Monica Lepak Sworn In As Kewaskum Postmaster

Shown above, left to right: Acting Manager of Postal Operations Gladys M. Jolla begins the swearing in ceremony for Monica Lepak as Postmaster of the Kewaskum Post Office last Tuesday. Also on hand for the ceremony was daughter, Melissa, husband Al, and daughter Jaime. Another daughter, Colleen, was missing from the photo.

By Laurie Ottery
 Staff Writer/Photographer

On Tuesday, Jan. 11, Acting Manager of Post Office Operations, Gladys M. Jolla, inducted Monica Lepak as Postmaster of the Kewaskum Post Office.

"I started working for the post office in Horicon as a part-time flexible clerk over 17 years ago," said Monica. "I lived there with my husband, Al, and my job was as a carrier delivering mail on foot and doing some clerk work as

well." The part-time job made it possible for her to apply for other jobs in the post office when they became available. "I was able to learn a job while I actually worked it," she said. "One of the positions I had applied for was as Acting Postmaster. That position is temporary and becomes available when someone retires or a vacancy is created. I have been Acting Postmaster four times."

In 1992 Monica was promoted to Postmaster in Oostburg. It is a community of about

2000 people. The post office there had three and a half routes and seven employees.

"Promotions in the post office are based on merit, things like work performance," said Monica. "As you move up there are more responsibilities and challenges."

The Postmaster position at the Kewaskum Post Office is yet another promotion. There are five routes and twelve employees.

"I really like it here in Kewaskum," said Monica. "I have a good crew who work

well together and we have fun. It is nice to be closer to home and I look forward to the new challenges of the position."

Coincidentally Monica was born while her parents, Matt and Mary Heltemes, lived in Kewaskum. She grew up in West Bend and moved back there in 1991. At that time she worked as a clerk in the West Bend Post Office. Monica and Al are typical of families today, busy. They have three daughters, Melissa, Colleen and Jamie and are members of St. Mary's Church in West Bend.

"I enjoy spending my free time with family, friends and playing volleyball," she said. "Our oldest daughter has special needs, so our family gets involved in many Special Olympic events together. The girls are active in extra curricular activities like band, forensics, volleyball and basketball."

Monica brings extensive experience to the position as Postmaster. She is excited to be here in Kewaskum. Her family values and dedication to her job have prepared her for the challenges along the way. Residents may even be surprised when the weather warms and the Postmaster arrives at work on her 1997 Harley Sportster.

Sabish Becomes First Traffic Fatality of 2000

By Andrew R. Kuehl
 Staff Writer/Photographer

TOWN OF ASHFORD- A 26 year old Campbellsport man tragically lost his life as a result of a one-car motor vehicle accident around 5:40 pm Saturday evening.

Jeffrey Sabish, traveling on Drumlin Drive, north of STH 67, allegedly left the roadway and struck a utility pole with his vehicle.

A complete obituary can be found on page 12.

Sorry, Erin...

In the press release issued last week about the conservation award winners, one name was inadvertently omitted. David and Mary Beck have another daughter, Erin, 14, who also assists on the farm along with her sisters Bridget, 16, and Lisa, 13, and brother, Kevin, 9, who were named in the article.

Kewaskum Mother Needs Community's Support

Lisa Bronkhorst of Kewaskum is 32 years old and the single mother of two little girls, Ashley, age 10, and Amy, age 8. The girls are students at St. Lucas School in Kewaskum.

Lisa had been working hard to support her children, send them to St. Lucas School, and was attending school herself, working on a nursing degree.

Now, she is a patient at Froedtert Hospital in Milwaukee, in serious condition, awaiting a liver transplant. The doctors are still investigating why her liver shut down. When her liver shut down, her kidneys also shut down. Lisa is at the top of the list for a liver transplant.

Sandra Bronkhorst, the children's grandmother, is now caring for Ashley and Amy.

Two accounts have been opened for donations for Lisa and her family. One account is located at West Bend Savings Bank and you are invited to make any

donations at the bank under the name "Donations for Lisa."

The second account is located at St. Francis Bank and you are invited to make donations at that bank under the name, "Sandra Bronkhorst - Donation Account."

Please area residents... let's all pitch in and show the Bronkhorsts that Kewaskum cares and wants to offer assistance to the people in our community who need our help. Stop in one of the community banks and make a donation, or get together with your family and neighbors to consider a fund-raiser.

We all know Kewaskum is the best community in the state to raise a family. Now it's time to show others how we sincerely believe in taking care of those who need us.

More information will be printed in a future edition soon on Lisa and her family, but meanwhile, don't turn your back on their distress.

Area Civil Air Patrol Members Assist in Missing Aircraft Location

IRON MOUNTAIN, MI -- Members of the 461st Wisconsin Composite Squadron, Civil Air Patrol, assisted in the location of a missing aircraft Saturday afternoon. Capt. Terry Carr of Mayville, and Second Lt. Tedd Agnello of Kewaskum, operated Wisconsin Wing's Mobile Command Center, providing communications support to Aircrews and Ground teams searching the area.

Approximately 3:38 a.m. local time, Thursday, the pilot was cleared to descend for landing and reported moderate icing conditions

with no problems. At 10:30 a.m. local time, the Air Force Rescue Coordination Center notified CAP of a missing twin-engine Beechcraft returning from Huntsville, Alabama, to Iron Mountain, Michigan, on an IFR flight plan.

CAP ground crews confirmed a US Coast Guard sighting of the aircraft eight miles south of the Airport at 12:30 p.m. Saturday. The pilot, Mike Wolf, of the Iron Mountain area, did not survive the crash.

Other agencies involved in search efforts included

the Wisconsin County Sheriff's Departments of Florence and Marinette, The Dickinson, Michigan Sheriff's Department, Wisconsin and Michigan State Police, The United States Coast Guard and The American Red Cross.

Civil Air Patrol is the Official Auxiliary to the United States Air Force. A volunteer, non-profit organization, CAP flies more than 85% of land search and rescue missions as directed by the Air Force Rescue Coordination Center at Langley AFB, Virginia.

School Board Appoints CD Smith as Contractor for Building Projects

By Andrew R. Kuehl
Staff Writer/Photographer

The Kewaskum School Board met Monday evening, December 13 and verbally accepted CD Smith as the General Contractor for the building projects approved in the November referendum. The project will cost taxpayers \$11.7 million.

CD Smith will be working with architects from Bray Associates from Sheboygan for work on KES. Cravillion Architecture Inc., Wautoma will complete work at WES and FES.

Drawings for the buildings will be featured in upcoming issues in the Statesman.

Superintendent, Wayne Graczyk gave updates on plans for the schools.

"At Wayne the original plan called for expansion of the old gym to the west and expansion to the north for a new library. The architect has suggested that we convert the existing gym into two large rooms, one for Art/Music and the southern half for cafeteria and large group instruction. Then we would construct a new gym, two unfinished classrooms, and a computer lab off the north wall. This would increase square footage from the proposed 5700 sq. feet to about 7700 sq. feet but at the a cost equal to what was proposed. Also, the KES site was suggested to be changed from the southeast corner of our space behind our administration building to the northeast corner. This met with opposition from both myself and Mr. Kriewaldt but I wanted the idea at least spoken to in a public meeting."

The board took no action on either matter since it was under "reports" and not new business.

"I really believe the WES changes make sense and are economically and educationally sound. The KES suggestion I am opposed to because of the traffic pattern that evolve. We proposed the southeast corner as the best site so we could alleviate traffic congestion and increase safety before and after school." Graczyk concluded.

Treasurer, Jon Downs made a motion to approve accounts payable/payroll expenditures in the amount of \$1,190,834.16.

The athletic report was received for fall sports.

The girls golf team finished second in the little ten.

The football team finished the season with a record of six wins four losses. The soccer had an improved season, their record, six wins and 14 losses, four and four in the conference. The girls tennis finished zero wins and 12 losses. The girls volley team went undefeated this season. In boys and girls cross-country the girls finished second in the first Indian Invite. The boys team was very young and has a promising future.

A change in the curriculum for English course offerings was discussed. The board approved the dropping of hon-

ors English for grade 9, starting the honors program in the 10th grade. The criteria for getting into the classes would be a minimum of A- received in a regular English class or to move on to another honors class in English, they would need to receive a minimum of a B in their previous honors English class.

A resolution was approved awarding the sale of \$7,175,000 in bond anticipation notes to Bank One Wisconsin at a rate of 4.75%. The monies will be used for the elementary school building projects.

The board approved a contract for Beth Gruber, Campbellsport, as a long term substitute teacher. Gruber replaces Nikki Airaudi. Susan Schjoth, Nokomis, FL., was hired as a replacement for Candi Block. Schjoth is an educational interpreter. Susan Backlund, speech language pathologist, Oshkosh, will be replacing T. Hennes who is on

maternity leave

The following extracurricular appointments were made: Robert Gonwa, KHS Chess Club advisor; Ellen Kuphal, asst. girls basketball coach; Kevin Darmody, asst. boys basketball coach;

The U.S. officially recognized Jan. 20 as Martin Luther King Day for the first time in 1986.

Girl Scout Cookie Sale Kicks Off Thursday

On Thursday, January 13, local Girl Scouts of Manitou Council will kick-off one of America's most popular and eagerly-anticipated events of the year: the annual Girl Scout cookie sale.

Soon local Girl Scouts will descend en masse on neighborhood streets, grocery stores, shopping malls, and on the telephone to sell America's favorite cookies. Customers can choose from eight traditional favorites including Samoas, Tagalongs, Do-si-dos, Striped Chocolate Chip, Trefoils, Low-Fat Appie Cinnamon, Lemon Drops and of course, the nation's favorite Girl Scout cookie, the Thin Mint, all sell for \$2.50 per package.

Proceeds from the cookie sale will directly benefit local Girl Scouts, enabling them to participate in the Girl Scout program, helping them grow into strong, con-

fident, capable young women.

Girl Scouts benefit from the cookie sale by learning to set goals, taking responsibility for delivering a product, practicing money management and following through on a commitment. Contact Lois at 626-4555 if no Girl Scout came to your door.

Tips for staying cool, calm and collected while combating the damage caused by stress:

- Make more time for yourself by scheduling fewer activities.
- Take warm bubble baths
- Sign up for a yoga class
- Spend time with people whose company you enjoy
- Stop periodically to breathe deeply
- Use aromatherapy concoctions to help alleviate stress

County Concerto Auditions Feb. 5

It has been announced that the Washington County Concerto Auditions sponsored by the Moraine Area Private Music Teachers Organization and the University of Wisconsin-Washington County Music Department has been set.

The auditions are on Saturday, February 5, 2000 in the UWWC Theater and Rehearsal Room.

The final concert is on Saturday, April 1, 2000, at 7:30 p.m. at the Fair Park Pavilion. Students in grades six through 12 who are residents of Washington County are eligible to participate.

Categories of competition are as follows: Senior Division - Piano, Grades 1-12 and Instrumental/Vocal, Grades 9-12; Junior Division - Piano, Grades 7 and 8 and Instrumental/Vocal, Grades 6-8, and Sixth Grade Division - Piano, Grade 6.

The Senior Division winner receives \$200 and the Junior Division winner will receive \$50. Senior and Junior Division winners also perform with the Moraine Symphony Orchestra on Saturday, April 1, 2000, at 7:30 p.m. at the Fair Park Pavilion.

The Sixth Grade Division winner will be the featured performer (with piano accompaniment) at the Honors Recital on Sunday, March 26, 2000, at 2 p.m. at the UWWC Theater.

Call Deanna Gibeau at (414) 335-0119 or Pat Hauser at (414) 677-4980 for more information and application forms. The application deadline is January 15, 2000.

The Good Ole' Days... Were They Better or Worse?

Life Was Extremely Different 100 Years Ago

By Laurie Ottery
Staff Writer/Photographer

Venturing into the next century it is interesting to look back and see what life was like in 1900. The past 100 years have seen more drastic changes in the environment, technology and the way lives are led than any other time in recorded history.

The official United States population for 1900 was 76,094,000 and the world population was about 1,600,000,000. The U.S. had only 45 states. Communication and travel was difficult. The telephone was not commonplace and what newspapers were available only contained local news.

There are two cliches that describe the turn of the century in the United States. The first is: "To know who we are, we must know where we came from." And the second is: "It was a time of great transformation and change."

The beginning of the 20th century saw pedestrians, horses, buggies, wagons and a growing number of automobiles. Railroads were the main way of travel. Towns were filled with pool halls, saloons, shops, offices and businesses. Smaller communities began to grow into urban cities with the paving of roads and digging of sanitary and storm sewers. Many built their first libraries, post offices and city halls. The goal was to draw people to live, visit and patronize their communities. Business was a driving force and towns hoped to attract companies, like today, to be a part of their community providing money and jobs to the area.

Life was less complex then, but manual labor was used to complete tasks. Sixty percent of the population lived in rural areas. In 1900 farms were over 120 acres and worked with horses. Buildings were frame built and brightly painted. Houses were filled with manufactured furniture, imported pottery and goods ordered mostly from catalogs. Clothing was made on a treadle-sewing machine. Farming was the way of life for most, but they still harvested crops and raised livestock within city limits.

Workers manufactured furniture, barbed wire, porch shades, saddles and carriages.

Stone was quarried, bricks made, cotton and wool were spun into cloth. Unions just began to be formed to protect employees from the poor conditions that existed for industrial workers. Industrial accidents killed and crippled many as did railroad related accidents. The year 1900 saw 36 highway fatalities and very few people owned a car.

Families spent much of their time raising, processing and preserving food out of necessity. Farms raised cattle, sheep, hogs and chickens and most had gardens and orchards. Outbuildings on farms consisted of a corn crib, hog house, chicken house, machine shed and an outhouse. A wooden windmill pumped water to the stock tank and around the farm.

Cooking was done over the wood-burning stove. Many women followed a routine doing housework certain days, like one day for washing, another for ironing, baking etc. Much of the washing was done by soaking clothes in tubs and rubbing them over a washboard. One of the first electric-powered washing machines was introduced in 1908 by the Hurley Company of Chicago, Illinois. It was not common for women to be in the workforce, but they had much to do running a household.

Education has changed drastically over the past 100 years. In 1900 about 10 percent of youth ages 14 to 17-years-old enrolled in high school with most of them being from wealthier families. Kindergarten classes were just being introduced. The superintendent of schools had replaced the high school principle as the most influential and highest paid figure in public education. Teacher training institutions were established and had become four-year degree-granting colleges.

In 1900 the life expectancy for men in America was 46 years old. At that same time women were expected to live to be about 48. Over two-hundred people out of 100,000 died of flu and pneumonia. The average family size was bigger then than now. The population of the country continued to grow with more people immigrating to America looking for a better way of life.

Violence was common with alcohol being the main con-

tributing factor. Bar brawls and street fights were an everyday occurrence. Some produced and sold alcohol until it was outlawed when the 18th Amendment to the Constitution of the United States took effect. The average adult consumed two gallons of 200 proof absolute alcohol in 1900. The amendment helped to cut in half the amount of alcohol, legally sold and being consumed until it was later repealed. Drugs that are now illegal were ordered out of catalogs back then.

The year had such inventions as the Kodak Brownie camera, a box-shaped camera making photography available to amateurs. It sold for \$1.00. L. Frank Baum wrote 'The Wonderful World of Oz.' The paper clip was patented and Pupin designed a loading coil reducing telephone voice distortion.

The year 1900 is only a mere 100-years ago, a time of when the automobile was thought of as a possible passing fad, things like the airplane, crayola crayons, the Yellow Pages, the phonograph, radio, television, comic books, juke boxes, neon advertising, photocopiers, area codes, computers and the teddy bear had not yet been invented.

There were no boy scouts, self-service grocery stores, Raggedy Ann dolls, canned

Ostomy Support Group to Meet

The ostomy support group sponsored by St. Joseph's Community Hospital of West Bend is meeting Thursday, January 27, at 7 p.m. in the hospital's conference room A.

The support group provides information and support for people affected by an ostomy and meets on the fourth Thursday of each month. Topics vary and occasionally guest speakers are invited. There is no charge.

For more information, please contact Donna at 334-7079, Carrie at (920) 944-4261, or Mary Theisen-Faber, St. Joseph's manager of education at 334-8267.

baby food, the national anthem, Little League baseball, T-shirts, FBI's Most Wanted Lists, tattoos, pet rocks or skateboards. Life then was an improvement over the past, but like today technology and changes make it nothing more than memories and building blocks for the future.

UWWC Dean's List Announced

West Bend -- Seventy-nine students from area high schools have been named to the University Wisconsin-Washington County dean's list for achieving academic honors during the fall semester at the University of Wisconsin Washington County.

Students receiving highest honors have achieved a straight A average (4.0) while high honors students earned a grade point (GPA) between 3.99 and 3.75. Honors students received GPA's between 3.74 and 3.5.

Full time area students:
Allenton: (High Honors) Joshua Seymour; (Honors) Karen Wenninger.

Campbellsport: (Honors) Jonathon Walter

Fredonia: (Highest Honors) Brian Burkel; (Honors) Brad Hermann.

Kewaskum: (High Honors) Matthew Belger, Jessica Repovsch; (Honors)

Aggie Friedel.
West Bend: (Highest Honors) Amber Dubay, Arick Groth, Daniel Huybers, Richard Prost, Gregory Waala; (High Honors) Emily Boettcher, Melissa Galante, Joseph Heinecke, Stephanie King, Carol Peronto, Meghan Ziegler; (Honors) Andrea Barringer, James Champeny, Kevin Heisler, Andrea Jung, Stephanie Kurtz, Corey Lorenz, Daniel Mayer, Athena Olson, Jill Renter, Jessica Rohde, Sarah Sandell, Matthew Spreeman, Anthony Tucci, Jade Wanzeck, Kellie Wellman, Michael Zaring.

Part-time area students:
Allenton: (Highest Honors) Amy Pamperin.

Kewaskum: (Highest Honors) Claudia Skrentny; (Honors) Jesse Jaeger.

West Bend: (Highest Honors) Joy Buehler, Kathleen Lauters, Mary Weaver; (Honors) Jessica Becker, Angelika Behrend, Laura Ganshow, Linda Hunt.

Kris Hafermann Graduates from Moraine Park

Kristine Marie Hafermann, N347 Highway S, Kewaskum, recently graduated from Moraine Park Technical College's Fond du Lac campus. Hafermann received an associate degree in the Corrections Science program.

Letters To The Editor

PROFESSIONALISM PLUS

Last month, Rosella (Rosie) M. Klein passed away in West Bend. We live in Dallas, Texas. Being so far away made funeral arrangements difficult. We had to get there, meet with the appropriate individuals and make arrangements to fulfill Rosie's parting desires.

Little did we know that Larry and Louise Martin of the Miller Funeral Home would charge in on their white horse and save us during our time of grieving.

Their support, their vigilance to detail, their understanding, their professionalism and their warmth was overwhelming. THANKS does not even begin to express our appreciation for a job well done. During our time of grieving, they took the reins and made it bearable for us to go through the ordeal.

All of us have to face the ordeal of funerals at one time or another. That is a known fact. PROFESSIONALISM PLUS before, during and after the funeral made the ordeal bearable for us. My mother would have been proud to see her wishes and desires come true during her moment of departure.

Larry and Louise Martin are dedicated to their profession. Commendations to the Martins and thanks from the Klein family.

Respectfully,

The Klein Family

Dear Editor,

Recently I've been noticing letters to the Milwaukee Journal from people around the state suggesting perfectly feasible means of financing the planned Packer facility, other than taxing the public. The same suggestions could have applied to the Miller Park. I wonder where these people's suggestions were when their representatives, along with Governor Tommy Thompson were sticking it to the five counties being forced to pay for it.

Our representatives tell us that they were saving approximately \$250 K by mailing our rebate checks in a folded card which looks more like junk mail than a check. Now many of them have been thrown away, or will be. Too bad they didn't think about saving our money, which is now estimated to be approximately \$600,000,000.00 with the Brewer debacle when it really would have counted.

All this reminds me of an old adage; quote: you can fool all of the people some of

the time, some of the people all of the time, but you can't fool all of the people all of the time. I would like to suggest that voters in this state start looking at their so-called representatives and determine if they really are representing them, as they would have you believe, and do something about it at election time if they are not. I'm sure most people wouldn't want to be fooled by politicians at any time.

Thank you,

Sincerely,

Lloyd A. Koch

How about this.... the nursery rhyme Ring Around the Rosey is a rhyme about the plague. Infected people with the plague would get red circular sores ("Ring around the rosey..."), these sores would smell very badly so common folks would put flowers on their bodies somewhere (inconspicuously), so that it would cover the smell of the sores ("...a pocket full of posies..."). People who died from the plague would be burned so as to reduce the possible spread of the disease ("...ashes, ashes, we all fall down!").

By Bernadette Mondloch

Beginning with the new millennium, Town of Scott Chairman Clarence Janz has established that each of its monthly meetings will begin with the Pledge of Allegiance.

A second new item for the new year was the acceptance of Hillside Drive and Miller Circle as new additions to the town's road system. A unique item in the road acceptance is that developer Mark LaFever will be required to take care of ditch maintenance for a portion of the road until 2001. This agreement was made at the time of dedication of the road back in 1996.

An agreement between the Town of Scott and the Beechwood Fire Department has been reviewed and will be signed as soon as any typing of the revisions agreed upon have been completed.

The agreement is examined annually and only a few changes have been made for the 2000 agree-

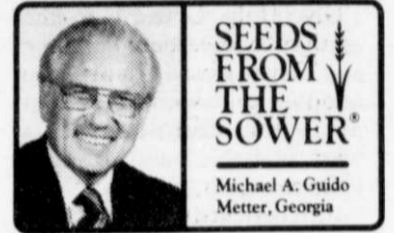

ment. The town shall make quarterly payments on the 15th of January, April, July and October of each budget year, the agreed upon budget amount as well as the 2% fire dues received from the State, after inspections are completed in compliance with Wisconsin State Statutes.

The town has agreed to purchase and own fire and First Responder equipment and shall be the lienholder to all vehicles purchased under this agreement. This arrangement is accompanied with a 24 year plan for purchase of vehicles. In the plan, is a larger First Responder vehicle for the Batavia Fire Department to be purchased in 2000 and an equipment vehicle to be shared by Batavia and Beechwood, planned for 2001. This plan, initiated in 1997 is subject to annually changes as specific needs arise.

The agreement which expires each December, also requires that the Fire Department shall obtain and maintain, and pay for the insurance premium to provide coverage as defined in the agreement. A similar document is expected to be signed with the Batavia Fire Department at the next meeting. It should be noted that both Batavia and Beechwood Fire Depart-

ments are dispatched simultaneously when a fire call is received.

Other items handled by the board included: a Certified Survey for Allen Eisentraut in Section 23; one building permit for a shed; Supervisor Candidates Ivan Kumrow, Dale Burke and Irene Gnacinski were announced; the purchase of a salt spreader for \$3,500 was approved and insurance coverage was reviewed.

For over an hour a teenager poured out his love by phone to his girlfriend.

"Betsy," he said, "I love you. If you were caught in a burning house, I'd beat out the flames with my bare hands. I'd dive into the deepest, meanest waterfall, if that's where you were."

"You're wonderful," sighed the girl. "When will I see you?"

"Saturday night," he said, "if it doesn't rain."

It's not by our profession that we prove that we love the Lord, but by our practice. And the true person professes only what he practices.

So don't advertise unless you can deliver the goods.

Historical Society To Meet Jan. 18

The Kewaskum Historical Society will be meeting Tuesday, January 18, 2000 at 7 p.m. in the Community Room of the Municipal Building, 204 First Street.

The main topic of discussion will be the establishment of the 2000 calendar of events and the election of officers.

United Way Surpasses 100%; Raises \$1,087,199

United Way of Washington County agencies, volunteers and donors have something to cheer about: raising \$1,087,199 in the 1999 United Way campaign.

According to Mo Josten, Chairperson of the 1999 volunteer effort, the fund drive is officially "over the top" finishing \$7,200 over the goal of \$1,080,000. "I am so proud of the hundreds of volunteers who put their hearts into the campaign, and really personified the 'Give Help, Give Hope' campaign theme," said Josten.

"The giving spirit of donors and volunteers is so very humbling and heart-warming," said Josten. "Once again, the businesses and individual donors in Washington County came through and showed that they are truly committed to meeting needs and ensuring necessary services for friends, neighbors and co-workers. United Way helps thousands of residents right here in Washington County," she stated.

In addition to finishing the campaign at two percent over the previous year's total, this is the highest amount of money ever raised by United Way in the organization's 63-year history.

"When you first begin a campaign, you are optimistic that you'll reach your goal," said Josten. "Along the way we faced challenges, but we were also reminded of people's generosity, and that we can help those who really need help. Going over the top is great news for the thousands of people in 25 agencies who will benefit in the coming year," she said.

Executive Director Barbara Hurula commented, "On behalf of the United Way member agencies, I would like to compliment the hard work and ongoing efforts of all our campaign volunteers who kept working to bring help and hope to our community. These volunteers saw first-hand what the needs were; they worked until the goal was met -- and then kept going. I'd like to congratulate Ms. Josten and the Division Leaders, Loaned Executives

and Division Volunteers. We couldn't have done it without the countless hours all of them put in," she said.

Hurula continued, "The majority of our donors help people they will never see or meet personally. The efficiency and uniqueness of United Way's distribution system helps assure that dollars go where they are most needed," she said. Funds raised will support 63 programs of 25 member agencies in the coming year.

Josten concluded, "This success is a great tribute to the Washington County community's belief that United Way is there -- giving Help and giving Hope. Thanks everyone!"

Annual Adell Benefit Auction

The Adell March of Dimes Annual Benefit Auction is fast approaching. The date has been set for January 29 at Hill's Hall in Adell.

Anyone with items to sell who wishes to have them listed in auction advertisements is to contact "Otto" Neuman prior to January 19.

Items may be donated or consigned. Proceeds are given to the March of Dimes for birth defect research. This sale has been going on for over 30 years with participation from throughout the area.

Many will remember Elvira Weinhold's \$20 raspberry tortes. Although Elvira is no longer with us, some of the younger cooks from the area have been giving it a try at equalling her baking achievements.

Fred Beyer, Adell's well-known cookie baker is another contributor to past auctions and is expected to share his talents this year.

So it is again time to clean out those spare rooms and contribute to a good cause or to make a few \$\$\$ for "mad" money by sale of those unneeded items taking up space in various places throughout your home.

For additional information contact "Otto" at 920-994-9385.

Schmidt Receives Degree

EAU CLAIRE -- Winter commencement exercises for 666 students at the University of Wisconsin-Eau Claire were held Saturday, December 18, 1999, in Zorn Arena.

A local student, Christine Lynn Schmidt of Kewaskum, received a degree in special education.

A total of 602 students received bachelor's degrees in December and another 32 students are candidates for bachelor's degrees at the end of the January Winterim session. All candidates for degrees participated in the December commencement exercises.

The 602 candidates for bachelor's degrees in December included 224 from the College of Arts and Sciences, 154 from the College of Business and 224 from the College of Professional Studies. Bachelor's degree recipients from the College of Professional Studies included 138 from the School of Education, 48 from the School of Human Sciences and Services and 38 from the School of Nursing.

Master's degrees were awarded to 32 students, including six from the College of Arts and Sciences, 11 from the College of Business and 15 from the College of Professional Studies. Master's degree recipients from the College of Professional Studies included 11 from the School of Education and four from the School of Human Sciences and Services.

"Looking forward to retirement, Anderson?"

Giese - Dorsey

Jaime Giese and Kim Dorsey were united in marriage on September 25 at Faith Lutheran Church in Fond du Lac.

The bride chose her sister, Amy Giese, as her maid of honor. The bridesmaids were Heather Lindberg, Amber Dorsey, Vicki McElhatton and Traci Zahn. Konni Noeldner was the bride's attendant.

The best man was Dave Klotzbuecher. Groomsmen

were Steve Moeller, Bill Mark, Kevin Clegg and Bill Meating.

Ushering duties were performed by Steve and Ted Dorsey.

Jaime is a 1994 graduate of Winnebago Lutheran Academy, Fond du Lac, and a 1998 graduate of the University of Wisconsin-Oshkosh. She is a registered nurse at Appleton Medical Center. Jaime is the daughter of James and Mae Giese of Fond du Lac and the granddaughter of Betty and the late Walter Giese of Kewaskum.

Kim is a 1991 graduate of New London High School and a 1998 graduate of the University of Wisconsin-Oshkosh. He is a field supervisor for Response Security. His parents are Kim and Corinne Dorsey of New London.

The newlyweds are making their home in Oshkosh.

President James Garfield was able to write in Greek with one hand while simultaneously writing in Latin with the other hand.

Free Christian Concert Feb. 4

Lighthouse Ministries, Inc., a non-denominational ministry which has been putting on concerts for the past 12 years, invites the community to a free Christian concert Friday, Feb. 4 from 7 to 10 p.m.

The guest will be the multi-talented songwriter/musician Matthew Hoffland from Forest Springs, Wisconsin. Matt's music emphasizes the need for meaningful relationships. Matt is also skilled in drama and human video presentations.

Also country/bluegrass/gospel family The Messengers from Brussels, Wisconsin, will bring some hand-clapping, toe-tapping music to the Lighthouse stage.

The Lighthouse meets at Silverbrook School, 120 N. Silverbrook Drive, West Bend, (enter and park in rear of school). There will be door prizes, Domino's Pizza, refreshments, and free admission. For more information call 262-677-2952 or 262-338-0205.

Miracle Arrived

I want to thank every one for their prayers, cards & letters. The miracle arrived a little later than expected. So instead of a Christmas Miracle he turned out to be a millennium miracle. Which is all the better for it gave him a better chance at life.

This miracle is in the form of a 6lb 5.1oz, 18" long baby boy named John Howard Herring 4th. Born Jan. 6, 2000 at 10:27pm. He is not out of danger yet as he is on a ventilator and some other support but is expected to do just fine. They plan to soon start weaning him off of the ventilator and only have him on oxygen expected to be at 21%. With your continued prayers how could he be anything but fine?

Jessica is doing very good she is expected to be released from the hospital on Jan. 8, 2000. Your cards and letters have done a lot to help her through this difficult time. I want to express my thanks to all of you.

Anyone wanting to send cards, letters or gifts may continue to do so in care of me at Teresa Piercey at P.O. Box 641 West Bend, WI. 53095-0641.

Again I can't express hard enough how much we appreciate your, prayers, cards, letters and gifts. We will forever hold you dear to our hearts and keep you in our prayers as well.

Thank You!
Teresa Piercey

Miller - Kurth

Therese and Jeffery Miller, Rubicon, are pleased to announce the engagement of their daughter, Connie Therese, to Ryan Michael Kurth, West Bend.

Ryan is the son of Peggy and Dennis Kurth, also of West Bend.

Connie is a 1997 graduate of Hartford Union High School and is attending the University of Wisconsin

Washington County studying to be an elementary education teacher. She is currently employed as a therapist with Wisconsin Early Autism Project.

Ryan is a 1994 graduate of Kewaskum High School and is employed by Federal Express.

The couple is planning an August 4, 2001 wedding.

Fun With Babies Begins Jan. 27

The Campbellsport Public Library will be taking registration for the winter interactive group, "Fun With Babies," beginning Monday, January 17. Join in at the library as they rhyme, sing and dance with children nine months to 24 months old.

"Fun With Babies" will run for five weeks. Pre-registration is required. Space is limited to eight openings. This group will be offered Thursday mornings at 10:30 a.m. Each session will run for 20 minutes.

Come and have fun with your baby at the Campbellsport Public Library. Remember to pre-register starting January 17 by calling the library at 533-8534.

KMS Music Students Earn 'Honors'

Four students from Kewaskum Middle School participated as members in the Honors Band performance at the Honors Festival in Slinger. From left, are Nick Luther, Jon Sedimeier, Katie Bandler and Dan Lettow.

Those KMS students selected as members of the Honors Choir were, from left, Jennifer Simonson, Megan Butler, Crystal Dreher, Sarah Bandler, Cora Werdermann and Sara Hoerig.

Microsoft Office 2000 Offered at Moraine Park

Beginning January 2000, the latest version of Microsoft's Office Suite software -- Office 2000 -- will be available at Moraine Park Technical College.

"Our goal is to provide students with the latest in software training," said Jan Logan, Moraine Park's dean of business technologies.

"Offering Office 2000 assures that we are giving our students the knowledge they need to achieve success in the workplace."

Logan says Office 2000 is also geared to new computer buyers as well as to companies who are converting to Office 2000 and are looking to have their employees get

up to speed on the new version.

Along with Office 2000, Moraine Park will continue to offer courses in Word, Access and Excel '97 through summer, with expanded offerings in Office 2000 beginning in August 2000.

For a complete listing of the Office 2000 courses, descriptions, dates, times and locations visit Moraine Park's website at www.morainepark.com/headline/office2000.html.

For more information regarding Office 2000 call Jan Logan at (262) 335-5839 or e-mail her at jlogan@moraine.tec.wi.us.

Matenaers On NFO Nov. Top Quality List

The Quality list is a monthly recognition for National Farmers Organization producers marketing some of the highest quality milk in the industry. To make the list, Ralph and Estelle Matenaer must have milk with Somatic Cell Counts below 150,000 and plate counts below 15,000. The state standards for milk quality in Grade A milk are less than 750,000 SCC and 100,000 plate counts.

To achieve the results necessary to make the Quality list, the producer must be a top manager. The Somatic Cell Count is a test to determine if the cow has had an infection in her udder or is not in good health. Low somatic cell counts indicate a cow is healthy and not stressed. The plate count is primarily a test of the cleanliness of the milking equipment. The sanitation standards for milking equipment rival that of any food preparation site. To achieve low scores in both indicators, a dairy producer must combine cleanliness and care, paying special attention to the comfort and health of the cattle and the routine maintenance and repair of equipment.

Dairy producers like

Ralph and Estelle Matenaer are part of the reason National Farmers Organization can offer buyers high quality milk for drinking or for manufacturing into some of our favorite dairy products. Across the nation, National Farmers Organization is working to bring together farmers to market their milk to manufacturers at a price that will bring them a profit. National Farmers Organization believes that profitable farmers reinvest in their local economy and will create rural communities that can offer residents more services and a better standard of living.

Legion Auxiliary Meeting Features Two Guests

Betty Gumm, Washington County President of the American Legion Auxiliary and Rosemary Schmitt of Second District ALA, were guests of the Robert G. Romaine Unit 384 of Kewaskum at their annual Christmas Buffet at their regular meeting held December 13. While at the unit meeting, Betty Gumm, left, presented a Spinoza Bear on behalf of the Washington County American Legion Auxiliary to Sara Dauterman who has cerebral palsy. Shown with her in the photo above is her twin sister, Karen. The Spinoza Bears have many tapes which comfort and aid children with medical problems. Karen received a Christmas Bear. Karen and Sara are the children of Carl and Mary Dauterman of West Bend. The next regular meeting will be held the second Monday in February. Potential members are always welcome.

Parents Know Best

By Rep. Glenn Grothman

On last Thursday, a hearing was held on Assembly Bill 632, which I authored requiring a publicly funded organization to notify parents before giving or prescribing contraceptives for their children received a hearing in the Assembly Family Law Committee. A constituent originally suggested AB 632.

This mother of school-aged children saw young teens going in and out of the local Planned Parenthood clinic and wondered if their parents knew what their children were up to. Surprisingly, while parental consent is required for school activities and medical procedures as simple as tattooing and body-piercing the answer is no.

There are two major reasons why this legislation is appropriate. First, there are possible medical complications from the use of prescription birth control. Children, traditionally have a sense of immortality, which leads them to underestimate possible medical concern. This is why parental consent is required in other medical areas, driver's licenses and extra-curricular activities at school.

Secondly, use of family planning services almost certainly involves a decision to engage in sexual activity as well. Not only is this activity frowned upon by major religions in this country, but can result in emotional distress, heartbreak, and loss of innocence.

Unfortunately, the types of groups which manage these clinics, have attitudes that it is inevitable that everybody does it and they therefore are less likely to present moral and psychological arguments against engaging in sexual activity.

At the hearing the social work-Planned Parenthood establishment fully exposed themselves for what they are -- they do not trust parents and think government knows best. Mary Soper, a representative of Planned Parenthood, refused to say that her group would not prescribe birth control to 10-year-olds, when asked three times by committee members.

In addition, the group would not consult with a child's family physician before prescribing these potent medications and devices. A University of Wisconsin doctor testifying against AB 632 went as far to say that Planned Parenthood is better equipped than parents to deal with a child's sexual health needs.

Opponents of the bill argued that requiring notification will have a chilling effect on children using these services and will therefore result in increased pregnancy. However, the Alan Guttmacher Institute itself reports that "47% of all unintended pregnancies in the U.S. occur while the women is using contraceptives..."

Furthermore, some studies indicate the "everybody does it" attitude displayed in sex education classes put together by these same

groups results in more sexual activity and, inevitably, resulting in more pregnancies. The Journal of American Medical Association study of 9,000 adolescents between the grades of 7 to 12 affirms that this parental involvement supported by a majority of teens in the Gallup survey is beneficial to them. It states:

"Significant family factors associated with delaying sexual debut include high levels of parent-family connectedness, parental disapproval of their adolescent being sexually active, and parental disapproval of their adolescent's using contraception." (Protecting Adolescents from Harm, September 10, 1997).

The bill has widespread support. In fact, in a 1997 Gallup survey of 500 teenagers, ages 13 to 17, 66% of the teens that were polled believed that parental consent (stronger requirement than notification) should be required before minors receive birth control. The House of Representatives have twice passed similar legislation only to have it not taken up by the Senate. The states of Utah and Texas have a similar law on their books.

It is my hope that Assembly Bill 632 will be voted out of committee later this month and sent to the full Assembly sometime this spring. The current law is typical of the mindset among too many government officials that there are many bad parents so that government must step in and explain to children the right, liberal way to live

their lives.

WCHS Host Animal Behaviorist Seminar

Join The Washington County Humane Society as they welcome Claudeen McAuliffe, an Applied Animal Behaviorist, as she presents her seminar for dog owners, "Safety Under Stress," a behavioral approach to working with dogs.

The seminar will focus on humans taking a leadership role with their dogs in order to develop long-lasting, mutually satisfying relationships, and will include hints on how to use your voice and body language to communicate with your dog in a positive, non-threatening manner. Slides will also allow the seminar attendees to become involved in hands-on interpretations of their canine companions.

Claudeen McAuliffe has nearly 20 years of experience in training and animal behavior modification. A member of the Animal Behavior Society, the Association of Pet Dog Trainers, Delta Society, and American Boarding Kennels Association, she serves as an adjunct faculty member at Waukesha County technical College. She has her master's degree in education from UWM, and is a board-certified instructor for the Wisconsin Technical College system. McAuliffe spends much of her time with her business, Kindness K-9 Education, and provides valuable support to area animal shelters.

This informative seminar will be held at The Washington County Humane Society located at 3650 Hwy. 60 on Saturday, January 22 from 2:00 to 4:00 p.m. and is free to the public. Call the shelter at 677-4388 to register.

Arthur's Library Adventure Club Begins Jan. 25

The Campbellsport Public Library will be taking registration for the Winter Preschool Story Hour "Arthur's Library Adventure Club" beginning Monday, January 17.

Join the staff at the library as they travel on a different adventure each week. In this program they will feature one of the different stories written by author Marc Brown from his famous "Arthur" series each week.

The weekly sessions will be: Week One - Arthur's Lost in the Library; Week Two - Arthur Gets the Chicken Pox; Week Three - Arthur's Valentine; Week Four - Arthur Babysits; Week Five - D.W.'s Lost Blankie and Week Six - Arthur's Birthday.

The Preschool Story Hour at the Campbellsport Public Library is for children, ages three to six years old. Pre-registration is required and space is limited. "Arthur's Library Adventure" Club will be offered at four different times for six consecutive weeks on Tuesdays at 10:30 a.m. or 6:30 p.m. and Wednesdays at 10:30 a.m. or 6:30 p.m. Please call beginning January 17, to register. For more information or to register, please call the library at 533-8534.

If the fat on a piece of beef is tinged with yellow, it usually indicates that the steer was grass-fed.

WES Christmas Concert Delightful

Preparing for their part in the WES Christmas Concert skit were Santa's elves (from left) Eric Ogi, Clayton Stoffel, Amanda Stollenwerk, and Kerrie Winter (Other photos meant for publication, unfortunately, did not turn out).

Parking spots outside Wayne Elementary School were hard to find as, inside, students presented a wonderful collection of Christmas songs during their Christmas program.

Kindergartners sang "Rudolph the Red-Nosed Reindeer" as class member Katie Spang sported antlers and a flashing red nose. The

first grade's "All I Want For Christmas (is my two front teeth)" delighted the packed gymnasium, as did the second grade's version of the traditional favorite, "The 12 Days of Christmas."

Older grades staged a musical play called "Shapin' Up Santa," in which the jolly old elf was encouraged to get

a bit more physically fit.

There were fourth and second grade bell ringers, chimes, and fifth graders playing recorders, as well as a traditional Hannukkah dance by the first grade, just to name a few of the holiday concert happenings.

It was a terrific way to highlight the season.

ABC SKAT RESULTS

The winner at skat played at Ralph Laux's in Random Lake at "Gables on the Pond" on Tuesday, Jan. 4th was: Francis Gilboy, 14-0--14 net.

County Historical Society Announces Speakers

The outreach committee of the Washington County Historical Society announces speakers for the first bi-monthly meeting in the year 2000.

Jim and Debby Lewis, owners of Sunseed Natural Foods, will be the guest speakers for the January 18, 2000 meeting. Debby and Jim will share their over two decades of experience in the retail natural foods industry and their knowledge of herbs and their talk, entitled, "Herbs, Now and Then: A Historic Look at Herbs."

The presentation will look at the use of herbs by today's health conscious consumers and the historical uses of herbs by cultures around the world and their lengthy history of use by past generations.

Discussion will include the use of plants like ginseng by Native American tribes, and the folk medicine that was used by early pioneer families.

Find out what top perennials in Wisconsin are known for their uses as herbal supplements.

The January 18th event will begin with a membership meeting starting at 7 p.m., followed by the presentation by Jim and Debby Lewis. The event is free and open to the public.

The Washington County Historical Society holds

meetings on the third Tuesday of January, March, May, July, September and November, at the Old Courthouse Museum, 320 S. Fifth Avenue, West Bend.

Mary Schleif, Outreach Committee Chairperson, has announced the 2000 year calendar of guest speakers for the program portion of the meetings. Presentations will include Mike Paul talking about antiques and collectibles on March 21; Jerry Apps, Wisconsin author and historian on May 16; Irene Blau from the Germantown Historical Society on July 18; a potluck is scheduled for the September 19th meeting and the annual Preservation Awards will be on November 21. For more information, call the Washington County Historical Society at 335-4678.

XYZ CARD RESULTS

The winners at cards played at the Municipal Building on Wednesday, Jan. 5th were: SKAT: Harold Eggert, 19-1--18 net; Francis Gilboy, 15-0--15 net; Ken Kaschner, Club solo vs 4; Francis Gilboy Heart solo vs 4.

SHEEPSHEAD: Sally Reindl, Marvin Marquardt, Willy Babri and Ruth Campbell.

Holy Trinity Christmas Concert Held

On Wednesday, December 22, Holy Trinity School presented its annual Christmas Concert under the direction of Mrs. Terry Christie. The title of this year's program was "A Super Gift from Heaven."

Prior to the opening number, the audience was entertained by Holy Trinity piano students performing a variety of piano solos with a holiday theme. The concert opened with the Holy Trinity School Band playing several Christmas selections under the direction of John Ahlstrom.

They were followed by grade two, kindergarten, and the select choir, who sang a wide variety of Christmas carols. Grade one presented the Nativity scene with Josh Uelmen acting as the narrator.

The highlight of the evening occurred when grades three through eight presented a play in which all of the participants were dressed as dolls or toys. After a busy day in a toy store, the dolls and toys awake to discover the true meaning of a gift and that Jesus truly is a "Super Gift from Heaven."

It was a very delightful evening with a wonderful performance by all of the Holy Trinity students.

The Holy Trinity school band opened the Christmas Concert.

Alice Feind

The kindergarten class, all dressed in Sunday best, preformed for the audience.

Kevin Schickert, left, and Darrell Schraufnagel.

PRAYER OF THE BLESSED VIRGIN

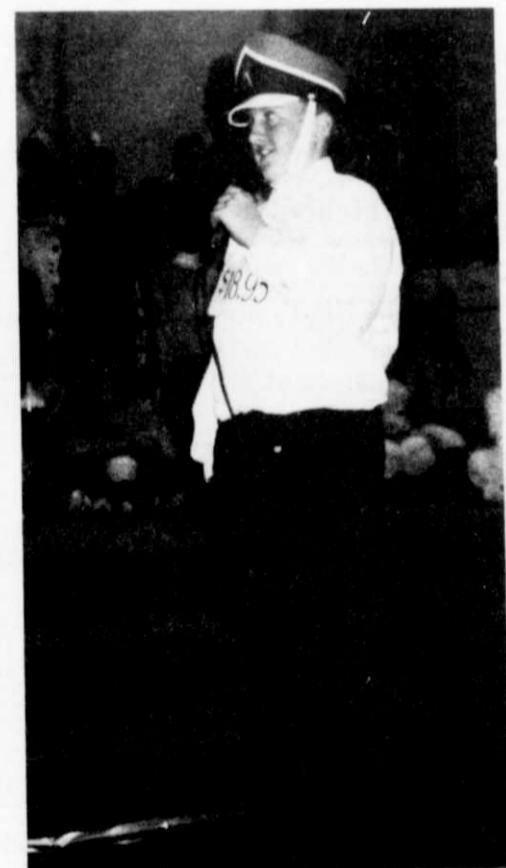

(Never known to fail)

Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Holy Mary, I place this prayer for your hands (three times). Say this prayer for three consecutive days and then you must publish and it will be granted to you.

M.H.

Holy Trinity first graders re-enacted the birth of Baby Jesus.

FES Singers Celebrate the Season

Before a Christmas-card-like backdrop, Farmington Elementary School students sang delightful songs of the season. The kindergartners all wore Santa hats during their performance, which included, "Jolly Old Saint Nicholas."

The bells her classmates were ringing during "Jingle Bells" were just a little too loud for second grader Haley Gregoriou.

Decked out in long green and red scarves, the Farmington fourth graders sang several Christmastime favorites. Singing, "O Christmas Tree," are, from left: Matt Artymiuk, Jimmy Kelley, Sam Schmidt, Derrick Biermann, Jason Ader, Matt Donath, Andrew Schnaare and Christopher Kruschke.

Farmington fifth grader Crystal Treptow helps paint a caroler to use in transforming the Farmington gym into a wonderful wintertime scene for the annual Christmas program.

Obituaries

JEFFREY SABISH

Jeffrey Scott "Sheisty" Sabish, age 26, of Campbellsport, passed away on Saturday, January 8, 2000, from injuries received in an automobile accident.

He was born on February 10, 1973 in West Bend, the son of Larry and Carol (Uelmen) Sabish.

Jeffrey was a 1991 graduate of Kewaskum High School and was a member of the Ashford Sportsmens Club and Sons of Legionnaires. He was employed by McKee Builders and enjoyed bowling, hunting and playing softball.

Survivors include his father, Larry Sabish of Kewaskum, and his mother, Carol Sabish of Kewaskum; a special friend, Cheri Zehren of Campbellsport; two sisters, Tammy Lynn Sabish (fiance, Henri Dickman) of Kewaskum and Kim Marie (Sam) Durand of Germantown; his paternal grandmother, Marie Sabish of Campbellsport; his maternal grandparents, Elroy and Evelyn Uelmen of West Bend, other relatives and many friends.

His paternal grandfather, Christ Sabish, preceded him in death.

A Mass of Christian Burial was held at 7 p.m. on Tuesday, January 11, 2000 at Holy Trinity Catholic Church in Kewaskum with Father Mark Jones officiating. Burial will be at 10 a.m. on Wednesday in the parish cemetery.

Friends called from 3 p.m. until the time of services at the church only on Tuesday.

The Miller Funeral Home in Kewaskum is serving the family.

MRS. ALICE E. SCHILLER

Mrs. Alice E. Schiller, age 91, of Kewaskum, passed away on Wednesday, January 5, 2000 at St. Joseph's Community Hospital in West Bend.

She was born on December 13, 1908 in Elmore, the daughter of the late Carl and Mary (Beck) Wilke and on November 3, 1932 she was united in marriage to David Coulter at Elmore Church in Elmore. Her husband preceded her in death on May 21, 1963. On March 22, 1969 she was united in marriage to Jerome Schiller at Peace United Church of Christ in Kewaskum. He preceded in death on February 15, 1974.

Mrs. Schiller was a member of Peace United Church of Christ in Kewaskum and a former member of Salem United Church of Christ in the Town of Wayne.

Survivors include a son, David "Leroy" (Barbara) Coulter of Kewaskum; a daughter, Marion Schuster of Fond du Lac; a brother, Henry Wilke (special friend, Betty) of Antigo; a sister,

June (Lloyd) Lemke of Campbellsport; a sister-in-law, Elvira Erickson of Fond du Lac; ten grandchildren; 13 great-grandchildren; a great-great granddaughter, other relatives and friends.

A sister, Nora Wiesner; a grandson, Craig Coulter, her son-in-law, Kenneth Schuster, brothers-in-law and sisters-in-law preceded her in death.

Funeral services were held at 7 p.m. on Saturday, January 8, 2000, at Peace United Church of Christ in Kewaskum with Rev. William Wiederanders officiating. Burial was at 1 p.m. on Sunday in Salem United Church of Christ Cemetery in the Town of Wayne.

Friends called from 4 p.m. until the time of services at the church only on Saturday.

The Miller Funeral Home in Kewaskum served the family.

PAUL W. DZWONKOWSKI, SR.

Paul W. "Old Boy" Dzwonkowski Sr., 59, of Kewaskum, died Saturday, January 8, 2000 at his residence.

He was born to the late John and Erma (nee Bernt) Dzwonkowski Sr., on April 3, 1940, in Mosinee.

Following his marriage to Starlet G. Faber on June 6, 1975, in Milwaukee, the couple lived in Waukesha, moving to the Kewaskum area in 1989.

He was employed at Mid City Foundry of Milwaukee for over 40 years, serving as plant manager for the past 10 years.

He was a devoted husband, father and grandfather.

He was an avid fisherman and hunter, loved gardening and his pride and joy was raising fish in his pond.

Survivors include his wife; 10 children, Pam Dzwonkowski of Milwaukee; Doug (Janet) of Waldo, Mary Dzwonkowski of Elm Grove, Debbie (Bruce) Heisler and Dwayne (Jennifer), both of Milwaukee, Penny (Dave) Remmert of Jackson, and Paul Jr. (Julie), Laurie McGinnis, Julie (Jerry) Miller and Kathy (Mike) McGinnis, all of Milwaukee; 21 grandchildren; four brothers, Ted (Jan) of Gilbert, Minnesota, John (Eileen) of Belvadere, Illinois, Ed (Sherry) and Dennis (Debbie), both of Mosinee; two sisters-in-law,

Nancy Dzwonkowski of Mosinee and Gloria Dzwonkowski of Florida; nieces; nephews; other relatives and friends.

Preceding him in death was a brother, Robert.

He was a member of St. Andrew Lutheran Church of West Bend, and was very active in various hunting and fishing organizations throughout the U.S.

Funeral services were held Tuesday, January 11, at 10 a.m. at St. Andrew Lutheran Church. Rev. Bryan T. O'Connor officiated and interment was in Washington County Memorial Park, West Bend, at 11:30 a.m. Tuesday.

Visitation at the Phillip Funeral Home, West Bend, was on Monday from 4 to 8 p.m., and Tuesday at the church only from 9 to 10 a.m.

Memorials to the charity of the donor's choice are appreciated.

JEFFREY M. JAHNKE

Jeffrey M. "Jeff" Jahnke, 35, of West Bend, died Sunday, January 9, 2000, in Rusk County, due to injuries suffered in a snowmobile accident.

He was born September 17, 1964, in Port Washington, to Kenneth and Pauline (nee Stockfleth) Jahnke, was raised in the West Bend area and graduated from Slinger High School in 1983.

Later he attended Milwaukee Area Technical College, South Campus, in the carpentry division.

After his marriage to Lori K. Watson on September 16, 1992, in Branson, Missouri, the couple lived in the West Bend area.

He was employed as a carpenter for Thierfelder Builders Inc. of West Bend and Cedarburg for over 18 years.

Survivors include his wife; two children, Jennifer and David, both at home; his parents, Pauline (Wayne) Thierfelder of the Town of West Bend and Kenneth Jahnke of Hartwell, Georgia; his parents-in-law, Loran and Evelyn Watson of Viroqua; his paternal grandmother, Bernice Thierfelder of Mequon; two brothers, Greg (Shawn) Jahnke of Kewaskum and Mike (Jennifer) Jahnke of Madison; a nephew, Jason Jahnke of Kewaskum; aunts, uncles, cousins; and other relatives and friends.

Preceding him in death were his grandparents.

He was a member of Good Shepherd Lutheran Church, West Bend.

Jeff was an avid hunter

and fisherman, but most of all he was a devoted husband and father.

Funeral services were held Wednesday, January 12, at 7:30 p.m., at the Phillip Funeral Home, West Bend. Rev. John H. Paus-tian officiated and interment will be in Washington County Memorial Park, West Bend, on Thursday at 10 a.m.

Visitation at the funeral home was on Wednesday from 4 to 7:30 p.m.

Memorials are appreciated to the Jahnke Children's College Fund.

CYNTHIA A. NICHOLS

Cynthia A. Nichols, nee Ladwig, of West Bend, died Saturday, January 8, 2000, at St. Joseph's Community Hospital, West Bend.

She was born in Milwaukee on July 26, 1956 to Ronald and Evangeline (nee Suhm) Ladwig.

In 1970 she moved with her family to Jackson and attended West Bend West High School.

Cynthia was a former employee of Leeson Electric in Grafton, and for the last several years was employed at Stein Garden Center in West Bend.

She enjoyed gardening and bird watching.

Survivors include her husband, Mike; three sons, Patrick, Joseph and Timmy, all at home; her parents, Ronald and Evangeline Ladwig of Jackson; two sisters, Lynne (Eric) Thorin of West Bend and Lori (Dan) Burback of Kewaskum; two brothers, Mike (Debbie) of Grafton and Bill (Terra) of Jackson; her mother-in-law, Victoria Nichols of Spooner; a sister-in-law, Linda (Gary) Magnus of Spooner; a brother-in-law, Thomas (Peggy) Nichols of Superior; a niece, Liane Szweda; two nephews, Travis Thorin and

Eric Zimmermann; other relatives and friends.

Funeral services were held Tuesday, January 11, at 1:30 p.m. at the Myrhum-Patten Funeral Home, West Bend. Rev. Timothy Niekerk of Living Word Lutheran Church, Jackson, officiated and burial followed in Washington County Memorial Park, West Bend.

Visitation at the funeral home was on Tuesday from 11 a.m. until the time of services.

Cynthia will be deeply missed by her family and all those whose lives she touched.

JUNE L. THELEN

June L. Thelen, nee Yench, of Fond du Lac, formerly of West Bend, died Saturday, January 8, 2000, in a peaceful manner at St. Agnes Hospital, Fond du Lac, at the age of 73.

She was born June 5, 1926, in Milwaukee, to the late Joseph and Florence Yench.

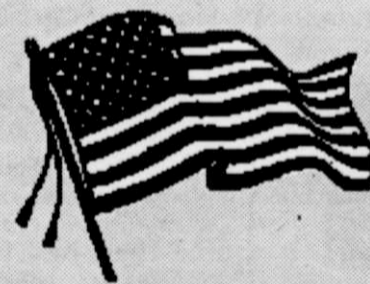

After her marriage to Calvin M. "Cy" Thelen on August 30, 1947, in Oconomowoc, the couple moved to West Bend.

June loved the outdoors, especially camping and fishing.

Her husband passed away July 21, 1998.

Survivors include four children, Calvin L. (Audrey) of West Bend, Joseph (Susan) of Mayville, Thomas (Diane) of Waukegan, Illinois, and Brenda (Pat Repovsch) Brown of the Town of Wayne; eight grandchildren; a great-grandchild; two brothers, Robert (Adeline) of Mequon and Ralph (Joan) of Grafton; a sister, Arline Yench of Milwaukee; a sister-in-

Obituary

(Continued from Page 12)

law, Ramona (Sylvan) Watry of West Bend; and other relatives and friends.

At the family's request, there will be no visitation or funeral services.

Burial of the cremated remains will be in Washington County Memorial Park.

Those who wish may give memorials to the American Lung Association.

The Schmidt Funeral Home, West Bend, served the family.

MARGARET L. WIERMAN

Margaret L. Wierman, nee Paulin, of West Bend, died Saturday, January 8, 2000, at the Beechwood Rest Home, Town of Scott, at the age of 83.

She was born March 30, 1916, in Random Lake, to the late Henry and Lucie (nee Conrad) Paulin, and married Felix Wierman on August 3, 1940 in Random Lake.

She and her husband later owned and operated the former Turk's Oasis.

In 1964 they settled in West Bend. Her husband passed away June 1, 1993.

Survivors include a son, Mike (Kathye) of West Bend; two grandchildren, Matthew and Michelle (Nathan) Blevins; a great-granddaughter, Mikayla Blevins; a sister, Catherine Liefer of Bedford, Texas; two sisters-in-law, Margaret Paulin and Margaret Mary Wierman; other relatives and friends.

Preceding her in death was a brother, Clarence Paulin.

A Mass of Christian Burial was held Monday, January 10, at 7 p.m. at St. Frances Cabrini Church, West Bend. Fr. Michael Petersen was the presider and burial was on Tuesday at 10 a.m. in Holy Angels Cemetery.

Visitation at the church only was on Monday from 4 to 6:45 p.m.

In lieu of flowers, memorials may be given to St. Frances Cabrini Church, the West Bend Columns Scholarship Foundation, or

to the Blood Center of Southeastern Wisconsin.

The Schmidt Funeral Home, West Bend, served the family.

IN MEMORY

In loving memory of **SAM (MERLIN) ERNISSE**, who passed away five years ago, January 17, 1995:

Days of sadness still come over us.

Tears in silence often flow.

For memory keeps you ever near us.

Though you died five years ago.

Death can never take away and time cannot erase.

The memory of a loving heart.

A dear familiar face;

And there is comfort in the thought

That as the years go by

Our memories grow dearer still

For love can never die.

25 Years Ago

January 3, 1975

Kewaskum High School defeated South Milwaukee High School, 181-179, in the championship match of WITI-TV 6's quiz program, "Who Knows?" The match was televised on Sunday, December 22, at 3 p.m. Representing Kewaskum were team captain Tom Degnitz, Dale Secor, Ralph Butz and alternate Mark Smucker.

With this issue, the Kewaskum Statesman begins its 79th year of publication. This is Volume 79, Number One.

The proposed Kewaskum Historical Society shall hold an organizational meeting Tuesday, January 21, 1975 at the Kewaskum Valley Bank meeting room at 8 p.m.

A detailed farm by farm conservation needs inventory has been started in the Kewaskum Creek Watershed by the U.S. Soil Conservation Service personnel assigned to the Washington County Soil and Water Conservation District. The inventory is needed to determine the sources of soil erosion and animal waste runoff from the land and estimate costs of land treatment measures needed to improve water quality in the Kewaskum Creek. Washington County Soil Conservationists Don Kurer and Ivan Kumrow are making the inventory in accordance with a sub-contract between the University of Wisconsin Water Resource Center and the Soil Conservation Service.

Twenty-six men were presented with certificates for their 25 years or more of service as athletic directors in Wisconsin schools by the Wisconsin Athletic Directors Association (WADA) at their annual workshop held recently at Stevens Point. Included on the list was Ernie Mitchell of Kewas-

kum, who was honored for 36 years of service.

Floyd Brenholt, Kewaskum School District Business Manager, has been named to a state committee established to recommend ways to improve the effectiveness of local government purchasing.

A son was born to Reinhard and Rosalie Follmann, Kewaskum, on December 24. A son was also born to Craig and Lois Thull of Kewaskum on December 26, and to Mr. and Mrs. William Breitzman, Route 3, Campbellsport, on December 20.

Daughters were born to Thomas and Carole McCormick of Kewaskum on December 26 and to Edmund and Sharon Kleinke, Kewaskum, also on December 26. Mr. and Mrs. John Shreves, Campbellsport, are the parents of a daughter, Catherine Kristene, born December 26.

January 10, 1975

The Kewaskum Fire Department held their first monthly meeting of the new year last Thursday night with 37 members in attendance. Chief Armin Oppermann reported the department had 13 fire calls in 1974, two more than in 1973 when there were 11. Of the 13, eight were village calls while five were township calls. None of the fires were major ones. The firemen's rescue squad answered 159 ambulance calls during 1974, the largest number ever. This was 57 more than in 1973 when there were 102 calls.

Complaints and reports of snowmobilers traveling recklessly and at high rates of speed on the Milwaukee River in the village park was discussed by village board members Monday night. Also, a new Ford squad car has been put into use. It was recently pur-

chased from Stocker Ford, West Bend, on its low bid of \$2,350 cash plus trade-in.

Navy Machinist's Mate Fireman Kerry R. Staehler, son of Mr. and Mrs. Robert Staehler of Kewaskum, participated in an amphibious training exercise off the coast of Mindoro Island in the central Philippines. Staehler is a crewmember of the amphibious command ship USS Blue Ridge.

Brothers Clark and Glenn Eichstedt, both former Kewaskum Indians stars, faced each other January 3 for the first time in their collegiate careers since their graduation from Kewaskum High School in 1971 and 1972. This was the holiday basketball tournament at Oshkosh held at the Kolf Sports Complex January 3 and 4. In their first round Milton met Illinois-Chicago Circle and then St. Norbert College was pitted against UW Oshkosh. The latter game is where the brothers opposed each other with Clark a member of the St. Norbert Knights and Glenn of the host UW Oshkosh Titans. Clark is a 6-4, 180 pound forward and Glenn is a 6-2 1/2, 190 pound guard.

In its first poll of high school basketball teams in Washington County for the year, the Kewaskum Indians were rated number one by sports editor Leif Erickson of the daily West Bend News.

Resuming action after the holidays, Kewaskum hosted a triple dual wrestling meet Saturday in competition with Cedar

Grove, Plymouth and North Fond du Lac. Cedar Grove won the meet held between four schools of different conferences. Indian Dale Secor was selected as the outstanding wrestler in the meet. He gained three pins, two of them in the first period, and raised his record to

9-4-1.

Sons were born to Oscar and Jean Knoeck, Kewaskum, on January 3; James and Joanne Schlitt, Kewaskum, on January 4; Robert and Mary Breit, Allenton, on January 6, and Herbert and Geraldine Kyler of Allenton on January 7.

"The \$25 extra charge is for removing and replacing magnets!"

FREELANCE SPORTS WRITER WANTED

Our family owned newspaper is seeking a self-motivated person to cover high school sports.

A qualified candidate will have good people skills, good writing skills, the ability to be creative and work under a weekly deadline.

THE KEWASKUM STATESMAN

ATTN: Andrew R. Kuehl

P.O. Box 98

Kewaskum, WI 53040-0098

No Phone Calls Please

NOTICE

NOTICE is hereby given that applications for the position of **DEPUTY SHERIFF** for the Washington County Sheriff's Department will be accepted by the Washington County Civil Service Commission.

SPECIAL NOTE: MINORITIES ARE ENCOURAGED TO APPLY.

Preliminary Applications shall be obtained from the Washington County Human Resources Department at 432 E. Washington Street, P.O. Box 1986, West Bend, WI 53095-7986 or call 262-335-4488 to obtain one.

The position of Deputy Sheriff has a minimum base pay of \$2600/mo.

A **written test** will be given by the State of Wisconsin on **February 12, 2000 8:30 a.m. in Milwaukee or Fond du Lac.** Please specify the city you will take the test in when applying. **The State will notify you of the specific location/room number and time of test.**

COMPLETED PRELIMINARY APPLICATION MUST BE TIME-STAMPED IN THE WASHINGTON COUNTY HUMAN RESOURCES DEPARTMENT BY 4:00 p.m. JAN. 20, 2000. SOCIAL SECURITY CARD AND DRIVER'S LICENSE REQUIRED AT THE TIME OF APPLICATION.

Must possess the following qualifications by the deadline date for filing applications.

- 1) All applicants shall be citizens of the United States;
- 2) All applicants shall not be less than 21 years of age;
- 3) Applicants shall have a high school diploma or the equivalent thereof;
- 4) Applicants shall have an Associate Degree or sixty (60) college credits from an accredited technical school, college or university;
- 5) Applicants must possess certification as a Police Officer or be eligible for certification as a Police Officer by the State of Wisconsin (having completed 400 hrs. of police recruit school requirements);
- 6) Applicants shall not have been convicted of a criminal offense equivalent to a felony or a serious misdemeanor under Wisconsin law;
- 7) Applicants shall be in good physical condition with weight proportioned to height;
- 8) Applicants must have the ability to distinguish colors;
- 9) Applicants must possess a valid Wisconsin driver's license;

Residency within Washington County must be established within ninety (90) calendar days of their original appointment date.

All applicants for the position of Deputy Sheriff who successfully complete the written examination shall be graded on the basis of thirty percent of their total score being applied to the written examination and seventy percent of the total score being applied to the oral examination. The names of all persons whose written grade is among the top ten scores will qualify for the interview process. Successful applicants will be required to pass a physical examination, with a weight lifting minimum requirement of 75 lbs., and drug screening prior to appointment. A psychological examination including a polygraph may be required.

An Equal Opportunity Employer

DATED this 3rd day, of January 2000

Dairyland Seed Introduces Magnum V-Wet

West Bend, Wis. -- Building on the industry's best-selling branched-rooted alfalfa variety, Dairyland Seed introduces Magnum V-Wet alfalfa. Magnum V-Wet offers an improved disease resistance package over its predecessor, Magnum III-Wet, as well as improved yields in university trials.

"We have taken the benefits of our unique branched-rooted alfalfa and strengthened the alfalfa's disease resistance," explains Tom Strachota, CEO at Dairyland Seed. "Magnum V-Wet complements our complete lineup of elite alfalfa varieties."

The branched-root trait keeps more of the root system above the water table, making Magnum V-Wet an excellent choice for producers with low-lying or poorly drained soils. The up to 80 percent branched-root trait also helps anchor the plant's crown against heaving.

"Magnum V-Wet is designed for poorly drained soils or fields subject to heaving. It is highly productive in medium to well-drained soils as well," says Mike Velde, alfalfa plant breeder at Dairyland Seed. The secret behind Magnum V-Wet is the plant's ability to adjust to moisture stresses. Unlike tap-rooted alfalfa varieties, the roots of the Magnum V-Wet variety branch out, staying above the water table. "The wetter the soil, the more the branched-root trait will adjust," Velde says.

Magnum V-Wet is rated excellent for winter hardiness, has resistance to all major diseases, and carries exceptional persistence characteristics. "Growers can be confident that Dairyland Seed only releases varieties that offer significant improvements over our current lineup," Velde says.

Magnum V-Wet is rated highly resistance to Phytophthora root, bacterial wilt, Fusarium wilt and northern root knot nematode. It is rated resistance to aphanomyces root rot (race 1), verticillium wilt, anthracnose (race 1), stem nematode, spotted alfalfa aphid and pea aphid.

State head-to-head forage yield data from Minnesota and Wisconsin showed Magnum V-Wet performs where it matters most - in the field. Magnum V-Wet had a proven 6 percent

yield advantage over 12 leading competitors. Compared to Magnum III-Wet, Magnum V-Wet had a 1.48 ton yield advantage in university trials.

"Our elite products are backed by more than 30 years of solid research," Strachota says. "Growers have always been able to count on Dairyland Seed for superior performing varieties."

Dairyland extends its commitment to proven alfalfa products across all its alfalfa varieties. Magnum V alfalfa is a guaranteed, top-of-the-line variety for high yielding, high quality alfalfa. To maximize quality forage from each acre, Dairyland Seed offers patented Sequential Maturity™ Alfalfas, the

only alfalfa varieties with maturities like corn. Forecast™ 1000, the early variety, matures five to seven days before Magnum V; and Forecast™ 3000 matures three to five days after Magnum V. Growers can expect the same outstanding yield, persistence and disease resistance package in the Forecast Sequential Maturity™ Alfalfas.

Dairyland Seed Co., Inc., is a family owned seed company with research programs in alfalfa, soybeans and hybrid corn. Its alfalfa breeding program, established in 1966, includes company breeding and nursery facilities in Clinton, Wis., Gibson City, Ill., Otterbein, Ind., Gilbert, Iowa, and Sloughhouse, Cal.

The first successful gasoline-powered auto in the United States was built by the Duryea brothers in 1893.

NOTICE TO ALL WASHINGTON COUNTY DOG OWNERS

Pursuant to Section 174.052, Wisconsin Statutes, notice is hereby given to all owners of dogs in Washington County that dog licenses and rabies vaccinations are required.

Vaccination by a licensed veterinarian against rabies is required of all dogs (Section 95.21(2)) within 30 days after the dog reaches 4 months of age and revaccinated within one year after the initial vaccination. The owner of a dog shall have the dog revaccinated against rabies by a veterinarian when the certificate expires or within three (3) years of previous vaccination. The certificate of rabies vaccination must be presented to the collecting official before a dog license may be issued.

All dogs five (5) months of age or older require a license. The minimum license fee for neutered males or spayed females is \$3.00, upon presentation of evidence attesting to the same, and \$8.00 for the unneutered male or unspayed female dog or one-half of these amounts if the dog became five (5) months of age after July 1 of the license year. The governing body of any town, village or city may raise the minimum dog license tax. Any person who keeps or operates a kennel may apply for a kennel license. The fee is \$35.00 for twelve (12) dogs or less and an additional \$3.00 for each dog in excess of twelve (12).

Dog licenses can be obtained from your local town, village or city treasurer or designee during the course of any given year. Dog owners should notify their treasurer if their dog is given away or has died, so that you will not be considered delinquent. An affidavit of death is available.

PENALTY
Every owner of a dog 5 months of age or older who fails to obtain a license by April 1 will be assessed a late fee of \$5.00.

Marilyn H. Merten, Washington County Clerk

Keppert Has Challenging Year at Slinger Speedway

Alan Keppert

Frustrated, yet determined, Alan Keppert of West Bend, faced the many challenges of a modified stock car driver at the Slinger Speedway this past racing season.

It's not easy to keep a stock car on the track when car owners, sponsors and driver have different ideas on how to be competitive and achieve a championship.

Alan has been racing the IMCA modified division since 1994 and this year has been the most trying year. With the help of his girlfriend, Jeani Falk, and his crew chief, Gary Allen, of Kohlsville, Alan was able to finish in the top 15 in the point standings.

This year Alan was offered a "ride." This means you must do what the owner/sponsor wants. Go to car shows, get other sponsors, and most of all be in the winner's circle. Although the opportunity is there, the sacrifice of being your own boss has to be weighed.

Halfway through this year's racing season, that is just what happened to Alan. He found out it was better to take back the security of being his own boss, maintain and drive the modified to the best of his abilities.

In the past, Alan has finished in the top five of the point standings in the IMCAs and has competed on dirt at Hales Corners and on asphalt at Slinger. Alan is one versatile driver. He is in an elite group of drivers when it comes to competing on dirt and asphalt.

This is a real challenge

chauffeured cars on dirt and asphalt. Alan Kulwicki started on asphalt, went to dirt and back to asphalt again. So Alan Keppert IS an elite driver when he takes his #7 modified on the track.

Alan works for West Bend Transit and Service as a truck driver. In his spare time, when he's not working on his modified, he enjoys hunting and competitive shooting.

"Without my sponsors, I would not have been able to finish out the year. I really appreciate their help and my crew's efforts," said Alan as he reflected back through the season. At the last race of the season, since Alan was out of the running for the top five point finishes, he let fellow driver John Krueschel of Sussex use his car so John could finish over 75% of the races and finish in the top 10 in points. This is a true "gentlemen's gentleman."

Sponsors for the #7 this year were: Central Services of New Berlin; Eye Care Optical of West Bend; CKC Graphics and Signs of Grafton; Robl Cartage of Milwaukee and Our Place Tavern of West Bend.

Alan is looking forward to next year, with these sponsors and a new car. "I have a different perspective on being the owner/driver. My goal for the year 2000 will again be to get in the top five of the IMCA point standings at Slinger and try to win a feature or two," Alan said, as he closed out the racing season for 1999.

Alan and the other drivers who have competed in more than 75% of the races at Slinger Super Speedway will be honored at the SSS Awards Banquet held at the Circle B Banquet Hall on Highway 60, on February 26, 2000.

Indian JV Boys Win One, But Lose Two

The junior varsity Indians took a second mark in the loss column after closing the pre-holiday schedule with a date at Manitowoc Roncalli. The host Jets were not very hospitable as they held off a furious rally by Kewaskum to defeat the Indians, 44-40.

Roncalli's defense stifled the Indian offense, forcing 22 turnovers and holding them to 37% field goal shooting on the night.

Tom Ogi dominated the stats for Kewaskum, scoring 18 points, grabbing nine rebounds and three steals. Tony Fitts and Nathan Fechter shared shot blocking honors with three apiece while Fitts and Chris Canter each dished out three assists for team highs.

The junior varsity record slipped to 5-2 overall and 2-2 in the conference.

SCORE BY QUARTER

	1Q	2Q	3Q	F
Kew	8	17	28	40
Opp	13	21	32	44

STATISTICAL LEADERS

Scoring: Tom Ogi (18)
Rebounding: Tom Ogi (9)
Steals: Tom Ogi (3)
Blocked shots: Tony Fitts, Nathan Fechter (3)
Assists: Tony Fitts, Chris Canter (3)

Frustrated was the best word to describe the Kewaskum JV boys basketball team after their first game of the new millennium in Plymouth. The Indian

offense never got untracked and their defense trailed by a step most of the evening as they dropped to the host Panthers by a 50-34 score.

The green and white drew within four points early in the third quarter, but would get no closer as they struggled on both ends of the floor in their first game back from the holiday break.

Tony Fitts led Kewaskum with 11 points. Tom Ogi continued his tough game on the boards, collecting nine rebounds. Fitts shared steal honors with teammates Chris Canter and Bryan Kraft with two thefts each. Ogi blocked three Panther shots while Josh Repovsch and Kraft each recorded two assists.

The JV Indians record fell to 5-3 overall and 2-3 in the conference.

SCORE BY QUARTER

	1Q	2Q	3Q	F

Indians Lose To Panthers

Last Tuesday night, the Kewaskum and Plymouth boys squared off in a game featuring two teams hungry for a win.

In the first half, it was an even battle all the way with Plymouth taking a 28-23 lead. Kewaskum stormed out of the locker room and ran out to a 47-34 lead with excellent defense, superb rebounding and some nice shooting.

Plymouth, not to be denied, applied some full court pressure and caused Kewaskum to lose their momentum. After a few steals and several quick hoops, Plymouth was back in the game.

Kewaskum mounted a spirited fight but clutch free throws by Plymouth sealed the 65-64 win for the Panthers.

Statistical leaders for the Indians included Kevin Miller with 22 points on 67% shooting; Jesse Boegel with 15 points and seven rebounds; Billy Cook with seven assists; Charlie Sparks with six rebounds; Dan Markeland with six

rebounds; and special mention must be made of Jon Boedeker who started his first varsity game and scored nine points on 67% shooting.

Football began to develop during the mid-1800s when a game similar to soccer was played in the Eastern U.S. The object of the game was simply to kick a round ball across the other team's goal line. Teams sometimes consisted of 30 or more players.

JV Boys

(Continued from Page 19)

ning way as they fought off a slow start and the Sheboygan Falls Falcons to notch their sixth win of the year, a 52-44 conference victory.

The Indians could only manage two points in the first quarter despite having many good shots at the basket. A bucket by Tony Fitts at the horn got Kewaskum on the board, trailing 7-2 at the end of the period. A solid second quarter gave the Indians a 14-13 lead going into the locker room at halftime.

The third quarter was all Kewaskum as they hit three three-point goals and scored 21 points in the period to take a commanding 35-21 lead. The Sheboygan Falls boys still had plenty of fight in them as they dominated the offensive boards and scored 23 points in the fourth quarter. The Indians hit key free-throws down the stretch to hold off the Falcons and record the win.

The JV Indians improved to 6-3 overall and 3-3 in the Eastern Wisconsin Conference.
