SINGLE COPY 40¢

Fidelity Environmental Opens Regional Office in Kewaskum

Pictured above, left to right, are Fidelity Environmental area director Mike Davis, office manager Monica Lettow, and area director Chuck Cunningham.

Fidelity Environmental of Skokie, Illinois, has successfully located its second regional office at 1055 Fond du Lac Avenue in Kewaskum this past April, and division managers Mike Davis and Chuck Cunningham propose the new location will enhance the development of their firm throughout the eastern section of the state.

Fidelity Environmental, an asbestos and lead abatement contracting company offers full service environmental contracting with capabilities of working through the midwest. The ten-year-old Skokie firm opened a Madison office in 1994, and located in Kewaskum this year because of its convenient placement between Milwaukee and Fond du Lac, the two major cities where much of their work is performed.

The Wisconsin office employs between 40 and 80 skilled workers, who, along with supervisors, go through a state training program, as well as medical clearance to work in asbestos abatement. The field remains competitive and ongoing, with most of their work taking place during the summer months.

Cunningham points out that the company's clients are equally divided between commercial, industrial and educational facilities. "Since 1987, the federal government has mandated schools to manage their asbestos," he remarked.

Widespread use of asbestos took place during the time span between World War I and 1979, and was heralded as an ideal insula-

tor that could resist high temperatures. The natural mineral was mined for use as far back as ancient Egypt, where it was woven into tablecloths that withstood burning as a means of cleaning.

The extremely strong, tiny fibers are what causes asbestos to be such a dangerous health risk. "The fibers are so small, they can actually lodge between your cells," Cunningham maintains, adding that alternative insulators like fiberglass, mineral wool and calcium silicate base products have now replaced asbestos use in all industries.

Chuck Cunningham, his wife Cheryl, and three sons moved to Wisconsin from the Chicago area in 1991. He joined Fidelity Environmental in 1995 and his job as area director has led him to discover Kewaskum as a very "friendly, helpful and accessible community." He enjoys living in Wisconsin and presently resides in Cedarburg.

Mike Davis is the previous owner of Davis Abatement located in Fond du Lac. He brings to Fidelity 20 years of experience in the field of Asbestos Abating and Contracting. He commutes from Fond du Lac, where he lives with his wife Sarah and their two daughters.

Both Cunningham and Davis live a mutual distance from their new office, with a main warehouse headquartered in Fond du Lac.

Office manager Monica Lettow is a Kewaskum native, who previously worked for Mike when he

owned his own business. She recently re-entered the work force after suffering from "empty-nest" syndrome. Her family includes her husband, Leo, two daughters, and one son.

Fidelity Environmental employs over 250 workers throughout two states during its peak season, as it continues to help clean up the nation's environment for present and future generations.

Kewaskum Kiwanis Celebrating 50 Years of Community Service

Fifty years ago this summer, the Kiwanis Club of Kewaskum held its first meeting.

The first President of the new club, L.N. Peterson is still an active member as is another charter member, Ray Schaefer.

Since that meeting, the club has been active in the community following its motto, "We Build." Support of the local youth activities has included: Boy Scouts, Badger Boys and Girls State, annual scholarships, softball, baseball and football sponsors, purchase of library books, recognition of the students of the month.

The Kiwanis is a visible part of the area and offers assistance in building the community by contributing or supporting: Kiwanis Park, the high school tennis courts, emergency equipment for the Fire Department and Rescue Squad, then be distributed locally to needy families through "Food for Families."

A "Wall of Fame" will be

All Systems Go for 'Big Boom' July 3

Although Kewaskum is still known as a small town, we're gaining a big reputation as hosts of one of the county's most spectacular fireworks displays, always held in honor of our country's celebrated day of independence.

This year, the village plans on upholding that tradition and spectators are once again invited to gather at River Hill Park on Thursday, July 3, for an evening of good family fun, great food, and an after-dark "sky-extravaganza" that promises thrills and chills of thundering light and sound.

The Kewaskum Fire Department will be setting off the fireworks displays at the usual place along the shore of the west bank of the Milwaukee River, with the crowd traditionally claiming their favorite spots up on the grassy hill east of the river.

The Department plans to start firing some aerial salutes before dusk to remind everyone to get to the park early enough to enjoy a bite to eat, chat with friends, and have a "cold one" before the festivities begin. The firemen will be serving their delicious brats, burgers and fries with both refreshment stands opening on

the grounds at 5 p.m.

This year, the evening will be highlighted with the music of "Illusion," playing from 8:30 p.m. to 12:30 a.m. There is no cover charge.

Due to the generous contributions from area residents, this year's illuminating show will be nearly double the size, as the donated monies almost equaled the normal budgeted amount set aside for the fireworks. A list of those who contributed toward making this year's dazzling extravaganza better than ever can be found in this week's paper.

The fire departments asks that you please refrain from bringing carry-ins to the park the evening of the fireworks, and support Kewaskum's Volunteer Fire Department. Beverages will be available on site, with \$1 cans of Miller products.

There's room for everyone at River Hill Park, so bring your family and friends and start the holiday off with a bang...first a burger or two, and then settle into your favorite spot on "fireworks hill" and wait 'til the fun begins after dark.

A rain date has been scheduled for Friday evening, July 4.

on display at the park listing the many activities and achievements of the Club as well as a listing of all of the past Presidents and Charter Members.

Since this is also the weekend of the Firemen/Legion Picnic, there will be an abundance of activities and food available for every age and interest.

The Kewaskum Club, composed of 40 members, represents all areas of community life. Any resident interested in joining the club or learning more about its activities is encouraged to contact Bob Zarling at 626-4970 or the current President of the club, Connie Strand at 334-0564.

Historical Museum, and Village beautification. They also support the schools, hospitals, recognize conservationists and farmers, help the needy, disaster victims and accident victims.

Fund raisers to support their activities include the famous Turkey Shoot, the

Annual Pow-Wow Golf Outing and the Food Stands at Kettle Country Kolors.

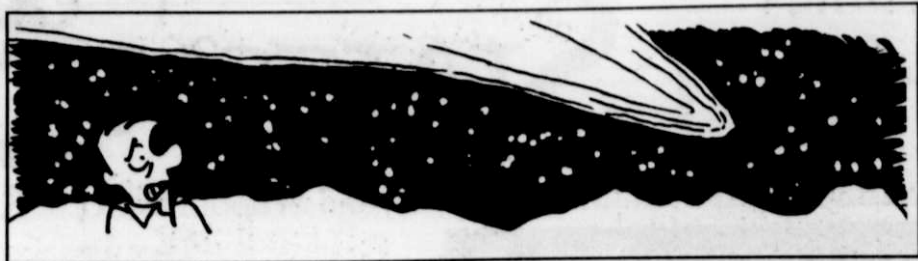

To celebrate its 50th Anniversary, the Kewaskum Club is sponsoring the "Great Walenda Circus" to be held at River Hill Park in Kewaskum on Saturday, July 12.

There will be two performances, one at 10:30 a.m. and the other at 1 p.m. Admission is FREE, however, the Club encourages donations of canned goods as an admission fee. Although not required, any and all food collected will

Village Rummage Sale Saturday

The annual village rummage sale will be held this Saturday, June 28, from 8:00 a.m. to 4:00 p.m.

Maps will be available Saturday at the participating homes.

Since comets appear in the sky without warning, people in classical times and especially during the middle ages believed that they had a special meaning, generally bad.

NOTICE

The Kewaskum American Legion has completely renovated the building and now are about to landscape the Legion grounds. We are asking for donations to HONOR or for a MEMORIAL for a friend or a family member. These moneys will be used for the MEMORIAL LANDSCAPING and a plaque will be placed inside the hall with the donors name and the honored ones name only.

Send donations to; American Legion Post 384, 1538 Fond du Lac Ave., Box 650, Kewaskum, WI 53040 Marked "Memorial Landscaping"

Memories

A Stroll Down Main Street...

Moving along on our weekly "Stroll Down Main Street" (traveling east on the south side of the street, nearly 50 years ago, we come to the Gerhard Reinders Funeral Home. The building at this time is vacant but housed the Village Bootery just a short time ago, until the retirement of owner Don Sedgwick. Prior to the time the building was occupied by the Reinders Funeral Home, it was used as a boarding house by a Mrs. Jakobitz who rented mostly to local teachers. Two of Kewaskum's dentists, Dr. Nolting and Dr. Klumbt, also resided there at one point in time. Twenty-five years ago, before the Village Bootery purchased the building, it was occupied by Mrs. Stachia (Casper) Swan who owned and operated Stachia's Variety and Gift Store for 18 years. Mrs. Swan sold her business to Mrs. Agatha Breit of West Bend who operated the store under the name of "Busy B's," and featured crafts, giftware and a general variety of merchandise. Joyce Schultz and her partner (name just doesn't come to mind at this writing) also ran a craft-type store in the location where they sold their creative and beautiful "drape dolls." ADDENDUM: "Tiny" Terlinden did indeed confirm that Sylvester Harter's business, the "Kewaskum Locker Plant" (the name before it was changed to Kewaskum Frozen Foods) occupied the building where McLaughlin Meat Market was located after Phillip McLaughlin.

Deanna Shackelford Wins Scholarship

Deanna Shackelford, 4265 Hwy. H West, Kewaskum, has been awarded the Freddy Gage Jr. Memorial scholarship for the 1997-98 academic year, according to Richard H. Daluge, director of the Farm and Industry Short Course and assistant dean in the College of Agricultural and Life Sciences, University of Wisconsin - Madison.

Shackelford will be a second-year student in the Short Course program.

Daluge indicates that students may still apply to the Farm and Industry Short Course program until October 1, 1997 for the 1997-98 program.

The Short Course program consists of two six-week sessions, two one-week sessions, and one three-week session, beginning November 10, 1997 and concluding March 28, 1998. Application forms are available by writing to 105 Agriculture Hall, 1450 Linden Drive, Madison, WI 53706 or by phoning (608) 263-3918.

Bergdorf Receives \$500 Scholarship

Corey Bergdorf, West Bend, is one of 33 recipients of the Carthage College Faculty Honor Scholarship for the 1997-98 academic year. The \$500 award is given annually to students who demonstrate academic excellence by maintaining a grade point average exceeding 3.5. In addition, students must be nominated by one or more members of the Carthage faculty.

Carthage College is an accredited four-year independent college of the arts and sciences committed to educating students in the liberal arts tradition. Founded in 1847, Carthage has provided a values-centered education to prepare its students for the challenges and complexities of life in the contemporary world.

Village of Kewaskum NEWS NOTES

The Village Board would like to remind the residents of the Village of a topic covered in the Village's Municipal Code. The topic is covered in Chapter 10, Public Nuisances, we shall refer to this problem as a health hazard. The Village has undertaken several steps to improve the clearwater (storm water) discharge in the entire community, but yet people are not cooperating. We find that people cut their grass and catch it just to dump it in a designated clearwater collection point to help plug up and eventually cause water to backup during certain times of the year. The Village would ask that all residents keep their grass clippings and leaves away from the catch basins in the curb area. Also to refrain from dumping their grass clippings and leaves in ditched areas.

Bank Wisconsin Announces Appointments

Tim J. Miller has joined Bank Wisconsin as Commercial Bank Manager for the Kewaskum office, 1225 Fond du Lac Avenue. He will be responsible for the management of overall branch activity, business development and coordinating sales development.

Miller recently held the position of Market Area Manager for TCF National Bank. Miller holds an associate degree in Marketing from Fox Valley Technical College. He will be involved in several community organizations and activities. He currently resides in Menasha.

Allen M. Schaetz has been promoted to Commercial Branch Manager of Bank Wisconsin. He will be responsible for the management of overall branch activity, business development and coordinating sales development.

Schaetz recently held the position of Senior Vice President of Commercial Lending at Bank Wisconsin's Kewaskum office. He will be located at the new West Bend office opening in December of this year.

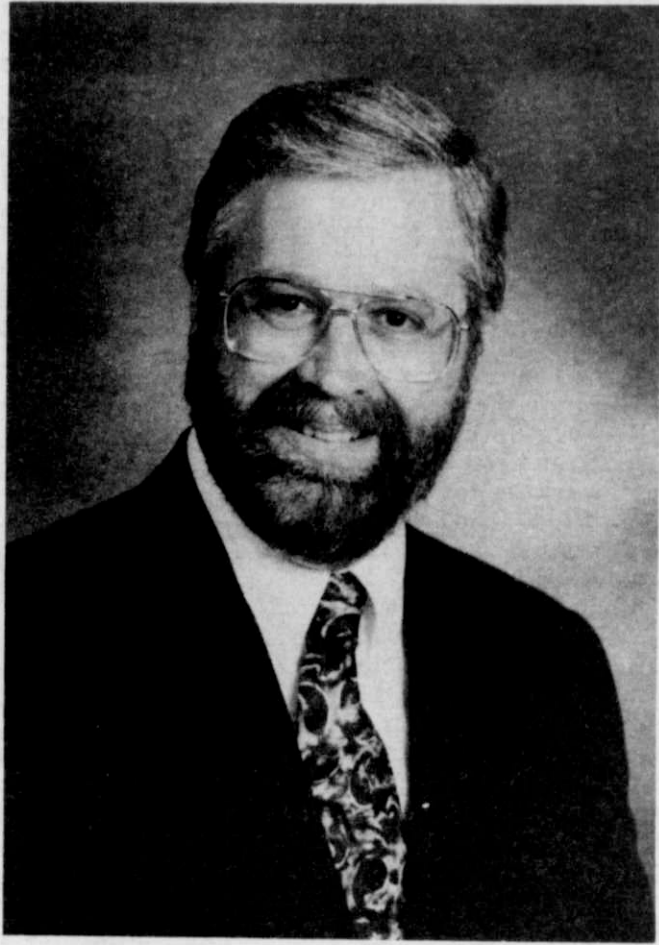

Schaetz is currently on the Board of the United Way of Washington County and the Treasurer of the Washington North unit of The American Cancer Society. He currently resides in West Bend.

Bank Wisconsin is wholly-owned by St. Francis Capital Corporation. With assets of \$1.6 billion, St. Francis Capital Corporation (NASDAQ:STFR) operates 19 full service banking facilities throughout Milwaukee, Waukesha, Walworth and Washington Counties and two limited service facilities.

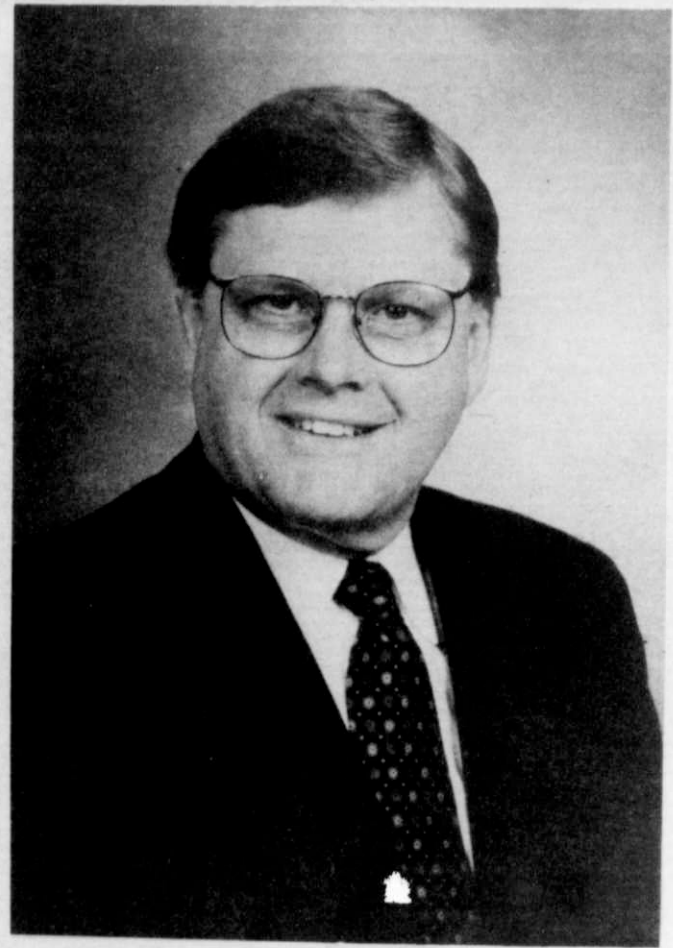

Carrie Fellenz Is MPTC Graduate

Carrie A. Fellenz, 510 Knights Avenue, Kewaskum, recently graduated from Moraine Park Technical College's Fond du Lac Campus.

Fellenz received a diploma with honors in the Emergency Medical Technician Basic Program.

Nysse - Kleinhans

Sarah B. Nysse and Clark J. Kleinhans exchanged vows of Holy Matrimony on Saturday, April 19, 1997, during an afternoon ceremony at St. John's Evangelical Lutheran Church in Newburg. Prof. James Westendorf officiated.

Parents of the couple are Dan and Pat Nysse of West Bend, and Wade and Gail Kleinhans of Sheboygan Falls.

The bride chose her sister, Rachel Nysse of West Bend, as her maid of honor. Bridesmaids included Leslie and Joy Kleinhans, sisters of the groom, friends of the couple Melissa Oppermann and Eva Magnusen, and Dawn DeZwarte, the groom's aunt.

The couple's friend, Bruce Pfeifer, served as best man. Groomsman were Jamar Gary and Korrie Kleinhans, both cousins of the groom, friends Jeff Steinke and Kevin Bricco, and the bride's cousin, Ken Odekirk.

Miniature bride and ring bearer were Ashley Hackert of Grafton and Sloan Pfeifer of Plymouth. Alexandria Calco of Elkart Lake served as junior bridesmaid.

Music was provided by

organist Bonnie Loersch and soloist Kevin Loersch.

Ushering duties were shared by Irv Brandt of Cedarburg and Ken Kleinhans of Plymouth.

A dinner reception and dance followed the ceremony at Laack's Hall in Johnsville.

The bride has earned an Associate's degree from UWC-Washington County, and a Bachelor's degree in accounting from UW-Green Bay. She is employed as an assistant bookkeeper at the Sheboygan Press.

The groom attended Lakeshore Technical College, and is employed with the city of Sheboygan.

The couple enjoyed a honeymoon trip to Niagara Falls, and are now residing in Oostburg.

EWSCA News

(PLYMOUTH, WI) Torrential rains forced the cancellation of the Eastern Wisconsin Stock Car racing program Saturday night at Sheboygan County Fair Park.

The EWSC season resumes Saturday, June 28 with the annual Mid-Season Championship night of racing. Winged Super Modified, Limited Late Model and Super Stock time trials are slated to start at 6 p.m. with racing to follow at 7 p.m.

Early Bird Social Fest Tickets Still Available

Are you making plans for your summer? Members of Holy Trinity Catholic School Home and School Association, the parent organization for Holy Trinity School in Kewaskum, invite you to their third annual Social Fest which is like no other summer event in the area.

Reserve Saturday, August 23, at River Hill Park in Kewaskum for an evening of fun, food, refreshments, music and prizes! Nice prizes!

Admission to the event is by ticket only at \$25 which entitles one to a delicious dinner, all your soda, beer and/or wine coolers for the evening and entry into a \$5,000 cash drawing! This drawing and additional cash drawings will be based on the sale of 1,000 tickets.

Those who purchase a ticket by June 30 will be eligible for an Early Bird Special drawing to win an additional \$1,000 in cash! When purchasing your Early Bird Ticket, one stub will be placed in the \$1,000 drawing and another stub in the \$5,000 drawing. You do not need to be present to win the cash prizes but the evening is a whole lot of fun.

Tickets are available now in Kewaskum at Rookies, Sentry Foods, Kewaskum Frozen Foods, Video Post and also by contacting Jackie at 626-4963 or Gary at 338-2169. Tickets will still be available after June 30, at the aforementioned places, however those tickets will not be eligible for the Early Bird Special drawing. Anyone who attended last year will want to encourage a friend to join you this year.

1997 County Junior Fair Book Available

The 1997 Washington County Junior Fair books are now available for distribution.

If you ever considered entering the competition at the County Fair, now is the time to pick up a book and fill out an entry form. Books are available by calling the Fair Office at 335-4485 or stop in at the office, located in the new Public Agency Center, 333 E. Washington St., Suite 1200 in West Bend. Office hours are Monday through Friday, 8 a.m. to 4 p.m.

The Washington County Fair has two main divisions: Open Class and Junior Class.

The Open Class Division is open to any resident of Washington County and features a special Senior Citizen division. Some of the categories available include crafts, horticulture, woodwork, foods, clothing, home furnishings, livestock, knitting and crocheting.

The Junior Class Division is open to youth who are members of an organized group such as 4-H, FFA, FHA, Scouts or Pioneers.

In order to compete in the 1997 Washington County Junior Fair, all entry forms must be returned by June 30. The dates of this year's fair are July 23-27.

Smart Lawn Care Tips from Briggs & Stratton, manufacturers of the Smart-Fill™ Fuel Can

Mowing

- When mowing, never remove more than one-third of the blade surface.
- Be sure to keep the lawn mower blade sharp.
- Leave grass clippings on the lawn. They decompose quickly and put nutrients back into the soil.

Fertilizing

- Fertilize about once every six weeks, beginning in the spring.
- To keep roots healthy during the winter, fertilize in the late fall.

Watering

- Watering should be done heavily and infrequently.
- Lawns need about one inch of water per week.
- Water in the early evening or morning when there is less heat and wind.

For more smart lawn and garden tips from Briggs & Stratton, call 1-800-967-7627. 

When you teach your children, you teach your children's children.

Kewaskum Juniors Finalize Club Year

Kewaskum Junior Officers for 1997-98 are, left to right: Recording Secretary and Past President, Carol Sabel; Treasurer, Louise Martin; Vice President, Lisa Reuther; Corresponding Secretary, Karen Kletti and President MeriLou Chambers.

Carol Sabel, left, accepts the Club Woman of the Year plaque and flowers from incoming club president, MeriLou Chambers.

Members of the GFWC Kewaskum Junior Club completed their 30th year of community volunteer service with the installation of new club officers and reflected on the 1996-97 club year accomplishments at their May meeting and dinner gathering.

MeriLou Chambers was installed as President, Lisa Reuther as Vice President, Karen Kletti as Corresponding Secretary and Carol Sabel, completing her duties as President, accepted the Recording Secretary position.

Following the installation, Carol presented appreciation gifts to those who served on her Executive Board.

President Sabel proudly presented that Kewaskum Juniors had received seven awards and an honorable mention award at the Sixth Fond du Lac and nine awards were presented in Madison at the Wisconsin Federation of Women's Club Spring Convention of Women's Community contributions made by club members during the year.

Community involvement and contributions by a dedicated group of 13 women

were numerous including the planting and caring for the flower garden and a maple tree planting at Kiwanis Park, responding to children's letters written to Santa, an appearance by Mr. and Mrs. Easter Bunny at the annual Easter egg hunt, sponsoring Clean Up Kewaskum Day, organizing the Kewaskum Community

Blood Drive, providing funds for Christmas calls home for foreign exchange students, participating as Bert and Ernie in the Kewaskum Christmas parade, sponsoring an appreciation mid-morning break for Village of Kewaskum employees, entering art work from middle school students in the Helen Mears Art Contest and sponsored middle school entrants to a short story and poetry contest, provided holiday food baskets to the Friends of Abused Families shelter, created and delivered with their children, Easter cards to the elderly, collected blankets for the "Blankets for the Homeless" program, recognized teachers and support staff during National Education Week, provided pumpkin painting for children at Kettle Country Kolers and sponsored their 14th Art and Craft Show, A Kettle Country Christmas.

Donations were made to the Kewaskum Public Library, Kewaskum Gridiron Football Club, high school student scholarships, Kewaskum Area Chamber of Commerce, Habitat for Humanity, Kewaskum High School Keys Club, Kewaskum Booster Club Post Prom, Cancer Society, WTMJ Teddy Bear Patrol, Operation Smile, Hugh O'Brien Youth Scholarship and to local fire victims. The club is fortunate to have some members who live in the Campbellsport area so a donation was also made to the Campbellsport Public Library.

The final announcement for the evening was the Club Woman of the Year. Donna Beck was proud to announce that Carol Sabel was selected by fellow club members to receive this honorary award primarily for her outstanding leadership as club president and her many contributions as a member.

Membership in Kewaskum Juniors is open to any woman over 18 years of age who is interested in volunteering. Anyone interested may contact Louise at 626-4291. Members will begin their 97-98 club year in September.

There is a \$3.00 (pre-paid) charge for publishing your event up to three times in the Community Calendar column. A \$3.00 billing charge will be charged for unpaid advertisement

Chicken Dinner at Salem U.C.C. Sets Record Crowd

For 22 years the small congregation of Salem U.C.C. in Wayne has been holding their Annual Outdoor Charcoal Grilled Chicken Dinner on the third Wednesday evening in June. The goal of this congregation has been to serve 1,250 dinners. Well, 1997 was the year, because on Wednesday, June 18, 1251 guests were treated to a delicious dinner. Of those dinners, 605 were carryouts.

Salem U.C.C. members are very proud of the new "park shelter" that the members constructed themselves to accommodate this huge event.

From our youngest working

member who is nine to our oldest at 88, the support and help was greatly appreciated; especially to our young people, who are so well behaved, and work so diligently.

We apologize to those of you who were disappointed in that we ran out of "Salem's famous homemade dressing," and to some of the workers who didn't get to eat at all. Our goal for '98 - 1,300!!

Thanks again to all area community residents who supported our dinner and raffle.

About 40 percent of U.S. households contain computers.

Coulter is Semi-Finalist In Spectator Queen Contest

Susan Kathryn Coulter, left, was a semi-finalist in the Liberty High School Spectator Queen Contest. She was escorted on stage by her father, Tim Coulter, shown right. Senior girls that compete are judged on their poise, personality, communication skills, involvement in activities and appearance. A personal interview was also conducted with each of the finalists. Susan graduated from Liberty High School, Liberty, Missouri, ranking in the top 15% of the 304 senior class. She was the recipient of the Liberty Rotary Club four-year, \$1,000 per year scholarship. Susan, also, will receive the \$10,000 Bright Flight Scholarship to MU in Columbia, Missouri. Her brother, Mark, is also attending MU and is a Bright Flight recipient. Their parents, former residents Tim and Carole Coulter, are now "empty nester!"

Births

BUNKELMAN -- A son, Bradley Richard, born June 18, to Lowell and Lisa of 587 Alpine Lane, Campbellsport. Maternal grandparents are Joyce and the late Richard Halfmann of Kewaskum. Paternal grandparents are Marion and the late Edward Bunkelman of Kewaskum. Bradley has a sister, Amanda, age 9 and a brother, Michael, age 7, at home.

ROSENTHAL -- A girl, McKenzie Delle, born June 5, to Scott and Cammie Rosenthal, Kewaskum. Grandparents are Allen and Jean Amerling of Kewaskum, and Pat and Gordon Rosenthal of Kewaskum.

TAYLOR -- A daughter, Melissa Belle, to Brian and Shelly of Allenton, born on June 13. Maternal grandparents are Gerald and Martha Stoffel of Kewaskum. Paternal grandparents are Richard and Ruth Taylor of Kewaskum.

WASHINGTON COUNTY NUTRITION PROGRAM For the Elderly Menu Meadowcreek Complex

Monday, June 30 -- Chilled tomato juice, glazed ham slice, macaroni & cheese, green beans, rye bread, sugar cookie.

Tuesday, July 1 -- Chilled V-8 juice, beef chop suey w/vegetables, snowflake rice, Chinese veggie blend, 7 grain bread, orange sherbet.

Thursday, July 3 -- BBQ chicken, oven brown potatoes, creamy coleslaw, onion rye bread, "4th" cupcake.

Ceramics at 10:00 a.m. every 1st and 3rd day of the month.

Alumni Reunion Planned 150th Anniversary of St. Martin's Parish

1847 - 1997

St. Martin's Catholic Church in Ashford is inviting all parish members of the parish school to attend a special Alumni Reunion, taking place on July 27th, in conjunction with their 150th anniversary.

An 11 a.m. Mass will begin the commemoration day, followed by a potluck dinner. Meat and beverages will be provided for the guests. Reservations are due by July 20th.

For more information about St. Martin's Alumni Reunion or their 150th anniversary, call 533-4724 or 533-8865.

Groundbreaking Ceremony for New Fellowship Hall Held at St. John Lutheran Church

Left to right: Building Committee Member Roger Heberer, Finance Committee Member Debbie Kannenberg, Church President Leon Schultz and Pastor Mark Eckert, break ground for the new fellowship hall at St. John Lutheran Church in New Fane.

Pastor Eckert entertains the crowd by performing a few of his magic tricks with his daughter Sandy. It took Sandy only 13 seconds to escape. Pastor escaped much quicker.

Athleen Butzke monitors the bake sale as Audrey Heberer fulfills her sweet tooth urge.

Pastor Mark Eckert, Melanie Reseburg and Karen Schultz serve root beer and ice cream to congregation members Gene and Marilyn Bohn and Nora Hinn.

The members of St. John Lutheran Church, Highway S, in New Fane broke ground Sunday evening, June 22, for a new fellowship hall.

The weather cooperated making it a perfect day for an ice cream social with approximately 75 members joining in the celebration. In addition a bake sale was held to raise funds for the building project.

Entertainment followed with Pastor Eckert captivating the audience with his magic tricks. He has a real talent with magic! Let's hope he doesn't receive another calling from David Copperfield.

The 11,000 square foot building project, at a cost of \$500,000, will incorporate a fellowship hall which will seat 300+, kitchen facilities, Sunday school classrooms, office space and a maintenance garage. It will be entirely handicapped accessible.

Construction will commence immediately with completion scheduled prior to the end of this year. The

old school building originally constructed in 1921, which currently serves as a fellowship hall, is scheduled to be razed this summer.

25 Years Ago

June 23, 1972

Jake K. Bruessel, 38, of Route 2, Kewaskum, a construction worker, died Friday afternoon, June 16, of accidental head and chest injuries he suffered when one side of a trench he was working in at Milwaukee collapsed and buried him under heavy clay. According to police, Bruessel was cleaning out loose dirt in the freshly dug trench for a gas main when one wall of the 4 to 5 foot deep trench caved in. He is survived by his wife, Audrey, and four children, Joan, Gerald, Ronald and Cheryl; his mother, Mrs. Bernetta Bruessel and four sisters, Doris (Mrs. Robert) Bonlender, Janice (Mrs. Allen)

Thill, Lavilla (Mrs. Peter) Lach and Carol (Mrs. Dennis) Weiss.

Rev. Allan J. Weinert, son of Mr. and Mrs. Theo. J. Schoofs of Kewaskum, was ordained a Redemptorist priest on Thursday, June 22. Archbishop William E. Cousins of Milwaukee presided at the ceremony held in the seminary chapel of Holy Redeemer College, Waterford. On Sunday, June 25, Father Weinert will offer his First Solemn Mass of Thanksgiving in his home parish, Holy Trinity. Father Weinert is the first son of Holy Trinity to be ordained to the Holy Priesthood in many years.

On Sunday, June 25, a concelebrated Mass of Dedication will be held at 12 noon at the newly completed St. Michael's Church at St. Michaels. The present new structure and congre-

gation trace their origin back to 1846 before Wisconsin became a state. Services were originally held in the home of a parishoner, Michael Rodenkirch. The first church, a log structure, (and a log school), were erected about a mile south of the present building in 1847. A stone structure was later erected on what is now the church cemetery tract in 1855. The third church, constructed in 1884-85, was struck by lightning on the early morning of January 4, 1971 and destroyed by fire.

A large group of 49 attended the annual installation of officers of the Kewaskum Lions Club which was held at the Wigwam Saturday. Officers were installed as follows: President, Desmond Smith; First Vice President, Kenneth Neldner; Second Vice President, Donald Koerble;

Third Vice President, Robert Staehler; Lion Tamer, Dean Roe; Tail Twister, H.L. "Doc" Rumsey; one year director, Alex Laubach; one year director, Marvin Kleinke; two-year director, John Fellenz; Secretary Earl Buswell, and Treasurer, Paul Blumer.

The Kewaskum Woman's Club has selected Karen Bade, daughter of Mr. and Mrs. Walter Bade of Kewaskum, and Terry Backhaus, son of Mr. and Mrs. Lloyd Backhaus, Route 2, Kewaskum, to be recipients of their scholarships of \$150 each. Karen will continue her education at the University of Wisconsin-Eau Claire and Terry at the University of Wisconsin-Madison.

Mr. and Mrs. "Mike" Gnacinski of Kewaskum have purchased a tavern property near Antigo and

will leave Saturday for the north to take over their new business. The tavern, which will be known as Mike G's Ke-was-kum Inn, is located on Hwy. 45 about 1 1/2 miles south of Antigo.

A daughter, Koryn Kristen, was born to Mr. and Mrs. Ken Boettcher, Jr. Route 2, Kewaskum on Saturday, June 17. They also have a daughter Darcia, at home.

Chamber Golf Outing Scheduled for August 2

The Kewaskum Area Chamber of Commerce, along with Michelob and Best Ford, will be sponsoring the Fifth Annual 18-Hole Golf Tournament on Saturday, August 2, at Hon-E-Kor Country Club in Kewaskum. Tee times will be starting at 9:30 a.m.

The format will be a four-person best ball.

Chairing this year's event are Vern Jung and Rosie Ritger of Quad Tool and Design, Audrey Krueger of Kewaskum Pharmacy, and Andrew Kuehl of the Kewaskum Statesman. Committee advisors are past chairpersons Debbie Timblin of Timblin Property Management and Jane Korth of Hon-E-Kor.

All proceeds from the tournament will support the annual Kettle Kountry Kolers Family Fun Festival which is being held this year on Saturday and Sunday, October 11 and 12, at River Hill Park.

Last year's outing proved

to be a huge success and it is hoped with new volunteers and help from last year's committee, the event will be as successful as last year.

The cost for the event is \$50 per person and includes 18 holes of golf on the picturesque Hon-E-Kor course, lunch, a steak fry dinner and lots of prizes. Hon-E-Kor members need only pay \$30. (Carts will be available for an additional \$22). However, if golf is not your game, join in the fun anyway for the scrumptious steak fry and camaraderie.

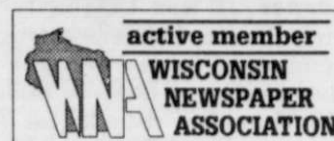

The committee is seeking any interested foursomes, twosomes and individual golfers. An entry form can be found at the bottom of this article or you can pick

one up at the Kewaskum Statesman, Kewaskum Pharmacy, Quad Tool and Design, Kuehl's Suds and Spirits, Hon-E-Kor Country Club or by calling any committee member.

Your participation is always appreciated. If you would like to become involved or possibly donate

a door prize, please contact Rosie Ritger at 626-2158 or Andrew Kuehl at 626-3312.

Milk Serve a tall glass of chocolate milk with a peanut butter, marshmallow creme and graham cracker sandwich.

HINTS FOR HOMEOWNERS

Don't Be All Wet After A Rain

Automobile engines, garden equipment, tools and sporting gear are often the first victims of heavy rains or flooding. According to relief experts, dirt and moisture can cause irreparable damage if immediate emergency action is not taken. The following is sound advice to resurrect and protect flooded equipment.

Stalled Automobile Engines: Steam clean or flush your engine to remove all dirt and debris. Spray WD-40 on the distributor, rotor, plug caps and all electrical wiring, including battery terminals and cables. Allow the WD-40 to dry, then start the car.

Electric motors (Lawn mowers, weed cutters, trimmers): Flush dirt and debris out with fresh water and then saturate armature and field windings with WD-40. Allow WD-40 to dry for several hours. If bearings are dirt-free, run motor for an hour at no load before returning to service.

Bicycles, golf clubs, garden tools, fishing gear: Flush as soon as possible with fresh water. Apply generous amounts of WD-40 on all moving parts and surface areas to remove all traces of moisture. Allow to dry.

Locks, rusty hinges: Flush both with generous amounts of WD-40 to remove corrosion. Locks that have been treated with graphite, silicone or teflon may be gummy. If so, flush out with additional amounts of WD-40. Allow time to dry.

Holy Trinity School Celebrates 50 Years of Pop Music

With the end of the 20th century right around the corner, it was fitting for Holy Trinity School's spring concert to review the past five decades of Rock 'N' Roll. On Thursday, May 29, at 7 p.m. in Rose Hall, songs representing 50 years of pop filled the ears of the audience in a special tribute to pop entitled "American Pop Forever."

There were "oldies" for everyone. For those who remembered the 50's, such songs as "Jailhouse Rock," "Lollipop," and "Hound Dog," brought back memories of poodle skirts, bobby socks, saddle shoes, and pony tails.

Through the popular TV show, "American Bandstand," with its own Dick Clark, and of course, the cute couples of the 60's, the audience listened to "Baby

Love," "Let's Twist Again," and "Doo Wah Diddy, Diddy," plus more.

The 70's found the music of The Carpenters, The Supremes, and The Village People echoing through the halls. Even a visit from the Brady Bunch was an unexpected treat.

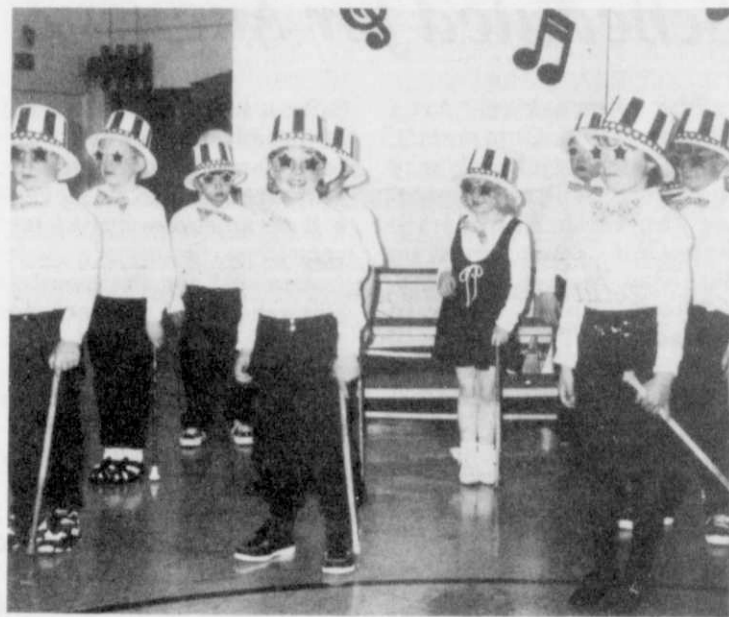

Finally the audience was returned to the present with some of the "rockin" songs of the 80's and the "hear and now" songs of the 90's. Also a skit depicting the modernization of man including computers, fax machines, CD players, etc., made the audience realize that they were indeed back in the 90's.

It was an incredible feat for Mrs. Terri Christie, music and drama teacher, and Mrs. Gail Filzen, physical education teacher, to coordinate songs, acting,

dancing, costumes and of course, the students in such a spectacular production. Many hours, including after school practice, were involved.

The students' costumes were colorful, realistic and delightful. Costumes included everything and anything which helped to depict an era. There were students with tie-dyed shirts, leather jackets, peace signs, love signs, long hair, short hair and no hair. No costume was too outrageous or outlandish. They all seemed "to fit."

The results of all the hard work, dedication and extra time was an evening of American pop intertwined with nostalgia -- something which was greatly enjoyed by the entire audience. To put it in today's vernacular, IT WAS AWESOME!!

Shown above is a partial view of the kindergarten class who entertained in between the sets of music.

The younger grades of Holy Trinity School sang and danced to 50's and 60's music, complete with their poodle skirts, jeans, hearts, "Jailhouse Rock" hats and "Lollipops."

Kewaskum's very own "Supremes" belted out a few "golden oldies."

Congratulations to Coordinators Terri Christie, music and drama teacher, left, Gail Filzen, physical education teacher, right, and all the students on another extremely well done and enjoyable spring concert.

The Holy Trinity "Village People" almost stopped the show as all wanted to join in for "YMCA."

XYZ CARD RESULTS

The winners at cards played at the Municipal Building on Wednesday, June 18th were: SKAT: Elroy Egerer, 16-0--16 net; Frank Sell, 15-2--13 net; Fred Klein, 16-6--10 net; Elroy Egerer, Club solo vs 4.

THANK YOU!

The Village of Kewaskum and all of its residents would like to thank the following area citizens who graciously contributed toward making this year's fireworks being held on Thursday, July 3 (rain date July 4), the best our community has ever seen.

Thanks to their generosity, and a little extra budgeted by the village, the money spent on fireworks was double what was spent in previous years. All who donated, whether it was pennies in the fireworks cannisters (still available to take donations) or hundreds of dollars, can be extremely proud of Kewaskum's "Big Boom" this year. We are gaining the reputation of having the finest fireworks in this area, and it maybe isn't an earth shattering accomplishment, but the fireworks bring so much delight to so many people and help to alleviate personal problems, daily stress and/or the boredom of everyday life. So in that respect, in my opinion, it is well worth the money raised. Maybe we aren't solving world hunger, curing cancer, or taking care of school overcrowding... but we're making beautiful memories and bringing smiles to many, many children and adults alike. This in itself, should bring a sense of accomplishment to all who contributed.

Our goal for next year? More... please?? Those red fireworks cannisters will be around the Kewaskum area businesses all year, so if you have a few pennies, nickels, quarters or even dollars to spare, please share them and drop them into the fireworks cannisters. The child in all of us love the fireworks... If everyone gives a little... we ALL benefit alot! Many, many thanks to:

Patient Rooms at St. Joseph's Hospital Undergoing a Facelift

Patient satisfaction is the goal of two major remodeling projects now underway at St. Joseph's Community Hospital of West Bend, where patient rooms are getting a facelift and a former entrance is being reopened for better access.

A \$2.4 million renovation of the second and third floors of the hospital's west wing is now in progress. The patient floors total 33,400 square feet and are being renovated in five phases, each lasting nine to 10 weeks, with a number of rooms being remodeled during each phase.

The hospital cares for its

medical and surgical patients on the two floors. Temporary walls and other measures have been put in place to minimize any noise or disruption for patients and staff.

This is the first significant renovation of the nursing units since construction of the wing in the early 1970s.

"One of our goals is to provide larger private rooms and continue to meet the needs of the community," said John Flanders, director of patient care services. "The rooms will be more spacious, functional and family-friendly, and bathrooms will be enlarged. Nursing stations are also being redesigned to be more accessible and welcoming to visitors."

In addition, the hospital will be completely reconstructing a secondary entrance to the hospital. This entry, located on the east side of the hospital on Ridge Road, formerly served the second floor of the original 1930 building. It will be lowered and constructed to enter directly onto the first floor to provide improved patient and visitor access to the building, including the 23-bed subacute care unit.

Beyer Construction of New Berlin is in charge of both projects. Beyer also completed the subacute care unit in February of this year. The company is a full-service construction firm serving business in southeastern Wisconsin since 1951.

Architectural design for both current projects is being provided by Plunkett Raysich Architects of Milwaukee.

The entry reconstruction will be completed by fall of this year and the 2-west and 3-west hospital wings will be completed in May of 1998.

One never notices what has been done; one only can see what remains to be done.

Kettle Moraine Kids 4-H Club

President Stephanie Briggs opened the April meeting at the Kewaskum Town Hall. Holli Haack led the Pledge of Allegiance and Kyra Meyer led the 4-H Pledge.

Kyra Meyer reported on the Program, "Feed the Elderly," which was held at Meadow Creek. There was plenty of food and the games were fun. Rita Etta was asked by the residents to sponsor another program this year. Residents are very happy to see all the children. It was suggested we may do this at a later date.

Four of our members signed up for the Poster Contest and one for the Speaking Contest, which will be held in April.

We received a thank you from the Food Pantry, for the box of food and the \$30 check we sent them.

Aileen Chambers suggested we send another donation in June, because not enough food is sent in the summer months.

Kyra Meyer and her committee are working on a Springtime Celebration. Holli Haack reported that a car wash will be held on Saturday, June 28, at Pick and Save.

Rita Etta reported on the June Dairy Month Window Display. A committee of David Cibulka, Aileen and Jackie Chambers and Kyra Meyer will plan and set up the display. The display must be up by June 2, and remain up until at least Monday, June 16, but it is encouraged that we keep the display up the entire month of June if possible. County judging takes place during June 2 through 6th.

Mrs. Chambers wanted to know about the banner for the fair. All members are to put ideas or drawings down on paper and bring it along to the next meeting. A \$5 gift certificate from McDonalds will be given for the best idea.

Tashima Meyer led the group in a new game.

Reporter,
David Cibulka

Kewaskum Fire and Rescue Squad Calls

Monday, June 16 - The Kewaskum Rescue Squad responded to a call in the Village of Kewaskum for a male youth who was injured while playing hardball. No transport was made.

Tuesday, June 17 - The Kewaskum Fire Department and Rescue Squad were summoned at 6:26 p.m. in the Town of Auburn for a gas explosion. A male patient was treated at the scene for burns to his arm and hand. No ambulance transport was made.

Tuesday, June 17 - The Kewaskum Rescue Squad was dispatched at 11:51 p.m. in the Village of Kewaskum for a female patient who was experiencing pain in her hip. The patient was transported to St. Joseph's Community Hospital, West Bend.

Friday, June 20 - The Kewaskum Rescue Squad responded to a call in the Village of Kewaskum at 11:01 p.m. for a female patient experiencing chest pain and shortness of breath. The patient was transported to St. Joseph's Community Hospital, West Bend.

Saturday, June 21 - The Kewaskum Rescue Squad, was dispatched in the Village of Kewaskum at 1:27 a.m. for a female patient experiencing difficulty breathing. The patient was transported to St. Joseph's Community Hospital, West Bend.

Saturday, June 21 - The Kewaskum Rescue Squad was summoned in the Village of Kewaskum at 8:36 a.m. for a female patient who suffered a possible stroke. The patient was transported to St. Joseph's Community Hospital, West Bend.

Sunday, June 22 - Kewaskum Rescue Squad responded to a call at 5:51 p.m. in the Village of Kewaskum for a female patient who was injured in a fall. The patient was transported to St. Joseph's Community Hospital, West Bend.

AAL Branch 26 Awarded Gold Star

Members of Aid Association for Lutherans (AAL) Branch #26 of St. Lucas Church, Kewaskum, have been awarded a Gold Star rating by the fraternal benefit society in recognition of exemplary volunteer service to the community.

AAL's 8594 branches are ranked in several performance categories. To achieve a Gold Star rating, branches annually must sponsor at least one AAL benevolent activity (fund-raiser, work project, etc.), conduct at least 12 meetings, sponsor at least one educational activity and one member awareness event and comply with AAL's attendance, voting and reporting requirements. The AAL's 1997 program for the year is "Without Violence" and raises people's awareness of violence and how people can work within the family, neighborhood and community to reduce violence.

AAL Branch 26 is led by Beth Herriges, President, Diane Lemke, Vice-President and Lucille Marquardt, Secretary.

Branch #26 is supported by AAL District Representative, Ed Roehrborn of Kewaskum.

IN MEMORY

In loving memory of our dear daughter and sister MORIGAN MEYER who passed away five years ago on June 27, 1992:

God called you home and said, "come with me they'll be fine."

We asked and prayed for you to stay because you were mine.

He saw you had gotten tired and said it was time.

We now live our lives with you in our hearts and thoughts because we know now that you're fine.

Love and miss you always!!!

*Dad, Chris, Bryan,
Thumper and Angelica*

What a heavy burden is a name that has become too famous.

Obituary

ALBERT L. SCHWANDT

Albert L. Schwandt, 86, of Campbellsport, died Thursday, June 19, 1997, at his residence.

He was born in Campbellsport on July 10, 1910, to the late Albert and Olga (nee Wedde) Schwandt, and married Henrietta Bobholz on Jan. 3, 1935, in Illinois.

He was employed by Wisconsin Electric for 45 years before retiring.

He was a member of the Campbellsport United Christian Church and the Masonic Lodge 138, West Bend, served as a Boy Scout leader, a Campbellsport Village trustee from 1963-'75 and was a choir member at his church. He was also a long-time member of the Campbellsport Volunteer Fire Department, serving as chief in 1936 and 1937.

Survivors include his wife; a daughter, Thea Liebelt of Idaho Falls, Idaho; four grandchildren, Jeanne Marshall, John, David and Sara Liebelt; three great-grandchildren, Maggie Marshall and Amber and Jessy Liebelt; his twin sister, Dorothea Haushalter of Campbellsport; and other relatives and friends.

Preceding him in death were two daughters, Barbara Schwandt and Sheila Smullen.

Funeral services were held Wednesday, June 25, at 2 p.m. at the Campbellsport United Christian Church, Forest Street, Campbellsport. Rev. John Wichman officiated and burial followed in Union Cemetery, Campbellsport.

Visitation at the Twohig Funeral Home, Campbellsport, was Tuesday from 5 to 8 p.m., and on Wednesday at the church from noon until the time of services.

ABC SKAT RESULTS

The winners at skat played at the Town of Scott hall on Tuesday, June 17th were: Melvin Moths, 20-6--14 net; Harold Eggert, 15-2-13.

A's Win At Slinger

The Kewaskum A's evened their Rock River League record at 4-4 with an 11-7 victory at Slinger on Sunday.

Curt Schroeder led off the game with a home run to give the A's a 1-0 lead. The Stingers answered quickly, scoring twice in the bottom of the inning to go ahead, 2-1.

The top of the second started the same way as the first inning had for the Athletics. Todd Muckerheide powered a home run to tie the score. Four batters later, Schroeder again stroked the long ball, this time with a man on base.

Kewaskum stretched its lead to 7-2 in the third. Hits by Ryan Hall, Matt Sternig and Kevin Klahn along with a walk to Muckerheide plated three runs.

Slinger scored twice in the fourth and three times in the sixth to knot the score at seven. It stayed that way until the top of the ninth when Kewaskum scored four times. Two walks, two hits and a hit batsman accounted for the A's scoring.

Kewaskum was led offensively by Curt Schroeder's two home runs in consecutive at-bats in the first and second innings. He scored three times and drove in three runs. Ryan Hall collected four singles. Kevin Klahn and Doug Gonring each had two hits. Gonring was on base five times. His 2x3 performance bumped his batting average even higher from a sizzling .630 mark.

The mound duties were shared by Ryan Hall and Bob Bothe. Bothe came on in the fifth inning and picked up the win.

Saturday's scheduled Rock River contest at Horicon was washed out and will be re-scheduled.

This weekend the A's travel to Rubicon for a Tri-County game on Saturday. On Sunday, the Hustisford Astros come to town for a Rock River League tilt. Both games start at 1:30 p.m.

Campus Notes

Petra W. Thull, daughter of Mr. and Mrs. Leo Thull, and student at Moraine Park Technical College, has been selected as one of the country's most outstanding campus leaders by Who's Who Among Students in American Junior Colleges editorial staff and will be included in their 1997 edition, an annual directory of outstanding students first published in 1934. A campus nomination committee and editors of the publication have included Petra's name, based on her academic activities and potential for continued success. Petra joins an elite group of students selected from institutions of higher learning in all 50 states, the District of Columbia and several foreign nations.

TOWN OF WAYNE ORDINANCE NO. 97-3

ORDINANCE ESTABLISHING A POLICE DEPARTMENT

THE TOWN BOARD OF THE TOWN OF WAYNE, WASHINGTON COUNTY, WISCONSIN, DOES ORDAIN AS FOLLOWS:

Section 1. POLICE DEPARTMENT. (1) COMPOSITION. The Police Department shall consist of the Town Police Chief and such other policemen as the Town Board shall, from time to time, appoint.

(2) REGULATIONS. Members of the Department shall be governed by the rules, regulations and ordinances adopted by the Town Board and the Wisconsin statutes.

Section 2. TOWN POLICE CHIEF, POWERS AND DUTIES.

(1) SUPERVISION. The Police Chief shall see that all laws, rules, regulations, ordinances, resolutions and orders of every kind applicable within the Town set forth by the Wisconsin statutes and the Town Board are enforced.

(2) ARREST. The Police Chief shall cause to be arrested all persons who shall be found violating any ordinances or regulations of the Town and all persons chargeable with offenses punishable by the laws of the State and shall bring such persons before the proper tribunal.

(3) RECORDS. The Police Chief shall keep an accurate and complete record of all complaints, arrests, traffic violations, convictions and the disposition of each case handled by him.

(4) REPORTS. The Police Chief shall, at the January, April, July and October Town Board meetings, submit to the Board a written report on all activities and transactions of the Department during the previous 3 months.

(5) TO ATTEND TOWN BOARD MEETINGS. The Police Chief shall, upon the request of the Town Chairman, attend all meetings of the Town Board and, under the direction of the Town Chairman, shall preserve order and decorum.

Section 3. POLICE POWERS. (1) TOWN POLICE CHIEF. The Town Police Chief and all Town police officers shall have such powers and shall perform such duties as are prescribed by State and Federal law, all ordinances of the Town and orders, rules and regulations lawfully prescribed by the Town Chairman or the Town Board. The Police Chief and each police officer shall possess the powers, enjoy the privileges and be subject to the liabilities conferred and imposed by law upon constables, and be taken as included in all writs and papers addressed to constables, shall arrest with or without process and with reasonable diligence take before the proper court every person in the Town engaged in any disturbance of the peace or violating any law of the State or ordinance of the Town. It shall be their duty to familiarize themselves with provisions of the ordinances and all rules and regulations relating to the police and given themselves accordingly. Any fees paid to the Police Chief or any other salaried police officer shall be paid over to the Town Treasurer.

Section 4. SEARCH AND SEIZURE. The police officers of the Town may search and seize with respect to violation of Town ordinances under the same restrictions and rules governing search and seizure with respect to offenses against State statutes.

Section 5. ARRESTS, PERSONS CALLED TO ASSIST. All persons in the Town, when called upon by any police officer, shall promptly aid and assist such officer in the execution of his duties. Failure or neglect to give such assistance shall be and constitute a violation of this section.

Section 6. INTERFERING WITH OR RESISTING POLICE OFFICER. Any person in the Town who shall willfully resist or in any way interfere with any police officer or member of the Police Department in the discharge of his duty or shall hinder or prevent him from discharging his duty as such officer or member, or shall offer or endeavor so to do, and whoever shall, in any manner, assist any person in custody, shall be subject to the penalty provided in this ordinance.

Section 7. POLICE NOT TO GIVE BAIL. The Police Chief or other police officers shall in no case give bail for any person under arrest.

Section 8. PENALTY PROVISIONS. (1) GENERAL PENALTY. Except as provided in sub. (2) below, any person who shall violate any of the provisions of this ordinance shall, upon conviction or such violation, be subject to a penalty, which shall be as follows:

(a) **First Offense, Penalty.** Any person who shall violate any provision of this Code subject to a penalty, except for parking violations, shall, upon conviction thereof, forfeit not less than \$25.00 nor more than \$200, together with the costs of prosecution and, in default of payment of such forfeiture and costs or prosecution, shall be imprisoned in the County Jail until said forfeiture and costs are paid, but not exceeding 90 days.

(b) **Second Offense, Penalty.** Any person found guilty of violating any ordinance or part of an ordinance of this code who shall previously have been convicted of a violation of the same ordinance shall, upon conviction thereof, forfeit not less than \$50.00 nor more than \$500.00 for each such offense, together with the costs of prosecution and, in default of payment of such forfeiture and costs, shall be imprisoned in the County Jail until said forfeiture and costs are paid, but not to exceed 6 months.

(2) PENALTY FOR MINORS. In the event proceedings are commenced against children aged 16 or older, or children 14 years of age or older, the provisions of 48.17(2), 48.237, 47.37, 48.343 and 48.344, Wis. Statutes, as amended from time to time shall be applicable.

(3) CONTINUED VIOLATIONS. Each violation and each day a violation continues or occurs shall constitute a separate offense. Nothing in this Code shall preclude the Town from maintaining any appropriate action to prevent or remove a violation of any provision of this Code.

(4) EXECUTION AGAINST DEFENDANT'S PROPERTY. Whenever any person fails to pay any forfeiture and costs of prosecution upon the order of the court for violation of any ordinance of the Town, the court may, in lieu of ordering imprisonment of the defendant, or after the defendant has been released from custody, issue an execution against the property of the defendant for said forfeiture and costs.

Section 9. This Ordinance shall take effect upon passage and publication as provided by law.

Passed and adopted by the Town of Wayne, Washington County, Wisconsin, this 18th day of June, 1997.

Leander Hergiges, Chairman
Donald Kurer, Supervisor

TOWN OF WAYNE NOTICE OF PUBLIC HEARING For Rezoning

NOTICE IS HEREBY GIVEN that a public hearing will be held before the Town Board at the Town Hall located at 6030 Hwy. H in the Town of Wayne at 7:30 P.M. on July 15, 1997, to consider the petition of Tim Bingen to amend the Town Zoning Map by rezoning from Agricultural District to Residential A-1 District the following described property: PT of NE 1/4 of the NE 1/4 described CSM 981. Section 17 Town of Wayne 1.84 acres.

Dated June 12, 1997

Orville Kern
Town Clerk

6-19-2t

NOTICE OF HEARING TOWN OF WAYNE ZONING BOARD OF APPEALS

NOTICE IS HEREBY GIVEN that the Town of Wayne Zoning Board of Appeals will conduct a hearing on the application for appeal filed by John Westerman. The hearing will be held at 9:00 a.m. on July 11, 1997, at the applicant's property located at 5111 Hwy. H, Kewaskum, WI 53040. The applicant's property is located in the NE-NW Section 13 Town of Wayne. The appeal seeks a variance from the requirements of the Zoning Ordinance and if granted will permit the applicant to erect a garage closer to the road than the dwelling. All interested persons wishing to comment on the appeal should appear at the hearing.

Dated June 20, 1997

Orville Kern
Zoning Administrator

6-26-2t

TOWN OF WAYNE ORDINANCE NO. 97-4

ORDINANCE TO AMEND ORDINANCE NO. 96-6 ESTABLISHING UNIFORM CITATION METHOD FOR ENFORCEMENT ORDINANCE VIOLATIONS

THE TOWN BOARD OF THE TOWN OF WAYNE, WASHINGTON COUNTY, WISCONSIN, DOES ORDAIN AS FOLLOWS:

Section 1. That Ordinance No. 96-6 of the Town of Wayne be amended by adding the following to **Section 3. SCHEDULE OF DEPOSITS.** (1):

Ordinance	Offense	Deposit
Police Department	All Violations	\$100.00

Section 2. This Ordinance shall take effect upon passage and publication as provided by law.

Passed and adopted by the Town of Wayne, Washington County, Wisconsin, this 18th day of June, 1997.

ATTEST:
Orville Kern, Clerk

Well Owners Cautioned About Contaminated Water

Floodwater, if it rises over the top of a well, can easily contaminate drinking water and the Department of Natural Resources cautions well owners in flooded areas to use bottled water and have their well water tested.

Massive amounts of bacteria, viruses, parasites and chemicals from washed-out septic and holding tanks, fields and sewage overflows can be carried along with floodwater, according to DNR water supply specialist Sharon Schaver.

"If your well or your neighbor's well had floodwater rise over the top, your water should not be used for drinking or cooking until it has been tested for coliform bacteria," Schaver said. "Use bottled water for drinking and cooking and make certain that all dishes are completely dry after washing. Bathing with the well water is usually okay, but not recommended for infants."

Well owners can test for coliform bacteria with a kit available from the State Lab of Hygiene in Madison. The cost of the kit is \$15; after July 1, it will be \$16. To order, call toll-free, 1-800-442-4618.

If the water tests positive for coliform, it is unsafe. If floodwater has submerged the well or conduit, the well must be raised, repaired, disinfected with chlorine bleach and retested. A licensed well contractor can advise on repairs and perform the chlorination. Brochures on how to chlorinate a well are also avail-

STUDENT POEM

Now we lay us down to rest,
Before we take tomorrow's test,
If we should die before we wake,
Thank Heaven we'll have no test to take.

able from local DNR offices.

Since 1936, Wisconsin laws have required that wells be properly located and designed to prevent flooding contamination. Wells constructed prior to this law are not exempt if the well is subject to flooding. Wells can be located in a floodplain only if the top of the well projects at least two feet above the 100-year flood stage elevation and no other practical location is available. Well caps are not a substitute for proper well height because they are not watertight.

For more information on floodwater and well compliance, contact your local well contractor or the DNR Drinking Water Section at (414) 229-0821. Ozaukee County residents should contact Glenda Madlom with the Ozaukee County Health Department at 238-8170.

Letters to the Editor

Letter to the Editor:

As a member of the current Community Facility Study Group, I have been reading with great interest the letters your readers have written to you. I have been trying to gather some of the information that they have been requesting.

I have enclosed a chart showing the district schools with some basic information about each building. If at all possible, I would like to see it receive front page coverage as our school facilities are one of the hottest topics in the area at this time.

As a commentary to the information on the chart, capacities at the elementary level are based on approximately 20-22 students per classroom. That is in the recommended class sizes for that grade level. Also, KMS has the fastest growing enrollment in the district, faster than originally expected. Therefore,

while the KMS addition is not that old, it is rapidly reaching capacity.

The acreages that have been mentioned for the different types of schools to be constructed should be noted as suggested sizes by the state, not legal requirements.

Our committee has met three times and in different school buildings each time. Our primary focus at this time is to visit each elementary to see first hand what condition the buildings are in, to evaluate enrollment projections at the elementary level and to study whether Beechwood Elementary is a responsible, cost-effective and reasonable tool to alleviate elementary over-crowding in the district.

I do appreciate the Statesman's efforts in educating our district residents and offering a forum for people to express their concerns for the district.

If you have any questions

on the material I have enclosed, please do not hesitate to contact me at ph. 629-5772.

Sincerely,
Amy Pamperin

'Over 40 Boys' Open Play at Thiemerdome

Pitching ace Mochie "One Arm Longer" Kuehl prepares to deliver yet another strike across the plate. It is reported that Mochie's pitching arm measured a full inch longer (or was his shoulder just sagging?) after Kuehl's thrashing of Thiemer's, during opening play at the Thiemerdome. Following the contest, it was also reported that Kewaskum Pharmacy was completely sold out of ice packs and Sportscreme.

Shown above is Casey... er, I mean Gimpy at the Bat. Okay Richard, we fully understand you have spurs on your feet... but you're supposed to RUN around the bases... not ride a horse! So why the spurs??? (Good excuse for the loss Richard, but I want to see the xrays!) We think that's Dane Dorn standing behind Richard, incredulous over the fact that Richard plans on hitting the ball and then running! Go for the walk, Richard!

Hammerin' (??) Larry "Mahvelous" Martin played the outfield in close. Very wise move Larry... The way these guys were hitting, you probably had a pretty "cushy" evening. Despite not getting a whole lot of exercise, Larry did mention the competition was pretty stiff. (No pun intended!)

Jeff Ramel prepares to hit the incoming pitch as he comes to a bitter realization... if you hit the ball Jeff... that means you have to run the bases. Oh no... not again. Did Richard REALLY place the bases way past regulation play... or did it just SEEM that way?? That was the burning question on all the player's minds. It's okay, Richard... your secret is safe with me! (I want \$20 by Friday!)

The first week of "Over 40 at the Thiemerdome" play began on a positive note. The Rescue Squad was not needed... yet! (In reality, it WAS probably needed, but fortunately all players were too proud to admit they might have needed help.)

Some fans from long ago might possibly remember the pig pen in right field and where to look for it. But now, extensive renovation has been made and new improvements made to change the "dome." Rick Leider even painted the batter's box and the foul line instead of the traditional liming.

At 6:15 p.m. on Wednesday, June 18, Dane Dorn called out "PLAY BALL" for the first time in seven years, with Commercial Plumbing opening play against Amerahn with ace pitching and defense from Steve Stern, who also sent the ball over Ray Maurer's head to drive in three runs.

Amerahn, behind the coaching experience of John Kleinke (Richard thinks Dee might be behind it), chipped away at Commercial's lead and it was a hard fought game. The golden glove of Tom Fischer and Glen Dorn were errorless for Commercial. Glen stated it was due to years of practice.

Semi-pro John Klahn was outstanding (is the word supposed to be separated?? Like out ... standing??) in the outfield until he literally threw his shoulder out. (Rescue squad, anyone??) The kid Virgil was out there to assist John, but Amerahn, backed by the speed (the movie?) and the hard hitting of the Ludwig

boys, pulled it out, 7-5.

The 7:15 game was nearly called due to inclement weather. (It was just a little chilly for the boys... funny, the Little Leaguers were sweating at their game!)

Kuehl's Suds and Spirit's Manager Alan "Moochie" Kuehl, notorious pitching ace, came prepared to play, with his secret weapons, called up from the minors... Buddy Perkins and "T" (I think these guys require a MR. in front of their names... didn't your mom ever teach you to respect your elders, Richard?)

Moochie also brought along the Dallas... err... I mean Kewaskum cheerleader, the infamous "Miss Cheryl," but she was traveling incognito, thereby wearing normal street clothes like her "Statesman" shirt rather than her cheerleading outfit.

Thiemer's had a few secret weapons of their own bringing in the sure gloves of Bob "Butzie" Buddenhagen, "Hammerin'" (are you kidding?) Larry Martin

and hard hitting Harry "Red" Schladweiler.

And then there's "The Kurt Schmidt Story." (Rescue Squad, anyone... don't ask!)

The "Barely Over 40 Boys" from Kuehls slammed out hit after hit... (You can write it Richard... but IVE got the editing power!), leading the game throughout. By the time Thiemer's started their hitting streak, they're muscles gave out and the runners could no longer make the bases.

Tom Bartelt pulled a leg muscle, Jim Klahn's muscles stiffened up, Richard Thiemer discovered he has "hidden" spurs in his foot that become extremely irritable when he runs (just goes to show he doesn't do too much running!) and Glen Dorn "blew out" something rounding first. (Rescue Squad, anyone?)

One highlight of the game was the running catch of Ron Theusch, who proved gymnastics CAN be combined with baseball in the

next summer olympics. First time anyone managed to keep the ball in the glove while performing flips! (Shouldn't there be some type of award for that?) At least Ron didn't need the Rescue Squad... or if he did... he's not talking.

Team owner, Dennis Kuehl, was also on hand to celebrate the ultimate victory. Looks like pennant fever to me...

Fan Marlene Klahn was heard to remark the name Thiemerdome should be changed to "Casualty Corner." (Makes sense to me... fortunatley MY husband came home with all his muscles and tendons intact... of course that might be due to the fact he didn't play...!)

The next game is scheduled for July 2 (the guys needed a week off to rest up weary muscles, I guess). Due to the fact Little League has an off night that evening, I will personally be on hand to take VIDEO of

Statesman photos: Andrew R. Kuehl

these games. (I'll win that grand prize on "Funniest Home Videos" for sure! It's in the bag!)

Thiemer's will square off against Commercial Plumbing at 6:15 and Kuehls will face the notorious Amerahns at 7:15. So if anyone out there over the age of 40 would like to play (AND must be just slightly masochistic) call 626-4734. (PLEASE folks they need some relief!) Normal people are also invited to come and have a good laugh... er, I mean watch the fun!

Indians Defeat Chilton, Lose to Kiel

Monday, June 16th, saw the Indians baseball team travel to Chilton to battle the Tigers. The Indians struck early and powered the way to their third win in a row, with a 7-1 victory.

Senior Erik Kopecky led off the game with a single and advanced to third on a throwing error by the pitcher in a pick-off play at first. Jason Bartelt scored Kopecky on a sac fly. With one out, Josh Christophersen singled and Bruce Gundrum walked.

After an infield out, Dan Jeserig singled to score Josh. Todd Wolfenberg's double brought Gundrum and Jeserig across the plate, giving the Indians a 4-0 lead.

Infield catcher Bruce Gundrum hit his fourth home run of the year in the third inning to push the lead to 5-0.

Chilton scored its solo run in their half of the third. The run was unearned as the Indians committed three errors in the inning.

The Kewaskum squad tied another run in the top of the fifth on a long home run ball to left field by Erik Kopecky. The final Indian run came in the seventh when Jason Bartelt led off with a double and scored later on a single by Bruce Gundrum.

Gundrum ended the day going 2x3 with two RBI's. Erik Kopecky and Dan Jeserig were 2x4.

Erik Kopecky started for Kewaskum and pitched four innings to record his first win of the year. He struck out two and gave up no earned runs.

Jason Bartelt pitched the last three innings to earn the save. Jason struck out one and walked two. Erik and Jason combined to pitch a three-hitter.

The win pushed the Indians conference record to 5-2 (9-5 overall).

The Kiel Raiders came to Kewaskum on Tuesday, June 17, and utilized a good pitching performance by their ace, Ryan Van De Loo, to still the Indian bats and hand them a 6-2 loss.

The Indians could only find five hits in the bat bag and could score only two runs, both in the third inning. Three of the game's five hits, when Todd Wolfenberg led off with a double and Jim Kopecky followed with a single.

A wild pitch moved Todd and Jim to second and third. After Rhett Engelking struck out, Todd scored

on a groundout to the infield by Erik Kopecky. Jim Kopecky crossed the plate on a Jason Bartelt single to left. The inning's end came on a Josh Christophersen groundout to the pitcher.

In the last four innings, Kewaskum could only come up with two more hits off Van De Loo. The Kiel pitcher struck out five and walked one, harnessing the Indians to a meager five balls hit to the outfield in the entire game.

The Raiders used the Indian's philosophy by scoring early. In ten of their first fifteen games, the Indians have scored in the first inning and gone on to win seven of those ten. Kiel scored five runs in the first against Kewaskum starter Dan Jeserig. Dan gave up a single run in the fourth as well, but the damage was done by the five runs in the first.

Unlike Jeserig's first four starts, in which he walked only four in four games, he walked three against Kiel and all three became scoring runs. "In high school,

control is essential to success," stated Coach Mark Heise. "Dan struggled a little today, but he's been our work horse due to sore arms, vacations, and all the other absences; he's been forced to carry the load. Someplace, somewhere, someone must come forward to give him a rest."

Jeserig's record in the conference dropped to 3-2. He has already pitched 35 innings in conference play, 47 innings overall.

The Indians are now 5-3 in conference play, 9-6 overall.

Rain won the Thursday, June 19 and Friday, June 20th games. Both have been rescheduled. Thursday, June 26th, the Indians travel to Sheboygan Falls for a 7:30 p.m. game under the lights (June 20th rain-out).

On Friday, June 27, the Indians host Plymouth at the home diamond at 5:30 p.m. New Holstein comes to town on Monday, June 30 for the rescheduled game-out at 5:30 p.m. and Tuesday, July 1, Kewaskum heads north for a 5 p.m. battle with Two Rivers.

A MICROLAM IS NOT A SMALL SHEEP

Microlam: a beam made by gluing together pieces of lumber created to be stronger than sawn lumber. (It is used to support the weight of the house.)

When building a new home the details (such as microlams) can become confusing. The experts at **CAMPBELLSPORT BUILDING SUPPLY** ensure you understand the little things involved in construction. We work together with local contractors and building inspectors that demand the best products to make sure you enjoy – and understand – your new home.

*Don't be taken by a wolf in sheep's clothing –
visit us today for all your construction projects.*
