Past Insight is Key to 1999-2000 School District Budget

By Andrew R. Kuehl
Staff Writer/Photographer

Residents of the Kewaskum School District can be thankful of their past administrators for their financial insight.

Kewaskum's new business manager, Paul Reichert delivered the final budget to the school board members and residents at a special board meeting Monday night.

In his report, he stated, the proposed budget included many factors such as enrollment, equalization aid or state aid, revenue limit and equalized property values all of which contributed to the end result of the budget.

The revenue limit for 99-00 is \$12,779,444.

The DPI certified amount of equalization aid is \$7,650,050. This figure is \$735,000 more than last year.

The increase in equalization aid plus the addition of a new state aid payment for exempt computer property will allow the Board to reduce the property tax levy for the General (operating) fund by \$44,561. The 99-00 operating tax levy of \$5,111,168 is \$100,045 less than the 98-99 operating levy.

The equalized property values as released by the Department of Revenue reflect an increased 8.35% or \$653,443,795. This was higher than what was proposed by the district at the annual meeting.

The substantial increase in equalized property values combined with the decrease in the General Fund tax levy, enables the board to reduce the general fund tax rate for 99-00 from the earlier proposed budget. The general fund rate has been set at \$7.82 per \$1,000 of equalized value. This reflects a decrease of 82 cents from the 98-99 rate.

Reichert stated that because the DPI has recently revised its esti-

mates of the 99-00 categorical aid factors, he reviewed the estimates made by the district to create the budget. He concluded that two of the aids needed adjusting, a revision in the per pupil amount for Library aid from \$11 to \$21 results in an increase in Library Aid of \$40,020 while a decrease of the proration factor for Transportation Aide to 85% results in a decrease of \$4,500 in this aid.

Adjustments were made to the Special Education Fund. The Debt Service fund saw large increases in equalized property values which enabled the district to increase the tax levy for the Debt Service Fund while at the same time keeping the combined tax rate at \$10.56 per \$1,000 of equalized valuation. The new Debt Service Fund tax levy amount of \$1,789,198 is \$401,293 more than the tax levy originally proposed while the tax rate for the \$2.74 per \$1,000 of equalized property value, an increase of fifty cents over the tax rate originally proposed for 99-00.

Combined with the \$7.82 tax rate for the General Fund, the \$2.74 Debt Service Fund Tax rate will result in a combined tax rate of \$10.56, the same rate it has been for the last three years.

How the Debt Service Fund will be used depends on whether Tuesday's referendum is successful, the tax levy will be used to-

- 1) Fund debt service payments on existing debt.
- 2) Fund debt service payments on bonds issued for the referendum; and
- 3) Defease another portion of existing debt.

If the referendum is unsuccessful, the tax levy will be used to-

- 1) Fund debt service payments on existing debt; and
- 2) defease a larger portion of the existing debt.

Voters to Answer School's Referendum Question

By Andrew R. Kuehl
Staff Writer/Photographer

To build or not to build? That is the question residents of the Kewaskum School District have to answer this Tuesday.

The board initially held an advisory referendum last spring. They took the results of that referendum to develop this one that is on Tuesday's ballot.

The board is asking voters to vote in favor of borrowing \$11,700,000 in general obligation bonds.

"I believe this is a Win-Win referendum since the tax levy for debt service actually decreases from \$1.92 per \$1,000 of equalized valuation to \$1.76 per \$1,000. In addition, even with the passage of the referendum the school tax levy rate will remain the same as it has in the past three years, which is \$10.56 per \$1,000 of equalized valuation," said Superintendent Wayne Graczyk.

\$7,907,739 of the monies borrowed will be used to build and demolish the current elementary school on the current property. The school would be 82,250 sq. ft. with a student occupancy of 525 students.

All grades would have three classrooms per grade. The plan boosts a two station Gymnasium with adjacent media room, two early childhood rooms with an indoor play area, music and art facilities and library with adjacent computer room. Occupancy for this building is proposed for August of 2001.

The plan also calls for the erection of a new district administration building to replace the current out-grown trailer. This part of the referendum costs voters \$327,261. The building would consist of a 1,500 sq. ft. community/district meeting room with a small kitchen and workroom that could be used not only for board meetings but meetings for civic organizations. The rest of the building, 2,500 sq. ft.

would be used for office space. The building would house offices for the Superintendent, an administrative assistant, the payroll department, the business manager and the accounts payable/receivable departments.

Farmington Elementary is also scheduled to receive an addition and some remodeling costing \$2,362,500. The addition would give the special education department, first and second grades two new classrooms each, a new gymnasium, guidance office and the addition of air conditioning throughout the school.

Remodeling would take place to the existing classrooms, restrooms, cafeteria, library and corridors.

The student capacity would be 375 students with occupancy of the classrooms in August of 2000 and occupancy of the gymnasium in October of 2000.

The last school getting upgrades is Wayne Elementary. The cost of the additions and remodeling at WES would be \$1,102,500.

Additions include doubling the size of the current gymnasium, adding a library/computer lab, new entrance, hard-surface play area, air conditioning.

The existing classrooms, restrooms and corridors would receive remodeling. The black-topped parking lot would be repaired also.

The new student capacity would be 150 students.

With the additions at WES chil-

dren would no longer be required to go outside six times a week to get to the art and music class which is not attached to the current building.

Graczyk also stated, "The referendum Committee has spent man long hours over the past six weeks. Our goal was to inform the community about the referendum to have informed voters. We are asking that everyone, or as many as possible, to vote. The number of voters has been around 25-35% when we hope it will reach between 60-70%."

Architect's drawings for the school buildings can be found on page 5. See locations and polling hours on page 12 of this week's Statesman for your residence.

KHS Preschool Sign-Up Time

The Child Development class of Kewaskum High School will be conducting their first semester preschool starting Tuesday, December 7, 1999.

The preschool will meet Tuesday through Friday, December 7-10, Tuesday through Friday, December 14-17, and Tuesday through Friday, January 4-7 from 9 to 10:15 in the morning. The class is requesting that sign-up be complete by early November so they can plan appropriate activities for the children according to their ages.

The preschool at Kewaskum High School is in its 23rd year of operation and is under the direction of Mrs. Carol Martin and the juniors and seniors in the Child Development class. The children will have the opportunity to participate in storytime, music, art and other creative activities during the 12 day session.

Parents with children, ages 4 or 5, should call the high school office at 626-8427 during regular business hours to get information or to register their child. Enrollment will be limited to a first-call basis.

Senior Citizens Invited to See 'Oklahoma!'

All senior citizens are invited to enjoy free admission to the Kewaskum High School musical, "Oklahoma!" during the special Senior Citizens Performance at the high school's Rose Hall on Thursday, November 4, at 4 p.m.

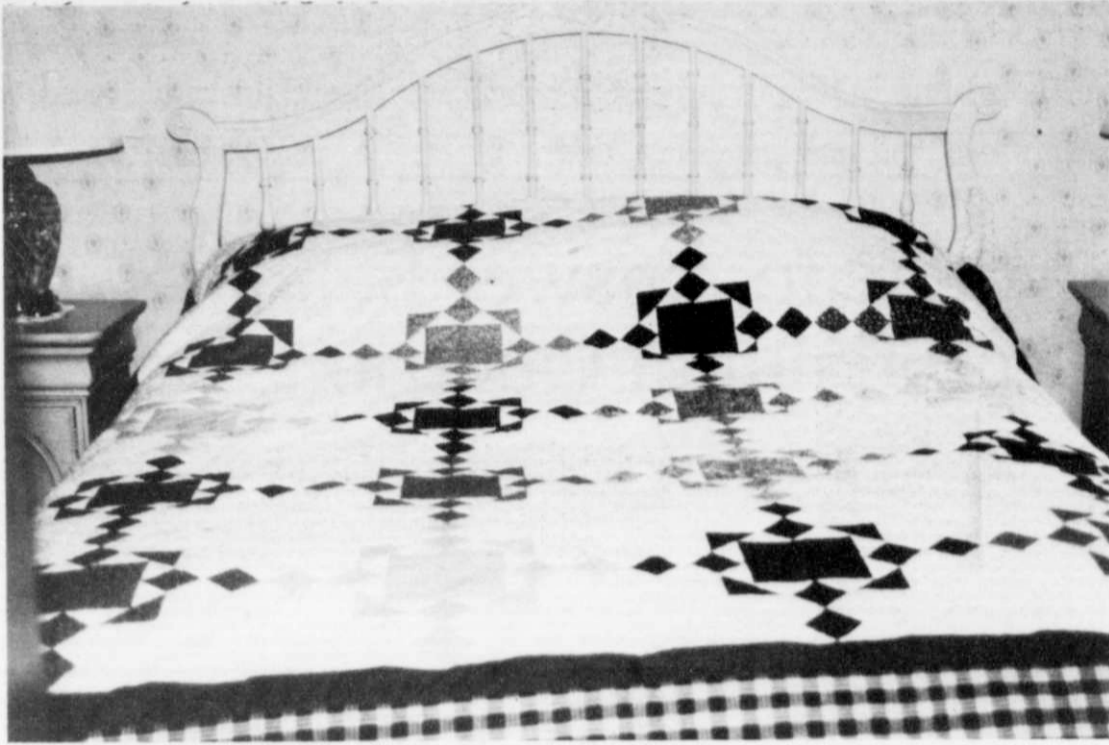

Refreshments at the afternoon performance will be furnished free of charge by the KHS Student Council.

Regular performances of the popular musical will be at 7:30 p.m. on November 5 and 6. For ticket information, contact the high school.

VOTE TUESDAY

Kewaskum Juniors to Host Art/Craft Show at Kewaskum Middle School

This year's Kewaskum Junior Woman's club quilt, shown above, to be raffled on November 20 at the Kewaskum Middle School is a snowflake design in blues and ivory.

Members of the GFWC Kewaskum Junior Woman's Club cordially invite area residents to their 17th annual fine art and craft show, entitled, "A Kettle Country Christmas." The show will be held on Saturday, November 20, from 9 a.m. to 3 p.m. at the Kewaskum Middle School, 1676 Reigle Drive, and will feature many unique, skilled artists and craftspeople from across central and southeastern Wisconsin.

Club members are actively working to once again make this an outstanding event for artists and craftspeople, club members and the viewing public. As a new addition to this year's show, Juniors will offer a Holiday Pie Sale featuring a variety of delicious pies available whole or by the slice and Cookies-In-A-Jar available in seven different recipes.

The ever-popular quilt raffle this year features a beautiful snowflake design quilt in blues and ivory. Advance tickets are available from any club member at \$1 each or six for \$5.

Members include Donna Beck, Ruthie Butler, Meri-Lou Chambers, Janet Heberer, Jenny Heberer, Karen Kletti, Louise Martin, Cheryl Peterson, Lisa Reuther and Carol Sabel. A free quilt raffle ticket will be offered on the day of the show with a \$1 per adult admission fee.

A luncheon and refreshments will be served in the cafeteria area of the Middle School offered by the Kewaskum High School Booster Club members. The menu will consist of hot cheesy broccoli soup, hot dogs and ham sandwiches, hot pretzels, nachos and

Final Phase of Playground Equipment Installed at WES

Eric Shaske, Ben Obright and Nathan Westerman are eager to try out the new playground equipment installed at Wayne Elementary School.

The final phase of playground equipment was recently installed at Wayne Elementary School. Equipment was purchased and installed over a four year time period. No tax dollars were used in the acquisition, just dollars earned by students participating in the yearly fall fundraising efforts.

Approximately \$19,000 was spent in equipment costs. Obviously many pizzas and candy was sold to accomplish this feat. The PTO and the students are most appreciative of the participation. A small grant was obtained as well to offset some of the costs.

Many times, people question the purpose of such an investment. Many computers, software and library books could be purchased for that dollar amount. The

reason the PTO pursued this initiative is the dangerous equipment that had been in place on the Wayne playground.

The litigious society of today motivated the parent group to work with a playground provider who could provide insight on the safe pieces that could remain and provide ideas on new equipment that would be fun and safe. The PTO also recognized the importance of recess and giving the children an opportunity to expend an endless supply of energy!

The unique part about the equipment is that it is made from recycled materials. Interestingly enough, the equipment at Wayne contains 10,736 plastic containers, 11,310 aluminum cans, and 8,676 soup cans! Not only is the equipment

attractive and functional, but earth friendly as well.

A guest speaker from the Department of Natural Resources gave a presentation to the children before the first phase was installed. The children were amazed to learn that their recycling efforts could actually benefit them in the form of playground equipment. The PTO encourages the community to stop in Wayne and look over the new equipment.

EDUCATION... It's Everyone's Business

Wayne P. Graczyk
Kewaskum
Superintendent
Of Schools

COULD THE NOVEMBER REFERENDUM BE A WIN-WIN SITUATION FOR EVERYONE? How will my taxes be affected by it?

It's been five weeks since my article asking people to make a stand, specifically regarding our November 2 referendum. In my September 23 article I wanted to make it clear that I wasn't referring to opinions, because we all know anyone can have an opinion, and just about everyone does.

Opinions just itch, mostly like mosquito bites. I simply meant for everyone to take a stand. Because stands usually don't allow much wiggle room, they can be uncomfortable. Because sometimes they cost, both in terms of time, energy and money, they are easily ignored or cast aside as "too costly." And, because they may even bring about a fair amount of pain somewhere along the way, they can be difficult to accept. Yes, stands can be divisive, getting people hollering at each other and slipping under each other's skins like a sliver that can fester around everything else that needs doing. But they can also unite. They can galvanize around a cause and can do good things. I specifically was asking, and continue to ask, for every resident in the school district to make a stand and a commitment regarding the November 2 referendum.

As you read this there are only five days until you will be asked to vote. Are you going to vote? Will you make a stand by getting at least one other person to vote? Finally, will you be an informed voter as you go to the polling site to cast your vote?

Over the past five weeks, the Referendum Information Committee has made presentations to over 20 clubs, organizations, and Town Boards, mailed and distributed information flyers, and were guests on WBKV, all in an effort to inform residents of the facts. I presume that as you read this you already know that the referendum consists of a single question which calls for the construction of a new Kewaskum Elementary School, demoli-

tion of the existing KES, construction of a new administration building/meeting room, and remodeling and additions to both Wayne and Farmington Elementary Schools. A vote "yes" means you support the referendum, while a vote "no" means that you don't support it. While it is a simple ballot to fill out, the difficult part is getting people out of their homes and working places and to the polling sites to vote.

I continue to encourage all Kewaskum school district residents to be informed voters. A critical example would be what impact the referendum has on you, the taxpayer. In the final information flyer, being mailed to all residents on October 27-28, it explains that the mill rate for debt service payments, *even with the passage of the referendum, will actually drop from \$1.92 per thousand to \$1.76 per thousand.* The informed voter knows that the school tax rate for debt service payments **will not** increase if this referendum is approved.

The informed voter also

has learned that the school tax rate, or mill rate, was \$10.56 per thousand in each of the last three years. The mill rate this year will once again be \$10.56, *which includes the debt service payments for the issuance of \$11,700,000 in bonds should the referendum be approved.* Estimates prepared by the school district indicate that *the mill rate can remain at \$10.56 for the next two years, even if the referendum is approved,* assuming there are no changes to state statute or the revenue limit formula, something we have no control over. (After that it is extremely difficult to estimate the mill rate due to factors beyond the school district's control such as enrollment, state aid levels, revenue limits, and changes in equalized property values).

But as mentioned earlier, the mill rate for debt service payments *will not increase, even if the referendum is passed.* That could truly be a WIN-WIN referendum and should make any "stands" made at the polling site a bit easier. But the

stand that requires a little more effort on your part is the stand to make the decision to take the time to actually vote. Your single vote can make the difference.

If you don't believe me look into the history of referendums passed, or defeated, by a single vote. Your vote does count. Your time does matter. If for no other reason, do it for the children, your children, grandchildren, your neighbor's children. They need you. Wouldn't it be great if everyone took a stand for the children, instead of politics, the pocketbook, misinformation, or emotions?

When was the last time you were asked to make a critical stand on a referendum that had such a positive impact on you as a taxpayer? When was the last time you were in a WIN-WIN situation while casting such an important vote?

Yes, stands can be difficult, but this one doesn't have to be. I realize that Kewaskum voters have voted down the last two referendums. I also know the voters have given "direc-

tion" to the school board in the form of the April 6 advisory referendum. It's now time for the adults to act on behalf of the kids. It is now time for the adults to "do something." I wish I had a dime for every time I heard someone in the community mention to me, "Something's got to be done." I know, as you do, that there are issues this referendum will not, and cannot, address at this time. What I do know is that the children, the parents, teachers, and the community at large, needs everyone's vote, needs you to make a "stand." Please don't disappoint them.

I will conclude by once again asking everyone to make not one stand, but two. The first stand is to mark your calendar to vote on November 2. The second is to not only cast your vote on November 2, but to make every effort to be an informed voter, casting a vote based on fact, not emotions or misinformation. In ending, I want to ask everyone to please remember that stands can unite, *and can do good things*, but opinions just itch.

Kewaskum Auxiliary Personnel Sponsoring Food Drive Here

The Kewaskum Auxiliary Personnel has put together a food drive for the community. With the upcoming teachers' convention and long weekend, the support staff felt they'd like to make this donation to the community.

The K.A.P. consists of the school systems support staff of secretaries, teacher's aides, cooks, janitors and maintenance personnel. They would like to express their thanks to their committee who helped to put together this food drive, and all the personnel who donated items.

The Kewaskum Auxiliary Personnel is also working on some other community projects in the near future. Their next project will be Christmas donations. The K.A.P. would like to make a difference in a teen's life. There are some who tend to be forgotten for various reasons during the holiday season.

With the Kewaskum Auxiliary Personnel support and assistance from the

community, the K.A.P. will be working on other community projects throughout the year.

Nearly 75 percent of the world's approximately 540 historically active volcanoes lie within the Ring of Fire, a zone running along the west coast of the Americas and the east coast of Asia.

Zuehlke - Buol

The wedding vows of Rachelle Zuehlke of Fitchburg and Brian Buol of DeForest were blessed during a 2 p.m. ceremony at St. Lucas Church, Kewaskum, on July 31, 1999. Rev. Edwin Fredrich officiated.

Parents of the couple are Norman and Helen Zuehlke of Kewaskum, Francis Buol of DeForest, and June Buol of Madison.

Lora Delcore of Oshkosh, a friend, served as the maid of honor. The bridesmaids were Nicole Carroll, a friend from Beloit, Michelle Carbiener, a friend from Oshkosh, and Tonya Zuehlke, a sister-in-law of the bride, from Kewaskum. Heather and Lindsey Zuehlke, nieces of the bride, served as flower girls.

The groom chose Tod Kacynski, a friend from Aventura, Florida, as his best man. The groomsmen were Jim Carlson, a friend from North Carolina, Mike Zuehlke, brother of the bride from Kewaskum, Daniel Zuehlke, brother of the bride from Kansas City, and Randy Olivares, a friend from Oregon, Wisconsin.

Ryan Seefeldt of Aniwa, a friend of the bride, and Tod Denzer of DeForest a friend of the groom, shared ushering duties.

Following the ceremony a reception, dinner and dance was held at the Amerahn

Queen Emma of the Sandwich Islands—later known as Hawaii—became the first queen to visit the United States. The widow of King Kamehameha IV, she arrived in New York on August 8, 1886.

Letters To The Editor

Dear Editor,

On Tuesday, November 2nd, 1999, we have an opportunity to make a difference in how and where our children are educated. I realize that education is more than bricks and mortar, however don't all parents want their children to have better than what they had?

I have been a resident of Kewaskum and I again want to commend all of the educational staff as well as our school board for the outstanding job they have done.

Do we realize that we have paid off school debt in 4-5 years in advance of our original debt repayment commitment. By doing so we have been able to free up of 4-5 years of additional debt that not to mention has saved 4-5 years of interest.

Sometimes I am skeptical of things I hear, so I have done some research on my own and have discovered that the real impact of the 11 million dollar referendum would do the following:

Our mill rate should remain at \$10.56 for at least the next TWO Years; the mill rate is the rate that is charged against the value of your home. To break that down further of the \$10.56 mill rate only \$1.76 per thousand would go to pay for ALL DEBT INCLUDING THE NEW REFERENDUM. So if you have a \$100,000 home the overall referendum cost would be \$176.00 per year. If you owned a \$150,000 home the overall cost would be \$264.00 per year. Let me break that down even further on a \$100,000 home

the cost per day to have improved school facilities is 69 cents, on a \$150,000 home it would be \$1.03 per day.

Are our children not worth 69 cents to \$1.03 per day?

Sincerely,
James L. Wright

An Open Letter to
Mr. Douglas Rinzel,

Last spring an advisory referendum was conducted to determine the precise amount of district-wide support that existed for the reopening of the Beechwood Elementary School. I do not live in the Beechwood community, but I voted for this reopening to happen, and I voted for the recurring referendum to support it. I did so because I know from experience that smaller, neighborhood schools are best for children. Many other non-Beechwood attendance-area residents also voted for that school to be reopened. Without us, you would have not had nearly the votes you had in support of a Beechwood School.

BUT, we were voted down. The majority of district voters DID NOT want the reopening of the Beechwood School to occur. I'm sure you understand the rules of democracy and majority. Therefore, it seems simple enough to understand why we are not voting to reopen Beechwood on this referendum.

We need to support this referendum because OUR CHILDREN NEED ADEQUATE AND DECENT SPACE! Ask yourself how voting against this referen-

dum will help our district's children. Ask yourself how voting against this referendum will help Beechwood's children. When you really consider these questions, you will realize that a negative vote helps no one. This is not a vote to get even; this is a vote for the district's elementary children. Please vote YES!

Sincerely,
Connie A. Zemlicka

Dear Editor and
Kewaskum School
District Residents:

The referendum on November 2nd is our third attempt at passing a building referendum for the district. Essentially, this \$12M referendum proposes the same thing that failed in September 1998. After reflecting on the different building plans that have been proposed and failed, it now seems obvious to me that we each need to answer one simple question before we go to the polls: Are we willing to fund the smaller size community school concept? This is a tough question to ponder, because it is hard to put a dollar value on the educational benefits of community schools.

If we embrace the concept of community schools, this referendum is not the most economical option available. The referendum proposes spending \$2.4M to add six classrooms, a gym, and other additional space on to the Farmington school. Coincidentally, the vacant Beechwood school also consists of six classrooms and a gym. The fact sheet sent out before the

April referendum stated that for \$250K the current Beechwood building could be renovated for reopening. Because the building has gradually been "guttled" over the years, we would still need to buy equipment, A/C, and fix the driveway (another \$150K). To be fully functional as an independent school, we could also add an IMC (library), music/art room, and reading/speech room for another \$300K, bringing the total BES cost to \$700K. If we opened Beechwood, the Farmington school would simply need to be remodeled, add A/C, and better equipped and would not need any additional classroom or gym space, for a total FES cost of about \$1M. The combined Beechwood & Farming-

ton costs would be \$1.7M, far less than the \$2.4M proposed in this referendum. By borrowing \$700K less at this time, the district would be in a much better financial debt situation when we need to borrow for future building improvements at the middle or high schools. Again I ask -- are the taxpayers of this district so rich that we can afford to scrap BES? The proceeds of selling the building (about \$150K) would not put a dent in the cost of any new facilities. Why rebuild what we already have? What kind of message does it send to our children to throw away usable facilities and build new ones instead -- I doubt that you'll teach them to manage their own finances that way. Better

education at a lesser cost. If that sounds like a smart idea to you, vote NO on November 2.

If we feel that the community school concept is simply not economical and costs more than we as a district can afford, this referendum is also not the most economical option available. A better option would be to build a larger KES and FES and close the Wayne school. By operating only two schools (Kewaskum and Farmington) we would achieve economies of scale. Instead of the special teachers (specialists, gym, art, music) being paid to travel between the schools, they

would be permanently situated at one of the two elementary schools. Their time would be spent more productively by teaching our children rather than driving their cars between schools. The class sizes at Wayne and Kewaskum right now are very significantly less than those at Farmington (18-19 vs. 25-26). KES could absorb the Wayne students today and still have smaller class sizes than Farmington.

Think about it - either option makes more sense to me than what is being proposed in the \$12M referendum. Either option will cost

less than \$12M and/or less to operate. As one of the largest school districts in square miles, we need to be a district with either two or four elementary schools, depending on the value we place on smaller, community schools. Building onto and operating three schools, while holding one vacant, is not the answer.

Please be sure your vote is counted on November 2nd! Regardless of the outcome of the building referendum, there are many operating concerns in our district that parents should be more aware of. Please help improve your children's education by being

involved and expressing your concerns about things like large class sizes, too few teachers and aides, and compromising learning environments to your school board.

Sincerely,
Sharon M. Zolp

Dear Editor,

Why does the community need to pass the November 2nd school referendum? Because Kewaskum Elementary School is a disgrace to the community. Not only is the building old, unappealing

and uninviting, it presents serious safety concerns for the community's children. A serious fire hazard exists due to three floors and no fire doors. Walls are decomposing. Floors and stairs present tripping hazards. There is inadequate ventilation and insulation. Traffic congestion presents a danger of accidents. Additionally, the building does not provide adequate space for school and community functions.

Why does the community need to pass the November 2nd school referendum? Because

JAMES HACKETT, MD JOHN KONKEL, MD KURT KONKEL, MD PHILIP KONKEL, MD PAUL MILLER, MD MARK O'MEARA, MD

Farmington Elementary School is overcrowded. The School library is located in the hallway. Supplies and materials are stored in the hallway. There is only one set of restrooms for approximately 265 children. The gymnasium is too small for school functions. Office space is inadequate. There is no appropriate place for children to wait when they are ill. There are currently 27 children in one kindergarten class with no additional classroom space available to create smaller class sizes.

Why does the community need to pass the November 2nd school

referendum? Because Wayne Elementary School is also overcrowded. Some classes are held in a portable classroom, which requires the children to go outside in inclement weather. There is no restroom in the portable classroom. There is inadequate gym and cafeteria space for school functions. There is limited parking space.

Why does the community need to pass the November 2nd school referendum? Because passing the referendum will benefit the entire community. We do not live in a vacuum; all community members impact each other.

Therefore, the community has a responsibility to ensure the community's children receive the best education possible. By passing the referendum we have the opportunity to direct our children's growth in a positive direction.

Why does the community need to pass the November 2nd school referendum? Because it's the right thing to do. VOTE YES.

Ruth Ries
Colleen Herbst

To the Editor:

As November 2 gets closer, hopefully more people are becoming aware of the Campbellsport School District referendum. Hopefully they are getting their information from knowledgeable people and checking out all of the facts before deciding how to vote.

I've talked to dozens of people in the past few weeks and some of the same points keep coming up. First of all, the building needs are not based on an increasing enrollment. They are based on the present school population and the crowded and inadequate

facilities they are using right now. The plan for the new elementary school and the remodeling of the existing building will allow for some future growth if that should happen so we will be taking care of the problems we have right now and planning for the future.

As far as the tax impact is concerned, we may have to look at it from another perspective. We will still be lower than most districts in our area. Not at the very bottom of the list but not far from it! Also consider the fact that we have done very little to the Campbellsport

(Continued on next page)

THINK OF US AS PERSONAL TRAINERS (FOR YOUR HOUSE)

Before spending the time and money on your next home improvement project, make sure your house spends some time with a personal fitness trainer — a HouseWorks™ contractor. By using the simple, low-cost HouseWorks inspection, your house can be more comfortable, more energy efficient, and safer.

A HouseWorks contractor has been trained to treat your house as a whole system. They know how air flow downstairs affects comfort upstairs, how heating and cooling systems affect drafts, and where drafts are best stopped.

A thorough home inspection conducted by a HouseWorks contractor will benefit your house in these four main home improvement areas:

- heating & cooling projects
- remodeling: additions, renovations, general projects, and installing or adding insulation
- a general home efficiency check-up
- problems that are symptoms of poor air flow: high energy bills, drafts, hot and/or cold rooms, hard-to-heat areas, exterior ice build-up, fog or condensation on windows

The basic HouseWorks inspection includes: a blower door test to measure the amount and location of air leaking into or out of your home; an insulation test; a carbon monoxide test; a gas-fired equipment test; and a chimney draft test. Other energy-saving services are also available.

Ready to get fit? Call a HouseWorks contractor listed below. For more information call Wisconsin Energy Conservation Corporation at **888-543-8155**.

building in the past 25 years and add on another 15 or so that this should be good for and this seems like a pretty fair price to pay. One person I talked to broke it down this way: If you pay \$100 to \$300 extra in taxes it will break down to 27-85 cents a day! One other important point is that by waiting we will increase the cost substantially because of no help from the state and an increase in the costs of construction.

The last and most important factor that I see is the kids. Even if you don't have kids in school you should realize that this is an investment in your future as well as the kids. Today's kids will be tomorrow's parents, electricians, doctors, plumbers, business owners, farmers, teachers, craftsmen, scientists, leaders, and the list goes on! Let's show them that we know education is important and that we are willing to make an investment in their future as well as ours. Vote YES on November 2.

Mike & Mary Bowe

Dear Editor:

We would like to encourage the residents of the Kewaskum School District to vote YES on the Nov. 2 school referendum. Your children need and deserve this new school and the improvements at Farmington and Wayne Elementary. Delaying the construction will only add to the cost. Let's work together and make a positive decision.

Ann & Mitch Gebheim

Dear Editor,

I am writing this concerning the children of this community and their involvement with Pokemon cards. At first I thought it was just for fun but as time went on I've learned that it is teaching our children how to gamble and rip people off. Not only that, but like gambling, it is very addictive. If you don't think your child is addicted, try taking the cards away.

I'm not saying that every child is involved in this, but to me, one child is too many. Working in the school system I see and hear a lot of the attitudes that have formed within our children and they are very alarming to me.

Pokemon cards are not the only problem. Video games, movies, and what we watch on television are responsible in part for the attitudes and actions of our children and ourselves. I think there are some good games, movies, and T.V. to watch but the majority of it involves fighting, killing, stealing, hating, in one word, Evil.

I pray that we as par-

ents become more wise as to what our children are involved in. Time is really the most precious gift we can give to our children and I believe that is what they long for.

Sincerely,
Karen Paulus

To the Editor,

When we moved here three years ago we took for granted that the schools would be in good shape. Unfortunately we were shocked by the condition of our daughter's second grade class and then became more disgusted with the more we saw. So we got involved. We hope you do too.

On November 2 the residents of the Kewaskum school district are faced with the opportunity to improve their community and the lives of children. The 11.7 million dollar referendum is to build a new elementary school and administration building in the Village of Kewaskum and to enlarge and improve Wayne and Farmington schools. For some people this is not enough or there is one part of it that they do not completely agree with. To them we say this is a

good start. This may not be your ideal plan, but it is based upon the results of the spring advisory referendum. The citizens who took the time to vote determined exactly what the referendum would contain. Not the school board, but the voting public. Does it cover all we'd personally like it to cover? No, but it is a good place to begin. It is long overdue that we vote for the schools and our children.

Will the citizens of the Kewaskum school district stay on the same old path of doing nothing, continuing to send children to over-crowded, run-down schools, or are we finally going to provide them with the learning environment they deserve? We hope that you are not one that does not want to be confused by the facts because you have already made up your mind. If you are unfamiliar with the elementary schools, we urge you to go through the buildings and see for yourself the current condition they are in. Once inside these buildings ask yourself, "would I want my kids to go here?"

By passing this referendum, we would actually be getting 50-55% of our building cost reimbursed by the state with the tax money we already sent to Madison. Think about it -- every time

a new school is built it is subsidized by the state. Why don't we get some of our own tax money back for our district?

Let's stop the petty arguing and put aside minor differences and let's make the schools a great part of our community. Vote YES on November 2nd!

Gordon and
Cheryl Dickman

Dear Editor,

I would like to suggest that Kewaskum School District voters seriously consider several things before voting on the school referendum November 2nd.

Many school districts around the state have been taking advantage of state aid they are now entitled to: Wausau, a \$65,000,000 facility, the state pays over \$40,000,000. Fond du Lac, a \$45,000,000 facility, the state pays over \$30,000,000, to name a few, yet our district has failed to take advantage of this windfall to date. I feel that since we, as state taxpayers, must help pay for other districts new schools, they should help pay for ours, which we are in so desperate need of. As has been explained in

previous letters this can be done without increasing the property tax milrate, the interest rates are still low and construction costs will be going up if this issue is prolonged.

One last thing to consider is the fact that what is requested in the referendum benefits "ALL" children in the district. Some will say it doesn't benefit theirs because they still have to be bussed but this is the kind of small school system that the majority of the area people want. There is one other alternative; a centrally located elementary school -- for all district students and area residents have indicated they do not want this.

The education of students in this area benefits everyone either directly or indirectly. A child needs and deserves a safe, healthy and uncrowded facility with a good atmosphere to be properly taught and this plan meets all the above requirements in the most feasible and practical way. The time is ripe to take advantage and accept our fair share of state aid now. Once again, "VOTE AND

VOTE YES" November 2nd.
Thank you.

Sincerely,
Lloyd A. Koch

Dear Editor:

On Tuesday, November 2nd you have a duty to perform--- VOTE! You are important! This is a Kewaskum school district project.

You now have the opportunity to vote on a much needed new grade school and the upgrading of the other grade schools. The cost is 11.7 million and the state will refund to the district between 50 and 55 percent of the cost from taxes we have already paid. With interest at a low, it's a bargain.

The school tax rate will remain the same and only the Village, County or State tax rate could change.

If you have any doubt of its need please take time to visit your schools and see for yourself.

It's a citizen's duty and privilege to vote at every election. The children of today will be the leaders of tomorrow. PLEASE VOTE YES for education and get the ball rolling.

Elmer & Betty Hallen

Dear Editor;

I keep seeing signs in the Kewaskum area urging me to vote "yes" on the upcoming Kewaskum School District building referendum "for the children." I question how passing this referendum could be construed a plus for anyone when you consider some of the ramifications. A "yes" vote means that Beechwood kids will be spending up to 2 hours a day riding the bus; a "yes" vote means that up to 300 kids (and likely many more) could be crammed into Farmington School; a "yes" vote means that a golden opportunity to install a neighborhood school atmosphere at both Beechwood and Farmington will have been wasted; a "yes" vote means that personal agenda politics will have prevailed in this district and permanently decreased the quality of our grade school education capability. This is how we want to care "for the children"?

For years I have been listening to the politically influenced and convoluted nonsense that passes for a "reason" to close and keep closed the Beechwood School. The stark fact remains - it defies common sense to *not* open the school.

Consider;

1 - Beechwood School is sitting there empty and paid for.

2 - The district needs

more space, yet instead of opening Beechwood it is willing to waste over a million dollars to duplicate the facility just 7 miles away at Farmington.

3 - Why would we vote to build a large and impersonal school when it's not necessary because identical facilities already exist so near at Beechwood? We can create and maintain a neighborhood atmosphere at both schools for a minimal amount of money and give our students all the benefits implied. Why would we pass up an opportunity like this to do something positive for the students attending both schools - benefits that will last for years? We are shaping lives here, not buildings. It simply defies logic to, in essence, create a problem symptomatic of urbanization (large and impersonal schools) in a rural area especially when the facilities to avoid this situation already exist.

If you really want to vote "for the children" - vote "no" and keep voting "no" until the school board realizes how big a mistake it has and is making. I appeal to you on behalf of the children whose lives will be affected by your vote. I appeal to you on behalf of common sense - VOTE NO!!

Sincerely,
Douglas Rinzel

Dear Editor,

To the Citizens of the Campbellsport School District:

On November 2, we have an opportunity to improve the quality of education our children receive. Our school district has done a fine job over the years. Like our homes and vehicles though, we must maintain and periodically upgrade our school facilities.

The school referendum on November 2 proposes to do exactly that. Over 30 years ago no one imagined there would be computers in almost every facet of our society today. Technology is changing rapidly and our facilities need to keep up. The agriculture curriculum has increased from approximately 50 students to over 300. They need space and modern facilities to effectively teach. School athletics today try to promote a healthy lifestyle among all the students. Girls' athletics has expanded dramatically over the years. Facilities from nearly 30 years ago cannot handle today's demands!

With the closing of Southern Colony, classes for special education have gone from three classes about 20 years ago, to 18 today. There may be more classes mandated by the state in the future. These children have a right to develop to their fullest potential. A

new elementary school will provide greater opportunity and a nurturing environment for our younger children.

Please vote yes on Nov. 2 to continue the tradition of quality education for all our children in the Campbellsport School District.

Sincerely,
Deborah H. Senn

To the Editor:

I would like to thank Doug Rinzel for the excellent article explaining the tactics, certain members of the Kewaskum School Board use to #1 close the Beechwood Schools #2 to activate this past referendum. Only Public Education can use these tactics.

But glancing through the Milwaukee paper about a year and a half ago, I notice the headlines "Kewaskum Public School brings home the honors." Unfortunately those honors were students leaving the district for other school districts. The number was 34. I been told that the district that loses the student must pay the other district a pretty good sum of money each year, and continuous as long as that student is a student in that chosen district. If there is truth to this, I believe Kewaskum has a pretty good debt started each year. I wonder why this issue wasn't brought to the taxpayers.

Again about a week ago the Milwaukee paper listed the same school districts, the subject enrollment. Only a few showed increases. But clearly stated this was at the high school level, the declines were at the lower grades in all districts. (Interesting). Also stated some reasons for the declines and could continue. Reasons: #1 abortion; #2 option to choose your school district; #3 home schooling; #4 the desire of parents for private schools.

I believe the private schools will have a great effect on Public Education and why not, all our elected officials enjoy that arena, and have the guts to tell the citizens how great public education is. The high courts just ruled about a week ago, the program that the State of Arizona has adopted was constitutional (Tax break at the end of the year I believe the figure given was 5000.00 dollars) for sending your child to private schools. Already 10 to 12 states want to adopt this program. What a shot in the arm for private education. (Long overdue).

In closing, the parents in the Beechwood area that have contacted neighboring districts, felt a little disappointed due to no space available, be patient, space will become available. I don't believe our education program should be coming from Washington County.

We belong in Sheboygan County, a mistake this community made in the early 50's. But can be corrected.

Thanks again Doug for that letter, every citizen in the Beechwood area should get a copy.

Ralph Buchel

Dear Voters,
Re: Referendum

I commend Wayne Graczyk for doing an outstanding job of promoting this referendum. Do realize that it is not for him to take issue with any aspects of the plan. He is doing a great job at following the directive of the board.

As a board member, I voted to present this plan to you even though I don't agree with it. While the price tag is comparatively low it has drawbacks you should consider.

Shortsighted - It does not allow for any funding to clean, light, heat, maintain and especially staffing of the additions at FES and WES without cutting into other educational programs.

-- Future needs are not considered. Sooner or later it will be realized that we already need more M.S. space and again a new H.S. will be called for. The former referendum in 94-95 accomodated this while taking care of more immediate needs. Part of that plan was that in the future we would build a new H.S. if needed. The M.S. would move into the H.S. and KES would move into the M.S. This way we make good use of the existing facilities. In the present proposal (building a new KES on a site that could be sold) there can be no economic justification once a KES is built. Future plans for a new H.S. leaves an empty M.S. building. What a waste of tax dollars and poor use of facilities.

-- Stretching the loan to 20 years is too long for this plan.

Wasteful - This plan adds onto FES at about 24 million when renovation to FES and BES would be about 1 million. The difference in interest expense alone, on average, over the 20 years is about 55 thousand dollars per year.

Educationally Unsound - It is obvious to me, that smaller schools are more successful. For years we have shifted more students from FES to KES to alleviate crowding. KES had the space. Now, with this proposal, we suggest building a larger KES & FES (not conducive to education) at higher costs to both buildings and neglect our real purpose -- educating and meeting the needs of all district residents.

I will vote against this plan. I prefer a different

plan; one with foresight.

Sincerely,
John Schulte

Dear Editor:

VOTE NO ON THE
1999 KEWASKUM
SCHOOL REFERENDUM
A Parent's View

As a supporter of educational excellence in the Kewaskum School District, I must vote against this referendum. It is billed as an elementary school referendum, but it provides no educational benefit and locks up the district's elementary school resources in undesirable and inefficient buildings, failing to improve education, social behavior or community.

The proposed construction creates a huge elementary school in the village of Kewaskum and expands Farmington School beyond the size that provides the best education. Recent educational research has demonstrated that elementary school education is best conducted in small schools with relatively small class sizes. Both the projected class sizes and the projected school sizes are too large, so large that they compromise educational quality.

Large elementary schools are also implicated in the rise of behavioral problems in middle school and high school. Students are more likely to form exclusive cliques, to bully and suffer bullying, to form gangs, and to engage in violent behavior against the school and each other.

If we were serious about education and the projected growth in the Kewaskum elementary school population, the referendum would provide for two smaller elementary schools in the village and the re-opening of Beechwood School to relieve pressure on both Farmington and Kewaskum schools.

Because this referendum would lead to progressive worsening of educational quality in the elementary schools, I ask voters to vote NO! on November 2.

Sincerely,
Wes Weinhold

FACSIMILE BALLOT NOTICE OF SCHOOL DISTRICT OF KEWASKUM SPECIAL REFERENDUM ELECTION November 2, 1999

OFFICE OF THE SCHOOL DISTRICT OF KEWASKUM CLERK TO THE ELECTORS OF THE SCHOOL DISTRICT OF KEWASKUM:

Notice is hereby given that a referendum election will be held in the School District of Kewaskum, on the 2nd day of November, 1999, at which the referendum question set forth in the sample ballot below shall be determined.

INFORMATION TO ELECTORS

Upon entering the polling place, an elector shall give his or her name and address before being permitted to vote. Where ballots are distributed to electors, the initials of two inspectors must appear on the ballot.

On the referendum question, the elector shall make a cross (X) in the square at the right of the "yes" if in favor of the question, or the elector shall make a cross (X) in the square at the right of the "no" if opposed to the question.

The vote should not be cast in any other manner. If the elector spoils a ballot, he or she shall return it to an election official who shall issue another ballot in its place, but not more than three ballots shall be issued to any one elector.

After an official paper ballot is marked, it shall be folded so the inside marks do not show, but so the printed endorsements and inspector's initials on the outside do show. The elector shall leave the booth, deposit his or her folded ballot in the ballot box, or deliver the ballot to an inspector for deposit, and shall leave the polling place promptly.

An elector may select an individual to assist in casting his or her vote if the elector declares to the presiding official that he or she is unable to read, has difficulty reading, writing or understanding English or that due to disability is unable to cast his or her ballot.

The following is a facsimile of the official ballot:

MARY MEISSER, DISTRICT CLERK

NOTICE TO THE ELECTORS FOR THE SCHOOL DISTRICT OF KEWASKUM RELATING TO POLLING PLACES AND HOURS FOR A REFERENDUM ELECTION

TAKE NOTICE that the referendum election to be conducted in the School District of Kewaskum on November 2, 1999 will be held at the following polling places and hours for those voters residing in the municipalities of the District.

VILLAGE OF KEWASKUM Municipal Building 204 First Street, Kewaskum, WI Time - 7:00 a.m. to 8:00 p.m.

HALLOWEEN

HINTS

100 Acres Of Fun And Safety

(NAPS)—Children love Halloween, but the first time trick-or-treating can be a bit scary for little ones. Fortunately, with the help of favorite friends and some safety sense, the holiday can be less spooky and more special.

Here are some tips for children and parents to follow for a more enjoyable Halloween:

- Plan a route and share it with others. It's always great to have your friends with you.

- Keep costumes short and easy to walk in. This will help prevent falls, trips or any other bumps in the night. Also, use face paint instead of a mask or other pieces that cover the eyes and block vision.

A fun costume idea is to dress up as one of the lovable characters from the Hundred Acre Wood. You can dress up as Winnie the Pooh, Piglet, Eeyore or Tigger, in costumes that won't get in the way of trick-or-treating enjoyment.

- Stay on the sidewalks, where you can walk, bounce, hop or skip. If you have to cross the street, look both ways to check for cars, trucks and other ghostly goblins.

- Try to trick-or-treat while it's still light out. This will help keep little ones from getting scared in the dark. If you do travel the neighborhood at night, be sure to carry a flashlight or light stick—you don't want to get lost in the woods.

- A delightful way to collect your goodies is in a Winnie the Pooh "hunny pot" con-

Costumes from the Hundred Acre Wood can make Halloween even more fun.

tainer, easy to carry and big enough to hold plenty of tasty holiday morsels.

When out on your route, always accept treats at the door and do not go into a stranger's house. Before you start snacking, adults should inspect all of the treats; don't eat any if the wrapper is opened or the candy has been rewrapped.

- A Halloween party with games, food and Winnie the Pooh can be just as exciting and fun as trick-or-treating. First, send out invitations decorated with the friendly characters, then have guests dress up as their favorites. Children will love such traditional games as bobbing for apples and Pin the Tail on Eeyore.

Winnie the Pooh Halloween merchandise is available at stores such as Wal-Mart, Kmart, Target and Sears. To find out more, call toll-free 1-800-884-POOH.

Pop Up Some October Fun... Celebrate Popcorn Poppin' Month

(NAPS)—Don't let October pass without celebrating national popcorn poppin' month! It's the perfect time to enjoy this always-popular snack. It's no wonder Americans will consume more than 16 billion quarts of naturally fun popcorn this year! That's 59 quarts per man, woman and child!

Popcorn is low in fat, high in fiber and packed with energy producing carbohydrates. But most of all, it's fun. And there are many yummy ways to serve popcorn—sweet or salty, buttered, caramel coated, cheese flavored or just good, plain popcorn! During popcorn harvest time, it's the peak season for super snacking and the perfect time to celebrate Popcorn Poppin' Month.

The first step to popcorn snacking is popping perfection. And here's how to pop it right.

1. Warm the popper, heavy pan or heavy skillet.
2. Put in ¼ cup of cooking oil.

3. Pour enough kernels to cover the bottom of the pan.

4. Cover and shake gently.

5. When you hear the last few pops, remove the pan from heat and empty contents into a large bowl. Enjoy!

Popcorn Poppin' Month is a great time to enjoy traditional popcorn favorites like Caramel Corn Crunch or Pop-a-rific Popcorn Balls as well as popping up a snacking surprise such as Dilly Lemon Munch.

CARAMEL CORN

½ cup butter
½ cup brown sugar, firmly packed
3 quarts popped popcorn

Cream butter, add brown sugar and whip until fluffy. In a large baking pan, combine popcorn. Mix in creamed mixture. Bake in 350-degree oven for about 8 minutes or until crisp. Serve warm if desired. Makes 3 quarts.

Nutritional Information (based on 1-cup serving):
Total Calories 141; Fat: 10g; Carbohydrate 12g; Sugar 6g; Fiber 1g; Protein 1g; Sodium 81mg; Cholesterol 21mg.

DILLY LEMON MUNCH

2 quarts popcorn popped in ¼ cup of oil
2 tablespoons shredded lemon peel
1 teaspoon dill weed

Toss popcorn with lemon peel and dill weed. Flavor enhances as popcorn stands.

Nutritional Information (based on 1-cup serving):
Total Calories 92; Fat: 7g; Carbohydrate 7g; Sugar: 131g; Fiber 1g; Protein 1g; Sodium 1mg; Cholesterol 0mg.

POP-A-RIFIC POPCORN BALLS

3 quarts popped popcorn, unsalted
1 (1-lb.) pkg. marshmallows
¼ cup butter or margarine

Place popped popcorn in a large bowl. In a large saucepan, cook marshmallows and butter or margarine over low heat until melted and smooth*. Pour over popcorn, tossing gently to mix well. Cool five minutes. Butter hands well and form 2½ inch balls. Makes about 14 balls.

Nutritional Information (based on 1-ball serving):
Total Calories 167; Fat 5g; Carbohydrate 32g; Sugar 26g; Fiber 1g; Protein 1g; Sodium 49mg; Cholesterol 9mg.

*To color the popcorn balls, add a few drops of food coloring to the smooth marshmallow mixture. Mix well to distribute color evenly, then pour over popcorn as instructed.

For more ideas to celebrate Popcorn Popping Month, visit www.popcorn.org.

NOTICE OF REFERENDUM ELECTION SCHOOL DISTRICT OF KEWASKUM

TAKE NOTICE that a special referendum election shall be held on November 2, 1999, in the School District of Kewaskum, Washington, Fond du Lac and Sheboygan Counties, Wisconsin, for the purpose of approving or rejecting a Resolution adopted by the Board of Education of said District on September 8, 1999.

The Resolution reads as follows:

INITIAL RESOLUTION AUTHORIZING GENERAL OBLIGATION BONDS IN AN AMOUNT NOT TO EXCEED \$11,700,000

BE IT RESOLVED by the Board of Education of the School District of Kewaskum, Washington, Fond du Lac and Sheboygan Counties, Wisconsin, that there shall be issued, pursuant to Chapter 67, Wisconsin Statutes, General Obligation Bonds in an amount not to exceed \$11,700,000 for the purpose of paying the cost of constructing, furnishing and equipping a new elementary school; constructing, furnishing and equipping a new administration office building; remodeling, constructing additions to, and furnishing and equipping Wayne and Farmington elementary schools; demolition of the old elementary school; and the costs of issuing the Bonds (the "Project").

BE IT FURTHER RESOLVED that the District Clerk is hereby authorized and directed to publish a Notice to Electors in the *Kewaskum Statesman* and within ten (10) days of the adoption and recording of the foregoing resolution.

BE IT FURTHER RESOLVED that pursuant to Chapter 67.05(6a)(a)2.a of the Wisconsin Statutes, the District Clerk is hereby directed to call a referendum election on November 2, 1999, for the purpose of submitting the Resolution to the electors for approval or rejection. The Initial Resolution shall not be effective unless adopted by a majority of the School District electors voting at the referendum.

The referendum ballot will ask District electors: "Shall the foregoing resolution of the Board of Education of the School District of Kewaskum be approved?"

A "yes" vote is in favor of the \$11,700,000 Resolution set forth above and is a vote to approve the borrowing of not to exceed \$11,700,000 by the School District of Kewaskum through the issuance of General Obligation Bonds for the purpose of paying the cost of constructing, furnishing and equipping a new elementary school; constructing, furnishing and equipping a new administration office building; remodeling, constructing additions to, and furnishing and equipping Wayne and Farmington elementary schools; demolition of the old elementary school; and the costs of issuing the Bonds (the "Project").

A "no" vote is opposed to the \$11,700,000 Resolution set forth above and is a vote to deny the District the authority to borrow not to exceed \$11,700,000 through the issuance of General Obligation Bonds for the purpose of paying the cost of constructing, furnishing and equipping a new elementary school; constructing, furnishing and equipping a new administration office building; remodeling, constructing additions to, and furnishing and equipping Wayne and Farmington elementary schools; demolition of the old elementary school; and the costs of issuing the Bonds (the "Project").

Persons with questions regarding the Referendum Election should contact Mr. Wayne Graczyk, District Administrator

School District of Kewaskum
Mary P. Meisser, District Clerk

HALLOWEEN MEMORIES...

Scarecrow Vandalized

There'll be no trick or treat
Without a Jack-o-lantern light

1917

Happy Halloween greetings from the early 1900's courtesy of the Isabelle Muckerheide collection.

Shown above are Kewaskum Middle School students Amanda Baken, Jessie Spaeth, Karen Ott and Katie Kurer posing with their first place scarecrow entry, "Where's Toto?". The photo was taken before the scarecrow was placed at the Kewaskum Welcome Sign where it was on display to add a festive decoration to the community for the annual Kettle Kountry Kolors celebration. The scarecrow was vandalized prior to having its photo taken for last week's announcement of the winners.

Kohlsville Fire Fighters Visit Little Folks

As part of National Fire Prevention Week, the Little Folks received a visit from four Kohlsville fire fighters. Aaron Martin, Tom Wagner, Robin White and Jeff Gutjahr took their time to talk to the children about fire safety.

They demonstrated what a fire fighter looks like when all geared up. They did this by dressing Dodie Sargent, director of Little Folks School House, in the pants, coat, boots, hat and tanks. The children got a thrill out of seeing their teacher dressed in gear that was clearly too big.

The volunteers explained all about the equipment and answered many questions. The children were given the chance to climb up into Kohlsville's newest fire

engine and experienced the lights and sirens. When the presentation was over, each child was given a fire prevention coloring book.

Fire safety is something that is taught not only during Fire Prevention Week, but all year long. The children practice fire drills monthly and most any of the little folks would be able to tell you the dangers of matches and lighters and could show you the "stop, drop and roll" technique if their clothing ever caught fire.

The staff of The Little Folks School House would like to thank the Kohlsville Fire Department for taking the time to come out and help teach the children one of the most valuable lessons they will ever learn.

SEEDS FROM THE SOWER

Michael A. Guido
Metter, Georgia

A little girl asked a boy, "Why do you have two pulpits in your church, one on one side and one on the other?"

"The minister reads from one," he answered, "and preaches from the other."

"Why?" she wondered.
"Maybe," he explained, "it's because what he preaches is far removed from the Bible."

But this isn't removed from the Bible: "For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish but have everlasting life."

It's not only the good people that God loves, but also the bad; the one who loves Him, and the one who doesn't.

God loves you. Why don't you love Him?

Classic Arts and Crafts Show at KC Hall Nov. 7

Kerri Smith of Verona has a great talent and a unique art for her hobby. Have a saying framed on the spot or order one for Christmas. This unique art is "What's In a Name?" Kerri will tell you what your name means or make a poem for any occasion. It's a great gift for birthdays, anniversaries or weddings. Stop in and enjoy the sayings and beautiful pictures. It's well worth the visit.

Kewaskum Public Library Sponsoring Writer's Group

The Kewaskum Public Library is sponsoring a writer's group on the first and third Tuesdays of the month. The group is being started by Teresa Piercey, a published author who has recently moved to this area.

If you like to write poetry, this is an opportunity to read and share your work. Teresa will also give tips on how to get published if you are working on a book or other manuscript. Anyone who is interested in writing is welcome. The next meeting is at 6 p.m. on Tuesday, November 2 at the library.

A feature story on Teresa Piercey will be published in the Kewaskum Statesman in the very near future. Watch for it.

Fall storytime is here! Parents and caregivers of

children, three and older, are encouraged to come to the library every Wednesday morning at 11:30 a.m. for our Half-Pint Bookworm group. Miss Jill will read stories and then the kids will work on crafts. Come and take advantage of the large selection of children's books. Picture books average about \$14 in the bookstores, so by going to the library, you can give your children a wide variety of books without spending any money.

The Kewaskum Public Library is located on the corner of First and Railroad Streets in the municipal building. Hours are Monday, Tuesday and Wednesday, 10 a.m. to 8 p.m.; Friday, 10 a.m. to 5 p.m. and Saturday from 9 a.m. to noon.

Free admission, door prizes announced every half hour, a craft corner for the kids, and quality crafters... all under one roof! Kewaskum's Wendi Dreher, known for her coordination of craft shows, is proud to present some of the area's finest and juried crafters at the Knights of Columbus Hall, just north of West Bend, on Sunday, November 7, from 9 a.m. to 4 p.m.

This year, as in the past, Wendi has gathered crafters with unique and different types of items. A newcomer to the show is Elaine Dobberstein of Omro. She will bring the ever-popular appliqued sweatshirts for every sport, hobby or season theme you would want in a sweatshirt. This quality is excellent and the designs

are original. Attend the craft show and see Elaine's wide selection of sweatshirts.

The Klementine family will again be on hand. The mother and daughters all get involved in the crafts made of rafia, wood and soft sculpture.

Lori Boudry of West Bend will have a variety of exquisitely handmade outfits for all the All-American dolls and the not-to-be-forgotten Barbie. If you have little girls this is the booth you'll want to visit.

JoAnn Hall of Campbell-sport will be at the show to entertain your children while you do your craft shopping. For a small fee, she will have her Make It and Take It booth set up so the children can make that

special gift for dad or grandma.

Join Wendi and company and the many juried crafters for the Best Little Craft Show in Town on Sunday, November 7, at the KC Hall, north of West Bend on Highway 45 and B (follow the signs). Lunch is available through the KC.

Resolution No. 99-37

Village of Kewaskum, Washington County, Wisconsin

A RESOLUTION TO REQUEST STATUTORY CHANGE TO THE LAW ENFORCEMENT - MUTUAL ASSISTANCE OF WISCONSIN STATUTES 66.305 AND 66.315

WHEREAS, the Village of Kewaskum has maintained a Police Department since the mid 1900's; and

WHEREAS, the Village of Kewaskum's Police Department has on numerous occasions responded to calls for mutual assistance and also in reverse has asked for mutual assistance from other law enforcement agencies; and

WHEREAS, the Village has never been sued by another law enforcement agency or its insurance carrier for damages, liability, related expenses or workers compensation; and

WHEREAS, the Village has never filed suit or claim against any other such agency, when responding to such a mutual assistance call.

NOW, THEREFORE BE IT RESOLVED, that the Village of Kewaskum requests the Washington County Board of Supervisors to accept responsibility for the actions initiated and damages caused by their own personnel.

BE IT FURTHER RESOLVED, that the Village of Kewaskum, hereby urges the Legislature and the Governor correct Wisconsin Statutes 66.305 and 66.315 as to foster mutual assistance between law enforcement jurisdictions and municipalities without potential risks and reprisals.

BE IT FURTHER RESOLVED, that a copy of this resolution be sent to Washington County, to each member of the legislative delegation and League of Wisconsin Municipalities.

ADOPTED AND APPROVED this 18th day of October, 1999 by the Kewaskum Village Board.

Robert H. Wagner
Village President

Motion for adoption seconded by Trustee Andrew Kuehl
Roll Call Vote was 6 "Aye" 0 "Nay" 1 "Absent"

Resolution No. 99-38

Village of Kewaskum, Washington County, Wisconsin

A RESOLUTION TO REQUEST CONSIDERATION OF A RELIEVER TRAFFIC ROUTE - FOR USH "45"

WHEREAS, the Village of Kewaskum has lobbied for and supported the necessary improvements to USH "45" from CTH "D" to CTH "H" west since its inception and does not want any adjustment to alter the time table for the work to further be delayed, the timing is appropriate to discuss an alternate/reliever route for that portion of USH "45" within the Village of Kewaskum; and

WHEREAS, the Village of Kewaskum is supportive of an alternate/reliever route for the existing USH "45"; and

WHEREAS, the existing railroad ROW running through the village is being considered for abandonment; and

WHEREAS, the Department of Transportation and Department of Natural Resources are considering the Rails to Trail Program for the noted 24 miles of railroad ROW; and

WHEREAS, the village after reviewing said ROW feels that said ROW would be a viable optional location for an alternate/reliever traffic route, as a new USH "45" or CTH; and

WHEREAS, the route would make a smooth transition from Sandy Ridge Road, just south of the village to the intersection of USH "45" and CTH "V", just north of the village, within the 100 foot ROW.

NOW, THEREFORE BE IT RESOLVED, that the Village of Kewaskum requests the Washington County Jurisdictional Highway Committee, the Department of Transportation, Southeastern Regional Planning Commission, Department of Natural Resources to seriously consider this request for a number of reasons as follows:

- 1) Safety - elimination of street ingress and egresses, as well as driveway access points.
- 2) Cost effectiveness.
- 3) Reduction of needed miles to relieve existing traffic.
- 4) Protection of the environment.
- 5) Minimization of urban sprawl.
- 6) The ability to accomplish the trails program in conjunction with the traffic route.

BE IT FURTHER RESOLVED, that the Village of Kewaskum, realizes that at the completion of this highway upgrade, the existing USH "45" from Sandy Ridge Road to CTH "V" would possibly be turned over to the Village of Kewaskum as a Business USH "45" alternate route.

BE IT FURTHER RESOLVED, that a copy of this resolution be sent to all appropriate parties.

ADOPTED AND APPROVED this 18th day of October, 1999 by the Kewaskum Village Board.

Village of Kewaskum, Washington County, Wisconsin

A Resolution For Urban Forestry

WHEREAS, the Village of Kewaskum is interested in planning or developing urban forestry management activities as described in the Wisconsin Urban Forestry Grant application; and

WHEREAS, financial aid is required to carry out the project; and

THEREFORE, BE IT RESOLVED, that the Village of Kewaskum shall budget a sum sufficient to complete the project, and

HEREBY AUTHORIZES Daniel S. Schmidt, Village Administrator and Jerry Gilles, Director of Public Works to act on behalf of the Village of Kewaskum to submit an application to the State of Wisconsin Department of Natural Resources for any financial aid that may be available; sign documents; and take actions to undertake, direct and complete the approved project.

BE IT FURTHER RESOLVED THAT The Village of Kewaskum will comply with state and federal rules for the programs; may perform force account work; will provide or be responsible for 100% of updating plans or ongoing operations and will obtain from the State of Wisconsin Department of Natural Resources approval in writing before any changes are made in the proposed project.

Adopted this 18th day of October, 1999.

Obituary

CHARLES G. TUTTLE

Charles G. Tuttle, 41, of Campbellsport, died Monday, Oct. 25, 1999, at St. Joseph's Community Hospital, West Bend.

He was born May 11, 1958, in West Bend, to Gary and Lorena (nee Vorpahl) Tuttle.

He was a member of St. Lucas Ev. Lutheran Church, Kewaskum, and was active in various pool and dart leagues in the area.

Survivors include his parents of Campbellsport; his aunts and uncles, Francis and Pearl Tuttle of Campbellsport, Marcella and Arnold Knoelke of Cascade, Mae Engelmann and Catherine Mielke, both of Campbellsport and Edward and Bernice Tuttle of Kewaskum; cousins; other relatives and friends.

Preceding him in death were his uncles, Elwyn Tuttle, Willard Vorpahl, Adolph Engelmann and Ervin Mielke and an aunt, Opal Tuttle.

Funeral services were held Wednesday, Oct. 27, at 1 p.m. at St. Lucas Ev. Lutheran Church, Kewaskum. Rev. Timothy Henning officiated and burial followed in Lutheran memorial Cemetery, Kewaskum.

Visitation at the Twohig Funeral Home, Campbellsport, was on Tuesday from 4 to 8 p.m. and on Wednesday at the church from noon until the time of services.

*This is how it happened:
"The telephone pole was approaching fast. I was attempting to swerve out of its path when it struck my front end."*

MEETING NOTICE

The School District of Kewaskum Board of Canvassers will meet on Wednesday, November 3, 1999, at 1:00 p.m. The meeting will be held at the District Administration Office, 1450 School Street, Kewaskum, to certify the return of the referendum election for the School District of Kewaskum. The meeting is open to the public.

TOWN OF WAYNE NOTICE OF PUBLIC HEARING TO AMEND THE ZONING ORDINANCE

Notice is hereby given that a Public Hearing will be held at the Town Hall located at 6030 CTH H in the Town of Wayne, before the Town Board on November 16, 1999, at 7:30 P.M. to consider the following changes in the Zoning Ordinance of the town of Wayne, Washington County, WI to wit:

1. Language for Lot Size and Density Limitations in the Residential A-1 District.

Dated: October 22, 1999

Orville Kern,
Town Clerk

Village Board Meeting Minutes

**Village of Kewaskum
Regular Meeting
October 4, 1999
8:00 p.m.**

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. All other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Harry Roecker, seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote, the minutes of the September 20, 1999 meeting were approved as printed.

Fire Chief Mark Groeschel presented the September 1999 report:

- Fire calls 3 Year to date 29
- Jaws calls 1 Year to date 16
- Rescue calls 18 Miles 334

Fire Chief Mark Groeschel informed the Board that final plans and specifications for the new fire truck have been reviewed and the process is continuing. The rehabilitation of the fire truck is also progressing and is scheduled for completion in January.

Fire Chief Mark Groeschel again announced that on October 7, 1999 the Fire Department would be holding an Open House for Fire Prevention Week from 7:00 p.m. to 10:00 p.m. and invited the Village Board.

Chief of Police Richard L. Knoebel reported the speed board is fully marked and has been out and providing a lot of information. It was noted the Police Clerk has resigned because of distance of travel/convenience. The job has been advertised and interviews will be held next week with a recommendation on a potential new clerk coming to the Board on October 18, 1999.

Chief of Police Richard Knoebel reported on the Tobacco Free check that was approved by the Board. The number of establishments checked equal four and out of the four only one sold tobacco to a minor. Letters have been sent and a follow up check will take place in a month or so.

On a motion by Trustee Harry Roecker and seconded by Trustee Robert Stoltzmann and unanimously carried by voice vote the Board authorized the negotiating/purchase of a new 2000 squad car replacement.

Director of Public Works, Jerry Gilles reviewed the Water Utility Consumer Confidence Report as mandated by the EPA. If anyone has any questions they should call the Director of Public Works.

Dr. Charles Ogi was present with Gary Gavin and a general discussion took place regarding the proximity of the new Edgewood Road and an existing Oak tree. It was noted that when a development occurs maybe more restrictions need to be placed and that work does not proceed until all paper work is finalized.

Administrator Daniel S. Schmidt reviewed the following with the Board.

1) Review of League and Taxpayer bulletins.

2) Review of correspondence.

A) Reported that an informational meeting was held on September 29, 1999 at 6:00 p.m. at MPTC on the railroad abandonment and the Rails to Trails program. Support for the trails was over whelming as well as was the support for the alternate traffic route on the railroad ROW.

B) The Board was informed that the insurance carrier for Washington County has filed suit against the Villages carrier regarding the John Schmitt accident. The Board suggested a resolution be forwarded to the League of Wisconsin

Municipalities to inform the other cities and villages of this liability problem and to help promote corrective legislation to protect all municipalities from this type of suit.

On a motion by Trustee John Kenworthy, seconded by Trustee Andrew Kuehl and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

- General 44,466.73
- Sewer 5,524.52
- A/P Ck. #16206 - #16248
- Payroll 15,809.21
- P/R Ck. #9361 - #9387
- Water Fund 470.03

TOTAL \$ 66,270.49

Chairman of the Protection & Public Safety Trustee Harry Roecker reviewed briefly the results of the committee meeting of 7:15 p.m. This evening. It was noted the Fire Department and Police Department proposed budgets for 2000 were reviewed and that they would both be looked at again throughout the budget process.

Administrator Daniel Schmidt reviewed both departmental proposed budgets for 2000. It was noted that with the Fire Department debt and the retirement of some Fire Department debt, the debt portion of the budget is up by \$18,732.00 or 18.2%. The general Fire Department budget is down by \$18,817.00 or 9.6%. The Police Department budget is up by \$17,339 or 4.0%.

Chairman of the Park & Recreation Committee, Trustee John Kenworthy reported on the meeting of September 28, 1999 regarding the in-line skate facility. It was noted the youth were in attendance with only one of the organizations present that were invited. The Chamber of Commerce expressed interest in helping the youth of the community. The Kewaskum Lions Club called to indicate they may be interested in helping as well.

Chairman of the Park & Recreation Committee, Trustee John Kenworthy, announced a scheduled committee meeting for October 18, 1999 at 7:00 p.m. to review preliminary budget figures for 2000.

Trustee Robert Stoltzmann, the Mid-Moraine Municipal Association Representative, reported that a meeting was held for October 13, 1999.

Administrator Daniel Schmidt reported that the lighting has been energized in the downtown parking lot and that some form of recognizing the opening of said lot and donated fixtures will be worked on for next year.

Administrator Daniel Schmidt informed the Board that the DOT Construction Report reflected a total of 3.4 miles of village street work being accomplished in 1998 and 1999 as well as .54 miles of new street added for a total of 12.5 miles of village streets. It should be noted that the STH, USH and CTH roads are not counted in the totals.

Action was taken on Resolution No. 99-33 a Resolution Authorizing the Submission of the DOT Construction Report for 1998 and 1999 as attached hereto:

On a motion by Trustee Andrew Kuehl, seconded by Trustee John Kenworthy and unanimously carried by voice vote, the Board authorized the signing of the County-Wide Library Agreement for 2000.

Action was taken on Resolution No. 99-36 a Resolution to Request Exemption From The County - Wide Library System Tax Levy Under Provisions of Wisconsin Statutes 43.64(2) as attached hereto:

A general review of revenue items and expenditures for 2000 took place with noted cost projection as to what percentages may be used in the proposed budget.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andrew Kuehl and unanimously carried by voice vote, the Board approved the contract with Bowmar

Appraisal Inc. Appleton, WI for performing the Villages Assessors duties for 2000 at a cost of \$5,1000.

Action was taken on Resolution No. 99-34 a Resolution of Concern and Opposition Regarding Assembly Bill 450 on Annexation Limits as attached hereto:

Action was taken on Resolution No. 99-35 a Resolution to Amend the 1999 Village of Kewaskum General Fund Adopted Budget as attached hereto:

The Village of Kewaskum Flood plain Study Report was distributed as prepared by SEWRPC which is to be discussed at the October 18, 1999 meeting.

On a motion by Trustee Harry Roecker seconded by Trustee Andy Pesch and carried by the majority roll call vote, to adjourn. Roll call vote was 7 "Aye" 0 "Nay" 0 "Absent."

School District of Kewaskum Minutes

**School District of Kewaskum
Kewaskum, Wisconsin 53040
Annual School District Meeting
and Budget Hearing
July 27, 1998**

The Annual Meeting of the School District of Kewaskum was held in the Commons at Kewaskum High School on Monday, July 27, 1998 at 7:00 p.m. The meeting was called to order by Board President Jean Goeden. There were approximately 161 electors present.

Mrs. Goeden introduced Board members: Tom Timblin, Mary Andera, Jon Downs, Larry Fechter, John Schulte, and Lisa Maul. Also introduced were District Administrator Clark Pearson, Business Manager George Allmann, Legal Representative Paul Hemmer, and Administrative Assistant Jeanne Jacak.

Nominations for Temporary Chairperson were requested.

John Meisser nominated Jon Downs. Irene Gnacinski nominated Neal Weare.

Sharon Zolp moved that nominations be closed, seconded by Rachelle Ringwell. All aye. A closed ballot vote resulted in 88 votes for Neal Weare, and 64 votes for Jon Downs.

Chairperson Weare appointed Jeanne Jacak as secretary. Kieth Kriewaldt, Larry Wilson, Sharon Zolp, and James Botting were appointed as tellers.

Jon Downs moved, and Tom Timblin seconded, that Robert's Rules of Order for Parliamentary Procedure be used to conduct the meeting. All aye.

Elmer Hallen moved, and Gary Gavin seconded, to dispense with the reading of the minutes of the 1997 Annual Meeting and accept them as presented. All aye.

The financial report of the Kewaskum School District was presented by Superintendent Pearson. Mr. Pearson reported that the Fund Balance remains greater than 10% of the budget, in spite of the fact that \$330,000 was spent for major projects at all five schools. This year \$530,000 was put into debt defeasance, therefore reducing long-term debt and interest payments.

Superintendent Pearson summarized the District's accomplishments during the 1997-98 school year, and outlined goals for 1998-99.

Business Manager, George Allmann, presented the 1998-99 budget.

RESOLUTIONS

Motion by Irene Gnacinski, seconded by Lloyd Pamperin: Be it resolved by the electors of the

School District of Kewaskum that the annual salary of the School Board Members be set at \$1,500 per year. All aye.

Motion by Marilyn Terlinden, seconded by Kris Heise: Be it resolved by the electors of the School District of Kewaskum to authorize the payment of actual and necessary expenses of a school board member when traveling in the performance of duties and the reimbursement of a school board member for actual loss of earnings, not to exceed \$125 per day, when duties require the school board member to be absent from regular employment. All aye.

Motion by Irene Gnacinski, seconded by Mitch Gebheim: Be it resolved, that the Board of Education of the Kewaskum School District be hereby authorized to sell, for a reasonable sum, the Beechwood Elementary School, N1656W Country Trunk A, Adell, Wisconsin 53001, which belongs to and which is no longer needed by the School District for school purposes, and further that the President and the Clerk of the Board of Education be empowered to execute any and all documents, and take any and all action necessary to consummate the sale and conveyance of said property. A closed ballot vote resulted in 40 district residents voting yes, and 112 district residents voting no.

Motion by Irene Gnacinski, seconded by Wes Weinhold: Be it resolved by the electors of the School District of Kewaskum that the School Board be authorized to sell or otherwise dispose of obsolete or unused furniture and equipment which is no longer needed for use by the district. All aye.

Motion by Marge Krahn, seconded by Kris Heise: Be it resolved by the electors of the Kewaskum School District that the School Board provide for a school lunch program and appropriate funds for that purpose. All aye.

Motion by Frank Beesten, seconded by Kathy Mueller: Be it resolved by the electors of the Kewaskum School District that the School Board be authorized to furnish textbooks to students under conditions prescribed by the Board of Education. All aye.

Motion by Amy Pamperin, seconded by Kris Heise: Be it resolved by the electors of the School District of Kewaskum that the School Board operate and maintain transportation vehicles and to purchase liability insurance for such vehicles, and to finance contracts for the use and services of such vehicles. All aye.

Motion by Lloyd Pamperin, seconded by Wes Weinhold: Be it resolved: WHEREAS, 1997 Wisconsin Act 27, which became effective October 14, 1997, created the Technology for Educational Achievement in Wisconsin Board ("TEACH BOARD") under section 15.105(25), of the Wisconsin Statutes; and

WHEREAS, section 44.71(2), of the Wisconsin Statutes directs the TEACH BOARD, in cooperation with school districts, cooperative educational service agencies, the technical college system Board, the UW Board of Regents and the Department of Administration, to promote the efficient, cost-effective procurement, installation and maintenance of educational technology by school districts, CESA's, technical college districts and the UW System; and

WHEREAS, section 44.72(2)(c), of the Wisconsin Statutes provides that a school district is eligible for an Educational Technology Block Grant in 1998-99 only if the annual meeting in a common school district, or the school board in a unified school district or in a school district operating under Chapter 119 of the Wisconsin Statutes, adopts a resolution requesting the grant; and

WHEREAS, the Kewaskum School District desires to be eligible to receive an educational technology

block grant, under s. 44.72(2) of the Wisconsin Statutes, which shall not be used to replace available funding from any other source for the purposes stated herein.

NOW, THEREFORE, BE IT RESOLVED that the Kewaskum School District hereby requests an Educational Technology Block Grant under s. 44.72(2), of the Wisconsin Statutes.

BE IT FURTHER RESOLVED that all educational technology block grant funds received from the TEACH Board shall be used for any purpose related to educational technology, except that the moneys shall not be used to pay the salary or benefits of any School District employee. All aye.

Motion by Laurie Fechter, seconded by Marilyn Terlinden: Be it resolved that the sum of \$300,000 be taxed for the purpose of building and equipping school district buildings or, in the event that the Board determines that such sum is not needed for building(s) or improvement(s), such sum shall be used for the purpose of speeding the payment of outstanding District obligations. All aye.

Motion by Colleen Narbatovics, seconded by Kris Heise: Be it resolved by the electors of the School District of Kewaskum that a tax be levied on all taxable property of the district for operating expenses and capital outlay for the 1998-99 school year in the amount of \$5,273,260.00 and for debt retirement in the amount of \$955,141.00. All aye.

Superintendent Pearson provided information regarding the September 8, 1999 referendum. He outline the improvements needed for each building as well as individual costs. The referendum question is: Shall the Kewaskum School District issue bonds not-to-exceed \$12,000,000 for the purpose of paying the cost of constructing a new Kewaskum Elementary School; constructing a permanent administration building; remodeling, constructing additions, and equipping Wayne and Farmington Elementary Schools; modernizing interior portions of the high school; and demolition of the old Kewaskum Elementary School? The breakdown of costs is as follows: New Kewaskum Elementary School \$7,400,000. New Administration building \$300,000. Improvements to Farmington Elementary School \$2,250,000. Improvements to Wayne Elementary School \$1,050,000. Improvements to Kewaskum High School \$1,000,000. Mr. Pearson encouraged everyone to vote on September 8th.

Chairperson Weare entertained other matters provided by law relating to the management of the District. None were presented.

Jean Goeden moved, and Elmer Hallen seconded that the date of September 27, 1999 at 7:00 p.m. be set for the 1999 Annual Meeting. All aye.

Mary Andera moved, and Tom Timblin seconded, that the meeting be adjourned. All aye. The meeting adjourned at 9:50 p.m.

When President Andrew Johnson tried to remove Secretary of War Edwin Stanton from his post in 1868, Stanton locked himself in his office and refused to let his successor take over.

PLASTICS - TECHNICIAN

Regal Ware, Inc., a leading housewares manufacturer, has an employment opportunity for an experienced setup person to work in its injection molding department. Requires ability to set up and trouble shoot injection molding machines; mold parts to specification and provide technical guidance to machine operators. Must have working knowledge of molding polycarbonate, ABS, nylon and polypropylene. Qualified candidate will have completed an accredited apprenticeship or equivalent trades training and several years experience.

We offer excellent wages plus generous benefit package. If you qualify, please call, write or apply in person. To ensure a safe, healthy work environment, all offers of employment are contingent upon passing a drug test.

Halloween Safety Recommendations

With Halloween and Trick or Treat on Sunday, October 31, the Kewaskum Police Department would like to offer the following Safety Tips to make this a safe and enjoyable trick-or-treat for everyone:

Costume Safety:

Use make-up or face paint instead of masks, but if masks are used, make sure that they fit properly and have holes large enough for mouth and eyes.

Chose costumes that are marked flame retardant.

Wear light-colored clothing at night, short enough to prevent tripping. Add reflective tape or reflectors to dark col-

ored costumes

Make props such as magic wands and swords out of cardboard, rather than metal or wood.

Trick-or-Treat Safety:

Give and accept wrapped or packaged candy only.

Have children bring treats home for adult inspection before they are eaten.

Accompany small and elementary school age children when they are trick-or-treating and send older children in groups.

Go out in daylight and carry a flashlight in case of delay.

Have children stay within the neighborhood; only visit

homes you know.

Do not follow your children in your vehicle. Children are excited and may run out in front of a vehicle without thinking.

The Kewaskum Police Auxiliary members will be on foot patrol during the trick-or-treat hours of 5:00 p.m. to 7:00 p.m. Children and parents should contact an officer if they see anything suspicious, suspect candy that has been tampered with or any other problems or questions.

Village Board Meeting Monday

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin Village Board is scheduled for Monday, November 1, 1999, at 7:00 p.m. in the Municipal Building, 204 First Street.

The agendas for the

meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of St. Francis Bank.

TOWN OF KEWASKUM NOTICE OF PUBLIC HEARING FOR CONDITIONAL USE PERMIT

NOTICE IS HEREBY GIVEN that a public hearing will be held before the Kewaskum Town Board located at the Kewaskum Town Hall, 9019 Kettle Moraine Drive, in the Town of Kewaskum at 7:30 p.m., November 15, 1999, to consider the application from Mark and Susan Bledsoe, 10370 E. Hwy. 10, Dickinson, N.D., proposed buyers of property located at 4134 Ridge Road, Section 20, consisting of 9.125 acres, for a Conditional Use Permit as provided for in Section 3.03 (C) (8) of the Town Zoning Ordinance. Granting a Conditional Use Permit will allow the applicants to raise llamas for agribusiness, breeding, farm family recreation, and show. Present owners of the property are Ronald and Karen Ellefson.

Dated this 22nd day of October, 1999.

10-28-21 Barbara L. Wenzlaff, Town Clerk

FOOD FOR THOUGHT!

Burger Basics

Whether you like it all dressed up or just plain, here are some burger basics to follow:

- Use fresh ground beef within two days of purchase.
- Gently shape ground beef into patties. Don't overhandle.
- Before and after handling raw ground meat, always wash hands and utensils with hot, soapy water.
- Grill patties until centers and juices show no pink color. Cook to medium doneness (160°F). Turn once halfway through cooking. Cook over medium ash-covered coals.
- Put cooked burgers on a clean platter.
- If using sauce, brush it on cooked burgers, otherwise it is hard to visually test for doneness.

If the creative mood strikes you, here are a few tasty topping ideas:

- **Chili-Cheese Burger** - Serve open-faced, smothered with chili, Cheddar and Monterey jack cheeses and grilled onion.
- **Blue Moon Burger** - Bleu cheese, sautéed mushrooms, lettuce and tomato served on an onion bun.
- **The Islander Burger** - Thousand island dressing, with lettuce, tomato and pickle.
- **Hickory Burger** - Cheddar cheese, bacon & hickory BBQ sauce.
- **Pepperoni Pizza Burger** - Pepperoni, mozzarella cheese and pizza sauce.

For more great burger ideas, contact the Wisconsin Beef Council at 608/833-7177 or 630 Grand Canyon Dr., Madison, WI 53719.

Brought to you by Wisconsin's beef producers through the \$1-per-head beef checkoff.

CONTEST CORNER

Tell Us Why You're Beautiful

(NAPS)—Is beauty only skin deep? The sponsor of an essay contest believes there's more to beauty than meets the eye and invites women to respond to the question "What makes you beautiful?"

The sponsor, Oil of Olay, will donate \$5,000 in the contest winner's name to a charity of her choice or to an outreach program called Vision and Voice designed to bring a message of self-esteem and inner beauty to girls and women all over the country.

In addition, the winner will be treated to a luxurious day of beauty at a selected spa for herself and two guests.

To enter the Oil of Olay "I am Beautiful" contest, write a short essay that finishes the sentence "I am beautiful because..." in 500 words or fewer.

Many women answered the question as part of "I Am Beautiful," a documentary film that celebrates the inner beauty of women everywhere.

Sponsored by Oil of Olay, the show recently aired on Lifetime television. It featured such celebrities as Grammy-winning singer Trisha Yearwood, actress Courteney Cox, journalist Linda Ellerbee, Olympic gold medal swimmer Donna de Varona, actress Marlo

Win a \$5,000 donation to your favorite charity and a day at a spa by answering the question "What makes you beautiful?"

Thomas, writer/activist Gloria Steinem, television personality Gayle King, as well as other women whose beautiful stories many people found inspiring.

Contest rules can be found in the October issues of *Marie Claire*, *Harper's Bazaar* and *Redbook*. Enter by typing your full name, address and daytime telephone on an 8 1/2" by 11" piece of paper with your double-spaced entry and mail it to Oil of Olay "I am Beautiful" Contest, P.O. Box 7288, Clinton, IA 52736-7288, or by visiting the website at www.lifetimetv.com/beautiful. Entries must be postmarked no later than December 31, 1999. To learn more about the show, the contest or the outreach program, log on to www.olay.com.

KMS Seventh Grade Girls 2nd, Eighth Grade Girls 3rd at Conference Meet

By Jerry Gosa

SEVENTH GRADE GIRLS

The Kewaskum seventh grade girls' track team finished second at the Moraine Conference track meet on Monday, October 4. Germantown's seventh grade won the conference title with 112 points.

Kewaskum finished second with a total of 101 points, Pewaukee finished third with 93.5 points, followed by Slinger with 77 points. Hartford finished fifth with 58.5 points and Badger Middle School of West Bend finished with 56 points for sixth place. Silverbrook Middle School of West Bend scored 53 points for seventh place and Waupun finished with 23 points for eighth place.

The Kewaskum seventh grade team won all three relay events and had two individual champions.

The following is a list of the Kewaskum seventh grade athletes, their place in the conference meet, their event, and their respective time, distance or height:

Jessie Butler became the conference champion in the long jump when she won the long jump with a season best jump of 11'8".

Amanda Donath became the conference champion in the 75m hurdles when she finished first with a time of 14.2 seconds.

The Kewaskum 800m (4x200m) relay team of Jessie Butler, Amanda Ashley Welch, Krystal Cochran and Leslie Schultz became conference champions in the 800m relay when they won with a time of two minutes and 8.7 seconds (2:08.7) -- over three seconds ahead of second place Germantown.

The Kewaskum 400m (4x100m) relay team won with a time of 1:00.1 and edged the Germantown relay team by 0.3 seconds to become conference champions. The Kewaskum 400m relay team consisted of Jessie Butler, Amanda Donath, Whitney Pfeiffer and Leslie Schultz.

The Kewaskum 1600m (4x400m) relay team of Paige Thelen, Natasha Lawrence, Kayla McCormack and Krystal Cochran became conference champions in the 1600m relay when they won with a time of 5:11.1 - over six seconds ahead of Germantown.

Claire Spang placed second in the discus with a season best toss of 65'4" - less than three feet out of first place.

Paige Thelen placed second in the high jump with a season best height of 4'2" and third in the 400m dash with a season best time of

1:15.4.

Kaitlyn Ogi placed third in the 800m run with a season best time of 3:01.9 only 1.9 seconds behind first place.

Kayla McCormack placed third in the 1600m run with a time of six minutes and 33.6 seconds (6:33.6).

Kayla McCormack placed fourth in the high jump with a season best height of 4'0 3/4".

Katie Dorn finished fourth in the 400m dash, also with a season best time of 1:16.4.

Jamie Sabish placed sixth in the 75m hurdles with a time of 15.3 seconds.

Whitney Pfeiffer finished sixth in the 100m dash with a time of 15.0 seconds.

Krystal Cochran placed eighth in the long jump with a distance of 11' 1-1/4".

The Kewaskum Middle School girls track coaches, Jerry Gosa, Lisa Perkins and Anne Becker, wish all the athletes success in the classroom and in sports for the rest of the school year. The coaches and athletes would also like to thank all the parents, teachers, Mr. Soerens and all the people who worked the home track meets this season, for their support of the girls track program.

EIGHTH GRADE GIRLS

The Kewaskum Middle School eighth grade girls' track team finished third at the Moraine Conference Track Championships on Monday, October 4. Germantown won the conference title of scoring 109.5 points. Slinger placed second with 93 points, and Kewaskum finished third with 73.5 points. Silverbrook Middle School of West Bend placed fourth with 72 points and Pewaukee finished fifth with 57 points. Hartford was sixth with 49 points, followed by Badger Middle School of West Bend with 42 points and Waupun finished eighth with 18 points.

Kewaskum won three individual events.

The following is a list of the Kewaskum eighth grade athletes, their place in the conference meet, their event and their respective time, distance or height:

Katie Schneider won the 400m dash with a career best time and in the process set a new Kewaskum Middle School record with a time of 1:05.3. Heather Rieder held the school mark since 1996 with a time of 1:05.8. Schneider also won the 800m run with a career best time of 2:40.1 - over 16 seconds faster than her previous best this season. Schneider's time of 2:40.1 broke the old school mark of 2:42 set by Elizabeth Rammer in 1997 of 2:42.

1999 KEWASKUM MIDDLE SCHOOL EIGHTH GRADE TRACK TEAM

Front row, left to right: Becky Junk, Bree Boettcher, Katie Schneider, Ramanda Bannenberg. Middle row: Coach Jerry Gosa, Sarah Stevenson, Jamie Juers, Bridgette McDonald, Jill Wittmann, Ashley Gasner, Mindy McKay, Monty Schicker, Assistant Coach Anne Becker. Back row: Shannon Dwyer, Melissa Perkins, Dana Garbisch, Jamie Wilson, Amanda Smolinski, Mandy Henderson, Megan Butler, Holly Parsons, Alyssa Koppelberger, Crystal Dreher.

1999 KEWASKUM MIDDLE SCHOOL SEVENTH GRADE TRACK TEAM

Front row, left to right: Tracy Flasch, Natasha Lawrence, Cassie Delgado, Kayla McCormack, Jessie Butler, Robin Thelen, Leslie Schultz. Middle row: Jamie Sabish, Shannon Gregor, Rachel Bresse, Clarte Spang, Brianna Bastian, Jenny Bischoff, Ashley Welch, Whitney Pfeiffer, Coach Lisa Perkins. Back row: Lauren Parson, Amanda Donath, Jackie Vandrell, Katie Dorn, Kaitlyn Ogi, Nicole Sabish, Krystal Cochran, Paige Thelen, Katie Kurer and Jamie Treptow.

Congratulations to Katie Schneider on setting school records in both the 400m dash and the 800m run and also being the conference champion in both events.

Jamie Juers picked the perfect time to throw her career best in the discus. Juers won the discus with a throw of 82'3" - over ten feet better than her previous best. Juers was seeded third in the event and beat two very good throwers.

Katie Schneider also placed fourth in the long jump with a jump of 11'9-3/4".

The Kewaskum 400m (4x100m) relay team of Ramanda Bannenberg, Ashley Gasner, Amanda Smolinski and Alyssa Koppelberger finished third with their season's fastest

time of 59.9 seconds.

The Kewaskum 1600m (4x400m) relay team of Ramanda Bannenberg, Melissa Perkins, Jamie Wilson, and Megan Butler finished third with a time of 5:05.7.

The Kewaskum 800m (4x200m) relay team of Jill Wittmann, Sarah Stevenson, Mindy McKay and Shannon Dwyer finished fourth with a season best time of 2:08.8.

Megan Butler placed fifth in the high jump with a jump of 4'2" and sixth in the 75m hurdles with a season best time of 14.2.

Alyssa Koppelberger finished sixth in the 100m dash with a time of 14.6 seconds.

Jamie Wilson finished fifth in the 400m dash with

a season best time of 1:14.5 but was placed seventh due to a timing error.

The Kewaskum Middle School girls track coaches, Jerry Gosa, Lisa Perkins and Anne Becker wish all the athletes success in the classroom and in sports for the rest of the school year. The coaches would also like to thank all the parents, teachers, Mr. Soerens, the KMS principal; and all the people who worked the home track meets this season for their support of the girls and the girls track program. The athletes received their Conference Relay and Conference Meet ribbons at their annual end of the season pot luck supper and awards ceremony on Tuesday, October 9.

Gosa is Second Team All Conference

The Kewaskum Cross Country team traveled to Kiel for the Eastern Wisconsin Conference meet on Saturday, October 23. This was the first meet Kewaskum competed against Two Rivers this season. The misting rain, cold temperature, and wind made difficult running conditions. The top seven in each race were awarded first-team all conference, and the next seven were awarded second-team all conference.

The Kewaskum girls team finished sixth in their conference with 128 points.

Colleen Gosa finished 10th, earning second team all conference honors. Gosa ran the course in 17:30. Emily Rinzel finished 21st with a time of 18:04. Heather Hackbarth ran the course in 18:37, taking 30th. Kelly Darmody took 31st with a time of 18:39. Michelle Zingsheim finished 46th with a time of 20:01. Lauren Schultz finished 49th in 20:26.

The Two Rivers girls' team won the meet with a low total of 24 points. They had all five of their counters earning first or second-team all conference awards. Brianna Dahm, a senior from Two Rivers dominated the field. Dahm ran singly over the course in an excellent time of 15:16.50.

The Plymouth girls' team finished second with a 71 point total. Plymouth was led by freshman Melanie Jones, who finished fifth in 16:58. Kiel took third with 83 points, with Michelle Riehn as their top finisher, taking eighth with a time of 17:20.

New Holstein finished fourth with 120 points. Penny Birschback was New Holstein's top finisher taking sixth with a time of 17:02. Campbellsport took fifth with 124 points. Freshman Felice Stukenberg led Campbellsport, finishing ninth in 17:27. Kewaskum finished sixth with 128 points, and Roncalli finished seventh with 134 points.

Roncalli freshman Pristine Shimon led her team with a 14th place finish in 17:34. Sheboygan Falls was one runner shy of a complete team. Jessica Hartman of Sheboygan Falls took second place overall in 16:31.

The Kewaskum boys team took seventh with 204 points. Sophomores J.P. Repovsch and Bryan Kraft led the team by finishing 29th and 31st. Repovsch ran the course in 19:24 and Kraft finished with a time of 19:38. Cory Wendegatz took 45th, running the course in 21:27.

Paul Mertz finished 49th with a time of 21:52. Darrell Woebeking finished 50th with a time of 21:53. Scott

Runners converge as the gun sounds signaling the start of the girls' Eastern Wisconsin Conference race at Kiel.

Kewaskum's Colleen Gosa and Emily Rinzel are shown competing at the EW conference meet at Kiel.

J. P. Repovsch races to a strong finish to place 29th at Kiel.

Joers finished 52nd, running the course in 22:47. Brendan Weinhold finished 55th with a time of 23:57.

The Two Rivers boys' cross country team dominated over everyone. They won the meet with a low point total of 31. Two Rivers had all five counters earning first or second-team all conference awards. Bo Erikson of Two Rivers won the race with an excellent time of 16:48.

Kiel followed taking second with 27 more points at 58. Kiel's top finisher was senior Curtis Fintelmann

placing sixth with a time of 17:25.

Plymouth finished third with 72 points. Junior Doug Amel, finishing fourth with a time of 17:23, was Plymouth's top finisher. Sheboygan Falls took fourth place with 97 points as senior Randy Schwartz led his team by taking second with a time of 17:06. Campbellsport finished fifth with 142 points. Junior Nick Martiny of Campbellsport led his team with his 17th place finish in 18:11.

Roncalli took sixth in the strong conference with 168

points. Sophomore Gave Siehr finished 11th with a time of 17:49, and led the Roncalli boys team.

Kewaskum finished seventh with 204 points and New Holstein finished eighth with 215 points. Brad Schneider finished 34th for New Holstein, run-

ning the course in 20:13.

Koh Kawaji led the Kewaskum JV team with his 18th place finish in 21:19. John Neumann finished 32nd in 24:14. Darin O'Neill finished 35th in 25:49. Adam Woebeking finished 36th in 25:54.

Kewaskum Youth Basketball and Kewaskum Varsity Basketball Coach

will be conducting fundamentals of basketball clinics for 7th and 8th graders from 6 until 7:30 on Sunday evenings at the KHS Fieldhouse

The first clinic will be Nov. 7 and will run every Sunday until Dec. 19.

Ball-handling, passing, shooting, cutting, screening, team and individual defense will be stressed.

Registration will take place at 5:30 prior to the first clinic. Each individual will receive a t-shirt.

Following the clinic, there will be open gym and weight room for high school students and adults from 7:30 until 9:00.

JV Football Team Finishes Season Undefeated

1999 UNDEFEATED INDIAN JV FOOTBALL TEAM

Front row, left to right: Josh Bullette, Andy Bauer, Alex Charland, Travis Cochenet, Peter Herriges, Drew Donath. Second row: Dan Poppe, Dan Willkomm, Troy Martin, Bill Weber, Dan Timmers. Third row: Luke Kehres, Tom Ogi,

Nick Thorn, Nathan Fechter, Brian Cotter, Tony Fitts. Back row: Justin Rhoads, Mike Gaskell, Coach Jason Pittman, Coach Dave Rockhill, Coach Chris Canter, Ben Schoofs and Steve Herriges.

The Kewaskum Indians JV football team defeated Plymouth, 12-6, on Tuesday, October 19, to finish the season with a perfect 8-0 record.

The game with the Panthers was an extremely hard fought contest with several players on both

teams displaying outstanding effort and desire.

The Indians jumped out to a 12-0 first half lead on touchdowns by Tony Fitts on a 30 yard touchdown catch on a pass from quarterback Tom Ogi and on a 20 yard scamper on a bootleg by Ogi. The Indian

defense shut down powerful Plymouth time after time, in key situations. Running back Justin Rhoads ran extremely hard and got several key first downs on second and third efforts.

The wins for Kewaskum this year included the fol-

lowing: 22-20 over St. Mary's Springs; 41-6 win over New Holstein; 48-19 win over Kiel; 22-6 win over Sheboygan Falls; 16-0 win over Campbellsport; 21-0 win over Manitowoc Roncalli; 33-6 win over Two Rivers, and the final win

over Plymouth.

The JV team was coached by Jason Pittman (defense); Chris Canter (quality control), and Dave Rockhill (offense). Congratulations go out to all of the players and their families on a fine season.

THURSDAY NIGHT MIXED LEAGUE
Lighthouse Lanes
Oct. 21, 1999

Inter Plan, 37-19;
Schmidt Funeral Home, 36-20; Teskers, 31-36; Bestech Tool Corp., 30-26;; Lighthouse Lanes, 30-26;; Ruppies Small Engine, 29-27; Paradise Garden, 26-30; Toms Pro Shop, 24-32; Reindl Repair, 19-37; Mosers Dozer, 18-38.
Bob Holcomb 205; Tony Perez 204.

The Chicago Cubs were not the first baseball team to call famed Wrigley Field home. The stadium was built in 1914 to host the Federal League's Chicago Whales, and the Cubs moved in for the 1916 season after the Federal League folded.

CONGRATULATIONS

Indians Notch

(Continued from Page 18)

caused something to happen that had not happened the entire season. Koth missed the extra point kick after having made 29 in a row. It didn't matter, however, as the Indians were now in the lead, 27-7, with 3:33 left in the third quarter.

The fourth quarter saw the Indians' running game continue to pound the middle of the Panther defense with David Lettow, Mike Farchione and Strobel picking up consistent yardage. It was Strobel scoring the final Indian touchdown as he ran it in from the 13 on a counter play dragging three defenders the final four yards. This time Koth's kick was good, making the score 34-7 with 10:00 left in the game.

Just when it looked like this game was over, a strange play gave Plymouth a glimmer of hope. With the ball on the Panther 38 yard line, Panther quarterback Papendieck completed a pass down the middle of the field to Dan Poppe who took the ball 32 yards down the field before Jim Thelen stripped the ball from him. The ball flew forward and hit the ground and popped up right to Panther Jason Skelton, who caught it and ran the fumble another 30 yards for a Panther touchdown. The two-point conversion was not good.

The Indian defense, assisted by their running game, combined the rest of

the way to give the Indians their sixth victory for the season, 34-13.

For the game, the Indians outrushed the Panthers 282 to 110 yards, while Koth was two of three passing for 18 yards. The Indian defense was led by Bob Ogi, Aaron Seiser and Adam Beck with 11, 9 and 7 tackles respectively.

Besides the win giving the Indians a playoff berth, it also moved them into a tie for fourth place with Plymouth in the Eastern Wisconsin Conference. The Indians played Campbellsport on Tuesday, October 26 at Campbellsport. Campbellsport beat Kewaskum 12-3 earlier in the year in what is now known as the Kettle Moraine Bowl.

The winner of the Campbellsport-Kewaskum game will play the winner of the Sheboygan Falls-Pewaukee game on Saturday, October 30, at a site to be announced. Last Friday, Campbellsport beat Sheboygan Falls to gain a share of the conference title, 17-14, on a Matt Millonig 28 yard field goal with less than a minute remaining in the game.

FINAL EWC STANDINGS

Indians Notch First Playoff Berth Since 1983

KEWASKUM INDIANS 1999 VARSITY FOOTBALL TEAM

Front row, left to right: Aileen Chambers, Paul Becht II, Curt Koth, Jason Gruber, Justin Weninger and Ray Prellwitz. Second row: James Thelen, Chris Koth, Assistant Coach Tim Rohlinger, Head Coach Perry Koth, Assistant Coach Rick Schlehein, T.J. Stopar and Chris Canter. Third row: David Lettow, Dan Silver, Brian Prost,

Bob Ogi, Scott Willkomm and Nick Martin. Fourth row: Mike Farchione, Jason Strobel, Jason Farchione, Aaron Seiser, Dan Uniewski, Adam Beck and Troy Kedroske. Back row: Josh Hawig, Charlie Sparks, Dave Rabuck, Tim Bonlender, Adam Sauer and Jake Peterson.

After a less than impressive win last week against Two Rivers, fourth year Head Coach Perry Koth was wondering which team was going to show up this week.

Would it be the team that started 4-0 and played Sheboygan Falls and Campbellsport down to the wire or would it be the team that lost big to Manitowoc Roncalli and then barely beat winless Two Rivers. With the playoffs on the line and the Indians playing a team that had beaten them 17 times in 19 tries, there was reason for concern.

Senior Night for the Indians, however, turned out to be more than anyone could have hoped for as Kewaskum totally dominated the Panthers, 34-13, for the Indians second consecutive win over the Panthers. The win gave the Indians a playoff berth for the first time since 1983 and only the second time in school history.

The game didn't start out well as the Indians were forced to punt the first time it had the ball and the

Panthers took the ball 56 yards in 14 plays for a quick 7-0 lead. It would be the last time in the game that Plymouth looked like the better team.

The Indians answered with a 65 yard drive of their own capped off by Chris Koth's 38 yard run on an option play. Koth had the game of a lifetime as he scored four touchdowns and kicked four extra points for the evening and rushed for 132 yards on nine carries.

With the score tied at 7-7, the Indian defense stopped Plymouth on three downs, forcing a punt. Three plays later, Jason Strobel took a shuffle pass and raced 62 yards for a touchdown only to have it called back by a clipping call.

"It's a shame that the play got called back because it was a clean legal block that the official really blew," said Coach Koth.

The drive stalled and the Indians were forced to punt. The Indian defense once again stopped the high powered Panther offense and the Indians took over

on their own 49 yard line. This time they took it down the field on solid running from Mike Farchione, Chris Canter and Koth, with Koth taking it in from the one yard line on another option play. Koth's kick made it 14-7 Indians, with 3:33 left in the second quarter.

After Koth kicked the ball into the endzone on the kickoff the Panthers took over on their own 20. After being stopped again by the Indian defense, they set up to punt. The Indians Jason Gruber broke through and distracted the punter who dropped the ball. Junior Jake Peterson fell on the ball and the Indians had another opportunity to score.

With 1:56 left in the quarter, Koth took it around left end on another option play, made several tacklers miss him and scored from 14 yards out for his third touchdown of the game, Koth's kick made it 21-7 at the half and the Indians were one half away from qualifying for the state playoffs.

The second half started

with the Panthers moving to mid-field before the defense stopped them again. Kewaskum set up deep in their own territory and was forced to punt. Again the Indian defense stopped the Panthers except this time, sophomore Chris Canter returned the punt 38 yards to the Indian 47 yard line.

On the first play after the return Koth kept the ball on an option, put a move on the cornerback that left him grasping at

air, and raced 57 yards for his fourth touchdown of the game.

"At halftime, Chris told me we could run that play and that it could break for a big play," said Coach Koth about his senior son, "but it was too risky to run when we were deep in our own territory. That's what made Canters return such a big play for us," added the coach.

The long run by Koth
