Fin-n-Feather Supper Club Completes Renovation

After years of planning, the extensive renovation of the Fin-n-Feather Supper Club in New Prospect have now been completed. Shown above, left to right, are owners, Betty, Tom and Dennis Krueger.

By Laurie Ottery

Good food and drinks, reasonable prices and a 20 year history of satisfied customers have the Fin-n-Feather Supper Club thriving in the restaurant industry. The business is located six miles north of Kewaskum, on Highway SS, in New Prospect. It is in the heart of the scenic Northern Kettle Moraine State Forest.

Dennis and Betty Krueger purchased the business in 1979. The couple grew up in the Campbellsport, St. Kilian area and both are graduates of Campbellsport High School. Dennis brought with him some experience in bartending, but it was Betty who had worked several jobs doing restaurant work.

"I started working when I was 15 years old as a waitress at the M&E Truck Stop," Betty said. "I cleared tables and waited on customers. From there I had several other jobs in restaurants, including the Fin-n-Feather."

Betty learned important skills over the years. She gained hands-on experience in the efficiency of clearing tables and resetting them, keeping things clean, waiting on customers and the art of cooking and serving great tasting food.

"The restaurant business is like many others where word of mouth advertising

is vital to success," Betty said. "A satisfied customer will tell their friends and family and bring in more customers. I learned the importance of working with people and making sure they were happy."

When Dennis and Betty purchased the Fin-n-Feather, the name and the business had already been established. The bar room could seat 24 people and the small dining room, 45. Their son Tom started out, just like his mother, cleaning, bussing tables, doing preparation of food work and eventually accepting the challenges of cooking and bartending.

The building was built in the late 1800's and had operated as a bar/saloon in the early 1900's. The Fin-n-Feather name was started in the 1950's. The family is unsure of any other history on the building. They have heard conflicting recollections from some of the customers who reminisce about the good old days.

The Krueger family started with the basics and built their business from there. Time was spent on getting organized and working on ways to make improvements in all aspects of running a supper club. They worked as a team, sharing ideas and planning out improvements.

"In 1992, we remodeled the bar and dining room," said Tom. "It was just the

first step towards becoming more efficient to better serve our customers."

In 1994, the family purchased the building next to them. It also was built in the 1800's and had been home to several businesses including a blacksmith shop, body shop and most recently, a sport shop. The two buildings were joined and the addition became another dining room.

"Dad always enjoyed artwork such as wildlife prints and the wildlife preserved by the taxidermist," said Tom. "I can remember as a kid hearing him say he'd like a place to display his collection some day. As we have grown, more of the artwork is on display throughout the supper club."

The Krueger family shares a love for the outdoors and has brought that appreciation of nature indoors in the supper club. The decor is a work of art in itself. Hand painted murals of wild turkey, pheasants

Wilson Resigns as Principal at KHS

By Andrew R. Kuehl
Staff Writer/Photographer

Effective July 1, 1999 current Kewaskum High School principal Larry Wilson will be leaving Kewaskum for a position that "will be an improvement" for himself.

Wilson will become principal at Central High School in Westosha, Wisconsin. He will be replacing Doug Potter who has served as principal there for the last three years. Potter will be replacing the school's superintendent, Gerald Sorensen who is retiring at the end of the school year.

School Board President Tom Timblin said, "We wish him the best in his new position. Mr. Wilson was a hard worker and put in many long hours. He instilled a great deal of discipline which was a directive of the school board. Things ran very smoothly under his leadership."

Central High School serves approximately 1,100 students with various programs such as driver's ed, an alternative high school and a night school for students. KHS enrollment is estimated to be 725.

Larry Wilson

Once established at CHS, Wilson will be working with the faculty on aligning the current curriculum according to current principal, Doug Potter.

Wilson who came from West Bend School District, started his tenure in the Kewaskum School District in 1995 as vice principal after David Dillmann left the district. In 1997 Wilson became principal after Charles Heidner left the district for an elementary principal position.

"We are sorry to see Mr. Wilson leaving, we appreciate the time and effort he has given to the district, we wish him well in his new position," said Kewaskum Superintendent Clark Pearson.

School Board Approves Resolution to Borrow \$750,000 for Repairs

By Andrew R. Kuehl
Staff Writer/Photographer

The Kewaskum Board of Education met Monday evening at 7:30 pm in the high school library.

The board listened to comments from Jina Luedtke, parent of a student at Farmington Elementary School who is deaf, regarding the posting of a hearing impaired teaching position. Luedtke stated that she had a few points she'd like the board to consider before they post the position.

Coral Choinski, KHS student ambassador, gave her report of events going on in the high school.

In her report, she indicated that the band and choir students have just arrived back from the Festivals of Music in Virginia Beach. The students did very well in everything they performed in. Symphonic and concert band took second. Jazz band took first, along with best overall jazz ensemble, best trumpet, trombone, saxophone and rhythm section. Concert choir took fifth place. Girl's treble choir took second

and the show choir took first.

Superintendent Clark Pearson stated he received a letter from Dr. James Wells of Educational Programs Network. In Well's letter he stated that it was a privilege having the students of Kewaskum High School's music department perform at the Festivals of Music. He also commended Larry Ammel and David Bertelsen for the direction and guidance they have given to the group of students they brought with them.

The school principals gave their reports. All building principals stated they are busy preparing for Senior Citizen/Grandparents Day which will be held Wednesday, April 28, from 9 am to noon, at all district schools. KHS principal, Larry Wilson also said the students at KHS are getting ready for Prom on May 1.

Pupil services director, Susan Skipper stated the district received a donation of \$450 from Sound and Celebration of Plymouth. They are a regional women's barber shop chorus. Autism is their designated charity. The gift is

to be used to further the education of autistic students at Kewaskum Schools. The building and grounds director Dale Wedde said his department is getting ready for spring cleanup at all the buildings.

KHS senior Beth Herriges gave a forensics presentation that she will be performing at the state forensics competition on Friday in Madison. See related article on page 2.

The board approved payroll and accounts payable expenditures in the amount of \$1,319,621.50.

In a 4-3 vote the board approved Youth Options requests. This will be cost the district \$55 per credit at Moraine Park Technical College and \$90 per credit at U.W. Washington County.

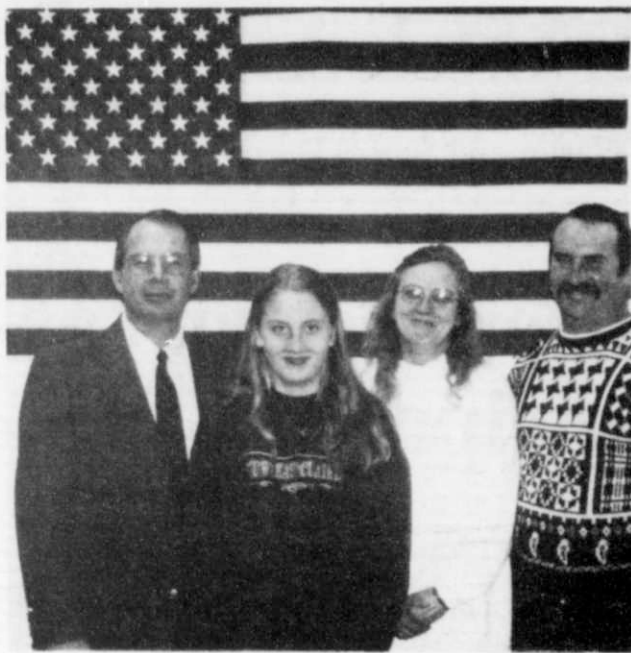

The Youth Options program allows students in high school to take advanced classes at MPTC or UWVC that are not offered at KHS. Students earn credits for college as well as high school elective credits.

Board member Lisa Maul angrily opposed the requests, saying, "I don't feel us, as tax-

Students of the Quarter

Campus Notes

Student of the Quarter for Kewaskum Middle School was Amy Guttmann shown with her mother, Annette and her father John and Principal Ken Sorens is shown on the left.

Student of the Quarter for Wayne Elementary was Luke Artymiuk shown with his mother, Kelly and his father Richard. Principal Keith Kriewaldt is shown on the left.

Statesman Photos: Andrew R. Kuehl

The following students have been named to the Dean's List of the University of Wisconsin-La Crosse for the first semester of the 1998-99 academic year.

Qualification for the Dean's List is based on outstanding academic achievement.

Students included:

KEWASKUM - Jamie L. Gaffke, a sophomore majoring in Psychology, and Jennifer J. Keller, a sophomore majoring in Biology.

ADELL - Alan J. Klug, a senior majoring in History, and Jeffrey M. Helming, a senior majoring in Therapeutic Recreation.

ALLENTON - Erik M. Ankerson, a senior majoring in marketing, and Rick A. Novotny, a junior majoring in Political Science.

CAMPBELLSPORT - Stephanie M. Schanen, a freshman majoring in Psychology, Mark A. Strobel, a senior majoring in Marketing, and Stephanie E. Lester, a freshman with an undeclared major.

UW-La Crosse, founded in 1909, is one of the 13 four-year comprehensive institutions in the University of Wisconsin System. More than 9,300 students are enrolled in nearly 80 undergraduate and 21 graduate academic programs. UW-L is listed in the top 100 list of best public universities in the country by Kiplinger's Personal Finance Magazine (9/98) and sixth amount Midwest Regional Universities in U.S. News and World Report's "America's Best Colleges in 1999."

School Board

(Continued from Page 1)

payers should be forced to pay for someone's college education." Maul, Jean Goeden and Mary Andera voted no.

The board unanimously passed a resolution to borrow \$750,000.00 from Medical Municipal Funding, a division of Lake Forest Bank and Trust Co. in Deerfield IL. The loan has a fixed interest rate of 4.32% for five years. The monies will be used for repairs and maintenance items in all schools in the district except Beechwood. Some of the larger items to be completed this summer are as follows:

Replacement of the basketball floor in the KHS field house.....\$106,000

Replacement of the roof at KHS over the fieldhouse, technical education dept. and weight room..... \$150,000

Unexpected boiler repairs at KES\$75,000

The board approved the summer school program for 1999. Goeden commended summer school principal Botting for putting together a great learning program for the district.

The board appointed members Jon Downs and Lisa Maul to hand out diplomas at graduation on May 28, 1999.

The board appointed Keith Reynolds new band instructor. Reynolds is currently teaching at Mayville. Reynolds will be replacing Larry Ammel.

Former KHS student Kevin Klahn was appointed assistant baseball coach.

The board accepted with regret the resignation from Joe Harlow, boy's golf coach, who coached the golf team for 34 years for the Kewaskum School District. He will be succeeded by KHS Social Studies Instructor Glenn Eichstedt and KHS Business Instructor Tim Rohlinger.

After all business was handled the board sadly thanked current school board president Tom Timblin for his dedicated service to the district the past three years. Timblin was defeated in the Spring Election by Andrew Degnitz.

In a very emotional moment board member Mary Andera stated "I'd like to take this time to thank Tom Timblin for his three years of service on the board. He has been an outstanding board member. His expertise in the area of finance has saved this district a lot of money. His absence will be missed by this district more than people realize. Also, I personally would like to thank

Tom for his efforts in trying to invite God back into our district schools and public education from where he was evicted 30-some years ago. Tom has been very courageous in his stand on this matter. Again, thank you, Tom.

Timblin thanked everyone and said it was a pleasure to work with such a fine group of individuals and wished Degnitz good luck.

KES Odyssey Of the Mind Team to State

Kewaskum Elementary School's Odyssey of the Mind team will be competing (for the second straight year) in the State OM competition on Saturday, April 17 at UW-Stevens Point.

The team finished first out of 20 teams in the March Regionals to earn their state berth.

Team members are Jeffrey Paulus, Alex Rauch, Melissa Hammen, Nathan Kenworthy, Bridget Dreher, Danielle Dreher and Jason Jahnke. KES aide, Mrs. Schulist is the team's coach.

Wilfred Benitez is the youngest world champion in boxing history. He was 17 1/2 when he won the light-welterweight title in his home country of Puerto Rico in 1976.

Performance Reports Given To KHS Students

In homeroom at Kewaskum High School on Wednesday, April 14, the "School District of Kewaskum '97-'98 Performance Report" was distributed to the oldest student in the family.

The students were requested to take the report home and to share them with their parents. Please ask your student for this report, if they did not bring it home.

Crime Down in Village According to Annual Report

New Fane Sportsman's Club Donates \$1000 To DARE Program

Ken Bales, left and Mike Berger, right of the New Fane Sportsmen's Club presents a check for \$1,000 to DARE officer Tom Bauer for use with the DARE program.

Statesman Photo: Andrew Kuehl

By Andrew R. Kuehl
Staff Writer/Photographer

The Kewaskum Village Board met Monday evening and tackled a heavy agenda.

Ken Bales and Mike Berger, representing The New Fane Sportsmen's Club, presented a check for \$1000 to the DARE program. The monies were raised from their annual Wild Game Feed.

Residents from the 1500 block of Riverview Drive were present to ask the board if something could be done about a water problem in their backyards, that they have experienced. It was noted a catch basin was put in place in the 1960's but was removed after a watermain break. The board voted to turn the matter over to the protection and public safety committee.

Two public hearings were held, one on an application for a Class "B" Fermented Malt Beverage License from the Kewaskum Athletic Association. The second for ordinance 99-2, an ordinance to amend the Municipal Code to incorporate the ordinances as previously acted upon through ordinance 98-5 which was acted on in August 17, 1998.

The board opened bids on the skidsteer for the Department of Public Works. A motion was made to let the Public Works director review

them and make a recommendation to the board.

Fire Chief Mark Groeschel was present and gave his report. He stated the new ambulance is ordered and on the way. It should be here by May 1st.

Police Chief Richard Knoebel presented his 1998 annual report. In the report Knoebel stated that, total index crimes, those reported to the state on a monthly basis, decreased 9%. All crime rates in Kewaskum were considerably less than both those of comparable cities and those of the entire state. Total adult arrests increased slightly by 13% from 299 in 1997 to 340 in 1998. Juvenile arrests

decreased by 17.8%. There were a total of 394 traffic citations issued in 1998, while there were a total of 1,766 traffic warnings given during the same period. That is one citation issued for every four vehicles stopped by an officer. In 1998 1,924 were handled compared to 2,018 in 1997.

He concluded his report by saying that his department patrolled a total of 66,267 miles for the year.

"It's a good trend, the guys in the department are doing a good job," said Knoebel.

Trustee Gary Gavin said he thought this would be a good opportunity to look into hiring another officer.

Director of Public Works,

Village of Kewaskum NEWS NOTES

SPRING CLEAN UP Saturday, April 24, 1999 9 am - 2 pm

The Village of Kewaskum will be conducting a SPRING CLEAN UP on Saturday, April 24, 1999 from 9:00 AM to 2:00 PM. Village Residents are encouraged to clean up trash and debris left around the Village and your home. During this time Village Residents Only will be able to bring various items to the Village garage which are not normally picked up by the garbage or recycling trucks. A scrap metal bin will be available for the recycling of metals (all wood, plastic, glass etc. must be removed from the metal). The compost recycling bin will be available for leaves, lawn, and garden plant materials. The Village garage is located at 1002 Fond du Lac Ave. Proof of residency may be required. Appliances, (absolutely no TV, radio, refrigeration or other appliances) hazardous materials or debris from contractors ARE NOT allowed! Note, the procedure for paint containers is to air dry all paint materials and place them and dried paint in the normal garbage pick up. (For informational brochure contact the municipal building.) There will be a Village employee available for any questions or assistance that day. If you have any questions prior to that date, please call the Municipal Building at 626-8484 between the hours of 7:30 AM and 4:30 PM, M-F or the Department of Public works at 626-4310.

Thank you for your cooperation!

Jerry Gilles gave his bi-monthly report. The spring clean-up program will take place on April 24 from 9 am - 2 pm. He further stated the village will be holding a tree sale April 30, from 2-5 pm and May 1st, from 9 am - 11 am. Trees will be priced at \$1 each. Gilles also asked for authorization to sell the old street signs at \$4 each in conjunction with the tree sale. They will be sold on a first come first serve basis.

Administrator Daniel

Schmidt made an announcement that Open Book will be held April 21 from 1:30 to 6:30 pm at the Village Hall and Board of Review for May 10 from 12:30 - 4:30 pm

Under unfinished business, the board had discussion on the capital improvement projects for 1999. The board also authorized advertising for bids for the 1999 asphalt work.

Memories

In honor of Opening Day of the major league baseball season in Wisconsin this past week, we decided to temporarily detour off our Walk Down Fond du Lac Avenue. Of course when we resume, we will be walking "up" Fond du Lac Avenue going north on the east side of the street. But for now, Roger Reindl brought in the above photo of the WAFONDO League, which was taken by Edwin C. Miller around the early 1930's. Shown, back row, left to right: Norbert Becker, Arnold "Sappy" Martin, John Schaefer, John Louis Schaefer, Bob Steele, Spatz Miller, Ralph Kohn, Bill Jones, Bob Backhaus, William Endlich, and Mickey Koerble. Center row: Roman Kral, Casey Heberer, Bill "Shorty" Garber, Sammy Hess, Fritz Kral, Pessy Dreher, and Lester "Butch" Casper. Front row: Ellie Ramthun, and Harold "Scully" Claus, bat boy. Roger said to the best of his knowledge, he believes the only team member still

living is Ralph Kohn.

EDITOR'S NOTE: The Statesman received two phone calls this past week, regarding the Memories photo which ran in last week's edition. Harry Koch called to inform us that around 1936-37 the gas station (now occupied by Dick Laubach's Welding) was a Texaco station, run by Sylvester Staehler. It was later operated by Arthur Weddig as a gas station. Sara Andre also called to tell us the building was originally erected by Kilian Honeck Sr. around 1926-27 as a filling station and garage. His family occupied the residence next door, to the north side of the building. Our thanks to Harry and Sara for sharing their information with our readers.

Easter Visitors Bring Greetings To Mapledale Manor Residents

Members of the Kewaskum Junior Woman's Club, their children and friends brought Easter greetings and smiles to residents of Mapledale Manor on Friday, April 2. Junior members and the children creatively worked approximately 25 hours preparing and decorating special handmade Easter cards. Cards and greetings were shared with nearly 70 residents wishing them a Happy Easter and Spring.

KHS Student Council to Host Post Prom Party

A committee from the Student Council at Kewaskum High School is in the process of planning a party for all KHS students after the Prom. The Junior Prom will be held on Saturday, May 1, 1999, and the Post-Prom Party will be held at the West Bend Y.M.C.A. from 12 midnight until 4 a.m.

More information will be available next week, but for now they are asking for help in any of the following areas:

1. Prizes for the students in attendance
2. Food for the students to eat
3. Money, both for prizes and to help with expenses
4. Gift certificates
5. People to help chaperone at the party

If you feel that you could help in any of the above areas, please call Larry Ammel, Student Council Advisor at the high school, at 626-8427, ext. 4570, from 7 a.m. to 3:30 p.m. or at 626-4731 after 6 p.m.

THANK YOU

I would like to personally thank everyone who showed their support for me in the spring election.

I was pleasantly surprised and extremely pleased about the confidence you have placed in me and I will do all I can to guarantee your trust has not been misplaced.

The support you have shown for such a young newcomer to municipal government is a bit overwhelming but I am very grateful.

-Andrew Kuehl

Washington County Retired Educators To Meet April 20

The Washington County Retired Educators Association April meeting will be held on Tuesday, April 20, at Slinger Middle School.

The program for the meeting will include an opportunity to tour Slinger Middle School, one of Washington County's newest and modern middle schools, learn about new programs and volunteer opportunities at the Middle School and to enjoy a musical presentation by the students in the music department.

Registration for the meeting, which includes lunch, is \$5 and is due to Hazel O'Meara, 4555 W. Highway 33, West Bend, WI 53095 no later than Friday, April 16.

All retired educators in Washington County are invited to attend. The Washington County Retired Educators' Association meets five times a year on the third Tuesday of April, May, September, October and November.

The purpose of the organization shall be to provide a means to have a unified voice in local, state, and national affecting economic,

physical, and social welfare of retired educators. To promote a spirit of fellowship, provide a means of exchanging ideas and to provide an opportunity to serve others.

The group presents a \$500 scholarship to a high school senior attending college. This year the scholarship will be given to a Germantown senior. They are also working on writing the history of the schools in Washington County and

will eventually have the book for sale.

The officers of the group include Mary Heine, President; Joyce Albrecht, Vice President; Mary Schlieff, Secretary, and Don Hanrahan, Treasurer.

The May meeting will be held on Tuesday, May 18, at the Threshold. The guest speaker for the meeting will be Ray Kehm speaking about his trip to Russia.

PROCLAMATION PROFESSIONAL SECRETARIES WEEK

APRIL 18 - 24, 1999

WHEREAS, professional secretaries are committed to upholding the highest ethical standards;

WHEREAS, professional secretaries contribute greatly to office excellence;

WHEREAS, professional secretaries are valued members of business throughout our community; and

WHEREAS, the week of April 18-24 has been designated Professional Secretaries Week by Professional Secretaries International, its founder and sponsor;

NOW, THEREFORE, I, Robert H. Wagner, President of the Village of Kewaskum, do hereby proclaim the week of April 18-24, PROFESSIONAL SECRETARIES WEEK and ask that management everywhere join in recognizing these outstanding professionals in their employ especially on Wednesday, April 21, 1999 PROFESSIONAL SECRETARIES DAY.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused the seal of the Village of Kewaskum to be affixed this 5th day of April, 1999.

Robert H. Wagner, President

ORVILLE KERN

Chamber of Commerce Appreciation Luncheon

This is the last week to purchase your tickets for the Ninth Annual Appreciation Luncheon and Style Show, held on Secretaries Day and sponsored by the Kewaskum Area Chamber of Commerce.

As in the past, there will be two seatings: 11 a.m. to 12:15 p.m. and 1 to 2:15 p.m. This year the seating is very limited, so you are urged to get your reservations made early.

This is always a great way to start the summer and the Hon-E-Kor Golf and Country Club is the perfect scenic place to hold this event. This is the only event of this caliber held in Washington County. It's a special way to show someone how much you appreciate the work or kind acts they do for you. Treat your secretary... staff member... spouse... parent, or even your boss, to an extraordinary delight!

Please call chairperson Wendi Dreher at 626-2428 or 626-2616 for your reservations. The cost of this event is \$14.50 per person, including tax and gratuity.

You will not be disappointed when you attend this unique, entertaining event. This year, as an added bonus, you may purchase a special gift for your guest(s). Your gift will be waiting for your guest when they arrive at their table. There is a selection available for you to choose from at a modest price. You may select from four gifts, priced from \$10 to \$25. Please call Wendi with your order and she will be happy to accommodate you to help make the day complete for that special someone.

The Kewaskum Chamber of Commerce has been sponsoring this event for the past nine years. With the raffles available on items donated by local businesses, this organization has made this event a positive and productive fund-raiser.

This year, as an added treat, La Femme Boutique of the Menomonee Falls Plaza II will exhibit some ballroom gowns designed by Cindy De Ramio. Just in time for the prom or that special spring wedding or party. These gowns are of the highest quality and yet affordable. Jenny Heberer and Janet Heberer will model these gowns with style and grace.

Shopko of West Bend will be the primary supplier of the latest fashions in the "casual corporate" line. Shawn Roberts, representing Weight Watchers and Kathy Reichert of Miller's Furniture of Kewaskum, will model clothing from Shopko. Also modeling this year will be Diane Schickert, Donna Liljegren, and Melissa Maas, representing the Mary Kay Cosmetics of the Washington County

area.

Ed Miller and Steve Miller, both of Miller's Furniture have consented to be the male models again this year for the show. Steve will model for Harley Davidson of West Bend. Shawn Roberts and her daughter, Maura, and Jenny Heberer will also model some of the Harley wear. That red leather outfit sure looked great on Jenny last year! Let's see what eye-catching special, Harley will send for Jenny this year!

Ed Miller will be modeling the latest in western wear from the West Bend Elevator on Highways D and 45. Today, jeans and the western clothing are even more appealing and always in style. Ed will be modeling the latest, complete with saddle, hat and western gear!

Please join Wendi Dreher and her staff of Kewaskum Area Chamber of Commerce volunteers as they show you the trendy and the tried and true fashions, allowing you to relax from the everyday hum-drum with a few hours of fun and camaraderie. Remember to call for tickets now, before it's too late and the seating is full. There will be lots of door prizes and welcome goodie bags for all the guests and don't forget the raffles that everyone clamors to win.

This is the only event in Washington County that gives you a chance to show that special someone, whether it be your wife or secretary, how much you appreciate the work they accomplish for you! Make your plans today to be there Wednesday, April 21.

Parkinson Support Group to Meet

The next Parkinson Support Group meeting for Washington and Ozaukee County community members will be held on Monday, April 19. The meeting will be from 1 to 3 p.m. in the assembly room at the Cedar Ridge Retirement Campus. Cedar Ridge is located at 113 Cedar Ridge Drive, just off of Scenic Drive in West Bend.

Tricia Held, R.Ph., a pharmacist from the Wal-Mart Store in West Bend, will be the featured speaker.

The Parkinson Support Group meets the third Monday of each month. All those affected by Parkinson's Disease, their family, friends and caregivers are welcome to attend. For more information call Cedar Campuses at (414) 334-9487 or (Milw.) 276-4370 or the Wisconsin Parkinson's Association at 1-800-972-5455.

Group Available For Teen Moms

Being a teen parent is filled with daily demands and new responsibilities. It is a challenge to balance school, work and parenting.

With these things in mind the Family Center of Washington County provides an opportunity for teenage moms to get together with other teen moms and share concerns, frustrations and successes.

Occasionally the group will have a guest speaker on a topic of interest such as: positive parenting, healthy relationships, or child care issues. The Teen Moms group is a place to gain self confidence and support and discuss challenges with other moms who are in similar situations -- all while enjoying the company of other teen moms and eating free pizza!

This group meets the third Thursday of each month from 6 to 7:30 p.m. Free child care is available for children, age birth to five while the mothers are meeting. If you are a teen parent, or know of a teen parent that would benefit from this free group, call the Family Center at 338-9461.

Weekly Meeting of Separated, Divorced

The Washington County separated, divorced and widowed men and women support group meets weekly every Friday from 7:30 to 9:30 p.m. at the Holy Angels Church basement in West Bend.

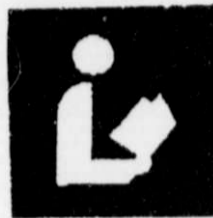

Their purpose is to provide a means to share ideas, concerns, support, fellowship and love from a Christian perspective. There are guest speakers, panel discussions, small group sharing and other activities.

The group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

A Change Your Life video, followed by discussion, will be held at the April 16th meeting.

On April 23, the topic will be "Should I Stay or Go?" with Family Therapist and Author, Lee Raffel. Lee will be available before and after the meeting to sign books.

American Girl Play at The Kewaskum Library

The Kewaskum Public Library will host an hour of drama complete with sets and costumes based on the American Girl characters of the popular book series. "Mrs. Bernie's Secret" features Felicity, a spunky colonial girl,

growing up just before the American Revolution in 1774. Kirsten is the lead in the second skit entitled "A new Girl at Powderkeg School." She is a nine-year-old who has just moved to America's frontier with her family from Sweden in 1854. The final play will be "Mystery of the Black Pearls" which will feature Samantha, an orphan in 1904 who lives with her wealthy grandmother.

This will be performed by the H.I.S. Players in the Community Room, which is across the hall from the library on Monday, April 26th at 6:30 p.m. The admission is free and all quiet children and adults are welcome.

Campus Notes

OSHKOSH - A new University of Wisconsin Oshkosh organization with ties to an older tradition was officially recognized on March 10. The Student Optimist Club earned its charter with 26 student members.

Dawn Dettlaff, UW Oshkosh department of residence life housekeeping services supervisor, is the faculty advisor for the group. The UW Oshkosh club adopted the mission of all Optimist Clubs: to involve itself with social and personal development of local youths.

With the aid of the UW-Whitewater Student Optimist Club, the UW Oshkosh organization began the recognition process last fall. Heather Deiss, West Bend, and a handful of other students worked to bring this group to the UW Oshkosh campus.

Members of the board of directors include Randy Reysen of Kewaskum.

Upcoming events of the Student Optimist Club are the Oshkosh Noon Optimist Club's oratorical contest, Special Olympics and organizing an Earth Day activity with area children.

The group will hold a charter presentation in late April. It will invite other Wisconsin Optimist Clubs to participate in the celebration.

The highest apartment residence is the 92nd floor of the 100-story John Hancock Center in Chicago.

Fin-n-Feather

(Continued from Page 1)

and ducks share wall space with wildlife memorabilia in the bar room. A 60" big screen TV provides customers with added entertainment.

A 1930's Oldetowne canoe hangs on the wall behind a full size salad bar in the main dining room. A fireplace warms the other wall. The main dining room is filled with wildlife prints, large branches (set up to look like trees) with birds, nests and lights to add to that homey feeling.

The 'Cabin Room' dining area is filled with family heirloom antiques including a beautiful handmade quilt created by Betty's mother. The pieces of family history are on display throughout the supper club to be enjoyed by all visitors.

The newest dining area has been nicknamed the 'Back Forty' because it is the farthest from the kitchen. Despite the location, service is just as good as anywhere else in the restaurant. The walls are decorated with a large old saw and a shelf holding wildlife decanters.

The big windows in the dining rooms overlook gardens soon to be bountiful in perennials and many plants cared for by Dennis and Betty. There are several birdfeeders that feed birds year-round. A swing welcomes visitors to sit and enjoy the beauty of nature at its best.

In 1998 the business began to undergo some major changes. The kitchen was updated in the spring. New equipment including state of the art broilers were installed. During the summer the Fin-n-Feather became incorporated with Tom and his wife, Ali, joining as owners.

The fall of 1998 was when 18 months of planning would finally become a reality. The Fin-n-Feather closed on October 26, for 3-

1/2 weeks and reopened on November 19. Major changes that had been nothing more than a dream finally became reality.

The kitchen was finished making everything new, organized and easily accessible for everyone in the kitchen to do his or her jobs.

Perlick was hired to complete a customized bar, complete with stainless steel. They took care of all of the things a bar needs to be efficient. The end result is a state of the art bar big enough for at least three bartenders working at once with everything they need to serve the customers. Mark Janz of Black Diamond Stone did all of the ceramic tile work and completed the top of the bar. The resin filled with memorabilia runs around the outside edge visible for everyone to enjoy.

"Customers were concerned when we started on the bar," said Tom. "Dad had this great idea years ago to have things like fishing lures, feathers from pheasant, tracks from turkey, a hunting knife, an old pocket watch, shot gun shells and many other items set in resin so you could view them while at the bar. Our customers were worried that we would remove that in our renovation. We liked it too and included the idea around our new bar."

The remodeling job was extensive and the improvements have been successful. Everything is organized, allowing for better service to the customers and easy accessibility to the employees to do their jobs.

"We used to be pretty crowded on a Friday night with nowhere for people to go," said Tom. "Now with the new bar area we easily handle 350 people for Friday fish fries. Customers can order at the bar and public address system was installed so we can announce when their table is ready. Some customers like to go outside and enjoy the gardens and they can still hear when we are ready to serve them."

The Fin-n-Feather is open all but two days of the year. They are closed on Christmas Eve day and Christmas. The family

works long hours but manages to find some free time to enjoy other things. Betty enjoys spending time in the kitchen, hiking and horseback riding. Dennis and Tom are both avid outdoorsmen, interested in hunting and fishing.

Besides the busy Friday night fish fries they also serve school groups, weddings, banquets, class reunions, anniversaries and many other groups.

"It can be a challenge working in a family run business," said Tom. "There are long hours and we work together to be successful. We enjoy the people, making decisions and being our own boss. There is a feeling of satisfaction in what we do and it is a great business."

Tom takes care of the scheduling, the management and bartending. Dennis bartends and does all of the grounds maintenance including the gardening that everyone enjoys. Betty takes charge of everything that goes on in the kitchen and the laundry. Just like at home, the washing, which includes linens is a never-ending job. They all share in the big task of keeping the supper club clean.

A new chef has joined the Krueger family to help prepare specialties in the kitchen. Steve Plout, formerly of The Binkery in West Bend, is implementing specials including bacon-wrapped meatloaf, Southwest chicken, and seafood enchiladas, just to name a few.

Good food, reasonable prices, and an outdoorsy decor, all are attributed to making the Fin-n-Feather successful. They received the Wisconsin Restaurant Association Restaurateur of the Year Award in 1993 and the Fond du Lac County Beautification Award in 1996.

"It takes teamwork to be successful," said Tom. "We have a great staff that are organized to make the process of serving people run smoothly. Our team includes chefs, bartenders, waitresses, people who bus tables and dishwashers."

Reservations are not accepted on Fridays. Saturday and Sunday reservations will be taken if your party is for ten or more. Orders are placed at the bar and an announcement is

made over the speaker when your table is ready.

Sundays offer a special brunch from 11 a.m. to 2 p.m. and the rest of the day you can order off the menu. The extensive menu includes appetizer choices, a menu for light eaters and a soup and salad bar selection.

All of the soups and desserts are homemade. Tenderloin is on special every night and continues to be a top seller. All of the beef is aged choice Texas Longhorn. There is Fin-n-Feather signature specialties, like Chicken Ala Fin, prime rib, roast duck and barbecued spare ribs.

A section of the menu is From the Land specials like ribeye, and a From the Sea example is baked stuffed shrimp. All dinners include the salad bar, choice of potato, wild rice or sweet and sour cabbage, dinner rolls and their own homemade muffins.

The Fin-n-Feather has undergone three extensive remodeling jobs over a period of seven years. Customers began to ask what would be next.

"Our supper club is now complete," said Tom. "Years of dreaming and planning have now materialized. We now have the finished product."

Good food and the beauty of nature are just a short trip into the beautiful Kettle Moraine State Forest. The extensive menu with more specials being added awaits you at the Fin-n-Feather Supper Club in New Prospect.

Never be afraid to sit awhile and think.

TAKE ME ALONG

by Ami

It seems just yesterday we were admiring fall's vivid coloring of the hardwood leaves! And soon thereafter, the magic of the first wintry snowfall. The hills and dales softly bedded down with the purity of individual snowflakes...each an individual design by the Master Creator. And now, the majesty of SPRING.

Who else but HE can deliver a forty acre forest colorfully abundant with a myriad of gorgeous wild blossoms? With gold, silver, purple, pink, blue and dozens of other colors intermixed and escorted by a variety of greens? One has the feeling of experiencing a bit of HEAVEN come to earth. Indeed, right here in our beloved Washington County.

And then to catch the ever gentle fragrances bestowed by the delicate flowers held aloft by verdant partners. A mixture of both the sweet and the pungent. Haven't all of us had the heady experience of strolling through an orchard in full bloom...and having the beauty of blossom and fragrance touch us in a most magical manner? Unbelievable, we say to ourselves. This just cannot be real. Life on earth absolutely cannot be this glorious!

However, we are wrong. It not only can be, but is. If we but seek out those precious special places touched by the angels of beauty. Yes, befriend someone who has a special love for nature and do not be shy when he or she decides to do a bit of wild flower sight seeing..Just pick up the phone and suggest: "Take me along. I will forever be grateful... please, just Take Me Along."

United Way Elects New Board

"We are a successful organization faced with challenges in the year ahead." So said Kevin Steiner, newly elected President of the Board of Directors of the United Way of Washington County.

Steiner, Vice President of Marketing for West Bend Mutual Insurance Company, addressed 33 incoming, current and departing board members and staff at the United Way's annual meeting held on March 4.

Departing Board members Michael Hron of M & I First National Trust and Jeff Reigle of Regal Ware were thanked for their years of service, and given a chance to reflect on their service in leadership roles with the local United Way.

Hron and Reigle were complimentary of the organization, and while admitting that serving on the United Way Board is time-consuming and hard work, they also pointed out the great personal satisfaction and a sense of accomplishment in being charged with the responsibility of helping raise and distribute funds in the Washington County community.

Reigle stated, "It is a true privilege to serve and to see first hand what the needs of the community are, and to see the depth and breadth of programs United Way funds."

Hron commented that throughout his work life, he has been involved in 27 annual United Way cam-

paigns in Washington County, and spent the past six years on the Board. "My service on the United Way Board is just one phase of my involvement with United Way -- one I expect to continue in the years ahead," he said.

1998 Campaign Chairman Ray Lipman was applauded for his leadership efforts and the campaign's success. The financial audit presented at the meeting confirmed the recent fundraising success of raising \$1,065,351 in gifts and pledges in the 1998 campaign. In addition to finishing the campaign at 3.1 percent over the 1997 total, this is the highest amount of money ever raised by the local United Way in the organization's 62-year history.

"We have so much to be thankful for," was the message of outgoing Board President Dan Johnson. He commented that, "United Way is a fine organization and being President was a great experience -- a terrific way to serve and help more people than I thought was possible."

Those elected to three year terms were: Mo Josten, MPTC; Bruce Kelly, West Bend Company; Jeanne Kreilkamp, Kreilkamp Trucking; Clark Pearson, Kewaskum School District; Dan Johnson, Johnson Bus; Joe Salmon, Serigraph, Inc.; Doug Reigle, Regal Ware; Karen Collins, Broan-Nutone; and Charlie Hillman, Hillman Consulting.

Elected to a two year term was Mary Simon of the Council on Alcohol and Other Drug Abuse and an agency representative.

Those elected join other Board members: Michael Bloedorn, Washington County Department of Social Services; Gregory Burns, St. Joseph's Community Hospital; Allen Ceshker, Weasler Engineering and Labor Council representative; Linda Dymond, Family Center and agency representative; William Gehl, Gehl Company; Andy Gumm, Wisconsin Electric; Patricia Hrobsky, MPTC and Labor Council representative; James Hodges, WBWI-WBKV Radio; Patrick O'Connor, Bank One; Allen Schaez, M & I First

National Bank; Craig Devenport, West Bend Air; John Engstrom, West Bend West High School; J. Douglas Fitzgerald, Shanbrook Law Office; Terri Fredrich, Prudential Preferred Properties; John Gonring, Wisconsin Pharmacal; Tom Ross, Ziegler & Company; Ray Lipman, West Bend Savings Bank; James Schwartz, City of West Bend; Kevin Steiner, West Bend Mutual Insurance, and Rev. James Taylor, Emmaus Bible Church.

Board officers were elected and will serve through February 2000. They are: President - Kevin Steiner; Vice President - James Hodges; Secretary - Michael Bloedorn, and Treasurer - Patrick O'Connor.

United Way Executive Director Barbara Hurula complimented the efforts of the board volunteers. "The life-blood of our organization is the volunteer leadership," she stated. "Being on the United Way Board is a unique and enriching experience. Not only are they impacting thousands of lives in Washington County, but their own lives and outlook are positively changed forever."

Announce Adoption

Steve and Terry Edgar, Mt. Vernon, Washington, announce the adoption of a daughter, Rachel Mei Edgar, on February 8, 1999. Rachel was born January 18, 1998 in Fushan City, China. She was adopted from Fushan Welfare Institute in Guangdong Province in China. They arrived back in America on February 12.

Paternal grandparents are Ronald and Virginia Edgar of Boltonville.

ABC SKAT RESULTS

The winners at skat played at Ralph Laux's in Batavia on Tuesday, April 6th were: Ralph Laux, 23-4-19 net; Francis Gilboy, Spade solo vs 4.

Worship Service, Bible Study Set At Area Churches

On Sunday, April 18, at the regular 8:30 a.m. worship service, Penney Jacobs-Johns, director of the Sheboygan County Interfaith Bridgeway Homeless program in Sheboygan, will present information about the programs and needs.

After worship, she will be available to answer questions about the Sheboygan County Interfaith organization and the Bridgeway homeless shelter it is developing. The public is invited to join us for worship and discussion afterwards.

A Bible study course open to the community sponsored by St. Martin's and St. Paul's Community Churches will be held at St. Martin's at 592 Hwy. H in Fillmore.

The cost of the six week course held every Monday is \$10 per person. Registration may be done by telephone by calling 414-692-2913 and leaving a message with your name or by coming to the first session.

For further information about either of the above events, contact Pastor Jerger at 414-692-2913 or leave a message so he can get back to you.

Minimum finance charge is \$50. Deferred credit terms not available on some models. Loan financing available on approved credit through independent lender - Modern Acceptance Company. Financing offer ends March 31, 1999. See dealer for details.

School Sisters of St. Francis To Celebrate 125 Years

The School Sisters of St. Francis are celebrating their 125th Anniversary on April 28, 1999.

The Sister's history traces its roots to the village of Campbellsport in the area formerly known as New Cassel.

Three religious women, Sisters Alexia Hoell, Alfons Schmid, and Clara Seiter immigrated to America in September of 1873 from Schwarzach, Germany. In their homeland, their convent had been closed through the Kulterkamp of Chancellor Bismark. The choice of the Sisters was to give up their vows and continue to care for the orphans as lay women, to go back to their homes, or to leave the country. Mother Alexia along with Sister Alfons and Sister Clara discerned they were to go to America. They wanted to be vowed religious.

On April 28, 1874, after

many trials, hardships and disappointments and with the help of new found friends the Sisters settled in Campbellsport, Wisconsin then known as New Cassel. A temporary home on Main Street served as both school and convent.

The Sisters saw their mission as educating the children of the German immigrants-people who were poor and struggling in a new land. After the opening of the school in September, Sister Alexia immediately contracted for a four story school-boarding-home-convent to be built to accommodate the growing numbers of students and Sisters. In 1880 the parish began plans for building a school building while Sister Alexia began an expansion of the already too small convent.

In 1888 Milwaukee became the site for the Motherhouse of the School Sisters of St.

Francis. After almost sixty years the convent at Campbellsport again proved to be too small for the number of sisters and boarders. A new eight-story building was built west of the "old building" referred to as "the Annex."

In 1963 a wing area was added to the new convent and the Annex was razed. A chaplain's residence, known as "the Ranch House" was built on the original foundation of the annex. The new building primarily housed sick and infirm Sisters and the convent eventually served as a retirement home for the Sisters.

Today the Sister residents number about one-hundred eighty-eight. All volunteer their services in some capacity. For some a prayerful presence is their fulltime ministry. Lay employees staff the various departments serving the needs of the aged Sisters.

Village of Kewaskum NEWS NOTES

DISPOSING OF LATEX AND OIL-BASED PAINT

GENERAL INFORMATION

Paint stays in good condition for a long time; oil-based paint for up to 15 years and latex paint for 10 years. As a general rule, paint that mixes smoothly when stirred can still be used. If latex paint has been frozen, brush it on a newspaper. If there are no lumps, it hasn't been damaged and can be used.

Disposal of leftover paint through a household hazardous waste program is expensive.

The best thing to do with usable paint is to use it up! If you can't use your leftover paint, give it to someone who can. Give your paint to:

- * friends and neighbors
- * recreation departments
- * park departments
- * theater groups
- * housing assistance organizations

Latex Paint and Mercury

Some latex paint contains mercury, a toxic metal. New federal regulations prohibit the use of mercury in interior latex paint manufactured after August 20, 1990. Be sure to use proper ventilation when applying paint indoors. Use outdoor paints for outdoor use only!

Disposal: When you can't use it up

Proper disposal depends on whether the paint is latex or oil-based. Oil-based paint contains solvents, container labels state "combustible," and the instructions on the can recommend cleanup with mineral spirits or other solvents. Latex paint contains water and the instructions recommend cleanup with water.

Disposal: Oil-Based Paint

The fumes from oil-based paint are a health and fire hazard. Large amounts of oil-based paint should not be disposed of at home.

Disposal: Latex and Small Amounts of Oil-Based Paint

Dry out latex paint and small quantities of oil-based paint according to the following directions:

Step 1: Find an outside work area away from children, pets and rain. Locked screen porches and storage sheds work well. Because oil-based paint contains solvents and some latex paint contains mercury, it's important to dry out paint outdoors in a safe place.

Step 2: Dry it out! Choose one of the drying methods described later on in this notice. Paint will take between several days and several months to dry - it depends on the type and quantity of paint that you have.

Step 3: Throw the dried paint, cans and other materials in the trash. Leave the lids off the paint cans so trash collectors will see the paint is dry and accept them.

PAINT DRYING TECHNIQUES

For small amounts (Oil-based and Latex):

Remove the lid and let the paint dry in the can. Stir the paint occasionally to speed drying. Or, brush paint in layers on newspaper or cardboard.

For larger amounts of latex:

Pour one-inch layers of paint into a cardboard box lined with plastic. Allow paint to dry one layer at a time-time layers will speed up the drying process. Or, mix paint with cat litter, sawdust or sand in a cardboard box lined with plastic and let it dry.

For latex paint that has separated:

Pour the clear liquid on top into a cardboard box lined with plastic. Mix the liquid with an equal amount of cat litter or other absorbent material and let it dry. Let the leftover paint in the bottom of the can dry out, using one of the above techniques.

Hospital, Clinics Collaborate For New Cancer Care Center

St. Joseph's Community Hospital and the two major medical clinics in West Bend have entered into a unique collaborative arrangement to operate the new Cancer Care Center now being built at St. Joseph's Community Hospital, the hospital announced recently.

Aurora Health Care (which includes the Vince Lombardi Cancer Clinic) and Advanced HealthCare have signed agreements with the hospital to lease space in the facility that will provide medical oncology and radiation therapy services. The local physician group for Aurora Health Care is the General Clinic. The local physician group for Advanced HealthCare is the West Bend Clinic.

"To collaborate in this way for cancer care is truly a 'first' for our community. We're very proud to be working together with Aurora Health Care and Advanced HealthCare to provide cancer care services in West Bend," said Greg Burns, executive director of St. Joseph's Community Hospital.

"The opening of a Vince Lombardi Cancer Clinic in West Bend will bring high quality outpatient cancer services closer to home for people in the area," said Mark Decker, M.D., president of Aurora Medical Group Washington County and an obstetrics/gynecology physician at the General Clinic. "The agreement is a significant milestone for the community as well as the two health care organizations."

The Aurora facility at St. Joseph's will be a Vince

Lombardi Cancer Clinic, the same name as other Aurora satellite cancer clinics. Vince Lombardi Cancer Clinic physicians John Hanson, M.D., and Jonathan Treisman, M.D., will join General Clinic physicians in providing care at the center.

"The Cancer Care Center at St. Joseph's Community Hospital is a wonderful addition to the medical services already available in West Bend. When the center opens in the spring of 2000, the vast majority of cancer patients should be able to receive total care for their illness at a state-of-the-art facility without the need for uncomfortable travel. The West Bend Clinic/Advanced HealthCare is proud to be part of this most worthwhile endeavor," said Todd Hammer, M.D., senior vice president medical affairs.

Oncologists Margie Vukelich, M.D., and Michael Volk, M.D., will be joining the West Bend Clinic/Advanced HealthCare in the spring of 2000 and will be treating patients at the Cancer Care Center.

Construction of the \$6.3 Cancer Care Center is being supported by an anonymous donor who has contributed \$2 million for the center. In addition, a special fund drive has raised more than \$1,172,000. The facility will serve cancer patients and their families on an outpatient basis and will include office space and a special thick-walled area to house the linear accelerator which will provide radiation therapy.

Pre-construction activities are underway, includ-

ing relocation of power lines and mobile services. Construction is expected to begin soon.

For more information about the Cancer Care Center, or how to make a donation, contact Margie Klink, manager of public relations and capital development at 334-8576.

Friends of Lakeview Library to Meet

The Friends of the Lakeview Community Library will meet on Monday, April 26, at 7:30 p.m. at the library at 112 Butler Street in Random Lake. The public is invited to attend.

KHS Forensics Team Members Head to State

The Kewaskum High School forensics team will advance 34 of its 35 members to the state competition to be held on Friday, April 16, in Madison. To advance to this level, the participants had to score at least two rounds of 20 out of 25 points at their District meet, which was held on March 16.

Students who will advance to State include Colleen Gosa and Jessica Schmidt in Demonstration; Tina Olewinski, Jill Pamperin and Kelli Jo Will in Four Minute; Katie Gosa in Moments in History; Sarah Cole, Missy Rady, and Jackie Wendegatz in Poetry; Lisa Dehler, Mary Lehmann and Tashina Meyer in Farrago; Sara Bauer and Coral Choinski

in Prose; Emma Chambers, Beth Herriges and Krissy Krell in Solo Acting-Humorous; the Play Acting groups of Joel Hermann, Jessica Parrent, Michelle Zingsheim, Alex Blasky and Brendan Weinhold, and Kristin Schiller and Kim Survis, and the Group Interpretative teams of Eric Braun, Nicole Fischer, Maggie Herriges, Troy Martin and Heather Wagner and Maria Cannestra, Virginia Feind, Jennie Link, Marcia Thull and Elizabeth Werdermann.

All of these students have proven their outstanding talents, and their coaches Beth Biskobing and Betsy Helmers look forward to another successful event with many medals gained at the state meet in Madison.

"But I don't want to take you away from all this . . . I want to move in."

Washington County Fair Park Receives Generous Donation

The Washington County Fair Park is pleased to announce a generous donation from a local West Bend family. The David and Audrey Bohn Family, owners of the David Bohn Construction Company have donated \$30,000 for naming rights to the wildlife pond and the wooden bridge which connects the Agriculture area to the Entertainment area.

Dave and Audrey have a personal interest in the Fair Park. David has long standing ties to the land on which the fairgrounds is being built. He was born and raised just a few miles north of the location. The land was originally owned by the Spaeth Family, relatives of the Bohns. David spent many happy times as a youngster at the farm with the Ray and Leona Spaeth family.

Now semi-retired, David started Bohn Construction in 1955 specializing in single-family homes and land development in the Washington County area. Two of their sons, Greg and John, presently work in the home construction field. John is the current owner of the business and Greg is owner of a masonry business.

With three of their seven children and grandchildren residing in West Bend, the Bohns wished to make a contribution to the Washington County/West Bend area that would tie together both the past and the future. A donation to the fairgrounds seemed to be an ideal way.

The Washington County Fair Park, situated on 133 acres of beautifully landscaped countryside, is centrally located within the county at the junction of Highway P, Highway PV (Pleasant Valley Road) and Highway 45.

The mission of the Fair Park is to enhance cultural, educational, economic, and social opportunities for the people of Washington County. When complete, the Fair Park will host a variety of events including festivals, conferences, concerts, education programs, competitive animal shows, craft fairs, meetings, workshops, the County Fair and countless other activities.

The centerpiece of the site is the 42,000 square foot multi-purpose building called the Fair Park Pavilion. It will accommodate as many as 2000 people in conference/concert setting, seat

900 people at a banquet, or host trade shows with over 120 exhibitors. Other buildings and areas that will be completed by July, 1999 are four buildings and the Show Arena in the Agricultural Complex, a Family Stage, seasonal restrooms and the Outdoor Arena and Warm-up Ring in the Equestrian Complex.

The Fair Park's official opening is currently scheduled for the first day of the 1999 County Fair, July 21-25, 1999.

Opportunities remain for donations to Fair Park. From a \$50 brick to the naming rights for the Fair Park Pavilion, we can help you select a meaningful contribution. If you are interested in knowing more about how you can be a part of this important project, please contact the Fair Park Office at 335-4485.

Matching Fund Card Party to Benefit Kewaskum Rescue Squad

Modern Woodmen of America Camp 2233 of Kewaskum is sponsoring a matching fund card party on Tuesday, April 20 at 7:30 p.m. at the Amerahn Hall, Kewaskum.

All popular card games will be played. A light meal and coffee will be served. The cost

is \$3.00 per person.

All proceeds raised from this project will be matched by the Home Office of Modern Woodmen of America up to \$2,500. The money will be donated to the Kewaskum Rescue Squad and will be used to purchase needed equipment.

Town of Scott Board Reviews Ordinances

By Bernadette Mondloch

The Town of Scott continues with its review and update of town ordinances. Ordinance 1-1991 Building Inspector will be changed to correspond with terms of the Building Inspector contract currently in force.

Mobile Home Ordinance 1-1985 will require a number of changes to be in compliance with current standards. Building Inspector Frank Mayer advised the board that "mobile homes" are now called "manufactured dwellings." He suggested that several portions of the ordinance should be examined by the town attorney and town assessor for advice on changes and updates needed in those areas.

Mayer also advised the board that because manufactured homes have approval of the federal government, local inspectors are not allowed to do the same type of inspections as are allowed on conventional built homes.

Federal specifications do not correspond with those of the State Uniform Dwelling code which is in force in the Town of Scott and surrounding communities. As an example, door openings in manufactured dwellings are much smaller than those required in the dwelling code. Plumbing and electric is installed at the factory using federal regulations so it appears that the only inspections allowed, would be for proper zoning, set backs, and plumbing and electric inspections if additional facilities are added to the manufactured home after it leaves the factory.

Clerk Colleen Narbatovics announced that the 1999 recycling grant will be \$4,087.99, slightly lower than for 1998. It was also noted that the current market for plastics has diminished.

Eighteen children had signed up with the YMCA for the first day of after school activities at the Hilltop community building.

Questions on cost of benefits for recently hired part-time road department employees arose during the public input portion of the meeting. Exact figures were not available, however Supervisor Dale Burke reminded the assembly that part timers are necessary for relief during long hours of snowplowing. During the last snowfall, highway department employees worked 18 hours.

Burke said, "We must consider the safety of those individuals. Eighteen hours at one stretch is too long."

Ron Rezell and Terry Weber have been reappointed to three year terms on the Board of Appeals. Suggestion was made to purchase a time clock which would assist in cost

accounting and cut down on manual recording of individual job activity. Decision on the purchase will be done at the April 19th meeting, giving time to obtain price estimates.

The clerk is also looking into the possibility of direct deposit for payroll.

Batavia Fire Department member Jim Sprosty requested reimbursement for the department of \$2,149.05. This amount was for two payments made on the purchase price of truck #6. Those payments were made by the fire department while a loan was being applied for from the State Trust Fund. The board voted to honor his request.

The Diamond Club, which operates the Beechwood baseball diamond, has requested that the \$200 tax being paid for annually for the ball diamond property be discontinued. A letter will be sent to Grota Appraisals, the town's assessing firm for advice on the request.

A number of questions have been received concerning assessments. Town Chairman Larry Martin advises individuals who have questions of that nature to contact the assessor.

Copies of lease agreements for fire trucks being used by the Beechwood Fire Department are still being processed by the town attorney and should be ready for the April 19th meeting. If they should arrive sooner, Martin was given permission to activate the agreements so the proper insurance quotes can be obtained as soon as possible.

The smallest good deed is better than the grandest intention.

KHS Has Five Preschool Openings

The Child Development class of Kewaskum High School will be conducting their second semester preschool starting Tuesday, May 4.

The preschool will meet Tuesday through Friday, May 4-7 and May 11-14 and Monday through Thursday, May 17-20. All classes will be from 9:10 to 10:20 in the morning at the high school.

The preschool is in its 22nd year of operation and is under the direction of Mrs. Carol Martin and the juniors and seniors in the Child Development class.

The children will have the opportunity to participate in storytime, music, art, and other creative activities during the 12 day session.

Parents with children, ages 4 or 5, should call the high school office at 626-2166 for information on how to register their child. Enrollment will be limited on a first call basis.

In the Service

Army Reserve Pvt. Jason J. Waldschmidt has arrived at Fort Knox, Kentucky, to complete basic combat training.

During the eight weeks of training, the soldier will receive instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, physical fitness, first aid, and Army history and traditions.

Waldschmidt is the son of John P. Waldschmidt of 520 Redwing Court, Campbellsport, and Cheryl Rostlin of Sheboygan.

He is a 1995 graduate of Campbellsport High School.

Moraine Park Offers 'Classes in Bytes'

"Classes in Bytes," -- three-to-five hour, self-paced computer classes via the Internet -- are now being offered by Moraine Park Technical College.

Registration for the courses began April 5. Jan Logan, dean of office technologies at Moraine Park, said, "It's open enrollment, so they can start anytime. They just have to be sure to complete any course by May 14, 1999. You can enroll anytime during a particular semester, as long as you complete the course before the end of that semester."

The "Classes in Bytes" are a relatively new endeavor for Moraine Park. They have been offering courses via the Internet, but they tended to be in eight-or 16-week formats. The "byte-style" courses are three, four or five hours in length and highlight various capabilities of a specific software.

"For a lot of people an eight- or 16-week class doesn't work for their schedule," said Logan. "That's why we came up with 'Classes in Bytes.' It's another option. It's flexible, it doesn't take a big time commitment, but it still allows students to earn credits. We expect them to be very popular."

Students interested in enrolling in a "Classes in Bytes," course, need a computer and Internet browser. If a person doesn't have a home computer they can access one in Moraine Park's Office Technologies Centers at Beaver Dam, Fond du Lac or West Bend campuses.

Students will register via touch-tone phone and receive an information packet. When they are ready to start the class they e-mail the instructor. From that point on, communication

with the instructor, assignments, etc., are all done via e-mail. When the course is completed grades are sent via U.S. mail.

"Classes in Bytes" available during the current spring semester include Microsoft Windows 95 and Windows 98; Beginning, Intermediate, Advanced and Power Users courses for Microsoft Word, Excel and Access; and Beginning Microsoft PowerPoint.

There are also several Netscape 4.0 courses including Getting Started, Up and Running, Messenger, Composer, Collabra and Conference, Calendar and Configuration Utilities. Internet/ Intranet courses include Basic Concepts; E-mail; Searching the Internet; News Groups; and Telnet, FTP and Gopher. Courses range in cost from \$15 - \$25.

"We tried to offer something for everyone," said Logan, "from the novice user to the more advanced. And this is just the beginning. We plan on offering more of these types of courses in the near future. We just wanted to get our feet wet first."

For a complete list of all of Moraine Park's "Classes in Bytes" and the course description, fees, credits and hours, visit Moraine Park's website at www.moraine.tec.wi.us.

For more information contact Jan Logan at (920) 924-3350.

Obituaries

JAMES MILLER

James Miller, age 53, of Kewaskum, passed away unexpectedly on Tuesday, April 13, 1999 at St. Joseph's Community Hospital in West Bend.

Funeral services will be held at 10:00 a.m. on Saturday, April 17, at the Miller Funeral Home in Kewaskum with Rev. Edwin Fredrich officiating. Burial will follow at Lutheran Memorial Park.

Friends may call from 4:00 until 8:00 p.m. on Friday at the funeral home and from 9:00 a.m. until the time of services on Saturday.

A complete obituary will be published in next week's edition.

MARGARET E. SCHNEIDER

Margaret E. Schneider, nee Otten, of West Bend, died at the All About Life Rehabilitation Center in Fond du Lac on Thursday, April 8, 1999 at the age of 80 years.

She was born on March 10, 1919 in the Town of Barton to the late Edward and Margaret (nee Bales) Otten. After her marriage to Lester J. Schneider at St. Mary's Immaculate Conception Church in West Bend on June 25, 1938, they settled in the Town of Barton, where she lived until becoming a resident at All About Life earlier this year.

Her husband preceded her in death on April 18, 1992.

Years ago, she was employed at Enger Kress and then at Amity Leather Products Company for several years. More recently, she was employed at Regal Ware in Kewaskum for a number of years.

Margaret was devoted to her family, and she loved to bake and travel. She was a member of the Christian Women's Confraternity at St. Mary's Parish.

Survivors include six children, Deanna (Anthony) Fruzyrna of Green Bay, Kathleen (Roger) Schmitt of Kewaskum, Robert (Carol) of West Bend, Charlotte (Glen) Straub of Campbellport, Renee (Steve) Braun of Kewaskum and Ronald (Linda) of Estes Park, Colorado; ten grandchildren; four great-grandchildren; one sister, Marcella "Sally" Burbey, other relatives and friends.

Preceding her in death was a grandson, John Schmitt; a son-in-law, John Theisen, and three sisters, Helen Peters, Leona Howland and Anita Otten.

Funeral services were held on Monday, April 12, at 10 a.m. at the Schmidt Funeral Home, 629 Cedar Street, West Bend, with a Mass of Christian Burial at 10:30 a.m. at St. Mary's Immaculate Conception Catholic Church, West Bend. Rev. Patrick Wendt was the presider and interment followed at the old St.

Mary's Cemetery.

Visitation was at the funeral home on Sunday from 4 to 8 p.m. with a prayer vigil service at 7:30 p.m. and again on Wednesday morning prior to the services.

DAREL J. TISCHENDORF

Darel J. Tischendorf, 58, of Theresa, died Friday, April 9, 1999, at his home.

He was born March 7, 1941, in the town of Auburn, to the late Alfred and Cyrilla (nee Schaeffer) Tischendorf, and married Jo Ann Keding on Sept. 1, 1962, at St. Mathias Church, Nabob.

Darel operated Tischendorf Drilling and was a member of St. Theresa Catholic Church, Theresa.

Survivors include his wife; a son, Steve (special friend Jayne Paluge) of Fond du Lac; two daughters, Linda Tischendorf (special friend Shane Krueger) of Appleton and Gail Tischendorf of Santa Fe, N.M.; three granddaughters Anna, Kara and Natalie Tischendorf; two sisters, Joanne (Wilmer) Brandt of Cedarburg and Lois (Ronald) Reese of Campbellport; two brothers, Robert (Millie) of Campbellport and Alfred Jr. (Penny) of Williamsville, Ore. nieces; nephews; other relatives and friends.

A Mass of Christian Burial was held at 11 a.m. on Tuesday, April 13, at St. Theresa Catholic Church, Theresa. Rev. Vince Holubowicz officiated and burial followed in the parish cemetery.

Visitation at the Kietzer Funeral Home, Lomira was on Monday from 4 to 8 p.m. with a parish vigil at 5:30 p.m., and Tuesday at the church from 10 to 11 a.m.

ADAM J. KARIUS

Adam J. Karius, 89, of West Bend, died Tuesday, April 6, 1999, at the Samaritan Health Center.

He was born Nov. 11, 1909, in the former village of Barton

to the late Joseph and Mary (nee Wolf) Karius.

Adam owned and operated Karius Salvage in Barton for many years, and since 1984 has been a resident of the Samaritan.

Survivors include a sister, Katherine (Howard) Stamper of Milwaukee; a sister-in-law, Lucille Karius of West Bend; a nephew, Robert Staehler of Kewaskum, and the caring staff and residents at the Samaritan who cared for and lived with Adam since 1984.

Preceding him in death were two brothers and four sisters.

Funeral services were held Thursday, April 9, at 1:30 p.m., at the Samaritan Health Center Chapel. Father James Strupp officiated and burial followed in St. Mary's Cemetery.

Visitation at the Samaritan Chapel was on Thursday from 1 p.m. until the time of services.

The Schmidt Funeral Home, West Bend, served the family.

IN MEMORY

In loving memory of **ARMIN OPPERMANN, who passed away April, 19, 1975:**

The world may change from year to year,
And friends from day to day
But never will the one we loved
From memory pass away.

Sadly missed by Ginny and family.

Lead Screening Test Available

Lead screening tests for children up to age six, will be held at the Washington County Community Health Nursing Service in the Public Agency Center, 333 East Washington Street, First Floor/Room 1145, (enter parking lot off of Indiana Avenue) on April 22, 1999 starting at 9 a.m., by appointment.

For an appointment call: 335-4462, 644-5204 or 342-2929; ask for extension 4462. A parent must bring the child to the clinic.

Visually Impaired Support Group To Meet April 21

The Visually Impaired Support Group will meet on Wednesday, April 21. The group will meet at 1:30 p.m. in the Second Floor conference room at the Cedar Ridge Retirement Campus, 113 Cedar Ridge Drive, West Bend.

The visually impaired and interested people in the community are welcome to attend.

"Understanding Medications" will be the topic of Penny Biersack, Director of Pharmacy, Cedar Campuses.

The support group meets the fourth Wednesday of each month at the Cedar Ridge Retirement Campus. Due to a scheduling conflict with the Washington County Senior Conference on April 28th, the next meeting of the Visually Impaired Support Group will be April 21.

Cedar Ridge is located at 113 Cedar Ridge Drive in the city of West Bend. Turn south off of Highway 33, west onto Scenic Drive at Royal Ford. For more information, call Jean Meyer at the Cedar Haven Rehabilitation Agency at 306-2150.

SHEEPSHEADS WINNERS

5 handed winners on Wednesday, April 7th were: Marge Geiger, 61-14-47, 18-8-10; Jan Werner, 49-8-41, 14-6-8; Janice Fiedle, 51-11-40, 20-6-14; Betty Algiers, 45-8-37, 19-4-15.

The next 5 handed will be Thursday, April 15th and Wednesday, April 21st at 8:00 p.m. sharp. Cash prizes, lunch. Schmitt's Never Inn.

XYZ CARD RESULTS

The winners at cards played at the Municipal Building on Wednesday, April 7th were: Ken Kaschner, 28-1-27 net; Allen Reindl, 19-3-16 net.

SHEEPSHEAD: Ione Schmidt, Frances Rohlinger, Laura Hammes and Fuzzy Lehnerz.

Kewaskum Fire and Rescue Squad Calls

Monday, April 5 - The Kewaskum Rescue Squad was dispatched to the Town of Kewaskum at 8:37 p.m. for a male patient who was ill. The patient was transported to St. Joseph's Community Hospital, West Bend.

Tuesday, April 6 - The Kewaskum Rescue Squad was summoned to a Village of Kewaskum business at 10:19 a.m. for a male patient whose physician requested he be transported to St. Joseph's Community Hospital, West Bend.

Wednesday, April 7 - Kewaskum Rescue Squad responded to a call in the Town of Farmington at 6:01 p.m. for a male patient who was unresponsive. The patient was transported to St. Joseph's Community Hospital, West Bend.

Thursday, April 8 - The Kewaskum Rescue Squad was dispatched at 7:20 a.m. in the Village of Kewaskum for a female patient experiencing difficulty breathing. The patient was transported to St. Joseph's Community Hospital, West Bend.

Friday, April 9 - The Kewaskum Rescue Squad was summoned to a Village of Kewaskum residence at 2:24 p.m. to transport a male patient to St. Joseph's Community Hospital, West Bend, for treatment of a traumatic head injury.

Sunday, April 11 - The Kewaskum Rescue Squad, Kohlsville First Responders and the Jaws of Life responded to a motor vehicle accident in the Town of Wayne at 4:16 a.m. A male patient was transported to St. Joseph's Community Hospital, West Bend, for treatment of injuries he received. The Jaws was not needed.

Monday, April 12 - The Kewaskum Fire Department was dispatched at 6:27 a.m. in the Village of Kewaskum for a carbon monoxide alarm that was sounding. Firefighters were at the scene for approximately one hour.

State Park Camping Reservation System Ready

MADISON -- Making campsite reservations at a Wisconsin State Park has gotten much easier. As of April 15, campers will have a single, toll-free phone number for making camping reservations at any Wisconsin State Park. The toll-free number is 1-888-WI-PARKS (888-947-2757).

Benefits of the new system include: assistance from a live operator on-duty weekdays from 9 a.m. to 10 p.m. and weekends and holidays from 9 a.m. to 6 p.m. (CT); requests may be made for specific campsites or amenities; up to six reservations with just one call; reserve two days to 11 months in advance; receive immediate site confirmation; charge by phone with a Visa or MasterCard for \$9.50 per reservation in addition to regular camping fees.

Before calling the campground reservation system, campers should be prepared with the following information:

- * the dates desired for camping;
- * the number of people in

the party and their names;
 * the type of campsite (tent, backpack or wheeled);
 * the length of any pop-up or RV; and

* credit card number and its expiration date.

Due to the high volume of calls expected the first week, callers are being cautioned that they may find the lines to be busy.

Under the new statewide reservation system, campers can survey state campsite availability in any area of the state. When a requested state park is full, alternate state park campsites will be recommended. When state parks are full, referrals will be made private campgrounds in the area.

The new phone reservation system saves time and eliminates the uncertainty of the paper forms used in the past. With one call, campers may make up to six different reservations and receive immediate confirmation. The System will be further enhanced in May, 1999, with the addition of a World Wide Web reservation component.

Spring Cleanup In Northern Kettle Moraine

It's spring in the Northern Kettle Moraine State Forest and it's time for some spring cleaning.

Over the winter months, litter accumulated along the roadways throughout the forest, and spring is a great time to do a litter pickup because the roadside plants have not yet grown over the litter.

On Saturday, April 17, the Friends of the Kettle Moraine are sponsoring a litter pickup along the Kettle Moraine Scenic Drive in the state forest. People interested in lending a hand should meet at the Forest Headquarters at 8:30 a.m. for their road assignment.

The litter pickup will run from 9 a.m. to 12 noon. You will need to bring your work gloves and a willingness to help spruce up the forest after a long winter. Garbage bags will be provided and Waste Management of Fond du Lac is donating the use of a big dumpster.

For all the volunteers, the Friends of the Kettle Moraine will provide light lunch after the cleanup back at the Forest Headquarters.

For further information and to register for the cleanup, contact Kathi Kramasz or Jerry Leiterman at the Forest Headquarters. The phone number at the headquarters is (414) 626-2116. Groups are asked to register by Thursday, April 15.

TOWN OF WAYNE TOWN BOARD MEETING

The monthly town meeting will be held at 7:30 p.m. Wednesday, April 21, at the Town Hall, 6030 Hwy. H.

A complete agenda can be obtained at the clerk's office the day of the meeting.

Orville Kern, Clerk

Each leg has a total of three hamstring muscles. They're located at the back of the thigh.

Village Board Meeting Monday

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin Village Board is scheduled for Monday, April 19, 1999, at 8:00 p.m. in the Municipal Building, 204 First Street.

The agendas for the meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of St. Francis Bank.

Offering Adult Health Screening

The Washington County Health Service will offer, to residents over the age of 18, an Adult Health Screening every month in the Public Agency Center, Room 1145, 333 East Washington St., West Bend.

The next screening is scheduled on April 22, 1999, beginning at 9 a.m. in Room 1145, first floor of the Public Agency Center.

Tests offered include Total Cholesterol HDL and Glucose Panel - \$15; Blood Sugar - \$3; Hemoglobin - \$2, and Blood Pressure - no charge. Note: One hour fasting is recommended.

For an appointment, call 335-4462, 644-5204, or metro 342-2929. For additional information, call 335-4706.

Village Board Meeting Minutes

Mid-Monthly Meeting
March 15, 1999
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. Trustee John Kenworthy asked to be excused and was absent. All other Trustee members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andy Pesch and unanimously carried by voice vote, the minutes of the March 1, 1999 were approved as printed.

Fire Chief Mark Groeschel presented the February 1999 report: Fire calls 2, Year to date 3; Jaws 0, Year to date 1; Rescue calls 21, miles 254.

Fire Chief Groeschel informed the Board that the Department took action to change the Bylaws to go back to the Thursday evening meeting and adjust the time for the Annual meeting. If the Board is amenable to the change they would need to confirm the Department's actions. On a motion by Trustee Gary Gavin, seconded by Trustee Andy Pesch and unanimously carried by voice vote the Board confirmed the so noted Bylaw changes.

A brief discussion was held on the status of the Defibrillators used by the Rescue Squad.

Chief of Police Richard L. Knoebel presented the February 1999 report:

Criminal arrest 31, Criminal investigations, 36; Traffic warnings, 81, Traffic citations, 33; Adult arrests, 24, Juvenile arrest, 9; Property stolen, \$350, Property recovered, \$-0; Parking warnings, 3, Parking tags, 124.

Director of Public Works, Jerry Gilles reported as follows:

1) The Director informed the Board that the guard rail installation project adjacent to the railroad tracks has been completed by the County. It was noted the useable rail was repainted. Second hand posts were purchased through the County.

2) The water sampling previously discussed is underway and hopefully will be completed in a couple of weeks.

3) It was reported the Wisconsin Electric Company will be adjusting the electric lines to eliminate the pole in the center of the Municipal Building Parking Lot.

Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Review of Taxpayer and League Bulletins.

2) Review of building permits

for month of February 1999.

3) Review of correspondence.

Park & Recreation Chairman Trustee John Kenworthy was absent, but Administrator Daniel Schmidt reported on the Committee meeting held earlier this evening as follows:

1) Details were worked for a joint meeting of those interested in running the Youth T-ball, Rubberball, Soft-ball and Hard-ball teams for the 1999 season. The meeting is scheduled for Wednesday, March 24, 1999 at 7:00 in the Community Room.

2) It was noted a quorum was not present and only discussion took place with those present.

3) On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andy Pesch and unanimously carried by voice vote the Board authorized the Class of 89 to use the RHP until 11:00 p.m. on August 21, 1999.

4) The Committee has scheduled a meeting for April 5, 1999 at 7:30 p.m.

Board Representative for the Plan Commission Trustee Warren Dums announced a Plan Commission Meeting scheduled for March 23, 1999 at 7:00 p.m.

Board Representative for the Library Board, Trustee John Kenworthy was not present to the meeting of March 10, 1999.

Board Representative for the Mid-Moraine Municipal Association - Legislative Committee reported the meeting of March 10, 1999 was held with SEWRPC Representative Robert Beibel being the speaker and discussing the storm water management concerns in the region. Also a DNR Representative was present to provide information on storm water

Action was taken on Ordinance No. 99-3 An Ordinance Creating Article I Section 10-4 of the Municipal Code Dangerous

Animals regulated as attached hereto:

On a motion by Trustee Andy Pesch, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the Board authorized the purchasing of Fireworks for the July 3rd celebration from Spielbauer Fireworks, Green Bay, WI, with an estimated total cost \$5,200 to \$6,200.

Discussion was held on the DOT/DNR meeting on the proposed railroad abandonment of rail service and ROW. Action was taken on Resolution No. 99-7 A Resolution to Rescind Resolution No. 98-20 & 98-21 as attached hereto:

The Board tabled action on Resolution No. 99-8 until the April 5, 1999 meeting.

Action was taken on Resolution No. 99-9 A Resolution of concern Regarding Private Onsite Wastewater Treatment System Rules as attached hereto:

Action was taken on Resolution No. 99-10 A Resolution of Concern Regarding Personal Property Tax as attached hereto:

Action was taken on Resolution No. 99-11 A Resolution Regarding Property Tax Alternatives as attached hereto:

Action was taken on Resolution No. 99-12 A Resolution of Concern Property Tax Base as attached hereto:

Action was taken on Resolution No. 99-13 A Resolution Regarding Recycling Mandate as attached hereto:

A brief discussion was held on declaring a snow emergency and the lifting of the winter parking restrictions. It was noted a small percent of the public felt once the Village lifted the parking restrictions it was inappropriate to declare a snow emergency authorizing the issuance of parking tickets. The Board indicated if the weather warranted the need for a snow emergency to be

called by either the Village President or the Administrator as ordered by the Board, one should be called and citations issued. It was noted that even if only a portion of the community had plowing or hauling of snow accomplished during the restricted hours it would affect the entire community as spelled out in the ordinance and by statute.

On a motion by Trustee Harry Roecker, seconded by Trustee Warren Dums and carried by the majority roll call vote, to adjourn. Roll call vote was 6 "Aye," 0 "Nay," 1 "Absent."

POSITIONS AVAILABLE

AMITY/ROLFS

Amity/Rolfs is accepting applications for a limited amount of openings in our distribution center. Starting pay is \$7.00 per hour, but negotiable depending upon qualifications and experience. Duties may include but are not limited to stock handling, packaging and order processing. Distribution or receiving experience is not necessary but would be considered a plus. These positions are on first shift; and we will consider flexible scheduling. Full benefits are available to employees who work 20 hours or more a week and have completed their probation period.

Interested applicants should visit our office lobby between 7:00 a.m. and 4:30 p.m. to fill out an application.

The Amity/Rolfs Distribution Center is located at
820 E. Washington Street in West Bend.

Amity/Rolfs is an Affirmative Action/Equal Opportunity Employer.

Pre-employment drug exams are required.

Stock Splits: Wall Street's 2-for-1 Sale?

By Paul C. Becht
Financial Advisor
Prudential Securities Inc.

One result of the current bull market is a dramatic increase in the number of companies splitting their stock. What is a stock split? Simply put, it is a division of a corporation's outstanding common shares into a larger number of shares according to a formula: 2-for-1, 3-for-1, 5-for-1, etc. If an investor holds 100 common shares of a company's stock before a 2-for-1 split, that same investor will find 200 shares of that company's stock in his or her portfolio after the split.

Stock splits are not a case of something for nothing, however. If the stock in our example above was trading at \$50 before the split, the "post-split" shares will trade immediately at \$25 per share. An investor's total investment in dollar terms is not increased as a result of the stock split. Shareholders end up with precisely the same proportionate investment in the company as before the split.

While stock splits are not exactly a free lunch, they can have positive effects on a stock price. The primary reason companies undertake stock splits is to create interest in the stock among a wider group of investors by lowering the per share price. Many investors do in fact prefer cheaper shares. Therefore, a \$120 stock that suddenly costs only \$60 achieves instant affordability for many investors who might have balked at paying the original price.

While new investors end up owning a commensurately smaller piece of the company for their \$60, the attractiveness of the "post-split" price and pent up demand for that stock may fuel a rise -- sometimes only temporary -- in the stock's price.

reaching record levels, the number of companies splitting their stocks is on the rise. The current bull market has been characterized by a tremendous flow of funds into blue chip stocks and mutual funds with a focus on large-capitalization issues. Numerous stocks in the Dow Jones Industrial Average and Standard and Poor's 100 are now trading at triple-digit per share prices. Oftentimes, a stock that costs well over \$100 per share can be intimidating to smaller investors. When a stock price gets to the level that may discourage investors, companies may consider a stock split.

Since October 1990, nearly half the companies listed in the S&P 100 Index split their stock. 1996 was a banner year for stock splits, with 166 New York Stock Exchange-listed companies splitting their shares, 26% more than split in the previous year. According to Standard & Poor's, there is speculation among market watchers that 1997 may challenge the single year stock split record: 225 NYSE-listed companies in 1983.

While stock splits alone are not a reason to invest in a particular company's shares, stock splits are by and large viewed favorably on Wall Street. Stock splits often send a signal that management is positive about a company's future. And while past performance is no guarantee of future results, stock splits may give investors the opportunity to own attractive issues

that were previously beyond their reach.

Companies announce impending stock splits well before the actual split. Your professional financial advisor should be able to tell you which companies are planning a stock split. Remember, a company's fundamentals -- earnings, growth prospects, market strength, etc. -- are still the primary factors to consider when planning a stock purchase. But a stock split can provide you with a nice chance to buy a stock at a reasonable price.

Campus Notes

Concordia University Wisconsin announces its 1998-99 fall semester Dean's List. Students so honored have received a 3.5 or above grade point average on a 4.0 scale.

Students on the list are as follows: Holli L. Broecker, Kewaskum; Jennifer L. Ebert, Kewaskum, and Rebecca A. Wulff, Kewaskum.

Concordia University Wisconsin, 12800 North Lake Shore Drive, Mequon, has a total enrollment of 4,532, including eight off-campus sites, offers 39 majors of study and grants AA, BA, BS and Master's degrees. Owned by The Lutheran Church-Missouri Synod, it is a member of The Concordia University System, a nationwide network of colleges and universities.

Bird Walks at Lac Lawrann

A Saturday Bird Walk will be held at Lac Lawrann Conservancy, 300 Schmidt Rd., West Bend, on April 17, at 7 a.m. Bring a notebook and start your lifetime bird list.

Birds migrate from their winter retreats in the south to nesting areas in North America as soon as food is available to them. April and May are peak migration months in Wisconsin. Enjoy the thrill of seeing and hearing the calls of birds not normally found in Washington County.

Former KHS Grads Star at Slinger Speedway

The Sunday night tradition of the Slinger Super Speedway has turned out to be a racing tradition for the Prunty family. The drivers of the family are, left to right: David, 28, who drove the teal late model #1 to a fifth place in the point standings for the 1998 season; Dale, 21, who has built a modified this year after taking top 1998 Rookie honors in the Slinger Stingers, and Dennis, 26, who received the 1998 Rookie of the Year in the Modified Division and will again chauffeur the #1 modified. The Sunday night tradition at the Slinger Super Speedway will begin on April 25th with the Twin 75 lappers. Look for the Prunty brothers to be in the top of their class. You'll be reading more on the Prunty family in the upcoming weeks.

KHS Girls' Track Preview

The Kewaskum High School girls' track and field team started practice back on March 8. Coached by third year coach Joe Kinney, the team consists of over 50 girls. Of the possible 21 returning letterwinners, 17 return to competition to give the team a good core of athletes for the 1999 campaign. The bulk of the letterwinners are seniors and sophomores.

The KHS girls' track team has competed in the Oshkosh Invitational on March 23, and the Bob Buel Washington County Indoor on March 24.

At the 47 team Oshkosh Invitational only senior distance runner, Carol Neumann, managed to place in the top eight. Neumann earned one point for the Kewaskum team as she placed eighth in the 1600m run with a time of 6:03.46.

The next night at the Washington County Indoor, the team was tired and without the services of half of their members who were on the school's band and choir trip to Virginia Beach.

The next time the team was at full strength was for the first outdoor meet on Tuesday, April 13. The

team got a real test that week with two other meets that same week, Thursday at New Holstein and Saturday at the Catholic Memorial Invitational.

The distance runners should provide the most depth for the team. The distance runners are led by senior ace Carol Neumann, who qualified for the state cross country meet the last two years. Neumann finished fourth in the 800m (2:32.7) and fifth in the 1600m (5:30.9) in the conference meet last season.

Teaming up with Neumann again in the 1600m and 800m races will be sophomore Colleen Gosa. Gosa finished 12th in the 800m run with a time of 2:42.74 at the Oshkosh Invitational.

Another sophomore, Emily Rinzel, will concentrate on the 3200m. Rinzel placed second in the 3200m run at the Washington County Indoor. The threesome of Neumann, Gosa and Rinzel should provide scoring in the open 800m, 1600m, and 3200m distance races.

Senior Jackie Michaels, last year's conference champion in the 300m low hur-

dles, will attempt to repeat that feat this year and also pick up points in the 100m high hurdles. Michaels, who placed fourth in the 50 yard high hurdles at the Washington County Indoor Meet, would readily admit that she likes the longer 300m hurdle race.

Sophomore Kelly Darmody and junior Lauren Steinhardt team up with Gosa, Rinzel or freshman, Liz Rammer, to make a competitive 4x800m relay team.

Gosa will also provide needed help in the discus and shot put -- two events she juggled each meet last year besides her distance races.

Freshman Nicole Hermann has shown good potential in the shot put, but is not as comfortable with the discus event. Hermann threw 29'4" in the shot put at the Oshkosh Invitational.

The sprint corp will be led by senior Jenny Fettig. Sophomores Lynn Wiesner, Heather Rieder, Tina Lindgren, Jody Wichtoski, and Kristen Schiller will all vie for spots on the 400m relay team, 800m relay team, 100m dash and 200m dash.

Rieder, who won the middle school conference title in the 400m dash two years ago with a time of 1:05, will also provide needed help in the 1600m relay. Rieder is also the team's best long jumper. She placed seventh at the County Indoor with a leap of 14'3".

Wichtoski is the team's best triple jumper and will also long jump. She triple jumped 29'6" at the Oshkosh Invitational.

Freshman Jolene Clark, who placed sixth in the Washington County Indoor in the high jump with a jump of 4'8", will provide immediate help in this event. In addition, freshmen Liz Rammer and Lauren Schultz will provide compe-

dition to their teammates in their respective events.

Rammer was the middle school conference champion in the 800m run last year and Schultz was the middle school champion in the 400m dash. Schultz also lettered on the KHS cross country team last fall.

The Kewaskum High School track and field team is coached on a co-ed basis. Joe Kinney is the head girls coach and coaches the sprints and relays. Jerry Gosa is the head boys coach and coaches the distance runners and assists volunteer pole vault coach, Rick Robinson. Dave Rizzardi coaches the throwing events and Ellen Kuphal coaches the hurdles.

New coaches and last season track team members, Jessie Repovsch and Jill Wichtoski, coach the high jump and jumping events respectively. Repovsch and Wichtoski replace long time high jump, long jump and triple jump coach Keith Amundson, who retired from coaching to spend more time with his family.

Letterwinners and their respective events:

Seniors - Emma Chambers, 3200m run and 4x800m relay; Choral Choinski, sprints; Jenny Fettig, sprints, 4x100m relay, 4x200m relay; Carol Neumann, 800m, 1600m, 4x800m relay; Jackie Michaels, 100m and 300m hurdles, 4x200m relay.

Juniors - Lauren Steinhardt, 4x800m relay, 4x400 relay, triple jump; Anna Waehler, 4x400m relay, 400m; Brooke Zanow, 4x400m relay, 400m; Michelle Zingsheim, 4x400m relay, pole vault.

Sophomores - Amber Averill, 400m, 4x400m relay; Kelly Darmody, 4x800m relay; Beth Degner, 400m, 4x400 relay, long jump; Colleen Gosa, 4x800m relay, 1600m, 800m, discus, shot put; Tina Lindgren, sprints, 4x100m relay, 4x200m relay; Emily Rinzel, 4x800m relay, 1600m, 3200m; Heather Rieder, 4x100m relay, long jump, 400m, 4x400m relay; Lynn Wiesner, sprints, 4x100m relay, 4x200m relay; Jody Wichtoski, triple jump, long jump, 4x100m relay, 4x200m relay, 4x400m relay.

KHS Girls' Track Team, at Half Strength, Struggles at County Indoor

The Kewaskum girls' track and field team had a double whammy to contend with at the Bob Buel Washington County Indoor Track and Field Invitational at West Bend on Wednesday, March 24.

The fact that the team had competed at the Oshkosh Invitational the night before was one big problem, while the other difficulty involved the absence of athletes, who were gone on the school's band and choir trip to Virginia Beach.

The Hartford girls' track team was up to the challenge as they won the meet with a total of 131.5 points. West Bend West finished second with 113 points, just three points ahead of West Bend East. Slinger finished in fourth place with 90.5 points, followed by Kettle Moraine in fifth with 48 points, Germantown, sixth with 46.5 and Kewaskum with 33.5 points.

Sophomore Emily Rinzel placed highest for Kewaskum when she took second in the two mile in 13:48.5.

Senior distance veteran,

Carol Neumann, who finished eighth in the 1600 the previous night at the Oshkosh Invitational with a time of 6:03.5, was tripped and fell in the mile and had to settle for sixth place with a time of 6:23.2. The winning time in the mile was 5:58.7 and second place was 6:13.3. Neumann, tired and with a bruised leg, was withheld from the 880 yard run.

The four lap relay team of Kristen Schiller, Laura Baumann, Alicia Herrmann, and Lynn Wiesner had trouble with a couple of handoffs and finished in fifth place with a time of 1:38.1. Hartford won the event with a time of 1:27.9.

The six lap relay team of Kristen Schiller, Jody Wichtoski, Lynn Wiesner, and Jackie Michaels also placed fifth with a time of 2:25.1. Michaels also placed fifth in the 50 yard high hurdles in 8.6 seconds.

Freshman Jolene Clark placed sixth in the high jump with a jump of 4'8". Fourth, fifth, sixth and seventh places all cleared 4'8" and places were determined

based on what attempt of their three jumps they cleared the height.

Sophomore Heather Rieder placed seventh in the long jump with a leap of 14'3".

The ten lap relay team of Amber Averill, Anna Waehler, Brooke Zanow and Heather Rieder struggled and finished seventh in 4:37.6.

"It is very difficult for the girls to run their best two nights in a row. Carol's time in the 1600m race last night would have put her right up there tonight. Also not having all the girls here tonight is not an accurate indication of what this team should be able to do when we are at full strength," concluded coach Joe Kinney.
