## Still Time to Be Included In KM Tourism Brochure

The Northern Kettle Moraine Tourism Council in response to several state-wide and local requests in gearing up to produce and distribute the year 2000 edition of "Welcome to Kettle Country."

Over the past 1-1/2 years 40,000 copies of the colorful forest area promotional brochure have been distributed through local businesses and tourist information centers throughout Wisconsin and parts of Illinois and Minnesota.

For those not familiar, Welcome to Kettle Country is an ongoing effort to produce a clean, easy to read road map of the Northern Kettle Moraine. The goal is to make navigating our scenic country roads easy and worry-free as well as to provide advertising exposure for the associate membership.

The tourism council is a group of local business owners derived from the Kewaskum and the Campbellsport Chambers of Commerce. Originally formed in 1996, the council has been working at developing unity in area tourism promotions.

Recently, 150 forest area businesses received applications for associate membership in the mail. It is asked that they be returned within the next week in order to be able to go ahead with the next printing. If adequate response is received, distribution of the new addition will begin in March of 2000.

The fee for membership has been increased this year but the level of exposure provided by the council has also increased.

Members benefits include:

1. Thirty-word listing and bullet mark on the printed map/brochure "Wel-

come to Kettle Country." (25,000 copies).

2. Listing and map location on Kettle Moraine visitor information Web site at Internet Kmoraine.

3. Exposure in council owned and maintained literature racks throughout the area.

4. An opportunity for the local business owner to have a voice in the direction of coordinated tourism promotions in the greater Northern Kettle Moraine Forest Area.

For further information, or to receive an application, please call Mike Desterhott at (262-626-8287; the Kewaskum Area Chamber of Commerce at (262) 626-3336, or the Campbellsport Chamber of Commerce at (920) 533-8338.

The tourism council would like to thank its members and supporters of the "Welcome to Kettle Country" project for its huge past success and ask for your continued support in the production of the year 2000 edition.

## Leroy Bier Passes Away

Leroy Bier, age 65, of Kewaskum, passed away unexpectedly at his home on Wednesday, January 19, 2000.

Please call the Miller Funeral Home at 626-2185 for service information. A complete obituary will be published in next week's newspaper.

## Town of Kewaskum Handles Usual Business

By Andrew R. Kuehl  
 Staff Writer/Photographer

The Town of Kewaskum opened their January meeting Monday evening with a meeting of the town's plan commission.

The commission had discussion on a land division and farm consolidation of the remaining acreage on the Jeffrey Meyer farm located on CTH B, sections 17 & 18 of the township.

Due to a perceived conflict of interest, Chairperson Scott Sager asked that board member Bill Butzlaff Jr. to abstain from voting and seat himself in the audience. Butzlaff took Sager's advice and seated himself in the audience.

Mike Lettow represented Mr. Meyer's interests, and discussion took place on the item.

The meeting adjourned with no action.

A meeting of the town board took place and the board approved a conditional use permit for Charles and Beverly Schultz to operate a gravel pit on Badger Road. The permit is filed annually and there were no changes.

Lettow asked if there would be a problem now that the road was new.

Bill Butzlaff reiterated asking if Schultz would be responsible for damages to the road.

Sager said it is worded as such.

Butzlaff made the motion and Lettow seconded.

Treasurer, Dan Stoffel indicated that the balance in the Prime account was \$79,403.11 and \$15,047.36 was in the checking account at the end of the year.

## Campbellsport Building Supply Announces New Home Designer

CAMPBELLSPORT -- Campbellsport Building Supply and Berlin Building Supply have announced that they have hired Erik Wilson to design homes and additions for both of their locations. He will be working alongside head draftsman Frank Gitter in the Campbellsport location.

Erik had been working as a drafter and designer of housing rehabilitation projects for the City of Springfield, Missouri. He has worked in the field discussing details with contractors, taking measurements, and keeping track of chronological improvements of various projects. "The opportunity to design homes

brought me to the area. The local community and people have been a real bonus," comments Erik.

Located at 227 West Main Street in Campbellsport, Campbellsport Building Supply serves homeowners, builders and remodelers in Campbellsport and the surrounding communities. Designing and furnishing materials for dream homes since 1985, the firm has focused its skills on supplying the Kettle Moraine area with quality building materials.

To contact Erik call Campbellsport Building Supply at 920-533-4412 or e-mail him at cbslumber@netwurx.net.

## Sunburst Ski Area Offers Ladies Day

It's time the ladies treat themselves to a day especially designed for them. A day of fitness, food and fun with friends.

Sunburst of Kewaskum will open the ski hill for ladies only on Tuesday, January 25 and Thursday, February 24, from 10 a.m. to 4 p.m. each day.

Women can take ski lessons that day without being intimidated by the men and then relax over lunch. Blue Sky students will be providing massages

to sooth those aching muscles.

Factory reps will be present to show what's hot in skis and equipment this season, and offer free demos for perspective buyers.

A lift ticket will be \$16; rentals will be \$16; a lesson will run \$10 to \$25, and lunch will be served ala carte.

Further information on Ladies Day can be obtained by contacting Sunburst Ski Area at 262-626-8404.

## Snowmobile Club Steps Forward With Donation

At a recent meeting of the New Fane Kettle Riders Snowmobile Club, club members voted to make a contribution to assist Lisa Bronkhorst and her family. Members became aware of the need through an article published in the January 13, 2000 edition of *The Kewaskum Statesman*.

Lisa, a 32-year-old single mother of two young daughters, is a patient at Froedtert Hospital in Milwaukee in serious condition awaiting a liver transplant.

While the New Fane Kettle Riders is a small club in the area, the club is donating \$100 and encourages other clubs and organizations in the community to join them in supporting this community family.

Donations may be made to the "Donations for Lisa" account at West Bend Savings Bank or to the account under Lisa's mother's name "Sandra Bronkhorst - Donation Account" at St. Francis Bank.

## Honor Area AAL Branch

Members of the Aid Association for Lutherans (AAL) Branch 26, Kewaskum, have been awarded a Gold Star rating by the fraternal benefit society in recognition of outstanding volunteer service to the community.

AAL's 9,972 branches were ranked in several performance categories. For a Gold Star rating, branches annually must sponsor at least one AAL benevolent activity such as a fund-raiser, conduct regular business meetings, sponsor at least one educational activity and one branch member welcome event, and comply with voting and reporting requirements.

The branch is led by Beth Herriges, President; Diane Lemke, Vice President; Lucille Marquardt, Treasurer, and Ione Schmidt, Secretary.

The branch is supported by Kimberly Sellnow, Kewaskum. AAL, based in Appleton, is a fraternal benefit society of 1.7 million Lutherans joined together for insurance, educational and volunteer opportunities.

## Full-Time Inter-District Open Enrollment Applications Available

Wisconsin residents in grades kindergarten to twelve may apply to participate in open enrollment.

Students in pre-kindergarten may participate in limited circumstances. Parents should call their resident school district administrator for details.

Parents wishing to participate must submit appli-

cation forms to the non-resident school district during a two-week period in February (February 7 to February 18 for the 2000/2001 school year).

A DPI brochure describing the program is available from the district by calling 262-626-8427, extension 8001 to request a copy of the brochure.

## Kiwanis Donate New Deer to Village

The Kiwanis Club of Kewaskum recently donated the "doe" for the cement deer ornamental decorations for the "Welcome to Kewaskum" sign at the southern edge of the village. Shown above, left to right, is Kiwanis President Kevin Scheunemann, village crew lead man Alan Kuehl, village crew members Craig Gruber, Dennis Aupperle and Denis Thull, Director of Public Works Jerry Gilles and Kiwanis club member Eugene Bohn.

## 'Meals on Wheels' Volunteers Needed

People who like to drive, and want to help others, are needed to volunteer for Meals on Wheels, a program that provides hot, nutritious meals for homebound residents of West Bend and is sponsored by St. Joseph's Community Hospital of West Bend.

Laura Mintz, manager of food and nutrition services at the hospital, where the meals are prepared, said drivers perform an important service by bringing warm meals and friendly faces to recipients' homes. Drivers pick up the meals at the hospital and, using their own cars, deliver them to recipients' homes between 11 and 11:30 a.m. each weekday.

Volunteers may sign up to drive once every other week or more often, and should have their own car. Substitute drivers are also needed. People interested in becoming Meals on Wheels volunteers should call Mintz at St. Joseph's Community Hospital at 334-8383.

## Help is Here To Keep New Year Resolutions

It's easy to make New Year's resolutions, but it's not always easy to keep them. Barbara Argabright, manager of health promotion services at St. Joseph's Community Hospital of West Bend, will share some special tips in a free program, "How to Keep Your New Year's Resolution," Monday, January 31.

Argabright maintains that losing weight, sticking to an exercise program or quitting smoking are not just matters of luck or even willpower. In her program, she'll offer specific techniques to make personal changes that work.

The program will be held from 7 to 8 p.m. in the hospital's fourth floor east conference room. Registration is requested by January 24.

To register or for more information, call St. Joseph's Community Hospital's Class Connection Line at 306-7888.

## Lunchtime Series Offers Ways to Maintain Weight

St. Joseph's Community Hospital of West Bend is offering a series of lunchtime programs -- "Successful Strategies for Weight Maintenance" -- designed to help participants learn how to eat healthy and achieve a healthier weight. Gloria Maliszewski-Weller, registered dietitian at St. Joseph's, will discuss a new health topic each week.

Many people have discovered that it's harder to maintain a healthy weight than it is to lose weight. This program offers strategies and tips for weight maintenance and answers to nutritional and weight-loss questions, with information based on the American Dietetic Association guidelines. As an option, participant's weights will be taken weekly.

"We'll explain what healthy weight loss and healthy eating is, and share information on strategies to keep weight under control," said Gloria. "It's important to make health, not appearance, your weight management priority."

The classes will be held from noon to 12:30 p.m. Wednesdays, February 9 through March 15, in the hospital's conference room A. Participants may bring a lunch if they desire.

The fee is \$25. Registration is requested by January 27. To register or for more information, contact the hospital's Class Connection Line at 306-7888.

## Dairyland Seed Announces Yieldmaster Contest Winners

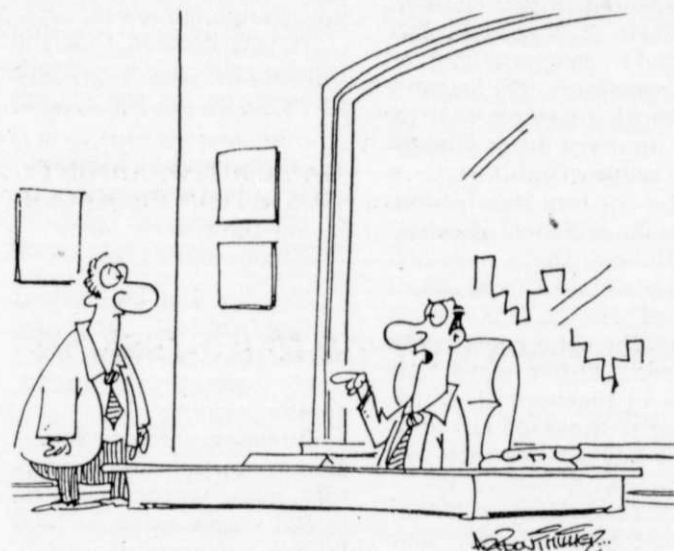

WEST BEND, Wis. -- Dairyland Seed has announced that Doug Brander of Spring Green, WI, has taken First place in their 1999 Wisconsin Corn Yieldmaster Contest. Mr. Brander obtained his yield of 232.50 bushels per acre with Stealth-1412.

Dave Rundell of Livingston, WI, took 1st place in their 1999 Soybean Yieldmaster Contest. Mr. Rundell obtained his yield of 68.51 bushels per acre with DSR-293/RR.

According to Tom Strachota, Chief Executive

Officer, "Our family-held business has been spending 15% of revenues on research for 22 years, while the global companies have spent 7-8%. We are very proud of Doug and Dave's results as it is rewarding to see farmers benefit from this research investment. Our goal is to continue to focus on yield so that the future will bring farmers better profitability."

For more information on Dairyland Seed, call 1-800-236-0163 or write PO Box 958, West Bend, WI 53095.

## 25 Years Ago

January 17, 1975

An Open House will be held on Sunday, January 26, from 1 to 4 p.m. in the new Middle School, 1676 Reigle Drive, Kewaskum, and in the Kewaskum Elementary School addition, 1550 Reigle Drive, Kewaskum. This date was approved by the School Board at its meeting Monday evening as a report was made on the building program. No occupancy dates have been set for the new high school addition, the last of the building projects to be completed.

The Wisconsin Jaycees, an organization of young men 18 through 35, which is represented in 230 cities in the State of Wisconsin, has decided to charter a chapter in Kewaskum. The organizational meeting will be held January 16 at Hon-E-Kor Country Club.

The flu bug has hit the Kewaskum School District. On Monday there were 300 students absent from school out of the 2,100 which attend the six schools in the district. There were also some 14 teachers ill, which brought most of the district's substitutes into service.

With the deadline for filing at 5 p.m. Tuesday, four candidates have declared their intent to run for the three spots on the Kewaskum School Board, thereby creating a race for these posts. Incumbents Dr. Charles Ogi, Route 2, Kewaskum and James Oelhafen, Route 1, Allenton, made their declaration of candidacy on January 7. The other incumbent, Allen Tessar of Kewaskum, and a newcomer, Daniel W. Stoffel, Route 2, Kewaskum, officially became candidates on January 13.

It was a warm, rainy evening outdoors and hot inside the gym but nevertheless the Indians were cold here Friday night before a packed house. As a result they were upset by Slinger, 72-66, dropping them into a tie for third place. To make matters worse the Indians were without the services of starting junior guard Jim Bilgo, who suffered a bone fracture in his leg in practice Wednesday. Bilgo, who had started every game, is a good ball handler and one of the team's best defensive players. Jack Kern, another junior and a top reserve, was also out due to illness and played only a few minutes. Bilgo will be out indefinitely.

A son, Craig Lee, was born to Chuck and Gelane Firme, Sheboygan, on December 29. The Firmes are former residents of Kewaskum. Mrs. Firme is the former Gelane Vetter.

Mr. and Mrs. Robert Bengel, Route 1, Campbellport, announce the birth of a son, Scott William, born January 10. Grandparents

are Mr. and Mrs. Lester Soyk of Eden and Mr. and Mrs. William Bengel of Campbellport.

## Letter to The Editor

Dear Editor:

Re: The Packers

Over 20 years ago, a small Catholic Church in a little town in northern Wisconsin needed a new church. The priest told the parish members, "We need new facilities, but we can't afford to build them. We can't ask taxpayers for money. We can't ask other churches or communities for money. So we, the users of the church, must pay for the new church ourselves."

It was decided that the regular collection would continue to be for the church

upkeep; then in a second collection, everyone would put in \$1.00 or more for the new church. Several years later, a new church was built with no problem.

In a way similar to this, the Packer organization can get funding for their stadium plans. Those attending games will continue to purchase tickets... (the regular collection). Then at the entrance to the stadium, the fans can be charged one or two or five dollars entry fee... (the second collection). In this way, the people that use the facilities will finance the remodeling of the old or the building of the new football complex, by paying an entrance fee.

The Packer players and staff, themselves, are users of the Packer facilities. Each player should be charged a user fee of \$25.00 or more to play in each game. Since they get paid big wages, each player can well afford to contribute their share to the stadium fund. They certainly can afford it, better than Senior Citizens or some of the other citizens of the community and state.

## Moraine Park Wins Regional Marketing Awards

Moraine Park Technical College received six regional marketing awards at the 1999 National Council for Marketing and Public Relations (NCMPR) District III Medallion Awards, held in Madison, Wis.

"Competing with other professionals in your field is a great opportunity to learn," said Roberta Foutch-Reynolds, Moraine Park's marketing partner. "It allows us to see what other two-year colleges are doing to market their institutions, gives us a chance to share ideas, and helps us to stay current with our competition."

Nearly 270 entries from two-year educational institutions throughout Illinois,

Indiana, Michigan, Ohio, Wisconsin, and Ontario, Canada, were received in this year's NCMPR District III Medallion Awards. Moraine Park received a silver award for its annual report and print ad; a bronze for its Web page; and swept the radio ad category, winning gold, silver and bronze.

NCMPR District III Medallion Awards recognize outstanding achievement in marketing communications for community, junior and technical college professionals. NCMPR is an affiliate council of the American Association of Community Colleges (AACC) and is dedicated to fostering the professional development of college communications staff in public relations, public information, marketing, enrollment management, community relations and development.

## KHS Completes Another Preschool

The juniors and seniors in Mrs. Martin's child development classes at the high school have completed another successful 12 day session for the community's preschoolers. It was hard to tell if the "teachers" or their young students were having more fun as they learned. The high school will also be conducting another preschool in May and interested parents are asked to watch the paper for details in March or to contact Mrs. Martin at the high school.

## County Republican Women Celebrate Membership

Erin, WI -- Members of the Washington County Republican Women and their guests gathered at the home of Crystal and Jim Berg last week. State Representatives Mickey Lehman and Glenn Grothman, State Senator Bob Welch, former US Senate candidate and Chris Slinker, a candidate for Menomonee Falls Trustee position and staffer for Senator Alberta Darling joined in the relaxed, friendly evening.

This traditional social event of WCRW began three years ago to give members a fun opportunity to visit with each other and other elected leaders. "Of course politics and current events are discussed," stated Berg, "but we are each others audience. It is an enjoyable twist."

WCRW takes pride in providing non-traditional formats for members to share and learn information. "Politics as usually is not the way we do business," says Kathy Kierman, WCRW Treasurer, "If women are staying away because they think they do not know enough, that would be a shame because we have so much fun learning so many different ways."

WCRW hosts an informal

breakfast chat at the Sawmill, Richfield on the fourth Thursday of each month and everyone is welcome. Membership dues are \$12.00 per year and the 2000 membership drive is beginning this month. Send a check payable to WCRW to PO Box 316, Hubertus, WI 53033.

For more information contact the Washington County Republican Party voice line at 334-4150.

## Home Builder's Expo at County Fair Park Pavilion

The 5th annual Home Builder's Expo will be held this year at the Washington county Fair Park Pavilion, located just off Hwy. 45 and County Hwy. PV. Formerly held at Silverbrook School, Bob Kirst of the Home Builder's Association said, "It is a great locale, easy access and free parking. This annual event is good for people who are thinking about building, remodeling, adding on, or even redecorating. Bring your plans and ideas and talk to any of the 80 exhibitors."

Held Friday, February 18, 4 to 9 p.m., Saturday, February 19, 9 a.m. to 7 p.m., and Sunday, February 20, 10 a.m. to 5 p.m., the Home Builder's Expo is sponsored by WBKV-WBWI, the West Bend Builder's Association and The Sunday Post. Advance admission tickets are \$1.50, and \$2.00 at the door. Advance tickets are available at WBKV-WBWI, The Sunday Post, B&H Lumber Company, Bank One, and M&I Bank. A \$500 cash door prize will be given as well as prizes from the many exhibitors involved.

"The West Bend Lions Club will be serving food and refreshments for the

whole three days. We want you to come out and enjoy a fine evening for the fish fry on Friday and enjoy the show," Kirst said.

Stressing something new for home owners and home builders to consider, Krist's focus this year is on indoor air quality. "People drink bottled water for their health, but we don't stop much to consider how the quality of the air in our homes might effect our health. Respiratory problems are up 400% in the last

ten years and a lot of it has to do with air-tight homes that have poor ventilation. I've been building energy tight homes for years and have found this program that I got excited about. I've been to a lot of classes on carbon monoxide and mold problems, new carpets are a factor also. We are all striving for better health and that is a good reason to come out to the Expo and learn more about how to prevent these problems," Kirst said.

The Lions Club asks that people attending remember that they are collecting used eyeglasses and hearing aids.

The couple is planning a September 2, 2000 wedding.

## 'Last Puff' Smoking Cessation Class Adds Exercise Option

St. Joseph's Community Hospital of West Bend is offering "The Last Puff" six-week smoking cessation program for smokers who want to break the habit. For the first time, a new optional exercise component has been added. "The Last Puff" will be held Tuesdays, February 1 through March 7 from 7 to 8:30 p.m. in the hospital's conference room A.

The optional exercise component will begin a half hour before the program, and includes two additional optional exercise opportunities each week.

"Exercise is an important part of quitting, because it substitutes a good habit for a bad habit, and it eliminates stress," said Al Ludin, registered respiratory therapist at St. Joseph's who conducts "The Last Puff." "I quiz past participants about why they smoke, and many of them say it's to relieve stress. Exercise is one of the things we talk about in the class -- it's the number one stress reliever."

The supportive six-week program provides smokers with the skills they need to stop smoking. The social, physical and psychological attachment to smoking is explored. Participants also receive information on weight control, stress management and coping techniques. Gary M. Herdrich, M.D., a family practice physician, will be a guest speaker for the smoking cessation program.

Craig Feiter, exercise physiologist at St. Joseph's, will conduct the optional

half-hour exercise session in the hospital's rehabilitation services department. Participants will work at their own pace and will be able to use aerobic equipment including treadmills, stationary bikes, stair-stoppers and other equipment. Participants may return twice again that week, at times convenient for them, to exercise in conjunction with ongoing rehab classes.

"The Last Puff" fee is \$60, with an additional charge for the optional exercise component. The registration deadline is January 25. To register or for more information, contact the hospital's Class Connection Line at 306-7888.

## Offering Childbirth Refresher Course

St. Joseph's Community Hospital of West Bend is holding a childbirth refresher course Monday, January 24, from 7 to 10 p.m. in the hospital's fourth floor east conference room.

The class is designed for parents who have attended childbirth preparation classes for a previous pregnancy. Topics covered vary depending on the needs and interests of each individual class, but can include a review of labor and coping techniques, breathing and relaxation, exercise, changes in hospital procedure and a tour of St. Joseph's Community Hospital's New Life Center.

The fee is \$10 per couple. To register or for more information, please call the hospital's Class Connection Line at 306-7888.

## Williams - Lang

# D.A.R.E. to Succeed

During the singing of "I Will Dare" by the graduating FES D.A.R.E. students, four students helped by raising signs. From left, April Benz, Kayla Garbisch, Matt Lawrenz, and Eric Garbisch.

Fifth graders at Farmington Elementary School culminated their seventeen week D.A.R.E. course with a graduation ceremony in the FES gym, complete with speeches, awards, dignitaries and even refreshments celebrating the students' commitment to resist drugs and violence.

The graduation ceremony featured words of inspiration and congratulations from State Representative Glenn Grothman,

Washington County Board chairman Kenneth Miller, Law Enforcement official Lt. John Buck, as well as school district officials including Superintendent Wayne Graczyk.

Additionally, there was a powerful demonstration of lung capacity utilizing an air pump and real pigs' lungs, one was healthy and pink, the other was black and collapsed, that of a pig exposed to cigarette smoke.

As part of their D.A.R.E. curriculum, students were

required to write essays explaining how what they learned will help them in their lives. Kyle Stoffel, Kate Michalek, Jordan Geidel, and Ashley Turner read their essays to the audience. Victoria Schilling also spoke before the crowd, welcoming those attending and leading the group in the Pledge of Allegiance.

Afterwards, refreshments were provided courtesy of the FES PTO and parents of D.A.R.E. students.

Kristin Blank receives a pin and congratulations from Washington County Sheriff Deputy Lt. Buck for her completion of the D.A.R.E. program.

Jordan Geidel and Ashley Turner (right) were two Farmington D.A.R.E. students that read their essays about living a drug-free and violence-free life.

## 4-H Achievement, Recognition Awards Presented

Over 250 4-H youth, leaders, families and sponsors attended the 1999 4-H Achievement and Recognition Program on October 17. Over 150 awards were presented for outstanding accomplishments and achievements in the county 4-H program. The WI Key Award, the most prestigious award a 4-H'er can receive, was presented to two outstanding Washington County 4-H members who have shown constant growth and development in their projects, youth leadership, community, county and state involvement. This award is sponsored by the Washington County Farm Bureau. Pictured above are this year's recipients, Scott Yogerst, with his parents, Don and Bonnie Yogerst and Krista Hinckley, with her parents Robert and Barb Hinckley.

For 25 years of service, Barbara Yankus, Helen Doll and LeRoy Doll were recognized with an Emerald Clover. A Ruby Clover was presented to Agnes Wagner for 30 years of service and Muriel Bast was recognized with a Sapphire Clover in honor of her 35 years of service. Pictured above are LeRoy and Helen Doll and Barbara Yankus.

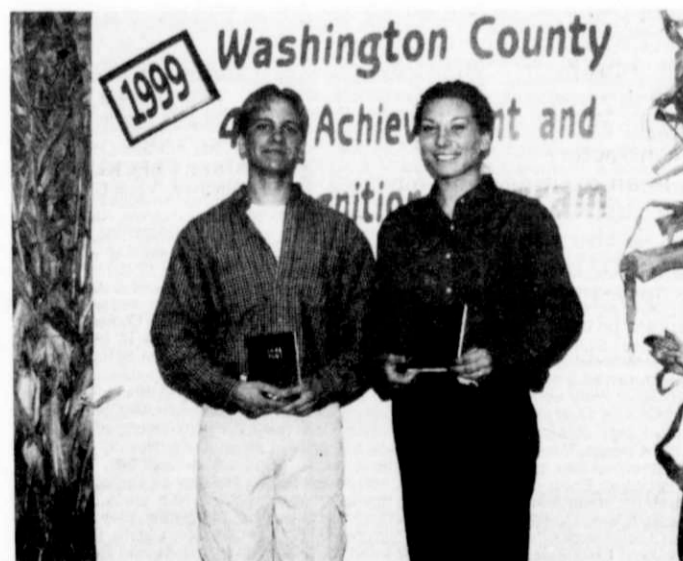

Congratulations go out to the Career Award winners who have excelled in the following areas: Achievement - Natalie Hinckley, Robert Herther, Maggie Kiselicka. Arts/Communication - Natalie Hinckley, Maggie Kiselicka, Jenny Adkins, Rachel Westerman. Agriculture - Natalie Hinckley. Home Economics - Maggie Kiselicka, Rachel Westerman, Amanda Kirsch. Leadership - Maggie Kiselicka, Stefanie Westerman, Brooke Zanow, John Kohler. Pictured above, left to right: Rachel Westerman, Natalie Hinckley, Maggie Kiselicka, Robert Herther, Amanda Kirsch, Brooke Zanow and Stefanie Westerman.

The Brenda Oelhafen Memorial Award and Traveling Trophy was presented by Jim and Carol Oelhafen of the Wayne Crusaders 4-H Club to Katie Feutz, center, of the Thompson Irish Settlers 4-H Club for her leadership, project work, and community service. Other finalists were Becky Lawton, Lisa Stretz, Ann Marie Schowalter, Sarah Herther and Krista Hinckley.

For five years of service the Silver Clover was presented to Dawn Gales, John Gruling, Karen Gruling, Rachel Heidtke, Tim Herman, Debbie Hoefert, Diane Jaeger, Judith Kasten, Diane Kiel, Susan Kirsch, Pattie Neltzel, Branda Pasek, Patricia Puestow, Catherine Schaefer, David Schaefer, and Mark Vanden Heuvel. For 10 years of service the Gold Clover was presented to Jean Briggs, Julie Darmody, Sharon Hext, Shelly Mayer, Richard Roemer, John Schwendemann, Wesley Weinhold and Robert Yogerst. For 15 years of service a Pearl Clover was presented to Chris Beder, Kathleen Feller, Chris Pamperin and Matthew Serman. For 20 years of service, a Diamond Clover was presented to Beverly Buckmann and Marilyn Nadelhoffer. Pictured above are Wes Weinhold, Debbie Hoefert, Brenda Pasek, Diane Kiel, Pattie Neltzel, Susan Kirsch, Jean Briggs, Norb Yogerst, Chris Beder and Chris Pamperin.

The "I Dare You" award recipients were Scott Yogerst of Richfield and Brooke Zanow of Kewaskum.

# EDUCATION... It's Everyone's Business

**Wayne P. Graczyk**  
Kewaskum  
Superintendent  
Of Schools

We have two school board candidates running for two open seats in April. Lisa Maul, incumbent, and Gordie Dickman will be on the April 4 ballot. Special recognition needs to go out to Jean Goeden. Jean made the difficult decision not to seek re-election for personal reasons. Her service and commitment to the children and the people of the district will be missed next year so I am sure I can say, on behalf of everyone, "Thank You Jean Goeden, for your 19 years of service!"

The referendum is over, yet the work has continued over the past two months. Many meetings with the architects, teachers, support staff, Buildings and Grounds, administrators, etc., have been held to develop interior schematic building designs for all three elementary schools.

These plans were formally presented to the full school board for approval at the January 10 meeting. Elsewhere in this issue of the *Statesman* you can see the approved interior design for the Kewaskum Elementary School building. In future editions this month, plans of the schematic drawings for both the Farmington and Wayne Elementary buildings will be printed. You are certainly welcome to stop in at the District office to view a larger set of plans and ask questions. From the schematic plans, blueprints will be drawn up and cost estimates developed by the general contractor.

It is an exciting time for all of us. As we move through the construction phases we hopefully will offer opportunities for community visits on site to see the progress being made. Once completed, we will most certainly have Community Open Houses at FES and WES in the fall of 2000 and in the fall of 2001 when both the KES and the administration buildings are completed.

Unless some unforeseen situation occurs, the timelines for the completion of the buildings are still as follows: Wayne and Farmington Elementary classrooms will be ready for occupancy

at the opening of the 2000-2001 school year. The Farmington gym is scheduled for opening in October or early November of 2000. The Kewaskum Elementary School is scheduled to be completed and ready for occupancy at the start of the 2001-2002 school year. The administration building will complete the entire project, being tentatively scheduled for occupancy in November of 2001.

Each month at its regular meeting on the second Monday of the month, a report is given to update the full school board regarding progress being made on the projects. Community members are encouraged to attend these meetings and keep updated on the construction and remodeling of your schools.

Community members are also free to call or visit

myself or Mr. Reichert, the District's Business Manager, to view plans or just to "chew the fat." The number is 626-8427. I will also use this column to reach out with details as they become known and are approved by the school board.

(Note: **CHEW THE FAT** comes from the world of sailing. Salt pork was basic to the diet of seamen in the great age of sailing. As none was wasted, pieces of skin were saved for emergencies. When supplies ran low, each crewmember would receive a chunk of skin in lieu of a slice of meat. A rind, or skin, was tough and unpalatable. But the layer of fat attached to it was better than nothing. So sailors chewed off the fat. Casual talk was a natural accompaniment of chewing on rinds. These shipboard chat sessions were so common that an expression was adopted by landlubbers: To indulge in idle talk, became known as "chewing the fat").

## Tractor Safety Course Required For All Young Farm Workers

Does your son or daughter work on a farm during the summer? Do you hire youth to work for you during the year? Do these young people have adequate safety training?

Accidents cause more deaths to individuals between the ages of 15 and 24 than all other causes combined. On the farm, the major cause of accidents is working with tractors and farm machinery. Most accidents happen when the operator does not know how to operate the tractor or machinery correctly or is unaware of the dangers involved.

To help reduce accidents, a Farm Tractor Safety Course is being sponsored by area High School Vocational Agriculture Departments and the University of Wisconsin Extension in Washington County.

The course will be held on four Saturdays, February 19, February 26, March 11 and March 18 from 9 a.m. to 3:30 p.m. On Saturday, February 19 and February 26, the course will be held in Room 1020 and 1026 at the Courthouse, 432 E. Washington Street, West Bend. The March 11 session will be held at the Slinger High School in Room 205. The March 18 session will be held at the Addison Town Hall in Allenton. March 25 has been set aside for a snow date.

The course includes instructions on understanding how to operate a tractor, with emphasis on safety. To

complete the course, youth must attend all four sessions and pass a written and a driving exam. The course must be 24 hours to comply with federal and state requirements.

Federal law requires that youth under the age of 16 must be certified before being hired to work with tractors and tractor machinery. Effective May 1, 1996, state law mandated that no person may direct or permit a youth under 16 years of age to operate a farm tractor or self-propelled implement on a public road unless the youth has been certified as successfully completing a tractor and machinery certification course.

Prior to the new law, only youth 14 or 15 years of age who operated tractors and equipment on a farm not owned by their parent or guardian were required to complete the safety course. Youth who drive a tractor for their parents may still do so without the formal training program as long as they do not operate a tractor on a public road. The law also does not apply to situations where a youth is driving a tractor and implement directly across (perpendicular to) a public road.

If you intend to hire any youth on your farm, make sure that they enroll in this course for your protection as well as theirs. There are penalties for not complying with the law. Also, some insurance companies have indicated that, technically, they can't cover an accident

to an untrained youth.

Protect your child or the young person who works for you... enroll them in the Farm Tractor Safety Course. A new state law mandates youth registered for the course must be the minimum age of 12 by the first session of the Tractor Safety Course.

The cost of the course is \$25 per student and limited to the first 25 paid participants. To register, call your local High School Vo-Ag Instructor or the UW-Extension Office in West Bend. Phone West Bend at 262-335-4477 or 414-342-2929 for the Milwaukee metro area.

## Agriculture on The Internet

Farm Families and others will have an opportunity to learn about using electronic media by attending an educational program "Agriculture On The Internet." The program will be held on January 25, 2000 at the Public Agency Center in West Bend, January 26, 2000 at the Sheboygan County UW-Extension Office in Sheboygan Falls and January 27, 2000 at the Ozaukee County UW-Extension Office in Port Washington. The sessions will start at 1:00 p.m. at all locations.

More farm families now have a computer that they are using for farm business purposes and personal uses. Many of these computers have the capability of accessing the internet and using e-mail. Many farm families are using their computers to access a wide variety of information for their farm business or using e-mail to communicate with others.

This program will address hardware, software, service providers and other information needed to make a decision on using the electronic communications. It will also provide a suggested listing of web sites for agriculture related information.

Advanced registration is appreciated by contacting the UW-Extension Office at the location you plan to attend, Washington County at 262-335-4477, Ozaukee County, 262-238-8288, Sheboygan County 920-467-5740. There is no registration cost for this program. Registration is limited to 20 participants.

## Pioneers 4-H News

Hello everyone! Our December meeting was a big success. We discussed the success of the fruit sale and talked about county-wide cloverbud day at the PAC the Saturday before.

We set up our Parent Advisory Committee and reminded the explorers of their countywide exploring day at the PAC on January 8. We then made Christmas cards for the residents at the Senior Care Center in Allenton. Then we delivered the cards and presents to each resident, brought goodies and sang a few carols.

Our January meeting started with a sledding party while the snow supply lasted. We were joined by two new members bringing our total to 11. Not bad for a new group this year. Cloverbuds were reminded about countywide Cloverbud Day on February 8. See you next month!

## Farmington Swampbusters 4-H Club News

Our last meeting was December 9, 1999 at the Farmington Town Hall. We had the meeting called to order and did the pledges and reports.

We had a discussion about the fruit sale. We also discussed the last minute Christmas Party details. Then, we had a sign up sheet for the record book rally. The record book rally is going to be held at the PAC 6:30 to 8 on Saturday, January 29, 2000.

We had a lot of new business. Project leaders had to sign up for demonstrations. The M.E. Forms were due on the 29th of December for eighth graders and older. We had a brief discussion on 4-H money and how it works. We discussed our policy for the Cloverbuds and how it is not mandatory for them to attend the general meeting. Our sledding party is January 22, at Hawthorne Hills from 1 to 4 p.m.

## THOMAS C. SCHAEFER, DIANE M. SCHAEFER

Thomas C. Schaefer, age 41, and his wife, Diane M. Schaefer (nee Weigand) age 42, both died Monday, January 10, 2000 at St. Francis Hospital in Escanaba, Michigan, from injuries suffered in an auto accident.

Diane was born on October 27, 1957 in Beaver Dam to Philip and Marian (nee Gosse) Weigand. After moving to Jackson with her family she attended West Bend East High School, graduating in the class of 1976. She was a stay home mom who also taught her children at home.

Thomas was born on March 11, 1958 in West Bend to Clarence and Marion (nee Schloemer) Schaefer. He also attended West Bend East High School, graduating in the class of 1976.

On May 31, 1985 Thomas and Diane were married at First Baptist Church in West Bend where they were members. They settled in the St. Kilian area and Tom worked at Charter Steel in Saukville. In May of 1999 they moved to Rock, Michigan, where Tom was employed at Marble Arms.

Together they are survived by their four children, April, Grace, Benjamin, and Amanda, all at home. Diane's family includes her mother and stepfather, Marian and Harold Sauthoff of the Town of Jackson; two sisters, Susan (Randal) Clark of Cape Elizabeth, Maine and Cynthia Sauthoff of Yuma, Arizona; three brothers, Daniel (Susan) Weigand of Athens, David (Mary) Weigand of West Bend, and Kenneth (Wanda) Weigand of the Town of Jackson, and her maternal grandmother,

Adela Gosse of West Bend.

Tom's family includes his mother, Marion Schaefer of West Bend; two sisters, Barbara (Jerry) Kuckuk of West Bend, and Carolyn Weiss of Allenton; two brothers, James Schaefer and Paul Schaefer, both of West Bend.

Together they had many other relatives and close friends. Diane was preceded in death by her father, Philip, and Tom was preceded in death by his father, Clarence.

Funeral services for Thomas and Diane were held on Saturday, January 15, 2000 at 1 p.m. at First Baptist Church in West Bend. Rev. Bruce Dunford officiated and burial followed in Washington County Memorial Park, West Bend.

Visitation was at the Myrhum-Patten Funeral Home, West Bend, on Friday after 4 p.m. and at the church on Saturday from 12 noon until the time of services.

Memorials for the future care of their children are requested by the family.

## FREDERICK J. VORPAHL

Frederick J. Vorpahl, age 73, of McFarland, Wisconsin, passed away on Wednesday, January 5, 2000.

He was born January 23, 1926, at home in St. Michaels. He served in World War II in the Marine Corps from 1944 to 1946. He married Audrey Seltrecht on August 5, 1950.

He went on to own the Woodside Tavern in Columbus, the Prairie Diner in Sun Prairie and finally, the Knotty Pine Cafe in Sun Prairie. Fred was an active member of VFW Post 9362 and the American Legion Post 333, both in Sun Prairie.

He is survived by his beloved wife, Audrey; five daughters, Sandy (Jim) Mueller, Patty (Roger) Prosser, Debbie (Joaquin) Pasillas, Michelle (Carlos) Vega, Stephanie (Ronald) Miller; four sons, Fred, Richard (Kathy), Charles, and Michael (Laura); 26 grandchildren; five great-grandchildren; three sisters, Dolores Kertscher, Dorothy (Floyd) Buddenhagen, Theresa (Jerry) Brockman, and one brother, John (Teresa). He is also survived by many other relatives and friends.

Fred was preceded in death by his parents, two brothers, Anthony and Ronald, one sister, Adeline Footland, and one brother-in-law, Allen E. Kertscher.

Funeral services were held Monday, January 10, 2000 at the Highland Memory Gardens in Madison.

Cabbage is 91 percent water.

## IN MEMORY

In loving memory of **KARL KREIF**, who passed away three years ago, Jan. 24, 1997:

You are not forgotten,  
Or will you ever be.  
We miss you so, our hearts  
are sore.  
As time goes by, we miss you  
more.  
Your loving smile, your gentle  
face,  
No one will ever fill your  
vacant place.  
No eyes can see us weep,  
But many a tear is shed  
while others are asleep.

*Forever loved and  
missed by wife Joyce*

## Cardiac Rehab Support Group to Celebrate Birthday

The cardiac rehabilitation support group sponsored by St. Joseph's Community Hospital of West Bend will celebrate the past with its Ninth Birthday Social on Tuesday, January 25, from 7 to 8:30 p.m. at the Cedar Ridge Retirement Campus, 113 Cedar Ridge Drive, West Bend.

Members and guests are invited to wear something they may have worn 50 years ago and to reminisce with David Huehner, professor of history at the University of Wisconsin Washington County, who will speak on the "History of Washington County and West Bend."

The celebration will feature a food "extravaganza" with participants bringing their own low-fat dishes and snacks, and a copy of each recipe. Door prizes will also be offered.

Spouses, family and friends are also invited. To register for the event or for more information, contact the hospital's rehabilitation services department at 334-8237 or 334-8595.

The free cardiac rehabilitation support group is designed to educate and provide support for people who have had a heart attack, bypass surgery, angioplasty or other heart problems.

## ABC SKAT RESULTS

## Kewaskum 4-H Club News

Cloverbuds Frankie Hackbarth, Abby Backhaus and Hanna Lepp hold up their pictures of the brightly colored animals they colored for their Animal Parade at the January meeting.

The January 6th meeting of the Kewaskum 4-H's was called to order at 7 p.m. at the Kewaskum Municipal Building by President Heather Hackbarth. Pledges were led by Stacey and Jennifer Tutas. Roll call was taken with members responding to, "If you could be anywhere in the world right now, where would you like to be?"

The secretary's report was given by Carissa Bartelt and approved as read. The treasurer's report was given by Stephanie Briggs and approved unanimously. Stacey Tutas shared with the club all the fun she had at last month's Christmas Party. Mitchell Weindorf informed those who did not know in the club that we received \$50 first place prize in the Kewaskum Tree Decorating Contest.

Brooke Zanow talked about our float in the Christmas Parade and our \$150 first place award for the float we all worked so hard to make. Jeanette Jung told the club about our success in the County Fair Sale. The Special Emphasis committee handed out the calendar of events for all members to look over.

Members made changes including having a winter party with sledding, ice skating, and ice fishing next month and going tubing at Sunburst in March. Plans were finalized for the Admirals game that the club will be attending on February 13. All members were asked to continue helping the club by selling more candy bars for our fund-raiser.

Everyone was reminded to look over their Cloverline for info on our upcoming county-wide 4-H events. We sang "Happy Birthday" to Andrea Bublitz who will celebrate her birthday on January 25.

The Cloverbuds, who had been working hard at their own table during the meeting, gave the rest of the club

a show of their Animal Parade. The young 4-H'ers bounced around in front of their older members holding up their pictures of all the different animals that they colored.

Chad Hackbarth gave a demonstration on the card game Golf and Mitchell Weindorf amazed the club with his magic trick. The meeting was adjourned at 8 p.m. by President Heather Hackbarth. Refreshments were served by the Lepp and Hackbarth families.

Our next meeting will be on Thursday, February 3, at the Kewaskum Municipal Building.

# Want to Quit Smoking? Exercise Can Help

## Teens Face New Driving Requirements

Many smokers say smoking relieves stress. But health experts at St. Joseph's Community Hospital want people to know that exercise is a great stress-buster, and a healthy one.

That's why they've added an exercise option to the hospital's on going "The Last Puff" smoking cessation class. The new segment, for those who choose it, adds a half-hour formal exercise program before each weekly class, and two additional optional opportunities to exercise during the week in the hospital's rehabilitation services department.

Studies have found that exercise works as an aid for smoking cessation, can improve exercise capacity, and can delay weight gain after a person has stopped smoking, according to Maggie Seideman, R.N., coordinator of cardiopulmonary programs at St. Joseph's.

"We often talk about the importance of exercise in relation to smoking cessation. This is just another opportunity to do it," Seideman said of the optional exercise segment in "The Last Puff" program.

"Exercise substitutes a good habit for a bad habit, and it eliminates stress," said Al Ludin, registered respiratory therapist at St. Joseph's who conducts "The Last Puff."

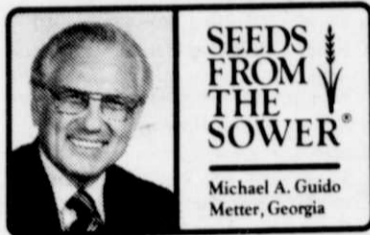

Past participants in his program have told him one of the main reasons they smoke is to relieve stress. So reducing stress, he said, is important for those who want to quit.

Seideman listed the benefits of exercise when combined with smoking cessation:

- Exercise substitutes a positive coping strategy for a negative coping strategy (smoking).
- Exercise results in the release of endorphins in the bloodstream - the body's natural "morphine-like" substance.
- Exercise reduces weight gain when a person stops smoking.
- A regular exercise program at a light to somewhat hard pace reduces the feeling of stress.
- Exercise makes you feel better about yourself.
- Exercise changes body shape and improves muscle tone.
- Exercise lowers the incidence of bone fractures because increased calcium stays in the bones with regular exercise.
- Exercise lowers the incidence of colds and flu because it improves your immune system.
- Exercise lowers the incidence of heart disease.
- Exercise lowers the chances of developing diabetes or, if you have diabetes, gives you greater control of blood sugar.

For more information on

"The Last Puff" smoking cessation program, and the optional exercise component, call the hospital's Class Connection Line at 306-7888.

Last week I noticed some boys and girls walking home from school. They were having a happy time.

But something happened. Immediately they formed sides and started throwing mud at each other.

They were poor shots. They missed their mark. But their hands got dirty.

What a lesson I learned. Don't throw mud. You may miss your mark. But you will dirty your hands whether you hit or miss. And the defacement of self is despairing as well as degrading.

Love and mud-throwing don't go together. Love never throws mud - even at enemies. For the Bible says, "Love your enemies."

Nearly 2.5 million American teenagers graduate from high school every year. Now an increasing number of Wisconsin teens will soon face another kind of graduation.

The Graduated Driver License (GDL), was written into law as part of Wisconsin's 1999-2001 biennial budget. GDL provides novice drivers an opportunity to gain knowledge and driving time under the supervision of an experienced mentor. The requirement to have 30 additional hours of driving practice will take effect on February 1, 2000, with full implementation of the law after September 1, 2000. New requirements include increased practice time, 10 hours of night driving, point doubling for offenses, passenger and night driving restrictions (midnight to 5 a.m.).

"This is a great step forward to help teen drivers gain safe driving experience while learning to operate an automobile," said Charles Thompson, secretary, Wisconsin Department of Transportation (WisDOT). "Many young drivers demonstrate the maturity and skill to negotiate our

streets and highways safely. Unfortunately, a disproportionate number may underestimate the tremendous responsibilities and risks that come with a driver's license."

Drivers between the age of 16 and 19 are more likely to be in a motor vehicle crash than any other age group. WisDOT's "1998 Wisconsin Traffic Crash Facts" lists teens as only 6.3% of all licensed drivers but indicates this age group accounts for nearly 14% of all driver crashes.

Brought to the Legislature by concerned parents and citizens, GDL, as of September 1, 2000, will also limit passengers who ride with teens. "Instead of allowing 16 and 17-year-olds to drive anywhere, anytime with whomever they choose, graduated licensing provides a series of steps for teens to acquire safe driving habits and adequate practice time before driving with peers," said John Evans,

director, WisDOT's Bureau of Transportation Safety.

Recently eight other states, including California, Delaware, Georgia, Indiana, Massachusetts, New Jersey, New Mexico and Oregon joined Wisconsin in passing GDL legislation. Nearly 35 states have adopted one or more elements of graduated licensing in an effort to save lives and reduce teen crashes. According to the Insurance Institute for Highway Safety, Maryland, California, Oregon, Florida, Kentucky, Michigan and North Carolina have evaluation studies underway. Preliminary information from these studies estimate that 38% fewer fatalities would be expected, and nearly 275 lives saved, if teens with learner's permits or probationary licenses didn't ride with teens.

Visit <http://www.dot.state.wi.us/dmv/GDLchange.shtml> for further information or e-mail inquiries to: [rlis.dmv@dot.state.wi.us](mailto:rlis.dmv@dot.state.wi.us) or call (608) 266-2353.

## Rebate Checks and Tax Cuts

By Lieutenant Governor Scott McCallum

By now, most Wisconsin taxpayers will have received their rebate checks from the State of Wisconsin. In all, more than 2.5-million people will share in the \$700-million dollars being returned directly to the people. That, combined with income and property tax cuts from the 1999-2001 budget, will save the average Wisconsin family \$661 this year.

Governor Thompson and I heard over and over again from the people of Wisconsin that they wanted a rebate check, putting their money back in their pockets to spend or invest as they see fit. Getting this done was a top priority. Additionally, the hardworking people of this state will be seeing more money in their paychecks because of permanent income tax cuts.

When it was first discovered that Wisconsin would post a \$1-billion surplus, many were tempted to find new ways to spend it. But the money belongs to the people of Wisconsin who worked very hard to create that surplus and the people rightly demanded that it be returned to them.

Tax cuts are an investment in our state, not an expense. By providing the rebate, along with property and income tax cuts, we are building stronger families and a vibrant economy. In addition to lowering taxes, our Administration has developed a much simpler tax system by combining various exemptions into one personal exemption.

The Department of Revenue (DOR) deserves credit for pulling together the huge rebate project in such a short amount of time. To make the mailing of mil-

lions of checks cost-effective, DOR opted to send the checks in postcard form instead of in the traditional

business-size envelope, saving approximately \$272,000. While these mailings are similar to other types of rebates consumers get in the mail, it has resulted in some taxpayers accidentally throwing out their checks, wrongly assuming the cards

to be junk mail.

Anyone who filed a state tax return last year will get a check automatically. However, others are eligible, too, but must apply for the money.

If you have not yet received your rebate, think you may have thrown it

away or want to know if you're eligible, you can contact the Department of Revenue at 1-877-9-REBATE, rebate@dor.state.wi.us or write to them at Wisconsin Dept. of Revenue, P.O. Box 8937, Madison, WI, 53708-8937.

## Lady Indians Split; Notch First EWC Win

The Kewaskum girls' varsity finally got on the winning track by beating Kiel, 46-38, on Friday night in the fieldhouse. Coupled with the Indians 47-43 loss to Ozaukee on Tuesday, January 11, the team is now 3-8 overall.

In a seesaw battle against Ozaukee, the Indians took a 23-22 halftime lead, after leading by four at the end of the first quarter. Juniors Heather Rieder and Colleen Gosa led the early Indian attack with eight and six points respectively.

The Warriors came back to outscore Kewaskum 13-11 in the third quarter to take a one-point lead heading into the final frame. Ozaukee never gave up their lead in the fourth quarter and Kewaskum was forced to send them to the foul line. In all, the Warriors shot 15 fourth quarter free throws, and the Indians could not recover.

Senior guard Jenny Kraft led the way for Kewaskum with 14 points, including three three-pointers and eight assists. Heather Rieder was next with 12 points. Colleen Gosa finished with eight points. Molly Strobel led the Indians on the boards with 15 rebounds.

In the victory versus Kiel the Indians went into a sagging 2-3 zone to take away the inside game from the Raiders sophomore center. She was held scoreless in the first half, and only scored two free throws for the entire game. Kewaskum

jumped out to a 19-16 halftime lead with five players contributing offensively.

Heather Rieder broke loose in the third quarter with nine of the Indians 15 points, most of those coming on short jumpshots from the left baseline. Jenny Kraft picked up in the fourth quarter where Rieder left off, scoring eight of Kewaskum's final 13 points.

The big blow came with about four minutes left, when Kraft's three-pointer from the top of the key gave the Indians a lead they would not relinquish. The girls finished the game at the charity stripe where the Raiders were forced to place them. Kewaskum made eight free throws in the quarter to ice the win.

Rieder led all scorers with a game high 17 points and five rebounds. Kraft followed close behind with 15 points (including two three-pointers) and four assists.

Kewaskum's total of 46 rebounds is a season high. Leading the way was Molly Strobel with 11, Bridget Polzean and sophomore Jenny Logan added eight apiece.

## Long Lake Winter Golf To Be Featured on TV

Dan Small of Channel 10 TV's Outdoor Wisconsin will be golfing in the annual Snow Golf outing on Long Lake Saturday, January 29. He will also bring a mobile television crew and film the Long Lake Fishing Club event.

Plans are for the first foursome to tee off at 9 a.m. and the final foursome to tee off at 3 p.m. The LLFC encourages people of all ages and golf expertise to join in the fun and possibly be filmed by the Outdoor Wisconsin TV crew. Quite a few foursomes have already registered and indicate they will "dress" for the occasion. Companies and organizations are encouraged to sponsor teams.

Also included in the Snow Golf event is an indoor chipping contest, great raffles, scrumptious hamburgers, brats and chili, plus your favorite beverages. Team and individual prizes will be awarded. Ice promises to be good,

particularly on the "little" lake. Golfers should register at Benson's Hide-a-Way. Golfers should bring their own clubs (One or two per player is sufficient) although a few will be available to be borrowed. "Golf" balls will be furnished. Green fees are \$20 per foursome. The LLFC will donate \$1 from each golfer's green fee (\$4 per foursome) to a local charity.

To register a tee time, or for more information, call 920-533-4430.

No NFL team which plays its home games in a domed stadium has ever won a Super Bowl.

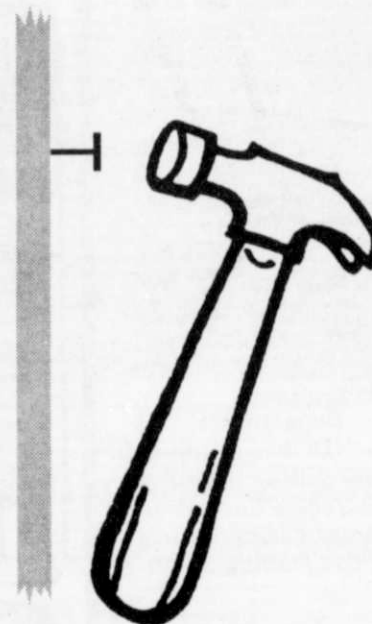

## Snowboard Competition At Sunburst

"Ultimate Eric" was spotted at Sunburst Ski Area, Kewaskum, making sure the hill will be ready for another ultimate experience! On Sunday, January 23, Sunburst and Laacke and Joys will be hosting the Fourth Annual Snowboard Competition.

Registration begins at 10:30 a.m. with the Half-pipe competition starting at 11 a.m. and the Slopestyle at 1 p.m. Males and females will be competing in two separate categories, with two different age brackets.

Big prizes will be awarded to participants, from such companies as Burton, Salomon and Rossignol. Grand prizes include a season's pass from Sunburst and a new snowboard. Laacke and Joys will be providing free in-store board tuneups for all competitors, as well as making sure everyone leaves with a bag of special goodies!
