Firefighter of the Year Named at Annual Banquet

Honored as the 1999 Kewaskum Firefighter of the Year, Otto Ramthun, Jr., center, with Fire Chief Mark Groeschel, left, and Assistant Fire Chief Mark Herriges.

Morrie Belger, center, received a plaque in recognition of 20 years of meritorious service. Belger is pictured with Fire Chief Mark Groeschel and Assistant Fire Chief Mark Herriges.

By Louise Martin

The Kewaskum Fire Department held their annual Appreciation Banquet on Saturday, February 19, at the firehouse.

As in the past, invitations were extended to current members, retired members and their spouse or guest. Approximately 100 people attended. Current and retired members at the banquet represented a total of 601 years of service.

Following dinner, Fire Chief Mark Groeschel welcomed everyone and briefly recapped the year which included announcing that delivery of the new fire

truck was recently taken and was available for inspection.

The new truck that will service the area for many years replaces the 1963 FWD pumper truck. Chief Groeschel explained that many committee meeting hours were required to determine truck specifications before placing the order. Committee members included Groeschel, Mark Herriges, Peter Dickmann, Frank Simonson, Al Martin and Pat Schmitt.

New ambulance equipment placed in service in 1999 included new defibrillators, which were purchased as a direct result of

donations received from several generous organizations and individuals.

Assistant Fire Chief Mark Herriges followed with the presentation of the 1999 Firefighter of the Year Award. Herriges was pleased and honored to present the award to 11-year member, Otto Ramthun, Jr.

Joining the department in 1988, Ramthun has attended numerous schools and is currently a driver for the rescue squad. Ramthun was nominated for this award by fellow firefighters.

Herriges stated, "JR has sacrificed many hours away from his family to fulfill his

State Treasurer Seeks Help in Locating Area Owners Of Sales Tax Rebate Checks

OPEN LETTER TO THE PUBLIC
By State Treasurer Jack C. Voight

Recently the State Treasurer's Office was asked by the Department of Revenue to help locate the owners of 19,000 undeliverable Wisconsin sales tax rebate checks. I gladly accepted the challenge since our office has had great success in locating thousands of owners of other unclaimed property. In addition, there were 64,000 checks that had been delivered but remain uncashed.

Time is of the essence for anyone that did not receive or cash his or her check. Because these checks have a cancellation date in April, 2000, citizens are urged to call toll-free at 1-877-973-2283 or 1-877-REBATE to receive their rebate check. The Department of Revenue has provided an alphabetical listing on the internet of the names of those checks that were undeliverable. Just log on to www.dor.state.wi.us to view the list.

Once these checks have been cancelled, it will take more time and effort to have these checks reissued, so don't delay.

The Governor and state legislature signed into law

that any sales tax rebate check not cashed by December 31, 2000 will return to the state general fund. I believe that these uncashed checks should be considered unclaimed property after December 31.

The public has the right to claim this money in the future, since it is the taxpayers' money not the state's money to spend on other government programs. If you support this suggestion, contact your local legislator to ask that the law be changed.

P.S. If anyone can help locate any of the following people, please have them contact the Department of Revenue to claim their check:

KMS Spring Concert in Rose Hall Tuesday

On Tuesday, March 28, the Kewaskum Middle School music department will present its early spring concert.

There is a slight change from the original schedule in that the concert will be held at the High School in Rose Hall rather than at the Middle School. The concert will begin at 7 p.m. but there will be a few groups who will perform some of the music from the recent solo and ensemble festival starting at approximately 6:40 p.m.

The sixth, seventh and eighth grade choirs and bands will perform as well as the swing choir and jazz band.

Preschool Screening

The School District of Kewaskum will be conducting preschool screening on April 13, 14 and 15 in an attempt to identify those four-year-olds who may qualify for the district's First Steps program as well as those three to five-year-olds who may have a disability.

Areas of screening include speech/language, vision, hearing, and readiness skills.

This preschool screening will take place at Kewaskum Elementary School, 1550 Reigle Drive in Kewaskum. Please call 626-8427, extension 8001, to schedule a screening appointment.

County Fair Park's Food Court Road to Become Sysco Road

Wedding bells will ring July 21, 2000 for Jeanna Bartelt and Joseph Baasch who became engaged at the Kewaskum Fire Department Annual Appreciation Banquet.

WEST BEND, WI ... Sysco Food Services of Eastern Wisconsin (SYSCO East), is the newest donor to the Washington County Fair Park.

SYSCO East's generous donation is for naming rights to Food Court Road, the roadway on which many of the food vendors are housed for the week of the Fair, and eventually for other events as well. "We are pleased to support Washington County and its beautiful new Fair Park facility. On behalf of SYSCO East and our employees, we are committed to continuing our support toward the growth and improvement of our community," stated Joseph Marone, President/CEO of SYSCO East. Located in Jackson, Wisconsin, SYSCO East operates out of a 250,000

square foot warehouse employing 450 staff members and services restaurants, nursing homes, and hospitals with food and food related products throughout the eastern half of Wisconsin.

The Washington County Fair Park, situated on 133 acres of beautifully landscaped countryside, is centrally located within the county at the junction of Hwy. P, Hwy. PV (Pleasant Valley Road) and Hwy. 45. The mission of the Fair Park is to enhance cultural, educational, economic, and social opportunities for the people of Washington County. Open since the 1999 County Fair in July, the Fair Park has been host to over 100 events of all sizes. The 42,000 square foot Fair Pavilion as well as the four barns and the Show Arena

in the Agricultural Complex have been busy with a variety of events including festivals, concerts, educational programs, competitive animal shows, craft fairs, antique shows, meetings and workshops. Currently under construction and ready for the summer are the Draft Horse Barn and the Pleasure Horse Barn.

Opportunities remain for donations to the Washington County Fair Park. From a \$50 brick to the naming rights for the Fair Park Pavilion, the Fair Park is ready to help you select a meaningful contribution. If you are interested in knowing more about how you can be a part of this important project, please call the Fair Park office at 677-5060.

duties as a driver and firefighter." Ramthun gratefully accepted the plaque amid a standing ovation from fellow firefighters.

Chief Groeschel presented retiring member, Morrie Belger with a plaque recognizing his 20 years of service to the department in the capacity of firefighter, emergency medical technician and group picture photographer.

Traditionally, the banquet adjourns to an evening of dancing and socializing following the introduction of those in attendance and number of service years.

This year the introductions took a new and unexpected turn when firefighter Joseph Baasch requested the patience of those in attendance as he made a very special introduction. Baasch explained the first year his guest, Jeanna Bartelt, was introduced as his friend, and last year she was introduced as his girlfriend.

This year, following an on-the-knee proposal and presentation of an engagement ring, Jeanna was introduced as his fiancée! The nearly 100 witnesses applauded the newly-engaged couple and wished them well.

The Kewaskum Fire Department and Rescue Squad serves the Village of Kewaskum and surrounding area and is staffed by 55 volunteer men and women. In 1999, members responded to 32 fire calls, 265 ambulance calls and 17 Jaws of Life runs for a total of 4,920 miles.

Schwinn Receives WSAW Award of Excellence

Laura Schwinn, left, is shown above receiving the 2000 Award of Excellence from the Women's Sport Advocates of Wisconsin, Inc., recently.

Laura Schwinn, a senior at Kewaskum High School, was selected to receive the 2000 Award of Excellence from the Women's Sport Advocates of Wisconsin, Inc.

She was recognized at WSAW's Annual Banquet, held on February 19, 2000 at the Four Points Sheraton Hotel in Milwaukee.

Every Wisconsin public and private high school is invited annually to select one student-athlete for the Award of Excellence. Recipients must meet the high standard of a minimum 3.0 cumulative GPA and a varsity letter in at least one girls WIAA/WISAA sport.

Laura has lettered in basketball and volleyball, while maintaining a 3.9 GPA. She is also a member of the National Honor Society, a 1998 first team all-conference volleyball player, a 1999 all-county first team choice, team MVP and unanimous first team All-EW Conference volleyball player of the year.

WSAW formulated the Award of Excellence program in honor of the National Girls and Women in Sports Day, which is held each year on the second Thursday in February. The WSAW program is the only one of its type in Wisconsin, recognizing both public and private school student-athletes from throughout the state.

WSAW staged its first Annual Awards Banquet in February of 1991. To date, over 1,300 student-athletes

Adult Student Information Night at UWWC

WEST BEND -- Jon Sanfilippo, Chief Deputy Clerk of Courts and Judicial Court Commissioner, Milwaukee County, and UWWC alumni, will be the keynote speaker at the University of Wisconsin Washington County, "Adult Student Information Night," from 7 to 9 p.m. on Tuesday, April 4.

The campus is located in West Bend at 400 University Drive. The program will take place in Room 259 at UWWC. Free refreshments will be served and a supervised children's activity room will be available.

Joel Rodney, Dean and CEO of the campus, stated that the evening's program will appeal to a variety of working adults. Dean Rodney indicated the program is right for you if you've been jumping from job to job or if you've been turned down for a promotion because you lack the education background.

He also added that if you are an individual who has helped your spouse and children through school, and now would like a chance at a university education yourself, you can find out how to get your start at UWWC's Adult Information Night.

Program participants also can expect to learn about UWWC's new collaborative bachelor's degree program with UWM. Ms. Kim Romenesko, advising coordinator of the Bachelor of Arts in Organization Administration will explain how UWWC students can complete a full, four-year degree while attending classes in West Bend.

Recognizing that a return to campus can be a jarring experience for those who have been out of school awhile, Ms. Cindy Hacker, UWWC's Director of Continuing Education will explain that a little preliminary work can make a smooth

transition from the workplace to the classroom. A few current and former students will be available to answer questions about how they are succeeding and have succeeded on the path to the lives they want. Jennifer Buchholz and Sharon Woodall, both UWWC alumni, will be available to share their experiences and will be available to answer questions about their college successes and the benefits of getting their starts at a smaller school like UWWC.

Cliff Hackbarth and Sue Sullivan, both current students of UWWC, will be on hand to share their experiences at UWWC and the positive start it has given them toward their career goals.

Nancy Henderson, and Dan Cibrario from Student Services will have information on the programs available at UWWC, the registration process, financial aid that is available, and general information about returning to school.

Adult Information Night begins at 7 p.m. on Tuesday, April 4, in Room 259 at UWWC. For further information or to register to attend Information Night contact the Student Services Office at (262) 335-5201.

Adam Ziebell Qualifies for State Geographic Bee

Adam N. Ziebell, son of Gregory and Connie Ziebell, a seventh grader at Kewaskum Middle School, has qualified to participate at the state level of the National Geographic Bee, sponsored by the National Geographic Society.

The bee will be held on Friday, April 7, 2000 at the Milwaukee Public Library in Centennial Hall begin-

ning at 9:15 a.m.

Adam will be competing with other state qualifiers in grades four through eight who achieved the highest scores on a written test.

One winner from each state and territory will advance to the national competition which will be held May 23 and 24 at the National Geographic Headquarters in Washington,

D.C.

Transportation and accommodations for the Washington D.C. trip are provided for each state winner and a teacher-escort from the school that the winner attends. The final round of the 2000 National Geographic Bee, featuring Alex Trebek, will air on local PBS stations.

Tickets Still Available For 'Clash in Kewaskum'

Tickets are still available for the April 8th "Clash in Kewaskum," featuring former WWF superstar Koko B. Ware and AWA legend "Rock-N-Roll" Buck Zumhoffe.

Presented by Powerhouse Pro Wrestling, and sponsored by the Kewaskum High School Booster Club, the "Clash in Kewaskum" promises to be an evening of family fun for all ages with seven total matches.

Tickets are available at Skate Country in West

Bend, and Sentry Foods and Herriges Oil in Kewaskum. You can also purchase your tickets from any Booster Club member, or from the High School FBLA Club by calling 626-8427, extension 4357. Prices are \$10 in advance and \$12 at the door.

Bell time is 7:30 p.m. and the doors will open at 6 p.m. Come enjoy the spectacle of professional wrestling and support your high school Booster Club.

Executive Director Gregory Burns Leaving St. Joseph's Hospital

St. Joseph's Community Hospital of West Bend has announced that Gregory T. Burns, executive director of the hospital for the past seven years, will be leaving the hospital effective March 17.

Burns indicated that he will be pursuing other professional management opportunities both within and outside the health care industry.

Burns has been with St. Joseph's since 1989. He and his family have lived in West Bend since 1979.

"During his years of service, Mr. Burns' leadership has been crucial to the hospital in a number of key initiatives. They include the unique collaboration among the hospital, Kettle Moraine Oncology, Advanced Healthcare, and Aurora Health Care for development of the new Cancer Care Center; the creation of a subacute care unit in partnership with Washington County; the modernization of medical/surgical floors; planning for expansion of the hospital; support of community-wide health care project like Donated Health Care Services; and the addition of highly qualified personnel and advanced technology to serve patients," said St. Joseph's President and Chair Atty. Elaine A. Shanebrook.

"It has been a privilege for me to be associated with the hospital," said Burns. I am honored to have worked with the employees of St. Joseph's in successfully responding to an essential trust the community places

with the hospital. That is, to deliver the highest quality health care services possible, 24-hours-day. As I leave St. Joseph's Community Hospital, it is the personal dedication and teamwork among hospital staff, volunteers and community physicians of which I am most proud to have been a part."

Burns served the hospi-

tal as its first associate director under former Executive Director Fred Bury and succeeded Bury upon his retirement in 1993. Prior to coming to St. Joseph Burns worked in administrative capacities for Milwaukee area health care organization.

No decision has been made on Burns' successor.

Unique Craft Show Set for April 2

Hop on into the Unique Craft Show on Sunday, April 2, 2000 from 9 a.m. to 4 p.m. to be held at Amerahn Hall, Highway 45 North, Kewaskum.

Easter will be in full bloom at the booth of Heather Seibel of Fond du Lac. Heather is one of our in-house florists. Her creativity shows in everything she's created for the show.

A newcomer to the show this year is Jennifer Rittberg of Campbellsport. One

of her specialties is her "Care Baskets." It is a perfect gift for any occasion.

Laura Denk of West Bend will also be at the show to pamper you and to show you all of Mary Kay's newest ideas to make us beautiful.

Before you leave, make sure you stop at the Kettle Kountry Twirlers bake sale and the Kewaskum Girl Scouts cookie sale. Both booths will guarantee to tempt your tummy.

Rebate Checks Are Not Souvenirs

Wisconsin's great Sales Tax Rebate has put over \$667,000,000 into over 2.4 million taxpayers' hands. Now state officials want to be sure that everyone cashes their checks.

The first checks were dated January 3. As stated right on the checks, they must be cashed within 90 days. For the great majority of checks, that means take them to the bank by April 3.

"Don't be an April Fool," urged Revenue Secretary Cate Zeuske. "Cash you check!"

Recipients who do not cash their checks after 90 days must complete considerable paperwork before a new check will be cut, Treasurer Jack C. Voight explained. Even that option expires after December 31 of this year.

"The check is no good unless you redeem it," Treasurer Voight said. "They're worth more in the bank than on the dresser."

To date, 64,000 checks remained uncashed. Another 19,000 have been declared undeliverable by the U.S. Postal Service. Those 83,000 checks -- 3.5 percent of the total issued, are worth \$21,590,992.

Secretary Zeuske advised those who have not received a check to call the toll-free Rebate number at 1-877-9REBATE between 8 a.m. and 8 p.m. Resident applications will also be taken at that number until June 30. So far, 129,000 have applied.

Secretary Zeuske also noted that 129,000 in-state residents have applied so far. Two-thirds of those have already received their checks.

Teen Breakaway in West Bend March 31

On Friday, March 31st, Lighthouse Ministries, Inc, a non-denominational ministry, and area business people will present its 7th teen rally -- TEEN BREAKAWAY -- at the West Bend high school auditorium, 1305 E. Decorah Rd. West Bend. The rally will be held from 7-10 p.m.

Teen Breakaway, with its theme, "It's Time for a Change," is tailored to meet the needs of teens today. National youth speaker and recording artists Matt Hoffland from Forest Springs will be the featured artist and keynote speaker. Having a heart for the youth, Matt uses a combination of music and drama that has the ability to communicate to the issues teens face in this day and age. His music is a unique blend of contemporary and original songs intended to draw people to Christ. Whether using humor, parody, or realism, Matt's performance will also include a true message for life in Christ.

Our other special guest will be 19 year old Jim Mahalick from Lockport, Ill. At age 12 he began singing in his home church. At 15 he was traveling across the country sharing his musical talent from God. At 17 he recorded his first album at Bill Gaither studios which was well received by many. And now at 19 we have the privilege to have him at this year's Teen Breakaway. Jim is not only years ahead on his singing ability, he is also a fine example of a godly young man who has put Jesus Christ first in all situations. He is a fine role model for our youth today.

Our Master of

Ceremonies for the evening will be radio personality and disc jockey, Rob Smith from WJYI 1340 am Christian radio.

This event is completely FREE, and there will be over 40 door prizes including a Diamond Back mountain bike, donated by area businesses. Doors open at 6:30 p.m. Reserve seating available for groups of 20 or more. Parents and youth leaders are also invited to attend. For more information or reservations, call (262) 338-0205.

Monday Madness At Lakeview Library

Students in grades four through six are invited to attend a program called Monday Madness at the Lakeview Community Library in Random Lake on Monday, March 27 from 4 to 5 p.m.

Monday Madness will explore the works of popular children's authors through book talks and projects. The topic for this program is "Growing Greens and Flower Power!" Participants will be able to "dig" into good books, make a clay mosaic plant pot and of course, eat worms and other yummy stuff! Laughter, fun and food are always part of Monday Madness!

For more information, and to register for this program, please call the Lakeview Community Library at 920-994-4825.

Book Sale Benefits Special Olympics

Fourth grader Angie Denhartog decides which book to buy during the recent "Used Book Sale" at Kewaskum Elementary School, sponsored by the fourth and fifth grade classrooms. Students of all ages donated used books to be sold for 25 cents apiece, with proceeds going to the district's Special Olympics program.

Looking over the book selection are fourth grader Leah Brown, left, and fifth grader Alison Kimble. "Goosebumps" books, as well as those written by Gary Paulsen, sold the fastest.

St. Joseph's to Host Arthritis Education Series

Puzzled by arthritis? St. Joseph's Community Hospital of West Bend invites the public to a free Arthritis Education Series featuring physicians, registered nurses and physical therapists. The series will be held Monday, April 10 and Wednesday, April 12 from 6:30 to 8:30 p.m. in the hospital's fourth floor east conference room.

Co-sponsored by the hospital and the Arthritis Foundation, the program is designed to educate and provide support for individuals affected by arthritis. Information about arthritis, its surgical and non-surgical treatments, exercises, and psychological aspects will be presented. Refreshments will be served.

One of the most common medical problems in the United States, arthritis strikes one in seven persons. Some of the warning signs of arthritis include swelling in one or more joints, prolonged early-morning stiffness, recurring pain or tenderness in a joint, obvious redness and warmth and inability to move a joint normally.

For more information on the program or to register, please call the hospital's Class Connection Line at 306-7888.

St. Joseph's Hospital Offers Screenings for Alcohol Problems

St. Joseph's Community Hospital of West Bend is offering free, confidential screenings for alcohol problems as part of National Alcohol Screening Day.

Participants are invited to attend the screening and education program on Thursday, April 6, from 9:30 to 11:30 a.m. in the hospital's fourth floor east conference room, or from 6:30 to 8:30 p.m. in the health promotion services area at the Oakbrook Health Center, 1101 Oak Street.

Conducting the program will be:

- * Mark C. Ellis, M.D., Psychiatrist, Medical Director, Washington County Mental Health Center;

- * Therapists from the Phoenix Clinic and the Washington County Mental Health Center;

- * Staff from the Council on Alcohol and Other Drug Abuse of Washington County.

Participants will hear an educational presentation on alcohol problems, have the opportunity to complete a written self-test, and get to talk one-on-one with a health professional. An educational video, pamphlets, brochures and flyers will be

available, as well as referrals to local treatment and support resources for those who may need further evaluation.

National Alcohol Screening Day, held in April as part of Alcohol Awareness Month, is a program of the nonprofit Screening for Mental Health in partnership with the National Institute on Alcohol Abuse and Alcoholism and the Center for Substance Abuse Treatment. It will be held across the country at approximately 1500 screening sites.

Alcohol abuse and alcohol dependence cost society \$185 billion each year. Nearly 14 million people in the United States -- one in every 13 adults -- have an alcohol disorder. Excessive alcohol use raises the risk of stroke, heart disease, birth defects, and suicides, and is linked to a large proportion of unintentional deaths.

Registration is requested by March 30. To register or for more information, please call St. Joseph's Class Connection Line at 306-7888.

Possibilities are limited only by your imagination.

Pre-School Sign-Up at High School

The Child Development classes of Kewaskum High School will be conducting their second semester preschool starting in May.

The preschool will meet Tuesday through Friday, May 9 to 12, May 16 to 19, and May 23 to 26. All classes

will be from 10:10 to 11:40 in the morning.

The preschool is in its 23rd year of operation and is under the direction of Mrs. Carol Martin and the juniors and seniors in the Child Development classes.

The children will have the opportunity to participate in storytime, music, art and other creative activities during the 12 day session. Parents with children ages four or five should call the high school office at

626-2166 for information on how to register their child. Enrollment will be limited on a first call basis.

Kewaskum Special Olympics Agency Earns Accreditation

MADISON -- Special Olympics Wisconsin is proud to announce Kewaskum Special Olympics 8-43 has been Accredited as an official program and earned the rights and responsibilities of training, competition and fund raising in the name of Special Olympics.

The annual Agency Accreditation process was implemented last year, and ensures a standard of quality and uniformity among all programs within Wisconsin. An Agency must meet specific standards in order to use the Special Olympics name and logo. By strengthening the existing local programs, Special Olympics is laying the foundation for future growth.

New this program year, Special Olympics Wisconsin (SOWI) contracted with the Waisman Center at the University of Wisconsin-Madison to conduct Outreach Analysis of actual and potential Special Olympics athletes in Wisconsin. Using conservative estimates on the potential number of athletes, currently, Special Olympics serves approximately 14% of the eligible athletes statewide.

Areas targeted for growth include: pre-eight year olds; transition from school to adult; eight counties without Agencies; Dane and Milwaukee counties; Hispanic, Asian and White athletes; and targets specific to regional consideration.

Any individual with a cognitive disability, eight years old or older, who chooses to participate in Special Olympics in Wisconsin will be offered a

quality experience, and members of the community can be assured their volunteer and financial support is going to a credible organization. More than 209 local Agencies in communities across the state are accredited to serve the 8,000 current athletes with cognitive disabilities who train and compete in 16 team and individual sports year-round.

To get involved or for more information, please call Marilyn Krantz at 262-626-8427 or call the Program office at 1-800-552-1324 or visit us at www.wiso.org.

Change the Shared Revenue Formula

By Rep. Glenn Grothman

Easily the most unpopular tax in Wisconsin is the property tax.

Interestingly, for the first time in memory, this fiscal year total individual income tax collections will exceed total property taxes. Nevertheless, the property tax is more unpopular in part because it must be paid regardless of our income and in part because we get one bill a year, rather than having money withdrawn from our paycheck.

We don't associate the property tax with state government. Statewide 46% goes to local schools, 24% to municipalities (cities, villages and towns), 19% to counties, 7% to tech schools and 4% to other districts.

Nevertheless, the state does try to keep property taxes down by giving money to schools, counties and municipalities. Today, 44% of your sales and income tax is returned to school districts -- almost as much as your property tax. In the five years I have been in office, the total amount going to the Village of Kewaskum and the Kewaskum school district combined has almost doubled. General school aids have gone from \$3.5 million to \$7.7 million. Transportation aid to the village has gone from \$88,000 to \$140,000. Shared revenue to the vil-

lage has gone down from \$510,000 to \$380,000. But, the total the state spends to hold down property taxes has gone from \$4.1 million to \$8.2 million in five years.

Shared revenue, which accounts for just under 10% of your income and sales tax are distributed primarily to cities, villages and towns with a lesser portion to counties. It is distributed under a foolish formula designed to take money from places like Kewaskum and send it to Milwaukee, Green Bay and other cities.

Last year the city of Milwaukee received \$393 for each person, the Village of Kewaskum received \$123 and the Town of Kewaskum received \$41. Obviously, this is unacceptable. Some Washington County officials have asked the Legislature to put more into this program feeling that if the city of West Bend gets \$4 more and the City of Milwaukee gets 20 more dollars, at least West Bend gets something.

Some statewide organizations dominated by officials from Milwaukee and Green Bay, of course, want more money in this program as well. I feel having Washington County residents send a dollar to Madison and get back 25 or 30 cents is not a good program to expand and we ought to change the formula instead.

Currently, the formula

gives more to areas that spend more and since the city of Milwaukee spends over 50% more per person than the Village of Kewaskum they are entitled to more. This is not only unfair to our area, it encourages wasteful spending in Milwaukee. I am introducing legislation to change the shared revenue formula to be more like the school aid formula so that municipalities get no more money by spending more than the statewide average and the savings will go to areas such as Washington County.

I believe that local officials who want more to go into the current formula are wrong and actually doing Milwaukee's bidding for them. It would be better to help fight the Milwaukee's interests to help us get our fair share.

New State Maps Available

The new updated state maps are now available, the state Department of Transportation announced last week.

The 2000-2001 edition features a picture of a canoeist on Madeline Island's Big Bay that was taken by John Robinson, Superior, a retired heating specialist and amateur photographer. It was selected in a contest available to WisDOT employees and their relatives. His daughter, Laurie Dolsen, works for the Superior transportation district.

The map also includes a "Buckle Up" panel featuring Troopers Shelly Hutter, DeForest State Patrol District, and Tony Green, the Tomah DSP District, as well as a photo of Governor and Sue Ann Thompson canoeing on Lake Mendota.

The map itself has been updated. Now both the city and the village of Pewaukee are shown on the Milwaukee and vicinity inset map. Other changes include:

* Clark County: WIS 29 Abbotsford Bypass completed;

* Douglas County: US 53 Solon Springs Bypass completed;

* Fond du Lac County: New interchange US 41 and County N;

* Green County: WIS 39 transferred to County F,

from WIS 69 east to WIS 59;

* Milwaukee County:

* WIS 794 south of I-794 completed. New roadway south to College Avenue;

* US 41 rerouted to run concurrent with I-94, from the south county boundary to the Stadium Spur (existing US 41) Interchange;

* Old US 41 renumbered to WIS 241 from the south county boundary to intersection with WIS 24;

* Oconto County: New interchange US 41/141 and County S;

* Rock County:

* County T transferred to WIS 104, from WIS 59 north to WIS 92;

* WIS 184 transferred to County H, entire length;

* Shawano County: WIS 29 Wittenberg Bypass completed, entire length of WIS 29 from Wausau to Green Bay is now complete to a four lane divided highway;

* Waupaca County: US 10/WIS 49/110, new divided highway, new interchange at County X;

* Winnebago County: WIS 150 transferred to County II, from US 45 to US 41; and

* Wood County: WIS 54 - new divided highway/bypass east side city of Wisconsin Rapids.

By printing an updated map in 2000 instead of

waiting until 2001, WisDOT's two-year printing cycle now will coincide with the department's two-year funding cycle.

For the first time, multiple copies of the free maps can be ordered through WisDOT's Internet site: <http://www.dot.state.wi.us/opa/statemap.html>. Multiple copies can also be obtained by faxing an order to 608-246-5632 or by e-mailing the order to materials-mgt.dbm@dot.state.wi.us. Single copies of the pocket map can be obtained through the state Department of Tourism by calling 800-432-8747 24 hours a day or by visiting <http://www.travelwisconsin.com>.

To obtain the 36" by 46" laminated plastic wall state map, send \$8.44 for each map to Wisconsin Department of Transportation, Maps and Publications Sales, P.O. Box 7713, Madison, WI 53707-7713. Checks should be made payable to the Wisconsin Department of Transportation.

The form for ordering county and other maps and documents can be obtained at the same address; by downloading it at <http://www.dot.state.wi.us/opa/statemap.html> or by faxing 608-246-5632 and asking for the maps and documents transportation purchase order.

Kewaskum 4-H'ers Visit Meadowcreek Residents

Members of the Kewaskum 4-H'ers visited with the residents of Meadowcreek Apartments, comparing how things were in the past and how things are now. The biggest differences in time were with entertainment, prices and family life. Everyone had a lot of fun looking at pictures and sharing stories of each person's unique childhood.

The March meeting of the Kewaskum 4-H'ers was called to order by President Heather Hackbarth at 7 p.m. in the Kewaskum Municipal Building.

Activity reports were given with Mrs. Weindorf who talked about the Bronkhorst family brat fry. Justin Weindorf reported on the Admiral's game and Angel Olson talked about the activities at the Meadowcreek Apartment get-together. Several other members reported on the project meetings attended in the last month.

Members signed up to help for the brat fry on

Childbirth Preparation Class Offered

St. Joseph's Community Hospital of West Bend is holding a prepared childbirth class on Tuesdays, April 4, 11, 18 and 25 from 7 to 9:30 p.m. in the hospital fourth floor east conference room.

Classes provide information to help parents make informed decisions for the last trimester of pregnancy, labor and childbirth. Topics discussed include nutrition, common discomforts of late pregnancy, labor and delivery, cesarean birth, what to expect in the hospital, emotional aspects, newborn characteristics and basic infant care. Each class includes practice in relaxation and breathing patterns that are helpful for labor and delivery. Expectant parents also tour the New Life Center.

The fee is \$30 per couple. To register or for more information, please call the hospital's Class Connection Line at 306-7888.

April 22 in Kewaskum. Members also passed around a sign-up sheet to be on the club volleyball team for the fair.

At the next meeting we will be planning an April tour of the post office. Suggestions were made for Youth Leaders to plan a project for members at the next meeting for the residents of Meadowcreek Apartments for an Easter gift.

March birthdays included Chad Hackbarth, Carrissa Bartelt, and Savanna Wendelborn. The Cloverbuds showed all of the other members the St. Patrick's Day Pin that each of them made. Stephanie Briggs gave a demonstration on her fish and Nicole and Andrea Bublitz gave a demonstration on their bead creations.

The poster contest was held. Winners were Abby Backhaus, Candace Kuphal, Angel Olson, Brooke Zanow, Stephanie Briggs, Sandra Schaefer, Sarah Kissinger, Samantha Kuphal, Jason Jahnke, and Sarah Cauwels. Jesse Backhaus will also move onto county level for the great job he did writ-

ing a short story.

The next meeting of the Kewaskum 4-H'ers will be on April 6 at the Kewaskum Municipal Building at 7 p.m.

Brooke Zanow, Reporter

Offering Childbirth Refresher Course

St. Joseph's Community Hospital of West Bend is holding a childbirth refresher course Monday, March 27, from 7 to 10 p.m. in the hospital's fourth floor east conference room.

The class is designed for parents who have attended childbirth preparation classes for a previous pregnancy. Topics covered vary depending on the needs and interests of each individual class, but can include a review of labor and coping techniques, breathing and relaxation, exercise, changes in hospital procedure and a tour of St. Joseph's Community Hospital's New Life Center.

The fee is \$10 per couple. To register or for more information, please call the hospital's Class Connection Line at 306-7888.

The pulmonary support group sponsored by St. Joseph's Community Hospital of West Bend will meet Wednesday, March 29 from 6:30 to 7:30 p.m. in the hospital's rehabilitation department.

The support group is free and provides education, support and socialization for people who have chronic obstructive pulmonary disease such as emphysema, chronic bronchitis, and asthma. Refreshments are offered following the program. The group welcomes anyone who has COPD, along with their spouses, family and friends.

To register or for more information, please contact St. Joseph's Community Hospital's rehabilitation services department at 334-8237 or 334-8595.

St. Lucas Enjoys Championship Weekend

It's March Madness around the country, but here in Kewaskum at St. Lucas Evangelical Lutheran School it was a championship weekend of another kind.

This past weekend, March 17 and 18, the students in grades five through eight of St. Lucas Ev. Lutheran School participated in a Forensics Meet, Math Meet and Science Fair, with 13 other area Lutheran Grade Schools at Kettle Moraine Lutheran High School in Jackson. The schools were from as far south as Milwaukee. It was an outstanding weekend for these students.

The Forensics Meet was held on Friday evening. The team was represented by Corin Groth, Adam Janz, Beth Wiza, Heidi Rogers, Amanda Jung, Allison Janz, Ana Stern, Matthew Kurtz, Aaron Schulz, Dustin Survis, and Andrea Boehlke.

Individual awards were given to Amanda Jung (third place - solo acting); Allison Janz (second place - poetry), Andrea Boehlke (second place - persuasive speech), and Adam Janz (first place - storytelling). The St. Lucas team received First Place in the team competition. Second place went to Good Shepherd of West Bend; third place to Bethlehem, Menomonee Falls; fourth place to David's Star, Jackson; fifth place to Morning Star, Jackson, and sixth place to Our Savior, Grafton. Congratulations to these students for their fine efforts.

The Math Meet took place on Saturday morning. Six person teams from grades five and six, and seven and eight, represented each of the 13 schools. There was tremendous competition in this meet. A total of three individual timed

tests and one team test were given.

Among all of the participating fifth and sixth graders, individual awards were given to the following students from St. Lucas: Corin Groth (third); Adam Janz (second); and Ana Stern (first).

The team of Andrea Boehlke, Matthew Kurtz, Aaron Schulz, Ana Stern, Adam Janz and Andrea Gust were presented with the team trophy for first place. In the seventh and eighth grade division, St. Lucas won the first place trophy with the team members of Philip Marquardt, Tori Stopar, Bobby Stoll, David Gust, Ben Cornelius and Beth Wiza.

The Area Grade Lutheran School Science Fair was also held at Kettle Moraine Lutheran High School this weekend. All 13 area Lutheran Grade Schools participated and sent their best projects from each of their schools. All students from grades five through eight at St. Lucas had prepared a science project and six projects from grades five and six, and nine projects from grades seven and eight were chosen to compete at the meet.

The following are the results from St. Lucas: Andrea Boehlke, first place ribbon; Andrea Gust, first place ribbon; Matthew Kurtz, first place ribbon; Corin Groth, first place ribbon; Taylor Long, first place ribbon; Jonathan Rudzitis, first place ribbon; Luke Herriges, second place ribbon; Emily Marquardt, second place ribbon; Paul Jung, third place ribbon; Lindsay Keller, second place ribbon; Allison Janz, second place ribbon; David Gust, third place ribbon; Amanda Jung, third place ribbon; Heidi Rogers, third place ribbon; Nicole Schulz,

third place ribbon; Tori Stopar, third place ribbon; Beth Wiza, third place ribbon and Matthew Rodenkirch, fourth place ribbon.

Another event took place for the St. Lucas Lutheran Pioneers. It was District Competition for the Pine Car Derby in Beaver Dam. Over 85 cars competed from Fond du Lac, Beaver Dam, Juneau, and as far south as West Bend. St. Lucas also had some winners at this competition as well.

Justin Ethier received a first place trophy and David Gust received a second place trophy in the speed division. Dustin Survis received a second place trophy in the crafts division. These boys now qualify to compete at the National Pine Car Competition to be held at New Ulm, Minnesota.

ROMAN J. STAEHLER

Roman J. Staehler, age 88, of Kewaskum, passed away unexpectedly on Friday, March 17, 2000, at St. Joseph's Community Hospital in West Bend.

He was born on October 16, 1911 in the Town of Kewaskum, the son of the late John and Elizabeth (Rodenkirch) Staehler and on November 27, 1943 he was united in marriage to Regina Koenen at Holy Trinity Catholic Church in Kewaskum.

Mr. Staehler was a member of Holy Trinity Catholic Church in Kewaskum and farmed all his life in the Town of Kewaskum.

Survivors include his wife of 56 years, Regina, of Kewaskum; three sons, Allen, Tom (Pat) and John (Karen), all of Kewaskum; a sister, Marie Matenaer of West Bend; seven grandchildren, a great-grandson, nieces, nephews, other relatives and friends.

He was preceded in death by five brothers, Alois, John, Andrew, William and Sylvester, and two sisters, Rose Mueller and Alma VanBeek.

A Mass of Christian Burial was held at 7 p.m. on Tuesday, March 21, 2000 at Holy Trinity Catholic Church in Kewaskum. Father Mark Jones officiated and burial was at 10:30 a.m. on Wednesday in the parish cemetery.

Friends called from 4 p.m. until the time of services at the church only on Tuesday.

Memorials to the Holy Trinity Parish Education Center are appreciated.

The Miller Funeral Home in Kewaskum served the family.

DONALD C. McELROY

Donald C. McElroy, 66, of Adell, died Friday, March 17, 2000, at the Beechwood Rest Home, where he had been a patient the past two and a half weeks.

He was born Feb. 25, 1934, in Adell, to the late Charles and Adalia Hintz McElroy and graduated from Random Lake High School.

On Dec. 2, 1961, he married Karen Kohl, and the couple lived in Adell until moving to West Bend in 1974.

Donald operated a mink ranch near Adell for a number of years, and had been employed at Gilson Brothers in Plymouth, Simplicity in Port Washington and for over 17 years in the water conditioning business for Culligan, and operating his own business.

He was associated with Emmanuel Lutheran Church in Adell.

Mac had also played in the Adell Softball League and coached softball while in West Bend.

Survivors include two sons, Kevin (Marjorie) of

Grand Blanc, Mich. and Daniel (Wendy) of Eagle; two daughters, Julie McElroy (fiance Larry Becker) and Kelly (Steven) Winkler, both of West Bend; four grandchildren, Ryan, Maggie and Curtis McElroy and Eric McElroy; a sister, Delores (George) Saemann of Sheboygan Falls; and other relatives and friends.

Funeral services were held Tuesday, March 21, at 7 p.m. at Emmanuel Lutheran Church, Adell. Pastor Bryan Osladil officiated and burial was in the Emmanuel Lutheran Church.

Friends called at the church Tuesday from 4 p.m. until the time of services.

A memorial fund will be established in Don's name for the Adell Senior Center and the Beechwood Rest Home.

The Wittkopp Funeral Service, Plymouth, served the family.

HERBERT O. VOIGT

Herbert O. Voigt, 85, formerly of the town of Osceola, died Sunday, March 19, 2000, at Rolling Meadows Nursing Home.

He was born in the town of Osceola on Aug. 11, 1914, to the late Carl and Rosa Kutz Voigt, was baptized on Sept. 6, 1914, and confirmed on May 27, 1928 at Trinity Ev. Lutheran Church, Dundee, where he was a life-long member.

In his early years he worked on various farms and then later as a mason and as a painter and for a short time at Regal Ware in Kewaskum.

He greatly enjoyed hunting and fishing.

Survivors include two sisters, Anna Kumrow of Kewaskum and Erma (Ernest) Haegler of Campbellsport; nieces; nephews; other relatives and friends.

Preceding him in death were two brothers, Arnold and Walter, a sister, Elsie Thompson, and a half-brother, Lawrence Polzean.

Funeral services were held Wednesday, March 22, at 1:30 p.m., at Trinity Ev. Lutheran Church, Dundee. Rev. Richard Schlieve officiated and burial followed in Trinity Lutheran Cemetery.

Visitation at the church was on Wednesday from 10:30 a.m. until the time of service.

The Twohig Funeral Home, Campbellsport, served the family.

CATHERINE B. KIEFER

Catherine B. Kiefer (nee Loichinger) of West Bend, died Friday, March 17, 2000 at St. Joseph's Hospital in West Bend at the age of 87.

She was born July 17, 1912 in St. Lawrence to the late Henry and Catherine (nee Ritger) Loichinger and married Edwin N. Kiefer on April 30, 1935 at Sacred Heart Church in Allenton.

Edwin preceded her in death on November 1, 1980. Following their marriage they lived in Rubicon and the Town of Barton before settling in West Bend.

She loved cooking, sewing, flowers and her garden. She worked at the Samaritan Health Center for two years as a nurses aid. Catherine was an excellent mother, grandmother, great-grandmother and great-great-grandmother.

Survivors include nine children: Edwin Jr. (Barbara) of West Bend, Catherine Wagner of Campbellsport, Mary (Melvin) Hetzel of Seal Beach, California, Francis of West Bend, Anthony of Kewaskum, Annie of West Bend, Caroline (Ted) Burkel of Fredonia, Joe and Jerry both of West Bend; 15 grandchildren; 18 great-grandchildren and one great-great grandson. She is further survived by a brother Edward of Milwaukee, three sisters, Pauline Thomas of Rubicon, Veronica Wolc of Columbus and Mary Bohlen of West Bend; two sisters-in-law, Myrtle Loichinger of Brown Deer and Esther Loichinger of Milwaukee; two special friends, Jane Black of Downy, California and Pat Kirchner of Kewaskum; nieces and nephews and other relatives and friends.

She is preceded in death by four grandchildren, Joseph and David Wagner, Mary Hetzel and Michele Burkel; a son-in-law, Dave Wagner; three brothers, Frank, Peter and Henry; three sisters, Elizabeth, Roselynn and Julianna; a sister-in-law, Delores Loichinger and four brother-in-laws, Joe Thomas, Frank Wolc, Edward Bohlen and Harry Korchelski.

Funeral services were held Tuesday, March 21, 2000 at 10 a.m. at the Schmidt Funeral Home, West Bend, with a Mass of Christian burial at 10:30 a.m. at Holy Angels Catholic Church.

Father Jerry Repenshek presided. Burial followed in Holy Angels Cemetery.

Visitation was on Monday at the funeral home from 4 p.m. until the prayer vigil at 7 p.m. and also Tuesday morning until the

time of services.

In lieu of flowers, masses of memorials are appreciated.

IN MEMORY

In memory of **HAROLD A. BOETTCHER**, who passed away 10 years ago, March 24, 1990:

Life is but a stopping place,
A pause in what's to be.

A resting place along the road,
To sweet eternity.

We all have different journeys,
Different paths along the way,

We all were meant to learn some things,
But never meant to stay...

Our destination is a place
Far greater than we know.

For some, the journey's quicker,
For some, the journey's slow.

And when the journey finally ends,
We'll claim a great reward.

And find an everlasting peace.
Together with the Lord.

Missed by children and grandchildren

PRAYER OF THE BLESSED VIRGIN

Prayer of the Blessed Virgin: (Never known to fail). Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God. Immaculate Virgin, assist me in my necessity. Oh Star of the sea, help me and show me here You are my Mother. Oh Holy Mary, Mother of God, Queen of heaven and earth, I humbly beseech You from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand Your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Say this prayer for three consecutive days and then You must publish and it will be granted to you. Grateful thanks.

M.H.

SEEDS FROM THE SOWER

Michael A. Guido Metter, Georgia

A mother cried in distress, "Willie, please be good!" "I'll be good for a dollar," he promised.

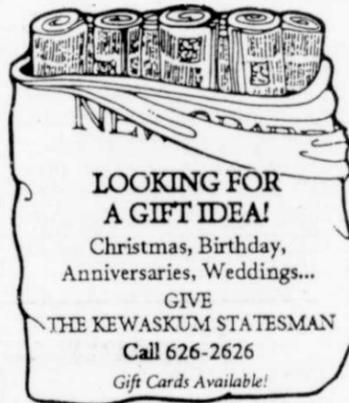

"Oh, dear," she sighed, "why can't you be like your father? He's good for nothing."

It's not enough just to have good qualities, you must make good use of them.

And if you refuse to be used by God, you may be used by the godless.

A young lady was saved from shipwreck. As she was pulled into the lifeboat, she sobbed, "I wasn't afraid to die, for Christ is my Savior. But I was ashamed to die, for my life had been so useless."

Be good, but be good for something, won't you?

**Who Do You Know
Wants to Eat a
Mourning Dove?**

Two large songbirds flew into my feeder an hour ago. They may not visit here in years to come. It could depend on the success a DNR proposal will have at the April hearings of the conservation congress, and the next session of the Wisconsin Legislature.

The proposal is to legally classify mourning doves as game birds. These gentle birds (They feed while I am doing yard work), are listed as songbirds, but if the DNR proposal passes they will become game birds by September of 2001. DNR experts say they feel the mourning dove population in Wisconsin would probably suffer no ill effects if from 100,000 to 150,000 doves were killed in the fall! (It appears to me there would be from 100,000 to 150,000 fewer doves if this happened - but I am not really knowledgeable of the new math.)

I have no argument with hunting. It is a fine sport. A safe sport. Since 1938 I have, at one time or another, hunted and taken every species of animal and game bird in Wisconsin that our hunting regulations allowed. Years ago, when I lived in Illinois, I bagged a mourning dove. My wife Trudy, a superior cook, (reluctantly) prepared it. It was terrible! Just the breast is eaten which is dark meat, dry and tough.

Recently, I read that someone handed out "samples" of this bird - this songbird - to the public in our state capitol. This would have been a more appropriate marketing technique for introducing a new brand of pizza-in-a supermarket.

There appears to be two tests a species must meet to be considered for a change in status from songbird to game bird. They are: 1) availability and 2) edibility.

This leads me to wonder whether there are other species that would qualify. Oh, yes. If this proposal passes - would a "dove stamp" be required to hunt them?

We have a chance to stop this ridiculous proposal. There are three things we can do 1) Call Governor Thompson. (I just now called his office at 1-608-266-1212 and registered my opposition to the bill). 2) Call or write your state senator or assemblyman. (Minutes ago I called 1-800-362-9472, the legislative hotline, and registered my opposition to the bill with my state senator and assemblyman.) Just give your address - you don't even have to know the names of your representatives. 3) Attend the April hearing of the Conservation Congress. It will be held April 10, 2000 at the UWWC

theater. The hearing (where any resident voter can speak - and vote) starts at 7:00 P.M.

Let us keep the songbirds we have. We do not have too many.

Jim Borusky

To the Editor:

In this day and age, when all you read in the newspapers are about the naughty children in the community, it was refreshing to partake in the Senior Citizens Banquet at the Kewaskum High School on Sunday, March 12th. I would like to take this opportunity to thank the

members of the Kewaskum High School Key Club for the delicious Turkey and Ham Dinner at the Kewaskum High Cafeteria to honor the Senior Citizens of the community. To those of us who participated, it was positively delicious. The food was perfect, the hospitality was superb. To the people who missed this year, the students will have a repeat performance next year. Also, you cannot beat the price. It was a donation to the Senior Citizens from the members of the Kewaskum High School Key Club.

The students went out of their way to make us feel special. Because the attendance was not what they anticipated, they did not look like they were disap-

pointed in the numbers, but concentrated on making those of us who were present feel like celebrities. The service we received from these students was what you may expect from a very fine high class restaurant.

Kewaskum can be proud of the students who were in charge of this event. I am sure they put a lot of work into the project, not to mention the door prizes they

provided. Every person received at least one prize and some even received two prizes.

While I do not personally know any of the students in charge, I was very proud of them and the services they performed on Sunday, March 12.

Sincerely,
Cyrilla Thull

A RESOLUTION IN SUPPORT OF ASSEMBLY BILL #35

WHEREAS, the Wisconsin State Assembly introduced AB-35 on January 14, 1999; and

WHEREAS, Assembly Bill 35 prohibits operators of motor vehicles from approaching closer than 200 feet behind highway snowplows on highways with posted speeds in excess of 35 mph; and

WHEREAS, AFSCME has actively promoted this legislation and requested local units of government to endorse the proposed statute; and

WHEREAS, the Village of Kewaskum joins with the Mid-Moraine Municipal Association regarding concern about the safety of its employees, snowplow operators and the motoring public; and

WHEREAS, the proposed legislation would reduce the cost of legal defense and settlement for accidents involving motorists and highway snowplows as well as avoid injuries to employees engaged in highway snowplowing and those citizens involved in such accidents.

NOW, THEREFORE BE IT RESOLVED by the Village of Kewaskum that it supports Assembly Bill #35;

Prunty Family Takes Home the 'Hardware'

Slinger Super Speedway presented 1999 racing season awards at their annual banquet held recently. Shown, left to right: Dennis Prunty, Modified Champion; David Prunty, third in the late model division, and Dale Prunty, winning Rookie of the Year honors in the modifieds and finishing third overall in the point standings.

The Prunty Brothers were the stars of the show at the Slinger Super Speedway Banquet held recently. The announcer stated, "A Prunty in every division at the speedway... this is truly a racing family."

Last year at this time, the Prunty family had dreams and goals for the

1999 racing season at the Slinger Super Speedway. Doug Prunty, head of the Prunty Racing Family, and his oldest son, Dan, had high hopes for the Prunty team. With three of his five sons on the track, a championship was only a matter of time.

Son David, competing in the late model division had

a few rough Sunday evenings on the asphalt quarter mile track. In fact the car had to be completely rebuilt twice during the season, and he still finished with flying colors to a third place finish, only behind the two contenders with more experience and money, Lowell Bennett and Conrad Morgan.

David had five fast qualifying runs; three dash for cash wins and one feature win. With the competition so tough in that division, David did a great job.

For the 1998 Slinger Modified Rookie, Dennis Prunty, 1999 was a dream year. The family goal for him was to win the Modified Championship, and he didn't let his family down. He brought home the cash and trophy for his first Modified Championship.

Dennis had five top qualifying runs, five dash for cash wins and five feature wins! Consistently finishing in the top three in the races and keeping the #1 modified maintained, were the main ingredients for this superb performance.

One more Prunty goal had to be fulfilled. The youngest son, Dale, would get behind the wheel of a modified for the first time and try to win the rookie honors. He did more than that... he had three top qualifying runs, two dash for cash and two feature wins.

These accomplishments were excellent for his first year. And Dale did take the 1999 Rookie of the Year Award at the Slinger Banquet.

With the goals met for the 1999 season, the Prunty family is getting ready to put their cars on the Slinger

track for the year 2000. This year will continue to be a challenge for David in the late model. The competition is going to be even tougher this year. There will be five rookies in this division this year, but David is a good and cautious driver. He will take his #1 to another top three finish.

Dennis will have his brother to contend with in the modified division. With a good year under his belt, Dale is looking forward to taking #17 to the winner's circle in the Modifieds for 2000 and follow in his brother's footsteps as the champ.

There are new dreams and new goals in 2000. Take time this summer on a Sunday evening and visit the Slinger Super Speedway. Racing starts at 7 p.m. Come and watch the Prunty brothers rivalry in the modified division and David in the Late Models.

Make plans to visit with the Pruntys after the races in the pits. You will be impressed with the camaraderie of commitment from this family. See you at the races, starting Sunday afternoon April 30, with the Late Model Twin 75 lap feature event.

Life consists not in holding good cards, but in playing well those you do hold.

Don Goeden of Kewaskum took top honors at the Interstate Racing Association banquet held recently at the Brat Stop in Kenosha. He had accumulated more points in one year than any other driver in the history of the IRA. Don won seven IRA feature events and three out of state features to win the championship. With help from his many sponsors and the dedication of his crew, Don was able to take home the trophy and cash for his accomplishments. Pictured above are Don with brother, Dave, in Victory Lane. Also shown, kneeling, left to right: Dean Wetzal, Tim Jacak, Mark Schairer and Billy Neider. Brian Stern is missing from the photo.

Keep An Eye to the Sky As Spring Storms Approach

WEST BEND - The Continuing Education Department at the University of Wisconsin Washington County is offering a "Storm Chasing" class.

Join Kyle Howard, UWWC Network Administrator, Amateur Storm Chaser and Commercial Pilot for a fascinating three session study of the nature of Wisconsin's potential for wild spring and summer storms and how to observe them safely.

The first class, "Weather Systems and Storm Development," meets on April 4. You will study storm fronts, air masses, jet streams, and types of thunderstorms.

The second class, "Anatomy of Storms," meets on April 11. Students will learn the life cycle of a storm, the various byproducts of storm systems like lightning, tornadoes and

microbursts and weather forecasting products.

The third class, "Planning for the Chase," will cover the basics of forecast observation, positioning, planning for crew, equipment, and safety issues.

Classes meet in Room 259 at UWWC, from 7 to 9 p.m. (Please note we will not actually be in the field chasing dangerous storms.) The fee is \$60.

Cold Water a Special Concern For Anglers and Boaters

MADISON -- This year's early thaw has given anglers an opportunity to get out on the water earlier than usual and take advantage of some ideal fishing conditions.

However, according to John Lacenski, Department of Natural Resources boating law administrator, being out on the water in early March can be dangerous if boaters aren't careful.

"The reality is the water temperature is very cold and people run the risk of hypothermia if their boat tips or they fall overboard," Lacenski says.

Anglers and other early spring boaters can help protect themselves against accidents on the water by taking a few critical steps. The first involves inspecting and testing their boats and assuring that all equipment is on board and works properly before leaving the boat launch.

The second step is to understand that cold water and springtime water levels bring special hazards. Lacenski says, "High water levels can contain a lot of debris. So people need to be extra cautious and alert to what's going on. Also pay attention to what the weather is doing, and wear a life jacket."

Wearing a life jacket can help protect a boater from suffering hypothermia and drowning if an accident occurs. Hypothermia occurs when the body loses heat faster than it can produce it; typically, the condition contributes to deaths by inhibiting the victims' ability to swim or stay afloat. People lose body heat 25 times faster in cold water than in cold air, and hypothermia can occur in any water less than 70 degrees, which means large lakes and rivers pose a risk even in warm months, according to the U.S. Coast Guard.

Other safety tips for boating in cold weather include:

- * Tell somebody where you are going and when you expect to return.

- * Dress in layers that can be peeled off and put back on as the temperature dictates.

- * Watch carefully for branches and other debris carried into the water by snowmelt or runoff and avoid anything that appears to be floating on the water.

- * Be aware that river water levels will be higher and currents faster in spring, and boat within your capabilities.

- * Be aware of weather conditions before leaving shore, and keep track of them while on the water. Take along a weather radio or regular radio or tune into the marine band's weather channel.

- * Return to shore if a steady increase in wind or

water, stay with your boat and try to pull yourself up on it since the air temperature is likely warmer than the water.
