KEYS to Administer Kevin Neese Memorial Scholarship

Kewaskum Youth Scholarships in conjunction with Rosemary Neese have recently announced that KEYS will administer a \$500 memorial scholarship annually in the name of her son, Kevin Joseph Neese.

The Kevin Joseph Neese Memorial Scholarship will be awarded for the first time in May of 1999 to a graduate of Kewaskum High School interested in pursuing an education in music.

Kevin Neese graduated with high honors from Kewaskum High School in 1977. He was extremely involved during his four years in high school in the following organizations: band, Jazz Band, Honors Band, the school plays, Forensics, Student Government, National Honor Society, AFS, German Club and track. Kevin was elected as a Badger Boys State representative his junior year and also served as German Club President and National Honor Society President his senior year.

According to his mother, Rosemary Neese, George Allmann and Larry Ammel were two of his favorite former teachers. Both were asked to reminisce about their great memories of this memorable student and person. Teacher, band instructor and musical director,

Larry Ammel shares his memories and thoughts first.

"I remember Kevin very well and often thought of him. He was a sophomore in the band when I came to Kewaskum. Kevin was an excellent percussion player and always wanted to play "On Wisconsin" for every pep band. Of course, his goal from very early on was to attend the University of Wisconsin-Madison and play in the Badger Marching Band. He achieved his goal and going one step further he was picked as the outstanding drummer his senior year. I remember him coming to visit to show everyone his beautiful plaque."

"Kevin also was very active in our musicals; he played Tommy Albricht in "Brigadoon," Cornelis Hackl in "Hello Dolly," and also played the lead role, Professor Harold Hill in "The Music Man."

"Kevin Neese was one of those students that you would have liked to have an entire class of. He was a truly outstanding young man," said Larry Ammel.

George Allmann, Kewaskum High School District Business Manager and Curriculum Director, also gladly shared the following about Kevin Neese:

"In Hamlet, Shakespeare talks of each of us strutting one hour upon the stage and then being heard no more. For those of us who knew and admired Kevin Neese, we can still see him strutting upon the stage in Brigadoon, Hello Dolly and as Harold Hill in the Music Man."

"Kevin left his mark on Kewaskum High School by playing in the band, serving as president of the National Honor Society, and competing for three years on forensics. While the villain cancer may have snuffed out his life at so young an age, it can never take away the memories we have of his smiling face and tender ways," said George Allmann.

After graduating from KHS, Kevin received his Bachelor of Science in Geology from the University of Wisconsin-Madison and his Master of Science in Geology from Louisiana State University. After working several years as a professional geologist for Exxon Corporation in New Orleans, Louisiana, he attended Tulane Law School in New Orleans and

received a Juris Doctor degree prior to beginning his professional law career in California.

Kevin was a partner in the Santa Barbara Law firm of Hatch and Parent, where he was active in the California water community and a major portion of his legal practice involved water rights and water quality law. He had joined the firm in 1991 and had become a partner in 1998.

His time spent with his family, along with his interests in music, hiking, and martial arts will give his family many memories.

Kevin is survived by his wife, Fariba Misaqi Neese, a son, Patrick Neese, age eight; a daughter, Tasha Neese, age five; a brother, Dr. Douglas G. Neese of Houston, Texas, and his mother, Rosemary Cook Neese of Fillmore, California. Friends can send condolences to Rosemary Neese at 250 East Telegraph Road #69, Fillmore, California 93015.

Rosemary Neese has asked that memorial donations in the name of Kevin Joseph Neese be sent to KEYS, Inc. (Kewaskum Youth Scholarships, Inc.), P.O. Box 124, Kewaskum, WI 53040. The Kevin Joseph Neese Memorial Scholarship will be awarded annually to a graduate of Kewaskum High School starting in May of 1999.

Easter Egg Hunt Saturday, April 3

The Kewaskum American Legion, Robert G. Romaine Post 3844, and the Women's Auxiliary will hold its annual Easter Egg Hunt for Children in River Hill Park at 1:00 p.m. on Saturday, April 3.

All area children are invited to participate in this annual scramble for colored eggs. This year as in the past, Mr. and Mrs. Easter Bunny will stop by to visit with the kiddies, courtesy of the Kewaskum Junior Women's Club.

Children age five and under will "hunt" eggs on the west side of the river and those ages six through ten will do their hunting on the east side of the river. The limit is six eggs per basket.

In case of inclement weather, Legion members will hand out eggs at Legion Hall, 1538 Fond du Lac Ave., in the village.

Plan Commission Favors Erection of Two Businesses

By Andrew R. Kuehl
Staff Writer/Photographer

The Village of Kewaskum Plan Commission met Tuesday evening to discuss and review a request from Randy Gust of Kewaskum to rezone the lot located at 1224 Fond du Lac Ave from B-2 General Retail and Service District to B-3 Central Community Retail and Service District.

Gust stated his reason for this is so he could build closer to the lot line. Parking would be located in the back of the proposed building. The building would face Fond du Lac Ave.

Zoning Administrator, Gordon Hoffmann gave his approval on the rezoning.

Plan Commission member Richard Schmidt made a motion to send the matter with a favorable recommendation to the village board for review on April 19. Member Ted Meilahn seconded the motion and it was approved unanimously.

The next item was a request from Tom Kudek of Auto Body Dynamics, Kewaskum for a conditional use permit for the new Automobile/Body Shop on the lot located at 1031 Fond du Lac Avenue.

The property is zoned B-2

General Retail and Service District and would allow for the above under zoning ordinance 5.7 using a conditional use permit of the Zoning Ordinance.

Hoffmann told the plan commission that they should pay close attention to the location for this type of facility, stating the building would be surrounded by two eating establishments.

Kudek stated his need for a bigger facility attributing his decision to the own vs. rent factor. The building he now occupies is currently owned by Julian "Scooter" Laufer, past owner of Kewaskum Chevrolet.

Kudek stated accesses for the proposed business would be off STH 45 via the Silver Platter Family Restaurant entrance and on Milan Drive.

Village Administrator Dan Schmidt stated the village has never received any complaints on Kudek or his business operation.

Plan Commission member, Mike Kimble made a motion to send the request to the Village Board for a public hearing on April 19. It would come back to the Plan Commission for review on April 27.

Kewaskum Schools To Conduct Census

The Kewaskum School District is conducting a door-to-door census to determine how many children/students 0-19 years old, we have in our school district.

The purpose of this census is to provide statistics so the school board and administration can make informed decisions on planning for the present and future.

The following people have been hired by the school district to take the census: Loran Backhaus, Village of Kewaskum; James Behrens, Village of Kewaskum; Sharon Nagel, Village of Kewaskum; Vicki Prodoehl, Town of Kewaskum; Steve Cook, Town of Wayne and Barton; Marjorie Lloyd, Town of Farmington; Amy Hackbarth, Town of Farmington; Edwin Henke, Town of Auburn and Ashford; Marjorie Krahn, Town of Scott and Mitchell.

Census takers will have an identification letter and a button from the school

district, verifying that they are doing the census for Kewaskum Schools. They have been instructed to ask each household the following questions:

1. Complete Legal Name of Parent(s) or Guardian
2. Complete Street Address/City/State/Zip Code
3. Telephone Number (with area code if not 414)
4. Information on each child (who has not reached their 20th birthday by June 30th)

- a. Complete Legal Name
- b. Child's Age and Birthdate
- c. Child's Sex and Race
- d. School child attends (ex. Public/district, private, parochial, home schooled, public/out of district)
- e. School child will attend (who is not now of school age - ex. pre-schooler)

We appreciate your cooperation in this endeavor. The information gathered will be very helpful for the schools to use for planning for the future.

KHS Preschool Sign-Up Time

The Child Development class of Kewaskum High School will be conducting their second semester preschool starting Tuesday, May 4.

The preschool will meet Tuesday through Friday, May 4-7 and May 11-14 and Monday through Thursday, May 17-20. All classes will be held from 9:10 to 10:20 a.m. at the high school.

The preschool is in its 22nd year of operation and is under the direction of Mrs. Carol Martin and the juniors and seniors in the Child Development class.

The children will have the opportunity to participate in storytime, music, art and other creative activities during the 12 day session.

Parents with children, ages four or five, should call the high school office at 626-2166 for information on how to register their child. Enrollment will be limited on a first call basis.

Steinhardt to Attend World Affairs Seminar

Lauren Steinhardt

This June, the Kewaskum Lions Club will be sponsoring Lauren Steinhardt to attend the World

Affairs Seminar.

Along with Lauren, over 1,000 young people from North America in Association with 250 Foreign Exchange students will spend a week on the University campus at Whitewater, Wisconsin, to study and discuss world issues.

The purpose of this very unique youth activity is to provide a forum for future International leaders to be introduced to some of the most perplexing global problems, and hopefully, this will contribute to future world peace.

While the seminar program has been fashioned by a planning staff, the final results will be what the students themselves make of

it. The program will consist of lectures, films, panels and group discussions as well as informal talks on important issues of the day. Special activities of an International flavor will be featured throughout the week. Exhibits by foreign students will introduce participants to the many cultures represented at the seminar.

Campus Notes

The Colorado Institute of Art in Denver, has announced that Marnie Winninghoff, Kewaskum, has been named to the Dean's List for the fall quarter.

A 3.5 or better grade-point average is required to be named to the Dean's List.

KHS Forensics Team Is Off to State Meet

The Kewaskum High School Forensics team will advance 34 of its 35 members to the state competition to be held on Friday, April 16 in Madison.

To advance to this level, the participants had to score at least two rounds of 20 out of 25 points at their District meet, which was held on March 16.

Students who will advance to State include Colleen Gosa and Jessica Schmidt in Demonstration; Tina Olewinski, Jill Pamparin, and Kelli Jo Will in Four Minute; Katie Gosa in Moments in History; Sarah Cole, Missy Rady and Jackie Wendegatz in Poetry; Lisa Dehler, Mary Lehmann, and Tashina Meyer in Farrago; Sara Bauer and Coral Choinski

in Prose; Emma Chambers, Beth Herriges, and Krissy Krell in Solo Acting-Humorous; the Play Acting groups of Joel Hermann, Jessica Parrent, Michelle Zingsheim, Alex Blasky, and Brendan Weinhold, and Kristin Schiller and Kim Survis; the Group Interpretative teams of Eric Braun, Nicole Fischer, Maggie Herriges, Troy Martin, and Heather Wagner, and Maria Cannestra, Virginia Feind, Jennie Link, Marcia Thull and Elizabeth Werdermann.

All of these students have proven their outstanding talents, and their coaches Beth Biskobing and Betsy Helmers look forward to another successful event with many medals gained at the state meet in Madison.

St. Lucas Students Speak Up for Forensics

Students in grades five through eight of St. Lucas Lutheran School traveled to Kettle Moraine High School on Saturday, March 13. The young speakers participated in the Forensics Contest. The speaking categories available to the students were Prose, Poetry, Playacting, Declamations and Visual Aid. The team is coached by Erika Moldenhauer. Shown above, left to right: Ana Stern, Corin Groth, Adam Janz, Paul Jung, Luke Herriges. Second row: Philip Marquardt, Justin Ethier, Matthew Kurtz, Emilie Marquardt, Taylor Long, Josh Zima. Third row: Bobby Stoll, Janel Ethier, Amanda Jung, Allison Janz, Adam Survis. Back row: Andrew Marquardt, Jeremy Zima, Lee Schacht, Amanda Stern, Sandra Schaefer, Beth Wiza, Chris Cooper, Becky Mahan.

Campus Notes

FOND DU LAC - Marian College of Fond du Lac has announced the names of students whose fall-semester academic standing has qualified them for the Dean's List.

The Dean's List is published three times a year with the names of all full-time students who have earned at least a 3.5 grade point average.

The students are Melissa A. Junk and Christina Lettow, both of Kewaskum.

DE PERE -- Carrie Krell, daughter of Mr. and Mrs. Ronald Krell, 7667 Mary Lane, West Bend, has been named to the first semester's dean's list at St. Norbert College.

A minimum 3.5 grade point average is required for academic eligibility.

"You'll find the book 'An Easy Way To Profitable Farming' over there in our fiction section."

In the Service

Navy Petty Officer 1st Class Thomas J. Flom, a 1987 graduate of Kewaskum High School, Kewaskum, recently reported for duty aboard the multi-purpose amphibious assault ship USS Wasp, homeported in Norfolk, Virginia.

He joined the Navy in February 1986.

Memories...

A Walk Down Fond du Lac Avenue

We are skipping backwards, north a tad, on our Stroll Down Fond du Lac Avenue. We were heading south originally, but we recently received the photos we were looking for, on the right, courtesy of Marion Baumhardt.

The photos are of the Bohn Liquor Store (and residence) on Fond du Lac Avenue, that were located on the site now occupied by St. Francis Bank.

Francis and Marion Bohn purchased the former David Rosenheimer home (shown on top) in 1961. They erected a liquor store to the north of the home (shown on the bottom) after moving their liquor store business from the former Kewaskum Theater Building. The Bohn family lived in the home. After ten years, they sold the property to the Kewaskum Bank who razed the buildings and built the present structure.

Marion Baumhardt Photos

UWWC Professor Wins Student Services Award

West Bend -- Patricia Roby, Associate Professor of English at UWWC has been named as the first recipient of the UW Colleges Outstanding External Contributor to Student Services Award.

Pat was honored for her positive attitude, her relationships with students and Student Services Staff, creativity and initiative, the quantity and quality of her efforts and for working beyond the call of duty. Pat said she was "very proud to be the first recipient of this award."

Pat enjoys working with the students one on one. She said, "we are more than just teachers on a small campus such as UWWC, we are mentors and watch students grow, not only in academics, but also as people."

Pat is a founding member of the Advisory Committee on Enrollment (ACE). She has assumed the role of advocate for students in a number of contexts. For example, when the annual student satisfaction survey shepherded the concept of a Monday through Friday "free" noon hour. This innovation has allowed the students to bring in comedians, musical groups, magicians, and other entertainers, and has contributed to the sense

of the campus being a "real college."

Pat is the author and prime mover behind the campus's "pot luck" lunches, which have also served to bond faculty, staff, and students into a community of learners.

Her own courses reflect her dedication to student welfare. She pioneered the Learning Community/IS offerings and centered the classes around "brown-bag" lunch time discussions that attracted other members of the campus as well as students enrolled in the courses.

During her tenure as Chair of the Curriculum Committee, she has refocused offerings to be more accessible to students by securing the faculty's commitment to a viable evening program. Her work in this capacity has greatly facilitated the work of the Student Services Office.

Pat credits the Student Services Office for helping her attain this award. She said, "I can be successful because of the super "team" in the Student Services Office, all working together to help our students in every way possible."

Director Appointed at St. Joseph's Hospital

St. Joseph's Community Hospital of West Bend has named three people to top administrative posts: John Catel, director of human resources; Daryl Duenkel, director of information services; and Mike Malzewski, director of fiscal services and chief financial officer.

Catel has been with the hospital since November 1997 as a manager of human resources before his promotion to director. He is responsible for all functional areas of human resources including employee relations, compensation and benefits, legal compliance, recruitment and employee services.

Catel is a graduate of Marquette University with a bachelor's degree in business.

Duenkel joined St. Joseph's in September 1996 and was manager of information systems before becoming a director. He is responsible for the overall direction of the information systems, telecommunica-

tions, and health information management departments, including matching appropriate technology with business issues.

Duenkel has a bachelor's degree in business administration from Cardinal Stritch University and is a member of the West Bend Area Chamber of Commerce Leadership Program.

Malzewski, director of fiscal services and CFO, is responsible for all financial matters relating to the hospital. He joined St. Joseph's in November 1998 after working under contract since April of that year. Previously, he worked for Deloitte & Touche LLP as a director.

Malzewski is a certified public accountant and has a bachelor's degree in business administration from the University of Wisconsin-Milwaukee. He is a member of the Wisconsin Institute of CPAs, American Institute of CPAs and the Healthcare Financial Management Association, of which he is

president-elect. He is also a member of the Wisconsin Health and Hospital Association Council on Finance and Payment.

Graduates of Moraine Park

The following students recently graduated from Moraine Park Technical College's West Bend campus:

Tool and Die Making Program, Technical Diploma: Bruce Michael Gundrum, 9153 Hwy. XX, West Bend, with honors, and Jed Lawrence Steier, 1689 Scenic Dr., Kewaskum, with high honors.

Introductory Office Skills Program, Certificate: Kelly Jo Knoebel, 709 Moraine Ct., Kewaskum; Jennifer Lynn Ramthun, 9445 Hwy. BB, Campbellsport, and Ann L. Rehbein, 706 Pleasantwood Dr., Kewaskum.

In the Service

Jenny L. Kaye has joined the United States Army under the Delayed Entry Program at the U.S. Army Recruiting Station, West Bend.

The program gives young men and women the opportunity to delay entering active duty for up to one year.

The enlistment gives the new soldier the option to learn a new skill, travel and become eligible to receive as much as \$50,000 toward a college education. After completion of basic military training, soldiers receive advanced individual training in their career specialty.

Kaye, a student at Campbellsport High School, will report to Fort McClellan, Anniston, Alabama, for basic training on July 21, 1999.

She is the daughter of Jeanne L. and Alex Kaye of N. 664 Moraine Drive, Campbellsport.

Kewaskum Fire and Rescue Squad Calls

Tuesday, March 16 - The Kewaskum Rescue Squad personnel responded to a call in the village of Kewaskum at 1:20 p.m. A male patient who was injured when he fell was transported to St. Joseph's Community Hospital, West Bend.

Thursday, March 18 - The Kewaskum Rescue Squad was summoned in the Village of Kewaskum at 5:18 p.m. for a male patient whose medical condition required transport to St. Joseph's Community Hospital, West Bend.

Sunday, March 21 - The Kewaskum Rescue Squad was dispatched in the Village of Kewaskum at 2:51 p.m. A male patient was transported to St. Joseph's Community Hospital, West Bend, for treatment of shortness of breath and chest discomfort.

Althea Kempf Honored

Immanuel Lutheran Church in the Town of Scott has honored Althea Kempf, who has served as church organist for the past 34 years. Making presentations to her recently were Floyd Klug (left), chairman of the congregation, and Ron Geidel, chairman of the local branch of Aid Association for Lutherans. The former Althea Schneider first learned how to play from her grandmother. Then she had three months of piano lessons, three months of accordion lessons and six months of organ lessons. When the Kempfs purchased an organ for their home she could spend more time practicing. She is the mother of five and grandmother of 10.

TENEBRAE At Boltonville

The events of Holy Week will be commemorated during the Tenebrae Service at St. John's United Church of Christ on Maundy Thursday.

Tenebrae is the Latin term for "shadows." It is a Service of scripture readings and hymns accompanied by the gradual extinguishing of candlelight.

The public is cordially invited to attend this 7:30 p.m. Worship Service on April 1. St. John's is located at 1332 Scenic Drive in Boltonville.

Campus Notes

SHEBOYGAN - Lakeland College has named 313 students to the Dean's List for academic achievement for this past fall semester. To achieve this position, students must obtain a 3.5 grade point average and carry a full-time load of at least 12 credit hours.

Students named to the Dean's List from this area include Anne Mertz, a senior from Kewaskum majoring in chemistry.

The way to be satisfied is never to look back.

Creepy Crawlies Come to FES

First grader Sadie Hennig watches a walking stick insect take a stroll across the palm of her hand.

Picking up an African millipede is first grader Ryan Gibson.

Tarantulas, scorpions, and all sorts of incredible live insects paid a visit to Farmington Elementary School as an educational program, "The Creepy Crawly Zoo," allowed students the chance to see, and in some cases handle, a variety of the fascinating creatures.

Run by entomologist (bug guy) Tony Gustin, the "Zoo" provides an interesting presentation of informational and hands-on experiences. Students could actually pick up things such as beetles and gigantic millipedes just to see what it was like. A live scorpion and tarantula were in display cases for viewing.

ABC SKAT RESULTS

The winners at skat played at the Town of Scott Hall on Tuesday, March 16th was: Ralph Laux, 14-2--12 net.

Entomologist Tony Gustin, who runs the "Creepy Crawly Zoo" holds up the exhibits tarantula, which he describes as "a little bit mean."

Weekly Meeting of Separated, Divorced

The Washington County separated, divorced and widowed men and women support group meets weekly every Friday from 7:30 to 9:30 p.m. at the Holy Angels Church basement in West Bend.

Their purpose is to provide a means to share ideas, concerns, support, fellowship and love from a Christian perspective. There are guest speakers, panel discussions, small group sharing and other activities.

The group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

A John Gray video, followed by discussion, will be held at the March 26 meeting.

There will be no meeting on Good Friday, April 2.

A potluck dinner will be held on April 9. Bring a dish to pass. A board meeting will be held before the potluck.

The Little Folks Receive Education in Dental Hygiene

Above, the Little Folks observe as hygienists Pat Knuth and Jessica Laubenstein demonstrate proper flossing on a model of the teeth.

February was National Dental Health month and the Little Folks School House took part by teaching about good dental hygiene. All month long, the children did color sheets, read stories about visits to the dentist and played the "Happy Tooth, Sad Tooth" game.

Owner, Dodie Sargent invited dental hygienist from Dr. Van Ess's office in Kewaskum to visit the center and do a presentation for the little folks. The hygienists were thrilled when the children performed two songs that they had learned and worked on all month; "Little Tommy Toothbrush" and "I brush my teeth."

The Little folks school house has a monthly theme and follows a daily pre-school curriculum. They strive to meet the individual needs of each child. Anyone wanting more information about the center or the summer program is urged to contact Dodie Sargent at 626-4023.

TOWN OF WAYNE RESIDENTS

My name is **David Scharf** and I am a candidate for the office of Chairman in the Town of Wayne. This letter is to clarify my thoughts on the concerns facing the Town of Wayne.

THE ISSUES

When we hear about election issues we all think of the same things. We think mostly about situations involving money. Property taxes, governmental services and service cost come to mind most often. These issues are apparently not of highest importance in the minds of the people I have talked to. The single most recurring issue echoed by people is communication with elected officials.

The second most popular and heated issue among the electorate is town growth. The diversity of opinion is nearly equal to the number of voters. We are all interested in how our lives will feel as we grow older in the Town of Wayne.

Surprisingly, even with the recent hike in assessments, property tax comes in last in frequency and intensity of voter opinion. Property tax concerns may be satisfactorily addressed if we give proper attention to other issues.

COMMUNICATIONS

Last week I talked about personal responsibility toward a democratic way of life. I believe that many political public servants are led to a defensive posture due to a steady stream of ill spirited criticism. These defensive attitudes can affect how a constituency is viewed by an official. My approach to this human nature is an attempt to extract a functional idea from each person offering criticism. If you can identify what is wrong with a situation you should have an idea as to how it can be made better. Officials are in a position to help people understand how their ideas will affect other people and the other points of view involved.

GROWTH

We are shopping for a luxury car on a basic transportation budget. We won't have enough change for bus fare if we look past the current reality.

The issue is not who has the better idea as to what our town should look like 25 years from now. We are so busy arguing our own special interests we cannot see the real issue. What does growth cost and what expense can we bear? Each person who moves into the town must drive on the roads, benefit from the schools, require police and fire protection, create waste for disposal. Do residents put down their share of expense in a lump sum when they come to a new home? No, they pay for their share of the expense in yearly installments called property tax. We must borrow the money to satisfy these needs. We borrow this money from the existing property tax base. As expenses rise so also goes the tax rate. We have a responsibility to ourselves and future residents to ensure that there are enough resources to meet the needs of the level of growth we decide on.

The electorate has said no to the school district initiative. Presumably we do not want it because we do not wish to pay for it. We as voters on the school district proposal have already made a decision. We are not willing to sustain the level of growth assumed in the school district proposal for expansion. Now we must show the Kewaskum School District we are serious by providing them with an acceptable growth trend.

PROPERTY TAX

As promised, the property tax issue has already been answered. Property tax is best managed through responsible control of growth. We cannot mortgage the future.

THE CHOICES

You have two choices.

Vote for **DAVID SCHARF** or Vote for his opponent.

There is no other choice.

THE ELECTION IS TUESDAY, APRIL 6TH

Authorized and paid for by David Scharf, 9564 Hwy. BB, Campbellsport, WI 53010

Obituaries

KEVIN JOSEPH NEESE

Kevin Joseph Neese, Kewaskum High School Class of 1977, passed away February 11, 1999 at the UCLA Medical Center, after a brief battle with cancer. He was 39 years old.

He was born May 21, 1959, in West Bend, to the late Elwood "Woody" Neese and Rosemary Cook Neese. Kevin was graduated with honors from Kewaskum High School in June 1977.

He received his Bachelor of Science degree in Geology from the University of Wisconsin-Madison and his Master of Science degree in Geology from Louisiana State University. After working several years as a professional geologist for Exxon Corporation in New Orleans, Louisiana, he attended Tulane Law School in New Orleans and received a Juris Doctor degree prior to beginning his professional law career in California.

His interests included spending time with his family, music, martial arts and hiking.

Kevin was a partner in the Santa Barbara law firm of Hatch and Parent, where he was active in the California water community and a major portion of his legal practice involved water rights and water quality law. He joined Hatch and Parent in 1991 and became a partner in 1998.

He is survived by his wife, Fariba Misaqi Neese; a son, Patrick Neese; a daughter, Tasha Neese; a brother, Dr. Douglas G. Neese of Houston, Texas; and his mother, Rosemary Cook Neese of Fillmore, California.

Friends were invited to join the family in commemoration of Kevin's life after the private burial.

Memorial donations may be sent to KEYS, Inc. (Kewaskum Youth Scholarships, Inc.), P.O. Box 124, Kewaskum, WI 53040 in memory of Kevin Joseph Neese. The Kevin Joseph Neese Memorial Scholarship will be awarded annually at Kewaskum High School starting in May of 1999.

AMANDA A. FIRME

Amanda A. Firme, nee Meilahn, 84, formerly of the Town of Scott, died Saturday, March 20, 1999 at Beechwood Rest Home.

Mrs. Firme was born November 1, 1914, in the Town of Kewaskum, to the late Carl and Amanda (nee Kuecker) Meilahn, and married Lester Firme at St. Lucas Lutheran Church, Kewaskum, on August 12, 1941. He passed away July 16, 1994.

The couple farmed their entire life in the Town of Scott.

Amanda was a member of Immanuel Lutheran Church, Town of Scott, the Ladies Evening Guild and the Altar Guild.

Survivors include three sons, Marc (Mary Ann) of Taylor Ridge, Illinois, Carl (Gelane) of Sun Prairie and Joel (Chris) of the Town of Scott; four grandchildren; one grandson-in-law; a sister, Agnes (Raymond) Schaefer of Kewaskum; and other relatives and friends.

Preceding her in death were two brothers and two sisters.

Funeral services were held Monday, March 22, at 7 p.m. at Immanuel Lutheran Church, Town of Scott. Rev. William Robinson, pastor, officiated and burial was at 10 a.m. on Tuesday in the church cemetery.

Visitation at the church only was on Monday from 4 p.m. until the time of services.

A memorial fund has been established in her memory for Immanuel Lutheran Church.

The Wilk Funeral Home, Random Lake, served the family.

GERALD A. ERICKSON

Gerald A. Erickson, 55, of Waupaca, formerly of Green Bay and West Bend, passed away Wednesday, March 17, 1999, at the Riverside

Medical Center in Waupaca.

He was born April 3, 1943, in Kewaskum, to Erna (McFarland) Erickson and the late Raymond L. Erickson.

Gerald served in the United States Navy from July 19, 1961 to June 14, 1965, and also served in the United States Air Force from November 12, 1965 to February 16, 1973.

Survivors include his mother, Erna Erickson, of Green Bay; two sisters, Shelby (Darrell) Hills and Cynthia Brueggeman, both of Fond du Lac; four brothers, Ronald and Marlyn (Delores), both of West Bend, Dennis (Mary) of Woodruff and Niles (Dorothy) of Green Bay.

Funeral services were held at the Holly Funeral Home, Waupaca, on Monday, March 22, at 1 p.m. and interment was in Wisconsin Veterans Memorial Cemetery, King.

Visitation at the funeral home was on Monday from 11 a.m. to 1 p.m.

ROY M. 'SMITTY' SMITH

Roy M. "Smitty" Smith, 77, of Cecil, former Kewaskum resident, passed away Wednesday, March 17, 1999, in Appleton.

He was born Oct. 8, 1921, in Appleton, to the late Andrew and Rose (nee Wachlin) Smith, and on March 15, 1965, married Bernice Loos in Shiocton.

Roy worked for Beatrice Foods driving truck and was also a bartender, retiring in 1985.

He was a member of the American Legion Post 392 Cecil, and the Moose Lodge.

Roy like hunting and fishing on the Wolf River, and he was a great Packers fan and loved bowling.

Survivors include his wife; two children, Richard (Mary Ann) Loos of Kewaskum and Jeanni (Dick) Suprise of Shiocton; six grandchildren, Donna, Shelly, Edward, Richard Wayne "J.R.," Mandy and Stephanie; six great-grandchildren, Ashley, Michael, Cody, Tearsa, Dylon and Austin; and other relatives and friends.

Preceding him in death were a brother and two sisters.

Funeral services were held Monday, March 22, at 11 a.m. at the Zastrow Funeral Home, Cecil. Rev. David Miller officiated and burial was on Monday in Highland Memorial Park Cemetery, Appleton.

Visitation at the funeral home was on Monday from 9 a.m. until the time of services.

EDWIN C. SEEFELD

Edwin C. Seefeld, 61, Campbellsport, died Saturday, March 20, 1999, at Theda Clark Medical Center, Neenah.

He was born Aug. 18, 1937, in the town of Ashford, to the late Arthur and Hilda (nee Habeck) Seefeld.

He was an owner/operator truck driver in the Campbellsport area, and was a member of Immanuel Evangelical Lutheran Church, Campbellsport.

Edwin was an avid traveler, enjoyed antique tractors and antique collectables, and was also active at church Bible study.

Survivors include a brother, Carl of Campbellsport; three sisters, Mary Stevens of Sheboygan, Lillian (Harold) Brasch of Winneconne and Anna (Ronald) Marks of Green Bay; nieces; nephews; other relatives and friends.

Preceding him in death were two nieces and two nephews.

Funeral services were held Wednesday, March 24, at 2 p.m. at Immanuel Evangelical Lutheran Church. Rev. Paul Cerny officiated and burial was in Union Cemetery, Campbellsport.

Visitation at the Twohig Funeral Home, Campbellsport, was on Tuesday from 4 to 8 p.m., and on Wednesday at the church from noon until the time of services.

Memorials may be directed to Immanuel Evangelical Lutheran Church.

ELMER 'BLACKY' STUTZMAN

Elmer "Blacky" Stutzman, 97, of Campbellsport, died Saturday, March 13, 1999, at

Cedar Lake Health Care Center, West Bend.

Survivors include his wife, Hannah (nee Suter); two children, Alan (Mary) Stutzman and Rachel Stutzman, both of Campbellsport; a son-in-law, Hayden Kelley of Brown Deer; eight grandchildren; a sister, Olive Prunty of Placerville, Calif.; other relatives and friends.

No funeral services were held, and cremation took place.

Those who wish may make memorials to the Cedar Lake Health Care Center, West Bend.

The Twohig Funeral Home, Campbellsport was in charge of arrangements.

IN MEMORY

In loving memory of GERTRUDE SCHLOSSER, who passed away two years ago, March 23, 1997:

God saw that she was getting tired,
And a cure was not to be;
So he put His arms around her,
And whispered "come with me."
With tearful eyes we watched her suffer, and saw her fade away;
Although we loved her dearly;
We could not make her stay.
A golden heart stopped beating.
Hard working hands at rest;
Though we still miss her deeply,
God broke our heart to lose her;
But only God knows best.

Loved and miss by her children and grandchildren.

Paul Miller of Alta Loma, California, grew the largest mustache ever grown in the U.S. It measured eight feet by March 1993.

PTO Fundraising Goal is New Playground Equipment

Look what the Kewaskum Elementary School PTO fundraiser dollars can do!

The KES PTO is closer to their goal of new playground equipment for the school and the community.

Funded entirely from their fundraisers, the new structure will be completed in three phases. Their goal is to have Phase one, the largest, up and ready to play on this year. It includes a huge dinosaur with stairs that lead to a tube slide, a new "tree-house" climber, various pole climbers and a three-person giant bigfoot slide. The structure will be totally movable to fit into the elementary school's future

needs. Phase two and three will come soon with future fundraising.

The KES PTO has selected Mr. Z's as their fundraiser this spring. Parent input helped us select Mr. Z's because of its products that are used everyday. Included for sale are pizza and garlic bread, convenience foods like stuffed croissants and breakfast items, and delicious desserts.

Booklets will be sent home with students over Easter break and will be returned to school after Easter vacation. Large scale drawings of the new playground equipment will be on display at Kewaskum Elementary and at the time of food pickup in late April.

The Kewaskum Elementary School PTO thanks the community for past support of their fundraising efforts. Without you, their many projects for the school could never be. The KES PTO supports assembly programs at school, busing for field trips, classroom extras, money for food and cooking projects, the music and reading programs, and so on.

The goal this year, which is a big one, the new playground, is sure to make many children in our community happy. The PTO thanks you in advance for your help and let's see if we can all have a hand in creating something special for our kids. Stock your freezer and think of a kid with a smile!

Campus Notes

PLATTEVILLE -- Local residents were among students at the University of Wisconsin-Platteville recognized for outstanding academic performance during the fall 1998 semester, Chancellor David J. Markee announced recently.

Deborah Winget, a UW-Platteville freshman from West Bend majoring in General Engineering/Mechanical Option, was named to the Chancellor's List and the Dean's List of the College of Engineering, Mathematics and Science.

Samuel Schmidt, a UW-Platteville junior from Kewaskum majoring in Business Administration-General, was named to the Dean's List of the College of Business, Industry, Life Science and Agriculture.

Rayelle Miller, a UW-Platteville freshman from Fredonia majoring in General Engineering/General Studies, was named to the Dean's List of the College of Engineering, Mathematics and Science.

Dane Dorn, a UW-Platteville junior from Kewaskum, majoring in Industrial Engineering, was named to the Dean's List of the College of Engineering, Mathematics, and Science.

George Stone, a UW-Platteville junior from West Bend majoring in Industrial Technology Management, was named to the Dean's List of the College of Business, Industry, Life Science and Agriculture.

Jeffrey Spaeth, a UW-Platteville freshman from West Bend, majoring in General Engineering/General Studies, was named to the Dean's List of the College of Engineering, Mathematics and Science.

Matthew Muench, a UW-Platteville freshman from Adell, majoring in General Engineering/Mechanical Option, was named to the Dean's List of the College of Engineering, Mathematics and Science.

Monica Eibs, a UW-

Platteville senior from Fredonia majoring in Animal Science-Livestock and Meat Emphasis, was named to the Dean's List of the College of Business, Industry, Life Science and Agriculture.

To be named to the Chancellor's List, students must earn a perfect 4.0 grade point average for the semester. To be named to the Dean's List of the College of Liberal Arts and Education, students must earn at least a 3.75 grade point average for the semester. To be named to the Dean's List of other UWP colleges, students must earn at least a 3.5 grade point average for the semester. About 725 of UW-Platteville's 5,000 students earned academic honors during the Fall 1998 semester.

The following students from this area have been named to the Dean's List at the University of Wisconsin-Milwaukee for the Fall 1998 semester.

UWM is the second largest university in the State of Wisconsin. UWM has ten schools and colleges as well as a graduate school and a University Outreach Division. It is a major teaching and research institution serving Wisconsin's largest metropolitan area.

The students, all from Kewaskum, include: Leslie Ann Cook, Rhett Alexander Engelking, Katrina Michele Gilles and Shelly Ann Williams.

WAUKESHA -- Becky Yogerst, Kewaskum, an art major, has been named to the dean's list at Carroll College for earning a 3.5 grade point average or better on a 4.0 scale during the first semester of the 1998-99 academic year.

Carroll College, a four-year liberal arts institution, is Wisconsin's first college, chartered in 1846.

Professional Secretaries International Changes Name

KANSAS CITY, MO -- Reflecting the broader range of job titles and expanded responsibilities held by today's administrative support staff, members of Professional Secretaries International have voted to change their association's name to the International Association of Administrative Professionals.

The name change was approved by a vast majority of member delegates during the 56-year-old association's International Convention and Education Forum in Atlanta, Georgia.

The International Association of Administrative Professionals has approximately 40,000 members and affiliates worldwide, and is the world's largest association for administrative assistants, office coordinators, clerical supervisors, executive secretaries, and other types of administrative personnel.

A 1997 benchmarking study of the association's members showed that "administrative assistant" is the most popular job title, held by 23% of members responding to the survey. Over 21% carry a broad-range of job titles, including such terms as "coordinator," "associate," or "specialist." Only 18% are called "secre-

tary."

The newly named IAAP is headquartered in Kansas City, Missouri. The association's purpose is to provide education and training, leadership development, publications and networking opportunities for its members worldwide. The organization has certified over 53,000 administrative professionals with the highly respected Certified Professional Secretary (CPS) rating.

NOTICE WOOD CHIPPING

Wood Chipping will resume on the 1st and 3rd Mondays of the month, beginning with the 1st and 3rd Mondays in April. (Weather permitting)

1. Place large (butt) end toward the street, at the curb.
2. Pile branches no more than 2 feet high; a long low pile is best for feeding the chipper.
3. For small brush, TIE IN BUNDLES with string or twine. NO boxes, bags or cans of branches will be chipped. The reason for this is if a stone, gravel, wire, metal or other material is in a bag, can etc. and gets into the chipper it will destroy the knife edges on the chipper, delaying our chipping until the knife is replaced and resharpened.
4. No roots of any kind, or material with any dirt on it.
5. Corn Stalks and Sun Flower stalks will NOT be chipped.

Note: Yard waste, garden plant waste, corn stalks, Sun Flower stalk, leaves, grass and materials that will rot down in a compost pile can be brought to the DPW yard and placed in the yard compost bin. Hours are 7:00 AM to 3:30 PM Monday - Friday. The wood chipper can take up to about a 3" diameter tree branch. It is recommended larger pieces be cut up for fire wood, or given to someone with a wood burning fireplace etc.

Herro Named Co-Chair for County Fair Park Fundraising

WEST BEND -- G. Victor Herro of Herro & Associates, Germantown, has been named co-chair of the Development Committee of the Washington County Agricultural Society, the non-profit organization founded to assist in the development and operations of the Washington County Fair Park.

Herro joins Steve Plier, Pioneer Plaza, Richfield, who has been serving as co-chair since 1998.

Located in Germantown since 1987, Herro & Associates is an accounting and income tax firm. Herro is active in many other organizations in the area. He is a member and past director of the Institute of Management Accountants, a member of the American Institute of Tax Professionals, a

member of the International Accounting Society, and a director of the Midwest Federation of American Lebanese Clubs.

Herro is also a member and past director of the Germantown Area Chamber of Commerce and a member of the Board of Directors of Germantown Mutual Insurance Company.

The Washington County Fair Park, situated on 133 acres of beautifully landscaped countryside, is centrally located within the county at the junction of Hwy. P, Hwy. PV (Pleasant Valley Road) and Hwy. 45.

The mission of the Fair Park is to enhance cultural, educational, economic, and social opportunities for the people of Washington County. When complete, the Fair Park will host a variety of events including festivals, conferences, concerts, education programs, competitive animal shows, craft fairs, meetings, workshops, the County Fair and countless other activities.

The centerpiece of the site is the 42,000 square foot Fair Park Pavilion. Other buildings and areas that will be completed by July, 1999 are four barns and the Show Arena in the Agricultural Complex, the Free Stage, seasonal restrooms and the Outdoor Arena and Warm-up Ring in the Equestrian Complex.

The Fair Park's official opening is currently scheduled for the first day of the 1999 County Fair, July 21-25, 1999.

The Development Committee is working hard to meet and surpass the fundraising goal of \$1,715,000. Members of the committee include Roland Bast, Riteway Bus Lines; Joan Beck, Beck Law Office; Phil and Prudence Pick Hway, Pick Heaters, Inc.; Ray Indermuehle; Bob Klockow; Ric Leitheiser, M&I First National Bank; Richard Smith, Germantown Mutual Insurance Co.; Diana Susen; Cy Swiechowski; and Ron Young, Young's Royal Ford.

Opportunities remain for donations to Fair Park. From a \$50 brick to the naming rights for the Fair Park Pavilion, a meaningful contribution can be selected. If you are interested in knowing more about how you can be a part of this important project, please call the Fair Park office at 335-4841. The Washington County Fair Park... More Than Just a Fair.

Letters to The Editor

To the Residents of the Kewaskum School District:

This week in your mailbox, you should be receiving a bright yellow flyer from the Kewaskum School District. This is a very important document, because it contains information about the upcoming ADVISORY REFERENDUM which will be held on Tuesday, April 6, 1999. This fact sheet has the necessary information in it, for you to cast your vote on the various questions on the ballot.

This information was put together by Mr. Pearson and his administrative team. The costs are from Gene Cravillion and Ray Hanes (Architects of Bray and Associates) who worked with the various facilities committees for the past three years.

This is the time to promote your ideas and express your opinions to other voters... on the street or in a restaurant, tavern or store. If you would like to have a gymnasium or a new Kewaskum Elementary School built on the same site, here is your chance to vote for these ideas.

Please take a few minutes from your busy schedule to read and study this informational flyer. BE PREPARED WHEN YOU GO TO THE POLLS AND VOTE ON TUESDAY, APRIL 6th, 1999 (the Tuesday after Easter, while the children are home for Easter vacation).

Thank you.

Jeanne Goeden

To the voters of the Town of Scott,

This is to inform the voters as to what the town board has been doing in the past year.

They hired a Deputy Clerk because the present clerk got herself another job and couldn't fulfil all of her duties. Legally the clerk was to pay the wages of the deputy clerk. But the chairman and his board voted to pay the Deputy Clerk's wages. Then come tax time the overworked clerk agreed to be the Deputy Treasurer with wages of \$8.50 per hour over her present wages plus seeing the chairman did not get a raise at the annual meeting he talked his board into agreeing to double the wages of the chairman and his board knowing that the budget

meeting would not be well attended.

Also, in the budget Larry Martin put the new roadman and the present full time roadman into the Recycling Center replacing the present part-time people who do not receive fringe benefits which will increase the cost of the Recycling Center by 5 times the amount of wages presently paid. Plus the new roadman is going to cut the grass at the Hilltop and do janitorial work at the Hilltop to the tune of \$15 per hour which includes the fringe benefits that the town would not have to pay if they would hire a part-time person to do this work and Larry Martin and his board is creating this work to justify hiring a new road person.

A Disgruntled Taxpayer,
Orville E. Milaeger

Dear Editor,

This information is for the benefit of readers of the "Letters to the Editor" column in the Statesman and anyone who might have read my recent contributions concerning the school building issue.

The information I submitted on the student population in the immediate Beechwood School area was obtained from a legitimate census count, not from hearsay or polls. Information on the cost of opening the school was obtained from the figures used in the last referendum in November, 1998. We had previously determined during our past community study committee that this school could probably be re-opened at a cost in the area of \$200,000.00, "but" it probably would need a new cafeteria, gym, two new furnaces, air conditioning and other additions to make it feasibly operational. I also stated that the recurring referendum could create a Pandora's Box situation. In the coming April referendum one of the items will be: should there be a swimming pool added to the new buildings with a recurring referendum to pay for maintenance? "Voila," Pandora's Box!

I cannot see where I willfully misled the public in any way and anyone accusing me of doing so should have substantial

proof. I still and always will maintain that re-opening this school would be the biggest financial mistake this district has ever made.

Let's keep the costs of these much needed projects as conservative as possible while still creating a happy, safe, healthy and educational system for both the student and teaching body. Vote April 6th!

Thank you,

Lloyd A. Koch

Volunteers Needed At Lac Lawrann Conservancy

Lac Lawrann Conservancy, West Bend, offers many volunteer opportunities for people of all ages and talents.

People who like to be outdoors in a beautiful natural setting find Conservancy Maintenance suits them to a T. They maintain trails, prairie and lawns. They also monitor nest boxes and feed the birds. The Conservancy Keepers wage war on alien plant invaders.

Volunteers are always needed for the 12th Annual Wildflower Sale. They dig and pot wildflowers, sort pots and containers, make grapevine and willow trellises and take part on the day of the sale. If you like working with happy people who love what they do, join the Wildflower Sale Crew.

Dyed in the wool "tree huggers" get excited about passing on their love of nature to the next generation. If you like children and are passionate about our environment, share your enthusiasm with a child. Become a Teacher Naturalist in the School Field Trip Program.

Lac Lawrann staff will offer training classes and a workshop in March and April. Nothing can compare to the joy of leading a group of 7-10 first grade children in their search to find spring.

To volunteer, please call 335-5080 at the West Bend Park, Recreation and Forestry Department.

All new and prospective volunteers are invited to Lac Lawrann Conservancy's Volunteer Orientation from 5 to 7 p.m. on Saturday, March 20, in the Niche, first floor of City Hall, 1115 S. Main Street, West Bend. It's a pizza party so reservations are required! Call 335-5080.

KEWASKUM SCHOOL DISTRICT MENU

Monday, March 29 -- Pepperoni pizza, salad with asst. dressings, bread, peach slices, green beans, milk & a grape shape-up. **Chicken enchilada.

Tuesday, March 30 -- Melted cheese sandwich, choice of tomato or school made chicken noodle soup, fruit cocktail, orange juice, milk and a peanut cluster.

Wednesday, March 31 -- Chicken patty/bun, (or elem. only - taco to go), pear slices, corn, milk & skittles. **Baked Potato bar.

ST. LUCAS LUTHERAN SCHOOL DISTRICT

Monday, March 29 -- Chicken patty on bun, tater tots, peas, peaches, jello.

Tuesday, March 30 -- Pork roast, mashed potatoes and gravy, green beans, cranberry sauce, hot cinnamon apples.

Wednesday, March 31 -- Hamburger/cheese bun, fresh veggies w/dill dip, fries, yellow cake.

Thursday, April 1 -- Early Release. No Lunch.

Friday, April 2 -- Breakfast pizza, tri-tater, applesauce, orange juice, apple square.

HOLY TRINITY SCHOOL

Monday, March 29 -- Taco shells/chips, lettuce, tomato, cheese, salsa, green beans, pears, oatmeal bar, milk.

Tuesday, March 30 -- Hamburger on bun with the works, buttered carrots, pineapple, cookie, milk.

Wednesday, March 31 -- Pork roast, whipped potatoes w/gravy, golden corn, peaches, dinner roll, milk.

Thursday, April 1 -- Early Release. No Lunch.

Friday, April 2 -- Good Friday. No School

Village Board Meeting Minutes

Regular Meeting
March 1, 1999
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of silence and Pledge of Allegiance.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Warren Dums and unanimously carried by voice vote, the minutes of the February 15, 1999 meeting were approved as printed.

Fire Chief Mark Groeschel reported that the Department has ordered the new ambulance as previously discussed at a cost of \$83,000.00. The ambulance should be delivered in May of 1999. It was also noted the current defibrillator company has gone out of that type of business so the Department will need to spend an estimated \$8,000 per unit to upgrade.

Police Chief Richard Knoebel asked to be excused and was absent.

Director of Public Works, Jerry Gilles informed the Board that since our last meeting we have had one water main break. (Located near the intersection of Fond du Lac Avenue and First Street.)

On a motion by Trustee Gary Gavin, seconded by Trustee Harry Roecker and unanimously carried by voice vote the Board authorized the advertising for the purchase of a Skid Steer Loader.

On a motion by Trustee Gary Gavin, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote the Board lifted the Winter Parking Restrictions for the 1998/1999 season. (It was noted that either the Village Administrator or the Village President may call a snow emergency if needed.)

Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Review of League and Taxpayer bulletins.

As the result of a League Bulletin action was taken on Resolution No. 99-6 A Resolution Opposing Assembly bill #123 as attached hereto:

2) Review of year end balance sheets for 1998 and departmental year end sheets, all subject to audit and adjustments.

3) Review of building permit report for month of January 1999.

4) Review of correspondence.

On a motion by Trustee Andy Pesch, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	849,444.83
Sewer	73,323.47
Library Fund	3,529.26
Payroll	30,544.49
Water Fund	36,406.03
TOTAL	993,248.08

A/P CK #15260 - #15385
P/R CK #8809 - #8856

Park & Recreation Chairman, Trustee John Kenworthy, announced a meeting scheduled for March 15, 1999 at 7:00 p.m.

Board Representative for the Plan Commission, Trustee Warren Dums informed the Board that the Commission held a meeting on February 23, 1999 and they reviewed the request Plat for dividing of two lots for tax purposes for Arthur Buss at 603 Main Street. Also Mr. Rick Kania was present to

(Continued on Page 13)

ORDINANCE NO. 99-3

ORDINANCE CREATING ARTICLE I SECTION 10 - 4 OF THE MUNICIPAL CODE DANGEROUS ANIMALS REGULATED

The Village Board of the Village of Kewaskum, Wisconsin creates Section 10 - 4 of the Municipal Code which reads as follows:

ARTICLE I ANIMALS IN GENERAL

DANGEROUS ANIMALS REGULATED

(a) **Statement of Purpose.** It is hereby declared that this regulation of dangerous animals is a matter of public interest pertaining to the health, safety and welfare of residents of and visitors to the Village of Kewaskum, and that existing laws are inadequate to deal with the threat to public health and safety posed by dangerous animals. It is further declared that the owning, keeping or harboring of dangerous animals is a public nuisance.

(b) **Definitions.** For the purposes of this section the following definitions shall apply:

Department shall mean the Police Department
Impoundment shall mean the confinement of an animal in a Department approved, supervised facility such as a veterinarian's kennel, commercially operated kennel or the Washington County Humane Society.

Owner shall mean the owner, custodian or person having charge, care or custody of an animal.

Permit shall include the otherwise unregulated right to keep an animal currently not covered by a requirement for a Village license or permit.

Subcommittee shall mean a subcommittee of the Protection & Public Safety Committee consisting of three (3) members appointed by the Village President and ratified by the Village Board.

(c) **Impoundment-Biting or Attacking Animal.**

(1) The Department shall have the power to summarily and immediately impound an animal whenever the Department has reasonable grounds pursuant to Subsection (d) that the animal is a dangerous animal, pending the results of an investigation by the Department. Any law enforcement officer or duly authorized Department employee may enter and inspect private property to enforce the provision of this section. The owner of the animal shall be liable to the Village for the costs and expenses of impounding and keeping said animal, unless the Department fails to declare the animal dangerous or the Department determination is ultimately overturned by the Protection & Public Safety Committee or the Municipal Court.

(2) An animal, impounded pursuant to this section, may be returned to the owner upon payment of all outstanding Village fees and charges including costs and expenses of impounding the animal when the investigation is completed.

(3) In lieu of impoundment, if the animal is currently immunized against rabies, or if the animal species is at low risk for transmitting this or other diseases, the Department may permit the animal to be confined at the owner's residence provided that the owner complies with conditions set forth by the Department. (Refer: Sec. 10 - 62).

(4) The owner or custodian of an animal confined under Subdivision (3) above shall immediately notify the Department or the Police or Department if said animal is loose, unconfined, has attacked or bitten injured another animal or has attacked, bitten or injured a human being or has died. The animal shall not be sold or given away during the impoundment period.

(d) **Determination.** The Department shall investigate situations in which there are reasonable grounds to believe an animal is dangerous. Reasonable grounds to believe an animal is dangerous are that the animal:

- (1) Has attacked, bitten or injured another animal or human being engaged in a lawful activity; or
- (2) Has without provocation and off the property of its owner, chased, confronted or approached a person in a menacing fashion such as would put an average person in fear of attack; or
- (3) Has been trained for fighting or attack and is being handled, kept or maintained in a manner that causes or should cause an owner to know that it potentially poses a threat to public health and safety; or
- (4) Has acted in any manner that causes or should cause an owner to know that the animal is a threat to public health and safety.

(e) **Dangerous Animal Declared.** The Department, after considering appropriate evidence, may declare any animal to be a dangerous animal. The Department shall make a reasonable attempt to personally notify the owner of the pendency of the Department's investigation and shall notify the owner in writing of its determination. Mailing a copy of the determination to the owner's last known address and posting in accordance with approved Department policy shall satisfy this notice requirement.

(f) **Dangerous Animal-Disposition.**

- (1) It shall be unlawful for any person to own, possess, harbor or keep any animal declared by the Department to be dangerous, except as allowed in (2) below.
- (2) Any animal declared by the Department to be a dangerous animal shall be humanely destroyed, removed from the Village or placed under restrictions as set forth in Department policies. The Police Chief shall issue an order authorizing the destruction, removal or restriction of the animal within two (2) days after the time for appeal as provided in Subsection (h) below has passed without notice of appeal being filed.
- (3) Any animal declared by the Department to be dangerous, if not already impounded by the Department, shall be immediately surrendered to the Department upon the order of the Police Chief or his designee, and it is the duty of the Department to contact the Washington County Humane Society to take up and impound any such animal.

(g) **Subsequent Determination and Penalty.**

- (1) The Department may make a new determination if an owner fails to comply with the terms, conditions or restrictions imposed in (f)(2) above.
- (2) The failure of any person to comply with any term, condition or restriction imposed by the Department is a violation of this ordinance.

(h) **Subcommittee Review of Determination.** The owner or any person aggrieved by a Department determination declaring any animal to be a dangerous animal may appeal such determination to the Protection & Public Safety Committee by filing a notice of appeal stating the grounds therefor with the Chief of Police within seven (7) days of the date of mailing of the Department Determination under subsection (e) above. The Protection & Public Safety Committee shall schedule a hearing on whether to affirm, conditionally affirm or reject the Department determination within thirty-two (32) days, but not sooner than five (5) days, and shall make reasonable efforts to notify the owner, bite or attack victims and their representatives, if any, departmental witnesses and other interested parties of such hearing and the opportunity to present evidence and testimony to the Subcommittee. The subcommittee shall, within a reasonable period of time after the hearing, issue its decision in writing and serve a copy of the same by first class mail upon the owner and all parties requesting the same.

(i) **Appeals to Municipal Court.** Any person aggrieved by a determination of the Protection & Public Safety Committee under subsection (h) above may appeal such action on a dangerous animal determination to Municipal Court by writ of certiorari within twenty (20) days of notification of such final action by mailing of the decision under subsection (h).

(j) **Prosecution.** It is the intent of this section that any investigation or determination under this section shall not prohibit the Village from prosecuting the same owner for other animal control violations relating to the same animal or other animal.

(k) (1) Any person violating any of the provisions of this section shall be subject to a forfeiture of not less than fifty dollars (\$50) nor more than five hundred dollars (\$500). Each and every day such violation continues shall be considered a separate offense.

(2) The failure or neglect of any person to comply with any lawful order of the Department issued pursuant to this section is a violation of this ordinance.

(l) **Severability.** In the event that any section of this ordinance shall be declared or adjudged by a court or competent jurisdiction to be invalid or unconstitutional, such shall in no manner affect the other sections of this ordinance, which shall be in full force and effect as if the said section(s) were not originally a part thereof.

This ordinance shall take effect the day after passage and publication as provided by law.

PASSED, ADOPTED AND APPROVED this 15th day of March, 1999 by the Kewaskum Village Board.

RESOLUTION NO. 99-7

A RESOLUTION TO RESCIND RESOLUTIONS NO(S) 98-20 AND 98-21

WHEREAS, it is now apparent that the Wisconsin Central Railroad will be abandoning the rail line and service from West Bend to Eden; and

WHEREAS, there are immediate needs and concerns if reference to the use of the railroad right of way; and

WHEREAS, as a tool to preserve said right of way in tack is to use the rails to trails program to promote joint trails, but alternative reliever traffic options; and

WHEREAS, the rails to trails program allows for the potential of future rail lines in the distant future.

NOW, THEREFORE BE IT RESOLVED, that the Village of Kewaskum rescind Resolution N. 98-20 A Resolution to Support The Preservation of Kewaskum Rail Line and Resolution No. 98-21 A Resolution to Support Green Bay Train Service;

BE IT FURTHER RESOLVED, that a copy of this resolution be sent to the Department of Transportation.

PASSED, ADOPTED AND APPROVED this 15th day of March, 1999, by the Kewaskum Village Board.

Village Board Meeting Minutes

(Continued from Page 12)

review section 1 of the Zoning Ordinance and outline as how the Commission will be proceeding.

Library Board Representative, Trustee John Kenworthy reported that the next Library Board meeting is scheduled for March 10, 1999 at 7:00 p.m.

Administrator Daniel Schmidt reviewed with the Board options regarding the proposed downtown parking lot. On a motion by Trustee John Kenworthy, seconded by Trustee Warren Dums and unanimously carried by voice vote the Board agreed to go forward with option number 1 and authorized the Administrator to apply for the appropriate driveway accesses.

On a motion by Trustee Andy Pesch, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote the Board approved the dividing of the two lots 1 & 3 that are in existence for tax purposes for Arthur Buss at 602 Main Street also known by tax key number V4-515. The properties are zoned R-2 and the Plan Commission did recommend approval. It was further noted the bulk of the area of lot 3 is in the floodplain.

Action was taken on Ordinance No. 99-1 an Ordinance Creating an Ethics Code for the Village of Kewaskum as attached hereto:

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andy Pesch and unanimously carried by voice vote, the Board confirmed the appointment of Audrey McKenna as a Democratic Election worker. It was noted the party in advertently omitted her name in December.

Administrator Daniel Schmidt reviewed Ordinance No. 99-2 an Ordinance To The General Ordinance of the Village of Kewaskum - updates. It was noted action would be scheduled for April 5, 1999.

Administrator Daniel Schmidt reviewed Ordinance No. 99-13 An Ordinance Creating Article I, section 10-4 of the Municipal Code, Dangerous Animals Regulated. There were ten residents in attendance to voice support for such an ordinance. Action is scheduled for March 15, 1999.

Discussion on the preparation of the proposed developers agreement for Old Glory Heights was held. Village Attorney Gerald Kiefer was present. The dates were reviewed as to the timing of all aspects of the development. The fact the developer wished to do the project in two phases was also discussed. It was noted at the time of rezoning that was a specific request of the developers. Several points were brought up for inclusion and discussion as follows:

1) Phasing is fine and the timing would be October of 1999 for phase 1 and October of 2001 for phase 2.

2) Developer is to try and resolve the lack of 7 feet of ROW at the end of Edgewood Road. The developer should also cover the cost of those improvements adjacent to that area curb/gutter and sidewalk. Some options were discussed.

3) The width of pavement along Edgewood Road was discussed and the Administrator was asked to verify with the Engineers.

4) The timing for the completion of Edgewood Road (west half) is to be completed by July 1, 2000.

5) President Robert Wagner indicated he would like to see the placement of trees within the greenway.

Administrator Daniel Schmidt shared some of the information that was discussed at the DOT meeting in the afternoon regarding the USH "45" Project and the status of the Railroad ROW/abandonment.

On a motion by Trustee Robert

Stoltzmann, seconded by Trustee Warren Dums and carried by the majority roll call vote, to adjourn. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

Daniel S. Schmidt
Administrator
Approved 03-15-99
Pub. (K.S.) 03-25-99

RESOLUTION NO. 99-9

A RESOLUTION OF CONCERN REGARDING PRIVATE ONSITE WASTEWATER TREATMENT SYSTEM RULES

WHEREAS, on August 28, 1998 the Wisconsin Department of Commerce issued a final Environmental Impact Statement (EIS) and notice of public hearing on proposed Chapter Comm 83 of the Wisconsin Administrative Code; and

WHEREAS, according to the EIS, proposed Ch. Comm 83 would allow the development of up to 8.9 million acres of Wisconsin -- on quarter of the state's entire area -- land which is now closed to development except with holding tanks; and

WHEREAS, the proposed rule could allow bulldozers to prepare more than 100,000 acres of Door county's fragile ecosystem for development and sped the suburbanization of Racine and Waukesha counties; and

WHEREAS, it could diminish the forests and wetlands of Clark County and gobble up farmland in Outagamie County, as well as impose new workload requirements on already overburdened local governments; and

WHEREAS, that Natural Resources Research Institute of Duluth, Minn., has tested many of the alternative onsite treatment systems envisioned in the proposed rule and found that they failed in short order; and

WHEREAS, the Department of Commerce has not adequately considered alternatives to its proposed rule as required by s. 1.11. Stats; and

WHEREAS, the use of this new technology could be dropped on the citizens of Wisconsin before local governments have in place the land use policies that are crucial to reduce the consequences.

NOW, THEREFORE BE IT RESOLVED, that the Village of Kewaskum oppose promulgation of Comm 83 in its present form and urges the Department of Commerce not to send it to the Legislature for review without major changes that address environmental and land-use shortcomings, and urges the Wisconsin Land Council to review the land-use effects of proposed Comm 83.

BE IT FURTHER RESOLVED, that a copy of this resolution be sent to each member of the legislative delegation and League of Wisconsin Municipalities.

PASSED, ADOPTED AND APPROVED this 15th day of March, 1999, by the Kewaskum Village Board.

Robert H. Wagner / President

ATTEST:

Daniel S. Schmidt/Administrator/Clerk

Motion for adoption by Trustee Warren Dums
Motion for adoption seconded by Trustee Robert Stoltzmann
Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

RESOLUTION NO. 99-10

A RESOLUTION OF CONCERN REGARDING PERSONAL PROPERTY TAX

WHEREAS, personal property constitutes more than \$9 billion of local tax base that helps fund Wisconsin's counties, cities, villages, towns and schools; and

WHEREAS, personal property taxes also support the Tax Incremental Financing Districts that bring new industry and jobs to Wisconsin communities; and

WHEREAS, such powerful business lobbying groups as the Metropolitan Milwaukee Chamber of Commerce are calling on the 1999 Legislature to repeal the personal property tax "in its entirety"; and

WHEREAS, the resulting tax shift to homeowners and other property taxpayers would reach double-digit proportions in some communities; and

WHEREAS, the loss of tax base would threaten the solvency of some TIF Districts.

NOW, THEREFORE BE IT RESOLVED, that the Village of Kewaskum urge the Legislature to finance business incentives with state tax revenue, not local tax revenue, and leave Wisconsin communities with local resources necessary to finance local economic development efforts, specifically opposes repeal of the personal property tax, and suggests that if the Legislature wants to address the property tax burden of business, it establish a personal property tax credit similar to the school levy credit and lottery credit.

BE IT FURTHER RESOLVED, that a copy of this resolution be sent to each member of the legislative delegation and League of Wisconsin Municipalities.

PASSED, ADOPTED AND APPROVED this 15th day of March, 1999, by the Kewaskum Village Board.

Robert H. Wagner / President

Daniel S. Schmidt/Administrator/Clerk

Motion for adoption by Trustee Harry Roecker
Motion for adoption seconded by Trustee Andy Pesch
Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

RESOLUTION NO. 99-11

A RESOLUTION REGARDING PROPERTY TAX ALTERNATIVES

WHEREAS, a number cities and villages are projected to receive a decrease in shared revenue in 1999, and/or are projected to receive a reduction in Expenditure Restraint Program payments; and

WHEREAS, those cuts come on the heels of shared revenue reductions in 1998 and/or expenditure restraint program payment cuts; and

WHEREAS, overall shared revenue increases have been far smaller than the rate of inflation.

NOW, THEREFORE BE IT RESOLVED, that the Village of Kewaskum:

1. Calls on the Governor and Legislature to increase shared revenue by 3% each year for the next three years. Every community's shared revenue payment should be increased 3% the first year, and the following years, that increase would be built into the community's base--divided equally among per-capita payments, aidable revenues and utility payments and the resulting payments would increase another 3%.

2. Urges the Governor and legislature to also approve 3% per year increases in payments for municipal services and the Expenditure Restraint Program, along with a floor of 2.5% for allowable budget increases under ERP, as a short-term solution to the problems outlined above; and

Urges the state to study ways of better measuring tax capacity and need as ingredients of a long-term solution to the problems outlined above.

BE IT FURTHER RESOLVED, that a copy of this resolution be sent to Governor, each member of the legislative delegation and League of Wisconsin Municipalities.

PASSED, ADOPTED AND APPROVED this 15th day of March, 1999, by the Kewaskum Village Board.

Motion for adoption by Trustee Gary Gavin
Motion for adoption seconded by Trustee Warren Dums
Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

RESOLUTION NO. 99-12

A RESOLUTION CONSERVING PROPERTY TAX BASE

WHEREAS, a shrinking tax base is the most serious threat confronting property taxpayers in the county and throughout Wisconsin; and

WHEREAS, the percentage of property taxes paid by Wisconsin homeowners rose from 47.3% in 1970 to 60.3% in 1989; and

WHEREAS, the value of tax-exempt property in Wisconsin in 1995 was estimated at more than \$32.8 billion; and

WHEREAS, the same municipal services available to apaid for by businesses, homeowners and renters is also provided to tax-exempt property, but at no cost to the entity that owns the property; and

WHEREAS, according to the Department of Revenue report entitled "Summary of Tax Exemption Devices 1995-97," exempt property equals 15.9%, 14.9% and 22.4% of the value of total taxable property in the towns, villages and cities, respectively.

NOW, THEREFORE BE IT RESOLVED, that the Village of Kewaskum requests the Governor and Legislature to enact a municipal service fee for certain tax exempt property based on the provisions contained in 1997-98 Senate Bill 12.

BE IT FURTHER RESOLVED, that a copy of this resolution be sent to the Governor, each member of the legislative delegation and League of Wisconsin Municipalities.

PASSED, ADOPTED AND APPROVED this 15th day of March, 1999, by the Kewaskum Village Board.

Campbellsport Building Supply Announces New Product

Campbellsport Building Supply, a Campbellsport based dealer of windows and patio doors and an Andersen Excellence dealer, has announced that it has begun selling the Andersen Frenchwood gliding patio door, recently introduced by Andersen Windows, Inc., Bayport, Minnesota, the nation's largest manufacturer of wood windows and patio doors.

The Frenchwood gliding patio door features both traditional detailing -- like solid brass hardware, a snap-in stainable grille and a natural pine interior -- and advanced engineering that allows it to stand up to extreme weather conditions. The door is assembled with high-performance glass, an innovation from Andersen that keeps heating and cooling energy costs to a minimum.

"Consumers are favoring traditional home design, but

they want quality products that perform with maximum energy efficiency," explained Craig "C.J." Johnson, inside sales manager for Campbellsport Building Supply. "The Andersen Frenchwood patio door is made for them. It is attractive and most weather tight." Johnson expects the Frenchwood patio door to be one of Campbellsport Building Supply's best selling products during the next year.

"We have a lot of people coming in asking for a swinging door, but a close look at the Frenchwood patio door convinces them to go with a gliding door. There just isn't a more solid, energy-efficient patio door on the market," he added.

Located at 207 West Main Street in Campbellsport, Campbellsport Building Supply serves homeowners, builders and

remodelers in Campbellsport and the surrounding communities. Designing and furnishing materials for dream homes since 1985, the firm has recently completed a renovation and expansion of its showroom, which now boasts over 30 different window displays.

The Andersen brand is the most recognized brand in the window and patio door industry, with sales worldwide and distribution throughout the United States, Canada, the United Kingdom and Mexico.

For more information on Andersen Frenchwood gliding patio doors, call Craig Johnson at Campbellsport Building Supply (920) 533-4412 or visit their website at <http://www/iam/lumber>.

The term "polecat", though usually applied to skunks, is actually the name of several species of ferrets.

In the Service

Michelle Westphal

Air Forcen Airman Michelle M. Westphal has graduated from basic military training at Lackland Air Force Base, San Antonio, Texas.

During the six weeks of

training, the airman studied the Air Force mission, organization, and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree through the Community College of the Air Force.

Westphal is the daughter of Ervin and Jennifer Westphal of 6326 Wilson Drive, Allenton.

In 1998, she graduated from Kewaskum High School.

COMMUNITY CALENDAR
MARCH/APRIL

March 27 - THE FARMINGTON ATHLETIC CLUB will hold their annual meeting on Saturday, March 27 at 1:00 p.m. at the Farmington Town Hall, 9422 Hwy. 144. Volunteers are needed to coach, serve on the Athletic Board and umpire during the coming year. Call Bill Lickel at 692-2135 if you cannot attend. 3-18-99

April 3 - ATTN. TURKEY HUNTERS - Saturday, April 3rd, Gateway Gobbler's Turkey sight-in 10:00 - 2:00, West Bend Barton Sportsman Club. For more information call 338-8448 and ask for Phil. 3-25-99

April 10 - The invitations have been sent for the Fond du Lac area Marriage Encounter 25th anniversary dinner/dance on April 10th. If we missed you and you are interested call Fritz or Rita at 414-334-7013. 3-25-99

There is a \$3.00 charge for publishing your event up to three times in the Community Calendar in advance.

Recipe of the Month

This recipe, along with many others can be found in the new Kewaskum Junior Woman's Club red cookbook. You can find them for sale at Kewaskum Pharmacy, Kewaskum Frozen Foods, Regal Ware Outlet or by calling Karen Kletti at 334-0227.

ARLENE'S SPECIAL

- 1 large onion, chopped sausage (like Hillshire, 1 to 2 lb.), cut in 1-inch slices Coerman style)
- 2 large cans sauerkraut, drained
- 1pkg. spiral noodles, cooked caraway seed (optional)

Saute onions, Cut sausage in 1-inch slices; brown with onions. Drain. Add sauerkraut and noodles. Add caraway if desired. Mix well and heat. Slow cooker is good or oven.

Betty Hallen, Kewaskum

If you don't learn from your mistakes, there's no sense making them.

Village of Kewaskum NEWS NOTES
RECYCLING TIPS

NEWSPRINT AND MAGAZINES

5 of 7

TYPE OF NEWSPRINT AND MAGAZINES: Basically all types of newsprint and magazines can be recycled. Waxed paper and other waxy paper goods are not accepted. Office paper and computer paper may also be recycled.

PREPARATION: Tie in bundles with twine or strong string. Bundles should be limited to 8" in height. Office and computer paper may be bundled or shredded and stored in plastic see through bags. Place bundles at the curb next to the dark green recycling bin or blue recycling bag on the same day that your solid waste is to be collected. Pick up will be Wednesdays for both solid waste and recyclables. Multi-family dwellings of six or more, remember, your recycling pick up will be the 1st and 3rd Wednesday of each month.

NOTE: If raining on collection day, please hold papers until the following week.

NEXT WEEK: Corrugated Cardboard

OPEN SUNDAY 1-3 p.m.

W2170 Terrace Drive, Campbellsport
Scenic-view Home in Pastoral Setting

Farming The Next Generation Workshop

Agriculture is undergoing rapid change as we approach the next century. Whether producers are just starting out in farming, or are planning to retire soon from farming, the "Farming the Next Generation" workshop will help producers make the right decisions for their farm operation.

This workshop will be held on Thursday, March 25, from 9:30 a.m. to 3 p.m. at the Moraine Park Technical College in Fond du Lac.

Topics for the morning will include How Wisconsin's Current and Future Farm Economy Affects and Will Affect Today's Farmer, We Made Changes and Got Results After Assessing Our Farm and the Farm Economy, (a farmer panel). Afternoon workshops include The Steps to Assessing Your Farm Operation and Developing a Business Plan, Implementing and Financing the Changes for Your Operation, Assessing Your Farm and Developing an Effective Succession Plan, and Balancing Income Needs of Both Generations

With the Transfer of the Farm.

There is a \$20 charge for the first person from a farm unit. Additional persons from the farm unit will be charged \$15 each. These charges will cover educational materials, breaks and lunch. The early registration deadline is March 18. Persons registering at the door will be charged \$20. People are encouraged to register early as space for those registering at the door may be limited.

The University of Wisconsin Extension, The Moraine Park Technical College, and the Wisconsin Department of Agriculture, Trade and Consumer Protection sponsor this workshop.

For more information about the program contact the Washington County UW-Extension Office at 414-335-4477, Moraine Park Technical College at 920-924-3256 or the Wisconsin Department of Agriculture Trade and Consumer Protection at 1-800-942-2474.

Dairyland Seed Announces Soybean Yieldmaster Winner

WEST BEND -- Dairyland Seed Co., Inc., announced that Doug Brander of Spring Green has been named their National Corn Yieldmaster in addition to taking first place in their 1998 Corn Yieldmaster Contest. Brander obtained his yield of 261.70 bushels per acre with Stealth-1412.

According to Tom Strachota, Chief Executive Officer, "Dairyland products have been exhibiting high yields on farms due to the tremendous amount of time, effort, and resources that

have invested in research. We are very proud of Doug Brander's results, as it is rewarding to see farmers benefit from our research efforts. Our goal is that future research will provide farmers with even higher yields."

For more information on Dairyland Seed, write P.O. Box 958, West Bend, WI 53095 or call Customer Service at 1-800-236-0163.

XYZ CARD RESULTS

Campus Notes

MENOMONIE -- The following student from the Kewaskum area has received the Chancellor's Award for academic excellence during the first semester at the University of Wisconsin-Stout. He is Jason L. Sauer, son of Mr. and Mrs. Daniel Sauer, 9551 Wolcott Drive, Allenton, a junior majoring in telecommunication systems.

The award is presented to students who have a semester grade point average of 3.5 or above.

Divers in the Persian Gulf used goggles made of polished clear tortoise shell to see under water as early as the 1300s.

RESOLUTION NO. 99-13

A RESOLUTION REGARDING RECYCLING MANDATE

WHEREAS, the state recycling program is the largest mandate ever imposed on Wisconsin cities, villages and towns; and

WHEREAS, that mandate is largely unfunded, as the temporary recycling surcharge last year paid less than 40% of the eligible costs of curbside pickup and other expensive local programs; and

WHEREAS, the state's recycling program pays 100% of its \$4.5 million bureaucracy, but prorates grants to local governments; and

WHEREAS, the recycling program has failed at meeting its goal of becoming financially self-sufficient by 1999; and

WHEREAS, under current law, state revenues are unlikely to be sufficient to fund current recycling programs through the 1999-2001 biennium even at 1997 levels.

NOW, THEREFORE BE IT RESOLVED, that the Village of Kewaskum:

1. Supports not less than full funding of the recycling mandate, financed by tipping fees on all solid waste disposed of in Wisconsin;
2. If the Legislature is unwilling to provide full funding for the recycling mandate, then the Legislative Committee of the Mid Moraine Municipal Association, League of Wisconsin Municipalities should urge the Legislature to repeal the recycling mandate to allow communities across the state to provide the level of recycling that their citizens desire; and
3. Urges members of the Legislature and candidates for the Legislature to support the options enumerated above.

BE IT FURTHER RESOLVED, that a copy of this resolution be sent to each member of the legislative delegation and League of Wisconsin Municipalities.

PASSED, ADOPTED AND APPROVED this 15th day of March, 1999, by the Kewaskum Village Board.

Robert H. Wagner / President

Mildest Winters in Recent History to Produce High Fall Antlerless Deer Quotas

MADISON -- Wisconsin deer hunters will see higher antlerless deer hunting permit levels in the northern forest regions this fall and a likely return to a Zone-T season in selected farmland units as back to back mild winters have greatly reduced normal winter mortality rates in the white-tailed deer herd.

"Larger than expected buck harvests in many deer management units across the northern forest region during the 1998 hunt indicate a higher than predicted deer population," says Bill Mytton, DNR deer and bear ecologist. "The success of last year's hunt is telling us that our population estimates were probably too conservative following the hard winters of 1995 through 1997. There was less winter mortality than we estimated over the 97-98 winter and the herd grew quickly with the relatively low antlerless quotas we issued during that time."

"Deer managers are seeing a greater disparity in deer populations between public and private lands than ever before," adds Arlyn Loomans, Upper Wisconsin land team leader for the DNR in Rhinelander. "The main cause of this is the practice of feeding and baiting on private lands, which seems to be increasing. This is causing more and more deer to congregate on private lands where there is much less hunting pressure in addition to the food. Issuing more antlerless permits doesn't help because all that does is increase pressure on public hunting lands. We have plenty of antlerless permits available, in fact we had permits left over last year, but hunters can't get at the deer. The problem is especially troublesome in management units 34, 35, 36, 37 and 38."

Deer aged and examined at registration stations during the 1998 hunt were in excellent health and many northern forest yearling

bucks had antlers similar to two-and three-year old animals, according to biologists at the stations. Given the health of the animals at the end of 1998 and the current mild winter, biologists are predicting another bumper crop of fawns similar to 1998.

With many of the state's 123 deer management units predicted to be over deer population targets, DNR wildlife managers are expected to raise overall antlerless quotas significantly with units in the northern forest seeing the greatest shift to higher antlerless harvest numbers. The annual hunt, especially the gun deer hunt, is the most effective population management tool available to DNR wildlife managers.

In addition to higher antlerless permit levels for the archery and gun deer seasons, a request to hold

public hearings on recreating the Zone-T season in eight units is being presented to the Natural Resources Board at its February meeting. The Zone-T season structure requested will not include the Earn-a-Buck provision. In 1997, the last time a Zone-T season was offered, hunters killed 7,676 antlerless deer during the four-day season.

"Given the population information we have, it's clear that a regular nine-day gun deer hunt won't do enough to get populations

under control," noted Tom Bahti, northeast region wildlife biologist. "If we don't act now to reduce the herd population we'll only see more agricultural damage and more car-deer collisions. In 1997, damage payments to farmers hit \$2.3 million statewide. With the recent increase in the individual farm damage cap from \$5,000 to \$15,000, damage payments could go even higher."

An estimated 44,000 deer were killed by automobiles in 1998 with damage to vehicles estimated at \$100 million.

Tuesday Nite League Meeting at Hon-E-Kor

The annual meeting of the Tuesday Nite League will be held on Saturday, March 27, beginning at 10 a.m. at Hon-E-Kor Golf Course in Kewaskum.

If you plan on having a team in the league this year, complete your roster sheet and bring it along or send it to the meeting.

If you cannot attend please call Hon-E-Kor at 626-2520.

Breaks Outdoor 1500M Record

Lynn Qualifies for Nationals in First Outdoor Meet

Marni Lynn, fresh off her National Indoor Championship in the 1500m race, broke the Carroll College school record in the 1500m outdoors and in the process automatically qualified for the NCAA Division III Outdoor Track and Field Championships on Friday

night, March 19, at the Florida State Relays held at Florida State University in Tallahassee, Florida.

Lynn, competing in her first outdoor meet, ran the 1500 meter race in a personal best time of 4:32.16 (four minutes and 32.16 seconds). The automatic quali-

fying time for the 1500m race outdoors is 4:39.

Lynn won her heat of the 1500 easily, but due to travel restrictions, was not able to race in the fastest heat or in the finals. The team bus needed to leave so that the

athletes would be back to Carroll College in Waukesha in time for the start of classes after their spring break.

Lynn, after competing at the Nationals in Ada, Ohio, caught up with the team in

Florida and was able to compete in her first outdoor meet of the season.

If we stopped to think more, we would stop to thank more.

KHS Students Participate In MPTC Skills Olympics

The Moraine Park Foundation, in cooperation with the School Relations/School to Work Department of Moraine Park Technical College, sponsored the 21st Annual Skills Olympics on Friday, March 5, at the Fond du Lac campus.

This year's event was attended by 650 high school student participants from 25 area high schools. Students competed for a scholarship of \$200 with gold, silver and bronze medals designating first, second and third placing respectively. Honorable mention placing is also acknowledged.

A single school trophy is issued to the top participating school. The 56 contests include a wide range of interests sponsored in each of the educational programs offered at M.P.T.C.

It is interesting to note that many students participate in more than one competitive area in this all day event that cost each participant a \$3 participation fee that covered lunch and entertainment. Contest specifications and judging criteria were provided to each student one month prior to the event. Many students spent countless hours preparing for the events of the day.

Mary Koch, Family and Consumer Education Department, attended the event with the Kewaskum High School participants.

KHS attendance at this event was lower than last year with students competing in a total of 20 of the 56

contests offered. Placings were as follows:

Brandon Juers, Auto Detailing - second place; Jenny Wolf, Keyboarding - third place; Josh Lawrence, Windows 95 - first place; Brandon Juers, Nail Art - first place; Emily Shulka, Nail Art - second place; John Ratzel, Crops - second place; Sandy Vrana, Create a Plate (Chicken Entre) - second place; Kristina Olewinski, Cake Decorating - first place; Cheryl Sager, Cake Decorating - second place; Sandy Vrana, Cake Decorating - third place.

All KHS students, freshmen through senior, are encouraged to explore this unique opportunity to pursue a scholarship that can be applied toward any MPTC course or any MPTC program offered at any time. Details will be made available one month prior to the event.

For further information, please contact Mary Koch at Kewaskum High School at 626-4239, ext. 4108. KHS students are encouraged to review the 1999 contest details and to begin preparation during first semester this fall.

Honorable Mention was also won by Jason Vandebloom - Graphic Communication - Layout/Design; Jon Ratzel - Corrections; Nicole Utecht, Rachel Wolf and Stephanie Janz - Cake Decorating; Nicole Utecht - Create a Plate - Chicken Entre, and Brooke Zanow and Katie Muth in Nail Art.
