L.N. Peterson, Regal Ware Co-Founder, Dies

L.N. "Pete" Peterson

KEWASKUM -- L.N. "Pete" Peterson, Regal Ware's Founder Chairman of the Board, passed away Saturday, July 18, at St. Joseph's Community Hospital in West Bend. He was 87.

Peterson was the last surviving principal member of Regal. In 1945, he was working with J.O. Reigle and Edna Oster at the Enterprise Aluminum Company in Ohio when the three ventured north to begin the Kewaskum Utensil Company, later renamed Regal Ware. Peterson was active in the company's affairs until shortly before his death.

"This is the end to an era for our company," said James D. Reigle, chairman of the board. "Pete has served as mentor, counselor, advisor and teacher to countless members of this organization. And, he did so with charm, good cheer, positive reinforcement and sternness when called for.

He will be greatly missed."

In addition to his career at Regal, Peterson served as director of Wisconsin Manufacturers and Commerce Association. He was also very active in the Kewaskum Kiwanis Club and Boy Scouts, including receiving the Silver Beaver Award and the Golden Eagle Award for his contributions.

His hobbies included sports hunting, bowling, golf and collecting electric trains. He was an avid Civil War buff, wine connoisseur and ham radio operator.

He is survived by his wife, Pat; his three sons, Lyn, Kim (Mary Ann) and Joel; and two grandchildren, Leighton and Lowell. He will be in state from 3 p.m. to 7:30 p.m. Thursday, July 23, at Peace United Church of Christ, Kewaskum. A funeral service will follow.

A private burial will be held at 11 a.m. Friday at the Peace United Church of

Beautification Awards to Be Selected Here

The Village of Kewaskum and the GFWC Kewaskum Woman's Club will be conducting the second annual village beautification selection and awards in the upcoming two weeks.

Three beautification plaque awards will be awarded to three village area homes in the following categories: 1) Creative Use of Landscape Materials; 2) Floral, Shrubbery and Tree Arrangement; and 3) Good Selection of Color and Lawn Ornaments.

Members of the GFWC Kewaskum Woman's Club will be judging area homes for these beautification awards in the next two weeks. The Village of Kewaskum board will present the three beautification award plaques at an August Village Board meeting.

Enjoy beautifying your home's front yards for this annual event.

Blood Drive in Campbellsport

The Bishop Salvator Schlaefter Knights of Columbus Council #11301 will be sponsoring the Semi-Annual Red Cross Blood Drive on Monday, July 27, at the Campbellsport Community Center, from 11:30 a.m. to 5:30 p.m.

For many Americans, summer is a time for rest, relaxation and recreation. For more than 40,000 people who need blood each day, summer is no picnic. Take a moment to consider this: every two seconds someone in this country needs blood. Every two seconds! Patients in need of blood can't take a summer vacation, and they are counting on Red Cross blood

donors to help save their lives.

The gift of blood can mean the difference between life and death. Please share your good health this summer and donate blood.

All types are needed and a special plea is being made for first time donors. Please mark your calendars for July 27, from 11:30 a.m. to 5:30 p.m. as your opportunity to give a little, so that someone else may live to *thank you*, a Red Cross Blood Donor.

See you there. For more information or questions, please call Carl Plaum at 533-5473.

The ability to speak several languages is an asset, but the ability to keep your mouth shut in one language is priceless.

Referendum Committee Members Needed

Citizens of the Kewaskum School district interested in serving on a referendum committee are encouraged to attend an informational and organizational meeting being held on Tuesday, July 28th at 6:30 p.m. in the high school band room.

The referendum committee, now in the formation stage, will serve the school district and aid in the success of the upcoming September school referendum by gathering information, including financial costs for building. These facts and figures will be presented to the public.

Parents, grandparents, PTO members, anyone who lives in the Kewaskum School district and is willing to dedicate some time to educating the public about the school building referendum should attend the July 28th meeting, or contact the district office at 626-8427.

Cemetery Maintenance Hot Item on Town of Wayne Agenda

By Andrew R. Kuehl
Staff Writer/Photographer

The Town of Wayne Town Board met Wednesday and discussed usual business and addressed the heated topic of the destruction that took place at the Wayne Skyline Cemetery in the township.

Town Chairman Leander Herriges called for public participation in agenda related items. A member of the audience asked why cemetery maintenance was on the agenda. Herriges said, "We started cleaning up the cemetery on Skyline (Drive) and we ran a little snag so we'll probably talk about it tonight."

Town resident Marilyn Filber inquired, "I would like to discuss the cemetery issue and what will happen with it."

Herriges repeated, "Well we started cleaning it up, and some people didn't like it."

Filber said, "I understand that cemetery was being cleaned up already, why did we go there? We had reports when we put the sesquicentennial committee work together that that was progressing at a fairly decent rate. Why was that picked up?"

Herriges said, "Well, if there was any cleaning up going, you couldn't see it! There were no signs of any brush being cut or anything."

Board member Don Kurer stated his son Cam started on the south end last February, and Jerry Stollenwerk and Ray Ruplinger were going to help Cam continue the project. He also said that work temporarily was at a standstill.

Filber asked, "What was exactly done that would justify a problem?"

Herriges further explained, "There were lilacs grown in there wild. I'd say 50% of the area was covered with plants. There was another probably 20% covered with thorn apples, another 20% with wild plums. There was only about 10% that was open! And to me a cemetery is a memorial park, and I think it should look like a park. I mean if we're going to clean these cemeteries up, and leave all these lilacs and everything grow the way they're growing. You can't clip it the way it was. This is all going to come back, you might as well not clean it."

Filber asked, "Were there any stones disturbed?"

Herriges answered, "There are three of them that are laying over now. But in five minutes we'll get a skidster or a tractor with a bucket on, in less than five minutes we'll get them up. There's nothing to setting these stones up!"

Filber again asked what the plans were to fix the problem.

Herriges stated, "I don't know at this point. We had a bunch of people come up there and they made a lot of hot air and told a lot of lies, which didn't make sense. I mean we got attorney fees already involved. We're probably going to end up appointing a few guys on the cemetery committee down the

line. But these people that came up and lied, in my opinion, I just as soon let this go and we go up and straighten the stones that are tipped over. There's a couple of holes in the grass (from holding the backhoe in place), straighten that out and with election coming up next spring, just leave it go for the next town board. Right now it's a very hot issue. I've had it! We went up there in good faith and all we did was get cut down! We were told there was a court order, we had to stop. This was the biggest lie."

Kurer corrected Herriges by saying that "Cam (Kurer) said he contacted the District Attorney and he could have gotten a court order to stop work, but he did not have one."

Ending that subject Herriges said, "Anytime you're going to pull (bushes out) your going to have roots sticking out, its going to take work to level this out."

Filber asked if maybe there was a lack of communication.

Herriges said "I called the town board. Don, I got the recording, three days in a row. I called Leonard (Peter)."

Kurer interrupted, "You got the recording but you never said anything, I called you the evening before after looking at the cemetery and suggested that you stop until we meet together the next morning."

Changing the subject, Herriges told Kurer that there were a number of trees that were destined to stay.

Kurer said he saw an awfully big pile of brush on the south end of the cemetery. He further explained to town residents that there was only a small triangle of plant life left on the north end.

Wayne resident, Ronald Norman Sr. added, "I was up there Thursday morning. You can see on some of the grave-stone's where the bucket hit them on both sides, knocked corners off of them. You got the markers that go around the

grave that are dug up and moved."

Kurer agreed with Norman. He also reminded the board and residents that the cemetery is a historical site. Kurer continued, "These cemeteries are real fragile, I think what has to be done in these little cemeteries is all hand work, and any stumps that would have been left, can be killed with chemicals, you don't have to go in there and rip them out with a front end loader."

Herriges defended himself saying "That stuff is going to come right back!" He also informed everyone of an ordinance that states because there is a veteran buried there, it is to be kept spotless and that the town can receive funds to keep it spotless. "The problem is, people come here and b_____ and they do not look in the ordinance book! Look in the ordinance book and then come and b_____!"

Norman told Herriges, he didn't think anyone was b_____ing about it being cleaned up, but about the method used in cleaning it up.

"We got 700-800 electors. It's always this handful from some corner that comes and nitpicks and it's getting mighty damn sickening!"

Filber humbly said, "We're not nitpicking."

Herriges shouted "That's just what you are!"

Filber explained that she was just interested in what was going on in the town.

The issue of the court order was brought up once more and Herriges was again corrected on the possibility of a court order. At that point Herriges threatened to quit. He told everyone that he took the job to do his best.

Trying his best to get the issue handled, Kurer stated, "That cemetery has been sitting there for 100 years and then all of a sudden somebody wants to come in there with a bulldozer... I can't see that."

Norman said he thought something had to be done

soon, "It can't lay there like that, the headstones laying down." He asked if there was a way to determine which headstone matched which grave site.

Herriges said "Every headstone is by every base. This was another big issue. You guys are full of a lot of hot air - you don't know the story!"

Filber said "We came here to get the story."

To Herriges, Kurer said, "I think you were out of order to go ahead on your own and have somebody go in there with a backhoe."

Filber asked if they could ask the people to whom the cemetery belongs to, to clean it up.

After more discussion, Herriges ended public participation.

Getting back to the agenda, the board was faced with their decision on the cemetery issue.

Kurer made a motion to form a committee. It was ignored. He then stated he agreed with Filber, that volunteers should be sought or the people to whom the cemeteries

belong to.

The board then acknowledged Kurer's motion. Kern advised it be done legally and they should seek advice of the town attorney. Kern stated he didn't know if it would be a committee or a commission. Herriges advised getting a middle man because of it being a conflict.

The board's decision was to seek legal advice and go from there.

The board also agreed to renew a fuel contract with Boehlke Bottled Gas.

An anti-nudity ordinance was addressed with more discussion to follow after meeting with the town attorney.

Also discussed was replacing a sign stolen from the Kohlsville Park. A motion was made by Kurer to erect a new sign. The motion was seconded by Peter.

Town of Wayne Cemetery Maintenance Halted

By Sharon Callaway Roznik

Disturbances at a Town of Wayne cemetery this month prompted one area resident to take action to preserve a part of history and halt maintenance that turned into the alleged damage.

Jerry Stollenwerk, who lives on Skyline Drive, next to the abandoned cemetery, called the Washington County Sheriff's Department on Thursday, July 9, to report what he termed "trespassing and desecration of cemetery plots," done by part-time Town of Wayne employees.

Work at the abandoned cemetery began on Tuesday, July 7, after Town Supervisor Leander Herriges directed workers to clear brush and clean up decades worth of growth that had accumulated on the neglected parcel of land.

According to State Statutes, preservation of abandoned cemeteries rests in the hands of townships, if the originators (usually churches) have not seen to their upkeep for several years.

Using a backhoe and front end loader, the two employees spent the afternoon of July 7 and the entire day on July 8, clearing the cemetery of tree limbs and overgrown brush that over the years had tangled around the ancient monuments, obscuring most from view.

Town board member Don Kurer stated that in the beginning of the year, the need for cemetery maintenance was discussed during a board meeting and volunteers came forward to clear the sites.

"My son Cameron started working there in February, cutting by hand to allow identification of 13 markers," he stated. (Cameron's interest in the historical value of the graves lead to a page in "Winding Through the Town of Wayne," a 150th Anniversary commemorative book.) Jerry Stollenwerk had also volunteered to help Kurer work on the project and was aware of the delicate nature of the work, given the age of the grave monuments, many of which were fashioned from sandstone.

Stollenwerk, who arrived home late on the evening of July 8, viewed the work that had taken place and called town officials to halt any further cleanup. "The ground was torn and heaved up in all directions, gravestones were overturned, some were broken, cement markers that border the graves were dug up and destroyed. There was total devastation," he related. Supervisor Herriges was notified by both Kurer and Stollenwerk regarding what happened at the cemetery that day. "I asked, suggested we put a stop to it," Kurer stated.

The morning of July 9, the two-man crew showed up at the cemetery, again with equipment, to continue where they left off. "At that point I called the sheriff's department. They were using my driveway to access the cemetery," Stollenwerk said. Others present that morning were both Don and Cameron Kurer, town clerk Orville Kern, Herriges and volunteer Ed Miske.

Although any further cleaning of the land was halted voluntarily, Stollenwerk said that along with filing a complaint at the sheriff's department, the district attorney has been contacted, as well as the Wisconsin Historical Society Department of Burial Preservation. "They plan on coming out to view the site," Stollenwerk commented. "There is a possibility someone could press charges."

Town Clerk Orville Kern said the board had appropriated \$8,500 to go towards the cleanup and maintenance of five cemeteries within the area, but nothing has been done since the second week of July, when everything came to a halt. "I think it's being blown way out of proportion," Kern said. "We have maps of where the graves are. We've done this before in St. Kilian, and the markers were put back up," he stated.

Kurer disagrees, "There is no blueprint. It's going to be a real job getting the stones back in place."

According to "Winding Through the Town of Wayne," the Town of Wayne Skyline Cemetery was a part of the Town of Wayne Mission Church. It was a German Evangelical Church serving the needs of the settlers in the northwestern part of the township and some feel it may have been a mission church of the Evangelical Church at Lomira (now Trinity Methodist Church in Lomira). Cam Kurer had begun the task of caring for the cemetery which had been in total neglect. As of February 11, 1998, a total of 11 large stones standing approximately two to four feet were observable. Some stones mark multiple burials.

The first row of stones, running south to north: 1) Leonhardt Muentener (died 1902 at the age of 23); 2) Casper Muentener, a Civil War veteran, (died in 1907 at the age of 73, and Elisabeth Muentener (died in 1901 at the age of 59); 3) Fredrick Hoehne (died in 1894 at the age of 80); 4) Marie E. Muhleis (died in 1886 at the age of 69), and Wilhelm Muhleis (died in 1895 at the age of 76); 5) Amanda C. Kinder Von (F&H Luedtke) (died in 1884 at the age of 2), and Ida C. Kinder Von (died in 1888 at the age of 3) and Alma A.M. (died in 1881 at the age of 2); 6) Daniel Klein (who died in 1884 at

the age of 19); 7) Johann Kietzer (who died in 1891 at the age of 74); 8) Katharina Kietzer (who died in 1897 at the age of 79).

Back row stones include 1) Johanna Spoerl (who died in 1901 at the age of 76); 2) August Erdmann, and 3) Christian Maske

(who died in 1889 at the age of 70), and Wilhelmina Maske (who died in 1898 at the age of 74).

Romenesko to Coordinate New UWM/UW Colleges Program

MILWAUKEE -- The College of Letters and Science at the University of Wisconsin-Milwaukee has appointed Kim Romenesko as coordinator of the Bachelor of Arts in Organizational Administration, a cooperative program with UW-Washington County and UW-Sheboygan.

"Kim will be responsible for recruitment, advising, and assisting the students with any interface problems dealing with registration, admission and the like," said Thomas Obryan, associate dean of the College of Letters and Science at UWM.

The program, a unique

collaboration among UWM, UWS and UWWC, allows students to earn a UW bachelor's degree at what have traditionally been two-year college campuses. When taken with an optional minor in business, the program also satisfies the requirements for admission to the Master of Business Administration program at UWM.

For information on the program, call UW-Sheboygan at (920) 459-6643 or UW-Washington County at (414) 335-5201.

Troester Graduates Summa Cum Laude

On May 16th, Tammy (Stahler) Troester graduated Summa Cum Laude with a Doctor of Pharmacy degree from the Medical College of Virginia of Virginia Commonwealth University, Richmond, Virginia. The MCV-VCU School of Pharmacy graduating class was comprised of 45 Pharm. D. students during its 100th commencement ceremony.

Currently, Dr. Troester is a licensed pharmacist in Iowa and is pursuing a pharmacy practice residency at the University of Iowa Hospitals and clinics in Iowa City, IA.

Tammy is the daughter of Raymond and Marianne Staehler of rural Kewaskum. She graduated in 1991 from St. Mary's Springs High School in Fond du Lac, and completed her pre-pharmacy curriculum at the University of Wisconsin-Madison.

Cody Receives Masters Degree

LA CROSSE, -- A record 250 teachers will receive Master of Arts in Education degrees at the Viterbo College Graduate commencement ceremony set for 7:30 p.m. on Friday, July 10, in the Viterbo College Fine Arts Center Main Theatre.

La Crosse School District Superintendent Richard A. Swantz, who received an honorary Doctor of Humane Letters degree at Viterbo's under graduate ceremony in May, will deliver the commencement address.

Just eight years ago, Viterbo awarded its first master's degrees -- 41 in all. That number has continued to rise each year, with 248 graduates receiving master's degrees last July.

In addition to the on campus offerings, Viterbo offers classes throughout the year in dozens of sites in Wisconsin and Iowa. Last year, offices were opened in Milwaukee and in Des Moines, Iowa.

Sandra (Klein) Cody of Kewaskum received a Master of Arts degree in Education. She is the daughter of Don & Eileen Klein of Kewaskum.

Cody is a 1985 graduate of Kewaskum High School, and a 1989 graduate of UW-Stevens Point, with a BS in elementary education. She graduated with a 4.0.

Sandra has been teaching in the Green Bay area for the past seven years, currently holding a fifth grade teaching position. She and her husband Thom have two children, Ethan and Hannah.

Nothing is ever lost. It's just where it doesn't belong.

Graduates from Cardinal Stritch

Jill Etta-Butz of West Bend, graduated from Cardinal Stritch University, Milwaukee, with a Master of Science degree in Management.

Cardinal Stritch University, 6801 North Yates Road, Milwaukee, conferred degrees to graduates at the associate, bachelor and master degree levels at Spring Commencement exercises at the Wisconsin Center in downtown Milwaukee.

Cardinal Stritch University is a comprehensive, Franciscan, Catholic university rooted in the liberal arts, providing graduate and undergraduate education to a diverse population of men and women of all ages. This summer, the University will inaugurate its first doctoral degree, a Doctorate in Leadership for the Advancement of Learning and Service. Cardinal Stritch University is both the largest and the only doctoral-granting Franciscan-sponsored institution of higher learning in North America.

"A Clear Picture"

Today, doctors can look inside the human body for signs of disease — without major incisions. Using computer chips and video screens, techniques such as endoscopy and laparoscopy give doctors a clear picture of body organs. Many diseases that once required surgery are now done on an outpatient basis, so patients can go home the same day and more quickly resume their normal activities. Specialized training and a commitment to appropriate technology mean a higher level of quality medical services. They help to make St. Joseph's the preferred community choice for patient-friendly diagnosis and treatment.

At St. Joseph's Community Hospital of West Bend, value, quality, personal touch and advanced TECHNOLOGY mean better health for our community.

THANK YOU!

The Village of Kewaskum and all of its residents would like to thank the area citizens listed below, who graciously contributed toward this year's fireworks held on July 3, one of the best our community has ever seen. Thank you also to all who attended and to all volunteered to give up part of their holiday weekend to set up and set off the fantastic sky show!

Thanks to their generosity, monies budgeted by the village, and donations made in the red cannisters, the annual holiday "explosion" was once again a sight to behold. All who donated, whether it was pennies in the fireworks cannisters (still available to take donations) or hundreds of dollars, can be extremely proud of Kewaskum's "Big Boom" this year.

As witnessed by the hundreds and hundreds of visitors to our community, we have gained the reputation of having the finest fireworks in this area. All who attended were impressed with the exciting holiday show we put on. Pat yourself on the back Kewaskum... we have done ourselves proud!

And now we begin the process of collecting money for next year. Our goal for next year? More... bigger... better, if possible. If you enjoyed this year's show of fire and light, please be generous. Make a contribution... don't sit back and depend on someone else to do it. Those red fireworks cannisters will be around the Kewaskum area businesses all year, so if you have a few pennies, nickels, quarters or even dollars to spare, please share them and drop them into the fireworks cannisters. The child in all of us love the fireworks... If everyone gives a little... we ALL benefit alot! Many, many thanks to:

As you can see, donations dropped considerably from last year... even more reason to thank those who made the effort to contribute and to plan on making YOUR contribution now to help underwrite the cost of the 1999 fireworks extravaganza!

All donations may be dropped off at the Village Hall or the Kewaskum Statesman. If you would like to mail in a contribution, please send to FIREWORKS, P.O. Box 98, Kewaskum, WI 53040.

Safechild Photo ID Program Returns to County Fair

More than one million infants, toddlers, young children and adolescents are reported missing in the United States each year. In its effort to help protect the children of Washington County, the law firm of Vanden Heuvel & Dineen, S.C., will again sponsor the Safechild Photo ID Program at the Washington County Junior Fair this weekend.

Says Attorney Linda Vanden Heuvel, from her Germantown office, "We are pleased to provide this service to help parents safeguard the wellbeing of our children. The attorneys and staff in our offices have children and we are very committed to protecting these special people."

This free service is aimed to raise child safety awareness while providing parents an effective tool to assist law enforcement authorities in search of a missing or exploited child. The "driver license" like laminated ID cards, suitable for tucking into a parent's wallet or keeping in a safe place at home, will be produced on site at the Vanden Heuvel booth at the fair. The ID card will include your child's photo (taken on site); name, birth date, height, weight, sex, eye and hair color, parent/guardian name and address, fingerprint, and issue date.

"Appearances change constantly at these ages," according to Attorney Daniel Dineen, from the Slinger office, "and that makes it important to have Photo ID cards updated annually. I carry my sons' cards with me and will definitely have them updated this year at the Safechild Photo ID booth."

For additional information on the Safechild Photo ID program being sponsored by Vanden Heuvel & Dineen, S.C., please contact Attorney Linda S. Vanden Heuvel at 250-1976 (Germantown office) or Attorney Daniel R. Dineen at 644-7808 (Slinger office).

Letters to the Editor

To: Residents of the Kewaskum School District
Issue: Authorization from District Voters at the Annual Meeting on July 27 To Sell the Beechwood Elementary School

First let me explain, that at the meeting, all of you have a vote equal to any board member. This meeting is usually attended by about 35 people. I anticipate a much greater attendance this year. This is a meeting that moves along very quickly and lasts about an hour with a few exceptions.

I believe the school should not be sold and that the time has come for the school to be put back into use as a school.

I have asked myself many times; Am I wrong? This question begs the next question. What is the main function of a board member? This answer is much easier and I would like you to keep it in mind -- to provide for the best education possible for our children while using our taxpayer's money in the smartest way possible. There! Now that wasn't so hard, was it?

So, am I wrong when it comes to the opening of the school? Let's see. We have had two committees formed to help us study this issue. Both were made up of people who were to look at the whole issue of the district's long term facilities needs. Both said that we should open the school. We have had two administrations in this same period of time that have both recommended to open the school. We surveyed the public (5000 surveys mailed and about a thousand returned - thank you!) and the message was clear. Approximately 60% said yes, 20% no and 20% had no opinion. What is even more amazing is that the support was throughout the whole district and was also supported whether the respondents had children or not! Over all, you can say that these groups did not have any personal agenda. So, am I wrong? Now you ask yourself -- Why has the board gone the other way?

Since the board has discussed various aspects of the impact of opening the school, let me point out to you some of the talking points: To rehab the building is comparable to Wayne Elementary. Every dollar spent in the rehab would reduce the cost of the expansion at Farmington School. Bus rides would drop from an hour down to 45 minutes along with a reduced overall cost. Better service would be provided to this area of the district -- more equitable. Overall,

class sizes would be reduced. Parental involvement increases in smaller school settings and when they are closer to home (Achievement is a typical direct result).

The school population for Beechwood would be about 124. Farmington would be reduced to about 177. This would allow Farmington to accommodate the expected growth. Instead of adding on to Farmington it would now only need to be remodeled.

The board, of course, also discussed the financial impact. There are two aspects to consider. One is the cost to rehab the building as mentioned earlier. The other cost is for the function or administrative costs associated with the operation of a school. These were estimated on the high side to be about \$120,000 per year.

What this translates into for taxpayers is: if you own a house assessed at \$100,000 your yearly increase in taxes would be \$1.91. In other words, it is less than the cost of one pack of cigarettes, a bottle of beer at the bar or a gallon of milk -- per year! Not a bad value for an improvement in the education we would get.

But there is more. Since by law all parents have "Open Enrollment" available to them, (you can place your children in a school in another school district and the money follows along) there is the possibility that many parents might want to send their children to a school closer to them. For each child that would attend elsewhere, the district (you the taxpayer) pays \$4,200.

On the other hand, with the school open, we have the possibility of attracting other students and would be on the receiving end of \$4,200 per student. I would prefer to attract the students rather than ostracize them.

To make matters even more interesting, I have suggested and have shared some of my ideas with administration (most board members didn't even ask me about them) regarding having Beechwood become a "Charter School." Between state and federal funding we would receive about \$60,000 per year towards the costs of operating the school. These grant moneys are on the rise and should be available for some time.

This would reduce that \$1.91 by half! In other words we could again increase the quality of education but now it would only cost about 95 cents instead of that whopping \$1.91.

There is more to it than I have space for. But, you have to ask yourself some more questions. Why would the board ask your permission to sell the school when they haven't passed a referendum yet? (A referendum, plan for our facilities, that I am not in support of). Why should we sell a building for peanuts when as a school it is worth about 1.5 million to the district?

Why wouldn't the board vote to let you, the taxpayers, decide whether or not to open the school? (I believe the main reason came down to a fear you would support it -- democracy in action?) Why does the board ignore the committee recommendations? Why did they ignore the first committee and administration recommendations? (In fact: we never discussed the rec'ds except to go to you for the purchase of land without even telling you what we would put on it or when -- you shot that down 2:1)

Who is politicizing this issue? Are personalities and feelings getting in the way of some board members ability to make objective decisions???

No matter where you live in the district, it is in your best interest to have our educational system improved and reasonable costs considered. Selling the school for peanuts is not in our best interest. Thank you for reading.

Sincerely,
John C. Schulte

P.S. I can and will, if needed, defend everything I have said in this letter.

Dear Editor:

As a taxpayer in the Township of Kewaskum I am very pleased with the upcoming referendum to update the schools. I realize that this is so desperately needed.

However, as a resident I am very embarrassed and angry regarding the article that appeared in this morning's edition of *The Milwaukee Journal Sentinel*, dated July 16, 1998. Allow-

ing board member Mary Andera to dissect, criticize, and select alternative social studies textbooks based on little or no, knowledge of national curriculum standards is allowing one individual way too much power.

Hats off to George Allmann and the high school social studies teachers who have selected a textbook that they are comfortable teaching with and, most importantly, that they believe would meet the needs of their students. As a taxpayer I do not wish to support the appropriation of funds for textbooks that have not been selected by qualified individuals.

Sincerely,
Sandy Stern

EARTH

I am ruined by pollution,
Spit on by pedestrians,
Burned by arson,
And used as a waste site.

I am continuously poisoned
And bulldozed by machinery,
I get blown up in nuclear war
And used for my resources.

I am constantly taken
advantage of by everyone who
steps foot on me.

KMS Students Write Home Town Poems

To wrap up the 1997/98 school year, in their English class, eighth graders at Kewaskum Middle School studied a unit on Wisconsin writers. At the beginning of the unit, the students read a poem called "Walking Milwaukee" by Harold Witt. In response, the students worked at various times through out the unit, writing their own poems about taking a walk in their home towns. The following are some of the poems written by the eighth graders.

"The Streets of Kewaskum"
by Kelli Jo Will

If you want to see the houses and shops of Kewaskum, First start at my house on Forest Avenue
When you start out, there will be many different sized houses
That live all the way down the street.
There will also be huge trees that sway in the wind.
Keep going straight until you get to the intersection.
There you will see an eight sided stop sign that stops traffic.
To your left will be a brown furniture store that waits comfortably.
To your right will be the corner antique store that sits quietly.
Going past will be different kinds of cars that race down the road.
Take a right.
Go on the long road that keeps going on and on.
You will pass the red, yellow, and green stop and go lights that change colors anxiously.
If you keep going, you will pass a yellow gas station that pumps gas.
Stop at the corner, look both ways, and then cross the street.
There you will see a brick bank that gives money.
Going along will be more houses.
Cross the short bridge hovering the Milwaukee River.
There you will see Eckl's restaurant which cooks food.
You can stop here and stop in for a bite to eat.

Mueller Notches Second Win At Slinger Super Speedway

Brad Mueller of Random Lake claimed the 60 lap late model feature as Clark presented Round Two of the Surge Triple Crown Series Sunday night, July 19, at the Slinger Super Speedway.

Mueller pulled to a three car length victory over Cindy Peterson of Butler, as the tandem were the only two drivers to lead in the 60 lap main event for the late models.

Mueller made the winning pass working the 43rd circuit as he patiently rode behind Peterson, who started outside of the front row, for the middle third of the contest. Mueller moved around polesitter, David Prunty of Lomira, and into the runnerup spot on lap 22 and would follow Peterson until making the pass 21 laps later. Mueller slowly pulled away from Peterson until the third of three cautions flew on lap 45, allowing the field to bunch back up.

Mueller, who started third, Peterson and Prunty would edge away from the battle for the fourth spot between Lowell Bennett of Neenah and Tony Strupp of West Bend. The battle for the top three positions were not challenged the rest of the way and the best race on the track involved the last two winners of the Miller Lite Nationals.

Bennett and Strupp, who just earned the 19th Annual Miller Lite Nationals title this past Tuesday night, dueled over the last third of the race, much of it door to door. Bennett, the 1997 Nationals winner, would eventually claim the spot as Strupp would have to settle for fifth as the two crossed the finish line with less than a car length separating them.

Peterson would claim an additional \$150 for the Mac Tools Half-Way Challenge as she was leading the feature on lap 30. The win by Mueller helped him jump over Strupp and into the third position in the late model season point standings.

Bennett has the top spot followed by defending track champion Conrad Morgan of Wales, Mueller, Strupp and Rich Loch of Muskego in the top five.

Jamie Wallace of Pell Lake took the checkered in the 30 lap late model semi feature to earn one of the two transfer spots into the feature event. The second transfer position went to John Mueller of Hubertus after a heated battle with Fran Prestay of Twin Lakes, who finished third.

John Mueller looked under Prestay working lap 24 and stayed side-by-side until the third and final caution on lap 28 put the field nose to tail. Prestay would never get close

enough to challenge for the spot when time ran out. Rounding out the top five was Mike Strupp of Theresa in fourth and Charlie Thon Jr. of Milwaukee in fifth.

In other late model action, Burton Brown of Neenah won the consi race, John Zimmerman of Markesan won the Bumper to Bumper Trophy Dash and Eric Fransen of Franklin set fast time with a lap of 11.729 seconds.

Prestay, also driving in the Midwest Modified Division, would win his eighth feature of the season in that division. Prestay moved into the top five on lap nine and caught race leader John Kruschel of Butler on lap 18, as the two worked their way to 1/4 lap lead on the rest of the field.

Prestay would move outside Kruschel working lap 24 and would complete the pass just one lap later. Kruschel would finish in third after being passed by Florian Wisinski of Greenfield on the final lap.

Wisinski worked hard for his runnerup finish as he made contact with a car early in the race as he was running in the sixth spot. The incident dropped him back in the field and allowed the eventual winner to get by him.

Showing determination, Wisinski again started his march to the front but would run out of time after gaining the second spot.

Rounding out the top five were Jeff Holmgren Jr. of East Troy and Dennis Prunty of Allenton. Holmgren would later be disqualified. Brian Holtz of Franklin won the eight-lap Eldorado Trailer Sales Midwest Modified Trophy Dash and Wisinski was fast qualifier with a lap of 12.406 seconds.

Paul Wagner of West Bend would come from his sixth place starting position to win the 18-lap Slinger Stinger feature. Wagner moved into second behind early race leader Bill Shavlik of West Bend on lap nine and made his move on the inside of Shavlik working lap 13 for the lead.

Following Wagner and Shavlik across the line were Roger Schmid of Oconomowoc, Mike Pascavis of Sheboygan, who made the pass for fourth on the final lap and John Wandrey of Allenton.

Fast time went to Peter Wiedmeyer of West Bend, who turned a lap of 13.610 seconds. Scott Ascher of Sussex and Wagner each won their respective eight-lap heat races.

Chris Price won his first Figure Eight feature of the '98 season. The 10 lap contest saw two major crashes involving the leaders at the time. Price was the beneficiary as he survived the mayhem and finished ahead

of the 10 car field.

In other racing action, Dan and Mark Jung won the Team Cruiser division. Jeff Hoff took the checkered in the Speedway Guest Cars and Donny Rector of Sussex won the spectator race driving his '91 Corvette to victory.

Village Board Meeting Minutes

Regular Meeting
June 15, 1998
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. Trustee Warren Dums and Trustee Andy Pesch asked to be excused and were absent. All other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Harry Roecker, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the minutes of the June 1, 1998 meeting were approved as printed.

Mr. Curt Bolten from Ruckert and Mielke was present to review the bids received on the Roseland Drive Trunk Sewer, Main Street Relief and Storm Sewer and publicly opened on June 11, 1998 as follows:

Mueller Excavating, Inc. - \$689,858.00
Mainline Sewer and Water, Inc - \$729,223.00
Super Excavators, Inc. - \$778,951.35
Globe Contractors, Inc. - \$822,053.90

It was noted there were some alternates to be included bringing the low bid up to \$700,208.00. The entire project cost is estimated at \$800,000.00 for there is staking cost, engineering cost, Railroad permitting cost, inspection cost and flagman cost, as well as other contingencies. The recommendation is to award the contract to Mueller Excavating, Inc., the low bidder.

Assistant Fire Chief Mark Herriges presented the May 1998 monthly report:

Fire calls 6, Year to date 10; Jaws 4, Year to date 18; Rescue calls 19, Miles 420.

Police Chief Richard Knoebel presented the May 1998 monthly report:

Criminal arrests - 47, Criminal investigations - 56; Traffic warnings - 136, Traffic citations - 38; Adult arrests - 32, Juvenile arrests - 23; Property stolen - 0, Property recovered - \$175; Parking warnings - 17, Parking tags - 27.

Chief of Police reviewed information with the Board as to the eligibility list established by the Police and Fire Commission the fall of 1995. It was noted the list is dated and needs to be updated. On a motion by Trustee Gary Gavin, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board directed the Police Chief to work with the Police and Fire Commission to complete the process of establishing a new eligibility list.

Director of Public Works, Jerry Gilles was excused and absent, but the Board was advised that the storm of Friday, June 12,

1998 took a tree down adjacent to the large shelter at River Hill Park and damaged about 25% of the roof. Efforts are being made to have the damage corrected before the fireworks celebration.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee John Kenworthy and unanimously carried by voice vote, the Board approved the issuance of Operators Licenses for 98/99 (renewals & new) upon proper payment of fees and documentation for the following:

Note: The Police Department had no objections to any of the applications.

Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Review of League and Taxpayer bulletins.

2) Review of the budget control sheet for period ending May 31, 1998.

3) Review of EDAC meeting of June 8, 1998 and announcement of EDAC meeting scheduled for Monday, July 20, 1998 at 4:00 p.m..

4) Review building permit report for month of May, 1998.

5) Review of water and sewer rate comparisons for a variety of area utilities. It was noted the Kewaskum sewer utility is 6th from the bottom on a list of 36 utilities; also, that the Kewaskum water utility is 10th from the bottom on a list of 33 utilities.

6) Review of correspondence. Chairman of the Park and Recreation Committee, John Kenworthy reported that a substantial amount of damage was done to the flags and flag holders during the last several storms. The Board was asked, if in the revamping of the flag brackets, it would be agreeable to replace the three holders with two on each pole. The consensus of the Board was unanimous for the placement of two flag holders.

Action was taken on Resolution No. 98-19 a Resolution to Borrow Funds to Finance the Main Street Relief Sewer and Storm Sewer Projects and the Roseland Drive Trunk Sewer Project as attached hereto. It should be noted the loan amount is for \$750,000 at a rate of 4.85% from St. Francis and M&I Banks. The Village President and Administrator were authorized to sign all appropriate documentation for the borrowing.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Gary Gavin and carried by the majority roll call vote, the Board authorized awarding the contract for the Main Street Relief Sewer and Storm Sewer Projects, and the Roseland Drive Trunk Sewer Project to the low bidder, Mueller Excavating, Inc., Campbellsport, WI at a cost of \$700,208.00. Roll call vote was 5 "Aye" 0 "Nay" 2 "Absent."

Action was taken on Resolution No. 98-18, a Resolution Opposing Recommendations of the Administrative Committee Regarding Transfer of Positions for the Washington County Sheriff's De-

partment as attached hereto:

On a motion by Trustee Harry Roecker, seconded by Trustee Gary Gavin and unanimously carried by voice vote, the Board approved the Park & Facility Fee Exemption Policy.

Police Chief Richard Knoebel informed the Board that St. Francis Bank was providing Packer cards again for distribution by the police department.

Trustee Robert Stoltzmann brought up for brief discussion the tree planting program. It was noted the Board will have to follow the program and see how things materialize.

Motion by Trustee Robert Stoltzmann, seconded by Trustee Harry Roecker and carried by the majority roll call vote, to adjourn. Roll call vote was 5 "Aye" 0 "Nay" 2 "Absent."

PRAYER TO THE VIRGIN MARY

Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven, Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (Make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). (This prayer has never been known to fail. Say this prayer for three consecutive days, and then you must publish it and it will be granted to you). Grateful thanks.

C.H.

NOVENA TO ST. JUDE

O Holy St. Jude, Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who involve your special patronage in time of need. To you I have recourse from the depth of my heart and humbly beg of whom God has given such great power to come to my assistance.

Help me in my present urgent petition, in return, I promise to make your name known and cause you to be invoked. Say three Our Fathers, three Hail Marys and three Glorias. St. Jude pray for us, and all who invoke your aid. Amen

This Novena must be said for 9 consecutive days, and publication must be promised.

R.S. & M.S.

ST. JUDE NOVENA

May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever, Sacred Heart of Jesus, pray for us; St. Jude, Worker of miracles, pray for us; St. Jude, Help of the hopeless, pray for us. (Say this prayer 9 times a day, by the 9th day your prayers will be answered. It has never been known to fail., (Publication must be promised). Thank you St. Jude.

Thiemerdome Pictorial Highlights

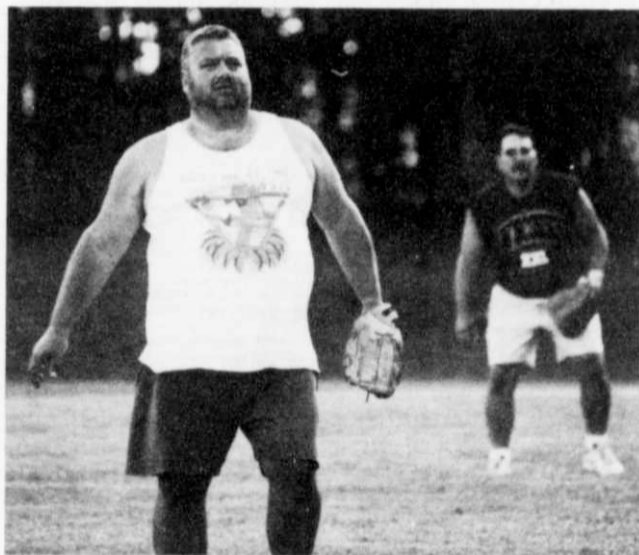

Just another example of the style and grace of the Thiemerdome players. Here, #00 Steve Stern, of Commercial Plumbing, throws the ball (that's the tiny little orange blob at the top left of the photo). Thiemerdome magnate Richard Thiemer painted the balls orange so the players with the bifocals could see them at dusk. Puh-lease!) As Steve throws for homeplate, which looks like it just may have been a tad short, you can see how the ballet lessons during the off season have paid off. He maybe didn't get the ball all the way to the plate, but he sure looked good doing it, didn't he? The Thiemerdome article had to be put on hold for this week due to latebreaking (REAL) news. Our printer frowns if we come three hours late and that's about how long it takes to decipher Richard's handwriting.

YEE--ESSS! Bob Bonenfant, right, can't actually believe he made it all the way around the bases as he crosses homeplate. In spite of Bob's heroics, Thiemer's lost to (then undefeated) Kuehl's Suds and Spirits. 1998 Wannabe Rookie of the Year, Kuehl's catcher Zach Stoffel, searches the outfield wondering if someone is EVER going to throw the ball back in.

Umpire Dane Dorn of Kewaskum, left, focuses his vision to call the next pitch, as Gene Wolf (someone help me out here...) of the Hitching Post (I hope), prepares to send the ball into Never, Never Land. Actually Dane is probably the only one young enough to see the ball well enough to call balls and strikes, even though the players seem to think they know better.

WHADDYA MEAN, BALL??? Ace pitcher for Kuehl's Suds and Spirits Alan "Moochie" Kuehl looks like he doesn't quite believe the umpire, as Scott Thelen prepares to catch the elusive orange ball "just in case" the Thiemer team actually gets a hit.

Bicycles Must Be Licensed

The Kewaskum Police Department would like to take this time to remind everyone about bicycle licensing laws and bicycle safety.

Village of Kewaskum ordinances require that all bicycles operated on the streets of Kewaskum have a current license affixed to them. The cost of these licenses, which are non-expiring, is \$5.00. They can be obtained at the Municipal Building between the hours of 8:00 a.m. and 4:00 p.m.

The license not only aids us in finding violators but also is the way we identify the rightful owner if the bike is lost or stolen. Any bicycle not licensed is subject to confiscation, redeemable only by the purchase of a license.

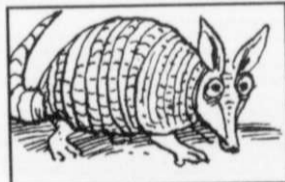

Also, Wis. §346.03(9), "Rules of the Road," states: "Subject to the special provisions applicable to bicycles, every person riding a bicycle upon a roadway is granted all these rights and is subject to all the duties which this chapter grants or applies to the operator of a vehicle..."

In short, this means that all laws pertaining to motor vehicles apply to bicycles, including, but not limited to: Riding on the right side of the road, abiding by all traffic signs and signals, riding single file, etc. NOTE: in the event a child needs to ride on the side walk due to safety reasons, they should be aware that pedestrians have the right of way and ride only in single file.

A few safety tips for everyone operating a bicycle: Keep your bike in good working order, wear a helmet, wear bright colored clothing to make it easier for motorists to spot you, put a safety flag on your bike, ride single file, be aware of the area you are riding in and be ready to take evasive action if an obstacle appears. Make sure the bike is the right size for the person riding it.

If we all follow these rules and safety tips we should have a safe bicycle season.

RESOLUTION NO. A98-19

EXHIBIT A
RESOLUTION

(Adopted at an Open Meeting held June 15, 1998)

WHEREAS, the Village of Kewaskum, Washington County, Wisconsin (sometimes hereinafter called the "Village"), is presently in need of the sum of Seven Hundred Fifty Thousand Dollars and Zero Cents (\$750,000.00) for public purposes including paying part of the costs of the Main Street storm sewer project and the Roseland Drive trunk sewer and Main Street relief sewer projects; and;

WHEREAS, the Village Board deems it necessary and in the best interest of the Village that the monies needed for such purposes be borrowed by issuing general obligation promissory notes pursuant to the provisions of Section 67.12(12), Wis. Stats., upon the terms and conditions hereinafter provided;

NOW, THEREFORE, BE IT RESOLVED, by the Village Board of the Village of Kewaskum, Washington and Fond du Lac Counties, Wisconsin, that:

Section 1. Sale of Notes. The Village shall sell and deliver its \$750,000.00 General Obligation Promissory Notes (the "Notes"), issued for purposes above stated, to M&I Marshall & Ilsley Bank and St. Francis Bank for the purchase price of \$750,000.00.

Section 2. The Notes. The President and Village Clerk shall make, execute and deliver the Notes to said purchasers, for and on behalf of the Village. The Notes shall be negotiable, to both principal and interest, in the denomination of Five Thousand Dollars (\$5,000.00) each, or whole multiples thereof, numbered from R-1 upward and dated August 1, 1998. The notes shall mature on August 1 of each of the years and shall bear interest at the rates per annum as follows:

Year	Amount	Interest Rate
1999	\$75,000	4.60%
2000	\$75,000	4.60%
2001	\$75,000	4.65%
2002	\$75,000	4.70%
2003	\$75,000	4.75%
2004	\$75,000	4.80%
2005	\$75,000	4.85%
2006	\$75,000	4.90%
2007	\$75,000	4.95%
2008	\$75,000	5.00%

Said interest shall be payable on February 1 and August 1 of each year, commencing February 1, 1999.

The Notes shall not be subject to call and payment prior to maturity.

Section 3. Forms of Notes. The Notes shall be in substantially the form set forth on Exhibit A.

Section 4. Tax Provisions.

(A) Direct, Annual Irrevocable Tax. For the purpose of paying the principal of and interest on each of said Notes as the same respectively falls due, the full faith, credit and taxing powers of the Village are hereby irrevocably pledged and there be and there hereby is levied on all of the taxable property in the Village a direct, annual irrevocable tax in an amount and at the times sufficient of said purpose, such tax to before the following years and in the following minimum amounts:

For the year 1998	\$110,850.00
For the year 1999	107,400.00
For the year 2000	103,950.00
For the year 2001	100,462.50
For the year 2002	96,937.50
For the year 2003	93,375.00
For the year 2004	89,775.00
For the year 2005	86,137.50
For the year 2006	82,462.50
For the year 2007	78,750.00

(B) Tax Collection. The Village shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Notes, said tax shall be, from year to year, carried into the tax rolls of the Village and collected as other taxes are collected, provided that the amount of tax carried into said tax rolls may be reduced in any year by the amount of any surplus money in the Debt Service Account created in Section 5 (A) hereof.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Notes when due, the requisite amounts shall be paid from other funds of the Village then available, which sums shall be replaced upon collection of the taxes herein levied.

Section 5. Debt Service Fund and Account

(A) Creation and Deposits. There be and there hereby is established in the treasury of the Village, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Sinking funds established for obligations previously issued by the Village may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there be and there hereby is established a separate and distinct account designated as the "Debt Service Account for \$750,000 'General Obligation Promissory Notes' dated August 1, 1998" (the "Debt Service Account") and such account shall be maintained until the indebtedness evidenced by the Notes is fully paid or otherwise extinguished. The Village Treasurer shall deposit in such Debt Service Account; (i) all accrued interest received by the Village at the time of delivery of and payment for the Notes; (ii) the taxes herein levied for the specific purpose of meeting principal of and interest on the Notes when due, (iii) such other sums as may be necessary at any time to pay principal of and interest on the notes when due, (iv) any premium which may be received by the village above the par value of the Notes and accrued interest thereon; (v) surplus monies in the Borrowed Money fund as specified in Section 6 hereof; and (vi) such further deposits as may be required by Sec. 67.11, Wis. Stats.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Account and appropriated for any purpose other than the payment of principle of and interest on the Notes until all such principle and interest has been paid in full and canceled; provided (i) the funds to provide for each payment of principle of and interest on the Notes prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principle and interest payments on the Notes may be used to reduce the next succeeding tax levy, or may, at the option of the Village, be invested by purchasing the Notes as permitted by and subject to Section 67.11(2)(a), Wis. Stats., in interest-bearing obligations of the United States of America, in other obligations of the Village or in other

investments permitted by law, which investments shall continue to be a part of the Debt Service Account.

C. Remaining Monies. When all of the Notes have been paid in full and canceled, and all permitted investments disposed of, any money remaining in the Debt Service Account shall be deposited in the general fund of the Village, unless the Village Board directs otherwise.

Section 6. Proceeds of the Notes. All monies received by the Village upon the delivery of the Notes to the purchaser thereof, except for accrued interest and premium, if any, shall be deposited by the Village Treasurer into a special fund (the "Borrowed Money Fund") which shall be maintained separate and distinct from all other funds of the Village and shall be used for no purpose other than the purposes for which the Notes are issued. Monies in the Borrowed Money fund may be temporarily invested as provided in Section 66.04(2), Wis. Stats. Any monies, including any income from permitted investments, remaining in the Borrowed Money Fund after the purposes for which the Notes have been issued have been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purposes shall be deposited in the Debt Service Account.

Section 7. No Arbitrage. All investments permitted by this resolution shall be legal investments, but no such investment shall be made in such a manner as would cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue code of 1986, as amended (the "Code"), or the Regulations of the Commissioner of Internal Revenue thereunder (the "Regulations"); and an officer of the Village, charged with the responsibility for issuing the Notes, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of closing which will permit the conclusion that the Notes are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 8. Persons Treated as Owners; Transfer of Notes. The Village Clerk shall keep books for the registration and for the transfer of the Notes. The person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Note shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

Any Note may be transferred by the registered owner thereof by surrender of the Note at the office of the Village Clerk, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the President and Village clerk shall execute and deliver in the name of the transferee or transferees a new Note or Notes of a like aggregate principal amount, series and maturity, and the Village clerk shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Village Clerk shall cancel any Note surrendered for transfer.

The Village shall cooperate in any such transfer, and the President and Village Clerk are authorized to execute any new Note or Notes necessary to effect any such transfer.

The fifteenth day of each calendar month next preceding each interest payment date shall be the record dates for the Notes. Payment of interest on the Notes on any interest payment date shall be made to the registered owners of the Notes as they appear on the registration book of the Village at the close of business on the corresponding record date.

Section 9. Compliance with Federal Tax Laws. (A) The Village represents and covenants that the projects financed by the Notes and their ownership, management and use will not cause the Notes to be "private activity bonds" within the meaning of Section 141 of the Code, and that the Village shall comply with the provisions of the Code to the extent necessary to maintain the tax exempt status of the interest on the Notes including, if applicable, the rebate requirements of Section 148(f) of the code. The Village Clerk or other officer of the Village charged with the responsibility of issuing the notes shall provide an appropriate certificate of the Village certifying that the Village can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The Village also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Notes provided that in meeting such requirements the Village will do so only to the extent consistent with the proceedings authorizing the Notes and the laws of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 10. Designation as Qualified Tax-Exempt Obligations. The Notes are hereby designated as "qualified tax-exempt obligations" for purposes of Section 265 of the Internal Revenue Code of 1986, as amended, relating to the ability of financial institutions to deduct from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations.

Section 11. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Notes, and future issues of obligations issued by the Village, eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the Village agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations attached hereto as Exhibit B. The appropriate officers of the Village are authorized and directed to execute such Blanket Issuer Letter of Representations, in substantially the form attached hereto as Exhibit B, and deliver it to DTC on behalf of the Village.

Section 12. Records. The Village Clerk shall provide and keep a separate record book and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing these Notes.

Section 13. Closing. The President and Village Clerk of the Village are hereby authorized and directed to execute and deliver the Notes to the purchaser thereof upon receipt of the borrowed funds, accrued interest to date of delivery and premium, if any. The President and Village Clerk may execute the Notes by manual or facsimile signature, but at least one of said officers shall sign the Notes manually.

The officers of the Village are hereby directed and authorized to take all steps necessary or convenient to close this issue as soon as practicable hereafter, in accordance with the terms of sale thereof; and said officers are hereby authorized and directed to execute and deliver such documents, certificates and acknowledgements as may be necessary or convenient in accordance therewith.

Section 14. Prior Resolution. This resolution supersedes Resolution No. 98-18 adopted June 15, 1998.

Obituary

DAVID L. WAGNER

David L. Wagner, of Slinger, died Monday, July 13, 1998, at St. Luke's Medical Center, Milwaukee, at the age of 59.

He was born April 19, 1939, in Slinger, to the late Peter and Dorothy (nee Schultz) Wagner, and married Catherine P. Kiefer on Aug. 1, 1960, in West Bend.

After his discharge from the U.S. Navy, he operated the Harbor Lights Tavern in Sheboygan. He then worked with his brother at the RW Village Bowl in Slinger for nine years. David later owned and operated the former Dave and Rusty's, and at the time of his death was a partner at D & J's Sip In in the town of Addison.

He was a volunteer and supporter of the March of Dimes wheel-chair bowling event, was a member of the Slinger Lions Club and a former member of the Washington County Tavern League.

Survivors include his wife; five children, Daniel (Lisa) of West Bend, Cindy (Ken) Weber of Campbellsport, Dennis (Chris) of West Bend, Bobbi Jo Knuth and Billie Jo Knuth, both of Marshfield; five grandchildren; a great-grandson; two brothers, Jerry (Terry) of Washington State and Ron (Gail) of Kewaskum; three sisters, Shirley (Ron) Behling of Sheboygan Falls, Laurie (John) Kruepke of Necadah and Debbie (Tom) Lang of Hartford; and other relatives and friends.

Preceding him in death were two sons, David A. and Joseph.

Funeral services were held Thursday, July 16, at 7:30 p.m. at the Schmidt Funeral Home, West Bend, with Rev. Victor Hackbarth officiating.

Visitation at the funeral home was Thursday from 4 p.m. until the time of services.

Memorials may be given for the benefit of the family.

PRAYER OF THE
BLESSED VIRGIN

(Never known to fail). Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (Make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Holy Mary, I place this prayer for your hands (three times). Say this prayer for three consecutive days and then you must publish it and it will be granted to you.

Kertscher Family Reunion To Be Held in Fillmore

Descendants of Christian and Justina Kertscher will gather at the Fillmore Turner Hall on Sunday, August 9, for their fourth family reunion. Events will begin with a coffee social at 11 a.m. followed by a buffet dinner at 12:30 p.m.

Some of the activities planned for the day will be bingo, a sheephead tournament, horseshoes, numerous children's games, along with a raffle and door prizes.

Displays of family pictures, branch histories, and a video and photos of Christian and Justina's home in Hartha, Germany will be on exhibit. Also, a computer with the Kertscher Family Archives will be available for looking up information on family members from all branches of the family.

Dale Kertscher will dis-

play a large collection of arrowheads found in and around the Farmington area by his father the late Walter Kertscher. A collection of Emil Kertscher's tin types will also be available for viewing and identifying.

Christian and Justina (Reuter) Kertscher and their seven children immigrated to America from 1867 to 1870, from Hartha, Sachsen-Altenburg, Germany and settled in the Fillmore/Newburg area. Their children, Sophia (Ehnert), Ernestine (Kelk), Emil and Henriette (Lehmann/Eggert) all remained in the area. Ida (Bruss) settled near Fremont, in Waupaca County, while Emilie (Windels/Bruning) and Friedrich left Wisconsin and made their home in New York Mills, Minnesota.

While in Germany, Christian was a renowned

"Maurer Meister" or master mason, a trade he passed down to his sons. Some examples of their expertise can still be seen today: St. Martin's Church in Fillmore; Holy Trinity Catholic Church in Newburg; Holy Trinity Catholic Church in Kewaskum, and the old Washington County Courthouse in West Bend. Many of the old bridges, summer kitchens and barns in and around Farmington were also built with the help of the Kertschers.

Relatives who have not received an invitation, or anyone with any information, photos, etc. about the history of the Kertscher family please contact Ruth Kertscher Cook at 414-375-3967 or Judy Kertscher Piaro at 414-692-2092.

Book Discussion At RL Library

The Monday AM Book Discussion Group for adults will be meeting at the Lakeview Community Library, 112 Butler Street in Random Lake, on Monday, July 27, at 10 a.m.

Copies of the book to be discussed, *Rain or Shine: A Family Memoir*, by C. McFadden, will be available for participants to borrow and read. The public is invited to attend this free event. For more information, call the library at 920-994-4825.

If you stand with your back to the source and your face to the mouth of a river, the left bank will be on your left and the right bank on your right.

Campus Notes

SHEBOYGAN -- Lakeland College has named 302 students to the Dean's List for academic achievement for this past spring semester. To achieve this position, students must obtain a 3.5 grade point average and carry a full-time load of at least 12 credit hours.

An area student named to the Dean's List included Sue Deuberry, Kewaskum, a junior majoring in secondary/middle education.

First Turkey Hunt Bags Big Tom

Eric Kasabuske posed with his prize trophy - 23 lb. Tom turkey.

On May 23, Erik Kasabuske of Kewaskum shot a 23 pound turkey with four beards (11, 8 1/2, 6, and 6 inches) and 1 1/8 inch spurs, in the Mondovi area of Buffalo County.

This was the first permit Eric received, and he was accompanied on the hunt by his father Kim and his friend, Michael Krisik, who were there to call the turkeys.

Eric said everything happened in a matter of two hours. First a hen walked up to three decoys, stopped, then yelled at them for about five minutes. Secondly, he saw his first Tom coming up the hill from the right. As the Tom got close enough to shoot, he stopped strutting and seemed to be looking at something that was to Eric's left. He turned and left in a big hurry. "I glanced left to see what scared him, and this huge Tom was strutting toward us. He strutted over 200 yards. This Tom must have been the big boss of the area because four other Toms were being bullied by him," Eric said.

The hen that was yelling at the decoys walked towards the Tom and tried to distract him. The Tom decided that three is better than one so he kept coming, but would not come out of his strut. Suddenly, he

turned around and was ready to run. Michael, who was calling, gave one short cluck and that big Tom stuck his head straight out. Unfortunately, that was the last movement he ever made.

EWSCA NEWS

(PLYMOUTH, WI)

Twenty-seven years of persistence finally paid off for Chuck Tuschl of Cato as he captured his first career 30 lap Eastern Wisconsin Stock Car Winged Super Modified feature triumph at Sheboygan County Fair Park Saturday night.

Tuschl bolted into the lead in turn one of the initial lap from the pole position. Three laps later, Plymouth's Tim McMullen moved in from his inside second row starting spot to mount a heated challenge for the top position. Tuschl held off McMullen's continuous pressure as the leaders raced in close nose-to-tail formation at the front of the pack in the first half of the event.

McMullen closed up to Tuschl's rear bumper on several occasions during the mid-way portion of the race, but Tuschl proved to be up to the task as he held his line along the low groove when the leaders encountered lapped traffic beginning on lap 22.

The 27th year EWSC Winged Super Modified veteran, who began racing at the Plymouth facility in 1972, fended off McMullen's repeated challenges down the stretch to post his initial main event triumph by five car lengths over second place McMullen in the caution-free race.

Tuschl's long overdue victory was fitting since it came during a special Old Timer's Night celebration at the Sheboygan County Fair Park track which honored many of the drivers he has competed against during his three decade EWSC winged Super Modified career.

Tim Melis of Plymouth took third, Barry Maas of Cascade placed fourth and Craig Schueffner of Sheboygan Falls drove Brad Dahmer's car to a fifth place showing.

Paul Dingel of Sheboygan rolled up his first ever feature victory in the 25 lap Limited Late Model main event.

Cedarburg's Kevin Ruh steered the car normally driven by Greg Ruh of Elkhart Lake to victory lane in the 20 lap

Super Stock feature.

Eddie Staehler of Kewaskum won the 15 lap Winged Super Modified B semi-feature. Sheboygan's Steve Ziegelbauer was victorious in the 15 lap Limited Late Model semi-feature and Jim Bailey of Oostburg collected the victory in the 15 lap Super Stock semi-feature.

This week's EWSC racing program will include Powder Puff races as an added attraction. Spectator gates open at 5 p.m. with time trials at 6 p.m. and racing at 7 p.m.

Donny Goeden Romps in IRA Badger State Finale

FRANKLIN -- Donny Goeden of Kewaskum picked up his third Interstate Racing Association feature victory of the season by going flag to flag in the non-stop 25 lap headliner at the Hales Corners Speedway.

The victory was Goeden's second in a row on the IRA/J&L Oil Sprint Series circuit, this one being extra sweet though, as the win gave Goeden enough points to earn him the first annual J & L Oil Badger State Sprint Challenge championship, making the night's effort worth \$3,000.

Goeden's Karavan Trailer/Electro-Plating J&J started from the outside of the front row and led pole-sitter Todd Daun from the drop of the green. Goeden's set-up proved to be flawless choosing a hard-compound McCreary on the newly reconfigured Hales Corners surface, with many teams

going the wrong way on the slick surface.

While Goeden checked out on the field, all eyes were focused on the tremendous battle for runner-up honors in this all green affair, between Daun and Travis Whitney. The two swapped positions several times before Whitney claimed it for good on lap 19 of the 25 lapper.

Whitney closed significantly on Goeden in lapped traffic, however, it was Goeden at the checker, five car lengths over Whitney's Aamco Transmissions Maxim with Goodyear rubber.

Daun came home third over Raymond Hensley, John Tierney, Kim Mock, Dave Hanna, and Scott Neitzel, with IRA point leader Joe Roe, and Mike Frost completing the top ten.

Fast qualifier Terry Chesak failed to make the A-main field when his C&K Services Gambler popped out of gear while running second in the B-main. Chesak topped a talented 44 car field in qualifying.

Heat wins went to Bob Robel, Joe Kristan, Goeden and Roe. Whitney took the B, while Mike Dubbs captured the C-main.

West Bend East Ends Indians Season

The West Bend East Suns came to Kewaskum on July 17 for the sub-regionals of the state tournament and used their booming bats to end the Indian's season.

The Suns boast two of the leading hitters in their conference, and the team rode their shoulders on Friday night to carry them to a 9-1 victory over Kewaskum. Player of the Year Erik Kraemer and Mike Mueller led the Suns in the win. Mueller pitched a two-hitter and also went 4x4 at the plate with a three-run homerun in the sixth. Kraemer was 1x2 and walked twice. Adam Rohlinger went 2x3 with a walk and scored twice.

Kewaskum's lone run came in the seventh. The Indians were hitless through the sixth inning and had one out in the top of the seventh. Jason Strobel then singled to break up the no-hitter. He moved to second on a wild pitch. Strobel scored when Eric Wenninger reached on an infield hit.

John Immel pitched the first five innings, giving up five runs (three earned) on seven hits. He struck out five and walked three batters. Bobby Ogi pitched 1/3 of an inning, allowing four runs. Bruce Groholski pitched 2/3 of an inning, allowing one hit and no

runs.

The Indians ended the season with a combined 6-19 record.

Indians Lose Season Finale

On Monday, July 13, the Indians played their last conference game at home against Kiel. The Raiders handed the Indians a 2-1 loss.

Kiel scored two runs in the first inning without getting a hit. Both runs were unearned. Lead off hitter, Kraig Binversie walked and stole second. The number two hitter grounded out to the shortstop. Ryan Van De Loo, the third batter, nubbed one in front of the mound that pitcher John Immel fielded, but threw past first, allowing Binversie to score. Van De Loo advanced to third on the throwing error, and then scored on a wild pitch.

After the first inning, Immel allowed only five men to reach base, and none got further than second. But Kewaskum could only muster one run in the third. Rhett Engelking singled and Jason Calliari singled down the third base line. On an errant throw down the right field line, Engelking scored and Calliari went to second. Immel walked to put runners at first and second

with no one out.

But as happened frequently during the year, the Indians could not come up with the big hit to tie the game. Jason Strobel went 2x3. Nathan Mueller, Andy Luedtke, Rhett Engelking and Jason Calliari added singles for a total of only six hits.

John Immel pitched well enough to win as he gave up only one hit, but the five walks and three Kewaskum errors were enough to shut the door on the Indians.

The loss concluded the conference season, giving Kewaskum a 4-14 record.

Statistical leaders for the young Indians were Junior John Immel who had a .352 (19x54) batting average. He also led the team in runs scored with 18. Sophomore Jason Strobel also finished over the .300 mark with a .327 (18x55) average. He led the team with 15 RBIs.

The final team batting average was a lowly .254 (131x515). Kewaskum only scored 88 runs in 18 games for an average of 4.8 runs per game. They hit only five home runs at an average of one per every 103 at bats.

The majority of the mound duties were shared by Immel and freshman Bobby Ogi. Immel pitched 67-2/3 innings with a 2.48 ERA. His record was two wins, seven losses, and one save. He struck out 41 and walked 33 batters. Ogi pitched 39-2/3 innings with a 4.23 ERA. His record was two wins, four losses, striking out 30 and walking 21 batters.

Another bright spot was catcher Andy Luedtke, who threw out 15 runners attempting to steal second base.

"Our offensive statistics are representative of our record. Although these stats are low, the second half of the season showed considerable improvement," commented Coach Mark Heise.
