## Peace Church Habitat Crew Helps Build Home in Indiana

Kathy Zahn, Connie Zemlicka and Karen Kletti work on interior framing and housewrap.

The Peace Church Habitat crew of Kewaskum near the end of their service mission.

The T-shirt said, "Action Added to Faith Brings the Pieces Together." It was worn by an Indiana woman serving spaghetti supper at First Christian Church in Frankfort to celebrate the progress made when a group of 21 volunteers from Peace Church of Kewaskum traveled to Frankfort, Indiana, to help the local Clinton County Chapter of Habitat for Humanity build a home for Dan and Lottie Smith.

The Kewaskum group had arrived seven days earlier and found the building site well prepared. The Clinton County group had purchased the lot, cleared it and provided electrical power and water at the site. A foundation of concrete blocks and a wooden deck was ready and waiting to become a home.

Howard Zemlicka organized the volunteers into work groups and translated the building plans into layman's terms. Marion Erdmann and Gretchen Smith rose each morning at 5 a.m. to prepare meals. The crews were on the job by 7 a.m. and soon the walls went up, the trusses were set and the roof was shingled.

Windows and doors were installed and the house was dressed in "Forest Grey" vinyl siding. A family of robins had already taken up residence in one of the large maple trees shading the front porch.

Like the young robins learning to fly, the volunteers and the new homeowners were challenged daily to learn and do what some had never done before. More experienced members

of the group led and coached as needed.

When heavy walls and trusses needed to be lifted, Howard called for "ELEPHANTS!!" and many hired hands working together safely heaved them into place. At the end of each day the group retired to a nearby church to rest and plan the next day's work.

Habitat for Humanity is a world-wide organization founded by Millard Fuller to provide decent affordable housing for people who might otherwise never be able to own a home. The home owners are required to provide 500 hours of "Sweat Equity" helping to build their own and other Habitat homes.

They also must make monthly mortgage payments and care for the home responsibly. Pastor Jim Bettin organized the first group of Peace Church volunteers to help with this effort 11 years ago. Each year since then, the church has sent people from all walks of life to learn again that action added to faith really can bring the pieces together.

### Attention - Kewaskum School District Athletes

Before practicing in any sport, the student and a parent/guardian must attend an Athletic Code Meeting.

Meetings for High School and Middle School students will be held in the High School Band Room on Monday, Aug. 4th 2:00 p.m. and 5:00 p.m.; and on Sunday, August 10th at 6 p.m. in the High School Cafeteria.

After five days, Danny and Lottie Smith are this close to having a new home.

## Repaving Underway at Area Schools

The repaving project of Kewaskum High School, Kewaskum Middle School and Farmington Elementary is near completion. Shown above is a worker from Scott Construction of Lake Delton, milling the KHS project. The whole project has cost the district approximately \$209,050. Two small changes at under \$1,000 were added due to having to remove some unstable soil at KMS and KHS. The project is due to be completed by August 15.

## Hepatitis B Vaccine Required for School

Starting in the fall of the 1997-98 school year, the Hepatitis B vaccine is required.

This vaccine is in addition to those already required by the Wisconsin State Immunization Law. Students in kindergarten and seventh grade need the Hepatitis B vaccine series if they have not already been immunized. The Hepatitis B vaccine produces immunity to the Hepatitis B virus.

The following are the most common asked questions regarding Hepatitis B:

**Q. What is Hepatitis B?**

**A.** Hepatitis B (formally known as serum hepatitis) is a serious liver disease caused by the Hepatitis B virus. Hepatitis B attacks the liver and can cause severe illness, even death. In some instances the virus stays in the body for a lifetime (carrier) and causes other medical problems.

**Q. What are the signs and symptoms of Hepatitis B?**

**A.** The signs and symptoms of Hepatitis B includes a variety of flu-like symptoms, lack of appetite, fatigue, abdominal discomfort, an enlarged liver, jaundiced (yellow color to the skin and whites of the eyes), abnormal liver function tests, mild fever, muscle and joint aches.

**Q. How is the disease spread?**

**A.** By having certain kind of contact with someone who has Hepatitis B. Hepatitis B virus can be found in blood and other body fluids including semen, vaginal secretions, urine and even saliva. Transmission occurs through infected body fluids entering the body through the eyes, mouth, a break in the skin or through sexual contact. However, Hepatitis B can be spread by sharing needles, toothbrushes or razors, using unsterile

equipment for body piercing and tattooing, and at birth from an infected mother.

**Q. How can Hepatitis B be prevented?**

**A.** To prevent disease before exposure, Hepatitis B vaccine is recommended for all infants, for people who live in high risk occupations or with high risk behaviors (IV drug user, multiple sexual partners), for adolescents and young adults before they become sexually active. The vaccine is given as a three dose series at scheduled intervals.

The Washington County Community Health Nursing Service will again do an in-school immunization program for all sixth graders and those in seventh grade who have not been immunized before school starts in the fall. Parents, please check with your child's school or the Community Health Nursing Service to see if your child's school is participating in the Hepatitis B immunization program.

If you have further questions regarding Hepatitis B or the Hepatitis B vaccine, contact your doctor's office or the Washington County Community Health Nursing Service at 335-4462.

### IN MEMORY

In loving memory of our dear dad DAVID ENGELMAN, who passed away, July 31, 1993:

Behind our smiles there are many tears  
For the Dad we lost we loved so dear.  
Others are taken, yes we know,  
But he was ours and we loved him so. The tears we shed we can wipe away,  
But the ache in our hearts will always stay.

*Love, Derrick & Dillon Engelman.*

## New Wisconsin Area Code Activated July 26

MADISON -- All telephone customers are reminded that Wisconsin has a new 920 area code as of July 26, 1997. The new code, which is needed because of the explosive growth in telecommunications devices, covers the northeastern portion of the state.

Last year, the PSC adopted a plan that split the 414 area code into two segments. The southern portion, including the cities of Milwaukee, Racine and Kenosha retains the 414 number. The northern section including Green Bay and the Fox Valley cities will have the new 920 code.

An optional dialing period began July 26th. Since that time, customers can complete calls to the area using either the 920 code or the 414 code. The optional period runs until October 25, after which time, use of the 920 code will be required.

Customers are urged to use the optional dialing

period to make sure their automatic dialing equipment is properly programmed and to change their dialing habits to include the new code.

Even though the new area code will require a change in dialing habits, it will not require a change in local calling areas, rates, emergency calls or seven-digit phone numbers.

The new area code is needed because of heavy consumer demand for all types of telecommunications services, including cellular phones, second lines, pagers, computer modems and fax machines. Without a new area code, eastern Wisconsin soon will run out of phone numbers.

Creation of the new area code makes available seven million new telephone numbers. Depending on future demand, the split will allow the supply of telephone numbers in the 414 area code to last up to eight years and will allow the 920 supply to last up to 15 years.

## 25 Years Ago

July 21, 1972

The Kewaskum Lions Club is planning its first chicken barbecue to be held Sunday, August 27, from 11 a.m. to 7 p.m. in the village park. Refreshments will also be sold. A 30x90 foot tent will be erected in the park where people can sit comfortably in a shaded area to eat their chicken.

The tenth annual Krazy Daze sidewalk sale and fun event sponsored by the Kewaskum Business Association will be held next Tuesday, July 25, from 8 a.m. to 9 p.m. with the merriment continuing well after that hour. Rain date for the event is on Wednesday. Krazy man, is the word for it, as some 50 merchants and other business places will participate in sponsoring the event, which is one of the major sales promotions and fun days in the village each year. On this "day of daze" special and unusual bargains galore are offered on the streets and in the stores by cooperating merchants, organizations and individuals. Other festivities will include live music, outdoor dancing, krazy costumes, and door prizes. Foods and refreshments will include nickel beer and soda, barbecued chicken, coney dogs, roast beef, brats, homemade wurst, hamburgers, ham, ice cream, homemade cakes, bake sales, etc. Live music will be provided by Dave's Music Center, the Wigwam and the Glacier Inn and Yoost's Market.

July 28, 1972

Voters of the Kewaskum School District were asked to indicate in an advisory referendum here Monday whether \$200,000 should be borrowed to build and equip an addition to the Wayne Elementary School. They voted 265 in favor and 268 against the borrowing. The 533 votes cast between 7 a.m. and 8 p.m. represented only about 10% of the district's potential vote. The proposed addition is part of a package plan turned down by electors three different times last year.

The Village Board appointed a zoning adminis-

trator, let bids for about 3,000 feet of curb and gutter and heard alternatives in refuse disposal with it met here in adjourned session Monday night. Richard E. Zarling, 524 Keller St., will assume the newly created post of zoning administrator just as soon as the village adopts its new planning and subdivision control ordinance, hopefully during August. Zarling will serve part-time with pay. No salary figure has been set.

Businessmen of Kewaskum are cordially invited to attend a meeting to hear a talk about and discuss the possibility of organizing a Chamber of Commerce in Kewaskum. The meeting will be held at the Wigwam at 8 p.m. next Wednesday, Aug. 2. The speaker will be Ken Haagenen, Executive Vice President of the Wisconsin State Chamber of Commerce.

Scenic Moraine coaches met last week to select their all-conference baseball team and it wasn't easy as there were 15 candidates who had .300 batting averages or better and seven pitchers with 50-50 records or better. The conference champs, Pewaukee, had two first and three honorable mention picks but it was third place Kewaskum with the most first team selections with three. The Indians placed catcher Jim Gaffke, pitcher Tom Theusch and shortstop Gary Marx, who also does some pitching. Gaffke and Marx are only juniors and will be back next year. Kewaskum did not place any players on the honorable mention squad.

Three young men, two of them from Kewaskum, were taken to St. Joseph's Community Hospital, West Bend, by Kewaskum ambulance following a car-train accident at approximately 10 p.m. Saturday. The mishap occurred on Auburn-Ashford Road about three miles north of Kewaskum at the Chicago & North Western Railway track near County Trunk V. Removed to the hospital were Kenneth K. Kreif, 19, of Kewaskum, with bruises and lacerations; Jeffrey

Broecker, 19, of St. Cloud, lacerations to the back and stomach, and John E. McElhatton, 19, Route 2, Kewaskum, who was the most seriously injured with a cracked pelvis, ruptured spleen and other injuries. He underwent surgery at the hospital Tuesday and is expected to be confined there about two weeks.

The Kewaskum High School Summer Theatre will be presenting its third annual production on Friday and Saturday, August 4 and 5 in the high school gymnasium at 8 p.m. The play chosen for this summer is "Stardust," by Walter Kerr. The cast includes Dana Acker, Maggie Roeder, Robin Bier, Sandy Bauer, Rick Zarling, Tom Hensiak, Tim Ryan, Perry Nigh, Beth Faber, Ann Stoffel, Mary Beisbier, JoAnne Garman, Dick Butz, Katie Roeder, Jane Krueger, Jeanne Karl, Debbie Strigenz, and Jane Zehner. The set is designed by Ron Reigle. The play is directed by Clyde Brehm.

Chuck Yeager was the first man to fly faster than the speed of sound. He accomplished the feat on October 14, 1947 in a Bell X-1 rocket airplane.

## A Stroll Down Main Street...

Our last stop, west of the railroad tracks, on the south side of the street on our "Stroll Down Main Street," was the John Marx IGA Store (as shown in the photo nearly 50 years ago.) Records indicate Nic Marx (father of John Marx) opened a food store around 1876 in the building now occupied by Tantalizer Tanning Studio. (Sorry... we weren't aware of that previously). The store moved from that building to the one shown in the photo around 1926.

According to Helen Felix, prior to that time, the building shown above was occupied by the Citizens' State Bank in 1904 (corroborated by Kewaskum Then and Now) and was also one of the first locations of the Kewaskum Post Office. Information Kewaskum Then and Now states, "Before the enactment of the Civil Service Act, the determining factor in who was appointed postmaster, (and consequently the location of the post office) was the party affiliation of the local postmaster and the President of the United States. Democratic presidents tended to appoint postmasters who were affiliated with their party, etc."

Getting back to the IGA Store. On January 1, 1956, the store was turned over to a member of the third generation of the Marx family, Harold "Mixie" Marx. "Mixie" purchased the building on the north side of the street owned by Lay Lumber Company and tore it down in 1961 to build a new IGA Foodliner store. It opened for business on January 24, 1962. In 1966 the store's name was changed to Marx Sentry. (Since that time the Sentry store has moved to the Kewaskum Mall, the building was razed and the land is now utilized for West Main Street parking).

Other businesses that were located in the building shown above, after the IGA Store, included Jack's (Jadro) Appliance and the Regal Ware Outlet Store.

The building, which is currently home to "Rookies" also housed assorted other businesses, including Pizza Joe's, The Landmark Restaurant, Eckl's Main Street Inn, T and Vern's, and others that do not immediately come to mind. Thus ends the first segment of our "Stroll Down Main Street."

## Kewaskum Fire and Rescue Squad Calls

Thursday, July 24 - The Kewaskum Rescue Squad and Kohlsville First Responders were summoned at 8:46 a.m. in the Town of Wayne for a male patient who suffered a foot injury in an industrial accident. The patient was transported to St. Joseph's Community Hospital, West Bend.

Friday, July 25 - The Kewaskum Fire Department responded at 4:58 p.m. to a Town of Kewaskum residence for a carbon monoxide detector that was activated. Firefighters were on the scene for approximately 1/2 hour.

### THANK YOU NOTE

We wish to thank all our family members, relatives and friends for their kind concern during the illness and death of my dear husband and loving father, grandfather and great-grandfather, Walter Butzlaff. Special thanks for the kind and prompt response of the local ambulance service and the doctors and nurses at St. Joseph's Hospital. We extend sincere thanks to Rev. James Bettin for his prayers and visits both at home and the hospital, to Loran and Rozanne who answered every call for help.

Many thanks to the Miller Funeral Home, the donors of food, and the ladies of Peace Church Guild who served the meal, to our church organist for the beautiful hymns, for the beautiful floral pieces, cards and gifts.

Our heartfelt thanks to all who shared in our grief. We will always remember you.

## It's Fun! It's the Girl Scouts

It's fun. It's only for girls. It includes friends and learning new skills. What is it? It's Girl Scouting.

New Girl Scout troops are now forming. Registration sessions for girls, ages from 5-17, will be held on Monday, August 4, from 1 to 6 p.m. Registration will be held at all elementary schools.

For more information, contact: In Farmington, Millie Hedlund at 692-6832 or Diane Jacobi at 692-2336; In Kewaskum, contact Sharon Shaw at 626-2214; In Wayne, contact Dawn Weiss at 629-5478. Membership dues are \$7.00. Financial assistance is available for girls in need and Girl Scouts may use their 1997 program credits for girl membership dues. A parent or guardian should attend to sign the registration form.

Girl Scouting provides girls with fun activities to develop self-confidence they need to be happy, successful adults and a vital part of their community. Girl Scouting is for all girls, including those who are

physically or mentally challenged. Trained volunteers are skilled in working with troop leaders to enable them to adapt programs to meet the needs of all girls.

Manitou Girl Scout Council serves more than 5,500 girls and 1,500 adults in the seven counties of Calumet, Dodge, Fond du Lac, Manitowoc, Ozaukee, Sheboygan, and Washington. Funding is provided through the generous contributors to the annual giving campaign, United Way and Community Chests, individual contributors and the council's annual cookie sale.

## Letter to the Editor

### 4-H/LABO Exchange

Konnichiawa! which means Hello from Japan.

The trip to Japan went smoothly and the 4-H delegates behaved very well. LABO Staff and Interns met us at Nariata Airport and transported us to hotel in Tokyo by bus. Almost all travel is done by mass transit. Traveling by car is very slow and almost impossible to park.

The roadways are very narrow and going over the centerline or up on the curb is common practice. Delegates met their host families on Wednesday, July 16th. Some had long distances to travel, especially 4-H'ers who stayed in southern Japan. Everyone is doing well and adjusting to life in Japan. Many of the delegates as well as ourselves are attending LABO parties where youth from age 2-18 come together by playing games (Humpty-Dumpty), singing and doing familiar plays such as the Ugly Duckling and Tom Sawyer.

The weather in the Tokyo area is extremely hot and air quality is poor. There are many very tall buildings and the city is in the process of building a monorail system.

Weather in the mountains is similar to Wisconsin with warm days and cool evenings. Paul and I are staying in the Nagano prefecture which is like our counties where the Winter Olympics are going to be held in 1998. We will be attending LABO Camp which is a requirement for all 4-H Delegates. This is a 4 day, 3 night experience where as many as 1,000 youth from Japan, U.S., Canada and Australia meet. We are housed in large buildings and play games, eat, bathe and sleep together in groups.

This is one major difference in culture. North Americans are individually oriented and Japanese are group oriented. Older LABO members and Americans will be looked to for leadership and development skills. Camp gets started at 6:00 a.m. followed by exercise, breakfast, activities, campfire and socializing. LABO Camp is a unique experience because Japanese Camps are not usually open to foreigners. They serve foreign-style foods and foreign-style accommodations. LABO camp will be a very special opportunity for American youth to experience the 'roots' of Japanese society. We Americans are ambassadors of our country and this will be a time to meet new friends and experience a new culture!

Sayonara (good-bye) from Diane and Paul in Japan.

## Campus Notes

**MILWAUKEE** -- Amanda Proeber of West Bend earned a place on the Dean's List at the Milwaukee Institute of Art & Design (MIAD) with a 3.63 grade point average. Proeber just completed her first year at the visual arts college and has selected Drawing as her major. She is a graduate of Kewaskum High School.

One of the country's leading visual arts institutes, MIAD is Wisconsin's only four-year independent professional art and design college. Founded in 1974, and a successor to the Layton School of Art, MIAD offers a BFA in nine major study areas: drawing; painting; sculpture; photography; printmaking; illustration; communication design; industrial design, and interior architecture and design. Graduates successfully practice their art and design throughout the U.S., as well as abroad.

Locally, academic affiliation with Marquette gives MIAD students access to an increased number of Arts and Sciences classes, and MU students the opportunity to earn an art minor. Health/sports facilities affiliations with MU allow MIAD to offer a much broader range of services than ordinarily possible for a smaller private institution.

All MIAD faculty members are practicing professionals recognized in their field of instruction. Enrollment in the BFA program is around 500, with over 1,000 in Continuing Education classes. MIAD also has a pre-college program year-round, with concentrated two-and three-week sessions during the summer. The school and its residence facility are located in Milwaukee's Historic Third Ward.

## Campus Notes

Fox Valley Technical College officials have released the dean's list for the second semester of the 1996-97 school year.

To qualify, a student must be enrolled in a program and have completed a minimum of 12 credits between January 20, 1997 and May 29, 1997. A grade point average of at least 3.5 out of a possible 4.0 is required to earn dean's list status.

Included on the dean's list was Roy V. Breger, Town of Kewaskum.

## 4-H-Express

The Kewaskum 4-H'ers annual picnic was held on Thursday, July 8, at 6:00 p.m. at the Kiwanis Park Shelter. Keeping with the "4-H and My World" theme for the year, members and their families brought a dish to pass and labeled it with the name of the country it originated from.

Club President Jennifer Rogowski led a short business meeting. Activity Reports were given. Carissa Bartelt reported on the one-day 4-H camp held at Glacier Hills Park in Richfield and 4-H Camp held at Upham Woods in Wisconsin Dells. Amanda Jesowshek reported on Breakfast on the Farm. Mitchell Weindorf reported on the June Club Craft, which was a patriotic pennant and mirror etching. Brooke Zanow reported on the Brat Fry and Bake Sale held at Sentry Foods on June 28.

Washington County Fair events and activities were discussed. Kim Erdmann and Brooke Zanow will serve on the Nominating Committee for the election of officers to be held at the August 7th club meeting. Members and parents were asked to consider serving on the Washington County 4-H Leaders Board. Jennifer Rogowski volunteered to organize a club outing in August to Wisconsin Dells. Arrangements are being looked into for a club outing to a Brewers' game in September.

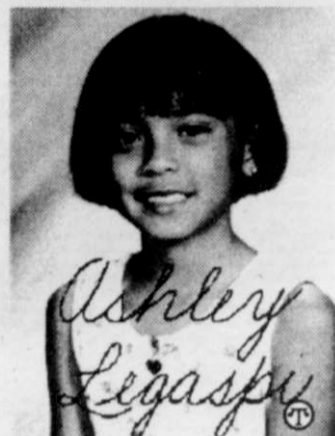

A happy birthday was wished to club member Alyssa Jung.

Brooke Zanow led members in playing a couple games from other countries.

## Nine-Year-Old is America's Handwriting Champ

(NAPS)—What's it take to win the National Handwriting Contest? Letter perfect precision, carefully crafted cursive, and superior slant did it for 9-year-old Ashley Legaspi, 1997 Grand National Champion. The Jacksonville, Florida fourth-grader competed against students from the U.S., Puerto Rico, and Canada for the North American handwriting crown.

A record-breaking 181,500 kids entered the 1997 Contest, up 51% over 1996. Contest sponsors Parker Pen and Zaner-Bloser, the nation's leading publisher of handwriting texts, view the increase as proof that students and parents value good handwriting. Teachers and principals applaud the National Handwriting Contest as a powerful incentive for improved student handwriting.

Five 1997 runners-up were named: first-grader Victor Walters of Limon, Colorado; second-grader Jacob Quickert of DeForest, Wisconsin; third-grader Katelyn Douglass of Dover, Ohio; fifth-grader Elisia Kelzer of Norwood, Minnesota; and sixth-grader Jennifer Fata of Cullman, Alabama.

Want to enter your 1st-6th grader in the 1998 Contest? Schools using Zaner-Bloser handwriting programs are eligible. Ask your teacher or principal to call (800) 924-9233 for an official Parker Pen/Zaner-Bloser National Handwriting Contest packet.

## Christine Schmidt Working as Counselor at Camp Wawbeek

Christine Schmidt, daughter of Ralph and Joyce Schmidt, 221 Clinton St., Kewaskum, is spending her summer working as a counselor at Easter Seal Camp Wawbeek in Wisconsin Dells. Camp Wawbeek is the only camp in Wisconsin specializing in providing a camping experience for children and adults with disabilities.

Christine is one of the many counselors who come from all over the country, and in some cases, the world, to work at Easter Seal Camp Wawbeek. One counselor said, "I have a

wonderful time at camp, meeting new people, learning new cultures and most importantly making a positive experience for the kids and adults with disabilities."

Campers with disabilities enjoy counselor-led activities which include swimming, archery, sports, pontoon boat rides, fishing, arts and crafts, a rope course and new this year were ham radio and horseback riding.

"Seeing the smiles on the campers' faces is what it's all about," continued the counselor, "You know you are making a difference in people's lives."

For more information on employment opportunities or a camper application for Easter Seal Camp Wawbeek, please contact Ken Saville at 608-277-8288.

## Computer News & Notes

### Teaching Your Youngsters To Type Right

(NAPS)—From schoolwork and entertainment today, to the jobs they hold tomorrow, typing will be an essential skill for children to master. Knowing how to point and click with a mouse or using a joystick to shoot aliens, however, just isn't enough.

Fortunately, teaching children to type can be easy for you and fun for them. Here are some tips to help you help your children learn to type correctly:

- Children should learn that everything from posture to how they hold their hands over the keyboard is important. Proper positioning can be aided by having an adjustable computer desk and chair as well as a keyboard designed to encourage correct hand position.

- Just like adults, children are at risk for repetitive stress injuries. Hand-arm misalignment is a primary cause of these problems. The keyboard should be at elbow height. The arms should be held at 90° angles, the wrists straight and the thighs parallel to the floor.

- Children can practice their typing skills by typing letters to relatives or friends, captions for a family photo album or a family newsletter to include in holiday cards.

Learning to type on a computer keyboard can be fun now and can stand your youngsters in good stead for many years to come.

- Consider getting specialized software. One lets children learn typing in a fun-filled environment. Lessons progress from letters to words to sentences and then on to full paragraphs. The on-screen keyboard has color-coded keys and fingers to teach children how to position their hands. The program provides reports listing the budding typist's words-per-minute and accuracy and prints out encouraging certificates of completion. You can find this Mario Teaches Typing 2 from Brainstorm, a division of Interplay Productions at local toy and software stores.

Perhaps once they learn to touch type, your youngsters may even type out a note of gratitude to you.

## Morgan Increases Points Lead During Kewaskum Chevrolet 40 at Slinger

SLINGER -- Conrad Morgan, Wales, scored his third feature win of the season during the Kewaskum Chevrolet 40 at the Slinger Super Speedway, Sunday night, July 27.

Morgan worked his way around polesitter and early race leader, Al Schill, Franklin, with just eight laps remaining in the 40 lap event. The two would race door to door after Morgan gained the second spot by passing his son, Donovan Morgan, Oconomowoc, shortly after the only caution on lap 27 bunched the field up.

Defending track champion Lowell Bennett, Neenah, would also make his way around Schill to gain the second spot and challenge Morgan for the win over the last five circuits. Morgan, who moved up from the 12th starting position, was able to hold off Bennett and claim the checkered as the two finished nose to tail.

Schill would hang on for third, while the younger Morgan finished fourth and Jamie Wallace (Pell Lake) ended in the fifth spot. The three time track champion, Morgan, was able to pad his points lead for the season, but only slightly with Bennett finishing second. Schill would win the Bumper to Bumper Half-Way Challenge as he led the mid point of the feature.

In semi feature action, early race leader Mike Strupp (Theresa) had something break on his car and as a result hit the wall in turn four and relinquished the lead to Jerry Eckhardt, Watertown. On the restart, Eckhardt couldn't hold off Rich Loch of South Milwaukee, who made the pass for the lead on lap 18 to take the checkered in the 20 lap semi.

Following Loch to the line was Eckhardt, Steve Huelsbeck of Milwaukee, John Mueller of Hubertus and Race McComb of Hartford. Conrad Morgan turned fast time with a lap of 11.655 seconds on the "World's Fastest 1/4 Mile" and Bennett took top honors in the Parts Plus Trophy Dash. Brady Bennett, Neenah, Joel Laufer, Hartford, John Mueller and David Prunty of Lomira

each won their respective ten lap heat races.

The 25 lap Midwest Modified feature saw a three car break away for the win as Fran Prestay, Twin Lakes, would notch his third win of the season. Prestay, Tim Bell of Wadsworth, Illinois, and Jeff Holtz of Franklin pulled ahead of the pack to fight for the win.

Prestay and Bell moved up from their respective tenth and twelfth starting spots, to catch Holtz just past half way. Prestay would make the winning pass working lap 16 with Bell getting around Holtz four laps later. Bell would have ideas of getting around Prestay, but was unable to nose under him when the checkered fell.

Bell was fast qualifier in the modified division with a lap of 12.400 seconds. Prestay won the dash and John Kruschel of Butler won the heat race.

Dean Olla of Milwaukee paced the field in the Slinger Stinger feature, starting on the pole and leading flag to flag. Dan Miller of Sussex, Mike McCabe of Muskego, Dennis Prunty of Allenton and Scott Ascher of Sussex rounded out the top five during the 16 lap event.

Ron Schmitt of Jackson took the checkered in the Slinger Stinger semi feature. Schmitt and Dan Lauer of Pewaukee each won eight lap heat races and fast qualifier was Dave

Berndt of West Bend, who turned a lap of 13.660 seconds.

Mike Newlin of Menomonee Falls won the shoot out in the Figure 8 race, which started 11 cars for the 12 lap main.

The Demo Derby that was to round action for the evening had to be rescheduled for Sunday night, August 17, as part of the Krueger Entertainment/Schwister Night at the Races.

The 28th Annual Meat Animal Sale was held on Thursday night, July 24, in conjunction with the Washington County Junior Fair last weekend. Shown above is Nathan Vanden Heuvel, 15, son of Mark and Pat Vanden Heuvel, Allenton, showing his 1255 pound Grand Champion Beef. The animal was purchased by West Bend Elevator, in honor of their 50th year in business, for \$4.25 per pound. Nathan is a member of the Slinger FFA.

Brad Oelhafen, 18, son of Jim and Carol Oelhafen, Kewaskum, is shown above with his 1290 pound Grand Champion Dairy Beef, purchased by Coca Cola of Milwaukee for \$2.75 per pound. Brad is a member of the Kewaskum FFA.

### Openings Still Available for Kewaskum YMCA Tot Time

Openings are still available in the Kewaskum YMCA Tot Time classes for the 1997-98 school year.

The four-five year old class will meet from 9:30 to 11:30 a.m. on Mondays and Wednesdays; the three year old class will meet from 9:30 to 11:30 a.m. on Tuesdays and Thursdays. Classes are taught at Peace United Church of Christ by Vicki Fenrick, teacher, and Lori Schoofs, teacher aide.

YMCA Tot Time is designed to help preschoolers grow socially, emotionally, intellectually and physically. Activities in art, music, dramatic play, science and language, encourage skill development and social interaction. Group

activities and self-directed activities are provided each day. Numerous field trips are taken throughout the year. The four-five year class is limited to 20 children. The three-year-old program is designed to introduce children to the school setting with enrollment limited to 18 children.

Tot Time is a cooperative program encouraging parental participation in their child's preschool experience. Parents assist in the classroom several times during the school year. Families are invited to attend school programs and picnics.

Registrations for these classes are now being taken. For information contact the YMCA at 334-3405.

Paula Petersen, 18, daughter of Tom and Judy Schmidt, Wayne, is shown to the right in the above photo, with her 241 pound Reserve Champion Hog. (Josh Hawig is shown to the left of the photo.) Paula's hog also won the Grand Champion Home Bred and Raised award. The animal was purchased by Walters Buildings for \$5 per pound. Paula is a member of the Kewaskum FFA.

## Heppner Family Takes Honors At County Fair Rabbit Show

Jeanna, Chris and Megan Heppner, children of Richard and Roxanne Heppner of Wayne copped many of the honors at the Rabbit Show held at the Washington County Junior Fair on Friday. Jeanna, age 15, is shown above with her Jersey Woolly Class rabbits who took the Grand and Reserve Champion awards. Jeanna is a student at Kewaskum High School.

Chris Heppner, right, age 14, receives his trophies from Judge Chip Mondale. Chris received the Best of Show and Grand Intermediate Showmanship for his Netherland Dwarf rabbit. Chris will be a freshman this year at Kewaskum High School.

Megan Heppner, age 10, proudly displays the Grand Champion and Grand Champion Beginners Showmanship ribbons she was awarded from Judge Chip Mondale for her Mini Lop rabbit. Megan is a student at Wayne Elementary School.

## Girl Scout Registration

It's fun, it's only for girls; it includes friends and learning new skills. What is it? Girl Scouts!

The Girl Scout program is based on ethical values. It is open to all girls regardless of race, religion, color, national origin, socio-economic factors or physical ability. The purpose of Girl Scouting is to provide girls with fun activities to develop the self-confidence they need to be happy, successful adults and a vital part of their community.

Girl Scouting is for all girls, including those who are physically or mentally challenged. Trained volunteers are skilled in working with troop leaders to enable them to adapt programs to meet the needs of physically or mentally challenged girls.

Girl Scout Registration will be held at Kewaskum, Farmington, and Wayne Elementary schools on Monday, Aug. 4th, from 1 to 6 p.m.

There's a girl in your neighborhood who dreams of going places. All she needs is a little encouragement from a caring adult. Help make a difference in a girl's life by becoming a Girl Scout volunteer! Many positions are available, working with girls and adults. No experience is necessary, training is provided for volunteers.

For more information, contact Sharon Shaw (626-2214), Dawn Weiss (629-5478), Millie Hedlund (692-6832), and Diane Jacobi (692-2336).

## Area Youth Perform With West Bend Dance/Tumbling Troupe

Crystal Treptow of Kewaskum, is lifted by Ryan Eckert, also of Kewaskum and Brian Eckert of West Bend while performing with the West Bend Dance/Tumbling Troupe.

The West Bend Dance/Tumbling Troupe is a one of a kind performance organization, which is sponsored by the West Bend Parks and Recreation Department.

It provides 19 girls, each summer, the opportunity to greatly improve their gymnastics and performance skills, while entertaining thousands of people at various festivals throughout the Midwest. The Troupe performs at community social functions and festivals every weekend from early June through late August.

This year, the Troupe performed at West Bend's Seafood Fest and Funfest, Fond du Lac Walleye Weekend, the Kewaunee Trout Festival, the Sheboygan Brat Fest, Appleton's Art in the Park, Asian Moon Fest, Madison's Art Fair on the Square, West Bend's July 4th Celebration and German Night, the Milwaukee Lakefront Festival of the Arts, the Milwaukee Journal Rose Festival, Milwaukee Summerfest, the Ann Arbor Art Festival in Michigan, the Seymour Home of the Hamburger Festival, the Janesville Tallman Arts Festival, The Penrod Art Festival in Indianapolis, the Melbourn Art Festival in Melbourne, Florida, and will also be performing in Kewaskum's upcoming Kettle Kountry Kolors Family Fun Festival.

This year, in addition to the above performances, the Troupe will be traveling to Orlando, Florida. The Troupe received an extremely high honor, as they were asked to perform at Walt Disney World's Magic Kingdom in November. Walt Disney World is one of the most prestigious attractions for any performing group to be invited to.

The Troupe has been working extremely hard for several years to attain the level of perfection for which the Walt Disney World is

known for.

Last year, the West Bend Dance/Tumbling Troupe entertained over 100,000 people. Jackie Maynard, from the West Bend Parks and Recreation Department, has been the director of the Troupe since it's formation in 1985.

Jackie's original goal was

to create more interest in the Parks and Recreation Department's gymnastics program in West Bend. This program now has an enrollment of more than 800 children each year. The goal for many of these children is to become a member of the Dance/Tumbling Troupe.

Each year all class participants have the opportunity to go through an in-depth audition process to become a part of the talented performance group. The 19 girls selected for the Troupe range in age from four to 18 years old. They are all amateur performers who volunteer their time and abilities to entertain audiences throughout the country.

Directors of the West Bend Dance/Tumbling Troupe include Jackie Maynard, Director and Choreographer; Heather Survis, Assistant Director and Choreographer; Deb Butschlick, Assistant; Peter Frigge, Assistant, and Nadalie Reindl, Choreographer.

Performers for the Troupe include four Kewaskum area girls, Erika and Bekki Heberer, Crystal Treptow, and Dana Garbisch.

West Bend performers include Renee Butschlick, Krista Nehrbass, Karla Kleinowski, Stephanie Statter, Kerianne Carlton, Melissa Kleinke, Griffin Thelen, Leah, Kori, and Jena Nienow, Ashley Ca-

paul, Elly Brabender, Renee Remy, and Emily Lawrence.

Beth Wundrock from Grafton also performs with the Troupe. The performing group features two former Wisconsin State Champion powerlifters, Ryan Eckert from Kewaskum, and Brian Eckert from West Bend. The Eckert brothers represent Universal Fitness in West Bend.

The West Bend Dance/Tumbling Troupe is a unique group of enthusiastic and energetic performers. Their precise, choreographed dance routines, coupled with their high-level gymnastics abilities, make the Troupe's performances exciting for everyone.

For more information contact Larry Capaul at 675-2757 or Deb Butschlick at 334-0466.

Memorials to Holy Angels School Trust Fund appreciated.

### IN MEMORY

In memory of David Engelman, who passed away four years ago, July 31, 1993:

It's hard to see tomorrow  
When someone you love is gone.  
And it's harder still to realize  
That your life will still go on.  
But the Lord won't give us  
burdens  
Which He knows we cannot  
bear,  
And He will not leave us com-  
fortless  
We'll always find Him there.  
We're all our Father's child-  
ren,  
Here on earth and up above,  
And our loved one now walks  
close to God,  
Surrounded by his love.

*Sadly missed by, Dick & Rogene Baker, Mike & Cindy Engelman, Grandma Klug, Grandpa Engelman.*

# 'Life is Good at the Thiemerdomo!'

"Life is Good at the Thiemerdomo," states Dee Kleinke, far right, as she prepares to give her weekly "pep talk" to members of Amerahn's "Over 40 Boys." Notice the intense expression on the faces of the players as they "psych" themselves up to do battle with Commercial Plumbing.

New talent (notice I said new talent, not YOUNG talent) continues to pour into the Thiemerdomo weekly (or weakly, however you want to interpret it) with everyone now clamoring for their one moment of fame, as the growing list of injured reserved (and just plain tired) still mounts.

Yes, Virginia, this first season is drawing to a close... someone finally figured out there's only two games left. (That is if Thiemer's team is in the lead... otherwise there will probably be at least four games left to enable the Sip and Snippers to secure more semi-pro players in order to clinch the championship.)

Don't be disheartened, though, Thiemerdomo fans, we still have the division championships, the pennant, the World Series, post-season play, and knowing Richard, the Super Bowl of baseball, not to mention the All-Star game. (That will be a tough decision... a quick game too, because there are only about four players that might qualify!)

All kidding aside... (yeah, right!) if these guys are chosen for the All Stars on determination, just plain guts, and their male "drive" to win... all these players will be All Stars, because they all play their hearts out!

All seriousness aside, now, I figure the way Richard does the scheduling (yes... he did that too!), these boys will be playing right up to deer hunting time. Should be a real treat trying to figure out which players are which when they'll all be sporting blaze orange! I was just starting to realize #00 was Stevie Stern (or "Wiener" if you listen to Richard, but don't ask him to spell it!) Hunt during the day, hang the deer in Jeff Ramel's favorite tree, and "Go for the Gold" playing baseball at night! Sounds like a charmed life!

Well we're running out of sponsored space and time and Richard got awfully "windy" with his report this week, so away we go....

The "play by play" according to Richard states

there was a quiet and intense atmosphere hanging over the Thiemerdomo last week when Kuehl's Suds and Spirits and Thiemer's Sip and Snip opened play. But after the first (spellcheck Richard) inning was finished, the players remembered that they were no longer playing in the 60's and the guys just can't make those fancy moves anymore... except for Buddy Perkins who was back again this week for the play action.

It is anticipated that very soon Jeff Ramel and Buddy will sneak into the Thiemerdomo late some Friday night and take care of the infamous tree along the right field line. Richard says you can cut the tree down Jeff, but no bonfires! The fire department has already made their monthly call near the Thiemerdomo. Wait till August... hey! That's on Friday! How convenient!

The game was a see-saw battle with good defense on both sides (sure defense is easier than hitting for these guys), except for a couple of key hits from Rick "Insurance Man" Jaeger and a smashing hit from Bob "DJ" Bonenfant. Good hit Bob... but that fall at home plate really cuts into the statistics. Bob said his feet just couldn't keep up with his body... mind over matter... but nevertheless, he did drive in the tying run.

Always reliable in the clinch situations, Ron "RT" Theusch slammed out another hit driving in the winning run and Kuehl's went down in order in the seventh, losing 5-4. Of course, Tim "Banker" Miller put business before pleasure again (silly boy) and was absent from the game. But as usual Thiemer's flagged down another player off the road and brought in Dennis Jacak to take up the slack vacated by Mr. Miller, which added to their victory sweetness.

Again behind the pitching of ace Art "the Buss" Amerahn improved their winning percentage with a 11-2 drumming of Commercial Plumbing. Of

Harry "Red" Schladweiler proves weekly that he is still a threat at the plate. He's a pretty good batter, too!

(MR.) "T" smiles in anticipation of that big hit and exhilarating trip down to first base. Or it might have been that nasty crack about "T's" knees or maybe it's just gas.

course, they also had incorporated the power of Scotty "Sure Hands" Thelen's glove and he also managed to sneak in a few more batting "steals." Adding to the prowess (a term one should be familiar with if you were lucky enough to catch Jay Leno's Headlines feature last week) was the glove of catcher LARRY Sabish.

Richard has gently reminded me that I had the wrong name under LARRY's picture last week (sorry I was a little mixed up which is perfectly understandable working the Thiemerdomo as I have been lately... names and players change three or four times a night!) Obviously Richard thinks I got Ron mixed up with Larry. (I knew it was a Sabish, at least, I just happened to pick the one married to a classmate instead of the right one... closest works... doesn't it??? Actually my able assistant was supposed to check that name for me but we all know how that goes... right ANDREW!)

Richard forgave me... he said "Aw heck, take away a moustache or beard and you Sabishes do look alike."

Even the effervescent Buddy Perkins, Al "Moochie" Kuehl and Kurt "Pretty Boy" Schmidt tried to help out Commercial Plumbing, along with newcomer Kons Sadownikow, who really showed great promise for a guy over 50 (two hits and some real nice plays). Kons was the famous manager of the Wigwam drive-in back in the mid 60's. Nevertheless, Commercial couldn't get the hits when they needed them and had errors when they didn't need them and were run down the drain.

After tonight (Wednesday) there's only one more game left, so pull up a lawn chair and get on out to the Thiemerdomo!

## Indian Baseball Players Selected for Post Season Awards

The Eastern Wisconsin Conference baseball coaches met at Plymouth High School on Sunday, July 20, to select the 1997 All-Conference Baseball Team. Coaches from the nine conference teams participating in summer league baseball nominate players from their teams, but are not allowed to vote for their own players.

Kewaskum's Bruce Gundrum was selected to the First Team and soon-to-be roommates at UW-Madison Dan Jeserig and Kevin Martin were rewarded with Second Team honors. Mike Danielson and Josh Christophersen were given Honorable Mention. All five Indians were in their senior year of competition.

Conference champion Sheboygan Falls placed six players on the All Conference team, three on the First Team and three on the Second Team. Second place Campbellsport also had three First Teamers: Ken Immel, Dave Doyle and Chris Ditter. Second Team honors went to Ryan Toschner. (Eric Muench was given Honorable Mention).

Kewaskum, Plymouth, Two Rivers and Chilton each had three First and Second Teamers, Kiel had two and New Holstein and Brillion each had one player honored. Of the 26 All-Conference players, 16 were seniors, seven were juniors, two were sophomores and one was a freshman.

Indian Bruce Gundrum's conference stats were among the league's best. Bruce led the Conference in home runs with five. He was third in RBI's with 19. He had hits in 12 of the 16 conference games and had seven multiple hit games. He hit .382 (21x55). Gundrum's defense was also impressive. He caught 103 innings in which he had 11 passed balls, and only three errors.

Dan Jeserig was given a Second Team selection as a pitcher. Of his 11 conference appearances, Dan started 10 of the games. He completed nine of these 10 games for a 5-4 record and 2.81 ERA. He recorded 68 strikeouts in 64.2 innings, which was the second most by any pitcher in the league next to Plymouth's First Teamer, Kyle Raeder, who

logged 67 innings pitched.

Kevin Martin was selected as a Second Team position player. Martin played outfield and hit .353 (18x51). He had three homeruns, and collected 16 RBI's. Kevin was second in the Conference in Runs Scored with 17. His season was highlighted with a 5x5 game with five RBI's at Brillion on June 6.

"All three deserve recognition," said Coach Mark Heise. "These three were our team leaders all year. Dan and Bruce didn't miss a practice or a game all year long. They worked hard and received the recognition they deserved."

Josh Christophersen received Honorable Mention by hitting .341 (14x41). Josh had 10 RBI's and eight runs scored. Mike Danielson received Honorable Mention for hitting .310 (13x42). Mike had nine RBI's and seven runs scored.

In conjunction with the All-Conference selection, the seniors elected to All Conference and Honorable Mention status were invited to participate in the First Annual Senior Classic between the Eastern Wisconsin and Central Lake Conferences. The Classic will give players from both conferences a chance to showcase their talents in a type of All Star game after the season has ended.

A nine-inning game will be played on Saturday, Aug. 2, at 1:30 p.m. at Carl Loebe Field in Plymouth. First place Coach Roger Jones of Sheboygan Falls will lead the EWC with second place Coach Jerry Raether of Campbellsport acting as his assistant. Coach Don Green of the champion Random Lake Rams will coach the CLC players.

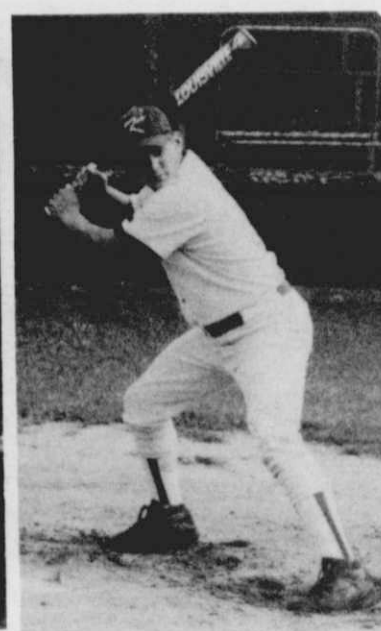

### EASTERN WISCONSIN CONFERENCE FINAL STANDINGS

Sheboygan Falls	14 - 2
Campbellsport	13 - 3
Plymouth	11 - 5
Kewaskum	9 - 7
New Holstein	9 - 7
Two Rivers	5 - 11
Kiel	5 - 11
Chilton	5 - 11
Brillion	1 - 15

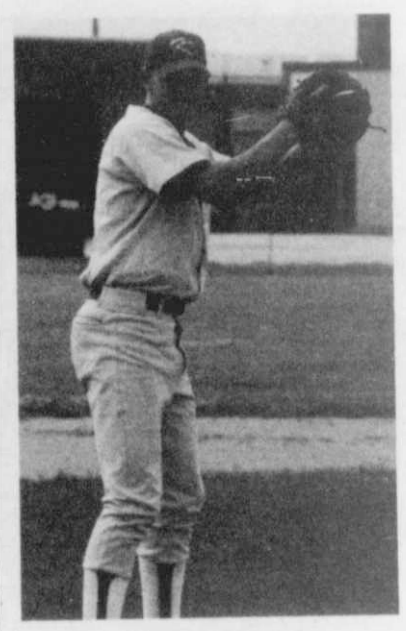

After-thirty, a body has a mind of its own.

Kevin Martin's three home runs, 16 RBI's, and 17 runs scored earned a Second Team All Conference selection.

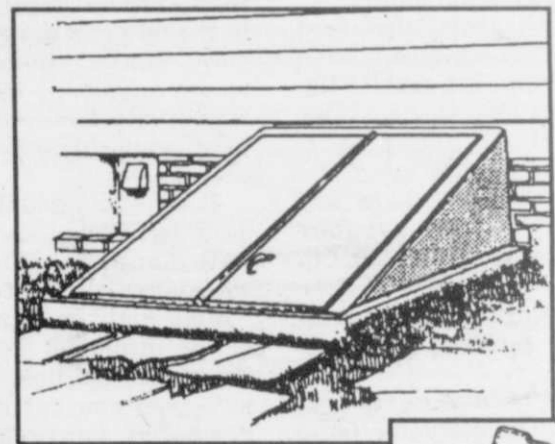

First Team All Conference selection Bruce Gundrum led the EWC with five home runs.

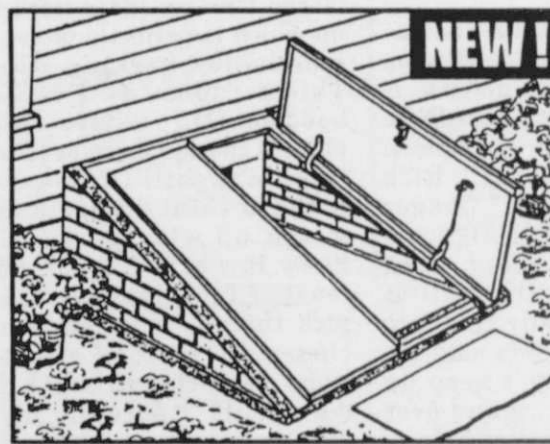

Second Team All Conference pitcher Dan Jeserig was 5-4 with a 2.81 ERA and 64.2 innings pitched.
