Town of Wayne to Celebrate Sesquicentennial Top Teacher Contest

It's a party that no one should miss! Once every 150 years, the area decides to throw a big bash for all to attend. That is what is in store at Wayne, Wisconsin on May 24.

It will be an opportunity to those who have had roots in the Wayne area to relive and revisit what their forefathers and mothers experienced upon arriving in the area. Whether it was Kohlsville, St. Kilian or the Wayne area, it seems everyone has memories of this part of the world.

Everyone is traveling so fast these days and things are changing so rapidly, it seems only fitting that we take a day and relive a little of what has been.

To do this, we are asking families with founding roots in the area to contribute family momentos and memories to be on display at Wayne Elementary School from noon until 6 p.m. on May 24. Setup will take place on Saturday, May 223 from 10 a.m. until 2 p.m. Display boards and easels are available from committee members for your use. Tables will also be available for momentos and family keepsakes.

Maybe you have grandmother's wedding gown or granddad's army uniform you would like to share. Maybe it's some hand tools or some homemade items that have withstood the test of time. Maybe even some advertising memorabilia from some place that is long gone, but not forgotten. We ask your cooperation in making the displays truly educational and informative. Please call either Donald Schulz at 626-5707 or Carol Oelhafen at 626-4239 if you have questions or can be of assistance. Delicious food is also in store, for what would a party be without good old

come.

fashioned food? All this will take place at Salem UCC Church adjacent to the Wayne Elementary School. Shuttles will be available between both locations for easy accessibility.

Area residents who have resided for more than 75 years in the township will also be recognized. Also, land ownership of over 100 years will be awarded certificates.

All this history has been worked on for many months by a dedicated team of hard-working individuals who have also compiled a wonderful commemorative book for you to purchase and enjoy for generations to come. It is a great way for you to share the past of the Town of Wayne with your family and friends.

It will be available on May 24 for a cost of \$20. "Winding Through the Town of Wayne" is a wonderful visit back to the times when work was hard, the times were tough, but the memories were made. Buy several for family and friends, as they make fantastic gifts for years to

Oh, by the way, the day ends at dusk with a fantastic fireworks program sponsored by Town of Wayne's Uncle Sam's Fireworks. Come early and stay late. It will be a great holiday and one we hope you will always remember!

KES OMers Take on State

Prior to their trip to State, the Kewaskum Elementary Odyssey of the Mind team received a rousing sendoff during a schoolwide pep rally.

Teacher Mrs. Miller even donned a fishing outfit to lead a cheer for the OM team. The team, which qualified by winning the March, traveled to the State Meet in Stevens Point during Easter break. Out of 16 teams in their division, the **KES** team grabbed 11th place.

WBKV Sponsoring

WEEK'S WIT

You can take a day off. but you can't put it back.

WBKV is sponsoring a "Top Teacher," contest in honor of Teacher Appreciation Month, which is May. Kids are asked to participate by writing down their favorite teacher and why they should be recognized. Students should include their name, address, age and phone number and the teachers name, grade and school. Entries can be mailed, faxed (334-1512) or dropped off at WBKV by 5 p.m. Friday, May 22nd.

Grand Prize is a \$50 dining certificate for Schulz's White Tail Inn, a Sybaris Pool Suites in Mequon gift certificate, and a dozen roses. Eight additional teachers will receive floral arrangements and a Schultz's White Tail Inn gift certificate. All flowers courtesy of Bits and pieces Floral.

The student who nominates the Grand Prize winners will receive a Domino's Pizza party for their class from West Bend's Dominos.

All area students are invited to participate. Creativity and sincerity is encouraged.

Last years Top Teacher was Scott Zvers from Jackson Elementary.

For additional information, WBKV's Bob contact Bonenfant at 334-2344.

Village EDAC to Meet With Board Members

Members of Kewaskum's Economic Development Advisory Committee will be meeting jointly with the Village of Kewaskum Trustees, the Kewaskum School Board, the Town of Kewaskum Board and the Village of Kewaskum Planning Commission on Wednesday, May 13, at 7 p.m. in the Community Room of the Municipal Building.

The purpose of the infor-

Community-Wide Rummage Sale Set for May 30

The Kewaskum Area Chamber of Commerce will be sponsoring the annual village-wide rummage sale on Saturday, May 30

mational meeting is to review and discuss the results of the recent village survey sent out by the EDAC and to decide on what future steps need to be taken.

Dan Wilson, of the University of Wisconsin Extension, will also be present to answer any questions on the survey and to lead the review of the information.

Members of the EDAC also agreed at their last meeting to visit the community civic groups during their meetings to share survey results, answer questions and seek input from club members as to what direction they would like to see pursued.

Preschool Screening

Kewaskum Resident to Appear On Lottery Money Game Show

Jay A. Herdt of Kewaskum will make an appearance on the Lottery Money Game TV show this weekend with a chance to win in excess of \$50,000.

To qualify for the show a winning Lucky Stars instant ticket was purchased at Eastside Mobil.

Each week the show features 35 to 40 contestants and is taped on Friday afternoon. The show can be seen on television stations across the state over the weekend.

Last week's winner was Thomas Deaton of Milwaukee who won \$29,500.

Talent Show at KHS Saturday

On Saturday, May 9, the Kewaskum High School Swing Choir will be presenting their annual talent show. The show begins at 7 p.m. and will take place in Rose Hall.

The cost is \$2.00 for adults and \$1.00 for students and children. Hope to see you there!

The Chamber is urging citizens to hold their rummage sales on this date as this will be the only community-wide sale this year. Residents, businesses and community civic groups are also encouraged to participate by offering sales on rummage, merchandise, food and refreshments. If individuals wish to advertise their specials and sale items, please feel free to do SO.

There will be no sale fee charged to participants and maps will not be distributed, however, the Chamber will be advertising the event in local newspapers and on the radio.

For further information please call the Kewaskum Area Chamber of Commerce at 626-3336.

The School District of Kewaskum will be conducting preschool screening on June 4, 5 and 6 in an attempt to identify those four-year-olds who may qualify for the district's First Steps program as well as those three to five-yearolds who may have exceptional educational needs.

Areas of screening include speech/language. vision, hearing, and readiness skills.

This preschool screening will take place at Kewaskum Elementary School, 1550 Reigle Drive in Kewaskum. Please call 626-8427, ext. 8001, to schedule a screening appointment.

Thank you for your cooperation in this matter.

Kewaskum Woman's Club

GFWC Kewaskum Woman's Club President Gwen Dreher proudly displays the six awards the club received and the recent Sixth District Spring Convention in Cedarburg.

The GFWC Kewaskum Woman's Club received six department awards at the GFWC-WFWC Sixth District Spring Convention held on Wednesday, April 22, at the Cedarburg Cultural Center.

The club presents a report on community activities done by the all-volunteer members. This year the club presented 11 reports in the various categories of activities.

GFWC Kewaskum Woman's Club President Gwendolyn Dreher, along with Second Vice President Rita Etta, accepted awards for sponsoring art contests, membership drives, Riverwalk Project, village planters and plants, beautification of village awards, a "Color Me Healthy" luncheon hosting the Sixth District Conference and scholarship awards.

The GFWC Kewaskum Woman's Club will also receive a certificate of merit at the Annual State Convention to be held on Friday in Brookfield.

Wayne Child Care Administrator Excited Over First Ladies Visit

On Monday, April 27, Dodie Sargent, Administrator of The Little Folks School House, attended a child care forum at MATC in Milwaukee. The forum was sponsored by Congresman Tom Barrett.

The forum consisted of discussion from six panelists from the State level and four panelists from the National level. Also speaking on child care issues was Congresman Tom Barrett and U.S. Senator Herb Kohl. The Keynote address was by Hillary Rodham Clinton.

Sargent was fortunate

ing three credits each. "It is a very intense but rewarding course" says Sargent. She has just completed class #5 and looks forward to class #6 which is scheduled for August. Graduation will follow in the fall. This particular course is offered through UW-Milwaukee and Nicolet Tech. College in Rhinelander.

After attending the forum, Sargent and her classmates (fellow Administrators) toured the MATC child care center where they were given the same tour as the First Lady minus the secret service. Hickman Academy in Milwaukee, Children's Community Center in Menomonee Falls and The Little Folks School House in Wayne. "I was excited that my center was one of the chosen" said Sargent "But felt a little nervous upon learning that the instructor chose to join my group in our visit to my center."

Topping all of that excitement was the thrill of listening to Hillary Clinton. "She spoke with such conviction" remarked Sargent. Mrs. Clinton realizes that child care is a #1 priority, understands the issues at hand and is supportive of those working in the child care profession. The first Lady is quoted as saying "Affordable, quality child care for children profoundly affects how they develop and grow and learn over a lifetime."

Mrs. Clinton spoke of the Presidents' proposed \$20 billion in funds for childcare. Money that would raise subsidies for low income parents, give better tax credits for parents using child care and offer grants to child care centers for expansion, staff training and

salary raises.

Sargent realizes that this is a real positive incentive to lobby Congress to pass the proposed bill. She believes that child care is so valuable. "If you think about it, when parents put their child into child care, they are literally putting the life of that little person in the hands of th caretaker. Child care to me, i one of the most important job in the world, and yet it remain to be the most underpaid an least respected" said Sargen "Child care teachers are pro fessionals and should b regarded as such."

Thursday, May 7, 1998

enough to attend the forum as part of a class she is currently taking. The class is titled "the Professional Credential for Wisconsin Child Care Administrators." This is a six module, 18 credit course. Each class runs a week long covering 40 - 50 class hours, earnUpon completion of the tour, the class broke up into groups to visit three child care centers where they needed to study classroom set-up, observe one child and observe teacher/child interactions. The centers that were chosen to be among the three were

POPPY DAY Friday, May 15

American Legion Auxiliary volunteers will distribute the familiar red, handcrafted poppies honoring America's war dead on Friday, May 15, designated as Poppy Day by Auxiliary Unit #384 in Kewaskum.

Planned to coincide with the Memorial Day holiday, the annual event pays tribute to those veterans who have died in the last 75 years. It also honors the millions of Americans who have willingly served their country in seven decades.

It serves as well as honors

the veteran with all proceeds from the distribution invested in local programs for the benefit of the veteran and his/her family.

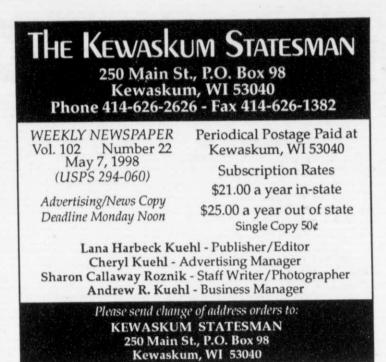

Each nine-piece poppy is made by veterans for veterans in Auxiliary-sponsored Poppy Shops that supplement physical and psychological therapy needed by hospitalized and disabled veterans. The Auxiliary provides the materials and the volunteers. The veteran makes the poppy and is paid a small amount for each painstakingly-made flower. For some it is their only income.

No matter what the cost of maintaining and supplying the Poppy Shops, the memorial poppy is never sold, but given in exchange for a contribution.

The Poppy program has been part of Auxiliary programming for more than 70 years. It has been estimated that approximately 25 million Americans wear the poppy to honor America's war dead and all veterans, contributing over \$2 million for rehabilitation and welfare programs.

Strachota Appointed Program Director

The Washington County Comprehensive Community Services Board of Directors has appointed James C. Strachota to the position of Program Director replacing Douglas A. Johnson who recently accepted the position of Washington County Administrative Coordinator. Mr. Strachota who has accepted the position will assume his new duties May 11, 1998. Strachota (45), his wife

Strachota (45), his wife Molly and their son Andrew currently reside at 306 S. 15th Avenue, West Bend. His daughter Cassie currently attends the University of Wisconsin-Stevens Point.

Strachota has a Bachelor's Degree in Psychology and Communications from the University of Wisconsin-Stevens Point and a Masters of Education from the University of Idaho with emphasis in Mental Retardation. Stachota has served as Washington County's Developomental Disabilities & Long-Term Support Coordinator since January, 1984. In that capacity, he coordinated community services for 435 individuals and managed a 6.1 million dollar annual budget with over 20 contract agencies. Prior to coming to Washington county, he served as a Developmental Disabilities Counselor with

wide variety of human service issues.

Waukesha County Unified Community Services.

His starting salary will be \$57,158.40. The maximum rate of pay for the position is \$73,257.50. His is currently paid \$53,164.80 as CCSA's Developmental Disabilities & Long-Term Support Coordinator. Strachota currently serves on the Wisconsin Council on Development Disabilities, a position for which he was appointed by Governor Tommy Thompson. He also serves as a Wisconsin delegate to the President's Commission on Mental Retardation.

In his new position, he would oversee an annual budget in excess of 13 million dollars and supervise a staff of 75 members and be involved in a

Memories

Lazeda Perschbacher Photo

After a brief respite, we again find our way on Kewaskum's Fond du Lac Avenue, as seen over 50 years ago. We have crossed the street

name of the business was changed to the "Rex Garage" and he began selling and servicing automobiles in January 1920. The blacksmith shop was changed to car services and sales, discontinuing horse drawn vehicles. He sold Fords. Buicks. Chevrolets, Dodge, and Plymouth cars in the years to follow. In 1935, an Allis Chalmers farm machinery dealership was added. A full line of tractors, combines and other implements were sold and services. A few years later the New Idea and Gehl Brothers dealerships were added. Arey A. Perschbacher died in 1942 and his son, Myron, purchased the business from the Perschbacher family. Under his ownership, he continued the farm implement busiiniy ieimuen Photo

ness, but discontinued the car dealership, due to lack of space. At this time he also started a complete line of Simplicity and Jacobsen lawn and garden equipment. In 1962 he discontinued the farm implement sales and devoted full time to the service and sales of lawn and garden equipment. In January, 1974, an agreement was made with Edward E. Miller of Miller's Furniture Inc. to purchase the Muron A. Perschbacher Shop, located at 1317-1325 Fond du Lac Avenue, effective May 1, 1974. At this time, Myron discontinued his business and retired. The site it formerly occupied is now the location of Miller's latest addition to their furniture store.

courtesy of Mrs. Lazeda Perschbacher, Arey A. Perschbacher is shown standing in front of the building with his arms folded. Sitting on the wagon is his son, Chester Perschbacher. Our thanks to Mrs. Perschbacher who shared the above information with the Statesman. If anyone has recollections to share on upcoming businesses on Fond du Lac Avenue, please submit it to the Statesman, or call 626-2626.

Scientists believe the dog gradually developed from a weasel-like animal called *Miacis*, which lived about 40 million years ago.

Village of Kewaskum NEWS NOTES RECYCLING TIPS ALUMINUM BEVERAGE AND TIN CANS 4 of 7

TYPE OF ALUMINUM: Aluminum cans generally used in the beverage industry.

TYPE OF TIN CANS: Tin cans generally used in the food industry.

PREPARATION: Simply drain and rinse. This is the most important aspect of a successful recycling program. Aluminum beverage containers and tin containers that are contaminated with liquid or food residue cannot be recycled. Place aluminum and tin containers in your dark green recycling bin or blue recycling bag. Flattening containers is not necessary but will save space in your recycling bin or bag. Place the bin or bag at the curb on the same day that your solid waste is to be collected. Pick up will be Wednesdays for both solid waste and recyclables. Multifamily dwellings of six or more, remember, your recycling pick up will be the first and third Wednesday of each month.

Donna Marie Vogt

CAMPBELLSPORT --Donna Marie Vogt, CFP, President at Sunshine Creek Financial in Campbellsport, has been authorized by the Certified Financial Planner Board of Standards (CFP Board) to use the CFP certification marks and the marks CFP and Certified Financial Planner in accordance with CFP Board certification and license renewal requirements.

Mrs. Vogt specializes in retirement planning and investment planning. Securities are offered through Robert Thomas Securities, Inc., member NASD/SIPC.

These marks identify those inviduals who have met the rigorous experience and ethical requirements of the CFP Board, have successfully completed financial planning coursework and have passed a certification examination covering the following areas: the financial planning process, risk management, investments, tax planning and management, retirement and employee benefits, and estate planning. CFP licensees must also agree to meet ongoing continuing education requirements and to uphold the CFP Board Code of Ethics and Professional Responsibility.

The CFP Board is a nonprofit professional regulatory organization established in 1985 to benefit and protect the public by maintaining and enforcing high standards of ethical professional conduct among Certified Financial Planner licensees. An independent certifying body, the CFP Board owns the CFP certification mark and the marks CFP and the Certified Financial Planner, the most widely recognized marks in the financial planning profession. More than 31,000 financial planners are presently licensed to use

Area Students Receive DAR Good Citizens Awards

DAR Good Citizens honored April 23, are, left to right: Robert Stoltz, Katherine Gore, Melissa Marban, Kathryn Dix, Bridget Baum and Kip Johann-Berkel

WEST BEND -- The Joseph Marest Chapter of the Daughters of the American Revolution presented six area high school seniors with DAR Good Citizens awards at the annual awards program held Thursday, April 23, in the circuit courtroom of the Old Courthouse Museum.

The Good Citizens represent six high schools and are chosen from their respective senior classes on the basis of dependability, service, leadership and patriotism. This year's Good Citizens are: Robert Stoltz, West Bend West High School; Kim Michael Johann-Berkel, Hartford

'Creepy Creeps' Friday at KMS

Middle Kewaskum School's musical, "The Creepy Creeps of Pilgrim Road," will be performed at KHS Rose Hall at 7 p.m. on Friday, May 15.

Tickets cost \$2 for adults, \$1 for students and are available through the school from Mrs. Dors

Union High School; Katherine Gore, East High School; Kathryn Dix, Germantown High School; Bridget Baum, Kewaskum High School, and Melissa Marban, Slinger High School.

Each student was presented with a Good Citizens pin, a \$50 savings bond and book about the DAR museum and genealogy library in Washington, D.C.

Parents of the students participated in the awards program, which was attended by DAR members and guests. A special guest was Ricardo Siqueira of Brazil, an AFS student from Brazil. A musical program was presented by the Upbeat Quartet, a string quartet that includes West Bend

students Sonja Yde, Margaret Seater, Josh Yde, and Maria Ritzenthaler.

The Joseph Marest DAR chapter was formed in 1950 in West Bend. The name of the chapter honors Fr. Joseph Marest, a Jesuit missionary who was chaplain of an expedition during the French regime in Wisconsin and the Northwest in the late 1600s. He is said to be the first white man to live on the soil of old Washington County.

Heritage Map Now Available Around Washington County

"Since releasing the new Heritage Map," states David Tanner, the Society's Executive Director, "the Washington County Historical Society has received numerous calls from people inquiring about where to purchase the map locally."

The map itself is a beautiful, full-color map that folds out to a size of 18" x 24". A few unfolded copies that are suitable for framing are available only at the Treasurer's Vault Gift Shop in the Old Courthouse Museum, 320 S. 5th Avenue, West Bend, during regular hours for tours, Wednesday, Thursday and Friday from 10 a.m. to 4 p.m. and Sunday from 1 to 4 p.m.

The map contains useful information about various cultural, historic and tourist attractions throughout the area, as well as more than 70 unique and interesting facts about Washington County with many pertaining to the Sesquicentennial. For instance, did you know:

* St. Paul's Church in the Township of Erin was the first Evangelical church in Wisconsin? Its congregation dates back to 1840.

* The founder of Cedar Creek, Densmore W. Maxon, was elected to the first State Legislature, participating in the organization of the government of Wisconsin in 1848? His original home, which once included the local post office, still stands as a private residence and Wisconsin Registered Landmark #83.

* Bruno Woldt's Blacksmith Shop located on Main Street in Kirchhayn, Township of Jackson, has operated continually as a smithy since the early 1840's?

And there's much more to discover along with interesting current and historic photos taken from the archives of the Washington County Historical Society. Some of the historic photos include an image of an original Kissel Car manufactured in Hartford, the Barton Roller Mils and the 1889 Old County Courthouse in West Bend, now operation," indicates Tanner. Any business with a current seller's permit that would like to stock the maps should call him at 335-4678 to make arrangements.

For those interested in purchasing a map, they are currently available at the following locations: in Allenton at Summer Kitchen Herbs and Romie's Amoco Service; in Cedarburg, at The Buffalo Farm; in Germantown, at Sinter-Klausen, Germantown Historical Society's Dheinsville Settlement, and German Glass and Gift Imports; in Hartford, at the Hartford Chamber, Heide's, the Hartford Auto Museum, Tussie-Mussie, and Timber Lodge Furnishings; in Jackson, at the Old Mill Church Museum, Sonya's Rose and The Village Mart (Amoco); in Newburg at Riveredge Nature Center; in Richfield/ Hubertus at Kettle Hills Golf Course; in Slinger at Sansone Drugs; and in West Bend at the Old Courthouse Museum, the West Bend Chamber, Country on Chestnut, the Maildrop, the West Bend Art Museum and the Washington County Clerk's Office.

Village Board Meeting Notice

Public notice is hereby given that the Kewaskum Economic Development/ Advisory Committee in conjunction with the Kewaskum Village Board has scheduled a joint informational meeting with members of the Kewaskum School Board, members of the Town of Kewaskum Board, and members of the Village of Kewaskum Planning Commission for Wednesday evening, May 13, 1998 at 7:00 p.m. in the Community Room of the Municipal Building, 204

First Street, Kewaskum. Copies of the agenda are available at the office of the clerk at the Municipal Building preceding the meeting. Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and the lobby of St. Francis Bank. Daniel S. Schmidt

Administrator

Wayne Sesquicentennial Memory

The above "memories" photo was submitted by Tim Coulter who sent in the photo in honor of the upcoming Wayne Sesquicentennial Celebration. Tim stated it is a photo of the Salem E & R Theater Players taken in the late '40's at Schneider's Tavern (Barney's) in Wayne. Pictured are Fred "Fritz" Menger, Dorothy Petri, Carl Hohlweck, Kathryne Coulter (Tim's mother), Armand "Doc" "Wimpy" Mertz. Seated was Lucy Menger and Lloyd Koepke. According to Tim the Theater Players put on several plays in Wayne that were "sell-outs," and "standing room only." Tim wrote, "if memory serves me right, they had to turn people away and scheduled several more performances so no one would be left out. The productions were comedies and it seemed you could hear people laughing half a mile away. Chairs were borrowed from Miller's Funeral Home and as kids it was our job to set up the 'theater.' Talk about show business!! Alot of work was put into those plays. If you see any of these actors at the Wayne Sesquicentennial celebration, you may want to get their autograph."

No Tim... Thank YOU!

'Tiny' Says Thanks!

THANKS!! to my many good friends and neighbors for all the beautiful cards (must be a million of them... well?? maybe not quite) and the personal notes on many of them, especially about the "memories" pictures published in our wonderful Kewaskum Statesman.

Thanks also to the Statesman (Marcie, Lana and crew).

Thank you all for the many phone calls, gifts of plants, flowers, cassettes, and Easter baskets. Special thanks to Clayton S., my chauffeur to and from Columbia Hospital and to my present home in Menomonee Falls, and to Gladys and my sister, Tudy Becker, for running the fort at home

and for the many prayers.

chart. It's a slow process and so far, it's working but it will probably be another three or four weeks. Being alone, I have to be able to completely dress myself and do all my housework before my release. If I could talk my doctor into a can of Old Style, I probably could be home tomorrow!

Thanks again to everyone for all your considerations. My address is (Ter) Linden Grove, W180 N8071 Town Hall Rd., Menomonee Falls, WI 53051.

Love, Tiny

the museum.

The map has a suggested retail value of \$2.00 and makes a great souvenir for the Sesquicentennial. Tanner explains, "We wanted to do something permanent to celebrate local history and to capture what the area was like 150 years ago, but we also needed funds to complete such a project." Proceeds help benefit projects at the museum. The Society is also acting as a wholesaler, distributing the map to local businesses throughout the county.

"We've received a lot of requests from people outside of West Bend, even from people outside the county, so having the map available at other locations has helped solve the problem for those people who cannot come to the museum during our limited hours of aidt All these things put a gold star on my therapy

Letters to the Editor

April 28, 1998

Dear Editor of the Kewaskum Statesman:

Last summer we viewed the condition of BES, studied the current BES-area student population and reviewed the expected \$200,000.00 to \$250,000 to open the current BES. We came to the conclusion that opening BES had sound educational and fiscal reasoning for the multitude of reasons that we have stated many times.

Recently, it has come to light that area schools are experiencing a decline in student populations. Kewaskum School District now has evidence that it will also experience a decline in enrollment for the 1998-1999 school year and possibly for the 1999-2000 school year. Because the BES opening decision was based partially on the continued growth of student population in the district since 1990, it became relevant for us to re-evaluate our position.

Upon doing that re-evaluation, we have come to the conclusion that the opening of BES makes more sense than ever. The expansion project considered for FES is largely based on an expected increase in district enrollments. Also, the building size being considered for a replacement KES was based on at least a 2% per year increase in student populations. Until we find out if the decrease in student enrollments is just an unusual situation that will stabilize or reverse itself shortly, we are uncomfortable with supporting multimillion dollar building projects that may be larger than our district needs. The opening of BES provides a very economical way to educate our students for the next few years while getting a better handle on the direction that our district student population is heading. Once we are able to better assess the population change, as a district we will be able to make wiser decisions concerning a replacement KES and expansion at FES.

reading most of the articles in the papers that a few of the issues are being extremely exaggerated.

Terrorism, threats, tire slashing? Then or now?

I have lived in Beechwood for the past 25 years, and yes it is a little like Mayberry. We are very proud to support many youth activities in the area, like summer softball and hardball for all ages, active youth groups at each of the local churches, 4-H and a continued library program at the Beechwood School.

For many years there was summer Bible School, active volleyball, basketball and exercise classes that were held in the gym at the school. Those ended because the district began to charge more for the use of the building.

We know all the children by name that live in the community and look out for their well being. It's a nice feeling to have, knowing we have a community that doesn't have to put up fences to keep neighbors out. What is so wrong with that?

I, as a member of the Kewaskum School District, was very upset that an elected member of the Board could even think to make reference to any area of the district being like living in Bosnia. I don't think she has been watching the same news programs I have that show what life is like over there. If this reference is not what she intended, then I think a retraction or apology is in order.

I also don't feel we as a district can afford to make flip comments about peopler leaving the district. The last I remember our state aid is based on student enrollment.

The opening of Beechwood School has be be looked at objectively. For many years there has been overcrowding conditions at Farmington, and the facility study committee and the administration even recommended to the board to open the school. Why would we form these committees if we weren't going to listen to their recommendations? It sure seems they did their homework. I think the \$600,000 that is needed is, as John Schulte put it, "an educa-tional value." Even the \$220,000 to open it "as is" would be worth the investment. We have many skilled workers in the district, who if asked might be willing to volunteer time and energy to a project that would save local taxpayers money. We could be our own habitat lies. Approximately 120 students is not a number we can overlook.

After attending Kewaskum Elementary and knowing my mother graduated from high school in the same building, it definitely tells me that Kewaskum Elementary is probably due to be replaced. But that alone won't solve all of the problems in the district. Will it?

Remember when Beechwood was closed the state also recommended closing Wayne. Is that next on your agenda? It doesn't have to be, with the recommendations that were set forth by the administration and the **Facilities Planning Commit**tee, let's start listening to the voices of the people that elected you. Local community schools and smaller class sizes can only help our district with improved academic scores and educational competitiveness.

Hopefully my opinion counts.

Alice Krahn

May 4, 1998

Dear Kewaskum School Board and District Residents:

This letter is an attempt to address the many issues involved in the reopening of Beechwood School, using an objective framework to analyze this important decision. Let's examine the positive and negative sides of the issue: <u>Pros That Support the</u> <u>Reopening of BES</u>

1. <u>Smaller community</u> <u>schools</u> provide a better educational environment in which children can learn. The school can be a vital part of the community. Not only would BES, if opened, provide a small community school atmosphere, but it would also create a smaller school atmosphere at Farmington, with room to absorb future growth.

2. <u>Alleviate overcrowd-</u> ing at the other elementary schools (Farmington and possibly Kewaskum). seem reasonable to have a school operating in this area of the district.

6. Consistent with the philosophy of the <u>district</u> <u>residents</u> of desiring smaller, outlying schools as outlined in the strategic plan.

7. Consistent with the recommendations of the most recent <u>facility planning committee</u>. When surveyed, 8 (or 9 with one qualified) of the 11 committee members who responded recommended that BES be reopened. The previous similiar committee made the same recommendation.

8. The current and previous district administrations have supported the reopening of Beechwood school. It is important to consider the thoughts of the district administrators as this helps the board, administrators, teachers, parents, and taxpayers work towards the same goals.

9. Consistent with the results of a survey done this year of <u>parents</u> within a proposed set of Beechwood school boundaries. When asked if they were in favor of reopening BES, 73% of the surveys were returned (statistically an excellent response). Of those who responded, 75 were in favor, 6 were against, and 3 responded maybe/no comment.

10. Consistent with the educational environment and approximate enrollment at the Wayne school. The proposed BES enrollment would be approximately 120 students, while Wayne had 134 students as of January. It seems appropriate to have a consistent philosophy throughout the district.

Cons Against the Reopening of BES

1. Cost to reopen the school. In reality, the incremental cost to reopen BES would be about \$100,000. This is based on the proposed additions and improvements to all the elementary schools suggested by the architect to the board. The fact remains that if we do not reopen Beechwood, we will have to add more on to the Farmington school. The numbers being proposed now include \$600K of improvements to Beechwood, but an additional \$500K of improvements

a surplus of \$200K - \$250K, last year had a surplus of \$278K, and the prior year had a surplus of \$202K. These figures were the result after we had already made special purchases that were not specifically in the budget. When we end the year with a surplus, the Board determines how to spend the leftover funds by funding special projects, making additional purchases, or increasing the fund balance. How this surplus money is spent is a matter of priorities, but the last few years' surplus would have more than covered the

BES operating expenses. 3. Risk of decreasing enrollment. There are no guarantees that the enrollment within a Beechwood boundary, a Wayne boundary, or even the entire district will remain the same. I do know that in the past five years (1993-1997)), the Town of Scott has issued 57 building permits for new single-family homes, so it appears there is some growth in the area. Solution: Let's choose a set of BES boundaries that we feel reasonably comfortable could maintain an average of approximately 120 students.

4. Fear of some board members and village residents that if Beechwood will reopen, it lessens the chances of getting a new KES. Response: We need a new KES regardless of whether or not Beechwood reopens. The tours and videos of the building have shown the condition of the school. I encourage anyone who questions the need for a new KES to visit the building and see it firsthand.

It seems to me that the benefits outweigh the costs and that we could work around any of the negative aspects of this issue. What we do not need to dwell on what has happened in the past. What we do need is to look at the issue objectively based on the present situation. We need to examine the facts and information available today. Opening Beechwood school now is a feasible, educationally sound, and cost effective solution.

If you are concerned about this decision, please attend the May 11 school board meeting at 7:00 p.m. in the KHS commons. If you are unable to attend, express your views by calling your school board members.

Thursday, May 7, 1998

District residents: please stay informed on the issues, get accurate information and please discuss the issues with your school board members.

Sincerely,

Amy Pamperin Lloyd Pamperin

Dear Editor,

Let me start by saying that I, my husband and both of our children graduated from Kewaskum High School, with only myself not having the opportunity to attend Beechwood Elementary School. I attended Kewaskum Elementary School. It seems to me after project. What would we get in return on our investment? Smaller class sizes (at Farmington and at Kewaskum), less overcrowding, shorter bus rides and fewer stops for locally bused children that would walk to school or ride bikes, and of course increased involvement by parents and fami-

0 0 11 1

3. <u>Smaller class sizes</u> promote educational development. If Beechwood were reopened, we would add a net of one teacher. In January, there were 275 students and 11 classroom teachers at FES. Adding one teacher to this pool would decrease class sizes from an average of 25 to an average of 23 students per class.

4. Increased parental involvement. Parental involvement reinforces learning and would be enhanced if the school is located in the immediate area.

5. Shorter bus rides for area children, both Beechwood and Farmington students. The Kewaskum school district is the fourth largest school district in terms of square miles in the State of Wisconsin. It would to Farmington (from an estimate of \$1.3M to \$1.8M) if Beechwood remains closed.

2. Additional operating expenses of approximately \$120,000 per year. Solution: In the past few years, the district has ended the fiscal year with a budget surplus. This year, we expect to have

KEWASKUM STATESMAN

Hundreds of motorcycle enthusiasts, participating in a Ride for Pride fund-raiser benefitting the Free Spirit Riders and the Boys and Girls Clubs on Saturday, April 25, briefly gathered for a "pit stop" at Kohn's Citgo in Kewaskum. During the stop, many enjoyed a brat or burger being sold by the Kewaskum Lions Club at Kohns. The ride, sponsored by Bob's Harley-Davidson of Fond du Lac and the Hog Chapter, originated at the Fond du Lac Holiday Inn and toured through the Kettle Moraine area.

Letters to The Editor

OPEN LETTER KEWASKUM SCHOOL BOARD,

In the past years we had three school superintendents wanting to open the Beechwood Elementary School. Mr. George Allmann, our business manager, agrees that it is time to open this facility.

In March of 1996 a K-5 FEASIBILITY SPACE STUDY GROUP was formed to guide the board as to the growth options for the district. Mary Andera was chairperson of this committee. It consisted of eleven electors from the school district. Besides Ms. Andera, there were: Dr. Johnson, District Superintendent, Mr. Kriewaldt and Luann Potter, Farmington Elementary School, Dan Beske, Wayne Elementary School. The balance represented the village and towns of the district: Shirley Schlice, Joyce Schleif, Maurice Hovland, Mike Lettow, Terry Weber and Rosemary Asmonday. After many months, this committee recommended a plan that included to open Beechwood School. BOARD MEMBERS, WHAT HAP-PENED TO THIS PROPOS-AL? Also, in early 1996 a survey was sent out to all residents in the district, one of the questions was:

AL?

In April 1997 another committee was formed and called: COMMUNITY FA-PLANNING CILITY **GROUP**. Approximately 20 residents from the district were picked to serve on this board. I was one of them picked. We received a booklet of information that was accumulated from the first committee. No board members were on this committee. Meetings were held every two weeks for seven months. We obtained additional information from others out of our group. THANK YOU, Mr. Pearson and Mr. Allmann for giving us the additional information we needed. The school board again took a survey in February 1998 asking the Study Committee to fill out this survey. The question again was: SHOULD BEECHWOOD SCHOOL BE RE-OPENED OR KEPT CLOSED? Again this survey approved to re-open Beechwood School by great priority. I suggest that EACH BOARD MEM-BER spend some time before your May 11, 1998 meeting and ask themselves the following questions:

1.) Should I listen to the majority of taxpayers, or should I continue to play politics??

2.) Should I respect the wishes of the committees which I helped pick, or should I play politics??
3.) MOST IMPOR-

3.) MOST IMPOR-TANT: Should I be concerned for ALL the children's welfare and education in the district or continue to discriminate against a few and keep playing politics against them??

After taking time, by yourself, reviewing your conscience and hearing the vote of the people, your vote shall become positive to RE-OPEN BEECHWOOD SCHOOL which will help this community to stay alive!!!

Part of your district,

Dear Board Members and Kewaskum:

I'll say back to the drawing board again (like I started my other letter). I should have started "Let's all pray about Beechwood School opening." It is a temporal blessing -- so we must pray "if it is Thy will" then we will know whatever happens will be right.

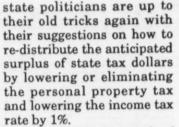

M.L. Moths

Dear Editor,

The "stick it to 'em"

Green Machine

by John Deere

It doesn't take much of a mathematician to figure out who would benefit the most by these methods. Corporations and the wealthy, who are least responsible for the surplus would be gaining 90% of the benefits.

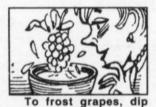

The most regressive state tax, the state sales tax, and the major reason for the surplus, which is paid by both the wealthy and the poor equally, according to their income, is obviously the fairest method to redistribute but isn't even being considered by legislators.

The continual arrogance and disregard for our intelligence should be dealt with by their constituents by letting them know how the majority want their money returned and that we resent the lack of respect for our intelligence.

I honestly believe that state politicians are afraid that if they lower the sales tax rate as they should, to eliminate the surplus, it would be too difficult to reestablish and they might have to ask corporations and the wealthy to start paying their fair share if it was needed in the future. Public, let your representative know how you feel on this subject!

Thank you.

Respectfully, Lloyd A. Koch

Thank a Teacher **During Teacher Appreciation Week,** May 3-9

by John T. Benson, State Superintendent

I'm convinced that, given the opportunity, every adult in Wisconsin could quickly recall a teacher who greatly influenced them. In fact, I venture to say each of us has that teacher's name imprinted in our memory and on the tip of our tongue.

For me, it was Mrs. Amberg, a teacher at the one-room Suldal Grade School in rural Mauston. I suspect I'm like many other people who feel that the teacher who taught them to read, write, add, and subtract had the most profound impact on their lives.

But Mrs. Amberg was more than a teacher of subjects. She was, for many of us, a moral compass that gave our lives direction. she taught us to be kind, responsible young people. She cared equally about every child - rich or poor, girl or boy, gifted or struggling. She was able to make learning both challenging and interesting for children from first through eighth grade.

Others of us remember a teacher who led us into our current career or interested us in a lifelong hobby. Architects and carpenters alike recall a "shop" or "drafting" teacher. Counselors and cooks remember a "home ec" teacher. Journalists have an English teacher or yearbook advisor to thank.

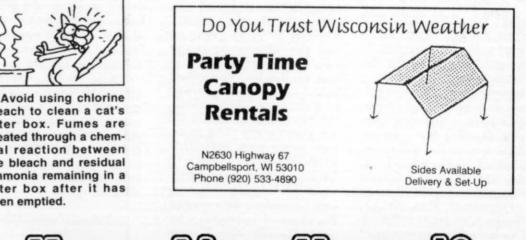

Today's teachers and student teachers invariably can name a teacher whose depth of caring and classroom demeanor convinced them that helping young people learn was a noble calling.

Why is it, then, that we feel compelled to blame so many of society's ills and not credit any of its successes on teachers? Do we really believe that those Americans who invented the telephone, harnessed nuclear reactions, and created computer chips learned nothing from their teachers?" How is it that we have achieved record high levels of employment (and low levels of unemployment) if our work force is so illprepared?

Just as each of us recall that one very special teacher, we ought to give due respect to the tens of thousands of teachers who have chosen and striven to pass on our collective knowledge from one generation to the next.

We ought to appreciate the critical role they play in maintaining our democracy - a form of government that cannot and will not survive if its people are uneducated.

During National Teacher Appreciation Week (May 3-9), we all ought to take time to thank a teacher.

KHS Students Participate in 'Skills Olympics'

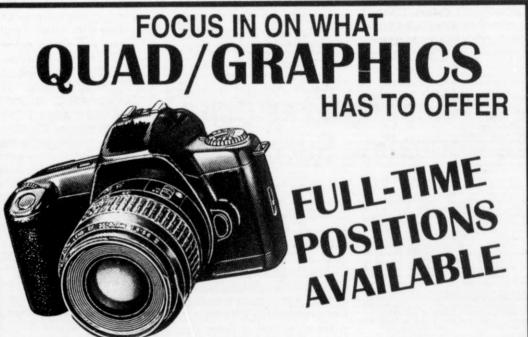

Tina and Laura Heider show their entries in Cake Decorating. Laura took an honorable mention while Tina took second place.

Junior Christa Arndt poses with her entry in Long Hair Evening Design. She took second place in the event.

Shown in the sandwich relay, left to right, are: Brandon Juers, LaRoy Wilson and Chad Cleveland.

The Moraine Park Foundation in cooperation with the School Relations/ School to Work Department of Moraine Park Technical College sponsored the 20th Annual Skills Olympics on Friday, March 27 at the Fond du Lac campus.

This year's event was attended by over 900 high school student participants from 25 area high schools. Students competed for scholarships of \$50 to \$200 with gold, silver and bronze medals designating first, second and third respective placing. Honorable mention placing is also acknowledged. A single school trophy is issued to the top participating school.

The 52 contests include a wide range of interests sponsored in each of the educational programs offered at MPTC. It is interesting to note that many students participate in more than one competitive area in this all day event that cost each participant a \$3 participation fee that covered lunch and entertainment.

Contest specifications and judging criteria were provided to each student one month prior to the event. Many students spent countless hours preparing for the events of the day.

Attending the event with he Kewaskum High School participants were Mary Koch (F/CE Dept.) and Martha Merten (Special Ed. Dept.) and parent volunteers Donna Hesprich and Cyndi Heider.

KHS attendance at the event doubled from last year, with students competing in a total of 20 of the 52 contests offered. Placings were as follows:

Josh Mueller - Honorable Mention in Mining the Internet (Web Site Scavenger Hunt) and Web Site Design; Cathy Carrier -Honorable Mention in Child Care Decathlon; Tony Seiser - Honorable Mention in Sandwich Relay and Honorable Mention in Nail Art; Tim Schneider - Honorable Mention in Sandwich Relay; Joel Roecker - Honorable Mention in Sandwich Relay; Chris Carrier - First Place in Environmental Awareness; John Ratzel - Second Place in Corrections Science and Third Place in Agriculture Crops; Ben Propson -First Place in Agriculture Discussion; Christa Arndt -Second Place in Long Hair Evening Design; Michelle Stoffel - Honorable Mention - Long Hair Evening De-sign; LaRoy Wilson - First Place, Nail Art; Amber King - Second Place, Nail Art; Billie Michaels - Third Place, Nail Art; Kristina Olewinski - First Place, Cake Decorating; Tina Heider - Second Place, Cake Decorating; Sandy Vrana -Third Place, Cake Decorating; Laura Heider - Honororating.

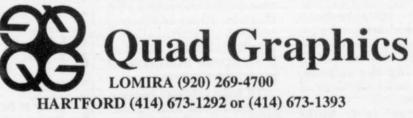

All KHS students, freshmen through seniors, are encouraged to explore this unique opportunity to pursue scholarships that can be applied toward any MPTC course or any MPTC program offered at any time.

Next year the event will be held on March 5, 1999. Details will be made available one month prior to the event. For further information, please contact Mary Koch at KHS at 626-2166, ext. 4108. Students are encouraged to review the 1998 contest details and to begin preparation during first semester this fall.

Parents and friends were invited to hear the selections from the nineteen students on the forensic's team. From that competition, ten students were chosen to go on to the tournament at KML on April 25th. The St. Lucas team is coached by Erika Moldenhauer.

KHS Recognized as Site For Education Success

ALEXANDRIA, VA - Kewaskum High School has been recognized as a site for educational success. This distinction is available to programs that prepare students for careers and life," said Dr. Rosco Vaughn, executive director of the National Council for Agricultural Education (The Council). Local Program Success is a joint initiative of the The Council and U.S. Department of Education, with cooperation from the National FFA Organization and the National Association of Agricultural Educators.

KEWASKUM STATESMAN

including 30 teachers from 18 states -- developed steps to success and researched proven best practices used currently in the nation's top programs.

While the intent of Local Program Success is to strengthen local agricultural education programs, it can serve as a model for other disciplines. Since its start in 1996, the initiative continues to help teachers make the most of their resources to enhance classroom and experimental instruction, build community support, make school-tocareer connections and increase the overall educational experience for students.

The mission of agricultural education is to prepare and support individuals for careers, build awareness and develop leadership for the food, fiber and natural resource systems.

The National Council for Agricultural Education was established in 1984 as a partnership organization to foster creative and innovative leadership for the improvement and further development of agricultural education. The Council is composed of representatives of agricultural businesses, public schools, government, universities, state departments of education and professional organizations. Its mission is to provide leadership, coordination and support for the continuous improvement of agricultural education.

Learning the Signs

Three Farmington Elementary School second graders, (from left) Emily Erier, Elizabeth Potter, and Becca Spaeth pose in their shirts illustrating FES in sign language. The girls were among dozens who also took an after school class introducing them to American Sign Language.

25 Pears Ago

May 4, 1973

A giant carousel and old fashioned swing will reflect Kewaskum's junior prom theme "Yesterday, When I Was Young" to be held May 12 at the high school gymnasium. Mike Donath, son of Mr. and Mrs. Robert Donath, Route 6, West Bend, and Debra Krueger, daughter of Mr. and Mrs. Robert Krueger, Route 1, Campbellsport, will reign as king and queen. Other court members include Reed Rodenkirch and Sandy Bauer, Greg Ogi and Julie Nigh, Gary Fickler and Luann Czaja, Richard Loof and Debbie Roehrdanz, Al Schmidt and Mary Schmidt, Scott Rammer and Roxanne Franzen and master of ceremonies John Fischer and his escort, Terry Baumhardt.

The Kewaskum Lions Club held their annual election of officers for the coming 1973-74 year at their last meeting. Elected were: President Kenneth Neldner; First Vice President Donald Koerble; Second Vice President Robert Staehler; Third Vice President "Doc" Rumsey; Lion Tamer Howard Zemlicka; Tail Twister Homer Schaub; Secretary Earl Buswell; Treasurer Dean Roe; Two Year Director "Shorty" Seifert; One Year Director John Fellenz, and One Year Director Marvin Kleinke. Ten members of the Kewaskum High School varsity and JV golf teams left the snowbanks behind early Saturday, April 14, and left for "spring training" in Missouri. The group returned home April 19. The golfers were accompanied by Coach Joe Harlow, his wife and family, Mr. and Mrs. Charles McClain and family and Clark Eichstedt, now a student at St. Norbert's College, DePere, a former high school ace who

men's champion. The golfers included Tom Hensler, Jeff and Scott Koth, Steve Spoerl, Chuck McClain, Tom Timblin, John Klein-mann, Kip Weiss, Mark Halfmann and Gary Marx. The group camped out at Merrimac State Park 60 miles south of St. Louis four nights and golfed at various courses in the area. They also spent a day in St. Louis where they golfed and attended a National League baseball game between the St. Louis Cardinals and Pittsburgh Pirates.

is the current Hon-E-Kor

Kewaskum High School students received seven A's at the State Forensics tournament in Madison on Saturday. Students receiving A's were Pattie Gundrum, Four-Minute Speech; Kris Meilahn, Original Oratory; Nancy Proeber, Declamation; and Kathy Baumhardt, Mary McNamara, Debbie Schowalter and Luanne Werhanowicz, Play Acting.

Clark A. Pearson, principal of Kewaskum High School, announced the third quarter honor roll. * Indicates 4.0 average. (Seniors, juniors and sophomores

were listed previously). FRESHMEN - Orin Acker, Wanda Akin, David Ayer*, Susan Bohn, Verna Bow-man, Patricia Dreher, Randall Edgar, Thomas Edwards, Beverly Ehnert, Todd Garbisch, Gayla Herriges, Nancy Horning, Mary Klein, Bonnie Lendved, Stephanie Matenaer, Janet Miller, Rosemary Mueller, Carol Muench, Lloyd Pamperin, Lori Panzer, Carl Raether, Laura Rodenkirch, Joan Rosenberger, Pam Scannell, Marjorie Schoofs, Connie Sleger, Amy Stoffel, Diane Strack, Lynn Theusch, Janine Thull, Rita Thull, Linda Vogt, Pattie Voigt, Russell Wilson, Jill Zarling.

Kewaskum's golf match at Slinger on Monday was postponed because of the weather and will be made up at Scenic View on Tuesday, May 15. Despite the drizzly, foggy weather, senior Jim Gaffke and several of his teammates on the Indian varsity took to the Hon-E-Kor home course for a practice round instead. For Gaffke, it was lucky the match at Slinger was called as he shot a four under par 32, which is a new course record. Jim's record round included an eagle three on the fifth hole. A 33 had been the previous Hon-E-Kor record, held by several golfers, including the Kewaskum coach, Joe Harlow, and Clark Eichstedt, present men's club champion, and former high school star.

Germantown captured their third straight crown in the Scenic Moraine Relays at Slinger Friday. There were no records broken in the meet except in a new event, the distance relay, won by Kewaskum's Cal Tackes, Ken Wilson, Jeff Ketter and Randy Backhaus. Runners ran a half mile, a mile, a mile and onehalf and two miles. The time was 24:47.7. The Indians also notched a second in the high hurdle shuttle with Greg Ogi, John Fischer and Mike Koepke.

A daughter was born to Mr. and Mrs. James Hammes, 605 Highland Ave., Kewaskum, on May 1.

Kewaskum Elementary School third graders Kim LaDuke, left, and Anna Rick look for books under the playful eye of Clifford the Big Red Dog. The school's Art Enrichment class cut Clifford out of wood, then painted and shaded him to help decorate the KES library. Other popular storybook figures they made include Paddington Bear, the Wolf and the Three Little Pigs, Frog and Toad, the Very Hungry Caterpillar, and L'il creatures from Mercer Mayer books.

Page 14

OBITUARIES

MRS. ELEANOR MARX

Mrs. Eleanor Marx, age 80, of Kewaskum, passed away on Friday, May 1, 1998 at St. Luke's Medical Center in Milwaukee.

She was born on August 3, 1917 in West Bend, the daughter of the late Albert and Louise (Schaefer) Hron and on May 10, 1939 she was united in marriage to Harold "Mixie" Marx at Holy Trinity Catholic Church in Kewaskum. Her husband preceded her in death on November 21, 1997.

Mrs. Marx and her husband owned and operated Marx's IGA Store in Kewaskum until 1977 when they sold the business to their daughter and son-in-law. She was a member of Holy Trinity Catholic Church in Kewaskum, it's Christian Women and a charter member of Hon-E-Kor Country Club in Kewaskum.

Survivors include a son, James (Elena) of St. Petersburg, Russia; three daugh-ters, Judith (William) Geidel, Mary (Lloyd) Laatsch and Susan (Ervin III) Waala, all of Kewaskum; a brother, Lloyd (Florence) Hron of Kewaskum; a sister, Pearl (Fred) Miller of Calimesa, California; a sister-in-law, LaVerne Hron of West Bend; a step-brother, Francis (Merri) Roden of Fond du Lac; 13 grandchildren, three great-grandchildren, other relatives and many friends.

She was preceded in death by two brothers, Albert "Dotz" and Elroy Hron and her step-mother, Mary Hron.

Funeral services were held at 7 p.m. on Monday, May 4, 1998 at the Miller Funeral Home in Kewaskum with a Mass of Christian Burial at 7:30 p.m. at Holy Trinity Catholic Church in Kewaskum with Father Mark Jones officiating. Burial was in the parish cemetery at 10 a.m. on Tuesday.

Friends called from 3 p.m. until the time of services at the funeral home on Monday.

Memorials to Holy Trinity Catholic Church are apKenneth (Sandra) of Kewaskum and Ronald (Jane) of Zionsville, Indiana; a daughter, Nancy (Todd) Waechter of Kewaskum; a brother, John (Marion) Thoma of West Bend; five grandchildren, Andrea, Sarah, Tim, Michael and Andrew, other relatives and friends.

She was preceded in death by an infant daughter, Patricia.

Funeral services were held at 7:30 p.m. on Tuesday, May 5, at the Miller Funeral Home in Kewaskum with a Mass of Christian Burial at 8 p.m. at Holy Trinity Catholic Church in Kewaskum. Father Mark Jones officiated. Entombment was at 11 a.m. on Wednesday at the Shrine of Rest Mausoleum in Fond du Lac.

Friends called from 4 p.m. until the time of services at the funeral home on Tuesday.

In lieu of flowers, memorials may be donated to the American Cancer Society, Hartford Volunteer Hospice or Horizon Home Hospice.

MRS. HELEN KARDOS

Mrs. Helen P. Kardos, age 77, of Kewaskum, passed away on Wednesday, April 29, 1998 at the Samaritan Health Center in West Bend.

She was born on April 19, 1921 in New Jersey, the daughter of the late John and Ann Pasko and on October 5, 1946 she was united in marriage to Michael B. Kardos at St. Peter and Paul Greek Catholic Church in New Brunswick, New Jersey. Her husband preceded her in death on April 19, 1981.

Mrs. Kardos was a member of Holy Trinity Catholic Church in Kewaskum.

Survivors include a son, Michael (Rhonda) Kardos of Kewaskum; a daughter, Mary Beth Kardos and her fiance, Mark Emmert, of Seattle, Washington; two brothers, Michael (Ramona) Pasko of Mount Pleasant, Pennsylvania and John Pasko of Woodbridge, New Jersey; a sister, Mary

MRS. LUCY A. BOEGEL

Mrs. Lucy A. Boegel, age 92, of the Town of Wayne, passed away on Sunday, May 3, 1998 at her home.

She was born on June 20, 1905 in the Town of Wayne, the daughter of the late Frank and Philmone "Minnie" (Serwe) Wietor and on October 7, 1930 she was united in marriage to Oscar Boegel at Holy Trinity Catholic Church in Kewaskum. Her husband preceded her in death on June 18, 1980.

Mrs. Boegel was a member of St. Bridget Catholic Church in the Town of Wayne and it's Altar Sodality. She was employed by St. Joseph's Community Hospital in West Bend for many years.

Survivors include five sons, Lambert of West Bend, Norman (Kathleen) of Niles, Illinois, William (Barbara) of Mandeville, Louisiana, John (Rita) and James (Nancy), both of Kewaskum; five daughters, Mary Ann (Gordon) Sonnenberg and Lucy (Tom) Bartelt, both of West Bend, Rita Boegel and Joan (Robert) Struebing, both of the Town of Wayne, and Margaret (Leroy) Meyer of Germantown; a brother, Cy (Marie) Wietor of Kewaskum; 28 grandchildren; 26 great-grandchildren, other relatives and friends.

She was preceded in death by two brothers, Al and Leo; two sisters, Frances and Isabelle and a grandson, Jeffrey Struebing.

A Mass of Christian Burial was held at 6 p.m. on Wednesday, May 6, at St. Bridget Catholic Church in the Town of Wayne with Father Mark Jones and Father Robert Berghammer concelebrating. Burial followed at Holy Trinity Catholic Church Cemetery in Kewaskum.

Friends called from 3 p.m. until the time of services at the church only on Wednesday.

Memorials may be given to the charity of one's choice.

The Miller Funeral Home in Kewaskum served kee. His wife preceded him in death on June 14, 1972.

Mr. Poos served his country in the U.S. Army during World War II, was employed by Harley-Davidson of Milwaukee for 15 years and Greb Plastic Company in Milwaukee for 15 years. In 1963, they made their home in the Beechwood area where he farmed until 1974. He was a member of the American Legion Post 382 of Menomonee Falls.

Survivors include a son, Frank (Elaine) Poos, Jr. of Beechwood; a daughter, Sharen-Lee Beyer of Milwaukee; two brothers, Anton Poos, Sr. of Burnett and Adam Poos of Menomonee Falls; a sister, Eva (Clarence) Ehrenberg of Waupaca; two grandchildren, Jeweleen (Jim) Krueger and Cory (Kristy) Beyer; three great-grandchildren, Jaime, Jordan and Jerod Krueger; a brother-in-law, John Hrenak of Florissant, Missouri; two sisters-in-law, Delores (George) Enslen of New Berlin and Connie Poos of Menomonee Falls, other relatives and friends.

He was preceded in death by a brother, Peter J.Poos, Jr. and a sister, Irene Hrenak.

Private committal service of his cremains was held on Saturday, May 2, 1998 at St. Matthias Catholic Church Cemetery in the Town of Auburn.

The Miller Funeral Home in Kewaskum served the family.

ELANORE L. STAHL

Elanore L. Stahl, nee Goedde,of Sheboygan Falls, formerly of the Town of Farmington, passed on to eternal life on Monday, May 4, 1998 at her residence at the age of 84 years.

She was born on June 5, 1913 in Waubeka to the late Mathias and Matilda (nee Fiereisen) Goedde. She married Isadore Stahl on November 29, 1933 in Little Kohler. She and her husband farmed in the Town of Farmington for many years until retiring in 1978.

Elanore also worked at Regal Ware in Kewaskum for 17 years. She was a member of the Boltonville Fire Department Ladies Auxiliary and she enjoyed the outdoors and playing cards.

Elanore and her family were members of St. John of God Catholic Church in the Town of Farmington for many years. Her husband preceded her in death on August 4, 1990.

She is survived by a son, Kenneth (Beverly) Stahl of Ranchester, Wyoming; two daughters, Mary Ann (Carl) Saueressig of West Bend and Sharon (Roger) Breit of the Town of Farmington; three grandchildren, Shawn (Greg) Dreher of West Bend, James Saueressig of West Bend, and Shannon (Scott) Gurrath of the Town of Farmington; four greatgrandchildren, Ashly, April and Angela Dreher and Devin Gurrath; a sister, Lorraine Huiras of Fredonia; a sister-in-law, Alice Stahl of Campbellsport; a brother-in-law, Ray Goedde of Las Vegas, Nevada; and dear friends, Wesley and Marilynn Brown of Sheboygan Falls, with whom she had been residing until the time of her death. She is further survived by nieces, nephews, other relatives and friends.

She was preceded in death by a sister Delores Goedde, three sisters-inlaw, and four brothers-inlaw.

A Mass of Christian Burial was held on Wednesday, May 6, at 7 p.m. at St. John of God Catholic Church, Town of Farmington. Burial will be in St. John the Baptist Cemetery, Waubeka, on Thursday, at 10 a.m.

Visitation was held at the church only on Wednesday, from 4 p.m. until the time of services. The Myrhum-Patten Funeral Home, West Bend, served the family.

Mrs. Elizabeth "Betty" Bonlender, age 70, peacefully passed away at her home in Kewaskum with her loving family at her side on Saturday, May 2, 1998.

She was born on September 30, 1927 in the Town of West Bend, the daughter of the late John and Rose (Eder) Thoma and on September 24, 1949 she was united in marriage to Ervin Bonlender, Jr. at St. Leo's Catholic Church in Milwaukee.

Mrs. Bonlender was a member of Holy Trinity Catholic Church in Kewaskum.

Survivors include her husband, Ervin Bonlender, Jr. of Kewaskum; two sons, Mahalski of Chicago, Illi- the family. nois, other relatives and

FRANK POOS SR.

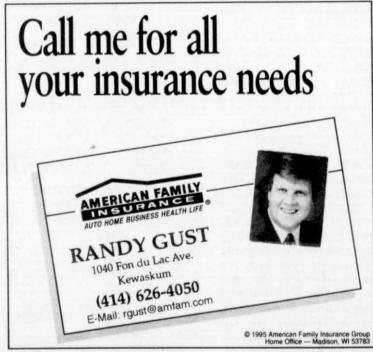

Frank Poos, Sr., age 75, of Beechwood, formerly of Milwaukee, passed away on Tuesday, April 28, 1998 at the Marian Franciscan Center in Milwaukee.

He was born on December 12, 1922 in Milwaukee, the son of the late Peter and Anna (Wilding) Poos, Sr. and on August 5, 1943 he was united in marriage to Emolyne Payne in Milwau-

various crafts, gardening,

(Continued on next page)

KEWASKUM STATESMAN

Theatre during World War II, he settled in West Bend where he owned and operated Staehler's Liquor Store for eight years.

He learned the electrical trade and owned and operated Staehler Electric in West Bend for more than 20 years. Syl then bought a farm in the Town of Barton where he developed an 18 acre lake. Prior to his retirement, he served as the building and electrical inspector for the City of West Bend for over eight years.

On February 13, 1994 he married Bessie Powell Reed in West Bend.

Survivors include his wife, Bessie; five children: Linda (Kenneth) Junk of Kewaskum, Shirley (David) Jagielski and Ken (Kathy) Staehler, both of West Bend, June (dear friend, Randy Adelmeyer) Staehler of Campbellsport, and Elizabeth (Rich Kramer) Staehler of Whitefish Bay; four step-children: Ann Henning of Wauwatosa, Judy (Robert) Eccher of Oconomowoc, Beverly (Michael) Treml of Slinger, and Jackie Dulli of Wauwatosa; five grandchildren; 13 step-grandchildren; three step-great-grandchildren: four sisters: Frances Schneider of St. Michaels, Lorraine Fellenz of Mt. Calvary, Helen Lang of West Bend and Catherine (Joe) Hahn of Butler; two sisters-in-law: Coletta Staehler of St. Michaels, and Sylvia Staehler of West Bend; other relatives and friends.

He was predeceased by two brothers, Tony and Joe, and three sisters, Mary Schiltz, Ann Herriges, and Gertrude Schott.

Syl was a member of the Lt. Ray Dickop Post #36 American Legion and the West Bend Lodge #1398 Loyal Order of Moose.

Funeral services were held on Wednesday, May 6, at 1:30 p.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian Burial at 2 p.m. at St. Mary's Immaculate Conception Church with Father Patrick Wendt as the presider. Burial followed at St. Michael's Cemetery.

Visitation at the funeral home was held on Tuesday from 4 p.m. until 8 p.m. and on Wednesday from 12:30 p.m. until the time of services.

owned and operated his own concrete products business for many years. He is survived by his

wife; a son, Howard (Mary) Stegner of Beaver Dam; two daughters, Barbara (John) Fanshaw of Beaver Dam and Linda (Daniel) Beske of West Bend; 14 grandchildren and 12 great-grandchildren; two brothers, Harvey (Jean) Stegner, Lydia, South Carolina and Edward (Dorothy) Stegner, Beaver Dam; two sisters, Florence Schutte, Beaver Dam and Mildred (Jose) Pesants, Portales, NM; nieces, nephews, other relatives and friends.

He was preceded in death by his parents; an infant daughter, Marlene, in 1939; his granddaughter, Dawn Marie, in 1961; two half-brothers, Alvin Stegner and Leonard (Agnes) Stegner; his sister, Margaret (Raymond) Kelly, and his brother-in-law, Gilbert Schutte.

A Mass of Christian Burial was held on Monday, May 4, at 11 a.m. at St. Peter Catholic Church, Beaver Dam. Visitation was Monday morning from 9:30 a.m. to the time of service at St. Peter Catholic Church.

ARMIN C. MAYER

Armin C. Mayer, 75, of Pound, formerly of Jackson, died Monday, April 27,1998, at Bay Area Medical Center, Marinettte.

He was born on April 14, 1923, in Athens, Wis. to the late George and Laura (nee Quade) Mayer, and graduated in 1941 from Athens High School.

He married June Frank on Dec. 1, 1945, at Christ Lutheran Church in Jackson.

After many years of employment with Foreway Express, Armin retired in 1983 and moved to Pound. His favorite hobby was woodworking, and he also enjoyed hunting.

Armin was a retiree of the Teamsters Union and held associate membership at Our **Redeemers Lutheran Church** in Suring and its church choir. He was also a member of Christ Lutheran Church in Jackson.

Survivors include his wife; three daughters, Lauren (Jerold) Donath and Sandra (Robert) Duehring, both of Kewaskum and Judith (Kenneth) Wahouske of West Bend; a son, Ronald (Dawn) Mayer of Pound; a brother, Millard (Cathryn) Muskego; a sister, Gloria Rusch of Modesto, Calif.; two sisters-inlaw, Eileen (Rich) Yahr of Pound and Marilyn Frank of Milwaukee; a brother-in-law, Glenn (Sue) Frank of Waukesha; nine grandchildren, Amy (friend Jason), Becky (Dean), Jon, Rob (Judith), Jenny, Karen, Jeff, Jason (friend Joanna) and Tim; a great-grandchild, Faith Mayer; nieces; nephews; and other relatives and friends. Visitation at the Guetzmacher Funeral Home, Suring, was held on Wednesday, April 29, from 4 p.m. until funeral services at 7 p.m., with Pastor Richard Block officiating.

Jackson, on Thursday from noon until funeral services at 2 p.m. Pastor Bill Greunstern officiated and burial was in the church cemetery.

Memorials have been established at our Redeemers Lutheran Church, Suring and Christ Lutheran Church, Jackson.

IN MEMORY

In memory of BILL BRAUN, who passed away four years ago, May 5, 1994:

- Well it's hard to believe you're gone another year.
- Yes it's four years since you left me and God called you home.
- But now you are resting in His place without any more suffering.
- It was like yesterday I could hear your voice laughing and the crying together,
- sharing your time with me. You were always here for me when I needed you.
- It's been a long four years not having you around.
- I've learned life is too short and I had to learn the hard
- way without you. You're always on my mind
- and in my heart.
- Your memories will always be with me.

You'll never be forgotten, because you were my best friend, my companion, my love and my beloved husband.

Sadly missed by his wife, Sandy, and children Scott, Sarah and Melissa.

CARD OF THANKS

Thank you to all the friends and relatives of JIM GILLARD for all the cards, gifts, flowers and words of encouragement.

Thank you Pastor Schliewe for your spiritual support.

To the Ladies Aide of Trinity Lutheran Church in Dundee, thank you for preparing a wonderful meal and thanks to all who donated food and desserts.

Thank you Twohig Funeral Home in Campbellsport for all of your thoughtful care.

Thank you to all of the nurses and Doctors at the Cancer Clinic, and St. Agnes Hospital who helped provide comfort, strength and encouragement to Jim and his family.

Thank you to the Hospice nurses for their encouragement and support.

> Sincerely, James Gillard's Family

An Invitation for You

By AMI Having the opportunity to

see something very beautiful can be very special, indeed.

Last year I vowed to share an outstanding thing of beauty in 1998 with your readers of the Kewaskum Statesman! For in 1997 I missed the publication deadline and as a result, my planned invitation to share beauty was unsuccessful.

If you enjoy the bright color of the golden Cow Slip...so called, Marsh Marigold, drive Hwy H west out of Kewaskum to Town Line Road.

I dare say that if you'd take the time to count the massive array of these golden beauties you would reach the million mark perhaps more than once! Also, here 'n there you'll see clumps of lovely green skunk cabbage, within the Cow Slip domain.

A word of caution, for many folk mistake the yellow Buttercup to be the Cow Slip. The Buttercup blossom has a glossy coating and is embraced by almost a fern-like stem and leaves. Also, it seldom is found in the watery areas but thrives on bordering swamp higher land.

Once you have observed this vast scene of floral wildlife beauty I assure you to be drawn back spring after spring to once again see if Mother Nature has provided the world with this very special golden phenomenon.

Somehow or other it always makes me feel rather grateful to behold something so beautiful not fashioned or provided by the hand of men, women or their children but by the hand of the Lord.

Students Vs. Staff at KMS

All for a good cause ... these eighth grade boys changed their look and had some fun clowning around as the designated event cheerleaders. Clockwise from top: Darrin Schulist, Joe Gerlach, Tony Fitts, Matt Kropp, Eric Braun, and Kevin Schneider.

Teachers and students went at each other recently at Kewaskum Middle School, but it was all for a good cause.

The KMS Student Council sponsored a volleyball match between the two factions to benefit the Cystic Fibrosis Foundation using admission and raffle ticket

proceeds.

Area businesses Dairy Queen, McDonald's, Subway and Video Post donated coupons and prizes to be raffled off, while the teachers and the students (along with an exhibition match by the 7th and 8th grade girls teams) provided the action. Nearly \$100 was raised

By the way, in a day teachers confided they simply hoped to remain injury free, the staff somehow gathered up their tired, old bones and beat the students

Horsin' Around Again, Kettle Moraine Klassic HeartRide in Area to Benefit Heart Association

Get outdoors, enjoy the beautiful area scenery and help your own heart, as well as the hearts of others, through two events in May sponsored by the Washington County Division of the American Heart Association.

The events are Horsin' Around Again and the Kettle Moraine Klassic HeartRide.

Registration for the fourth annual Horsin' Around will begin at 9:30 a.m. with the ride itself beginning at 10:30 a.m. on Saturday, May 16. The ten mile gallop through the Kettle Moraine State Forest, North, begins at the "Day Use Parking Lot" located at the northeast corner of Highways SS and G in New Prospect.

To join the posse each rider must gather at least \$35 in pledges and donations and furnish his or her own horse. Each horse must have proof of a 1998 Coggins test. Riders will also need a 1998 State Park admission sticker and trail pass which may be purchased at the event. All riders who have raised the minimum of \$35 in donations or pledges will receive lunch with all the fixins' and a Horsin' Around Tshirt.

The grand prize, a trail and endurance saddle custom made by Frank Marciante, will go to the rider who raises the most money through pledges and donations. Special prizes will also be awarded for 4-H and Horse Clubs with the highest number of participants.

Sponsors for this year's event include the Hartford Rotary Club, Beck Law Office, West Bend Savings Bank, Bankers Mortgage, Inc., WestGrove Realty, Inc., All American Land Services, Inc., Fifth Avenue Advisors, Inc. and Marciante Saddle and Leather

Company of Paulden, Arizona.

A low fat pizza lunch is being provided by Pizza Hut, 1505 East Avenue, Plymouth.

The annual Kettle Moraine Klassic HeartRide will be held on Sunday, May 17, with bicyclists riding on 18, 30 or 50 mile routes or participating in a seven mile family ride. All routes pass through the scenic Kettle Moraine, and, depending on the route taken, will challenge the experienced rider or simply provide a great ride for the first time rider or the whole family.

Start times are 8 a.m. for the 50 mile ride, 8:30 a.m. for the 30 mile ride, 9 a.m. for the 18 mile, and 9:30 a.m. for the family ride. Registration will begin a half hour before the start of each ride at the Knights of Columbus Hall, 3245 Lighthouse Lane, West Bend.

Registration fees are \$20 before May 11 and \$25 the day of the ride. If the rider turns in more than \$50 in pledges on the day of the event, registration is free. There will be additional prizes for raising pledges over \$60 including clothing, sports equipment and Pedal Dollars which can be redeemed for parts, accessories or repair work at Pedal Moraine Bike Shop in West Bend.

Anyone raising over \$1200 will earn their choice of either a TREK 800 Sport Mountain Bike or DYNO VFR BMX Bike.

A post-ride spaghetti dinner will be held at 1 p.m. at the Knights of Columbus

Hall.

Sponsors for the Kettle Moraine Klassic HeartRide include West Bend Mutual, Serigraph, Inc. and Pedal Moraine Bike Shop.

To register for either of these upcoming events contact Carol Hill or Kathi Perlewitz at the American Heart Association at 1-800-242-9236.

Proceeds from both of these events will help fund American Heart Association research and education to fight heart disease and stroke, the leading causes of death in Washington County. Each year, cardiovascular disease kills more than 950,000 Americans, including 19,000 Wisconsin residents. The disease will cost the country an estimated \$274 billion for health care and lost productivity in 1998, according to AHA. Thanks in part to AHA funded research and education, heart disease deaths dropped 22% from 1985 to 1995.

TUESDAY NITE MEN'S LEAGUE HON-E-KOR C.C. 4-28-98

TOP TEAMS THIS WEEK WERE: Tom's Pudders - 5; Timblin Property Mgmt. - 5; Regal Ware - 2 - 5; Regal Ware - 1 - 5; Bean Counters -3.

Hunter Education Graduates: (L to R) First row: Daniel F. Hammes, Eric Nass, Josh Ruplinger, Ken Payne; Row two: Robert Vis, Todd Warnecke, Melissa Barber, Becky Junk; Row three: Jim Lewko, Mark Uniewski, Kyle Krueger, Scott Rady; Row four: Ken Uniewski, Mike Payne, Jim Wulff; Row five: Ron Ruplinger, Daniel F. Hammes.

Seventeen hunters recently completed the Wisconsin Hunter Education course sponsored by the Kewaskum Police Department, Kettle Moraine Sportsman Association, New Fane Sportsman's Club and the Wisconsin Department of Natural Resources. The instructor was Richard Knoebel, a certified DNR Hunter Education instructor.

Students who successfully completed the basic course received a distinctive embroidered emblem attached to a blaze orange hunting hat and a lifetime Hunter Education Certificate, they are: Melissa Barber, Daniel D. Hammes, Daniel F. Hammes, Becky Junk, Kyle Kruger, Jim Lewko, Eric Nass, Ken Payne, Michael Payne, Scott Rady, Josh Ruplinger, Ron Ruplinger, Ken Uniewski, Mark Uniewski, Robert Vis, Todd Warnecke and James Wulff.

The course included lessons on hunter responsibilities, firearms safety in the home and afield, knowledge of firearms and hunting equipment, wild life identification and management, marksmanship and other outdoor skills.

All graduates were given the opportunity to fire rifles and shotguns at the New Fane Sportsman Club Grounds. Graduation was held in the Club House with Becky Junk receiving a hunting knife for scoring the highest on the Hunter Education test. The range and facilities were donated by the New Fane Sportsman Club.

TOWN OF KEWASKUM NOTICE OF PUBLIC HEARING FOR CONDITIONAL USE PERMIT

NOTICE IS HEREBY GIVEN that a public hearing will be held before the Kewaskum Town Board located at the Kewaskum Town Hall, 9019 Kettle Moraine Drive, in the Town of Kewaskum, at 7:30 p.m., May 18, 1998, to consider the application from Jean M. Lemke Schneider, 4350 W. Moraine Drive, Kewaskum, for a Conditional Use Permit as provided for in Section 3.03 (C) (1) of the Town Zoning Ordinance. Granting a Conditional Use Permit will allow the applicant to separate the dwelling from the land for the purpose of selling the dwelling and keeping family ownership of the land. The property is located in the NE 1/4 of the NW 1/4 of Section 5, containing 35.41 acres.

TOWN OF KEWASKUM NOTICE OF BOARD OF REVIEW

NOTICE IS HEREBY GIVEN that the Board of Review for the Town of Kewaskum, Washington County, Wisconsin, will meet at the Kewaskum Town Hall, 9019 Kettle Moraine Drive, Kewaskum, WI, on the 19th day of May, 1998, from 5-9 p.m., for the purpose of reviewing and examining the assessment roll of real and personal property in the Town, and all sworn statements and valuations of real and personal property therein, and correcting all errors in the roll, whether in description of property or otherwise, and to perform such other duties imposed by law.

Dated this 4th day of May, 1998.

Village Board **Meeting Minutes**

Plan Commission February 24, 1998 7:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin, met in the Council Room of the Municipal Building, 204 First Street.

President Robert H. Wagner called the meeting to order. Members present were Frank Beesten, Richard Schmidt, and Administrator Daniel Schmidt. A quorum was not present. Warren Dums and Theodore Meilahn asked to be excused and were absent, Michael Kimble was also absent. Charles Waala arrived at 7:14 p.m. giving the Plan Commission a quorum

It should be noted that Trustees Robert Stoltzmann, Gary Gavin, and Director of Public Works Jerry Gilles were also present.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

Due to a lack of a quorum and seeing Mr. Rick Kania of SEWRPC was in attendance, the recorder was turned off for an informal update of what is happening with the Village's Zoning Ordinance.

Upon the arrival of Charles Waala the meeting was officially started and placed on record.

On a motion by Charles Waala, seconded by Frank Beesten, and unanimously carried by voice vote, the Commission approved the minutes as printed, for January 27, 1998

Mr. Rick Kania continued his review of the Zoning Ordinance update process. As a point of information the plotting of the Village cadastral map using GIS was dis-

cussed. It was noted that would be the most accurate form of mapping, but that the projected cost is from \$10 to \$15 per parcel. The estimated cost would be \$15,000, but that may be less if the Village is able to get some grant/shared funds from the county.

Administrator Daniel S. Schmidt reviewed Section 8 & 9 of the Zoning Ordinance. Several points were brought up for discussion and some of those points need clarification from SEWRPC. It was noted at the next meeting Sections 10 & 11, etc. will be reviewed.

Several points were noted for discussion with SEWRPC:

1) In 8.3 signs permitted it was suggested that the height requirement be reviewed as well as all aspects to such signage.

2) In 8.4 the overall height of all signs should be looked at to establishing maximums and to try and create a lower profile for signs.

3) In 8.9 the location of the sign should be looked at in reference to location on the sketch provided for a sign permit, to protect the integrity of the lot pipes.

4) In section 8 the matter of not allowing general billboard type signs should be addressed as well as billboard type signs painted on the sides of buildings.

5) In 9.1 the definition of 50% loss should be made clearer. 6) In 9.2 a review and explanation in reference to 50% loss by

damage should be defined. Note in discussion that the need or request for a public hearing of sorts should be established if the land use plan as to what land is suggested to be used for was discussed. It was noted the annexation process should not be altered as provided by State Law but that maybe when land use is to be adjusted a hearing of sorts could be held. The consensus was to wait and take a slow

approach to changing the rules.

On a motion by Richard

Schmidt, seconded by Frank Beesten and unanimously carried by voice vote the Commission canceled the March 24, 1998 meeting until the April 28, 1998 meeting or

until March 31, 1998 if an item is

brought in for action/review. On a motion by Charles Waala, seconded by Richard Schmidt and carried by majority roll call vote, the Commission adjourned the meeting. Roll call vote was 4 "Aye" 0 "Nay" 3 "Absent."

Daniel S. Schmidt Administrator Approved 04-28-98 Published 05-07-98

XYZ CARD RESULTS

The winners at cards played at the Municipal Building on Wednesday, April 29th were: SKAT: Melvin Moths, 18-1--17 net; Teresa Peterson, 17-1--16 net; Ken Kaschner, Club solo vs 4; Teresa Peterson, Heart solo vs 4.

Matt Gundrum Double Winner Boys are Fourth at Pewaukee Invite

The Kewaskum Boys track and field team placed fourth at the Altheimer Invitational on Friday, May 1, at Pewaukee High School. Host Pewaukee won eight events and gained first place in the boys portion of the meet with 140 points easily outdistancing second place Westosha's 115.5 points. Elkhorn finished third with 89.5 points, Kewaskum finished fourth with 75.5 points, St. Francis fifth with 55 points, Wilmot sixth with 38 points, and Union Grove seventh with 11 points.

The Kewaskum boys won three field events, placed two athletes in three field events and also placed three individuals in the pole vault to tally 55.5 points in the field events out of 75.5 total points scored by Kewaskum for the meet.

Matt Gundrum won both the shot put and the discus. In the shot put, Gundrum's 46'5" was exactly 5' better than second place. In the discus, Gundrum's 133'5" was close to his seasons best throw. Freshman Charlie Sparks placed fifth in the shot put with a throw of 38' 6" and fourth in the discus with a toss of 119' 3". Light rain kept the throwing circles, run ways, and track wet for the meet. "Matt had a good meet," commented throwing coach Dave Rizzardi.

Kewaskum's other first

place was won by Matt Hammen in the high jump. Hammen's 6'4" was 4" better than second place. "Matt jumped very well tonight. He didn't let the light rain, wet take off area, or cool weather affect his jumping," commented head coach Jerry Gosa. Sean Cotter tied for fifth place in the high jump with a height of 5' 3".

In the pole vault, Kewaskum scored 18 points when their three vaulters placed second, third, and fourth. Brad Hermann cleared 11'0" for second place, Troy Staehler 10'6" for third place and Chris Koth 10'0" for fourth place. "It was great to have three vaulters place, but I know that they were very disappointed not to have jumped better. They will be back at it on Monday working hard on their technique and form," commented coach Gosa.

In the running events a third place by the 3200m relay team was the best the Kewaskum boys could place. The 3200m relay team of Chris Weninger, Dan Wall, Matt Belger, and Scott Mueller finished in 9:56.5 for third place.

Individually, Troy Staehler had the highest finish of a Kewaskum athlete in a running event. Staehler ran his best race of the season, but finished fourth, just missing third place by 0.05 seconds. Staehler ran a personal best time of 2:08.9.

The 400m relay team of Chris Koth, Jay Krolnik, Paul Mertz, and Charlie Sparks finished fourth with their fastest time of the season in 49.22 seconds. Sparks also finished in fifth place in the 100m dash in 11.99 seconds.

Matt Belger placed fifth in the 1600m run with a time of 5:30.2 and Aaron Nelson finished in sixth place in the 3200m run with a personal best time of 12:09.2.

The 1600m relay team of Troy Staehler, Josh Parrent, Josh Rieder, and Steve Sarauer finished the scoring for Kewaskum by placing sixth with a season best time of 3:56.9.

Kewaskum failed to score in the following events: long jump, triple jump, 110 high hurdles, 400m dash, 300m hurdles, and 200m dash.

"The competition this Friday was obviously not as tough as what we competed against last Wednesday at the Washington County Outdoor, but overall our athletes gave their best efforts and did well. There is always room for improvement and they need to continue working hard," concluded coach Gosa.

The best way to get a man to dig a garden would be to call it a sand trap.

KHS Boys Sixth In County Outdoor

The Germantown boys track and field team won the Washington county Outdoor Championships on Wednesday, April 29, at the West Bend High School track. Last year champion, Germantown, used its outstanding depth to score an impressive 152-131 win over West Bend East. Hartford secured third place with 97. West Bend East finished with 69 points, Slinger took fifth with 55 points, Kewaskum sixth with 19 points, and Kettle Moraine Lutheran finished seventh with 3 points.

Highlights for Kewaskum include second place in the high jump by Matt Hammen. Hammen cleared 6' 2" on a rather cool evening. Andy Van Brocklin of Hartford won the high jump with a leap of 6' 4". Van Brocklin recently cleared 6' 7".

Matt Gundrum placed fourth in the discus with a season best toss of 134' 8". Gundrum was in third place with one thrower left, but Slinger's J.J. Gehring threw 136' 6" on his last effort to take the third place medal. Gundrum placed fifth in the shot put with a personal best throw of 47' 8 1'2", but watched as four other athletes each threw over 50', with Mitch Gehring of Slinger winning the event with a throw of 56' 1/2".

Brad Hermann placed fifth in the pole vault with a jump of 11' 6". Chris McManigal of Hartford won the pole vault competition with a jump of 13' 0" and Andy Klein of West Bend East cleared 12' 0". Two other jumpers besides Hermann also cleared 11' 6", but based on number of misses, Hermann had to settle for fifth instead of third or fourth.

The Kewaskum 400m relay team of Chris Koth, Josh Parrent, Paul Mertz, and Charlie Sparks placed fifth and the 3200m relay team of Matt Belger, Scott Mueller, Dan Wall and Aaron Nelson finished sixth in 9:47.2. The West Bend East quartet set a meet record in the 3200m relay with a time of 8:24.6.

"Not a lot of highlights for the Kewaskum boys. We don't have the numbers in our program or enough talent or depth to compete with the power houses of Washington County," reported coach Jerry Gosa.

On Friday, May 8th, the Kewaskum boys and girls track and field teams travel to Sheboygan Falls for the Vanderpan Invitational track meet. All field events and the 3200m relay begin at 4:00 p.m. Preliminaries in the hurdles, 100m dash, and 200m dash begin at 4:25 p.m. and finals start at 5:30 p.m.

<u>Chris Koth Triple Winner</u> KHS Boys Track Takes Fourth at Mayville Frosh-Soph Invitational

The Kewaskum high school boys track and field team finished fourth out of seven teams at the Mayville Frosh-Soph Invitational on Monday, April 27. Host Mayville won the meet with 140 points. Horicon finished second with 124 points, followed by Random Lake with 94 points, edging Kewaskum by four points.

The pole vault again proved to be a highlight for Kewaskum as three individuals placed. Sophomore Chris Koth cleared a personal best of 11' in the pole for first place. Koth also ran the lead-off leg for the winning 400m relay team and won the 300m hurdles in 47.2 seconds. Freshman Josh Parrent placed second in the pole vault with a 9' 6" effort and sophomore Joel Hermann placed fifth with a 9'0" jump. The field events accounted for 49 points of the 90 total points scored by Kewaskum and the pole vault accounted for 22 points of that 49 field events points scored by Kewaskum. Freshman Charlie Sparks placed in the top three in four events. Sparks, who anchored the winning 400m relay team, did well in the throwing events. In the discus, Sparks took second place with a good

throw of 118' 5" and in the shot put took third place with a personal best throw of 38' 10". In the 100m dash, Sparks placed second with a time of 12.0 seconds and fellow freshman Paul Mertz placing eight with a time of 12.6 seconds.

In the high jump, Paul Mertz took second place with a personal best height of 5' 8" and teammate Josh Parrent took sixth with a jump of 5' 2".

The 400m relay team surprised everyone by winning the event in 49.3 seconds. The 400m relay team consisted of Christ Koth, Josh Parrent, Paul Mertz, and Charlie Sparks. The 1600m relay team of Darrell Woebbeking, Joel Hermann, Jake Peterson, and Josh Parrent placed fourth with a time of 4:12.0.

Sophomore Matt Janisch took fourth place in the 300m hurdles with a time of 51.5 seconds and seventh place in the discus with a throw of 85' 6''.

"The freshman and sophomores did well. There is a good nucleus of young athletes. Like the varsity, however, it continues to be a question of numbers. There just isn't enough athletes to field a complete team. We had only one entry per event for many events and many events like the 1600m run, 3200m run and 110m hurdles had no Kewaskum entry," concluded coach Jerry Gosa.

Athletics Roll Over Neosho 16-1; Port 22-2

Mother Nature provided the rain but the Kewaskum Athletics supplied the thunder with their bats last weekend as they scored a pair of lopsided victories.

The A's came away on the long end of a 16-1 score on Saturday in their Tri-County Nite League opener against the Neosho Rockets. Sunday saw Kewaskum treat old Land-O-Lakes rival Port Washington rudely as they registered a 22-2 win.

The A's combined a 14 hit attack with solid pitching to roll over Neosho. Shawn Schneider went the distance on the mound in a game that ended after 6 1/2 innings due to a 10 run rule. Schneider struck out four and walked only one in picking up his first decision of the year. Kewaskum wasted no time in getting on the board as they blasted back-to-back homers in the bottom of the first. With one out and Ryan Hall on base with a single, Terry Koth opened the scoring with a long homerun to right field. Mike Mueller immediately followed suit with another drive into the cornfield beyond the right field fence.

After the Rockets plated their only run in the top of the fourth inning, Kewaskum broke the game open in the last half of the frame with an 11 run outburst. The Athletics used six hits, three walks and a hit batsman as 14 batters came to the plate.

Jason Strobel and Tim Gundrum each picked up two hits in the inning. Strobel capped off the inning with a three run homer over the 378 foot mark in straight away centerfield. Player/manager

<u>Wiesner, Dedert Double Winners</u> KHS Girls Win Pewaukee Invitational

The Kewaskum High School girls track and field team successfully defended their title Friday, May 1 at the Altheimer Invitational at Pewaukee High school by scoring a total of 134.5 points. Placing second was Wilmot with 122 points and Westosha was third with 117 points. Host Pewaukee finished fourth with 64.5 points, Elkhorn fifth with 44 points. St. Francis sixth with 39 points and Union Grove seventh with 5 points.

The Kewaskum girls threw, hurdled, jumped, and ran to six first place finishes, three seconds, and four thirds. Senior Carrie Wiesner was a double winner in the 100m high hurdles and 300m low hurdles with times of 16.94 seconds and 51.34 seconds respectively. Teammates JoAnne Thull and Jackie Michaels took third and fourth in the 100m high hurdles with time of 17.24 seconds and 17.79 seconds respectively. In the 300m hurdles, Jackie Michaels took fourth in 53.50 seconds and JoAnne Thull took fifth in 54.0 seconds. The Kewaskum hurdlers scored 36 points in these two event for the team. "The hurdle crew came through with flying colors as they triple placed in both events. Carrie Wiesner is cutting time as she gets ready for conference and post season competition.

EWSCA NEWS

(PLYMOUTH, WI) Wet track conditions forced the postponement of the1998 Eastern Wisconsin Stock Car racing season opener Saturday night at Sheboygan County Fair Park.

The 39th EWSC season will now kick-off Saturday, May 9 with competition in the Winged Super Modified, Limited Late Model and Super Stock divisions. Pit gates will open at noon this Saturday for technical inspection.

Spectator gates open at 5 p.m. with time trails starting at 6 and racing to follow at 7 p.m.

For late weather information call the track office at 892-2927. JoAnne and Jackie continue to do well despite chronic injuries.," praised head girls coach Joe Kinney on the success of the hurdlers.

Senior Sara Dedert won both the shot put and the discus for Kewaskum. Dedert three 31' 6 1/2' in the shot put and 102' in the discus - almost 20' better than second place. "We were concerned that we would be weak in the throwing events, but Sara is coming through very well," praised coach Kinney.

In the 1600m run Carol Neumann and Colleen Gosa gave Kewaskum a surprising 1-2 finish. Neumann, who won the Washington County Outdoor 1600m run on Wednesday, again led the race from start to finish and won in a time of 5:53.77. Gosa, a freshman, ran in third place most of the race, but put on a good sprint down the final straight-away to take second place by 0.09 seconds with a time of 6:01.71.

In the 800m run Neumann had to settle for second place with a time of 2:39.75 and Gosa finished in sixth place with a time of 2:44.7.

Coach Kinney commented that the "Distance runners did well with Carol Neumann and Colleen Gosa placing in both events. Both ladies gave hard runs and did a great job fighting for points."

MacKenzie Downs continued her string of first place finishes by winning her speciality, the triple jump with a jump of 29' 10". Jill Wichtoski placed second in the long jump with a personal best of 14' 10" and finished sixth in the triple jump with a 27' 7 1/2' effort. "Jill has worked hard and is improving," commented coach Kinney.

Jessie Repovsch placed third in the high jump with a jump of 4' 6'' and Sarah Bausch tied for fifth with 4' 0''.

The 4 x 200m relay team of JoAnne Thull, Tina Lindgren, Jackie Michaels, and Carrie Wiesner finished in third place in 1:58.83.

The 4 x 100m relay team of Jenny Fettig, Lynn Wiesner, Jody Wichtoski, and Mackenzie Downs finished in fourth place in 56.77 seconds just 0.39 seconds out of third place.

The 4 x 800m relay team of Emily Rinzel, Crystal Heberer, Kelly Darmondy and Laureen Nelson finished fourth in 11:34.19.

The 4 x 400m relay team of Brooke Zanow, Michelle Zingsheim, Jessie Repovsch, and Heather Rieder finished in third place in 4:40.43. "They did a great job. They ran their hearts out," commented coach Kinney.

After the meet Kinney summed up his feelings. "I'm very proud of the effort of this team. We came into the meet tired and injured from Wednesday's county meet. Yet everyone displayed great determination in winning this meet.

On Friday, May 8, the Kewaskum girls and boys track teams travel to Sheboygan Falls to compete in the Vanderpan Invitational. All field events and the 3200m relay begin at 4:00 p.m. Qualifying heats in the boys 110m hurdles, girls 100m hurdles, and both 100m and 200m dashes begin at 4:25 p.m. Finals start at 5:30 p.m.

BEECHWOOD SPORTSMENS CLUB TRAP LEAGUE April 30, 1998

Lady Indians Fourth In County Outdoor

The Slinger girls track and field team won the Washington County Outdoor Championships on Wednesday, April 29th, at the West Bend High School track.. Slinger edged Hartford 101-100, when Slinger's 1600m relay team defeated Hartford's quartet. West Bend West finished third with 90 points, Kewaskum fourth with 77 points, West Bend East fifth with 62 points, Germantown sixth with 57 points, and Kettle Moraine Lutheran seventh with 40 points.

Highlights for Kewaskum included three first place finishes, one second, and four third place finishes. Carrie Wiesner continued her domination in the 100m hurdles by winning the event in time of 16.7 seconds. The competition in the 300m hurdles was outstanding as five hurdlers finished under the 50 seconds mark. Griffin of West Bend West won the 300m hurdles with an impressive time of 47.4 seconds. Wiesner finished fourth with a good time of 49.3 seconds.

In the 1600m run Carol Neumann took the lead on the first lap and won the race with a time of 5:38.1. "Carol took the lead right after the start and let everyone know that she was the one to beat," commented distance coach Jerry Gosa. Neumann placed third in the 800m run with a time of 2:34.3 behind the winning time of 2:33.6.

MacKenzie Downs won the triple jump competition by two inches as she jumped 31' 8 3/4" compared to Hudack of West Bend East who jumped 31' 6 3/4".

Sara Dedert placed second in the discus with a throw of 99' 2" and third in the shot put with a personal best throw of 33' 5".

JoAnne Thull finished in fourth place in the 100m hurdles in 17.3 seconds and Jackie Michaels finished in sixth place in the 300m hurdles in 51.5 seconds.

The 800m relay team of JoAnne Thull, Tina Lindgren, Jackie Michaels, and Carrie Wiesner finished in third place with a time of 1:57.1. The 400m relay team also finished in third place with a time of 55.7 seconds. The 400m relay team consisted of Jenny Fettig, Lynn Wiesner, Jody Wichtoski, and Mackenzie Downs.

Emily Rinzel finished in fourth place with a time of 13:40.6 and Jessie Repovsch finished sixth in the high jump with a jump of 4' 4".

The 3200m relay team of Emily Rinzel, Crystal Heberer, Lauren Nelson, and Lauren Steinhardt finished with a time of 11:16.1 for sixth place.

Kewaskum Varsity Boys Tennis

On Monday, the boy's team traveled to Slinger for a nonconference match. "The singles saved the day," according to Coach Jastrab. The Indians swept the four singles match to win 4-3. Josh Gaffke played extremely well in the winning in straight sets 7-5, 6-1. Tim Breitag came from behind to notch a victory at the number 2 spot. Matt Fehlhaber and Keith Novotny cruised to straight set victories at the 3 and 4 spots to secure the victory.

Plymouth Panthers came to town on Tuesday to challenge the Indians in conference play. The Panthers won the match 4-3. Josh Gaffke again played a convincing match at number 1 singles. "Josh, had a good command of his ground strokes and went to the net with authority," said coach Jastrab. Matt Fehlhaber played strongly in the number three spot. "Matt has been playing consistent tennis all year.' Paul Higgins and Josh Seymour combined for a come from behind victory at the number one doubles spot. "Paul and Josh communicate well on the court and play excellent as a team" said Coach Jastrab.

The Indians are 3-3 overall and 1-2 in conference play.

In baseball, the greatest applause an umpire ever gets is silence.

KEWASKUM STATESMAN

Thursday, May 7, 1998

Athletics

(Continued from Page 22)

Dave Donath, Ryan Toshner, Gundrum and Strobel all scored twice in the inning.

Terry Koth closed out the scoring with his second round-tripper of the day in the fifth inning, once again driving in Hall ahead of him. Jason Strobel and Tim Gundrum both collected three hits. Erik Kraemer and Ryan Hall picked up two safeties apiece. Koth added a sacrifice fly to run his rbi total for the day to five.

The Port Washington Lakers came to town for an exhibition game on Sunday. The Lakers were shorthanded, missing three members of their pitching staff. The thin pitching ranks came to haunt Port as the game wore on. Kewaskum jumped out to a 3-0 lead in the first inning, added a run in the third and four in the fourth to build an 8-2 cushion. It stayed that way for a couple of innings until the Athletics blew the game open with six runs in the sixth, four in the seventh, and four in the eighth.

Hitting stars abounded for Kewaskum as six players each gathered three hits and three players added two apiece. Leading the way was Mike Mueller who counted two home runs among his three hits. He drove in seven runs and scored four. Erik Kraemer and Derrick Bruckert both slammed homers. Kraemer also doubled while driving in four runs and scoring three times himself. Bruckert had three rbi and four runs scored. Ryan Hall, Bruce Gundrum and Greg Wozniak rounded out the list of Kewaskum hitters to collect three hits. Kevin Klahn, Tim Gundrum and Dane Dorn hit safely twice each.

Lost in the offensive onslaught was a sparkling pitching performance by Dane Dorn and Ryan Hall. Dorn ran his 1998 record to 3-0 on the strength of a solid five inning stint. He struck out six and walked only one while allowing just one hit.

Fireballer Ryan hall came on to slam the door over the last four innings. Hall struck out the side in both the seventh and eighth innings on the way to ringing up eight strikeouts. He allowed three walks and gave up one hit. The pair of wins ran Kewaskum's season record to 4-0. The A's are 3-0 in exhibition play and 1-0 in the Tri-County Nite League. The Athletics next see action on Saturday, May 9 when they travel to Hartford for a Nite League game at 1:30 p.m. Madison Big Ten Pub comes to town on Sunday to open Rock River League play. That game will be played at the Kiwanis Park and will also start at 1:30 p.m.
