## Area Wagon Train All Set for State Sesquicentennial

Trail Boss Rick Welch poses with one of the covered wagons preparing for the 16 day Sesquicentennial Wagon Train.

By Sharon Callaway Roznik

Many local equine enthusiasts will be bringing a touch of their own historic flavor to Wisconsin's Sesquicentennial celebration as a part of "Wagons of Wisconsin."

After several years of preparation, a 16 day "authentic" wagon train will head out from Prairie Springs Park in Kenosha on May 29, closely following the northern route of an old military road, also known as the Green Bay Ethnic Trail, that snaked along the state's eastern border. The group's destination - the town of Luxemburg in Kewaunee County - by June 13.

Wagon Masters Jim Wiedmeyer, Bill Zahn and Bud Endries will be leading an assemblage of 25 horse-drawn covered wagons, carriages, buckboards, "goin' to Sunday meeting" buggies, doctor buggies, outriders and an 1800 pound cannon once used in the Mexican War.

Various communities and organizations along the way have planned celebrations for the wagon train's arrival, including old fashioned picnics, music and dancing, games and historic displays. Eating breaks, rest stops, and sleep-overs have been carefully planned during this one of a kind

sion.

Horse, mule and oxen will be brought together from many different parts of the state, ready to transport their owners through this historic journey, painstakingly recreated to resemble, as closely as possible, the authentic life of the pioneers in 1848. Travel is expected to range between 18 and 25 miles per day, a typical day for a wagon train, which once carried women and children, and plenty of chores waiting at each day's end. And it would be amiss not to mention wooden wagon wheels and the extra bumpy ride that left travelers vibrating for awhile after.

All wagons brought into the wagon train must be an authentic, wooden-wheeled vehicle. Horse tack must consist of the old-time style; no signs, banners, flags, farm or family names or advertising will be allowed in the event. Walkers and riders who join in, (and everyone is invited to do so as the train travels through various towns) must also be attired in period clothing, or they will be asked to step back and enjoy being a spectator.

Helping with costuming and local 4-H groups are Candy and Roger Reysen of Kewaskum. The W.O.W.

requires period dress prior to 1910, (no western wear), and Candy has been sharing her ideas and costume supply sources with those who need some help with their attire. The wagon train will be hosted for breakfast by the state 4-H club at Rochester Park in Sheboygan Falls on June 7.

The wagon train, with its visual moving history, will be lumbering down the many highways, streets and back roads to be viewed by all. At selected sites, with help from local communities and historical societies, campfires will be gathering places to hear stories, learn folk art, home and trail

skills, and ethnic history. Teachers, historians, ethnic groups and history buffs have been invited to participate in W.O.W.'s Campfire Education program, with much of the coordinating having been done by Darcie Salm of Campbellsport. She has also been helping out with the newsletter mailing.

Many other local WOW people have been instrumental in helping to create an event that will be remembered as part of the state's great history. Debbie Kannenberg of New Prospect is serving as the group's treasurer; Judy Fait of West Bend has been in

## Village to Sell Low Cost Seedling Trees

The Kewaskum Village Board, upon the recommendation of Director of Public Works Jerry Gilles, recently decided to purchase 400 small, broad-leaf seedling trees to resell to Kewaskum area residents at a very affordable price to promote the planting of these trees in the Kewaskum area.

The 12" to 24" seedling trees will be sold to Kewaskum residents for \$1.00

each on a first come, first serve basis. They will be available at the Kewaskum Municipal Building, 204 First Street, on Friday, May 1, from 1:30 to 5 p.m. and again on Saturday, May 2, from 9:30 a.m. to noon.

All residents are urged to take advantage of this offer and plant a few trees to help beautify the future "greenery" of our community.

charge of fundraising, and Diane Horlamus of West Bend is the group's new secretary, and is working to put together a horse race during the group's stay at Sandy Knoll Park. Paul Richter of Paul's Ponies in West Bend will be driving his Halfinger ponies, Mike and Everett (with the Civil War cannon) Schultz of Kewaskum will be riding in a covered wagon, as will Toni Farrell of Kewaskum, with Matt Harvey and his wife, Eva.

On Wednesday, June 3, the wagon train will be traveling from Dheinsville in Germantown, through Jackson, to Sandy Knoll Park in West Bend where they plan to camp overnight. Everyone is invited to the festivities for some exciting horse races, Tug-O-War contest, live entertainment, old-fashioned popcorn, food, and an evening

campfire.

"The Washington County Sheriff's Department has been helping us and working very closely with us to plan this evening," Rick Welch points out.

At the end of the trail, after the boots are back in the front hall, the soreness is fading, and the horses graze wistfully in the fields, the memory of the big 16 day trek will be fond, and faithful to the kind of people that chose to make Wisconsin their home 150 years ago.

A two hour video of the event will be sold after it's over, highlighting the journey and those who chose to make it. Although there have been many kind and generous sponsors that have made WOW possible, Rick says he would like to send out a very special thanks to Tim Miller of St. Francis Bank in Kewaskum.

Until then, Wagons Ho!

## Fire Damages Wayne Home

Fire caused substantial damage to a residence at 8624 Fairview Drive in the Town of Wayne on Wednesday, April 22 at approximately 3:11 p.m.

The two-story home, owned by Diana and Frank Tutas, suffered an undetermined amount of damage, according to a report by the Washington County Sheriff's Department. No one was at home at the time of the fire.

The Kohlsville Fire Department was called and was assisted by the Kewaskum and Allenton Fire Departments.

The cause of the fire is still under investigation, but it is not believed to be suspicious, but may have started near electrical appliances.

## KHS Student Council Seeking Help for Post Prom Party

As the Prom date approaches, the Post-Prom Party plans are in full swing.

This is the weekend of both of the above events and the Student Council of Kewaskum High School is still looking for help in the following areas: food, especially baked goods. The students at the party need all the sugar they can get in order to keep going until 4 a.m.

Organizers are still looking for prizes or money to purchase prizes, and if you like working with a great group of teenagers, and like staying up late, consider being a chaperone

and have fun with the students.

If you can help in either of these areas, please contact Larry Ammel at the high school, 626-8427, ext. 4570. The Post-Prom Party will run from midnight this Saturday until 4 a.m. this Sunday morning. A bus will be provided for those who need a ride.

A reminder to all students signed up for the Post Prom Party and their parents: if anyone signed up is not there, we will call the parents to let them know. Thanks to anyone and everyone who has helped for the 1998 Post Prom Party.

### Wayne to Celebrate 150th Birthday

The Town of Wayne is anxiously looking forward to its 150th birthday party. To make it the best birthday ever, we need your help.

Pictures of the past and period clothing would be appreciated. In addition, old machinery, farm tools or old advertising would add to the display. The committee will provide 2' x 4' display boards and easels. Also, tables will be available on which items can be placed.

Bring your display on Saturday, May 23rd, between 10:00 a.m. and 2:00 p.m. to the Wayne Elementary School. Please remove your items at 6:00 p.m. on Sunday evening, May 24th. We welcome any items you bring to display, but they will be your responsibility.

Delicious refreshments prepared by Salem UCC Church will be served throughout the day and into the evening. An old fashioned pie and ice cream social will also be held. Donations of pies from any individuals, groups, and church organizations would help to make the social a success. Pies should be baked in 9" foil pans and brought to Salem Church on Sunday at 10:45 a.m. or whenever is convenient for you.

The festivities begin with a memorial service by the Allenton American Legion at Salem Church Cemetery at 11:45 a.m. in honor of our veterans. At 1:00 p.m. there will be a short program at Wayne Elementary School, and to top off the day, there will be fireworks at dusk on the school grounds courtesy of Uncle Sam's Fireworks.

Come and spend the day viewing the displays and memorabilia at the school. Complete your day with the delicious refreshments and homemade pies at Salem UCC.

What can be a more memorable weekend than "Winding Through The Town of Wayne?" Our sesquicentennial book will be on sale for \$20.00 on May 24th.

Please call Donald Schulz, Chairman, at 629-5707 or Carol Oelhafen, Committee Member, at 626-4239 by May 13th to advise what you will be bringing so the committee

can plan accordingly. Your help is much appreciated. The pie social will be sponsored by the Sesquicentennial Committee.

# Open House Held at Lost Nation Estates Condominiums

Lost Nation Estates, one of the area's newest Condominium Communities, held an open house last weekend to introduce the surrounding community to the 63 unit development.

Located on 67 scenic acres at the intersection of the Highway 45 bypass and Beaver Dam Road, the land was purchased by Tom Timblin of Kewaskum about three years ago.

Previously owned by the late Alex Knoeck, the property was once part of a vast farm in the 1940's that stretched from the freeway to where Skate Country is now located in West Bend. Knoeck dug the man-made lakes himself and planted numerous pine trees to create a tranquil setting for his family.

Timblin acquired the land from Knoeck's children, and originally planned to build his own home there. "It took longer than I thought to finalize everything. Meanwhile we ended up building a home in Kewaskum," he explained.

Lost Nation is 99% designed, planned, developed and contracted by Timblin Property Management. Construction began in October, 1997, and Timblin foresees completion, hopefully by the spring of 1999.

Situated on a parcel that includes wetlands, a forest of mature pines and five acre and one acre spring fed and stocked lakes, Lost Nation offers exclusive lakefront living in both ranch and townhouse condominium units. The first of eight planned buildings is now

completed. Two bedroom units are featured both on and off the lake, ranging in size from 2,025 to 4,050 square feet of living space.

Attractive features enhance spacious interiors, such as the towering granite stone gas fireplace with oak mantel, the highlight of the open living space. Cathedral ceilings, fans, central air, double sound proofing, triple windows, patios that open off a wall of window, wooden decks, a two car attached garage, and handicapped accessibility are part of the Lost Nation package. Three and four bathroom units, some with whirlpool tubs, add to the convenience.

The kitchens in each unit are completed with all oak cabinets, hand-stenciled walls, and a variety of new Kitchenaid appliances and Kohler fixtures. There's a huge 40 cu. ft. built-in refrigerator freezer, dishwasher, washer and dryer, convection oven and microwave, trash compactor, retractable downdraft ventilation system, and electric cooktop.

Presently, showings are available for the ranch and townhouse units off the lake. In the future, Timblin plans to landscape the surrounding acreage with wild flowers, walking trails, and other natural features to blend in with the surrounding landscape, and the stated ideal of quiet country living.

Another open house on the attractive units will be held this weekend (see ad on page 10).

Lost Nation Estates has the first of eight buildings completed and open for inspection.

The central feature of the condominium's main living area is a gigantic, two-story gas fireplace with oak mantels and granite stonework.

All new appliances top off the kitchens stocked with oak cabinets and decorated with hand-stenciled walls.

"Keep making jokes about my receding hairline, son, but remember: Baldness is hereditary!"

### April Kiwanis Students Named

Kiwanis Students from April, (L to R) Matt Hammen and Melissa Theusch.

Kewaskum High School seniors Melissa Theusch and Matt Hammen have been selected as the April Kiwanis Students of the Month.

Melissa Theusch has been involved in the community in a variety of capacities throughout her years at KHS.

During her ten year involvement in Girl Scouts, for example, Melissa has earned the high honor of the Gold Award. She has also spent time as a volunteer in a Milwaukee community meals program.

Melissa volunteers, as well, at Riveredge Nature Center in Newburg. Currently, she's working to start a program to help children learn about the environment, an interest she hopes to further next year, studying Environmental Ecology at UW-Stevens Point.

At KHS, Melissa has been a member of the National Honor Society for two years, a member of the math team for three, and the German Club for four. She is also in the KEY Club and FHA.

Away from school, in addition to her community work, Melissa works at both Paul Auction Company, and Hon-E-Kor Country Club.

In addition to his studies, Matt Hammen is currently working towards another goal: attaining personal bests in the High Jump event on the KHS Track squad. After previous success in winning the Freshman/Sophomore Conference Meet, and last year winning the event in Regionals, Matt has focused on advancing even further this year.

Matt also has been on the soccer team for three years, and has played the trombone in Jazz band for four.

When not in school, Matt plays bass guitar in a friend's band for fun, and works at Dairy Queen, too.

# Esser Honored

The Modern Woodmen of America presented their Community Service Recognition Award to Roy Esser at a recent dinner party.

Roy J. Esser was born on July 10, 1929 in Lomira. His father was a blacksmith. In 1937 the family moved to a farm north of Campbellsport. Roy graduated from Campbellsport High School.

His family included a brother, Norman, sisters, Sister Jeanette, a nun, Carol Murphy, a nurse from Eden, and Jane Gurno of Fond du Lac, who is a third grade teacher at Campbellsport; one son, Gary, and his wife, Renee, and two grandchildren, Ellisa and Erika.

Roy met and married his wife, Dorothy (nee Bizjak), of Crivitz, Wisconsin, while on his first teaching job at Crivitz. They were married July 17, 1954.

Roy received a B.A. degree in Education and Science from the University of Wisconsin River Falls and his Masters Degree in Agriculture Education and credits as a local vocation coordinator from Stout University.

He received education for Administration and Principals at U.W.M. Oshkosh. In 1952 he taught in the Crivitz High School in the Ag Dept. He also taught Math and Phy Ed. In 1960, he came to Kewaskum replacing Bernard Murray, who in turn went to Crivitz School as an ag teacher, starting in the shop program there.

Dan Scheid started the ag program in Kewaskum, followed by Orv Behnke and Bernard Murray. Roy retired from teaching in 1991, after 39 years of teaching. He was given the F.F.A. National American Farmer Award.

Roy was an F.F.A. representative who traveled nationwide and even in China, promoting agriculture for youth. He served as Principal at Campbellsport

School for one year.

Now in his retirement, he works for the Farmers Union part time and in June, 1996, started working part-time for Cedar Valley Cheese Factory (east of Boltonville) as a part-time field man, where he is still working. He also worked at Moraine Park Area Center as a supervisor until his retirement in June of 1997.

Roy has been a member of the Kewaskum Kiwanis Club for 40 years, serving as its president three times. He headed the Surplus Food Distribution; received the "Recognition of Conservation" award for the program of farmers participating in conservation practices; organized the Swine Breeders of Washington, Sheboygan and Ozaukee Counties, and received plaques for originally orga-

nizing them.

Roy was a Red Cross volunteer, chairman of the Cancer and Heart Fund of Washington County, worked with the United Way when the Y.M.C.A. was built and was on the organization of the Rescue Squad at Crivitz.

As an active member of Holy Trinity Catholic Church in Kewaskum, he served on its council for many years, also is in charge of distributing Communion to shut-ins, is a member of the K.C.'s and Moose organizations, and a member of Citizens Advocacy. He has also served as vice chairman of Farm Progress Days.

As you can see, Roy was an extremely active man who took the time to assist for many people.

# Letters to the Editor

April 24, 1998

Dear Editor,

I attended the Kewaskum School Board meeting Monday, April 20, 1998. I was surprised at the behavior of the board members. As an accountant working for non-profit service organizations the past seven years, I have attended many board meetings. However, I have never seen a board behave as unprofessionally as the school board acted. Some members of the board were disrespectful of the speakers and of other board members; they did not look at the person talking or appear to be paying attention to what was being said. There were times when someone was speaking and two board members would be whispering with each other. In high school this type of behavior would have been cause for discipline if there was a speaker or another student speaking, yet this is how our school board acted in public.

Another thing that surprised me was the way the board discussed the issues -- especially concerning the possible opening of Beechwood School. I expected to see the board going through a logical decision making process. Being familiar with non-profit organizations I realize that money is an important factor, yet the numbers (money and statistics) must be weighed against what is best for the people the organization is serving. Saving money is not always in the best interest of those being served. However, these issues were not debated.

Supporters of opening Beechwood School asked for sound, logical reasons for opening or not opening the school. What they received was an emotional outburst from one board member, and irrelevant comparisons concerning the opening of Beechwood vs. improving Kewaskum Elementary. These two issues are separate in that the opening of Beechwood would ease crowding at Farmington Elementary, and something will still need to be done at Kewaskum Elementary.

A statement was made by the Facility Study Committee Chairperson, yet the board appeared to have disregarded the findings of the committee. Again dismissing a sound, logical way to approach the problem.

When Beechwood

School was closed in 1986 it was a very emotional issue for many people. However, this is a different time and a different situation. I would hope that those members of the board who have emotional ties to that original situation could put it behind them and look at this in an objective manner, and if they cannot, maybe they should reevaluate their position on the board.

Thank you,

Brenda Vetter

\*\*\*\*\*

Dear Editor,

We would like to express concern over things that were stated at the last School Board meeting. We were not aware of any threats or tire slashing occurring over the Beechwood issue. However, statements made at the meeting made it sound as though these were recent events. When we asked Board members about this they stated that yes, threats were made on both sides of the issue and tires were slashed 12 years ago. TWELVE YEARS AGO!

Many of us in the Beechwood area were not even involved in this issue twelve years ago. We don't condone threats and certainly don't want things to get volatile. However, we do not consider attending workshops and raising intelligent questions, hostile behavior. Please tell us how repeatedly bringing up the past and mistakes made then, will help our present situation. It does no one any good to continually open old wounds.

The issue of opening Beechwood School or not is one that needs to be looked at objectively. It is dangerous to the entire District when one does not look at the needs of all the children in the District. It needs to be looked at as it relates to the District now, not twelve years ago.

It was also stated at the Board meeting that it must be assumed that we feel our children are not getting a satisfactory education at FES. Just to clarify, all the people we have talked to in Beechwood are satisfied. After all, we have been going there twelve years now. However, we have a school practically in our backyard. BES is part of our community and if it is prac-

tical, which we feel it is, can you blame us for wanting it open?

In addition, we don't feel opening BES is a threat to KES's needs. BES was brought to the School Board's attention as a feasible and cost effective solution to overcrowding. (This suggestion came from the facilities planning group and administration.) It also allows for future growth. It has been stated before, whether BES is opened or not, KES still needs to be addressed.

We feel Beechwood should be opened for many reasons: decreased overcrowding in FES and KES, decreased bus time for children, smaller class sizes and increased parent involvement. We feel at \$220,000 to open as is OR \$600,000 to open and add on (the same amount estimated to be spent on Wayne) that opening Beechwood School would be an asset to not only Beechwood, but the entire District.

We hope that Board Members let go of the past and look at all issues objectively so they can make the appropriate decisions for the entire District.

Sincerely,

Michelle Ringwell

## AN OPEN LETTER TO THE KEWASKUM SCHOOL BOARD:

After reading the Kewaskum Statesman I felt compelled to write. Discovering that the School Board has decided to resolve the fate of the Beechwood School without any further input from the School District strikes me as the beginning of a dictatorship, telling us you have knowledge of what is good for us more than we do.

Maybe with this in mind the voters of the district should demand a recall of all the members of the school board who feel this way and start over again with members who listen to the voters of the district and attempt to abide by their wishes.

After reading the article for a second time I get the distinct impression that the school board members, either all or in part, feel that the voters are not intelligent enough to make a

qualified decision.

We all want what is best for the students, but, come on now, let's get all the facts and let the voters decide.

Kenneth Stelzel

\*\*\*\*\*

To: Kewaskum  
School District Residents,

A repeat performance from the spring of 1986 at the School Board Meeting Monday night!

Once again taxpayers had no chance to vote on the Beechwood issue. Board members that wanted the public to decide -- once again, changed their minds when voting.

It's about time this board starts working with Administration, before we lose more good Administrators. This board has deaf ears to surveys, committees (chosen by them!), parents and concerned citizens. The taxpayers voted them in to serve the WHOLE District and not just a select few. Seven people should not be allowed to make such drastic decisions. Please start thinking of education. They know we have a good system with dedicated Teachers, Administrators and Support Staff.

The Beechwood Community works so well together. We have a terrific volunteer Fire Dept., and a Firemens Auxiliary, Athletic Club and Sportsmens Club. The Athletic Club has welcomed kids from the

whole surrounding area, including Wayne, Kewaskum, Farmington, New Fane, Parnell and Batavia. Never has there been any discrimination shown.

May I suggest to anyone interested in running for School Board to start attending meetings now so you know procedures before you take a seat.

Marge Krahn

Dear Board Members of  
The Kewaskum Schools:

"Okay, it's back to the drawing board."

Who has the inventory list of the equipment moved out of Beechwood at its closing?

Yes the Board had the right to move these articles to wherever they were needed; but now their value should be subtracted from the start up cost, and then the stripe won't be that wide on the skunk.

Let's let all that has gone over the dam be and put our shoulders to the task at hand, and in two-inch headlines in the Kewaskum Statesman announce the opening of Beechwood School.

Beechwood School could in time be the greatest small school with about 130 same age children.

When the opening is set, there will be so many volunteers that Mr. Allmann won't be able to find work for all.

## County Bar Association To Celebrate Law Day

The Washington County Bar Association will celebrate Law Day with an informational booth at the Washington County Courthouse on Friday, May 1, from 8 a.m. until 4 p.m. which will be open to the public.

## Farmington Swampbusters

On April 9, the Farmington Swampbusters held their monthly meeting. To celebrate Easter, our club held an Easter egg hunt. The event was enjoyed by everyone as each member was awarded with a small bag of candy for finding three eggs.

The contestants of the Sesquicentennial were awarded a candy bar and a 4-H pencil for participating. The members of the electricity, woodworking and dog clubs each had well planned demonstrations.

At the end of the meeting, Diana Susen showed slides of old landmarks located in the Town of Farmington. It was an interesting and educational slide show. To enhance the appearance of the Farmington Town Hall our club plans to plant several plants and bushes. In an effort to help the environment our club will meet on May 9 to clean up the litter on Jay Road. After the clean up there will be a potluck dinner at the baseball diamond in Boltonville.

## Kewaskum 4-H Club News

The April meeting of the Kewaskum 4-H's was called to order by President Brooke Zanow on Thursday, April 2, 1998 at 7 p.m. Nicole Bublitz led the Pledge of Allegiance and Justin Weindorf led the 4-H Pledge.

We elected a new secretary. Adam Jung will be the club secretary for the remainder of the year. The treasurer's report was read by Jessica Lendved.

We then went on to activity reports. Graeme Zanow reported on painting clay pots for Easter with the residents of Meadow Creek apartments and also the sharing of refreshments afterward. The residents, as well as the club members, all enjoyed the activity.

Justin Weindorf reported on the Admirals game, which our club attended on March 28. All who attended had a good time as always. This outing is an annual event for our club.

We then moved on to old business. Information was presented by Mrs. Sandy Tutas, Mrs. Bonnie Zanow and Brooke Zanow on our club's participation in the "Buy-a-Brick" program to raise funds for the new Washington County Fairgrounds. A lot of helpful information was presented.

Club members are asked to please have all pizza money and unsold pizza tickets turned into Mrs. Zanow by the May 7th club meeting at the latest. That way we can wrap up this fundraiser so other members can try to sell them.

Nine of our club members posters were voted to go to county for the Speaking and Poster Program. Congratulations to Cloverbuds Sta-

cey Tutas and Justin Weindorf; Juniors Jennifer Tutas, Adam Jung and Jason Jahnke; Intermediates Kim Erdmann and Josh Nahmens, and Seniors Jonathan Lendved and Brooke Zanow.

Speeches pertaining to the Wisconsin Sesquicentennial were given after the club meeting by Heather Hackbarth, Amanda Jesowshek and Staci Imler.

We then moved onto new business. We talked about planning an activity with the people of Meadow Creek in May, perhaps playing bingo. Adopt a Highway for our section of Highway 28 cleanup is set for Saturday, April 25, at 10 a.m.

We talked about Wild Wacky Weekday Summer Camp. Our club will pay for any members who wish to be counselors. We then took volunteers to help with our June Dairy Month window display.

Our club will have a turn at the county fair refreshment stand again this year. Our turn will be on Sunday, July 26, from 3:30 to 7:30 p.m.

Club members participating in the Interstate Exchange and traveling to Colorado this summer had a brat fry on Saturday, April

11, at Sentry parking lot. Members in this exchange program are Kim Erdmann, Jessie and Jon Lendved and Brooke Zanow. Hope you all enjoyed a brat and helped them with their fundraiser.

Breakfast on the Farm will be held on Saturday, June 13, at Sunset Farms Inc., by the Wolf families, 6600 Sunset Drive, Allenton. We'll have signup information at our May club meeting.

Upcoming project meetings were announced, and demonstrations were given by Chad Hackbarth, Heather Hackbarth, Amanda Jesowshek and Jason Jahnke. The meeting was adjourned and refreshments were served.

## Lac Lawrann Wild Flower Sale May 9

Lac Lawrann conservancy volunteers are once again, spending long days potting wild flowers and perennials for their 11th annual sale May 9. Sponsored by the Friends of Lac Lawrann the sale will be from 9 a.m. to 1 p.m. at the conservancy, 300 Schmidt Rd., West Bend.

Preparations for the sale began last fall and continued early this spring with the construction of grape vine trellises which will be sold along with the woodland and prairie wild flowers and hardy perennials. New this year will be the introduction of walking sticks made by the volunteers. While none of the wild flowers for the sale are dug at the conservancy, they come from members and friends property, the raw materials for the walking sticks do come from the conservancy.

From its beginning volunteers have been trying to eradicate Buck Thorn from the conservancy. Buck Thorn, although it is still sold at area nurseries, is invading Wisconsin's natural areas and crowding out native vegetation. Because the volunteers are cutting the Buck Thorn from the conservancy, it is fitting to use the wood for the walking sticks.

Among the thousands of plants available at this year's sale are the favorites: Trillium, Jack -in-the-pulpit, Virginia Blue Bell, purple, white and gray headed Cone Flowers, and Back-eyed Susan. Ferns, herbs, ground covers, a few shrubs, vegetables, (such as rhubarb), water garden plants and house plants will also be available. Other items for sale are grapevine baskets and drying racks, and wild flower seeds.

Proceeds from the sale will be used for education materials for the conservancy nature programs, land acquisition and for the building of a nature center. Area residents are invited to join the Friends of Lac Lawrann or become volunteers. Students from area schools participate in yearly field trips at the conservancy and programs for families, children and adults are held weekly in the spring and fall. There is no charge for any of these programs.

Flowers for the sale are all

donated by volunteers and friends. Anyone who has plants to donate or an area that will be used as a building site containing plants should contact, Joan Rosenberger, 692-2491 or Loretta Mierniczak, 334-5787. Blood Root sold at this year's sale originally was dug at the site of the ice rink south of West Bend years ago and put in planting beds at the conservancy.

Mr. John Knepel of the accounting firm of Conley McDonald LLP, was present to review and answer questions on the latest audit prepared for the Village of Kewaskum for the year ending December 31, 1997. Mr. Knepel explained the entire audit process and financial statements regarding the General and Utility Funds portion of the audit and associated financial statements. The audit revealed the Village to be in a healthy position.

It was further noted the General Fund ended with a positive balance. The Water Utility reflected a balanced rate of return; this rate of return being 5.50%. It was noted that the PSC has authorized the Village Water Utility to have a rate of return of 8.25%. The Auditors suggested possibly looking into the short form PSC rate adjustment process to account for inflation. The Sewer Utility also ended the year with a positive balance. It was noted that a rate increase was just implemented to help cover the cost of the proposed relief sewer projects. The Village's overall debt is at an estimated 14.2% of what the law provides.

## Kewaskum Athletics Post Another Win

The Kewaskum Athletics ran their exhibition record to 2-0 with a 3-1 victory at St. Cloud on Saturday. Pitching was the name of the game for Kewaskum as Dane Dorn and Bob Bothe teamed up to shut-down the St. Cloud offense on only 3 hits. Dorn started the game and turned in six strong innings, allowing one run on only 2 hits. For the second consecutive week Bob Bothe delivered three scoreless innings of relief. Bothe gave up his first hit of the season while walking none and striking out two.

St. Cloud took the first lead at 1-0 in the bottom of the 4th inning. The Athletics answered in the top of the fifth. Bob Bothe led off the inning with a single. A double by player/manager Dave Donath put runners on second and third. Kevin Klahn promptly knotted the score with a run scoring single. Erik Kraemer gave Kewaskum the lead for good by blasting a solo homer in the sixth inning. An rbi single by clean-up hitter Terry Koth in the seventh inning completed the scoring.

Dave Donath and Kevin Klahn each picked up 3 hits, with two of Donath's being doubles. Erik Kraemer had a single to go along with his homerun. Terry Koth and Bob Bothe each collected a pair of safeties.

Sunday's scheduled contest at Forest was cancelled due to rain. Kewaskum's next action

comes at home on Saturday, May 2 when they host the Neosho Rockets in the 1998 Tri-County Nite league opener for both teams. Sunday will see an old Land-O-Lakes foe come to town when Port Washington visits for an exhibition game. Both games will start at 1:30 p.m. and will be played at the Kiwanis Park.

## Wiesner Double Winner

# KHS Girls Track Third at Quadrangler

Last year's Eastern Wisconsin Conference track champion, Chilton, continues to serve notice that they are going to try to repeat as champs this season.

Chilton scored 94 points to win the meet easily as Sheboygan Falls took second place with 64 points, just four more than host Kewaskum. Newcomer Manitowoc Roncalli finished fourth with 38 points.

Senior Carrie Wiesner continues to perform well in the hurdles by winning both the 100m high hurdles and the 300m low hurdles with a time of 17.3 and 51.4 seconds respectively. Teammate Jackie Michaels, despite an injury, took second place in the 300m low hurdles with a time of 52.9 seconds and also placed fourth in the 100m high hurdles in 17.8 seconds. "Great performances by Carrie Wiesner and Jackie Michaels in both hurdle events. They will both, however, need to continue working hard to reduce their time to challenge for the best times in the conference in these events," commented head girls coach Joe Kinney.

Junior distance runner, Carol Neumann, took a pair of second places in the 1600m and 800m runs with times of 5:47 and 2:35.8 respectively. Winning both events was Amber Arthur from Sheboygan Falls with a time of 5:40 in the 1600m run and 2:31.4 in the 800m run.

Senior MacKenzie Downs won her specialty, the triple jump in her first meet of the season with a good jump of 31'3/4". "MacKenzie Downs did well in her first meet after fulfilling her suspension. She is a few feet short, however, of her best performances from last season, but we expect her in time to be back to jumping in the mid thirties," added Coach Kinney.

The Kewaskum 3200m relay, 800m relay, and 400m relay teams all finished third out of the four teams. The 3200m relay team of Emily Rinzel, Lauren Steinhardt, Lauren Nelson, and Emma Chambers finished in 11:22.9. The 800m relay team of JoAnne

Senior, JoAnne Thull shown preparing to run hurdles.

Thull, Jackie Michaels, Tina Lindren and Carrie Wiesner finished in 1:57.0. The 400m relay team of Jenny Fettig, Lynn Wiesner, Jody Wichtoski and JoAnne Thull finished in 59.9 seconds.

Also placing third were the following individuals, their event, and their time or distance:

Placing third for Kewaskum were Jill Wichtoski in the long jump with a jump of 13'7", Sara Dedert in the discus with a throw of 85'8", and Jessie Repovsch in the high jump with a leap of 4'6".

Placing fourth for Kewaskum were Tina Lindgren in the 100m dash in 14.1 seconds, Colleen Gosa in the 1600m run with a personal best time of 6:03, Emily Forester in the 400m dash with a personal best time of 1:07.1, Sara Dedert in the shot put with a personal best throw of 31' 11 1/2", and Emily Rinzel in the 3200m run with a time of 13:57.

Placing fifth for Kewaskum were Amber Averill in the 400m dash in 1:08.1, Jill Wichtoski in the triple jump with a personal best of 29'3", and Colleen Gosa in the 800m run with a time of 2:47.8.

"Carol Neumann and Colleen Gosa did a good job with the mile and 800m runs - nice steady performances. Emily Rinzel also did well in the 3200m run. All three of these runners are improving," concluded Coach Kinney.

# Field Events Lead to Success KHS Boys Track Takes Second

Senior, Aaron Nelson's 3200m relay finished 10:06.6 in Thursday's meet with Chilton, Sheboygan Falls and Manitowoc Roncalli. Overall the team finished second in the meet.

Statesman Photo: Andrew Kuehl

The Kewaskum boys track and field team edged Manitowoc Roncalli to finish second Thursday, April 23, at a four team track meet held at Kewaskum.

Chilton won the meet with 82 points, Kewaskum scored 67 points, Roncalli finished third with 66 points, and Sheboygan Falls had to settle for an uncharacteristic fourth with 44 points.

Kewaskum tallied 43 points out of their 67 total points by winning four field events and by placing two athletes in five of the six field events. Kewaskum athletes captured first place in the high jump, pole vault, shot put and discus. Senior Troy Staehler had the highest placing in a running event by taking second in the 800m run with a time of 2:13.4. Junior Scott Mueller took third right behind Staehler with a time of 2:15.4.

In the field events, senior Matt Hammen won his specialty, the high jump, with a leap of 6'2". "Matt has been working hard and jumping well," commented jumping coach Keith Amundson. Teammate Sean Cotter placed third with a jump of 5'6".

Seniors Brad Hermann and Troy Staehler didn't have a lot of competition in the pole vault, but easily went 1-2 in the event by clearing 11' and 10' respectively. The level of competition will increase greatly with the Washington County Outdoor Championships on Wednesday, April 29.

Senior Matt Gundrum won the shot put with a throw of 44'9" and Charlie Sparks took fifth with a 37'11" effort. In the discus, freshman Charlie Sparks surprised almost everyone by winning the event with a personal best of 122'11". Gundrum finished in second

place just 11 inches behind Sparks with a toss of 122'. "Sparks definitely has the potential to be a good one," remarked throwing coach Dave Rizzardi. Sparks also took fourth place in the 100m dash in 12.1 seconds.

Junior Josh Rieder placed third in the triple jump with a personal best of 36'11", just three inches behind first place. Rieder

also placed third in the long jump with a leap of 17'3 1/2" and fourth in the 400m dash with a time of 58.7 seconds. Chris Weninger placed fifth in the long jump with a distance of 15'8".

All three Kewaskum boys relay teams (3200m, 400m and the 1600m) finished in third place out of the four schools.

The 3200m relay team of Matt Belger, Dan Wall, Aaron Nelson, and Chris Weninger finished with a time of 10:06.6.

The 400m relay team had to make a last minute change when the fourth member, Charlie Sparks, who usually runs the anchoring leg, didn't make it back from the new discus area behind the Kewaskum Middle School to join his teammates for the race. Chris Koth, Josh Parrent and Paul Mertz were joined by last second replacement Matt Belger and finished with a time of 50.8 seconds.

The 1600m relay team of Darrell Woebeking, Chris Weninger, Jake Peterson and Josh Parrent finished in 4:15.5.

Aaron Nelson took third in the 3200m run with a time of 12:14.8.

Sophomore Chris Koth took fourth in the 300m hurdles in 45.9 seconds and also went 10' in the junior varsity (JV) pole vault competition.

Junior Matt Belger, who

is out for his first year of track, ran exceptionally well and placed fifth in the 1600m run with a time of 5:23. Belger dropped 31 seconds off his previous best time. "Matt has been working real hard. He has come

a long way in a short period of time. It sure would have helped him if he had been out for track before, but I'm glad to have him on the team this year," exclaimed

# Boys Track

head boys coach Jerry Gosa.

Other highlights Thursday night include freshman Josh Parrent, making 10 feet in the pole vault in the JV portion of the meet. "Josh made 10' in practice on Tuesday for the first time and then he comes out and makes it in the meet on Thursday. That's great for a freshman," reported a happy coach Gosa. Sophomore Chris Koth, who also just started vaulting this

year, has already cleared 11' in practice. "I also want to give credit to volunteer coach Rick Robinson for all his hard work, dedication and effort he makes to get to practice. Coach Robinson has been working with our pole vaulters for the last seven years going back to school record holder Brad Jackson. He does a great job, and the guys are fortunate to have him here," expressed a thankful coach

Gosa. The pole vault should continue to be a strong event for Kewaskum.

"This is only the beginning of the outdoor season for us. We have a lot of hard work to do and improvement to make in order to continue making progress individually and collectively as a team," concluded coach Gosa.
