Renovations at Holy Trinity Nearing Completion

Shown above is a rear view of the renovations made to Holy Trinity church. The new, attractive carport provides a handy dropoff point to parishioners during inclement weather.

By Laurie Ottery

Holy Trinity parish is filled with history. There is the start of the church in the 1800's and includes many vows of marriage, blessings in baptism and parishioners sharing prayers in the celebrations of life and the trying times of death.

Over the years, circumstances have caused many changes, some unexpected, but families and friends continued to join together worshipping in the House of the Lord. It was that dedication and continued support that has brought about a major renovation of the church.

The official date of the founding of Holy Trinity parish is uncertain. In the publication, "History of the Catholic Church in Wisconsin," the first church was built in 1861. The deed for the transfer of the lots to the St. Trinity Society is dated August 4, 1862. The "History of Washington and Ozaukee Counties, Wisconsin, 1881" supports the later date.

Nevertheless, the Kewaskum congregation built the first church. It was a medium-sized brick church on two lots given to the congregation by Mathias and Therese Altenhofen. In 1868 Holy Trinity became an independent parish with the arrival of its' first resident pastor, Reverend John

Mueller.

On March 26, 1904 Father F. R. Gromme and the congregation requested sealed bids for the building of a new church. The project suffered setbacks because both then and on April 9 of that year, the bids received were too high.

Father Gromme passed away on May 19, 1904 following an illness of six months. In November of that year, the bids once again were reopened. George Boll, of Manitowoc, was awarded the contract for \$12,200. In January of 1905 it was learned that Father Gromme had willed \$500 to the church.

In March of 1905 work began on tearing down the old building and services were held in the school hall. L. Rosenheimer received the contract to provide the lime and cement necessary for the job. By May, the masons began putting in the foundation for the basement. Excessive rains caused many delays.

On June 18, 1905, the cornerstone was laid. As work continued, roof trusses were put in place and the brickwork was completed. It took until October of that year for the masons to complete their portion of the job.

The church was consecrated on Tuesday, March 27, 1906. The 48x105 foot Gothic style church was built of Kewaskum brick.

The total cost of the building and furnishings came to \$22,691.17. With over \$23,000 raised in cash, pledges and many donated items, the congregation was debt free in their new church.

Over the years, maintenance, other improvements and renovations took place. In September of 1906, a sidewalk was laid between the rectory and the church. By late February of 1907, electric light fixtures were installed.

In January of 1926 the congregation voted to build an addition to the convent, renovate the school and redecorate the interior of the church. Improvements included moving the kitchen out of the basement and up to the main floor, putting in their first bathroom and fixing up the living room. An upper portion was added for more bedroom space with washrooms.

A two-day bazaar was held with some of the food being cooked on kerosene stoves brought to the church and set up on the hall stage.

During the years of the depression, material progress came to a halt. The necessary maintenance work could not be done and the buildings began to deteriorate. Members of Holy Trinity put a new ceiling in the school hall in January of 1938. A steam boiler fur-

School Board Puts Building Referendum on Fall Ballot

By Andrew R. Kuehl
Staff Writer/Photographer

The Kewaskum Board of Education finalized plans Wednesday evening to put a \$12 million building referendum on the upcoming fall ballot.

The board decided unanimously to put aside personal agendas and other improvement needs of the district and focus in on elementary education. They also agreed not to re-open Beechwood, include a swimming pool or an auditorium or gymnasium.

The tentative items on the referendum will include the building of a new Kewaskum Elementary School to be built on the site of the existing school, a new gym, instructional media center for \$7.7 million, a six classroom addition at Farmington Elementary, a media center, storage area for \$2.36 million, an addition of

two classrooms at Wayne elementary for \$1.1 million, and a new district office on its present site for \$315,000.

The projected cost at WES and FES will be lowered as work has already been completed there since the last failed referendum.

"Based on the 1999 equalized valuation of the school district and the preliminary State aid estimates from the Department of Public Instruction, the District could fund a \$12 million referendum without an increase in the Fund 30 tax rate for the next calendar year. The current mill rate for the district will drop \$1.26 per thousand of equalized value based on both the Fund 10 and Fund 30 budget. This \$12 million referendum would equal the expected drop in the mill rate for the proposed 1999-2000 budget," said Business Manager, George Allman.

And Then... There Were 20!

Ten people can now breathe much easier, however, 20 are still sweating profusely, as voting closed and ten candidates (much to their delight, I'm sure) were eliminated from the Kiss-the-Pig competition.

A last minute flurry of dollar bills from pig-kissing fans across the nation brought two of our alumni right back into the ball game.

Time constraints require me to hold my nasty tongue for this week, and believe me this isn't easy. But next week, look out. I'll be sitting through my son's adenoidectomy and my little mind will be working double overtime. I think it's time to sit down and interview our pig and find out just how that poor thing is faring and adjusting to all this notoriety.

Before too much further ado, let me add we have not

a minute to rest. Voting must continue. On September 11, ten more of our favorites will be eliminated. Then the going gets tough... not just for the pig either!

Well then there now, unless you don't care if your candidate gets defeated, you must keep sharing those dimes, quarters and dollars. I won't release any vital national secrets, however, I will reveal three candidates are leading the pack, but with the right amount of voting, I can smell an upset!

Also, we will be putting another voting board up at Kewaskum Mobil for local voters and will be taking a "special" voting cannister down to WBWI/WBKV for their listener's convenience. That means you can vote at numerous places now, so there is absolutely no excuse!

ANYONE can also send
(Continued on Page 5)

Holy Trinity

(Continued from Page 1)

nance was purchased in 1942 because it was believed the old one was a fire hazard.

Many other improvements, including repairing windows, adding storm glass, building a garage and making repairs to the rectory and the school. It took until early 1945 to clear all debt for the improvements made over the past five years.

The congregation continued to grow with new families. Enrollment in the school prompted the decision to build a new school. The facilities would provide space to better teach the young members of the church. In May of 1950 ground was broken for the school.

Many pastors have served the congregation since the first church in the 1800's. Some stayed longer than others did. The members of Holy Trinity reflected on the past and all the achievements as they planned for the latest project. The plans were to make all of the renovations needed at one time.

The parish undertook a major restoration/decoration of the church starting in February of 1986. It was completed in time for the 125th Anniversary celebration on Trinity Sunday, May 25, 1986. At that time the handicap accessible entry was discussed, but not pursued. Father Robert Berghammer was the pastor.

In 1994, a Building Committee was formed to discuss the needs of the parish, in particular, the need to make the worship accessible to all. Plans were drawn up and the membership was presented with the details at small group gatherings in parishioner's homes. April 14, 1996 was Commitment Sunday with parishioners pledging toward the project, "Build a Path to Christ." Father John Brophy was the pastor.

Not able to start in June of 1996 as planned, the project was put on hold as the archdiocese asked all parishes to delay any building projects not yet started so efforts could be concentrated on implementing the mergers that were being looked at and proposed.

Father Mark Jones joined the congregation in February of 1998. He brought with him, not only his devotion to the Catholic faith, but a sense of stability and the will to put forth the renovation project much needed at the church.

Holy Trinity merged with St. Bridget's, Wayne, and St. Matthias, Auburn, as of June 30, 1998.

"Although the merger was painful for some, our total parish has flourished," said Father Mark. "Because of the combined talents and

gifts of the three parishes, we have become a more vibrant community serving a larger geographical area."

"The remodeling ideas were already in place and many members continued to donate even though the project had been on hold," said Patty Geidel, parish secretary. "When Father Mark looked at the plans he suggested a few changes, like adding on to the east side instead of the originally planned west side. His insight was that when the project was complete, it would look more natural, like it had always been there."

"We are very excited about the renovation being done at our church," stated Father Mark. "It has been a tremendous effort supported by the people of the community. They deserve the credit for keeping up on their pledges and being committed to making this a success."

The new addition provides an entry/exit directly to the parking lot with no

steps. The carport enables people to be dropped off at the door and under a roof in inclement weather. Handicapped parking will be close to the door.

Upon entering the double set of doors, the Priest Vesting Room and a furnace room are on the left. On the right are a coatroom and an elevator entry. The elevator will service all levels. If you proceed straight there are the stairways that go down to the lower level or up to the Narthex, where the original Holy Trinity Statue is enshrined. (A Narthex is a gathering space.)

When you go up, whether by stairs or the elevator, you will enter the Narthex. This area leads through an open arch directly into the church. The archway space is where a large stained glass window with a guardian angel on it was once located. The window was very large and was carefully removed.

Parishioner Mike Nigh built a new frame for it. He had the help of many members in lifting and turning the frame in his shop. Preserving the window was of importance to many members. The window is now located to the new east wall.

"You get this overwhelming awesome feeling with walking into this spacious addition," said Patty. "It will make worshipping easier for everyone. The covered driveup entrance in the back will be welcomed during inclement weather and the elevator makes accessibility easier for everyone."

"I am very proud of the community and the hard work that went into this project," said Father Mark. "Many people have given, not only money, but hours of time to make this a success. Much of the brick used on the addition is reclaimed cream city brick; some from a house that was torn down

when the West Bend Savings Bank was built on Fond du Lac Avenue. The brick was taken to land of one of our parishioners. On Saturdays, people gathered to donate their time chipping off the mortar, cleaning up the brick and preparing it to be reused on the church."

Families and friends of the church, have made this renovation a community effort. Holy Trinity has a new look, filled with ideas, love, devotion and commitment for more positive history in the future.

A pictorial will be published when all renovations have been completed.

Social Fest Saturday

Your evening is planned... delicious food, ice-cold refreshments, delightful conversation, laughter, prize winning anticipation, outstanding raffles, fun games and musical entertainment.

The time is near for Holy Trinity Catholic School's fifth annual Social Fest set for Saturday, August 28, from 4 p.m. until midnight at River Hill Park in Kewaskum.

Diligent, enthusiastic members of the Home and School Association are making final preparations for this end-of-the-summer event. Advance tickets are still available in Kewaskum at Sentry, Kewaskum Frozen Foods, Herriges Oil, Video Post, K-Town Saloon, Holy Trinity School or by calling Diane at 626-4850 or Gary at 338-2169.

Your \$25 ticket includes a grilled chicken half, baked potato, a variety of salads, steamed corn-on-the-cob, dinner roll, coffee, milk and dessert. Dinner will be served from 4 to 8 p.m. Also included with your ticket purchase is all the soda, beer and/or wine coolers for the night and automatic entry for cash drawings with the top prize being \$5,000 based on the sale of 1000 tickets. Additional cash drawings will be held during the evening. You do

not need to be present to win the cash drawings.

Generous area businesses and individual donations add a lot of interest to the evening in the form of free door prizes and a number of outstanding bucket raffle chances. Those attending will be musically entertained by the *Sunrays* from 8 p.m. until midnight.

This talented six-piece member band will play a large variety of music including rock 'n roll, jazz, country, polkas, 60's, 70's and 80's. These professional musicians are from the Kewaskum area.

Len Soler is the lead singer and plays guitar; Roger Mertz plays bass and vocal; Eric Christie is on the

drums; Dave Bertelsen plays keyboard and vocal; Jim Hammen plays guitar and also does vocal and Steve Soller plays saxophone and adds other woodwind instruments as needed.

It's not too late to be a part of Social Fest 1999! Purchase your ticket and join in the fun at River Hill Park in Kewaskum on Saturday, August 28!

The name of the halibut fish comes from the word holy since it was widely used as food on Christian holy days.

Kiwanis Turkey Shoot Set for Sept. 12

The Kiwanis Club of Kewaskum has announced its Turkey Shoot will be held on Sunday, Sept. 12. It will be at the New Fane Sportsman's Club grounds, four miles north of Kewaskum on County Trunk G in the beautiful Kettle Moraine.

This year's event will feature a firing line, golf/drive and putting green, trap shooting, archery, compound bow shoot, football kick, dart shoot, and chil-

dren's games. Hot and cold beverages and food will be available. Cookware closeouts will be on sale. Raffles will be held throughout the day for turkeys and sausages.

Tickets will cost \$4.00. Each ticket consists of five coupons which can be used at any event. They may be purchased by mailing your check, payable to Kiwanis Club of Kewaskum, P.O. Box 68, Kewaskum, WI 53040.

Proceeds will benefit area youth activities.

It's far better to forgive and forget than to resent and remember.

Kewaskum Fire and Rescue Squad Call

Tuesday, August 10 - The Kewaskum Rescue Squad personnel were summoned to the Town of Farmington at 5:12 a.m. for a male patient who was experiencing difficulty breathing. The patient was transported to St. Joseph Community Hospital, West Bend.

Wednesday, August 11 - The Kewaskum Fire Department responded to a fire call at 5:50 p.m. at a Village of Kewaskum business. Smoke was located in the basement of the building. Firefighters were at the scene for approximately one hour.

Wednesday, August 11 - The Kewaskum Rescue Squad and Kohlsville First Responders were dispatched at 9:17 p.m. in the Town of Wayne for a male patient who was injured in a fall. The patient was transported to St. Joseph's Community Hospital, West Bend.

Monday, August 16 - The Kewaskum Rescue Squad was summoned at 12:45 p.m. to a Town of Farmington residence for a male patient who suffered a shoulder injury. The patient was transported to St. Joseph's Community Hospital, West Bend.

Tuesday, August 17 - The Kewaskum Rescue Squad personnel responded to a call in the Village of Kewaskum at 2:20 a.m. for a male patient who was experiencing abdominal

pain. The patient was transported to St. Joseph's Community Hospital, West Bend.

Wednesday, August 18 - The Kewaskum Fire Department was dispatched at 10:32 a.m. to a Village of Kewaskum business where smoke was detected in the building. Firefighters were at the scene for approximately one hour.

Thursday, August 19 - The Kewaskum Rescue Squad responded to a call in the Village of Kewaskum at 11:19 a.m. for a male patient who experienced loss of consciousness. The patient was transported to St. Joseph's Community Hospital, West Bend.

Thursday, August 19 - The Kewaskum Rescue Squad was summoned to a Village of Kewaskum residence at 12:02 p.m. for a male patient experiencing abdominal pain. The patient was transported to St. Joseph's Community Hospital, West Bend.

Thursday, August 19 - The Kewaskum Rescue Squad responded to a call in the Town of Auburn at 12:59 p.m. for a male patient experiencing shortness of breath. The patient was transported to St. Joseph's Community Hospital, West Bend.

Saturday, August 21 - The Kewaskum Rescue Squad was summoned at 12:13 p.m. in the Town of Auburn for a female patient who had fallen. The patient was transported to St. Agnes Hospital, Fond du

Lac. Sunday, August 22 - The Kewaskum Rescue Squad and the Jaws of Life responded to a motor vehicle accident in the Town of Farmington at 1:57 p.m. A female patient was transported to St. Joseph's Community Hospital, West Bend, for treatment of injuries she received. The Jaws was not needed.

Artists/Crafters Needed

The Partners of St. Joseph's Community Hospital of West Bend, formerly known as St. Joseph's Community Hospital Auxiliary, are accepting applications for the 25th Annual Magic Marketplace. The event will be held Sunday, October 3, 1999 from 10 a.m. to 4 p.m. at a new location.

Our new home at the Washington County Fair Park Pavilion will offer 100 exhibitors the opportunity to sell their hand crafted items to the large number of shoppers that attend every year. Artists and crafters can receive more information by calling Toni Owens at 335-0404, or by faxing your request to 335-6998.

The busiest international telephone route is between the United States and Canada.

Weddig Family Reunion Held

This year the John and Magdalene Weddig Family held their annual reunion for the 52nd time.

After the death of John Weddig, the eight remaining children started the yearly family gathering, in an attempt to hold the families together. The eight included Edward (Rose), Henry (Hattie), Fred (Lucille), Otto (Ruth), Art (Ella), Molly Schroeder, Lillian Kuester and Evie Jansen.

The reunion originated on the Molly Schroeder farm. For a time it was held at River Hill Park in Kewaskum, and now is held at Kiwanis Park.

There were 140 family members present this year, ranging in age from under one year to 88 years young. Family members traveled from Colorado, Illinois, Massachusetts, Michigan, Missouri, and all parts of

Wisconsin.

Ed Weddig, Jr., renowned fisherman and chef, did his usual excellent job of feeding everyone with the fish he caught in Northern Wisconsin. The Hank Weddig family won the traveling trophy for the volleyball competition. Vicki Jansen Menefee's daughter, Amy, from Colorado, won the children's relay race.

The White Elephant Bingo game is always enjoyed by everyone. Building your own ice cream sundae was the most creative fun for all.

A special thank you to Judy Webster for the photo display, followed by a memorial service, remembering all deceased Weddig family members.

The date has been set, plans are already being made and all family members are looking forward to August, 2000 and yet another Weddig reunion!

London's Big Ben is named after Sir Benjamin Hall, the Chief Commissioner of Works when the bell was cast.

Schicker - Vorpahl

Marriage vows were exchanged between Dawn Denzye Schicker and Jeffrey Richard Vorpahl, during a June 26, 1999 ceremony at the Kewaskum Kiwanis Park.

Parents of the couple are Dora and Manly Zillmer and Teresa and John Vorpahl, Sr., both of West Bend.

The maid of honor was Lisa Borlick, friend of the bride, and the bridesmaids were Donna Mae Crass and Sherry Vorpahl and the flower girl was Autumn Grace Vorpahl, daughter of the bride and groom.

Lawrence Vorpahl, brother of the groom, served as best man, and John Vorpahl, Jr. and Thomas Vorpahl were groomsmen.

Giving away the bride were her children, Montana, Matthew and Michael Schicker. Ushering duties were shared by Kyle, Tyler and Brent Vorpahl, nephews of the groom.

Vocalists were Renee Wegner and John Vorpahl, Jr. A reception followed at the park.

The bride graduated from Slinger High School and also graduated from Moraine Park Technical College and is employed at the General Clinic, West Bend, as an LPN.

The groom attended Kewaskum and West Bend East High Schools and is employed at Ataco Steel Products, Cedarburg.

The newlyweds reside in Kewaskum.

Serigraph Celebrates 50th Anniversary

Advanced Technologies Key to Company's Success

Serigraph's new automotive graphics plant which also houses the decorating technologies institute and corporate headquarters.

WEST BEND - Serigraph, Inc., headquartered in West Bend, recently celebrated its 50th year as one of the leading manufacturers and marketers of industrial screen and offset printed graphics in the United States.

The company which specializes in plastics decorating, marked the event this month with a festival at the company's international headquarters and the release of a book outlining its history and philosophy.

"We are extremely proud of the success we've experienced during the past five decades and we look forward to another 50 years of continued growth," said John B. Torinus Jr., chief executive officer, Serigraph. "We're also equally proud of the significant technological strides we've made over the years, which have allowed us to provide customers with the innovative solutions they need to succeed."

Serigraph, founded by an entrepreneur in his garage, currently operates five plants in West Bend and a sixth operation in Queretaro, Mexico. The company's 1,100 employees produce decorative graphics for a variety of products in the automotive, appliance, electronics, computer, outdoor power equipment, point-of-purchase (POP) display, marine and recreational industries. This year, Serigraph launched a major initiative to increase its position as a leading supplier to the medical equipment industry.

Serigraph has experienced strong growth in recent years. To accommodate company-wide expansion, the firm moved into a new 167,000 square-foot headquarters facility in 1997. The building also houses the firm's Decorating Technologies Institute, which is the focal point of Serigraph's research and development group, and its

automotive graphics operation. In 1998, the company also completed work on the 22,000-square foot expansion of its Queretaro operation. All told, the company serves customers in 30 countries.

Torinus attributes Serigraph's longevity to a number of factors, including the development of advanced printing technologies, such as Serillusion TM, a patented process designed to create greater visual impact for customers in POP, packaging and consumer product markets. Torinus said a commitment to quality and

ingenuity is the backbone of its new product development achievements.

"We realized early on that in order to be successful in the highly competitive industrial screen and offset printing industry we simply needed to become an integral part of our customer's product development process," said Torinus who authored the book, "The Spirit of Serigraph," to commemorate the 50th anniversary. "It's a strategy that has improved the outcome of our customers' products -- and one that we're confident will help guide Serigraph's

continued success for many years to come."

Serigraph's services and capabilities include screen printing, offset lithography, heat transfers, in-mold decorating, forming, stamping, die-cutting and embossing. For more information, call (414) 335-7200 or 1-800-279-6060 or write P.O. Box 438, West Bend, WI 53095 or visit the company's web site at www.serigraph.com.

Birth

KOHN -- A son, Levi Christopher, was born to Julie and Christopher Kohn, Fillmore, on August 18, 1999. Paternal grandparents are Judi Kohn and the late Roy Kohn Sr. Maternal grandparents are John and Marge Hauch, and the late Donna Hauch. Levi joins one brother Dakota John, 3, at home.

Washington County 4-Her's Attend Madison Conference

Pictured above are the Washington County 4-Hers that attended the 1999 Wisconsin 4-H and Youth Conference on June 14-17, 1999. From left to right, first row: Rachel Rodenkirch, Amanda Burg, Amanda Jesowshek. Second row: Mike Kohler, Amanda Kirsch, Tricia Brath, Wendy Rahlf, Kirsten Krudwig, Pam Kescenovitz. Third row: Christine Burg, Rebecca Mahan, Sandra Schaefer, Jenny Adkins, Stephanie Briggs, and Maggie Kiselicka. Not pictured: Nattie Hineky-Art team delegate; Barb Hineky - Art team advisor, Brendon Weinhold - Drama Co. delegates, and Wes Weinhold - Drama Co. Adult leader.

On Monday, June 14, 1999, 13 4-Her's and two chaperones, Christine Burg and Pam Kescenovitz, from Washington County attended the 1999 Wisconsin 4-H and Youth Conference with 4-Her's from all over Wisconsin.

The conference took place in Madison, on the campus. The delegate attended the conference to learn about Madison, to understand college life, to learn more independence, meet new people and learn new and exciting things to share with their clubs.

Club leaders nominated the delegates that were 14 and older that they felt would enjoy the conference and then the delegate was to fill out some forms about the projects and activities they did in 4-H throughout the past few years. After the forms were turned in each delegate attended an interview. Then, the committees at the 4-H office chose which delegates were going to attend the conference.

At the conference each delegate stayed in a dorm with one other delegate. The delegates stayed at Witte Hall. The boys stayed in one section and the girls in the other. The conference was from Monday, June 14 to Thursday, June 17.

Tuesday and Thursday all delegates attended sessions of their choice. The sessions ranged from tours to wind surfing and canoe-

ing. Some sessions lasted all day so people in those sessions only had one session a day. Everyone else had two sessions a day, one before lunch and one after lunch.

Throughout the day everyone had free time. During free time, there were activities that were available such as Cyber Cafe. At Cyber Cafe, you could go on the Internet and explore. There were volleyball games and other sports. There was also the option of just talking, meeting new people and playing card games or some people even walked to State Street in a group. At night there was a DJ dance on Monday, Karaoke on Tuesday and a retro DJ dance on Wednesday.

Every day an assembly was held at Mills Concert Hall. On Monday, Paul Wesselmann talked to the group about leadership and on Tuesday, Pat De Perry spoke of her tribal life and the drama club performed "Keep It Real." Wednesday delegates put on a talent show and the Show Case Singers sang for the group and on Thursday the photo team showed their slide show of all the pictures they took of the delegates during the conference and then Isaac and Joseph sang of love, friendship and racial belonging.

The groups that attended the 1999 Wisconsin 4-H delegate conference could all agree that they had fun and

learned many more new things and met new people. The delegates from Wash-

ington County would like to thank their donors and chaperones.

Drivers Needed for Meals on Wheels

People who like to drive and want to help others are invited to become volunteers for the Meals on Wheels program, which provides hot, nutritious meals for homebound residents of West Bend.

Laura Mintz, manager of food and nutrition services at St. Joseph's Community Hospital of West Bend, which prepares the meals, said volunteer drivers perform an important service by bringing warm meals and friendly faces to recipients' homes. Drivers pick up the meals at the hospital and, using their own cars, deliver them to recipients' homes between 11 and 11:30 a.m. each weekday.

Volunteers may sign up to drive once every other week or more often, and should have their own car. People interested in becoming Meals on Wheels volunteers should call Mintz at St. Joseph's Community Hospital, 334-8383.

Sponsored by your local AAA club

Statesman Human Interest Reporter and Family Takes Trip to Dells and Comes Back Amazed

A Late Summer Trip to Dells Has Much to Offer Travelers

The Mir Space Station is one of the newest attractions at the Dells and it can be found as part of the Tommy Bartlett Robot World and Exploratory.

Robot World offers many "hands-on" activities for young and old alike and is one of the most popular educational places to visit in the Dells.

By Laurie Ottery
Staff Writer/Photographer

Going on vacation, whether it is for one day or a whole week doesn't have to mean traveling far away to find things to do. Residents of Kilbourn City renamed their town the Wisconsin Dells in 1931 in hopes of attracting tourists to the area. The Wisconsin Dells/Lake Delton area has become the Midwest's most popular vacation spot hosting nearly three million visitors annually.

The summer season kick-off includes a classic car show and the country's most popular hot air balloon rally event. Contrary to popular belief the Dells area does not close up after Labor Day. While some of the outdoor waterparks and the ever-popular Tommy

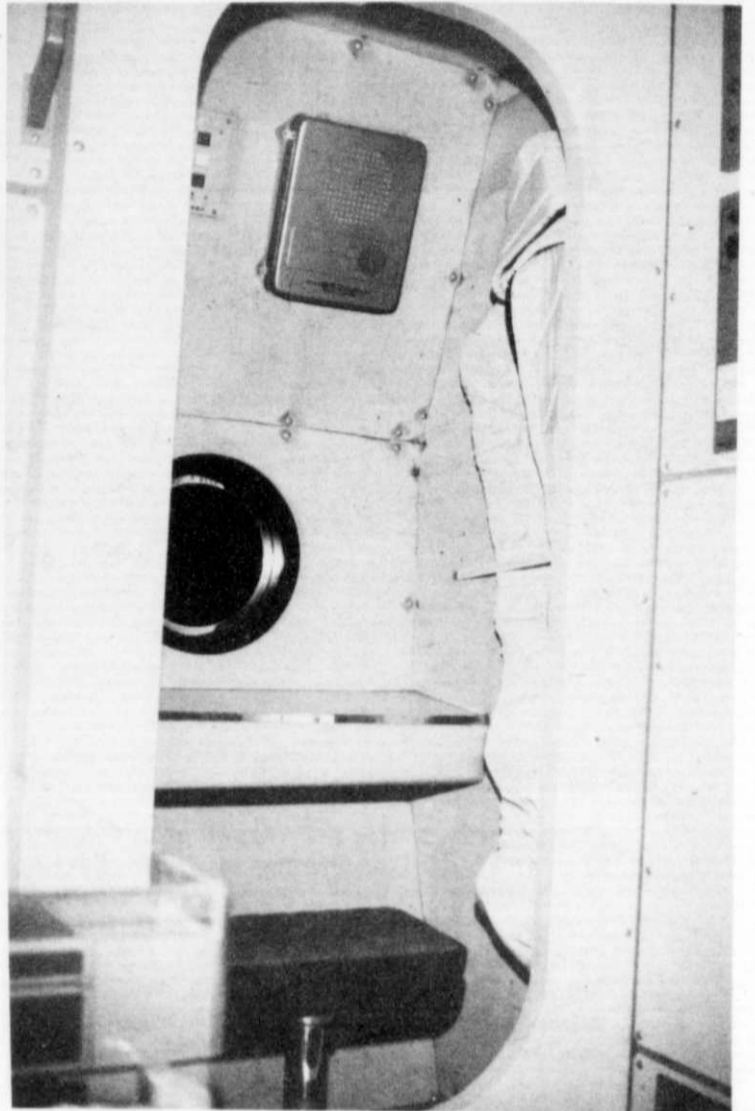

Bartlett Thrill Show end then, many others continue to attract tourists. The Wisconsin Original Ducks, boat trips, golfing and many others operate until the end of October and November. Growth has continued with improvements and additions including many indoor facilities extending the season to year-round.

Explore by hiking, bikes, horseback, boats, "ducks" or even horse-drawn wagon. The area is a natural playground for all ages. There are the traditional scenic tours, championship golf courses, live entertainment, amusement parks, mini-golf courses and the nation's largest waterpark Noah's Ark. Wildlife lovers can visit the International Crane Foundation and see all 15 species. There is the Deer Park and new in 1999 the tour

of the Nanchas Elk Ranch.

Currently there are more than 77 attractions, about 7,000 hotel rooms and over 3,000 campsites. The Thirty-second Wo-Zha-Wa Days Fall Festival will be held September 17-19. It includes an arts and crafts fair, a 100-unit parade, a street carnival, an antique flea market, Maxwell Street Days, Wo-Zha-Wa Run, concessions and live entertainment. This event draws thousands of people to the Dells.

The vibrant rich colors of fall provide the perfect backdrop for the Second Annual Wisconsin Dells Autumn Harvest Fest October 14-17. Visitors will see the "Ghouls and Fools" parade, craft fair, Taste of the Dells, fall color tours, live entertainment and clowns for the kids. This fest also includes an area-wide

Sleeping quarters at the Mir Space Station.

Friday night fish fry, hands-on participation including scarecrow stuffing, pumpkin decorating and fudge eating contests. Sports enthusiasts can participate in the Golf Tournament and then relax during the Packer Tailgate Party.

There is no need to hibernate in the winter with the Dells activities promising to cure the worst case of cabin fever. The Dells is the perfect escape to powdery snow for cross-country skiers and snowshoe enthusiasts. If your chosen vehicle to travel is snowmobile the Dells area has 850 miles of well-groomed scenic trails. The attractions include entertainment, scenic beauty, excitement, adventure, romance, wonderment and learning.

Recently my children joined me for a working vacation to seek out some of the attractions and learn a little about the area. In two days we were able to only scratch the surface of what was offered.

Wisconsin Dells got its name from two different peoples, the Chippewa Indians and the French. The word "Wisconsin" is a Chippewa Indian word meaning 'where the dark rushing waters meet.' The word "Dells" comes from the French "Dalle" meaning 'flat-layered rock.'

A geographical masterpiece, the Cambrian sandstone cliffs making up the Dells can be found on the earth's surface in only three other places-

Germany, Switzerland and upstate New York. The sandstone was formed over 500 million years ago. What was once a sandy shore suffered the pressure of surrounding land and water to compact the sand, and percolating groundwater cemented it into rock.

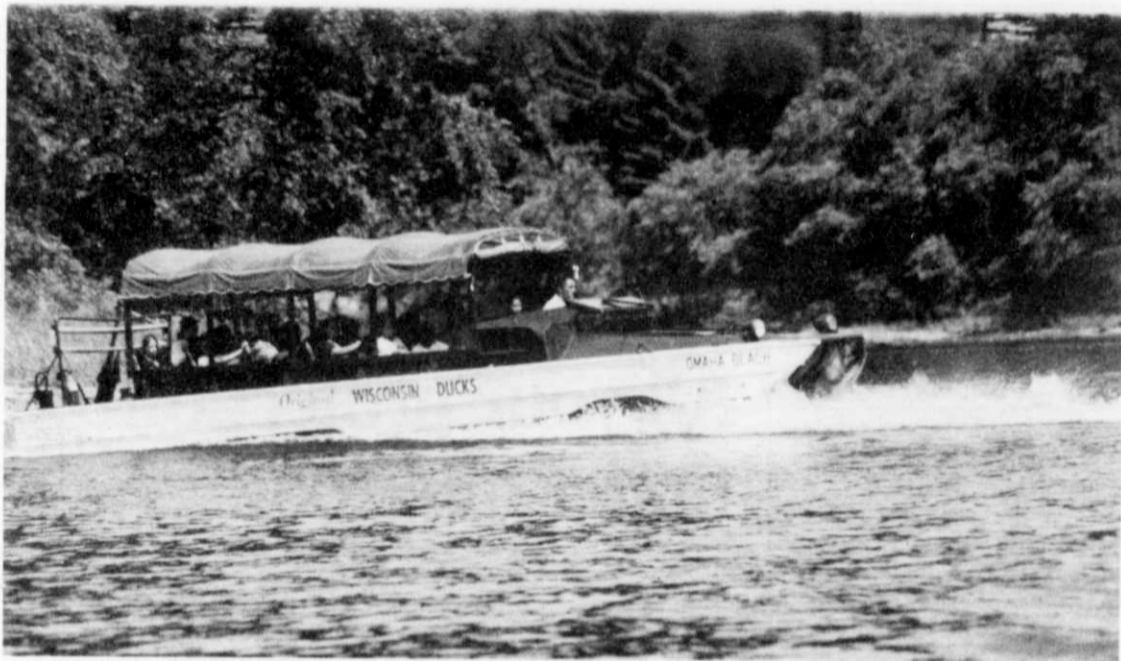

Early settlers to the area were too consumed with the work of frontier life to take notice of the beauty that surrounded them. It wasn't until the late 1800's, when Henry Hamilton Bennett arrived in Kilbourn. He was a carpenter who suffered a crippling Civil War injury to his right hand. The result led him to change careers and purchase a photography studio in 1865. His time became consumed with 43 years of journeys on foot and rail, raft and boat recording the beauty of Mother Nature on film with cameras he built. His works circulated and attracted visitors to get a glimpse of what he had seen.

H.H. Bennett, known as 'the man with the camera' wrote in his final days, "My energies for near a lifetime have been used almost entirely to win such prominence I could in outdoor photography, and in this effort I could not help falling in love with the Dells." Mr. Bennett died in 1908, but his memory and his work lives on preserved in the studio he built in 1875, now a museum with free admission.

The Wisconsin River has played an important role in the

Some of the top wooden roller coasters in the Midwest can be found at the Big Chief go cart tracks, including the new "Zeus" roller coaster.

A trip to the Dells would not be complete without a ride on the "Wisconsin Ducks" which travel on land and water.

The lazy river at the Polynesian in the Dells is just one of the many outdoor water features for the motel's guests to enjoy.

many people who settled along the banks. Beginning in the mid-1800's it began to help support the people of the area. Dells River pilot Leroy Gates was one of the first to see the potential of the area's beautiful scenery as a tourist attraction. He began taking visitors on tours up and down the river in rowboats to see the unique banks and share the charm of the Dells. Customer service has always been a priority, even back with the rowboat tours, and still is today.

Today visitors can enjoy a guided tour on the Original Wisconsin Ducks. They are the green and white intriguing vehicles each named after famous military leaders or the battles they participated in. Herman Breitenbach and his associates purchased several of these vehicles and in 1946 the Original Wisconsin Ducks tours began.

The military vehicles were called DUKW. "D" stood for 1942- the year the first DUKW was built by General Motors. "U" meant "amphibious utility vehicle." "K" stood for "front wheel drive," while "W" signified "twin rear-driving axles." On June 6, 1944 more than 2,000 Ducks traveled along with troops delivering them and their supplies to hard to reach areas for the D-Day invasions of the beaches of Normandy, France. They were used to not only carry GI's, but also ammunition, arms and supplies, to evacuate the wounded to hospital ships and aid in the recovery of aircraft lost at sea.

The seven-ton Ducks measure 8 feet wide, 10 1/2 feet high and 32-feet long, seating over 20 passengers. On land they are powered by a 100 horsepower, 270-cubic inch GMC truck engine traveling up to 50 miles per hour. In the water, the Ducks float like a boat. The land motor is located in the front and the pusher/propeller for water is in the back. The vehicles have six driving wheels and a steel hull.

The trails used for the tour are existing to avoid disturbing the natural area of the Park. Some are primitive streets; roads used by lumber raftsmen and several that were part of an ancient stagecoach run. A knowledgeable Duck tour driver educates and charms every ride, generally with a great sense of humor. They receive extensive training and meet strict requirements including strength (the Ducks have no power steering), and an outgoing personality.

The Duck ride is approximately 8 miles, half on land and half in water. The tour passes remnants of native Indian tribes and a ghost town. There are spectacular caverns, hauntingly beautiful passageways and towering cliffs reaching 100 feet in height. The sandstone cliffs are a marvel in themselves. The Original Wisconsin Ducks owns the biggest flock of these vehicles in the United States.

There are many attractions with unique features throughout the Dells area. Big Chief Go-Karts & Coasters is the world's largest go-kart facility. With 21 different tracks, many elevated, including one that ventures through a 65-foot

Trojan horse and another that travels in a tunnel under water. This is also the site of the 5,000 square foot video arcade. Big Chief also has bumper boats and three large wooden rollercoasters. The newest addition "Zeus" is billed as the fastest wooden rollercoaster in the Midwest featuring an 80-foot drop. An all day pass gets you unlimited rides. Big Chief opens in early spring and stay open until late fall, weather permitting.

Lodging in a tropical setting, complete with palm trees and exotic flowers is what is offered at the Polynesian Resort Hotel & Suites. The resort is currently undergoing another expansion. When complete there will be 39,000 square-feet of indoor waterpark area, including 17 pools and a three-season domed area covering an outside five-foot deep heated pool.

The Polynesian offers 232 guestrooms, four acres of outdoor waterpark, two 3-story waterslides, several kiddie slides, a sandy area, waterfalls and many games all exclusive for guests. The Tiki poolside bar serves a variety of foods and delivers it to you. The friendly staff is ready to serve you at this resort making this get-away a happy memory.

Tommy Bartlett made the Dells his permanent home in 1952 and has had more than 50 million visitors since then, 3 million annually at the Dells.

The show includes spectacular performances by water-skiers doing stunts, ballet acts, and competitions. Racing boats fly past the audience at over 100 miles per hour, a lighted space shuttle opens up and launches astronauts and appearances are made by Aqua the Clown. Audiences are bewildered by a hand-glider that takes off being pulled by a boat, rises above the trees and then free falls back to the exact spot he started.

After a brief intermission the show continues with the Bohmer Family Jugglers, The Sky Pendulum Wheel, Dancing Gauchos, Comic Juggler Dieter Tasso and a finale of the Magic at Night Laser Light Show and Fountain Music Show.

Tommy Bartlett's Robot World & Exploratory, open year round, is a hands-on science project with remarkable technology leading the way. Upon entering the building you are blasted off into space, in an elevator. Robots do the talking and the special affects are amazingly real. Guests wind their way down halls and stairs much like on an envisioned spaceship. The next entrance is into the Exploratory. Visitors experience virtual reality, learn about magnetic and electric fields and witness space-age robotics. You can create laser art, experiment with static electricity, see optical illusions and test your balancing skills to mention just a few of the 100 hands-on exhibits.

On February 20, 1986, the Russian government made history as it launched into orbit the initial phase of the world's largest space station-Mir. The station allows astronauts and

(Continued on Page 13)

OBITUARIES

HELENE A. MANTZ

Helene A. Mantz, nee Schulze, 81, of West Bend, died Wednesday, Aug. 18, 1999, at St. Joseph's Community Hospital.

She was born Aug. 16, 1918, in Milwaukee, to the late Gustav and Elizabeth (nee Griebing) Schulze, and married Walter E. Mantz on June 1, 1940, at St. Matthew's Lutheran Church, Milwaukee.

She was an active member of Trinity Ev. Lutheran Church, West Bend.

Survivors include her husband; two daughters, Lynn (Dennis) Garvey of Kewaskum and Gail (Gary) Luck of Hubertus; a son, Ned (Bonnie) of Jackson; eight grandchildren, David (June) Garvey of West Bend, Erin Garvey of Kewaskum, James Garvey of Kewaskum, Marie Kutz of West Bend, Garrett (Stephanie) Luck of Shawnee, Kan., Katie Luck of Wauwatosa, Kenneth (Sandy) Mantz of West Bend and William (Lisa) Mantz of West Bend; 11 great-grandchildren; and other relatives and friends.

Preceding her in death were a brother and a sister.

Funeral services were held Sunday, Aug. 22 at 7 p.m. at Trinity Ev. Lutheran Church, Pleasant Valley Road, West Bend. Rev. Kenneth Schmidt officiated and burial was in Trinity Ev. Lutheran Cemetery, West Bend.

Visitation at the church only was on Sunday from 4 to 7 p.m.

The Mueller Funeral Home, Cedarburg, was in charge of arrangements.

ROBERT A. TAYLOR

Robert A. Taylor of West Bend died Friday, Aug. 20, 1999 at St. Joseph's Community Hospital of West Bend at the age of 60.

He was born June 15, 1939 to Carl and Mary "Marie" (nee Jansen) Taylor. He attended St. Mary's grade school in Barton before attending West Bend High School.

Following high school he served with the U.S. Navy. After his discharge he was employed at Mercury Marine for 15 years and worked several other jobs. At the time of his death he was an electrician.

He enjoyed his cabin up north and also loved hunting and fishing.

Survivors include his parents Carl and Marie; five brothers and sisters, Ruth (Larry) Zingsheim of Kewaskum, Carl J. (Beverly) of West Bend, Maryann (Ben) Kappler of Hudson, Carol (Perry) Swensen of North Fond du Lac and Alec (Karen) of Kewaskum; nieces, nephews, other relatives and friends.

He is preceded in death by two brothers, Albert and

Gerald.

Funeral services were held at 7:30 p.m., Monday, Aug. 23, at the Schmidt Funeral Home, West Bend. Burial was at 9:30 a.m. Tuesday at St. Mary's Cemetery (new).

Visitation was at the funeral home Monday from 4 p.m. until the time of the services.

MELVIN E. RAMEL

Melvin E. Ramel, 80, of Random Lake, died Thursday, Aug. 19, 1999, at St. Luke's Hospital, Milwaukee.

He was born May 14, 1919, in the town of Scott, to the late Edward and Bertha (nee Hiller) Ramel, and on June 7, 1947, married Florence Weber at Immanuel Lutheran Church in the town of Scott.

After marriage, the couple farmed the Ramel homestead until 1958. Mr. Ramel was then employed at The West Bend Co. until retiring in June, 1979.

He was a member of Immanuel Lutheran Church, town of Scott.

Survivors include his wife; three brothers-in-law, William (LaVern) Weber of new Berlin, Ira Weber of Beechwood and Vernon (Delores) Weber of Adell; nieces; nephews; and other relatives and friends.

Preceding him in death were two brothers.

Funeral services were held at 7:30 p.m. on Sunday, Aug. 22, at Immanuel Lutheran Church, town of Scott. Rev. David Meyer officiated and entombment was in Gardens of Peace Mausoleum, Sheboygan.

Visitation at the church only was on Sunday from 4 p.m. until the time of services.

A memorial fund has been established in Melvin Ramel's name.

The Wilk Funeral Home Random Lake, served the family.

Fransen Breaks Morgans Winning Streak

(Slinger, WI) Eric Fransen is the first driver in the past five weeks to see the checkered flags at the Slinger Speedway other than Conrad Morgan (Waukesha) as he lead Tony Strupp (West Bend) to the line and won the Kruegers Entertainment Center 65 at the Worlds Fastest 1/4 Mile. Strupp finished a close second while Conrad Morgan (Waukesha), Al Schill (Franklin), and Jeff Holtz (Franklin) rounded out the top five spots.

"I fought Tony at the end, I thought that he was going to have me, I felt that I had a tire going down but I was able to hold on!" Fransen jumped into an early battle for the lead with John Zimmerman (Markesan). Fransen tried to get around Zimmerman as the caution flag came out for an accident following a spin by Jeff Kendall (Montello) coming out turn 4, collecting the car of fast qualifier David Prunty (Lomira) Mike Egan (Slinger) and Lowell Bennett (Neenah). On the restart it was a side by side battle again between Fransen and Zimmerman, with Fransen on the outside. The pair raced door handle to door handle for the next 30 laps as the rest of the field began to gain on the leaders. As Tony Strupp and Al Schill, worked their way behind the leaders Conrad Morgan (Waukesha) began to close in. When the second caution of the night waved when Cindy Peterson (Butler) broke and hit the turn 3 wall.

When the race resumed Fransen pulled away with Strupp. The two battled for the remainder of the race as Morgan closed in on the pair but just ran out of time. The win ends Conrad Morgan's win streak at five straight features, but the bonus money will continue to anyone who can pass Morgan and win the feature.

In the Late Model Semi-feature Mike Strupp (Theresa) walked away with the 30 lap event, over Wayne Freimund (West Allis). Strupp jumped to

an early lead from his front row starting position. Strupp looking much like the son of the four time track champion as he pulled to a six car length lead and the victory. There was a heated battle for second between Wayne Freimund (West Allis) and Charlie Thon Jr. (Germantown) who placed third.

Steve Lurvey (Dousman) held off a hard charging Al Schill (Franklin) to win the 30 lap Midwest Modified main event. Lurvey took the lead on lap two and was followed closely by Schill who moved into the second position just past the halfway point. Schill stayed glued to Lurvey's rear-bumper as the fourth and final caution flag flew on lap 27 for an incident involving fast qualifier Florian Wisinski (Greenfield) and Larry Reihbrandt (Wauwatosa), setting up a three lap dash for the win. Schill pulled alongside Lurvey on the final lap but fell inches short at the finish line as Lurvey scored his third feature win of the season. Dale Prunty (Allenton) finished third ahead of Chris Peterson (Cedarburg) and Lenny Gallenberg III (Kewaskum).

In the Slinger Stinger action

Bill Shavlik held off point leader Pete Wiedmeyer to win the 16 lap Slinger Stringer feature. Shavlik passed early leader John Henning on lap 11 and then maneuvered his way through lapped traffic to hold off Wiedmeyer for the win. Dan Miller finished third while Henning and Scott Asher rounded out the top five.

In other action, Mark Ritger (St. Cloud) won the Figure eight feature with a four car length lead over second place Willie Van Camp (Appleton).

The team cruiser division was won by Mark and Ken Fogal in the exciting eight lap race. The spectator eliminator was won by Tom Elisinger, and in the suburban Motors Speedway guest cars, Mark Vogt was the winner.

LATE MODEL FEATURE FINISH 65 LAPS KRUEGER

ENTERTAINMENT 65

1. Eric Fransen (Slinger); 2. Tony Strupp (West Bend); 3. Conrad Morgan (Waukesha); 4. Al Schill (Franklin); 5. Jeff Holtz (Franklin); 6. John Zimmerman (Markesan); 7. Chris Ratajczyk (Menomonee Falls); 8. Toby Rott (Slinger); Todd Helen (Oconomowoc); 10. Lowell Bennett (Neenah).

Fast Qualifier -- David Prunty (Lomira) 11.665 seconds

Fast Dash -- Tony Strupp (West Bend) 8-laps.

All your protection under one roof.

Dells

(Continued from Page 11)

cosmonauts the ability to live in space for an extended amount of time. Since its launch more than 25 missions carrying crews from around the world have docked on the Mir, which has a capacity to accommodate up to six crewmembers. When first developed by the Russian government, three Mir modules were designed and built with the exact same specifications. The most well-known of these is the Mir module in orbit. Another Mir module is in a warehouse in Russia. The third, formerly on display in a museum in Moscow is now on permanent display at Tommy Bartlett's newly expanded Robot World & Exploratory. Tommy Bartlett purchased the authentic Mir core module in 1997. Visitors can actually walk through it and see how astronauts live while in space.

Noah's Ark is the largest waterpark in the world. There are 70 acres of water activities including, 2 wave-pools, 2 lazy rivers and 33 waterslides. Dark Voyage is a 600-foot long dark tube

ride, the only one of its kind in the Midwest.

The park offers guests over 4,000 lounge chairs, 12 restaurants and outdoor lounges, 5,000 innertubes, 20 picnic pavilions and 600 picnic tables strategically placed throughout the park. New for the 1999 season was Noah's Ark signature ride, "Flash Flood." The ride features two large 20-passenger boats and a 50-foot plunge and opens at the entrance to the park.

The splashing, thrill seeking and adventuring is waiting for you in a trip to the Dells. In two days my family made it to many places, but barely scratched the surface exploring the area. Many lessons are still to be learned, history to be appreciated, hands-on exploring to be discovered. Whether you are seeking an adventure, a romantic get-away or just want a place to spend as a family Wisconsin Dells has something for you.

The smallest bird of prey is the white-fronted falconet, which is the size of a sparrow.

Support Your Local...

By Jim Porfilio

What's In It for Me?

Well, it's a known fact that positive and wholesome activity for youths help stop teenage gang and drug related participation. Gangs are rapidly moving into our rural America. No matter what you think, they are.

We have found that children who have parents that actively stay involved with their children, beginning at an early age, fare better. Helping in 4-H, Girl/Boy Scout projects, other organizations, and playing together as your children grow older, are excellent examples of positive activities.

Baseball leagues at the Dundee Sportsman's Complex offer just that opportunity for families now that we have put infield lights to expand our field's use for those hours that our young ones need a positive place to gather and socialize. This year over 500 children and adults played in the leagues at our sports complex.

In addition to baseball, our trained instructors teach the Hunter Safety course to all ages. We also have constructed an archery range in the clubhouse. We now conduct an archery safety course also.

Our Dundee Sports Complex is a Good Investment for Your Community, Your Family and You

Groups, clubs and fami-

lies are able to rent our Sports Club facilities for such events as club picnics, corn roasts, receptions, and other fun events. Our complex in reality is turning into a community center, a place for all to use.

Our Dundee Sports Complex is a Good Investment for Your Community, Your Family and You

Now, back to the original question. What's in it for me? The simple answer is all of the above. Yes, this is our community no matter where you live in relationship to the Sports Complex.

You can help our efforts of paying for the lights and your community by attending our annual fun Brat Fry and Softball Tournament September 2, 3, 4 and 5. The hours Thursday and Friday are at 6 p.m. and Saturday and Sunday at 8 a.m. -- all day. Events are held at the Dundee Sportsman's Club on Highway-67 in Downtown Dundee.

The ever-popular Rocker will be playing from 5 to 10 p.m. on Sunday. Plus, baseball tournaments for Thurs-

day, Friday, Saturday and Sunday are scheduled. The usual food and refreshments will be sold, along with other raffles of the day.

Additional support to pay for the field lights can also be given by buying our \$50 truck raffle ticket. A Chevy S-10 pickup truck from Serwe Chevrolet GEO and Buick or cash are the grand prizes.

And, there is an additional \$13,000 in other cash prizes. There will be a maximum of 768 tickets sold. Tickets are selling everyday as the Labor Day weekend approaches. Dins Mini Mart and Garage still have tickets available.

Get together with a few friends, do some division, buy some tickets, and multiply our efforts of building a complex for all ages. Help subtract any of our possible wayward youth. The truck drawing will be on Sunday, September 5, 1999 at 6 p.m. Get involved and support a good thing.

Our Dundee Sports Complex is a Good Investment for Your Community, Your Family and You!

Police Reports

On August 13, police were dispatched to 1196 Brooklane Drive #4 the residence of **Jennifer L. Wedemayer**, in the Village for a report of a stolen vehicle.

Wedemayer stated that **Joshua Fox** had taken her vehicle without her permission.

Before taking the vehicle, he was sitting inside the vehicle when three other individuals went into the residence. Fox took off from the apartment complex's parking lot. Two individuals tried stopping Fox, but were unsuccessful, one being struck in the leg.

Fox made contact with Wedemayer on a cell phone, arguing.

Fox then called the Sheriff's Dept. and stated he and the vehicle were at his mother's residence in West Bend.

Fox was transported to the St. Joseph's Community Hospital Mental Health unit due to his suicidal state.

He was charged with operating a vehicle without owners consent.

Police received a complaint on August 8 at the residence of **Jodi L. Feucht** who along with her roommate stated their apartment at 104A Main Street in the village had been entered.

The roommate left late in the afternoon and when she returned that evening she found their living room to be overturned along with Feucht's bedroom.

No suspects have been found.

The winner at skat played at the Town of Scott Hall on Tuesday, August 17th was: Harold Eggert, 16-0--16 net.

Weekly Meeting of Separated, Divorced

The Washington County separated, divorced and widowed men and women support group meets weekly every Friday from 7:30 to 9:30 p.m. at the Holy Angels Church, 138 N. 8th Avenue in West Bend

Their purpose is to provide a means to share ideas, concerns, support, fellowship and love from a Christian perspective. There are guest speakers, panel discussions, small group sharing and other activities.

The group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

Speak What's On Your Mind will be the topic for the August 27th meeting.

On September 3, a Change Your Life video will be presented followed by a discussion. A board meeting will be held at 6:30.

XYZ CARD RESULTS

The winners at cards played at the Municipal Building on Wednesday, August 18th were: SKAT: Teresa Peterson, 24-3--21 net; Harold Eggert, 16-0--16 net; Ken Kaschner, 19-5--14 net.

SHEEPSHEAD: Sally Reindl, Delbert Peterman, Anna Reindl, Frances Rohlinger, John Ruplinger and Norbert Broecker.

NOTICE

NOTICE is hereby given that applications for the position of CORRECTIONS OFFICER for the Washington County Sheriff's Department will be accepted by the Washington County Civil Service Commission.

SPECIAL NOTE: MINORITIES ARE ENCOURAGED TO APPLY.

Application blanks shall be obtained from the Washington County Personnel Department at 432 E. Washington Street, West Bend, WI 53095.

The position of Corrections Officer has a minimum base pay of \$2,340/mo.

A written test will be given by the State of Wisconsin on October 9, 1999 8:30 a.m. in Milwaukee or Fond du Lac. Please specify the city you will take the test in when applying. The State will notify you of the specific location/Room number.

COMPLETED PRELIMINARY APPLICATION MUST BE TIME-STAMPED IN THE WASHINGTON COUNTY PERSONNEL DEPARTMENT BY 4:00 p.m. SEPT. 16, 1999. SOCIAL SECURITY CARD REQUIRED AT THE TIME OF APPLICATION.

Must possess the following qualifications for the position of Corrections Officer by the deadline date for filing applications.

- 1) All applicants shall be citizens of the United States;
- 2) All applicants shall not be less than 21 years of age;
- 3) All applicants shall have a high school diploma or the equivalent thereof;
- 4) All applicants will have three years of post high school work experience preferably in a civil or military law enforcement unit or detention facility. Post high school training can be substitution a year-for-year basis to fulfill the work experience requirement.
- 5) Applicants shall not have been convicted of a criminal offense equivalent to a felony under Wisconsin Law;
- 6) Applicants shall be in good physical condition with weight proportioned to height;
- 7) Applicants must have the ability to distinguish colors;
- 8) Applicants must possess a valid Wisconsin driver's license;

Residency within Washington County must be established within six months of the date of appointment to the department;

All applicants for the position of Corrections Officer who successfully complete the written examination shall be graded on the basis of thirty percent of their total score applied to the written examination and seventy percent of the total score being applied to the oral examination. Successful applicants will be required to pass a physical examination, with a weight lifting minimum requirement of 75 lbs., and drug screening prior to appointment. A psychological examination including a polygraph may be required.

Included on the team are front row, left to right: Holly Parsons, Stephanie Schnabel, Angie Bertrand, Katie Klug. Row two: Melissa Sommer, Jessica Janz, Heather Meyer, Wendy Rahlf, Assistant Coach Jenny Klug, Kayla Sauer. Row three: Coach Jane Meyer, Renee Weinreich, Stephanie Janz, Alissa Donath. Not pictured: Alexa Nelson and Assistant Coach Glen Schnabel. Congratulations to the players and coaches.

Farmington Pony League Takes Third in Dundee Tournament

The Farmington Pony League took third place in the Dundee Tournaments recently. Back row, left to right: Kyle Rabuck, Nathan Fechter, Mike Stockinger, Bill Weber. Middle row: Peter Herriges, Drew Donath, Coach Bob (Brunno) Donath, Dale Perez, Andy Canales, Assistant Coach Angie Donath. Front row: Andrew Disler, Adam Lickel, Dustin Steffen, Mike McKee. Congratulations to the team and their coaches.

Booster Club Football Raffle

It's time again for the Kewaskum Booster Club's Pro Football Raffle. Five hundred dollars will be given away weekly, with a first place prize of \$200.

The ten week contest will feature a total of ninety chances to claim a prize. Tickets are available for a \$10 donation. This year the tickets will cover the second half of the season which starts on the weekend of October 31.

This is the primary fundraiser for the Kewaskum Booster Club for this coming year. Tickets will be available from Booster Club members, and at the home football games. Club members can pick up their tickets at Herriges Oil, or from Sue Wessing or Dave Kraft.

For additional information you can call Sue at 626-4321 or Dave at 629-9917.

Thanks to the Kewaskum community for your past generosity and we hope that you will continue to support the Booster Club. Tickets will be available until October 10, or while the supply lasts.

Gossip is like mud thrown against a clean wall: It may not stick, but it leaves a mark.

Bartelt Cup Results

Fan Appreciation Night at Slinger Super Speedway

Seventy-six Racing Gas and Behling Racing Equipment present Fan Appreciation this Sunday night, August 29, at the Slinger Super Speedway.

The night will be highlighted by a 60 lap late model feature, along with a full night of support division racing in the Midwest Modified, Slinger Stinger Street Stock, Figure 8, and Team Cruiser Divisions. The Speedway Guest Cars and Spectator Elimination Races will round out the competition on the World's Fastest 1/4 Mile Oval for the evening.

The first 300 kids, ages 15 and under, will receive a FREE Slinger Speedway track cap and there will be drawings for prizes throughout the evening in appreciation for the fans' loyal support during the 1999 racing season.

In addition, fans are invited to stay around after the racing action for FREE beer and soda, compliments of 76 Racing Gas, Behling Racing Equipment and the Slinger Speedway. Ticket

prices are only \$10 for adults, students \$7, kids \$2 and children, five and under are free.

The evening will get underway with spectator gates and ticket windows opening at 4:45 p.m., time trials starting at 5:15 p.m. and racing kicks off at 7 p.m.

For more information on any upcoming Slinger Speedway event, call the track office at 414-644-5921 or visit us on the web at www.slingerspeedway.com.

Campus Notes

PLATTEVILLE, WI -- Local residents were among students at the University of Wisconsin - Platteville recognized for outstanding academic performance during the Spring 1999 semester, Chancellor David J. Markee

announced recently.

Matthew R. Muench of Adell, who is majoring in General Engineering, was named to the Dean's List of the College of Engineering, Mathematics, and Science.

To be named to the Chancellor's List, students must earn a perfect 4.0 grade point average for the semester. To be named to the Dean's List of the College of Engineering, Mathematics and Science, students must earn at least 3.5 grade point average for the semester. About 775 of UW-Platteville's 5,200 students earned academic honors during the Spring 1999 semester.

....

There are two types of educational toys: those that take a few hours to fall apart, and those that take a few days to put together.
