New \$16,000 Scholarship to Be Awarded

KEYS to Administer \$52,700 In Scholarships in May 2000

The Board of Directors of Kewaskum Youth Scholarships, Inc., has announced that 15 scholarships totaling \$52,700 will be awarded to the Kewaskum High School Class of 2000 by KEYS. The following is a list of the amount and number of each kind of scholarship.

One new four-year college scholarship worth a total of \$16,000 (\$4,000 a year for four years) is being offered for the first time in the spring of 2000. Two four-year college scholarships, each worth a total of \$10,000 (\$2,500 a year for four years) are also being administered by KEYS. One of these \$10,000 scholarships is provided by the KEYS scholarship fund, and the other is provided by the Oscar C. and Augusta Schlegel Foundation. A four year KEYS scholarship worth \$4,000 (\$1,000 a year for four years) will be awarded for the third time this spring.

Two \$2,000 KEYS College of Technical College Scholarships (\$1,000 per year for two years) will also be awarded. The Barbara York College Scholarship worth \$1,200 will also be awarded for the seventh time this year.

Five memorial scholarships of \$1,000 each will also be awarded this year: the Ann-Marie Horner Memorial Scholarship will be presented for the 11th time; the Kilian A. Honeck Memorial Scholarship will be presented for the ninth time; the Evelyn Joyce

Gruber Memorial Scholarship will be presented for the eighth time; the Michael H. Strelka Memorial Scholarship that was re-established in 1999 will be presented for the second time, and the James Andre Memorial Scholarship will be awarded for the first time in the spring of 2000. The Kevin Joseph Neese Memorial Scholarship of \$500 will also be awarded for the second time in the spring of 2000.

A KEYS \$1,000 College or Technical College Scholarship will be presented along with a \$1,000 KEYS Technical College Scholarship.

The \$52,700 in scholarships to be awarded in the spring of 2000, brings the total amount awarded by KEYS to \$323,500 since 1986! The KEYS organization wishes to thank the alumni, businesses, organizations, and community members for their generous donations which make these scholarships possible.

All money contributed to KEYS is used directly for scholarships. The work by the members of KEYS, Inc. is done strictly on a volunteer basis. KEYS, Inc. is a non-profit organization established to accept contributions to provide additional scholarships for Kewaskum High School graduates.

KEYS officials hope that the community senses the pride that is involved in this accomplishment. Even with this kind of success, KEYS realizes that additional funds must be raised to pro-

vide for even more scholarship help. If KEYS is to continue to grow, donations are necessary from the whole community. Past, present and new donors are asked to please contribute to KEYS.

If anyone is interested in making a contribution to KEYS, please do so by making out a check payable to KEYS, Inc. and sending your donation to KEYS, Inc., P.O. Box 124, Kewaskum, WI 53040.

Individuals in need of more information about KEYS can contact Jerry Gosa at Kewaskum High School at 626-8427, ext. 4156. Remember that KEYS is the community's scholarship organization: Help take ownership in this scholarship organization by making a donation, and thus feel the pride in what the KEYS scholarship organization does!

Financial Aid Night at KHS

Kewaskum High School will be holding Family Financial Aid Night on Wednesday, December 1, at 7 p.m. in the high school cafeteria.

All parents or guardians of seniors who would like to learn how to apply for local, state and federal financial aide are encouraged to attend.

Christmas Parade Here December 5

The Kewaskum Area Chamber of Commerce is pleased to announce the annual Kewaskum Christmas Parade will be held on Sunday, December 5 at 5 p.m.

This year the theme will be "Christmas Past, Present and Millennium." The Chamber invites ALL BUSINESS PEOPLE, school groups, church groups and civic organizations to please join in on the festivities. The more groups that participate and get involved, the greater the parade will be.

This year's parade route will be altered so to speak as it is being switched to help the flow of traffic and for safety precautions. The new starting point will be at the Kewaskum High School. It will proceed to Parkview Drive, traveling south and turn right (west) on Main Street. It will then turn right at the stop and go lights onto Fond du Lac Avenue, heading north. At First Street another right will be taken as the parade makes its way east to the Municipal Building where it will end with the annual tree lighting ceremony.

There will be the addition of several new exciting features this year, as well as bringing back a few of the old delights. Stay tuned to the Statesman for more updates and information on the parade and festivities.

Guidelines for entering a float include: no Santa, there will only be one Santa allowed in the parade and he, as in other years, will be at the end, providing anticipation for all the good little girls and boys; candy or gifts may not be thrown from any float. It may be given out by someone walking alongside the float; there will be cash prizes for the top five floats; deadline

for entries must be received by December 1, 1999.

If you cannot possibly see your way clear to build a float this year, a contribution toward the parade would be most beneficial. Donations are used to help offset the cost of the bands, rental of the parade costumes and the goodie bags handed out. If you would like to show your support for the parade, donations may be mailed to the Kewaskum Area Chamber of Commerce, P.O. Box 300, Kewaskum, WI 53040.

Thanks for any way you can help to make the parade the success it has been in previous years.

Mail Box For Santa At Post Office

Members of the GFWC Kewaskum Junior Woman's Club wish to inform all area youngsters that it is time to begin preparing your "wish list" and letter to Santa. Santa and his elves enjoy very much hearing from all the children.

After Thanksgiving, a special mail box will be available in the Kewaskum Post Office lobby ready to receive all those special holiday requests. No stamp is required on these Santa letters placed in Santa's personalized mail box.

Santa and his elves wish to give each letter special attention and hope to hear from many children by December 21. Be sure to include your first and last name and address when writing to Santa. Santa and Rudolph look forward to visiting the Kewaskum area real soon. So you better watch out... you better not cry... you better not pout...

Christmas Concert to Benefit KEYS Will Feature Three Musical Groups

The season of Christmas music is often too short. You are invited and encouraged to lengthen it by attending the KEYS concert of Christmas music on Monday, December 6, at 7:30 p.m. at Kewaskum High School's Rose Hall.

Special musical groups include the Moraine Chorus, Bound for Heaven and the Kewaskum High School Swing Choir. The

wide variety of music will feature something for "everyone's listening enjoyment."

An additional offering this year will be Christmas gift ideas starting at \$5. Featured will be note cards and the book *Life and Times of a Country Doctor* by Dr. James Albrecht. There will also be a limited number of Wisconsin Badger sweatshirts in large

and XX large for the bargain price of only \$15. These will make GREAT Christmas gifts!

Tickets for the KEYS Christmas Concert are \$3.00 and will be available at the door on Monday, December 6 at 7:30 p.m. All proceeds benefit the KEYS Scholarship Fund. Be sure to take the time to enjoy an evening of wonderful Christmas music.

Movin' to the South Side

Wendi Dreher, right, owner of Hair on Main in Kewaskum, and an unidentified helper, seemed to be crossing the street an awful lot two weeks ago as they moved to larger quarters, just across the street into the former Family Hair Salon building. Dreher recently purchased the Family Hair Salon building and she and her beauticians from the north side of the street moved straight across the street to the south side. The business will retain the Hair On Main name and patrons of Family Hair Salon will be happy to know Sue Laubach and Family Hair Salon will integrate into the Hair On Main family.

Purchase of Tree Lights Will Again Fund Christmas Parade

The Kewaskum Area Chamber of Commerce is again sponsoring the annual Christmas Parade on December 5, through the purchase of the memorial tree lights that adorn the Christmas trees located adjacent to the visitors' gazebo near the firehouse.

This annual fund-raiser was initiated by the Kewaskum Area Chamber of Commerce to help underwrite the enormous cost of the parade and the "goodie" bags Santa hands out to all the children.

It was hoped all who enjoyed the parade and wanted to see it maintained on a yearly basis would consider again purchasing one or more tree lights.

Businesses (or private individuals) are being asked to purchase the red lights at a cost of \$25 per light (or

more if you so generously desire). The green lights are being sold to area residents (and non-residents) at a cost of \$10 (or more) per light. And, of course, the white lights are the memorial lights and can be purchased for \$10 per light in memory of those who will not be sharing the holiday season with their families this year.

Purchase a light for your neighbor or in the name of a friend, co-worker or someone who has done you a recent favor. If you like, we'll send out a gift card and as in previous years, a list of all who have purchased a light will be printed in an upcoming issue of the Kewaskum Statesman, free of charge.

Take the time now to fill out the light coupon on page nine of this issue and mail

it with your donation to the Kewaskum Area Chamber of Commerce, %Lisa Stockhausen, Treasurer, 1906 Elm Tree Drive, Kewaskum, WI 53040.

Come on... make the Chamber go out and purchase a few extra sets of lights and together we can all bask in the warm glow of giving back to the community an extra special Christmas parade on Sunday, December 5.

With your support, the trees can illuminate the crisp evening sky as Kewaskum begins their celebration of the holiday season with the annual Christmas parade. The quality of the parade depends on the participation and donations of businesses and residents. The parade can only be what we are willing to put into it.

Campus Notes

Area residents are members of the University of Wisconsin-La Crosse Class of 2003, a freshman class that scored the highest ever on the American College Test (ACT).

UW-La Crosse's freshman class of 1,639 has the highest average ACT score of any in the university's 91-year history - 23.8. And a record 64.4% of the students graduated in the top 25% of their high school classes.

Since 1994, freshmen classes at UW-La Crosse have consistently ranked second only to UW-Madison in students' average percentile high school rank. UW-La Crosse has many aspects attracting students with higher academic skills, such as the campus' marketable programs, dedicated faculty, reasonable tuition, and consistent high graduate placement rate.

UW-La Crosse, founded in 1909, is one of the 13 four-year comprehensive institutions in the University of Wisconsin System. UW-L has 9,307 students enrolled this fall in nearly 80 undergraduate and 18 graduate academic programs, many with special accreditation. UW-La Crosse ranks fourth in the Midwest's top regional public schools listing by U.S. News and World Report's 2000 College Guide.

Area residents enrolled as new freshmen at UW-La Crosse for the 1999 fall term are:

Joshua R. Gaffke of Kewaskum; Bobbie Jo Thorn and M. Jared Brun-

meier of Campbellsport; Benjamin J. Digmann and Sarah J. Hausmann of Allenton; Brian J. Albiero, Heather M. Corning, Kathleen Engelbrecht, Alicia K. Kirst, Michael J. Lochen, Elizabeth A. Mitchell, Sara K. Olson, April L. Stahl, Daniel M. Sutton, Jennifer K. Wagner, Julie L. Wagner, Brooke L. Fellenz, Sonya L. Fryklund, Bridgette L. Lesperance and Andrew C. Strachota, all of West Bend.

GREENFIELD - Tom Weber of Kewaskum has recently achieved highest honors at ITT Technical Institute.

In order to achieve highest honors, a student must maintain a 3.8 grade point average or better. Weber plans to graduate with an Associate Degree in Electronic Engineering Technology.

Established in 1990, the Greenfield ITT Technical Institute offers educational programs in Computer Network Systems Technology, Electronics Engineering Technology and Computer Aided Drafting Technology to approximately 450 students. The Greenfield ITT Technical Institute is operated by ITT Educational Services, Inc. (ESI), a leading private college system focused on technology-oriented programs of study. ESI operates 67 ITT Technical Institutes in 27 states which primarily provide career-focused, degree programs in fields of technology to approximately 24,000 students.

Senior Citizens Christmas Party at Meal Site Dec. 17

The Annual Christmas Party for Washington County Meals for Seniors will be held on Friday, December 17, at the Kewaskum Meal Site located at Meadowcreek Apartments, 119 Roseland Drive. A social hour will begin at 10:30 a.m. with entertainment provided and dinner will be served at noon. The menu will include stuffed pork chops, seasoned potatoes, vegetable blend, dinner roll, and holiday cupcakes.

Meals for Seniors are available to all persons over 60 and their spouses. Meals are served on Monday, Tuesday and Thursday at 11:45 a.m. Reservations for dinner must be made one day in advance by calling 335-4497 by 12:30 p.m.

Reservations for the Christmas Party must be made by December 15. A donation of \$3.00 per meal is required.

The purpose of the meal site is to provide a hot, nutritious noon meal as well as the opportunity to meet or make new friends in the community. The meal site also offers ceramic classes on the first and third Tuesday at 9 a.m. Cards are played at 10 a.m. all three days. Bingo is played twice a month.

We look forward to seeing you on December 17 at the Christmas Party.

Hershey's Kisses are called that because the machine that makes them looks like it's kissing the conveyor belt.

Snowmobile Safety Course Scheduled

The Kewaskum Sno Chiefs are again sponsoring a Wisconsin Snowmobile Safety Course. The Sno Chiefs invite all people, 12 years old and over, interested in snowmobile riding to enroll.

The course will be held on Saturday, December 4, and December 11, from 8 a.m. to 12 noon at the Kewaskum Town Hall, 9010 Kettle Moraine Drive, Kewaskum.

There is no maximum age and parents are encouraged to enroll and participate. A parent or guardian must be present to sign the application or the student can not participate.

Classes will cover Snowmobile Safety Features, Pre-Ride Inspections, Basic Riding Skills, Snowmobile Rider Responsibilities, Law and Outdoor Emergencies.

Please contact Dave Wilson at 626-2884 or Bob Staehler at 626-2329 for further information. The course fee is \$5.00 and covers all necessary materials.

Campus Notes

A total of seven students from this area are among the approximately 120,000 students included in the 22nd Annual Edition of *The National Dean's List, 1998-99*. *The National Dean's List*, published by Educational Communications, Inc., is the largest recognition program and publication in the nation honoring high achieving college students.

Students are selected

for this honor by their college deans, registrars or honor society advisors and must be in the upper 10% of their class, on their school's "Dean's List," or have earned a comparable honor.

Listed students are eligible to compete for \$50,000 in scholarship awards funded by the publisher, and may also use a referral service for future employment opportunities. More than 2,500 colleges and universities nationwide use the publication to recognize their academically qualified students. To learn more about *The National Dean's List* visit www.honoring.com.

Local students include: ALLENTON - Denise M. Goetsch, - Mount Holyoke College.

KEWASKUM - Nicholas A. Brettingen, University of Wisconsin-Washington County; Renee J. Dahman, Concordia University; Michael G. King, University of Wisconsin-Washington County; Angela Klug, Cardinal Stritch University; Jessica Schuster, Cardinal Stritch University, and Sandra Schuster, Cardinal Stritch University.

FOND DU LAC - Marian College of Fond du Lac recently awarded a \$5,000 Presidential Scholarship to Anatasia Thull of Kewaskum, a student attending Marian College this year.

Marian offers more than 30 majors in business, education, nursing, social work, administration of justice and other areas. For more information on Marian College programs and scholarships available, call 1-800-2-M-A-R-I-A-N.

Take Steps to Minimize Y2K Risks

THIRD IN A SERIES OF EIGHT ARTICLES

People can take some important steps to minimize the impacts of the year 2000 bug.

"Individuals and families should first identify the risks they may actually face because of Y2K and then focus their efforts on managing those risks," says David Hinds, University of Wisconsin-Madison/Extension local government specialist.

The first step every family should take is to determine if any household devices are date-sensitive, which means they may malfunction with the year 2000 date change. "Less obvious than computers are items that may be controlled by date-sensitive computer chips, such as portable medical devices, home security systems, and some thermostats and other environmental control systems."

Medical conditions or isolation from neighbors can present additional risks for certain people. The impact on families if they lose important services, such as electricity and water for several days, also should be assessed.

"If you find potential problems with date-sensitive personal or home equipment, take corrective action early to eliminate the problems by contacting local repair people or the manufacturer," Hinds says.

"Because of the possibility of localized loss of services, the unpredictability of where they may occur and the fact that Y2K will arrive in winter, individuals and families should prepare for the year 2000 in the same way they would prepare for a bad winter storm, with several additional pre-

cautions."

These preparations can include:

- * Create a supply kit to provide basic family supplies for three days. Don't forget the family pets.

- * Prepare a family emergency plan and make sure all family members are familiar with it.

- * Have a week's supply of all family members' prescription drugs on hand.

- * Keep vehicle fuel tanks full, as you would during a normal winter.

- * Gather extra blankets in case your home's heating system will not work.

- * Have at least one non-cordless phone available. A back-up cellular phone is a good idea.

- * Contact your county's emergency management director or the local Red Cross chapter ahead of time to locate emergency shelters in your area in case they are needed.

- * Y2K failures may cause unexpected power surges. Protect sensitive electrical equipment with surge protectors.

- * Be prepared to take action to prevent water pipes from freezing if heat

in your home is lost.

- * Have a reasonable amount of cash and a credit card available to cover unexpected expenses.

- * In late 1999, request a statement of account on mortgages and loans to protect yourself if your bank's records are lost or corrupted.

"Hopefully, the impacts of Y2K will be minor and brief," Hinds adds. "Being prepared, though, is a wise course of action and will help ensure that you and your family will enter the year 2000 in safety and comfort."

Next week watch for Y2K information on utilities and home generators.

More information about Y2K is available at the Cooperative Extension web site at www.uwex.edu/ces/admin/y2k.

Valerie is a 1996 graduate of Random Lake High School, and a graduate of Lake Shore Technical

College. She is employed by Allen Edmonds of Port Washington in Shipping.

Todd graduated from Kewaskum High School in 1989. He is also a graduate of Moraine Park Technical College and the University of Wisconsin-Stout. He is employed by Times Printing of Random Lake as an Estimator.

The couple is planning an October 28, 2000 wedding.

Hands to Help Campbellsport Library Goal

Each and every person can make a difference when it comes to the Campbellsport Public Library.

The library has begun actively fundraising to reach their goal for funds to complete the lower level of the library building. Plans for the lower level include a meeting room with adjacent kitchen, a children's room and storage areas. Many area organizations continue to host their meetings at the library despite the fact that the meeting room is not yet completed.

This new fund raiser is called "Hands to Help the Library" with the support of the Campbellsport "Quilting Bees" and the AAL, the library will be selling squares of a quilt to be hung in the library. Your family may purchase a square of the quilt for \$25.00. On the square that you purchase the quilters will place your family name along with a handprint or handprints of your children, grandchildren or other family member. The quilt squares are limited so early registration for purchase is important. For more information or to register for a square please call the Campbellsport Public Library at 533-8534.

Zwicker - Suchomel

Lisa Zwicker and Eric Suchomel were married September 11, 1999, on Nagawicka Lake in Hartland.

Sarah Adams of St. Petersburg, Florida, served as maid of honor. Tammy Smith, Dawn Zwicker, Brenda Carey, Tara Swalve, and Julie Depp were the bridesmaids.

Matt Faulkner of Eau Claire served as best man. The groomsmen were Aaron Anderson, Brian Suchomel, Mike "Zwicks" Zwicker, Jeff Swalve and Scott Levenhagen.

Michael J. Zwicker was the ringbearer.

Ushering duties were shared by Tom Hensen and Steve Tubbs.

A reception was held at the Weissgerber's Seven Seas.

The bride is the daughter of Mark and Shirley

Zwicker of Kewaskum. She is the office manager of ATC Associates in Sun Prairie.

The groom is the son of Ron and JoAnn Suchomel of Sun Prairie. He is self-employed with E & S Construction of Sun Prairie.

The couple spent a week on their honeymoon before returning to their home in Marshall.

Holiday Craft Night at Library In Campbellsport

It's that time of year again. As the holidays quickly approach, take some time for a break and spend the evening with your children at the Campbellsport Public Library.

The library will be hosting its Third Annual "Holiday Craft Day" on Wednesday, December 1. Stop in with your children beginning at 6 p.m. and make a holiday decoration to bring home. The craft projects are for all ages. The younger children may need the assistance of an adult.

This is a free event at the library and children of all ages are welcome to participate. The event will run from 6 to 7:30 p.m. Be sure to stop in and join in the Holiday Spirit. For more information please call the library at 533-8534.

Hopp Named Vice President By West Bend Savings Bank

Thomas C. Hopp

Thomas C. Hopp has been named Vice President - Commercial Lending by West Bend Savings Bank and will head up the Commercial Business Banking Unit of this 73 year old, West Bend based financial institution.

Hopp comes to West Bend Savings from M&I First National Bank in West Bend where he had been Vice President for

Commercial Lending for several years. "Tom brings a very strong background in commercial banking and has deep personal ties to the West Bend area; he lives here, grew up here, and realizes how much West Bend Savings Bank is a part of this community. He is exactly the kind of person we want to build our Commercial Business Banking Unit," said Ray Lipman, President and CEO of the bank.

Hopp is a graduate of UWM for both his BA (Finance and Marketing) and MBA, and spent time with Valley Bank (Kewaskum) and Bank One (West Bend) prior to M&I. In addition to his professional involvement with the community, Hopp is a graduate of the West Bend Chamber of Commerce Leadership Program, has been a Division Leader of Washington County United Way and is a member of the Board for Threshold of West Bend.

Wolf in Top 2% of Linsco Performers Nationwide

Carey M. Wolf

West Bend Savings Bank has announced that Carey M. Wolf, CLU, ChFc, General Manager of Fifth Avenue Advisors, the Bank's investment advisory

subsidiary, has qualified for Linsco Private Ledger's Patriot Conference to be held in Puerto Rico.

Wolf has qualified at the Chairman's Level, with 1999 investment sales of over 14 million dollars as of September 30.

"Through the 13 years of Carey's involvement with West Bend Savings Bank we have always been proud of the relationship he has maintained with his clients and the excellent business he has built," said Ray Lipman, President and CEO of West Bend Savings Bank.

Linsco Private Ledger is the largest independent broker-dealer in the nation with over 3300 investment representatives nationwide. Wolf's performance year to date ranks him number 56 in the country, or in the top 2% of that group.

Sign Up to Give Blood At KHS

The Kewaskum High School Student Council is sponsoring a blood drive in the KHS Choir room on Monday, December 6, from 8 a.m. to 12:15 p.m. The drive is open to the public as well, but due to limited spots on the schedule, please call Mrs. Doll at KHS, 626-8427, ext. 4153, to make an appointment. All appointments must be made by Tuesday, November 30, to ensure adequate personnel and supplies at the blood drive.

Potential donors must be at least seventeen years old, weigh at least 110 pounds, be in good health, and be free of major cold, flu, or allergy symptoms at the time of the donation, and should bring some form of identification with signature. The actual donation takes from five to seven minutes. Plan on 25 minutes before the donation for giving a medical history and a rest period of five to ten minutes following the donation. Call Mrs. Doll at KHS, ext. 4153, for an appointment, but direct any questions about the blood donation process itself to The Blood Center, 1-800-243-5124.

The KHS Student Council thanks the community for its continued support.

Kirchner Achieves National Recognition

Beverly Kirchner

Beverly Kirchner broker associate with Coldwell Banker Spectrum Real Estate has been awarded the Accredited Buyer Representation (ABR) designation by the Real Estate Buyer's Agent Council (REBAC) of the National Association of Realtors (NAR).

"Today's real estate brokers and agents want to provide a full menu of services for their clients,

whether they are buyers or sellers," explains Terrence M. McDermott, President and CEO of REBAC. "The ABR designation, the benchmark of excellence in buyer agency service, demonstrates to clients that the agent has taken steps to continue their education in the field of buyer representation and has the proven experience and training to deliver ethical and professional service to real estate buyers."

Kirchner joins more than 12,000 real estate professionals in North America who have earned the ABR designation. The requirements for this coveted designation, include a comprehensive two-day course in buyer representation, a written examination on legal and practical aspects of client representation, and practical experience in the field of buyer representation.

Campbellsport Area "Adopt a Family" Project Provides Holiday Assistance

Holiday assistance is available for the entire Campbellsport School District areas. Those who need help with food, clothing, etc., are to call Barb Hensen, 533-8132, or LeNore Schill, 533-4643, local coordinators. If you know of persons, families, needing assistance, please call before the Thanksgiving weekend.

The areas' churches, service organizations, schools and their clubs, have been sponsoring this project entirely with donations from the communities of CBS & Eden, Armstrong, Dotyville, Long Lake, Cascade, New Fane, St. Cloud, Ashford and St. Kilian. No one is turned away if help is needed and all information is kept confidential!

Volunteers are needed on Monday, December 13, 6 p.m. at St. Matthew's Parish Center, Mill St., CBS, to sort food, etc. Families will be

called to pick their food/clothing/etc. on Friday and Saturday, December 17 and 18. If you can help in any way, kindly give us a call!

The "ANGEL GIVING TREE" will be in the handicapped west entrance of St. Matthew's Church, Campbellsport on Thanksgiving weekend. Select the gift/s you wish to buy for, sign the corresponding gift #'s on the register sheet, and return the gift/s by December 15 to the church. Last year, 250 gifts were given to 30 different families. All but 46 were purchased by YOU...the general public!

Our "Adopt a Family" program is totally voluntary... ALL monies come from donations from generous people like YOU... service groups, etc. We service the Salvation Army referrals from the Fond du Lac office, that live within our school district areas. Last

years recipients were 15 from the CBS area, 9 from Eden, and one each from Dotyville, Armstrong, Fond du lac, Cascade, New Fane and St. Cloud.

National Exchange in CBS and Eden are again collecting new toys, games, books, for "Toys for Tots" which will be distributed locally. Deadline for collection is Dec. 15.

We look forward to having your great help and cooperation again this holiday season.

Monies/checks can be sent to: LeNore Schill, c/o "Adopt a Family," St. Matthew Parish, P.O. Box 740, Campbellsport, 53010. Thank you!

Wings Over Wisconsin Donates Gun to Hunter Safety Program

Kettle Moraine Chapter of Wings Over Wisconsin board member Ken Bales is instructing Sam Shulka, a recent Hunter Education graduate, how to shoot trap with the youth model shotgun donated to the Kewaskum Police Department's Hunter Education program.

The Kettle Moraine Chapter of Wings Over Wisconsin recently donated a youth model shotgun to the Kewaskum Police Department's Hunter Education program.

The program is taught by Richard Knoebel, a state certified Hunter Education instructor. Knoebel said, "The youth model shotgun has a shorter stock and barrel, allowing the young shooters to become more comfortable when shooting for the first time. I think it will be a big help overall."

The Kettle Moraine Chapter is one of 19 chapters of the Wings Over Wisconsin organization. One of Wings Over Wisconsin's main projects is the introduction of wild Iowa pheasants in project areas in the state. The Kettle Moraine chapter has a project area just north of Kewaskum on Highway 45.

The chapter also provides the Ronnie Sarauer Memorial Scholarship for students who are enrolled in a

natural resources program. They also sell birdseed during the winter months, provide trees and shrubs to help establish habitat and donate to various hunter education programs in the area.

Richfield Craft Fair Nov. 27, 28

The 41st Annual Richfield Craft Fair will be held at the Kettle Moraine Bowl in Slinger on Saturday and Sunday, November 27th and 28th, from 9 AM to 4 PM. Partial proceeds will be donated to Food Pantries.

In addition to our wide variety of quality handmade arts and crafts, including stitchery, Christmas ornaments and decorations, rugs, ceramics, woodworking, live and dried wreaths, quilts, toys, and many other gift items, we will have a nice selection of baked goods, candies, and other goodies.

We have some crafters that have been with the fair for all 41 years, while others are joining us for the first time.

Adults will be able to register for free door prizes, which will be drawn every half-hour.

Admission and parking are free, however, canned goods for the Food Pantries would be an appreciated donation.

The Kettle Moraine Bowl is located at the corner of State Highways 60 & 175, just off Highway 41.

The 12 Days of Thanksgiving

On the First Day..... We give thanks for the fresh turkey feast and its hot trimmings.

On the Second Day..... We bless the cold turkey sandwiches, sloshy cranberry sauce, and hard rolls.

On the Third Day..... We praise the turkey pie and vintage mixed veggies.

On the Fourth Day..... We thank the pilgrims for not serving bison that first time, or we'd be celebrating

Thanksgiving until April.

On the Fifth Day..... We gobble up cubed bird casserole and pray for a glimpse of a naked turkey carcass.

On the Sixth Day..... We show gratitude (sort of) to the creative cook who slings cashews at the turkey and calls it Oriental.

On the Seventh Day..... We forgive our forefathers and pass the turkey-nugget pizza.

On the Eighth Day..... The word "vegetarian" keeps popping into our heads.

On the Ninth Day..... We check our hair to make sure we're not beginning to sprout

feathers.

On the Tenth Day..... We hope that the wing meat kabobs catch fire under the broiler.

On the Eleventh Day..... We smile over the creamed gizzard because the thigh bones are in sight.

On the Twelfth Day..... We apologize for running out of turkey leftovers and everybody says..... Amen

The measure of one's real character is what one would do if they knew they would never be found out.

THINK OF US AS PERSONAL TRAINERS (FOR YOUR HOUSE)

Before spending the time and money on your next home improvement project, make sure your house spends some time with a personal fitness trainer — a HouseWorks™ contractor. By using the simple, low-cost HouseWorks inspection, your house can be more comfortable, more energy efficient, and safer.

A HouseWorks contractor has been trained to treat your house as a whole system. They know how air flow downstairs affects comfort upstairs, how heating and cooling systems affect drafts, and where drafts are best stopped.

A thorough home inspection conducted by a HouseWorks contractor will benefit your house in these four main home improvement areas:

- heating & cooling projects
- remodeling: additions, renovations, general projects, and installing or adding insulation
- a general home efficiency check-up
- problems that are symptoms of poor air flow: high energy bills, drafts, hot and/or cold rooms, hard-to-heat areas, exterior ice build-up, fog or condensation on windows

The basic HouseWorks inspection includes: a blower door test to measure the amount and location of air leaking into or out of your home; an insulation test; a carbon monoxide test; a gas-fired equipment test; and a chimney draft test. Other energy-saving services are also available.

Ready to get fit? Call a HouseWorks contractor listed below. For more information call Wisconsin Energy Conservation Corporation at **888-543-8155**.

Supervisory Management Fastrak Program Delivers

First-rate instructors and flexibility.

These are two things that come to Mary Vogl-Rauscher's mind when asked about Moraine Park Technical College's Supervisory Management Fastrak program.

"I believe our instructors are one of the program's biggest assets. They don't talk theory, they talk actual practice," she said. "They bring real life, practical applications to the classroom. The things the students learn in class can be taken directly to their workplaces and implemented."

"There is also a nice cross section of instructors," Vogl-Rauscher, lead instructor and program advisor for the Supervisory Management Fastrak program, continued. "Almost all of them are business and industry executives. They represent large employers as well as smaller employers and they come from businesses throughout the Moraine Park District. Most of our instructors have been recommended by the program's advisory committee members, plus we do instructor evaluations in 100 percent of the classes. This gives us constant feedback in terms of 'Did the instructor meet your needs?' or 'Are we teaching what you need?' I think that's one of the reasons Supervisory Management is one of the highest rated programs at Moraine Park in terms of student satisfaction."

In addition to the quality instruction, flexibility also ranks high as a program strength. "We're trying to meet our customers' needs in a variety of ways," says Vogl-Rauscher.

One example of that is

the decision made last year to make the program open entry. "Open entry eliminates the need to take the courses sequentially," she explained. "If a student needs to drop out of the sequence for whatever reason, they have the option of picking up (the classes they missed) at another campus."

Moraine Park also began offering Supervisory Management classes on Tuesday mornings from 9 a.m. - 1 p.m. in an effort to serve second- and third-shift employees. "There are supervisors who work second and third shift and are unable to come to evening classes, and this timeframe works for them," said Vogl-Rauscher. "To my knowledge, we are the only program in the state trying to target this group of workers."

Starting in January 2000 students will have even more options as the College begins offering day courses via instructional television (ITV). "ITV allows us to offer the program at all three of our campuses, plus it opens up more classes" said Vogl-Rauscher. "We will be offering the ITV classes at Beaver Dam and West Bend on Thursday evenings and we have two traditional sections of the program running at our Fond du Lac Campus on Monday and Tuesday evenings."

Also this spring, two classes -- Supervision and Team Building/Problem Solving - will be piloted in an every other week format. Supervision will meet every other Thursday morning from 9 a.m. - 1 p.m. and Team Building/Problem Solving will meet on every other Saturday from 9 a.m. -

1 p.m. "We're testing this format out to see if it is something that meets the needs of customers who are interested in the program, but who are unable to commit to one morning or one evening each week," said Vogl-Rauscher. "Each class will still meet a total of six times, but instead of every week for six weeks, it will meet every other week for 12 weeks."

Along with being flexible, another positive about the Supervisory Management program is the student support and networking. "The majority of our students are returning and working adults," explained Vogl-Rauscher. "Approximately 80 percent of them are working full-time and taking the classes in the evenings. The energy that takes place with the people in this program is unbelievable. The students are very supportive of each other and there is a lot of exchanging of ideas. Plus, all of the learning that occurs (in the core courses) is active learning -- it's projects, presentations and papers. It's not a lecture-based program and there are no tests."

Curriculum changes were also made in response to input from the program's advisory committee. "We've responded to the quests of our advisory committee and are very much on top of our curriculum," said Vogl-Rauscher. "In the past 15-18 months, we made major curriculum changes ensuring that it was both current as well as state-of-the-art. We really feel we have taken this program to the next level."

The Supervisory Management Fastrak program is an associate degree program consisting of 11 core classes plus general

education classes. The core courses include Ethics in America, Human Resources Management, Leadership Development, Legal Issues, Managerial Budgeting and Finance, Managing Diversity and Change, Managing for Quality, Organizational Development, Safety Awareness, Supervision, and Team Building/Problem Solving. All core courses are three credits and run in four-hour time blocks from either 5:30-9:30 p.m. or 9 a.m. - 1 p.m. for six weeks. When one six-week class is completed, you begin the next one. It takes approximately 20 months to complete the core courses and if students take more than one class at a time they can graduate within a two-year period.

For people looking for something short-term, Moraine Park offers three certificates from the Supervisory Management program including Principles of Management, Human Resources Development and Organizational Development. The certificates, which allow people to focus on a specific area of expertise, range from three to five courses. "Our most popular certificate is the Human Resources Certificate which is made up of three classes - Human Resource Development, Safety Issues and Legal Issues," said Vogl-Rauscher. "We're planning to offer it this spring between our Mayville and Ripon Regional Centers through the College's Corporate and Community Services. It's just another way to give our customers what they want."

For more information about the Supervisory Management Fastrak

Program or certificates, or to enroll, call Mary Vogl-Rauscher at (920) 887-4465 or Pat Olson, dean, at (920) 924-3333.

St. Lucas Church Advent Services

The Christmas season is a busy time for nearly everyone. With so many things to do, we need to take a break from the holiday rush.

St. Lucas Lutheran Church, Kewaskum, will be offering an opportunity to take such a break. St. Lucas Lutheran invites everyone to join them for special Wednesday Advent Worship services December 1, 8 and 15.

Services will be held at 1 p.m. and 7 p.m. The services will be based on the Christian devotional service, "Prayer at the Close of Day" or "Compline." This service, which has its roots in the Fourth Century A.D., is a quiet meditative prayer service.

In this setting, the church will put all the noise of this busy season in the background, and listen for the glad sounds of the true meaning of the season, namely, that the Lord sent his Son Jesus to be the Savior of the World.

Obituaries

RAYMOND MARIALKE

Robert Marialke, age 66, of Kewaskum, passed away unexpectedly on Monday, November 22, 1999 at St. Joseph's Community Hospital in West Bend.

He was born on February 10, 1933 in the Town of Auburn, the son of the late Gustave and Bertha (Stenschke) Marialke and on November 12, 1966, he was united in marriage to Betty Stern at Mount Lebanon Lutheran Church in Milwaukee.

Mr. Marialke served his country from 1956-58 in the U.S. Army and was a member of St. Lucas Evangelical Lutheran Church in Kewaskum.

Survivors include his wife, Betty, of Kewaskum; three step-children, Merle, Steven (Kathy) and Julie Stern, all of Kewaskum; a sister, Helen Schmidt of Oak Creek; six step-grandchildren, Scott (Amy), Doug (Kelly), Tim (Lynn), Brad, Robert and Lisa Stern; a step-great-granddaughter, Sydney Stern, other relatives and many friends.

A brother, Edward Marialke, preceded him in death.

Funeral services will be held at 7 p.m. on Friday, November 26, 1999, at the Miller Funeral Home in Kewaskum with Rev. Edwin Fredrich officiating. Burial will be at 10 a.m. on Saturday at Lutheran Memorial Park in Kewaskum.

Friends may call from 4 p.m. until the time of services at the funeral home on Friday.

RALPH E. DALEY

Ralph E. Daley, 79, of West Bend, died Thursday, Nov. 18, 1999, at St. Joseph's Community Hospital.

He was born Aug. 7, 1920, in the town of Erin, to the late Joseph and Margaret (nee Goetz) Daley.

He served with the U.S. Army in the Pacific Theater during World War II. After his marriage to Gertrude Vahl on Jan. 4, 1947, at St. John's Church, Monches, they settled in Hartford until 1951 when they came to West Bend.

Ralph was employed at St. Joseph's Community Hospital as a licensed maintenance engineer from 1951 until retiring in 1982.

He was an avid hunter and fisherman and also loved gardening. Ralph was a member of the Hartford VFW Post 8834.

Survivors include his wife; eight children, Ellen (Gerald) Steier and Joseph (Colleen), both of West Bend, Tom of Cedarburg, Kathleen (James) Hawig of Campbellsport, Patricia (Scott) Schweitzer, Michael (Susan) Arleen (Ronald) Koepsel and Daniel (Christine), all of West

Bend; 16 grandchildren; one brother, James (Dorothy) and a sister, Evelyn (James) Stapleton, both of Hartford; other relatives and friends.

Preceding him in death were a son, Ralph in infancy; a granddaughter, Mary Colleen Daley; and a brother, Clarence.

A Mass of Christian Burial was held on Monday, Nov. 22 at 7 p.m. at St. Mary's Immaculate Conception Church. Fr. Patrick Wendt was the presider, and burial was on Tuesday at 9:30 a.m. in St. Mary's Cemetery (new).

Visitation at the church only was on Monday from 4 to 6:45 p.m.

Memorials may be given to the Alzheimer's Association.

The Schmidt Funeral Home, West Bend, served the family.

BETTY M. PRUITT

Betty M. Pruitt, nee Schlueter, of Jackson, died Thursday, Nov. 18, 1999, at Community Memorial Hospital, Menomonee Falls, at the age of 76.

She was born Sept. 1, 1923, in Eden to the late Fred and Hazel (nee Gudex).

After her marriage to Earl "Rusty" Pruitt on June 26, 1943, in Milwaukee, they settled in Milwaukee. They then moved to Big Bend and since 1971 have lived in the town of Jackson.

Betty was an excellent cook. She was a devoted member of the Bible Baptist Church in West Bend where she was very active in The Senior Saints Bible Study Group and also the Ladies Fellowship.

Survivors include her husband; five children, Dennis (Judy) of West Allis, Wayne (Denise) of Sturtevant, Donald (Nancy) of Menomonee Falls, Robert (Jackie) of Campbellsport and Peggy Kaminski of Jackson; 11 grandchildren;

brothers-in-law; sisters-in-law; other relatives and friends.

Preceding her death was a sister, Dolores Daniels.

Funeral services were held Monday, Nov. 22 at 11 a.m. at the Bible Baptist Church, West Bend. Pastor Jack Kaetterhenry officiated and burial followed in Union Cemetery, Campbellsport.

Visitation at the Schmidt funeral Home, Jackson, was on Sunday from 2 to 5 p.m. and also at the church on Monday from 10 to 10:45 a.m.

IN MEMORY

In loving memory of **JOEL JAMES KUMROW**, who passed away 25 years ago, November 29, 1974:

Don't grieve for me, for now I'm free.

I am following the path God has laid you see.

I took His hand when I heard His call.

I turned my back and left it all.

I could not stay another day, To laugh, to love or play.

Tasks left undone must stay that way,

I found the peace at the close of the day.

If my parting has left a void, Then fill it with remembered joys.

A friendship shared, a laugh, a kiss,

Oh yes, these things I too will miss.

Be not burdened with times of sorrow,

I wish you the sunshine of tomorrow.

My life's been full, I savored much,

Good friends, good times, a loved one's touch.

Perhaps my time seemed all too brief,

Don't lengthen it now with undo grief.

Lift your hearts and peace to thee,

God wanted me now, to set me free.

CARD OF THANKS

We wish to express our sincere thanks to all our relatives, neighbors and friends who shared in the recent loss of our son, CHARLES TUTTLE.

Special thanks to the nurses at St. Joseph's Hospital, West Bend, and the nurses aides for all their special care, given to him.

Thank you to all the Elmore neighbors and to all that sent cards, flowers, and memorials, to soloist Pat Moye and organist Mrs. Coralee Henning, pallbearers and the Twohig Funeral Home.

Many thanks to Pastor Fredrich and Pastor Henning for all their prayers and to everyone who showed their respect.

These kindnesses are very much appreciated.

Mr. and Mrs. Gary Tuttle

Kewaskum Fire and Rescue Squad Calls

Tuesday, November 16 - The Kewaskum Rescue Squad was dispatched in the Village of Kewaskum at 8:37 p.m. for a female patient experiencing chest pain. The patient was

transported to St. Joseph's Community Hospital, West Bend.

Thursday, November 18 - The Kewaskum Rescue Squad was summoned in the Town of Kewaskum at 12:15 p.m. for a male patient who was ill. The patient was transported to St. Joseph's Community Hospital, West Bend.

Friday, November 19 - The Kewaskum Fire Department responded to a grass fire in the Town of Kewaskum at 12:07 p.m. Firefighters were at the scene for approximately one hour.

Saturday, November 20 - The Kewaskum Rescue Squad was dispatched at 7:31 a.m. in the Village of Kewaskum for a female patient who required transport to St. Joseph's Community Hospital, West Bend, for treatment of chest pain and difficulty breathing.

Saturday, November 20 - The Kewaskum Fire Department responded to a sounding fire alarm at a Village of Kewaskum apartment complex at 9:58 a.m. It was determined to be a false alarm. Firefighters were at the scene for approximately 30 minutes.

The Jerusalem artichoke has nothing to do with either Jerusalem or artichokes. It is actually part of the sunflower family.

In Loving Memory of **ROBERT SCHAIRER, JR.**

Feb. 3, 1980 - Nov. 27, 1995

May you always walk in sunshine
And God's love around you flow
For the happiness you gave us
No one will ever know
We think of you in silence
We often speak your name
All we have are memories
And your picture in a frame
It broke our hearts to lose you
But you didn't go alone
A part of us went with you
The day God called you home
Your memories are our keepsakes
With which we'll never part
God has you in his keeping
We have you in our hearts
So many things have happened
Since you've been called away
So many things to share with you
Had you been left to stay
To your resting place we visit
And place the flowers there
But only God knows the heartache
When we turn and leave you there
Life goes on we know that's true
But nothing is the same
Since we last saw you.

Sadly missed by, Mom, Dad, Michelle, Laurie & Devin

Kewaskum FFA Do Well at Fair; Attend Convention

Tom and John Ramthun are pictured above showing their beef steers at the Washington County Fair.

Pictured above are Kewaskum FFA members who attended the 70th Wisconsin State Convention. Front row, left to right: Rebecca Baron, Bridget Beck, Kevin Muth, Scott Herman. Back row: Matt Propson, Jana Goratowski, Peter Muth.

As the tradition continued, Kewaskum, Hartford, and Slinger FFA's again joined forces and ran an ice cream booth at the Wisconsin State Fair. The three FFA chapters took turns working shifts throughout the 11 days of the fair. Kewaskum members that worked were Jon Ratzel, Josh Hawig, Erin Beck, Jeremy Jeranek, John Ramthun, Tom Ramthun,

Rebecca Baron, Jeremy Berres, Nate Kohlwey, Scott Herman, Kyle Kedroske, Bridget Beck, Roland Westphal, Nick Tibbs and Steve Sabish.

At the 1999 Washington County Fair, Kewaskum FFA members had an excellent showing. In beef, Tom Ramthun took Grand Champion Dairy Beef, while his brother, John Ramthun, got Reserve Champion

Dairy Beef.

Others showing were Bridget Beck, Erin Beck, Kyle Kedroske, Troy Kedroske, Tim McKee, Rebecca Baron, Brad Oelhafen, Eric Sabish, Jon Ratzel, Josh Krueger, Jeremy Hawig, and Josh Hawig.

In swine, Adam Beck won Reserve Champion

Market Hog. Other showmen were Scott Herman, David Lettow, Josh Hawig, Jeremy Hawig and Nick Martin.

Showing great sheep were Jon Ratzel and Eric Sabish. Peter Muth also showed dairy cattle on Saturday of the fair. Congratulations to all exhibitors.

In June, the Kewaskum FFA sent seven delegates to Madison for the 70th Wisconsin State Convention. The attending delegates were Peter Muth, Kevin Muth, Scott Herman, Matt Propson, Jana Goratowski, Bridget Beck and Rebecca Baron. During the three day convention, FFA members sat in on official meetings, met with other FFA members and chapters, experienced leadership workshops, met the 1998-99 State Officers and voted on the 1999-2000

State Officers.

During the convention, Governor Tommy Thompson was in attendance to speak about bills that he would try to pass that would benefit the agricultural community. Also, FFA members got the chance to meet Rudy, the Notre Dame football player on which the movie *Rudy* is based on. Rudy presented a wonderful speech on motivation and goal setting. The convention was a great experience and fun for all who attended.

Don't forget... the Kewaskum FFA Fruit, Cheese, Sausage and Kringle Sale is now going on!

Don't Panic, It's Automatic Your Rebate Check is in the Works

Wonder whether you will receive a rebate check?

"Don't panic, it's automatic," said Wisconsin Revenue Secretary Cate Zeuske. "If you filed income tax in Wisconsin this year, you'll get a rebate check."

Sales tax rebate checks should be processed by the first of the year and mailed soon after, Secretary Zeuske said, "in plenty of time to pay off Christmas shopping bills, pay property taxes, or save for the future." For security reasons, the exact mailing dates will not be disclosed beforehand.

Gov. Tommy G. Thompson signed into law the state's largest rebate in history. His "Trust the People" tax relief will return \$700 million to 2.5 million households.

Check amounts will range from \$184 to \$267 for single filers and \$360 to \$534 for married couples filing jointly. The average check will be for \$271. Because the check is a rebate on sales taxes paid, it is not taxable by the state; nor is it by the federal government, based on past precedent.

Everyone who filed a "state income tax return this year (as late as October 15) or who filed for a Homestead Credit will receive a rebate check. Unlike Minnesota's rebate checks, the elderly and others who did not file income tax this year are still eligible to apply for

a rebate check. In the coming weeks, the Department of Revenue will roll out a simple, one page form.

* Everyone who filed a state income tax return or filed for a Homestead Credit by October 15 of this year will receive a rebate check automatically.

* If you moved since filing, please file a change of address form with your post office.

* Checks will be processed by the first of the year -- in time to help pay your holiday bills and property taxes.

* Even elderly who don't file income taxes can get a rebate check (we will get you a simple form to fill

out).

* Filers claimed as dependents are eligible if adjusted gross income is \$5,000 or more and if they had net tax liability.

* Checks will average \$271.

* Call 608-266-2772 or 608-267-9420 with questions.

* Call 608-266-2772 and 608-267-9420 with questions (a toll-free hotline number will be established soon).

* Visit the web site at www.dor.state.wi.us for updates.

* Check your 1998 tax records (the taxes you paid this spring) to find the amount of your check.

Schmidt Holiday Remembrance Service Dec. 7

On December 7, Schmidt Funeral Home will be holding their sixth annual Holiday Remembrance Service at 7 p.m.

The purpose of this program is to help people who are grieving to feel supported and understood, to know that they are not alone in their grief, and to give them the opportunity to remember their loved one and include them in their holiday activities. The holiday season is difficult for people who are mourning the loss of a loved one.

During a special ceremony they will light four candles to remember the families they have served in the past 65 years.

They will also light an individual candle for the families they have served in the past year and this candle will be available for the family to take home at the end of the service. Also, new this year, will be a beautiful wooden ornament, available to the families, in remembrance of their loved one.

They will be having a speaker who will give an inspirational talk to also help people and the Madrigal Singers from West Bend High School will be offering some musical inspiration to further round out the evening.

Because of the positive comments Schmidt's have received from their families regarding this program, Schmidt's would like to invite anyone who is having difficulty due to a loss to join in that night. The book, "Handling the Holidays," will be available to everyone on that night and at the Funeral Home between the

program and Christmas. For more information call 334-2301.

Campus Notes

MILWAUKEE -- Amanda Proeber of Kewaskum has been awarded a \$2,000 merit scholarship from the Milwaukee Institute of Art and Design (MIAD). Proeber, a senior, majoring in Painting, received a Catherine Jean Quirk Scholarship. Proeber is a graduate of Kewaskum High School.

MIAD merit scholarships are a competitive award, based on academic achievement and artistic accomplishment. Full-time students who have a 3.0 grade point average are eligible to participate in the competition, which is held in the spring for the next academic year. Eligible students submit a portfolio of five pieces which is judged by faculty members within their own division: Design, Fine Art or Foundations (first year students).

One of the country's leading visual arts colleges, MIAD is Wisconsin's only four-year independent art and design college. Founded in 1974 and a successor to the Layton School of Art, MIAD offers a BFA in Drawing; Painting; Sculpture; Photography; Printmaking; Illustration; Communication Design; Industrial Design; and Interior Architecture + Design. MIAD currently serves 620 students through its degree and concurrent registration programs. MIAD's campus is located in Milwaukee's Historic Third Ward. For more information, please call MIAD (414) 276-7889.

**Village Board
Meeting Minutes**

**Village of Kewaskum
Regular Meeting
November 1, 1999
7:00 p.m.**

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. Trustee Harry Roecker asked to be excused and was absent all other Trustee Members were present. A quorum was present.

The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andy Pesch and unanimously carried by voice vote, the minutes of the October 18, 1999 meeting were approved as printed.

It was noted the public hearing as published would take place after 8:00 p.m.

Fire Chief Mark Groeschel was not in attendance.

Chief of Police Richard L. Knoebel reported that Trick or Treat went well and no problems were

reported.

Director of Public Works, Jerry Gilles reviewed the following:

- 1) Informed the Board that the curb, gutter and asphalt work is nearing completion in Old Glory Heights.
- 2) Informed the Board of the needed upgrade at Pump House # 2.

Administrator Daniel S. Schmidt reviewed the following with the Board.

- 1) Review of League and Taxpayer bulletins.
- 2) Review of correspondence.

A) Reported that the environmental testing has been completed at the Regal Outlet facility without any major concerns being raised.

On a motion by Trustee Andrew Kuehl, seconded by Trustee John Kenworthy and unanimously carried by voice vote, the Board approved the payment of bills as recommended by the Administrative Committee. The total of all claims as recommended are as follows:

General 68,184.04
Sewer 41,190.02
A/P Ck. #16249 - #16343
Payroll 32,089.24
P/R Ck. #9388 - #9438
Water Fund 24,473.98
Library Fund 5,011.94
TOTAL \$ 170,949.22

Trustee Andy Pesch, the Plan Commission Board Representative, reported on the meeting of October 26, 1999. It was noted the Commission sent the request for a conditional use permit for the placement of antennas on the water tower for a cellular phone system to the Village Board for public hearing with a favorable recommendation.

It was also noted Rick Kania from SEWRPC was in attendance to review Section 5.00 "Modifications" and Section 15.00 "Definitions". A substantial amount of discussion took place.

Trustee John Kenworthy the Library Board representative reported that discussion is still taking place regarding the T1 line and proposed budget figures for 2000.

Trustee Robert Stoltzmann, the Mid-Moraine Municipal Association Representative, reported that the social was held for October 27, 1999, with no significant outcome.

Administrator Daniel Schmidt reviewed some 1999 tax facts with the Board and also where the funds were coming from to balance the budget under the revenue accounts refund from prior year and prebud-

geted transfer of funds. The general budget accounts were reviewed by category, noting the decreases and increases. The general budget in total reflects an increase of \$7,487 or .4%. The following was also reviewed: Debt Service Fund, Special Revenue Fund, Library Fund, Water Fund and Sewer Fund. The notice for public hearing scheduled for November 22, 1999 was reviewed. It was again noted the general budget, which includes debt and special revenue, were up by a total of \$7,487 or .4%. The library budget is up by \$3,872 or 3.6%. The tax rate for all accounts is up by \$27,774 or 3.7%. This would reflect an increase in the tax rate of \$.215 or 3.6%. This would mean the tax rate would be \$6.205 per \$1,000 of assessed value.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Warren Dums and unanimously carried by voice vote, the Board authorized proceeding with the NR 8 11 permit for locating a new well at an estimated cost of \$1,800 to \$3,000 by Ruekert & Mielke, the Villages Engineers.

On a motion by Trustee John Kenworthy, seconded by Trustee Andrew Kuehl and unanimously carried by voice vote, the Board approved the meeting schedule for December and January as well as the holiday schedule for Christmas and New Years.

The time was 8:10 p.m. The Village Board held the public hearing on the application for the

Combination Class "A" Fermented Malt Beverage and Intoxicating Liquor License as noticed for Michael Geidel (Geidel Foods Inc., 940 Fond du Lac Avenue). Michael Geidel, Jesslyn Geidel and Bill Geidel were present to speak on behalf of their application. Dennis Kuehl (Kuehls Suds & Spirits) was in attendance to ask the Board not to grant the license. He indicated one liquor store in a community the size of Kewaskum was enough and encouraged the Board not to approve said license and expressed his lack of support. Robert Wagner, Trustee John Kenworthy and Trustee Andy Pesch asked questions, as well as stated the promotion of business in general is the Boards objective and it is hopeful one such license would not have an adverse effect on the other and expressed general support for the issuance of the new license. Trustee Andrew Kuehl questioned the need for another license and expressed the lack of support for the issuance of a new license. On a motion by Trustee Robert Stoltzmann, seconded by Trustee Warren Dums and carried by the majority the Board closed the public hearing. Roll call vote was 6

"Aye" 0 "Nay" 1 "Absent".

After a brief discussion, a motion by Trustee John Kenworthy, seconded by Trustee Andy Pesch and carried by the majority the Board approved the application for a Combination Class "A" Fermented Malt Beverage and Intoxicating Liquor License as notice and heard at public hearing for Michael Geidel (Geidel Foods Inc., 940 Fond du Lac Avenue) and authorized the office to issue said license upon proper payment of fees and documentation. Roll call vote was 5 "Aye" 1 "Nay" (Trustee Andrew Kuehl) 1 "Absent".

On a motion by Trustee Andrew Kuehl seconded by Trustee Robert Stoltzmann and carried by the majority roll call vote, to adjourn. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

Kewaskum Frozen Foods owner, Bob Beisbier loads crates of deer into a reefer trailer owned by Henry Timblin Trucking. The reefers are rented in order to keep the deer from spoiling. Up to this publication there have been approximately 350 deer brought in from the bowhunting season and over 900 from gun hunting. Last year 2,000 deer were brought in for processing. Gun season ends this Sunday.

**STATE OF WISCONSIN DEPARTMENT OF NATURAL RESOURCES
PUBLIC NOTICE OF INTENT TO REISSUE WISCONSIN POLLUTANT DISCHARGE ELIMINATION SYSTEM (WPDES) PERMIT #WI-0021733-6**

Proposed Expiration Date: December 31, 2004
Permittee: Village of Kewaskum, PO Box 38, 204 First Street, Kewaskum, WI 53040-0038
Discharge Facility Location: Kewaskum Wastewater Treatment Facility, 1000 Fond du Lac Avenue, Kewaskum, WI
Receiving Water: Milwaukee River (West Branch), at SW1/4 of SW1/4 of Sec. 10, T12N R19E in Washington County.

Brief Facility Description and Summary of Proposed Changes: The Village of Kewaskum operates a 0.75 MGD design flow activated sludge plant. The plant, built in 1976, has a comminuter, 1 pre-aeration tank, 1 primary clarifier, 3 aeration tanks, 2 final clarifiers and ultraviolet disinfection (May - Sept.). Solids are stored onsite, then landspread on approved agricultural sites in the spring and fall. Annual avg. flow for 1997-99 was 0.43 MGD, 57% of design flow. Organic (BOD) loading for 1997-99 was 582 lbs/day; 31% of design load. Discharge is to the Milwaukee River. Changes from previous permit include the following: Reduction in sampling frequency to 4x/Week due to good performance; Chlorine limits and monitoring dropped due to switch to ultraviolet disinfection; Quarterly chloride monitoring to allow P99 calculations at next issuance; Copper and Zinc monitoring dropped; annual mass limits for phosphorus and ammonia dropped; Biomonitoring tests increased to 2 annual and 5 chronic tests in rotating quarters.

The Department has tentatively decided that this WPDES permit shall be reissued. Limitations and conditions which the Department believes adequately protect the receiving water are included in the proposed permit.

Persons wishing to comment on or object to the proposed permit, or to request a public hearing, may write to the Department of Natural Resources, Attn: Craig D. Heiker, 2300 N. Dr. Martin L. King Jr. Drive, Milwaukee, WI 53212. All comments or suggestions received no later than 30 days after the publication date of this notice will be considered along with other information on file in making a final decision regarding the permit. Where designated as a reviewable surface water discharge permit, the U.S. Environmental Protection Agency is allowed up to 90 days to submit comments or objections regarding this permit determination.

Land Application of sludge will be done in accordance with this permit and ch. NR 204, Wis. Adm. Code. All application sites shall be approved prior to their use. If any person wishes to receive a list of approved sites, they may contact their regional sludge specialist.

A public informational hearing may be held if response to this notice indicates significant public interest pursuant to s. 253.49, Wis. Stats. [formerly s. 147.13, Wis. Stats.] or if a petition requesting a hearing is received from 5 or more persons. Requests for public informational hearings shall state the following: the name and address of the person(s) requesting the hearing; the interest in the proposed permit of the person(s) requesting the hearing; the reasons for the request; and the issues proposed to be considered at the hearing.

Information on file for this permit may be inspected and copied at the address above, Monday through Friday (except holidays), between 9:00 a.m. and 3:30 p.m. Information on this permit may also be obtained by calling (414) 263-8641, Judy Gottlieb at (414) 263-8636, or by writing the Department. Reasonable costs (usually 10 cents per page) will be charged for copies of information in the file other than the public notice and fact sheet. This information is also available for downloading from the internet using a world wide web browser at: <http://www.dnr.state.wi.us/org/water/wm/ww/>. Pursuant to the Americans with Disabilities Act, reasonable accommodation, including the provision of informational material in an alternative format, will be made available to qualified individuals upon request.

GridIron Football Banquet Held

Mark Uniewski and Tim Trott of the undefeated eighth grade team, made a special presentation to Coach Jim "Jonesy" Korth.

Players from the sixth grade GridIron football team received medals for their season.

The Kewaskum GridIron Football teams held their third annual banquet on Thursday, November 11, at the Amerahn Hall in Kewaskum.

Dave Donath, Jim Westphal, Ron Theusch, and Kevin Darmody were recognized for their initial start of the GridIron organization three years ago. These four men, with the help of many parents and the community, spent many long hours organizing this program. The parents and all the players would like to extend their thanks.

The sixth grade team was recognized with a record of 5-2. Most Valuable Player Awards were presented to Mitch Paulus for

defense and Garrett Donath for offense. The Spirit Awards went to Chad Piwoni and Matt Rinzel.

The seventh grade team was recognized for their record of 1-6. MVP Awards went to Adam Jung for defense and Chad Peplinski for offense. The Spirit Awards went to Matt Seefeldt and Josh Meyer.

The eighth grade team ended their season undefeated and the AAYFL Champions. This is the first team to complete all three years in the GridIron. MVP Awards went to Mark Uniewski on defense and Adam Arndt on offense. The Spirit Awards went to Tim Trott and Justin Krueger.

Congratulations to all the

1999 coaches and players for a great season. Thanks too, to the coaches for all their dedication and time.

The GridIron would like to thank Amerahn for the donation of the hall, and the following businesses who donated: Sentry Foods for the paper products; Kewaskum Floral for the floral arrangements; Balloons by Brenda for the Balloon Arch; Silver Platter for two gift certificates; Fin and Feather for the gift certificate; Marshall's Gas Station for the milk; Cedar Valley and Jim Donath for the string cheese.

They would also like to thank Huffy Sports, and the anonymous donor (Eric) for the donations of basketball

hoops.

Just a reminder the GridIron board meeting is the first Wednesday of the

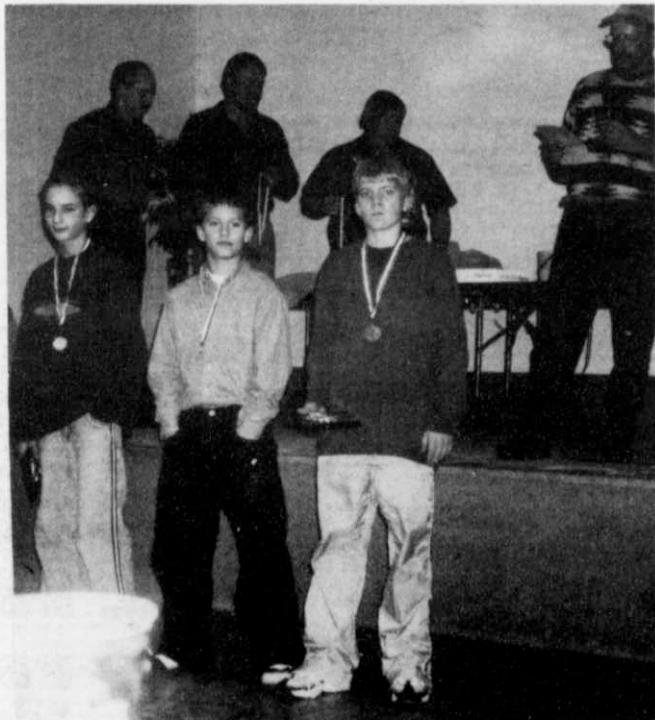

month. It is held at Hon-E-Kor in the downstairs level. The next meeting is December 1 at 7 p.m.

Players on the eighth grade GridIron team hoist their trophy proudly after winning the state championship.

Members of the eighth grade team are seen above receiving their sweatshirts.

Members of the seventh grade GridIron team were honored for their efforts.

Lynn Places 38th at N.C.A.A. Cross Country Meet

by Gerry Gosa

Winneconne - Marni Lynn, a junior at Carroll College in Waukesha, ran her best cross country race of her life on Saturday at the Division III National Collegiate Athletic Association Women's 5K Cross Country Championships. UW-Oshkosh hosted the championships at the Lake Breeze Golf Course in Winneconne, Wisconsin. Lynn ran an outstanding time of 17 minutes and 42.6 seconds (17:42.6), almost 36 seconds better than her previous best of 18:18 that she had run at the Midwest Regional Championships just one week earlier. Lynn placed 38th out of over 213 runners, and just missed

earning All-American recognition by three places or two seconds. Places 1-15 earn N.C.A.A. All-American honors and 16-35 earn All-American recognition by the coaches association.

"Marni has been running constantly around 18:20. She popped a real good one today. She has an outstanding work ethic, does what she is supposed to do and really sets a good example for her teammates," commented Lynn's distance coach Dave Williams. Lynn has increased her mileage to 45 miles a week this season and has been doing less cross training. Williams, in his first year of coaching, has a lot of running experience and recently clocked a two hour twenty-five minute

at the Chicago Marathon in October. "This is obviously Marni's most successful cross country season, but she still has room for improvement. Marni is so dedicated and focused that we sometimes have to hold her back I have to remind her sometimes that it's okay to take time off," commented coach Williams.

"At the start of the season Marni's individual goal was to be the conference champion and advance to nationals. And that's exactly what happened. Our team's goal was to be conference champions and we ended up second. Marni's time today as phenomenal," commented an obviously very happy and pleased head coach Brian Bliese. Lynn's time of 17:42.6 for the 5 K cross country race is the fastest time in Carroll College school history.

As expected Rhaina Echols of the University of Chicago, winner of the Midwest Regional, won the women's title with an incredible time of 16:46.2. Carolyn Jones, of California - San Diego finished second with a time of 17:08.1.

Calvin College of Grand Rapids Michigan won the women's team title with 85 points. Middlebury College finished second with 119 points followed by Williams College with 183 points. St. Olaf College in Minnesota finished fourth with 191 points, and UW-LaCrosse finished 5th with 240 points just edging UW-Oshkosh by 8 points. UW-Oshkosh had beaten UW-LaCrosse every time this season and just recently at their conference championships. A total of 24 schools had complete teams that competed for the team championship.

ABC SKAT RESULTS

The winners at skat played at the Town of Scott Hall on Tuesday, Nov. 16th were: Francis Gilboy, 14-1-13 net; Harold Eggert, Spade solo vs 4.

ReNae Hills on Viterbo Varsity Volleyball Team

La Crosse's Viterbo College varsity volleyball team is where Kewaskum's own ReNae Hills is spending her precious spare time. ReNae is a welcome addition to this very young team.

Freshman ReNae works as hard as anyone on the team, but is not afraid to interject a little humor into the routing to keep everyone at ease.

ReNae has been versatile enough to learn all the positions on the court, being one of the team's main utility players, substituting in for anyone, in any position.

Having one of the hardest driven serves on the team, ReNae has scored the team some valuable points with her serve this season.

According to Assistant Coach Terry Dahmen, Hills has made a positive impact on the Viterbo varsity volleyball team this season, and "we are glad we were her school of choice."

Viterbo College is located in scenic La Crosse. This co-educational, independent, four year liberal arts college, with a student population of approximately 1800, was founded in 1890 by the Franciscan Sisters of Perpetual Adoration.

Viterbo is a NAIA Division Two school and is a member of the Midwest Classic Athletic Conference.

Peak Hunter, Holiday Traffic Expected Sunday

The combination of deer hunters and Thanksgiving holiday travelers returning home is expected to pack Wisconsin's highways on Sunday, November 28. The Sunday after Thanksgiving is typically one of the busiest travel days of the year, according to the Wisconsin Department of Transportation.

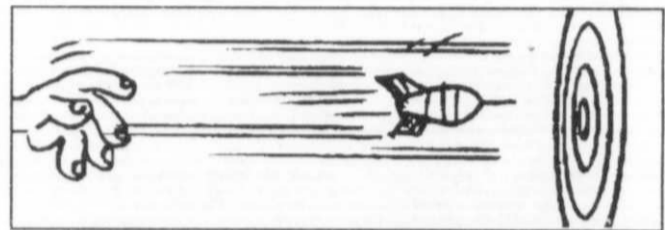

Motorists will find all lanes of traffic open, as most construction projects will have been completed by then. Crews working on long-term projects ceased operations about noon on Wednesday, November 24, and won't resume operations until 6 a.m. on Monday, November 29. However, all lanes of traffic will be open. No lane restrictions are expected on any highways during the holiday weekend.

State Patrol Superintendent David Schumacher reminded drivers to be especially alert during this busy travel time. "Driving defensively, wearing your safety belt, watching out for deer darting into traffic, and

avoiding driving while intoxicated or drowsy will make this a safe weekend," he said.

The State Patrol will be among several law enforcement agencies participating in the nationwide campaign: "Operation ABC - American Buckles Up Children." It's a special emphasis program sponsored by the U.S. Department of Transportation to raise awareness about child safety restraints. State Patrol and other law enforcement officers will be checking motorists for appropriate safety restraint use through November 28. A similar campaign was conducted over the Memorial Day weekend.

Increased enforcement and Operation ABC are efforts to reduce the number of fatal crashes during the Thanksgiving holiday period. Crashes during the four-day Thanksgiving holiday period claimed the lives of 12 people last year, which was four above the five-year average.

Rod Harrington is known for getting to the point. He is the current men's world match play darts champion.
