## Martin Valedictorian at St. Lawrence Seminary

**Lucas Martin**

High school senior Lucas Martin, son of Larry and Louise Ann Martin of Kewaskum, was among the 40 students who were graduated in a baccalaureate ceremony at Saint Lawrence Seminary in Mount Calvary, on Sunday May 23.

Lucas is a member of the National Honor Society, and he was the class valedictorian. Lucas attended Holy Trinity School prior to enrolling at Saint Lawrence four years ago.

Although it was difficult at times to encourage Lucas to attend a live-in high school, his parents, Larry and Louise, are glad their son found Saint Lawrence. "Lucas has turned into such a fine young man," Louise Martin said. "The influence the teachers have had on him, and that of the

Capuchins and his peers has been so positive. The leadership skills he has been able to develop and the encouragement he has gotten from fellow students and from the faculty and staff have developed a great self-confidence in Lucas. He has been both challenged and supported."

"I am especially happy about his spiritual development," she continued. "Saint Lawrence is a special place. I don't know how to explain it to other parents, but I keep trying."

During his four years at Saint Lawrence, Lucas has received 12 Community Builder Awards. He has participated in cross country, wrestling, basketball and track. He was in a musical production, worked as a writer on the student newspaper and yearbook, participated in Varsity Scouts and in Amnesty International.

Lucas has been accepted at the United States Naval Academy in Annapolis, Maryland, where he plans to study either physics or quantitative economics. He is also the recipient of the Kohl Scholarship.

Information about the school's program can be obtained by writing to Saint Lawrence Seminary, 301 Church Street, Mt. Calvary, WI 53057, by calling (920) 753-7515 during business hours or by visiting the web site at <http://www.stlawrence.edu>.

After a 13 hour stand-off with officers of the Washington County Sheriff's Department and SWAT team, and West Bend and Germantown SWAT teams, 35 year old Jeffrey Meyer surrendered himself from his Town of Kewaskum farmhouse to the custody of

the Sheriff's Dept.

By the end of the turmoil, two officers had been struck by the gunfire of Meyer and two others were fired upon. In excess of 40 rounds of teargas was released into Meyer's home by the days end.

The intense turn of events were initiated when the Sheriff's Department received a call from a biker who was con-

cerned about a loose dog who came running after him while he biked past the farm Meyer was working at.

Deputy Tim Ewing approached Meyer at that farm and Meyer allegedly fired a shot at the retreating Ewing. The shot shattered the passenger-side door window of his

# A Memorial Day Letter

MAY 30, 1999

To the Editor:

Tiny flags on millions of American graves will stir gently in the breeze this Memorial Day as our nation gives thanks to the ultimate sacrifices of its citizen soldiers. They fought and died to keep our nation free. Millions of disabled American veterans, who also greatly sacrificed, will be at cemeteries across America to ensure their fallen brothers and sisters are remembered with honor. But it is deeply saddening and disturbing that these men and women, disabled by war, are not remembered. They are part of lost generations who fought in wars, were severely wounded, but go largely unnoticed except when they turn out to salute their fallen comrades on Memorial Day.

To correct that oversight, legislation is pending in the U.S. Congress to create a national memorial in Washington D.C. to uniquely honor disabled veterans who served and sacrificed for their country. I am very proud to be a part of the effort to create a special memorial to honor the nearly 2.3 million disabled veterans living today. This memorial, to be funded by private contributions, will be the first monument dedicated to disabled veterans who are still living.

To accomplish this noble goal, the Disabled Veterans' LIFE Memorial Foundation was created as a non-profit corporation. It is led by Chairman Lois B. Pope, a philanthropist, and President Arthur H. Wilson, Chief Executive Officer of the million member organization, the Disabled American Veterans. Jesse Brown, former Secretary of the Department of Veterans Affairs, serves as Executive Director. The Foundation looks with great anticipation to cooperation from the Parks Service and Congressional approval of legislation to achieve our goal to honor America's disabled veterans.

This memorial will be symbolic of the soul and spirit of America, it will proudly recognize the power and virtue of sacrifice, and to remember those who have defended our land in war and peace. Above all, the memorial will stand as an important symbol of the cost of freedom, a timeless reminder that the sacrifices of disabled veterans are appreciated, and that America salutes its defenders.

Throughout our history, disabled veterans have paid the price for American freedom and have borne the deepest wounds and scars of wars. They are truly our unsung heroes. Therefore, America has a solemn obligation to assure that these men and women who have served and sacrificed for

this country and the cause of freedom will never be forgotten.

The price of freedom continues to be paid long after the guns fall silent -- lost limbs, disability, blindness, paralysis, and other unique, extensive and debilitating injuries. There are also the costs of lives lost and lives shortened, and lives that are forever changed.

Disabled veterans' lives were traumatized by their military experiences. Many will never know the wonder of a morning run because they have no legs or legs that are paralyzed and useless. Others can never hold their children or grandchildren in their arms because they have no arms. Many will never enjoy the beauty of a sunset or a spring day, because they live in eternal darkness. Burned deep within their memories are the horrors and brutality of war. They pay the price of freedom for a lifetime.

The price of freedom has a long history. Today, there are two widows and 15 children of Civil War veterans who receive compensation for the veterans' service-connected deaths. There are 13 American veterans still living today who were disabled in the Mexican Border War against Pancho Villa. There are nearly 779 disabled veterans who suffered from the gas attacks and barrages of World War I. Nearly 798,000 veterans who were disabled during World War II continue their service to America today as part of what Tom Brokaw has

called, "America's greatest generation." Nearly 273,000 Americans disabled during the Korean War are preparing to memorialize the 50th Anniversary of that conflict. Contributing to making our nation great are 815,000 disabled veterans who served during the Vietnam Era. And 231,000 veterans disabled during the Persian Gulf War will be part of the American landscape far into the 21st century.

The nearly 2.3 million disabled veterans in America today continue to make significant contributions to our nation's spirit and vitality. And sadly, that number will continue to grow, because the world is still a dangerous place.

On this Memorial Day, we will give thanks to the approximately 1,000 veterans who die each day. Most of them are World War II veterans, and many of them have died or will die from the complications of wounds suffered during combat. They go with the thanks of a grateful nation. Let us as a people also give thanks to disabled veterans who continue to serve, to contribute, and to do all they can to make this nation secure and prosperous. They, too, should be honored by the nation they served so faithfully.

Sincerely,  
Arthur H. Wilson

(The author is a disabled veteran of the Vietnam War, Chief Executive Officer and National Adjutant of the Disabled American Veterans.)

## Wisconsinites Urged to Put 'Memorial' Back in Memorial Day

Lieutenant Governor Scott McCallum wants citizens to put the 'memorial' back in Memorial Day. He is urging all citizens to pause for a moment of respect on Monday, May 31, Memorial Day, at 2 p.m. to remember those who gave their lives for our freedom.

Speaking at the "No Greater Love" Memorial Day Ceremony Monday, May 24, in the Capitol Rotunda, McCallum reminded the crowd that there is a far more noble purpose behind the holiday than a three-day weekend or the official beginning of summer.

"Memorial Day is a special opportunity in our

nation to honor the memory of those men and women who died in service to our country. To remember those who sacrificed their lives so that we all could live in freedom and the blessings of liberty."

Lt. Governor McCallum says, aside from pausing at 2 p.m. on Monday, citizens should fly the American flag and/or drive with their headlights on as a symbol of remembrance.

The humanitarian organization "No Greater Love" is sponsoring a national campaign to recapture the spirit of Memorial Day. Lt. Governor Scott McCallum served as the main speaker at the Wisconsin ceremony.

squad car. Ewing sustained minor injuries to the face from the shattered glass. After being shot at Ewing called in for assistance.

The deputy returned fire but Meyer had escaped to his own farm about a mile north where a shotgun and two rifles were available to him. The two rifles were never used according to Sheriff Jack Theusch.

Deputy Ewing was treated and returned to his post later in the afternoon.

The Washington County Sheriff's Department and West Bend SWAT teams responded to the scene after it was apparent that Meyer was not coming out of his home. Members then encompassed a square-mile radius of the house.

Deputies attempted to reach Meyer by phone but he refused to answer repeated calls.

Meyer's mother was brought to the scene. She made repeated pleas to her son to relinquish himself from the house.

With all options exhausted it was decided the only way to bring a halt to the situation was by exposing Meyer's surroundings with tear gas.

Numerous rounds were fired, but the mission was unsuccessful. Meyer remained inside his refuge.

The situation dragged on throughout the afternoon. Travis Vickney, a member of the West Bend SWAT team sustained a gunshot wound in his leg shortly after 12:30 pm.

He was transported to St. Joseph's Community Hospital in West Bend by Kewaskum Rescue Squad. He was treated and released from the hospital and returned to again take up his position on the scene.

Sgt. Jeff Gonzalez escaped death when a bullet which was fired at him hit his shield destroying it.

At that point sharpshooters were authorized to return fire upon Meyer if necessary.

Meyer's girlfriend was also brought on to the scene to try and coax him from the house. She was also unsuccessful.

Sheriff Jack Theusch stated he called the Kenosha County Sheriff's Department for use of their armored personnel carrier. It arrived on the scene at 8 pm. Several more rounds of the tear gas were released into the home. At that point a bright flash was seen and smoke belled out of the home's broken windows indicating a fire had erupted.

Minutes later Meyer came to the back door, shotgun in his left hand and a towel covering his right hand. Detective Mike Reibe assured Meyer everything would be fine and to drop his weapon and move slowly out the door. He did so. Moments later he picked up his shotgun, dropping it to the ground one final time. He moved several feet from his refuge and was taken into custody. Flames came bursting through the window of the house as Meyer was arrested.

Meyer was transported to St. Joseph's Community Hospital by Kewaskum Rescue Squad where he was treated for smoke inhalation.

Kewaskum Fire Department responded and put out the fire.

Theusch stated that his department has had problems

with Meyer in the past, and that it was believed he was on medication. He further indicated some of the confrontations had been violent but never this dramatic after which he had always been referred to the proper medical officials.

Theusch also stated he was concerned with the TV helicopters that were present for most of the day's events. At one point he said he radioed for them to "back-off" and they did, but it was a problem later in the evening, making communications with Meyer difficult. He further stated that Meyer had made contact with him to get rid of the helicopters, that was the only direct contact they had with him the entire day.

Meyer made an initial court appearance the following day. A cash bail of \$200,000 was set.

He was charged with four counts of attempted first degree homicide and one count of refusing to comply with a lawful order in Washington

County Circuit Court.

A psychiatric exam was ordered for Meyer at the Winnebago State Hospital in Oshkosh. Meyer's attorney ordered the examination.

## IN MEMORY

In loving memory of GERALDINE (GERI) GAVIN, who passed away nine years ago, May 28, 1990:

There's a door that never closes,  
Though it opens but one way  
It's the door that leads to Heaven  
At the end of life's long day.  
It's the threshold of forever  
Where the heart is always glad,  
It's a respite for the weary  
And a comfort for the sad.  
It's the door to peace and healing  
And the door to joy and grace.  
Where the Master greets each guest by name  
And with a warm embrace.  
And the loved ones who pass through into the light that's shining there.  
Find a sweet and perfect home within our Father's loving care.

Sadly missed by mom and family.

## West Bend Surgery Center Now Open

West Bend Clinic -- Advanced Healthcare, S.C. is opening a state-of-the-art day surgery facility adjacent to the Clinic's West Bend Center on Vogt Drive, one-half mile west of Highway 45 off Paradise Drive.

More than 50 percent of all surgeries in the United States are now performed on an outpatient basis. Day surgery (also called ambulatory surgery or outpatient surgery) usually takes two hours or less, involves minimal blood loss, a short recovery time and requires only oral medications to control post-operative pain.

The majority of procedures performed in day surgery center fall into the following categories: ophthalmology, gynecology, podiatry, orthopaedics, ear/nose/throat, general and plastic/cosmetic surgery.

Common same-day surgeries include cataract removal, back pain injections, bunion surgery, tonsillectomy, colonoscopy, rotator cuff repair, D&C, laparoscopy, repair of broken bones, cyst removal, laparoscopic hernia repair and a wide range of cosmetic procedures.

The free-standing surgery center concept has been discussed in the West Bend business community in recent years as a way to manage rising health care

costs.

West Bend Clinic has more than 30 physicians on staff who see patients at clinics in West Bend, Kewaskum and Jackson. It is projected that these and other West Bend area physicians will perform 2,000 surgical procedures and 900 endoscopic procedures at the new West Bend Surgery Center in the first year of operation.

West Bend Surgery Center is part of West Bend Clinic, a division of Advanced Healthcare, S.C. Advanced Healthcare, S.C. is the largest physician-owned, multi-specialty group practice in South-eastern Wisconsin, with more than 250 physicians providing care at 16 locations in Washington, Ozaukee, Milwaukee and Waukesha Counties.

By Jerry Gosa

BEREA, OHIO -- Kewaskum's Marni Lynn of Carroll College won the 3,000m run at the NCAA Division III Women's 1999 Outdoor Track and Field Championships on Friday, May 21.

Lynn, only a sophomore, won the race in vintage Lynn style, by leading from start to finish. Lynn posted an excellent personal best time of 9:48.84 to win the 3,000m event by over six seconds.

This is the second national championship for Lynn who won the indoor NCAA 1500m title back on March 13 with a time of 4:32.73 at Ohion Northern University at Ada, Ohio.

Then on Saturday afternoon at 1 p.m. Lynn lined up for the start of the 1500m event with less than 18 hours to recover from her previous race. Lynn had the fastest time in the preliminaries which were held on Thursday night and also the number one ranking in the nation for the 1500m distance. Lynn led the first two laps, but didn't quite have the strength to separate herself from the pack of 12 runners.

On the third lap two runners and later two more runners passed her. Lynn worked hard and stayed

with them, but was unable to pass them by the end of the race. Lynn finished fifth with a time of 4:33.96. Jayna Mathiew of St. Olaf College in Minnesota won with a time of 4:30.55.

"I did what I came here to do. Win one (the 3,000m race) and become an All-American in the other," responded Lynn when questioned later after the race.

"How can we be disappointed? Marni is a national champion again and a three time All American. Her time of 9:48.84 is a personal best and a Carroll College school record. She ran really awesome in the 3000m race," commented head coach Brian Bliese.

Lynn ran very consistent splits of 79 seconds per lap until the second last lap where she recorded a 77 second split and then finished with a 73 second split for her last lap according to her coach. "She ran very, very smart; and to run a 2:30 half at the end of the race is excellent," beamed a happy and proud coach Bliese. "You should have seen those guys jumping around after I won the 3,000m race," reported Marni.

When asked how it feels to coach an athlete like Marni Lynn, Coach Bliese responded, "It's fun and

exciting. She is the school's first and now second national champion. She had a great weekend. We debated about doubling her at nationals with the idea that if she wins one -- fantastic and that she could be All-American in both."

"It is exciting to see the program develop. Both the mens' and womens' teams won the indoor and outdoor conference titles," stated Coach Bliese.

In summary, Coach Bliese offered the following, "Marni had a fantastic weekend. Our goal for the two races was to be All-American in both, and if we won -- great, and if we won both, we're selfish. We accomplished our goals. All-American in two events and a national champion. A tremendous compliment to Marni."

For a brief time in 1998, Lake Champlain—on the border of Vermont and New York—was officially designated as the sixth Great Lake.

## West Bend Air Festival May 29-30

Thrilling aerobatics, a clown helicopter, military flybys and a patriotic Memorial weekend ceremony will be highlights of the first West Bend Memorial Air Festival on Saturday and Sunday, May 29-30, from 9 a.m. to 4:30 p.m. at the municipal airport on Highway 33, a mile east of the city.

The event, which is being produced by Baker Company, Inc. in conjunction with the local Experimental Aircraft Association (EAA) Chapter 1158, is a community-wide effort to entertain and educate adults and children, according to festival organizer Herb Baker, a local real estate building and aerobatic pilot.

"Dozens of West Bend

civic and business leaders are joining together to honor local residents who made military and general aviation history. The festival will also mark the 70th anniversary of the airport and the first anniversary of a windstorm that severely damaged airport hangars and planes last May," Baker said.

The schedule is the same on both days. EAA educational booths and local aviation history displays will open at 9 a.m. Antique, homebuilt, military and general aviation planes will participate in a Parade of Flight at 11 a.m. and be on static display throughout each day.

At 1 p.m., city officials will join local VFW and American Legion members in dedicating the Earl Stier Flag Pole Memorial to honor all local military and civilian aviation pioneers. Stier was a World War II P-51 fighter pilot who helped start the West Bend Flying Service after the war and was airport manager from 1960 to 1988.

An air show from 1:30 to 4:30 p.m. will feature skydivers, six aerobatic performers, a military flyover and a performance by Otto the Clown Helicopter. (Rides in Otto are available all day at a cost of \$20 for children and \$25 for adults).

The aerobatic performers are Dave Dacy in a Super Stearman; "Tiger Tom" Klassen in a Sukhoi Su-26 aerobatic plane; Herb Baker in "Ditto," a T-28C Warbird; Mark Streitz, "The Flying Dentist," in a Christen Eagle II; Susan Dacy in Big Red, a 450 Stearman; Sid Nelson, "The Flying Far-

mer," who does one of the world's lowest inverted ribbon-cuts in a clipped wing Taylorcraft; and the wing-walking team, Dave Dacy and Tony Kazian in a Super Stearman.

The EAA's Young Eagles Program, which gives a free introductory plane ride by EAA volunteers to young people, ages 8-17, will operate from 8 to 10 a.m. Saturday and Sunday.

Free small flags and air festival programs will be distributed each day while quantities last. Air show performers will give free autographs throughout the day. A wide variety of food and beverages will be available; carry-in food and beverages, alcohol and pets are not allowed.

Major air festival sponsors include Bob Fish Pontiac Buick GMC; Moore Designs, Inc.; West Bend Harley-Davidson; M&I First National Bank; Pick 'N Save and West Bend Air, Inc.

Admission is \$8 for adults and \$4 for children, ages 5-12. Children under the age of five are free. Parking at the airport, which is \$5 per car, is limited to 500 cars and available if the ground is dry. Free parking is available at the County Courthouse at Indiana Avenue and Hwy. 33, and at East/West High School at Decorah and River Roads. Roundtrip shuttle bus rides cost \$1 per person (ages five and up).

The airport will be closed to general air traffic from 2 to 3 p.m. on May 28 and 1 to 4:30 p.m. May 29-30. For more information call 414-334-6127.

## The Days of May

by Ami

Each of us has a precious memory or two of those glorious spring May Days. For some, their wedding. For others, the move into their new house after a winter of building. Or, perhaps, their high school or college graduation!

For me it is the memory of the first real warm, earth-pulsing days of spring when new life itself bursts forth in millions of winter-dormant plants and trees. The miraculous rebirth producing untold beauty both in leaf and blossom provides one with a whole new look at life with its proverbial ups and downs! Fertile landscapes that had been etched in the ermine-white of freshly fallen snow now are framed in the alive-green of new growth. Wild flowers almost like magic appear hither and yon. And to our hearts we have the added joy to find bulbs and seeds we sowed the past fall now are resplendently showing off colorful blooms.

Indeed, the days of May pass only too quickly. However, just as the passing of our earthly days, they give us the opportunity to have positive memories. Factual remembrances that no one can take from us. Actual experiences which give us the faith to firmly know no matter how cold, how destitute those dreary winter months, there once again shall be a SPRING TIME...a glorious renewal of verdant life!

If you have questions regarding the above, just take a quick or slow hike through a nearby woodland. See for yourself the miracle wrought during this heaven sent month. Yes, discover why May is so many folks favorite month of the year. And go home with a whole new bundle of lifting memories you can treasure both in the now and for years to come.

## Dale Prunty Challenges to Be a Contender at Slinger

With the name Prunty being synonymous with the sport of racing at the Slinger Super Speedway, it's no wonder Dale Prunty, youngest of the five Prunty brothers has taken the challenge to be a competitive contender for the Modified Championship.

Dale Prunty, 21, of Allenton has worked on the race cars for three of his brothers since he was able to hold a wrench.

The "baby" of seven, he learned quickly how to be a part of a team. That is how Dale earned the chance to get behind the wheel of a stock car.

Last year, in his first year of competition, Dale scored 11 top five finishes and two checkered flags on the quarter mile asphalt track. He finished third in the overall point standings and took the 1998 Rookie of the Year honors in the Slinger Stinger Division with his #42 Monte Carlo.

Competition was strong in that division with talented and aggressive drivers such as champion Dave Berndt and Pete Wiedmeyer, both of West Bend.

This year is a different story... different division... different car... and stiffer competition. His brothers, Dan and David bought a five-year-old left-hander chassis modified from well known driver Dale Weyer for Dale to drive.

The sponsors for this black and yellow #17 modified are Post Printing, Wiedmeyer Express, both of West Bend; Motor Masters, Jimmer's Juke Box, Bull's Trucking, Luedtke Lumber and Marchant Schmidt Inc. Without the monetary help of these sponsors, the racing

teams would have a hard time competing with the high tech and high buck racing in various divisions.

Dale works at Post Printing of West Bend as a second press operator. He has a great opportunity to be the 1999 Rookie of the Year in the Modified Division and to follow in his brother, Dennis' footsteps. No pressure at all for this good-looking young man!

Brother Dan, the crew chief for all the teams and financial partner in some of the teams, has high ambitions and goals for his brothers. Not only does he want Dale (#17) to become the Mod Rookie of the Year, but he wants Dennis (#1) to win the championship in Mod Division and David (#1) to win the Late Model Championship this year.

With hard work, determination and some luck on the track, these goals will become reality. Dan feels his brothers have enough talent and are geared up for the challenge.

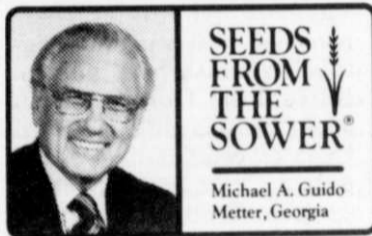

Dan works at Quad Graphics on a four-day, three-day work schedule. This gives him the time to work on the race cars and make the work plans for the crew members. He is the "hub" of the Prunty Racing Teams. Dan and his dad, Doug Sr., are the force behind the scenes and own D & D Extreme Racing

Enterprises.

For the past few weeks, you have read about just one of the many families who make racing a family affair. Today the atmosphere in the sport of racing is a harmonious one, where the family is a part of the activities both in the pits to work on the car, or having a picnic in the stands.

After the races, the pit area is always open and the drivers welcome the fans to come in and receive pictures and autographs. Take time out on a Sunday evening and visit the Slinger Super Speedway. Qualifying starts at 6 p.m. with the racing starting at 7 p.m.

Promoter Wayne Erickson has made a great effort to finish the racing program at a reasonable hour because the next day is a work day. You won't be disappointed. Five different divisions with five different forms of racing all rolled into one night, including the Figure Eights and the Team Cruisers. See you there.

# KHS Wins Five Events Boys Third at Frosh/Soph Conference Track Meet

By Jerry Gosa

SHEBOYGAN FALLS -- In one of their highest finishes in seven or eight years, the Kewaskum freshmen and sophomore members of the boys track team surprised themselves and the Eastern Wisconsin Conference with a third place finish on Monday, May 17, at Sheboygan Falls High School.

Sophomore Charlie Sparks, as expected, led the team with two individual first places and anchored the winning 4x100m relay team.

Sparks, the Eastern Wisconsin Conference Champion in the discus just four days earlier with a winning throw of 153', entered the Freshmen/Sophomore Conference meet as the obvious number one seed.

Opposing coaches predicted that Sparks would break the Freshmen/Sophomore Conference meet record of 135' and he didn't disappoint them as he won the event with a good throw of 149'3". Sparks also won the shot put with a throw of 41'11", three and one-half feet off his season best.

The 4x100m relay team of freshmen Chris Canter, Tony Fitts, Tom Ogi and sophomore Sparks, won with a good time of 47.2 seconds.

Chris Canter, third place finisher at the conference meet in the long jump, the previous Thursday, won his specialty with a good leap of 18'10". Canter also placed fourth in the 100m dash with a time of 12.5 seconds.

Sophomore Brian Wall

continues to impress in the pole vault with a winning jump of 11'0". Walls has now jumped 11' consistently in the last three track meets. One of the biggest surprises for Kewaskum was not the second place finish of freshman Tom Ogi in the pole vault, but the fact he cleared a personal best of 11'. Ogi has made great improvement in his first season of pole vaulting in the last few weeks.

His second place vault of 11'0" was two and one-half feet better than his previous best in a meet. Wall made 11' on his second attempt and Ogi on his third attempt, and thus Wall placed first and Ogi second. Pole vault coach Rick Robinson continues to praise the jumping of Brian Wall and Tom Ogi. "Both of these guys are doing a real good job. Brian has established himself as a very consistent vaulter and Tom has really made a lot of progress as a freshman vaulter," commented Coach Robinson.

Freshman Brian Kraft ran a personal best time of 2:16.2 in the 800m run and placed fourth. Sophomore Amel of Plymouth won with

a time of 2:08.9.

Sophomore Darrell Woebeking placed fifth in the 400m dash with a time of 58.0 seconds. Woebeking has made great progress since his freshman year in both his work ethic and performances in meets.

Freshman Justin Rhodes placed fourth in the long jump with a jump of 16'5" and Tony Fitts placed seventh with 15'11". Sophomore Troy Kedoski placed seventh in the 800m run with a time of 2:33.2.

Sophomore Paul Mertz, who has been hampered by an ankle sprain, tied for fourth placed in the high jump, clearing 5'8". Ogi placed sixth with a jump of 5'4".

New Holstein, winners of the Conference Championship on May 13, also won the Frosh/Soph Conference meet with 99.5 points, edging Plymouth by 5 points. Kewaskum finished with 91.5 points, Sheboygan Falls placed fourth with 86 points, just two ahead of Chilton. Two Rivers placed sixth with 80.5 points, Kiel seventh with 66 points and Roncalli eighth with 44 points.

## Your Local Library .... Take a Look

Keep your child entertained this summer by enrolling them in our summer reading program. Not only will they have fun, they will keep up valuable reading skills over the summer! The theme this year is: Go Global: Read! Each week we will focus on a different continent and have programs to reflect that culture. Kids (through entering 6th grade in the fall) will collect prizes as they read and collect "Global Bucks" to use to purchase additional prizes. Children who are too young to read will have special programs geared to them and can collect prizes for being read to. This year's reading program will last from June 7th to July 16th. Signup starts June 1st.

We are also looking for volunteers for the summer to help with the programs. If you have some teen-agers that need to be occupied this summer, or if you have some time yourself to give, please give Jill Wenger a call at 626-4312. We always have a great time with the kids in the summer!

If you feel the need for some entertainment this week, check out some videos from the library. People who come in on Friday or Saturday can keep their movies an extra day and return them on Tuesday.

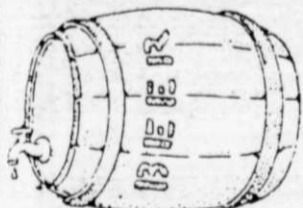

This is the last Saturday the library will be open until after Labor Day. After this weekend our schedule will be: Monday, Tuesday and Wednesday from 10 a.m. to 8 p.m. and Friday from 10 a.m. to 5 p.m.

The following is a partial list of items that the library has purchased in May. If you

see something you like, please come and see us. We are on the corner of Railroad and First Streets in the heart of the village. You are entitled to a free library card, no matter where you live in the state.

## KHS Girls' Track Sixth At Conference Relays

By Jerry Gosa

KEWASKUM -- The Kewaskum girls' track team finished sixth at the Eastern Wisconsin Conference Relays on Thursday, May 20. Conference champion Chilton won six events and scored 88 points, edging Manitowoc Roncalli by 10 points.

Sheboygan Falls finished third with 73 points, followed by Two Rivers with 59 points. New Holstein scored 51 points for fifth and Kewaskum tallied 46 points for sixth place. Plymouth finished seventh with 44 points, and Kiel scored 32 points for eighth place.

The host Kewaskum girls' team highest finish was a pair of second places by the discus relay team and the 900m low hurdle composite team.

Kewaskum's three discus throwers, Colleen Gosa, Nicole "Coco" Herrmann, and Becca Gundrum's best throws totaled 263 feet and two inches (263'2"), enough for the runner-up spot. Chilton's relay team won the event with a combined total of 311'2".

Sophomore Colleen Gosa led the Kewaskum team with a personal best throw of 113'3" in the discus. Herrmann threw 76'10" and Gundrum recorded a throw of 73'1".

"Great efforts as individuals and as a team," commented Coach Joe Kinney. The same threesome placed sixth in the shot put with a combined total of 83'10". Chilton clobbered the opposition with a combined total of 102'10".

In the 900m low hurdle composite, senior Jackie Michaels, sophomore Emmy Foerster, and freshman Emily Shulka ran individual times of 51.4, 54.2 and 57.6 seconds respectively for a combined time of 2:43.2 to place second. "I'm very proud of their efforts," replied Coach Kinney.

The Kewaskum high jump team of Michelle Zingsheim, Jolene Clark and Jodi Wichtoski placed fourth with a combined total of 13'6". Both Wichtoski and Clark cleared 4'8".

The 1600m medley relay team of Beth Degner (400m), Heather Rieder (200m), Stacy Muckerheide (200m) and Carol Neumann (800m) finished fourth with a time of 4:43.5. Two Rivers won the medley relay with a time of 4:29.3.

The long jump team of Jodi Wichtoski, Heather Rieder, and Jackie Michaels combined for a total distance of 40'4", also for fourth place. Michaels had a jump of 13'10-1/4" to lead the Kewaskum jumpers. The Chilton threesome totaled 40'11-1/4" for first place. Only 12 inches separated

rated first through sixth places.

The triple jump team of Melissa Lark, Lauren Steinhardt, and Jodi Wichtoski finished fifth with a combined total of 85'1-1/2" counting each of their best jumps. Wichtoski's jump of 29'9" was the best for Kewaskum. Two Rivers won with a total of 93'4-1/4".

The 4x100m relay team of Jenny Fettig, Lynn Wiesner, Kristin Schiller and Tina Lindgren finished fifth with a time of 55.7 seconds. The unit placed sixth in the 4x200m relay with a time of 1:58.3. Coach Kinney praised the 4x100m relay team for getting one of their best performances this season.

The 3x1600m relay team of Colleen Gosa, Heather

Hackbarth and Elizabeth Rammer also finished fifth with a time of 19:09.5. Gosa led the trio with a time of 5:52 for her 1600m leg.

The 4x800m relay team of Emily Rinzel, Heather Hackbarth, Kelly Darmody and Lauren Steinhardt also placed fifth with a season best time of 11:09.4. Chilton won the event with a time of 10:26.9.

The 4x400m relay team of Lauren Schultz, Brooke Zanow, Michelle Zingsheim, and Emmy Foerster placed fifth with a time of 4:36.5.

The 800m sprint relay team of Jackie Michaels (200m), Jenny Fettig (100m), Choral Choinski (100m), and Emma Chambers (400m), placed eighth with a time of 2:16.1. The Sheboygan Falls relay team won with a time of 1:57.8, just edging the time of 1:58.3 by the New Holstein relay team.

Coach Joe Kinney looked at the relay meet as an

opportunity to make some different relay combinations. He ran an all-senior team of athletes in the 800m sprint relay team. "Choral Choinski and Emma Chambers have been hurt all season long, so this was their last chance to be in a home meet. They did very well," commented Coach Kinney.

"I was very impressed with the underclass athletes. They were needed as a third member of many relays, and they filled in very nicely. Some examples were Michelle Zingsheim in the high jump, Melissa Lark in the triple jump, and Emily Shulka in the 900m low hurdle composite. All in all, I am very proud of the whole team!" concluded Coach Kinney.

## KHS Girls Seventh at Frosh/Soph Track Meet

By Jerry Gosa

SHEBOYGAN FALLS - Coach Joe Kinney opted to leave his freshmen and sophomore varsity athletes out of the Freshman/Sophomore Conference meet, and used the meet to give the remaining freshmen and sophomores an opportunity to participate.

Therefore, the Kewaskum girls team had difficulty against the powers of the Eastern Wisconsin Conference and finished seventh. Two Rivers won the meet with 124 points, easily outdistancing Sheboygan Falls who scored 97 points.

New Holstein placed third with 87 points, just four ahead of Chilton. Kiel finished fifth with 61.5 points, Plymouth was sixth with 56.5 points, followed by Kewaskum with 48.5 points. Roncalli finished with 40.5 points.

ons.

"Emmy Foerster did well in both the 400m dash and the 300m low hurdles. We gave some of the people who normally don't get into a big meet a chance to participate tonight," reported Coach Joe Kinney.

## KHS Wins Two Events Boys Track Sixth at Conference Relays

By Jerry Gosa

KEWASKUM -- The New Holstein boys' track team as expected, dominated the Eastern Wisconsin Conference Relays on Thursday, May 20.

New Holstein, winners of the Eastern Wisconsin Conference Championships and the Freshmen/Sophomore Conference Championships, amassed 123 points to easily beat Plymouth, who finished second with 83.5 points.

Two Rivers finished third with 77 points, Chilton fourth with 63 points, and Roncalli fifth with 45.5 points. Kewaskum totaled 43 points for sixth, Kiel 37 points for seventh and Sheboygan Falls tallied 31 points.

Kewaskum, without a lot of team depth, had difficulty being competitive in a relay meet of this type. The Kewaskum boys team did manage, however, to win the team pole vault competition and the 4x200m relay.

Pole vaulters Brian Wall, Chris Koth and Dan Wall set a new KHS school relay meet record of 34' with their combined heights. Sophomore Brian Wall improved six inches by clearing a personal best height of 11'6". Junior Chris Koth also went 11'6" and Brian's brother, senior Dan Wall, cleared a personal best of 11'. The previous record had been 33'. Coach Rick Robinson said, "their hard work has really paid off for these three vaulters."

The 4x200m relay team of Jim Thelen, Chris Canter, Jason Strobel and Charlie Sparks served notice that they will be ready for this event next season when they won with a time of 1:36.6 (The boys 4x200m relay will be regular event next season. The girls will add the pole vault event and then boys and girls will both each participate in 18 events).

Sophomore Sparks ran a good anchor leg that left no

doubt that Kewaskum was going to win the event. Plymouth finished a full second behind Kewaskum.

"Thelen ran very well at the conference meet in the 100m dash and we decided to let him start both the 4x100m and the 4x200m relays. He did very well," commented Coach Jerry Gosa.

The same sprinters placed third in the 4x100m relay with a season best equaling time of 46.2 seconds. "I know that they want to break 46 seconds, but they might have to wait until next year. They will need to lift weights and work real hard at this next year to develop the strength and quickness to achieve this goal," predicted Coach Gosa.

The three Kewaskum long jumpers, Chris Canter, Andy Christophersen and Josh Rieder, combined their individual best jumps of the night to place third with a combined total of 50'5". Freshman Chris Canter's jump of 18'5-1/2" was the best distance of the three Kewaskum long jumpers.

While Kewaskum finished last in both the three-man combined total distance discus and shot put teams, sophomore Charlie Sparks had respectable throws of 142'9" in the discus and 43'1" in the shot put. "Charlie needs to be ready for regional competition on Monday, May 24," commented Coach Gosa.

Josh Rieder, Scott Mueller, and Justin Weninger totaled 102'11-3/4" to place fifth in the triple jump. Rieder jumped 35'11-1/4" to lead the Kewaskum jumpers.

The 4x800m relay team of Justin Weninger, Troy Kedroske, Josh Repovsch, and Bryan Kraft finished sixth with a time of 10:02.7. Two Rivers blew everyone off the track with a winning time of 8:21.1, over 26 seconds ahead of second place Sheboygan Falls.

The Kewaskum 1600m

medley relay of Chad Will (400m), Darrell Woebbecking (200m), Tom Ogi (200m), and Scott Mueller (800m) also finished sixth with a time of 4:06.1. Plymouth finished first with a time of 3:44.7.

The 4x1600m relay team of Darrell Woebbecking, Bryan Kraft, Josh Repovsch and Matt Belger finished seventh with a time of 21:38.4, while Plymouth won with a time of 19:21.6.

The Kewaskum 800m sprint relay team of Jason Strobel (200m), Jim Thelen (100m), Chris Canter (100m) and Luke Kehres (400m) finished seventh with a time of 1:46.3. New Holstein won with a time of 1:38.7.

The 4x400m relay team for Kewaskum continued to struggle with a last place finish. "It is going to take some time for these younger athletes to develop the strength and endurance to become more competitive in this event. I think we have made progress, but they will have to continue working hard at this next year," concluded Coach Gosa.

# Indians Wrap Up Runnerup Spot in Eastern Wisconsin Golf

The Kewaskum High School boys varsity golf team traveled to Mishicot to compete for the Eastern Wisconsin Conference Golf Championship on Thursday, May 20.

Heading into the conference tournament conducted at Fox Hills, The National Course, the Indians were firmly entrenched in second place upon the completion of their dual meet season. Yet, the KHS linksters hoped to use the conference tournament as a springboard into the upcoming W.I.A.A. tournament series.

The annual conference championships were hosted by Washington High School of Two Rivers at the Fox Hills Resort and Convention Center in Mishicot. Fox Hills has been the site of many (WIAA) sectional and even state championship tournaments over the years.

Fox Hills, The Traditional (27-hole) Course, has served as the home course for the Two Rivers Raiders in recent years and for their Eastern Wisconsin Conference matches.

After all eight-member schools in the EWC completed their dual meet matches, the perennial powerhouse Panthers of Plymouth led the league with an unblemished 7-0 conference record. The inconsistent Indians of Kewaskum held the second spot by virtue of their 5-2 ledger, followed closely by both Chilton and Kiel at 4-3 and Manitowoc Roncalli, all level at 3-3-1.

Therefore, the conference tournament promised to be a very competitive match throughout.

With ten foursomes teeing off on Hole No. 1 between 9 and 10 a.m., the first round of scores were recorded and posted at the turn. Teams started and finished with the fifth through first ranked players in order.

Thus, after the No. 5 thru No. 3 ranked players had tallied their front nine numbers, the Indians led the Plymouth Panthers by one stroke. Unfortunately, this small advantage was short-lived and tentative as

their nine hole scores.

The Panthers demonstrated their prowess by tallying two subpar rounds to recapture the lead in overwhelming fashion. Plymouth's No. two and one golfers recorded a 35 and 34 respectively.

From that point on, all the other conference teams were competing for second place in a tightly contested battle. Four teams within two strokes of each other (ranging from 169 to 171) were far outdistanced by conference leader, Plymouth's 152.

The Indians rallied on the back nine from fifth place to second place overall. All but one of the Kewaskum varsity team members improved their score and their team's position on the second round.

Sophomore Jon Boedeker (46 to 40) bettered his score by six strokes, with Clint Herrick (45 to 44) and Todd Wright (43 to 42) improving by one and Curt Koth holding steady at 42-42. Once again, senior Shaun Timblin tied for team medalist with a (41-43) 84 total.

When all the scores were recorded, posted and tallied, the Indians of Kewaskum took third in the 18-hole championship tournament, trailing both Plymouth and the host Raiders of Two Rivers.

However, by virtue of their second place standing in the dual meet season, the Indians finished second overall in the Eastern Wisconsin Conference. Their nearest regular season conference competitors, Chilton and Kiel, both finished in the lower half of the linkster league.

Only Junior Curt Koth made the All-Conference (Second) Team by recording the tenth lowest total score of the tournament. Although his score was tied by four others, including Shaun Timblin, Curt was awarded the EWC medal for having the lowest score on the hardest hole.

The Indians were very consistently solid by recording scores from 84 through 89. But the top two teams benefitted from at least one

try Club. The top three teams and three individuals, not on those teams, advance to next week's June 1st Ripon Sectionals at Lawsonia Links.

The inspired Indians will need to step up their performance in order to continue to advance or they will finish another season as the proverbial also rans.

score in the 70's. Plymouth had the top two individual scores, sophomore Nate Colson's 70 and senior Bryan Clark's 76.

This, the eighth of the season, team tournament gives the Indians a good indication of the type of play required to win and advance through the upcoming W.I.A.A. Series of Tournaments (Regionals, Sectionals and State).

Kewaskum hosted the Division Two Boys Golf Regional Tournament on Wednesday, May 26, at Hon-E-Kor Golf and Coun-
