Johnson Bus Honors Employees For Safe Driving Records

John Schmidt

Joe Sekeres

Irene Gnacinski

During National School Bus Safety Week, October 19th through the 25th, Johnson Bus took the opportunity to recognize their employees who have achieved a safe driving record and whose efforts greatly enhance the bus company's reputation for safe student transportation.

In addition to a new Safe Driver Recognition Program which has been implemented this year, they have also created a "Safety Is No Accident" Driver Hall of Fame. It recognizes an outstanding roster of Johnson Bus drivers who have achieved a record of safe driving for the past 10 years or more.

The "unveiling" was held at the Johnson Bus West Bend corporate offices on Tuesday, October 21. The Kewaskum school bus drivers who were entered into 1997's Hall and the number of years of safe driving they have achieved are: John Schmidt - 20 years (!), Joe

Sekeres - 15 years, and Irene Gnacinski - 11 years.

Other Kewaskum drivers who have achieved at least five years of safe driving includes Stan Heisler, eight years; Ronald Knoeck, seven years; Diane Clark, seven years; Terry Diels, six years; Lisa Boylen, six years; Charles Kleinke, five years; Howard Fischer, five years, and Dorie Krahn, five years.

Within the past month there have been two tragic school bus accidents in eastern Wisconsin involving motorists not stopping for the red flashing lights and stop arm of a school bus. One resulted in the terrible death of a six year old boy who was struck by a car that failed to stop as he was crossing the road after leaving his school bus. The other accident involved a young 26 year old man who was killed when his car struck the rear of a school bus that was stopped to drop off students at their

home.

Johnson Bus drivers report that each year there seems to be more and more motorists who ignore the red flashing lights and stop arm of the school bus. Whether it is a lack of knowledge or perhaps more people in a hurry to get where they're going is unknown.

The public needs to know that, by law, ALL motorists are required to stop for the school bus when it is stopped with its red flashing lights operating and stop arm extended. This means that children are boarding or exiting the bus. School bus drivers have the authority to report those who fail to do so and penalties can be quite severe, with fines up to \$360 and four points. But more importantly, another needless tragedy could be avoided.

Board Begins Tedious Chore of Budget Work

By Lana Harbeck Kuehl

Village President Robert Wagner opened last Monday evening's board meeting with an apology to the Kewaskum Athletic Club baseball team for comments made at a recent Village Board meeting as reported in the West Bend News.

Wagner stated he had communicated with Ron Theusch and Doug Gonring of the Athletic Club and he had hoped they had come to an understanding and some good had come out of the conversations.

He added, "I must say, I was a little disappointed with the West Bend News that they didn't probably report the whole complete story and elaborate on the tree program. Sometimes what you put in the paper can change the whole nature of an article. I sometimes think that it's a way to spur controversy, and it does help sell newspapers because we know that's human nature, we all like to hear the dirt."

Wagner then went on to elaborate on the neglect of the news media in reporting the village's land use plan. He added, "We put four years in on this and I felt that it was a very important process and it affects everybody in this community and also Washington County, and I think that all newspapers are important and are here to service the community and I felt that that would have been a very important service. A good comprehensive article on the land use plan would have served everybody in the community very well."

The board then moved to review the preliminary budget information for 1998 for the Library Board. Trustee John Kenworthy, representative to the Library Board, opened comments, stating, "I guess the big thing that is sort of a variation off the norm, is we're asking that Shellie (library director Shellie Anderson) become full time. I know one of the things we talked about on the library board is we want to really professionalize our library and to do that I think we need to have somebody there full time."

The board then reviewed the basic breakdown of the library budget, with the total expenditures coming in at a proposed \$107,300.00 for 1998 as opposed to

\$100,500.00 in 1997. Reviewing revenues, Village Administrator Dan Schmidt stated "If you look at the total increase, obviously that's roughly a \$6,800 or 6.8% increase."

No action will be taken on the library budget until the public hearing and before that time the board will decide on adjustments, if any, need to be made to the library budget.

Kenworthy added if the director's position was increased to full-time, we would be able to keep the library open an additional day each week.

Anderson stated, "Basically we'd cut out a couple hours in the morning where we don't really get very many people. We usually get most of our walk-ins after school. So we'd be open on Tuesday, as well."

President Wagner asked if the proposed budget reflected the director going to full-time to which he received an affirmative answer.

Department Heads then gave their reports beginning with Assistant Fire Chief Mark Herriges, who also brought the board up-to-date on repairs to the pumper.

Police Chief Richard Knoebel followed with his report, adding the Packer cards "went over real well and gave us good contact with the kids. We would like to again thank St. Francis Bank for sponsoring them."

Director of Public Works Jerry Gilles reviewed his department's use of traffic paint.

Administrator Dan Schmidt shared with the board a letter from the Department of Transportation regarding construction on Highway 45, (County Trunk Hwy. D to County Trunk Hwy. H), stating construction was scheduled for the year 2003. Schmidt added the construction was originally scheduled for the year 2000 and said he felt it would be advisable to draft a letter to our legislators stating the village was not too happy with this postponement.

During the committee reports, under Protection and Public Safety, the proposed placement of a stop sign at the intersection of Highland Avenue and Stark Street was discussed. The

Emergency School Closings Announced

The District Superintendent, Clark Pearson, has released for publication the 1997-98 policy for school closings.

As in the past, radio stations WBKV (1470 Am and 92.5 FM West Bend), KFIJ (107 FM and 1450 AM Fond du Lac), WHBL (1330 AM and 97.7 FM Sheboygan), and WTMJ (620 AM Milwaukee) will be used to announce school closings. News stations will only announce a closing. If they do not announce Kewaskum, it means our schools will be open. The announcement will be on the air as early as possible.

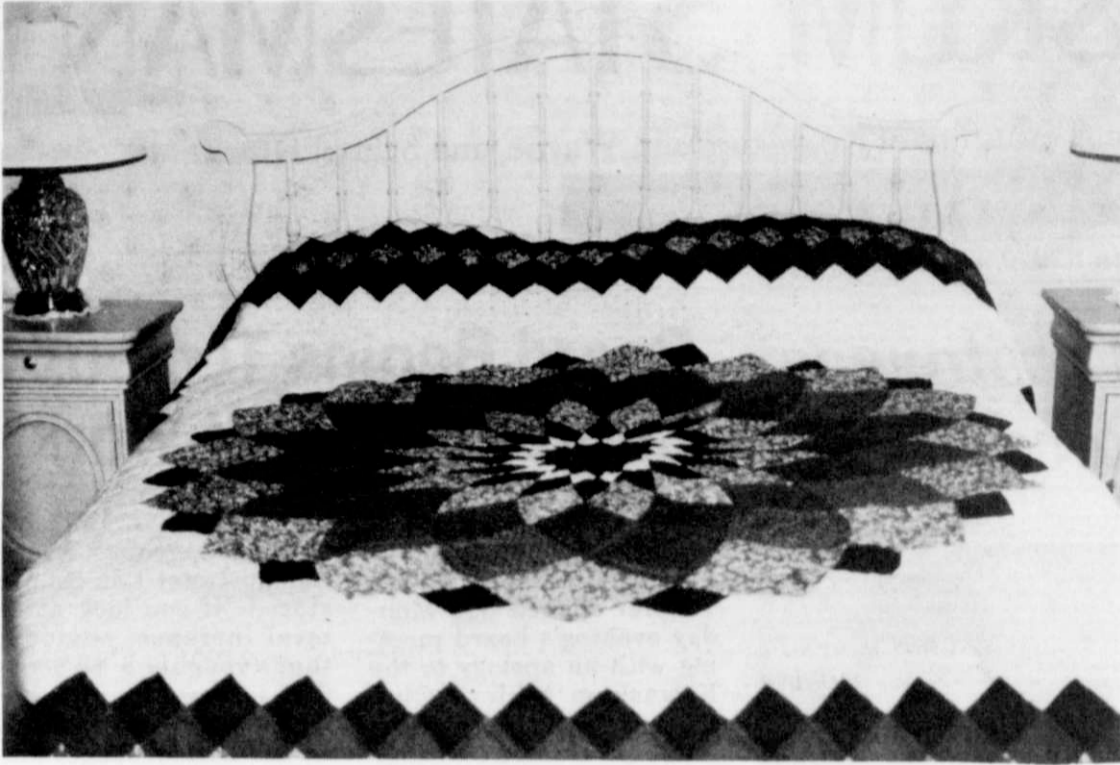

When school has opened but weather turns bad, it is recommended that parents listen to one of the above radio sta-

tions for a possible school closing announcement. The district is extremely hesitant about closing school during the day. Every effort will be made to announce school closings during the day at least an hour before we dismiss the students.

It should be remembered that if school has been cancelled it means that all activities for that day and evenings are cancelled as well. Also, parochial school students and special education students will not be transported when district schools close. If school is delayed by two hours, morning kindergarten and First Steps programs will automatically be cancelled.

Kewaskum Juniors Announce Annual Art/Craft Show

This year's Kewaskum Junior Woman's Club quilt to be raffled is a dahlia flower design in forest green and burgundy on a cream colored background.

Louise Martin Photo

By Louise Martin

Members of the GFWC Kewaskum Junior Woman's Club cordially invite area residents to their 15th annual fine art and craft show entitled, "A Kettle Country Christmas."

The show will be held on Saturday, November 22, from 9 a.m. to 3 p.m. at the Kewaskum High School Field House, 1510 Bilgo Lane, and will feature many unique, skilled artists and craftspersons from across central and southeastern Wisconsin.

Club members are actively working to once again make this an outstanding event for artists and craft-people, club members and the viewing public. In addition to the exhibits, Juniors will offer homemade baked goods, candy and a quilt raffle.

This year's quilt is a beautiful dahlia flower design in forest green, bur-

gundy on a cream color background. A free quilt raffle ticket will be offered with a \$1 per adult admission fee.

A luncheon featuring hot ham sandwiches, hot dogs, cream of potato and cheese broccoli soups, assorted desserts and refreshments will be served in the concession area by members of the Kewaskum High School Booster Club.

The Kewaskum Junior

Woman's Club is in its' 31st year of chartering with the largest volunteer woman's organization in the world, the General Federation of Women's Clubs. Areas of donations and service projects include the arts, conservation, education, home life, international affairs and public affairs.

Plan to join the Junior Women on Saturday, November 22, for a delightful show!

PROCLAMATION

In the name of
THE PEOPLE OF THE VILLAGE OF KEWASKUM
WISCONSIN

this
PROCLAMATION OF APPRECIATION
is presented to

*** ORVAL E. BEHNKE ***

In grateful recognition of your 19 years of faithful, efficient and dedicated public service rendered to the Village of Kewaskum, Wisconsin.

The Village of Kewaskum is proud indeed of its employees who have contributed, in no small means to the enhancement of the fair name of the Village of Kewaskum. Successive Village Boards appreciate the job you have done as a member of the Police and Fire commission since 1978 and as Village Board trustee prior to that. They also have realized the extra effort given by you to the Village for 19 years. Progress in municipal government is predicated, for the most part, upon loyalty and dedication of the civic employees and their ability to carry out faithfully and effectively the acts of Village Government.

WE, THEREFORE, on behalf of the Village Board of the Village of Kewaskum, Wisconsin, issue this PROCLAMATION, in appreciation of your efforts as a member of the Police and Fire Commission and Village Trustee and your honorable record of service with this Village.

By order of the Village Board of the
Village of Kewaskum, Wisconsin, this
20th day of October, 1997.

Chapels Blend Past With Future

The little log chapel is a replica of the first St. John's United Church of Christ.

Faith Haven's Futuristic chapel has an unusual flying roof, with a deck overlooking the beautiful Kettle Moraine.

The Faith Haven non-profit Corp. is in the midst of constructing two interesting chapels for public use just east of County trunk WW in the town of Wayne. They are located at the west end of the former H. Engeleiter farm Hog's Back or Kettle Moraine Esker.

The one chapel made of old logs is a replica of the first little sanctuary St. John's United

Church of Christ folk erected in 1860. They shared its usage with the Roman Catholic and Lutheran Christians of the area until such time that they erected their own church buildings.

The other chapel also being constructed now is a Futuristic sanctuary open to anyone wishing to meditate, pray or just relax in its modest sacred beauty. Built to welcome in the out-of-doors glory of the

Lord's creation, two 6000 pound laminated beams purchased in the state of Oregon support the unusual "flying roof" ...enhanced by a sculpture consisting of three twenty foot tall twelve inch pipes portraying the Holy Trinity and tied together with a graceful plastic evergreen ribbon pipe.

The east end of the chapel has a wooden deck overlooking acres of formal and forested carriage-art trails and lovely meadows including a natural wetland area and Wisconsin prairie.

To the south of the two chapels a pristine wetland consisting of fifty eight acres is a natural rookery for white egrets and blue herons to nest.

A three bridge trail provides marvelous spring and fall opportunities to view millions of native wild flowers. In fact, for four days a year between twelve to fifteen thousand Fawn Lilies grace the area with their golden and pure white fragile blossoms. A sight to behold!

Last year the Faith Haven board of directors opened a Drive Thru Sculpture Garden along W.W. for the public to drive thru and a little artist shop open Wednesdays and Saturdays from 2 to 4p.m. and/or by appointment where original works of art can be purchased.

Available to the public are horsedrawn hay rides; carriage rides plus motorized vehicle

rides across the lovely carriage-art trails. The corporation also has a fine Carriage House filled with vehicles of days gone by and available to tour by registration.

For brochure or registration information contact: The Faith Haven Corporation at 5519 Hy. D. West Bend; or Tel. 414-629-5435.

A Stroll Up Main Street

Our "Stroll Up Main Street" this week continues on the north side of the street, heading west, we come to the Miller Studio. Edward C. Miller was Kewaskum's local photographer and Edward's son, Charles "Charlie" operated the studio later on. When "Charlie" passed away, the building was purchased by Carl Fee and Roger Spaeth and their wives, and converted it to a country store and bakery. Roger Groeschel and Jerry Geidel purchased the building and opened the Village Sport Shop, which was open from September of 1978 to January of 1987. When that business closed, it was converted as a part of the Geidel residence. If anyone has information to contribute about the upcoming businesses on the north side of Main Street (Kewaskum Floral and Eberles), please send the information to the Kewaskum Statesman.

AREA CODE 920 HAS STARTED.

Population growth, business expansion and growing technologies are rapidly draining the pool of available telephone numbers. So a new area code, "920," has been established in Wisconsin. But little else has changed. You still have the same seven digit local number. You have the same local calling area and the same rates. When placing an extended Community calling (ECC) call, you will need to dial "1 + the area code + seven digits" if the area code is different from your own. Just remember to check for the correct area code calling. If you are located within the new area code boundaries, be sure to inform callers from other areas that your new area code is now "920."

United Way at 78.1% Board

(Continued from Page 1)

The 1997 United Way of Washington County has announced that as of October 24, the campaign passed the 78 percent mark, with \$781,020 in gifts and pledges counted towards the county-wide goal of \$1,000,000.

"We are happy with the efforts to date, and thank our volunteers and donors for the results so far," said the Zieglers, co-chairmen of this year's campaign.

A number of divisions are already at or above the 78 percent mark; Accountants and Business Services, Contractors, Nonprofits, Professional Specialties, Washington County Employees, Kewaskum, Newburg, retail, Special Gifts, Transportation and Key Firms.

According to the Zieglers, "Our campaign theme of 'United Way -- Helping Every Day' is -- Helping agencies' efforts to deliver programs and services. One out of four individuals in the county will use or will use a United Way-funded service sometime in their lives. Our campaign volunteers have also taken this helping message to heart."

One key aspect of the Campaign's success each year is the ongoing and important link between the United Way and local labor unions. "Organized labor has a long-standing tradition of helping to provide needed support to health and human service organizations throughout the United States, but especially in Washington County," said Carol Vetter, Community Service Committee Chairman for the Washington County Central Labor Council. "We encourage local affiliates to continue their support of the United Way system of caring. Organized labor has demonstrated a phenomenal record of support to United Way's fund raising effort to help people in need," she said.

She added, "The Washington County United Way has an outstanding record of efficiency in directing the highest possible percentage of donor contributions to actual service delivery, and a recognized standard for low administrative costs."

"We recognize the valuable role labor plays in the County and in helping United Way's efforts each year," commented Barbara Hurula, Executive Director of United Way. Three labor representatives are currently on the local United Way Board of Directors. In addition to Vetter, who works at Regal Ware, the others are Patricia Hrobosky of Moraine Park Technical College and Allen Ceshker of Weasler Engineering.

Notably am very proud of our affiliates, and their continued concern and support for people in need."

The Zieglers concluded, "With everyone working together in the Washington County community, we are confident that our goal can be

reached." If you are interested in participating, but have not been contacted yet, please call the United Way office at 338-3821.

Kewaskum Fire and Rescue Squad Calls

Tuesday, October 21 - The Kewaskum Rescue Squad, the Jaws of Life and Kohlsville First Responders were summoned at 11:58 a.m. for a motor vehicle accident in the Town of Wayne. A male patient was transported to Froedert Hospital, Milwaukee, by Flight for Life helicopter for treatment of injuries he received. The Jaws was not needed.

Tuesday, October 21 - The Kewaskum Rescue Squad and the Jaws of Life responded to a call at 5:26 p.m. in the Town of Kewaskum for a motor vehicle accident. No transport was made. The Jaws was not needed.

Thursday, October 23 - The Kewaskum Rescue Squad was dispatched at 3:33 p.m. in the Village of Kewaskum for a motor vehicle accident. A female patient was transported to St. Joseph's Community Hospital, West Bend, for treatment of injuries received.

Sunday, October 26 - Kewaskum Rescue Squad was summoned at 1:07 p.m. for a motor vehicle accident in the Town of Auburn. The call was canceled enroute.

police department has been monitoring the intersection and Chief Knoebel did not feel there was a problem. The board decided the sign was not necessary at this time, but the police department was instructed to keep an eye on the same.

Knoebel reviewed his department's budget with the board, and explained the estimate for the 1998 squad car.

Under Unfinished Business, discussion was held on Capital Improvement Projects for 1997, general budget and a review of the Fire Department proposed budget for 1998 to determine the dollar amount to be sent to the townships for 1998 contracted service.

New Business included the possibility of submitting a LRIP grant for a 1998 road improvement project for Old Fond du Lac Road and several Committees and Commission appointments were addressed by President Wagner.

Trustee Gary Gavin felt it would be best at that time to step down from the Plan Commission and he will be replaced by Trustee Warren Dums. Dums gave up his chairmanship on the Public Works Committee and will be replaced by Trustee Gavin. In a related move, Trustee Gavin, the Plan Commission representative to the Economic Development Advisory Committee, gave up his seat on the EDAC committee to Plan Commission member Mike Kimble.

Another appointment came due to the retirement of Orv Behnke from the

Police and Fire Commission. Trying to "improve the gender makeup" of the commission, President Wagner stated, "I thought it might be good to get the woman's

perspective." Judy Boedeker was suggested for the appointment and upon talking to President Wagner, she agreed to serve on the Police and Fire Commission.

Renowned Clown Comes to Town

As first grader Jeremy Coronado leaves the Kewaskum Elementary School gym, Ronald McDonald gives him a high five. Jeremy was also one of the students selected to volunteer during the show.

Sporting his familiar red hair, a red nose, and his big, floppy shoes, Ronald McDonald made a visit to Kewaskum Elementary School recently to talk about the qualities of character.

Ronald and his puppet friend engaged students

and faculty alike with a blend of humor, music and information. Audience volunteers (students and teachers) were invited to help illustrate examples of character qualities: trustworthiness, responsibility, respect and fairness.

Classic Arts and Crafts Show at KC Hall Nov. 9

It will be a real treat to see the unusual crafts created by Shirley Nell of Family Affair of Beaver Dam. Shirley and her husband have a unique art which combines wood, colorful material and craft articles to make beautiful dolls for all seasons or professions. They also have a craft called Landscape Timbers, which has the rustic look. The hottest craft, bird houses, will be on display at the Family Affair booth at the Classic Arts and Crafts show on Sunday, November 9, at the KC Hall. Shirley is always coming up with new ways to work with everyone's favorite craft. If you like bird houses, look for the Family Affair display.

There is nothing better than having entertainment for the whole family under one roof... that roof being on top of the KC Hall on Sunday, November 9. The "kick-off" for the Packers/Rams game will be on TV, there will be a children's craft corner, a concession stand for a variety of sandwiches and the finest and juried crafters will have their new and unique items on display.

Admission is free and a door prize will be announced every half hour at The Classic Arts and Crafts Show at the KC Hall on Sunday, November 9 from 9 a.m. to 4 p.m.

"One-of-a-kind," "exclusive," and "original" are only a few words to explain the beautifully handpainted wooden and metal articles (fry pans/saws) done by local artist Arlene Landess of Kewaskum.

The items are gorgeous and Arlene's talent with a brush is outstanding. This is one booth the men would enjoy, because the majority of her work is of wild animals and outdoor scenes. Don't miss this one!

Dianne Lukovich of Germantown will display her exquisite floral arrangements, along with her excellently painted folk art. Dianne will have that special item you need to warm up that special spot in your home for the winter.

Another qualified crafter that will be on hand is Trudy from Trudy's Crafts in Waukesha. Trudy has a display of seasonal outdoor

decorations that would look great on your lawn for the holidays.

Coming back again for this fall show are the crafters from Menomonee Falls called The Sisters-in-Law. Their specialty is the combination of wood and material to make bears, bunnies and other unique items. These are just a few of southeastern Wisconsin's crafters who will have their quality workmanship on display.

Bring along a hearty appetite to sample a variety of delicious sandwiches which will be served at the concession stand. Bring along this article and you will receive 50 cents off a sandwich of your choice.

Wally Ohmann of Cedar Lake Retirement Home has made a miniature traveling dice game as a special fund raiser. He will donate all the proceeds to the Slinger High School Music Department in his grandson's name. (Justin Bobholz 1981-1996).

At this fall show, Coordinator Wendi Dreher has acquired the services of JoAnn Hall from Campbellsport for the Children's Craft Corner. For a small fee the children can "make & take" a variety of craft items. The children can be entertained while parents/grandparents are looking for a new Christmas decoration or that special gift.

Join Wendi Dreher and her talented staff and crafters on Sunday, November 9 at the KC Hall.

Cub Scout Troop 3744

Last Saturday Kewaskum Cub Scout troop 3744 distributed Scouting for Food Bags to homes in Kewaskum. Thank you to all the families who donated food for the local Pantry. Eighteen Cub Scouts also took a nature hike around Mauthe Lake, enjoyed a packed lunch and played games.

Keep Your Flag Flying

There is nothing more beautiful than our nation's flag waving its dazzling colors in the breeze on a sunny day. It's a shame to see that same flag being displayed when worn and torn and long overdue for replacement. Check your flag, replace if needed and fly it daily.

The Robert G. Romaine Post 384 of the American Legion, 1538 Fond du Lac Ave. will have a flag disposal ceremony at the Post grounds on Sunday, Nov. 16th at 12 o'clock noon. The public is

invited to bring your old flags for disposal and watch the ceremony.

October's Kiwanis Students Selected

Kevin Pamperin

Amy Liepert

Kevin Pamperin and Amy Liepert, both seniors at Kewaskum High School, have been named Kiwanis Students of the Month for October.

Kevin has participated in a number of activities at, and apart from, KHS.

Currently, Kevin is involved as the constable in November's KHS musical, "Fiddler on the Roof." He also plays trumpet in the Band and the Jazz Band. Additionally, Kevin is in the Key Club, and has wrestled for the high school.

Kevin has participated in the German Partnership program, in which students from Kewaskum and Germany share time at each other's homes. Through the program, Kevin traveled to Germany between his sophomore and junior years.

In addition to his KHS activities, Kevin is active in VYTOL (a volunteer youth organization performing community service), and he takes classes at UW-WC in cultural anthropology and band.

Through KHS, Kevin is

Recipe of the Month

This recipe, along with many others can be found in the new Kewaskum Junior Woman's Club red cookbook. You can find them for sale at Kewaskum Pharmacy, Kewaskum Frozen Foods, Main Street Crafts or by calling Karen Kletti at 334-0227.

APPLE CAKE

- 2 1/2 c. flour
- 1 tsp. salt
- 2 tsp. sugar
- 2 tsp. baking powder
- 1 c. shortening
- 2 egg yolks
- 4 Tbsp. milk.
- 1 1/2 c. sugar
- 3 Tbsp. flour
- 1 tsp. cinnamon
- 4 Tbsp. butter

Mix flour, salt, sugar, baking powder and shortening. Add the beaten egg yolks, mixed with the milk. Line a 9x13-inch pan with the dough. Quarter apples to cover the dough. Mix sugar, flour, cinnamon and butter and sprinkle over the apples. Bake 1 hour at 375 degrees.

Gloria Rodenkirch

also involved in a co-op program with Regal Ware. In the program, Kevin can gain valuable career experience while fixing computers and installing computer hardware for the company.

Kevin's coputer work at Regal Ware fits nicely with his future. Next year, he plans on attending MSOE to study computer engineering and science.

Amy Liepert, too, has been looking towards her future. Through KHS, Amy is involved in a co-op program in the lab at General Clinic in West Bend, gaining important experience working in the medical field.

Amy is also active as a volunteer at St. Joseph's Hospital in West Bend, and she participates in a program called Medical Explorers, designed for those seeking more information about the field of medicine.

At KHS, Amy has been active in band and forensics for four years, and has also been a member of the math team, color guard, the yearbook and school newspaper staffs, as well as treasurer of the German Club. Currently, Amy is also treasurer of FHA.

In addition to her co-op job, Amy has a job at Eckl's Main Street Inn (she recommends everything, but says the fish fry is not to be missed). Later this year, Amy, too, will take her exam to become a National Ski Patrol member.

Next fall, Amy plans to attend UW-Madison to begin her studies in biology and pre-med.

KMS Sixth Graders Attend Camp Whitcomb

A group of students successfully walk on the trolleys in Co-operative Challenge.

Holly Blank concentrates, aims, and shoots in Robin Hood class.

Mrs. West (center) helps her group prepare the cakes in Box Baking. Students left to right are Ashley Grissman, Jennifer Simonson, Heather Anderson, Dana Garbisch and Nick Parkratz.

Brett Klug lends Cora Werdermann a knee as she prepares to swing across the "Nitro Pit."

Kewaskum Middle School sixth graders again attended Camp Whitcomb in Hartland for their outdoor education experience. The camp is located in Hartland, and contains 284 acres of forest, lakes, marsh, ponds, open fields, cabins and lodges.

At camp this year, they enjoyed a wide variety of classes offered by many very willing KMS staff members. The activities the students enjoyed were Canoe Safety, Co-op-Challenge, Box Baking, Pack Your Bags, Walk on the Wild Side, Robin Hood, Wet and Wild, and Wax Works.

A huge thank you to all of the teachers who left their classrooms to share their talents with the sixth graders.

In addition to these class-

es, the students also had fun with the Suzy game, group sing-alongs, kissing the moose, taking a night hike, playing tug-o-war, and enjoying the camaraderie of their cabin groups. The camp naturalist provided Canoe Safety for all students.

When asked about their

Camp Whitcomb experience, all sixth graders were willing to share their most enjoyable moments. This is an educational experience that will be remembered for a long time!

"SEND ME A MAN WHO READS."

Yes, we know that headline is politically incorrect. It was the theme for many years for the International Paper Company, and emphasized the importance of reading and education and literacy. We linked it then and still like it.

Each year about this time, we are reminded that the first full week in October is National Newspaper Week. One of their themes this year is: "Encourage your child to read a newspaper every day." This emphasizes the importance of perhaps the single most important work skill which translates directly into

success, that of literacy and reading.

We are reminded of other campaign slogans to promote literacy: "Readers are Leaders." "Reading is Fundamental." and "Literacy: Pass it On." We even have to admire the slogan which educational television uses: "Where learning never ends." That applies to newspapers, too. We urge all our readers to help others learn to read, to "pass it on."

Oh yes. If that International Paper Company advertising campaign was running today it would read:

Send me a PERSON who reads."

OBITUARIES

SHIRLEE GAFFKE.

Shirlee Gaffke, 70, of Lake Twelve, formerly of Kewaskum, passed away on Tuesday, Oct. 21, 1997 at the Samaritan Health Center in West Bend.

She was born on September 5, 1927 in Kewaskum, the daughter of the late Edwin and Vinelda (Schultz) Backus.

Mrs. Gaffke was an employee at Amity Leather Products Company in West Bend for over 20 years and had been employed by the West Bend Daily News.

Survivors include two sons, Mark (Carol) and James (Lynn) Gaffke both of Kewaskum; two daughters, Melodee Reha of Fredonia and Jolene (Michael) Lang of West Bend; two brothers, Edwin (Gertrude) Backus of Kewaskum and Gerald (Char) Backus of Nekoosa; a sister, Eileen (Ralph) Hein of Holiday, Florida; 11 grandchildren and other relatives and friends.

In addition to her parents, she was preceded in death by a daughter, Judith Gaffke.

Private funeral services were held on Friday, October 24, 1997 at the Miller Funeral Home in Kewaskum with Rev. Jon Baumann officiating. Burial was at Lutheran Memorial Park in Kewaskum.

There will be no visitation. Memorials are preferred.

ADELINE C. TOMASEK

Adeline C. Tomasek, 87, formerly of Batavia, died Saturday, Oct. 25, 1997 at Sunny Ridge Nursing Home in Sheboygan.

She was born Aug. 31, 1910 in the Town of Scott, a daughter of the late John and Caroline Foelske Melius. On April 14, 1941. She married Frank Tomasek in Juneau.

Adeline worked as a bookkeeper for the Milwaukee Journal and for Gimbel's Department Store. She was also an avid reader and loved to travel.

Mrs. Tomasek was a member of St. Stephen's Evangelical Lutheran Church in Batavia and was a former member of it's Ruth Guild.

She is survived by her husband, Frank, of Sheboygan; two daughters, Joanne (Eugene) Hilbelink of Sheboygan and Allyne (Tom) Rodenkirch of Kewaskum; one son, Eldon (Dolly) Ramthun of Campbellsport; 11 grandchildren; 19 great-grandchildren and one great-great-grandson; one brother, Lowell (Elvira) Melius of Batavia; one sister, Lois Krautkramer of S. Carolina; and one sister-in-law, Mary Coblentz of Antigo, WI.

She was preceded in death by six brothers and two sisters.

The funeral service for Adeline Tomasek was held on Tuesday, Oct. 28, 1997 at 7:00 p.m. at St. Stephen's Evangelical Lutheran Church in Batavia. The Rev. William Robinson, pastor, officiated. Burial was Wednesday, at 9 a.m. in the church cemetery.

Friends called at the church on Tuesday from 4:00 p.m. until the time of service.

A memorial fund has been established in her name for the

organ fund of St. Stephen's Church in Batavia.

The Wilk Funeral Home in Random Lake is serving the family.

HELEN SEEFELD

Helen A. "Lena" Seefeld, age 87, formerly of Campbellsport, died Saturday, Oct. 25, 1997, at St. Francis Home, Fond du Lac.

She was born on April 25, 1910, in the Town of Auburn, the daughter of Moritz and Hannah Miller Weasler. She married Alvin Seefeld on Oct. 9, 1929, at St. Matthew's Church, Campbellsport. He preceded her in death on Oct. 26, 1970.

Mrs. Seefeld and her husband farmed together in the Town of Eden until retiring in Campbellsport. She was a member of St. Matthew's Catholic Church of Campbellsport, the Christian Mothers Society and the Fond du Lac County Historical Society and was active in mission work.

She is survived by two sons, Vernon (Collette) of Campbellsport and Donald (Doris) of Fond du Lac; six grandchildren, Wendy (Brian) Miller, Karen (Mark) Holzman, Sheila (Robert) Roehl, David (Laura) Seefeld, Diane (Dave) Bushelle, and Christine (Tom) Rumbuc; 10 great-grandchildren; a brother, Anthony "Tony" Weasler of West Bend; a sister, Elizabeth "Pep" Flitter; nieces and nephews; and other relatives and friends.

Preceding her in death were a daughter, Linda; a son, John; and three sisters.

She was a member of St. Peter's Catholic Church, Golden Girls Club, American Legion Post, Republican Club and The Grange.

A Mass of Christian Burial was held Sunday, Oct. 26, at 7 p.m., at St. Peter's Catholic Church, Slinger. Fr. Robert J. Bales officiated and burial was Monday at 10 a.m. in Old St. Peter's Cemetery, Slinger.

Visitation at the church only was on Sunday from 5 to 7 p.m.

MARIE K. ZINGSHEIM

Marie K. Zingsheim, 88, a resident of the Samaritan Home, West Bend, passed away on Saturday, Oct. 25, 1997, at the Samaritan.

She was born Sept. 29, 1909, in the town of Addison, to the late Ambrose and Julia (nee Wolf) Zingsheim, and attended school in Nenno.

She was employed in Milwaukee as a household custodian and since 1992 had resided at the Samaritan Health Center, West Bend.

Survivors include three brothers, Felix of Lomira, Philip (Dorothy) of Theresa and Wendolin (Beaulah) of Allenton; a brother-in-law, Frank Peter of West Bend; a sister-in-law, Leona Zingsheim of Mayville; and other relatives and friends.

Preceding her death were two brothers, Paul and Frank, and seven sisters, Lena, Frances, Margaret, Katherine, Rose, Amelia and Theckla.

She was a member of Resurrection Catholic Parish, Allenton.

Funeral services were held Tuesday, Oct. 28, at 10:30 a.m. at Resurrection Church. Fr.

Eugene Wolf officiated and burial was in St. Peter and Paul Cemetery, Nenno.

Visitation at the church only was Tuesday from 9 a.m. until the time of services.

The Matenaer-Schramka Funeral Home, Hartford served the family.

HENRY W. FELLEENZ

Henry W. Felleenz, 76, of California, formerly of West Bend, died Sunday, Oct. 26, 1997, at the Cedar Lake Health Care Center, West Bend.

He was born Oct. 12, 1921, in the town of Auburn, to the late Jacob and Esther (nee Laubach) Felleenz and was raised in the St. Michaels area.

He served in the U.S. Army during World War II, and after discharge ran the family farm for several years.

Following his marriage to Marie G. Felten on April 21, 1948, at Holy Trinity Catholic Church, Kewaskum, the couple moved to Wayne where he continued farming and was a roofer for C.W. Haug and Sons.

His wife passed away July 5, 1995.

He was a member of Holy Angels Catholic Church, the VFW Fred A. Schaefer Post 1393 of West Bend and Roofer Union Local 65 of Milwaukee.

Survivors include six children, James Sr. (Margie) of West Bend, Steven (Linda) of Newport, Ark., and Richard (Heidi), Susan (Michael) Ellefson, Barbara (Douglas) Schalla and David, all of West Bend; 12 grandchildren, Sgt. James Jr., Sheli, Julie, Douglas, Andrea, Brooke, Elisabeth, Sarah, Jennifer, Candace, Gregory and Brittany; three great-grandchildren, Bethany, Jonathan and Jamie; a sister, Myrtle (William) Fabian of Milwaukee; a brother, Robert

of Newport Richey, Fla.; two sisters-in-law, Shirley Felleenz of Kewaskum and Marcella Felleenz of Escondido, Calif.

Preceding him in death were two brothers and two sisters.

A Mass of Christian Burial was held Wednesday, Oct. 29, at 6 p.m. at Holy Angels Catholic Church, West Bend, with Fr. Jerome Repenshek officiating. Interment of ashes will be Thursday, at 3:30 p.m. in Washington County Memorial Park, West Bend, with Father Jerry Brittan officiating.

Visitation at the church only was Wednesday from 4 to 6 p.m.

The Phillip Funeral Home, West Bend, served the family.

THANK YOU

I would like to extend my sincere appreciation for all the cards, gifts, flowers/plants and those who visited or called me while in the hospital and at home. With the help of your thoughts and prayers, I am on my way to recovery.

A special thank-you to my mother, mother-in-law, Wendy and Jodi, along with many other family and friends for all of their visits, food and care they gave me. Thanks also to Tim Peterson and Tim Kirst and all those who have helped keep the business going.

Everything has been very much appreciated.

KML Grade School Volleyball

St. Lucas Volleyball Team -- Sitting: Sandra Schaefer, Becky Sarah, Jennig, Krystal, Laura Anderson, Janel Ethier, Ashley Kiel, coach: Mr. Martinson.

After completing the regular season with a 7-2 record, the St. Lucas Lutheran girls A-Volleyball team of Kewaskum was ready to do battle Friday and Saturday at the Kettle Moraine Lutheran Kettle School Volleyball Tournament.

Competition was tough on Friday night, but the Sixers handily the challenge losing only to Good Shepherd. Ending the night with a record of 8-1 put them in 1st place for the play-off round on Saturday.

The Sixers won their first three games, but were edged out 15-12 in the last game against David's Star. Despite the loss, the Sixers girls finished with a tournament record of 11 wins - 2 losses and a 1st place finish.

The team consisting of 8th graders Krystal Gavin, Rachel Grasse, Sarah Hennig, Jessica Janz, and Stephanie Janz; 7th graders Laura Anderson, Janel Ethier, Ashley Kiel, Becky Mahan, and Sandra Schaefer would like to thank their parents, fans and especially Coach Martinson for a great job. Thanks to Laura Janz for helping coach at games and refereeing home games.

St. Lucas Girls A-Team Volleyball

Teamwork, concentration, and determination earned a first place finish at Good Shepherd Tourney.

After defeating every team except the girls St. Peter's, Fond du Lac, finished in the top four. This qualified the team for the championship round. With good coaching and aggressive playing, St. Lucas came back and won against St. Peter's twice to capture the championship.

The human brain is made up of more than eight billion cells.

Village Board Meeting Minutes

Regular Meeting
October 6, 1997
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. Trustee John Kenworthy asked to be excused and was absent. All other Trustees Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Harry Roecker, and unanimously carried by voice vote, the minutes of the September 22, 1997 meeting were approved as printed.

Assistant Fire Chief Mark Herriges reviewed the repairs needed to #1864 - 1982 Ford Pumper. It was noted the pumping capacity is low and the pump and related equipment needs to be fixed to provide adequate pressure and volume. The estimate for said work ranges from \$6,000 to \$10,000 and after the work is complete the unit would be re-certified. It was noted that the work was not in the budget for 1997 and that money would have to be moved from the restricted fund and the repair added to the equipment depreciation account. On a motion by Trustee Andy Pesch, seconded by Gary Gavin and unanimously carried by voice vote, the Board approved said repair work by Darley.

It was noted the Fire Department is at full membership and that this is Fire Protection Week and the Department will be hosting an open house on Thursday, October 9, 1997.

Chief of Police Richard L. Knoebel reported that the MBT unit has been installed and the majority of the officers have already had their training on the equipment. The Board was invited to look at the equipment after the meeting. It was also noted that the Value program will be using the State Bid for squad cars for 1998 and the Village would join them as usual.

Director of Public Works, Jerry Gilles informed the Board of the following:

1) All street lights should be working on Main Street and Fond du Lac Avenue and the restoration work has been completed within road right of way.

On a motion by Trustee Andy Pesch, seconded by Trustee Warren Dums and unanimously carried by voice vote, the Board approved the issuance of an Operators License upon proper payment of fees and documentation for the following:

97/98

Handke, Jason E. - West Bend, WI

Note: The Police Department had no objections to any of the applications.

Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Review of Mid-Moraine, League and Taxpayer bulletins.

2) Review of proposed League resolution for the meeting scheduled for October 15 to 17, 1997.

On a motion by Trustee Harry Roecker, seconded by Trustee Andy Pesch and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	76,434.71
Sewer	30,778.24
Water	22,715.33
Payroll	29,312.08
Library Fund	30.26

Total 159,270.62

P/R Ck #7802 - #7851
A/P Ck. #13093 - #13178

Chairman of the Administrative Committee, Trustee Robert Stoltzmann informed the Board that the accounts overseen by the Committee have been reviewed for the proposed 1998 budget and they are near to balancing overall. The Debt Service proposed budget is down by nearly \$21,000 or 21%.

Chairman of the Public Works Committee Trustee Warren Dums announced a committee meeting scheduled for October 20, 1997 at 6:45 p.m.

Board Representative for the Plan Commission, Trustee Gary Gavin informed the Board that the Commission has reviewed to date Sections 1 & 2 of the Zoning Ordinance and has only recommended points of clarification/language type changes.

Board Representative on the Mid-Municipal Association Legislative Committee Trustee Robert Stoltzmann announced a meeting scheduled for Wednesday, October 8, 1997.

Administrator Daniel Schmidt reviewed with the Board the possibility of altering the Agreement for CMAQ (the park and ride lot) and possibly not proceeding with the bidding for construction until February or March and to allow the state DOT to reimburse the village for 90% of the construction cost versus 80%. On a motion by Trustee Warren Dums, seconded by Trustee Robert Stoltzmann and carried by the majority voice vote, the Board authorized the signing of the revised DOT Agreement and to postpone the bidding of the Park & Ride Lot until 1998. Trustee Gary Gavin voting Nay.

The Board reviewed four plus alternatives to the Kewaskum Fire Department proposed budget for 1998. The consensus was to have the Administrator split the asphalt

project for the parking lot into three years versus two and to prepare the documents to be approved to send to the townships at the October 20, 1997 meeting.

The Board reviewed the Park & Recreation related preliminary budget figures for 1998. There was no big discussion regarding the general maintenance accounts. The capital outlay account however brought considerable discussion. The budget included a lot of items discussed by the committee as well as items requested by other groups. By consensus, the 10 row bleacher for the SW diamond was taken out and replaced with a five row bleacher. The \$10,000 for water type equipment was left in the budget, hopefully to start with a water type fountain for the children. The \$3,000 for a new pier was not added. The Urban Forestry Grant was discussed in detail with \$6,000 being proposed for the budget and \$3,000 hopefully being reimbursed by the DNR grant program. It was noted in excess of \$4,000 would need to be spent for a consultant or intern to prepare a management plan and inventory. This would leave an estimated \$1,600 left for the purchase of trees. The Board indicated they needed more information on management plans, etc. and directed the Administrator to only budget \$3,000 to be used for purchasing trees this year and to possibly apply for the grant next year.

Action was taken on Resolution No. 97-20 a resolution authorizing the submission of the DOT Construction Report - certifying the noted street improvements in 1996 and 1997 as attached hereto:

On a motion by Trustee Gary Gavin, seconded by Trustee Andy Pesch and unanimously carried by voice vote, the Board established the date for the public hearing for

the 1998 General Budget as well as all Departmental Budgets for 1998, that being November 24, 1997 at 7:00 p.m.

Administrator Daniel S. Schmidt informed the Board that the second ED/AC meeting is scheduled for October 13, 1997 at 7:30 p.m.

On a motion by Trustee Andy

Pesch, seconded by Trustee Harry Roecker and carried by the majority roll call vote, to adjourn. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

Neumann Qualifies for State

Carol Neumann

Carol Neumann ran the race of her life last Saturday at the nineteen team WIAA Sectional Cross Country meet at Ripon. With some of the tougher competition in Division II schools, Carol ran a personal best time of 16:05 for the 4000 meter course, placing her third overall. With this third place finish, Carol qualified for the state cross country meet this coming Saturday at Wisconsin Rapids.

At the state meet, Carol will be competing against the top individuals from the six sectionals from around the state. Qualifying from each sectional are the top seven individual runners and the top two teams. The teams qualifying from our area for the girls were Kiel and Campbellsport and for the boys, Ripon and Kiel.

"The overall team effort on Saturday was great," stated Coach Drexler. "The Ripon course was a tough course and still four individuals turned in personal best times. It shows a lot of determination and toughness, both mentally and physically. I am extremely pleased with the effort put forth by the team this year. It is a great group to work with."

Individual times run in the girl's 4000 meter race are as follows: Emily Rinzel, 17:43, Nicki Schinker, 19:56, Michelle Zingsheim, 19:56, (a personal best) Emma Chambers, 20:45, and Rebecca Baron, 24:27. For the boys 5000 meter race Danny Wall ran a 19:38, Brian Wall, 20:28, (a personal best) Chris Weninger, 20:35, Josh Rieder, 21:29, Darrell Woebeking 22:31, (a personal best) and Brendan Weinhold, 26:01.
