St. John Lutheran Church Celebrates Dedication of Fellowship Building

St. John Lutheran Church's new Fellowship Building, shown above, is a beautiful asset to the New Fane area.

Over 100 people enjoyed fellowship while attending the formal dedication of the new Fellowship Building of St. John Lutheran Church in New Fane on Sunday, June 7.

The celebration began with a potluck dinner followed by a formal dedication program featuring guest speaker Rev. Dr. Ronald Meyer, president of the Lutheran Church Missouri Synod South Wisconsin District.

The program was enhanced with performances by the St. John choir and handbell choir. Concluding the celebration by poking fun at the various groups who utilize the facilities such as the council receiving a "suggestion box" which serves a dual purpose as a paper shredder.

Recognition was given to members of the Building Committee, Roger Heberer, Leonard Schultz and Neal Vetter. Further recognition was given to the Finance Committee, Gene Bohn, Roger Reif, and Debbie Kannenberg.

St. John began the process of constructing a new facility several years ago. Construction began one year ago and included razing the old school building built in 1921. Many hours of volunteer service were performed by members of the congregation. Thanks to the "barn raising" philosophy and generous financial support of the congregation, the construction costs remained under budget. A true testament to God's gifts to the congregation.

St. John's appreciates the support of the businesses assisting in the construction: Northeast Asphalt, Inc.; Campbellsport Building Supply; Borland Builders; Russ Abel Construction; JD Construction; K & D Excavating; RW Herbert Co.; Eden Stone Co., Inc.; Kleckner Fire Service; Two-hig Furniture & Floor Covering; JJ Baumhardt; Sullivan Brothers - Madison; Ruby Heating and Cooling, Inc.; Alpine Insulation; Del Ponte Brothers;

Milwaukee Man Drowns in Crooked Lake

TOWN OF SCOTT- The Sheboygan County Sheriff's Department received a phone call of a possible lost swimmer on Saturday, June 14 at 3:00 am.

Emergency personnel from the Random Lake, Batavia, Beechwood and Cascade fire departments and first responders along with Sheriff's officers and canine teams from the Great Lakes Search and Rescue Canine were sent to the scene and began a search of the immediate area.

Information received at the scene indicated that the swimmer was last seen at about 2:00 am when he and two friends went swimming. The lost swimmer was last seen in a beach area in approximately five feet of water.

Sheriff's department SCUBA team arrived on the scene and began an underwater search at approximately 6:30 am. The victim, 26 year old Wesley D. Trader from Milwaukee was found at 10:50 am in approximately 10 feet of water, 120 feet off shore. Trader was pronounced deceased by Sheboygan County Coroner David Leflin.

Two Area Youths Injured After Rollover Accident

Staff Writer/Photographer

TOWN OF FARMINGTON- Two sixteen year old youths were injured in a one car motor vehicle rollover that occurred on Sunday, June 14, at 3:17 p.m. at the intersection of State Highways 144 and 28 in the Town of Farmington.

According to the Washington County Sheriff's Department, Evan P. Paradies, 16, of Kewaskum, was driving a Ford Escort, southbound on STH 144. The cause of the crash was still unknown and remained under investigation, however, Paradies stated he saw something in the road and swerved to his right and going into a ditch and hitting an embankment on the westside

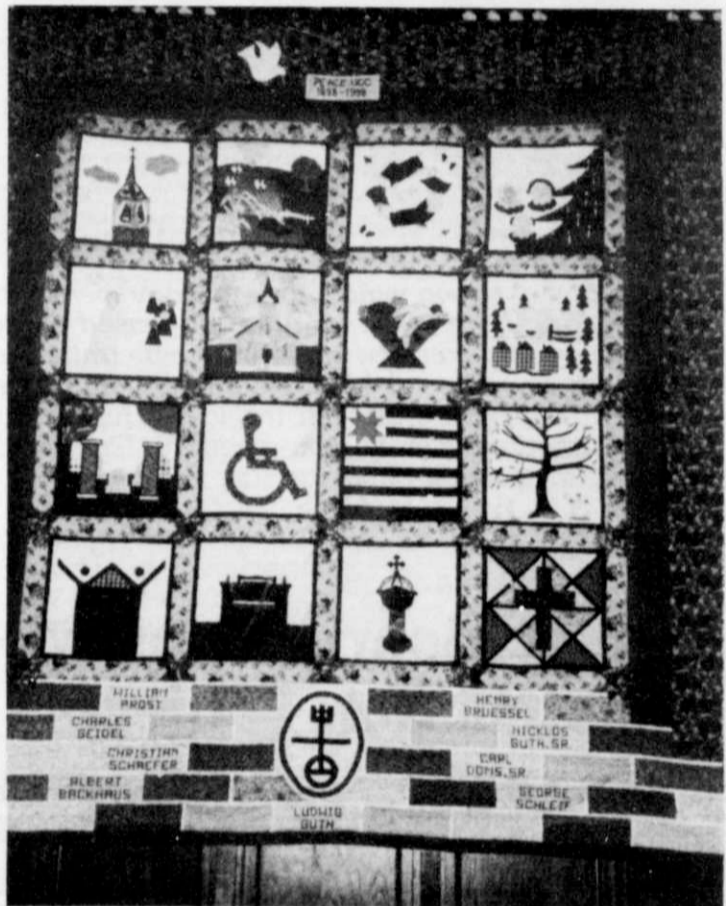

of STH 144. After hitting the embankment the vehicle turned clockwise and rolled several times.

A passenger, Aaron M. Rodenkirch, of Boltonville was flown to the hospital from the scene by Flight for Life helicopter. According to a Froedtert Memorial Hospital spokesperson, he is in serious, but stable condition.

Paradies required medical transport to St. Joseph's Community Hospital in West Bend by the Kewaskum Rescue Squad for treatment of injuries he sustained in the accident. He was treated and released.

Kewaskum Rescue Squad was assisted by Boltonville Fire Department.

Peace Church Centennial Celebrated

A Centennial Quilt, shown above, depicting special events in the church's history and listing the names of the founding fathers, was designed and sewn by members of the Peace Church congregation.

(More photos on Page 7)

A Centennial Celebration for Peace United Church of Christ in Kewaskum was held on Sunday, June 7, with a special service and dinner.

Founded in 1898 by Carl Doms, Henry Bruessel, William Prost, Nicklos Guth, Sr., Christian H. Schaefer, Charles Geidel, George Schleif, Sr., and Albert Backhaus, Peace Church has been a big part of Kewaskum's history for the last century.

During this Centennial year, members of Peace Church have been honoring descendants of the founding families each month during a service and with a display in Fellowship Hall. Pat Deshotels, Marion Erdman, Bunny Scannell and Vange Teeselink researched each family and brought in momentos to be displayed.

The church had a special Centennial Hymn written for the celebration also. Betty Bettin wrote the words and Hallie Foster wrote the tune, which has been sung at many services during this year, and will be added to the church hymnal.

A Centennial Quilt, the

work of many hands, was crafted to hang in the narthex. Barb Wenzlaff got a group together and assigned squares to depict parts of the history of Peace Church. The finished result, which is a thing of beauty, is hanging in the sanctuary until a case is built for display in the narthex.

A calendar with pictures of the founders, the oldest and youngest members, all the former ministers, the original church, and an early Confirmation class, plus a listing of all the birthdays of present members went on sale in December.

A recording by the three choirs: Chancel, Churchmen, and Children's was made in October and is for sale on either cassette or CD.

And, hot off the press and just in time for the June 7 celebration, was the history book, which was compiled and written by Mary Ann Secor.

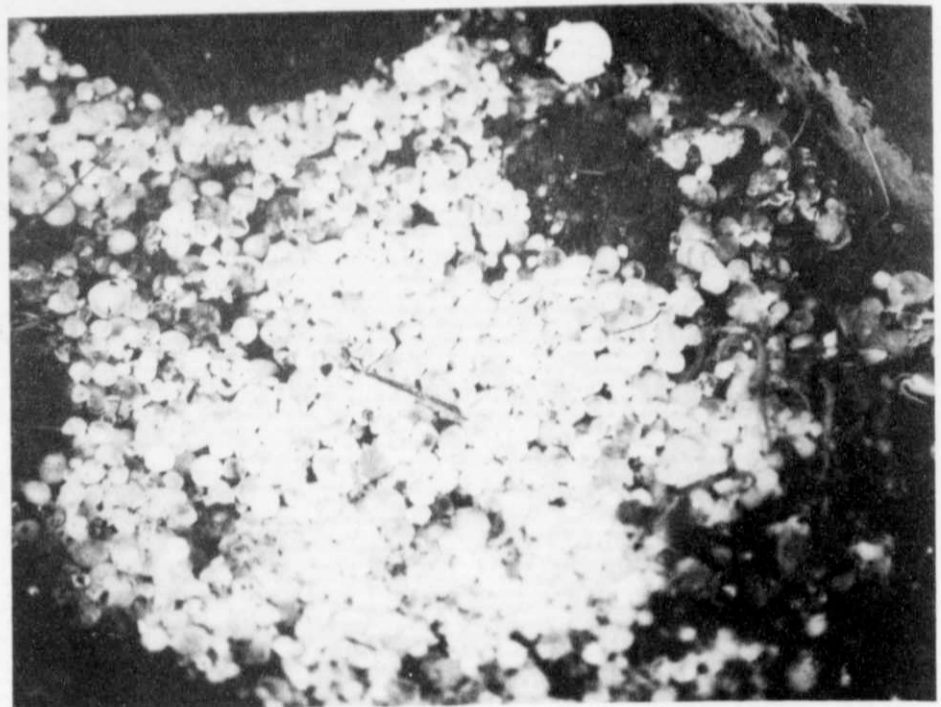

The special day of the celebration began with a service in costume. Toni Farrell, who is knowledgeable in historical dress,

Wind and Hail Pellet Area Friday

Brief, but very strong winds, took down numerous tree branches late Friday afternoon as a storm passed quickly through this immediate area. Neighboring communities never even received a lapse in sunshine. The above limb was ripped from its tree and partially blocked traffic on Hwy. V, just north of Kewaskum, around 5:30 p.m. when the high winds, blinding rain and hail pounded from the sky.

A lone little impatiens plant on the right peaks its head through a fallen pile of pea-size and larger hailstones that pelleted the Kewaskum area late Friday afternoon.

Village Board Approves Construction Project

By Andrew R. Kuehl
Staff Writer/Photographer

The Kewaskum Village Board met Monday and focused mainly on the upcoming construction project in the village.

A contract for \$700,208 was awarded to Mueller Excavating, Inc. of Campbellsport for the Roseland Drive Trunk Sewer and the Main Street Relief Sewer and Storm Sewer project. The engineers for the project are Ruekert/Mielke of Waukesha. Kurt Bolton of the firm spoke to board members regarding the specifics of the project.

He stated that there were three other bidders for the project and based upon the documentation presented to them low bidder Mueller Excavating received his recommendation for this project.

The completion date for the project is September 30 and will get underway the middle of this July.

Assistant Fire Chief Mark Herriges gave his report for the month of May. Herriges informed the board the theme for the parade this year is "Sesquicentennial". Herriges further stated that due to

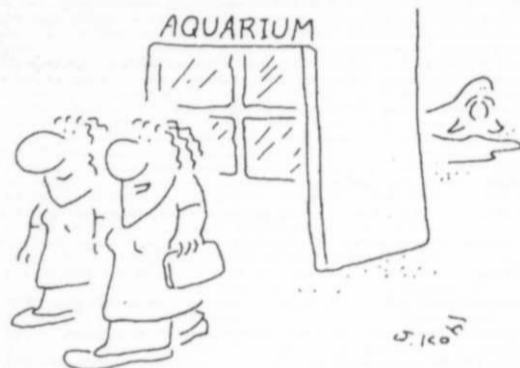

Friday's storm a tree was blown over and landed on the shelter known as the beer garden in River Hill Park and put a dent into the roof of the structure. He would like to see more of the trees gone from that area due to the fact most of the trees inspected were hollowed out in the middle.

Good news came from Police Chief Richard Knoebel who stated that crime in the village was down for the month of May. \$0 worth of property was stolen and \$175 was recovered from previous months. Knoebel also said that St. Francis Bank will be again sponsoring the Packer Cards program. More information will be published in upcoming issues of the Statesman.

Director of Public Works Jerry Gilles was absent.

Administrator Schmidt told the board that building permits were about the same as last year with two duplexes and 12 single family.

The board approved resolution 98-19 which involved the village financing \$750,000 to pay for the sewer project. The financing is through M&I Bank, Milwaukee. The loan is said to be paid by August 8, 2008 at a rate of 4.85%.

Danielle Jean Slaughenhou, 429 Knights Ave., Kewaskum, recently graduated from Moraine Park Technical College's Fond du Lac Dam campus. Slaughenhou received a diploma with high honors in the Emergency Medical Technician-Basic program.

In the Service

Marine Pvt. Jacob T. Weiss, son of Thomas J. and Joan M. Weiss of Campbellsport, recently completed basic training at Marine Corps Recruit Depot, San Diego.

Weiss successfully completed 12 weeks of training designed to challenge new Marine recruits both physically and mentally.

Weiss and fellow recruits began their training at 5 a.m., by running three miles and performing calisthenics. In addition to the physical conditioning program, Weiss spent numerous hours in classroom and field assignments which included learning first aid, uniform regulations, combat water survival, marksmanship, hand-to-hand combat and assorted weapons training. They performed close order drill and operated as a small infantry unit during field training.

Weiss and other recruits also received instruction on the Marine Corps' core values -- honor, courage and commitment, and what the words mean in guiding personal and professional conduct.

Weiss and fellow recruits ended the training phase with The Crucible, a 54-hour team effort, problem solving evolution which culminated with an emotional ceremony in which the recruits were presented the Marine Corps Emblem, and were addressed as "Marines" for the first time since boot camp began.

Weiss joins 41,000 men and women who will enter the Marine Corps this year from all over the country.

Breast Feeding Support Group

St. Joseph's Community Hospital of West Bend is holding a breast-feeding support group meeting on Wednesday, July 8, from 1 to 3 p.m. in the hospital's meeting room three.

"Common Concerns" will be this month's topic.

To register or for more information, please call St. Joseph's Community Hospital's Class Connection Line at 306-7888.

CHECK YOUR SPEED! The Kewaskum Police Department recently purchased a speedboard to alert drivers of their speeds while driving in the village. The speedboard was put into operation two weeks ago and is working very well according to Police Chief Richard Knoebel. The speedboard cost taxpayers \$2,700. Residents who would like to have the speedboard in their neighborhood are urged to call the police department. Residents are also reminded that police officers will monitor the speedboard on occasion.

County H East to Be Seal Coated

The Washington County Highway Department will be sealing County Highway H during the week of June 22. Highway H will be seal coated from STH 45 east to STH 144.

This work consists of spraying the road with hot liquid emulsified asphalt and covering with pea gravel. The intent is to seal the small cracks and openings in the pavement.

The road will be open to traffic during this operation so as not to inconvenience residents who live along the road. Motorists are cautioned to drive slowly on this freshly covered material, if it is necessary to drive on these roads at all.

The asphalt and cover material will pick up readily on vehicle tires and will show up on the painted exterior of vehicles.

Motorists are also cautioned to be careful for flagmen when driving near the work crew.

Fibromyalgia Support Group to Meet

The Fibromyalgia Support Group sponsored by St. Joseph's Community Hospital of West Bend is meeting Monday, July 6 from 7 to 8:30 p.m. in the hospital's fourth floor east conference room. There is no charge.

Fibromyalgia is discomfort and pain surrounding the muscles. Some of its

symptoms include inability to perform daily activities, sleeping disorders, and bowel disorders such as diarrhea or constipation. The support group is designed to educate and provide support for patients, friends and families affected by fibromyalgia.

For more information, contact St. Joseph's Community Hospital's Health Promotion Services Department at 334-8268.

Hospital Offers Sibling Class

Children who will soon have a new baby brother or sister are invited to participate with their parents in the "I'm Getting a New Baby" sibling class sponsored by St. Joseph's Community Hospital of West Bend. The class will be held Thursday, July 2 or 9, from 6 to 8 p.m. in the hospital's fourth floor east conference room.

Designed for children between the ages of 2 1/2 and 10, the class includes a video presentation, a tour of the New Life Center and activities to help a child express his or her feelings about the birth of a new baby and the mother's hospitalization. Children also learn age-appropriate skills they can use to help parents care for the baby.

The fee is \$5 per child.

Pre-registration is needed. For more information, please call St. Joseph's Community Hospital's Class Connection Line at 306-7888.

Thank You

We would like to thank everybody who in any way helped us on May 31 clean up after our barn was blown over in the storm. It was greatly appreciated. Thanks again.

helped the congregation with authentic costumes. Many made them, some rented, and some used hand-me-downs from "grandma" and the effect took everyone back to 1898 when one wore their finest to church.

The congregation was greeted in German by Rev. Kirkegaard, and sang, "Ein Reste Burg Is Unser Gott," but the rest of the service was in English, as the descendants aren't as conversant in German as their ancestors. The Bound for Heaven group closed the service with "I Saw the

Light," inviting the congregation to join in as they departed.

At 1 p.m. there was a banquet and program in the high school cafeteria. The flag presented by Boy Scouts David and Dan Kletti and Erik and Steven Rundquist was followed by the Pledge of Allegiance. Rev. Kirkegaard led the prayer. After the meal, former Pastor James Bettin shared some memories of his time spent in Kewaskum.

Awards were presented for: Oldest Member - Lorinda Tessar, 99; Youngest Member - Nolan Bocher, 4; Best Costume (Male) - Rev. Bettin; Best Costume (Female) - Amy Deshotels;

Largest Family Group - Tie between the Doms and Schaefer families; Longest Married Couple - Harold and Esther Eggert; Musical Contribution - Larry Ammel (Thanks for the Memories); Centennial Hymn - Betty Bettin.

Sherry McElhatton sang, "O Beautiful for Spacious Skies," and Rev. Kirkegaard closed with a prayer.

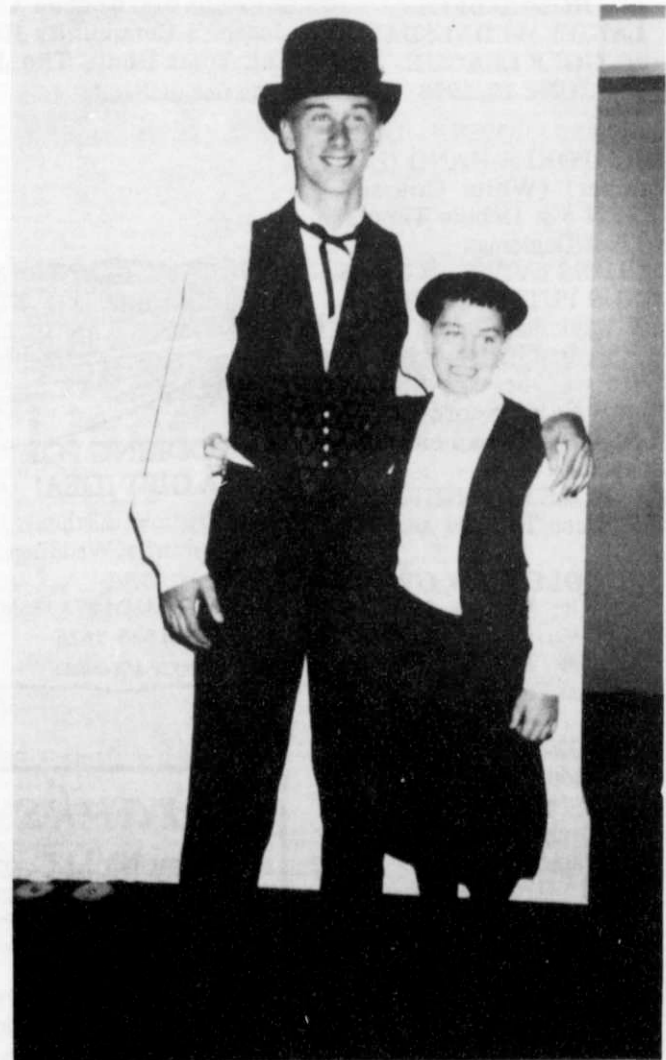

The quilt was on display at the cafeteria, along with pictures of the different stages as it was put together. Over 100 gathered for this celebration, as Peace Church heads into its second century with their young people, newly confirmed, leading the way.

Most Admired Senior Citizen

Do you have a special friend who is a senior citizen that you want to honor in a special way, to recognize all the work or activities which they are involved in? Plan to enter them now in the 1998 Washington County Most Admired Senior Citizen Contest.

Entry deadline for the contest is July 6 (post-marked). Forms for the contest are available from the Washington County Junior Fair Office located in the Public Agency Center, 333 E. Washington Street, Suite 1200, West Bend, or call 335-4479 to have a form sent to you.

This event is not a popularity contest, beauty pageant or celebrity sweepstakes. It is however, an opportunity for older adults to receive the recognition they deserve. Winners will be selected on the basis of current activity, rather than past accomplishments.

Persons nominated must have reached their 62nd birthday by July 22, 1998 and must be a resident of Washington County.

The nomination forms will be evaluated and the person who nominated the senior citizen selected to receive this year's Most Admired Senior Citizen award will be called to notify the winner. On Saturday, July 25, the awards will be presented at the Fairgrounds in Slinger.

Plan to enter your special friend or relative in the 1998 Most Admired Senior Citizen Contest!

Kewaskum Fire and Rescue Squad Calls

Tuesday, June 9 - The Kewaskum Rescue Squad and the Jaws of Life responded to a call at 5:58 a.m. in the Town of Kewaskum for a motor vehicle accident. A male patient was transported to St. Joseph's Community Hospital, West Bend, for treatment of injuries he received. The Jaws was not needed.

Saturday, June 13 - The Kewaskum Rescue Squad and Kohlsville First Responders were summoned at 10:06 a.m. in the Town of Wayne for a motorcycle accident. A male patient was transported to St. Joseph's Community Hospital, West Bend, for treatment of injuries.

Sunday, June 14 - The Kewaskum Rescue Squad was dispatched at 7:48 a.m. in the Village of Kewaskum for a male patient who fell and suffered a possible broken hip. The patient was transported to St. Joseph's Community Hospital, West Bend.

Sunday, June 14 - The Kewaskum Rescue Squad responded to a call in the Village of Kewaskum at 10:39 a.m. for a male child who suffered a mouth laceration. The patient was transported to St. Joseph's Community Hospital, West Bend.

Sunday, June 14 - The Kewaskum Rescue Squad and Jaws of Life were dispatched to the Town of Farmington at 3:23 p.m. for a motor vehicle accident. A male patient was transported by Flight for Life to Children's Hospital of Wisconsin in Milwaukee for treatment of injuries received. A second male patient was transported to St. Joseph's Community Hospital, West Bend. The Jaws was not utilized.

Newly Planted trees now decorate the greenway along STH 45 on the south village limits in front of the Kewaskum Mall. The project cost an estimated \$2,000. The trees were purchased by the village and planted by Thomas Muth of L&K Landscaping.

Wayne Crusaders 4-H Club News

The Wayne Crusaders monthly meeting was called to order on May 12 at 7 p.m. Some of the things that took place during the meeting are as follows:

Old Business: We still need drivers in order to go to Noah's Ark this year. If we do not get any, we will not be going this year. If you can drive, please let the club know at the June meeting.

New Business: If anyone is interested in doing a demonstration at the Fair Action Center at the County Fair, you may sign up at the June meeting. We must know before July, though.

Also, if anyone is interested in helping with the Fair setup in the Main Building, it will be on July 16, from 11:30 a.m. to 5:30 p.m. There will be a sign-up sheet at the June meeting.

Fair entry forms are due no later than June 30, or you will not be able to take anything to the fair. You can bring them to the June 9th meeting. Also, if you have lost your Fair Book, and need another, they are available for \$5 at the County Office.

Ashley Kiel did a demonstration on refinishing wood from her woodworking project. She showed us how to refinish wood and how to get wood products in better condition.

Please sign up for demonstrations in future meetings. This will count in your record books.

Offering Childbirth Preparation Class

St. Joseph's Community Hospital of West Bend is holding a prepared childbirth class Tuesdays, July 7, 14, 21 and 28 from 7 to 9:30 p.m. and Saturdays, July 11 and 18 from 9 a.m. to 1 p.m. in the hospital's fourth floor east conference room.

Classes provide information to help parents make informed decisions for the last trimester of pregnancy, labor and childbirth. Topics discussed include nutrition, common discomforts of late pregnancy, labor and delivery, cesarean birth, what to expect in the hospital, emotional aspects, newborn characteristics and basic infant care. Each class includes practice in relaxation and breathing patterns that are helpful for labor and delivery. Expectant parents also tour the New Life Center.

The fee is \$30 per couple. To register or for more information, please call the hospital's Class Connection Line at 306-7888.

A little girl was playing in the mud and her father said, "My, my, my...you're pretty dirty." "Yes," she answered, "but I'm prettier clean."

Sin always turns beauty into ugliness, health into sickness, joy into sorrow, peace into trouble, victory into defeat, freedom into slavery. You enjoy it while playing in it, but it refuses to let you go. It delights, but it dirties.

The Bible says, "If we confess our sins, He's faithful and just to forgive us our sins and to cleanse us from all unrighteousness."

Let God cleanse you. You're prettier clean.

D.A.R.E. Graduation at Holy Trinity School

On May 26th, twenty fifth graders at Holy Trinity School celebrated their graduation from the D.A.R.E. program.

Officer Tom Bauer hosted the event. Chief of Police Richard Knoebel was the guest speaker. Mrs. Jean Hubert, the cooperating teacher, assisted Officer Bauer in presenting the certificates and pins. Refreshments were served to the graduates and their parents.

Pictured: (L to R) D.A.R.E. Graduates. Front row - Katie Uelmen, Nicole Feucht, Carrie Fechter, Andrea Theisen, Stacy Gajewski, Amanda Herriges, Amanda Goebel, Danyl Abraham.

Second row - Josh Riebe, Ross Kuehl, Noah Schoofs, Ryan Hesprih, Michael Neumann, Brian Timmers, Eric Nass, Jason Tuszynski, Alex Herriges, Todd Warnecke, Griffin King.

Last row - Rachel Dums, Mrs. Hubert, Officer Bauer.

School Year Ends at Holy Trinity

Front row - Lauden Belongia, Emily Boden, Karissa Dums, Allison Kowalczyk, Katie Schoofs.

Second row - Rachel Dums, Amanda Herriges, Nicole Hesprih

On May 29th, the students at Holy Trinity School celebrated both the 150th Birthday of Wisconsin and the end of the 1997-98 school year. Students, teachers, and parents gathered around the flag pole for the Pledge of Allegiance and the singing of "On Wisconsin."

The remainder of the afternoon was devoted to a Lip Sync Contest. This contest was earned by the students reaching the school goal during the

annual Magazine Sale.

Twelve acts were registered but two must have been playing in Vegas since they did not show up here. Mrs. Filzen and Mr. Gundrum accepted the challenge of judging the various acts. The "Spice Girls" won first place with the judges awarding a tie for second place to Rachel Dums and Amanda Herriges. This turned out to be an entertaining end to another successful school year.

Chamber Golf Outing Scheduled for July 18

The Kewaskum Area Chamber of Commerce will be sponsoring their sixth annual 18-hole golf tournament on Saturday, July 18, at Hon-E-Kor Country Club in Kewaskum. Tee times will begin at 9:30 am.

The committee has decided on changing the format from four-person best ball to a scramble.

Chairing this year's event are Vern Jung and Rosie Ritger of Quad Tool and Design, Audrey Krueger of Aurora Pharmacy Kewaskum, Andrew Kuehl of The Kewaskum Statesman, Aaron Laatsch of Geidel's Sentry and Eric Kral.

All proceeds from the tournament will be used to fund the Chamber's annual Kettle Kountry Kolers Family Fun Festival which is being held on Saturday and Sunday, October 10 and 11 at River Hill Park in the

Hospital Offers 'Caring for Baby'

St. Joseph's Community Hospital of West Bend is offering a "Caring for Baby" class Wednesday, July 8, from 6:30 to 9:30 p.m. in the hospital's fourth floor east conference room.

This infant care class is designed for expectant parents, siblings over the age of 12, grandparents, child-care providers and adoptive parents. Topics include: feeding, safety, crying and colic, how to take a baby's temperature and when to call the doctor. An infant bath demonstration is included.

The fee is \$10 per person or couple. To register or for more information, contact the hospital's Class Connection Line at 306-7888.

village.

Last year's outing was a huge success and a lot of fun for all who attended.

The cost for the event is \$50 per person and includes 18 holes of golf at Hon-E-Kor, continental breakfast, lunch, a steak fry dinner, live music and tons of prizes. Hon-E-Kor members need only pay \$30. (Carts will be available for an additional \$22). However, if golf is not your game, join in the fun anyway and join us for a scrumptious steak fry dinner, live music, raffles and camaraderie for only \$15 per person.

The committee is seeking any interested foursomes, twosomes and individual golfers. An entry form can be found at the bottom of this article or you can call 626-2158.

The hottest inauguration day was July 10, 1852, at 92° F, when Vice President Millard Fillmore became president after the death of Zachary Taylor.

Ostomy Support Group to Meet

St. Joseph's Community Hospital of West Bend is sponsoring a support group for people affected by an ostomy, a surgically-created opening that aides bodily function. The support group is meeting Thursday, June 25, at 7 p.m. in the hospital's conference room A.

The group meets on the fourth Thursday of each month and provides support and information. Topics vary and occasionally guest speakers are invited. There is no charge.

For more information, please contact Donna Heisdorf at 334-7079 or Mary Theisen-Faber, education manager at St. Joseph's, at 334-8267.

The expression, "fore," uttered by golfers after they hit an errant golf shot started as an English military term. When the troops were firing in lines, the shout "ware before" indicated that it might be prudent for the front line to kneel so that the second line wouldn't hit them with their bullets. "Fore," is simply a shortened version of "before."

Missionary at St. John's UCC - Boltonville

Rev. Felix Ortiz

Rev. Felix Ortiz, a lowship experience with UCC/Disciples Missionary serving with the National Spiritual Council of Churches in Haiti (CONASPEH), will speak during the 8:00 a.m. Worship Service at St. John's United Church of Christ in Boltonville on Sunday, June 21, 1998.

The Southeast Wisconsin Association UCC developed a partnership with CONASPEH in 1996. Since then congregations in this area, along with other UCC congregations throughout the Association, have been actively involved. A delegation made up of youth from throughout the Association will be traveling to Haiti in July for a work/fel-

lowship experience with CONASPEH youth.

The Partnership Task Force is also in the process of gathering a group of interested volunteers for an October work delegation that will focus principally on primary medical care.

St. John's is grateful for the opportunity to host this special event in the life of the Southeast Association. A warm welcome is extended to the community and surrounding area to join us in learning more about the joys, struggles and celebrations of our fellow Christians in Haiti. A coffee/fellowship hour will follow the 8:00 a.m. service.

OBITUARIES

HOWARD A. FISCHER

Howard A. Fischer, of the Town of Farmington, died Saturday, June 13, 1998, at Froedtert Memorial Lutheran Hospital, Wauwatosa, at the age of 78.

He was born March 14, 1920, in the town of Trenton, to the late Henry and Marie (nee Gengler) Fischer, and married Eleanore Schneider on Sept. 23, 1944, in Goldendale.

In 1963, he started Fischer's Dragline Service which he operated until selling the business to his son John and semi-retiring in 1983.

He was a member of the Father Casper Rehr Council 1964 of the Knights of Columbus of which he served as grand knight from 1964-'65, and a member of the Holy Hill Assembly of the 4th Degree of the Knights of Columbus of which he served as navigator from 1977-'78.

Survivors include his wife; four children, Mary (Charles) Hill of Waukesha, Mike (Patti) of Cedarburg, Jayne (Tim) Duenkel and John (Patti), both of West Bend; seven grandchildren, Bryan and Bruce Hill, Michelle, Ben, Christopher, Matt and Nikki Fischer; a brother, Herbert (Gladys) of West Bend; a sister-in-law, Lillian Fischer of Milwaukee; a brother-in-law, Lawrence "Rip" (Dorothy) Schneider of Jackson; and other relatives and friends.

A brother, Harold, predeceased.

A Mass of Christian Burial was held Wednesday, June 17, at 7:30 p.m. at St. Michael's Church, St. Michaels. Fr. Jerry Repenshek of Holy Angels Church was the celebrant, and burial was in St. Michael's Cemetery.

Visitation at the church only was on Wednesday from 3:30 to 7:15 p.m.

The Schmidt Funeral Home, West Bend, served the family.

DANIEL W. DOEDE

Daniel W. Doede, 39, of Long Lake (Cascade), died Tuesday, June 9, 1998, of injuries suffered in an auto accident in Osceola, Fond du Lac County.

He was born Feb. 4, 1959, in Milwaukee, to Richard and Betty (nee Lallathin) Doede, and the family moved to West Bend in 1973.

He graduated from West Bend East High School in 1977, after which he was employed as a carpenter at Doede Construction Co., West Bend.

For the past three years he has lived at Long Lake.

Preceding him in death were his grandparents and his father-in-law, Robert Blair.

A memorial service was held Wednesday, June 17, at 3 p.m. at the Myrhum-Patten Funeral Home, West Bend. Fr. Michael Wild of Resurrection Parish in Allenton officiated.

Visitation with the family will be at the funeral home on Wednesday from 2 p.m. until the time of services.

A memorial fund will be

established in Alan's name for melanoma cancer research at St. Luke Medical Center, Milwaukee.

Alan's wife, Elizabeth wishes to give special thanks to Kettle Moraine Support Services Inc., the VNA of Jackson, with extra special thanks to Donna, and to family and friends for their support.

Alan was a devoted and loving husband, stepfather and friend. He gave of himself and asked little of others and will be truly missed by all who knew him.

CECELIA POPPER

Cecelia L. Popper of Eagle River, the matriarch of five living generations, died Tuesday, May 12, 1998 in Eagle River Health Care Center. She was 103.

Mrs. Popper was born May 11, 1895 in Kewaskum. She was formerly of Milwaukee and Port Washington and had lived in Eagle River for the past six years.

According to her family, she was the oldest person in the nation to participate in "Fishing Has No Boundaries" last year.

She was preceded in death by her husband, Frank, and a son, Frank Jr.

Survivors include her daughter, Grace Piptenger of Eagle River; a granddaughter, Patricia A. (Robert) Fedel of Eagle River; three great-grandchildren, and four great-great-grandchildren.

The funeral service was held May 19 at St. Peter the Fisherman Catholic Church in Eagle River with the Rev. Robert Koszarek officiating. Burial was in Holy Cross Cemetery in Milwaukee.

Over 40 Boys 'Limp' Onto Thiemerdome Turf to Open Summer Softball Season

It was a gloomy evening at the Thiemerdome for the season opener (probably because the Statesman ace photographer was noticeably absent), but the games went on without a hitch. (Probably could have used some battery cables to get some of these players "jumping!")

The 6:15 game was a real nail biter. Al "Legs" Bastian, playing for Commercial Plumbing was first up and secured the first hit for the infant(ile) season, and scored on a clinch hit from Dan "Eveready" Gremenprez. (Richard... you really are going to have to learn how to spell your players' names if you intend to keep the scorebooks.)

Amerahn's Dan "Rabbit" Rose caught one of the nine fly balls hit to him in the game which detoured Commercial's rally and kept the score tied two to two.

Jeff "Vacuum" Clayton was robbed of his hard-hit line shot when Chuck "Old Farmer" Guell made a diving catch to keep the score tied 4 to 4. Chuck did finally get back up after he realized he actually did keep the ball in his glove.

With a couple of errors and several key hits from John "Clincher" Kleinke and Art "Ace" Buss, Amerahn took the lead 7 to 4. Steve "Wiener" Stern threw a fantastic double play from his knees on third to stop the Amerahn attack. (Of course, Steve is probably still out there on his knees... but it WAS a fantastic play!)

Commercial answered with two ducks on the pond (this is softball, Richard, hunting season is in the fall!) in scoring position with two outs, but went down when Art Buss caught

a line shot that blew him over, but he was able to recover in time to throw to first on his knees! (another guy on his knees!) and with a beautiful split (here they go again... with their gymnastics training... did anyone ever consider being trained by a gymnastics coach instead of pretending to play softball??) Ray "Sneaky" Maurer held on to end the game 7-4.

The 7 p.m. game showed Kuehl's Suds and Spirits pounding the newly-formed team "Hitching Post," especially the new guys pitcher, Ron "Sorehand" Nuoffer. If it wasn't one, it had to be six or more balls that went flying right back at Poor Ron. It was like the Kuehl boys had a grudge against him or something. He hung in there, however. Of course, he had no choice... seeing no one else even wanted to pitch. (Pretty sorry state of affairs if these guys can't even find relief pitchers... none of them seem to have any problems otherwise finding a pitcher... if you get my drift!)

Fine defense and expert pitching from Alan "Moochie" Kuehl helped out the Kuehl cause. Also with some errors and a hitting attack from Phil "Calm" Stoffel and Jeff "Itch" Panzer, assisted in putting a 6-0 shutout on the board. I did hear that Jeff "Excuses" Jusena (are you sure about that spelling, Richard??) commented that the sun seemed to be in their eyes when the Post took the field. (What sun... thought it was gloomy without me, Richard???) The owner of the Thiemerdome promised this week to close a few of the panels on the dome to keep the sun at a

minimum.

Team owner, brother Dennis "Gumby" Kuehl (who neglected to ask his lovely wife along to the game), was present to cheer his team to victory after a busy day of selling beverages and cutting grass, to provide libation (look it up, Richard!) in celebration of the big win.

According to Thiemerdome magnate Richard Thiemer, he and the players were disappointed that no coverage was provided by the news media, even after he had the "Exterminator" clean out the dome, extricating in massive amounts the "hives" that sting reporters.

All I can say is I hope this year the player-police officer and Jim Gaffke have taken refresher courses on their first aid training. It can get real dangerous sometimes in the Thiemerdome. (The bathrooms and

the parking alone can be life-threatening!)

Sorry I can't make the games tonight boys... duty calls during the Chamber of Commerce meeting... but we'll see you next week, June 24, with Thiemer's takes on the Hitching Post and Kuehl's vs. Amerahn. Commercial Plumbing gets a break next week. Games start at 6:15. Be there... (and don't forget to make your own seating arrangements) I need someone new to make fun of.

EWSCA NEWS

(PLYMOUTH, WI) Tim Melis of Plymouth survived five caution periods and a late race challenge from three-time and defending track champion Pete Ostrowski of Milwaukee to capture his first 30 lap Winged Super Modified feature victory of the season during an accident plagued Eastern Wisconsin Stock Car racing program at Sheboygan County Fair Park Saturday night.

Second year competitor Dave Enders of Kiel assumed the lead on the opening lap of the Winged Super Modified main event from the outside front row starting position. On lap two, a four car incident in turn four brought out the first of five yellow flags. When the race resumed, Enders raced out to a ten car length edge over Tim Melis, who started on the pole.

Current point leader Chuck Melis of Plymouth stalled in turn four on lap four to trigger the second caution period. After the ensuing restart, Enders again moved out to a comfortable quarter-straight-away cushion over the second place car of Tim Melis by lap 12. One lap later, the third yellow appeared when Glenbeulah's Gary Laack rolled to a stop in turn two.

Following the next restart, Tim Melis began to slowly reel in the high riding Enders using the low groove. On lap 21, Milwaukee's Leroy Ostrowski spun in turn three just in front of the leaders. Enders took evasive action, but he could not avoid a collision with Ostrowski's stalled car. The incident brought out the fourth yellow flag of the race.

With Enders retiring to the pits with apparent suspension damage, Tim Melis inherited the lead on the lap 22 restart. Following an aborted attempt

to restart the race when Ken Jay Fiedler of Sheboygan Falls rolled over in turn four, Pete Ostrowski charged in from his third starting position to take over second place on lap 25.

Over the final five laps, the rim riding Ostrowski mounted a heated battle with Melis for the top position.

However, the 15 year veteran held on to notch his ninth career EWSC Winged Super Modified feature triumph and his first ever main event win behind the wheel of the Mike Butler Motorsports machine. Melis is the sixth different driver to win a Winged Super Modified feature race in six events so far this year.

Pete Ostrowski finished a close second, Tim McMullen of Plymouth placed third, Eddie Staehler of Kewaskum moved up from the 15th starting position to place fourth and Billy Kreutz of Kiel took fifth.

Plymouth's Dick Hed rolled up his second victory of the season in the 25 lap Limited Late Model feature.

Grafton's Dennis Klumb came all the way from the 14th starting slot to win the 15 lap Winged super Modified B semi-feature while Campbell'sport's Butch Wondra was vic-

torious in the 5 lap Winged Super Modified C semi-feature. The Limited Lake Model and Super Stock semi-features were cancelled due to curfew constraints.

Lee Mohs of Waldo went on a hard end over end flip during the first 10 lap Winged Super Modified heat race. He was transported to Valley View Medical Center in Plymouth and released later in the evening. The accident caused a 45 minute delay in the racing program.

KHS Boys Track Awards Announced

Kewaskum boys track and field coach, Jerry Gosa, recently presented letters and JV awards to the members of the 1998 boys track and field team at the annual pot luck supper and awards ceremony. Plaques were also presented to recognize outstanding efforts.

Matt Hammen was recognized for his excellent season with the presentation of the 1998 Kewaskum High School Track and Field MVP Award. Hammen capped off his career with a third place finish in the high jump at the State WIAA Track and Field meet at UW-La Crosse on June 6.

Brad Hermann received the Team Captain and the Brad Jackson Pole Vault Award. The Pole Vault Award was presented by Rick Robinson to Hermann in recognition of his time and effort to pass on his pole vaulting knowledge and skills to the younger

vaulters.

The 1998 Outstanding Freshman Award was awarded to two individuals, Charlie Sparks and Josh Parrent. Sparks excelled in the throwing events and placed second in the discus at the conference meet. Parrent was the best freshmen pole vaulter in the conference and cleared 11'6" during the season. Both Sparks and Parrent also ran on the varsity 400m relay team.

The Outstanding Sophomore Award was presented to Chris Koth. Koth advanced to sectional competition by clearing 11'6" in the pole vault.

The Most Improved Field Event Award was presented to Dan Wall for his improvement in the pole vault. Wall, a junior, started the season at 7' in the pole vault and finished the season by clearing 11'.

Matt Belger, a junior new

to track, received the Most Improved Running Event Award. Belger dropped his time in the 1600m run and the 3200m run to 5:11 and 11:28 respectively.

Scott Wagner, the intern at Kewaskum Middle School, received an award in appreciation for his volunteer help in coaching pole vault at Kewaskum High School.

Rick Robinson, who coached the pole vaulters the last seven years, also received a special plaque from the pole vaulters. The plaque read, "Rick Robinson, In Deepest Appreciation for Your Outstanding Contributions to Coaching Pole Vault at Kewaskum High School, 1992-98."

Head boys coach Jerry Gosa also received a special plaque from the senior members of the boys track team. Sean Cotter, Josh Dieringer, Matt Gundrum, Matt Hammen, Brad Her-

mann, Aaron Nelson and Troy Staehler presented Coach Gosa with the 1998 Most Dedicated Award.

Coach Gosa closed the evening by relating the quote from the book, PRE-The Story of America's Greatest Running Legend, Steve Prefontaine, to his athletes. "To give anything less than your best is to sacrifice the Gift." For Prefontaine, the gift was running, something that he pursued with all his heart. "Whatever gifts you have -- don't waste them," Gosa advised. Gosa also stated that the things like hard work, perseverance, teamwork, etc. learned in sports should also carry over into the rest of their lives -- their education, their jobs, etc.

The following athletes earned their varsity letters: Matt Belger, Sean Cotter, Matt Gundrum, Matt Hammen, Brad Hermann, Chris Koth, Paul Mertz, Scott Mueller, Aaron Nelson, Josh Parrent, Josh Rieder, Steve Sarauer, Charlie

Sparks, Troy Staehler, Dan Wall, Chris Weninger, and Chad Will.

Special Antlerless Gun Deer Hunt for Unit 67 A Receives Final Approval

MADISON -- The state Natural Resources Board last month approved a proposal to allow a special early antlerless gun deer hunt in deer management unit 67A. The hunt was created to assist farmers in unit 67A in controlling the amount of crop damage caused by deer," said Bill Mytton, DNR deer and bear ecologist. The special hunt will take place from Oct. 29 through Nov. 1 and involves portions of Marquette, Green Lake, Columbia and Waushara counties.

During this special early hunt archers hunting in the unit are also restricted to antlerless deer and are required to wear blaze orange. In addition, the early archery season in 67A will be extended through the Thursday prior to the opening of the regular gun season.

Hunters may pick up three free bonus antlerless permits for an archery license and another three for a gun deer

license, for a possible maximum of six permits per hunter. The permits are expected to be available about mid-August. During the nine-day regular gun season a hunter's regular firearm license becomes an either sex permit for this unit only. The regular gun deer season will be followed by a seven-day, either sex, muzzle-loader hunt.

The overwinter population goal for 67A is 35 deer per square mile of deer range. It is expected that deer in this area and in other areas of the state will produce a very large crop of fawns this year raising predictions for 67A to as high as 60 to 80 animals per square mile of deer range. Earlier in the year the DNR announced that 67A was in group of deer management units under a "special watch" for possible overpopulation problems.

Campbellsport 4-H News

The Campbellsport 4-H Club held its May meeting on May 14th. The meeting began with Angie Kiefer reading her secretary's report and Matt Millonig discussing the club finances. Lisa Simon then suggested that our Sunshine Committee send a card to former club leaders who are experiencing serious health problems. They will follow through on this matter.

Mrs. Millonig expressed the concern of herself, Mrs. Theisen, and the adults leaders in our club regarding participation. She explained the frustration felt by project leaders because members sign-up for commitments, and then they don't follow through on them. Also, many members do not communicate or call, if they cannot do something. She just reminded us all to be a little more responsible and considerate.

Our club is entered in the Dress-a-Calf Contest. Club members who participated

were Pam Defatte, Lisa Simon, Kent Joas, Becky Millonig, and Keith Joas. Our theme was a "Baywatch" calf. Hopefully we will get lots of votes.

Mrs. Ebert sent information and the money so far earned from the Jafra and Schwann's Food fundraisers. Remember, if you sign up with Mrs. Ebert, our club receives 8% on all of your purchases.

A "few" people showed-up for the Kettle Moraine trails Earth Day cleanup. They were Jeff and Lisa Simon, Megan Duley, and Justin Mueller. Thank you to these individuals for being concerned about the environment and representing our club.

Remember to save your pop tops from soda cans. Lisa Simon is collecting them for our club to contribute to the Ambassador's collection to raise funds for the Ronald McDonald houses. It is an easy way to help someone.

There will be a bowling party on May 17th from 1:00 to 3:00 at King Pin Lanes in Campbellsport. The Timbler Rattlers game is planned for Sunday, August 16th.

Members need to bring their forms and money to the June meeting. Make your checks payable to the club. Remember Mrs. Mueller needs your form back even if you don't go.

Congratulations to the club's Food Revue entrants, Sarah Theisen and Lisa Simon both received blue ribbons for their work. Congratulations also to the Music Festival participants. They have been asked to perform at the Wisconsin State Fair on Sat., Aug. 8th.

June will be a very busy month for the club. First, we will be planting the Bob Wilke Memorial Flower bed at our next meeting on June 10th. Remember to bring your 3-4- or 6 pack of flowers to plant that evening. Don't forget to also weed and water the flowerbed when your turn arrives on the schedule handed out at the meeting. Secondly, our club will be handing out cheese samples on June 12th and 13th at Bank One and National Exchange bank in Campbellsport. Remember to sign up to work at the next meeting. Finally, our annual

Ice Cream Social will be held on Friday, June 19th. Be prepared to sign-up for food donations and jobs at the June meeting.

The Joas family has agreed to plant and maintain the Ashford Townhall Flowerbed. In addition, the Theisen and Flood families have agreed to give the sign a very needed facelift.

The following people did their show-and-tell presentations: Kasey Schanen showed his red-ribbon horse pictures. Kent Joas showed us his blue ribbon drawing. Keith Joas did a wonderful job on his ceramic Amish figures. He received a blue ribbon for his work. Courtney Pufall described her horse project, and the blue ribbon she received for it.

We received our record book forms, fair entry forms, and ticket request sheets. The entry forms and ticket orders must be returned at the June meeting with the money due. **IF YOU DO NOT RETURN THEM, YOU ARE RESPONSIBLE FOR GETTING THEM TO THE FAIR OFFICE ON YOUR OWN!**

Members are also reminded to pay any outstanding fees they owe for dues or insurance. A special thank you to members who took along the forms for people who were absent from the meeting. If they have any questions they need to call the general leaders or other members to get the answers.

Finally, the members voted on a new club policy. Money may be requested from the club to help defray costs when club members are going on 4-H sponsored trips. The amount given will be based on the cost of the trip. The minimum amount given will be \$10 and the maximum amount will be \$50. The request may be made once every two years. The motion was made by Angie Kiefer and seconded by Sarah Theisen. The members voted to approve the motion. It will be added to our club's constitution.

The meeting was adjourned with a motion by Angie Strassman and seconded by Lisa Simon at 8:45 P.M.

Respectfully submitted by,
Sarah Theisen

Children Who Drink Bottled Water May be at a Higher Risk for Cavities

Drinking bottled water has become increasingly popular over the past several years. Almost three billion gallons of bottled water are consumed by Americans yearly, much more than 10 years ago. It is being used for sports and recreational activities as well as day to day activities for reasons of convenience and health. Milwaukee consumers in particular have become more reliant on bottled water since the Cryptosporidium outbreak in 1993.

What many bottled water consumers don't know is that drinking unfluoridated bottled water can be a threat to dental health. There is a growing concern among some public health officials about the increased reliance on the use of bottled water and the potential impact that this might have on increasing cavities, especially in younger children. Parents, dentists, and other health care providers should consider the consequences of children drinking water with inadequate levels of fluoride.

from the Wisconsin Department of Agriculture, Trade and Consumer Protection indicate that most types of bottled water lack sufficient fluoride, unlike many of the community water systems in Wisconsin. The concern, therefore, is that higher cavity rates may result from the use of bottled water. Some water filtration systems also create the same problem because the filtration process reduces fluoride content. Unless an individual uses enough other sources of fluoride, there is an increased risk of cavities.

To provide optimal levels of fluoride, public water fluoridation is being done more and more. According to a report from the Centers for Disease Control, as of 1993 more than 70% of all U.S. cities with populations of more than 100,000 were fluoridating water. Studies also show that water fluoridation can reduce the amount of cavities children get in their baby teeth by as much as 60%, and in permanent adult teeth by nearly 35%.

Consumers of bottled water should discuss fluoride issues with their dentists and consider the possible need for dietary fluoride supplements, fluoride mouth rinses, or more intense professional supervision. This is particularly critical for children and others at high risk for cavities. Information involving the fluoride level in bottled water can be obtained from the

Hahn Named Scholar By Achievement Academy

The United States Achievement Academy announced recently that Colleen Hahn of Campbellsport, has been named an All-American Collegiate Scholar.

The USAA has established the All-American Collegiate Award Program to offer deserved recognition to superior students who excel in the academic disciplines. The All-American Collegiate Scholars must earn a 3.3, or higher, grade point average. Only scholars selected by a school official or other qualified sponsor are accepted. These scholars are also eligible for other awards given by the USAA. These are awards few students can ever hope to attain.

Colleen, who attends Marian College, was nominated for this national award by Dr. Sharon Holmes.

Colleen will appear in the All-American Collegiate Yearbook, which is published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly, winners of the All-American Collegiate Awards should be congratulated and appreciated

for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

Colleen is the daughter of Mr. and Mrs. Phillip Hahn from Campbellsport. The grandparents are Mr. and Mrs. Oscar Hahn of Campbellsport.

Increased Attendance at Hunter Education Clinics Reflects Success of Wild Turkey Program

MADISON -- More than 2,500 people attended turkey hunter education clinics this spring in Wisconsin, which Department of Natural Resources wildlife officials say is another indication of the success of the state's wild turkey program. 1998 marked the fifth anniversary of the end of wild turkey reintroduction efforts that began in 1976.

"The success of the wild turkey in Wisconsin has been nothing short of incredible," said Eric Lobner, DNR assistant upland game ecologist. "The huge interest in the clinic in part is due to the excellent

turkey hunting opportunities we now have in Wisconsin. We started with 334 birds in 1976 and now have almost 200,000."

Turkey hunter education clinics are sponsored by the Department of Natural Resources and the National Wild Turkey Federation and are structured to provide hunters with the necessary information to hunt safely, responsibly and successfully. There were a total of 42 clinics offered during February, March and April.

Average clinic attendance was 61 people with 17 percent of the total attendees having attended a clinic before. To date, more than 43,000 Wisconsin turkey hunters have attended one of the more than 680 clinics held since the clinic program started in 1983. Safety is an important topic at all clinics, and this spring's hunt was a very safe one with only one accident recorded.

"Without the many volunteer instructors and the involvement of the National Wild Turkey Federation, this very beneficial program would not be regarded as highly as it is among other states," says Lobner.

Since the 1976 introduction of 334 wild birds from

Missouri into a small area in southwestern Wisconsin, wild turkeys have expanded their range steadily, moving into areas wildlife managers were not certain they could adapt to.

"The birds have proved themselves hardy enough to move successfully into areas we never thought they'd be able to survive in," said Lobner. "The statewide numbers and range have increased steadily and there's a good chance hunters will see even more hunting areas and opportunities in the future."

Lobner also notes other attributes that have accelerated the expansion of the wild turkey population across its range including conscientious turkey hunters, carefully regulated hunting and incredible support from private landowners and conservation organizations.

KEWASKUM ATHLETICS

Last weekend saw the Kewaskum Athletics baseball team have mixed results. On Saturday the A's traveled to Slinger where they hung a 15-2 loss on the Stingers in a Tri-County Nite League game. Returning home to play on Sunday the local boys were on the short end of 13-3 score as the Hustisford Astros handed Kewaskum its third straight Rock River League defeat.

Hitting stars were plentiful for the A's at Slinger as they rapped out 22 base hits. Leading the charge were Curt Schroeder and Ryan Hall. Schroeder collected five hits and a walk in six trips to the plate including a home run. Hall ripped two homers among his four hits. He also scored four times. Bruce Gundrum chipped in with three hits. Bob Bothe, Tim Gundrum, Scott Donath and Derrick Bruckert each added two safeties. Bothe and Tim Gundrum each blasted a home run.

Ken Immel pitched the entire game for Kewaskum. He allowed seven hits, striking out six and walking two to pick up the win. The victory raised the A's tri-County

record to 2-2.

Sunday was an entirely different story for the Athletics. Hustisford jumped off to a 4-0 lead in the top of the first inning and never looked back. Player/manager Tim Norton, a crafty left-hander, stymied Kewaskum through eight innings. Norton allowed two runs on six hits to collect the mound decision. Jason Wiedmeyer, Shawn Schneider and Ryan Hall shared the pitching load for Kewaskum. Wiedmeyer was tagged with the loss.

The only offensive highlights for the A's were the continued hot hitting of Ryan Hall and Curt Schroeder. Hall went three for four while Schroeder had two hits.

The loss dropped Kewaskum back to .500 in Rock River League play at 3-3. Overall, the A's are 8-6 on the season. The Athletics are back in action this weekend with a pair of home games. The West Bend Benders come to town on Saturday for a Tri-County game. Sunday's opponent is the Oshkosh Merchants in a Rock River League contest. Both games will be played at the Kiwanis Park and will start at 1:30 p.m.

Indians Lose Three

DESPITE HITS, KHS STILL LOSES

On Monday, June 8, the Plymouth Panthers came to Kewaskum for a shoot out with the Indians. Again, the young Indians showed improvement, but just couldn't get over the hump as they lost 15 to 12.

"We put up 12 runs on 14 hits and sent 76 men to the plate; had the winning run on third in the bottom of the seventh and eighth, but just couldn't get the big hit to give us the win," stated an exasperated Coach Mark Heise.

It's the second game in a row that the Indians have lost in extra innings. "Each game we play I see the shades of improvement. They just have to learn how to win," added Heise.

In the see-saw battle all night long, Plymouth scored one in the first. The Indians answered with one in the bottom when leadoff hitter John Immel walked and then scored on a hit by Billy Cook. In the bottom of the third, the Indians took the lead when Rhett Engelking singled. After the next two batters made out, Andy Luedtke singled, sending Engelking to third. With runners on first and third, Eric Wenninger hit a three-run homer to left to give Kewaskum a 4-1 lead.

In the fourth, Kewaskum's starting pitcher, Jason Calliari, seemed to be tiring. After giving up back-to-back doubles, Coach Heise turned to Jason Strobel. Strobel pitched the fourth and fifth, but was also ineffective as Plymouth took the lead back at 12-6.

The Indians scored four in the bottom of the sixth to get back in the ball game. With one out, Jason Strobel walked. After an Indian strikeout, Billy Cook was hit by a pitch. With Strobel on second and Cook on first, an attempted pick-off ball got away from the first baseman, sending Strobel across the plate.

Seeing Cook advance to third, Adam Donath walked and moved to second on a passed ball. Andy Luedtke doubled to score Cook and

Donath. Luedtke scored on a single by Eric Wenninger.

After Plymouth remained scoreless in the top of the seventh, Panther Coach Dave Hein brought in his ace, Kyle Raeder, to try to close out the game. But the hungry young Indians had other ideas. John Immel greeted Raeder with a line drive base hit to center.

With one out, Jason Strobel bunted and Raeder threw the ball over the first baseman's head, allowing Immel to score and Strobel to move to third. The next Kewaskum hitter struck out, setting up a two-out, tying run at third situation. Billy Cook stepped up to the plate and ran the count to three and two against Raeder. On the next pitch, Cook hit a ball past the shortstop to score Strobel and tie the game.

In the eighth, the Indians had the winning run in scoring position, but failed to score when the Plymouth second baseman fielded a ground ball hit by Immel. Plymouth proceeded to score three more in the top of the ninth, and the Indians just could not answer.

Leading hitters for Kewaskum were Eric Wenninger who was 3x3 with a homerun and four RBIs. Billy Cook and Brad Vetter were 2x4. Jason Strobel and Andy Luedtke were 2x5. Singles were added by John Immel, Nathan Mueller and Rhett Engelking.

ANOTHER LONG, DISAPPOINTING TRIP

After the frustrating game on Monday night and the long bus ride the Indians came out flat on Tuesday, June 9, up at Two Rivers. "I think Monday's game took alot out of us," stated Coach Mark Heise. "On top of that, when we got to Kewaskum to practice today, heavy rain kept us from hitting before we left," Heise added.

Kewaskum starting pitcher Bobby Ogi gave up nine hits, struck out three and walked three. Unfortunately, three hits and two runs occurred in the first.

They also tallied two in the second and two in the fourth, giving Two Rivers a 4-0 lead.

The Indians' first run came in the fifth inning when Adam Donath singled, then scored on a John Immel hit. In the sixth, Jason Strobel singled and moved to second on an error by the left fielder. Billy Cook bunted for a base hit. Eric Wenninger bunted and reached first on a throwing error by the third baseman, which also scored Strobel. Rhett Engelking then bunted for another base hit, scoring Cook. That was the extent of the Kewaskum offense as the Indians lost 7-3.

Jason Strobel was 2x4 as the only Indian with multiple hits.

INDIANS CHEATED AT CAMPBELLSPORT

Friday, June 12, saw an "old-new" familiar rivalry as the Indians traveled to Campbellsport to play the Cougars. With Campbellsport's entry into the Eastern Wisconsin Conference, the natural rivalry existing between the two makes for some interesting play. Such was the case as players knowing each other kiddingly jested before the game.

The Indians came prepared to do battle with Campbellsport, but unfortunately the game was decided by an obvious umpire mistake.

Kewaskum took control of the game by tallying two runs in the first. John Immel led off with a base hit to right center. Nathan Mueller sac bunted Immel to second. Jason Strobel's long drive to center was misplayed by the center-fielder allowing Immel to score as Strobel advanced to third.

Andy Luedtke followed with a single to score Strobel. Bobby Ogi, courtesy running for Luedtke, moved to third on a Rhett Engelking single, but was left on third by an infield out.

That was all the runs the Indians could score. But that didn't seem to be a

problem because pitcher John Immel was holding the Cougars scoreless. Out of the first 19 hitters, only two Cougars had reached first, one on a walk and only one on a hit.

With two outs in the bottom of the sixth, and no one on base, Cougar Dave Pentek singled for only the second hit of the game. "Then came the worst call I've seen in my five years of coaching," commented Coach Heise.

Batter Steve Walta hit a long drive to left toward the foul pole. "The ball landed about five feet beyond the fence line and some 12 feet foul," added Heise. Plate umpire Jeff Giese ruled that the ball hooked around the foul pole for a home run.

"There must have been one 'micro burst' left from last week's storm," stated Heise, adding, "That's the only way the ball could've landed at a 90 degree angle left of the foul pole."

That play took the wind out of the young Indians, and obviously upset Immel because he walked the next batter on four straight pitches. Cougar Nick Wietor tripled and Steve Ketter doubled to score two more to move it up to four runs in the inning.

Both teams finished with five hits each. Kewaskum's John Immel and Andy Luedtke were 2x3. Rhett Engelking had the only other hit.

Special Olympians Compete

Brian Hanrahan and Justin Petermann of Kewaskum were part of the 2,000 athletes, 1,400 volunteers, 600 coaches, 500 Law Enforcement officers and thousands of members of the community that came together in Stevens Point,

June 4-6, at the 1998 Special Olympics Wisconsin Summer Games.

Earlier in May, these athletes placed at their local area games and qualified for the state games. Medal winning athletes of this year's state Summer Games qualified for competition at the 1999 Special Olympics World Games to be held June 26-July 4, 1999 in Raleigh/Durham, North Carolina.

The events of the 1998 Summer Games began Thursday, June 4, at 5 p.m. at the Best Western Royale, Stevens Point, as hundreds of Law Enforcement officers, Guardians of the Flame, ran into Stevens Point from all across the state, carrying the Special Olympics torch. Opening Ceremonies were at the UW-Stevens Point, Colman Track at 7 p.m. Former Green Bay Packer Bob Long was the speaker and the entertainment was provided by "Tango". Friday, June 5 and Saturday, June 6 were the days of competition for the summer games sports.

Brian Hanrahan competed in the 100 meter backstroke in the open coed category and Justin Petermann competed in the 100 meter run in the 16-21 male category and the standing long jump in the senior male category.

Open Gym at High School

There will be supervised open gym at the Kewaskum High School Field House for basketball on Wednesday nights in June from 6-8 p.m.

In July the hours will be expanded to Tuesday and Thursdays from 6-8 p.m.

The weight room will also be available for use.

Players of all ages, sizes and shapes are welcome. Come on over and sweat off a few pounds - you'll feel great!

Give Me 4 Hours With Your Filthy Air Ducts and I'll Help You...

- Avoid headaches, breathing problems, allergies and other everyday maladies....
- Avoid irritation of eyes and throat, drowsiness and dizziness...
- Avoid spending money on over-the-counter drugs that are expensive, habit forming and of questionable value...
- Be more comfortable, refreshed and alert...
- Eliminate the resistance and blockage of air flow that robs your furnace and air conditioner of top efficiency. increases your utility bills and causes costly repairs.

The money you've invested to have a well-insulated, air-tight and secure home might make you sick!

My name is Kelly Vander Galien and All*Phase Electrical, Heating and Cooling has serviced this area for over nineteen years. I've noticed in the last few years that many of my friends, business associates and customers have said they "just don't feel as good" as they used to.

After the usual comments and jokes about "getting older," being "overworked and underpaid" and just "stressed out," I started thinking, "Is there something causing this that we're not aware of?"

A Dirty Little Secret

You've probably weather stripped, tightened and insulated your home to the hilt - to do the right thing - save energy and conserve our resources. And I applaud you for that.

But in doing so, your home has become like a vault. Outside air doesn't "ventilate" your home like it used to. Especially when you keep the doors and windows closed in the summer when you're air conditioning and in the winter when you're heating. Anyway, here's what I discovered.

Why Dirty Air Ducts Can Make You Sick

Dust, smoke, pollen, chemical sprays, mold fungus and germs build up in the duct work. This creates a "chemical and biological soup" that can cause headaches, intensify allergies and aggravate breathing difficulties.

Each time your furnace comes on, it "force feeds" this potentially unhealthy mixture of air into every room in your home. In fact, the Environmental Protection Agency found this air may be 25 times (and sometimes up to 100 times) more polluted than outdoor air.

How Do I Know Your Air Ducts Are Dirty?

For two reasons:

First, your duct work could have been dirty before you ever moved in. It's true, even if you bought your home brand new. Here's why: A lot of the construction dirt, drink cans and fast food wrappers left by the workers could have been swept right into the holes where the duct work is commenced.

Second, imagine what your carpet would look like in a few years if it was never vacuumed or cleaned. That gives you an idea of the inside of your duct work if it's never been cleaned. And all the air you breathe passes through those air ducts.

Breath Fresh, Clean Air and Notice the Difference

One of the best ways to clean air ducts is with a machine powerful enough to create a strong vacuum throughout the entire duct system. We use a system that moves up to 2,500 cubic feet of air per minute (that equals all the air in a 1,250 square foot area every 4 minutes).

Just Pennies Per Square Foot

Here's my offer. And it's a good one.

You can find out the exact requirements for your home with my FREE estimate. There is absolutely No Obligation. Just call now and have one of my Indoor Air Comfort Specialists survey your system.

Call Before June 30th and Receive a \$50 Bonus!

Call Healthy House™, a Division of All*Phase Electrical, Heating and Cooling, at 885-5266 or 1-888-886-5266 before June 30th and schedule your FREE video demonstration and duct exam and I will give you a \$50 bonus. This bonus is yours to apply towards any future service, even if you decide not to have us clean your duct system. You can't lose. It's just my way to introduce this exclusive duct cleaning system to homeowners.
