## Daggett, Thull Win KEYS Run Titles As Registrations Top 1,000

## Dedication Held for Holy Trinity Renovation

Shown above is the start of the 1999 KEYS 5K Run/Walk held annually in conjunction with Kewaskum's Kettle Kountry Kolors Festival. The event drew a record 1,013 registrations and a record \$18,000 in profits to be used to provide scholarships for graduates of Kewaskum High School.

Photo courtesy of Pat McFadden

Father Mark Jones greets Gerald and Martha Stoffel as the first parish members to use the new handicap elevator. The addition was dedicated at a special dedication Mass this past Sunday at 9 a.m. A parish social followed the mass.

Great weather and a record turnout equaled the most successful KEYS 5K Run/Walk of the six KEYS Run/Walks of the six KEYS Run/Walks hosted by the KEYS Scholarship organization. Both Matt Thull of Campbellsport and Kewaskum's Sue Daggett successfully defended their titles by winning the 1999 KEYS 5K Run.

Thull, former University of Wisconsin-Oshkosh All-American, covered the 3.1 mile course with a time of 15 minutes and 28 seconds (15:28), just four seconds ahead of Jason Mayer of New Holstein. Finishing third was Scott Jansky of Two Rivers, who finished with a time of 15:39.

Daggett, also a former collegiate All-American, successfully defended her title by running a time of 18:11. Finishing second to Daggett was another well known Kewaskum runner and All-American, Marni Lynn.

Lynn, a junior and the number one runner on the Carroll College cross country team, finished second with a time of 18:34. "I am a little disappointed. I wanted to beat Sue Daggett," responded Lynn after the race when questioned about how she thought she did. Lisa Johnson of West Bend finished third with a time of 19:16.

KEYS' race organizers were thrilled with the record turnout of 1,013 registrations, which easily broke the record of 859 registrations set in 1998. More importantly the event stands to raise a record amount of money for scholarships for graduates of Kewaskum High School.

The previous record for profits was \$15,000 in 1997 (\$13,000 in 1998) and preliminary reports indicate that the money raised this year will be around \$18,000.

"We want to thank the community for their tremendous support of this event. Our sponsors got us started back in June and

July and when school started all our team captains did a super job getting the kids excited and interested in participating. Our community has made this into a very successful fund raiser for the scholarship organization. We can all be proud of the success of this event," commented Jerry Gosa, one of the KEYS race directors.

The KEYS 5K Run/Walk is really not a race for the majority of registrants. The event gives families, friends, and the community the opportunity to help support the KEYS scholarship organization and the chance to walk through the Village

(Continued on Page 3)

## Cedar Valley Harvest Days in Kohlsville

Cedar Valley Education and Retreat Center is celebrating Harvest Days on Saturday, October 23 and 30, from 10 a.m. to 4 p.m. at 5349 Highway D in Kohlsville. Enjoy a true country experience geared to all age groups.

Hike the Valley's nature trails for \$1 or tour the barn petting zoo, complete with a pony ride for \$3. Adults are

free when accompanied by a child. Caramel apples, cookies, soda, apple cider, hot chocolate, hot dogs and more will be available for nominal charges. Pick out your pumpkin too!

For more information call 629-9202. Cedar Valley is north of West Bend on Highway 45 to Highway D (west) at 5349 Highway D, in Kohlsville.

The Holy Trinity Church combined choirs led the congregation in joyous song for the dedication.

Statesman Photo: Andrew Kuehl

## Kewaskum Fire and Rescue Squad Call

Monday, October 11 - The Kewaskum Rescue Squad personnel responded to a Village of Kewaskum residence at 8:12 p.m. for a male patient experiencing difficulty breathing. The patient was transported to St. Joseph's Community Hospital, West Bend.

Tuesday, October 12 - The Kewaskum Rescue Squad was dispatched at 1:18 a.m. in the Village of Kewaskum to assist a female patient who had fallen. The patient was transported to St. Joseph's Community Hospital, West Bend.

Tuesday, October 12 - The Kewaskum Rescue Squad was summoned to a Town of Farmington residence at 7 p.m. for a female patient who required transport to St. Joseph's Community Hospital, West Bend for treatment of chest and back pain.

Wednesday, October 13 - The Kewaskum Rescue Squad responded to a call in the Town of Kewaskum at 1:23 p.m. for a female patient who had fallen. The patient was transported to St. Joseph's Community Hospital, West Bend.

Wednesday, October 13 - The Kewaskum Rescue Squad was dispatched to a Village of Kewaskum residence at 6:08 p.m. to assist a female patient who had fallen. The patient was transported to St. Joseph's Community Hospital, West Bend.

Wednesday, October 13 - The Kewaskum Fire Department responded to a report of smoke in a Village of Kewaskum residence at 6:30 p.m. The origin of the smoke was a faulty washing machine belt. Firefighters were on the scene for approximately 1/2 hour.

Wednesday, October 13 - The Kewaskum Rescue Squad was summoned to a Town of Kewaskum business at 6:49 p.m. to transport a male patient to St. Joseph's Community Hospital, West Bend, to be treated for a leg injury.

Friday, October 15 - The Kewaskum Rescue Squad personnel were dispatched to a Town of Kewaskum residence at 6:21 p.m. for a male patient who was unresponsive. The patient was transported to St. Joseph's Community Hospital, West Bend.

Saturday, October 16 - The Kewaskum Rescue Squad responded to a call in the Town of Farmington at 3:59 a.m. to transport a male patient to St. Joseph's Community Hospital, West Bend, for treatment of facial injuries he received.

Saturday, October 16 - The Kewaskum Rescue Squad personnel were summoned at 11:56 a.m. to a Village of Kewaskum residence for a male patient experiencing difficulty breathing. The patient was transported to St. Joseph's Community Hospital, West Bend.

## Cast Chosen For UWWC Fall Play

**West Bend** - Professor Brad Ford, Artistic Director of the Theatre-on-the-Hill at the University of Wisconsin Washington County, has chosen a cast for the fall production of RETURN TO THE FORBIDDEN PLANET.

The play, a rollicking sci-fi version of "The Tempest" is set to rock and roll golden oldies and revolves around a routine scientific flight which crash-lands on an uncharted planet.

Tony Teofilo of West Bend will play Captain Tempest. Arick Groth of West Bend will play Cookie. The Navigation Officer will be played by Christina Meier of Hartford. The Science Officer will be played by Traci Schulteis of Richfield. Ann Kastelic of

Mequon will play Miranda. Craig Hellsell of West Bend will play Bosun Barry Pye. Dr. Prospero will be played by Paul Vogelsang of West Bend. Christian Buesing of West Bend will play Ariel.

William Rusher of West Bend will play Petty Officer Phil Anderer. Donna Gawel-Miller of Kewaskum will play Ensign Iona Saffare. Ensign Polly Murr will be played by Kristen Lemke of Cedarburg. Ensign Tara Firma will be played by Kacie Ryan of Hartford. Nichole Zuelsdorf of West Bend will play Newscaster Ima Liberal. Joanna Stevens of Kewaskum will play the Newscaster/Meteorologist April Showers. Brian Rose of Cedarburg will play The Alien.

RETURN TO THE FORBIDDEN PLANET performance dates are November 5, 6, 12, 13. All shows are at 7:30 p.m. Tickets can be reserved by calling 335-5208.

## DRIVER -- DRIVE 7 DAYS-- BE HOME 7 DAYS

## KEYS Run

(Continued from Page 1)

of Kewaskum with hundreds of other walkers.

The KEYS Run/Walk organizers would like to thank all the walkers, runners, and volunteers, who made the event so successful.

The following is a list of the top three places for both males and females for the 11 different age groups:

Sue Daggett of Kewaskum is concentrating on finishing first in the women's division at the 1999 KEYS 5 K Run/Walk. Daggett finished with a time of 18:11 and has won the KEYS 5 K Run/Walk for the last three years.

Matt Thull of Campbell-sport sprints to the finish line in 15:28, just four seconds ahead of second place runner-up Jason Meyer of New Holstein. Thull is a three-time winner of the KEYS 5 K Run/Walk, 1997-1999.

You can get by on charm about 15 minutes. After that, you better know something.

Left to right: Jerry Gosa, one of the KEYS race organizers, pictured with Jason Mayer, second place finisher, Matt Thull, first place finisher and Scott Jansky, third place finisher.

## EDUCATION... It's Everyone's Business

**Wayne P. Graczyk**  
Kewaskum  
Superintendent  
Of Schools

As I mentioned in last week's article, I will discuss the **proposed administration building and its location** in more detail but first must begin with a little history.

The current administrative building, located on School Street, is actually two modular buildings (or Quonset huts) joined together with approximately 2800 square feet of space. It was installed on its present site in 1969 as temporary kindergarten rooms and they continued to be used for that purpose until around 1972.

From then through 1982 they were used for the district business office. For a short one year period the modular units were converted into a storage shed, with the business office moving to the high school. The move to the high school didn't work so the district office was brought back to the modular building where they have remained for the past 14-15 years. For a temporary fix back in 1969, I would say the district has gotten it's money's worth.

I covered some of this in last week's article so forgive me as I re-state certain things for those who haven't read the October 14 article. I have also enclosed a preliminary sketch of the administration building in this edition. You can see that the new administration building plan, while encompassing about 4000 square feet, is designed with about 2500 square feet of office space in addition to a community/district meeting room of about 1500 square feet.

In fact, the office and work-space for the administrative personnel is actually less than we currently have. The community/district meeting room will have a separate entrance so access is gained without entering the administrative offices.

Our goal for the administration building was to build a simple, yet functional structure that would not only meet the office space requirements for the district's six administrative staff, but also provide meeting space, storage space, and

work space for the district.

It is important to understand that the business operation of the school district has grown since 1969, as has its staffing. The administrative personnel (and the facility itself) provides service to a district with around 1,950 students, housed in five separate school buildings, with about 200 full and part-time staff, and covering about 142 square miles. I think when you view the sketch perhaps some of the concerns of the building being too large or too plush will be alleviated.

What I see is the construction of a building that is both basic and functional, one that meets the needs for office space and meeting space for a very large school district. The school district/community meeting room is designed to handle such functions as school board meetings, administrative and board committee meetings, teacher training, and staff development programs, while also utilized for community groups and activities.

I traveled around the district making presentations for the referendum. I would love to see a building constructed that the school district could be proud of, as proud as area groups are of theirs.

The question of **why is it separate from the new elementary school** has come up often. While there were several factors, the three primary ones were cost, alleviation of congestion, and safety. By adding the administration building to the elementary school it would cost more to construct because it would need to meet all fire, safety, and building codes since children would be occupying the joint building.

By separating the building the district saves on construction costs since codes are less stringent in a stand-alone structure plus it could be constructed with a wood frame, etc. Having a separate building also addresses the other con-

cerns, congestion and safety.

Traffic patterns would be re-directed with separate buildings so congestion around the elementary before and after school is alleviated and safety increased. However, with the recent shootings and bomb threats in schools around the state and country, our schools are locked and secured with the exception of the main doors. This assists building personnel in monitoring all visitors entering or walking through the school during school hours.

By separating the buildings the pedestrian traffic in the administration building, sales representatives, suppliers, etc., never enters the elementary school thus the monitoring of unwanted traffic is more easily assured.

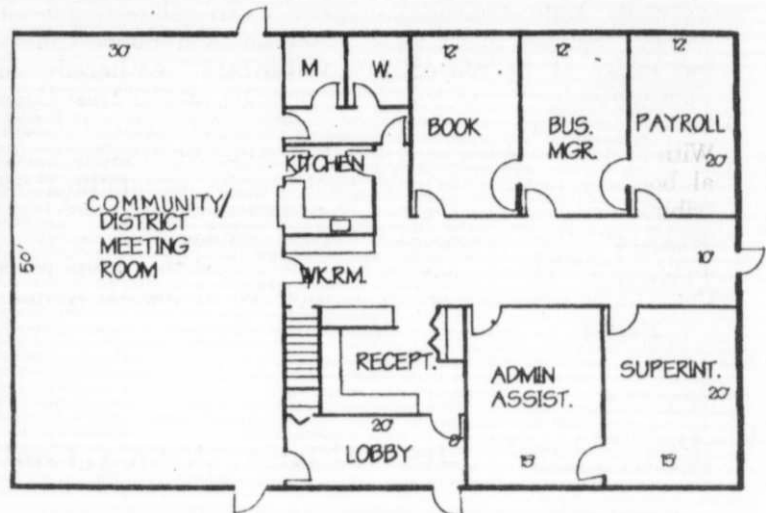

The question that "the district should have used that part of the old Kewaskum elementary school for the administration building" has been voiced by some community groups. On the surface, that seemed appropriate and was explored. The architect and builders explored this idea in depth for the first two referendums and it was not considered for several reasons. One was cost.

Remodeling costs of the northeast section (the newest addition, added on 23 years ago) were about 60%-70% of the cost of a new building. The mechanical components for heating, pipes, and wiring, were also considered in the process. The committee at that time felt that a newly constructed administration building was more feasible and appropriate so this has been a part of each of the two previous referendums and of the November 2 referendum.

The second factor considered was remodeling part of the old KES. However, the location would totally eliminate the green space on the northwest corner of the elementary complex. This

would mean the grass area bordering Reigle Drive and Third Street would be lost for use by the children not only during recess and lunch times, but also by the community and district. This area would offer needed grass space for youth soccer, football, baseball, or other activities.

There are only 11 days left before the referendum vote on November 2. Please continue to read and keep informed. Remember, feel free to call me at 626-8427 or stop in to see me if you have any questions or comments. It's almost time to "take a stand."

## Organ Donor Memorial Quilts On Display at St. Joseph's

Two colorful quilts created to remember people who died and gave the "gift of life" through organ and tissue donation - including several organ donors from Washington County - will be on display in West Bend on Wednesday, November 3.

The Wisconsin Donor Network Memorial Quilts will be displayed in the visitor lobby at St. Joseph's Community Hospital between 9 a.m. and 7 p.m. With them will be a memorial book containing written tributes from family members about their loved ones, along with information on the importance of organ

donation.

The Wisconsin Donor Network Memorial Quilt project began in late 1997 when donor families were asked if they would like to participate in the creation of a quilt to remember their loved ones. Donor families from Southeastern Wisconsin began submitting quilt squares and donor family volunteers gathered to assemble the squares. Each square is unique in the fabrics and techniques used. Stands for the quilts were also created by a donor family volunteer.

The first two quilts were unveiled at the 1st Annual

Donor Memorial Program on November 8, 1998. In August 1999, one of the quilts was displayed at the Wisconsin State Fair.

The quilt project is an ongoing one and future donor families will be invited to submit squares in memory of their loved ones. According to Margie Fischer, organ donation coordinator with the Wisconsin Donor Network, a third quilt is already underway.

The Wisconsin Donor Network is the federally designated organ procurement organization serving the population of 2.3 million people in Southeastern Wisconsin. Currently, over 60,000 people in the United States are waiting for life-saving transplants, almost 500 of them in Southeastern Wisconsin. Organ transplants save lives, but the shortage of organs and tissues available for transplant is a growing crisis. People who decide to be a donor can sign a donor card or the back of their driver's license.

For more information about organ donation or the quilt project, contact the Wisconsin Donor Network at 1-800-432-5405.

## Date Set for WB Christmas Parade

The West Bend Area Chamber of Commerce is proud to announce its sponsorship of the 14th annual West Bend Christmas Parade. Each year the parade attracts thousands of spectators and is produced through the efforts of hundreds of volunteers from the West Bend area. This year the parade will be held on Sunday, November 28, 1999 at 5 p.m.

The theme this year is, "Here We Come A Caroling" and the Chamber is pleased to welcome floats, marching units or other creative entries depicting the Christmas carols that make the Christmas holidays a time to remember. A severe weather date is scheduled for Monday, November 29, 1999 at 5 p.m.

Businesses, organizations and individuals are encouraged to participate and may enter a float, music group, animals or walking unit. Adult and youth non-profit can also choose to have their entry judged by a panel of area business leaders and be eligible to receive cash prizes. Businesses compete to provide a home for

the traveling trophy and will receive a plaque for first, second and third places. Criteria for judging is based on originality, relevance to theme and over-all appeal. Entry forms are available from the Chamber.

Don't miss the opportunity to show off your organization, club, school or team spirit. Everyone is welcome to participate and volunteers are needed the day of the parade. Be sure to register and be part of West Bend's magical night-time parade. Contact Barb Laabs of the Chamber at 338-2666 to take part in this holiday event.

### BIRTH

**WALTERS** -- A son William Edward, to Nick and Shelly Walters of Kewaskum, on Sunday, Oct. 3, 1999, at 7:58 p.m.

Maternal grandparents are Ralph and Susan Seefeld of Kewaskum and the late Mark Jaycox Sr.

Paternal grandparents are Jan Walters of Campbellsport and the late Neil Walters Sr.

## 'Parenting Matters' at Kewaskum Schools

Effective discipline for children ages 2-12 will be the focus of the "Parenting Matters!" workshops scheduled for district parents at Kewaskum Elementary on November 9 and 16, from 4:30 - 6:00 p.m.

The two session workshop will be video-based, utilizing the "1-2-3 Magic" videos of child discipline expert Dr. Thomas W. Phelan, and facilitated by district elementary school counselors Cheryl Taylor (KES) and Jody Mundigler (WES, FES).

Parents participating in the program will learn to: "get your kids to do what

you want; handle misbehavior in public; encourage positive behavior; avoid talk-persuade-argue-yell."

The program is highly respected nationally, as well as highly successful for those parents following the techniques discussed in the video.

"It's the hottest program in the country...and the best," says Ms. Taylor. "It's simple, it's effective, and it works."

To register for the free two session workshop, call Cheryl Taylor, 626-8427, extension 1309 by November 1, 1999.

### ABC SKAT RESULTS

The winner at skat played at the Town of Scott Hall on Tuesday, Oct. 12th was: Elroy Egerer, 17-2--15 net.

## UW-Whitewater Rep to Visit High School

An admissions representative from the University of Wisconsin-Whitewater, Rob Gamsky, will be at Kewaskum High School on Monday, October 25 at 9:20 a.m.

Students and parents are invited to meet with Gamsky to obtain information about UW-Whitewater or to discuss any questions about admission.

The University of Wisconsin-Whitewater, founded in 1868, is the fourth largest campus in the 26-campus UW System. The university enrolls 10,600 students, employs a staff of 1,200 and has an annual operating budget of \$120 million.

UW-Whitewater provides 42 undergraduate and 16 graduate degree programs. The campus is also a regional center for cultural and athletic activities.

# Hunter - Weiss

The marriage vows of Bonnie Hunter and Kenneth Weiss were exchanged at a 2 p.m. Mass on September 4 at Holy Trinity Catholic Church, Kewaskum. Father Mark Jones was the celebrant.

Guests were seated by Jon Hunter, son of the bride, and Joshua Riebe, nephew of the groom.

Toni Weiss, sister of the groom, was the maid of honor and Richard Wegner, cousin of the groom, served as best man.

The bridesmaids were Beth Ann Hunter, daughter of the bride, and Michelle Wennesheimer, friend of the couple. The groomsmen were Thomas Stollenwerk, friend of the couple, and John Weiss, brother of the groom.

The junior bridesmaid was Katherine Hunter, daughter of the bride, and the ring bearer was Thomas Hunter, son of the bride.

Beth Ann Hunter, Richard Wegner and Michelle Wennesheimer

were the liturgy readers. Terry Christie provided the music with Joshua Riebe as the song leader during Mass. A special song, "God Has Given You to Me," was performed by Marilyn Wegner and Christine Kirst during the ceremony.

Eucharistic gifts were presented by Jon, Katherine and Thomas Hunter.

The bride's mother is Gloria Spaeth of West Bend and her father is John Spaeth, also of West Bend. The groom's parents are Mike and Bea Weiss of Kewaskum (New Fane).

Bonnie is employed at Suburban Servant of West Bend, and Ken is employed at John Deere, Horicon. The couple is residing near Lake Bernice, Campbellsport.

The corn in corned beef dates back to a time when "corns" or kernels of coarse salt were used to cure beef. No corn was actually involved in the process.

## WASHINGTON COUNTY NUTRITION PROGRAM

For the Elderly Menu  
Meadowcreek Complex

Monday, Oct. 25 -- Polish sausage, parsley boiled potatoes, sauerkraut, pumpernickle rye bread, chocolate pudding.

## Melissa Rady Wins UWSP Alumni Honors Scholarship

Melissa Rady

A Kewaskum student received a scholarship for the 1999-2000 academic year at the University of Wisconsin-Stevens Point.

Melissa Rady, 8297 Kettleview Drive, Kewaskum, received the \$1,000 Alumni Honors Scholarship. Available to those in the top five to ten percent of their high school class, recipients

must show leadership qualities. Graduating with a 3.97 grade point average, she was fourth in her class of 182 at Kewaskum High School.

Alumni Honors Scholarships are funded by contributions from alumni and friends of UWSP, including money from an annual fund-raising campaign.

## Letters to the Editor

Dear Editor,

Last year we received a letter in the mail to say our four-year-old had to be screened for kindergarten. While she was in with the teachers, I took a look around and couldn't believe how old and outdated the school was.

After countless phone calls, it seems to be our outdated schools are only one of the problems. Overcrowding is one big issue we all should be concerned with.

Our children will be attending the Farmington Elementary. We find the teachers are great but the school needs to be expanded to keep up with the demand from the increasing population in our area.

Some of the things that shocked me were some of the classes were so large this year. The space was needed so the library is now in the hallway. Also there is only one set of restrooms for over 200 children and teachers.

Action must be taken now to expand our schools.

What will happen if nothing is done? Farmington will have classes in trailers just like the Wayne Elementary School has now. Please everyone, vote yes for the school referendum. The children of our district are counting on us.

Sincerely,  
Ralph and  
Stacie Schulteis

\*\*\*\*\*

Dear Editor,

Prior to their August meeting dealing with the upcoming school referendum, the Kewaskum School Board passes a resolution stating that all members would refrain from advancing personal agendas regarding the building issue. As a voter am I to be impressed by this resolution? I thought elected officials were supposed to objectively protect the interests of their voting constituency all the time and that personal agendas do not have a place in government at any level - ever. In

my opinion this resolution was nothing more than an admission on the part of a faction of the board that personal agendas have played a major part in the decisions over the years. So much a part that the board itself realized that a resolution like this was actually deemed necessary. Suffice to say I have never witnessed such a blatant action by an elected body to rival this resolution at any level of government (my apologies to past and present members who have conducted themselves with open-minded responsibility).

On no issue was the school board politics of personal agenda more prevalent than in the matter of the closing of Beechwood School. Over ten years ago the board voted to close the facility. For more than a decade the public was systematically denied the right to vote on the closing because the board realized that the decision was not a popular one and that it would most likely have been reversed by a general vote (the fact that a public vote was denied for all these years is black on white proof that personal agenda politics governed the boards actions on this issue - certain members wanted the school to stay closed no matter what the public wanted). Only in the last referendum - over 10 years later - was a general vote allowed. And regarding the last referendum - it is obvious that one of the reasons the public was finally granted the right to vote on this matter was because a change in state funding laws will require a reoccurring referendum to keep the school open. In that a reoccurring referendum is not popular with the voters and defeat of the issue was likely, the vote was finally allowed. Why were we not allowed to vote on this 6, 7 or 8 years ago before the new funding law went into effect?

If the Farmington School is expanded, staffing and maintenance costs at the facility will go up. What's the difference if money comes from increased general operating funds for Farmington or for a reoccurring referendum at Beechwood? The money still will come from the same source -- your pocket. If it does cost a bit more to maintain Beechwood as a separate facility as compared to one large facility at Farmington it still is a small price to pay to maintain the status of a neighborhood school at both facilities (and all the social and educational benefits im-

plied). In addition, the small increase in yearly operating costs will be offset in part by lower initial construction costs by utilizing existing space at Beechwood as opposed to building new at Farmington.

No matter what your stand on this matter, common sense still dictates that it is absolutely ridiculous to build new at Farmington when identical facilities exist less than 7 miles away at Beechwood. Personal agenda politics have so infiltrated a part of our school board that we actually must contest by vote a matter that anywhere else on this planet would be categorized as a "no brainer." If Beechwood School is allowed to remain closed and liquidated by the school board for a tiny faction of its' true worth to this district, the building itself will remain for years a monument to the ugliness and hypocrisy of small town politics. I agree that our school buildings need to be upgraded, expanded, and replaced as needed. But to put forward a plan calling for duplication of facilities to the tune of a million plus dollars is outrageous. I appeal to the intelligence of the voting constituency of this community - VOTE NO! Let's make the school board devise a plan that can pass the litmus test of common sense.

Sincerely,  
Douglas Rinzel

\*\*\*\*\*

Dear Editor,

I'm beginning to run out of things to write about but there will be only 1-1/2 weeks left before the all important school referendum on the second of November.

Before residents of this district vote they should, in good faith, ask themselves if a new elementary school in

Kewaskum, to replace the old, run down, inefficient, outmoded and unsightly present facility isn't needed, that additions and improvements to the Farmington School are not needed when it is so obvious that the population in the immediate school area is exploding, that a new administrative facility is not needed when the present one should embarrass the citizens of this area and if the additions to the Wayne Elementary School is not needed when children have to be sent from one building to another during the winter to complete their daily schedule?

I'm sure, if these questions are answered in good faith, the answer would be yes and these problems after all were approved to be rectified by the majority of the voters in the advisory referendum. Again I plead, vote and vote "yes" November 2nd.

Thank you,  
Lloyd A. Koch

\*\*\*\*\*

Editor:

It's GREAT to find OUT that our Kettle Kountry community is growing at a rapid pace. We desperately need a "FACE-LIFT" and need room for expansion; in all aspects.

We need to make room for our dear loved ones, who we "hold-so-dear" to our hearts. They have to look to the future in love and understanding. For God, community and world. Help, PASS-IT-ON and vote - "YES" for everyone's interest. L. Koch, surely inherits his writing skills!

Yours truly,  
Dennis and  
Suzanne Bingen

## Classic Arts and Crafts Fall Show at KC Hall

Mary Horn

On Sunday, November 7, from 9 a.m. to 4 p.m. the KC Hall on Lighthouse Lane in West Bend will be filled with unique and beautiful crafts.

It's free... free admission and a door prize every half hour, as Wendi Dreher of Kewaskum celebrates her 10th year in promoting the area crafters and their work. This year is no exception. Again we will be able to view the craft of soft sculptures for the season from Mary Horn of West Bend.

Mary and her friend,

Carol, get together once a year to show us their beautiful craftsmanship. All their crafts are hand sewn and one-of-a-kind designs. They will have a line of seasonal handmade vests on hand.

Please stop in on Sunday, November 7, at the KC Hall just north of West Bend. There will be food available and remember, a door prize every half hour. Join Wendi Dreher and her juried crafters for the best little craft show in town.

## Substitute Teachers Needed

The local school districts are having a difficult time finding substitute teachers to help cover the classrooms when teachers are out. When this shortage occurs, the state will issue an emergency license to individuals who hold a four-year degree in a field other than education.

These applicants will need to attend a two-day workshop in Oshkosh on Wednesday and Thursday, Nov. 10 and 11. They will then need to complete the necessary paperwork for the state and submit it along with a \$100 fee.

After the State of Wisconsin does a background check, they can begin subbing. Although we would prefer to see trained teachers in the classroom, this will need to suffice. The Kewaskum School District is not immune to this problem. We are having problems finding short and long-term substitutes.

The district is currently looking at raising the salaries to match those of districts around us. If there are any interested residents who would be interested in substituting, please contact Debbie Goodsell at 626-8427 ext. 8001 for an application.

If you have any questions about subbing for the Kewaskum School District, you may contact Kieth Kriewaldt at 626-8427 ext. 1001.

## WB Clinic to Host Open House, Women's Health Seminar

West Bend Clinic will host an Open House and Women's Health Seminar on Saturday, Nov. 6, from noon until 4:00 p.m. The event will celebrate the opening of the new physician office space as well as the new ambulatory surgery center (West Bend Surgery Center) at the West Bend Center, a primary and specialty care clinic located at 1700 West Paradise Drive, West Bend

(262-334-3451).

The Open House and Women's Health Seminar is free and open to the public. The event will include tours of the new additions, physician presentations, free screenings, demonstrations and educational booths. In addition, food, refreshments and gifts will be provided.

West Bend Clinic is a division of **Advanced Healthcare, S.C.**, which

was formed on January 1, 1998 as a result of a merger between West Bend Clinic, Milwaukee Medical Clinic and Falls Medical Group. It is the largest physician owned, multi-specialty group practice in Southeastern Wisconsin, with nearly 250 physicians providing care at 16 locations in Washington, Ozaukee, Milwaukee and Waukesha Counties.

## Village Scarecrow Contest Winners Announced

"Wannabe Funky" took first place in the Kettle Kountry Scarecrow Contest, its creators, St. Lucas Students, Bobby Stoll, David Gust and Ross O'Neil.

Kewaskum Middle School's first place entry, "Where's Toto?" was created by Amanda Bakker, Katie Kurer, Karen Ott and Jessica Spaeth.

Holy Trinity School's "Peace Girl" won first place in the Kettle Kountry Kolors Scarecrow contest. The masterpiece was designed by Nicole Feucht, Katie Uelman, Rachel Dums, Danyl Abraham and Amanda Goebel.

Statesman Photos: Andrew Kuehl

The Kewaskum Area Chamber of Commerce held their annual Scarecrow Contest in conjunction with their 10th Annual Kettle Kountry Kolors festival held on October 9-10.

Three area schools, grade levels of sixth, seventh and eighth grades participated. The students from the Kewaskum Middle School, Holy Trinity Catholic School and St. Lucas Lutheran School entered the competition.

Only three scarecrow designs for each school would receive awards although a variable number of scarecrow designs could be entered in the contest. The art teacher from each school had to approve the entry.

Judging was based on the following five categories: 1) costume idea; 2) expressions (facial and body); 3) colors used in the single design; 4) craftsmanship of design, and 5) creative use of materials (straw bales, ladders, tools, etc.).

The judges for the scarecrow contest consisted of new area business people who joined the Kewaskum Chamber of Commerce recently. The judges were Sue Denever of the Bonne Belle Motel; Cindy Gruber of The Coffee Corner, and Tammy Garbisch of The Silver Platter Restaurant.

Nine cash prizes were awarded by the Kewaskum Area Chamber of Commerce Kettle Kountry Kolors committee at a presentation at the festival on Sunday, October 10. The winners are as follows:

KMS - First Place (\$30) - Scarecrow name: "Where's Toto?", located at the Welcome to Kewaskum sign by designers Amanda Bakker, Katie Kurer, Karen Ott and Jessica Spaeth.

KMS - Second Place (\$20) - Scarecrow name: "Lightning," located at the Kewaskum Post Office by designers Adam Gundrum and Jake Sabel.

KMS - Third Place (\$10) -

Scarecrow name: "Darth Maul," located on the corner of Highways 45 and 28, by designers Justin Mueller and Josh Bryant.

Holy Trinity School - First Place (\$30) - Scarecrow name: "Peace Girl," located on Highway 45 and Old Fond du Lac Avenue by designers Nicole Feucht, Katie Uelman, Rachel Dums, Amanda Goebel and Danyl Abraham.

Holy Trinity School - Second Place (\$20) - Scarecrow name: "Skier," located by the sign in front of Holy Trinity School, by designers Andrea Theisen, Carrie Fechter, Stacy Gajewski and Amanda Herriges.

Holy Trinity Catholic School - Third Place (\$10) - Scarecrow name "No Face," located on the corner of Highways 45 and 28 by designers Noah, Brian, Alex, Griffin, Ryan and Michael.

St. Lucas Lutheran School - First Place (\$30) - Scarecrow name: "Wannabe Funky," located at the corner of Highway 45 and H, by designers Bobby Stoll, David Bust, and Ross O'Neil.

St. Lucas Lutheran School - Second Place (\$20) - Scarecrow name: "Buck Hunter," located at the Welcome Sign on Riverview Drive by designers Shane Dreher, Matt Rodenkirch and Allison Janz.

St. Lucas Lutheran School - Third Place (\$10) - Scarecrow name: corner of Highways 45 and 28 by designers Amanda Jung and Beth Wisa.

The Kewaskum Area Chamber of Commerce, along with their Kettle Kountry Kolors committee members wish to thank all the scarecrow contestants for their efforts and the festive touch that was added to the community for the annual festival. Everyone appreciates this community spirit!

## Troy Kuphal Promoted to County Conservationist

The Washington County Administrative Coordinator and Land Conservation Committee are pleased to announce that Troy Kuphal has been promoted to the position of County Conservationist effective October 11. He was selected from a group of thirty applicants responding to a statewide search.

For the past eight years Kuphal has been the County's Lead Technician for the Cedar Creek Priority Watershed Project. After attending Kewaskum High School and UWWC, he graduated from the University of Wisconsin-Milwaukee with a Bachelor's of Science degree in Geography in 1990. While working for Land Conservation, he has also administered the popular County Tree Program, and has served as Vice-President of the Wisconsin Association of Land Conservation Employees (WALCE) since 1998. His knowledge of county conser-

vation programs in Washington County and strong technical experience will be valuable to the continuation of changing soil and water conservation programs.

The Land Conservation Department, with a staff of nine and a budget of \$572,000 proposed for year 2000, works to increase awareness and promote action to protect the land and water resources of the County through a variety of Federal, State and local programs. Land Conservation has received state and national recognition for its active work in the fields of structural conservation practices with cooperating landowners, nutrient management testing, erosion and stormwater management, and water quality monitoring and awareness education. Troy Kuphal will fill the position left vacant by the appointment of Perry Lindquist to manage the Waukesha County Land Conservation Division.

## HT Students Receive Tuition Grants from Catholic Knights

The following students received tuition grants of \$100 each from Catholic Knights Insurance Society for the 1999-2000 school year: Danyl Abraham, Abby Amerling, Samantha Aycok, Nellie Baum, Andrew Breuer, Michael Bunkelman, Erica Christie, Mitchell Cochran, Rachel Dums, Ryan Hesprich, Griffin King, Michael Neumann, Rachel Rieden, Matt Rinzel, Cole Roberts, Heather Schaller, Kevin Schickert, Nick Schoofs, Kendra Strobel, Andrea Theisen, Jared Thull, Trevor Timblin, Alex Tischendorf, Rachel Tuszynski, and Justin Wendt.

For the coming academic year, Catholic Knights will distribute \$75,000 in grade school tuition grants to members of Catholic Knights. Tuition grants are

one of the fraternal benefits offered to members of Catholic Knights. Since the program began four years ago, Catholic Knights has awarded \$250,000 in Catholic grade school tuition grants.

Catholic Knights, based in Milwaukee, is a 114 year-old fraternal benefit organization marketing life insurance, annuities, long-term care insurance and financial services to Catholics and their families. Its greatest concentration of members is in the Upper Midwest. It is the largest Catholic fraternal in Wisconsin in terms of assets and insurance in force and the second largest Catholic fraternal in North America in terms of insurance in force. It has received top ratings from the A.M. Best Co. since 1978.

# CONGRATULATIONS CONFERENCE CHAMPS

## KHS VARSITY VOLLEYBALL

The Lady Indians finished a perfect 14-0 in Eastern Wisconsin Conference play!

## THINK OF US AS PERSONAL TRAINERS (FOR YOUR HOUSE)

Before spending the time and money on your next home improvement project, make sure your house spends some time with a personal fitness trainer — a HouseWorks™ contractor. By using the simple, low-cost HouseWorks inspection, your house can be more comfortable, more energy efficient, and safer.

A HouseWorks contractor has been trained to treat your house as a whole system. They know how air flow downstairs affects comfort upstairs, how heating and cooling systems affect drafts, and where drafts are best stopped.

A thorough home inspection conducted by a HouseWorks contractor will benefit your house in these four main home improvement areas:

- heating & cooling projects
- remodeling: additions, renovations, general projects, and installing or adding insulation
- a general home efficiency check-up
- problems that are symptoms of poor air flow: high energy bills, drafts, hot and/or cold rooms, hard-to-heat areas, exterior ice build-up, fog or condensation on windows

The basic HouseWorks inspection includes: a blower door test to measure the amount and location of air leaking into or out of your home; an insulation test; a carbon monoxide test; a gas-fired equipment test; and a chimney draft test. Other energy-saving services are also available.

Ready to get fit? Call a HouseWorks contractor listed below. For more information call Wisconsin Energy Conservation Corporation at 888-543-8155.

## EMIL L. SHULKA

Emil L. Shulka, age 85, of Kewaskum, passed away unexpectedly on Friday, October 15, 1999, at St. Joseph's Community Hospital in West Bend.

He was born on May 25, 1914, in Prairie du Chien, the son of the late Albert and Sarah (White) Shulka and on December 23, 1937, he was united in marriage to Myrtle Drees in Reedsburg.

Mr. Shulka was a member of the First United Methodist Church in Hartford.

Survivors include his wife of 61 years, Myrtle of Kewaskum; a daughter, Betty Ann Schuetz of Menomonee Falls; a brother, Tony (Elnora) Shulka of Kewaskum; a sister, Evelyn Ebersold of Campbellsport; three sisters-in-law, Bessie Shulka, Esther Shulka and Alice Schulka, all of Prairie du Chien; a great-niece, Angel (Joseph) Schmitt of Campbellsport; a special friend, Jerome Schuetz of Jackson; ten grandchildren, 17 great-grandchildren, a great-great grandchild, other relatives and friends.

Three sons, Lawrence, Paul and William, seven brothers and two sisters preceded him in death.

Funeral services were held at 7 p.m. on Monday, October 18, 1999, at the Miller Funeral Home in Kewaskum, with Rev. Arv Arveson officiating.

Burial was at 11 a.m. on Tuesday in Greenwood Cemetery in Reedsburg.

Friends called from 4 p.m. until the time of services at the funeral home on Monday.

## ANDREW N. BEISBIER

Andrew Norman Beisbier, 81, of 601 Clark Street in Fond du Lac, passed away on Thursday, October 14, 1999, at GranCare Nursing Home in Fond du Lac.

He was born December 2, 1917 in Elmore, a son of the late Andrew and Lucy (Kleinhans) Beisbier. He married the former Ruth Mary Fleischman on July 10, 1945 in St. Kilian Catholic Church in St. Kilian.

Mr. Beisbier graduated from Goodrich High School in Fond du Lac with the class of 1936 and then attended Fond du Lac Commercial College. He worked for the Winnebago Cheese Company which then became Borden, Inc. for 27 years as a cheese inspector and buyer until his retirement in 1983.

He was a former member of the Wisconsin and New York Cheese Makers Associations, a member of the Knights of Columbus Council #664 Fourth Degree and Eagles Aire #270 of Fond du

Lac, a member of St. Mary's Catholic Church in Fond du Lac, the Holy Name Society and St. Joseph's Society.

He is survived by his wife, Ruth, of Fond du Lac; one son, Paul Beisbier and Jane, of Fond du Lac; nieces, nephews and other relatives and friends.

He was preceded in death by his parents, four brothers, Leander, Paul, Raymond and Linus.

A Liturgy of Christian Burial was held on Monday, October 18, at 6:30 p.m. at St. Mary's Catholic Church in Fond du Lac. Rev. Walter Orzechowski officiated.

Friends called from 4 to 6:30 p.m. on Monday, preceding the services.

Entombment was in the Shrine of Rest Mausoleum, Ledgeview Cemetery, Fond du Lac.

Zacherl Funeral Home of Fond du Lac served the family.

## GERALD 'JERRY' AVERILL SR.

Gerald A. "Jerry" Averill Sr., 58, of Fredonia, formerly of Random Lake, died Friday, Oct. 15, 1999, at his residence.

He was born Oct. 2, 1941, in West Bend, to Vincent and Cecila (nee May) Averill, and graduated from West Bend High School in 1959.

After serving with the U.S. Army during the Korean Conflict, he was married April 4, 1964, to Mary Ann Eischen at St. Mathias Church town of Auburn. The couple lived in the town of Scott, Random Lake area.

Mary Ann passed away on Dec. 6, 1987.

Jerry was employed at the Gehl Co. as a laborer for over 33 years. He was also the current president of

Local 7-0579 PACE International Union.

After his marriage to Valerie A. Hundt on Oct. 9, 1993, at Immanuel Lutheran Church, town of Scott, the couple moved to Fredonia.

Survivors include his wife; four children, Gerald "Jr." (Gwen) of Random Lake, Annette (Neal) Jacoby of Belgium, James (fiancee Stephanie Garrett) of Cascade and John (special friend Ann) of Random Lake; three stepchildren, Julie (Pram) Adrianstach of Madison, Brett (fiancee Robin Wille) Dotzauer of Grafton and Michelle (special friend Nate) Dotzauer of Port Washington; six grandchildren, Stephanie, Alyssa and Kaitlin Averill, Morgan and Mitchell Jacoby and Jordan Dotzauer; his father, Vincent of Campbellsport; two sisters, Arlen (Jim) Hansen of West Bend and Virginia "Ginny" (Merle) Miller of Hartford; three brothers, Ralph "Sonny" (Carol) of West Bend, Kenneth "Buck" (Linda) of Kewaskum and Paul of Campbellsport; special companion, Shadow, the family dog; nieces; nephews; other relatives and friends.

His mother preceded him in death.

Jerry was very active with yard work and an avid gardener.

Funeral services were held Tuesday, Oct. 19, at 7 p.m. at the Phillip Funeral Home, West Bend. Father Neil G. Zinthefer officiated and interment was on Wednesday at 10 a.m. in St. Rose Cemetery.

Visitation at the funeral home was on Tuesday from 4 p.m. until the time of services.

Memorials are appreciated.

## THANK YOU

Thanks to everyone who sent cards and visited me during my stay in the hospital at the rehab.

Carl Meyer

## IN MEMORY

In loving memory of VIOLET EDWARDS, who passed away one year ago, October 23, 1998:

They say time heals all sorrow,  
And helps us to forget,  
But time so far has only proved,  
How much we miss you yet.  
God gave us strength to take it,  
And courage to take the blow,  
But what it meant to lose you,  
No one will ever know.

Our hearts still ache with sadness.  
Secret tears still fall.  
What it meant to lose you,  
Only God will know.  
When days and nights are lonely,  
And everything goes wrong,  
We seem to hear you whisper  
Cheer up and carry on.  
Each time we see your picture,  
You seem to smile and say  
"Don't cry, I am only sleeping,  
We will meet again some day."

Deeply missed by  
your family

## IN MEMORY

In loving memory of BRENDA OELHAFEN, who we lost October 23, 1985:

We are thinking of you today  
But that's nothing new.  
We thought about you yesterday  
And the day before that too.  
We think you you in silence  
And often speak your name.  
We have so many memories  
And your picture in a frame.  
Your memory is our keep-sake  
With which we will never part.  
God has you in his keeping  
We have you in our hearts.

Your family & friends

## IN MEMORY

In loving memory of MICHAEL STERN, who passed away sixteen years ago, October 18, 1983:

Those we love don't go away  
They walk beside us every day  
Unseen, unheard  
But always near  
Still loved, still missed  
Still very dear.

All our love, MIKE  
From: Mom & Tom

## IN MEMORY

In loving memory of SHIRLEE A. GAFFKE, who was called to heaven on October 21, 1997:

You may be gone.  
But not forgotten.  
You will be remembered forever.  
You are in our hearts and on our minds at all times.  
We will always love ya and miss ya.  
Until we see you again.

Your family

Most experienced bee-keepers handle bees and honeycombs with their bare hands. Gloves are clumsy and would soon become covered with sticky honey.

### Retirement: Know Before You Go

(NAPS)—For less than you might expect, it's possible to "sample" your retirement before you actually retire.

Many adult communities are developing affordable mini-vacations called retirement samplers. These outings provide opportunities for prospective retirees to sample the active adult lifestyle before they buy.

Visitors to Green Valley, Arizona, where one such retirement sampler is offered, are able to see for themselves how safe the area is and what kind of activities and services the community has to offer.

They can experience the climate first, chat with potential neighbors and spend a few days exploring what retirement means, 1998-style.

Fairfield Homes, the principal home builder in Green Valley, offers a package which includes a stay in Fairfield's comfortable Vacation Villas (which happen to be located next to a beautiful 18-hole golf course), free passes to over \$10 million worth of recreational facilities and breathtaking views of the nearby Santa Rita mountains.

Rates for the villas are more favorable than those of high-quality hotels. Visitors choose between furnished single-room villas or one-bedroom suites. The amenities include an on-site spa.

"People love sampling life in Green Valley," says Mary Lou Robinson of Fairfield Homes Vacation Villas. "They get right into the golf, the small-town feel, the recreational facilities and the sunshine. It's amazing how quickly they decide the lifestyle would be great for them year-round."

Robinson says this all makes Green Valley one of America's great retirement towns.

Conveniently situated

**Prospective retirees can now "sample" their retirement, joining an active adult lifestyle.**

about 25 miles south of Tucson, Green Valley offers guests a wide choice of nearby tourist and cultural attractions. Within an hour's drive or less are scenic trails and canyons, historic Spanish missions, casinos, ghost towns and such famous sites as legendary Tombstone and the mining-town-turned-arts-community of Bisbee, AZ.

Visitors cite Green Valley's fresh clean air and the town's low humidity as compelling reasons for their desire to return. The town's 3,000-foot altitude makes for a pleasing comfort index.

According to Robinson, getting to know the local residents is among the best ways to sample retirement. She says the Fairfield Homes' Vacation Villas put you in close proximity to residents, each of whom she describes as incredibly friendly and accessible.

"Let's face it," she says, "a community is really its people. We like our guests to get to know those who are already residents. They're invariably our best goodwill ambassadors."

**Free Video Brochure**

For a free video brochure that gives a close-up glimpse of Green Valley, call Heather at 1-800-528-4930; visit the Web site at [www.retireaz.com](http://www.retireaz.com); send e-mail to [info@retireaz.com](mailto:info@retireaz.com); or write to Fairfield Homes, P.O. Box 587, Green Valley, AZ 85622-0587.

## Cross Country Team in Campbellsport Invite

The Kewaskum Cross Country team traveled to their northern neighbor for the Campbellsport invite on Thursday, October 8th.

St. Mary's Springs won the Girl's competition with a low total of 18 points. St. Mary's Springs Jenny Kopecky led her team by winning the race in 16:14. All five of St. Mary's counters were in the top six overall. Plymouth was second with 94 points. Melanie Jones of Plymouth led her team with a seventh place finish in 17:19. Campbellsport was third with 117 points. Campbellsport's Kristi Knickel led her team with a twenty-second finish in 18:15. Manitowoc Lutheran was fourth with 121 points. Manitowoc's Katie Pluss led her team with a fifteenth place finish in 17:53. Kewaskum was fifth with 122 points. North Fond du Lac was sixth with 167 points. Sheboygan Falls was seventh with 170 points. Shoreland Lutheran, Winneconne, Howards Grove, and St. Francis all had incomplete teams.

Colleen Gosa led Kewaskum with a ninth place finish in 17:32. Emily Rinzel followed with a twelfth place finish in 17:41. Kelly Darmody finished twenty-seventh in a season best time of 18:26. Heather Hackbarth followed closely, finishing twenty-eighth in a season best time of 18:27. Michelle Zingsheim finished forty-sixth in 20:13. Lauren Schultz ran a season best of 20:17, finishing forty-seventh. Joyce Wagner finished forty-eighth, running the course in a season best time of 20:21.

Kewaskum Cross Country Coach commented, "The girls ran well tonight-4 PR's-and as a team they looked strong. They were only five points out of third place. Colleen is nursing a

strained ankle and Michelle is coming off from being ill. Heather and Kelly are moving up nicely."

Plymouth won the boy's competition with a total of 37 points. Plymouth was led by Mike Otte and Doug Amel finishing second and third in 17:30 and 17:34. Dave Ronsman led St. Mary's to a second place finish overall with 83 points by finishing sixth in 18:16. Sheboygan Falls finished third with 88 points. Randy Schwartz of Sheboygan Falls won the boy's 5 k race in 17:13. Manitowoc Lutheran finished fourth with 92 points. Campbellsport was led by Nick Martiny's fourth place finish in 17:44. Campbellsport finished fifth overall with 118 points. Howards Grove finished sixth with 198 points. Joe Holzwart of Howards Grove led his team with a seventh place finish in 18:18. Winneconne finished seventh with a total of 209 points. Kewaskum was eighth with 222 points. St. Francis finished ninth with 241 points. North Fond du Lac and Shoreland Lutheran had incomplete teams.

Kewaskum was led by Bryan Kraft's twenty-seventh place finish in 19:30. JP Repovsch finished thirty-first in 19:44. Koh Kawaji finished fifth-first in 21:09. Cory Wendegatz finished fifty-fifth in 21:31. Paul Mertz finished fifty-eighth in 21:44. Darrell Woebbeking finished sixty-first in 22:04. Scott Joers finished sixty-third in 22:08. Brendan Weinhold finished seventy-first in 24:53.

John Neumann led the Indians in the JV High School race by finishing in 24:07. Adam Woebbeking finished the race in 25:53. Darin O'Neill ran the race in 26:32.

Coach Drexler commented, "This was a tough course for the boys, times are usually a little slower here. Koh is nursing a sore leg, but otherwise everyone gave it their best. Good individual efforts were given by all."

## Rettler Named Midwest Conference Player of Week

Joe Rettler

RIPON -- Ripon College football player, Joe Rettler, son of Thomas and Susan Rettler of Kewaskum, was named Midwest Conference (MWC) "Offensive Player of the Week," for his performance against Lake Forest College on October 9. Rettler is a senior majoring in physical education.

Rettler, a graduate of Kewaskum High School, had a total of nine catches for 157 yards (17.4 average), a long gain of 39 yards, and three touchdowns. Rettler caught the two-point conversion that tied the game and the game-winning touchdown

with nine seconds left.

"Joe had an outstanding game this weekend," said ninth-year Head Coach Ron Ernst. "He dominated the game offensively and he made the big plays when it counted the most."

The Red Hawks defeated conference foe, Lake Forest College, 43-36. Ripon is now 3-2 overall and 3-1 in the MWC.

MWC Players of the Week are selected by the league's Sports Information Directors.

### THURSDAY NIGHT MIXED LEAGUE Lighthouse Lanes Oct. 14, 1999
