It's Back... Nominate Your 'Favorites' to Kiss the Pig!

Co-Chairmen Scott Timm and Andrew Kuehl, along with their fellow Kettle Kountry Kolors committee members, recently voted to bring back an all-time popular event for this year's annual festivities. You guessed it... back by popular demand... Kewaskum's favorite fund-raiser... it's the "Kiss the Pig" contest!

We are quite sure there are numerous nominees out there that you and your friends will want to see get your vote! The rules are very simple.

First of all, the coupon for nomination of your choice(s) to kiss the luscious snout of one of Kewaskum's finest piggies can be found on **PAGE 9**. Each nomination will cost a mere \$1.00 and can be mailed in or dropped off at the Statesman as per directions on the coupon.

Second, all nominees must be human. They can be any age, but they **MUST** be human. You have until July 31 to send in the names of all the very special people on your list that you wish to nominate. Better

start allocating funds now if your list is as long as mine.

The top 30 nominees (those receiving the most votes) will become semi-finalists after July 31. From that point on, there will be semi-finals held every three weeks or so, going from 30 to 20 to 10 to the final five semi-finalists. More details will be published as we get further into this fun.

The final lucky winner (who again receives the most monetary votes) will have the dubious honor of full-snout kissing our friendly piggie at Kettle Kountry Kolors in front of our entire viewing area, on Sunday, October 10, just prior to the closing of the festivities.

"Piggy" will be the honored guest at the festival for the weekend to encourage your votes for his/her favorite kissing partner. Believe me we have chosen a discriminating piggy who refuses to kiss just anyone!

And don't forget... all the proceeds from this excitement go to underwrite the ever-growing cost of spon-

soring the annual free Kettle Kountry Kolors Family Fun Festival. The votes are worth every penny, nickel, dime, quarter and dollar (later the votes in the contest will be 10¢ each) and it's all in good, clean piggy fun.

So join in the antics this June-July and start sending in those nominations. Friends, relatives, victims of road rage, the person who gave you a dirty look as you sneaked in ahead of him at the bank, teachers, municipal government employees... there must be hundreds! Keeping sending them in... we'll keep you posted on a weekly basis. We'll let you know who seems to be ahead in this race for glory. And we'll have such fun in the process! What's that saying about payback???

Fireworks Donations Welcome

In spite of the fact a good portion of the fireworks have already been ordered for this Independence Day sky extravaganza, I have a strong hunch if the community can come up with some last minute donations, Village Administrator Dan Schmidt's arm could be twisted and perhaps we could add some additional sky-blasters to the order via telephone call to the company.

Do you remember that incredibly breath-taking grand finale last year? Fire Chief Mark Groeschel reported that even though the ground displays are fewer this year (can we as a community remedy that?) the aerial blasts are near as many as last year. However, Mark did not mention if we have as many finale boxes lined up for this year as we did last year. He did state though that, "it should be a pretty good show."

But don't we as spectators clamor for more... more... more? If the child in you cries for more illuminating sky rockets, please consider sending a donation to **FIREWORKS**, P.O. Box 98, Kewaskum, WI 53040 and let's keep our reputation for having the best fireworks in Washington County!

Sunrays to Entertain at Holy Trinity Social Fest

Committee members for Holy Trinity School fifth annual fundraiser, Social Fest, are pleased to announce that *Sunrays* will be providing musical entertainment at Riverhill park in Kewaskum on Saturday, August 28, 1999 from 8:00 p.m. to midnight.

This talented six-piece member band will appeal to many. They play a large variety of music including rock 'n roll, jazz, country, polkas, 60's, 70's and 80's and these professional musicians are from the Kewaskum area.

Len Soller is the lead singer and plays guitar; Roger Mertz plays bass and vocal; Eric Christie is at the drums; Dave Bertelsen plays keyboard and vocal; Jim Hammen plays guitar and also does vocal and Steve Soller plays saxophone and adds other woodwind instruments as needed.

Dance and/or listen to the *Sunrays* following your meal of a grilled chicken dinner, a baked potato, corn on the cob, salad, dinner roll and dessert. Dinner will be served from 4 to 8 p.m.

Admission to the event is \$25 which includes your dinner, all your soda, beer and/or wine coolers for the evening, musical entertainment and entry into a

\$5,000 cash drawing. This drawing and additional cash drawings will be based on the sale of 1,000 tickets.

Those who purchase a ticket by June 30th will be eligible for an Early Bird Special drawing to win \$1,000 in cash! When purchasing your Early Bird ticket, one stub will be placed in the \$1,000 drawing and another stub will be placed in the \$5,000 drawing. You do not need to be present to win the cash prizes but the evening is too much fun to miss!

Tickets are available now in Kewaskum at Herriges Oil, Sentry Foods, Kewaskum Frozen Foods, Video Post, K-Town, Holy Trinity School office, or by contacting Gary at 338-2169 or Diane at 626-4850. Tickets will still be available after June 30th; however, those tickets will not be eligible for the Early Bird drawing.

Area businesses and private donations add a lot of interest to the evening in the form of free door prizes and a number of outstanding raffle chances.

It's easy to be a part of Social Feast 1999! Purchase your ticket and we'll see you at Riverhill Park, Kewaskum on Saturday, August 28, 1999!

A complete article will be published in next weeks Statesman with an itinerary of the ride.

Chamber Golf Outing Scheduled for July 31

The Kewaskum Area Chamber of Commerce will be sponsoring their seventh annual 18-hole golf tournament on Saturday, July 31, at Hon-E-Kor Country Club in Kewaskum. Tee times will begin at 10:00 am.

The format for this year's tournament will be a four person scramble.

All proceeds from the tournament will be used to fund the Chamber's annual Kettle Kountry Kolors Family Fun Festival which is being held on Saturday and Sunday, October 9 and 10 at River Hill Park in the village. The festival draws thousands from around the country.

Last year's outing was a huge success and a lot of fun for all who attended.

The cost for the event is \$60 per person and includes a continental breakfast, 18 holes of

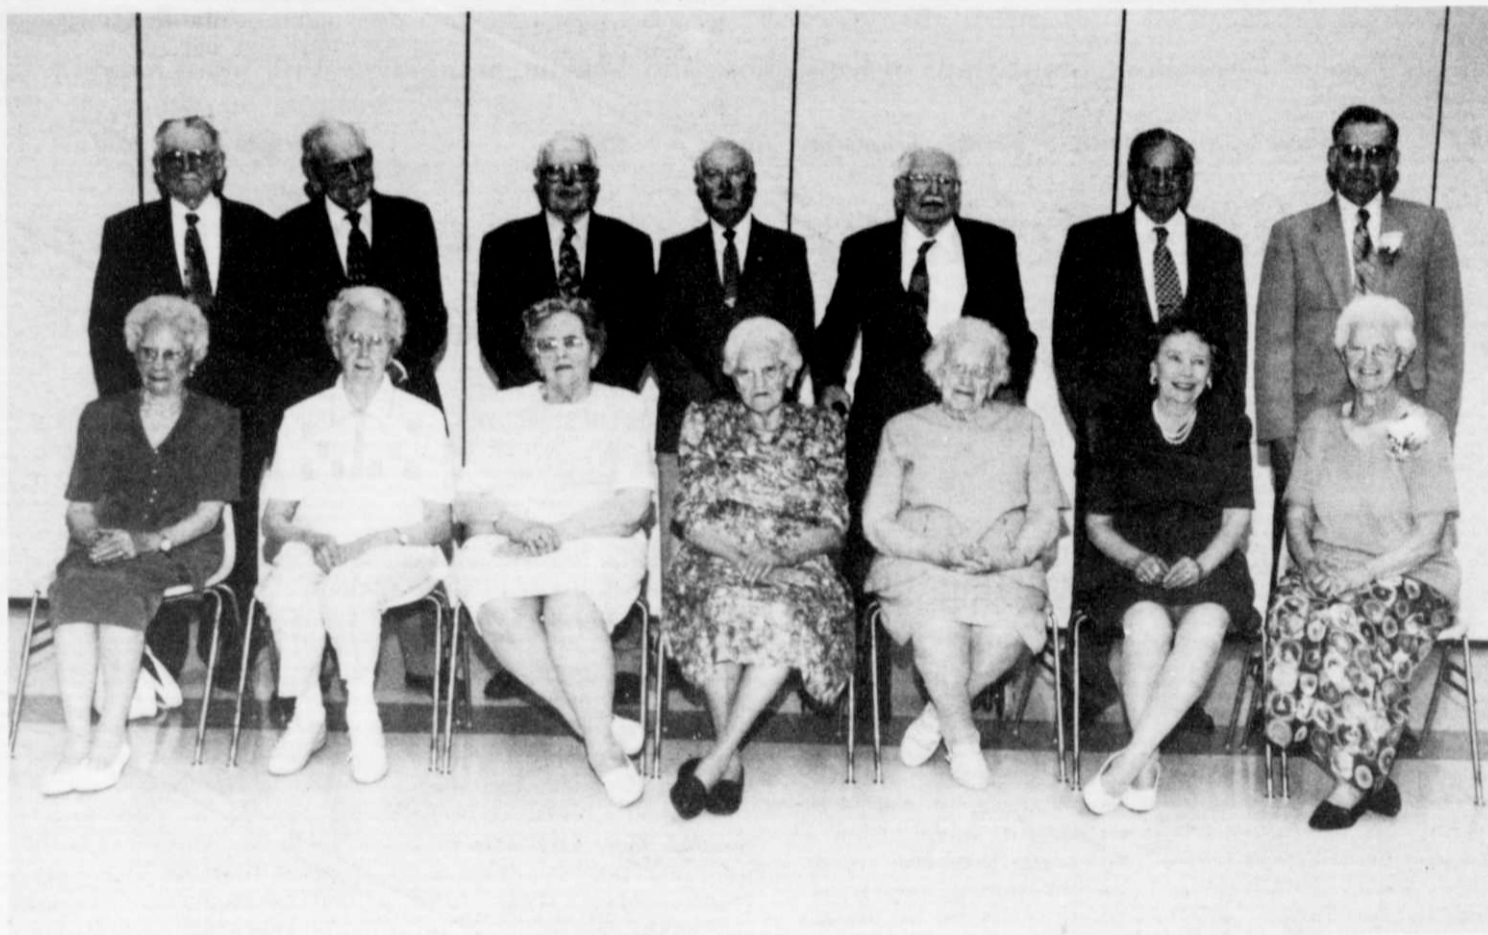

golf, lunch, a steak fry dinner, live music and tons of prizes. Hon-E-Kor members need only pay \$30. (Carts will be available for an additional \$25).

However, if golf is not your game, join in the fun anyway and join us for a scrumptious steak fry dinner, live music by the Bob Breuer Band, raffles and camaraderie for only \$15 per person.

Woman's Club

Dear Lisa,

On behalf of the residents of the Village of Kewaskum and the Kewaskum Village Board, I would like to take this opportunity to express our gratitude to the Kewaskum Junior Woman's Club for all their efforts in purchasing and placing the "Welcome to Kewaskum" signs at the four entrances of the Village.

We also wish to express our gratitude to the other organizations and individuals who have contributed money, time and other forms of help to make these signs a reality. They are a

charming addition to our community and present a pleasing and delightful first impression to visitors and travelers.

These picturesque signs reflect the quality and values of our community and set the tone to welcome guests and vacationers and serve as a symbol to residents that they have arrived home.

Thank you again for your most generous contribution for these signs. They are an asset to the Village and add distinction and character to our community.

Memories

Finally returning to our Walk on Fond du Lac Avenue, we are heading north on the east side of the street. That brings us to the site of what is now Dr. J. Dennis Connor's dental office. Shown in the Memories photo above, the building was a Sinclair gas station. We seem to be unsure of who was the proprietor at the time, but if memory serves this writer correctly, Wally Cudnohoske ran the station for some time in the 60's (?) and later it was also the location of his bike shop.

Local 4-H'ers Attend Space Camp

Wendy Rahlf, left, of Kewaskum, and Patty Klabunde, West Bend, attended the 4-H Space Camp in Huntsville, Alabama.

The exciting world of astronauts, space travel and rocket science was brought to life for a group of 4-H youth and adults, from across Southern Wisconsin, who attended 4-H Space Camp in Huntsville, Alabama.

The group spent May 7-9 at the U.S. Space and Rocket Center where they took part in a unique, hands-on 4-H educational program to help youth better understand what being an astronaut is all about.

The youth had the opportunity to participate in a simulated space shuttle mission, to train on actual astronaut training simulators, as well as receive

behind the scenes guided tours of the world's largest space museum, the U.S. Space and Rocket Center.

The 4-H Space Camp program is a partnership between the Cooperative Extension Service, the National 4-H Club Program and the U.S. Space and Rocket Center. 4-H youth in grades sixth-eighth from across the country converge in Huntsville, Alabama, to be a part of this exciting science education program.

"This is the fourth year that Wisconsin 4-H'ers have been involved in the Space Camp adventure," explained Chuck Cropp, Walworth County 4-H Youth Development Educator and 1999 co-

ordinator. "Next year this great program will be expanded statewide so youth from across the state can take part." Susan Marino, 4-H Youth Development Educator from Vernon County also co-coordinated this trip.

Attending from Washington County were Patty Klabunde of West Bend and Wendy Rahlf from Kewaskum. Bob Klabunde participated as an adult chaperone with the group.

Directed by Off-Broadway director Lenny Leibowitz, this musical comedy by Tom Jones and Harvey Schmidt is sure to be a hit. Brimming with honest sentiment, the touching story, based on Jan Hartog's novel, "The Fourposter," follows the marriage of Agnes (Krueger) and Michael (played by Bill Tewinkle), from blissful and impetuous newlyweds to a mature and wiser couple, as they build their home.

The tuneful score illuminates their life together with delightful melodies and insightful lyrics. It's a charming musical full of heart... and tons of fun!

Show times are June 17-19 and June 22-26 at 8

p.m., plus a 3 p.m. matinee on Sunday, June 20.

Teacher Training Seminar

To respond to an overwhelming demand from parents and teachers for specialized services, Wisconsin Dyslexia Institute seeks instructors. To provide the needed services, the Institute needs individuals who want to help make a difference in the lives of dyslexic youth and adults.

The Institute will provide a comprehensive two week seminar from July 12-23 in the West Bend area to train qualified individuals who wish to teach. Potential instructors for the Institute are required to hold a completed Bachelor's Degree or RN degree. Individuals with prior Orton-Gillingham training and certification who are interested in teaching are also encouraged to contact the Institute.

The curriculum is based on a flexible adaptation of the internationally known Orton-Gillingham Approach designed expressly for use with specific reading, spelling or writing difficulties characteristic of dyslexia.

The Institute's teaching approach incorporates validated principles with current theory, research, clinical and teaching experience. The content of the seminars reflects the curriculum criteria established by the Academy of Orton-Gillingham Practitioners and Educators, a national certification and accreditation body incorporated under New York State Education Law.

WDI was established as a nonprofit educational corporation in 1989. WDI has accumulated a great deal of valuable knowledge and unique skills in dealing with the wide ranging issues which revolve around dyslexia. In addition to teacher training programs, WDI also provides testing, tutorial services, in-service programs, a resource

library, conferences, and a summer camp for youth. WDI has developed into a unique community resource and links public and private sectors concerned about educating all of our children.

An estimated 10 million children, or approximately one child in five, are affected by reading disabilities. Undiagnosed and untreated dyslexia profoundly impacts individuals and their families, our communities and our nation.

YOUR FINANCIAL FUTURE

Countdown to Retirement: You'll Live Long, So Save... (Now!)

By Paul C. Becht
Financial Advisor
Prudential Securities Inc.

Since President Clinton and a battery of delegates made it a national goal for the media to educate the public about retirement savings at the June 1998 Retirement Summit, a lot of attention has been focused on Social Security's inability to finance Americans' retirement. One message was clear: Americans must save more today if they are to realize the dream of a financially secure retirement tomorrow.

According to the Summit report, Social Security was never intended to serve as the sole source of income for retirees. For instance, a person who earned \$15,000 a year and retired in 1998 at

age 65 can expect Social Security to replace just one-half of his or her pre-retirement income. The replacement rate drops as the income bracket increases. For example, an individual who earned \$68,400 before retirement will receive the maximum benefit of \$1,248 per month. That's equal to less than one-quarter of his or her pre-retirement income!

Another factor to consider in planning for retirement is life expectancy. In 1935, the year that Social Security was created, the life expectancy of someone entering the workforce at age 20 is 77.4 years. And the life expectancy for both men and women is increasing (Social Security Administration, 1999). Investors who retire at age 65 may live 20 years or more and

thus will be able to maintain their lifestyles by keeping up with inflation.

As needs have changed, so too have some of the philosophies behind how to prepare for retirement. Until recently, the conventional wisdom maintained that investors should begin to move an increasingly larger portion of their portfolios into conservative vehicles as they near retirement age. Some rules of thumb even called for an investor's portfolio to contain a percentage of fixed income equal to his or her age; in other words, a 65-year-old man should have 65% fixed income. But the demise of Social Security, the rise of inflation and longer life expectancies have changed this thinking somewhat.

Whether you are develop-

ing a retirement plan or refinishing one, you should consider the following strategies:

* Don't shorten your time horizon -- When you were 30 years old, you invested with the understanding that over a 20 or 30 year span it would be beneficial to follow an aggressive strategy because your portfolio would have time to recover from a bad year or two. Well, at 65 you may still be looking at investing over a 20-30 year period. So...

* Don't get too conservative -- Often, investors develop an investment plan which carries them through age 65, the typical age for retirement. But it is prudent to consider maintaining an active portfolio well past retirement age in order to combat the bite of inflation.

* Get a broad picture of your assets -- Before sitting down to develop a new retirement plan, you should try to determine what you have accomplished already. Check your holdings in your IRA, 401 (K) plans, mutual funds, and other invest-

ments. Call social security to determine your projected benefits level. Review company plan documents that show accrued retirement benefits, including pension fund holdings, vested percentage, and payment regulations.

* Review all insurance policies -- read life insurance policies to determine any potential payouts.

* Speak with a Financial Advisor -- Once you have identified all your assets, you can reevaluate the allocations in your investment portfolio and devise a plan that will help you reach your retirement goals.

The realities of retirement planning -- inflation, life expectancy, social security -- can shock the uninitiated. But with the right plan, every American can work towards achieving his or her retirement goals.

Amerahn, Hitching Post Notch Thiemerdome Wins

It was a bright, sunny evening as the season opener commenced at the Thiemerdome last week. The air was thick with the tension and excitement as the President of Thierville prepared to throw out the first ball. (It was almost as exciting as... "gentlemen start your engines." And actually as old as these guys are, some of them probably did have to have their engines started! Thank goodness for the Clydesdales.)

There were a few minor altercations due to the fact some of the concessions went up just a tad, but one has to keep in mind, if you want a state-of-the-art facility, you have to be prepared to pay the price. (Besides, last time I checked, Richard already has a hobby... right, Mary? I truly don't think he should be in this just for the fun of it. He's getting too close to retirement age for that!)

As the calm settled over the dome, Thiemer's actualy started to think they would finally secure a one

in the win column as it seemed to appear that Amerahn would not have enough players in attendance to field a team. But Manager John "Action" Kleinke assured the opposing team they would have enough players for his "field of dreams" even if they had to run up to the hill and secure Earl.

The Thiemer boys still had high hopes going into the game and the tension mounted again as they counted only nine players on the Amerahn team. (Who was designated to count that high?) Anyway the last time I checked, you only need nine players to play ball. And as far as injuries are concerned, these athletes have been so well conditioned, there was no need to worry about injury... (yeah, right!)

However, even with three double plays (steal some players from Little League, Richard??), Thiemer's newly activated shortstop Paul "Ace" Lehnerz turned in and with Mark "Noodles" (I thought his name was

"Doodles". Not fair to change names on me just when I'm starting to get my memory back!) Strobel batting 1000, the Thierville mudhens couldn't stop the Amerahn bats. Richard is still pondering how Amerahn always manages to hit the gaps. (DUH, Richard... it's because you have such HUGE gaps!)

Not helping the Thierville cause, Larry "The Mouse" Sabish had a tiny, little vacuum cleaner installed in his glove and just absolutely stole the left field basehits away from the sippers... (all one or two of them!)

When it looked like Thiemer's might even finally score, first baseman "Buck" Guell, who has never shown that much bounce previously (see... white men CAN jump) leaped into the clouds to steal a line shot away from Jim "Aging" Klahn to end the game with an Amerahn victory, 4-0. (I know it's not nice to mention... but I never claimed to be nice... that's called a SHUTOUT, Richard! Tee... hee...)

The second game found the Hitching Post wannabes slated against the Keep-On-Going Commercial Plumbing. And, with their usual finesse (look it up, Richard) that's what Commercial did, posting a

2-0 score in the fourth inning. Commercial would have scored more but the Post picked up Scott Thelen from the retired Kuehl's Sudsers and this acquisition for the Post proved to be one of their better moves.

In the fifth inning, Paul "Sneaky" Seymour, caught a line shot in centerfield and threw out the duck (there you go with your ducks, again... Why is it that I never see these ducks? All I ever see are a bunch of squirrels, er, I mean squirrels, in the dome) going to third for a double play to end Commercial's threat to score.

The Post made a change with some fast moves and five hard hits to lead Commercial by one.

The Keep-On-Going guys (Commercial) came back (where they had gone, I don't know... probably checking out the unisex bathroom facilities) in scoring position, but again, the debut of the hot glove (laced with super glue) of Scott Thelen nabbed a hard hit to short and threw to Perry "Anchor" Ankerson on second who then threw to Ron "Smilie" Nuoffer on first to end the attack (sounds like the first quadruple in baseball to me) and the game, with the Wannabe's winning 3-2.

I must get to the next

game... I must see the newly remodeled dome... I must see the unisex toilet seat... I must see the wild fans and players... Wednesday nights at the Thiemerdome. This area hasn't seen this much excitement since I last cut my toenails. Not this week, Richard... duty calls... you can give the Papparazzi parking pass to Larry Martin, but next week... It's mine... ALL MINE!

Kewaskum JV Team Off to a Hot Start

On June 3, the Kewaskum High School Junior Varsity led off their conference baseball season with a 23-0, five-inning "mercy rule" win over Manitowoc Roncalli.

Adam Hubacek started and went the distance, giving up only two hits and striking out six.

Josh Krahn, Chris Canter, Tony Fitts (3), Jake Peterson and Noah Koch (3) had at least two hits each. The most amazing stat of the game was the seven RBI's of Tony Fitts.

The JV Indians beat Random Lake, 10-5, on June 4. Josh Krahn went the distance, striking out three and giving up six hits. Chris Canter led the way with three hits and lead-off hitter Adam Hubacek scored three runs.

On Monday, June 7, the Indians traveled to Plymouth and pulled a dramatic win, by defeating the Panthers, 11-8.

The Indians were tied in the top of the seventh when Luke Kehres got the rally started with a single, followed by Tom Ogi's double.

Following the second out of the inning, Jake Peterson and Jon Boedeker knocked out singles. Adam Hubacek then cleaned the bases with a double to go ahead, 11-7. Hubacek had a hot bat, chalking up a single, double, and a triple, tallying three RBI's and also managed two stolen bases.

Tom Ogi also knocked out three hits. Josh Krahn went the distance on the

mound to earn his second victory of the season.

The Indians returned home on Tuesday, June 8, for another ten-run, five-inning "mercy rule" 11-0 victory over Two Rivers.

Adam Hubacek picked up his second win by throwing a two-hitter. Hubacek, Tony Fitts, Tom Ogi, Noah Koch and Luke Kehres all chipped in with two hits each.

The JV Indians traveled to Campbellsport on Thursday, June 10, to face the rival Cougars. The Indians came back with four runs in the top of the seventh to steal a dramatic 8-7 victory.

Josh Krahn went the distance to improve his record to 3-0.

Campbellsport started out the game scoring five runs in the first inning, but the young Indians scratched and clawed their way back. Jon Boedeker, Justin Rhoads and Tony Fitts each had three hits.

On Friday, June 11, the Indians traveled to Chilton to lose their first conference game of the season, 4-3. It was a well-played ballgame except for two questionable calls that cost the Indians the game.

Adam Hubacek (2-1) went the distance and was charged with the loss. Hubacek, Jon Boedeker and Tom Ogi each had two hits.

After six games in the Eastern Wisconsin Conference, the Indians are 5-1 with three games this week, two away games and a home game on Friday.

The JV team is coached by Kevin Klahn.

Grothman Says Now is the Time to Kill Light Rail Once and For All

By Rep. Glenn Grothman

Last week the Legislature's Joint Finance Committee took up the state's transportation budget. The gas tax and car and truck registration fee pays for this budget almost exclusively. One area of spending that has clearly outstripped inflation is state subsidies to mass transit -- primarily busses.

This subsidy has gone from \$45 million in 1989 to \$83 million in 1998. The state together with the federal government picks up 45% of the operating expenses of the Madison and Milwaukee bus systems and 60% of smaller bus systems such as Sheboygan or Waukesha. If you ever wonder why you see so many empty busses this is why... local units of government which vote to continue and expand this system pay very little for their operation. Bus systems are exempt from the gas tax as well.

A recent example of shoddy management practices encouraged by the state doing the funding and the locals doing the spending came to light in Madison. It turns out that due to excessive absenteeism that one Madison bus driver has collected so much overtime he made over \$110,000 a year. Of course, this never would have happened if the state wasn't picking up 45% of the tab.

It has recently become apparent that we are in danger of an entirely new mass transit system. To a large extent with federal money, Milwaukee County may build a light rail system. In other areas of the country these systems are extraordinarily expensive and underused. To a certain extent, the average speed of 16 miles per hour assures they will never catch on.

Furthermore, unless you happen to work and live near a transit stop, they are somewhat useless. Studies done by the Wisconsin Policy Research Institute indicate that in other cities after light rail is introduced, most of their new ridership only left the government subsidized bus system to go to the government subsidized rail system. Total trips taken by transit actually declined.

Oddly ridership was so low that energy units expended per mile was greater than in cars. Fatalities per mile were also greater than automobiles, primarily, because of pedestrian deaths.

I am introducing legislation to remove the current requirement in state law mandating state coverage of light rail. I have been informed by Department of Transportation bureaucrats that the plan is for the state

to say that they will not pay for construction of light rail, but because of current law the state will pay for operating expenses. We should also look at the state requirement to pay for 60% of small bus systems that just encourages wasteful spending.

The Wayne Crusaders 4-H meeting was held at Cedar Valley on May 11, 1999.

Jenny Schultz reported on Puppyland. Mrs. Krudwig and Tricia Brath reported on Leaders Association meeting. Cedar Valley flower planting will be done in May. Mrs. Krudwig will contact you if you signed up. The Breakfast on the Farm will be on Saturday, June 12, from 6:30 to 11:30 a.m. at Level Acres Dairy, 6831 Cty. Rd. S, Hartford. If interested in helping sign-up soon (maps for directions to get there are available from Mrs. Kiel).

If interested in 1999 formal demonstrations contact Mrs. Kiel. The demonstration judging is Tuesday, June 15. The money for club t-shirts was due at this

meeting. We should have them for the fair. Michelle Klos reported on Bowl-a-Thon which was on Sunday, April 18.

Fair entry forms have been delayed due to printing difficulties, so as soon as Mrs. Herman can get them from the 4-H office, we will distribute them. We would like to have them returned to the June meeting. Otherwise you will have to get them to Mrs. Herman before June 30th. That is the deadline to enter the 1999 fair.

There were signup sheets at the meeting for the fair refreshment stand, action center, anything goes, and buy a brick booth. Also if there are any adults who are interested in the \$10 season pass, there are many opportunities for you to volunteer and qualify for the Volunteer Season Pass. We have been told that to get that pass you would need to serve four hours of your time to the fair in various ways.

Kelly Darmody, VP is the chair person for the Fair booth. We picked five volunteers to help her at the club fair booth, which will be put up on Wednesday, July 21, before noon. The June Dairy Banquet will be held on Thursday, June 3, at 7:30 p.m. at the Amerahn in Kewaskum. Members were asked to sign up and help serve ice cream.

We have selected a volleyball team at the fair this year. Congratulations to all those who participated and placed at the Washington County Rabbit and Cavy Fun Show. Ashley and Alexander Rauch, April Lettow, Megan, Jeanna and Chris Heppner and Danny West. Congratulations to Tricia Brath, Kristin Krudwig and Wendy Rahlf who have been chosen to attend Wisconsin youth conference.

Wendy Rahlf reported on Space Camp. Nancy Schultz reported on the craft area of the fairgrounds. After the meeting there was a special emphasis project: Citizenship.

The Wayne Crusaders 4-H meeting was held on June 8 at Cedar Valley. Jenny Schultz reported on Puppyland. Mrs. McCabe Krudwig reported on Leaders Association. Betty Rahlf reported on Downtown Marketplace.

In old business, people who signed up for Anything Goes at the fair MUST have a signed permission slip in this meeting. If you didn't get it signed at the meeting,

you can not be in Anything Goes. All those who have signed up for Breakfast on the Farm, remember that it is on Saturday, June 12, from 6:30 to 11:30 a.m. Thank you to Jackie and Jenny Schultz, Kelly Darmody, Ashley Kiel, Joyce Wagner and April Lettow for helping serve ice cream at the Washington County Dairy Banquet which was held on June 3. Thank you also to those who helped beautify Cedar Valley premises by planting flowers and cleaning up the grounds.

In new business, please hand in your fair entry forms by June 30 if you had not handed them in at the meeting. If you do not hand them in at the meeting you may not enter the fair. The checks should be made out to The Washington County Fair. Also, adults wishing to have a \$10 season pass for the fair, must be made payable to the Wayne Crusaders 4-H Club tonight. Remember you must sign up for four hours of volunteer time at the 1999 fair. You can pick up exhibitor tickets on July 14 from 8 to 4:30 p.m. at the county fair office at the new fair park pavilion. This will speed up things for your on judging day if you tag each item at home. We passed that the club would pay a certain number of money for livestock barns.

Don't forget if you are interested in helping at the fair there are still sign-up sheets available at the front table for the Buy a Brick booth, Action Center, Building Sitters, and the refreshment stand, which we could still use two youth to work on Friday, July 23, from 7:30 to 11:30 a.m. and fair setup day July 15th from 11:30 a.m. to 5:30 p.m. The Washington County Leaders Association Board of Directors is asking each club for nomination of one adult and one youth from our club. Youth must be 13 years or older. We have until August 31 to submit our papers.

Wendy Rahlf gave a Flower Demonstration and the special emphasis was citizenship.

Kewaskum 4-H's

The meeting of the Kewaskum 4-H's was called to order by President Brooke Zanow on Thursday, June 3, 1999, at 7 p.m. at the Kewaskum Municipal Building. The Pledge of Allegiance and 4-H Pledge were led by Sandra Schaefer and Jennifer Tutas. For roll call each member responded with the name of a Township in Washington County. Heather Hackbarth gave the Secretary's Report. Ms. Beth Jesowshek gave the Treasurer's Report.

Heather Hackbarth reported on the May 27 get-together with our Meadowcreek Apartment friends, where we helped them plant

vegetable plants and seeds and we shared refreshments. Stephanie Briggs and Sandra Schaefer reported on the June Dairy Month Window Display, which will be put up in the Coast to Coast window over the weekend.

Members were reminded to arrive at least 15 minutes before the start of their shift at Breakfast on the Farm on June 12 at Level Acres Dairy Farm in Hartford. Mrs. Jean Briggs reported that our club is signed up to supervise the West Bend Farmers' Market on August 14 and October 9. The Zanow, Weindorf and Tutas families will coordinate the Club Picnic to be held on Thursday, July 1, at the Kiwanis Park. Mrs. Jeanette Jung and Mrs. Beth Jesowshek are making arrangements for a club outing to Noah's Ark in July or August.

President Brooke Zanow encouraged youth (age 13 and older) and adults to consider serving as a board member on the Washington County 4-H Leaders Association Board of Directors, mentioning that Board members are part of the decision-making process and develop policies and approve budget spending for club, county and district programs.

It was agreed that the club would make a donation to the Washington County Livestock Sale Committee to assist with expenses to build permanent sign structures for the new fair barns.

Members were reminded to turn in fair entry forms and registration fees to Mrs. Bonnie Zanow or Mrs. Jean Briggs before June 17. Adult volunteers wishing to purchase season passes through the club must contact Mrs. Zanow or Mrs. Briggs before June 17. Members were encouraged to sign up for other fair events, including Fair Setup, 4-H Refreshment Stand, Buy-A-Brick Stand, Exhibit Building Sitters, Night Security, Anything Goes Contest, Club Booth, Action Center, and Silent Auction.

Club members Jessica Lendved and Jackie Wendegatz were congratulated on their recent graduation from Kewaskum High School and their upcoming graduation from 4-H. Both were presented with a gift from the club and invited to join 4-H in the fall as project leaders or adult assistants.

Club members Stacey Tutas, Kim Erdmann, Graeme Zanow, Heather Hackbarth and Aileen Chambers were wished a happy birthday. Heather Hackbarth gave a demonstration on Ceramics. The meeting was adjourned and refreshments were served by the Lendved and Weindorf families.

Indians Win Two, Lose One

The Kewaskum High School baseball team won their third game in a row by defeating the Plymouth Panthers on Monday, June 7, at Plymouth.

The Indians broke the game open in the top of the fifth inning by scoring seven runs on six hits. The inning was highlighted by Adam Donath's two-run homer, and the fact that the Indians were able to send ten men to the plate.

Indian pitching star, Bobby Ogi, was again mowing down the opposition. Extra help came from a first and second -no-out double play in the bottom of the second. Third baseman, John Immel, turned a ground ball into a nifty double play by touching third and throwing to first for two outs. Ogi pitched five innings allowing no runs.

So with a 9-0 lead, Coach Mark Heise tried to rest Ogi, and give some of the other pitchers a chance to get in some work. Unfortunately, the two relief pitchers ran into some trouble allowing Plymouth to score five runs on only two hits. They walked three, hit one and allowed a bases-loaded double. So Heise called on his other ace, John Immel, who retired the Panthers to end Plymouth's sixth inning attack.

The Indians tallied another lone run in the top of the seventh, when Eric Wenninger doubled and scored on John Immel's single to center. Coach Heise then re-entered Ogi to pitch the bottom of the seventh. Ogi's totals for the entire game ended to be six innings pitched, enroute to his third win of the year, two straight in conference play. Ogi struck out six, walked five, and gave up four hits.

Jason Strobel went 4x4 with a double. John Immel went 2x5, and Billy Cook, Eric Wenninger and Chris Canter all had doubles. Additional hits came from Andy Luedtke and Bob Ogi.

WINNING STREAK HEADS TO FOUR

On Tuesday at home, against Two Rivers, Kewaskum ran their winning streak to four by defeating the Raiders with a score of 8-0. Pitching was again the bright spot for the Indians as Senior John Immel struck out seven and walked one in six innings. Jason Calliari finished by pitching the seventh. He struck out one and walked two, but allowed no runs to preserve the second shut-out of the year for the Indian team.

Offensive honors went to John Immel, junior Billy Cook, and freshman Chris Canter who all went 2x4, Canter with a home run over the centerfield fence. Senior Andy Luedtke hit a double and Junior Jason

Strobel and sophomore Bobby Ogi added singles.

Rain showed up on Thursday, June 10, to cancel the home game against rival Campbellsport. The game has been rescheduled for Thursday, July 8, in Kewaskum at 5:30 p.m.

With an undefeated record, the Indians were sky high for their game on Friday, the 11th, against Chilton. Rain delayed the start of the game by about 20 minutes. When play finally started, the Indians struck early in the top of the first with one out. Chris Canter singled and Jason Strobel followed with a home run to left to give the Indians a quick 2-0 lead.

Chilton answered with two in the bottom of the first to tie the game. In the third, Kewaskum took the lead again. Canter singled and stole second. After a strikeout, Luedtke took a walk. Courtesy runner Brad Vetter entered for Luedtke. Cook hit a long drive over the right fielder's head. Canter scored easily, but Vetter was thrown out at the plate on a perfect relay from the second baseman. In the fifth, the Indians scored again to take a 4-2 lead.

Bobby Ogi had pitched well against the strong Chilton team, but with two out in the bottom of the sixth, he appeared to be tiring as he hit a batter and had thrown some errant pitches. With rain the day before, Immel had two days' rest, so Heise called on him to get out of the inning. This time the move backfired as catcher Dan Ott hit a two-run home run to dead center to tie the game at 4-4.

Kewaskum failed to score in the top of the seventh and Chilton went back to work on offense. Immel retired the first two hitters he faced and it looked like the game was headed to extra innings. But number three hitter, Dave Meyer, singled to left. He then moved to second on a passed ball. Brad Lisowe walked and Jeremy Lease blooped a single over second baseman Eric Wenninger to score Meyer with the winning run.

"This was a real tough loss for us. We were only four outs away, but couldn't nail it down. It's a good learning experience and the kids are determined not to let it happen to us again," commented Coach Heise.

Chris Canter was moved to the number two hole and responded by going 3x4. Cook went 2x3 and Luedtke singled, but those were the only seven hits the Indians could collect.

The Indians are now 4-1 with upcoming games at Sheboygan Falls and on Friday, the 18th, at Roncalli at 5:30 p.m. Monday's game is at home with a doubleheader against Brillion,

starting at 3:30 p.m. Tuesday's home game against Plymouth at 5:30 p.m. is Parents' Night.
