Board Candidates File Papers for Spring Election

By Andrew R. Kuehl
Staff Writer/Photographer

As Tuesday's deadline for filing candidacy papers approached it became evident that not many of our elected officials have decided to file non-candidacy papers. Most officials have opted to run for re-election and other new names have surfaced.

VILLAGE OF KEWASKUM

Three trustee seats and one presidential seat are up for election. All three trustee incumbents have filed their

papers.

Incumbents, Andy Pesch, who is completing his first term, filed his papers, along with veterans Harry Roecker and Gary Gavin.

Newcomer Andrew Kuehl, owner of The Video Post and member of the Kewaskum Area Chamber of Commerce has filed his nomination papers.

John Borlar, who has previously served a two-year term on the village board, had taken out nomination papers but failed to return them.

Village President, Robert

Wagner, who was first elected to the board in 1991 has filed his nomination papers and is running unopposed. Wagner became Village President in 1993.

KEWASKUM BOARD OF EDUCATION

Three seats are available. Incumbents Jon Downs, Tom Timblin and Larry Fechter have all filed their candidacy papers.

Downs, Timblin and Fechter have served for three years.

Andrew Degnitz, of Fredonia has also filed nomi-

nation papers. Degnitz was unavailable for comment at press time.

THE TOWN OF KEWASKUM

The town will be having a town caucus on January 16 at 9 a.m. at the town hall.

Town Chairperson, Scott Sager said that none of the candidates have filed for non-candidacy.

TOWN OF WAYNE

Chairman Leander Herriges will be running against David Scharf.

Herriges has been serving on the town board for four years. His first two years he served as supervisor.

No information was available on Scharf at press time.

One Supervisor whose term expires is Don Kurer who will seek re-election. Kurer has served on the board for two years. Leonard Peter has filed for non-candidacy and newcomers Carl Klemme and Christian Kuehn have returned nomination papers. Wayne Sargent and Jeff Theiss also took out papers but failed to return them.

Klemme, 46 has been a member of the Board of Appeals for the town for the past year. He is a well driller sharing part interest in Klemme Bros. Well Drilling. He has lived in the Town of Wayne for 43 years. Kuehn was unavailable to give any information at press time.

The Town Clerk's position is also up for election. Incumbent Orville Kern will be running against Marilyn Filber.

Kern has served as town clerk for the past 26 years.

Filber is 63 years old and has made the Town of Wayne her home for over 40 years. She is a retired legal secretary, working in the Washington County District Attorney's office.

Treasurer Gerald Schulz is running un-opposed. Schulz has been serving continuously for 15 years.

THE TOWN OF FARMINGTON

Chairman Jim Dieringer is seeking another two year term. He will be challenged by Frank Meyer.

Meyer was unavailable to comment at press time.

Supervisor Joe Enright is also seeking another two year term. Jim Degnitz has chosen not to seek re-election. Richard Schneider has also filed candidacy papers.

Schneider was also unavailable to comment at press time.

Board members receive \$25 for each meeting they attend.

THE TOWN OF SCOTT

Town of Scott is having a heated race as talk of spending has arose.

Chairman Larry Martin is seeking re-election and is running unopposed.

Supervisor of ward one will be incumbent Dale Burke and past supervisor Ira Weber.

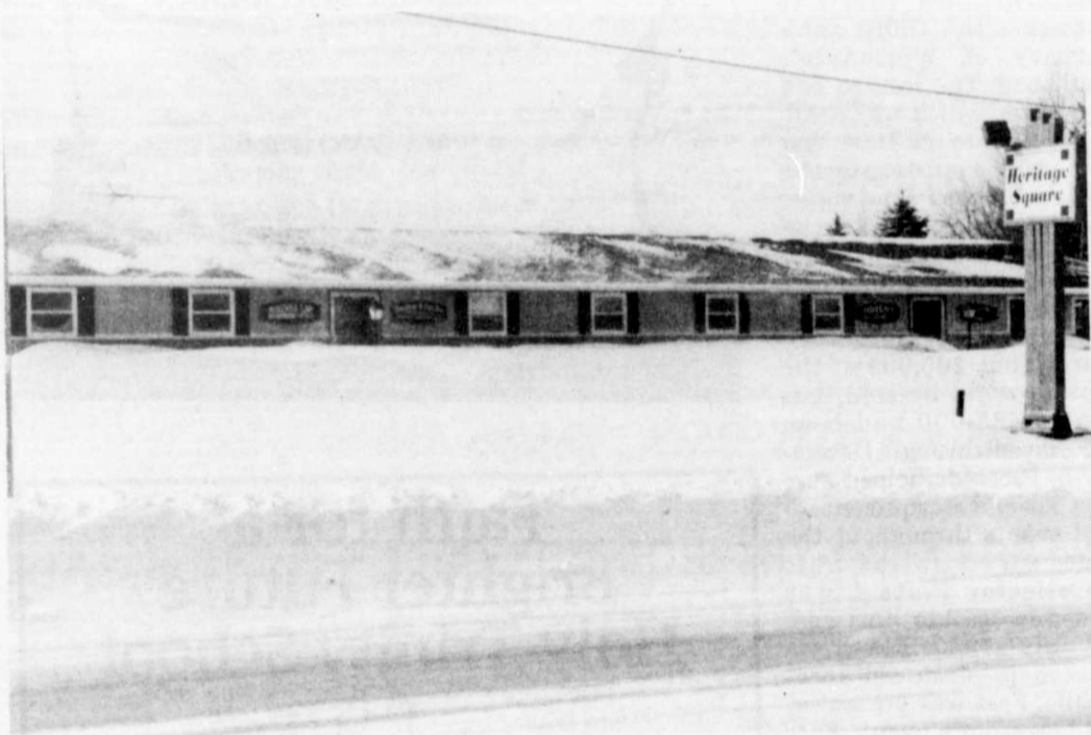

Current Supervisor of ward two, Clarence Janz will not be running for office.

Robert Gluck and David Stange will vye for the seat.

In the office of Constable, Greg Melius will not be seeking re-election and no one has taken out papers. Write-In votes will determine the winner of this seat.

The upcoming Spring Election is scheduled for April 6, 1999. There is no primary needed.

'Blizzard of 99' Dumps Over 18" of Snow in Village

Snow drifts nearly covered Heritage Square and other buildings on Fond du Lac Avenue in the Village. The storm started early Saturday morning and hit hard with blizzard like conditions throughout the day and continued during the evening. Wind gust of up to 50 M.P.H. were reported and aided in creating massive drifts over three to four feet high. Director of Public Works Jerry Gillies stated his crews spent over three hours on Saturday afternoon cleaning streets so they were passable. The crew again went in shortly after midnight Sunday morning and did a thorough cleanup. Early Monday morning they came in and hauled snow off sidewalks and streets from the business district on Main Street and Fond du Lac Avenue. An estimated 60 dump truck loads alone were hauled away in just a one block area. The D.P.W. continues to clean up but should be finished by the end of the week. Kudos to the Kewaskum Department of Public Works on the great work in cleaning village streets. Few residents realize the time and effort put into making our streets safe for traveling. The Kewaskum Police Department responded to two minor accidents due to the blizzard and Captain Mark Jansen of the Washington County Sheriff's Department said his department responded to an estimated 56 cars that stalled or landed in ditches, including four injury accidents and 28 cases of property damage.

Woman's Club Founder's Day Luncheon Set

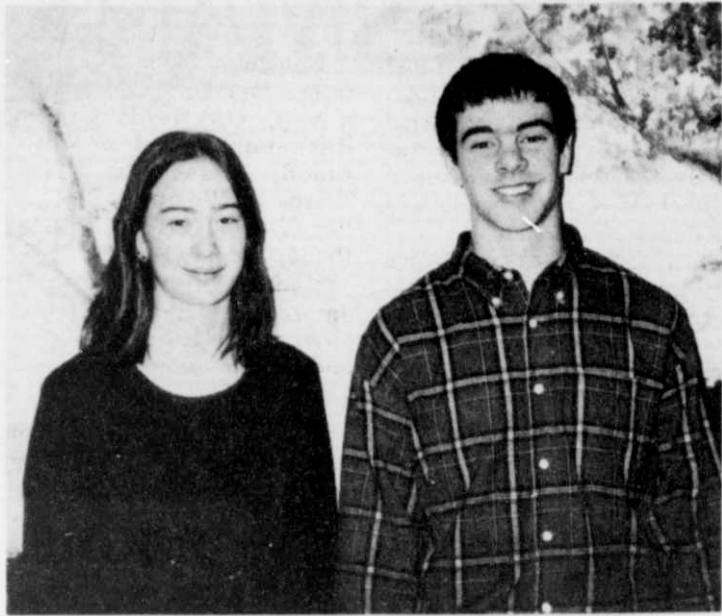

The GFWC Kewaskum Woman's Club will be hosting their annual Founder's Day Luncheon on Saturday, January 16, 1999 at 12 noon for social time and 12:30 for the luncheon, with the entertainment scheduled for 1:30 p.m.

The catered luncheon will be served by Schwai's Catering with punch and wine available. The heirloom jewelry presentation will follow showing how and what can be done with old jewelry pieces.

Hostesses for the luncheon are as follows: Martha Stoffel, Midge Swanson, Kathy Paul and Kathy Tiemann. Members will pay \$15 and guests which are always welcome, are \$12. So consider attending the Founder's Day Luncheon, as their beginnings were in 1913 and the need for volunteer help for the Kewaskum Community is always appreciated.

Contact President Gwen Dreher at 626-2666 if you have any questions about the event.

Kiwanis Students Of the Month Named

Jill Pamperin, left, and Josh Seymour

Kewaskum High School seniors Jill Pamperin and Josh Seymour have been selected December's Kiwanis Students of the Month.

Jill's career at KHS, although very active, has taken a different course than most. She spent her junior year abroad as a foreign exchange student in the Netherlands.

"It was a wonderful learning experience," she says. Among other things, she learned to speak the national language, Dutch. She also learned a Dutch tradition, and now that she's back in the United States, she says, "I miss having chocolate for breakfast."

At KHS, Jill is currently the vice president of the Key Club, a member of the Math Club, and also plays trumpet in the Band and the Jazz Band. She has earned a letter in academics, band, and forensics, in which she competed at State her sophomore year.

Jill currently is a KHS co-op student in the engineering department at Regal Ware, which she feels should help her prepare for an eventual career in the engineering field.

Outside of school, Jill plays in the UWWC band, has taken an anthropology course at UWWC, and volunteers at Puppyland Humane Society a few hours per week.

This fall, Jill plans to pursue her engineering degree at either UW-Platteville or Bradley University in Illinois.

Josh Seymour's years at KHS have also been busy ones.

Josh is in his second year as a member of the National Honor Society, and has earned both academic and athletic letters, as well as participation at Badger Boys State this past summer.

His athletic career has included football for all four years, wrestling and tennis.

In addition to athletics, Josh has also been a member of the Concert Choir and the Swing Choir. He's hoping to make it to the

State Solo Ensemble this year, after capturing medals in regional competition the last three years. He went on a music trip to Florida two years ago, and will go on this year's trip to Virginia Beach too.

Josh has also been involved in the community. Last summer, he spent time with kids through Washington County's Big Brothers Big Sisters program. He also has helped with the Harvest House meals program at St. James Episcopal Church, and he has traveled to Tennessee with the Appalachian Service Project through his church, Fifth Avenue Methodist. Josh is also active in his church choir and in the Youth Group at Community Church in West Bend.

Josh plans to attend UWWC this fall, planning a career in business.

YMCA Now Offers Personal Training

Personal Training is now being offered at the Kettle Moraine YMCA. If you feel you deserve some individual attention, to change your lifestyle, to boost your workouts, or if you're just not sure where to start, a personal trainer may be just for you.

Personal training is available to members and nonmembers. Call the Kettle Moraine YMCA for information at 334-3405.

Wisconsin's Special Plates Honored

Wisconsin's colorful Sesquicentennial license plate was honored recently as the best special issue plate in the nation in 1997 by the American License Plate Collector's Association.

Barney Schukraft, Chicago, Illinois, a senior board member of the association, presented State Department of Transportation Secretary Charles Thompson with a plaque award which included a license plate reading, "AWRD WNR" in ceremonies at the Capitol.

"This is a great day for Wisconsin," Thompson said. "This beautiful plate represents what Wisconsin is to many people. We're thrilled that the license plate 'experts' recognize the special quality of this plate."

As part of the special plate event, Thompson presented a replica of the 100,000th collector plate number to Patricia and Robert Badeau of Stoughton. The plate is attached to the couple's 1975 Cadillac. Also present were many of the holders of the first 10 collector plates, which were issued May 3, 1972.

The Sesquicentennial plate was designed by WisDOT Native American artist Richard Yazzie to showcase the 150th anniversary of Wisconsin's statehood. The limited edition plate, which was available only through December 31, 1998, represents the state's diverse landscape, natural resources and architecture. An eagle symbolizes Wisconsin's abundant wildlife.

WisDOT originally estimated that 200,000 of the plates would be sold, but nearly 438,000 had been purchased through December 5. Proceeds helped support special Sesquicentennial events throughout the state.

Collector Plate I was issued in 1972 to Karl Foss for his 1947 Nash, a Wisconsin-produced automobile. Foss was present at the Governor's event. Foss and Dick Dorsey, Oshkosh, spearheaded development of the plate, and co-founded the Wisconsin Automobile Clubs in Associations, Inc., which had worked for passage of the law.

Other holders of the first 10 plates include Ed Moehrke, McFarland (#3);

Richard/Pat Braund, Elroy (#4); Kenny Butolph, Iola (#5); Ray/Caroline Schirmer, Wausar (#6); Clayton Nichols, Wisconsin Dells (#&); Robert Hensel, Brillion (#8); Shirley Craine, Mauston (#9), and Clint Miller, Rice Lake (#10).

The collector plates are issued for vehicles at least 20 years old that are not modified or changed from manufacturers' specifications. Each collector receives an identification number which appears on

each vehicle the collector registers as a collector vehicle. (Subsequent plates carry a letter suffix, such as 1A). Wisconsin is the only state that has a system that assigns a registered number unique to specific collectors.

Vehicles with collector plates cannot be operated during January unless a temporary use permit is received. The one-time registration fee for the non-expiring plate is twice the cost for a like vehicle, plus the original processing fee of \$50.

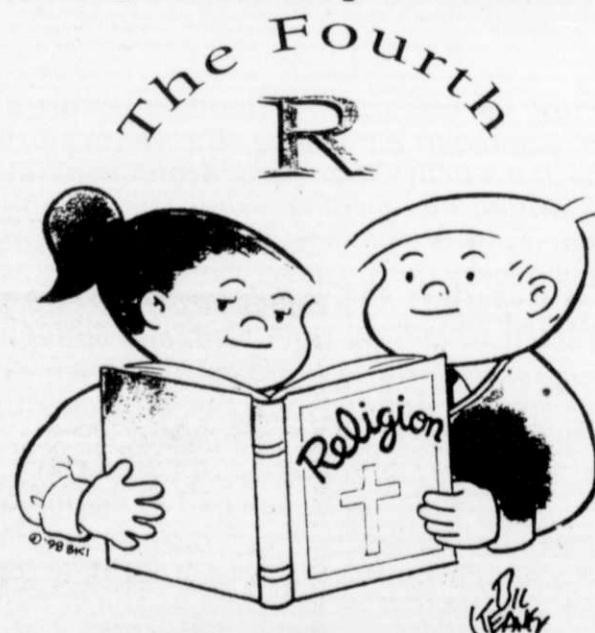

COMMUNITY CALENDAR

JANUARY

JAN. 17 - PEACE UNITED CHURCH OF CHRIST, 343 First St., Kewaskum CONCERT, at 4 p.m. in the Sanctuary. Gospel music by "Bound for Heaven." Free will offering. A Chili Supper will be served following the concert for \$3.00. Call 626-4011 for reservations. 1-7:20p

KHS Exam Schedule

The first semester examination schedule has been finalized for Kewaskum High School.

Students will take their Period One through Period Four examinations on Wednesday, January 13, and their Period Five through Period Eight examinations on Thursday, January 14.

KHS is continuing its open campus policy for the examination days. Students will not be required to remain on campus when they are not scheduled for an examination.

Accelerated Genetics Officials Elected in Area

The annual divisional meeting for Fond du Lac, Sheboygan, Ozaukee and Washington County members of Accelerated Genetics was held recently at Helen's Kitchen in Waupun.

In addition to the year's financial report and illustrated sire update, an election was held for county chairperson and delegates.

Brent Harmsen, Waupun, was elected county chairperson. The county chairperson will serve a one-year term and collectively, they are an advisory group to the Board of Directors.

Delegates elected to represent members are: James Bovee, Oakfield; Cindy Derksen, Brandon; Dan Flood, Oakfield; Tim Tenpas, Waupun; John Wierenga, Waupun and Richard Zinke, Brownsville.

The alternates include: James McCarty, Campbell-sport; Dave Rinzel, Lomira and Barrie Tenpas.

The delegate group is the governing body of the cooperative and includes all delegates from the counties in the Accelerated Genetics area.

"I'm an only child. What's your racket?"

"So, I guess I'm stuck with ya..."
Wild eagles generally live from 20 to 30 years. In captivity, eagles may live 50 years or more. Young eagles first breed when they are about four years old and keep the same mates for life.

New Computer Station At Lakeview Library

The Friends of the Lakeview Community Library in Random Lake have provided the funds to purchase a new computer workstation with a laser printer.

This computer will be used to access Badgerlink, an informational database for Wisconsin residents that provides access to more than 40 newspapers, thousands of magazines and journals and millions of books.

The computer will be also used for public internet access at the library. The Lakeview Community Library internet connection is part of the Internet Services Program developed by the Eastern Shores and Manitowoc-Calumet Library Systems.

The Friends are now raising funds to match the \$10,000 challenge grant offered by Warren and Virginia Brockmeier of Illinois for an automated checkout system for the Lakeview Community Library.

Satellite Video Program Addresses Needs Of Grandparents Raising Grandchildren

A 1911 Happy new Year note sent to Katherine Endlich of Kewaskum via old time postcard. submitted by Isabelle Muckerheide

WEST BEND - Between 1980 and 1996, the number of grandchildren living with their grandparents nearly doubled, from 2.3 million to more than 4 million. Even more grandparents are providing care on a regular basis to grandchildren who don't live with them.

Washington County UW-Extension Family Living Education is taking part in a national satellite video conference originating from the University of Wisconsin-Extension January 12, 1999 from 12:30 to 3:30 p.m.

The program will explore what professionals and organizations can do to help support grandparents raising grandchildren. The program will be held at the Public Agency Center, 333 E. Washington St., Room 1023, West Bend.

Marma Jean McIntee, Family Living Educator, says, "the registration fee of \$5.00 includes not only the registration for the video conference, but the materials for the program as well. However, the deadline of

January 11, 1999 is coming up fast, so register right away."

Professionals such as social workers, educators, counselors and therapists, support group sponsors, financial counselors, aging experts, and child care providers who attend can expect to: explore core issues facing grandparents raising grandchildren through the use of the most current research and information; learn about exciting projects from throughout the United States that educate and support grandparents, raising grandchildren; interact with representatives from other family-serving organizations and agencies in their community; and have the opportunity to ask questions of and share information with a studio panel and a national audience.

The three-hour program includes a two-hour satellite video conference which will

include a panel discussion, on-site activities and pre-recorded video segments. Participants will have opportunities to call in or FAX questions and information to panel members in the television studio. Half-hour segments before and after the video conference will allow professionals to network with each other.

Initial sponsors and producers include the National Network for Family Resiliency of the Children, Youth and Families Network of the Cooperative State Research, Education and Extension Service, the Cooperative Extension Services of the University of Wisconsin and Purdue University, and the American Association of Retired Persons (AARP).

For more information, contact 414-335-4479; or visit the web site at <http://www.uwex.edu/ces/gp/rg/gprg.html>

TimeSmart Tips

Don't leave your refrigerator out in the cold

Warning! Food may not remain fresh in an automatic defrost refrigerator or freezer placed in a room cooler than 60 degrees. Whirlpool home economists say the refrigerators and freezers with automatic systems are sensitive to the air temperature surrounding the appliances. When room temperatures fall, a unit's compressor may not run often enough to maintain the proper interior temperature needed to safely store food.

■ If room temperatures fall below 38 degrees, the refrigerator's compressor may not run at all. The freezer compartment temperature will then increase to match the room temperature and the frozen food inside will begin to thaw.

■ Unless specifically designed to operate in low temperatures, refrigerators/freezers should not be placed in unheated locations such as garages or porches, where temperatures are likely to fall below 60 degrees. Check the unit's Use and Care manual for the lowest safe operating temperatures for your unit.

■ While manual defrost freezers can generally be operated in an unheated garage or porch without affecting the unit or frozen food, check the manual to be sure about special care instructions.

■ For the most efficient operation, keep your refrigerator fully loaded, but with enough space between items for air to circulate.

■ Put liquid to be refrigerated in tightly sealed containers because moisture that evaporates inside a refrigerator makes the unit work harder.

KHS Artist Receives Award

Artwork by Kewaskum High School senior Michelle Zingsheim, shown here working on a current sculpture, captured fifth place in the 1998-99 Student Art Awards sponsored by the Wisconsin Association of School Boards (WASB) and the Wisconsin Art Education Association. As a result, Michelle received a \$100 Savings Bond, and her art will be displayed January 20 and 21 at the Midwest Express Center in Milwaukee during the WASB State Education Convention.

SILLY SNOWBIRDS! We're not sure if these crazy, mixed up robins are summer holdovers or if they were just visiting relatives over the holidays. These birdies are frequently seen in a flowering crab tree (??) munching on leftover berries on the front lawn of the Jim and Tracey Schaub residence on Park View Drive, across from River Hill Park. I'd be willing to bet these little fellas got the surprise of their little lives when they woke up Sunday morning and the whole area (including themselves, probably) was covered in massive amounts of the flaky white stuff after the now infamous "Blizzard of '99." Someone should really clue these robins in that winter has just started and "heading south" is long overdue for them. Maybe the little guys know more than we do and this is just a fleeting glimpse of winter that we will have to endure this year. Maybe beautiful spring is just around the corner... yeah, right!

Kewaskum Fire and Rescue Squad Calls

Tuesday, December 29 - The Kewaskum Rescue Squad responded to a call at 3:57 p.m. at a village of Kewaskum business for a male child experiencing shortness of breath. The patient was transported to St. Joseph's Community Hospital, West Bend.

BIRTH

WILLIAMS -- A daughter, Brittany Rose Williams born to Christa Dehler and Jesse Williams on Dec. 22. Grandparents are Joe and Chris Dehler and Larry and Rosie Williams. Great-grandparents are Charles and Evelyn Williams and the late John and Arcella Heisdorf.

That man is richest whose pleasures are cheapest.

Breast Feeding Support Group

St. Joseph's Community Hospital of West Bend is holding a breast-feeding support group meeting Monday, January 11, from 6:30 to 8:30 p.m. and Wednesday, January 13, from 1 to 3 p.m. in the hospital's meeting room three.

To register or for more information, please call St. Joseph's Community Hospital's Class Connection Line at 306-7888.

Cancer Support Group to Meet

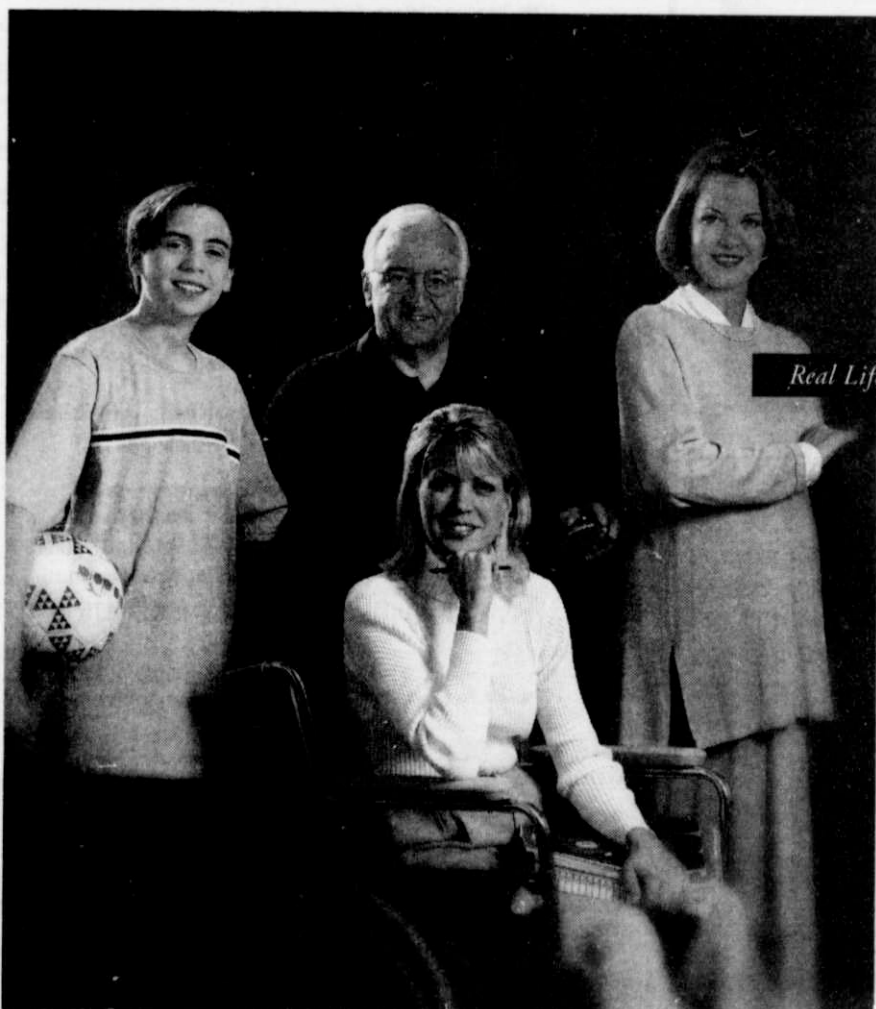

The cancer support group sponsored by St. Joseph's Community Hospital of West Bend and the American Cancer Society will meet Wednesday, January 20, at 7 p.m. in the hospital's conference room A.

The free cancer support group is an opportunity for cancer patients, friends and family to share their feelings and concerns. For more

information, call Carol Clingan at 335-9523 or 334-7423.

The first presidential mansion was at No. 1 Cherry Street in New York City, the first U.S. capital (1789-90).

"Choices," a new informational series for St. Joseph's Community Hospital, explores a wide range of health care options.

"Do I have a choice?"

Real Life CHOICES Yes, you do have a choice in health care.

New technology, non-invasive surgeries, breakthrough therapies and medicines, and new ways of paying for health care have changed the menu of important choices that affect our health and our lives.

Choosing health care services can be confusing in a world of competing health care providers. Too much information makes decision-making complicated. Too little information makes it impossible.

St. Joseph's mission as your not-for-profit community hospital is to be responsive to you and your family's health care needs.

That includes letting you know what your choices are in selecting medical providers, facilities and services, and how to compare costs.

In a new informational series called "Choices," we'll explore a wide range of health care options. We'll talk about your choices and where to go for information. In many cases, you can reduce your out-of-pocket health care costs by being fully informed and assertive in your decisions.

It's information that you, and the ones closest to you, need to know. That's a choice you can't afford to ignore.

Marquardt - Carr

Carol Ann Marquardt, daughter of the late Luella Marquardt of Kewaskum, and Peter Paul Carr, son of Larry and Livia Caruana of Laguna Hills, California, were married on May 23, 1998 at St. Lucas Evangelical Lutheran Church in Kewaskum. The Reverend Edwin C. Fredrich officiated.

Dr. Patricia Feiten of Yakima, Washington, friend of the bride, served as matron of honor. The groom's brothers, James Carr of Pasadena, California, and Laurence Caruana of Paris, France, shared best man duties.

Joseph Yogerst of Kewaskum and Amanda Gu-

dex of Lannon, nephew and niece of the bride, served as ushers. Music was provided by organist Coralee Henning and vocal soloist Becky Yogerst, niece of the bride.

The ceremony was followed by a garden reception and dinner at The American Club in Kohler, Wisconsin. The Shoreline String Quartet and harpist Linda Lab provided musical accompaniment for the evening's festivities.

The bride is a graduate of Kewaskum High School. She earned a Bachelor of Arts degree from the University of Wisconsin - Madison, a Master of Accounting degree from the

University of Arizona, and a Ph.D in accounting from Cornell University. She is a professor of accounting at New York University.

The groom holds a bachelor's degree and a Master of Business Administration degree from the University of Toronto and a PhD in finance from the University of California at Los Angeles. He is a vice president in securities research at Morgan Stanley, Dean Witter and Company, the New York investment bank.

The couple enjoyed a two-week honeymoon tour through Italy before returning to New York City, where they currently reside.

Fitzgerald Joins West Bend Savings

Jennifer Fitzgerald

Raymond F. Lipman, President and CEO of West Bend Savings Bank, recently announced that Jennifer Fitzgerald has joined West Bend Savings Bank as a Mortgage Loan Closer.

In her new position, Fitzgerald will coordinate and complete the mortgage

loan closing process for West Bend Savings Bank mortgage and home equity loans. According to Dan Filzen, Senior Vice President of Lending, "The addition of new Bank locations coupled with the desire to provide personal service to our mortgage customers, has made this new position a very important one. Ms. Fitzgerald will be able to use her skills to complete the mortgage process accurately and professionally, while maintaining the close contact our customers desire."

Prior to joining West Bend Savings Bank, Fitzgerald worked for the Milwaukee County Clerk of Courts as a judicial law clerk. She is a 1988 graduate of Bradley University and received her law degree from Marquette University in 1993.

Fitzgerald resides in West Bend.

Weekly Meeting of Separated, Divorced

The Washington County separated, divorced and widowed men and women support group meets weekly every Friday from 7:30 to 9:30 p.m. the Holy Angels Church basement in West Bend

Their purpose is to provide a means to share ideas, concerns, support, fellowship and love from a Christian perspective. There are guest speakers, panel discussions, small group sharing and other activities.

The group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

The first meeting in the new location will be held on January 8, 1999, and will feature "Never Play Leapfrog with a Unicorn," with author Joe Heuer M.S. Joe will be available before and after the meeting to autograph books.

The program "Communication in Relationships" with Bill Elder will be held at the new Holy Angels location on January 15.

FRIDAY FISH FRY - Carryouts Available

Holidays Sing at Wayne Elementary

Festive holiday decorations provided the backdrop as Wayne Elementary School fourth graders sang Christmas favorite, "Away in a Manger."

Santa Claus, played by Wayne Elementary fifth grader Daniel Shileny, and his elves went on strike in a skit put on by the fifth graders during the WES Christmas concert.

Longtime district employee and Wayne secretary, Mrs. Reif, who is retiring, was honored during the Christmas concert. WES Principal Mr. Kriewaldt, right, reads a tribute, as Mrs. Reif's husband, Roger, observes. During "Silent Night," at the concert's end, each Wayne student presented Mrs. Reif with a farewell carnation.

WES kindergartners acted out, "Mama, Bake Johnnycake" during the Christmas concert. The class also delighted a packed WES gym with "Up On the Housetop" and "We Wish You a Merry Christmas."

XYZ CARD RESULTS

The winners at cards played at the Municipal Building on Wednesday, Dec. 30th were: SKAT: Harold Eggert, 21-1--20 net; Teresa Peterson, 18-3--15 net.

SHEEPSHEAD: Edna Ruplinger, Eileen Petri, Laura Hammes, Norbert Broecker, Meta Heimermann, Fuzzy Lehnerz, Bruce Petri and John Ruplinger.

500: Delbert Peterman.

During dry seasons, the eland—the largest antelope in Africa—can live for weeks without water.

ABC SKAT RESULTS

The winner's at skat played at Ralph Laux's in Batavia on Tuesday, Dec. 29th were: Ralph Laux, 17-2--15 net; Harold Eggert Diamond solo vs 4.

Letters to the Editor

Dear Editor,

Three school referendums have failed and the dust has settled somewhat. It is time for reflection and a new approach.

The last \$17 million referendum plus the remaining \$3 million (approx.) long term debt equals a total debt of \$20 million. Even at today's low interest rate of 5%, we would be required to pay \$1 million the first year, \$950,000 the second, etc. The result is over \$10 million in interest alone over the twenty year loan. This \$10 million **does not** purchase \$1 worth of education (books, salaries, computers, etc.) or \$1 worth of repairs/replacement of our buildings.

The last referendum proposed that we complete seven different projects in two years and take 20 years to pay. With a little patience and perseverance, all parties could have their wishes granted and save enough interest to build a new Kewaskum Elementary School **FREE**, if each project was completed sepa-

rately, paid for rapidly, then move on to the next project.

The benefits for being patient are:

1. No increase in present tax rate. (No \$1.19/1000 increase)
2. Complete paydown in 12-15 years. (Not 20 years).
3. All projects would be completed. (Some later than others).

How could all this good news be possible? Several years ago, the State gave our school district additional property tax relief of \$4/1000. The school board/administration asked for and the voters approved to retain \$1/1000 (Tax increase) to accelerate debt retirement to save interest. The interest saving benefit of this \$1/1000 tax is no longer advantageous as before and could be put to better use in the paying for the upcoming building projects. This \$1/1000 originally produced \$600,000 for early debt retirement. This amount should increase automatically due to higher assessments (inflation) and new home construction. It

should generate about \$750,000/year today.

The State was to assume 66% of each school budget and the taxpayers 33%. Let's assume, for simplicity, that the actual is 50-50%. The \$750,000 taxpayers share plus the State's \$750,000/year would total \$1,500,000 construction yearly without adding to long term debt or increasing taxes.

The order in which each project is taken is somewhat flexible. The Beechwood School issue continues to be a problem that will not go away. The only recourse the taxpayers have is to vote down any referendum that does not include opening BES.

Another factor to determining project order to save maximum interest cost, is to delay the new Kewaskum Elementary project until our present long term debt is retired in 2003. This money saved could be added to the other \$1.5 million to pay off KES faster without any further tax increase.

EXAMPLE:

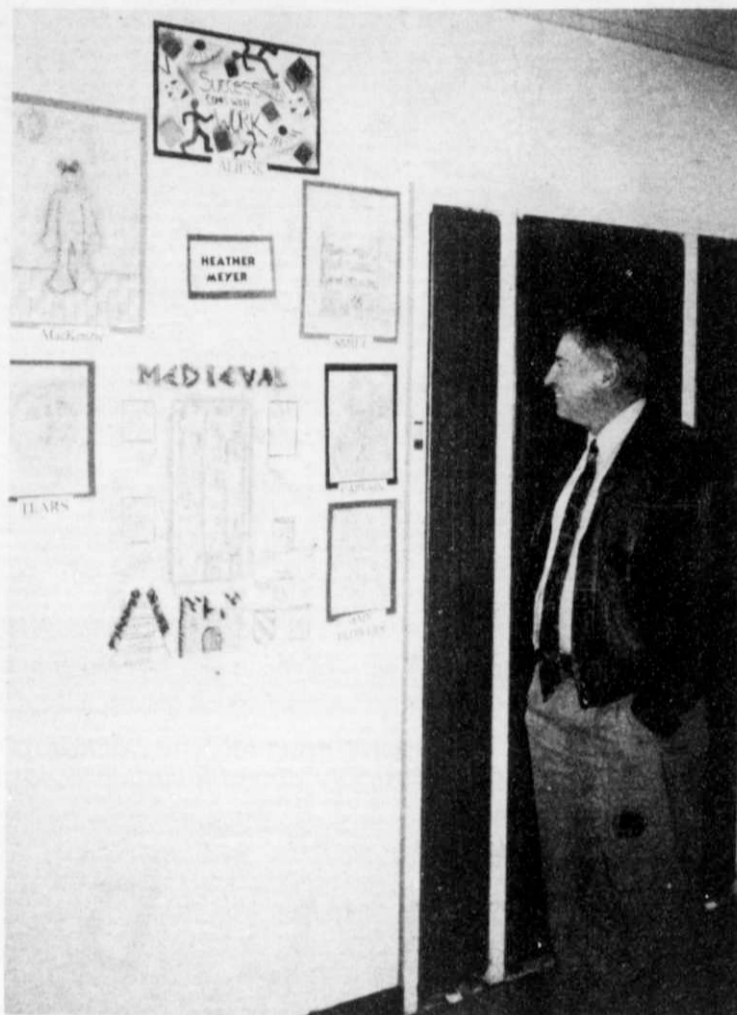

Year Comp.	Project	Cost	Payment	Debt Carryover
2000	BFS	\$800,000		
	Admins. Build	300,000		
	Part KHS Remodel	400,000	\$1,500,000	0
2001	WES	1,200,000		
	Part FES Remodel	300,000	1,500,000	0
2002	FES	2,000,000	1,500,000	\$500,000
2003	New KES	7,400,000	1,500,000 + Our present debt pmt.	6,000,000
2007	KMH/KHS	4,500,000		
2010	Complete payoff	with approx. total interest cost of \$1,500,000.		

In conclusion, the original proposed \$10 million interest cost minus the revised interest cost of \$1.5 million equals an \$8.5 million savings which equals

one **FREE** Kewaskum Elementary School which equals all parties being satisfied.

Middle School Artists Exhibit Work

Eighth grade artists displayed their work in the Kewaskum Middle School cafeteria in an exhibit titled, "Go Figure." Students were responsible for selecting the pieces they wanted to include, as well as their arrangement and presentation. Here, District Administrator Clark Pearson stops to admire the work of eighth grader Heather Meyer.

Boy Scout Troop 744 Spends Night in Eagle Cave

Scouts Justin Bialk and Jeff Jacobi exploring one of the many tunnels in the cave.

Members of Kewaskum Boy Scout Troop 744 spent the night of December 19 in Eagle Cave, Wisconsin's largest Onyx Cave. Cave temperature is an average 50 degrees which makes sleeping in the cave possible. Eagle Cave National Park is located 64 miles west of Madison.

There was a slide presentation explaining the history and legends of the cave. In 1849, while hunting along the Wisconsin River, Peter Kinder wounded a bear. He followed it into the entrance of a cave, discovering a labyrinth of passageways now known as Eagle Cave.

The cave achieved local popularity but history fails to tell what happened to the bear. In 1936 the cave was opened to the public. The total length of the cave is 2,445'5" with the lowest area 90'.

The Scouts enjoyed exploring and finding tunnels to crawl through. What's a little dirt? Some openings were just big enough for the leaders to wiggle through. The scouts also went hiking on one of the six trails and played bingo.

Scoutmaster Jim Uelmen strains to boost himself into an area of the Eagle Cave discovered by members of Troop 744.

In 1994, there were an estimated 3,949,000 births in the U.S. This was the first time since 1989 that the total has fallen under four million.

Knights of Columbus to Test Basketball, Knowledge Skills

The Knights of Columbus, Father Casper Rehr Council 1964 of West Bend in cooperation with the "Wisconsin State Knights of Columbus" is sponsoring a Knowledge and Basketball Free Throw Contest on Saturday, January 16, 1999 at Holy Angels School, Walnut Room and Gym, 230 N. 8th Avenue, West Bend.

Knowledge Contest at 1 p.m. for grades 5-6-7-8. Basketball free throw contest at 2:15 p.m. for boys and girls, ages 10-14. The first place winners of the basketball free throw at all age levels for boys and girls will go to the District Level contest in early February.

The first place winners from the knowledge contest of the four grades will

advance to the Diocesan Level of competition at Cousins Center, Milwaukee in early March.

This contest is open to all boys and girls in the age and grade levels indicated regardless of which school they attend. There are no fees for any of the participants. Registration for all on the same day before each event. The Knights of Columbus will provide all necessary materials and equipment. Basketball participants may bring their own basketball for practice.

Additional information on the contest may be obtained by calling John P. Beisbier, Knights of Columbus youth director at 338-8663.

A NEW LOOK AT SHOPPING

1530 S. Main Street • West Bend, WI 53095

Shown above is a view of Kewaskum High School during the height of last weekend's "Blizzard of '99." Much to the chagrin of the students, the snowstorm hit on the weekend, and snow plowers and district personnel worked diligently to ensure that school would be open bright and early for the kids the first day back after an extended holiday vacation.

Tractor Safety Course Required

Does your son or daughter work on a farm during the summer? Do you hire youth to work for you during the year? Do these young people have adequate safety training?

Accidents cause more deaths to individuals between the ages of 15 and 24 than all other causes combined. On the farm, the major cause of accidents is working with tractors and farm machinery. Most accidents happen when the operator does not know how to operate the tractor or machinery correctly or is unaware of the dangers involved.

To help reduce accidents, a Farm Tractor Safety Course is being sponsored by area High School Vocational Agriculture Departments and the University of Wisconsin extension in Washington County. The course will be held on four Saturdays, February 13, February 27, March 13, and March 20 from 9:00 a.m. to 3:30 p.m. On Saturday, Feb. 13 and Feb. 27, the course will be held in Room 1113-A & B at the Public Agency Center, 333 E. Washington St., West Bend. The March 13 session will be held at Slinger High School in the Ag Room. The March 20 session will be held at the Addison Town Hall in Allenton. March 27 has been set aside for a snow date. The course includes instructions on understanding how to operate a tractor, with emphasis on safety. To complete the course, youth must attend all four sessions and pass a written and a driving exam. The course must be 24 hours to comply with federal and state requirements.

Federal law requires that youth under the age of 16 must be certified before being hired to work with tractors and tractor machinery. Effective May 1, 1996, state law mandated that no person may direct or permit a youth under 16 years of age to operate a farm tractor or self-propelled implement on a public road unless the youth has been certified as successfully completing a tractor and machinery certification course.

Prior to the new law, only youth 14 or 15 years of age who operated tractors and equipment on a farm not owned by their parent or guardian were required to complete the safety course. Youth who drive a tractor for their parents may still do so without the formal training program as long as they do not operate the tractor on a public road. The law also does not apply to situations where a youth is driving a tractor and implement directly across (perpendicular to) a public road.

If you intend to hire any youth on your farm, make sure that they enroll in this course for your protection as well as theirs. There are penalties for not complying with the law. Also, some insurance companies have indicated that, technically, they can't cover an accident to an untrained youth.

Protect your child or the young person who works for you...enroll them in the Farm Tractor Safety Course. A new state law mandates youth registered for the course must be

the minimum age of 12 by the first session of the Tractor Safety Course. The cost of the course is \$25.00 per student. Registration deadline is January 29. To register, call your local High School Vo-Ag Instructor or the UW-Extension Office in West Bend. Phone 335-4477; 644-5204; 342-2929.

Idaho Potato Nachos
Yield: 2 appetizer servings

Ingredients:

- 1 large Idaho Potato, unpeeled and thinly sliced
- ¼ teaspoon salt
- ¼ cup taco sauce*
- 2 tablespoons canned chopped green chilies, drained
- 2 tablespoons chopped green onions
- ¾ cup (3 ounces) 40 percent less-fat shredded Cheddar cheese
- *salsa can be substituted for taco sauce

Directions:

Arrange potato slices in a microwave-safe pie plate or shallow baking dish. Sprinkle slices with salt; brush with half of taco sauce. Cover with microwaveable plastic wrap; microwave at HIGH 4 to 5 minutes, or until potatoes are tender, rotating pie plate a half-turn after 2 minutes.

Brush potato slices with remaining taco sauce. Sprinkle with green chilies, green onions and cheese. Cover and microwave at HIGH 30 seconds to 1 minute, or until cheese melts.

Advanced Healthcare Physician Retains Membership in American Academy of Family Physicians

Robert T. Bodensteiner, M.D., has completed continuing medical education requirements to retain active membership in the American Academy of Family Physicians (AAFP), the national association of family doctors. Bodensteiner is a family practitioner at the West Bend Clinic's West Bend Center.

AAFP members are required to complete a minimum of 150 hours of accredited continuing medical study every three years. The AAFP, with 87,000 members, is one of the largest medical specialty organizations in the country. It was the first national medical group to require continuing medical education for members, thus ensuring their continuing medical expertise.

Dr. Bodensteiner has been an active AAFP member since 1980. As one of today's family physicians, he is qualified to work in all major areas of health care and is trained to treat patients of all ages for the vast majority of health problems.

West Bend Clinic is a division of Advanced Healthcare, S.C., which was formed on January 1, 1998, in a merger between Falls Medical Group, Milwaukee Medical Clinic and West Bend Clinic. It is the largest physician-owned, multi-specialty group practice in Southeastern Wisconsin, with more than 230 physicians providing care at 17 locations in Washington, Ozaukee, Milwaukee and Waukesha Counties.

Letters to the Editor

(Continued from Page 8)

Dear Editor:

Please print in the Statesman. Thank you.

12-31-98

To The Sounder:

I feel I must respond to the letter from Ira Weber in the 12/24/98 issue of this paper (The Sounder), in order to set the record straight. The amount of misinformation he presented needed to be challenged and corrected.

Last year's mill rate was .003652, not the .003331 Ira stated. This year's mill rate is .003461, which is a decrease of .000191 from last year. The budget for the Hilltop for next year is \$14,110, not the \$46,019.01 that Ira stated.

Also, contrary to Ira's letter, the labor associated with the Hilltop is charged to the Hilltop budget and is not taken out of the road maintenance budget. The Hilltop was acquired for the purpose of becoming a community center - hopefully operating on a break-even basis. It was never our intention to turn it into a profit center. The YMCA has and will offer programs at the Hilltop, but they operate as a non-profit organization. The charges for

their offerings are designed to cover their costs. They receive no money from the Town for these services.

I am concerned that Ira - a former town supervisor, who is intending to seek office again, can be so misinformed. The town budget is not a complex document and the figures I stated above are easily found in it. Another concern I have has to do with a small, but vocal group within the Town of Scott who seem to feast on gossip and rumor. They delight in twisting the facts or manufacturing controversy if the real facts don't suit them. If these people would spend an equal amount of energy for the good of the town, we would all be better for it.

I sincerely hope that Ira, or any other person currently in office or is seeking office in the town, will take the time to understand the real issues and the true facts.

I agree with Ira when he encourages people to attend town meetings and vote for people who will keep taxes in line. However, keeping taxes in line does not always mean taking the cheapest alternative. Keep in mind the recent fiasco surrounding the re-assessment of the town by the assessor who was the cheapest available! More

often than not, you get what you pay for.

On the issue of salaries, the town board salaries were approved by the voters who took the time to attend the budget meeting. Ira attended that meeting and did not offer gradual annual increase alternative to what was proposed and approved. The clerk/treasurer salary will be \$18,000 per year which is \$11 to \$12 per hour - with no benefits. With the necessary skill-sets required for this position, the requirement for accurate and timely reporting to the state, wildly varying hours and the need to understand municipal law, I believe we are at the low end of the pay-scale for an equivalent position in the private sector.

As always, I welcome your thoughts, comments and constructive criticisms.

Larry J. Martin
Chairman,
Town of Scott

January 2, 1999

To the Citizens of
The Town of Scott,

For over 16 years the town road operation was run with one full time employee and a few part

time. We did not add any new roads, but now our road cost will go up when we add another full time employee with fringe benefits.

Recycling Center labor costs will more than double with the permanent laying off of the two part time employees and having one of the full time road employees taking over the recycling duties with higher wages plus fringe benefits.

Is it the Hilltop which is the cause of the town now requiring two full time road men?

What charge back for the employees fringe benefit when they worked at the Hilltop? What charge back for the use of the grader, mower and other equipment used at the Hilltop? Last year we purchased a new riding lawn mower for the town. Now a \$15,000 new riding lawn mower is in the budget. Why?

What part of the Milwaukee Gas bill was charged to the Hilltop? Now I hear the town got a quote to convert to gas furnaces which should be in the \$15,000 to \$20,000 range. Are we going to convert or are we going to keep paying for a gas meter that we don't use. It is time for the town board to look at all these hidden costs that were caused by the acquiring of the Hilltop.

Is this the cause for our town portion of our taxes to go up between 30 and 40%? Do not blame it on the

reassessment. The lower the town expense the lower the millrate (multiplier). High expense and you have a high millrate.

Vote for candidates to keep this in line and above all attend the budget meetings and let the town board know how much they can spend.

A Town Board
Candidate,
Ira Weber

Diabetic Support Group to Meet

The diabetic support group sponsored by St. Joseph's Community Hospital of West Bend, will hear about exercise alternatives in a program, "No Mall? No Problem Finding Ways to Exercise" when it meets Thursday, January 14, at 7 p.m. in the hospital's conference room A.

Maggie Seideman, RN, of the hospital's rehabilitation services department, will present the program.

The diabetic support group is designed to educate and provide support for people affected by diabetes. For more information, contact Judy Held at 334-8367.

Could we see when and where we are to meet again, we would be more tender when we bid our friends goodbye.

OBITUARIES

WESLEY F. "FERDIE" FICKERT

Wesley F. "Ferdie" Fickert, age 80, of the Town of Wayne, passed away unexpectedly on Monday, January 4, 1999 at St. Joseph's Community Hospital in West Bend.

He was born on September 12, 1918 in Theresa, the son of the late Alex and Mary (Gutschenritter) Fickert and on May 9, 1945 he was united in marriage to Rosemary VanBeek at St. Mary's Immaculate Conception Catholic Church in Barton.

The couple farmed in the Town of Theresa and had made their home in the Town of Wayne since 1961 where Ferdie worked as an implement mechanic in his own shop. He was employed by Regal Ware, Inc. in Kewaskum for 20 years and was the treasurer and custodian for St. Bridget's Catholic Church in the Town of Wayne for eight years. He was a member of Holy Trinity Catholic Church in Kewaskum.

Survivors include his loving wife of 53 years, Rosemary, of the Town of Wayne; four sisters, Nadeane Yogerst of Menomonee Falls, Sylvia (Willard) Gerner of Fort Atkinson, Marie Yogerst of Hartford and Fabia (Bruno) Landini of Milford, Massachusetts; many nieces, nephews, other relatives and friends.

He was preceded in death by infant twin brothers.

Funeral services will be held at 11:30 a.m. on Friday, January 8, 1999 at the Miller Funeral Home in Kewaskum with a Mass of Christian Burial at noon at Holy Trinity Catholic Church in Kewaskum with Father Mark Jones officiating. Burial will follow in the parish cemetery.

Friends may call from 4 to 8 p.m. on Thursday at the Miller Funeral Home in Kewaskum where a prayer vigil will be held at 8 p.m.

Memorials may be directed to St. Bridget's Chapel, Holy Trinity Building Fund or to a charity of one's choice.

JAMES A. NEHRBASS

James A. Nehrbass, 54, of Sun Prairie, passed away Monday, December 28, 1998, in a Madison hospital.

He was born July 9, 1944, in West Bend, to Peter and Dolly (nee Weiss) Nehrbass.

Jim graduated from West Bend High School and served in the U.S. Marines. He was employed by AT&T for 32 years until his retirement.

At the time of his death he was employed by the State of Wisconsin as a consultant.

He served as president of the Oshkosh Jaycees, was past president of the Wisconsin Jaycees in 1978 and 1979, and was vice presi-

dent of the U.S. Jaycees in 1979 and 1980.

Survivors include his wife, Carol; four children, Danielle and Peter Nehrbass of Sun Prairie, Rebecca (Paul) Nystrom of Sumner, Washington, and Christine (Don) Madsen of Port Hadlock, Washington; his mother, Dolly Nehrbass of West Bend; two brothers, Jerry (Susie) of Campbellsport and Joel (Linda) of Kewaskum; three sisters, Janine (Richard) Stoffel of Jackson, Janet (Robert) Flasch of West Bend and Julianne (David) Witte of Janesville; three grandchildren; numerous nieces and nephews; aunts; uncles, and friends.

Preceding him in death was his father in 1995.

Funeral services were held at Our Savior's Lutheran Church, Sun Prairie, at 11 a.m. on Thursday, December 31, with Pastor Dean Kirst officiating.

Visitation at the Cress Funeral Home, 1310 Emerald Terrace, Sun Prairie, was on Wednesday from 4 to 8 p.m.

ROMAN M. "DOC" GONRING

Roman M. "Doc" Gonring of West Bend died Wednesday, December 30, 1998, at his residence at the age of 86.

He was born September 12, 1912, in the Town of West Bend, to the late Valentine and Julia (nee Wenninger) Gonring and married Victoria P. Ewerdt on September 11, 1937. He was employed at the West Bend Company for 44 years until retiring in 1977.

"Doc" was active in the city softball program, first as a player and then as a manager of the West Bend Company team for several years. He worked for the

city recreation department as director of softball from the early 1950s until 1982, when the West Bend Softball Association was formed.

Known for many years as "Mr. Softball" in West Bend, he remained active in the sport until 1992, when he retired due to health problems.

Survivors include his wife, Victoria; four children, Marjorie Gonring of Broadview, Illinois, David (Joyce) of Kewaskum, and Thomas (Mary) of West Bend, and Sarah (Robert) Blas of Oconomowoc; eight grandchildren, Douglas (Karen) of Kewaskum, Robert (Karen) of Campbellsport, Mary Jo (Michael) Otten of Kewaskum, Kathryn (Doug) Buechel of Kewaskum, Laurie (Lloyd) LaDuke of Menomonee Falls, Jonathan of West Bend, Valerie (Luke) Gootee of La Crosse and Katherine Blas of Oconomowoc.

He is further survived by seven great-grandchildren; two sisters, Virginia Finch of West Bend and Barbara Calvano of San Diego; a sister-in-law, Lucille Gonring of West Bend; a brother-in-law, Jerome Mueller of West Bend; nieces; nephews; other relatives and friends.

Preceding him in death were a brother, Eugene; a sister, Florance Mueller; and two brothers-in-law, Leonard Finch and Anthony Calvano.

A Mass of Christian Burial was held Saturday, January 2, at Holy Angels Church, with Father Jerry Repenshek presiding. Entombment was on Monday at 10 a.m. at Wisconsin Memorial Park, Brookfield.

Visitation took place Saturday, at the church only, from 9:30 a.m. until the time of services. In lieu of flowers, memorials may be made to the West Bend Youth Athletic Association.

Schmidt Funeral Home, West Bend, served the family.

CELESTE M. BINDER

Celeste M. Binder, nee Janssen, 90, formerly of Random Lake, died Friday, January 1, 1999, at Beechwood Rest Home.

Mrs. Binder was born September 3, 19087 in Beechwood, to the late John and Christena (Fellenz) Janssen.

On March 4, 1930, she married Edward Binder at Holy Angels Rectory in West Bend. Mr. Binder died February 3, 1992.

Celeste was a member of Our Lady of the Lakes-St. Mary's Chapel in Random Lake, and the Christian Women's Society. She was also a member of Royal Neighbors of America.

Survivors include two sons, Donald (Mardell) and Darwin (Pat), both of Random Lake; two daughters, Diane (William) Rammer of Kaukauna and Patricia (William) Palmer of Random Lake; 14 grandchildren; 25 great-grandchildren; a sister, Helen Darcy of Cleveland, Indiana; and other relatives and friends.

Preceding her in death were a sister and a granddaughter.

A Mass of Christian Burial was celebrated at 6 p.m. on Monday, January 4, at Our Lady of the Lakes-St. Mary's Chapel, Random Lake. Rev. Richard J. Cerpich, pastor, was the celebrant and burial was in the church cemetery.

Visitation at the church only was on Monday from 4 p.m. until the time of Mass.

A memorial fund has been established in Mrs. Binder's name.

The Wilk Funeral Home, Random Lake, served the family.

CARD OF THANKS

A very sincere thank you to our relatives, neighbors and many friends who shared in the loss of our dear wife, mother, grandmother and great-grandmother, VERNA OPPERMANN. We acknowledge with deep appreciation the efforts of the Kewaskum Rescue Squad and the hospital staff of St. Joseph's Hospital, Rev. Mark Eckert for the comforting words, the organist, pallbearers, donors of memorial and floral tributes, food and all who prepared and served the food, Miller Funeral Home and to anyone who showed their respect and helped in any way. May God bless each and every one of you.

The Verna Oppermann Family

Hospital Offers 'Caring for Baby'

St. Joseph's Community Hospital of West Bend is offering a "Caring for Baby" class Wednesday, January 13, from 6:30 to 9:30 p.m. in the hospital's fourth floor east conference room.

This infant care class is designed for expectant parents, siblings over the age of 12, grandparents, child-care providers and adoptive parents. Topics include: feeding, safety, crying and colic, how to take a baby's temperature and when to call the doctor. An infant bath demonstration is included.

The fee is \$10 per person or couple. To register or for more information, contact the hospital's Class Connection Line at 306-7888.

Get to know your butcher, even if he works from behind a glass wall at the supermarket. He or she is your best bet for good meats and good advice on how to cook them.

How to Save Money on Life Insurance

Wisconsin Newspaper Association

WNA

Wisconsin Newspaper Association

1998

"Newsmaker of the Year"

JANINE P. GESKE

The Wisconsin Newspaper Association has established the Newsmaker of the Year award to honor someone whose "spirit of service is demonstrated through acts which reflect positively on Wisconsin." The winner was chosen by the WNA Newsmaker of the Year Committee.

The third annual winner of this award is former Supreme Court Justice Janine P. Geske. Few people choose to leave their positions while at the pinnacle of their careers. Janine P. Geske is like few people. She left the bench last September not to trade her high-prestige public life for the more lucrative private sector, but to become fully engaged in the work of dispute mediation and to provide community service to the poor. According to Geske, her 1997 experience in working with the poor in the Dominican Republic "reinforced and reaffirmed what's really important in life." In a speech to Cedarburg High School students, she said, "Regardless of what you do with your life, you ought to spend time with people who do not have the same opportunities you have. If you don't . . . you won't understand the problems, and you can't be part of the solution."

Announcement of Geske's departure from the court was met with widespread acclaim, as much for her diligence during her five years on the court as for the noble promise of her future service. As one Milwaukee judge put it: "As much as we stood to gain from six more years of (her) published opinions, I suspect (she) conveyed more of value in the one unwritten decision" to leave the Supreme Court to personally work with the poor and alternate dispute resolution.

Ms. Geske's professional accomplishments include: Distinguished Professor of Law, Marquette University Law School, 1998; Wisconsin Supreme Court Justice, 1993-1998; Faculty member of the National Judicial College, 1998-present, teaching courses in advanced evidence, trial issues, media and the courts, and mediation; Recipient of honorary Doctor of Laws degree, Marquette University, 1998; Milwaukee Bar Association Lawyer of the Year Award, 1994; Milwaukee Circuit Court Judge, 1981-1993, presiding over more than 12,350 trials, with no verdicts reversed; Assistant Professor of Law, Clinical Director/Founder of Marquette University Law School Clinic for the Elderly, 1978-1981; CETA Hearing Examiner, 1980-1981; Staff Attorney/Chief Staff Attorney for Legal Aid Society of Milwaukee, 1975-1979; Sixth grade teacher, Lake Zurich IL, 1970-1972; Graduate of Marquette University of Law School, 1975; Master of Arts in Teaching and Bachelor of Arts, Beloit College, 1971.

The Wisconsin Newspaper Association is the world's oldest newspaper association, established in 1853. As the trade association for the daily and weekly newspapers of Wisconsin, WNA is the lobbying arm of the newspapers with a special interest in preserving access to public records and open meetings. WNA makes it possible for advertisers to place ads in every newspaper in the state with one call to the WNA. WNA is the clipping service for Wisconsin newspapers. WNA is located at P.O. Box 5580, 3822 Mineral Point Road, Madison, Wisconsin 53705. Phone 608-238-7171 or 800-261-4242 (Wisconsin).

Believe It Or Not, Men Now Working More Around The Home

(NAPS)—According to a recent study, more men than ever have traded in their golf clubs and bowling balls to help out with household chores.

While women still do the majority of household activities, results from a recent study conducted by the Families and Work Institute indicate that working dads everywhere are spending more time on household chores and child care than ever before. According to the study, men now spend an average of 2.1 hours on household chores on workdays (an increase of nearly one hour versus 20 years ago) compared to the average 2.9 hours that women spend on chores (a half-hour decline from 20 years ago).

Experts feel that much of this change is due to the increased number of women in the workplace in recent years, as well as an adjustment in social ideals. But who wants to spend all of their free time on chores?

Recognizing the limited time and increased demands on families today, companies such as Dirt Devil® have developed helpful tools that make overall chores, like cleaning, faster and easier than ever. And as many know, "smart" cleaning means letting your equipment do as much of the work

New timesaving cleaning tools are making it easier for men to help out more with the housework.

As possible. A good example of smart cleaning is using the Dirt Devil Vision, a bagless upright vacuum that offers a variety of unique features, including a see-through dirt container for hassle-free emptying and a rear caster wheel design for easy pushing and turning. Another timesaver is the lightweight and compact Dirt Devil Ultra Hand Vac. With its built-in stretch hose and crevice tool, this unit is ideal for cleaning hard-to-reach corners and crevices, such as with furniture, car upholstery and stairs.

As men assume more responsibilities around the home, they'll continue to look for cleaning tools to help them work more efficiently. And by having effective, easy to use products, there will be less resistance in getting the whole family involved.

Wisconsin Winter Weather Awareness

Winter Travel and Automotive Safety

Here are a few tips for staying safe when traveling by car this winter...

* Make sure your car is ready for the season. Throughout the winter, keep your gas tank at least half full to avoid gas line freeze up. Don't let your gas level slip below the quarter tank amount when highway driving.

* Avoid traveling, especially alone, if severe weather is threatening. Before taking a trip, inform someone of your expected arrival time and travel route. Stock your car with basic winter driving equipment: a scraper and brush, small shovel, jumper cables, tow chain and a bag of sand for tire traction. Also include road flares, a blanket, and a flashlight with batteries. Keep an emergency survival kit in the car. The kit should include:

* First aid materials including any essential medications

* Plastic flashlight with spare batteries

* Two large plastic garbage bags and safety pins (bags are insulation for feet, safety pins keep the bags together)

* Bottled water and snack foods for energy, such as candy bars or granola bars

* Pencil and paper, and change for phone calls, possibly a cell phone

* Don't drive your car without all the windows and mirrors clear of snow and frost. Good visibility is

a minimum requirement for safe driving. Also, be sure to clean off headlights and tail lights so that other drivers can see you.

* Adjust your speed to the road conditions and increase following distances. Remember that bridges and overpasses can be more slippery than other parts of the road. If you begin to skid, remain calm, ease your foot off the gas and turn your wheels in the direction you want the front of the car to go. If you have anti-lock brakes (ABS) apply a steady firm pressure to the brake pedal. Never pump anti-lock brakes.

* If, even after following all precautions you find yourself stranded, stay calm and stay put. Staying in your car will decrease your risk of frostbite or hypothermia and increase your chances of being rescued. Run your engine for heat about once an hour. Make sure your exhaust pipe is clear to prevent the backup of carbon monoxide. Leave one window slightly open. Tie a piece of brightly colored cloth to your antenna to alert others and aid rescuers.

* Consider keeping a cell phone for use during emergencies. Because driving requires your full attention, it is recommended that you find a safe place to pull over when you need to make a call. Be especially alert to your location and direction of travel, make a mental

Wayne Crusaders 4-H Club News

The Wayne Crusaders 4-H Club held their monthly meeting at Cedar Valley on December 8. The meeting started with a potluck dinner at 6:30 p.m. The meeting began at 7:38 p.m.

Old Business included a thank you to everyone who brought items for puppy land projects and to the people who sold oranges. We formed a committee to make a decision on the price and design of our new club T-shirts. Mrs. Krudwig discussed topics talked about at the Leaders Association Meeting.

New Business included a reminder that any project changes or additions must be made by January 12 or must be in the 4-H office by January 15th. Project drops must be in by March 1st. Project literature was picked up at this meeting. Music and Drama led by Mrs. Carol Oelhafen and Mrs. Lori Schoofs. Beef weigh in was held on December 12th. Space Camp will be held May 6-9th at Huntsville, Alabama. Applications must be submitted by January 12. The space camp is for members in grades six through eight. Four adult chaperones will also be needed.

note of the county you're in, the town you're near, the highway or road you're on, and the most recent mile marker or exit number. A cell phone can be an excellent safety resource but specific location information is necessary for obtaining help.

The best advice during severe winter weather is to stay put and stay off the roads. But, if you choose to travel or must venture out, following these safety tips could save your life.

The meeting was adjourned at 8:05 p.m. After the meeting we had Christmas entertainment and a cookie decorating contest.

Submitted by Joyce Wagner

SEEDS FROM THE SOWER

Michael A. Guido Metter, Georgia

"Cleanliness is next to what?" asked a teacher.

"Impossible," answered a boy. Maybe you've felt that way too. You've tried to achieve it in your own strength. But you've failed. However that vain struggle will disappear if you turn your life over to the Lord.

He loves you. He'll forgive you, save you, enable you - if you'll trust Him.

With His power, all things are possible. And to that despairing cry, "I can't!" or "I ought to, but -," you'll change it to, "I will."

For "I can do all things through Christ who strengthens me."

If you want to be successful, you must either have a chance or take one.

Drive Snowmobiles at Reasonable Speeds And Avoid Alcohol to Enjoy a Safe Season

MADISON -- With snowmobilers ready to enjoy Wisconsin's 25,000 miles of trails, state safety specialists are reminding snowmobile enthusiasts that winter fun can turn to tragedy when snowmobilers drink, drive and speed.

Last season, 21 people died in snowmobile accidents on Wisconsin trails, and 34 people died in accidents the previous season. In those years, as in the past, alcohol and excessive speed were the leading causes of fatal accidents, and for the hundreds of injury accidents that occurred.

"Excessive speed and alcohol are a very dangerous mix," said Tom Thoresen, chief of the recreation safety program for the Department of Natural Resources. "Snowmobilers should drive at a reasonable speed, particularly if they're on unfamiliar trails, and they shouldn't drink before they ride. Alcohol impairs drivers' judgment, slows their reactions and can increase their risk of hypothermia."

Last season, alcohol was involved in at least 12, or 57% of the 21 fatalities. (Authorities don't know if two fatalities involved alcohol.) Nine of those 12 accidents involved legally intoxicated snowmobile operators, including four whose blood alcohol content was .20 or greater, twice the legal limit of .10.

Speeding has become a bigger concern as sleds have gotten more powerful. Wisconsin doesn't have a posted speed limit on snowmobile trails, but state law prohibits people from operating at a rate of speed that is "unreasonable or improper under the circumstances."

In addition, it is illegal to exceed 10 miles an hour when snowmobilers are

within 150 feet of a dwelling from 10:30 p.m. to 7 a.m., and it is illegal to exceed 10 miles per hour when traveling within 100 feet of a person who is not in or on a snowmobile.

"Last year we had a snowmobiler killed going 90 miles an hour, but even much slower speeds can be very dangerous, especially at night if a snowmobiler overdrives his or her headlights," Thoresen said.

Snowmobilers who are driving at a reasonable speed have more time to react to avoid objects and can better control their machines on unfamiliar terrain, Thoresen said. Nearly two-thirds of the fatal snowmobile accidents occurred when the operators lost control of their machine and it struck a fixed object such as a tree, power pole, or in several cases, rocks along a lakeshore, throwing drivers and any passengers from the machine.

"We want people to enjoy themselves out there but be safe about it," Thoresen said. "By using a little com-

mon sense, slowing down and delaying drinking until after they've returned home, snowmobilers can ensure they'll ride another day."

Port Pirates Too Tough For KHS Frosh

The Kewaskum boys freshmen basketball team lost a hard fought game to host Port Washington on Tuesday, December 29.

Port's full court press created problems for the young Indians, as they turned the ball over numerous times. KHS was fortunate to be only down by four points at the half, 30-26, because the majority of their points came as a result of strong offensive rebounding.

The team played better in the second half, offensively and defensively, but Port's height took its toll on the Indians. Luke Kehres, Kewaskum's center, fouled

out in the fourth quarter despite a strong effort of eight points, seven rebounds and two blocked shots. Josh Harris provided a spark off the bench after Kehres got into foul trouble. He contributed five points and two blocked shots. The end result was the Pirates

prevailing for a 59-49 win.

Josh Repovsch led the Indians with 15 points. Bryan Kraft added nine, and Brian Cotter chipped in with seven. Next up for the Indians is a home conference match up against Manitowoc Roncalli on Friday, January 8.

Notice of TOWN CAUCUS

NOTICE IS HEREBY GIVEN to the electors of the Town of Kewaskum, in the county of Washington, State of Wisconsin, that a Town Caucus for said town will be held at Kewaskum Town Hall in said town on January 16, 1999 at 9 o'clock A.M., to nominate candidates for the different town offices to be voted for at the Town Election to be held on the first Tuesday in April of this year. Dated this 4th day of January 1999.

Town of Kewaskum
Washington County
State of Wisconsin
Barbara L. Wenzlaff, Town Clerk

1-7-2t

NOTICE TO ALL VILLAGE OF KEWASKUM DOG AND CAT OWNERS

Pursuant to Section 174.052, Wisconsin Statutes, notice is hereby given to all owners of dogs in the Village of Kewaskum that rabies vaccinations and dog licenses are required. The same applies to cat owners under Chapter 12.04 of the Kewaskum Municipal Code.

Vaccination by a veterinarian against rabies is required (Section 95.21 (2)) within 30 days after the dog reaches 5 months of age and revaccinated within one year after the initial vaccination. Older vaccinated pets must be revaccinated when the certificate expires or within three years of the previous vaccination. Certificates of current vaccination must be presented when obtaining licenses.

All dogs/cats, 5 months of age or older, require a license. The minimum dog license of neutered males or spayed females is \$6.00 upon presentation of evidence attesting to the same and \$11.00 for the unneutered male or unspayed female dog. The minimum cat license for neutered males or spayed females is \$3.00, upon presentation of evidence attesting to the same and \$5.00 for the unneutered male or unspayed female cat.

PENALTIES

A late fee of \$5.00 shall be assessed the owner of each dog 5 months of age or over, who fails to obtain a dog license by April 1st.

An owner who fails to have a dog vaccinated against rabies as required by Statute may be required to forfeit no less than \$50.00 nor more than \$100.00.

1999 Dog and Cat licenses can be obtained from the Village Treasurer's office.

JV Girls Nudge New Holstein

On Friday, December 18, the Kewaskum JV girls basketball team fought and won a close game against New Holstein. The lead was constantly switching back and forth, resulting in a too-close-for-comfort ending for Kewaskum. They held on, however, to notch a 45-43 win.

At the end of the first quarter, Kewaskum held the lead by one point, 11-10. KHS only scored five points in the second quarter, leaving the door open for New Holstein to take the lead.

New Holstein took advantage of the opportunity and scored 11 points to surge ahead, 21-16. Kewaskum started the second half of the game anxious to catch up to their opponent.

Kewaskum's great defensive efforts held New Holstein to two points in the third quarter. Kewaskum scored 12 points in the third quarter and regained the lead, 28-23. The fourth quarter was close right up to the buzzer. A half court shot by New Holstein came dangerously close, hitting the backboard and nearly going in. Kewaskum held on to win, 45-43.

Sarah Williams led Kewaskum with 19 points. Colleen Gosa was the high rebounder with 10 rebounds. Emily Rinzel's five steals helped Kewaskum to victory.

Jamie Woefel was New Holstein's high scorer. She scored a total of 15 points, 12 in the fourth quarter.

Score by Quarters					
	1st	2nd	3rd	4th	Fin
Kew	11	5	12	17	45
NH	10	11	2	20	43

Kewaskum - Williams 19; Gosa 6; Strobel 5; Foerster 4; E. Rinzel 4; Lindgren 3; Polzean 2; Schiller 1.

New Holstein - Woefel 15; Schmitz 12; Dill 3; Lemke 3; Bestal 2; Brandt 2; Lechler 2; Limberg 2; Sippel 2.

Two Rivers

Kewaskum, which had led for three quarters had a difficult time on defense in the fourth quarter stopping Two Rivers' tall post player, Brooke Welsh who finished with 22 points.

Kewaskum's hustle and determination surprised a tired and slow-starting Two Rivers team in the first half. Kewaskum took the lead at the end of the first quarter, 9-2. In the second quarter, Two Rivers woke up and scored 13 points to Kewaskum's 14. Kewaskum still led at the half, 22-16.

Two Rivers started to take control of the game in the second half. Two Rivers came roaring out to start the second half. In the third quarter, Two Rivers slowly began their comeback, by scoring nine points to Kewaskum's seven. Kewaskum still retained the lead, 29-25.

The fourth quarter was Kewaskum's downfall. Two Rivers' post player, Welsh, scored 13 of her 22 points in the final quarter of the game to lead her team to victory, 42-35. Two Rivers outscored Kewaskum 19 to 6 in the fourth quarter.

Emily Rinzel was Kewaskum's high scorer with 17 points. Molly Strobel led Kewaskum with seven rebounds. Colleen Gosa and Emily Rinzel both had four steals apiece, while Roberta Rinzel blocked two shots for Kewaskum.

Score by Quarters					
	1st	2nd	3rd	4th	Fin
Kew	9	13	7	6	35
TR	2	14	9	19	42

Kewaskum - E. Rinzel 17; Wiesner 8; Williams 8; Lindgren 1; Strobel 1.

Two Rivers - Welsh 22; Steckmesser 7; Arnold 5; Smith 5; Duprey 2; Wiegand 2.

Come and cheer on the Kewaskum girls basketball teams as they take on Manitowoc Roncalli on Thursday, January 7, at home. Freshmen and JV games begin at 6 p.m. and the varsity game starts at 7:30.

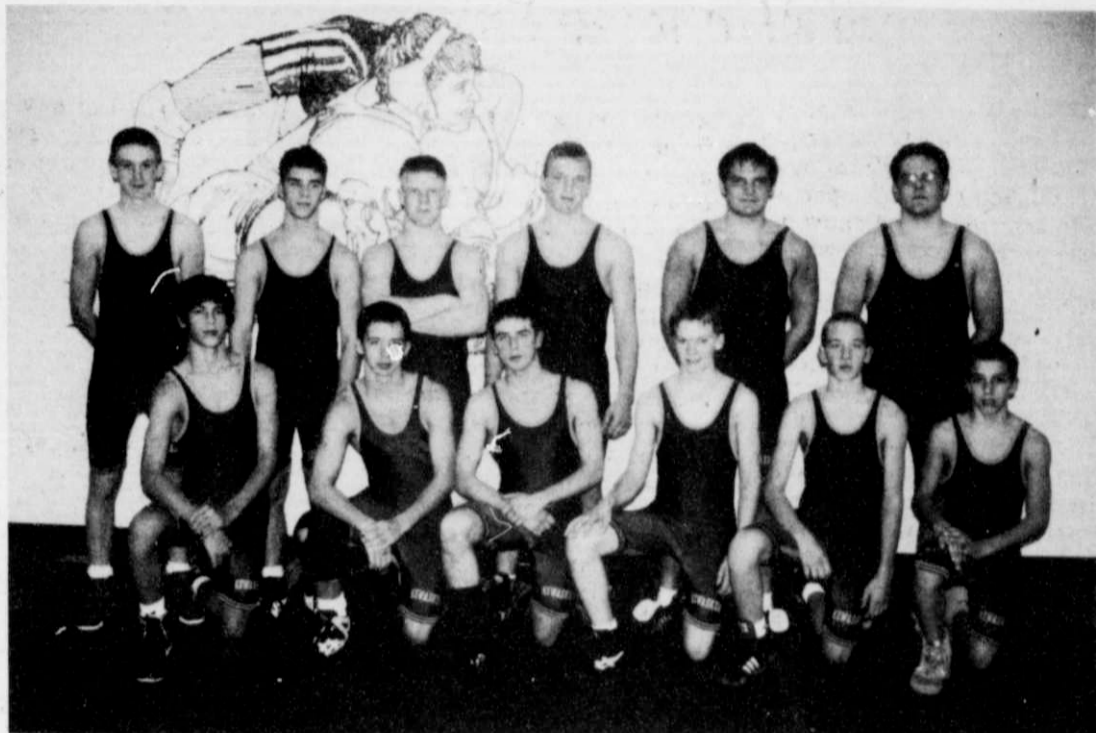

Two Rivers Beats JV Girls

The Kewaskum JV girls basketball team played hard against Two Rivers on Tuesday, December 23, in a disappointing 42-35 loss to

(DM)—Treat yourself to something sweet with Nutty Coconut Bars. This rich and chewy confection is made with a buttery crust, topped with layers of chocolate and white morsels, coconut, nuts and sweetened condensed milk. Using a microwave oven, a total cooking time of 10 minutes is all that is needed. Whirlpool Corporation home economists recommend overnight cooling before cutting.

NUTTY COCONUT BARS

(24 bars)

- | | |
|--------------------------------------|---|
| 1 1/2 cups all-purpose flour | 1/2 cup premier white morsels |
| 2 tablespoons sugar | 3/4 cup flaked coconut |
| 1/2 cup margarine, softened | 1 can (15 oz.) sweetened condensed skimmed milk |
| 1/2 cup semi-sweet chocolate morsels | 3/4 cup chopped walnuts |

1. Combine flour and sugar in small bowl. Cut in margarine. Press evenly in bottom of 11 x 7 x 1 1/2-inch glass baking dish. Microwave at HIGH (100%) for 3 minutes or until set, rotating dish a half turn once during cooking time.

2. Sprinkle chocolate and white morsels evenly over warm crust. Then sprinkle with coconut. Pour sweetened condensed milk evenly over coconut. Top with walnuts.

3. Microwave at HIGH for 7 minutes, rotating dish a half turn once during cooking time. Remove from microwave oven. Let cool several hours or overnight before cutting into bars.

KHS Wrestlers do Well at Oshkosh Tourney

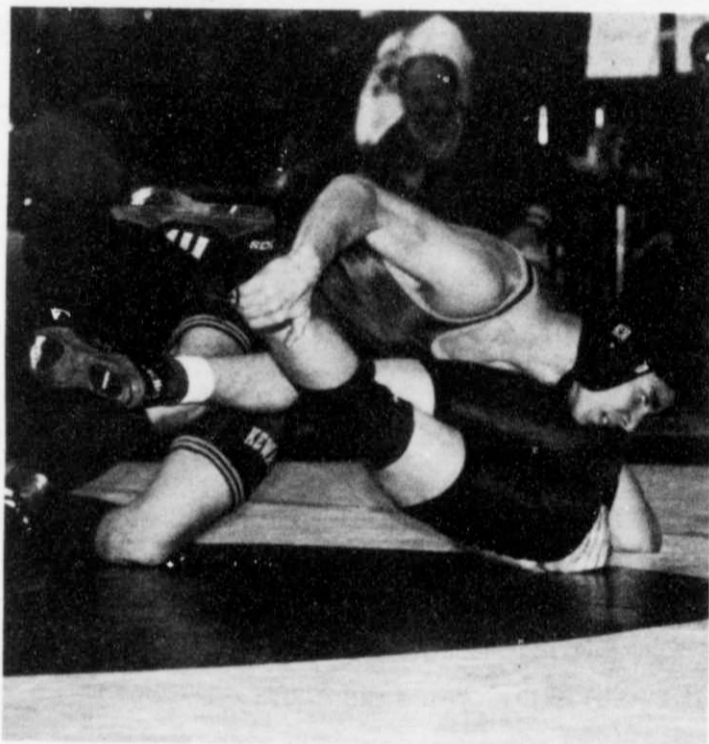

KHS senior, John Immel took sixth place in the tourney. Immel is shown here taking down his opponent, John Leroy from Oshkosh North H.S.. All of the Kewaskum wrestlers placed in the top ten at Oshkosh this past week.

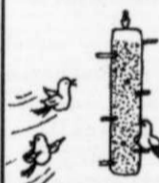

KHS junior, Mike Farchione took first place of 40 other wrestlers in his 189 pound weight class. Bart Biebar from Coleman High School took second and Russ Diamond from Ashwaubenon took third after being beaten by Biebar. "All our wrestlers did really well," said coach John Nell.
