Three Teens Injured in Friday Morning Crash Numerous Accidents In Kewaskum Area

A GMC Jimmy driven by Brian Schaefer is shown overturned after impacting a field driveway embankment on Saturday.

Statesman Photo: Andrew Kuehl

By Andrew R. Kuehl
Staff Writer/Photographer

A number of motor vehicle accidents occurred in the Kewaskum area this past weekend.

The first accident occurred on US 41 south, one half mile from County Highway D, on Thursday, Sept. 25 at around 2:28 p.m. The Washington County Sheriff's Dept., Kohlsville First Responders and the Kewaskum Rescue Squad and Jaws of Life were dispatched to the scene of the accident.

Dennis A. Kania, 62, of Milwaukee, driving a Ford Aerostar van, was traveling southbound, when a right rear tire problem caused him to allegedly lose control and overturn. The vehicle left the roadway, coming to rest on the shoulder.

Kania and a passenger, Elaine Robakowski, 62, also of Milwaukee, were transported by Kewaskum Rescue to St. Joseph's Hospital in West Bend for treatment of injuries. The Jaws was not utilized.

Three teens were injured in the second accident on Friday, Sept. 26 at around 4:21 a.m. Kenneth C. Motzko, 17, of Jackson, driving an Oldsmobile Regency, was westbound on East Moraine Drive. He approached the T-Intersection where Kettle Moraine Drive goes north and south and East Moraine Dr. ends.

Motzko allegedly failed to stop for the stop sign and

proceeded across the intersection, becoming airborne, and subsequently impacting an embankment, coming to rest against a tree.

Kewaskum Rescue Squad and Jaws of Life and Flight for Life were dispatched to the scene.

Motzko was flown by Flight for Life from the Town of Kewaskum Town Hall parking lot, which is located in close proximity to the accident scene, to Froedtert Memorial Lutheran Hospital in Milwaukee, was treated and released.

Two passengers, Jeffrey J. Czerniak, 18, of Kewaskum, and Nicholas Lozano, 16, of Milwaukee, were transported to St. Joseph's Community Hospital in West Bend. Lozano was later transferred to Froedtert. He was listed in satisfactory condition as of Tuesday afternoon. Czerniak was listed in fair condition.

The Jaws of Life were not utilized. According to the Washington County Sheriff's Department, the driver and both passengers, were not wearing their seatbelts.

A one-car rollover accident occurred in the Town of Wayne on Saturday, Sept. 27 at 1:20 p.m. Washington County Sheriff's Dept., Kohlsville First Responders, Kewaskum Rescue and Jaws of Life were dispatched to the scene of the accident.

Brian T. Schaefer, 15, of Lomira was driving a GMC Jimmy, owned by Linda L.

Schaefer, a passenger, also of Lomira. Schaefer was traveling west on STH 28 about a half mile from Farm Lane.

Schaefer, learning to drive with his mother accompanying him, drove on the right shoulder and allegedly lost control of the vehicle. The vehicle struck a field driveway embankment and overturned.

Schaefer and his mother, Linda were transported by Kewaskum Rescue Squad to St. Joseph's Community Hospital, West Bend.

The Jaws of Life was not utilized.

A two car accident occurred, at CTH H one quarter mile east of Indian Lore Road on Saturday, Sept., 27 at 9:30 p.m.

Scott L. Schnabel, 38, of West Bend was driving his Chevrolet S-10 pickup eastbound on CTH H. Carol S. Dins, 39, of Kewaskum, operating a Chevrolet Cavalier, allegedly entered CTH H from a driveway. The two drivers apparently did not see each other due to a steep hillcrest. Dins approached the roadway, and was impacted by Schnabel.

Both drivers were wearing seatbelts. Dins was transported to the hospital by Newburg Rescue.

Grand Opening at Amoco of Kewaskum

Amoco of Kewaskum will be celebrating their Grand Opening this weekend with a host of prizes, raffles, price specials, free stuff for the kids, and a special appearance by nationally known celebrity, Ronald McDonald.

New owners, Myron and Becky Strobel, invite the community to stop in Friday, Saturday and Sunday to sign up for the grand opening drawings and take advantage of their weekend of savings and special offers.

The Strobels purchased the business this past July from U.S. Oil, with intentions to bring local ownership back into the community. U.S. Oil had originally acquired the Kewaskum convenience store, along with seven other retail operations, from Shefond Oil in July of 1996.

Two years ago, a McDonald's Express joined the location, franchised by Steve Kilian of West Bend. Inside seating remains for up to 15 people.

Amoco of Kewaskum continues to offer customers

the same great service and complete line of convenience products, including fresh bakery daily. Manager Jan Bartelt and her crew of employees have stayed on through the change in ownership.

Some interior remodeling was done to rearrange and enlarge space for customer convenience, but the business has remained essentially the same, offering four gasoline islands, totaling eight pumps, along with two diesel islands. Special features include a credit "card guard" for 24 hour gas pump availability, and a milk card (with ten milk purchases, get one free).

Amoco's Grand Opening begins this Friday and runs through Sunday. Prizes for drawings offer a T-Fal skillet, Black and Decker can opener, toaster, cooler, duffel bag, four-component remote, Packer sweatshirt, T-shirts, and a grand prize \$100 gift certificate for Amoco of Kewaskum.

Ronald McDonald will make an appearance on Saturday, Oct. 4, at 2 p.m. in the McDonald's Express. Free balloons for kids and ice cream cone coupons for the kids will be given out throughout the three day celebration.

On Sunday, from 1 to 3 p.m., guess what it will cost to fill your gas tank (within 5¢) and receive that fill free! Stop by Amoco this weekend and enjoy the fun and festivities.

It's Not Too Late for KEYS

Registrations are still being accepted for the October 12 KEYS Scholarship 5K Run/Walk at River Hill Park.

The race starts at 11 a.m. and offers cash prizes for winning runners, medals for the top three finishers in each run/walk age category, prize incentives for pledge earners, and race day packets for all participants.

Because of the tremendous early response, extra KEYS t-shirts were ordered, so that even later registrations might secure proper-size t-shirts (but participants are reminded to get their forms in as soon as possible.) Participants can even register on race day at River Hill Park.

Proceeds from the event provide funds to offer scholarships to graduating seniors at Kewaskum High School.

Registration forms can be obtained through KHS or West Bend Savings Bank. Don't miss out on the fun!

Oct. 3 Dance to Benefit Local Cancer Patient

A benefit dance for a local cancer patient will be held Friday, Oct. 3, at the Hitching Post, 5781 Main St., Kohlsville.

The 8 p.m. to midnight event will feature the Bill Thull Orchestra. Proceeds will go to a fund established for John Steger, a Town of Wayne farmer.

Tickets are \$5 and can be purchased at the Hitching Post and radio stations WBKV in West Bend and WTKM in Hartford.

For more information, call Bev Walter at 629-9072.

A benefit fund is established at any M&I Bank in Wisconsin.

Women's Clubs Host District Meeting

Officers attending the Sixth District Conference in Kewaskum included, left to right: Kathy Stephan, Sixth District President; Mary Balicki, WFWC President; Carolyn Seawell, GFWC Representative; MeriLou Chambers, Kewaskum Junior Woman's Club President, and Gwen Dreher, Kewaskum Woman's Club President.

Louise Martin Photos

LaVerne Hron is shown above (left) and Minerva Martin is shown below (left) receiving 50 year membership recognition.

By Louise Martin

Members of the GFWC Kewaskum Woman's Club and GFWC Kewaskum Junior Woman's Club were the host clubs of the Sixth District Fall Conference held on Wednesday, Sept. 24, 1997 at Hon-E-Kor Country Club. Members welcomed state officers from the Wisconsin Federation of Women's Clubs (WFWC) as well as representatives from twelve southeastern Wisconsin women clubs.

GFWC Kewaskum Woman's Club President Gwen Dreher and GFWC Kewaskum Junior Woman's Club President Merilou Chambers extended welcomes to approximately 80 women in attendance. GFWC WFWC Sixth District President, Kathy Stephan of Mequon presided over the business portion of the conference during which several members were honored for attaining a 50 year membership in the woman's club.

Those distinguished members from the Kewaskum Woman's Club included LaVerne Hron, Minerva Martin, Agnes Schaefer and Maude Rose. Reports and updates were given by district and state officers followed by a social time for new and renewed acquaintances.

Laura Mintz, Community Health Dietitian from St. Joseph's Community Hospital, West Bend, briefly spoke on health foods for you and explained the healthy luncheon menu prepared and served by the staff at Hon-E-Kor.

The presentation compli-

mented a health program established by GFWC entitled "Color Me Healthy". This program is designed to give women an opportunity to educate themselves about their bodies and how they can enhance and protect their health. Following the luncheon, the Lighthouse Barbershop Chorus from Fond du Lac provided musical entertainment.

A captivating video was viewed on "Operation Smile", a volunteer program that has given hope to thousands of children and young adults who suffer the indignities of facial deformity and the hopelessness of despair. Operation Smile State Chairman, Beverly Simons offered information on how woman's clubs can help this cause.

Following invitations to additional conferences and conventions, door prizes and raffles, the conference adjourned.

Both clubs would like to thank area businesses for raffle items and promotional coupons, Hon-E-Kor for their assistance and St. Lucas Lutheran Church.

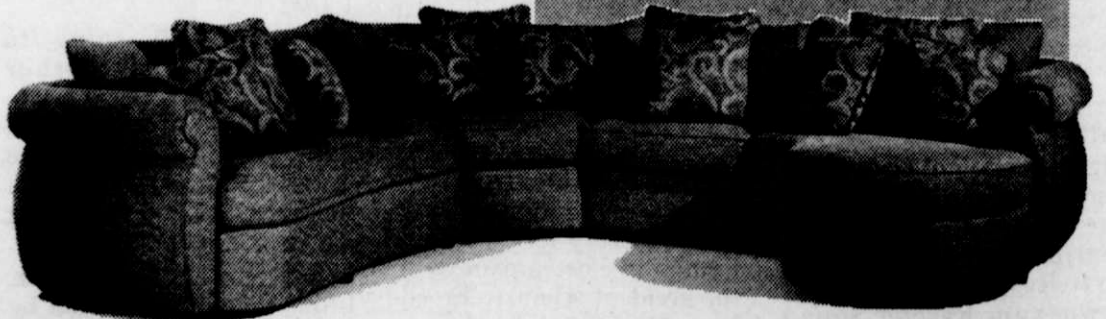

The Kewaskum clubs are affiliated with the General Federation of Women's Clubs the largest volunteer woman's organization in the world. Areas of donations and service projects include the arts, conservation, education, home life, international affairs and public affairs.

Both organizations always accept new members. If interested, please call 626-2666 or 626-4291.

Junior Women To Meet Oct. 7

The GFWC Kewaskum Junior Woman's Club will hold their next monthly meeting on Tuesday, October 7, at the Kewaskum Municipal Building Community Room.

Members and guests will meet at 6:15 p.m. for a chili supper with a guest speaker from Slender Life to speak at 7 p.m. The monthly business meeting will follow.

If you are new to this area or have been an area resident for awhile and are interested in a volunteer organization, we extend an invitation to you to join us. Membership is open to any woman over 18 years of age. You may call 626-4291 for more information.

4-H to Host Open House

The Kewaskum 4-H'ers are hosting an Open House on Thursday, October 2, from 6:30 to 8:30 p.m. in the Community Room of the Municipal Building.

Four-H is open to youth from kindergarten through high school. Adults interested in sharing their talents as project leaders are always needed.

Anyone interested in joining 4-H is welcome to stop in and check out the hands-on activities, view the project displays and enjoy refreshments.

For more information on 4-H contact Mrs. Bonnie Zanow at 626-8071.

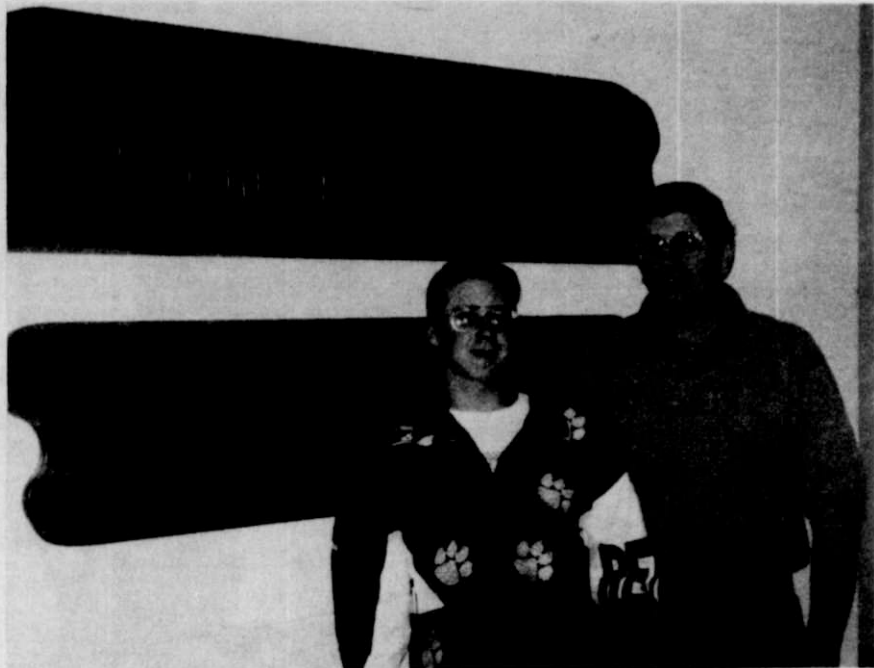

Hospital Offers Sibling Class

Children who will soon have a new baby brother or sister are invited to participate with their parents in the "I'm Getting a New Baby" sibling class sponsored by St. Joseph's Community Hospital of West Bend. The class will be held Thursdays, October 2 or 9, from 6 to 8 p.m., or Saturday, October 4, from 9 to 11 a.m. in the hospital's meeting room three.

Designed for children between the ages of 2 1/2 and 10, the class includes a video presentation, a tour of the New Life Center and activities to help a child express his or her feelings about the birth of a new baby and mother's hospitalization. Children also learn age-appropriate skills they can use to help parents care for the baby.

The fee is \$5 per child. Pre-registration is needed. For more information, please call St. Joseph's Community Hospital's New Life Center at 334-8361.

German Partnership Plaque Completed

Jeremy Berres, a sophomore from Kewaskum High School and Mr. Dave Stradtman, Tech-Ed instructor stand proudly in front of a hand made walnut plaque celebrating six years of the Wisconsin - Hessen exchange program at the high school. The beautiful plaque displays the names of the American and German exchange students and the KHS students who traveled to Germany. The program's advisor is Frau Rosenthal, German instructor at KHS.

Kettle Kountry Kolors Festival Returns to Kewaskum Oct. 11-12

By Louise Martin

The rich hues of fall reflecting on the Milwaukee River will be the setting for the fall festival, Kettle Kountry Kolors Family Fun Festival of Entertainment, making its eighth annual appearance on Saturday and Sunday, October 11 and 12, at River Hill Park in Kewaskum.

This annual fall event is made possible by Kewaskum Area Chamber of Commerce members and community volunteers who have been diligently working to provide another outstanding weekend here in the "Heart of the Kettle Moraine."

This year's festival has many popular returning attractions, plus a host of

new activities all offered at no charge.

Making a return along the banks of the Milwaukee River will be the camps and lodges occupied by the ever popular Buckskinners. At this teaching encampment, members will willingly explain to you the "tricks of the trade" during "the Buckskinner era." Watch a blacksmith create a masterpiece, cheer at the "hawk (tomahawk) throwing contest," marvel at the expert whip demonstration, enjoy the sights and sounds of a time long ago.

The Buckskinners encampment has increased in size every year and this year promises to be the largest participation ever seen in this area.

Children will find lots of fun things to see and do. A

children's activity tent will feature designing your own painter's hat and finger puppets, K-Nex for Kids construction creations. There will also be storyteller on hand, a Birds of Prey demonstration and the dazzling magic and professional ventriloquism show by Bruce Dicker will fascinate the young and old alike with shows scheduled at 2 p.m. both days.

Clowns, ballooning, a hands-on weaving creation, hay rides, pony carriage rides, a basketball shootout, make-it and take-it crafts, BB gun shoot, hole-in-one golf contest, moon bounce, aerobic biplane, and a tumbling demonstration are a few of the activities, sights and sounds that will delight children of ALL

St. Lucas Principal Kisses a Pig

"Hot-Lips" Bollinger meets "Schmooze"

Katie Weber, owner, Patti Francis Market Day chairperson, Mr. Rod Bollinger, St. Lucas Principal, and Lisa Zacharyasz Market Day Representative. Fore front: "Schmooze."

May 29th marked a very unique and special event in the St. Lucas School gym, Hoenecke Hall!

To kick off the end of the school year, and help promote a special promotional for the MARKET DAY program at the school, Mr. Rod Bollinger agreed to kiss a pig.

"Schmooze" strolled in the

gym cool as a cucumber, as the student body cheered and whistled. He was accompanied by Katie Weber, his owner. He is a black, pot-bellied pig, with wiry hair, and a snout that only a mother could love.

Mr. Rod Bollinger, on the other hand, met "Schmooze" with some hesitation. He is a very devoted teacher and

Principal and it was for a good cause, so he puckered up and planted a big juicy kiss on the "ham"-some pig. The kids left school for the school year, with great memories to carry them through the summer.

The students and their families had to help increase the number of orders for the Market Day program, for "Schmooze to make the visit. The program helps to add extra spending money for the school, with great food products, and many fun promotionals and charitable activities, and surprise give-a-ways!

Learning at St. Lucas is often more fun than work, thanks to Mr. Bollinger and the other dedicated teachers and staff.

Petra Thull is MPTC Graduate

Petra W. Thull, 8650 Kettle Moraine Drive, Kewaskum, recently graduated from Moraine Park Technical College's Fond du Lac Campus.

Thull received an associate degree in the Food Science Technician program.

SHEEPSHEAD WINNERS

5 handed winner's on Wednesday, Sept. 24 were: Bob Becker, 71-7--64, 23-4--19; Royal Carey, 62-7--57, 18-5--13; Anton Guell, 60-6--54, 21-4--17; Jerry Darmody, 61-11--50, 18-8--10; Milton Bartelt, 51-4--47, 18-2--16;

The next 5 handed will be Thursday, Oct. 2nd and Wednesday, Oct. 8th at 8:00 p.m. sharp. Cash prizes, lunch. Schmitt's Never Inn.

United Way Passes 43%

As of September 26, the United Way of Washington County campaign is at the 43.6% mark, with \$436,546 in gifts and pledges counted towards the county-wide goal of \$1,000,000.

"A number of divisions are at or above the 43% overall mark so far," said Campaign Co-Chairmen, Sharon and Doug Ziegler. These divisions are: Accountants and Business Services; Clergy; Contractors; Financial, Professional Specialties; Washington County Employees; Allenton; Newburg; Special Gifts, and Key Firms.

"Our other divisions are moving in the right direction, too," said the Zieglers.

Mailings to retirees in the county are scheduled for this week.

The Campaign will continue through early December. Volunteers are planning for a major Mid-Campaign Report meeting on October 17. The event will have a "gold rush theme," building on the Old West theme of the volunteers. "Our goal is to be at 60% or better (\$600,000) by then," said the Zieglers.

According to Barbara Hurula, Executive Director, "Fund raising is hard work, so we like to have some fun and build camaraderie among the volunteers. The many programs and services we're raising funds for are vital to so many here in Washington County -- feeding the hungry, helping the homeless, providing services for the disabled, giving help to the terminally ill and their families," she said.

"And," she added, "United Way's beginnings in Denver, Colorado in 1887 not only ties in to our Old West theme -- we're also continuing a strong tradition of helping people in our local communities that started more than 110 years ago."

Breast Feeding Support Group

St. Joseph's Community Hospital of West Bend is holding a breast-feeding support group meeting on Wednesday, October 8, from 1 to 3 p.m. and Monday, October 13, from 6:30 to 8:30 p.m. in the hospital's New Life Center classroom. "Starting Solids" will be this month's topic.

The free, informal support group addresses common concerns for those who are breast-feeding and those who are interested in learning about breast-feeding.

To register or for more information, please call St. Joseph's Community Hospital's New Life Center at 334-8361.

Wild eagles generally live 20 or 30 years but in captivity, eagles may live fifty years or more.

Big Horn Forge Hosts Blacksmith Workshop

Bighorn Forge Ironworks hosted a Blacksmithing Workshop Sept. 13 & 14, attended by about 30 enthusiasts from across the state. Money raised from the workshop will help fund the PBS documentary on Cyril Colnik, produced by Dan Nauman.

Bighorn Forge in Kewaskum recently hosted a weekend workshop for thirty blacksmiths, centered around the ancient art of working heated iron by hammering. The smiths came from around the state to learn more about the trade from local artisan Dan Nauman, whose craftsmanship and wealth of historical knowledge about blacksmithing has landed him in a new role as executive producer of an upcoming film about the life of the legendary Cyril Colnik.

Colnik, known as the "Tiffany of wrought iron" master, was an Austrian immigrant to Milwaukee, whose unequaled work as a blacksmith can be seen throughout the city. Just 22 years old when he arrived in America in 1893, Cyril Colnik's talent was admired and commissioned by Milwaukeeans such as Captain Frederick Pabst, Herman Eihlein, and the Lloyd family, and his detailed works include the gates of Wisconsin Memorial Park and the Villa Terrace Decorative Arts Museum (formerly the Lloyd home), and wrought iron decor inside Milwaukee's City Hall, to name just a few of his more

public accomplishments. Currently, Villa Terrace holds the only public collection of Cyril's work.

Amazed by his blacksmithing abilities, Dan Nauman took it upon himself four years ago to record Colnik's achievements by touring Milwaukee and photographing his work, afterwards giving a lecture about the artist at the West Bend Art Museum. Later that same year, while at a blacksmith conference in Colorado, Dan's photos and lecture sparked the interest of another renowned blacksmith, Francis Whittaker, age 91, who insisted a professional photographer be hired to preserve all of Colnik's work.

John Cumming of Grafton was hired to do the job, and Dan then became interested in transferring the photos onto videotape. He contacted the Wisconsin Arts Board, who put him in touch with Carol Larson of Wisconsin Public Television in Madison. The interest in Colnik was definitely there, and Nauman was brought together with the internationally known producer/director, Dan Bandea of Bandana Productions in Milwaukee. Bandea recently

Cyril Colnik, once labeled the "Tiffany of Wrought Iron," crafted his work in Milwaukee in the early 1900's. His work is world renowned, and has not been equaled to this day.

finished a PBS documentary on Latinos in America and Mexico, and is the award winning producer of the PBS children's show "Get Real". Internationally known composer Peter Baime will be working on music to accompany the movie.

The documentary on Cyril Colnik will include commentary by Russell Zimmerman, a Milwaukee Historian and author widely known for his architectural intellect, and Colnik's daughter Gretchen, who had her own radio and TV show in Milwaukee in the 1950's and 60's.

Viewpoints will also be heard from Herman Rittmeyer, who leased Colnik's shop after he retired in the early 50's, Nanna Schowalter-blacksmith and sculpture, and Jodi Klows, Assistant Curator of the Milwaukee Art Museum.

Currently in production, the movie has a target date for completion of May, 1998. As executive producer, Dan has been working to raise the \$35,000 needed to complete the documentary that has so far received \$25,000 from the Wisconsin Humanities Council, grants from Miller Brewing Company and the Becky & Kailas Rao Foundation, as well as numerous donations from individuals throughout Wisconsin and ten blacksmithing organizations around the country. The money raised from the recent workshop in Kewaskum will also help fund the project.

"There is a 90% chance it will air on PBS next year,"

Nauman stated. "It depends, there are many projects going for the Wisconsin Sesquicentennial, the network may be inundated with too many of those. We have to wait and see."

Although it has taken a lot of time out of his own schedule, Nauman's dedication to preserving the work of Colnik is evident. As the introduction video states, "Cyril was a master and Milwaukee is his museum", and Dan is making sure the man behind the legend will not be forgotten.

Audubon Days At Mayville

The annual Audubon Days Festival, sponsored by the Mayville Area Chamber of Commerce, will be held October 3, 4 and 5 at the Mayville City Park on the Rock River near Horicon Marsh in Dodge County.

Food, music, crafts, sports, bike, run, kids events, and a parade will all be a part of the festivities. For more information contact 1-800-256-7670.

National Retired Educators Day to Be Observed Oct. 13

The Washington County Retired Educators Association will be observing National Retired Educators Day on October 13 with fellow retired educators across the country. The celebration is taking place on the 50th anniversary of the National Retired Teachers Association which is affiliated with AARP.

As part of the observance, retired educators nationwide have kept logs of their volunteer community service hours from September 1996 until May 1997. Using a figure of \$13 per hour, the local organizations will be issued facsimile checks to recognize the monetary value of their time and effort.

Approximately one-third of the 99 members of the Washington County association kept logs of their service hours in three categories: education, health, and other community group activities.

The national organization will be forwarding the local association a facsimile check for \$37,836 representing 2910 hours of community service. Association president, Mrs. Dorothy Ziebell, will present the check to Washington County Executive Kenneth Miller at the annual Washington County Board meeting on October 28. The total amount for all Wisconsin retired educators who kept logs was 242,643 hours which translated to \$3,154,359.

Local associations were also encouraged to nominate educators for the National Retired Educator of the Year Award. Mrs. Helen Chinook received the nomination from Washington County. Howard E. Wilsman from Manitowoc was selected the state award winner.

Birth

LEYMAN -- A daughter, Annika Krista, was born September 20, to Scott and Ute Leyman of Kewaskum. Grandparents are Tom and Maryanne Leyman of North Carolina and Herman and Heide Blackert of Pennsylvania.

Holy Trinity School recently elected their 1997-98 Student Council. Members include, front row, seated left to right: Eric Sabel, Jocelyn Chambers, Chris Larson, Jenny Sargent, Allison Kowlaczyk, Ryan Wade and Kate Korth. Center row: Noah Schoofs, Nick Schoofs, Katie Staehler, Mary Reindl, Katie Uelmen and Cassie Laatsch. Back row: Kyle Reiden, Secretary Courtney Timblin, President Jenny Sargent, Vice President Virginia Feind, and Treasurer Steve Herriges.

County Future Search Set, Citizen Volunteers Needed

The Washington County Growth Management Task Force, appointed by County Board Chairman Ken Miller earlier this year, is sponsoring a Future Search Conference on November 13, 14 and 15.

"Future Search" is an interactive planning process that brings together local officials and citizens who are concerned about the future of Washington County. This process has been used throughout the world over the past ten years to create a common vision and course of action for many organizations threatened by growth or dynamic change.

In Washington County, the recommendations generated by the Future Search Conference will be brought back to the Growth Management Task Force to be presented to the County Board and the other appropriate local governments for action early in 1998.

Facilitators Denise Cormier and Bob Walters of Strategic Systems Corporation will guide the conference as participants explore the past, present, and future in Washington County. The Growth Management Task Force is in the process of completing the conference participation roster, and is still looking for several more concerned citizens willing to take part.

Any interested Washington County resident can call the County Clerk's office at 335-4301 to be considered. All interested parties need to call by Wednesday, October 8.

The cost of the conference, including meals and

materials, is free to the participants and involves no tax dollars as it is sponsored by two local foundations.

Weekly Meeting of Separated, Divorced

The Washington County separated and divorced support group for men and women meets weekly every Friday from 7:30 to 9:30 p.m. at Resurrection Parish (formerly Sacred Heart Church) in Allenton.

Their purpose is to pro-

vide a means to share ideas, concerns, support, fellowship and love from a Christian perspective. There are guest speakers, panel discussions, small group sharing and other activities.

The group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their

lives and relationships.

"How Our Thinking Effects Our Anxiety," with speaker Paul West of Inner Visions will be featured at the October 3rd meeting.

The Holy Hill Hike will be held on Sunday, October 5 with church at 9:30 a.m. followed by breakfast and then the hike at noon.

KETTLE KOUNTRY KOLORS KRAFTERS

Kewaskum's Kettle Kountry Kolors Family Fun Festival is only a week away and many crafters have made their reservations to be included in the two main craft tents and outside on the festival grounds. This year's festival will feature many new and unique crafters who have never displayed their talents at Kettle Kountry previously. Included with the new crafters this year will be Sandra Schneider of Shirts by Mom from Rock City, Illinois and Linda Bast of Milwaukee. Sandra's handiwork is shown above in a variety of shirts, cardigans and T-shirts. Shown below are some of the leather and suede purses, all hand cut and designed by Linda Bast. Linda also features travel bags and related items. Plan to spend extra time during Kettle Kountry Kolors next weekend, October 11 and 12, to browse through the two huge craft tents and many outdoor setups at the new, unique craft fair being held in conjunction with the annual Kettle Kountry festival in River Hill Park. And don't forget to look for the booths of Shirts by Mom and Linda Bast to get a perfect jump start to your holiday shopping.

Family Center Has Openings in Parenting Groups

The Family Center of Washington County has openings in two of their groups for parents. These groups are most appropriate for parents of children age birth to five.

Solo Parents

Are you a single parent with a young child or children? Do you ever feel tired from "doing it all"? Would you like to talk with and receive support from other parents who are dealing with similar issues? Then sign up for the Solo Parents Group.

This group meets on Monday nights, from 6:30 to 8 p.m., beginning Oct. 6 and concluding Nov. 24. Free child care is also available, on a limited basis, for children age newborn to age five, while you are attending this group.

To register, call the Family Center at 338-9461.

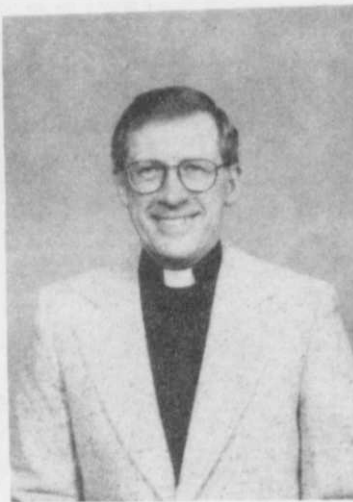

Working Parents

Do you ever feel like you are being pulled in too many directions? Do you find it challenging trying to juggle job and family responsibilities? Would you like to talk with other working parents and share ideas on how to recharge, and learn tips on how to handle it?

Then join this group which meets once a month, on the second Thursday, from 6:30 to 8 p.m. Dates for fall are Oct. 9, Nov. 13, and Dec. 11.

Free child care is available, on a limited basis. To register, call the Family Center, at 338-9461.

Vogt to Be Ordained

Wayne Vogt

Seminary in St. Paul, MN. He received his Master of Divinity Degree in June of this year.

The many friends that Wayne, Kathy, and their family are known over the years are cordially invited to celebrate with them on this very special occasion of their life. A reception will follow the service.

Groups Available For Parents, Teens

The Youth and Family Project is offering an Active Parenting of Teens group, for parents and The Power of Choice group for teens.

Both of the groups are free, six week programs and will be offered at The Youth and Family Project, located at 17 East Washington Street, West Bend. The groups are offered on Monday evenings from 6:30 to 8:30. The starting date is October 20 and the ending date is November 24.

The Active Parenting of Teens group combines the power of video with group discussion and support. The Power of Choice group is also a video based series, designed to help teens make the choices that are healthy and right for them. The videos feature Michael Pritchard, a well known comedian seen nationally on PBS television. Seating is limited, please call now! To register, please call (414) 338-1661.

Wayne Vogt will be ordained into the ministry of the Evangelical Lutheran Church in America at Trinity Lutheran Church, 7th and Elm, on October 5th at 2 p.m.

The Rev. Marilyn Hanson, Southeastern Minnesota Synod of the Evangelical Lutheran Church in America will be the ordaining officer.

Wayne has been called to serve as a pastor of the congregations of Grand Meadow and Bear Creek Lutheran Churches in Grand Meadow, Minnesota. He will begin his ministry there in October.

Wayne and his wife Kathy and their three children lived in Kewaskum from 1971 until 1992. They were active in many different functions and activities at Trinity during those years.

It was during this time that Wayne felt a strong call to the ministry. In 1992 Wayne resigned his job as the Data Base Administrator at Amity and enrolled at Luther

The outdoors is one of the most beautiful and visually exciting environments for photographing people, portraying the warmth and special bond between them. Capture and preserve the love, affection and expressions that are uniquely your family. We have hand picked a beautiful location nestled in the Heart of the Kettle Moraine Forest for its classic beauty.

We will shoot exclusively at these two locations on

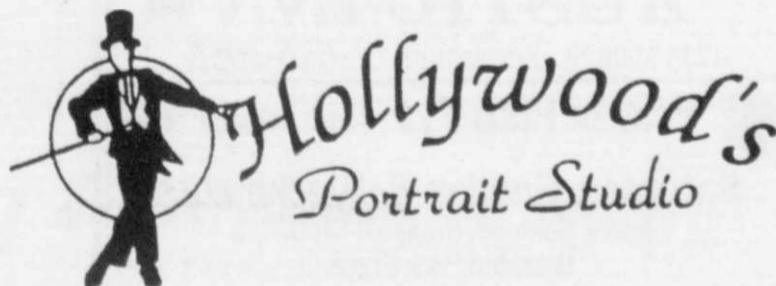

October 12th and 19th

There are several package special's available. Call now for more information.

Just Say No Club Kicks Off New Year

Students at Farmington Elementary School excitedly joined the discussion with adult leader Ms. Mundigler (right) at the first FES Just Say No Club meeting of the year. Clubs at Wayne Elementary School and Kewaskum Elementary School will begin after school on Tuesday, October 14.

"Drug free, that's me!" is this year's theme for Just Say No Clubs in the Kewaskum Elementary Schools. As in years past, students in grades third, fourth and fifth have the opportunity to help promote healthy lifestyle choices throughout the district, and have fun doing so!

This year's activities include "Red Ribbon Week" (Oct. 20-24) in which schools will be invited to participate in daily activities to help celebrate a drug-free lifestyle.

The Just Say No Clubs also march in the Kewaskum Christmas Parade, provide a fun, positive atmosphere for students, make presentations to younger grades, create posters for schools and contests, and sponsor a tremen-

dous "Sock Hop" dance for members and their high school role models in spring.

Not only do the Just Say No Clubs offer fun and choices for promoting healthy lifestyles, the clubs have also been at the forefront in community service and donations. With money raised from daily after school candy and sucker sales, the clubs have provided approximately \$5,000 in contributions to the community.

The money raised has included nearly \$1,000 in scholarships to graduating KHS seniors, a Christmas gift giving project that provides gifts for families in need, the purchase and distribution of materials throughout the schools that promote healthy lifestyle choices, and other

causes as well.

The Just Say No Clubs meet after school once each month (Tuesdays at WES & KES, Wednesdays at FES), with adult leaders and elementary counselors Ms. Taylor (KES) and Ms. Mundigler (WES/FES). The FES Club has had its first meeting, but the KES and WES Clubs have their first meeting scheduled for Tuesday, Oct. 14.

Students are reminded to please return permission slips if they plan to participate.

Board Members Elected at School-to-Work Partnership

Directors and officers were elected to the Board of Directors of the Washington County School-to-Work Partnership at the organization's recent annual meeting.

The officers are: Randy Wiskirchen President - vice president of manufacturing for Serigraph Inc., West Bend; Edward Hurula Vice President and President Elect-general manager of Slinger Manufacturing Co. Inc.; Jenny Boyd Secretary - School-To-Work coordinator for Slinger School District; Leo Zoeller Treasurer - vice president and relationship manager for Firststar Bank.

Newly elected to the board are Zoeller; Roger Kastanek, owner of Circle Electric, Inc., Milwaukee, and a Slinger resident; Carol Miller, vice president of production, Server Products, Richfield; and Craig Wehner, director of Adult Services for the Threshold Inc., West Bend.

Re-elected to the board are George Allmann, school-to-work coordinator for the Kewaskum School District; Barry Bernstein, assistant principal/school-to-work coordinator, Germantown School District; Jeff Dziedzic, labor representative, Milwaukee and South Wisconsin District Council.

John Frey, Ph.D., professor, UW Center-Washington County; David Heying, presi-

dent of Bank One, West Bend; Melissa Kohn, Tech Prep/School-To-Work coordinator, Moraine Park Technical College; Carolyn Kuban, Youth Apprenticeship coordinator/ Human Resources, Quad Graphics, Hartford; Gail Luck, branch manager, M & I Bank, Germantown.

Marilynn Orlopp, School-To-Work coordinator, West Bend School District; Gavin Guinness, plant manager, Independent Metals Co., Germantown; Lynda Reetz, branch administrative sales assistant, West Bend Savings Bank, Kewaskum office; Jan Shane, executive director, Washington County School-To-Work Partnership; Sandra Smith, administrative coordinator/School-To-Work coordinator, Hartford Union High School; Marcia Theusch, director, Washington County Economic Development.

The Washington County School-To-Work Partnership develops and assists local educational programs that help students make a successful transition into a high skills work force.

Members include all five county school districts, parents, local businesses, labor organizations, postsecondary educational institutions, and community leaders.

For more information, contact Jan Shane, at 414-338-6004; fax 414-338-1771.

SEASON'S GREETINGS

The flu season, like the holiday season, is traditional... it comes back year after year.

Since the viruses that cause the flu are unstable, they change frequently and can get around previously gained immunity, invade your respiratory tract and cause the flu. That's why you can get the flu over and over again, and why you should get a flu shot every year at the West Bend Clinic.

Flu shots will be available at these locations, dates and times:

West Bend - October 15, 21 and 23 - 8am to 4pm.

Kewaskum - October 16 - 8am to 4pm.

Jackson - October 22 - 8am to 4pm.

Professional, Warm, Friendly

1700 West Paradise Drive • West Bend • 334-3451

1701 Fond du Lac Avenue • Kewaskum • 626-4616

W225 N16711 Cedar Park Court • Jackson • 677-1101

Who Should Get a Flu Shot?

From November through April, symptoms that include fever, chills, headache, aching muscles and joints and sore throat may signal the onset of influenza or "flu." In Wisconsin, flu season usually peaks in January.

Influenza vaccine and pneumonia vaccine will be available to Washington County residents 65 years of age or older, and those with chronic disease, at clinics offered by Washington County Community Health Nursing Service. For further information please call 335-4462.

As in past years, flu shots are recommended for:

- adults with chronic heart or lung disorders.
- residents of nursing homes or group homes for the elderly.
- people over the age of 65.

- anyone with chronic illnesses such as diabetes or kidney problems.

According to Delores P. Harder, Director of the Community Health Nursing Service, influenza can be fatal. Complications can include: pneumonia (the most dangerous complication for the elderly), bronchitis, and sinus and lung infections. Dehydration is another flu danger.

To protect against flu, people at high risk should get a flu shot every year. Last year's shot won't provide protection this year because flu viruses can change every year.

This year's vaccine contains the strains A/Johannesburg/82/96 (H1N1), A/Nanchang/933/95, B/Harbin/07/94. Each year the vaccine contains strains

(usually two influenza A's and one influenza B) representing the viruses expected to circulate during the upcoming winter months.

For protection that lasts throughout the flu season, health care providers recommend that flu shots be given in the fall of the year. It takes the body about two weeks to build up protection following the shot. Protection begins to lessen after a few months.

"The flu shot will not cause flu because it's made from inactivated viruses. It provides protection to about 75% of persons who receive it," Delores Harder said.

Most people suffer no lasting side effects from the flu shot. However, a sore arm, fever, or aches may follow and last a day or two.

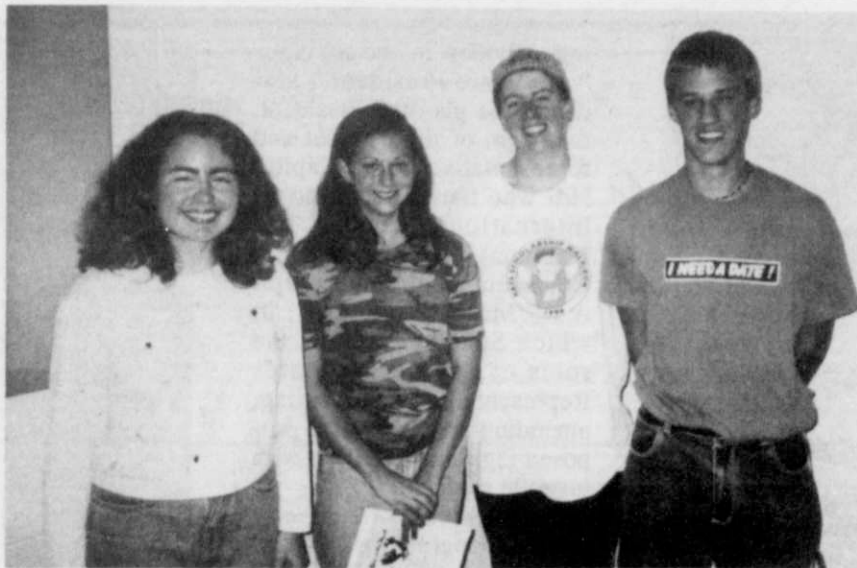

Influenza is a highly contagious respiratory disease, caught by coming in contact with a flu virus directly or indirectly. Direct contact occurs when viruses are breathed in. Indirect contact occurs following use of dishes, or other personal articles contaminated with flu viruses.

A pneumococcal (bacterial) pneumonia shot is also available to protect from this disease which may occur in those weakened from influenza. This shot may be given at the same time as the flu shot.

Flu vaccine is a Medicare, part B, covered service this year. Bring your Medicare card with you to the clinic.

If everybody thought before they spoke, the silence would be deafening.

'Fiddler on the Roof' Cast Members

Cast members for the November 6-8 Kewaskum High School production of the delightful musical "Fiddler on the Roof," include, left to right: Scarlett Spagna (as Yente the Matchmaker), Jessica Parrent (Shprintze), Matt Fehlhaber (Motel), and Tim Breitag (Fyedka).

St. Joseph's Hospital Elects Board Members

St. Joseph's Community Hospital of West Bend Inc. announces the re-election of board officers Thomas W. Kieckhafer, president and chairman, Richard A. Larson, treasurer, and Gregory T. Burns, secretary.

At its annual meeting on September 22, the board of directors also honored and expressed its appreciation to John R. Dedrick for his 15 years of leadership and service to the board, hospital and community health care needs.

Dedrick, who served as vice president since 1995,

retired from the board following a change in bylaws that allows four full three-year terms. Dedrick was a member of the Audit and Finance Committee since September 1982 and an active participant in the Capital Development Committee, Joint Liaison Committee and Planning Committee.

Robert J. Steiner was elected to succeed Dedrick as vice president.

The board will act in October on a nomination to fill the vacant seat on the board.

Stoffel to Attend National Young Leaders Conference

Joel Stoffel

Washington, D.C.--Joel Stoffel of West Bend has been selected to attend The National Young Leaders Conference from November 18-23 in Washington, D.C.

The National Young Leaders Conference is a unique leadership development program for high school students who have demonstrated leadership potential and scholastic merit. Joel will be among 350 outstanding National Scholars attending the conference from across America.

Joel is a junior at Slinger High School, and is active in Boy Scouts (currently a Life Scout and Senior Patrol Leader) in Troop 731 of Slinger. He is an active participant in varsity football and track as well as the Slinger H.S. Marching Band and Wind Symphony.

He was a staff member in the Silver Acorn leadership training program for the Baylakes Council of the Boy Scouts of America in June of 1997. Joel received a National Mathematics Award in 1994-95 from the United States Achievement Academy. He will appear in the 1996-97 Edition of Who's Who Among American High School Students.

Joel hopes to go to college after high school to study in the field of applied mathematics or computer engineering. He is the son of Mr. and Mrs. Jeffrey Counard, West Bend, and Lee Stoffel of Kewaskum.

The theme of the National Young Leaders conference is "The Leaders of Tomorrow Meeting the Leaders of Today". Throughout the six day conference, Joel will interact with key leaders and newsmakers from the three branches of government, the media and the diplomatic corps.

Highlights of the program include welcoming remarks from the Floor of the United States House of Representatives and a panel discussion with prominent journalists at the National Press Club.

Scholars will visit foreign embassies and receive policy briefing from senior government officials. Joel may also meet with his Senators and Representatives or an appointed member of their staff to discuss important issues facing West Bend and the nation.

To complement these special meetings and briefings, Joel will participate in a number of leadership skill-build-

ing activities. In one activity, "If I were President", students role play the President, members of the Cabinet and representatives from Capitol Hill who must respond to an international crisis. The National Young Leaders Conference culminates with the "Model Congress", in which Scholars assume the roles of the United States Representatives by debating, amending and voting on proposed legislation dealing with juvenile justice.

The National Young Leaders Conference is sponsored by the Congressional Youth Leadership Council, a nonprofit, nonpartisan educational organization. Founded in 1985, the Council is committed to "fostering and inspiring young people to achieve their full leadership potential". Over 400 members of the United States Congress join this commitment as members of the Council's Honorary Congressional Board of Advisors. Each year, 7,000 outstanding youth nationwide may participate in the 20 sessions of the National Youth Leaders Conference.

"The Conference provides the opportunity for students, like Joel, to distinguish themselves as tomorrow's leaders," said Michael Lasday, Council Executive Director.

"Scholars not only gain knowledge and experience in the nation's capital, they leave with a sense of accomplishment and an increased ability to face the challenges of the future."

Recipe of the Month

This recipe, along with many others can be found in the new Kewaskum Junior Woman's Club red cookbook. You can find them for sale at Kewaskum Pharmacy, Kewaskum Frozen Foods, Main Street Crafts, or by calling Karen Kletti at 334-0227.

THUMBPRINT COOKIES

1/4 c. packed brown sugar
1/4 c. shortening
1/4 c. (1/2 stick) margarine or butter, softened
1/2 tsp. vanilla
1 egg, separated
1 c. Gold Medal all-purpose flour
1/4 tsp. salt
3/4 c. finely chopped nuts
jelly

Heat oven to 350 degrees. Mix brown sugar, shortening, margarine, vanilla and egg yolk in medium bowl. Stir in flour and salt until dough holds together. Shape into 1-inch balls. Beat egg white slightly. Dip each ball into egg white; roll in nuts. Place about 1 inch apart on ungreased cookie sheet; press thumb deeply into center of each. Bake about 10 minutes or until light brown. Immediately remove from cookie sheet. Cool completely on wire rack. Fill thumbprints with jelly. Makes about 3 dozen cookies.

Diane Shreves

Holy Trinity Church to Sponsor Parish Mission

Father Matthew Kessler

Parish work has been an important part of the Redemptorist Order since it came to the United States in 1932, but not its only work.

The 145 year legacy of the Redemptorists also centers around conducting parish missions, and Fr. Mathew Kessler will be coming to Holy Trinity from Oct. 19 to 23 to direct one entitled, "We are all United in Christ".

Fr. Kessler, whose home base is a Redemptorist monastery in Chicago, is one of three members of the order who spend much of their time traveling through the United States conducting missions.

Each night from Sunday through Thursday at 7 p.m., he will concentrate on one topic centered around the theme which was chosen by a core group of parishioners and Holy Trinity's new pastor, Fr. Tom Walker.

"Missions are about inviting people to think about the lives they are living," Fr. Kessler said, adding another objective is to, "bring back to them the symbols of their faith".

The five symbols Fr. Kessler uses are: the Bible, crucifix, pascal candle, bread and altar. "We open up one symbol each night," Fr. Kessler said. While Kessler, age 35, and a native of Wichita, Kansas is a member of the clergy, he is very much in touch with the realities of the modern day world and understands the struggles people have.

"How do I follow Christ in a consumer society?" is the question which people face today, Fr. Kessler said, especially when the two go in entirely different directions.

What he hopes they come up with is a realization, "if I want to live (in Christ), I have to give (of myself)".

Having three mission directors helps the order provide "a variety of stories and

images", to move in this direction, according to Fr. Kessler, who suggests those coming to the mission, "Take what is helpful and leave what is not."

Each of the evening mission sessions, which will begin at 7 p.m., centers around the homily prepared on individual topics, such as: Salvation; Jesus as Savior; Sin, Reconciliation and Healing; and Your Mission.

All Fr. Kessler asks of the people is when they come, come with "an open heart, an open mind" because no one knows who Christ will send into their lives, and people of faith should have an openness toward them.

All people from Kewaskum and surrounding areas are invited to any or all of the mission sessions. Each will be followed by a social in the church basement.

ABC SKAT RESULTS

The winners at skat played at the Town of Scott hall on Tuesday, Sept. 23rd were: Ruth Egerer, 16-4--12 net; Francis Gilbo, 11-1--10 net.

Offering Childbirth Preparation Class

St. Joseph's Community Hospital of West Bend is holding a prepared childbirth class Tuesdays, October 7, 14, 21 and 28 from 7 to 9:30 p.m. in the hospital's fourth floor east conference room.

Classes provide information to help parents make informed decisions for the last trimester of pregnancy, labor and childbirth. Topics discussed include nutrition, common discomforts of late pregnancy, labor and delivery, cesarean birth, what to expect in the hospital, emotional aspects, newborn characteristics and basic infant care. Each class includes practice in relaxation and breathing patterns that are helpful for labor and delivery. Expectant parents also tour the New Life Center.

The fee is \$20 per couple. To register or for more information, please call the hospital's New Life Center at 334-8361.

Fibromyalgia Support Group to Meet

The Fibromyalgia Support Group sponsored by St. Joseph's Community Hospital of West Bend is meeting Monday, October 6 from 7 to 8:30 p.m. in the hospital's fourth floor east conference room. There is no charge.

Fibromyalgia is discomfort and pain surrounding the muscles. Some of its symptoms include inability to perform daily activities, sleeping disorders, and bowel disorders such as diarrhea or constipation. The support group is designed to educate and provide support for patients, friends and families affected by fibromyalgia.

For more information, contact St. Joseph's Community Hospital's Health Promotion Services Department at 334-8268.

It is easy to sit up and take notice. What is difficult is getting up and taking action.

Community Newspapers: Did You Know . . .

- A recent national survey found Americans are more interested in local community news than any other kind of news.
- Newspapers are the primary source of local community news in nearly two-thirds of households in areas where community papers distribute.
- In 1996, there were 7,915 weekly newspapers with a combined circulation of 81.6 million. Circulation of weeklies grew 2.4 percent from 1995 and is expected to grow 0.6 percent next year.
- Weekly newspapers have more than 150 million readers nationwide.
- 83 percent of community newspaper readers read every issue or almost every issue of their community newspaper.
- Advertisers spent \$4.57 billion dollars on weekly newspapers in 1996, up 7.5 percent from 1995. That figure is forecast to reach \$4.9 billion in 1997.
- In 1996, consumers spent \$432 million on weekly newspapers, up 3.2 percent from 1995. Consumers are expected to spend \$437 million in 1997.
- By 2001, combined advertising and circulation spending on weekly newspapers is projected to reach \$6.8 billion.
- The average price of one copy of a paid weekly newspaper is 41.5 cents.

OBITUARIES

L. GORDON "BUD" HOOD

L. Gordon "Bud" Hood, 75, of Kewaskum, died Saturday, Sept. 27, 1997, at St. Mary's Hospital, Milwaukee.

He was born August 28, 1922, in Chicago, IL, to the late Louis and Margaret (nee Feiter) Hood, and married Dorothy Birzer on Feb. 21, 1969, in Waukegan, IL.

Survivors include his wife; a son, Gordon (Annette) Hood of Shelbyville, Ind.; six stepchildren, Robert (Mardell) Blank of Slinger, LaVerne (George) Landrath of West Bend, Patricia Lee of Fond du Lac, Russell Rathke of West Bend, Christine (Raymond) Bannenberg of Campbellsport and Donna Schloemer of Milwaukee; nine grandchildren; 17 step-grandchildren; four great-grandchildren, nine step-great-grandchildren; a sister, Jacklyn (Eugene) Everly of Rolling Meadows, IL., a son-in-law, Dean Foster of Elwood, Ind., nieces, nephews, and other relatives and friends.

Preceding him in death were a daughter, Mary Ann Foster, and a step-granddaughter.

Funeral Services were held Tuesday, Sept. 30, at 1 p.m. at the Schmidt Funeral Home in West Bend. Cremation followed.

Visitation at the funeral home was on Tuesday from 11 a.m. until the time of services.

MARGARET M. HUGHES

Margaret M. Hughes, 88, formerly of Campbellsport, died Wednesday, Sept. 24, 1997, at St. Joseph's Community Hospital, West Bend.

Mrs. Hughes was born Sept. 11, 1909, in St. Joe, the daughter of Florian and Elizabeth Casper Dreifuert. She married Clyde Hughes on Jan. 2, 1930, and he preceded her in death on June 16, 1984.

She was a member of St. Matthew's Catholic Church, Campbellsport. She was a volunteer for the Blood Bank and the Campbellsport Senior Center and a member of St. Matthew's Mission Circle, Ladies Christian Women and a lifetime member of the Apostolate of Suffering.

She is survived by one son, Pearson (Sharon) Hughes of Campbellsport; four daughters, Janet (Ronald) Hanson of Campbellsport, Anne (Donald) Uelman of Eden, Joan (Jack) Eggers of West Bend and Carol (Leo) Brown of Campbellsport; two brothers, Sylvester (Bette) Dreifuert of West Bend and Robert (Alice) Dreifuert of New Holstein; two brothers-in-law, George Freiss of Fond du Lac and Norman Seifert of Newburg; two sisters, Rosalie Schwartz of Chilton and Sedonia Hensen of Campbellsport; one sister-in-law, Margaret (Louie) Henninger of Boynton Beach, Fla.; 20 grandchildren and 35 great-grandchildren.

Mrs. Hughes was preceded in death by five sisters, Nora Cutler, Cecilia Rady, Agnes

Sippel, Helen Seifert and Dorothy Freiss; one son-in-law, Gilbert Buechel; two grandchildren and one great grandchild.

Funeral Services were held on Saturday, Sept. 27, 1997, at St. Matthews Catholic Church, Campbellsport, at 11 a.m. with the Rev. William Standfield officiating. Visitation was from 9:30 a.m. until the time of services at St. Matthews. Burial was in St. Matthew's Parish Cemetery. Memorials may be directed to St. Matthew's Parish.

The Twohig Funeral Home of Campbellsport handled arrangements.

LOUIS A. KREIS

Louis A. Kreis, 49, of West Bend died Monday, Sept. 22, 1997, at St. Joseph's Community Hospital, West Bend.

Mr. Kreis was born Oct. 6, 1947, in West Bend, to the late Daniel and Lorraine (nee Oresnik) Kreis. He attended West Bend High School and then served in the U.S. Army 11th Armored Division in Vietnam. He married Sharon Brace on Oct. 7, 1972, at Trinity Lutheran Church in West Bend.

He was a member of St. Mary's Immaculate Conception Parish, West Bend, Knights of Columbus Fr. Caspar Rehrl Council No. 1964 and Loyal Order of the Moose Lodge No. 1398. He was also an avid hunter and fisherman.

Mr. Kreis is survived by his wife Sharon; three children, Dawn (Mark) Spaeth of West Bend, and Kari and Holly Kreis, both at home; a brother, Daniel (Mary) Kreis Jr. of West Bend; two sisters, Darlene (Gerald) Breuer of Larson and Louise (Tom) Boettcher of Fredonia; his mother-in-law, Henrietta Brace of West Bend; four brothers-in-law, Roger (Patty) Brace of New Fane, Randy (Bonnie) Brace of West Bend, Ricky (Dawn) Brace of West Bend, and Chuck (Janice) Brace of Kohlsville; four sisters-in-law, Linda (Roger) Bird, Bonnie (Mark) Bird, Bev Brace, and Christine (Steve) Wendelborn, all of West Bend, and other relatives and friends.

He was preceded in death by his father-in-law, Wilbur Brace, and a brother-in-law, Ronald Brace.

Funeral Services were held on Friday, Sept. 26, with a Mass of Christian Burial at 10:30 a.m. at St. Mary's Immaculate Conception Church, West Bend. Rev. Patrick Wendt was the celebrant, and burial followed at Washington County Memorial Park.

Visitation was held at the Myrhum-Patten Funeral Home, West Bend, on Thursday after 4 p.m., with a Loyal Order of Moose Service at 7:30 p.m., followed by a vigil service. There was also a visitation at the Funeral Home on Friday from 9 to 10 a.m.

Memorials to the Kreis children are appreciated.

Kewaskum Fire and Rescue Squad Calls

Tuesday, September 23 - The Kewaskum Rescue Squad responded to a motor vehicle accident at 10:32 p.m. in the Town of Kewaskum. A male patient was transported to St. Joseph's Community Hospital, West Bend, for treatment of injuries.

Tuesday, September 23 - The Kewaskum Rescue Squad was dispatched in the village of Kewaskum at 11:05 p.m. for a female patient who had fallen. No transport was made.

Thursday, September 25 - The Kewaskum Rescue Squad, Jaws of Life and Kohlsville First Responders were summoned to a motor vehicle rollover in the Town of Wayne at 2:28 p.m. Two patients were transported to St. Joseph's Community Hospital, West Bend, for treatment of injuries. The Jaws was not utilized.

Friday, September 26 - The Kewaskum Rescue Squad and the Jaws of Life responded to a motor vehicle accident in the Town of Kewaskum at 4:21 a.m. Two patients were transported to St. Joseph's Community Hospital, West Bend, for injuries received. A third patient was transported to Froedtert Hospital, Milwaukee, by Flight for Life. The Jaws was not utilized.

Friday, September 26 - The Kewaskum Rescue Squad was summoned in the Village of Kewaskum at 10:13 a.m. for a male patient who was semi-conscious. The patient was transported to St. Joseph's Community Hospital, West Bend.

Friday, September 26 - The Kewaskum Rescue Squad and Kohlsville First Responders were dispatched in the Town of Wayne at 10:35 p.m. for a male patient experiencing shortness of breath. The patient was transported to St. Joseph's Community Hospital in West Bend.

Saturday, September 27 - The Kewaskum Rescue Squad responded to a call at 10:27 a.m. in the Village of Kewaskum for a male youth who suffered a back injury. The patient was transported to St. Joseph's Community Hospital, West Bend.

Saturday, September 27 - The Kewaskum Rescue Squad, Jaws of Life and Kohlsville First Responders were summoned at 12:52 p.m. in the Town of Wayne for a motor vehicle rollover. Two patients were transported to St. Joseph's Community Hospital, West Bend, for treatment of injuries. The Jaws was not used.

Sunday, September 28 - The Kewaskum Rescue Squad and Kohlsville First Responders were dispatched at 1:46 a.m. in the Town of Wayne for a male patient who suffered a back injury. The patient was transported to St. Joseph's Community Hospital, West Bend.

United Church of Christ Executive to be Installed

The Rev. Dr. Thomas Bentz will be installed as Association Minister of the Southeast Wisconsin Association United Church of Christ on Saturday, Oct. 4. As Executive officer of the Association, he also serves as a staff member of the

Wisconsin Conference UCC.

The setting will be the Cedar Theatre on the Cedar Lake Health Care Center Campus, Hwy. Z, West Bend. Cedar Campuses is a not-for-profit organization affiliated with the United Church of Christ. Beginning with a 3:30 p.m. Hymn Sing, the celebration will continue with the Service of Installation and Full Communion at 4:00 p.m. followed by a garden reception.

Dr. Bentz comes to the SE Association with a wealth of experience. Initially ordained to a ministry of communication, he spent many years as a religious writer, serving as Senior Editor and United Church Editor of A.D. Publications Inc., A.D. Magazine before entering the parish ministry.

Prior to accepting the call of the Southeast Association to serve its 62 congregations he was a pastor of North Church in the south Bronx, where he completed his Doctor of Ministry in youth and community organizing, and pastor of Union Congregational United Church in Richmond Hill (Queens), New York, shepherding it into a multiracial, international congregation during his pastorate.

Immunization Clinics Offered

All recommended immunizations are available to children and adults of Washington County at the immunization clinics offered by Washington County Community Health Service. The October clinics are:

OCTOBER 7 - 2 to 6 p.m. - Public Agency Center, Lower Level, Room 1145 at 333 East Washington Street and Indiana Avenue, West Bend.

OCTOBER 14 - 3 to 5:30 p.m. - Germantown Senior Center, W162 N11960 Park Avenue, Germantown.

OCTOBER 21 - 2 to 5 p.m. - Hartford City Hall, Community Room, 109 N. Main Street, Hartford.

OCTOBER 28 - 9 to 11 a.m. and 2 to 5 p.m. - Public Agency Center, Lower Level, Rm. 1145 at 333 E. Washington Street and Indiana Avenue, West Bend.

Parents must bring their records of each child's past immunizations to the clinics. Immunizations will not be given without a record card.

For further information, call 335-4462, 644-5204, or 342-2929.

Eating a varied and healthy diet can ensure that you have enough folic acid, fiber and calcium.

Black Bear Population Continues to Expand

By Kevin Wallenfang
DNR Assistant Deer
And Bear Ecologist

Wisconsin's black bear population is in excellent condition, and black bears continue to expand their range. Throughout the north, black bears have increased to levels that are likely greater than at any time since the early part of the century.

Since 1996, the DNR has expanded the area where surveys are conducted to include non-traditional bear habitats, and biologists are using new population models that indicate the statewide bear population now stands at approximately 14,000 bears. The majority of bear live in the Northern Forest Region, but numbers have increased southward with increasing sightings reaching as far south as counties along the lower Wisconsin River.

Usually thought to be associated with the wilderness, black bear sightings now frequently occur in many rural backyards where the limits of social tolerance are often severely tested.

With a statewide population estimate pushing 14,000 animals, bear hunting should again be exceptional in 1997. New population estimates allowed more permits to be issued in 1996, and, as expected, resulted in a new harvest record.

Hunters in bear management zones A and A1 will again have the best chance of filling their harvest permits. Subzone A1 becomes permanent this year; it was created in 1994 to help shift hunter numbers away from more heavily hunted areas and to increase harvest in those places experiencing high instances of nuisance bear problems and bear-related agricultural damage.

In 1996, 4,570 hunters harvested 2,325 bears, for an overall success rate of 47%. This success rate was down from the 64% success of 1995 due to increased number of permits, which leads to higher competition among hunters for bears.

The number of successful hunters in 1996 ranged from 58% in Zone A1 to 31 percent in Zone C where bear numbers and habitat are more dispersed.

With similar success rates projected for 1997, a total of 4,700 kill permits, bear hunters are still finding it difficult to draw a harvest permit. This is due to the increased popularity of the hunt, resulting in increased competition for permits. The number of applicants in 1997 increased by another 7,000 people, resulting in a preference pool of almost 42,000 hunters.

Even with exceptional numbers of bears on the

landscape, hunter success is often influenced by the magnitude of the mast and berry crop in late summer. Due to this year's delayed spring, the wild berry and cherry crop may be later than normal and could affect baiting success.

Because 1997 is an odd numbered year, bear hunters using hounds will start first on September 13. Hunters using bait will start one week later, on September 20.

For those hunters fortunate enough to draw a bear harvest permit in 1997, they can look forward to a high quality hunting experience. With some preparation and a little luck, they should get to see several bears. In recent years, a significant number of hunters

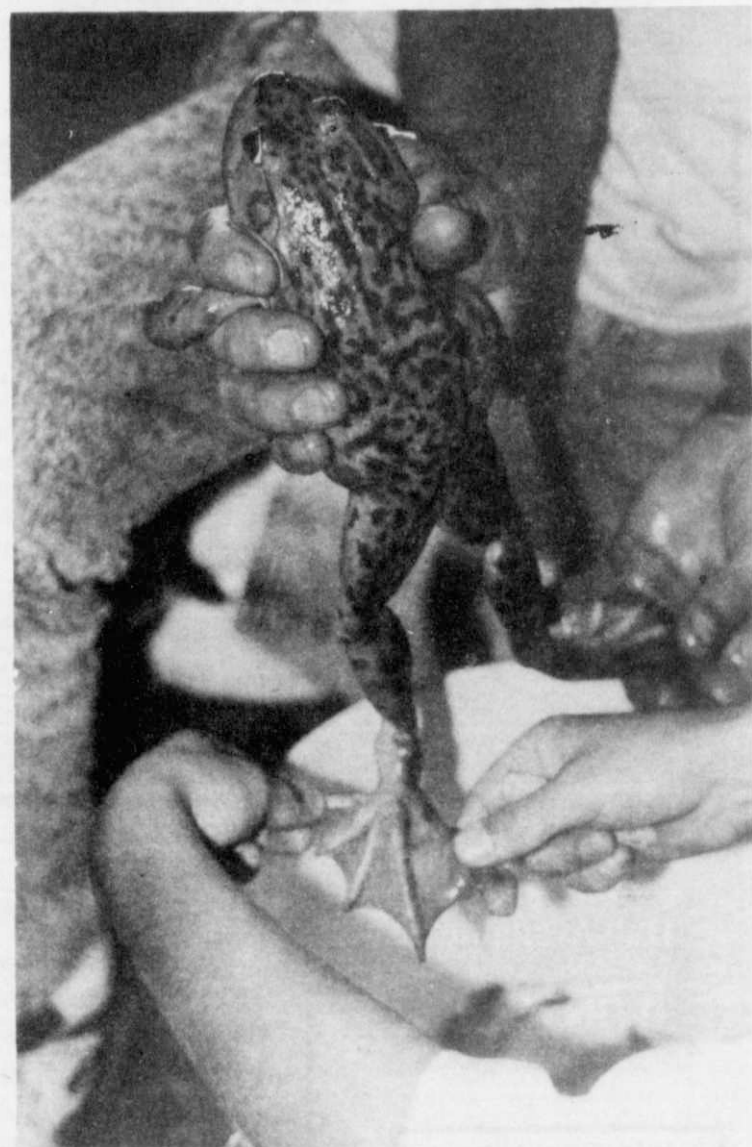

reported multiple sightings of bears, and the state continues to produce exceptional trophies of over 500 pounds.

Acquire an enthusiasm; you can't be enthusiastic and unhappy at the same time.

Big... Big Bullfrog

Gordy Sabel and his children, Jake and Leah, all of Kewaskum, recently found this huge bullfrog while walking next to the river in River Hill Park. Gordy does not believe this was one of your common everyday garden-variety type bullfrogs, due to the size and unusual markings on the frog. Are we growing them big here or could one of the Budweiser bullfrogs be waiting to make a guest appearance at Kettle Kountry Kolors next weekend?? Either way... if you want to see Mr. Frog, Gordy and his children released the little critter back into his environment shortly after his capture.

KES Students Visit Pheasant Hunting Prospects Look Good Veterinary Clinic

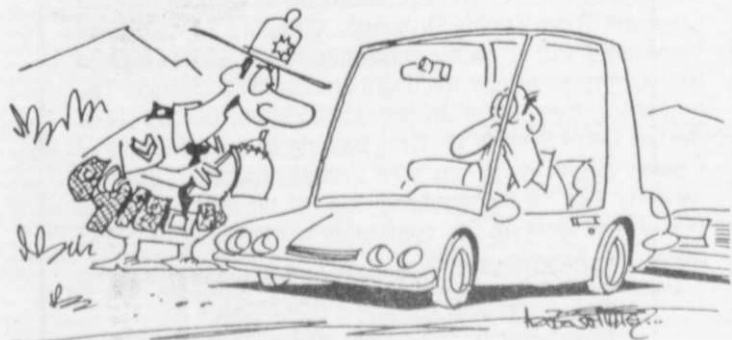

By Bill Vander Zouwen
Chief, DNR Wildlife and
Landscape Ecology

Veterinarian Dr. Greg Ogi explains to Mrs. Ammel's second grade class some of the equipment he takes with him on his visits to local farms. The second graders are currently studying pets and animals in their reading classes.

Describing how different animals can get sick, Veterinarian Dr. Charles Ogi addresses Kewaskum Elementary School second graders during their visit to the Kewaskum Veterinary Clinic.

"Remember that 'F you gave me when I was in your math class? Well, I can add now... 65 in a 55 equals \$105!"

Spring pheasant surveys have yet to be tallied, but DNR wildlife managers are optimistic about wild pheasant hunting this fall. The 1995-96 winter reduced pheasant populations by more than 30%, and heavy spring rains hurt production in some areas in 1996.

But the 1996-97 winter was not too hard on pheasants, and spring conditions were good for rearing broods, so pheasant numbers are expected to be higher this fall than last. Pheasant abundance is a local phenomenon, however, and hunters will need to seek out areas with large amounts of idle grassland and some winter cover to find these pheasants. Best areas will include St. Croix, Dane, Green, Rock, Jefferson, Dodge and Fond du Lac counties.

Thanks to a concerted effort by conservation organizations and agencies, the latest federal Farm Bill has again provided for pheasants through the Conservation Reserve Program, which pays landowners to plant erodible lands to grasses and forbs. These fields make up the bulk of pheasant nesting cover in most areas.

Wisconsin DNR wildlife biologists worked side-by-side with U.S. Department of Agriculture staff to sign up a large number of landowners this past spring. As a result, more than 200,000 acres were accepted into the program, replacing many of the fields with expiring contracts.

Unfortunately, new fields will not be planted until 1998 and will take at least a year to develop into good nest cover, while many expiring fields will be planted to crops. This lag is expected to take a short-

Fall Turkey Season is Oct. 13-Nov. 9

MADISON -- Due to a printing error, the dates on the tags turkey hunters received to place on turkey carcass are incorrect. The season IS NOT OPEN OCT. 7 - OCT. 12. The fall turkey season runs from October 13 through November 9.

Hunters who harvest a turkey Nov. 3, 4, 5, 6, 7, 8 or 9, should slit Nov. 3 as the date of the kill on this tag, but enter the correct date of the kill on the registration stub.

Hunters must register their tagged turkeys at any registration station no later than 5 p.m. the day after the bird is killed.

For more information contact the Bureau of Wildlife Management (608)266-1877 or the Bureau of Customer Service and Licensing at (608) 266-2107.

term toll on pheasant populations in 1998.

Many hunters depend on stocked pheasants and public lands for hunting. The department plans to release 41,000 pheasants on 72 public hunting grounds this fall. This is lower than the 46,000 stocked in 1996 due to lower budgets this past year that caused DNR to reduce its breeding stock. Thanks to the license fee increases that hunters and anglers supported this spring, the DNR will be building its breeder flock so that production can be increased in 1998.

The number of pheasants stocked in 1998 will likely be around 50,000 (compared to 35,000 without the fee increases). Pheasant hunters should obtain a copy of the special pheasant regulations pamphlet to see which properties are stocked, which require tags, which close at 2 p.m. the first two weeks, and which require a pheasant stamp.

Additional pheasants will be stocked by conservation clubs that were provided day-old chicks by the state game farm. These pheasants are released on lands open to public hunting. Sixty-eight clubs and alliances received 57,500 rooster chicks this year.

Pheasants stocked on public hunting grounds and through the day-old chick program generally have poor survival rates and are not expected to survive until next year. The state has conducted experimental Iowa and Jilin wild pheasant releases for population restoration since 1988. Iowa pheasants have been released in 16 areas and Jilin pheasants released in five

areas (10 to 42 square miles each).

The newest Iowa pheasant release areas currently being stocked are found in the following six counties: Grant, Dodge, Sheboygan, Winnebago, Dunn-Pepin and Iowa. These birds do not appear to be better suited to Wisconsin than our remnant wild populations, but they have established populations in some areas where the habitat has been improved but where few wild pheasants remained.

Pheasant stamp revenues pays for production of these birds as well as habitat improvements. Pheasants Forever and Wings Over Wisconsin chapters have been active partners, working with landowners to improve habitat in these release areas.

Free Business Counseling Offered

The University of Wisconsin-Extension is offering free and confidential counseling for those with a new business idea, an idea to expand a business, or needing help in the financial, personnel or general management of an enterprise.

Arrangements can be made to see Fred Schmidt, Area Business Agent, by calling 335-5204. Individual 90 minute appointments can be set up for 1 or 2:30 p.m. for Monday, October 6, October 20 or October 27. The one-on-one meetings are held at the Washington County University Campus, 400 University Dr., West Bend.

Minutes of Village Plan Commission

Village of Kewaskum
Plan Commission
August 26, 1997
7:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Robert H. Wagner called the meeting to order. Members present were Frank Beesten, Richard Schmidt, Theodore Meilahn, Michael Kimble, Gary Gavin and Administrator Daniel Schmidt. A quorum was present. Zoning Administrator Gordon Hoffmann was not in attendance. Charles Waala asked to be excused and was absent.

It should be noted that Trustee Robert Stoltzmann was also present.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

Village President Robert Wagner welcomed Michael Kimble to the Plan Commission as a new member.

On a motion by Gary Gavin, seconded by Frank Beesten and unanimously carried by voice vote, the Commission approved the minutes as printed, for June 23, 1997.

On a motion by Gary Gavin, seconded by Richard Schmidt and carried by the majority voice vote the Commission sent an unfavorable recommendation regarding the

request of Gerald Wilke for the rezoning of 1704 Riverview Drive, also known by tax key #V4-0614 from R-2 Single Family Residence District to R-3 Two Family Residence District. It was noted Zoning Administrator Hoffmann did not recommend this rezoning. It was further noted that all of the neighbors were also present and voiced their disapproval of this effort.

On a motion by Richard Schmidt, seconded by Michael Kimble and unanimously carried by voice vote, the Commission authorized the signing of the Certified Survey Map for Trev Timblin for the creation of two new R-1 Single Family Lots with the following conditions:

- 1) A consent and waiver must be signed for both newly created lots.
- 2) When the utility improvements are installed for one, the other must also be installed at no cost to the Village.
- 3) The easement for the electric/utility line be reflected on the lot to clarify the build ability of said lot.
- 4) Mr. Timblin be advised that the laterals for the lot to the west also be installed to minimize disruption of the roadway in the future.
- 5) When the roadway is patched that it be a hot patch with the cuts sealed completely.

The aforementioned matter was sent to the Village Board.

Administrator Daniel S. Schmidt reviewed points brought up for discussion regarding the Zoning Ordinance during the Land Use Plan preparation. (An additional sheet will be attached regarding those points.)

On a motion by Frank

Kettle Kountry Kolors

(Continued from Page 4)

ages. Check out the State Patrol seatbelt safety equipment display and the U.S. Reserve National Guard helicopter landing and exhibit. Watch the professional sky divers with their colorful parachutes drift from the sky and land on their mark adjacent to festival grounds on Saturday.

For your listening pleasure enjoy the sounds of the Kewaskum High School Jazz Band, The Shades Band, Twin Hill String Band, Bound for Heaven Quartet and Gospel Group, Syl Groeschel Polka Band and the Mayville Steel Drum Band interspersed throughout the River Hill Park at various times on Saturday and Sunday.

Sunday will feature the annual 5K Kewaskum Youth Scholarship, Inc. (KEYS) walk/run beginning at 11 a.m. The event is open to everyone. The course winds through the village of Kewaskum and can be completed as quickly or as leisurely as one would like. It would take an average person approximately one hour to walk the course.

Sunday's festivities begins a little earlier with a tasty pancake breakfast sponsored by the Kewaskum Sno Chiefs served from 8 to 11 a.m. A church service at 9 a.m. will be offered this year by the New Fane Lutheran Church.

Each year the always popular craft tent expands allowing new artisans and old favorites to display their handiwork. This year it was necessary to secure an additional tent to hold all the new crafters excited to take part in the festival.

The Chamber of Commerce is thrilled this year to bring another new feature to their annual festival. On Sunday a special tent will be utilized to bring you "Lambeau Field in River Hill Park!" That's right! You won't have to miss a minute of the Packers-Bears battle if you join the rest of Kewaskum's Packer Backers in our special Packer Party Tent featuring a big-big screen TV that will be raffled off right after the game. There will also be food and refreshments, prizes and surprizes and other special Packer raffles planned just for this party tent.

You must bring one thing along to Kettle Kountry Kolors and that is your appetite! A large variety of foods including soups, hot and cold sandwiches, Mexican and other ethnic foods,

Beesten, seconded by Theodore Meilahn and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

luscious homemade desserts, funnel cake, snacks and hot and cold beverages, all designed to tempt your palate will be available to sample.

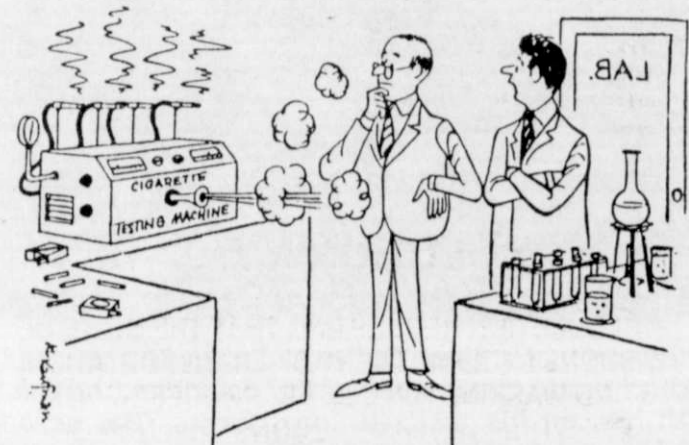

This invitation is extended to you to join in and enjoy this year's Kewaskum Kettle Kountry Kolors Festival on Saturday and Sunday, October 11 and 12. Come early and stay late. Shuttle service sites will be located throughout the village.

Take in the sights... the sounds, (the Packers!) and the beauty of nature alive in the rich hues of the autumn colors which surround us so close to home here in the Kettle Moraine. Take in Kewaskum's Kettle Kountry Kolors!

The country with the greatest number of post offices is India, which has more than three times as many as the U.S.

NOTICE OF HEARING TOWN OF WAYNE ZONING BOARD OF APPEALS

NOTICE IS HEREBY GIVEN that the Town of Wayne Zoning Board of Appeals will conduct a hearing on the application for appeal filed by Cindy Canter. The hearing will be held at 9:00 a.m. on Oct. 8, 1997, at the applicant's property located at 5591 St. Kilian Dr., Campbellsport, WI 53010.

The applicant's property is located in the SE 1/4 of the NW 1/4 Section 2 Town of Wayne.

The appeal seeks a variance from the requirements of the Zoning Ordinance and if granted will permit the applicant to build a house further from the road than the existing pole barn.

All interested persons wishing to comment on the appeal should appear at the hearing.

Dated Sept. 12, 1997

9-26-2t

Orville Kern
Town Clerk

TOWN OF KEWASKUM NOTICE OF PUBLIC HEARING FOR CONDITIONAL USE PERMIT

NOTICE IS HEREBY GIVEN that a public hearing will be held before the Kewaskum Town Board located at the Kewaskum Town Hall, 9019 Kettle Moraine Drive, in the Town of Kewaskum, 7:30 p.m. on October 20, 1997, to consider the application of William H. and Carol T. Butzlaff, 8493 County Road B, Kewaskum, for a Conditional Use Permit as provided for in section 3.03 (C) (2) of the Town Zoning Ordinance. Granting a Conditional Use Permit will allow the applicants to sell a lot to a child for the purpose of constructing a one-family residence. The property is that part of the southerly 535' of the SE 1/4 of the NE 1/4 of Section 19, lying easterly of the centerline of County Highway "B" as now located; together with the westerly 225' of the southerly 535' of the SW 1/4 of the NW 1/4 of Section 20, containing a total area of 3.343 acres; Tax Key No. T8-389 & 413.

Dated this 29th day of September, 1997.

Barbara L. Wenzlaff,
Town Clerk
Town of Kewaskum

Village Board Meeting Minutes

Regular Meeting
September 8, 1997
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Wagner presided. All Trustees Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Harry Roecker, and unanimously carried by voice vote, the minutes of the meeting of August 18, 1997 meeting were approved as printed.

Chief of Police Richard L. Knoebel presented the July 1997 monthly report.

Criminal arrests 44, Criminal investigations 60; Traffic warnings 110, Traffic citations 46; Adult arrests 32, Juvenile arrests 14; Property stolen \$300, Property recovered \$126; Parking warnings

17, Parking tags 7.

Director of Public Works, Jerry Gilles informed the Board of the following:

1.) The fine bubble aeration project completed at the wastewater treatment plant last year has resulted in an electrical cost savings of approximately \$26,000 for the period 7/96 to 7/97; exceeding the expectations of cost recovery.

2.) WEPCO has contracted Pieper Electric to upgrade the underground cabling of the street lights on Fond du Lac Avenue and Main Street. If all goes well, that should be completed this week.

Deputy Clerk Janet Knops reviewed the following with the Board:

1.) The Village's 1997 equalized value will be \$11,246,700; an increase of 9.65% over 1996.

2.) A revised 1997 population estimate approved by the WI Department of Administration of 3,126, an increase of 51 over their initial estimate of 3,075.

3.) A resolution from the US Postal Service should be received this week addressing the cluster box issue.

On a motion by Trustee Gary Gavin, seconded by Trustee John Kenworthy and unanimously carried by voice vote, the Board

approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

Payroll Fund	\$52,624.90
General Fund	352,921.51
Library Fund	8,734.84
Sewage Fund	17,320.42
Water Fund	3,509.34

TOTAL \$435,111.01
P/R Check #7676 - #7801
A/P Check #12944 - #13092

Chairman of the Protection and Public Safety Committee Trustee Harry Roecker announced a meeting scheduled for September 22, 1997 at 6:45 p.m. to discuss the 1998 Fire Department budget.

Chairman of the Public Services Committee Trustee Andy Pesch announced a meeting scheduled for September 22, 1997 at 7:30 p.m. to review the recycling grant.

Board Representative of the Plan Commission, Trustee Gary Gavin reviewed the meeting of August 26, 1997, at which an unfavorable recommendation was carried by the majority for the rezoning request of Gerald Wilke from R-2 Single Family Residence District to R-3 Two Family Residence District for the property at 1704 Riverview

Drive. Mr. Wilke asked that his request be withdrawn for consideration by the Village Board and that the \$100.00 fee be refunded.

A favorable recommendation was approved by the Plan Commission regarding the Certified Survey Map of Trev Timblin to create two R-1 Single Family Lots from his parcel at 224 Bonnie Lane, with five conditions attached to the request. Trustee Gavin also announced that a Plan Commission meeting has been scheduled for September 23, 1997 at 7:00 p.m.

Board Representative of the Library Board, Trustee John Kenworthy reported on their meeting of September 3, 1997. Circulation figures seem to be improving and work on the 1998 budget is proceeding.

On a motion by Trustee Harry Roecker, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, authorization to advertise for bids for the park and ride lot was approved.

On a motion by Trustee Gary Gavin, seconded by Trustee Warren Dums and unanimously carried by voice vote, the Certified Survey map submitted by Trev Timblin was approved as well as those stipulations addressed by the Plan Commission.

A sample ordinance was reviewed by the Board for adopting and enacting the new Municipal Code, with action on same to be taken at a future date. Also, Resolution No. 97-18 requesting an alternate traffic route for the Village was discussed. Action on this resolution will appear on the September 22, 1997 Village Board agenda and also on the September 23, 1997 Plan Commission agenda.

The Board was reminded that the organizational meeting of the Economic Development Advisory Committee is scheduled for September 15, 1997 at 7:00 p.m.

Motion by Trustee Robert Stoltzmann, seconded by Trustee Gary Gavin and carried by the majority roll call vote to adjourn. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent."

Janet L. Knops
Deputy Clerk/Treasurer
Approved 09-22-97
Pub. (K.S.) 10-02-97

Village Board Meeting Monday

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin Village Board is scheduled for Monday, October 6, 1997, at 8:00 p.m. in the Municipal Building, 204 First Street.

The agendas for the meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of Bank Wisconsin.

TOWN OF FARMINGTON MONTHLY TOWN MEETING

The Town Board of the Town of Farmington will hold their regular monthly meeting on Tuesday, Oct. 7, 1997, at 8 p.m. in the Town Hall, 9422 Hwy. 144, Kewaskum.

RESOLUTION NO. 97-18

A RESOLUTION REQUESTING THAT THE STATE OF WISCONSIN (DEPARTMENT OF TRANSPORTATION) AND WASHINGTON COUNTY PROCEED WITH CONSTRUCTION AND RECONSTRUCTION OF MAJOR ROADS CONTRIBUTING TO ECONOMIC DEVELOPMENT AS CONTAINED IN THE WASHINGTON COUNTY JURISDICTIONAL HIGHWAY PLAN

WHEREAS, as Washington County continues to grow and the amount of traffic has and will continue to significantly increase; and

WHEREAS, economic development efforts in particular require a road infrastructure system in keeping with the amount of traffic being generated; and

WHEREAS, major roads connecting Washington County communities and interfacing Washington County with the rest of Wisconsin can most practically be designed, constructed and maintained under the State and County auspices; and

WHEREAS, it is understood that current financial pressures might not permit Washington County to accomplish major new highway projects without making serious and perhaps unacceptable cuts in other existing budgets; and

WHEREAS, it is recognized that this leaves Washington County officials with the difficult task of evaluating several alternative sources of additional tax funds, any and all of which will impact upon taxpayers within the County.

NOW, THEREFORE, BE IT RESOLVED by the Village Board of the Village of Kewaskum, Washington County, Wisconsin, that:

- 1) It is requested that State (DOT) and that County officials proceed with the construction and reconstruction of major roads and especially that of USH "45" from CTH "D" to CTH "H" west and that contributing to economic development as contained in the Washington County Jurisdictional Highway Plan.
- 2) The State and County are requested to begin review of alternate traffic routes to accomplish a balance flow of traffic through and around the Village of Kewaskum.
- 3) A significant portion of the road construction considered to be within the County's jurisdictional plan would provide for a County Trunk Highway going westerly around the Village connecting both USH "45" north to USH "45" south.
- 4) Village of Kewaskum officials acknowledge and support the necessity for raising additional funds through any of several alternatives to support the development of roads for economic development.
- 5) The aforementioned CTH would begin at CTH "H" east traverse USH "45" to Badger Road until Kettle View Drive going north along the western limits of the Village to CTH "28" west and then to USH "45" north.

BE IT FURTHER RESOLVED, the Wisconsin Department of Transportation review the proposed CTH to possibly expand it to a designated by-pass for the Village of Kewaskum or study and find alternative routes for such a State by-pass.

Dated this 23rd day of September, 1997.

RESOLUTION NO. 97-19

Village of Kewaskum, Washington County, Wisconsin

66 - 142

RESOLUTION REQUESTING FINANCIAL ASSISTANCE FOR THE OPERATION OF A RECYCLING PROGRAM AND NAMING THE AUTHORIZED OFFICIAL

WHEREAS, the Village of Kewaskum hereby requests financial assistance under s. 159.23 Wis. Stats, Chapter NR 542 and Chapter NR 544, Wis. Adm. Code, for the purpose of planning, constructing or operating a recycling program with one or more components specified in s. 159.11(2)(a) to (h), Wis. Stats.,

THEREFORE BE IT RESOLVED, that the Village Board of the Village of Kewaskum, Washington County, Wisconsin, HEREBY AUTHORIZES Daniel S. Schmidt, an official or employee of the responsible unit, to act on its behalf to:

Submit an application to the Department of Natural Resources for financial assistance under s. 159.23, Wis. Stats., Chapter NR 452 and Chapter NR 544, Wis. Adm. Code;

Sign necessary documents; and

Submit a final report.

Adopted and approved this 22nd day of September, 1997, by the Kewaskum Village Board.

Intramurals Swing Into New School Year

Getting ready for their practice swings in intramurals are Farmington Elementary School fifth graders Briana Bastian, left, and Jenny Bischoff.

Lady Indians' Volleyball Toast Chilton

By Andrew R. Kuehl
Staff Writer/Photographer

The Varsity volleyball team played Chilton on homeground this past Tuesday. The girls won all three of their matches. Scores were: 15-3, 15-6, 15-9.

Senior, Carrie Wiesner led the team as high scorer with a total of twelve points. Becky Repovsch was the team's high assist leader with nine assists.

"Tuesday was a good win, I think we had a more offensive attack than Chilton. Dawn Felix did a nice job blocking," said Coach Dave Rizzardi.

Their EWC record is 5-1.

Intramurals are underway at the Kewaskum Elementary Schools, starting with golf!

The intramural program provides fun, physical, after-school activities throughout the year for fourth and fifth graders. The golf unit will culminate with a trip to Hon-E-Kor Country Club golf course in October.

Students at Wayne Elementary School meet on Thursdays with Mr. Beske, Kewaskum Elementary School girls meet on Mondays with Ms. Flom, and Kewaskum Elementary

School boys meet on Thursdays with Mr. Breese Farmington boys meet on Tuesdays with Mr. Casetta, while the Farmington girls meet on Wednesdays with Ms. Ambrose. Parents are reminded to please arrive by 4:40 to pick up intramurals participants.

There are hundreds of breeds of purebred dogs throughout the world.

Fall Hike Saturday Along Ice Age Trail

The annual Fall Hike of the Washington County segments of the 1,000-mile-long Ice Age Trail in Wisconsin will take place on Saturday, October 4, leaving from Pike Lake State Park.

Anyone interested in a day of fall color along Kettle Moraine Country is invited to participate. Registration will start at 9 a.m. at the beach parking lot of Pike Lake State Park, a mile south of Wisconsin Highway 60 on Kettle Moraine Road. A state park sticker or day fee is required.

Guided hikes of two, four, six and ten miles are offered, with or without guides. This part of the trail traverses some of the higher hills left by the Wisconsin Glacier in southeastern Wisconsin 10,000 years ago. Hiking difficulty is rated as moderate. Wonderful vistas are seen from several hill-tops.

Refreshments will be available at the meeting area, where hikers can learn about the glacier, the trail and membership in the Ice Age Trail and Park Foundation, a non-profit group of volunteers involved in completing and maintaining the trail.

1 cup ice milk, soft serve, offers an equal amount of calcium as an 8 ounce glass of whole milk.

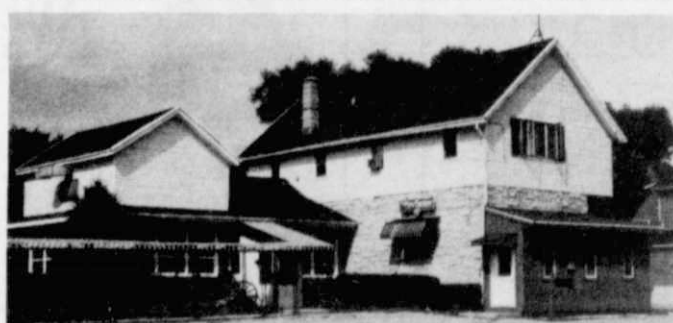

Smoking

Smokers have more than twice the risk of heart attack as nonsmokers, and smokers have a greater risk of stroke, too, says the American Heart Association. Chronic exposure to environmental tobacco smoke (passive smoking) increases the risk of heart disease in nonsmokers.

REDUCED \$10,000

5 bedroom village home, all large rooms, newer eat in kitchen, 1728 sq. ft plus attached porch & breezeway. Natural gas heat, aluminum siding, 2 car oversized garage, nice location, \$100 s.

Kettle Moraine State Forest, Operating Supper Club, great family business, 3 bedroom living quarters, 60 seat dining room overlooking river, 25 stool bar room, good going business, Long Lake area, \$189,900.

Long-Awaited Victory

Scott Stonecipher of Kewaskum waited a long time and traveled a long distance to win the Tour de Strong Land Citizens I bicycle race in Lower Burrell, Pennsylvania on Sept. 14. Scott rode 50 miles of challenging mountainous roads, finishing in two hours, to win the final sprint by a half bike length. While visiting in-laws, Bob and Peggie Hoch, formerly of rural Kewaskum, this was Scott's third year to enter this event for elite racers.

J.V. Indians' Volleyball Team Unstoppable

By Andrew R. Kuehl
Staff Writer/Photographer

The J.V. volleyball team play has been unstoppable lately. The girls played at home last Tuesday against Chilton and won all three matches. Scores were: 16-3, 15-2, 15-12.

Sarah Schwinn and Heather Radtke led the team as high scorers with a total of seven. Sarah Williams was the team's high assist leader with seven assists. Laura Bauman was the save leader with two.

Scoring points for the team were: Sarah Schwinn- 7, Sara Disler- 2, Sarah Williams- 3, Bauman- 1, Schwinn- 5, Radtke- 7, Kraft- 1, Lynn Weisner- 2, Janel Hubacek- 1 and

Lauren Steinhardt- 5.

On Thursday the team traveled northeast to Plymouth where they lost one of three games. Scores were: 15-9, 15-6 and 8-15.

Laura Schwinn led the team as high scorer with a total of seven. Sara Disler was the team's high assist leader with eight assists. Sarah and Laura Schwinn were save leaders with two each.

Scoring points for the team were: S. Schwinn- 4, Disler- 4, Williams- 2, L. Schwinn- 7, Radtke- 5, Katie Kopecky- 1, Hubacek- 1 and Steinhardt- 3.

"It's not just one person; the team is playing well together as a group to be successful," said Coach Mary Holfeltz.

Their EWC record is 7-0. On Friday the girls took second place in a Tourney at Grafton.

Number of Local Ducks Declines

By Jon Bergquist, DNR
Migratory Bird Ecologist

There was a significant drop in the population of ducks nesting in Wisconsin in 1997 compared to 1996, but the population estimate was still above average for the past 24 years, according to a survey conducted this spring by the Department of Natural Resources.

The spring breeding duck survey for Wisconsin showed a 44% decline in total ducks this year compared to last year. However, the population estimate was still 5% above the 24-year long-term average.

Mallard populations in the state declined 41% compared to last year's record number, but were still 23% above the long-term average. Wood ducks, the second most common breeding duck in the state, were not adequately sampled so they were not included in the population estimate. The number of blue-winged teal, the third most populous duck species, declined 17% compared to last year.

Despite above normal winter precipitation across the state, which helped increase wetland numbers in the southern and north central Wisconsin, wetland numbers in the northwest declined somewhat compared to last year.

Statewide precipitation during April and May was about 30% below normal, which may have left some wetlands with poor water conditions as the ducks began setting up their breeding territories this spring.

Wisconsin's breeding duck population is an important factor in determining the number of ducks that hunters in Wisconsin will see this fall. Banding studies show that nearly 65% of the mallard harvest in Wisconsin comes from birds produced primarily in the state and in eastern Minnesota and Michigan.

Western Ontario, northern Manitoba and Saskatchewan contribute about 15% to the mallard harvest in Wisconsin. Mallards make up about 45% of the state's duck harvest annually. Wood ducks typically make up about 20% of the annual duck harvest in Wisconsin, and biologists estimate that more than 50% of the wood ducks harvested in Wisconsin are produced in the state.

While initial reports from the prairies of Canada and the United States indicated duck numbers are up this year, only about 20% of the mallards harvested each fall in Wisconsin come from those areas. The prairies are important producers of canvasback, redheads and gadwall in addition to some of the other species hunters harvest in Wisconsin each fall.

Most of the ring-necked ducks taken in Wisconsin are either locally produced or produced in northern Minnesota or Ontario. In

Winner of 'Al's Run' Will Compete in KEYS Run/Walk

Former UW Oshkosh star distance runner Matt Thull, of Campbellsport is shown above during a race last season.

Matt was the winner of

the prestigious Al's Run last Saturday in Milwaukee and has announced his intention to compete in the fourth annual KEYS 5K Run/Walk here on Sunday, October 12.

Thull's time of 24 minutes, seven seconds in the five-mile Al's Run was 24 seconds ahead of second place and surprised the elite runners in the 20th anniversary of the event benefitting Children's Hospital in Milwaukee.

While at UW-Oshkosh, Thull earned All American honors in cross country and track nine times.

Thull's entry, plus a record number of over 500 registrations, should bring extra excitement to this year's KEYS run/walk.

Participants are reminded to get their registrations in to ensure receiving a t-shirt.

Cross Country Teams Compete at Plymouth

The cross country team traveled to Plymouth last Tuesday to participate in the Plymouth Relays Cross Country Invitational.

What makes this meet unique is that the boys 5000 meter race is scored on a total time basis, where the top five individuals time from each team is added together and the team with the lowest accumulated time is the winner.

Even though three individuals from Kewaskum High School ran personal bests, it was not enough to overcome the strong running of the competition.

Danny Wall had the best time for the Kewaskum harriers and also a personal best of 19:36. Chris Weninger was next with 21:10

and a personal best. The next runners were Josh Rieder in 21:20, Brian Wall, 22:01, Darrell Woebeking, 24:45, a personal best, and Brendan Weinhold with 29:14.

The girls 4000 meter race was scored by adding the top five places from each team. Carol Neumann took top honors for KHS with a third place overall in 16:18, a personal best. Emily Rinzel, also with a personal best, was 33rd in 18:23, with Michelle Zingsheim 67th in 21:21, Emma Chambers, 68th in 21:27, Nicki Schinker, 69th in 21:33 and Rebecca Baron, a personal best in 26:21.

In addition, many of the green-winged teal and wigeon harvested in Wisconsin probably come from areas north of the prairies in Manitoba and Saskatchewan and from northern Ontario.

The U.S. Fish and Wildlife Service establishes duck seasons across the nation based on the status of mallards in traditional survey areas and in May prairie ponds in Canada. In the survey area, the number of mallards are up and May ponds in prairie Canada were also excellent according to the survey report. Specific information on habitat conditions and duck numbers in western Ontario, northern Saskatchewan and northern Manitoba are not available yet.

Based on those survey's, Wisconsin has been offered a longer duck season with an increased bag limit. However, based on the information from Wisconsin's breeding duck survey, and the importance of local-

ly produced ducks to the duck hunting experience in Wisconsin, hunters should not be overly optimistic about the fall flight of ducks through Wisconsin. Duck hunters in Wisconsin will likely not experience the tremendous fall duck flight that hunters in the Dakotas and further south within the Mississippi Flyway will experience.

Fall weather conditions here and other places will also play an important role in how many ducks hunters see in Wisconsin during the fall hunting season.

The Natural Resources Board finalized migratory game bird seasons for 1997 in Wisconsin at its August 27th meeting.

Sweet Homecoming Victory

It was a beautiful night for the Homecoming parade and football game last Friday as the Chilton Tigers (1-1, 3-1) came to town featuring their high powered wishbone offense.

Both teams were coming off big losses, Chilton to New Holstein and Kewaskum to Sheboygan Falls, so this was a big game for both teams who have identical 1-1 records in conference play.

The Indians were the first to threaten as senior linebacker Jon Eckes intercepted a pass early in the first quarter and returned it to the Tiger 20 yard line. After a third down pass fell incomplete, sophomore Chris Koth attempted a 37 yard field goal which just missed to the left.

The first quarter ended without either team scoring, but in the second quarter the Tigers struck quickly as Jason Karls connected with Shawn Ott on an 81 yard touchdown pass for a 7-0 lead.

Kewaskum however, didn't fold their tents quite yet, as junior John Immel took the ensuing kickoff and returned it 65 yards to the Tiger eight yard line. On the very next play, Tim Vetter punched it in and Chris Koth kicked the extra point for a 7-7 tie.

On the kick attempt Koth was roughed by a Chilton player and a 15 yard penalty was assessed on the kickoff. Kicking from the Tiger 45, the Indians attempted an onside kick, which worked perfectly as Chris Koth recovered the ball at the 28 yard line.

After an offside penalty against Chilton and an incomplete pass, senior Jim Kopecky took the ball around left end and scampered 23 yards for the touchdown. Koth's kick made it 14-7 in favor of the Indians.

Chilton was not finished yet, though, as they put together a long touchdown drive as Karls ran it in from the one to tie the score before the half at 14-14.

The third quarter saw Chilton regain the lead as

Tim Roehig scored from the one, making it 20-14 as the kick was wide left for the extra point.

In the fourth quarter, Chilton once again put together a touchdown drive with 10 minutes left in the game for a 26-14 lead. Once again it was Roehig who went in from the one, but the two point run was stopped short which would turn out to be significant before the end of this game.

With the Indians back against the wall and time running out, they put together a 13 play drive as senior Tim Vetter ran the ball nine times, which included runs of 17, 13 and 11 yards. Vetter's one-yard scoring run made it 26-20, as the Indians were suddenly back in the game. The extra point kick was blocked as several Tigers were able to penetrate the middle of the line.

With a little over three minutes remaining, it was up to the Indian defense to make some plays and make a play they did, as Travis Luedtke hit Jason Karls as he tried to pitch the ball causing a fumble which Jim Kopecky recovered on the 12 yard line.

On the very first play after the fumble recovery, Tim Vetter took the ball around right end for the tying score as the homecoming crowd went wild. With the game all tied up, all the Indians had to do was kick the extra point for the lead and that task was in the hands of three sophomores, center Nick Martin, holder Jason Strobel and kicker Chris Koth.

All three did their job perfectly as the kick was dead center and the Indians had regained the lead, 27-26, which became the final score.

Chilton did threaten once more as they attempted a 44 yard field goal with 15 seconds left on the clock, but Jim Kopecky blocked the attempt and the Indians only had to kneel down with the ball one time to seal the victory.

The win keeps Kewas-

The Kewaskum Indians go head-to-head with the Chilton Tigers during the Homecoming game here last Friday in which the Indians came out on top, 27-26.

kum tied for third place with Manitowoc Roncalli, their next opponent.

Tim Vetter led Kewaskum in rushing with 21 carries for 94 yards and three touchdowns. Josh Gaffke was 4-11 passing while Ryan Rammer had one catch for 26 yards.

Head Coach Perry Koth had this to say after the game: "Tim Vetter took control of our running game in the fourth quarter, rushing for over 60 yards when we needed it. Our special teams had a lot to do with our winning this game."

Koth added, "We recovered an onside kick which led to a score, John Immel had the long kickoff return which led to a score. We made our extra point kicks tonight, and our kickoffs and coverage was pinning Chilton deep in their own territory all tonight."

As for who he thought played well, he cited several players, including Immel, Sean Cotter, Kopecky, Ryan Rammer, Vetter, Jon Eckes, Matt Gundrum, Luedtke and Joe Thull.

But Koth was quick to add, "We needed everyone

to play well whenever they were on the field tonight and I am certain that we got that from the entire team."

This Friday Manitowoc Roncalli comes to town for a 7 p.m. game. Roncalli beat Plymouth last week and is currently tied with Kewaskum for third place.

LAST WEEK'S EWC RESULTS: New Holstein 27, Kiel 21; Sheboygan Falls 32, Two Rivers 0;

Kewaskum 27, Chilton 26, and Roncalli 14, Plymouth 7.

EWC STANDINGS

JV Football Team is 5-0

The Kewaskum JV football team lit up the scoreboard like a Christmas tree last Thursday night, beating Chilton, 50-14.

The scoring barrage was led by running back David Lettow. He had two touchdown runs and also demonstrated that he has good hands when he caught a beautiful pass from quarterback Chris Koth for a 60 yard touchdown.

Chris Koth also had two rushing touchdowns, one for 70 yards and another from one yard out. Jason Gruber got into the act when he scored on a 35 yard sweep. The Indians' last touchdown

was scored on a 55 yard run by Jason Strobel.

"Magic Toe" Chris Koth continued to impress by successfully kicking five out of five extra points. Running back Mike Farchione also contributed to the scoring by catching a two-point conversion pass from Jason Strobel and by running hard throughout the game.

The young Indians continued their defensive dominance. Both of Chilton's touchdowns were the result of poor punt coverage by Kewaskum. The defense allowed very few yards when they were on the field.

The win against Chilton improved the JV team's record to 5-0 heading into their next game at Manitowoc Roncalli on Thursday, Oct. 2.
