## Holy Trinity Parish Plans School Expansion Project

The Holy Trinity School expansion project, tentatively scheduled to begin in March, 2000, will be erected onto the front (north) of the building on the grassy area that is pictured above.

(Additional photo on Page 2)

Holy Trinity Parish has been a vibrant strength in the Kewaskum community for many years.

It is a parish with a rich history having served generations of Catholic families. It is a parish that has been blessed with a growing congregation, school enrollment and many dedicated, faithful members. It is a parish that is currently enjoying a newly renovated church and a parish that is looking to shape the future of their church and school.

As such, the parish is embarking on an expansion project to address additional educational and parish space needs. The theme of the project is *Holy Trinity Parish Education Center...*

### Building Our Knowledge and Faith.

Plans are in place to construct a 40' x 60' three level addition on the north end of the present school building. The basement would allow space for a kitchen and cafeteria. The main floor would provide for a computer lab and offices for the parish, school and administrative areas.

The second floor would add two classrooms. A stairway and elevator would connect the three levels. Additionally, the space would allow meeting rooms for parish groups, religious education classrooms and storage, a CYE program room and an area for adult and/or family education in

either the current school building or in the new addition.

Ideally, if the project can begin by March 2000 it can be completed in time for the next school year. The Milwaukee Archdiocese has indicated their support and permission to proceed with the project. A steering committee of 17 members and Father Mark Jones have provided information during the past several weeks to parishioners through meetings, mailings, visual and vocal presentations at Mass and fellowship.

This Saturday and Sunday, December 4th and 5th, have been designated as Commitment Sunday.

As this Christian community looks toward the future "Let us work for the good of all and especially for those of the family of faith." Galatians 6:10

## Annual KEYS Christmas Concert Set for Monday

The annual KEYS Christmas concert will be held on Monday, December 6, at 7:30 p.m. at Kewaskum High School's Rose Hall. Tickets are \$3.00.

The Kewaskum High School Swing Choir will present their only Christmas concert for public enjoyment at this time. The Moraine Chorus and Bound for Heaven have generously donated their time and talents for everyone's listening

pleasure. This is a concert NOT to be missed.

Also available at this time will be Christmas gift ideas that benefit KEYS: a limited number of Wisconsin Badger sweatshirts in large and extra-extra large for the bargain price of only \$15. Note cards and the book *Life and Times of a Country Doctor* by Dr. James Albrecht can also be purchased at bargain prices.

## Santa Will Be Here For Sunday's Parade

With the annual Kewaskum Area Chamber of Commerce Christmas parade only days away, Santa and his many elves have been busy working around the clock to bring you and your family one of Kewaskum's best Christmas parades this Sunday, December 5, at 5 p.m.

This year's parade theme is "Christmas Past, Present and Millennium." The Chamber is hoping everyone in the community will get involved with the parade one way or another, by creating an entry which will be accepted until 4:30 p.m. Sunday evening at the staging area at Kewaskum High School.

If you do have an entry for the parade, however, if it be a float, walking group, band, animals, or any other entry, Santa would greatly appreciate it if you would call his main elf, Kevin, the parade chairman, at 262-626-2995. This will greatly help the parade committee to prepare the lineup for the big event.

The parade committee has also initiated another idea that is sure to put a smile on Santa's face and a smile on some less fortunate members of our area community. The elves are asking every family to bring one item of non-perishable food to donate at the parade just to make sure no one will go hungry this holiday

season. As usual, Santa's elves will be collecting the food items at the end of the parade as Santa makes his way through Kewaskum.

Remember, YOU can make a difference and no good deed will be forgotten.

Santa has one more idea on how to fight hunger... your own! Santa has called upon his favorite grillers, Lee Kempf, Tim Miller and Linda Theisen (and their infamous crew) to cook up their delicious brats, burgers and hot dogs, before, during and after the parade again this year.

Come early for the parade, browse through town and stop to admire all the hand-decorated Christmas trees located at various locations. Area schools, 4-H Clubs and Girls Scouts have been working hard to decorate the trees this past week for the annual tree decorating contest. Judging will take place on Saturday, so the trees should all be in full splendor, just in time for you to admire before the parade.

This, undoubtedly, will work up your appetite so just follow your nose to the cloud of smoke at the intersection of Main Street and Fond du Lac Avenue (in front of Wiseguys, to be pre-

(Continued on Page 2)

## Tree Lighting Ceremony Set After Parade

Aid Association for Lutherans Branch #26 is going to again offer to the general public the Tree Lighting Program following the Christmas Parade on Sunday, December 5, at the Community Room located at the corner of First Street and School Street in Kewaskum.

Caroles will be sung for the public to listen to and hum along with and hot chocolate and cookies will be served inside the Community Room for all to enjoy as they socialize with each other during this joyous season.

The tree will be lit by Kim Sellnow, the AAL District Representative who lives in Kewaskum. Please come and enjoy yourselves during this most blessed time and share some fellowship with one another. See you after the parade!

## Public Meeting On US Hwy. 45 Expansion Dec. 6

A public information meeting is scheduled Monday, December 6, in Kewaskum, on Wisconsin Department of Transportation plans to reconstruct and expand about 3.25 miles of US Highway 45 from two lanes to four between Washington County D and H (west).

The meeting will be from 4 to 7 p.m. at the Kewaskum Village Hall Community Room, 204 First Street.

DOT staff will be on hand. The open house format will enable visitors to view, discuss and comment on the proposed plan, schedule and right of way acquisition. Construction is scheduled in 2003.

# Small Increase in Village Budget As State Shared Revenue Decreases

By Lana Harbeck Kuehl

The Kewaskum Village Board on November 22 unanimously voted to approve the 2000 village budget, which has increased approximately 1/2%.

Village Administrator Dan Schmidt stated, "Basically, taxes will be going down for everyone, when you consider the lottery credit."

According to Schmidt's report, the general budget has actually increased \$9,152, or a minuscule .51%. The property tax levy to be collected will be reflecting an increase, due to a drop in the ratio equalized value versus assessed value, a loss of state shared revenue of nearly \$20,000 and a slight increase in the budget.

Looking at the entire picture, the tax levy will reflect an increase of \$27,774 or 3.7%. The Village Property Tax Rate will also reflect an increase of 21.0c or 3.5% in comparison to that of 1998/99. The equalized value for 1999 has increased \$4,020,700 or 2.94% and the assessed value for 1998 increased \$4,511,100 or 3.8%.

The Village's Tax Rate

reflects an increase of 21.0c per \$1,000 of assessed value. The Village Tax Rate for 1998 was \$5.995 compared to the 1999 Tax Rate of \$6.205 per \$1,000 of assessed value.

The assessed gross tax rate has increased from \$23.83 to \$24.52 this year, an increase of \$.69 or 2.9%.

The State Tax Credit for 1999 will be \$1.93 per \$1,000 of assessed value, which reflects a 5-1/2% increase. This means the net Tax Rate is \$22.59, which means an increase of 59c or 2.7%. The State of Wisconsin will again be distributing a lottery credit to primary residence equaling \$94.00.

The level of all basic village services has remained at or near the same as in previous years. The Village Board and employees pride themselves in providing quality services at a reasonable cost to taxpayers, as well as trying to reduce the cost of providing those services.

All taxing jurisdictions have also tried to maintain their budget, however, the village board has no authority to approve or disapprove these rates, just mandated to collect these taxes.

Twenty five point three percent or \$6.20 of the \$24.52 gross tax rate pays for approximately seventy one municipal services summarized below. These are provided under the direction and control of the Village Board and Administrator.

General Government	\$1.11
Protection/Fire	.58
Protection/police	1.50
Public works	1.20
Health & Welfare	.01
Park & Recreation	.45
Conser. & Development	.07
Library	.36
Capital Outlay	.50
Special Revenue Fund	.03
Debt Service Fund	.39

TOTAL \$6.20  
The remaining seventy four point seven percent (\$18.32) of the gross tax rate is collected by the Village on behalf of the four other agencies that can't by law, issue their own tax bill.

donations will also be accepted at the food stand for Food for Families.

One very important thing to remember this year is that the parade route has changed. Due to the extremely heavy traffic flow on Highway 45 from the south, the Chamber decided not to sacrifice safety for convenience.

The new parade route will begin at Kewaskum High School and will proceed to Parkview Drive, traveling south, and then turn right (west) on Main Street. It will continue west on Main Street, turning right (north) at the stop and go light onto Fond du Lac Avenue. Another right will be taken on First Street as the parade makes its way east to the Municipal Building where it will end just in time for the annual A.A.L. Tree Lighting Ceremony.

Carols will be sung prior to the lighting of the tree and Aid Association for Lutherans Branch #26 invites everyone to share in the holiday spirit, and enjoy hot chocolate and cookies inside the community room after the tree has been lit by Kim Sellnow.

If you cannot possibly see your way clear to build a float this year, but still wish to show your support, a contribution toward the parade would be most beneficial. Donations are used to help offset the cost of the bands,

rental of the parade costumes and the goodie bags handed out. If you would like to show your support for the parade, donations may be mailed to the Kewaskum Area Chamber of Commerce, P.O. Box 300, Kewaskum, WI 53040.

Another way to contribute towards the success of the parade is by purchasing the red, green and white memorial lights that are located by the Welcome to Kewaskum sign adjacent to the firehouse on the south end of Kewaskum. If you would still like to purchase one of the lights, fill out the coupon on Page 11 of this issue. All proceeds from the purchase of the lights go to defray the cost of the parade.

Businesses (and residences) throughout the community, and especially along the parade route, are encouraged to participate by decorating and putting up as many white lights as you can find time and space for. This will truly put a final festive touch to the enchantment of the holiday parade.

Thanks to all of you, in advance, for any way you can help to make the parade as decorative and successful as it has been in previous years. Your input, no matter how big or small, makes this event a huge attraction for the young and young-at-heart in this community and the surrounding area.

## West Bend Red Cross Will Provide Automatic External Defibrillator Training

The West Bend Red Cross is training their instructors to provide the CPR/AED (Automatic External Defibrillators) to businesses and the general public.

Did you know?

\* Without CPR and electric shock treatment from an Automatic External Defibrillator (AED) within the first four minutes after collapse, nine out of 10 cardiac arrest victims will die.

\* There is a death from cardiovascular disease in the United States every 90 seconds. 90% of all sudden cardiac arrests occur outside the hospital setting and as such, most of the victims never receive the only proven treatment that can save their lives.

\* Studies have established that when defibrillation therapy is administered within the first few minutes of sudden cardiac

arrest (SCA), a patient's likelihood of survival may be as high as 80% to 90%. With each minute of elapsed time, however, this survival rate diminishes by approximately 10%. There is no room for confusion or delay.

\* The new generation of Automatic External Defibrillation (AED) is easy to use by non-medical personnel and can improve the survival rate dramatically in an emergency situation where every second counts.

\* Wisconsin recently passed the Good Samaritan Act, which is designed to safeguard anyone who renders emergency care in good faith from civil liability.

For over 80 years, the American Red Cross has been the leader in effective first aid and safety education, and now they have expanded their programs to include training to meet

OSHA requirements and to provide comprehensive Adult CPR/AED training.

For information on buying or leasing the Automatic External Defibrillator you can call the West Bend Red Cross at 334-5687.

### After School Theater at Campbellsport

On Tuesday, December 7, at 4 p.m. the C.A.S.T. group from the Campbellsport Public Library will be presenting the holiday stories, "Frosty the Snowman" and "The Magic Hat."

Children of all ages are welcome to attend the performance. Children as Story Tellers (C.A.S.T.) is a group of about ten kids ranging in ages from nine to 12, who attend regular Tuesday meetings to learn the art of story telling. This will be their first official performance at the library.

The program will last about 30 minutes. For more information please call the Campbellsport Public Library at 533-8534.

*We have inherited new difficulties because we have inherited more privileges*

### THANK YOU

I would like to thank my family, friends, neighbors and all those who kept me in their thoughts and prayers throughout the past year.

Thank you for all of the cards, flowers and gifts. I wish all of you a wonderful holiday season.

*Tammy Schmidt*

### Humane Society To Host First Festival of Trees

Get in the yuletide spirit and come down to the Washington County Humane Society for their first annual Festival of Trees, a holiday celebration of lights and unique designs complete with a refreshment cafe and continuous holiday entertainment.

The Humane Society's training center will be transformed into a magical Christmas wonderland ablaze with over 50,000 lights and filled with decorated trees, wreaths, garlands and centerpieces sponsored by local business organizations and individuals. Many of these creations will be raffled off and raffle tickets are \$2 each or 3 for \$5.00.

Santa will be available for the children (bring your cameras) on Saturday from 2 to 4 p.m. and on Sunday from 1 to 3 p.m. The refreshment cafe will serve holiday bakery, coffee, hot cocoa, hot cider and juice. Local musicians and school groups will provide Christmas music throughout the event.

The Festival will be held Friday, December 3 through Sunday, December 5, with hours on Friday and Saturday from 11 a.m. until 8 p.m. and Sunday from 10 a.m. until 6 p.m. Admission is \$3 for adults, \$1 for children ages 2-12, and \$2 for seniors 60 and older. Tickets are available at the door only.

The shelter is located at 3650 Highway 60, between Jackson and Slinger next to the Polk Town Hall. For more information, contact the Humane Society at 262-677-4388.

## West Bend Trade Association Puts Elk Ranching on TV Dec. 5

Go ahead, admit it... elk ranching is an exploding industry across North America and you probably don't know much about it. You're not alone.

Realizing a need to disburse more information about this dynamic industry and the product driving it -- velvet antler -- the North American Council on Elk Ranching has produced an informative and interesting documentary, "Elk: The Monarch of the Forest," which will debut Sunday, December 5 at 8 a.m. CST on the Outdoor Life Network (OLN).

Check your local listings for times in your area. The documentary highlights these majestic creatures, their proud past and their emergence as the livestock of the future.

Velvet antler takes center stage of the production, which demonstrates the reasons why elk farming can be a very attractive investment as a traditional livestock.

Engrained in Asian cultures for more than 2,000 years for a huge variety of medicinal purposes, use of velvet antler as a nutritional supplement is skyrocketing in North America. Velvet antler is known for promoting endurance, stamina and strength; resisting symptoms of stress and fatigue; improving blood circulation and kidney function; providing nutritional support for joint structure and function; and revitalizing the entire body system.

Velvet antler is a 100% natural product made from whole antlers during their most nutrient-abundant stage.

The documentary, hosted by outdoor expert Doug Copsey, is filmed on location at elk ranches in Colorado, Michigan and Wisconsin. Copsey introduces the viewers of the show with a his-

torical overview of elk, calling them, "One of the most majestic and beautiful creatures in all of nature." Copsey hosts a monthly PBS series, "Outdoor Idaho," and is renowned for his work as a producer/director of several syndicated magazine-format series covering outdoor sports action events.

The 30-minute "Elk: The Monarch of the Forest" documentary features interviews with Jay Kim, owner of a traditional herbal shop in downtown Chicago who talks about the rich history of velvet antler's medicinal use and nutritional book author Dr. Peiper who recommends velvet antler to his clients. It also contains breathtaking footage of majestic elk roaming throughout beautiful, wooded forests.

Council members are proud to be part of the documentary and of bringing elk ranching to the attention of the media and the public.

As stated in the documentary, "Research goes on today, but potential medical and financial benefits are

not the only reason this exciting young industry is on the brink of a major expansion in North America. In most areas of the country, historic elk habitat has long since given way to development, and many entrepreneurs have recognized the opportunity to help preserve one of nature's most majestic creatures. Elk may be indeed the livestock of the future, but for those that have come to appreciate their beauty and intelligence, they will always be "The Monarch of the Forest."

The North American Council on Elk Ranching, (NACER) whose headquarters are in West Bend, is a group of elk ranchers dedicated to promoting the elk industry in North America. NACER has four members in Wisconsin, Nanchas Elk Ranch in the Wisconsin Dells area, Hard Rock Game Farms in Gays Mills, G & K Bulls in Lake Delton and Meadow Creek Elk Farms in West Bend. For more information about elk ranching log on to [www.nacer.com](http://www.nacer.com)

## Senior Citizens Christmas Party at Meal Site Dec. 17

The Annual Christmas Party for Washington County Meals for Seniors will be held on Friday, December 17, at the Kewaskum Meal Site located at Meadowcreek Apartments, 119 Roseland Drive. A social hour will begin at 10:30 a.m. with entertainment provided and dinner will be served at noon. The menu will include stuffed pork chops, seasoned potatoes, vegetable blend, dinner roll, and holiday cupcakes.

Meals for Seniors are available to all persons over 60 and their spouses. Meals are served on Monday, Tuesday and Thursday at 11:45 a.m. Reservations for dinner must be made one day in advance by calling 335-4497 by 12:30 p.m.

Reservations for the Christmas Party must be made by December 15. A donation of \$3.00 per meal is required.

The purpose of the meal site is to provide a hot, nutritious noon meal as well as the opportunity to meet or make new friends in the community. The meal site also offers ceramic classes on the first and third Tuesday at 9 a.m. Cards are played at 10 a.m. all three days. Bingo is played twice a month.

We look forward to seeing you on December 17 at the Christmas Party.

## Kewaskum Fire and Rescue Squad Calls

Monday, November 22 - The Kewaskum Rescue Squad personnel responded to a residence in the Town of Auburn at 9:58 p.m. for a male patient who was unresponsive. The patient was transported to St. Joseph's Community Hospital, West Bend.

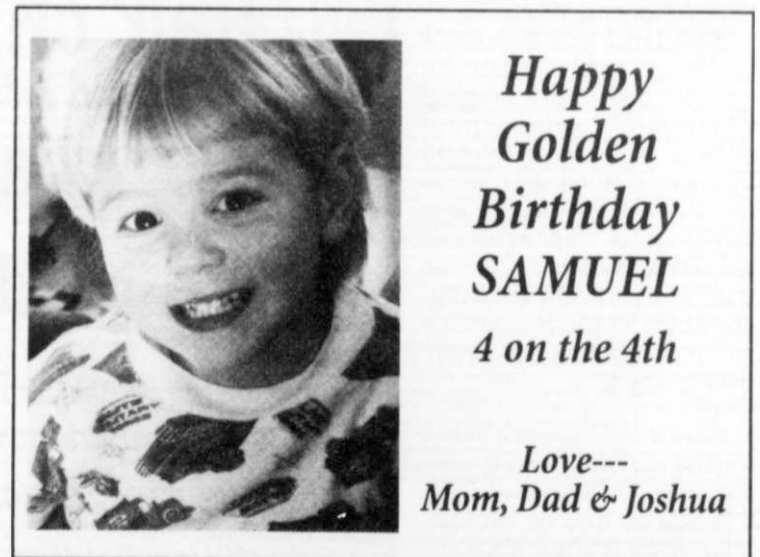

Friday, November 26 - The Kewaskum Rescue Squad was summoned at 8:25 p.m. to a Village of Kewaskum residence to assist a male patient who suffered a leg injury. No transport was made.

Saturday, November 27 - The Kewaskum Rescue Squad was dispatched to the Town of Farmington at 10:42 a.m. to assist a female patient who was injured in a fall. The patient was transported to St. Joseph's Community Hospital, West Bend.

Saturday, November 27 - The Kewaskum Rescue Squad responded to a call in the Village of Kewaskum at 3:26 p.m. for a female patient who was experiencing back and hip pain. The patient was transported to St. Joseph's Community Hospital, West Bend.

## EDUCATION... It's Everyone's Business

**Wayne P. Graczyk**  
Kewaskum  
Superintendent  
Of Schools

In earlier articles I encouraged everyone to be informed voters. I will always believe that an informed citizen is a knowledgeable citizen. As we move through the construction projects for the recently approved referendum, I would like to keep school district residents informed about the timetable and construction process. Keep in mind that while these are not set in stone they remain target dates we continue to strive for.

Since the referendum has been approved, two Ad Hoc committees were formed. One is the Building Projects Committee (BPC) and another is the Building Design Committee (BDC). The Projects Committee met with Bray & Associates and Cravillon Architects to review General Contractor candidates. From a list of 19, five companies were selected and they will make formal presentations to a group consisting of the BPC and the standing School Board Building and Grounds Committee. This list will be narrowed down to two finalists who in turn will present to the full board on December 13, 1999. While the goal is to have two finalists chosen to present to the full board, should one of the five General Contractor's presentation be so compelling that they stand out over the other four, that contractor may be presented to the board as the finalist.

In either case, the General Contractor for the referendum building projects should be made on December 13 at the school board meeting held in the high school library. The Building Design Committee, consisting of representatives of the teaching staff, support staff, administrative staff, the board, etc., met to discuss preliminary floor plans for the elementary buildings. The recommendations made by the committee will be reviewed by the architects and the General Contractor, and eventually will lead to the formulation of a preliminary set of blueprints.

The target date for the completion of the remodeling and additions to both

the Wayne and Farmington Elementary Schools is the first day of classes in the 2000-2001 school year. However, the FES gymnasium is scheduled for completion around October of 2000. The KES target date for occupancy is the fall of 2001. The completion of the administration building, while not set as yet, will occur sometime between the fall of 2000 and the fall of

2001, and will be coordinated with the construction of the new KES and the demolition of the old KES. It can't be emphasized enough that with any project this size, changes may occur due to availability of building supplies, construction schedules, etc.

If any citizens wish more information please don't hesitate to call me at the district office.

## Christmas Open House at County Historical Society

Members of the Washington County Historical Society are coming up with some choice items to auction off on December 5, during the society's annual Christmas Open House. In addition to antiques, collectibles and household items, a number of exciting items and gift certificates have been donated for the auction by area businesses.

There will be a great variety of bargains to be had. Among the items donated so far are an antique, wind-up Victrola, collectible Barbie doll, a cocktail ring, advertising bowls from Rosenheimer's of Kewaskum, a chamber pot, dinnerware and a face cord of firewood. Michael Paul of Paul Auction Company, Kewaskum, will handle the live auction and

there will be a silent auction of numerous gift and collectibles.

The auction is scheduled for 3 p.m. during the noon to 4 p.m. open house in the Old Courthouse Museum Courtroom, 320 S. Fifth Avenue, West Bend.

Guided tours of the Old Jailhouse renovation project will be held that day from noon to 2 p.m. The River City Irregulars Christmas Brass 1 p.m. concert will be followed by the Records concert at 2 p.m. Holiday treats and refreshments will be served.

The museum's special holiday exhibit is "December 25, 1861; A Wartime Christmas." For further information contact the Washington County Historical Society Inc. at 262-335-4678.

## Mail Box For Santa At Post Office

Members of the GFWC Kewaskum Junior Woman's Club wish to inform all area youngsters that it is time to begin preparing your "wish list" and letter to Santa. Santa and his elves enjoy very much hearing from all the children.

After Thanksgiving, a special mail box will be available in the Kewaskum Post Office lobby ready to receive all those special holiday requests. No stamp is required on these Santa letters placed in Santa's personalized mail box.

Santa and his elves wish to give each letter special attention and hope to hear from many children by December 21. Be sure to include your first and last name and address when writing to Santa. Santa and Rudolph look forward to visiting the Kewaskum area real soon. So you better watch out... you better not cry... you better not pout...

## Train Mania at WB Museum

Train Mania, a special holiday model train exhibit opens December 11 in the circuit courtroom of the Old Courthouse Museum, 320 S. 5th Avenue, West Bend.

The event is sponsored by the Washington County Historical Society and the Cedar Creek Central Model Railroad Club.

The train display will be open during regular museum hours as well as two Saturdays in December. The December 11 and 18 hours are from 1 to 4 p.m. The exhibit closes December 19.

For information, contact the historical society at 262-335-4678.

It's easier to peel a hard boiled egg that is still warm. If you allow it to cool, the shell can stick to the egg.

# Y2K News

## Utility Outages and Generator Use

### FOURTH IN A SERIES OF EIGHT ARTICLES

Because Wisconsin utilities have made Y2K readiness a top priority, few, if any, power interruptions are expected in the state due to Year 2000 problems. In addition to extensive upgrading and testing already completed, utilities will have extra generation capacity and technicians available on New Year's Eve and Day.

Flashlights and fresh batteries are always a good idea, but electric generator systems are not recommended for most households (although they may make sense for dairy farmers and others with special needs). Generators can pose substantial fire, poisonous gas emission and electric shock hazards for family members and utility workers. If used they should be installed, tested and operated in strict compliance with manufacturers' instructions and local codes.

If you choose to buy a generator, make sure you get one that is listed with the Underwriter's Laboratory (UL) or Factory Mutual (FM). Be sure you know the amount of power that will be needed by the equipment you plan to operate to determine the amount of power the generator will need to produce.

Always be sure to follow

the directions supplied with the generator. Under no circumstances should portable generators be used indoors, including a garage. Adequate ventilation is necessary and proper refueling practices must be followed.

The safest use of a generator is for powering only specific outlets needed. Do not connect a generator to your home's entire electrical service.

For additional questions consult a licensed electrician, your local fire department, or your community's building safety or engineering department.

While no unusual disruptions of natural gas, heating fuel or propane supplies are likely to occur as a result of Y2K, there are some simple, low cost steps families can take as precaution. Fill propane and oil tanks prior to January 2000. Keep chimneys cleaned and keep a week's supply of alternative fuel (wood) on hand. Do not use grills indoors. Check with local government officials, friends, neighbors and others to prepare a contingency site that you and your family can safely go to if necessary.

Keep in mind, elderly or disabled friends or neighbors who might live alone. Check on them to be sure they are prepared ahead of time. Or look in on them over the New Year's holiday to make sure they are safe and warm.

The Public Service Commission of Wisconsin predicts no interruptions in water service. Most water utilities are accustomed to handling weather-related interruptions and have backup generators to maintain operations in an emergency. Some smaller cities may be more likely to experience Y2K related problems.

Regular and emergency telephone systems are expected to be fully ready for the new year (although some overseas calls may not connect). The only real threat to the system is the possibility that large numbers of people will attempt

to test it on January 1. So that the system is not overloaded and emergency 911 lines are available, use your telephone only if necessary.

Next week watch for information on storing water and food for short-term emergencies.

## Kirst Attends Conference

Kewaskum WI: Robert Kirst of Kirst Builders attended a 4-day conference sponsored by the Energy Efficiency Building Association, Inc. This conference was held in Baltimore MD at the Omni Inner Harbor Hotel Conference Center. Over three hundred attended the event from all over the United States. Builders, scientists, environmentalists, biologists, building inspectors, government agency officials and others interested in indoor air quality attended.

The Energy Efficiency Building Association is a non-profit organization that promotes the awareness, education and development of energy efficient, environmentally responsible building and communities.

The energy crisis is here and has been with us for a long time. Builders have been tightening up homes to do away with the drafty, leaky, expensive way they were building homes. Although this is a very good thing but builders must go one giant step further. They must provide clean air for the occupants. The occupants might be in a chemically induced environment all day long, for example, a beautician, and comes home to a chemically polluted home.

Mold is the easiest contaminant to spot but no more than wiping it away with another strong chemical, the problem is not really solved. Quality indoor air is very important to prevent mold from forming. Mold will begin to grow with as little as 15% relative humidity. A sign of high relative humidity is moisture forming on the bottom of the window glass. Sources of

humidity are bathing, plants, pets, aquariums, damp basements, and number of occupants in the household. Humidity is easily controlled by running bath fans, kitchen range hoods, opening windows a crack and by use of mechanical means such as air to air exchangers and exhaust only systems. Exhaust only systems must have make up air somewhere in the home to prevent back drafting of heating appliances such as a gas water heater or furnace.

Respiratory illness has gone up 400% in the last 10 years. No one seems to be taking an issue with this condition. We take harsh cleaning chemicals for granted. We use poisonous pesticides and use them in the home. They are used and then stored in the home, usually under the kitchen sink so they are handy in case we need them in a hurry. These chemicals now have the seals broken and they are no longer sealed tight. This chemical is now mixing with other chemicals and who knows what is formed from the combination and we breathe it every moment we are at home. We have been buying bottled water for the last 5 years because we want to drink healthy water. Now it is time to breathe healthy air.

## Entertainment 2000 Books at Exodus House

Exodus House is once again selling the newest Entertainment 2000 Book. These books are valid from November 2, 1999 through November 1, 2000. They have the Milwaukee area books and the Green Bay/Appleton books available. The sale runs until January 8, 2000.

The Milwaukee books are \$35 each and the Green Bay/Appleton books are \$25 each. Spread the word. There are hundreds of two for one offers in this book and great savings on hotel rooms nationwide.

You can also order out-of-town editions for those upcoming vacations or college kids who are out of town, or maybe a hard to buy for relative who lives out of the area. Exodus House gets credit for the sale and, if you like, it can be shipped directly to the recipient.

If you need more information please contact Vicki or Frank at 626-4166 Monday through Friday from 9 a.m. to 5 p.m.

# 'Oklahoma' Was a Great Success

Sara Bauer styles Bethany Hermann's hair before a matinee performance of "Oklahoma" held at Kewaskum High School recently, as Rachel Brunner waits her turn.

Rechecking some last minute details before the Kewaskum High School musical production of "Oklahoma" are tech crew members Dan Kletti, left, and Scott Joers.

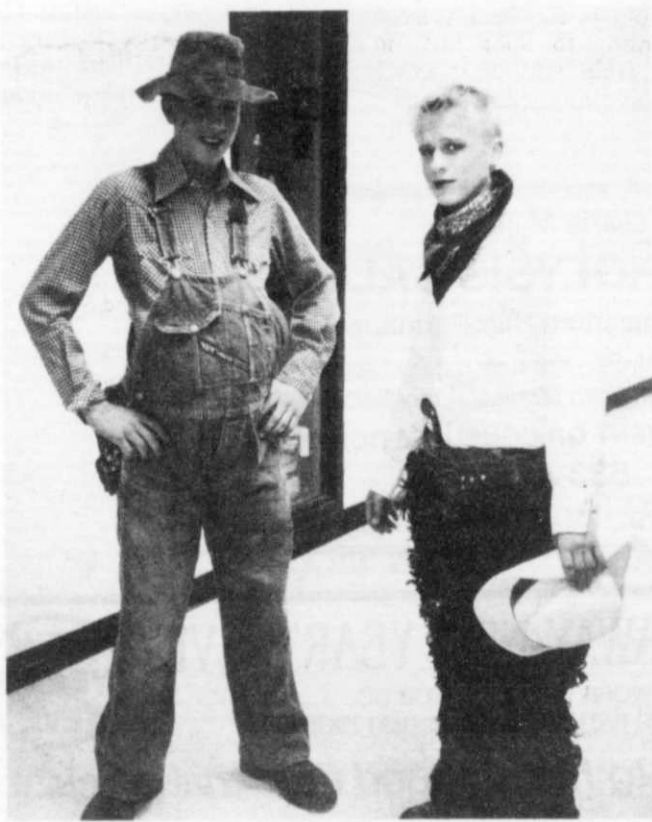

Emmy Foerster, right, and Justin Weninger look as though they stepped right out of the Sooner State before their performance in "Oklahoma."

Adriel Shulka and Josh Mueller operate the sound board for the Senior Citizens Performance of the popular KHS musical.

Experts put the number of pages currently on the World Wide Web at around 50 million.

Getting ready to saddle up for "Oklahoma" are Scott Herman, left, and Mitch Hawkinson.

# Up, Up and Into the New Millenium

Balloonist Gary Britton of Slinger brought his hot air balloon to Kewaskum Elementary as part of the school's theme for the year, "Soaring Into the Future." Here, he makes sure lines remain untangled as the red, orange, yellow and white balloon inflates.

Off to wherever the wind blows... gigantic helium-filled balloons sporting messages from each KES classroom are released with hopes that whoever finds them will send back a note.

## Letters To The Editor

Letter to the Editor:

Members of the GFWC Kewaskum Junior Woman's Club would like to thank everyone who attended our 17th Annual Art/Craft Show, "A Kettle Country Christmas," last Saturday.

A special thanks to the Kewaskum Middle School staff for all their assistance, the Kewaskum High School Booster Club, the Kewaskum Statesman and the many talented exhibitors who participated in our show.

Your continued loyal support of our events is very much appreciated. We look forward to hosting our 18th art/craft show on Saturday, November 18, 2000.

Kewaskum Juniors

\*\*\*\*\*

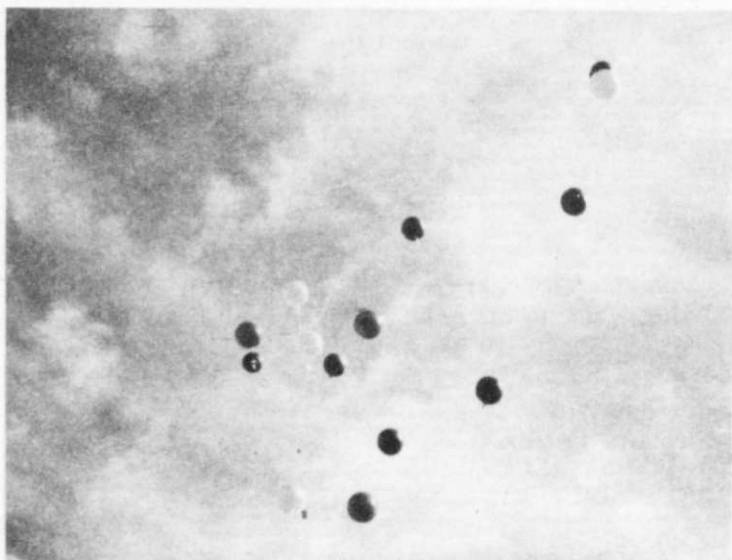

Dear Editor,

My name is Jessica Schulist. I am a 1997 graduate of Kewaskum High School. I am currently a Junior at Carroll College majoring in Art Education with a minor in Spanish. I have been accepted to study for two semesters at the University of Costa Rica in San Jose. I will be taking art and Spanish courses

(Continued on Page 19)

"I'm NOT indecisive! OK, maybe sometimes. No, Never!"

The huge, colorful balloons headed off to the south of KES, but according to folks in the know, upper currents may push them to the east and north.

## Pioneer Day Held at KES

During Pioneer Day in the Kewaskum Elementary School classrooms, students experienced a bit of pioneer life. Here, dressed in pioneer garb are, from left, Lindsay Turnmeyer, Brandon Martin, Anna Butler and Joshua Blawat.

School District Superintendent Wayne Graczyk sings with the second grade students a song about working on the railroad in the 1800's. Mr. Graczyk and the students had practiced together earlier in the week, before sharing it on Pioneer Day with visiting parents.

### Kewaskum School District Policy for Emergency School Closings

District Superintendent Wayne Graczyk has released for publication the 1999-2000 policy for school closings.

When school is closed it will be announced on the following radio and TV stations:

WBKV (1470 AM and 92.5 FM West Bend)  
KFIZ (107 FM and 1450 AM Fond du Lac)  
WHBL (1330 AM and 97.7 FM Sheboygan)  
WTMJ (620 AM Milwaukee)

Snow Desk 12  
TV6

News stations will only announce a closing. If they do not announce Kewaskum, it means our schools will be open. The announcement will be on the air as early as possible.

When school has opened but weather turns bad, it is recommended that parents listen to one of the above radio and/or TV stations for a possible school closing announcement. The district is extremely hesitant about closing school during the day. Every effort will be made to announce school closings during the day at least an hour before we dismiss the students.

It should be remembered that if school has been cancelled it means that all activities for that day and evening are cancelled as well. Also, parochial school students and special education students will not be transported when district schools close. If school is delayed by two hours, morning kindergarten and First Steps programs will automatically be cancelled.

## Obituaries

**BARBARA M. SCHMIDT**

Barbara M. Schmidt, age 54, of Kewaskum, beloved wife, mother, grandmother, sister and friend, died Tuesday, November 30, 1999, at St. Joseph's Community Hospital, West Bend.

She was born in Campbellsport on May 18, 1945, the daughter of Eugene and Dorothy Schultz Kaehne. She married Jerald Mielkie on September 12, 1970. She later married Joseph Schmidt on April 8, 1989.

She worked at Regal Ware in Kewaskum for 33 years, and was a member of their 25 Year Club. She was also a member of Holy Angels Catholic Church, West Bend.

Survivors include her husband, Joseph; her daughter, Judy (Jeff) Kittell of Campbellsport; three grandchildren, Jamie, Amanda and Miranda; four step-children, James Schmidt and Jerry Schmidt, both of West Bend, Sharlene Schmidt of Oshkosh and Sherry (Eric) Petersen of West Bend; a step-grandchild, Ashley Petersen; two brothers, Ronald (Phyllis) Kaehne and Joseph (Dixie) Kaehne, all of Campbellsport; two sisters, Mary Ann Wilke of Fond du Lac and Linda (Jerry) Beisbier of Campbellsport; special friends, Barbara Scheidenhelm, Joan and Pete Albers and Phyllis Faber, many other close friends, brothers-in-law and sisters-in-law, other relatives and neighbors.

She was preceded in death by her parents, a sister, Donna, and a brother, Kenneth.

A Mass of Christian Burial will be held on Friday, December 3, at 11 a.m. at Holy Angels Catholic Church, West Bend. Rev. Jerome Repenshek and Rev. M. Eugene Kinney will officiate and burial will follow in the parish cemetery.

Visitation will be on Thursday from 4 to 8 p.m. at the Twohig Funeral Home, Campbellsport, and on Friday, from 10 a.m.

until the time of service.

Memorials are appreciated to Holy Angels Catholic Church, West Bend, or St. Matthew's Catholic Church, Campbellsport.

### DONNA MAE ZIMA

Donna Mae Zima, age 64, of Kewaskum, passed away unexpectedly on Monday, November 29, 1999, at her residence.

She was born on October 2, 1935 in Manitowoc, the daughter of the late Louis and Martha (Sehloff) Kappelmann and on September 15, 1955 she was united in marriage to Richard A. Zima at Immanuel Evangelical Lutheran Church in Manitowoc.

She was a member of St. Lucas Evangelical Lutheran Church in Kewaskum, a former member of the Lakeshore Lutheran Chorale and was past president of the Ladies Guild of Manitowoc Lutheran High School. She was employed by Manitowoc Health Care Center for many years until 1988 and had made her home in Kewaskum for the past ten years. Her grandchildren were the love of her life.

Survivors include a son, Richard (Patti) Zima of Kewaskum; a daughter, Cheryl Zima of Neenah; her former husband, Richard, of West Bend; two sisters, Susan Dick of Manitowoc and Marie (Rev. Martin) Janke of Slinger; nine grandchildren, Donna Reinhart of Neenah, Melissa (Kevin) Polakowski of Appleton, Rebecca, Anna and Brandon Zima of Neenah, Joshua, Jeremy, Katelyn and Kelli Jo Zima of Kewaskum, other relatives and friends.

A brother, Robert Kappelmann, preceded her in death.

Funeral services will be held at 3 p.m. on Thursday, December 2, 1999 at St. Lucas Evangelical Lutheran Church in Kewaskum with Rev. Timothy Henning officiating. Cremation will follow.

Friends may call from 1 p.m. until the time of services at the church only on Thursday.

Memorials may be given to Kettle Moraine Lutheran High School or Fox Valley Lutheran High School.

The Miller Funeral Home in Kewaskum is serving the family.

### VIRGINIA F. SONNENBERG

Virginia F. Sonnenberg, formerly Roehrdanz (nee Serwe) of Kewaskum, died Thursday, November 25, 1999, at St. Joseph's Community Hospital, West Bend, at the age of 75.

She was born December 18, 1923, in Lomira, to the late Baltus and Helen (nee

(Continued on Page 12)

### XYZ CARD RESULTS

The winners at cards played at the Municipal Building on Wednesday, Nov. 24th were: SKAT: Fred Klein, 29-3--26 net.

SHEEPSHEAD: Syl Schmidt.

## THINK OF US AS PERSONAL TRAINERS (FOR YOUR HOUSE)

Before spending the time and money on your next home improvement project, make sure your house spends some time with a personal fitness trainer — a HouseWorks™ contractor. By using the simple, low-cost HouseWorks inspection, your house can be more comfortable, more energy efficient, and safer.

A HouseWorks contractor has been trained to treat your house as a whole system. They know how air flow downstairs affects comfort upstairs, how heating and cooling systems affect drafts, and where drafts are best stopped.

A thorough home inspection conducted by a HouseWorks contractor will benefit your house in these four main home improvement areas:

- heating & cooling projects
- remodeling: additions, renovations, general projects, and installing or adding insulation
- a general home efficiency check-up
- problems that are symptoms of poor air flow: high energy bills, drafts, hot and/or cold rooms, hard-to-heat areas, exterior ice build-up, fog or condensation on windows

The basic HouseWorks inspection includes: a blower door test to measure the amount and location of air leaking into or out of your home; an insulation test; a carbon monoxide test; a gas-fired equipment test; and a chimney draft test. Other energy-saving services are also available.

Ready to get fit? Call a HouseWorks contractor listed below. For more information call Wisconsin Energy Conservation Corporation at **888-543-8155**.

## NRT, Inc. Acquires WestGrove Realty, Coldwell Banker Spectrum Real Estate in West Bend

DES PLAINES, IL (November 16, 1999) - NRT Incorporated today announced the acquisition of WestGrove Realty, Inc. and Coldwell Banker Spectrum Real Estate residential real estate firms with a combined 31 sales associates and two offices in West Bend, Wisconsin. The acquired companies will operate under the Coldwell Banker Residential Brokerage name, with current management continuing to play an active role.

"NRT is creating a mosaic of real estate experts throughout the Midwest," said Doug Ayers, President, Coldwell Banker Residential Brokerage. "WestGrove Realty and Coldwell Banker Spectrum Real Estate are both leaders in West Bend. Coldwell Banker Residential Brokerage is fortunate to have them on board to draw upon the expertise and excellent reputation for customer service."

WestGrove Realty and Coldwell Banker Spectrum recorded a combined \$86 million in closed sales volume in 1998.

"Day-to-day management will continue to be directed by Pete Cowman, formerly the Managing Broker of WestGrove Realty, from West Bend," said Gretchen Peck, regional vice-president for Coldwell Banker Residential Brokerage. "This acquisition, however, will provide

us with new programs and resources, and the support we need to serve consumers as a West Bend area leader in residential real estate," stated Cowman. Don Kuechler, former president of WestGrove Realty and Sandy Evans, owner of Coldwell Banker Spectrum, will continue to be associated with the new firm, as will all of the sales agents from both West Bend companies.

With the acquisition of the West Bend companies, Coldwell Banker Residential Brokerage will operate 82 offices with over 4100 sales associates throughout the Milwaukee, Chicagoland, Northwest Indiana, and Southwest Michigan areas.

"The real estate industry is rapidly consolidating," said Peck. "Through acquisitions and growth, however, Coldwell Banker Residential Brokerage can provide even more programs and support for sales associates and serve customers as a marketplace leader in residential and commercial real estate."

Ayers cited the company's ability to provide its clients with a multitude of options in marketing their homes, many made possible due to the company's continued growth and success. "Coldwell Banker Residential Brokerage has to the clout and expertise needed to deliver outstanding support programs to our sales associates, from pre-

ferred alliances to advertising," said Ayers. "Our marketing systems, for example, provide access to more and better information, and allow our sales associates to more effectively partner home sellers and buyers."

Coldwell Banker Residential Brokerage is the #1 real estate services firm in the Midwest with 103 offices and over 5000 sales associates. NRT, Inc., the parent company of Coldwell Banker Residential Brokerage, is a leading owner of residential real estate brokerages in the United States with over 550 offices and more than 30,000 sales associates.

## Obituaries

(Continued from Page 9)

Moser) Serwe.

She entered the United States Navy and served during World War II and achieved the rank of Sk 2c. After her discharge she settled in West Bend and married William Roehrdanz on August 27, 1947, in Theresa.

They moved to Kewaskum in 1967 and he passed away on November 12, 1976.

Virginia was employed as a bookkeeper and also as a teacher's aide at Kewaskum Elementary School for about eight years.

On December 9, 1978, she married Lester Sonnenberg in Kewaskum, and he died on October 7, 1999.

Survivors include four children, Cheryl (Carl) Klemme of Kewaskum, Janet Riedel of Fond du Lac, Deb (Syl) Schoofs of Green Bay, and Lee Roehrdanz of Tigard, Oregon; two step-children, Nancy (Duane) Simon of West Bend and Barbara (Allen) Peters of Reedsville; a son-in-law, Gerald Haessley of Spooner; seven grandchildren; 15 step-grandchildren; two great-grandchildren; 23 step-great-grandchildren; three sisters, Helen (Franklin) Fischer of Mayville, Margaret (Clarence) Zahringer of Sherwood, Wisconsin, and Patricia (Leo) Stoffel of West Bend; other relatives and friends.

She was preceded in death by one grandson, Ed Koller Jr. and two sisters, Phyllis Guse and Eleanor Welak.

Funeral services were held on Monday, November 29, 1999, with a Mass of Christian Burial at 1 p.m. at Holy Trinity Catholic Church, Kewaskum, with Father Mark Jones as the presider.

Burial followed at Washington County Memorial Park. Visitation at the church only was held from 11 a.m. on Monday until the time of services.

The Schmidt Funeral Home, West Bend, served the family.

### MARY McCORMICK MILLER

Mary McCormick Miller of Sun City, Arizona, formerly of Kewaskum, died on November 24, 1999, in Anna, Illinois.

Mrs. Miller, a Wisconsin native, grew up in Wild Rose, Wisconsin, and graduated from Lawrence University, Appleton. She taught in the Senior High School in Viroqua, Wisconsin.

In 1937 she married Charles F. Miller and lived in Kewaskum until 1986 when she moved to Sun City, Arizona. She was a member of Faith Presbyterian Church of Sun City.

She is survived by a daughter, Carol Ann Ryman; a son-in-law, Richard Ryman, granddaughters,

Anne Cancolosi of Phoenix, Arizona, and Margaret Ryman of St. Louis, Missouri, and a sister, Joyce Kletzien of Brodhead, Wisconsin.

A private memorial service will be held in Milwaukee, Wisconsin on Saturday, December 4. Memorials may be sent to the Kewaskum Library.

### LEIGH V. POLLPETER

Leigh V. Pollpeter, nee Staszak, 44, of Slinger, died Thursday, Nov. 25, 1999, at her residence.

She was born Feb. 12, 1955, in Milwaukee to Leo and Louise (nee Vallari) Staszak, and raised in Germantown, graduating in 1973 from Germantown High School.

After her marriage to Todd S. Pollpeter on Aug. 24, 1974, at St. Mary's Catholic Church, Richfield, the couple lived in West Bend and later in the Slinger area.

She was an avid quilter for many years and a devoted wife, mother and grandmother.

Survivors include her husband; three children Steven (Jennifer) of Campbellsport, Andrew and Sarah Pollpeter, both of Slinger; a granddaughter, Gillian Rose Pollpeter of Campbellsport; her parents Leo Staszak and Louise Staszak, both of Necedah; her parents-in-law, Ron and Betty Pollpeter of Germantown; three brothers, Christopher (Jean Hansen) Staszak of Fort Collins, Colo., Lindsey Staszak of New Mexico and David (Patti) Staszak of St. Louis, Mo.; five sisters, Deidre (Dan) Wenzel of Ohio, Teresa (Zane) Ely of San Diego, Calif., Geri (Brian) David of Glenellen, Ill., Maria (Brian) McCarthy of Minneapolis, Minn. and Jennifer (Patrick) Joyce of London, England; nieces; nephews; other relatives and friends.

She was a member of Resurrection Catholic Parish of Allenton and the West Bend Quilters Club.

A Mass of Christian burial was held Monday, Nov. 29 at 11 a.m. at Resurrection Catholic Parish, Allenton. Fr. Richard C. Breitbach officiated and interment was in Sacred Heart Cemetery, Allenton.

Visitation at the Phillip Funeral Home, West Bend, was on Sunday, from 4 to 8 p.m. with a prayer vigil at 7:30 p.m. and Monday at the church only from 9 a.m. until the time of Mass.

Memorials to Breast Cancer Research are appreciated.

### CHARLES R. McCLAIN JR.

Charles Ray McClain Jr., 76, formerly of Kewaskum, died Wednesday, Nov. 24, 1999, at Bamberg Hospital, Bamberg, S.C.

He was born Feb. 22, 1923, in University City, Mo., to the late Charles R. Sr. and Sophia G. (nee Slisz) McClain, and served in the U.S. Army during World War II as a clerk typist.

On Oct. 16, 1951, he married Helen Faye Wright in Bentonville, Ark. They lived in Kansas City, Mo., where he worked as branch manager of the Gehl Farm Machinery Branch Office. In 1961 the couple moved to Kewaskum where he was the parts manager of Gehl Co. Corporate Headquarters in West Bend.

After 38 years at Gehl Co., he retired and they moved to Orangeburg, S.C.

Charles enjoyed golf, tennis and bowling, and was a member of Hon-E-Kor Country Club for many years.

Survivors include his wife; a son, Michael (Gladys) of Fort Mill, S.C.; two daughters, Patricia McClain of West Bend and Margie (Gary) Ciriacks of Campbellsport; two grandchildren, Michael D. McClain and Emily Ciriacks; his brother, Melvin of Orangeburg, S.C. and other relatives and friends.

Preceding him in death were an infant brother, Clifford, and a son, Charles W.

Visitation services was held Wednesday, Dec. 1, from 7 to 9 p.m. at the Twohig Funeral Home, Campbellsport. Burial will be Thursday in Union Cemetery, Campbellsport.

### MARVIN J. BONLENDER

Marvin J. Bonlender, 74, of Allenton, died Tuesday, Nov. 23, 1999, at St. Joseph's Community Hospital, West Bend.

He was born Jan. 13, 1925, in Nenno to the late Edgar and Anna (nee Schellinger) Bonlender.

Marvin enlisted in the U.S. Army where he served in the Pacific Theater during World War II.

After his marriage on Jan. 5, 1952, to Rosemary T. Wiedmeyer at St. Peter and Paul Catholic Church, Nenno, they moved to the West Bend area where they engaged in farming until settling in Allenton in 1968.

He then became employed as a carpenter.

Marvin enjoyed racing and many different types of spectator sports.

He was a member of the Fohl Martin Post 483

American Legion in Allenton, and Local 2283 Carpenters Union.

Survivors include his wife; seven children, Al (Barb), Sandy (Paul) Held and Lee (Judy), all of Slinger, Robin (Kim) of Kewaskum, Jane (Julian) Laufer of Slinger, Lynn (Doug) Riesop and Tom (Jeanne), both of West Bend; 16 grandchildren; a sister, Armina Wach of Waubeka; seven sisters-in-law, Gloria Bonlender of West Bend, Hilda Brodzeller of Slinger, Hilda Brodzeller of Slinger, Alice (Wilmer) Herman of Kewaskum, Bernice Wiedmeyer of Theresa, Theresa Hembel and Rita Wiesner, both of West Bend, and Millie (Norbert) Weiland of Campbellsport; a brother-in-law, Harold (Florence) Wiedmeyer of Theresa; other relatives and friends.

Preceding him in death were a grandson; a brother, Lester; and six brothers-in-law.

A Mass of Christian Burial was held Saturday, Nov. 27, at 10 a.m. at Resurrection Catholic Church, Allenton. Fr. Richard Breitbach was the presider, and burial followed in Sacred Heart Cemetery, Allenton.

Visitation at the Schmidt Funeral Home, West Bend, was on Friday after 4 p.m., with a prayer vigil at 7:30 p.m.

### EDWARD B. WENZLAFF

Edward B. Wenzlaff, of West Bend died Thursday, Nov. 25, 1999, at Froedtert Memorial Lutheran Hospital, Wauwatosa at 84.

He was born July 7, 1915, in Milwaukee to the late August and Christina (nee Boden) Wenzlaff and married Katherine A. Rohlinger on May 30, 1953 at Holy Angels Church.

He was employed at the West Bend Company for 40 years, retiring in 1978. During his spare time, Eddie made rosaries which

he donated to the Missions. He also was a driver for Meals on Wheels for many years, an usher at Holy Angels Church for more than 40 years, a member of Father Casper Rehl Council #1964 Knights of Columbus and a member of the 25-Year Club at the West Bend Company.

Survivors include his wife, one daughter, Mary Ann (Joseph P.) Lennartz of Allenton; four grandchildren, Joseph E., Katherine, Angela and Jason, two sisters, Lucille Scheerer and Leona Berndt, both of West Bend; three brothers, Syl (Margaret) of Campbellsport, Walter (Gladys) and Ralph (Rita), both of West Bend; other relatives and friends.

He was preceded in death by one sister and three brothers.

Funeral services were held on Monday at 10 a.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian Burial at 10:30 a.m. at Holy Angels Church with Father Jerry Repenshek as the presider. Burial followed at Holy Angels Cemetery. Visitation was from 3 p.m. until 8 p.m. Sunday and from 9 a.m. Monday until the time of services. There was a prayer vigil at 7:30 p.m. Sunday.

### MARIAN M. BANDY

Marian M. Bandy, nee Walters, 71, of West Bend, died Sunday, Nov. 14, 1999, at the Mayville Nursing and Rehabilitation Center, Mayville.

She was born May 2, 1928, in Athens, to the late Edgar and Ruth (nee Degner) Walters. Following her graduation from eighth grade, the family moved to Menomonee Falls.

She married John Bandy on April 16, 1953, in New Bern, N.C., and after his discharge they settled in West Bend.

She was employed at Amity Leather Products Co.

# Student Council Busy at KMS

# Obituaries

(Continued from Page 12)

Costume winners at the Kewaskum Middle School dance included, left to right: Old Man Carissa Fay; Elvis, Chad Peplinski; and Marvin the Martian, Shane Sunday.

Homeroom costume winners pose for a picture at the Middle School dance.

The winning "Frankenstein" pumpkin rests on a "gurney," awaiting an energy booster.

The student council of Kewaskum Middle School's first dance of the new school year was a huge success! More than 400 middle schoolers dressed up in all kinds of "wild" costumes and enjoyed dancing to the music of Audio Experience of Oshkosh.

Students could have their picture taken by two parent volunteers, Mrs. Thelen and Mrs. Waehler, in a spooky graveyard setting created by council member Nick Pankratz.

Homerooms decorated pumpkins to display at the dance. Mrs. Larson's seventh grade took first place with a lifelike "Frankenstein" pumpkin. He was all wired and ready to take off! Mrs. Uhlman and Mrs. Longdin's seventh grade homerooms took second and third place.

The biggest event was the costume contest. Who says Elvis isn't alive and well??? Chad Peplinski took first place dressed as a slim version of Elvis. Shane Sunday took second place as Marvin the Martian and Carissa Fay won third as an old man.

The student council hosted their annual Packer Pocket Change Wars during September and October. They raised more than \$150 for the MACC Fund and \$100 for the Milwaukee County Zoo for the Crown Parrot they support.

Kewaskum Middle School is also celebrating Red Ribbon Week by pledging to stay drug-free. Students are decorating feet and signing pledges to display on their lockers declaring they're "Too Cool to Do Drugs!" Students received bookmarks from the student council sharing many of the hazards of doing drugs.

Finally, the student council is also collecting coats to be given away in the county.

for seven years.

Marian was an excellent cook and baker, and also loved gardening and sewing. She was also a volunteer at the Samaritan Health Center for many years, was a member of St. Joseph's Community Hospital Auxiliary and a member and treasurer of the Hessener Verein in Germantown.

Survivors include her husband; four children, Jonathan Paul (Silvia) of Steffisburg, Switzerland, Steven (Laurie) of Amherst Junction, Karen (David) Wery of Fargo, N.D. and Debra (Steven) Jacoby of Peer, Belgium; seven grandchildren, Christian Frederick and Timothy Bandy, Laura Steven and Alicia Jacoby and Rachel Bandy; three sisters, Jean (Melvin) Mathiak, Betty (Tom) Wenzel, both of Menomonee Falls and Carol (Don) Sedgwick of Campbellsport; three brothers, Charles (Pat) of Bozeman, Mont., Calvin (Joyce) of Slinger and Allen (Carol) of Hamilton, Mont.; other relatives and friends.

Preceding her in death were a daughter, Barbara Jean and a sister, Grace Schleif.

Funeral services were held Tuesday, Nov. 30, at 2 p.m. at the Church of Jesus Christ of Latter Day Saints, West Bend, with Bishop Marc Willden officiating. Burial followed in Washington county Memorial Park, West Bend.

Visitation at the church only was on Tuesday from noon until the time of services.

Memorials may be given to the National Multiple Sclerosis Society or the American Diabetes Association.

The Schmidt Funeral Home, West Bend, served the family.

## CARD OF THANKS

The family of **RAYMOND J. HERRIGES** wishes to acknowledge with deep appreciation the many wonderful people whose acts of kindness, prayers and support assisted and strengthened us during the loss of our beloved brother, uncle, step-father, step-grandfather and step-great-grandfather.

A special thank you to Father Robert Artmann, donors of mass, memorial and floral tributes, the organist, St. Michael's choir, the Robert G. Romaine American Legion honor guard, pallbearers, those who prepared and served the food and Miller Funeral Home.

Your thoughtfulness will long be remembered.

**The Family of Raymond J. Herriges**

## IN MEMORY

In memory of **DICK SCHUPPEL**, who passed away Dec. 3, 1994:

It has been five years since we last saw you smile, heard your laugh, and felt your hugs.

There are no words to express our sadness.

Instead we smile when we think of all the things you gave us.

So many great memories! Keep watching over us! We all love you so much!

*Sadly missed by, Debbie, Katie and Alec and family.*

A young man gave his fiancé a bouquet of flowers. With enthusiasm she hugged and kissed him. He at once ran for the door.

"I hope I didn't offend you," she cried. "Oh no," he answered. "I'm going for more flowers."

The Lord has given you one good gift after another, and what He gives you is always the best for you.

The Lord makes no charge for His gifts. He places no price on His blessings. He loves you and fills to the full all your needs.

Have you ever thanked Him? It's good to say it, but it's better to show it.

Give thanks to the Lord part of the time and live thanks the rest of the time, won't you?

**Village Board Meeting Minutes**

**Village of Kewaskum Mid-Monthly Meeting November 15, 1999 8:00 p.m.**

The Village Board of Kewaskum, Washington County, Wisconsin, met in Regular Session in the Council Room of the Municipal Building, 204 First Street.

President Robert Wagner presided. Trustee Warren Dums asked to be excused and was absent all other Trustee Members were present. A quorum was present. The meeting was opened with a Moment of Silence and Pledge of Allegiance.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Andy Pesch and unanimously carried by voice vote, the minutes of the November 1, 1999 meeting were approved as printed.

Fire Chief Mark Groeschel presented the October 1999 report:

Fire calls- 4, Year to date 28  
Jaws calls- 1, Year to date 17  
Rescue calls- 36, Miles 597

The Board was informed that a payment will be made on the chassis for the new fire truck to receive a discount with another payment made December 1, 1999 to receive an additional discount. The total estimated discount would equal \$5,605.00. When the truck is completed a 20% balance will be owed.

Chief of Police Richard L. Knoebel presented the September monthly report: Criminal arrests 38, Criminal investigations 49, Traffic warnings 151, Traffic citations 31, Adult arrests 25, Juvenile arrests 18, Property stolen \$305, Property recovered \$-0-

Parking warnings 2, Parking tags 46  
Director of Public Works, Jerry Gilles reported that a water main break had occurred on Main Street. The leave collection process is still going on as long as leaves are placed at the curb. It was noted the village has received a call regarding a Box Elder bug problem because of the warm weather. The matter was discussed with the DNR and at this time the situation is being monitored.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Harry Roecker and unanimously carried by voice vote the Board approved the applications for Operators Licenses and authorized the issuance upon proper payment of fees and documentation for the following:

Gumz, Robin A. West Bend, WI  
Irl, Vicki L. West Bend, WI  
McCloud, Jamie M. West Bend, WI

The Police Department had no objection to the applicants.

Administrator Daniel S. Schmidt reviewed the following with the Board.

1) Review of League and Taxpayer bulletins.

2) Review of the building permits for the month of October 1999.

3) Review of the budget control sheet for period ending October 30, 1999.

4) Update of the AB 453 and upcoming public hearing.

5) Review of correspondence.

Chairman of the Protection and Public Safety Committee Trustee Harry Roecker brought up three request for discussion as follows:

1) Request of the School District to abandon a portion of School Street pros and cons. The Board will review the request and it will be placed on a future agenda.

2) Request for the placement of stop signs on Edgewood Road at the intersection of Brooklane Drive and south end of the boulevard. On a motion by Trustee Andrew Kuehl, seconded by Trustee John Kenworthy and unanimously carried by voice vote, authorized the placement of the four way stop sign arrangement at the intersection of Edgewood Road and Brooklane Drive as well as one sign at the end of the boulevard for the northbound lane

3) Request for parking restrictions on Main Street at the intersection of Parkview Drive. This matter will also

be checked into and brought back to the Board.

Library Director Shellie Anderson and Library Chairman Frank Beesten were present. Trustee John Kenworthy brought up for discussion the T1 Line and indicated further discussion.

Trustee Robert Stoltzmann, the Mid-Moraine Municipal Association Representative, reported that the next meeting would be in January of 2000.

On a motion by Trustee Robert Stoltzmann, seconded by Trustee Harry Roecker and unanimously carried by voice vote, the Board authorized the signing of the 2000 Fire Service Contract for the town of Auburn.

Administrator Daniel Schmidt reported on a couple of minor adjustments on the 2000 budget that will be heard at public hearing on November 22, 1999 at 7:00 p.m.

Action was taken on Resolution No. 99-40 a Resolution to Provide For Funding The Purchase of 1308 Fond du Lac Avenue as attached hereto:

The proposed Water Department budget reflects an increase of \$2,726 or .9%.

On a motion by Trustee Robert Stoltzmann seconded by Trustee Harry Roecker and carried by the majority roll call vote, to adjourn to closed session under chapter

19.85(1)(c) of the statutes to discuss employee performance data and evaluation for Village Employees over which the governmental body has jurisdiction.. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent."

**WINTER PARKING**

The Winter Parking Restrictions and Snow Emergency Parking Restrictions go into effect at mid-night (12:00 a.m.) on December 1, 1999.

Municipal Code Section 7.04(3) Night Parking Restrictions, reads as follows: Signs have been erected at or reasonably near the corporate limits as provided in Section 349.13, Wisconsin Statutes, no person excepting physicians or licensed emergency vehicles on emergency calls, shall park or stop any vehicle on any public street or highway within the village between the hours of 2:00 A.M. and 6:00 A.M. from December 1, to April 1, of each year; provided that, notwithstanding such restrictions vehicles may be parked a period of time not longer than 3 minutes for actually loading or unloading of passengers, and provided further that no other regulation restricting parking as to place, time, or manner violated thereby.

**The fine for violating the ordinance is:**

\$5.00 if paid within three (3) days of the issuance of the parking citation.

\$10.00 of paid after ten (10) days but before 28 days.

After 28 days, the amount is \$25.00 and a notice will be sent to the Motor Vehicle Department to suspend any and all vehicle registrations held by the owner and refuse renewals of the same until the citation is satisfied.

An important fact is the owner of the vehicle is responsible for the payment of the citation whether or not he or she was the operator.

Municipal Code Section 7.04 (4) Removal of Illegally Parked Vehicles. This section covers the issuance of citations to and possible removal of such vehicles in violation of this ordinance. In addition to other penalties provided by Section 7.04(6) of this code, the owner or operator of a vehicle so removed shall pay the cost of the towing and storage.

**Kewaskum Police Department**

**GOTTA' Thin the Herd**  
by Ami

No doubt about it. Like our fields being over-run with wild geese...those pesky deer kill our young trees during their "rutting" season...scrapping their horns on the tender tree trunks. They chew away at our white Cedar youngsters and devour our precious wild flowers. Not even mentioning the havoc they cause in our backyard gardens. Plus the death-dealing accidents on our highways and byways! And don't forget that they are the greatest carriers of the sickness-bestowing TICKS.

Indeed, it is important that our hunters "thin down their ever growing herds."

However, I have to admit each time I happen upon one of these graceful creatures my heart skips a beat. Somehow or other their beauty of movement surpasses even our most talented dancers. And who hasn't been fascinated when one strikes a statue like pose as it shyly looks us over from heat to foot before galloping away?

Even though we are warned about the ever increasing human population on this old earth of ours...that number has been reaching proportions threatening our health-providing food supply. And we are informed of the many, including little children, who go to bed hungry. And the rich get richer...the poor, poorer. In our concern for the environment, we learn of human ignorance which has been desecrating our waters, forests, fields and air. Wars still are the result of greed...murder and theft still are spawned by the human animal...Peaceful co-existence but a dreamer's pipe-dream!

Perhaps, like the ever-growing deer population we should take a better look ALL ABOUT US. Actually who and what needs "thinking?" Education. Awakening to that which REALLY COUNTS in life. Like the bald Eagle now saved from extinction...Our thanks to those who really care to help bring fairness and understanding into our next gift of another century.

**Campus Notes**

UW-River Falls opened its 125th school year this fall with a record enrollment.

A total of 5,674 students are enrolled in undergraduate and graduate programs. That's 51 more students than last year's previous record enrollment.

This year's freshman class of 1,108 students is again one of the brightest in the institution's history, noted Admissions Director Alan Tuchtenhagen. Incoming freshmen have an average ACT test score that is higher than the state and national averages, near 23 points, and 17.6 percent are ranked in the top 10% of

their high school classes.

"We are continuing our trend of one of the best freshman class profiles in the UW-System," Tuchtenhagen said.

Three factors play a significant part in students choosing to enroll at UW-RF, according to Tuchtenhagen. These include the location of the campus within the Twin Cities metropolitan area of Minneapolis-St. Paul, the 19-1 faculty-to-student ratio and the variety of strong academic programs.

The breakout of the student population this fall includes: freshmen, 1,108; continuing freshmen, 421; sophomores, 1,219; juniors, 1,069; seniors, 1,384; graduate students, 327, and spe-

cial students (enrolled for at least one class), 146.

The following students from this area are attending UW-RF this fall:

**KEWASKUM** - Sharon McWilliams, Jody Schmidt, Kelly Schreffler, Jennifer Straub, and Melissa Thull.

**CAMPBELLSPORT** - Rick Schill and Elizabeth Wagner.

**FREDONIA** - Megan Heilgendorf and Renee Villers.

**WEST BEND** - Cory and Craig Gabor.

THE KEWASKUM STATESMAN

## Foremost Farms Honors Area Quality Milk Producers

Area dairy farmers were recently honored by Foremost Farms USA for producing quality milk during the calendar year 1998.

Every award recipient was a member of the cooperative the entire quality award period. They received quality premiums on all milk shipped, and maintained an average somatic cell count (SCC) of 250,000 or less. The milk tested negative for antibiotics and added water and the standard plate count (SPC) was 25,000 or below. The cooperative presented two levels of achievement for quality milk production to local producer-owners throughout Illinois, Indiana, Iowa, Michigan, Minnesota and Wisconsin.

"Superior Quality" awards were presented to 79 producers whose milk averaged below 100,000 SCC. "Excellent Quality" awards were presented to 1,356 producers whose milk averaged between 101,000 and

250,000 SCC.

"Quality milk serves as our foundation for producing, marketing and delivering milk and finished dairy products which consistently meet the needs and expectations of our customers," says Dave Myers, Foremost Farms director of procurement. "For us, quality means meeting, and then going beyond, acceptable standards. Foremost Farms' commitment to quality from farm to final product helps build long-term relationships of trust and loyalty with our customers, and it helps build future economic returns for members."

The following area producers were honored by Foremost Farms USA for excellent quality milk production at the cooperative's annual district meetings in September: Byron and Sharon Gessner of Kewaskum, and Edward and Harvey Klumb of West Bend.

## Hunters Registered 184,339 Deer on Opening Weekend

MADISON -- Hunters registered 184,339 deer on opening weekend of the nine-day gun deer hunt according to preliminary reports from registration stations across the state. This compares to the 1998 opening weekend total of 169,647.

"We're on pace for reaching our target of harvesting 400,000 animals," said Bill Mytton, deer and bear ecologist for the Department of Natural Resources. Most of all we're happy that it was a relatively safe opening weekend and that hunters appeared to be enjoying themselves. Just how close we get to our goal depends a lot on if hunters went back out during the week and took an antlerless deer."

Warm temperatures across most of the state persuaded many hunters to sit on stands rather than actively drive deer, reducing deer movement. Lack of snow made it difficult to pick out deer in forested or brushy habitats, said DNR wildlife staff in the field.

"Opening weekend is the most important part of the gun season and has a great effect on the season's success," said Mytton. "Opening weekend numbers were up over last year but probably might have been higher if it had been a little cooler. We may have gotten too much of a good thing with the warm temperatures."

As of Tuesday morning, preliminary reports had been filed on 13 shooting related hunting accidents, according to Department of Natural Resources' law enforcement officials; none were fatal.

"While any accident is something we'd rather not see, we're thankful there were no fatal gun accidents (on opening weekend)," said hunter safety education administrator Tim Lawhern. "Traditionally, most deer hunting accidents happen on opening weekend so we appear to be through the worst of it."

Fire control officials breathed a sigh of relief following what could have been a very busy weekend. Droughty conditions necessitated a burning ban in many areas of the state and with over 600,000 hunters in the field the potential was there for large or multiple fires.

"I really want to thank hunters and the public for paying attention to the alerts we published," said Tom Roberts, DNR chief of forest protection. "We had a 300 acre marsh fire on Friday night that threatened 16 buildings but a great effort by local fire departments saved all the structures."

The early count showed totals were up in the northern, northeast and west-central regions and down slightly in the southeast and south. The small

## Leave Your Mark at New County Fair Park

Friends of the Washington County Fair have an opportunity to "leave their mark" at the new Washington County Fair Park. Bricks and pavers can still be purchased. The bricks or pavers provide an excellent way to recognize an individual, perhaps for a wedding present, memorial, retirement gift, birthday, Christmas gift, wedding anniversary or family reunion or just a way to leave your name or family name in print at the new Fair Park.

An investment of as little as \$25 will place your name on a plaque and for a gift of \$50 a 4x8 personalized brick can be purchased. Eight by eight brick pavers are also available for \$200; sixteen by sixteen pavers for \$500 and a 20x20 super paver for \$1,000. In addition to the bricks, donors may also purchase flowering trees for \$1,000, shade trees for \$2,000, park benches for \$2,500 and waste receptacles for \$600.

The Washington County 4-H members and leaders are in charge of this project and all profits from the project will be used for the 4-H wing in the Fair Pavilion.

Over 1000 bricks have been sold and are in place just outside the Fair Park Pavilion and the Main Entrance. This attractive plaza offers donors a variety of commemorative elements that will provide space for memorials, special messages, family names and business logos. The large plaque with donor's names is located in the rotunda area of the Fair Pavilion.

Individuals wishing to purchase bricks can do so by calling Sandy Lang at the Fair Park Office at 677-5060 or stopping at the Pavilion Building, located at 3000 Hwy. PV in West Bend and filling out an order form. Bricks will be installed twice a year, once in the Fall and once in the Spring. Orders placed by April 1 will be installed prior to the 2000 County Fair.

The lantern fish creates its own light as it swims about the dark depths of the ocean.

## Letters To The Editor

(Continued from Page 8)

while I am there.

Before I begin my schooling at the University, I will be enrolled in an intensive language study to increase my reading and writing skills to a college level. I am very excited to have the opportunity to experience another culture and be enriched by speaking a second language.

During my stay in Costa Rica, I will be sending letters to be published in the Statesman to update the community on the things I will be learning. I will be residing with a family living near the university. There will be additional costs for books, art supplies, and food. During my stay, I will not be able to work for legal reasons. Any financial assistance available would be greatly appreciated.

Sincerely,  
 Jessica Schulist  
 1234 Meadow Lane  
 Kewaskum, WI 53040

\*\*\*\*\*

Dear Editor,

Last summer homeowners in the Farmington area had their property reassessed by the Peter's Reassessment Service. After the assessment we received a letter informing us of the new assessments and an estimate of the new tax rates. This information was to be used for the purpose of questioning the assessor at meetings set by the town board.

Yesterday I received a letter from the assessor informing me that they erred on the estimated

tax rate and that they would be slightly higher than previously estimated. The letter also indicated that the town board, town clerk and town treasurer were unaware of the error.

A slight increase in the tax rate on our property might not mean much to the assessor, who, by the way, is not a resident of this area, but it could mean a difference of hundreds of dollars in our property taxes. As for the town clerk not knowing about any error; I called her right after receiving the new estimated rates and informed her that my taxes would go down considerably with the new estimated rates and after checking with her computer, she verified this. Therefore the entire town board should have been made aware of this error.

I would like to call on our state representatives for this area (Panzer and Grothman) to investigate this matter and that this whole procedure be delayed until the taxpayers get the correct information before they question the results. I for one, would have gone to some of these assessment meetings if I had thought my taxes would increase drastically.

Property owners of the Town of Farmington should call on their state representatives and demand that they be given the correct information before being given the opportunity to question the results of this reassessment and that it be voided until we get the correct information.

Thank you,

Lloyd A. Koch

## JV Team Defeats Slinger, 44-39 in Season BB Opener

The Kewaskum High School junior varsity boys basketball team took to the court for their season-opener as they hosted the Slinger Owls on Wednesday, November 24, on the new basketball floor in the KHS fieldhouse.

The Indians played well enough to win against a quick Slinger team, getting many quality minutes from all nine members of the squad. The visiting Owls jumped out to a quick 11-7 lead in the first quarter as the Indians struggled to get their offense in gear and the defense had trouble with Slinger's screens.

The second quarter belonged to Kewaskum as they outscored their opponent 14-7 in the period in taking a 21-18 lead into the locker room at halftime. Slinger's Nick Stenberg had ten of his team's 18 first half points.

The green and gold continued to dominate in the third quarter opening up a seven point lead, 34-27.

Kewaskum then fought through a scare by the Owls in the final frame. Slinger battled back into the ball game but the Indians made four of seven free throw

opportunities in the fourth quarter to finish the game out with a 44-39 victory. The KHS defense clamped down on Stenberg as he finished the game with 12 points.

Tony Fitts led all scorers with 16 points on five field goals, a three point goal, and three of seven free throw shooting. Fitts also took rebounding honors, grabbing five caroms. Fitts shared defensive honors with Nathan Fechter as each recorded three steals and Fechter tallied five blocked shots. Point guard Chris Canter dished out four assists on the night as well.

The KHS JV boys record is 1-0 overall and 0-0 in the Eastern Wisconsin Conference.

### SCORE BY QUARTER

	1Q	2Q	3Q	F
Kew	7	21	34	44
Opp	11	18	27	39

**Statistical Leaders:** Scoring - Tony Fitts - 16 (5/8, 1/1, 3/7); Rebounding - Tony Fitts (5); Steals - Tony Fitts and Nathan Fechter (3); Blocked shots: Nathan Fechter (5); Assists - Chris Canter (4).

## Village Board Meeting Monday

Public notice is hereby given that the next meeting of the Village of Kewaskum, Wisconsin Village Board is scheduled for Monday, December 6, 1999, at 8:00 p.m. in the Municipal Building, 204 First Street.

The agendas for the meeting are prepared as of Wednesday noon preceding the meeting and are available at the office of the clerk at the Municipal Building on Thursday preceding the meeting.

Copies of the agenda are also posted in the lobby of the Kewaskum Post Office and lobby of St. Francis Bank.

## Life on the Edge Of the Ice Age

The next program in the Evening with Nature Series at the Northern Kettle Moraine State Forest is, "Life on the Edge of the Ice Age." The program will be held on Thursday, December 9, from 7 to 8:30 p.m. at the Henry S. Reuss Ice Age Visitor Center.

The Ice Age Visitor Center is located off of Highway 67, 1/2 mile west of Dundee. The program is free, but donations are always gratefully accepted. The Drumlin Protection Alliance is co-sponsoring this evening's presentation.

Take a step back in time to the ancient Ice Age with David Overstreet, President of the Great Lakes Archeological Research Center. Dr. Overstreet will share his explorations of an ancient Ice Age culture and how the remnants of their existence are now helping to rewrite the history book on early North American settlement. Discover how new evidence is questioning old theories of human habitation of North America including traditional beliefs of who were the earliest settlers and even how they arrived.

Dr. Overstreet is currently researching a woolly mammoth dig and paleo-Indian artifacts that indicate a remarkable 10,000 year old "butchering" site right here in Wisconsin. From his research, he has uncovered many of the mysteries of the Ice Age and learned how humans survived during the time of the glaciers. Join in as they take a peek into this Pleistocene scene to gain an appreciation of what life was really like on the edge of the Ice Age.

For further information or directions to the Ice Age Visitor Center, please contact Jackie S. Scharfenberg, Forest Naturalist. She may be reached at (920) 533-8322, Monday through Friday, 8 a.m. to 4 p.m.

### CITRUS SLAW

- 1/4 cup fat free mayonnaise
- 3 tablespoons frozen orange juice concentrate, thawed
- 1 tablespoon rice vinegar
- 1/2 teaspoons salt
- 1/4 teaspoon pepper
- 4 cups shredded napa cabbage
- 2 oranges, peeled and segmented
- 1 red apple, halved, cored and diced
- 1 cup pitted prunes, quartered
- 1/2 cup sliced celery
- 1/4 cup sliced green onions

In large bowl, whisk mayonnaise, juice concentrate, vinegar, salt and pepper. Add remaining ingredients. Toss thoroughly. Cover and refrigerate at least 1 hour to blend flavors. Toss before serving. Makes about 6 cups (six 1-cup servings).

### TOWN OF FARMINGTON MONTHLY TOWN MEETING

The Town Board of the Town of Farmington will hold their regular monthly meeting on Tuesday, Dec. 7, 1999, at 8 p.m. in the Town Hall, 9422 Hwy. 144, Kewaskum.
