## Town of Scott Treasurer Edeler Resigns; Irene Gnacinski Appointed

by Bernadetta Mondloch

There was a definite difference of opinion among members of the Town of Scott Board of supervisors expressed during a public hearing related to the 1998 budget and again during the special and regular meetings which followed.

With the tax season fast approaching, and the resignation of the town treasurer, the board was left in a dilemma of finding a town resident who would be willing to take over treasurer duties and be available to collect the taxes. The problem appeared to be solved with the appointment of Irene Gnacinski to fill the unexpired term of Marie Edeler whose term was to expire in April of 1999.

Gnacinski took the oath of office at the beginning of the regular December meeting. Then the discussion began. Because it was a large task to

take on by a newcomer, Supervisor Richard Bemis continued to support his position on having the county collect the taxes. Other board members felt that the new treasurer should be the one to make that decision.

Clerk Colleen Narbatovics reminded the board that according to state statutes, the treasurer had the option of hiring a deputy to assist, even if only for a few months.

That announcement brought up the next question. "Who will pay the deputy?" Bemis quickly responded, "I don't think we (the town) should pay a deputy. New Treasurer Gnacinski responded, "If I need help, I'll pay the deputy out my own pocket."

Several motions followed, all being decided by a roll call vote. First, Supervisor Ira Weber moved, Bemis seconded, not to pay a deputy treasurer...supported by Bemis and Weber, opposed by Supervisors Dale Burke, Clarence Janz and Chairman Larry Martin.

Second: Moved by Burke, second by Martin to pay a deputy treasurer...supported by Chairman Martin, Supervisors Burke and Janz, opposed by Supervisors Weber, Bemis.

During a Special meeting which followed, the subject was again discussed. In the proposed budget, there appeared a line item showing \$1200 for payment to a deputy treasurer. First discussion was to eliminate that line item, however a motion by Burke and Martin followed to alter the line item which would allow for payment of \$300 to a deputy treasurer, if needed. It was determined that there would be no more than three months of heavy work during the tax season and that \$100 per month should be sufficient for the assistant. The roll call vote on that issue resulted in Janz, Burke and Martin voting for and Bemis and Weber voting against.

Speaking to the two negative voters, Chairman Larry Martin remarked, "I am ashamed on your decisions to require work without payment." Weber replied, "I'm not ashamed, when I need help on the farm, I have to pay for it myself, and this is how it

should be." Bemis also indicated that he was not ashamed of his vote.

With the passage of the treasurer payment change, adjustments were made so that the Batavia First Responders will receive an additional \$1,000 to be used for payment of recently purchased defibrillator. Although several minor change of figures were made, the proposed levy remained the same at \$3.65 per thousand dollars of assessed valuation.

On a vote to adopt the \$3.65 tax levy, Weber and Bemis voted against. State Statutes determine that Highway expenditures over \$10,000 must be approved at a special meeting. Approval of \$180,753.00 was given for Highway Expenditures.

## Citizens Land Use Initiative Starting to Roll in Campbellsport Drumlin Region

The rural Campbellsport area is one of the fastest developing areas of Fond du lac County.

Isn't it ironic that land use planning in this rapid growth area has been so slow in coming. Perhaps it is a fear of the task.

Today's land use issues are complex and require talent and dedication to resolve locally. Whatever the factors, one thing is clear: concerned local citizens who organize can form a powerful base to make needed changes in zoning and land planning decisions.

The Campbellsport Kettle Moraine drumlin region is an example of an area "under siege." Those large oval and elongated hills called "drumlins" in the Ashford and Eden

area of Fond du Lac County give the area its own brand of unique scenic beauty.

The drumlin region is rich with open spaces, farmlands, wetlands, woods and other unique features. Many of these qualities have been lost or are threatened due to residential sprawl, drumlin top development, lack of modern land use standards, and old, worn out zoning ordinances that lack vision for the future.

Pulling together, citizens need to build a future vision for the drumlin region and back it up with realistic and community accepted land use plans.

If you are also concerned, join us on January 7th, at 8 p.m. at the Campbellsport Community Center. We will discuss forming a citizen organization to preserve drumlin area land quality. Also, invited speakers will share their own experiences about town comprehensive planning, land conservancy projects, and unique drumlin features you may not be aware of.

If you are interested in help-

ing with the drumlin area land quality initiative, have concerns or questions, you can contact Mark Sesing at (920) 533-8968.

## Chamber Member of the Month

By Sharon Callaway Roznik

Mike and Julie Desterhoft invested in the northern Kettle Moraine area two years ago, when they purchased Parkview General Store across from Mauthe Lake, and set about changing its image from a Ma & Pa convenience store to a '90's style outfitters shop destined to draw the recreationists who come to the forest to enjoy the outdoors.

Sparked by the gnawing enthusiasm that makes a person have to go and tell everyone about the great place they live, and how it has the potential to be something bigger and better than it is now, Mike got involved in promoting the Kettle Moraine area and the businesses within through his interest in tourism and his involvement in the Kewaskum Area Chamber of Commerce.

Through the chamber, which the Desterhofts joined in 1995, Mike was introduced to other like-minded business persons, and a year later he became a charter member of the newly formed Kettle Moraine Tourism Council. The Council's big endeavor was the creation and publication of a tourist map/brochure, which was distributed by the thousands to local businesses and tourist stops. "The map was so well received we've run out and will be redoing it in '98 to bring it up to date," Mike explains.

Mike has also been instrumental in starting and manning a tourism booth at Kewaskum's annual Kettle Kountry Kolors, which he has done for two years in a row now. "A lot of work needs to be done with the Tourism Council, and I feel it can stand on its own and should become independent from all local

chambers of commerce," he maintains.

In 1996, the Desterhofts were involved in a Tourism Assessment done through a series of meetings with Debbie Skinner from the Wisconsin Dept. of Tourism. "We worked on a self assessment of tourism in the Kewaskum, Campbellsport, and Kettle Moraine Forest area, and came to the conclusion that the area definitely needs more attention, more promotions, and was found lacking in offering

visitors medium priced lodging facilities," he points out. "I know there's a need for more lodging in the area, and I'm hoping we can work on that in the near future."

Parkview General Store has been steadily increasing its offerings to visitors of the lake and forest region, supplying rowboats, canoes, and paddle boats for use on Mauthe Lake, along with the rental boats at Forest and Auburn Lakes, and Lake Seven. This past summer, they added a nine hole miniature golf course to their grounds, and the store now holds a full line bait shop for the many fishing enthusiasts that frequent the waters in both summer and winter.

"People come to this area not to find another convenience store, that's why we've shifted our focus more towards the outdoors and recreation," Mike emphasizes. "We've sort of evolved into this 90's style outfitters type of business, and it fits in well with our location." Laying evidence to this claim, the Desterhoft's latest addition to the store is cross county and snow shoe rental, with plans to organize after-noon group outings that end in chili dinners with hot cocoa. "The forest staff stops in here a

lot, and I'd like to talk to them about getting something like this started," Mike pauses, with that gleam of enthusiasm in his eyes again.

There are more projects than that on the fire in Mike's mind, for Parkview General Store. Next will be an outer face lift on the building, and then there's the development of the canoe livery, a type of shuttle operation from different points along the Milwaukee River. "You can canoe from here to River Hill Park in Kewaskum," Mike

relates, adding the project is already being worked on.

Mike and Julie continue to be supporters of the Kewaskum Area Chamber of Commerce, with emphasis on the development of the northern Kettle Moraine into a prime area for tourism "We really need to network with other businesses within these communities, and then I really believe we can make it work for the benefit of everyone."

## Lady Indians Find Offense Split Two Games

The girls varsity basketball squad from Kewaskum scored more points than it has in a long while, in defeating the Huskies from New Holstein, 67-58 on December 18th. The Lady Indians have incorporated a new up-tempo style of play, and for the first time this season it paid dividends in their first road victory.

The young Indians opened the first quarter eager to get their teammates involved offensively. Unselfish play resulted with six players breaking into the scoring column by the end of the first stanza. Those points were needed to keep pace with the home team as they were awarded numerous trips to the free throw line. The quarter ended with the Indians trailing by a score of 20-18.

The nets cooled off slightly in the second quarter with the girls managing just ten points and running into some foul difficulties. The Huskies continued to put points on the board from the charity stripe going 13 for 16 in the half. The result being a 33-28 deficit for the girls in green and gold going into the locker room.

The fireworks really got underway in the third quarter after the deficit reached seven points. When Jenny Kraft drilled a three pointer to cut the lead to only four points, the team came alive led by the pin point passing of senior Carrie Wiesner who finished the night with eight assists. Her favorite target being sophomore center Lauren Steinhardt who had nine of her ten points in this quarter. Her last bucket gave the Indians the lead for good at 45-43.

The fourth quarter opened with sophomore forward Sarah Schwinn picking up where Steinhardt left off. She had nine of her game and varsity high twenty points during that time. However, the Huskies would not go away. After two free throws by Amy Piwoni, and another three pointer by Kraft the lead stretched to nine. The Huskies answered with two 3 pointers. ReNae Hills and Piwoni countered with a bucket and two free throws, respectively. Schwinn's put back basket secured the victory.

The lady Indians shot an outstanding 56% from the floor. Four players posted dou-

ble figures for the game, led by Schwinn's nine for ten shooting, and her eight rebounds. Kraft was next with 15 points and five steals, Piwoni with 14 points, and Steinhardt's ten. Rounding out the scoring were Wiesner and Hills with four each.

On December 23 the Lady Indians traveled to Two Rivers hoping to upset the undefeated reigning league champions. Victory was unobtainable on this evening but respect was earned in falling to the Pirates by a score of 70-56.

The girls downfall began in the first quarter when they were unable to handle the Two Rivers press. Numerous turnovers resulted in easy baskets for the home team, and the Kewaskum girls found themselves on the short end of a 24-10 score at the end of the period.

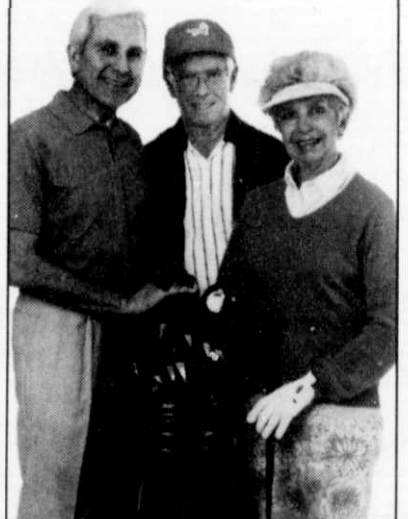

In the second quarter the team handled the pressure better and the results were immediate. After two fast break lay ups by RaNae Hills and Lauren Steinhardt the Indians found a new intensity. Better execution on offense resulted in four points for Sarah Schwinn and nine for Jenny Kraft including a three pointer which pushed the deficit to single digits by halftime, with a score of 37-28.

The third period opened with Two Rivers employing a new defense. Unsure of how to attack, the turnovers came back to plague the Indians. They saw themselves losing their momentum and falling back into a double digit deficit.

**NEWSMAKER  
OF THE YEAR**

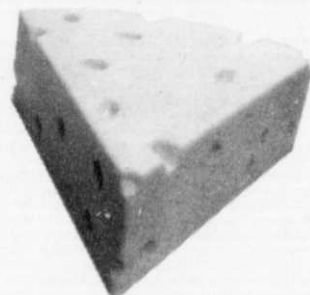

The Wisconsin Newspaper Association has established the Newsmaker of the Year award to honor someone whose "spirit of service is demonstrated through acts which reflect positively on Wisconsin." The winner was chosen by ballot by the participating newspapers of the WNA in December. The second annual winner of this award is Green Bay Packer head coach Mike Holmgren. Coach Holmgren - through his abilities as master motivator and a steady but creative tactician as well as a generous citizen - not only has restored tremendous football pride to the state, but also has positioned the Green Bay Packers in the eyes of the nation as "America's Team".

## Holy Trinity 'A' Boys Win Two in a Row

Friday, Dec. 19 was Parent's Night for the Wildcats of Holy Trinity and the boys gave their parents an early Christmas gift. They defeated the CCLT Lions from Lomira by a score of 44-34.

The 'Cats used an aggressive press to gain an early lead before Lomira was able to close the gap before intermission. The half time score ended at 19-15 in favor of Holy Trinity.

After a quick start by the first unit in which the lead grew to fourteen points, the coaching staff was able to substitute early and often. The extra playing time given to the bench was rewarded with a total of eleven players hitting the scoring column. Leading a balanced attack was Josh Repovsch with seven points. Bryan Kraft followed with six points and four assists. Josh Timblin was next with five. Scoring four points each were, Adam Gitter, Scott Herman, Nick Thorn and Joe Rinzel. Thorn and Rinzel also led the team with eight rebounds and three steals respectively. Anthony Laatsch and Ty Wietor added three points apiece and Wietor chipped in with six rebounds. Josh Hesprich and John Neumann rounded out the scoring with a

basket each.

Next up for the Wildcats is a rematch on January 3 with St. Mary's of Mayville at Mayville. The boys will try to avenge an earlier loss from the start of the season.

## Indians Lose in Overtime

In one of the highest scoring games in school history, with a combined total of 201 points scored, the Kewaskum High School boys' basketball team lost yet another thriller at home in overtime last Tuesday night, 104 to 97.

In three of the Indians four losses so far this season, the cardiac kids have lost by two points, a three pointer at the buzzer and in overtime.

"It was a privilege to be part of this basketball game. This is what high school athletics are all about," a frustrated coach Tom Timblin said after the contest. He added, "We made 14 of 24 (58%) three pointers, 23 of 28 (82%) free throws, and we shot the eyes out of the basket, but that just can't seem to stop our opponent's big people."

Brian Mulhaney, the fine Two Rivers center, had a career night, scoring 32 points, with 20 coming in the fourth quarter and overtime.

"John Warnecke played his heart out, but picked up his fourth foul early in the fourth quarter, so he had to play conservatively at the end," stated Coach Timblin.

The Indians' custom the last few games is to dig a hole for themselves early

and have a big comeback in the second half. This game was no exception, as the home team fell behind by nine at the end of the first quarter and ten at halftime, 50-40.

Warnecke led the Indians in the first half with 13 points, including his first three pointer of the year, and was 6-6 from the free throw line. Shaun Timblin, who is developing into a reliable sixth man off the bench, contributing nine points.

The Indians outscored their opponents 21-14 in the third quarter to pull within three, 61-64, to set the stage for one of the most exciting fourth quarters in recent memory.

Josh Gaffke and David Gerhartz combined to singe the nets for five consecutive three pointers in a row without a miss. The Indians built up a 78-71 lead with 4:33 left on the time clock, as the fans cheered their approval.

After a timeout, Mulhaney and the Raiders staged a comeback of their own, pounding the ball inside, possession after possession, and were able to

take a two point lead with .08 seconds remaining.

Kewaskum set up a double screen play designed to free up Gerhartz for a game winning three-point attempt. The play was defended masterfully and at the last second, Warnecke drove the lane to lay it in for a tie in regulation.

Unfortunately, the overtime was all Two Rivers, as the Indians were outscored 15-8 in the extra stanza with Warnecke, Timblin and Andy Christophersen all fouling out.

The Indians were led in scoring by David Gerhartz's 23. Warnecke and Timblin added 19, and Josh Gaffke netted 17. Warnecke was also 10 of 11 from the charity stripe.

The Indians, who fell to 1-3 in the Eastern Wisconsin Conference and 3-4 overall, will regroup over the holidays. Their next game is scheduled for Thursday, January 8, at Manitowoc Roncalli.
