## Fire Destroys Two Industrial Buildings

A fire that occurred at approximately 5:10 am in the Town of Barton, is under investigation by the Washington County Sheriff's Department. Assisting the Sheriff's Department is Alcohol, Tobacco and Firearms and Wisconsin Division of Criminal Investigators. The fire was discovered at An-Gun, Inc., 7595 Otten Lane, by a Washington County Sheriff's Deputy. A simultaneous 911 call was also received. The fire involved two An-Gun buildings that were located to the rear of Lynn's Wastepaper, seven miles south of Kewaskum. West Bend Fire Department responded with assistance from Allenton, Kewaskum, Kohlsville and Newburg Fire Departments. No injuries were reported. No damage estimate was available.

### Van vs. Train Accident Claims Woman's Life

By Andrew R. Kuehl  
Staff Writer/Photographer

**TOWN OF WAYNE-** A Hartford woman tragically lost her life Monday evening at approximately 6:49 p.m. on Commercial Lane south of CTH D. The woman and her husband were traveling in their full size van when it was hit by a northbound CSX Railroad freight train.

According to a report issued by the Washington County Sheriff's Department, the driver of the van was Steven L. Friday, 57, of the Town of Hartford. With him was his wife, Joan M. Friday, 57, also of the Town of Hartford sitting in the front right passenger's seat of the van. She was killed instantly and pronounced dead at the scene by the Washington County Coroner.

The driver was flighted from the scene by Flight for Life to Froedtert Lutheran Memorial Hospital in Milwaukee with serious internal injuries. His condition was unavailable but he remains in ICU.

### Memorial Day... A Time to Remember

Members of The American Legion, Robert G. Romaine Post 384 led the annual Memorial Day Parade held Monday.

More Photos on Page 2

Statesman Photo: Charlene Rochwite

Friday was apparently driving eastbound on Bridge Drive when he allegedly came to a stop partially on the crossing.

Kohlsville First Responders and Allenton Fire Department and Rescue responded to the scene.

The crossing on Commer-

cial Lane is in a rural area and is marked with "X" shaped railroad crossing signs only, with no gates or lighting.

The accident remains under investigation by the Washington County Sheriff's Department.

Area scouts participated in the annual parade sponsored by the American Legion.

USN recruiter, Mark J. Steeber gave the Memorial Day address to the many who attended the ceremony after the parade

Lauren Steinhardt reads "In Flanders Field"

**TO WHOM IT MAY CONCERN!**

On Community Rumage Sale Day, Saturday, May 29, two RENTED collapsible banquet tables were put behind Kuehl's Suds and Spirits after sale hours, prior to returning them. Someone, either purposefully or by mistake, took the tables. PLEASE return them to the same location. Then it will not be necessary to report them as stolen.

**Melissa Rohrer Honored At Carleton College**

NORTHFIELD, MN -- Melissa Rohrer of Kewaskum, a senior biology major at Carleton College, recently received the Pat Lamb Award in recognition of an outstanding senior female athlete who has achieved athletic excellence as well as a high level of academic achievement. The announcement was made at the annual Honors Day Convocation on Friday, May 28.

Melissa is the daughter of Jeffrey and Susan Rohrer of Kewaskum. She is a 1995 graduate of Kewaskum High School.

Cathy Yandell, the David and Marian Adams Bryn-Jones Distinguished Teaching Professor of French and the Humanities, delivered the convocation address titled "From Carleton to Charlatan: The Time of Our Lives." In her lecture, Yandell explored conceptions of time as a cultural and ethical creation and drew on examples from the Italian Renaissance to the modern media to invite her audience to re-imagine time in their own lives.

Ranked among the nation's top liberal arts institutions, Carleton is a private, co-educational college of 1,750 students locat-

ed 40 miles south of Minneapolis and St. Paul. High academic standards, an excellent teaching faculty and a diverse student body contribute to Carleton's outstanding reputation.

Talk about luck. A 14-leaved white clover was found by Randy Farland in Sioux Falls, South Dakota, on June 16, 1975.

## St. Joseph's Hospital Expands Scope of Construction Project

The board of directors of St. Joseph's Community Hospital of West Bend has approved expanding the scope of the hospital's current building project from \$28.5 million to \$36.8 million.

The expansion and redevelopment project was redefined over the past several months in recognition of increasing community need for emergency and intensive care services, and in-patient beds. Acting on a recommendation from an ad hoc review committee composed of board members, community physicians, building committee members, hospital managers and administration, the hospital board decided on Wednesday, May 19, to approve a recommendation to:

- \* Increase the size of the overall expansion and redevelopment project from \$28.5 million to \$36.8 million. The overall project includes the approximately \$7 million Cancer Care Center now under construction, as well as the new facility on the northwest portion of the hospital campus, which represents the bulk of the costs. The \$36.8 million also includes the cost of equipment and furnishings for the new facility.

- \* Redevelop the emergency department. The emergency department will nearly double in size to cover 11,000 square feet. The emergency department will include beds and reclining units for longer-term observation of emergency

patients.

- \* Create a new 10-bed, 8,200 square foot intensive care unit on the same level as a new surgery department and almost directly above the expanded emergency department. The current six-bed intensive care unit will be available to address the medical and surgical needs of patients.

- \* Partially complete or "shell in" a floor above the new surgery department that can be finished at a later time, when required to meet increasing bed needs. Basic mechanical needs will be initially installed.

- \* Create a centralized radiology department. CT and fluoroscopy services will be located immediately adjacent to the emergency and intensive care areas.

- \* The "footprint" or outline of the building expansion on the northwest portion of the hospital is basically unchanged. Elements of the project that have not been significantly changed include the new inpatient and outpatient surgical area, new main entrance on Silverbrook Drive, new central reproprocessing and materials management areas, new gift shop and community resource center, a mobile services dock, and expansion of the rehabilitation services department into what is now the visitors lobby. The outpatient area has been reduced in size.

The board decided not to proceed with plans for a new kitchen/cafeteria and new community meeting room space. However, the new plans anticipate future locations for those services.

"Washington County has been growing by leaps and bounds, and St. Joseph's Community Hospital and the doctors in the community are addressing current and future needs. The expansion of the emergency department, along with the increase in beds in our intensive care unit are a necessity," said Tom Kieckhafer, president and chairman of St. Joseph's Community Hospital. "People living in our community are fortunate that we have this

level of health care right in our own backyard."

"We're pleased with the revised plan," said Charles Geiger, M.D., a member of the review committee and an internal medicine physician at the General Clinic. "I was pleased that this special committee, and the cooperation between physicians in the community, the hospital and administration, resulted in a revised plan that will meet the needs of inpatient and emergency care for years to come."

"We truly feel confident that the doctors, hospital staff and the hospital board reached a consensus on what's best for patient care," said Gary Herdrich, M.D., a family practice physician with the West Bend Clinic. He said the redevelopment and expansion of critical care areas and the close proximity of the departments that are involved represent greater benefits for patients now and in the future.

"There is a lot of enthusiasm from both doctors and hospital managers," said Atty. Elaine Shanebrook, a board member and member of the review committee. "The expanded building project was a product of collaboration between the hospital, West Bend Clinic (Advanced Healthcare), and the General Clinic (Aurora Health Care). There's definitely a need to increase hospital emergency room capacity and bed capacity to serve the growing population."

She said the renovations will help assure the best quality of care to the community and the ability to add new technologies as they become available.

Construction will begin on the project in October of this year, with completion forecast for October 2001. The Cancer Care Center now underway is expected to be completed in February 2000.

Plunkett Raysich Architects is the architect for the project. The construction manager is C.G. Schmidt.

# Giuli - Johann

Mr. and Mrs. Richard D. Giuli of Raleigh, North Carolina, announce the engagement of their daughter, Donna Claire, to Michael Ronald Johann, son of Mr. and Mrs. Ronald J. Johann of Kewaskum.

Grandparents of the bride are the late Mr. and Mrs. Attilio Giuli and the late Dr. and Mrs. Roy Bergs, all of Milwaukee.

Grandparents of the groom are Mrs. Raymond Smith of West Bend and Mrs. Agnes Johann, Phelps, and the late Marvin Johann. Michael is also the godson of Russell W. Oelhafen of Kewaskum and Ms. Jane H. Johann of Palmyra.

The bride is a graduate of the University of North Carolina - Chapel Hill and is a real estate appraiser in

Raleigh. The groom is a graduate of the University of Wisconsin - Stout and is an Information Technology Specialist at IBM in Research Triangle Park in North Carolina.

The couple is planning a November 13, 1999 wedding at 3 p.m. at St. Raphael's Catholic Church in Raleigh.

## Buerger-Amerling CORRECTION

In the Buerger-Amerling engagement announcement published in last week's paper, the parent's names should have read Ronald and Joanne Amerling, not Jim and Diane Amerling.

# February Kiwanis Students of the Month

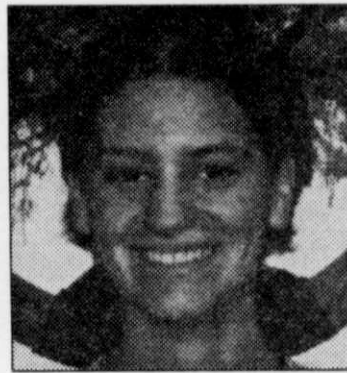

Vanessa Current

Kewaskum High School seniors Vanessa Current and Heather Justman were honored as the Kewaskum Kiwanis Students of the month for February.

Before graduation Vanessa was very involved at KHS, her activities included: Yearbook (head's editor), Track, Cheerleading, Dance (Captain), Key Club, National Honor Society, Peers-4-Peers, Student Council, Flags (photographer) and Swing Choir.

She is a scholar athlete, listed in Who's Who Among American High School Students, International Foreign Language Award winner, All-American Scholar, National English Merit Award, National Leadership and Service Award and All-Star Cheerleader.

Vanessa says, "I enjoy all of my classes, each of them being special in their own way. However, I am really enjoying AP English and my Spanish V

Heather Justman

seminar. I feel they are both preparing me for college. Calculus is also a very challenging class."

She says she will be attending UW-Green Bay and working for a Master's Degree as a Physician's Assistant. "I feel I can make quite a difference as a PA and I enjoy working and helping people."

Vanessa is very involved in helping her church youth group taking part in many service projects such as a ASP trip in which they restore and rebuild homes in West Virginia. She also enjoys participating in many run/walks to help certain causes and organizations such as KEYS, Aids Run/Walk and numerous others.

She is employed as a waitress at the Kewaskum Kafe which she says has taught her responsibility and how to manage money.

Vanessa stated her family travels very often. She has

lived in five different states and visited countless other places on vacations. "I feel that traveling has made me a well-rounded person. I'm not so naive as to what happens in the world."

Heather also was a very involved student at KHS before graduating. Her extra curricular activities included: Student Council (treasurer and class secretary), Peers 4 Peers, Student Roundtable, Art Club (Secretary and President), FLAGS (vice president), F.H.A., Football and Wrestling Cheerleading, Track, National Honor Society and Forensics.

She was the recipient of the Sunshine Award for cheerleading, a scholar athlete, a member of the Daughters of the American Revolution, was a participant at the Badger Girls State, received the Scholastic Gold Key Art and Art Conference Merit Awards and a Physical Fitness Award.

Heather's favorite class this year was Art 4 and AP Art. She also enjoyed Human Relations.

She will be attending U.W.W.C. in fall and will transfer to UW-Milwaukee her second year for Occupational Therapy.

She volunteers at Friends of Abused Families where she works one on one with children. Heather has also been a Vacation Bible School teacher and Sunday School teacher and was also a participant in the Relay for Life and KEYS Walk/Run.

Heather is employed at Pick N Save north in the Deli.

## Little Folks School House Teams Up with Easter Seals

Amanda Hallstead tries out a pair of crutches.

Nathan Peplinski and Greg Rate

If you were to ask any of the little folks what the word "disability" means, they would tell you that a disability is something that makes walking, talking, hearing, seeing or touching harder for some people.

One of the younger children might respond that it's when part of the body doesn't work.

The teachers at The Little Folks School House have spent the last few weeks teaching about disability awareness. Their goal is to encourage a better understanding and acceptance of people with disabilities.

The tendency to fear or avoid someone who is different is normal for both children and adults. Education about the causes of disabilities and how people adapt to them can lead to a better understanding which then builds attitudes and behaviors which are positive and accepting.

The unit was designed to help children understand that all people have similarities and differences and that people with disabilities may be different from us in one way but are like us in most ways.

To gain a deeper understanding of what it's like to have a disability, the children were introduced to special aids such as pediatric wheelchairs, walkers and crutches. They also got a feel for what it is like to be blind or deaf. Each child had the opportunity to experiment and attempt to perform tasks while pretending they were disabled.

The main event of the disability awareness unit was a "Hop-n-ing." The Hop-n-ing is an educational fundraiser made possible by Easter Seals Wisconsin and sponsored by Oshkosh B'Gosh. The event helps raise money for nearly 18,000 people who receive Easter Seals services. Prior to the Hop-n-ing, the children asked parents, friends, neighbors and relatives for pledges for hops made during a three minute period. All of the little folks who participated will receive an

official award certificate.

Dodie Sargent, administrator of The Little Folks School House would like to express thanks to Easter Seals for lending books and disabled dolls as teaching aids; to St. Joseph's Hospital Rehabilitation Services for lending the pediatric walkers and crutches; to Kieth Kriewaldt, Wayne Elementary School for lending the pediatric wheelchair, and to all of the children's friends and families for pledges and donations collected for Easter Seals.

Morgan Kudek attempts to maneuver a wheelchair.

## Kristin Danielson Awarded Scholarship

Kristin Danielson

APPLETON -- Kristin Danielson, a 1999 graduate of Kewaskum High School, has been awarded a \$5,000 Lawrence University Alumni Scholarship for outstanding scholastic excellence.

The award is renewable for each year of her attendance at Lawrence with continued academic excellence.

Danielson, a National Honor Society member, played the saxophone on the

Wisconsin Ambassadors of Music European tour. She is the daughter of Timothy and Kathryn Danielson, Fredonia.

Founded in 1847, Lawrence University has produced seven Rhodes Scholars, the most of any college in Wisconsin. It is ranked among the country's "best national liberal arts colleges" and is cited as one of the country's 13 "best values" in *U.S. News & World Report's* 1999 guide to American colleges.

### BIRTHS

HELLER -- a son, Breck Robert, born to Ric and Jacey Heller of Waukesha, on May 14, 1999. Breck weighed 7 lbs., 3 oz. Paternal grandparents are Robert and Carol Heller of Kewaskum. Maternal grandparents are Jerry and Connie Niedtfelt of Banjor, WI.

WERBELOW -- A son, Jesse Charles, born to Daniel Scott and Kelly Jo Werbelow, of West Bend, on April 30, 1999.

Maternal grandparents are Russell and LuAnn Heberer, of Campbellsport and Ralph and Sandy Jung, of Silver Creek. Paternal grandparents are Elmer and Joan Werbelow of West Bend. Maternal great-grandmother is Wilma Dettmann, of Campbell sport.

### Recipe of the Week

This recipe, along with many others can be found in the new Kewaskum Junior Woman's Club red cookbook. You can find them for sale at Kewaskum Pharmacy, Kewaskum Frozen Foods, or by calling Karen Kletti at 334-0227.

#### EASY BEEF

- 3 to 5 lb. cubed chuck roast or sirloin
- 1 pkg. dried onion soup mix
- 2 cans golden mushroom soup
- 1 lb. fresh mushrooms, cut up
- 1/2 c. Burgundy wine
- 1 jar small onions.

Mix all ingredients together and bake for 5 hours at 250 degrees or 3 hours at 350 degrees with no cover. Half hour before serving, add 1 jar of small onions, drained. Serve over egg noodles or rice. *Karen Kletti*

## UWWC Awards Nine Associate Degrees to Kewaskum Students

WEST BEND -- Some see two-year Associate's Degrees as only the first step to a four-year bachelor's degree. Others see them as an end in themselves.

Either way, say University of Wisconsin-Washington County faculty members, the 64 A.A. degrees

### Tae Bo Coming To UWWC

WEST BEND -- Work off your frustrations and get fit at the same time! Enroll in the Tae Bo class sponsored by the Continuing Education Department at the University of Wisconsin Washington County and find out what the highly popular mode of exercise is really like.

Sharpen your senses for self-defense and maximize your cardiac workout at the same time with Steve Southcot, Black Belt.

Tae Bo will meet from 6:30 to 7:30 p.m. Thursdays, June 10-July 29, at UWWC. The fee is \$75.

To register call the Department of Continuing Education at (414) 335-5236.

the university awarded this month, including nine to Kewaskum area students, represent genuine achievements.

The Associate's Degree is awarded by all University of Wisconsin Colleges -- the two-year freshman and sophomore colleges of the UW system -- and represents the accumulation of 60 college credits.

UWWC Student Services director Nancy Henderson says some students, especially those who are the first in their families to attend college, need the A.A. degree as proof of achievement. "For some students, it's important to have that piece of paper," she said. "It's a mile-marker. It's proof to them and their families that they've achieved something. They can show it to their families, and say, 'See? I've completed something important.'"

Veteran UWWC professor Patricia Roby agrees.

"You can see the pride running through the graduates when we call out their names," says veteran UWWC professor Roby. "It's electric."

For students intent

upon finishing their studies at one of the UW-system's four-year campuses, she added, the A.A. degree is a springboard to further studies. "The A.A. degree is proof that these students have completed their university-wide general education requirements," she said. "From here, they can get fully into their major fields of study."

The A. A. recipients from the Kewaskum area are as follows: Jacob Daniel Gundrum, Jennifer Marie Hermann, Susan Vrana, Angela Dian Donath, Erin Elizabeth Garvey, Jacqueline J. Hass, Christie L. Heckel, Daniel D. Kohn and Anastasia K. Thull.

For further information, please contact William Breyfogle, UWWC Director of University Relations at (414) 335-5233.

## National Trails Day Event in Kettle Moraine State Forest

The Washington County Chapter of the Ice Age Park and Trail Foundation will hold a National Trails Day event on Saturday, June 5, in the Kettle Moraine State Forest. National Trails Day is an annual nationwide event sponsored by the American Hiking Society to promote awareness of and volunteer participation in trails.

The chapter project this year is to complete the changeover of 31 miles of trail markers from blue to yellow in the forest. This is the last phase of a three year project which will make markers on the Ice Age Trail uniform throughout the state.

Volunteers should arrive at Mauthe Lake and check in by 8:45 a.m. The Mauthe Lake Recreation Area is on County Highway GGG in the forest. There will be an orientation session followed

by work assignments. Volunteer teams of three to four people will then depart by private car to a designated segment of the Ice Age Trail. Because of the car shuttle volunteers should leave dogs at home.

Volunteers will walk a distance of two to four miles. Forty volunteers are needed to complete this project in one day. In the event of rain the work will be rescheduled for Saturday, June 12.

After the work is completed, the Washington County Chapter will host a cookout for the volunteers at Mauthe Lake.

Advanced registration is necessary for Forest staff and Chapter members to set up work supplies and food for the cookout. Call Bernice Popelka at 414-228-4689 or E-mail ftpbbp@execpc.com to volunteer.

## Kewaskum 4-H'ers Celebrate Earth Day

In honor of Earth Day on Saturday, April 17, members of the Kewaskum 4-H'ers picked up trash along Highway 28, east of St. Michaels. Members participating in the Adopt-A-Highway program are pictured above: Front row, left to right: Alyssa Jung, Erica Norem, Becky Rodenkirch, Walter Huf, Emily

Huf, Andrea Norem, Kelsey Guth. Second row: Justin Weindorf, Graeme Zanow, Adam Jung, Mitchell Weindorf, Katie Gaynor, Nicki Bublitz and Andrea Bublitz. Not pictured: Jennifer Tutas, Stacey Tutas and Chad Hackbarth.

The meeting of the Kewaskum 4-H'ers was called to order by President Brooke Zanow on Thursday, May 6, at 7 p.m. at the Kewaskum Municipal Building. President Brooke Zanow asked members to stand for a Moment of Silence or personal reflection in honor of the day being proclaimed National Day of Prayer.

The Pledge of Allegiance and 4-H Pledge were led by Stacey Imler and Lee Schacht. For roll call, each member was given a piece of sandpaper and crayons and asked to draw something relating to our community.

Later these drawings were ironed onto a fabric, making a club banner representing the community. Heather Hackbarth gave the secretaries report. Amanda Jesowshek gave the treasurer's report.

Brooke Zanow reported on the Brat Fry held at Sentry Foods on April 3 and the results of the club candy bar fundraiser. Stephanie Briggs reported on the club outing to the Mustang game on April 9. Mitchell Weindorf reported on the Adopt-A-Highway cleanup on April 17. Justin Weindorf reported on the SE District Youth Nature Experience at the Wisconsin Lake Schooner in Milwaukee on May 1.

Members are planning a get-together with their Meadow Creek Apartment friends. They plan to help plant a vegetable garden. Stephanie Briggs and Heather and Chad Hackbarth will be putting up a June Dairy Month window display at the Coast to Coast Hardware Store. Members signed up to help with Breakfast on the Farm at Level Acres Dairy Farm in Hartford on June 12.

Our club will be participating in the West Bend Farmers' Markets this summer and Mrs. Jean Briggs

will attend the organizational meeting as our club representative. Members signed up to participate in a volleyball fundraiser for Cerebral Palsy to be held in Oshkosh on May 21-22. Club members signed up to help promote June Dairy Month by handing out dairy samples at Pick 'N Save in early June. The Jung and Jesowshek families volunteered to organize a club outing to Wisconsin Dells this summer.

President Brooke Zanow distributed fair books and discussed items relating to the new fair, including fair fees. Members signed up to help in many areas at the fair, including Fair Set Up, 4-H Refreshment Stand, Buy-A-Brick Stand, Exhibit Building Sitters, Night Security, Anything Goes Contest, Club Booth, Action Center, Club Banner, and Silent Auction.

Carissa Bartelt, Chad Hackbarth, Jason Jahnke,

and Mark Martin were congratulated for being awarded a \$30 County Camper-ship toward summer camp at Upham Woods this summer. Brooke Zanow was congratulated for being selected to represent Washington County as a delegate to National 4-H Congress and Citizenship Washing-

ton Focus.

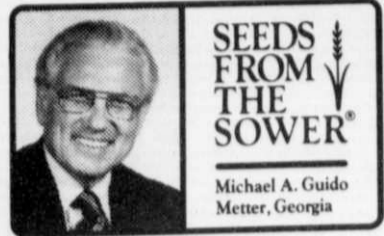

Club member Anna Waehler was wished a happy birthday. Demonstrations were given by Amy Deshotels, Stacey Imler, Sandra Schaefer, Anna Waehler and Jackie Wendegatz. The meeting was adjourned. Refreshments were served by the Schaefer and Briggs families.

Jessica Lendved, Reporter

### XYZ CARD RESULTS

The winners at cards played at the Municipal Building on Wednesday, May 26th were: SKAT: Fred Klein, 17-2--15 net; Francis Gilboy, 14-2--12 net; Teresa Peterson, Diamond solo vs 4.

SHEEPSHEAD: Norbert Broecker, Minerva Martin, Sally Reindl, Martha Kudek, Delbert Peterman, Burnetta Bruessel, Anna Reindl, John Ruplinger, Gertie Kaschner and Elda Kuehl.

SEEDS FROM THE SOWER  
Michael A. Guido  
Metter, Georgia

A little boy was struggling hard to dress himself. At last he marched into the kitchen and said, "Look, Mom, I put on my pants all by myself."

"Great," she answered, "but you put them on backwards."

Sighing, he took hold of the tops and turned them around, asking, "Are they okay now?"

"No," she answered, "you'll have to take them off and put them on the right way."

Is your life twisted? I know you'd like to turn things around and make the wrongs come right. But that's not God's way.

The Living Bible says, "Put off your evil nature. You must be a new and different person. Clothe yourself with this new nature. Ask the Lord to help you live as you should."

**Our New Heil® Air Conditioner  
Sure Takes The Droop Out Of Summer.**

**Depend On Heil.** Summer heat really makes me droop. I used to get sent outside when I accidentally didn't notice I was chewing a shoe. Now that we have our new Heil Air Conditioner, I'd rather chill out than chew. With Heil's hundred-year heritage of dependability, my family can count on quiet, efficient cooling year after year. Thanks to our Heil Air Conditioner, I feel so good I could even frolic with the family. Well, that might be overdoing it.

# Obituaries

## WHITNEY ZILLMER

God's precious little angel, Whitney Louise Zillmer, infant daughter of David and Sharyl (Ramthun) Zillmer, entered into heaven on Wednesday, May 26, 1999.

She leaves behind, her parents, of Kewasum; her maternal grandparents, Harvey and Kathleen Ramthun of Kewaskum; her paternal grandparents, Manly and Dora Zillmer of West Bend; her loving brother, Devyn; aunts, uncles, cousins and other relatives.

She was preceded in death by her aunt, Jennifer Ramthun.

Father Mark Jones of Holy Trinity Catholic Church in Kewaskum presided at a graveside service for the family held at Holy Trinity Catholic Church Cemetery.

The Miller Funeral Home in Kewaskum assisted the family.

## RAYMOND "RAY" KENO

Raymond G. "Ray" Keno, age 83, of Kewaskum, passed away on Monday, May 31, 1999 at his home.

He was born on November 10, 1915 in Campbellsport, the son of George and Libby (Dunton) Keno and on October 12, 1935, he was united in marriage to Elizabeth Keller at St. Lucas Evangelical Lutheran Church in Kewaskum.

Mr. Keno was the manager at Kewaskum Malting Company, retiring in 1980.

Survivors include his loving wife, Elizabeth, of Kewaskum; a son, Richard Keno, of Kewaskum; a daughter, Kathy (Eugene) Beer of Shawano; a brother-in-law, Sylvester "Smockey" (Clara) Keller of Kewaskum; a sister-in-law, Arlene

Keller of Hartford, many nieces, nephews, other relatives and friends.

Funeral services will be held on Thursday, June 3, 1999, at 8 p.m. at the Miller Funeral Home with Rev. Mark Eckert officiating. Entombment at Washington County Memorial Park in West Bend will be at 11 a.m. on Friday, June 4.

Friends may call from 6 p.m. until the time of services at the funeral home on Thursday.

The Miller Funeral Home in Kewaskum is serving the family.

## GERALD E. RAMEL

Gerald E. Ramel, age 66, of West Bend, passed away on Wednesday, May 26, 1999 at his home.

He was born on June 5, 1932 in Marathon County, the son of Theodore and Teresa (Hoffmann) Ramel and on November 27, 1965 he was united in marriage to Janice Doornek.

Mr. Ramel was a member of St. Michael's Catholic Church in St. Michaels. He served his country in the U.S. Air Force during the Korean Conflict. In 1991, he retired from the Allen Bradley Company in Milwaukee after 30 years of service and was employed part-time with the Kewaskum School District.

Survivors include his wife, Janice, of West Bend; four sons, Matthew (Erma) of Milwaukee, Nick and his fiancée, Corinne, of West Bend, Michael of Hartford, and Timothy of West Bend; two daughters, Jeanmarie (Ray) Hiracheta of Milwaukee and Jennifer (Mike) Kramer of Slinger; his parents, Theodore and Teresa Ramel of Wisconsin Rapids; a brother, Leroy (Janice) Ramel of South Milwaukee; eight grandchildren, Amy and Wayne Hiracheta,

Matthew, Yasha, Malachi and Shema Ramel, Brooke and Brianna Kramer, other relatives and friends.

He was preceded in death by an infant brother.

A memorial mass was held at 1 p.m. on Saturday, May 29, 1999 at St. Michael's Catholic Church in St. Michaels with Father Guy Gurath officiating. Cremation has taken place.

The family received visitors from noon until the time of services at the church only on Saturday.

The Miller Funeral Home in Kewaskum served the family.

## Thiemerdome Trauma Center To Open June 9

Like childbirth, the bumps and bruises of last season's "boys of summer" have been forgotten and the Over 40 League will resume play on Wednesday, June 9 at the Thiemerdome ball field (sometimes known as the north Kewaskum trauma center).

As in the past, extensive renovations have been made for the convenience of the thousands of fans that flock weekly (or weakly, whichever the case may be), to the dome. Contact 6, the Humane Society and the Lac du Flambeau leaders have been out to the site and have inspected the new renovations with a fine tooth comb. (Rumor has it if the ball games don't draw enough attendance, management is considering leasing the land to the Lac du Flambeau for the new off-reservation site of the you-know-what! Eat your heart out Waukesha... and Belgium... we could use a new convention center here too! Besides... it would be awfully nice if they would

come here to collect my dues, so I wouldn't have to travel so far to pay them!)

To make a short story long, the commentary made about the new bleachers at the dome is that they are completely safe for habitation. (Of course that is the gospel according to Richard... if you and I feel they are safe for our little tushies is another story entirely... don't even go there!)

Whether you decide to play it safe and bring your own seating (\$7.98 at K Mart) or trust Richard... there will be plenty of unreserved seating available. As far as I know there are also a few season tickets still available, but the luxury boxes have all been sold out months ago!

All in all the Over 40 League is just what the doctor ordered for fun and games. After all, this is about all the excitement we can handle after we turn 40. Besides why wouldn't the doctor order it... just think of all the money they will

make on these guys!

First game starts at 6:15 (games start sort of early because these older guys have to be night-night by 9 p.m.), and pits two-year champions Amerahn against perennial underdogs, Thiemers.

The second game which starts at 7:15 will find contender wannabe's, Hitching Post, versus Commercial Plumbing, who like the Everready bunny just keeps going and going and going!

The Thiemerdome has lost a team this year to expansion (not going there either...) Kuehl's Suds and Spirits have hung up their gloves and retired to greener pastures... or is that bluer waters. I guess holding a fishing pole is a little less strenuous for these guys than holding that heavy bat! Pity.... I guess the "Old Timer's League" can't be far in the future!

See you at the dome! I want to see if the rumors about the new toilet seat in the generic rest room is true.

### Kewaskum High School Class of 1979 is looking for missing members of their class.

# CONGRATULATIONS 1999 KHS GRADUATES!

Shown left to right before making their grand entrances into the field house are Chad Martin (not facing camera), Josh Gaffke, Andy Luedtke, Eric Wenniger and John Immel. It's funny... you guys never smiled like this when I took your picture! Must be the joy of graduation, huh?

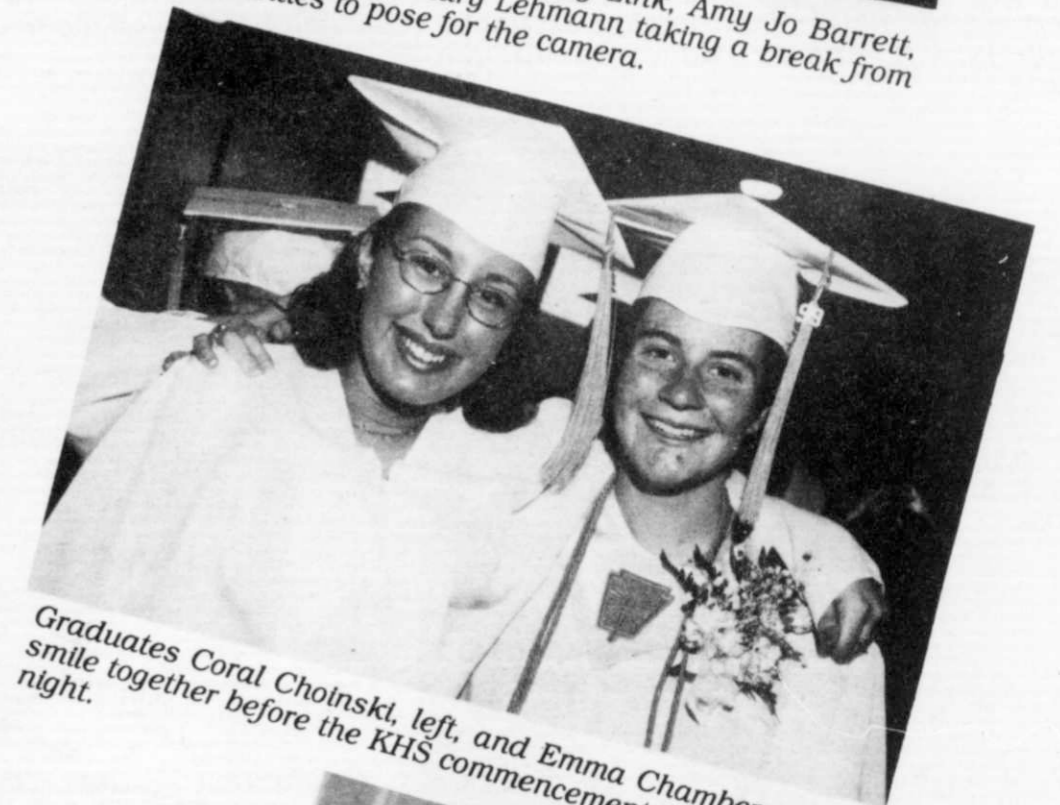

Shown left to right are Vanessa Current, Ally Link, Amy Jo Barrett, Erin Theusch, Sarah Hughes and Mary Lehmann taking a break from the pre-graduation festivities to pose for the camera.

Tommy Cannestra accepts a rose from foreign exchange students Sakiko Kugimoto, right and Andrea Pader.

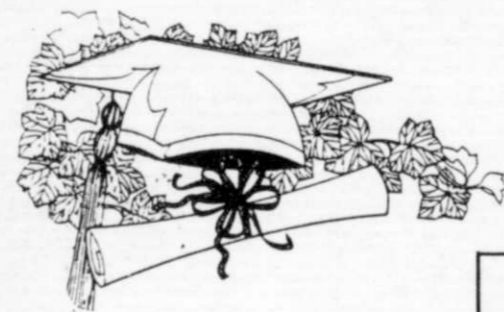

Members of the class of 1999. CONGRATULATIONS!!!!

Graduates Coral Chotnski, left, and Emma Chambers share a smile together before the KHS commencement ceremony Friday night.

Valedictorian Carol Neumann smiles happily as she receives her diploma from school board member Jon Downs.

Retiring Superintendent Clark Pearson bestows salutorian honors to Jacqueline Wendegatz.

## KHS Boys Tennis Review

The Kewaskum High School boys' tennis team had a strong core of senior players this year. Josh Gaffke played at #1 singles (9-6); Keith Novotny #2 singles (9-8), Josh Seymour and Paul Higgins at #1 doubles (12-5). The team was filled out by John Warnecke, Adam Disler, Jay Pamperin, Jeremy Simonson, and Dan Kletti.

The Kewaskum boys' varsity tennis team opened the season with a pair of victories over non-conference opponent Waupun and conference opponent Kewaunee. In the following conference matches the Indians did not fare as well. The Indians lost to a strong Kohler team and the eventual conference champions, Two Rivers.

Next the Indians tested themselves at the Washington County Invitational. Josh Gaffke placed sixth at #1 singles, Keith Novotny placed fourth at #2 singles, Josh Seymour and Paul Higgins placed third at #1 doubles.

The Indians returned to action against Roncalli, losing a close match, 3-4. The team notched its second conference victory of the year against the Chilton Tigers, 4-3. The Indians closed out the season with a pair of losses to Plymouth and Sheboygan Falls.

In the conference tournament the Indians held on to sixth place behind the strong play of Josh Gaffke who placed third overall at #1 singles and Josh Seymour and Paul Higgins who finished second to the undefeated Chilton pair at #1 doubles.

At the Whitefish Bay sectionals the Indians did not fare so well. Josh Gaffke, the first Kewaskum

player to advance to sectionals since Craig Hubbell (1989), was the only player to advance. At sectionals Gaffke lost his match to a strong DePere player.

## Chamber Golf Outing Set For July 31

Everyone is urged to get their golf clubs ready for the Seventh Annual Chamber of Commerce Golf Outing scheduled this year for Saturday, July 31.

The day will include 18 holes of golf, continental breakfast, lunch, appetizers, a delicious steak dinner and prizes. There will also be the opportunity to purchase raffle tickets for a wide assortment of exciting prizes. Top off the evening by relaxing with friends and listening to the music of the popular Bob Breuer Band.

Details on registration and entry forms will appear in a future edition of the Statesman, or for more information contact Aaron at 626-2662.

## Village Board Meeting Monday

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin Village Board is scheduled for Monday, June 7, 1999, at 8:00 p.m. in the Municipal Building, 204 First Street.

The agendas for the meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of St. Francis Bank.

## Village Board Meeting Minutes

Village of Kewaskum  
Plan Commission  
April 27, 1999  
7:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Robert H. Wagner called the meeting to order. Members present were Richard Schmidt, Theodore Meilahn, Frank Beesten, Michael Kimble, and Administrator Daniel Schmidt. A quorum was present. Warren Dums and Lee Ann Butschlick asked to be excused and were absent.

Trustee Robert Stoltzmann and Rick Kania from SEWRPC were also present for the discussion.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by Frank Beesten, seconded by Theodore Meilahn and unanimously carried by voice vote, the Commission approved the minutes as corrected, for March 23, 1999.

It was noted the conditional use permit as requested at the previous meeting has been withdrawn.

Mr. Rick Kania was present from SEWRPC to review Section 10.00, "Erosion Control", Section 13.00, "Public Hearings", and Section 16.00, "Adoption and Effective Dates". Several questions were asked by the Commission Members of Mr. Kania. It was noted that not only should we be concerned about general erosion, but wind erosion as mentioned by Chairman Robert Wagner. Mr. Kania noted that if anyone has a question they should bring it up as soon as possible.

The Administrator discussed briefly a request for a temporary sign permit which was not submitted in time to appear on the agenda.

The sign has already been placed on Fond du Lac Avenue. The Commission directed the Administrator to have the Zoning Administrator have the sign removed and to let the requesting party know their request will come before the Commission on at the May 25, 1999 meeting and that the time for a Temporary Sign is not to exceed a one year period and may be substantially less.

On a motion by Richard Schmidt, seconded by Michael Kimble and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 5 "Aye" 0 "Nay" 2 "Absent".

Daniel S. Schmidt  
Administrator  
Approved 05-25-99

## Tobin Participates in Championship Games

Elise Tobin of Kohlsville, shown above in the back row, third from the right, a freshman at Divine Savior Holy Angels (DSHA) High School of Milwaukee, recently participated in the Midwest Rugby Semifinals and Championship games held in Indianapolis, Indiana. Elise, a starter in the wing position, was a leading scorer in the semi-final game which DSHA won 25 to 5. Later that day, DSHA went on to win the Midwest Championship against Bloomington High School of Indiana, 60-0. Congratulations to Elise and the team of DSHA!

## Sparks, Canter Advance to Sectionals

### KHS Boys' Track Fifth at Regionals

Sophomore Charlie Sparks throwing a discus at the W.I.A.A. Regional Track Meet at Lomira High School on Monday, May 24th. Sparks threw the discus 145'11" on his last throw to win the regional competition and advance to the sectional competition.

By Jerry Gosa

LOMIRA - The Kewaskum boys' track team only advanced two individuals from the Lomira Regional held on Monday, May 24, to the Sectional Track and Field Meet which was held at Columbus High School on Thursday, May 27.

Sophomore Charlie Sparks went from the throwing the discus into the alfalfa field a couple of times to a winning last throw that was only inside the vector line by less than a foot. It wasn't until Sparks had only one throw

left in the finals, that he unleashed his winning throw of 145'11" to take himself from fifth place to first and ensure himself a trip to the sectional meet.

Only the top three finishers from regional competition advance to sectional competition that determines state qualifiers. Sparks had all the Kewaskum fans nervous with his first three throws in the trials and his first two throws in the finals. "I think Charlie gave Mr. Rizzarda a few gray hair tonight," commented head boys coach Jerry Gosa.

Mike Schwartz of Slinger

finished second with a throw of 144'5" and Lee Dreikosen of Grafton placed third with a throw of 141'1". Spark's winning throw knocked senior J.J. Gehring out of the top three and the right to advance to Sectional at Columbus.

Gehring, however, won the shot put competition with a personal best throw of 54'3" and advanced to Sectionals in that event. Sparks placed seventh in the shot put with a throw of 43'10".

Freshman Chris Canter provided the other bright spot in the cool and windy afternoon. Canter placed third in the long jump with a leap of 19'7-1/4", just 3-1/2" less than his personal best of the season.

"Chris had a good night," commented assistant coach Jody Wichtoski. Corey Sabish of Campbellsport won the long jump with a jump of 20'9" and Matt Schmitz of Slinger placed second with a leap of 19'11". Senior Josh Rieder placed seventh in the long jump with a distance of 17'9".

Canter also placed eighth in the 400m dash with a personal best time of 55.8 seconds. Dan Murray of Grafton won the 400m dash with a time of 50.2 seconds and his teammate Jon Lubner placed second with a time of 50.5 seconds.

Junior Chris Koth and sophomore Brian Wall both provided another highlight for Kewaskum, that unfortunately didn't result with either of them advancing to the sectional track meet on Thursday. Both Koth and Wall cleared a personal best height of 12' in the pole vault on their first attempts and tied for fourth in the competition.

Tom Boll of Slinger won

the pole vault and also recorded a personal best height of 13'6". Two pole vaulters from Grafton, Dan Schultz and Jon Lubner, each cleared 12'6" to advance to sectionals. The automatic qualifying height for sectionals for the pole vault is 12'3".

None of the vaulters were given a chance to vault at the 12'3" height. According to the rules and the official, the bar was supposed to be raised six inches each time. (Coach Gosa called the W.I.A.A. office in Stevens Point and talked to Karen Kuhn and was told that this question would be addressed at the coaches advisory meeting in the fall.)

"It was great to see Chris and Brian both clear 12 feet. I hope these guys can continue next season where they left off this year," commented pole vault coach Rick Robinson. I really feel that Kewaskum has four jumpers: Chris Koth, Brian Wall, Joel Hermann and Josh Parrent, that have a very good chance of breaking the indoor school record of 12'9" next year," predicted Coach Robinson.

Grafton won the regional title with 166 points, just eight points ahead of runner-up Slinger. Campbell-

sport finished third with 105 points, followed by Lomira with 80 points and then Kewaskum with 50 points. Random Lake finished sixth with 45 points and Sheboygan Falls seventh with 40 points.

The Kewaskum 4x100m relay team of Jim Thelen, Chris Canter, Jason Strobel and Charlie Sparks finished a disappointing fourth place in 46.7 seconds, behind Grafton 45.1 seconds, Slinger 45.3 seconds and Campbellsport, 46.0 seconds.

"Realistically, I think they could have beaten Campbellsport, but Slinger and Grafton were out of our league at this point," commented Coach Gosa. Neither Thelen or Strobel made the finals in the 100m dash.

Sparks and Jason Strobel, however, each ran personal best times in the 200m dash with times of 23.8 and 24.1 seconds and placed fourth and sixth respectively.

The 4x800m relay team of Darrell Woebeking, Troy Kedroske, Matt Belger and Scott Mueller placed sixth with their best time of the season, 9:33.1.

Senior Scott Mueller placed seventh in the triple jump with a personal best of 35'6-1/4".

Senior Matt Belger made his season goal of breaking the five minute mark in the 1600m run. Belger was clocked in 4:59.3 in the 1600m run and sophomore Bryan Kraft ran a personal best time of 2:15.3 in the 800m run.

It wasn't a good night for the Kewaskum high jumpers as neither Paul Mertz or Tom Ogi made opening height.

"Realistically we knew that we were going to face a lot of tough competition from Grafton and Slinger. So I wasn't surprised to see Grafton and Slinger finish first and second. The Kewaskum athletes gave good efforts tonight. We thought that Sparks (discus) and Canter (long jump) had a chance to advance as individuals and also the 4x100m relay team. This kind of competition gives our athletes a reminder of how much they need to improve in order to advance to sectionals next year," concluded Coach Gosa.

Colleen Gosa, center, and Carol Neumann, far right, running the 800m run at the W.I.A.A. Regional Track Meet at Lomira on Monday, May 24. Neumann finished third and Gosa fourth with a time of 2:31.6 and 2:32.4 respectively. Neumann advanced to the sectional competition

By Jerry Gosa

LOMIRA -- Senior Jackie Michaels advanced in the 100m high hurdles, the 300m low hurdles, and the long jump to lead the qualifiers from Kewaskum at the Lomira Regional Track and Field Championships held on Monday, May 24.

Michaels finished second in the 100m high hurdles and third in the 300m low hurdles with times of 17.1 seconds and 51.3 seconds. Michaels, who had not long jumped since her freshman season this year, jumped 15 feet and finished third to advance to sectional competition on Thursday at Columbus High School. Dana Walter of Grafton won both the 100m high hurdles with a time of 16.2 seconds and the 300m low hurdles with a time of 49.9 seconds.

The top three finishers in each event qualified for sectionals and the chance to qualify for the state meet. The Slinger girls won the regional title with 159 points. Grafton finished second with 137 points and conference foe Sheboygan Falls scored 129 points for third place.

Kewaskum accumulated 104 points for fourth, Campbellsport 53 points for fifth, Lomira 52 points for sixth and Random Lake finished with 19 points.

Sophomore Colleen Gosa placed second in the discus with a throw of 108'10": to also earn the right to advance to sectional competition. Kristi Klug of Grafton won the discus with a throw of 120'1".

Sophomore Nicole "Coco" Hermann placed third in the shot put with a throw of 30'6". Jessica Verville of Slinger won the shot put competition with a throw of 33'3".

Both sophomore Jody

Wichtoski and freshman Jolene Clark each cleared 4'6" in the high jump and placed second and third respectively to advance. Theresa VanEperen of Slinger won the high jump with a height of 4'6". Wichtoski also placed third in the triple jump with a personal best jump of 30'10-1/2". Jessica Zara of Slinger won with a winning leap of 31'8-3/4". Lauren Steinhardt placed seventh in the triple jump with a jump of 29'4".

Senior distance runner Carol Neumann finished third in the 800m run with her season best time of 2:31.6. Teammate Colleen Gosa finished fourth right behind Neumann with a career best time of 2:32.4 for the 800m run. Erin Kosek of Grafton won the 800m run with a time of 2:25.5. Neumann also placed fourth in the 1600m run with a season best time of 5:45.7. Rheanna Roblee of Grafton won the 1600m run with a time of 5:28.9.

The Kewaskum 4x100m relay team of Jenny Fettig, Lynn Wiesner, Kristin Schiller, and Tina Lindgren finished fourth with a sea-

son best time of 56.6 seconds. Grafton won the 400m relay with a time of 53.9 seconds just ahead of Slinger's 54.0 seconds.

The same Kewaskum unit also finished fourth in the 4x200m relay with a time of 2:00.9. Sheboygan Falls ran away from the competition with a time of 1:51.7 seconds.

The Kewaskum 4x800m relay team of Emily Rinzel, Heather Hackbarth, Kelly Darmody and Lauren Steinhardt finished fifth with a time of 11:33.7. Campbellsport won the 3200m relay with a time of 10:41.

The Kewaskum 4x400m relay team of Lauren Schultz, Brooke Zanow, Michelle Zingsheim and Emmy Foerster also finished fifth with a time of 4:38.4.

Jody Wichtoski and Heather Rieder placed sixth and seventh in the long jump with jumps of 13'9-1/4" and 13'5-3/4" respectively. Tina Lindgren finished seventh in the 100m dash with a time of 14.4 seconds.

"We had a lot of good performances tonight. Jackie

Michaels in the hurdles, Jolene Clark and Jody Wichtoski in the high jump, Carol Neumann in the 800m run, and Colleen Gosa in the discus. The competition will get a lot tougher on Thursday at the sectionals," concluded Coach Kinney.

*The most points scored by a single player in an NBA basketball game is 100, by Wilt Chamberlain of the Philadelphia Warriors, on March 2, 1962.*

**ATV Safety Course to Be Held in June**

An All Terrain Vehicle (ATV) Safety Course will be held at the Mauthe Lake Forest Headquarters, located off Hwy. G on the west side of Mauthe Lake.

The course will run from 6 to 8 p.m. beginning Monday, June 7. The class will be held on Tuesday, June 8 and finish up on Thursday, June 10. A total of three nights with two hours of class a night will be held.

The cost for each student will be \$3 and will be collected the first night. The class will be open for anyone who will turn 12 before September, 1999, or older.

ATV Safety is required for youthful operators to operate an ATV if at least 12 years of age and under the age of 16.

The class will be taught by Wardens Doug Bilgo and Paul Leezer, along with Mike Blawat, a Certified ATV instructor.

To sign up for the ATV course, please contact the Mauthe Lake Forest Headquarters at (414) 626-2116 by June 4 and leave your students name, age and phone number.

## Girls' Track Derailed at Sectionals

By Jerry Gosa

COLUMBUS -- A night of high hopes ended with none of the Kewaskum girls' track team members advancing to state competition on Thursday, May 27, at the sectional track meet in Columbus High School.

Senior Jackie Michaels, who qualified in three individual events, found the going awful tough in both the 100m high hurdles and the 300m low hurdles. Michaels ran a time of 17.5 seconds in the highs, but did not make the finals.

Her time of 51.3 seconds from regionals put her in the first heat of the 300m low hurdle competition at sectionals. Michaels ran a personal best time of 50.2 seconds, but did not earn the right to advance to the state meet. An athlete needed to place first or second in an event to automatically earn the right to advance to state.

Amanda Weihert of Columbus ran a time of 46.2 seconds in the 300m low hurdles at their regional. "Jackie ran very well tonight. Her goal was to run a career best time and she achieved that goal," reported Coach Joe Kinney.

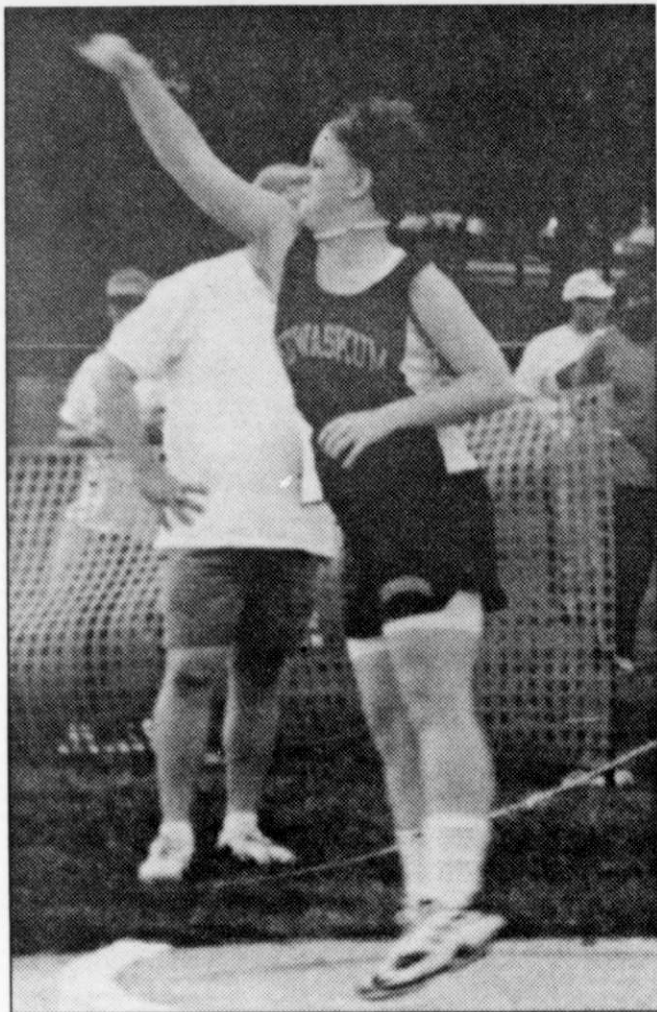

Michaels made the finals in the long jump, but only was allowed to take one of her three jumps instead of the usual three. Michaels was gone warming up for the 300m low hurdles and was not present when the long jump official started the finals. Due to a mixup, the call for the start of the finals of the long jump had not been made over the public address system.

Jackie was supposed to be the first one to jump in finals and wasn't there and therefore lost her first two attempts. Michaels placed eighth in the long jump with a jump of 14'10". "Jackie Michaels jumped extremely well considering the fact that she hadn't long jumped since her freshman year," commented Coach Jill Wichtoski.

Freshman Jolene Clark had a super day in the high jump by leaping 5'0", four inches higher than her previous personal best. Clark's five foot effort placed her fourth, one of the higher finishes for a Kewaskum athlete at the sectional competition.

"Jolene came within two inches of the school record in the high jump. When I asked high jump coach Jessie Repovsch if Jolene could jump five feet at sectionals, Jessie said that without a doubt she could go five feet easily," commented Coach Kinney.

Sophomore teammate Jody Wichtoski equaled her regional height with a jump of 4'6" in the high jump. Wichtoski jumped 30' 3/4" in the triple jump, but did not make the finals. "Jody probably had a 31 foot jump tonight, but her take-off

Freshman Nicole "Coco" Herrmann throwing the shot put 29' 6" at the W.I.A.A. Sectional Track Meet at Columbus High School on Thursday, May 27th.

was ahead of the board," commented Coach Wichtoski.

Senior Carol Neumann closed off her career with a fourth place finish in the 800m run with a season best time of 2:30.1. "Carol set a goal to run her best time of the season and she ran real well," replied Coach Kinney.

Sophomore Colleen Gosa had difficulty equaling her career best of 113'3" throw at the Conference Relays a week earlier. Gosa made the finals and her throw of 104'3" placed her sixth in the sectional competition.

Freshman Nicole "Coco" Herrmann threw 29'6-1/2" in the shot put, but did not make finals.

"I'm very proud of all the girls that competed at sectionals. They had great performances. Plus we had two freshmen, Jolene Clark and Nicole Herrmann, and two sophomores, Colleen Gosa and Jody Wichtoski, make it to sectionals. This gives us a lot of hope for the future. We still need more athletes, however, and we will need to work harder in the future," concluded Coach Kinney.

Sophomore Jody Wichtoski triple jumping 30'3/4" at the W.I.A.A. Sectional Track Meet at Columbus High School on Thursday, May 27th.

Freshman Jolene Clark clearing 5'0" in the high jump at the W.I.A.A. Sectional Track Meet at Columbus High School. Clark finished fourth in the event and her 5'0" height is a personal best by four inches, just two inches away from the school record in high jump.

Serigraph, Inc. one of the top 100 printing companies in the nation, has full-time entry level openings on second and third shifts for motivated, dependable individuals. These positions include:

# Sparks Third in Discus at Sectional

By Jerry Gosa

COLUMBUS -- Sophomore Charlie Sparks placed third in the discus at the WIAA Sectional Track and Field meet Thursday, May 27, at Columbus High School and just missed earning the right to advance to state competition.

Only the top two finishers in each event of the four sectional meets throughout the state, qualify for the state track meet at the University of Wisconsin-LaCrosse on June 4 and 5.

Sparks struggled all night as he had to come from behind to even make the finals. His first two throws of 126'9" and 126'4" left him almost nine feet short of being in the top eight of the preliminaries. On his third throw he needed at least 135' to make it into the top eight and he

responded by throwing 137'3" to earn three more throws in the finals.

Spark's first two throws of 140'4" and 140'1" did not move him up much into the competition. His last throw of 147'7", however, temporarily moved him up to second place in the competition behind Dusty Keppen of Palmyra-Eagle's throw of 148'1".

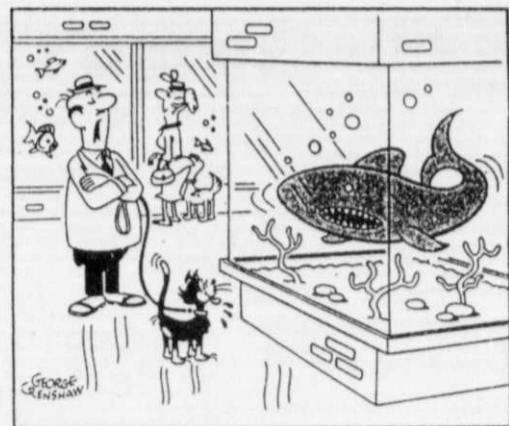

Lee Dreikosen of Lomira, however, had three throws left in the discus competition and threw 149'1" on his last throw to win the competition and bump Sparks down into third place. "I don't think Charlie was at his best tonight. He was trying hard, but it wasn't his day. I have a lot of confidence that he will be back next year starting where he left off this season. His 153' personal best is a great place to start next year.

He'll be good," praised Coach Dave Rizzardi, Kewaskum throwing coach.

Freshman Chris Canter was the other Kewaskum boys representative competing in the long jump at sectionals. Canter's best jump of 19'9-1/4" was not among the top eight best jumps, so Canter did not make the finals in his event. Ken Fleming of Bigfoot won the long jump with a jump of over 23 feet.

"I think Chris had an excellent season. He placed third at the conference meet as a freshman. I expect him to jump over 20 feet next season. I definitely feel that he has that kind of potential," commented jumping coach Jill Wichtoski.

Grafton won the sectional title with 92 points and Slinger finished second with 68 points.

"Forget It!"

# Athletics Split Pair

The Kewaskum Athletics split a pair of high scoring games over the Memorial Day weekend. They came up on the short end of a 24-8 score on Saturday when they traveled to Hustisford to take on the Astros. The A's rebounded with a vengeance on Sunday as they pummeled the Horicon Honkers, 37-3.

Saturday's game was a match-up of two teams tied for first place and undefeated. Kewaskum started quickly, scoring three runs in each of the first two innings. Unfortunately, it was all Hustisford the rest of the way as the Astros unleashed a 21 hit attack highlighted by four home-runs, including two by Steve Oleshko.

Five Kewaskum pitchers were unable to stem the tide as Hustisford scored six in the third, seven in the fourth and seven more in the eighth inning.

Curt Schroeder and Ryan Toshner led the Athletics offensively. Schroeder clubbed a two run homer in the top of the first inning to give the A's an early 3-0 lead. Toshner was the only Kewaskum hitter to pick up more than one hit. He had a pair including a double.

It was Kewaskum's turn to wear out homeplate when they crossed 37 times in what very likely is an all-time team record. In a 34-hit onslaught there are many offensive stars but the A's were led by the dynamic duo of Curt Schroeder and Ken Immel.

Schroeder had a monster game, smashing three home runs among his six hits. He scored seven runs while driving in 10. Immel came close to matching those

amazing numbers. He went 5-5 with a pair of homers, five runs scored and five RBI. Schroeder and Immel each added a double for good measure.

Manager Bob Bothe led the supporting cast with 4-6 performance at the plate. He rapped a pair of doubles. Steve Walta banged out a homerun among his three hits while driving in four runs. Derrick Bruckert, Troy Staehler, Ryan Hall, Tim Gundrum, Nathan Mueller and Jacob Panzer all added a pair of hits to the barrage.

Ken Immel turned in another strong performance on the mound in addition to his offensive fireworks. The Athletics' ace threw six good innings to pick up the win. He gave up three runs on six hits, striking out five and walking only two. Steve Walta (two innings) and

Corey Immel (one inning) shut out the Honkers over the last three innings.

The weekend's action left the A's with a 4-1 record in Rock River League play. They are 3-1 in the Tri-County Nite League. Overall the Athletics are 8-3 for the 1999 season.

Kewaskum faces another busy weekend. The A's travel back to Hustisford Friday night, June 4, to take on the Rubicon Red Sox in the Astro's tournament. Game time is 8:30 p.m.

Saturday finds the Athletics entertaining Oconomowoc in a Tri-County Nite League game. The game starts at 1:30 p.m. at the Kiwanis Park. They wrap up the hectic weekend by making the long trek to Pardeeville to meet the Braves in a Rock River League game starting at 1:30 p.m.

Exactly who started using curling irons remains a mystery but records indicate that the Romans in the reign of Emperor Titus, A.D. 79 to 81, employed little hollow tubes filled with boiling water for that chore.

# Indian Baseball Ends Pre-Season With 2-3 Record

The Kewaskum High School baseball team had a busy week playing five games in five days.

The non-conference games started on Tuesday, May 25, with a ballgame against West Bend West. The Indians had to move the game to Kiwanis Park, as their high school diamond was not ready for play by game time.

The park was not friendly to the Indians as the West Spartans scored 16 runs on 13 hits compared to three runs on six hits for Kewaskum. The defense didn't help either as the Indians committed four errors.

John Immel and Bruce Groholski led Kewaskum in hitting, each going 2x3. Groholski had all three Indian RBI's. Coach Mark Heise used four pitchers trying to give a number of players a chance to get some early season work.

On Thursday, May 27, the Cedar Grove Rockets came to Kewaskum for a 5:30 contest. The high school diamond was ready and the Indians responded to the home cooking, defeating the Rockets, 6-2.

Senior Bruce Groholski started on the mound for the Indians and shut out the opposition for 5-2/3 innings. When Bruce tired in the sixth, sophomore Josh Krahn entered to retire the first batter he faced.

Josh started the seventh, but after two consecutive walks, Heise turned to his sophomore ace, Bobby Ogi, to finish the game. Bobby struck out two of the four he faced, to register the save.

Senior John Immel and junior Jason Strobel both went 2x4, with Strobel smashing a fourth inning home run. With two outs and two men on base he hit a line shot that rolled out to the Elementary School playground. "That shot was the turning point in the game. It gave us a six-run lead going into the fifth," com-

mented Coach Heise.

## ANNUAL GERMANTOWN TOURNAMENT

Saturday, May 29, saw the Indians head to Germantown for their annual eight-team tournament. Kewaskum's first game was at 8 a.m. against the host team Warhawks.

The Indians had numerous chances early in the game to have some big innings, but the Warhawk defense made short play of their efforts and squelched their chances.

With one out and the bases loaded in the top of the third, the Warhawk defense turned a double play to get out of the inning. In the fourth, the Indians again had runners on second and third with one out, but could not score. In comparison, Germantown took advantage of their opportunities and downed the Indians, 9-1.

Immel pitched six innings for Kewaskum giving up nine runs on ten hits. He struck out two and walked two. Junior Erik Weninger pitched the seventh and allowed no runs on no hits. Juniors Jason Calliari and Billy Cook, along with Ogi, had Kewaskum's only three hits.

The second game of the day was against Mukwonago, who had lost earlier to Racine Case to move into the Consolation Bracket with Kewaskum. The Kewaskum Indians scored

nine runs on ten hits to eliminate the Mukwonago Indians by a score of 9-6.

Kewaskum had to come from behind to win. With Mukwonago leading 3-1 going into the top of the fourth, freshman Chris Canter hit a double off the centerfield fence to tie the score at three apiece. Kewaskum scored two more in the sixth and four in the seventh to take a 9-3 lead into the bottom of the seventh.

Bobby Ogi pitched six strong innings giving up three runs on seven hits, struck out seven and walked only one. "We knew Bobby had six innings left to pitch today. I used him Thursday to close against Cedar Grove. WIAA rules that a pitcher can only pitch seven innings and then needs two days' rest," said Coach Heise.

Chris Canter started the seventh by walking the first three hitters to load the bases. Heise then turned to Immel who had one inning of eligibility left. John proceeded to hit the first batter he faced. He settled down to defeat three of the next four batters to end the game at 9-6.

Seniors Andy Luedtke and Adam Donath, Billy Cook and Chris Canter all went 2x4. Bobby Ogi and Erik Weninger each added hits. The win propelled the Kewaskum Indians to the Consolation Championship against the Menomonee

Falls Indians.

## CONSOLATION CHAMPIONSHIP

After being at the ball park for ten hours, Kewaskum took to the field with Menomonee Falls in the 5 p.m. Consolation Championship game. Kewaskum faced some challenges, participating in their fifth game in five days. "We only have so much pitching and came with only 13 players," stated Coach Heise. "Our two top pitchers had reached their inning totals and our three and four pitchers were walking around all day with sore arms, which put us into a tough situation."

The Kewaskum team started by taking a one-run lead when Jason Strobel hit a first inning home run. But it was short-lived as the Falls Indians scored six in the bottom of the first.

No. three pitcher Bruce Groholski had only one inning of eligibility and told Heise that he would try it with the tired arm. Two

doubles and a home run knocked Groholski out as he received only one out in the first, giving up five runs on three hits.

Junior Chris Koth, who had only been at three practices due to track, entered to pitch the remainder of the first and the next three innings. Koth allowed seven runs on six hits. In the fifth, Koth allowed a home run and a walk, causing Coach Heise to look further into the stable.

Junior Adam Beck faced two hitters, walking both to load the bases. Coach Heise then turned to Erik Wenninger. Unfortunately for the K-town boys, Falls' number three hitter, Drew Hietpas hit Wenninger's first pitch for a grand slam and a 15-3 lead, ending the Indians' long day by the ten run rule.

Eight Kewaskum players singled in the contest, but it was not enough to challenge the powerful Menomonee Falls team.

# KHS Golfers Miss Out on Regional Opportunities, But Still Manage to Advance to WIAA Sectional

Due to wet conditions at Hon-E-Kor Golf and Country Club, the 1999 W.I.A.A. Division Two Boys Regional Golf Tournament was postponed to Wednesday, May 26.

With the blue and white nines under water, the host (Kewaskum High) school decided to delay the scheduled eight team competition to much warmer and drier conditions later in the week. Unfortunately, the Indians were unable to take advantage of the sunny, hot (70's) and calm weather that prevailed throughout the tournament on the makeup (rain) date.

Upon the completion of the coaches' and players' meeting including lineup changes, the players started to tee off number one of the blue nine at approximately 9 a.m.

Foursomes were paired up according to team nine-hole averages and player position on each team. Therefore, the highest average teams' player five through one were scheduled first followed by the lowest average team ranked likewise. The Indians were placed in the last five groups to tee due to having the second best team scores throughout the regular season behind the Grafton Blackhawks.

The last groups started about 10:25 p.m. with the first groups making the turn at about 11 a.m. The first round (nine-hole) scores were posted as each group ate lunch provided as part of their team entry fees. The last group composed of the top four teams' number one player completed their first nine at 12:40 p.m. Thus the regional tournament to qualify for sectionals the next week was running on time.

The Indians felt their

home course advantage would overcome the Blackhawks five stroke team average. Adding the most pleasant golfing conditions of the season to date, the local linksters believed that they were in position to control the outcome of the tournament by winning the regional at Hon-E-Kor. However, in the game of golf, not everything simply goes as planned or prepared for.

Grafton had established an eight stroke advantage after the conclusion of all play on the blue nine (par 35) over the confident Indians of KHS, 173 to 181. Campbelsport applied pressure as well with a team total of 184 after their initial nine.

The top three teams and three individuals qualify to compete in the sectionals at Lawsonia Links on Tuesday, June 1.

Many of the scholastic participants struggled with the thick rough and narrow fairways at Hon-E-Kor, which resulted from the recent rains and the inability of maintenance to mow through the very considerable amount of casual water.

The course was gradually drying out as the day progressed under clear skies and even humid conditions. But the biggest factor in

creating the high scores was the challenging greens on both nines used on Kewaskum's 27-hole layout.

As groups signed, attested to and reported their respective rounds, it became clear that the Indians may not be able to come back from their first round deficit. Grafton faltered on the white nine by adding six more strokes than their earlier team score, whereas the varsity Indians improved their status by eight.

All in all, these changes in direction resulted in the

Indians coming up two strokes short of the visiting Blackhawks team total of 352. Both teams advanced to the sectionals along with the Cougars of Campbelsport at 365.

Individually, defending state champion (medalist) Joe Bluemke of North Fond du Lac led all golfers with a (39/40) 79, followed by Slinger's state participant in '98, Ben Roth's 82. Finally Tom Rapp of Brown Deer qualified as well with an 89 as a non-advancing

team member qualifier.

After presenting the team trophy to Grafton and announcing the individuals who advanced, the Indians were left with an awareness of a significant opportunity lost. With one more chance to advance to State ahead, the Indians certainly need to play better, in order to get to the promised land (University Ridge).

## EW Conference Baseball Begins

On Tuesday, June 1, the Kewaskum Indians began Eastern Wisconsin Conference baseball action. The Indians hosted Sheboygan Falls in a 5:30 p.m. duel on the high school diamond.

The next game will be fought on Thursday, June 3, when Manitowoc Roncalli comes to town for a 5:30 p.m. matchup. A long bus trip carries the Indians to Brillion on Friday night for the third game of the conference season, again beginning at 5:30 p.m.

With non-conference play under the belt, Head Coach Mark Heise has determined the varsity assignments. They include seniors: John Immel (P, IN, OF), Erik Wenninger (IN), Adam Donath (OF), Andy Luedtke (C), Bruce Groholski (P, OF). Junior members list includes Jason Strobel (OF), Jason Calliari (IN), Billy Cook (1ST), Brad Vetter (IN, OF), Nick Tibbs (IN), Adam Beck (1ST, OF), Chris Koth (U), Erik Backhaus (OF).

The rest of the roster finishes with sophomore Bobby Ogi (P, IN, OF) and freshman Chris Canter (OF) and Dustin Rhoads (C).

## Summer Opportunity VOLUNTEER!

Check out these summer opportunities to volunteer your time and talents.

- \* Experienced painter needed to paint an apartment.

- \* Be an assistant at the Junior Naturalist Camp.

- \* Assist with a summer pediatric program

## Hearing Tests Set For Kewaskum

Hearing tests will be given FREE at

**West Bend Savings Bank**

**1052 Fond du Lac Ave.**

**Monday, June 7, 1999**

**1:00 pm to 5:00 pm**

**State Licensed Hearing Instrument Specialist**

**Michelle Krier**

**will perform the tests.**

Those who HEAR but have trouble UNDERSTANDING conversations are urged to have this modern electronic test to find out if their loss is one that can be helped.

Everyone not hearing clearly should have a hearing test. Even people who wear hearing aids, or those who believe nothing can be done for them, should be tested. Today, many hearing problems can be helped. No Hearing Problem Should Ever Be Ignored.

Walk-ins are welcome. HOWEVER, TO AVOID WAITING, Please Call:

**334-4232 or 1-800-527-4327 toll free**

*for an appointment*

*You should hear what you've been missing!*
