## Matt Thull Wins Kettle 20

**Matt Thull**

Matt Thull of Campbellsport won the 26th annual Kettle 20 kilometer with a time of one hour, eight minutes and 39 seconds, just edging last year's winner, Randy Damot of Sheboygan, by six seconds.

Thull, a former NCAA All-American cross country and track runner for the University of Wisconsin-Oshkosh and 2002 Olympic hopeful in the 10,000 meter, found the course a rude awakening. Thull, running the Kettle 20 course for the first time, found the hilly course very challenging. Jason Meyer, formerly of New Holstein, led the first five miles of the course and actually had a 200 meter lead going through New Fane.

The hills on County DD allowed the pack of Thull, Damot and Williams to regain contact with Meyers. Thull used the group of runners to his advantage to maintain concentration on the hilly course and at about the ten mile mark, his pace allowed him to move into the lead and the other runners dropped back a bit.

As the runners approached River Hill Park and the finish line, the runners hit it hard and sprinted to the finish. Damkot finished second in 1:08.47, Meyer was third with a time of 1:08.52 and Williams finished fourth with a time of 1:09.0.

Joyce Baurassa of Wauwatosa won the women's overall title for the Kettle 20 kilometer race with a time of one hour, 25 min-

utes and four seconds (1:25.04), on her first effort. Christine Cotey of Wauwatosa finished second with a time of 1:25.33 and Lynn Mayer of DePere finished third with a time of 1:25.37.

Baurassa remarked after the race that she also found the course challenging and was very happy with the \$200 prize money. Baurassa is a full time student at the University of Wisconsin-Milwaukee majoring in Kinesiology.

Ray's Shoes of West Bend provided cash awards of \$200 for first place, \$150 for second place and \$50 for third place for each of the three male and three female age groups. Age groups were 19-29, 30-39 and 40 and over.

Tim Gergens of Cedarburg won the five mile race with a time of 29 minutes and 51 seconds (29:51) and Jennifer Fancher of Hartland was the women's top finisher with a time of 36 minutes and 10 seconds (36:10).

"Our thanks to the members of the Kewaskum Lions Club and all the volunteers that kept this race alive the last 25 years. We didn't want to see this annual race just stop. Again this year the Lions Club and all the volunteers from the community made this a successful event. We definitely appreciate their help and are happy to continue the tradition of this race," commented race coordinator Joe Swanson. "Special thanks to our sponsors, especially Ray's Shoes. I think the

cash prizes really help bring out some of the best runners in the state," remarked Swanson. Proceeds from the race will benefit KEYS, Kewaskum Youth Scholarships.

The top three finishers in each age group in the five mile race received medals. Listed below are the top finishers in the Kettle 20 and the Five Mile Race. A total of 162 runners participated.

### Kewaskum Kettle 20 Kilometer Race

(First three places per age group and their times)

Male, 19-29 Age Group - Matt Thull, Campbellsport, 1:08.39; Jason Meyer, Green Bay, 1:08.52; and David Williams, Milwaukee, 1:09.37.

Female, 19-29 Age Group - Tiffany Fancher, Hartland, 1:30.16; Candace Moore, Milwaukee, 1:30.27, and Laura Jelinek, Appleton, 1:34.12.

Male, 30-39 Age Group - Randy Damkot, Sheboygan, 1:08.47; Peter Sell, Wauwatosa, 1:10; and Todd Marohl, Green Bay, 1:10.59.

Female, 30-39 Age Group - Joyce Baurassa, Wauwatosa, 1:25.04; Christine Cotey, Wauwatosa, 1:25.33, and Lynn Mayer, DePere, 1:25.37.

Male, Over 40 Age Group - John Zupanc, Oshkosh, 1:18.00; Roy Pirrung, Sheboygan, 1:23.55; and John Yelmene, Neenah, 1:24.11.

Female, Over 40 Age Group - Nathalie McCoy, Kewaskum, 1:29.25; Denise Leong, Horicon, 1:53.52, and Sarah Moureau, DePere, 1:57.2.

### Kewaskum Kettle Five Mile Race

(First three places per age group and their times)

**SPECIAL NOTE:** Not all age groups filled due to lack of participants.

Male, 11-14 Age Group and Female, 11-14 - No runners.

Male, 15-18 Age Group - No runners.

Female, 15-18 Age Group - Jennifer Fancher, Hartland, 36:10; Emily Steinhafel, West Bend, 36:38, and Colleen Gosa, Kewaskum, 42:21.

Male, 19-29 Age Group - Chris Zahn, West Bend, 30:22; and Dan Monahan, Madison, 42:14.

Female, 19-29 Age Group - No runners.

Male, 30-39 Age Group - Tim Gergens, Cedarburg, 29:51 and Brian Moser,

## Curriculum Coordinator Hired

**Melinda de Coriolis**

By Andrew R. Kuehl  
Staff Writer/Photographer

The new Curriculum Coordinator for the Kewaskum District will assume her duties on Monday, July 26.

Melinda de Coriolis, Ph. D. of Fox Point comes to the district after leaving her position at Cardinal Strich University as a faculty advisor. She also serves as a Staff Development Initiative Director for the Sally Ride Academy.

De Coriolis says she feels Kewaskum is "a good fit for what I was looking for." The small rural community also interested her and the fact she has heard great things about the district.

She has a background as an Adjunct Professor at Cardinal Strich University, Superintendent and Principal at the Lake County School District, Director of Curriculum and Staff Development in Fennimore, WI., an Education Specialist for the Wisconsin Department of Instruction, an Educational Consultant in Indianapolis, IN and a retail store owner and operator.

De Coriolis and her husband will be staying in Fox Point and she will commute. Her

Fond du Lac, 34:17.

Female, 30-39 Age Group - Amy Leitheiser, West Bend, 46:38 and Lee Pease, Fredonia, 51:33.

Male, 40-49 Age Group - Jim Nehls, Fredonia, 32:26; Randy Wray, West Bend, 38:41, and Dirk Anderson, Belgium, 39:00.

Female, 40-49 Age Group - Deb Vercauteren, Oshkosh, 38:06; Bethany Thiede Wray, West Bend, 43:02 and Mary Desmidt,

daughter lives in Indianapolis, IN with her husband and twin daughters.

She carries with her a Ph.D in Education Administration from UW-Madison and a master of Science degree in School Administration from Butler University in Indianapolis, IN. She is also certified as a Wisconsin Superintendent.

When away from work de Coriolis enjoys many civic organizations where she is involved with helping and volunteering her time and ideas. She is a member of North Shore Rotary Club of Milwaukee, State Political Organization and the North Shore Political Organization. She is also a past Girl Scout leader.

Five applied for the position. One which was in-house. Four were interviewed.

Her salary will be \$25,000 and is a part-time position.

Superintendent, Wayne Graczyk stated the reason the board chose her was because of her professional experience and her extensive knowledge in grant writing among many other things. Another factor was due to the fact de Coriolis was seeking a part-time position.

West Bend, 44:48.

Male, 50-59 Age Group - Ray Lipman, West Bend, 35:47, and Tony Gilerovich, Wauwatosa, 43:20.

Female, 50-59 Age Group - Pauline Ellington, Mayville, 42:04.

Male, Over 60 Age Group - Ed Parker, Franklin, 40:27, and Jim Brotz, Sheboygan, 60:03.

Female, Over 60 Age Group - Joan Engel, Graf-ton, 47:18.

## Barutha Moves Up, Miller Moves In at West Bend Savings Bank

Charleen Barutha

Timothy J. Miller

West Bend Savings Bank has announced a change of assignment within its top management team aimed at simplifying and streamlining lending operations, and the addition of a well known local banking professional to fill the vacancy created.

West Bend Savings Bank President and CEO Ray Lipman, announced that long-time Kewaskum Branch Manager, Charleen Barutha, has been named to the post of Loan Coordinator for the entire institution. "Simplifying and speeding-up the loan process, to satisfy our customers' needs for a friendly and responsive loan program, has been one of our customer service goals for this year. However, finding a qualified person, with the necessary level of expertise and true understanding of the process from a customers' point of view, proved to be very difficult," said Lipman.

"To fill this position in an institution like ours we realized we had to have someone with depth of experience in our systems and a proven ability to communicate with our customers, it was at that point that we asked Charleen to take on the challenge."

Charleen has been Branch Manager in Kewaskum for almost 20 years. Today the Kewaskum Branch employs 10 people and is an integral part of the business and personal banking lives of a majority of the people of Kewaskum

and several surrounding communities.

"Charleen and the Kewaskum Branch probably represent our strongest community-based operation," said Rick Larson, Executive Vice President and Chief Operating Officer of the 74-year-old institution.

"By moving her up to a position where she can help create programs for the entire organization in the area of loan processing will allow the bank to strengthen that aspect of our organization. Plus, Charleen will also be mentoring some of our less experienced people as they gain exposure to her customer service skills."

This major change for the Kewaskum Branch was made easier by the availability of another banking professional already familiar to the area, Timothy J. Miller, who will take over as Vice President Commercial Lending and Branch Manager effective August 1, 1999.

Miller comes to West Bend Savings Bank from St. Francis Bank, where his position was Vice President/Community Business Banking. His banking experience includes Regional Marketing Area Manager with TCF National Bank Wisconsin, and Vice President of Retail Lending for Bank Wisconsin.

The Miller family (wife Karen and two sons, Adam and Jarrett) currently resides in the Kewaskum

area. "Tim will bring a strong background in commercial lending," said Barutha, "and I know he will be a good person to take over here in Kewaskum because he already knows so many of our customers."

The strong background in commercial lending is part of a strategic move by West Bend Savings Bank also. Small-business banking is seen as an important part of the offering the bank wants to extend to its customer base, therefore Miller's experience plays directly into that plan.

"I'm very happy for the opportunity to work with West Bend Savings Bank," said Miller. "Charleen's decision to move up made a perfect opening for me, though the shoes are going to be a challenge to fill. Fortunately she will still be a part of the organization and will still be available to me if I need her."

All parties pledged to make the transition as seamless as possible, with Charleen reminding everyone that "the same friendly faces will still be taking care of business in the teller windows and at the drive up."

A reception will be held at the Kewaskum office of West Bend Savings Bank on Friday, July 30, from 5 to 7 p.m., to 'Welcome' Tim and to 'Thank' Charleen. The public is invited.

## Registration Dates Set For Kewaskum Schools

Registration for all students of the Kewaskum School District will be on Thursday, July 29, from 10 a.m. to 3 p.m. and on Monday, August 2, from 1 to 6 p.m.

Registration packets were mailed from the Kewaskum High School and Kewaskum Middle School on approximately July 9. If you have not received a packet for your middle or high school student, please call the high school at 414-

626-8427, ext. 4125 or ext. 4127, or the middle school at 414-626-8427, ext. 2323. Also if your student will not be attending a Kewaskum School District school, please call the appropriate school to inform them.

Please make a note that Kewaskum Middle School registration will be held in the Choir Room at Kewaskum High School. This is a change from the information that you received in the mail.

## West Bend Clinic Adds Two Doctors

Andrew C. Pahl, M.D., Internal Medicine, and J. Anthony Keegan, D.O., Obstetrics & Gynecology, have joined West Bend Clinic.

Dr. Pahl earned a Zoology Degree from the University of Wisconsin-Madison and his M.D. from the University of Wisconsin-Medical School. He completed an Internal Medicine residency at the Medical College of Wisconsin Affiliated Hospitals. Dr. Pahl is accepting new Internal Medicine patients at the West Bend Center, 1700 West Paradise Drive, West Bend (334-3451).

Dr. Keegan received his D.O. from the University of Osteopathic Medicine and Health Sciences in Des Moines, Iowa. He completed his Obstetrics & Gynecology internship and residence at

Metropolitan Hospital in Grand Rapids, Michigan. Dr. Keegan is accepting new patients at the West Bend Center, 1700 West Paradise Drive, West Bend (334-3451) and at the Jackson Center, W225 N 16711 Cedar Park Court, Jackson (677-1101).

West Bend Medical Clinic is a division of Advanced Healthcare, S.C., which was formed on January 1, 1998 in a merger between West Bend Clinic, Falls Medical Group, and Milwaukee Medical Clinic. It is the largest physician owned, multi-specialty group practice in Southeastern Wisconsin, with nearly 300 physicians providing care at 16 locations in Washington, Ozaukee, Milwaukee and Waukesha Counties.

## Better... But We Still Need More Nominations

All the begging, pleading and cajoling last week to local pig kissing aficionados must have helped, because we did receive a few more nominations for additional candidates, however, I think we still need some more to make this an interesting contest.

New nominees and additional votes for a few that were already in the running, included:

- ALAN KUEHL
- DENNIS KUEHL
- LANA KUEHL (Hey! That's not fair!)
- JOYCE KRAL
- JOHN MEISSER
- JIM SCHAUB
- DAN SCHMIDT
- RICHARD KNOEBEL
- BETTY BAKKEN
- JEANNE MARCHANT
- SHAUN TIMBLIN
- BOB BUDDENHAGEN
- TIM MILLER
- KATHY ROHLINGER

According to my calculations, with the 13 nominations listed last week and the 12 new nominations this week, that still only makes for 25 candidate and we need 30 for the first semi-semi-finals.

## Births

**McELHATTON** - A daughter, Olivia Rose, was born to Karen and Eric McElhatton, Kewaskum on Tuesday, July 13.

Paternal grandparents are Tom and Cheryl McElhatton of Kewaskum and maternal grandparents are Jerry and Jan Koch of Kewaskum.

Paternal great-grandparents are John and Mary Ellen McElhatton and Wally and Betty Giese, all of Kewaskum. Maternal great-grandparents are Earl and Laura Koch, Escanaba, Michigan, and Herb and Hazel Etten, Gladstone, Michigan.

**BEINE** - A son, Nicholas John, was born to Mary and Ron Beine, Campbellsport, on June 14, at St. Joseph's Community Hospital, West Bend.

Paternal grandparents are Jerome and Mildred Beine, West Bend, and maternal grandparents are John and Bev Oelhafen of Kewaskum.

Correct me if I'm wrong, but in accordance with the math I learned that seems to be five candidates short. And that means no candidate will be eliminated. That's no fun! Where's the competition in that? We need to make this a tighter race and time is running out folks.... there's only a little over one week left to cast your nominations. What kind of political apathy are we showing here?? No wonder we can't seem to find any presidential candidates... we can't even manage to get 30 nominations for kissing a pig!

The voting is anonymous. No one will know who you voted for... only me, and I promise not to tell. There are alot of you who haven't voted yet... and I know who you are and where you live! Either you start coming out of the woodwork and vote or I have a whole wad of dollar bills that I will be forced to use to vote for you! It could happen!

I was truly amazed, though, to see all the female nominations that came in this week. One just naturally assumes that this should somehow be a male gender thing... (and if you ask me to elaborate on this any further, I will totally deny ever making the above statement). Just use your imagination... on second thought, NO, don't!

But it is heartwarming to see this has become a unisex-type of competition, kinda like something we can all bond together with our significant others, or something like that. A family type thing... after all, you know the old saying, "The family that kisses pigs together, stays together!"

And we did manage to get one or two younger people to cough up a few of their hard-earned dollars to vote for members of their

peer group. In case I didn't make this perfectly clear before, ALL teenagers are definitely welcome to participate, whether they know how to KISS or not!

Now, fellow moms, don't get all in a tither. After all, wouldn't you much rather have your sons (or daughters) learn about kissing from a nice farm-raised pig instead of some strange street pig. (Better not elaborate on that any more either).

The main point is, if they're old enough to pucker, VOTE FOR 'EM! And the beauty is all proceeds from this contest benefit Kettle Kountry Kolors. So just DO IT!

And to quote someone near and dear, "that's all the people need to know!"

## Friends of Saxonia House to Hold Meeting

Friends of the Saxonia House, Inc., will be holding a special membership meeting on July 25, 1999, from 1:00 to 2:30 p.m. at the Saxonia House 421 CTH H, on the east edge of Fillmore. Alan Pape is scheduled to speak on "Historical Preservation and Restoration-Why Bother?"

The non-profit organization has purchased the Saxonia House and will be restoring it as a living history museum.

Volunteers are needed. New members are welcome to join the day of the meeting. For more information, contact Paul or Mary Williams at 608-755-1674 (day) or 608-757-2452 (evening) or e-mail: pmwilli@inwave.com.

## Campus Notes

EAU CLAIRE - Complete with aluminum foil Popsicle sticks and paper cups, seventh-graders from Papillion-LaVista School District in Nebraska designed a city of the future recently as part of a program planned and hosted by six students from the University of Wisconsin-Eau Claire.

The program, which is the end result of a special topics political science course on political problems at UW-Eau Claire, allowed 37 gifted seventh graders the opportunity to blueprint and construct "Utopia" -- a 3-D model of their Ideal City of the Future.

The political science course, taught this past semester by Dr. Robert Burns, director of the Center for Service-Learning, had the students at UW-Eau Claire planning for the event, which was held May 23-27, learning about gifted students and setting various goals for the seventh graders to accomplish.

The students who traveled to Nebraska to work with the seventh graders, included Ann Bodden, a junior sociology major from Kewaskum, and Holly Thull, a sophomore secondary education major from Campbellsport.

Although the end result of the week with the seventh graders was the completion of a 12 by 16-foot detailed model of a city from the year 2050, the intent of the course and subsequent

program was focused on understanding democratic decision making and city planning, Burns said.

"The seventh graders and UW-Eau Claire students learned how to come together, resolve conflicts and reach a final goal," Burns said. "This activity was set up to show that city planning is a political activity that people have a right to get involved with."

Burns, who used to work for the state of Nebraska in the state's water planning office, said he has seen first hand how citizen participation is often times at the end of the political process.

\*\*\*\*\*

APPLETON -- Carrie Stoffel, a 1996 graduate of Kewaskum High School, was one of six student members of Lawrence University's "bomb squad" who participated in a presentation at the recent American Chemical Society's national

conference in Anaheim, California.

Known affectionately as "the bomb squad" since its founding in 1996, the 15-member student organization is a community outreach initiative that creates and produces an interactive, science education program entitled, "Chemistry: More Than Just Equations."

The student troupe with a scientific twist performs a series of high-energy skits featuring a variety of comical characters who illustrate chemical concepts present in everyday situations. Collectively, the group has performed 115 shows to nearly 10,000 audience members, primarily elementary and middle school students.

In California, Stoffel helped stage a 30-minute version of the show at the ACS's "Learning How to Learn Chemistry" symposium to an audience of professional chemists, college chemistry professors, high

school chemistry teachers and undergraduate chemistry students. A junior at Lawrence University, majoring in chemistry, Carrie is the daughter of Daniel and Joan Stoffel of Kewaskum.

The Lawrence bomb squad was created to spark student interest in science

and "demystify" it, while helping young students realize the importance of science on a daily basis. In addition, the program serves as a unique opportunity for Lawrence students to gain valuable teaching experience and exercise their own imaginations.

## Family Fun Day July 24

WEST BEND - Triangle Y Ranch, Home of Camp Wowitan, will be holding a Family Fun Day on Saturday July 24, from 11 a.m. to 5 p.m. Adults are \$6, children age 5-12 are \$4, and children under four are free.

Come and spend time choosing from a variety of fun activities with your family. Swimming in the heated pool, archery, boating, canoeing, pony rides, and rock climbing will be available for kids of all ages.

So pack a lunch, grab your swimsuit, long pants and shoes for pony rides and rock climbing, and spend time in the heart of the Kettle Moraine.

Triangle Y Ranch is located just north of Highway NN on S. Church Road. Spend the day or a few hours, but come join in this day of fun, excitement and adventure with your family at YMCA Triangle Y Ranch.

## In the Service

Army National Guard Pvt. Anthony A. Helsell has graduated from the motor transport operator advanced individual training (AIT) at Fort Leonard Wood, Waynesville, MO.

During the course, the soldier received training in the operation and maintenance of light and heavy military vehicles during on- and off-road and blackout conditions, and instruction in transportation of personnel, equipment, and supplies. Other topics included accident prevention and reporting, operator maintenance, and motor marches.

Helsell is the son of Carol Butzke of 1686 Butzke Lake, and Dwight L. Helsell, both of Campbellport.

He is a 1994 graduate of Kewaskum High School.

## Campus Notes

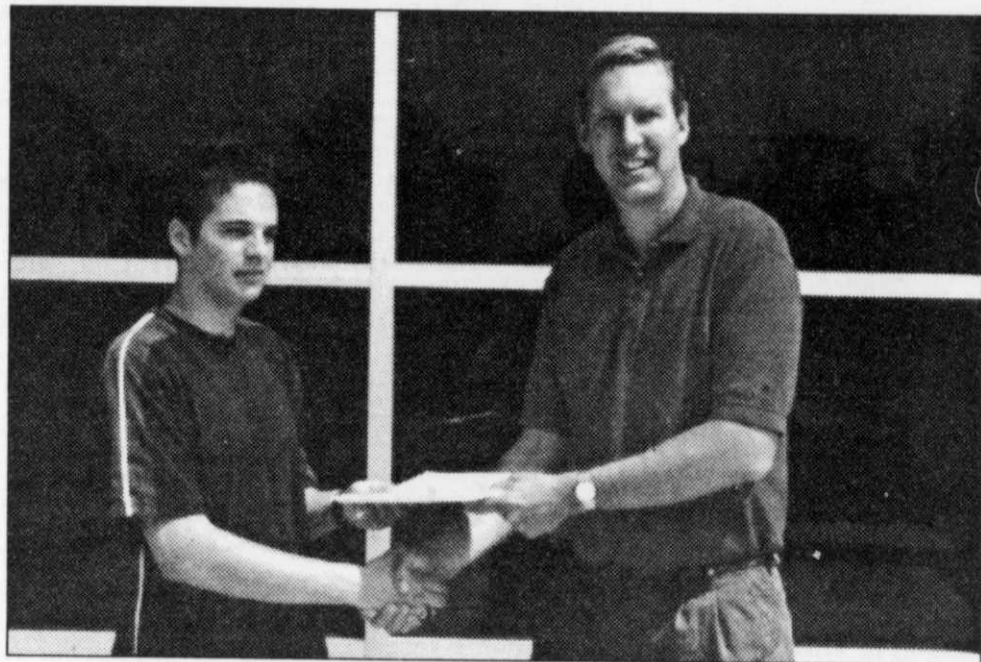

RIPON -- A number of Ripon College students have been named to the institution's 1999 spring semester Dean's List, which recognizes academic excellence.

To qualify for the Dean's List at Ripon College, students must achieve a 3.4 grade point average or higher on a 4.0 scale while registered for at least 12 hours of course work.

Amanda R. McDonald, daughter of Mr. and Mrs. James McDonald of West Bend, a first-year student Spanish major, is included in the 1999 Dean's List.

Ripon College has been rated a "Best Value" by U.S. News & World Report for 1998 and is listed among the best 200 science programs in the country by Peterson's Guides. Ripon is known for excellence in undergraduate education.

## Vacation Bible School at Salem UCC

Vacation Bible School will be held at Salem in Wayne during the week of August 2 through 6, from 9 to 11 a.m.

Salem is located at the intersection of Highways H and W. All children, ages three through sixth grade are cordially invited. Daily lessons, arts and crafts, happy songs and games, and refreshments will be enjoyed by all.

At a time when moral and spiritual values must be taught at an early age, Salem is making every effort to do just that.

The program will conclude with a service on Sunday, August 8, at 9 a.m. in the outdoor shelter. This will be followed with a pot luck lunch by the families of the vacation bible school and the members of the church.

The lessons are:

1. Loving Life - The Creation Story.
2. Boundless Blessings - Feeding the 5,000.
3. Perfect Protection - Three Men in the Fiery Furnace.
4. Fabulous Forgiveness - Jesus' Death and Resurrection.
5. Having Heaven - Elijah and the Flaming Chariot.

Again the welcome mat is out for one and all who wish to attend.

The oldest living tree, 4,700-year-old "Methuselah," grows in White Mountains, Calif.

## Campus Notes

WAUKESHA -- Marni Lynn, majoring in graphic communication, and Becky Yogerst, majoring in art, both of Kewaskum, have been named to the dean's list at Carroll College for earning a 3.5 grade point average or better on a 4.0 scale during the second semester of the 1998-1999 academic year.

Carroll College, a four-year liberal arts institution, is Wisconsin's first college, chartered in 1846.

\*\*\*\*\*  
WHITEWATER -- Michael Belger and Sabrina Maul of Allenton and Carrie Gehl of Kewaskum were

among the 2,102 students named to the University of Wisconsin-Whitewater honor roll for the 1999 spring semester.

To be eligible for the honor list, students must have a 3.4 semester grade point average with at least 12 credits and no grades lower than a "C".

UW-Whitewater was founded in 1868 and is currently the fourth largest campus in the UW System. The university enrolls over 10,600 undergraduate and graduate students and has a staff of 1,200. The university provides 45 undergraduate and 16 graduate degree programs.

## Leitheiser, Hansmann Appointed to Cedar Campuses Board of Directors

Cedar Campuses is pleased to announce the appointment of Ric Leitheiser and Dr. Jeffrey Hansmann to the Benevolent Corporation Cedar Campuses Board of Directors.

Hansmann serves as an anesthesiologist at St. Nicholas Hospital in Sheboygan. Leitheiser, a native

of Kewaskum, is the president of the M & I First National Bank located in West Bend.

Leitheiser serves on several local boards including the YMCA, Washington County Economic Development Committee, Washington County Historical Society, and the Boys and Girls Club. He is the trea-

surer and a director for the Kewaskum Youth Scholarship Fund. He is also a member of the noon Rotary Club.

Cedar Campuses, a not-for-profit corporation, is a regional leader in rehabilitation, education, older adult living and health care and is located in West Bend.

## It's a Matter of Taste; Bottled Drinking Water

MADISON -- Consumers who purchase drinking water bottled in Wisconsin can be confident that the product is both safe and truthfully labeled. That according to a report released by the Wisconsin Department of Agriculture, Trade and Consumer Protection recently.

Findings were based on samples analyzed from 11 of the state's 24 drinking water processors. Tests are conducted throughout the year.

State food safety officials base their evaluation on standards designed to protect both the health and pocketbooks of the state's consumers. Quality standards address substances in the water that may be harmful to health, as well as substances that affect the smell, color, and taste of the water.

Truthfulness in labeling requires the processor to identify the water's source accurately. For example, the name of a bottled water may conjure up visions of a pristine mountain stream, when in fact it comes from the tap. If that is the case, it must be identified as "fil-

tered water."

Americans spend more than \$3.5 billion a year on bottled water, and cite "taste" as the number one reason for buying it. However, buying bottled water becomes a necessity, not a choice, when either public or private water supplies become contaminated, which happens frequently.

"Bottled water is a desirable food product and should be a safe product and honestly presented," said Tom Leitzke of the Food Safety division. "In addition, there are a number of instances when the public water supply is unsafe, and bottled water is the most convenient alternative."

Bottled water is regulated as a "food" by the Food and Drug Administration, and companies that bottle water are categorized as "food processing plants" by the state. (By contrast, the U.S. Environmental Protection Agency regulates public water systems.)

Contact the Food Safety division at (608) 224-4700 for a free copy of the 1998 Bottled Drinking Water Report.

### Campus Notes

The following Kewaskum students have been named to the Dean's List at the University of Wisconsin-Milwaukee for the Spring 1999 semester:

Rhett Engelking, Katrina Gilles, Anne Marie Steel, and Jeffrey Thierfelder.

## Awarded Degree

Undergraduate degrees were awarded to 465 students during spring commencement at UW-River Falls on May 22. The commencement address was given by Grant Staszak, a graduating senior from Bonduel.

Conferring degrees was Chancellor Gary A. Thibodeau, Dean Karen Viechnicki of the College of Education and Graduate Studies; Dean Gordon Hedahl of the College of Arts and Sciences; Dean Gary Rohde of the College of Agriculture, Food and Environmental Sciences; and Professor Jacques Foust, chair of the business administration department of the School of Business and Economics.

Randy J. Thull of Kewaskum, was among the students receiving degrees.

## Second Annual Horseshoe Picnic

On Sunday, July 25, immediately after the 10 a.m. Service of Worship and Communion at St. Martin's United Church of Christ in Fillmore, the second annual Horseshoe Picnic will be held at Dan and Darlene Eberts in Fillmore.

All are to bring their own food to fry out on grills provided, beverages, dinnerware, and a dish to pass for the potluck. After the meal, horseshoes and other activities are planned for the whole family. All are welcome.

## Mehring Attends Magicians Convention

Richard Mehring, from West Bend attended the 71st Annual International Brotherhood of Magicians Convention in Little Rock, Arkansas June 30-July 1, 2, 3. The convention hosted approximately 1100 magicians from around the world. While at the convention, Mehring observed and shared magic, attended lectures to learn some finer points of legerdemain, and saw dealer demonstrate the latest magical goodies.

The International Brotherhood of Magicians embraces members in nearly every country of the world. It's membership is 14,000 strong. The I.B.M. was founded in 1922 and has included such famous magicians as Harry Houdini, Harry Blackstone, Howard Thurston, David Copperfield, Seigfried and Roy, Lance Burton, and Doug Henning. In addition to professionals, the I.B.M. membership is made up of amateurs, hobbyists, and part-time pros from all walks of life.

Mehring, recently retired from Regal Ware after 37 years of service, has been a member of the I.B.M. for 45 years. He also is a long time member of the Society of American Magicians, and currently is president of the Houdini Club of Wisconsin. The annual Houdini Club

Convention will be held over the Labor Day weekend in Appleton, WI, the boyhood home of Harry Houdini.

## Letter to The Editor

Dear Editor,

Before the April 6th school building referendum the school board promised they would adhere to the results. Now there are rumors several members are having second thoughts concerning the opening of Beechwood because the vote was close. A chart in my possession, published by the Statesman after the referendum, indicates that the votes on this issue were 1243 to 1040 not to open, but the votes against creating a recurring referendum were 1496 to 723, even the Town of Scott voted 186 to 98 against, so whoever is promoting the opening of this school is not indicating the fact that it would require a recurring referendum to open.

The faltering members of the board should take into consideration that there were two other parts of the referendum which were much closer than the above. The question concerning the gymnasium was only 1151 to 1111 against. I believe in a larger turnout it would have been approved so if any consideration be given it should be toward that. The vote for a new elementary school at the present sight was 892, against a vote of 766 for no construction.

I believe that to include opening Beechwood thereby creating a recurring referendum, would turn a lot of voters off, including me, and cause another failure of these much needed improvements. I would like to suggest that residents of the Kewaskum School District let their school board know that they want their promise kept and adhere to the wishes of the majority of taxpayers in this district.

Thank you.

Lloyd A. Koch

## Graduate of UW-Whitewater

WHITEWATER - Sabrina Maul of Allenton was among the 1,156 students who graduated from the University of Wisconsin-Whitewater in May.

Chancellor H. Gaylon Greenhill and Provost David Prior presided over spring commencement. During the commencement ceremony UW-Whitewater awarded its first-ever, honorary degrees.

UW-Whitewater was founded in 1868 and is currently the fourth largest campus in the UW System. The university enrolls more than 10,600 undergraduate and graduate students and has a staff of 1,200. The university provides 45 undergraduate and 16 graduate degree programs.

## Humane Society Offers Romp With Animals

The Washington County Humane Society will offer its fifth annual summer school program, "Romp With the Animals," in August for children in first through fifth grade.

The four-day session will be offered August 2-5 and another session will be offered August 11-14. The programs run from 8:30 to 11:30 a.m. Cost is \$40 and includes a t-shirt, snacks, bus transportation to the off-site locations, and all activities.

During the program, children will be learning about companion animals, life on a farm, nature and wildlife. Off-site field trips will be taken to a farm, veterinary clinic and nature center. There will also be a segment on bite prevention where the kids will learn how to be safe around animals.

To register, call Dale Stockhausen at 677-0731. Class size is limited.

There are 16 table-spoons in a cup.

## Llamas Take to the Ring At Washington County Fair

Llamas have been shown at the Washington County Fair for only two years in a temporary setting.

This year llamas will take the stage in the livestock show arena on Friday, July 23, from 1 to 4 p.m. Fourteen youth have worked with llamas this past year under the guidance of five countywide leaders: Dennis and Sharleen Przekurat, Alberta and George Clements and Tom Hoffman.

Dennis and Sharleen Przekurat started the countywide llama project four years ago. Dennis shared some interesting facts about llamas and the project.

According to Dennis, "Llamas each have their own personality. They love attention. Llamas are really animals with a combination of other animal traits, he explained, adding, "They are similar to a sheep which has wool, yet their hooves are soft and padded like a dog. They are a ruminant animal, like a cow; however, they only have three stomachs, not four. Their gestation period is like a horse, 11-1/2 months." Some other interesting llama facts that Dennis shared include: llamas originated from India; they are a cousin of the camel; a baby llama is called a cria.

Dennis explained that 4-

H youth do not need to own a llama to be in the llama project. The leaders have contacted host farms that provide llamas through a managerial agreement. There were six countywide llama meetings held this year. Youth learned how to house the llama, to braid the wool, to show llamas, and to care for the llama.

When asked why he and his wife got involved in the 4-H program, Dennis replied, "This is a way he and his wife Sharleen can give back to the community by helping kids who cannot own their own llama." Dennis added, "I really feel kids learn a lot about sportsmanship through the llama project, they also learn about the environment. I believe they learn responsibility and decision making through the managerial agreement with the host farm. Public speaking skills are also polished as they talk with fair goers about their project."

What's most rewarding? According to Dennis, "It is the opportunity to work with children since they do not have children of their own. It lets me be a kid at heart. There are a lot of great kids out there to work with; however, often we only hear or read about the negative things youth are doing. This project lets

youth show off their talents and learn at the same time. I feel it helps youth in a positive way."

Don't miss the llama show on Friday, July 23. But if you do, llamas will be staying at the County Fair this year so fair goers can see the animals throughout the fair.

## Breakfast At the Fair

Come early! Eat a delicious breakfast, and explore the exhibits during a quiet time. Plan to come to the Fair and attend the annual "Breakfast at the Fair," sponsored by the Washington County Farm Bureau Women. The breakfast will be held on Saturday, July 24, from 6 to 9 a.m.

The menu for the breakfast includes fluffy pancakes, Wisconsin butter, syrup, applesauce, sausages, juice, hot coffee and cold milk.

Polka music will be playing for your listening enjoyment and dancing. WTKM Radio will be broadcasting live.

Tickets for adults are \$4.50 and can be purchased at the door.

Nutrition is an inexact science: it cannot explain how teenagers manage to thrive on hamburgers and sodas.

## Cloverbuds - A Positive 4-H Experience For Youth in Kindergarten - Second Grade

This year over 120 five to eight year old youth are enrolled in a very popular 4-H project -- Cloverbuds. The Cloverbud program is designed for younger youth who are interested in a 4-H experience. The focus is on hands-on learning that is non-competitive. Cloverbuds exhibit at the County Fair and can participate in countywide learning experiences without any competition.

But what do the families and kids in the Cloverbud project think?

According to Maggie Kiselicka, Cloverbud Youth Leader for Badger Boosters, "Cloverbuds is a great experience for kids; it helps them get started in 4-H! We do a lot of hands-on projects. I planned a food and nutrition day with the Cloverbuds where they experimented with their taste buds. They liked being able to taste test different foods that were salty, sour, sweet, and bitter."

Our last project meeting in July before the fair was making a monarch butterfly box. The rubber stamping project was also a big hit this year! The kids were able to be creative and make their own designs. This proj-

ect allowed a lot of individual creativity as they designed their own cards."

What Maggie likes best about being a Cloverbud youth leader is "helping the little kids learn new things." Maggie has been a youth leader for four years.

This year Maggie had five project members and held five project meetings where the members each made something different. Maggie has the members each give a mini-demonstration on something they have made at the club meeting. Maggie feels that each of the members gain decision making skills, and patience and that they also learn responsibility for their project. A key to building leadership in youth is having youth leaders teach other youth.

What does six year old Juleah Cox have to say about being in Cloverbuds? "What I like best is making different projects. One of the best projects I liked was making the picture frames at the countywide Cloverbud meeting and making the butterfly box with my leader, Maggie. I've learned how to make projects, and it is fun to do new things."

Dawn Cox, Juleah's

mom, feels that 4-H has provided her children an opportunity to meet other kids and do things together. The Cox family have four children who have been involved in 4-H the past nine years. It taught Rachel and Zac leadership skills and public speaking as they served in club officer positions. It also provided an opportunity to learn to work together with other kids as a team to accomplish a club goal like the 4-H club booth.

Overall, Dawn feels that 4-H is a "Positive Experience!" "The kids learn a lot of different skills. Four-H keeps them involved. My kids have learned to help other kids. They have also developed social skills. Since the youth need to conduct the club meetings, the youth learn responsibility. They also develop good people skills. Four-H really teaches and encourages our children those qualities that we want them to use now and later on in life."

If your children are five years to eight years old, consider enrolling them in the Cloverbud Program. For more information contact the 4-H Office at 335-4478, 342-2929, 644-5204.

## Year 2000 Preparation for Consumers

Governments, utilities, business and industry have been preparing for the Y2K bug over the last year.

It appears that the huge amount of work and investment is beginning to pay off in preparing important computer systems for the year 2000. The most serious problems now seem more manageable. While we aren't likely to face extended power outages and mass shortages of goods and services, consumers may still have questions and concerns about being prepared at home.

Questions about home appliances and electronics should be answered by the manufacturer. People may be most concerned about home computers, camera equipment, VCRs, TVs, fax machines, cooling and heating systems, home security systems, and some appliances. Local retail outlets should be able to direct you to the manufacturer or your local telephone book may have an 800 number to call.

In addition, 1-800 directory assistance can direct you to the manufacturers 800 number. If your home appliance does not have a clock function or is not operated by a computer system it is unlikely that any problems will occur.

Preparing for short term power outages as a result of Y2K is the same as preparing for any short term outage caused by severe weather.

In Wisconsin, it is likely that we will be in the clutch of winter and preparing for staying warm should be an emphasis. Have extra blankets and warm clothing handy. If you are looking at alternative heating sources make sure they are approved for indoor use. In addition, have flashlights and batteries on hand. Other tips are available at the Web site of the American Red Cross---WWW.red-cross.org.

Keeping food and water safe to use is always a concern to consumers during power outages. The UW-Extension has prepared several bulletins for use by consumers who want to know how to store water and food for short term emergencies and how to keep food safe to eat during power outages. Not only do these bulletins provide tips on the topic, but there is reference to additional sources of information.

A single copy of the following bulletins are available by contacting the Washington County UW Extension Family Office at the Public Agency Center, 333 E. Washington St., Suite 1200, West Bend, WI 53095 or call 335-4479.

Bulletins include:  
"Y2K - The Power is Off: Is the Food Still Safe?"

"Y2K - Storing Water for Short-Term Emergencies"

"Y2K - Storing Food for

Short-Term Emergencies"  
"Y2K - Personal Finances and Consumer Fraud"  
"Y2K - Home and Neighborhood Planning"  
"Countdown 2000 - A Guide to the Year 2000 for Wisconsin Families"

# Dahmer Takes Checkered Flag At EWSC Races Saturday Night

By Verla Peichl

The 40-lap Pat Rand Memorial, "Race of Champions" Super Winged Modified A-Main feature at the Plymouth racetrack evening was conquered by Brad Dahmer, Sheboygan, and he took the checkered flag to the winner's circle on Saturday evening.

Dahmer started on the pole, but that didn't mean the rest of the group was going to let him take it without a fight.

Pete Ostrowski, Milwaukee, came out fast, high and outside, from the fourth row, but the pole cars, Dahmer, Leroy Ostrowski, Milwaukee, Tim McMullen, Plymouth, and Paul Pokorski, West Bend, were in the lead, with a stretch between them and the next group.

Gary Laack, Glenbeulah, was free and fast and on lap #9 he made a move on Pokorski. He couldn't take him, so it was Dahmer, Leroy Ostrowski, McMullen, Pokorski, Laack, and Billy Kreutz, Kiel, attempting to pass Laack.

Kreutz kept trying to pass, moved quick and by lap #14 moved into fifth, while Dahmer kept the lead.

The track was fast and there was little passing and on lap #22 Dahmer caught up to lap cars and the order was unchanged until Eddie Staehler, Kewaskum, passed Laack on lap #25. It was Dahmer, Leroy Ostrowski, and Pokorski, and when lap #30 came up it was suddenly a furious race.

Staehler made some fancy loops, lost ground, but stayed out of trouble. Kreutz was getting his stride by lap #34 and rallied with Leroy Ostrowski on lap #39.

When the white flag came out, places were set and the checkered flag found it to be Dahmer, Pokorski, Kreutz, Leroy Ostrowski and McMullen respectively.

The Limited Late Model 25 lap feature started with a yellow flag on the first lap, but when the race was over, it would be Randy Markwardt, Sheboygan, carrying the checkered.

The yellow on lap #1 caused a restart with some shifting in the lead cars. It was Jason Allen, Fredonia, Charlie Schmidt, Cedar Grove, Dick Hed, Sheboygan Falls, and Dale Bauer, also of Sheboygan Falls, out in front.

When the green flew, it was Hed out front, fast, while Allen made a loop to cause himself to fall back. Steve Ziegelbauer, Sheboygan, moved ahead changing the order to Hed, Ziegelbauer, Schmidt, Markwardt and Allen.

On lap #6 Schmidt and

Markwardt had slight contact, while Hed and Ziegelbauer were charging ahead in cat and mouse fashion.

The cars spread out on lap #9 with Hed passing lap cars and Ziegelbauer and Markwardt were following his lead.

Lap #12 saw Markwardt make a move on Ziegelbauer. Ziegelbauer held him off and on lap #14 there was contact in turn two and a restart was set up with Hed, Ziegelbauer, Markwardt, the charging Dave Jessen of Fredonia, and Allen.

Markwardt jumped ahead of Ziegelbauer as soon as the green flag fell, but Hed once again took a strong lead.

Lap #17 saw a major spinout on turn four. Keith Borth, Sheboygan, Roy Dahmer, Sheboygan, and Charlie Schmidt, caused an adjustment in the pattern. The restart saw Hed, Markwardt, Ziegelbauer, Jessen and Howie Weiss of Glenbeulah, in the lead.

Markwardt started his battle with Hed early. It was Hed on the outside, Markwardt on the inside. Three laps they battled fender to fender, but Hed held him off until lap #21 when Markwardt made the pass on turn two.

Ziegelbauer held off Jessen and when the checkered came out it was Markwardt, Hed, Ziegelbauer, Jessen and Weiss, respectively.

The 20 lap Super Stock feature found Brian Gilles, Plymouth, with the checkered flag after coming up from row eight.

When the green flag waved there was a yellow on the first lap. Todd Jensema, Oostburg, did a loop and John Dirks, Elkhart, did a spin on turn four. The restart was set and it was Jeff Muehlbauer, Elkhart Lake, Ron Sherwin, Plymouth, Kevin Zimbal, Sheboygan Falls, and Like Scholten, Oostburg.

Muehlbauer and Zimbal were in the lead until Muehlbauer left the track and it was Zimbal, Paul Dirks, Elkhart Lake, Gilles and Rick Hed, Cleveland, and Chris Willadsen, Waldo.

The lead cars were stretched and single, but the back group was attempting three wide on the turns and causing the crowd to gasp. They maneuvered the turns without incident and attention turned to the challenge between Zimbal, Hed, Gilles and Paul Dirks. The four lead cars were fender to fender, bumper to bumper, when on lap #11 there was a yellow flag.

The restart was Zimbal, Gilles, Paul Dirks, and Hed, but that's when Gilles took the lead, on lap #13, when

he charged to the front. It was heated and fast, with everyone staying close, with sideways movements and fancy turns the changes began to fall into place.

When the dust cleared and the checkered came down it was Gilles, Hed, Dirks, Zimbal and a charging Doug Teunissen of Sheboygan Falls, respectively.

## NEW FANE SPORTSMENS CLUB WEDNESDAY NIGHT July 14

**BLUE DIVISION:**

# Demo Derby Sunday at Slinger Super Speedway

The Slinger Super Speedway will host the only Demo Derby, that is scheduled during the regular season, in addition to their full compliment of racing action this Sunday night, July 25.

The action packed night will include a 60 lap late model feature, along with a full night of racing in the late model, Midwest Modified, Slinger Stinger Street Stocks, Figure 8 and Team Cruiser Divisions.

Rounding out the night will be the running of the Speedway Guest Cars and Spectator Elimination Races on the World's Fastest 1/4 Mile Oval. After the oval racing is completed for the evening, track officials will wet down the main front stretch and turn the Demo Derby drivers loose until the last remaining, running car claims the first prize payout.

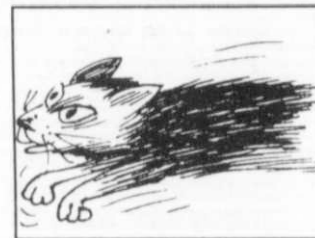

The Slinger Speedway also invites kids, ages 15 and under, into the races for FREE, when accompa-

nied by an adult.

Spectator gates and ticket sales begin at 4:45 p.m., with time trials slated to start at 5:15 p.m. and racing to start at 7 p.m.

The United States Navy will also get involved for the Sunday night, July 25 festivities. The first 500 people through the gates will receive a complimentary Navy memorabilia.

For more information on upcoming events, call the track office at 414-644-5921 during regular business hours or visit their web page at [www.slingerspeedway.com](http://www.slingerspeedway.com).

A domestic cat can run up to 30 miles per hour.

**ALL PROCEEDS BENEFIT KEWASKUM'S KETTLE KOUNTRY KOLORS**

With Robin Yount, Nolan Ryan and George Brett going into the Baseball Hall of Fame this month, Tim Coulter, Liberty, Missouri, formerly of the Kewaskum area, sent in the above photo that was taken at a Salvation Army fundraiser at Christmas. For those of you that don't know Tim, that's him on the right, with George Brett on the left. Tim stated, "George does many charitable events along with being the Chairman of the local ALS Chapter. I'm sure Robin Yount is just as active in charity organizations in the Milwaukee area. They deserve to be in the Hall of Fame for both their on field and off field performances." Movie buffs will recognize the picture in the background as the farm house in Dyersville, Iowa, that was used in the movie, "Field of Dreams" with Kevin Costner and Burt Lancaster.

## Campus Notes

Barbara Schellhaass.

**WEST BEND** - Sixty-six students from area high schools have been named to the dean's list for achieving academic honor grades during the spring semester at the University of Wisconsin-Washington County.

Students receiving highest honors have achieved a straight A average (4.0) while high honors students earned a grade point (GPA) between 3.99 and 3.75. Honors students received GPA's between 3.74 and 3.5.

Full-time area students included:

**FREDONIA:** (High Honors) Douglas Hartmann; (Honors) Brad Hermann.

**KEWASKUM:** (High Honors) Christie Heckel; (Honors) Melissa Babich, Amy Boden, Michael King, Leslie Mueller-Grady, Ruth Oldson and Todd Wolfenberg.

**WEST BEND:** (Highest Honors) David Jeffrey, Nicole Merwin, Sarah Sandell; (High Honors) Brian Berggren, Becky Borkenhagen, Joy Buehler, Stephanie King, Corey Lorenz, David Mueller, Michael Rahlf, Katherine Yahr; (Honors) Sarah Blank, Charlotte Bott, Jonathon Fuehrer, Arick Groth, Julie Haberman, Heidi Hottenstein, Daniel Huybers, Dale Moore, Matthew Patten, Amy Preder, Sean Roedl, Steve Schaefer, Lewis Strupp and Gregory Waala.

Part-time area students included:

**ALLENTON:** (Honors) Amy Pamperin.

**WEST BEND:** (Highest Honors) Emily Boettcher, Alan Nevala, Stephanie Wirt, Craig Zutz; (Honors)

**LA CROSSE** -- Nearly 300 students attending the University of Wisconsin-La Crosse were recently inducted into the Golden Key National Honor Society.

Each spring Golden Key National Honor Society recognizes juniors and seniors in all academic areas who demonstrate outstanding academic achievement. Membership is by invitation only to students in the top 15% of their class. Golden Key is an international non-profit organization with 230 collegiate chapters at major colleges and universities in the United States, Puerto Rico, the Virgin Islands and Australia.

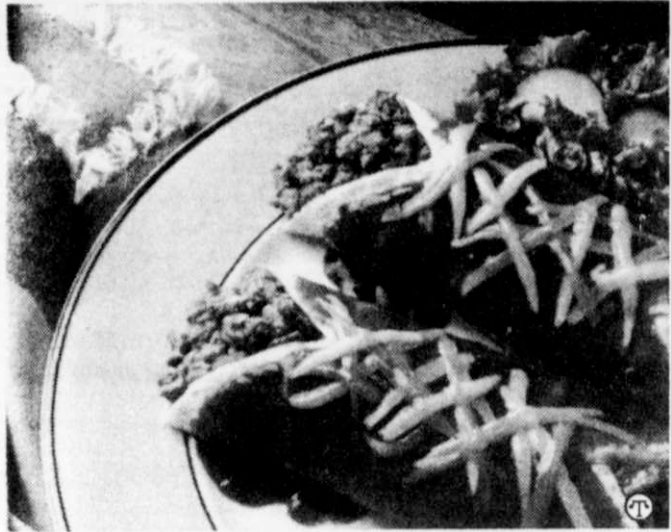

Students inducted into Golden Key National Honor Society are lifetime members and receive a personalized certificate of recognition, and Golden Key publications. Additionally, members of Golden Key become eligible to receive one of the

several scholarships that Golden Key offers its members.

The student selected from this area is Jamie Gaffke of Kewaskum.

UW-La Crosse, founded in 1909, is one of the 13 four-year comprehensive institutions in the University of Wisconsin System. UW-L has around 9,000 students in nearly 80 undergraduate and 18 graduate programs, many with special accreditation. UW-La Crosse is listed in the top 100 list of best public universities in the country by Kiplinger's Personal Finance Magazine (September 1998) and sixth among Midwest Regional Universities in U.S. News & World Report's "America's Best Colleges 1999." U.S. News also named UW-La Crosse eighth among Midwestern regional universities for schools that offer the best value, the only Wisconsin college to receive a best value listing.

## Easy Three-Step Enchiladas

(NAPS)—There's more to make-at-home Mexican fare than crispy taco "sandwiches." It's time to move up to enchiladas—they're just as easy to make and feature many of the familiar flavors your family already loves.

This Easy Beef Enchiladas recipe requires only four basic ingredients. But you can make the enchiladas your own way by adding your favorite ingredients to the filling.

Instead of corn tortillas, the recipe uses flour tortillas, which are easier to fill and roll for enchiladas. And, it calls for a new, convenient 19-oz. can of enchilada sauce that's just the right amount for a large casserole dish, or you can use two 10-oz. cans. Keep extra sauce in the cupboard to make enchiladas whenever your tastebuds yearn for something Mexican.

### Easy Beef Enchiladas

1 lb. ground beef  
1 (19-oz.) or 2 (10-oz.) cans Old El Paso

**Enchilada Sauce**  
6 oz. (1 1/2 cups) shredded cheese  
1 (12-ct.) pkg. Old El Paso Flour Tortillas for Soft Taco

1. Heat oven to 400° F. Brown ground beef over medium-high heat until thoroughly cooked; drain. Stir in 3/4 cup enchilada sauce and 1 cup cheese.

2. Spoon enchilada filling onto tortillas; roll up and place seam-side down in lightly greased 13x9x2-inch baking dish.

3. Pour remaining enchilada sauce over top; sprinkle with remaining 1/2 cup cheese. Bake at 400° F. for 15 to 20 minutes.

12 enchiladas

### VARIATIONS:

Stir 1 (4.5-oz.) can Old El Paso Chopped Green Chiles into filling mixture.

Add 1/2 cup chopped onion to ground beef while browning.

# Summer Programs in Northern Kettle Moraine State Forest

The Kettle Moraine is internationally known for its famous glacial features and fascinating diversity of plants and animals. You are encouraged to stop in at the Henry S. Reuss Ice Age Visitor Center to learn more about our glacial past and the Kettle Moraine.

Throughout the year a wide array of fun-filled educational programs are presented by the forest naturalists. The programs are held at the Ice Age Visitor Center, Mauthe Lake Recreation Area, Long Lake Recreation Area or at other spots in the forest.

There are programs for all interests and age levels. All the programs are FREE, but donations to the education program are very appreciated.

For more information about the Northern Kettle Moraine State Forest or the naturalist programs, please contact the forest staff at the following locations: Department of Natural Resources, Kettle Moraine State Forest - Northern Unit, N1765 Hwy. G, Campbellsport, WI 53010, phone (414) 626-2116, or Henry S. Reuss Ice Age Visitor Center, located off of Hwy. 67, 1/2 mile west of Dundee, phone (920) 533-8322.

## 1999 SUMMER PROGRAMS

### \*\* AUGUST \*\*

#### OUTDOOR ADVENTURES

People over the age of 12 years are invited to participate in the Outdoor Adventures programs. On the second and fourth Thursday, we will explore a different nature topic and section of forest. Bring your curiosity and your sense of adventure for these early evening programs. Each program will begin at the Ice Age Visitor Center and then we will car pool to the program location.

**Prairie Life**  
Thursday, August 12  
6:30 - 8 p.m.

**Ice Age Visitor Center**  
At one time prairies covered much of the southern half of Wisconsin. Journey through the tall grass to discover what plants and animals call these amazing communities home.

**Let's Do the Bog Jog**  
**At Spruce Lake Bog**  
Thursday, August 26  
6:30 - 8 p.m.

**Ice Age Visitor Center**  
Bogs are very special communities with a lot of unique plants and animals. Come explore Spruce Lake Bog, a national natural landmark, for carnivorous plants, bouncing "soils," and rare flowers. Wear old shoes in case you get your feet

wet.

#### NATURE STORYTIMES

An hour of nature fun awaits 3-6 year olds and accompanying adults. Join us for stories, games, crafts and songs on the first, third, and fifth Friday of each month. Programs will be held at the Henry S. Reuss Ice Age Visitor Center starting at 9:30 a.m.

**What's the Buzz, Bee?**  
Friday, August 6  
9:30 - 10:30 a.m.

**Ice Age Visitor Center**  
Discover what those bees are doing as they buzz from flower to flower.

**Slow Moving Snails**  
Friday, August 20  
9:30 - 10:30 a.m.

**Ice Age Visitor Center**  
Silvery trails in the morning light tell us where the snails have been. Join us as we explore the world of the snail.

#### JUNIOR FOREST EXPLORERS

Calling all 7-12 year old Junior Forest Explorers for some fun-filled nature programs. The programs will include stories, games, songs, and many other activities. Adults are encouraged to attend with the children. Junior Forest Explorers meet at the Henry S. Reuss Ice Age Visitor Center on the second and fourth Friday of each month at 9:30 a.m. Many of the activities relate directly to the Junior Ranger and Wisconsin Explorer programs.

**12 Frogs and 1 Toad**  
Friday, August 13  
9:30 - 11 a.m.

**Ice Age Visitor Center**  
Jump on over to the Ice Age Visitor Center to learn some really amazing facts about Wisconsin's 12 frogs and one toad. You may even have a chance to meet some live critters up close.

**Where Does All The Dead Stuff Go?**  
Friday, August 27  
9:30 - 11 a.m.

**Ice Age Visitor Center**  
Nature has been recycling for millions of years. Learn what organisms help recycle all the dead stuff in nature.

#### STEP INTO THE NIGHT HIKE

As the sun sets and the light fades from the sky, the day animals retire and a new group of animals awakens. We will explore the world of the crepuscular (active at dusk and dawn) and nocturnal (active at night) animals. Bring your bug spray and sense of adventure. Meet at the location listed for each hike date.

**Long Lake Picnic Shelter**  
Friday, August 6  
8:30 - 10 p.m.

**Hike Theme: Using**

#### Our Senses

**Long Lake Picnic Shelter**  
Friday, August 20  
8:30 - 10 p.m.

**Hike Theme: Night-time Insects**

#### FAMILY NATURE PROGRAMS

Families are invited to participate in 1-1/2 to 2 hours of hands-on nature fun. The adults are encouraged to work with their children. These programs are best for families with children between the ages of 4 and 10 years.

**Canoe a Kettle**  
Saturday, August 7  
9:30 - 11:30 a.m.  
**Mauthe Lake Boat Launch**

Join us for a morning of paddling in a glacial kettle, Mauthe Lake. Basic canoe instructions will be provided before we explore the lake. Adults must accompany children under the age of 12. To register call the Ice Age Visitor Center at (920) 533-8322 by August 5. Limit: 24-30 people without canoe equipment. no experience necessary.

**Fishing Fun!**  
Saturday, August 14  
9:30 - 11:30 a.m.

**Mauthe Lake Fishing Pier**

Experienced anglers will share their knowledge on how to bait a hook, cast a line and reel in a fish. If you're lucky, you may even learn how to clean the fish you caught. Bring your fishing gear if you have some. A limited number of poles will be available and bait will be provided. People over the age of 16 will need to have a fishing license to fish.

**So Many Legs!**  
Saturday, August 21  
9:30 - 11 a.m.

**Ice Age Visitor Center**  
6, 8, 14, 30, 100+ Why so many legs? As we sweep, poke, and dig through fields and forests, we'll discover what creatures have so many legs and why.

**Outdoor Cooking**  
Saturday, August 28  
9:30 - 11:30 a.m.

**Mauthe Lake Picnic Shelter**

Have you ever baked a cake over a fire, made an omelet in a bag or toasted a pudgie-pie? If you haven't join us for a morning of outdoor cooking. You'll be surprised at how easy cooking in the great outdoors can be.

#### DROP IN AT THE BEACH

Drop in on the forest naturalists on Saturday or Sunday afternoon at Long Lake or Mauthe Lake Recreation Areas. They will have artifacts, activities and answers to your nature and outdoor questions. Adults are encouraged to

participate with the children.

**Animals of the Forest and City**  
Saturday, August 7  
1 - 4 p.m.

**Long Lake South Beach**

**Sunday, August 8**  
12 noon - 3 p.m.

**Mauthe Lake Beach**

Discover what animals feel as comfortable in the forest as they do in our human populated cities. Pick up some tips on how to live with wild animals in urban areas.

**Camping and Outdoor Skills**  
Saturday, August 14  
1 - 4 p.m.  
**Long Lake North Beach**

**Sunday, August 15**  
12 noon - 3 p.m.

**Mauthe Lake Beach**

Come brush up on your camping and outdoor skills. Through hands-on experiences, you'll learn the basics of tent pitching, fire build-

ing, comfortable sleeping, knot tying and much more.

**Birds of a Feather**  
Saturday, August 21  
1 - 4 p.m.  
**Mauthe Lake Beach**

**Sunday, August 22**  
12 noon - 3 p.m.  
**Long Lake South Beach**

Have you ever wanted to fly like a bird? Drop in to discover the unique adaptations birds possess that help them to fly and survive in a great variety of habitats.

**Nature Printing**  
Saturday, August 28  
1 - 4 p.m.  
**Long Lake South Beach**

**Sunday, August 29**  
12 noon - 3 p.m.  
**Mauthe Lake Beach**

Let your creativity flow! Using objects from nature, we'll print beautiful designs on T-shirts, bandannas and note cards. Bring a T-shirt or bandanna to print or purchase one that day.

## Obituaries

**RICHARD ZARLING, SR.**

Richard E. "Dick" Zarling, Sr., 68, of West Bend, passed away on Friday, July 16, 1999 at St. Joseph's Community Hospital, West Bend.

Zarling was raised in the Milwaukee area. He obtained his masters degree in 1961 from the University of Wisconsin-Madison.

He served as assistant principal at J.E. Jones Elementary School of Cudahy and principal of Kewaskum Elementary School for over 36 years before retiring in 1996.

He was the director of elementary education and special education in the Kewaskum educational system and was active in the Wisconsin Department of Natural Resources.

Zarling was a member of Peace United Church of Christ, Kewaskum, Habitat for Humanity, and former member of the Kettle Moraine Symphony, Wisconsin Alumni Association, Captain of the Police Auxiliary, Zoning Administrator for the Village of Kewaskum, charter member of Hon-E-Kor Country Club and a member of Beta Phi Theta.

Survivors include four children, Richard E. "Rick" Zarling, Jr. of Jackson, Julie Zarling of Los Angeles, California, Kurt Zarling of Los Angeles, California, and Karl Zarling of Nashville, Tennessee, and the children's mother, Patricia Zarling of Nashville, Tennessee, beloved partner Laurie Callies of West Bend, granddaughter Rhiannon Zarling of Jackson, great-grandson Jordan Zarling of Jackson, sister Esther Fischer of Green Lake, other nieces, nephews, other relatives and friends.

He was preceded in death by his parents, Edward and Mildred (Fisk) Zarling, and a sister, Ruth St. George.

Funeral services were held on Monday, July 19, at 2 p.m. at Peace United Church of Christ in Kewaskum with Rev. J. Eric Kirkegaard officiating.

Interment took place at Peace U.C.C. cemetery following the service.

Visitation was on Sunday, July 18, at the Phillip Funeral Home of

West Bend from 4 until 7 p.m. and on Monday, July 19 at the church from 1 p.m. until the time of service.

Memorials to the American Cancer Society are appreciated.

### DOROTHY OSUSKI

Mrs. Dorothy Osuski, age 86, formerly of Milwaukee, passed away on Thursday, July 15, 1999 at Samaritan Health Center in West Bend.

She was born on February 27, 1913 in Milwaukee, Wisconsin, the daughter of the late Steward and Mattie (Janzer) Seefeld. She was united in marriage to Charles Osuski and he died on February 6, 1987.

Mrs. Osuski was a member of the St. John Lutheran Church in New Fane.

She is survived by two sons, Thomas (Michelle) of New Fane, and Gerry of Horicon; a daughter, Joan (Ernie) Grabowski of Kewaskum, and a step-daughter, Delores (Paul) Meier of Danbury, Wisconsin; five grandchildren, Adam and Brian Osuski, Steve, Robbie and Kenny Koeppen; six great-grandchildren, Jeremy, Allissa and Bunny Osuski, Christopher, Danny, and Kevin Koeppen, other relatives and friends.

She was preceded in death by a grandson, Dennis Koeppen, a sister and a brother.

Funeral services were held at 9:30 a.m. on Saturday, July 17, 1999 at the Miller Funeral Home, Kewaskum, with Rev. Mark Eckert officiating. Burial was in Highland Memorial Park.

Friends called from 4 to 8 p.m. on Friday, July 16, at the funeral home and from 9:30 until the time of services on Saturday.

### HAROLD J. SCHNEIDER

Harold J. Schneider, 85, of West Bend, passed away on Friday, July 16, 1999 at the Samaritan Health Center.

Harold was born to Peter (Minnie Puestow) Schneider on June 21, 1914 in West Bend and raised in the town of Farmington. Harold served in the United States Army in the Red Arrow Division - Pacific Theater during World War II. He was a groundskeeper for Enger Kress and Ehne Farms, and later a supervisor at Mallard Coach of West Bend.

He was also a member of St. John's Evangelical Lutheran church of West Bend.

Survivors include his brother, Leroy (Gloria) Bruesewitz of Campbellsport, two nieces Barbara Gary of Chicago, Ill., Linda

(Lionel) Remillard of Allenton, nephew Scot (Maryanne) Bruesewitz of West Bend, grandnieces, grandnephews, other relatives and friends.

He is preceded in death by his parents, sisters Myrtle Schneider (an infant) Esther Bradley and Dorothy Fabian and brothers-in-law Robert Bradley and Marvin Fabian.

Funeral services were held on Monday, July 19 at 7 p.m. at the Phillip Funeral Home Chapel of West Bend. Pastor George Mumm officiated and interment took place at the Washington County Memorial Park on Tuesday, July 20 at 10 a.m.

Visitation at the funeral home was on Monday from 4 p.m. to 7 p.m.

### LESTER W. SOYK

Lester W. Soyk, 85, of Campbellsport, died Monday, July 19, 1999, at St. Agnes Hospital, Fond du Lac.

He was born July 6, 1914, in the town of Osceola, to the late William and Elvina (nee Guell) Soyk and married Elda Gohlke on July 31, 1943, at Bethel Church in the town of Byron.

Lester farmed all his life in the towns of Eden and Empire. He was a member of Tabor United Methodist Church, town of Eden, and the Tabor Rites Family Group.

Survivors include his wife; children, Diane Soyk of Lomira, Bill (Jan) of Eden, Bruce (Carol) and Christine Soyk, both of Campbellsport, Connie (Charles) O'Laughlin of St. Cloud, Mark (Sherry Thorn) of Allenton, Loren (Sheila) of North Fond du Lac, Kim Soyk of Campbellsport and Kerry (Kevin) Immel of Fond du Lac; a daughter-in-law, Sharon Schwartz of Campbellsport; grandchildren, Bryan, Angie, Scott and Amy Bengel, Erica, Matthew, Jeremy, Michelle (Kevin Carey), Stacey, Michael, Heidi, Julie, Kevin, Dustin, Casey, Kyle and Monica Soyk, David and Kellie O'Laughlin, Tyler, Trevor and Travis Immel, Candie Burns, Sherri Schelvan and Ann Smith; great-grandchildren, Katie Smith, Alexandria Soyk, Avery and Levi Burns and Tianna Bengel; step-grandchildren, Angela, Nick and Chelsea Thorn; step-great-grandchildren, Angela, Nick and Chelsea Thorn; step-great-grandchildren, Kevin, Brenda and Robin Carey; a brother, Royal (Aleita) of Fond du Lac, and other relatives and friends. He is also survived by his special pets, his dog, Fred and Miss Kitty.

Preceding him in death were a son, Merlin; a granddaughter, Christa O'Laughlin, three sisters, Florence Grahl, Mildred Arndt and Ruth Grahl, and a brother, Floyd.

Funeral services were held on Wednesday, July 21,

at 7:30 p.m. at Tabor United Methodist Church, town of Eden. Rev. Nancy Green officiated and cremation followed with interment in Mitchell Cemetery, town of Osceola.

Visitation at the church only was on Wednesday from 4 p.m. until the time of services.

The Twohig Funeral Home, Campbellsport, handled arrangements.

### Kewaskum Fire and Rescue Squad Calls

Thursday, July 15 - The Kewaskum Rescue Squad responded to a call in the Town of Auburn at 2:53 a.m. for a male patient who required transport to St. Joseph's Community Hospital, West Bend, for treatment of weakness and difficulty breathing.

Friday, July 16 - The Kewaskum Rescue Squad was summoned at 6:32 a.m. in the Village of Kewaskum for a female patient who was experiencing chest pain and difficulty breathing. The patient was transported to St. Joseph's Community Hospital, West Bend.

Saturday, July 17 - The Kewaskum Fire Department was dispatched at 1:33 a.m. in the Village of Kewaskum for a female patient who had a wrist injury. The patient was transported to St. Joseph's Community Hospital, West Bend.

Sunday, July 18 - The Kewaskum Rescue Squad responded to a Village of Kewaskum residence at 8:43 a.m. for a female patient who required transport to St. Joseph's Community Hospital, West Bend, for treatment of chest pain.

### Salem UCC Dial-A-Prayer

Dial-A-Prayer continues to provide daily prayers at 626-8747. Any person wanting to start the day with a spiritual attitude and/or end it with a blessing, need only to dial 626-8747.

Prayers for self and others vary daily, lasting only two minutes, but they will put you on the right track spiritually speaking. The Rev. H. David Flegel has received several letters of appreciation by persons who dial regularly.

Rev. Flegel is pastor of Salem UCC Church in Wayne, located at the intersection of Highways H and W. Worship Services at Salem are held every Sunday at 9 a.m. Pastor Flegel invites the neighbors of the surrounding communities to join in DIAL-A-PRAYER daily and Salem's Worship on Sundays.

## Eligibility Requirements for Free, Reduced Price Meals Announced by School District

The School District of Kewaskum, announced its policy for children unable to pay the full price of meals served under the National School Lunch Program. Each school

office and the central office has a copy of the policy, which may be reviewed by any interested party.

The following household size and income criteria will

be used for determining eligibility. Children from families whose annual income is at or below the levels shown are eligible for free or reduced price meals.

INCOME CHART		(Effective from July 1, 1999 to June 30, 2000)		
Size	Annual	Month	Week	
1.....	15,244	1271	294	
2.....	20,461	1706	394	
3.....	25,678	2140	494	
4.....	30,895	2575	595	
5.....	36,112	3010	695	
6.....	41,329	3445	795	
7.....	46,546	3879	896	
8.....	51,763	4314	996	
For each additional family member add:		+5,217	+435	+101

Application forms were given to each family on registration day. To apply for free or reduced price meals households must fill out the application and return it to the school. Additional copies are available at the principals office in each school. The information provided on the application will be used for the purpose of determining eligibility and may be verified at any time during the school year by school or other program officials. Applications may be submitted at any time during the year.

To obtain free or reduced price meals for children for whom households receive Food Stamps or Aid to Families with Dependent Children (AFDC), an adult member needs only to list the names of the school children, give Food Stamp or AFDC case number for each child, sign his/her name and return the application to the school office. Households must inform the school authorities when they no longer receive Food Stamps or AFDC.

For the school officials to determine eligibility for free or reduced price meals of households not receiving Food Stamps or AFDC, the household must provide the following information requested on the application: names of all household members, and the social security number, of the adult household member who signs the application. In lieu of a social security number, the household may indicate that the signer does not possess a social security number. Also, the income received by each

household member must be provided by amount and source (wages, welfare, child support, etc.). Households are required to report increases in income of over \$50 per month or \$600 per year and decreases in household size.

Under the provisions of the free and reduced price meal policy, the District Administrator will review applications and determine eligibility. If a parent or guardian is dissatisfied with the ruling of the official, he/she may wish to discuss the decision with the determining official on an informal basis. If the parent/guardian wishes to make a formal appeal, he/she may make a request either orally, or in writing to: Mr. Larry Fechter, School Board President, N111 Paradise Drive, Kewaskum, WI 53040, Phone 626-2201. If a hearing is needed to appeal the decision, the policy contains an outline of the hearing procedure.

If a household member becomes unemployed, or if the household size changes, the family should contact the school. Such changes may make the household eligible for reduced price meals or free meals if the household income falls at or below the level shown above, and they may reapply at that time.

In certain cases foster children are also eligible for these benefits. If a household has foster children living with them and wishes to apply for free or reduced price meals, the household should complete an application for a family of one or contact the school for

more information.

The information provided by the household on the application is confidential and will be used only for purposes of determining eligibility and verifying data.

In the operation of the child feeding programs, no child will be discriminated against because of race, color, sex, national origin, age, or handicap. If any member of a household believes they have been discriminated against, they should write immediately to the Security of Agriculture, Washington D.C. 20250.

Any questions regarding the application should be directed to the determining official.

### Campus Notes

The spring semester Dean's List honoring 960 UW-River Falls students has been released by Registrar Judy George.

To be named to the Dean's List, a full-time undergraduate must earn a grade point average of at least 3.5 on a scale of 4.0, or midway between an "A" and "B" average. Students earning a 4.0 or straight "A" average numbered 257.

The following area students were named to the list: Sharon A. McWilliams, 9585 Hwy. XX, and Jody M. Schmidt, N612 Forest View Road, both of Kewaskum.

### Kewaskum School District Official Notice Non-Discrimination Statement and Discrimination Complaint Procedure

The Kewaskum School District is committed and dedicated to the task of providing the best education possible for every child in the District for as long as the student can benefit from attendance and the student's conduct is compatible with the welfare of the entire student body.

The right of the student to be admitted to school and to participate fully in curricular, extracurricular, student services, recreational or other programs or activities shall not be abridged or impaired because of a student's sex, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability.

Complaints regarding the interpretation or application of this policy shall be referred to the District Administrator and processed in accordance with procedures established by the Discrimination Complaint Procedure.

#### Discrimination Complaint Procedure

Any complaint regarding the interpretation or application of Kewaskum School District's student non-discrimination policies shall be processed in accordance with the following grievance procedure:

1) Any student, parent or resident of the School District complaining of discrimination on the basis of sex, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability in school programs or activities shall report the complaint in writing to the District Administrator.

2) The District Administrator, upon receiving a written complaint, shall immediately undertake an investigation of the suspected infraction. The District Administrator will review with the building principal, or other appropriate persons, the facts comprising the alleged discrimination. Within 30 days after receiving the complaint, the District Administrator shall decide the merits of the case, determine the action to be taken, if any, and report in writing the findings and the resolution of the case to the grievant.

3) If the grievant is dissatisfied with the decision of the District Administrator, he/she may within 15 days, appeal the decision in writing to the School Board. The Board shall hear the appeal at its next regular meeting, or a special meeting may be called for the purpose of hearing the appeal. In either case, the Board must hear the appeal within 45 days of its receipt. The Board shall make its decision in writing within 15 days after the hearing. Copies of the written decision shall be mailed or delivered to the grievant and the District Administrator.

4) If the grievant is dissatisfied with the Board's decision, he/she may within 30 days appeal the decision in writing to the State Superintendent of Public Instruction.

5) Discrimination complaints relating to the identification, evaluation, educational placement or the provision of a free appropriate public education of a child with exceptional needs shall be processed in accordance with Wis. Stat. Ch. 115, Subch. V and Wis. Admin. Code Ch. PI 11.

6) Discrimination complaints relating to programs specifically governed by federal law or regulation shall be referred directly to the State Superintendent of Public Instruction.

All drivers (and a guest) who helped to promote the sport of racing in any division of the Eastern Wisconsin Stock Car during the 60's through the 80's are invited to attend. The drivers who gave you the thrills and excitement in the early days of the EWSC

Enright Electric tie Sentry II; No Names over Campbellsport Building Supply; Ambush Alley over RT Speed Shop; Mark2 Automation over Hit Your Average; Sentry I over Shluffy's; Herriges Oil over Doyle Construction; Bud's Auto Repair over Gitter Construction; Kettle Moraine Electric over Benson's Hideaway.

Ambush Alley, 11-2; Doyle Construction, 10-3; Sentry I, 10-3; RT Speed Shop, 9-4; Herriges Oil, 8-5; Kettle Moraine Electric, 7 1/2-5 1/2; Benson's Hideaway, 7-7; Enright Electric, 7-6; No Names, 7-6; Shluffy's, 5-8; Gitter Construction, 4 1/2-8 1/2; Bud's Auto Repair, 4 1/2-8 1/2; Campbellsport Building Supply, 4-9; Sentry II, 3 1/2-9 1/2; Mark 2 Automation, 3-10.

49x50: Steve Beisbier, Kelly Rauch; 25x25: Doug Polzean, Steve Beisbier; 24x25: Kelly Rauch, Craig Martin, John Amerling, Charlie Straub, Jerry Boegel, Ron Schrauth, Dick Bartelt, Rick Bartelt, Gary Sina.

will be there for an autograph session during intermission to sign the yearbook or any memorabilia a fan may have from the past.

The EWSC will be the host for the evening's events and the picnic for the drivers is sponsored by: Tecumseh, Miller Power and Equipment of Plymouth, Markwardt Sales and Service from Sheboygan, Goeden's Auto Body and Service from Kewaskum and The Sewing Machine Shop in Sheboygan Falls.

This year there are quite a few honorees. The list of champions throughout the years is like reading the Who's Who of the Eastern Wisconsin Stock Car racing programs. Legends in their own time: Earl Graskamp, Champion at Plymouth in 1961; Carl Kulow, a great competitor in his day, Modified Champion in 1963; Oscar Konen, Sportsmen Champion in 1965; Ken Steffen of Fond du Lac and a well-known driver for many years, Sportsmen Champion in 1968; Ken Painter, Modified Champion in 1971, another name synonymous with the field of racing at EWSC, and Lee Leonhard of Sheboygan, who won the Hobby Stock Championship in 1971.

In 1973 and 1974, the Eastern Wisconsin Stock Car Association had two gentlemen who had "repeats" in their division. Willie Goeden of Kewaskum won the Modified Championship and Steve Edler won the Sportsmen Championship in their "hey-day" at the Plymouth dirt track and at the Francis Creek asphalt track.

Both drivers accumulated more "quick times" in one season, a record yet to be broken at either track. Ken and Willie will be there to sign autographs. Dave

Wilson of Kewaskum, who now owns the restored 1973-74 Modified #1 will have the modified on display. More and more "old stock cars" are being located and restored. There are plans to have seven modifieds on display for this event.

This year there will be a special award given to someone who has never been a champion, but he has always supported the Eastern Wisconsin Stock Car Inc., from the beginning of its formation in 1960 to today.

Russ Waldron has been on the board, rules committee, and has had a modified stock car on the Eastern sanctioned tracks every one of those years. To show gratitude for his years of service and dedication to the organization and the sport of racing, Russ Waldron is the choice for the Appreciation Award for 1999.

Russ has been very faithful and true-blue to the racing organization. He has helped many drivers when they were down on their luck in racing. He would fix up a modified stock car for them to race. If a driver

needed help with parts or tires, Russ was always there to lend a helping hand. This is the first time this award is being given and there isn't anyone but Russ Waldron who would qualify for the inaugural EWSC Appreciation Award. Join in as these local drivers are saluted and celebrate their accomplishments through the years. Russ always has a story to tell and he tells it like it is! Just ask his peers in the EWSC circle.

## Kewaskum Youth Softball

Great weather, fan turnout and some close scores led to another fun evening at the ball diamonds.

RESULTS JULY 14  
Twins 7, Cardinals 6  
Tigers 9, Yankees 5  
Cubs 9, Orioles 7

### STANDINGS

Gust Ins. Twins	4 - 0
Vet. Clinic Cubs	3 - 1
Bartelt Ins. Tigers	3 - 1
Kohn Citgo Orioles	2 - 2
Kew. Chiro. Cardinals	0 - 4
WB Savings Yankees	0 - 4

### HIGHLIGHTS

#### TIGER REPORT:

Jamie Juers reached base all three times at the plate and gave a great showing at second base defensively, and Ben Schultz matched Jamie's effort at the plate and did a super job in right center, leading to the win over the Yankees.

#### ORIOLES REPORT:

Time was not on our side. After starting slow, the Orioles made a valiant comeback attempt. Jenny Koth had two RBI's in the third and Bryan Daggett had a clutch hit in the sixth, accounting for additional RBI's.

#### TWINS REPORT:

The Twins victory was highlighted by outstanding defense. Katie Van Ess had a standout showing at second base. Ryan Brothen and Adam Jung teamed up for some super action at the plate.

#### CARDINAL REPORT:

Good team hitting led by Ben Westerman's homerun made for a close game and a tough loss.

#### YANKEE REPORT:

Ashley Grissman went 4-4 at the plate in the loss to the Tigers. Corin Groth gave it her all to retire a Tiger on a pop foul behind the plate. The coaching staff proudly reports there were no overthrows.

#### CUB REPORT:

In another close game, the McKay family had a notable game. Cory McKay played it safe in a tight situation and opted for a single and without chancing the extra base. Mindy McKay made the catch on a pop fly to secure the win.

# Morgan Claims Miller Lite Nationals Title

By Daryl Schultz

Conrad Morgan, Waukesha, took home the Larry Detjens Trophy as overall champion of the 1999 Miller Lite Nationals, Monday night, July 19 at the Slinger Super Speedway.

Morgan earned a win in the nightcap of the Twin 100 lap late model feature. That, along with his second place finish in the first 100 lapper, propelled him to the overall title at the World's Fastest 1/4 Mile Oval.

An out of breath Morgan exclaimed, "Finally," as he accepted congratulations in a post-race interview with track announcer Todd Behling. Asked if this title would cap his career, he continued, "I want to win this again next year." He went on to thank his crew for all their work, and congratulated both Lowell Bennett, Neenah, and Al Schill of Franklin on their great runs.

Morgan would take the lead from polesitter Lowell Bennet as the two separated themselves from the rest of the field. Morgan showed the way over the last 39 laps after he used a backmarker to make the pass on Bennett. Following Morgan and Bennett, were defending Miller Lite Nationals champion, Tony Strupp of West Bend, in third, Matt Kenseth of Cambridge, fourth, and Cindy Peterson of Butler, fifth.

Morgan took advantage of a lap car to make his way around Bennett, working lap 61. As the pair moved up on a trio of lap cars, Morgan turned down, forcing Bennett behind a slower car, giving Morgan the break he needed.

Once around Bennett's ride, Morgan relegated Bennett to the same treatment that Bennett showed Morgan for the previous 60 laps, following in his tire tracks. The two cars were equal, so equal that once in front, second place could not get around the leader.

Strupp showed signs that he could run with the leaders, but fell too far behind them in the early stages of the race. He kept visiting NASCAR Busch Grand National driver Kenseth, behind him after the second of two cautions jumbled the top five just 15 laps from the end.

Brad Mueller of Random Lake was battling with Strupp for third when his left rear tire started going down, causing him to spin in front of Kenseth and Peterson. As a result, Mueller gave up the spot and pulled off the track for repairs, while Kenseth and Peterson looked to move up and challenge Strupp.

The checkered flag would

fall before any serious attempts were mounted. Other visiting drivers in competition included NASCAR's Dick Trickle of Iron Station, North Carolina, finishing sixth; Ken Schrader of Concord, North Carolina, 14th; Rick Bickle, Edgerton, 21st; and Hooters Cup driver Scott Wimmer of Wausau, 22nd. Bennet was awarded the \$200 bonus for leading lap 50 for the Mac Tools Half-Way Challenge.

In the initial of the two 100 lap features, Schill proved to be in a class by himself. After starting eighth, he motored into the lead on lap 12, and pulled to a five-and-one-half second win on the high banked oval. Following Schill's rocket ship in the top five were Morgan, Mueller, Bickle and Bennet.

Schill drove his car inside or outside as he diced up the field leaving only five cars on the lead lap, a decided advantage for Schill, since only the cars on the lead lap get inverted for the second 100-lapper. As Schill raced into a different area code, the race for second heated up as the laps wound down.

Morgan eventually overtook Mueller just nine circuits from the finish, after Mueller tallied 60 laps in the runner-up position. The race ran the entire 100 laps without experiencing a caution.

Kenseth wound up sev-

enth, with Schrader again ending up 14th, Trickle finishing 21st, after a fender rub caused his right rear tire to deflate and Wimmer wound up 22nd. Schill pocketed the \$200 bonus for the Mac Tools Half-Way Challenge by leading at the midway point.

In a short interview after the race, Schill commented on his car, "The thing just was... from start to finish... it just stayed the same... it never went away. It was beautiful. My son was with me all the way, that was for him. Everything I'm doing is for him. He rides with me all the time, especially tonight."

Schill was referring to his son, whom he raced with and against, who died this past March at only 24 years old. When asked about the second 100, he responded, "I'm ready right now. Just gas it up. Let's go."

Kenseth took advantage of a late caution on lap 29 of the qualifying race to earn the checkered flag. Kenseth made his way around Peterson working lap 33, driving under Wisconsin's only female late model driver, just three laps from the end.

Kenseth moved up from his 13th starting position, into the top five by lap 13, and eventually to the runner-up position on lap 28. Peterson's two second advantage was erased when the third and final caution flag flew, allowing Kenseth

the break he needed.

Kenseth noted that he was celebrating his 10th year of racing at the Slinger Speedway, starting when he was only 17 years old. The top eight finishers transferred into the Twin 100 lap main events for the night.

The hardest charger of the qualifier was Jamie Wallace of Pell Lake. Wallace got caught up in one of the earlier cautions, had to pull off for repairs, only to fall in at the end of the line. He worked his way into the final transfer spot, minus his hood.

Scott Lindsay of Dousman took home the checkered in the 35 lap late model semi-feature. Rounding out the top five in the caution-free event was Matt Raudabaugh of Menomonee Falls, Scott Schoeni of Slinger, Randy Schuler of Mequon and Fred Winn of Milwaukee. Lindsay earned the \$200 bonus of the Mac Tools Half-Way Challenge by leading lap 18 of the semi-feature.

Schill also claimed the ten-lap Miller Lite Trophy Dash. Schill and Mueller broke away from the six pack of cars that made up the field of the highest qualifiers for the Mid-Summer Special. Mueller challenged

Schill both on the low and high sides, but the veteran Franklin driver held him off, crossing the line less than a car length ahead. Morgan timed in fastest with a 11.770 second tour of the Slinger Super Speedway.

Al Schill, pulling double duty driving in both the late model and modified divisions, as he does on regular Sunday evenings, started from inside the last row to score his third victory of the evening, as he crossed the line four seconds ahead of Brian Holtz of Franklin in the Midwest Modified feature.

Schill worked his way into the top five by the fifth lap, after starting the race in the 11th position. Larry Reihbrandt of Wauwatosa led until lap 16 when his car got loose coming off the second corner. Schill took advantage, moving into the lead and never looked back. The battle for the remaining top spots, was a hard fought battle between second place finisher Brian Holtz and third place Dennis Prunty, with Reihbrandt and Florian Wisinski of Greenfield rounding out the 30 lap modified feature.

# Indians Advance in State Baseball Tourney

The Indians traveled to Fredonia on Friday, July 16, and came away with a 4-2 victory. They used a four-run fifth to eliminate the Ozaukee Warriors from the 1999 WIAA State Tournament.

Ozaukee took an early lead over Kewaskum with a single run in the second. Catcher Pat Nowak singled to right to start the inning. He moved to second on an infield nubber back to the mound. Andy Rittman singled to center but Kewaskum's centerfielder Jason Strobel's throw to the plate was just late in an attempt to throw Nowak out.

The Warrior's second run

came one inning later when Eric Gutbrod walked, advanced on a passed ball, and then scored on a single by Chris Linstrom. But that was it for Ozaukee as sophomore Bobby Ogi only allowed three players to reach base in the last four innings. Ogi pitched the entire game striking out six and walking two, spreading six hits over the seven inning attack, with multiple hits allowed only in the second inning.

Ogi was also the ignitor in the Indian fifth, drilling a double to the left field fence. Adam Donath followed with a walk. Jason Calliari bunted for a base hit to load the

bases with no one out.

John Immel then smashed Ozaukee's Chris Linstrom's first pitch to him for a line drive single over the second baseman to score Ogi and Donath, tying the game at 2-2.

A wild pitch by Linstrom allowed Calliari to move to third and Immel to second. "C" then plated the third run on a single down the third base line by Eric Wenninger, moving Immel to third. Jason Strobel followed with a sac fly to deep left to score Immel.

Kewaskum threatened again in the sixth on a Donath double on one out.

After an infield out, Immel walked to put runners on first and second. But a good play by the Warrior's third baseman ended the inning.

The Indians now advance in the Cedarburg sectional where they played Slinger at Slinger on Tuesday, July 20. The winner of that contest will travel to Cedarburg for the sectionals on Friday, July 23, with games at 10:30 a.m. or 1:30 p.m. and those two winners will play at 5 p.m. for a trip to the State Finals in Stevens Point.

Immel to score six runs. Immel struck out six and walked two.

Kewaskum could muster only two runs on three hits, both scoring in the second inning on two of the hits. Adam Donath led off the inning by reaching on an error, but was caught stealing for the first out. After a strike out, John Immel singled. Batter number three, Chris Canter, reached on a strike out error by the Chilton catcher. On the play Immel moved to third. With Jason Strobel at the plate, a wild pitch allowed Immel to score and Canter to move to second. He then scored on a Strobel single to right center.

This loss dropped the Indians to 1-8 for a fifth place finish in the 1999 Eastern Wisconsin Conference.

## Rams Use Comeback To Defeat Indians, 12-8

In a non-conference tilt against the Random Lake Rams on Wednesday, July 14, Kewaskum took an 8-1 lead into the sixth inning. With both teams resting their number one pitcher for Friday's start of the state tournament, bats went wild. Random Lake took their turn in the sixth, scoring six runs, then scored five more in the seventh to down the Indians, 12-8.

Kewaskum's Brad Vetter pitched the first two and two-thirds innings, giving up a home run to Luke Hagel in the third for his only run. After two strikeouts and five walks, Vetter tired and gave way to Eric Wenninger, who pitched the next two and two-thirds innings, striking out two and walking one.

Wenninger gave up three runs on one hit. Jason Calliari pitched the next one and one-third giving up eight runs on five hits, one strikeout and three RBI's. Billy Cook registered the last out for the Indians.

Nine walks and three errors, along with the 10

hits allowed 22 Rams to reach base. "It's hard to win when 22 players reach base," commented Head Coach Mark Heise.

The Indians pounded 11 hits of their own, with Eric Wenninger going 4x4 with three RBI's. John Immel was 3x4 with one double. Brad Vetter was 2x4 and Andy Luedtke and Chris Canter each added singles.

The Indians overall record heading into tournament play on Friday, July 16, against Ozaukee is 12-12.

## In the Service

Army Reserve Pvt. Jason J. Waldschmidt has graduated from basic combat training at Fort Knox, Kentucky.

During the training, the trainee received instruction in drill and ceremonies, weapons, map reading, tactics, military courtesy, military justice, physical fitness, first aid and Army history and traditions.

Waldschmidt is the son of John P. Waldschmidt of 520 Red Wing Court, Campbellsport, and Cheryl K. Rostilen of Sheboygan.

He is a 1995 graduate of Campbellsport High School.
