Board Discusses Placement of South Welcome Sign

By Lana Harbeck Kuehl

Village President Robert Wagner opened the last May village board meeting with a discussion of the south Welcome to Kewaskum sign in conjunction with the installation of the other three new signs on the north, east and west sides of the Village.

Due to some miscommunication, it was believed the old traditional sign put up in the 1950's, was going to be torn down and re-placed with the new sign. The board, along with Village Administrator Dan Schmidt, was not aware the intention was to tear down the old sign.

Schmidt stated upon learning the sign was to be razed, he felt the board should be made aware of this due to the fact the current sign "was a landmark that has been there for nearly 50 years." Schmidt also added the new sign would be approximately a quarter of the size the current sign is now.

President Wagner commented, "I guess I was caught a little off guard, and to be honest, I couldn't remember what the discussion was at the village board meeting that night... because I understand that it

is quite a landmark."

Wagner added, "I feel what the Junior Women's Club is doing is excellent... they're trying to give the village a gift, but we need to talk about it a little more because I imagine there are a number of people in the village that probably have a sentimental value with the sign."

Wagner suggested it might be possible to put both signs up.

Fire Chief Mark Groeschel commented, "I personally, speaking as a citizen of this community, would like to see the existing sign stay. I think it has sentimental value and it's been there as long as I can remember. It's always nice to see that sign when you come into Kewaskum."

Jim Reuther, representing the Kewaskum Junior Women's Club for his wife, who is president of that club and could not attend the meeting due to medical reasons, addressed the board. Reuther is also a member of the Kewaskum Kiwanis, who were instrumental in the installation of the original welcome sign.

Reuther stated he didn't know why the issue (of tearing down the old sign) hadn't come before the board sooner. Not being a member

of the Junior Women, he felt there was possibly just a lack of communication somewhere along the line. He said, "I understand there's historical value to the existing sign at the south end of town, so I can appreciate that."

Reuther added that the Junior Women were not aware that the original sign was a donation to the village by the Kiwanis.

Reuther concluded by saying, "If there wasn't the historical significance here and it wasn't part of the letterhead and the whole village identity, we wouldn't be having this discussion, but because it's so much a part of our identity, it seems to me that your idea to leave the existing sign and just put up the other one (is fine)."

Village Trustee John Kenworthy echoed the above sentiments stating the sign had sentimental value and felt it was like a "Welcome Home" feeling when you re-entered the village.

Following further discussion and comments from the audience, a compromise was worked out and it was decided to place the new sign adjacent to the village calendar of events signage and the visitor's gazebo

area. The exact placement will be discussed with the Junior Women, Village personnel, the Chamber of Commerce and the Kewaskum Fire Department for optimal viewing.

Reuther reiterated, "I think if you look at it, I think it makes a lot of sense to put it there, because that gazebo gives the perception of a "welcome information center" so now let's put a nice sign there to go with it."

Director of Public Works Jerry Gilles then reviewed with the board the opening of sealed bids for proposed asphalt work on village streets and parking lots; proposed concrete work within the downtown parking lot and proposed tree planting program within greenways.

Gilles also discussed with the board the possibility of purchasing a used street sweeper as a replacement from the city of Appleton on an auction. A new street sweeper would cost over \$100,000. The village was the successful bidder on this renovated 1989 model at a cost of only \$9,250. Gilles stated the sweeper was now at the village garage and hopefully they could sell the old sweeper.

Brief reports were also

given by other Department Heads, Fire Chief Mark Groeschel and Police Chief Richard Knoebel.

Committee Reports were given by Administrative, Robert Stoltzmann; Protection and Public Safety, Harry Roecker; Public Services, Andrew Kuehl; Public Works, Warren Dums; Park and Recreation, John Kenworthy; Plan Commission, Andrew Pesch; Library Board, John Kenworthy and Mid-Moraine Municipal Association, Robert Stoltzmann.

The board voted unanimously to accept the recommendation of Director Jerry Gilles on the awarding of the previously discussed bids.

The asphalt work was awarded to low bidder Scott Construction; the downtown parking area concrete work was awarded to T.P. Construction and the tree planting was given to T & M Landscape of West Bend.

In the wake of the Littleton, Colorado tragedy the board unanimously passed a proclamation regarding a countywide Safe Night USA which was scheduled for May 28, 1999.

Hilltop Cross Field Mass At Ashford on Sunday

For a Sunday with joyful honor and glory to God, family entertainment, tasty food and a unique outdoor experience, attend the 32nd Annual St. Martin's Hilltop Cross Field Mass on June 13 at 10:30 a.m.

People of all faiths join members of this Ashford parish at the Hilltop Cross, south of Highway 67, between Lomira and Campbellsport. The site is where the first cross was erected by pioneers in 1886. In the 60's, this tradition was renewed when a larger cross was erected. Today's cross stands 43 feet high with cross pieces about 14 feet, its blue light glowing in the rolling countryside.

The outdoor Mass, celebrated by the Rev. Wayne Barta, will open with a Knights of Columbus Color Guard followed by the VFW and the Lomira Bintzler-

Wahler American Legion Post 347 posting the colors. A special parking area for the handicapped is reserved so that the Holy Eucharist can be brought to the cars.

Drive your vehicle to the hilltop (follow signs), or park it on the church lot and ride free on the shuttle bus, courtesy of the Johnson Bus Service. This hilltop site is available through the generosity of four landowners.

Following Mass, everyone is invited to family fun at the parish grounds for a bake sale, games, crafts, hamburgers, brats, refreshments, a fish pond for the children, a white elephant sale, and a raffle of donated prizes. The grand prize is a John Deere lawn tractor with mower deck, other prizes, a 27-inch Zenith TV, cash and gift certificates.

Kewaskum Teacher Recognized By American Heart Association

MILWAUKEE -- Kewaskum teacher Mary Ann Wagner of Farmington Elementary, was recently recognized by the American Heart Association for achieving an increase of \$1,500 or more for her school's participation in the "Jump Rope For Heart" program. Wagner was one of only 11 teachers in Southeastern Wisconsin to achieve an increase of \$1,500 or more for her school. Farmington Elementary raised over \$4,500, which is approximately \$2,400 more than what the school raised last year.

"Mary Ann has done an excellent job with her event," said Gloria Hemauer, AHA Washington and Ozaukee County Area Director. "By holding her Jump Rope for Heart event, Mary Ann has touched the lives of many in an effort to promote heart-healthy liv-

ing. Her dedication and commitment to the program is greatly appreciated by everyone at the American Heart Association."

Wagner received her award at the first annual Thank You and Awards Reception, which was held at Discovery World on Thursday, May 13. The American Heart Association held the reception to honor coordinators throughout Southeastern Wisconsin who have helped raise more than \$600,000 through Jump Rope for Heart and Hoops for Heart events through May, 1999.

The Thank You and Awards Reception featured Discovery World exhibits, food and many other activities. One of those activities included special guest speaker Paul Zettel, a physical education teacher at Fairview Elementary in Milwaukee. Zettel talked to

the audience about how the proceeds generated from Jump Rope for Heart and Hoops for Heart are used to support research that recently helped save his life. Guest speaker's nine-year-old Jacob Evans and seven-year-old Ian Evans also talked to the audience about Jump Rope for Heart and how it helps people like their younger sister Anna, who has a rare form of heart disease. In addition to the speakers, members of the Milwaukee Youth Symphony provided a musical performance, and the Milwaukee County Fire Department conducted smoke screenings.

Local sponsors such as Discovery World, Houghton-Mifflin Company, Subway, Sam's Club and Pepsi helped to make the reception possible by donating space, food and beverages.

Woman's Club Donates to Community

The GFWC-WFVC Kewaskum Woman's Club has dispersed their funds into appropriate community and county projects throughout the 1998-99 year of service.

Area Teachers Receive Honors In WBKV Top Teacher Contest

Area radio station WBKV has announced the winners of its annual Top Teacher Contest held in conjunction with Teacher Appreciation Month. The station received over 200 nominations from area students, according to morning show host and program director, Bob Bonenfant.

"Once again, it was such a pleasure to read many of the nominations over the air. Some were fun, some were serious, but all were sincere... from kindergartners up to the high school students, home schoolers and even parents," Bonenfant said.

"Nowadays, a teacher has to be a parent, counselor, and instructor, with a little bit of lawyer and social worker thrown in. The pay isn't commensurate with their responsibilities, yet they're in charge of shaping the next generation. Most people take them for granted and this is our way of drawing attention to that," offered Bonenfant.

Ms. Kathy Jefferson, teacher at Badger Middle School, received the nod as "Top Teacher."

Also receiving "Top Honors" were:

* Curt Caseta - Farmington Elementary - Gifted and Talented.

* Mrs. Lois Knoll - St. John's Lutheran, West Bend - Fourth Grade.

* Mrs. Peggy Nelson - Kewaskum Elementary - Third Grade.

* Mrs. Shary Witte - Farmington Elementary - First Grade.

* Mrs. Bonnie Schultz - Kewaskum Elementary - Fifth Grade.

* Pete Hirt - Jackson Elementary - Fifth Grade.

* Ms. McClain - Badger Middle School - Seventh Grade.

* Joe Billmann - Badger Middle School - Sixth Grade.

* Mrs. Debbie Rehman - Holy Angels - Eighth Grade.

* Mrs. Ruback - St. Andrew's Pre-School, West Bend.

Kathy Jefferson received a \$50 dining gift certificate, a Sybaris gift certificate, and a dozen roses from Bits and Pieces Floral. The "Top Honors" teachers received an El Rey Mexican Restaurant gift certificate and Bits and Pieces floral arrangement.

Marc Zinuticz, the student at Badger whose letter was instrumental in bringing recognition to Mrs. Jefferson, wins a pizza party for his class courtesy of Domino's Pizza of West Bend.

Becky Yogerst is Exhibitor in Carroll College Art Students Show

Becky Yogerst is pictured with her "Light of My Life," oil painting that was honored as the 1999 Best of the Carroll College Art Students Show. Yogerst, a 1999 Carroll College graduate, has majored in art education. Becky's artists statement includes, "My belief in the Lord Jesus Christ (shown in the eyes of her artwork) and this love I possessed for art were the two entities holding me together in this journey of learning about art and people."

Kewaskum High School art teacher, Debbie Stone, left, and her former pupil, Becky Yogerst, pose next to Yogerst's three dimensional wood sculpture of the head of Jesus Christ at the Carroll College Student Art Show. "With the encouragement of my mother and my mentor, Mrs. Stone, I decided to become an art teacher so that I could instill my feelings about the creative process in other people," stated Becky.

BAKED CHICKEN N' ASPARAGUS

Chicken:
 3/4 c. crushed buttery crackers
 2 Tbsp. Parmesan cheese
 1 Tbsp. dried parsley flakes or fresh
 1/2 tsp. salt
 1 (3 to 4 lb.) chicken, cut into pieces
 1/3 c. butter melted
Asparagus Sauce:
 1/2 c. butter
 1/2 c. sliced 1/4-inch green onions
 1 (10 oz.) pkg. frozen cut asparagus, thawed and drained
 1 (4 oz.) can mushroom stems and pieces, drained
 1 tsp. Italian seasoning
 1/2 tsp. garlic salt.

Heat oven to 375 degrees. In a pan, combine crackers, cheese, parsley and salt. Dip chicken in 1/3 cup melted butter, then roll in seasoned crumbs to coat. Place chicken, skin side up, in 13x9-inch baking pan. Bake 60 to 75 minutes.

Meanwhile, in saucepan, melt butter and add rest of ingredients. Heat for 5 to 10 minutes, until heated through. Serve sauce over chicken.

Proclamation

In the Name of
**THE PEOPLE OF THE VILLAGE OF KEWASKUM
WISCONSIN**
this
PROCLAMATION OF APPRECIATION
is presented to
***** LARRY AMMEL *****

In grateful recognition of your many years of faithful, efficient and dedicated public service rendered to the School District of Kewaskum and Village of Kewaskum, Wisconsin.

The Village of Kewaskum is proud indeed of its employees and citizens who have contributed, in no small means, to the enhancement of the fair name of the Village of Kewaskum. Successive Village Boards appreciate the job you have done as the High School Band Director and as a Goodwill Ambassador for the Village of Kewaskum. They also have realized the extra effort given to the Village over the last two and one half decades. Progress in the educational system is predicated, for the most part, upon loyalty and dedication of the civic employees and their ability to carry out faithfully and effectively the acts of Public Employment.

WE, THEREFORE, on behalf of the Village Board of the Village of Kewaskum, Wisconsin, issue this PROCLAMATION in appreciation of your efforts as Kewaskum High School Band Director and honorable record of service with this Community as an Ambassador of Goodwill. The Village Board of the Village of Kewaskum, Washington County, Wisconsin look forward to working with you in the future.

BE IT FURTHER PROCLAIMED, that June 7, 1999 be declared LARRY AMMEL DAY within the Village of Kewaskum and Area.

CHEESE FUN FACT

* Cheesemaking predates recorded history, but we can thank the British for Cheddar. It is named for a village near Cheddar Gorge in Somersetshire, England. While the exact date of its development is not known, Cheddar has been made at least since the 17th century and is considered America's favorite cheese. Wisconsin is now King of Cheddar. If you counted Wisconsin's Cheddar production alone, the state would rank eighth in world cheese production.

Weather Radio Awareness Week in Wisconsin June 14-18

Spring and summer in Wisconsin brings warm weather and outdoor activities. This time of year also brings thunderstorms and severe weather. Getting a message of severe weather quickly, at any time of day or night, is the key to staying safe when storms strike.

That is why the National Weather Service, along with Wisconsin Emergency Management are sponsoring NOAA Weather Radio Awareness Week, June 14-18, 1999.

The best way to be aware of weather warnings, advisories, and other severe weather events is to purchase a NOAA Weather Radio that receives National Weather Service broadcasts of forecasts and warnings. The Weather Service maintains the NOAA Weather Radio network which is named for its parent agency, the National Oceanic and Atmospheric Administration.

Weather radio broadcasts are made over seven channels, each covering a three to seven county area. In Wisconsin, there are more than 15 weather radio stations across the state providing 24 hour-a-day weather coverage.

Weather radio receivers are available at electronic stores, with prices ranging from \$30 to \$70. When pur-

chasing a weather radio, make sure it has seven channels, a warning alert feature, and battery back-up. The higher priced receivers use "specific area message encoding" technology that allows users to program their radio for specific counties.

National Weather Service advisories and warnings feed directly into the Weather Service's broadcast computer system, which enables those with weather radios to get important weather information first. Weather radio receivers with the tone-alert feature turn on automatically, even in the middle of the night while you sleep, to alert the listener of impending severe weather. When the weather is fair, broadcasts of local weather conditions, forecasts, marine information and climate data are heard.

"We strongly recommend that all homes, schools, churches, businesses and other places where people gather have a tone-alert weather radio," said Jeff Last, Warning Coordinator Meteorologist at the Green Bay National Weather Service office. "Time after time, advanced notice of severe weather such as thunderstorms, flash floods, and tornadoes have proven to be a life saver."

Opportunities For County Fair Parade Entry

TOWN OF POLK -- The Washington County Fair Park Parade Committee is inviting entries for the largest event in Washington County.

The inaugural Washington County Fair Parade will take place on Wednesday, July 21, and will be the official opening of the Washington County Fair and the new Fair Park and grounds, located at 3000 Highway PV in the Town of Polk.

The parade is scheduled to begin at 11:30 a.m. with the lineup taking place between the time of 10:45 and 11 a.m. An opening ceremony will follow the parade at 12 noon.

The committee is interested in receiving entries from civic and fraternal organizations, youth groups, city and town government agencies, local and regional businesses and companies, and any independent individuals, groups, associations and/or establishments.

The type of parade units the committee would like to see apply include: festive floats, antique and classic automobiles, animals, farm and tractor equipment, horses, police and fire

department vehicles and walking and marching units, to name a few.

Auditions Set For 'Fiddler'

WEST BEND -- The University of Wisconsin Washington County Theatre-on-the-Hill Summer Repertory announces its summer production, "Fiddler on the Roof," directed by Professor Brad Ford.

"Fiddler" is set in the small Jewish village of Anatevka, Russia in 1905 and is concerned primarily with the efforts of Tevye, a dairyman, his wife Golde, and their five daughters, to cope with their harsh existence under Tsarist rule. Tevye schemes to marry off his daughters and struggles with maintaining ancestral traditions as each successive daughter asserts her independence more vigorously, defying familial customs and traditions that have always been the cement that bound the Jewish community together.

Auditions are set for June 24 for adults (16 and

over), from 7 to 10 p.m. at the UWWC Theater. For children, ages 8-15, auditions will be from 9 a.m. to noon on June 26 in the UWWC Theatre. Fifteen men and fifteen women are needed, as well as eight boys and eight girls. Scripts are available in the UWWC library on a one-week checkout.

Performance dates for "Fiddler on the Roof" are July 30, 31, August 1 and August 6, 7 and 8. For further information contact Brad Ford, Artistic Director, Theatre on the Hill at (414) 335-5222 or e-mail bford@uwc.edu.

United Way Campaign Chair, Theme Announced for 1999

Maureen "Mo" Josten

Maureen "Mo" Josten, Campus Administrator for Moraine Park Technical College (MPTC) in West Bend, has been named Campaign Chair of the 1999 United Way of Washington County fund drive.

Josten is a graduate of Viterbo College in La Crosse, with a Bachelor of Arts degree in English; she has a Master of Science Degree in Administrative Leadership in Adult Education from the University of Wisconsin - Milwaukee. She and her husband, William, have three children and two grandchildren.

Mo began her career as an English teacher at Cashton High School. She has been with Moraine Park Technical College since 1970, starting as an instructor, and moving up the ranks to supervisor and Associate Dean and was named Administrator of the West Bend Campus in 1991. The local MPTC campus currently has an enrollment of approximately 5,000 students, and has a county-wide presence with classes offered in Hartford, Jackson, Slinger, Kewaskum and West Bend.

Josten is a member of the United Way of Washington County Board of Directors, Rotary Club of West Bend, the West Bend Area Chamber of Commerce, the West Bend Economic Development Corporation, and the Overall Economic Development Program Committee. She is also active in the American Society of Training and Development, Moraine Park Vocational Association and the Wisconsin Vocational Association.

Through her involve-

ment, Josten is aware of county-wide needs and what services are available. "It is because of this awareness that I want to help," she said. "I've been in the education and service fields all my life, and am committed to making Washington County a better place to work and live."

"I am very aware of the 'teaming' or working together of the business community, individuals and the agencies we provide funding for. With the average age of our students at 31 years, most of whom are working and attending school part-time to acquire more skills, I am aware of the barriers people can face in juggling the demands of work, school, and family," Josten said. "I truly believe that United Way, through the 62 programs and 25 agencies we fund, is able to make a considerable difference in helping people help themselves."

Josten is enthusiastic about leading this year's United Way drive. "I am very excited. I know it will be hard work and a challenge, and we'll also have some fun," she said.

The 1999 campaign theme of "Give Help, Give Hope," was chosen by United Way volunteers. "What is unique about United Way is our ability to give both help and hope right here in Washington County," said Josten.

"Our history is rich with generosity, and caring is a word that describes the role of United Way -- and the positive impact contributed dollars have in the Washington County community."

Barbara Hurula, United

Way's Executive Director, is pleased to have Josten at the helm of this year's campaign. "The presence and success of Moraine Park Technical College throughout Washington County sets a very good precedence for this year's campaign effort,"

she said. "The commitment to continue the past successes of United Way's annual campaign as a county-wide effort is there from our hundreds of volunteers - and Mo has also established vital connections with business leaders," said Hurula.

The campaign officially begins in late August, and will cover the ten communities of Hartford, Kewaskum, Jackson, Slinger, Allenton, Newburg, Hubertus, Richfield, Colgate and West Bend. The 1998 campaign surpassed its goal, raising \$1,065,351.

Josten continued, "We would like to thank the Washington County community for their continued generosity in supporting health and human service needs. We're looking for success again in 1999. We've seen that agency needs are increasing, and

our giving needs to increase as well," she said.

"United Way funded programs and services reach one in four people in our County. I see the involvement of people as the key to our continued success. Right now, we're in the process of reviewing our past campaign success and challenges, looking at agency needs for the coming year and recruiting approximately 160 volunteers who will be involved in this year's campaign," she commented.

Kevin Steiner, board president of the United Way, gives Josten high marks for her demonstrated leadership, dedication and can-do spirit. "Her positive track record of community involvement and commitment to United Way speaks well of the leadership she'll bring to the Campaign," said Steiner. "Her hard work and enthusiasm are already evident, and inspiring to the Board and to the campaign volunteers she is recruiting."

Recipient agencies have prepared their 2000 budgets and are currently meeting with United Way fund distribution panels, made up of volunteers from around the County. The panels will make 2000 funding recommendations to the United Way Board for final action this summer.

Agency needs and United

Way's operating budget will be combined with the giving history of businesses and individuals to determine the 1999 Campaign Goal, to be submitted for approval to the United Way Board of Directors in late July.

Funds collected in the upcoming campaign will benefit 25 agencies throughout Washington County. These agencies are:

American Heart Association, American Red Cross - Kettle Moraine Region, American Red Cross - West Bend Chapter, Big Brothers/Big Sisters of Washington County, Bay Lakes Boy Scout Council, Potawatomi Area Boy Scout Council, Catholic Social Services, Child's Place, Citizen Advocacy of Washington County, Council on Alcohol and Other Drug Abuse, Family Center of Washington, Friends of Abused Families, Full Shelf Food Pantry, Great Blue Heron Girl Scouts, Manitou Girl Scouts, Hartford Area Blood Donors, Kettle Moraine Support Services, Lutheran Social Services, Nova Services, Salvation Army, Senior Citizens Activities, Senior Friends, The Threshold, Volunteer Center of Washington County and The Youth and Family Project.

A good reputation is more valuable than money.

Wisconsin Cheese IS Better

MADISON -- Wisconsin truly have a head for cheese. And if our proud declarations of the fact at sporting events weren't enough, we prove it every two years at the US Championship Cheese Contest. This year was no exception, with state cheesemakers claiming the lion's share of awards at the biennial event held in Green Bay in March.

The US Championship Cheese Contest employs 10 expert cheese evaluators from across the US to select the finest cheeses and butters in 22 classes. This year, a record 577 dairy products were entered in the competition.

Wisconsin cheesemakers won a total of 36 of the 66 awards offered, tallying more honors than all other states combined. This included 12 first place finishes, 13 second place finishes and 11 third place finishes. In five of the 22 judging categories, Wisconsin entries swept the top three awards.

Adding to the state's accolades was the naming of Milfred Severson, cheesemaker with Klondike Cheese Company, Monroe,

Wisconsin, as 1999 Champion Cheesemaker for his brick cheese submission. This honor, the highest achievement in US cheese making, was also won by a Wisconsin cheesemaker in 1997.

Wisconsin Cheese Makers Association hosts the US championship cheese contest in odd numbered years, and hosts an international competition in even numbered years. Cheese and butter manufacturers in 23 states entered products, with place finishers coming from Oregon, Vermont, South Dakota, Wisconsin, Idaho, Indiana, Iowa, Ohio, Illinois, California, New York, Michigan, Pennsylvania and Massachusetts.

June Bugs; Bats & Baby Rabbits

by AMi

This is the month the romantic inclined call: The popular months of the bride and groom! Perhaps, so. However, for the out of doors woman and man...including the gardener, it well can be called the month of the title of this article. For who has not been amazed by the great number of big brown June bugs littering your porch or front stoop?

And, how about the at dusk routine debut of the zooming bat family. Always a bit "hair raising." Right? Altho' never yet have I learned of a bat becoming entangled in someones mop of hair.

And, what about those pesky rabbits and their brood? Ever finding that proverbial "hole in the garden fence?" They absolutely

seem drawn like a magnet to our very best produce...nibbling the choicest morsels?

You are right. Yes, we love nature. but there has to be a limit to nature's love for that which we treasure during the growing season. June nights bring to us the free symphonic choruses of the local frog population. The sweet melody of the song sparrow and the raucous call of the blue jay. Add the cricket and beetle renditions and you have in ear the sounds Mother Nature produces annually. But there also is the other side of the matter: The warning buzz of the bumble bee and wasp; the siren like whine of the mosquito family; plus the death rattle of the treacherous rattle snake.

Thus one knows appreciation for the month of June with a very real touch of chagrin for its darker side. However, remember June is the month of the wild Lady Slipper's bloom and the Hawthorne's lovely bridal-like display of millions of

pink-white blossoms. And who can forget the experience of those early morning sunrises and late dusk sunsets? Indeed, when sought out, blessings abound!

Door County Cherry Cobbler

Ingredients:

4 cups	Door County (Montmorency) pitted, sweetened tart cherries - fresh or frozen* (thawed), reserve juices
1 1/2 Tbsp.	butter
2 1/4 cups	Bisquick™ biscuit mix
2 Tbsp.	granulated sugar
1 cup	milk
1 1/2 Tbsp.	butter, melted
1/2 cup	sugar
1 1/2 Tbsp.	cornstarch
1 tsp.	ground cinnamon
1 cup	reserved cherry juice or 1/2 cup cherry juice plus 1/2 cup water
	Sweetened whipped cream

Method:

- Heat cherries in microwave or on top of stove in pan until warm throughout, about 3 minutes. Stir in 1 1/2 tablespoons butter.
- Pour into a buttered 9 x 9-inch glass baking dish. Set aside.
- In bowl whisk together biscuit mix and 2 tablespoons sugar; add milk, melted 1 1/2 tablespoons butter and beat until combined. Pour batter over cherries.
- Combine 1/2 cup sugar, cornstarch and cinnamon; sprinkle over batter. Bring cherry juice (or cherry juice/water mixture) to a boil. Pour over sugar mixture.
- Bake in a 350°F oven for about 35 minutes or until wooden pick inserted in center of batter comes out clean. Serve warm with dollop of sweetened whipped cream.

*If using unsweetened fresh or frozen cherries, sweeten them at a ratio of 3/4 cup sugar to 4 cups cherries.

Yield: 6-8 servings

Bluebirds Return to Farmington School

In fall, Farmington Elementary School students took down the bluebird nesting boxes from the nature trail behind the school, and cleaned them up in preparation to replacing them into a new habitat that bluebirds prefer.

Fourth graders at Farmington Elementary School learned this year that hard work pays off.

As a result of a year-long effort, at least one pair of Eastern bluebirds is nesting on the school grounds. There may be more before the season is over, since bluebirds raise two or three families each summer.

Late last fall, the fourth graders removed 16 nest boxes from the nature trail behind Farmington School under the leadership of their teachers, Harry Schneider and Lora Schreiber. After joining the Bluebird Restoration Project Association of Wisconsin, Mrs. Schreiber discovered the nest boxes were located in the wrong type of habitat to successfully attract bluebirds.

Students took down the boxes and scrubbed out debris from years of field mouse use. Six of the best nest boxes were dried, repaired and put back up in new locations across the front of the property following Bluebird Society guidelines: facing cut lawn and near power lines so bluebirds can survey their territory.

Since bluebirds often send out scouts in fall to locate potential nesting sites for the following year, it was important to get some boxes up before cold weather set in.

During the cold months, students learned more about bluebirds through videos, articles taken from local newspapers and a visit from Mrs. Mary Holleback,

local bluebird society representative, who works at Riveredge Nature Center near Newburg.

Students found out what attracts bluebirds to an area, including the importance of correct placement of nest boxes. They also learned about enemies of bluebirds: raccoons, snakes, and other birds, such as house wrens, starlings and sparrows.

For their Earth Day project this spring, students put up ten additional nest boxes around the school yard. Identification numbers were painted on the boxes and bluebird society worksheets were started for each.

Students took turns several times each week checking boxes and recording information which will eventually be reported to the National Bluebird Society. After suffering depleting numbers due to destruction of natural nesting areas, bluebirds have been making a comeback in recent years largely due to projects like the one started at Farmington Elementary School.

Homing pigeons carried messages for the ancient Egyptians and Persians more than 3,000 years ago.

On Earth Day, Farmington students put up ten additional bluebird nesting boxes and painted identification numbers on the boxes for keeping records on worksheets.

Grothman: Overkill on Anti-Smoking Programs

By Rep. Glenn Grothman

Recently, the powerful Joint Finance Committee dealt with proposals to greatly increase state funding for anti-smoking programs. Before commenting on this issue, I should first say I am not a smoker, find cigarettes irritating to be around, and would not take campaign contributions from any tobacco interests.

One would think any body in our society already knows that cigarette smoking is bad for your health (a recent Rand Institute study concluded smoking takes an average of 4.3 years off your life), that it is discourteous to those around you, and is a waste of money. Most schools currently repeat the above message through guidance counselors, D.A.R.E. programs and health classes.

Larger districts deal specifically with smoking issues in grades five, six, seven, eight and nine. In addition to warnings on all smoking advertising as well as advertisements to help one to stop smoking, the state already runs stop smoking advertising complete with billboards and literature. Health care professionals elaborate further on radio programs and newspaper columns.

Furthermore, as part of a national tobacco settlement the state attorney generals will start spending \$300 million a year nationally on anti-smoking advertisements. There will also be a new \$25 million a year program aimed at youth and, for kids who still haven't got the message, the tobacco companies on their own will be sending money to youth groups including 4-H to give the message one more time.

Nevertheless, big spenders in Madison are using new money which was supposed to reimburse the taxpayer for Medicaid dollars spent on smoking related illnesses to introduce new programs and expand old ones by an additional \$50

million a year. By way of comparison, the combined amount spent by Governor Thompson, Ed Garvey, Mark Neuman and Russ Feingold last year was under \$25 million. Talk about overkill.

Expect massive new amounts spent on pamphlets, billboards, radio and TV advertisements. Included in the new program is an amount to double spending on a UW-Madison program designed to research anti-smoking activities as well as set up an identical program at the Medical College of Wisconsin.

They will also set up an anti-smoking hotline to advise people on how to stop smoking. Even before this proposal comes to a vote, I am informed that over a third of the members of the legislature are cosponsoring a bill to do just this. While I am second to no one in disliking cigarettes, this illustrates a common problem in Madison -- when money becomes available, the taxpayer is the last one to get consideration and most politicians think of new ways to spend the money.

It is interesting to note that despite huge increases in anti-smoking efforts in recent years and significant reduction in smoking among adults, teen smoking has gone up. Is it possible that the overkill is causing smoking to be cool among

M&I Sponsors Golf for Kids

Big Brothers/Big Sisters of Washington County is proud to announce that its Eighth Annual Golf for Kids event will be sponsored by M&I Bank.

Golf for Kids will kick off on Friday, June 11, at 8 a.m. at the Washington County Golf Course.

M&I Bank President Ric Leitheiser, states that, "We're excited to be part of the event, which is really endorsed by the community. We believe in the organization and the value it adds to the community, and to the kids."

Golf Committee Chairman and Big Brother, Steve Slack commented, "We are hoping to make this our most successful golf outing yet. This year we are going to have some of the littles (little brothers or sisters) golfing with the foursomes. We felt that by doing this we really could promote the positive impact these programs have while letting the kids golf and have a good time. The golfers can count on a great day of golf and fun, while supporting a valuable program. Thanks to all of our sponsors and volunteers who make this successful."

Big Brothers/Big Sisters is celebrating its 30th Anniversary of matching Washington County youth, ages 6-15, with caring adult members.

June is Dairy Month

WISCONSIN AMERICA'S DAIRYLAND WISCONSIN

For generations, Wisconsin has been the heart of the nation's dairy industry. This dairy tradition was established by European immigrants who recognized that the lush pastures and plentiful supplies of fresh water were ideal for dairy farms.

The industry that grew around those farms is now world-famous for the volume and premium quality of its milk. Great tasting Wisconsin dairy products, made from this high quality milk supply include: butter, sour cream, buttermilk, whipping cream and of course, award-winning cheese.

Experience the many pleasures of Wisconsin's award-winning dairy products during June Dairy Month and all year long!

Obituaries

MATTHEW TOWLER

Matthew Towler, age 22, of Kewaskum, passed away on Monday, May 31, 1999.

He was born on January 19, 1977 in Fort Hood, Texas, the son of Mike, Sr. and Jane (Finkler) Towler.

Matthew had made his home in Kewaskum since 1985 and was a member of Our Savior's Lutheran Church in West Bend.

Survivors include his mother, Jane Towler, of Kewaskum; his father, Mike (Debbie) Towler of West Bend; a brother, Michael Towler, Jr. of Kewaskum; a sister, Christy (Andrew) Walker of West Bend; his maternal grandmother, Ruth Blair, of West Bend; his paternal grandmother, Celine Towler of West Allis; a niece, Cassandra Walker; a nephew, Taylor M. Towler, other relatives and friends.

He was preceded in death by his maternal grandfather, Robert Blair, and paternal grandfather, Victor Towler.

A memorial service was held at 2 p.m. on Friday, June 4, 1999, at Our Savior's Lutheran Church in West Bend with Rev. Oscar Kraft officiating. Friends called from 1 p.m. until the time of services at the church only on Friday.

Memorials are preferred. The Miller Funeral Home in Kewaskum served the family.

'BUD' JOSHUA JOHN PANKO

"Bud" Joshua John Panko, age nine, of St. Cloud, died Thursday, June 3, 1999, in a traffic accident near St. Cloud.

He was born in Fond du Lac on December 14, 1989, the son of David and Brenda Ketter Panko.

He was a member of St. Paul's Lutheran Church, Town of Forest. He attended school at St. Paul's and was a member of St. Cloud Athletic Association.

Survivors include his parents of St. Cloud; two sisters, Julie and Jodie Rosenbaum of Campbellsport; his maternal grandmother, Alice Ketter of Campbellsport; his paternal grandparents, Marvin and Donna Panko of Kewaskum; his niece, Molly Sippel; his maternal aunts, Mary (Gary) Immel of Fond du Lac and Lori Ketter of Campbellsport; his paternal uncles, Dan Panko of Campbellsport and Ken (Amphono) Panko of Atlanta, Georgia; his paternal aunt, Shari (Jeff) Robb of Kewaskum; and his cousins, Jay-Bob, Sam and Sara Immel and Chad, Brandon and Alicia Robb.

He was preceded in death by his maternal grandfather, Loren "Pops" Ketter.

Funeral services were held on Sunday, June 6, at

3:30 p.m. at Faith Lutheran Church, 55 Prairie Road, Fond du Lac. Rev. Mark Barenz officiated. Burial followed in Union Cemetery, Campbellsport.

Visitation was at St. Paul's Lutheran Church, Town of Forest, on Sunday from noon until 3 p.m.

Memorials are appreciated to St. Paul's Lutheran School Gymnasium Fund, N6680 County Road W, Mt. Calvary, WI 53057.

Twohig Funeral Home, Campbellsport, handled arrangements.

*Mom and Dad, don't cry,
that I didn't stay.
We all only visit,
God planned it that way.*

*Some stay a long while,
like Gramps has done.
But sometimes God calls
home
His littlest one.*

*I know you'll be lonesome
for me for awhile,
But time heals all
wounds
And again you will smile*

*So please wipe that tear
away from your eyes.
You've your own little
angel,
There's no need to cry.*

*Heaven's just wonderful,
You just wait and see.
You'll find me, dear Mom
and Dad,
On "Our Pops" knee.*

JOSEPH P. HAHN

Joseph Peter Hahn, 22, of West Bend, died Friday, June 4, 1999.

He was the loving son of Janice and Joseph M. Hahn; loving brother of Jonathan; fiancé of Phyllis Lam; grandson of Catherine Hahn and Marie Riehle. He was also loved by aunts, uncles, cousins and other relatives and friends.

A Mass of Christian Burial was held Tuesday at 7 p.m. at St. Michael's Catholic Church, 8877 Forest View Road, Kewaskum, with burial Wednesday in the church cemetery.

Visitation at the church only was on Tuesday from 4 to 7 p.m.

Memorials to KEYS Scholarship Fund of Kewaskum High School are appreciated.

The Church and Chapel Funeral Service, Milwaukee, assisted the family.

*No matter what goes wrong,
there's always someone who
knew it would.*

The Miracle of You

Quietly,
You came into my life.
Openly
You shared your dreams
with me.

Gently
You drew me closer, becoming
best of friends.

Righteously
You touched a place deep
within my heart.

Gratefully
I enjoyed the moment in
life....

Shared with you.

*In memory of Matt
Towler*

*Your friend forever;
James Gildersleeve*

CARD OF THANKS

A sincere thank you to all our relatives, neighbors and friends who shared in the loss of RAY KENO.

Special thanks to Rev. Mark Eckert, Miller Funeral Home, those who prepared or donated food, pallbearers, American Legion firing squad, and those who sent flowers, memorials, cards or paid their respects and helped in any way.

These kindnesses will long be remembered.

Resolution No. 99-23

A Resolution Requesting Washington County To Create A County-Wide Clean Sweep Program

WHEREAS: the Village Board of the Village of Kewaskum, Washington County is involved in an active recycling program as are most of the municipalities of the county; and

WHEREAS: the recycling issue is just a small part of the garbage and refuse overall problem; and

WHEREAS: all of the municipalities in the county are faced with household hazardous waste, a waste that should not go to the landfills and cannot be locally recycled; and

WHEREAS: a collection program is costly to implement, even on an annual basis; and

WHEREAS: a county program would draw residents in from a wider area reducing the cost for all involved due to the setup or fixed cost related with each clean sweep program;

THEREFORE BE IT RESOLVED, that Washington County create a County-Wide Clean Sweep Program to assist the municipalities of the county achieve a cleaner and healthier environment.

Village Board Meeting Minutes

Village of Kewaskum
Mid-Monthly Meeting
May 17, 1999
8:00 p.m.

The Village Board of Kewaskum, Washington County, Wisconsin, met in Mid-Monthly Session in the Council Room of the Municipal Building, 204 First St. President Robert Wagner presided. All other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andrew Kuehl and unanimously carried by voice vote, the minutes of the meeting of May 3, 1999 were approved as printed.

Mr. James Reuthers President of the Kewaskum Kiwanis was present to discuss the possible replacement of the south "Welcome to Kewaskum Sign" in conjunction with the installation of the three new signs on the north, east and west sides of the Village. Mr. Reuthers was here also on behalf of his wife, the President of the Kewaskum Junior Women's Club. A brief history of the Welcome Sign was shared. The sign dates back to about the 50's and was donated by the Kewaskum Kiwanis Club. The Village has maintained the lease for the land on which the sign is placed, the cost of electricity and general yard maintenance. The Kiwanis, over the years, have assisted with some sign maintenance and new additions such as the Christmas Deer. It was further noted that the Village Board and most people were unaware of the old signs removal as part of the new signs installation. It was felt that if that is what is to occur it would be best if the village would take formal action on the removal/replacement. The Village has already discussed improvements needed to the sign such as paint, new lighting and even trees/shrubs. (The cement deer need replacement which the Kiwanis have discussed.) Several people, organizations and Board Members indicated the sign is a landmark for the Village and area, has sentimental value, is used on Village Stationary, is the Chamber of Commerce Logo and so on. Mr. Reuthers indicated that is what he has heard as well.

President Robert Wagner indicated the Junior Women's Club has undertaken a worthwhile project that will enhance the entire Village and area and should be commended but agreed the existing sign is a landmark and should stay. President Wagner did suggest accommodating the new sign as well. It was suggested that the new sign be placed at the Firehouse Park site near the Information Building. All in attendance thought that was the best solution in conjunction with the upgrading of the existing sign. The Administrator and Director of Public Works were asked to work with the Junior Women's Club on the new location and the upgrade of the existing sign. The Board thanked everyone for their input.

Director of Public Works Jerry Gilles reviewed the bids as opened earlier as follows:

1) The asphalt work on the streets and parking lots:

Payne & Dolan, Waukesha, WI- \$25.49 per ton, total estimate \$64,133.29

Scott Construction, Lake Delton, WI- \$24.26 per ton, total estimate \$60,860.00

2) The concrete work for the downtown parking lot:

T.P. Construction, Fredonia, WI- 18" curb & gutter butterfly \$11.50, L.F. 4" concrete \$2.85, S.F. 6" concrete \$3.30, S.F. 18" curb & gutter

vert face \$12.00, L.F. Handicap ramp \$125.00 each, Concrete removal \$5.40 S.Y.

3) The trees for the greenways:

Christianson Landscaping, West Bend, WI- Tall Trees \$275.00 each and Low Trees \$275.00 each.

John Lamm, Jackson, WI- Tall Trees \$254.00 each and Low Trees \$254.00 each

Gluck Tree Care, Random Lake, WI- Tall Trees \$180.00 each and Low Trees \$148.00 each,

T&M Landscape, West Bend, WI- Tall Trees \$170.00 each and Low Trees \$132.00 each.

Fire Chief Mark Groeschel was present, but did not have anything to report.

Chief of Police Richard Knoebel presented the April 1999 report: Criminal arrest- 34, Criminal investigations- 60, Traffic warnings- 93, Traffic citations- 14, Adult arrests- 12, Juvenile arrests- 17, Property stolen- \$1,786, Property recovered- \$1,258, Parking warnings- 8 and Parking tags- 18

Director of Public Works Jerry Gilles reported the following:

1) The village was successful in purchasing the 1989 street sweeper at auction at a cost of \$9,250.00. It was noted that a new sweeper would cost \$90,000 to \$100,000 plus dollars. On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andrew Kuehl and unanimously carried by voice vote the Board authorized the advertising for sale of the old 1971 Pelican Sweeper.

2) The Board was asked for authorization to advertise for bids on the rubberized spraying of the shop roof. On a motion by Trustee Warren Dums, seconded by Trustee John Kenworthy and unanimously carried by voice vote, the Board authorized the advertising for bids on the shop roof.

Administrator Daniel S. Schmidt reviewed the following with the Board:

1) Review League and Taxpayer Bulletins.

2) Announcement of a EDAC meeting scheduled for May 24, 1999 at 4:00 p.m.

3) Review of the budget control sheet for the period ending April 30, 1999 was also held.

4) Review of building permit report for period ending April 1999.

5) Review of correspondence.

a. The Administrator was directed to prepare the "intent to Apply for an Urban Forestry Grant for 2000.

b. Shared information on the USH "45" 45 project.

Public Services Chairman, Trustee Andrew Kuehl announced a meeting scheduled for June 7, 1999 at 7:30 p.m. (Topic: Extended hours for lawn & garden waste.)

Public Works Chairman, Trustee Warren Dums reported that the Committee reviewed alternatives to the storm water problems as earlier noted. The Committee recommended having a surveyor shoot a couple of grades and then to come back with a proposal that the Board could take to an informational meeting. On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andrew Pesch and unanimously carried by voice vote, the Board approved having some preliminary work completed so more information can be brought back to the Board.

Park & Recreation Chairman, Trustee John Kenworthy reviewed the request of the Bible Baptist Church of West Bend, WI to use the NE softball diamond on a regular basis. It was noted Mondays were being scheduled for the youth Midget League.

The Board directed the Administrator to notify the Church that it would not work for them to use the diamond.

Board Representative for the Plan Commission, Trustee Andy Pesch announced a meeting of the Plan Commission scheduled for

May 25, 1999 at 7:00 p.m.

Library Board Representative Trustee John Kenworthy reported on the recent Library Board meeting as follows:

1) It was reported circulation was up for the Kewaskum Library, but down in many others.

2) The Village has been notified that Fond du Lac County/City is withdrawing from the Mid-Wisconsin Federated Library System.

Board Representative for the Mid-Moraine Municipal Association, Legislative Committee, Trustee Robert Stoltzmann reviewed the last Committee meeting with the Board.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andy Pesch and unanimously carried by voice vote, to authorize the signing of a contract with Scott Construction, the apparent low bidder, as recommended by the Director of Public Works for the asphalt work for 1999 at an estimated cost of \$60,860.00.

On a motion by Trustee Andy Pesch, seconded by Trustee Harry Roecker and unanimously carried by voice vote, to authorize the signing of a contract with T.P. Construction, the apparent low bidder, as recommended by the Director of Public Works for the concrete work for 1999.

On a motion by Trustee Andy Pesch, seconded by Trustee Warren Dums and unanimously carried by voice vote, to authorize the purchase and planting of street trees from T & M Landscaping, West Bend, WI, the apparent low bidder, as recommended by the Director of Public Works. (Tall trees @ \$170.00 and low trees @ \$132.00.) The planting of the trees will be along Fond du Lac Avenue and CTH "H".

Action was taken on a Proclamation regarding our Counties Youth as hereto:

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andy Pesch and carried by the majority roll call vote, the Board approved the license for a Temporary Class "B" Fermented Malt Beverage License for the Kewaskum Horseshoe League at River Hill Park on May 22 & 23, 1999. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent".

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andrew Kuehl and unanimously carried by voice vote, the Board approved the appointment of Rita Boegel as the agent for the aforementioned.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andy Pesch and carried by the majority roll call vote, to adjourn to closed session under Chapter 19.85(1)(e) to deliberate on negotiate the possible purchase of public lands. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent".

Ogi Pitches No Hitter As Indians Open Season With Two Conference Wins

Sheboygan Falls visited Kewaskum on Tuesday, June 1, and left with no runs and no hits. Sophomore Bobby Ogi faced only 16 Falcons enroute to a shortened-game no hitter.

Ogi needed only to pitch through the fifth, because his teammates' bats bunched up runs to end the game by a score of 10-0. (Effective this season, the WIAA has adopted the five inning, ten-run rule).

Eight of the nine starters in Ogi's support group each produced at least one hit apiece. Chris Canter was 2x2 with a walk; Jason Strobel was 2x3; Billy Cook was 2x4 and also tallied up four RBI's. John Immel, Jason Calliari, Andy Luedtke, Eric Wenninger and Bruce Groholski each added singles.

For the first time in Coach Mark Heise's six years at the helm of Indian baseball, the team started with back-to-back wins.

The Indians used another excellent pitching performance, this time by senior John Immel, to down Manitowoc Roncalli by a score of 5-1. The Jets' lead-off hitter, Marc Wadzinski, double-dipped to center to

start the game, but Immel then settled down to retire the next 18 batters in a row. He struck out four and walked only one to claim his first win of the year.

Top of the seventh action saw Manitowoc score one run, but it was not enough as the Indian bats again totaled nine hits to tack up five runs. Jason Calliari hit a solo over the fence homerun to help the cause. John Immel, Andy Luedtke and Bobby Ogi were 2x3. Jason Strobel and Adam Donath added singles. Commented Heise, "My boys spent alot of time in the batting cage in pre-season. I'm glad to see it paying off for them."

Indian defense has been stellar in conference play committing only one error in two games. A notable factor has been catcher Andy Luedtke's cannon to second, voiding two attempts at stolen bases, one by each opponent.

On Thursday night, June 10, the Indians host rival Campbellsport in a 5:30 p.m. duel. The following night the Indians travel to Chilton for a Friday night game, also at 5:30 p.m. Two more bus trips follow on

Monday to Kiel and Tuesday, June 15, to New Holstein, both scheduled for 5:30 p.m.

Slinger Speedway to Host 1999 Race for Life Sunday

SLINGER - The 1999 Race for Life presented by Five Corners Dodge will be held this Sunday night, June 13, at the Slinger Super Speedway.

The night will be highlighted by a 60 lap late model feature, that was created through the help of Johnny Corrao, to promote the awareness of organ and tissue donation. The night will also include support division racing in the Midwest Modified, Slinger Stinger Street Stock, Figure Eight, Team Cruiser Divisions, Speedway Guest Cars and Spectator Races on the World's Fastest 1/4 mile oval.

The importance of becoming a donor can be demonstrated by Campbellsport's own Johnny "Cha Cha" Corrao, who participates on a weekly basis at the Slinger Speedway. "Cha Cha" has been through the process of becoming a grateful recipient of donated organs and is the driving force that makes this event possible.

There will be a table set up outside the main entrance of the track so fans can sign up to become an organ and tissue donor. The process is simple as signing your name and attaching information to your driver's license.

In return for signing up, the track will offer a \$1.00 reduction on the admission price to attend the 1999 Race for Life. If you already are a donor, stop by the table to show proof and you will receive the coupon for the \$1.00 savings.

Area radio and television personalities are scheduled to take part in a special race at intermission with the help of the Allison Legacy Cars. The DJ Celebrity Race will match local media favorites against each other with Slinger Speedway's track announcer and LTN host Todd Behling returning as the defending champion.

Also this Sunday night, the first 300 kids, 12 and under, will receive a FREE Slinger track T-shirt. The T-shirts will be in sizes small or medium.

In addition, all kids will receive a FREE balloon as they enter the track compliments of the 1999 Race for Life and Slinger Speedway.

Spectator gates and ticket windows will open at 4:45 p.m., with time trials at 5:15 p.m. and racing to fol-

low at 7 p.m.

For more information on upcoming events call the track office at 414-644-5921 during regular business hours or visit their web page at www.slingerspeedway.com.

Student Golf At Hon-E-Kor

Hon-E-Kor will offer instruction for students, ages 8 - 12, who are at the entry level. The program will run five Tuesdays from June 22 to July 20.

The students will have a half hour of instruction at two different stations (one hour total), then proceed to the course where they will be guided through several holes. Classes begin at 8:30 a.m. and end at 10:30 a.m. Afterwards, parents may

accompany students through more holes. All must be off the course by 1:30 p.m.

Cost for a member is \$25 and \$40 for non-members. Fees for additional children in the same family are \$15 and \$25 respectively. We are limited to the first 32 children who register.

You may register in person at Hon-E-Kor between 7 a.m. and 7 p.m. or send the entry fee with your name, address and age of the player to Hon-E-Kor, Box 439, Kewaskum, WI 53040. Registration will close Monday, June 21.

Charlie Sparks Named MVP Boys' Track Awards Ceremony Held at KHS

Charlie Sparks, left, is pictured with his Outstanding Sophomore Award and Chris Canter is pictured with his Outstanding Freshman Award. The awards were voted by their teammates and presented at the annual end of the season ceremony.

Most Improved in a Field Event Award was presented to pole vaulters Brian Wall, left, and Tom Ogi, right. Most Improved in a Running Event was presented to Darrell Woebbecking, center.

Left to right: The Brad Jackson Pole Vault Dedication Award was presented to Josh Parrent. Senior Leadership Awards were presented to Matt Belger and Scott Mueller.

Charlie Sparks is pictured with his Most Valuable Player plaque for the 1999 boys track season and Jackie Michaels is shown with her MVP plaque for the 1999 girls track season. Both awards were provided by the Kewaskum Booster Club.

By Jerry Gosa

On Wednesday, May 26, the Kewaskum boys' track team held their annual potluck supper and awards ceremony. Boys' head coach Jerry Gosa presented varsity letters to 21 athletes and special awards to nine athletes. Coach Gosa also presented JV awards to 10 athletes.

Sophomore Charlie Sparks was recognized as the MVP for the Kewaskum boys track team for the 1999 season. Sparks placed third at the sectional track meet, just six inches out of second place and a chance to be an automatic qualifier for the state meet.

He had a career best throw of 153' during the season, anchored the 4x100m relay team, and also ran the 200m dash. Sparks also was voted the "Outstanding Sophomore" by his teammates for the 1999 season.

Chris Canter was voted the "Outstanding Freshman" for the season by his teammates. Canter qualified for the sectional meet

in the long jump and has had a career best of 19'10-3/4" in the long jump during the season. Canter ran on the 4x100m relay and also ran the 100m dash during the season.

Freshman Tom Ogi and sophomore Brian Wall both received the "Most Improved in a Field Event Award." Plaques were presented by pole vault coach Rick Robinson for their dramatic improvement in pole vaulting. Ogi cleared a personal best of 11 feet during his first pole vaulting season and Wall cleared a career best of 12 feet at the regional track meet.

Sophomore Darrell Woebbecking received the Most Improved in a Running Event. Woebbecking ran the open 400m dash and also ran on the 4x400m relay team.

Senior Leadership Awards were presented by Coach Gosa to Matt Belger and Scott Mueller. Belger ran the 1600m, 800m, and 3200m runs during the season. Mueller ran the 800m run and was a member of the 4x800m relay. Both

individuals displayed excellent leadership during the season.

Sophomore Josh Parrent received the Brad Jackson Pole Vault Dedication Award from Coach Robinson for his dedication during the season. Parrent, a very promising sophomore pole vaulter who broke his arm during the indoor season, helped the pole vaulters throughout the whole season.

Dan Wall, Brian Wall and Chris Koth received an engraved gold medal from Coach Robinson for breaking the school pole vault relay record with a combined total of 34 feet.

Coach Gosa also recognized and presented dark green Kewaskum embroidered jackets to seniors Dan Wall, Chris Weninger, and David Kletti for four years of making cinnamon rolls on Wednesday mornings before school. Almost 9,000 cinnamon rolls were made and sold by the Kewaskum boys' track team during the school year to help buy equipment for the track team, especially to fund the

cost of new pole vaulting poles.

Coach Gosa gave a short talk and discussed the quote used on the back of their track t-shirts this year. The quote by American distance runner Steve Prefontaine is, "To Give Anything Less Than Your Best is to Sacrifice the Gift." This quote applies to every aspect of a person's life. Athletes were reminded that they should use the gifts they were given.

Varsity awards were presented to the following ath-

letes: Matt Belger, Chris Canter, Andy Christophersen, Joel Hermann, Luke Kehres, David Kletti, Chris Koth, Bryan Kraft, Paul Mertz, Scott Mueller, Tom Ogi, Josh Parrent, Josh Rieder, Charlie Sparks, Jason Strobel, James Thelen, Brian Wall, Dan Wall, Chris Weninger, Chad Will, and Darrell Woebbecking. Nine of the 21 letterwinners are graduating seniors, four are juniors, four are sophomores and four are freshmen.

By Jerry Gosa

On Wednesday, June 2, the Kewaskum girls' track team held their annual potluck supper and awards ceremony. Girls' head coach Joe Kinney presented varsity letters to 30 athletes and special awards to eight athletes. Coach Kinney also presented JV awards to 18 athletes.

Senior Jackie Michaels was recognized as the MVP for the Kewaskum girls' track team. Michaels qualified for the sectional meet in both the 100m high hurdles and the 300m low hurdles and also the long jump.

Michaels finished second in the 300m low hurdles at the Eastern Wisconsin Conference Championships and third at the regional track meet. Coach Kinney called Michaels "one of the hardest workers on the team" and reported that she ran a personal best in the 300m low hurdles at sectionals.

Carol Neumann received the Scholar Athlete Award for the 1999 girls track team. Neumann qualified for the sectional track meet at Columbus in the 800m run and ran a season best time of 2:30.1. Neumann also was the Kewaskum High School Class of 1999 valedictorian.

Sophomores Emily Rinzel, Amber Averill, and Kristin Schiller, all received the Determination Award as voted by the 1999 Kewaskum girls' track team.

Sophomore Colleen Gosa was the recipient of the Most Improved Award for the 1999 Kewaskum girls' track and field team. Gosa ran a career best time of 2:32.4 in the 800m run at the regional track meet, placed third in the discus at the Eastern Wisconsin Conference Championships, and threw a career best

113'3" in the discus at the Eastern Wisconsin Conference Relays.

Freshman Nicole "Coco" Herrmann was voted the Outstanding Underclassman by her teammates for the 1999 season. Herrmann threw a personal best of 33' during her freshman year.

Brooke Zanow was presented the 1999 Girls' Track Team Spirit Award at the awards ceremony.

Varsity letters were presented to Amber Averill, Laura Baumann, Emma Chambers, Coral Choinski, Jolene Clark, Kelly Darnody, Elizabeth Degner, Jennifer Fettig, Emmy Foerster, Colleen Gosa, Rebecca Gundrum, Heather Hackbarth, Pam Hass, Nicole Herrmann, Sakiko Kugimoto, Tina Lindgren, Jackie Michaels, Stacy Muckerheide, Carol Neumann, Elizabeth Rammer, Heather Rieder, Emily Rinzel, Kristin Schiller, Lauren Schultz, Lauren Steinhardt, Anna Waehler, Jody Wichtoski, Lynn Wiesner, Brooke Zanow, Michelle Zingsheim.

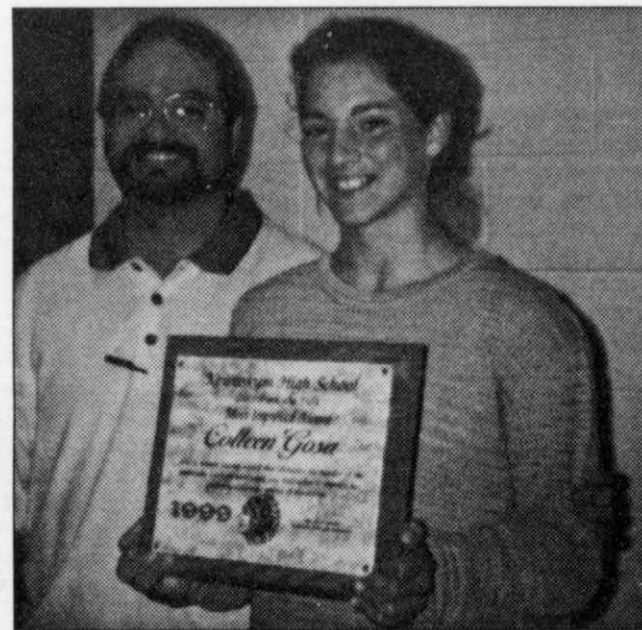

Coach Kinney concluded the award presentations by saying, "This is a very outstanding group. They did very well this season. They are outstanding."

Coach Kinney also announced that due to time

KHS Golfers Finish Fourth at Sectionals

The Kewaskum High School boys varsity golf team qualified for the 1999 W.I.A.A. Division Two Sectional Golf Tournament by placing second in the Regional Tournament held at Hon-E-Kor Golf Club in Kewaskum recently.

The Indians were one of nine teams competing in the Ripon Sectional conducted on Tuesday, June 1, at Lawsonia Links. Only the top two teams and the three lowest scoring individuals, not on those top two teams, advance to the W.I.A.A. State Boys Golf Tournament.

The KHS Indians were attempting to maintain their streak of second place finishes in their conference and regional competitions, thereby qualifying for state for the first time in the past 11 years. The local linksters understood that advancing would require an improved performance from their regional (354) score.

Thus, eight varsity hopefuls travelled to the American Baptist Center grounds for their practice rounds on Monday (Memorial Day), May 31, on the Links 18 hole course at Lawsonia.

Sectional qualifiers were placed into threesomes according to their regional team place and individual positions. The first groups teed it up at approximately 9 a.m. after receiving instructions and local rules from the course starter and tournament manager.

All five Kewaskum participants were scheduled to tee off in consecutive groups from 9:56 through 10:24 a.m. along with team members from Mayville and New Berlin Eisenhower.

The tournament began under a heavy fog along with very wet, damp conditions. Players noticed that the course seemingly played much longer due to heavy, humid air and little roll because of the moist conditions. The fog gradually lifted as the day progressed, but the course remained

wet throughout with very little wind. The overall effect was higher individual and team scores than what was anticipated.

After the turn where all players recorded their first round scores, Kewaskum was locked into a battle for the top two team spots by virtue of posting scores from 42 to 45.

Pewaukee, the consensus favorite, led with a team score of 169, followed by three teams in close competition -- Mayville at 173, Kewaskum at 174, and Grafton at 175. Thus, the Indians were in the hunt heading into the back nine and playing with the team they needed to overcome the Cardinals of Mayville.

On their respective practice rounds, all of the KHS varsity team members had scored better on the back nine than on the front nine at Lawsonia. Therefore, the Indians had confidence and sensed a great opportunity not only to qualify but to possibly win the sectionals.

If each team member could just stay even with their Mayville counterpart, then the Indians could be in a great position to advance to the State Tournament at University Ridge in Verona.

However, that possibility was slipping away, as the Indians struggled early on their second nine. Sophomores Billy Koch and Jon Boedeker had posted 44's on the front, along with junior Todd Wright, but all three were not able to maintain that level of play on the back nine.

Fortunately, senior Shaun Timblin, (42) and especially junior Curt Koth (45) were improving upon their first round scores. All in all, Kewaskum's chances for advancement were changing with every hole completed.

As the final 18 hole scores were being totalled, it became obvious that the Indians' hopes and dreams were not being realized. Mayville recorded scores of 41 to 44 on the back, where-

as the Indians tallied scores of 48, 49 and 50 until Shaun Timblin, playing in his last high school match, posted a 41, followed by Curt Koth's two-over-par 38, to keep Kewaskum in contention.

Mayville and Grafton both improved their first round score by three swings with the Indians adding three more strokes to their team total.

The final results indicate that not only had Mayville won the sectional team title, but both Grafton and Pewaukee placed ahead of the seriously disappointed Indians of Kewaskum.

Had the locals just held their ground, then the 83's posted by Shaun and Curt would have been enough to achieve their team goal. But real frustration was yet to come, when the tournament manager announced that 82 or better individually qualified for the state meet.

For the second consecutive year, Kewaskum finished four strokes out of the state tournament and one stroke away from one team member qualifying as an individual. The Indians were consoled by knowing that they had done everything in their power to prepare for this opportunity and that they are capable of competing with the best golf teams throughout the state. But on this particular day, they were unable to put it all together as a team.

The ride home was painfully quiet, but the future looks wonderfully bright. The success of the past season reflects well upon the careers of seniors Clint Herrick, Jerod Lecher, Adam Shileny and Team Leader, Shaun Timblin.

With eight team members who have played at the varsity level returning, the Indians will come back even stronger. Congratulations and thank you to all the 1999 KHS golf team members for another exciting season and for representing your team, school, community and conference so well throughout the spring golf season.

County Golf Course Wins National Award

The Washington County Golf Course located near Hartford, has been selected to receive the National Association of County Park and Recreation Official's Class I Facilities Award.

According to Cynthia Welsh, Chairperson NACPRO Awards Committee, NACPRO Area and Facilities Award of Excellence was created to recognize recreation and park facilities that demonstrate the very best in design, construction, and benefits to the community.

Washington County's entry was unique for several reasons. First of all, benefactors contributed over 2.2 million dollars to build a golf and park facility that would benefit all the families of Washington County. The County Board committed its support for the remaining borrowing and the Land Use and Park Department assembled the team that included Arthur Hills, a nationally known golf course architect from Toledo, Ohio, to design and build the golf course.

Finally the golf course was organized as an enterprise fund that relied on user fees and not tax dollars to pay the expense of construction and operation.

1999 is the second full season of operation for the golf course which officially opened on April 30, 1997. The Washington County Golf Course is an 18 hole

championship golf course that features all bentgrass fairways, a state of the art irrigation system, a large driving range with practice greens, and a three hole practice course. The complete facility has been well received by golfers of all abilities. The benefactors dream to give something back to the families of Washington County is a reality and will serve all county residents well into the next century.

If you would like additional information on Washington County's Golf Program please contact Mike Kactro, Golf Superintendent, or John Statz, Clubhouse Supervisor, at 1-888-383-4653 or on the web at www.co.washington.wi.us.
