth battled each other all night with New Holstein taking home the championship plaque with 178.5 points to 169.50 for Plymouth. Kiel finished third with 104 points, followed by Two Rivers with 76, Sheboygan Falls with 57, Chilton with 39.5 and Kewaskum with 31.5 points.

Almost all the points scored by the KHS boys' team came in the field events due to the lack of

upperclassmen sprinters and few distance runners.

The best individual effort was recorded by senior Brian Liegl in the discus. Liegl, who has been consistent with 130's and low 140's throws, had his best day of the season Thursday. After a 120' throw and a scratch, he contemplated taking only a half circle throw on his last attempt in the preliminaries.

After conferring with the throwing coach, Dave Rizzardi, he decided to take a full circle throw. This proved to be a wise decision, as his last throw in the preliminaries traveled a personal best of 150' 3" and broke the school record of 147' 9" held by Jeff Taylor set in 1989. Then in the

finals, Liegl broke his own record with a 153' 4" throw.

"We knew he definitely had the ability to break the record. He has been working hard all season and it was just a matter of time. I had told him that when it was time to break the record, it would happen," reported head coach Jerry Gosa.

Liegl was definitely a happy athlete after his record breaking throw. His only disappointment was that his best throw of the night placed fourth, 1' 4" out of a third place and a medal.

Competition was extremely tough in the discus. Plymouth placed 1-2-3 in the discus with throws of 167' 6.5", 163' 11", and 154' 8". Liegl's teammate, Matt Gundrum, placed fifth in the discus with a throw of 129' 10.5". "Brian now has achieved one of his major goals for the season and has to continue to work hard on getting through regionals and sectionals," concluded Coach Gosa.

Liegl took seventh place in the shot put with a personal best throw of 44' 7.5". Teammate Matt Gundrum continues to struggle to find the form and distance he displayed at the beginning of the season when he threw 47' 9.5" at the Washington County Outdoor. Gundrum did not place.

Junior Brad Hermann brought home the only medal with his third place tie in the pole vault. Hermann went 10' 6". The winning height was 12' 6".

In the high jump, juniors Matt Hammen and Sean

Cotter, had difficulty with the cold and wet conditions as indicated by the winning height of 5' 11" by Rhines of Kiel. Hammen placed fourth with a jump of 5' 8" and Cotter sixth with a 5' 6" effort. "Matt definitely didn't have one of his better nights," reported Coach Gosa. Hammen had jumped 6' 1" at the Vanderpan Invitational last week.

Senior Brad Luterbach achieved a personal best in the pole vault by clearing 10' and placed eighth. "Brad never gave up. He got discouraged at times, but he never gave up. He has shown good leadership and has been very helpful to the beginning pole vaulters," commented Coach Gosa.

Troy Staehler placed eighth in the 800m run with a time of 2:13.4.

With sprinter Kevin Martin out with a sprained ankle, Brian Liegl was needed to fill a spot on the 400m relay team. The Kewaskum 400m relay team of Aitor Tomas, Troy Staehler, Chris Koth, and Liegl placed sixth with a time of 51.3.

The Kewaskum boys did not place anyone in the top eight in the 100m dash, 110 hurdles, 1600m run, 400m dash, 300 intermediate hurdles, 200m dash, 3200m run, 1600m relay, long jump, and triple jump.

Senior Eric Schoedel dropped three seconds off his best time and ran a 5:07 in the 1600m run. Junior Aaron Nelson dropped 12 seconds and ran a personal best of 12:38 in the 3200m run. Freshman Chris Koth

also, ran a personal best time of 47.8 in the 300m hurdles but also did not place. "It is extremely difficult for the underclassmen and inexperienced runners to compete against this kind of competition," sighed Coach Gosa.

On Monday, May 19 the Kewaskum boys traveled to New Holstein for the Frosh/Soph Conference Championships. Then on Thursday, May 22, Kewaskum will travel to Sheboygan Falls for the conference relays.

this team. They came together after the final score was announced and reflected on their performance. They have good reason to hold their heads high. It is easy to win big, but it is more impressive to see a group of athletes take second with so much dignity," head girls coach Joe Kinney commented after reflecting on the meet over the weekend.

On Monday, May 19, the freshmen and sophomores traveled to New Holstein to compete in the Frosh/Soph Conference Championships.

On Thursday, May 22, the varsity competes in the Eastern Wisconsin Conference Relays at Sheboygan Falls. Field events begin at 3:30 p.m. and running events begin at 4 p.m.
