Places Third at Wisconsin Twilight Classic

Lynn Drops Over 28 Seconds to Surpass Automatic Qualifying Time for Nationals

MADISON - Marni Lynn, a sophomore at Carroll College in Waukesha, ran a career best time of nine minutes and 49.18 seconds (9:49.18) in the 3,000m run Saturday, May 1, at the Wisconsin Twilight Classic. The meet was held at the Dan McClimon Memorial Track on the University of Wisconsin-Madison campus.

Lynn, a former Kewaskum High School standout, lowered her previous best time of 10:17.59 by 28 seconds, that she had run just one week earlier at Carthage College on Saturday, April 23.

Lynn set a fast pace and led the first two laps of the 7-1/2 lap race. The UW-Madison coach yelled to his runners to "let her go," and they did as Lynn opened up a 10-15 meter lead on the entire field. Slowly the field caught up to Lynn, and three runners passed her

during the third lap.

Lynn continued to work hard as the two runners pulled away from her and the third place runner. The two leaders opened up a lead of 15-20 meters that eventually increased to 40-50 meters. Lynn stayed in fourth place on laps 4-6 and kept pace with the third place runner who also was trying to catch the leaders.

With 1-1/2 laps to go, Lynn started her drive to the finish by picking up the pace and passed the third place runner with one lap to go. Lynn finished strong, and her third place time of 9:49.18 easily surpassed the automatic qualifying standard time of 10:10.24.

Erin AufderHeide of the University of Wisconsin-Madison won the race with a time of 9:43.26, and Cherisse Lancaster of Northwestern finished exactly one second behind

with a time of 9:44.26. Lynn finished third, and Sho Krueger of the University of Wisconsin-Madison finished fourth with a time of 9:51.18.

After the race, Marni's distance coach, Sarah Thomas, provided the following: "Marni is one of the strongest runners our team has ever had. She is one of the few that go out as fast as they can and continue it throughout their whole race. There is no pace for this girl. She dropped 28 seconds in one week and she still has three more weeks to go!" (The NCAA Division III National Track and Field Championships will be held on May 20-22 at Baldwin-Wallace College in Berea, Ohio).

Lynn's time also smashed the Carroll College school record of 10:16.4 set by Carrie Grace in 1987.

As of April 30, Lynn was

ranked 25th in the nation in Division III in the 3,000m race. The number one time in the nation was 9:54. Lynn's time on Saturday, May 1, moves her up to the number one ranking in the nation in Division III. Lynn also has the number one ranking in the 1500m as of May 4 rankings, at 4:32.16.

After the race, Lynn was asked her thoughts about the race. "I was trying to stay with the Wisconsin girls after they passed me. I planned on hopefully going under 10:10, which is the automatic qualifying time for the 3,000 meter race, and eventually under 10 minutes flat, so I was really excited to do both on the same night," replied a pleased Marni Lynn. Later Lynn was asked what races she thought she would be running at Nationals. "I am tentatively planning on

KHS Honors Ceremony May 12

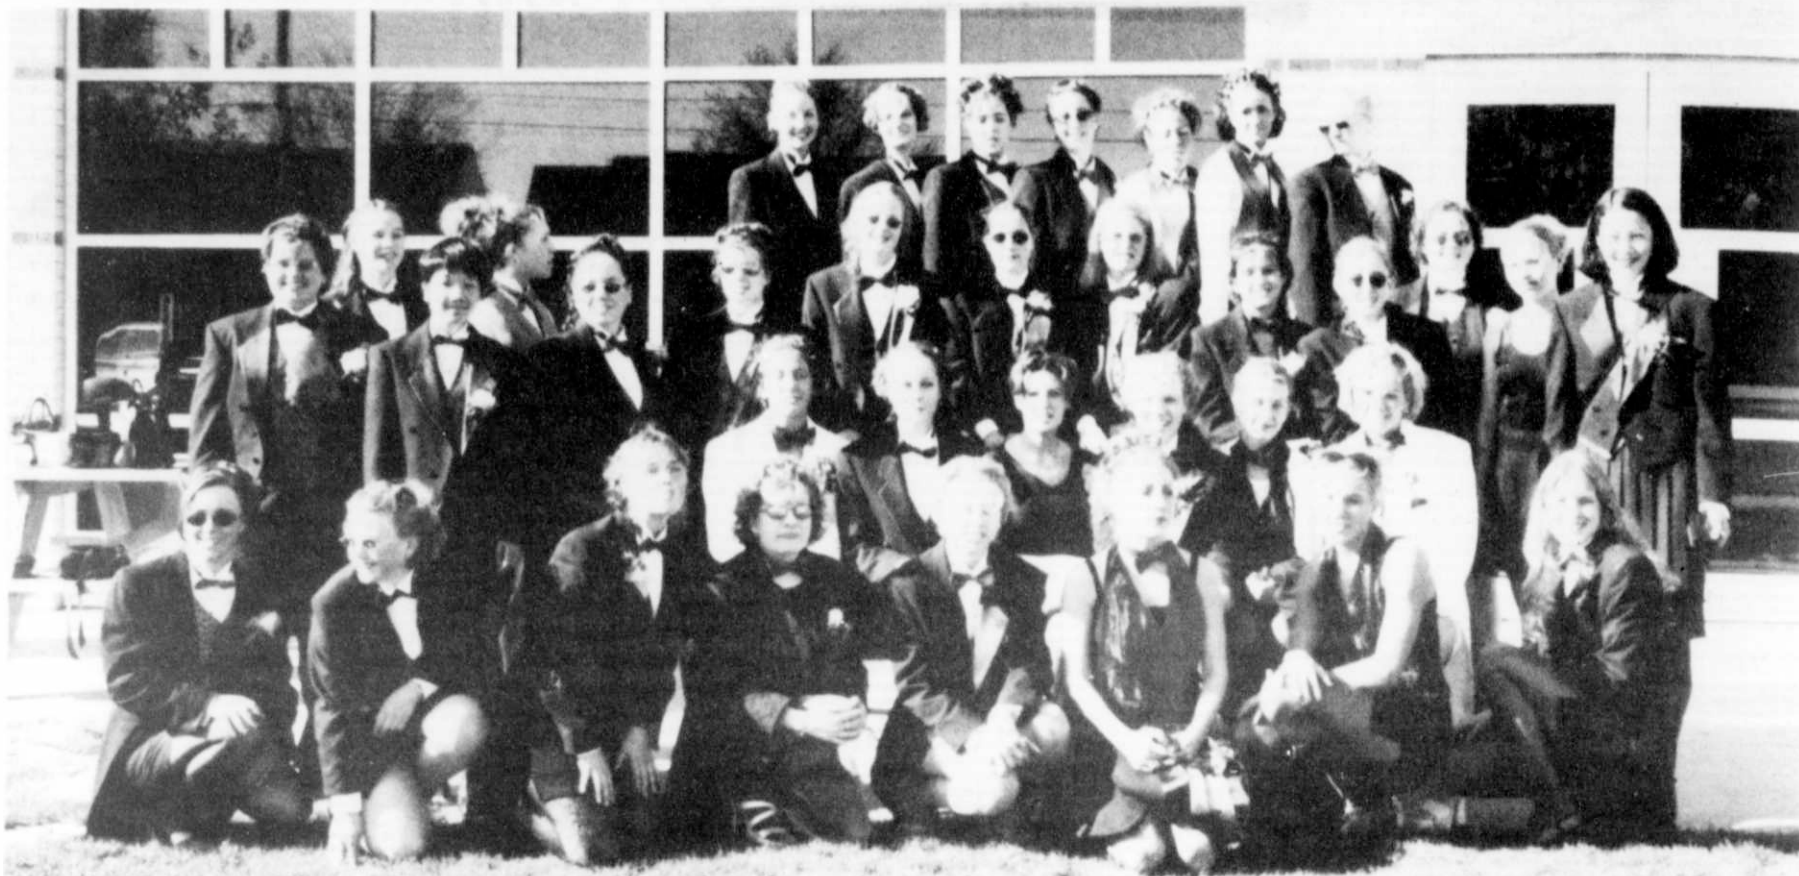

Kewaskum High School will be holding their 14th Annual Honors Ceremony on Wednesday, May 12, at 7 p.m. in the high school cafeteria.

Students will be recognized for their accomplishments and honors for the 1998-99 school year. This year, in excess of \$80,000 will be awarded in the form of scholarships to graduating seniors.

Refreshments will be served following the ceremony. The public is invited.

(Continued on Page 3)

The senior girls looked pretty sharp all decked out in their "tux" rented for the prom.

Ann Neumann Photo

In keeping with tradition, the senior boys arrived at the prom in style, commandeering lawn tractors of all sizes and styles. Following the "parade" to the high school, the guys held a "tailgate" party in front of school, complete with burgers, brats and a keg of root beer. Rumor has it that the par-

ticipants also spent vast amounts of money on their prom attire, some costing as much as \$5.00. (Well, at least it went to a good cause!) All who attended had a fun and SAFE time.

Statesman Photos by Andrew Kuehl

Shown in the photo to the left, senior "chauffeur" Shaun Timblin provides a "stylish prom ride" to the front door of high school to fellow seniors Jason Butschlick, left, and Chris Spears, right. Great garb, guys!

Kewaskum Fire and Rescue Squad Calls

Tuesday, April 27 - The Kewaskum Rescue Squad, Kohlsville First Responders and the Jaws of Life answered a call to a motor vehicle accident in the Town of Wayne at 8:40 a.m. A male patient was transported to St. Joseph's Community Hospital, West Bend, for treatment of injuries received. The Jaws was not utilized.

Friday, April 30 - The Kewaskum Fire Department was summoned to a village of Kewaskum business for an activated sprinkler system. Firefighters were at the scene for approximately one hour.

Friday, April 30 - The Kewaskum Rescue Squad was dispatched to Kewaskum High School at 2:36 p.m. for a male patient who was injured. The patient was transported to St. Joseph's Community Hospital, West Bend.

Saturday, May 1 - Mutual aid was requested by the Eden Fire Department from the Kewaskum Fire Department at 12:59 p.m. Firefighters were at the scene for approximately one-half hour.

Sunday, May 2 - The Kewaskum Rescue Squad was summoned at 5:50 p.m. in the Town of Auburn for a male patient who was injured in a motor scooter accident. The patient was transported to St. Joseph's Community Hospital, West Bend, for treatment of injuries he suffered.

Letters to The Editor

Dear Editor:

The recent incidents of youth violence in Colorado and Alberta, Canada, combined with those in Kentucky, Mississippi and Oregon demonstrate that this kind of tragedy can happen anywhere. The statistics suggest that youth violence, including school violence, has actually declined. Yet, even one incident that involves children, teachers and other school staff is one too many.

In the rush to understand why these things happen and to do something to prevent more tragedies, some will focus on access to guns, others address parental involvement, school security, the Internet, video games and the media's responsibility. It is unlikely that a single factor causes these things to happen. It is important that we not lose sight of the fact that developing youth who are physically and emotionally healthy and involved in constructive activities in their community is the best form of prevention.

United Way, through our family of member agencies, has been involved in healthy child, youth and family development since we began our efforts in Washington County in 1936. Currently, 21% of funds raised by the United Way of Washington County are distributed for 12 programs under the umbrella of "youth assistance." These

programs include scouting, at-risk youth being matched with adults, restitution services, teen volunteers, programs for runaway youth and those who've lost a parent through death, abandonment or divorce.

Thanks to everyone in the Washington County community for their generous support of United Way. We, as a United Way, are part of the solution -- and the individuals and business donors who financially support the United Way are part of that "we."

Barbara Hurula
United Way
Executive Director

Be Kind to Animals Program At Library

Mrs. Dale Stock from the Washington County Humane Society will be presenting a "Be Kind to Animals" program at the Kewaskum Public Library on Wednesday, May 12, at 11:30 a.m.

This program will focus on responsible pet care and bite prevention. She will even bring in an animal for the children to see! This will be held in conjunction with the regular Half-Pint Storytime in the children's section of the library.

All preschool and kindergarten students, age 3 and up, are invited to attend.

Lynn

(Continued from Page 1)

doing the 1,500m and the 3,000m races at Nationals," she reported.

Lynn has now automatically qualified in both the 1,500m and 3,000m races and provisionally qualified in the 800m run.

The next meet for Lynn and the Carroll College

Pioneers is their Midwest Conference Championships on May 7 and 8, at Monmouth College in Illinois. Lynn is tentatively scheduled to run the 1,500m at 2 p.m. on Friday and the 5,000m at 12:30 p.m. The 800m will be run at 1:55 p.m. and the 3,000m run at 2:45 p.m. on Saturday.

Good Luck Marni!

"I know it's not unusual for kid's to move back in with their parents. But it isn't usually because their Social Security won't cover their rent."

This beautiful little girl turned out to be the world's most beautiful mother and grandmother.

First Holy Communion Held at Holy Trinity

A class of 44 boys and girls from Holy Trinity Catholic Church received their First Holy Communion during the 5 p.m. Mass on Saturday, May 1, and the 11 a.m. Mass on Sunday, May 2.

The following children received their First Communion on Saturday: Tyson Baughman, Jacob Dickmann, Erika Esser, Kelsey Guth, Shannon Hanrahan, Jamie Lesch, Jeremy Neuenfeld, Andrew McDonald, Joshua Mueller, Melissa Prunty, Matthew Prunty, Heather Schaller, Amanda Schneider, Jared Thull and Benjamin Wade.

The following children received their First Communion on Sunday: Zachary Amerling, Brian Backhaus, Wynelle Baum, Kevin Beck,

Brandon Bournelis, Nathan Bowers, Ross Cain, Jocelyn Chambers, Richard Clark III, Nicholas Faber, Alex Fellenz, Danielle Fleischman, Anna Gitter, Ashley Grauden, Michael Herriges, Tanya Hesprich, Jordan Hoss, Michael Korth, Jacob Loof, Sean Olig, Kathryn Peters, Eric Sabel, Darrell Schraufnagel, David Spang, Emily Tessar, Trevor Timblin, Tricia Timmers, Alex Tischendorf and Matthew Whatley.

Most of today's worries are like puddles; tomorrow they will have evaporated.

Infants Baptized At Holy Trinity

April baptisms at Holy Trinity Catholic Church included the following:

Baptized on April 11-- Mason Michael, son of Craig Amerling and Maranda Braun; Angel Lyn, daughter of Tamela Bath and Rirneo Maendoza and Zachary Robert, son of Douglas and Katie Geidel.

Baptized on April 18 -- Mikaela Rae, daughter of Brian and Rebecca Leitheiser and Blake Henry, son of David and Susan Lorenz.

Prehistoric people obtained iron from meteorites. In several early languages, the word for iron meant metal from the sky.

BIRTH

SEMERAD -- A son, Parker Lee, born to Mike and Jill on Friday, April 23. He joins his two year old brother, Spencer, at their home in West Bend. Maternal grandparents are Lee and Barb Schmidt of Kewaskum. Paternal grandparents are Len and Marlene Semerad of Germantown. Great-grandparents are Sylvester and Margaret Kreuser of West Bend; Augie Koch of Kewaskum; Alvin Schmidt, of Cascade.

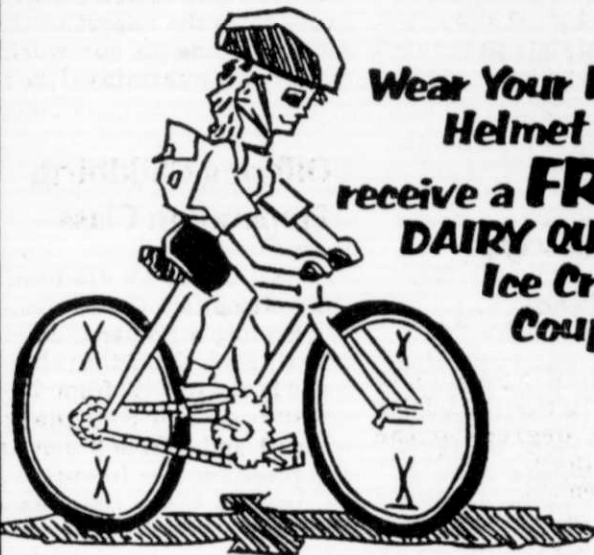

NOTICE HYDRANT FLUSHING Kewaskum Water Utility

The Village of Kewaskum Water Utility will be flushing hydrants for routine flushing of water mains and the exercising of fire hydrants Tuesday, Wednesday, and Thursday, May 11, 12 and 13.

Village of Kewaskum water users may need to exercise caution washing white clothing or other activities where possible iron content could cause stains.

Uhlman Attends National Mathematics Conference

Erv Uhlman, Kewaskum Middle School, joined more than 18,000 mathematics educators from around the country for the 77th Annual Meeting of the National Council of Teachers of Mathematics, which took place April 22-24 in San Francisco, California.

The meeting featured more than 1,200 sessions addressing diverse topics and key issues affecting mathematics education, Julian Bond, board chairman of the National Association for the Advancement of Colored People and a civil rights activist, presented the keynote address. In

addition, NCTM President Glenda Lappan addressed the meeting participants and discussed ways to develop high-quality mathematics programs.

The program also featured a special strand of international speakers, representing countries such as Australia, France, Singapore, Japan and the United Kingdom, to name a few.

Each year, NCTM's annual meeting is held in April during Mathematics Education Month. Mathematics Education Month celebrates the impact mathematics has on our world and our everyday lives.

NCTM's World's Largest Math Event is the highlighted event of Mathematics Education Month and took place April 30. More than a million participants engage in challenging problem-solving situations that illustrate the many different aspects of mathematics.

For more information about NCTM and mathematics education, contact the Member Services Department, 1906 Association Drive, Reston, VA 20191-1593; phone (703) 620-9840, ext. 2113; or e-mail infocentral@nctm.org.

With more than 110,000 members and more than 250 Affiliated Groups, NCTM is the world's largest organization dedicated to improving mathematics education in grades K-12. The Council's "Standards" documents are guideline for excellence in mathematics education and issue a call for all students to engage in more challenging mathematics.

NCTM is dedicated to ongoing dialogue and constructive discussion with all stakeholders about what is best for our nation's students.

Offering Childbirth Preparation Class

St. Joseph's Community Hospital of West Bend is holding a prepared childbirth class Tuesdays, May 4, 11, 18 and 25 from 7 to 9:30 p.m. and Saturdays, May 1 and 8 from 9 a.m. to 1 p.m. in the hospital's fourth floor east conference room.

Classes provide information to help parents make informed decisions for the last trimester of pregnancy, labor and childbirth. Topics discussed include nutrition, common discomforts of late pregnancy, labor and delivery, cesarean birth, what to expect in the hospital, emotional aspects, newborn characteristics and basic infant care. Each class includes practice in relaxation and breathing patterns that are helpful for labor and delivery. Expectant parents also tour the New Life Center.

The fee is \$30 per couple. To register or for more information, please call the hospital's Class Connection Line at 306-7888.

TORNADO FACTS

Most tornadoes are found in, or very near a rotating "wall cloud," on the south or southwest side of a thunderstorm. The wall cloud is a distinct lowering of the rain-free (or almost rain-free) base of a thunderstorm. The rain-free base is found in the updraft (inflow) portion of a thunderstorm. Tornadoes possess a rotating updraft. If you can locate the inflow region of a thunderstorm, you've located the potential "hot spot" should a tornado develop.

NEWS NOTES

REMINDER TO ALL VILLAGE RESIDENTS

Please refrain from putting foreign objects, such as wood, scrap metal, etc., among your recycling items. You are also asked to bag your recyclable newspaper items either in a brown or plastic grocery bag or bundle and tie them to prevent papers from blowing into the street. Cardboard should be bundled and tied in 2 foot by 2 foot pieces. Failure to comply with these requirements may result in items remaining at the curb.

Thank you for your cooperation.

Weekly Meeting of Separated, Divorced

The Washington County separated, divorced and widowed men and women support group meets weekly every Friday from 7:30 to 9:30 p.m. at the Holy Angels Church basement in West Bend.

Their purpose is to provide a means to share ideas, concerns, support, fellowship and love from a Christian perspective. There are guest speakers, panel discussions, small group sharing and other activities.

The group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

On May 7, the topic will be "Moving Through Loss" with Marty Guarino, Bereavement Group Facilitator. There will be a board meeting before the general meeting.

A pot luck dinner will be held on Friday, May 14. Bring a dish to pass.

Pesch - Stepaniuk

25 Years Ago

April 12, 1974

Mary Pesch and Steve Stepaniuk have become engaged.

Parents of the couple are Dianne and Andrew Pesch of Kewaskum, and Barb and Vic Stepaniuk of Mukwonago.

Mary is employed as a

receptionist at Margi's Pet Resort in Fond du Lac. Steve is employed as a tool and die maker at TDC in Armstrong.

The couple is planning an October 8, 1999 wedding.

Village-Wide Rummage Sale Set for May 29

The Kewaskum Area Chamber of Commerce will once again be sponsoring the annual village-wide rummage sale on Saturday, May 29, from 8 a.m. to 5 p.m.

The Chamber is urging all Kewaskum residents to hold their rummage sales on this date as this will be the only community-wide rummage sale being held this year.

Village residents, area residents, businesses and civic groups from the community are also encouraged to participate by offering sales on rummage, merchandise, food and refreshments, just like the "good old days" when Kewaskum was "jumping" during the annual Krazy Daze event and people came from near and far to enjoy the day and share in Kewaskum's "gemuetlichkeit."

Participants may advertise their own rummage, sales and food specials, (and the location of the same) however, the Chamber of Commerce will be advertising the event in local newspapers and radio.

There will be no sale fee charged to those who choose to participate and there will be no community maps showing the location of area sales, therefore you are urged to put up signs and publish your own event.

For further information about the community-wide rummage sale, please call the Kewaskum Area Chamber of Commerce at 626-3336.

Unlike many other instruments which can be tuned, no two cymbals sound exactly alike.

Newspapers Added to Lakeview Community Library

The Lakeview Community Library now owns the Sounder on microfilm through 1986. This microfilm was purchased with funds provided by in memory of Clarence Hammen and by a gift from the staff of the library. The library now owns microfilm of the Random Lake Times from 1918 to 1975 and the Sounder from 1975 - 1986.

The library also now subscribes to the daily Wall Street Journal with funds provided as a gift from William Berry. The Lakeview Community Library would like to thank Badger Tag and Label for their support in providing back issues of the paper in the past.

TORNADO FACTS

Peak tornado season is May through August, but tornadoes have occurred in every month but February. Most tornadoes occur between noon and 9 p.m. with 5 p.m. a favored time. Most tornadoes travel southwest to northeast or west to east at speeds of 20 to 40 mph and persist for less than 10 minutes with a path length of less than five miles.

Deborah Behnke, Kewaskum, is currently traveling in the Soviet Union on a University of Wisconsin educational tour. Deborah is a sophomore at the University of Wisconsin-Platteville, majoring in criminal justice. She is one of 15 students from UW-Platteville who are participating in this tour.

A brief School Board meeting was held Wednesday, April 3, to canvass election results. Richard Theusch and Thomas Gundrum received the most votes and will begin new three year terms, following the annual meeting in July. At the meeting the Board also gave approval for plans for the new high school gym and shop additions. The new gymnasium is designed to seat 500 immediately with a possibility for expanded seating in the future.

Regional forensics competition was held Saturday, March 30, and as a result of the competition, three Kewaskum High School students will be going on to state competition later this month. Kewaskum had eight at the regional and Rick Edwards in public address, Deb Strigenz in significant speech, and Vivian Schacht in prose, all received A's which qualify them for a trip to Madison on April 27. The B winners were Cheryl Wilkens, Joanne LaFleur, Joanne Garman, Kris Meilahn and Connie Sleger.

Kewaskum's distance runner, Randy Backhaus, running his best time ever, placed third in the two-mile event in Saturday's United States Track and Field Federation Meet held at Camp Randall Memorial Building in Madison. He was clocked in 9:46.2. No other Kewaskum competitor placed in the top five. Hurdler John Fischer made it to the semi-final competition in the high hurdles before being eliminated.

A son was born to John and Kathy Lehnerz, Des Moines, Iowa, on April 6. Mrs. Lehnerz is the former Kathy Marx of Kewaskum.

COMMUNITY CALENDAR

May

May 8 -- CEDAR RIDGE SPRING FESTIVAL, 11 a.m. to 3 p.m., at Cedar Ridge Retirement Campus, 113 Cedar Ridge Dr., West Bend. Rummage sale begins at 10 a.m. Open house, displays, tours, train room, wagon rides, lunch, cream puffs and strawberry shortcake. Free admission, rain or shine. Call 334-9487 for more info. 4-22-9

May 8 -- Lac Lawrann Conservancy's ANNUAL WILDFLOWER AND PERENNIAL SALE sponsored by the Friends of Lac Lawrann will be held Saturday, May 8th from 9 a.m. to 1 p.m. The Conservancy is located at 300 Schmidt Road in West Bend, just north of Hwy. 33 and the Washington County Courthouse. 4-29-2p

There is a \$3.00 charge for publishing your event up to three times in the Community Calendar paid in advance.

Campus Notes

Psi Chi, the National Honor Society in Psychology, is proud to announce that the University of Wisconsin-Stevens Point Department of Psychology Chapter of Psi Chi inducted 14 new members into the honor society on April 17, 1999. The names of the honored inductees included Chad Keller of Campbell-sport.

Chad was also the recipient of the Dennis Elsenrath Scholarship for scholarship, leadership, service to the helping community and commitment to a wellness lifestyle.

Psi Chi was founded in 1929 for the purpose of encouraging, stimulating, and maintaining excellence in scholarship, and advancing the science of psychology. Membership is awarded to graduate and undergraduate men and women who are making the study of psychology one of their major interests and who meet the qualifications.

Psi Chi is a member of the Association of College Honor Societies and is an affiliate of the American Psychological Association (APA) and the American Psychological Society (APS). Psi Chi has grown over the past 69 years into one of the largest and most successful honor societies in the world with over 930 chapters located at college and university campuses throughout the United States.

Lac Lawrann Wildflower and Perennial Sale

Lac Lawrann Conservancy's Annual Wildflower and Perennial Sale, sponsored by the Friends of Lac Lawrann will be held Saturday, May 8, from 9 a.m. to 1 p.m.

The Conservancy is located at 300 Schmidt Road in West Bend, just north of Highway 33, and the Washington County Courthouse. Proceeds from the sale are used to support environmental programs, enhance the natural beauty of the Conservancy and future land acquisition.

All of the plants are sold on a first come, first served basis. Selections offered are native wildflowers for woodland and prairie gardens such as trillium and New England asters.

Garden perennials include such favorites such as peonies, sweet William and phlox and prairie flower seeds to name a few. In addition volunteers have designed grapevine and willow trellises as well as hand carved wood flowers.

Before the sale begins, information on handling wildflowers and descriptions of prairie and woodland species will be given, as well as help for beginning gardeners.

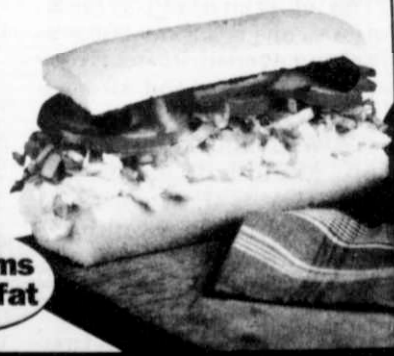

The first doll houses were made during the 1600s for wealthy adults. Many stood six feet tall or even taller, and were furnished like the homes of their owners.

Bucks, Bogeys, Blackhawks, Brookfield Make a Challenging Grafton Invitational

In another attempt at challenging some of the best high school golf teams in the state, regardless of their division, the Kewaskum High School boys golf team participated in the Grafton Golf Invitational on Tuesday, April 27, at the Country Club of Wisconsin.

This annual event features some of the top Division One teams, along with the host Blackhawks of Grafton and the ever-improving Indians of Kewaskum. The Indians have maintained a strong golf tradition and program of their own under the direction of former Head Coach Joe Harlow, thereby earning their invitation and respect of their peers.

The challenge, however, was not the competition from Brookfield Central, Hartford, Manitowoc, Menomonee Falls, Sheboygan North and Grafton, but the 7,000 yard, Par 72, 18 hole private golf course. The well manicured course surrounds an all-natural habi-

tat certified by the Audubon International Society and maintained to protect the integrity and natural features of the land. Nothing prevented the match from the rains, therefore the tournament was postponed from its original date of Thursday, April 22.

The Indians finished third with a team total of 178 in 1998 but believed it would take a score of 170 or better to improve upon their previous year's position.

With two returning team members who had played in this tournament before, the Indians sensed an opportunity to enhance their overall team status of a year ago. Unfortunately, several of the other tournament teams also had very experienced players as well.

After the players meeting conducted by C.C.W.'s Director of Golf, Greg Nikolai, the players were sent out to their starting holes for shotgun start at 4:15 p.m. Then the coaches were assigned to monitor

each hole on the front nine while members of the Milwaukee Bucks happened to be playing on the back nine.

As luck would have it, Ray Allen, Vinny Del Negro and several other professional athletes willingly signed autographs for players and coaches alike upon completion of their respective rounds.

Other than a few treasured signatures, the Indians were unable to take advantage of their opportunity to move up in the tournament rankings. Kewaskum finished fifth overall with a team total of 179, trailing Brookfield Central's 168, Sheboygan North's 170, Manitowoc's 173 and the host Blackhawks' 178.

The only bright spot was the individual play of senior Shaun Timblin, whose 40 was good enough to finish third overall and received a medal for his efforts.

The course proved to be worthy of its high ranking

in the state as many of the competitors suffered through at least one hole where they doubled par and struggled to compete throughout the remaining holes.

But the benefit of this tournament will be in the experience and knowledge gained from playing against some great competition on an extremely challenging course. Especially late in the season in the W.I.A.A. tournament series, this invitational golf tournament will prove to be as beneficial as it was challenging.

FINAL TEAM TOTALS

Brookfield Central 168

Sheboygan North	170
Manitowoc	173
Grafton	178
Kewaskum	179
Menomonee Falls	181
Hartford	DQ

INDIVIDUAL NINE HOLE SCORES

Ryan Hurab, Bookfield Central	38
Chuck King, Sheboygan North	39
Shaun Timblin, Kewaskum	40
Tom Hawkins, Grafton	40
Matt Bennett, Manitowoc	41
Eric Gissal, Brookfield Central	42
Jeremy Baier, Brookfield Central	42

"Of course you are overworked and underpaid. That's your job description."

Indian Boys Win Two, Lose One During Conference Golf Matches

The Kewaskum High School boys golf teams opened their conference season with three matches this past week.

The varsity, junior varsity and reserve teams all competed with league opponents on Wednesday, April 28, through Friday, April 30. The varsity and JV's participated in dual meets all three nights, whereas the reserves played a triangular match on Friday as well.

The varsity and junior varsity initiated their conference season at Quit-Quit Country Club against the perennial powerhouse Panthers of Plymouth on Wednesday, April 28, under sunny, cool and breezy conditions.

Plymouth is the defending conference champion with the Indians as the runnersup in the 1998 Eastern Wisconsin Conference boys golf season. Therefore, this early season match took on greater significance as a means of establishing a favorite for the rest of the spring golf season in the linksters league.

Plymouth had already set the standard early by defeating Chilton with a team score that averaged less than 40 per player for a total of 159. Whereas, this was the first dual meet of the young season for the Indians, who have played in four invitational tournaments to date, winning two of them. Thus, the stage was set for an early season battle between the traditional powers and/or successful programs in the

Eastern Wisconsin Conference.

The match was conducted on the front nine that included some ground under repair, casual water and windy conditions. The Indian teams struggled with the dry greens and blustery wind conditions as they produced their worst outing of the season to date.

Unfortunately, Kewaskum did not rise to the occasion and came up far short of their own expectations.

Plymouth demonstrated their prominence by posting a terrific team score of 161 with individual rounds of 38, 40, 41 and 42. The Indians top players suffered through some horrendous holes resulting in their highest scores of the season.

In fact, the Panthers posted eight scores better than Kewaskum's best, a 43, by sophomore, Josh Stangl on the junior varsity team. The Indians tallied a 187 team total that was bested by both junior varsity teams as well.

However, that same varsity team recovered by winning their next two matches conducted at Hon-E-Kor Golf Course in Kewaskum on Thursday, April 29, versus New Holstein and on Friday, April 30, versus Sheboygan Falls.

The Indians posted identical scores of 174 against the Huskies and Falcons, which was solid but not significant. The best proof of that is that the junior varsity recorded a 171 team total and two victories to show for it.

On Friday, three of the

four lowest scores were recorded by junior varsity team members ranging from 40 to 42, thereby creating some healthy competition for upcoming varsity tournament positions. Collectively, their best overall score was a 164 on Friday which shows wonderful individual improvement.

The KHS Indian boys varsity golf team is currently 2-1 in the Eastern Wisconsin Conference with the next dual meet scheduled for Tuesday, May 4, at the Fox Hills National Golf Course against Two Rivers.

The Purple Raiders are also 2-1 and will host the conference championships later this month at the Fox Hills Resort and Golf Center. Then the Indians will return to tournaments at Hawthorne Hills on May 7 and Lawsonia Links later in the week, both 18 hole competitions.

Against the Plymouth Panthers on April 28, Jon Boedecker and Todd Wright shared medalist honors for the Indians, both scoring 45. Medalist for the junior varsity was Josh Stangl who carded a 43.

Indian medalists for the match against the New Holstein Huskies on April 29, included Jon Boedecker with a 42 for the varsity and Jeff Taylor with a 40 on the junior varsity.

On April 30, against Sheboygan Falls, the KHS medalists were Shaun Timblin with a 41 on the varsity and Josh Stangl who carded a 40 for the junior varsity.

Horicon Marsh Bird Festival May 7, 8, 9

As spring returns to Wisconsin, so will the many kinds of birds that departed last fall to escape our harsh winters.

As people get back out into the woods and fields to enjoy the bounty of nature, many will be pursuing and enjoying these birds through binoculars. As bird-watching has become very popular in recent years, many people are becoming curious about our native birds but may not have discovered the thrill of birding or know how to get started.

On May 7, 8 and 9, the second annual Horicon Marsh Bird Festival will be held at various sites around the Marsh. This event will focus on sharing with visitors the great variety of birds at the peak of the spring migration.

This Marsh is one of the finest birding sites in the upper Midwest. A total of 268 species of birds have been recorded at Horicon over the years. Horicon Marsh has been designated as a "Wetland of International Importance" by the Ramsar Convention and was recently selected as a "Globally Important Bird Area" by the American Bird Conservancy.

This Bird Festival will consist of a series of field trips, workshops and other activities to introduce people to birds and birding. Activities and events will be available for beginners, intermediate bird watchers and advanced birders.

Among some of the activities are early morning field trips around the marsh to see the greatest variety of birds, workshops on bird identification, a special bird banding demonstration, children's programs, pontoon boat tours of the marsh and its wildlife, a wildlife art show, plus an exhibit hall and gift shops.

The festivities will begin with an orientation program on Friday evening. Field trips, guided hikes and outdoor programs will begin early on Saturday morning and continue throughout the weekend. Pre-registration is required only for activities which require payment, such as the bus and boat tours. Otherwise, events and activities are free and open to the public.

Activities are being hosted and conducted by the Horicon Marsh Bird Club, Wisconsin Department of Natural Resources, U.S. Fish and Wildlife Service, Marsh Haven Nature Center and Blue Heron Tours.

For more information please contact Larry Michael of the Horicon Marsh Bird Club at 920-485-2936 or Bill Volkert, DNR Naturalist at 920-387-7877, or write to Friends of the Horicon Marsh International Education Center at N7725 Hwy. 28, Horicon, WI 53032.

GOLF NEWS & NOTES

Golfers Get Grip On Better Scores

(NAPS)—For the 26 million American golfers looking for ways to get a grip on better scores, leading golf professionals have this advice: Change your worn club grips.

That was the consensus among 100 PGA-certified teaching pros who were questioned in a recent survey on golf improvement tips. All the respondents agreed that the condition of club grips greatly affects golfers' performance on the course. Not surprisingly, 100 percent also agreed that re-gripping clubs regularly can help improve golfers' games.

"Grips are probably the single-most overlooked piece of equipment in the game of golf today," said Tom Hust, head teaching professional at the San Diego Country Club. "There are so many game improvement gadgets and training devices on the market now that people tend to forget the basics. Golfers are quick to blame their concentration on mechanics when they hit a poor shot, but slick or worn grips are often the cause."

When asked how often golfers should re-grip their clubs, the average response from teaching pros was every 60 rounds of play. This time frame can vary based on storage and weather conditions. However, these teaching pros said most golfers generally don't change their grips nearly that often, and seldom ask for advice or help in this area.

"Most golfers don't realize that one of the easiest and most effective ways to help their games is right in their own hands," Hust said. "Golfers would be a lot better off if they understood the correlation between the condi-

PGA teaching pro Tom Hust reminds a student about the importance of re-gripping his golf clubs.

tion of their grips and the quality of their play."

Technological advances in materials and manufacturing have greatly improved the quality of golf grips today. San Diego-based Lamkin Corp., believed to be the world's oldest golf grip company, is the industry's recognized leader in technological innovation. Lamkin handles every aspect of grip design, testing and manufacturing with its own people and technologies. The company has developed more than 12 proprietary rubber compounds for its line of grips, which are designed for a wide variety of club brands and models.

Lamkin's new Crossline family of grips is an example of modern technology at work on the golf course. Crossline's sensitive rubber compound and distinctive pattern help golfers hold their clubs more lightly to reduce forearm stress, while stabilizing the hands at impact. For more information about how club grips can help improve your golf game, call Lamkin Corp. at 1-800-642-7755.

The four athletes to make Life magazine's 1990 list of the "100 Most Important Americans of the 20th Century" are Muhammad Ali, Billie Jean King, Jackie Robinson, and Babe Ruth.

Jr. Girl Scouts Complete Badge Work with Local Businesses

On Saturday, January 30, the group of 11 girls, ages nine through 12, shown above, visited St. Francis Bank and Dairy Queen in Kewaskum, to complete their "Money Sense" and "Computer Fun" badges. Accompanying the girls was their leader, Millie Hedlund and helping moms, Gretchen Kruszka and Karen McCabe.

At St. Francis Bank, Manager Jacqueline Heriges gave the girls a tour of the bank. The girls learned about the many people it takes to run a bank successfully along with job progression opportunities inside the banking world.

The girls were overwhelmed at the amount of safety deposit boxes in the vault as well as the many security procedures banks must follow. They saw firsthand how computers help everyone in the bank and also how computers help reduce the paper work through e-mail.

They learned about opening up many different accounts, how coins are counted and sorted by automatic counting machines, how deposits are made, and how and why interest is

earned. They learned about different services banks offer, such as loans. They browsed through an annual report of Wall Street and experienced the drive-up window from the inside of the bank instead of inside the car.

Continuing on to Dairy Queen for lunch, the girls did some paper work on their badges. They each figured out what would be the best value for their money before ordering. Owner Kevin Scheunemann gave the girls an opportunity to see first hand how a local business handles their cash and registers.

Registers are computerized, and the girls were soon put to work. Kevin put the registers in a training mode and allowed the girls to "pretend" to work the counter. At the end of their "training" they each had a hand in making their own ice cream cone.

The girls expressed their joy in their final words: "This was great and we get badges, too!"

A sincere "thank you" goes out to St. Francis Bank and Dairy Queen for all their help and generosity.

Prudential Securities: Helping you navigate the world of investing

With so many investment choices in the world today, you can easily lose your way. Prudential Securities provides our clients with the guidance and direction to help keep their investments on course. With the vast resources available through our worldwide network, our Financial Advisors can provide you with the knowledge and advice needed to make important investment decisions.

Obituaries

ALOIS "AL" BEISBIER

Alois "Al" Beisbier, age 60, of Kewaskum, passed away on Monday, May 3, 1999, at his home with his family at his side.

He was born on June 21, 1938 in Fond du Lac County, the son of Gregor and Marcella (Stoffel) Beisbier and on July 18, 1959, he was united in marriage to Helen Kuehl at St. Kilian Catholic Church in St. Kilian.

Mr. Beisbier was the owner and operator of Kettle Moraine Electric, Inc. in Kewaskum, a member of Holy Trinity Catholic Church in Kewaskum and a Catholic Knights member.

Survivors include his loving wife, Helen, of Kewaskum; a son, John (Stephanie) of Campbellsport; five daughters, Cheryl (Scott) Tessar, Joan (Andy) Cochran, Sandra (Ross) Krautkramer, Julaine (Todd) Luedtke and Jacqueline (Mark) Herriges, all of Kewaskum; his mother, Marcella Beisbier of Lomira; six brothers, Robert (Darlene) and Cornelius (Evelyn), both of Kewaskum, Gerald (Linda) of Campbellsport, Greg (Julie) of Nashville, Tennessee, Kenneth (Kay) of Campbellsport and Steve of West Bend; five sisters, Louise (Joe) Bonlender, Lila (Forrest) Kleinhans, both of Campbellsport, Paula (Allen) Schoofs of Kewaskum, Mary (Dan) Schrauth and Beverly (Leo) Emmer, both of Campbellsport; his father-in-law, Romand Kuehl, of Kewaskum; 18 grandchildren, many nieces, nephews, other relatives, many business acquaintances and friends.

He was preceded in death by his father; a grandson, Michael Lloyd Krautkramer; his mother-in-law, Leona Kuehl, and two sisters-in-law, Susann and

Sandra Beisbier.

A Mass of Christian Burial will be held at 7:30 p.m. on Thursday, May 6, 1999 at Holy Trinity Catholic Church in Kewaskum with Father Mark Jones officiating. Entombment at the Shrine of Rest Mausoleum in Fond du Lac will be at 10 a.m. on Friday.

Friends may call from 4 p.m. until the time of services at the church only on Thursday.

The Miller Funeral Home in Kewaskum is serving the family.

JOHN C. "JACK" ODEKIRK

John C. "Jack" Odekirk, 67, of Campbellsport, died Friday, April 30, 1999, at Woods Veteran Hospital, Milwaukee, due to complications of Parkinson's Disease and heart failure.

He was born on August 18, 1931, in the Town of Auburn, to the late Harry and Vera (nee Haushalter) Odekirk, and married Mildred Wallenfelsz on July 3, 1954, at Holy Trinity Catholic Church in Kewaskum.

Jack worked at The West Bend Company for 40-1/2 years until his retirement.

He was a member of St. Matthew's Catholic Church, Campbellsport, was an avid buckskinner for 18 years and greatly enjoyed woodworking and winemaking.

He was a life member of the NRA, a member of the WMLRA Charter 19, a member of the NKM Sno Mo Association and past secretary, a member of the Campbellsport Sno Cougars and past president, a member of the New Fane Kettle Riders, a member of the Averbek Family Genealogical Association and a member of the Bintzler Waehler American Legion Post 37 in Lomira.

Survivors include his wife; two sons, David (Debi) of Watertown and Gary (Marge) of Slinger; three daughters, Kathryn (Jon)

Hughett of Milwaukee, Carol (Don) Butzke of Campbellsport, and Sharon Meilahn and her special friend, Bob Kobs of Oconto Falls; nine grandchildren, Renne (Tom) Wegner, Anthony and Adam Hessel, DJ Butzke, Greg and Casey Meilahn, and Alexandria, Jonathan and Nicole Odekirk; two great-grandchildren, Noah and Rowan; three sisters, Eleanor Haack and Alice Ketter, both of Campbellsport, and Harriet Gilligan of Hartford.

Preceding him in death were a sister, Joyce Bowen, his parents-in-law, Lawrence and Anna Wallenfelsz, and two brothers-in-law.

A Mass of Christian Burial was held Monday, May 3, at 7:30 p.m. at St. Matthew's Catholic Church, Campbellsport. Burial was on Tuesday in St. Matthew's Cemetery.

Visitation at the Twohig Funeral Home, Campbellsport, was on Monday from 3 to 7 p.m. with a prayer service at 7 p.m.

ALBERT F. DEHLER

Albert F. Dehler, of the Town of Addison, died Tuesday, April 27, 1999, at his residence at the age of 92 years.

He was born November 14, 1906 in Stearns County, Minnesota to the late Joseph W. and Anna (nee Nierengarten) Dehler. On October 23, 1933, he married Cecilia E. Zierdan in St. Cloud, Minnesota.

In 1945, they moved from St. Cloud to the St. Michael's area. He was employed at the Gehl Company as a machinist, retiring in 1973. They settled in the Town of Addison in 1959, where he lived and farmed until the time of his death.

He was a member of the 25 Year Club at Gehl Company.

Survivors include his wife, Cecilia; 13 children: Margaret and her husband, Theodore Moser of Allenton; Rosemary and her husband, LaVern Schmidt of Slinger; Peter and his wife, Carolyn,

of Mayville; Elizabeth and her husband, Raymond Schmidt, of West Bend; Joan and her husband, Leon Schmidt of Kewaskum; Judith and her husband, William Weiss of Neenah; Paul and his wife, Marcy, of Brookfield; Mary and her husband, Mark Theisen, of West Bend; Dorothy and her husband, Eugene Bunke, of Wauwatosa; Cecilia and her husband, Donald Wessel of Mequon; Frank and his wife, Shirley, of Columbus; Joseph and his wife, Christine, of Kewaskum, and Albert, Jr. and his wife, Sandra, of Campbellsport; 49 grandchildren; 34 great-grandchildren; one brother-in-law, Louis Blommer and two sisters-in-law, Lydia (Karl) Dehler and Catherine (Zierden) Renn, all of St. Cloud, Minnesota; other relatives and friends.

He was preceded in death by one grandson, Edward Moser; one daughter-in-law, Judith Dehler, and eight brothers and sisters.

A Mass of Christian Burial was held Saturday, May 1, 1999, at 11 a.m. at Resurrection Church in Allenton. Father Michael Wild was the presider and burial followed at St. Peter and Paul Cemetery, Nenno.

Visitation at the church only was on Saturday from 9 a.m. to 10:45 a.m.

The Schmidt Funeral Home of West Bend served the family.

FOR MY GODFATHER ST. JUDE NOVENA

May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever, Sacred Heart of Jesus, Pray for us; St. Jude, worker of miracles, Pray for us; St. Jude, Help of the hopeless, Pray for us. (Say this prayer 9 times a day, by the 8th day your prayers will be answered. It has never been known to fail. (Publication must be promised). Thank you St. Jude.

Rene

Thanks St. Jude for all prayers answered.

IN LOVING MEMORY

In loving memory of ELANORE L. STAHL, who passed away one year ago, May 4, 1998:

*We remember the morning well
The phone call that would tell
Of your passing to another
place.*

It was just hard for us to face.

*One year ago you left us,
the saddest day I can remember.
As we come to that day
again I look outside and see
your favorite time of year.
The flowers and trees are blooming
again. This brings a smile to
my face and I know it brings
one to yours too. I will try not
to be sad, for I remember all
helps the happy memories, this
erase the pain.*

*You will forever be in our
thoughts;*

*The memories will always be
sought.*

*We can't stop missing you;
For what else can we really
do!*

**You are truly missed!
All our love,
Your family**

IN MEMORY

In loving memory of BILL BRAUN, who passed away five years ago, May 5, 1994:

Days of sadness still come o'er us.

Tears in silence often flow.
For memory keeps you ever near us,

Though you died two years ago.

Death can never take away,
And time cannot erase,
The memory of a loving heart,
A dear familiar face.

And there is comfort in the thought,

That as the years go by,
Our memories grow dearer still,

For love can never die.

Sadly missed by wife and family.

Frosh/Soph Girls Fifth At Mayville

MAYVILLE- The Kewaskum High School girls' track and field team finished fifth at the Mayville Invitational on Monday, April 26.

Host Mayville dominated the meet and won the team title with 170 points. CWC finished second with 123 points, Horicon third with 105 points, Waupun fourth with 88 points, and Kewaskum was five back with 83 points. RCF finished sixth with 28 points and Random Lake seventh with 26 points.

Kewaskum's highest finishes were two seconds in individual events.

Sophomore Emmy Foerster impressed the Kewaskum coaches and fans with a second place finish in the 400m run. Foerster's time of 1:08.5 puts her in contention with some of the varsity athletes.

Freshman Nicole Hermann had the other second-place finish for Kewaskum with her 30'8" throw in the shot put. Hermann's throw was just one inch behind Jenny Pieper of Mayville. Hermann also placed fifth in the discus with a throw of 69'7-1/2".

Another freshman, Jolene Clark placed third in the high jump with a height of 4'8". The winning height was 4'10".

The Kewaskum 4x100 relay team of Courtney Schultz, Betsy Marx, Beth Hermann, and Stacy Muckerheide finished second with a time of 60.0 seconds.

The Kewaskum 4x200 relay team of C. Schultz, Betsy Marx, Beth Hermann and Stacy Muckerheide finished third with a time of 2:07. Muckerheide's anchor leg of 30.1 seconds moved the relay team into third place.

Freshman Emily Shulka finished third in the 100m high hurdles with a time of 20:36 and fourth in the 300m low hurdles with a time of 60.1 seconds.

The Kewaskum 4x400m relay team of Kim Survis, Emily Shulka, Melissa Lark, and Emmy Foerster finished fourth with a time of 5:00 minutes.

Heather Hackbarth and Candi Heberer finished third and fourth in the 1600m run with times of 6:35 and 6:37 respectively. Heberer also finished sixth in the 800m run with a time of 3:03.1.

Melissa Lark placed fifth in the triple jump with a distance of 25'11" and seventh in the long jump with a distance of 12'9". Jackie Krueger finished sixth in the 400m dash with a time of 1:12.6.

Finishing in eighth place were Stacy Muckerheide in the 100m dash with a time of 14.8 seconds, and Kim Survis in the 800m run with a time of 3:05.4.

"This was a really fun

meet. Both the coaches and athletes had a good time. As coaches, this meet is important as it gives us an opportunity to work with the underclass team members. Mayville does a good job of running the meet and keeping a casual atmosphere," commented girls head coach, Joe Kinney.

All Night Eucharistic Vigil Change

St. Mary's fifth night of their nine month novena of First Friday, All Night Eucharistic Vigil of adoration has a location change.

It will be held at St. Rose Church located at 315 Fredonia Avenue, Fredonia. Mass will start at 9 p.m. on Friday, May 7, and continue all night with a closing Communion service at 5 a.m. on Saturday, May 8.

School Violence Requires An Honest Look at Ourselves

by John T. Benson, State Superintendent of Public Instruction

Driving into work last week, I'm sure I was like most people across the country. As I listened to news accounts of the unfolding nightmare in Colorado, my heart ached for everyone involved.

My heart ached for the victims of the violence -- children and adults whose bright and promising futures ended too quickly and so senselessly. My heart ached for the students at Columbine High School who will never again be kids. In the time it takes to pull a trigger and stop a life, they became adults -- adults who have traded their innocence for sorrow, fear, and confusion.

My heart ached for the families of those students and teachers killed and wounded. As a father, grandfather, and educator I can only imagine the hopelessness and horror they are experiencing. And, my heart ached for the entire community that can never go back. The people of Littleton can never, ever look at each other the same way again. Their souls have been scarred, and their hearts broken.

The prayers of Wisconsin go out to Littleton's young people, their parents and the entire community. In Wisconsin, we are doing everything possible to prevent these tragedies. Some schools are installing metal detectors and cameras, hiring security guards, putting police liaison officers on staff, and conducting emergency drills. Others are training peer mediators, involving the community in the school culture, sharing values, and instilling citizenship in young people and adults alike. Most districts are increasing security while at the same time connecting with all young people.

We may be able to prevent some killings in our hallways and classrooms. As I look at what happened in Littleton, however, there is a common thread; young people alienated from both their schools and society. Until we address that alienation, we will never be able to completely stop the violence.

As the latest tragedy unravels, we are finding out that young people who did the shooting were subjected to ridicule and the hate of intolerance because they were different. It is also becoming apparent that the Trench Coat Mafia hated minority students and athletes.

We can't excuse what happened in Colorado. There is no excuse. If we are going to solve the problem that plagues our young people, however, we must take an honest look at ourselves and try to understand it.

Children don't kill children for no reason. Senseless hatred and violence don't happen in communities where there are common values, love, morality and a sense of purpose. This isn't education's problem -- this is a community problem. The solution must be a community solution.

Parents, grandparents, businesspeople, farmers, and clergy have to be a part of the school culture and schools must be part of the villages, cities, and townships they serve. We must engage each other in meaningful dialogue about our kids and their futures. We must worry as much about racism, tolerance, injustice, and alienation as we do about test scores, high school sports, and property tax relief.

Make no mistake: students, staff, and parents deserve to be safe in schools -- that is an absolute. Violence must be punished, and unsafe behavior cannot be tolerated. If we need to lock down our schools to ensure safety, then we need to lock down our schools. We need to expel students who break the rules, and we need to punish young people who break the law.

If we think zero-tolerance policies and swift punishment will solve the problem, however, we are merely setting ourselves up for the next tragedy. Children are killed on the streets of our cities every year. Building walls around our schools won't stop it. Instead, we need to break down the walls between young people and a society that must do more to protect them.

Now's the time for adults to reach out to their schools -- time to open a dialogue about what we can do to save our children from a world that seems to be eating its young. We need to talk about their problems, their dreams, their futures, and their day-to-day lives. We need to understand them and be able to separate their youthful enthusiasm and independence from anti-social and potentially tragic behavior. We need to put limits on them, punish them and praise them.

It might sound touchy feely, and it might be considered soft on crime, but, in the end, it is the only solution. Think about it: Locked doors and metal detectors only move the location of the violence, and get-tough policies only lock up criminals who have already created victims. By then, it's too little and too late.

Someone once said that a society that loves itself, loves its children. In the wake of the tragedy in Littleton, take time to hug your children. If you don't have any of your own, hug the neighbor's kids. More importantly, turn that love into action and make sure that your schools are as much a part of the community as are your stores and factories and churches.

Athletics Kick Off Season

The Kewaskum Athletics kicked off the 1999 season in high style. The A's registered a pair of victories over the weekend. On Saturday, Kewaskum opened Tri-County Nite League play with a 22-5 win over the Slinger Stingers. A trip to Oshkosh on Sunday netted a 3-2 decision for the A's.

Hitting stars were plenty against Slinger as Erik Kraemer, Juan Fernandez, Mike Mueller, Ryan Hall and Bob Bothe each collected two or more hits. Shawn Schneider picked up the win on the mound.

Ken Immel was the story in the Rock River League opener against the Oshkosh Merchants. He went nine strong innings, allowing only two runs on four hits. He walked four and struck out one. Single

runs in the fifth, sixth, and seventh were enough to seal the verdict.

The Athletics are 3-1 for the season under new manager Bob Bothe. Their record stands at 1-0 in both Rock River League and Nite League play.

This weekend the A's host Pardeeville on Saturday at 1:30 p.m. for a Tri County Nite League contest. The Slinger Stingers come back to town on Sunday, this time for a Rock River League game. Starting time is also at 1:30 p.m.

TORNADO FACTS

The "inflow" updraft region of a thunderstorm cell is usually rain-free or nearly rain-free because the updraft is pushing air upwards into billowing cloud towers, rather than downwards. Sometimes, you will be able to spot a distinct wall cloud. Wall clouds that are persistent, and show signs of rotation, should be closely monitored for possible tornadic development.

Musical Mother's Day Gift Available

WEST BEND -- The Moraine Chorus at the University of Wisconsin-Washington County will perform at 2 p.m. on Sunday, May 9, in the UWWC Theatre.

The 50-member chorus is made up of community members and university students and is conducted by Dr. Peter Gibeau, UWWC music professor.

The featured work on the concert is the Mass in C Major by Mozart. Other works include a motet by Brahms, "To Music" by Schubert, "The Turtle Dove," a folksong arrangement by R. Vaughan Williams, a Moravian folksong and the Spiritual, "Ain't a that Good News."

The concert is free and open to the public. For more information contact Peter Gibeau at (414) 335-5216.

Campus Notes

WAUKESHA -- Becky Yogerst, a senior at Carroll College in Waukesha, received the Faculty of Education Award for Excellence, the first place Century Award for art, the Who's Who Among Students in American Universities Award, the C.A.S.U. Best of Show Award and was honored as a member of Delta Sigma Nu at the annual Pioneer Convocation on April 15.

Becky is the daughter of Mr. and Mrs. Robert Yogerst of 5157 Beechnut Drive, Kewaskum.

The Faculty of Education Award for Excellence is given to a student demonstration all-around excellence in the education department's teacher preparation programs.

Century Awards are given by the editors of Century magazine for work

adjudged best in art and photography.

Students chosen to represent Carroll College in "Who's Who in American Universities and Colleges" are selected from the junior and senior classes by a committee appointed by the Student Senate according to the following criteria:

1. Excellence in scholarship (a 3.25 or better cumulative grade point average).
2. Leadership and participation in academics and extracurricular activities.
3. Citizenship and service to the school.
4. Promise of future usefulness to business and society.

C.A.S.U. awards are presented to students for outstanding art pieces in the Student Art Show.

Delta Sigma Nu is the

honorary scholastic society of the college. Students in the upper 10% of the senior class and members of the junior class with outstanding academic achievements are eligible for election each year.

Carroll's annual Pioneer Convocation honors outstanding students for achievements in academics, athletics and co-curricular activities.

Chatting with a co-worker during lunch, Benson confided: "My wife swears that if I die, she will forever remain a widow."

"H'mm," commented his companion, "I suppose she thinks there is not another man just like you."

"No," replied Benson grimly, "she's afraid there is."

SEEDS FROM THE SOWER

Michael A. Guido Metter, Georgia

"Judge," asked a defendant, as he stood before the bench, "may I plead slightly guilty?"

Often we're more than slightly guilty of failing to do what's right, to develop our talents to the fullest, and to go the second mile in service. But when we're at our worst, the Lord loves us.

During His lifetime on earth our Lord often walked among the people who were more than slightly guilty - the losers.

But our Lord's a winner. Through faith in Him you and I can become winners in this life and forever.

You will put your faith in Him and win, won't you?

Making Use of Your Yard Waste

Compost production does not always have to follow the conventional method of allowing a pile to decompose for a full year.

There are other procedures which can produce the compost in a few weeks to a few months. These non-conventional methods will also save space by allowing the decomposition to occur either in a trash can or plastic bag.

Using earthworms is one such means of producing fast compost. This system requires one or more trash cans and earthworms. The best are red worms commonly sold as fish bait.

To fill the can, begin with three or four inches of garden soil on the bottom, then two inches of kitchen garbage followed by a cup of bone meal. On top add two inches of leaves, hay or straw followed by a two-

inch layer of manure.

If manure is not available, grass clippings may be substituted. Manure or grass clippings serve as the nitrogen supply. Next, put on two inches of soil with some worms. Repeat this layering until the can is full. To start one can, you need between 500 (1/2 pound) and 1,000 worms.

It is important that the cans be aerated in the bottom, sides and lid. This may be done by punching holes in the can with an ice pick or nail. During rain, cover the can with plastic. Excess water will suffocate the worms and stop decomposition.

Generally, the compost will be ready for use after 8-12 weeks. To separate the compost and worms, expose it to light. The worms will retreat to the center of the pile to avoid the light.

Remove the worm-free compost from the top and sides. Continue removing dewormed compost until all that remains is worms and a small amount of compost.

Leaves may be turned into useful compost after a few months. Instead of throwing them out with the trash, place the leaves in plastic bags along with water and a shovel of manure or some grass clippings. When adding water, just moisten; do not soak. Seal the bags and store outside until the material is well decomposed. Composted leaves make an excellent substitute for manure.

Both of these methods offer easy and odorless alternatives to conventional composting.

If you want your dreams to come true, don't oversleep.

Conduct Safety Check Before Putting Boat in Water

Boaters can help ensure that their first outing of the season is safe, enjoyable, and environmentally friendly by checking out their boat and trailer before getting to the launch site, Warden Doug Bilgo says.

Anything that sits for a while may develop some problems that may be difficult to see -- mice may have chewed through wiring, parts may have rusted or water rotted a support, Warden Bilgo says. Make sure all the equipment works well on the boat and trailer before you go out -- the boat launch or the middle of the lake is not the place to find something wrong.

A well-maintained boat, especially one with a well-maintained motor, also helps minimize pollution from boating by improving fuel efficiency and preventing fuel and lubricant leaks into the water. Individual boats and marinas usually release only small amounts of pollutants, but, when multiplied by the more than 570,000 motorized boats registered in the state and the 500,000 boats from other states, they can cause water quality problems in lakes, rivers and along the Great Lakes coastal areas.

Warden Bilgo recommends people check out their boat, starting at the bow and working their way back. Inspect the hull, pulleys, carpeting and fittings, and lubricating those items that need it. Check out the electrical conduits, live well, compartments, benches,

transom, the motor, fuel lines, fittings, and put in a fresh fuel filter.

Charge up the batteries, hook up the systems and check navigation lights, bilge pumps, tilt controls and accessories such as the horn and interior lighting.

Also check over the trailer to make sure the lights work, the tires are inflated to the proper pressure, and that the trailer hitches, safety chains, rollers, and pads are all in good condition.

Bilgo also recommends doing the work -- checking, cleaning and maintaining boats before the season begins and after their use -- away from the water, to prevent any oil, toxic cleaners or other pollution from entering lakes and rivers. Also, carefully fueling boat engines, recycling used oil and discarding worn motor parts into proper receptacles, will prevent needless oil spills into the water.

Operating motorboats away from shorelines of lakes can help prevent accidents and reduce conflicts with other lake users and property owners, Bilgo says.

The closer a boat is to shore, the more congested the waters are with other boats and swimmers, and the greater your likelihood of having a near-miss or an accident, Bilgo says.

For that reason, and to reduce conflicts with lakeshore property owners, and with anglers and canoeists who are

fishing or paddling near the shore, people are encouraged to venture farther out.

Wisconsin has 543,034 registered motorized boats and sailboats and attracts another estimated 3000,00 boats from out of state. In addition, Wisconsin residents own an estimated 326,000 canoes, kayaks and other nonmotorized boats.

Statewide, motorboats must obey a slow no-wake speed within 100 feet of any dock, swimming raft, pier, or restricted area marked with buoys. Starting August 1, personal water craft operators are required to operate at slow no wake speeds within 200 feet of the shoreline of lakes.

In addition, motorboats may not be operated at a speed greater than slow no wake on lakes 50 acres or less having public access, except when such lakes serve as thoroughfares between two or more navigable lakes.

Municipal governments are in charge of setting rules on lakes relative to local conditions, such as no wake zones and hours for water skiing. Some municipalities in the state have expanded no-wake zones in recent years as the number of boaters has increased and governments have sought to better protect swimmers and reduce noise complaints from shoreline property owners.

Boa constrictors can swallow animals larger than their heads because the bones of their jaws can spread far apart.

School District of Kewaskum CALENDAR OF EVENTS

May 6 - May 15

THURSDAY, MAY 6

- * Art Show at Kewaskum Middle School
- * KHS Softball (Home) vs. Elkhart Lake (Doubleheader)
- * KHS Girls Soccer at Kiel

Dennis Prunty Carries On Family Racing Tradition

Shown above, Dennis Prunty, with Miss Slinger Super Speedway, takes his #1 Weyer Realty Modified to the winner's circle after winning the Dash for Cash.

As the Prunty tradition continues, this article begins at their race shop, a two and a half car garage which is called "home" to the D & D Extreme Racing.

Remember, they have three race cars to work on, one has to take a back seat to the other two for repairs and reconditioning.

When visiting the race shop and talking to the Prunty family, David, the late model driver and engineer, is the most talkative and the true promoter of the Prunty family and their racing tradition. Father, Doug Sr., and Daniel are the backbone and the financial backing of the teams.

The other sons, Doug Jr., Dennis and Dale are the brothers who do the work and bring the "hands on" knowledge to the teams. Anyone who would take the time to visit this operation, would be impressed with the beautiful cars the brothers take to the track considering they don't have the high tech machines or the top notch working conditions.

As so stated in the previous article, the Prunty race teams are a low budget operation, but the outcome of their work, both on and off the track is very impressive. All of the Prunty men have an identity of their own.

Dennis is by far the most aggressive and productive in his modified division at the Slinger Super Speedway. He started in the Slinger Stinger Division in 1991 and continued to improve every year. In 1997, he had his most successful year with a second place finish in the point standings at the Slinger Speedway and won the 1997 Midwest Stock Championship at the Wisconsin International Raceway.

Last year, Dennis moved up to the Midwest Modified Division and posted 13 top five feature finishes with one main event victory with his black #1. Dennis also led the division claiming six

Eldorado Trailer Sales Trophy dashes.

These accomplishments came in his first year in that division. That is why he is considered the most aggressive of the brothers.

All the brothers bring a lot of talent every Sunday to the Slinger Speedway. Dennis has that mischievous gleam in his eye and yet is the prime example of the family talent.

His fiancée, Missy Yench, enjoys that gleam in Dennis' eye, because they plan to marry on October 7, 2000. Missy is a Prunty team supporter and will need to share her man with the race fans. Dennis is very noticeable on the track and his driving skills match that gleam in his eye and the grin on his face.

With his "baby brother" entering the division he has dominated for the past season, it will be interesting to see how that "brotherly love" plays out on the track.

For the first outing at the Slinger Super Speedway last Sunday, Dennis started in the second row, inside, with his brother Dale starting right behind him. Dennis was trying to show Dale the way around the track. Dennis went on to

finish second in the main feature event and Dale came back from an early spin to finish seventh.

This Sunday, Dennis drove his eight-year-old homemade chassis with a Mustang body to another second place finish, behind Florian Wisinski of Greenfield, who has top notch equipment. Dennis is getting off to a great start for the 1999 season.

When Dennis isn't working at Quad Graphics of Lomira in press maintenance, he is working on his race car. Dennis does his own motor work, something that's not done by most of the drivers today. Most of the frame and engine work in today's sport of racing is done by professional staff who work in that line of business.

That is why it is unique for the Prunty family to do their own work and continue to be so competitive on the track. This is a tribute to this team who has their own expertise and they learned that knowledge by "hands-on schooling." It is hard to find this type of racing team today. A true back to basics for the Prunty teams.

Dennis is sponsored by

Post Printing of West Bend, Weyer & Son Heating and Air Conditioning, Wiedmeyer Express and Service, Luedtke Lumber, Don's Radiator, Jimmers Juke Box, D-N-T Trucking, Pro Builders and Auto Body Dynamics of Kewaskum.

His crew consists of his loyal brothers at the shop and Joe Wagner and Bubba Schneider at the track. Without these sponsors and crew members, Dennis would not be able to fulfill his dream... to be behind the wheel of a race car and be competitive.

Take the time to visit the Slinger Super Speedway on a Sunday evening and be a part of the Slinger Tradition. It's always an added

treat when you know someone on the track and can see how well they will do in the main events of their divisions.

XYZ CARD RESULTS

The winners at cards played at the Municipal Building on Wednesday, April 28th were: Teresa Peterson, 23-6--17 net; Fred Klein, 19-4--15 net.

SHEEPSHEAD: Fuzzy Lehnerz, Dorothy Etta, Norbert Broecker, Gilbert Reindl, Frances Rohlinger, Minerva Martin, Sally Reindl and Vange Teeselink.

500: Dorothy Moths and Delbert Peterman.

Ordinance No. 99-4

AN ORDINANCE TO AMEND THE ZONING OF VILLAGE LAND

WHEREAS, Mr. Randy Gust has petitioned for the rezoning of parcel of property located at 1224 Fond du Lac Avenue, Kewaskum, Wisconsin, known by tax key no. V4-0241 of the Village of Kewaskum, Washington County from B-2 General Retail and Service District to B-3 Central Community Retail Business and Service District; and

WHEREAS, the Plan Commission has reviewed the matter at their meeting of March 23, 1999 and recommended the zoning amendment to the Village Board.

NOW THEREFORE, BE IT RESOLVED, that the Village Board approve the rezoning of the above stated land to B-3 Central Community Retail Business and Service District.

This ordinance shall take effect upon passage and publication as provided by law.

PASSED, ADOPTED AND APPROVED, this 19th day of April, 1999, by the Kewaskum Village Board.

Robert H. Wagner
Village President

TOWN OF WAYNE NOTICE OF PUBLIC HEARING TO AMEND THE LAND DIVISION ORDINANCE AND MUNICIPAL CODE

Notice is hereby given that a Public Hearing will be held at the Town Hall located at 6030 CTH H in the Town of Wayne, before the Town Board on May 18, 1999, at 7:30 P.M. to consider the following changes in the Land Division Ordinance and Municipal Code of the Town of Wayne, Washington County, WI to wit:

1. Language to allow land divisions in any Commercial Zoned District.
2. Language for the adoption of an Erosion Control and Storm Water Management Code.

That said amendments are on file in the Office in the Town Clerk at 6030 CTH H, Campbellsport, WI and will be available for public inspection from and after May 3, 1999 as required by Section 66.035 WI Stats.

Dated: April 23, 1999

Orville Kern,
Town Clerk

Notice of Rate Increase Water Customers of the Kewaskum Water Utility

This is to give you notice that the Kewaskum Municipal Water Utility will file an application on May 10, 1999 with the Public Service Commission of Wisconsin (PSC), for authority to increase water rates. Rates for general service and public fire protection will increase three percent (3.00%). The request is being made under Wisconsin State Statute 196.193. Rate increases granted under this statute do not require a public hearing. The effect of the increase for some selected customers is shown below. Public Fire Protection rates and Wholesale rates (if applicable) will also increase three percent. (3.00%).

Customer Classification	Meter Size	Volume (1,000 Gallons)	Existing Quarterly Rate	Revised Quarterly Rate
Average Residential	5/8"	12	\$30.72	\$31.64
Large Residential	3/4"	18	\$39.18	\$40.36
Commercial	1 1/2"	175	\$225.50	\$232.27
Public Authority	2"	225	\$297.50	\$306.43
Industrial	3"	530	\$645.00	\$664.35

This rate increase will go into effect on July 1, 1999

If you have any questions about the rate increase request, call the Kewaskum Municipal Water Utility at 626-8484.

Daniel S. Schmidt
Administrator
Kewaskum Municipal Water Utility

AODA Council Sponsoring The Giving Crib

The Council on Alcohol and Other Drug Abuse of Washington County, in collaboration with area businesses, is sponsoring The Giving Crib.

The Giving Crib is a baby item drive designed to furnish baby items to the over 500 children under the age of two in Washington County who are in need of the necessities of life. They are living in households in which parents are struggling just to make ends meet. The Council hopes the community will provide enough baby items to aid these children with the necessities vital to their physical well being.

Local businesses throughout Washington County have donated space for drop off sites. These sites include West Bend Pick 'n Save North and South, Hansen's Piggly Wiggly in Jackson, West Bend General Clinic, Aurora Hartford Clinic, Hartford Country Market, and Kewaskum Sentry. The Giving Crib drop off sites opened April 30 and will be available until May 16, for you to drop off your donations.

The Council on Alcohol and Other Drug Abuse of Washington County is asking individuals to contribute only new baby items. The list of baby items to donate is as follows: disposable diapers, lotion, powder, shampoo, baby oil, baby wipes, bottles, baby formula, infant cereal, and baby food.

Many organizations throughout Washington County have already requested and are in need of the baby items that will be collected with The Giving Crib. If you have any questions, please contact the Council on AODA of Washington County at 335-6897.

The gannet is a large, white sea bird that helps fishermen because it follows schools of herring and other fish, thus showing where the fish are.

Resolution No. 99-16

A RESOLUTION IN SUPPORT OF AMENDMENT TO 1997 WISCONSIN ACT 300

WHEREAS, in 1997 Wisconsin Act 300, the Wisconsin Legislature created the newly licensed professions of hydrology and soil science and, in so doing, granted certain exceptions to the licensing requirements for such professions; and

WHEREAS, the determination of the boundaries of wetlands has increasingly become an important part of state and municipal land use regulatory activities; and

WHEREAS, state, county and local governments, as well as regional planning commissions created under Section 66.945 of the Wisconsin Statutes, employ individuals having expertise in wetland boundary determination; and

WHEREAS, the proper determination of wetland boundaries necessarily involves site investigations and analyses that now fall within the purview of the licensed fields of soil science and hydrology; and

WHEREAS, such wetland boundary determinations need to be made by individuals well qualified in the fields of botany and horticulture; and

WHEREAS, the continued provision of wetland boundary determination services by such individuals is important to the protection of the environment and to the smooth and efficient functioning of state and local government activities; and

WHEREAS, it would be appropriate to exempt such individuals from the need to become licensed as soil scientists or hydrologists in order to continue to perform their wetland boundary determination work.

NOW, THEREFORE BE IT RESOLVED that the Village Board of the Village of Kewaskum hereby resolves to support the following changes to Chapter 470 of the Wisconsin Statutes which was created by 1997 Wisconsin Act 300:

1. A license under Chapter 470 of the statutes should not be required for persons engaging in the practice of wetland boundary determination.

2. Individuals employed by state, county and municipal governments and regional planning commissions in Wisconsin and engaged in the determination of wetland boundaries and the ordinary high water levels of lakes, rivers and streams should be explicitly exempted from the need to obtain a license under Chapter 470 of the statutes.

BE IT FURTHER RESOLVED that a copy of this Resolution be sent to each member of the Village's State legislative delegation.

PASSED, ADOPTED AND APPROVED this 19th day of April, 1999, by the Kewaskum Village Board.

Resolution No. 99-17

TRANSPORTATION EQUITY ACT FOR THE 21ST CENTURY (TEA21)

WHEREAS, the Transportation Equity Act for the 21st Century (TEA 21) promises Wisconsin an increase averaging \$169.3 million annually in highway money and \$15.5 million annually in mass transit money over a six-year period; and

WHEREAS, the current Wisconsin Department of Transportation budget, augmented by new federal money, would devote 70% of all federal money to state highway programs and 30% to local program; and

WHEREAS, local aid as a percentage of the state Transportation Funds has declined from 41.2% in 1997 to 40.8% next year under 1997 Wisconsin Act 27; and

WHEREAS, property taxpayers will not willingly finance the tremendous backlog of needed local transportation projects, and local officials cannot be expected to ask them to do so; and

WHEREAS, a fairer distribution of state user fee revenues-phased in until approximately two-thirds of state user fees are devoted to local needs just as approximately two-thirds of federal user fees returned to the state are devoted to state needs-would hold down property taxes, better address transportation needs, and benefit all Wisconsin citizens.

NOW, THEREFORE BE IT RESOLVED that the Committee supports the increase over time in the local share of state transportation user fees until the local share reaches two-thirds of the total; and urges members of the Legislature and candidates for office to endorse this goal and work to devote more state transportation money to local property tax relief, local road improvements, and other local transportation needs.

BE IT FURTHER RESOLVED that a copy of the Resolution be sent to each member of the Village's State legislative delegation.

PASSED, ADOPTED AND APPROVED this 19th day of April, 1999, by the Kewaskum Village Board.

Resolution No. 99-18

DOUBLE TAXATION

WHEREAS, city, village and urban town property taxpayers pay double taxes for certain local services while county residents outside their municipal boundaries pay only once, creating "double whammy" taxation; and

WHEREAS, all taxpayers benefit from both the county and municipal services, but city, village and urban town residents pay twice for the service; and

WHEREAS, rural property taxpayers pay only for the county service and not for the service provided in the other municipalities in the county; and

WHEREAS, examples of these services include police/sheriff's patrol and detective services, parks and planning; and

WHEREAS, the double whammy subsidy paid by residents of cities, villages and some towns results in a distortion of urban vs. rural tax rates, contributing to decisions to move outside of urban areas, promoting sprawl development; and

WHEREAS, a municipality's tax capacity and the ability to bond is negatively impacted by the double taxes paid by its residents; and

WHEREAS, the Wisconsin Legislature and Governor have recognized the inequity of paying twice for certain services and currently allow municipalities to opt out of paying for public health department functions, county libraries and other services if the municipality provides the service itself.

NOW, THEREFORE BE IT RESOLVED that the Village Board of the Village of Kewaskum requests that the Legislature provide for equitable taxation across the state and allow municipalities to opt out of paying for a variety of county services if they provide the service themselves at a similar level; and that the Village Board of the Village of Kewaskum encourages Legislators to support the "double whammy" legislation proposed by Representative Foti which would exempt municipalities having 24 hour police protection from paying sheriff's patrol costs.

BE IT FURTHER RESOLVED that a copy of this Resolution be sent to each member of the Village's State legislative delegation.

PASSED, ADOPTED AND APPROVED this 19th day of April, 1999, by the Kewaskum Village Board.

Resolution No. 99-19

UNFUNDED MANDATES

WHEREAS, the Village Board of the Village of Kewaskum desires to strengthen the partnership between state and local governments; and

WHEREAS, unfunded state mandates reduce local government's ability to set priorities at the local level by drawing local money that would otherwise be spent on essential local priorities; and

WHEREAS, enactment of a "Wisconsin Unfunded Mandate Relief Act" will help end the imposition of state mandates on local governments without adequate funding; and

WHEREAS, a "Wisconsin Unfunded Mandate Relief Act" will promote informed and deliberate decision-making by the Legislature on the appropriateness of state mandates by establishing an extraordinary process activated when legislation places a mandate of a certain magnitude on local governments.

NOW, THEREFORE BE IT RESOLVED by the Village Board of the Village of Kewaskum that the Board affirms its support for, and requests that the Legislature and Governor enact, an "Unfunded Mandate Relief Act"; and the Village Board of the Village of Kewaskum encourages the Legislature to consider mandates enacted during previous legislative sessions as well as newly introduced proposals.

BE IT FURTHER RESOLVED that a copy of this resolution be sent to the Governor and Village's Legislators.

PASSED, ADOPTED AND APPROVED this 19th day of April, 1999, by the Kewaskum Village Board.

Resolution No. 99-20

SPECIAL ELECTIONS

WHEREAS, current statutes require municipalities to hold special elections without regard to the timing of regularly scheduled elections; and

WHEREAS, scheduling such elections without regard to regularly scheduled elections creates unnecessary expense and confusion for taxpayers; and

WHEREAS, changes in state law with regard to special elections could save unnecessary expense and conflict without limiting the timing of such special elections.

NOW, THEREFORE BE IT RESOLVED by the Village Board of the Village of Kewaskum that the Board requests that the statutes be amended so as to minimize the number of special elections which are held and to require that special elections such as referendum questions, and elections to fill vacancies, be held in conjunction with regularly scheduled elections.

BE IT FURTHER RESOLVED that a copy of this Resolution be sent to each member of the Village's State legislative delegation.

Barbara L. Wenzlaff
Clerk

PUBLIC NOTICE

PLEASE TAKE NOTICE that the Town Board of the Town of Kewaskum will consider the adoption of a new Chapter of the Town of Kewaskum Municipal Code entitled "Erosion Control and Storm Water Management" at 8 p.m., or thereafter on May 17, 1999, in the Kewaskum Town Hall, 9019 Kettle Moraine Drive, Kewaskum, WI.

You are further notified that a copy of said ordinance will be on file and open for public inspection in the office of the Town Clerk for two weeks prior to its adoption commencing May 1, 1999, in accordance with Section 66.035 Stats.

Dated this 26th day of April, 1999.

Barbara L. Wenzlaff,
Town Clerk

4-29-21

Bird Walks at Lac Lawrann

A Saturday Bird Walk will be held at Lac Lawrann Conservancy, 300 Schmidt Rd., West Bend, on May 8, at 7 a.m. Can a blind person make a lifetime bird list? Yes, because your ability to listen is crucial to identifying birds.

Birds migrate from their winter retreats in the south to nesting areas in North America as soon as food is available to them. April and May are peak migration months in Wisconsin. Enjoy the thrill of seeing and hearing the calls of birds not normally found in Washington County.

As long as I have a want, I have a reason for living. Satisfaction is death.

Resolution No. 99-21

"TAKINGS" LEGISLATION

WHEREAS, the "takings" clause of the U.S. Constitution has long been interpreted to prohibit government from physically seizing private property without just compensation; and

WHEREAS, governmental zoning, land use and environmental regulations properly balance the competing rights of property owners, inevitably diminishing the value of some properties while increasing the value of others; and

WHEREAS, legislation to broaden the definition of "takings" would increase the red tape and the cost of government and impair its ability to protect public health and safety, and preserve and enhance the value of a community's homes and businesses; and

WHEREAS, bills debated in the U.S. Congress and the Wisconsin Assembly in the past legislative session to broaden the definition of "takings" and alter procedures for resolving local zoning and land use disputes could have undermined state and local decision-making and cost taxpayers large sums; and

WHEREAS, in Washington, D.C., the bill that advanced the furthest would have moved local land use disputes to federal courts before exhausting state and local remedies, interfering with the ability of local governments to make reasonable, carefully considered land use decisions; and

WHEREAS, at the state level, five bills introduced in February, 1998 would have weakened the ability of local government to regulate land use in the public's interest. An underlying premise of the bills was that property owners have been treated unfairly by communities enacting zoning and other land use regulations; and

WHEREAS, in reality many Wisconsin communities provide property owners with more notice of zoning changes than is required by state law, and local zoning and land use disputes are almost always resolved well short of state court, much less federal court, and without the need for any of the draconian mandates the bills would create.

NOW, THEREFORE BE IT RESOLVED that the Village Board of the Village of Kewaskum opposes legislation at the state and federal levels to expand the "takings" clause of the Fifth Amendment to the U.S. Constitution; and opposes legislation at the state and federal levels that creates new levels of bureaucracy, bypasses local appeals processes, threatens shared community values and impedes the enforcement of legitimate zoning, land use and environmental regulations.

BE IT FURTHER RESOLVED that copies of this resolution be sent to the Governor, Legislators from the Village's area, and Wisconsin's Congressional delegation.

PASSED, ADOPTED AND APPROVED this 19th day of April, 1999, by the Kewaskum Village Board.

Resolution No. 99-22

ON-PREMISE INTOXICATING LIQUOR LICENSES

WHEREAS, prior to 1997 Wisconsin Act 27 (the biennial budget act) a municipality's on-premise liquor license quota was determined using a formula, but was generally the number of licenses issued by the municipality when the quota was first implemented, plus an additional license for each 500 persons residing in the municipality; and

WHEREAS, previously, the annual fee for an on-premise intoxicating liquor license was established by the municipality in an amount between \$50 and \$500; and

WHEREAS, 1997 Wisconsin Act 27 reduced the number of on-premise liquor licenses available to be issued by a municipality by "retiring" one half of the authorized but unissued on-premise liquor licenses; and

WHEREAS, unlike other types of alcohol beverage licenses, 1997 Wisconsin Act 27 made the remaining on-premise liquor licenses non-transferable from one location to another and established a minimum initial issuance fee of not less than \$10,000; and

WHEREAS, a person desiring to obtain an on-premise liquor license now must pay at least \$10,000 to the municipality for a nontransferable license, or obtain from another person a (transferable) on-premise liquor license issued before the enactment of 1997 Wisconsin Act 27; and

WHEREAS, the number and cost of liquor licenses should be a matter of "home rule" and local control.

NOW, THEREFORE BE IT RESOLVED by the Village Board of the Village of Kewaskum that the committee supports Assembly Bill 43 which undoes the changes to the on-premise liquor license quota and cost made by 1997 Wisconsin Act 27.

BE IT FURTHER RESOLVED that a copy of the Resolution be sent to each member of the Village's State legislative delegation.

NOTICE TO ALL DOG AND CAT OWNERS

All dogs and cats are not to run at large or cause damage to other peoples' property per Sections 18.56 and 10.41 of the Kewaskum Municipal Code and Chapter 174.02 of State Statutes. The owner or keeper of any dog or cat licensed or unlicensed, shall not permit the same to cause damage (leave body waste) on others property. This includes sidewalks, streets, alleys and other public areas. These matters are redefined in Chapter 78-Solid Waste and Chapter 58-Nuisances of the Kewaskum Municipal Code.

Any party violating these codes is subject to the penalties as defined in Section 2-367 and 2-368 of the Kewaskum Municipal Code.

The Village of Kewaskum "Park Rule and Regulations" prohibits all dogs and cats from entering any park. The Village Board made provisions for one exception to this rule. Dogs will be allowed in the area adjacent to Pump Station No. 2, at 439 Main Street and just east of the Milwaukee River. The parking lot area may be used to provide access to the Milwaukee River for training and exercising of dogs.

NOTE: The owners and keeper of dogs are reminded that they are responsible for any damaged caused and body waste. Children and adults use River Hill Park for all types of activities and should not have to contend with unsanitary conditions.

Your cooperation and consideration of others would be greatly appreciated. The same rules apply to railroad right of ways, boulevards and the like.

THANK YOU

World's Most Spectacular Sites

Tours Of The Pentagon

(NAPS)—What you learn in Arlington—a suburb of Washington, D.C.—is that it's home to one of the world's largest and most fascinating office buildings: the Pentagon.

The Pentagon is virtually a city in itself, with about 23,000 employees, both military and civilian. They contribute to the planning and execution of the defense of our country.

A tour of the Pentagon can give visitors a first-hand look at one of the most interesting buildings in the country.

Built during World War II, the Pentagon is still thought of as one of the most efficient office buildings in the world. Despite 17.5 miles of corridors, it takes only seven minutes to walk between any two points of the building.

For the public, the Pentagon features walk-in tours and group tours. Both are free and are conducted Monday through Friday, except for federal holidays.

A tour of the Pentagon can be worked into a trip to Arlington and Washington, D.C. or a day trip on its own.

More information about trips to Arlington is available on the Web at www.stayarlington.com or by calling 1-800-677-6267

Sparks is Triple Winner at Frosh-Soph Mayville Invite

MAYVILLE- The Kewaskum boys' track and field team finished second at the freshman/sophomore Mayville Invitational on Monday, April 26.

The Mayville boys' team dominated the team scoring by amassing 166 points. Kewaskum sneaked by Random Lake by scoring 109 points to Random Lake's 104.5. Horicon finished fourth with 70 points, CWC fifth with 68 points, Waupun sixth with 67.5 points and RCF seventh with 18 points.

Leading the way for the Kewaskum boys' team was sophomore Charlie Sparks with individual wins in both the discus and the shot put. Sparks threw a personal best 145' 9-1/2" in the discus and a personal best of 45' 6-1/2" in the shot put.

"Charlie's winning throw in the discus was over 13' better than his previous best this season and his winning throw in the shot put was also better than his previous best this season by over three feet. He needs to be able to repeat these kinds of performances on Tuesday at the Washington County Outdoor," reported head boys' coach, Jerry Gosa.

Sparks also teamed with Chris Canter, Paul Mertz, and Tom Ogi to win the 4x100m relay with a good time of 48.0 seconds. In his fourth event of the meet, Sparks almost won the 200m dash. Sparks appeared to almost run out of steam as he was beaten in the last step of the race by Resheske of Mayville 23.81 seconds to 23.94 seconds.

"Charlie was winning until the last step or two of the race. I know he was disappointed to lose, but he has only run this race two or three times this season and I'm happy to see him continue to improve. It's been a few years since we've had a sprinter go under 24 seconds," reported Coach Gosa.

Canter continued to improve and impress in the long jump with his winning leap of 19'1-1/2". Canter finished second in the 100m dash in 12.5 seconds and also finished fourth in the 200m dash with a time of 25.3 seconds. "Chris is doing a good job this season. I'm happy with his performances," commented Coach Gosa.

Sophomore Brian Wall won the pole vault competition with a jump of 11'. Rick Robinson, the pole vault coach, drove five hours straight to get back in time to see Wall's 11' jump. "The other Kewaskum vaulters better look out. They better keep improving or he'll pass them up," replied a happy coach Robinson on Brian Wall's winning effort.

"Sophomore Josh Parrent came to the meet and provided encouragement to Brian. It almost broke

Rick's heart when Josh came down in the pole vault pit, landed on the cross bar and broke his arm last week. I couldn't believe it either. The same kid getting hurt two years in a row," said Coach Gosa.

Paul Mertz won the high jump with a height of 5'6" and teammate Tom Ogi placed fifth with a height of 5'4".

Freshman Bryan Kraft finished third in the 1600m run with a personal best time of 5:10 and fellow freshman Lucas Kehres continued to make great strides in the 400m dash with a personal best clocking of 57.5 seconds.

"Lucas has made good progress since the beginning of the season. He wants to keep improving and he definitely works hard at it," reported Coach Gosa. Teammate Darrell Woebeking finished sixth in the 400m dash with a time of 59.5 seconds.

Other Kewaskum individuals placing at the track meet were the following:

Tom Ogi placed fourth in the pole vault with a jump of 7'6" and sixth place in the 100m dash in 12.5 seconds. Troy Kedroske placed eighth in the 800m run with a time of 2:25 and Tony Fitts also placed eighth in the long jump with a distance of 16'3".

"I was pleased by the efforts and the performances of the freshmen and sophomores. Mayville obviously has a good track team. Without the overall numbers, and the lack of any hurdlers or triple jumpers, and few distance runners, we still did very well. We also didn't run the 4x400m relay because we need some of these same athletes tomorrow night for the County Outdoor. We have some very talented freshmen and sophomores, but we still need more athletes," concluded Coach Gosa.

Boys Fifth at County Outdoor

KEWASKUM - The Kewaskum High School boys' track and field team finished fifth at the Washington County Outdoor Track and Field Championships on Tuesday, April 27, with 52 points at the school track.

Slinger totaled 171.5 points to easily win the team championship. West Bend West took the runner-up spot with 133 points, just five ahead of Hartford. West Bend East finished fourth with 121 points, Germantown finished sixth with 34 points and Kettle Moraine Lutheran followed with 11.5 points.

The Kewaskum boys team failed to notch any first places, but did tally one second, two thirds and two fourths.

Charlie Sparks finished second in the discus with a personal best effort of 146'6", just behind the 148'3" throw of Tom Hoogester of West Bend East. Sparks also recorded a personal best in the 200m dash with a time of 23.9 seconds for fifth place and he placed sixth in the shot put with a throw of 43'3".

"Charlie threw well in the discus tonight. He had set a couple of personal goals that he wanted to achieve at the Washington County Outdoor and he did," commented head boys coach Jerry Gosa.

Freshman Chris Canter placed third in the long jump with a leap of 19'1-1/2", just one inch and one place ahead of teammate Chris Christophersen. Rodee Schneider of Slinger won the event with a distance of 19'4-3/4".

"It was nice to have two guys place so high in one event. I think the competition between them is only going to make each of them better," remarked Coach Gosa about the third and fourth place of Canter and Christophersen in the long jump.

The 4x100m relay team of Chris Canter, Jim The-

len, Jason Strobel and Charlie Sparks finished third with their best time of the season, 46.5 seconds. West Bend East won the event with a time of 45.0 seconds.

Chris Koth finished fourth in the pole vault with a height of 11'6". Andrew Klein of West Bend East won the pole vault with a height of 12'6".

Paul Mertz cleared 5'8" in the high jump along with three other jumpers who were awarded second, third and fourth based on when they cleared 5'8" and number of misses. Mertz ended up fifth in the event. The winning height in the high jump was 5'10" by Smith of Hartford.

The 4x400m relay team of Mertz, Josh Rieder, Chad Will and Luke Kehres placed fifth with a time of 3:55.5. Kehres also placed eighth in the 400m dash with a personal best time of 56.8 seconds.

"Luke has come a long way this season as a freshman. I can remember during indoor season when he was trying so hard to break one minute. Now he is working hard and wants to

get his time down to 55 seconds or below," reported Coach Gosa.

Matt Belger placed seventh in the 1600m run with a personal best time of 5:03.2. The following athletes placed eighth for Kewaskum: Chris Canter in the 100m dash with a time of 12.2 seconds; Joel Hermann in the pole vault with a height of 11'0"; Scott Mueller in the 800m run with a time of 2:19.7, and Tom Ogi also tied for eighth place in the high jump with a leap of 5'4".

"We always know that we'll be in for a tough night when we compete against the West Bend teams and Slinger, etc., at the Washington County Outdoor. I think our athletes gave real good efforts tonight. Freshman Luke Kehres, for example, was seeded eighth in the 400m dash, ran his hardest, finished eighth, but recorded his fastest time of the season by over one second. I expect that type of effort. They will only get better if they keep working hard and putting in the required effort," concluded Coach Gosa.

From 1876 to 1976, the average height of 18-year-old males in the U.S. increased by about four inches.

Sparks Wins Discus Boys Track Third at Alzheimer Invitational

PEWAUKEE -- The Kewaskum High School boys' track and field team finished third at the Alzheimer Invitational on Friday, April 30, at Pewaukee High School.

The host Pewaukee boys, led by their 18 seniors, won the team trophy as they totaled an impressive 180 points. Runnerup Elkhorn finished with 134 points. Kewaskum scored 76.66 points to finish third and Cedar Grove-Belgium finished with 63 points to claim fourth place. St. Francis finished fifth and Union Grove finished sixth with 49.33 and 19 points respectively.

Charlie Sparks won the only first place for Kewaskum as he won the discus with a toss of 139'7". Sparks had thrown a career best 146'6" at the Washington County Outdoor Championships on Tuesday. Spark's throw, however, was still over five feet better than second place.

"I know that one of his goals is to throw over 150 feet and to eventually become the school record holder in the discus. Sparks, who is only a sophomore, I think has the potential to break the school record, if he is willing to work hard enough and to dedicate himself to reaching this goal," commented Coach Jerry Gosa. Sparks also finished fourth in the shot put with a throw of 42'6".

The Kewaskum pole vaulters picked up 20 team points with their second-fifth places. Sophomore Brian Wall placed second with a jump of 10'6". Chris Koth had to settle for third with a height of 10'6" based on misses and senior Dan Wall, jumping in his first varsity meet, cleared 10'6" for fourth place. Joel Hermann had an off night too, and only cleared 9'6" for fifth place. Even though the heights were not the best, pole vault coach Rick Robinson was pleased to see the vaulters score so many points for the team.

The 4x100m relay team of Chris Canter, Jim Thelen, Jason Strobel and Sparks finished third with their best time of the season - 46.4 seconds. "They ran hard, but their handoffs still need work," reported Coach Gosa.

The 4x400m relay team of Paul Mertz, Darrell Woebeking, Chad Will and Josh Rieder, subbing for injured Luke Kehres, finished third with fastest time of the season, a time of 3:52.3.

Jason Strobel broke the 24 second barrier for the first time this season when he finished fourth in the 200m dash with a time of 23.9 seconds. Sparks finished in sixth place with a

time of 24.2 seconds and Canter finished seventh with a personal best time of 24.8 seconds.

Senior Josh Rieder finished fourth in the triple jump with a season best jump of 37'2-3/4". "After he ran on the 4x400m relay, I found out that his toe has been injured the last couple of weeks, but he still filled in for the team," reported Coach Gosa.

Matt Belger finished fourth in the 1600m run with a career best time of 5:07.5. Teammate Bryan Kraft was one place behind with a time of 5:10.7. Kraft also posted the fastest 800m split of 2:19 on the 4x800m relay team which finished fifth with a combined time of 9:47.3. Troy Kedroske, Josh Repovsch, and Scott Mueller joined Kraft on the relay team. Belger also finished seventh in the 3200m run with a season best time of 11:33.8.

Senior Andy Christoffersen placed fourth in the long jump with a career best jump of 19'1", Canter finished fifth with a distance of 18'2" and Rieder finished sixth with a jump of 17'7".

Freshman Luke Kehres finished fifth in the 400m dash with a time of 57.25. Kehres suffered a pulled muscle in the race and hopefully, will not miss any big meets. Kehres is the team's best 400m dash runner.

Paul Mertz and Tom Ogi both tied for fourth at 5'3" in the high jump. Strobel placed eighth in the 100m dash in 11.9. Troy Kedroske also placed eighth with a time of 2:24.9 in the 800m run, and Scott Mueller placed eighth in the triple jump with a career best 34'.

"I was happy that the team finished third out of the six teams. We had a lot of personal bests at the Washington County Outdoor on Tuesday in Kewaskum and tonight we were not always as focused, I thought, with their prom coming up on Saturday," concluded Coach Gosa.

TORNADO FACTS

Thunderstorms are classified as single-cell, multi-cell, or super-cell. Each "cell" contains an "inflow" updraft region and an "outflow" downdraft region. Updraft regions consist of moist, unstable, buoyant air rising upwards at speeds of 30 to 90 mph. Downdraft regions can consist of heavy rains, hail, poor visibilities and sometimes strong, damaging downburst winds of 100 mph or more. Supercell thunderstorms, characterized with one large, long-lived, dominant updraft are the most likely of the three types to produce a tornado, but do not always produce a tornado.

Gosa, Hermann Win Events Girls' Track Sixth at County Outdoor

KEWASKUM -- The Kewaskum High School girls' track and field team finished sixth at the Washington County Outdoor Track and Field Championships held on Tuesday, April 27, at home.

West Bend West nipped Hartford by one point, 124-123, to claim the team title. Hartford was winning the meet by five points over West until the last event, the 4x400m relay. West won the event by narrowly beating the Slinger quartet, to earn 10 points and Hartford finished fifth to only earn four points.

Thus, West won the meet by one point. West Bend East finished third with 112 points, followed by Slinger with 88 points. Kettle Moraine Lutheran finished fifth with 74 points and Kewaskum was two behind with 72 points, followed by Germantown with 66 points.

Freshman Nicole Hermann threw the shot put a personal best distance of 33'4-1/4" to win the event by 6-1/4" over Potter of Germantown. Hermann, like many of her teammates, had missed the Washington County Indoor Championships because of a school band and choir trip.

Sophomore Colleen Gosa won the discus with a throw of 102'1". Gosa's throw was over six feet better than Muentze's throw of Kettle Moraine Lutheran.

Senior Carol Neumann, the defending champion in the 1600m run from last year's County Outdoor, finished second with a time of 5:46.2, compared to Hug of Hartford's time of 5:44.3. The Kewaskum girls only managed to place in the top three in three events.

Senior Jackie Michaels finished fourth in both the 100m high hurdles with a good time of 17.61 seconds and the 300m low hurdles with a time of 51.32 seconds. Both races were won with very good times. The 100m hurdles was won in a

time of 16.7 seconds by Jahn of Kettle Moraine Lutheran and the 300m hurdles was won by Griffin of West in a time of 47.4 seconds.

The 4x800m relay team of Emily Rinzel, Liz Rammer, Kelly Darmody and Lauren Steinhardt in a time of 11:19.5. East won the event in 10:48.0.

Neumann also placed fourth in the 800m run with a time of 2:38.6. "Carol has been having trouble with her knee and that has affected how hard she can train and race," commented distance coach Jerry Gosa.

The 4x100m relay team of Jenny Fettig, Lynn Wiesner, Kristin Schiller, and Tina Lindgren finished fifth with a time of 57.0 seconds. The same group also finished fifth in the 4x200m relay with a time of 2:00.6. East won the 4x100m relay in 54.7 seconds and West won the 4x200m relay in 1:54.0.

Freshman Jolene Clark tied with four other jumpers at a height of 4'8" (places third through sixth) and was awarded sixth place based on the number of misses. Winning height was 5'1" by Klofanda of West.

Gosa also placed sixth in the 1600m run with a time of 6:06 and seventh in the 800m run with a time of 2:40.7. Heather Rieder placed seventh in the long

jump with a distance of 14'4-1/2". Jody Wichtoski also placed seventh in the triple jump with a jump of 29'10-3/4".

The 4x400m relay team of Lauren Schultz, Brooke Zanow, Emmy Foerster and Michelle Zingsheim finished seventh with a time of 4:42.1.

Wichtoski also placed eighth in the high jump with a leap of 4'6" and Lindgren finished eighth in the 100m dash with a time of 14.2.

"As a team, we didn't have the success that I was hoping for. I knew that Hartford and West Bend East would be tough. West Bend West, however, came on very strong. They are a lot stronger now than they were early in the season. I think we had some great individual performances. Colleen and Carol are doing well, as are Jackie and Jody. It is always special when the athletes are finding personal success," reported head girls coach Joe Kinney.

TORNADO FACTS

Roughly 80% of Wisconsin's tornadoes are weak with wind speeds of 50 to 110 mph. About 19% are rated as strong with wind speeds of 110 to 205 mph. Luckily, only 1% are violent with wind speeds over 205 mph.

Gosa Wins Discus, Wichtoski Snares Triple Jump Girls Conquer Altheimer Invite

PEWAUKEE -- The Kewaskum High School girls' track and field team won the team title at the Altheimer Track Invitational on Friday, April 30, by totaling 128 points.

Cedar Grove-Belgium finished with 116 points for second place; host Pewaukee finished third with 106 points; Elkhorn finished fourth with 88 points; St. Francis came in fifth with 66 points and Union Grove was sixth with 16 points.

Sophomore Colleen Gosa won the discus for the third time in a row at an invitational meet with a throw of 103'2", exactly four feet ahead of Bahr of Pewaukee. Gosa also placed second in the 800m run with a season best time of 2:38.8 and fourth in the 1600m run with a time of 6:04.5.

Sophomore Jody Wichtoski won the triple jump with a distance of 29'5" and teammate Lauren Steinhart placed second with a distance of 28'8" to give Kewaskum 18 team points in the triple jump. Wichtoski also tied for second place in the high jump with a height of 4'8".

Carol Neumann, the distance ace for the Indians, finished second in the 1600m run with a good time of 5:51.6 and finished third in the 800m run with a time of 2:41.9.

Jackie Michaels finished second in the 100m high hurdles with a season best time of 17.4 seconds and third in the 300m low hurdles with a season best time of 50.9 seconds. Michaels, new to the long jump, finished third with a jump of 14'1-3/4". Teammate Emmy Foerster in her first outing in the 300m hurdles finished sixth with a time of 54.5 seconds. Heather

Rieder finished sixth in the long jump with a jump of 13'6".

The quartet of Jenny Fettig, Lynn Wiesner, Kristin Schiller and Tina Lindgren finished second in the 4x100m relay with a season best time of 56.7 seconds and third in the 4x200m relay with a time of 2:00.6.

The 4x400m relay team of Lauren Schultz, Brooke Zanow, Michelle Zingsheim and Emmy Foerster finished third with a season best time of 4:39.4.

Amber Averill finished third in the 400m dash with a time of 67.8 seconds, Beth Degner finished sixth with a time of 69.9 seconds and Lauren Schultz finished seventh with a time of 70.4 seconds.

Tina Lindgren finished third in the 100m dash in 13.8 seconds and Jenny Fettig finished eighth with a time of 14.6 seconds in the 100m dash.

Nicole Hermann finished fourth in the shot put with a toss of 30'4".

Stacy Muckerheide and Kristin Schiller finished seventh and eighth in the 200m dash with times of 29.8 and 30.0 respectively.

"Traditionally, we do very well at this meet. The athletes like the running surface, in fact, every year I have to answer the same question. 'Why can't we have a track like this?' I usually just smile and tell them to enjoy it while they can. This is always a fun meet. We got to see different teams, and it doesn't hurt that we have won it the last several years," commented head girls' coach Joe Kinney.

"We had some great performances! We had 26 athletes place in the meet. It

really shows what this team can do when it comes together. Again, injuries are an issue, as they are this time of every year. I hope we can rest up and have another meet like this next Friday at the Sheboygan Falls Vanderpan Invitational," concluded Coach Kinney.

ABC SKAT RESULTS

The winners at skat played at the Town of Scott Hall on Tuesday, April 27th were: Ralph Laux, 18-3--15 net; Harold Eggert, Club solo vs 4.

About nine percent of the American population was born in another country.

"Everybody else comes back from Yellowstone with a bumper sticker and a couple of post cards."
