Sparks Wins State Discus Championship

400m Relay Team Fourth, Gosa Sixth in Discus

By Jerry Gosa

UW-LACROSSE - Kewaskum's Charlie Sparks arrived at the state meet at UW-La Crosse on Friday, June 2, as the number one seed in the state in the Division Two discus.

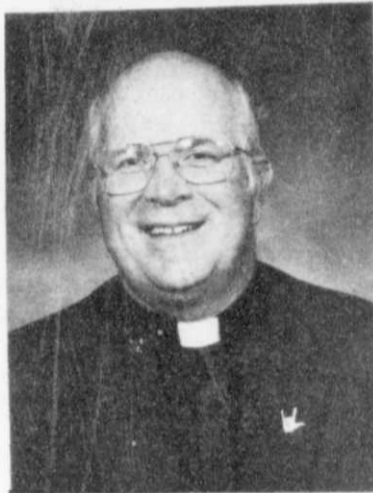

Sparks watched as the other eight athletes threw in the preliminaries and then they watched him throw a winning toss of 162' 4" on his first throw. Sparks possibly became the first boys' track and field state champion in Kewaskum school history.

Sparks went through the entire 2000 track season unbeaten in the discus. "Charlie showed the state that he is a solid competitor, tossing the winning throw on his first attempt. He erased any doubt about who the best Division Two thrower was. It was his tenth individual discus meet this year, and the tenth time he took first. He is truly a special athlete," concluded throwing coach Dave Rizzardi.

The Kewaskum 400 meter (4x100 meter) relay team finished an impressive fourth at the state meet on Saturday, June 3, with a season best and new school record time of 43.79 seconds. The Kewaskum team was tied for the sixth fastest seed time going into the state meet and knew they would need to run their best time of the season

Father Key to Celebrate Silver Jubilee Sunday

Father Bill Key

Father Bill Key will be celebrating 25 years as a priest. This Silver Jubilee celebration will be held at 4 p.m. on June 11 at St. Peter's Church in Beaver Dam.

Father Key grew up in Kewaskum. His parents

were the late William Key Jr. and Bernadette Key. His sisters are Mary (Paul) Beduhn of Little Chute, Antonia (Ralph) Buddenhagen of West Bend, and Victoria (Bruce) Towell of Kewaskum. His brother, Joseph Key, lives in Dexter, Oregon.

Father Bill attended Holy Trinity grade school and following the advice of the Pastor, Father John Budde, he took the entrance test for the seminary.

He graduated from DeSales Preparatory High School in Milwaukee. He completed a BA degree from St. Francis Seminary College in Milwaukee and then a Masters in Pastoral Theology from St. Francis Seminary School of Pastoral Ministry.

Archbishop William

Campbellsport Woman Drowns In Long Lake

By Andrew R. Kuehl
Staff Writer/Photographer

LONG LAKE- A 71 year old woman was found floating amidst the waters of Long Lake Tuesday afternoon, June 6, around 2:38 pm.

The Fond du Lac County Sheriff's Department was dispatched to the scene along with Mauthe Lake Rangers, Campbellsport Rescue Squad and Fond du Lac Paramedics.

The woman was found floating just off the eastside of Long Lake near the boat launch.

Upon arrival of the medics, CPR was performed and their efforts were unsuccessful.

The woman was identified as Marjorie A. Schlaefter, of Campbellsport.

An autopsy is being performed to further investigate the cause of death and if foul play was involved.

Long Lake is in the southeastern portion of Fond du Lac county in the township of Osceola.

Funeral services for Schlaefter will be held Friday at 7 p.m. at St. Matthews Catholic Church

in Campbellsport. Burial will take place on Saturday in the parish cemetery. Friends may call on Friday from 4 p.m. until the time of the service at the church. For more information please call the Twohig Funeral Home in Campbellsport at 920-533-4422.

A complete obituary will be in next week's Statesman.

Circus Here Sunday

The Kewaskum Area Chamber of Commerce is proud to bring back to this village a circus performance on Sunday, June 11 at 2 and 4 p.m.

The Alain Zerbini Trained Animal Circus will be putting up the huge tent west of the Milwaukee River on the lot behind Holy Trinity School.

The circus performances will be featuring 90 minutes of family fun including aerialists, acrobats, funny clowns, plus Porky's Piggy Revue. And don't forget to make time to ride Corky the

Camel.

Advance sale tickets are available at the Kewaskum Statesman, Kewaskum Sentry, Alter Ego, St. Francis Bank, Lynn Morrissey Law Office, West Bend Savings, Hollywood Portraits, and Tuttle Creek Learning Center.

School is out! Begin an extra-special summer with your children by taking them to see the circus on Sunday. By doing so, you will also be showing your support for Kewaskum Area Chamber of Commerce activities.

Breakfast on the Farm To Be Hosted by Muth Family on Saturday

The 2000 "Breakfast on the Farm" is scheduled for Saturday, June 10. Cedar Lawn Farm, owned by the Muth family, will host the event. George, Kathy, Peter, Kevin and Jenni are inviting people to the breakfast and other activities at the farm. Breakfast will be served from 6:30 to 11:30 a.m.

The "Breakfast on the Farm" is an event for the whole family. There are a variety of activities to enjoy. Hayrides are provided from the parking area to the farm buildings. Other activities include a petting zoo, barn tours, samples of dairy products, live radio programs, live music, antique tractors and machinery, a display by the Richfield Historical Society and other events.

The farm is located at 809 Highway A, West Bend. This is at the intersection of Highway A and Trading Post Trail. From the West Bend area take Highway 33 East toward Newburg, then take Highway M North to Trading Post Trail, or 144 North to Highway A and then east. Follow the signs

to the farm.

Tickets for the breakfast are \$5 in advance and \$5.50 at the farm. Children under three eat free. Advance tickets are available at a number of locations in the area including:

Allenton - M & I Bank, Hubies Hardware.

Cedarburg - Five Corners Dodge.

Germantown - West Bend Savings and Loan office on Mequon Road.

Hartford - Camera Case. Jackson - Scheunemann TV and Appliances.

Kewaskum - Kewaskum Frozen Foods, St. Francis Bank.

Newburg - Newburg State Bank.

Slinger - Associated Bank.

West Bend - M & I Banks, UW-Extension Office, West Bend Elevator, Sausage Plus, Farm Bureau Office.

For more information contact Les Gundrum at 262-334-0114 or Mike Strupp at 262-644-0015 or check out the website at www.uwex.edu/ces/cty/washington/breakfast.html

Chamber of Commerce Welcomes New Members

Kewaskum Area Chamber of Commerce representative, Sharron Miller, left, and Chamber President Kevin Stautz, right, recently welcomed new members to their organization, Sue and Wayne Devener, center, of the Bonne Belle Motel in Kewaskum. In lieu of a floral presentation, the Chamber will be making a donation to the Kewaskum KEYS Scholarship fund in honor of the Bonne Belle and owners, Sue and Wayne.

The Republican Hotel Father Key

By Isabelle Muckerheide

As the railroad goes, so went the Republican Hotel, later Glacier Inn, Gateway and the Salt H2O Cafe.

When I came to town in the late 40's, it was operated by a Mrs. Schultz and her efficient helper, Louise Martin. Upon retirement, it was purchased by a local man, Mr. and Mrs. Al Bruhn of Panama. Al's sister, Elsie, was the hostess. She later became my sister-in-law. Al's brother, Werner, was the bartender. (He could shake a mean grasshopper!)

One Sunday the male chef quit, so Elsie made the pies. There were a few complaints about the crust, so when we sat down to eat, she put a hammer and chisel on the table.

Monday was Kiwanis night. Pete Haug, Ted Schmidt, Charlie Miller and Don Harbeck of the Statesman were members then. Don would do the voices when they sang, "Old McDonald's Farm." Lem Rosenheimer was a regular for dinner, along with Morris Rosenheimer. Lee Rose was a teacher in Kewaskum. His brother, Cliff Rose, was a regular for breakfast, one egg, toast and coffee.

Regal Ware often had business luncheons in a side room. Some present were

Edna Oster, J.O. Reigle and Marvin Martin, all since deceased.

Earl Skalitzkey, local school principal, and Alex Kudek had rooms upstairs.

There were several weddings, too. Gerald and Ruth Stoffel, and Rosemary Haug (Pete's daughter) who wore her mother's wedding dress, and donated it to the local historical society museum.

On Friday nights, we had fish fries. My husband, Al, used to help me with that.

Some Sundays, we served over 60 people for dinner. Some were reservations and others were drop-ins. I recall a luncheon for Ortrud Trapp, wife of John, who was a war bride from Germany.

Working with Louise Martin was a joy, and also with Vernetta Backhaus, and Violet Ramthun (Edwards) who has since passed away. And I can't forget Jennie Schlosser, who helped me in the kitchen. I made the pies and she made the schaum tortes for Sunday dinner.

There used to be a porch with a railing around, and captains' chairs where the local gentry could sit, and pass the time of day. All that is a memory now. It's sad to see the place vacant when you drive by. I hope someday it will be reborn again.

(Stay tuned).

(Continued from Page 1)

Cousins ordained him as a priest for the Milwaukee Archdiocese on May 24, 1975 at the Cathedral of St. John the Evangelist in Milwaukee.

Father Bill served at St. Aloysius in West Allis from 1975 to 1982, St. Leonard in Muskego from 1982-1983, in Ministry with the Deaf for the Archdiocese of Milwaukee from 1983-1991, St. Lawrence in Milwaukee from 1991-1998. Currently, Father Bill is co-pastor of St. Peter, St. Patrick and St. Michael parishes in Beaver Dam.

While serving in Ministry with the Deaf, Father Bill co-authored a book on the spiritual life of deaf people. During the year's in min-

Jim LaMarche is Noted Author, Illustrator Alumni Shares His Talent With Holy Trinity Students

Jim LaMarche shares one of his illustrated books with Holy Trinity students.

On Monday, May 22, students at Holy Trinity School in Kewaskum had the rare privilege of meeting a noted author and illustrator. Even more auspicious was the fact that he attended and graduated from Holy Trinity School with the Class of 1966.

Jim LaMarche, of Santa Cruz, California, is the son of Mr. and Mrs. Eugene LaMarche of Kewaskum and grew up here. On a return visit recently, Jim shared with Holy Trinity students his work as an illustrator and author. He told of the techniques and processes used to illustrate a book.

He showed the students sketches which became illustrations. The slide presentation which he uses as he visits schools in other parts of the country has pictures of this area. Kewaskum and the family cabin up north often become part of his books.

Jim has illustrated a number of books for children, including, "The

Walloping Window Blind," which he adapted from Charles E. Carry's verse; "The Rainbabies," written by Laura Krauss Melmed was twice nominated for the ABBY Award and was the 1994 winner of the Bologna Book Fair Graphics Prize; "The Carousel" written by Liz Rosenberg, and "Little Oh," written by Laura Krauss Melmed.

In his latest book, "The Raft," Jim is the author and illustrator. Nicky, in "The Raft," isn't one bit happy about spending the summer with his grandma in the Wisconsin woods, but then the raft appears and changes everything. As Nicky explores, the raft works a subtle magic, opening up the wonders all around him -- the animals of river and woods, his grandmother's humor and wisdom, and his own special talent as an artist. This story is like the cigar box Jim kept as a boy -- it's full of bits and pieces of his boyhood summers.

The teachers had pre-

pared students by sharing his books which are in the Holy Trinity school library. An old friend, Ann Neumann, furnished art work that Jim had done as a child. It was interesting to note that one piece done while Jim attended Holy Trinity School was marked with a "C"!

Congratulations Nicole

We accomplished this year together & together we have become one.

I love you very much and am very proud of all you do!

Congratulations!

I hope to see you in another gown real soon... I hope it's white!

Keep smiling..
Andy

Appointed to U.S. Air Force Academy

Michael Chmielewski

Hilltop Mass in Ashford On June 11

HALFWAY TO HEAVEN
- That's how some folks describe the Hilltop Mass at St. Martin's Catholic Church in Ashford. The date for 2000 is June 11, at 10:30 a.m.

People of all faiths join members of the parish at the Hilltop Cross South of Highway 67, the site where the first cross was erected by pioneers in 1886. In the 60's this tradition was renewed when a two foot cross was erected. Today's cross stands 43 feet high with cross pieces about 14 feet.

St. Martin's Church is

located on Hwy. 67, about 2.5 miles East of Lomira. You are invited to enjoy the beauty of the rolling countryside while observing the Solemnity of the Holy Mass.

The outdoor Mass, celebrated by Fr. Francis Mauley, will open with a Knights of Columbus Color Guard followed by the VFW and Lomira Bintzler-Waehler American Legion Post 347 posting the colors.

Drive your vehicle to the hilltop (follow signs), or park in the church parking lot and ride the free shuttle bus, courtesy of Johnson Bus Service. A special parking area for the handicapped is reserved, so that Holy Communion can be brought to those in the cars.

NOTE: This year, you

are requested to bring your own lawn chairs for the Mass, since the plank and straw bale seating used in the past has been discontinued.

Following Mass, everyone is invited to the social on the parish grounds for games, crafts, bake sale, white elephant sale and a children's fishpond. Refreshments, brats, and hamburgers will also be available.

The earliest stop watches were known as pulse watches. Made in the 1680s, they were used by doctors.

Michael Chmielewski, grandson of Stanley and Laura Chmielewski of rural Kewaskum, has received an appointment to the United States Air Force Academy

under the sponsorship of Senator Russ Feingold.

Michael is the son of Stan and Carol Chmielewski of Hales Corners.

'Night With The Troupe' At West Bend

The West Bend Dance/Tumbling Troupe will be holding a benefit night, "Night With the Troupe" in Regner Park on Thursday, June 8 from 4:30 to 10 p.m.

The Schedule of Events will include a Silent Auction from 5:30 to 8 p.m., Troupe Performances at 6 and 7:15 p.m., Sponsor Acknowledgements at 6:30 p.m., a performance by the River City

Irregulars at 7:30 p.m. and Music by Jack and Diane at 8:30 p.m.

There will be Interactive Inflatable Rides including a giant slide, bungee run and castle bounce donated by Music on the Move. Food, soda, beer and wine coolers will be served.

In the event of rain, "Night With the Troupe" will be held at UW-Washington County. All proceeds will be donated to the West Bend Dance/Tumbling Troups for performance and travel expenses.

CONGRATULATIONS

2000 Child Development Class Held at KHS

The juniors and seniors in Mrs. Martin's child development classes sponsored another preschool for area three-to-five year olds. "Graduates" of this year's program are: Row one, left to right: Hanna Cornelius, Matthew Ringwell, Brian Wilson, Maura Roberts, Joey Seitz. Row two: Kayla Gallenberg, Jacob Keller, Mabelle Tuscynski, Abbe Taylor, Elizabeth Henning, Kolton Goslinowski, Nicholas Bier, Jordan Krueger, Lindsey Zuehlke. Row three: Greysen Falevsky, Amber Flasch, Anna Aycock, John Jung, Dakota Kreis, Kaitlynn Fronek. Missing from the photo were Rachel Espitia, Carly Reif and Clayton Reif. The child development class offers the 12-day preschool to the community each year. The next preschool will be held in December so watch the paper for details or call the high school and the information will be mailed to you in October.

Lutheran Brotherhood Presents Check

Lutheran Brotherhood, Washington County Branch #8434 matched donations given at the local banks, for the Lisa Bronkhorst Fund, on a two for one match to the maximum amount of \$3,836. Carl Koepke, right, member of the Branch #8434 board, recently presented the check from the Lutheran Brotherhood to Lisa for the maximum amount. The Bronkhorst family wishes to sincerely thank all individuals and groups who responded with generous donations to these accounts and to Lutheran Brotherhood for its fund-matching program.

KMS Space Mission a Success

The crew of the Independence pauses before its all-day shuttle mission. From left are Kyle Lickel, Mike Schultz, Dean Pankratz, Scott Wilke and Peter Paulus.

"We have liftoff!" The outside wall of the KMS space shuttle simulator bears a painted likeness of the real thing.

John Waehler, left, and Aaron Breit monitor the flight of the Independence from Mission Control.

"The solid rocket boosters have ignited and we have liftoff! The Independence has cleared the tower!"

As the words came over the public address system in Mr. Drexler's Technology Education classroom at Kewaskum Middle School, onlookers cheered and the Kewaskum Middle School crew of the space shuttle Independence headed off on a one day mission designated to conduct experiments and promote appreciation of the U.S. space program.

Five members of the KMS eighth grade Aerospace Technology class were chosen on the basis of semester grades, participation, and an application to be part of the Independence crew. The five crew members - Kyle Lickel (Mission Specialist), Mike Schultz (Payload Specialist), Peter Paulus (Scientist), Scott Wilke (Commander), and Pilot Dean Pankratz - spent all of the school day in an 8x12 foot room equipped to simulate a space shuttle.

The room was fitted with audio, video and computer

equipment to keep "Mission Control" (located in an adjacent room) apprised of the project's status. The shuttle interior also included a robotic arm for deploying a satellite, and various medical and scientific equipment to use during the mission.

Since the project ran all day, the shuttle's equipment even included a microwave oven (for TV dinners) and a chemical toilet.

All members of the Aerospace Technology class participated as members of Mission Control prior to liftoff, reading parts of a script of actual pre-launch preparations, complete with terms like "RCS thrusters" and "Roger, out."

When the okay was given for liftoff, the shuttle crew reacted to a computer simulation of an animated shuttle launch.

Once in space, the shuttle crew had some tests to run.

"We had to figure out what the experiments would be," explained Mission Control member Nate Feiereisen, designated one

of the mission's public affairs officers. The class decided on testing heart rate and blood pressure at rest and following sit-ups and pedaling an on-board bike, as well as the effect of weightlessness (simulated by a graduated cylinder of water) on the falling rate of objects.

Controlling a robotic arm outside the shuttle, the crew was additionally required to deploy a small satellite and dock with the International Space Station (ISS) to deliver supplies.

Mission Control personnel Aaron Breit and John Waehler spent the day recording and posting the results of the experiments on the cafeteria wall. They also charted the location of the shuttle in flight (thanks to a real-time link to NASA's website tracking the progress of the real shuttle Atlantis's simultaneous flight).

"(The project) tries to help develop an appreciation of our space program, possibly creating an interest so that (the students) would go on and pursue some of

these areas," said Mr. Drexler.

Although the flight was successful, pilot Dean Pankratz revealed, "We had a little problem with docking. We got stuck on the ISS."

According to commander Scott Wilke, the toughest

thing was "being locked up with five guys." He then added, "But I'd still want to be an astronaut."

"It was a team effort," said mission specialist/medical officer Kyle Lickel.

It certainly was. Roger, out.

Bartley Construction; David Rabuck, McKee Builders; Kevin Muth, Tennes True Value Hardware; Ben Kohlwey, Wollner Excavating; Gabe Kempf, KHS Printing; Cassandra Kougl (front), Pick and Save; Natasha Weaver, West Bend Mutual; Jeff Taylor,

McDonald's; Patricia Stoffel (front), Best and Mayer; Sandy Vrana, Barton Cafe; Cory McElhatton, Checker Auto; Katie Kopecky (front), Little Folks School House; Sara Bauer, Regal Ware; Kristin Kurth (front), Tuttle Creek Learning Center; Ricky Lettow, Regal Ware; Jennifer Wolf, Montessori Childrens' House; Willtam Reindl, Roger's Radiator, and Tashina Meyer, KHS Printing.

AAL Branch Awarded Gold Star

Aid Association for Lutherans (AAL) Branch 2557, Random Lake, has been awarded a Gold Star rating in recognition of outstanding community service.

The branch is led by Richard Wilson, President; Shirley Koepke, Treasurer, and Alice Harter, Secretary.

The branch is supported by AAL representative Lisa M. Sieg, of Sheboygan.

To achieve a Gold Star rating, a branch must conduct regular business meetings, an election and a planning meeting, and sponsor at least one benevolent, one educational and one branch member welcome event and three additional activities in any combination. It also must submit an annual financial report and achieve an average of one volunteer hour per benefit member in the branch.

AAL, based in Appleton, is a fraternal benefit society of 1.7 million members who are joined together for insurance, educational and volunteer opportunities. AAL has more than 10,200 branches.

Front row: Paul Petri, K Mart; Amie Jaecks, Regal Ware; Cheryl Sager, Burger King; Jeremiah Norman, Lee-Mar-G Farms. Rummage/Bake Sale, Auction, Raffle to Benefit Cystic Fibrosis

The Fourth Annual Cystic Fibrosis Rummage/Bake Sale, Silent Auction, and Raffle will be held Friday, June 9 through Sunday, June 11, from 8 a.m. to 5 p.m. each day.

Highlights of the sale include a 25 cent price tag on all clothing and books, a Silent Auction that includes handmade quilts and crafts as well as items autographed by NASCAR Winston Cup driver Matt Kenseth.

Proceeds from the sale

are donated to the Cystic Fibrosis Foundation of Wisconsin, with a small amount put into the "Heather and Paul Medical Fund." This fund will be used if their medical insurance caps out.

The sale this year has expanded even more! It now fills a large, restored barn as well as a huge tent.

Directions to the sale are: from Allenton, take Highway 33 West to Addison. Take a right at the stop sign, then another right at the next stop sign (1/4 mile up the road). You are now on Highway 175. Go about two miles and you will see the sale on the right side of the road as you enter Nenno. Call Lisa at 262-629-5087 for more information.

KETTLE LAKES CO-OP BOLTONVILLE BRANCH CHANGES OWNERSHIP

Effective May 31, the Boltonville Branch of Kettle Lakes Cooperative has been sold to Tom Mueller, who has managed that location for the past 21 years.

Under Tom's ownership, the mill will continue to operate essentially the way it has in the past. Tom looks forward to serving you with all your feed and supply needs for years to come.

Kettle Lakes Cooperative would like to thank all the patrons we have had over the years and wish Tom all the best in his new venture.

Congratulations Tom!

Scouts Bike Sugar River State Trail

First row, left to right: Jean Ott, Peter Ott, Keith Scannell, Jeremy Phillips, James Blecha, Jon Walters, Andy Werner, Alex Waranius. Second row: Jim Uelmen (scoutmaster), Nate Laatsch, Scott Joers, Michael Neumann, Josh Uelmen, Neil Walters, Scott Waranius (assistant scoutmaster).

Resting by the reconstructed covered bridge just north of Brodhead.

Ann Neumann Photos

On Saturday, June 15, members of Kewaskum Boy Scout Troop 744 biked the Sugar River State Trail.

The rural landscape of

Green County took them through America's Little Switzerland, the unique village of New Glarus, Monticello, Albany and Brodhead.

At the end of the day the scouts and adults biked a total of 52 miles. These miles fulfill one of the requirements for the cycling Merit Badge.

The name Elizabeth means "oath of God."

Obituaries

AGNES SCHAEFER

Did you hear the sound of church bells on Friday morning, June 27? Following church tradition, the bells announced the passing from grace to glory of Agnes Schaefer, age 87, of Kewaskum. Thirty-three peals for the years of Christ's life on earth, forty-four tolls indicating one-half of Agnes's earthly life followed by thirty-three peals and forty-four tolls.

Agnes was born on September 13, 1912 in the Town of Kewaskum, the daughter of the late Carl and Amanda Kuecker Meilahn and on October 13, 1934, she was united in marriage to Ray Schaefer at St. Lucas Evangelical Lutheran Church in Kewaskum.

She was a lifelong resident of the Town of Kewaskum. Agnes and Ray were farmers and lived all of their years together at the Schaefer homestead.

Her Christian faith was the central focus of her life. She was a member of St. Lucas Evangelical Lutheran Church and for many years, was the recording secretary and pianist for the Ladies Aid. She also taught Sunday School for nearly 30 years. She was co-founder of the Kewaskum 4-H Club, was a member of the Kewaskum Woman's Club and was a founder of the AFS Kewaskum Chapter. She thoroughly enjoyed playing bridge.

Survivors include her husband of 65 years, Raymond, of Kewaskum; three children, David (Cathy) of Kewaskum, Dan (Gail) of Madison and Audrey (Ernest) Wiesen of Rocky River, Ohio; six grandchildren, Sandra Schaefer, Beth (Bert) Falak, Jeremy Schaefer, Mary Schaefer, Rachel Anderson and Erica (Aaron) Horning; three great-grandchildren, Charles Horning, Janae and Joelle Anderson, other relatives and many friends.

She was preceded in death by two brothers, Henry and Carl Meilahn and three sisters, Alpha Schaefer, Amanda Firme and an infant sister, Erna.

Funeral services were held at 11 a.m. on Tuesday, June 6, 2000 at St. Lucas Evangelical Lutheran Church in Kewaskum. Rev. Timothy Henning officiated and burial followed in Lutheran Memorial Park in Kewaskum.

Friends called after 4 p.m. on Monday, June 5, at the Miller Funeral Home in Kewaskum and from 10 a.m. until the time of services at the church on Tuesday.

In lieu of flowers, memorials may be made to St. Lucas Ladies Aid or the Washington County 4-H.

STUART M. "JAKE" MAUL

Stuart M. (Jake) Maul, age 44, of 653 W. Arndt Street, Fond du Lac, died unexpectedly Saturday, June 3, 2000 at his home.

He was born March 8, 1956, the son of Roland and Edna Zieger Maul.

He was a 1974 graduate of Lomira High School and was formerly employed at Maysteel in Allenton.

He is survived by two daughters, Megan and Heather Maul of Lomira; his parents, Roland and Edna Maul of Brownsville; three sisters, Carol (Kurt) Meyer of Bolingbrook, Illinois, Mary (Richard) Hornburg of Eden; Betty (special friend Dave Bindl) of Lone Rock, three brothers, Roland Jr. (Lisa) Maul, James (Carol) Maul of Allenton, and Dale (Leanne) Maul of Lomira.

He is further survived by nieces, nephews, and other relatives and friends.

Visitation was held on Wednesday, June 7, from 4 to 7 p.m. at Salem United Church of Christ, Wayne. The funeral followed at 7 p.m. at the church. The Reverend David Flegel officiated and burial took place in the church cemetery.

In lieu of flowers, memorials may be directed to the family.

Kietzer Funeral Home, Lomira, assisted the family.

Stu, you will be missed.
You got that right!!!

ROLAND H. RATE

Roland H. Rate of West Bend died Friday, June 2, 2000 at St. Joseph's Community Hospital. He was 86 years old.

He was born June 6, 1913 to Edward and Rose (nee Buddenhagen) Rate in Kewaskum, and married Mary J. Kejwan-Czaja June 14, 1980 at Holy Trinity Catholic Church of Kewaskum.

He was born and raised in the town of Addison and was a farmer in the towns of Addison and Wayne. He married his first wife, Marie Behlke on May 10, 1939 at Holy Trinity. She preceded him in death on May 30, 1979. He was a member of Good Shepherd Lutheran Church of West Bend and an honorary member of the Kohlsville Fire Department. He will be remembered for his young-at-heart attitude.

He is survived by his sec-

ond wife, Mary; two sons, Gerald (Mary Kay) Rate of the town of Addison and Frederick (Marie) Rate of Slinger; nine step-children, Diane (Jerome) Spaeth of West Bend, Richard (Mary) Czaja of Pittsville, Wis., Sister Mary Ann Czaja of Tarboro, N.C., Edward (Charmain) Czaja of Ogdensburg, Wis., Joanne (Perry) Koth of Kewaskum, Susan (Peter) Checki of Oshkosh, Luann (Dr. Kevin) Dunn of Brookfield and Roseann Czaja of Eau Claire; Sister Erna (Otto) Kohl of Kohlsville; sister-in-law Grace Rate of Addison; seven grandchildren, three great-grandchildren, 23 step-grandchildren, nine step-great-grandchildren, nieces, nephews, other relatives and friends.

He was preceded in death by his parents, his first wife, a brother, Marvin and one step-daughter-in-law, Lisa.

Funeral services were held on Monday, June 5 at 2 p.m. at Good Shepherd Evangelical Lutheran Church in West Bend with Pastor James Ziesemer and Pastor John Paustian officiating.

Visitation was at the Phillip Funeral Home of West Bend on Sunday, June 4 from 4 to 8 o.m. and again on Monday, June 5 at the church from noon until 2 p.m.

Interment took place at St. Anthony Cemetery, town of Addison following the service.

Memorials to Good Shepherd Evangelical Lutheran Church will be appreciated.

The Phillip Funeral home of West Bend assisted the family.

CARL AUGUST LOOKMAN

Carl August Lookman of Cape Canaveral Fla. died Wednesday, May 31, 2000 at National Health Care, Merritt Island, Fla. He was 82 years old.

He was born March 23, 1918 to Charles and Clara (nee Weiss) Lookman, and married Adeline Kehmeyer on Oct. 18, 1941 in LeRoy Wis.

He was a retired dairy farmer and former town of Hubbard supervisor from Dodge County. He was also a member of St. Mary's Catholic Church in Woodland.

Survivors include his wife, Adeline of Cape Canaveral Fla.; three daughters, Marlene (Carl) Wegner, West Bend, Jane Feggstad, Delafield and Connie (Stanley) Nickel of

Campbellsport; one sister, Anita Boese of Fond du Lac; sister-in-law, Elda Lookman of Mayville; ten grandchildren, 14 great-grandchildren and other relatives and friends.

He was preceded in death by his parents, a son, Carl Jr. in 1974 and his brothers, Walter and Harold.

A Mass of Christian Burial at St. Mary's Catholic Church in Woodland was held on Tuesday, June 6 at 2 p.m. Fr. Russel Stommel officiated. Visitation was held at St. Mary's Church on Tuesday from noon until the hour of service. Interment was at Graceland Cemetery in Mayville.

In lieu of flowers, memorials may be directed to Brevard County Alzheimer's Foundation Association Inc., Muscular Dystrophy Association or the Wisconsin Association of M.A.D.D.

Koepsell Funeral Home in Mayville served the family.

RUSSEL J. GRINWALD

Russel J. Grinwald of Rubicon passed away on Monday, May 29, 2000, at his home. He was 70 years old.

He was born in Rubicon on April 20, 1930 to the late Edward and Rosella (nee Schield) Grinwald, and married Grace Griesmer on April 28, 1951, at St. Patrick's Catholic Church in Thompson.

He was employed in maintenance at Aunt Nellie's, Clyman.

Russel was a member of St. John's Catholic Church in Rubicon and the Holy Name Society at St. John's Church.

Survivors include his wife, Grace; eight sons, David (Barbara) of Campbellsport, John (May) and Edward (Roberta), both of Slinger, Joseph (JoAnn) of Hartford, Michael (Alicia) of Pewaukee, Tony (Diane), Peter (Cindy) and Tom (Lori), all of Rubicon; eight daughters, Sharon (Dan) Lecher of Kewaskum, Mary (John) Mathieu of West Bend, Carol Breitenbach of Iron Ridge, Shirley (John) Schaefer, Nancy (Jim) Genz and Joanne (Jeff) Komp, all

of Hartford, Diane (Brian) Glynn of Slinger and Jane (Mike) Faust of Hubertus; 34 grandchildren; three great-grandchildren; two sisters, Shirley (Harvey) Maher and Rosemarie Schroeder, both of Florida; two brothers, Lawrence (Rose) of Slinger and Edward Grinwald of Florida brothers-in-law, Wilfred Lisko of Slinger and Bernard Day of Hartford; and sister-in-law, Rosemary Grinwald of Rubicon.

He is further survived by nieces, nephews, brothers-in-law, sisters-in-law, other relatives and friends.

Preceding him in death were a brother, Glen Geinwald, and sisters, Isabel Lisko and June Day.

A Memorial Mass was held on Friday, June 2, at 7 p.m. at St. John's Catholic Church in Rubicon. Inurement was in St. John's Catholic Cemetery.

Memorials to the charity of one's choice appreciated.

ANN M. WICKERT

Ann M. Wickert, nee Plischounig, of West Bend, died Wednesday, May 31, 2000, at the Cedar Lake Health Care Center, at the age of 94.

She was born May 18, 1906, in Austria, to the late Oswald and Maria (nee Burger) Plischounig.

In 1915 her family moved to the United States, living briefly in Milwaukee before settling in West Bend.

On November 25, 1925, she married Lawrence "Flicky" Wickert at Trinity Lutheran Church.

She and her husband owned and operated Flicky's Barber Shop in Barton until 1978.

Flicky preceded her in death on October 12, 1992.

Ann was a pink lady at St. Joseph's Community Hospital for many years, and a member of the Barton VFW Auxiliary Post.

Survivors include three children James (Janis) of Lake Havasu City, Ariz., Mary Ann (John) Tessar of Kewaskum and Lawrence Jr. "Flicky" (Nancy), of West Bend; 11 grandchildren;

Obituaries

eight great-grandchildren; a great-great-grandson; a sister, Olga Schley of Kansas City, Mo.; a sister-in-law Betty LaBui of Hubertus; nieces; nephews; and other relatives and friends.

Preceding her in death were a brother, Frank, and a sister, Ida Voeks.

Funeral services were held on Monday, June 5, at 2 p.m. at Trinity Lutheran Church, West Bend, with Rev. David Schoob officiating. Burial followed in Holy Angels Cemetery, West Bend.

Visitation at the church only was held on Monday from 11 a.m. until the time of services.

Memorials to Cedar Lake Health Care Center are appreciated.

The Schmidt Funeral Home, West Bend, served the family.

The family wishes to extend a special "thank you" to the Cedar Lake Health Care Center and to St. Joseph's Community Hospital of West Bend.

CARD OF THANKS

Our sincere thanks to our relatives, friends and neighbors for their kind expressions of sympathy during our recent bereavement, the death of GEORGE BRUENDL. Thank you for the floral arrangements, food, masses, and choir. Special thanks to Father Mark Jones, who made the service so meaningful. Thanks to the Schmidt Funeral Home and anyone who assisted us in any way.

*The Family of
George Bruendl*

PRAYER OF THE BLESSED VIRGIN

(Never known to fail). Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God. Immaculate Virgin, assist me in my necessity. Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (three times). Say this prayer for three consecutive days and then you must publish and it will be granted to you. Grateful thanks.

Rene

CARD OF THANKS

A sincere thank you to all our relatives and friends who shared in the loss of our loved one ELTON (BUD) LIEPERT.

Special thanks to Rev. Eric Kirkegaard, Peace United Church and to all the ladies at church who served the lunch, Miller Funeral Home, Kewaskum Rescue Squad, and all who sent flowers, cards and memorials.

*The family of
(Bud) Liepert*

Stroke Club To Meet

The Stroke Club for Washington County community members will meet on Thursday, June 8, 2000. The group meets the second Thursday of each month at 1:30 p.m. in the Assembly Room at the Cedar Ridge Retirement Campus. Cedar Ridge is located at 113 Cedar Ridge Drive, just off of the Scenic Drive in West Bend. (Caregivers will meet at 2:30 p.m.)

Home Care Services and Eligibility for Medicare Funding will be presented by Jan Lange, RN, Branch Director at Midwest Medical Home Care.

The Stroke Club is for people who have had a stroke, their families of for those who provide care to stroke patients. The Washington County Stroke Club is presented by the Cedar Haven Rehabilitation Agency and the American Heart Association of Wisconsin. For more information, call Cedar Haven Rehabilitation Agency, at 306-2150. Those needing assistance in arranging transportation to the Stroke Club can call the Washington County Office on Aging at 335-4497.

Thursday, June 8 -- Swiss steak with green peppers and gravy, whipped potatoes, carrot coins, whole wheat bread, strawberry frozen yogurt.

Ceramics at 10:00 a.m. every 1st and 3rd Tuesday of the month.

Letters to The Editor

To the Editor,

**THANK YOU,
THANK YOU!**

I would like to thank everyone who donated clothing and other types of materials to our Recycling Clothing Fund Raiser in Kewaskum on the Memorial Day Weekend. We nearly filled the semi-trailer up.

All clothing and material collected will be gone through by Continental Textile Company of Wisconsin, a recycler of used clothing. They prepare wearable clothing for use in the United States as well as Third World Countries in Africa, Central and South America and Asia. Some material collected will be prepared for reuse as wiping rags or other products.

It is through the efforts of all who dropped off plastic bags of clothing/material that AAL (Aid Association for Lutherans) Branch #26 of Kewaskum will be able to continue making donations to the community for worthwhile causes and needs.

I would also like to thank AAL Branch #26 Committee Members who helped distribute flyers and man the semi-trailer by hauling and lifting the numerous heavy bags which were dropped off.

Thank you.

*Diane Lemke
Branch #26
Coordinator*

Letter to Editor....

FOR ALL THOSE BORN BEFORE 1945

**We are survivors!!!
...Consider the changes we have witnessed.**

We were born before television, before penicillin, before polio shots, frozen foods, Xerox, plastic, contact lenses, Frisbees and the Pill. We were before radar, credit cards, split atoms, laser beams and ballpoint pens. Before pantyhose, dishwashers, clothes dryers, electric blankets, air conditioners, drip-dry clothes... and before man walked on the moon.

We got married first and then lived together. How quaint can you be? In our time, closets were for clothes, not for "coming out of." Bunnies were small rabbits, and rabbits were not Volkswagons. Designer Jeans were scheming girls name Jean, and having a meaningful relationship meant getting along with our cousins.

We thought fast food was what you ate during lent. We were before house husbands, gay rights, computer dating, dual careers and commuter marriages. We were before day-care centers, group therapy and

nursing homes. We never heard of FM radio, tape decks, electronic typewriters, artificial hearts, word processors, yogurt and guys wearing earrings. For us, time-sharing meant togetherness...not computers and condominiums. A chip meant a piece of wood. Hardware meant hardware, and software wasn't even a word.

Back then, "Made in Japan," meant junk and the term "making out" referred to how you did on your exam. Pizzas, McDonalds and instant coffee were unheard of. We hit the scene where there were 5 and 10 cent stores, where you

bought things for five and ten cents. For one nickel you could ride a street car, make a phone call, buy a Pepsi or enough stamps to mail one letter and two postcards. You could buy a new Chevy coupe for \$600...but who could afford one? A pity too, because gas was 11 cents a gallon!

In our day, grass was mowed, Coke was a cold drink and Pot was something you cooked in. Rock Music was a Grandma's lullaby and AIDS were helpers in the Principal's office. We were certainly not before the difference between the sexes was discovered, but we were surely before the sex change. We made do with what we had. And we were the last generation that was so dumb as to think you needed a husband to have a baby.

No wonder we are so confused and there is such a generation gap today.

But, WE SURVIVED!!
What better reason to celebrate?

Ron Grogan

Andrew Johnson was the first President to grant a newspaper reporter a formal interview.

Volunteer!

One person can make a difference.

* Assistance is needed with a Summer children's reading program. Hand out prizes to children and check in their books.

* Help an agency in a very significant way by serving on a fundraising committee. Meetings are held five times a year to brainstorm new, meaningful, creative, and fun fundraising events.

* Are you a handyman or woman? A carpenter is needed to make trail signs and to help with other woodworking projects for the Ice Age Trail.

* Bring the library home! Assist an outreach librarian with deliveries. This opportunity may include selecting books to take to care centers and assisting clients with their selections. May eventually involve driving and delivering materials to homebound. Perfect for recreational reader!

* Are field trips your cup of tea? If so, help a local agency take small children to Riverside Park, Washington County Humane Society, Lac Lawrann Conservancy, or the West Bend Fire Station. Bring your smile and a gentle hand for holding.

* Do you like working in an office setting? Great! Come help an agency on a regular basis with data entry from fundraising events and preparation for special events.

* Like working outside and preserving nature? Then your expertise is needed on June 10th! Help clear trails and remove debris from natural area. Botanists are also needed to help identify plant species. If you can't help on the 10th that is OK! This is an ongoing project.

* It is almost time for the Farmer's Market in West Bend! Help one non-profit agency set up, sell, and take down their booth on Saturday mornings.

For these opportunities and many more, contact the Volunteer Center at 338-8256. If you don't see something that interests you, just stop by or give us a call! We have hundreds of volunteer opportunities for you!

St. Francis Bank Launches Community Initiative

St. Francis Bank has announced the introduction of its Community Banking Initiative, a structure and special services to address the needs of established and emerging local businesses in their home communities.

The new program will serve businesses with a dedicated banker team of business specialists to provide guidance in critical areas of checking, deposits, loans, cash management, commercial real estate and investments. Businesses, regardless of size, will be assigned a dedicated banker through each of St. Francis Bank's 22 full-service offices in Milwaukee, Ozaukee, Waukesha, Walworth and Washington Counties.

Names to head the new Community Banking Initiative at St. Francis Bank was Steven J. Donovan, Vice President, Community Business Banking. He joined St. Francis Bank in 1995 and worked in commercial underwriting and in retail as a branch manager before being named vice president of deposit products in 1997.

"We have brought together a special combination of services and professionals to respond to the needs of local businesses whether they are emerging or established. Entrepreneurial and expansion minded companies of all sizes will find the professional people and products to meet their ongoing business needs. The services are

conveniently offered through our branch office locations where businesses will have someone dedicated to their relationship. They know no matter what question they have or what need arises, they can pick up the phone and call Kate Kasper, our Germantown office manager, for example, and she'll respond," Donovan explained.

He added that through the Community Banking Initiative, company owners can also receive investment guidance and serviced for their employees as well as for themselves.

New services and incentives will be added to the Community Banking Initiative throughout the course of 2000 and coming years. As an introductory offer, St. Francis Bank is guaranteeing that its checking account fees for local

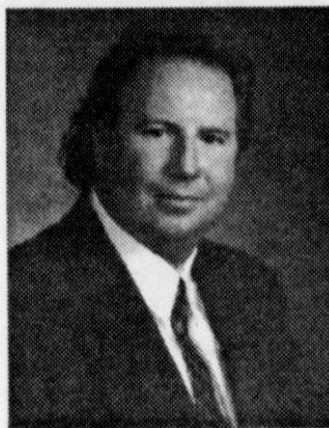

businesses will be equal to or below other banks in its marketing area.

A community business financial kit providing full details on the range of services available through the Community Banking Initiative has been developed and is available at all St. Francis Bank offices.

Donovan is an instructor for the American Institute of Banking and is a member of the Treasury Management Association.

St. Francis Bank is a 76-year-old community based bank offering a broad range of financial services to customers and businesses. In addition to its 22 branch office locations, the bank, with assets exceeding \$2.4 billion, has two limited service facilities in Milwaukee and operates a mortgage-banking subsidiary in Illinois.

Howard Named Project Manager At Roman Electric

Bruce Howard

Bruce Howard has been named a project manager at Roman Electric Co. He will be responsible for managing commercial and industrial projects.

Howard, 34, had been a design/build project manager for a Milwaukee-area

electrical contractor since 1995. He began his career as an electrician apprentice in Florida in 1982 and has served several electrical contractors as a journeyman electrician. He is a Master Electrician in the state of Wisconsin and a member of the International Association of Electrical Inspectors.

Howard, his wife Kimberly, and their son live in Kewaskum.

Founded in 1929, Roman Electric is a third-generation, family-owned and -operated company serving industrial, commercial, institutional and residential customers. Included are new construction, remodeling, repair and service work. The company has a branch office in Sturtevant (Racine County).

Sparks Wins State

Kewaskum's Colleen Gosa, competitor #37, stands besides the results board after completion of the girls Division Two discus competition at the state meet. Colleen is pointing to her sixth place throw of 118'2".

Kewaskum's Jim Thelen leads off the 400m relay and brings the baton to Tony Fitts for the first exchange after the first 100 meters at the WIAA State Track and Field Championships at UW-La Crosse on Saturday, June 3. The Kewaskum relay team of Thelen, Fitts, Chris Canter and Charlie Sparks broke the KHS school record for the third time in a row and placed fourth with a season best time of 43.79.

Kewaskum's track and field state medal winners and coaches. Kneeling, left to right: Throwing Coach Dave Rizzardi, Hurdle Coach Ellen Kuphal, and Head Coach Jerry Gosa. Standing: Colleen Gosa, placed sixth in the discus; Chris Canter, Jim Thelen, Charlie Sparks and Tony Fitts, placed fourth in the 400m relay; and the alternate Tom Ogi. Not pictured: alternate Jason Strobel. Sparks also won the discus competition.

(Continued from Page 1)

in order to bring home a state medal for a top six finish.

The Kewaskum foursome worked on their hand-offs all week prior to the state meet and changed the order of their runners in the relay in their attempt to run faster at the state meet.

Jim Thelen led off the relay as he has all season and then handed off to Tony Fitts, who usually ran the

third leg of the relay. Chris Canter ran the third 100 meters and passed the baton to Charlie Sparks, who has anchored the relay team all season.

The Kewaskum 400m relay team had an impressive run at the end of the season which saw them win the 400m relay conference title, qualify for state, finish fourth at the state meet and in the process, broke the school record three times.

The Kewaskum school

record had stood at 45.2 seconds since 1992. Earlier in the season, Thelen, Fitts, Canter and Sparks won the 400m relay at the Lomira regional on Monday, May 22, and established a new school record with a time of 44.4 seconds. Three days later at the Mayville Sectional, on Thursday, May 25, they broke their own school record with a

time of 44.0 seconds. "They really worked hard this season and their time of 43.79 seconds at the state meet was definitely impressive," reported coach Jerry Gosa.

"Jim Thelen did a great job all season starting off the relay and providing good senior leadership for the team. The two sophomores, Tony Fitts and Chris Canter, both also did an

excellent job. Fitts, by his off season weight training and conditioning, has really emerged as a very good sprinter this season and has definitely been a big help to the relay team. Canter has continued to get even better this season and uses his versatile athleticism and open 400m dash ability to strengthen the relay team. Sparks focuses his athleticism to anchor the fastest 400m relay team is school history. All of us coaches are very proud of and happy for these athletes," reported a proud coach Gosa. Jason Strobel and Tom Ogi were the alternates for the 400m relay team.

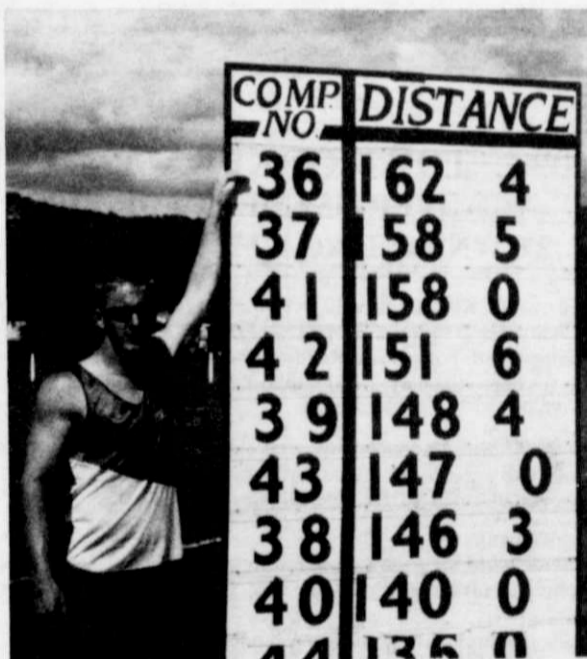

Canter, Fitts and Sparks are all underclassmen and will be returning next season, with only Thelen graduating this year. There should be some tough competition within the team next year for spots on the 400m relay team.

Colleen Gosa entered the Division Two girls discus competition on Saturday, June 3, at UW-La Crosse as the number eight seed. Colleen knew that she would need a good throw in order to place in the top six and earn a state medal.

Gosa struggled in the preliminaries and just made it into the finals as the ninth and last qualifier to move on into the finals. The athletes threw in reverse order in the finals with Kewaskum's Colleen Gosa throwing first. Coach Rizzardi reminded his athlete to smile and relax and she responded with her second best throw of the season. Gosa's throw of 118'2" temporarily moved her up to fifth place. Throwing first in finals has its disadvantages; Gosa's throw of 118'2" placed her sixth in the state competition.

"Colleen seemed a little tight in the preliminaries, barely qualifying for the finals. In the finals she loosened up to toss her second best effort of the year. Her previous best throw was 123' at Two Rivers. Her medal effort was a fantastic way to end this MVP season," commented throwing coach Dave Rizzardi.

"Both Charlie and Colleen continued the tradition of our throwers at the state meet. I felt very proud as they stepped up to receive their medals. Their hard work and positive efforts were truly showcased this past weekend," concluded Coach Rizzardi.

Kewaskum's Charlie Sparks, competitor #36, stands beside the results board after the completion of the boys' Division Two discus competition and points to his winning throw of 162'4" at the State Track and Field Championships at UW-La Crosse last weekend.

Los Angeles's full name is "El Pueblo de Nuestra Senora la Reina de Los Angeles de Porciuncula".

Soccer Awards Presented

The Kewaskum girls' varsity soccer team held its end-of-the-year awards banquet on Thursday night, June 1. Parents and athletes shared in a potluck dinner.

Those receiving letters were: Rachel Borland, Briann Obright, Bethany Hermann, Margaret Herriges, Courtney Schultz, Melissa Lark, Lauri Bausch, Lisa Boden, Jackie Chambers, Jamie Imler, Kathryn Klug, Jenny Koth, Kirstin Krüdwig, Jami Logan, Alexa Nelson, Katie Schladweiler, Tanya Theisen, Alison Yanke, Chris Van Beek, Mary Kwaterski.

Those receiving captain pins were: Jenny Koth, Katie Klug, Tanya Theisen, Maggie Herriges, Rachel Borland, and Beth Hermann.

The following awards were given to the athletes and were voted by their fellow teammates:

MVP Offense - Rachel Borland.

MVP Defense - Jenny Koth

MVP Midfield - Lauri Bausch and Beth Hermann (tie)

Most Improved Player Offense - Alison Yanke (tie); MIP Offense - Katie Stahler (tie).

MIP Defense - Tanya Theisen (tie); MIP Defense - Katie Klug (tie)

Village Board Meeting Minutes

**Village of Kewaskum
Plan Commission
April 26, 2000
7:00 p.m.**

The Plan Commission of the Village of Kewaskum, Washington County, Wisconsin met in the Council Room of the Municipal Building, 204 First Street.

President Robert H. Wagner called the meeting to order. Members Michael Kimble asked to be excused and were absent. Members present were Theodore Meilahn, Andy Pesch, Richard Schmidt, Frank Beesten and Lee Ann Butchlick. A quorum was present.

The meeting was opened with a Moment of Silence and the Pledge of Allegiance.

On a motion by Andy Pesch, seconded by Frank Beesten and unanimously carried by voice vote, the Commission approved the minutes for February 22, 2000.

The Plan Commission reviewed the request of David Gruber and Robert Beisbier to divide the lot known by tax key no. V4-0115 into two parcels by Certified Survey Map. Note the one building will be razed after the closing of said transaction. The Plan Commission felt the division was not in conflict with the land use plan, but it noted that the area adjacent to Roseland Drive was slated to be residential use. It was also discussed that the north side of the block shed will need a face lift and that the proposed one foot from the lot line should be increased to three feet. Both parties indicated they would be willing to help promote some green space.

Also it is hopeful that the existing drive on Fond du lac Avenue can be used as an ingress and that this would open up the back to have the egress to Forest Avenue. On a motion by Richard Schmidt, seconded by Frank Beesten and carried by majority voice vote the Commission sent the request to the Village Board with a favorable recommendation for approval noting the lot line on the north side of the block shed should be 3 feet from the shed. Mr. Robert Beisbier was present to answer question of the Commission. Theodore Meilahn abstained from voting.

The review of the request to allow for outside storage of landscaping type materials in conjunction with the placement of buildings was amended to reflect the location being known by tax key no. V4-0619-00B or by street address 1031

Fond du Lac Avenue. Maria McDaniels was present to answer questions. She informed the Commission that this is to be a retail type business with limited truck traffic. The Commission did ask if the proposed sketch could be reversed placing the main building on the east side of the lot. The response was favorable. Several points that may be placed in the new revised Zoning Ordinance were shared, such as the screening of a parking lot and the setback of 3' to 5' for parking, as well as landscaping requirements. On a motion by Lee Ann Butchlick, seconded by Frank Beesten and unanimously carried, the Plan Commission sent the matter to the Village Board with a favorable recommendation to allow for the storage of materials for retail sales.

Mr. Rick Kania was present from SEWRPC to review Section 5.00, "Modifications". Several questions were asked by the Commission Members of Mr. Kania. It was noted portions of Section 5 are now in agreement, with maybe a few small adjustments. Section 8.00 "Site Plan and Architectural Review" was reviewed by the Plan Commission and some additional items need to be added with another brief review to follow. Mr. Kania noted that if anyone had question they should bring it up as soon as possible.

On a motion by Andy Pesch, seconded by Richard Schmidt and carried by the majority roll call vote, the Commission adjourned the meeting. Roll call vote was 6 "Aye" 0 "Nay" 1 "Absent".

County Convection, Visitors Bureau Hosts "Connection" Breakfast

The Washington County Convention and Visitors Bureau, along with 50 attendees from across the county, participated in a tourism breakfast held last Wednesday at the Washington County Fair Park. The "Making The Connection" tourism breakfast was designed as an informative sessions to disseminate information about the tourism industry in Washington County and Wisconsin.

Recently hired as the CVB Executive Director, Becky Rogers shared upcoming tourism initiatives and revealed the results of the recently completed Washington County Assessment project. The assessment process, designed by the Wisconsin Department of Tourism, consisted of three sessions. Ms. Rogers commented that the purpose of the assessment was "...to analyze the tourism potential of the area and to provide a focus to plan for future growth and development within the county." A team was organized to conduct an informal inventory of all the tourism resources found in Washington County, including lodging, restaurants, shops, museums, attractions, recreational activities and events. After determining the resources and assets in the region, a development plan was created to help realize the county's full potential as a tourism destination. "The assessment will continue to serve as a tool and working document for the CVB," stated Rogers.

Kit Sorenson, Tourism Consultant for the Wisconsin Department of

Tourism, informed the attendees of the new marketing campaign the Department has initiated titled "Stay Just A Little Bit Longer." Its objective is to motivate new and repeat visitors to travel in Wisconsin and increase travel expenditures. The Department of Tourism's public relations and publicity program, like its advertising campaign, is built upon a foundation of marketing research and is designed to work as part of an integrated marketing plan. The campaign will be used to extend the reach and frequency of the overall Wisconsin tourism message.

The Wisconsin Department of Tourism commissions a Tourism Economic Impact Study each year to evaluate the impact of tourism in the State of Wisconsin. The study, conducted by Davidson-Peterson Associates, Inc. provides data related to economic employment and tax revenues generated from tourism. Mr. Sorenson explained further the impact local and state revenue has on the average household. As tourism contributes to a strong tax base, through tourism-related expenditures, to the maintain services at their current level, \$700 dollars of additional tax would be needed from each household yearly if tourism did not play the important role it currently does.

The Tourism Breakfast was the first of an annual occurrence to be hosted by the Washington County Convention and Visitors Bureau.

White pepper comes from black pepper. The most popular of all spices—salt is not a spice—white pepper is not related to sweet, red, green, or hot peppers, but is the dried berry of a woody, climbing vine known as *Piper nigrum L.*

AODA Program Awarded Five-Year Accreditation

Moraine Park Technical College's Alcohol and Other Drug Abuse (AODA) Program has been awarded a five-year accreditation as an academically-based training program for substance use disorders counseling by the Wisconsin Certification Board.

"Receiving accreditation is a real benefit to the college because it affirms that the instruction of our program meets the standards expected of educational programs as well as state standards," said Donna Leet, dean for the College's AODA program.

"It's also very important to our students because it assures them that all of the course work they take through Moraine Park has already been approved by the Wisconsin Certification Board," continued Leet. "Plus, it saves the students a lot of paperwork because they no longer have to verify their individual course work to show how it meets each of the standards required by the certification board. When our AODA students receive their diplomas it signifies that they are certifiable. They simply need to show their Moraine Park transcripts. It's very beneficial to the students."

The AODA Program, which has been offered at Moraine Park since 1995, received its accreditation on December 7, 1999, and will remain accredited through November 2004. The two-year associate degree program, offered at the Fond du Lac Campus, is designed to prepare students for careers as intake workers, house managers for community based residential facilities, registered alcohol and drug counselors or crisis workers.

"The jobs after graduation are determined by their own life experiences," said Jerry VanKirk, Moraine

Park's AODA instructor. "The Wisconsin Certification Board requires 4000 hours of clinical experience to become a Certified Alcohol and Drug Counselor II (CADC II). Our graduates are able to get positions as Registered Alcohol and Drug Counselors working under the supervision of a CADC III until they reach the 4000 hours."

VanKirk says that

because Moraine Park is now an accredited AODA institution students earn an additional 500 hours toward their 4000 clinical hours. These hours are over and above the 612 hours students already earn through the program's required internships. "Those 500 hours are another benefit to our students and another plus to being accredited."

Moraine Park's AODA program is offered entirely in the evening and can be completed within two-to-five years. "We try to make the program as flexible as possible, so we provide a lot of step-in, step-out opportunities," said Leet. "This means that a student can take classes for a year, take a year off if they need to and come back a year later and get right back to taking one or two classes a week. We really work to accommodate our students' lifestyles."

Because all of the courses are offered at night, the program is attractive to the working adult, but both VanKirk and Leet find the program draws a wide range of students, from those right out of high school to persons with bachelor's and master's degrees. "This program provides a lot of career opportunities and has a lot of applications to many different fields," said VanKirk, who serves on the executive committee of the Wisconsin Certification Board and acts as chair of the board's education committee. The traditional college-age student can come in and earn their associate degrees and those who already have master's and bachelor's degrees are able to expand their counseling practice by picking up the AODA credential. By becoming certified they make themselves much more marketable.

"This is very good step for the recent high school graduate because there is a large market for people who can relate to high school and middle school students," said Leet. "Young adults are very valuable to these agencies in relating to the young person who is experiencing substance abuse."

In addition to its two-year program, Moraine Park offers an AODA certificate as well as four Prevention certificates. The AODA cer-

tificate preparation pulls out just the courses that meet the Wisconsin Certification Board's educational requirements for certification as a CADC II and is an attractive option for those already possessing bachelor's or master's degrees.

The Prevention certificates are advanced technical certificates a person would take as an enhancer to their AODA degree. "Prevention is becoming a trend in business and industry because they are realizing the importance of prevention in the workplace," said Leet. All four of Moraine Park's Prevention certificates meet the new state and national standard for the three levels of professional certification in Prevention.

For more information on the AODA program call Donna Leet at (920) 924-3289 or Lisa Steffens at (920) 924-3198.

Chex BBQ Mix

- 3 cups Rice Chex cereal
- 3 cups Corn Chex cereal
- 1 1/2 cups pretzel twists
- 1 1/2 cups bite-size cheese crackers
- 3/4 cup honey-roasted peanuts
- 1/2 cup barbecue sauce
- 1 tablespoon vegetable oil
- 3/4 teaspoon onion powder
- 3/4 teaspoon garlic powder

1. Stir together cereals, pretzels, crackers and peanuts in large microwavable bowl; set aside.

2. Stir together remaining ingredients until blended.

3. Pour over cereal mixture in bowl, stirring until evenly coated.

4. Microwave uncovered on High 10 minutes, stirring every 3 minutes.

5. Spread on aluminum foil or paper towels to cool. Store in airtight container. 7 1/2 cups snack.

Important: Because microwaves cook differently, time is approximate. *High Altitude (3500-6500 ft):* No changes.

Summer Grilling Tips

MADISON - Take the worry out of summer grilling by keeping a few simple food safety tips in mind. Begin by using a food thermometer.

"The only way to make sure food is cooked properly is with a food thermometer," said Helen White, registered dietitian and food scientist at the Wisconsin Department of Agriculture, Trade and Consumer Protection.

Thin, digital thermometers with an easy-to-read display are easiest to use. They also work well in a variety of foods, from thin burgers and chops to thick meats. Place the thermometer in the thickest part of the meat. If using in thin foods, insert horizontally.

"Many of us rely on how the food looks to determine if it's been cooked enough," White says. "Studies by the US Department of Agriculture show that the doneness of grilled foods can't be determined by sight alone because the grilling process can change how food looks."

White says that consumers may believe pink meats are undercooked and brown meats are thoroughly cooked. Foods like poultry and pork can be fully cooked but may turn pink during grilling. Other foods like grilled hamburgers actually may be undercooked even though they have turned brown.

White offers other tips to grill properly:

* Cook steaks and roasts to at least 145 degrees F, pork and hamburgers to 160 degrees F, and poultry to 180 degrees F.

* Keep foods refrigerated or on ice until ready to cook.

* Keep raw meat, fish and poultry separated from all other foods, especially ready-to-eat and cooked foods, by placing the raw foods in separate zipper type plastic bags or pans with high sides.

* Put cooked meats on a

clean dish. Do not reuse any dish used to hold raw meat, fish or poultry without washing first.

* Do not reuse sauces used to marinate raw meat, poultry or seafood on any cooked foods. Use fresh sauce on all cooked foods.

* Wash hands thoroughly before and after handling raw and cooked foods.

* Put all leftovers in the refrigerator or on ice within two hours of cooking.

These tips will help keep your fancy feast fresh and safe. White's final tip? "Enjoy!"

For more information on grilling foods safely, contact the U.S. Department of Agriculture, <http://www.fsis.usda.gov/OA/pubs/grilsmok.htm> or call the Meat and Poultry Hotline at 1-800-535-4555.

Wisconsin's Historic Sites Offer Unique Perspectives on the Past

*** Old World Wisconsin**, just south of Eagle in Waukesha County, exhibits the heritage of Wisconsin's settlement in the 19th and early 20th centuries by European immigrants, eastern-born Yankees and African American settlers. Every day of the season, visitors can mingle with real-life characters out of the past who re-create historical scenes of farm and village life a century ago.

Daily programs and special events highlight themes and events in state history ranging from working the fields with horses and oxen to daily life in an 1870s crossroads village. A series of four special days featuring activities for children is also scheduled. Regular season dates are May 1 through October 31. For more information contact Old World Wisconsin, S103 W37890 Highway 67, Eagle, Wisconsin 53119, phone (262) 594-6204 or visit the Web site at <http://www.shsw.wisc.edu/sites/oww/>.

*** Pendarvis** in Mineral Point, a restoration of Cornish miners' homes built during the territorial period in Mineral Point during the 1830s and '40s, reveals an early chapter in Wisconsin history, when miners from Cornwall flocked to the hill country in and around Mineral Point to mine lead and zinc ore. In addition to its limestone and stone-and-log cottages, Pendarvis includes the Merry Christmas Mine Hill -- the site of early mining activity -- which still bears telltale signs of the lead-mining boom.

At Pendarvis, visitors experience Wisconsin history from the arrival of the first settlers, including a 43-acre restored prairie that re-creates the area's habitat to that before settlement, to the arrival of Cornish miners. The site's terraced gardens and unique Old World architecture provide a window onto the Mineral Point area's historic charm. Regular season dates are May 1 through October 31. For more information contact Pendarvis, 114 Shake Rag Street, Mineral Point, Wisconsin 53565, phone (608) 987-2122 or visit the Web site at <http://www.shsw.wisc.edu/sites/pend/>.

*** Villa Louis** offers a rare glimpse at the life of a wealthy Victorian family living in the luxury of a mansion built with a fur trader's fortune in the frontier town of Prairie du Chien. With its interiors recently restored to their British Arts-and-Crafts finery of the 1890s, Villa Louis interprets the leisure-class lifestyle of a family whose elegant surroundings belie their pioneer roots. Heirs of frontier entrepreneur Hercules Dousman built the

mansion in 1870.

Today the Villa Louis reflects the Dousmans' lives and times with daily and special events that harken back to the family's heyday on the country estate, where they entertained lavishly and operated a farm for breeding and raising Standardbred trotting horses for harness racing. A highlight of the season is the annual "Villa Louis Carriage Classic" each September (this year scheduled for Sept. 9-10). The season runs from May 1 through October 31. For more information contact Villa Louis, P.O. Box 65, Prairie du Chien, Wisconsin, 53826, phone (608) 326-2721, or visit the Web site at <http://www.shsw.wisc.edu/sites/villa/>.

*** Wade House and Wesley Jung Carriage Museum**, midway between Sheboygan and Fond du Lac, turns back the clock to 1850 when Yankee settler Sylvanus Wade built the stagecoach inn to serve wagon traffic along the plank road connecting the two cities. Today the inn, preserved as it appeared during its heyday, recalls those days when the horse and buggy ruled the road. The nearby Wesley Jung Carriage Museum exhibits the state's largest collection of hand-and-horse-drawn vehicles.

During the 2000 season, work will continue on the reconstruction of the historic Robinson-Herrling Sawmill that stood on the banks of the little Mullet River from Wade's time through 1910. The site also hosts a "Civil War Weekend," Wisconsin's largest Civil War encampment and battle re-enactment, each fall (this year scheduled for Sept. 23-24). For more information contact Wade House, P.O. Box 34, Greenbush, Wisconsin 53026, phone (920) 526-3271, or visit the Web site at <http://www.shsw.wisc.edu/sites/wade/>.

*** Madeline Island Historical Museum** in La Pointe reveals some of Wisconsin's earliest history. Here French voyageurs became the first Europeans to explore the Apostle Islands region in 1659. The museum's exhibits trace Wisconsin history from the arrival of the French, through the rise and fall of the fur trade, to the advent of the Lake Superior maritime industry and, eventually, Madeline Island's role as a summer tourism haven.

The museum's exhibits and events tell the whole story, complete with a French voyageur encampment on the museum grounds during "Return of the Voyageurs" August 18-20. The season runs from

May 27 through October 14. For more information contact Madeline Island Historical Museum, La Pointe, Wisconsin 54850, phone (715) 747-2415, or visit the Web site at <http://www.shsw.wisc.edu/sites/madisle/>.

*** Stonefield** in Cassville, where Wisconsin's first governor Nelson Dewey farmed a rambling country estate, represents the state's agricultural history. Dewey's homesite overlooks a re-created 1900s farming village, where visitors can explore typical shops and storefronts that supported the agricultural economy. Nearby, the State Agricultural Museum houses the state's largest collection of antique farm equipment, from full-size threshing machines and tractors to intricate, miniature models of McCormick-International Harvester Company farm implements.

Stonefield depicts the early promise of Cassville, where many, including Dewey, sought to locate the capital of the Wisconsin Territory, and its events and exhibits re-create the lives and times of the farmers and small-town merchants who settled the area. Stonefield is open daily May 27 through September 30 and on weekends October 1-31. For more information contact Stonefield, P.O. Box 125, Cassville, Wisconsin 53806, phone (608) 725-5210, or visit the Web site at <http://www.shsw.wisc.edu/sites/stone/>.

*** First Capitol**, the remnants of Wisconsin's first territorial capitol in Belmont, includes two of the

original buildings where legislators convened for 46 days in the fall and winter of 1836 to chart a course for what would frame the structure of Wisconsin state government. First Capitol's season runs from Memorial Day through Labor Day. For more information contact the Pendarvis historic site, 114 Shake Rag Street, Mineral Point, Wisconsin 53565, phone (608) 987-2122, or visit the Web site at <http://www.shsw.wisc.edu/sites/firstcap/>.

*** H.H. Bennett Studio and History Center** in Wisconsin Dells will become the State Historical Society's newest historic site when it opens to the public for the first time (scheduled for Friday, June 9). The historic studio of 19th-century photographer pioneer Henry Hamilton Bennett, whose spectacular, panoramic photographs of the Wisconsin Dells made the region a popular tourism destination nationwide, will exhibit some of Bennett's finest work.

Bennett marketed his stunning stereoscopic views of the Dells and other Wisconsin and Midwestern scenes throughout the nation. From his little studio in Wisconsin Dells, he made daily forays up and down the Wisconsin River to capture scenes of daily life. He also spent time photographing the native Ho-Chunk population -- including dramatic portraits as well as candid scenes -- and documented the dangerous work of raftsmen hauling logs down the often treacherous Wisconsin River. His city views of Milwaukee, Chicago and the Twin Cities also stand out among his best work.

The new historic site will include the original studio, restored to its appearance

at the time of Bennett's death in 1908, an adjacent building of the same period that will serve as a visitor center, and a new exhibit hall connecting the two structures, which will contain exhibits of Bennett's pioneering work. Inside the studio, complete with the restored skylight that illuminated Bennett's portrait room, visitors will get a firsthand look at how the photographer made prints from his original glass-plate negatives.

The H.H. Bennett Studio and History Center will be open daily from June 9 through September 30 on weekends during October, and weekends January through May 2001. For more information contact H.H. Bennett Studio and History Center, 215 Broadway, Wisconsin Dells, Wisconsin 53965, phone (608) 253-3523, or visit the Web site at <http://www.shsw.wisc.edu/sites/bennett/>.

Winds Blow Indian Golfers Out of W.I.A.A. Playoffs

On Wednesday, May 24, Mayville High School hosted the 2000 W.I.A.A. Boys Golf Division Two Regional Tournament at Mayville Country Club.

Nine area high school varsity boys golf teams competed in the 18-hole stroke play sectional qualifier with the top three teams advancing. Forty-five players were battling for position as the top three individuals advance as well.

Teams tee off according to their respective season nine-hole averages with the highest three teams first, then the next three high averages and finally the teams with the three lowest

averages.

Kewaskum had the second best scoring average, therefore the Indians were paired with last year's sectional champion, the host, Mayville Cardinals, and the 1999 State Runnerup, Grafton. Most in attendance expected those three teams as the most likely to advance to the sectionals.

With Kewaskum scheduled to host the 2000 Sectionals at Hon-E-Kor Golf and Country Club, the Indians anticipated a great opportunity to extend their season with a solid team performance at Mayville.

The Indians had defeated and lost to both Grafton and

Mayville in tournaments during the regular season. Thus, the KHS golfers were not as concerned with winning as with qualifying for their home course sectional tournament scheduled for the next week (May 30).

The first teams started at 9 a.m. under sunny skies and light winds while the Indian team members teed off after 11 a.m. when the clouds and cooler temperatures started to roll in.

With nine teams involved in the regional, all groups were sent out as threesomes according to their positions (five through one) on their respective teams. As a result, groups were making

the turn in one hour and fifty minutes and finishing in under three and one-half hours.

After all nine teams made the turn at a tremendous pace, the scores were close to the expected final results with Mayville leading with a 166 round, followed surprisingly by Slinger and Sheboygan Falls at 172, then Kewaskum and Grafton at 173 and Random Lake at 175. Both the Black Hawks of Grafton and the Indians were confident that they could make up that one stroke deficit on their second nine.

However as the match progressed the winds picked up dramatically with steady winds between 40-50 miles an hour with gusts measured at 61 mph. Therefore, the teams with the higher averages finished prior to the advent of the high winds. Whereas, the Indians were in the last five groups with the almost impossible task of trying to hit small greens with fierce crosswinds.

The overall results of the 2000 WIAA Regional Division Two Boys Golf Tournament indicate that neither Grafton nor Kewaskum were able to make up ground on their opponents. In fact, only one team improved upon their first round score, the eventual Champion Slinger Owls.

And only one other team held their own, the Random Lake Rams, who finished third overall. All other teams' scorers were markedly higher in their second nine than their first nine.

The only team to advance as expected was the local linksters, the Mayville Cardinals, who finished six strokes behind the much-improved Owls of Slinger. Grafton consoled themselves by qualifying two individuals for the upcoming sectionals.

The Kewaskum Indians failed to advance any team members to the next round of competition, which was disappointing for all KHS participants involved in varsity golf this season.

Nick Mueller of Campbellsport advanced to the Sectionals by virtue of his score of 84 which was indicative of the weather conditions with rounds of 39 and 45. Nick Longley and Tom Hawkins, both of Grafton, earned their right back to the Sectionals as individual qualifiers.

As the members of the KHS varsity boys golf teams congratulated the various team and individual qualifiers, the Indians were left with a sense of lost opportunity that can never be regained. The Indians actually recorded their worst nine hole total on their second round (198) thereby finishing eighth in the regionals and their season overall.

Area High School Golfers Weather Conditions at WIAA Sectionals Here

The WIAA Division Two Boys Golf Sectionals hosted by Kewaskum High School at Hon-E-Kor Golf and Country Club on Tuesday, May 30, looked remarkably similar to two weeks prior, when the Eastern Wisconsin Conference Championship Tournament had to be postponed due to heavy rain and possible flooding.

The difference this time was that the weather conditions were not going to improve over the next few days. Therefore, coaches and players alike decided to weather the wind, rain and damp conditions.

Nine area high school teams and nine individuals qualified from last week's regional competition for the right to advance to the WIAA State Tournament. The top three teams and individuals from the Mayville, New Berlin Eisenhower and Wautoma Regionals converged on rained soaked but playable Hon-E-Kor Golf Course on May 30.

After a consensus of coaches agreed that conditions were not likely to get better over the next 48 hours, they determined to get things started on schedule.

The qualified individuals teed off first followed by the teams that finished third at each regional, then the second place teams and finally the first place squads. About halfway through the scheduled tee times, play was suspended for approximately 20 minutes when the winds noticeably changed and the hazy skies roared with several thunderclaps. Interestingly, the rain stopped and skies cleared somewhat to allow the tournament to resume as planned.

In order to advance to the state tournament held at University Ridge outside of Madison on June 5 and 6, you either have to qualify as

one of the top two teams or the top three individuals not on those teams. All in all, there were 54 regional qualifiers competing for the right to go to state.

Essentially, besides the top two teams - 10 players, there are 44 golfers battling for three individual spots from the Kewaskum Sectional.

Due to the wet and windy conditions, the scores were higher than what the Kewaskum Indians averaged throughout the season. However, with no local linksters qualified, the Indians could concentrate on being efficient and gracious hosts as well as students of the game.

Parent volunteers and members of the boys golf team effectively joined with the staff at Hon-E-Kor to run a smooth sectional championship tournament.

After the first three teams had completed their rounds, the Pewaukee Pirates established a very solid 341 team score and standard to measure all other teams. When Mayville put up a 347 team total after the second group of teams had finished their rounds, everyone now knew what score it would seemingly take to advance. It appeared as though only the Slinger Owls or Greendale Panthers were positioned to possibly challenge the top teams on the leader board.

Unfortunately for Slinger they were not able to duplicate their regional performance, but actually ballooned on their second round from a 177 to a 190 score. Thereby taking themselves out of the competition and leaving Greendale as the only school that could possibly reshuffle the final placement.

The Panthers did just that by shooting a 168 on the White Nine to take the overall lead and championship with a 338 total.

Therefore, Greendale received the WIAA Sectional Title and Plaque with Pewaukee advancing as well after receiving their much deserved medals. Greendale had recorded four of the top 20 scores individually, thus enabling the Panthers to take the championship.

Qualifying as individuals were junior Josh Koyen of Pioneer Westfield with an (41+39) 80, freshman Rob Steger of Shorewood who posted a second round 37 to go with his earlier 44 for 81 and Ripon senior Bob Kimball who likewise recorded an initial 44 to add to his 38 for a state qualifying total of 82.

Surprisingly, three of the top four scores were recorded by freshmen members of their respective teams. The competition within the sectional looks to be strong for years to come. Actually two of the top seven scorers disqualified themselves by honestly reporting that they had unknowingly signed inaccurate scorecards, including one that still was the best score of the day

when corrected.

Since the weather did indeed get wetter as the week progressed, it proved to be good fortune to go ahead as planned and finish the tournament. Other area sectionals were unable to be completed until Friday, June 2. Many of the coaches were pleased with the tournament overall, the condition of Hon-E-Kor in general and the great support by Hon-E-Kor staff and management in particular.

On behalf of the KHS golf team, a special note of appreciation is extended to Joe Harlow, Jonesy and Jane Korth for their efforts and contribution to the KHS golf program.

XYZ CARD RESULTS

The winners at cards played at the Municipal Building on Wednesday, May 31st were: SKAT: Elroy Egerer, 17-2--15 net; Allen Reindl, 15-3--12 net; Sly Schmidt, Grand Ouvert with 4.

SHEEPSHEAD: Martha Kudek, Bruce Petri, Harold Backhaus, Minerva Martin, Sally Reindl, Florin Jakubowski, Frances Rohlinger, Edna Engelmann, Lucy Lecher, Betty Jacek, Edna Ruplinger, John Ruplinger and Marvin Marquardt.

KHS Baseball Team Loses to New Holstein

Rain cancelled the Tuesday non-conference game against West Bend West so the Indians had to wait till Wednesday, May 31, to get back into action. It again rained but New Holstein High School baseball diamond has the new Sport-sorb calcined clay infield which allows the water to drain through and within minutes is ready to play on.

Unfortunately, the Indians were not as ready. Defensively, the first play was blundered and state track qualifier Cory Nickel reached on an error. No. two hitter, Casey Ausloos singled, putting runners on first and second. Both scored on a Mark Wieser double off the left center fence.

Nickel had an outstanding day for New Holstein, reaching base four out of five at bats, scoring three runs with two RBI's leading New Holstein to a 11-3 win. Clean-up hitter Wieser was 3x5 with a solo home run in the fourth.

Jason Strobel led Kewaskum going 2x4 with a two-run dinger off of Mike Woelfel in the top of the fifth. Strobel's home run put the score to 5-3, New Holstein.

"With Bob Ogi on the

mound for us, you always have a chance to hold the opposition," said Coach Mark Heise. "But the early inning errors made Bob throw more pitches than he should have." To start the New Holstein fifth, Ogi gave up two hits and a walk so Heise replaced him with junior Josh Parrent.

Parrent's first appearance of the year was not memorable as he walked the first two batters he faced, got two long flyouts and then another walk. He gave up three runs on only 1/3 inning pitched. "Josh got hurt last year pole vaulting and just started on the baseball scene last week after track season. He's three weeks behind due to his track participation," said Coach Heise. "It will take him a couple of weeks to get his arm in pitching shape."

A Cory Nickel fifth inning double drove in two of six more Huskie runs to put the game out of reach. Kewaskum's Jason Calliari pitched the last 1-1/3 innings, striking out two and giving up no hits.

Calliari hit a double in the third, and junior Josh Krahn and sophomore Justin Rhoads got the only singles for the Indians. The

Indian Golfers to Host KHS Alumni Challenge

On Monday, June 19, members of the Kewaskum High School golf teams will challenge any and all KHS Alumni as well as the School District staff to a four person scramble at Hon-E-Kor Golf and Country Club in Kewaskum.

Each foursome will represent one (preferably their own) year of graduation against all other foursomes representing their class,

including the Class and Team of 2000. There can be more than one foursome per class or graduation year.

Foursomes of seniors, juniors, sophomores and even freshmen members of the golf team are currently forming to compete with Coach Eichstedt's (Class of 1972) team, as well as Coach Scott Rohlinger's (Class of 1979) team. Several past and present district staff members are organizing their respective foursomes to try to win the inaugural KHS Alumni Challenge. Each foursome must have at least one graduate or staff member from Kewaskum in order to participate.

Members of the previous high school golf teams, including the 1989 State Tournament Team and Conference Championship Teams are invited and encouraged to participate in this first annual event.

Besides bragging rights, plaques and prizes, will be awarded. The purpose of the tournament will be to raise funds for KHS Athletic Programs.

Therefore, there are many ways to get involved in the Alumni Challenge even if you are unavailable to golf. Businesses can sponsor a hole or possibly a foursome or individual to

bottom five in Kewaskum's lineup were hitless, although junior Jon Boedeker did hit a line shot off pitcher Woelfel's foot in the fifth, knocking him out of the game.

Thursday, June 1's home game against Sheboygan Falls was suspended in the fourth due to rain. Falls is leading 2-0 going into the fourth inning. The game will be finished at 5 p.m. on July 11 at Sheboygan Falls, before the regularly scheduled game.

The Indians have a busy weekend playing Plymouth at home on Thursday, June 8, at 5:30 p.m. On Friday, the Indians travel to Campbellsport for a 5:30 p.m. matchup and on Saturday, June 10, they head to Kiel for an 11 a.m. doubleheader against the Raiders.

represent your class. Otherwise, people can donate prizes for hole events as well as for raffles. Volunteers are also needed to help the golf team conduct this event in hopefully a classy and fun-filled manner.

The golf competition will be followed by a buffet-style meal at Hon-E-Kor and then an Awards Presentation. Winners of the Alumni Challenge, Hole Events and Raffles will be announced and awarded prior to the Golf Team Awards being presented to those in attendance. Individuals may call Hon-E-Kor at (262) 626-2520 for Golf and/or Dinner Reservations, PRIOR TO JUNE 16.

Prizes will be awarded for the winning (lowest scoring) foursome per nine with the members of the lowest 18 score receiving engraved plaques, gift certificates and honorary team shirts.

All other donated prizes will be distributed to the raffle winners and golf challenge participants. All foursomes are eligible to win because a Blind Bogey drawing will take place as well.

When a kangaroo is nervous, it licks its forearms. No one knows why.
