## Summer Programs at Kewaskum Library

The Kewaskum Public Library invites your children to take a Ticket to Tomorrow trip this summer. Your library card is your ticket!

The library's reading program's theme this summer is Ticket to Tomorrow, and it celebrates the turn of the century and the beginning of a new millennium. There will be displays and programs related to space explorations, time travel, science facts and fiction, fantasy, astronomy and more. It runs from June 12 to July 21.

Sign-up starts Monday, June 5, for the reading program and the other programs. The reading program is geared for ages three through 12. The children will have the opportunity to earn points for reading time. They then can turn those in for prizes, including a free state park pass which is valid at more than 50 parks, state forests and recreation areas.

The library has several musical and crafting programs that the children can

be involved in. These are geared towards children who have just finished first through fifth grade. Space is limited, so sign-up early. They will also have programs on Wednesdays at 11:30 a.m. for the younger children.

T-shirts and canvas book bags are available featuring the "Ticket to Tomorrow" logo and "Kewaskum Public Library." They are navy and are dynamically illustrated in blue, green and orange by Minnesota artist David LaRochelle. They are \$7 in sizes youth 6-8 through adult XL. The staff will be wearing them, and they hope the kids will too!

The library is looking for people and businesses to donate items or coupons that they can use for prizes. If you have anything suitable for children, please contact the library at 626-4312. They will print coupons or pick up any items as needed.

The library is located at 206 First Street in the Kewaskum Municipal Building. The hours are Monday, Tuesday and Wednesday from 10 a.m. to 8 p.m. and Friday from 10 a.m. to 5 p.m.

## Commitment Weekend at St. Michaels

The weekend of June 10 and 11 has to be declared "Commitment Weekend 2000" at St. Michael's parish located three miles east of Kewaskum on Forest View Drive off of Highway 28.

On Commitment Weekend, all parishioner families will be asked to complete a time and talent sheet as well as a commitment card for the upcoming fiscal year. During the weeks leading up to the official commitment weekend, parishioners will receive announcements in church and an information packet in the mail.

This information will outline the need for commitment of time, talent and financial support to help with parish programs, committees and to enhance the future of the parish.

A coffee and sweet treats social will follow each of the three Masses on Saturday at 7:30 p.m. and Sunday at 8 and 10 a.m.

## Thank You for Remembering Our Veterans

The American Legion Post 384 and Legion Auxiliary Unit 384 would like to thank everyone who wore the Memorial Poppy or contributed in any way to make our "Poppy Day" a success.

The money donated is used only for the needs of needy veterans and their families.

Whenever we see a red Poppy blooming anywhere, let us remember our veterans who fought and died for us.

The Poppy lives on to remind us... "Lest We Forget."

*The Poppy Committee*

## Recipe of the Week

# Kevin Muth Receives DEKALB Agricultural Accomplishment Award

Kevin Muth of West Bend and the Kewaskum FFA Chapter has recently been selected as a recipient of the DEKALB Agricultural Accomplishment Award.

Muth, the son of George and Kathy Muth, received the award for his excellence in academics, leadership and Supervised Agricultural Experience Program (SAE). An SAE is a work-based learning program where a student applies the concepts learned in the agricultural classroom. Muth's program consisted of working at Tennes Hardware in West Bend as a small engines mechanic and parts salesperson.

David Rizzardi is Muth's agricultural education instructor and FFA advisor at Kewaskum High School.

Over the past 53 years, thousands of high school seniors have received the DEKALB Agricultural Accomplishment Award which has become a symbol for excellence and the chapter's highest honor. Muth receives a beautifully cast bronze pin while Kewaskum High School is given a walnut plaque to display.

In addition to the Agricultural Accomplishment Award, the DEKALB brand and its parent company, Monsanto, are long-time supporters of FFA Proficiency Awards. They also participate in the National FFA Convention Career Show and career development events like the Agriscience Student Award. Internships and college

scholarships are also available to students pursuing careers in agriculture.

Monsanto is a life sciences company committed to finding solutions to the growing global needs for food and health by sharing

common forms of science and technology among agriculture, nutrition and health. The company's employees make and market high-value agricultural products, pharmaceuticals and food ingredients.

Little Jimmy was dirty, and he didn't want to take a bath. His mother said, "You want to be clean, don't you?"

"I do," he sobbed, "but can't you dust me off like you do the furniture?"

A lot of people would rather be polished than purged, but that doesn't take away the grime and the guilt of sin.

A swinger fell for a beautiful woman who belonged to another man. He wanted her, and he took her.

They settled down to live happily, but they lived horribly. Sin thrills, but it tortures. In his despair, David cried, "O loving and kind God, have mercy. Wash me, cleanse me from this guilt." And God did.

God is in the cleansing business. Won't you let Him cleanse you?

# Picnic Fun at Boltonville

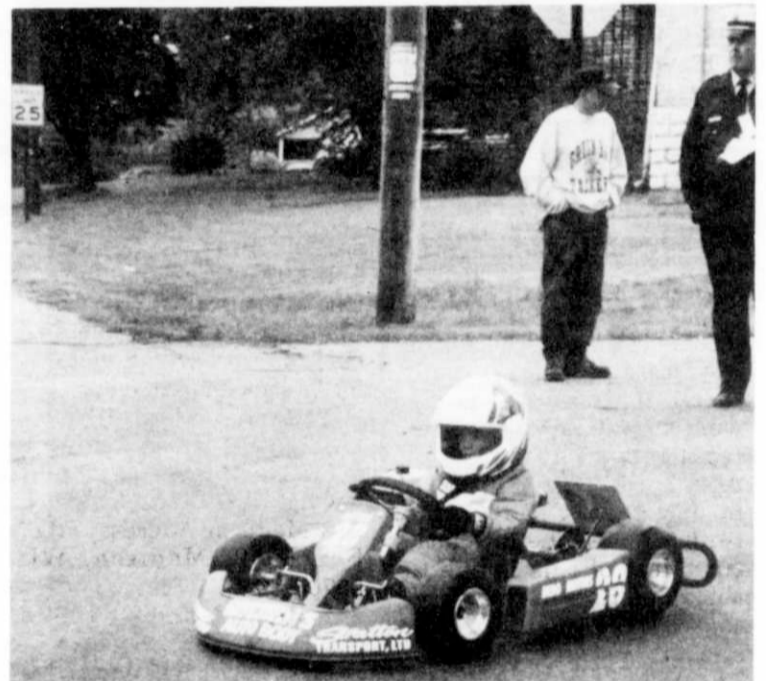

The midway was boasting even in the rain and cold on Sunday after the parade.

Commentary and "color" for Sunday's parade were provided by local historian Norbie Dettmann, right, assisted by his sound technician.

A float entry by the Farmington 4-H Swambusters was a delight to all parade attendees.

The third generation of the racing Goeden family, Austin Goeden, son of David and Sue Goeden, of Kewaskum, participated in the parade Sunday. Hope he wasn't exceeding the 25 mph speed limit posted in the background. Austin is also the grandson of patriarch, Willie Goeden, and his wife Jeanne.

# Victory at Last

By Rep. Glenn Grothman

When politicians talk about tax cuts, the public has a right to be skeptical.

As pointed out previously in this column, combined income sales, and property taxes have gone up 78% in the last ten years, while inflation has gone up 33%. The primary culprit was the personal income tax collections that went up by 102% -- more than double.

In early May the Legislature voted to bring back the property tax rent credit for up to \$300 per return. When this credit was taken away on the 1999 return, it was largely offset by lower tax rates. Therefore, reinstating the credit was a pure tax cut. State income tax collections are estimated to be 5.8 billion dollars in the fiscal year which includes April 15, 2000 and 5.1 billion dollars in the fiscal year which includes April 15, 2001, a 12% decrease despite the fact that income continues to go up.

Most people are not aware of their total state income tax bill because it is withheld from each paycheck. However, you might want to compare your next total income tax on next April's return to the total income tax on last April's return to see the dramatic cut. Most of this is due to the reduction in marginal tax rate for most Wisconsinites from 6.93% to 6.55%. The marriage penalty is also being phased out, the standard deduction increased and the homestead credit increased.

The Legislature was able to do this largely with a surplus left from the last budget -- not by cutting spend-

ing. We will have to make sure that in next year's budget the Legislature does hold down spending and does not play a shell game by cutting aids to local governments and letting property taxes rise. There will also be attempts to remove property tax exemptions, increase fees for government services such as university or technical school tuition and efforts made to give counties or cities new sales tax options which must be opposed.

The restoration of the property rent credit was passed with 131 legislators voting for and only one voting against. This is misleading. Behind the scenes, big spenders fought to prevent the credit from being restored, only to vote for it once they had to go on public record. As someone who had received the national taxpayers' award for fighting for this last December, I felt this was the highlight of this two-year's legislative session. In an era of politicians bragging about tax cuts which appear illusory upon closer examination, this may be a true victory for Wisconsin taxpayers.

## Kettle Moraine State Forest - Northern Unit to Celebrate National Trails Day Saturday

The Kettle Moraine State Forest - Northern Unit will celebrate National Trails Day, Saturday, June 3, by hosting a volunteer event.

Volunteers are needed to repair trail tread at the Greenbush Bike/Hike/Ski Trail System. The event will run from 9 a.m. to 1 p.m. and lunch will be served by a sponsoring group.

Since its debut in 1993 by the American Hiking Society, National Trails Day has grown to over one million participants nationwide at more than 3,000 events. This will be the fifth year a National Trails Day event has been held at the Kettle Moraine State Forest - Northern Unit. Vehicle admission fees will be waived for volunteers on June 3.

Volunteers interested in

helping should meet at the Greenbush Group Camp Shelter at 9 a.m. Tools, materials and drinking water will be available but volunteers should wear gloves and comfortable footwear. The Greenbush Shelter is located off of the Kettle Moraine Scenic Drive approximately three miles south of the village of Greenbush.

The village of Greenbush is located off State Highway 23, 18 miles west of Sheboygan. The Sheboygan Fat Kats Bike Club will provide lunch afterwards. No advanced registration is required.

Further information on this event may be obtained by calling the Kettle Moraine State Forest - Northern Unit at 262-626-2116.

## Letters to The Editor

To the Editor,

The Kewaskum Elementary fourth graders would like to thank Mrs. LaVerne Hron for her thoughtful donation of the book, "One Room Country Schools, History and Recollections from Wisconsin," by Jerry Appo. It will prove useful in the future.

Sincerely,  
Kewaskum Elementary

Editor,  
Kewaskum Statesman:

I am a Language Arts teacher at Kewaskum Middle School, and I received several very profound pieces of writing from my students this week. The public should be aware of the thoughtfulness and insight that some students can demonstrate, so I asked if I could share one exceptional student's writing with your readers, and she agreed.

Our eighth graders study the play *The Diary of Anne Frank* and related readings about the Holocaust and World War Two. As part of this unit for the past two years, my colleague Mrs. Reilly-Kliss has arranged for a visit from Fela Warschau, a concentration camp survivor who now lives in Sheboygan. In her presentation, Mrs. Warschau straightforwardly and without complaint, describes her experiences in a ghetto in Poland and her imprisonment in two concentration camps before being liberated by British soldiers at the end of the war.

I gave my students the choice to write either a reflective essay on Mrs. Warschau's message, or write her a letter. The following letter was written by Shannon Dwyer.

"May 23, 2000

Dear Fela Warschau,

After you came to speak to our eighth grade class about the Holocaust, I was a changed person. When you spoke of the atrocities you went through it was an awakening. Before this, I had never known much about the Holocaust. I knew that people whom Hitler thought were 'different' were put into camps, and that many people had died there, but not about the abuse, malnutrition, disease, and disgusting conditions.

As you spoke, I knew that I was not the only person in that room that was asking themselves the biggest question of all, why? How could one group of people do this to a race of people who clearly did nothing to deserve it?

When someone would look at you, you could never have guessed that you went through the Holocaust. I guess that is because much of the scarring is not on the outside, but on the inside.

I think that you are very brave because if I had been where you were, I think that I would have given up hope and would have wanted to die. When you spoke of the conditions,

the places, the people, the disease, it made me terribly sick to think that the person standing in front of me went through it all and witnessed first hand some of the worst conditions ever known.

You were right when you said that America is the greatest country in the world, and yet we don't appreciate it. Like they say, you only appreciate the well when it's gone dry.

I think that you spreading the message about the Holocaust is the best thing to happen. By doing this my generation realizes what a terrible mistake the world has made over and over again. By telling us about the terrible discrimination you experienced we can now learn from other people's mistakes. Every person is different and we should not judge them on where they came from, or what their religion is, but by their character.

Thank you for coming to speak to us about the Holocaust. I have looked at the world differently ever since you came to talk to us. Continue to spread your message; it is important that as many people as possible hear your story.

Sincerely,  
Shannon Dwyer"

Sincerely,  
Joanne Curry,

## The New School Prayer

This "new prayer" was submitted to one of our writers via email; it gives a good message, one we should all think about. The statesman welcomes your emails on current topics at statesman@alexssa.net

Now I sit me down in school

Where praying is against the rule

For this great nation under God

Finds mention of Him very odd.

If Scripture now the class recites,

It violates the Bill of Rights.

And anytime my head I bow

Becomes a Federal matter now.

Our hair can be purple, orange or green,

That's no offense; it's a freedom scene.

The law is specific, the law is precise.

Prayers spoken aloud are a serious vice.

For praying in a public hall

Might offend someone with no faith at all.

In silence alone we must meditate,

God's name is prohibited by the state.

We're allowed to cuss and dress like freaks,

And pierce our noses, tongues and cheeks.

They've outlawed guns, but FIRST the Bible.

To quote the Good Book makes me liable.

We can elect a pregnant Senior Queen,

And the 'unwed daddy,' our Senior King.

It's "inappropriate" to

teach right from wrong,  
We're taught that such "judgments" do not belong.

We can get our condoms and birth controls,

Study witchcraft, vampires and totem poles.

But the Ten Commandments are not allowed,

No word of God must reach this crowd.

It's scary here I must confess,

When chaos reigns the school's a mess.

So, Lord, this silent plea I make:

Should I be shot; My soul please take!

Amen

"Sorry, no raise, Filstrup - but your request registered one thousand on our laugh meter."

# June is Dairy Month

For generations, Wisconsin has been the heart of the nation's dairy industry. This dairy tradition was established by European immigrants who recognized that the lush pastures and plentiful supplies of fresh water were ideal for dairy farms.

The industry that grew around those farms is now world-famous for the volume and premium quality of its milk. Great tasting Wisconsin dairy products, made from this high quality milk supply include: butter, sour cream, buttermilk, whipping cream and of course, award-winning cheese.

Experience the many pleasures of Wisconsin's award-winning dairy products during June Dairy Month and all year long!

## KHS Girls Named to All Conference Soccer Teams

The Varsity Soccer All Conference team members were recently voted on at the end of the season meeting of the Eastern Wisconsin Conference.

The following is a list of the girls from Kewaskum High School who were selected to the EW All Conference Teams and the nomination writeup their coach presented to the other voting coaches on the players' behalf.

### FIRST TEAM ALL CONFERENCE DEFENSE

**JENNY KOTH** (Stopper - Defense) - Jenny is a quick defender and has played center stopper throughout the season. She is one of the primary reasons we have been successful in as many games as we have had this season. She has the ability to recognize when to step up to a defender. She has that take-over speed all coaches look for in their defense. As the season progressed, Jenny has added a dimension to her skills by scoring three goals and providing one assist. She has the endurance to play the entire game and is one of my primary leaders on the team. Near the end of the season, I utilized her as a fast forward in the middle against some of the powerful teams such as New Holstein and Plymouth. She has scored on some fast breakaway opportunities.

### SECOND TEAM ALL CONFERENCE DEFENSE

**KATIE KLUG** (Right Fullback - Defense; Corner Kick and Free Kick Artist) - Katie is the tall girl in my defense. She plays the right fullback position and has exceptional speed. She has the ability to catch almost any one on the field and possesses great ability to send the ball out of trouble. I move her downfield to take corner kicks and most free kicks. She has great endurance with ability to run back to defense, after the corner kick. She again is one of the primary reasons we have had such a successful first season. Katie has aced one goal on a corner kick and has assisted on another this season. Katie is determined to succeed and that is evident in effort in the game.

### SECOND TEAM ALL CONFERENCE FORWARD

**RACHEL BORLAND** (Forward) - Rachel is my most experienced player on the team. She possesses great dribbling ability, shooting skills, tactic and durability. She is double-teamed by almost every team we play against because they recognize that we have scored many goals

this season. Rachel is being recruited by several colleges right now and she is only in her junior year. Rachel leads the team with seven goals and five assists. Rachel has set an example of soccer excellence for a very young inexperienced team.

### SECOND TEAM ALL CONFERENCE GOAL KEEPER

**MARGARET HERRIGES** (Goal Keeper) - Margaret is my second most experienced player on the team. She has great dribbling ability, shooting skills, tactic. She has the courage to play keeper against the strong teams we have faced knowing she is going to be severely challenged at keeper. Margaret is one of my leaders on the team and helps to stabilize this young team. Margaret has made many great saves this season and has punted us out of trouble many times. Margaret has also scored two goals for her season. Margaret has 87 saves with 18 goals scored on her. Margaret showed her great ability against New Holstein where she saved 31 shots on goal.

### THIRD TEAM ALL CONFERENCE MIDFIELD

**BETH HERMAN** (Left Midfield) - Beth is my left midfielder and one of my most durable players. She is a tough player possessing the ability to play great defense and great offense. She knows where to go with the ball, tactically moving it into scoring position. She goes into play with a fearless attitude forcing opportunities to go our way. Beth is one of the hardest working players on the team. Beth also has stepped up as

a leader on the team. She sets the example by her dedication and determination. She is looked up to by her peers on this young team.

## Kewaskum Fire and Rescue Squad Calls

Wednesday, May 24 - The Kewaskum Rescue Squad personnel responded to a motor vehicle accident in the Village of Kewaskum at 9:53 a.m. A male patient was transported to St. Joseph's Community Hospital, West Bend, for treatment of injuries he received.

Friday, May 26 - The Kewaskum Rescue Squad was summoned at 7:08 a.m. in the Village of Kewaskum for a male patient experiencing difficulty breathing. The patient was transported to St. Joseph's Community Hospital, West Bend.

Saturday, May 27 - The Kewaskum Rescue Squad and Kohlsville First Responders were dispatched at 9:48 a.m. to a Town of Wayne residence to assist a female patient who was experiencing chest pain. The patient was transported to St. Joseph's Community Hospital, West Bend.

Monday, May 29 - The Kewaskum Rescue Squad responded to a call in the Village of Kewaskum at 12:16 p.m. for a male patient experiencing difficulty breathing. The patient was transported to St. Joseph's Community Hospital, West Bend.

*There are only four words in the English language which end in "-dous": tremendous, horrendous, stupendous, and hazardous.*

## Obituary

### ALFRED J. "AL" KNEPPRATH

Alfred J. "Al" Knepprath, age 68, of Boltonville, passed away unexpectedly on Thursday, May 25, 2000 at St. Agnes Hospital in Fond du Lac.

He was born on June 25, 1931 in the Town of Trenton, the son of the late Henry and Emma (Wiedmeyer) Knepprath and on January 26, 1957 he was united in marriage to Evelyn Staehler at St. Michael's Catholic Church in St. Michaels. The couple made their home in Boltonville.

Al was a member of St. John of God Catholic Church in the Town of Farmington and a member of the Boltonville Sportsman's Club. He served his country in the U.S. Marines during the Korean War from 1951-53. He was employed by Mercury Marine in Fond du Lac for 49 years until the time of his death. He enjoyed gardening, landscaping and spending time with his grandchildren.

Survivors include his wife of 43 years, Evelyn of Boltonville; five children, Glenn Knepprath (Lori Blank), Sandy Braun (Dave Laufer) and Daryl Knepprath, all of Boltonville, Judy (Dwight) Helsell of Campbellsport and Allyn Knepprath (Julie Ann Boehm) of Boltonville; five grandchildren, Scott, Sarah and Melissa Braun, Brandon and Brittni Knepprath; a sister, Virginia Buettner of West Bend; a sister-in-law, Lucille Knepprath of Saukville; two step-grandchildren, Anthony and Adam Helsell; a step-great-grandson, Noah, many nieces, nephews, other relatives and many friends.

Two brothers, Willard and Robert Knepprath, a son-in-law, William Braun and his stepmother, Pearl,

preceded him in death.

Private funeral services and visitation were held on Tuesday, May 30, 2000 at the Miller Funeral Home in Kewaskum. Father Robert Artmann officiated and burial followed in St. John of God Catholic Church Cemetery.

### PRAYER OF THE BLESSED VIRGIN

Prayer of the Blessed Virgin: (Never known to fail). Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God. Immaculate Virgin, assist me in my necessity. Oh Star of the sea, help me and show me here You are my Mother. Oh Holy Mary, Mother of God, Queen of heaven and earth, I humbly beseech You from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand Your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Say this prayer for three consecutive days and then you must publish and it will be granted to you. Grateful thanks.

K.H.

### CARD OF THANKS

A sincere thank you to all our relatives, neighbors and friends during the illness and loss of Elmer A. Stange.

Special thanks to Rev. Robinson, Immanuel Lutheran Church Ladies Guild, organist, soloist, Miller Funeral Home, and Beechwood Rest Home for their wonderful care, and to those who paid their respect in any way.

**Village Board Meeting Minutes**

Village of Kewaskum  
Plan Commission  
February 22, 2000  
7:00 p.m.

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Robert H. Wagner called the meeting to order. Members Michael Kimble and Frank Beesten asked to be excused and were absent. Members present were Theodore Meilahn, Andy Pesch, Richard Schmidt and Lee Ann Butchlick. A quorum was present.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by Andy Pesch, seconded by Lee Ann Butchlick and unanimously carried by voice vote, the Commission approved the minutes for January 25, 2000.

The Plan Commission reviewed the request of Thomas Kudek (Auto Body Dynamics) to clarify use of the building located at 1235 Fond du Lac Avenue. The request would be for the issuance of a Conditional Use Permit

as provided for in Section 5.7 of the Village of Kewaskum Zoning Ordinance. The plan Commission felt the need to through the process was more than required, but understood the reasoning behind the request. On a motion by Richard Schmidt, seconded by Theodore Meilahn and unanimously carried by voice vote the Commission sent the request to the Village Board for Public Hearing with a favorable recommendation regarding the conditional use permit, with these noted points as follows: 1) This conditional use permit does not allow for the outside storage of supplies. 2) This conditional use permit does not allow for the parking of vehicles waiting to be repaired or painted to be parked outside. If a small area for this parking is required it must be attractively fenced and this fencing would need to meet with the review of the Plan Commission. 3) The property owner is receptive to assisting the Village in alleviating water drainage problems by the placement of portable concrete curb, to assist with directing the flow of storm water.

Mr. Rick Kania was present from SEWRPC to review Section 5.00, "Modifications". Several questions were asked by the Commission Members of Mr. Kania. It was noted portions of Section 5 will need extensive discussion regarding accessory uses and other related type issues. Mr. Kania noted that if anyone has a question they should bring it up as soon as possible.

On a motion by Richard Schmidt, seconded by Andy Pesch and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 5 "Aye" 0 "Nay" 2 "Absent".

Please note that it is prohibited by village ordinance to blow or leave grass clippings in the street and gutter.

The grass and leaf bin is available for depositing of excess grass and leaves in the DPW yard. Please empty bag contents into the bin, garbage receptacles are provided for empty bags. The public works yard is open from 7:00 AM-3:30 PM M-F and summer hours on Saturdays from 9:00 AM-11:00 AM.

Curb side chipping of brush and limbs is on the first and third Monday of each month during the summer and fall.

**PLEASE FOLLOW THESE REQUIREMENTS:**

1. Place large (butt) end toward the street, at the curb.
2. Pile branches no more than 2 feet high; a long low pile is best for feeding the chipper. Leave a gap in the pile every 8 feet.
3. For small brush, **TIE IN BUNDLES** with string or twine. NO boxes, bags or cans of branches will be chipped. (Reason, is that stone, gravel, wire, metal or dirt enters the chipper it will destroy the knife edges on the chipper, delaying our chipping until the knife is replaced and resharpened).
4. No roots of any kind, or material with any dirt on it.

## Coach Faces Challenges As BB Season Gets Underway

May 15 saw the start of the 2000 summer high school baseball program. Coach Mark Heise, undertaking his seventh year of Varsity direction, encountered a bevy of challenges as early as March.

The recent Referendum assured the destruction of a long-time institution, the high school baseball diamond and grandstand. The digging is scheduled to start on June 16 in the middle of the conference baseball season. So the home-field advantage is out the window for the Indians.

It was assumed that the games could be played on the Kiwanis Park diamond, but a long-standing T-Ball league will prevent this. To accommodate the conference schedule, many game site and umpire changes had to be made. Embarrassingly, the Indians' home game against arch rival Campbellsport on June 29th, will have to be played on Campbellsport's diamond.

Another challenge is the overlap of Spring sports into the baseball season, preventing athletes from attending practice and games. WIAA rules allow only seven days of pre-season practice. Heise stated, "It's tough to get a cohesive team when key players are not allowed to participate

when learning is critical."

The failure to hire an assistant (J.V.) coach until two days before the opening of the season posed another problem in that summer practice schedules could not be finalized.

On the positive side, Heise anticipates the return of five key players at significant positions, including MVP pitcher Bob Ogi and All-Conference centerfielder Jason Strobel. He also expects some real potential to advance from last year's JV squad.

The 2000 varsity baseball roster includes: senior Jason Calliari, playing shortstop and pitching; senior Brad Vetter, playing infield; senior Jason Strobel, playing outfield; junior Josh Krahn, playing infield and pitching; junior Bob Ogi, playing infield and pitching; junior Jon Boedeker, playing infield; junior Jake Peterson, playing infield; junior Josh Parrent, playing infield and pitching; sophomore Adam Hubacek, playing outfield and pitching; sophomore Tom Ogi, sophomore Chris Canter, playing outfield; sophomore Tony Fitts, playing outfield; sophomore Justin Rhoads, playing catcher, and freshman Jake Wilson, playing infield, outfield and pitching.

## KHS Baseball Season Back in Full Swing

Despite the loss of a number of key players to participation in Spring sports, the summer baseball season at Kewaskum High School got underway Tuesday, May 23, at Mequon against the Homestead Highlanders. The Indians traveled to Homestead with just nine players. They performed well but lost by a score of 5-1.

Last year's MVP, junior Bob Ogi, started the game and pitched four strong innings holding the Highlanders to one run on one hit. "I had a pitch count on Bobby today," stated seventh year Coach Mark Heise. "I didn't want him to throw more than 50 pitches in his first start of the year. He's going to be our work horse on the mound again, so I didn't want to burn him out in a non-conference game."

JV pitcher Peter Herriges replaced Ogi in the fifth. Herriges shut the Highlanders down in the fifth by striking out the No. three hitter with the bases loaded. But Homestead got four runs on three hits in the sixth to put the game out of reach.

The Indians lone run came in the seventh when junior Josh Krahn singled and then scored on a double down the left field line by sophomore Tom Ogi. Other singles were tagged by senior Jason Calliari and sophomore Justin Rhoads.

## Cold, Rainy Baseball Proves Effective for KHS

The 19th Annual Germantown Invitational was held on Saturday, May 27. Eight of the area's high school teams converged for a one-day tournament. The Indians drew the Greendale Panthers in game one at 10:15 a.m. With the full roster available for the day, the Indians overcame a Panther lead for a come-from-behind 4-3 win.

Pitching ace Bob Ogi pitched all seven innings for the Indians. Ogi struck out five, walked two, giving up three runs, of which two were earned on five hits. He started slow in the cold, rainy weather, giving up one run on two hits in the top of the first. But he finished strong by striking out the leadoff and number two hitters to end the game.

Greendale scored one run in the first and one run in the fourth to take a 2-0 lead. In the bottom of the fourth, the Indians responded with two runs to tie the game. Sophomore Tom Ogi reached on an error, freshman Jake Wilson followed with his second hit of the game.

Junior Josh Krahn reached on a fielder's choice forcing Ogi out at third. With two outs, senior Jason Calliari hit a ground ball to shortstop Adam Soto, who made an errant throw to first, scoring Wilson and moving Krahn to third.

Coach Mark Heise sent Calliari on a steal of second. On the throw to second, Krahn scored to tie the game. Greendale scored one more in the top of the sixth to resume a 3-2 lead.

In the top of the sixth, Heise inserted sophomore Tony Fitts in right field. Fitts led off the bottom of the sixth with a line shot to right for a single. Tom Ogi followed with a drive to left center, but the centerfielder misplayed the ball.

Outstanding track speedster Fitts scored all the way from first to again tie the game at three all. On the play, Ogi advanced to third. He then scored on a Josh Krahn nubber that pitcher Nichols overthrew to first.

"After the throw to first, Tom took off for home and made an outstanding slide around the catcher reaching

back with his hand to touch home," commented Coach Heise. "It was nice to have a full compliment of players. It made the difference in this game. You just can't coach speed. To have Fitts, sophomore Chris) Canter and (senior Jason) Strobel in the outfield this year will be a pleasure to watch. They are three of the fastest players I've coached in the seven years I've been here."

Tom Ogi and Jake Wilson went 2x3, Tony Fitts 1x1, and Josh Krahn, Justin Rhoads and Bob Ogi were 1x3.

With the win, Kewaskum anticipated a good game against Menomonee Falls, but rain ended the day's games. Kewaskum, Franklin, Germantown and Menomonee Falls were first game winners.

## Indians Christen New Cedar Grove Ball Diamond

With the off-season indecision on the future of the High School baseball diamond due to the building referendum, Coach Heise scheduled all of the pre-conference games on the road. So the game on Wednesday, May 24, was played at Cedar Grove.

Cedar Grove, who, with a high school enrollment of 307, addressed their sports program with a facility-rich referendum two years ago, providing a brand new baseball diamond. The Indians spoiled the unveiling of the new field by beating the Rockets, 7-4.

Kewaskum started hot by scoring three runs in the top of the first. Cedar Grove answered with one in the bottom of the first and one in the second. But a four-run third inning gave the Indians a 7-2 lead which they never relinquished.

Josh Krahn pitched the first 4-1/3 innings, striking out one and walking four. After Krahn tired in the fifth, Coach Heise called on Jason Calliari to replace him. Calliari threw the last 2-2/3 innings.

Dominating the Rockets, he struck out three of the eight hitters he faced. Only Cedar Grove pitcher Brandon Lis reached base on an error, but was erased when catcher Justin Rhoads gunned him out on an attempt to steal second.

Kewaskum had only three hits, but 14 walks, two hit batsmen and two Cedar Grove errors allowed 21 Indians to reach base. Senior Jason Strobel, Justin Rhoads and freshman Jake Wilson had singles for the Indians.

The Eastern Wisconsin Conference was scheduled to open its season on May 31 in a Kewaskum versus New Holstein game at New Holstein at 5:30 p.m. On Thursday, June 1, Kewaskum hosts Sheboygan Falls at home at 5:30 p.m. The Indians also host Campbellsport on Monday, June 6 and Plymouth on Thursday, June 8.

## Team Places Fourth at Regionals

# Girls' Track Advances Five Individuals, Two Relay Teams to Sectionals

Jenna Roecker placed second in the 100m high hurdles on Monday, May 22 at the Lomira Regional and thus earned the right to advance to the sectional competition at Mayville.

By Jerry Gosa

**LOMIRA** - The Kewaskum High School girls' track and field team finished fourth with 98 points at the Lomira track regional on Monday, May 22.

Slinger won the regional title by scoring an impressive 157 points. Kewaskum advanced five athletes in individual events and two relay teams. The top three individuals and top three relay teams advance to the Mayville Sectional on Thursday, May 25.

Advancing for Kewaskum were the following individuals and relay teams:

Jolene Clark won the high jump competition with a jump of 4'10" and Colleen Gosa won the discus competition with a throw of 107'2".

Jenna Roecker, a freshman, surprised her coaches by placing second in the 100m high hurdles with a personal best time of 17.2 seconds and Emmy Foerster placed third in the high hurdles with a time of 17.4 seconds.

Jessi Graham, also a freshman, placed third in the 400m dash with a time of 66.6 seconds.

The Kewaskum 800m relay team of Becky Herriges, Emmy Foerster, Stacy Muckerheide and Tina Lindgren placed third with a season best time of 1:53.9 (one minute and 53.9 seconds), over two seconds faster than their previous best time.

The Kewaskum 400m relay team of Becky Herriges, Stacy Muckerheide, Kristin Schiller, and Tina Lindgren also placed third with a season best time of 54.8 seconds -- 0.6 seconds better than their previous best.

The following Kewaskum athletes placed in the top eight, but did not place in the top three and thus did not earn the right to advance to sectional competition.

Heather Meyer and Breyan Donath, both freshmen, placed fourth and fifth

respectively, right behind teammate Jessi Graham in the 400m dash with times of 67.4 seconds and 67.5 seconds.

"All three of these freshmen have made very good progress this season in the 400. We will need them to pick up right where they left off next year," reported Coach Jerry Gosa.

Colleen Gosa also placed fourth in the 1600m run with a time of 6:00.8 and fifth in the shot put with a personal best of throw 32'1-1/2". Gosa did not run the 800m run because of a sore knee.

The Kewaskum 1600m (4x400m) relay team of Amber Averill, Breyan Donath, Michelle Zingsheim and Jessi Graham placed fourth with a season best time of 4:28.6, almost four seconds faster than their previous best. All four Kewaskum runners ran their fastest 400m splits of the season.

Breyan Donath placed fifth in the 200m dash with a season best time of 28.7 seconds, over one second faster than her previous best time. "Breyan Donath ran extremely well both in the preliminaries and the finals of the 200m dash," reported Coach Gosa. Becky Herriges placed eighth in the 200m dash with a time of 29.2 seconds.

Herriges also placed sixth in the long jump with a jump of 14'0" and Tina Lindgren placed seventh with a jump of 13'9-1/2". Lindgren also placed sixth in the 100m dash with a time of 14.2 seconds.

The 3200m (4x800m) relay team of Kelly Darmody, Heather Hackbarth, Mandy Will and Lauren Schultz placed fifth with a time of 11:39.3, over 14 seconds faster than their previous best time. Darmody also placed seventh in the 800m run with a time of 2:46.8.

Nicole "Coco" Herrmann placed sixth in the shot put with a throw of 31'10".

Heather "Double H" Hackbarth placed eighth in

the 3200m run with a time of 13:55.

"Very good efforts by the team. We would obviously like to have more going on to sectionals, but realistically, we think that the people that should have made it did, two hurdlers, the two sprint relay teams, a high jumper, a discus thrower, and a 400m dash runner. None of these girls are seniors, so potentially, all of them should be back next year," concluded Coach Gosa.

## Three Individuals, 400m Relay Team Head for Sectionals in Boys' Track

**LOMIRA** -- The Kewaskum High School boys' track and field team advanced Charlie Sparks, Tony Fitts and Josh Parrent in individual events and the 400m relay to sectional competition on Thursday, May 25, at Mayville High School. In the team competition the Kewaskum High School boys' track and field team finished sixth out of seven teams with 63 points.

Grafton clobbered the competition by scoring an almost unbelievable 225 points to win the regional title. Grafton won an impressive nine events.

The Kewaskum boys' team won the discus competition and the 400m relay. Charlie Sparks won the discus with a throw of 159'0", almost 14 feet better than second place. Sparks threw three very consistent throws in the mid 150's before throwing his first place throw of 159' in the finals.

The Kewaskum 400m relay team of Jim Thelen, Chris Canter, Tony Fitts and Sparks finished first by over one second, and smashed the school record. Kewaskum's time of 44.4 broke the old school record of 45.2 set in 1992 by Kim Marx, Beau Coulter, Dan Schulteis and Brian Harycki. "Great job by the 400m relay team. They really came ready to run. Grafton had a better seed time than us, but our guys really ran well," commented Coach Gosa.

Tony Fitts placed second in the long jump with a personal best jump of 20'1/4" to earn the right to advance to sectional competition. Mike Schmitz won the long jump competition with a leap of 20'2".

"Tony did a great job in the long jump tonight. He just keeps getting better and better. His previous best was 19'5" from the conference meet," reported Coach Gosa.

Kewaskum's other jumper, Chris Canter, suffered heartbreak when he scratched three times in the preliminaries and failed to

advance to the finals in the long jump competition. The third scratch appeared to be a legal jump, but was ruled a scratch by the long jump event judge. Since it was a judgement call, there wasn't any basis for an appeal.

Josh Parrent placed third in the pole vault competition with a vault of 12'6". Parrent struggled in the competition needing his third attempt at both 12' and 12'6" to clear the bar. Schults and Lubner of Grafton placed 1-2 in the pole vault with heights of 14'1" and 12'6" respectively.

The following Kewaskum athletes placed in the top eight, but did not place in the top three and thus did not earn the right to advance to sectional competition.

Tony Fitts also placed fourth in the 100m dash with a time of 11.9 seconds.

Jesse Boegel finished his senior track season with a fifth place finish in the 800m run with a time of 2:06.1. "Jesse had one heck of a year. For a guy to come out for track as a senior without really any track training to speak of and be competitive in a race like the 800m run shows you that he has a lot of talent. I wish we had him for another year," commented dis-

ance coach Randy Backhaus.

Luke Kehres placed sixth in the 400m dash with a time of 56.3 seconds and Paul Mertz also placed sixth in the high jump with a jump of 5'8".

Sparks placed seventh in the shot put with a personal best of 45'7".

Jason Strobel placed eighth in the 200m dash with a time of 24.5 seconds and Chris Baker finished eighth in the 1600m run with a personal best time of 5:05.6.

The Kewaskum 1600m (4x400m) relay team of Darrell Woebeking, Paul Mertz, Luke Kehres and Jesse Boegel finished seventh with a time of 3:47.6. The Kewaskum 3200m relay team of Darrell Woebeking, Troy Kedroske, Kurtis Cochran, and Chris Baker also finished seventh.

"The only big disappointment was Chris Canter not making it in the long jump. He has been our number one long jumper all season. He is only a sophomore and he still advances to sectionals as a member of the 400m relay. A lot of good efforts. We still have a lot of room for improvement to make for next year in many events," concluded Coach Gosa.

"Don't blame me, Mom. . . this horse keeps leading me to the Cookie Jar!"

# Sparks, Gosa, 400m Relay Team Headed for State Track Meet

By Jerry Gosa

MAYVILLE -- Charlie Sparks and Colleen Gosa won the discus competition, and the boys 400m relay team placed second at the WIAA Sectional Track and Field Meet at Mayville High School on Thursday, May 25.

The top two individuals and top two relay teams advance to the WIAA State Track and Field Championships at UW-La Crosse on Friday and Saturday, June 2 and 3.

Sparks, a junior, threw 161 feet and 11 inches (161'11") to win the discus competition by over seven feet. Dusty Keppen of Palmyra-Eagle placed second with a throw of 154'2". Sparks has emerged this season to be one of the dominant throwers in the state. Sparks has the number one seed in the Boys' Division Two discus competition for the state meet.

Colleen Gosa completed the Kewaskum sweep in the discus in the girls' competition with a winning throw of 111'9". Gosa's throw was over four feet better than second place. Debbie Bahr of Pewaukee placed second with a throw of 107'0". Gosa has the number eight seed in the Girls' Division Two discus competition for the state meet.

The Kewaskum 400m (4x100m) relay team of Jim Thelen, Chris Canter, Tony Fitts and Sparks placed second with an excellent time of 44.0 seconds to White-water. Kewaskum's time broke the school record of 44.4 seconds that the foursome set just three days earlier at the Lomira regional.

The Kewaskum school record had stood at 45.2 seconds since 1992 until Monday. The Kewaskum 400m relay team has the number six seed in Division Two at the state meet just 0.3 seconds behind the leaders.

"Exciting and extremely satisfying for the relay team members. They all did a great job. Jim had a great start. Chris also ran very

well and had a very good handoff to Tony Fitts. Fitts had a great leg and put the team in great position to place. And Charlie almost caught the runner from Whitewater at the finish line," reported a pleased Coach Gosa.

Fitts also placed fifth in the long jump with a personal best jump of 20'5". Just three days earlier, Fitts jumped over 20 feet for the first time when he jumped 20'1/4" at Regionals. Both Fitts and Canter now finish the season with personal bests of 20'5".

Josh Parrent finished sixth in the pole vault with a height of 12'. Both Dan Schultz and Dan Lubner of Grafton cleared 14'0" to place 1-2 in the pole vault competition.

The Kewaskum 800m relay team of Becky Herriges, Emmy Foerster, Breyan Donath, and Tina Lindgren placed fifth with a season best time of 1:53.9. Breyan Donath, who had run extremely well in the 200m dash at regionals, joined the 880m relay team to help advance the relay team to state. The plan almost worked except a poor handoff between two other Kewaskum runners cost the team precious time. White-water won the 800m relay with a time of 1:50.4.

The Kewaskum 400m relay team of Becky Herriges, Stacy Muckerheide, Kristin Schiller, and Tina Lindgren placed eighth with a season best time of 54.5 seconds. Greendale won the 400m relay with an impressive time of 51.5 seconds.

Emmy Foerster placed fourth in the finals of the 100m high hurdles with a career best time of 16.6 seconds and Jenna Roecker ran a time of 17.3 seconds in the 100m high hurdles -- just 0.1 second off her best time of the season.

Jolene Clark placed seventh in the high jump with a season best jump of 5'0". Angie Kolanko of Shorewood cleared 5'7" to win the high jump competition.

Jessi Graham ran a per-

sonal best of 1:05.9 in the 400m dash for eighth place.

Last year the team didn't have any Kewaskum athletes make it to state. All of the Kewaskum athletes will be first time competitors at the state meet.

"We are all very happy for and proud of our athletes. It's a great feeling for them and as coaches to see them have this opportunity. When our sprinters were running timed intervals in practice they would say 'eight (intervals) for state' -- and it came true," concluded Coach Gosa.

Charlie Sparks will throw the discus on Friday afternoon and Colleen Gosa will throw on Saturday afternoon. The Kewaskum boys 400m relay team will run on Saturday, June 3.

Good luck at state, Colleen, Jim, Chris, Tony and Charlie!

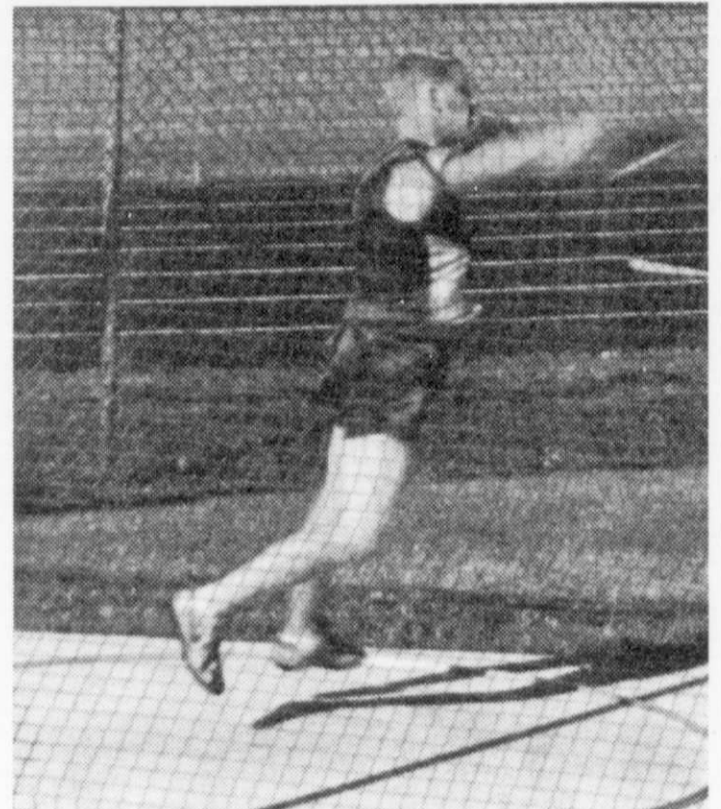

## KHS Girls Soccer Team Defeated By Ozaukee

The Kewaskum girls varsity soccer team visited the Ozaukee girls varsity soccer team on Thursday, May 25, and were defeated, 7-0. This was the first regional game for the young Kewaskum girls varsity soccer team.

Jenny Koth played an exceptional game at forward and defense. Rachel Borland succeeded in breaking through the tough Ozaukee defense seven or eight times, but was only able to get a couple of shots on goal.

Margaret Herriges played well in goal stopping 20 of the strong shots by Ozaukee. The team played well in this first regional game.

This has been a learning season for the young team and next year they will have gained from the experience they received this year.

Kewaskum's Charlie Sparks throws the discus 161 feet 11 inches to win the the discus competition at the WIAA Sectional Track and Field track meet at Mayville on Thursday, May 25th. Sparks advances to the state meet to be held on Friday and Saturday, June 2nd and 3rd at UW-LaCrosse. Sparks, the number one seed in Division two, will throw on Friday, June 2nd.

When the Panama Canal was built in 1914, it shortened the sea voyage from New York to San Francisco from one of more than 13,000 miles to one of less than 5,200 miles.
