Thanks Extended to Those Who Purchased Holiday Lights

The Kewaskum Area Chamber of Commerce would like to extend a special thank you to all the generous people who purchased lights on the community's annual holiday Christmas tree and Memorial tree.

This annual tradition, is held as a fund-raiser in conjunction with the Christmas Parade. The lights were placed on trees situated near the visitor's gazebo west of the firehouse. It is hoped next year to plant permanent trees in this area. All proceeds from the sale of these lights that decorated the three special trees, go directly towards underwriting the cost of the Christmas Parade. No other funds are solicited. The annual parade was again impressive and grows a little every year thanks to the generosity of the donors listed below.

If you enjoyed the parade, make a note to help out by purchasing a light on the trees next year. As everyone realizes, the things you enjoy the most seem to always come with a price tag and the Christmas Parade is no exception. Without all the support, participation, volunteerism and financial backing of the community, the Christmas Parade simply would not exist.

Special thanks to Gwen and Jules Dreher and Mike and John Meisser for taking time on a busy Saturday to put the lights on the trees and to the following businesses and citizens who supported the Parade financially:

Architects to Be Contracted

School Board to Retain Legal Counsel for Future Land Purchases

The school board in a special meeting approved utilizing the district's legal counsel, Quarles and Brady, to assist in negotiating the purchase of any land for future district needs.

The board discussed contracting with a local real estate company to act as buyer broker for the district, however, after some discussion, it was decided to use the Quarles and Brady firm's real estate attor-

neys, since they would be involved in any contract language.

In other action the board unanimously approved authorizing the business manager to negotiate a contract with Cravilion/Bray Architects of Wautoma and Sheboygan to develop plans for future building projects for the district. The Cravilion/Bray firms have worked for the district in the past.

Bray was responsible for the architectural work for Farmington Elementary School and Cravilion has worked with the district the past two years in developing plans for the various models being studied by the board and the facilities committee.

Both Bray and Cravilion came highly recommended to the board by other districts for which they have completed projects in the past.

KEYS to Award \$34,200 in Scholarships; Two New Scholarships Offered in 1998

The Board of Directors of Kewaskum Youth Scholarships, Inc. has announced that eleven scholarships totaling \$34,200 will be awarded to the Kewaskum High School Class of 1998. The following is a listing of the amount and number of each kind of scholarship.

Two four-year college scholarships, each worth a total of \$10,000 (\$2,500 a year for four years) are being offered. One of these \$10,000 scholarships is provided by the KEYS scholarship fund, and the other is provided by the Oscar C. and Augusta Schlegel Foundation. A new four year KEYS Scholarship worth \$4,000 (\$1,000 a year for four years) will be awarded for the first time this spring.

Two \$2,000 KEYS College or Technical College Scholarships (\$1,000 per year for two years) will also be awarded. The Barbara York College Scholarship worth \$1,200 will also be awarded for the fifth time this year. Three memorial scholarships of \$1,000 each will also be awarded this year: The Ann-Marie Horner Memorial Scholarship will be presented for the ninth time; The Kilian A. Honeck Memorial Scholarship will be presented for the seventh time; and the Evelyn Joyce Gruber Memorial Scholarship will be presented for the sixth time. A new KEYS \$1,000 College or Technical College Scholarship will be presented along with a \$1,000 KEYS Technical College Scholarship.

The \$34,200 in scholarships to be awarded in the spring of 1998, brings the total amount awarded by KEYS to \$234,700 since 1986! The KEYS organization wishes to thank the alumni, businesses, organizations, and community members for their generous donations which make these scholarships possible.

All money contributed to KEYS is used directly for scholarships. The work by the members of KEYS, Inc. is done strictly on a volunteer basis. KEYS, Inc. is a non-profit organization established to accept contributions to provide additional scholarships for Kewaskum High School graduates.

KEYS officials hope that the community senses the pride that is involved in this accomplishment. Even with this kind of success, KEYS realizes that additional funds must be raised to provide for even more scholarship help. If KEYS is to continue to grow, donations are necessary from the whole community. Past and new donors are asked to please continue contributing to KEYS.

If anyone is interested in making a contribution to KEYS, please do so by making out a check payable to KEYS, Inc. and sending your donation to KEYS, Inc., P.O. Box 124, Kewaskum, WI 53040. Remember that KEYS is the community's scholarship organization: Help take ownership in our scholarship organization by making a donation, and thus feel the pride in

what the KEYS scholarship organization has done!

EARLIER DEADLINE

Due to the New Year Holiday next week, we will be printing and mailing our newspaper, one day earlier, on Tuesday, so our area subscribers (and their holiday guests) will be able to read their Statesman before the holiday.

The deadline for the upcoming week for advertising and news, therefore, will be on Friday, December 26, at noon. If you can bring in advertising or news in earlier, so much the better. Thank you for your cooperation and a Happy and Safe Holiday Season to all.

Thanks Extended

New Library Hours; New Year's Video Special

The Kewaskum Public Library is offering a New Year's special on its videos. Patrons are able to check out four movies on Monday, Dec. 29th and return them on Friday, Jan. 2. This is two days longer than usual. So, supplement your New Year's parties with a video from the library. We will be open extended hours starting January 5th. The new hours are: Monday, Tuesday, and Wednesday, 10 a.m. to 8 p.m.; Friday, 10 a.m. to 5 p.m., and Saturday, 9 a.m. to 12 p.m. We are proud to be able to offer these additional hours to the community. We are now computerized! If you still have your old, paper library card, please come in and get your new, blue plastic card.

Health Promotion Service Available

A health promotion service for older adults in the Kewaskum area began in December. This service will be offered every first and third Thursday at Meadowcreek Apartments from 9:30 a.m. to 11:30 a.m.

The service will be provided by Midwest Medical Home Care Agency. The service is being sponsored by the Washington County Office on Aging and Meadowcreek Apartments.

This program will provide for a health promotion program at Meadowcreek Apartments. The program will assist Kewaskum area older adults with health maintenance and promotion to keep them in their own homes, prevent complications of illness, and reduce hospital admissions. The Midwest Medical nurse will provide early detection and treatment of problems, education and other activities that assist older adults to effectively manage their health care.

For more information on this program, Kewaskum area residents can contact Cheri Ramthun at the Kewaskum Meal Site at 626-8333 between 9:30 a.m. and 1:30 p.m. or the Office on Aging at 335-4497.

Weekly Meeting of Separated, Divorced

The Washington County separated and divorced support group for men and women meets weekly every Friday from 7:30 to 9:30 p.m. at Resurrection Parish (formerly Sacred Heart Church) in Allenton.

Their purpose is to provide a means to share ideas, concerns, support, fellowship and love from a Christian perspective. There are guest speakers, panel discussions, small group sharing and other activities. The group is open to sin-

gles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

The meeting on December 26 will feature a Christmas video with Leo B.

A dance will be held on December 27 at Holy Angels School in West Bend from 8 to 12 p.m.

The topic for January 2, 1998 will be announced.

KHS Embroidery Machine Comes with Fun, Opportunity

Freshmen Cassie Buckley (left) and Crystal Ehr discuss a pattern to select from the computer file. Once chosen, the pattern is then automatically embroidered by the school's new embroidery machine.

At first glance, the new computerized embroidery machine in the sewing room at KHS may just seem like a lot of fun.

It is, but it also represents opportunity for the school and possibly for the future careers of students in the Family and Consumer Education (FACE) department.

The machine itself is a small sewing arm hooked up to a computer. After an embroidery design is chosen from the computer software, the machine goes about stitching the design in intricate, colorful embroidery.

So far, it's been a hit. FACE instructor Mrs. Koch relates that students have been "impatiently waiting their turns" to use the machine to create and embroider designs of their own choosing.

"It's fun," agreed senior Karie Rutherford, a student that has taken the time to work on mastering the machine. "And it will be able to be used for all kinds of things here (at KHS)."

As an example, by learning the computer and machine skills required, students may also have an edge when it comes to their careers. In fact, Karie is interviewing for an internship program with a Milwaukee-area company to utilize and improve her skills.

Even within the school, applications such as embroidering logos or identifying marks on KHS-related items may soon be underway. "Staff members are already lining up to get the KHS towels embroidered," reports Mrs. Koch.

The machine itself was bought with a grant of "Carl Perkins Funds" from the state educational consortium (CESA). It was bought in a special purchase for about half of the unit's retail cost.

Thank you.

tional experience gained by the students as well as the possibility of "in-house" embroidery for KHS items, the value seems especially good.

Mrs. Koch added, "It's an exciting opportunity for the students and for the school."

And, besides that, it's a lot of fun.

Kewaskum Fire and Rescue Squad Calls

Taking a "holiday break" from our weekly "Stroll Up Main Street," we decided to use this timely photo and take a "Stroll Back to KHS." Shown above are, first row, left to right: Lloyd "Cocky" Keller, Robert "Bobbie" Dreher, John Kougl, John Tessar, Lee Kempf, Frank Krueger and James Wink. Second row: Frank Jeske, Fred Koepke, Roger Wierman, Ron Schultz, Don Falk, Ken Koth, Bill Edwards and Coach Ernie Mitchell. Third row: Wally

Cudnohoske, Allen Kempf, Paul Blumer, Edgar Loomis, Willie Schmidt, Tom Rodenkirch, and Hilary Justman. Fourth row: Byron Dei, Eldon Ramthun, LeRoy Bier, Douglas Wierman, Syl Hawig, Edward Dreher and Bob Fellenz. This team ended up Tri-County and District Champions beating North Fondy by two points in overtime.

HOLIDAY MEMORIES

As a special feature for the holiday issues of the Kewaskum Statesman, we asked our readers to share their Christmas memories and traditions by writing them down in story form. Printed below is a memory we received from Minnie Degnitz. It was received too late for our Christmas edition, but we would still like to share it with our readers.

We were in E. Germany this year and suddenly I remembered a scene 70 years ago while traveling through Germany with my parents from November to March to visit all of our aunts, uncles and cousins.

On December 5, we stopped at a little village and I remember the snow was on the ground and felt cold, so I cozied up to the big black cook stove to get warm. During the hustle and bustle of activities, many children came in and sat around on the floor, when a tall gentleman who had a long beard came in and emptied a large bag of nuts

on the floor in the circle of children. Those nuts even looked big to me. I reached out to grab one and he slapped my hand with a long stick.

The other children got nuts and didn't seem to get slapped. It ended up, I didn't get any nuts, the back of my hands were very sore and I didn't have very good feelings about him. But the final blow came when he handed each child a gift

with their name on because their parents bought the gifts beforehand and my parents didn't know about it. So it ended with me being the only one who didn't get a gift.

It is a good thing I do not remember the village we were in at the time or I might have had a bad feeling revisiting so many years later. But now with happier events.

Minnie Degnitz

Chamber Thanks Community

I would like to take this time to personally thank everyone for their time, talent and donations to the Kewaskum Christmas Parade.

Thank you, thank you to: First and foremost, the parade watchers of all ages who lined the street to see the event. You made it work all the time and effort.

Isabelle Muckerheide for being the Grand Marshall. She always shares a little of the past with us by submitting her penny post cards in the Statesman. Thought it would be nice to let her

make some history of her own.

HTT Trucking, Campbellsport Builders and West Bend Elevator for the donations of trucks, trailers and drivers. This helped everyone who wanted to partake but didn't have a vehicle to use.

Sandy Amerling, Diane Schickert, John Meisser and the Kewaskum Fire Department for a great job of lining up the parade.

The Kewaskum Police Department for the traffic control and the start of the parade.

Charleen Barutha for getting the character costumes, finding people to wear them and also returning the costumes.

Christa Dehler for finding the students who were the elves.

HOLIDAY GROUP HUG-- Mike and John Meisser, Lana Kuehl, Jules and Gwen Dreher and Mike Desterhoft, take a break from putting lights up around the visitors' gazebo.

The guys and gals who portrayed the characters and elves.

Don Sedgwick and Harry Cundy who always help Santa get through the parade.

Lisa Stockhausen and Maple Dale Manor residents and employees for handling the treat bag readiness.

Judy Berger who took the time to round up four people to be parade judges.

Bob Beisbier who always meets the judges at a designated time and gets them to the firehouse for pre-judging and then back uptown to watch and finish judging.

The four village employees who took the time to be the parade judges. Thank you Darlene, Alan, Bob and Betty.

Lana Kuehl and the Statesman for the stories and articles on the parade and its importance to our holiday season.

Gwen Dreher for getting the entrants letters out and all her other little touches with trees and decorations to make everything look so great.

Last but not least, and by far the most important of all, the businesses, groups and organizations who took part in the parade or donated towards it. We couldn't have a parade without you. It was so nice of you to take time out of your busy holiday schedules to make our holiday season alot brighter.

I apologize if I have forgotten anyone at this time. But once again, thank you to all who helped in anyway.

**Shawn Roberts,
Parade Chairman**

EDITOR'S NOTE: **THANK YOU Shawn... for without your volunteering to chair the organization of the parade, there never would have been a parade!**

EIGHT MAIDS A MILKING

Nothing goes with a sweet dessert better than a cold glass of milk. Dairy Council of Wisconsin has a tasty tip: chill glasses until they're frosty beforehand for an even better taste. And don't forget to leave Santa a glass with his cookies, too!

FES Students Sing in the Holidays

Festively decorated Christmas trees and a star-filled backdrop adorned the stage as Farmington third graders sing "A Holly Jolly Christmas."

Distributing programs while greeting visitors are third grade elves (from left) Jake Turowski, Tiffany Hedlund, Bekki Heberer, and Max Paulus.

Fifth grader Adam Ziebell played one of the Santa narrators in the Farmington Elementary Christmas program

Third graders used some sign language in performing the song "Amen."

TRADITIONAL TURKEY

What is more traditional than the turkey dinner at Christmas? But turkey, though traditional now, was not known in Europe before 1542. Even then it was served only as one of many festive dishes.

Ordinary families celebrated with goose or beef or Christmas pies of many ingredients. Of course, in the great houses and castles the table was laden with the rarer delicacies. In fact, the whole celebration had a ritual.

The celebration started with the lord of the manor inviting the people from the country side to a Christmas celebration at his castle. The great dining room filled with guests to partake of the Christmas feast. The table was crowded with roast peacock with tail spread and beak gilded, swan, venison, bustard, goose, chicken, roast beef, mince pie, plum pudding, and every other delicacy available.

The custom of setting up a manger scene is believed to have started with St. Francis of Assisi in 1224.

Drivers Needed for Meals on Wheels

People who like to drive and like to serve others are needed for the Meals on Wheels program, which provides hot, nutritious meals for homebound residents of West Bend.

Laura Mintz, manager of food and nutrition services at St. Joseph's Community Hospital of West Bend, which prepares the meals, said drivers perform an important service by bringing warm meals and friendly faces to recipients' homes. Drivers pick up the meals at the hospital and, using their own cars, deliver them to recipients' homes between 11 and 11:30 a.m. each day.

Mintz said volunteers may sign up to drive once every other week or more often, and should have their own car. People interested in becoming Meals on Wheels volunteers should call Mintz at St. Joseph's Community Hospital, 334-8383.

Strack Grand Champion at 4-H Horse Expo

Stevie Strack of Kewaskum took Grand Champion in 2 wheel cart Country Pleasure Driving with her horse Melissa at the State 4-H Horse Expo.

Stevie Strack, 12 year old daughter of Doug and Brenda Strack, recently received a Grand Champion and Reserve Grand Champion at the Wisconsin State 4-H Horse Expo at State Fair Park.

Stevie placed first in the "Country Pleasure Driving" (2 wheel cart) and the Reserve was earned in "Hunt Seat Equitation" (English riding). Competition was stiff, as all 72 counties of Wisconsin were represented. Stevie shares both awards with her six year old Haflinger mare, Melissa.

The Stracks raise and sell Haflingers on their farm

"Schönfeld" and currently have 14, ranging in age from 7 months to 20 years. The Haflinger originated in the Alps of Austria as a small work horse. The breed is world renowned for its gentle disposition, versatility, and willingness to work. They are wonderful horses for children, great trail horses, useful for logging and light farm work, and love to be shown off.

Melissa will be expecting another foal in February and three more foals are expected later next spring from the other mares. The Stracks welcome

visitors anytime.
Congratulations Stevie!

Salvation Army Needs You

The Salvation Army's Christmas distribution and fund raising campaign in rural Wisconsin and Upper Michigan is now in its fifth week. Volunteers are busy distributing toys for deserving children, Holiday Food Baskets to the hungry and Coats For Kids. These are just a few of the holiday programs for needy people throughout Wisconsin and Upper Michigan.

The Christmas fund raising goal for communities in rural Wisconsin is \$1,000,000. These funds are collected in Red Kettles in many communities and through a Christmas Mail Appeal. "Today we have collected just over \$460,000," say Ken Tregellas, Service Extension Director for The Salvation Army. "Besides providing Christmas services, the money we collect is used locally to provide year-round services such as emergency housing, food and clothing vouchers and family budget counseling."

KHS Shows Spirit of Giving

KHS senior C.J. Gaylord helps load food destined for the Full Shelf Food Pantry in West Bend. The food, donated by students and collected in KHS homerooms for the holiday season, filled two vans. KHS Principal Mr. Wilson termed it a great success, "It's just one more indication of the kids being generous with their time and money."

Good News with Community Church

I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Savior, which is Christ the Lord (Luke 2:10, 11).

The good tidings of great joy are for all people. Yes it was for you that Jesus Christ was born. Your name was in the mind of God when He sent His Son into the world to share our humanity. And you were on the heart of God when He sent His Son to suffer and die on the cross for our sins. "For God so loved the world that He gave His only begotten Son, that whosoever believeth in Him should not perish but have everlasting life." (John 3:16).

Is your calendar filled for Christmas or do you still wonder what you are doing for the holidays? There is an invitation that you won't want to pass up. The invitation to receive Him as your personal Savior. "As many as received Him, to them gave He power to become the children of God, even to them that believe in His name (John 1:12) or will you risk missing all He offers you in this life and for eternity. It's an open invitation that is waiting for your response.

Obituary

MERLIN C. OEDER

Mr. Merlin C. Oeder, age 80, of West Bend, passed away on Sunday, Dec. 21, 1997 at the Samaritan Health Center in West Bend.

He was born on May 5, 1917 in the Town of Scott, the son of the late Adolph and Anna (Gerhardt) Oeder.

Mr. Oeder had a distinguished record of service for Laborers Local 113 from 1954 until retiring in 1979. He served as Business Manager, Secretary-Treasurer and Recording Secretary. Additionally he served as a delegate to the Milwaukee Building Trades Council, Milwaukee County Labor Council, Labor Trustee on the Construction Workers Health Fund and was a charter member of the Wisconsin Labor District Council. He was very well respected as a union officer and gentlemen. He was also a member of the Moose Lodge West Bend #1398 and a former member of the Rotary Club.

A committal service of his remains will be held at 10:00 a.m. on Saturday, Dec. 27, at Beechwood Union Cemetery in Beechwood with Rev. Sharon Stier officiating.

The Miller Funeral Home in Kewaskum is assisting with arrangements.

IN MEMORY

In memory of MARVIN TACKES, was passed away June 2, 1997:

I'M SPENDING CHRISTMAS WITH JESUS CHRIST THIS YEAR

I see the countless Christmas trees Around the world below. With tiny lights, like heaven's stars Reflecting on the snow.

The sight is so spectacular Please wipe away that tear For I'm spending Christmas With Jesus Christ this year.

I hear that many Christmas songs That people hold so dear. But the sounds of music can't compare With the Christmas choir up here.

For I have no words to tell you The joy their voices bring. For it is beyond description To hear as angels sing.

I know how much you miss me, I see the pain inside your heart For I'm spending Christmas With Jesus Christ this year.

I can't tell you of the splendor Or the peace here in this place. Can you just imagine Christmas? With our Savior, face to face?

I'll ask Him to light your spirit As I tell Him of your love. So then pray one for another As you lift your eyes above.

So please let your hearts be joyful And let your spirit sing, For I'm spending Christmas in heaven And I'm walking with the King.

St. Francis Bank Raises Money, Toys for 'Toys for Tots' Drive

MILWAUKEE...St. Francis Bank raised \$2,080 for the U.S. Marine Corps Reserve Toys For Tots campaign and matched the amount by 100%, bringing the total contribution to \$4,160. Also donated were over 1,400 toys which were collected in each of the Bank's 19 branch offices.

"In keeping with our long tradition of helping the community, St. Francis Bank is proud to match 100% of what was collected in donations. It's a great feeling to know that our customers and our employees were so generous with their contributions," stated Thomas R. Perz, President. The Bank raised the funds by selling a two part "holiday greetings" form for \$1 in each

of its lobbies. Part one of the form was utilized by the customer as a receipt or as a personalized greeting card. Part two has displayed in the Bank's branch lobbies to demonstrate the excellent response to the program. Also placed in each branch lobby was a decorated toy box and signs encouraging customers and employees to donate toys to children who are less fortunate.

Toys collected from the Bank's metro Milwaukee locations went to the Salvation Army's main distribution center in Milwaukee. The toys will be accessible to children all over the Milwaukee area. The toys collected at the Bank's Lake Geneva office

went to the Walworth County Department of Human Services Holiday Care Program. The toys collected at the Bank's Hartford and Kewaskum Offices went to the Salvation Army's local distribution center in West Bend. St. Francis Bank's campaign ran from November 10th until December 15th, 1997.

St. Francis Bank is wholly-owned by St. Francis Capital Corporation. With assets exceeding \$1.5 billion, St. Francis Capital Corporation (NASDAQ:STFR) operates 19 full service banking facilities throughout Milwaukee, Waukesha, Ozaukee, Walworth and Washington counties and two limited service facilities.

Safety Violations Top Citations During Gun Deer Season

MADISON -- Safety violations such as hunters carrying loaded guns in their cars were the most common citations issued during the recent gun deer season, according to the state's top conservation law enforcement officer.

Conservation wardens issued citations to 1,609 people during the nine-day season that ran Nov. 22 through Nov. 30, said Tom Harelson, chief warden for the Department of Natural Resources.

Despite the number of safety violations, the 1997 gun deer season was the safest deer hunting season on record, Harelson added. One person died of a self-inflicted gunshot during the nine-day season and nine others were injured in firearms accidents during the gun-deer season.

"The efforts of our volunteer hunter education instructors and the focus our wardens put on stopping safety violations during the gun season really paid off," he said.

The number of citations for 1997 was about the same as for 1996, but was down from the early 1990s, according to John Daniel, who analyzes trends and policies for the law enforcement bureau. He attributes the decrease to fewer people violating tagging laws because there were plenty of hunter's choice and bonus permits available. A decrease in hunters illegally shooting from or near a roadway also helped bring down overall numbers.

The two most common violations in 1997 were carrying a loaded gun in a vehicle and carrying an uncased gun in the vehicle. The third most common violation was hunting after hours, followed by hunting within 50 feet of a roadway and shooting within 50 feet of a roadway.

Harelson said he was particularly dismayed to see an increase in people arrested for hunting after hours. Hunting opens half an hour before sunrise and closes at sunset.

"It's distressing - hunting after hours is a major safety issue," Harelson said. "As the daylight diminishes, hunters' ability to differentiate between a deer and a hunter becomes

less and less and they may make a bad judgment call."

This November, people hunting in low light conditions led to two life-threatening situations when they mistook a horse and a man for deer and fired shots. A 38-year-old Arbor Vitae man has been charged with second-degree recklessly endangering safety after he shot a horse while a 12-year-old girl was riding it in a field in Vilas County. A 46-year-old hunter was injured Nov. 23 in Ashland County when he was field dressing his deer; he had taken off his blaze orange and was mistaken for a deer.

Harelson has directed the DNR's hunter education program to step up efforts next fall to communicate to hunters what the proper hunting hours are and to inform them that wardens will crack down on after-hours shooting violators.

Among those receiving citations were 42 convicted felons who are prohibited from possessing firearms; they were turned over to the local sheriffs' department for prosecution.

The following are some of the situations wardens encountered.

- Wardens were called in to help apprehend a convicted felon who was allegedly hunting in Door County. The suspect had served 11 years in prison for a second-degree murder conviction and was wanted for bail jumping on forgery-related charges. When wardens approached him, the

suspect fled on foot with his firearm and led the wardens on a quarter mile chase in the woods before he finally obeyed orders for him to stop and drop his gun.

- In Marinette County, a warden arrested two North Carolina men who were shining deer early one morning with an uncased rifle. While bonding the two men a warden found they were in possession of what appeared to be stolen credit cards. The men are suspected of posing in North Carolina as construction contractors and stealing credit cards from the homes they enter. Several thousands of dollars in unauthorized charges has been revealed so far by the Marinette County Sheriff's Office and will be forwarded to North Carolina authorities.

- A warden spotted a vehicle illegally shining fields near Crivitz late one night and pursued the suspects for 10 miles over rural roads back to their cabin, where two suspects surrendered. A third suspect fled into the woods and was arrested a few minutes later when Crivitz police arrived with a police dog that routed the suspect out of the woods.

Such cases illustrate the kinds of dangers wardens face, but they are the exception during the hunting season, Harelson stated. "By far most of the 650,000 hunters this year were out to have a good time and follow the law," he said. "Thanks to these responsible hunters, and the efforts of hunter education instructors and wardens, the 1997 gun deer season was a safe and enjoyable one."

New Cookbook Released

CAMPBELLSPORT - The Home and School Committee of St. Matthew School (Campbellsport, WI), has announced the release of its latest cookbook, entitled "SMS: Simply Mouthwatering Suggestions."

The clever name of the cookbook is a result of a contest open to all students at St. Matthew school. Joshua Swamer, a fourth grader, submitted the winning entry. School parents and parishioners were invited to submit recipes.

SMS includes sections of Appetizers & Beverages, Soups & Salads, Main Dishes, Breads & Rolls, Desserts (of course), Cookies & Candies and a Miscellaneous section that includes salsas, sauces and snacks.

SMS features a host of unusual tantalizing dishes, such as "Samosas," a Mediterranean-style meatless entree; Stir-Fry Venison Fajitas; Dijon Ham and Swiss Loaf; Guilt-free Roast Potatoes; and more! The broad mix of trendy and/or ethnic recipes and down-home comfort foods ensures that there is something of interest to every cook.

The new cookbook features a striking black and white checkered high-gloss cover accented by bright red apples. It is plastic-ring bound to lay flat during use. The cost of the cookbook is \$10.00 - that's less than two cents a recipe! All proceeds from the sale of the book will be used to support school activities.

SMS: Simply Mouthwatering Suggestions is available at St. Matthew Parish Center, 419 Mill Street, Campbellsport, as well as at the following Campbellsport businesses: Sheila's Hair Salon, Loehr's

Meat Service, Twohig's Furniture, Schlaefer Optometrists and Ben Franklin Store. Call Doreen Ruplinger at 920-533-4745 for mail order information.

Asian Beef and Noodles

from SMS: *Simply Mouthwatering Suggestions* cookbook, submitted by Trevor Schill.

- 1 1/4 pounds ground beef
- 2 3-ounce packages Oriental flavor instant Ramen noodles
- 2 cups water
- 2 cups frozen mixed vegetables
- 1/4 teaspoon ground ginger
- 2 tablespoons thinly sliced green onion

In large skillet over medium heat, brown ground beef, breaking into 3/4-inch crumbles; drain. Remove beef from skillet and sprinkle with seasoning from 1 packet included with noodles; set aside.

In same skillet, combine water, noodles (broken into pieces), vegetables, ginger and remaining seasoning packet. Bring to boil; reduce heat, cover and simmer 3 minutes, stirring occasionally. Return beef to skillet; heat through. Stir in green onion just before serving. Serve with soy sauce, if desired.

Local Businesses Help in Sponsoring RMEF Banquet

Several local businesses are helping in making the first annual banquet of the Rocky Mountain Elk Foundation-Kettle Moraine Chapter a success.

As of this week fifteen sponsor memberships have been received according to Judy Heberer, treasurer of the local chapter. The list includes Lynn's Recycling, Hann Building Company, Berenz Packaging Corporation, Michels Pipeline Construction, Kuehl's Suds N Spirits, Campbellsport Bldg Supply Center, KM Tool Supply, Ltd., New Fane Sportsman's Club, Callaway & Co. Goldsmithing, Meadow Creek Elk Farms, Heberer Brothers Construction, Kewaskum Storage Center, E & E Game Farms, Hammes Trucking and a individual donation from John Stocker.

Banquet chairman, Jim Hammes is pleased with the local support shown by busi-

nesses in the area. "The financial support of the local business is an essential part of a successful banquet," Hammes added, "Along with the strong ethics of preserving habitat for wildlife in this area, our banquet should prove to be one of the best for a newly formed chapter."

Hammes organized the local chapter this past year. After attending RMEF banquets and meetings in Milwaukee for the past ten years, Hammes began to realize that this area would be able to support a chapter, so the Kettle Moraine Chapter was established. Charter members began meeting this past summer to plan a banquet.

The banquet and auction will take place on Saturday, Jan. 31, at the West Bend Inn. Social hour will begin at 5:00 p.m., followed by the banquet at 7:00 p.m. The fundraising event, which begins after dinner, will feature several fine

rifles, outstanding limited edition wildlife prints, beautiful bronzes and other top-quality items. Proceeds from the evening will benefit RMEF habitat conservation projects which includes the Wisconsin Elk Reintroduction Study.

Tickets, which are \$65.00 each or \$90.00 per couple, include a one-year RMEF membership, and subscription to BUGLE magazine. For additional information contact Jim Hammes, 920-533-8588.

The Rocky Mountain Elk Foundation is an international, nonprofit wildlife organization dedicated to ensuring the future of elk, other wildlife and their habitat.

With more than 110,000 active members and 450 local chapters throughout North America; the RMEF has generated \$55 million to conserve and enhance more than 2.0 million acres of wildlife habitat.

Letters to the Editor

December 19, 1997

During this holiday season I would like to take the time to thank the staff at our Kewaskum Public schools for their excellent cooperation. Many of you may have read about the labor unrest in other school districts. This past year our negotiation teams have been able to work out voluntary two-year contracts with both the KEA (Kewaskum Education Association) and the KAP (Kewaskum Auxiliary Personnel). With the school board and staff working together we can continue to provide an excellent education for our children.

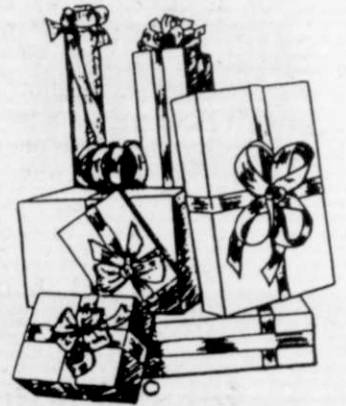

Thanks again!

Jean E. Goeden
School Board President

next week it will take us until just after Christmas to get the coats to the new distribution sites. More specific information will follow later.

Thanks again from all of us involved with "Coats for Families."

Mark and Denise Decker

Coats for Families

"Coats for Families" coat drive total distribution was very successful. We collected around 2400-2500 coats in very good condition. We have been able to distribute just under 2000 coats to families and individuals. We have given out all 600-700 kids' items. We will be finalizing getting coats to service agencies in the community so remaining coats can be distributed as needed from about 4-5 sites in the community for the remainder of the winter. Most churches, schools and service agencies have "coat pick up slips" available. If someone needs a coat they can get a slip from one of these sites and can contact the department of Social Services AFTER Christmas to find out where coats are being kept for further distribution.

All of us involved in "Coats for Families" want to thank everyone that participated in the drive. Without all your efforts, generosity and trust we would not have been able to get this done. The successfulness of the drive is a testimony to your efforts. Thank you all.

We will be doing the coat drive on a yearly basis and hope to improve on collecting men's coats and coats for larger adults as we were a little short on these items this year.

With Christmas coming up

AFTER THE PRESENTS

Christmas day can go slowly after the gift-giving and pigging-out. This year, remember to rent some Christmas movies, or some old classics, to help pass the time.

If you live in a warmer climate, plan a nature walk or hike that the whole family can enjoy.

For those who live in the north, invest in a new board game or dig out the old ones. One good game of Monopoly could last all afternoon.

You might even want to drag out all those old picture albums and remember Christmases past. If you don't have your photographs organized, gift-wrap some photo albums from "Santa" and let everyone help fill them.

Now you're making a new Christmas memory!

Parents Should Make Sure Guests Keep Medicine Away From Children

Wauwatosa -- While many parents keep medicines, cleaning supplies and other poisons safely out of the reach of children, holiday visitors unintentionally pose a danger to children.

Guests, especially grandparents, often carry medicine in their purses or suitcases and curious children might find the medicine and swallow it before parents are able to stop them.

Although many medicine containers have childproof caps, older adults often request their medicine be placed in containers without the safeguard to make them easier to open, said Cathy Islas, coordinator of the Poison Center at Children's Hospital of Wisconsin.

Parents should make sure their overnight guests place their pill bottles on a high shelf or top drawer that is inaccessible to children, Islas said. Preferably, they should be in a guest room where the door is kept closed and children are unable to enter unsupervised, she said.

Guests also should make sure pills that spill on the floor where children might find them are picked up, Islas said.

"Parents should teach their children never to eat or drink medications, vitamins, chemicals, plants or berries without their permission," Islas said.

Parents who suspect their child has ingested a poisonous substance should call a poison center or their pediatrician's office and have the following information ready:

- The type of poison the child is suspected of taking -- drug, plant, or chemical.
- The brand name of the poisoning agent, if known.
- The method of poisoning - ingestion, skin exposure, inhalation.
- Age and weight of the child.
- When the child was poisoned.
- How much poison was involved.
- The caller's name and telephone number.

The Children's Hospital Poison Center can be reached

at (800) 815-8855.

Children's Hospital of Wisconsin is a private, independent, not-for-profit regional pediatric medical center. The hospital serves all children in Wisconsin and Michigan's Upper Peninsula who need its specialized services without regard to race, creed, color or ability to pay.

Holiday Travel Expected to Be Strong Throughout Next Two Weeks

If you want to make it home from the holidays without fighting heavy traffic, avoid traveling on Sunday.

"The heaviest travel days of the holiday season by far are expected to be Sunday, December 28th and Sunday, January 4th," Wisconsin Department of Transportation (WisDOT) Secretary Charles Thompson said. "Most other days of the two-week holiday period, travel is expected to be fairly constant, at or slightly above normal traffic volumes."

The projections are based on WisDOT figures from 1986, the last time Christmas and New Year's Day fell on a Thursday. Throughout the period, traffic is expected to start building in the late morning, peak in the late afternoon, and taper off between 8 and 9 p.m.

Secretary Thompson noted that weather and road conditions may affect the travel

numbers and advised motorists to monitor the forecast before hitting the road.

Wisconsin travelers have several ways they can check highway conditions. They can call 800/ROAD WIS to hear a recording of road conditions throughout Wisconsin. The recordings are updated four times a day or as conditions warrant. They can also log in to the WisDOT Home Page and click on "conditions" to see a description of highway conditions statewide.

Secretary Thompson urges motorists to drive with extra care and avoid driving while intoxicated this holiday season. Aside from the dangers inherent with intoxicated driving, including being involved in a crash that could injure or kill someone, being convicted of driving while intoxicated will cost a first-time offender \$733.50 in forfeitures, assessments and other court costs. In addition, you will lose your license on the spot for six to nine months, will have to undergo an alcohol assessment, and will have to develop and complete a driver safety plan in order to earn the license back. That's not to mention a substantial hike in your insurance costs.

Last year, when Christmas fell on a Wednesday, 13 people died in traffic crashes. That compares to the previous five-year average of 8 and a total of

four who died in 1986, when Christmas fell on a Thursday. For the New Year's holiday, 5 people died in crashes last year compared to the most recent five year average of 9 and a total of 2 who died in 1986 when New Year's was on a Thursday.

Wayne Crusaders 4-H Meeting

The Wayne Crusaders monthly meeting was held on Tuesday, December 9th. Before the meeting started, a Christmas Pot Luck Dinner was held. There was lots of food and drinks served. Thanks to everyone for attending. There was a nice visit from Santa and all the kids got a bag full of goodies from him. All the kids enjoyed it. Then a quick meeting was followed.

Some old news includes that in the month of November our club had a fundraiser by selling Suzy Creamcheese Cheesecakes, and many families participated. It was a great success. Also during November food was brought in by the club members and families to help out several community members and was distributed to those families the following week. The families were very happy and grateful for everything.

We have started a new fundraiser where we will be helping out at a local animal adoption center. It's called Puppyland. If anyone would like to help out feeding and helping with the animals there, beginning sometime in January, (we are not sure the exact dates yet) please call

Joyce Schulz at 626-8749.

The Christmas Parade was a good turnout. Although the weather was a little on the cold side, everyone had fun. Thanks to the Schoofs family and everyone else who helped with the float.

Our club also took part in the Tree Decorating Contest in Kewaskum. Our club took first place. A great thanks to the Kiel Family and everyone else who took part in the effort.

Hannan Nunez, a 21 year old 4-H Foreign Exchange Student from Costa Rica visited our Club at this meeting also. She had spent the previous month with the Krudwig

Family.

There will be a Tri County Youth Conference in Sheboygan on January 1. Registrations are due by January 9. Please see the blue sheet in your Cloverline. Also, project adds and drops are due January 15.

Beginning with our January 12 meeting, our monthly meetings will be held at Cedar Valley on Hwy. D just east of Kohlsville. Please enter at the main entrance and someone will be there to show you where to go. The meeting will start at 7 p.m. Hope to see you there.

WES Girl Wins KEYS Bike

Jill Schmitt

Jill Schmitt, a third grader at Wayne Elementary, is the winner of a new bicycle from Pedal Moraine in West Bend for her participation in the KEYS Scholarship Run/Walk. Her name was chosen at random from a multitude of WES student participants. Jill selected a purple "mountain bike," and can't wait for bike riding weather to arrive!

Wildlife Crop Damage Assessments Announced in Fond du Lac County

Fond du Lac County is declaring December 31, 1997 as the last day that County wildlife crop damage assessments can be requested for the 1997 cropping year under Wisconsin's Wildlife Damage Abatement and Claims Program. This date is based on the county's policy for crop damage claim payments on late harvested crops. The policy states: All wildlife damage claims on row crops filed after 90% of the County's harvest for this crop has been completed, will be denied.

It has been determined by

the County, in conjunction with the UW extension that 90% of the crops in Fond du Lac County have been harvested. Landowners enrolled in the Wildlife Damage Abatement and Claims program desiring a wildlife crop damage assessment before the deadline should contact the USDA-APHIS-Wildlife Services office in Waupun at 1-800-433-0663. Anyone seeking additional program information may also contact the Waupun Wildlife Service office.

Indians Split Two

On Tuesday evening the Kewaskum High School boys' basketball team hosted Random Lake in a non-conference game.

The Indians got out of the blocks early with some balanced scoring led by David Gerhartz with two three pointers to take a nine-point first quarter lead. The home team went stone cold in the second quarter (3-13 shooting) as the Ram's outscored the Indians by 14 to take a five-point lead, 38-33, into half-time.

John Warnecke scored seven points in the third quarter but the Random Lake team expanded their lead to eight by the end of the frame.

The Indians then took matters into their own hands, scoring 10 points in 41 seconds on consecutive three pointers by Josh Gaffke and Tim Vetter and two baskets by Gerhartz. They continued the offensive assault to cap a 19-3 run and recapture an eight-point lead.

Kewaskum missed a number of free throws in the last couple of minutes, but were able to hold on at the end for their third straight victory after starting the season with two close losses.

The Indians were led in scoring by Gerhartz who had 18 points including four three-pointers. Vetter netted 17 and played an aggressive floor game. Warnecke added 14 points and once again led the team in rebounding and blocked shots.

Coach Tom Timblin commented, "It was a nice win. We've matched last year's win total after five games. Timblin added, "Except for the second quarter, we shot well making nine three-pointers. We once again showed great resiliency in the fourth quarter, but our free throws at the end (4-11) nearly cost us a win. We're going to have to improve!"

On Friday night, the Indians entertained New Holstein. The home team opened the game with a new full court defense to try to confuse their much taller opponents.

The Indians trailed at the end of the first quarter, 21-17, as Shaun Timblin hit seven points early. During the second quarter, David Gerhartz, the Indians leading scorer, felt a "pop" in his sore knee and couldn't continue playing.

Tim Vetter carried the scoring load with eight. John Warnecke picked up his third foul as did Josh Gaffke. The reserves played

good defense but had trouble putting the ball in the hoop as New Holstein increased their lead to 39-28 at half.

After the intermission, the Huskies front line standing 6'9", 6'4" and 6'3", took its toll on the much shorter Indians. Andy Christophersen still hobbled by a nagging sprained ankle, along with Warnecke and Aaron Seiser, just couldn't compete on the boards with their Goliath-sized foes, as New Holstein stretched their lead to 66-44 by the end of the third quarter.

The second team played hard most of the fourth quarter, led by Aaron Seiser who scored eight of his ten points at the end.

"David's knees have been bothering him for a couple years now, on and off," reported Coach Timblin. "When he couldn't go, it hurt our offense."

Timblin added, "We're a little banged up right now. We resemble a M.A.S.H. unit lately. Andy's ankle, Tim has a deep muscle bruise and John has a throat problem. The Christmas break is coming at a good time for us to heal."

The Indians have one more tough one on Tuesday night, before the holidays, as they host Two Rivers at 7:30 p.m. Kewaskum will carry a 3-3 overall and 1-2 Eastern Wisconsin Conference mark into this upcoming game.

Nut Trifles Holiday Treat

Cookies and Christmas go together like apple pie and ice cream. They are a favorite holiday treat for children, are nice to have when guests drop by to visit or exchange gifts. Nut trifles are easy to make and tasty, too.

Walnuts
1/2 cup sugar
1/4 teaspoon salt
1 large egg white, unbeaten
1/4 teaspoon vanilla
Confectioners' sugar

Grate nuts in blender, enough to make 1 cup; turn into small mixing bowl. Add remaining ingredients and stir well. Using 1/2 teaspoon for each, roll into small balls. Place a few inches apart on well-buttered cookie sheet. Preheat oven to 275 degrees and bake for 20 minutes. Remove with spatula and roll in confectioners' sugar. Makes 2 dozen chewy cookies.
