## Largest Single Gift in Hospital History St. Joseph's Community Hospital Of West Bend Accepts Gift of \$2 Million for Cancer Care Center

St. Joseph's Community Hospital of West Bend announced Tuesday that it has received a major contribution in the amount of \$2 million to be used for the hospital's new cancer care center. The donor has asked to remain anonymous.

The gift represents the largest single donation ever made to the hospital, which opened in 1930. Financial, volunteer and leadership support from community residents has been a consistent theme for St. Joseph's since local residents rallied in the late 1920s to build the community hospital.

The donation will be used as specified by the donor for construction and development of the hospital's cancer care center, a key element in an overall \$28.5 million hospital expansion and redevelopment project.

"St. Joseph's is truly grateful for this outstanding gift. The donation will provide the major funding to establish the comprehensive cancer care facility this community needs. To us, the gift also represents the trust that the benefactor and other community residents have placed in our

hospital over the years. Their trust and their generosity make our community hospital possible," said Executive Director Gregory Burns.

Burns said the donation will not change the proposed scope of the cancer care center project, but will be used to further plans already in progress. Groundbreaking for the cancer care center will begin late this fall or early next spring. The cancer care facility will be connected to the hospital, having its own parking and covered entrance. It will be built on the southeast portion of the hospital campus, at the corner of Oak Street and Ridge Road.

The \$2 million donation will be used exclusively to construct the approximately 12,000 square-foot cancer care center building and to acquire major clinical equipment for radiation therapy. An expanded facility may also include office space for medical oncology physicians.

"This is a remarkable gift, for which we are very thankful. The benefactor, with this gift, has taken the lead in recognizing the

importance of this new cancer care facility," said Thomas Kieckhafer, president and chairman of St. Joseph's Community Hospital. "We feel confident that, as final design of the overall project is completed, we will see more support -- both large and small -- from many others in the community who also recognize the value of our local hospital and the important resource it represents."

Thomas Bast, chairman of the hospital's Capital Development Steering Committee and a board member, recalled the community's history of outstanding support for the hospital.

"This largest single donation every made to the hospital follows a great tradition of community support -- in all amounts -- for major building additions over the years. We have wonderful friends in the community," Bast said.

Studies conducted on behalf of St. Joseph's in 1994 documented the need for expanded local cancer care services, including radiation therapy. It is expected that the radiation

## School Board Votes to Begin Set Up of Internet Hookups

By Sharon Callaway Roznik

When school starts this fall, students of the Kewaskum school district will have access to the internet. Last month the school board voted 5-1 to begin the process of setting up internet hookups at all schools to enhance educational opportunities.

Part of the set up costs will be funded through a TEACH block grant offered through the state to fund computer software, hardware or internet purchases for public schools. Kewaskum should receive \$62,000 through this grant. According to business manager George Allmann, the money will be applied to the costs of a new router, new computers, and a Firewall (blocking programs for security). "These will be used extensively," he

commented.

District technology coordinator Greg Kwaterski detailed alternative security measures aimed at alleviating some concerns board members have over unsuitable materials available to students through the internet. Security options include software blocks, hardware filters, or a subscription to a list of objectionable sights (\$2,000 for a three year subscription). "The best approach is through dedicated staff supervision," Kwaterski pointed out.

At present, internet information has only been available through specific Career Net programs set up at the high school and middle school. With the recent approval of the creation of an alternative high school for the upcoming school year, participants will

need to use computer programs that are accessed through the internet.

Although use of the internet will be limited to classrooms or lab settings that maintain adult supervision, board member Tom Timblin said that there can be no guarantees that improper use will not take place. "Regardless of all the safeguards that we do, I think they will still have access to some type of pornography, bomb building, these things are out there."

Kwaterski recommended waiting to see how use of the internet went the first year before a decision was made to purchase costly security, letting staff and administration oversee and evaluate the needs after some experience was gained. The Firewall will be part of the initial set-up, and

additional blocks will be added in the future through recommendations.

Allmann stated that although access charges for the internet will run about \$2,400 per year, it can't compare to the cost of textbooks and the benefits teachers have through updated materials, textbooks, and curriculum on-line. In addition, many college students are now required to communicate with professors through E-mail and need to be familiar with the process.

Along with the grant, funds will be taken out of the \$125,000 JET budget to replace the Fiber Optic access line with a T-1 line, add 56K lines with a modem to Farmington and Wayne Elementary Schools, put in an additional high school lab, and update computers to Windows 95 at the outlying schools. "The whole dollar amount for technology will be part of any upcoming referendum, as well as major changes in servers and software," Allmann added.

Board member Mary Andera, who voted against internet access at this time, had hoped for an internet presentation for the board before it came to a vote. "We still don't know what the internet will be primarily used for," she said during meeting. She also questioned the accuracy of internet information, and the school district's lack of knowing if a questionable sight had been hit

by a student.

Future instruction and classes will be provided for teachers on internet use. The district will also require students and parents to sign an Opt-In policy on internet use and the consequences of misuse.

Board president Jean Goeden abstained from the vote.

## Rollover Accident on STH 144

By Andrew R. Kuehl  
Staff Writer/Photographer

TOWN OF FARMINGTON- A 19 year old West Bend man was injured in a one car motor vehicle rollover that occurred on Monday, June 22, at 11:22 a.m. at the intersection of STH 144 and CTH HH in the Town of Farmington.

According to the Washington County Sheriff's Department, Randall J. Boesen, was driving a Pontiac Lemans, northbound on STH 144. Boesen attempted to pass a highway maintenance vehicle on the right shoulder, when he allegedly lost control of the vehicle on the shoulder and left the roadway and overturned.

## School District Grappling With Youth Options Program

By Sharon Callaway Roznik

Administrators and board members of the Kewaskum School District have been grappling with the state legislature's recently enacted Youth Options Program, requiring Wisconsin high schools pay tuition for their students who wish to enroll in college or technical school courses. This mandate comes despite state imposed revenue caps aimed at reducing school spending.

Beginning in the 1998-99 school year, the Youth Options Program allows all public high school juniors and seniors, who meet certain requirements, to take post-secondary courses at a UW institution, a Wisconsin technical college or a private, non-profit institution.

According to the Wisconsin Department of Public Instruction, the intent is to open doors for students considering technical careers or who want to begin college early, as well as those preparing for the workforce after graduation.

District high schools must pick up the tab if the school board determines the course eligible for high school credit, and is something not already offered at the high school level. Kewaskum High School currently offers students 149 different courses.

"It opens a Pandora's Box," District Business Manager George Allmann said of the new program, who believes it is an attempt to fill the numbers of several dying technical schools throughout the state.

In the past, KHS had used the previous program (Postsecondary Enrollment Options started in 1992) primarily for two types of students: those working to complete their GED at Moraine Park Technical College, and in special instances where there were no accelerated courses available at the high school level to provide opportunity for an advanced student.

Several changes have occurred under the new program: school districts are now required to pay for technical courses that are the same or comparable to those already offered at the high school level; they no longer have to take students labeled At-Risk; and it requires colleges to make room for any high school students in good standing, whether or not a class is filled. "A regular college student can be bumped out of class by a high school student," Allmann explained.

The school board has spent a part of the last two meetings voting on each individual student request, evaluating the courses per their criteria that it be in line with KHS curriculum. Confusion has surfaced on a number of different points

that aren't clearly spelled out by the legislature, and the board has asked if determinations can be made taking grade point averages into account.

"If we OK a class for one person, can we deny it for another?" board member Mary Andera asked. "I'm not OK'ing anything anymore because we don't have enough information from the legislature."

Under the current program, Allmann and board members agreed that a student could feasibly finish high school requirements as a junior and spend senior year in college, paid for by taxpayers in the school district.

Typically, one quarter high school credit is offered per one semester post secondary credit, so a four credit college course would equal one full high school credit. The district is responsible for paying for up to six credits of postsecondary education. After that it's prorated based on instructional costs. Costs include tuition, books, and any course or lab fees.

"This is the most (students) we've had apply for the upcoming semester," District Administrator Clark Pearson said of the six applicants. "The law requires we provide information on this program to all the students and we have. I think it's an excellent program, but I also think there should be a limitation on the amount and kind of classes students can take."

Board president Jean Goeden voiced concerns over the type and amount of classes being applied for. "We've asked administration to look more closely into this. Right now students are signing up for as many classes as they can, judo, yoga, badminton. This is ludicrous. I voted for it only because it's the law, but taxpayers should be calling their congressmen if they don't want to pay for someone else's college education."

A student may appeal a school board's decision to not award high school credit/comparability of a college course within 30 days of the ruling to the DPI state superintendent.

In support of the Youth Options Program, John Schulte said he believes the money the district receives from the state for each student (approximately \$6,000 per student) should follow the student. "I don't want to hold students back from getting ahead. If we get this money for each kid, why keep it if they leave to get education elsewhere? We throw the most money toward students doing poorly. The gifted and motivated are usually the last to get any help."

The school board will be exploring the program in depth at a future workshop

on the subject, to weigh their own options under the restraints of the law. "I'm totally against it, and I won't vote for any of these classes," Lisa Maul stated.

"Why should the taxpayers be paying? That's what scholarships are for. Some of these kids are really taking advantage of it."

## DeRuyter Named 'Teacher of the Year'

Joni (Hanrahan) DeRuyter was named "Teacher of the Year" at Princeton High School and received a plaque from Michael P. Lehner Sr. and \$1,000 from the Philip Lehner Sr. Memorial Fund for her honor.

The fourth annual Philip Lehner Sr. Memorial "Teacher of the Year" award was presented to Joni (Hanrahan) DeRuyter at the Princeton High School Graduation ceremonies on Saturday, May 30th. As the recipient of this

award, DeRuyter received a plaque with the engraved message of: "In recognition of her dedication, effort and advancing the ethical principles of teaching as a secondary educator in the School District of Princeton" and a \$1,000 gift.

## UW- Stevens Point Degrees Awarded

The University of Wisconsin-Stevens Point conferred more than 1,100 bachelor's and master's degrees during the school's spring commencement ceremony held Sunday, May 17 in the Specht Forum.

Graduates, their guests and faculty were addressed by Ray B. Mundt, chairman and chief executive officer of Unisource Worldwide, Inc.

Included with the graduates was Karen A. Junk of Kewaskum with a Master of Science-Communicative Disorders-Speech-Language Pathology.

The award is determined by having the board of education, the teacher association and the high school student council each nominate a teacher. Michael Lehner then chooses the recipient based on the nominations and reasons presented to him. Most of the years, the choice has been easy considering two of the three names nominated are the same.

Ms. DeRuyter is the high school teacher for Family and Consumer Education. She has been teaching at Princeton for 10 years. She is on the school-to-work team, a member of Vision 2005, a class advisor, assistant golf coach, and a certified instructor of Food Service coop and Serv-Safe.

Some of the criteria taken into account for the award is that the teacher teaches high school classes 50% of the time, works as a "team player," builds the interest of the students, possesses a passion for teaching and acts as a positive role model.

## Chamber Golf Outing Scheduled for July 18

The Kewaskum Area Chamber of Commerce will be sponsoring their sixth annual 18-hole golf tournament on Saturday, July 18, at Hon-E-Kor Country Club in Kewaskum. Tee times will begin at 9:30 am.

The committee has decided on changing the format from four-person best ball to a scramble.

Chairing this year's event are Vern Jung and Rosie Ritger of Quad Tool and Design, Audrey Krueger of Aurora Pharmacy Kewaskum, Andrew Kuehl of The Kewaskum Statesman, Aaron Laatsch of Geidel's Sentry and Eric Kral.

All proceeds from the tournament will be used to fund the Chamber's annual Kettle Kountry Kolers Family Fun Festival which is being held on Saturday and Sunday, October 10 and 11 at River Hill Park in the village.

Last year's outing was a huge success and a lot of fun for all who attended.

The cost for the event is \$50 per person and includes 18 holes of golf at Hon-E-Kor, continental breakfast, lunch, a steak fry dinner, live music and tons of prizes. Hon-E-Kor members need only pay \$30. (Carts will be available for an additional \$22). However, if golf is not your game, join in the fun anyway and join us for a scrumptious steak fry dinner, live music, raffles and

camaraderie for only \$15 per person.

The committee is seeking any interested foursomes, twosomes and individual golfers. An entry form can be found at the bottom of this article or you can call 626-2158.

## Steinhardt Attends Leadership Seminar

Lauren Steinhardt

Lauren R. Steinhardt recently attended the Hugh O'Brian Youth Leadership (HOBY) Annual Seminar at Carroll College in Waukesha. Lauren joined nearly 300 young leaders, each representing a different high school throughout Wisconsin on June 5-7.

Kiwanis International, General Federation of Women's Clubs, and many corporate sponsors have helped to make the HOBY Annual Leadership Seminar possible.

For the past 40 years, HOBY Leadership Seminars have brought together select groups of high school sophomores who have demonstrated leadership abilities in their high schools and communities. The students are given the opportunity to interact with groups of distinguished leaders in business, government, education and other professions to discuss present and future issues. The goal is to provide the students with a stimulating forum for learning about the American incentive sys-

tem and democratic process and for broadening their understanding of their leadership potential and quest for self-development.

The HOBY seminar challenges students to think about the many issues affecting the world around them and helps them understand that as a leader, they have the power to make a positive impact in business, government and society. HOBY helps them to see the leadership potential in themselves and to understand that goals and dreams are important regardless of what profession they choose.

HOBY was established by veteran actor Hugh O'Brian following a visit to Africa where he was inspired by a meeting with Dr. Albert Schweitzer.

"One of the things Schweitzer said to me was the most important thing in education was to teach young people to think for themselves," O'Brian said. "From that inspiration, and with the support of others who believe in youth and the American dream, I started HOBY."

Further information about HOBY activities and sponsorship opportunities is available by calling Hugh O'Brian Youth Leadership Foundation at 1-800-929-HOBY (4629) or visiting their web site at [www.hoby.org](http://www.hoby.org).

A "back seat view" as the Military Road Sesquicentennial Wagon Train crosses the bridge over the bay heading into DePere on the last leg of the 234 mile journey from Prairie du Chien to Green Bay.

Bob and JoAnn Manthei of Kewaskum drive their wagon along the scenic Fox River. The Belgian horses pulling the wagon built by the Mantheis are owned by Bob Schreffler, also of Kewaskum.

Verla and Augie Bilgo of Kewaskum, in full 1898 attire, accompanied Bob and JoAnn Manthei on the wagon train. Actually the girls met up with the train a week after the wagon train pulled out, but all reported having an outstanding, memorable time. It is rumored Augie is trying to talk Verla into adopting their new friend in the above photo. Keep smiling, Verla!

Augie Bilgo "brands" the Manthei wagon with the Military Road Sesquicentennial Wagon Train insignia before the wagons were loaded up for the journey home (to electricity and indoor plumbing!)

therapy equipment at the hospital will be able to meet the needs of approximately 90% of cancer patients in this area who require radiation therapy.

The cost of the cancer care facility and equipment is estimated at more than \$4 million. Included in that figure is approximately \$1.4 million for the linear accelerator and related clinical equipment to provide radiation therapy services.

The hospital's board of directors met Monday afternoon, June 22, and formally accepted the donation agreement, which was presented through the donor's attorney. The documents stipulate that the donor wishes to remain anonymous. However, in the future, if the donor chooses to be identified, or upon the donor's death, the cancer care center will be formally dedicated at a public ceremony and named in honor of the donor and the donor's spouse. Until that time, the center will be known as the "Cancer Care Center at St. Joseph's Community Hospital."

In December 1997, St. Joseph's Community Hospital's board of directors approved the cancer care center as part of a major expansion and redevelopment of the hospital facility. Plans also include facility for new inpatient and outpatient surgical suites and procedure rooms, expanded space for outpatient services and more. In April 1998, the board approved expanding the original project concept and increased projected costs for the entire project from an original \$25 million to a not-to-exceed amount of \$28.5 million. Reserve funds generated by the hospital over the past eight years are expected to pay for a majority of the expansion project, the rest to come from financing and a fund drive.

## Kewaskum Fire and Rescue Squad Calls

Thursday, June 18 - The Kewaskum Rescue Squad responded at 12:33 p.m. at a Village of Kewaskum residence for a stove fire. Firefighters were at the scene for approximately 30 minutes.

Thursday, June 18 - The Kewaskum Fire Department was summoned at 8:12 p.m. to the Town of Auburn for a power pole fire. Firefighters were at the scene for approximately 45 minutes.

Friday, June 19 - The Kewaskum Rescue Squad was dispatched at 2:45 a.m. in the Town of Kewaskum for a male patient who suffered a cut to his hand. The patient was transported to St. Joseph's Community Hospital, West Bend.

Saturday, June 20 - The Kewaskum Rescue Squad responded to a call in the Village of Kewaskum at 3:25 a.m. for a female patient suffering from a possible asthma attack. No transport was made.

Sunday, June 21 - The Kewaskum Rescue Squad was on standby at the Kettle Moraine Riders Club Hill Climb at Sunburst Ski Hill for approximately five hours.

## Sheriff's Department to Hand Out Baseball Cards

The Washington County Sheriff's Department has resumed its participation in the Milwaukee Brewer baseball card distribution. Two cards will be handed out each week, through the end of September.

Deputies on routine patrol will pull over and stop to hand out cards to children. Parents are asked to tell their children not to run into the street or approach officers who are busy with traffic violators or investigation. Children should not be disappointed if a deputy doesn't stop; this means that the officer is en route to an assignment.

The cards were purchased using assets confiscated from drug dealers arrested in Washington County.

## Social Group for Single Adults

A new group, called Sociable Singles, has been organized. It is for single, widowed, or divorced men and women in Washington, Ozaukee and surrounding counties. Main purpose is to share activities and make new friends.

A newsletter with a calendar of events is sent to members every month. To get information or a complimentary copy of the newsletter, call Bob at 334-5490, Don at 644-9049, or Gloria at 377-1659.

# Students Vie for Speed Rope Jumping Titles

Before the last round of competition, three of the jumpers stop in the Farmington gym for a photo. From left, Nicole Sabish (WES, grade five), Bridget Dreher (KES, grade three), and Jessica Butler (KES, grade 5).

Getting in a few last practice jumps before the final round of competition is FES fifth grader Leslie Schultz.

## UW- Whitewater Degrees Awarded

WHITEWATER- Chancellor H. Gaylon Greenhill and Interim Provost and Vice Chancellor for Academic Affairs Larry Davis presided over spring commencement ceremonies at the University of Wisconsin-Whitewater on Saturday, May 16.

During the ceremony, 1250 undergraduate and graduate candidates were recognized. Michael W. Grebe, a member of the UW System Board of Regents executive committee and a partner in the Milwaukee law office of Foley and Lardner, delivered the commencement address.

Included with the graduates was Joanne L. Lemke of Kewaskum.

UW-Whitewater is a premier regional public university, serving 10,500 students with 43 undergraduate and 16 master's degree programs in the College of Arts and Communication, Business and Economics, Education and Letters and Sciences. For the fourth consecutive year, U.S. News and World Report magazine has ranked UW-Whitewater in the first tier of 150 Midwestern regional colleges and universities.

## Campus Notes

Stacey Darmody and Holly M. Cechvala both of Kewaskum were recently listed on the Dean's list for the second semester at Madison Area Technical College.

Students must have a GPA between 3.50 and 4.0 to qualify.

For the second year in a row, KES student Jessica Butler is the Kewaskum School District Rope Jumping Champion.

The annual contest, now in its 16th year, counts the number of rope jumps in a ten second period. In the finals, students travel from Wayne to Kewaskum to Farmington Elementary Schools, adding ten seconds worth of jumps at each school.

In two of three jumping trials, Jessica scored an astounding 60 jumps (each breaking a long-

standing school record), on her way to an overall score of 172 jumps in the thirty second, to take the Division III (grades four and five) as well.

Second place in division III was determined through a tie-breaking "jump-off" between FES fifth grader Leslie Schultz and WES fifth grader Nicole Sabish, who had each totaled 142 jumps. Leslie took second by virtue of her 48-46 margin in the tie-breaker.

Division II (grades two and

three) was also won by a defending champion. Third grader Bridget Dreher, from KES, numbered 148 jumps, to best WES's Melissa McCann (137 jumps), and FES's Marissa Dehler (105 jumps).

In Division I (kindergarten and grade one), another Butler, Jessica's younger sister Anna, a kindergartner at KES, jumped 97 times, topping WES's Amber

Struck (84 jumps), and Morgan Dombrowski (75 jumps).

Dairy Queen supplied coupons to all district students participating in the contest.

Special thanks go to event judges/counters Mrs. Lisa Lickel, Mrs. Ruth Butler and KES/WES Principal Mr. Kriewaldt, as well as to Ph-ed instructor Mr. Miller, serving as the official timer and announcer.

## Honor Roll Correction

The listing of the Kewaskum High School Honor Roll in the June 18th edition of the Kewaskum Statesman was mislabeled as the honor roll for the fourth quarter. It should have been identified as the honor roll for the second semester of the 1997-98 school year.

# OBITUARIES

**HENRY F. RENARD**

Henry F. Renard, Lt. Col. Retired U.S. Air Force, Attorney, age 78, died Wednesday, June 17, 1998.

He was born December 2, 1919, near the historic covered bridge in the Town of Cedarburg, Ozaukee County, Wisconsin, to Walter and Rosetta Renard. He graduated from West Bend High School in 1937 and worked on his family farm and Cooley's Cheese Factory until he enlisted in the Army Air Corps on July 13, 1942.

He entered active duty in the Air Force in January of 1943 after receiving flight training in Oklahoma, Texas and Ellsworth Base, South Dakota and received his Wings and Second Lieutenant's Commission on November 3, 1943.

Henry was a crew commander of the B-26 Marauder and flew 24 missions on the B-17 Flying Fortress bombers with the 15th Air Force based in Foja, Italy before being shot down on Christmas Day, 1944, and becoming a prisoner of war in Stalag Luft I, Barth, Germany on the Baltic, until his release on May 13, 1945.

Henry Renard married Carol Peterson on July 2, 1945 while on furlough in Kenosha, Wisconsin and graduated from the University of Wisconsin Law School in June, 1950. While at the University, he was a member of the University Band and was on the U.W. Law Review.

Attorney Renard began the private practice of law in West Bend in December, 1950 and served as Assistant District Attorney for Washington County from 1953-1955 and as District Attorney from 1959-1960.

He began as Washington County Family Court Commissioner in July, 1971 on a part-time basis which became full time and served in that capacity until his retirement on December 31, 1990.

After his wife Carol's death on January 4, 1991, he married Mary Ann Nelson of Red Granite on December 1, 1992.

Mr. Renard, active in the American Legion on the local, district, State and

National levels for many years, attained the offices of Post and District Commander and State Commander from 1974-75, and National Executive Committeeman for Wisconsin.

A long time member of the Lt. Ray Dickop Post No. 36 in West Bend, he was active in the Wisconsin Badger Boys State program, a lifetime member of the P.O.W. Chapter, lifetime 40et8 member and member of the National American Legion for 53 years. Mr. Renard was a frequent Memorial Day Speaker across the State.

Attorney Renard was a member of the American, Wisconsin and Washington County Bar Associations, and the Family Court Commissioner's Association. He performed 1310 civil wedding ceremonies, three of those in German and one in an airplane.

He was a member and song director of the Kiwanis Noon Club, twice served as Lt. Governor and received the Hixson Award in 1997. He judged for the West Bend High Schools Moot Court and Forensics. Mr. Renard was a member of the Tripoli Shrine, the West Bend Masonic Lodge, served on the West Bend Airport Board 14 years, was former President of the American Heritage Class of the Wisconsin Scottish Rite, and Washington County Red Cross Fund Drive Chairman from 1952-53.

Henry played saxophone and clarinet in a dance band begun in the late 1930's, sang tenor and directed and served as the community service chairman for SPEBSQSA barber-shop quartet "Bender Blenders" in the 1950's.

Mr. Renard has been a lifelong member of Immanuel United Church of Christ in West Bend.

He is survived by his wife, Mary Ann; two daughters, Susan (Dr. Donald) Schuster of Madison, Wis-

consin, and Linda (Richard A. Jr.) Kellow of West Bend; two grandchildren, Richard Garis and Kathryn Grace Kellow; a sister, Leona M. Teague; a nephew, Walter G. (Joan) Teague of West Bend; other relatives and friends.

Funeral services were held Monday, June 22, at 1 p.m. at Immanuel United Church of Christ in West Bend with Pastor James Eckblad officiating. Burial with full Military Rites at Washington County Memorial Park followed.

Visitation was Sunday, June 21, at the Phillip Funeral Home of West Bend from 3:30 to 8:30 p.m. and Monday at the church only from 11 a.m. until the time of services.

Memorials may be made to the American Cancer Society.

The Phillip Funeral Home of West Bend assisted the family.

## CLARA HAHN

Clara Gertrude Hahn, age 85, of Campbellsport, died Monday, June 22, 1998 at St. Joseph's Hospital, West Bend.

She was born in the Town of Auburn, Fond du Lac County on February 28, 1913, the daughter of Peter and Celia Raidy Hahn. She graduated from St. Matthew's Grade School and attended Campbellsport High School for two years before attending St. Mary Springs Academy, graduating in 1929.

She graduated from Fond du Lac County Normal School and taught at Joseph Otis School, Fond du Lac for ten years. She then worked at the Washington County Hospital as a matron, at Montgomery Ward Store in Chicago, at the Milwaukee Athletic Club and for a short time in Smiley, Saskatchewan, Canada. She then worked at the Fond du Lac Mental Health Center for 25 years until her retirement.

She was a member of St. Matthew's Catholic Church, Campbellsport, and the Christian Women's Society. She enjoyed writing and

reciting poetry. She also was a member of the Campbellsport Senior Citizens and formerly the Fond du Lac Senior Bowling Team.

Survivors include one brother, Oscar (Kathryn Ann) of Campbellsport; two sisters, Irene Hahn and Catherine Strassburg, both of Campbellsport; a sister-in-law, June Hahn of Evanston, Illinois; nine nephews; eight nieces; 19 great nieces and nephews; a number of cousins and many friends.

She was preceded in death by her parents, three brothers, Joseph, Jerome, and Louis and two nephews, William Strassburg and John Hahn.

A Mass of Christian Burial will be held on Thursday, June 25, at 11 a.m. at St. Matthew's Catholic Church, Campbellsport, following a prayer service at 10:30 a.m. at the Twohig Funeral Home, Campbellsport. Rev. Edwin Kornath will officiate and burial will be held in the parish cemetery.

Visitation was on Wednesday, June 24, from 4 to 8 p.m. and on Thursday from 9 a.m. until the time of services at the funeral home.

Memorials are appreciated to St. Matthew's Church or the American Cancer Society.

## ROSE C. BREMSER

Rose C. Bremser, age 68, of White Lake, Wisconsin, died June 20, 1998 at her home under LeRoy Hospice Care.

She was the daughter of the late Frank and Magdalena (Schraufnagel) Feucht. She married Frank Bremser on May 7, 1949, at St. Andrew Catholic Church in LeRoy, Wisconsin. He survives her.

# Kewaskum FFA Well Represented at State Convention

Kewaskum FFA members that attended the 69th FFA Convention are front row, left to right: Jana Goratowski and Becky Guelig. Back row: Peter Muth, Ben Propson and Matt Propson.

The Kewaskum FFA celebrated the year at the 69th State Convention held in Madison, with many awards and highlights.

President Ben Propson placed second in the finals of the State Discussion Speaking Contest. The Discussion Meet tests the abilities of FFA members in cooperatively discussing agricultural issues, exchanging ideas and information and finding solutions to issues and problems.

Modeled after the Farm Bureau contest, contestants give 30 second opening statements, participate in 15 minutes of open discussion, and finish with a one minute closing statement.

To qualify for State, Propson competed in several qualifying levels of competition, including district, sectional and the state

semi-finals. Propson also was one of the 10 finalists to compete in the State Extemporaneous Speaking competition.

Extemp Speaking involves selection of a topic on site, being given 30 minutes to prepare a 4-6 minute speech, delivery and five minutes of questions from the judges.

Ben Propson also received the Wisconsin Three Star Leadership Award. Three Star Leaders must successfully complete Forms one and two of the National Chapter Award, indicating chapter activities throughout the year in three major categories. Propson was honored with a pin and certificate sponsored by the Wisconsin FFA Alumni Association.

Jody Schmidt received gold honors in the Equine Science Proficiency competi-

tion. The equine category consists of horse production, breeding, marketing, showing and other aspects of the horse industry. Schmidt won the FFA Section 10 competition as well as placing seventh gold overall in the State.

Cathy and Chris Carrier were honored for their essay entries in the Growmark Essay Contest. Growmark's competition this year involved essays around the theme of computer technology in the world of agriculture. Both Chris and Cathy finished in the top 25 in the State.

The entire Kewaskum FFA Chapter was honored in three categories of chapter competition. The chapter received bronze ratings in Food For America and Chapter Safety activities. Food For America mea-

sure a chapter's success in spreading the word of agriculture to young people and community. The Safety category challenges chapters to take an active role in community and agricultural safety activities.

The Chapter also received the silver rank in overall chapter activities in the National Chapter Competition. Activities in the categories of Student Development, Chapter Development and Community Development are ranked and compared. The top Gold Chapters are moved on to National competition.

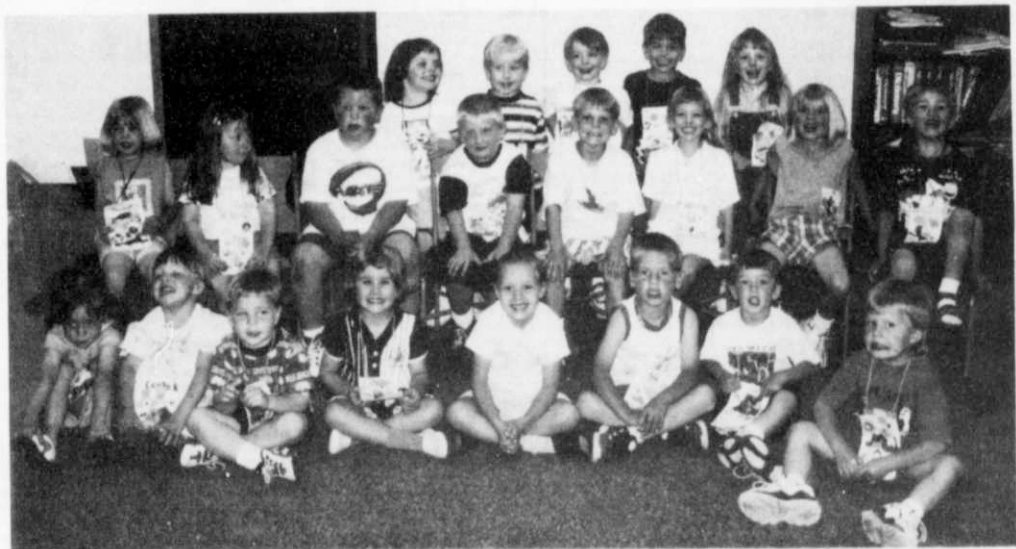

The Wisconsin FFA Association is comprised of 258 local chapters preparing over 16,300 students for careers in agriculture. The FFA's activities and awards programs complement instruction in agriculture

education by giving students practical experience in the application of agricultural skills and knowledge gained in classes. The FFA organization's major objectives are to develop agricultural leadership, cooperation, and citizenship within its members.

## EAA Chapter to Sponsor Open House At West Bend Airport on June 27

Chapter 1158 of the Experimental Aircraft Association (EAA) is planning an Open House at the West Bend Municipal Airport on Saturday, June 27, that gives the public a chance to go flying, look at airplanes, have breakfast or lunch, and learn about the many facets of aviation.

Besides a variety of adult interests, there will be contests and activities for children of various age levels. Admission and parking are free.

The first flying event will be the EAA's Young Eagle program offering children, 8 to 17-years-old, free airplane rides. The Federal Aviation Administration (FAA) will start the day's educational programs with a seminar for local and visiting pilots about getting maximum benefit from their mandatory biennial flight-proficiency review. Free educational programs and demonstrations for the public are planned nonstop from 8:30 a.m. to 4 p.m.

The sponsoring EAA Chapter has been running a motorcycle raffle for the past year to raise money to build or buy a hangar as a meeting place on the airport. The hangar would also be used for the Young Eagle program, Aviation Explorer Scouts program, and a variety of community activities that need such a facility. Raffle tickets will be sold all day; the drawing for the winner of the Harley Davidson 95th Anniversary DWG machine will take place at 4 p.m.

Paul Poberezny, founder of the International

EAA headquartered in Oshkosh, has offered to give some lucky person a half-hour ride in his P-51 Mustang. The winner will be determined by a raffle.

Rides, in other less romantic airplanes, will also be raffled. But rides in the EAA 1929 Ford Trimotor will be available for \$30 per passenger. And, West Bend Air, the company that operates the city-owned airport, will be offering scenic rides in modern, general aviation aircraft to the public as well.

According to the Wisconsin Bureau of Aviation, "... two-thirds of general aviation is business aviation, and business is the lifeblood of local economy." To service the business aviation needs of Washington and Ozaukee Counties, West Bend Air maintains a fleet of actively-scheduled twin-engine charter aircraft including a Lear Jet.

But, the Open House will showcase a variety of aircraft including home-built, recreational, military, and balloons, in addition to business planes. Although the field has yet to be expanded to accommodate arrivals of larger faster jet aircraft, it is assured that you will witness one or more low-pass flights of military aircraft.

A variety of activities are scheduled that should not only educate or entertain visitors, but also offer them a chance, in some cases, to get out of the weather to sit down and rest awhile. Events include a model airplane building and flying contest for youth,

rocket demonstrations, an award-winning model plane designed and built by engineering students, telescope demonstrations, rides in a tethered balloon, several aviation-oriented videos, and a fact-filled seminar about learning to fly provided by the flight instructors of West Bend Air. In addition, many types of airplanes will be on display.

## From School to Museum

The Wisconsin display made by Farmington Elementary students is currently a temporary exhibit at the Washington County Historical Museum, located in West Bend's Old Courthouse.

Following the presentation of their class project, FES fifth graders, from left: Chad Peplinski, Shannon Grager and Natasha Lawrence toured the rest of the Washington County Historical Museum.

A five-foot tall cutout of Wisconsin -- with clay figures representing some of the state's unique features, has gone from Farmington Elementary School to the Washington County Historical Museum.

The work was created by the FES Art Enrichment class to celebrate Wisconsin's Sesquicentennial. Through paints and clay, it highlights such diverse features as historical lead mining near Mineral Point, the Peshtigo fire, and Mellen (in northwestern Wisconsin), the "Black Bear Capital of the World," among others.

At the museum's request, three students from the FES Art Enrichment class came to present their class project for display at the museum, located at the Old Courthouse in West Bend.

Fifth graders Shannon Grager, Natasha Lawrence and Chad Peplinski spoke a few minutes about the project, and highlighted the areas they had worked on. Other students who worked on the project were third graders Jacob Lawrence, Kate Michalek and Kevin Jacobi; fourth graders Claire Michalek, Leanne Kison, and Ryan Uttech and fifth graders Whitney Pfeiffer, Jessica Jung, and Mike Gehl. The project's coordinator was FES art instructor Mrs. Henke.

Museum officials welcomed the display as a "wonderful way to mark Wisconsin's Sesquicentennial."

The students pretty much just thought it was "really cool."

Plans are to display the students' work for an unspecified period of time.

## Be sun-wise

### Top 10 sun-safety tips

To protect children and adults, the American Academy of Dermatology recommends the following:

- Try to stay out of the sun between 10 a.m. and 4 p.m., when the sun's rays are the strongest.
- Use a broad-spectrum sunscreen that protects against UVA and UVB rays and has a Sun Protection Factor of 15 or greater, even on cloudy days.
- Reapply sunscreen every two hours when outdoors, especially if you're swimming or sweating.
- Wear protective, tightly woven clothing. Dark colors give more protection.
- Wear a 4-inch-wide broad-brimmed hat and sunglasses with UV protective lenses even when walking short distances.
- Stay in the shade whenever possible.
- Avoid reflective surfaces, which can reflect up to 85 percent of the sun's damaging rays.
- Protect children by keeping them out of the sun, especially between 10 a.m. and 4 p.m. Apply sunscreens, beginning at six months of age.
- Avoid sunlamps, tanning beds and tanning parlors.
- Listen to the UV Index reports. Take special care when exposure levels are 5 - 10+

## Clerk of Courts Office Now Accepting Visa/Mastercard

As of June 5, the Washington County Clerk of Courts office will be accepting Visa and Mastercard for payment of outstanding fines on criminal cases, forfeitures on traffic cases and court ordered payment of attorney fees. This new service is being provided to the public as a convenient method of payment of court ordered obligations. Clerk of Courts, Kristine Deiss, stated both the public and Washington County will benefit from providing this new service. It is anticipated that payment plans presently being utilized will decrease, which would result in a savings of time and money to the County, and in addition, allow the public to make one payment rather than monthly or weekly payments over an extended period of time.

## MASHED BAKED SWEET POTATOES

Serves 4

- 4 large sweet potatoes
- 1 Tbsp. Unsalted butter, at room temperature
- 2 Tbsp. Sour cream
- 2 Tbsp. Pure maple syrup
- Salt & freshly ground black pepper

### Method

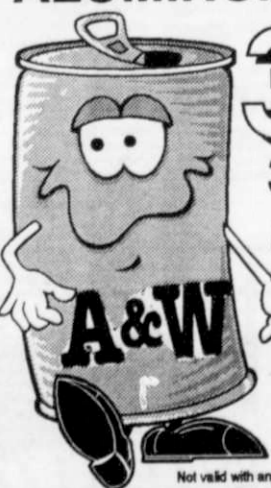

Preheat oven to 375°F. Pierce the potatoes with a fork or knife. Bake for 45 to 50 minutes until soft. Let cool slightly. When the potatoes are cool enough to handle, cut them in half and scoop the potato pulp into a bowl. Add the butter, sour cream, and maple syrup. Using a potato masher or sturdy whisk, mash or beat the potatoes until smooth. Season to taste with salt and pepper. Transfer to a covered casserole and keep warm until ready to serve.

## Drive Planned to Raise \$2 Million for Cancer Care Center

St. Joseph's Community Hospital of West Bend will launch a special \$2 million fund drive later this year to help offset the cost of the new cancer care center planned for the hospital.

The hospital's announcement of the fund drive comes at the same time as the announcement that an anonymous donor has donated \$2 million toward the cancer care center, part of a major \$28.5 million expansion and redevelopment project for the hospital. The cancer care center represents more than \$4 million of that total project cost.

Meeting Monday, the hospital's board of directors gave its approval to the fund drive, acting on a similar decision made earlier that day by the hospital's Capital Development Steering Committee. It is expected that the fund drive will formally start at the end of the summer.

Thomas Bast, chairman of the Capital Development Steering Committee and a board member, said that the anticipated fund drive is a fitting complement to the \$2 million donation to the cancer care center.

"Such a generous gift will go a long way in helping us to build this much-needed cancer care center. There is, however, more to be done to reach our goal. Cancer touches so many lives here. We feel that this special fund drive will allow other potential donors to participate in building this

wonderful facility for the benefit of the entire community," Bast said.

Details of the drive will be made known in the coming weeks.

## Farmer's Market Open in West Bend

The West Bend Downtown Marketplace discovers summer with the opening of the Farmers' Market held on Saturday, June 6. The Farmers' Market will run every Saturday through October 31. The market opens at 7:30 a.m. and closes at 11 a.m.

Held in historic downtown West Bend, the market hosts over 50 vendors offering a variety of home-grown produce, plants, flowers, honey, vinegars, wool, baked goods, and other homemade specialties.

The Downtown Marketplace is proud to be working with local 4-H Clubs again this year, who will host the market each Saturday.

Come down, take an early morning stroll and enjoy weekly entertainment at the Farmers' Market. Discover what nature's market is all about.

For more information or questions, please contact the Downtown West Bend Association at 414-338-3909.

## RESOLUTION NO. 98-18

### A RESOLUTION OPPOSING RECOMMENDATIONS OF THE ADMINISTRATIVE COMMITTEE REGARDING TRANSFER OF POSITIONS FROM THE WASHINGTON COUNTY SHERIFF'S DEPARTMENT

WHEREAS, at a recent meeting, the Washington County Administrative Committee, forwarded and adopted a resolution entitled, "Crisis Intervention Services - Recommendation and plans" to the Washington County Board, and

WHEREAS, changing this system would cause an additional burden upon existing municipal law enforcement staffs and at times take officers off of normal patrol to spend additional time handling youth problems, and

WHEREAS, our Police Department appreciates the existing division of workload that now occurs when Social Services handles their cases and the Criminal Justice/Law Enforcement experts handle their responsibilities while working with the public, and

WHEREAS, the two above stated functions of government should be allowed to continue to provide the existing effective and efficient services as they have in the past, following the guidelines that are presently in place and are excellent in light of their past accomplishments, and

NOW, THEREFORE BE IT RESOLVED, by the Kewaskum Village Board that said aforementioned resolution from the Administrative Committee be rejected; and that the Washington County Sheriff's Department continue to have on its staff, two "Juvenile Intake Workers" (should be redesignated Criminal Justice Community Service Officers). These positions to be budgeted as the county directs but to remain under the Sheriff's direct control for hours of operations, assignment of duties, policy guidance and continue being subject to the approval of the Circuit Court Judges and the Chief Judge of the Judicial Administrative District. The Village of Kewaskum feels this to be in the best interest of continued progressive municipal law enforcement services in Washington County today, and for future years.

Passed and approved this 15th day of June, 1998.

## RESOLUTION NO. 98-19

### EXHIBIT A RESOLUTION

(Adopted at an Open Meeting held June 15, 1998)

WHEREAS, the Village of Kewaskum, Washington County, Wisconsin (hereinafter called the "Village"), is presently in need of funds aggregating Seven Hundred Fifty Thousand Dollars and Zero Cents (\$750,000.00) for public purposes including:

Two Hundred Thousand Dollars and Zero Cents (\$200,000.00) for the Main Street Storm Sewer Project

and:

Five Hundred Fifty Thousand Dollars and Zero Cents (\$550,000.00) for the Roseland Drive Trunk Sewer and Main Street Relief Sewer Projects.

WHEREAS, this Board deems it necessary and in the best interests of the Village that, pursuant to the provisions of Section 67.12(12), Wisconsin Statutes, the sum of Seven Hundred Fifty Thousand Dollars and Zero Cents (\$750,000.00) be borrowed for such purposes upon the terms and conditions hereinafter set forth:

NOW, THEREFORE, BE IT RESOLVED, that for the purposes herein above set forth the Village, by its President and Village Clerk, pursuant to Section 67.12(12), Wisconsin Statutes, borrow from M&I Marshall & Ilsley Bank, Milwaukee, Wisconsin (hereinafter called the "Lender"), the sum of Seven Hundred Fifty Thousand Dollars and Zero Cents (\$750,000.00), and, to evidence such indebtedness, said President and Village Clerk shall make, execute and deliver to the Lender for and on behalf of the Village the promissory note of the Village to be dated June 15, 1998, in said principal amount with interest at the rate of Four Point Eight Five per cent (4.85%) per annum and payable as follows:

Said interest to be payable on the dates set forth above on the outstanding balance, with prepayment privileges, on any principal or interest payment date on or after this date, a copy of which note shall be attached hereto.

BE IT FURTHER RESOLVED, that there be, and there hereby, is, levied on all the taxable property of the Village, a direct annual irreparable tax sufficient in amount to pay the principal and interest on said note as the same becomes due and payable, said tax to be in the following minimum amounts:

Amount of Tax (principal and interest)	To Meet Payments		Year of Levy
	Due On	(Year(s) Prior to Due Date)	
110,850.00	02/01/99 & 08/01/99		For the year 1998

78,750.00	02/01/08 & 08/01/08		For the year 2007

If at any time there shall be on hand insufficient funds from the afore-said tax levy to meet principal and/or interest payments on said note when due, the requisite amount shall be paid from other funds of the Village then available, which sums shall be replaced upon the collection of the taxes herein levied.

In the event that the Village exercises its prepayment privilege, if any, then no such direct annual tax shall be included on the taxrolls for the prepayment so made and the amount of direct annual tax herein above levied shall be reduced accordingly for the year or years with respect to which said note was prepaid.

In each of said levy years, the direct annual tax so levied shall be carried into the tax rolls each year and shall be collected in the same manner and at the same time as other taxes of the Village for such years are collected; provided, that the amount of a tax carried into the tax roll may be reduced in any year by the amount of any surplus in the debt service account for the note. So long as any part of the principal of, or interest on, said note remains unpaid, the proceeds of said tax shall be segregated in a special fund used solely for the payment of the principal of, and interest on, said note.

BE IT FURTHER RESOLVED, that there be and there hereby is established in the treasury of the Village, if one has not already been established, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Sinking funds established for obligations previously issued by the Village may be considered as separate and distinct accounts within the debt service fund. Within the debt service fund, there be and there hereby is established a separate and distinct account designated as the "Debt Service Account for Promissory Note dated June 15, 1998," which fund shall be used solely for the purpose of paying principal of and interest on said note. There shall be deposited in said fund any accrued interest paid on said note at the time it is delivered to the Lender, all money raised by the taxation or appropriated pursuant hereto, and such other sums as may be necessary to pay principal and interest on said note when the same shall become due.

BE IT FURTHER RESOLVED, that the "proceeds" of said note shall be used solely for the purposes for which it is issued, but

may be temporarily invested until needed in legal investments, provided that no such investment shall be in such a manner as would cause said note to be an "arbitrage bond" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, or the Regulations of the Commissioner of Internal Revenue thereunder; and an officer of the Village, charged with the responsibility for issuing the note, shall certify by use of an arbitrage certificate that, on the basis of the facts, estimates and circumstances in existence on the date of the delivery of the note, it is not expected that the proceeds will be used in a manner that would cause said note to be an "arbitrage bond."

BE IT FURTHER RESOLVED, that the projects financed by the note and their ownership, management and use will not cause the note to be a "private activity bond" within the meaning of Section 141 of the Internal Revenue Code of 1986, as amended, and that the Village shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the note.

BE IT FURTHER RESOLVED, that the Village Clerk shall keep records for the registration and for the transfer of the note. The person in whose name the note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on the note shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such note to the extent of the sum or sums so paid. The note may be transferred by the registered owner thereof by presentation of the note at the Office of the Village Clerk, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his legal representative duly authorized in writing. Upon such presentation the note shall be transferred by appropriate entry in the registration records and a similar notation, including date of registration, name of new registered owner and signature of the Village Clerk, shall be made on such note.

BE IT FURTHER RESOLVED, that the note is hereby designated as a "qualified tax-exempt obligation" for the purposes of Section 265 of the Internal Revenue Code of 1986, as amended, relating to the ability of financial institutions to deduct from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations.

BE IT FURTHER RESOLVED, that the Village officials are hereby authorized and directed, so long as said note is outstanding, to deliver to the Lender any audit statement or other financial information the Lender may reasonably request and to discuss its affairs and finances with the Lender.

BE IT FURTHER RESOLVED, that said note shall be delivered to the Lender on or after the date of said note, upon receipt of the total principal amount of the loan evidenced thereby, plus accrued interest, if any, to date of delivery, provided that, if this is a refinancing, the refunding note shall be immediately exchanged for the note being refinanced.

## Village Board Meeting Minutes

**Regular Meeting  
June 1, 1998  
8:00 p.m.**

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. Trustee Warren Dums asked to be excused and was absent. All other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Gary Gavin and unanimously carried by voice vote, the minutes of the May 18, 1998 meeting were approved as printed.

A public hearing was conducted on the applications for Combination Class "B" Fermented Malt Beverage and Intoxicating Liquor License renewals. There were no objections from the floor to any of the applications as publicly noticed and read. The Police Department had no objections to the applications. On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andy Pesch and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

A public hearing was conducted on the application for Combination Class "A" Fermented Malt Beverage and Intoxicating Liquor License renewals. There were no objections from the floor to any of the applications as publicly noticed and read. The Police Department had no objections to the applications. On a motion by Trustee Harry Roecker, seconded by Trustee Gary Gavin and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

Assistant Fire Chief Mark Herriges presented the April 1998 monthly report:

Fire calls 1, Year to date 4; Jaws 2, Year to date 14; Rescue calls 16, Miles 319.

Some general discussion took place regarding the storm of this last weekend and an assessment of how things went and the damage caused.

Chief of Police reviewed the following with the Board:

1) The sale of the 1996 squad car brought in \$7,774 at public auction.

2) The Board was informed the speed board has been received and placed out twice.

## Wayne Crusaders 4-H Club News

The Wayne Crusaders monthly meeting was held on June 8th at 7 p.m. Some of the things that were discussed at the meeting were:

A big thanks to those who helped work at the Wayne Sesquicentennial serving pie and painting faces. Those who helped were Scott and Brandon Herman, Elise Tobin, Ashley Kiel, Jonathan and Jeremy Hawig, and Kirstin Krudwig. Although the weather didn't turn out the way we hoped, we all had a good time. We are buying a brick for the new fairgrounds in honor of the Town of Wayne's 150th Birthday.

Noah's Ark has been canceled due to lack of participation. But we do give a big thanks to Mr. Timmers for all the time he spent setting it up.

The window display for June Dairy Month is going to be at the M & I Bank in downtown West Bend. It will be up the whole month, so stop by and see it! Also, a big thanks to all those who helped serve ice cream at the annual June Dairy Month Banquet which was held on May 27th. Those people who helped were Jackie and Jenny Schulz, Ashley Kiel and Lindsey Kiel and Marcia Thull.

The County Fair is coming up fast, so don't forget to get your fair entry forms in. They are due at the PAC by June 30th, or you will not be able to show at the fair. Please see your County Fair book for the schedule of events to take place.

Also, Jackie Schulz did a demonstration on her goats. She explained on what goats are used for, what kinds of goats there are, and what they eat.

#### GEORGIA PEACH COBBLER

- 4 cups fresh peaches, peeled and sliced
- Cinnamon (to taste)
- 1 cup sugar
- 1/2 cup butter
- 1 1/2 cups flour
- 3/4 teaspoon salt
- 1/2 cup vegetable shortening
- 1/4 cup plus 1 tablespoon cold water

Preheat oven to 350 degrees. Combine peaches, cinnamon, sugar and butter in medium saucepan. Bring to boil and immediately reduce heat. Simmer until peaches are tender and mixture thickens, about 20 minutes. Pour mixture into buttered 10-by-6-by-2-inch baking dish. Set

aside. In mixing bowl, combine flour and salt. Cut in shortening with 2 knives until mixture resembles coarse crumbs. Sprinkle water over flour mixture until ingredients are moistened. Shape pastry into ball. Roll out to 1/8-inch thickness on lightly floured board. Cut into 1-inch strips. Arrange 1/2 strips in lattice design over peaches. Bake 35 minutes. Remove from oven. Gently press remaining strips over baked strips in lattice pattern. Press pastry into peach mixture. Return to oven and bake for another 40 minutes. Serve with peach ice cream. Serves six.

### Land Use Forum In Campbellsport

Certain rural communities within this area are asking their residents, "What do you want your community to be like in the future? Do you want to protect farmland? Woods? Hunting? The rural atmosphere?" Based on the response of their citizens, these communities will put together plans to guide future land development and preservation (land use plans).

It is easy to agree to statements like "let's preserve farmland." But how do you actually preserve farmland? Through zoning? Zoning is one tool. There are also other tools and concepts that support farmland preservation. Some may surprise you.

Spend a short time with others to discuss different approaches to tackling the difficult job of managing land in the community.

Hear about some of the new approaches being employed already in other areas... tools that work.

Brad Bauer, Community and Natural Resource Planner, from Vierbicher and Associates, will be leading this informational forum on land use at 7:30 p.m. Thursday, June 25, at the Campbellsport Community Center.

Brad has several years experience working with community planning in Winnebago County as well as the southwest United States, and is familiar with the area's issues. This forum is sponsored by the Drumlin Protection Alliance, a locally based organization dedicated to supporting common sense approaches in the drumlin area for protecting land, cultural and community resources. For more information contact Mark Sesing at 920-533-8968.

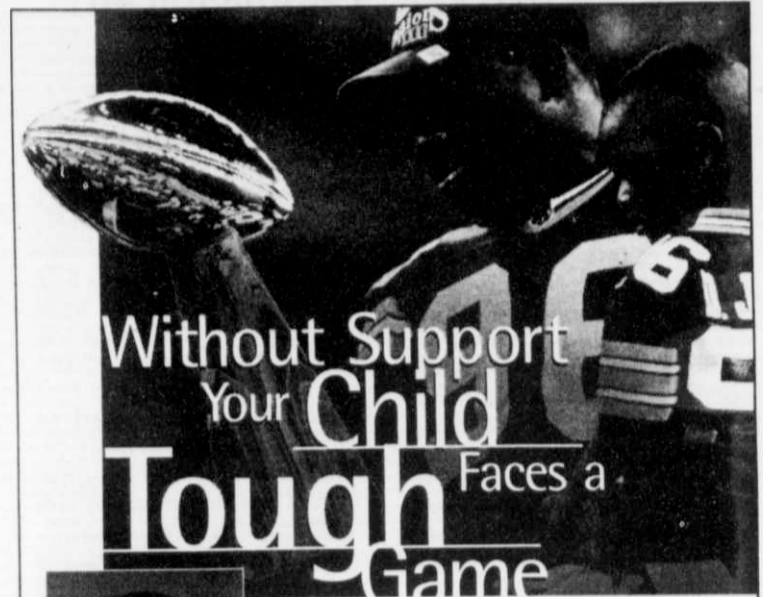

Everyone of us is influenced in some way by community land use decisions,

like it or not. You can sit on the sidelines, or, you can step up to the plate to take part in Tools for Managing Land Uses at the Campbellsport Community Center on June 25 from 7:30 to 9 p.m.

If you are involved in local planning efforts, are a landowner, or an interested citizen looking to protect the quality of your area, this forum will be of interest to you. See you there!

In Greek Orthodox churches, Christians receive fragrant bay leaves on Palm Sunday. The leaves are used in cooking during the year.

## KMS Students Write Home Town Poems

To wrap up the 1997/98 school year, in their English class, eighth graders at Kewaskum Middle School studied a unit on Wisconsin writers. At the beginning of the unit, the students read a poem called "Walking Milwaukee" by Harold Witt. In response, the students worked at various times throughout the unit, writing their own poems about taking a walk in their home towns. The following are some of the poems written by the eighth graders.

### "Nathan's Walk"

by Nathan Fechter

Come and take a walk with me.  
First we walk down my driveway  
To a paved road leading us on our way.  
We keep going straight down the road  
And see the crackling woods on the left.  
We see chirping birds and running animals.  
We look to the right  
And see a farm with a big red barn and a huge house.

### "Nick's Walk"

by Nick Thorn

As I walk to Kewaskum  
I see an overflowing pond that drowns little leaves.  
Then, as I walk, I look to the left  
And see an old house that's about ready to collapse.  
Then I look straight,  
And I see a highway that winds as cars pass by.  
A flattened alfalfa field grows rapidly.  
I walk  
I see a bright red barn burning.  
Cows moo.  
Then I walk into Kewaskum  
And see a huge junkyard  
And a scary cemetery that frightens me,  
So I run all the way home.

## Farmington 4-H Swampbusters

The Farmington Swampbusters had their annual Jay Road Swamp cleanup on May 9. Tires, plastic wastes, and aluminum cans and bottles were among some of the items that were picked up. To celebrate the cleanup the Swampbusters held a picnic. Our club had fun and we were glad to help the environment.

On May 11, the Swampbusters helped enhance the Farmington Town Hall's appearance by trimming bushes and pulling out weeds and old shrubs to make room for new shrubs that we plan to plant sometime in June. Our club will also maintain the shrub area before and after meetings.

To discuss about our club's concerns, improvements and strengths, some of the parents from our club held a meeting with Agnes Wagner.

On May 14, the Swampbusters held their monthly meeting. Beef, swine, and sheep demonstrations were held by the members of our club. The demonstrations were interesting and educational. Horse demonstra-

tions will be held in June. For the Washington County Fair preparation, there will be a county fair setup on July 16. Our club will help set up all the chairs and tables at the fair.

## Banana Bread Still A Favorite

(NAPS)—A classic recipe will always be a favorite, and banana bread has earned this distinction.

The very first banana bread was created by an ingenious home baker looking for a way to use some overripe bananas. *Banana Pecan Oatmeal Bread*, created in honor of Oatmeal Month, embellishes the classic recipe with a scrumptious oatmeal pecan topping. Whole grain oats, a good source of fiber, add wholesome goodness to the bread and can be substituted for up to one-third of the flour in any bread or muffin recipe.

### BANANA PECAN OATMEAL BREAD

One 9 x 5-inch loaf

#### Topping

1/2 cup Quaker oats (quick or old fashioned, uncooked)  
1/4 cup chopped pecans  
1-1/2 tablespoons melted butter or margarine  
1 tablespoon firmly packed brown sugar

#### Bread

1 cup Quaker oats (quick or old fashioned, uncooked)  
1/2 cup skim milk  
2 cups all-purpose flour  
1/2 cup granulated sugar

2 teaspoons baking powder  
1-1/2 teaspoons ground cinnamon  
1/2 teaspoon each: baking soda, salt  
1 cup mashed, very ripe bananas (about 3 medium)  
1/2 cup vegetable oil  
2 eggs, lightly beaten

Heat oven to 350°F. Spray bottom only of 9 x 5-inch loaf pan with cooking spray. In small bowl, combine all topping ingredients; set aside. For bread, combine oats and milk in medium bowl; set aside. In large bowl, combine dry ingredients; mix well. Add bananas, oil and eggs to oat mixture; mix well. Add oat mixture to dry ingredients all at once; stir just until dry ingredients are moistened. Pour into pan. Sprinkle evenly with reserved topping; press gently. Bake 55 to 65 minutes or until wooden pick inserted in center comes out clean. Cool 10 minutes in pan; remove to wire rack. Cool completely. Store tightly wrapped.

**SEEDS FROM THE SOWER**

Michael A. Guido  
Metter, Georgia

"I got three orders today," said a salesman.

"What were they?" asked his wife.

"The first was, 'Get out!' The second was, 'Stay out!' And the third was, 'Don't come back!'"

What did you say when the Lord last knocked at the door of your heart?

Hear Him as He says, "Behold, I stand at the door, and knock: if any one hear My voice, and open the door, I will come in."

If you don't say, "Come into my heart, Lord Jesus," you say in effect, "Stay out!" Not to receive Him is to reject Him.

You will receive the Lord right now, won't you?

# Athletics Win Pair

The Kewaskum Athletics won a pair of hard fought games last weekend to rise above the .500 mark in both the Tri-County Nite League and the Rock River League. On Saturday the A's came from behind to hang a 7-6 loss on the West Bend Benders in 10 innings.

It was a different story on Sunday as Kewaskum took the lead early and then held off the Oshkosh Merchants to score a 10-8 win in Rock River League play.

Poor defensive play helped put the Athletics in the hole against the Benders as they committed three errors and a costly wild pitch. After West Bend ran their lead to 6-2 the A's slowly fought back by scoring one run in the sixth, one in the seventh and two in the eighth to tie the score.

The ninth inning passed without either team scoring. In the bottom of the tenth inning, Kewaskum scored the game winner without a basehit. With two out, Ryan Hall walked and stole second. The Benders catcher made an errant throw trying to cut down the speedy Hall. By the time the West Bend fielders corralled the ball, Hall came all the way around to score.

Dane Dorn and Shawn Schneider shared the pitching duties and shut down West Bend on four hits. Dorn allowed all six runs due in large part to shaky defense. He gave up only three hits while walking four and striking out six in six innings. Schneider picked up the win as he came in and pitched four shutout innings. The Benders touched him for only one hit and one walk. He struck out two.

The Athletics pounded out 12 hits and stole seven bases in the win. Leading the way were Curt Schroeder, Ken Immel, Kevin Klahn and Jason Wiedmeyer. Schroeder rapped

out three hits and stole three bases. Immel blasted a home run among his two hits. Klahn and Wiedmeyer each added two hits.

On Sunday Kewaskum built a 6-2 lead after four innings and then scored just enough to keep Oshkosh at bay. Tim Gundrum and Doug Gonring socked home runs for the hometown boys. Gundrum picked up three hits and three RBI for the game while Gonring knocked in four runs. For the second straight game, Curt Schroeder collected three hits. Ryan Hall added two safeties.

Jason Wiedmeyer earned the mound victory with seven solid innings. Jeremiah Selzman pitched the eighth inning and Shawn Schneider tossed the ninth to pick up the save.

The weekend's action left Kewaskum's Rock River League record at 4-3. They are 3-2 in Tri-County Nite League play. Overall the A's are 10-6 for the season.

Kewaskum faces a full slate for this weekend. The A's make the long trip to Pardeeville on Friday night to take on the Braves in a Tri-County game starting at 7:30 p.m. Saturday finds the Athletics traveling to Mt. Calvary for a Southern Wisconsin Amateur Baseball Association tournament game. They take on host Mt. Calvary in a game beginning at noon.

The local boys are back home to close out the busy weekend on Sunday when they face the Horicon Honkers in a Rock River League contest at 1:30 p.m. at Kiwanis Park.

# Booster Club Donates

The Kewaskum Booster Club recently donated a weight machine to the Kewaskum High School weight training program. This weight machine is used by several different sports for conditioning and muscle building. The approximate cost of this machine was \$1,600. Pictured above left to right are, Cindy Cartwright, co-president of KHS Booster Club, Perry Koth, KHS varsity football coach and Donna Gajewski, co-president of KHS Booster Club.

# Sabish Places Fourth at Nationals

Steven Sabish

Steven Sabish of Kewaskum placed fourth at the Northern Plains Regional Tournament in Illinois held June 10-13.

Sabish qualified for this tournament by placing third at the state tournament in Wisconsin Rapids in April.

Wrestlers came from North

Dakota, South Dakota, Iowa, Minnesota, Nebraska, Illinois and Wisconsin.

Steven is the son of Steve and Luan Sabish also of Kewaskum. He will be a freshman at Kewaskum High School this coming year.

# Open Gym at High School

There will be supervised open gym at the Kewaskum High School Field House for basketball on Wednesday nights in June from 6-8 p.m.

In July the hours will be expanded to Tuesday and Thursdays from 6-8 p.m.

The weight room will also be available for use.

Players of all ages, sizes and shapes are welcome. Come on over and sweat off a few pounds - you'll feel great!

# Big Innings Spoil Indians Week

Travis Luedtke gets a hit during Friday's game against Chilton. The Indians fell to the Tigers by a 6-3 score.

The Chilton Tigers came to Kewaskum on Monday, June 15, and left town with a perfect 8-0 conference record. The Indians played well again, but fell to the Tigers by a 6-3 score.

Kewaskum scored first in the game when in the second inning Billy Cook singled with two outs. Adam Donath advanced Cook to third when he reached on an error. Cook scored when a pitch got past the Chilton catcher.

In the top of the third, Chilton scored one to tie the game. In the bottom of the third, Nathan Mueller started with a walk and proceeded to second on a Jason Strobel sac bunt. Then clean-up hitter, Andy Luedtke drilled a single to right field scoring Mueller, bringing the score to 2-1. Chilton scored two runs in the fifth to move ahead 3-2 after five innings.

Then came the disastrous sixth inning... again, as had happened the game before, when Campbellsport scored four in the sixth and beat Kewaskum, 4-2. The Tigers scored three in the sixth to put the game away as they moved their lead to 6-2.

The Indians gave it one last grasp in the bottom of the sixth as they loaded the bases with one out. But Chilton skipper, Scott Fritz, replaced starter Brad Hemauer with relief pitcher Josh Steffan, who proceeded to retire the Indians' next two hitters, one on a sac bunt which scored a run, and a strikeout to end the inning. Steffan shut down the Indians 1-2-3 in the bottom of the seventh.

Kewaskum's John Immel again pitched well, but had trouble in the one inning to cause his demise. He struck out four and walked only one. He gave up ten hits, five of which were in the Chilton big-scoring sixth. Billy Cook was the only Indian with multiple hits going 2x3. Jason Strobel, Andy Luedtke and Eric Wenninger added singles.

## ANOTHER "BAD INNING" GAME

On Tuesday, June 16, the Indians traveled to Kiel for a matchup with the Raiders. "We had that inning again," stated Coach Mark

First baseman Billy Cook led Kewaskum to their first score of the game when he singled with two outs.

Heise, reporting a 7-3 loss.

Kewaskum took the lead early by scoring in the first when lead-off hitter John Immel, doubled to start the game. Immel scored on an RBI single hit by catcher Andy Luedtke.

In the third Kiel scored one run to tie the game at 1-1. Fourth inning play saw the Indians score when Eric Wenninger led off with a double, and then scored on a single by Billy Cook.

Repeating in the fifth, Bobby Ogi led off with a double and scored on a Nathan Mueller single. That moved the lead to 3-1, Kewaskum.

Kewaskum pitcher Bobby Ogi had allowed only two hits through the first innings. "Then that inning came again! It just reared its ugly head one inning earlier," stated Heise. The Raiders sent the seventh, eighth and ninth spot hitters to the plate. Two hits, three walks and one Indian error allowed Kiel to collect a five-run inning. "The roof collapsed. This is one the boys let get away. We out-hit them, 8-4, but allowed them to put six runners on base without swinging the bat, five on walks and one hit batsman. Five of those runners scored," stated Heise. "That killed us."

Billy Cook was 2x3, John Immel was 2x4, and Bobby Ogi and Eric Wenninger both doubled. Nathan

Mueller and Andy Luedtke each added singles.

## NEW HOLSTEIN RAINED OUT

On Thursday, Kewaskum traveled to New Holstein on a wasted bus trip. With the Indians leading 2-0, and one out in the bottom of the first, the rains came. The game went into suspension and will be continued on Monday, July 6, at 5:30 back at New Holstein.

## EXCITING FRIDAY NIGHT BASEBALL

Sheboygan Falls and Kewaskum dueled again on Friday, June 19, but the Indians finally took the back seat finishing, 6-4.

Kewaskum pitcher Bobby Ogi struggled in the first as he allowed one run after hitting the lead-off batter and walking two. "He threw 23 pitches in the first and was in trouble from the start," stated Heise. In the second, Falls tallied three more on three hits.

The Indians' first run came in the third inning. John Immel singled and Jason Strobel doubled sending Immel to third. Andy Luedtke hit a sac fly to right, scoring Immel.

Ogi settled down to pitch well in the third and fourth allowing no runs and only throwing 22 pitches in both innings combined.

In the bottom of the

Pitcher John Immel pitched well during Friday's game but had trouble in one inning which led to his demise.

fourth, the young Indian rallied to tie the game at 4-4. Nathan Mueller led off the fourth with a double to left. Rhett Engelking reached first on an error. After an infield flyout Jason Calliari singled to score Mueller.

On the throw to the plate, Engelking and Calliari each advanced. An infield ground out by John Immel scored Engelking, moving Calliari to third. With two outs, Billy Cook singled to put Calliari across the plate. Cook moved to second on a wild pitch.

Falls Coach Roger Jones then turned to his ace, Jim Olafson to try to put out the fire. But Kewaskum's Adam Donath greeted Olafson with a line shot single to left. On the play Cook tried to score, but was called out at the plate.

"The umpire was out of position and couldn't see the catcher miss the tag. That would have allowed Billy to score. He missed him by at least a foot. That was a big call again that went against us. Pretty soon a call has to go our way," commented Coach Heise.

With the game tied at four, Sheboygan Falls scored two more in the top of the fifth when Heidenreiter walked to start the inning and scored on a Jim Olafson long home run over the fence in left. "I think Bobby was a little tired

after throwing so many pitches in the first two innings," stated Heise. After the home run, Heise replaced Ogi with John Immel, who retired the next three hitters to get out of the fifth. In the bottom of the fifth, the Indians had runners on second and third with only one out but were unable to score as Olafson struck out the next two he faced.

Immel held the Falcons in tack in the sixth and seventh, but the Kewaskum boys fell short on offense. So

the Indians dropped another close game.

Bobby Ogi pitched four innings, striking out two, walking three and allowing five hits. John Immel pitched three innings, striking out three, walking no one and allowing only one hit and no runs.

Senior Nathan Mueller finished the game at 3x3 with one double. John Immel, Billy Cook, Jason Strobel, Adam Donath, Eric Wenninger, and Jason Calliari all added singles.

This weekend will be one

of the highlights of the season for the young Indians. They will head to Minneapolis to play Random Lake on Saturday, June 27, at 8:30 a.m. in the Metrodome.

## EWSCA NEWS

(PLYMOUTH,) Danny Cain of Kewaskum earned the first 30 lap Winged Super Modified feature victory of his six year racing career during Eastern Wisconsin Stock Car action at Sheboygan County Fair Park Saturday night.

Cain, who started on the pole, assumed the lead of the race on the drop of the green flag and quickly proceeded to open up a full straightaway

cushion over third starter Ken Jay Fiedler of Sheboygan Falls on lap 5. Two laps later, Tim McMullen of Plymouth came up from the seventh starting spot to slip past Fiedler for the runner-up position.

McMullen began to slowly reel in Cain over the next 12 green flag laps as the leaders began to negotiate their way through heavy lapped traffic during the middle portion of the event. On lap 19, a red flag brought the event to a halt after Sheboygan's Brad Dahmer flipped his machine in turn three.

When the race resumed, McMullen worked the low groove to close to within inches of Cain's rear bumper on

lap 24. After four laps of tight nose to tail racing between Cain and McMullen, Greenfield's Craig Lager brought out the yellow flag on lap 28 when he spun in turn four. After the final restart, Cain stayed glued to the inside lane and held off McMullen over the final two circuits en route to his first ever EWSC Winged Super Modified main event triumph. With the victory, Cain became the seventh different driver to win a Winged Super Modified feature race through the first seven races of the year.

McMullen had to settle for second, sixth starter Steve Bricker of Two Rivers was third, Fiedler placed fourth and

fast qualifier Billy Kreutz of Kiel turned in an impressive driving display in the closing laps as he charged from the 12th starting slot to finish a strong fifth.

In other action, Kewaskum's Eddie Staehler won the 15 lap Winged Super Modified B semi-feature and Tony Wondra of Lomira was victorious in the 8 lap Winged Super Modified C semi-feature. Jeff Gierke of Kiel took the checkered flag in the 15 lap Limited Late Model semi-feature and Dan Holm of Waldo captured the 15 lap Super Stock semi-feature.
