Elise Tobin to Represent U.S. On International Rugby Team

Elise Tobin

Elise Tobin of Kohlsville, the daughter of Tom and Cindy Tobin, has been selected to help represent the United States on an International High School Rugby team for three weeks

this summer in the countries of New Zealand and Fiji.

Elise, a sophomore at Divine Savior Holy Angels in Milwaukee, has played rugby in both the spring

and fall seasons of both her freshman and sophomore years at DSHA. With this experience and the success she has had on the team, her coaches felt she and several other team members would be helpful in creating a successful U.S. rugby team.

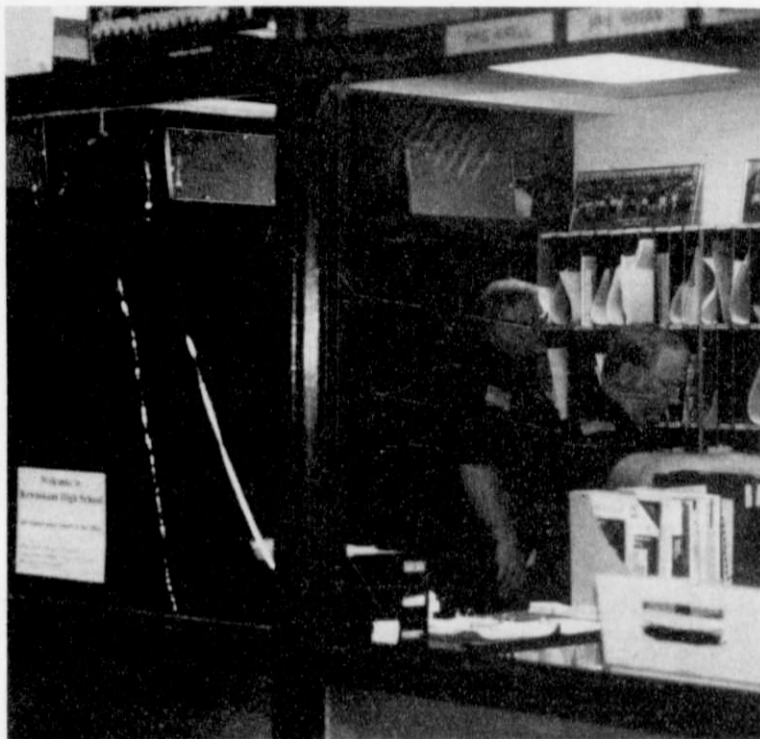

Various high schools were contacted this past winter and asked to select several of their top players to help create a United States rugby team to play against New Zealand and Fiji this summer.

Prior to flying to New Zealand, the players will all meet in Colorado where they will practice for several days as a new team. They will then spend approximately 2-1/2 weeks from the end of July to the middle of August playing rugby and touring both countries.

In addition, DSHA has also recently qualified to participate in the first ever National High School Rugby Tournament to be hosted by DSHA. It will take place the weekend of June 3 and 4, at Veterans Park at Lake Michigan in Milwaukee.

Best of luck to Elise and the U.S. Rugby Team.

Police Investigating Vandalism at High School

Students at Kewaskum High School were delighted when they arrived at school Monday morning to find that classes at the school were cancelled. Teachers, administrators and members of the police department were not happy.

Vandals had got into the school sometime between 9 pm Sunday and 5:30 am Monday. The vandals allegedly gained access through a door in the field

house that was left unlocked after open gym Sunday night.

Superintendent Wayne Graczyk stated that damage was done to the school mostly in the teacher's lounge where cabinets and a microwave were damaged and in the school office with a broken window, trashing of the secretary's desk items, and a jar of salsa was

(Continued on Page 4)

Memories of the Railroad Shared; Kewaskum Area Line is Abandoned

On April 26, 2000 the tracks were removed from Kewaskum. The railroad was unable to generate business on the line, and abandonment of the line from West Bend to Eden was granted. Wisconsin Central had acquired all of the switch yard facilities in North Fond du Lac and the major routing lay to the West, along Hwy. 41. The Rails to Trails program has been initiated and the old rail roadbed is intended to become a recreational trail.

A Historical View from Jim Yanke

The line from Milwaukee to Fond du Lac was constructed in 1872 and 1873 where it met the original line from Chicago to Green Bay. It was built as the North Western Union Railway. It passed through Granville, Rockfield, Jackson, West Bend, Barton, Kewaskum, Campbellsport, and Eden. It soon became the Chicago and North Western's principle route between

Chicago and Green Bay. The line carried mostly passenger trains in the 20's, 30's, 40's, and 50's. Until 1957, one northbound freight, #295 from Proviso, IL (The C & N W's major freight yard near Chicago) to Green Bay used this route. It's counterpart, #296 went from Fond du Lac to Proviso via Oakfield, Juneau, Clyman Junction, and Butler. There was a wayfreight in each direction between Milwaukee and Fond du Lac every day except Sunday. The wayfreight stopped in each town along the way to switch the local industries.

Going back to 1893 there were four passenger trains and three freights in each direction through Kewaskum. In 1917 there were nine daily passenger trains going north and eight daily passenger trains going south. The 1940's brought the diesel powered green and yellow streamliners through town. In 1942 there were seven northbound and six southbound passenger trains. This

schedule remained the same until the 50's. There were extra passenger and freight trains not shown in timetables that ran as business warranted. These were troop trains, camp trains, circus trains, and special trains carrying political candidates. Some of the famous trains that passed through Kewaskum were the Iron and Copper Country Express and the northbound Peninsula 400, both to Ishpeming, MI. Also the southbound Flambeau 400 and the Ashland Limited between Ashland, WI and Chicago passed through town. All the passenger trains stopped at West Bend but only a few at Kewaskum. Train #149 from Chicago to Green Bay was the last passenger train to stop at Kewaskum in the mid-1960's. After this train ceased to stop here, the depot was razed.

In the early 1900's, The Brotherhood of Locomotive Firemen and Engineer's Union held their family picnics in Kewaskum. Special picnic trains came from Milwaukee

and Fond du Lac to Kewaskum. The hundreds of people that rode the trains went to Northside Park located east of the tracks and the river. (Regal Ware was built on this land) The trains were parked in the sidings in town until the picnickers returned to board at the station.

For many years train #125 ran between Chicago and Appleton Junction. This was a mail and express train that did not carry passengers. On August 3rd and 4th of 1924 there was a heavy rainstorm throughout Washington County. Number 125 departed Kewaskum on the 4th at 5:00am, went about a half a mile, hit a washout and derailed in the mud just north of the Highway 45 bridge. Two railroad bridges in Kewaskum washed away shortly after the derailment. The line was closed for several days until the bridges were replaced and the wrecker train could get to the derailment. The January 1947 snowstorm caused the

line to be shut down for three days.

In the early 1900's the railroad installed signals. These signals were mounted high on a mast. They had a semaphore arm that moved. The position of the arm indicated if the track was clear ahead and if all the switches were lined and locked for the main track. There were colored lights in the arm for nighttime viewing. The top speed in 1939 was 60 mph for passenger trains and 45 mph for freights. In 1942 it was 80 mph for Streamliner Diesel trains, 70 mph for regular passenger trains, and 50 mph for freights. The train Dispatcher was located in Chicago, later Milwaukee. He would talk to an operator in each station along the way by the telegraph key or the company phone line, which was strung along the poles next to the track. He could change the schedule of a train in the event of another train being late. The dispatcher would give the message to the

(Continued on Page 3)

Braun Accepts Position as Landscape Architect With Milwaukee Firm

Rebecca Braun

Rebecca Braun, daughter of Daniel Braun of Kewaskum and Jennifer Braun of Campbellsport, has accepted a position as a landscape architect with Graef, Analt, Schloemer and Associates in Milwaukee.

"I was excited to find a firm that suited me so close to home," says Braun.

Braun, a 1995 graduate of Kewaskum High School,

earned a B.S. degree in landscape architecture from the University of Wisconsin-Madison's College of Agricultural and Life Sciences, the UW System's leading provider of original research in agriculture, food, natural resources, and social and life sciences.

The College's landscape architecture program helped establish one of

Wisconsin's first environmental advocacy groups, "The Friends of Our Native Landscape," which continues to address landscape-related issues in the state.

Braun earned Dean's List honors every semester and participated in the American Society of Landscape Architecture as student chapter treasurer.

Touch the Animals, Touch The World at Public Library

No need to travel to the marshlands of Africa to see a savanna monitor or to South America to meet a red-footed tortoise.

Audiences of all ages can see and touch these animals, plus an 11-foot albino Burmese python, pygmy hedgehog, ferret, thick-billed parrot and a kestrel during the Zoological Society of Milwaukee's "circle of life" Care For Critters live animal program sponsored by Roundy's Pick 'n Save.

This free 35-minute program, to be held Saturday, May 20 at 10 a.m., introduces all of these animals and explores how all of

them play a vital role in the world's ecosystem. Please stop by the Kewaskum Public Library at 206 First Street or call (262) 626-4312 for your free tickets to this fun and educational event!

Everything is funny as long as it is happening to somebody else.

Everything is funny as long as it is happening to somebody else.

Girls' Soccer Team Loses

The Kewaskum Girls varsity soccer team visited the New Holstein girls team on Thursday, May 11, and suffered a 8-2 loss.

The game plan was to stop the drought of goals by Kewaskum and take the game to the New Holstein goal. This plan worked for both teams.

Unfortunately, the Indians were treated to a display of shooting by New Holstein. All the Indian players did a very good job in keeping up with this very fast offensive team from New Holstein.

The Indian girls' team learned a lot and matured a great deal in this game.

KHS Spring Concert in The Park Set for Tuesday

It is that time of the year again when Kewaskum High School Fine Arts Program holds its annual spring concert. Everyone is invited to come and listen to the bands and choir perform on Tuesday, May 23 at 6 p.m. in Riverhill Park.

The Booster Club will be selling hamburgers, brats and other food and drinks.

The Symphonic Band, Concert Band, and Jazz Band will be directed by Keith Reynolds. The Treble Choir, Mixed Choir, Concert Choir and Swing Choir will be directed by Dave Bertelsen.

The Symphonic Band will be performing "American River Songs" and a selection of songs from the Beatles. The Concert Band will be performing "Strata" and highlights from the Disney movie, "Pocahontas." The Jazz Band will be stuck in the 1950's with the songs,

"Woolly Bully" and a few others.

The Treble Choir will be singing a medley from the hit television show, "Ally McBeal." The Mixed Choir will be featuring an assortment of songs from the doo-wop sounds of the 1950's. The Concert Choir will be performing a variety of songs from the movie, "The Muppets."

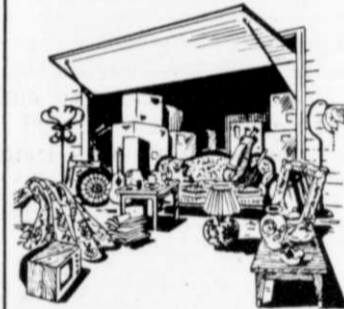

Last, but not least, the swinging sounds of the Swing Choir will be heard. They will be singing and dancing to "Do You Love Me?" among other hits as well.

Join the Kewaskum bands and choirs for this Spring Concert. Admission is free so come enjoy the musical sounds of the Kewaskum High School Fine Art Program performance. In case of inclement weather, the concert will be held in Rose Hall at the high school.

Railroad Line through Kewaskum is Abandoned

Northbound train 149 passes through Kewaskum enroute to Green Bay in 1967.

(Continued from Page 1)

station operator. The operator would copy the message and repeat it word for word to the dispatcher. Then he would set the 'order board', a special signal at the station, to 'stop.' The arm of the signal would go to a horizontal position. An approaching train would see the signal and stop. The operator would hand the message to the train crew and they would in turn follow the instructions. The operator also sold tickets. Besides the operator, some stations had an agent. He would handle the business of the railroad: charging customers for shipping or receiving, making sure the U.S. Mail was picked up or dropped off, or any other transactions concerning the railroad.

Some of the customers that were serviced by the railroad were Rosenheimer Malt and Grain, Kewaskum Aluminum, later Regal Ware, J. H. Lay Lumber Company, the Kewaskum Creamery, and three bulk oil stations. There was a 'team track' along the depot where rail cars were parked and shipments were made to customers that did not have rail access. South of Main Street on the east side of the tracks was a stockyard used for holding cattle for shipment. On the west side of the tracks at the same location was a huge water tank that stored water for steam engines. The water tank came down in the late 20's as the steam engines got bigger and could go from West Bend to Fond du Lac without taking water.

In 1956 the railroad was allowed to take off several passenger trains in Wisconsin. Freight #296 was then scheduled to run from Fond du Lac to Milwaukee on the line

through Kewaskum. Then there were four daily passenger trains each way, two main freights, and the wayfreight.

In the early 1960's, freight trains #297 and #298 ran between Proviso (Chicago) and Green Bay via Kewaskum. In the 1970's freight trains #281 and #282 were added between Chicago and Ashland. At this time on the line, the wayfreight was running as far as Eden six days a week, and freights #281, #282, #295, #296, #297, #298, were running through Kewaskum daily.

I started working for the Chicago & North Western in July 1960 as a brakeman. I worked between Milwaukee and Chicago, and Milwaukee and Fond du Lac. In 1970 I was promoted to a conductor. A crew stationed at Butler worked the wayfreight. Crews stationed at Chicago worked #281, #282, #295, #296, #297, and #298. The crew on the wayfreight went to lunch in Kewaskum. We would eat in Campbell's Restaurant, later

known as Buffy's Restaurant. Some of the jobs I remember working on the line through Kewaskum were work trains spreading ballast or ties, Ringling Brother's Circus train, C & N W executive trains, wrecker trains, snow-plow extras, and Sperry Company rail detector cars that went slowly along the tracks and detected flaws in the rails.

One snowy night in the winter of 1978 we left Butler with train #297. We had two 3,000 horsepower engines and about 80 cars. We stalled in the snow on the hill coming into Campbellsport. I cut off the engines and plowed a path through Campbellsport. Then coupled back on the train for another try. We stalled again. Then the Dispatcher had us back down the hill almost into Kewaskum and try again. We did not succeed this time either. We ran out of time with the twelve-hour law. The next morning the Dispatcher sent a crew out of Fond du Lac with three engines to couple on to

our train. They towed us to Fond du Lac. That was my longest trip on the Butler/Fond du Lac line, seventeen and one-half hours.

As traffic got lighter on the Ashland Division, freights #281 and #282 were taken off. Later as business from the north declined, #297 and #298 no longer ran. The signals were removed in December of 1984 between Granville and Fond du Lac. Freights #295 and #296 lasted until the Fond du Lac, Oshkosh, Neenah, and Appleton traffic was routed north to Green Bay and then brought down the Shoreline route through Manitowoc and Sheboygan. The wayfreight ran between Butler and Fond du Lac six days a week until the line was sold to the Fox River Valley Railroad in December of 1988. Several years later the Fox River Valley Railroad was

sold to the Wisconsin Central. In 1995 the Chicago & North Western was merged with the Union Pacific Railroad. I still work at the rail yard in Butler but I am now employed by the Union Pacific. And, I still know the friendly waitresses that once worked in the restaurant. The Wisconsin Central now has a train that comes out of North Fond du Lac to Eden to switch the Quarry and the Canning Company. A Waukesha based Wisconsin Central crew runs a train on the Wisconsin and Southern Railroad from Rugby Junction to Germantown, and then runs north to West Bend to service the remaining customers.

I have a 'Web site' that features some of the photos that I have collected of the line running through Kewaskum. My web site address is <http://www.hnet.net/~rrjim/> or you can go to a 'search engine,' put in Kewaskum, Wisconsin, and get the Village web site. Go to 'History,' and then Railroad History. There is a 'link' to my web site. Today when I cross the right away on Main Street in Kewaskum, it is easy to remember riding freight locomotives and cabooses at 50 miles per hour or riding in a passenger train at 80 miles per hour.

The word racecar and kayak are the same whether they are read left to right or right to left.

Cancer Care Center Open House May 21

The public is invited to a grand opening and community open house from 1 to 4 p.m. on Sunday, May 21, at the new \$7 million Cancer Care Center at St. Joseph's Community Hospital of West Bend. Melodie Wilson, former Milwaukee TV anchor and reporter and a cancer survivor, will be the guest speaker at ribbon cutting ceremonies at 1 p.m.

The open house will include guided tours of the Kettle Moraine Oncology clinic, the Vince Lombardi Cancer Clinic-Aurora Health Care, and St. Joseph's radiation oncology department.

The event will also include a dedication of a specially commissioned ceramic tile sculpture honoring donors to the Cancer Care Center. There will be free refreshments, along with opportunities to meet the staff of the Cancer Care Center and obtain informa-

tion on cancer-related services and cancer prevention.

Parking is available in the hospital parking lots on Silverbrook Drive, Ridge Road, and at the Oakbrook Health Center. Those who are handicapped may be dropped off under the canopy at the Cancer Care Center entrance.

The Cancer Care Center is a unique three-in-one collaborative effort among Kettle Moraine Oncology, St. Joseph's Community Hospital of West Bend, and the Vince Lombardi Cancer Clinic-Aurora Health Care. Together, they offer a range of treatment and support services to benefit cancer patients and their families in Washington County and surrounding communities.

More information on the open house is available by calling Margie Klink, St. Joseph's manager of public relations and capital development, at (262) 334-8576.

Recycle Clothing, Material Fund Drive to Begin

AAL Branch #26 of Kewaskum is sponsoring a Recycle Clothing and Material Fund Drive on the Memorial Holiday Weekend, Thursday, May 25 through Monday, May 29, anytime, morning, noon or night.

The drive will be located on Railroad Street in Kewaskum, in back of the Dairy, in front of the Kewaskum Police Department (across the street).

Organizers are asking you to donate unwanted clothing, material and scraps of clothing, curtains, bedding, rugs, towels and shoes that are tied together (no high heels, please). Place all items in plastic bags and bring to the semi-truck at the site.

The purpose of this project is to recycle material and raise funds for community projects.

Come one and all to help with a worthwhile recycling project during this millennium. All you need to do is to place all the items in plastic bags and drop them off at the truck site in Kewaskum.

Items will be used in Third World Countries and/or recycled into rags or other fiber based products.

For more information, please contact Diane Lemke at 262-626-4829 evenings or weekends.

It is better to be silent and thought of as ignorant than to speak and remove all doubt.

(Continued from Page 1)

thrown against a wall. Minimal damage was done in the school kitchen and 100 hallway.

Students will now have to spend an extra day at school before summer vacation to make-up the day missed.

Acting principal John Wolfenberg said that a cleaning service came in and cleaned up the mess Monday afternoon. He also said damages currently are adding up to over \$5,000 but little things are adding

up quickly.

Kewaskum Police Chief Richard Knoebel stated Wednesday that "We're working on it, we have some leads" Knoebel also stated they may know who the vandals are but added his department needs to do further investigation.

If anyone has additional information, please call the police department at 262-626-2323 or the Washington County WE-TIP line at 1-800-432-0594.

BIRTHS

Sale of Swim Passes, Listed; Registration for Swim, Tennis

It's that time of the year again! The Kewaskum Parks and Recreation Department has set up the Summer of 2000 Registration Dates and Times!

Registration for Session "A" Swim Lessons and the purchasing of Season Swim Passes will take place on:

Saturday, May 20 - 9:00 AM - 1:00 PM at The Beach Office - Kiwanis Park Pool

Sunday, May 21 - 9:00 AM - 3:00 PM at The Village Community Room.

Friday, May 26 - 8:00 AM - 1:00 PM at The Village Community Room.

Session "A" Swim Lessons will run from June 13 - July 7.

Registration Dates for Session "B" Swim Lessons, Tennis Lessons, and Season Swim Passes will be held on:

Saturday, July 8 - 9:00 AM - 1:00 PM at The Village Community Room

Sunday, July 9 - 9:00 AM - 1:00 PM at The Village Community Room

Session "B" Swim Lessons will run from July 12 - August 8.

Tennis Lessons, held at the Kiwanis Community Park Courts, will run from July 18 - August 10. Tennis lessons will be held on Tuesday and Thursday only.

9:00 AM - 9:30 AM - Intermediate

9:30 AM - 10:00 AM - Beginners

COST: *Resident Youth (6-14) - \$12.00; *Non-resident Youth (6-14) - \$13.50.

GENERAL INFORMATION: The Kiwanis Community Park Pool will tentatively open on Saturday, June 3.

The Pool Hours are: Monday - Saturday, 10:00 AM - 8:00 PM; Sunday - 11:30 AM - 8:00 PM

Daily Swim Fees: Youth (2-4), .50¢ Daily, .50¢ Weekend/Holiday; Youth (5-17), \$1.00, \$1.50; Adult (18-Over) \$1.50, \$2.00.

RESIDENT - A person who resides in the Village of Kewaskum and pays Village Taxes.

NON-RESIDENT - A person who does not reside in the Village of Kewaskum and who pays Township or other community taxes.

SWIM LESSONS

*Resident Season Passholders will pay a fee of \$4.00 per child, per session, for swim lessons.

*Non-resident Season Passholders will pay a fee of \$6.00 per child, per season, for swim lessons.

*Tot Time registrants must pay the swim lesson registration fee as well as purchase a Youth (Family) Pass.

Swim Lessons are offered to SEASON PASSHOLDERS ONLY! (Swim lessons are usually held Monday thru Thursday with Fridays as make-up days.)

SEASON SWIMMING PASSES

Individual Passes:

*Resident Youth (2-17), \$15.00; *Resident Adult (18-61), \$17.00; *Resident Senior Citizen (62-Over) FREE; (Senior Citizens must register for the FREE pass).

*Non-resident Youth (2-17), \$24.00; *Non-resident Adult (18-61), \$27.00; *Non-resident Senior Citizen (62-Over) FREE; (Senior Citizens must register for the FREE pass).

A Replacement Fee of \$2.00 will be charged for EACH lost pass. After a second replacement pass has been issued, a person will have to PURCHASE A SECOND SEASON PASS AT THE SEASON PASS PRICE.

SESSION "A" LESSON SCHEDULE

8:30 AM - 9:15 AM - Advanced Beginner; Intermediate, Swimmer; Advanced Swimmer.

9:25 AM - 9:55 AM - Beginner I, Beginner II, Tot Time II.

9:25 AM - 10:10 AM - Advanced Beginner.

10:05 AM - 10:50 AM - Swimmer

10:05 AM - 10:35 AM - Tot Time I, Beginner I.

10:20 AM - 10:50 AM - Beginner II.

10:45 AM - 11:15 AM - Tot Time II, Beginner I.

11:00 AM - 11:45 AM - Advanced Beginner, Swimmer.

11:25 AM - 11:55 AM - Beginner II, Tot Time I.

County CVB Plans Breakfast

The Washington County Convention and Visitors Bureau has planned an upcoming event to involve tourism business representatives, community leaders and tourism supporters in a networking opportunity. "Making The Connection" tourism breakfast will take place on Wednesday, May 31, at the Washington County Fair Park Pavilion.

Designed as an informative session, the CVB intends to provide the attendees with powerful information about the tourism industry in Washington County and in Wisconsin. To assist with this goal, Moose Speros, Secretary for the Wisconsin Department of Tourism, will attend and present the 1999 economic impact statistics.

Recently hired as the CVB Executive Director, Becky Rogers will share the upcoming tourism initiatives and reveal the results of the recently completed Washington County Tourism Assessment project.

The breakfast event is open to the public. You can contact the Washington County Convention and Visitors Bureau at 262-677-5069 for more information.

Dyslexia Language Structure Seminar

The Wisconsin Dyslexia Institute, Inc. is currently accepting registrations for language structure seminars that will be held July 10-July 21, Monday through Friday, 9 a.m. to 4 p.m. Registration deadline is June 1.

WDI is a non-profit organization dedicated to providing educational services to dyslexic children and adults. WDI also provides language evaluations, tutorial services, in-service programs, a resource library, and an annual conference.

This seminar is designed for persons interested in becoming instructors for the Institute and general and special education teachers who wish to increase their effectiveness in working with students who exhibit dyslexic characteristics.

For more information, call (262) 334-8005 or 1-888-334-8005. Early registration is recommended. Class size is limited.

In 1912, Massachusetts passed the first minimum wage law in the United States.

COMMUNITY CALENDAR

JUNE

June 3 -- JAKE'S FISHING DAY --Saturday, June 3, 9 to 1. Free lunch at noon, door prizes. Children 17 and under invited. 5-18-31

There is a \$3.00 charge for publishing your event up to three times in the Community Calendar in advance.

Wear a Poppy - Honor a Veteran

veterans.

While Poppy Day is once a year, it is a year round program. The funds raised are used for the benefit of the veteran every day, not just one day.

Let's all proudly wear a Poppy this year.

This is the message of the American Legion Auxiliary Unit #384 and Post #384 of Kewaskum, who will be on the streets Friday, May 19, distributing the red paper memorial flower made by hospitalized veterans.

There will also be decorated cans at various business places in the village where you can get your poppy in exchange for a contribution to help veterans and their families.

Each nine-piece petal flower is painstakingly hand-crafted by a veteran in Auxiliary sponsored Poppy Shops that supplement physical and psychological therapy needed by hospitalized and disabled

Bruckert - Drewry

The marriage vows of Kristen Bruckert and Kevin Drewry were blessed by Jeff Evans during a 6 p.m. ceremony on November 5, 1999 in Victoria's Chapel, Fond du Lac.

Parents of the couple are Robert and Jocelyn Bruckert of Kewaskum, and Valerie Zielke and Butch Husom of Red Granite.

The bride chose April Bruckert of Campbellsport as her maid of honor. The bridesmaids were Olga Zieliekie, a friend of Lomira, Jessica Krieser, a cousin of the bride of Kewaskum, and Krystal Drewry, a sister of the groom of Green Bay. Nolee Drewry, daughter of the couple, was the flower girl.

Butch Husom of Red Granite served as best man.

The groomsmen were David Gloaney, Terry Steiner and Tony Wojkiewicz, all friends from Fond du Lac. Jesse Drewry, son of the couple, served as the ring bearer.

Ushering duties were performed by Adam Abrahamson, a friend of Fond du Lac.

Following the ceremony, a small buffet served by Kathy Krieser and her crew, reception, and dance was held at the Amerahn in Kewaskum.

The bride is the office manager of Quality Medical Transport of Kewaskum. Her husband is a self-employed truck driver for Gary Henning Trucking of Brandon.

The couple is residing at N330 Ironwood Lane, Kewaskum.

KSS-02 Launch May 24

The students in Mr. Drexler's Aerospace Technology class are getting ready for a simulated launch of their space shuttle.

KSS stands for the Kewaskum Shuttle Simulator and this is going to be the second simulated launch. The students have been preparing for this flight throughout the semester by studying the history of flight since man's first attempts at flying. Students built and flew hot air balloons, kites, gliders and rubber band powered airplanes. Presently the students are working on rocket designs and will be testing the rockets soon.

The simulation consists of a daylong affair, beginning in the morning with the launching of the shuttle and ending the end of the school day with the reentry. While the crew is in the shuttle simulator, they will be performing various scientific experiments and recording medical information.

The medical tests will include such things as taking resting pulse rate, exercising pulse rate, and recovery pulse rate. This information would then be relayed back to mission control via computer to be charted. Mission control will be working with the shuttle crew by monitoring the shuttle's progress via the internet using a real time program from NASA and relaying current weather conditions from emergency landing locations around the world.

Other activities performed throughout the day will include simulated docking with the international space station and the launching of a satellite from the shuttle's cargo bay using a robot arm.

The public is welcome to come in throughout the school day and observe this event by calling the Kewaskum Middle School at 626-8427 for more information.

All-State Scholar Recipient Honored

Margaret Rodenkirch Radtke

MADISON -- Margaret Rodenkirch Radtke of Shorewood High School was named one of Wisconsin's 138 All-State Scholars and

is among the state's top graduating seniors in the class of 2000.

Margaret received a certificate to commemorate this accomplishment. Selection for the award was based on academic achievement and other school activities. Sponsors for the All-State Scholars program include the Association of Wisconsin School Administrators, the Department of Public Instruction, the Wisconsin Education Association Council, and the Wisconsin State Journal.

All-State Scholar recipients were honored at a ceremony this past Sunday in Madison.

Margaret Rodenkirch Radtke is the daughter of Gail Rodenkirch of Shorewood and Jeff Radtke of Plymouth. She is also the granddaughter of Mr. and Mrs. Tom Rodenkirch of Kewaskum and Mrs. Rose Radtke of West Bend.

Women of Distinction

Left to right: Sharon and Julie Shaw and Mary Bauer.

On March 14, 2000, the Green Guild Girl Scout Association of Girl Scouts of Manitou Council hosted the second annual "Women of Distinction" event. One hundred and forty-five people attended the event.

This event honored Girl Scout members who have achieved the Girl Scout Silver and Gold Award, and volunteers who are recipients of the Appreciation, Honor Pin or Thanks Badge I or II.

Julie Shaw of Kewaskum was honored as a graduating Senior Girl Scout.

Sharon Shaw of Kewaskum received the Honor Pin which is given for outstanding service above and beyond the position held to two or more units within Girl Scouts of Manitou Council. Sharon is the service unit chair for Kewaskum. She is a Senior Girl Scout Troop Leader, school organizer and service unit

registrar. She is a member of the adult recognition committee and council delegate.

Mary Bauer, Kewaskum, received the Appreciation Pin, for outstanding service above and beyond the position held to at least one service unit within the council. Mary has been involved with Girl Scouting for five years, volunteers as a Daisy Girl Scout and Junior Girl Scout troop leader and council delegate. Mary has been described by one of the girls in her troop as "an excellent leader, always there for us."

Girl Scouts of the USA is the world's pre-eminent organization for girls, with a membership of more than 3.5 million girls and adults. Today, as when founded in 1912, GSUSA helps cultivate values, social conscience and self-esteem in young girls, while also teaching them.

Campbellsport Quilting Bees Celebrate

The Campbellsport Quilting Bees celebrated their one-year anniversary on May 2. Bethana Herriges with the help of Suellen Bladek, the Campbellsport librarian, organized the first meeting in May of 1999 at the Campbellsport Library. At the time there were nine interested quilters and in one year they have grown to a membership of 24.

They have regular meetings on the first Tuesday of the month at the Campbellsport Library at 6 p.m. Here they discuss upcoming quilt shows and classes, show and tell, and any new projects, such as block of the month quilt and seasonal table runners to name a few.

On the third Monday of the month from 6 to 10 p.m. they get together to quilt at the Campbellsport Community Room. Their biggest project is making lap robes for each resident of the Beechwood Rest Home. It is a 26 bed home and each month they give residents who celebrate a birthday, a lap robe.

They have had a very enjoyable first year and each of them have made many new friends. If you are interested in learning about quilting or working on any of their projects, call Beth at 533-8872 or join them for a meeting or project night!

Village of Kewaskum NEWS NOTES

RECYCLING TIPS

** BATTERIES AND WASTE OIL **

7 of 7

TYPE OF OIL: Automotive and small engine oil only; NO ANTI FREEZE

PREPARATION: Used crankcase oil should be free from water, rags or other foreign materials. Any cost incurred for handling and managing any contaminated oil will be charged to the person disposing of the oil. Place oil in a clear plastic container with a cover and take it to the disposal site. Roger and Dan's Auto Service at 891 Fond du Lac Ave. is the disposal site for Village residents. Use a container that can be used again since disposal of containers becomes a problem. A "Waste Oil Permit Slip" must first be filled out prior to disposing of the waste oil. These slips are available at the Village Hall at 204 First Street.

TYPE OF BATTERIES: Automotive type batteries which are of the lead acid type. No flashlight or lantern type batteries are allowed.

PREPARATION: Automotive batteries should be placed adjacent to the recycling bin at the curb for pick up. Place the batteries curbside on the same day that your solid waste is to be collected. Pick up will be on Wednesday for both solid waste and recyclable items. Multi-family dwellings of six or more, remember, your recycling pick up will be the 1st and 3rd Wednesday of each month.

Night of Stars at KES

Kewaskum Elementary School was filled with work of KES students, each a "star performer" during "A Night of Stars." Here, fifth grader Anna Rick, center, checks out a book with her mom and second grade sister, Sadie, in the KES gym.

Beneath star-filled hallway ceilings, third grader Matt Butzke's family takes a look at some of his work.

First grade teacher Mrs. Kasten stops for a picture with Courtney Hahn, left, and sixth grader Danielle Dreher during the KES "A Night of Stars."

Exciting Summer Camp at Riveredge Nature Center

NEWBURG -- Riveredge Nature Center provides fun learning experiences for kids of all ages in *Summer Camp 2000*. Professional naturalists lead day campers on expeditions across Riveredge's 350 acres of diverse natural areas.

Kids who have completed grades one and two become sensational sleuths in "Nature Detectives" as they discover the mysterious lives of plants and animals living at Riveredge. For kids completing grades three and four, "Amazing Aerial Acrobats" introduces the aerial challenges that enable animals to fly.

Both camps offer four sessions, each session lasting five days. Call Riveredge at 262-375-2715 for the dates of the sessions and fees for the camps, or

check out the website at www.riveredgenc.org.

"Ecology By Canoe," is a fun-filled week of discovery and canoeing for kids who have completed grades seven and eight. Canoes are transformed into floating laboratories as campers unravel the mysteries of the underwater world. The week culminates with an overnight trip to Sheboygan Marsh to explore its many channels and learn more about its inhabitants.

Sessions I and II are filled, but due to popular demand, Session III has been added for campers who have completed fifth through eighth grade. The dates for this session are August 1-4.

Space is limited for these exciting camp days, so sign up early.

Zingsheim, Gosa Conference Champs

Emmy Foerster hands the baton to Stacy Muckerheide in the 800m relay at the Eastern Wisconsin Conference Track and Field Championships at Plymouth, Thursday, May 11. The Kewaskum relay team of Becky Herriges, Foerster, Muckerheide, and Tina Lindgren placed second in the 800m relay with a time of 1:58.3.

Photo by Kandy Lindgren

Nicole Herrmann completes her throw of 33'8" in the shot put at the Eastern Wisconsin Conference Track and Field Championships on Thursday, May 11. Herrmann placed second with her throw of 33'8" in the finals.

Mary Gosa Photo

Conference champions Michelle Zingsheim and Colleen Gosa at the Eastern Wisconsin Conference Track and Field Championships. Zingsheim won the pole vault and set the initial conference record with a jump of 8'6" for this new event at the conference meet. Gosa won the discus with a throw of 107'8". Gosa also placed second in the 1600m run, fourth in the 800m run and sixth in the shot put.

Mary Gosa Photo

By Jerry Gosa

PLYMOUTH -- The Kewaskum High School girls' track and field team scored just enough points to finish second at the Eastern Wisconsin Conference Track and Field Championships on Thursday, May 11, at Plymouth High School.

Two Rivers easily won the team title and finished with an impressive 164 points. Kewaskum finished second with 101 points and Plymouth finished third with 98.5 points. Sheboygan Falls finished fourth with 93.5 points and Kiel scored 76.5 points for fifth place. Manitowoc Roncalli placed sixth with 65 points, New Holstein finished seventh with 50 points and Campbellsport finished eighth with 46.5.

Conditions were far from

ideal for a conference championship meet. Rain had fallen almost all day to leave the throwing circles, runways for the jumps, and the asphalt track very slippery. Falling rain and wet conditions for the first half of the meet made it very difficult for the competitors to equal their best or establish season best efforts in their respective events.

The discus circle was slippery enough to cause Colleen Gosa to actually fall on one of her initial attempts in the trials.

Senior Michelle Zingsheim won the inaugural girls' pole vault competition at the conference meet and in the process set the conference record with a career best height of 8'6". This mark also breaks the Kewaskum High School record that was set previ-

ously by Zingsheim last year and tied numerous times this season.

Zingsheim's teammates Jacki Krueger placed second with a jump of seven feet and Betsy Marx placed sixth by clearing 6'6" along with five other vaulters.

Colleen Gosa, competing in four events, won the discus with a throw of 107'8". Johanning of Plymouth placed second with a throw of 100'10". Gosa was also a surprise second place finisher in the 1600m run with a season best time of 5:50.0 and then placed fourth in the 800m run with a time of 2:40.5.

"Colleen ran a very gutsy race in the 1600m run. She went up with the leaders, passed them on the second lap when the pace slowed and ended up running her best time of the season," commented distance coach Randy Backhaus. Gosa also placed sixth in the shot put with a career best throw of 31'7". Gosa thus placed in four individual events, two running and two field events, and scored 26 points for the girls team.

"Colleen had a fantastic conference meet, easily winning the discus and setting a new personal best in the shot put. Combining that with her running, she contributed tremendously to the team's second place finish," commented throwing coach Dave Rizzardi.

Nicole "Coco" Herrmann, a sophomore, placed second in the shot put with her throw of 33'8". "Nicole struggled in the preliminaries of the shot, but she settled down nicely to take second place. She is regularly throwing in the 33 foot range and is ready to bust out further in the next two weeks," commented Coach

Rizzardi.

Herrmann's 33'8" throw was her second best throw of the season. Herrmann's best throw of the season was 34'5" at the Washington County Indoor back in March and her throw Thursday was her outdoor season's best. Johanning of Plymouth won the shot put with a throw of 35'10-1/2".

Emmy Foerster placed second in the 100m high hurdles with a time of 17.6 seconds. Foerster also ran on Kewaskum's 4x200m relay team along with Becky Herriges, Stacy Muckerheide, and Tina Lindgren. They finished second with a time of 1:58.3. The Kewaskum 4x200m relay team had the third fastest seed time going into the conference meet and their good efforts enabled them to finish second.

The Kewaskum 4x100m relay team of Becky Herriges, Kristin Schiller, Stacy Muckerheide and Tina Lindgren finished third with a time of 56.5 seconds. The Kewaskum girls 4x100m relay team was seeded fifth fastest of all the teams going into the conference meet. The handoffs were good and Tina Lindgren ran a good anchor leg to help them move up to third place and win a medal.

The third place finish of the Kewaskum 4x400m relay team was a big surprise for both the relay team members and the Kewaskum coaches. The foursome of Heather Meyer, Breyan Donath, Michelle Zingsheim, and Jessi Graham knocked four seconds off their best time of the season.

The Kewaskum girls had to work their magic in the first of the two heats due to

Plymouth's six lane track. Three schools, Campbellsport, Plymouth, and Kewaskum, ran in the first heat based on their seed times from earlier in the season.

Kewaskum's relay team ran their hardest and won heat one with a time of 4:32.8 (four minutes and 32.8 seconds). Two Rivers won heat two and Manitowoc Roncalli finished second with times of 4:21.0 and 4:25.7 respectively of the five teams in heat two.

New Holstein finished next with a time of 4:33.4, thus, Kewaskum's time of 4:32.8 became the third fastest time and good for third place by 0.6 seconds.

"I give our girls a lot of credit. I also give a lot of credit to Amber Averill for having our alternate, Heather Meyer, run in her place. Averill, who has been nursing leg problems recently, thought that Meyer might run faster than her and thus wanted Meyer to run to help the team. Definitely a tough decision for Amber because she really wanted to run. I'm proud that she put the team first," complimented Coach Gosa.

Their previous best effort had been 4:36.4. "They ran their hearts out. Their time in the first heat beat three of the five teams' times seeded ahead of them in the second heat. It would have been nice to have all eight teams in the same heat, but that was impossible. Meyer, Donath and Graham are all freshmen. We hope that they continue to improve. Their hard work definitely paid off Thursday night," reported Coach Gosa.

Jenna Roecker, a freshman, finished fourth in the 100m high hurdles with a career best time of 17.7 seconds and fifth in the 300m low hurdles with a time of 53.4 seconds, just 0.1 seconds off her best time of the seasons. "Jenna ran very well. We were very happy with her fourth place finish in the high hurdles and then her fifth place in the low hurdles. That's very good for a freshman," commented Coach Gosa. Roecker's teammate, Emmy Foerster, did not run the low hurdles due to shin splints.

Graham and Meyer also placed fifth and sixth in the 400m dash with times of 67.4 seconds and 68.9 seconds respectively. Graham's four points for fifth and Meyer's three points for sixth combined for seven team points. It definitely helps the team having two athletes place in the same event. Kewaskum was the only school to place two girls in the 400m dash. Their total of seven points is only one point less than second place.

Tina Lindgren placed seventh in the 100m dash

(Continued on Page 10)

Open House Sunday

Vince Lombardi Cancer Center to Open in West Bend

Four years ago Virginia and George Hall moved to West Bend from Chicago. The lifetime residents of Illinois found a warm people, beautiful surroundings, and now, when Virginia needs it, a new Cancer Care Clinic in her adopted hometown.

Virginia is a patient of Dr. Jonathan Treisman, a leading cancer specialist who will begin caring for her, and other patients, at the Vince Lombardi Cancer Clinic that will soon be opening in the newly constructed Cancer Care Center of St. Joseph's Community Hospital in West Bend.

The new 4,000 square foot Vince Lombardi Cancer Center includes a large reception area, rooms for exams, treatments, and private infusions, a pharmacy and lab/draw room, a children's room, offices and a kitchen. For the first time in Washington County, radia-

tion therapy will be also available in the adjoining Cancer Care Center.

For people living with cancer, local access to stand-out physicians, radiation therapy and the latest in cancer treatments means convenience, comfort and peace of mind. Virginia Hall, 76, and her husband George, 79, spend part of almost every day traveling to either the VLCC in Slinger or to St. Joseph's Community Hospital in West Bend to have tests that check on the progress of her ovarian cancer. The new VLCC and Cancer Treatment Center will make their lives a lot easier. "West Bend will be a lot more convenient for us," says Hall.

Another person living with cancer, Lorrell Eastman of West Bend is also looking forward to the opening of the new VLCC. Explains Eastman, "For about a year, the VLCC in Slinger was my second

home." In February of 1999 she was diagnosed with ovarian cancer. She has had multiple surgeries and months of chemotherapy. Now she will be going to the new VLCC for her three-month check ups and CT scans. Eastman and her husband Tom live west of Big Cedar Lake in West Bend and the drive to Slinger was not much of a problem. But, there were times when even going to Slinger was hard. "I was so physically weak, really tired," she explains.

The new VLCC will have some of the same staff as the VLCC in Slinger. Both Hall and Eastman are especially happy about that. "We were so terrified at first," remembers Eastman. But she adds that the medical staff at the VLCC was sensitive and caring and professional. She has even referred a friend to Dr. Treisman because, as

she puts it "he takes his time with everyone."

Dr. Treisman and his partner Dr. John Hanson, will see patients in West Bend. Both physicians have trained and worked at such nationally-recognized cancer centers such as the Sloan Kettering Institute in New York and the National Cancer Institute in Maryland. They are part of the St. Luke's Medical Center Cancer Services Team and also see patients at other Vince Lombardi Cancer Clinics.

The physicians work together with a staff of specially trained nurses. Both Hall and Eastman are great fans of the VLCC nurses. They praise the genuine caring and warmth of the staff which has made them feel like they are part of a family. "They always gave me a big hug when I go in," says Eastman.

The newest VLCC in West Bend is the second site for Aurora Health Care's cancer services in Washington County. Another VLCC is located at the Aurora Health Center on Hwy 60 in Slinger. According to Patty Abella, Aurora regional manager of outpatient oncology, Aurora is enthusiastic about the new clinic, "It is our mission to offer cancer care services in our own communities," she says.

The public will have a chance to tour the new VLCC and Cancer Care Center at an open house on Sunday May 21 from 1-2 pm. For more information call the VLCC in Slinger at 644-2960.

Champs

(Continued from Page 9)

with a time of 14.9 seconds. The Kewaskum 4x800m relay team of Kelly Darmody, Mandy Will, Heather "Double H" Hackbarth, and Lauren Schultz placed eighth with a time of 12:00.2.

"The coaches are very proud and pleased of the efforts that the girls gave Thursday night at the conference meet. We spent time Tuesday and Wednesday night talking about focusing and getting psyched for the big meet. They had a very good meet. We definitely complimented the girls on their efforts. Last year the Kewaskum girls team finished seventh at the conference meet. Their hard work and determination has paid off this year," concluded Coach Gosa.

The Kewaskum varsity coed track team competes at New Holstein on Thursday, May 18th and at the Eastern Wisconsin Conference Relays. Competition begins at 3 p.m. with the boys' pole vaulting. The other field events begin at 3:30 p.m. and running events begin at 4 p.m.

The Kewaskum varsity coed track and field team will compete in the WIAA Division II Track and Field Regional at Lomira at Lomira High School on Monday, May 22. The meet begins at 4 p.m. with field events and the girls' 3200m relay.

The world's youngest parents were 8 and 9 and lived in China in 1910.

Grothman Urges All to Sign Up for National Bone Marrow Registry

By Rep. Glenn Grothman

Normally, I use this space to talk about issues of interest in the State Legislature. Today, I will discuss something of much more significance, the importance of putting yourself on the National Bone Marrow Registry.

Last weekend, I had the privilege of donating bone marrow to a seven-year-old girl from Virginia. Bone marrow is the substance in one's bones, which creates blood for the body. Every year thousands of people need bone marrow transplants. Over 75% have leukemia, with the rest having anemia, lymphoma, or other blood diseases. With leukemia, all of a person's bone marrow is destroyed through chemotherapy and must be re-generated through marrow from a donor.

It is best if the donor has a perfect match in marrow type. One out of every four siblings has identical marrow. If you do not have a sibling with identical marrow, you must find an unrelated donor. Every year, approximately 4,500 people look for a perfect match. Almost four million people are registered as possible donors, but still only 30% will find that match. Less than half of these will survive but almost all of the 70% who do not find a match will die from their disease.

About a month ago, I was notified that I would be one of 30 Wisconsin residents

that would give bone marrow to an unrelated party this year. The procedure was done at University Hospital in Madison. I was put under general anesthesia and had a half-pint of bone marrow removed from each hip. The needle was small enough that no stitches were required to close the incision.

While I was kept in the hospital overnight, I still was able to speak at a pro-life rally in Madison by noon the next day. I felt somewhat sore for about two days, as if I had exercised too much, but by Monday, I felt fine.

One can sign up to put one's name on the National Bone Marrow Registry at the Blood Center in West Bend, the Red Cross in Sheboygan or by calling 800-626-4017.

Only one in three thousand people who sign up are chosen to give marrow each year. However, if you are fortunate enough to be chosen, you can save someone's life. If you have any questions about this procedure or if you are chosen as one of the donors, don't hesitate to contact me about what the experience was like.

You can reach me here in Madison -- please call 1-888-534-0059.

Kewaskum A's Defeated

The Kewaskum A's were defeated, 6-1, on Sunday May 11.

Kenny Immel took the loss, pitching six innings while striking out five and walking five.

Five of Pardeeville's runs were unearned. Brian Calkins pitched a complete game, a four-hitter for Pardeeville, who is now 1-1.

The A's were rained out against Lannon in Tri-County action this week. The game will be rescheduled for a later date.

The A's will finally be home this weekend, and will play Lebanon on Saturday in the Tri-County League and Hartford on Sunday in the Rock River League.

New Start/Finish for Kettle Moraine Klassic Bike Ride

KEWASKUM -- View the lush greenery of the Northern Kettle Moraine in one of the first bike rides of the 2000 season. This year the American Heart Association's Kettle Moraine Klassic Bike Ride (formerly the Heart Ride) takes place on Sunday, May 21, and will guide riders through some of the most spectacular scenery this great state has to offer!

The event will begin and end at Sunburst Ski Area, just south of Kewaskum, a new location for this ride. The ride will end with a warm, welcoming cheer, fantastic food, Sprecher/Cedar Crest root beer floats, music and a special appearance from Mark Concannon of Milwaukee's Fox 6 News, the ride's honorary chairperson.

"If you've done this ride before, you'll be seeing the other side of the barn this year," says route captain Rich Ramsey, long time volunteer for the event. "These are the best backroads between Milwaukee and Green Bay!"

Three challenging routes (50, 30 or 18-mile)

are available, or choose the 10.6 mile family fun ride. All proceeds from the ride will go to the American Heart Association to help battle the #1 and #3 killers in our communities, heart disease and stroke. Last year heart disease and stroke accounted for 41% of all deaths in the state of Wisconsin.

This ride offers so much for the participants -- a healthy activity for themselves, a way to raise money for desperately needed research, and a great deal of fun! The top pledge-getter from each route will receive an exciting prize, as will the child and the team that collect the most money.

The entry fee was only \$20 before May 12, and is \$25 after, with no minimum requirement for pledge collection. One of the largest teams will likely be from the YMCA, whose spinning classes are being encouraged to attend by Jon Lange, Executive Director of the Kettle Moraine YMCA, this year's ride chairperson. Schwarz Pharma of Mequon, the event's presenting sponsor,

is also recruiting a team. Last year the team raised more than \$1200 and brought home a Trek bike which was raffled off at the office.

Schwarz Pharma, West Bend Mutual, Milwaukee Electric Tool, Serigraph, Charter Steel, and M & I First National Bank sponsor the Kettle Moraine Klassic. For start times and more information or to register contact Debi Genthe at 800-242-9236, ext. 1459, or register online at www.activeusa.com.

Letter to The Editor

To the Editor,

The West Bend School Board and its teachers recently negotiated a voluntary settlement. The figures of that settlement have been well documented in the local press. In Kewaskum, the teachers have been working the entire 1999-2000 school year without a contract. Unfortunately, a voluntary settlement does not appear imminent as the Kewaskum School Board has broken off negotiations and filed for mediation.

Other districts are showing a willingness to

improve the pay and benefits for their teachers. They understand that in order to hire and keep good young teachers an attractive and competitive salary schedule and benefits package is essential. A gap between the pay and benefits offered to Kewaskum teachers and what is offered to teachers in several surrounding districts already exists. This gap is widening rather than narrowing. We are concerned that good, young teachers who begin their careers in Kewaskum will go elsewhere when they have the opportunity to receive better pay and benefits. Morale of veteran teachers will erode also as this gap continues to widen.

A cornerstone of any successful school district is its faculty. A few years ago the Kewaskum School District formulated and adopted a short mission statement. A part of that says: "to create an environment... where teachers want to teach." The district obviously recognized the critical role that teachers play in giving our children an excellent education when it adopted its mission statement, making this an environment where teachers want to teach, it is time to step up negotiations. Or perhaps the district needs to change its mission state-

ment.

Fire Engine 'Wet Down' At Campbellsport

The public is cordially invited to witness the official installation of a new Pierce pumper fire engine, equipped with a 75-foot aerial, to the Campbellsport Fire Department fleet in a "wet down" ceremony scheduled for Wednesday, May 31, 2000.

Hosted by the Kewaskum Fire Department, the event will begin at 7 p.m. at the Immanuel Lutheran Church parking lot on south Helena Street in Campbellsport. A reception will follow at the Campbellsport Fire Station.

If you were not able to attend the recent "wet down" held for the Kewaskum Fire Department or would like to witness this spectacle again, here is a close opportunity to see firsthand the historic and memorable "wet down" ceremony.

Join members of the Campbellsport Fire Department as they officially place their fire engine into many years of service on May 31.

Obituaries

ELTON E. "BUD" LIEPERT

Elton E. "Bud" Liepert, age 67, of Kewaskum, passed away on Saturday, May 13, 2000, at Rolling Meadows Nursing Home in Fond du Lac.

He was born on January 21, 1933 in the Town of Farmington, the son of the late Walter and Martha (Quaas) Liepert and on October 22, 1955 he was united in marriage to Luella Grasse at St. Mary's Catholic Church in Port Washington. She preceded him in death on September 9, 1994.

On April 25, 1999, he was united in marriage to Gloria Scheid at Peace United Church of Christ in Kewaskum.

Mr. Liepert was employed by the Gehl Company in West Bend, retiring in 1995 after 33 years of service. He was a member of the Gehl Company Hexelbank Club and a member of Peace United Church of Christ in Kewaskum.

Survivors include his wife, Gloria Scheid Liepert of Kewaskum; a daughter, Bonnie (Don Stevens) Liepert of Beechwood; three brothers, Lloyd (Mert) and Ralph (Marilyn) Liepert, both of West Bend and Willis (Janice) Liepert of Random Lake; two sisters, Lyla (Bob) Boerger of West Bend and Janice (Craig) Warnecke of Beechwood; three stepsons, Dennis (Gail) Scheid of Dousman, Ron Scheid of Lomira and Gary Scheid of Kewaskum; eight step-grandchildren, Nicole, Crystal, Brittany, Brianna, Stephanie, Wesley, Travis, and Todd, other relatives and many friends.

He was preceded in death by twin infant daughters, a daughter, Tammy Sue, on July 8, 1979 and two sisters, Lois Junge and Verna Grasse.

Funeral services were held at 11 a.m. on Wednesday, May 17, 2000 at Peace United Church of Christ in Kewaskum. Rev. Eric Kirkgaard officiated and burial followed in Holy Trinity Catholic Church Cemetery.

Friends called from 3 p.m. until 7:30 p.m. at the Miller Funeral Home in Kewaskum on Tuesday, May 16, and from 9:30 a.m. until the time of services at the church on Wednesday.

CARL C. BECKER

Carl C. Becker, 77, of West Bend, died Thursday, May 11, 2000, at St. Joseph's Community Hospital, West Bend.

He was born December 31, 1922, on the family farm near Campbellsport, to the late Peter and Ella (nee Trost) Becker.

On June 11, 1955, he married Marie Rassel at St. Nicholas Catholic Church in

Dacada.

Carl was employed at The West Bend Company in production and maintenance for over 40 years, retiring in 1986.

He was a member of St. Mary's Immaculate Conception Parish, West Bend, the St. Joseph's Society, and The West Bend Company 25-Year Club.

Survivors include his wife; a brother, Linus (Violet) of Minocqua; a brother-in-law, Raymond (Charlotte) Rassel of Appleton; two sisters-in-law, Audrey Becker of Minocqua and Belva Becker of Wautoma; nieces, nephews, other relatives and friends.

Preceding him in death were two brothers, Wayland and Roderick.

A Mass of Christian Burial was held Monday, May 15, at 2 p.m. at St. Mary's Immaculate Conception Parish, West Bend. Father Patrick Wendt was the presider and burial followed in St. Mary's Cemetery.

Visitation at the church only was on Monday from 11 a.m. until the time of Mass.

The Myrhum-Patten Funeral Home of West Bend assisted the family.

MARION M. SCHWARTZ

Marion M. Schwartz, nee Bauer, 92, of West Bend, died Thursday, May 11, 2000 at the Cedar Lake Health Care Center.

She was born Aug. 2, 1907, in West Bend, to the late Phillip and Susan (nee Lorenz) Bauer, and married Benedict Schwartz on Nov. 8, 1933, at Holy Angels Church, West Bend.

Ben passed away on April 2, 1984.

Marion was a lifelong resident of West Bend. Her favorite past-times included gardening and painting pictures.

She was a charter member of St. Frances Cabrini

Parish, the Christian Women's Confraternity and the West Bend Homemakers Club.

Survivors include two sons, Clarence A. (Shirley M.) of Kewaskum and James B. (Phyllis) of West Bend; five grandchildren, Scott, Kevin, Brian, Tricia and Tina; a great-grandson, Miles; a brother, Carl of West Bend; a sister, Florence (Jim) Jones of Glendale, Ariz.; a sister-in-law, Florence Bauer of Brookfield; other relatives and friends.

Preceding her in death were a daughter, Marlene; two sisters, Meta Theisen and Eleanor Bauer; and three brothers, Lawrence, Harold and Arthur.

A Mass of Christian Burial was held Saturday, May 13, at 11 a.m. at St. Frances Cabrini Church, with Fr. Jeffrey Hains presiding. Burial followed in Washington County Memorial Park.

Visitation at the church only was on Saturday from 9 to 10:45 a.m.

The family has asked that memorials be given to the Cedar Campuses or St. Frances Cabrini Parish.

The Schmidt Funeral Home of West Bend served the family.

ALICE H. HEINDL

Alice H. Heindl nee Otten, 79, of Kewaskum, died Sunday, May 14, 2000, at St. Agnes Hospital, Fond du Lac.

She was born in Barton on April 8, 1921, to the late Andrew and Elsie (Fischenich) Otten, and married John Heindl. He passed away on March 23, 1995.

Together they operated Johnny and Ollie's Tavern in Barton.

Survivors include two sons, Paul Thull of West Bend and David Thull of Mayville; two daughters, Karen Rivera of Omro and Sandra (Larry) Filo of Campbellsport; five grandchildren; a brother, Roman (Marcedes) Otten of Kewaskum; a sister, Grace

Kuester of Hilbert; a sister-in-law, Jean Otten of West Bend; nieces; nephews; other relatives and friends.

There will be no services, and cremation will take place.

The Twohig Funeral Home, Campbellsport, is assisting the family.

CASANDRA LYNN BRADLEY

Casandra Lynn Bradley, the infant daughter of Rick Bradley and Lynelle West, died Saturday, April 29, 2000, at St. Joseph's Community Hospital.

Survivors include her parents of Grafton; maternal grandparents, Dennis West of Campbellsport and Char West of West of Bend; paternal grandparents, Alicia and Ronald Bradley of Concord, Mich.; great-grandparents, Roland and Dorothy Beine of Hartford and Frances Boyd of Concord, Mich.; aunts; uncles; other relatives.

Funeral services were held Saturday, May 13, at 11:30 a.m. at Community Church, West Bend with Pastor Kevin Barrett officiating. Burial followed in Washington County Memorial Park, West Bend.

Visitation at the Schmidt Funeral Home, West Bend, was on Saturday from 10 to 11 a.m.

EDWIN W. PASKEY

Edwin W. Paskey, age 89, of Kewaskum, passed away on Wednesday, May 17, 2000 at Rocky Knoll Health Care Facility in Plymouth.

Please call Miller Funeral Home at 626-2185 for complete service information. A complete obituary will be published in next week's paper.

Need Crafters, Demonstrators, Volunteers

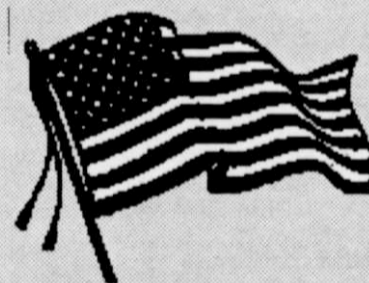

The Wisconsin State Park System is celebrating its 100th anniversary during the year 2000. The Northern Kettle Moraine State Forest is going to honor this special event with a turn-of-the-century (1900) Old-Fashioned Day in the Park on Sunday, July 16.

This family-orientated event will be held at the Mauthe Lake Recreation Area from 11:30 a.m. to 4:30 p.m. Activities planned so far include old-time games and kids' crafts, a concert by folk performer David HB Drake, and food provided by the Long Lake Fishing Club.

Organizers are currently trying to find people interested in demonstrating crafts and skills that were used at the turn of the century. They would like to have an area with "home crafts" such as weaving, crocheting, dyeing, needlework, butter churning and spinning.

"Down on the Farm" would be another area where old-time farming skills like cross-cut sawing and corn shelling would be demonstrated and where old-time machinery could be displayed. Another topic organizers want to cover is popular children's activities of the time period from toys and games to books.

If you are interested in being a demonstrator or willing to volunteer to help make this an outstanding event, contact Jackie S. Scharfenberg, Forest Naturalist. She may be reached at the Ice Age Visitor Center. The center's phone 8322.

Recipe of the Week

This recipe, along with many others can be found in the new Kewaskum Junior Woman's Club red cookbook. You can find them for sale at Kewaskum Pharmacy, Kewaskum Frozen Foods, or by calling Karen Kletti at 334-0227.

CREAMY CRABMEAT IN TOAST CUPS
(Appetizers)

2 loaves bread (1 lb. each)
 1 c. margarine, melted
 3 Tbsp. butter
 1/4 c. flour
 1 1/2 c. milk
 1 c. Cheddar cheese, shredded
 1 (7 1/2 oz.) can crab meat (you can substitute chicken or tuna)
 1 Tbsp. green onion, minced
 1 tsp. lemon rind, grated
 1 Tbsp. lemon juice
 2 Tbsp. parsley, minced
 1 tsp. Worcestershire sauce
 1 tsp. prepared mustard
 1/2 tsp. salt

Cut crust from bread. Cut slices into rounds with a 2 3/4-inch cutter. Brush both sides with melted margarine; press into muffin pan cups and bake at 450 degrees for 5 minutes.

Melt butter in saucepan; stir in flour and cook until bubbly, about 1 minute. Stir in milk and continue to cook, stirring constantly, until thick. Stir in cheese until melted. Bone and flake crab meat. Add to sauce with remaining ingredients. fill each toast cup with 1 tablespoon of the mixture. Make 36.

To Freeze: Place on jelly roll pan and freeze until firm, then place in plastic containers. Can be kept frozen up to 3 months.

To Serve: Bake frozen at 400 degrees for 15 minutes.
Mrs. Ethan Etta

WASHINGTON COUNTY NUTRITION PROGRAM
For the Elderly Menu
Meadowcreek Complex

FFA Officers Announced

The Kewaskum FFA chapter got off to a great start for the 2000-2001 year by holding an officer meeting. The meeting to determine the new officers was held on Wednesday, May 3.

The new officer positions are as follows: President, Rebecca Baron; Vice-President, Bridget Beck, also serving as Vice-President will be Matt Propson; Secretary, Scott Herman; Treasurer, Josh Hawig; Sentinel, Roland Westphal; Reporter, Tom Ramthun; Historian, Peter Marx, and the Advisor again this year is Dave Rizzardi.

The group decided to have two vice-president positions because of the amount of interest in officers this year. Events for the upcoming year were also discussed and will be brought up at the next monthly member meeting.

That meeting will be held on Wednesday, May 24. All members are invited to play softball before, at 6:30 p.m. The Meeting will be held at 7:30 p.m. in the Ag Room.

PB&J COOKIE SANDWICHES

- 3 cups all-purpose flour
- 1-1/2 tsp. baking powder
- 1/2 tsp. salt
- 1 cup (2 sticks) Imperial Spread*
- 1/2 cup granulated sugar
- 1/2 cup firmly packed light brown sugar
- 1/2 cup creamy peanut butter
- 1 egg
- 1-1/2 tsp. vanilla extract
- 1/4 cup your favorite jelly

In medium bowl, combine flour, baking powder and salt.

In large bowl, beat Imperial Spread, sugars and peanut butter until light and fluffy, about 3 minutes. Beat in egg and vanilla. Gradually beat in flour mixture until blended. Divide dough into 4 equal pieces. Shape into logs, each 2 inches wide. Wrap in plastic wrap and freeze at least 1 hour.

Preheat oven to 425°. Slice logs into 1/4-inch slices, place on ungreased baking sheets. With fork, lightly pierce tops.

Bake 5 minutes or until bottoms are lightly golden. On wire rack, cool completely. To form sandwiches, spread 1/4 teaspoon jelly on one cookie and press together with another. Yield: 48 cookies.

Roecker Wins High, Low Hurdles; McKee Wins Pole Vault Frosh Shine at Manitowoc Invitational

By Jerry Gosa

The Kewaskum freshmen boys' and girls' track teams competed at the Manitowoc Freshmen Invitational on Thursday, May 4. The Kewaskum athletes not only had a chance to compete against only other freshmen athletes, but many placed in the top six and came home with a medal for their efforts. Fifteen schools competed in the meet, but the meet was not team scored.

Highlights for the Kewaskum girls' track and field team include the following individuals, places, and their events:

Jenna Roecker placed first in both the 100m high hurdles and the 300m low hurdles with time of 18.4 seconds and 55.7 seconds respectively. It was nice to see Jenna do well in the hurdles. It's tough competing against varsity hurdlers every meet when you're just a freshman, but the competition makes you a better athlete.

Heather Meyer placed fourth and Breyan Donath fifth in the 400m dash with times of 1:06.9 and 1:07.3. Both Heather's and Breyan's times in the 400m dash were season bests and are very good for freshmen. They have made a lot of progress the last few weeks of the season and will provide help for the varsity team.

Meyer also placed fourth in the long jump with a jump of 13'10-3/4" and Donath placed sixth in the 100m dash with a time of 14.5 seconds. Donath's teammate Kayla Brock also ran the 100m dash and jumped 3'10" in the high jump competition, but did not place.

Mandi Will placed sixth in the 1600m run with a season best time of 6:45.1. Will and Meyer both also ran the 800m run with times of 3:03 and 2:54 respectively, but did not place in the top six.

Highlights for the Kewaskum boys' track and field team include the following individuals, events and their places:

Mike McKee won the pole

vault competition with a season best jump of 11 feet. McKee's previous best had been 9'6". "McKee did a great job in the pole vault. He might have jumped even higher had he brought a longer vaulting pole with him," reported Coach Rizzardi.

Mike started the pole vault competition with an 11 foot x 130 pound rated pole and then moved to a 12 foot x 130 pound rated pole. Pole vaulters by rule have to have their top hand at least six inches down from the top of the pole. McKee also ran the 110m high hurdles with a time of 18.9 seconds, but did not place in the top six.

McKee's teammate Kurtis Cochran placed third in the pole vault competition with a season best jump of 9'6". Cochran's best jump had been nine feet. It's nice to see that the younger vaulters are doing so well. The pole vault is one of the varsity's stronger events and we would like to see that trend continue. They have invested a lot of time practicing and they have raised a lot of money to buy poles for this event.

David Cibulka placed second in the discus competition with a season best throw of 110'3". Cibulka's throw was over 17 feet better than his previous best throw of the season. Coach Rizzardi, the throwing coach, was happy with the improvement shown by David. We need three discus throwers next week for the Eastern Wisconsin Conference Relays, Thursday, May 18, and David can help out the varsity, especially if he continues to throw well.

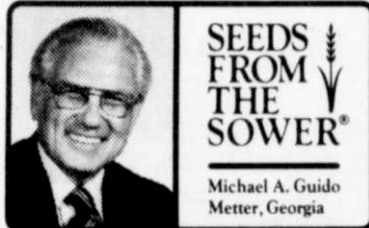

The 4x200m relay team of Mike McKee, Andy Breese, Matt Hartmann, and Andy Lickel placed second with a time of 1:02.1. Hartmann also placed sixth in the 200m dash with a time of 26.4 seconds. Both Hartmann, and Breese also ran the 100m dash with a time of 13.0 and 13.8 seconds respectively, but did not place in the top six. Breese also ran the 200m dash with a time of 27.6 seconds, but also did not place.

Troy Koefler placed

fourth in the shot put competition with a season best throw of 38'9-1/2" -- over two feet better than his previous best. Koefler also placed sixth in the discus competition with a season best throw of 96.4. -- five feet better than his previous best. "Our throwers had a good night," commented Coach Rizzardi. Cibulka also threw 32'7-1/2" in the shot put, but did not place.

The 4x400m relay team of Andy Lickel, Joe Rinzel, Bill Thelen and Travis Tiedt placed fifth with a time of 4:04.7. Lickel had the fastest split of the four with a time of 58.8 seconds. Tiedt also placed sixth in the 800m run with a season best time of 2:17.9. Thelen also ran the 400m dash earlier in the meet with a time of 62.1 seconds, but did not place in the top six.

Kurtis Cochran and Keith Boegel long jumped 14'8" and 13' respectively, but did not place. Travis Tiedt also high jumped 4'10", but did not place.

SEEDS FROM THE SOWER®

Michael A. Guido Metter, Georgia

A man walked from the Pacific to the Atlantic. A reporter greeted him in New York with a question, "What was the greatest difficulty you encountered on your long trip?" "What almost defeated me," he confessed, "was the sand in my shoes."

Grains of sand - not giant streams or gigantic sierras.

The things which keep you from your goals aren't always the big things; they're the little things.

You build your life on little things. Your habits are made of little things. From these you weave your future. The little trifles control your destiny.

Watch out for the little things, and the big things will take care of themselves.

KHS Girls' Track Team Second at Triangular

TWO RIVERS -- The Two Rivers Raiders scored 74 points to defeat Kewaskum and Plymouth on Tuesday, May 2. Kewaskum scored 59 points and Plymouth 51 points. Two Rivers won nine first places and Plymouth won four first places. Kewaskum had three first places, five seconds, six thirds and one fourth place.

Michelle Zingsheim and Jacki Krueger placed 1-2 for Kewaskum in the pole vault competition. Zingsheim cleared 7'6" and Krueger cleared 6'6".

Colleen Gosa won the discus competition with a career throw of 123' and placed second in the 800m run and third in the 1600m run with times of 2:45.3 and 6:05 respectively.

Tina Lindgren won the 100m dash with a time of 14.0 seconds and teammate Stacy Muckerheide finished third in the 100m dash with a time of 14.2 seconds. Lindgren anchored the winning 4x200m relay team and second place 4x100m relay team. Joining Lindgren on the winning 4x200m relay team were Becky Herriges, Emmy Foerster, and Stacy

Muckerheide.

The 4x200m relay team finished with a season best time of 1:56.2. The second place 4x100m relay team consisted of Herriges, Muckerheide, Jody Wichtoski, and Lindgren and was timed in 55.9 seconds. Herriges also finished second in the 200m dash with a season best time of 29.0 seconds and Wichtoski placed third in the triple jump with a jump of 27'7-1/4". Lindgren also placed fourth in the long jump with a jump of 13'1".

Nicole "Coco" Hermann placed second in the shot put with a throw of 33'4".

Emmy Foerster placed third in both the 100m high hurdles and the 300m low hurdles with times of 17.6 seconds and 53.4 seconds respectively. Heather Hackbarth finished third in the 3200m run with a time of 14:11.2.

The Kewaskum 4x400m relay team of Amber Averill, Breyan Donath, Michelle Zingsheim, and Jessi Graham finished second with a time of 4:38. Two Rivers won the 4x400m relay with a time of 4:12.

Sparks Throws Discus 163'5". Breaks Record Again

Boys Track Outpowered by Two Rivers, Plymouth

The shot and discus throwers are all smiles along with their throwing coach, David Rizzardi, after a successful day in the throwing events at Two Rivers. Pictured, left to right, on the ground are Kim Erdmann and Ann Bausch. Standing are Aileen Chambers, Katie Gosa, Troy Koefler, Coach David Rizzardi, Colleen Gosa, and Nicole "Coco" Herrmann. Standing behind are Nathan Fechter, Charlie Sparks and Scott Willkomm.

Charlie Sparks releases the discus on his school record winning throw of 163'5" at Two Rivers on Tuesday, May 2. Sparks now has broken the school record four times this season.

By Jerry Gosa

TWO RIVERS -- Plymouth scored 70 points to just nip Plymouth by three points in the annual triangular track and field meet between Plymouth, Two Rivers, and Kewaskum.

Unlucky for Kewaskum was the fact that it was Two Rivers turn to host the triangular which resulted in a long drive and long afternoon as Kewaskum finished behind the two Eastern Wisconsin Conference powers with 48 points. The 48 points scored by Kewaskum is actually the most points scored by Kewaskum against these two schools in quite a few years.

Plymouth won eight events, Two Rivers won six events and Kewaskum won four events.

The highlight of the meet was Charlie Sparks winning the discus and setting a KHS record with a throw of 163'5". Sparks previously held the school record with a throw of 159'3". This is the fourth time this season that Sparks has broken the school record. "He had a

great throw," commented throwing coach Dave Rizzardi. Sparks efforts in the discus are showing up in the State Honor Roll.

Sparks also placed third in the shot put with a throw of 44'0". Teammate Nathan Fechter placed fourth in the discus with a career best throw of 100'.

The Kewaskum 4x200m relay team of Jim Thelen, Tony Fitts, Chris Canter, Jason Strobel and Charlie Sparks won with a season best time of 1:36.6. The Kewaskum 4x100m relay team of Thelen, Strobel, Tony Fitts and Sparks won with a time of 46.3 seconds.

Josh Parrent regained his form in the pole vault and won the vault competition with a jump of 12'6". Parrent's teammate Brian Wall placed third in the pole vault with a jump of 12'. Parizek of Two Rivers also cleared 12' and placed second based on fewer misses.

Tony Fitts placed second in the 200m dash with a time of 24.8 seconds, placed third in the long jump with a jump of 17'8-1/2" and

fourth in the 100m dash with a time of 12.2 seconds.

Chris Canter tied for first in the long jump with a leap of 18'3-3/4" and placed fourth in the 400m dash with a time of 56.8 seconds.

Paul Mertz placed second and Tom Ogi placed third in the high jump. Both Kewaskum jumpers cleared 5'6" with their places determined by number of misses. Ogi almost cleared 5'8".

Mike McKee finished third in the 300m low hurdles with a time of 48.6 seconds and fourth in the 110m high hurdles with a time of 20.1 seconds.

Jesse Boegel placed fourth in the 800m run with a time of 2:04. Otte of Plymouth won the 800m run with a time of 2:00.6.

Scott Joers finished third in the 3200m run with a season best time of 12:45 and Justin Weninger placed fourth in the triple jump with a distance of 36'2-1/4".

We are never prepared for what we expect.

ABC SKAT RESULTS

The winners at skat played at the Town of Scott Hall on Tuesday, May 9th were: Harold Eggert, 18-1-17 net; Ralph Laux, 16-0-16 net.

America's first daily newspaper, the *Pennsylvania Evening Post and Daily Advertiser*, was not published until 1783.

KHS Varsity Golfers Even Record With EWC Matches This Past Week

The Kewaskum High School varsity boys golf team improved their league record as a result of playing three separate Eastern Wisconsin Conference dual matches this past week.

Heading into the conference schedule of dual matches, the varsity linksters had posted a 1-2 record in league play. Therefore, the Indians looked forward to improving their status in the conference.

On Wednesday, May 10, Kewaskum hosted Kiel at Hon-E-Kor Golf and Country Club on the red nine. The cool, cloudy and windy weather conditions did not deter the visiting Raiders from upsetting the Indians on their home course by the final team score of Kiel 164, Kewaskum 168.

The disappointing loss dropped the Indians league record to 1-3, while Kiel improved to 2-3-1. Counting for the Indians were senior Curt Koth and junior Bill Koch at 41, junior Dustin Melzark at 42 as well as junior Jon Boedeker with a 44. Junior Gregg Hennings was the match medalist with a round of 40, with no other varsity Raider scoring above a 42.

On Thursday, May 11, Kewaskum traveled to Manitowoc to challenge the defending W.I.S.A.A. State Division Two golf champions, the Roncalli Jets. The Meadow Links Sports Complex hosted this conference contest despite the fog, haze, mist, rain and generally wet playing conditions.

Thus winter rules were used to play the match on the back (outside) nine, a par 36 layout of 3,090 yards. The travel and weather did not seemingly affect senior Curt Koth as he toured the Links in even par 36 with the aid of back

to back birdies on Holes 13 and 14. The Indians defeated Roncalli by a final of 163 to the Jets' 174 with the help of Jon Boedeker's 41, Bill Koch's 42 and Josh Stangl's 44. The Jets were led by all EWC basketball player, sophomore Andy Jahnke, who posted a 39. Roncalli fell to 1-5 in league action with the varsity Indians now at 2-3.

On Friday, May 12, Kewaskum made the short trip to Auburn Bluffs to challenge the Cougars of Campbellsport in the first-ever Eastern Wisconsin Conference Dual Match. The match was conducted with severe weather conditions occurring in northern

Fond du Lac County.

The Indians and especially senior Curt Koth tend to play well through those wet and windy conditions. Curt Koth posted a 38, thereby recording his fifth sub-40 round in his last seven outings. Junior Jon Boedeker's 40 and 41's by juniors Bill Koch and Josh Stangl resulted in a 160 to 172 victory by the visiting varsity over the home-course Cougars.

Campbellsport finished their first EWC boys golf season at 1-5-1 heading into the conference 18-hole tournament.

Overall, the Kewaskum varsity Indians currently stand at 3-3 going into their

last league match on Tuesday, May 16, at Sheboygan Falls. The Indians are starting to pique heading into the most important tournaments of the boys golf season, the Eastern Wisconsin Championships and the W.I.A.A. (regionals, sectionals and state meet) series. However, the Indians must continue their recent level of play and take advantage of familiar surroundings when they host the 2000 EWC tournament this week.

The Indians will host the Eastern Wisconsin Conference boys golf tournament on Thursday, May 18, at Hon-E-Kor Golf and Country Club as well as the W.I.A.A. Sectionals on Tuesday, May 30.

The Indians may not be able to win the overall league title due to their record in conference dual matches. Yet, the Indians

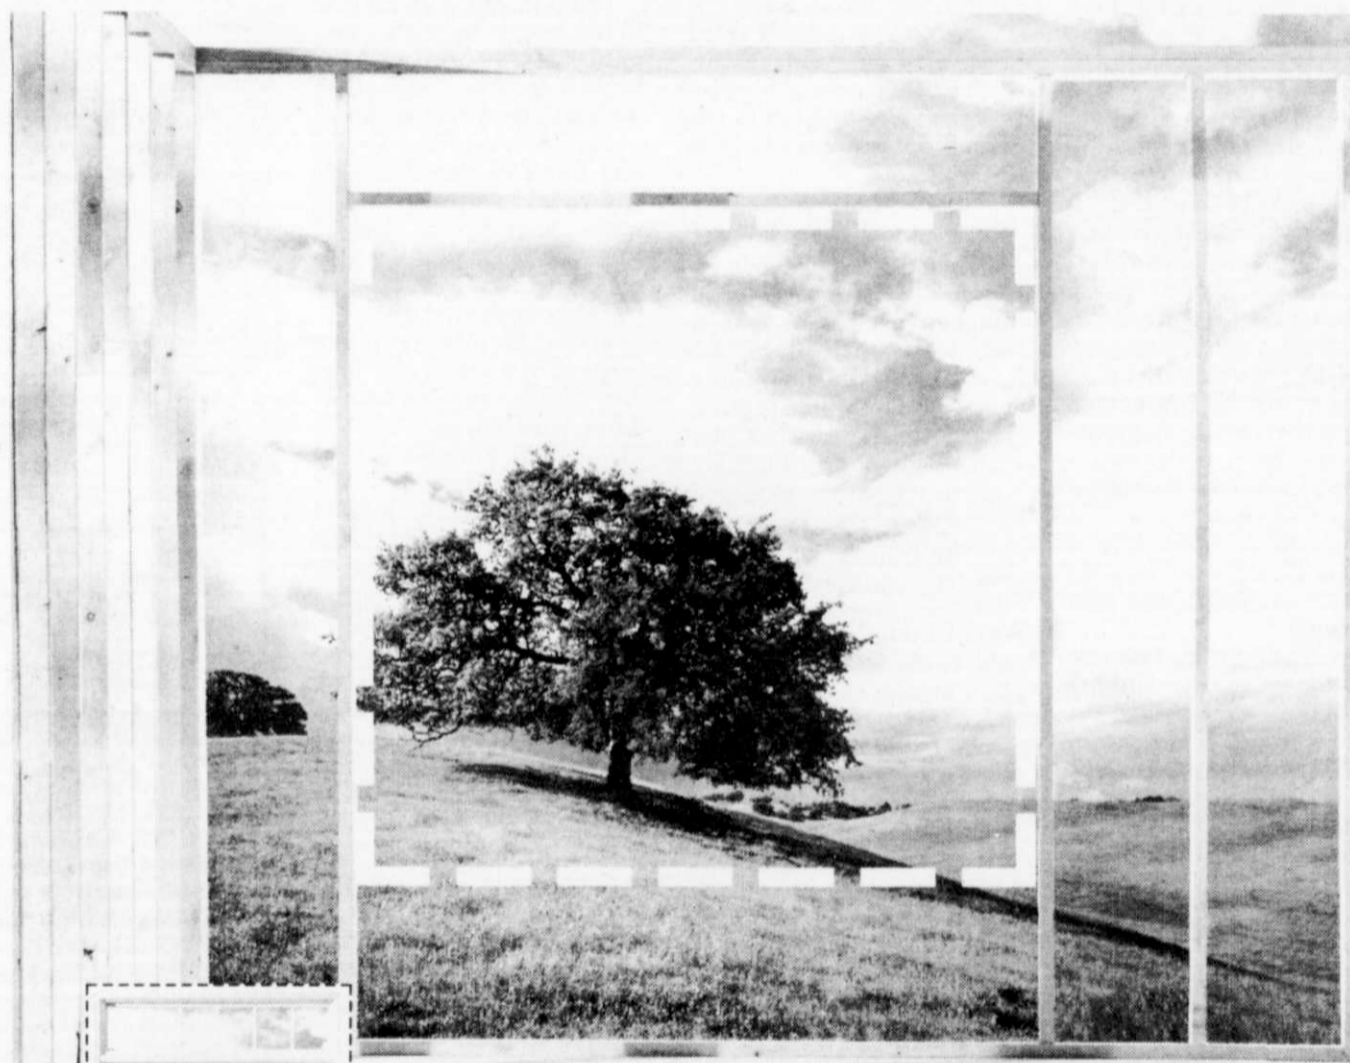

are capable of shooting scores that would allow them to place, qualify and advance to the next round of competition.

Kewaskum will participate in the Warrior Invite on Friday, May 19 as preparation for the W.I.A.A. Regionals, held on Tuesday, May 23, at Mayville Country Club.

The earliest known vending machine was a device that dispensed holy water in a Greek temple in Egypt during the 200s B.C.

Everyone's dream home is different. Which explains our wide selection.

MARVIN
Windows and Doors
Made for you.

There's no better way to accentuate a new home than with the perfect windows and doors. So for choices, check here. With our large selection of quality Marvin products, we'll help you find the style of window or door you're looking for. Then, we'll assist you from concept to project completion, working right alongside your contractor. To get started, call us or visit our showroom today.
