## Wedde Named New District Building, Grounds Supervisor

By Sharon Callaway Roznik

A new supervisor of the school district's buildings and grounds was approved by the board, after a 4 1/2 month vacancy in the position.

Dale Wedde of Jackson was hired in house, replacing Chad Kyle, who broke his two year contract to return to his former employer in California. Kyle resigned on January 2nd of this year, after serving the district for only sixteen months.

Originally from Milwaukee, Wedde moved to Jackson five years ago. His previous experience in the field includes his role as assistant maintenance supervisor for Aurora Health Systems.

In April, 1997, he was hired to fill the position of Maintenance Technician for the Kewaskum School district, overseeing repairs, HVAC, plumbing, and electrical service for all the schools.

Wedde has been working closely with business manager George Allmann since January, acting as a fill-in and assistant to Allmann to try to get the job done. He was chosen from a list of 30 candidates, narrowed down to five interviewed finalists. Wedde was the only one from within the district.

When asked about the direction facility maintenance will take in the future, Dale admits to knowledge of past problems with upkeep. "I don't

dwell on the past, I'm eager to move forward," he points out. "We'll be working on getting all the buildings up to date, and maintaining them to high standards. I think it can be done - I have a positive attitude."

One of the keys to turning things around, as Wedde sees it, will be the restructuring of custodial personnel, changing some positions, and building a stronger work crew.

Annual starting salary is \$45,000 for the 1998-99 school year.

Wedde's family includes his wife, Denise, and two daughters Melissa, 11, and Sarah, 18.

## Memories...

In honor of the Wayne Sesquicentennial, a resident requested this obit be reprinted from May, 1919

### FRIEDOLIN BAUMGARTNER

Nearing the century mark, Friedolin Baumgartner, one of the few remaining old pioneers of this county, passed into the Great Beyond at his home in the Town of Wayne on Sunday morning May 18, 1919. He probably was the oldest man in the county, but in spite of this he was hale and hearty, mentally alert and cheerful until March of this year, when he fell very unfortunately and had to remain in bed since on account of injuries which brought on the end, at the age of 97 years, 4 months and 12 days. Deceased was born in Germany on January 6, 1822, and in his native land he married Miss Barbara Brugger. The family came to America in 1846 and settled in the Town of Jackson. In the following year his wife died, leaving him with three little children. In 1849 he married Mrs. Katherine Kehrein, and the family then moved to the Town of Wayne. He had two sons of the second union. His second wife pre-deceased him in 1871. Of the five children he only leaves one son, Frederick, of the Town of Wayne. He also leaves 18 grandchildren and 46 great-grandchildren. Three generations were brought up on the old homestead in the Town of Wayne.

Deceased led one of those harmonious and wholesome lives that are felt like a blessing and comfort by others. He never was sick in all his many years until the accident befell him, and that even could not curb his humor. A life of this sort is felt as a loss when it ends, at any age. The memory of a gentle, useful and honorable personality will remain of him.

The funeral was held last Wednesday afternoon with services in St. Peter's Lutheran Church in the Town of Addison, Rev. William Weber officiating. Six grandsons of the deceased were the pallbearers. The remains found their last resting place in the cemetery of that congregation.

## KHS Will Be in Badger Classic, So Purchase Your Tickets Now

You can't tell from the expressions on their faces, but these members of the Kewaskum High School football team actually are happy their team was selected to compete in the next Badger Classic at Madison's Camp Randall Stadium. Although the game isn't until August, tickets and the shirts they're wearing are available NOW at KHS. From left, sophomores Scott Willkomm and Chris Koth, juniors John Warnecke and John Immel and sophomores Jason Strobel and Adam Beck.

Excitement is building as the Kewaskum High School football squad looks ahead to its clash with the Campbellsport Cougars in the 3 p.m. game of the big Badger Classic, August 28, at Madison's Camp Randall Stadium.

Families and community members are encouraged to purchase their tickets now through the offices at KHS and Kewaskum Middle School. KHS will receive \$1 for each advance ticket sold, with additional funds coming for sales before June 1 (these will be used to help defray the team cost of attending). Hopes are high for good ticket sales before schools let out for the summer.

Kewaskum was one of only ten teams chosen by the Coaches Association for the Badger Classic this year. KHS officials call the selection "a great privilege and honor." And the non-conference matchup with Campbellsport may be a preview of what's to come when Campbellsport joins KHS in the Eastern Wisconsin Conference in 1999.

"It's going to be big for our school," says sophomore

team member Adam Beck. "We'll be ready."

Advance tickets for the Badger Classic are students (K-12) \$5, adults \$6, and are available at KHS and KMS. Game day tickets will cost one dollar more. These tickets are good for day's five Badger Classic games, with the first starting at 10 a.m. and the last at 8 p.m. The 3 p.m. KHS-Campbellsport showdown is the day's third game.

As part of the fun, T-shirts commemorating this unique and exciting event

are available from Perry Koth at KHS for only \$10.

Hopes are to make this a real family and community event. So back the team, back the community, and get your tickets now for the Badger Classic.

## Local Munsterlanders Rank Top in Nation

June Knowlton Sengpiel poses with Buddy Boy another prize hunter.

By Sharon Callaway Roznik

Ned Sengpiel and June Knowlton Sengpiel's little Munsterlanders have done it again. The German field dogs have gained the Kewaskum couple national notoriety and earned them NAVHDA's

Breeders award for 1997.

During this year's annual meeting held in Sioux Falls, S.D. of the North American Versatile Hunting Dog Association, 25 breeder awards were announced, two of which were for Ned and June's 1996 litters. They were

the only breeders in NAVHDA to receive this distinction for Small Munsterlander Pointers, out of a 2700 member association with 23 different breeds.

The couple imported two of these dogs from Germany several years ago to start a kennel line of their own. "Fero" and "Catja" went on to produce four litters and helped establish this hardy breed in the United States and Canada.

Known for versatility as an all around hunting breed and gun dog, the Munsterlander excels in the retrieval of wounded game. Spaniel-like in appearance, the medium size dog is chestnut or roan and white in color, with areas of brown flecking. Quickly adaptable to a variety of terrain or quarry, the breed is becoming a popular and much sought after hunting companion.

Strict requirements for breeding and registering the dog include hip certification, and both parents should have qualified in a NAVHDA Natural Ability Field Test or its equivalent. A breed warden oversees all potential matings in this country.

Ned and June have a reputation for breeding and selling only the best, with a waiting list of people from all over the country hoping for a Munsterlander puppy. From 1965 through 1997, 51 of these dogs were tested in utility, 32 of which came from the Kewaskum kennels. In 1997 alone, eight out of eleven tested were Ned's dogs. "Although I've recently retired to let June take over the breeding, I'm still involved in it all," Ned insists. Their dog Fritz

was the only Munsterlander to earn a Prize 1 in the utility test under NAVHDA.

The NAVHDA Breeder's Award is one of the most sought after in the program, and follows a strict list of criteria. At least four pups from one litter must qualify with a minimum point total of 360 points in NAVHDA Natural Ability Tests. With Fritz and Barney as stud dogs for the two recognized litters, Ned and June are ready to try for a Utility Breeder's Award next time around, which requires three littermates earn a minimum of 180 points and a Prize II in NAVHDA Utility tests.

Quoting from the Small Munsterlander newsletter, "Ned and June Sengpiel, without question the top breeders in North America, are a perfect example (of integrity and ethics in breeding). They should be looked at by the rest of S.M. owners as the example. There is a role model for us all!"

Presently, their trainer Mike Kindler of Sandhill Kennels in Brownsville is working with two year old Buddy Boy, Fritz's son. "He's in the process of training right now for a Prize 1 Utility," June explains as Buddy bounds back and forth from owner to trainer. "You can see how he loves him. That's an important bond between a trainer and a dog." The dog has both a Prize 1 in Natural Ability and a Prize 3 Utility, put on him by previous trainer, Dennis Brath of Caden Kennels in Campbellsport. The Sengpiel's hope Buddy Boy will follow in his father's footsteps "He's a very strong dog, and that

makes him a little harder to train!"

# "A Clear Picture"

Today, doctors can look inside the human body for signs of disease — without major incisions. Using computer chips and video screens, techniques such as endoscopy and laparoscopy give doctors a clear picture of body organs. Many diseases that once required surgery are now done on an outpatient basis, so patients can go home the same day and more quickly resume their normal activities. Specialized training and a commitment to appropriate technology mean a higher level of quality medical services. They help to make St. Joseph's the preferred community choice for patient-friendly diagnosis and treatment.

At St. Joseph's Community Hospital of West Bend, value, quality, personal touch and advanced TECHNOLOGY mean better health for our community.

*"The hospital has committed its resources to the technology and quality nursing staff that have helped develop gastroenterology services to a higher level here than at many other hospitals."*

## Washington County Veteran's Memorial Plaza to Be Dedicated

The Washington County Veteran's Memorial Plaza will be dedicated in the early afternoon on Memorial Day on May 25, at the Old Courthouse Square in West Bend.

This is a memorial to all veterans of World War II, Korea, Vietnam and intervening peace keeping missions. The names of all Washington County citizens who lost their lives will be permanently engraved in the granite panels of the monument.

The services will commence with a parade in West Bend, stepping off at 1:30 p.m. The parade route will form behind Badger Middle School in West Bend and proceed north one block to Oak Street, then east one block to Main Street and north on Main Street to Cedar Street, then west one block to Seventh Avenue and south on Seventh to

Poplar Street. It will continue east to the north side of the Old Courthouse Square.

The parade will include several bands from area schools plus the 84th Division Band from Milwaukee, and all the traditional organizations who commemorate Memorial Day. Color guards from each of the 23 county veteran's organizations will also participate in the parade.

The dedication services will begin immediately after the parade at the site of the new Washington County Veteran's Memorial Plaza at the Old Courthouse Square on Fifth Avenue in West Bend. Governor Tommy Thompson will give a short dedicatory Memorial Day address.

The beautiful new monument is of white Vermont granite to match the granite of the Doughboy World War I monument. The bronze

castings were done by Steve Gerhartz, a talented local artist, while the granite monument and the engraved names were completed with the excellent cooperation of the Miller Monument Company working in conjunction with the County Historical Society and the County Veterans Service Office. The cost of the monument and the new Washington County Veteran's Plaza were paid for with private funds.

## School Board Approves All-Day Kindergarten

By Sharon Callaway Roznik

Beginning in fall, parents of kindergartners attending school in the Kewaskum School District will be able to choose from an all-day or half-day program.

The school board voted 6-1 to approve a new all day, full-time kindergarten program that would reduce bussing costs and increase the amount of state aid the district receives. Lisa Maul voted against the motion.

Full-time kindergarten will be offered at all three elementary schools, with one half-time morning session available only at Kewaskum Elementary.

Children attending the half-day session will be picked up and dropped off at home by the district's shuttle bus. "We're sending out surveys this week to see

what the parents' preference is," stated business manager George Allmann.

When approached with the program last year, the board voted against the proposal after listening to a group of parents who felt children at that age were not ready for a full day of school. Lack of space was also a factor in the decision.

At this month's board meeting President Jean Goeden said kindergarten enrollment dropped by approximately 40 students for the 1998-99 school year, freeing up additional classroom space.

Allmann said the one-year pilot program would generate a net fiscal benefit of around \$40,000, with a \$38,000 increase in state aid for the addition of full time students.

Staffing for the kinder-

garten classes will require adding one and a half teachers, to increase the positions at Wayne and KES. "There would be increased specialist time of about 10%," Allmann reported. The increased teacher costs will run about \$53,000. All kindergarten staff and elementary administrators support the proposal.

Before administration re-introduced the idea to the board, a district survey was sent out to parents. The results showed over 80% of the parents of next year's kindergarten students supported full-day school, with 10% indicating they would still send their children to a half-day program.

Kieth Kriewaldt, Director of Elementary Education, said the move was in the right direction. "I think it's a positive step for our kids and community, and a step that has to be taken as a district, to improve test scores and the children's overall performance. Money is not one of the reasons I gave for recommending this."

## Letter to The Editor

To The Residents of the Kewaskum School District And to the Kewaskum School Board:

On May 11, the decision was made to not re-open Beechwood Elementary School.

I came to the meeting after attending a funeral. At the funeral I visited the body of my beloved aunt. The life that was once in her was now gone.

For a long time BES breathed with hope and with earnest expectations but then on May 11th, she took her last breath. Her body (building) remains for now, but her life is gone. Children will not laugh in her halls, learn in her classrooms, or play on her playgrounds.

My aunt lived a full rewarding and satisfying life, fulfilling her dreams and her goals.

Beechwood Elementary School died before being able to fulfill hers. Her life could have been saved.

How tragic. Her community grieves. Her dreams are shattered. Painfully, the memory of her will live on and she will never be forgotten. She will be sadly missed.

My deepest appreciation and heartfelt thanks to those who endeavored to keep her alive.

My deepest sympathy to a grieving community.

## County Dairy Banquet At Amerahn May 27

The Washington County Dairy Banquet will be held on Wednesday, May 27, at 7:30 p.m. The event will be held at the Amerahn, located just north of Kewaskum on Highway 45. This is the 39th year this event has been held in Washington County.

The banquet is held to provide a kick off for the dairy activities that are planned for the month of June and the rest of the summer. It also recognizes the dairy producers and the dairy industry in the area. It also provides an opportunity for farm and non-farm people to get together and learn more about each other.

The evening will include a buffet dinner followed by a short program, and then music and dancing with the music provided by Bill Thull. The program for the evening will be Jerry Apps showing slides and talking about "The Barns of Wisconsin." This is an appropriate and interesting topic as we all call attention to the Sesquicentennial celebration in Wisconsin.

Tickets for the event are \$8 and must be purchased in advance by May 22. For further information or ticket availability contact the Washington County UW-Extension Office at 414-335-4477, 414-644-5204 or 414-342-2929.

The event is being spon-

sored by the Washington County June Dairy Month Committee. Farmer's Inc, Allenton, is sponsoring the Bill Thull Band for the event.

## Mother's Day Banquet Held at Tuttle Creek Learning Center

The first annual Mother's Day Banquet was held on Saturday, May 9, for all preschool children attending Tuttle Creek Learning Center in Kewaskum. Moms and children came for socialization, breakfast and much more.

The morning began with a beautifully homemade corsage and a hot cup of coffee for the moms and a cup of juice for the children. Then everyone participated in making scrambled eggs. By adding hash browns, sausages, pancakes and some cake for dessert, Janet Rohlinger made a wonderfully filling breakfast, as witnessed in the above photo.

The entertainment portion of the morning, as partially shown in the photo below, included Gina Trampe, a Dancercise teacher who guided the children in a fun performance, stressing ballet, jazz, tap and tumbling. Gina offers a class every Friday morning at TCLC from 9 to 9:30 for all those children who wish to participate for a small fee. The remaining children then joined in to show off their sign language skills and singing ability.

Before the day ended, the children made jewelry boxes for all their moms to take home as gifts. Tuttle Creek would like to thank all of the mothers for joining in and making it such a special day.

## Brad Oelhafen Receives Scholarship

ST. PAUL, MN -- Brad Oelhafen of Allenton, is among 81 recipients of \$600 agricultural studies scholarships from the Cenex Foundation.

Oelhafen is an Agribusiness Facilities and Equipment major at Fox Valley Technical College-Appleton.

"As agriculture strives to meet the rapid advances underway in technology, knowledge and consumer demand, the need for skilled individuals is tremendous," said Cenex Foundation Board Chairman Elroy Webster. "We're addressing this through Cenex Foundation scholarship programs by providing financial assistance to men and women committed to building a career in today's challenging agriculture profession."

Since its creation in 1961, the Cenex Foundation scholarship program has awarded more than \$2 million to more than 3,100 students pursuing agricultural and cooperative studies at designated schools in the Cenex trade area.

"Financial assistance is an important component of supporting high caliber individuals seeking careers in agriculture," said Cenex Foundation President William Nelson. "This has been demonstrated in recent years by the continued strong interest in the Cenex Foundation scholarship programs."

Cenex Foundation Scholarship Program recipients are selected on the basis of their academic achievement and potential contributions to agriculture and agribusiness. The scholarship program provides students at

selected two-year schools with a one-time \$600 grant in either their first or second year of study. The Cenex Foundation also presents Cooperative Studies Scholarships to 79 students at designated universities throughout the Midwest and Pacific Northwest.

The Cenex Foundation was established in 1947. Its mission is to actively and responsibly invest in the future of American agriculture and the cooperative system through efforts including cooperative education scholarships and financial support of eligible rural youth agriculture programs.

Students interested in obtaining additional information about the Cenex Foundation Scholarship Program should contact the participating school or university of their choice or write to Mary Kaste, Manager; Cenex Foundation; 5500 Cenex Drive, Inver Grove Heights, MN 55077.

Bridget Baum, left, and Tim Breitag

Kewaskum High School seniors Bridget Baum and Tim Breitag were named Kiwanis students of the month for February.

Bridget Baum has taken on several leadership roles during her years at KHS. Currently, Bridget is the president of the KHS National Honor Society, as well as being an active member in both the Student Council and Student Roundtable. This past summer, she attended Badger Girls State. Bridget was also captain of the girls tennis team this past fall.

Away from school, Bridget is a lector and server at St. Bridget's.

Bridget has been employed, as well, at both the O'Meara Law Office and the Shooting Star Travel

Agency.

Her travels took her on her first plane ride last year, a trip to Yorba Linda, California.

Bridget's plans are to attend UWWC this coming fall, before transferring to UW-Madison, to pursue a major in business.

Tim Breitag has also been involved in numerous activities at KHS. Tim, too, is a member of the National Honor Society and the Student Council. Tim's in the KEY Club, choir, swing choir, band, jazz band, as well as being involved in forensics. Tim's a member of the soccer squad, and plays tennis for KHS, too. At one time or another, he has been involved with FLAGS, FBLA, basketball,

and football.

Besides his school activities, Tim's in the Peace United Church of Christ choir. He has also worked at K-Mart for the past two years.

Tim's most memorable travels include a trip he took through the KHS Spanish class, in which he visited Huatulca, Oaxaca and Mexico City.

Tim will be attending UW-Madison this fall, with the possibility of studying business administration.

### Early Childhood Preschool Available At Summer School

Due to popular demand, two additional early childhood/preschool sessions will be offered as part of Kewaskum's summer school program, which will last from June 8th until July 3rd.

A new class for children ages three and four will be offered on Tuesdays and Thursdays from 8:00 until 11:35 A.M. Five and six year-olds will have an additional class on Mondays and Wednesdays at the same time.

Each class will offer art, music, stories, science, and physical activities. Class sizes will likely be fewer than fifteen children.

If you are interested in registering your preschool-aged child in one of these fun and challenging classes, contact the Kewaskum Middle School office at 626-8427, ext. 2323.

Do hurry, as the new sessions may fill quickly.

**Michaels Conference Champ  
KHS Girls' Track Third at Conference Meet**

The Kewaskum High School girls track and field team finished third at the Eastern Wisconsin Conference Track and Field Championships on Thursday, May 14th, at Chilton High School. The Chilton girls were the defending champions, but this year they had to settle for the runner-up, as the Raiders from Two Rivers totaled 126 points to 118 points for Chilton. Two Rivers had six first place finishes and finished 1-2 in the 100m dash and 2-3 in the 200m to win the conference title. Kewaskum finished a distant third with 78 points, just one point ahead of New Holstein. Last year Kewaskum finished second at the conference meet with 129 points. Roncalli finished fifth with 74 points, Kiel was sixth with 70 points, Sheboygan Falls finished seventh with 61 points and Plymouth finished eighth with 59 points.

The lone first place that Kewaskum captured was the surprising win by Jackie Michaels in the 300m hurdles. Michaels, fresh off her hurdle wins at the Vanderpan Invitational on Friday, May 8th, lead the entire race and withstood a strong second place finish from teammate and defending conference champ, Carrie Wiesner. Michaels time was 49.9 seconds. Wiesner, who had missed the Vanderpan because of Confirmation, was not in top form because of a sore ankle. Wiesner was timed in 50.0 seconds just 0.1 seconds behind Michaels. "Jackie really did a good job. She ran great tonight. She has been patiently waiting for her turn behind the seniors," commented head coach Joe Kinney.

Carrie Wiesner also finished second in the 100m high hurdles with a time of 16.1 seconds. Ehrhardt of Kiel finished first with a time of 16.0 seconds. Teammates Jackie Michaels finished fourth in 16.6 seconds and JoAnne Thull finished fifth in 16.7 seconds. "Carrie has been slowed up by an ankle injury, but she will be ready for regionals next week," remarked coach Kinney.

Sara Dedert had a great day in both the discus and shot put were she recorded two personal records. In the discus Dedert threw 110' 10" for second place, an improvement of over 9 feet. The winning throw in the discus was 124' 9" by Pingel of Chilton. In the shot put, Dedert's throw of 34' 1 3/4" placed her fourth. The

winning throw was 38' 5 1/4" by Lisowe of Chilton. "Sara had two PRs (personal records) in the shot and the discus. She really stepped it up. She has really emerged into a very good thrower," commented coach Kinney.

MacKenzie Downs finished third in her specialty, the triple jump with a distance of 31' 8 1/2". Bero of Two Rivers won the triple jump with a distance of 32' 11 1/2". Teammate Jill Wichtoski finished fourth in the long jump with a leap of 14' 4". Bero also won the long jump with a distance of 14' 9 3/4".

Carol Neumann of Kewaskum finished fourth in the 800m run with her fastest time of the season in 2:32.7, even though she didn't feel 100% the day of the meet. Competition was tough with Brianna Dahm of Two Rivers finishing first with an excellent time of 2:20.7, exactly eleven seconds ahead of second place. In the 1600m run, Neumann finished fifth with her fastest time of the season in 5:30.9. Again Dahm, a sophomore, of Two Rivers won with a time of 5:18.1, eight seconds ahead of second place.

The four Kewaskum relays

teams managed only a fifth, sixth, seventh, eighth place.

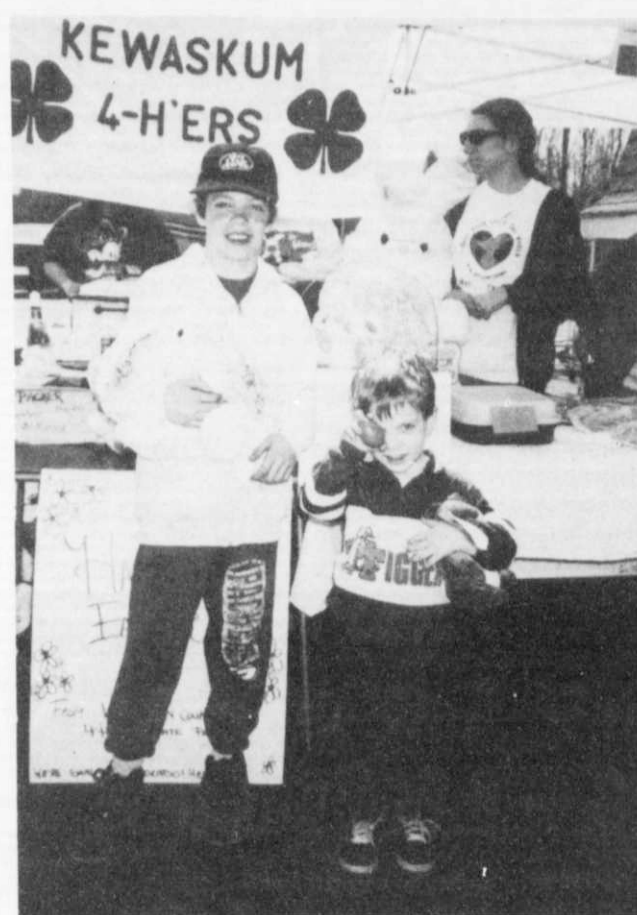

The 400m relay of Jenny Fettig, Lynn Wiesner, Jody Wichtoski, and Heather Rieder finished fifth with a season best time of 55.1 seconds. The 800m relay of JoAnne Thull, Tina Lindgren, Jackie Michaels, and Carrie Wiesner finished sixth with a season best time of 1:55.5. The 3200m relay of Emily Rinzel, Crystal Heberer, Lauren Steinhardt, and Colleen Gosa finished in seventh with a season best time of 10:53.8, over 20 seconds improvement. The 1600m relay of Jessie Repovsch, Brooke Zanow, Michelle Zingsheim, and Emmy Foerster finished eighth in 4:40.7.

Freshman Emily Rinzel dropped 22 seconds off her best time in the 3200m run. Rinzel finished in 13:18, but did not place.

On Thursday, May 21st, the Kewaskum girls and boys travel to Two Rivers for the Conference Relay meet. Field events start at 3:30 p.m. and running events start at 4:00 p.m.

On Tuesday, May 26th, Kewaskum will host a WIAA Division II Regional in Track and Field. Field Events will start at 3:15 p.m.

**Lucky Winners**

Joshua Hansmann and his cousin, Wade Harvancik, were lucky winners of the "Pick An Egg" Easter game offered at the Kewaskum 4-H'ers Brat Fry held at Sentry Foods in Kewaskum.

**Poppy Expresses Nation's Gratitude**

The Memorial Poppy of the American Legion and Auxiliary is a visible expression of the gratitude of Americans to those who fought to keep "democracy in action." They fought to protect the principles upon which this country was founded. Each unit supports the program in every way they can.

While Poppy day is once a year, it is a year round program. The funds raised are used for the benefit of the veteran every day, not just one day.

The Poppy is made carefully, and slowly by hand by veterans. For many it is physical therapy. For the public it is a reminder that millions have died so that you and I might live in peace and security in America.

Let us celebrate this Memorial Day on May 25 by wearing your Poppy and come to the program at the American Legion grounds after the parade to honor our veterans. The American men and women who have died for their country deserve to be remembered.

## Ring Bells in Honor of State's Sesquicentennial

All Washington County communities -- large or small -- may participate in Wisconsin's 150th birthday on Friday, May 29 in a simple, yet memorable way. At noon on May 29, Gov. Tommy Thompson will conclude the state's official Statehood Day ceremony at the Capitol in Madison by ringing a bell. Communities throughout Wisconsin are urged to join in and mark this historic occasion by ringing bells in their schools, churches, government buildings, and other facilities at precisely noon on May 29. "For most Wisconsin residents, this is a once in a lifetime opportunity to celebrate an important birthday for our great state and commemorate its history," says Wanda Roeveer, State Sesquicentennial Coordinator for Washington

County. "A chorus of bells throughout our county will show how much Wisconsin means to us. We can ring our bells 30 times to signify Wisconsin becoming the 30th state. Besides the bells in schools, churches and other buildings, all county residents can participate by ringing their own individual bells at noon on May 29. They also can blow a whistle, bang a spoon on a kettle or anything else that's available. The idea is to make as much noise as possible. This is an activity that people of all ages and abilities may participate in at home, school or work." For more information on this or Washington County's celebration, "A Step Back in Time" on Wednesday, June 3, call Wanda Roeveer at 644-5728.

## Hammen and Gundrum Conference Champions KHS Boys Track Seventh at Conference Meet

The Kewaskum High School boys track and field team finished seventh at the Eastern Wisconsin Conference Track and Field Championships on Thursday, May 14, at Chilton High School. New Holstein won eight events and in two of those events also finished second to amass 149 points, eighteen points ahead of runner-up Two Rivers' 131 points. Plymouth finished third with 99.5 points, Chilton fourth with 76.5 points, Sheboygan Falls fifth with 68.5 points, Kiel sixth with 62 points, Kewaskum seventh with 52.5 points and Roncalli eighth with 24 points.

Kewaskum scored a very respectable 46.5 points in five of the six field events, but only managed 6 points in the 11 running events.

One of the highlights was the surprise 1-2 finish by Matt Gundrum and freshman Charlie Sparks in the discus. Gundrum won the event with a personal best throw of 152'09", over 15 feet better than his previous. Gundrum had the third best seed distance of 137' 1" and throw his career best throw early in the competition. Later when the number one seed, Ty Mueller of Plymouth threw, he scratched all three of his throws in the trials trying to better Gundrum's throw of 152' 9". Mueller did not have a mark in the trials and therefore did not make the finals. In the finals the top eight athletes get an additional three throws. Sparks, who had the ninth best seed going into the conference meet, unleashed a season best throw of 135' 2", over 10 feet better than his previous. "Both Matt and Charlie threw real well today. I think Gundrum's early throw really put some pressure on the rest of the field," responded throwing coach Dave Rizzardi. Gundrum's throw of 152' 9" was just 7 inches away from the school record of 153' 4". Brian Liegl set the record last year at the conference meet that was also at Chilton.

Matt Hammen won the conference title in the high jump with a leap of 6' 4". Hammen

had his coaches more than just a little concerned when he missed his first two attempts at 6' 2". After clearing 6' 2" on his third attempt, Hammen made 6' 4" on his second attempt at that height, while Malek of Roncalli made 6' 4" on his third attempt. Both jumpers were unsuccessful at 6' 5" and thus Hammen won first place on the tie breaking procedure based on the number of attempts needed to clear the last height. "I know that Matt's goal was to be conference champ. I think that having gone 6' 4" the last three meets gave him the confidence he needed tonight," reported head coach Jerry Gosa. Sean Cotter finished in a tie for sixth with a season best jump of 5' 8" in the high jump.

As much as it was a surprise to have a 1-2 finish in the conference meet in the discus, senior Brad Hermann must have wanted some of the spotlight too. Hermann, who had cleared 11' 6" twice this year in a meet, put his past behind him literally when he went 13' 0" in the pole vault Thursday night. Hermann's success was seen and heard by most of the people at the meet. "I think that Brad Hermann, Ric Robinson (the volunteer pole vault coach), myself, and the pole vaulters were confident that he had the ability to jump this high," reported a happy coach Gosa. "He sure picked a great time to jump well." Hermann finished second in the competition because Hoffmann of Two Rivers cleared every height on his first attempt. Both Hermann

and Hoffmann were unsuccessful at 13' 6". Teammate Josh Parrent, a freshman, finished eighth by clearing 10' 6". "I really think that Brad has the ability to go even higher," remarked coach Robinson.

Matt Gundrum placed third in the shot put competition with a heave of 47' 6 1/2". Soucoup of Two Rivers won the event with a distance of 49' 3 3/4". Gundrum third place was the last top three finish for the Kewaskum boys.

Josh Rieder placed eighth in the long jump with a 17' 4" effort. The triple jump was the

only field event that Kewaskum did have anyone in the top eight.

Troy Staehler was the only Kewaskum individual athlete to finish in the top eight in a running event. Staehler finished eighth in the 800m run with a time of 2:09.5.

The Kewaskum 3200m relay team of Chris Weninger, Aaron Nelson, Matt Belger, and Scott Mueller ran their fastest time of the season, but only finished seventh with a time of 9:35.2. Plymouth's winning time was 8:22.

Likewise, the Kewaskum 1600m relay team of Troy Staehler, Josh Rieder, Chris Koth, and Steve Sarauer, ran their fastest time of the season, 3:51.2, and also finished seventh. New Holstein's winning time was 3:30.7.

Kewaskum's 400m relay team of Chris Koth, Josh Parrent, Paul Mertz, and Charlie Sparks finished eighth with a time of 47.9 seconds. Chilton won with a time of 45.2 seconds.

Matt Belger did well in the both the 1600m run and the

3200m run. He dropped almost 30 seconds off his best time in the 3200m run to 11:32 and dropped 9 seconds to 5:11.8 in the 1600m run.

"Great night by the Kewaskum field event athletes. I kidded someone that maybe we should go home after the field events, knowing that we were going to be in for a long night in the running events. Even though we didn't place well in the running events, I know that our guys gave it everything that they had. I am definitely happy with their effort at the meet," reported coach Gosa.

## Smoking Bats For Athletics

The Kewaskum Athletics came out with all guns blazing on Sunday as they plated 13 of their first 14 hitters in a 17-5 win at Berlin. The Reds didn't know what hit them as Kewaskum combined 9 hits (including 3 home runs, a triple and a double), 5 walks and a hit batsman to pretty much put the game away before Berlin took their first swing.

Terry Koth and Curt Schroeder led the 1st inning barrage. Koth blasted a pair of three run homers while Schroeder ripped a homer and a triple. On the day, the A's banged out 17 hits and collected 13 walks along with two hit batsmen. Koth, Schroeder and Bob Bothe each went three for four. Derrick Bruckert and Doug Gonring added two hits apiece. Koth's long ball display accounted for six rbi. Kevin Klahn knocked in three runs for the local boys.

The pitching chores were shared by Shawn Schneider, Dane Dorn and Ken Immel. Schneider picked up the win on the strength of five solid innings in which he allowed three runs (only 1 earned) on four hits. He struck out four and walked two. Dorn followed with a two inning stint in which he gave up two runs on three hits. Ken Immel closed out the game with two strong innings in which he surrendered no runs and two hits.

Memorial Day weekend presents Kewaskum with a pair of Rock River League challenges. The A's travel to

Slinger to take on the Stingers in a 1:30 p.m. contest on Sunday. On Memorial Day the Athletics play host to the Pardeeville Braves at the Kiwanis Park at 1:30 p.m.

Kewaskum's record in Rock River league play stands at 2-0. The Athletics' Tri-County Nite League record is 1-1. Overall the A's boast a 6-1 ledger.

## Lynn Runs Faster

Marni Lynn, former Kewaskum High School track standout, ran her fastest time of the season in the 1500m on Wednesday, May 13th at LaCrosse. Lynn, running for Carroll College, ran the 1500m run in 4:45.54 (4 minutes and 45.54 seconds).

The provisional qualifying time needed to advance to the NCAA Division III Nationals was 4:45.1. Lynn's time of 4:45.54 is approximately equivalent to a time of 5:02 for the 1600m run. Lynn made a final attempt to qualify for Nationals in the 1500m run on Friday, May 15th, at North Central in Chicago. Lynn finished her season with a time of 4:52 for the 1500m run.

Even though she felt disappointed at not reaching her goal of running a provisional qualifying time for Nationals, Lynn was happy with her personal best times in the 800m run, the 1500m run, and the 3000m run. These personal records surpass the excellent times she ran while at Kewaskum High School.

# KHS 'Boys of Summer' Return to Action

Along with warm summer weather go baseball gloves and bats and so is the case at Kewaskum High School. The 1998 summer baseball program began on Friday, May 15 with the return of three veteran players, seniors Rhett Engelking, Nathan Mueller and Troy Staehler.

Although the Eastern Wisconsin Conference baseball coaches predict Kewaskum to finish ninth (of ten teams), fifth year Head Coach Mark Heise was pleased by what he saw at last week's practices and hopes for a better outcome than projected.

"Our hitting is stronger than anticipated," stated Heise, adding, "the pitching duties will have to be filled by underclassmen who have had no varsity experience. Juniors John Immel, Bruce Groholski and Eric Wenninger have pitched for the JV's, but will have to step it up a notch to be successful at the varsity level. Freshman Bobby Ogi also looks like he may be able to provide significant help."

Completing the sign up are juniors Adam Donath, Andy Luedtke, and Scott Mueller. Sophomores include Erik Backhaus, Adam Beck, Jason Calliari, Billy Cook, Chris Koth, Jason Strobel, Nick Tibbs, Brad Vetter, Brandon Weinhold, Mike Farchione, and David Rabuck, Joining freshman Bobby Ogi is Zach Engelking.

The Indian varsity see their first non-conference competition this Saturday, May 23, at the Germantown Invitational. Kewaskum takes the field at 10:15 a.m. against Franklin.

Next week Tuesday, May 26, the Indians travel to Sheboygan to play a 5:30 p.m. contest against Sheboygan Lutheran. On Wednesday, May 27, they are home against Cedar Grove at 5:30 p.m. and on Thursday, May 28, they play West Bend West at Regner Park at 4 p.m. All are invited to come and cheer on the "boys of summer."
