## Annual KEYS 5K Run/Walk October 10

Bikes, rollerblades, Badger sweatshirts and hundreds of dollars await the participants of the sixth annual KEYS (Kewaskum Youth Scholarship) 5K Run/Walk on Sunday, October 10.

The Run/Walk, held in conjunction with Kewaskum's Kettle Kountry Kolors begins at 11 a.m. on the south end of Parkview Drive at River Hill Park. As always, the money raised will be used towards scholarships for graduating Kewaskum High School students. Although registration is accepted up until (and on) race day, the pre-registration deadline (to insure a proper-sized t-shirt for each entry) is Monday, September 20.

Again this year, students at each of the Kewaskum schools will have opportunities to win great prizes at their individual schools. Other prizes have also increased. Ray's Shoes will award cash amounts of \$100 for first, \$75 for sec-

ond and \$50 for third to male and female winners.

Additionally, any individual male and female setting a course record will receive a bonus award of \$200. Medals will also be presented to the first three male and female finishers per age group. The children's age groups have been expanded to allow more children to win medals.

Pledge incentives continue to grow. At the \$750 level, people can receive a Trek 800 Sport Mountain Bike or \$250 gift certificate. \$300 in pledges will receive either a portable CD player or a gift certificate from Pedal Moraine at a value of \$60.

At the \$200 level a \$24 gift certificate in movie passes to Paradise Theater in West Bend or \$22 gift certificate from The Exclusive Company in West Bend can be earned. \$100 will receive a high-quality embroidered sweatshirt (choice of Wisconsin or Green Bay) and on the \$50

level, pledges will receive a complimentary gift certificate from Kewaskum Subway. Prizes are cumulative up to, and including, the \$200 level!

Advance registration is \$12 per person, or \$36 for a family of four (\$8 each additional family member). The fee for those waiting until race day is \$15. Registration forms are available at Kewaskum High School, Miller's Furniture in Kewaskum, West Bend Savings Bank and the Kewaskum Statesman.

New this year: five new age groups for ages 15 and under; 5K Race Walk with awards to top three male and female and FREE KIDS RUN for ages six and under at 12:00 (same location as 5k Run/Walk). Something for everyone!

To get in on the fun (and the prizes) make sure to register for the KEYS Scholarship 5K Run/Walk. Any questions feel free to call 626-2184.

## Bradley Miscikowski Is Children's Champion

WAUWATOSA -- Bradley Miscikowski, 8, of Kewaskum, has been chosen to be a Children's Champion and will participate with his family in the Briggs & Stratton Run & Walk for Children's Hospital (formerly Al's Run & Walk).

Children's Champions represent all children whose illnesses or injuries have required the specialized services at Children's Hospital of Wisconsin. They are a reminder of the children who have benefitted from this event over the past two decades.

On Saturday, September 25, Bradley, son of Steve and Sharon Miscikowski, will be among the Champions and families near the starting line.

Bradley was diagnosed at Children's Hospital with acute lymphocytic leukemia in June of 1997. He received chemotherapy and was in remission until November 1998. In February 1999, Bradley underwent bone marrow transplant. He currently is undergoing follow-up care in the Hematology/Oncology/Transplant unit.

Bradley is a second grader at Holy Trinity School in Kewaskum. "He plays soc-

cer and baseball and loves to ride his bike," Steve Miscikowski said.

It was to help children such as Bradley that Al McGuire, former Marquette University men's basketball coach, started the run and walk in 1978. Since then, more than 419,000 participants have raised more than \$3 million for the hospital.

Traditionally, proceeds from the event have benefited the Pediatric and Neonatal Intensive Care Units at Children's Hospital. This year, participants will be able to designate the programs they would like their pledges to benefit. Undesignated gifts will continue supporting the intensive care units as well as the Hematology/Oncology/Transplant Unit, where children with cancer and a variety of blood disorders are treated.

Children's Hospital of Wisconsin, founded in 1894, is one of the leading centers for pediatric health care in the United States. Private, independent, and not-for-profit, it serves Wisconsin and the Upper Peninsula, providing for the health care needs of children, regardless of race, color, creed or ability to pay.

## Twelve Little... Eleven Little... Ten Little Pig Kissers...

Here it is voters... the moment we've all been waiting for and I would imagine the suspense is just about killing everyone. I can't decide if I should bore everyone with my nonsense about the pig kissers or if I should get right down to it and tell you who was eliminated and who is still in the running.

This is such a power trip because there is only about three or four people who know who made it to the semi-finals. We took the voting boards out of all the polling places and as yet have not returned them to keep you all in suspense! (See, it does pay to subscribe to the Statesman... readers will be the first 2,800 people to know)

Now people at our polling places, don't panic. It wasn't intentional that we did not bring your voting boards back. Purely a lack of time.

Putting a newspaper out, unfortunately, still has to take priority around here. Why, I don't know, but Marcie gets real irate if we don't keep our nose to the grindstone on Monday, Tuesday and Wednesday.

And we wanted to revamp the voting boards and have Denny cut them in half so they wouldn't take up quite so much room in the polling places. And now, we have two additional boards to put in somewhere for your voting convenience. If anyone has any ideas, please call the Statesman, or if you think your business is the ideal spot to put up a voting board, give us a call.

As we get down to the wire now, we want to give everyone an opportunity to vote for their favorites. And if you see Andrew on the street, please tell him to get the voting cannister for Bob Bonenfant down to WBKV-WBWI so all his fans can vote for him. Oops... I think I may have just let a national secret slip...

Okay, before I let any more top secrets out, I better share the names of the

rest of the semi-finalists with you.

### THE TOP TEN SEMI-FINALISTS (Alphabetical Order)

JEANNE AMERLING  
PAUL BECHT  
BOB BONENFANT  
JIM EISCH  
ROY GARBISCH  
CANDI HEBERER

(Continued on Page 2)

## Village Fire Hydrant Alert

As a special precautionary notice, Village of Kewaskum residents are to be aware that the Kewaskum Fire Department will be using the community's fire hydrants for practice this Thursday, Sept. 16, beginning at 6:30 p.m.

Residents may experience discolored water for a few days after, which may affect your laundry washing. Thank you for your cooperation.

## Kewaskum Blood Drive Needs You!

A blood donor recently stated, "I donate blood out of a sense of service and supporting others, just as they would do for me if I needed medical support."

What good is a blood donor? A blood donor is good for people who go through windshields and red lights. For someone with cancer, hemophilia or anemia. Or hepatitis. Or ulcers. For people being operated on... For people who are almost out of life because they're almost out of blood.

For the little girl who doesn't know that leukemia has happened to her or why. For a little boy who needs something revved up that wound down... like energy. For people who have open heart surgery... for people feudin' and fightin'. For people burned pretty bad... for daredevils... tree climbers...

for people in the wrong place at the wrong time. A blood donor is good for people who are in a lot worse shape than most people you know. For someone who needs a little of your blood... a lot.

On Wednesday, September 29, the Kewaskum Community Blood Drive will be held at the Kewaskum High School Choir Room from 1 to 6 p.m. This will be your opportunity to help others who might find themselves in need. More than 450 pints of blood are needed every day to meet the needs of patients in 29 southeastern Wisconsin hospitals.

All this blood must come from volunteer donors. The record number of volunteer donors for the Kewaskum Community Blood Drive is 76. With your help, organiz-

(Continued on Page 2)

## Kewaskum PD to Give Out Green Bay Packer Cards

The Kewaskum Police Department has again joined in the Green Bay Packers Card Program which has police officers carrying Green Bay Packer football cards with them for distribution to those who ask. The cards not only have a picture of the individual player but also contain a public service message.

There are a total of 20 cards and four new cards will be given out every Monday. The distribution began last Monday, September 13. Each set of cards will be given out for a week.

The funds to purchase the cards were donated by

St. Francis Bank of Kewaskum. Police Chief Richard Knoebel said, "I am very pleased that St. Francis Bank has helped us to stay in this worthwhile program. This type of program gives the young people of our community to have a one to one interaction with a police officer on a positive note and with the success of the Packers this will continue to be a popular program."

Knoebel went on to say, "Youngsters wanting cards should wave down an officer or approach them while they are parked on on foot patrol. If the person wanting the cards runs out into the road before the officer stops, they will not receive cards. We are trying to make this program as safe as possible. As an added outlet for the cards, our school crossing guards will also have cards to give out."

## BLOOD DRIVE

(Continued from Page 1)

ers are hoping to do as well or better on September 29.

Donors must be 17 years old or older, weigh at least 110 pounds, be free of symptoms of a cold, sore throat, flu or allergies on the day you donate and not have had hepatitis.

All donors will be asked to provide their social security number and must present some form of identification when making their blood donation. Acceptable forms of identification are a picture ID with a signature or blood donor ID.

The actual donation of a pint of blood takes approximately seven minutes. Plan 20 minutes prior to the donation to give medical history and to have your temperature and blood pressure taken and 10-15 minutes after the donation for some refreshments.

Each and every time you give blood, you give a piece of your life that will live on in someone else. You give hope! Please seriously consider donating with a special appeal for first time donors. You may help a total stranger or someone here in our community.

Reserve an hour on Wednesday, September 29. Donate blood at the Kewaskum Community Blood Drive.

(Continued from Page 1)

**DICK KNOEBEL  
JOYCE KRAL  
ANDREW KUEHL  
JENNIFER TIMBLIN**

Eliminated were Scott Timm, Craig Gruber, Melissa Lark, Marie Joers, Mike Yahr, Bob Buddenhagen, Kelly Morenzi, Aggie Fleischman, Richard Thiemer and Jeanne Marchant.

In spite of a last minute check, Bob Buddenhagen's relatives in Milwaukee just couldn't pull it out for him. Bob and Jeanne Marchant narrowly missed the competition with 474 votes and 568 votes respectively. The next highest contender that stayed in the running had 574 votes, only six votes ahead of Jeanne. See... I told you... for sixty cents more, one of you voters could have kept Jeanne in the running. And I know how disappointed Jeanne

must feel... missing out on the fun by only 60 cents. Where were you when we needed you to vote, Carole? Jeanne was depending on you!

Nevertheless, I guess Jeanne will just have to wait until the next contest. Jeanne rather kiss a chicken anyway, I think. Perhaps the next contest should feature a chicken. That might be a whole different ball game. Or perhaps a donkey. Don't even go there!

Now it's up to the voters again. Man, we seem to be putting alot of pressure on them. And just think how those that were eliminated feel! But I guess the fun just couldn't go on forever. Well, I think it's fun anyway, but I'm not a contestant. Yay!! It's tough to lose when you run for political office or president of a community organization, but to be a loser in a pig-kissing contest? Is that a good or a bad thing? (When I lost, I was elated, and breathing and sleeping was much better at

night).

As it stands now, there's only a little over four weeks until Kettle Kountry Kolors when this contest will culminate into someone kissing the lucky pig. (Piggy is still smiling!) You can vote for one of your favorite ten finalists until September 30 when we will be getting down to the final five. The few... the proud... the pig kissers!

Voting boards will go back up in the polling places as of September 15. Current polling places are Video Post, Kewaskum Mobil, Kewaskum Statesman, and the Silver Platter. Or mail your anonymous votes in to:

Kiss the Pig Headquarters  
P.O. Box 98  
Kewaskum, WI 53040

Now here is another glitch... if you have a definite favorite that you are adamant about seeing get ahead in this contest... please don't hesitate to get a coffee can or a bag or box or even an envelope and

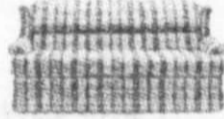

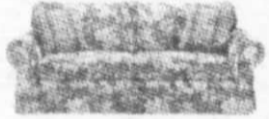

canvass your neighborhood or favorite watering hole and solicit votes. It all goes to a good cause... giving you the best possible Kettle Kountry Kolors festival this year and next.

The festival committee will be eternally grateful and the remaining pig-kissing contenders will forever be in your debt... yeah, right!

No matter how you look at it, we're down to the wire, now, and the next few weeks should be VERY INTERESTING. And as soon as I can get that piggy to hold still long enough, we'll do an investigative interview and see just how the old boy feels about our remaining candidates. Be there...

## Preserving the Legacy of Our Past: Historic Preservation, Restoration and Adaptive Reuse

As part of a collaborative public awareness campaign, a special preservation program entitled Preserving the Legacy of Our Past: historic preservation, restoration and adaptive reuse, will take place at the Washington County Historical Society. The Washington County Historical Society (WCHS) together with UW Extension, The Wisconsin State Historical Society, The Wisconsin Trust for Historic Preservation and the West Bend Downtown Association have joined to sponsor this informative event which focuses on preservation.

The special event will take place on September 21, 1999 starting with an open house at the Old Courthouse Museum. Visitors are encouraged to tour the museum on their own and enjoy refreshments from 6:00-7:00 p.m. Due to the extended program that evening, a brief membership meeting has been planned and will take place in the Attorney's Room at 6:30.

The special preservation program will begin at 7:00 in the circuit Courtroom on the second floor of the Museum. Joe DeRose, from the Wisconsin State Historical Society, will discuss the basic tools used in researching the history of a property. DeRose will review where historic documents are located and how to use historic maps, tax records and directories. DeRose has a Masters Degree in Public History, from Loyola University of Chicago, Illinois and has worked as a Historian for the Division of Historic Preservation at the State Historical Society since 1990.

Talking on rural and community historic preservation will be Charles S. Law, Ph.D., from the University of Wisconsin-Extension Local Government Center located in Madison where he is a Community Planning and Design Specialist. Law will examine the national perspective on rural historic preservation and will trace how the state of Wisconsin has responded with its own programs and legislation aimed at extending traditional historic preservation activities into rural areas and communities of the state. Included will be discussions on the state's Main Street program and the Wisconsin Barn Preservation Initiative, along with some of the unique challenges rural areas and communities face as they attempt to preserve their historic character.

The third special speaker will be Mike Hamer, the Executive Director for the Wisconsin Trust for Historic Preservation, who will review preservation projects on both the state and local levels. Speaking about local

landmarks, Hamer will examine the importance of these properties to neighborhoods and review his examination of the Father Rehl property where he visited last fall. The Wisconsin Trust for Historic Preservation is a non-profit organization dedicated to protecting historic properties and challenging citizens to get involved in protecting irreplaceable historic build-

ings. The program will end with a panel discussion for questions and answers. The program is free and open to the public. The Old Courthouse Museum is located in West Bend at 320 S. Fifth Avenue. For more information call (414) 335-4678.

## KHS Booster Club Announces New Merchandise, Lists Accomplishments

The Kewaskum High School Booster Club has begun this 1999-2000 school year with the availability of new merchandise. Summer and winter wearing apparel includes fleece, sweatshirts, henleys, polo shirts, denim shirts, caps, bucket hats, and blankets.

This is a joint effort with student recommendations and assistance of the FBLA (Future Business Leaders of America). These will be available for purchase and/or orders at various home athletic events and the Kewaskum Kettle Kountry Kolors festival held Homecoming weekend in River Hill Park.

The Booster Club will be hosting the Tailgate Party for Homecoming on Friday, October 8.

The first meeting of the Booster Club will be held Monday, September 20, at 7 p.m. in the High School library. They are looking forward to a busy and exciting school year. The purpose of this organization is to promote interest and help support all co-curricular activities at Kewaskum High School. If you are interested in supporting your kids and helping out with the activities, you are encouraged to join.

Through a variety of activities, such as play and athletic concessions, craft fair concessions, clothing sales, Homecoming Tailgate, and the three-on-three basketball tournament, the Booster Club raises money to be used for such items as are listed below. All money raised by the Booster Club is used for the sole benefit of the students involved in co-curricular activities.

Accomplishments include:

purchased and erected lights for the athletic field, accomplished in just over one year; purchased ice machine for athletics, used for injuries; purchased portable clock/scoreboard for soccer and wrestling; purchased two gas grills for Booster and Band concessions; purchased microwave for concession stand; purchased and had installed new speaker system for athletic field; purchased weight machine for weight room; purchased portable bleacher for soccer, softball and tennis; donate money for Post Prom; purchased basketball backboards; purchased basketball scoreboard for field house; MVP (Most Valuable Person) award plaques extra-curricular activities yearly.

The Booster Club is currently participating in the Football Sweepstakes as a fundraiser, which will involve the second half of the NFL season. Tickets are available from Booster Club members as well as at the previously mentioned events.

If you are unable to attend the meetings (held the third Monday of the month), but could contribute some time and interest, please contact one of the officers. Officers for the

1999-2000 season are President Mary Miller (692-2715), Vice President Anne Martin (626-2631), Secretary Mary Kraft (629-9917), or Treasurer Pam Schwinn (338-0319).

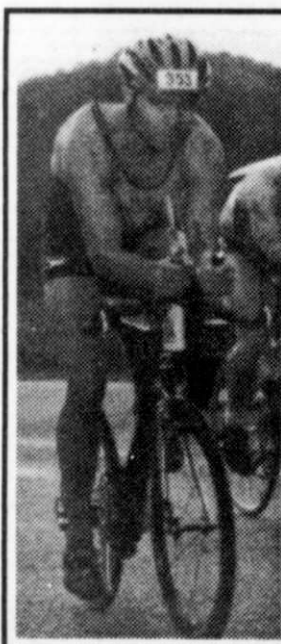

### Retired Educators To Meet Sept. 21

Washington County Retired Educators will meet at Heidel's Restaurant in Jackson on Tuesday, September 21. Coffee will be at 9 a.m. with the meeting scheduled for 9:30.

The program will be presented by Marma McIntee, The Family Living Educator, UW Extension. She will discuss "Y2K: Am I Read?" and will consider food and water distribution, preparation at your savings and banking institutions and your medical needs.

Contact Hazel O'Meara, 4555 W. Highway 33, West Bend, to make reservations.

# KES Playground a Community Effort

Playground volunteers braved the drizzle and the mud in assembling the first part of the new equipment.

Students try out the new playground equipment during the first week of school.

Third grader Rex Voge makes his way up the ladder to join his classmates on the second level.

Elephants are called pachyderms, from a Greek word meaning thick-skinned, but their skin is surprisingly tender. To protect themselves from sun and insects, they roll in mud. Unlike other mammals they don't have a layer of fat under their skin to protect them from the cold. They get stomach cramps if the temperature drops below 35 degrees.

With help from Yahr's Ready Mix and a dedicated group of Kewaskum Elementary School students and parents, KES students now have new fun, durable, and colorful playground equipment for the new school year.

Enduring cooler temperatures and a steady drizzle that turned the playground into mud, the parents and kids assembled the climbing and sliding equipment (including a huge green dinosaur) that was earned through last year's Mr. Z's fundraiser.

A KES playground committee entertained equipment ideas from three companies before settling on that from Gametime.

Concrete for the project was donated by Yahr's Ready Mix, Caryn Lewandowski brought hot cocoa, and the KES PTO supplied lunch for the volunteers

during the eight hour task.

Volunteer playground workers included committee members Jill Ebert (with husband Steve and sons, Nick and Joseph), Ruth Butler (with husband Bob and KMS daughter, Megan), Mary Jo Rodenkirch (with Leah and Weston), Mike Kimble (and Brett), Dawn Marchant, and KES Principal Kieth Kriewaldt. Also volunteering were Caryn Lewandowski (with her children, Nick and Lindsey), Laurie Olson, Travis Wollner (who also drove the Yahr's truck), Laurie Beinborn (and son, Justin), Jenny Huf, Jodi and John Strobel (with Jenna), Keith and Karen Reichert, Lee Bunkelman (and son Adam), Neal Weare, and school custodians, LeRoy Reed and Leon Laatsch.

Many thanks for a great community effort (sorry if anyone was overlooked)!

## Melissa Theusch Appointed to UWSP Environmental Group

A Kewaskum student has been appointed to serve as an executive board member of EARTH (Environmentally Aware Residents Thinking Holistically) at the University of Wisconsin-Stevens Point.

Melissa Theusch, daughter of Ron Theusch of Kewaskum and Aggie Fleischman, 326 First Street, Kewaskum, is the secretary of EARTH, which strives to create a living environment fostering community involvement, self-motivation and sustainable ecological living by providing opportunities for environmental action, education and recreation.

A 1998 graduate of

Kewaskum High School, Theusch is an environmental education major at UWSP. She will be representing Knutzen Hall.

At UWSP the residence life program is an integral part of the total educational package. Residence life staffers recognize that learning continues outside the classroom and a great deal of planning goes into making each floor in each residence hall a positive environment in which to live and learn. Each hall has a full-time director and each floor has a resident who serves students as a community advisor.

## Heise Inducted Into National Society of Collegiate Scholars

MADISON -- Alison Heise, daughter of Mark and Kris Heise, Beechwood, and 1998 Co-Valedictorian of Kewaskum High School, has accepted membership in The National Society of Collegiate Scholars and will be honored during a campus ceremony this fall at the University of Wisconsin-Madison.

The National Society of Collegiate Scholars (NSCS) is a highly selective, national, non-profit honors organization. Founded in 1994, NSCS recognizes first and second year undergraduate students who excel academically.

The Society was estab-

lished on the principle that with scholarship comes a responsibility to develop leadership and a duty to perform service.

"NSCS provides the opportunity for students, like Alison, to be recognized for their outstanding academic accomplishments early in their college experience," said Steve Loflin, NSCS Executive Director. "Alison will also have the opportunity to join other high achieving college students in developing leadership skills and a sense of civic responsibility."

## Weekly Meeting of Separated, Divorced

The Washington County separated, divorced and widowed men and women support group meets weekly every Friday from 7:30 to 9:30 p.m. at the Holy Angels Church, 138 N. 8th Avenue in West Bend.

Their purpose is to provide a means to share ideas, concerns, support, fellowship and love from a Christian perspective. There are guest speakers, panel discussions, small group sharing and other activities.

The group is open to singles, widows and widowers. Many of the topics pertain to single parents and other individuals rebuilding their lives and relationships.

"Asset Management and Debt Management" with Nanette Jodar, Personal Financial Analyst with Preamerica, a member of Citigroup, will be the topic for the September 17 meeting.

On September 24, "Risk Taking and Laughter" with Diane Lysman, Mike McGovern and Ann Liedl, will be presented.

## ABC SKAT RESULTS

The winners at skat played at the Town of Scott Hall on Tuesday, Sept. 7th were: Harold Eggert, 17-4-13 net; Ralph Laux, 12-2-10 net.

## Friends of Saxonia Free Open House

Friends of Saxonia House, Inc., will be conducting a "Free Open House" on Sunday, September 19, from 1 to 3 p.m. at the Saxonia House, 421 County Highway H, on the east edge of Fillmore.

The Free Open House will include tours of the house, summer kitchen, barn and the beer cave. Members will also be doing maintenance projects on the property.

Two of the projects will be reinstalling the barn door and removing trees and brush from on top of the beer cave. Those persons interested in helping are asked to meet at the property any time after 10 a.m.

Volunteers are always needed and new members are always welcome. For more information, contact Paul or Mary Williams at 608-755-1674 (day) or 608-757-2452 (evening) or e-mail: pmwilli@inwave.com.

## XYZ CARD RESULTS

The winners at cards played at the Municipal Building on Wednesday, Sept. 8th were: SKAT: Harold Eggert, 22-2--20 net; Elroy Egerer, 21-2--19 net; Fred Klein, 18-2--16 net.

SHEEPSHEAD: Laura Hammes, Bruce Petri, Delbert Petermann and Florence Jansen.

or \$2,500 in cash  
**Second Prize:** \$1000  
**Third Prize:** \$500  
Plus many other prizes

## New Book Reveals How Wisconsin Rang in the Last New Century

A new book from the State Historical Society of Wisconsin shows how the men and women in Wisconsin experienced the approach of the 20th century.

In "Yesterday's Future: The Twentieth Century Begins," (State Historical Society of Wisconsin Press, \$12.95), Wisconsin State Historian Michael E. Stevens has brought together nearly 100 articles and pictures from newspapers, magazines, and other materials that were published in Wisconsin at the turn of the century.

The book is like a 100-year-old family album filled with clippings, photos, and sketches from a momentous time much like our own, when people considered what the end of the century meant to them.

In addition to articles from the mainstream press, the book contains writings published in school newspapers, church bulletins, and periodicals aimed at a variety of special audiences such as German-language speakers, African Americans, farmers, and the hearing impaired.

The articles, pictures, and explanatory notes show how Wisconsin residents joined others from around the nation to celebrate the coming of the new century -- twice, both in 1900 and 1901.

They reflected on America's accomplishments in the previous century and speculated on the changes they hoped would take place in the next 100 years.

Although Wisconsin residents gloried in the past and looked with awe at the

great technological progress of the previous decades, they paid even greater attention to the future. In the book, we hear journalists, scholars, religious leaders, and even schoolchildren offering fascinating predictions about the wonders that science and engineering would bring.

Some come strikingly close to events that would later come about, such as increased life expectancy due to better medicine, and others accurately predict the development of central air conditioning, snowmobiles, air travel and the radio.

One writer, perhaps eager for the invention of television, expected that in the theaters of the future, "the lips of a remote actor or singer will be heard to utter words or music when seen to move."

Others predicted advances in medical science: "The living body will to all medical purposes be transparent. Not only will it be possible for a physician to actually see a living, throbbing heart inside the chest, but he will be able to magnify and photograph any part of it."

Other predictions fell further from the mark. One writer claimed that electric stoves would "never prove much of a factor in the kitchen," while others suggested that by 2001 humans

would communicate with Martians and most urban dwellers would travel by airships to work.

Social change equally intrigued prophets of 100 years ago. Their predictions ranged from the accurate -- such as woman suffrage and the growth of the suburbs -- to unfulfilled hopes for free university education for all, and Nicaragua and Mexico becoming part of the United States.

"Yesterday's Future" is available at many bookstores and through the University of Wisconsin Press, phone (773) 568-1550 or fax (800) 621-8476.

## WB Magician Reappears As Club President

The Houdini Club of Wisconsin held its 61st annual convention in Appleton over the Labor Day weekend. During the convention, Richard Mehring of West Bend was unanimously re-elected to a second term as the group's president. Recently retired from his first career as a sales executive at Regal Ware, Mehring is now devoting full time to magic performances throughout Wisconsin.

The Houdini Club is named after magician and escape artist Harry Houdini who spent his boyhood years in Appleton. Club members from throughout the Midwest attended three days of contests, lectures, dealer demonstrations and evening public shows.

Mehring announced that next year's convention is scheduled for Madison. Additional information about the Houdini Club is available on its web site at [www.execpc.com/~houdini/](http://www.execpc.com/~houdini/)

## Recipe of the Week

This recipe, along with many others can be found in the new Kewaskum Junior Woman's Club red cookbook. You can find them for sale at Kewaskum Pharmacy, Kewaskum Frozen Foods, or by calling Karen Kletti at 334-0227.

### CORN-CHEESE CASSEROLE

- 3 Tbsp. margarine
- 3 c. frozen corn
- 2 Tbsp. onion, chopped
- 1/2 tsp. salt
- 1/4 tsp. pepper
- 1 c. Swiss cheese, grated
- 1/2 c. condensed milk.

Dot bottom of shallow 1 1/2-quart dish with 1 1/2 tablespoons margarine. Combine next four ingredients with 1/2 cup cheese; pour into casserole. Top with remaining cheese. Dot with 1 1/2 tablespoons margarine. Drizzle with milk and bake at 350 degrees for 25 minutes. *Rosalynn Kiefer*

## Around The House

### You Can Do A Smoke Alarm Safety Check

(NAPS)—A working smoke alarm may be your family's best defense against a fire in your home. In fact, smoke alarms more than double your chances of surviving a house fire. When a fire strikes, smoke alarms offer an early warning that can provide adequate time to escape.

**Test your smoke alarm monthly by pushing the test button.**

the batteries in your smoke alarm.

- Cooking activities can often activate smoke alarms. In this event, do not disconnect your alarm. Instead, open a window and clear the air around the alarm with a fan or by waving a towel near the device.

- Test your smoke alarm monthly by pushing the test button. If the alarm does not sound, replace the batteries immediately. A broom handle is handy for reaching the test button on an alarm that is hard to reach. If you cannot reach your alarm, seek the assistance of a friend or neighbor, even the fire department.

- If you have special needs, try to install smoke alarms that adapt to those needs. Visual alarms are now available for the deaf and hard of hearing. If you do not know where to obtain specialized alarms, contact your local fire department.

"Fire deaths are at an all-time low in this country, largely due to the successful installation and maintenance of smoke alarms," said Brown. "Caring for your smoke alarms is the smartest thing you can do to help save lives."

### Open Auditions for UWWC Production

WEST BEND -- Professor Brad Ford, Artistic Director of the Theatre-On-the-Hill at the University of Wisconsin Washington County announces open auditions for RETURN TO THE FORBIDDEN PLANET.

Humorously billed as "Shakespeare's lost rock n'roll musical," this production has as its foundation Shakespeare's "THE TEMPEST," but with several clever and unique twists. This London smash hit musical mixes THE TEMPEST with the 50's sci-fi hit movie, "FORBIDDEN PLANET" and unabashedly advances the plot with popular rock n' roll oldies like Good Vibrations, Shake

Rattle and Roll, and Born to Be Wild.

Audition date is September 21 anytime between 7 and 10 p.m. in the University Theatre. Perusal scripts are available at the UWWC Library. The cast will be six men and six women, all singing and dancing roles. For more information contact Professor Brad Ford at 335-5222.

# Letters to the Editor

Dear Editor:

Kudos to the Kewaskum School Board for their decision to follow the wishes of their constituents as indicated by the results of the advisory referendum last April.

According to the Daily News that after the meeting John Schulte stated that the results of the \$17,000,000.00 referendum were based on misinformation given before the election. In the advisory referendum the results showed that opening Beechwood was defeated by a vote of only 1243 to 1040 and the vote against creating a recurring referendum was a whopping 1496 to 723, over a 2 to 1 margin. Apparently the people voting to open Beechwood were not made aware of the fact that it would require a recurring referendum to open the school so in my opinion the only people guilty of any misinformation were those promoting the opening.

The student population in the immediate Farmington School area is increasing at a rate which makes the increase in the school's capacity inevitable and is the only feasible solution to the problem.

I would hope that the bickering about opening Beechwood cease and concentration be given to the proposed November 2nd referendum and the requirements which are so desperately needed. It is obvious that there will be a few people who will balk so it will take a concerted effort by the majority of the district's voters to get out and pass this referendum once and for all.

Thank you,  
Lloyd A. Koch

\*\*\*\*\*

Dear Editor:

I am writing this letter out of concern for the pending pay raise for the Washington County Board of Supervisors.

It has been said that a raise is necessary because supervisor's pay is being used up with the high cost of insurance. When a new full time employee is hired by Washington County, they don't qualify for health insurance until after six months of service, yet our part time board thinks they are entitled to a raise to help cover the cost of their insurance. Where is the equity in this practice?

The Washington County Board of Supervisors did not give our full time elected officials a raise this past year. Did not their insurance cost also increase? All of the other county employees had their insurance increase, yet the county made them go to binding arbitration over their contracts. The county offered no where near the 13% raise increase they deem

necessary for their personal gain.

I think Washington County Board of Supervisors should treat themselves as they treat all other county employees. Vote NO against the high increase in pay.

Yours Truly,  
Robert H. Schulteis  
Retired Washington  
County Sheriff

\*\*\*\*\*

Dear Editor:

The Washington County Fair was a great success. This was not by chance. It was successful even after receiving a five-inch plus rainfall in the early morning hours of the opening day. The difference was the volunteers, staff and county

board supervisors. It was gratifying to get the help when it was needed most.

A big thanks goes to the Town of Richfield for donating the wood chips and to the Farm Bureau Response Team, the staff of the Fair Park, Ag-Extension Committee members, 4-H, Park staff, Graff & Associates, John Lamm Family and associates, Ralph Schulteis, Steve Liestar, Terry Kohl, the county engineer and the citizens that helped to spread wood chips, lay plywood and generally make the park ready for the fair goers.

The reason for the success is because the people of Washington County care. Again, a big thanks to all the helpers, workers and fair goers for their partici-

pation of the first fair at the new Fair Park Complex.

Sincerely,  
Kenneth F. Miller,  
Chair, Washington  
County Board of  
Supervisors

John B. Kohl, Chair  
Fair Committee

\*\*\*\*\*

Dear Editor:

The people of Kewaskum have done it again! They really pulled for us this year and helped make the 1999 Jerry Lewis MDA Telethon a winner with \$53.1 million in pledges and contributions!

By taking part in local MDA events, by calling in pledges to the Telethon broadcast on WDJT-TV, Channel 58, by helping "my kids" in other ways, Kewaskum Statesman readers have made a huge differ-

ence for families throughout Wisconsin and across the nation.

They've helped speed MDA-funded research around the globe. Moreover, they've helped maintain the national network of clinics that resulted in MDA becoming the first organization honored by the American Medical Association with a Lifetime Achievement Award "for significant and lasting contributions to the health and welfare of humanity." In Wisconsin MDA has five clinics offering the best in patient care.

For making the 1999 MDA Telethon a bell-ringer, thanks, Kewaskum!

Sincerely,

Jerry Lewis  
National Chairman  
Muscular Dystrophy  
Association

\*\*\*\*\*

AREA CODE 262  
STARTS SEPTEMBER 25.

More people, more businesses and more technology are rapidly draining the pool of telephone numbers. That's why the 414 area code is being split. On September 25, the Milwaukee County area will keep the 414 area code and the remainder of southeastern Wisconsin will change to the new 262 area code. But little else is changing. A local call is still a local call. Just remember to check for the correct area code when calling. When placing an Extended Community Calling (ECC) call, dial "1 + the area code + seven digits" when the area code is different from your own. If you are located within the new area code boundaries, be sure to inform callers from other areas that your new area code is 262. While the area code split is an industry requirement, we at GTE are helping to simplify the process.

## Largest Mailing Ever Marks New Social Security Service

The largest customized direct mailing of information the U.S. government has ever sent to the public is about to begin. On October 1, the Social Security Administration will begin mailing Social Security Statements to approximately 125 million workers who are age 25 and older and who are not already receiving Social Security benefits. About 500,000 Statements

will be issued each business day.

You can expect to receive your Social Security Statement each year about three months before your birthday. Therefore, if you were born in February you can expect to receive your Statement each November.

The four-page Social Security Statement will put "your future in your hands" by providing estimates of

Social Security retirement, disability and survivors benefits you and your family could be eligible to receive now and in the future. The Statement will also provide you with an easy way to determine whether your earnings (i.e., wages and/or self-employment income) are accurately posted on your Social Security record. That's important because your future benefits will be based on your lifetime earnings record. The Statement also will tell you how to correct any inaccurately posted earnings.

Social Security encour-

ages you to use your Statement to help you plan your financial future. Think of Social Security as a foundation on which to build a more secure future. Using the benefit estimates can help you make decisions about your financial needs that may occur when you retire, or if you become disabled or die and leave survivors.

If you have questions about Social Security benefits, call, write or visit your local Social Security office or call this toll-free number, 1-800-772-1213. If you're deaf

or hard of hearing, call TTY 1-800-325-0778. You also can reach Social Security at this internet website: [www.ssa.gov](http://www.ssa.gov).

It took the Democratic national convention 49 ballots to come up with Franklin Pierce as a presidential candidate in 1852.

## THINK OF US AS PERSONAL TRAINERS (FOR YOUR HOUSE)

Before spending the time and money on your next home improvement project, make sure your house spends some time with a personal fitness trainer — a HouseWorks™ contractor. By using the simple, low-cost HouseWorks inspection, your house can be more comfortable, more energy efficient, and safer.

A HouseWorks contractor has been trained to treat your house as a whole system. They know how air flow downstairs affects comfort upstairs, how heating and cooling systems affect drafts, and where drafts are best stopped.

A thorough home inspection conducted by a HouseWorks contractor will benefit your house in these four main home improvement areas:

- heating & cooling projects
- remodeling: additions, renovations, general projects, and installing or adding insulation
- a general home efficiency check-up
- problems that are symptoms of poor air flow: high energy bills, drafts, hot and/or cold rooms, hard-to-heat areas, exterior ice build-up, fog or condensation on windows

The basic HouseWorks inspection includes: a blower door test to measure the amount and location of air leaking into or out of your home; an insulation test; a carbon monoxide test; a gas-fired equipment test; and a chimney draft test. Other energy-saving services are also available.

Ready to get fit? Call a HouseWorks contractor listed below. For more information call Wisconsin Energy Conservation Corporation at **888-543-8155**.

# Obituaries

## SCOTT J. LAUTERS

Scott J. Lauters, age 36, of Las Vegas, Nevada, formerly of Kewaskum, passed away on Sunday, September 12, 1999, in Las Vegas from injuries received in an ATV accident.

He was born on January 23, 1963 in Rice Lake, the son of Ronald and Crescentia "Chris" (Ruplinger) Lauters.

Scott was a 1981 graduate of Kewaskum High School. He had resided in Las Vegas for the past 15 years, where he was employed in construction. He enjoyed hunting, skiing and riding all-terrain vehicles.

Survivors include his father, Ronald Lauters (special friend, Nellie Dowdal) of Hixton; his mother, Chris Lauters (special friend, Art Naumann) of West Bend; two brothers, Randy Lauters (special friend, Wendy Bebow) of Kewaskum and Jeff (Beth) Lauters of Hixton; two sisters, Karen Lauters (special friend, Gary Collins) of Saint Joseph, Missouri, and Christine (Robert) Nieskes of Boltonville; four nieces, four nephews, other relatives and friends.

Funeral services will be held at 10 a.m. on Friday, September 17, 1999, at the Miller Funeral Home in Kewaskum with a Mass of Christian Burial at 10:30 a.m. at St. Matthias Catholic Church in the Town of Auburn with Father Mark Jones officiating. Burial will follow in the church cemetery.

Friends may call from 4 to 8 p.m. on Thursday, September 16, 1999 at the Miller Funeral Home in Kewaskum where a prayer vigil will be held at 8 p.m.

## DELBERT G. LAVRENZ

Delbert G. Lavrenz, 70, of Campbellsport, died Thursday, Sept. 9, 1999, at St. Agnes Hospital, Fond du Lac.

He was born in Campbellsport on Dec. 12, 1928, to the late Gustav A. F. and Gertrude (nee Dickmann) Lavrenz.

Survivors include six brothers, Spencer and Darwin (Donna), both of Campbellsport, Kenneth (special friend Alice) and Donald, both of Fond du Lac, Raymond (special friend Cathy) of West Bend and Clayton (Sandra) of Beloit; four sisters, Joyce (James) Clark and Bernice (Kenneth) Bastian both of West Bend, Evelyn (Lewis) Gatzke of Kewaskum and Beatrice Wentz of Ocala, Fla.; 32 nieces and nephews; 35 great-nieces and nephews; and other relatives and friends.

Preceding him in death were a sister-in-law and a brother-in-law.

Mr. Lavrenz has donated his remains to the University of Wisconsin-Madison

Medical College.

A memorial service will be held at 4 p.m. on Sunday, Sept. 19, at the Twohig Funeral Home, Campbellsport. Rev. Steven Hilyard will officiate, and inurnment will be in Auburn Cemetery, Campbellsport at a later date.

Visitation at the funeral home will be Sunday, from 2:30 p.m. until the time of services.

## JOSEPH G. THEISEN

Joseph G. Theisen, age 54, of N6245 Hillview Road, St. Cloud, died Sunday, September 12, 1999, at his home.

He was born on May 7, 1945, the son of Henry and Viola Bertram Theisen. He married Cheryl Schmiege on December 18, 1982. He served in the U.S. Army from 1964 to 1966. He worked as an operating engineer for American Asphalt.

He was a member of Our Lady of Angels Catholic Church, Armstrong. He enjoyed skiing and camping with his family.

Survivors include his wife, Cheryl; his children, Kyle and Danielle, at home, and Chad of Campbellsport; his father, Henry, of Eden; his brother, James (Judy) of Campbellsport; his sisters, Pat (Bill) Wettstein of Eden and Shirley (Don) Ernissee of Campbellsport, nieces, nephews, other relatives and friends.

He was preceded in death by one daughter, Heidi, his mother, Viola, one sister, Bonnie, and one brother, Daniel.

A Mass of Christian Burial will be held on Thursday, September 16, at 11 a.m. at Our Lady of Angels Catholic Church, Armstrong, following a prayer service at 10:30 a.m. at the Twohig Funeral Home, Campbellsport. Rev. Kevin Wester will officiate and entombment will follow in Ledgeview Memorial Park.

Visitation was on Wednesday, September 15, from 4 to 8 p.m. at the funeral home. In lieu of flowers, a memorial has been established.

## RAYMOND M. CHESAK

Raymond M. Chesak, 91, of West Bend, died Saturday, Sept. 11, 1999, at the Samaritan Health Center.

He was born Jan. 6, 1908, in the town of Trenton, to the late Frank and Elizabeth (nee Laufer) Chesak and attended

St. Peter's Grade School in the town of Farmington.

Following his marriage to Mildred M. Esselman on Sept. 14, 1935, in Milwaukee, the couple farmed in the town of Farmington until 1965. Later he was employed at the West Bend Malt House for over seven years, retiring in 1972.

His wife passed away Aug. 11, 1987.

Survivors include two children, Eileen (Edward "Bump") Reul and Michael (Karen), both of West Bend; five grandchildren, Annette (Al) Schmitt, Chris (Dennis) Bates, Gail (Jeff) Esselman, Amy Chesak and Luke Chesak; five great-grandchildren, Nic, Adam, Emily Bates, and Ryan and Tyler Esselman; three sisters-in-law, Amanda Thelen, Agatha Laufer and Marie Kraus, all of West Bend; nieces; nephews; other relatives and friends.

Preceding him in death were a son, Karl, and 10 brothers and sisters.

He was a member of Holy Angels Catholic Church.

A Mass was held at Holy Angels Catholic Church, West Bend, at 7:30 p.m. on Tuesday, Sept. 14. Father Gerald Repenshek officiated, and burial was in St. Peter's Cemetery, town of Farmington, at 10 a.m. Wednesday.

Visitation at the Phillip Funeral Home, West Bend, was on Tuesday from 4 to 7 p.m., with closing of casket prayers at 7:30 p.m.

Following the service, a luncheon was held in the banquet hall of the Phillip Funeral Home.

## OLIVE L. SAUERESSIG

Olive L. Saueressig, nee Kocher, 81, of West Bend, died Tuesday, Sept. 7, 1999, at Maple Dale Manor, Kewaskum.

She was born July 12, 1918, in West Bend, to the late Oscar and Hattie (nee VandeBerg) Kocher, and married Earl J. Saueressig on July 22, 1936, in West Bend.

Olive was a life-long West Bend resident.

Survivors include her husband; a son, Thomas (Darlene) of West Bend; two grandchildren, Mark (Lisa) Saueressig of West Bend and Holli Kalies of Wautoma; four great-grandchildren; two sisters, Delores Austin of Allenton and Jean (William) Ciriacks of Saukville; other relatives and friends.

Preceding her in death was a brother-in-law Thomas Austin.

Private graveside services were held Monday, Sept. 13, at Holy Angels Cemetery.

The Schmidt Funeral Home, West Bend, served the family.

## Kewaskum Fire and Rescue Squad Call

Tuesday, September 7 - The Kewaskum Rescue Squad personnel responded to a call in the Town of Auburn at 11:23 a.m. for a female patient who was ill. The patient was transported to St. Joseph Community Hospital, West Bend.

Wednesday, September 8 - The Kewaskum Rescue Squad was summoned at 9:48 a.m. in the Village of Kewaskum for a male patient whose medical condition required transport to St. Joseph's Community Hospital, West Bend.

Thursday, September 9 - The Kewaskum Rescue Squad was dispatched in the Village of Kewaskum at 12:51 p.m. for a male patient experiencing chest pain and difficulty breathing. The patient was transported to St. Joseph's Community Hospital, West Bend.

Sunday, September 12 - The Kewaskum Rescue Squad responded to a call at 4:59 p.m. in the Village of Kewaskum to assist a male patient with a possible dislocated knee. The patient was transported to St. Joseph's Community Hospital, West Bend.

## PRAYER OF THE BLESSED VIRGIN

(Never known to fail)

Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Say this prayer for three consecutive days and then you must publish and it will be granted to you. Grateful thanks.

M. G.

*The following famous people never attended college: presidents Grover Cleveland, Abraham Lincoln, and George Washington; U.S. oil magnate John D. Rockefeller; British playwright George Bernard Shaw; British author Rudyard Kipling; U.S. inventor George Eastman, U.S. composer Aaron Copland and French painter Paul Gauguin.*

## Many Enjoy Holy Trinity Social Fest

Holy Trinity Pastor Mark Jones, left, is shown above with the lucky \$5,000 grand prize winners, the Dave Lorenz family of Allenton, and Social Fest Chairman Gary Bohn. The Lorenz family were double winners as they also won the one year Holy Trinity tuition donated by Roger and Kathy Schmitt in memory of John Schmitt.

Social Fest volunteers Jane Hesprich, left, and Brad Carter, checked in ticket holders, attached wrist bands and drew for door prizes at the registration table.

Father Mark and Chairman Gary presented Marge and Al Zehren of Kewaskum, center, with their Early Bird prize of \$1,000. Marge also was a double winner, also taking home a check for an additional \$250.

The Sunrays played a large variety of music for the entertainment pleasure of the large audience.

Holy Trinity Catholic School Social Fest 1999 will be one to remember. The evening was dashed with a bit of seriousness, a time of remembrance and prayer, a lot of socializing and laughter, delicious food, plenty of refreshments, dynamic musical entertainment, spiced with suspense, excitement and recognition.

Holy Trinity's fifth annual Social Fest may be history but for those who attended this community event found it to be a wonderful way to wrap up their summer. Approximately 850 grilled chicken dinners, steamed corn-on-the-cob, baked potatoes, salads, desserts and refreshments were served to festival attendees which raised nearly \$17,000 for Holy Trinity School.

The event will especially be remembered by two people who were double winners. Dennis Bingen of Kewaskum, the 1998 grand prize winner, drew the winning \$5,000 ticket and safeguarded the ticket in his hip pocket as Festival Chairman Gary Bohn, announced other cash drawings and bucket raffle winners.

Suspense filled the air as Chairman Bohn read the \$5,000 winning ticket belonging to Dave Lorenz of Allenton. Dave was a double winner when his name was also drawn for the one year tuition at Holy Trinity School donated by Roger and Kathy Schmitt in memory of John Schmitt.

Marge Zehren of Kewaskum was the lucky winner of the \$1,000 Early Bird Special. Placed in a separate drawing, to qualify for this prize the Social Fest ticket had to have been purchased before June 30. Ten names were drawn for \$250. Marge was also one of those lucky recipients.

Additional cash winners of \$250 were Jeff Watzlawick, Mike Conley, Jesslyn Geidel, Scott Amerling, Rose Marie Beck, Mary Kudek, Jeanne Marchant, Joann Herriges and Linda Theisen.

Fifty dollar cash winners included Larry Rocolo, Gladys Tackes, Jill Gutjahr, Joan Daggett, Pat Brendemihl, Karrie May, Doreen Kowalczyk, Kathy Mertz, Mike Rodenkirch and Mary Rammer.

Bucket raffles were offered during the evening with chances for \$1 or \$3. Winners of the bucket raffles were R.L. Knoebel, tool package; Jack Zalewski, end tables; Diane Piwoni, movie package; Fred Middendorf, Packer package; Diane Zalewski, patio set/gas grill; Debbie Backhaus, ladies shopping spree; Jack Kostka, Huffy tandem bike; Janet Jaeger, guided fishing trip; Paul Behring, home package; Kevin Marquardt, golf/gambling package; Wilmer and Janice Klahn, caravan trailer; John McElhatton, roasting hog; Brad Carter, NFL clothing; Mary Pesch, chocolate lab puppy; Marie Joers, Regal breadmaker; Jeaneen Kudek, Sentry Foods gift certificate; Joe Gitter, YMCA youth membership; Karen Kletti, Hon-E-Kor gift certificate; Hugo Straub, Herriges car care package; Joann Koth, \$100 cash; Patti Timmers, Turtle Creek stay/play package; Paul Sebo, bible; Alton Schrauth, wildlife print; Becky Strobel, concert seats; Joe Rinzel, quilt; Midge Swanson, campfire pit and Larry Martin, family fun package. Nearly 500 additional door prizes and gift certificates donated by various businesses and individuals were distributed

(Continued on Page 13)

Dennis Bingen of Kewaskum, right, last year's grand prize winner at Social Fest, drew the winning ticket for this year and safely tucks it away in his back pocket. He was assisted by Chairman Gary Bohn and Jackie Herriges.

Chosen as "honorary" king and queen of Social Fest were volunteers Mark Herriges and Diane Piwoni, who donated countless hours of work towards the success of the annual event.

## Social Fest Recognizes Donors

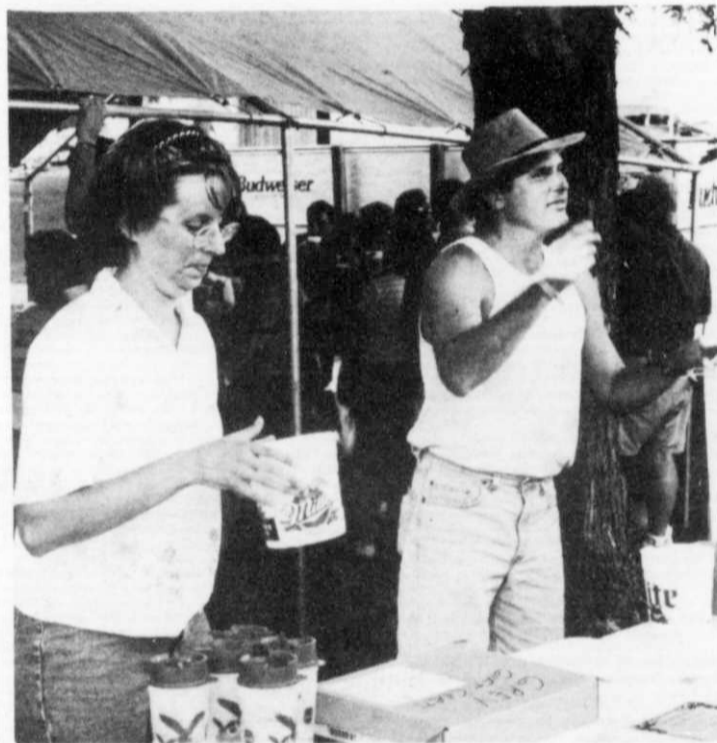

While many volunteer hours and efforts attributed to the success of Holy Trinity School's fifth annual Social Fest held on August 28th, recognition and appreciation must be given to the many area businesses and individuals who donated many wonderful items.

Thank you to Allenton Inn, Amber Hotel, Amoco of Kewaskum, Applebees, B & B Productions, Beechwood Cheese, Ben Franklin, Campbellsport, John and Rita Boegel, Amy and Gary Bohn, Ruth and Bob Butler, Campbellsport Building Supply, Catholic Knights Insurance Society Branch

113, Cedar Lake Sales, Kevin Chambers family, Dr. Dennis Connor, Dairy Queen, Wendi Dreher, Eaton's Fresh Pizza, Family Land Waterpark, Fleet Farm, West Bend, Tony and Chris Fleischman family, Foxy Lady Charters, G.W. Music, Green Bay Packers, Gruber Tool and Die, Marcie Harbeck, Herriges Machining, Herriges Oil, Nick Hesprich family, Hon-E-Kor Country Club, Hollywood Portrait Studio, Ho Chunk Casino, Huffy Sports, Tom and Janet Jaeger, K-Town Saloon, Ellis and Judy Kahn, Karavan Trailers, Kettle Moraine Electric, Kettle Moraine YMCA, Kewaskum Floral, Kewaskum Frozen Foods, Kewaskum Statesman, Gerald A. Kiefer, King Pin Lanes, Gil Kowalczyk family, Frank Krueger Plumbing, LR Trophy, Miller Funeral Home, Miller's Furniture and Floor Covering, Milwaukee Admirals, Milwaukee Brewers, Milwaukee Bucks, Mine-shaft, Hartford, Oneida Bingo and Casino, Painted Lady Gallery, Hartford, Potawatomi Bingo and Casino, Quad Tool and Die, Rain Dance Car Wash, Regal Ware, Roger and Dan's Auto, Rookies, Max and Grace Rosplock, St. Croix-Turtle Lake Mohican North Star Casino and Bingo, St. Francis Bank, Matt Schickert family, Roger and Kathy Schmitt, Alton and Rosemary Schrauth, Sentry Foods, Kewaskum, Silver Platter, Strobel Oil, Inc., Strobel Propane Gas, Sunburst Ski Area, Governor Tommy G. Thompson, Toucan Custard, Video Post, Weiland's Fun Center, West Bend Company, West Bend Harley-

Davidson, West Bend Savings Bank, Wiseguys II, LLC, Jill Zimdahl and several anonymous donors. Your generosity added so much to our festival.

Additional thanks to all who donated food, desserts, helped in the preparation of the food, those who assisted the day of the event, the day after with cleanup, those who collected the donations and all who purchased tickets. Your participation made our 1999 Social Fest the best and most successful ever!

Kathie Ramthun of Kewaskum, left, represented Catholic Knights Insurance Society Branch 113, who donated \$750 from their Matching Funds Program to Holy Trinity School, represented by Principal June Gauvin.

## Many Enjoy Social Fest

(Continued from Page 12)

during the evening.

Many enjoyed listening and dancing to the music provided by the talented six-piece member band, the Sunrays, who played a large variety of music including rock'n roll, jazz, country, polkas, 60's, 70's and 80's.

Numerous volunteer hours and efforts were associated with the success of Social Fest but two individuals were recognized by Chairman Gary Bohn for their extraordinary contribution of time and effort. Mark Herriges and Diane Piwoni, all in fun, were declared the king and queen of Social Fest by Gary Bohn.

It is the sincere desire of the committee members that everyone had a great time. They hope all will support and are looking forward to Social Fest 2000!

The first pay telephone service began in New Haven, Connecticut in 1880.

# NEWS OF HEALTH

## Sinus Problems Are Nothing To Sniffle At

(NAPS)—A recent national survey conducted by Louis Harris and Associates found that more than half of all adults (54 percent) have suffered from sinus problems in the past year, including headache, facial and sinus pain, pressure and congestion.

Sinusitis can significantly impact your lifestyle. More than half of the sufferers polled said it affected their sleep and enjoyment of recreational activities. Fortunately, identifying sinus conditions and treating them appropriately can provide welcome relief.

### What Are Sinuses?

Sinuses are any of the four pairs of air-filled cavities located behind and around the eyes and nose. They are connected to the nasal passages by thin channels. When functioning normally, these channels allow mucus and air to move through the nasal passages into the sinuses.

### What Causes Sinusitis?

The sinus channels are very small and become swollen due to a cold, allergies, medications, infection or inhaled irritants. This swelling is exacerbated by a build-up of bacteria, dirt and dust in the mucus. The result is that the channels become obstructed, trapping air in the sinuses, preventing mucus drainage and causing the pain and pressure that spell misery for sinus sufferers.

A number of triggers can cause or contribute to these symptoms. These include allergies, personal habits, such as smoking cigarettes, and environmental factors, such as cold, damp weather and air pollution. Also, sinus sufferers frequently experience problems in the fall when the cold season gets underway and environmental triggers such as pollen and molds are at high levels.

"People who have a history of sinus problems are more likely to have another attack," says Robert Naclerio, MD, a sinus expert at University of Chicago. "It is

important for these people to identify the causes of a sinus attack and treat it appropriately to minimize the number of occurrences."

### Symptoms Of Sinusitis

A number of symptoms can indicate the onset of a sinus attack. The number and severity of symptoms often varies from person to person and from attack to attack. The Harris poll revealed that a majority of sinus sufferers (67 percent) have had five or more symptoms, which include stuffy nose, head congestion, sinus headache, sinus pressure, facial pain, a cough and post-nasal drip.

### Treating Sinusitis

Numerous options are available to treat sinus problems, including the use of steam inhalation, humidifiers, nasal sprays and oral medications, such as decongestants, antihistamines and antibiotics. Ideally, people with sinus problems should treat both the pain associated with their condition and the congestion that causes it. One medication that provides relief of both the pain and congestion of a sinus attack is Motrin<sup>®</sup> IB Sinus, which contains the pain reliever ibuprofen and the nasal decongestant pseudoephedrine.

Dr. Naclerio stresses that any sinus condition persisting for more than one or two weeks may be caused by a bacterial infection, and a doctor should be consulted. Sinus infections can be treated only by prescription antibiotics, although the symptoms can still be managed by an over-the-counter pain reliever that combines a pain reliever and a decongestant.

## PUBLIC NOTICE

### To the Electors of the School District of Kewaskum

The Board of Education of the School District of Kewaskum hereby gives notice of the 1999-2000 budget as required by s. 65.90 Wisconsin Statutes. Copies of the detailed budget are available for review during normal working hours at the School District of Kewaskum, Administrative Offices, 1450 School Street, Kewaskum, Wisconsin.

A Budget Hearing will be held at the Annual School District Meeting at 7:00 p.m. on September 27, 1999 at Kewaskum High School Commons, 1510 Bilgo Lane, Kewaskum, Wisconsin.

### Village Board Meeting Monday

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin Village Board is scheduled for Monday, September 20, 1999, at 8:00 p.m. in the Municipal Building, 204 First Street.

The agendas for the

meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of St. Francis Bank.

### MEETING NOTICE

The Kewaskum Board of Education Negotiating Committee and the Kewaskum Auxiliary Personnel Negotiating Committee will meet to continue negotiating a successor agreement to the current labor contract. The meeting will take place on Wednesday, September 22, 1999, beginning at 5:30 p.m. in the District Office.

The meeting is closed to the public.

## SCHOOL DISTRICT OF KEWASKUM OFFICIAL NOTICE NOTICE TO ELECTORS RELATING TO BOND ISSUE

PLEASE TAKE NOTICE, that on September 8, 1999, at a meeting of the Board of Education of the School District of Kewaskum, the following resolution was offered, read, adopted and recorded under Section 67.05(6a)(a)2 of the Wisconsin Statutes:

### INITIAL RESOLUTION AUTHORIZING GENERAL OBLIGATION BONDS IN AN AMOUNT NOT TO EXCEED \$11,700,000

BE IT RESOLVED by the Board of Education of the School District of Kewaskum, Washington, Fond du Lac and Sheboygan Counties, Wisconsin, that there shall be issued, pursuant to Chapter 67, Wisconsin Statutes, General Obligation Bonds in an amount not to exceed \$11,700,000 for the purpose of paying the cost of constructing, furnishing and equipping a new elementary school; constructing, furnishing and equipping a new administration office building; remodeling, constructing additions to, and furnishing and equipping Wayne and Farmington elementary schools; demolition of the old elementary school; and the costs of issuing the Bonds (the "Project").

BE IT FURTHER RESOLVED that the District Clerk is hereby authorized and directed to publish a Notice to Electors (in substantially the form attached hereto as Attachment 1) in Kewaskum Statesman and within ten (10) days of the adoption and recording of the foregoing resolution.

BE IT FURTHER RESOLVED that pursuant to Chapter 67.05(6a)(a)2.a of the Wisconsin Statutes, the District Clerk is hereby directed to call a referendum election on November 2, 1999 for the purpose of submitting the Resolution to the electors for approval or rejection. The Initial Resolution shall not be effective unless adopted by a majority of the School District electors voting at the referendum.

The District electors may inspect the Initial Resolution at the District offices, 1450 School Street, Kewaskum, WI 53040 during the hours of 9:00 a.m. to 4:00 p.m., Monday through Friday.

Mary P. Meisser  
District Clerk  
School District of Kewaskum  
1450 School Street  
Kewaskum, WI 53040  
414-626-8427

Town Clerk

Kate Douglas Wiggin,  
author of *Rebecca of Sunnybrook Farm*, organized the first kindergarten west of the Rocky Mountains, in San Francisco in 1878.

## Police Reports

On September 8, police were dispatched to St. Lucas School for a vandalism complaint.

Mark A. Kahr, Principal of the school stated that a window of the school had been shot at by either a slingshot or BB.

The shot caused a small hole to the outside of the window, a cratering to the inside, blowing glass onto the floor.

Kahr stated he noticed this on Sept. 7, 1999 when he came to school that morning.

\*\*\*\*\*

Police received a vandalism complaint on August 29 at 1420 Bilgo Ln. for a vehicle that was keyed.

Lisa A. Bunkelman, Campbellsport, stated that she had gotten out of work and went to the Holy Trinity Social Fest in Riverhill Park the evening before and had parked on Riverview Dr.

She stated that she did not notice any damage to the vehicle that evening after leaving the park because it was dark outside. The next morning she then noticed a key mark across the hood and a pins-strip tape that was on the driver's side was also scratched for about three to four feet.

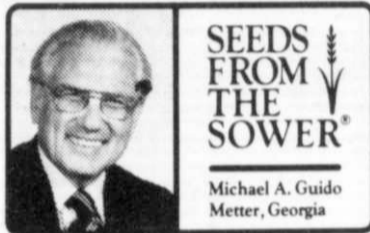

No suspects have been found at this time.

\*\*\*\*\*

Police received another vandalism complaint the next day, August 30, on a pick-up truck that had been parked in the 1100 block of Riverview Dr. over the weekend. When the owner retrieved the truck he noticed the drivers side and secondary passenger area had been keyed.

No suspects have been found at this time.

THE  
SOWER**

Michael A. Guido  
Metter, Georgia

A little boy was leading his sister up a mountain path.

"This isn't a path," she cried. "It's rocky and bumpy."

"Sure," he said, "the bumps are what you climb on."

Handel had lost his health. His right side was paralyzed. His money was gone. What bumps! But he climbed on them to compose *The Messiah*.

St. John was exiled for preaching the Word of God. He was old, lonely and sick. What bumps! But he climbed on them to write his greatest book - *Revelation*.

Are there bumps in your life? Have faith in God and keep on climbing. Like the boy said, "Bumps are what you climb on."

## On The Web

### Web Site Answers Questions On Outpatient Surgery

(NAPS)—If you are or someone you know is having surgery, there is a helpful Web site that offers answers to your questions about outpatient surgery, also called ambulatory surgery. Ambulatory surgery is when you are released from a hospital the same day that your operation took place. No hospital stay is required.

The Web site, from the Society for Ambulatory Anesthesia (SAMBA), features a Patient Information Center. There, visitors can obtain information and answers to frequently asked questions as well as submit their own questions.

Sixty-five percent of American surgical procedures are now done on an outpatient basis, according to SAMBA. Advances in anesthesia techniques have made this lower-cost and faster-recovery method possible.

The site also shows patient education videos and documentary footage. This includes a video shot at the first outpatient surgicenter founded in 1972 by Dr. Wallace Reed, an anesthesiologist.

**Outpatient surgery is growing in popularity and a Web site is devoted to educating the public about this type of treatment.**

The Web site informs visitors that it was an anesthesiologist who developed this form of outpatient surgery for procedures that were deemed safe to perform in an ambulatory setting outside the hospital. Anesthesiologists are highly trained physicians with at least 12 years of professional medical training.

The SAMBA Web site features a list of some of the many surgical procedures done on an ambulatory basis either in a hospital outpatient center, a surgery center or an office setting.

The Web site can be found at [www.sambahq.org](http://www.sambahq.org).

### ANTIQUE AUCTION #1 ALLENTON, WI

**SATURDAY, SEPT. 18, 10:00 AM**  
9:00 am inspection

**Moraine Park Offers Training Opportunities**

Moraine Park Technical College's Fond du Lac Campus is offering the following short-term training courses during its fall semester.

**Just-In-Time (JIT) Production**, course number 628-123-001, is a two-credit course that meets Thursday evening from 6-9:30 p.m. starting Sept. 23. Students will look at the JIT concepts used in industry today as well as examine its impact on manufacturing systems. Discussions will also include production floor changes, supplier side and information systems. Other topics will include inventory systems; synchronized manufacturing; supplier certification; workforce, quality and constraint management; and performance measurements.

Instructor for this eight-week course is Ronald Haag, C.P.M. Haag has worked with such companies as Thermo, P.H. Glatfelter Co., Menasha Co., and Speed Queen. He has a master's degree in business and is member of NAPM, APICS, and Bergstrom Management Club.

Cost of this eight-week

course is \$152.50.

**Intro to Pro Engineering - CAD**, is a one-credit course beginning Friday, Oct. 1. This introductory course will meet on three Fridays from 5-9:30 p.m. and on two Saturdays from 8 a.m. -4p.m.

Students will experience hands-on operation of Pro Engineering, a parametric feature-based CAD system. They will create parts drawings, families of parts, and assemblies using Pro Engineering design philosophy.

John Boede, manufacturing technology instructor at Moraine Park, is the instructor.

Cost of course number 628-131-004 is \$91.25.

**Certified Quality Technician Primer**, course 623-158-001, begins Saturday, Oct. 2. It will meet for a total of two Saturdays from 8 a.m. - 4:30 p.m. and on one Wednesday, Oct. 13, from 6-10 p.m.

This course is for quality control technicians, persons seeking a Moraine Park Quality Assurance Certificate, people seeking ASQ certification, and employees wanting to increase their skills in quality control in a manufacturing environment.

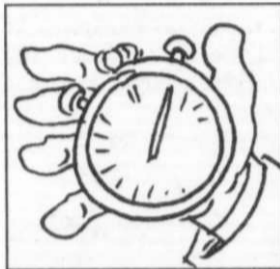

This primer course pro-

vides a review of past Certified Quality Technician exams and covers all areas of preparing for the exam. The entire body of knowledge is outlined in the American Society for Quality.

Nick Leifield, vice president at Serigraph, Inc., West Bend, Wis., will be the instructor. Leifield is ASQ, CQE and CQT certified and is a member of ASQ.

Cost of this course is \$208, plus \$75 for study materials and text. The cost includes two lunches.

To register for any of the above courses call Moraine Park's Fond du Lac Campus at (920) 929-2100 or 1-800-221-6430. For more information contact Lyle Mercer at (920) 924-3269.

The earliest stop watches were known as pulse watches. Made in the 1680's, they were used by doctors.

**TRAP SHOOTING CAMPBELLSPORT SPORTSMAN'S CLUB Tuesday Night Fall Trap League Sept. 7, 1999**

**Tips For The Coming Millennium**

(NAPS)—Here's good news you can bank on: virtually all of the nations' thrifts, banks and credit unions have earned top grades from federal regulators for their programs aimed at preparing for the Year 2000 computer date change.

Reassuring word comes from John A. Koskinen, who as head of the President's Council On Year 2000 Conversion has overall responsibility for supervising the nation's preparedness. When it comes to taming the Y2K bug, he said, "banking is clearly in the best shape of any industry in the country."

More good news is that there are a number of things consumers can do to protect themselves from any millennium bugs that may trouble their finances. The experts at the America's Community Bankers trade group suggest these tips that make sense at any time, but may be especially worthwhile now:

- Keep records of all your financial transactions—deposits, investments, ATM withdrawals, credit card, mortgage, auto and other loan payments—for at least two months prior and until you have received several statements in 2000.

- Compare your transaction receipts with your statements. Tell your financial institution about any errors.

- Make sure any funds in excess of \$100,000 per federally insured institution are deposited in accordance with the rules governing multiple accounts so that all your money is fully protected. If you have any doubts about coverage seek advice where you bank or check with the Electronic Deposit Insurance Estimator (EDIE) at [www.fdic.gov](http://www.fdic.gov) by clicking on Con-

Enough money for a long weekend. That's how much, Community Bankers suggest, anyone worried about Y2K should have on hand by New Year's Eve.

sumer News. Or, you can call the FDIC's Division of Compliance and Consumer Affairs at 800-934-3342.

- Think about asking your financial institution for a payment history of your mortgage, car loans and other debts, and carefully check to be sure your payments are credited accurately and loans properly amortized. Keep in mind there may be a charge for these records.

- Consider getting a copy of your credit report. Check it for accuracy and make any corrections. Request an updated copy early in 2000 and compare the two. Reports cost \$8 each. The three major credit bureaus are Equifax at 800-685-1111; Experian at 800-682-7654; and Trans Union at 800-888-4213.

- If you have your own computer, find out if the PC and its software and operating system are Y2K compliant. Check the manufacturer's and software provider's Web sites. Save important files on disks and print out key reports.

More tips and facts about banking and Y2K can be found at [www.acbankers.org](http://www.acbankers.org).

**School District of Kewaskum Minutes**

School District of Kewaskum  
Kewaskum, Wisconsin 53040  
Regular Meeting  
August 9, 1999

The meeting was called to order at 7:00 p.m. by President Fechter. Board members present: Andy Degnitz, Lisa Maul, Jean Goeden, Larry Fechter, Jon Downs, Mary Meisser, John Schulte.

Board members absent: none. Following a moment of silence, Clerk Meisser led the pledge of allegiance.

Meisser/Degnitz motion to approve the agenda. All aye.

Audience to visitors: Issues brought to the Board's attention included a message of appreciation for approving an increase to the Special Education staff, and a question regarding the financial impact on taxpayers if a \$12,000,000 referendum were to pass. It was indicated that the tax rate would not increase if a referendum in that amount were to be approved.

The principals reported on upcoming events in their respective buildings.

Meisser/Goeden motion to approve the July 12, 1999 Regular Meeting minutes. All aye.

Schulte/Degnitz motion to approve the July 15, 1999 Closed Session minutes. Motion passed 5-0-2 with Lisa Maul and John Schulte abstaining.

Maul/Downs motion to approve the installation of T1 lines to Farmington and Wayne Elementary Schools. The project will cost a total of \$15,296.16, with \$6,500.00 coming from contingency, \$2,496.16 coming from Fund 50, and the balance coming from JET funds. All aye.

Maul/Degnitz motion to approve the purchase of a floor scrubber at a cost of \$10,575.00. All aye.

# Huskies Beat Indians in Cross Country Dual Meet

The Kewaskum High School Cross Country team competed in a dual meet against New Holstein on Thursday, September 2. Competing on their home course, the New Holstein boys and girls teams were tough as each team beat their Kewaskum counterparts.

Coach Dave Drexler commented, "Overall, our times are improving nicely, and there is strong running being shown by many individuals. The boys and girls teams show a lot of spirit during each others races."

The New Holstein girls' varsity team totaled 25 points, and the Kewaskum girls team totaled 35 points. Penny Birschbach led New Holstein by winning the four kilometer race in 17:39.

Colleen Gosa led the Indians with a second place finish in a time of 17:42, dropping 39 seconds off her previous best time this season. Emily Rinzel, Kewaskum's next runner, finished third with a time of 19:09. Kelly Darmody followed next for Kewaskum, finishing sixth in 19:42, as she dropped 10 seconds off her previous best.

Heather Hackbarth dipped under 20 minutes for the first time this season to finish ninth. Hackbarth's time of 19:57 is 28 seconds faster than her previous time. Senior Michelle Zingsheim finished 15th with a time of 21:41 and sophomore Lauren Schultz finished 16th, running the course in 22:01. Junior Joyce Wagner finished her first high school cross country race 22nd in 25:42.

Other finishers for the New Holstein team: Melissa Lefeber, fourth place, 19:27; Kristin Scheidt, fifth place, 19:36; Jackie Limberg, seventh place, 19:46; Jackie Steffin, eighth place, 19:56; Denise Dill, 10th place, 20:09; Bobbie Jo Merten, 11th place, 20:14; Lori Lisowe, 12th place, 20:16; Kelly Stephany, 13th place, 21:17; Kelly Stephani, 14th place, 21:28; Becky Limberg, 17th place, 22:07; Katie Weir, 18th, 23:54; Jessica Pritzl, 19th, 24:19; Abbey Schoenborr, 20th, 24:20; Danielle Rausch, 21st, 24:22; Michelle Pauly, 23rd, 25:43; Jenny Hulbach, 24th, 25:47.

Justin Schmitz led the New Holstein boys team to an 11 point win over Kewaskum, 23-34. Schmitz ran the five kilometer race in 17:20.

Bryan Kraft continued to lead the Indians by finishing second with a time of 19:25. Kraft knocked 39 seconds off his previous best time that he ran just two days earlier at Lakeshore Tech.

Japanese exchange student at KHS, Koh Kawaji, finished fourth overall with

a time of 21:00. Paul Mertz was next for the Indians, finishing seventh with a time of 21:50. Mertz dropped 48 seconds off his previous best time. Freshman Don Thexton finished tenth with a time of 24:27. Thexton dropped 54 seconds off from his first race of the season.

Cory Wendegatz was next with an 11th place finish in 24:29, dropping a minute and 18 seconds off of his season best time. Brendan Weinhold took almost four minutes off his time to finish 12th with a time of 24:55. Darrell Woebeking finished 13th with a time of 24:59. John Neumann finished 14th with a time of 26:50. Adam Woebeking finished 16th, running the course in 31:22. Darin O'Neil finished 17th improving his previous time by 18 seconds by running the course in 31:33.

Other finishers for the New Holstein boys team included Brad Schneider, finishing third with a time of 20:32. Brett Birschbach finished fifth with a time of 21:04 and Brant Berg finished sixth with a time of 21:48. Mark Stephanie ran the course in 22:03, to finish eighth. Ninth place was Jason Wasmar with a time of 22:27. Allen Pauly finished 15th, running the course in 29:08.

The Kewaskum boys and girls cross country teams will run Saturday morning, September 18th, at the Ripon Invitational.

## Lady Indians Take First In Golf Meet

With a solid win at the West Bend Country Club last Tuesday, the Kewaskum High School girls golf team moved into a tie for first place in the Little 10.

The girls had a team score of 206, 11 shots better than the second place team from Hartford. Again Niki Dreher had a strong round for the Indians as she earned meet medalist among the 35 golfers with a 46 on the tough front nine of the West Bend Country Club.

Senior Amy Piwoni used her smooth swing to help her to a score of 49, good for the third best round of the day. Senior Amber King and sophomore Courtney Timblin also helped the cause with strong rounds.

The next meet will be in Beaver Dam at Old Hickory where the girls will want another strong showing to help anchor that lead in the Little 10.

BOB HACKBARTH SR. & BOB HACKBARTH JR.

# Beechwood Diamond Club Senior Girls Undefeated in KM Senior Division

# JV Football Team is 2-0

Shown above are the Beechwood Diamond Club Senior Girls, who ended their 1999 season undefeated in their division. Front row, left to right: Nicki Fischer, Laura Janz, Jessie Krahn, Sara Williams, Christina Janz. Back row: Coach Harry Krueger, Erin Krueger, Tricia Krebs, Jessie Panzer, Sarah Disler, Heather Hackbarth, Erin Theusch, Teresa Schultz, and Bobbie Jo Thorn. Joining the team for the Wausau tournament were Ali Heise, Tanya Krahn, Holly Cechvala and Kelly O'Brien.

The junior varsity football team has gotten off to a successful start this season by beating St. Mary's Springs and New Holstein, to run their record to 2-0.

Kewaskum beat an extremely tough Springs team, 22-20, in Fond du Lac on August 31. The game was scheduled as a replacement for Horicon, which did not field a JV team this year. It was a huge victory for the Indians in that Springs has a long tradition championship caliber football team.

Kewaskum's first conference game was at home vs. New Holstein on September 9. The Indians pounded the Huskies, 41-6. Justin Rhoads opened the scoring on a 24-yard touchdown run on the second play from scrimmage.

The second touchdown also came in this first quarter, this time on a 10 yard run from Tony Fitts. Rhoads was later successful on his first field goal attempt of the season to push the score to 19-0. The halftime score was 27-0 after a six yard touchdown run by Rhoads and a two point conversion.

The Indians came out rather flat for the third quarter and New Holstein converted a fumbled kickoff into a touchdown to make the score, 27-6. Kewaskum kicked the offense back into gear in the fourth quarter and scored touchdowns on a four yard run by quarterback Tom Ogi and a 21 yard run by Alex Charland.

Charland and Peter Herriges also contributed defensively by each intercepting New Holstein pass attempts. The entire defense played well, particularly Travis Cochenet and Charland. The offensive line continued to open big holes for the running game. The JV Indians take their show on the road next Thursday, September 16, for a game at Kiel.

The Beechwood Diamond Club senior girls ended their 1999 season on a winning note. For the first time in several years, Beechwood went undefeated in the Kettle Moraine Senior Division. It consists of ten teams from surrounding towns playing on Wednesday nights.

In the league tournament, played on the hottest weekend of the summer, the team took second place, los-

ing to Random Lake in the championship game.

In early August, the girls and most of their parents, again traveled to Wausau to compete in the annual Fenwood Lions Club tournament. The girls won their first two games, putting them in the 2-0 bracket.

They played their Saturday game against Kofka Lumber, the team that has won the tournament for the last several years. Beech-

wood, probably playing their best game of the season, see-sawed back and forth with Kofka, winning it in the seventh inning, 14-13.

Sunday, however, was a different story. Due to the heat and exhaustion from Saturday's game, the girls couldn't come up with the winning combination, thus putting them in third place again this year.

Coach Harry Krueger stated he is very proud of this group of girls. The talent and togetherness displayed by them all year made it easier to coach and enabled them to have a winning season. He thanks all the parents for their support again this year and

hopes they had as much fun as he did.

## Indians Take Down New Holstein, 28-7

The last time the Kewaskum Indians started the season 3-0 was in 1983. The 1999 Indians have now matched that start with their 28-7 conference win over defending EWC champion New Holstein.

Jason Strobel led the Indians to their third straight win, scoring two touchdowns while the Indian defense once again dominated the game.

Strobel started the scoring by pulling in a 25 yard pass from quarterback Chris Koth with 2:27 left in the first quarter. The touchdown was set up by a 54 yard run by sophomore Chris Canter.

Canter rushed for 146 yards on 13 carries and scored a touchdown. Canter leads the team in rushing yardage with 280 yards on 23 carries for a 12 yards per carry average. Right behind Canter is Jason Strobel with 253 yards on 29 carries for an 8.7 yard per carry average.

The Indians have run the ball at will the first two games but they found the going a little tougher this week as the Huskies huge front line made running the ball inside very difficult.

The outside power sweep continued to pick up yardage, however, as the Indians rushed the ball 57 times for 229 yards and three touchdowns. The passing game which had Head Coach Perry Koth worried because the Indians had only thrown four passes in the first two games, came through with flying colors as quarterback Chris Koth

completed eight of 11 passes for 119 yards, one touchdown and no interceptions. Strobel was on the receiving end of five of those passes for 58 yards and one touchdown.

In the second quarter with the Indians leading 7-0, it was Strobel again running the ball in from the six yard line. Strobel scored on a counter that completely fooled the Huskies defense, and when junior guard Jason Farchione made a solid block on the defensive end, Strobel was able to walk into the end zone untouched.

The Huskies never really threatened in the first half and it looked like the Indians were headed for another win. A strange play however, changed the complexion of the game. With New Holstein on the Indian 45 yard line, Huskie quarterback Mark Wieser threw down the middle of the field.

Indian linebacker Adam Beck intercepted the ball and headed across the field with his return. When hit by a Huskie tackler, Beck

fumbled the ball and New Holstein recovered on the Indian five yard line. Two plays later Ned Bonde raced around the right end for a Huskie score. The third quarter ended with the Indians leading 14-7 but the outcome was now in doubt.

Chris Canter gave the Indians some breathing room as he scored from the 12, stumbling over a Huskie tackler at the five, but with a great effort, he was able to dive into the endzone for a 21-7 Indian lead with 6:11 left in the game.

The Indians scored once more after junior linebacker Bob Ogi intercepted a pass and returned it 34 yards. A couple plays later Koth scored on a quarterback sneak with 5:11 left to seal the game.

While the Indian offense continued to control the ball and put points on the board, the Indian defense once again continued to take the ball away from the opposition. Kewaskum intercepted five passes and recovered two fumbles. For the year, the Indians have intercepted eight passes and recov-

ered six fumbles for a +8 turnover ratio.

The Indian "D" held the Huskies to 69 yards rushing on 25 carries and four for 17 passing for 59 yards and no touchdowns. The Indians have outscored their opponents this season 146 to 13 and have 1098 yards of total offense to their opponents 256 yards.

Leading the Indian defense was Aaron Seiser with an interception, and two forced fumbles. Dan Uniewski had a quarterback sack and recovered a fumble, while Adam Beck recovered a fumble and intercepted a pass. Koth, Ogi and Canter also intercepted passes for the opportunistic Indians.

The great start for the Indians this year does not mean automatic success in the conference however, as Sheboygan Falls is presently 3-0 and ranked second in the Journal Sentinel football polls of mid-sized schools, and Campbellsport is ranked fourth, even though they lost to conference opponent Manitowoc

Roncalli last Saturday.

"We are playing fairly well right now, but our conference is the toughest I've ever seen it. I expect whoever wins the conference this year will probably have a loss along the way," said Koth about the balance in the EWC this year.

The Indians host Kiel Friday night for Parents Night. Game time is 7 p.m. and a large crowd is expected.

### RESULTS THIS WEEK

Kewaskum 28, New Holstein 7  
Sheboygan Falls 41, Kiel 0  
Plymouth 46, Two Rivers 20  
Roncalli 14, Campbellsport 10
