Berg Receives Superior Honor Award

Paul Berg, left, is shown receiving the Superior Honor Award

Paul S. Berg, son of Mr. and Mrs. Elwood Berg, Kewaskum, received a Superior Honor Award signed by Secretary of State Madeleine Albright at a ceremony at the United States Embassy in Mexico City on May 20.

The award cited Mr. Berg's "outstanding initiative, remarkable interpersonal skills, and superb bureaucratic judgement, which have led to dramatic achievements in the U.S. political-military, counternarcotics, and law enforceVietnamese language training, then in 1998 will begin his new assignment as Political Officer in the U.S. Embassy in Hanoi, Vietnam.

Mr. Berg entered the Foreign Service in April, 1983. His previous assignments include the U.S. Consulate General in Bombay, India, 1983-85; the U.S. Embassy in Brussels, Belgium, 1985-87; Officer-In-Charge of PLO Affairs, Department of State, Washington D.C., 1987-89; Officer-In-Charge of Italy and Vatican Affairs, Department of State, Washington D.C., 1990-92; and the U.S. Embassy in Rome, Italy, 1992-93. His languages include French, Italian, Arabic and Spanish.

incumbent to win election to the Dane County, Wisconsin, Board of Supervisors. In 1973, he almost won a four-candidate race for the Kewaskum Board of Education, and is believed to be the youngest candidate for the position who had ever run up to that time.

In his spare time, Mr. Berg has visited over 400 of Mexico's Gothic, Renaissance, and Baroque churches, as well as its Pre-Columbian ruins. He is an accomplished Italian chef, noting that, "I'm especially delighted to serve in Mexico because its produce is among the most sophisticated, tasty, and varied on earth.' Mr. Berg enjoys biking and mountain climbing (and has scaled two of Mexico's tallest volcanoes). This year, he has been learning to box professionally with one of Mexico's major boxing trainers and he enjoys sparring with Mexico's promising young boxers.

<u>Free Circus Saturday</u> Kiwanis Offers a Gift To the Community

By Sharon Callaway Roznik

Step right up to a spectacular weekend of fun, as Kewaskum welcomes The Great Wallenda Circus on Saturday, July 12, for two shows.

Famous world-wide for their high wire feats, the Wallendas are being sponsored by the Kewaskum Kiwanis in celebration of their 50 years of service to the community. The Great Wallenda Circus will be performing at 10:30 a.m. and 1 p.m. at River Hill Park, during the Firemen/ Legion Picnic weekend.

The Great Wallendas are now in their fourth generation of family entertainment, and through the decades, have thrilled young and old on three continents and in seven countries -- in theaters, on television, for Shriners, and at state and county fairs. Enrico Wallenda, president, is following in the footsteps of his grandfather, Karl, who founded The Great Wallendas. Based in Sarasota, Florida, the circus is presently performing in Baraboo, and will be traveling to Kewaskum in honor of the 50 year celebration.

Elephant rides, horses, concessions, games, food, fun and death-defying circus performances will be at River Hill Park this Saturday. Admission is free... but please bring a donation of canned food for the Washington County Food for Families.

Come join the fun under the big top on Saturday for the Great Wallenda Circus. Happy 50th Anniversary Kewaskum Kiwanis. May you enjoy many, many more years as an integral part of this community... and Thank You!

Firemen-Legion Parade, Picnic Here This Weekend

The Kewaskum Firemen-Legion picnic will be held here this weekend, July 12 and 13 in River Hill Park.

The park opens at 10 a.m. on Saturday. Wristband rides will be held from 3 to 7 p.m. and the famous waterfights between neighboring fire departments will take place at 5:30 p.m. The golf putting challenge will also be on hand for the golfer who feels lucky. The live entertainment begins also on Saturday with music by the KHS Jazz Ensemble on the Park Pavilion from 6 to 9 p.m. The entertainment continues in the beer garden with music by RPM from 8:30 to 12:30.

ties begin at 12 noon with a huge parade along Fond du Lac Avenue and Main Street.

Appearing in the park following the parade will be the Ralph Buchel/Joey Klass Orchestra in the

ment relationship with Mexico."

The award, based on outstanding performance, was presented by Ambassador James Jones, who commented that the award was "extremely well-deserved. Paul Berg is one of the most effective officers with whom I have had the pleasure of working."

Mr. Berg, a career member of the U.S. Foreign Service, has served in the Embassy's Political Section since October of 1994. He is responsible for coordination of U.S. Policy with Mexico in the areas of law enforcement, counternarcotics, terrorism, and political-military affairs.

He received a career promotion in the fall of 1996. He finishes his Mexico City assignment in July of 1997, and will return to Washington D.C. for a year of Mr, Berg is a 1982 graduate of the University of Wisconsin Law School, Madison, J.D., and a 1983 graduate of the School of International Affairs of Columbia University in the City of New York, Masters in International Affairs.

He received a B.A. in Political Science and History from the University of Wisconsin, Madison, in 1976, and an A.A. from the University of Wisconsin-West Bend in 1974. Before joining the Foreign Service, he served as Acting Executive Director of International House in New York City from 1982-83.

Tips

Home freezing tips

How to get the most from your freezer and the food you store in it is easy to do when you follow these helpful tips from the home economists at Whirlpool:

Items should be frozen quickly at 0 degrees or below. Try placing new packages against freezer walls or shelves to help speed up the process.

 Introduce fresh foods gradually, adding only as much as will freeze in 24 hours (about three pounds per cubic foot of interior freezer space).

 Stack foods in groups and keep an inventory noting the dates stored so that items are used within the correct time.

PECAN PRALINES **Makes 2 Dozen**

1/4 cup light cream or

- evaporated milk 2 cups granulated sugar
- 1/2 cup water
- 1/3 cup light brown sugar
- 1/8 teaspoon salt teaspoon vanilla extract
- 2 cups coarsely
- chopped pecans

1. Generously grease 2 large baking sheets.

2. In a small saucepan, warm the light cream over low heat. When bubbles begin to form around the edges of the pan, remove the pan from the heat and cover it tightly to keep warm.

3. Combine the granulated sugar and water in a medium skillet and bring to a boil over high heat, stirring until the sugar dissolves. Reduce the heat to medium and. gripping a pot holder in each hand, tip the pan back and forth gently until the syrup turns a rich, golden brown. This may take 10 minutes or more.

4. Remove the skillet from the heat and, with a wooden spoon, stir ir the brown sugar and salt. Stirring constantly pour in the warm cream in a slow, thin stream Stir in the vanilla and the pecans.

5. To form each praline, ladle about 4 teaspoons of the pecan mixture onto the prepared baking sheet. As you proceed, space the pralines about 3 inches apart to allow room for them to spread into 2 1/2-incl rounds. When the pralines have cooled to room temperature, transfer them to a serving plate.

A Stroll Down Main Street...

This week on our "Stroll Down Main Street" (traveling east on the south side of the street, nearly 50 years ago,) we come to the Roman Smith Bakery and Ice Cream Parlor who owned the business around 1922. The business was later owned by John Schallas, whose son, John Gruber, took over around 1929. The Grubers also lived on the premises as the baking was done in the rear of the store and sold in the front portion. Elsie Bruhn also ran the store for a short time. The building was also home to Roger Jacobs Barber Shop and now houses B & B Productions Hair Salon. (See photo to the right).

Rough Around The Edges Camp At Riveredge

NEWBURG-- The demand has been high for the "Rough Around the Edges" Kids Camp at Riveredge Nature Center, so another session has been added!

The camp will be on Tuesday, July 15, and Wednesday, July 16, from 9:30 a.m. to 3 p.m. each day. Kids entering grades one through three will experience fun and exciting activities planned especially for them. The fee for the program is \$65.

The camp focuses on the many different mixtures that help to design nature. Different shapes and sizes have blended to create unique and fascinating creatures with fur, scales and feathers.

Animals and plants carry various patterns and textures right on their backs. These are the mixtures that participants will search for. Campers should bring a lunch, water container for hikes, hats and sunscreen. Call Riveredge for more information and to register at 414-375-2715 (metro) or 414-674-6888 (local).

JULY JULY 2 - AUGUST 20 Governor Nelson State Park,

Athletics Suffer Two Losses

The Kewaskum Athletics suffered a pair of losses in Rock River League play over the Fourth of July weekend. The Rubicon Red Sox supplied the fireworks on Independence Day as they blasted the A's by a 16-7 score. Sunday's battle with the Brownsville Brownies ended in a 2-1 defeat for Kewaskum.

Casey O'Hagen was a one man wrecking crew for the Red Sox as he hammered three home runs and drove in nine. He started early as he crashed a grand slam homer in the bottom of the first inning after the first three Rubicon hitters reached base. It was a hole out of which the A's were never able to crawl. Dane Dorn started on the mound for the A's and was tagged with the loss.

The game against Brownsville was very tight throughout. The Brownies scored two runs in the fourth inning and pitcher Gary Goebel made them stand up for the win.

Kewaskum's lone tally came in the fifth. Curt Schroeder led off with a single and promptly stole second base. After walks to Doug Gonring and Scott Donath, Terry Koth lined a sharp single to right to score Schroeder. A strikeout ended the inning without any further damage being done.

Ryan Hall and Shawn Schneider turned in excellent performances on the mound. Hall started and went 4 1/3 innings, allowing

only two runs on seven hits. Schneider came in and slammed the door the rest of the way. He allowed only two hits and a walk in 4 2/3 innings. On the offensive side for the A's Curt Schroeder, Scott Donath and Todd Muckerheide each rapped out two base hits.

The losses dropped Kewaskum's Rock River record to 4-7. The Athletics' record in Tri-County Nite League play is 3-3. For the season, the A's are 9-11.

Kewaskum had a busy schedule this week as they were scheduled to play the West Bend Benders on Tuesday night, July 8. Thursday night finds them travelling to Horicon to take on the Honkers in a 7:30 contest. The Athletics host the Pardeeville Braves on Saturday, July 12, at 1:30 p.m. All three games are Tri-County league contests. The A's drew a bye on Sunday so they will have no Rock River League game this week.

Extensive Remodeling Done at Legion Club House

The former Henry J. Lay home was purchased by the American Legion in 1945. Pictured above is the building with all three levels intact.

Workmen in the winter of 1958 removed the top two floors of the Legion Hall to create a one story building that would conserve heating costs.

Tiny Terlinden Photo

With the combined efforts of Legion members, the Robert G. Romaine American Legion Post #384 clubhouse in Kewaskum, has undergone extensive remodeling, mingling 90's updates with classic architecture from the past.

The turn of the century building was constructed by Henry J. Lay, owner of Lay Lumber Company. The three story mansion boasted three fireplaces on the first floor, inlaid hardwood floors, a full length mirrored hallway, chandeliers, ornate, built-in oak buffets and cabinets, a back stairway for the maids, and a third floor ballroom. Past Legion Auxiliary member Janet Koch recalls the Lays put nothing but the best into their home, and Mrs. Lay, as a powerful, but gentle woman.

"A stained glass window started at the first landing of the staircase and went all the way to the top of the house," Koch remembers, along with marble sinks and ornate plumbing fixtures, floor to ceiling linen closets, and a maid's bell in the kitchen, connected to the upstairs bedrooms. "The box itself is still there in the kitchen," she points out. The American Legion in Kewaskum was formed in 1923, and their post was later named after Robert G. Romaine, the first soldier in Washington County that gave his life for his country during World War II. The list of original charter members includes Theodore R. Schmidt, Hubert M. Wittman, Edwin A. Miller, Walter J. Schaefer, Clem Reinders, Art Schaefer, Peter J. Haug, Leo C. Brauchle, August C. Bilgo. Fred H. Buss, Louis Bath, Carl F. Schaefer, Maurice Rosenheimer, Alex Klug, George H. Schmidt, Wendell C. Petri, and Byron Martin. In 1945, the Legion purchased the Lay home for their club house for \$15,000 with a loan from the Kewaskum Insurance Company, but after several years,

The Legion Hall first floor bar area has been redesigned to open up an existing entranceway.

The original entranceway boasts carved oak woodwork, beveled and leaded glass, and an inlaid tile floor.

Three beautiful historic fireplaces installed by the original owner, H. J. Lay, decorate the hall. All are in like-new condition, like the one above, located in the bar room.

exorbitant heating bills prompted members to appoint a Club House Alterations Building Committee, chaired by Wilmer Prost. Tiny Terlinden was Commander of the Legion at that time (1957-58).

Although members played billiards on the second floor, and the girl scouts had permission to

use the third floor maid's room for crafts and activities, it was decided the most efficient means of reducing cost would be to eliminate the top two floors, and put on a flat roof.

The demolition and renovation took place in 1958, with wrecking, roofing and siding handled by Carroll (Continued on next page)

Haug & Sons, plumbing and heating by Frank Krueger, and Harold Schmidt taking care of electrical work. Afterward, valuables from the original house were sold off in a huge auction held on the club grounds.

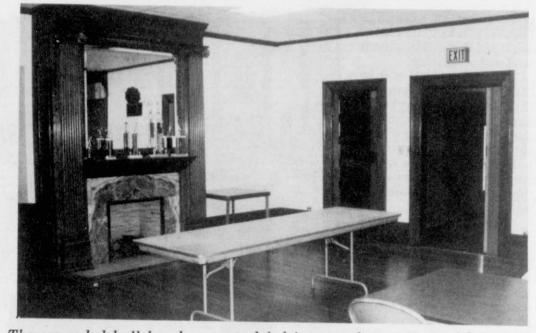

This past year, the Legion Hall was once again the recipient of a series of mainly interior renovations. Three (originally four) rooms were opened up into one large area, to expand the seating capacity to 150 on the first floor. Both the character and charm of the Lay home is reflected in the original oak and maple inlaid floor, that has been refinished, the glass tile fireplaces that have remained in pristine condition, and the preservation of a vast amount of original woodwork, containing bead work and intricate carvings.

Other improvements have included angling off the built in bar to open up an existing entrance, new lower level drywall, paneling, ceiling and light fixtures, thorough clean-up work in the basement furnace and storage areas, and new heating and air conditioning throughout.

"Originally the bar room was in the basement and the upstairs had only meeting rooms," Legion member Lee Kempf explains, "but about four or five years ago, we built another bar upstairs, and added sand volleyball courts outside." This past week volunteers finished up new screening and carpeting for the porch area, with plans to continue exterior improvements in the near future.

Various remaining collectibles from the interior, such as mirrors, chandeliers, glass hutches, and woodwork, were sold off at Paul's Auction, as parts of the past continue to make way for the progress of the future.

With 160 members, the American Legion is proud to state all remodeling work and improvements were done through the generous help of volunteers, and can now provide greater service to the community.

The expanded hall has been remodeled into one large room, with a seating capacity of up to 150.

The lower level of the Legion Hall has also been updated with new drywall, paneling, ceiling and lighting.

Lynn Receives \$1,000 Scholarship

Marni Lynn, Kewaskum, received one of the 100 Chancellor's Leadership and Academic Scholarships that have been awarded to new freshmen at the University of Wisconsin-Oshkosh.

The \$1,000 scholarships, funded by the UW-Oshkosh Foundation, are awarded to incoming freshmen with outstanding academic and leadership credentials. Applicants must be in the top quarter of their high school class to be eligible for either award.

Lynn received an Academic Scholarship, which is based on a student's overall scholastic record including ACT scores. It was awarded to 57 freshmen.

A total of 404 freshmen applied for the scholarship. The average recipient ranked in the top seven percent of his or her class and had an average ACT score of 27 out of a maximum of 36.

4-H International Exchange Program

The 4-H International Exchange Program with Japan is drawing near with the departure date of Tuesday, July 14, from San Francisco.

This year, over 130 4-H youth memnbers and adult chaperones will be going to stay with host families representing three Japanese organizations with which we exchange -- LABO, LEX, and UTREK. This is a four week exchange program with our return date scheduled for Tuesday, August 12.

The entire group meets at the San Francisco State University for a departure briefing and opportunity to become acquainted with the other delegates and chaperones who are participating in the 1997 national delegation to Japan. This time will be spent finalizing travel and orientation details. All 4-H members participating in the exchange are National 4-H delegates. Emphasis is placed on the significance of being a representative of the United States.

Months of preparation and planning go into an exchange program such as this 4-H International experience. Orientation of culture, recruiting host families, travel arrangements and the working relationship of two different countries doing an exchange requires many hours of work and dedication of both staff and volunteers. Youth from 4-H will be

placed with host families throughout the country of Japan. Volunteer chaperones are strategically placed throughout the country to help delegates who might have questions or concerns during their host family visits.

LABO camp is one of the requirements in which all delegates must participate. This is a four day, three night camp experience which I can better explain once we arrive at our designated camp. We have been told as many as 1,000 campers from age 3-18 attend.

Paul and myself are the volunteer chaperones for 31 youth from the states of Wisconsin, Illinois, Minnesota and Nebraska. We are looking forward to a rewarding experience with the youth and culture andplan to do everything possible to make the experience both safe and enjoyable.

Old Timers Game Set for August 16

It's time for all of you ex-ballplayers to round up your gloves and spikes. You will need them on August 16, when old-timers (and not so old-timers) who played hardball for teams representing Kewaskum will take on the stars of yesteryear from West Bend. Any and all former ballplayers are welcome to play.

Two games are planned between the hard hitters of the past from the two long time rivals. The first game will pit the more senior stars against each other in a game for players of any age who no longer play hardball competitively.

More than just an oldtimer's game, this will also be a reunion of ex-ballplayers of all ages from both towns. Adding to this, a couple of points need to be emphasized.

Due to the generosity of the West Bend Elevator, this reunion will run, rain or shine. The Elevator will have a tent set up on the grounds for this annual day at the Kewaskum Athletics baseball game to be held the following day. They have graciously offered the use of the tent in the worst case scenario of rain.

That brings the next point. In order to make this day as successful as possible, an invitation is extended to ALL former ballplayers. Even if you feel you are past the time when you want to go out on the field, please attend and renew old friendships.

about you. The games will be played at the Kiwanis Community Park in Kewaskum on August 16. At present the plan is to start the senior oldtimers game at 1 p.m. The length of the game will probably be determined by the endurance of the stars with the earlier birth dates.

Shortly after the completion of the first game, the younger ex-stars will square off. Ballplayers will be able to take batting practice, loosen up their arms, run wind sprints, etc., any time after 11 a.m. as there will be people and equipment available to facilitate pregame practice. There is a batting cage at the ball diamond so that even as the games are going on, players will be able to take some swings.

Word of mouth and newspaper publicity are being relied upon to reach as many former ballplayers as possible. If you know anyone who has played in the past, please pass the word about the oldtimers game along. ALL former to this invitation. See you

MADISON -- Nearly 65% of taxpayers oppose raising

excise taxes to pay for new government programs, according to a recent survey commissioned by the Wisconsin Grocers Association. Instead, 84.5% of those polled believe the government should look to the current budget to fund programs.

The statewide poll surveyed 600 people in response to legislative interests in increasing excise taxes on products such as beer and cigarettes.

In addition, the survey shows that 60% of those polled believe the lottery is a good way to raise revenues to reduce property taxes.

Some proponents of increasing excise taxes suggest that raising cigarette taxes will curb smoking. But 81.5% of the respondents agree that "taxes should not be used by the government to modify people's behavior.'

Additionally, Wisconsin taxpayers have little confidence in the legislature's ability to spend the revenue from an excise tax increase wisely. Nearly 62% of those respondents doubt that revenue raised from such a hike on cigarettes will be spent on programs they feel are worthwhile.

Of those surveyed, 67% also agreed that small business will be hurt if excise

taxes are increased.

Respondents identified a number of reasons why cigarette excise taxes should not be increased:

* It is unfair to the small business owner who loses revenue and jobs. (19.2%)

The government already collects enough in taxes, why give them more to waste. (23.2%)

If Wisconsin raises excise taxes, people will shop across the border and Wisconsin will lose revenue. (17.7%)

"It seems clear from the results of this study that Wisconsin taxpayers are wary of any increase in excise taxes to fund government programs," said Brandon Scholz, WGA president.

The survey yielded these findings as well:

Overall, grocers are held in high esteem by those in their community. 78.2% of the respondents have a favorable impression of local grocers, and 92.9% said their opinion is the same or higher than it was last year at this time.

The Wisconsin Grocers Association is the official trade and service organization for Wisconsin's grocery industry, headquartered in Madison. Its membership of 1,500 includes grocery stores, warehouse suppliers, food brokers and product manufacturers.

Letters to the Editor

July 2, 1997 **Dear Editor:**

Recently it has been published in both the Kewaskum Statesman and the West Bend Daily News that a community facility study group has been organized in an attempt to determine the most feasible, economical and beneficial method to build and improve schools for the education of the students in the Kewaskum School District, maintaining the rural school scheme which we use

The Kewaskum School District is the fourth largest in the state, area wise, therefore a difficult and complicated problem. Dates and times of meetings are published in the local papers as they are open to the public for observing, not for interruption, as it would then be difficult to accomplish anything, however, each member is a representative of a township, village or school area.

I represent parents in the Farmington School area, among others, and I would welcome any calls concerning our objectives and what we have accomplished to date. Any questions or suggestions concerning these issues will be answered for you and I will present any constructive suggestions to the committee. My name is Lloyd Koch and I can be reached by calling 692-2954 before 8 p.m

This group is determined to find the best method of maintaining the best schools in the state and with the help of all residents of this district, we feel that we can do it. "We need your help and participation!'

Thank you,

Lloyd A. Koch

****** TO THE EDITOR:

We wish to express a sincere thank you to t lowing people who have made our Tot Time year a successful one:

ents for their time, generosity and support.

Mrs. Smith and Mrs. Vreeland for volunteering their time in our three year old program. Many hands make our art projects go so much faster.

Mrs. Kerecman for her donations of art supplies. The Kewaskum Police

Department, especially Tom Bauer, who is concerned about our safety and presents a wonderful program for the children.

Dr. Stephen Van Ess, our favorite Tot Time dentist, who always shows us movies about Dudley the dinosaur.

Trooper Joan German for the Buckle Bear presentation on seatbelt safety.

Janet Heberer for demonstrating first aid techniques and making everyone a finger cast.

Mrs. Lorena Wagner, the church custodian, for keeping our rooms clean.

And... a sincere thank you goes out to anyone we may have forgotten.

It's always nice to know there are so many caring people. All of your cooperation makes our year an easier one.

Thank you again.

Protect Your Family From CO Poisoning

(NAPS)-If you're feeling dizzy, nauseated, tired or headachy, you may have something far more dangerous than the flu. You may have carbon monoxide poisoning.

••	Meets Requirements of UL 2034

Purchase and install detectors that meet the requirements of Underwriters Laboratories Inc. (UL 2034).

Carbon monoxide is a colorless, odorless gas produced by fuel-burning appliances. To prevent carbon monoxide poisoning in your home, have your home heating system checked every year by a qualified service technician.

Another line of defense is a device called a carbon monoxide detector. It sounds an alarm before you and your family are exposed to hazardous carbon monoxide levels. The detectors should be placed in the hall outside your bedrooms. When purchasing a carbon monoxide detector, make sure it meets the requirements of the newest standard, Underwriters Laboratories standard 2034.

1997 NORTHERN KETTLE MORAINE STATE FOREST and ICE AGE RESERVE NATURALIST PROGRAM

This area is internationally known for its famous glacial features and interesting array of plants and animals. You are invited to learn more about this important part of our heritage by visiting the Henry S. Reuss Ice Age Visitor Center and participating in the Naturalist Program.

In summer, the program offers nature walks, talks, auto tours, evening programs, guest presentations, etc., but in reduced numbers. Events offered at the Ice Age Center, Mauthe and Long Lake Recreational Areas, are easy and enjoyable ways to learn more about the area. During other seasons, group interpretive programs are available upon request.

The Ice Age Center is one mile south of the Village of Dundee on State Highway 67 in the Northern Kettle Moraine State Forest.

EVENING PROGRAMS

Evening programs are held at the Ice Age Center on Saturdays, beginning at 7:30 p.m. Most programs require 30 minutes to an hour or more.

SATURDAY, JULY 12 -- "Critter Care" -Nature lovers and injured wild animals like Jeannie Lord. Join Jeannie Lord and some of her patients for this wonderful program.

SATURDAY, JULY 19 -- "Wisconsin Mammals" -- Willie's Game Farm is a well known private zoo managed by Gerhardt and Pat Wille. This evening they will present a few of their residents and discuss their fascinating natural history.

SPECIAL EVENTS SATURDAY, JULY 12

"KETTLE MORAINE FISH HATCHERY TOUR" Meet at the Ice Age Center at 1 p.m. for a short drive to and tour of this Department of Natural Resources Facility which specializes in trout and salmon propagation for Lake Michigan.

ACTIVITY SCHEDULE

Nature walks range from 1/2 to 1 mile length and require 3/4 to one hour.

Chamber Golf Outing Scheduled for August 2

The Kewaskum Area Chamber of Commerce, along with Michelob and Best Ford, will be sponsoring the Fifth Annual 18-Hole Golf Tournament on Saturday, August 2, at Hon-E-Kor Country Club in Kewaskum. Tee times will be starting at 9:30 a.m.

The format will be a fourperson best ball.

Chairing this year's event are Vern Jung and Rosie Ritger of Quad Tool and Design, Audrey Krueger of Kewaskum Pharmacy, and Andrew Kuehl of the Kewaskum Statesman. Committee advisors are past chairpersons Debbie **Timblin of Timblin Property** Management and Jane Korth of Hon-E-Kor.

All proceeds from the tournament will support the annual Kettle Kountry **Kolors Family Fun Festival** which is being held this year on Saturday and Sunday, October 11 and 12, at River Hill Park.

Last year's outing proved to be a huge success and it is hoped with new volunteers and help from last year's committee, the event will be as successful as last year.

The cost for the event is \$50 per person and includes 18 holes of golf on the picturesque Hon-E-Kor course, lunch, a steak fry dinner and lots of prizes. Hon-E-Kor members need only pay \$30. (Carts will be available for an additional \$22). However, if golf is not your game, join in the fun anyway for the scrumptious steak fry and camaraderie for only \$15.

The committee is seeking any interested foursomes, twosomes and individual golfers. An entry form can be found at the bottom of this article or you can pick one up at the Kewaskum Statesman, Kewaskum Pharmacy, Quad Tool and Design, Kuehl's Suds and Spirits, Hon-E-Kor Country Club or by calling any committee member.

Your participation is always appreciated. If you would like to become involved or possibly donate a door prize, please contact Rosie Ritger at 626-2158 or Andrew Kuehl at 626-3312.

EWSCA NEWS

(PLYMOUTH, WI) Ken Jay Fiedler of Sheboygan Falls collected his second 30 lap Eastern Wisconsin Stock Car Winged Super Modified feature victory of the year in the third annual Pat Rand Memorial Race of Champions at Sheboygan County Fair Park Saturday night.

Fiedler, who started on the pole, dueled with outside front row starter Paul Pokorski of West Bend throughout the first two laps of the headline event before he finally surged into the lead along the low groove on lap 3.

The first of two red flags appeared on lap 5 for the stalled machines of Kiel's

sion. Dean Gosse of Howards Grove picked up his initial fea-ture of the 1997 campaign in

the 20 lap Super Stock feature. Randy Butler won the 15 lap Winged Super Modified B semi-feature and Slinger's Tommy Johnson was victorious in the 8 lap Winged Super Modified C semi-feature. Howie Weiss of Glenbeulah notched the victory in the 15 lap Limited Lake Model semifeature. Two-time Super Stock track champion Steve Schad of Cleveland won the 15 lap Super Stock semi-feature.

Non-Other **Than Wisconsin**

My wife and I just returned from a trip about the good old U.S.A. from north to south, east to west, and we both agree, there absolutely is no other state as lovely, as fertile, as GREEN and LUSH as our God-blessed Wisconsin.

Yes, and we have the plantwild animal varieties like non other plus the variety of landscapes from dunes to eskers; wetlands to prairie-flats and hills bursting with the proud Prenatal Breast-Feeding hardwoods and evergreens. Class Offered at Hospital Sounds like I am some kind of salesman, Right?

had a like experience when returning from a trip away! It was so good to get away ... but oh, so good to return home once again. Truly, it seems like our foraging to unknown places has helped us to take a serious new look at what we have at home. As my partner so aptly put it: "Honey, you know I never really saw all there is to see ... it is like looking at things with new eyes, better insight!"

And in no way is this article being written to demean other states or areas of our vast nation. However, we do wish to share what an eye-opener our trip provided us including a better appreciation for the overall beauty of our fantastic country. But, like the old song says ... "There's No Place Like Home."

Our lakes and ponds are now providing us with the lovely water lily blossoms; the cool spring gave us a rather new experience with lilacs blooming weeks later than their usual time to bloom; and who can remember a year

when the forests were so late in leafing out...however,can you recall a year when the foliage has been as lusty as this year?? Remarkable!

So let me once again invite you and yours to head for the forested hills and valleys. Discover new creeks and water holes. Drop a worm and line in waters rich with a variety of fishes! Enjoy our wonderful state to its fullest. You'll never regret it.

St. Joseph's Community Perhaps many of you have Hospital of West Bend is holding a prenatal breastfeeding class Thursday, July 17, from 7 to 9 p.m. in the hospital's New Life Center classroom.

The class is designed for couples who are considering breast-feeding. It discusses the benefits of breast-feeding, nutrition, breast care and various techniques that enhance the experience. Tips for incorporating breast feeding into a mother's and family's lifestyle are also included.

Participants are asked to bring a pillow and a newborn-size doll.

The fee is \$5 per couple. To register or for more information, please call St. Joseph's Community Hospital's New Life Center at 334-8361.

Pennant Fever Dims for Half of 'Over 40' Boys

WBKV's pitching ace (and you thought he was only a hit in the morning...) Bob "Fingers" Bonenfant fires another "smoker" across the plate. It was a good thing I had a fast action lens or I never would have been able to capture this high speed pitch clocked in at nearly 3 mph.

Threatening skies and a few isolated raindrops nearly canceled the action at the Thiemerdome on July 2 (what... you guys are afraid you're going to melt??) but in a last minute executive decision, it was determined to activate the structural cover should more inclement weather persist.

In spite of chilling winds, the massive crowds of fans were on hand to cheer their favorite teams. You could feel the tension, electric through the stands, chanting pennant... pennant... As of last week, the numbers were tied and everyone still had a shot at the title.

The press corp, clammering over the hottest sports story of the year (Tiger Woods must have been out of state) packed the press boxes and the idea of trying to juggle your way to the fax machines was ludicrous. (Those weren't fax machines?? Those were toliet paper holders?? That's what that odorous aroma was... I thought Richard had his shoes off, massaging his spurs again.) I just can't believe all were not in attendance... how can anyone pass up this type of excitement?

Roger Schneider shows he still

has the power as he smacks

one into the outfield. Many

fielders plan on padding their

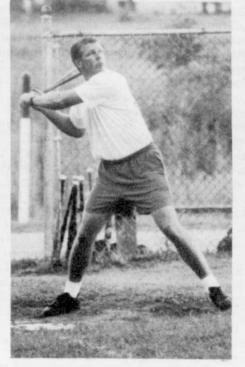

gloves this week.

It seems many players were either shipped back to the minors or are off attending Buddy Perkins "Youth is a State of Mind" seminar. Or perhaps these "Over 40 Boys" have been secretly working out (me thinks... NOT!), but the severe season-opener injuries seem to be a thing of the past and the direct line button to 911 was not utilized.

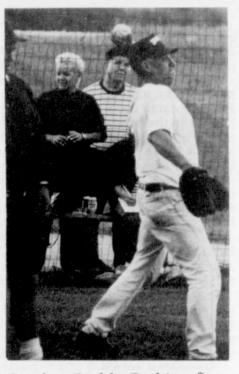

The new "tumbling to catch the ball" theory did not seem to be as prevalent, but one player still felt it necessary to use that movement. (Either that or he was top heavy... but that surely couldn't be...) Upset me because I didn't have the video camera out of the bag yet. (I was a little late due to traffic jams getting into the park and the fact Richard neglected to send out the preferred parking passes on time.)

There were several new players brought up from the farm clubs, because many of the senile ... er ... I mean serious players are still healing from previous muscle and tendon misuse. Kurt Schmidt was back with a vengeance and played the whole game in spite of his fingers. Kurt said, "I'll catch the DARN (yeah ... right!) ball with my teeth, if I have to!" The insanity ... er ... I mean, intenseness of these players is really amazing!

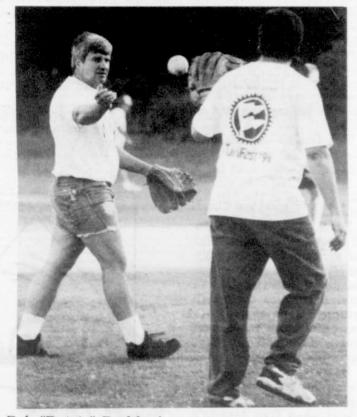

John Klahn was also back smiling above the pain. (His shoulder therapist is also smiling, thinking about that summer cottage he'll be able to afford (Continued on Page 20)

Tom "Coach" Timblin shows he has the form, he has the grace, he has the style... unfortunately he didn't get the hits he wanted. Darn pitchers just weren't throwing "the right stuff."

Catcher Buddy Perkins fires one back to the pitcher. Many of his teammates have decided to follow Buddy's healthy lifestyle regimen and will bring only one cooler to the next game instead of the usual.

Bob "Butzie" Buddenhagen tosses the ball back to pitcher Bob Bonenfant following their victory. The burning question is, did "Fingers" catch the ball or did he drop it?? I'll never tell. Rumor has it though that Bob has been contacted by Nike to

do commercials for their new line of cutoffs and might consider leaving the force for the Hollywood glitz scene.

Indians Win Two Nail-Biters

In an abbreviated 4th of July week schedule, the baseball Indians won two nail-biters.

The Monday, June 30, home game against New Holstein came down to the last out in the bottom of the seventh, but the Indians prevailed by a score of 7-6. Under the four-year tutelage of Coach Mark Heise, the Indians had never swept the Huskies. "New Holstein's been a conference power for years," stated Heise. "To win both games against them this year is a real treat.'

It was a see-saw battle the entire game. The Huskies scored one in the first and one in the second to take a two-run lead.

Kewaskum scored a run in the bottom of the second on an RBI single by Josh Christophersen. The Indians took the lead in the third when they scored two runs. After the first two batters made out, Bruce Gundrum singled. Nathan Mueller, the courtesy runner, then scored on a Mike Danielson double to right center. Danielson scored when Kevin Martin's ground ball to the Husky shortstop was booted. That gave the Indians the lead at 3-2.

The fourth inning saw the Huskies score three runs to take the lead back at 5-3. New Holstein scored one more run in the fifth to move their lead to 6-3.

But as the case has been all season, the Indians did not give up. Erik Kopecky led off the fifth with a double down the third base line. After the next two Indian batter outs, Mike Danielson laced his second double of the game to right center to score Erik.

Danielson scored on a Kevin Martin double to right field. Kevin then scored when Dan Jeserig's ground ball to the third baseman was overthrown to first. That tied the game at six apiece.

Kewaskum pitcher Josh christophersen held the Huskies scoreless in the sixth and seventh to set up another dramatic seventh inning win. With two outs and no one on base, the Indians' Kevin Martin and Huskies' pitcher Jon Karls had a hard fought confrontation in which neither would give in. With a 2-2 count, Kevin fouled off three pitches before he hit a rope to center field for a base hit. He then proceeded to steal second and scampered home on a base hit off the bat of Dan Jeserig. Martin was 2x4, but reached base in all four at bats. He also had two RBI's. Mike Danielson was also 2x4 with two RBI's. Josh Christophersen was 2x3 with one RBI. Christophersen pitched all seven innings, striking out five and walking four. He gave up six runs of which only one was earned, due to three Kewaskum

errors. Josh's record is now 1-1 in conference play.

The Indians' conference record after this game is 6-5, (10-8 overall).

On Tuesday, July 1, Kewaskum embarked on their longest road trip of the year to play Two Rivers. It was a successful trip, with a happy team returning having notched a 5-4 win.

The Indians struck early, scoring two in the first and two in the second, to take a 4-1 lead. "It was a team effort tonight," stated Coach Heise.

Rhett Engelking was 2x3 with a single in the second and a long ball single in the fourth. Erik Kopecky, Kevin Martin, Dan Jeserig, and Jim Kopecky each had a hit. Distribution of the five RBI's went to Erik Kopecky, Josh Christophersen, Kevin Martin, Dan Jeserig and Jim Kopecky.

Jeserig pitched for the Indians going the distance for his fourth conference win. He gave up seven hits, struck out eight and walked only one.

The Raiders scored one in the first, two in the third, and one in the fifth on a combination of hits and an error

With four runs each, sixth inning Indian batter, Jason Bartelt took first on an error, then stole second base. The tie-breaking RBI single by Jim Kopecky gave the Indians the lead at 5-4. Jeserig's pitching shut the Raiders down in the sixth and seventh to gain the victory

This raises the Indian conference record to 7-5, (11-8 overall).

Thursday night the Indians play Chilton. Friday, July 11, the Indians will finish the suspended Brillion game at home. Monday, July 14, is the last scheduled conference game at Kiel. And on Wednesday, July 16, the Indians host Random Lake in a non-conference game at home. All games begin at 5:30 p.m.

'Over 40' Boys

now that John has again taken up softball). John was overheard saying, "It only hurts when I throw.

The league is currently considering allowing these players to have designated fielders play alongside them in the outfield this week.

On to the action ... Thiemer's Sip and Snip squeaked (I thought he was on Kuehl's team?? Another player on double duty??) one out over Commercial Plumbing, 2-0. In the bottom of the sixth, Bob "Fingers" Bonenfant hit a

double with two men on base, scoring "Speedy" (I must have missed that one!) Rick Jaeger and "Big Red" Gum... er... I mean Schladweiler. "Fingers" then held on to the lead with excellent pitching clocked at nearly 3 mph with the able assistance of the golden glove of Mark "Doodles" Strobel.

Kuehl's Suds and Spirits seemed a little flat this week, unable to find any holes to hit the ball through. (Probably due to the fact most of the bifocals were left at home.) Amerahn brought in some new young faces from their farm club in Arizona which closed off all the gaps in the outfield. (No... I'll be nice and let this one go by.)

The Amerahn players hammered the ball themselves and their pitching was too hot to handle for the Kuehl's team. Kuehl's even had some youngsters like Tom "Coach" Timblin, and physically fit (one out of 30 ain't bad) Doug "Warden" Bilgo, who had a difficult time connecting with the ball.

It must have been the glare of the sun off the Thiemerdome, as even Jeff "Rabbit" Ramel had trouble hitting, squaring one off right into the big old maple tree. (Warmup starts early this week boys ... bring your chain saws). In spite of playing some intense baseball (man, these guys aren't kidding! They were a bit cranky after suffering the big loss), Kuehl's went down 5-2. General Manager Dennis Kuehl has called in a new batting coach, two new massage therapists, and promised to erect a free four-man Jacuzzi in back of the store. (And guess who has the beer concession??)

The next joust was scheduled for July 9 with Commercial Plumbing going up against the Kuehl's "bad boys" at 6:15 and Amerahn planning on taking down Thiemers at 7:15. If you cannot attend ... you'll be missing the fun. But we'll try to keep you posted one way or another. (Little League game comes first ... less chance of seeing bodily harm).

And for those of you who care, I have decided to retire from sports reporting... I fully intend to invest in the franchise of the chiropractic concession at 'Casualty Corners." If this "Over 40" baseball thing ever catches on, I'll make a fortune!
