Schickert Named New President, GM at Huffy Sports Company

SUSSEX -- Huffy Sports Company, a division of the Dayton, Ohio-based Huffy Corporation (NYSE-HUF), announces the appointment of Randy R. Schickert of Kewaskum, to president and general manager.

Schickert fills the position recently vacated by Paul R. D'Aloia, who accepted the president and general manager position at Huffy Service First, Dayton, Ohio, a wholly-owned subsidiary of Huffy Corporation.

"This is an exciting opportunity for D'Aloia, Schickert and the entire Huffy Corporate family," said Don R. Graber, chairman, president and chief executive officer of Huffy Corporation. "Their new leader positions will help solidify Huffy Sports and Huffy Service First as worldwide industry leaders."

Schickert, a member of Huffy Sports Company's management structure since 1992, is now charged with directing the day-to-day operations of the world's leading manufactur-

er of residential and institutional basketball systems.

Formerly the vice president of global operations, Schickert's extensive background in engineering, product development and operations makes him the ideal candidate to strengthen the company's industry-leading position in product development and innovation.

Schickert has an extensive academic background which encompasses three degrees in engineering, including mechanical drafting, mechanical design and a bachelor's degree in mechanical engineering. Prior to joining Huffy Sports Company, Schickert served in various engineering capacities for well-known manufacturers, including Regal Ware of Kewaskum and ASI Technologies of Milwaukee.

In addition to his new responsibilities at Huffy Sports Company, Schickert will continue to serve as an advisor to the American Basketball Council of the Sporting Goods Manufacturers Association. He will also continue his involve-

ment with the American Society of Testing and Measurement (ASTM), where he serves as the vice chairman of the sub-committee on sports.

"I'm excited about the opportunity to continue building on Huffy Sports Company's solid positioning and reputation in both the retail and institutional channels," Schickert said. "This company has built a strong reputation by providing retailers and consumers with high quality, innovative basketball products at a price point to meet every need -- that will continue to be our primary focus."

Founded in 1978, Huffy Sports Company is the official basketball backboard licensee of the NBA, NCAA, and USA Basketball. The company manufactures and distributes three brands of basketball systems: Huffy Sports, Sure Shot and Hydra-RIB. Huffy Sports Company's branded products are available at specialty and toy stores, clubs, sporting goods retailers and mass market outlets throughout the world.

Kiwanis Turkey Shoot Set for Sept. 12

The Kiwanis Club of Kewaskum has announced its Turkey Shoot will be held on Sunday, Sept. 12. It will be at the New Fane Sportsman's Club grounds, four miles north of Kewaskum on County Trunk G in the beautiful Kettle Moraine.

This year's event will feature a firing line, golf/drive and putting green, trap shooting, archery, compound bow shoot, football kick, dart shoot, and children's games. Hot and cold beverages and food will be available. Cookware closeouts will be on sale. Raffles will be held throughout the day for turkeys and sausages.

Tickets will cost \$4.00. Each ticket consists of five coupons which can be used at any event. They may be purchased by mailing your check, payable to Kiwanis Club of Kewaskum, P.O. Box 68, Kewaskum, WI 53040.

Proceeds will benefit area youth activities.

Early Farm Days Sept. 12

The advent of autumn cannot be far away as the Kewaskum Historical Society prepares for its 25th annual Early Farm Days which will be held this year on Sunday, September 12 from 10 a.m. to 4 p.m. in River Hill Park.

Set up on the west side of the river, the Historical Society will revisit the farm life of our ancestors during their annual event that promises to give all who attend a glimpse of the "good old days."

The Society's 1847 award winning museum and reconstructed log cabin will once again play host to a variety of old time displays that include gas, steam and miniature engines, antiques, farm equipment and craft demonstrations.

Museum tours, free horse drawn wagon rides, homemade treats and live entertainment are some of the old-fashioned highlights that can be enjoyed by members of the whole family.

Members of the Historical Society will be serving their famous harvest stew, cooked outdoors in a big, black cauldron. Roast beef sandwiches, hot dogs and a variety of mouth-watering homemade desserts will be available to eat and carry-outs will be available.

Both exhibitors and guests will enjoy a performance by the Kettle Moraine Square Dancers at 2 p.m. and live entertainment by Ann Thill will be held at 1 p.m.

Commemorative collector buttons will be on sale for a \$1 donation and the money raised will be used to support the operation and maintenance of the museum and log cabin.

Admission is free for all. Exhibitors are always welcome and anyone interested in participating should contact Jake Schmidt at 338-1568 or Syl Schmidt at 626-2653.

Early Deadline

The Kewaskum Statesman office will be closed in observance of the Labor Day Holiday, Monday, September 6, 1999.

Please have all ads and news items in our office by noon on Friday, September 3, 1999. **NOTHING WILL BE ACCEPTED AFTER DEADLINE**

The office will be open for business as usual at 8:00 a.m. Tuesday morning, September 7, 1999

KES, KHS Open House

The Kewaskum Elementary School will hold its Open House on Thursday, September 2, from 4 to 6 p.m. Student friends and families are invited to stop in to see the classrooms and meet the teachers.

Kewaskum High School will also hold its Open House Thursday, but the time will be from 7 to 9 p.m. KHS will offer a "shortened day" for parents in which they can attend eight minute sessions of each period of the school day to meet the teachers and learn about the classes their children are taking. Cookies and drinks will also be provided.

Open House at Middle School

Kewaskum Middle School will hold its Open House from 5 to 7 p.m. on Tuesday, September 7. It is an opportunity for students parents and family members to meet the teachers and get a glimpse of the classrooms.

Bear in Petting Zoo May Have Exposed Visitors to Rabies

The Wisconsin Division of Public Health has been alerted by Dr. Patricia Quinlisk, Iowa State Epidemiologist, regarding a bear in an Iowa petting zoo which died unexpectedly on Friday, August 27, and has tested positive for rabies.

The bear was on exhibit at the Swenson Wild Midwest Exotic Petting Zoo in Clairmont, Iowa, which is near Decorah, Iowa. Dr. Jeffrey P. Davis, Wisconsin State Epidemiologist and Chief Medical Officer for communicable diseases, advises any Wisconsin resident who visited this petting zoo between Saturday, July 31 and Friday, August 27 and who fed the bear, to seek immediate antirabies specific treatment at an emergency room or from their primary care physician.

The following types of exposure to saliva from a known rabid animal requires treatment with a

series of five injections of rabies vaccine plus one injection of human rabies immune globulin: bite ("even a nip"), scratch, saliva into a cut or a wound (any break in the skin) by a rabid animal, and saliva onto a mucous membrane (eyes, nose, mouth) by a lick from a rabid animal. Post exposure rabies treatment should be administered as soon as possible after the exposure.

The Iowa Department of Public Health is contacting individuals who signed the visitors log book at the petting zoo. However, not all individuals may have signed the log book and it is important that they be notified of their exposure to the rabies virus so they can receive proper treatment.

Additional information about rabies can be obtained from local health departments or from the Wisconsin Division of Public Health at 608-267-9003.

Moraine Park Offers New Hearth, Home Courses Here, Jackson

Moraine Park Technical College is offering the following new Hearth and Home evening courses at its Kewaskum and Jackson centers this fall:

Oil Painting Workshop, course 815-641-001, meets at the Jackson Center, Mondays, September 27 - November 1, from 6:30 to 9:30 p.m. Learn the basics of oil painting techniques including composition, design, color mixing and getting your paints to canvas creatively. The class will be informal with an emphasis on having fun. No previous experience necessary. Materials list will be sent prior to class.

Organic Gardening, course 093-435-001, meets at the Jackson Center, Wednesdays, September 1 - October 20 from 6:30 to 8:30 p.m. Explore the benefits of organic gardening to both the consumer and the environment. Learn about composting, mulching, compan-

ion planting, harvesting, food preservation and bio-intensive gardening methods. Will meet in classroom setting as well as on-site at Wellspring, Inc., in Newburg.

Quilting Projects, course number 301-435-002, meets at the Kewaskum Center, Thursdays, September 23 - November 11 from 6:30 to 9:30 p.m. Learn basic rotary cutting skills, machine piecing and machine quilting. Will complete two lap quilts, a basic rail fence and vegetable stew sampler.

Wallpapering Clinic, course 304-425-001, meets at the Jackson Center, Wednesday, November 3, from 6 to 9 p.m. Start-to-finish instructions on the entire wallpaper process including wall preparation, old wallpaper removal, installation of borders and papers, and necessary equipment.

To register for any of these courses call Moraine

Park today at 1-800-221-6430 or (414) 335-5700. For information on specific classes, or if you have any suggestions for future class offerings at the Kewaskum, Jackson or Campbellsport centers, please call Debbie Miske, Moraine Park community services assistant at (414) 335-5808.

Moraine Park's Kewaskum Center is located at Kewaskum High School, 1510 Bilgo Lane, Kewaskum. The Jackson Center is located at Kettle Moraine Lutheran High School, 3399 Division Road, Jackson.

County Holiday Hours

The Washington County Offices will be closed on Monday, Sept. 6, 1999 in observance of the Labor Day Holiday.

They will be open for business as usual at 8:00 a.m. Tuesday morning, Sept. 7, 1999.

Open House At High School

Parents and family members are invited to an Open House at the high school on Thursday, September 2, from 7 to 9 p.m.

The teachers will be running a shortened day for the parents. You will follow your child's regular schedule, giving you the opportunity to meet his or her teachers and learn about the classes they are taking this year.

If you have a copy of your son or daughter's schedule, please bring it with you. Otherwise a copy will be available in the front of the building.

The evening begins at 7 p.m. when you report to the first class of the day. See you there!

Period 1 - 7:05 to 7:15 p.m.

Period 2 - 7:20 to 7:28 p.m.

Period 3 - 7:32 to 7:40 p.m.

Period 4 - 7:44 to 7:52 p.m.

Period 5A - Lunch 1 - 7:56 to 8:04 p.m.

Period 5B, 6A - Lunch 2 - 8:08 to 8:16 p.m.

Period 6B - Lunch 3 - 8:20 to 8:28 p.m.

Period 7 - 8:32 to 8:40 p.m.

Period 8 - 8:44 to 8:52 p.m.

Woman's Club to Hold Round-Up

The GFWC-WFVC Kewaskum Woman's Club will be holding their membership "Round-Up" meeting on Thursday, September 9, 1999 at the home of President Gwendolyn Dreher from 5 to 7 p.m. for a supper meeting.

An American Red Cross presentation will be given by Jackie Wickland from the West Bend Chapter. Various aspects of Red Cross programs available to all Washington county residents will be presented.

After an informative meeting presenting the calendar of club events and expressions of the club as a

community service organization, a casserole supper will be served by the hostesses: Gwendolyn Dreher, Jeanne Moe, Rita Etta, Betty Hallen, Jeannie Goeden and Cheryl Ammel.

DON'T MISS YOUR CHANCE TO HELP OUR COMMUNITY! Give 20 hours of your valuable time in 9 months for a valued service. Call President Gwendolyn Dreher at 626-2666 for more information and you are WELCOME to join in the community spirit!

One of the great victories you can gain over someone is to beat him at politeness.

Gerhartz Featured in National Publication

OKLAHOMA CITY -- An article on Daniel Gerhartz of Kewaskum is featured in the current issue of *Persimmon Hill*, the official publication of the National Cowboy Hall of Fame in Oklahoma City. Gerhartz was the recipient of the Buyers' Choice Award at the Hall's 1999 Prix de West Invitational Exhibition and Sale.

The article states, "For the third time, artist Daniel F. Gerhartz has won the Nona Jean Hulsey Rumsey Buyers' Choice Award. He previously won the honor in 1993 and 1994. This year, Gerhartz departed from his typical repertoire of painting people in rural settings to create a landscape titled *Dream Lake*, which won the public's favor on the opening night of the exhibition. Gerhartz said *Dream Lake* was inspired by a three week trip last summer to Estes Park and the Rocky Mountain National Park.

"He believes the most important element of painting is capturing the effect of natural light. Influenced by such artists as Fechin, Repin, Sargent, and Levitan, Gerhartz appreciates the loose yet faithful representations in their pieces. Using only a limited palette of oil colors, his art celebrates the timeless emotions of romance, family, and heritage through his landscapes, portraits, and still

lives. His work has been featured in one-man exhibitions at Peirce Gallery of Fine Art, Scottsdale, Arizona, and the Mongerson-Wunderlich Gallery, Chicago, Illinois.

Persimmon Hill is an award-winning magazine with an international circulation. The publication is dedicated to preserving the myths and legends of the American West, and is available through a \$25 annual subscription or an annual \$45 membership in the National Cowboy Hall of Fame, 1700 NE 63rd Street, Oklahoma City, Oklahoma, 73111.

Campus Notes

KENOSHA, WIS -- Carthage College awarded bachelor of arts degrees to 285 graduation candidates during the 1999 commencement ceremonies on May 23, 1999. The college also awarded 25 master of education degrees.

Corey Bergdorf, son of Mr. and Mrs. Jerome Bergdorf, West Bend, graduated from Carthage College, May 23, 1999 with a bachelor of arts degree. Bergdorf majored in music.

Broadcast journalist John Calloway received an Honorary Doctorate of Humane Letters and delivered the commencement address.

Carthage is an independent college of arts and sciences affiliated with the Evangelical Lutheran Church in America. Located midway between Chicago and Milwaukee on Lake Michigan, the College enjoys a 152-year tradition of excellence in education.

Thank You

I would like to thank my family and friends for their prayers, cards, visits, phone calls and concern while I had surgery in the hospital and at home recovering.

Looking for Dog Owner

The Washington County Health Department and the Jackson Police Department are looking for the owner of a dog that bit a female McDonald's employee in the McDonald's parking lot in Jackson.

The bite occurred at around 6 p.m. on Friday, August 27, as the female employee tried to pet the dog which was in a vehicle at McDonald's.

The dog is described as a brown and white spaniel. The owner/driver of the car is described as a man around 50 years old with a gray beard, mustache and glasses. When he asked if the girl was okay, she stated she was. The driver then drove away.

Anytime a dog bites a human, the dog needs to be observed for 10 days following the bite to be sure that it remains healthy. If for the 10 days following the bite there are no signs of rabies in the dog, there is no chance that the dog passed rabies on to the bite victim.

Because the Health Department does not have the animal at this time, there is no way to know whether the dog is rabid or not. Rabies in a human is always fatal. The girl has begun a series of six rabies shots that will be given over the next 28 days. The shots are needed to prevent a possible case of human rabies. If at anytime in the next 28 days the dog is located and is found to be in good health, the shots can be discontinued.

If you are the owner of this dog or have any information about the dog, please call the Jackson Police Department at 677-4949 or the Washington County Health Department at 335-4706.

Schools Open, Fines Double For Speeding in School Zones

Motorists who speed in school zones will get a lesson from the school of hard knocks as children return to classes. Fines for traffic violations in school zones are now doubled, which means that speeders could face a minimum penalty of \$184 if convicted.

"It is our hope that the increased fines will also increase awareness of the danger of violating traffic laws near schools," said John Evans, director of the Wisconsin Department of Transportation's (WisDOT) Bureau of Transportation Safety (BOTS). "Children have not yet developed the ability to judge speed and direction and they lack the ability to assess an entire situation. Many children believe the safest way to cross a street is to run."

In addition, many law enforcement agencies around Wisconsin will step up enforcement of school zones to encourage compli-

ance with posted speed limits. WisDOT figures show that the number of pedestrian collisions jump dramatically during the after-school hours of 3 to 7 p.m. Pedestrian crashes are highest on school days, and the greatest number of vehicle/pedestrian injuries and fatalities occur in October and November, school months when dusk begins to occur earlier.

State Senator Gary Drzewiecki, who authored Senate Bill 88 last year, added, "The safety of Wisconsin's children is my top priority. Traffic crashes are the number one reason why kids die in our country today. Many of these crashes could have been avoided if drivers would have slowed down."

Governor Tommy Thompson signed the legislation on July 1, 1998. It became effective on January 1, 1999.

Labor Day Message

By Dale A. Miller
Business Manager
Operating Engineers
Local 139

Labor Day, 1999. It's a time of picnics, barbecues and ballgames. For many, it marks the last weekend of summer. It is also the only holiday that truly honors the American worker. While I hope that you all enjoy the long weekend, I hope you will take a few moments of your time to reflect on what the labor movement has meant to your life.

With the economy humming along at record levels, with our country at peace in the world and with all the things that serve as distractions in this modern age, it is easy to forget where many of the benefits you receive today came from. The American labor movement.

Many young people today have no idea where things like unemployment insurance, workman's compensation, the 40 hour week, pensions, family and medical leave, the minimum wage and the paid holiday they are using on Labor Day come from. They didn't come from Corporate America. They came from the blood, sweat and tears of labor unions and the American worker.

In this era of multinational corporations, mega-mergers and stock market millionaires, it is usually forgotten where the capital that made these entities was created. President Abraham Lincoln in an 1861 Message to Congress said it best. "Labor is prior to, and independent of capital. Capital is only the fruit

of labor, and could never have existed if labor had not first existed. Labor is the superior of capital, and deserves much the higher consideration." It is about time that workers be recognized for their role in the creation of the prosperity that is here today.

The labor movement is alive and well in America today. As Business Manager for Operating Engineers Local 130 I have seen our union grow by nearly 15% in the last five years. We will continue to grow by fighting for good jobs at good wages, health care for all, a decent pension for working people and workplace safety. Protecting the rights of working people and retirees is what today's labor movement is all about. We will always fight the good fight, making sure that average families get a fair shake in our society.

For 105 years, our country has celebrated Labor Day as a national holiday. As you celebrate the last holiday of summer, I hope that you have a great weekend. Fire up the grill, go to a ball game, see some of the state. But remember who it was that made this great holiday possible -- the American labor movement.

Friday, August 27 - The Kewaskum Rescue Squad personnel responded to a call in the Village of Kewaskum at 11:23 p.m. for a female patient who was ill. The patient was transported to St. Joseph's Community Hospital, West Bend.

Saturday, August 28 - The Kewaskum Fire Department was dispatched in the Village of Kewaskum at 3:53 p.m. for a leaking gas

School's Open -- Drive Carefully, AAA Advises

In just a few weeks, sidewalks, school bus stops and roads will again be filled with children walking and biking their way to school. With this comes the increased risk of deadly collision between a child and motor vehicle, says AAA Wisconsin.

"During the summer, drivers forget about school kids, bus stops and crossing zones," said AAA Wisconsin spokesman Michael Bie. "We are urging people, especially parents who are dropping their kids off at school, to pay extra attention when driving during the next few weeks to avoid a serious incident."

To help make drivers aware of the dangers, AAA Wisconsin has launched its annual Schools Open -- Drive Carefully campaign.

"Kids are particularly vulnerable to being struck by a vehicle because their actions are unpredictable and they are smaller, making them harder to see," Bie said. "We really want to get the word out so we can reduce the risk of a tragedy."

AAA Wisconsin offers these tips for drivers:

*Get in the habit of rec-

ognizing school zones on your route;

* Look for bicycles, children playing, or AAA School Safety Patrol members, which indicate children nearby;

*Scan between parked vehicles and other danger zones for hiding children;

* Drive with your headlights on at all times so children and other drivers can see you;

* Be prepared to take evasive action;

* Avoid using cell phones while driving, especially in hours before or after school;

"Driving always demands our full attention, but this is especially important this time of year," Bie said.

AAA has conducted the School's Open - Drive Carefully campaign for 66 years. The School Safety Patrol is currently celebrating its 79th anniversary.

AAA Wisconsin is a not-for-profit membership organization offering travel, insurance, financial and auto-related services to more than 538,000 members statewide through 14 office locations.

tank. Firefighters were at the scene for approximately one hour.

Saturday, August 28 - The Kewaskum Rescue Squad was requested at a Village of Kewaskum resi-

dence for a male youth who suffered a laceration to his forehead. The patient was transported to St. Joseph's Community Hospital, West Bend.

Happy 21st
B-Day

Men of Harmony to Perform at St. Joseph's Convent

The Men of Harmony male chorus will appear in concert at 7:30 pm on Thursday, Sept. 9th at St. Joseph's Convent, located at 526 Mill Street in Campbellsport. The Men of Harmony is concluding its third decade of Christian music ministry with Midwest performances of "My Only Hope!" is also the group's 12th gospel recording and video release. Established in Sheboygan, the 40 voice chorus is comprised of talented singers from throughout Eastern Wisconsin. Ecumenical in concept, the group is taken from approximately 15 different churches and 10 denominations. Ten founding members from 1970 are still singing with the group! The founder/director of the Men of Harmony is Jim Gabrielse. He earned his B.A. Degree at Dordt College Iowa, where he gained extensive experience in touring choirs and frequent soloist roles. Accompanist for the group is Sharon Schmidt, Choral Instructor for the Sheboygan Area School District. Mart Willis, Director of Music at Trinity Christian School of Manitowoc, WI is featured on violin. Gospel music fans from a wide area of Wisconsin have attended personal appearances by over 50 nationally acclaimed Professional Christian Concert artists. The success of this series has made the Men of Harmony one of the foremost promoters of Professional Christian Music concerts in the entire country. A free will offering will be taken.

Paws to Recycle

During September, October and November, the Washington County Humane Society is asking animal lovers throughout Washington County to make recycling aluminum cans their "pet" project.

That's when WCHS will join animal shelters across the country in the sixth annual nationwide aluminum can recycling campaign, *Paws to Recycle*.

Paws to Recycle is the only nationwide can recycling program benefitting animals and the environment. In the past five years, shelters across the country have recycled millions of aluminum cans and have earned nearly \$2 million for their programs.

Marnie Brown, Executive Director at WCHS says that "for every pound of cans we recycle, we'll earn cash for much needed operating funds. And we're competing with shelters nationwide to win one of four \$3,000 grand prizes for the most pounds recycled. Both the animals and the environment will benefit from this effort."

The Humane Society will accept aluminum cans at the shelter seven days a week. They can be dropped off at the rear of the shelter in the northeast corner of the back parking lot. For more information, contact Dale at 677-0731.

Third row: Lyle Herman, John Tessar, Shirley (Mellus) Koth, Leander Kempf, Loran Backhaus and Leo Nigh.

Volunteer Trail Repair Day Set For Sept. 11

Fall is a fantastic time to experience the Kettle Moraine State Forest hiking and biking trails.

Before you add air to those mountain bike tires, consider spending a morning at the scenic Greenbush Trail system in the Northern Kettle Moraine Forest, repairing and improving the trail tread.

The second volunteer trail repair day of the year will be held on Saturday, September 11, from 9 a.m. to 1 p.m. Mountain bikers, hikers and skiers will be working side by side to remove cobble stone and add cover material to improve trail tread conditions.

The Sheboygan Fat Kats

bike club will provide refreshments afterwards. Tools, drinking water, and insect repellent will be available for your use. Participants should bring gloves and can meet at the Greenbush Group Campground Shelter at 9 a.m. on the work day.

The Greenbush Trails are a multiple-use bike/hike/ski system and one of two trail systems in the forest where mountain biking is permitted. Volunteers are a critical part of maintaining the multiple use trails.

Last year, over 600 hours of trail tread repair and over 200 hours of cross country ski trail preparation and grooming were donated by volunteers at the Greenbush Trails. For further information, please contact Kettle Moraine State Forest-Northern Unit headquarters at (414) 626-2116.

The best preparation for good work tomorrow is to do good work today.

Whales are generally divided into two major groups: Baleen whales have no teeth; only hundreds of thin plates in their mouths that strain food from the water. The plates are made of the same material as human fingernails. Toothed whales are the other group.

Street Dance in Boltonville Saturday

The Boltonville Fire Department invites everyone to their 4th annual Street Dance this Saturday starting at 5:00 pm and going until 12:30 am. The dance will feature music by The Brian McLaughlin Band starting at 8:30 pm. Food and refreshments will be served. They are also holding a cash raffle with the top prize being \$500 big ones. Tickets are available from any Boltonville Firefighter. They will draw for the raffle at midnight. All monies raised from the event are used to purchase equipment that could save your life one day, so come on out and show your support!

Legion Auxiliary Donates Toward Defibrillator

Betty Hallen, left, Past President of the Robert G. Romaine American Legion Post #384 Auxiliary, recently presented a check to Kewaskum Fire Chief Mark Groeschel, to be used toward the purchase of the much-needed second defibrillator.

Kewaskum Fire Chief Mark Groeschel recently accepted a check from Betty Hallen, Past President of the American Legion Auxiliary Unit 384 of the Robert G. Romaine Post of Kewaskum.

The Auxiliary accepted the challenge of the New Fane Sportsman's Club and have contributed \$50 to

AAL Branch 26 Enjoys Picnic, Thank Merchants

AAL Branch 26 met at the Kewaskum River Hills Park for its annual picnic on August 11, 1999.

More than one hundred members enjoyed the cook-out, door prizes, and Bingo. Door prizes were donated by: The Amerahn, Amoco of Kewaskum, Bartelt Insurance Agency, B & B Productions, Bier's Jewelry, Coast to Coast, Dairy Queen, Doctors Inn Bed and Breakfast, Family Hair Salon, Herriges Oil, Inc., Hollywood Portraits, Jaeger Sewing Center, Kewaskum Floral, Kewaskum Frozen Foods, Kewaskum Statesman, Kohn's Citgo, Kuehl's Suds and Spirits, McDonalds Express, Mobil Oil Co., L.K. Heating, Quad Tool Corp., Regal Ware Inc., Sentry Foods, St. Francis Bank, Thiemer Sip and Snip, West Bend Co., and West Bend Savings Bank.

The generosity of these businesses is appreciated.

help a much needed second defibrillator for the Kewaskum Fire Department Ambulances. Previous equipment is outdated and needs to be replaced.

The Auxiliary also challenged other local groups and clubs to help with this worthwhile project.

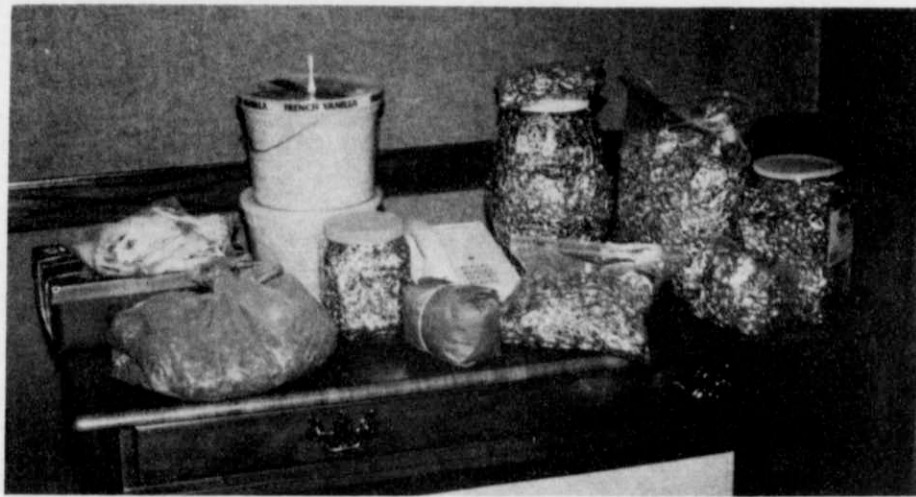

The Auxiliary unit is involved in another project of the American Legion Auxiliaries of the state of Wisconsin which is the collection of can tabs. One cent per tab is given for the Ronald McDonald House at Childrens Hospital in Milwaukee.

The tabs are part of the many tabs collected by the

Amphibious Tractor Battalion #658 at their recent reunion held in Elk Grove Village, Illinois. Elmer Hallen of Kewaskum is chairman of the reunion.

If anyone has tabs that they would like to donate it would be much appreciated by the Auxiliary. The tabs can be turned over to any Auxiliary member or dropped off at the Legion Hall.

Auxiliary President Evelyn Thiemer invites wives, mothers, sisters and daughters of veterans to consider joining the group. The September meeting will be held on September 13, at 7:30 p.m. in the American Legion Building on Fond du Lac Avenue in Kewaskum. All prospective members are welcome.

Another project the local Legion Auxiliary is participating in is the collection of can tabs. The proceeds from this collection are donated to the Ronald McDonald House at Childrens Hospital in Milwaukee. Anyone caring to donate can tabs can do so by contacting any Legion Auxiliary member or dropping them off at the Legion clubhouse on Fond du Lac Avenue.

Old-Fashioned Thresherees Held Near Eden

Members of the Empire Threshing Association demonstrate the use of antique equipment that was used to farm years ago at the Thresherees held on August 21. The event was held at the Bill and Pat Wettstein farm, east of Eden.

Bud Schmidt of Kewaskum and his horses got a workout demonstrating the way grain was cut in the old days. A Daisy Reaper, dating back to somewhere between 1900 and 1902 was used for the demonstration. It is a Milwaukee Harvester, which sold out to McCormick in the early 1900's. The deal had included keeping the Harvester name the first few years as part of the sale. Bill Hackbarth owns the reaper. He bought it from a 93-year-old Brillion man who had stored it in a shed, without moving it for 65 years. A tree had grown up in front of the door and had to be cut down to remove the reaper.

Matt Harvey of Kewaskum uses good old-fashioned horsepower to plow at the Thresherees east of Eden on August 21. Matt used an early International Harvester hand plow and his horses. The Empire Threshing Association sponsored the event at the Bill and Pat Wettstein farm.

Lloyd Mueller Wins National Championship

Kewaskum's Lloyd Mueller won his second Open Class National Championship at Red Wing, Minnesota recently.

By Janelle Byer

With the singing of the National Anthem at 7:30 sharp on Saturday, the 1999 AMA National Amateur Hillclimb in Red Wing, Minnesota was underway.

The two-day event commemorated the Indianhead Cycle Club's 50th anniversary, and the beginning of a new National Hillclimb era. Due to a few AMA rule changes, this year's riders were allowed to compete in more than one class for the first time, filling up the four hundred bike limit.

From the beginning, the anticipation of a double or triple champion was almost certain.

Ellsworth, Wisconsin's Todd Cipala entered the maximum of three classes including the 600cc, 750cc and 750 multiple cylinder class, but he never expected how it would end.

Cipala's Saturday rides had given him a fourth in the 600 class and fairly comfortable leads in the 750 and 750 multi-classes, or so it seemed. It turned out the hill never lost the traction so many of the times from Saturday were improved drastically in the second round.

In the 600cc class, Cipala turned out an amazing 5.768, a half of a second faster than his Saturday ride. The rest of the class was not far behind Cipala, but his time held up for the class win.

In the 750cc class, Cipala's 5.853, which was Saturday's fast time, stood through the second day, and because he had one class left to go that day, he chose not to ride the second ride on his 750 triple.

Cipala's last ride was in the 750 multi class. He had already won the class, but he couldn't let the crowd down. Cipala turned a 5.929 second ride, earning

a standing ovation from the crowd. Cipala also took the fast time of the day when he turned out a 5.768 in the 600cc class.

At the end of the day, Cipala took home three six-foot first place trophies, one huge fast time of the day trophy, and was soaked from head to toe with water or whatever else Cipala's friend could find.

It was announced the first day that Lavern's Small Engine Repair, one of the many sponsors of the hillclimb, and Fast by Gast donated \$100 to the person who got fast time of the day with Fast by Gast set up on their motorcycle.

Of course, Cipala won it, but the unique twist was the owner, Lavern Rosenberg, is Todd's father-in-law. Congratulations goes out to Todd Cipala, the first three time National champion in AMA National Hillclimbing history.

Ellsworth, Wisconsin's Ryan Peterson came to this year's National with high hopes of remaining at the top. Last year at New Hampshire, Peterson placed first in the 125 class for the first time. On Saturday, Peterson turned an impressive 8.143 second ride, but it was quickly knocked down by Sleepy Eye, Minnesota's Scott Braun.

However, Peterson came back on Sunday to take the win with a 7.966 ride. Ryan was joined in celebrating by his dad, mom and sisters.

When asked about the rumors floating around that he was going to retire his 125, he quietly said, "I also said that last year, but we'll see."

Kewaskum's Lloyd Mueller and his shiny open class Harley was an instant favorite with the crowd. On the first round, Mueller sent his Harley Davidson up the 325 foot hill in 6.366 seconds. The second day, the crowd was ready for him.

As Mueller rolled his Harley into the starting area, the spectators got to their feet. Wisconsin Rapid's Mike Bronk had just laid down a six second ride, forcing Mueller to drop into the five second range if he was going to win the championship.

Mueller then ran a fast, smooth ride of 5.951, conquering Bronk and winning his second open class championship. The cheers of friends and family were deafening and Mueller's competitor's were left with the look of "he did it again" and a smirk on their faces.

Early Sunday night, as the clouds started to move in, the Indianhead Cycle Club began the final tradition of a National Hillclimb, the awards ceremony. Riders were dosed with anything liquid found, but it didn't really matter considering a light to heavy rain had insisted on falling, but rain couldn't dampen the high spirits of the spectators and riders. Besides, what would the National Hillclimb be without rain?

A special thanks goes to the Indianhead Cycle Club for running a fun, family event. Congratulations to the club on their 50th anniversary and an excellent National Hillclimb.

Fire...

Retired semi pro ball player Tom Fischer is ready to connect with the ball and send it into orbit. That wasn't a UFO over Kewaskum recently. Just one of Tom's power hits!

Campus Notes

PLATTEVILLE, WI -- Local residents were among students at the University of Wisconsin - Platteville recognized for outstanding academic performance during the Spring 1999 semester, Chancellor David J. Markee announced recently.

Dane C. Dorn of Kewaskum, who is majoring in Industrial Engineering, was named to the Dean's List of the College of Engineering, Mathematics and Science.

Samuel R. Schmidt of Kewaskum, who is majoring in Business Administration, was named to the Dean's List of the College of Business, Industry, Life Science, and Agriculture.

To be named to the Chancellor's List, students must earn a perfect 4.0 grade point average for the semester. To be named to the Dean's List of the College of Liberal Arts and Education, students must earn at least a 3.75 grade point average for the semester. To be named to the Dean's List of other UWP colleges, students must earn at least a 3.5 grade point average for the semester. About 775 of UW-Platteville's 5,200 students earned academic honors during the Spring 1999 semester.

....

4-H Trust Fund Seeks Contributions

The Washington County 4-H Trust Fund was established in 1984 to receive contributions from 4-H friends, families, members, businesses, bequests and other community sources. M & I First National Bank of West Bend is the trustee.

The fund's main function is to establish an on-going trust to receive and administer as deductible gifts and contributions made to increase and enhance opportunities for 4-H youth in Washington County.

All contributions made to the 4-H Trust Fund become invested principal. The interest is distributed to the Washington County 4-H Leaders Association, Inc. To further provide educational opportunities for 4-H youth and adult leaders. Opportunities include leadership workshops, speaking/poster/demonstration programs, scholarships, WI State 4-H Youth Conference, Citizenship Washington Focus, North Central Regional Leader Forum.

Anyone interested in contributing to the 4-H Trust Fund may contact Mike Yogerst, Chairperson at 628-2696 for more information.

The life you have led doesn't need to be the only life you have.

The last night of Thiemerdome play on August 4 found the Commercial Plumbing crew in unusually high spirits (what, no Bud Light?) as they puffed on big Cuban cigars and awaited their fate.

Everyone thought they were trying to keep the mosquitos away, which have been known to be just a tad aggravating. What the players don't realize is that Richard actually imports mosquitoes from Kewaskum to irritate his opposing players and distract them as they are up to bat. Every try swinging at a pitch and at a mosquito at the same time? It is physically impossible.

Upon investigation though, it was discovered that team owner Steve Stern and his star player, Tom Fischer, became grandpas. So much for the cigar theory. The commissioner of the Thiemerdome league was always curious as to how Steve got "Golden Glove" Tom to play for Commercial. Now the truth comes out. Steve's (I believe Kathy was there too, guys) son, Scott, is married to Tom's daughter, Amy. Now the question has come up from the Commissioner on whether they (Scott and Amy) married for love or was this just an "arranged" marriage by "sly like a fox" Steve to force Tom to play for Commercial Plumbing. So it goes with the "Days of the Players."

Anyway, the league, the commissioner, and anyone else vaguely associated with

a baseball, congratulations on the new addition to the families. (I wonder... was it a boy or a girl... and was this just a ploy to add another member to the Commercial team?)

As usual, the "Golden Glove" sure did his part to help out the Plumbers with good plays and a couple of hits that were in the right place at the right time. But Grandpa Steve also did his part and helped give the Plumbers the lead over Amerahn with good defense on both sides.

Old Roger "Dodger" Schneider again hit one over Larry "The Mouse" Sabish's head and again Larry had to tip-toe (sounds more like trampling to me) through Lori Thiemer's garden. Luckily Larry did not step on any of the tomato plants, but was easily distracted trying to make the play and stopped to pick a few weeds. Of course this gave Roger the opportunity to pick up a few runs, giving Commercial a 3-0 lead.

But in the bottom of the sixth, Amerahn came back with two runs before retiring. (Goodness knows these guys are practically all old enough to retire!)

Commercial looked like they were going to rally again, but Amerahn pulled another trick out of their hat turning the event into a double play to end the rally attempt. Then Amerahn put two ducks (darn it Richard, I told you to shoot those ducks!) on with one out and a chance to tie or better yet, win. But the Plumbers

came up with payback as they forced the Amerahnners into a double play to win 3 to 2. The grandpas were seen smiling as they walked (without their canes) off the field content with their victory and, of course, their newfound status in life.

The Wannabes had first in the bag, but wanted to have a NO LOSS season as the dethroned Amerahn team did for the past two years. Thiemer's came out with a sacrifice fly from Larry "Hammerin'" Martin to give his team a 1-0 lead.

With great pitching from Bob "DJ" Bonnenfant, it was three up, three down for the Post. Steve "Really Hurtin'" Herrick had Mike Staral take over pitching duties with a couple of walks and a left field line shot from John "Shortie" Thaxton which drove in two ducks and another shot that hit the gap from Mike Miller who drove in one more score.

The Post's Gene Wolf hit one but before it got back in the infield, speedy Wolfy managed a double and started "The Rally" with hits from Dennis Kurth, Rabbit Staral and Dennis Kuechler. This drove in two runs before the Post was stopped.

The next two innings were pretty tame on both sides as the Rabbit left Dale Thelen do the pitching. Post's Paul "Sneaky" Seymour got a triple which started the inning and Al Schweitzer drove Paul home. Dennis Kurth and Mike Staral helped the

cause for a tie, but hits from Mike Miller, Paul Lehnerz, Richard "The Head Sipper-Snipper" Thiemer and John "Fuzzy Bear" (don't even ask) Lehnerz helped to take the lead again and then held the Post.

The Sippers came back with a five run blast with hits from Mike Miller, 3x4, Paul Lehnerz, 3x4, Richard Thiemer, 3x4, Mark "Doodles" Strobel, John Thexton, 3x3, and Jimmy Klahn. A "Kodak Moment" play from Ron Nuoffer on first and a Gene Wolf diving play on the left field line to rob Fuzzy Bear out of a hit, retired the side.

Even Steve Herrick coming back to the mound and making a double play on the Sippers didn't help as it was too late to avert disaster. The Thiemer Sipper-Snippers upset the Post's perfect season, 10-4.

The Post, however, is the 1999 champs with Commercial Plumbing taking the Social Award. (We all kinda know what that involves, too, and it's a tough competition!)

Next week, we'll be reporting the play action from the Thiemerdome World Seriousless. Believe it or not... even the pace car was there!

Babies generally are able to sit unsupported at the age of six months.

Obituaries

EVON KETELHOHN

Mrs. Evon Ketelhohn, age 57, of New Fane, passed away on Wednesday, August 25, 1999 at St. Agnes Hospital in Fond du Lac.

She was born on February 21, 1942 in Waupun, the daughter of the late Alfred and Stella (Towne) Wegenke and on January 7, 1961, she was united in marriage to Leslie Ketelhohn at Immanuel Lutheran Church in Waupun.

Mrs. Ketelhohn was a member of St. John Lutheran Church in New Fane.

Survivors include her husband, Leslie, of New Fane; a daughter, Lauri (Kurt) Schmidt of Beechwood; a son, Timothy Ketelhohn of Sheboygan; a brother, Harold (Marion) Wegenke of Nashville, Tennessee; a sister, Arlene (Robert) Albrecht of Oakfield; five grandchildren, Jordan, Lorna and Andrea Schmidt, Eric Marten and Ian Ketelhohn; many brothers-in-law, sisters-in-law, other relatives and friends.

Funeral services were held at 1 p.m. on Saturday, August 28, 1999 at St. John Lutheran Church in New Fane. Rev. Mark Eckert officiated and burial followed in the church cemetery.

Friends called from 4 to 8 p.m. on Friday at the Miller Funeral Home in Kewaskum and from noon until the time of services at the church on Saturday.

Memorials in Evon's memory may be given to St. John Lutheran Church.

ROSETTA M. BRODZELLER

Rosetta M. Brodzeller, nee Meyer, of West Bend, died Tuesday, Aug. 24, 1999, at St. Joseph's Community Hospital, at the age of 83.

She was born Nov. 15, 1915, in Hartford, to the late Albert and Mary (nee Huth) Meyer, and married Oscar G. Brodzeller on June 16, 1936, in Theresa. He passed away on March 2, 1989.

Rosetta dedicated her life to her husband, children, grandchildren and great-grandchildren.

Survivors include five children, Mary Ann Batinich of West Bend, Harvey (Nancy) of Kewaskum, Harold (Gwen) and Thomas (Alma), both of West Bend, and Rosemary (Ron) Bath of Kewaskum; 12 grandchildren; six great-grandchildren; nieces, nephews and other relatives and friends.

Preceding her in death were a daughter, Louise; a brother, Leonard; and two sisters, Meta and Gladys.

Funeral services were held Friday, Aug. 27, at 10:30 a.m. at the Schmidt Funeral Home, West Bend. Fr. Gerald Brittain officiat-

ed, and burial followed in Holy Angels Cemetery, West Bend.

Visitation at the funeral home was on Thursday from 4:30 p.m. until the prayer vigil at 7 p.m. and also on Friday from 8:30 a.m. until the time of services.

IN MEMORY

In loving memory of JOHN SCHMITT, who passed away one year ago on Sept. 7, 1998:

Night falls,
but day dawns to replace it...

Grief comes,
but time will ease the pain...

Life ends,
but death cannot erase it...

In memory,
love always will remain.

Forever in my heart and on my mind - your proud wife, Clara Schmitt.

IN MEMORY

HELEN HORWITZ
Sept. 1, 1998

It's been one year since your pain and suffering ended. It seems like only yesterday and a hundred years ago at the same time.

Every day we talk to you in our hearts and minds even if your name does not leave our lips. Your spirit will always be with us.

Loved and sadly missed by Gerry, Kathy and their families.

In the Service

Army Reserve Pvt., Clayton D. Loehr has arrived at Fort Benning, Columbus, Ga., to complete basic military training.

During the training, the soldier will receive instruction in drill and ceremonies, map reading, tactics, military customs and courtesies, physical fitness, and first aid.

Loehr is the son of Greg J. Loehr of Campbellsport.

....

Wisconsin's Educational Future Looks Bright

By John T. Benson

The beginning of school -- what a wonderful, hopeful time of the year.

Think about it: The last school year of the millennium; the perfect time to look at the past and the future of education in Wisconsin.

At the beginning of the 20th century, free public education was only a dream for most young people who had to work on the farm or at some other job to help their families make ends meet. The average graduating class in the early 1900s stands in stark contrast to those of today. Less than 10 percent of seniors graduated and most were white males.

Things have done an about face. Today, the number of graduates is evenly divided between male and females, the number of minority students is increasing, and now, less than 10 percent of the senior class doesn't graduate.

In 1946, about 20,000 white males attending exclusive East Coast prep schools set the standard for the first college entrance examination. Public colleges and universities weren't even available to everyone until after World War II.

Now, Wisconsin sets the standard for other states. For five years in a row, we have led the nation in average ACT score, with 67 percent of the graduating class of 1999 taking the test. Every year, approximately 70 percent of our graduates -- male and female alike -- say they are going to continue their formal education.

Many can remember when young women had virtually no opportunity to take part in extracurricular offerings, where they could learn, grow, and excel. Today, everyone has the chance to take part in sports, drama, music, agricultural, and other non-cultural activities.

At the turn of the century, handicapped students rarely attended school. If they received any education at all, it was in a private institution. Wisconsin residents said that wasn't right. Today, our public schools

open their doors to all children, one of the few institutions that actually practice the equality of opportunity we hear so much about in America.

It's been a long and difficult journey, but a journey well worth taking. A world-class education is the key that unlocks the happiness and success of the future, and in Wisconsin we have come as close as any state or nation to making sure every young person has that key.

None of us knows what the future will bring, but we can get a pretty good look by focusing on a few facts:

* If, as many believe, we have the best students in the world, it stands to reason we have excellent teachers. Wisconsin educators are skilled, devoted to children, and experienced.

* Although aging, our schools are well maintained, safe, and equipped for the 21st century. For example, well over 90 percent of Wisconsin's public schools have Internet access.

* Despite the headlines, state schools and students are as safe as they have ever been. Goals 2000 recognized this achievement, noting already low incidents of crime and violence continue to decrease.

As we move into the 21st century, the students, parents, and citizens of Wisconsin can cross the bridge of education to the future with pride in their past and confidence in their future. Our young people are learning, and our young people possess more knowledge and skill than at any time in human history.

It has indeed been a

remarkable century in education.

When your children go off to school this year, shed a tear and be a little apprehensive. That's what parents and grandparents do. Remember, though, the future happiness and success of your son or daughter is being shaped and molded by over a century of excellence in academic achievement.

Campus Notes

More than 1,975 undergraduate students at the University of Wisconsin-Stevens Point have been honored for attaining high grade point average during the spring semester which ended in May.

Students who earned grade points of 3.90 to 4.0 (4.0 equals straight A) are given the summa cum laude designation(1). Magna cum laude citations go to those with grade point averages from 3.75 to 3.89 (2); and cum laude recognition is accorded to those with grade point averages from 3.50 to 3.74 (3).

Personalized certificates of scholastic achievement are being sent to those who earned summa cum laude distinction.

Twenty-six percent of the 7,587 undergraduate students at UWSP during the semester were recognized for their academic accomplishments.

Honor students include: (2) Katy L. Wolf, (3) Melissa L. VandenHeuvel of Allenton; (1) Chad J. Keller, (2) Gregg R. Serwe, (2) Lisa M. Urban of Campbellsport; (3) Tina M. Kamrath, (3) Jenny L. Plzak, (3) Melissa L. Theusch of Kewaskum.

Laughter is the one thing that doesn't need interpretation.

KHS Indian JVs Win Conference Title

The Kewaskum High School Junior Varsity finished the 1999 season 11-4 in conference play and were officially in first place. Team members, shown above, front row, left to right: Noah Koch, Josh Krahn, Jon Boedeker, Justin Rhodes, Kevin Schneider. Row two: Coach Kevin Klahn, Adam Hubacek, Luke Kehres, Tom Ogi, Jake Peterson and Tony Fitts. Missing: Josh Parrent.

Hand Quilting Demonstration

The Campbellsport Quilters Group will be meeting at the Campbellsport Public Library on Tuesday, September 7, at 6 p.m.

The group has had tremendous success and plans to begin work on many different projects. At this month's meeting there will be a demonstration on hand quilting.

All participants are invited to bring a hoop, needle, thread, batting and two pieces of fabric. Bethana Herriges, one of the organizers for the group work will also begin on a block a month that will eventually result in a completed quilt for each member.

Once the quilts are successfully completed they will be displayed at the library. All quilters are welcome to participate in the Campbellsport Quilters Group. For more information please call the Campbellsport Public Library at 533-8534.

AUDITORS

Serigraph, Inc., one of the top 100 printing companies in the nation, has full-time openings on second and third shifts for motivated, dependable individuals.

We currently have excellent opportunities for auditors on 2nd and 3rd shifts for candidates that have a steady work history. As an auditor you will conduct audits in work cells on finished products on a select number of customers. Previous inspection, quality, and shipping experience are preferred.

These positions have the potential to open the door to an exciting career in the printing industry. Serigraph provides competitive wages and an excellent benefits program that includes health, dental, and life insurance, paid vacation and holidays, 401k with employer match, profit sharing, vacation purchase, fitness center and rewards for wellness activities. We provide a clean, climate-controlled environment.

Please apply in person, Monday - Friday, 8 am - 4 pm, at:

Serigraph inc.

3801 E. Decorah Rd., West Bend, WI 53095

AN EQUAL OPPORTUNITY EMPLOYMENT M/F/V/H
Serigraph conducts pre-employment drug testing.

NOTICE

Village of Kewaskum

Wood Chipping for the 1st Monday of September will be Tuesday, September 7, due to the Labor Day holiday. (3rd week will be regular schedule, Monday September 20)

Please follow these requirements:

1. Place large (butt) end toward the street, at the curb.
2. Pile branches no more than 2 feet high; a long low pile is best for feeding the chipper. Leave a gap in the pile every 8 feet.
3. For small brush, TIE IN BUNDLES with string or twine. NO boxes, bags or cans of branches will be chipped. (Reason, is that stone, gravel, wire, metal or dirt enters the chipper it will destroy the knife edges on the chipper, delaying our chipping until the knife is replaced and resharpened).
4. No roots of any kind, or material with any dirt on it.

Note: Yard waste, garden plant waste, corn stalks, sun flower stalk, leaves, grass and materials that will rot down in a compost pile can be brought to the DPW yard and placed in the yard compost bin.

Hours are 7:00 AM to 3:30 PM Monday - Friday.

Summer hours for Saturdays will continue from 9:00 to 11:00 a.m. at least thru September.

Village Board Meeting Minutes

Village of Kewaskum
Plan Commission
June 22, 1999
7:00 p.m.

The Plan Commission of the

Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Robert H. Wagner called the meeting to order. Members present were Richard Schmidt, Theodore Meilahn, Andy Pesch, LeeAnn Butchlick, and Administrator Daniel Schmidt. A quorum was present. Frank Beesten and Michael Kimble asked to be excused and were absent. Trustee Robert Stoltzmann and Rick Kania from SEWRPC were also present for the discussion.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by Theodore Meilahn, seconded by LeeAnn Butchlick and unanimously carried by voice vote, the Commission approved the minutes as corrected, for May 25, 1999.

Mr. Rick Kania was present from SEWRPC to review Section 7.00, "Nonconforming Uses, Structures, and Lots", Section 9.00, "Performance Standards", Section 11.00, "Zoning Board of Appeals" and Section 12.00, "Changes and Amendments". Several questions were asked by the Commission Members of Mr. Kania. It was noted that the enforcement of Section 9.00, Performance Standards would be carried out by technical people, schools, engineers etc. The lighting portion of Section 9.00 may have some adjustments to it at the next dis-

cussion. Mr. Kania noted that if any one has a question they should bring it up as soon as possible.

On a motion by Richard Schmidt, seconded by Andy Pesch and carried by the majority roll call vote, the Commission adjourned the meeting.

Roll call vote was 5 "Aye" 0 "Nay" 2 "Absent".

Kewaskum Indians Football Preview

Coach Perry Koth begins his fourth year as head coach of the Kewaskum Indians this season, and he is looking for it to be his best one.

Koth has seven starters on offense and eight on defense returning from last year's squad including the entire left side of the offensive line.

Brian Prost (senior, 5'10", 168) returns at the tight end position. Next to him at tackle will be Scott Willkomm (senior, 5'11", 209). The guard spot will be filled by two year starter Nick Martin (senior, 5'10", 201), and returning at center is Adam Sauer (senior, 6'2", 233).

On the right side of the line Koth expects the guard spot to be filled by Jason Farchione (junior, 6'0", 235), although transfer student Dan Silver (junior, 5'11", 184) has been making a strong bid to break into the starting lineup.

At tackle Tim Bonlender (senior, 6'4", 243) returns after sharing time with Cory Radtke last year. The other tight end position will be hard to fill after the loss of John Warnecke (who will be playing for Carthage College this season) to graduation, but it looks like Adam Beck (senior, 6'1", 177) and Charlie Sparks (junior, 6'2", 177) will be manning the position.

In the backfield, Jason Strobel (senior, 6'1", 173) returns to his starting running back position, along with returning fullback David Lettow (senior, 5'10", 195). Lettow, however, will move to a running back position and Mike Farchione (senior, 6'1", 202) will run at fullback.

At quarterback, two year starter Josh Gaffke left via graduation leaving the position without an experienced player. Chris Koth (senior, 5'10", 165) and Bob Ogi (junior, 6'0", 190) will be competing for the job, with Koth being the anticipated starter.

Coach Koth has liked

what he has seen from running backs Jim Thelen (senior, 6'0", 149) and Chris Canter (sophomore, 5'11", 170), especially the speed they bring to the running game and expects both of them to see plenty of time in the backfield this year.

Jason Gruber (senior, 5'7", 150) has also run well at the fullback spot and is expected to spell Farchione at that position. While Jake Peterson (junior, 6'2", 180) and Troy Kedroske (junior, 6'1", 159) may challenge one of the TE positions.

Koth feels that experience, depth at the skill positions, team speed and athleticism will be the strength of the offensive unit this year. "We expect to be able to run the ball better than we have in the past," reports Koth about his expectations of the offensive unit. Justin Wenninger (senior, 5'9", 127), Aileen Chambers (junior, 5'5", 191) and T.J. Stopar (junior, 5'10", 169) and Josh Hawig (junior, 6'2", 155) are the other offensive players challenging for a position.

On defense, Koth returns the entire secondary and linebacking units. Strobel will return to his free safety position with Jim Thelen and Curt Koth (senior, 5'10", 140) starting at the corners. Both Thelen and Koth shared time at the positions last season.

Chris Koth, who started at cornerback last season,

will move up to an outside linebacker spot and at the other outside linebacker spot, Adam Beck returns. At inside linebacker, Bob Ogi returns after having a solid year last year and next to him will be Aaron Seiser (senior, 6'0", 161) who came on strong at the end of last season.

The defensive line will bring back two starters, both defensive ends, Dan Uniewski (senior, 6'0", 230) who played tackle last year, but will anchor down one end position this year, and Mike Farchione will once again return to his right end position.

The two tackle positions are expected to be played by David Lettow and Dave Rabuck (senior, 6'3", 165) with Paul Becht, Ray Prellwitz, and Dan Silver challenging for one of the spots.

Defensively, Koth is returning to the 44 stack defense he used for most of the years he was defensive coordinator for the Indians. "We have very quick athletic linebackers and defensive backs, so it seemed to be a logical move for us," said Koth about the reason for the change. "We also have some very aggressive linemen that this defense will work well for."

Kewaskum should be very strong in their kicking game as two year '97 and '98 first team all conference kicker Chris Koth returns.

Koth was also second team all conference punter last year. Koth has a strong leg and often times his kickoffs land in the endzone for a touchback. Koth has plenty of leg and is expected to be able to attempt a field goal from anywhere inside of 55 yards this season.

As far as how his club will do this year, Koth has the following expectations: "We expect to make the playoffs and we expect to challenge for the championship this year. We have a very good team this year, but we will have to stay healthy to reach our goals

and it will be very important for us to play each week one game at a time."

Teams expected to be strong this year are Campbellsport, Roncalli, and Sheboygan Falls.

This season is one that coach Koth will probably remember for a long time. It is his 20th year of coaching football, his senior twin sons, Chris and Curt, will be playing on the team for the last time, and Campbellsport returns to the same conference after being gone for 20 years.

BOB HACKBARTH SR.
& BOB HACKBARTH JR.

Beware of the Hidden Tax

By Rep. Glenn Grothman

As the budget process drags on, politicians from around the state continue to accept thanks for spending more and more money.

Lobbyists for the teachers union, social workers, school boards, universities, transit workers, and all other groups are looking for government money may keep the pressure on to spend more. However, as taxpayers get madder at spiraling property and income taxes, politicians are resorting to tricks in order to take money from the taxpayer without the taxpayer realizing it.

A prime and scary example is a proposed public benefits package which is part of the Electric Reliability Bill (Reliability 2000) being put in the State Budget. The State of Wisconsin requires utilities in this state to provide free heat to specific numbers of people. The state also will require additional money to be spent on energy conservation and efficiency.

As part of original Assembly Bill 389 (Relia-

bilty 2000) which was requested by Governor Thompson and is in the current budget package advocated by Sen. Chuck Chvala, utilities would be required to charge additional fees estimated at \$47 million per year to fund these programs.

The first point of interest is that this is just one more example of how Wisconsin is one of the more generous states at giving away people's money. A study of 11 other states shows Wisconsin to be well over the national average in the amount spent on these types of programs. On the amount spent per capita on low-income public benefits, we were the highest of 12 states studied. There is, of course, also anecdotal evidence that some people on low-income assistance abuse this program.

The greater concern is that this fee, charged by utility companies will not appear on your electric bill. Unlike your income property, or sales tax where you can see what the government is forcing you to pay, this fee will be buried in

your electric bill.

This seems to me to be an especially unethical way for politicians to spend your money. This continues the trend set in the last budget when the TEACH program, which funds internet access for schools and libraries, was funded through a Universal Service Fee charged to telephone customers which does not appear on your phone bill. While it is certainly a good thing for high schools to be connected to the internet, it would be fairer if you knew you were paying for it.

I voted to remove the additional fee from the Electric Reliability Bill when it was a separate piece of legislation. I am afraid the political establishment in Madison will reinsert this \$47 million a year mandate on utilities as part of the final budget. The utilities themselves are not fighting this because they simply pass it on to you the consumer. The Reliability 2000 provides numerous other benefits to them, which I support.

Unfortunately, there are no lobbyists for the average

citizen. Because this is considered a fee and not a tax, politicians will brag about tax cuts without including this hidden fee increase. This is the type of thing that justifiably causes people to distrust politicians.

Please let me know what you think on this issue. Contact me here in Madison -- please call 1-888-534-0059.

Indians Bury Milwaukee North, 60-6

If you missed Kewaskum's football opener this year, you missed the most explosive point production the Indians have had in over 20 years.

The Indians scored 52 points in the first half enroute to a 60-6 opening game victory over Milwaukee North. There was no doubt early about the outcome as the Indians scored on their third offensive play as Jason Strobel raced around the left end for a 30 yard touchdown just four minutes into the game.

It was only the start, however, as Kewaskum scored three more touchdowns and kicked a field goal before the end of the first quarter for a 32-0 lead. Strobel looked like the missing Barry Sanders of the Detroit Lions as he scored four touchdowns in ten carries for 160 yards and also caught a two-point conversion catch from quarterback Chris Koth to make it 11-0.

After the Indians recovered a fumble, Chris Canter caught the only pass the Indians would throw in the game for a seven yard touchdown from Koth. Canter, only a sophomore, was moved up to varsity after an impressive performance at the scrimmage in West Bend.

Koth's PAT kick was good and the Indians led 18-0 with 3:03 left. After yet another fumble, it was Strobel again as he took it in from three yards out (Koth kick) and it was suddenly 25-0 with 2:42 left.

The Indians were not finished yet, though, as Strobel intercepted a pass and on the last play of the quarter, ran 28 yards on a counter to strike paydirt for the third time. Koth's kick made it 32-0 after the end of the first quarter.

The second quarter saw Kewaskum empty its bench as all the backups and even six sophomores that were suited up for the game saw plenty of playing time. As substitutions were being made, senior running back David Lettow plunged into the endzone on a two yard run (Koth kick) to increase the lead to 39-0 with 10:01 left in the second quarter. Then with 8:24 remaining, junior Josh Hawig intercepted a pass and returned it 29 yards to set up another Indian score. Senior full-back Mike Farchione got into the act with a one yard touchdown run of his own (Koth kick), making it 46-0.

With many of the upper classmen on the sidelines, it was sophomore Justin Rhoads turn to find the endzone as he raced around right end on his first carry on the varsity team for a 30 yard touchdown run. Koth's kick made it 53-0 at the half.

With a running clock in the second half (required when one team is ahead by

more than 35 points), Kewaskum failed to score but Milwaukee North was able to find the endzone for its lone score of the game.

A medium sideline pass that sophomores Tom Ogi and Tony Fitts collided on as they tried to intercept it, ended up in North's T. Bronx hands and he scampered 43 yards for the score. The two point conversion failed, so the score stayed at 53-6 going into the fourth quarter.

Because the starting players for the Indians had only played about one quarter, Koth decided to let them try to sustain one last drive to eat up the clock. Unfortunately the plan didn't work as Strobel raced 58 yards for the final score of the game (Koth kick), 60-0.

"We totally dominated every aspect of the game," said Koth. "Our offensive line created huge holes for the backs and the backs knew what to do after that. Jason (Strobel) had a great game, Koth stated, adding, "I am really pleased with

the offensive line. Scott, Nick, Adam, Jason and Tim really dominated the line of scrimmage tonight."

For the night, the Indians rushed for 360 yards on 43 carries to North's 19 yards on 21 carries. Chris Koth threw only one pass but it was complete for a seven yard touchdown and he also was 7-7 on extra point kicks and 1-1 on field goals (29 yards) for the evening.

Defensively the Indians held North to 99 total yards and only four first downs. "We totally dominated them defensively. They often times could not get the ball out of the backfield on the option they were trying to run," said Koth about the defensive units outstanding performance.

Dave Lettow, Dan Uniewski, Bob Ogi, Aaron Seiser, Adam Beck, Jim Thelen, Koth and Strobel all played exceptionally well. "We forced six turnovers because of our intense pressure in their backfield. In the 20 years I've been

coaching here, I've only seen one other performance like this one, and that was in 1983 when we beat Milwaukee Juneau, 52-0. In fact, three of the assistant coaches at Kewaskum were on that team. Dennis Butz, Tim Rohlinger and Dave Pesch all played on the 11-1

conference championship team that lost at the state finals that year," Koth added.

Kewaskum will try to continue their winning ways on Friday, Sept. 3, at Horicon. Game time is set for 7 p.m.
