## School District Referendums Defeated in General Election

By Sharon Callaway Roznik

A record number of voters turned out at the polls for Tuesday's General Election, locally defeating the \$17 million dollar Kewaskum School District referendum.

Question one of the two-part building referendum asking taxpayers to approve a new elementary school, reopen Beechwood elementary school, and expand other district schools failed, 2,340 no votes to 1,682 yes votes, with only one of nine areas, the Town of Scott, voting in favor of the building project as presented.

Question two, seeking approval of a \$200,000 recurring referendum to staff and maintain new building projects also failed, 2,339 no votes to 1,571 yes.

Within the Village of Kewaskum, 66% of eligible voters (1,064 total votes) cast their ballots, the majority against the referendum, 581 no to 432 yes (question 1) and 555 no to 431 yes (question 2).

"I think the voters really knew the issues," Board President Jean Goeden commented on the results Wednesday morning. "Ad-

ministration really did their job informing people about the recurring referendum."

Goeden had voted against the proposed November referendum at a board meeting, after a previous \$12 million dollar school referendum failed at the primary elections in September. After this defeated referendum, she said school board members would now take a much needed rest and put things on hold until after the holidays. "We need to sit down and look at needs, revisit the plans for KES now that more new subdivisions are going up, maybe separate some of the items (on the referendum). The board needs some time."

Stating he was obviously disappointed, but not disillusioned, District Administrator Clark Pearson said his greatest concerns were the needs of the district and the needs of the students. "They're still there, nothing is going to go away," he said. "Our plan will be to review where we're at, and come up with something new for the future."

"I'm somewhat surprised, but there's a message in this vote," Board Member

Larry Fechter stated, adding he was hoping the board would work together to come to a consensus. "We have to continue to work for one district, and not separate all these issues. This referendum should be for everyone, and the board should bring it back for everyone."

Broken down by townships, voting numbers are as follows: Town of Kewaskum: Question 1: 277 no, 162 yes; Question 2: 285 no, 145 yes. Town of Farmington: Question 1: 668 no, 451 yes; Question 2: 665 no, 418 yes; Town of Wayne: Question 1: 357 no, 216 yes; Question 2: 346 no, 213 yes. Town of Barton: Question 1: 104 no, 88 yes; Question 2: 108 no, 76 yes. Town of Ashford - no voters. Town of Auburn: Question 1: 225 no, 87 yes; Question 2: 223 no, 81 yes. Town of Scott: Question 1: 245 yes, 127 no; Question 2: 207 yes, 155 no. Town of Mitchell: Question 1: 1 yes, 1 no; Question 2: 2 no, 0 yes.

According to re-elected County Clerk Marilyn Merten, voter turnout in Washington County may have hit the 50% mark, matching statewide and

national history-making numbers. In fact, voter turnout was so unexpected, some local polling locations like the towns of Farmington and Barton, as well as other spots in Wisconsin,

ran out of ballots and ended up running off copies that were stuffed into ballot boxes to be hand counted.

## Christmas Parade Dec. 6

The Kewaskum Area Chamber of Commerce is again busily preparing for its annual Christmas Parade, scheduled this year at 5 p.m. on Sunday, December 6. Every year this festive holiday parade attracts thousands who come to catch a glimpse of jolly old St. Nick. The theme will be "An Old-Fashioned Kewaskum Christmas," in honor of the Wisconsin Sesqui-

centennial.

This year's parade is being chaired by Kevin Stautz of Hollywood Portrait Studio, Andrew Kuehl of the Kewaskum Statesman and Scott and Peggy Timm, community volunteers.

The parade, as in other years, will begin at the Kewaskum firehouse and commence down Fond du

## Enright Honored as State Legion Firefighter of the Year

At a recent meeting of the Washington County Council of the American Legion, Joe Enright, center, Fire Chief of the Boltonville Volunteer Fire Department, was honored as "Firefighter of the Year." Annually the American Legion recognizes a fireman locally, who then, based on his qualifications, competes at the District Level and then at the State Level. Chief Enright won all three levels and was so honored at the State American Legion Convention held at Madison in July. Shown above, making the county award, is Dan Coulter, left, Chairman of the Selection Committee, and Carolyn McCartney, Commander of the Washington County Council.

fourth term as state governor, gaining 29,117 county votes with Lieutenant Governor Scott McCallum. Democratic opponents Ed Garvey and Barbara Lawton came in with 9,172 votes. Other countywide totals for the Governor race included Edward Frami (U.S. Taxpayers) 413, Jim Mueller (Libertarian) 257, Mike Mangan (Independent) 165, and A-Ja-Mu Muhammad (Peoples Independent Party) 15.

Village of Kewaskum voters also showed their support for Thompson, with 770 votes compared to 261 for Garvey.

In the hotly contested and closely watched Congressional race, incumbent democratic senator Russ Feingold kept his seat, winning across the state, but losing in Washington County, where voters supported conservative Mark Neumann 25,581 over Feingold's 13,188 votes. Other candidates included Robert Raymond (U.S. Taxpayer) 237, Tom Ender (Libertarian) 119, and Eugene Hem (Independent) 124.

Neumann showed his popularity within the village, gaining 653 votes in Kewaskum over Feingold's 372, almost double the votes.

Wisconsin citizens also gave their support to two statewide referendums, the most notable, especially in Washington County, being the right to bear firearms. 29,069 voters said yes to adding the article to the Wisconsin Constitution; 8,201 opposed the inclusion. Village residents voted 792 yes to 204 no.

A Wisconsin referendum asking voters to decide the terms of office for sheriff passed, with countywide votes reflecting 27,276 voters approval, compared to 8,332 against.

Washington County totals for other state and county races are listed

below:

**Attorney General** - Democrat Jim Doyle - 19,560; Republican Linda Van De Water 17,618; James Chinavere (U.S. Taxpayer) 746, Ron Emery (Libertarian) 412.

**Secretary of State** - Democrat Douglas LaFollette 16,223; Republican Linda Cross 20,448 (Cross won the county's support, but was defeated in the General Election); LeRoy Mueller (Reform) 205; William Hemenway (U.S. Taxpayer) 589; Donald Carlson (Libertarian) 361.

**State Treasurer:** Republican Jack Voight 23,955, Democrat Dawn Marie Sass 11,558; Jeffrey Peterson (Wisc. Greens) 523; Tim Peterson (Libertarian) 691.

**Washington County Treasurer:** Republican Janice Gettelman 25,032; Democrat Curt Allison 11,105.

**Congressional Representative District 9:** Republican F. James Sensenbrenner 31,293; Jeffrey Gonyo (Wisc. Progr. Populist Citizens Coalition) 3,187.

In uncontested races, Representative Glenn Grothman will begin his third term in the 59th District Assembly, and District Attorney David Resheske remains in office, along with County Clerk Marilyn Merten, Sheriff Jack Theusch, Coroner Marlene Yoost, Clerk of Court Kristine Deiss, and Register of Deeds, Dorothy Gonnering.

# Washington County Fair Park Gets Go Ahead for Ag Buildings

POLK, Wash. ... The Washington County Board of Supervisors passed Resolution #66 at its October 27th meeting, allowing the Washington County Ag & Industrial Society to proceed with the building of four agricultural buildings at the new Fair Park. The new Fair Park, located on the corner of Highway 45 and Pleasant Valley Road, will open with the 141st Washington County Fair, July 21-25, 1999. Currently, the Fair Park Pavilion is under construction at the site.

The Agricultural Buildings, which will be built by Morton Buildings, are the Small Animal building, the Sheep/Swine building, the Dairy Building/Milking Parlor, and the Beef Building. The accepted proposal for construction came in under the estimates for the project.

During the planning stage, the Fair Park Group met with user groups who offered their input, and architects began initial design of the buildings. In an effort to accommodate these users, a call for proposals was issued that explored the cost of additions that were discussed. After receiving proposals in excess of the budget, the Society went back to assess the specifications and made changes accordingly. Each interested contractor was asked to revise their proposals and meet with the Society.

From there, Morton Buildings was selected as the contractor with the best price and the best quality for this project.

One of the changes included was the roof system. Both asphalt shingles and a standing seam metal roof were included. After receiving the first proposals, it was determined that a contractor provided standard metal roofing system would be the most cost effective solution. The savings of the contractor's metal roof system over asphalt shingles was over \$125,000. A sprinkler system in the four buildings was added and then omitted due to its cost of approximately \$160,000. The number of electrical drop cords in each building was reduced without reducing the amperage. This is a savings of over \$30,000. Aluminum soffits were replaced in the specifications at a saving of over \$21,000. Functional cupolas were removed from the design of the buildings and replaced with ridge vents. The Society will explore the addition of pre-designed standard cupolas. Many other cost savings were explored. The Society worked to make cost saving changes that did not compromise the quality, functionality or aesthetics of the buildings.

Other aspects of the final bid were upgrades from the original bid package. Some of these include the addition of a

storage room and roughed in restrooms in the Small Animal Building, the increase in the dimensions for some of the buildings and the use of 2"x8" tongue and groove in place of 4"x6" boards.

Work on the infrastructure of the four Ag buildings will begin this fall, and construction on the buildings is scheduled for February through May, 1999.

Naming rights for the Agricultural buildings have been taken by area businesses, however, other donor opportunities are still available for people interested in making a donation to this exciting project. The naming rights for the four agricultural buildings are: Dairyland Seed - Dairy Building; Farmer's Inc. - Beef Building; Hansen's Piggly Wiggly - Sheep/Swine Building; Kewaskum Frozen Foods - Small Animal Building.

To date, over \$800,000 has been raised in private donations, including a \$230,000 anonymous challenge grant for the Equestrian Complex. For more information, please call Nancy Herro at the Fair Park office at 335-4841. The Washington County Fair Park - *More Than Just a Fair.*

ENGELMAN -- A son, Hunter Michael, was born to Mike and Cindy Engelman, Kewaskum, on Monday, Oct. 26, at St. Joseph's Hospital, West Bend. Hunter weighed seven pounds, eight ounces and measured 20 1/2".

Proud paternal grandparents are Dick and Rogene Baker of New Fane, and Ed and Debbie Engelman of Greenfield, Indiana. Paternal great-grandmother is Leta Klug of Kewaskum and paternal great-grandfather is Ed Engelman, Sr., of Ashland, Wisconsin.

Hunter joins his brother, Mitchell Edward, age two, at home.

## Memorial Donations Help the American Heart Association

Memorial donations to honor friends, relatives and co-workers who have died of heart disease or stroke are being accepted for the American Heart Association by Florence Kissinger of West Bend, memorial gifts chairperson for Washington County.

A gift to the AHA Memorial Program may be the most meaningful thing a person can do for someone who has lost a loved one to cardiovascular disease, according to Kissinger.

A memorial donation is more than just a thoughtful expression of sympathy. It says that you want to share the burden of grief and help fight back against heart disease and stroke -- the leading killers in Washington County. That's a fight we must win because these diseases touch us all.

Every memorial gift to the American Heart Association is acknowledged by a special sympathy card sent to the bereaved family on behalf of the donor. Donors will receive a receipt by mail, but the amount is not disclosed to the family.

Donors should provide their name and address, the name of the person who has died, and the name of the person or family to whom the memorial gift acknowledgement card should be sent. A check for the donation payable to the American Heart Association should be mailed with this information to

Florence Kissinger, M & I First National Bank, 321 N Main St., West Bend, WI 53095.

To make a memorial contribution using a credit card, or if you need more information, call the AHA office nearest you at 1-800-AHA-USA 1.

## United Way -- On the Move to 71 Percent

The United Way of Washington County has announced that as of October 30th, the campaign is at 71.1 percent, with \$757,449 in gifts and pledges counted towards the county-wide goal of \$1,065,000.

"We are slightly behind schedule with where wanted to be compared to previous years," said Ray Lipman, campaign chairman. "We also realize that there is still work to do to complete the cam-

aign," he said.

12 of the 26 campaign divisions are already at or above the 71 percent mark, and some have exceeded their division goals. "Most of our regular donors have been contacted and have responded in a generous manner," said Lipman. "Now, our volunteers are challenged to reach out to new businesses and those who are not inclined to give, and ask for their help as well," he said. "Sometimes, it is a matter of being uninformed or misinformed about United Way or the agencies it supports that causes people to say no. In other cases, we find that the

business or individual has not been asked," stated Lipman.

With one out of four residents in the County having used or almost certain to use a United Way-funded service sometime in their lives, the United Way effort touches thousands each year. "We thank and applaud those businesses and individuals who have already contributed to this year's effort. You are truly making a difference right here," said Lipman.

If you would like to contribute, but have not been contacted yet, please call the United Way office at 414-338-3821.

## The Miracle Of Baby's Cord

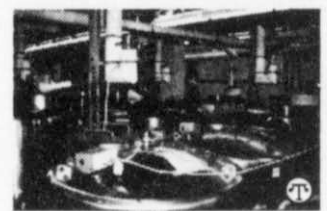

(NAPS)—What was once discarded may now be treasured: doctors have found a new use for the usually discarded umbilical cord blood.

Once a baby is born, the natural thing is to tie the baby's cord, cut it, and discard it. However, according to a study of 25 children published in the *New England Journal of Medicine*, an unusual treatment for children's cancer involving the blood from a newborn baby's umbilical cord may work better than a bone-marrow transplant.

Research has shown that umbilical cord blood is a rich source of stem cells, which produce platelets and red and white blood cells, even when transplanted into ailing patients. Traditionally, stem cells have been extracted from bone marrow, a complex procedure that is time-consuming and painful to the donor. Collecting, storing and transplanting cord blood costs far less, requires no invasive surgery, and donors and recipients need not match perfectly.

To date, cord blood has been used mainly to treat leukemia and severe anemia in children. The Coriell Institute for Medical Research in Camden, New Jersey, has been serving the scientific community since 1953 by housing what it says is the world's largest collection of living human cells for research.

A newly-formed company, CorCell, Inc., has joined with Coriell to provide this service. Under the joint-venture

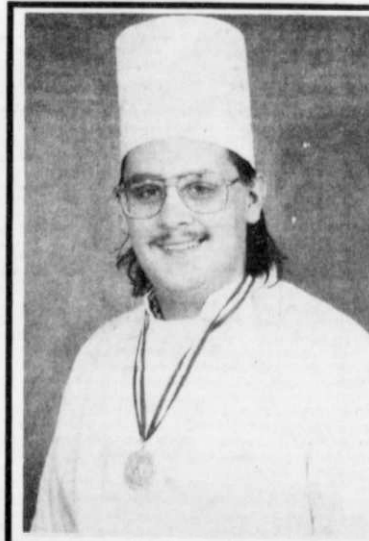

**Ask your doctor about the benefits of saving your newborn baby's cord blood. It could be your baby's insurance against life-threatening diseases in the future.**

agreement, CorCell does the marketing, and the institute does the processing, testing, and storing of the blood. The company is trying to encourage pregnant women to save the cord blood as the baby's insurance against a host of life-threatening diseases. The stored blood could be used by members of the baby's immediate family as well.

Coriell's reputation for scientific research and its leadership role in cell banking are well known in the scientific community. It has amassed a cell collection containing almost 1,000 of the 4,000 known genetic diseases. All of these activities, and more, are documented in a computerized database. It provides the company with the vehicle necessary to keep track of the many stem cells currently being stored and those to be stored in the future.

Saturday, November 7, had five tickets left in the back row and about 15 bleacher seats were still available. The two added performance nights, Friday, November 13, and Saturday, November 14, had about 45 seats left on the floor, plus about 70 bleacher seats left.

If anyone is interested in seeing the students from KHS on stage, please call for tickets. They may be purchased in the Music office during the school week from 7:30 a.m. to 3:30 p.m. or by calling 626-8427, high school office, or Mr. Ammel at ext. 4570.

You may place tickets on reserve and pick them up the night of the performance. Anyone wishing to exchange tickets should do so in person in the Music Office.

## KHS Pre-School Sign-Up Time

The Child Development classes of Kewaskum High School will be conducting their first semester pre-school starting in December.

The pre-school will meet Tuesday through Friday, December 8-11, December 15-18 and January 5-8. All classes will be from 10:10 to 11:40 in the morning.

The pre-school is in its 21st year of operation and is

under the direction of Mrs. Carol Martin and the juniors and seniors in the Child Development classes. The children will have the opportunity to participate in storytime, music, art, and other creative activities during the 12-day session.

Parents with children ages four or five should call the high school office at 626-2166 for information on how to register their child. Enrollment will be limited on a first call basis.

## Michaels - Krahn

Carrie Michaels, Cascade, and Chad Krahn, Adell, exchanged vows during a wedding ceremony at St. Michael's Church, Parnell, on Saturday, October 10, at 12:30 p.m. Father Kevin Wester officiated.

Rachel Miske was the instrumentalist on organ and keyboard and the vocalist was Tina Ernst.

Parents of the couple are Bruce and Pat Michaels, W8837 Hwy. W, Cascade, and Spencer and Debbie Krahn, N2089 W. Hwy. A, Adell.

The bride chose Cheryl Michaels of Milwaukee as her maid of honor. The bridesmaids were Jenny Michaels, Cascade, Sharon Krahn, Batavia, Mindy Schlessinger, Port Washington, Nicole Vetter, Minneapolis, Minnesota, and Jolene Trapp. Jackie Vater of Greenbush was the mini-bride and Paige Miske was the flower girl. Heather Adamson of Plymouth was the bride's personal attendant.

Troy Krahn of Greenbush served as best man. The groomsmen were Chris Michaels of Cascade, Scott Krahn of Batavia, Todd Schlessinger of Port Washington, Todd Miske of Greenbush and Randy Trapp of Beechwood. The mini-groom was Cody Krahn of Batavia and Zack Krahn was the ring bearer.

Ushering duties were shared by Jim Liermann of Cascade and Wayne Heusterberg of Howards Grove.

Following the ceremony a reception was held at the

Rangeline Inn in Kohler.

The bride is a 1996 graduate of Kewaskum High School and for one year attended Lakeshore Technical School for paralegal study. She is currently working at Culligan in Plymouth.

The groom graduated in

1990 from Kewaskum High School and also works for Culligan in Plymouth.

Following a Caribbean cruise to the Bahamas, the newlyweds will reside at 24 Marshner in Plymouth.

## International Craft Sale At Boltonville Church

Handcrafted gift items from around the world will be available for purchase during a SERRV Sale sponsored by St. John's United Church of Christ, 1332 Scenic Drive in Boltonville on Saturday, November 14 from 10 a.m. to 2 p.m.

SERRV (Sales Exchange for Refugee Rehabilitation Vocation) International is a nonprofit program which promotes social and economic progress of people in developing regions of the world by purchasing and marketing their crafts in a just and direct manner. SERRV has been creating a marketplace for low-income craftspeople for almost 50 years.

Reflected in the workmanship of the crafts is the culture of their origin -- places like Haiti, Bangladesh, Ecuador, Indonesia,

India, Kenya, Mexico, and the United States. Each item also incorporates native materials such as silver, copper, agate, marble, wool, cotton or wood which is traditionally hammered, molded, woven or carved by fourth or fifth generation artisans.

When you purchase a handcraft from SERRV International, you become part of a global partnership of justice and hope. Your purchase brings dignity and needed income to people in the developing world. In exchange, you receive a handmade, high quality product at an affordable price.

Homemade chili, scrumptious desserts and beverages will be available while you browse.

## September Kiwanis Students Named

Josh Gaffke and Carol Neumann

Kewaskum High School seniors Carol Neumann and Josh Gaffke were named September's "Kiwanis Students of the Month."

Carol's years at KHS have been busy ones. She is a member of the National Honor Society (her second year), and she has been active as a Key Club and German Club member for four years at KHS. Carol's involvement in German at KHS included a trip to Germany in the summer of 1997.

Carol has also been involved in KHS sports. This year, she captured second team all-conference honors in cross country. She even ran at the State Meet as a junior, where she took 22nd out of 111 runners.

In addition to three years in cross country, Carol has been on the basketball and track team for the last three years.

Away from school, Carol

volunteers at Samaritan Nursing Home in West Bend.

Come next fall, Carol will attend the University of Wisconsin-Stevens Point to pursue a degree in elementary education.

Josh Gaffke's involvement at KHS has also been extensive.

Josh, too, has been a member of the National Honor Society for two years, serving as vice president this year. He also is vice president of Student Council, of which he has been a member for four years. Josh is active in the Key Club, as well, and also serves this year as class president.

Josh has represented KHS on athletic teams, too. For each of his years at KHS, Josh has been a member of school teams for tennis, basketball and football.

Singing is also a part of Josh's life. In addition to his four-year participation in KHS Swing and Concert Choirs, Josh sings in two choirs at Holy Trinity Church.

Josh's future plans include attending college, possibly studying physical training or therapy this fall at the University of Wisconsin-La Crosse.

## Christa Schmidt is UW-SP Assistant Volleyball Coach

Christa Schmidt is beginning her second season as a member of the Pointer Volleyball coaching staff, her first as the team's top assistant.

Schmidt was a student assistant coach for the program in 1997 following a two-year playing career at the University of Wisconsin-Stevens Point. A native of Kewaskum, she transferred from Carthage College prior to her junior season.

She was the UWSP Most Valuable Player and a co-captain as a senior. In addition to her coaching duties, she is continuing her work on a Physical Education degree.

Christa is the daughter of Dave and Rae Schmidt of Kewaskum.

## World Community Day Service Friday

The World Community Day Service will be held Friday, November 6, at St. John's United Church of Christ, 116 Kettle Moraine Dr. South, Slinger.

A bag lunch at 12 noon with beverage and dessert served by the host church will be enjoyed. A business meeting will follow. The program is titled, "The World Within Our Neighborhoods," will also be presented by the host church.

People are asked to bring items for the Friends of Abused Families. They are in need of paper products (Kleenex, toweling, toilet paper) and large diapers. They will accept whatever is brought, but the above items are what they requested.

All women of all denominations are invited to attend this event. Bring a friend or neighbor along. See you there.

## Sculpture and Symphony for Fourth Graders

Exploring a sculpture from the inside are Farmington fourth graders Crystal Lettow and Tyler Fochs.

On a brisk autumn day, fourth graders from Wayne, Farmington, and Kewaskum Elementary Schools walked amid the art at the Bradley Sculpture Garden, following a Milwaukee Symphony Orchestra concert during their "Harmony in the Arts" field trip.

Students began the day at the Marcus Center in downtown Milwaukee, where they listened to pieces by the likes of Vivaldi, Beethoven, and Johann Strauss, as well as some contemporary jazz.

From there, students headed to Milwaukee's Brown Deer Park to eat their bag lunch before visiting the Bradley

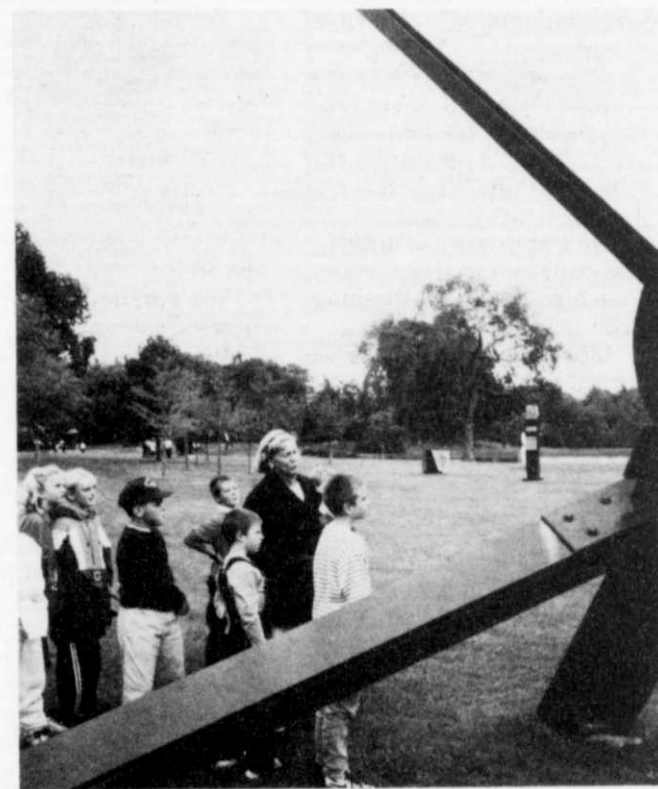

Sculpture Garden in the Milwaukee suburbs.

Once at the Bradley Sculpture Garden, students were guided around the grounds, hearing about the artists and the materials used in creating the artwork found there.

The trip to the symphony, as well as a Milwaukee museum, is an enrichment activity for district students in grades 3, 4, and 5. Grade 5 will take visit the symphony and Milwaukee Public Museum on January 20; the third grade will travel to the symphony and the Milwaukee Art Museum on May 5.

Fourth graders from Wayne Elementary contemplate the three stainless steel rods -- which moved with the wind--in a sculpture at the Bradley Sculpture Gardens.

Farmington fourth graders are dwarfed by the orange steel beams of one of the Bradley Garden's many sculptures.

### SNOOZE TIME

by Ami

After reminding all of my friends to "fall back" one hour on October 24th, guess who forgot to turn back his clock? Yep, you are right. This old character!

I am reminded of how often I forget the fall and spring setting for my air fan units ... set the switch for the winter and down for summer. Regularly I turn to my telephone book where in I have always kept a careful note as to which, where for when.

This brings me to congratulate my many forest friends for their almost unbelievable wisdom for doing the right thing in conjunction with each season of the year. Example: the pond and stream muskrats now busy adding soft, warming grasses to their bank hole homesites plus tender food palms for winter dinner hours.

Also, how about those ever busy bees as they fervently add to their store of sweet goodies for dormant flowerless months of the year. And who hasn't come up caches of nuts those cherry squirrels have hidden hither & yon? I would be remiss to fail to call attention to the lovely V formations of the southernly flying geese...smart enough to wailay winterization in the North.

I don't know about you, however I really love these early evenings when night doth fall sometimes even by four p.m. Somehow or other this is a very important time for me to "catch up on my sleep" each fall and early winter. A handy time, like the black bear to do a bit of hibernating!

Without hesitation, let me invite you to join me in this special time of the year to do a bit of SNOOZING...and before you know it, that lovely Ole Sol Sun will be edging over the hill bringing to us the glories of another SPRING.

### To My Best Friend...

I was very lucky to have a person like my Mom growing up.

She would do anything for anybody. When I got older, she got to be my best friend.

She passed away a bit ago. The eve of the day she passed, my son told me she was his best friend too.

We are both going to miss you, Mom.

I love you... goodbye.

## Holy Trinity Third Graders Visit Riveredge

Pictured above are Kathy, Mrs. Rinzel, Mrs. Larson and third graders using magnifying glasses at Riveredge Nature Center in Newburg.

The Third Grade Class from Holy Trinity School in Kewaskum made a Field Trip to Riveredge Nature Center on Thursday afternoon, September 24.

This Field Trip was about Community Explorations and so we prepared by talking about how people, animals, and plants depend upon each other to live.

We talked about cycles, Photosynthesis, who does what

### KMS Students Write Home Town Poems

To wrap up the 1997/98 school year, in their English class, eighth graders at Kewaskum Middle School studied a unit on Wisconsin writers. At the beginning of the unit, the students read a poem called "Walking Milwaukee" by Harold Witt. In response, the students worked at various times through out the unit, writing their own poems about taking a walk in their home towns. The following are some of the poems written by the eighth graders.

#### "Walk through Nature" by Nicole Herrmann

Come take a stroll with me to see some of the natural things in Wisconsin. Step out into the fresh clean air and inhale the sweet scent of freshly cut grass and flowers. The petals of the flowers filling the lawns with a rainbow of color. Next to those are the short and stubby, yet neat and artistic shrubs. As you are walking along be aware of the rough gray gravel crunching under your feet, and make sure not to trip on the eroded stones which are piled high. When gazing up at the sky tall trees catch your eye. Don't be distracted by the shiny cars still hot and daring. Ignore the tattered sheds leaning to one side, and don't sit on the broken chairs which are at their end. Most importantly, don't try to jump the jagged fence standing sharp and brutal. But still admire the old signs with chipping paint, and be proud of the sights in Wisconsin.

jobs to serve different needs and about communities.

We played games such as the Tooth Game, the Food Chains Game, and the Job Dependencies Game.

We learned new vocabulary words like Accumulation, Carbon Dioxide, Condensation, Cycle, Decomposer (worms and other neat bugs), Evaporation, Nutrient, Oxygen, Photosynthesis (How trees make oxygen and sap), Precipitation, Producer, and Recycle.

We learned how to dress for the weather using Boots, Ponchos, Layers of clothing, and sun protection.

Moms drove us because we invited them, they know we'll all learn a lot, and they love us. Mrs. Rinzel, Mrs. Timblin, Mrs. Scannel, and Mrs. Larson were the drivers and we thank them.

We went there to learn and we were met by teacher Naturalists John, Scott, Kathy, and Chris. We studied how the forest and the field communities are different and how they are similar.

We studied different kinds of leaves in Class and at RNC.

We helped each other to

learn by using our senses to learn about Field, Forest and Pond Communities.

We saw: poison ivy, trees - maple and oak, leaves, bugs (decomposers) under logs and rocks, squirrels' nests, and red dogwood.

We felt: Soil, trees (blind-fold game), leaf surfaces, fungus, mold, moss, flowers, wind blowing, seaweed, sunny fields.

We heard: Birds, frogs, crickets, grasshoppers, bees, wasps, a creaking floating dock, and water flowing under the bridge.

We smelled: Soil, trees, flowers, and a slug.

We tasted: wild grapes (sour), and soil (ugh!).

We touched; leaves, milkweed leaves for rouge (make-up) to make cheeks pink, frogs, and Kelly's wasp; but no poison ivy.

We made posters of some of the things we saw in the field and in the forest.

What did we learn by studying? Communities are the same in some ways and different in others. They are a place where people, plants and animals live.

## ODE TO THE CLINTON SCANDAL

Words cannot describe the way some of us feel  
Clinton has made our country reel.  
He allowed lust to control his life,  
Hurting his most loved daughter and wife.  
He lied to the nation to cover his tracks,  
Admitting the truth when he couldn't turn back.

Now we are faced with vindictive hate  
By those in charge of our President's fate.  
The media is fraught with answers and opinions,  
Each journalist scrambling for leads and dominion.  
His judges want vengeance for his horrendous mistakes,  
But shouldn't we forgive for our country's sake?

Others are laughing at Congress and Starr,  
For the miscarriage of justice they see from afar.  
Two wrongs have yet to make a right,  
Please stop this country's embarrassing plight.  
Some of us feel we can't take anymore,  
Leave us alone! Don't even the score!

Pèrot, too, entered the pernicious scene,  
Accusing that others are mental and mean.  
But some of us see this foolish yap,  
As the ominous kettle calling the pot black.  
Can't we stop this contentious chatter?  
And get on with business that really does matter.

The polls reflect a majority same,  
Of a people's goal more mature and humane.  
We all agree that Clinton was wrong,  
But some of us are sick of hearing this song.  
Impeach the man! Destroy his life!  
Who cares about the country, his daughter, or wife.

The troubled world needs our help and attention,  
So many problems, too many to mention.  
And life is too short to carry a grudge,  
It will eat us up if our conscience don't budge.  
Please! Let's get on with the rest of our life,  
Stop this vindictive hate! Relieve your strife!

## Take Advantage of County Park System

It was an eventful summer for the Washington County Park System. Many family and business gatherings took advantage of reservable facilities available throughout the parks. Several thousand people reserved shelters and enjoyed family picnics.

The park system is celebrating the successful acquisition of Ackermann's Grove County Park. The future park site was purchased in September and a boat launch is open to the public.

Fees to use the boat launch are being collected across from the park entrance. The park will be open to the public in winter for ice fishing. Picnic areas, play equipment, shelters, additional parking, fishing pier and other facilities throughout the park will be developed at a later date. Located at 4875 Cty. Hwy. Z in the Town of Polk, park hours are 7 a.m. to 9 p.m. seven days a week.

A new heated flush restroom has been built at Sandy Knoll County Park. It is located just south of the barn shelter and within easy walking distance of the swimming beach.

Spectacular fall colors abound as the county parks come alive in the fall. The leaves turn brilliant shades of orange, red and gold. This is also the season to view migratory birds. The splendor of fall can be viewed by hiking along the trails located throughout all of our parks, picnicking atop scenic vistas at Heritage Trails County Park on Hwy. E or taking a leisurely drive throughout the parks. Other recreational facilities available for fall enjoyment include fishing ponds, sand volleyball courts, play fields, horseshoe areas, and play equipment.

County Parks open year round include Ridge Run in West Bend, Homestead Hollow in Germantown, Glacier Hills in Richfield, Sandy Knoll in Trenton and Ackermann's Grove in Polk.

There are many winter activities available in the parks including ice fishing at Ridge Run, Ackermann's Grove and Glacier Hills County Parks, lighted ice skating at Ridge Run and Homestead Hollow county parks, cross country skiing

at Ridge Run, Sandy Knoll, Homestead Hollow and Glacier Hills County Parks and lighted sledding hills at Ridge Run and Homestead Hollow County Parks. Heated shelters are available at most larger county parks for your reserved use.

The County Parks provide a diverse group of family oriented recreational facilities.

For more information on our parks, please contact the Land Use and Park Department, 333 East Washington Street, West Bend, 53095, or call (414) 335-4445 from the West Bend area, 644-5204 from the Hartford/Slinger area or 342-2929 from the Germantown/Metro area.

### Marquardt Named Assistant Secretary At WB Savings Bank

West Bend -- The Board of Directors of West Bend Savings Bank recently announced that Tandra Marquardt was named Assistant Secretary at the October board meeting.

## Letters to The Editor

Letter to the Editor:

November 15th is "America Recycles Day" and I felt it appropriate to talk about Kewaskum's recycling program.

A number of years ago, the State of Wisconsin mandated that all communities start recycling. It was a very good idea and made sense. I think all of us want to preserve our environment by stopping to see how fast we fill our landfills; also recycling helps us save our resources. It give our kids a better place to live in the future.

When the state started this program they gave the communities grant money to help finance their programs. So every year Dan Schmidt has to submit a grant application. Along with this application he has to report how well we are doing.

Well for the last few years our report card is getting worse; the Village is now down to about 25.4% of our total garbage and trash we generate being recycled. This percentage is a very important number and if it gets worse, it could cost all of us money and add to our inconvenience.

One tool the state uses to insure that we recycle is that if you go below the 25% mark the community is required by law to implement a volume base trash pick up program. What this means is that the Village will have to charge every one by how much trash they generate. This would be done by having each household pay for each bag or can of garbage they set out by the curbside each week.

I know I don't want to see this happen, nor do you, but we will not have a say in the matter. So what I'm trying to say is that we need to try harder to keep that percentage up. We can do it in two ways: one is recycle more, or, generate garbage. Generating less throw away garbage will get our percentage up because our recycling percent is based on our total trash we generate.

Recycling is a good

thing. It helps our environment and our pocketbook, so please remember November 15th.

Dear Editor,

The Washington School to Work Partnership recently hosted their ninth annual Focus on Careers. This career exploration event is open to all middle and high school students in Washington County and attracts nearly 2000 students and parents each year.

For the past five years, the Slinger School District has hosted this event. We would like to take this opportunity to publicly acknowledge their willingness to accommodate this event on a school day. Slinger School District Administrators, teachers, clerical support, and maintenance staff have been a key ingredient in Focus on Careers running smoothly each year. They have been the most gracious of hosts.

It has been a pleasure to work with all of you. We look forward to your continued participation and support as we move the event to the Washington County Fair Park next year for larger quarters.

Sincerely,

# Cotton Candy is Dandy

Kewaskum Elementary School parent, Mrs. Lewandowski, prepares some cotton candy for students as a special treat tying into the school's circus theme for the year, "KES: The Greatest School on Earth."

A smiling Dan Ermer holds his cotton candy, while his mom makes more for waiting students. Cotton candy is made by spinning sugar in a circular machine, and is then simply gathered from the sides on those familiar paper cones.

"I hope you have a heart attack and die," shouted John Milhalsky at 68-year-old Louis Pastor during an argument. Pastor then had a heart attack and died.

The county coroner ruled the death a homicide due to a heart attack, and the man was arrested and charged with involuntary manslaughter.

Watch your words. They hurt mentally, spiritually and physically. Sometimes an insult becomes an injury that's fatal. And you'll be held accountable.

"You shall give an account on Judgment Day," warned our Lord, "for every idle word you speak."

## OBITUARIES

### EDNA A. FLITTER

Edna A. Flitter, nee Gatzke, of West Bend, died Wednesday, Oct. 28, 1998, at St. Joseph's Community Hospital, at the age of 90.

She was born July 10, 1908, in the town of Mitchell, to the late Herman and Emilie (nee Liermann) Gatzke, and married Edward J. Flitter on March 1, 1930, at St. Matthew's Church, Campbell-sport. He passed away Nov. 11, 1986.

Following their marriage the couple settled in West Bend.

Edna was employed at Enger-Kress for over 20 years. She enjoyed sewing and has made many quilts over the years.

Survivors include a son, Gilbert of West Bend; five grandchildren, Thomas (Toni) of West Bend, Connie Roper of Wausau, James (Mary) of West Bend, Donald (Judy) of Fond du Lac and Charmaine Weston of West Bend; 10 great-grandchildren, Tyrone and Tasha Flitter, Amy and Brent Roper, Beau and Ross Flitter, Brandon and Candice Flitter, and Kyle and Karie Weston. Edna is further survived by a sister, Vera Wilke of Plymouth; a brother-in-law, Arnold (Marie) Flitter of Dundee; two sisters-in-law, Frances Brown of Dundee and Louise Flitter of Lomira; nieces; nephews; and other relatives and friends.

Preceding her in death were a daughter-in-law, Marie Flitter, and four sisters, Alma Butzke, Elsie Harvey, Ida Deckliver and Esther Jeske.

Funeral services were held Saturday, Oct. 31, at 11 a.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian Burial at 11:30 a.m. at Holy Angels Catholic Church. Father Gerald Brittain presided and burial followed in Holy Angels Cemetery.

Visitation at the funeral home was on Saturday from 9 a.m. until the time of services.

Memorials may be made to the American Cancer Society or the American Diabetes Association.

### LaVERN F. MEILAHN

LaVern F. Meilahn, nee Klug, 79, formerly of the town of Scott, died Wednesday, Oct. 28, 1998, at Heritage Nursing Center in Sheboygan.

She was born Sept. 15, 1919, in the town of Scott, to the late Herman and Ida (nee Domann) Klug, and on Aug. 31, 1952, married John T. Meilahn at Immanuel Lutheran Church, town of Scott.

The couple farmed in the village of Cascade, and more recently in the town of Scott.

Her husband passed away Oct. 20, 1989.

LaVerne was a member of Immanuel Lutheran church, town of Scott, and its Ladies Aid.

Survivors include a sister, Aleta Schultz of the town of Mitchell; a sister-in-law, Verona Habeck of Cascade; cousins; nieces; nephews; and other relatives and friends.

Preceding her in death was

a brother.

Funeral service were held Sunday, Nov. 1, at 2 p.m. at Immanuel Lutheran Church, town of Scott. Rev. David Meyer officiated and burial followed in the church cemetery.

Visitation at the church only was on Sunday from 11:30 a.m. until the time of services.

A memorial fund has been established in her name.

The Wilk Funeral Home, Random Lake, served the family.

### JOYCE M. WITT

Joyce M. Witt, nee Lawrence of Theresa, died Tuesday, Oct. 27, 1998, at her residence, at the age of 68.

She was born July 21, 1930, in Milwaukee, to the late Frank and Muriel (nee Uhler) Lawrence, and married George Witt Jr. on July 24, 1948, at Hope Lutheran Church, Milwaukee.

Survivors include her husband; four children, Charlene (Steve) Jensen and Bruce (Lynda) Witt, both of West Bend, Sherry (Mark) Schultz of Mukwonago and Christie (John) Nummerdor of Dundee; seven grandchildren, Stephen (Kim) Jensen, Stephanie (Brad) Lambrecht, Todd Witt, Martina (Dan) Ritger, Christopher Witt, Ginger Witt and Makaela Nummerdor; three great-grandchildren, Kory, Phillip and Spencer; three step-great-grandchildren, Kristen, Amanda and Brittany; two brothers, Roger Lawrence and Gilbert (Thersa) Lawrence, both of Madison; a sister, Sandra (Ron) Thiele of Port Washington; other relatives and friends.

Preceding her in death were two brothers, Frank and Vann, and a grandson, George Hebert.

Funeral services were held Friday, Oct. 30, at 11 a.m. at Pilgrim Ev. Lutheran Church, West Bend. Rev. Joseph Fischer and Rev. David Meyer officiated and entombment followed in Washington County Memorial Park, West Bend.

Visitation at the church only was on Friday from 9 a.m. until the time of services.

In lieu of flowers, memorials are appreciated to the American Cancer Society for breast cancer research, or to

Pilgrim Ev. Lutheran Church. The Myrhum-Patten Funeral Home, West Bend, served the family.

### IN MEMORY

In loving memory of ALVIN E. PANZER, who passed away November 5, 1997.

No further away than a picture,  
A smile, a remembered phrase,  
Our loved one lives in  
memory,

So close in so many ways.  
For how often does a sunset  
bring nostalgic thought to  
mind,

Of moments that our loved one  
shared,

In days now left behind!  
How often has a flower or a  
crystal autumn sky,  
Brought golden recollections  
Of happy days gone by!

Yes, memory has a magic way  
Of keeping our loved one near.  
Ever close in mind & heart  
Is the one we hold most dear.

*Sadly missed by Dad,  
Mom, brother, sisters and  
families.*

### IN MEMORY

In loving memory of MER-LIN SEEFELDT, who passed away five years ago, Oct. 28, 1993:

Our loved one is not gone  
away,

But rests in peaceful sleep.  
To awake upon another day,  
His time with God to keep.  
His life was long, his life was  
vast,

His countenance was cheery;  
To face each day and face each  
task,

But never did he weary.  
Now he rests in peaceful  
slumber,

His tasks on earth are done;  
Among the angels he will  
number,

For his rich rewards are won.

*Deeply missed by Lenny,  
Tammy, Brad, Judy, Mike &  
Matt.*

## Diabetes Education Event at St. Josephs

A free community event and live satellite broadcast highlighting new developments in the diagnosis and treatment of diabetes will be held Thursday, November 12, at St. Joseph's Community Hospital of West Bend.

The program will be held at 6 p.m. in the hospital's four-east conference room. Registration is required and may be made by calling the hospital's Class Connection Line at 306-7888 or Judy Held, certified diabetic educator at St. Joseph's at 334-8367.

The satellite program, "Diabetes Dialogue: Advice for Life," will be hosted by Nancy Snyderman, M.D., medical correspondent for ABC News. The event will also include a screening for people who may be at risk for diabetes, and an opportunity for discussion.

Diabetes affects 16 million Americans, almost one out of every 17 people. It is estimated that health care and related costs for treatment as well as the cost of lost productivity amount to nearly \$92 billion annually. Left untreated, diabetes can lead to heart disease, blindness, kidney failure and amputations. More than 169,000 people die annually from diabetes and its related complications. However, with proper treatment, the disease is manageable.

You have a higher risk of diabetes if you: are over 45, are overweight, do not exercise regularly, have a family history of diabetes, or are a woman who has

had a baby that weighed more than nine pounds at birth.

### Dial-A-Prayer

Dial 626-8747 and you will hear a prayer spoken on your behalf. It will change your day!

Each day there is a different prayer. The prayers speak to the God of the Bible. They are based on the truth taught in the Bible. They are non-denominational but biblical. In other words, they are Christian.

The Rev. H. David Flegel of Salem United Church of Christ in Wayne and St. Peter's United Church of Christ in Jackson, is offering this ministry to people in the surrounding communities.

Rev. Flegel stated, "It seems that people too often are too busy to pick up a prayer book, or take a minute of quiet meditation. But they are used to picking up their phone easily and quickly. I hope they will and dial 626-8747. It may be the first moment of the morning. It may be at a moment of stress or decision making of the day. I believe that for persons who regularly turn to Dial-A-Prayer, and spend this moment with God, will in a short time discover a difference in their lives."

Flegel added readers should try it for a week. He assures you it will change your day... perhaps even your life.

## Minutes of Village Plan Commission

Village of Kewaskum  
Plan Commission  
August 25, 1998  
7:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Robert H. Wagner called the meeting to order. Members present were Frank Beesten, Richard Schmidt, Michael Kimble and Administrator Daniel Schmidt. A quorum was present. Theodore Meilahn, Warren Dums and Charles Waala asked to be excused and were absent.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by Richard Schmidt, seconded by Frank Beesten and unanimously carried by voice vote, the Commission approved the minutes as printed, for May 26, 1998.

Discussion was held on the request to re-zone a portion of the LB Entrepreneurs, LLC parcel located to the north of CTH H (22.7 acres including roadways) from B-2 General Business District to R-1 Single-Family Residence District and R-3 Two-Family Residence District. The property is known by tax key number V4-0182-00Z. It was noted that Theodore Meilahn supported the re-zoning as sent in the packets. It was also noted the layout is in conformance with the sketches as reviewed by the Plan Commission during the land use planning process. The Commission discussed the alignment of the street on the north side as to how it would match up with a future street to the east. It was noted that topic should be addressed when that area is to be annexed and developed. The alignment of the connection to the existing Edgewood Road is also of concern. It would be best to have the full width to make the conversion easier but that is not possible because the property to the east is not annexed nor is it scheduled for development. One other point of discussion was to have a pedestrian pathway extend south from the park to the second street, not just the first one. A few other items were brought up for discussion and it was noted they would be addressed in the developer's agreement such as a berm between the residential area and business area.

On a motion by Frank Beesten and seconded by Michael Kimble, the motion failed with a split voice vote because of the Edgewood Road transition safety concern and the extension of the pedestrian path one block further south. Frank Beesten and Michael Kimble voting Aye and Richard Schmidt and Chairman Wagner voting Nay.

On a motion by Frank Beesten, seconded by Michael Kimble and unanimously carried by voice vote, the Plan Commission sent the rezoning request to the Board for public hearing with a split recommendation with the reasons stated.

Mr. Rick Kania from SEWRPC was present to begin the review of suggested changes to the Zoning Ordinance with the Commission. Several topics were covered and preliminary consensus was used to send information back to have materials printed for further review.

On a motion by Richard Schmidt, seconded by Frank Kimble and carried by majority roll call vote, the Commission adjourned the meeting. Roll call vote was 4 "Aye" 0 "Nay" 3 "Absent."

# KMS 8th Grade Girls Win Conference Track Championship

1998 KMS 8TH GRADE GIRLS TRACK TEAM

Front row, left to right: Jessi Krahn, Angie Bertrand, Stephanie Broughton, Lindsay Gaffke, Amy Deshotels, Brooke Dreher, and Jaell Ledford. Middle row: Katie Klug, Wendy Rahlf, Kayla Brock, Alexa Nelson, Heather Meyer, Mandi Will and Casey Maul. Back row: Lauri Bausch, Stephanie Schnabel, Jenny Koth, Stephanie Herrick, Tanya Theisen, Jenna Roecker and Jessi Graham.

The Kewaskum Middle School eighth grade girls' track team topped off their season by winning the Moraine Conference Championship at Kewaskum on Wednesday, October 7.

The Kewaskum eighth grade girls became the Conference Champions by scoring 125 points. The two middle schools from West Bend, competing in only their second season in the Moraine Conference, placed second and third.

Silverbrook placed second with 82 points, one point ahead of Badger Middle School. Pewaukee placed fourth with 61

points, and Germantown was fifth with 54 points. Slinger came in sixth with 47 points followed by Hartford who captured seventh with 39 points and Waupun was eighth with 15 points.

Kewaskum's eighth grade team used its team depth and talent to score points in all 13 events to win the meet. Kewaskum placed two athletes in seven out of the ten individual events, won two of the three relay events (400m relay and 1600m relay) and placed second in the 800m relay.

Highlights for the

Kewaskum eighth grade champions include the following finishes:

First Place for Jenna Roecker in the 75 meter hurdles with a school record and conference record time of 12.4!

First Place for Angie Bertrand, Brooke Dreher, Jenna Roecker and Lindsay Gaffke in the 400m relay in 57.4 seconds setting a new school record!

First Place by Alexa Nelson, Wendy Rahlf, Jenny Koth, and Jessie Graham in the 1600m relay with a near school record and conference record time of 4:45.6!

Jenna Roecker places first in the 75m hurdles at the Moraine Conference Championships and in the process sets a new Kewaskum Middle School record and Moraine Conference record with a time of 12.4 seconds.

First Place by Lauri Bausch in the discus with a throw of 89'1".

Second Place by Heather Meyer in the 1600m with a new school record time of 6:07.4!

Second Place by the 800m relay team of Angie Bertrand, Alexa Nelson, Tanya Theisen and Brooke Dreher with their fastest time of the season in 2:05.6.

Second Place by Jessi Graham in the 400m dash in 1:07.1 and Third Place by Wendy Rahlf in the 400m dash in 1:09.1.

Second Place by Lauri Bausch in the shot put with a personal best throw of 28'6-1/2" and Fourth Place by Jenny Koth in the shot put with a throw of 27'3".

Second Place by Lindsay Gaffke in the 100m dash in 14.3 seconds.

Third Place by Heather Meyer in the long jump with a distance of 14'0" and Third Place in the 200m dash with a time of 29.6.

Fourth Place by Kayla Brock in the high jump with a height of 4'4".

Fifth Place by Katie Klug in the high jump with a height of 4'2".

Fourth Place by Stephanie Herrick in the 100m dash with a time of 14.8 seconds and Fifth Place in the 200m dash with a time of 30.3 seconds.

Seventh Place by Amy Deshotels in the hurdles with a time of 14.4 seconds.

Eighth Place by Mandi Will in the 1600m run with a personal best time of 6:55.9.

"I'm extremely proud of and happy for these young ladies. They not only wanted to repeat what they did last year as seventh graders (Conference Champions, Conference Relay Champions, and undefeated dual season record) but they went out each night and worked hard to make sure it happened. Their hard work and determination helped them accomplish their goal," reported eighth grade coach Jerry Gosa.

Thus the Kewaskum eighth graders completed

their two years of track at the Middle School by winning the Conference Championships for the second year in a row, Conference Relay Championships for the second year in a row and finishing undefeated for both seasons. "Great effort by all the Kewaskum girls! Great team victory! Congratulations on two great seasons! We hope you plan on participating in track at the high school in the spring of 2000," concluded Coach Gosa.

The Kewaskum Middle School girls track coaches, Jerry Gosa and Lisa Perkins, wish all the athletes success in the classroom and in sports for the rest of the school year. The coaches would also like to thank all the parents, teachers, Mr. Soerens, the Kewaskum Middle School principal; and all the people who worked the home track meets this season for their support of the girls and the girls track program.

The Kewaskum eighth grade team would also like to specially thank Harry and Lori Roecker of LR Trophy and Sportswear for donating a trophy to each athlete and engraving each trophy, "Kewaskum Middle School Conference Track Champions."

## KMS 7th Grade Girls Finish Sixth At Conference Track Championships

The Kewaskum seventh grade girls track team finished in sixth place at the Moraine Conference Track Championships.

Germantown won the conference title by scoring 93 points. Slinger finished just one point behind for second place. Badger Middle School of West Bend finished third with 85 points, while Silverbrook Middle School of West Bend finished fourth with 67 points. Pewaukee finished fifth with 60 points, Kewaskum sixth with 48 points, Waupun seventh with 36 points and Hartford, eighth with 27 points.

Highlights for Kewaskum include the following individuals, events and time or distances:

# Neumann Places 42<sup>nd</sup> at State

Kewaskum High School cross country ace, Carol Neumann, center, is shown running hard at the State Cross Country Meet, Saturday, October 31, at Wisconsin Rapids. Neumann finished 42nd out of 84 Division Two runners.

Left to right, Colleen Gosa, Emily Rinzel, and Emma Chambers attended the state meet to offer encouragement and cheer on Carol Neumann, right. Above, the girls try to enjoy a moment of levity before the big race.

The State Cross Country meet was held at Wisconsin Rapids on Saturday, October 31.

Sarah Gruber from Chilton won the Division Two Girls State Meet with an excellent time of 14:57. Gruber's strength shined when she surged to finish passing two other runners to take first. Gruber also won the Eastern Wisconsin Conference and sectional title. Luxemburg-Casco won their fourth State title with 77 points. Chilton's girls team placed seventh overall.

Kewaskum star cross country runner, Carol Neumann, traveled to State for the second time in her high school career. "I am very happy to have Carol return to State. She did very well and her best," Kewaskum cross country coach Dave Drexler said.

Neumann ran her last high school race with a personal best time of 16:11. Neumann finished 42nd in the tough field of runners. "The competition was tougher this year, the times were also faster. We saw this at Sectionals and at State," Coach Drexler commented.

The Division One Girls' State Champion was senior Liz Reussor of Middleton for the second consecutive year. Reussor had a time of 14:12. Waukesha West was the Division One Team State Champion with 57 points.

The Division Three State Champion was Junior Dana Thuecks of Brillion with a time of 15:09. Cochrane-Fountain City won the Division Three Girls State Title with 59 points.

Senior Dan Sutton of West Bend East was the individual winner of the Division One boys race. Sutton ran an outstanding time of 15:40. Stevens Point won the Division One team competition with 68 points.

Senior Austin Haynes of Phillips won the Division Two race with a time of 16:03. Amery won the Division Two team competition two points ahead of Grafton who was ranked No. One. Amery had 79 points and Grafton had 81 points.

The Division Three Individual Champion was Kyle Elsemore of Hurley, with a time of 16:13. Colfax won the Division Three State Team Title with 101 points.

## Lakeland College Women's Tennis Team Finishes 4-3

The Lakeland College, Sheboygan Women's Tennis team finished the regular season with a 4-3 record and third place finish overall in the Lake Michigan Conference after taking third place in the LMC Tournament at Nielson Indoor Tennis Stadium in Madison.

Lakeland finished the conference schedule with a combined total of 24 points (points in the regular season + tournament points = total points). Concordia (WI) finished first with 47 points and Edgewood finished second with 33 total points.

Individually, the highlight for Lakeland was when sophomore Pamela Schmidt (Fond du Lac) won the #6 singles championship by defeating Amanda Mitchell from Edgewood 6-4, 6-2. Aside from #1 singles, it was the only championship not won by a member of the Concordia team. This included #1 through #6 singles and #1 and #2 dou-

bles.

The tournament was basically a battle between Concordia and Edgewood as they finished in first or second in virtually every other match aside from #6 when Schmidt won.

Aside from Schmidt, other individuals from Lakeland also fared well. Freshman Heather Raeder (Sheboygan) finished third at #1 singles with a 6-3, 6-4 victory over Breehan James from Edgewood.

Senior Anne Mertz (Kewaskum) took third at #2 singles with a tough 6-3, 4-6, 6-4 win over Becky Dorr from Marian, while sophomore Jenni Weston (Kewaskum) also finished third at #4 singles with an easy 6-1, 6-2 victory over Tami Mews from Marian.

Other competitors for Lakeland included freshman Jen West (Kewaskum) who took fourth place at #3 singles, and freshman Samantha Trombley (Norway, Michigan) who took fourth place at #5 singles. Mertz

and Raeder took fourth place at #1 doubles as did West and Schmidt at #2 doubles for the Muskies.

The excitement about the tennis team is building as they have four freshmen and two sophomores on the squad. The Muskies only lose Mertz as they head into next year with talent and much needed experience across the board.

Second year head coach and former all-conference player at Lakeland, Shawn Holzman, has to be proud of her team this year and feeling good about the future.
