## Fellow Officers, Gov. Thompson Pay Tribute to Fallen Deputy, John Schmitt

A line of police squad cars shown here on STH 28 as they head for Holy Trinity Cemetery. Over 180 cars took part in the procession from 72 different agencies. It was truly a sight to see and truly an honor for the Schmitt family.

Statesman Photos: Andrew R. Kuehl

By Andrew R. Kuehl  
Staff Writer/Photographer

**KEWASKUM-** Thousands of Deputy John Schmitt's friends, fellow officers and firefighters and Wisconsin Governor Tommy Thompson attended services to pay a final tribute to the man known as "a good officer to work with" and "the glue that held his family together."

John Schmitt, 31 of Kewaskum, an eight-year veteran of the Washington County Sheriff's Department was tragically killed in the line of duty last Monday evening while responding to assist a Kewaskum Police Officer.

The driver of the squad car was field trainee, Donald Kapla, 24, of West Bend. Kapla had begun training for the Sheriff's Department about five weeks ago.

Schmitt was the first Washington County Deputy to be killed in the line of duty.

The 6:00 pm church bells rang out as Governor Thompson, escorted by Wisconsin State patrol officers, walked up the steps lined with hundreds of mourners, and made his way into Holy Trinity Church to offer his condolences to Schmitt's family and

Gov. Tommy Thompson stops to speak to a reporter from WTMJ Channel 4 News after paying his respects to the Schmitt family.

wife, Carla.

As he left, Gov. Thompson also offered sympathy and words of encouragement to John's fellow officers.

Father Mark Jones, pastor of Holy Trinity reminded those in attendance that Schmitt was a man who loved to help others

and lived life to the fullest.

Jones also added "Maybe when you hear a siren, say a prayer for the person who is putting his life on the line, and maybe a second prayer for the one who is in need."

On Friday morning police squads from throughout the

state arrived to participate in a funeral procession to the church cemetery.

Those who participated were: Walworth County Sheriff's Dept., Williams Bay PD, Sharon PD, Sturtevant PD, Burlington PD, Rock County Sheriff's Dept., Chippewa Falls Sheriff's Dept., Milwaukee PD, Barron County Sheriff's Dept., La Crosse PD, New Berlin PD, Sun Prairie PD, Wis. State Patrol, State Capital PD, Outagamie County Sheriff's Dept., Hartland PD, Newburg PD, Waushara County Sheriff's

Dept., Dept. of Natural Resources, Cudahy PD, Brookfield PD, Milwaukee Postal Inspectors, Ripon PD, Slinger PD, Big Bend PD, Cedarburg PD, Dane County Sheriff's Dept., Germantown PD, Shawano County Sheriff's Dept., Milwaukee County Sheriff's Dept., West Allis PD, Racine County Sheriff's Dept., Town of Trenton PD, Brown Deer PD, West Bend PD, Marathon County Sheriff's Dept., Burlington Township

## Board to Vote on New School Referendum

Contents May Include \$17 Million Dollar Package, Recurring Referendum

By Sharon Callaway Roznik

School Board members will meet this Thursday night to decide and approve the contents of a new referendum scheduled to be presented to the voters on a November 3rd referendum.

The results of a board work session that followed Monday night's meeting testified to board members' willingness to work together, bring back some old ideas, and face the Beechwood School issue once and for all.

Deadline for filing election intentions is 47 days prior to the date, leaving little time for seven members to debate or research new plans, designs, or even start from scratch. "I don't think we can inform the public (about a new plan). We just have too short a time," Board President Jean Goeden said.

John Schulte began the discussion, revisiting designs previously presented by the facilities planning committee; buy land and build a new high school, and deliberate the possibility of moving school populations - the elementary to the middle school and the middle school to the high school.

Business manager George Allmann quoted rough estimates of around \$24 million for a plan with a new high school plus additions to other district schools. A recurring referendum of \$125,000 would be required to maintain and staff the new building.

Other board members expressed the need to commit to the present high school, but generally agreed with putting the KMS/KHS connecting addition back into the building designs. This would add a "gymnasium," an IMC, and extra classrooms to the proposed 6 to 12th grade complex. "This kind of plan will take the high school 15 years into the future," Lisa Maul pointed out. Costs are estimated to be \$3.5 million dollars.

The board majority also felt locating a new KES and administration building on the same site was still workable, and by far the most pressing need. Architect's plans for a service road to reroute bussing would help alleviate traffic and safety problems that now exist.

"Too much is going on right now to juggle kids around into schools that weren't built for those grades," Jon Downs related, offering his support for the KES plan as is.

All agreed that it was time to put Beechwood School and the issue of its reopening on the upcoming November 3rd ballot. Tom Timblin still voiced his concern over the student numbers in that area which seem to change according to who's giving out the figure.

Elementary principal Kieth Kriewaldt said it is around 100 students. "It will all depend on where the

(Continued on Page 2)

## School Referendum

(Continued from Page 1)

boundaries are drawn," District Administrator Clark Pearson told the board.

"I think we'll have the Town of Scott people behind us," Timblin confirmed. Referring to the last referendum, he added, "If you get lemons, you make lemonade. I think the character of this board is a real strong point here."

Details of the new plan are still in the process of being worked out by board and administration. The

financing of Beechwood School still needs to be put on a recurring referendum. Wayne and Farmington Schools will still need additions, but to what extent, especially at Farmington if Beechwood opens? Allmann said the costs of heating and air conditioning for the corridor addition needs to be addressed, and final figures for the package worked out. The range is estimated to be between \$16 and \$17 million dollars, with a recurring referendum of

\$200,000.

"We've been dealing with this for two years, two committees, two administrators," Larry Fechter said. "These were things that we as a board (previously) decided not to do. But let the people in the district vote on the future. We can't throw all this hard work away."

Nothing will be finalized until Thursday night, when the Board is scheduled to meet in closed session at 6:30 p.m., reconvening into open session at 7 p.m. for a final vote.

Included in the agenda for the special meeting is the approval of general obligation bonds not to exceed \$17 million, approval of a recurring referendum for \$200,000, and the listing of both as items on the upcoming November 3rd referendum.

## Missing Hunter's Remains Found in New Prospect

The Fond du Lac County Sheriff's Department is investigating the death of 33 year old Ge Lor of Sheboygan who was found dead in a wooded area near CTH G and SS, near New Prospect.

It is believed Lor went hunting with a companion on Saturday. When he failed to join his companion at dusk the Sheriff's Department was notified and a search began resulting in finding Lor at approximately 10:30 am on Sunday.

Department of Natural Resources personnel, along with members of the Campbellsport Fire Department, assisted the Fond

du Lac County Sheriff's Department during the initial search for Lor.

The scene was processed by the Sheriff's department detective division.

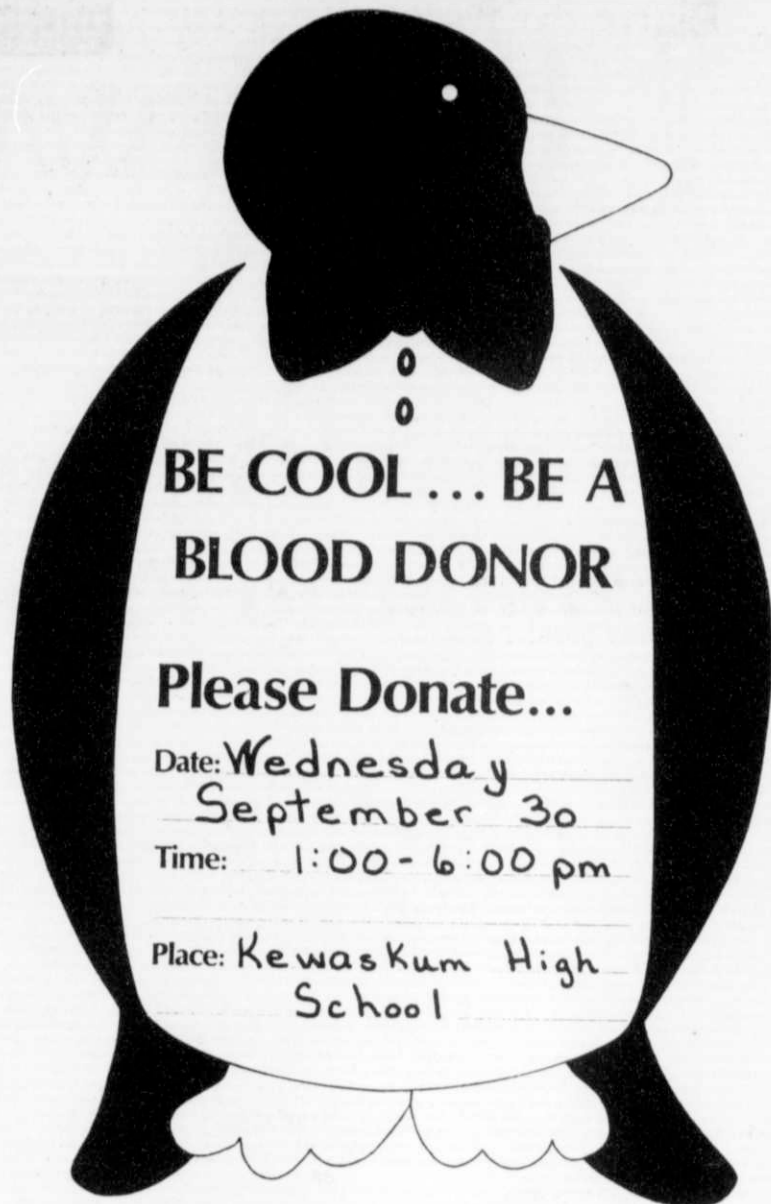

Results of an autopsy are pending but the investigation did reveal Lor died of apparent gunshot wound to the head.

The Sheriff's Department is continuing the investigation and details at this point are sketchy.

Investigators are working with the Sheboygan Police Department and others to determine if foul play is involved.

You can screw two or three cup hooks into a closet door at different levels and use each hook to hold several blouses, children's dresses or other light items.

## Plans for Kettle Kountry Kolors Taking Shape

by Louise Martin

The rich hues of fall reflecting on the Milwaukee River will be the setting for the fall festival, Kewaskum Kettle Kountry Kolors Festival of Entertainment, making its ninth annual appearance on Saturday and Sunday, October 10th and 11th at River Hill Park in Kewaskum.

This fall event attracted over 10,000 visitors in 1997. Kewaskum Area Chamber of Commerce members have been diligently working to provide another outstanding weekend here in the Kettle Moraine. This year's festival has many popular returning attractions plus a host of new activities all offered at no charge!

Making a return along the banks of the Milwaukee River will be the camps and lodges occupied by the ever popular Buckskinners. At this teaching encampment, members will gladly explain to you the "tricks of the trade" during "Buckskinners times." Watch a blacksmith create a masterpiece, cheer at the "hawk throwing contest," marvel at the expert whip demonstration, enjoy the sights and sounds of a time long ago.

Children will find lots of fun things to see and do. A children's activity tent will feature exotic and unusual animals, a Birds of Prey show and storytelling. Dazzling magic and professional ventriloquism by Bruce Dicker will fascinate many with shows scheduled at 2:00 p.m. both days. Clowns, ballooning, face painting, hay rides, pony carriage rides, a basketball shoot-out, make-it and take-it crafts, BB gun shoot and Video Hunting, a Hole-in-One golf contest and an aerobatic biplane demonstration are sites and activities sure to delight many. Check out the State Patrol safety equipment display and U.S. Reserve National Guard helicopter exhibit. Watch professional sky divers with colorful parachutes drift from the sky and land on the festival grounds on Saturday. A new feature this year will be professional wrestlers, a current popular spectator sport, who will perform on Saturday.

For your listening pleasure enjoy the sounds of the Kewaskum High School Jazz Band, Twin Hill String Band, Syl Groeschel Polka Band, River City Irregulars and IntiRaymi Native Music from the Andes.

Sunday will feature the annual 5K Kewaskum Youth Scholarship, Inc. (KEYS) walk/run beginning at 11:00 a.m. The event is open to everyone. The course winds through the village of Kewaskum and can be completed as quickly or as leisurely as one would like. It would take the average person approximately one hour to walk. Sunday begins with a tasty pancake breakfast served from 8 - 11 a.m. A church service at 9 a.m. will be sponsored this year by Holy Trinity Catholic Church.

Whatever you are in search of, there's a good chance you'll find that special item in the ever popular craft tent. Each year the tent expands

allowing new vendors and familiar vendors to display their wares.

You must bring your appetite to Kettle Kountry Kolors. A large variety of foods including soups, hot sandwiches, Italian food, broasted chicken, luscious desserts, snacks and beverages to tempt your palate will be available.

Two exciting raffles are being held in conjunction with Kewaskum Kettle Kountry Kolors. Cheer on the green and gold by winning "The Battle of the Bays" raffle which includes tickets to the Green Bay/Tampa Bay football game in Tampa, airfare, four days and three nights hotel accom-

modations. The second raffle is a print, *Sunset Harvest*, by well-known, wildlife artist, Terry Redlin. Tickets are available from any chamber member or can be purchased at the Chamber Information Booth during Kettle Kountry Kolors.

This invitation is extended to you to come and enjoy this year's Kewaskum Kettle Kountry Kolors on Saturday and Sunday, October 10th and 11th. Shuttle service sites to the festival will be located throughout the village.

Take in the sights...the sounds and the beauty of nature in the rich autumn colors which surround us so close to home here in the Kettle Moraine. Take in Kewaskum Kettle Kountry Kolors.

## Blood Drive Planned Here

On Wednesday, September 30th the Kewaskum Community Blood Drive will be held at the Kewaskum High School in the choir room from 1:00 - 6:00 p.m. Parking will be available in the front and back of school.

This is your opportunity to help others who might find themselves in need. More than 450 pints of blood are needed each day to meet the needs of patients in 29 southeastern Wisconsin hospitals. All this blood must come from volunteer donors. In recent years, the record number of volunteer donors for the Community Blood Drive is 76. Organizers are hoping to do as well or better on September 30th.

Donors must be 17 years old or older, weigh at least 110 pounds, be free of symptoms of a cold, sore throat, flu or allergies on the day you donate and not have had hepatitis.

All donors are asked to pro-

vide your social security number and must present some form of identification when making their blood donation. Acceptable forms of identification are a picture I.D., blood donor I.D. or identification with a signature.

The actual donation of a pint of blood takes approximately seven minutes. Plan 20 minutes prior to the donation to give medical history and to have your temperature taken and 10-15 minutes after the donation for some refreshments. The whole process takes about one hour.

You will feel special for having done something so important. You may help a total stranger or someone in our own community.

Reserve an hour on Wednesday, September 30th. Those you help will be grateful you took the time to give such a precious gift.

# BELOW PRIME HOME EQUITY LINE...FOR A LIMITED TIME!

# 6.90% APR

## Volm Elected President, CEO Of Mayville M&I Bank

**Kevin Volm**

The Board of Directors of M&I Bank of Mayville recently elected Leo R. Fisher, Chairman of the Board and Kevin E. Volm, President and Chief Executive Officer. Fisher will remain on the Bank's Board of Directors as its Chairman upon his retirement in January of 1999.

Leo R. Fisher joined the Bank in 1971 and was elected President in January of 1975. Fisher is currently Vice President of the Bachhuber Foundation, Inc., Treasurer for the Wings Over Wisconsin-Mayville Chapter and is the Chairman of the Friends of Scouting Fund Drive in Mayville.

Fisher has held various officer positions and committee assignments with the Mayville Economic Development Corporation, Mayville Golf Club, Beaver Dam Community Hospital and St. Paul's Lutheran Church. Upon his retirement, in addition to continuing to serve on the Bank's

### Girl Scouts to Hold Meeting

Girl Scouts, 14 years and older, and adult Girl Scouts are invited to attend the Manitou Girl Scout Council's fall association meeting.

The Marsh to Michigan Association, comprising the communities of Lomira, Theresa, Random Lake, Adell, Batavia, Fredonia, Kewaskum, Oostburg, Cedar Grove, and Belgium will meet on Thursday, September 17, at 7 p.m. in the Kewaskum Community Room in Kewaskum.

Association meetings are held to enable council members, 14 years and older, to give input to the council board of directors and to elect association personnel like delegates, alternate delegates, association nominating committee members and recommend an association chair to the president of the council for appointment.

Board of Directors as its Chairman, Fisher will stay active in community organizations and functions.

Kevin E. Volm began his M&I career with M&I First National Bank in 1991 and served as a Branch Manager and in various capacities in the Commercial Lending area. He joined M&I Bank of Mayville in February of 1996 and most recently held the position of Senior Vice President and Senior Lender. Volm holds a Bachelor of Arts in Business Administration from UW-Milwaukee and is a graduate of Kewaskum High School.

Volm has been active in various community and volunteer capacities. He is currently on the Board of Directors for Aurora Health Care, Inc., Hartford Memorial Hospital, Inc. and the Mayville Economic Development Corporation. Volm is a member of the City of Hartford-Zoning Board of Appeals and has served in various capacities for the Dodge and Washington County Friends of Scouting

Drive, the Washington County Economic Development Committee and the United Way. He is also a member of the Mayville Rotary Club.

Marshall & Ilsley Corporation (NASDAQ:MRIS) is a multibank holding company headquartered in Milwaukee, with \$21 billion in assets. The Corporation has 26 banks serving the state from more than 230 offices, one bank in Illinois with five offices and one bank in Phoenix, Arizona with 13 offices. In addition, the holding company owns and operates 49 offices throughout the country that provide trust and investment management, equipment leasing, mortgage banking, venture capital and data processing.

According to one old French version of *Beauty and the Beast*, Beauty's real name was Zemira.

## Dodie Sargent to Receive Prestigious Credential

**Dodie Sargent**

Dodie Sargent of The Little Folks School House in Kewaskum will be receiving the Wisconsin Professional Credential for Child Care Administrators (WPCCCA) on Saturday, September 19, at the Wagon Trail Resort in Door County. Ms. Sargent will be among the first 38 recipients of the prestigious credential.

Wisconsin is the first state in the nation to offer a statewide credential for child care administrators. The WPCCCA is an 18 credit, six course sequence

developed in collaboration with the Wisconsin Professional Development Initiative and the Center for Career Development in Early Care and Education in Boston, MA. The courses combine knowledge of good practices with children along with sound business practices.

Ms. Sargent completed her coursework at the University of Wisconsin-Milwaukee and Nicolet Area Technical College. She completed a major project integrating the six courses which was submitted to *The Registry*, Wisconsin's Professional Recognition System for the Childhood Care and Education Profession, who awards the Credential.

# Riding to Fundraising Success

Having fun in the limo are seventh graders, from left, Brittany Brennan, Amanda Smolinski, and Erin Rammer. Students reaching a sales level in the Kewaskum Middle School fundraiser were treated to a pizza and soda lunch while riding through the area in a stretch limosine.

Photo by Juliet Tofte

Seventh grader Juliet Tofte strides into one of the stretch limosines that awaited her and about 70 schoolmates who met a sales incentive in magazine subscription sales during the recent Kewaskum Middle School fundraiser, which netted about \$12,500.

## O'er the Land of the Free And the Town of Wayne

By Sharon Callaway Roznik

Flags are waving in the Town of Wayne. "It's through a spirit of cooperation, within the village, with neighbors helping," said American Legion member, Dan Coulter.

A total of 20 American flags were donated to the township by Salem United Church of Christ. Monies were raised during Wayne's 150th birthday celebration, held this past summer. "The church was responsible for the food concession stand," Salem member Mary Gutjahr explains. "We sold brats, hamburgers, popcorn, soda and coffee." The church also picked up the balance to meet the \$350 need to purchase the flags and hardware.

Coulter, who also serves as chairman of Salem Church, came up with the idea and took it to the town board, who welcomed the patriotic addition.

Four poles have been erected at each crossroad, with church members assembling the hardware, sawing, drilling holes, and attaching the fixtures. "It was really a church project all the members could get involved in."

Five families have been asked to be in charge of caring for the flags and hoisting them up the flag poles for holidays and special celebrations. Each family works from a list of dates and times.

With the help of the American Legion Post #483 of Allenton and Senator Herb Kohl, the town received flags that have once flown over the White

House.

Since the flags were first displayed on Labor Day, townspeople have heard a lot of positive comments from those who drive through their little village.

Other small communities have noticed, and are planning to follow Wayne's lead.

"You take notice of it," Dan comments with pride. "It's a way of giving back to the community. I hope it carries on forever."

## Booster Club Begins New Season

The KHS Booster Club announces new officers for the 1998-99 year. They are: President - Donna Gajewski, Vice President - Mary Miller, Treasurer - Pam Schwinn and Secretary - Patty Clayton.

The Booster Club promotes and supports all co-curricular activities at KHS. We meet every third Monday of the month during the school year at 7:00 p.m. in the high school library. All interested parents or high school students are welcome to join us.

Our biggest accomplishment of last year was a new speaker system for the Athletic Field. If you came to the football home opener last week, you should have noticed a

much improved system. One of our goals for this year is to raise enough money for new practice basketball hoops and backboards for Rose Hall. In recent years, we have raised monies for lights for the athletic field, a new ice machine for the athletic program, a new portable clock for the wrestling and soccer teams and a set of portable bleachers for the high school.

Our next fundraiser will be the Homecoming Tailgate Party at the high school on Friday, October 9th.

We hope to see all our old friends and many NEW faces at our first meeting, Monday, Sept. 21st.

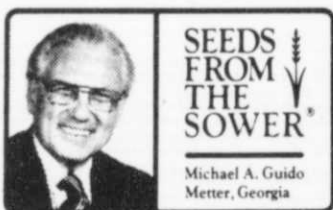

## New Tribes Institute Visitor

On Sunday, September 20, at St. Paul's Community Church, N5461 First St., Fredonia, 8:30 a.m. service of worship, John McDole from the New Tribes Mission Institute of Little Kohler will participate in worship and will be available after to answer questions about their mission to the world.

The public is invited to join the worship and discussion afterward. For further information about the church, its worship or programs, call 414-692-2913.

The centipede which is supposed to have 100 legs, only has about 40.

**SEEDS FROM THE SOWER**  
Michael A. Guido Metter, Georgia

A boy started to cross a street. But a lady grabbed his arm, saying, "Look at the light."

"Ma'am," he protested, "look at the people crossing the street."

"Never mind the people," she replied, "look at the light and follow it."

Good advice, isn't it!

Are you following God or the gang? Too many break God's laws to keep in step with the crowd. But His laws are for your good and guidance, and really, you can't break His laws, you can only break yourself against them.

So get your walking signals in life from God. Like the lady said, "Look at the light and follow it."

The sensor cells that detect odors replace themselves every 60 to 90 days in young adults.

# Kiwanis Turkey Shoot... A Bullseye

The Kiwanis Turkey Shoot proved to be a huge success. Over 360 turkeys were "shot." Here, men prepare to try their luck at the trap shoot. Other shooting games included a pistol shoot and rifle shoot.

The football kick was a new addition to the Kiwanis Turkey Shoot this year. The individual making the most field goals received \$50 cash.

## Lakeland College Women's Tennis Wins Two

The Lakeland College women's tennis team defeated visiting Mt. Mary College of Milwaukee on Friday and Marian College on Saturday in Fond du Lac to move their overall record to 2-1 (1-0 in conference).

On Friday, the Muskies cruised to an easy victory in a warm up for their conference showdown with Marian. Lakeland was never challenged as they swept all singles and doubles matches to win 9-0.

Lakeland concluded their weekend with a strong showing in their first conference match of the year. Marian entered the match as last year's runnerup in the Lake Michigan conference and had their top player returning.

Defending conference singles champion K. McCarthy defeated freshman Heather Raeder (Sheboygan) 5-7, 6-3, 6-7 in a close match that set the stage for a promising rematch. This will most likely occur at the conference tournament in Madison on October 2 and 3.

At second singles, senior Anne Mertz (Kewaskum) defeated B. Dorr 6-1, 5-7, 6-4. The match was a see-saw affair that featured great rallies and saw both players go through many peaks and valleys.

"Anne had an incredible come back in the third set to beat her opponent," said second year head coach Shawn Holzman.

Lakeland also won singles matches at numbers four, five and six with their only other loss coming at number three. Sophomore Jenni Weston (Kewaskum) defeated L. Berres at number four 6-4, 7-5, with freshman Samantha Tombley (Norway, Mich.) beat

For archery enthusiasts a bow and arrow shoot was also available.

T.Mews 6-1, 6-1 in an easy match at number five. Also, Sophomore Pam Schmidt (Fond du Lac) returned to her hometown to win at number six singles with a 6-0, 6-0 smashing of C. Lopez. Lakeland took the loss at number three as Sophomore Jen West (Kewaskum) battled to a close 4-6, 3-6 defeat to K. Bobholz.

The Muskies won two out of three in doubles to post the final margin of victory. Schmidt/West defeated McCarthy/Mews 8-5 and Weston/Tombley beat Berres/Hecht 8-6. The only setback was a 4-8 loss by Mertz/Raeder to Dorr/Bobholz.

Overall, Coach Holzman was pleased with the effort that put Lakeland in the driver's seat for conference.

"Marian College was last year's 2nd place team in conference. We came out strong with every match being crucial to our win. Pam Schmidt and Jen West played an incredible doubles match at number two

along with Anne Mertz at number two singles," said Holzman, last year's Conference Coach of The Year.

Lakeland's next match is September 15th at home verse Milwaukee School of Engineering at 3:00 p.m.

The horse latitudes are regions noted for their lack of winds.

Is that Arnold Palmer? Nope, just Kewaskum's own Jerry Koch teeing off at the Hole-In-One competition. For all you Jerry Koch golfing fans, Jerry's next appearance will be at the Chamber's ninth annual Kettle Kountry Kolors where he will compete in Hon-E-Kor C.C.'s Hole-In-One contest. Watch the Statesman for coverage of this prestigious event.

# Holy Trinity Social Fest a Success

Elizabeth Theusch, left, Grace Batzler and Joe Mueller enjoy dinner conversation, along with the delicious BBQ chicken.

And the lucky winner was Dennis Bingen of Kewaskum. Dennis accepts a \$5,000 check from Social Fest chairman, Gary Bohn, center. Isabelle Straub, the 1997 winner, knows the excitement of having your ticket drawn.

Many attendees purchased chances to win the numerous, attractive raffles that were offered.

It's a winner! Isabelle Muckerheide, left, and Bernice and Francis Schoofs, try their luck at bingo, a new addition to this year's Social Fest. CYM student Virginia Fiend, stands ready to verify cards.

Isabelle Straub pulls the winning ticket for \$5,000 as Father Mark Jones, Holy Trinity Pastor, steadies the ticket barrel and committee member, Amy Bohn, watches.

**By Louise Martin**

A few mosquitoes and sweet bees didn't hinder the fun or spirits of those who attended Holy Trinity Home and School Association's fourth annual Social Fest on Saturday, August 29, at River Hill Park in Kewaskum.

Approximately 700 grilled chicken dinners, steamed corn-on-the-cob, baked potatoes, salads, desserts and refreshments were served to festival attendees which raised

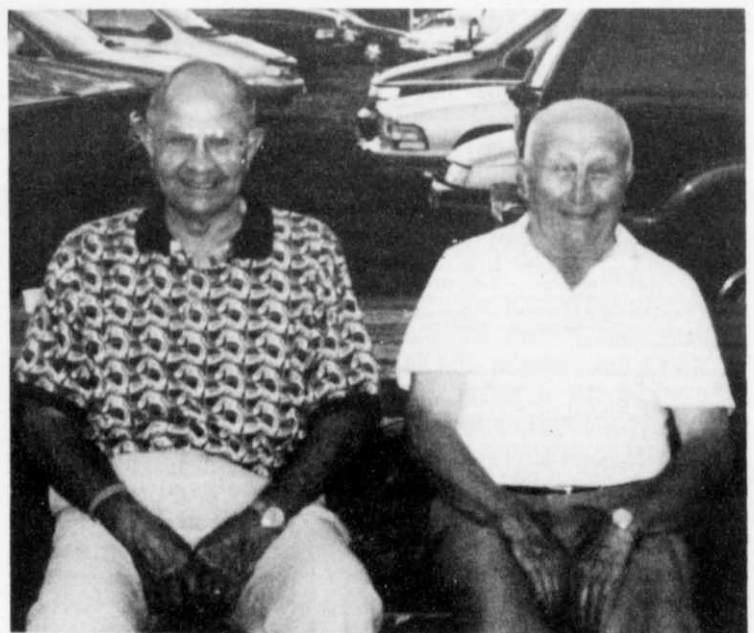

nearly \$10,000 for Holy Trinity School.

Isabelle Straub of Kewaskum, the 1997 grand prize winner, drew the winning \$5,000 ticket and safe guarded the ticket in her hip pocket. After all the other cash drawings, gift certificates and bucket raffle winners were announced, suspense was in the air as festival chairman, Gary Bohn, read the \$5,000 winning ticket belonging to Dennis Bingen of Kewaskum.

Dorothy Volm, also of

Kewaskum, was the winner of the \$1,000 Early Bird Special. Placed in a separate drawing, to qualify for this prize, the Social Fest ticket had to have been purchased before June 30. Cash winners of \$250 were Brenda Gitter, Kelly Scannell, Todd Kirst, Ryan Amerling, Lloyd Mueller, Hilda Krueger, Dorothy Volm, Ruth McNamara, Clare Lehmann and Tina Mertzig.

\$50 winners included Kathie Ramthun, Christa Fleischman, Frank King, Mary Gosa, Lloyd Wester-

Bruce Petri, left, and Arnold Amerling take a moment from socializing to smile for the camera. A full tummy makes for happy faces!

## Archery Deer Hunting Season Opens Sept. 19

MADISON -- Archery deer hunting in Wisconsin opens one-half before sunrise on Saturday, Sept. 19, and state wildlife officials say bow hunters can look forward to a good season.

The bowhunting season in Wisconsin is divided into an early and late period, separated by the traditional gun deer season. The early bow season runs through November 15. The late bow season opens December 5 and runs through December 31.

The statewide white-tailed deer population is currently about 1.25 million, according to Bill Mytton, deer and bear ecologist for the Department of Natural Resources.

"That's up slightly from last year's 1.2 million, and is a result of last year's extremely mild winter," Mytton said.

Although some northern forest units are still recovering from severe winters during 1995-96 and 1996-97, archers should find ample numbers of deer statewide, especially in those units that remain over population goals. This strong reproduction added to existing populations has resulted in increased permit numbers for 1998.

"Last winter was the second mildest on record and historically this type of weather pattern has resulted in excellent fawn production," Mytton said.

"Because many of the state's deer management units were already above overwinter population goals, permit levels have increased in an effort to manage deer populations toward goals," explained Mytton.

Each of the state's 123 deer management units has a target overwinter deer population. The overwinter population is the number of deer present in a unit in the spring. Spring populations are used as unit benchmarks because they represent the breeding portion of the herd, which directly affects the number of animals seen the following fall.

One unit will have a special hunt in 1998. In unit 67A, which lies in portions of Marquette, Green Lake, Waushara and Columbia Counties, there will be an early antlerless-only firearm season October 29-November 1. Bow hunters will be allowed to hunt this early season, but only for antlerless deer and they must wear blaze orange clothing for safety. Either-sex archery hunting will continue in all other units. The early archery season will be extended to November 19 only in unit 67A, and these extended days will be either sex hunting.

"These four days are intended to compensate bow hunters in unit 67A for the loss of buck hunting during the special October gun sea-

son," Mytton said.

Free 67A antlerless special permits will be available at all DNR service centers and at vendors in and around unit 67A. In addition, bonus antlerless permits that were not issued during the mail-in drawing process went on sale Monday, Sept. 14, at DNR service centers only. Other license outlets will not have additional bonus antlerless permits for sale. Bonus permits cost \$12 for residents and \$20 for non-residents.

There are currently more than 230,000 people who participate in bow hunting in Wisconsin. Archers set an all-time record bow harvest in 1996 of almost 73,000 deer.

"Much of the increase in the bow harvest is due to expanded opportunities for archers to harvest multiple deer using antlerless permits. Additionally, archers are able to hunt in more urban areas where bag limits are liberal and firearms are restricted by local ordinances," Mytton said.

## Visually Impaired Support Group To Meet Sept. 23

The Visually Impaired Support Group will be held on Wednesday, Sept. 23. The group will meet at 1:30 p.m. in the Second Floor conference room at the Cedar Ridge Retirement Campus, 113 Cedar Ridge Drive, West Bend.

The visually impaired and interested people in the community are welcome to attend.

A representative from the West Bend Library will inform those in attendance what is available for the visually impaired.

The support group meets the fourth Wednesday of each month at the Cedar Ridge Retirement Campus.

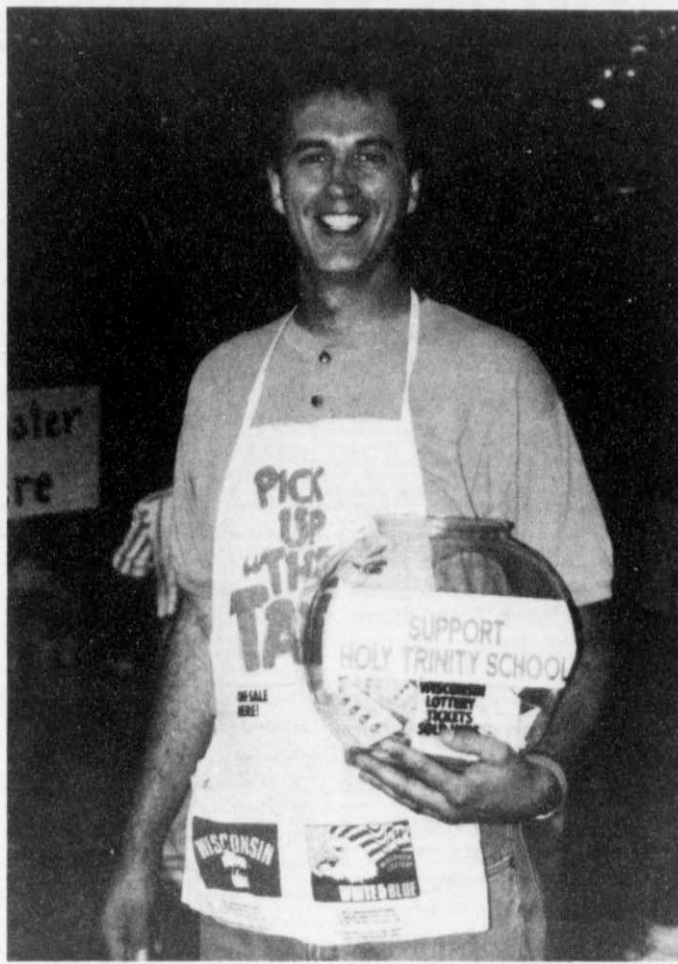

Cedar Ridge is located at 113 Cedar Ridge Drive in the city of West Bend. Turn south off of Highway 33, west onto Scenic Drive at Royal Ford. For more information, call Jean Meyer at the Cedar Haven Rehabilitation Agency at 334-1486.

## Lead Screening Test Available

Lead screening tests for children up to age six, will be held at the Washington County Community Health Nursing Service in the Public Agency Center, 333 East Washington Street, First Floor/Room 1145 (enter parking lot off of Indiana Avenue) on September 24, 1998 starting at 9 a.m., by appointment.

For more information, call 335-4462, 644-5204 or 342-2929; ask for extension 4462. A parent must bring the child to the clinic.

## Social Fest

It's all in the draw! Roy Aycock enthusiastically offered lottery tickets for sale.

\$300 Fleet Farm shopping spree (winner's name unavailable); breadmaker, Dolores Marian; Helen Yahnke, child's package; Bonita Wolf, \$100 Sentry Foods gift certificate; MeriLou Chambers, youth package; Kathy Uelmen, teen package; Dick Wietor, Try Your Luck; Heather Mitchell, Erin Beanie Baby; Joan Dean, cookware package; Megan Ramthun, cookware package II; Richard Mielke, NBA end table; Sandra Amerling, Hon-E-Kor gift certificate; John Strobel, Packer party package; Kim Behring, ladies package; Shawn Roberts, YMCA package; Mark Boden, Around and About package; John McCormack, Home Sweet Home package; Judy Boedeker, family package; Lois Dornacker, surprise package; men's package and Color Me Beautiful package, winners' names unavailable. Additional names were drawn for gift certificates and door prizes donated by various businesses. The total number of prizes distributed for the evening was 132.

While many volunteer hours and efforts attributed to the success of Social Fest, additional credit and appreciation must be given to the many area businesses and individuals who donated many wonderful items. Thank you to Allenton Inn, Amber Hotel, Amerahn, American Exchanger, American Legion, Amoco, Auburn Bluffs, Auto Body Dynamics, Ben Franklin, Blockbuster, Gary and Amy Bohn, C.C. Cody's, Callaway and Co., Camelot Country Club, Ruth Campbell, Campbellsport Building Supply, Candy Man, Coast to Coast, Confusion, Dr. Dennis Connor, Cousins, Dairy Queen, Dairyland Seed, Dick's Pizzeria, Dis-

covery World, The Doctors Inn Bed and Breakfast, Wendi Dreher, Domino's Pizza, Eaton's Pizza, The Exclusive Company, Fin-Feather, Fleet Farm, the Tony Fleischman family, G.W. Music, Grand Larson, Green Bay Packers, Gruber Tool and Die, Hair and Things by Lori, Health Hut, Herriges Machining, Herriges Oil, Ho-Chunk Casino, Hon-E-Kor, Huffy Sports, Husars, Jewel Foods, Kentucky Fried Chicken, Kettle Moraine Electric, Kewaskum Cafe, Kewaskum Floral, Kewaskum Frozen Foods, Ke-

waskum Mobil, Kewaskum Statesman, Kewaskum Subway, King Pin Lanes, Knot Hole Gifts, Krueger Plumbing and Heating, Kuehl's Suds and Spirits, LR Trophy, Loehr's Meat Service, MJ Stevens, McDonald's, Mr. and Mrs. Sylvester McNamara, Menards, Mid Cities Motorsports, Miller's Fine Furniture, Miller Funeral Home, Milwaukee Admirals, Milwaukee Brewers, Milwaukee Bucks, Milwaukee County Zoo, Mineshaft, Oneida Bingo, Painted Lady Gift Gallery, Paradise Theatre, Ponderosa, Potawatomi Bingo, Rain Dance Car Wash, Ray's Shoes, Kathie Ramthun of Catholic Knights Insurance, Regal Ware, Inc., Lucille Rinzel, Rookies, St. Francis Bank, Wayne Sargent, the Matt Schickert family, Rosemary and Alton Schrauth, Sentry Foods, Shluffy's, Smith Insurance, Strobel Oil and Propane, Sunburst, Sunset Supper Club, Tantalizer Tanning Studio, Thieme's Sip and Snip, Governor Tommy Thompson, Henry Timblin Trucking, Timblin Property Management, Toucan Custard, Twohig Furniture Store, Video Post, Walden's, Weiland's Fun Center, West Bend Company, West Bend Savings Bank, Wild Bird Crossing, Woody's Extra Innings and YMCA.

Additional thanks to all who donated food, desserts, helped in the preparation of the food, those who assisted the day of the event, the day after with clean up, those who collected the donations and all who purchased tickets.

It is the sincere desire of the committee members that everyone had a great time. We hope all will support and are looking forward to Social Fest 1999!

# WHY I VOTED NO...

To Whom It May Concern:

I voted no on the referendum because I cannot comprehend spending \$12 million to make an already bad situation much worse traffic and congestion-wise by building a new Kewaskum Elementary School on the same site it is now.

Some child or teen is going to become a traffic statistic one of these days. Everyone knows it is already an accident just waiting to happen. Then how do you justify rushing into building a new school on that site?

I challenge the entire school board to meet any weekday morning at 7:30 a.m. (or 2:45 p.m. when traffic is really humming) at the corner of Third Street and Bilgo Lane, just to make note of the countless close calls. I drop children off there daily and get irritated daily about the chaos.

It has been particularly bad since the sewer relief project began, but this is not the last time construction and repairs will take place in the village.

Build the new high school outside of the village limits. That choice should be obvious, due to the fact that many teens now drive their own, or their parents' vehicles to school, and are contributing to the congestion. Adjust the Elementary School and the Middle School accordingly on the present high school site.

Sell the land the Elementary School is located on now. Certainly top dollar should be received for this block of prime real estate in the heart of the village. You would think you would receive more than enough money to purchase land outside of the village for the new school site.

Just because one land purchase was voted down, is no indication that every other choice will be voted down. Most taxpayers voted no because it was unclear WHAT was going to be built on that land. Voters want specifics.

I DO realize we need a different place to teach the growing number of elementary school children. I DO realize my property taxes will go up. I DO understand all that. But, I cannot in good conscience, vote yes to more traffic congestion in the northeast corner of the village, where our major industry is also located.

\*\*\*\*\*

Dear Editor:

I voted no on the recent school referendum because I do not accept a need for additions to Wayne and Farmington while Beechwood School sits empty.

Why not update and reopen Beechwood; or sell it; or raze it and stop the upkeep costs? Then discuss

expansion of the outlying schools.

I do support the need for a new KES as the need has been made very obvious and quite clear. I am not against a good learning environment for our children. I am against wasting space (at Beechwood) and wasting my tax dollars.

\*\*\*\*\*

Dear Statesman,

I voted no to the referendum on Tuesday. My reason is because I am disappointed in the elementary education here in Kewaskum. We have many dyslexic children who are deliberately ignored! And I am appalled! Kewaskum just doesn't get it! How can I justify a yes vote when I know my child is not getting the education my child needs. I spent thousands of dollars over four years to get my child the education my child needed. My vote will always be no until Kewaskum takes the learning difference dyslexia seriously! This problem should have been taken care of 30 years ago! The first step is for our M-team to at least say the word!

\*\*\*\*\*

To the Editor,

The reason I voted no to the referendum is quite simple. I don't feel that all of the schools should have been put on one referendum. Also our tax money is not being spent very wisely if 10 years down the road we will be in the same place we are now with overcrowding due to growth in the school district.

We definitely do need a new KES. Why are we spending money to enlarge Farmington when Beechwood is sitting empty? I feel Beechwood should be reopened and Farmington should only be updated.

This is not something that should be rushed into simply because interest rates are down and now is the time to do it.

If the school board wants this referendum to pass next time they should separate the issues. Should we build a new KES? Also, should we reopen Beechwood to eliminate crowding at Farmington? The answers to both of these questions is yes, so let the taxpayers make this decision instead of the school board. The school board should open their ears and listen to the people that elected them to these positions.

A concerned Village  
of Kewaskum taxpayer

\*\*\*\*\*

I voted NO to the referendum because I feel there are other options.

Why not open Beechwood to ease overcrowding at the Farmington school, do the repairs at Wayne and Farmington. Then purchase land out of town and build a new high school. Now move middle school students to the "old" high school, move the elementary students to the "old" middle school and tear down the elementary school.

Reasons for this plan include the fact that there is so very much congestion in town and many, many high school students drive to school. You would be eliminating a lot of traffic around the elementary and middle schools. I feel there are a lot of hard working conservative people who would be willing to vote yes if they say some of the existing buildings being used as well as new building. I do not want to see the crowded congested situation in town become temporarily patched and buildings standing empty at such a high price tag. I do not feel the school board fully examined all the land purchase options out there. Imagine a new high school building with some of the amenities you have said you want -- but out of town and away from the small children walking to school. Imagine the Beechwood School re-opened and utilized. This all may cost more than the last referendum plan, but you would be getting so much more now and into the future.

\*\*\*\*\*

I Voted NO Because:

1) Poor location for new elementary school (poor decision on land use).

2) Beechwood building should be utilized.

3) No need for two gymnasiums at the elementary level.

4) The taxpayers should be allowed to vote on reasonably priced land parcel -- to get some of the traffic congestion eliminated -- move school site (elementary or high school).

\*\*\*\*\*

Kewaskum School  
Board of Education:

I did not say no to the idea of repairing, adding on and improving, I only said no to the package as it was presented.

We can not in our personal life tear down and build new all the time -- sometimes you have to fix what you have and utilize it. If you open Beechwood you will help the overcrowding at Farmington (your biggest problem). Then you can repair Wayne and Farmington. Before you tear down the elementary school and build a new one there, think about 1) the congestion, and, 2) where do you go when these three schools in town get too

crowded?

Buy some land (I know there is still some available -- I know people are willing to sell more land for the same price as you wanted to give for that land on H). Then decide which school to build on the new land and who should be put in the existing middle school and high school and tear down the elementary. Can a part of the elementary school be used for the offices you need?

For awhile it seemed like you had better ideas. There will always be someone who says NO to any and all new ideas, but most people just want to see better use of what we have.

P.S. I do not have children in school and do not live in the Town of Scott. I just pay taxes and want to see school district move ahead for the best of all and into the future, not just today.

\*\*\*\*\*

Dear Editor:

In response to your question of why there is such mystery passing a school referendum in Ke-

waskum we need to look at a great number of issues.

There is still time to put a referendum on the ballot in November concerning Beechwood School and finally get a resolution to that issue. For instance, a yes vote would open the school and spell out the number of students that would be taught there, including the dollar amount it would cost to open the school with all new equipment and the teachers' salaries. A no vote would put the school up for sale and that would be the end of it.

Next, we need to look at the current building plans and a long-range goal for the district. If we are concerned with the growth that is occurring in the district, the building plans should be more representative of this fact. The elementary school plans fell short of this. The building, whether it is a new one or the renovation of the existing structure, should have a plan to expand beyond what will be used in a couple years. Classroom space and safety should be given a higher priority than administrative

(Continued on page page)

space. Possibly, a new building should have classrooms with walls that can be moved out of place with additional classroom space built in, or that can be added at low cost. We all remember a referendum for the high school not long ago, and now we are going to place more money into that building. We also considered buying land for a new high school. What is the long-term plan?

In my opinion there is not a long term plan that takes into consideration district growth, building costs and future referendums needed. Wayne, Farmington and Beechwood schools should go through a cost-benefit analysis with classroom space as the highest priority. This very conservative district wants more for their money. One idea would be to put together a commission with representatives from each voting area to get input from voters. They could then advise the district.

Sincerely,  
Joe Gitter  
Town of Auburn  
Resident

\*\*\*\*\*

In answer to question,  
"Why did you vote NO?"

When I voted no, I said the School Board is trying to do too much at one time. Just because interest is down now, does not mean it will go sky-high in five years. Had the KES been alone on the referendum I would have voted yes -- enlarging the Wayne school with no room for additional students is nonsense. Don't waste Beechwood, use it. Give the Farmington school a break. Make it a number two priority for the district referendum.

\*\*\*\*\*

Kewaskum Statesman,

Enclosed is a short letter answering your "Why did you vote NO" to this referendum. Let me say that you are to be commended for this. I feel there are alot of good ideas out there in the community and many people have not written in because they do not want to put their name in the paper. If the school board can review all these ideas and put the best parts from them together, they should have a winner. I know everyone can not be 100% happy with the decisions, but we pay the taxes and reap the benefits from the goal oriented students that we educate, and thank you for hearing us out!

\*\*\*\*\*

Statesman and  
School Board,

I agree something has to be done.

As a taxpayer I'd like to see better use of existing land and buildings in the area.

Buy some land away from the crowded school

zone. Why didn't the school board continue the search for land? I heard Mr. Allmann contacted Seefeldts on S, north of town and they'd be willing to sell more than enough land for a fair price.

Buy land before it's all subdivisions or too expensive. Open Beechwood to handle the problem at Farmington. You say it's too expensive to hire teachers to send to Beechwood -- who was going to teach the new classrooms at Farmington?

\*\*\*\*\*

To: Statesman  
RE: Referendum

It appears the Town of Scott and other outlying areas will continue to vote down ANY and ALL plans until their beloved Beechwood School is reopened. Please don't waste more time voting on this one issue -- it's very obvious. We need to put Beechwood behind us by reopening the school and making the much needed improvements at the other schools.

The stubbornness displayed affects everyone and paints such a negative picture of our district. Costs continue to rise as our sense of pride diminishes.

I voted yes for the referendum but as long as there is going to be a revision, I'd also like to see the separate \$300,000 administrative building nixed. Our administrators don't need to operate in a vacuum. Also -- add the auditorium to the high school instead.

I sincerely hope the board can put together a new plan by 9/18 that ALL board members are in agreement with and appreciate their many efforts to move this school into the 21st century.

\*\*\*\*\*

Dear Editor:

The reasons I voted NO to the referendum came very simply to me -- I paid attention for the past several months regarding this issue by talking to a few board members and facility committee members, and reading the Statesman weekly -- especially the issue the week prior to the vote.

The student base at Wayne does not allow for such a huge expansion. The additions there and at Farmington have grown way out of proportion. I would support utilizing the Beechwood facility which we already own rather than add additional space to Farmington. If you utilize the buildings already in our possession, you would eliminate the overcrowding at this elementary level. Thus meaning no additions to Farmington and Wayne, but please remodel all three outlying schools, cutting the overall cost of the referendum and in turn enhancing the educational value of neighborhood schools. In turn, please increase the maintenance program all

over. We would not be in the spot we are in with Kewaskum Elementary if care was taken through the years.

Thank you.

\*\*\*\*\*

Statesman:

My "no" vote was predicated on the disproportionate sums of money spent on materialistic objects as opposed to student education. The school board continues to function without clear direction, I.E. no viable mission statement, goals or objectives, etc. The competence and intent of the school board and educators invites questioning when an issue as simple as the Beechwood School cannot be resolved. There have been no innovative new approaches presented nor logical schedules developed.

Money spent on bricks and mortar, needless new offices, and bussing are ego builders but do not contribute to educational quality or experience. If certain school facilities have been deliberately permitted to degenerate to add credence to the need for new buildings, heads should roll!

I would suggest a citizen group devoid of special interest parties, brainstorm and develop a feasible, cost-effective plan.

\*\*\*\*\*

My husband and I voted "NO" on the referendum because of the attitude the Board has toward outlying areas. There are several very good plans covering all corners of the District, which they have ignored -- including the voice of taxpayers, administrative and facility committees.

It's time they put their "personal feelings" aside and do the job we elected them for, to service all of us.

\*\*\*\*\*

Dear Editor,

Projects definitely need to be done, but -- We voted no because of the Beechwood School.

It is just plain stupid to keep this building and not use it. There certainly is upkeep on it, one cannot just leave it empty and not have upkeep on it such as heat in the winter months. We would suggest you sell it and put that money received for it towards the project you plan on doing. OR use it, it's as simple as that.

\*\*\*\*\*

Yes, I voted "NO" on the referendum. Being a Town of Scott resident I want my son to go to Beechwood School and I think it's foolish to spend money in Kewaskum when it should be used here in Beechwood for a perfectly good school already standing.

With the growth of Beechwood and the Town of Scott that it is, just the new kids alone could easily pop-

ulate Beechwood School.

\*\*\*\*\*

Dear Kewaskum Statesman,

Thank you for this opportunity! I voted no because of the possibility of KMS and KES being too crowded in the next few years. Use all of our school buildings (Beechwood) to alleviate this problem.

\*\*\*\*\*

The democracy spoke at the Annual Meeting! Now it's up to the board to follow through. This is why I voted NO.

Thank you.

\*\*\*\*\*

Why I voted NO on the referendum:

1) According to the figures for capacity given at the July annual meeting, the new KES will only be large enough for about 20-30 students. With growth in the area, this will not take us 20-30 years down the road, more like 5-8 years. I can't see spending \$7 million for only 20 students for only a few years.

2) With an empty school standing in Beechwood, why would I vote to put millions of dollars into other schools when we could spend that money to open Beechwood. Money would be saved.

I feel the referendum did not pass, and I didn't think it would because you put two serious issues into one vote. Yes, KES needs a new school, but it needs to be bigger than the plans are designed for. Then there is the BES issue of it standing empty while you want to remodel and add to FES and WES, and still leaving BES empty. This makes no financial sense. Also, no one believes that taxes will only go up \$.91 per household,

not when you want to spend \$12 million.

Perhaps two referendums may work. One for KES and one for BES, FES, WES, or one referendum to include all our schools and needs. The board needs to accept the fact that there is a school in Beechwood and it is part of this district. It's time to include it in your budget. It isn't going to go away.

A district taxpayer

\*\*\*\*\*

I voted NO to the referendum because the board is not looking into the future needs of this district.

I am also sick of the Board voting no on opening Beechwood school. A special paid advisory team, a task force and now voters are saying the same thing. Open Beechwood. The money spent on Farmington's proposed new addition would easily pay for opening Beechwood. After all, Beechwood is one of two schools in our district which is handicapped accessible.

My advice to the Board is:

- 1) Build necessary rooms at Wayne.
- 2) Open Beechwood
- 3) Move KES to Middle School
- 4) Move Middle School to high school
- 5) Build a new high school on the east side of the river near Hwy. 28 across from the golf course. (Kewaskum will grow -- look at where West Bend's double high school was built -- in the country and look at it today).
- 6) Use the newer part of KES as administrative building with bathrooms available to use when present ball park is in use. A soccer field could be added to this field as well.
- 7) Build an auditorium with the new high school for

# Pictorial- A Final Tribute to Honor Deputy John Schmitt

Gov. Thompson (center) offers condolences to fellow Washington County officers Eduardo Ramirez and John Thorn.

Washington County Officers lined their squads up on the Peace Church parking lot while officers from surrounding communities and throughout the state lined up on the Holy Trinity parking lot and on village streets in preparation of the heart rendering motorcade.

Waukesha County motorcycle officers led the funeral motorcade through the village to Holy Trinity Cemetery.

The U.S. Flag at Holy Trinity Catholic Church was flown at half-mast in honor of Deputy John Schmitt. A tree was also planted in front of Holy Trinity School to serve as a memory to everyone in Kewaskum of how Deputy Schmitt gave his life in the line of duty.

Statesman Photos: Andrew R. Kuehl

Over 180 squad cars, four rows across, lined STH 28 which was closed to traffic while Deputy John Schmitt was laid to rest in Holy Trinity Cemetery.

Several hundred law enforcement officers from throughout the state of Wisconsin paid their last respects to Washington County Deputy John Schmitt who was killed in the line of duty Monday, Sept. 7.

PD, Sheboygan PD, Dodge County Sheriff's Dept., University of Wis. PD, Shorewood Hills PD, Grafton PD, Hales Corners PD, Iowa County Sheriff's Dept., Theresa PD, Lomira PD, Mequon PD, US Marshall Service, East Troy Township and Village PD, State Park Rangers, Shorewood PD, Kenosha County Sheriff's Dept., Franklin PD, Mayville PD, Horicon PD, Green Lake County Sheriff's Dept., Oshkosh PD, Glendale PD, Greendale PD, Green Bay PD, Brown County Sheriff's Dept., Sauk County Sheriff's Dept., Randolph PD, Fox Lake PD, Winnebago County Sheriff's Dept., Waukesha County Sheriff's Dept., Campbellsport PD, Fond du Lac County Sheriff's Dept., Fond du Lac PD, Port Washington PD, Ozaukee County Sheriff's Dept., Appleton PD, Green Bay PD, Washington County Sheriff's Dept., Kewaskum PD,

Rhineland PD and others. According to Kewaskum Police Chief, Richard Knoebel there were over 180 squad cars in the procession.

According to one of the Governor's public relations staff members, Governor Thompson has ordered the US flag to fly at half mast on the Capital in honor of Deputy Schmitt.

A West Bend family was also injured in the crash. Gary J. Hanson of West Bend was admitted to St. Joseph's with a possible head injury. Information is not being released on his condition.

Sharon, his wife, has been discharged from Froedert Memorial Hospital.

The couple's fifteen-month-old daughter, Alicia, has also been discharged from Children's Hospital.

Wisconsin State Patrol is still actively investigating the crash.

Memorials can be sent in Schmitt's name to: St. Francis Bank, P.O. Box 68, Kewaskum, WI 53040-0068.

## Punt, Pass & Kick Competition At Campbellsport

The Knights of Columbus, Council 11301 of Campbellsport, will sponsor the local Punt, Pass & Kick Competition, Saturday, September 19, at the Campbellsport High School.

Registration will be from 11 a.m. until 12:30 p.m. Entry forms will be made available to local schools and will be available at the event.

Competition will be for both boys and girls, ages 8 to 13. Trophies will be awarded to the top finishers in each age group.

Participants are asked to wear soft-soled tennis shoes. No cleats or boots will be permitted. Each entrant's parent or legal guardian must countersign the official entry blank.

For more information, please contact Jim Bub at 533-8340 or Tom Betts at 533-5425.

## Your Local Library... Take a Look

In memory of Darlene Rohlinger who passed away this summer the family has given a plaque of Darlene to the Kewaskum Library dedicated to her memory. The Rohlinger family has also donated her memorials to the library. To date they have received almost \$1,600. The money is being used to purchase children's books

We were all very saddened this summer by the passing of our employee: Darlene Rohlinger. She provided the

staff and patrons with many smiles over the last nine years. Her family has graciously donated her memorials to the

library, to be used in the children's department. We have collected almost \$1600 to date. Please come in and see her plaque and watch for new additions to our children's section.

The local book Discussion Group is starting up again after their summer break. The book for September is A Lesson Before Dying by Ernest Gaines. In the story, a schoolteacher, who is haunted by his own circumstances, is asked by his grandmother to help a man convicted to death to die like a man. Please join them in the Community Room on Tuesday, September 22nd at 9:30 a.m.

The Wisconsin Authors Book Discussion is being held on Wednesday, September 23rd at 6:30 p.m. This book, Son of the Middle Border, is an autobiographical account of the life of Hamlin Garland. It takes place after the Civil War in Wisconsin. The author went on to win the Pulitzer prize for biography. We have extra copies of both books for people to check out.

The library is now open on Saturday mornings from 9 a.m. to 12 p.m., as well as our regular schedule of: Monday, Tuesday and Wednesday from 10 a.m. to 8 pm and Friday from 10 am to 5 p.m.

The following is a list of

## Yeska Family Reunion Held

Isabelle (Yeska) Muckerheide

As usual, the descendants of Anton and Stella (Paluka) Yeska gathered at the Homestead in Neshkoro, WI for their annual reunion on Labor Day weekend.

With the ringing of a cowbell, the festivities began. The more agile members had a baseball game at Stan O-Gene Park, while us oldsters enjoyed a game of Sheepshead.

The evening saw a huge spread of brats, hamburgers, sweet corn and Kewaskum summer sausage, also numerous desserts and tid-bits.

Around a blazing campfire, we sang all the old songs, accompanied by guitars and banjo. There were solos and duets. The Lord blessed us with beautiful weather. A full moon was shining and stars twinkled above.

The morning saw a family Mass at 10:00 A.M. celebrated by Fr. Joe Schlaefer at St. James Place. After services, the hall was set up for a Golden Wedding of my

youngest sister Lucy, and her husband Henry Kwiz. Their grandchildren spent hours on the beautiful decorations, and happy remembrances. After an excellent meal, dancing was enjoyed to the music of Barbara and the Karousels. A video of old time pictures was presented. An added touch-my nieces's daughter was called to the stage where her boyfriend, John, presented her with a diamond, while on one knee, and asked her to be his wife. She tearfully accepted.

A few of us enjoyed a steak dinner at Silvercryst in Wautoma in the evening.

Monday saw the breakup when guests from Alaska, Florida, Massachusetts, California, Illinois and numerous towns in Wisconsin departed for home.

I wrote a few words in honor of the occasion:

To Lucy and Hank

It was back in forty eight.  
When Hank & Lucy wed  
For fifty years, as side by side;

They earned their daily bread.  
No sweeter person can be found

My baby sister, Lucy  
Her choice of husbands, you must agree

Is one we seldom see.  
Allen Bradley was his home  
For many, many years,  
Then finally he retired  
After blood, and sweat and tears.

Now they live in Neshkoro-  
A haven by the Old Mill stream.

It's still like going "home" again

If you know what I mean.  
Seven children were born to them.

Each one a jewel in their crown  
A nicer bunch you cannot find  
They make the world go round.

So here's to two fine people.  
It is a blessing to know  
God keep you in His loving care,

I love you, doesn't it show?

Isabelle

## COMMUNITY CALENDAR

### SEPTEMBER / OCTOBER

Sept. 27 -- Sunday, Sept. 27, Cedar Campuses Fall Festival at 5595 Hwy. Z, West Bend from 11 a.m. to 4 p.m. Many games and activities for children, antique cars and tractors, Grand Parade at 1:30 p.m. featuring the River City Irregulars, line dancing to the Little Cedar Band, grilled food, pasta dinner, 24 craft booths, and much more. 9-17-31

## Rahal Honored at Road America

Wisconsin Governor Tommy Thompson, right, presented veteran CART race driver Bobby Rahal with a plaque at Road America in Elkhart Lake on Sunday, August 16. The Governor declared Sunday "Bobby Rahal Day" in honor of Rahal's last Road America race.

By Laurie Ottery

Veteran CART driver Bobby Rahal got a great pre-race sendoff from Wisconsin Governor Tommy Thompson and all his fans and friends at Road America in Elkhart Lake on Sunday, August 16, during ceremonies prior to the start of the Texaco/Havoline 200 championship car race.

Rahal, who will be retiring at the end of the season, was honored by Governor Thompson, who declared August 16, 1998 to be "CART Championship Racing Day in Honor of Bobby Rahal."

Thompson praised Rahal's career accomplishments, including his three CART national championships, 24 career victories, and earnings in excess of \$16 million on the CART FedEx circuit.

Thompson also presented Rahal, who also has three Road America victories in other classes of racing, but has never won a CART race there, an original print by Artist John Hill, which showed Rahal driving some of the various types of sportscars at Road America during his career.

Jonathan Laun, Road America's Chairman of the Board, also honored Rahal with a presentation of a lead crystal vase from Ireland, which included a hand-carved likeness of Rahal on one side and the inscription "Rahal's Last Ride" and the date of the race on the other side.

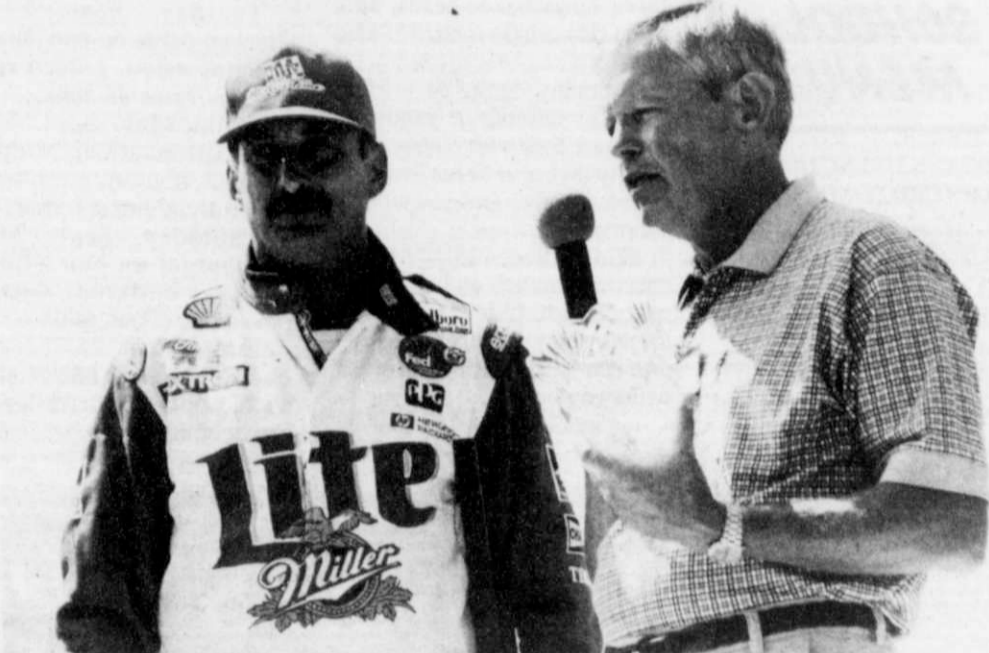

Around the bottom of the vase were the words, "From all your friends at Road America."

Bobby Rahal considers the track at Road America like home. "I've been going to Road America since I was four," he stated, adding, "I started going up there with my dad (Michael) when he was racing. We'd walk around the entire track watching the 500-mile race. If there is one word to describe Road America, it's fabulous. It's four miles of the greatest track in North America... certainly one of the greatest in the world. I don't know anybody who dislikes this place. It just gives a racing driver everything he wants in a race track."

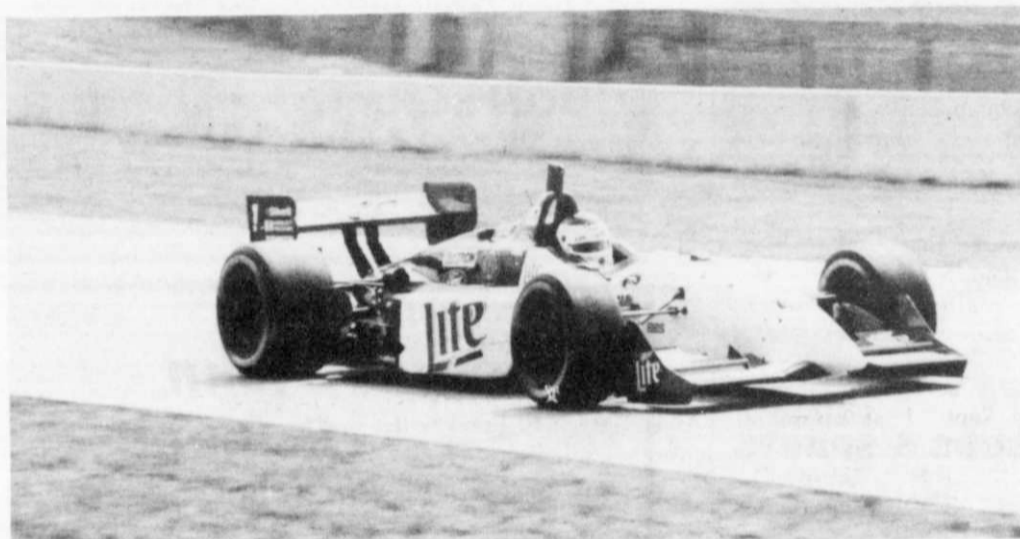

Although his last race was not the desired win for the Rahal team it was eventful. In the qualifying rounds held on Saturday, teammate Bryan Herta showed up his boss by passing him on the final round and placing second in the grid position with a speed of 145.628 mph (1:40.069). Rahal finished third with a 145.228 mph (1:40.344) lap.

Rahal discussed the round during a press conference. "I was pleased I was second and then my teammate dropped me to third. I wasn't so pleased then," he joked. "He has to fix whatever he wrecks," he added.

When asked what happens if they are that close during the race, Rahal said, "Bryan is to move over and follow me basically. The pol-

Bobby Rahal, left, was presented with a lead crystal vase from Ireland by Road America Chairman of the Board, Jonathan Laun. The vase included a hand carved likeness of Rahal on one side and the inscription, "Rahal's Last Ride."

Veteran CART driver Bobby Rahal is shown in his last Road America ride on Sunday, August 16. He will be retiring at the end of the season.

Laurie Ottery Photos

icy is to let the best man win. Just one thing: don't run into each other. That's the cardinal rule."

During the race, Herta was leading Rahal by .157 seconds in lap 10. As they rounded Turn One of lap 11, Rahal passed. Going into

Turn Five, Herta broke that cardinal rule tapping the rear of Rahal's car, spinning into the wall and it came to rest in the run-off area. Four seconds later rookie driver Alex Barron slid off course and ran into and

came to rest on top of Herta's car.

Both Barron and Herta managed to escape uninjured, but were removed from the race. Rahal started the race in third on the grid and finished in eighth place.

## Regal Hires Two New Product Designers

KEWASKUM -- Regal Ware, Inc. has hired Dan Jaehnke and Brenda Parker as its newest product designers.

In this position, they will assist with the design of cookware and electrical products, from the concept stage through the production process, using pro-engineering techniques.

Prior to joining Regal, Jaehnke worked as a senior CAD designer at Sage Products, Inc. in Crystal Lake, Illinois. He has more than 20 years of experience as a drafter/designer, including work at Whirlpool Corporation in Benton Harbor, Michigan.

Jaehnke earned his certification in mechanical drafting and design from Moraine Park Technical

Institute in West Bend. Jaehnke, his wife Jenny, and their two children live in Delavan, but will be relocating to the Kewaskum area soon.

For the past 25 years, Parker has worked for the Cummins Engine Company in Columbus, Indiana, most recently as a tool design draftsman. She studied mechanical engineering technology at Indiana University and Purdue University. Parker and her husband, Dana, live in West Bend. They have three children.

Regal Ware, Inc., is a major manufacturer of cookware and kitchen electrics with headquarters in Kewaskum.

## Senior Citizen ID Cards Being Issued

Are you 60 years old or older and a resident of Washington County? Senior Citizen Identification Cards will be issued on Thursday, September 24, 1998, from 2:30 to 4 p.m. at the Washington County Senior Center, 401 E. Washington Street, West Bend.

Information needed includes your Social Security number, person to contact in case of an emergency and their phone number and your doctor's name and phone number. Your picture will be taken. The cost of each card is \$1.00.

Where there is room in the heart there is always room in the house.

# OBITUARIES

## VILAS A. KRUEGER

Vilas A. Krueger, 71, of Theresa, died Tuesday, Sept. 8, 1998, at All About Life Rehabilitation Center, Fond du Lac.

He was born March 15, 1927, in Theresa, to the late Raymond and Adela (Machael) Krueger, and married Patricia Ritger on April 4, 1964, at Zion Lutheran Church, town of Theresa.

He had been employed by The West Bend Company for 34 years, and was a member of its 25-Year Club.

Vilas was a U.S. Army veteran, serving from 1950-'52, a member of St. Peter's Lutheran Church, Theresa, and the Miller-Justman-Guelig American Legion Post 270 of Theresa.

Survivors include his wife; a son, Brian W. of Theresa; a daughter, Kimberly A. Krueger (special friend Tony Page) of Theresa; his mother-in-law, Johanna Maeder of Allenton; an aunt, Bernice Breyer of Mayville; two sisters, Delores Gassner of Tigerton and LaValle (Donald) Christian of Theresa; two brothers, Raymond (Audrey) of Kewaskum and Willard (Shirley) of Waupun; nieces; nephews; and other relatives and friends.

Preceding him in death were a brother-in-law and a sister-in-law.

Funeral services were held Friday, Sept. 11, at 3 p.m., at St. Peter's Lutheran Church, Theresa. Rev. David D. Aderman officiated and burial was in Union Cemetery, Theresa. Graveside military rites were held by Miller-Justman-Guelig American Legion Post 270, Theresa.

Visitation at the church only was on Friday from 11 a.m. until the time of services.

Memorials may be made to St. Peter's Lutheran Church, Theresa.

The Koepsell Funeral Home, Mayville, served the family.

## VIRGINIA M. DAHMAN

Virginia M. Dahman, long time resident of Prairie Du Chien, died Thursday, Sept. 10, 1998 at Prairie Du Chien Memorial Hospital.

She was born the daughter of Anthony and Mathilda (Maha) Kavon. She married Wilfred Dahman on June 11, 1935 in Galena, IL. He preceded her in death on April 10, 1992. She was an avid dog lover.

Survivors include two sons, Larry (Sharon) Dahman of Prairie du Chien and Manuel (Judy) Dahman of Kewaskum; a brother, Paul (Stacia) Kavon on Plentywood, MT; a sister Elizabeth Zlabek of Eastman; five grandchildren, Sam, Traci, Laurel, Renee, and Sue, along with six great grandchildren.

She was preceded in death by her parents and three brothers, Daniel, Anthony and Martin Kavon.

Funeral services were held on Monday, Sept. 14, 1998 at 11:30 a.m. at St. Gabriels Catholic Church in Prairie Du Chien. Rev. John Wambach

officiated. Burial was in the Calvary Cemetery in Prairie Du Chien. Friends called after 4 p.m. on Sunday at the Garrity Funeral Home, where there was a Rosary held at 4:15 p.m. and a wake scripture at 8:30 p.m.

The Garrity Funeral Home in Prairie Du Chien served the family.

## ELMER O. BEHR

Elmer O. Behr, 75, of Slinger, formerly of Racine died Sunday, Sept. 13, 1998, at Hartford Memorial Hospital, Hartford.

He was born Jan. 7, 1923, to the late Albert and Augusta (nee Schemling) Behr, and after school served in the U.S. Army during World War II.

On Sept. 15, 1951, he married Betty L. Sampson in South Milwaukee.

He was self employed as a painter for Brandt-Neilson of Milwaukee, and later was a factory worker for Miller Brewery, Milwaukee, for over 32 years, retiring in 1983.

The couple moved to the Slinger area in 1963.

Survivors include his wife; three children, Alan of Slinger, Roxanne (Richard) Heppner of Campbellsport and Ronnie of Slinger; four grandchildren, Jennifer (Michael) Stopar of Slinger, Christopher, Jeanna and Megan Heppner, all of Campbellsport; a great-grandchild, Alyssa Stopar of Slinger; a nephew, Darrell (Ann) Tietzen of Franksville; and other relatives and many friends.

Preceding him in death were two sisters.

He was a member of Brewery workers union of Milwaukee.

Funeral services were held Wednesday, Sept. 16, at 7 p.m. at the Phillip Funeral Home, West Bend. Rev. Frank A. Bauman officiated, and cremation was at Parkview Crematory of Fond du Lac.

Visitation at the funeral home was on Wednesday from 4 to 7 p.m.

## INFANT CASSIE FLORENCE RUPLINGER

Cassie Florence Ruplinger was born on Sept. 9, 1998 and taken immediately into God's loving arms.

Cassie was the daughter of Jeff and Dawn Ruplinger of West Bend, and is survived by two loving sisters, Heather and Rachel, devoted grandparents Joan Laabs of Saukville and James and Christine Ruplinger of Campbellsport, and great grandmother Myrtle Sadowsky of Grafton. Cassie was also loved by Aunt Kim Laabs and cousin Cory Laabs of Saukville.

Private services will be held at a later date.

With you go our hopes, our love and our dreams.

## IN MEMORY

In loving Memory of JOANN GROSS, who passed away one year ago, Sept. 18, 1997:

It's been one year since you left us. We think of you so often and miss you dearly. Time has a way of healing all the hurt and pain. But it really never goes away. We wish you were here with us, to see how we have grown. We hope that we'll meet again someday. So we may re-unite our family. We all love you, JoAnn. We want you to know we care. May God take care of you, and keep you, with Him

It's been a year since we saw you last. Many tears have been shed with many more ahead. You were our "HERO," the rock of the family and when we said "good-bye," it was such a tragedy.

The memories of you are all that we have and we promised you we wouldn't be sad. We'll never forget our talks, the trips to the mall, and when we would drive you up the wall. Your sense-of-humor was greatest of all, you'd laugh and giggle in spite of it all.

You died as a Wife, Mother, Grandmother and our Best Friend too and boy do we miss you. We'll never forget you, for everyday we pray, the big and the small, that you are at peace and still loving us all.

Deeply missed and never forgotten

Lawrence

## CARD OF THANKS

With heartfelt thanks from the family of Helen Horwitz, to relatives, friends and neighbors for your sympathy, prayers, flowers and memorials.

Special thanks to the nurses on the second and third floors and third-floor sub-acute at St. Joseph's Hospital for the care and concern shown to our mother. A "very special" thanks to Mary Strobel of Vitas Hospice Services for being there for us everytime we needed her, even on her days off, to Larry and Louise Martin, Miller Funeral Home, and to anyone who showed their respect.

Your thoughtfulness will be remembered.

Gerry & Glen Mueller  
Kathy & Dick Kiesner

## Letters to The Editor

### VOTER APATHY FOR SCHOOL REFERENDUM:

It is with great concern that this letter is being written. Not by the results of the referendum as much as the lack of votes. Less than 30% of the eligible registered voters cast their ballots in the school referendum. That means that only 30% is speaking for the remaining 70%, not good for any community.

In a country that prides itself on the privilege of freedom to vote and freedom of speech. It is difficult to understand how or why a person would give up his or her opportunity to be a part of the community in which they live.

Many lives were given in many wars and conflicts to give you and your neighbor the freedom to exercise your right to vote. As a citizen it is your duty to vote in any and all elections and have your voice heard. You must travel to a country where the people can not vote and hear how great it would be if only they could vote and be heard without the fear of some reprisal act against them.

Do your duty as a citizen, of this great country, and cast your ballot at every opportunity -- make your vote count.

Dear Editor:

The defeat of the Kewaskum School referendum will only delay the inevitable as the renovations to these schools, especially the Kewaskum Elementary School, which in its present condition, may soon have to be condemned, must be completed and the longer it's delayed the costlier it becomes. This was a thoroughly studied, economically and feasibly sound plan which comes as close as possible to satisfy the majority of the people affected yet the majority failed to consider it important enough to vote.

It amazed and confused me that while the county board's recent poorly planned and extravagant spending spree which generated a county sales tax and our so called state representatives initialed another area sales tax for a stadium which will cost much more than the proposed school improvements, hardly a whimper from local residents was heard, yet when the improvements to area schools, which are extremely beneficial for "all" Kewaskum School District students, including the Town of Scott's, directly, we decide that it is not important enough to get out and vote. This was all done under the guise of being done for the benefit and education of

future generations who will eventually end up paying for it.

In my opinion this referendum should again be initiated as is by the Kewaskum School Board or with a few minor changes in the wording in the November election. Hopefully, "all" eligible voters would then deem it important enough to do their children a favor and approve it.

This is not the time to conjure up petty grievances but to do what eventually must be done. By insisting that the Beechwood School be opened at this time is simply not economically sound as there are not enough students in the area to support it and it would not change the fact that the additions to Farmington will still be needed. One only has to look at the farmland for sale and the new homes being built in the immediate school area to realize to delay this would only mean more expenses for expansion in the near future.

Thank you,  
Lloyd A. Koch

\*\*\*\*\*

To the Members  
Of the School Board:

It seems again the public has spoken -- you lose. Don't you think that by now you should have learned that people are disgusted with you. You have tried many, many times to shove your agendas down the voters' throats and lost.

Over 75% plus of my property tax go to the school system and yet you want more. There are homes going up all over the Kewaskum School District. That means you are getting more money, but just like children, the more you get the more you want. Why can't the Beechwood School be used as your administration building as it isn't being used for anything else and although it is empty, it still has to be kept up. Put it to some use. Everytime the Beechwood School is brought up you don't want the public involved, but we are involved. It is our money you are wasting, but you don't seem to care.

I would like to see a referendum put on the ballot asking the voters if you should all be replaced and a new board elected. I'll bet the answer would be a resounding yes.

Please come down to earth and try to save some money instead of spending it and asking for more. I think that your actions are deplorable. At the least. This is not a perfect world so please give some thought to what you are doing. The older people cannot put up with your high taxes. Give us a break.

Yours Truly,  
Kenneth Stelzel

## Beechood Powers Way to League Tournament Championship

Front Row: Left to right: Laura Janz, Christina Janz, Trisha Krebs, Erin Krueger, Ali Heise.  
Back Row: Samantha Kreuger, Sara Disler, Becky Heisdorf, Nicky Fischer, Erin Theusch, Jessica Panzer, Theresa Schultz.

The weekend of July 17th and 18th saw ten converge on Adell for the annual Kettle Moraine Senior Girls Conference tournament.

Action for Beechood began on Saturday against Adell. They started early with five runs in the first and proceeded to knock off Adell by a score of 11-4. Erin Krueger and Christina Janz each went 3X4. Erin had a homerun and five RBI's. Jessica Panzer and Ali Heise were 2X3.

Game 2 was played against close-rival Batavia. Again, Beechood started hot with 4 runs in the first, but put the game away with a 10-run outburst in the fourth inning. Six hits and five walks highlighted the inning. Sara Disler and Trisha Krebs led Beechood by going 3X3 at the plate. The game ended early due to the twelve-run rule with a score of 17-5.

After the first two rounds had been played, the competition had been narrowed to two teams in the Winner's Bracket. As has happened often in the

last two years, Random Lake and Beechood met in another big game. And again, the crowd was treated to a thrilling, intensity-high game.

A see-saw battle ensued with Beechood winning in the bottom of the seventh on a Laura Janz 2-run home run bringing the score to 11-10. Hitting abounded against Random as Beechood collected 14 hits. Leading hitter Erin Theusch went 3X4 with two triples. Sara Disler also went 3X4. Erin Krueger, Trisha Krebs, and Laura Janz went 2X4.

With putting Random Lake into the Loser's Bracket, Beechood had the advantage of being the only unbeaten team in the tourney. Random Lake battled their way through the Loser's Bracket to challenge Beechood for the championship title. Beechood again hit well, amassing 17 hits, but it was not enough as Random forced a second game by beating Beechood 14-8, giving each team one loss.

In the final game of the day, the Random -versus-Beechood intensity continued, this time for all the marbles. With the score tied 4-4 after three innings, it looked like neither team would take control. But in the bottom of the sixth, Beechood pushed 4 runs across for a dramatic 8-4 win.

Christina Janz went 4X4 and Laura Janz went 3X4 to lead Beechood hitting.

After the tournament, Coach Harry Krueger com-

mented "I was proud of each girl's effort in contributing to the championship win. Without the poise that the girls demonstrated in the final game, we would not have won. It made me glad to be a part of the experience."

### IN LOVING MEMORY

In loving memory of our mother JUDY SEEFELDT, who passed away twenty years ago, Sept. 18, 1978.

A heart of gold stopped beating  
Working hands were put to rest  
God broke our hearts to show us  
That he only takes the best.  
We can not bring the old days back  
Your hands we can not touch  
But we'll always have the memories  
Of you, whom we love so much.  
Our family chain was broken  
And nothing seems the same  
But as God calls us one by one  
That chain will link again.  
It broke our hearts to lose you  
But you did not go alone  
For part of us went with you  
That day God called you home.  
Only a cluster of memories  
Sprayed with a million tears  
Wishing God had shared you  
For many more happy years.

Deeply missed by her children, Lenny, Tammy and Brad

## Simple Steps Can Help Hunters Avoid Falls from Tree Stands

The tree stands popular among Wisconsin hunters, especially among archery enthusiasts, help improve the hunters' visibility and decrease the chance their scent will spook their prey. But the stands also can be precarious perches if they're used incorrectly or carelessly, Warden Doug Bilgo says.

Research shows that one out of three hunters will fall from a tree stand sometime during his or her hunting career. Falls can be caused by a variety of factors, including a

weakness in the stand's structure, incorrect installation of a tree stand, failure to use a safety harness, and hunters dozing off while on the stand.

Tree stands can also be a factor in other hunting accidents, such as when hunters shoot themselves while climbing trees with their guns, or when bow hunters fall on their arrows.

Warden Bilgo recommends that hunters who plan on using tree stands follow these precautions to avoid accidents:

- Check permanent tree stands every year before hunting from them, and replace any worn or weak lumber before it breaks;

- Read, understand, and follow the factory recommended practices and procedures when installing commercial stands;

- Inspect portable stands for loose nuts and bolts each time the stand is used;

- Use either a safety belt or harness;

- Know what you should do if you slip while using a safety device;

- Use a haul line to raise and lower your equipment - and keep firearms unloaded and arrows in a covered quiver;

- Select a tree - one large enough to support your weight -- before the season. Some mishaps occur as hunters are hurrying to set up their stands on opening morning.

- Make sure someone else knows the location of your tree stand and knows when you will be hunting there;

- Stay awake.

### A BIRTHDAY TRIBUTE TO DOROTHY KAEHNE SEPT. 21ST

We are thinking of you today, but that's nothing new. We think of you in silence and often speak your name. We have so many memories and your picture in a frame. Your memory is our keepsake with which we will never part. God has you in His keeping, we have you in our hearts.

Sadly missed by your family & friends  
Always in our heart "Ma"

## Team Captains Announced for KEYS Run Walk

Connie Zemlicka (WES), left and Mary Krell (KHS), right listen as KEYS chairman Jim Wessing explains the procedures of the run/walk with them. Also shown, left to right, are Mary Ann Wagner (KES), Chris Dehler (FES), June Gauvin (HTS) and Lorey Weston (KMS). All the ladies serve as team captains for their respective schools. Statesman Photo: Andrew R. Kuehl

Bikes, rollerblades, Badger sweatshirts and hundreds of dollars await participants of the fifth annual KEYS (Kewaskum Youth Scholarship) Scholarship 5K run/walk on October 11.

The run/walk, held in conjunction with Kewaskum Kettle Kountry Kolors, begins at 11:00 a.m. on the south end of Parkview Drive at Riverhill Park. As, always, the money raised will be used towards scholarships for graduating KHS students. Although registration is accepted up until race day, the pre-registration deadline (to insure a proper-sized t-shirt for each entry) is Monday, September 21.

Again this year, students at each of the Kewaskum schools (KES, WES, FES and KMS) and Holy Trinity will have the opportunity to win a Trek 800 Sport Mountain Bike or Trek 700 Bike (one per school) by participating in the event. Other prizes have also been increased. Ray's Shoes will award cash awards of \$100 for 1st, \$75 for 2nd and \$50 for 3rd to male and female winners. Additionally, any individual male and female setting a course record (males under 14:31, females under 17:50) will receive a bonus award of \$200. Medals will also be presented to the first three male and female finishers per age group.

Pledge incentives continue to grow. Bauer brand "rollerblades" (from Pedal Moraine) will be given to those bringing in \$200.00 or more in pledges, or to any person signing up twenty or more members to join them in the run/walk, or any person signing up five people and collecting \$150 in pledges.

Two Northwest Airlines coach tickets for domestic use will be enjoyed by the top individual 19 years of age or older turning in the highest pledge amount on race day (thanks to West Bend Travel). \$300 pledges or more will receive a \$50 gift certificate from Kewaskum Subway.

Advance registration is \$12.00 per person or \$36.00 for a family of four (\$8.00/each additional family member). The fee for those waiting until race day is \$15.00. Registration forms are

available at KHS, Miller's Furniture and West Bend Saving Bank.

To get in on the fun (and the prizes!), make sure to register for the KEYS Scholarship 5K Run/Walk.

Another way to make your car run better is to have a salesman quote you the price on a new model.

### Auto Service

## ROGER & DAN'S AUTO SERVICE

"Your Complete Auto, Tire & Towing Service Station in This Area"

Hwy. 45 South, Kewaskum

626-2888

24 HOUR TOWING SERVICE

UNIROYAL

Another school year is upon us and it is a good idea to evaluate some issues that effect our children. I would like to talk about our athletic organizations in our grade schools, middle schools, and high schools. It seems that as time goes on we lose track of what is important to our children, and sometimes substitute attitudes that are important only to us. I feel very strongly about having a new statewide athletic code written for the purpose of never letting our coach's and community lose sight of our children's most important needs. It's also important for us adults to remember that even our high school students are still only children, and at the most, incomplete adults. We could ask any child from grade school to the high school level, "what is more important?" winning at this level or being able to compete and participate. The answer is obvious, because even as adults given these same choices we would rather participate. Our children have a whole lifetime of brutal competition awaiting them when they enter the workforce; where only the best and strongest and most aggressive succeed. Let's not steal their innocence from them before it's time.

We have athletic codes that punish children for being at parties where there is alcohol, even if the child did not drink. We have no punishment for a coach who humiliates children by not playing them at all, or screaming at them during the game and timeouts, or by one of the most cruel things a coach could do, putting the child in the game for 30 seconds after the outcome is all but certain. I ask you, which is the greatest sin; "going to a party?" I wonder what a coach would do, whom more than likely is an ex-jock, if he was the one put in the game for 30 seconds.

I know that in the classroom and the practice field we teach our children to be community and team orientated, but then when the game starts they are excluded from the team and actually berated for not paying attention. We all must remember that our young people are much more observant to what we do than to what we say. We must remember that our actions must be a reflection of our teachings. If we want to talk about sportsmanship, team spirit, humility, kindness, and compassion we must exude those qualities.

It was said once that organizations are only as great as its members are. Well, the same can be said about our communities. As taxpayers we must demand more from our schools and the activities they sponsor. As taxpayers and parents we must seek change from our athletic directors and school board. The system is greatly flawed. We must seek change.

At one of the athletic meetings that I was required to attend, one of the speakers told us parents and our children that is is a privilege for our children to participate in sports. I'm sorry but; as a taxpayer I feel my child has as much a right not only to be on the team; but also to participate in the games as any other child in the community does. Do we tell children with learning disabilities that they can't go to school and get the same education as everyone else? I stress again as taxpayers we have every right to have our children in sports and participating. I'm sorry Mr. Speaker, but you, our coaches and our teachers are the ones who are privileged. As parents we are entrusting you with our children, tell me how could there be a bigger privilege.

The time has come for communities and schools to start promoting athletics for all students, which is one of the surest ways to get our children off of the streets and involved in the community. That is why it is important that we are careful about who coaches our children. Ex-jocks probably are not the best choice, unless they can learn to leave their egos at home and remember that they are there for all the kids, and not just the most talented. Please remember we cannot relive our past, so let us not ruin our children's present. Let's not have a point system that eventually eliminates everyone but the most aggressive kids. Let's not have mandatory practices on weekends and holidays and punish the kids that don't make it. Please remember that most kids want to be a part of something, but they also know that they don't want to be a professional athlete. The time has come for us to set practices and team requirements at a level that is comfortable for the majority of kids, not the handful that has some aspirations of playing college or professional sports. After all what is the percentage of students that even make it to the next levels. Think of how many less juvenile problems we would have if we use our tax dollars to help the multitude instead of just the few.

The other important issue for a coach is when he or she has children playing. Being a parent myself, I can't think of a more difficult situation to be in, either for the kids or the coach. It's a no win situation unless you adapt a coaching philosophy of letting all players participate in all games at all times of the game. At times there is a lot of criticism directed to such coaches, and it happens at every level. I believe that they have good intentions but sometimes their judgement is clouded by their love for their children. So once again let's change our athletic code to demand that coaches play every player that is not under any rules violations.

Here are some tough questions coaches should ask themselves every day so as not to fall into that trap of "winning is everything."

1. Am I here for all the children or only the ones with potential?
2. Am I here to show the kids HOW to win as a team or am I here to win at all cost no matter who it hurts?
3. Am I here for all the kids or for some unfulfilled personal reasons?
4. Do my actions during practices and games exude what we teach our kids in school and at home?
5. Do I have compassion for all the children, and am I sensitive to their hurt and embarrassment?

Please keep this letter with you as a reminder as time goes on. Remember athletics should be fun for all of us -- kids and parents alike, and no one has more control over that than the coaches.

# Girls Team Wins First Meet; Boys Place Second

**KEWASKUM GIRLS CROSS COUNTRY TEAM**

Front row, left to right: Colleen Gosa, Emily Rinzel, Carol Neumann, Kelly Darmody. Back row: Amanda Schulist, Emma Chambers, Michelle Zingsheim, Heather Hackbarth, Lauren Schultz, Coach Dave Drexler.

**KEWASKUM BOYS CROSS COUNTRY TEAM**

Front row: Chris Weninger, Danny Wall, Josh Rieder, Brendan Weinhold. Back row: Josh Repovsch, Bryan Kraft, Scott Mueller, Darrell Woebeking, Josh Kropp, Brian Wall, John Neumann, Jason Schreffler, Cory Wendegatz, Coach Dave Drexler.

The Kewaskum High School cross country team hosted Sheboygan Falls and Howards Grove on Sept. 1. The Kewaskum girls' team, consisting of nine members, won being the only team who had five counters for the scoring.

Three strong runners made up Sheboygan Falls' team, all placing in the top five and dominating the race for the girls. Amber Arthur, a senior at Sheboygan Falls, controlled the field by running the course in 16:50 coming in first for the girls.

Twenty-five seconds after Arthur came teammate Shela Schwartz, placing second with a time of 17:15. Jessica Hartman was Sheboygan Fall's last runner finishing fifth with a time of 17:44.

Senior Carol Neumann led the Kewaskum runners finishing third behind Arthur and Schwartz. Neumann ran a time of 17:18, placing her third overall.

Next came three great finishes by three of the sophomores on the Kewaskum team. First was Colleen Gosa who followed close to Neumann for most of the race, and finished fourth with a time of 17:27. Next came Emily Rinzel finishing sixth with a time of 17:58. Then Kelly Darmody finished seventh with a time of 19:20.

Next came three consecutive finishes for Kewaskum. First, came senior Emma Chambers, finishing ninth with a time of 19:50. Her teammate, Heather Hackbarth, a sophomore, came in tenth, running the race in 20:17. Junior Michelle Zingsheim finished 11th with a time of 20:25.

Freshman Lauren Schultz placed 13th with a time of 20:57. Senior Amanda Schulist finished 14th, running the course in 20:59.

Jenny Bonde from Howards Grove led her team, consisting of three mem-

bers, taking eighth place with a time of 19:49.

Sheboygan Falls' boys team won having only 24 points. All five of their counters were in the top ten. Randy Schwartz led his team running solo for the entire race. He ran a great race placing first with a time of 17:45. Teammate Mike Williams finished second running the course in 18:56.

Senior Danny Wall and freshman Bryan Kraft ran close for the entire race. Wall finished sixth, running the course in 19:55. Kraft ran an excellent race finishing only one second behind Wall with a time of 19:56, placing him seventh.

Sophomore Brian Wall was next for Kewaskum, finishing 11th with a time of 21:01. Senior Chris Weninger followed, coming in 12th, running the course in 21:07.

Senior Scott Mueller had a time of 21:14, finishing 14th. Then came freshman

Josh Repovsch, placing 15th with a time of 21:54.

Senior Josh Rieder, coming back from an injury, placed 19th with a time of 23:13,

Sophomore Darrel Woebeking ran the course in 24:16 placing 22nd. Freshman Cory Wendegatz finished 23rd overall, with a time of 24:24. Freshman John Neumann's time was 24:54, placing him 25th. Junior Brendan Weinhold

came in 27th with a time of 25:39. Freshman Jason Schreffler ran the course in 26:04, finishing 28th. Josh Kropp, also a freshman, was 30th overall, with a time of 31:07.

Joey Holzwart led Howards Grove with his third place finish and time of 19:03. Teammate Paul Holzwart took fifth with a time of 19:50. Howards Grove finished third with 54 points.

## Neumann Finishes First

# Girls Win Parents' Night Meet

The Kewaskum cross country team members recognized their parents on Sept. 3, for Parents' Night. The meet was followed by a dinner for the parents and runners.

The Kewaskum girls team won a close meet against New Holstein. Kewaskum had 27 points compared to New Holstein's 28 points. "This meet shows how important it is for everyone to run their best. Passing an opponent or getting passed can make the difference in a meet," Coach Dave Drexler said, emphasizing the importance of each member.

The Kewaskum girls all ran great times, almost all members had personal bests, improving their times from their previous race on Tuesday, Sept. 1. Carol Neumann ran an excellent race finishing first overall for Kewaskum with a time of 17:11. New Holstein's Sarah Hageman was next, finishing second, running the course in 17:17. Next was two finishes for Kewaskum. Colleen Gosa followed close to Hageman, placing third with a time of 17:20. Then came Emily Rinzel, finishing fourth with a time of 17:53.

Kewaskum then had six

## Indians Shoot Down Falcons

By Andrew R. Kuehl  
Staff Writer/Photographer

The Kewaskum girls volleyball team started off slow Tuesday when they traveled to Sheboygan Falls but that soon changed as the girls picked up the pace to defeat the Falcons 10-15; 15-11 and 15-5.

"After a slow start in the first game, the girls took control in the second and cruised in the third," said Coach Dave Rizzardi.

Victory was definitely running through the veins of the twin duo of Sarah and Laura Schwinn, as Sarah scored 14 points for the team and punched out four aces by the end of the matches. Laura had 12 assists after all was said and done.

Sarah Williams provided two saves for the Indians.

Their conference record was 2-0.

### CNA'S NEEDED

Caring, conscientious CNA's needed. If you enjoy working with the elderly, we have a few positions available on days and PM's. Start immediately.

### BEECHWOOD REST HOME

in the Village of Beechwood  
920-994-4717 or 414-626-4258

consecutive strong finishes. First was Kelly Darmody with a time of 19:52, placing ninth. Then came Emma Chambers, placing 10th with a time of 19:52. Heather Hackbarth was next, finishing 11th, running the course in 20:18. Michelle Zingsheim ran the race in 20:21, placing her 12th. Lauren Schultz took 13th place with a time of 20:37. Amanda Schulist's time was 20:38, taking 14th place.

The Kewaskum boys cross country team also won against New Holstein. Kewaskum's places added up to 27 and New Holstein's places added up to 32.

Justin Schmitz and Josh Escher finished first and second, leading New Holstein. Their times were 18:25 and 19:54.

Kewaskum had three strong consecutive close finishes. Danny Wall placed third with a time of 20:00, and Bryan Kraft took fourth place with a time of 20:04. Brian Wall followed close, finishing fifth with a time of 20:08.

Next for Kewaskum was Scott Mueller who ran the course in 20:40, placing seventh. Then came Josh Repovsch taking eighth place with a time of 20:51.

Chris Weninger took ninth place with a time of 21:16. Jason Schreffler finished 11th with a time of 21:51. Taking 12th was Josh Rieder with a time of 22:14.

Josh Kropp improved his time from the last meet almost five minutes faster. He finished 14th with a time of 25:31.

Brendan Weinhold came in 15th with a time of 25:50. John Neumann's time was 25:58, placing him 16th. Cory Wendegatz finished 17th overall with a time of

26:49. Darrell Woebeking finished 18th, running the course in 28:13.

### Village Board Meeting Monday

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin Village Board is scheduled for Monday, Sept. 21, 1998, at 8:00 p.m. in the Municipal Building, 204 First Street.

The agendas for the meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of St. Francis Bank.

A drinking glass is sometimes called a beaker from the Greek biko, or wine jar.

### MEETING NOTICE

There will be a Special Closed Session Meeting of the Kewaskum School District Board of Education on **Thursday, September 17, 1998**. Said meeting to commence at **6:30 p.m.** in the Guidance Conference area of Kewaskum High School.

#### AGENDA

1. Call meeting to order
2. Roll call of members
3. Motion to go into Closed Session as per State Statute 19.85 (1) (e) "Deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session." and (f) "Considering financial, medical, social or personal histories or disciplinary data of specific personnel problems or the investigation of charges against specific persons except where par. (b) applies which, if discussed in public, would be likely to have a substantial adverse effect upon the reputation of any person referred to in such histories or data or involved in such problems or investigations.
  - a. Discuss payment of legal bills.
4. Adjournment

### MEETING NOTICE

There will be a Special Meeting of the Kewaskum School District Board of Education on **Thursday, September 17, 1998**. Said meeting to commence at **7:00 p.m.** in the Commons at Kewaskum High School, 1510 Bilgo Lane, Kewaskum. Anticipated agenda items include the following:

#### AGENDA

- I. Call meeting to order - President Goeden
- II. Roll call of members
- III. Approve initial resolution authorizing General Obligation Bonds in an amount not to exceed \$17,000,000
- IV. Approve initial resolution authorizing a recurring referendum in the amount of \$200,000 for the 1998-99 budget year and each succeeding budget year.
- V. Approve resolution providing for a referendum election on the question of the approval of an initial resolution authorizing issuance of General Obligation Bonds in an amount not to exceed \$17,000,000
- VI. Approve resolution providing for a referendum election on the question of the approval of a recurring referendum in the amount of \$200,000 for the 1998-99 budget year and for each succeeding budget year.
- VII. Adjournment

# WHY DID YOU VOTE NO??

(Continued from Page 11)

grade and middle school's use as well as the community.

8) Do this soon, as interest is attractive and we need a place for our children to learn. Schools are cheaper than jails. Let's give our students a place to learn to keep them from jails.

P.S. Some board members need to bury the hatchet and move on!

Thanks.

\*\*\*\*\*

### Suggestions regarding referendum:

1) I'd like to see land bought on the outskirts of the village to build a new high school WITH an auditorium. This would eliminate a lot of traffic in town.

2) Move KMS to present KHS.

3) Move KES to present KMS.

4) If we're going to add on to outlying schools -- expand enough so there's extra room for future growth.

5) Put each individual project on the referendum as a separate vote -- including the opening of Beechwood.

\*\*\*\*\*

### To the Kewaskum School District:

Everyone worked so hard -- the committees, superintendent, business manager, and the school board. The people asked to have Beechwood on the referendum. So please let's not let all the studies go by the wayside.

Thank you.

\*\*\*\*\*

### The reasons we voted no:

1) Beechwood School should be voted on or go with previous recommendations to open it. The public must be listened to if our school system is going to work.

2) Need to be sure that KES is built in a safe area for our young children.

3) Remodeling plans did not include a great amount of classroom space. It seems priority goes to sports needs and best equipped workout rooms, instead of putting best education goals up front.

4) It seems it would be more cost effective to put new offices in the new school as opposed to a new building. Heating and cooling alone would make a big difference.

Two retired Village of Kewaskum residents

\*\*\*\*\*

### To Those Concerned Why I Voted No:

After receiving the fact sheet (only a few days before voting day), I had questions. Yes, there is a need for a new elementary school, however, why should an administrative office cost \$300,000? I was told that these employees (of mine) needed a nicer building than what they were in. By the way, I understand that there's a house for sale across from the elementary school that could possibly be renovated to accommodate these SIX people. Also, people seem to think it's OK to leave one building (Beechwood School) lay vacant, but have to build something new. Gee, wouldn't this make a good administrative building, seeing how certain people are so stuck on not reopening Beechwood as a school. In this day and age of computers, fax machines and... telephones, offices do not necessarily have to be located on the premises.

Also, I saw how the renovation would affect me financially, but what will my taxes look like when we have to add in the additional costs of electricity, heating, air conditioning, etc. I don't think the figures were very accurate when you look at the whole picture.

Also, we're still not finished paying for the last time renovations were done. So we're supposed to spend some more money now and in a few years people will be complaining again that there isn't enough room.

The outlying schools were started for a reason -- to handle the overcrowding. It seems that the village is getting quite large. If people really want to think ahead, why not do a K-8 system at

the schools (including building a K-8 instead of just K-5) in the village, and use the current middle school as high school. That way, in the future, we won't have to worry about building a whole new high school once this one has reached its maximum capacity.

One final note -- I really don't mean to bash people living in apartment buildings, but, these people don't have to pay property tax and the buildings they live in aren't even taxed as much as if each would have their own home.

It seems that Kewaskum needs to bring in more solid businesses to help with the tax burden, and less apartment buildings.

I have to wisely watch how I spend my money and I expect the school board to do the same with the portion I give to them. Thanks for hearing my point of view!

\*\*\*\*\*

I voted no because I do not believe in building the KES on site. We need to use the facilities we have and possibly look into land and a new high school. With school choice, people will be looking at what a Town's high school has to offer. Then we can move KES to middle school and KMS to the high school. Which will be great for KMS for over many years. Open Beechwood, remodel FES and WES and use the newest part of KES for Administration.

Thank you.

\*\*\*\*\*

The elementary school is the main concern, but that is being put off into the future! They don't need a fancy administration building like they are planning. Also, when they lose all the parking spaces they'll want to build a new place again. Taxes are high enough and there are quite a few people in the district on fixed incomes.

\*\*\*\*\*

Dear Editor:

Although I have always supported school referendums, I did not support the Kewaskum School Referendum on September 8. There were at least three major difficulties with this proposal.

1. As a resident of Farmington and former president of the Farmington Elementary School Parent/Teacher Organization, I cannot support adding eight rooms to Farmington Elementary School. Educationally, smaller schools and smaller class sizes both contribute to better student performance, both in academics and in citizenship.

2. The referendum did not provide for the re-opening of Beechwood School. Re-opening Beechwood School could allow both Kewaskum and Farmington to achieve smaller school sizes and class sizes and require less new construction. Also, most residents of this district have supported the opening of Beechwood School.

3. Kewaskum School District lacks any facility for any type of artistic performance. Even Random Lake has a stage and auditorium. The last referendum removed the one stage Kewaskum had. This referendum proposed to spend \$12,000,000 and could not provide any theatre or performance space. There are many talented actors and singers in the Kewaskum School District. I directed some of them in the 4-H production at the County Fair this year. Kewaskum needs to appreciate and educate these youth.

I hope the school board is ready to propose a referendum which meets the needs of the Kewaskum School District.

\*\*\*\*\*

### To the Voters and Parents of the Kewaskum School District:

By now, almost everyone of you should have read or heard about the new \$17 million referendum. It is not

being designed for more improvements, it is designed to buy Town of Scott votes by including the Beechwood School.

In a phone conversation with School Board member, he indicated that it appears the only way to get any referendum passed is to include reopening the Beechwood School. He noted that would give us the necessary 200+ votes to get a referendum passed.

People in the other townships apparently don't care enough to get out and vote, but a few determined people in Scott are making sure their residents "do" get out and vote.

If anyone else has noticed, none of the referendums throughout the state passed in the last election. Instead of going bigger, let's try smaller. It's about time the elementary schools (excluding Beechwood) received some badly needed work. Every time, in the past, it's been the Middle, High School and Administration office that got the major remodeling monies. Even if it takes a few months longer, let's focus in on a new Kewaskum Elementary and updating Wayne and Farmington Schools. And please, voters from the other townships and village, don't be dominated and have the school district's building program decided by a few with an axe to grind over Beechwood.

Wake up and realize "you have to get out and vote" yourself. Sitting home and grumbling about the situation isn't going to resolve anything.

A Concerned Taxpayer Who Votes

# Indians Lose EW Opener to Kiel

The Kewaskum football team played their conference opener by traveling to Kiel last Friday night. The Indians were hoping to make it two in a row after their victory the week before against Horicon.

Last year, the Indians defeated conference favorite Kiel in a major upset and apparently the Raiders had not forgotten that setback. Their aggressiveness was obvious from the start as they defeated the young Indians, 28-16.

Kiel was first to strike as Bob Kerbs took it in from the one with 4:52 left in the first quarter. With Kiel playing 10 men on the line of scrimmage, the Indians were not able to do much on the ground, so they turned to the air.

Twice in the first half the Indians were inside the 10 yard line, but both times they came up empty and lost the ball on downs. With five seconds left in the first

half, and the score in Kiel's favor, 7-0, the Indians lined up for an apparent field goal attempt.

The Indians however, faked the kick and Jason Strobel tried to run it in, being stopped just inches short of the score. "If we had scored at that point, it would have changed the momentum of the entire game," said Head Coach Perry Koth about the play.

In the third quarter, Kiel's running game took off as they rushed for 82 yards and scored two touchdowns to take a 21-0 lead. The Indians refused to quit, however, as Chris Koth kicked a 29 yard field goal at the 8:17 mark of the fourth quarter.

After an onside kick attempt was recovered by Kiel, the Raiders Jeremiah Schaefer ran 30 yards on the first play and then five plays later, scored from the one to put the Raiders up 28-3 with 5:18 left in the

quarter.

Mixing runs with passes, the Indians struck pay dirt when Josh Gaffke found John Immel on a crossing pattern and Immel took it 46 yards for the score, making it 28-10 with 3:33 left to play.

Kiel recovered another onside kick attempt but then the Indians defense stiffened and, after regaining possession, Kewaskum took the ball down the field and scored again.

This time it was Gaffke connecting with John Warnecke on a five yard scoring pass after Warnecke had previously hauled in passes of 12 and 28 yards. The kick was not good for a final score of 28-16.

The Indians did try another onside kick, but once again Kiel recovered and ran the clock out.

Josh Gaffke had a great game passing as he completed 18 of 35 passes for 255 yards and two touch-

downs. Gaffke threw in streaks as he was 9 for 121 for 96 yards in the first half, and then went through a cold streak, starting the third quarter and going through half of the fourth, completing just two of 13 passes, and then finishing the game seven of 10 with two touchdowns.

For the game, the Indians had 315 yards of total offense, compared to Kiel's 223 yards. The difference in the game however, was that Kiel was able to get the ball into the end-zone while the Indians were inside the 10 yard line four times and only managed three points.

"We certainly are going to look hard at what's happening inside the red zone," Coach Koth said about the lack of success when they get in close. Koth also said, "We are a very young team right now, on offense we have six juniors who start and two who alternate and play half the game, and on defense we have five juniors and a sophomore who start and three juniors who alternate. That makes us very inexperienced and we make a lot of mistakes due to that inexperience."

Defensively, sophomore linebacker Bob Ogi led the team in tackles for the third straight game. "Bob has some great instincts, is an aggressive hitter and loves to play the game," said Koth, adding, "I think we will keep him for awhile." Gaffke's three game total passing stats are: 40 for 70 (59%) for 614 yards, two interceptions and four touchdowns. "He already has a season's worth of completions and yards," said Koth about his senior quarterback.

While Gaffke's three game stats are impressive, so are some of his receivers.

Senior John Warnecke has 17 catches for 226 yards (13.3 average) and two touchdowns. Jason Strobel has nine catches, 242 yards (26.8 average) one touchdown, and John Immel four catches, 110 yards (27.5 average) and one touchdown.

"We are getting better each week. We'll be ready for Sheboygan Falls and give them a good game," said Koth about Friday's opponent. Friday is Parent's Night with the game starting at 7 p.m.

**Last Week's EWC Results:** New Holstein 30, Plymouth 28; Manitowoc Roncalli 26, Sheboygan Falls 6; Chilton 28, Two Rivers 13, and Kiel 28, Kewaskum 16.

# Indians Split in Double Header

By Andrew R. Kuehl  
Staff Writer/Photographer

The Kewaskum girls volleyball team traveled to Kiel on Thursday and played a double header in which they won one of the games.

The Raiders won the first match, 15-12, 15-8 and 13-15.

The Indians fought hard in the second match and won 15-12, 15-5 and 15-10.

Laura Schwinn, played fantastic, scoring 20 points for the Indians.

Becky Repovsch was the assist leader with 13 assists.

Renae Hills was outstanding at the net, giving her team eight blocks for the evening.

"We had a tough loss in the first match. Kiel took advantage of our mistakes. The team rallied nicely to win the second match," said Coach Dave Rizzardi.

The girls host New Holstein tonight (Thursday) at 7:00 pm in the Indian fieldhouse. It is also parent's night.

# Neumann Seventh at Invite

Mayville hosted Kewaskum and 18 other schools at the Mike Huelbert Cross Country Invite on Friday, September 11. "Both the boys and girls teams of Kewaskum did very well tonight," Kewaskum Cross Country Coach Dave Drexler said, commenting on the teams' finishes.

The Kewaskum girls team had 236 points which placed them 11th out of a total of 24 teams (19 varsity teams and five JV teams). The Kewaskum boys team had 418 points, placing them 15th out of 18 varsity teams.

Pewaukee boys and girls cross country teams dominated over everyone else. Both teams won, having only 90 and 94 points apiece.

Amber Arther of Sheboygan Falls ran an excellent 4,000m race finishing first with a time of 16:33. Anderson of Mt. Horeb won the boys race, running the 5,000m course in the great time of 17:17.

Three out of five counters for Kewaskum placed in the top 25 and medaled out of about 200 runners. Senior Carol Neumann continued to lead the Kewaskum girls team. Neumann finished seventh with a time of 17:13. Sophomore Colleen Gosa finished 17th, running the course in 17:30. Sophomore Emily Rinzel placed 25th with a time of 17:58. "The three up front for the girls: Carol, Colleen, and Emily are doing great. We just have to work on closing the gap with the fourth and fifth runners," Coach Drexler said.

Sophomore Kelly Dardomy finished 82nd with a time of 19:49. Heather Hackbarth, also a sophomore, placed 105th, running

the course in 20:20.

Junior Michelle Zingsheim finished 113th with a time of 20:39. Senior Emma Chambers ran the course in 20:51 finishing 119th. Freshman Lauren Schultz placed 137th running the course in 21:36. Senior Amanda Schulist placed 144th with a time of 21:58.

"Bryan Kraft is really running strong! I'm very pleased with his effort and attitude," Coach Drexler commented.

Danny Wall, Bryan Kraft, and Scott Mueller ran together for most of the race. They placed consecutively 73rd through 75th. All three finished close together. Wall ran the race in 20:24, Kraft finished with a time of 20:25, and Mueller had a time of 20:26. "Scott and Danny are good leaders for the team," Coach Drexler said about their senior leadership.

Next came freshman Josh Repovsch for Kewaskum. Repovsch finished 87th with a time of 21:10. Senior Chris Weninger placed 109th, running the course in 22:05. Senior Josh Rieder finished with a time of 22:55 placing 118th. Brian Wall placed right behind Rieder, finishing 119th with a time of 22:56.

Kewaskum had four JV runners at Mayville, all freshman. The JV runners run the same course as varsity, but after the varsity finishes. Jason Schreffler finished 43rd overall with a time of 23:35. Josh Krop finished 54th running the course in 24:39. John Neumann finished 66th with a time of 26:20. Cory Wendegatz did not finish.

"A couple of the runners were off. Nerves or the heat maybe was part of it," Coach Drexler said about

the times on the hot Friday race.

"Overall this meet was a good experience for all, especially the rookies," Coach Drexler said. This was Kewaskum's first big meet this season. "Both Walls were not feeling well," Coach Drexler said about Danny and Brian.

The Kewaskum Middle School was represented by Dustin Current 14:34 placing 18th, Cody Repovsch 14:14, placing 19th, Craig Johann, 15:18, placing 26th, Dan Backhaus, 17:02, placing 47th, John Carpenter, 21:35, placing 66th, and Mitch Herriges, 23:15, placing 69th. Jeff Shaw did not finish.

Kewaskum cross country team will run at Ripon this Saturday, Sept. 19. Come cheer the runners on!
