Community-Wide Rummage Sale Scheduled for May 29

The Kewaskum Area Chamber of Commerce will once again be sponsoring the annual village-wide rummage sale on Saturday, May 29, from 8 a.m. to 5 p.m.

The Chamber is urging all Kewaskum residents to hold their rummage sales on this date as this will be the only community-wide rummage sale being held this year.

Village residents, area residents, businesses and civic groups from the community are also encouraged

to participate by offering sales on rummage, merchandise, food and refreshments, just like the "good old days" when Kewaskum was "jumping" during the annual Crazy Daze event and people came from near and far to enjoy the day and share in Kewaskum's "gemuetlichkeit."

Participants may advertise their own rummage, sales and food specials, (and the location of the same) however, the Chamber of Commerce will be advertising the event in local newspapers and radio.

There will be no sale fee charged to those who choose to participate and there will be no community maps showing the location of area sales, therefore you are urged to put up signs and publish your own event.

For further information about the community-wide rummage sale, please call the Kewaskum Area Chamber of Commerce at 626-3336.

KHS Swing Choir Talent Show Set

The Kewaskum High School Swing Choir is sponsoring their annual talent show on Saturday, May 8, at 7 p.m. in Rose Hall.

Tickets may be purchased at the door. Adult tickets will cost \$2.00 and senior citizens and students are \$1.00.

Any community members who would like to be part of the talent show should contact Dave Bertelsen at the high school at 626-2166, extension 4571, by April 30.

Art Show at Middle School

An art show for grades kindergarten-eighth, will be held at Kewaskum Middle School on Thursday, May 6, beginning at 6:15 p.m. Awards will be presented at 7 p.m.

Refreshments and art activity will follow the show.

KHS Junior Prom This Saturday

The 1999 Kewaskum High School Junior Prom will be held this Saturday in Rose Hall at the high school. The community is invited to the grand march at 9 pm.

This year's theme chosen by the junior class is "With or Without You" based on the U2 song that will be played during the grand march. This year's colors are blue and white. The dance begins at eight and will run until 11:30 pm.

Prom court members were recently chosen by their peers. Representing the junior boys will be, Pat Bohn, Billy Cook, Chris Koth, Nick Martin and Jason Strobel. The girls selected include Sara Disler, Kristen Kurth, Laura Schwinn, Sarah Schwinn and Lauren Steinhardt. Scott Schreffler will serve as the the evenings master of ceremonies. The king and queen will be announced at the dance.

A photograph will be in next week's Statesman.

Lynn Wins 1500M, 3200M Runs at Championships

Gains Provisional Qualifying Time for Nationals in 3200M Run

VINTAGE MARNI LYNN... Running strong, focused, determined and leading from start to finish, Marni Lynn of Carroll College provisionally qualified for Nationals in the 3000m run with a time of 10:17.59 on Saturday, April 24, at the Wisconsin Private College Championships held at Carthage College in Kenosha.

KENOSHA - Marni Lynn, a sophomore at Carroll College and former Kewaskum High School cross country and track standout, won both the 1500m and 3000m runs and placed second in the 800m run, Saturday, April 24, at the Wisconsin Private College Championships at Carthage College.

Lynn's winning time of 10:17.59 (ten minutes, 17.59 seconds) in the 3000m run, also gave her a provisional qualifying time for the NCAA Divisional III National Track and Field Championships to be held at Baldwin-Wallace College in Ohio on May 20-22. (The provisional qualifying time for the 3000m run is 10:19.74 and the automatic qualifying time is 10:10.24.)

What made Lynn's quali-

fying time so incredible was that it was accomplished in her third race of the afternoon. After finishing second in the 800m run, Lynn ran extremely determined and focused in the 3000m run.

The race was vintage Marni Lynn. She led from start to finish, running very consistent laps of 84-85 seconds until the last 400m when she picked up the pace and sprinted to the finish. Lynn finished approximately 200m ahead of second place. Lynn's time of 10:17.59 also set a meet record, but just missed the Carroll College school record of 10:16.4.

Lynn led the 1500m run, her first race of the afternoon, from start to finish. Lynn won the race fairly

easily with a time of 4:40.72 - approximately six-eight seconds ahead of second place and also set a meet record.

Lynn also led the first lap of the 800m run, but was passed on the start of the back stretch. Lynn later admitted that the other runner got a little too far ahead of her before she (Lynn) realized that she could beat her. Marni made up a distance of 7-8 meters and almost nipped the other runner at the wire in a very close finish. Lynn's time for the 800m race was 2:17.60.

According to Lynn's coach, Brian Bliese, "today was just supposed to be a 30 point workout, (10 points for each first place), but it ended up only being 28 points." (20 points for the two first places and eight for the second place). In other words, Lynn was training right through this meet and was not peaking

for this meet.

After her competition on Saturday, Lynn offered the following comment, "I felt like I was in high school again running three events (the 1600m, 800m and the 3200m runs) at the big invitationals like the Vanderpan and the conference meet."

The next meet for Lynn and the Carroll College Pioneers is the Badger Classic on Saturday, May 1, at the University of Wisconsin-Madison. Lynn will probably run just one or two races against some stiff competition.

The following week at the Midwest Conference Championships on May 7 and 8, at Monmouth, Lynn tentatively will run the 1500m on Friday and the 5000m, 800m and 3000m runs on Saturday. Good luck Marni!

Bird Walks at Lac Lawrann

A Saturday Bird Walk will be held at Lac Lawrann Conservancy, 300 Schmidt Rd., West Bend, on May 1, at 7 a.m. Expect the numbers of species to pick up this month. Each species of bird has its own schedule for migration.

Birds migrate from their winter retreats in the south to nesting areas in North America as soon as food is available to them. April and May are peak migration months in Wisconsin. Enjoy the thrill of seeing and hearing the calls of birds not normally found in Washington County.

Bereavement Support Group to Meet

The bereavement support group sponsored by St. Joseph's Community Hospital of West Bend will meet Thursday, May 6 from 7 to 9 p.m. in the hospital's meeting room two.

The bereavement support group provides encouragement and support for individuals and family members who have experienced a pregnancy loss or the loss of an infant through the first year of life.

For more information, call St. Joseph's Community Hospital's New Life Center at 334-8361.

VILLAGE OF KEWASKUM TREE PLANTING PROGRAM

PLANT TREES TODAY TO ENHANCE TOMORROW

The Village of Kewaskum will be selling small starter trees to Village of Kewaskum residents on Friday, April 30th from 2:00 p.m. to 5:00 p.m. and Saturday May 1st from 9:00 a.m. to 11:30 a.m. Trees 24" in length will be sold in the Municipal Building entry for \$1.00 each. Species available are on a first come, first serve basis. Species are: American Plum, Black Cherry, Black Walnut, Paper Birch, Red Oak, Sugar Maple, and White Oak.

In the event the weather conditions do not cooperate and the suppliers are unable to deliver trees on time these dates may be subject to change. In the event of a delay a sign will be posted on the Municipal Building entry, and a recorded message will be left on the answering machines at the Municipal Building and the Department of Public Works. 626-4310.

NOTE: **Street Signs:** The Village of Kewaskum is completing a street sign replacement program. The old black on white street signs will be sold at the same time as the tree sale. Cost is \$4.00 per street sign.

Local Residents Awarded School Grants from Catholic Knights

Catholic Knights recently awarded Catholic grade school tuition assistance grants to the following Kewaskum residents:

Zachary Amerling, Karissa Dums, Andrew Rinzel, Stephanie Rinzel, Kevin Schickert, Owen Stoffel, Kendra Strobel, Thomas Thull, Timothy Thull, Trev Timblin, Joshua Hesprich, Tanya Hesprich, Emily Aycock, Nellie Baum, Wynelle Baum, Lora Christie, Austin Cochran, Griffin King, Lanaya Martin, Michael Neumann, Nick Schoofs, Dylan Tischendorf, Justin Wessing.

For the 1998-99 school year, Catholic Knights distributed \$100 for each child in Catholic grade school tuition assistance grants. Since the program's inception in 1995, Catholic Knights has distributed \$195,000 in tuition assistance grants.

Catholic Knights, based in Milwaukee, is a 114-year-

old fraternal benefit organization marketing life insurance, annuities, and financial services to Catholics and their families. Its greatest concentration of members is in the Upper Midwest. It is the largest Catholic fraternal in Wisconsin in terms of assets and insurance in force and the second largest Catholic fraternal in North America in terms of insurance in force. It has received top ratings from the A.M. Best Co. since 1978.

Share Repurchase Program Approved

BROOKFIELD -- St. Francis Capital Corporation (NASDAQ:STFR) announced on April 22, 1999, that its Board of Directors has approved a share repurchase program whereby the Company may purchase up to 505,000 shares or approximately 5% of its common stock in the open market.

The authority for the repurchase program starts April 29, 1999, and runs through March 31, 2000. Repurchased shares will become treasury shares and will be used for general corporate purposes.

This repurchase plan will be the Company's tenth share repurchase program since going public in 1993. The Company recently completed the repurchase of 480,000 shares at an average price of \$18.73 per

share.

"We believe that the stock repurchase program continues to be a valuable part of the many capital management tools available to our Company," said Thomas R. Perz, president and chief executive officer at St. Francis Capital Corporation. "The repurchase will help increase earnings per share and improve the Company's return on equity," he added.

St. Francis Capital Corporation, with \$2.3 billion in assets, is the holding company for St. Francis Bank, F.S.B. The company operates 22 full service, two limited service and four loan offices in Milwaukee, Waukesha, Washington, Ozaukee, Walworth and Kenosha counties.

SEEDS FROM THE SOWER
 Michael A. Guido
 Metter, Georgia

A mother took her son to a cafe for lunch. Glancing around the room the boy saw a sight that puzzled him.

"Mom," he cried, "look at that man at the counter. He closed his eyes and he's talking to his lunch."

Sad, isn't it, that the boy thought only of the lunch, and not of the Lord.

You can tell he had prayerless parents and graceless meals, can't you?

What do you have at your home?

One thing that's needed in the American home is the family. And one thing that's needed in the family is parents who pray and read the Bible.

It's true - the family that prays together stays together.

Memories

Before we skip to the other side of Fond du Lac Avenue and catch up on some of our other "Memories" photos we remembered the above photos submitted by Don and Corrine Mlodzik, who formerly lived in Kewaskum and are now residing in Arizona. The building is situated on the property located on the south corner of Hwys. 45 and H. According to Corrine, they purchased the Wallenfelsz property in 1954. The building next to the house was a TV store and after that it was rented to Kiekhafer Co. for storage followed by a tenant who did pier construction there. In 1968 the Mlodziks remodeled the building and Hilltop Laundry was begun. They operated the laundry until 1983 when it was sold to Ken and Carol Weddig, the present owners, who have also done extensive remodeling.

Celebrate Be Kind to Animals Week

In 1998 over one thousand stray animals arrived at the Washington County Humane Society.

Amazingly, not even half of these animals went home to their original families, 57% of the stray dogs, while only 3% of the stray cats were reclaimed by their owners. To keep your loved one safe, always keep a tag with your name, address and phone number on them, or get a microchip implanted on them.

In addition to receiving an abundance of stray animals WCHS receives far too many animals pregnant or unwanted/abandoned animals that need caring homes. Do the responsible thing for your companion animal(s) and have them spayed or neutered. Not only does it help reduce the pet overpopulation, but it also reduces various health problems such as some forms of cancer later in life.

In appreciation, take a moment or two to spend some extra quality time with your companion animal this week to show just how much you care. The Humane Society is also hosting a "Blessing" for your companion animals on Wednesday, May 5, from 5:30 to 7:30 p.m.

Father Jude Peters will perform the blessing from Holy Hill. There is no cost, but donations will be accepted. Enjoy refreshments while you wait.

Diabetic Support Group to Meet

The diabetic support group sponsored by St. Joseph's Community Hospital of West Bend, will meet Thursday, May 13, at 7 p.m. in the hospital's conference room A to learn more about the use of insulin pumps.

Diabetics currently on insulin and frustrated with their ability to regulate blood sugars may be interested in an insulin pump, according to Judy Held, diabetic educator at St. Joseph's.

The pumps have become an important tool for thousands of people of all age groups looking for better glucose control, greater flexibility in meal planning, exercise and sleep schedules. Pumps can also reduce the risk of long-term complications or severe hypoglycemia compared with multiple daily injections.

Several West Bend residents will share their personal experiences relating to their recent switch to pump therapy. Literature and videos will also be available.

The diabetic support group is designed to educate and provide support for people affected by diabetes. For more information, contact Judy Held at 334-8367.

The support group will not be meeting in June, July and August.

Gruhles Celebrate 60th Anniversary

The former Ruth Corbett and Willard Gruhle were married on April 1, 1939.

Ruth and Willard Gruhle of rural Kewaskum (New Fane) celebrated their 60th wedding anniversary with their family and friends at Hon-E-Kor Golf and Country Club, Kewaskum, on Saturday, April 10. Willard and the former Ruth Corbett were married on April 1, 1939 in Dubuque, Iowa. They are the parents of three children: Karen (Ronald) McCreedy of Fond du Lac; Sandy Gruhle of Grafton, and William (Nancy) of Kewaskum. They also have five grandchildren and four great-grandchildren.

"When I told my wife that no wife of mine was going to work, she thought I meant housework too."

Kewaskum High School Post-Prom Party

Saturday, May 1, 12 midnight to 4 a.m. Sunday, May 2, 1999

The event is co-sponsored by the Booster Club, The Council on Alcohol and Other Drug Abuse of Washington County and United Way of Washington County.

The Student Council is looking for help in the following areas for their annual Post-Prom Party:

- ✓ Chaperones (many have already signed up)
- ✓ Prizes (we try to have a prize for everyone)
- ✓ Food & Soda (the students get awfully hungry and thirsty)
- ✓ Money (needed to purchase extra prizes, extra food, extra soda, game and other activities)

If interested in helping out in any way, please call Larry Ammel, Kewaskum High School, 626-8427 ext. 4570.

Letters to The Editor

Dear Editor:

The Washington County Humane Society is joining paws with thousands of animal organizations throughout the United States for Pet Adoptathon '99 and Be Kind to Animals Week.

Pet Adoptathon is in its fourth year and is an annual effort to match thousands of homeless animals with loving adopters. The Adoptathon is scheduled for Saturday, May 1, and WCHS will be having extended hours from 10 a.m. to 6 p.m. Visitors can see the many wonderful animals we have at the shelter, enjoy refreshments and free samples, and perhaps find a lifelong companion.

Be Kind to Animals Week runs from Sunday, May 2, through Saturday, May 8, and is a celebration of the good things we've accomplished for our animal friends. In 1998, WCHS provided shelter for almost 3,000 animals and reunited over 315 families and their pets. In addition, more than 1000 area school children benefited from humane education and 82 classrooms received KIND News. We also temporarily sheltered four animals of abuse victims, provided to dogs to agencies training them for the disabled, and visited 14 nursing homes and hospitals with our Pet-A-Pet Therapy Program.

The community also helped us in return. Over 200 volunteers donated

more than 5000 hours for special events, visits to nursing homes, office work and the general care of the shelter animals. And more than 900 families adopted dogs and cats from our shelter, giving them a second chance for a life-long home.

Pet Adoptathon and Be Kind to Animals Week allow us to celebrate the companionship, friendship and love animals bring to our lives. They also bring attention to the little extra things we can do to show kindness from putting up a bird feeder in the backyard, to spending a little extra time with our own pets. As we begin this year's celebration, we are further reminded of our responsibilities to our animal friends: that we need to spay and neuter our pets, that some animals need is to provide care and companionship, and that others need us to respect and maintain their habits.

All in all, it will be a week with a significant message -- there are hundreds of thousands of abandoned pets who need loving, caring, permanent homes. WCHS thanks all those people who continually show kindness to animals all year round, and is hosting a Blessing of the Animals on Wednesday, May 5, from 5:30 to 7:30 p.m. Pets and their owners are invited to visit the shelter where Father Jude Peters from Holy Hill will be performing blessings during those hours.

Sincerely,
Marnie Brown
Executive Director

Letter to the Editor:

(The following was sent to Senator Mary Panzer and Assemblypersons Michael Lehman and Glenn Grothman.)

As citizen members of the Alcohol and Other Drug Abuse Task Force in Washington County, we are writing to express our concern over the reduction in Community Aids funding due to the Federal Social Service Block Grant cuts. Within the area of substance abuse, this reduction in funding will affect the number of days available to individuals for treatment in a halfway house setting, the number of hours available for cases management, the amount of community resources available to the public and the availability of treatment in a clinic setting for those individuals without other means to pay. While we at the County level will do what we can to prevent disruption of service to individuals in need, we are also asking for assistance at the State level.

It is our understanding the current Budget Bill does not include any funding to reduce the impact at the County level of the Block Grant cut. On behalf of those individuals who are least able to ask for themselves, we are requesting the Joint Finance Committee include additional monies in the 1999-2001 Budget Bill to offset this loss of Federal dollars. We are asking the State to consider the negative impact of provid-

ing less to individuals who have identified abuse issues and are in need of treatment. We ask that the State continue to provide an equitable partnership in funding services for substance abuse prevention and treatment.

Thank you for your time and consideration.

Weekly Meeting of Separated, Divorced

The Washington County separated, divorced and widowed men and women support group meets weekly every Friday from 7:30 to 9:30 p.m. at the Holy Angels Church basement in West Bend

Their purpose is to provide a means to share ideas, concerns, support, fellowship and love from a Christian perspective. There are guest speakers, panel discussions, small group sharing and other activities.

The group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

"Faith" with Pastor Ron Shingleton of the Church of God will be presented at the April 30th meeting.

On May 7, the topic will be "Moving Through Loss" with Marty Guarino, Bereavement Group Facilitator. There will be a board meeting before the general meeting.

IN MEMORY

In memory of ELEANOR MARX, who passed away one year ago, May 1, 1998:

God looked around his garden
And He found an empty place.
He then looked down upon
this earth,
And saw your tired face.
He put His arms around you
and lifted you to rest.
God's garden must be beautiful
He always takes the best.
He knew that you were suffering
He knew you were in pain
He knew that you would never
get well on earth again.
He saw that the road was getting
rough,
And the hills are hard to climb.
So He closed your weary eyelids.
And whispered "Peace be
thine."

It broke our hearts to lose you
But you didn't go alone
For part of us went with you.
The day God called you home.

Loved and deeply missed
by your children, grandchildren
and great-grandchildren.

Live life like it's an adventure
and it will be.

TORNADO FACTS

The "inflow" updraft region of a thunderstorm cell is usually rain-free or nearly rain-free because the updraft is pushing air upwards into bellowing cloud towers, rather than downwards. Sometimes, you will be able to spot a distinct wall cloud. Wall clouds that are persistent, and show signs of rotation, should be closely monitored for possible tornadic development.

St. Lawrence Eager Beavers 4-H Club News

On April 8th, the St. Lawrence Eager Beavers held their 4-H meeting. A demonstration was made by the kids in the cats project.

Our 4-H Club went ice skating on March 27th.

The club decided that we are going to put off roller skating until fall.

The 4-H Bowl-A-Thon was held on April 18th at Kettle Moraine Bowl.

The next meeting for the St. Lawrence Eager Beavers will be on May 6th at the St. Lawrence Fire Hall. Anyone is welcome.

JAMES J. FALK SR.

James John Falk Sr., 62, of Westminster, Colo., died Sunday, April 11, 1999.

He was born July 8, 1936, in West Bend, to the late Wilmer and Bernadette (nee Unser) and married Connie J. Justman on Nov. 14, 1956.

He had worked as a maintenance supervisor at the Westminster Mall for the past 11 years.

Survivors include his wife; five children James Jr. (Betty) of Aurora, Colo., Janis (Philip) Stoffel and Jackie (Scott) Sickler, both of West Bend; Jeffrey of Aurora and John (Petina) of Highlands Ranch, Colo.; 10 grandchildren; a great-grandchild; three brothers, Donald of Florida, Wilmer Jr. of Sheboygan and Jack of Green Bay; five sisters, Phyllis of Illinois, Judy, Mary Jane and Bernie, all of West Bend, and Caroline of Madison; nieces; nephews; and other relatives and friends.

Preceding him in death was a sister, Barbara of Kewaskum.

Funeral services were held Wednesday, April 14, at 10:30 a.m. at St. Mark's Lutheran Church, Aurora, with Pastor Paul Hofer officiating.

DONALD C. BACKHAUS

Colonel Donald C. Backhaus, 69, of Milwaukee, died Monday, April 26, 1999.

He was a retired employee of Consolidated Freightways and a member of Wisconsin Auctioneer Association, All Saints Lutheran Church and the Oak Creek Tractor Club.

He was the beloved fiancée of Judy Jackson, the loving father of Dennis (Cynthia) Backhaus, Debra (Steven) Martzke and Diane (David) Dziatkiewicz and the dearest grandfather of Michah, Jeffery, Daniel, Jessica, Jennifer and Matthew.

He was the brother of Ione (Sylvester) Schmidt, Vernetta Riley, the late Henry (June) Backhaus, Carol Backhaus and is also survived by nieces, nephews, other relatives and friends.

Visitation will be Thursday, April 29, from noon to 2 p.m. with the funeral service scheduled for 2 p.m. at All Saints Lutheran Church, 9131 S. Howell Avenue, Milwaukee. A private interment will be held.

Memorials to All Saints Lutheran Church are appreciated.

The Heritage Funeral Home is serving the family.

TORNADO FACTS

Roughly 80% of Wisconsin's tornadoes are weak with wind speeds of 50 to 110 mph. About 19% are rated as strong with wind speeds of 110 to 205 mph. Luckily, only 1% are violent with wind speeds over 205 mph.

CARD OF THANKS

A very sincere thank you to our relatives and many friends who shared in the loss of our dear husband, father, grandfather and great-grandfather, **Joseph M. Miller**.

We acknowledge with deep appreciation the expressions of sympathy in prayers, floral tributes, cards and memorials.

A sincere thank you to Father Mark Jones, the liturgical assistants, the organist, Holy Trinity Choir, Knights of Columbus, Kewaskum Fire Department members, American Legion members, pallbearers, those who prepared and the Christian Women for serving the food, Miller's and to anyone who offered acts of kindness and helped us in any way.

May God bless each and every one of you. Your thoughtfulness will long be remembered.

Laura Miller,
Jolene and
Ken Kenyon,
Grandchildren and
Great-Grandchildren

IN MEMORY

In loving memory of **BETTY BONLENDER**, who passed away one year ago, May 2, 1998:

We think of you in silence,
And often say your name,
But all that's left to answer us,
Is your picture in a frame,
We often look at your picture
And your smile seems to say,
"Don't grieve for me, I'm only
resting,
And you'll see me someday."

Deeply missed by Ervin
and family.

THANKS TO ST. JUDE

May the Most Sacred Heart of Jesus be worshiped, adorned, praised, glorified and loved throughout the world now and forever. Most Sacred Heart of Jesus, have mercy on us. Most Sacred Heart of Jesus, pray for us. St. Jude, Worker of Miracles, pray for us. St. Jude, helper of the helpless and hopeless, pray for us. (Say 9 times for 9 days).

Kewaskum Special Olympics Agency Earns Accreditation

MADISON - Special Olympics Wisconsin is proud to announce Kewaskum Special Olympics - 8-43 has been Accredited as an official program and earned the rights and responsibilities of training, competition and fund raising in the name of Special Olympics.

New this year, Special Olympics Wisconsin has formalized the Agency Accreditation process to ensure a standard of quality and uniformity among all programs within Wisconsin. An Agency must meet specific minimum standards in order to use the Special Olympics name and logo.

In turn, Special Olympics Wisconsin must submit an Application of Accreditation to Special Olympics, Inc., the governing body for Special Olympics worldwide, for which SOWI received the highest level approved status this past year.

Any individual with a cognitive disability, eight-years of age or older, who chooses to participate in Special Olympics in Wisconsin will be offered a quality experience, and members of the community can be assured their volunteer and financial support is going to a credible organization.

More than 220 local

Agencies in communities across the state are accredited to serve the 8,000 athletes with cognitive disabilities who train and compete in 16 team and individual sports year-round.

To get involved or for more information, please call Marilyn Krantz at 414-626-8427 or call the Program office at 1-800-552-1324 or visit at www.wiso.org.

TORNADO FACTS

Thunderstorms are classified as single-cell, multi-cell, or super-cell. Each "cell" contains an "inflow" updraft region and an "outflow" downdraft region. Updraft regions consist of moist, unstable, buoyant air rising upwards at speeds of 30 to 90 mph. Downdraft regions can consist of heavy rains, hail, poor visibilities and sometimes strong, damaging downburst winds of 100 mph or more. Supercell thunderstorms, characterized with one large, long-lived, dominant updraft are the most likely of the three types to produce a tornado, but do not always produce a tornado.

Worried About Y2K? Back Up Your Tax Records

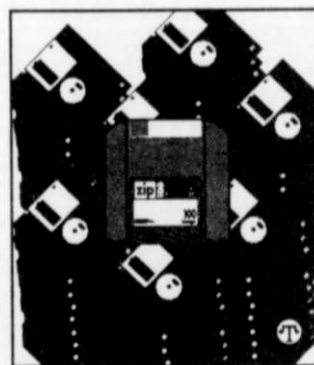

(NAPS)—Every month of the year can be a good time to keep track of your tax records.

Computers can help make this task easier. However, a mix-up or deletion of individual tax records is now one of Americans' top five worries, according to a recent survey asking about Y2K fears. Here are the top Y2K fears, together with the percentages of people who are very or somewhat fearful of them:

- Malfunctioning of nuclear power plants (54 percent)
- Mix-up or deletion of individual tax records (53 percent)
- Deaths from malfunction of computerized biomedical devices such as pacemakers (53 percent)
- Blackouts (53 percent)
- Bank machine cards not working (52 percent)

The fear of a mix-up or deletion of individual tax records is second only to the malfunctioning of nuclear power plants.

What can a taxpayer do? Experts say the best way to protect your important computer data is to back it up. Iomega offers Zip® and Jaz® disks and drives to back up floppy disks, hard drives or any important file. The 100 megabyte Zip disk holds the storage equivalent of 70 floppies.

Zip® 100MB disks can store as much information as 70 floppies and can be a backup for important tax information.

Zip disks have a five-year warranty. And while backing up files can't necessarily prevent IRS mix-ups, it can give peace of mind to those whose personal computers might be vulnerable to Y2K.

Survey interviews were conducted via telephone on March 4-7, 1999, among a random sample of 1,005 American adults. The margin of error is plus or minus three percentage points.

The survey was conducted by Roper Starch for Iomega Corporation, which manufactures and markets the award-winning Zip®, Jaz® and Klik!™ drives and disks.

Summer School Busing and Registration

Registrations for the Kewaskum School District 1999 Summer School Programs are due by Friday, April 30.

A wide variety of courses ranging from beginning guitar to advanced rocketry are available mornings from June 7 to July 2, as are sports specials and courses designed to improve basic skills. Classes will be held at either the high school or the middle school. Course fees for most classes are \$5.

This year, bus service is also provided before and after the morning sessions. Tuttle Creek Learning Center is also providing "Club Cool," a before and after school care venture (contact Audra or Shelly at Tuttle Creek Learning Center for costs and more information).

For more information about summer school courses and bus schedules, stop in at one of the district schools for a summer school bulletin, or call Ms. Eve Anthes at 626-2178 or Jim Botting at 692-9032.

TORNADO FACTS

An average of 21 tornadoes occur in Wisconsin each year, but some counties can have many tornado-free years in a row. An average of one person dies each year in Wisconsin from tornado-related injuries. Tornadoes have a circulation (rotating column of air) touching the ground. However, funnel clouds are defined as not touching the ground.

Our New Heil® Air Conditioner Sure Takes The Droop Out Of Summer.

Depend On Heil.

Summer heat really makes me droop. I used to get sent outside when I accidentally didn't notice I was chewing a shoe. Now that we have our new Heil Air Conditioner, I'd rather chill out than chew. With

Heil's hundred-year heritage of dependability, my family can count on quiet, efficient cooling year after year.

Thanks to our Heil Air Conditioner, I feel so good I could even frolic with the family. Well, that might be overdoing it.

Game Fish Season Opens May 1

MADISON - Anglers who are looking forward to the start of Wisconsin's general inland game fish season on Saturday, May 1, should find open waters in the north and excellent populations of walleye, bass and trout in many state lakes and rivers again this year, according to state fisheries biologists.

"The top story has to be walleye," says Mike Staggs, who directs the Department of Natural Resources Fisheries Habitat and Protection Bureau. "We have had several strong year classes since 1996 in many waters across the state which is now resulting in excellent walleye fishing."

Fisheries biologists are reporting that walleye populations are outstanding in the Mississippi and Wisconsin Rivers, the Lake Winnebago system, Green Bay and the Fox River, and many larger natural walleye lakes and flowages.

Anglers in the north must check for reduced daily bag limits on specific waters in the ceded territory due to Chippewa spearfishing declarations. The total daily bag limit for walleye statewide is five, whether taken on one lake or multiple lakes. Anglers are reminded to remove all fish from their boats before fishing subsequent lakes with restricted walleye bag limits.

Certain inland waters have special fishing regulations in place that differ from the statewide rules, so anglers should always check the regulation pamphlet for specific regulations.

BASS FORECAST STRONG

Bass anglers should also find excellent fishing opportunities during the coming season, most likely in response to the statewide minimum size limits enacted in 1989. Smallmouth are doing very well, particularly in larger rivers and Sturgeon Bay while largemouth populations seem to be doing well wherever there is good habitat, Staggs says. While the populations are

good, opening day fishing success will depend on how the weather cooperates.

In the southern zone, the season opens May 1 for largemouth and smallmouth bass with a 14-inch minimum size limit and a daily bag limit of five in total.

In the northern zone, the bass season opens for catch and release only on May 1. The harvest season for bass opens June 19 with a minimum size limit of 14 inches with a daily bag limit of five in total for largemouth and smallmouth bass.

Beginning this year, the minimum length limit for largemouth and smallmouth bass will also be 14 inches for Lake Michigan, Green Bay and their tributaries, with a daily bag limit of five in total. The season here also opens on May 1.

LOW WATER LEVELS PRODUCE TROUT PROSPECTS

Trout anglers may begin keeping fish on May 1, marking the end of the early catch-and-release trout season that opened statewide on March 1.

Anglers are likely to find good numbers of trout and most likely excellent fishing conditions.

"We've had good natural reproduction over the past several years, and our stocking levels, which were cut back in 1996-97 due to budget restrictions, have returned to normal," Staggs says.

Anglers should benefit from the low water levels in streams in central and northern Wisconsin as of mid-April because of a lack of rainfall over the past year. "While the low water makes for good fishing condition, anglers need to exercise restraint in catching and harvesting trout since they can be more vulnerable under low water conditions," Staggs says.

MUSKY, NORTHERN PIKE, PANFISH OPPORTUNITIES GOOD, TOO

The muskellunge fishing season also opens May 1 in southern waters (South of U.S. Highway 10) and recent successful stocking efforts should produce excellent fishing in the south. The muskellunge

fishing for all species to improve greatly."

Anglers and DNR conservation wardens have already reported an "outstanding" early season fishing for brown trout and good steelhead runs this spring.

Village Board Meeting Minutes

Regular Meeting
April 5, 1999
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. All Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Harry Roecker, seconded by Trustee Andy Pesch and unanimously carried by voice vote, the minutes of the March 15, 1999 meeting were approved as printed.

Mr. Michael Berger and Mr. Kenneth Bales of the New Fane Sportsman club were present to present a check to the Kewaskum Police Department Officer Thomas Bauer, the DARE officer, for \$1,000.00. The New Fane Sportsman have generously donated money to be used for the DARE Program in the past and want to continue to support those efforts. The Village Board extended their sincere thanks for their continued support.

Mrs. Jean Moe, Mr. & Mrs. Ray Mertz and Mr. Ron Schultz were present to ask the Village Board for some help in solving a water problem within the 1500 block of Riverview Drive. It was noted the rear yards of these residences, as well as those on the west side of Stark Street, are low causing water to pond. It was stated there is no catch basin in the area on Riverview Drive to move the water to the river at this time. The cost to install such a catch basin and line would be estimated at \$3,600. This would not cover the line nor cost of a catch basin to drain the rear yards; that estimate would be \$3,400. The line and catch basin on private property would need to be shared by the property owners equally. On a motion by Trustee Gary Gavin, seconded by Trustee John Kenworthy and unanimously carried by voice vote, the Board sent the matter to committee for review and a recommendation. The appropriate committee would be the public Works Committee.

A public hearing was held on the application of the Kewaskum Athletic Club, Inc., Kiwanis Park, Kewaskum, WI for a Class "B" Fermented Malt Beverage License for a period commencing April 17, 1999 and ending October 17, 1999. On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andy Pesch and carried by the majority call vote, the Board closed the public hearing. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

A public hearing was held on Ordinance No. 99-2 an Ordinance to Amend the municipal code to incorporate the ordinances as previously acted upon through 98-5 dated August 17, 1998. On a motion by Trustee Gary Gavin, seconded by Trustee Harry Roecker and carried by the majority roll call vote, the Board closed the public hearing. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

Director of Public Works, Jerry Gilles opened the sealed bids for the Skid Steer Loader as authorized and advertised as follows:

- GEHL - LCS, Contractor, Gehl 4635 SX, \$15,550.00;
- Farmers Equipment, Gehl 4835 SX, \$17,538.66, Gehl 5635 SX, \$19,010.00.
- John P. Lochen, Gehl 4835 SX, \$17,550.00
- Schraufnagel Implement, Gehl 4835 SX, \$18,750.00.
- NEW HOLLAND - Gellings Implement, New

- Holland LX 665, \$18,366.00
- F & I Equipment, New Holland LX 665, \$18,575.00
- Strupp Equipment, New Holland LX 665, \$18,950.00.
- CASE - Miller-Bradford & Risberg, Case 1840, \$20,885.00
- BOBCAT - St. Lawrence Equipment, Bobcat 773, \$16,590.00
- JOHN DEERE - Serwe Implement, John Deere 240, \$20,500.00

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Warren Dums and unanimously carried by voice vote the bids were turned over to the Director of Public Works for review and a recommendation.

Fire Chief Mark Groeschel presented the March 1999 report: Fire calls, 5, year to date, 8; Jaw, 4, Year to date, 5; Rescue calls 23, Miles, 464.

Chief of Police Richard L. Knoebel reviewed with the Board the Annual Report of the Kewaskum Police Department.

SUMMARY

- 1) Total index crimes, those reported to the State on a monthly basis, decreased 9% in 1998.
- 2) During 1998, all crime rates in the Village were considerably less than both those in comparable cities/villages and those of the entire state.
- 3) During 1998, 20 of 71 or 28% of reported index crimes were cleared by arrest. While this 1998 clearance rate is slightly more than the statewide clearance rate of 27.4% and less than the 1997 Kewaskum clearance rate of 43.6%
- 4) Total adult arrests increased by 13% from 299 in 1997 to 340 in 1998.
- 5) Total juvenile arrests decreased by 17.8% from 241 during 1997 to 198 in 1998.
- 6) The property recovery rate for Kewaskum of 23.9% is both less than its 1997 recovery rate of 90.8% and the 1997 statewide recovery rate of 55%.
- 7) There were a total of 394 traffic citations issued in 1998, while there were a total of 1,766 traffic warnings given during the same period. That is one citation issued for approximately every 5 vehicles stopped by the Kewaskum Police Department in 1998.
- 8) The Kewaskum Police Department handled 1,924 complaints in 1998 compared to 2,018 in 1997.
- 9) The Kewaskum Police Department patrolled a total of 66,267 miles in 1998.

Discussion on the possibility of hiring an additional police officer was held. On a motion by Trustee Gary Gavin, seconded by Trustee John Kenworthy and unanimously carried by voice vote, the Board directed the Police Chief to actively pursue the hiring of an additional officer upon completion of having the Police Commission establish an eligibility list. Also it was so noted that the Chief pursue grant money for the cost of adding the additional officer.

Director of Public Works, Jerry Gilles informed the Board of the following:

- 1) Reported that spring clean - up is scheduled for April 24, 1999 from 9:00 a.m. to 2:00 p.m. On a motion by Trustee Gary Gavin, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote the Board directed the placement of the advertisement for the Spring Clean Up.
- 2) Reported that the tree sale is to be scheduled for April 30, 1999 from 2:00 to 5:00 p.m. and on May 1, 1999 from 9:00 to 11:00 a.m. On a motion by Trustee John Kenworthy, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board agreed to keep the cost of said trees at \$1.00 each.
- 3) The Board was informed the last order of street signs has been delivered and installation has begun. It was suggested that the village sell the old street signs in con-

junction with the tree sale at a cost of \$4.00 each on a first come first serve basis. On a motion by Trustee Gary Gavin, seconded by Trustee Warren Dums and unanimously carried by voice vote, the Board authorized the sale of the street signs in conjunction with the sale of the trees at a cost of \$4.00 each on a first come first serve basis. Administrator Daniel S. Schmidt reviewed the following with the Board:

- 1) Review of Mid-Moraine, League and Taxpayer bulletins.
- 2) The date for the Assessor Open Book is scheduled for April 21, 1999 from 1:30 p.m. to 6:30 p.m. at the Municipal Building. Also the date for the Board of Review is scheduled for May 10, 1999 from 12:30 p.m. to 4:30 p.m.
- 3) Reported that the village has been informed by the DOT that STH "28"/Main Street is scheduled for resurfacing, etc. in the year 2004. It was further noted the County has CTH "S"/Riverview Drive scheduled for resurfacing/rebuild in the year of 2004. This would be a costly project for the Village because of the need to replace the water, sewer, curb/gutter and sidewalk from Main Street to the village limits.

On a motion by Trustee Gary Gavin, seconded by Trustee Andy Pesch and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General	\$ 164,708.00
Sewer	147,086.23
Library	2,556.89
Water	44,873.34
Payroll	46,644.82
TOTAL	\$ 405,869.28

Trustee Harry Roecker,

Chairman of the Protection and Public Safety Committee announced a request from the EDAC to review the intersection of Main Street and Parkview Drive; also the possibility of placing a 15 minute parking limit on the three parking stalls in front of the U.S. Post Office.

Trustee John Kenworthy, Chairman of the Park & Recreation Committee reported the village had a great response regarding the management of the Youth T, Rubber, Soft and Hard ball play for the summer. He thanked everyone that has shown an interest in the youth of the community.

On a motion by Robert Stoltzmann, seconded by Trustee Harry Roecker and carried by the majority voice vote, the Board authorized proceeding with the installation of the Boat Fountain within the swim pond at an estimated cost of \$2,100.00. Trustee Gary Gavin voting "Nay."

The Plan Commission Representative Warren Dums reported that at the meeting of March 23, 1999 the Commission recommended the zoning change from B-2 to B-3 on the lot located at 1224 Fond du Lac Avenue. The public hearing is scheduled for April 19, 1999 at 8:00 p.m. along with the request for a conditional use permit for the lot located at 1031 Fond du Lac Avenue.

The Library Board Representative Trustee John Kenworthy reported that the Library Board did not meet for lack of a quorum and another meeting date would be set.

Library Board Representative Trustee John Kenworthy announced the next meeting of the Library Board for Wednesday, April 14, 1999 at 7:00 p.m.

Trustee Robert Stoltzmann, the Board's Mid Moraine Municipal Associations Legislative committee

representative reported that a meeting was scheduled for April 14, 1999 at 7:00 p.m. in the West Bend City Hall.

Administrator Daniel S. Schmidt reviewed the relief sewer project close out with the Board. Discussion was held on the need for an additional catch basin on the south side of Main Street just east of the railroad ROW. The estimated cost of the additional basin is \$3,600. On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andy Pesch and unanimously carried by voice vote the Board directed the installation of the needed catch basin.

It was noted the driveway DOT permit has not been returned as of this date.

On a motion by Trustee Andy Pesch, seconded by Trustee Warren Dums and unanimously carried by voice vote the Board authorized the advertising for bids for the asphalt work for 1999 construction season.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andy Pesch and carried by majority roll call vote, the Board approved the application of the Kewaskum Athletic Club, Inc., for a Class "B" Fermented Malt Beverage License for the period commencing April 17, 1999 and ending October 17, 1999, upon payment of fees. The Police Department had no objections to the application. Roll call vote was 7 "Aye," 0 "Nay," 0 "Absent."

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andy Pesch and unanimously carried by voice vote, David Donath was appointed as the agent for the aforementioned.

Action was taken on Ordinance No. 99-2 An Ordinance to Amend the Municipal Code to Incorporate Those Ordinances Adopted Through Ordinance No. (Continued on Page 14)

Making Use of Your Yard Waste

Composting is perhaps the best way to transfer this summer's yard and garden waste into soil fertilizer for next summer.

Compost is an ideal soil amendment for gardens, flower beds, shrub areas, and potting soil. A variety of lawn, garden and home waste materials will produce excellent compost.

These materials include grass clippings, leaves, manure, straw, hay, sawdust, shredded newspaper, hedge clippings, and plant refuse (if it is not diseased). Wood ashes are not recommended because they act as liming agents in the soil and soils in this area already have a high PH (alkaline). Most home garbage may be used in the compost heap with the exception of grease, fat, meat scraps, and bones. These may attract animals and develop an odor during decomposition.

To begin your compost pile, provide an enclosure to hold the materials in place. Make the bin a workable size and height. A three to five foot circular or rectangular bin which is four to five feet high is best. Chicken wire or snowfence make ideal construction materials since they allow good air circulation through the pile.

If you have the room, build two side-by-side bins. Two bins permit turning compost by moving it from one bin to the other.

The pile may be started directly on the ground if your soil is well drained. Spread a six to ten inch layer of organic matter in the bin, usually putting your coarsest material on the bottom. Moisten, but do not soak, the layers of organic material.

Over the layer of your composting material, sprinkle a complete garden fertilizer such as 10-10-10, about one cup for each 25 square feet of surface area. Mixing fresh grass clippings in with the compost often provides the needed nitrogen.

Next, add a layer of soil one to two inches thick. The soil contains micro-organisms necessary for decomposition. A layer of finished compost from the prior year may be substituted for the soil. Continue alternating these layers until the pile reaches a maximum height of five feet. Moisten each layer as needed.

Proper care of the pile is

essential to insure successful compost. Turning or mixing the pile periodically is necessary. During warm weather, turn every one to two months. In the winter, little decomposition occurs, so turning is not necessary. During excessively heavy rainfall, the pile should be covered with plastic to avoid soaking.

About a month after starting the pile, it should be hot in the center. The temperature should reach between 140 and 160

degrees Fahrenheit. This will kill off many, but not all, weed seeds and plant diseases. The heat indicates proper decomposition. Failure to heat may be a result of too much water, improper aeration, too little nitrogen, or too small of a pile.

The compost will be ready to use in 8-12 months. The pile should shrink to about half of its original height. The finished compost will be dark and

crumbly and have an "earthy" smell. Compost should be used as soon as possible to prevent excess nitrogen loss. Apply a one to

three inch layer of compost over your garden soils and work it into the underlying soil with a spading fork or rototiller.

Indian Golfers Win Second Tournament Title

On Saturday, April 24th, the Kewaskum High School boys varsity golf team competed in the First Annual Washington County Invitational Golf Tournament at the Washington County Golf Course.

The Indian linksters participated with the six other high school golf teams from throughout the county on the recently created championship course outside of Hartford. Each team was comprised of eight players who completed 18 holes on a warm, sunny beautiful day in late April.

The tournament started with all foursomes teeing off from hole number one, between 10 a.m. and 12 noon and proceeding through all 18 holes and concluding at approximately 4:30 p.m.

Each of the 56 golfers recorded their first nine hole score at the turn, enjoyed a meal and then continued onto the next nine. After all completed rounds were recorded and tallied, the team and individual awards were presented to their respective recipients.

The top seven scorers were awarded with medals and the first place team received a traveling trophy. Medal recipients were based upon the individuals total score of both nines, whereas the team score was the total of the top seven

scores of each team. Therefore, the final outcome was in doubt until the last scores were recorded and totaled.

After all the competitors concluded their first round (nine), the Kewaskum Indians held a slight 304 to 306 lead over West Bend West. All the other teams scores ranged from the 320's through the 330's. The stage was set for an exciting, interesting and close finish.

The interesting aspect was that both teams were led by team members not accustomed to leading their respective teams, much less the tournament overall. Kewaskum's No. 4 rated golfer, Todd Wright, and West Bend West's No. 7 seeded player Zach Engelking both shot an opening round score of 39 to lead all linksters at the turn.

Both teams' top players were struggling but were being bolstered by several surprising scores by rather unsuspecting underclassmen. KHS sophomores Josh Stangl and Jon Boedeker had registered solid rounds of 42 and 43 to help establish an early Indian advantage.

As the tournament progressed, it became more and more obvious that the lead changed with every score reported. Thus, the exciting

and nervous outcome was building with each individual 18 hole total tallied. Especially since Todd Wright was unable to maintain his early round success. Other team members were going to have to finish strong, in order for the team to sustain their first round advantage.

Curt Koth, Jon Boedeker and Jerod Lecher all improved upon their initial nine whereas Shaun Timblin, Jeff Taylor, Ricky Lettow and Josh Stangl, all held their own. Thereby the Indians were all able to hold their slim margin over the Spartans of West Bend West.

At the conclusion of the tournament, all the team scores were announced and posted, with the Kewaskum

Indians claiming the First Ever Washington County Golf Tournament title over West Bend West by the final score of 632 to 636.

However, there was a tie for medalist honors between Hartford's Craig Tautges and Kewaskum's Jon Boedeker. The result was a playoff dominated by the accurate play of the Indian sophomore sharpshooter, who parred the pressure-packed playoff on Hole No. one to win the No. One Medal.

Team Results: First, Kewaskum - 632; Second, West Bend West - 636; Third, Germantown - 639; Fourth, Hartford - 644; Fifth, Kettle Moraine Lutheran - 645; Fifth, West Bend East - 645; Seventh, Slinger - 659.

Horsin' Around Again for American Heart Association

Horse lovers saddle up, enjoy the beautiful Kettle Moraine scenery and help your own heart, as well as the hearts of others. Saturday, May 15, marks the fifth anniversary of the American Heart Association's Horsin' Around Again fund raising event.

This year the event will start and finish at the YMCA Camp Matawa, N885 Youth Camp Road, Campbellsport. Registration will begin at 9:30 a.m. and the ride will start at 10:30

a.m.

Riders must gather \$50 in donations and saddle up their own horse. Participants will need to provide a copy of a negative Coggins test for their horse and purchase a 1999 State Park admission sticker and a trail pass. The admission sticker and trail pass will be available at the event.

All riders who raise a minimum of \$50 in donations will receive lunch and a Horsin' Around T-shirt. Treats are also provided for the horses. The rider who

raises the most money in donations will receive the grand prize, a top quality Western saddle. The grand prize winners for the past two years raised more than \$1,000. Prizes will also be awarded to the club with the greatest number of participants.

In order to guarantee that you will receive your colorful T-shirt, an early incentive prize on the day of ride, please register by May 8. To register, please call Carol Hill at the American Heart Association 1-800-242-9236 or call Gloria Hemaer, Area Director for the American Heart Association at 1-414-306-0740 for more information.

Nationwide Pet Adoptathon

Thousands of animal shelters across the country, including the Washington County Humane Society, are taking part in a nationwide Adoptathon. WCHS is extending its viewing hours on Saturday, May 1.

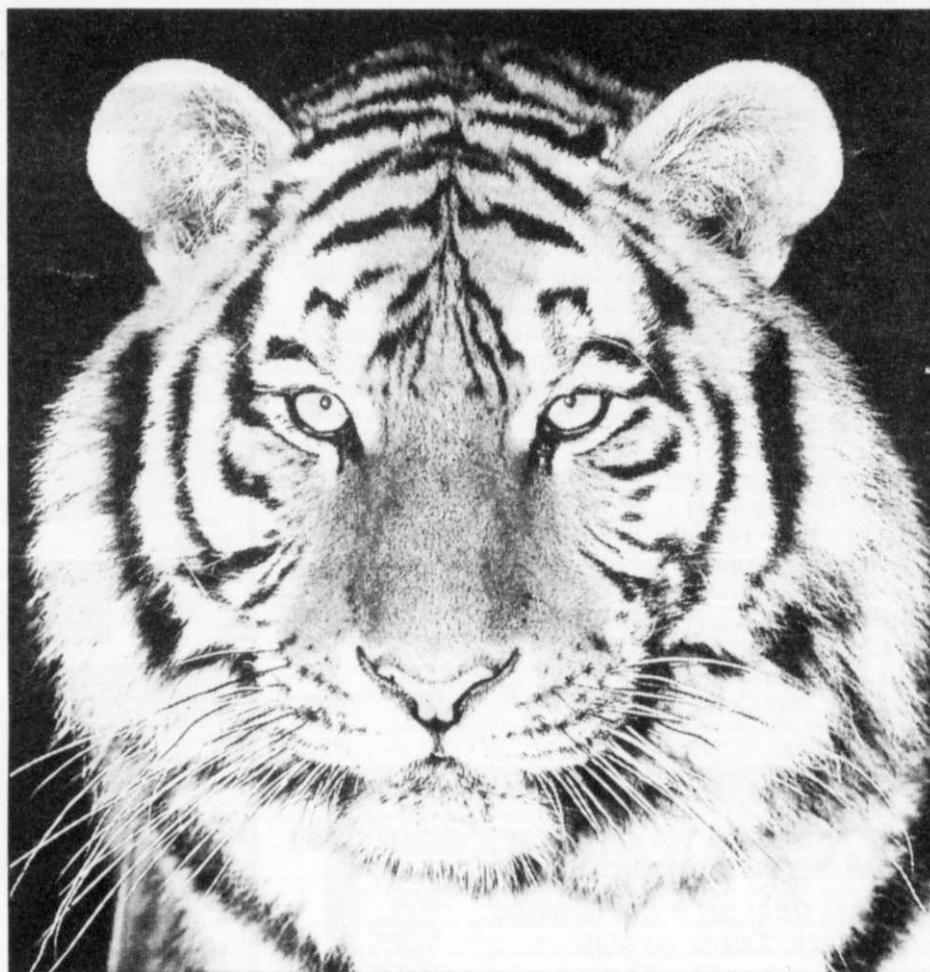

They will be open and ready to show animals beginning at 10 a.m. and will be on hand to make the perfect match for your family until 6 p.m.

The shelter's goal is to

find a loving home for each homeless animal available for adoption at WCHS. The Humane Society is located at 3650 Hwy. 60, between Slinger and Jackson, so stop in and see if your next family member is just waiting there for you. If you have any questions, please contact the shelter at 677-4388.

The man who found the gold at Sutter's Mill in California in 1848, which started the Gold Rush of 1849, was James Wilson Marshall. He and Sutter lost all claim to the gold they found and Marshall died poor in 1885.

In the eye of the tiger.

The building world may be a jungle . . . but all the creatures are not equal.

Now, as always, it is ruled by those who are swifter, smarter, and stronger.

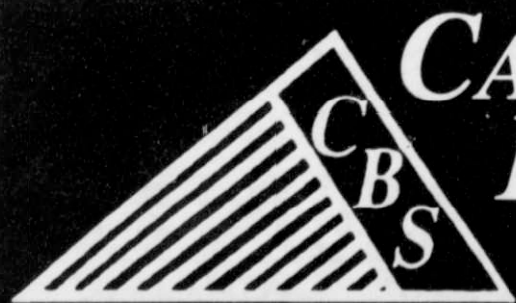

Proud to be locally owned and independent, Campbellsport Building Supply meets the needs of the tigers, and has done it with roaring success.

We do whatever it takes to protect our territory – the Kettle Moraine – working relentlessly to ensure your project does not run wild.

At Campbellsport Building Supply we keep our competitors at bay by providing top quality products and service to our customers at cut-throat prices . . . all because we want the lion's share of the Kettle Moraine area business.

Small wonder that more and more building projects are being supplied by Campbellsport Building Supply.

We want your business.
